(3) Groundwater withdrawn under the authority established in this section must be limited to permit exempt domestic uses, as that term applies to the administration of RCW 90.44.050.

NEW SECTION. Sec. 2. A new section is added to chapter 90.44 RCW to read as follows:

(1)(a) The owner of any parcel located in a closed Skagit river subbasin must, prior to any groundwater withdrawals authorized by section 1 of this act, initiate the implementation of an environmental mitigation plan that has been approved by the department as resulting in no net loss of water to the hydraulic system of the Skagit river basin.

(b) The mitigation plan must be designed to offset the impacts to stream flows caused by the groundwater withdrawal authorized by section 1 of this act. The mitigation plan must quantify the expected impacts on stream flows and must include the protection of and where possible, the enhancement of instream flows in the Skagit river basin by:

(i) Acquiring water rights;
(ii) Incentivizing water conservation and low-impact development practices; and
(iii) Promoting any other instream flow enhancement projects, including but not limited to collection, retention, and release of rainwater, constructing ponds, wetlands, and other water impoundments, and storm water infiltration.

(c) The applicant for mitigation plan approval must also identify the sources of funding or funding commitments necessary to implement the mitigation plan.

(2)(a) The responsibility for developing the mitigation plan and funding its implementation belongs to the owner of the property subject to the mitigation plan. However, nothing in this section prohibits a county or public utility district from contributing public funds for the development and implementation of a mitigation plan under this section. Any commitment of public funds by a county or public utility district must be identified in the mitigation plan submitted to the department for approval.

(b) For property owners located in the Skagit river basin who applied for a building permit with the county applicable to the property where groundwater withdrawals are intended under section 1 of this act prior to the effective date of this section only, the development and implementation of a mitigation plan submitted for approval under this section may be funded, in part or in whole, by state capital budget funding.

Sec. 3. RCW 90.44.035 and 2000 c 98 s 2 are each amended to read as follows:

For purposes of this chapter:

(1) "Department" means the department of ecology;
(2) "Director" means the director of ecology;
(3) "Groundwaters" means all waters that exist beneath the land surface or beneath the bed of any stream, lake or reservoir, or other body of surface water within the boundaries of this state, whatever may be the geological formation or structure in which such water stands or flows, percolates or otherwise moves. There is a recognized distinction between natural groundwater and artificially stored groundwater;

(4) "Natural groundwater" means water that exists in underground storage owing wholly to natural processes;

(5) "Artificially stored groundwater" means water that is made available in underground storage artificially, either intentionally, or incidentally to irrigation and that otherwise would have been dissipated by natural processes; and

However, (a) this subsection does not apply to irrigation return flow, or to operational and seepage losses that occur during the irrigation of land, or to water that is artificially stored due to the construction, operation, or maintenance of an irrigation district project, or to projects involving water reclaimed in accordance with chapter 90.46 RCW; and (b) RCW 90.44.130 applies to those instances of claimed artificial recharge occurring due to the construction, operation, or maintenance of an irrigation district project or operational and seepage losses that occur during the irrigation of land, as well as other forms of claimed artificial recharge already existing at the time a groundwater subarea is established and

(7) "Skagit river basin" means water resources inventory areas numbers 3 and 4 established under chapter 173-500 WAC as it existed on the effective date of this section.

(8) "Closed Skagit river subbasin" means a subbasin of the Skagit river basin that has been administratively closed to new groundwater withdrawals by the department pursuant to chapter 173-503 WAC.

Sec. 4. RCW 90.44.050 and 2003 c 307 s 1 are each amended to read as follows:

After June 6, 1945, no withdrawal of public groundwaters of the state shall be begun, nor shall any well or other works for such withdrawal be constructed, unless an application to appropriate such waters has been made to the department and a permit has been granted by it as herein provided: EXCEPT, HOWEVER, That any withdrawal of public groundwaters for stock-watering purposes, or for the watering of a lawn or of a noncommercial garden not exceeding one-half acre in area, or for single or group domestic uses in an amount not exceeding five thousand gallons a day, or as provided in RCW 90.44.052 or section 1 of this act, or for an industrial purpose in an amount not exceeding five thousand gallons a day, is and shall be exempt from the provisions of this section, but, to the extent that it is regularly used beneficially, shall be entitled to a right equal to that established by a permit issued under the provisions of this chapter: PROVIDED, HOWEVER, That the department from time to time may require the person or agency making any such small withdrawal to furnish information as to the means for and the quantity of that withdrawal: PROVIDED, FURTHER, That at the option of the party making withdrawals of groundwaters of the state not exceeding five thousand gallons per day, applications under this section or declarations under RCW 90.44.090 may be filed and permits and certificates obtained in the same manner and under the same requirements as is in this chapter provided in the case of withdrawals in excess of five thousand gallons a day.

Sec. 5. RCW 90.44.050 and 2003 c 307 s 1 are each amended to read as follows:

(1) After June 6, 1945, no withdrawal of public groundwaters of the state shall be begun, nor shall any well or other works for such withdrawal be constructed, unless an application to appropriate such waters has been made to the department and a permit has been granted by it as herein provided: EXCEPT, HOWEVER, That any withdrawal of public groundwaters for stock-watering purposes, or for the watering of a lawn or of a noncommercial garden not exceeding one-half acre in area, or for single or group domestic uses in an amount not exceeding five thousand gallons a day, or as provided in RCW 90.44.052, or for an industrial purpose in an amount not exceeding five thousand gallons a day, is and shall be exempt from the provisions of this section, but, to the extent that it is regularly used beneficially, shall be entitled to a right equal to that established by a permit issued under the provisions of this chapter: PROVIDED, HOWEVER, That the department from time to time may require the person or agency making any such small withdrawal to furnish information as to the means for and the quantity of that withdrawal: PROVIDED, FURTHER, That at the option of the party making withdrawals of groundwaters of the state not exceeding five thousand gallons per day, applications under this section or declarations under RCW 90.44.090 may be filed and permits and
certificates obtained in the same manner and under the same requirements as is in this chapter provided in the case of withdrawals in excess of five thousand gallons a day.

(2)(a) The department may not require withdrawals of groundwater to be metered or measured for wells authorized under the provisions of this section constructed prior to the effective date of this section for single or group domestic uses that do not exceed withdrawals of five thousand gallons a day.

(b) This subsection does not apply to wells the department has required to be metered or measured as of the effective date of this section.

Annual reports may include the impact of the contracting organization on wages, exports, tax revenue, small business creation, foreign direct investment, business relocations, expansions, terminations, and capital investment. Data must be input into a common web-based business information system managed by the department. (b) In addition to the measures required in (a) of this subsection, contracting associate development organizations in counties with a population greater than one million five hundred thousand persons must include the following measures in reports to the department:

(b) The comprehensive statewide economic development strategy must include the industry clusters in the state and the strategic clusters targeted by the commission for economic development efforts. The commission must consult with the workforce training and education coordinating board and include labor market and economic information by the employment security department in developing the list of clusters and strategic clusters that meet the criteria identified by the working group convened by the economic development commission and the workforce training and education coordinating board under chapter 43.330 RCW.

(4)(a) In developing the comprehensive statewide economic development strategy, the commission must use, but may not be limited to: Economic, labor market, and populations trend reports in office of financial management forecasts; the annual state economic climate report prepared by the economic climate council; joint office of financial management and employment security department labor force, industry employment, and occupational forecasts; the results of scientifically based outcome evaluations; the needs of industry associations, industry clusters, businesses, and employees as evidenced in formal surveys and other input.

(6) State agencies and associate development organizations must cooperate with the commission and provide information as the commission may reasonably request.

(7) The commission must develop a biennial budget request for approval by the office of financial management. The commission must adopt an annual budget and work plan in accordance with the omnibus appropriations bill approved by the legislature.

(8)(a) The commission and its fiscal agent must jointly develop and adopt a memorandum of understanding to outline and establish clear lines of authority and responsibility between them related to budget and administrative services.

(b) The memorandum of understanding may not provide any additional grant of authorities to the commission or the fiscal agent that is not already provided for by statute, nor diminish any authorities or powers granted to either party by statute.

(c) Periodically, but not less often than biannually, the commission and fiscal agent must review the memorandum of understanding and, if necessary, recommend changes to the other party.

(d) As provided generally under RCW 43.162.015, the executive director of the commission must report solely to the governor and the commissioners on matters pertaining to commission operations.

However, subject to available resources and consistent with its work plan, the commission or the executive director may conduct outreach activities such as regional forums and best practices seminars.

(10) The commission must evaluate its own performance on a regular basis.

(11) The commission may accept gifts, grants, donations, sponsorships, or contributions from any federal, state, or local governmental agency or program, or any private source, and expend the same for any purpose consistent with this chapter.”

February 21, 2012
MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 49.12 RCW to read as follows:

(1) The director shall establish a farm internship pilot project until December 1, 2017, for the employment of farm interns on small farms under special certificates at wages, if any, as authorized by the department and subject to such limitations as to time, number, proportion, and length of service as provided in this section and as prescribed by the department. The pilot project consists of the following counties: San Juan, Skagit, King, Whatcom, Kitsap, Pierce, Jefferson, Spokane, Yakima, Chelan, Grant, Kittitas, Lincoln, Okanogan, and Thurston.

(2) A small farm may employ no more than three interns at one time under this section.

(3) A small farm must apply for a special certificate on a form made available by the director. The application must set forth: The name of the farm and a description of the farm seeking the certificate; the type of work to be performed by a farm intern; a description of the internship program; the period of time for which the certificate is sought and the duration of an internship; the number of farm interns for which a special certificate is sought; the wages, if any, that will be paid to the farm intern; any room and board, stipends, and other remuneration the farm will provide to a farm intern; and the total number of workers employed by the farm.

(4) Upon receipt of an application, the department shall review the application and issue a special certificate to the requesting farm within fifteen days if the department finds that:

(a) The farm qualifies as a small farm;

(b) There have been no serious violations of chapter 49.46 RCW or Title 51 RCW that provide reasonable grounds to believe that the terms of an internship agreement may not be complied with;

(c) The issuance of a certificate will not create unfair competitive labor cost advantages nor have the effect of impairing or depressing wage or working standards established for experienced workers for work of a like or comparable character in the industry or occupation at which the intern is to be employed;

(d) A farm intern will not displace an experienced worker; and

(e) The farm demonstrates that the intern will perform work for the farm under an internship program that: (i) Provides a curriculum of learning modules and supervised participation in farm work activities designed to teach farm interns about farming practices and farm enterprises; (ii) is based on the bona fide curriculum of an educational or vocational institution; and (iii) is reasonably designed to provide the intern with vocational knowledge and skills about farming practices and enterprises. In assessing an internship program, the department may consult with relevant college and university departments and extension programs and state and local government agencies involved in the regulation or development of agriculture.

(5) A special certificate issued under this section must specify the terms and conditions under which it is issued, including: The name of the farm; the duration of the special certificate allowing the employment of farm interns and the duration of an internship; the total number of interns authorized under the special certificate; the authorized wage rate, if any; and any room and board, stipends, and other remuneration the farm will provide to the farm intern. A farm worker may be paid at wages specified in the certificate only during the effective period of the certificate and for the duration of the internship.

(6) If the department denies an application for a special certificate, notice of denial must be mailed to the farm. The farm listed on the application may, within fifteen days after notice of such action has been mailed, file with the director a petition for review of the denial, setting forth grounds for seeking such a review. If reasonable grounds exist, the director or the director's authorized representative may grant such a review and, to the extent deemed appropriate, afford all interested persons an opportunity to be heard on such review.

(7) Before employing a farm intern, a farm must submit a statement on a form made available by the director stating that the farm understands: The requirements of the industrial welfare act, chapter 49.12 RCW, that apply to farm interns; that the farm must pay workers' compensation premiums in the assigned intern risk class and must pay workers' compensation premiums for nonintern work hours in the applicable risk class; and that if the farm does not comply with subsection (8) of this section, the director may revoke the special certificate.

(8) The director may revoke a special certificate issued under this section if a farm fails to: Comply with the requirements of the industrial welfare act, chapter 49.12 RCW, that apply to farm interns; pay workers' compensation premiums in the assigned intern risk class; or pay workers' compensation premiums in the applicable risk class for nonintern work hours.

(9) Before the start of a farm internship, the farm and the intern must sign a written agreement and send a copy of the agreement to the department. The written agreement must, at a minimum:

(a) Describe the internship program offered by the farm, including the skills and objectives the program is designed to teach and the manner in which those skills and objectives will be taught;

(b) Explicitly state that the intern is not entitled to unemployment benefits or minimum wages for work and activities conducted pursuant to the internship program for the duration of the internship;

(d) Describe the type of work to be performed by the farm intern; and

(e) Describes any wages, room and board, stipends, and other remuneration the farm will provide to the farm intern.

(iii) Where all the owners or partners of the farm provide regular labor to and participate in the management of the farm, and own or lease the productive assets of the farm.

(11) The department shall monitor and evaluate the farm internships authorized by this section and report to the appropriate committees of the legislature by December 31, 2017. The report must include, but not be limited to: The number of small farms that applied for and received special certificates; the number of interns employed as farm interns; the nature of the educational activities provided to the farm interns; the wages and other remuneration paid to farm interns; the number of and type of workers' compensation claims for farm interns; the employment of farm interns following farm internships; and other matters relevant to assessing farm internships authorized in this section.

(a) If a person is seeking an individual health benefit plan or enrollment in the basic health plan as a nonsubsidized enrollee due to his or her change of residence from one geographic area in Washington state to another geographic area in Washington state where his or her current health plan is not offered, completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of relocation.

A health carrier shall accept an application without a standard health questionnaire from a person with at least twenty-four months of continuous basic health plan coverage if application is made no more than ninety days prior to the date of disenrollment and the effective date of the individual coverage applied for is the date of disenrollment, or within ninety days thereafter.

(f) If a person is seeking an individual health benefit plan due to a change in employment status that would qualify him or her to purchase continuation coverage provided under 29 U.S.C. Sec. 1161 et seq., completion of the standard health questionnaire is not a condition of coverage if: (i) Application for coverage is made within ninety days of a qualifying event as defined in 29 U.S.C. A health carrier shall accept an application without a standard health questionnaire from a person with at least twenty-four months of continuous group coverage if application is made no more than ninety days prior to the date of a qualifying event and the effective date of the individual coverage applied for is the date of the qualifying event, or within ninety days thereafter.

(g) If a person is seeking an individual health benefit plan due to their terminating continuation coverage under 29 U.S.C. Sec. 1161 et seq., completion of the standard health questionnaire shall not be a
condition of coverage if: (i) Application for coverage is made within ninety days of terminating the continuation coverage; and (ii) the person had at least twenty-four months of continuous group coverage immediately prior to the termination. A health carrier shall accept an application without a standard health questionnaire from a person with at least twenty-four months of continuous group coverage if application is made no more than ninety days prior to the date of termination of the continuation coverage and the effective date of the individual coverage applied for is the date the continuation coverage is terminated, or within ninety days thereafter.

the plans are not subject to RCW 48.21.045(3).
(3) A qualifying reciprocal plan as defined in RCW 48.05.070(3)
is not subject to RCW 48.21.045.
(4) For purposes of this section, "health benefit plan," "health
plan," and "small employer" mean the same as defined in RCW
48.43.005.

NEW SECTION. Sec. 3. A new section is added to chapter
48.21 RCW to read as follows:
(1) Each qualifying reciprocal plan issued or renewed pursuant to
RCW 48.05.070, 48.21.047, and sections 3 through 6 of this act must contain the following declaration in bold face type at the beginning of
the document:
"The benefits in this policy do not include each of the benefits
required by the state of Washington. (Name of state) initially
approved this policy for sale, and the benefit requirements of that state
are reflected in the policy. The rates applied to calculate premium
were not approved by the state of Washington, but by (Name of
State). Those requirements may be different from the requirements
for policies approved by Washington. Please consult your insurance
agent or insurer to determine which health benefits are covered under
the policy."
(2) Each insurer and producer offering a qualifying reciprocal
plan pursuant to RCW 48.05.070, 48.21.047, and sections 3 through 6
of this act must provide applicants with a written side-by-side
comparison of health benefits under the plan, including differences in
definition of each benefit between Washington law and the law of the
approving state, whether the benefit is required under Washington
law, and the difference in the premium rate due to the difference in
state laws.
(3) An insurer offering qualifying reciprocal plans under RCW
48.05.070, 48.21.047, and sections 3 through 6 of this act must offer the
plan through producers who comply with the requirements of
chapter 48.17 RCW. Electronic marketing and sales of out-of-state
policies are permitted if a producer is available in Washington with
whom the applicant can discuss the qualifying plan.

NEW SECTION. Sec. 4. A new section is added to chapter
48.21 RCW to read as follows:
(1) A health benefit plan offered by a foreign insurer authorized
under RCW 48.05.070(3) is not required to include health benefit
mandates required under this title that are not included in the
qualifying reciprocal plan as defined in RCW 48.05.070(3).
(2) A qualifying reciprocal plan must be filed with the
commissioner for approval pursuant to RCW 48.18.100. The
commissioner must approve the plan for use in this state if the plan
meets the requirements in RCW 48.05.070(3), and must disapprove it
if it does not. The commissioner may, but is not required to, accept
the determination of a member consortium state as to whether or not
the qualifying reciprocal plan is substantially equivalent to the
essential health benefits in Washington.
(3) Other than as provided in this section, RCW 48.18.110 may
not be grounds for disapproval of a qualifying reciprocal plan.
(4) To the extent consistent with federal law, the requirements of
chapter 48.43 RCW do not apply to a qualifying reciprocal plan.

NEW SECTION. Sec. 5. A new section is added to chapter
48.21 RCW to read as follows:
(1) Beginning July 1, 2013, the commissioner is authorized to
contract with other states to establish and operate a consortium
governing the sale to small groups of a qualifying reciprocal plan, as
defined in RCW 48.05.070(3), by insurers admitted to one of the
states in the consortium.
(2) By January 1, 2013, the commissioner must report to the legislature which states have been identified, and include a plan for seeking a reciprocity agreement with at least one state. The commissioner may not enter into such an agreement until the commissioner has identified a minimum of five states whose regulatory requirements for the offer and issue of health benefit plans meets or exceeds those of Washington in the areas of network adequacy, consumer protection, marketing requirements, and claims adjudication and processing. The reciprocity consortium may commence with an agreement with just one of the states.

(3) A state may not join the consortium if it authorizes two or more carriers domiciled in Washington that offer health benefit plans, unless five or more other states have joined the consortium.

(4) The commissioner may enter into separate reciprocity agreements, or one uniform agreement. Any reciprocity agreement must establish rules for the management of consumer questions and complaints related to health benefit plans approved by one member state but sold in another. The commissioner may adopt rules to implement consortium rules as necessary to comply with the consortium agreement.

(5) Reciprocity consortium states must agree to provide the commissioner with a list of approved health benefit plans that meet the standard under RCW 48.05.070, 48.21.047, and sections 3 through 6 of this act, and their premium rate schedules as they are approved. If a health benefit plan is disapproved or otherwise removed from the market pursuant to regulatory action or order, a reciprocity consortium state must notify the commissioner of this action.

(6) The reciprocity consortium agreement must establish a mechanism for payment of premium tax pursuant to chapter 48.14 RCW, payment of regulatory surcharge pursuant to RCW 48.02.190, and collection of any reinsurance or risk adjustment assessments that would otherwise be applicable but for the domicile of the selling insurer.

(7) Insurers must inform the consortium states in writing of their intent to offer a qualifying reciprocal policy as set forth in RCW 48.05.070(3) in consortium states not less than sixty days prior to the first date of offer. Reciprocity consortium member states may establish their own requirements for notification and offer.

(8) The commissioner must report to the legislature by December 1st of each year after the effective date of this section on the reciprocity consortium's formation, membership, the number of health benefit plans offered in Washington through the consortium, effect on the marketplace in Washington, including the health benefits exchange, and must recommend whether continuing reciprocity sales serves the public health and welfare.

NEW SECTION. Sec. 6. A new section is added to chapter 43.71 RCW to read as follows:

A qualifying reciprocal plan offered by a foreign insurer authorized under RCW 48.05.070(3) may be certified as a qualified health plan through the exchange only if it, and its issuer, meet the requirements of the exchange for certification as a qualified health plan.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act are declared null and void if Title I of P.L. 111-148 of 2010, as amended, is individually or as a whole found unconstitutional, or otherwise repealed.

At this hearing, the court shall: (a) verify the person’s identity, and (b) determine whether probable cause exists to believe that the person is a sexually violent predator. At the probable cause hearing, the state may rely upon the petition and certification for determination of probable cause filed pursuant to RCW 71.09.030. The state may supplement this with additional documentary evidence or live testimony. The person may be held in total confinement at the county jail until the trial court renders a decision after the conclusion of the seventy-two-hour probable cause hearing. The county shall be entitled to reimbursement for the cost of housing and transporting the person pursuant to rules adopted by the secretary.

(3) At the probable cause hearing, the person shall have the following rights in addition to the rights previously specified: (a) To be represented by counsel, and if the person is indigent as defined in RCW 10.101.020, to have office of public defense contracted counsel appointed as provided in RCW 10.101.020; (b) to present evidence on his or her behalf; (c) to cross-examine witnesses who testify against him or her; (d) to view and copy all petitions and reports in the court file. The court must permit a witness called by either party to testify by telephone. Because this is a special proceeding, discovery pursuant to the civil rules shall not occur until after the hearing has been held and the court has issued its decision.

(4) If the probable cause determination is made, the judge shall direct that the person be transferred to (an appropriate facility for an evaluation as to whether the person is a sexually violent predator. The evaluation shall be conducted by a person deemed to be professionally qualified to conduct such an examination pursuant to rules developed by the department of social and health services. In adopting such rules, the department of social and health services shall consult with the department of health and the department of corrections) the custody of the department of social and health services for placement in a total confinement facility operated by the department. In no event shall the person be released from confinement prior to trial. ((A witness called by either party shall be permitted to testify by telephone.))

Sec. 5. RCW 71.09.050 and 2010 1st sp.s. c 28 s 1 are each amended to read as follows:

(1) Within forty-five days after the completion of any hearing held pursuant to RCW 71.09.040, the court shall conduct a trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice, and when the respondent will not be substantially prejudiced. (The department is responsible for the cost of one expert or professional person to conduct an evaluation on the prosecuting agency’s behalf.) The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge shall require the person to complete any or all of the following procedures or tests if requested by the evaluator: (a) A clinical interview; (b) psychological testing; (c) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. At all stages of the proceedings under this chapter, any person subject to this chapter shall be entitled to the assistance of counsel, and if the person is indigent as defined in RCW 10.101.010, the court shall provide to the person a copy of the materials provided to the prosecuting agency by the referrer. In the case of a person who is indigent, the court shall, upon the person’s request, appoint private counsel to assist him or her. The person shall be confined in a secure facility for the duration of the trial.

(2) Whenever any indigent person is subjected to an evaluation under this chapter, the office of public defense is responsible for the cost of one expert or professional person to conduct an evaluation on the person’s behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice, the expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person’s request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the trial on the person’s behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(3) The person, the prosecuting agency, or the judge shall have the right to demand that the trial be before a twelve-person jury. If no demand is made, the trial shall be before the court.

Sec. 6. RCW 71.09.080 and 2010 c 218 s 2 are each amended to read as follows:

(1) Any person subjected to restricted liberty as a sexually violent predator pursuant to this chapter shall not forfeit any legal right or suffer any legal disability as a consequence of any actions taken or orders made, other than as specifically provided in this chapter, or as otherwise authorized by law.

(2) (a) Any person committed or detained pursuant to this chapter shall be prohibited from possessing or accessing a personal computer if the resident's individualized treatment plan states that access to a computer is harmful to bringing about a positive response to a specific and certain phase or course of treatment.

(b) A person who is prohibited from possessing or accessing a personal computer under (a) of this subsection shall be permitted to access a limited functioning personal computer capable of word processing and limited data storage on the computer only that does not have: (i) Internet access capability; (ii) an optical drive, external drive, universal serial bus port, or similar drive capability; or (iii) the capability to display photographs, images, videos, or motion pictures, or similar display capability from any drive or port capability listed under (b)(ii) of this subsection.

(3) Any person committed pursuant to this chapter has the right to adequate care and individualized treatment. The department of social and health services shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations made pursuant to this chapter. All such records and reports shall be made available upon request only to: The committed person, his or her attorney, the prosecuting attorney, the court, the protection and advocacy agency, or another expert or professional person who, upon proper showing, demonstrates a need for access to such records.

(4) At the time a person is taken into custody or transferred into a facility pursuant to a petition under this chapter, the professional person in charge of such facility or his or her designee shall take reasonable precautions to inventory and safeguard the personal property of the persons detained or transferred. A copy of the inventory, signed by the staff member making it, shall be given to the person detained and shall, in addition, be open to inspection to any
responsible relative, subject to limitations, if any, specifically imposed by the detained person. For purposes of this subsection, “responsible relative” includes the guardian, conservator, attorney, spouse, parent, adult child, or adult brother or sister of the person. The facility shall not disclose the contents of the inventory to any other person without consent of the patient or order of the court.

(5) Nothing in this chapter prohibits a person presently committed from exercising a right presently available to him or her for the purpose of obtaining release from confinement, including the right to petition for a writ of habeas corpus.

(6) No indigent person may be conditionally released or unconditionally discharged under this chapter without suitable clothing, and the secretary shall furnish the person with such sum of money as is required by RCW 72.02.100 for persons without ample funds who are released from correctional institutions. As funds are available, the secretary may provide payment to the indigent persons conditionally released pursuant to this chapter consistent with the optional provisions of RCW 72.02.100 and 72.02.110, and may adopt rules to do so.

(7) If a civil commitment petition is dismissed, or a trier of fact determines that a person does not meet civil commitment criteria, the person shall be released within twenty-four hours of service of the release order on the superintendent of the special commitment center, or later by agreement of the person who is the subject of the petition.

Sec. 7. RCW 71.09.090 and 2011 2nd sp.s. c 7 s 2 are each amended to read as follows:

1. If the secretary determines that the person's condition has so changed that either: (a) The person no longer meets the definition of a sexually violent predator; or (b) conditional release to a less restrictive alternative is in the best interest of the person and conditions can be imposed that adequately protect the community, the secretary shall authorize the person to petition the court for conditional release to a less restrictive alternative or unconditional discharge. The petition shall be filed with the court and served upon the prosecuting agency responsible for the initial commitment. The court, upon receipt of the petition for conditional release to a less restrictive alternative or unconditional discharge, shall within forty-five days order a hearing.

2. (a) Nothing contained in this chapter shall prohibit the person from otherwise petitioning the court for conditional release to a less restrictive alternative or unconditional discharge without the secretary's approval. The secretary shall provide the committed person with an annual written notice of the person's right to petition the court for conditional release to a less restrictive alternative or unconditional discharge over the secretary's objection. The notice shall contain a waiver of rights. The secretary shall file the notice and waiver form and the annual report with the court. If the person does not affirmatively waive the right to petition, the court shall set a show cause hearing to determine whether probable cause exists to warrant a hearing on whether the person's condition has so changed that: (i) He or she no longer meets the definition of a sexually violent predator; or (ii) conditional release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community.

(b) The committed person shall have a right to have an attorney represent him or her at the show cause hearing, which may be conducted solely on the basis of affidavits or declarations, but the person is not entitled to be present at the show cause hearing. At the show cause hearing, the prosecuting attorney agency shall present prima facie evidence establishing that the committed person continues to meet the definition of a sexually violent predator and that a less restrictive alternative is not in the best interest of the person and conditions cannot be imposed that adequately protect the community. In making this showing, the state may rely exclusively upon the annual report prepared pursuant to RCW 71.09.070. The committed person may present responsive affidavits or declarations to which the state may reply.

(c) If the court at the show cause hearing determines that either: (i) The state has failed to present prima facie evidence that the committed person continues to meet the definition of a sexually violent predator and that no proposed less restrictive alternative is in the best interest of the person and conditions cannot be imposed that would adequately protect the community; or (ii) probable cause exists to believe that the person's condition has so changed that: (A) The person no longer meets the definition of a sexually violent predator; or (B) release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community, then the court shall set a hearing on either or both issues.

(d) If the court has not previously considered the issue of release to a less restrictive alternative, either through a trial on the merits or through the procedures set forth in RCW 71.09.094(1), the court shall consider whether release to a less restrictive alternative would be in the best interests of the person and conditions can be imposed that would adequately protect the community, without considering whether the person's condition has changed. The court may not find probable cause for a trial addressing less restrictive alternatives unless a proposed less restrictive alternative placement meeting the conditions of RCW 71.09.092 is presented to the court at the show cause hearing.

3. (a) At the hearing resulting from subsection (1) or (2) of this section, the committed person shall be entitled to be present and to the benefit of all constitutional protections that were afforded to the person at the initial commitment proceeding. The prosecuting agency shall represent the state and shall have a right to a jury trial and to have the committed person evaluated by experts chosen by the state. (The department is responsible for the cost of one expert or professional person to conduct an evaluation on the prosecuting agency's behalf.) The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge shall require the person to complete any or all of the following procedures or tests if requested by the evaluator: (i) A clinical interview; (ii) psychological testing; (iii) polygraph testing; and (iv) psychological testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. The committed person shall also have the right to a jury trial and the right to have experts evaluate him or her on his or her behalf and the court shall appoint an expert if the person is indigent and requests an appointment.

(b) Whenever any indigent person is subjected to an evaluation under (a) of this subsection, the office of public defense is responsible for the cost of one expert or professional person conducting an evaluation on the person's behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice, such expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the hearing on the person's behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(c) If the issue at the hearing is whether the person should be unconditionally discharged, the burden of proof shall be upon the state to prove beyond a reasonable doubt that the committed person's condition remains such that the person continues to meet the definition of a sexually violent predator. Evidence of the prior commitment trial and disposition is admissible. The recommittal proceeding shall otherwise proceed as set forth in RCW 71.09.050 and 71.09.060.
(d) If the issue at the hearing is whether the person should be conditionally released to a less restrictive alternative, the burden of proof at the hearing shall be upon the state to prove beyond a reasonable doubt that conditional release to any proposed less restrictive alternative either: (i) Is not in the best interest of the committed person; or (ii) does not include conditions that would adequately protect the community. Evidence of the prior commitment trial and disposition is admissible.

(4)(a) Probable cause exists to believe that a person's condition has "so changed," under subsection (2) of this section, only when evidence exists, since the person's last commitment trial, or less restrictive alternative revocation proceeding, of a substantial change in the person's physical or mental condition such that the person either no longer meets the definition of a sexually violent predator or that a conditional release to a less restrictive alternative is in the person's best interest and conditions can be imposed to adequately protect the community.

(b) A new trial proceeding under subsection (3) of this section may be ordered, or a trial proceeding may be held, only when there is current evidence from a licensed professional of one of the following and the evidence presents a change in condition since the person's last commitment trial proceeding:

(i) An identified physiological change to the person, such as paralysis, stroke, or dementia, that renders the committed person unable to commit a sexually violent act and this change is permanent; or

(ii) A change in the person's mental condition brought about through positive response to continuing participation in treatment which indicates that the person meets the standard for conditional release to a less restrictive alternative or that the person would be safe to be at large if unconditionally released from commitment.

(c) For purposes of this section, a change in a single demographic factor, without more, does not establish probable cause for a new trial proceeding under subsection (3) of this section. As used in this section, a single demographic factor includes, but is not limited to, a change in the chronological age, marital status, or gender of the committed person.

(5) The jurisdiction of the court over a person civilly committed pursuant to this chapter continues until such time as the person is unconditionally discharged.

(6) During any period of confinement pursuant to a criminal conviction, or for any period of detention awaiting trial on criminal charges, this section is suspended.

NEW SECTION. Sec. 8. A new section is added to chapter 71.09 RCW to read as follows:

The following activities, unless provided as part of investigation and preparation for any hearing or trial under this chapter, are beyond the scope of representation of an attorney under contract with the office of public defense pursuant to chapter 2.70 RCW for the purposes of providing indigent defense services in sexually violent predator civil commitment proceedings:

(1) Investigation or legal representation challenging the conditions of confinement at the special commitment center or any secure community transition facility;

(2) Investigation or legal representation for making requests under the public records act, chapter 42.56 RCW;

(3) Legal representation or advice regarding filing a grievance with the department as part of its grievance policy or procedure;

(4) Such other activities as may be excluded by policy or contract with the office of public defense.

NEW SECTION. Sec. 9. A new section is added to chapter 71.09 RCW to read as follows:

(1) The office of public defense is responsible for the cost of one expert or professional person conducting an evaluation on an indigent person's behalf as provided in RCW 71.09.050, 71.09.070, or 71.09.090.

(2) Expert evaluations are capped at ten thousand dollars, to include all professional fees, travel, per diem, and other costs. Partial evaluations are capped at five thousand five hundred dollars and expert services apart from an evaluation, exclusive of testimony at trial or depositions, are capped at six thousand dollars.

(3) The office of public defense will pay for the costs related to the evaluation of an indigent person by an additional examiner or in excess of the stated fee caps only upon a finding by the superior court that such appointment or extraordinary fees are for good cause.

Sec. 10. RCW 71.09.110 and 2010 1st sp.s. c 28 s 3 are each amended to read as follows:

The department of social and health services shall be responsible for([i]) the costs relating to the(( evaluation and)) treatment of persons committed to its custody whether in a secure facility or under a less restrictive alternative ((under any provision of)) as provided in this chapter. (The secretary shall adopt rules to contain costs relating to reimbursement for evaluation services.)

Reimbursement may be obtained by the department for the cost of care and treatment of persons committed to its custody whether in a secure facility or under a less restrictive alternative pursuant to RCW 43.20B.330 through 43.20B.370.

Sec. 11. RCW 71.09.120 and 1990 c 3 s 1012 are each amended to read as follows:

(1) In addition to any other information required to be released under this chapter, the department is authorized, pursuant to RCW 4.24.550, to release relevant information that is necessary to protect the public, concerning a specific sexually violent predator committed under this chapter.

(2) The department and the courts are authorized to release to the office of public defense records needed to implement the office's administration of public defense in these cases, including research, reports, and other functions as required by RCW 2.70.020 and section 2 of this act. The office of public defense shall maintain the confidentiality of all confidential information included in the records.

(3) The inspection or copying of any nonexempt public record by persons residing in a civil commitment facility for sexually violent predators may be enjoined following procedures identified in RCW 42.56.565. The injunction may be requested by:

(a) An agency or its representative;

(b) A person named in the record or his or her representative;

(c) A person to whom the request specifically pertains or his or her representative.

Sec. 12. RCW 71.09.140 and 1995 c 216 s 17 are each amended to read as follows:

(1) At the earliest possible date, and in no event later than thirty days before conditional release or unconditional discharge, except in the event of escape, the department of social and health services shall send written notice of conditional release, unconditional discharge, or escape, to the following:

(a) The chief of police of the city, if any, in which the person will reside or in which placement will be made under a less restrictive alternative;

(b) The sheriff of the county in which the person will reside or in which placement will be made under a less restrictive alternative; and

(c) The sheriff of the county where the person was last convicted of a sexually violent offense, if the department does not know where the person will reside.

The department shall notify the state patrol of the release of all sexually violent predators and that information shall be placed in the Washington crime information center for dissemination to all law enforcement.

(2) The same notice as required by subsection (1) of this section shall be sent to the following if such notice has been requested in writing about a specific person found to be a sexually violent predator under this chapter:

(b) Any witnesses who testified against the person in his or her commitment trial under RCW 71.09.060; and
(c) Any person specified in writing by the prosecuting attorney agency.

Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney agency to receive the notice, and the notice are confidential and shall not be available to the committed person.

(3) If a person committed as a sexually violent predator under this chapter escapes from a department of social and health services facility, the department shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the committed person resided immediately before his or her commitment as a sexually violent predator, or immediately before his or her incarceration for his or her most recent offense. If previously requested, the department shall also notify the witnesses and the victims of the sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. If the person is recaptured, the department shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

ESSB 5991  Prime Sponsor, Committee on Human Services & Corrections: Extending mandatory child abuse reporting requirements to specified employees of institutions of higher education. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.030 and 2009 c 480 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child ((who resides with them)) has suffered severe abuse or neglect, and is able or capable of making a report. For the purposes of this subsection, "severe abuse or neglect" means any of the following: Any ((simple)) act of abuse (that causes physical trauma) of sufficient severity that ((if left untreated, could cause death)) causes significant bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness; any act or acts of withholding basic necessities of life that create or cause an imminent risk of substantial bodily harm; or any ((simple)) act of ((sexual abuse that causes significant bleeding, deep bruising, significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness)) intentionally touching the sexual or other intimate parts of a child for the purpose of gratifying sexual desire.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a
written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(13) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(14) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(15) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(16) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(17) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(18) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.
(1)(a) All employees of institutions of higher education, not considered academic or athletic department employees, who have reasonable cause to believe a child has suffered abuse or neglect, must report such abuse or neglect immediately to the appropriate administrator or supervisor, as designated by the institution. The administrator or supervisor to whom the report was made, if not already a mandatory reporter under RCW 26.44.030, must report the abuse or neglect within forty-eight hours to a mandatory reporter designated by the institution for this purpose.

(b) For purposes of this section, "child" has the same meaning as in RCW 26.44.020(2).

(c) For purposes of this section, "abuse or neglect" has the same meaning as in RCW 26.44.020(1).

(2) Institutions of higher education must ensure that the employees covered by the provisions of RCW 26.44.030 and subsection (1)(a) of this section have knowledge of their reporting responsibilities through whatever means are most likely to succeed in providing this information to affected employees.

Sec. 3. RCW 26.44.080 and 1982 c 129 s 10 are each amended to read as follows:

Every person who is required to make, or to cause to be made, a report pursuant to RCW 26.44.030 and 26.44.040, and who knowingly fails to make, or fails to cause to be made, such report, shall be guilty of a ((gross)) misdemeanor."

E2SSB 6211 Prime Sponsor, Committee on Ways & Means: Accelerating cleanup of hazardous waste sites. Reported by Committee on Environment MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the cleanup and reuse of former commercial, industrial, and other sites contaminated with hazardous substances has economic, environmental, and public health benefits for the communities where these sites are located. Public investment in the cleanup of hazardous waste sites has multiple benefits, with some estimates indicating that for every dollar invested toward cleanup, there is generated six dollars in local tax revenue, seven dollars in payroll revenue, and thirty-two dollars in business revenue. The legislature further finds that the cleanup of these "brownfield" properties should not be conducted in isolation from the community's plans for future economic, environmental, and social uses of the property, and that integrating the cleanup with future site uses may provide a greater opportunity to bring substantial private resources into the cleanup.

Therefore, it is the intent of this act to authorize a greater emphasis in the allocation of state resources toward the cleanup and reuse of brownfield properties, to provide more flexible funding and oversight authority for local governments guiding the cleanup of brownfield properties, and to modify the state's cleanup program in ways that will accelerate cleanups throughout the state, thus providing near-term job benefits in the cleanup, as well as ongoing economic and environmental benefits through reuse of the cleaned up properties.

Sec. 2. RCW 70.105D.010 and 2002 c 288 s 1 are each amended to read as follows:

(1) Each person has a fundamental and inalienable right to a healthful environment, and each person has a responsibility to preserve and enhance that right. The beneficial stewardship of the land, air, and waters of the state is a solemn obligation of the present generation for the benefit of future generations.

(2) A healthful environment is now threatened by the irresponsible use and disposal of hazardous substances. There are hundreds of hazardous waste sites in this state, and more will be created if current waste practices continue. Hazardous waste sites threaten the state's water resources, including those used for public drinking water. Many of our municipal landfills are current or potential hazardous waste sites and present serious threats to human health and environment. The costs of eliminating these threats in many cases are beyond the financial means of our local governments and ratepayers. The main purpose of chapter 2, Laws of 1989 is to raise sufficient funds to clean up all hazardous waste sites and to prevent the creation of future hazards due to improper disposal of toxic wastes into the state's land and waters.

(3) Many farmers and small business owners who have followed the law with respect to their uses of pesticides and other chemicals nonetheless may face devastating economic consequences because their uses have contaminated the environment or the water supplies of their neighbors. With a source of funds, the state may assist these farmers and business owners, as well as those persons who sustain damages, such as the loss of their drinking water supplies, as a result of the contamination.

(4) It is in the public's interest to efficiently use our finite land base, to integrate our land use planning policies with our clean-up policies, and to clean up and reuse contaminated industrial and other brownfield properties in order to minimize ((industrial)) development pressures on undeveloped land and to make clean land available for ((future)) economic, environmental, and social ((uses)) reuses.

(5) Because it is often difficult or impossible to allocate responsibility among persons liable for hazardous waste sites and because it is essential that sites be cleaned up well and expeditiously, each responsible person should be liable jointly and severally.

(6) Because releases of hazardous substances can adversely affect the health and welfare of the public, the environment, and property values, it is in the public interest that affected communities be notified of where releases of hazardous substances have occurred and what is being done to clean them up.

Sec. 3. RCW 70.105D.020 and 2007 c 104 s 18 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agreed order" means an order issued by the department under this chapter with which the potentially liable person or prospective purchaser receiving the order agrees to comply. An agreed order may be used to require or approve any cleanup or other remedial actions but it is not a settlement under RCW 70.105D.040(4) and shall not contain a covenant not to sue, or provide protection from claims for contribution, or provide eligibility for public funding of remedial actions under RCW 70.105D.070(2),'#(ii) and (xii).

(2) "Department" means the department of ecology.

(3) "Director" means the director of ecology or the director's designee.

(4) "Environmental covenant" has the same meaning as defined in RCW 64.70.020.

(5) "Facility" means (a) any building, structure, installation, equipment, pipe or pipeline (including any pipe into a sewer or publicly owned treatment works), well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, vessel, or aircraft, or (b) any site or area where a hazardous substance, other than a consumer product in consumer use, has been deposited, stored, disposed of, or placed, or otherwise come to be located.

(7)(a) "Fiduciary" means a person acting for the benefit of another party as a bona fide trustee; executor; administrator; custodian; guardian of estates or guardian ad litem; receiver; conservator; committee of estates of incapacitated persons; trustee in bankruptcy; trustee, under an indenture agreement, trust agreement, lease, or similar financing agreement, for debt securities, certificates of interest or certificates of participation in debt securities, or other forms of indebtedness as to which the trustee is not, in the capacity of trustee, the lender. Except as provided in subsection (17)(b)(iii) of this section, the liability of a fiduciary under this chapter shall not exceed the assets held in the fiduciary capacity.

(b) "Fiduciary" does not mean:
(i) A person acting as a fiduciary with respect to a trust or other fiduciary estate that was organized for the primary purpose of, or is engaged in, actively carrying on a trade or business for profit, unless the trust or other fiduciary estate was created as part of, or to facilitate, one or more estate plans or because of the incapacity of a natural person;

(ii) A person who acquires ownership or control of a facility with the objective purpose of avoiding liability of the person or any other person. It is prima facie evidence that the fiduciary acquired ownership or control of the facility to avoid liability if the facility is the only substantial asset in the fiduciary estate at the time the facility became subject to the fiduciary estate;

(iii) A person who acts in a capacity other than that of a fiduciary or in a beneficiary capacity and in that capacity directly or indirectly benefits from a trust or fiduciary relationship;

(iv) A person who is a beneficiary and fiduciary with respect to the same fiduciary estate, and who while acting as a fiduciary receives benefits that exceed customary or reasonable compensation, and incidental benefits permitted under applicable law;

(v) A person who is a fiduciary and receives benefits that substantially exceed customary or reasonable compensation, and incidental benefits permitted under applicable law;

(vi) A person who acts in the capacity of trustee of state or federal lands or resources.

(8) "Fiduciary capacity" means the capacity of a person holding title to a facility, or otherwise having control of an interest in the facility pursuant to the exercise of the responsibilities of the person as a fiduciary.

(9) "Foreclosure and its equivalents" means purchase at a foreclosure sale, acquisition, or assignment of title in lieu of foreclosure, termination of a lease, or other repossession, acquisition of a right to title or possession, an agreement in satisfaction of the obligation, or any other comparable formal or informal manner, whether pursuant to law or under warranties, covenants, conditions, representations, or promises from the borrower, by which the holder acquires title to or possession of a facility securing a loan or other obligation.

(10) "Hazardous substance" means:

(a) Any dangerous or extremely hazardous waste as defined in RCW 70.105.010 (((§5 and §6) (1) and (7)), or any dangerous or extremely dangerous waste designated by rule pursuant to chapter 70.105 RCW;

(b) Any hazardous substance as defined in RCW 70.105.010(144) (10) or any hazardous substance as defined by rule pursuant to chapter 70.105 RCW;

(c) Any substance that, on March 1, 1989, is a hazardous substance under section 101(14) of the federal cleanup law, 42 U.S.C. Sec. 9601(14);

(d) Petroleum or petroleum products; and

(e) Any substance or category of substances, including solid waste decomposition products, determined by the director by rule to present a threat to human health or the environment if released into the environment.

The term hazardous substance does not include any of the following when contained in an underground storage tank from which there is not a release: Crude oil or any fraction thereof or petroleum, if the tank is in compliance with all applicable federal, state, and local law.

(11) "Holder" means a person who holds indicia of ownership primarily to protect a security interest. A holder includes the initial holder such as the loan originator, any subsequent holder such as a successor-in-interest or subsequent purchaser of the security interest on the secondary market, a guarantor of an obligation, surety, or any other person who holds indicia of ownership primarily to protect a security interest, or a receiver, court-appointed trustee, or other person who acts on behalf or for the benefit of a holder. A holder can be a public or privately owned financial institution, receiver, conservator, loan guarantor, or other similar persons that loan money or guarantee repayment of a loan. Holders typically are banks or savings and loan institutions but may also include others such as insurance companies, pension funds, or private individuals that engage in loaning of money or credit.

(12) "Independent remedial actions" means remedial actions conducted without department oversight or approval, and not under an order, agreed order, or consent decree.

(13) "Indicia of ownership" means evidence of a security interest, evidence of an interest in a security interest, or evidence of an interest in a facility securing a loan or other obligation, including any legal or equitable title to a facility acquired incident to foreclosure and its equivalents. Evidence of such interests includes, mortgages, deeds of trust, sellers interest in a real estate contract, liens, surety bonds, and guarantees of obligations, title held pursuant to a lease financing transaction in which the lessor does not select initially the leased facility, or legal or equitable title obtained pursuant to foreclosure and their equivalents. Evidence of such interests also includes assignments, pledges, or other rights to or other forms of encumbrance against the facility that are held primarily to protect a security interest.

(14) "Industriial properties" means properties that are or have been characterized by, or are to be committed to, traditional industrial uses such as processing or manufacturing of materials, marine terminal and transportation areas and facilities, fabrication, assembly, treatment, or distribution of manufactured products, or storage of bulk materials, that are either:

(a) Zoned for industrial use by a city or county conducting land use planning under chapter 36.70A RCW; or

(b) For counties not planning under chapter 36.70A RCW and the cities within them, zoned for industrial use and adjacent to properties currently used or designated for industrial purposes.

(15) "Institutional controls" means measures undertaken to limit or prohibit activities that may interfere with the integrity of a remedial action or result in exposure to or migration of hazardous substances at a site. "Institutional controls" include environmental covenants.

(16) "Operating a facility primarily to protect a security interest" occurs when all of the following are met: (a) Operating the facility where the borrower has defaulted on the loan or otherwise breached the security agreement; (b) operating the facility to preserve the value of the facility as an ongoing business; (c) the operation is being done in anticipation of a sale, transfer, or assignment of the facility; and (d) the operation is being done primarily to protect a security interest. Operating a facility for longer than one year prior to foreclosure or its equivalents shall be presumed to be operating the facility for other than to protect a security interest.

(17) "Owner or operator" means:

(a) Any person with any ownership interest in the facility or who exercises any control over the facility; or

(b) In the case of an abandoned facility, any person who had owned, or operated, or exercised control over the facility any time before its abandonment;

The term does not include:

(i) An agency of the state or unit of local government which acquired ownership or control through a drug forfeiture action under RCW 69.50.505, or involuntarily through bankruptcy, tax delinquency, abandonment, or other circumstances in which the government involuntarily acquires title. This exclusion does not apply to an agency of the state or unit of local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility;

(ii) A person who, without participating in the management of a facility, holds indicia of ownership primarily to protect the person's security interest in the facility. Holders after foreclosure and its equivalent and holders who engage in any of the activities identified
in subsection (18)(e) through (g) of this section shall not lose this exemption provided the holder complies with all of the following:

(A) The holder properly maintains the environmental compliance measures already in place at the facility;

(B) The holder complies with the reporting requirements in the rules adopted under this chapter;

(C) The holder complies with any order issued to the holder by the department to abate an imminent or substantial endangerment;

(D) The holder allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;

(E) Any remedial actions conducted by the holder are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and

(F) The holder does not exacerbate an existing release. The exemption in this subsection (17)(b)(ii) does not apply to holders who cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided, however, that a holder shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release;

(iii) A fiduciary in his, her, or its personal or individual capacity. This exemption does not preclude a claim against the assets of the estate or trust administered by the fiduciary or against a nonemployee agent or independent contractor retained by a fiduciary. This exemption also does not apply to the extent that a person is liable under this chapter independently of the person’s ownership as a fiduciary or for actions taken in a fiduciary capacity which cause or contribute to a new release or exacerbate an existing release of hazardous substances. This exemption applies provided that, to the extent of the fiduciary’s powers granted by law or by the applicable governing instrument granting fiduciary powers, the fiduciary complies with all of the following:

(A) The fiduciary properly maintains the environmental compliance measures already in place at the facility;

(B) The fiduciary complies with the reporting requirements in the rules adopted under this chapter;

(C) The fiduciary complies with any order issued to the fiduciary by the department to abate an imminent or substantial endangerment;

(D) The fiduciary allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;

(E) Any remedial actions conducted by the fiduciary are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and

(F) The fiduciary does not exacerbate an existing release.

The exemption in this subsection (17)(b)(iii) does not apply to fiduciaries who cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided, however, that a fiduciary shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release. The exemption in this subsection (17)(b)(iii) also does not apply where the fiduciary’s powers to comply with this subsection (17)(b)(iii) are limited by a governing instrument created with the objective purpose of avoiding liability under this chapter or of avoiding compliance with this chapter; or

(iv) Any person who has any ownership interest in, operates, or exercises control over real property where a hazardous substance has come to be located solely as a result of migration of the hazardous substance to the real property through the groundwater from a source off the property, if:

(A) The person can demonstrate that the hazardous substance has not been used, placed, managed, or otherwise handled on the property in a manner likely to cause or contribute to a release of the hazardous substance that has migrated onto the property;

(B) The person has not caused or contributed to the release of the hazardous substance;

(C) The person does not engage in activities that damage or interfere with the operation of remedial actions installed on the person’s property or engage in activities that result in exposure of humans or the environment to the contaminated groundwater that has migrated onto the property;

(D) If requested, the person allows the department, potentially liable persons who are subject to an order, agreed order, or consent decree, and the authorized employees, agents, or contractors of each, access to the property to conduct remedial actions required by the department. The person may attempt to negotiate an access agreement before allowing access; and

(E) Legal withdrawal of groundwater does not disqualify a person from the exemption in this subsection (17)(b)(iv).

(18) “Participation in management” means exercising decision-making control over the borrower’s operation of the facility, environmental compliance, or assuming or manifesting responsibility for the overall management of the enterprise encompassing the day-to-day decision making of the enterprise.

The term does not include any of the following: (a) A holder with the mere capacity or ability to influence, or the unexercised right to control facility operations; (b) a holder who conducts or requires a borrower to conduct an environmental audit or an environmental site assessment at the facility for which indicia of ownership is held; (c) a holder who requires a borrower to come into compliance with any applicable laws or regulations at the facility for which indicia of ownership is held; (d) a holder who requires a borrower to conduct remedial actions including setting minimum requirements, but does not otherwise control or manage the borrower’s remedial actions or the scope of the borrower’s remedial actions except to prepare a facility for sale, transfer, or assignment; (e) a holder who engages in workout or policing activities primarily to protect the holder’s security interest in the facility; (f) a holder who prepares a facility for sale, transfer, or assignment or requires a borrower to prepare a facility for sale, transfer, or assignment; (g) a holder who operates a facility primarily to protect a security interest, or requires a borrower to continue to operate, a facility primarily to protect a security interest; and (h) a prospective holder who, as a condition of becoming a holder, requires an owner or operator to conduct an environmental audit, conduct an environmental site assessment, come into compliance with any applicable laws or regulations, or conduct remedial actions prior to holding a security interest is not participating in the management of the facility.

(19) “Person” means an individual, firm, corporation, association, partnership, consortium, joint venture, commercial entity, state government agency, unit of local government, federal government agency, or Indian tribe.

(20) “Policing activities” means actions the holder takes to ensure that the borrower complies with the terms of the loan or security interest or actions the holder takes or requires the borrower to take to maintain the value of the security. Policing activities include:

Requiring the borrower to conduct remedial actions at the facility during the term of the security interest; requiring the borrower to comply or come into compliance with applicable federal, state, and
local environmental and other laws, regulations, and permits during the term of the security interest; securing or exercising authority to monitor or inspect the facility including on-site inspections, or to monitor or inspect the borrower's business or financial condition during the term of the security interest; or taking other actions necessary to adequately police the loan or security interest such as requiring a borrower to comply with any warranties, covenants, conditions, representations, or promises from the borrower.

(21) “Potentially liable person” means any person whom the department finds, based on credible evidence, to be liable under RCW 70.105D.040. The department shall give notice to any such person and allow an opportunity for comment before making the finding, unless an emergency requires otherwise.

(22) “Prepare a facility for sale, transfer, or assignment” means to secure access to the facility; perform routine maintenance on the facility; remove inventory, equipment, or structures; properly maintain environmental compliance measures already in place at the facility; conduct remedial actions to clean up releases at the facility; or to perform other similar activities intended to preserve the value of the facility where the borrower has defaulted on the loan or otherwise breached the security agreement or after foreclosure and its equivalents and in anticipation of a pending sale, transfer, or assignment, primarily to protect the holder’s security interest in the facility. A holder can prepare a facility for sale, transfer, or assignment for up to one year prior to foreclosure and its equivalents and still stay within the security interest exemption in subsection (17)(b)(iii) of this section.

(23) “Primarily to protect a security interest” means the indicia of ownership is held primarily for the purpose of securing payment or performance of an obligation. The term does not include indicia of ownership held primarily for investment purposes nor indicia of ownership held primarily for purposes other than as protection for a security interest. A holder may have other, secondary reasons, for maintaining indicia of ownership, but the primary reason must be for protection of a security interest. Holding indicia of ownership after foreclosure or its equivalents for longer than five years shall be considered to be holding the indicia of ownership for purposes other than primarily to protect a security interest. For facilities that have been acquired through foreclosure or its equivalents prior to July 23, 1995, this five-year period shall begin as of July 23, 1995.

(24) “Public notice” means, at a minimum, adequate notice mailed to all persons who have made timely request of the department and to persons residing in the potentially affected vicinity of the proposed action; mailed to appropriate news media; published in the newspaper of largest circulation in the city or county of the proposed action; and opportunity for interested persons to comment.

(25) “Release” means any intentional or unintentional entry of any hazardous substance into the environment, including but not limited to the abandonment or disposal of containers of hazardous substances.

(26) “Remedy” or “remedial action” means any action or expenditure consistent with the purposes of this chapter to identify, eliminate, or minimize any threat or potential threat posed by hazardous substances to human health or the environment including any investigative and monitoring activities with respect to any release or threatened release of a hazardous substance and any health assessments or health effects studies conducted in order to determine the risk or potential risk to human health.

(27) “Security interest” means an interest in a facility created or established for the purpose of securing a loan or other obligation. Security interests include deeds of trust, sellers interest in a real estate contract, liens, legal, or equitable title to a facility acquired incident to foreclosure and its equivalents, and title pursuant to lease financing transactions. Security interests may also arise from transactions such as sale and leases, conditional sales, installment sales, trust receipt transactions, certain assignments, factoring agreements, accounts receivable financing arrangements, easements, and consignments, if the transaction creates or establishes an interest in a facility for the purpose of securing a loan or other obligation.

(28) “Workout activities” means those actions by which a holder, at any time prior to foreclosure and its equivalents, seeks to prevent, cure, or mitigate a default by the borrower or obligor; or to preserve, or prevent the diminution of, the value of the security. Workout activities include: Restructuring or renegotiating the terms of the security interest; requiring payment of additional rent or interest; exercising forbearance; requiring or exercising rights pursuant to an assignment of accounts or other amounts owed to an obligor; requiring or exercising rights pursuant to an escrow agreement pertaining to amounts owed to an obligor; providing specific or general financial or other advice, suggestions, counseling, or guidance; and exercising any right or remedy the holder is entitled to by law or under any warranties, covenants, conditions, representations, or promises from the borrower.

(29) “Area wide groundwater contamination” means groundwater contamination on multiple adjacent properties with different ownerships consisting of hazardous substances from multiple sources that have resulted in commingled plumes of contaminated groundwater that are not practicable to address separately.

(30) “Brownfield property” means previously developed and currently abandoned or underutilized real property and adjacent surface waters and sediment where environmental, economic, or community reuse objectives are hindered by the release or threatened release of hazardous substances that the department has determined requires remedial action under this chapter or that the United States Environmental protection agency has determined requires remedial action under the comprehensive environmental response, compensation, and liability act.

(31) “City” means a city or town.

(32) “Local government” means any political subdivision of the state, including a town, city, county, special purpose district, or other municipal corporation, including brownfield renewal authority created under section 6 of this act.

(33) “Prospective purchaser” means a person who is not currently liable for remedial action at a facility and who proposes to purchase, redevelop, or reuse the facility.

(34) “Redevelopment opportunity zone” means a geographic area designated under section 5 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 70.105D RCW to read as follows:

1. The brownfield redevelopment trust fund account is created in the state treasury. All receipts from the sources identified in subsection (2) of this section may be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only as identified in subsection (4) of this section.

2. The following receipts must be deposited into the brownfield redevelopment trust fund account:

(a) Moneys appropriated by the legislature to the account for a specific redevelopment opportunity zone established under section 5 of this act or a specific brownfield renewal authority established under section 6 of this act;

(b) Moneys voluntarily deposited in the account for a specific redevelopment opportunity zone or a specific brownfield renewal authority; and

(c) Receipts from settlements or court orders that direct payment to the account for a specific redevelopment opportunity zone to resolve a person’s liability or potential liability under this chapter.

3. If a settlement or court order does not direct payment of receipts described in subsection (2)(c) of this section into the brownfield redevelopment trust fund account, then the receipts from any payment to the state must be deposited into the state toxics control account established under RCW 70.105D.070.
(4) Expenditures from the brownfield redevelopment trust fund account may only be used for the purposes of remediation and cleanup at the specific redevelopment opportunity zone or specific brownfield renewal authority for which the moneys were deposited in the account.

(5) The department shall track moneys received, interest earned, and moneys expended separately for each facility.

(6) The account must retain its interest earnings in accordance with RCW 43.84.092.

(7) The local government designating the redevelopment opportunity zone under section 5 of this act or the associated brownfield renewal authority created under section 6 of this act must be the beneficiary of the deposited moneys.

(8) All expenditures must be used to conduct remediation and cleanup consistent with a plan for the remediation and cleanup of the properties or facilities approved by the department under this chapter. All expenditures must meet the eligibility requirements for the use by local governments under the rules for remedial action grants adopted by the department under this chapter, including requirements for the expenditure of nonstate match funding.

(9) Beginning October 31, 2012, the department must provide a biennial report to the office of financial management and the legislature regarding the activity for each specific redevelopment opportunity zone or specific brownfield renewal authority for which specific legislative appropriation was provided in the previous two fiscal years.

(10) After the department determines that all remedial actions within the redevelopment opportunity zone identified in the plan approved under subsection (8) of this section are completed, including payment of all cost reasonably attributable to the remedial actions and cleanup, any remaining moneys must be transferred to the state toxics control account established under RCW 70.105D.070.

(11) If the department determines that substantial progress has not been made on the plan approved under subsection (8) of this section for a redevelopment opportunity zone or specific brownfield renewal authority for which moneys were deposited in the account within six years, or that the brownfield renewal authority is no longer a viable entity, then all remaining moneys must be transferred to the state toxics control account established under RCW 70.105D.070.

(12) The department is authorized to adopt rules to implement this section.

NEW SECTION. Sec. 5. A new section is added to chapter 70.105D RCW to read as follows:

(1) A city or county may designate a geographic area within its jurisdiction as a redevelopment opportunity zone if the zone meets the criteria in this subsection and the city or county adopts a resolution that includes the following determinations and commitments:

(a) At least fifty percent of the upland properties in the zone are brownfield properties whether or not the properties are contiguous;

(b) The upland portions of the zone are comprised entirely of parcels of property either owned by the city or county or whose owner has provided consent in writing to have their property included within the zone;

(c) The cleanup of those properties will be integrated with planning for the future uses of the properties and is consistent with the comprehensive land use plan for the zone; and

(d) The proposed properties lie within the incorporated area of a city or within an urban growth area designated under RCW 36.70A.110.

(2) A port district may designate a redevelopment opportunity zone when:

(a) The port district adopts a resolution that includes the determinations and commitments required under subsection (1)(a), (c), and (d) of this section;

(b) The zone meets the criteria in subsection (1)(a), (c), and (d) of this section; and

(c) The port district either:

(i) Owns in fee all of the upland properties within the zone; or

(ii) Owns in fee at least fifty percent of the upland property in the zone, the owners of other parcels of property in the zone have provided consent in writing to have their property included in the zone, and the governing body of the city and county in which the zone lies approves of the designation by resolution.
(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or willful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 9601 et seq., as amended;

(e) Classify substances as hazardous for purposes of RCW 70.105D.020 and classify substances and products as hazardous substances for purposes of RCW 82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, environmental covenants where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing an environmental covenant under this subsection, the department shall consult with and seek comment from a city or county department with land use planning authority for real property subject to the environmental covenant;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be protective of human health and the environment and the notification requirements established in RCW 70.105D.110, and impose penalties for violations of that section consistent with RCW 70.105D.050;

(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(17)(b)(ii)(C);

(i) Provide informal advice and assistance to persons regarding the administrative and technical requirements of this chapter. This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. Nothing in this chapter may be construed to preclude the department from issuing a written opinion on whether further remedial action is necessary at any portion of the real property located within a facility, even if further remedial action is still necessary elsewhere at the same facility. Such a written opinion on a portion of a facility must also provide an opinion on the status of the facility as a whole. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance. The department must track the number of requests for reviews of planned or completed independent remedial actions and establish performance measures to track how quickly the department is able to respond to those requests. By November 1, 2012, the department must submit to the governor and the appropriate legislative fiscal and policy committees a report on achieving the performance measures and provide recommendations for improving performance, including staffing needs; 

(j) In fulfilling the objectives of this chapter, the department shall allocate staffing and financial assistance in a manner that considers both the reduction of human and environmental risks and the land reuse potential and planning for the facilities to be cleaned up. This does not preclude the department from allocating resources to a facility based solely on human or environmental risks; and

(k) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;

(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remediating releases or threatened releases at the site;

(e) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and

(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

(3) To achieve and protect the state's long-term ecological health, the department shall prioritize sufficient funding to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes, and create financing tools to clean up large-scale hazardous waste sites requiring multiyear commitments. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.

(4) Before December 20th of each even-numbered year, the department shall:

(a) Develop a comprehensive ten-year financing report in coordination with all local governments with clean-up responsibilities that identifies the projected biennial hazardous waste site remedial action needs that are eligible for funding from the local toxics control account;

(b) Work with local governments to develop working capital reserves to be incorporated in the ten-year financing report;

(c) Identify the projected remedial action needs for orphaned, abandoned, and other clean-up sites that are eligible for funding from the state toxics control account;

(d) Project the remedial action need, cost, revenue, and any recommended working capital reserve estimate to the next biennium's long-term remedial action needs from both the local toxics control account and the state toxics control account, and submit this
information to the appropriate standing fiscal and environmental committees of the senate and house of representatives. This submittal must also include a ranked list of such remedial action projects for both accounts; and

(e) Provide the legislature and the public each year with an accounting of the department's activities supported by appropriations from the state and local toxics control accounts, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its waste management priorities under RCW 70.105.150, and all funds expended under this chapter.

(5) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.

(6) For all facilities where an environmental covenant has been required under subsection (1)(f) of this section, including all facilities where the department has required an environmental covenant under an order, agreed order, or consent decree, or as a condition of a written opinion issued under the authority of subsection (1)(i) of this section, the department shall periodically review the environmental covenant for effectiveness. Except as otherwise provided in (c) of this subsection, the department shall conduct a review at least once every five years after an environmental covenant is recorded.

(a) The review shall consist of, at a minimum:

(i) A review of the title of the real property subject to the environmental covenant to determine whether the environmental covenant was properly recorded and, if applicable, amended or terminated;

(ii) A physical inspection of the real property subject to the environmental covenant to determine compliance with the environmental covenant, including whether any development or redevelopment of the real property has violated the terms of the environmental covenant; and

(iii) A review of the effectiveness of the environmental covenant in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances. This shall include a review of available monitoring data.

(b) If an environmental covenant has been amended or terminated without proper authority, or if the terms of an environmental covenant have been violated, or if the environmental covenant is no longer effective in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances, then the department shall take any and all appropriate actions necessary to ensure compliance with the environmental covenant and the policies and requirements of this chapter.

(c) For facilities where an environmental covenant required by the department under subsection (1)(f) of this section was required before July 1, 2007, the department shall:

(i) Enter all required information about the environmental covenant into the registry established under RCW 64.70.120 by June 30, 2008;

(ii) For those facilities where more than five years has elapsed since the environmental covenant was required and the department has yet to conduct a review, conduct an initial review according to the following schedule:

(A) By December 30, 2008, fifty facilities;

(B) By June 30, 2009, fifty additional facilities; and

(C) By June 30, 2010, the remainder of the facilities;

(iii) Once this initial review has been completed, conduct subsequent reviews at least once every five years.

Sec. 8. RCW 70.105D.040 and 1997 c 406 s 4 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, the following persons are liable with respect to a facility:

(a) The owner or operator of the facility;

(b) Any person who owned or operated the facility at the time of disposal or release of the hazardous substances;

(c) Any person who owned or possessed a hazardous substance and who by contract, agreement, or otherwise arranged for disposal or treatment of the hazardous substance at the facility, or arranged with a transporter for transport for disposal or treatment of the hazardous substances at the facility, or otherwise generated hazardous wastes disposed of or treated at the facility;

(d) Any person (i) who accepts or accepted any hazardous substance for transport to a disposal, treatment, or other facility selected by such person from which there is a release or a threatened release for which remedial action is required, unless such facility, at the time of disposal or treatment, could legally receive such substance; or (ii) who accepts a hazardous substance for transport to such a facility and has reasonable grounds to believe that such facility is not operated in accordance with chapter 70.105 RCW;

(e) Any person who both sells a hazardous substance and is responsible for written instructions for its use if (i) the substance is used according to the instructions and (ii) the use constitutes a release for which remedial action is required at the facility.

(2) Each person who is liable under this section is strictly liable, jointly and severally, for all remedial action costs and for all natural resource damages resulting from the releases or threatened releases of hazardous substances. The attorney general, at the request of the department, is empowered to recover all costs and damages from persons liable therefor.

(3) The following persons are not liable under this section:

(a) Any person who can establish that the release or threatened release of a hazardous substance for which the person would be otherwise responsible was caused solely by:

(i) An act of God;

(ii) An act of war; or

(iii) An act or omission of a third party (including but not limited to a trespasser) other than (A) an employee or agent of the person asserting the defense, or (B) any person whose act or omission occurs in connection with a contractual relationship existing, directly or indirectly, with the person asserting this defense to liability. This defense only applies where the person asserting the defense has exercised the utmost care with respect to the hazardous substance, the foreseeable acts or omissions of the third party, and the foreseeable consequences of those acts or omissions;

(b) Any person who is an owner, past owner, or purchaser of a facility and who can establish by a preponderance of the evidence that at the time the facility was acquired by the person, the person had no knowledge or reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for the remedial action, was released or disposed of on, in, or at the facility. This subsection (3)(b) is limited as follows:

(i) To establish that a person had no reason to know, the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property, consistent with good commercial or customary practice in an effort to minimize liability. Any court interpreting this subsection (3)(b) shall take into account any specialized knowledge or experience on the part of the person, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection;

(ii) The defense contained in this subsection (3)(b) is not available to any person who had actual knowledge of the release or threatened release of a hazardous substance when the person owned the real property and who subsequently transferred ownership of the property without first disclosing such knowledge to the transferee;
subsection (4) of this section, the attorney general may agree to a settlement with a ((person not currently liable for remedial action at a facility who proposes to purchase, redevelop, or reuse the facility)) prospective purchaser, provided that:

(i) The settlement will yield substantial new resources to facilitate cleanup;
(ii) The settlement will expedite remedial action at the facility consistent with the rules adopted under this chapter; and
(iii) Based on available information, the department determines that the redevelopment or reuse of the facility is not likely to contribute to the existing release or threatened release, interfere with remedial actions that may be needed at the ((site)) facility, or increase health risks to persons at or in the vicinity of the ((site)) facility.

(b) The legislature recognizes that the state does not have adequate resources to participate in all property transactions involving contaminated property. The primary purpose of this subsection (5) is to promote the cleanup and reuse of ((vacant or abandoned commercial or industrial contaminated)) brownfield property. The attorney general and the department may give priority to settlements that will provide a substantial public benefit((including, but not limited to the reuse of a vacant or abandoned manufacturing or commercial or industrial contaminated facility, or the development of a facility by a governmental entity to address an important public purpose)) in addition to cleanup such as:

(i) Public access to an area not otherwise accessible to the public;
(ii) New or improved public recreational activities;
(iii) Enhancement of a natural resource habitat that would not otherwise occur; or
(iv) Preservation of a historic property listed pursuant to chapter 84.26 RCW.

(c) A settlement entered under this subsection is governed by subsection (4) of this section.

(6) As an alternative to a settlement under subsection (5) of this section, the department may enter into an agreed order with a prospective purchaser of a property within a designated redevelopment opportunity zone. The agreed order is subject to the limitations in RCW 70.105D.020(1), but stays enforcement by the department under this chapter regarding remedial actions required by the agreed order as long as the prospective purchaser complies with the requirements of the agreed order.

(7) Nothing in this chapter affects or modifies in any way any person's right to seek or obtain relief under other statutes or under common law, including but not limited to damages for injury or loss resulting from a release or threatened release of a hazardous substance. No settlement by the department or remedial action ordered by a court or the department affects any person's right to obtain a remedy under common law or other statutes.

Sec. 9. RCW 70.105D.050 and 2005 c 211 s 2 are each amended to read as follows:

(1) With respect to any release, or threatened release, for which the department does not conduct or contract for conducting remedial action and for which the department believes remedial action is in the public interest, the director shall issue orders or agreed orders requiring potentially liable persons to provide the remedial action. Any liable person, or prospective purchaser who has entered into an agreed order under RCW 70.105D.040(6), who refuses, without sufficient cause, to comply with an order or agreed order of the director is liable in an action brought by the attorney general for:

(a) Up to three times the amount of any costs incurred by the state as a result of the party's refusal to comply; and
(b) A civil penalty of up to twenty-five thousand dollars for each day the party refuses to comply.

The treble damages and civil penalty under this subsection apply to all recovery actions filed on or after March 1, 1989.

(2) Any person who incurs costs complying with an order issued under subsection (1) of this section may petition the department for reimbursement of those costs. If the department refuses to grant
The following moneys shall be deposited into the state toxics control account:

(ii) The state's responsibility for solid waste planning, management, regulation, enforcement, technical assistance, and public education required under chapter 70.95 RCW; and

((A)) The amount and terms of such funding are established under a settlement agreement under RCW 70.105D.040(4); and
((B)) The director has found that the funding will achieve both ((i)) and ((ii)) the prevention or mitigation of unfair economic hardship; and
(xii) Public funding to assist prospective purchasers to pay for the costs of remedial action in compliance with clean-up standards under RCW 70.105D.030(2)(e) if:
(A) The facility is located within a redevelopment opportunity zone designated under section 5 of this act; and
(B) The amount and terms of the funding are established under a settlement agreement under RCW 70.105D.040(5); and
(C) The director has found the funding meets any additional criteria established in rule by the department, will achieve a substantially more expedient or enhanced cleanup than would otherwise occur, and will provide a public benefit in addition to cleanup commensurate with the scope of the public funding such as:
(I) Public access to an area not otherwise accessible to the public; and
(II) New or improved public recreational activities; and
(III) Enhancement of a natural resource habitat that would not otherwise occur; and
(xiv) Maintenance of a historic property listed pursuant to chapter 49.64 RCW; and
(xv) Development and demonstration of alternative management technologies designed to carry out the hazardous waste management priorities of RCW 70.105.150; and
(xvi) During the 2009-2011 and 2011-2013 fiscal biennia, shoreline update technical assistance; and

(v) Cleanup and disposal of hazardous substances from abandoned or derelict vessels, defined for the purposes of this section as vessels that have little or no value and either have no identified owner or have an identified owner lacking financial resources to clean up and dispose of the vessel, that pose a threat to human health or the environment.

(b) Funds for plans and programs shall be allocated consistent with the priorities and matching requirements established in chapters 70.105, 70.95C, 70.95I, and 70.95 RCW, except that any applicant that is a Puget Sound partner, as defined in RCW 90.71.010, along with any project that is referenced in the action agenda developed by the Puget Sound partnership under RCW 90.71.310, shall, except as conditioned by RCW 70.105D.120, receive priority for any available funding for any grant or funding programs or sources that use a competitive bidding process. During the 2007-2009 fiscal biennium, money in the account may also be used for grants to local governments to retrofit public sector diesel equipment and for storm water planning and implementation activities.

(c) To expedite cleanups throughout the state, the department shall partner with local communities and liable ((parties for cleanups. The department is authorized to use)) persons conducting remedial actions, and may use the following additional strategies in order to facilitate economic development and ensure a healthful environment for future generations:

(i) Enter into a grant or loan agreement with a local government conducting a remedial action that provides for periodic reimbursement of remedial action costs as they are incurred as established in the agreement;

(ii) Enter into a grant or loan agreement with a local government prior to it acquiring a property or obtaining necessary access to conduct remedial actions, provided the agreement is conditioned upon the local government acquiring the property or obtaining the access in accordance with a schedule specified in the agreement;

(iii) Provide integrated planning grants or loans to local governments to fund studies necessary to facilitate remedial actions at brownfield properties and adaptive reuse of properties following remediation. Eligible activities include, but are not limited to: Environmental site assessments; remedial investigations; health assessments; feasibility studies; site planning; community involvement; land use and regulatory analyses; building and infrastructure assessments; economic and fiscal analyses; and any environmental analyses under chapter 43.21C RCW;

(iv) Provide grants or loans to local governments for remedial actions related to areawide groundwater contamination. To receive the funding, the local government does not need to be a potentially liable person or be required to seek reimbursement of grant funds from a potentially liable person;

(v) The director may alter ((grant matching)) grant or loan matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exists:

(A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

(B) Funding would create new substantial economic development, public recreational, or habitat restoration opportunities that would not otherwise occur; or

(C) Funding would create an opportunity for acquisition and redevelopment of ((vacant, orphaned, or abandoned)) brownfield property under RCW 70.105D.040(5) that would not otherwise occur; and

((iii) The use of outside contracts to conduct necessary studies; (iii) The purchase of remedial action cost-cap insurance, when necessary to expedite multiparty clean-up efforts)) (vi) When pending grant and loan applications under (c)(iii) and (iv) of this subsection (3) exceed the amount of funds available, designated redevelopment opportunity zones must receive priority for distribution of available funds.

(d) ((To facilitate and expedite cleanups using funds from the local toxics control account, during the 2009-2011 fiscal biennium the director may establish grant-funded accounts to hold and disperse local toxics control account funds and funds from local governments to be used for remedial actions.)) To expedite multiparty clean-up efforts, the department may purchase remedial action cost-cap insurance.

(4) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

(5) Except during the 2009-2011 fiscal biennium, one percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

(6) No moneys deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation, or, after January 1, 2010, for projects designed to address the restoration of Puget Sound, funded in a competitive grant process, that are in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310.

(7) The department shall adopt rules for grant or loan issuance and performance. To accelerate both remedial action and economic recovery, the department may expedite the adoption of rules necessary to implement this act using the expedited procedures in RCW 34.05.353. The department shall initiate the award of financial assistance by July 1, 2012. To ensure the adoption of rules will not delay financial assistance, the department may administer the award of financial assistance through interpretive guidance pending the adoption of rules through July 1, 2013.

(8) ((During the 2007-2009 and 2009-2011 fiscal biennia, the legislature may transfer from the local toxics control account to either the state general fund or the oil spill prevention account, or both such amounts as reflect excess fund balance in the account.)) During the 2009-2011 fiscal biennium, the local toxics control account may also be used for a standby rescue tug at Neah Bay, local government shoreline update grants, private and public sector diesel equipment retrofit, and oil spill prevention, preparedness, and response activities.

(9) During the 2009-2011 fiscal biennium, the local toxics control account may also be used for a standby rescue tug at Neah Bay, local government shoreline update grants, private and public sector diesel equipment retrofit, and oil spill prevention, preparedness, and response activities.

(10) During the 2009-2011 fiscal biennium, the local toxics control account may also be used for a standby rescue tug at Neah Bay, local government shoreline update grants, private and public sector diesel equipment retrofit, and oil spill prevention, preparedness, and response activities.

(11) During the 2011-2013 fiscal biennium, the local toxics control account may also be used for local government shoreline update grants and actions for reducing public exposure to toxic air pollution.
(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Prime Sponsor, Committee on Human Services & Corrections: Modifying provisions relating to orders of disposition for juveniles. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

'Sec. 1. RCW 13.40.127 and 2009 c 236 s 1 are each amended to read as follows:

(1) A juvenile is eligible for deferred disposition unless he or she:
(a) Is charged with a sex or violent offense;
(b) Has a criminal history which includes any felony;
(c) Has a prior deferred disposition or deferred adjudication; or
(d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:
(a) Stipulate to the admissibility of the facts contained in the written police report;
(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision; (and)
(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and
(d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7) ((A juvenile's lack of compliance shall be determined by the judge upon written motion by the prosecutor or the juvenile's juvenile court community supervision counselor. If a juvenile fails to comply with terms of supervision, the court shall enter an order of disposition)) (a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:
(i) Revoke the deferred disposition and enter an order of disposition; or
(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue ((the case)) supervision for an additional one-year period for good cause.
(9)(a) At the conclusion of the period (set forth in the order of deferral and upon a finding by the court of full compliance with conditions of supervision and payment of full restitution) of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:
   (i) The deferred disposition has not been previously revoked;
   (ii) The juvenile has completed the terms of supervision;
   (iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and
   (iv) The juvenile has either paid the full amount of restitution, or made a good faith effort to pay the full amount of restitution during the period of supervision.

   (b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the (respondent's) juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 13.40.190 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 13.40.190.

   (c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.050.

   (10)(a) (Records of deferred disposition cases vacated under subsection (9) of this section shall be sealed no later than thirty days after the juvenile's eighteenth birthday provided that the juvenile does not have any charges pending at that time. If a juvenile has already reached his or her eighteenth birthday before July 26, 2009, and does not have any charges pending, he or she may request that the court issue an order sealing the records of his or her deferred disposition cases vacated under subsection (9) of this section, and this request shall be granted.) (i) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution ordered has been paid, the court shall enter a written order sealing the case.

   (ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent's eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent's presence at the administrative sealing hearing is not required.

   (iii) Any deferred disposition vacated prior to the effective date of this section is not subject to sealing under this subsection.

   (b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under RCW 13.50.050 (11) and (12).

   ((d)(a)) (c) Records sealed under this provision shall have the same legal status as records sealed under RCW 13.50.050.

Sec. 2. RCW 13.50.050 and 2011 c 338 s 4 and 2011 c 333 s 4 are each reenacted and amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12)(a) The court shall not grant any motion to seal records for class A offenses made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless:

   (i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without
committing any offense or crime that subsequently results in an adjudication or conviction;
  (ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;
  (iii) No proceeding is pending seeking the formation of a diversion agreement with that person;
  (iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense;
  (v) The person has not been convicted of rape in the first degree, rape in the second degree, or indecent liberties that was actually committed with forcible compulsion; and
  (vi) Full restitution has been paid.
(b) The court shall not grant any motion to seal records for class B, C, gross misdemeanor and misdemeanor offenses and diversions made under subsection (11) of this section unless:
(i) Since the date of last release from confinement, including full-time residential treatment, if any, entry of disposition, or completion of the diversion agreement, the person has spent two consecutive years in the community without being convicted of any offense or crime;
(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;
(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;
(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense; and
(v) Full restitution has been paid.
(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to the effective date of this section if restitution has been paid and the person is eighteen years of age or older at the time of the motion.
(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.
(14)(a) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.
(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.
(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.
(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.
(17)(a)(i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:
(A) The person who is the subject of the information or complaint is at least eighteen years of age;
(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;
(C) Two years have elapsed since completion of the agreement or counsel and release;
(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and
(E) There is no restitution owing in the case.
(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.
(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.
(b) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.
(c) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.
(d) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.
(18) If the court grants the motion to destroy records made pursuant to subsection (17)(c) or (d) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.
(19) The person making the motion pursuant to subsection (17)(c) or (d) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.
(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.
(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity
of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) Except for subsection (17)(b) of this section, no identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, solesprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(24) Information identifying child victims under age eighteen who are victims of sexual assaults by juveniles is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

Sec. 3. RCW 13.40.180 and 2002 c 175 s 24 are each amended to read as follows:

(1) Where a disposition in a single disposition order is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations:

1. Where the offenses were committed through a single act or omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense;

2. The aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense; and

3. The aggregate of all consecutive terms of community supervision shall not exceed two years in length, or require payment of more than two hundred dollars in fines or the performance of more than two hundred hours of community restitution. (2) Where disposition in separate disposition orders is imposed on a youth, the periods of community supervision contained in separate orders, if any, shall run concurrently. All other terms contained in separate disposition orders shall run consecutively.

Sec. 4. RCW 13.40.0357 and 2008 c 230 s 3 and 2008 c 158 s 1 are each reenacted and amended to read as follows:

#### PRIOR ADJUDICATIONS

- 4 or more

#### NOTE:

References in the grid to days or weeks mean periods of confinement. "LS" means "local sanctions" as defined in RCW 13.40.020.

1. The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.
2. The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.
3. The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.
4. RCW 13.40.180 applies if the offender is being sentenced for more than one offense.
5. A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

### OPTION A

#### SUSPENDED DISPOSITION ALTERNATIVE

(1) If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be either research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee, or for chemical dependency treatment programs or services, they must be evidence-based or research-based best practice programs. For the purposes of this subsection:
(a) "Evidence-based" means a program or practice that has had multiple site random controlled trials across heterogeneous populations demonstrating that the program or practice is effective for the population; and

(b) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

(2) If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.

(3) An offender is ineligible for the suspended disposition option under this section if the offender is:

(a) Adjudicated of an A+ offense;

(b) Fourteen years of age or older and is adjudicated of one or more of the following offenses:

(i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;

(ii) Manslaughter in the first degree (RCW 9A.32.060); or

(3) All insurance producers', title insurance agents', and adjusters' licenses issued by the commissioner shall be valid for the time period established by the commissioner unless suspended or revoked at an earlier date.

(4) Subject to the right of the commissioner to suspend, revoke, or refuse to renew any insurance producer's, title insurance agent's, or adjuster's license as provided in this title, the license may be renewed into another like period by filing with the commissioner by any means acceptable to the commissioner on or before the expiration date a request, by or on behalf of the licensee, for such renewal accompanied by payment of the renewal fee as specified in RCW 48.14.010.

(9) An individual insurance producer, title insurance agent, or adjuster who allows his or her license to lapse may, within twelve months after the expiration date, reinstate the same license with necessity of passing a written examination.

The producer may also request a waiver of any examination requirement or any other fine or sanction imposed for failure to comply with renewal procedures.

(12) Licensees shall inform the commissioner by any means acceptable to the commissioner of a change of address within thirty days of the change. Failure to timely inform the commissioner of a change in legal name or address may result in a penalty under either RCW 48.17.530 or 48.17.560, or both.

Each list must be retained by the licensed independent adjuster for a period of three years from submission; or

(b) The person must maintain a system to track and document in the claim records each employee engaged in the activity described in subsection (1) of this section and, upon request of the commissioner, must identify the employee who has engaged in the activity.

(3) The person licensed as an independent adjuster must provide a training and education program for each employee engaged in the activity described in subsection (1) of this section prior to allowing the employee to engage in the activity. The training must include a section on compliance with applicable insurance laws for which a syllabus outlining the content of this section must be submitted to the commissioner for approval prior to use, and resubmitted for approval of any changes prior to use.

(4) The licensed independent adjuster that supervises the persons engaged in the activity described in subsection (1) of this section is responsible for their conduct. The commissioner may place on probation, revoke, suspend, or refuse to renew the adjuster's license of the independent adjuster, levy a civil penalty in accordance with RCW 48.17.560, or any combination of actions for any of the causes for which an adjuster's license may be revoked under chapter 48.17 RCW for the violation of any insurance laws, or any rule, subpoena, or order of the commissioner by a person engaged in the activity described in subsection (1) of this section who is employed by the licensed adjuster."

In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the
child does not constitute negligent treatment or maltreatment in and of itself.

[((445)) (17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee of or agent of any public or private organization or institution.

[((446)) (18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

[((447)) (19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

[((448)) (20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee of or agent of any public or private organization or institution.

[((449)) (21) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

[((450)) (22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

[((451)) (23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

[((452)) (24) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

[((453)) (25) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

[((454)) (26) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

NEW SECTION.  Sec. 2. A new section is added to chapter 26.44 RCW to read as follows:

(1) No later than December 1, 2013, the department shall implement the family assessment response. The department may implement the family assessment response on a phased-in basis, by geographical area.

(2) The department shall develop an implementation plan in consultation with stakeholders, including tribes. The department shall submit a report of the implementation plan to the appropriate committees of the legislature by December 31, 2012. At a minimum, the following must be developed before implementation and included in the report to the legislature:

(a) Description of the family assessment response practice model;

(b) Identification of possible additional noninvestigative responses or pathways;

(c) Development of an intake screening tool and a family assessment tool specifically to be used in the family assessment response. The family assessment tool must, at minimum, evaluate the safety of the child and determine services needed by the family to improve or restore family well-being;

(d) Delineation of staff training requirements;

(e) Development of strategies to reduce disproportionality;

(f) Development of strategies to assist and connect families with the appropriate private or public housing support agencies, for those parents whose inability to obtain or maintain safe housing creates a risk of harm to the child, risk of out-of-home placement of the child, or a barrier to reunification;

(g) Identification of methods to involve local community partners in the development of community-based resources to meet families' needs. Local community partners may include, but are not limited to: Alumni of the foster care system and veteran parents, local private service delivery agencies, schools, local health departments and other health care providers, juvenile court, law enforcement, office of public defense social workers or local defense attorneys, domestic violence victims advocates, and other available community-based entities;

(h) Delineation of procedures to assure continuous quality assurance;

(i) Identification of current departmental expenditures for services appropriate for the family assessment response, to the greatest practicable extent;

(j) Identification of philanthropic funding and other private funding available to supplement public resources in response to identified family needs;

(k) Development of effective mechanisms which assure and maximize, to the greatest extent practicable, that family assessment response for Native American Indian children will be completed in a timely manner by a worker from the child's tribe or by a worker approved by the child's tribe;

(l) A potential phase-in schedule if proposed; and

(m) Recommendations for legislative action required to implement the plan.

Sec. 3. RCW 26.44.030 and 2009 c 480 s 1 are each amended to read as follows:

(1) (a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:
(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client and the department determination that the tribe is interested in planning and consultation with those persons or agencies required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:
(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that the department determines based on the intake assessment:

(A) Poses a risk of “imminent harm” consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent’s, guardian’s, or custodian’s permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation.

Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children’s ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

state and federal reporting and management purposes.

Sec. 5. RCW 26.44.050 and 1999 c 176 s 33 are each amended to
read as follows:
Except as provided in RCW 26.44.030(11), upon the receipt of
a report concerning the possible occurrence of abuse or neglect, the law
enforcement agency or the department of social and health services
must investigate and provide the protective services section with a
report in accordance with chapter 74.13 RCW, and where necessary
to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child
into custody without a court order if there is probable cause to believe
that the child is abused or neglected and that the child would be
injured or could not be taken into custody if it were necessary to first
obtain a court order pursuant to RCW 13.34.050. The law
enforcement agency or the department of social and health services
investigating such a report is hereby authorized to photograph such a
child for the purpose of providing documentary evidence of the
physical condition of the child.
children. These services include, but are not limited to, placement in licensed, relative, or otherwise approved care, or supervised independent living settings; assistance in meeting basic needs; independent living services; medical assistance; and counseling or treatment.

(8) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(9) "Measurable effects" means a statistically significant change which occurs as a result of the service or services a supervising agency is assigned in a performance-based contract, in time periods established in the contract.

(10) "Out-of-home care services" means services provided after the shelter care hearing to or for children in out-of-home care, as that term is defined in RCW 13.34.030, and their families, including the recruitment, training, and management of foster parents, the recruitment of adoptive families, and the facilitation of the adoption process, family reunification, independent living, emergency shelter, residential group care, and foster care, including relative placement.

(11) "Performance-based contracting" means the structuring of all aspects of the procurement of services around the purpose of the work to be performed and the desired results with the contract requirements set forth in clear, specific, and objective terms with measurable outcomes. Contracts shall also include provisions that link the performance of the contractor to the level and timing of reimbursement.

(12) "Permanency services" means long-term services provided to secure a child's safety, permanency, and well-being, including foster care services, family reunification services, adoption services, and preparation for independent living services.

(13) "Primary prevention services" means services which are designed and delivered for the primary purpose of enhancing child and family well-being and are shown, by analysis of outcomes, to reduce the risk to the likelihood of the initial need for child welfare services.

(14) "Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services, as defined in this section.

Sec. 8. RCW 74.13.031 and 2011 c 330 s 5 and 2011 c 160 s 2 are each reenacted and amended to read as follows:

1. The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

2. Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

3. The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

4. As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

5. The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

6. The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

7. The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

8. The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

9. The department and supervising agency shall have authority to purchase care for children.

10. The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.
(11) The department and supervising agencies shall have authority to provide continued extended foster care services to youth ages eighteen to twenty-one years to participate in or complete a secondary education program or a secondary education equivalency program.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care. Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (6), and (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventative services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(a) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 9. The Washington state institute for public policy shall conduct an evaluation of the implementation of the family assessment response. The institute shall define the data to be gathered and maintained. At a minimum, the evaluations must address child safety measures, out-of-home placement rates, re-referral rates, and caseload sizes and demographics. The institute shall deliver its first report no later than December 1, 2014, and its final report by December 1, 2016.

NEW SECTION. Sec. 10. The department of social and health services shall conduct two client satisfaction surveys of families that have been placed in the family assessment response. The first survey results shall be reported no later than December 1, 2014. The second survey results shall be reported no later than December 1, 2016.

Sec. 11. RCW 26.44.125 and 1998 c 314 s 9 are each amended to read as follows:

(1) A person who is named as an alleged perpetrator after October 1, 1998, in a founded report of child abuse or neglect has the right to seek review and amendment of the finding as provided in this section.

(2) Within (twenty) thirty calendar days after (receiving written notice from the department) the department has notified the alleged perpetrator under RCW 26.44.100 that (a) the person is named as an alleged perpetrator in a founded report of child abuse or neglect, he or she may request that the department review the finding. The request must be made in writing. The written notice provided by the department must contain at least the following information in plain language:

(a) Information about the department's investigative finding as it relates to the alleged perpetrator;

(b) Sufficient factual information to apprise the alleged perpetrator of the date and nature of the founded reports;

(c) That the alleged perpetrator has the right to submit to child protective services a written response regarding the child protective services finding which, if received, shall be filed in the department's records;

(d) That information in the department's records, including information about this founded report, may be considered in a later investigation or proceeding related to a different allegation of child abuse or neglect or child custody;

(e) That founded allegations of child abuse or neglect may be used by the department in determining;

(i) If a perpetrator is qualified to be licensed or approved to care for children or vulnerable adults; or

(ii) If a perpetrator is qualified to be employed by the department in a position having unsupervised access to children or vulnerable adults;

(f) That the alleged perpetrator has a right to challenge a founded allegation of child abuse or neglect.

(3) If a request for review is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding, unless he or she can show that the department did not comply with the notice requirements of RCW 26.44.100.
perpetrator in writing of the agency's determination. The notification must be sent by certified mail, return receipt requested, to the person's last known address.

((44)) (5) If, following agency review, the report remains founded, the person named as the alleged perpetrator in the report may request an adjudicative hearing to contest the finding. The adjudicative proceeding is governed by chapter 34.05 RCW and this section. The request for an adjudicative proceeding must be filed within thirty calendar days after receiving notice of the agency review determination. If a request for an adjudicative proceeding is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding.

((66)) (6) Reviews and hearings conducted under this section are confidential and shall not be open to the public. Information about reports, reviews, and hearings may be disclosed only in accordance with federal and state laws pertaining to child welfare records and child protective services reports.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act take effect December 1, 2013.

Correct the title.

Strike everything after the enacting clause and insert the following:

"Sec. 13. RCW 26.44.020 and 2010 c 176 s 1 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect, including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

((44)) (12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

((44)) (13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

((44)) (14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

((44)) (15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

((44)) (16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

((44)) (17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

((44)) (18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished
Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

((22)) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

((23)) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

((24)) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

((25)) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

((26)) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

((27)) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

((28)) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

((29)) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

NEW SECTION. Sec. 14. A new section is added to chapter 26.44 RCW to read as follows:

(1) No later than December 1, 2013, the department shall implement the family assessment response. The department may implement the family assessment response on a phased-in basis, by geographical area.

(2) The department shall develop an implementation plan in consultation with stakeholders, including tribes. The department shall submit a report of the implementation plan to the appropriate committees of the legislature by December 31, 2012. At a minimum, the following must be developed before implementation and included in the report to the legislature:

(a) Description of the family assessment response practice model;
(b) Identification of possible additional noninvestigative responses or pathways;
(c) Development of an intake screening tool and a family assessment tool specifically to be used in the family assessment response;
(d) Delineation of staff training requirements;
(e) Development of strategies to reduce disproportionality;
(f) Development of strategies to assist and connect families with the appropriate private or public housing support agencies, for those parents whose inability to obtain or maintain safe housing creates a risk of harm to the child, risk of out-of-home placement of the child, or a barrier to reunification;
(g) Identification of methods to involve local community partners in the development of community-based resources to meet families’ needs. Local community partners may include, but are not limited to:

Alumni of the foster care system and veteran parents, local private service delivery agencies, schools, local health departments and other health care providers, juvenile court, law enforcement, office of public defense social workers or local defense attorneys, domestic violence victims advocates, and other available community-based entities;

(h) Delineation of procedures to assure continuous quality assurance;

(i) Identification of current departmental expenditures for services appropriate for the family assessment response, to the greatest practicable extent;
(j) Identification of philanthropic funding and other private funding available to supplement public resources in response to identified family needs;
(k) A potential phase-in schedule if proposed; and
(l) Recommendations for legislative action required to implement the plan.

Sec. 15. RCW 26.44.030 and 2009 c 480 s 1 are each amended to read as follows:

(1) (a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she shall obtain the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this section or any other law shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.
(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or un consciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(1) Investigation; or

(2) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant an investigation under this chapter, or there is a history of reports of child abuse or neglect, then the department must close the family assessment response case. However, if at any time
the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment case must be closed, and an investigation must be conducted;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.13 RCW, or by the department of early learning;

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are placed in the family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Complete the family assessment within forty-five days of receiving the report; however, upon parental agreement, the assessment period may be extended up to sixty days;

(c) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(d) Implement the family assessment response in a consistent and cooperative manner;

(e) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under the family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be the family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings and in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.  

(19) Upon receipt of a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 16. RCW 26.44.031 and 2007 c 220 s 3 are each amended to read as follows:

(1) To protect the privacy in reporting and the maintenance of reports of nonaccidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, and to safeguard against arbitrary, malicious, or erroneous information or actions, the department shall not disclose or maintain information related to reports of child abuse or neglect except as provided in this section or as otherwise required by state and federal law.

(2) The department shall destroy all of its records concerning:

(a) A screened-out report, within three years from the receipt of the report; and

(b) An unfounded or inconclusive report, within six years of completion of the investigation, unless a prior or subsequent founded report has been received regarding the child who is the subject of the report, a sibling or half-sibling of the child, or a parent, guardian, or legal custodian of the child, before the records are destroyed.

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.
(4) [(Amended)] No unfounded, screened-out, or inconclusive report or information about a family's participation or nonparticipation in the family assessment response may [(Amended)] be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under chapter 74.15 RCW without the consent of the individual who is the subject of the report or family assessment, unless:

(a) The individual seeks to become a licensed foster parent or adoptive parent; or

(b) The individual is the parent or legal custodian of a child being served by one of the agencies referenced in this subsection.

(5)(a) If the department fails to comply with this section, an individual who is the subject of a report may institute proceedings for injunctive or other appropriate relief for enforcement of the requirement to purge information. These proceedings may be instituted in the superior court for the county in which the person resides or, if the person is not then a resident of this state, in the superior court for Thurston county.

(b) If the department fails to comply with subsection (4) of this section and an individual who is the subject of the report or family assessment response information is harmed by the disclosure of information, in addition to the relief provided in (a) of this subsection, the court may award a penalty of up to one thousand dollars and reasonable attorneys' fees and court costs to the petitioner.

(c) A proceeding under this subsection does not preclude other methods of enforcement provided for by law.

(6) Nothing in this section shall prevent the department from retaining general, nonidentifying information which is required for state and federal reporting and management purposes.

Sec. 17. RCW 26.44.050 and 1999 c 176 s 33 are each amended to read as follows:

Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department of social and health services must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department of social and health services investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

NEW SECTION. Sec. 18. A new section is added to chapter 26.44 RCW to read as follows:

(1) Upon completion of the family assessment, if, based upon the family's needs, or lack thereof, identified in the assessment, the department recommends that no services be offered, the case shall be closed.

(2) Within ten days of the conclusion of the family assessment, the department must meet with the child's parent or guardian to discuss the recommendation for services to address child safety concerns or significant risk of subsequent child maltreatment.

(3) If the parent or guardian disagrees with the department's recommendation regarding the provision of services, the department shall convene a family team decision-making meeting to discuss the recommendations and objections. The caseworker's supervisor and area administrator shall attend the meeting.

NEW SECTION. Sec. 19. A new section is added to chapter 26.44 RCW to read as follows:

The department shall develop a family assessment tool which, at a minimum, must include the following:

(1) An interview with the child's parent, guardian, or any other adult residing in the child's home who serves in a parental role. The interview shall focus on ensuring the immediate safety of the child and mitigating future risk of harm to the child in the home environment.

(2) An interview of other persons suggested by the family or whom the department believes have valuable information.

(3) An evaluation of the safety of the child and any other children living in the same home. The evaluation may include an interview with or observation of the child or children. The preferred method is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child.

(4) In collaboration with the family, identification of family strengths, resources, and service needs, and the development of a plan of services with the goal of reducing risk of harm to the child and improving or restoring family well-being.

(8) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Sec. 21. RCW 74.13.031 and 2011 c 330 s 5 and 2011 c 160 s 2 are each reenacted and amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

((444)) (6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section, children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one announced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

((444)) (7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95- 608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

((444)) (8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

((444)) (9) The department and supervising agency shall have authority to purchase care for children.

((444)) (10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

secondary education program or a secondary education equivalency program.

(((12))) (12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (((11))) of this section.

(((13))) (13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(((14))) (14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (((6), and)) (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(((15))) (15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(((16))) (16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(((17))) (17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

((18)(a)) (18) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(b) The document must be prepared in conjunction with a community- based organization and must be updated as needed.

NEW SECTION. Sec. 22. The Washington state institute for public policy shall conduct an evaluation of the implementation of the family assessment response. The institute shall define the data to be gathered and maintained. At a minimum, the evaluations must address child safety measures, out-of-home placement rates, re-referral rates, and caseload sizes and demographics. The institute shall deliver its first report no later than December 1, 2014, and its final report by December 1, 2016.

NEW SECTION. Sec. 23. The department of social and health services shall conduct two client satisfaction surveys of families that have been placed in the family assessment response. The first survey results shall be reported no later than December 1, 2014. The second survey results shall be reported no later than December 1, 2016.

Sec. 24. RCW 26.44.125 and 1998 c 314 s 9 are each amended to read as follows:

(1) A person who is named as an alleged perpetrator after October 1, 1998, in a founded report of child abuse or neglect has the right to seek review and amendment of the finding as provided in this section.

(2) Within ((twenty)) thirty calendar days after ((receiving written notice from the department)) the department has notified the alleged perpetrator under RCW 26.44.100 that ((a)) the person is named as an alleged perpetrator in a founded report of child abuse or neglect, he or she may request that the department review the finding. The request must be made in writing. The written notice provided by the department must contain at least the following information in plain language:

(a) Information about the department's investigative finding as it relates to the alleged perpetrator;
(b) Sufficient factual information to apprise the alleged perpetrator of the date and nature of the founded reports;
(c) That the alleged perpetrator has the right to submit to child protective services a written response regarding the child protective services finding which, if received, shall be filed in the department's records;
(d) That information in the department's records, including information about this founded report, may be considered in a later investigation or proceeding related to a different allegation of child abuse or neglect or child custody;
(e) That founded allegations of child abuse or neglect may be used by the department in determining;

(i) If a perpetrator is qualified to be licensed or approved to care for children or vulnerable adults; or
(ii) If a perpetrator is qualified to be employed by the department in a position having unsupervised access to children or vulnerable adults;
(f) That the alleged perpetrator has a right to challenge a founded allegation of child abuse or neglect.

(3) If a request for review is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding, unless he or she can show that the department did not comply with the notice requirements of RCW 26.44.100.

(((4))) (4) Upon receipt of a written request for review, the department shall review and, if appropriate, may amend the finding. Management level staff within the children's administration designated by the secretary shall be responsible for the review. The review must be completed within thirty days after receiving the written request for review. The review must be conducted in accordance with procedures the department establishes by rule. Upon completion of the review, the department shall notify the alleged perpetrator in writing of the agency's determination. The notification must be sent by certified mail, return receipt requested, to the person's last known address.
If, following agency review, the report remains founded, the person named as the alleged perpetrator in the report may request an adjudicative hearing to contest the finding. The adjudicative proceeding is governed by chapter 34.05 RCW and this section. The request for an adjudicative proceeding must be filed within thirty calendar days after receiving notice of the agency review determination. If a request for an adjudicative proceeding is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding.

Reviews and hearings conducted under this section are confidential and shall not be open to the public. Information about reports, reviews, and hearings may be disclosed only in accordance with federal and state laws pertaining to child welfare records and child protective services reports.

The department may adopt rules to implement this section.

(REVISED FOR ENGLISHED: Addressing the driver's license, permit, and identicard system, including the administration of a facial recognition matching system.) Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 46.20.037 and 2006 c 292 s 1 are each amended to read as follows:

(1) ((No later than two years after full implementation of the provisions of Title II of P.L. 109-13, improved security for driver's
licenses and personal identification cards (Real ID), as passed by Congress May 10, 2005.) The department ((shall)) may implement a (((votuntary)) biometric facial recognition matching system for (((driver's))) drivers' licenses, permits, and identicards. (A biometric) Any facial recognition matching system (shall) selected by the department must be used only to verify the identity of an applicant for or holder of a ((renewal or duplicate)) driver's license, permit, or identicard ((by matching a biometric identifier submitted by the applicant against the biometric identifier submitted when the license was last issued. This project requires a full review by the information services board using the criteria for projects of the highest visibility and risk)) to determine whether the person has been issued a driver's license, permit, or identicard under a different name or names.

(2) Any ((biometric)) facial recognition matching system selected by the department (shall) must be capable of highly accurate matching, and (((shall))) must be complaint with ((biometrics)) appropriate standards established by the American association of motor vehicle administrators that exist on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

(3) ((The biometric matching system selected by the department must incorporate a process that allows the owner of a driver's license or identicard to present a personal identification number or other code along with the driver's license or identicard before the information may be verified by a third party, including a governmental entity.

(4) Upon the establishment of a biometric driver's license and identicard system as described in this section, the department shall allow every person applying for an original, renewal, or duplicate driver's license or identicard to voluntarily submit a biometric identifier. Each applicant shall be informed of all ways in which the biometric identifier may be used, all parties to whom the identifier may be disclosed and the conditions of disclosure, the expected error rates for the biometric matching system which shall be regularly updated as the technology changes or empirical data is collected, and the potential consequences of those errors. The department shall adopt rules to allow applicants to verify the accuracy of the system at the time that biometric information is submitted, including the use of at least two separate devices.

(5) The department may not disclose biometric information to the public or any governmental entity except when authorized by court order.

(6)) The department shall post notices in conspicuous locations at all department driver licensing offices, make written information available to all applicants at department driver licensing offices, and provide information on the department's web site regarding the facial recognition matching system. The notices, written information, and information on the web site must address how the facial recognition matching system works, all ways in which the department may use results from the facial recognition matching system, how an investigation based on results from the facial recognition matching system would be conducted, and a person's right to appeal any determinations made under this chapter.

(4) Results from the facial recognition matching system:
   (a) Are not available for public inspection and copying under chapter 42.56 RCW;
   (b) May only be disclosed pursuant to a valid subpoena, warrant, or court order;
   (c) May only be disclosed to a federal government agency if specifically required under federal law; and
   (d) May be disclosed by the department to a government agency, including a court or law enforcement agency, for use in carrying out its functions if the department has determined that person has committed one of the prohibited practices listed in RCW 46.20.0921 and this determination has been confirmed by a hearings examiner under this chapter or the person declined a hearing or did not attend a scheduled hearing.

(5) All ((biometric)) personally identifying information (shall) derived from the facial recognition matching system must be stored with appropriate security safeguards((including but not limited to encryption)). The office of the chief information officer shall develop the appropriate security standards for the department's use of the facial recognition matching system, subject to approval and oversight by the technology services board.

((5))) (6) The department shall develop procedures to handle instances in which the ((biometric)) facial recognition matching system fails to verify the identity of an applicant for a renewal or duplicate driver's license, permit, or identicard. These procedures (shall) must allow an applicant to prove identity without using ((a biometric identifier).

(8) Any person who has voluntarily submitted a biometric identifier may choose to discontinue participation in the biometric matching program at any time, provided that the department utilizes a secure procedure to prevent fraudulent requests for a renewal or duplicate driver's license or identicard. When the person discontinues participation, any previously collected biometric information shall be destroyed.

(9) This section does not apply when an applicant renuews his or her driver's license or identicard by mail or electronic commerce ((the facial recognition matching system)).

(7) The department shall report to the governor and the legislature by October 1st of each year, beginning October 1, 2012, on the following numbers during the previous fiscal year: The number of investigations initiated by the department based on results from the facial recognition matching system; the number of determinations made that a person has committed one of the prohibited practices in RCW 46.20.0921 after the completion of an investigation; the number of determinations that were confirmed by a hearings examiner and the number of cases where a person declined a hearing or did not attend a scheduled hearing; and the number of determinations that were referred to law enforcement.

NEW SECTION. Sec. 2. A new section is added to chapter 46.04 RCW to read as follows:

"Facial recognition matching system" means a system that compares the biometric template derived from an image of an applicant or holder of a driver's license, permit, or identicard with the biometric templates derived from the images in the department's negative file.

NEW SECTION. Sec. 3. RCW 46.20.038 (Biometric matching system--Funding) and 2004 c 273 s 4 are each repealed.

Sec. 4. RCW 46.20.055 and 2010 c 223 s 1 are each amended to read as follows:

(a) The person has immediate possession of the permit;
(b) The person is using a wireless communications device, unless the person is using the device to report illegal activity, summon medical or other emergency help, or prevent injury to a person or property; and
(c) An approved instructor, or a licensed driver with at least five years of driving experience, occupies the seat beside the driver.

(4) Term of instruction permit. A driver's instruction permit is valid for one year from the date of issue.

(a) The department may issue one additional one-year permit.
(b) The department may issue a third driver's permit if it finds after an investigation that the permittee is diligently seeking to improve driving proficiency.
(c) A person applying (to renew) for an additional instruction permit must submit the application to the department in person and pay an application fee of twenty-five dollars for each issuance.

Sec. 5. RCW 46.20.117 and 2005 c 314 s 305 are each amended to read as follows:

(1) Issuance. The department shall issue an identicard, containing a picture, if the applicant:

(a) Does not hold a valid Washington driver's license; and
(b) Proves his or her identity as required by RCW 46.20.035; and
(c) Pays the required fee. Except as provided in subsection (5) of this section, the fee is ((twenty)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless an applicant is a recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services. For those persons the fee must be the actual cost of production of the identicard.

(2) Design and term. The identicard must:

(a) Be distinctly designed so that it will not be confused with the official driver's license; and
(b) Except as provided in subsection (5) of this section, expire on the ((fifth)) sixth anniversary of the applicant's birthdate after issuance.

(3) Renewal. An application for identicard renewal may be submitted by means of:

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired. (However, the department may accept an application for renewal of an identicard submitted by means of mail or electronic commerce only if specific authority and funding is provided for this purpose by June 30, 2004, in the omnibus transportation appropriations act.)

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) Cancellation. The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) Alternative issuance/renewal/extension. The department may issue or renew an identicard for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The department may adopt any rules as are necessary to carry out this subsection.

Sec. 6. RCW 46.20.120 and 2011 c 370 s 4 are each amended to read as follows:

An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department must ensure that examinations are given at places and times reasonably available to the people of this state. If the department does not administer driver licensing examinations as a routine part of its licensing services within a department region because adequate testing sites are provided by driver training schools or school districts within that region, the department shall, at a minimum, administer driver licensing examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

(1) Waiver. The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or
(b) All or any part of the examination involving operating a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; or
(ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and
(iii) Is otherwise qualified to be licensed.

(2) Fee. Each applicant for a new license must pay an examination fee of ((twenty)) thirty-five dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or
(ii) Whose last previous Washington license has been expired for more than ((five)) six years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department; or
(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired.

(4) A person whose license expired or will expire while he or she is living outside the state, may:

(a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant’s knowledge of traffic laws and ability to safely operate a motor vehicle.

(7) School districts that offer a traffic safety education program under chapter 28A.220 RCW may administer the portions of the driver licensing examination that test the applicant’s knowledge of traffic laws and ability to safely operate a motor vehicle.

Sec. 7. RCW 46.20.161 and 2000 c 115 s 6 are each amended to read as follows:

The department, upon receipt of a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless the license's driver's license is issued for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, in which case the fee shall be ((five)) nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license. A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen. The license must include a distinguishing number assigned to the licensee, the name of record, date of birth, Washington residence address, photograph, a brief description of the licensee, and either a facsimile of the signature of the licensee or a space upon which the licensee shall write his or her usual signature with pen and ink immediately upon receipt of the license. No license is valid until it has been so signed by the licensee.

Sec. 8. RCW 46.20.181 and 1999 c 308 s 3 are each amended to read as follows:

(1) Except as provided in subsection (4) or (5) of this section or RCW 46.20.105, every driver's license expires on the ((fifth)) sixth anniversary of the licensee's birthdate following the issuance of the license.

(2) A person may renew his or her license on or before the expiration date by submitting an application as prescribed by the department and paying a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013. This fee includes the fee for the required photograph.

(3) A person renewing his or her driver's license more than sixty days after the license has expired shall pay a penalty fee of ten dollars in addition to the renewal fee, unless his or her license expired when:

(a) The person was outside the state and he or she renews the license within sixty days after returning to this state; or

(b) The person was incapacitated and he or she renews the license within sixty days after the termination of the incapacity.

(4) (During the period from July 1, 2006, to July 1, 2009)) The department may issue or renew a driver's license for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce a license that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of licensed drivers. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is ((five)) nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

(5) A driver's license that includes a hazardous materials endorsement shall be extended for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, in which case the fee shall be ((forty-five)) twenty dollars for each year that the license is issued, renewed, or extended.

(6) The department may adopt any rules as are necessary to carry out this section.

Sec. 9. RCW 46.20.200 and 2002 c 352 s 14 are each amended to read as follows:

(1) If an instruction permit, identicard, or a driver's license is lost or destroyed, the person to whom it was issued may obtain a duplicate of it upon furnishing proof of such fact satisfactory to the department and payment of a fee of ((five)) twenty dollars to the department.

(2) A replacement permit, identicard, or driver's license may be obtained to change or correct material information upon payment of a fee of ten dollars and surrender of the permit, identicard, or driver's license being replaced.

Sec. 10. RCW 46.20.049 and 2011 c 227 s 6 are each amended to read as follows:

There shall be an additional fee for issuing any class of commercial driver's license in addition to the prescribed fee required for the issuance of the original driver's license. The additional fee for each class shall be ((sixty-one)) eighty-five dollars from October 1, 2012, to June 30, 2013, and one hundred two dollars after June 30, 2013, for the original commercial driver's license or subsequent renewals. If the commercial driver's license is issued, renewed, or extended for a period other than five years from October 1, 2012, to June 30, 2013, the fee for each class shall be ((two)) ((twelve)) seventeen dollars and ninety cents for each year that the commercial driver's license is issued, renewed, or extended. The fee shall be deposited in the highway safety fund.

Sec. 11. RCW 46.20.308 and 2008 c 282 s 2 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503. Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5). The officer shall inform the person of his or her right to refuse the
breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (7) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section and that the person waives the right to a hearing if he or she receives an ignition interlock driver's license;

(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration in violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath or blood, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person is age twenty-one or over, or was 0.02 or more if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(e) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this section may, within twenty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of ((two hundred seventy five dollars)) three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within twenty days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required ((two hundred seventy five dollars)) three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required ((two hundred seventy five dollars)) three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or
privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or 0.02 or more if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10) (a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 12. RCW 46.20.505 and 2007 c 97 s 1 are each amended to read as follows:

Every person applying for a special endorsement of a driver's license authorizing such person to drive a two or three-wheeled motorcycle or a motor-driven cycle shall pay a fee of five dollars, which is not refundable. In addition, the endorsement fee for the initial motorcycle endorsement shall not exceed ((twenty- five)) twelve dollars, unless the endorsement is issued for a period other than six years, in which case the endorsement fee shall not exceed two dollars for each year the initial motorcycle endorsement is issued. The subsequent renewal endorsement fee shall not exceed ((twenty- five)) thirty dollars, unless the endorsement is renewed or extended for a period other than ((five)) six years, in which case the subsequent renewal endorsement fee shall not exceed five dollars for each year that the endorsement is renewed or extended. Fees collected under this section shall be deposited in the motorcycle safety education account of the highway safety fund.

Sec. 13. RCW 46.20.105 and 2000 c 115 s 5 are each amended to read as follows:

(1) (a) The department may provide a method to distinguish the driver's license of a person who is under the age of twenty-one from the driver's license of a person who is twenty-one years of age or older.
(b) If the department provides a method to distinguish under (a) of this subsection, any driver’s license issued to a person who is under the age of twenty-one expires on the person’s twenty-first birthdate.

(2) An instruction permit must be identified as an “instruction permit” and issued in a distinctive form as determined by the department.

(3) An intermediate license must be identified as an “intermediate license” and issued in a distinctive form as determined by the department.

ESSB 6237 Prime Sponsor, Committee on Health & Long-Term Care: Creating a career pathway for medical assistants. Reported by Committee on Health & Human Services Appropriations & Oversight

MAJORITY recommendation: Do pass as amended by Committee on Health & Human Services Appropriations & Oversight and without amendment by Committee on Health Care & Wellness.

Strike everything after the enacting clause and insert the following:

“NEW SECTION. Sec. 1. The legislature finds that medical assistants are health professionals specifically trained to work in settings such as physicians’ offices, clinics, group practices, and other health care facilities. These multiskilled personnel are trained to perform administrative and clinical procedures under the supervision of health care providers. Physicians value this unique versatility more and more because of the skills of medical assistants and their ability to contain costs and manage human resources efficiently. The demand for medical assistants is expanding rapidly. The efficient and effective delivery of health care in Washington will be improved by recognizing the valuable contributions of medical assistants, and providing statutory support for medical assistants in Washington state. The legislature further finds that rural and small medical practices and clinics may have limited access to formally trained medical assistants. The legislature further intends that the secretary of health develop recommendations for a career ladder that includes medical assistants.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Delegation" means direct authorization granted by a licensed health care practitioner to a medical assistant to perform the functions authorized in this chapter which fall within the scope of practice of the health care provider and the training and experience of the medical assistant.

(2) "Department" means the department of health.

(3) "Health care practitioner" means:

(a) A physician licensed under chapter 18.71 RCW;

(b) An osteopathic physician and surgeon licensed under chapter 18.57 RCW; or

(c) Acting within the scope of their respective licensure, a podiatric physician and surgeon licensed under chapter 18.22 RCW, a registered nurse or advanced registered nurse practitioner licensed under chapter 18.79 RCW, a naturopath licensed under chapter 18.36A RCW, a physician assistant licensed under chapter 18.71A RCW, an osteopathic physician assistant licensed under chapter 18.57A RCW, or an optometrist licensed under chapter 18.53 RCW.

(4) "Medical assistant-certified" means a person certified under section 5 of this act who assists a health care practitioner with patient care, executes administrative and clinical procedures, and performs functions as provided in section 6 of this act under the supervision of the health care practitioner.

(5) "Medical assistant-hemodialysis technician" means a person certified under section 5 of this act who performs hemodialysis and other functions pursuant to section 6 of this act under the supervision of a health care practitioner.

(6) "Medical assistant-phlebotomist" means a person certified under section 5 of this act who performs capillary, venous, and arterial invasive procedures for blood withdrawal and other functions pursuant to section 6 of this act under the supervision of a health care practitioner.

(7) "Medical assistant-registered" means a person registered under section 5 of this act who, pursuant to an endorsement by a health care practitioner, clinic, or group practice, assists a health care practitioner with patient care, executes administrative and clinical procedures, and performs functions as provided in section 6 of this act under the supervision of the health care practitioner.

(8) "Secretary" means the secretary of the department of health.

(9) "Supervision" means supervision of procedures permitted pursuant to this chapter by a health care practitioner who is physically present and is immediately available in the facility. The health care practitioner does not need to be present during procedures to withdraw blood, but must be immediately available.

NEW SECTION. Sec. 3. (1) No person may practice as a medical assistant-certified, medical assistant-hemodialysis technician,
or medical assistant-phlebotomist unless he or she is certified under section 5 of this act.

(2) No person may practice as a medical assistant-registered unless he or she is registered under section 5 of this act.

NEW SECTION. Sec. 4. (1) The secretary shall adopt rules specifying the minimum qualifications for a medical assistant-certified, medical assistant-hemodialysis technician, and medical assistant-phlebotomist. The qualifications for a medical assistant-hemodialysis technician must be equivalent to the qualifications for hemodialysis technicians regulated pursuant to chapter 18.135 RCW as of January 1, 2012.

(2) The secretary shall adopt rules that establish the minimum requirements necessary for a health care practitioner, clinic, or group practice to endorse a medical assistant as qualified to perform the duties authorized by this chapter and be able to file an attestation of that endorsement with the department.

(3) The medical quality assurance commission, the board of osteopathic medicine and surgery, the pediatric medical board, the nursing care quality assurance commission, the board of naturopathy, and the optometry board shall each review and identify other specialty assistive personnel not included in this chapter and the tasks they perform. The department of health shall compile the information from each disciplining authority listed in this subsection and submit the compiled information to the legislature no later than December 15, 2012.

NEW SECTION. Sec. 5. (1)(a) The secretary shall issue a certification as a medical assistant-certified to any person who has satisfactorily completed a medical assistant training program approved by the secretary, passed an examination approved by the secretary, and met any additional qualifications established under section 4 of this act.

(b) The secretary shall issue an interim certification to any person who has met all of the qualifications in (a) of this subsection, except for the passage of the examination. A person holding an interim permit possesses the full scope of practice of a medical assistant-certified. The interim permit expires upon passage of the examination or after one year, whichever occurs first, and may not be renewed.

(2) The secretary shall issue a certification as a medical assistant-hemodialysis technician to any person who meets the qualifications for a medical assistant-hemodialysis technician established under section 4 of this act.

(3) The secretary shall issue a certification as a medical assistant-phlebotomist to any person who meets the qualifications for a medical assistant-phlebotomist established under section 4 of this act.

(4)(a) The secretary shall issue a registration as a medical assistant-registered to any person who has a current endorsement from a health care practitioner, clinic, or group practice.

(b) In order to be endorsed under this subsection (4), a person must:

(i) Be endorsed by a health care practitioner, clinic, or group practice that meets the qualifications established under section 4 of this act; and

(ii) Have a current attestation of his or her endorsement to perform specific medical tasks signed by a supervising health care practitioner filed with the department. A medical assistant-registered may only perform the medical tasks listed in his or her current attestation of endorsement.

(c) A registration based on an endorsement by a health care practitioner, clinic, or group practice is not transferrable to another health care practitioner, clinic, or group practice.

(5) A certification issued under subsections (1) through (3) of this section is transferrable between different practice settings.

NEW SECTION. Sec. 6. (1) A medical assistant-certified may perform the following duties delegated by, and under the supervision of, a health care practitioner:

(a) Fundamental procedures:

MAJORITY recommendation: Do pass as amended by Committee on Health & Human Services Appropriations & Oversight and without amendment by Committee on Labor & Workforce Development.

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1. A new section is added to chapter 49.12 RCW to read as follows:

(1) The director shall establish a farm internship pilot project until December 1, 2017, for the employment of farm interns on small farms under special certificates at wages, if any, as authorized by the department and subject to such limitations as to time, number, proportion, and length of service as provided in this section and as prescribed by the department. The pilot project consists of the following counties: San Juan, Skagit, King, Whatcom, Kitsap, Pierce, Jefferson, Spokane, Yakima, Chelan, Grant, Kittitas, Lincoln, Okanogan, and Thurston.

(2) A small farm may employ no more than three interns at one time under this section.

(3) A small farm must apply for a special certificate on a form made available by the director. The application must set forth: The name of the farm and a description of the farm seeking the certificate; the type of work to be performed by a farm intern; a description of the internship program; the period of time for which the certificate is sought and the duration of an internship; the number of farm interns for which a special certificate is sought; the wages, if any, that will be paid to the farm intern; any room and board, stipends, and other remuneration the farm will provide to a farm intern; and the total number of workers employed by the farm.

(4) Upon receipt of an application, the department shall review the application and issue a special certificate to the requesting farm within fifteen days if the department finds that:

(a) The farm qualifies as a small farm;

(b) There have been no serious violations of chapter 49.46 RCW or Title 51 RCW that provide reasonable grounds to believe that the terms of an internship agreement may not be complied with;

(c) The issuance of a certificate will not create unfair competitive labor cost advantages nor have the effect of impairing or depressing wage or working standards established for experienced workers for work of a like or comparable character in the industry or occupation at which the intern is to be employed;

(d) A farm intern will not displace an experienced worker; and

(e) The farm demonstrates that the interns will perform work for the farm under an internship program that: (i) Provides a curriculum of learning modules and supervised participation in farm work activities designed to teach farm interns about farming practices and farm enterprises; (ii) is based on the bona fide curriculum of an educational or vocational institution; and (iii) is reasonably designed to provide the intern with vocational knowledge and skills about farming practices and enterprises. In assessing an internship program, the department may consult with relevant college and university departments and extension programs and state and local government agencies involved in the regulation or development of agriculture.

(5) A special certificate issued under this section must specify the terms and conditions under which it is issued, including: The name of the farm; the duration of the special certificate allowing the employment of farm interns and the duration of an internship; the total number of interns authorized under the special certificate; the authorized wage rate, if any; and any room and board, stipends, and other remuneration the farm will provide to the farm intern. A farm worker may be paid at wages specified in the certificate only during the effective period of the certificate and for the duration of the internship.

(6) If the department denies an application for a special certificate, notice of denial must be mailed to the farm. The farm listed on the application may, within fifteen days after notice of such action has been mailed, file with the director a petition for review of the denial, setting forth grounds for seeking such a review. If reasonable grounds exist, the director or the director's authorized representative may grant such a review and, to the extent deemed appropriate, afford all interested persons an opportunity to be heard on such review.

(7) Before employing a farm intern, a farm must submit a statement on a form made available by the director stating that the farm understands: The requirements of the industrial welfare act, chapter 49.12 RCW, that apply to farm interns; that the farm must pay workers' compensation premiums in the assigned intern risk class and must pay workers' compensation premiums for nonintern work hours in the applicable risk class; and that if the farm does not comply with subsection (8) of this section, the director may revoke the special certificate.

(8) The director may revoke a special certificate issued under this section if a farm fails to: Comply with the requirements of the industrial welfare act, chapter 49.12 RCW, that apply to farm interns; pay workers' compensation premiums in the assigned intern risk class; or pay workers' compensation premiums in the applicable risk class for nonintern work hours.
(9) Before the start of a farm internship, the farm and the intern must sign a written agreement and send a copy of the agreement to the department. The written agreement must, at a minimum:
(a) Describe the internship program offered by the farm, including the skills and objectives the program is designed to teach and the manner in which those skills and objectives will be taught;
(b) Explicitly state that the intern is not entitled to unemployment benefits or minimum wages for work and activities conducted pursuant to the internship program for the duration of the internship;
(c) Describe the responsibilities, expectations, and obligations of the intern and the farm, including the anticipated number of hours of farm activities to be performed by and the anticipated number of hours of curriculum instruction provided to the intern per week;
(d) Describe the activities of the farm and the type of work to be performed by the farm intern; and

(1) The annual fees for original licenses issued for twelve consecutive months from the date of issuance under this chapter shall be:

(a) Vehicle dealers, principal place of business for each and every license classification: ($750) Seven hundred ($750) seventy-five dollars;

(b) Vehicle dealers, each subagency, and temporary subagency: One hundred dollars;

(c) Vehicle manufacturers: Five hundred dollars.

If any licensee fails or neglects to apply for such renewal within thirty days after the expiration of the license, or assigned renewal date under a staggered licensing system, the license shall be declared canceled by the director, in which case the licensee will be required to
The documentary service fee is a negotiable fee. The disclosure must be written in a typeface that is at least as large as the typeface used in the standard text of the document that contains the disclosure and that is bold faced, capitalized, underlined, or otherwise set out from the surrounding material so as to be conspicuous. The dealer shall not represent to the purchaser or lessee that the fee or charge is required by the state to be paid by either the dealer or prospective purchaser or lessee;

(iii) The documentary service fee is separately designated from the selling price or capitalized cost of the vehicle and from any other taxes, fees, or charges; and

(iv) Dealers disclose in any advertisement that a documentary service fee in an amount provisioned in (a)(i) and (B) of this subsection (2) up to one hundred fifty dollars may be added to the sale price or the capitalized cost((i) As of July 26, 2009, through June 30, 2014, an amount up to one hundred fifty dollars; and

(ii) As of July 1, 2014, an amount up to fifty dollars)).

For the purposes of this subsection (2), the term "documentary service fee" means the optional amount charged by a dealer to provide the services specified in (a) of this subsection.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold or leased to a person for a consideration and upon further consideration that the purchaser or lessee agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser or lessee being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of "bushing" which is defined as follows: Entering into a written contract, written purchase order or agreement, retail installment sales agreement, note and security agreement, or written lease agreement, hereinafter collectively referred to as contract or lease, signed by the prospective buyer or lessee of a vehicle, which:

(a) Is subject to any conditions or the dealer's or his or her authorized representative's future acceptance, and the dealer fails or refuses within four calendar days, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer or lessee to inform the buyer or lessee either: (i) That the dealer unconditionally accepts the contract or lease, having satisfied, removed, or waived all conditions to acceptance or performance, including, but not limited to, financing, assignment, or lease approval; or (ii) that the dealer rejects the contract or lease, thereby automatically voiding the contract or lease, as long as such voiding does not negate commercially reasonable contract or lease provisions pertaining to the return of the subject vehicle and any physical damage, excessive mileage after the demand for return of the vehicle, and attorneys' fees authorized by law, and tenders the refund of any initial payment or security made or given by the buyer or lessee, including, but not limited to, any down payment, and tenders return of the trade-in vehicle, key, other trade-in, or certificate of title to a trade-in. Tender may be conditioned on return of the subject vehicle if previously delivered to the buyer or lessee.

The provisions of this subsection (4)(a) do not impair, prejudice, or abrogate the rights of a dealer to assert a claim against the buyer or lessee for misrepresentation or breach of contract and to exercise all remedies available at law or in equity, including those under chapter 62A.9A RCW, if the dealer, bank, or other lender or leasing company discovers that approval of the contract or financing or approval of the lease was based upon material misrepresentations made by the buyer or lessee, including, but not limited to, misrepresentations regarding income, employment, or debt of the buyer or lessee, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation. A dealer shall not be in violation of this subsection (4)(a) if the buyer or lessee made a
material misrepresentation to the dealer, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation.

When a dealer informs a buyer or lessee under this subsection (4)(a) regarding the unconditional acceptance or rejection of the contract, lease, or financing by an electronic mail message, the dealer must also transmit the communication by any additional means;

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer or lessee as part of the purchase price or lease, for any reason except:

(i) Failure to disclose that the vehicle's certificate of title has been branded for any reason, including, but not limited to, status as a rebuilt vehicle as provided in RCW 46.12.540 and 46.12.560; or

(ii) Substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(iii) Excessive additional miles or a discrepancy in the mileage.

"Excessive additional miles" means the addition of five hundred miles or more, as reflected on the vehicle's odometer, between the time the vehicle was first valued by the dealer for purposes of determining its trade-in value and the time of actual delivery of the vehicle to the dealer. "A discrepancy in the mileage" means (A) a discrepancy between the mileage reflected on the vehicle's odometer and the stated mileage on the signed odometer statement; or (B) a discrepancy between the mileage stated on the signed odometer statement and the actual mileage on the vehicle; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A violation of this subsection is a class C felony punishable under chapter 9A.20 RCW.

(6) For any vehicle dealer or vehicle salesperson to refuse to furnish, upon request of a prospective purchaser or lessee, for vehicles previously registered to a business or governmental entity, the name and address of the business or governmental entity.

(7) To commit any other offense under RCW 46.37.423, 46.37.424, or 46.37.425.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle. However, a dealer may issue a second temporary permit on a vehicle if the following conditions are met:

(a) The lienholder fails to deliver the vehicle title to the dealer within the required time period;

(b) The dealer has satisfied the lien; and

(c) The dealer has proved that payment of the lien was made within two calendar days, exclusive of Saturday, Sunday, or a legal holiday, after the sales contract has been executed by all parties and all conditions and contingencies in the sales contract have been met or otherwise satisfied.

(9) For a dealer, salesperson, or mobile home manufacturer, having taken an instrument or cash "on deposit" from a purchaser or lessee prior to the delivery of the bargained-for vehicle, to conmingle the "on deposit" funds with assets of the dealer, salesperson, or mobile home manufacturer instead of holding the "on deposit" funds as trustee in a separate trust account until the purchaser or lessee has taken delivery of the bargained-for vehicle. Delivery of a manufactured home shall be deemed to occur in accordance with RCW 46.70.135(5). Failure, immediately upon receipt, to endorse "on deposit" instruments to such a trust account, or to set aside "on deposit" cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice: PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his or her customary total customer deposits for vehicles for future delivery. For purposes of this section, "on deposit" funds received from a purchaser of a manufactured home means those funds that a seller requires a purchaser to advance before ordering the manufactured home, but does not include any loan proceeds or moneys that might have been paid on an installment contract.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser or lessee, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales or lease agreement signed by the seller and buyer or lessee.

(11) For a vehicle dealer to pay to or receive from any person, firm, partnership, association, or corporation acting, either directly or through a subsidiary, as a buyer's agent for consumers, any compensation, fee, purchase moneys or funds that have been deposited into or withdrawn out of any account controlled or used by any buyer's agent, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle. In addition, it is unlawful for any buyer's agent to engage in any of the following acts on behalf of or in the name of the consumer:

(a) Receiving or paying any purchase moneys or funds into or out of any account controlled or used by any buyer's agent; and

(b) Signing any vehicle purchase orders, sales contracts, leases, odometer statements, or title documents, or having the name of the buyer's agent appear on the vehicle purchase order, sales contract, lease, or title; or

(c) Signing any other documentation relating to the purchase, sale, lease, or transfer of any new motor vehicle.

It is unlawful for a buyer's agent to use a power of attorney obtained from the consumer to accomplish or effect the purchase, sale, lease, or transfer of ownership documents of any new motor vehicle by any means which would otherwise be prohibited under (a) through (c) of this subsection. However, the buyer's agent may use a power of attorney for physical delivery of motor vehicle license plates to the consumer.

Further, it is unlawful for a buyer's agent to engage in any false, deceptive, or misleading advertising, disseminated in any manner whatsoever, including but not limited to making any claim or statement that the buyer's agent offers, obtains, or guarantees the lowest price on any motor vehicle or words to similar effect.

(12) For a buyer's agent to arrange for or to negotiate the purchase, or both, of a new motor vehicle through an out-of-state dealer without disclosing in writing to the customer that the new vehicle would not be subject to chapter 19.118 RCW. This subsection also applies to leased vehicles. In addition, it is unlawful for any buyer's agent to fail to have a written agreement with the customer that: (a) Sets forth the terms of the parties' agreement; (b) discloses to the customer the total amount of any fees or other compensation being paid by the customer to the buyer's agent for the agent's services; and (c) further discloses whether the fee or any portion of the fee is refundable.

(13) For a buyer's agent to arrange for or to negotiate the purchase, or both, of a new motor vehicle through an out-of-state dealer without disclosing in writing to the customer that the new vehicle would not be subject to chapter 19.118 RCW. This subsection also applies to leased vehicles. In addition, it is unlawful for any buyer's agent to fail to have a written agreement with the customer that: (a) Sets forth the terms of the parties' agreement; (b) discloses to the customer the total amount of any fees or other compensation being paid by the customer to the buyer's agent for the agent's services; and (c) further discloses whether the fee or any portion of the fee is refundable.

(14) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.93 RCW, to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any
other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his or her capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he or she is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) the cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith;

(c) Encourage, aid, abet, or teach a vehicle dealer to sell or lease vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale or lease of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser or lessee of any new or unused vehicle that has been sold or leased, distributed for sale or lease, or transferred into this state for resale or lease by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (14)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.96 RCW.

NEW SECTION. Sec. 9. A new section is added to chapter 46.68 RCW to read as follows:

(1) The public transportation grant program account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the grants provided under section 10 of this act.

(2) Beginning October 2012, and by the last day of December 2012, March 2013, and June 2013, the state treasurer shall transfer from the multimodal transportation account to the public transportation grant program account two million five hundred thousand dollars.

(3) Beginning September 2013, and by the last day of September, December, March, and June of each year, the state treasurer shall transfer from the multimodal transportation account to the public transportation grant program account three million seven hundred fifty thousand dollars.

NEW SECTION. Sec. 10. A new section is added to chapter 47.66 RCW to read as follows:

(1) The department shall establish a public transportation grant program. The purpose of the grant program is to aid transit authorities, and the grant amounts provided pursuant to this subsection must be used for operations. One hundred percent of the money appropriated for the public transportation grant program must be distributed statewide to transit authorities according to the distribution formula in (a) of this subsection.

(a) Of the grant amounts provided to transit authorities pursuant to this subsection:

(i) One-third must be distributed based on the number of vehicle miles of service provided;

(ii) One-third must be distributed based on the number of vehicle hours of service provided; and

(iii) One-third must be distributed based on the number of passenger trips.

(b) For the purposes of this subsection:

(i) "Transit authorities" has the same meaning as in RCW 9.91.025(2).

(ii) "Vehicle miles of service," "vehicle hours of service," and "passenger trips" are transit service metrics as reported by the public
transportation program of the department of transportation in the annual report required in RCW 35.58.2796 for the most recent calendar year.

(2) The department must report annually to the transportation committees of the legislature on the use of the grant amounts provided pursuant to this section.

NEW SECTION. Sec. 11. A new section is added to chapter 46.17 RCW to read as follows:

(1) Before accepting an application for an annual vehicle registration renewal for an electric vehicle that uses propulsion units powered solely by electricity, the department, county auditor or other agent, or subagent appointed by the director must require the applicant to pay a one hundred dollar fee in addition to any other fees and taxes required by law. The one hundred dollar fee is due only at the time of annual registration renewal.

(2) This section only applies to:

(a) A vehicle that is designed to have the capability to drive at a speed of more than thirty-five miles per hour; and

(b) An annual vehicle registration renewal that is due on or after February 1, 2013.

(3) (a) The fee under this section is imposed to provide funds to mitigate the impact of vehicles on state roads and highways, and is separate and distinct from other vehicle license fees. Proceeds from the fee must be used for highway purposes, and must be deposited in the motor vehicle fund created in RCW 46.68.070, subject to (b) of this subsection.

(b) If in any year the amount of proceeds from the fee collected under this section exceeds one million dollars, the excess amount over one million dollars must be deposited as follows:

(i) Seventy percent to the motor vehicle fund created in RCW 46.68.070;

(ii) Fifteen percent to the transportation improvement account created in RCW 47.26.084; and

(iii) Fifteen percent to the rural arterial trust account created in RCW 36.79.020.

NEW SECTION. Sec. 12. Section 11 of this act expires on the effective date of legislation enacted by the legislature that imposes a vehicle miles traveled fee or tax.

NEW SECTION. Sec. 13. The department of licensing must provide written notice of the expiration date of section 11 of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the department.

Sec. 14. RCW 46.10.420 and 2010 c 161 s 231 are each amended to read as follows:

(1) Each dealer of snowmobiles in this state shall obtain a snowmobile dealer license from the department in a manner prescribed by the department. Upon receipt of an application for a snowmobile dealer’s license and the fee provided in subsection (2) of this section, the dealer is licensed and a snowmobile dealer license number must be assigned.

(2) The annual license fee for a snowmobile dealer is twenty-five dollars, which covers all of the snowmobiles offered by a dealer for sale and not rented on a regular, commercial basis. Snowmobiles rented on a regular commercial basis by a snowmobile dealer must be registered separately under RCW 46.10.310, 46.10.400, 46.10.430, and 46.10.440.

(3) Upon the issuance of a snowmobile dealer license, a snowmobile dealer may purchase, at a cost to be determined by the department, snowmobile dealer license plates of a size and color to be determined by the department. The snowmobile dealer license plates must contain the snowmobile license number assigned to the dealer. Each snowmobile operated by a dealer, dealer representative, or prospective customer for the purposes of demonstration or testing shall display snowmobile dealer license plates in a clearly visible manner.

(4) Only a dealer, dealer representative, or prospective customer may display a snowmobile dealer plate, and only a dealer, dealer representative, or prospective customer may use a snowmobile dealer’s license plate for the purposes described in subsection (3) of this section.

(b) May issue a temporary license as provided by rules adopted by the department.

Sec. 15. RCW 46.12.675 and 2010 c 161 s 316 are each amended to read as follows:

(b) Receipt by the department, county auditor or other agent, or subagent appointed by the director of:

(i) The existing certificate of title, if any;

(ii) An application for a certificate of title containing the name and address of the secured party; and

(iii) Payment of the required fees.

(2) A security interest is perfected when it is created if the secured party's name and address appear on the most recently issued certificate of title or, if not, it is created when the department, county auditor or other agent, or subagent appointed by the director receives the certificate of title or an application for a certificate of title and the fees required in subsection (1) of this section.

(3) If a vehicle is subject to a security interest when brought into this state, perfection of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest was attached, subject to the following:

(a) The security interest continues perfected in this state if the name of the secured party is shown on the existing certificate of title issued by that jurisdiction. The name of the secured party must be shown on the certificate of title issued for the vehicle by this state.

(b) If the security interest was not perfected under the law of the jurisdiction where the vehicle was when the security interest was attached, it may be perfected in this state. Perfection begins when the department receives the information and fees required in subsection (1) of this section.

(4)(a) After a certificate of title has been issued, the registered owner or secured party must apply to the department, county auditor or other agent, or subagent appointed by the director for a new certificate of title when a security interest is granted on a vehicle. Within ten days after creating a security agreement, the registered owner or secured party must submit:

(i) An application for a certificate of title;

(ii) The certificate of title last issued for the vehicle, or other documentation required by the department; and

(iii) The fee required in RCW 46.17.100.

(b) If satisfied that a certificate of title should be reissued, the department shall change the vehicle record and issue a new certificate of title to the secured party.
(5) A secured party shall release the security interest when the conditions within the security agreement have been met and there is no further secured obligation. The secured party must either:
(a) Assign the certificate of title to the registered owner or the registered owner's designee and send the certificate of title to the department, county auditor or other agent, or subagent appointed by the director with the fee required in RCW 46.17.100; or
(b) Assign the certificate of title to the person acquiring the vehicle from the registered owner with the registered owner's release of interest.
(6) The department shall issue a new certificate of title to the registered owner when the department receives the release of interest and required fees as provided in subsection (5)(a) of this section.
(7) A secured party is liable for one hundred dollars payable to the registered owner or person acquiring the vehicle from the registered owner when:
(a) The secured party fails to either assign the certificate of title to the registered owner or to the person acquiring the vehicle from the registered owner or apply for a new certificate of title within ten days after proper demand; and
(b) The failure of the secured party to act as described in (a) of this subsection results in a loss to the registered owner when:
(i) Under reciprocal relations with another jurisdiction, the owner would be required to register the vehicle in this state, under reciprocal relations with another jurisdiction; and
(ii) Not registered when registration is required under this chapter;
(iii) The license tabs have expired; or
(iv) The current gross weight license is insufficient for the load being carried. The licensed gross weight may not exceed eighty thousand pounds for a combination of vehicles or forty thousand pounds for a single unit vehicle with three or more axles.
(b) Trip permits are required to move mobile homes or park model trailers and may only be issued if property taxes are paid in full.
(2) Trip permits may not be:
(a) Issued to vehicles registered under RCW 46.16A.455(5) in lieu of further registration within the same registration year; or
(b) Used for commercial motor vehicles owned by a motor carrier subject to RCW 46.32.080 if the motor carrier's department of transportation number has been placed out of service by the Washington state patrol. A violation of or a failure to comply with this subsection is a gross misdemeanor, subject to a minimum monetary penalty of two thousand five hundred dollars for each violation and five thousand dollars for each subsequent violation.
(3)(a) Each trip permit authorizes the operation of a single vehicle at the maximum legal weight limit for the vehicle for a period of three consecutive days beginning with the day of first use. No more than three trip permits may be used for any one vehicle in any thirty consecutive day period. No more than two trip permits may be used for any one recreational vehicle, as defined in RCW 43.22.335, in a one-year period. Every trip permit must:
(i) Identify the vehicle for which it is issued;
(ii) Be completed in its entirety;
(iii) Be signed by the operator before operation of the vehicle on the public highways of this state;
(iv) Not be altered or corrected. Altering or correcting data on the trip permit invalidates the trip permit; and
(v) Be displayed on the vehicle for which it is issued as required by the department.
(b) Vehicles operating under the authority of trip permits are subject to all laws, rules, and regulations affecting the operation of similar vehicles in this state.
(4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of each permit for four years.
(5) Trip permits may be obtained from field offices of the department of transportation, department of licensing, county auditors or other agents, and subagents appointed by the department for the fee provided in RCW 46.17.400(1)(h). Exchanges, credits, or refunds may not be given for trip permits after they have been purchased.
(6) Except as provided in subsection (2)(b) of this section, a violation of or a failure to comply with this section is a gross misdemeanor.
(7) The department may adopt rules necessary to administer this section.
Sec. 17. RCW 88.02.640 and 2011 c 326 s 5, 2011 c 171 s 134, and 2011 c 169 s 1 are each reenacted and amended to read as follows:

(2) The five dollar dealer temporary permit fee required in subsection (1) of this section must be credited to the payment of registration fees at the time application for registration is made.

(3)(a) The derelict vessel and invasive species removal fee required in subsection (1) of this section is five dollars and must be distributed as follows:

(i) One dollar and fifty cents must be deposited in the aquatic invasive species prevention account created in RCW 77.12.879;
(ii) One dollar must be deposited into the aquatic algae control account created in RCW 43.21A.667;

A pending case includes criminal cases that have not reached a disposition by plea, stipulation, trial, or amended charge. An open infraction or criminal case includes cases on probation, payment agreement or subject to, or in collections.

The operator must be a licensed driver and at least eighteen years old. For the purposes of this section, "tram" also means a vehicle, or combination of vehicles linked together with a single mode of propulsion, used to transport persons from one location to another; and

(1)(a) No person may operate a motor vehicle subject to registration under chapter 46.16A RCW in this state unless the person is insured under a motor vehicle liability policy with liability limits of at least the amounts provided in RCW 46.29.090, is self-insured as provided in RCW 46.29.630, is covered by a certificate of deposit in conformance with RCW 46.29.550, or is covered by a liability bond of at least the amounts provided in RCW 46.29.090. Written proof of financial responsibility for motor vehicle operation must be provided on the request of a law enforcement officer in the format specified under RCW 46.30.030.

(b) A person who drives a motor vehicle that is required to be registered in another state that requires drivers and owners of vehicles in that state to maintain insurance or financial responsibility unless, when requested by a law enforcement officer, provide evidence of financial responsibility or insurance as is required by the laws of the state in which the vehicle is registered.

(c) When asked to do so by a law enforcement officer, failure to display an insurance identification card as specified under RCW 46.30.030 creates a presumption that the person does not have motor vehicle insurance.

(d) Failure to provide proof of motor vehicle insurance is a traffic infraction and is subject to penalties as set by the supreme court under RCW 46.63.110 or community restitution.

(2) If a person cited for a violation of subsection (1) of this section appears in person before the court or a violations bureau and provides written evidence that at the time the person was cited, he or she was in compliance with the financial responsibility requirements of subsection (1) of this section, the citation shall be dismissed and the court or violations bureau may assess court administrative costs of twenty-five dollars at the time of dismissal. In lieu of personal appearance, a person cited for a violation of subsection (1) of this section may, before the date scheduled for the person's appearance before the court or violations bureau, submit by mail to the court or violations bureau written evidence that at the time the person was cited, he or she was in compliance with the financial responsibility requirements of subsection (1) of this section, in which case the citation shall be dismissed without cost, except that the court or violations bureau may assess court administrative costs of twenty-five dollars at the time of dismissal.

(3) The provisions of this chapter shall not govern:

ESSB 6078 Prime Sponsor, Committee on Energy, Natural Resources & Marine Waters: Implementing efficiencies in the management of the state's natural resources. Reported by Committee on Capital Budget

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that: The state's natural resources agencies have faced significant budget reductions, including administrative reductions, as a result of the great economic challenges faced by the state in recent years; these reductions have required the natural resources agencies to explore potential efficiencies, and resulted in the beginnings of increased collaboration among the agencies; and the state will benefit from continued progress achieving efficiencies in and increased collaboration among the natural resources agencies.
(2) Therefore, the legislature intends to establish an ongoing and collaborative process for the natural resources agencies to identify, analyze, and, where appropriate, implement opportunities to achieve efficiencies in or improve the effectiveness of natural resources agency operations and resource management.

NEW SECTION. Sec. 2. (1) The natural resources agencies shall, in consultation with the office of financial management, develop and effectuate an ongoing process to identify, analyze, and, where appropriate, implement opportunities to achieve efficiencies in or improve the effectiveness of agency operations and resource management.
(2) Process outcomes: In developing and effectuating this process, the agencies shall identify and document significant examples of interagency collaboration, office or facility colocation, and sharing or consolidation of administrative functions.
(3) Interagency collaboration:
(a) In developing and effectuating this process, the agencies shall identify and analyze opportunities to achieve efficiencies in or improve the effectiveness of agency operations and resource management through actions such as interagency collaboration, sharing or consolidation of administrative functions, and other relevant actions identified by the agencies.
(b) The agencies shall implement those actions that are consistent with the criteria in (a) of this subsection and reasonably practicable, as determined by the agencies.
(4) Office and facility colocation:
(a) In developing and effectuating this process, the agencies shall identify and analyze opportunities to achieve efficiencies in or improve the effectiveness of agency operations and resource management through the colocation of offices and facilities.
(b) In identifying opportunities for analysis, the agencies shall consider current and future opportunities for colocation resulting from circumstances such as an existing or anticipated office or facility vacancy, lease expiration, or the presence of multiple offices or facilities in a particular geographic area. The agencies may also consider opportunities for colocation with appropriate entities other than natural resources agencies.
(c) The agencies shall implement those colocation opportunities that are consistent with the criteria in (a) of this subsection and reasonably practicable, as determined by the agencies and consistent with RCW 43.82.010. The agencies shall seek to align the implementation of this subsection with the development and implementation of the six-year facility plan required under RCW 43.82.055 wherever possible in order to promote efficiencies. The
office of financial management may exercise the authority provided under section 3 of this act regarding colocation opportunities.

(5) In developing and effectuating this process, the agencies must provide a structure for and maintain regular communication. Each agency must participate in the development and effectuation of the process in a collaborative and, as appropriate, active manner.

(6) Consistent with RCW 43.01.036, the agencies must collectively submit a report to the appropriate standing committees of the senate and house of representatives by September 1st of each year. The report must include an update on the process required under this section, opportunities identified and analyzed under the process, outcomes resulting from the process, and any budget or legislative recommendations.

(7) For the purposes of this section, the terms "agency" and "natural resources agency" includes the department of agriculture, the department of ecology, the department of fish and wildlife, the department of natural resources, the recreation and conservation office, the Puget Sound partnership, the state conservation commission, and the state parks and recreation commission.

NEW SECTION. Sec. 3. (1) The office of financial management may identify colocation opportunities for analysis by the agencies under section 2(4) of this act.

(2) If the agencies determine that a colocation opportunity does not meet the criteria for implementation under section 2(4) of this act, the office of financial management shall review that determination. The director of the office of financial management may require the agencies to reconsider the initial determination if the director determines that the opportunity: Meets the criteria for implementation under section 2(4) of this act; would result in significant cost savings or efficiencies; and is in the best interest of the state. If the agencies and the director disagree following reconsideration, the decision shall be forwarded to the joint legislative audit and review committee for a final determination.

NEW SECTION. Sec. 4. The legislature finds that the process required under section 2 of this act consists of a series of activities that are an inherent part of efficient and effective natural resource agency management, and must be conducted within existing resources.

NEW SECTION. Sec. 5. Sections 2 and 3 of this act constitute a new chapter in Title 43 RCW."

(1) A member of plan 2 who was a member of the public employees' retirement system plan 2 or plan 3 while employed as an enforcement officer for the department of fish and wildlife has the option to make an election no later than December 31, 2009, filed in writing with the department of retirement systems, to transfer all service credit previously earned as an enforcement officer in the public employees' retirement system plan 2 or plan 3 to the law enforcement officers' and firefighters' retirement system plan 2. (b) A member who elects to transfer service credit from the public employees' retirement system plan 2 under this subsection shall pay, for the applicable period of service, the difference between the contributions the employee paid to the public employees' retirement system plan 2 and the contributions that would have been paid by the employee had the employee been a member of the law enforcement officers' and firefighters' retirement system plan 2, plus interest on this difference as determined by the director. E2SSB 6211 Prime Sponsor, Committee on Ways & Means: Accelerating cleanup of hazardous waste sites. Reported by Committee on Capital Budget
MAJORITY recommendation: Do pass as amended by Committee on Capital Budget and without amendment by Committee on Environment.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the cleanup and reuse of former commercial, industrial, and other sites contaminated with hazardous substances has economic, environmental, and public health benefits for the communities where these sites are located. Public investment in the cleanup of hazardous waste sites has multiple benefits, with some estimates indicating that for every state dollar invested toward cleanup, there is generated six dollars in local tax revenue, seven dollars in payroll revenue, and thirty-two dollars in business revenue. The legislature further finds that the cleanup of these "brownfield" properties should not be conducted in isolation from the community's plans for future economic, environmental, and social uses of the property, and that integrating the cleanup with future site uses may provide a greater opportunity to bring substantial private resources into the cleanup.

Therefore, it is the intent of this act to authorize a greater emphasis in the allocation of state resources toward the cleanup and reuse of brownfield properties, to provide more flexible funding and oversight authority for local governments guiding the cleanup of brownfield properties, and to modify the state's cleanup program in ways that will accelerate cleanups throughout the state, thus providing near-term job benefits in the cleanup, as well as ongoing economic and environmental benefits through reuse of the cleaned up properties.

Sec. 2. RCW 70.105D.010 and 2002 c 288 s 1 are each amended to read as follows:

(1) Each person has a fundamental and inalienable right to a healthful environment, and each person has a responsibility to preserve and enhance that right. The beneficial stewardship of the land, air, and waters of the state is a solemn obligation of the present generation for the benefit of future generations.

(2) A healthful environment is now threatened by the irresponsible use and disposal of hazardous substances. There are hundreds of hazardous waste sites in this state, and more will be created if current waste practices continue. Hazardous waste sites threaten the state's water resources, including those used for public drinking water. Many of our municipal landfills are current or potential hazardous waste sites and present serious threats to human health and environment. The costs of eliminating these threats in many cases are beyond the financial means of our local governments and ratepayers. The main purpose of chapter 2, Laws of 1989 is to raise sufficient funds to clean up all hazardous waste sites and to prevent the creation of future hazards due to improper disposal of toxic wastes into the state's land and waters.

(3) Many farmers and small business owners who have followed the law with respect to their uses of pesticides and other chemicals nonetheless may face devastating economic consequences because their uses have contaminated the environment or the water supplies of their neighbors. With a source of funds, the state may assist these farmers and business owners, as well as those persons who sustain damages, such as the loss of their drinking water supplies, as a result of the contamination.

(4) It is in the public's interest to efficiently use our finite land base, to integrate our land use planning policies with our clean-up policies, and to clean up and reuse contaminated industrial and other brownfield properties in order to minimize (industrial) development pressures on undeveloped land and to make clean land available for (future) economic, environmental, and social (uses) reuses.

(5) Because it is often difficult or impossible to allocate responsibility among persons liable for hazardous waste sites and because it is essential that sites be cleaned up well and expeditiously, each responsible person should be liable jointly and severally.

(6) Because releases of hazardous substances can adversely affect the health and welfare of the public, the environment, and property values, it is in the public interest that affected communities be notified of where releases of hazardous substances have occurred and what is being done to clean them up.

Sec. 3. RCW 70.105D.020 and 2007 c 104 s 18 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agreed order" means an order issued by the department under this chapter with which the potentially liable person or prospective purchaser receiving the order agrees to comply. An agreed order may be used to require or approve any cleanup or other remedial actions but it is not a settlement under RCW 70.105D.040(4) and shall not contain a covenant not to sue, or provide protection from claims for contribution, or provide eligibility for public funding of remedial actions under RCW 70.105D.070(2)(e)(i) and (xii).

(2) "Department" means the department of ecology.

(3) "Director" means the director of ecology or the director's designee.

(4) "Environmental covenant" has the same meaning as defined in RCW 64.70.020.

(5) "Facility" means (a) any building, structure, installation, equipment, pipe or pipeline (including any pipe into a sewer or publicly owned treatment works), well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, vessel, or aircraft, or (b) any site or area where a hazardous substance, other than a consumer product in consumer use, has been deposited, stored, disposed of, or placed, or otherwise come to be located.

(7)(a) "Fiduciary" means a person acting for the benefit of another party as a bona fide trustee; executor; administrator; custodian; guardian of estates or guardian ad litem; receiver; conservator; committee of estates of incapacitated persons; trustee in bankruptcy; trustee, under an indenture agreement, trust agreement, lease, or similar financing agreement, for debt securities, certificates of interest or certificates of participation in debt securities, or other forms of indebtedness as to which the trustee is not, in the capacity of trustee, the lender. Except as provided in subsection (17)(b)(iii) of this section, the liability of a fiduciary under this chapter shall not exceed the assets held in the fiduciary capacity.

(b) "Fiduciary" does not mean:

(i) A person acting as a fiduciary with respect to a trust or other fiduciary estate that was organized for the primary purpose of, or is engaged in, actively carrying on a trade or business for profit, unless the trust or other fiduciary estate was created as part of, or to facilitate, one or more estate plans or because of the incapacity of a natural person;

(ii) A person who acquires ownership or control of a facility with the objective purpose of avoiding liability of the person or any other person. It is prima facie evidence that the fiduciary acquired ownership or control of the facility to avoid liability if the facility is the only substantial asset in the fiduciary estate at the time the facility became subject to the fiduciary estate;

(iii) A person who acts in a capacity other than that of a fiduciary or in a beneficiary capacity and in that capacity directly or indirectly benefits from a trust or fiduciary relationship;

(iv) A person who is a beneficiary and fiduciary with respect to the same fiduciary estate, and who while acting as a fiduciary receives benefits that exceed customary or reasonable compensation, and incidental benefits permitted under applicable law;
(v) A person who is a fiduciary and receives benefits that substantially exceed customary or reasonable compensation, and incidental benefits permitted under applicable law; or

(vi) A person who acts in the capacity of trustee of state or federal lands or resources.

(8) "Fiduciary capacity" means the capacity of a person holding title to a facility, or otherwise having control of an interest in the facility pursuant to the exercise of the responsibilities of the person as a fiduciary.

(9) "Foreclosure and its equivalents" means purchase at a foreclosure sale, acquisition, or assignment of title in lieu of foreclosure, termination of a lease, or other repossession, acquisition of a right to title or possession, an agreement in satisfaction of the obligation, or any other comparable formal or informal manner, whether pursuant to law or under warranties, covenants, conditions, representations, or promises from the borrower, by which the holder acquires title to or possession of a facility securing a loan or other obligation.

(10) "Hazardous substance" means:

(a) Any dangerous or extremely hazardous waste as defined in RCW 70.105.010 ((5) and (6)) (1) and (7), or any dangerous or extremely dangerous waste designated by rule pursuant to chapter 70.105 RCW;

(b) Any hazardous substance as defined in RCW 70.105.010(14) (10) or any hazardous substance as defined by rule pursuant to chapter 70.105 RCW;

(c) Any substance that, on March 1, 1989, is a hazardous substance under section 101(14) of the federal cleanup law, 42 U.S.C. Sec. 9601(14);

(d) Petroleum or petroleum products; and

(e) Any substance or category of substances, including solid waste decomposition products, determined by the director by rule to present a threat to human health or the environment if released into the environment.

The term hazardous substance does not include any of the following when contained in an underground storage tank from which there is not a release: Crude oil or any fraction thereof, petroleum, if the tank is in compliance with all applicable federal, state, and local law.

(11) "Holder" means a person who holds indicia of ownership primarily to protect a security interest. A holder includes the initial holder such as the loan originator, any subsequent holder such as a successor-in-interest or subsequent purchaser of the security interest on the secondary market, a guarantor of an obligation, surety, or any other person who holds indicia of ownership primarily to protect a security interest, or a receiver, court-appointed trustee, or other person who acts on behalf or for the benefit of a holder. A holder can be a public or privately owned financial institution, receiver, conservator, loan guarantor, or other similar persons that loan money or guarantee repayment of a loan. Holders typically are banks or savings and loan institutions but may also include others such as insurance companies, pension funds, or private individuals that engage in loaning of money or credit.

(12) "Independent remedial actions" means remedial actions conducted without department oversight or approval, and not under an order, agreed order, or consent decree.

(13) "Indicia of ownership" means evidence of a security interest, evidence of an interest in a security interest, or evidence of an interest in a facility securing a loan or other obligation, including any legal or equitable title to a facility acquired incident to foreclosure and its equivalents. Evidence of such interests includes, mortgages, deeds of trust, sellers interest in a real estate contract, liens, surety bonds, and guarantees of obligations, title held pursuant to a lease financing transaction in which the lessor does not select initially the leased facility, or legal or equitable title obtained pursuant to foreclosure and their equivalents. Evidence of such interests also includes assignments, pledges, or other rights to or other forms of encumbrance against the facility that are held primarily to protect a security interest.

(14) "Industrial properties" means properties that are or have been characterized by, or are to be committed to, traditional industrial uses such as processing or manufacturing of materials, marine terminal and transportation areas and facilities, fabrication, assembly, treatment, or distribution of manufactured products, or storage of bulk materials, that are either:

(a) Zoned for industrial use by a city or county conducting land use planning under chapter 36.70A RCW; or

(b) For counties not planning under chapter 36.70A RCW and the cities within them, zoned for industrial use and adjacent to properties currently used or designated for industrial purposes.

(15) "Institutional controls" means measures undertaken to limit or prohibit activities that may interfere with the integrity of a remedial action or result in exposure to or migration of hazardous substances at a site. "Institutional controls" include environmental covenants.

(16) "Operating a facility primarily to protect a security interest" occurs when all of the following are met: (a) Operating the facility where the borrower has defaulted on the loan or otherwise breached the security agreement; (b) operating the facility to preserve the value of the facility as an ongoing business; (c) the operation is being done in anticipation of a sale, transfer, or assignment of the facility; and (d) the operation is being done primarily to protect a security interest. Operating a facility for longer than one year prior to foreclosure or its equivalents shall be presumed to be operating the facility for other than to protect a security interest.

(17) "Owner or operator" means:

(a) Any person with any ownership interest in the facility or who exercises any control over the facility; or

(b) In the case of an abandoned facility, any person who owned, or operated, or exercised control over the facility any time before its abandonment;

The term does not include:

(i) An agency of the state or unit of local government which acquired ownership or control through a drug forfeiture action under RCW 69.50.505, or involuntarily through bankruptcy, tax delinquency, abandonment, or other circumstances in which the government involuntarily acquires title. This exclusion does not apply to an agency of the state or unit of local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility;

(ii) A person who, without participating in the management of a facility, holds indicia of ownership primarily to protect the person's security interest in the facility. Holders after foreclosure and its equivalent and holders who engage in any of the activities identified in subsection (18)(c) through (g) of this section shall not lose this exemption provided the holder complies with all of the following:

(A) The holder properly maintains the environmental compliance measures already in place at the facility;

(B) The holder complies with the reporting requirements in the rules adopted under this chapter;

(C) The holder complies with any order issued to the holder by the department to abate an imminent or substantial endangerment;

(D) The holder allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;

(E) Any remedial actions conducted by the holder are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and

(F) The holder does not exacerbate an existing release. The exemption in this subsection (17)(b)(ii) does not apply to holders who
cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided, however, that a holder shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release;

(iii) A fiduciary in his, her, or its personal or individual capacity. This exemption does not preclude a claim against the assets of the estate or trust administered by the fiduciary or against a nonemployee agent or independent contractor retained by a fiduciary. This exemption also does not apply to the extent that a person is liable under this chapter independently of the person's ownership as a fiduciary or for actions taken in a fiduciary capacity which cause or contribute to a new release or exacerbate an existing release of hazardous substances. This exemption applies provided that, to the extent of the fiduciary's powers granted by law or by the applicable governing instrument granting fiduciary powers, the fiduciary complies with all of the following:

(A) The fiduciary properly maintains the environmental compliance measures already in place at the facility;

(B) The fiduciary complies with the reporting requirements in the rules adopted under this chapter;

(C) The fiduciary complies with any order issued to the fiduciary by the department to abate an imminent or substantial endangerment;

(D) The fiduciary allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;

(E) Any remedial actions conducted by the fiduciary are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and

(F) The fiduciary does not exacerbate an existing release.

The exemption in this subsection (17)(b)(iii) does not apply to fiduciaries who cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided however, that a fiduciary shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release. The exemption in this subsection (17)(b)(iii) does not apply where the fiduciary's powers to comply with this subsection (17)(b)(iii) are limited by a governing instrument created with the objective purpose of avoiding liability under this chapter or of avoiding compliance with this chapter; or

(iv) Any person who has any ownership interest in, operates, or exercises control over real property where a hazardous substance has come to be located solely as a result of migration of the hazardous substance to the real property through the groundwater from a source off the property, if:

(A) The person can demonstrate that the hazardous substance has not been used, placed, managed, or otherwise handled on the property in a manner likely to cause or contribute to a release of the hazardous substance that has migrated onto the property;

(B) The person has not caused or contributed to the release of the hazardous substance;

(C) The person does not engage in activities that damage or interfere with the operation of remedial actions installed on the person's property or engage in activities that result in exposure of humans or the environment to the contaminated groundwater that has migrated onto the property;

(D) If requested, the person allows the department, potentially liable persons who are subject to an order, agreed order, or consent decree, and the authorized employees, agents, or contractors of each, access to the property to conduct remedial actions required by the department. The person may attempt to negotiate an access agreement before allowing access; and

(E) Legal withdrawal of groundwater does not disqualify a person from the exemption in this subsection (17)(b)(iv).

(18) "Participation in management" means exercising decision-making control over the borrower's operation of the facility, environmental compliance, or assuming or manifesting responsibility for the overall management of the enterprise encompassing the day-to-day decision making of the enterprise.

The term does not include any of the following: (a) A holder with the mere capacity or ability to influence, or the unexercised right to control facility operations; (b) a holder who conducts or requires a borrower to conduct an environmental audit or an environmental site assessment at the facility for which indicia of ownership is held; (c) a holder who requires a borrower to come into compliance with any applicable laws or regulations at the facility for which indicia of ownership is held; (d) a holder who requires a borrower to conduct remedial actions including setting minimum requirements, but does not otherwise control or manage the borrower's remedial actions or the scope of the borrower's remedial actions except to prepare a facility for sale, transfer, or assignment; (e) a holder who engages in workout or policing activities primarily to protect the holder's security interest in the facility; (f) a holder who prepares a facility for sale, transfer, or assignment or requires a borrower to prepare a facility for sale, transfer, or assignment; (g) a holder who operates a facility primarily to protect a security interest, or requires a borrower to continue to operate, a facility primarily to protect a security interest; and (h) a prospective holder who, as a condition of becoming a holder, requires an owner or operator to conduct an environmental audit, conduct an environmental site assessment, come into compliance with any applicable laws or regulations, or conduct remedial actions prior to holding a security interest is not participating in the management of the facility.

(19) "Person" means an individual, firm, corporation, association, partnership, consortium, joint venture, commercial entity, state government agency, unit of local government, federal government agency, or Indian tribe.

(20) "Policing activities" means actions the holder takes to ensure that the borrower complies with the terms of the loan or security interest or actions the holder takes or requires the borrower to take to maintain the value of the security. Policing activities include:

Required the borrower to conduct remedial actions at the facility during the term of the security interest; requiring the borrower to comply or come into compliance with applicable federal, state, and local environmental and other laws, regulations, and permits during the term of the security interest; securing or exercising authority to monitor or inspect the facility including on-site inspections, or to monitor or inspect the borrower's business or financial condition during the term of the security interest; or taking other actions necessary to adequately police the loan or security interest such as requiring a borrower to comply with any warranties, covenants, conditions, representations, or promises from the borrower.

(21) "Potentially liable person" means any person whom the department finds, based on credible evidence, to be liable under RCW 70.105D.040. The department shall give notice to any such person and allow an opportunity for comment before making the finding, unless an emergency requires otherwise.

(22) "Prepare a facility for sale, transfer, or assignment" means to secure access to the facility; perform routine maintenance on the facility; remove inventory, equipment, or structures; properly maintain environmental compliance measures already in place at the facility; conduct remedial actions to clean up releases at the facility; or to perform other similar activities intended to preserve the value of the facility where the borrower has defaulted on the loan or otherwise.
breached the security interest or after foreclosure and its equivalents and in anticipation of a pending sale, transfer, or assignment, primarily to protect the holder's security interest in the facility. A holder may prepare a facility for sale, transfer, or assignment for up to one year prior to foreclosure and its equivalents and still stay within the security interest exemption in subsection (17)(b)(ii) of this section.

(23) "Primarily to protect a security interest" means the indicia of ownership are held primarily for the purpose of securing payment or performance of an obligation. The term does not include indicia of ownership held primarily for investment purposes nor indicia of ownership held primarily for purposes other than as protection for a security interest. A holder may have other, secondary reasons, for maintaining indicia of ownership, but the primary reason must be for protection of a security interest. Holding indicia of ownership after foreclosure or its equivalents for longer than five years shall be considered to be holding the indicia of ownership for purposes other than primarily to protect a security interest. For facilities that have been acquired through foreclosure or its equivalents prior to July 23, 1995, this five-year period shall begin as of July 23, 1995.

(24) "Public notice" means, at a minimum, adequate notice mailed to all persons who have made timely request of the department and to persons residing in the potentially affected vicinity of the proposed action; mailed to appropriate news media; published in the newspaper of largest circulation in the city or county of the proposed action; and opportunity for interested persons to comment.

(25) "Release" means any intentional or unintentional entry of any hazardous substance into the environment, including but not limited to the abandonment or disposal of containers of hazardous substances.

(26) "Remedy" or "remedial action" means any action or expenditure consistent with the purposes of this chapter to identify, eliminate, or minimize any threat or potential threat posed by hazardous substances to human health or the environment including any investigative and monitoring activities with respect to any release or threatened release of a hazardous substance and any health assessments or health effects studies conducted in order to determine the risk or potential risk to human health.

(27) "Security interest" means an interest in a facility created or established for the purpose of securing a loan or other obligation. Security interests include deeds of trust, sellers interest in a real estate contract, liens, legal, or equitable title to a facility acquired incident to foreclosure and its equivalents, and title pursuant to lease financing transactions. Security interests may also arise from transactions such as sale and leasebacks, conditional sales, installment sales, trust receipt transactions, certain assignments, factoring agreements, accounts receivable financing arrangements, easements, and consignments, if the transaction creates or establishes an interest in a facility for the purpose of securing a loan or other obligation.

(28) "Workout activities" means those actions by which a holder, at any time prior to foreclosure and its equivalents, seeks to prevent, cure, or mitigate a default by the borrower or obligor; or to preserve, or prevent the diminution of, the value of the security. Workout activities include: Restructuring or renegotiating the terms of the security interest; requiring payment of additional rent or interest; exercising forbearance; requiring or exercising rights pursuant to an assignment of accounts or other amounts owed to an obligor; requiring or exercising rights pursuant to an escrow agreement pertaining to amounts owed to an obligor; providing specific or general financial or other advice, suggestions, counseling, or guidance; and exercising any right or remedy the holder is entitled to by law or under any warranties, covenants, conditions, representations, or promises from the borrower.

(29) "Areawide groundwater contamination" means groundwater contamination on multiple adjacent properties with different ownerships consisting of hazardous substances from multiple sources that have resulted in commingled plumes of contaminated groundwater that are not practicable to address separately.

(30) "Brownfield property" means previously developed and currently abandoned or underutilized real property and adjacent surface waters and sediment where environmental, economic, or community reuse objectives are hindered by the release of threatened release of hazardous substances that the department has determined requires remedial action under this chapter or that the United States environmental protection agency has determined requires remedial action under the comprehensive environmental response, compensation, and liability act.

(31) "City" means a city or town.

(32) "Local government" means any political subdivision of the state, including a town, city, county, special purpose district, or other municipal corporation, including brownfield renewal authority created under section 6 of this act.

(33) "Prospective purchaser" means a person who is not currently liable for remedial action at a facility and who proposes to purchase, redevelop, or reuse the facility.

(34) "Redevelopment opportunity zone" means a geographic area designated under section 5 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 70.105D RCW to read as follows:

(1) The brownfield redevelopment trust fund account is created in the state treasury. All receipts from the sources identified in subsection (2) of this section may be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only as identified in subsection (4) of this section.

(2) The following receipts must be deposited into the brownfield redevelopment trust fund account:

(a) Moneys appropriated by the legislature to the account for a specific redevelopment opportunity zone established under section 5 of this act or a specific brownfield renewal authority established under section 6 of this act;

(b) Moneys voluntarily deposited in the account for a specific redevelopment opportunity zone or a specific brownfield renewal authority; and

(c) Receipts from settlements or court orders that direct payment to the account for a specific redevelopment opportunity zone to resolve a person's liability or potential liability under this chapter.

(3) If a settlement or court order does not direct payment of receipts described in subsection (2)(c) of this section into the brownfield redevelopment trust fund account, then the receipts from any payment to the state must be deposited into the state toxics control account established under RCW 70.105D.070.

(4) Expenditures from the brownfield redevelopment trust fund account may only be used for the purposes of remediation and cleanup at the specific redevelopment opportunity zone or specific brownfield renewal authority for which the moneys were deposited in the account.

(5) The department shall track moneys received, interest earned, and moneys expended separately for each facility.

(6) The account must retain its interest earnings in accordance with RCW 43.84.092.

(7) The local government designating the redevelopment opportunity zone under section 5 of this act or the associated brownfield renewal authority created under section 6 of this act must be the beneficiary of the deposited moneys.

(8) All expenditures must be used to conduct remediation and cleanup consistent with a plan for the remediation and cleanup of the properties or facilities approved by the department under this chapter. All expenditures must meet the eligibility requirements for the use by local governments under the rules for remedial action grants adopted by the department under this chapter, including requirements for the expenditure of nonstate match funding.
(9) Beginning October 31, 2012, the department must provide a biennial report to the office of financial management and the legislature regarding the activity for each specific redevelopment opportunity zone or specific brownfield renewal authority for which specific legislative appropriation was provided in the previous two fiscal years.

(10) After the department determines that all remedial actions within the redevelopment opportunity zone identified in the plan approved under subsection (8) of this section are completed, including payment of all cost reasonably attributable to the remedial actions and cleanup, any remaining moneys must be transferred to the state toxics control account established under RCW 70.105D.070.

(11) If the department determines that substantial progress has not been made on the plan approved under subsection (8) of this section for a redevelopment opportunity zone or specific brownfield renewal authority for which moneys were deposited in the account within six years, or that the brownfield renewal authority is no longer a viable entity, then all remaining moneys must be transferred to the state toxics control account established under RCW 70.105D.070.

(12) The department is authorized to adopt rules to implement this section.

NEW SECTION. Sec. 5. A new section is added to chapter 70.105D RCW to read as follows:

(1) A city or county may designate a geographic area within its jurisdiction as a redevelopment opportunity zone if the zone meets the criteria in this subsection and the city or county adopts a resolution that includes the following determinations and commitments:

(a) At least fifty percent of the upland properties in the zone are brownfield properties whether or not the properties are contiguous;

(b) The upland portions of the zone are comprised entirely of parcels of property either owned by the city or county or whose owner has provided consent in writing to have their property included within the zone;

(c) The cleanup of those properties will be integrated with planning for the future uses of the properties and is consistent with the comprehensive land use plan for the zone; and

(d) The proposed properties lie within the incorporated area of a city or within an urban growth area designated under RCW 36.70A.110.

(2) A port district may designate a redevelopment opportunity zone when:

(a) The port district adopts a resolution that includes the determinations and commitments required under subsection (1)(a), (c), and (d) of this section;

(b) The zone meets the criteria in subsection (1)(a), (c), and (d) of this section; and

(c) The port district either:

(i) Owns in fee all of the upland properties within the zone; or

(ii) Owns in fee at least fifty percent of the upland property in the zone, the owners of other parcels of property in the zone have provided consent in writing to have their property included in the zone, and the governing body of the city and county in which the zone lies approves of the designation by resolution.

NEW SECTION. Sec. 6. A new section is added to chapter 70.105D RCW to read as follows:

(1) A city, county, or port district may establish by resolution a brownfield renewal authority for the purpose of guiding and implementing the cleanup and reuse of properties within a designated redevelopment opportunity zone. Any combination of cities, counties, and port districts may establish a brownfield renewal authority through an interlocal agreement under chapter 39.34 RCW, and the brownfield renewal authority may exercise those powers as are authorized under chapter 39.34 RCW and under this chapter.

(2) A brownfield renewal authority must be governed by a board of directors selected as determined by the resolution or interlocal agreement establishing the authority.

(3) A brownfield renewal authority must be a separate legal entity and be deemed a municipal corporation. It has the power to: Sue and be sued; receive, account for, and disburse funds; employ personnel; and acquire or dispose of any interest in real or personal property within a redevelopment opportunity zone in the furtherance of the authority purposes. A brownfield renewal authority has the power to contract indebtedness and to issue and sell general obligation bonds pursuant to and in the manner provided for general county bonds in chapters 36.67 and 39.46 RCW and other applicable statutes, and to issue revenue bonds pursuant to and in the manner provided for revenue bonds in chapter 36.67 RCW and other applicable statutes.

(4) If the department determines that substantial progress has not been made on the plan approved under section 4 of this act by the brownfield renewal authority within six years of a city, county, or port district establishing a brownfield renewal authority, the department may require dissolution of the brownfield renewal authority. Upon dissolution of the brownfield renewal authority, except as provided in section 5 of this act, all assets and liabilities transfer to the city, town, or port district establishing the brownfield renewal authority.

Sec. 7. RCW 70.105D.030 and 2009 c 560 s 10 are each amended to read as follows:

(1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department's authorized employees, agents, or contractors may enter upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;

(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or willful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes of RCW 70.105D.020 and classify substances and products as hazardous substances for purposes of RCW 82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, environmental covenants where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing an environmental covenant under this subsection, the department shall consult with and seek comment from a city or county department with land use planning authority for real property subject to the environmental covenant;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be
protective of human health and the environment and the notification requirements established in RCW 70.105D.110, and impose penalties for violations of that section consistent with RCW 70.105D.050;  
(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(17)(b)(ii)(C);  
(i) Provide informal advice and assistance to persons regarding the administrative and technical requirements of this chapter. This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. Nothing in this chapter may be construed to preclude the department from issuing a written opinion on whether further remedial action is necessary at any portion of the real property located within a facility, even if further remedial action is still necessary elsewhere at the same facility. Such a written opinion on a portion of a facility must also provide an opinion on the status of the facility as a whole. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance. The department must track the number of requests for reviews of planned or completed independent remedial actions and establish performance measures to track how quickly the department is able to respond to those requests. By November 1, 2012, the department must submit to the governor and the appropriate legislative fiscal and policy committees a report on achieving the performance measures and provide recommendations for improving performance, including staffing needs; (j) In fulfilling the objectives of this chapter, the department shall allocate staffing and financial assistance in a manner that considers both the reduction of human and environmental risks and the land reuse potential and planning for the facilities to be cleaned up. This does not preclude the department from allocating resources to a facility based solely on human or environmental risks; and  
(k) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.  
(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:  
(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;  
(b) Establish a hazard ranking system for hazardous waste sites;  
(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;  
(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remedying releases or threatened releases at the site;  
(e) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and  
(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.  
(3) To achieve and protect the state's long-term ecological health, the department shall prioritize sufficient funding to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes, and create financing tools to clean up large-scale hazardous waste sites requiring multyear commitments. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.  
(4) Before December 20th of each even-numbered year, the department shall:  
(a) Develop a comprehensive ten-year financing report in coordination with all local governments with clean-up responsibilities that identifies the projected biennial hazardous waste site remedial action needs that are eligible for funding from the local toxics control account;  
(b) Work with local governments to develop working capital reserves to be incorporated in the ten-year financing report;  
(c) Identify the projected remedial action needs for orphaned, abandoned, and other clean-up sites that are eligible for funding from the state toxics control account;  
(d) Project the remedial action need, cost, revenue, and any recommended working capital reserve estimate to the next biennium's long-term remedial action needs from both the local toxics control account and the state toxics control account, and submit this information to the appropriate standing fiscal and environmental committees of the senate and house of representatives. This submittal must also include a ranked list of such remedial action projects for both accounts; and  
(e) Provide the legislature and the public each year with an accounting of the department's activities supported by appropriations from the state and local toxics control accounts, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its waste management priorities under RCW 70.105.150, and all funds expended under this chapter.  
(5) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.  
(6) For all facilities where an environmental covenant has been required under subsection (1)(f) of this section, including all facilities where the department has required an environmental covenant under an order, agreed order, or consent decree, or as a condition of a written opinion issued under the authority of subsection (1)(i) of this
section, the department shall periodically review the environmental covenant for effectiveness. Except as otherwise provided in (c) of this subsection, the department shall conduct a review at least once every five years after an environmental covenant is recorded.

(a) The review shall consist of, at a minimum:

(i) A review of the title of the real property subject to the environmental covenant to determine whether the environmental covenant was properly recorded and, if applicable, amended or terminated;

(ii) A physical inspection of the real property subject to the environmental covenant to determine compliance with the environmental covenant, including whether any development or redevelopment of the real property has violated the terms of the environmental covenant; and

(iii) A review of the effectiveness of the environmental covenant in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances. This shall include a review of available monitoring data.

(b) If an environmental covenant has been amended or terminated without proper authority, or if the terms of an environmental covenant have been violated, or if the environmental covenant is no longer effective in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances, then the department shall take any and all appropriate actions necessary to ensure compliance with the environmental covenant and the policies and requirements of this chapter.

(c) For facilities where an environmental covenant required by the department under subsection (1)(f) of this section was required before July 1, 2007, the department shall:

(i) Enter all required information about the environmental covenant into the registry established under RCW 64.70.120 by June 30, 2008;

(ii) For those facilities where more than five years has elapsed since the environmental covenant was required and the department has yet to conduct a review, conduct an initial review according to the following schedule:

(A) By December 30, 2008, fifty facilities;
(B) By June 30, 2009, fifty additional facilities; and
(C) By June 30, 2010, the remainder of the facilities;

(iii) Once this initial review has been completed, conduct subsequent reviews at least once every five years.

Sec. 8. RCW 70.105D.040 and 1997 c 406 s 4 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, the following persons are liable with respect to a facility:

(a) The owner or operator of the facility;

(b) Any person who owned or operated the facility at the time of disposal or release of the hazardous substances;

(c) Any person who owned or possessed a hazardous substance and who by contract, agreement, or otherwise arranged for disposal or treatment of the hazardous substance at the facility, or arranged with a transporter for transport for disposal or treatment of the hazardous substances at the facility, or otherwise generated hazardous wastes disposed of or treated at the facility;

(d) Any person (i) who accepts or accepted any hazardous substance for transport to a disposal, treatment, or other facility selected by such person from which there is a release or a threatened release for which remedial action is required, unless such facility, at the time of disposal or treatment, could legally receive such substance; or (ii) who accepts a hazardous substance for transport to such a facility and has reasonable grounds to believe that such facility is not operated in accordance with chapter 70.105 RCW; and

(e) Any person who both sells a hazardous substance and is responsible for written instructions for its use if (i) the substance is used according to the instructions and (ii) the use constitutes a release for which remedial action is required at the facility.

(2) Each person who is liable under this section is strictly liable, jointly and severally, for all remedial action costs and for all natural resource damages resulting from the releases or threatened releases of hazardous substances. The attorney general, at the request of the department, is empowered to recover all costs and damages from persons liable therefor.

(3) The following persons are not liable under this section:

(a) Any person who can establish that the release or threatened release of a hazardous substance for which the person would be otherwise responsible was caused solely by:

(i) An act of God;

(ii) An act of war; or

(iii) An act or omission of a third party (including but not limited to a trespasser) other than (A) an employee or agent of the person asserting the defense, or (B) any person whose act or omission occurs in connection with a contractual relationship existing, directly or indirectly, with the person asserting this defense to liability. This defense only applies where the person asserting the defense has exercised the utmost care with respect to the hazardous substance, the foreseeable acts or omissions of the third party, and the foreseeable consequences of those acts or omissions;

(b) Any person who is an owner, past owner, or purchaser of a facility and who can establish by a preponderance of the evidence that at the time the facility was acquired by the person, the person had no knowledge or reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for the remedial action, was released or disposed of on, in, or at the facility. This subsection (3)(b) is limited as follows:

(i) To establish that a person had no reason to know, the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property, consistent with good commercial or customary practice in an effort to minimize liability. Any court interpreting this subsection (3)(b) shall take into account any specialized knowledge or experience on the part of the person, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection;

(ii) The defense contained in this subsection (3)(b) is not available to any person who had actual knowledge of the release or threatened release of a hazardous substance when the person owned the real property and who subsequently transferred ownership of the property without first disclosing such knowledge to the transferee;

(iii) The defense contained in this subsection (3)(b) is not available to any person who, by any act or omission, caused or contributed to the release or threatened release of a hazardous substance at the facility;

(c) Any natural person who uses a hazardous substance lawfully and without negligence for any personal or domestic purpose in or near a dwelling or accessory structure when that person is: (i) A resident of the dwelling; (ii) a person who, without compensation, assists the resident in the use of the substance; or (iii) a person who is employed by the resident, but who is not an independent contractor;

(d) Any person who, for the purpose of growing food crops, applies pesticides or fertilizers without negligence and in accordance with all applicable laws and regulations.

(4) There may be no settlement by the state with any person potentially liable under this chapter except in accordance with this section.

(a) The attorney general may agree to a settlement with any potentially liable person only if the department finds, after public notice and any required hearing, that the proposed settlement would lead to a more expeditious cleanup of hazardous substances in
compliance with clean-up standards under RCW 70.105D.030(2)(e) and with any remedial orders issued by the department. Whenever practicable and in the public interest, the attorney general may expedite such a settlement with persons whose contribution is insignificant in amount and toxicity. A hearing shall be required only if at least ten persons request one or if the department determines a hearing is necessary.

(b) A settlement agreement under this section shall be entered as a consent decree issued by a court of competent jurisdiction.

(c) A settlement agreement may contain a covenant not to sue only of a scope commensurate with the settlement agreement in favor of any person with whom the attorney general has settled under this section. Any covenant not to sue shall contain a reopener clause which requires the court to amend the covenant not to sue if factors not known at the time of entry of the settlement agreement are discovered and present a previously unknown threat to human health or the environment.

(d) A party who has resolved its liability to the state under this section shall not be liable for claims for contribution regarding matters addressed in the settlement. The settlement does not discharge any of the other liable parties but it reduces the total potential liability of the others to the state by the amount of the settlement.

(e) If the state has entered into a consent decree with an owner or operator under this section, the state shall not enforce this chapter against any owner or operator who is a successor in interest to the settling party unless under the terms of the consent decree the state could enforce against the settling party, if:

(i) The successor owner or operator is liable with respect to the facility solely due to that person’s ownership interest or operator status acquired as a successor in interest to the owner or operator with whom the state has entered into a consent decree; and

(ii) The stay of enforcement under this subsection does not apply if the consent decree was based on circumstances unique to the settling party that do not exist with regard to the successor in interest, such as financial hardship. For consent decrees entered into before July 27, 1997, at the request of a settling party or a potential successor owner or operator, the attorney general shall issue a written opinion on whether a consent decree contains such unique circumstances. For all other consent decrees, such unique circumstances shall be specified in the consent decree.

(f) Any person who is not subject to enforcement by the state under (e) of this subsection is not liable for claims for contribution regarding matters addressed in the settlement.

(5)(a) In addition to the settlement authority provided under subsection (4) of this section, the attorney general may agree to a settlement with a (person not currently liable for remedial action at a facility who proposes to purchase, redevelop, or reuse the facility) prospective purchaser, provided that:

(i) The settlement will yield substantial new resources to facilitate cleanup;

(ii) The settlement will expedite remedial action at the facility consistent with the rules adopted under this chapter; and

(iii) Based on available information, the department determines that the redevelopment or reuse of the facility is not likely to contribute to the existing release or threatened release, interfere with remedial actions that may be needed at the facility, or increase health risks to persons at or in the vicinity of the facility.

(b) The legislature recognizes that the state does not have adequate resources to participate in all property transactions involving contaminated property. The primary purpose of this subsection (5) is to promote the cleanup and reuse of a vacant or abandoned brownfield property. The attorney general and the department may give priority to settlements that will provide a substantial public benefit (including, but not limited to the reuse of a vacant or abandoned manufacturing or

industrial facility, or the development of a facility by a governmental entity to address an important public purpose) in addition to cleanup such as:

(i) Public access to an area not otherwise accessible to the public;

(ii) New or improved public recreational activities;

(iii) Enhancement of a natural resource habitat that would not otherwise occur; or

(iv) Preservation of a historic property listed pursuant to chapter 84.26 RCW.

(c) A settlement entered under this subsection is governed by subsection (4) of this section.

(6) As an alternative to a settlement under subsection (5) of this section, the department may enter into an agreed order with a prospective purchaser of a property within a designated redevelopment opportunity zone. The agreed order is subject to the limitations in RCW 70.105D.020(1), but stays enforcement by the department under this chapter regarding remedial actions required by the agreed order as long as the prospective purchaser complies with the requirements of the agreed order.

(2) Nothing in this chapter affects or modifies in any way any person’s right to seek or obtain relief under other statutes or under common law, including but not limited to damages for injury or loss resulting from a release or threatened release of a hazardous substance. No settlement by the department or remedial action ordered by a court or the department affects any person’s right to obtain a remedy under common law or other statutes.

Sec. 9. RCW 70.105D.050 and 2005 c 211 s 2 are each amended to read as follows:

(1) With respect to any release, or threatened release, for which the department does not conduct or contract for conducting remedial action and for which the department believes remedial action is in the public interest, the director shall issue orders or agreed orders requiring potentially liable persons to provide the remedial action. Any liable person, or prospective purchaser who has entered into an agreed order under RCW 70.105D.040(6), who refuses, without sufficient cause, to comply with an order or agreed order of the director is liable in an action brought by the attorney general for:

(a) Up to three times the amount of any costs incurred by the state as a result of the party’s refusal to comply; and

(b) A civil penalty of up to twenty-five thousand dollars for each day the party refuses to comply.

The treble damages and civil penalty under this subsection apply to all recovery actions filed on or after March 1, 1989.

(2) Any person who incurs costs complying with an order issued under subsection (1) of this section may petition the department for reimbursement of those costs. If the department refuses to grant reimbursement, the person may within thirty days thereafter file suit and recover costs by proving that he or she was not a liable person under RCW 70.105D.040 and that the costs incurred were reasonable.

(3) The attorney general shall seek, by filing an action if necessary, to recover the amounts spent by the department for investigative and remedial actions and orders, and agreed orders, including amounts spent prior to March 1, 1989.

(4) The attorney general may bring an action to secure such relief as is necessary to protect human health and the environment under this chapter.

(5)(a) Any person may commence a civil action to compel the department to perform any nondiscretionary duty under this chapter. At least thirty days before commencing the action, the person must give notice of intent to sue, unless a substantial endangerment exists. The court may award attorneys’ fees and other costs to the prevailing party in the action.

(b) Civil actions under this section and RCW 70.105D.060 may be brought in the superior court of Thurston county or the county in which the release or threatened release exists.
(6) Any person who fails to provide notification of releases consistent with RCW 70.105D.110 or who submits false information is liable in an action brought by the attorney general for a civil penalty of up to five thousand dollars per day for each day the party refuses to comply.

(7) Any person who owns real property or lender holding a mortgage on real property that is subject to a lien filed under RCW 70.105D.055 may petition the department to have the lien removed or the amount of the lien reduced. If, after consideration of the petition and the information supporting the petition, the department decides to deny the request, the person may, within ninety days after receipt of the department's denial, file suit for removal or reduction of the lien. The person is entitled to removal of a lien filed under RCW 70.105D.055(2)(a) if they can prove by a preponderance of the evidence that the person is not a liable party under RCW 70.105D.040. The person is entitled to a reduction of the amount of the lien if they can prove by a preponderance of the evidence:

(a) For liens filed under RCW 70.105D.055(2)(a), the amount of the lien exceeds the remedial action costs the department incurred related to cleanup of the real property; and

(b) For liens filed under RCW 70.105D.055(2)(c), the amount of the lien exceeds the remedial action costs the department incurred related to cleanup of the real property or exceeds the increase of the fair market value of the real property solely attributable to the remedial action conducted by the department.

Sec. 10. RCW 70.105D.070 and 2011 1st sp.s. c 50 s 964 are each reenacted and amended to read as follows:

(1) The state toxics control account and the local toxics control account are hereby created in the state treasury.

(2)(a) The following moneys shall be deposited into the state toxics control account:

(i) Those revenues which are raised by the tax imposed under RCW 82.21.030 and which are attributable to that portion of the rate equal to thirty-three one-hundredths of one percent;

(ii) The costs of remedial actions recovered under this chapter or chapter 70.105A RCW;

(x) A public participation program, including regional citizen advisory committees;

(xi) Public funding to assist potentially liable persons to pay for the costs of remedial action in compliance with clean-up standards under RCW 70.105D.030(2)(e) but only when:

(A) The amount and terms of such funding are established under a settlement agreement under RCW 70.105D.040(4); and

(B) The director has found that the funding will achieve both ((i)(A)) (I) a substantially more expeditious or enhanced cleanup than would otherwise occur((c)); and ((i)(B)) (II) the prevention or mitigation of unfair economic hardship;

(xii) Public funding to assist prospective purchasers to pay for the costs of remedial action in compliance with clean-up standards under RCW 70.105D.030(2)(e) if:

(A) The facility is located within a redevelopment opportunity zone designated under section 5 of this act;

(B) The amount and terms of the funding are established under a settlement agreement under RCW 70.105D.040(5); and

(C) The director has found the funding meets any additional criteria established in rule by the department, will achieve a substantially more expeditious or enhanced cleanup than would otherwise occur, and will provide a public benefit in addition to cleanup commensurate with the scope of the public funding such as:

(I) Public access to an area not otherwise accessible to the public;

(II) New or improved public recreational activities;

(III) Enhancement of a natural resource habitat that would not otherwise occur; or

(IV) Preservation of a historic property listed pursuant to chapter 84.26 RCW;

(xiii) Development and demonstration of alternative management technologies designed to carry out the hazardous waste management priorities of RCW 70.105.150;

(xiv) The 2009-2011 fiscal biennium, shoreline update technical assistance;

(b) Moneys deposited in the local toxics control account shall be used by the department for grants or loans to local governments for the following purposes in descending order of priority:

(i) Remedial actions, including planning for adaptive reuse of properties as provided for under (c)(iii) of this subsection (3);

(ii) Hazardous waste plans and programs under chapter 70.105 RCW;

(iii) Solid waste plans and programs under chapters 70.95, 70.95C, 70.95I, and 70.105 RCW;

(iv) Funds for a program to assist in the assessment and cleanup of sites of methamphetamine production, but not to be used for the initial containment of such sites, consistent with the responsibilities and intent of RCW 69.50.511; and

(v) Cleanup and disposal of hazardous substances from abandoned or derelict vessels, defined for the purposes of this section as vessels that have little or no value and either have no identified owner or have an identified owner lacking financial resources to clean up and dispose of the vessel, that pose a threat to human health or the environment.

(b) Funds for plans and programs shall be allocated consistent with the priorities and matching requirements established in chapters 70.105, 70.95C, 70.95I, and 70.95 RCW, except that any applicant that is a Puget Sound partner, as defined in RCW 90.71.010, along with any project that is referenced in the action agenda developed by the Puget Sound partnership under RCW 90.71.310, shall, except as conditioned by RCW 70.105D.120, receive priority for any available funding for any grant or funding programs or sources that use a competitive bidding process. During the 2007-2009 fiscal biennium, moneys in the account may also be used for grants to local
governments to retrofit public sector diesel equipment and for storm water planning and implementation activities.

(c) To expedite cleanups throughout the state, the department shall partner with local communities and liable persons conducting remedial actions, and may use the following additional strategies in order to facilitate economic development and ensure a healthy environment for future generations:

(i) Enter into a grant or loan agreement with a local government conducting a remedial action that provides for periodic reimbursement of remedial action costs as they are incurred as established in the agreement;

(ii) Enter into a grant or loan agreement with a local government prior to it acquiring a property or obtaining necessary access to conduct remedial actions, provided the agreement is conditioned upon the local government acquiring the property or obtaining the access in accordance with a schedule specified in the agreement;

(iii) Provide integrated planning grants or loans to local governments to fund studies necessary to facilitate remedial actions at brownfield properties and adaptive reuse of properties following remediation. Eligible activities include: Environmental site assessments; remedial investigations; health assessments; feasibility studies; community involvement; and any environmental analyses under chapter 43.21C RCW;

(iv) Provide grants or loans to local governments for remedial actions related to areawide groundwater contamination. To receive the funding, the local government does not need to be a potentially liable person or be required to seek reimbursement of grant funds from a potentially liable person;

(v) The director may alter (grant matching) grant or loan matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exists:

(A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

(B) Funding would create new substantial economic development, public recreational, or habitat restoration opportunities that would not otherwise occur; or

(C) Funding would create an opportunity for acquisition and redevelopment of (vacant, orphaned, or abandoned) brownfield property under RCW 70.105D.040(5) that would not otherwise occur; and

(iii) The use of outside contracts to conduct necessary studies;

(iii) The purchase of remedial action cost cap insurance, when necessary to expedite multiparty clean-up efforts.

(vi) When pending grant and loan applications under (c)(iii) and (iv) of this subsection (3) exceed the amount of funds available, designated redevelopment opportunity zones must receive priority for distribution of available funds;

(d) To expedite and expedite cleanups using funds from the local toxics control account, during the 2009-2011 fiscal biennium the director may establish grant-funded accounts to hold and disperse local toxics control account funds and funds from local governments to be used for remedial actions. To expedite multiparty clean-up efforts, the department may purchase remedial action cost-cap insurance.

(4) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

(5) Except during the 2009-2011 fiscal biennium, one percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

(6) No moneys deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation, or, after January 1, 2010, for projects designed to address the restoration of Puget Sound, funded in a competitive grant process, that are in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310.

(7) The department shall adopt rules for grant or loan issuance and performance. To accelerate both remedial action and economic recovery, the department may expedite the adoption of rules necessary to implement this act using the expedited procedures in RCW 34.05.353. The department shall initiate the award of financial assistance by July 1, 2012. To ensure the adoption of rules will not delay financial assistance, the department may administer the award of financial assistance with interpretive guidance pending the adoption of rules through July 1, 2013.

(8) During the 2007-2009 and 2009-2011 fiscal biennia, the legislature may transfer from the local toxics control account to the state general fund or the oil spill prevention account, or both, such amounts as reflect excess fund balance in the account.

(9) During the 2009-2011 fiscal biennium, the local toxics control account may also be used for a standby rescue tug at Neah Bay, local government shoreline update grants, private and public sector diesel equipment retrofit, and oil spill prevention, preparedness, and response activities.

(10) During the 2009-2011 fiscal biennium, the local toxics control account may also be used for local government shoreline update grants and actions for reducing public exposure to toxic air pollution.

Sec. 11. RCW 43.84.092 and 2011 1st sp.s. c 16 s 6, 2011 1st sp. s 7 s 22, 2011 c 369 s 6, 2011 c 339 s 1, 2011 c 311 s 9, 2011 c 272 s 3, 2011 c 120 s 3, and 2011 c 83 s 7 are each reenacted and amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act.

(3) Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is
required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

(a) The following accounts and funds shall receive their proportionate share of earnings based upon each account’s and fund’s average daily balance for the period: The aeronautics account, the aircraft search and rescue account, the brownfield redevelopment trust fund account, the budget stabilization account, the capital vessel replacement account, the capitol building construction account, the Cedar River channel construction and operation account, the Central Washington University capital projects account, the charitable, educational, penal and reformatory institutions ESSB 6582 Prime Sponsor, Committee on Transportation: Concerning local transportation revenue options. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) It is the intent of the legislature to provide diversified local revenue options that may be tailored to the needs of each jurisdiction. It is also the intent that local governments provide countywide transportation planning and coordinate with other municipalities, transit systems, transportation benefit districts, planning organizations, and other transportation agencies. It is critical that all transportation infrastructure is well planned, coordinated, and maintained at the local levels to provide a seamless transportation infrastructure to enable people and goods to move safely and efficiently throughout the state and to bolster and improve the state's economy.

(2) The legislature finds that the purchasing power of funds to pay for local transportation needs continues to decline while costs have risen. Without additional funding, counties and cities will continue to struggle financially to preserve and maintain county roads, city streets, and bridges; pavement conditions will to continue to decline; and public transit systems will be forced to cut services at a time when demand for transit services is increasing.

Sec. 2. RCW 36.73.065 and 2007 c 161 s 917 are each amended to read as follows:

(1) Except as provided in subsection (4) of this section, taxes, fees, charges, and tolls may not be imposed by a district without approval of a majority of the voters in the district voting on a proposition at a general or special election. The proposition must include a specific description of the transportation improvement or improvements proposed by the district and the proposed taxes, fees, charges, and the range of tolls imposed by the district to raise revenue to fund the improvement or improvements.

(2) Voter approval under this section (shall) must be accorded substantial weight regarding the validity of a transportation improvement as defined in RCW 36.73.015.

(3) A district may not increase any taxes, fees, charges, or range of tolls imposed under this chapter once the taxes, fees, charges, or tolls take effect, unless authorized by the district voters pursuant to RCW 36.73.160 or up to forty dollars of the vehicle fee authorized in RCW 82.80.140 by the governing board of the district.

(4)(a) A district that includes all the territory within the boundaries of the jurisdiction, or jurisdictions, establishing the district may impose by a majority vote of the governing board of the district the following fees and charges:

(i) Up to (forty) forty dollars of the vehicle fee authorized in RCW 82.80.140; or

(ii) A fee or charge in accordance with RCW 36.73.120.

(b) The vehicle fee authorized in (a) of this subsection may only be imposed for a passenger-only ferry transportation improvement if the vehicle fee is first approved by a majority of the voters within the jurisdiction of the district.

(c)(i) A district solely comprised of a city or cities (shall) may not impose the fees or charges identified in (a) of this subsection within one hundred eighty days after July 22, 2007, unless the county in which the city or cities reside, by resolution, declares that it will not impose the fees or charges identified in (a) of this subsection within the one hundred eighty-day period; or

(ii) A district solely comprised of a city or cities identified in RCW 36.73.020(6)(b) (shall) may not impose the fees or charges until after May 22, 2008, unless the county in which the city or cities reside, by resolution, declares that it will not impose the fees or charges identified in (a) of this subsection through May 22, 2008.

(5) If the interlocal agreement in RCW 82.80.140(2)(a) cannot be reached, a district that includes only the unincorporated territory of a county may impose by a majority vote of the governing body of the district up to (forty) forty dollars of the vehicle fee authorized in RCW 82.80.140.

Sec. 3. RCW 82.80.140 and 2010 c 161 s 917 are each amended to read as follows:

(2)(a) A district that includes all the territory within the boundaries of the jurisdiction, or jurisdictions, establishing the district may impose by a majority vote of the governing board of the district up to (forty) forty dollars of the vehicle fee authorized in subsection (1) of this section. (3) Counties imposing a tax under this section shall contract, before the effective date of the resolution or ordinance imposing a motor vehicle excise tax, with the department of licensing. The department of licensing must administer and collect the tax. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES—MENTAL HEALTH PROGRAM

General Fund—State Appropriation (FY 2012) (($147,392,000)) $316,380,000

General Fund—State Appropriation (FY 2013) (($122,982,000)) $320,482,000

General Fund—Private/Local Appropriation $17,864,000

Hospital Safety Net Assessment Fund—State Appropriation ([$6,802,000]) $5,251,000

TOTAL APPROPRIATION ([$1,113,772,000]) $1,109,778,000"

The appropriations in this subsection are subject to the following conditions and limitations:

(a) ([109,342,000]) $107,988,000 of the general fund—state appropriation for fiscal year 2012 and ([$109,341,000]) $106,091,000 of the general fund—state appropriation for fiscal year 2013 are provided solely for persons and services not covered by the medicaid program. This is a reduction (of $4,348,000 each fiscal year) from the nonmedicaid funding that was allocated for expenditure by regional support networks during fiscal year 2011 prior to supplemental budget reductions. This ($4,348,000) reduction shall be distributed among regional support networks proportional to each network's share of the total state population. To the extent possible, levels of regional support network spending shall be maintained in the following priority order: (i) Crisis and commitment services; (ii) community inpatient services; and (iii) residential care services, including personal care and emergency housing assistance.

(b) $6,590,000 of the general fund—state appropriation for fiscal year 2012, $6,590,000 of the general fund—state appropriation for fiscal year 2013, and $7,620,000 of the general fund—federal appropriation are provided solely for the department and regional support networks to continue to contract for implementation of high-intensity programs for assertive community treatment (PACT) teams. In determining the proportion of medicaid and nonmedicaid funding provided to regional support networks with PACT teams, the department shall consider the differences between regional support networks in the percentages of services and other costs associated with the teams that are not reimbursable under medicaid. The department may allow regional support networks which have nonmedicaid reimbursable costs that are higher than the nonmedicaid allocation they receive under this section to supplement these funds with local dollars or funds received under section 204(1)(a) of this act. The department and regional support networks shall maintain consistency with all essential elements of the PACT evidence-based practice model in programs funded under this section.

(c) $5,850,000 of the general fund—state appropriation for fiscal year 2012, $5,850,000 of the general fund—state appropriation for fiscal year 2013, and $1,300,000 of the general fund—federal appropriation are provided solely for the western Washington regional support networks to provide either community- or hospital campus-based services for persons who require the level of care previously provided by the program for adaptive living skills (PALS) at western state hospital.

(d) The number of nonforensic beds allocated for use by regional support networks at eastern state hospital shall be 192 per day. The number of nonforensic beds allocated for use by regional support networks at western state hospital shall be 557 per day through June 2012, 527 per day from July 2012 through September 2012, and 497 per day from October 2012 through the end of fiscal year 2013.

(e) From the general fund—state appropriations in this subsection, the secretary of social and health services shall assure that regional support networks reimburse the aging and disability services administration for the general fund—state cost of medicaid personal care services that enrolled regional support network consumers use because of their psychiatric disability.

(f) $4,582,000 of the general fund—state appropriation for fiscal year 2012 and $4,582,000 of the general fund—state appropriation for fiscal year 2013 are provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement.

(g) The department is authorized to continue to contract directly, rather than through contracts with regional support networks, for children's long-term inpatient facility services.
(h) $750,000 of the general fund—state appropriation for fiscal year 2012 and $750,000 of the general fund—state appropriation for fiscal year 2013 are provided solely to continue performance-based incentive contracts to provide appropriate community support services for individuals with severe mental illness who were discharged from the state hospitals as part of the expanding community services initiative. These funds will be used to enhance community residential and support services provided by regional support networks through other state and federal funding.

(i) $1,125,000 of the general fund—state appropriation for fiscal year 2012 and $1,125,000 of the general fund—state appropriation for fiscal year 2013 are provided solely for the Spokane regional support network to implement services to reduce utilization and the census at eastern state hospital. Such services shall include:

(1) High intensity treatment team for persons who are high utilizers of psychiatric inpatient services, including those with co-occurring disorders and other special needs;

(ii) Crisis outreach and diversion services to stabilize in the community individuals in crisis who are at risk of requiring inpatient care or jail services;

(iii) Mental health services provided in nursing facilities to individuals with dementia, and consultation to facility staff treating those individuals; and

(iv) Services at the sixteen-bed evaluation and treatment facility. At least annually, the Spokane regional support network shall assess the effectiveness of these services in reducing utilization at eastern state hospital, identify services that are not optimally effective, and modify those services to improve their effectiveness.

(j) $1,529,000 of the general fund—state appropriation for fiscal year 2012 and $1,529,000 of the general fund—state appropriation for fiscal year 2013 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting 180-day commitment hearings at the state psychiatric hospitals.

(k) Regional support networks may use local funds to earn additional federal medicaid match, provided the locally matched rate does not exceed the upper-bound of their federally allowable rate range, and provided that the enhanced funding is used only to provide medicaid state plan or waiver services to medicaid clients. Additionally, regional support networks may use a portion of the state funds allocated in accordance with (a) of this subsection to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

(l) Given the recent approval of federal medicaid matching funds for the disability lifeline and the alcohol and drug abuse treatment support act programs, the department shall charge regional support networks for only the state share rather than the total cost of community psychiatric hospitalization for persons enrolled in those programs.

(m) $750,000 of the general fund—state appropriation for fiscal year 2012, $750,000 of the general fund—state appropriation for fiscal year 2013, and $1,500,000 of the general fund—federal appropriation are provided solely to adjust regional support network capitation rates to account for the per diem rates actually paid for psychiatric care provided at hospitals participating in the certified public expenditure program operated pursuant to section 213 of this act.

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--AGING AND ADULT SERVICES PROGRAM

General Fund--State Appropriation (FY 2012) (($281,995,000)) $792,160,000
General Fund--State Appropriation (FY 2013) (($804,465,000)) $802,961,000
General Fund--Federal Appropriation ($1,680,450,000) $1,735,905,000
General Fund--Private/Local Appropriation $27,517,000
Traumatic Brain Injury Account--State Appropriation $3,388,000
Nursing Facility Quality Assurance Account--State Appropriation ($88,071,000) $88,000,000
TOTAL APPROPRIATION ($3,385,886,000) $3,449,931,000

The appropriations in this section are subject to the following conditions and limitations:

(1) For purposes of implementing chapter 74.46 RCW, the weighted average nursing facility payment rate shall not exceed $171.70 for fiscal year 2012 and shall not exceed $171.43 for fiscal year 2013, including the rate add-ons described in (a) and (b) of this subsection. However, if the waiver requested from the federal centers for medicare and medicaid services in relation to the safety net assessment created by Engrossed Substitute Senate Bill No. 5581 (nursing home payments) is for any reason not approved and implemented, the weighted average nursing facility payment rate shall not exceed $159.87 for fiscal year 2012 and shall not exceed $160.93 for fiscal year 2013. There will be no adjustments for economic trends and conditions in fiscal years 2012 and 2013. The economic trends and conditions factor or factors defined in the biennial appropriations act shall not be compounded with the economic trends and conditions factor or factors defined in any other biennial appropriations acts before applying it to the component rate allocations established in accordance with chapter 74.46 RCW.
When no economic trends and conditions factor for either fiscal year is defined in a biennial appropriations act, no economic trends and conditions factor or factors defined in any earlier biennial appropriations act shall be applied solely or compounded to the component rate allocations established in accordance with chapter 74.46 RCW.

(a) Within the funds provided, the department shall continue to provide an add-on per Medicaid resident day per facility not to exceed $1.57. The add-on shall be used to increase wages, benefits, and/or staffing levels for certified nurse aides; or to increase wages and/or benefits for dietary aides, housekeepers, laundry aides, or any other category of worker whose statewide average dollars-per-hour wage was less than $15 in calendar year 2008, according to cost report data. The add-on may also be used to address resulting wage compression for related job classes immediately affected by wage increases to low-wage workers. The department shall continue reporting requirements and a settlement process to ensure that the funds are spent according to this subsection.

(b) The department shall do a comparative analysis of the facility-based payment rates calculated on July 1, 2011, using the payment methodology defined in Engrossed Substitute Senate Bill No. 5581 (nursing home payments), to the facility-based payment rates in effect June 30, 2010. If the facility-based payment rate calculated on July 1, 2011, is smaller than the facility-based payment rate on June 30, 2010, then the difference shall be provided to the individual nursing facilities as an add-on payment per Medicaid resident day.

(c) During the comparative analysis performed in subsection (b) of this section, if it is found that the direct care rate for any facility calculated using the payment methodology defined in Engrossed Substitute Senate Bill No. 5581 (nursing home payments) is greater than the direct care rate in effect on June 30, 2010, then the facility shall receive a ten percent direct care add-on to compensate that facility for taking on more acute clients than they have in the past.

(d) The department shall provide a Medicaid rate add-on to reimburse the Medicaid share of the skilled nursing facility safety net assessment as a Medicaid allowable cost. The nursing facility safety net rate add-on may not be included in the calculation of the annual statewide weighted average nursing facility payment rate.

(e) If the waiver requested from the federal Centers for Medicare and Medicaid Services in relation to the safety net assessment created by Engrossed Substitute Senate Bill No. 5581 (nursing home payments) is for any reason not approved and implemented, subsections (b), (c), and (d) of this subsection do not apply.

(2) After examining actual nursing facility cost information, the legislature finds that the Medicaid nursing facility rates calculated pursuant to Engrossed Substitute Senate Bill No. 5581 (nursing home payments) provide sufficient reimbursement to efficiently and economically operating nursing facilities and bear a reasonable relationship to costs.

(3) In accordance with chapter 74.46 RCW, the department shall issue no additional certificates of capital authorization for fiscal year 2012 and no new certificates of capital authorization for fiscal year 2013 and shall grant no rate add-ons to payment rates for capital improvements not requiring a certificate of need and a certificate of capital authorization for fiscal years 2012 and 2013.

(4) The long-term care program may develop and pay enhanced rates for exceptional care to nursing homes for persons with traumatic brain injuries who are transitioning from hospital care. The cost per patient day for caring for these clients in a nursing home setting may be equal to or less than the cost of caring for these clients in a hospital setting.

(5) Amounts appropriated in this section reflect a reduction to funds appropriated for in-home care. The department shall reduce the number of in-home hours authorized. The reduction shall be scaled based on the acuity level of care recipients. The largest hour reductions shall be to lower acuity patients and the smallest hour reductions shall be to higher acuity patients.

The department shall calculate and distribute payments for health care benefits to home care agencies at $588 per month for each worker who cares for publicly funded clients at 86 hours or more per month. In order to negotiate the most comprehensive health benefits package for its employees, each agency may determine benefit levels according to the hours an employee works providing state funded personal care. Health benefits shall be offered to all employees who care for publicly funded clients for 86 hours per month or more. At a minimum, employees who care for publicly funded clients at 140 hours a month or greater must receive a comprehensive medical benefit. Benefits shall not be provided to employees who care for publicly funded clients at 85 hours or less per month or as interim respite workers. The department shall not pay an agency for benefits provided to an employee who otherwise receives health care coverage through other family members, other employment-based coverage, or military or veteran's coverage. The department shall require annually, each home care agency to review each of its employee's available health coverage and to provide a written declaration to the department verifying that health benefits purchased with public funds are solely for employees that do not have other available coverage. Home care agencies may determine a reasonable employee co-payment not to exceed 20 percent of the total benefit cost.

The tax is in addition to other taxes authorized by law and must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the public facilities district. The rate of tax may not exceed 0.033 percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax.

(2)(a) The governing body of a public facilities district imposing a sales and use tax under the authority of this section may increase the rate of tax up to 0.037 percent if, within three fiscal years of July 1, 2008, the department determines that, as a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020, a public facilities district's sales and use tax collections for fiscal years after July 1, 2008, have been reduced by a net loss of at least 0.50 percent from the fiscal year before July 1, 2008. The fiscal year in which this section becomes effective is the first fiscal year after July 1, 2008.

(c) A public facilities district may increase its rate of tax after it has received written notice from the department as provided in (b) of this subsection. The increase in the rate of tax must be made in 0.001 percent increments and must be the least amount necessary to mitigate the net loss in sales and use tax collections as a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020. The increase in the rate of tax is subject to RCW 82.14.055.

The department of revenue must perform the collection of such taxes on behalf of the county at no cost to the public facilities district. During the 2011-2013 fiscal biennium, distributions by the state to a public facilities district based on the additional rate authorized in subsection (2) of this section must be reduced by 3.4 percent.

(4) No tax may be collected under this section before August 1, 2000. The tax imposed in this section expires when the bonds issued for the construction, improvement, rehabilitation, or expansion of the regional center and related parking facilities are retired, but not more than forty years after the tax is first collected.

(6) The combined total tax levied under this section may not be greater than 0.037 percent. If both a public facilities district created under chapter 35.57 RCW and a public facilities district created under chapter 36.100 RCW impose a tax under this section, the tax imposed by a public facilities district created under chapter 35.57 RCW must be credited against the tax imposed by a public facilities district created under chapter 36.100 RCW.

(7) A public facilities district created under chapter 36.100 RCW is not eligible to impose the tax under this section if the legislative authority of the county where the public facilities district is located has imposed a sales and use tax under RCW 82.14.0485 or 82.14.0494.

SUBSTITUTE HOUSE BILL NO. 1820 was read the second time.

With the consent of the house, amendment (1249) was withdrawn.

Representative Liias moved the adoption of amendment (1259).

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. There is currently no system in place in Washington state to expedite the apprehension of violent criminals who seriously injure or kill local, state, or federal law enforcement officers. Other states have adopted blue alert systems to achieve this objective. The legislature declares that it is necessary to create a statewide blue alert system to speed the apprehension of violent criminals who kill or seriously injure local, state, or federal law enforcement officers.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) “Blue alert system” means a quick response system designed to issue and coordinate alerts following an attack upon a law enforcement officer.

(2) “Investigating law enforcement agency” means the law enforcement agency that has primary jurisdiction over the area or has been delegated and accepted investigatory responsibility in which a law enforcement officer has been seriously injured or killed.

(3) “Law enforcement agency” means a general law enforcement agency as defined in RCW 10.93.020 and a limited law enforcement agency as defined in RCW 10.93.020. Such agencies shall include, but are not limited to, the following:

(a) The Washington state patrol;
(b) All law enforcement agencies and police departments of any political subdivision of the state; and
(c) The department of corrections.

(4) “Law enforcement officer” includes police officers, the attorney general and the attorney general’s deputies, sheriffs and their regular deputies, corrections officers, tribal law enforcement officers, park rangers, state fire marshals, municipal fire marshals, sworn members of the city fire departments, county and district fire fighters, and agents of the department of fish and wildlife. “Law enforcement officer” also includes an employee of a federal governmental agency who is authorized by law to engage in or supervise the prevention, detection, investigation, or prosecution of, or the incarceration of any person for, any violation of law, and who has statutory powers of arrest.

(5) “Officer’s employing law enforcement agency” means the law enforcement agency by which the officer is employed.

NEW SECTION. Sec. 3. (1) Within existing resources, the Washington state patrol, in partnership with the Washington association of sheriffs and police chiefs, shall develop and implement a plan, commonly known as a blue alert system, consistent with the Amber alert program, endangered missing person advisory plan, and the missing person clearinghouse, for voluntary cooperation between local, state, tribal, and other law enforcement agencies, state government agencies, radio and television stations, and cable and satellite systems to enhance the public’s ability to assist in apprehending persons suspected of killing or seriously injuring a law enforcement officer. The blue alert system shall include the following:

(a) Procedures to provide support to the investigating law enforcement agency as a resource for the receipt and dissemination of information regarding the suspect and the suspect's whereabouts and/or method of escape;
The process for reporting the information to designated media outlets in Washington; and

criteria for the investigating law enforcement agency to determine quickly whether an officer has been seriously injured or killed and a blue alert therefore needs to be requested.

The investigating law enforcement agency may request activation of the blue alert system and notify appropriate participants in the blue alert system, when the investigating law enforcement agency believes that:

(a) A suspect has not been apprehended;
(b) A suspect may be a serious threat to the public;
(c) Sufficient information is available to disseminate to the public that could assist in locating and apprehending the suspect;
(d) Release of the information will not compromise the investigation; and
(e) Criteria to ensure that releasing the victim information is proper, as to avoid improper next of kin notification.

When a blue alert is activated, the investigating law enforcement agency shall provide descriptive information under the criminal justice information act, chapter 10.98 RCW, and the national crime information center system.

The investigating law enforcement agency shall terminate the blue alert with respect to a particular suspect when the suspect is located or the incident is otherwise resolved, or when the investigating law enforcement agency determines that the blue alert system is no longer an effective tool for locating and apprehending the suspect.

**NEW SECTION.** Sec. 4. No cause of action shall be maintained for civil damages in any court of this state against any radio or television broadcasting station or cable television system, or the employees, officers, directors, managers, or agents of the radio or television broadcasting station or cable television system, based on the broadcast of information supplied by law enforcement officials pursuant to the provisions of this chapter. Nothing in this section shall be construed to limit or restrict in any way any immunity or privilege a radio or television broadcasting station or cable television system may have under statute or common law for broadcasting or otherwise disseminating information.

**NEW SECTION.** Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 6. Sections 1 through 4 of this act constitute a new chapter in Title 10 RCW.

COLLOQUY

Representative Santos: “Section 1, Subsection (4)(c) of this bill explicitly requires that a school district implement discharge notification procedures when a continuing contract employee with 5 or more years of experience receives and evaluation rating below Level 2 for two consecutive years. Is it the intent of this requirement that an evaluation rating below Level 2 for two consecutive years constitutes sufficient cause for discharge of a continuing contract employee with 5 or more years of experience?”

Representative Dammeier: “Yes, that is the intent. Current statutes and case law require a school district to determine that there is sufficient cause for an employee with a continuing contract to be discharged from employment. Notification procedures and other due process are specified in law to deal with this circumstance. This bill establishes a new and specific performance criteria for initiating these notification procedures in the case of an employee with 5 or more years of experience. The school district has no discretion in this matter: the notification must be initiated within 10 days of the second evaluation or by May 15, whichever occurs first. It is the intent of this bill that an evaluation rating of below Level 2 for two consecutive years constitutes sufficient cause for discharge of a continuing contract employee with 5 or more years of experience.”

Representative Santos: “Is it also the intent of this bill to permit termination of an unsatisfactory teacher without first providing him or her with an opportunity to improve during the probationary period specified in the underlying statute?”

Representative Dammeier: “No, that is not the intent. Teachers still retain the right to show improvement through the probationary process in statute prior to the implementation of discharge notification procedures.”

(5) All partnership agreements entered into under this section must contain a provision that requires the partner to hold harmless the department and the state for any civil liability arising from the partner's participation in the agreement or activities at the subject hatchery or hatcheries.

(6) All partnership agreements entered into under this section must identify any maintenance or improvements to be made to the hatchery facility, and the source of funding for such maintenance or improvements. If funding for the maintenance or improvements is to come from state funds or revenue sources previously received by the department, the work must be performed either by employees in the classified service or in compliance with the contracting procedures set forth in RCW 41.06.142.

(2) The comprehensive marine management plan may be developed in geographic segments, and may incorporate or be developed as an element of existing marine plans, such as the Puget Sound action agenda. If the team exercises the option to develop the comprehensive marine management plan in geographic segments, it may proceed with development and adoption of marine management plans for these geographic segments on different schedules.

(8) Any provision of the marine management plan that does not have as its primary purpose the management of commercial or recreational fishing but that has an impact on this fishing must minimize the negative impacts on the fishing. The team must accord substantial weight to recommendations from the director of the department of fish and wildlife for plan revisions to minimize the negative impacts.

"Sec. 1. RCW 26.44.020 and 2010 c 176 s 1 are each reenacted and amended to read as follows:
The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.
(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.
(2) "Child" or "children" means any person under the age of eighteen years of age.
(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse.
and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(21) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(25) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

NEW SECTION. Sec. 2. A new section is added to chapter 26.44 RCW to read as follows:

(1) No later than December 1, 2013, the department shall implement the family assessment response. The department may implement the family assessment response on a phased-in basis, by geographical area.

(2) The department shall develop an implementation plan in consultation with stakeholders, including tribes. The department shall submit a report of the implementation plan to the appropriate committees of the legislature by December 31, 2012. At a minimum, the following must be developed before implementation and included in the report to the legislature:
(a) Description of the family assessment response practice model;
(b) Identification of possible additional noninvestigative responses or pathways;
(c) Development of an intake screening tool and a family assessment tool specifically to be used in the family assessment response. The family assessment tool must, at minimum, evaluate the safety of the child and determine services needed by the family to improve or restore family well-being;
(d) Delineation of staff training requirements;
(e) Development of strategies to reduce disproportionality;
(f) Development of strategies to assist and connect families with the appropriate private or public housing support agencies, for those parents whose inability to obtain or maintain safe housing creates a risk of harm to the child, risk of out-of-home placement of the child, or a barrier to reunification;
(g) Identification of methods to involve local community partners in the development of community-based resources to meet families' needs. Local community partners may include, but are not limited to: Alumni of the foster care system and veteran parents, local private service delivery agencies, schools, local health departments and other health care providers, juvenile court, law enforcement office, office of public defense social workers or local defense attorneys, domestic violence victims advocates, and other available community-based entities;
(h) Delineation of procedures to assure continuous quality assurance;
(i) Identification of current departmental expenditures for services appropriate for the family assessment response, to the greatest practicable extent;
(j) Identification of philanthropic funding and other private funding available to supplement public resources in response to identified family needs;
(k) Development of effective mechanisms which assure and maximize, to the greatest extent practicable, that family assessment response for Native American Indian children will be completed in a timely manner by a worker from the child's tribe or by a worker approved by the child's tribe.
(l) A potential phase-in schedule if proposed; and
(m) Recommendations for legislative action required to implement the plan.

Sec. 3. RCW 26.44.030 and 2009 c 480 s 1 are each amended to read as follows:

1. (a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(g) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(h) Delineation of staff training requirements;
written report must also be made to the proper law enforcement agency within five days thereafter.  

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the
pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation.

Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(19) Upon receipt of a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 4. RCW 26.44.031 and 2007 c 220 s 3 are each amended to read as follows:

(1) To protect the privacy in reporting and the maintenance of reports of nonaccidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, and to safeguard against arbitrary, malicious, or erroneous information or actions, the department shall not disclose or maintain information related to reports of child abuse or neglect except as provided in this section or as otherwise required by state and federal law.

(2) The department shall destroy all of its records concerning:

(a) A screened-out report, within three years from the receipt of the report; and

(b) An unfounded or inconclusive report, within six years of completion of the investigation, unless a prior or subsequent founded report has been received regarding the child who is the subject of the report, a sibling or half-sibling of the child, or a parent, guardian, or legal custodian of the child, before the records are destroyed.

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.

(4) No unfounded, screened-out, or inconclusive report or information about a family's participation or nonparticipation in the family assessment response may be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under chapter 74.15 RCW without the consent of the individual who is the subject of the report or family assessment, unless:

(a) The individual seeks to become a licensed foster parent or adoptive parent; or

(b) The individual is the parent or legal custodian of a child being served by one of the agencies referenced in this subsection.

(5) If the department fails to comply with this section, an individual who is the subject of a report may institute proceedings for injunctive or other appropriate relief for enforcement of the requirement to purge information. These proceedings may be instituted in the superior court for the county in which the person resides or, if the person is not then a resident of this state, in the superior court for Thurston county.

(b) If the department fails to comply with subsection (4) of this section and an individual who is the subject of the report or family assessment response information is harmed by the disclosure of information, in addition to the relief provided in (a) of this subsection, the court may award a penalty of up to one thousand dollars and reasonable attorneys' fees and court costs to the petitioner.

(c) A proceeding under this subsection does not préclude other methods of enforcement provided for by law.

(6) Nothing in this section shall prevent the department from retaining general, nonidentifying information which is required for state and federal reporting and management purposes.

Sec. 5. RCW 26.44.050 and 1999 c 176 s 33 are each amended to read as follows:
Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department of social and health services must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department of social and health services investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

NEW SECTION. Sec. 6. A new section is added to chapter 26.44 RCW to read as follows:

(1) Within ten days of the conclusion of the family assessment, the department must meet with the child's parent or guardian to discuss the recommendation for services to address child safety concerns or significant risk of subsequent child maltreatment.

(2) If the parent or guardian disagrees with the department's recommendation regarding the provision of services, the department shall convene a family team decision-making meeting to discuss the recommendations and objections. The caseworker's supervisor and area administrator shall attend the meeting.

(3) If the department determines, based on the results of the family assessment, that services are not recommended then the department shall close the family assessment response case.

Sec. 7. RCW 74.13.020 and 2011 c 330 s 4 are each reenacted and amended to read as follows:

For purposes of this chapter:

(1) "Case management" means the management of services delivered to children and families in the child welfare system, including permanency services, caseworker-child visits, family visits, the convening of family group conferences, the development and revision of the case plan, the coordination and monitoring of services needed by the child and family, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.

(2) "Child" means:

(a) A person less than eighteen years of age; or

(b) A person age eighteen to twenty-one years who is eligible to receive the extended foster care services authorized under RCW 74.13.031.

(3) "Child protective services" has the same meaning as in RCW 26.44.020.

(4) "Child welfare services" means social services including voluntary and in-home services, out-of-home care, case management, and adoption services which strengthen, supplement, or substitute for, parental care and supervision for the purpose of:

(a) Preventing or remedying, or assisting in the solution of problems which may result in families in conflict, or the neglect, abuse, exploitation, or criminal behavior of children;

(b) Protecting and caring for dependent, abused, or neglected children;

(c) Assisting children who are in conflict with their parents, and assisting parents who are in conflict with their children, with services designed to resolve such conflicts;

(d) Protecting and promoting the welfare of children, including the strengthening of their own homes where possible, or, where needed;

(e) Providing adequate care of children away from their homes in foster family homes or day care or other child care agencies or facilities.

"Child welfare services" does not include child protection services.

(5) "Committee" means the child welfare transformation design committee.

(6) "Department" means the department of social and health services.

(7) "Extended foster care services" means residential and other support services the department is authorized to provide to foster children. These services include, but are not limited to, placement in licensed, relative, supervised, independent living settings; assistance in meeting basic needs; independent living services; medical assistance; and counseling or treatment.

(8) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(9) "Measurable effects" means a statistically significant change which occurs as a result of the service or services a supervising agency is assigned in a performance-based contract, in time periods established in the contract.

Sec. 8. RCW 74.13.031 and 2011 c 330 s 5 and 2011 c 160 s 2 are each reenacted and amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling
groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may report to a child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislation as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

The department or supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

The department and supervising agency shall have authority to purchase care for children.

The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

The department and supervising agencies shall have authority to provide continued extended foster care services to youth ages eighteen to twenty-one years to participate in or complete a secondary education program or a secondary education equivalency program.

The department(( shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (((1))) (11) of this section.

The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. SECOND SUBSTITUTE HOUSE BILL NO. 2156, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 1, 2012

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2177 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.68A.001 and 2010 c 227 s 1 are each amended to read as follows:

The legislature finds that the prevention of sexual exploitation and abuse of children constitutes a government objective of surpassing importance. The care of children is a sacred trust and should not be abused by those who seek commercial gain or personal gratification based on the exploitation of children.

The legislature further finds that the protection of children from sexual exploitation can be accomplished without infringing on a constitutionally protected activity. The definition of "sexually explicit conduct" and other operative definitions demarcate a line between protected and prohibited conduct and should not inhibit legitimate scientific, medical, or educational activities.

The legislature further finds that children engaged in sexual conduct for financial compensation are frequently the victims of sexual abuse. Approximately eighty to ninety percent of children engaged in sexual activity for financial compensation have a history of sexual abuse victimization. It is the intent of the legislature to encourage these children to engage in prevention and intervention services and to hold those who pay to engage in the sexual abuse of children accountable for the trauma they inflict on children.

The legislature further finds that due to the changing nature of technology, offenders are now able to access child pornography in different ways and in increasing quantities. By amending current statutes governing depictions of a minor engaged in sexually explicit conduct, it is the intent of the legislature to ensure that intentional viewing of and dealing in child pornography over the internet is subject to a criminal penalty without limiting the scope of existing prohibitions on the possession of or dealing in child pornography. NEW SECTION. Sec. 2. A new section is added to chapter 9.68A RCW to read as follows:

(1) In any criminal proceeding, any property or material that constitutes a depiction of a minor engaged in sexually explicit conduct shall remain in the care, custody, and control of either a law enforcement facility or a neutral facility approved by the court upon petition by the defense.

(2) The state has a compelling interest in protecting children from those who sexually exploit them, and this interest extends to stamping out the vice of child pornography at all levels in the distribution chain.

(3) Every instance of viewing images of child pornography represents a renewed violation of the privacy of the victims and a repetition of their abuse.

(4) Child pornography constitutes prima facie contraband, and as such should not be distributed to, or copied by, child pornography defendants or their attorneys.

(5) It is imperative to prohibit the reproduction of child pornography in criminal cases so as to avoid repeated violation and abuse of victims, so long as the government makes reasonable accommodations for the inspection, viewing, and examination of such material for the purposes of mounting a criminal defense. The legislature is also aware that the Adam Walsh child protection and safety act, P.L. 109–248, 120 Stat. 587 (2006), codified at 18 U.S.C. Sec. 3509(m), prohibits the duplication and distribution of child pornography as part of the discovery process in federal prosecutions. This federal law has been in effect since 2006, and upheld repeatedly as constitutional. Courts interpreting the Walsh act have found that such limitations can be employed while still providing the defendant due process. The legislature joins congress, and the legislatures of other states that have passed similar provisions, in protecting these child victims so that our justice system does not cause repeat exploitation, while still providing due process to criminal defendants.

order setting forth such terms and conditions as are necessary to protect the rights of the victims, to document the chain of custody, and to protect physical evidence.

NEW SECTION. Sec. 3. A new section is added to chapter 9.68A RCW to read as follows:

(1) Whenever a depiction of a minor engaged in sexually explicit conduct, regardless of its format, is marked as an exhibit in a criminal proceeding, the prosecutor shall seek an order sealing the exhibit at the close of the trial. Any exhibits sealed under this section shall be sealed with evidence tape in a manner that prevents access to, or viewing of, the depiction of a minor engaged in sexually explicit conduct and shall be labeled so as to identify its contents. Anyone seeking to view such an exhibit must obtain permission from the superior court after providing at least ten days notice to the prosecuting attorney. Appellate attorneys for the defendant and the state shall be given access to the exhibit, which must remain in the care and custody of either a law enforcement agency or the court. Any other person moving to view such an exhibit must demonstrate to the court that his or her reason for viewing the exhibit is of sufficient importance to justify another violation of the victim's privacy.

(2) Whenever the clerk of the court receives an exhibit of a depiction of a minor engaged in sexually explicit conduct, he or she shall store the exhibit in a secure location, such as a safe. The clerk may arrange for the transfer of such exhibits to a law enforcement agency evidence room for safekeeping provided the agency agrees not to destroy or dispose of the exhibits without an order of the court.

(3) If the criminal proceeding ends in a conviction, the clerk of the court shall destroy any exhibit containing a depiction of a minor engaged in sexually explicit conduct five years after the judgment is final, as determined by the provisions of RCW 10.73.090(3). Before any destruction, the clerk shall contact the prosecuting attorney and verify that there is no collateral attack on the judgment pending in any court. If the criminal proceeding ends in a mistrial, the clerk shall either maintain the exhibit or return it to the law enforcement agency that investigated the criminal charges for safekeeping until the matter is set for retrial. If the criminal proceeding ends in an acquittal, the clerk shall return the exhibit to the law enforcement agency that investigated the criminal charges for either safekeeping or destruction.

NEW SECTION. Sec. 4. A new section is added to chapter 9.68A RCW to read as follows:

Any depiction of a minor engaged in sexually explicit conduct, in any format, distributed as discovery to defense counsel or an expert witness prior to the effective date of this section shall either be returned to the law enforcement agency that investigated the criminal charges or destroyed, if the case is no longer pending in superior court. If the case is still pending, the depiction shall be returned to the superior court judge assigned to the case or the presiding judge. The court shall order either the destruction of the depiction or the safekeeping of the depiction if it will be used at trial. It is not a defense to violations of this chapter for crimes committed after December 31, 2012, that the initial receipt of the depictions was done under the color of law through the discovery process.

On page 1, line 1 of the title, after "exploitation;" strike the remainder of the title and insert "amending RCW 9.68A.001; and adding new sections to chapter 9.68A RCW."

The time and circumstances under which a notice or notification may cease to be effective are not determined by this Title.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when
(a) it comes to his or her attention; or
(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him or her as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his or her attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his or her regular duties or unless he or she has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" (includes a corporation, government, governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity) means a person other than an individual.

The term also)). "Security interest" includes any interest of a consignor and a buyer of accounts, chattel paper, a payment intangible, or a promissory note in a transaction that is subject to Article 9A of this title. "Security interest" does not include the special property interest of a buyer of goods on identification of ((such)) those goods to a contract for sale under RCW 62A.2-401 ((is not a "security interest")), but a buyer may also acquire a "security interest" by complying with Article 9A of this title. Except as otherwise provided in RCW 62A.2-505, the right of a seller or lessor of goods under Article 2 or 2A of this title to retain or acquire possession of the goods is not a "security interest," but a seller or lessor may also acquire a "security interest" by complying with Article 9A of this title. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer ((ii) under RCW 62A.2-401(ii)) is limited in effect to a reservation of a "security interest." Whether a transaction in the form of a lease creates a ("lease or "(ii)) "security interest" is determined ((by the facts of each case). However, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

—(a) The original term of the lease is equal to or greater than the remaining economic life of the goods;
—(b) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

—(d) The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that:

—(a) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or greater than the fair market value of the goods at the time the lease is entered into;
—(b) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods;
—(c) The lessee has an option to renew the lease or to become the owner of the goods;
—(d) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed;
—(e) The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed; or
—(f) The amount of rental payments may or will be increased or decreased by reference to the amount realized by the lessor upon sale or disposition of the goods.

For purposes of this subsection (32):

—(a) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;
—(b) "Reasonably predictable" and "remaining economic life of the goods," are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and
—(c) "Present value" means the amount as of a date certain of one or more sums payable in the future. Discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is
entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into)) pursuant to RCW 62A.1-203.  

((36)) ((36) "Send" in connection with ((an)) a writing, record, or notice means:  

(A) To deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and, in the case of an instrument, to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances; or  

(B) In any other way to cause to be received any record or notice within the time ((of which)) it would have arrived if properly sent ((has the effect of a proper sending)).

((37)) (37) "Signed" includes using any symbol executed or adopted (by a party) with present intention to (authenticate) adopt or accept a writing.

((38)) (38) "State" means a State of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.

(39) "Surety" includes a guarantor or other secondary obligor.

(((41)) (41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

((42))) (40) "Term" means ((that)) a portion of an agreement ((which)) that relates to a particular matter.

((43)) (41) "Unauthorized((2)) signature" means ((an)) a signature made without actual, implied, or apparent authority ((and)) The term includes a forgery.

((44)) (44) "Value". Except as otherwise provided with respect to negotiable instruments and bank collections (RCW 62A.3-303, RCW 62A.4-210, and RCW 62A.4-211) a person gives "value" for rights if he or she acquires them

(a) in return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) as security for or in total or partial satisfaction of a preexisting claim; or

(c) by accepting delivery pursuant to a pre-existing contract for purchase; or

(d) generally, in return for any consideration sufficient to support a simple contract.

((45)) (42) "Warehouse receipt" means a ((receipt)) document of title issued by a person engaged in the business of storing goods for hire.

((46) "Written" or) (43) "Writing" includes printing, typewriting, or any other intentional reduction to tangible form. "Written" has a corresponding meaning.

NOTICE; KNOWLEDGE.((A document in due form purporting to be a bill of lading, policy or certificate of insurance, official weigher's or inspector's certificate, consular invoice, or any other document authorized or required by the contract to be issued by a third party shall be prima facie evidence of its own authenticity and genuineness and of the facts stated in the document by the third party.)) (a) Subject to subsection (f) of this section, a person has "notice" of a fact if the person:

(1) Has actual knowledge of it;

(2) Has received a notice or notification of it; or

(3) From all the facts and circumstances known to the person at the time in question, has reason to know that it exists.

(b) "Knowledge" means actual knowledge. "Knows" has a corresponding meaning.

(c) "Discover," "learn," or words of similar import refer to knowledge rather than to reason to know.

(d) A person "notifies" or "gives" a notice or notification to another person by taking such steps as may be reasonably required to inform the other person in ordinary course, whether or not the other person actually comes to know of it.

(e) Subject to subsection (f) of this section, a person "receives" a notice or notification when:

(1) It comes to that person's attention; or

(2) It is duly delivered in a form reasonable under the circumstances at the place of business through which the contract was made or at another location held out by that person as the place for receipt of such communications.

(3) The lessee has an option to renew the lease for the remaining economic life of the goods;  

(2) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

(3) The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or for nominal additional consideration upon compliance with the lease agreement; or

(4) The lessee has an option to become the owner of the goods for no additional consideration or for nominal additional consideration upon compliance with the lease agreement.

(c) A transaction in the form of a lease does not create a security interest merely because:

(1) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into:

(2) The lessee assumes risk of loss of the goods;

(3) The lessee agrees to pay, with respect to the goods, taxes, insurance, filing, recording, or registration fees, or service or maintenance costs;

(4) The lessee has an option to renew the lease or to become the owner of the goods;

(5) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the
option is to be performed; or
(6) The lessee has an option to become the owner of the goods for a fixed price at the time the the option is to be performed.
(d) Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised. Additional consideration is not nominal if:
(1) When the option to renew the lease is granted to the lessee, the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed;
(2) When the option to become the owner of the goods is granted to the lessee, the price is stated to be the fair market value of the goods determined at the time the option is to be performed.
(e) The "remaining economic life of the goods" and "reasonably predictable" fair market value, fair market value, or cost of performing under the lease agreement must be determined with reference to the facts and circumstances at the time the transaction is entered into.

Sec. 112. RCW 62A.1-204 and 1965 ex.s. c 157 s 1-204 are each amended to read as follows:
(TIME; REASONABLE TIME; "SEASONABLY.")
VALUE. (((1) Whenever this Title requires any action to be taken within a reasonable time, any time which is not manifestly unreasonable may be fixed by agreement.
(2) What is a reasonable time for taking any action depends on the nature, purpose and circumstances of such action.
(3) An action is taken "seasonably" when it is taken at or within the time agreed or if no time is agreed at or within a reasonable time. Except as otherwise provided in Articles 3, 4, and 5 of this title, a person gives value for rights if the person acquires them:
(1) In return for a binding commitment to extend credit or for the extension of immediately available credit, whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection;
(2) As security for, or in total or partial satisfaction of, a preexisting claim;
(3) By accepting delivery under a preexisting contract for purchase; or
(4) In return for any consideration sufficient to support a simple contract.

Sec. 113. RCW 62A.1-205 and 1965 ex.s. c 157 s 1-205 are each amended to read as follows:
(1) A course of dealing is a sequence of previous conduct between the parties to a particular transaction which is fairly to be regarded as establishing a common basis of understanding for interpreting their expressions and other conduct.
(2) A usage of trade is any practice or method of dealing having such regularity of observance in a place, vocation or trade as to justify an expectation that it will be observed with respect to the transaction in question. The existence and scope of such a usage are to be proved as facts. If it is established that such a usage is embodied in a written trade code or similar writing the interpretation of the writing is for the court.
(3) A course of dealing between parties and any usage of trade in the vocation or trade in which they are engaged or of which they are or should be aware give particular meaning to and supplement or qualify terms of an agreement.
(4) The express terms of an agreement and an applicable course of dealing or usage of trade shall be construed wherever reasonable as consistent with each other; but when such construction is unreasonable express terms control both course of dealing and usage of trade and course of dealing controls usage of trade.
(5) An applicable usage of trade in the place where any part of performance is to occur shall be used in interpreting the agreement as to that part of the performance.
(6) Evidence of a relevant usage of trade offered by one party is not admissible unless and until he has given the other party such notice as the court finds sufficient to prevent unfair surprise to the latter. (a) Whether a time for taking an action required by this title is reasonable depends on the nature, purpose, and circumstances of the action.
(b) An action is taken seasonably if it is taken at or within the time agreed or, if no time is agreed, at or within a reasonable time.

Sec. 114. RCW 62A.1-206 and 1995 c 48 s 55 are each amended to read as follows:
(STATUTE OF FRAUDS FOR KINDS OF PERSONAL PROPERTY NOT OTHERWISE COVERED.)
PRESCRIPTIONS. (((1) Except in the cases described in subsection (2) of this section a contract for the sale of personal property is not enforceable by way of action or defense beyond five thousand dollars in amount or value of remedy unless there is some writing which indicates that a contract for sale has been made between the parties at a defined or stated price, reasonably identifies the subject matter, and is signed by the party against whom enforcement is sought or by his authorized agent.
(2) Subsection (1) of this section does not apply to contracts for the sale of goods (RCW 62A.2-201) nor to security agreements (RCW 62A.9-113) nor to security agreements (RCW 62A.9-203).)) Whenever this title creates a "presumption" with respect to a fact, or provides that a fact is "presumed," the trier of fact must find the existence of the fact unless and until evidence is introduced that supports a finding of its nonexistence.

NEW SECTION. Sec. 115. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-301, to read as follows:
TERRITORIAL APPLICABILITY; PARTIES' POWER TO CHOOSE APPLICABLE LAW. (a) Except as otherwise provided in this section, when a transaction bears a reasonable relation to this state and also to another state or nation the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties.
(b) In the absence of an agreement effective under subsection (a) of this section, and except as provided in subsection (c) of this section, this title applies to transactions bearing an appropriate relation to this state.
(c) If one of the following provisions of this title specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law so specified:
(1) RCW 62A.2-402;
(2) RCW 62A.2A-105 and 62A.2A-106;
(3) RCW 62A.4-102;
(4) RCW 62A.4A-507;
(5) RCW 62A.5-116;
(6) RCW 62A.8-110;

NEW SECTION. Sec. 116. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-302, to read as follows:
VARIATION BY AGREEMENT. (a) Except as otherwise provided in subsection (b) of this section or elsewhere in this title, the effect of provisions of this title may be varied by agreement.
(b) The obligations of good faith, diligence, reasonableness, and care prescribed by this title may not be disclaimed by agreement. The parties, by agreement, may determine the standards by which the performance of those obligations is to be measured if those standards are not manifestly unreasonable. Whenever this title requires an action to be taken within a reasonable time, a time that is not manifestly unreasonable may be fixed by agreement.
(c) The presence in certain provisions of this title of the phrase "unless otherwise agreed," or words of similar import, does not imply
that the effect of other provisions may not be varied by agreement under this section.

NEW SECTION. Sec. 117. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-303, to read as follows: COURSE OF PERFORMANCE, COURSE OF DEALING, AND USAGE OF TRADE. (a) A “course of performance” is a sequence of conduct between the parties to a particular transaction that exists if:

1. The agreement of the parties with respect to the transaction involves repeated occasions for performance by a party; and
2. The other party, with knowledge of the nature of the performance and opportunity for objection to it, accepts the performance or acquiesces in it without objection.

(b) A “course of dealing” is a sequence of conduct concerning previous transactions between the parties to a particular transaction that is fairly to be regarded as establishing a common basis of understanding for interpreting their expressions and other conduct.

(c) A “usage of trade” is any practice or method of dealing having such regularity of observance in a place, vocation, or trade as to justify an expectation that it will be observed with respect to the transaction in question. The existence and scope of such a usage must be proved as facts. If it is established that such a usage is embodied in a trade code or similar record, the interpretation of the record is a question of law.

(d) A course of performance or course of dealing between the parties or usage of trade in the vocation or trade in which they are engaged or of which they are or should be aware is relevant in ascertaining the meaning of the parties’ agreement, may give particular meaning to specific terms of the agreement, and may supplement or qualify the terms of the agreement. A usage of trade applicable in the place in which part of the performance under the agreement is to occur may be so utilized as to that part of the performance.

(e) Except as otherwise provided in subsection (f) of this section, the express terms of an agreement and any applicable course of performance, course of dealing, or usage of trade must be construed whenever reasonable as consistent with each other. If such a construction is unreasonable:

1. Express terms prevail over course of performance, course of dealing, and usage of trade;
2. Course of performance prevails over course of dealing and usage of trade; and
3. Course of dealing prevails over usage of trade.

(f) Subject to RCW 62A.2-209 and 62A.2A-208, a course of performance is relevant to show a waiver or modification of any term inconsistent with the course of performance.

(g) Evidence of a relevant usage of trade offered by one party is not admissible unless that party has given the other party notice that the court finds sufficient to prevent unfair surprise to the other party.

NEW SECTION. Sec. 118. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-304, to read as follows: OBLIGATION OF GOOD FAITH. Every contract or duty within this title imposes an obligation of good faith in its performance and enforcement.

NEW SECTION. Sec. 119. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-305, to read as follows: REMEDIES TO BE LIBERALLY ADMINISTERED. (b) Any right or obligation declared by this title is enforceable by action unless the provision declaring it specifies a different and limited effect.

NEW SECTION. Sec. 120. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-306, to read as follows: WAIVER OR RENUNCIATION OF CLAIM OR RIGHT AFTER BREACH. A claim or right arising out of an alleged breach may be discharged in whole or in part without consideration by agreement of the aggrieved party in an authenticated record.

NEW SECTION. Sec. 121. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-307, to read as follows: PRIMA FACIE EVIDENCE BY THIRD-PARTY DOCUMENTS. A document in due form purporting to be a bill of lading, policy or certificate of insurance, official weigher's or inspector's certificate, consular invoice, or any other document authorized or required by the contract to be issued by a third party is prima facie evidence of its own authenticity and genuineness and of the facts stated in the document by the third party.

NEW SECTION. Sec. 122. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-308, to read as follows: PERFORMANCE OR ACCEPTANCE UNDER RESERVATION OF RIGHTS. (a) A party that with explicit reservation of rights performs or promises performance or assents to performance in a manner demanded or offered by the other party does not thereby prejudice the rights reserved. Such words as “without prejudice,” “under protest,” or the like are sufficient.

(b) Subsection (a) of this section does not apply to an accord and satisfaction.

NEW SECTION. Sec. 123. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-309, to read as follows: OPTION TO ACCELERATE AT WILL. A term providing that one party or that party’s successor in interest may accelerate payment or performance or require collateral or additional collateral “at will” or when the party “deems itself insecure,” or words of similar import, means that the party has power to do so only if that party in good faith believes that the prospect of payment or performance is impaired. The burden of establishing lack of good faith is on the party against which the power has been exercised.

NEW SECTION. Sec. 124. A new section is added to chapter 62A.1 RCW, to be codified as RCW 62A.1-310, to read as follows: SUBORDINATED OBLIGATIONS. An obligation may be issued as subordinated to performance of another obligation of the person obligated, or a creditor may subordinate its right to performance of an obligation by agreement with either the person obligated or another creditor of the person obligated. Subordination does not create a security interest as against either the common debtor or a subordinated creditor.

ARTICLE 7

WAREHOUSE RECEIPTS: SPECIAL PROVISIONS

Sec. 301. RCW 62A.7-201 and 2011 c 336 s 826 are each amended to read as follows:

(START)(WHICH) PERSON THAT MAY ISSUE A WAREHOUSE RECEIPT: STORAGE UNDER ((GOVERNMENT)) BOND. ((END))

(a) A warehouse receipt may be issued by any warehouse ((operator)).

(b) If goods, including distilled spirits and agricultural commodities, are stored under a statute requiring a bond against withdrawal or a license for the issuance of receipts in the nature of warehouse receipts, a receipt issued for the goods ((hereinafter)) is deemed to be a warehouse receipt even ((therein)) if issued by a person ((who)) that is the owner of the goods and is not a warehouse ((operator)).

Sec. 302. RCW 62A.7-202 and 2011 c 336 s 827 are each amended to read as follows:

FORM OF WAREHOUSE RECEIPT; ((ESSENTIAL TERMS: OPTIONAL TERMS)) EFFECT OF OMISSION. ((END))

(a) A warehouse receipt need not be in any particular form.

(b) Unless a warehouse receipt ((embodies within its written, printed, or electronic terms)) provides for each of the following, the warehouse ((operator)) is liable for damages caused ((by the omission)) to a person injured ((thereby)) by its omission:

(1) A statement of the location of the warehouse facility where the goods are stored;

(2) The date of issue of the receipt;

(3) The (consecutive number) unique identification code of the receipt;

(4) A statement whether the goods received will be delivered to the bearer, to a (specified) named person, or to a (specified) named person or (his or her) order;

(5) The rate of storage and handling charges, (except that unless) goods are stored under a field warehousing arrangement, in which case a statement of that fact is sufficient on a nonnegotiable receipt;

(6) A description of the goods or (any) the packages containing them;

(7) The signature of the warehouse ((operator, which may be made by his or her authorized)) or its agent;

(8) If the receipt is issued for goods ((of which the warehouse operator is owner)) that the warehouse owns, either solely ((or)), jointly, or in common with others, a statement of the fact of ((such)) that ownership; and

(9) A statement of the amount of advances made and of liabilities incurred for which the warehouse ((operator)) claims a lien or security interest ((RCW 62A.7-201)), unless the precise amount of ((such)) advances made or (of such) liabilities incurred ((to)), at the time of the issue of the receipt, is unknown to the warehouse ((operator)) or to (his or her) its agent ((who issues it)), that issued the receipt, in which case a statement of the fact that advances have been made or liabilities incurred and the purpose ((thereof)) of the advances or liabilities is sufficient.

(c) A warehouse ((operator)) may insert in (his or her) its receipt any (other) terms (which) that are not contrary to the provisions of this title and do not impair (his or her) its obligation of delivery ((under)) under RCW 62A.7-403((to)) or (his or her) its duty of care ((under) RCW 62A.7-204((to))). Any contrary provision ((shall be)) is ineffective.

Sec. 303. RCW 62A.7-203 and 1965 ex.s.c. 157 s 7-203 are each amended to read as follows:

LIABILITY FOR NONRECEIPT OR MISDESCRIPTION. A party to or purchaser for value in good faith of a document of title other than a bill of lading (relying in either case), that relies upon the description ((therein)) of the goods in the document may recover from the issuer damages caused by the nonreceipt or misdescription of the goods, except to the extent that:

(1) The document conspicuously indicates that the issuer does not know whether (any) or (all) of the goods in fact were received or conform to the description, such as ((where)) a case in which the description is in terms of marks or labels or kind, quantity, or condition, or the receipt or description is qualified by "contents, condition, and quality unknown," "said to contain," or (the like) words of similar import, if ((such)) the indication ((therein)) is true((if)); or

(2) The party or purchaser otherwise has notice of the nonreceipt or misdescription.

Sec. 304. RCW 62A.7-204 and 2011 c 336 s 828 are each amended to read as follows:

DUTY OF CARE; CONTRACTUAL LIMITATION OF WAREHOUSE'S ((OPERATOR)) LIABILITY. ((END))

(a) A warehouse ((operator)) is liable for damages for loss of or injury to the goods caused by (his or her) its failure to exercise ((such)) care (with) regard to ((therein)) the goods that a reasonably careful person would exercise under ((like)) similar circumstances ((but)), unless otherwise agreed ((by)) the warehouse is not liable for damages ((which)) that could not have been avoided by the exercise of ((such)) that care.

FIFTY FIFTH DAY, MARCH 3, 2012
((24)) (b) Damages may be limited by a term in the warehouse receipt or storage agreement limiting the amount of liability in case of loss or damage (provided for a specific liability per article or item, or per value per unit of weight, etc.), beyond which the warehouse operator (whether the operator shall not be) is not liable. (provided, however, that such liability may be written). Such a limitation is not effective with respect to the warehouse's liability for conversion to its own use. On request of the bailor, in a record, at the time of signing, the storage agreement or within a reasonable time after receipt of the warehouse receipt, the warehouse's liability may be increased on part or all of the goods (thereunder, in which) covered by the storage agreement or the warehouse receipt. In this event, increased rates may be charged based on (such) an increased valuation (but that no such increase be permitted contrary to a lawful limitation of liability contained in the warehouse operator's tariff, if any). No such limitation is effective with respect to the warehouse operator's liability for conversion to his or her own use) of the goods.

((25)) (c) Reasonable provisions as to the time and manner of presenting claims and (notifying) commencing actions based on the bailment may be included in the warehouse receipt or (tlurth) storage agreement.

((44)) (d) This section does not ((impair or repeal the duties of care or liabilities or penalties for breach thereof as provided in)) modify or repeal the provisions of chapters 22.09 and 22.32 RCW.

Sec. 305. RCW 62A.7-205 and 2011 c 336 s 829 are each amended to read as follows:

TITLE UNDER WAREHOUSE RECEIPT DEFEATED IN CERTAIN CASES. A buyer in (tlurth) ordinary course of business of fungible goods sold and delivered by a warehouse (operator who) that is also in the business of buying and selling such goods takes the goods free of any claim under a warehouse receipt even ((through it)) if the receipt is negotiable and has been duly negotiated.

Sec. 306. RCW 62A.7-206 and 2011 c 336 s 830 are each amended to read as follows:

TERMINATION OF STORAGE AT (WAREHOUSE OPERATORS) WAREHOUSE'S OPTION. (((44))) (a) A warehouse (operator may on notifying)) by giving notice to the person on whose account the goods are held and any other person known to claim an interest in the goods, may require payment of any charges and removal of the goods from the warehouse at the termination of the period of storage fixed by the document (a) or, if (no) a period is not fixed, within a stated period not less than thirty days after the (notice) warehouse gives notice. If the goods are not removed before the date specified in the (notice) notice, the warehouse (operator) may sell them (in accordance with the provisions of the section on enforcement of a warehouse operator's lien)) pursuant to RCW 62A.7-210((a)).

((26)) (b) If a warehouse (operator) in good faith believes that (tlurth) goods are about to deteriorate or decline in value to less than the amount of (his or her) lien within the time ((prescribed)) provided in subsection (a) of this section ((for notification, advertisement, and sale)) and RCW 62A.7-210, the warehouse (operator) may specify in the (notice)) notice given under subsection (a) of this section any reasonable shorter time for removal of the goods and ((in case)) if the goods are not removed, may sell them at public sale held not less than one week after a single advertisement or posting.

((44)) (c) If, as a result of a quality or condition of the goods of which the warehouse (operator had no) did not have notice at the time of deposit, the goods are a hazard to other property (or a warehouse, warehouse facilities, or (of) other persons, the warehouse (operator) may sell the goods at public or private sale without advertisement or posting on reasonable notification to all persons known to claim an interest in the goods. If the warehouse (operator), after a reasonable effort, is unable to sell the goods (the or she)), it may dispose of them in any lawful manner and ((shall)) does not incur ((will)) liability by reason of ((shall)) that disposition.

((44)) (d) The warehouse (operator must)) shall deliver the goods to any person entitled to them under this Article upon due demand made at any time ((prior to) before sale or other disposition under this section.

((45)) (e) The warehouse (operator) may satisfy ((his or her)) its lien from the proceeds of any sale or disposition under this section but ((must)) shall hold the balance for delivery on the demand of any person to ((whom he or she)) which the warehouse would have been bound to deliver the goods.

Sec. 307. RCW 62A.7-207 and 1965 ex.s.c. 157 s 7-208 are each amended to read as follows:

GOODS MUST BE KEPT SEPARATE; FUNGIBLE GOODS. ((44)) (a) Unless the warehouse receipt provides otherwise ((provided)), a warehouse (operator must)) shall separate the goods covered by each receipt so as to permit at all times identification and delivery of those goods (except that). However, different lots of fungible goods may be commingled.

((26)) (b) If different lots of fungible goods (((are))) are commingled, the goods are owned in common by the persons entitled thereto and the warehouse (operator) is severally liable to each owner for that owner's share. (((Where)) If, because of over-issue, a mass of fungible goods is insufficient to meet all the receipts (((which)) the warehouse (operator) has issued against it, the persons entitled include all holders to ((which)) which overissued receipts have been duly negotiated.

Sec. 308. RCW 62A.7-208 and 1965 ex.s.c. 157 s 7-208 are each amended to read as follows:

ALTERED WAREHOUSE RECEIPTS. (((Where)) If a blank in a negotiable tangible warehouse receipt has been filled in without authority, a good-faith purchaser for value and without notice of the ((want)) lack of authority may treat the insertion as authorized. Any other unauthorized alteration leaves any tangible or electronic warehouse receipt enforceable against the issuer according to its original tenor.

Sec. 309. RCW 62A.7-207 and 1965 ex.s.c. 157 s 7-208 are each amended to read as follows:

LIEN OF WAREHOUSE ((OPERATOR)). ((44)) (a) A warehouse ((operator)) has a lien against the bailor on the goods covered by a warehouse receipt or storage agreement or on the proceeds thereof (in (his or her)) its possession for charges for storage or transportation (in), including demurrage and terminal charges ((in)), insurance, labor, or other charges, present or future, in relation to the goods, and for expenses necessary for preservation of the goods or reasonably incurred in their sale pursuant to law. If the person on whose account the goods are held is liable for ((like)) similar charges or expenses in relation to other goods whenever deposited and it is stated in the warehouse receipt or storage agreement that a lien is claimed for charges and expenses in relation to other goods, the warehouse (operator) also has a lien against (his or her) the goods covered by the warehouse receipt or storage agreement or on the proceeds thereof in its possession for ((which)) those charges and expenses, whether or not the other goods have been delivered by the warehouse (operator). ((But)) However, as against a person to ((whom)) which a negotiable warehouse receipt is duly negotiated, a ((warehouse operator's)) warehouse's lien is limited to charges in an amount or at a rate specified ((in)) in the warehouse receipt or, if no charges are so specified ((therein)), to a reasonable charge for storage of the specific goods covered by the receipt subsequent to the date of the receipt. A ((warehouse operator's)) warehouse's lien as provided in this chapter takes priority over all other liens and perfected or unperfected security interests.

((26)) (b) The warehouse ((operator)) may also reserve a security interest against the bailor for ((a)) the maximum amount specified on the receipt for charges other than those specified in subsection ((44))
The security interest is governed by Article 9A of this title.

A warehouse operator loses its lien on any goods which the lienor voluntarily delivers to the operator or the operator otherwise acquires possession of the goods. However, the lien or security interest is not effective against a person that before issuance of a document of title had a legal interest or a perfected security interest in the goods and that did not:

1. Deliver or entrust the goods or any document of title covering the goods to the bailor or its nominee, or
2. Acquiesce in the procurement by the bailor or its nominee of such documents.

A warehouse's lien on household goods for delivery or entrustment of goods (or packages) is not lost by the operator's failure to comply with RCW 62A.7-304(c), 62A.2A-305(2), 62A.9A-320, or 62A.9A-321(c) or other statute or rule of law.

A warehouse operator's lien is on goods stored by a merchant in the ordinary course of business, not to exceed six conspicuous places in the neighborhood of the place of deposit. The lien may be enforced in accordance with either subsection (1) or (2) of this section.

The rights provided by this section (shall be) in addition to all other rights allowed by law to a creditor against the debtor.

The warehouse operator is liable for damages caused by failure to comply with the requirements for sale under this section and, in case of willful violation, is liable for conversion.

Sec. 403. RCW 62A.7-303 and 1965 ex.s. c 157 s 7-303 are each amended to read as follows:

DIVERSION; RECONSIGNMENT; CHANGE OF INSTRUCTIONS. (a) Unless the bill of lading otherwise provides, (the) a carrier may deliver the goods to a person or destination other than that stated in the bill or may otherwise dispose of the goods, without liability for misdelivery, on instructions from;

Sec. 405. RCW 62A.7-305 and 1965 ex.s. c 157 s 7-305 are each amended to read as follows:

DESTINATION BILLS. (((44)) (a) Instead of issuing a bill of lading to the consignor at the place of shipment, a carrier (may) at the request of the consignor, may procure the bill to be issued at destination or at any other place designated in the request. (((44)) (b) Upon request of (anyone) any person entitled as against ((the lien)) a carrier to control the goods while in transit and on surrender of possession or control of any outstanding bill of lading or other receipt covering ((such)) the goods, the issuer, subject to RCW 62A.7-105, may procure a substitute bill to be issued at any place designated in the request.

Sec. 406. RCW 62A.7-307 and 1965 ex.s. c 157 s 7-307 are each amended to read as follows:

LIEN OF CARRIER. (((44)) (a) A carrier has a lien on the goods covered by a bill of lading or on the proceeds thereof in its possession for charges (subsequent) after the date of (((44)) the carrier's receipt of the goods for storage or transportation (including demurrage and terminal charges)) and for expenses necessary for preservation of the goods incident to their transportation or reasonably incurred in their sale pursuant to law. (Bat) However, against a purchaser for value of a negotiable bill of lading, a carrier's lien is limited to charges stated in the bill or the applicable tariffs or if no charges are stated (then) a reasonable charge.

(((44)) (b) A lien for charges and expenses under subsection (((44)) a) of this section on goods (which) that the carrier was required by law to receive for transportation is effective against the consignor or any person entitled to the goods unless the carrier had notice that the consignor lacked authority to subject the goods to the lien (or) those charges and expenses. Any lien under subsection (((44)) a) of this section is effective against the consignor and any person (which) permitted the bailor to have control or possession of the goods unless the carrier had notice that the bailor lacked (such) authority.

(((44)) (c) A carrier loses (his) its lien on any goods (which he) that it voluntarily delivers or (which) unjustifiably refuses to deliver.

Sec. 407. RCW 62A.7-308 and 1965 ex.s. c 157 s 7-308 are each amended to read as follows:

ENFORCEMENT OF CARRIER'S LIEN. (((44)) (a) A carrier's lien on goods may be enforced by public or private sale of the goods, in (bULK) bulk or in (pANCASeS) packages, at any time and place and on any terms (which) that are commercially reasonable, after notifying all persons known to claim an interest in the goods. (Such) The notification must include a statement of the amount due, the nature of the proposed sale, and the time and place of any public sale. The fact that a better price could have been obtained by a sale at a different time or in a method different (method) from that selected by the carrier is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. The carrier sells goods in a commercially reasonable manner if the carrier (either) sells the goods in the usual manner in any recognized market therefor (or if he) sells at the price current in (such) that market at the time of (the) the sale or (if he has) otherwise (sold) sells in conformity with commercially reasonable practices among dealers in the type of goods sold (he has sold in a commercially reasonable manner). A sale of more goods than apparently necessary to be offered to ensure satisfaction of the obligation is not commercially reasonable, except in cases covered by the preceding sentence.

(((44)) (b) Before any sale pursuant to this section, any person claiming a right in the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred (under) in complying with this section. In that event, the goods (thereof) may not be sold(()) but must be retained by the carrier, subject to the terms of the bill of lading and this Article.

(((44)) (c) A carrier may buy at any public sale pursuant to this section.

(((44)) (d) A purchaser in good faith of goods sold to enforce a carrier's lien takes the goods free of any rights of persons against (whom) which the lien was valid, despite the carrier's noncompliance (by the carrier) with (the requirements of) this section.

(((44)) (e) A carrier may satisfy (his) its lien from the proceeds of any sale pursuant to this section but (must) shall hold the balance, if any, for delivery on demand to any person (to whom the carrier) which the carrier would have been bound to deliver the goods. (Fifth) (1) The rights provided by this section (shall) are in addition to all other rights allowed by law to a creditor (against) a debtor.

(((44)) (g) A carrier's lien may be enforced (in accordance with) pursuant to either subsection (((44)) a) of this section or the procedure set forth in (subsection (2))) RCW 62A.7-210(b).

(((44)) (h) A carrier is liable for damages caused by failure to comply with the requirements for sale under this section and, in case of willful violation, is liable for conversion.

Sec. 408. RCW 62A.7-309 and 2009 c 549 s 1017 are each amended to read as follows:

(((44)) (b) Damages may be limited by a (provision) term in the bill of lading or in a transportation agreement that the carrier's liability (shall) may not exceed a value stated in the (document) bill of lading or transportation agreement if the carrier's rates are dependent upon value and the consignor (by the carrier's rates) is afforded an opportunity to declare a higher value (or a value as lawfully provided in the tariff, or where no tariff) and the consignor is (if filed he or she is otherwise) advised of (such) the opportunity (but no). However, such a limitation is not effective with respect to the carrier's liability for conversion to its own use.

(((44)) (c) Reasonable provisions as to the time and manner of presenting claims and (instituting) commencing actions based on the shipment may be included in a bill of lading or (tariff) a transportation agreement.

(c) Indorsement of a nonnegotiable document of title neither makes it negotiable nor adds to the transferee's rights.

((62)) (d) The naming in a negotiable bill of lading of a person to be notified of the arrival of the goods does not limit the negotiability of the bill or constitute notice to a purchaser of the bill of any interest of the person in the goods.

RIGHTS ACQUIRED BY DUE NEGOTIATION. ((63)) (a) Subject to ((the following section and the provisions of)) RCW 62A.7-205 (on fungible goods) and 62A.7-503, a holder to whom a negotiable document of title has been duly negotiated acquires thereby:

((63)) (b) Subject to (the following section) RCW 62A.7-503, title and rights acquired by due negotiation are not defeated by any stoppage of the goods represented by the document of title or by surrender of (the) the goods by the bailee and are not impaired even (though) if:

(1) The due negotiation or any prior due negotiation constituted a breach of duty (or even though);

(3) By a lessee from the transferor in ordinary course of business if the bailee has delivered the goods to the lessee or received notification of the lessee's rights; or

(4) As against the bailee, by good-faith dealings of the bailee with the transferor.

((63)) (c) A diversion or other change of shipping instructions by the consignor in a nonnegotiable bill of lading which causes the bailee not to deliver the goods to the consignee defeats the consignee's title to the goods if (of the) the goods have been delivered to a buyer in ordinary course of business or a lessee in ordinary course of business and, in any event, defeats the consignee's rights against the bailee.

((63)) (d) Delivery of the goods pursuant to a nonnegotiable document of title may be stopped by a seller under RCW 62A.2-705((and)) or a lessee under RCW 62A.2A-526, subject to the requirements of due notification (there provided) in those statutes. If the document was ((not negotiable, such)) nonnegotiable, the court may require security ((may be required at the discretion of the court)). Sec. 804. RCW 62A.2-310 and 1965 ex.s. c 157 s 2-310 are each amended to read as follows:

OPEN TIME FOR PAYMENT OR RUNNING OF CREDIT; AUTHORITY TO SHIP UNDER RESERVATION. Unless otherwise agreed;

(a) Payment is due at the time and place at which the buyer is to receive the goods even though the place of shipment is the place of delivery; and

(b) If the seller is authorized to send the goods he or she may ship them under reservation, and may tender the documents of title, but the buyer may inspect the goods after their arrival before payment is due unless such inspection is inconsistent with the terms of the contract (RCW 62A.2-513); and

(c) If delivery is authorized and made by way of documents of title otherwise than by subsection (b) of this section then payment is due regardless of where the goods are to be received (i) at the time and place at which the buyer is to receive delivery of the tangible documents (regardless of where the goods are to be received) or (ii) at the time the buyer is to receive delivery of the electronic documents and at the seller's place of business or if none, the seller's residence; and

(d) Where the seller is required or authorized to ship the goods on credit the credit period runs from the time of shipment but post-dating the invoice or delaying its dispatch will correspondingly delay the starting of the credit period.

Sec. 805. RCW 62A.2-323 and 1965 ex.s. c 157 s 2-323 are each amended to read as follows:

FORM OF BILL OF LADING REQUIRED IN OVERSEAS SHIPMENT; "OVERSEAS." (1) Where the contract contemplates overseas shipment and contains a term C.I.F. or C.&F. or F.O.B. vessel, the seller unless otherwise agreed must obtain a negotiable bill

(2) Where in a case within subsection (1) of this section a tangible bill of lading has been issued in a set of parts, unless otherwise agreed if the documents are not to be sent from abroad the buyer may demand tender of the full set; otherwise only one part of the bill of lading need be tendered. Even if the agreement expressly requires a full set:

(a) Due tender of a single part is acceptable within the provisions of this Article on cure of improper delivery (subsection (1) of Sec. 806); and

Sec. 806. RCW 62A.2-401 and 1965 ex.s. c 157 s 2-401 are each amended to read as follows:

PASSING OF TITLE; RESERVATION FOR SECURITY; LIMITED APPLICATION OF THIS SECTION. Each provision of this Article with regard to the rights, obligations and remedies of the seller, the buyer, purchasers or other third parties applies irrespective of title to the goods except where the provision refers to such title. Insofar as situations are not covered by the other provisions of this Article and matters concerning title become material the following rules apply:

(1) Title to goods cannot pass under a contract for sale prior to their identification to the contract (RCW 62A.2-501), and unless otherwise explicitly agreed the buyer acquires by their identification a special property as limited by this title. Any retention or reservation by the seller of the title (property) in goods shipped or delivered to the buyer is limited in effect to a reservation of a security interest.

Subject to these provisions and to the provisions of the Article on Secured Transactions Article 9A, title to goods passes from the seller to the buyer in any manner and on any conditions explicitly agreed on by the parties.

(2) Unless otherwise explicitly agreed title passes to the buyer at the time and place at which the seller complete his or her performance with reference to the physical delivery of the goods, despite any reservation of a security interest and even though a document of title is to be delivered at a different time or place; and in particular and despite any reservation of a security interest by the bill of lading:

(a) If the contract requires or authorizes the seller to send the goods to the buyer but does not require him or her to deliver them at destination, title passes to the buyer at the time and place of shipment; but

(b) If the contract requires delivery at destination, title passes on tender there.

(3) Unless otherwise explicitly agreed where delivery is to be made without moving the goods:

(a) If the seller is to deliver a tangible document of title, title passes at the time when and the place where he or she delivers such documents and if the seller is to deliver an electronic document of title, title passes when the seller delivers the document; or

(b) If the goods are at the time of contracting already identified and no documents of title are to be delivered, title passes at the time and place of contracting.

(4) A rejection or other refusal by the buyer to receive or retain the goods, whether or not justified, or a justified revocation of acceptance revests title to the goods in the seller. Such revesting occurs by operation of law and is not a "sale 2."(g)

Sec. 807. RCW 62A.2-503 and 1965 ex.s. c 157 s 2-503 are each amended to read as follows:

MANNER OF SELLER'S TENDER OF DELIVERY. (1) Tender of delivery requires that the seller put and hold conforming goods at the buyer's disposition and give the buyer any notification reasonably necessary to enable him or her to take delivery. The manner, time and place for tender are determined by the agreement and this Article, and in particular:

(a) Tender must be at a reasonable hour, and if it is of goods they must be kept available for the period reasonably necessary to enable the buyer to take possession; but

(b) Unless otherwise agreed the buyer must furnish facilities reasonably suited to the receipt of the goods.

(2) Where the case is within the next section respecting shipment tender requires that the seller comply with its provisions.

(3) Where the buyer is required to deliver at a particular destination tender requires that he or she comply with subsection (1) of this section and also in any appropriate case tender documents as described in subsections (4) and (5) of this section.

(4) Where goods are in the possession of a bailee and are to be delivered without being moved:

(a) Tender requires that the seller either tender a negotiable document of title covering such goods or procure acknowledgment by the bailee of the buyer's right to possession of the goods; but

(b) Tender to the buyer of a nonnegotiable document of title or of a (written direction to) record directing the bailee to deliver is sufficient tender unless the buyer reasonably objects, and except as otherwise provided in Article 9A of this title, receipt by the bailee of notification of the buyer's rights fixes those rights as against the bailee and all third persons; but risk of loss of the goods and of any failure by the bailee to honor the nonnegotiable document of title or to obey the direction remains on the seller until the buyer has had a reasonable time to present the document or direction, and a refusal by the bailee to honor the document or to obey the direction defeats the tender.

(5) Where the contract requires the seller to deliver documents:

(a) He or she must tender all such documents in correct form, except as provided in this Article with respect to bills of lading in a set (subsection (2) of Sec. 806); and

(b) Tender through customary banking channels is sufficient and discharge of a draft accompanying or associated with the documents constitutes nonacceptance or rejection.

Sec. 808. RCW 62A.2-505 and 1965 ex.s. c 157 s 2-505 are each amended to read as follows:

SELLER'S SHIPMENT UNDER RESERVATION. (1) Where the seller has identified goods to the contract by or before shipment:

(a) His or her procurement of a negotiable bill of lading to his or her own order or otherwise reserves in him or her a security interest in the goods. His or her procurement of the bill to the order of a financing agency or of the buyer indicates in addition only the seller's expectation of transferring that interest to the person named.

(b) A nonnegotiable bill of lading naming the buyer as consignee reserves possession of the goods as security but except in a case of conditional delivery (subsection (2) of Sec. 806) of RCW 62A.2-507(2) a nonnegotiable bill of lading naming the buyer as consignee reserves no security interest even though the seller retains possession or control of the bill of lading.

(2) When shipment by the seller with reservation of a security interest is in violation of the contract for sale it constitutes an improper contract for transportation within the preceding section but impairs neither the rights given to the buyer by shipment and identification of the goods to the contract nor the seller's powers as a holder of a negotiable document of title.

Sec. 809. RCW 62A.2-506 and 1965 ex.s. c 157 s 2-506 are each amended to read as follows:

RIGHTS OF FINANCING AGENCY. (1) A financing agency by paying or purchasing for value a draft which relates to a shipment
of goods acquires to the extent of the payment or purchase and in addition to its own rights under the draft and any document of title securing it any rights of the shipper in the goods including the right to stop delivery and the shipper's right to have the draft honored by the buyer.

(2) The right to reimbursement of a financing agency which has in good faith honored or purchased the draft under commitment to or authority from the buyer is not impaired by subsequent discovery of defects with reference to any relevant document which was apparently regular (on its face).

Sec. 810. RCW 62A.2-509 and 1965 ex.s. c 157 s 2-509 are each amended to read as follows:
RISK OF LOSS IN THE ABSENCE OF BREACH. (1) Where the contract requires or authorizes the seller to ship the goods by carrier:
(a) If it does not require him or her to deliver them at a particular destination, the risk of loss passes to the buyer when the goods are duly tendered as to enable the buyer to take possession of the carrier, the risk of loss passes to the buyer when the goods are there duly tendered while in the possession of the carrier, the risk of loss passes to the buyer when the goods are there duly so tendered as to enable the buyer to take delivery.
(b) If it does require him or her to deliver them at a particular destination and the goods are there duly tendered while in the possession of the carrier, the risk of loss passes to the buyer when the goods are there duly so tendered as to enable the buyer to take delivery.

(2) The goods are held by a bailee to be delivered without being moved, the risk of loss passes to the buyer;
(a) On his or her receipt of possession or control of a negotiable document of title covering the goods; or
(b) On acknowledgment by the bailee of the buyer's right to possession of the goods; or
(c) After his or her receipt of possession or control of a nonnegotiable document of title or other ((written)) direction to deliver in a record, as provided in ((subsection (4)(b) of RCW 62A.2-503)) RCW 62A.2-503(4)(b).

(3) In any case not within subsection (1) or (2) of this section, the risk of loss passes to the buyer on his or her receipt of the goods if the seller is a merchant; otherwise the risk passes to the buyer on tender of delivery.

(4) The provisions of this section are subject to contrary agreement of the parties and to the provisions of this Article on sale on approval (RCW 62A.2-327) and on effect of breach on risk of loss (RCW 62A.2-510).

Sec. 811. RCW 62A.2-605 and 1965 ex.s. c 157 s 2-605 are each amended to read as follows:
WAIVER OF BUYER'S OBJECTIONS BY FAILURE TO PARTICULARIZE. (1) The buyer's failure to state in connection with rejection a particular defect which is ascertainable by reasonable inspection precludes him or her from relying on the unstated defect to justify rejection or to establish breach:
(a) Where the seller could have cured it if stated seasonably; or
(b) Between merchants when the seller has after rejection made a request in writing for a full and final written statement of all defects on which the buyer proposes to rely.

(2) Payment against documents made without reservation of rights precludes recovery of the payment for defects apparent (on the face of it) in the documents.

Sec. 812. RCW 62A.2-705 and 2011 c 336 s 823 are each amended to read as follows:
SELLER'S STOPPAGE OF DELIVERY IN TRANSIT OR OTHERWISE. (1) The seller may stop delivery of goods in the possession of a carrier or other bailee when he or she discovers the buyer to be insolvent (RCW 62A.2-702) and may stop delivery of carload, truckload, planeload(((c))) or larger shipments of express or freight when the buyer repudiates or fails to make a payment due before delivery or if for any other reason the seller has a right to withhold or reclaim the goods.

(2) As against such buyer the seller may stop delivery until:
(a) Receipt of the goods by the buyer; or
(b) Acknowledgment to the buyer by any bailee of the goods except a carrier that the bailee holds the goods for the buyer; or
(c) Such acknowledgment to the buyer by a carrier by reshipment or as a warehouse (((operation))); or
(d) Negotiation to the buyer of any negotiable document of title covering the goods.

(3)(a) To stop delivery the seller must so notify as to enable the bailee by reasonable diligence to prevent delivery of the goods.
(b) After such notification the bailee must hold and deliver the goods according to the directions of the seller but the seller is liable to the bailee for any ensuing charges or damages.
(c) If a negotiable document of title has been issued for goods the bailee is not obliged to obey a notification to stop until surrender of possession or control of the document.
(d) A carrier who has issued a nonnegotiable bill of lading is not obliged to obey a notification to stop received from a person other than the consignor.

DEFAULT: PROCEDURE. (1) Whether the lessor or the lessee is in default under a lease contract is determined by the lease agreement and this Article.

(2) If the lessor or the lessee is in default under the lease contract, the party seeking enforcement has rights and remedies as provided in this Article and, except as limited by this Article, as provided in the lease agreement.

(3) If the lessor or the lessee is in default under the lease contract, the party seeking enforcement may reduce the party's claim to judgment, or otherwise enforce the lease contract by self help or any available judicial procedure or nonjudicial procedure, including administrative proceeding, arbitration, or the like, in accordance with this Article.

(4) Except as otherwise provided in (RCW 62A.1-106(4)) RCW 62A.1-305(a) or this Article or the lease agreement, the rights and remedies referred to in subsections (2) and (3) of this section are cumulative.

(5) If the lease agreement covers both real property and goods, the party seeking enforcement may proceed under this Part 5 as to the goods, or under other applicable law as to both the real property and the goods in accordance with that party's rights and remedies in respect of the real property, in which case this Part 5 does not apply.

Sec. 904. RCW 62A.2A-514 and 1993 c 230 s 2A-514 are each amended to read as follows:

WAIVER OF LESSEE'S OBJECTIONS. (1) In rejecting goods, a lessee's failure to state a particular defect that is ascertainable by reasonable inspection precludes the lessee from relying on the defect to justify rejection or to establish default:

(a) If, stated seasonably, the lessor or the supplier could have cured it (RCW 62A.2A-513); or
(b) Between merchants if the lessor or the supplier after rejection has made a request in writing for a full and final written statement of all defects on which the lessee proposes to rely.

(2) A lessee's failure to reserve rights when paying rent or other consideration against documents precludes recovery of the payment for defects apparent (on the face of) the documents.

Sec. 905. RCW 62A.2A-518 and 1993 c 230 s 2A-518 are each amended to read as follows:

COVER; SUBSTITUTE GOODS. (1) After a default by a lessor under the lease contract of the type described in ((e))RCW 62A.2A-508(1)(i)), or, if agreed, after other default by the lessor, the lessee may cover by making any purchase or lease of or contract to purchase or lease goods in substitution for those due from the lessor.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (RCW 62A.2A-504) or otherwise determined pursuant to agreement of the parties (RCW 62A.1-102(3)) (RCW 62A.1-302 and 62A.2A-503), if a lessee's cover is by a lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessee may recover from the lessor as damages (i) the present value, as of the date of the commencement of the term of the new lease agreement, of the rent under the new lease applicable to that period of the new lease term
which is comparable to the then remaining term of the original lease agreement minus the present value as of the same date of the total rent for the then remaining lease term of the original lease agreement, and (ii) any incidental or consequential damages, less expenses saved in consequence of the lessor's default.

(3) If a lessee's cover is by lease agreement that for any reason does not qualify for treatment under subsection (2) of this section, or is by purchase or otherwise, the lessee may recover from the lessor as if the lessee had elected not to cover and RCW 62A.2A-519 governs.

Sec. 906. RCW 62A.2A-519 and 1993 c 230 s 2A-519 are each amended to read as follows:

LESSOR'S DAMAGES FOR NONDELIVERY, REPUDIATION, DEFAULT, AND BREACH OF WARRANTY IN REGARD TO ACCEPTED GOODS. (1) Except as otherwise provided with respect to damages liquidated in the lease agreement (RCW 62A.2A-504) or otherwise determined pursuant to agreement of the parties (Sec. 906 (1)), if a lessee elects not to cover or a lessee elects to cover and the cover is by lease agreement that for any reason does not qualify for treatment under RCW 62A.2A-518(2), or is by purchase or otherwise, the measure of damages for nondelivery or repudiation by the lessor or for rejection or revocation of acceptance by the lessee is the present value, as of the date of the default, of the then market rent minus the present value as of the same date of the original rent, computed for the remaining lease term of the original lease agreement, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(2) Market rent is to be determined as of the place for tender or, in cases of rejection after arrival or revocation of acceptance, as of the place of arrival.

(3) Except as otherwise agreed, if the lessee has accepted goods and given notification (RCW 62A.2A-516(3)), the measure of damages for nonconforming tender or delivery or other default by a lessor is the loss resulting in the ordinary course of events from the lessor's default as determined in any manner that is reasonable together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(4) Except as otherwise agreed, the measure of damages for breach of warranty is the present value at the time and place of acceptance of the difference between the value of the use of the goods accepted and the value if they had been as warranted for the lease term, unless special circumstances show proximate damages of a different amount, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default or breach of warranty.

Sec. 907. RCW 62A.2A-526 and 2011 c 336 s 824 are each amended to read as follows:

LESSOR'S STOPPAGE OF DELIVERY IN TRANSIT OR OTHERWISE. (1) A lessor may stop delivery of goods in the possession of a carrier or other bailee if the lessor discovers the lessee to be insolvent and may stop delivery of carload, truckload, planeload, or larger shipments of express or freight if the lessee repudiates or fails to make a payment due before delivery, whether for rent, security, or otherwise under the lease contract, or for any other reason the lessor has a right to withhold or take possession of the goods.

(2) In pursuing its remedies under subsection (1) of this section, the lessor may stop delivery until:

(a) Receipt of the goods by the lessee;

(b) Acknowledgment to the lessee by any bailee of the goods, except a carrier, that the bailee holds the goods for the lessee; or

(c) Such an acknowledgment to the lessee by a carrier via reshipment or as a warehouse (Sec. 907).

(3)(a) To stop delivery, a lessor shall so notify as to enable the bailee by reasonable diligence to prevent delivery of the goods.

(b) After notification, the bailee shall hold and deliver the goods according to the directions of the lessor, but the lessor is liable to the bailee for any ensuing charges or damages.

(c) A carrier who has issued a nonnegotiable bill of lading is not obliged to obey a notification to stop received from a person other than the consignor.

Sec. 908. RCW 62A.2A-527 and 1993 c 230 s 2A-527 are each amended to read as follows:

LESSOR'S RIGHTS TO DISPOSE OF GOODS. (1) After a default by a lessee under the lease contract of the type described in RCW 62A.2A-523 (1) or (3)(a) or after the lessor refuses to deliver or takes possession of goods (RCW 62A.2A-525 or 62A.2A-526), or, if agreed, after other default by a lessee, the lessor may dispose of the goods concerned or the undelivered balance thereof by lease, sale, or otherwise.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (RCW 62A.2A-504) or otherwise determined pursuant to agreement of the parties (Sec. 906 (1)), if the disposition is by lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessor may recover from the lessee as damages (i) accrued and unpaid rent as of the date of the commencement of the term of the new lease agreement, (ii) the present value, as of the same date, of the total rent for the then remaining lease term of the original lease agreement minus the present value, as of the same date, of the rent under the new lease agreement applicable to that period of the new lease term which is comparable to the then remaining term of the original lease agreement, and (iii) any incidental damages allowed under RCW 62A.2A-530, less expenses saved in consequence of the lessee's default.

(3) If the lessor's disposition is by lease agreement that for any reason does not qualify for treatment under subsection (2) of this section, or is by sale or otherwise, the lessor may recover from the lessee as if the lessee had elected not to dispose of the goods and RCW 62A.2A-528 governs.

(4) A subsequent buyer or lessee who buys or leases from the lessor in good faith for value as a result of a disposition under this section takes the goods free of the original lease contract and any rights of the original lessee even though the lessor fails to comply with one or more of the requirements of this Article.

(5) The lessor is not accountable to the lessee for any profit made on any disposition. A lessee who has rightfully rejected or justifiably revoked acceptance shall account to the lessor for any excess over the amount of the lessee's security interest (RCW 62A.2A-508(2)).

Sec. 909. RCW 62A.2A-528 and 1993 c 230 s 2A-528 are each amended to read as follows:

(1) Except as otherwise provided with respect to damages liquidated in the lease agreement (RCW 62A.2A-504) or otherwise determined pursuant to agreement of the parties (Sec. 906 (1))(a) or after the lessor refuses to deliver or takes possession of goods (RCW 62A.2A-523 (1) or (3)(a)), or, if agreed, for other default of the lessee, (i) accrued and unpaid rent as of the date of default if the lessee has never taken possession of the goods, or, if the lessee has taken possession of the goods, as of the date the lessee repossesses the goods or an earlier date on which the lessee makes a tender of the goods to the lessor, (ii) the present value as of the date determined under (i) of this subsection (Sec. 909 (1)(a)) of the total rent for the then remaining lease term of the original lease agreement minus
the present value as of the same date of the market rent at the place

(iii) any incidental damages allowed under RCW 62A.2A-530, less
expenses saved in consequence of the lessee's default.

made from full performance by the lessee, together with any
incidental damages allowed under RCW 62A.2A-530, due allowance
for costs reasonably incurred and due credit for payments or proceeds

ARTICLE 3

Sec. 1001. RCW 62A.3-103 and 1993 c 229 s 5 are each
amended to read as follows:

DEFINITIONS. (a) In this Article:
(1) "Acceptor" means a drawee who has accepted a draft.
(2) "Drawee" means a person ordered in a draft to make payment.
(3) "Drawer" means a person who signs or is identified in a draft

(4) (("Good faith" means honesty in fact and the observance of
reasonable commercial standards of fair dealing.)) [Reserved.]
(5) "Maker" means a person who signs or is identified in a note as

(6) "Order" means a written instruction to pay money signed by
the person giving the instruction. The instruction may be addressed

to any person, including the person giving the instruction, or to one or
more persons jointly or in the alternative but not in succession. An
authorization to pay is not an order unless the person authorized to
pay is also instructed to pay.
(7) "Ordinary care" in the case of a person engaged in business
means observance of reasonable commercial standards, prevailing in
the area in which the person is located, with respect to the business in
which the person is engaged. In the case of a bank that takes an
instrument for processing for collection or payment by automated
means, reasonable commercial standards do not require the bank to
examine the instrument if the failure to examine does not violate the
bank's prescribed procedures and the bank's procedures do not vary
unreasonably from general banking usage not disapproved by this
Article or Article 4.
(8) "Party" means a party to an instrument.
(9) "Promise" means a written undertaking to pay money signed
by the person undertaking to pay. An acknowledgment of an
obligation by the obligor is not a promise unless the obligor also
undertakes to pay the obligation.

establishing the fact (RCW 62A.1-201(b)(8)).
(11) "Remitter" means a person who purchases an instrument

(1) In case of an item deposited in an account, to the extent to which credit given for the item has been withdrawn or applied;

(2) In case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given whether or not the credit is drawn upon or there is a right of charge-back; or

(1) No security agreement is necessary to make the security interest enforceable [RCW 62A.9A-203(b)(3)(A)];

(2) No filing is required to perfect the security interest; and

(4) In addition ((to)), Article 1 (((RCW 62A.1-101 through 62A.1-203))) contains general definitions and principles of construction and interpretation applicable throughout this Article.

**Sec. 1202.** RCW 62A.4A-106 and 1991 sp.s.c 21 s 4A-106 are each amended to read as follows:

**TIME PAYMENT ORDER IS RECEIVED.** (1) The time of receipt of a payment order or communication canceling or amending a payment order is determined by the rules applicable to receipt of a notice stated in (((RCW 62A.1-201(27)b)) RCW 62A.1-202). A receiving bank may fix a cut-off time or times on a funds-transfer business day for the receipt and processing of payment orders and communications canceling or amending payment orders. Different cut-off times may apply to payment orders, cancellations, or amendments, or to different categories of payment orders, cancellations, or amendments. A cut-off time may apply to senders generally or different cut-off times may apply to different senders or categories of payment orders. If a payment order or communication canceling or amending a payment order is received after the close of a funds-transfer business day or after the appropriate cut-off time on a funds-transfer business day, the receiving bank may treat the payment order or communication as received at the opening of the next funds-transfer business day.

(2) If this Article refers to an execution date or payment date or states a day on which a receiving bank is required to take action, and the date or day does not fall on a funds-transfer business day, the next day that is a funds-transfer business day is treated as the date or day stated, unless the contrary is stated in this Article.

**Sec. 1203.** RCW 62A.4A-204 and 1991 sp.s.c 21 s 4A-204 are each amended to read as follows:

**REFUND OF PAYMENT AND DUTY OF CUSTOMER TO REPORT WITH RESPECT TO UNAUTHORIZED PAYMENT ORDER.** (1) If a receiving bank accepts a payment order issued in the name of its customer as sender which is (a) not authorized and not effective as the order of the customer under RCW 62A.4A-202, or (b) not enforceable, in whole or in part, against the customer under RCW 62A.4A-203, the bank shall refund any payment of the payment order received from the customer to the extent the bank is not entitled to enforce payment and shall pay interest on the refundable amount calculated from the date the bank received payment to the date of the refund. However, the customer is not entitled to interest from the bank on the amount to be refunded if the customer fails to exercise ordinary care to determine that the order was not authorized by the customer and to notify the bank of the relevant facts within a reasonable time not exceeding ninety days after the date the customer received notification from the bank that the order was accepted or that the customer’s account was debited with respect to the order. The bank is not entitled to any recovery from the customer on account of a failure by the customer to give notification as stated in this section.

(2) Reasonable time under subsection (1) of this section may be fixed by agreement as stated in (((RCW 62A.1-204(l))) RCW 62A.1-302(b)), but the obligation of a receiving bank to refund payment as stated in subsection (1) of this section may not otherwise be varied by agreement.

**PART XIII**

**AMENDMENTS TO UNIFORM COMMERCIAL CODE**

SCOPE. (((4))) (a) This Article applies to letters of credit and to certain rights and obligations arising out of transactions involving letters of credit.

(((2))) (b) The statement of a rule in this Article does not by itself require, imply, or negate application of the same or a different rule to a situation not provided for, or to a person not specified, in this Article.

(((4))) (c) With the exception of this subsection, subsections (((4))) (a) and (((4))) (d) of this section, RCW 62A.5-102(((4))) (a) (9) and (((4))) (10), 62A.5-106(((4))) (d), and 62A.5-114(((4))) (d), and except to the extent prohibited in (((RCW 62A.1-106)), RCW 62A.1-302 and 62A.5-117(((4))) (d)), the effect of this Article may be varied by agreement or by a provision stated or incorporated by reference in an undertaking. A term in an agreement or undertaking generally excusing liability or generally limiting remedies for failure to perform obligations is not sufficient to vary obligations prescribed by this Article.

(((4))) (d) Rights and obligations of an issuer to a beneficiary or a nominated person under a letter of credit are independent of the existence, performance, or nonperformance of a contract or arrangement out of which the letter of credit arises or which underlies it, including contracts or arrangements between the issuer and the applicant and between the applicant and the beneficiary.

The terms in the notice to the transferee beneficiary may differ from the terms in any notice to the transferor beneficiary to the extent permitted by the letter of credit, confirmation, amendment, or advice received by the person who so notifies.

Sec. 1704. RCW 62A.5-107 and 1997 c 56 s 8 are each amended to read as follows:

((44)) (a) A confirmer is directly obligated on a letter of credit and has the rights and obligations of an issuer to the extent of its confirmation. The confirmer also has rights against and obligations to the issuer as if the issuer were an applicant and the confirmer had issued the letter of credit at the request and for the account of the issuer.

((44)) (b) A nominated person who is not a confirmer is not obligated to honor or otherwise give value for a presentation.

((44)) (c) A person requested to advise may decline to act as an adviser. An adviser that is not a confirmer is not obligated to honor or give value for a presentation. An adviser undertakes to the issuer and to the beneficiary accurately to advise the terms of the letter of credit, confirmation, amendment, or advice received by that person and undertakes to the beneficiary to check the apparent authenticity of the request to advise. Even if the advice is inaccurate, the letter of credit, confirmation, or amendment is enforceable as issued.

((44)) (d) A person who notifies a transferee beneficiary of the terms of a letter of credit, confirmation, amendment, or advice has the rights and obligations of an adviser under subsection ((44)) (c) of this section. The terms in the notice to the transferee beneficiary may differ from the terms in any notice to the transferor beneficiary to the extent permitted by the letter of credit, confirmation, amendment, or advice received by the person who so notifies.

Sec. 1705. RCW 62A.5-108 and 1997 c 56 s 9 are each amended to read as follows:

((44)) (a) Except as otherwise provided in RCW 62A.5-109, an issuer shall honor a presentation that, as determined by the standard practice referred to in subsection ((44)) (e) of this section, appears on its face strictly to comply with the terms and conditions of the letter of credit. Except as otherwise provided in RCW 62A.5-113 and unless otherwise agreed with the applicant, an issuer shall honor a presentation that does not appear so to comply.

((44)) (b) An issuer has a reasonable time after presentation, but not beyond the end of the seventh business day of the issuer after the day of its receipt of documents:

((44)) (1) To honor;

((44)) (2) If the letter of credit provides for honor to be completed more than seven business days after presentation, to accept a draft or incur a deferred obligation; or

((44)) (3) To give notice to the presenter of discrepancies in the presentation.

((44)) (c) Except as otherwise provided in subsection ((44)) (d) of this section, an issuer is precluded from asserting as a basis for dishonor any discrepancy if timely notice is not given, or any discrepancy not stated in the notice if timely notice is given.

((44)) (d) Failure to give the notice specified in subsection ((44)) (b) of this section or to mention fraud, forgery, or expiration in the notice does not preclude the issuer from asserting as a basis for dishonor fraud or forgery as described in RCW 62A.5-109((44)) (a) or expiration of the letter of credit before presentation.

((44)) (e) An issuer shall observe standard practice of financial institutions that regularly issue letters of credit. Determination of the issuer’s observance of the standard practice is a matter of interpretation for the court. The court shall offer the parties a reasonable opportunity to present evidence of the standard practice.

((44)) (f) An issuer is not responsible for:

((44)) (1) The performance or nonperformance of the underlying contract, arrangement, or transaction;

((44)) (2) An act or omission of others; or

((44)) (3) Observance or knowledge of the usage of a particular trade other than the standard practice referred to in subsection ((44)) (e) of this section.

((44)) (g) If an undertaking constituting a letter of credit under RCW 62A.5-102((44)) (a)(10) contains nondocumentary conditions, an issuer shall disregard the nondocumentary conditions and treat them as if they were not stated.

((44)) (h) An issuer that has dishonored a presentation shall return the documents or hold them at the disposal of, and send advice to that effect to, the presenter.

((44)) (i) An issuer that has honored a presentation as permitted or required by this Article:

((44)) (1) Is entitled to be reimbursed by the applicant in immediately available funds not later than the date of its payment of funds;

((44)) (2) Takes the documents free of claims of the beneficiary or presenter;

((44)) (3) Is precluded from asserting a right of recourse on a draft under RCW 62A.3-414 and 62A.3-415;

((44)) (4) Except as otherwise provided in RCW 62A.5-110 and 62A.5-117, is precluded from restitution of money paid or other value given by mistake to the extent the mistake concerns discrepancies in the documents or tender which are apparent on the face of the presentation; and

((44)) (5) Is discharged to the extent of its performance under the letter of credit unless the issuer honored a presentation in which a required signature of a beneficiary was forged.

Sec. 1706. RCW 62A.5-109 and 1997 c 56 s 10 are each amended to read as follows:

((44)) (a) If a presentation is made that appears on its face strictly to comply with the terms and conditions of the letter of credit, but a required document is forged or materially fraudulent, or honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant:

((44)) (1) The issuer shall honor the presentation, if honor is demanded by (i) a nominated person who has given value in good faith and without notice of forgery or material fraud, (ii) a confirmer who has honored its confirmation in good faith, (iii) a holder in due course of a draft drawn under the letter of credit which was taken after
acceptance by the issuer or nominated person, or (iv) an assignee of the
issuer's or nominated person's deferred obligation that was taken for
value and without notice of forgery or material fraud after the
obligation was incurred by the issuer or nominated person; and

(((i))) (2) The issuer, acting in good faith, may honor or dishonor
the presentation in any other case.

(((ii))) (b) If an applicant claims that a required document is
forged or materially fraudulent or that honor of the presentation
would facilitate a material fraud by the beneficiary on the issuer or
applicant, a court of competent jurisdiction may temporarily or
permanently enjoin the issuer from honoring a presentation or grant
similar relief against the issuer or other persons only if the court finds
that:

(((iii))) (1) The relief is not prohibited under the law applicable to
an accepted draft or deferred obligation incurred by the issuer;

(((iv))) (2) A beneficiary, issuer, or nominated person who may be
adversely affected is adequately protected against loss that it may
suffer because the relief is granted;

(((v))) (3) All of the conditions to entitle a person to the relief
under the law of this state have been met; and

(((vi))) (4) On the basis of the information submitted to the court,
the applicant is more likely than not to succeed under its claim of
forgery or material fraud and the person demanding honor does not
qualify for protection under subsection (((iii))) (a) of this section.

Sec. 1707. RCW 62A.5-110 and 1997 c 56 s 11 are each
amended to read as follows:

(((a))) (a) If its presentation is honored, the beneficiary warrants:

(((b))) (1) To the issuer, any other person to whom presentation is
made, and the applicant that there is no fraud or forgery of the kind
described in RCW 62A.5-109(((b))) (a); and

(((c))) (2) To the applicant that the drawing does not violate any
agreement between the applicant and beneficiary or any other
agreement intended by them to be augmented by the letter of credit.

(((d))) (b) The warranties in subsection (((b))) (a) of this section
are in addition to warranties arising under Articles 3, 4, 7, and 8
because of the presentation or transfer of documents covered by any
of those articles.

Sec. 1708. RCW 62A.5-111 and 1997 c 56 s 12 are each
amended to read as follows:

(((a))) (a) If an issuer wrongfully dishonors or repudiates its
obligation to pay money under a letter of credit before presentation,
the beneficiary, successor, or nominated person presenting on its own
behalf may recover from the issuer the amount that is the subject of
the dishonor or repudiation. If the issuer's obligation under the letter
of credit is not for the payment of money, the claimant may obtain
specific performance or, at the claimant's election, recover an amount
equal to the value of performance from the issuer. In either case, the
claimant may also recover incidental but not consequential damages.
The claimant is not obligated to take action to avoid damages that
might be due from the issuer under this subsection. If, although not
obligated to do so, the claimant avoids damages, the claimant's
recovery from the issuer must be reduced by the amount of damages
avoided. The issuer has the burden of proving the amount of damages
avoided. In the case of repudiation the claimant need not present any
document.

(((b))) (b) If an issuer wrongfully dishonors a draft or demand
presented under a letter of credit or honors a draft or demand in
breach of its obligation to the applicant, the applicant may recover
damages resulting from the breach, including incidental but not
consequential damages, less any amount saved as a result of the
breach.

(((c))) (c) If an adviser or nominated person other than a
confiner breaches an obligation under this Article or an issuer
breaches an obligation not covered in subsection (((1) or (2))) (a) or
(b) of this section, a person to whom the obligation is owed may
recover damages resulting from the breach, including incidental but
In this section, "proceeds of a letter of credit" means the cash, check, accepted draft, or other item of value paid or delivered upon honor or giving of value by the issuer or any nominated person under the letter of credit. The term does not include a beneficiary's drawing rights or documents presented by the beneficiary.

A beneficiary may assign its right to part or all of the proceeds of a letter of credit. The beneficiary may do so before presentation as a present assignment of its right to receive proceeds contingent upon its compliance with the terms and conditions of the letter of credit.

An issuer or nominated person need not recognize an assignment of proceeds of a letter of credit until it consents to the assignment.

An issuer or nominated person has no obligation to give or withhold its consent to an assignment of proceeds of a letter of credit, but consent may not be unreasonably withheld if the assignee possesses and exhibits the letter of credit and presentation of the letter of credit is a condition to honor.

Rights of a transferee beneficiary or nominated person are independent of the beneficiary's assignment of the proceeds of a letter of credit and are superior to the assignee's right to the proceeds.

Neither the rights recognized by this section between an assignee and an issuer, transferee beneficiary, or nominated person nor the issuer's or nominated person's payment of proceeds to an assignee or a third person affect the rights between the assignee and any person other than the issuer, transferee beneficiary, or nominated person. The mode of creating and perfecting a security interest in or between the assignee and an issuer, transferee beneficiary, or nominated person need not recognize an assignment of proceeds of a letter of credit.

Sec. 1712. RCW 62A.5-116 and 1997 c 56 s 17 are each amended to read as follows:

The liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction chosen by an agreement in the form of a record signed or otherwise authenticated by the affected parties in the manner provided in RCW 62A.5-104 or by a provision in the person's letter of credit, confirmation, or other undertaking. The jurisdiction whose law is chosen need not bear any relation to the transaction.

Unless subsection ((4)) of this section applies, the liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction in which the person is located. The person is considered to be located at the address indicated in the person's undertaking. If more than one address is indicated, the person is considered to be located at the address from which the person's undertaking was issued. For the purpose of jurisdiction, choice of law, and recognition of interbranch letters of credit, but not enforcement of a judgment, all branches of a bank are considered separate juridical entities and a bank is considered to be located at the place where its relevant branch is considered to be located under this subsection.

Except as otherwise provided in this subsection, the liability of an issuer, nominated person, or adviser is governed by any rules of custom or practice, such as the Uniform Customs and Practice for Documentary Credits, to which the letter of credit, confirmation, or other undertaking is expressly made subject. If this Article would govern the liability of an issuer, nominated person, or adviser under subsection ((4)) of this section, the relevant undertaking incorporates rules of custom or practice, and there is conflict between this Article and those rules as applied to that undertaking, those rules govern except to the extent of any conflict with the nonvariable provisions specified in RCW 62A.5-103((4))

If there is conflict between this Article and Article 3, 4, 4A, or 9A, this Article governs.

The forum for settling disputes arising out of an undertaking within this Article may be chosen in the manner and with the binding effect that governing law may be chosen in accordance with subsection ((4)) of this section.

Sec. 1713. RCW 62A.5-117 and 1997 c 56 s 18 are each amended to read as follows:

An issuer that honors a beneficiary's presentation is subrogated to the rights of the beneficiary to the same extent as if the issuer were a secondary obligor of the underlying obligation owed to the beneficiary and of the applicant to the same extent as if the issuer were the secondary obligor of the underlying obligation owed to the applicant.

An applicant that reimburses an issuer is subrogated to the rights of the issuer against any beneficiary, presenter, or nominated person to the same extent as if the applicant were the secondary obligor of the obligations owed to the issuer and has the rights of subrogation of the issuer to the rights of the beneficiary stated in subsection ((4)) of this section.

A nominated person who pays or gives value against a draft or demand presented under a letter of credit is subrogated to the rights of:

The agent against the applicant to the same extent as if the nominated person were a secondary obligor of the obligation owed to the issuer by the applicant;

The beneficiary to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the beneficiary; and

The applicant to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the applicant.

Notwithstanding any agreement or term to the contrary, the rights of subrogation stated in subsections ((4) and (2)) ((a) and (b)) of this section do not arise until the issuer honors the letter of credit or otherwise pays and the rights in subsection ((4)) of this section do not arise until the nominated person pays or otherwise gives value. Until then, the issuer, nominated person, and the applicant do not derive under this section present or prospective rights forming the basis of a claim, defense, or excuse.

Sec. 1714. RCW 62A.5-118 and 2000 c 250 s 2 are each amended to read as follows:

An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation. (b) So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (a) of this section, the security interest continues and is subject to Article 9A, but:

(1) A security agreement is not necessary to make the security interest enforceable under RCW 62A.9A-203((b)(2)(c));

(2) If the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and

(3) If the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document.

Sec. 1715. RCW 62A.2-512 and 1997 c 56 s 20 are each amended to read as follows:

Where the contract requires payment before inspection non-conformity of the goods does not excuse the buyer from so making payment unless

the non-conformity appears without inspection; or
(b) despite tender of the required documents the circumstances would justify injunction against honor under the provisions of this Title (RCW 62A.5-109(6)(d)) (b).

(2) Payment pursuant to subsection (1) does not constitute an acceptance of goods or impair the buyer's right to inspect or any of his or her remedies.

Sec. 1716. RCW 62A.9A-107 and 2001 c 32 s 19 are each amended to read as follows:

A secured party has control of a letter-of-credit right to the extent of any right to payment or performance by the issuer or any nominated person if the issuer or nominated person has consented to an assignment of proceeds of the letter of credit under RCW 62A.5-114(6)(a)(c) or otherwise applicable law or practice.

(ii) A violation of RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug;

(iii) An out-of-state offense comparable to the offense specified in (b)(i) or (ii) of this subsection; or

(iv) A violation of RCW 46.61.502(6) or 46.61.504(6).

(5)(a) The court shall require any person convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance to apply for an ignition interlock driver's license from the department and to have a functioning ignition interlock device installed on all motor vehicles operated by the person.

(b) The installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

(iii) The person is not eligible to receive an ignition interlock driver's license under RCW 46.20.385 because the person is not a resident of Washington, is a habitual traffic offender, has already applied for or is already in possession of an ignition interlock driver's license, has never had a driver's license, has been certified under chapter 74.20A RCW as noncompliant with a child support order, or is subject to any other condition or circumstance that makes the person ineligible to obtain an ignition interlock driver's license.

(e) If a court finds that a person is not eligible to receive an ignition interlock driver's license under this section, the court is not required to make any further subsequent inquiry or determination as to the person's eligibility.

(f) If the court orders that a person refrain from consuming any alcohol and requires the person to apply for an ignition interlock device's license, the person states that he or she does not operate a motor vehicle or the person is ineligible to obtain an ignition interlock driver's license, the court shall order the person to submit to alcohol monitoring through an alcohol detection breathalyzer device, transdermal sensor device, or other technology designed to detect alcohol in a person's system. Alcohol monitoring ordered under this subsection must be for the period of the mandatory license suspension or revocation. The person shall pay for the cost of the monitoring.

(g) The period of time for which ignition interlock use is required will be as follows:

For the purposes of this subsection (5)(h), the term "all vehicles" does not include vehicles that would be subject to the employer exception under RCW 46.20.720(3).

(6) If a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 committed the offense while a passenger under the age of sixteen was in the vehicle, the court shall:
(a) ((In any case in which the installation and use of an interlock device is not mandatory under RCW 46.20.720 or other law, order the use of such a device for not less than sixty days following the restoration of the person's license, permit, or nonresident driving privileges; and
(b) In any case in which the installation and use of such a device is otherwise mandatory,)) Order the use of ((such a))) an ignition interlock or other device for an additional ((sixty days)) six months;

(b) In any case in which the person has no prior offenses within seven years, and except as provided in RCW 46.61.502(6) or 46.61.504(6), order a penalty by a fine of not less than ten thousand dollars and not more than ten thousand dollars. One thousand dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent;

(b) Whether at the time of the offense the person was driving or in physical control of a vehicle with one or more passengers.

(8) An offender punishable under this section is subject to the alcohol assessment and treatment provisions of RCW 46.61.505.

(9) The license, permit, or nonresident privilege of a person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs must:

(a) If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) Where there has been no prior offense within seven years, be suspended or denied by the department for ninety days; or
(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for two years; or
(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for three years;

(i) Where there have been no prior offenses within seven years, be revoked or denied by the department for two years; or

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or

(iii) Where there have been two or more previous offenses within seven years, be revoked or denied by the department for four years.

The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the standard sentence range is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by seventy-five percent.

(3) The following additional times shall be added to the standard sentence range for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any firearm enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the firearm enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a firearm enhancement. If the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any firearm enhancements, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020.

(e) Notwithstanding any other provision of law, all firearm enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be granted an extraordinary medical placement when authorized under RCW 9.94A.728(3);

(g) If the standard sentence range under this section exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender. If the addition of a firearm enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(4) The following additional times shall be added to the standard sentence range for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any deadly weapon enhancements based on the classification of the completed felony crime. (7) An additional two years shall be added to the standard sentence range for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.502 for each prior offense as defined in RCW 46.61.505. All enhancements under this subsection shall be mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions.

(8)(a) The following additional times shall be added to the standard sentence range for felony crimes committed on or after July 1, 2006, if the offense was committed with sexual motivation, as that term is defined in RCW 9.94A.030. If the offender is being sentenced for more than one offense, the sexual motivation enhancement must be added to the total period of total confinement for all offenses, regardless of which underlying offense is subject to a sexual motivation enhancement. If the offender committed the offense with sexual motivation and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

If the standard sentence range under this subsection exceeds the statutory maximum sentence for the offense, the statutory maximum sentence is the presumptive sentence unless the offender is a persistent offender.

(b) This subsection does not apply to any criminal street gang-related felony offense for which involving a minor in the commission of the felony offense is an element of the offense.

(c) The increased penalty specified in (a) of this subsection is unavailable in the event that the prosecution gives notice that it will seek an exceptional sentence based on an aggravating factor under RCW 9.94A.535.

NEW SECTION. Sec. 406. A new section is added to chapter 18.88B RCW to read as follows:

(1) The legislature recognizes that nurses have been successfully delegating nursing care tasks to family members and others for many years. The opportunity for a nurse to delegate nursing care tasks to home care aides certified under this chapter may enhance the viability and quality of home care services in community-based care settings and in-home care settings to allow individuals to live as independently as possible with maximum safeguards.

(2) (a) A certified home care aide who wishes to perform a nurse delegated task pursuant to RCW 18.79.260 must complete nurse
delegation core training under chapter 18.88A RCW before the home care aide may be delegated a nursing care task by a registered nurse delegator. Before administering insulin, a home care aide must also complete the specialized diabetes nurse delegation training under chapter 18.88A RCW. Before commencing any specific nursing care tasks authorized under RCW 18.79.260, the home care aide must:

(i) Provide to the delegating nurse a transcript or certificate of successful completion of training issued by an approved instructor or approved training entity indicating the completion of basic core nurse delegation training; and

(ii) Meet any additional training requirements mandated by the nursing care quality assurance commission. Any exception to these training requirements is subject to RCW 18.79.260(3)(e)(vi).

(b) In addition to meeting the requirements of (a) of this subsection, before providing delegated nursing care tasks that involve administration of insulin by injection to individuals with diabetes, the home care aide must provide to the delegating nurse a transcript or certificate of successful completion of training issued by an approved instructor or approved training entity indicating completion of specialized diabetes nurse delegation training. The training must include, but is not limited to, instruction regarding diabetes, insulin, sliding scale insulin orders, and proper injection procedures.

(3) The home care aide is accountable for his or her own individual actions in the delegation process. Home care aides accurately following written delegation instructions from a registered nurse are immune from liability regarding the performance of the delegated duties.

(4) Home care aides are not subject to any employer reprisal or disciplinary action by the secretary for refusing to accept delegation of a nursing care task based on his or her concerns about patient safety issues. No provider of a community-based care setting as defined in RCW 18.79.260, or in-home services agency as defined in RCW 70.127.010, may discriminate or retaliate in any manner against a person because the person made a complaint about the nurse delegation process or cooperated in the investigation of the complaint.

Sec. 407. RCW 18.79.260 and 2009 c 203 s 1 are each amended to read as follows:

(1) A registered nurse under his or her license may perform for compensation nursing care, as that term is usually understood, to individuals with illnesses, injuries, or disabilities.

(2) A registered nurse may, at or under the general direction of a licensed physician and surgeon, dentist, osteopathic physician and surgeon, naturopathic physician, optometrist, podiatric physician and surgeon, physician assistant, osteopathic physician assistant, or advanced registered nurse practitioner acting within the scope of his or her license, administer medications, treatments, tests, and inoculations, whether or not the severing or penetrating of tissues is involved and whether or not a degree of independent judgment and skill is required. Such direction must be for acts which are within the scope of registered nursing practice.

(3) A registered nurse may delegate tasks of nursing care to other individuals where the registered nurse determines that it is in the best interest of the patient.

(a) The delegating nurse shall:

(i) Determine the competency of the individual to perform the tasks;

(ii) Evaluate the appropriateness of the delegation;

(iii) Supervise the actions of the person performing the delegated task; and

(iv) Delegate only those tasks that are within the registered nurse’s scope of practice.

(b) A registered nurse, working for a home health or hospice agency regulated under chapter 70.127 RCW, may delegate the application, instillation, or insertion of medications to a registered or certified nursing assistant under a plan of care.

(c) Except as authorized in (b) or (e) of this subsection, a registered nurse may not delegate the administration of medications. Except as authorized in (e) of this subsection, a registered nurse may not delegate acts requiring substantial skill, and may not delegate piercing or severing of tissues. Acts that require nursing judgment shall not be delegated.

(d) No person may coerce a nurse into compromising patient safety by requiring the nurse to delegate if the nurse determines that it is inappropriate to do so. Nurses shall not be subject to any employer reprisal or disciplinary action by the nursing care quality assurance commission for refusing to delegate tasks or refusing to provide the required training for delegation if the nurse determines delegation may compromise patient safety.

(e) For delegation in community-based care settings or in-home care settings, a registered nurse may delegate nursing care tasks only to registered or certified nursing assistants or home care aides certified under chapter 18.88B RCW. Simple care tasks such as blood pressure monitoring, personal care service, diabetic insulin device set up, verbal verification of insulin dosage for sight-impaired individuals, or other tasks as defined by the nursing care quality assurance commission are exempted from this requirement.

(i) “Community-based care settings” includes: Community residential programs for people with developmental disabilities, certified by the department of social and health services under chapter 71A.12 RCW; adult family homes licensed under chapter 70.128 RCW; and boarding homes licensed under chapter 18.20 RCW. Community-based care settings do not include acute care or skilled nursing facilities.

(ii) “In-home care settings” include an individual’s place of temporary or permanent residence, but does not include acute care or skilled nursing facilities, and does not include community-based care settings as defined in (c)(i) of this subsection.

(iii) Delegation of nursing care tasks in community-based care settings and in-home care settings is only allowed for individuals who have a stable and predictable condition. "Stable and predictable condition” means a situation in which the individual's clinical and behavioral status is known and does not require the frequent presence and evaluation of a registered nurse.

(iv) The determination of the appropriate delegation of a nursing task is at the discretion of the registered nurse. Other than delegation of the administration of insulin by injection for the purpose of caring for individuals with diabetes, the administration of medications by injection, sterile procedures, and central line maintenance may never be delegated.

(v) When delegating insulin injections under this section, the registered nurse delegator must instruct the individual regarding proper injection procedures and the use of insulin, demonstrate proper injection procedures, and must supervise and evaluate the individual performing the delegated task weekly during the first four weeks of delegation of insulin injections. If the registered nurse delegator determines that the individual is competent to perform the injection properly and safely, supervision and evaluation shall occur at least every ninety days thereafter.

(vi)(A) The registered nurse shall verify that the nursing assistant or home care aide, as the case may be, has completed the required core nurse delegation training required in chapter 18.88A or 18.88B RCW prior to authorizing delegation.

(B) Before commencing any specific nursing tasks authorized to be delegated in this section, a home care aide must be certified pursuant to chapter 18.88B RCW and must comply with section 406 of this act.

(vii) The nurse is accountable for his or her own individual actions in the delegation process. Nurses acting within the protocols of their delegation authority are immune from liability for any action performed in the course of their delegation duties.

(viii) Nursing task delegation protocols are not intended to regulate the settings in which delegation may occur, but are intended
to ensure that nursing care services have a consistent standard of practice upon which the public and the profession may rely, and to safeguard the authority of the nurse to make independent professional decisions regarding the delegation of a task.

(f) The nursing care quality assurance commission may adopt rules to implement this section.

(4) Only a person licensed as a registered nurse may instruct nurses in technical subjects pertaining to nursing.

(5) Only a person licensed as a registered nurse may hold herself or himself out to the public or designate herself or himself as a registered nurse.

NEW SECTION. Sec. 408. By September 1, 2012, the department of social and health services shall adopt rules that reflect all statutory and regulatory training requirements for long-term care workers, as defined in RCW 74.39A.009, to provide the services identified in RCW 74.39A.009(5)(a).

(3) Except as provided in subsection (4) of this section, an individual provider or home care agency provider who has resided in the state less than three years before applying for employment involving unsupervised access to a vulnerable adult as defined in chapter 74.34 RCW must be fingerprinted for the purpose of investigating conviction records through both the Washington state patrol and the federal bureau of investigation. This subsection applies only with respect to the provision of in-home services funded by medicaid personal care under RCW 74.09.520, community options program entry system waiver services provided in RCW 43.43.837. Unless otherwise provided for in RCW 43.43.837 and 2011 1st sp.s. c 31 s 17 are each amended to read as follows:

   (1) Except as provided in subsection (2) of this section, in order to determine the character, competence, and suitability of any applicant or service provider to have unsupervised access, the secretary may require a fingerprint-based background check through both the Washington state patrol and the federal bureau of investigation at any time, but shall require a fingerprint-based background check when the applicant or service provider has resided in the state less than three consecutive years before application, and:
      (a) Is an applicant or service provider providing services to children or people with developmental disabilities under RCW 74.15.030;
      (b) Is an individual residing in an applicant or service provider’s home, facility, entity, agency, or business who is authorized by the department to provide services to children or people with developmental disabilities under RCW 74.15.030; or
      (c) Is an applicant or service provider providing in-home services funded by:
         (i) Medicaid personal care under RCW 74.09.520;
         (ii) Community options program entry system waiver services under RCW 74.39A.030;
         (iii) Chore services under RCW 74.39A.110; or
         (iv) Other home and community long-term care programs, established pursuant to chapters 74.39 and 74.39A RCW, administered by the department.

   (2) Long-term care workers, as defined in RCW 74.39A.009, who are hired after January 7, 2012, are subject to background checks under RCW (74.39A.055) 74.39A.056.

   (3) To satisfy the shared background check requirements provided for in RCW 43.215.215 and 43.20A.710, the department of early learning and the department of social and health services shall share federal fingerprint-based background check results as permitted under the law. The purpose of this provision is to allow both departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. Neither department may share the federal background check results with any other state agency or person.

   (4) The secretary shall require a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation when the department seeks to approve an applicant or service provider for a foster or adoptive placement of children in accordance with federal and state law.

   (5) Any secure facility operated by the department under chapter 71.09 RCW shall require applicants and service providers to undergo a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation.

   (6) Service providers and service provider applicants who are required to complete a fingerprint-based background check may be hired for a one hundred twenty-day provisional period as allowed under law or program rules when:
      (a) A fingerprint-based background check is pending; and
      (b) The applicant or service provider is not disqualified based on the immediate result of the background check.

(6) The secretary shall provide the results of the state background check on long-term care workers, including individual providers, to the persons hiring them or to their legal guardians, if any, for their determination of the character, suitability, and competence of the applicants. If the person elects to hire or retain an individual provider after receiving notice from the department that the applicant has a conviction for an offense that would disqualify the applicant from having unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, then the secretary shall deny payment for any subsequent services rendered by the disqualified individual provider.

(7) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

VII. MISCELLANEOUS

Sec. 701. RCW 74.39A.051 and 2012 c 1 s 106 (Initiative Measure No. 1163) are each amended to read as follows:

The department’s system of quality improvement for long-term care services shall use the following principles, consistent with applicable federal laws and regulations:

(1) The system shall be client-centered and promote privacy, independence, dignity, choice, and a home or home-like environment for consumers consistent with chapter 392, Laws of 1997.

(2) The goal of the system is continuous quality improvement with the focus on consumer satisfaction and outcomes for consumers. This includes that when conducting licensing or contract inspections, the department shall interview an appropriate percentage of residents, family members, resident case managers, and advocates in addition to interviewing providers and staff.

(3) Providers should be supported in their efforts to improve quality and address identified problems initially through training, consultation, technical assistance, and case management.

(4) The emphasis should be on problem prevention both in monitoring and in screening potential providers of service.

(5) Monitoring should be outcome based and responsive to consumer complaints and based on a clear set of health, quality of
care, and safety standards that are easily understandable and have been made available to providers, residents, and other interested parties.

(6) Prompt and specific enforcement remedies shall also be implemented without delay, pursuant to RCW 74.39A.080 (or chapter 70.128, RCW) or chapter 18.51 (or chapter) 74.42 RCW, for providers found to have delivered care or failed to deliver care resulting in problems that are serious, recurring, or uncorrected, or that create a hazard that is causing or likely to cause death or serious harm to one or more residents. These enforcement remedies may also include, when appropriate, reasonable conditions on a contract or license. In the selection of remedies, the safety, health, and well-being of residents shall be of paramount importance.

(7) (All long-term care workers shall be screened through background checks in a uniform and timely manner to ensure that they do not have a criminal history that would disqualify them from working with vulnerable persons. Long-term care workers who are hired after January 1, 2012, are subject to background checks under RCW 74.39A.055. This information will be shared with the department in accordance with RCW 74.39A.055 to advance the purposes of chapter 2, Laws of 2009.

(8) No provider, or its staff, or long-term care worker, or prospective provider or long-term care worker, with a stipulated finding of fact, conclusion of law, an agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority, a court of law, or entered into a state registry finding him or her guilty of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults.

(9) The department shall establish, by rule, a state registry which contains identifying information about long-term care workers identified under this chapter who have substantiated findings of abuse, neglect, financial exploitation, or abandonment of a vulnerable adult as defined in RCW 74.34.020. The rule must include disclosure, disposition of findings, notification, findings of fact, appeal rights, and fair hearing requirements. The department shall disclose, upon request, substantiated findings of abuse, neglect, financial exploitation, or abandonment to any person so requesting this information. This information will also be shared with the department of health to advance the purposes of chapter 2, Laws of 2009.

(10) Until December 31, 2010, background checks of long-term care workers must be conducted as provided in RCW 74.39A.056. (8) Except as provided in RCW 74.39A.074 and 74.39A.076, individual providers and home care agency providers must satisfactorily complete department-approved orientation, basic training, and continuing education within the time period specified by the department in rule. The department shall adopt rules (by March 1, 2002,) for the implementation of this section. The department shall deny payment to an individual provider or a home care provider who does not complete the training requirements within the time limit specified by the department by rule.

(11) Until December 31, 2010, in an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges or other entities, as defined by the department.

(12) The department shall create an approval system by March 1, 2002, for those seeking to conduct department-approved training.

(13) The department shall establish, by rule, background checks and other quality assurance requirements for long-term care workers who provide in-home services funded by medicaid personal care as described in RCW 74.09.520, community options program entry system waiver services as described in RCW 74.39A.030, or chore services as described in RCW 74.39A.110 that are equivalent to requirements for individual providers. Long-term care workers who are hired after January 1, 2012, are subject to background checks under RCW 74.39A.055.

(14)(9) Under existing funds the department shall establish internally a quality improvement standards committee to monitor the development of standards and to suggest modifications.

((15) Within existing funds, the department shall design, develop, and implement a long-term care training program that is flexible, relevant, and qualifies towards the requirements for a nursing assistant certificate as established under chapter 18.88A RCW. This subsection does not require completion of the nursing assistant certificate training program by providers or their staff. The long-term care teaching curriculum must consist of a fundamental module, or modules, and a range of other available relevant training modules that provide the caregiver with appropriate options that assist in meeting the resident’s care needs. Some of the training modules may include, but are not limited to, specific training on the special care needs of persons with developmental disabilities, dementia, mental illness, and the care needs of the elderly. No less than one training module must be dedicated to workplace violence prevention. The nursing care quality assurance commission shall work together with the department to develop the curriculum modules. The nursing care quality assurance commission shall direct the nursing assistant training programs to accept some or all of the skills and competencies from the curriculum modules towards meeting the requirements for a nursing assistant certificate as defined in chapter 18.88A RCW. A process may be developed to test persons completing modules from a caregiver’s class to verify that they have the transferable skills and competencies for entry into a nursing assistant training program. The department may review whether facilities can develop their own related long-term care training programs. The department may develop a review process for determining what previous experience and training may be used to waive some or all of the mandatory training. The department of social and health services and the nursing care quality assurance commission shall work together to develop an implementation plan by December 12, 1998.))

Sec. 702. RCW 18.20.270 and 2002 c 233 s 1 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) “Caregiver” includes any person who provides residents with hands-on personal care on behalf of a boarding home, except volunteers who are directly supervised.

(b) “Direct supervision” means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section, is on the premises, and is quickly and easily available to the caregiver.

(2) Training must have the following components: Orientation, basic training, specialty training as appropriate, and continuing education. All boarding home employees or volunteers who routinely interact with residents shall complete orientation. Boarding home administrators, or their designees, and caregivers shall complete orientation, basic training, specialty training as appropriate, and continuing education.

(3) Orientation consists of introductory information on residents’ rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate boarding home staff to all boarding home employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers.
within one hundred twenty days of the date on which they begin to provide hands-on care (or within one hundred twenty days of September 1, 2002, whichever is later). Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without direct supervision. Boarding home administrators, or their designees, must complete basic training and demonstrate competency within one hundred twenty days of employment (or within one hundred twenty days of September 1, 2002, whichever is later)).

(5) For boarding homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of administrators, or designees, and caregivers.

(a) Specialty training consists of modules on the core knowledge and skills that caregivers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test.

(b) Specialty training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care to a resident having special needs (or within one hundred twenty days of September 1, 2002, whichever is later)). However, if specialty training is not integrated with basic training, the specialty training must be completed within ninety days of completion of basic training. Until competency in the core specialty areas has been demonstrated, caregivers shall not provide hands-on personal care to residents with special needs without direct supervision.

(c) Boarding home administrators, or their designees, must complete specialty training and demonstrate competency within one hundred twenty days (of September 1, 2002, or one hundred twenty days) from the date on which the administrator or his or her designee is hired, (whichever is later)) if the boarding home serves one or more residents with special needs.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required in the same calendar year in which basic or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully challenge the competency test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully challenge the specialty training competency test are fully exempt from the specialty training requirements of this section.

(8) Licensed persons who perform the tasks for which they are licensed are fully or partially exempt from the training requirements of this section, as specified by the department in rule.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges or other entities, as defined by the department.

(10) The department shall develop criteria for the approval of orientation, basic training, and specialty training programs.

(11) Boarding homes that desire to deliver facility-based training with facility designated trainers, or boarding homes that desire to pool their resources to create shared training systems, must be encouraged by the department in their efforts. The department shall develop criteria for reviewing and approving trainers and training materials that are substantially similar to or better than the materials developed by the department. The department may approve a curriculum based upon attestation by a boarding home administrator that the boarding home's training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled yearly inspection and investigation required under RCW 18.20.110. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(12) The department shall adopt rules (by September 1, 2002) for the implementation of this section.

(13) (a) Except as provided in (b) of this subsection, the orientation, basic training, specialty training, and continuing education requirements of this section commence September 1, 2002, or one hundred twenty days from the date of employment, whichever is later, and shall be applied to ((iii)) (ii) employees hired subsequent to September 1, 2002; and ((ii)) (i) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 and this section. Existing employees who have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 shall be subject to all applicable requirements of this section. (However, prior to September 1, 2002, nothing in this section affects the current training requirements under RCW 74.39A.010.)

(b) Beginning January 7, 2012, long-term care workers, as defined in RCW 74.39A.009, employed by facilities licensed under this chapter are also subject to the training requirements under RCW 74.39A.074.

Sec. 704. RCW 70.128.130 and 2011 1st sp.s. c 3 s 206 are each amended to read as follows:

(1) The provider is ultimately responsible for the day-to-day operations of each licensed adult family home.

(2) The provider shall promote the health, safety, and well-being of each resident residing in each licensed adult family home.

Such homes shall have safe and functioning systems for heating, cooling, hot and cold water, electricity, plumbing, garbage disposal, sewage, cooking, laundry, artificial and natural light, ventilation, and any other feature of the home.

(5) The adult family home must provide all residents access to resident common areas throughout the adult family home including, but not limited to, kitchens, dining and living areas, and bathrooms, to the extent that they are safe under the resident’s care plan.

(6) Adult family homes shall be maintained in a clean and sanitary manner, including proper sewage disposal, food handling, and hygiene practices.

(7) Adult family homes shall develop a fire drill plan for emergency evacuation of residents, shall have working smoke detectors in each bedroom where a resident is located, shall have working fire extinguishers on each floor of the home, and shall not keep nonambulatory patients above the first floor of the home.

(8) The adult family home shall ensure that all residents can be safely evacuated in an emergency.

(9) Adult family homes shall have clean, functioning, and safe household items and furnishings.

(10) Adult family homes shall provide a nutritious and balanced diet and shall recognize residents’ needs for special diets.

(11) Adult family homes shall establish health care procedures for the care of residents including medication administration and emergency medical care.

(a) Adult family home residents shall be permitted to self-administer medications.

(b) Adult family home providers may administer medications and deliver special care only to the extent authorized by law.

(12) Adult family home providers shall either: (a) Reside at the adult family home; or (b) employ or otherwise contract with a qualified resident manager to reside at the adult family home. The department may exempt, for good cause, a provider from the requirements of this subsection by rule.

(13) A provider will ensure that any volunteer, student, employee, or person residing within the adult family home who will have unsupervised access to any resident shall not have been convicted of a crime listed under RCW 43.43.830 or 43.43.842, or been found to have abused, neglected, exploited, or abandoned a minor or vulnerable adult as specified in RCW (74.39A.056(2)). A provider may conditionally employ a person pending the completion of a criminal conviction background inquiry, but may not allow the person to have unsupervised access to any resident.

(14) A provider shall offer activities to residents under care as defined by the department in rule.

(15) An adult family home must be financially solvent, and upon request for good cause, shall provide the department with detailed information about the home’s finances. Financial records of the adult family home may be examined when the department has good cause to believe that a financial obligation related to resident care or services will not be met.

(16) An adult family home provider must ensure that staff are competent and receive necessary training to perform assigned tasks. Staff must satisfactorily complete department-approved staff orientation, basic training, and continuing education as specified by the department by rule. The provider shall ensure that a qualified caregiver is on-site whenever a resident is at the adult family home; any exceptions will be specified by the department in rule.

Notwithstanding RCW 70.128.230, until orientation and basic training are successfully completed, a caregiver may not provide hands-on personal care to a resident without on-site supervision by a person who has successfully completed basic training or been exempted from the training pursuant to statute.

(17) The provider and resident manager must assure that there is:

(a) A mechanism to communicate with the resident in his or her primary language either through a qualified person on-site or readily available at all times, or other reasonable accommodations, such as language lines; and

(b) Staff on-site at all times capable of understanding and speaking English well enough to be able to respond appropriately to emergency situations and be able to read and understand resident care plans.

Sec. 705. RCW 70.128.230 and 2002 c 233 s 3 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) “Caregiver” includes all adult family home resident managers and any person who provides residents with hands-on personal care on behalf of an adult family home, except volunteers who are directly supervised.

(b) “Indirect supervision” means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section and
is quickly and easily available to the caregiver, but not necessarily on-

(2) Training must have three components: Orientation, basic training, and continuing education. All adult family home providers, resident managers, and employees, or volunteers who routinely interact with residents shall complete orientation. Caregivers shall complete orientation, basic training, and continuing education.

(3) Orientation consists of introductory information on residents' rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate adult family home staff to all adult family home employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care (within one hundred twenty days of September 1, 2002, whichever is later). Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without indirect supervision.

(5) For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers.

(a) Specialty training consists of modules on the core knowledge and skills that providers and resident managers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test.

(b) Specialty training must be completed by providers and resident managers before admitting and serving residents who have been determined to have special needs related to mental illness, dementia, or a developmental disability. Should a resident develop special needs while living in a home without specialty designation, the provider and resident manager have one hundred twenty days to complete specialty training.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required in the same calendar year in which basic or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully challenge the competency test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully challenge the specialty training competency test are fully exempt from the specialty training requirements of this section.

(8) Licensed persons who perform the tasks for which they are licensed are fully or partially exempt from the training requirements of this section, as specified by the department in rule.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges, private associations, or other entities, as defined by the department.

(10) Adult family homes that desire to deliver facility-based training with facility designated trainers, or adult family homes that desire to pool their resources to create shared training systems, must be encouraged by the department in their efforts. The department shall develop criteria for reviewing and approving trainers and training materials. The department may approve a curriculum based upon attestation by an adult family home administrator that the adult family home's training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled inspection authorized under RCW 70.128.070. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(11) The department shall adopt rules by September 1, 2002, for the implementation of this section.

(12) Except as provided in (b) of this subsection, the orientation, basic training, specialty training, and continuing education requirements of this section commence September 1, 2002, and shall be applied to (i) employees hired subsequent to September 1, 2002; or (ii) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 70.128.120 or 70.128.130.

(b) Beginning January 7, 2012, long-term care workers, as defined in RCW 74.39A.009, employed by an adult family home are also subject to the training requirements under RCW 74.39A.074.

Sec. 706. RCW 74.39A.010 and 1995 1st sp.s. c 18 s 14 are each amended to read as follows:

(1) To the extent of available funding, the department of social and health services may contract with licensed boarding homes under chapter 18.20 RCW and tribally licensed boarding homes for assisted living services and enhanced adult residential care. The department shall develop rules for contracts that work with the department for assisted living services or enhanced adult residential care to establish:

(a) Facility service standards consistent with the principles in RCW (74.39A.050) 74.39A.051 and consistent with chapter 70.129 RCW;

(b) Standards for resident living areas consistent with RCW 74.39A.030;

(c) Training requirements for providers and their staff.

(2) The department's rules shall provide that services in assisted living and enhanced adult residential care:

(b) Include, but not be limited to, personal care, nursing services, medication administration, and supportive services that promote independence and self-sufficiency;

(c) Are of sufficient scope to assure that each resident who chooses to remain in the assisted living or enhanced adult residential care may do so, to the extent that the care provided continues to be cost-effective and safe and promote the most appropriate level of physical, mental, and psychosocial well-being consistent with client choice;

(d) Are directed first to those persons most likely, in the absence of enhanced adult residential care or assisted living services, to need hospital, nursing facility, or other out-of-home placement; and

(e) Are provided in compliance with applicable facility and professional licensing laws and rules.

(3) When a facility contracts with the department for assisted living services or enhanced adult residential care, only services and facility standards that are provided to or in behalf of the assisted
living services or enhanced adult residential care client shall be subject to the department's rules.

Section 707. RCW 74.39A.020 and 2004 c 142 s 15 are each amended to read as follows:

(1) To the extent of available funding, the department of social and health services may contract for adult residential care.

(2) The department shall, by rule, develop terms and conditions for facilities that contract with the department for adult residential care to establish:

(a) Facility service standards consistent with the principles in RCW 74.39A.050 and consistent with chapter 70.129 RCW; and

(b) Training requirements for providers and their staff.

(3) The department shall, by rule, provide that services in adult residential care facilities:

(a) Recognize individual needs, privacy, and autonomy;

(b) Include personal care and other services that promote independence and self-sufficiency and aging in place;

(c) Are directed first to those persons most likely, in the absence of adult residential care services, to need hospital, nursing facility, or other out-of-home placement; and

(d) Are provided in compliance with applicable facility and professional licensing laws and rules.

(4) When a facility contracts with the department for adult residential care, only services and facility standards that are provided to or in behalf of the adult residential care client shall be subject to the adult residential care rules.

(5) To the extent of available funding, the department may also contract under this section with a tribally licensed boarding home for the provision of services of the same nature as the services provided by adult residential care facilities. The provisions of subsections (2)(a) and (b) and (3)(a) through (d) of this section apply to such a contract.

Section 708. RCW 74.39A.250 and 2011 1st sp.s. c 21 s 8 are each amended to read as follows:

(1) The department shall provide assistance to consumers and prospective consumers in finding individual providers and prospective individual providers through the establishment of a referral registry of individual providers and prospective individual providers. Before placing an individual provider or prospective individual provider on the referral registry, the department shall determine that:

(a) The individual provider or prospective individual provider has met the minimum requirements for training set forth in RCW 74.39A.051; and

(b) The individual provider or prospective individual provider has satisfactorily undergone a criminal background check conducted within the prior twelve months; and

(c) The individual provider or prospective individual provider is not listed on any long-term care abuse and neglect registry used by the department.

(2) The department shall remove from the referral registry any individual provider or prospective individual provider that does not meet the qualifications set forth in subsection (1) of this section or to have committed misfeasance or malfeasance in the performance of his or her duties as an individual provider. MESSAGE FROM THE SENATE
February 29, 2012

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2346 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.19.534 and 2011 1st sp.s. c 43 s 227 and 2011 c 367 s 707 are each reenacted and amended to read as follows:

(1) State agencies, the legislature, and departments shall purchase for their use all goods and services required by the legislature, agencies, or departments that are produced or provided in whole or in part from class II inmate work programs operated by the department of corrections through state contract. These goods and services shall not be purchased from any other source unless, upon application by the department or agency: (a) The department finds that the articles or products do not meet the reasonable requirements of the agency or department, (b) are not of equal or better quality, or (c) the price of the product or service is higher than that produced by the private sector. However, the criteria contained in (a), (b), and (c) of this subsection for purchasing goods and services from sources other than correctional industries do not apply to goods and services produced by correctional industries that primarily replace goods manufactured or services obtained from outside the state. The department of corrections and department shall adopt administrative rules that implement this section.

(2) During the 2009-2011 and 2011-2013 fiscal biennia, and in conformance with section 223(11), chapter 470, Laws of 2009 and section 221(2), chapter 367, Laws of 2011, this section does not apply to the purchase of uniforms by the Washington state ferries.

(3) Effective July 1, 2012, this section does not apply to the purchase of uniforms for correctional officers employed by the Washington state department of corrections.

Sec. 2. RCW 72.09.100 and 2011 1st sp.s. c 21 s 37 and 2011 c 100 s 1 are each reenacted and amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the department, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the department to protect Washington businesses from unfair competition. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES.
(a) The employer model industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.
(b) The customer model industries in this class shall be operated and managed by the department to provide Washington state manufacturers or businesses with products or services currently produced or provided by out-of-state or foreign suppliers.
(c) The department shall review these proposed industries, including any potential new class I industries work program or the significant expansion of an existing class I industries work program, before the department contracts to provide such products or services. The review shall include the analysis required under RCW 72.09.115 to determine if the proposed correctional industries work program will compete with any Washington business. An agreement for a new class I correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.
(d) The department shall supply appropriate security and custody services without charge to the participating firms.
(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. If the director cannot reasonably determine the comparable wage, then the pay shall not be less than the federal minimum wage.
(f) An inmate who is employed in the class I program of correctional industries shall not be eligible for unemployment compensation benefits pursuant to any of the provisions of Title 50 RCW until released on parole or discharged.

(2) CLASS II: TAX REDUCTION INDUSTRIES.
(a) Industries in this class shall be state-owned and operated enterprises designed primarily to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations.
(i) The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit.
(ii) Except as provided in RCW 43.19.534(3) and this section, the products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to the following:
(A) Public agencies;
(B) Nonprofit organizations;
(C) Private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization;
(D) An employee and immediate family members of an employee of the department;
(E) A person under the supervision of the department and his or her immediate family members; and

FIFTY FIFTH DAY, MARCH 3, 2012

803
(F) A licensed health professional for the sole purpose of providing eyeglasses to enrollees of the state medical program at no more than the health professional's cost of acquisition.

(iii) The department shall authorize the type and quantity of items that may be purchased and sold under (b)(ii)(D) and (E) of this subsection.

(iv) It is prohibited to purchase any item purchased under (b)(ii)(D) and (E) of this subsection for the purpose of resale.

(v) Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons.

(c) Under no circumstance shall offenders under the custody of the department of corrections make or assemble uniforms to be worn by correctional officers employed with the department.

(d)(i) Class II correctional industries products and services shall be reviewed by the department before offering such products and services for sale to private contractors.

(ii) The secretary shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, by-products and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

((44)) (e) Security and custody services shall be provided without charge by the department.

((44)) (f) Inmates working in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located and which is approved by the director of correctional industries.

((44)) (g) Provisions of RCW 41.06.142 shall not apply to contracts with Washington state businesses entered into by the department through class II industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES.

(a) Industries in this class shall be operated by the department. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

(b) Class IV correctional industries shall be reviewed by the department to set policy for work crews. The department shall prepare quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. Class IV correctional industries operated in work camps established pursuant to RCW 72.64.050 are exempt from the requirements of this subsection (4)(b).

(c) Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

(d) The department shall reimburse participating units of local government for liability and workers compensation insurance costs.

(e) Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located.

(5) CLASS V: COMMUNITY RESTITUTION PROGRAMS.

(a) Programs in this class shall be subject to supervision by the department. The purpose of this class of industries is to enable an inmate, placed on community supervision, to work off all or part of a community restitution order as ordered by the sentencing court.

(b) Employment shall be in a community restitution program operated by the state, local units of government, or a nonprofit agency.

(c) To the extent that funds are specifically made available for such purposes, the department shall reimburse nonprofit agencies for workers compensation insurance costs.

NEW SECTION. Sec. 3. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2012, in the omnibus appropriations act, this act is null and void.

On page 1, line 3 of the title, after "industries;" strike the remainder of the title and insert "reenacting and amending RCW 43.19.534 and 72.09.100; and creating a new section."

and the same is herewith transmitted.

Sec. 2. RCW 9A.46.080 and 2011 c 307 s 5 are each amended to read as follows:

The victim shall be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim is involved. If a defendant is found guilty of a crime of harassment and a condition of the sentence restricts the defendant's ability to have contact with the victim or witnesses, the condition shall be recorded and a written certified copy of that order shall be provided to the victim or witnesses by the clerk of the court. Willful violation of a court order issued under this section or an equivalent local ordinance is a gross misdemeanor. The written order shall contain the court's directives and shall bear the legend: Violation of this order is a crime under chapter 26.50 RCW and will subject a violator to arrest.

Sec. 3. RCW 10.99.040 and 2010 c 274 s 309 are each amended to read as follows:

1. Because of the serious nature of domestic violence, the court in domestic violence actions:
   (a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;
   (b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;
   (c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his or her client the victim's location; and
   (d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

2. (a) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location.

   (b) In issuing the order, the court shall consider the provisions of RCW 9.46.020.

   (c) The no-contact order shall also be issued in writing as soon as possible, and shall state that it may be extended as provided in subsection (3) of this section. By January 1, 2011, the administrative office of the courts shall develop a pattern form for all no-contact orders issued under this chapter. A no-contact order issued under this chapter must substantially comply with the pattern form developed by the administrative office of the courts.

   (3) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. So long as the court finds probable cause, the court may issue or extend a no-contact order even if the defendant fails to appear at arraignment. The no-contact order shall terminate if the defendant is acquitted or the charges are dismissed. If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

   (4)(a) Willful violation of a court order issued under subsection (2)(a)(ii)(3) or (7) of this section is punishable under RCW 26.50.110.

   (b) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest; any assault, driving, or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

   (c) A certified copy of the order shall be provided to the victim.

   (5) If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if
charges are not filed. (Such orders need not be entered into the computer-based criminal intelligence information system in this state which is used by law enforcement agencies to list outstanding warrants.))

(6) Whenever a no-contact order is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated under subsection (3) of this section, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

(7) All courts shall develop policies and procedures by January 1, 2011, to grant victims a process to modify or rescind a no-contact order issued under this chapter. The administrative office of the courts shall develop a model policy to assist the courts in implementing the requirements of this subsection.

NEW SECTION. Sec. 4. A new section is added to chapter 10.14 RCW to read as follows:

(1) A defendant arrested for violating any civil antiharassment protection order issued pursuant to this chapter is required to appear in person before a magistrate within one judicial day after the arrest. At the time of the appearance, the court shall determine the necessity of imposing a no-contact order or other conditions of pretrial release in accordance with RCW 9A.46.050.

(2) A defendant who is charged by citation, complaint, or information with violating any civil antiharassment protection order issued pursuant to this chapter and not arrested shall appear in court for arraignment in accordance with RCW 9A.46.050.

The court shall not approve of a supervisor for contact between the child and the parent unless the supervisor is willing to and capable of protecting the child from harm. The court shall revoke court approval of the supervisor if the court determines, after a hearing, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child. If the court allows a family or household member to supervise residential time, the court shall establish conditions to be followed during residential time.

(6)(a) In cases in which the court has made a finding of domestic violence or child abuse, the court may not require a victim of domestic violence or the custodial parent of a victim of child abuse to disclose to the other party information that would reasonably be expected to enable the perpetrator of domestic violence or child abuse to obtain previously undisclosed information regarding the name, location, or address of a victim's residence, employer, or school at an initial hearing; and shall carefully weigh the safety interests of the victim before issuing orders which would require disclosure in a future hearing.

(b) In cases in which domestic violence or child abuse has been alleged but the court has not yet made a finding regarding such allegations, the court shall provide the party alleging domestic violence or child abuse with the opportunity to prove the allegations before ordering the disclosure of information that would reasonably be expected to enable the alleged perpetrator of domestic violence or child abuse to obtain previously undisclosed information regarding the name, location, or address of a victim's residence, employer, or school.

(7) In cases in which the court finds that the parties do not have a satisfactory history of cooperation or there is a high level of parental conflict, the court may order the parties to use supervised visitation and safe exchange centers or alternative safe locations to facilitate the exercise of residual time.

MESSAGE FROM THE SENATE
February 28, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2366 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) According to the centers for disease control and prevention:
(i) In 2008, more than thirty-six thousand people died by suicide in the United States, making it the tenth leading cause of death nationally.
(ii) During 2007-2008, an estimated five hundred sixty-nine thousand people visited hospital emergency departments with self-inflicted injuries in the United States, seventy percent of whom had attempted suicide.
(iii) During 2008-2009, the average percentages of adults who thought, planned, or attempted suicide in Washington were higher than the national average.
(b) According to a national study, veterans face an elevated risk of suicide as compared to the general population, more than twice the risk among male veterans. Another study has indicated a positive correlation between posttraumatic stress disorder and suicide.
(i) Washington state is home to more than sixty thousand men and women who have deployed in support of the wars in Iraq and Afghanistan.
(ii) Research continues on how the effects of wartime service and injuries such as traumatic brain injury, posttraumatic stress disorder, or other service-related conditions, may increase the number of veterans who attempt suicide.
(iii) As more men and women separate from the military and transition back into civilian life, community mental health providers will become a vital resource to help these veterans and their families deal with issues that may arise.
(c) Suicide has an enormous impact on the family and friends of the victim as well as the community as a whole.
(d) Approximately ninety percent of people who die by suicide had a diagnosable psychiatric disorder at the time of death. Most suicide victims exhibit warning signs or behaviors prior to an attempt.
(e) Improved training and education in suicide assessment, treatment, and management has been recommended by a variety of organizations, including the United States department of health and human services and the institute of medicine.
(2) It is therefore the intent of the legislature to help lower the suicide rate in Washington by requiring certain health professionals to complete training in suicide assessment, treatment, and management as part of their continuing education, continuing competency, or recertification requirements.
(3) The legislature does not intend to expand or limit the existing scope of practice of any health professional affected by this act.

NEW SECTION. Sec. 2. A new section is added to chapter 43.70 RCW to read as follows:

(b) The requirements in (a) of this subsection apply to a person holding a retired active license for one of the professions in (a) of this subsection.
(2)(a)(i) Except as provided in (a)(ii) of this subsection, a professional listed in subsection (1)(a) of this section must complete the first training required by this section during the first full continuing education reporting period after the effective date of this section or the first full continuing education reporting period after initial licensure or certification, whichever occurs later.
(ii) A professional listed in subsection (1)(a) of this subsection applying for initial licensure or certification after the effective date of this section may delay completion of the first training required by this section for six years after initial licensure if he or she can demonstrate successful completion of a six-hour training program in suicide assessment, treatment, and management that:
(A) Was completed no more than six years prior to the application for initial licensure; and
(B) Is listed on the best practices registry of the American foundation for suicide prevention and the suicide prevention resource center.
(3) The hours spent completing a training program in suicide assessment, treatment, and management under this section count toward meeting any applicable continuing education or continuing competency requirements for each profession.

NEW SECTION. Sec. 3. A new section is added to chapter 43.70 RCW to read as follows:

(4)(a) A disciplining authority may, by rule, specify minimum training and experience that is sufficient to exempt a professional from the training requirements in subsection (1) of this section.
(b) The board of occupational therapy practice may exempt occupational therapists from the training requirements of subsection (1) of this section by specialty, if the specialty in question has only brief or limited patient contact.
(5)(a) The secretary and the disciplining authorities shall work collaboratively to develop a model list of training programs in suicide assessment, treatment, and management.
(b) When developing the model list, the secretary and the disciplining authorities shall:

(c) The secretary and the disciplining authorities shall report the model list of training programs to the appropriate committees of the legislature no later than December 15, 2013.
(6) Nothing in this section may be interpreted to expand or limit the scope of practice of any profession regulated under chapter 18.130 RCW.
(7) The secretary and the disciplining authorities affected by this section shall adopt any rules necessary to implement this section.
(8) For purposes of this section:
(a) "Disciplining authority" has the same meaning as in RCW 18.130.020.
