"NEW SECTION. Sec. 1. The legislature finds that it is difficult for many property owners to pay property taxes under the current system in which past due property tax payments must be paid in full, including penalties and interest. The legislature further finds that providing counties and property owners some flexibility in structuring past due property tax payments may result in a more stable source of revenues for local governments and provide some relief for property owners.

Sec. 2. RCW 84.56.020 and 2010 c 200 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as provided in this section, (shall be) delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of . . . . . . County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax be paid on or before the thirtieth day of April, the remainder of such tax
is due and payable on or before the thirty-first day of October following and (shall be) are delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax be paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the thirty-first day of October following and is delinquent after that date.

(5) Delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the full year amount of tax unpaid from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of payment of the tax, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the full year amount of tax unpaid is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the amount of tax delinquent on December 1st of the year in which the tax is due.

(6) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict on delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(7) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(8)(a) In accordance with the requirements and conditions of this subsection (8), the county treasurer of a county with a population of eight hundred thousand or more must establish an installment payment program for taxpayers delinquent on taxes due and payable in any year prior to the calendar year in which an application to participate in the program is submitted. The county treasurer from any other county may also establish a similar installment program, but is not required to do so. In a county with a population of eight hundred thousand or more, the installment payment program must be implemented by calendar year 2014, but may be implemented earlier.

(b) A taxpayer must submit an application to the county treasurer in a form and manner required by the county treasurer. The application must specify the timing of payments and payment amounts. County treasurer may establish a reasonable minimum payment threshold, a reasonable maximum time period in which a taxpayer must become current on delinquent taxes, penalties, and interest, and any other reasonable requirements for an installment payment program under this subsection.

(c) To initially qualify and to remain in the program, a taxpayer may not be delinquent on taxes due and payable in the calendar year in which the application is submitted or become delinquent on any taxes due and payable in subsequent calendar years.

(d) The county treasurer may not assess interest and penalties on delinquent property taxes that are included within the installment payment program beginning on the first day of the month in which the taxpayer is first admitted into the program. Interest and penalties that have been assessed prior to this date remain due and payable as provided in the payment program. A taxpayer is disqualified immediately from the program if the taxpayer does not make payments in accordance with the program on more than two occasions. If a taxpayer is disqualified from the program for any reason, all penalties and interest that would have otherwise been assessed become immediately due and payable.

(e) The department, collaborating with any county treasurer participating in the installment payment program under this subsection, must prepare a report to the legislature consistent with RCW 43.01.036. The report must summarize the effectiveness of the pilot program in increasing payments on past due taxes and include information on the number of applicants, the number of active participants, the number of participants who have paid all past due taxes, and the total amount of revenue collected under the pilot program. The report may include any recommendations to the legislature to improve the effectiveness of the pilot program.

(9) For purposes of this chapter, "interest" means both interest and penalties.

The remainder of the tax is due and payable on or before the thirty-first day of October following and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

(d) A county legislative authority may authorize payment of past due property taxes, penalties, and interest under this chapter by electronic funds transfer payments on a monthly basis. Monthly payments must first be applied to penalties and interest.

(e) The treasurer must pay any collection costs, investment earnings, or both on prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

The legislature further finds that hotelsiers are the cornerstone of the tourism industry and are the entities that generate lodging tax revenues that benefit the local jurisdictions throughout the state. The legislature further finds that lodging tax revenues stimulate economic activity when the use of revenues is specific and targeted based on the differing needs of local jurisdictions.

(2) Because of the diverging needs of local jurisdictions, the legislature intends to continue to allow the expanded uses of lodging tax revenues to promote tourism and increase economic activity for local jurisdictions. The legislature further intends to subject the use of lodging tax revenues to a periodic review to ensure that the incremental economic benefit is measured and that the use of lodging tax revenues continues to increase tourism and generate revenue for local jurisdictions.

Sec. 2. RCW 67.28.1816 and 2008 c 28 s 1 are each amended to read as follows:

(1) Lodging tax revenues under this chapter may be used, directly by local jurisdictions or indirectly through a convention and visitors bureau or destination marketing organization, for the marketing and operations of special events and festivals designed to attract tourists and local travelers and to support the operations and capital expenditures of tourism-related facilities, designed to attract tourists and local travelers, owned or operated by public entities, or nonprofit organizations described under section 501(c)(3) and section 501(c)(6) of the internal revenue code of 1986, as amended.

These reports must include the expenditures by the local jurisdiction for tourism promotion purposes and what is used by a nonprofit organization exempt from taxation under 26 U.S.C. Sec. 501(c)(3) or 501(c)(6). This economic impact report, at a minimum, must include: (a) The total revenue received under this chapter for each year; (b) the list of festivals, special events, or nonprofit 501(c)(3) or 501(c)(6) organizations that received funds under this chapter; (c) the list of festivals, special events, or tourism facilities sponsored or owned by the local jurisdiction that received funds under this chapter; (d) the amount of revenue expended on each festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction; (e) the estimated number of tourists, persons traveling over fifty miles to the destination, persons remaining at the destination overnight, and lodging stays generated per festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction; and (f) any other measurements the local government finds that demonstrate the impact of the increased tourism attributable to the festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction.

(3) The joint legislative audit and review committee must report to the legislature and the governor on the use and economic impact of lodging tax revenues by local jurisdictions since January 1, 2008, to support festivals, special events, and tourism-related facilities owned or sponsored by a nonprofit organization under section 501(c)(3) or 501(c)(6) of the internal revenue code of 1986, as amended, or a local jurisdiction, and the economic impact generated by these festivals, events, and facilities. Wainwright, marking a significant step toward ensuring that in America, regardless of material wealth or personal privilege, all persons facing the deprivation of liberty at the hands of the government are guaranteed due process and the right to effective assistance of counsel to defend themselves.

Each commissioner shall receive ninety dollars for each day or portion thereof spent in actual attendance at official meetings of the district commission, or in performance of other official services or duties on behalf of the district, to include meetings of the commission of his or her own district, or meetings attended by one or more commissioners of two or more districts called to consider business
common to them, except that the total compensation paid to such commissioner during any one year shall not exceed eight thousand six hundred forty dollars. The commissioners may not be compensated for services performed of a ministerial or professional nature.

Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the district as provided in this section. SSB 5369  Prime Sponsor, Committee on Energy,
Environment & Telecommunications: Concerning
the use of geothermal resources. Reported by
Committee on Environment

MAJORITY recommendation:  Do pass as amended.

Strike everything after the enacting clause and insert the
following:

"NEW SECTION.  Sec. 1. The legislature finds that:
(1) Because related geothermal resources may be present on
contiguous private, state, and federal lands within the state, there is a
need to provide greater conformity with the state's geothermal
resources statutes and the federal statutes defining geothermal
resources and clarify that ownership of geothermal resources resides
with the surface owner unless the interest is otherwise reserved or
conveyed.

(2) It is in the public interest to encourage and foster the
development of geothermal resources in the state, and the legislature
intends to align the state statutes defining geothermal resources with
current federal law with which developers are familiar, and clarify the
respective regulatory roles of state agencies.

(3) Geothermal resources suitable for energy development are
located at much greater depths than the aquifers relied upon for other
beneficial uses, but in the event that a geothermal well draws from the
same source as other uses, a coordinated and streamlined permitting
of geothermal development can better ensure that any interference
with existing water uses will be addressed and eliminated. It is the
intent of this act that no water uses associated with a geothermal well
impair any water use authorized through appropriation under Title 90
RCW.

(4) Changes to federal law in 2005 require a distribution of a
portion of geothermal energy revenues from leases on federal land
directly to the county in which the lease activity occurs, and therefore
it is appropriate that the additional distribution to the state be provided
for statewide uses relating to geothermal energy assessment,
exploration, and production.

Sec. 2. RCW 78.60.030 and 1974 ex.s.c 43 s 3 are each
amended to read as follows:

((For the purposes of this chapter, unless the text otherwise
requires, the following terms shall have the following meanings))
The definitions in this section apply throughout this chapter unless the
context clearly requires otherwise.

(1)(a) "Geothermal resources" ((means only that natural heat
energy of the earth from which it is technologically practical to
produce electricity commercially and the medium by which such heat
energy is extracted from the earth, including liquids or gases, as well
as any minerals contained in any natural or injected fluids, brines and
associated gas, but excluding oil, hydrocarbon gas and other
hydrocarbon substances)) includes the natural heat of the earth, the
energy, in whatever form, below the surface of the earth present in,
resulting from, or created by, or that may be extracted from, the natural heat, and all minerals in solution or other products obtained from naturally heated fluids, brines, associated gases and steam, in whatever form, found below the surface of the earth, exclusive of helium or oil, hydrocarbon gas or other hydrocarbon substances, but including, specifically:

(i) All products of geothermal processes, including indigenous steam, and hot water and hot brines;

(ii) Steam and other bases, hot water and hot brines resulting from water, gas, or other fluids artificially introduced into geothermal formations;

(iii) Heat or other associated energy found in geothermal formations; and

(iv) Any by-product derived from them.

(b) "Geothermal resources" does not include heat energy used in ground source heat exchange systems for ground source heat pumps.

(2) "Waste", in addition to its ordinary meaning, shall mean "physical waste" as that term is generally understood and shall include:

(a) The inefficient, excessive, or improper use of, or unnecessary dissipation of, reservoir energy; or the locating, spacing, drilling, equipping, operating or producing of any geothermal energy well in a manner which results, or tends to result, in reducing the quantity of geothermal energy to be recovered from any geothermal area in this state;

(b) The inefficient above-ground transporting or storage of geothermal energy; or the locating, spacing, drilling, equipping, operating, or producing of any geothermal well in a manner causing, or tending to cause, unnecessary excessive surface loss or destruction of geothermal energy;

(c) The escape into the open air, from a well of steam or hot water, in excess of what is reasonably necessary in the efficient development or production of a geothermal well.

(3) "Geothermal area" means any land that is, or reasonably appears to be, underlain by geothermal resources.

(4) "Energy transfer system" means the structures and enclosed fluids which facilitate the utilization of geothermal energy. The system includes the geothermal wells, cooling towers, reinjection wells, equipment directly involved in converting the heat energy associated with geothermal resources to mechanical or electrical energy or in transferring it to another fluid, the closed piping between such equipment, wells and towers and that portion of the earth which facilitates the transfer of a fluid from reinjection wells to geothermal wells: PROVIDED, That the system shall not include any geothermal resources which have escaped into or have been released into the nongeothermal ground or surface waters from either man-made containers or through leaks in the structure of the earth caused by or to which access was made possible by any drilling, redrilling, reworking or operating of a geothermal or reinjection well.

(5) " Operator" means the person supervising or in control of the operation of a geothermal resource well, whether or not such person is the owner of the well.

(6) "Owner" means the person who possesses the legal right to drill, convert or operate any well or other facility subject to the provisions of this chapter.

(7) "Person" means any individual, corporation, company, association of individuals, joint venture, partnership, receiver, trustee, guardian, executor, administrator, personal representative, or public agency that is the subject of legal rights and duties.

(8) "Pollution" means any damage or injury to ground or surface waters, soil or air resulting from the unauthorized loss, escape, or disposal of any substances at any well subject to the provisions of this chapter.

(9) "Department" means the department of natural resources.

(10) "Well" means any excavation made for the discovery or production of geothermal resources, or any special facility, converted producing facility, or reactivated or converted abandoned facility used for the reinjection of geothermal resources, or the residue thereof underground.

(11) "Core holes" are holes drilled or excavations made expressly for the acquisition of geological or geophysical data for the purpose of finding and delineating a favorable geothermal area prior to the drilling of a well.

(12) A "completed well" is a well that has been drilled to its total depth, has been adequately cased, and is ready to be either plugged and abandoned, shut-in, or put into production.

(13) "Plug and abandon" means to place permanent plugs in the well in such a way and at such intervals as are necessary to prevent future leakage of fluid from the well to the surface or from one zone in the well to the other, and to remove all drilling and production equipment from the site, and to restore the surface of the site to its natural condition or contour or to such condition as may be prescribed by the department.

(14) "Shut-in" means to adequately cap or seal a well to control the contained geothermal resources for an interim period.

Sec. 3. RCW 78.60.040 and 1979 ex.s. c 2 s 1 are each amended to read as follows:

Notwithstanding any other provision of law, geothermal resources are found and hereby determined to be sui generis, being neither a mineral resource nor a water resource and as such are (hereby) declared to be the private property of the holder of the title to the surface land above the resource, unless the geothermal resources have been otherwise reserved by or conveyed to another person or entity. Nothing in this section divests the people of the state of any rights, title, or interest in geothermal resources owned by the state.

Sec. 4. RCW 78.60.060 and 2003 c 39 s 40 are each amended to read as follows:

(1) This chapter is intended to preempt local regulation of the drilling and operation of wells for geothermal resources but shall not be construed to permit the locating of any well or drilling when such well or drilling is prohibited under state or local land use law or regulations promulgated thereunder. Geothermal resources, by-products (and/or), or waste products which have escaped or been released from the energy transfer system (and/or) a mineral recovery process shall be subject to provisions of state law relating to the pollution of ground or surface waters (Title 90 RCW), provisions of the state fisheries law and the state game laws (Title 77 RCW), and any other state environmental pollution control laws.

(2) Authorization for (use of by-product water resources for all beneficial uses)) a consumptive or nonconsumptive use of water associated with a geothermal well, for purposes including but not limited to power production, greenhouse heating, warm water fish propagation, space heating plants, irrigation, swimming pools, and hot springs baths, shall be subject to the appropriation procedure as provided in Title 90 RCW, except for the following:

(a) Water that is removed from an aquifer or geothermal reservoir to develop and obtain geothermal resources if the water is returned to or reinjected into the same aquifer or reservoir; or

(b) The reasonable loss of water:

(i) During a test of a geothermal well; or

(ii) From the temporary failure of all or part of a system that removes water from an aquifer or geothermal reservoir, transfers the heat from that water, and reinjects that water into the same aquifer or reservoir.
The department and the department of ecology shall cooperate to avoid duplication and to promote efficiency in issuing permits and other approvals for these uses.

Nothing in this act shall affect or operate to impair any existing water rights.

All fees charged must be based on factors relating to administering this chapter and be based on a sliding scale that is representative of annual sales of covered electronic products in the state, either by weight or unit, or by representative market share. Fees must be established in amounts to fully recover and not to exceed expenses incurred by the department to implement this chapter.
(3) The department shall establish an annual process for local governments and local communities to report their satisfaction with the services provided by plans under this chapter. This information

(4) The department may adopt rules as necessary for the purpose of implementing, administering, and enforcing this chapter.

Sec. 12. RCW 70.95N.290 and 2008 c 79 s 1 are each amended to read as follows:

(a) The authority is governed by a board of directors. The board of directors is comprised of eleven participating manufacturers, appointed by the director of the department. For program years 2009 through 2015, five board positions are reserved for representatives of the top ten brand owners by return share of covered electronic products, and six board positions are reserved for representatives of other brands, including at least one board position reserved for a manufacturer who is also a retailer selling their own private label. The return share of covered electronic products used to determine the top ten brand owners for purposes of electing the board must be determined by the department by January 1, 2007. For program years 2016 and beyond, five board positions are reserved for representatives of the top ten brand owners by market share of covered electronic products, and six board positions are reserved for representatives of other brands, including at least one board position reserved for a manufacturer who is also a retailer selling its own private label. The market share of covered electronic products used to determine the top ten brand owners for purposes of electing the board must be determined by the department by October 1, 2015.

(b) The board must have representation from both television and computer manufacturers.

(2) The board shall select from its membership the chair of the board and such other officers as it deems appropriate.

(3) A majority of the board constitutes a quorum.

(4) The directors of the department of((community, trade, and economic development)) commerce and the department of ecology serve as ex officio members. The state agency directors serving in ex officio capacity may each designate an employee of their respective departments to act on their behalf in all respects with regard to any matter to come before the authority. Ex officio designations must be made in writing and communicated to the authority director.

(5) The board shall create its own bylaws in accordance with the laws of the state of Washington.

(6) Any member of the board may be removed for misfeasance, malfeasance, or willful neglect of duty after notice and a public hearing, unless the notice and hearing are expressly waived in writing by the affected member.

(7) The members of the board serve without compensation but are entitled to reimbursement, solely from the funds of the authority, for expenses incurred in the discharge of their duties under this chapter.

Sec. 13. RCW 70.95N.300 and 2006 c 183 s 31 are each amended to read as follows:

(1) Manufacturers participating in the standard plan shall pay the authority to cover all administrative and operational costs associated with the collection, transportation, and recycling of covered electronic products within the state of Washington incurred by the standard program operated by the authority to meet the standard plan's equivalent share obligation as described in RCW 70.95N.280(5).

(2) The authority shall assess charges on each manufacturer participating in the standard plan and collect funds from each participating manufacturer for the manufacturer's portion of the costs in subsection (1) of this section. For program years 2009 through 2015, such apportionment ((shall)) must be based on return share, market share, any combination of return share and market share, or any other equitable method. For the 2016 program year and all subsequent program years, such apportionment must be based on market share. The authority's apportionment of costs to manufacturers participating in the standard plan may not include nor be based on electronic products imported through the state and subsequently exported outside the state. Charges assessed under this section must not be formulated in such a way as to create incentives to divert imported electronic products to ports or distribution centers in other states. The authority shall adjust the charges to manufacturers participating in the standard plan as necessary in order to ensure that all costs associated with the identified activities are covered.

(3) The authority may require financial assurances or performance bonds for manufacturers participating in the standard plan, including but not limited to new entrants and white box manufacturers, when determining equitable methods for apportioning costs to ensure that the long-term costs for collecting, transporting, and recycling of a covered electronic product are borne by the appropriate manufacturer in the event that the manufacturer ceases to participate in the program.

(4) Nothing in this section authorizes the authority to assess fees or levy taxes directly on the sale or possession of electronic products.

(5) If a manufacturer has not met its financial obligations as determined by the authority under this section, the authority shall notify the department that the manufacturer is no longer participating in the standard plan.

(6) For program years 2009 through 2015, the authority shall submit its plan for assessing charges and apportioning cost on manufacturers participating in the standard plan to the department for review and approval along with the standard plan as provided in RCW 70.95N.060.

(7)(a) Any manufacturer participating in the standard plan may appeal an assessment of charges or apportionment of costs levied by the authority under this section by written petition to the director of the department. The director of the department or the director's designee shall review all appeals within timelines established by the department and shall reverse any assessments of charges or apportionment of costs if the director finds that the authority's assessments or apportionment of costs was an arbitrary administrative decision, an abuse of administrative discretion, or is not an equitable assessment or apportionment of costs. The director shall make a fair and impartial decision based on sound data. If the director of the department reverses an assessment of charges, the authority must redetermine the assessment or apportionment of costs.

(b) Disputes regarding a final decision made by the director or director's designee may be challenged through arbitration. The director shall appoint one member to serve on the arbitration panel and the challenging party shall appoint one other. These two persons shall choose a third person to serve. If the two persons cannot agree on a third person, the presiding judge of the Thurston county superior court shall choose a third person. The decision of the arbitration panel shall be final and binding, subject to review by the superior court solely upon the question of whether the decision of the panel was arbitrary or capricious.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 9.46 RCW to read as follows:

(1) A bona fide charitable or nonprofit organization, as defined in RCW 9.46.0209, whose primary purpose is serving individuals with intellectual disabilities may conduct enhanced raffles if licensed by the commission.

(2) The commission has the authority to approve two enhanced raffles per calendar year for western Washington and two enhanced raffles per calendar year for eastern Washington. Whether the enhanced raffle occurs in western Washington or eastern Washington will be determined by the location where the grand prize winning ticket is to be drawn as stated on the organization's application to the commission. An enhanced raffle is considered approved when voted on by the commission.

(3) The commission has the authority to approve enhanced raffles under the following conditions:

(a) The value of the grand prize must not exceed five million dollars.

(b) Sales may be made in person, by mail, by fax, or by telephone only. Raffle ticket order forms may be printed from the bona fide charitable or nonprofit organization's web site. Obtaining the form in this manner does not constitute a sale.

(c) Tickets purchased as part of a multiple ticket package may be purchased at a discount.
(d) Multiple smaller prizes are authorized during the course of an enhanced raffle for a grand prize including, but not limited to, early bird, refer a friend, and multiple ticket drawings.

(e) A purchase contract is not necessary for smaller noncash prizes, but the bona fide charitable or nonprofit organization must be able to demonstrate that such a prize is available and sufficient funds are held in reserve in the event that the winner chooses a noncash prize.

(f) All enhanced raffles and associated smaller raffles must be independently audited, as defined by the commission during rule making. The audit results must be reported to the commission.

(g) Call centers, when licensed by the commission, are authorized. The bona fide charitable or nonprofit organization may contract with a call center vendor to receive enhanced raffle ticket sales. The vendor may not solicit sales. The vendor may be located outside the state, but the bona fide charitable or nonprofit organization must have a contractual relationship with the vendor stating that the vendor must comply with all applicable Washington state laws and rules.

(h) The bona fide charitable or nonprofit organization must be the primary recipient of the funds raised.

(i) Sales data may be transmitted electronically from the vendor to the bona fide charitable or nonprofit organization. Credit cards, issued by a state regulated or federally regulated financial institution, may be used for payment to participate in enhanced raffles.

(j) Receipts including ticket confirmation numbers may be sent to ticket purchasers either by mail or by e-mail.

(k) In the event the bona fide charitable or nonprofit organization determines ticket sales are insufficient to qualify for a complete enhanced raffle to move forward, the enhanced raffle winner must receive fifty percent of the net proceeds in excess of expenses as the grand prize. The enhanced raffle winner will receive a choice between an annuity value equal to fifty percent of the net proceeds in excess of expenses paid by annuity over twenty years, or a one-time cash payment of seventy percent of the annuity value.

(l) A bona fide charitable or nonprofit organization is authorized to hire a consultant licensed by the commission to run an enhanced raffle; in addition, the bona fide charitable or nonprofit organization must have a dedicated employee who is responsible for oversight of enhanced raffle operations. The bona fide charitable or nonprofit organization is ultimately responsible for ensuring that an enhanced raffle is conducted in accordance with all applicable state laws and rules.

(4) The commission has the authority to set fees for bona fide charitable or nonprofit organizations, call center vendors, and consultants conducting enhanced raffles authorized under this section.

(5) The commission has the authority to adopt rules governing the licensing and operation of enhanced raffles.

(6) Except as specifically authorized in this section, enhanced raffles must be held in accordance with all other requirements of this chapter, other applicable laws, and rules of the commission.

(7) For the purposes of this section:

(a) "Enhanced raffle" means a game in which tickets bearing an individual number are sold for not more than two hundred fifty dollars each and in which a grand prize and smaller prizes are awarded on the basis of drawings from the tickets by the person or persons conducting the game. An enhanced raffle may include additional related entries and drawings, such as early bird, refer a friend, and multiple ticket drawings when the bona fide charitable or nonprofit organization establishes the eligibility standards for such entries and drawings before any enhanced raffle tickets are sold. No drawing may occur by using a random number generator or similar means.

(b) "Early bird drawing" means a separate drawing for a separate prize held prior to the grand prize drawing. All tickets entered into the early bird drawing, including all early bird winning tickets, are entered into subsequent early bird drawings, and also entered into the drawing for the grand prize.

(c) "Refer a friend drawing" means a completely separate drawing, using tickets distinct from those for the enhanced raffle, for a separate prize held at the conclusion of the enhanced raffle for all enhanced raffle ticket purchasers, known as the referring friend, who refer other persons to the enhanced raffle when the other person ultimately purchases an enhanced raffle ticket. The referring friend will receive one ticket for each friend referred specifically for the refer a friend drawing. In addition, each friend referred could also become a referring friend and receive his or her own additional ticket for the refer a friend drawing.

(d) "Multiple ticket drawing" means a completely separate drawing, using tickets distinct from those for the enhanced raffle, for a separate prize held at the conclusion of the enhanced raffle for all enhanced raffle ticket purchasers who purchase a specified number of enhanced raffle tickets. For example, a multiple ticket drawing could include persons who purchase three or more enhanced raffle tickets in the same order, using the same payment information, with tickets in the same person's name. For each eligible enhanced raffle ticket purchased, the purchaser also receives a ticket for the multiple ticket drawing prize.

(e) "Western Washington" includes those counties west of the Cascade mountains, including Clallam, Clark, Cowlitz, Grays Harbor, Island, Jefferson, King, Kitsap, Lewis, Mason, Pacific, Pierce, San Juan, Skagit, Skamania, Snohomish, Thurston, Wahkiakum, and Whatcom.

(f) "Eastern Washington" includes those counties east of the Cascade mountains that are not listed in (e) of this subsection.

(8) By December 2017, the commission must report back to the appropriate committees of the legislature on enhanced raffles. The report must include results of the raffles, revenue generated by the raffles, and identify any state or federal regulatory actions taken in relation to enhanced raffles in Washington. The report must also make recommendations, if any, for policy changes to the enhanced raffle authority.

(9) This section expires June 30, 2016."

HB 1982 Prime Sponsor, Representative Hunter: Eliminating lottery games that generate insufficient net revenue. Reported by Committee on Appropriations
(1) School districts and nonpublic schools may maintain at a school in a designated location a supply of epinephrine autoinjectors based on the number of students enrolled in the school.

(2)(a) A licensed health professional with the authority to prescribe epinephrine autoinjectors may prescribe epinephrine autoinjectors in the name of the school district or school to be maintained for use when necessary. Epinephrine prescriptions must be accompanied by a standing physician's order for the administration of school-supplied, undesignated epinephrine autoinjectors for potentially life-threatening allergic reactions.

(b) There are no changes to current prescription or self-administration practices for children with existing epinephrine autoinjector prescriptions or a physician guided anaphylaxis action plan.

(c) Epinephrine autoinjectors may be obtained from donation sources, but must be accompanied by a prescription.

(3)(a) When a student has a prescription for an epinephrine autoinjector on file, the school nurse or designated trained school personnel may utilize the school district or school supply of epinephrine autoinjectors in response to anaphylactic reactions under a standing protocol from a physician employed under RCW 28A.210.300 or any other physician with which the school has contracted for medical services.

(b) When a student does not have an epinephrine autoinjector or prescription for an epinephrine autoinjector on file, the school nurse may utilize the school district or school supply of epinephrine autoinjectors to respond to an anaphylactic reaction under a standing protocol from a physician employed under RCW 28A.210.300 or any other physician with which the school has contracted for medical services.

(4)(a) If a student is injured or harmed due to the administration of epinephrine that a licensed health professional with prescribing authority has prescribed and a pharmacist has dispensed to a school under this section, the licensed health professional with prescribing authority and pharmacist may not be held responsible for the injury unless he or she issued the prescription with a conscious disregard for safety.

(b) In the event a school nurse or other school employee administers epinephrine in substantial compliance with a student's prescription that has been prescribed by a licensed health professional within the scope of the professional's prescriptive authority, if applicable, and written policies of the school district or private school, then the school employee, the employee's school district or school of employment, and the members of the governing board and chief administrator thereof are not liable for any criminal action or for civil damages in their individual, marital, governmental, corporate, or other capacity as a result of providing the epinephrine.

(5) The office of the superintendent of public instruction shall review the anaphylaxis policy guidelines required under RCW 28A.210.380 and make a recommendation to the education committees of the legislature by December 1, 2013, based on student safety, regarding whether to designate other trained school employees to administer epinephrine autoinjectors to students without

(1) Subject to funds appropriated specifically for this purpose, the academic acceleration incentive program is established as provided in this section. The intent of the legislature is that the funds awarded under the program be used to support teacher training, curriculum, technology, examination fees, and other costs associated with offering dual credit courses to high school students.

(2) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section on a competitive basis to provide one-time grants for high schools to expand the availability of dual credit courses. To be eligible for a grant, a school district must have adopted an academic acceleration policy as provided under section 2 of this act. In making grant awards, the office of the superintendent of public instruction must give priority to grants for high schools with a high proportion of low-income students and high schools seeking to develop new capacity for dual credit courses rather than proposing marginal expansion of current capacity.

(3) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section to school districts as an incentive award for each student who earned dual high school and college credit, as described under subsection (4) of this section, for courses offered by the district's high schools during the previous school year. School districts must distribute the award to the high schools that generated the funds. The award amount for low-income students eligible to participate in the federal free and reduced-price meals program who earn dual credits must be set at one hundred twenty-five percent of the base award for other students. A student who earns more than one dual credit in the same school year counts only once for the purposes of the incentive award.

(4) For the purposes of this section, the following students are considered to have earned dual high school and college credit in a course offered by a high school:

(a) Students who achieve a score of three or higher on an AP examination;
(b) Students who achieve a score of four or higher on an examination of the international baccalaureate diploma programme;
(c) Students who successfully complete a Cambridge advanced international certificate of education examination;
(d) Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education; and
(e) Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course.

(5) If a high school provides access to online courses for students to earn dual high school and college credit at no cost to the student, such a course is considered to be offered by the high school. Students enrolled in the running start program under RCW 28A.600.300 do not generate an incentive award under this section.

Sec. 1. RCW 79A.80.020 and 2012 c 261 s 2 are each amended to read as follows:

1) Except as otherwise provided in ((RCW 79A.80.050, 79A.80.060, and 79A.80.070)) this chapter, a discover pass is required for any motor vehicle to:

(a) Park (or operate on) at any recreation site or lands (except for short term parking as may be authorized under RCW 79A.80.070); or

(b) Operate on any recreation site or lands.

2) Except as provided in section 4 of this act, the cost of a discover pass is thirty dollars. Every four years the office of financial management must review the cost of the discover pass and, if necessary, recommend to the legislature an adjustment to the cost of the discover pass to account for inflation.

3) A discover pass is valid for one year beginning from the date that the discover pass is marked for activation. The activation date may differ from the purchase date pursuant to any policies developed by the agencies.

4) Sales of discover passes must be consistent with RCW 79A.80.100.

5) The discover pass must contain space for two motor vehicle license plate numbers. A discover pass is valid only for those vehicle license plate numbers written on the pass. However, the agencies may offer for sale a family discover pass that is fully transferable among vehicles and does not require the placement of a license plate number on the pass to be valid. The agencies must collectively set a price for the sale of a family discover pass that is no more than fifty dollars. A discover pass is valid only for use with one motor vehicle at any one time.

6) One complimentary discover pass must be provided to a volunteer who performed twenty-four hours of service on agency-sanctioned volunteer projects in a year. The agency must provide vouchers to volunteers identifying the number of volunteer hours they have provided for each project. The vouchers may be brought to an agency to be redeemed for a discover pass.

Sec. 2. RCW 79A.80.030 and 2012 c 261 s 3 are each amended to read as follows:

1) A person may purchase a day-use permit to meet the requirements of RCW 79A.80.080. Except as provided in section 4 of this act, a day-use permit is ten dollars per day and must be available for purchase from each agency. A day-use permit is valid for one calendar day.

2) The agencies may provide short-term parking under RCW 79A.80.070 where a day-use permit is not required.
(3) Every four years the office of financial management must review the cost of the day-use permit and, if necessary, recommend to the legislature an adjustment to the cost of the day-use permit to account for inflation.

(4) Sales of day-use permits must be consistent with RCW 79A.80.100.

Sec. 3. RCW 79A.80.080 and 2012 c 261 s 7 are each amended to read as follows:

(1) A discover pass, vehicle access pass, or day-use permit must be visibly displayed in the front windshield, or otherwise in a prominent location for motor vehicles without a windshield, of any motor vehicle (or otherwise in a prominent location for vehicles without a windshield):

(b) Special events and group activities are core recreational activities and major public service opportunities within state parks. When waiving the requirements of this section for special events, the state parks and recreation commission must consider the direct and indirect costs and benefits to the state, local market rental rates, the public service functions of the event sponsor, and other public interest factors when setting appropriate fees for each event or activity.

((5))) (4) Failure to comply with subsection (1) of this section is a natural resource infraction under chapter 7.84 RCW. An agency is authorized to issue a notice of infraction to any person who fails to comply with subsection (1)(a) of this section or to any motor vehicle that fails to comply with subsection (1)(b) of this section.

((6))) (5) The penalty for failure to comply with the requirements of this section is ninety-nine dollars. This penalty must be reduced to fifty-nine dollars if an individual provides proof of purchase of a discover pass to the court within fifteen days after the issuance of the notice of violation.

NEW SECTION. Sec. 4. A new section is added to chapter 79A.80 RCW to read as follows:

ESSB 5491 Prime Sponsor, Committee on Early Learning & K-12 Education: Establishing statewide indicators of educational health. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature acknowledges that multiple entities, including the state board of education, the office of the superintendent of public instruction, the workforce training and education coordinating board, the quality education council, and the student achievement council, are actively working on efforts to identify measurable goals and priorities, road maps, and strategic plans for the entire educational system. It is not the legislature's intent to undermine or curtail the ongoing work of these groups. However, the legislature believes that a coordinated single set of statewide goals would help focus these efforts.

(2) It is, therefore, the intent of the legislature to establish a discrete set of statewide data points that will serve as snapshots of the overall health of the educational system and as a means for evaluating progress in achieving the outcomes set for the system and the students it serves. By monitoring these statewide indicators over time, it is the intent of the legislature to understand whether reform efforts and investments are making positive progress in the overall education of students and whether adjustments are necessary. Finally, it is the intent of the legislature to align the education reform efforts of each state education agency in order to hold each part of the system – statewide leaders, school personnel, and students – accountable to the same definitions of success.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.150 RCW to read as follows:

(1) The following statewide indicators of educational system health are established:

(a) The percentage of students demonstrating the characteristics of entering kindergartners in all six areas identified by the Washington kindergarten inventory of developing skills administered in accordance with RCW 28A.150.080;

(b) The percentage of students meeting the standard on the fourth grade statewide reading assessment administered in accordance with RCW 28A.655.070;

(c) The percentage of students meeting the standard on the eighth grade statewide mathematics assessment administered in accordance with RCW 28A.655.070;

(d) The four-year cohort high school graduation rate;

(e) The percentage of high school graduates who during the second quarter after graduation are either enrolled in postsecondary education or training or are employed, and the percentage during the fourth quarter after graduation who are either enrolled in postsecondary education or training or are employed; and

(f) The percentage of students enrolled in precollege or remedial courses in college.

(2) The statewide indicators established in subsection (1) of this section shall be disaggregated as provided under RCW 28A.300.042.

(3) The state board of education, with assistance from the office of the superintendent of public instruction, the workforce training and education coordinating board, the educational opportunity gap oversight and accountability committee, and the student achievement council, are actively working on efforts to identify realistic but challenging system-wide performance goals and measurements, if necessary, for each of the indicators established in subsection (1) of this section, including for subcategories of students as provided under subsection (2) of this section. The performance goal for each indicator must be set on a biennial basis, and may only be adjusted upward.

(4) The state board of education, the office of the superintendent of public instruction, and the student achievement council shall each align their strategic planning and education reform efforts with the statewide indicators and performance goals established under this section.

ESSB 5744 Prime Sponsor, Committee on Commerce & Labor: Monitoring the progress of the logger safety initiative. Reported by Committee on Labor & Workforce Development

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1.** The legislature finds that many Washington workers involved in manual logging in the logging industry suffer industrial injuries with greater frequency and severity than workers in other industries. The legislature further finds that the incidence and severity of injury is particularly high among young workers during the early periods of employment in manual logging.

The legislature recognizes the importance of improving safety performance in the logging industry to reduce industrial injuries for workers and resulting workers’ compensation premium rates for employers. The legislature acknowledges that industry participants, including private land owners, timber industry employers, the department of natural resources, and the department of labor and industries, have formed a logger safety task force to develop and implement a logger safety initiative. The goal of the initiative is to reduce the frequency and severity of injuries in the logging industry. The task force will create a program that will establish sector-wide standards for worker training and supervision; establish a certification process for individual company safety programs; and review the progress of logging operations through mandatory performance-based audits. The legislature further recognizes that as the safety culture in the logging industry evolves, the frequency and severity of injuries will decrease, which will drive down industrial insurance costs for logging industry employers. While the industrial insurance costs will decline over time as safety improves, the legislature acknowledges that an immediate reduction in industrial insurance rates for the 2014 rate year for participating logging employers provides an additional incentive for these employers to commit to the logger safety initiative. Therefore, the legislature intends to monitor development and implementation of the logger safety initiative.

**NEW SECTION. Sec. 2.** A new section is added to chapter 51.04 RCW to read as follows:

(1) The department shall include one or more representatives of logging industry workers on the logger safety task force. In addition, the department shall reach out to all employers in the logging industry, including those having one or more on the job fatalities in the last five years, and invite them to participate in the logger safety initiative. All participants must comply with the requirements of the logger safety initiative.

(2) By December 31, 2013, the department shall report back to the appropriate committees of the legislature on the development and implementation of the logger safety initiative. The report shall provide a status update on implementation of the initiative and participation in the safety program, including a description and summary of the worker training and supervision standards and the certification process for individual companies. The report shall also contain a description and summary of any industrial insurance rate reduction or other incentive for rate year 2014 that will be applied to employers participating in the initiative. The report may provide recommendations for legislative consideration to further the goals of the initiative.

“NEW SECTION. Sec. 1. The federal patient protection and affordable care act of 2010, P.L. 111-148, as amended, prohibits the imposition of any preexisting condition coverage exceptions in the individual market for insurance coverage beginning January 1, 2014. The affordable care act also extends opportunities for individuals to enroll in comprehensive coverage in a health benefit exchange beginning January 1, 2014. The legislature finds that some individuals may still be barred from enrolling in the new comprehensive coverage options and it is the intent of the legislature to continue some limited access to the Washington state health insurance pool for a transitional period, and to provide for modification to the pool to reflect changes in federal law and insurance availability.

Sec. 2. RCW 48.41.060 and 2011 c 314 s 13 are each amended to read as follows:

(1) The board shall have the general powers and authority granted under the laws of this state to insurance companies, health care service contractors, and health maintenance organizations, licensed or registered to offer or provide the kinds of health coverage defined under this title. In addition thereto, the board shall:

(a) Specify and establish the standard health questionnaire to be used under RCW 48.41.100 and 48.42.018, including the form and content of the standard health questionnaire and the method of its application. The questionnaire must provide for an objective evaluation of an individual's health status by assigning a discreet measure, such as a system of point scoring to each individual. The questionnaire must not contain any questions related to pregnancy, and pregnancy shall not be a basis for coverage by the pool. The questionnaire shall be designed such that it is reasonably expected to
identify the eight percent of persons who are the most costly to treat who are under individual coverage in health benefit plans, as defined in RCW 48.43.005, in Washington state or are covered by the pool, if applied to all such persons;

(b) Obtain from a member of the American academy of actuaries, who is independent of the board, a certification that the standard health questionnaire meets the requirements of (a) of this subsection;

(c) Approve the standard health questionnaire and any modifications needed to comply with this chapter. The standard health questionnaire shall be submitted to an actuary for certification, modified as necessary, and approved at least every thirty-six months unless at the time when certification is required the pool will be discontinued before the end of the succeeding thirty-six month period. The designation and approval of the standard health questionnaire by the board shall not be subject to review and approval by the commissioner. The standard health questionnaire or any modification thereto shall not be used until ninety days after public notice of the approval of the questionnaire or any modification thereto, except that the initial standard health questionnaire approved for use by the board after March 23, 2000, may be used immediately following public notice of such approval;

(d) Establish appropriate rates, rate schedules, rate adjustments, expense allowances, claim reserve formulas and any other actuarial functions appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience, and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into consideration appropriate risk factors in accordance with established actuarial underwriting practices consistent with Washington state individual plan rating requirements under RCW 48.44.022 and 48.46.064;

(e) Assess members of the pool in accordance with the provisions of this chapter, and make advance interim assessments as may be reasonable and necessary for the organizational or interim operating expenses. Any interim assessments will be credited as offsets against any regular assessments due following the close of the year.

(ii) Self-funded multiple employer welfare arrangements are subject to assessment under this subsection only in the event that assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the commissioner shall initially request an advisory opinion from the United States department of labor or obtain a declaratory ruling from a federal court on the legality of imposing assessments on these arrangements before imposing the assessment. Once the legality of the assessments has been determined, the multiple employer welfare arrangement certified by the insurance commissioner must begin payment of these assessments.

(iii) If there has not been a final determination of the legality of these assessments, then beginning on the earlier of (A) the date the fourth multiple employer welfare arrangement has been certified by the insurance commissioner, or (B) April 1, 2006, the arrangement shall deposit the assessments imposed by this subsection into an interest bearing escrow account maintained by the arrangement. Upon a final determination that the assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq., all funds in the interest bearing escrow account shall be transferred to the board;

(e) Issue policies of health coverage in accordance with the requirements of this chapter;

(d) Establish procedures for the administration of the premium discount provided under RCW 48.41.200(3)(a)(iii);

(e) Contract with the Washington state health care authority for the administration of the premium discounts provided under RCW 48.41.200(3)(a) (i) and (ii);
Any person becoming eligible for medicare on or after August 1, 2009, who does not have access to a reasonable choice of comprehensive medicare part C plans, as defined in (b) of this subsection, and who provides evidence of (A) a rejection for medical reasons, (B) a requirement of restrictive riders, (C) an up-rated premium, (D) a preexisting conditions limitation, or (E) lack of access to or for a comprehensive medicare supplemental insurance policy under chapter 48.66 RCW, the effect of any of which is to substantially reduce coverage from that received by a person considered a standard risk by at least one member within six months of the date of application((; and

— (vi) any person under the age of nineteen who does not have access to an individual plan upon enrollment or special enrollment, as defined in RCW 48.43.005, or the federal preexisting condition insurance pool, at the time of application to the pool is eligible for the pool coverage).

(b) For purposes of (a)(i) of this subsection, by December 1, 2013, the board shall develop and implement a process to determine an applicant's eligibility based on the criteria specified in (a)(i) of this subsection.

(c) For purposes of (a)(i)(ii) of this subsection (1), a person does not have access to a reasonable choice of plans unless the person has a choice of health maintenance organization or preferred provider organization medicare part C plans offered by at least three different carriers that have had provider networks in the person's county of residence for at least five years. The plan options must include coverage at least as comprehensive as a plan F medicare supplement plan combined with medicare parts A and B. The plan options must also provide access to adequate and stable provider networks that make up-to-date provider directories easily accessible on the carrier website, and will provide them in hard copy, if requested. In addition, if no health maintenance organization or preferred provider organization plan includes the health care provider with whom the person has an established care relationship and from whom he or she has received treatment within the past twelve months, the person does not have reasonable access.

(2) The following persons are not eligible for coverage by the pool:

(a) Any person having terminated coverage in the pool unless (i) twelve months have lapsed since termination, or (ii) that person can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(b) Inmates of public institutions and those persons who become eligible for medical assistance after June 30, 2008, as defined in RCW 74.09.010. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(c) Any person who resides in a county of the state where any carrier or insurer regulated under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool and who does not qualify for pool coverage based upon the results of the standard health questionnaire, or pursuant to subsection (1)(a)(iv) of this section).

(3) When a carrier or insurer regulated under chapter 48.15 RCW begins to offer an individual health benefit plan in a county where no carrier had been offering an individual health benefit plan:

(a) If the health benefit plan offered is other than a catastrophic health plan as defined in RCW 48.43.005, any person enrolled in a pool plan pursuant to subsection (1)(a)((iii)) (i) of this section in that county shall no longer be eligible for coverage under that plan pursuant to subsection (1)(a)((iii)) (i) of this section((; but may continue to be eligible for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator. The pool administrator shall offer to administer the questionnaire to each person no longer eligible for coverage under subsection (1)(a)((iii)) of this section within thirty days of determining that he or she is no longer eligible;

(b) Losing eligibility for pool coverage under this subsection (3) does not affect a person's eligibility for pool coverage under subsection (1)(a)((ii), (iii), or (iv)) of this section);

(c) The pool administrator shall provide written notice to any person who is no longer eligible for coverage under a pool plan under this subsection (3) within thirty days of the administrator's determination that the person is no longer eligible. The notice shall: (i) Indicate that coverage under the plan will cease ninety days from the date that the notice is dated; (ii) describe any other coverage options, either in or outside of the pool, available to the person; and (iii) describe the procedures for the administration of the standard health questionnaire to determine the person's continued eligibility for coverage under subsection (1)(a)((ii), (iii), or (iv)) of this section; and (iv) describe the enrollment process for the available options outside of the pool.

The board shall ensure that an independent analysis of the eligibility for the pool coverage is conducted, including examining the eight percent eligibility threshold, eligibility for medicaid enrollees and other publicly sponsored enrollees, and the impacts on the pool and the state budget. The board shall report the findings to the legislature by December 1, 2007.

Sec. 4. RCW 48.41.160 and 2007 c 259 s 27 are each amended to read as follows:

(1) On or before December 31, 2007, the pool shall cancel all existing pool policies and replace them with policies that are identical to the existing policies except for the inclusion of a provision providing for a guarantee of the continuity of coverage consistent with this section. As a means to minimize the number of policy changes for enrollees, replacement policies provided under this subsection also may include the plan modifications authorized in RCW 48.41.100, 48.41.110, and 48.41.120.

(2) A pool policy shall contain a guarantee of the individual's right to continued coverage, subject to the provisions of subsections (4) (and), (5), (7), and (8) of this section.

(3) The guarantee of continuity of coverage required by this section shall not prevent the pool from canceling or nonrenewing a policy for:

(a) Nonpayment of premium;

(b) Violation of published policies of the pool;

(c) Failure of a covered person who becomes eligible for medicare benefits by reason of age to apply for a pool medical supplement plan, or a medicare supplement plan or other similar plan offered by a carrier pursuant to federal laws and regulations;

(d) Failure of a covered person to pay any deductible or copayment amount owed to the pool and not the provider of health care services;

(e) Covered persons committing fraudulent acts as to the pool;

(f) Covered persons materially breaching the pool policy; or

(g) Changes adopted to federal or state laws when such changes no longer permit the continued offering of such coverage.

(4)(a) The guarantee of continuity of coverage provided by this section applies if and only if the plan replaces a plan, it must make the replacement plan available to all individuals in the plan being replaced. The replacement plan must include all of the services covered under the replaced plan, and must not significantly limit access to the kind of services covered under the replacement plan through unreasonable cost-sharing requirements or otherwise. The pool may also allow individuals who are covered by a plan that is being replaced an unrestricted right to transfer to a fully comparable plan.
(b) The guarantee of continuity of coverage provided by this section requires that if the pool discontinues offering a plan: (i) The pool must provide notice to each individual of the discontinuation at least ninety days prior to the date of the discontinuation; (ii) the pool must offer to each individual provided coverage under the discontinued plan the option to enroll in any other plan currently offered by the pool for which the individual is otherwise eligible; and (iii) in exercising the option to discontinue a plan and in offering the option of coverage under (b)(ii) of this subsection, the pool must act uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for this coverage.

(c) The pool cannot replace or discontinue a plan under this subsection (4) until it has completed an evaluation of the impact of replacing the plan upon:

(i) The cost and quality of care to pool enrollees;
(ii) Pool financing and enrollment;
(iii) The board's ability to offer comprehensive and other plans to its enrollees;
(iv) Other items identified by the board.

In its evaluation, the board must request input from the constituents represented by the board members.

(d) The guarantee of continuity of coverage provided by this section does not apply if the pool has zero enrollment in a plan.

(5) The pool may not change the rates for pool policies except on a class basis, with a clear disclosure in the policy of the pool's right to do so.

(6) A pool policy offered under this chapter shall provide that, upon the death of the individual in whose name the policy is issued, every other individual then covered under the policy may elect, within a period specified in the policy, to continue coverage under the same or a different policy.

(7) All pool policies issued on or after January 1, 2014, must reflect the new eligibility requirements of RCW 48.41.100 and contain a statement of the intent to discontinue the pool coverage on December 31, 2017, under pool nonmedicare plans.

(8) Pool policies issued prior to January 1, 2014, shall be modified effective January 1, 2013, consistent with subsection (3)(g) of this section, and contain a statement of the intent to discontinue pool coverage on December 31, 2017, under pool nonmedicare plans.

(9) The pool shall discontinue all nonmedicare pool plans effective December 31, 2017.

Sec. 5. RCW 48.41.240 and 2012 c 87 s 17 are each amended to read as follows:

(1) The board shall review populations that may need ongoing access to coverage through the pool, with specific attention to those persons who may be excluded from or may receive inadequate coverage beginning January 1, 2014, such as persons with end-stage renal disease or HIV/AIDS, or persons not eligible for coverage in the exchange.

(2) If the review under subsection (1) of this section indicates a continued need for coverage through the pool after December 31, 2013, the board shall submit recommendations regarding any modifications to pool eligibility requirements for new and ongoing enrollment after December 31, 2013. The recommendations must address any needed modifications to the standard health questionnaire or other eligibility screening tool that could be used in a manner consistent with federal law to determine eligibility for enrollment in the pool.

(3) The board shall complete an analysis of current pool assessment requirements in relation to assessments that will fund the reinsurance program and recommend changes to pool assessments or any credits against assessments that may be considered for the reinsurance program. The analysis shall recommend whether the categories of members paying assessments should be adjusted to make the assessment fair and equitable among all payers.

(4) The board shall report its recommendations to the governor and the legislature by December 1, 2012.

(5) The board shall revisit the study of eligibility completed in 2012 with another review of the populations that may need ongoing access to coverage through the pool, to be submitted to the governor and legislature by November 1, 2015. The eligibility study shall include the nonmedicare populations scheduled to lose coverage and medicare populations, and consider whether the enrollees have access to comprehensive coverage alternatives that include appropriate pharmacy coverage. The study shall include recommendations to address any barriers in eligibility that remain in accessing other coverage such as medicare supplemental coverage or comprehensive pharmacy coverage, as well as suggestions for financing changes and recommendations on a future expiration of the pool.

Each qualifying reciprocal insurer offering a qualifying reciprocal plan must comply with the following:

(1) "Qualifying reciprocal insurer" means a foreign insurer that:
   (a) Meets the definition of "issuer" pursuant to P.L. 111–148 of 2010, as amended;
   (b) Is authorized in a state that is a member of the consortium authorized in section 4 of this act;
   (c) Proposes to sell in Washington only a qualifying reciprocal plan;
   (d) Has and maintains total adjusted capital that is greater than three times its authorized control level risk-based capital; and
   (e) To the extent required by the reciprocity agreement between the primary state of issue and the commissioner, complies with state laws applicable to issuers in the state of Washington.

(2) "Qualifying reciprocal plan" means a plan that:
   (a) Contains an essential health benefits package that is substantially equal to the essential health benefit benchmark plan designated pursuant to RCW 48.43.715 and provides minimum essential coverage as required by P.L. 111–148 of 2010, as amended;
   (b) Has been approved by a state regulator for a state with which the commissioner has a reciprocity agreement;
   (c) Is not a health savings account or qualified high deductible health plan; and
   (d) Complies with the market rules established in RCW 48.43.700 and 48.43.705.

NEW SECTION. Sec. 2. (1) Each qualifying reciprocal plan issued or renewed must contain the following declaration in bold face type at the beginning of the document:

"The benefits in this policy may not include each of the benefits required by the state of Washington. (Name of state) initially approved this policy for sale, and the benefit requirements of that state are reflected in the policy. The rates applied to calculate premium were not approved by the state of Washington, but by (Name of state). Those requirements may be different from the requirements for policies approved by Washington. Please consult your insurance agent or insurer to determine which health benefits are covered under the policy."

(2) Each qualifying reciprocal insurer offering a qualifying reciprocal plan must provide applicants with a written side by side comparison of health benefits under the plan, including differences in definition of each benefit between Washington law and the law of the approving state, whether the benefit is required under Washington law, and the difference in the premium rate due to the difference in state laws. Where a producer is offering the plan to an applicant, the producer must provide the written comparison.

(3) A qualifying reciprocal insurer offering qualifying reciprocal plans must offer the plan through producers licensed under chapter 48.17 RCW. Electronic marketing and sales of out-of-state policies are permitted under this section.

NEW SECTION. Sec. 3. (1) A qualifying reciprocal plan must use a premium rate schedule approved by its state of issue for the plan, and apply the standards for calculating the premium required by the United States department of health and human services for out-of-state coverage.

(2) The premium rate schedule for a qualifying reciprocal plan may not be adjusted more frequently than once a year.

(3) A qualifying reciprocal plan may only be offered in the small group market in Washington.

(4) A qualifying reciprocal plan is not required to include health benefit mandates required under this title that are not included in the qualifying reciprocal plan.

(5) A qualifying reciprocal plan must be filed with the commissioner for approval prior to use pursuant to RCW 48.18.100. The commissioner shall approve the plan for use in Washington state if the plan meets the requirements of this chapter and shall disapprove it if it does not. When determining whether the qualifying reciprocal plan contains an essential health benefits package that is substantially equal to the essential health benefit benchmark plan designated pursuant to RCW 48.43.715, the commissioner shall utilize the same standards and procedures applicable to carriers licensed in Washington. The commissioner may not rely upon the determination of a member consortium state as to whether the qualifying reciprocal plan contains an essential health benefits package substantially equal to the essential health benefit benchmark plan designated pursuant to RCW 48.43.715.

(6) Except as provided in this section, RCW 48.18.110 may not be grounds for disapproval of a qualifying reciprocal plan.

(7) To the extent consistent with federal law, and except as provided in this chapter, the requirements of chapter 48.43 RCW do not apply to a qualifying reciprocal plan.

NEW SECTION. Sec. 4. (1) Beginning July 1, 2015, the commissioner is authorized to contract with other states to establish and operate a consortium formed through written agreement governing the sale to small groups of a qualifying reciprocal plan, by qualifying reciprocal insurers admitted in one of the states in the consortium. A reciprocity agreement must be executed between the commissioner and the appropriate entity in a participating state prior to the offer and issue of a qualifying reciprocal plan under this chapter. The consortium is not intended to operate as a compact.

(2) The commissioner may not enter into a reciprocity agreement until the commissioner has identified a minimum of five states whose regulatory requirements for the offer and issue of health benefit plans meets or exceeds those of Washington in the areas of network adequacy, consumer protection, marketing requirements, and claims adjudication and processing. The consortium may commence with a reciprocity agreement with just one of the states.

(3) A state may not join the consortium if it has admitted two or more issuers domiciled in Washington that offer health benefit plans, unless five or more other states have joined the consortium.

(4) The commissioner may enter into separate reciprocity agreements, or one uniform agreement. Each reciprocity agreement must establish rules for the management of consumer questions and complaints related to health benefit plans approved by one member state but sold in another. The commissioner may adopt rules to implement consortium rules as necessary to comply with the consortium agreement.
(5) Consortium member states must agree to provide the commissioner with a list of approved qualifying reciprocal plans that meet the standards under this chapter, and their premium rate schedules as they are approved. If a qualifying reciprocity plan is discontinued or otherwise removed from the market pursuant to regulatory action or order, the primary state of issue must notify the commissioner of this action.

(6) The reciprocity agreement must establish a mechanism for payment of premium tax pursuant to chapter 48.14 RCW, payment of regulatory surcharge pursuant to RCW 48.02.190, and collection of any reinsurance or risk adjustment assessments that would otherwise be applicable but for the domicile of the selling insurer.

(7) Qualifying reciprocal insurers must inform each consortium state in writing of the intent to offer a qualifying reciprocal policy in a state not less than sixty days prior to the first date of offer. Reciprocity consortium member states may establish additional requirements for notification and offer applicable to that state.

(8) The commissioner may enter into one or more personal services contracts with third-party contractors to provide services necessary to accomplish the commissioner's responsibilities under this act.

NEW SECTION. Sec. 5. A qualifying reciprocity plan may be certified as a qualified health plan through the exchange only if it, and its qualifying reciprocal insurance, meet the requirements of the exchange for certification as a qualified health plan, and if the plan follows the market rules established in RCW 48.43.700.

NEW SECTION. Sec. 6. (1) By January 1, 2015, the commissioner must report to the legislature which states have been identified under section 4(2) of this act, and include a plan for seeking a reciprocity agreement with at least one state.

(2) The commissioner must report to the legislature by December 1, 2016, and December 1st of each year following, the status of the reciprocity consortium's formation, membership in the number of qualifying reciprocity plans offered in Washington through the consortium, the effect on the marketplace in Washington, including the health benefits exchange, and must recommend whether continuing reciprocity sales serves the public health and welfare.

Sec. 7. RCW 48.05.070 and 1947 c 79 s .05.07 are each amended to read as follows:

To apply for an original certificate of authority an insurer shall:

(1) File with the commissioner its request therefor stating:

(a) Its name, home office location, type of insurer, organization date, and state or country of its domicile.

(b) The kinds of insurance it proposes to transact.

(c) Additional information as the commissioner may reasonably require.

(2) File with the commissioner:

(d) If a foreign or alien insurer, or a domestic reciprocity insurer, an appointment of the commissioner as its attorney to receive service of legal process.

(e) If an alien insurer, a copy of the appointment and authority of its United States manager, certified by its proper officer.

(f) If a foreign or alien insurer, a certificate from the proper public official of its state or country of domicile showing that it is duly organized and is authorized to transact the kinds of insurance proposed to be transacted.

(g) If a domestic reciprocity insurer, the declaration required by RCW 48.10.090 of this code.

(h) Other documents or stipulations as the commissioner may reasonably require to evidence compliance with the provisions of this code.

(3) A qualifying reciprocity insurer, as defined in section 1 of this act, is not required to comply with subsection (2)(a), (b), (c), (e), or (g) of this section.

(4) Deposit with the commissioner the fees required by this code to be paid for filing the accompanying documents, and for the certificate of authority, if granted.

Sec. 8. RCW 48.21.047 and 2010 c 292 s 8 are each amended to read as follows:

(1) An insurer may not offer any health benefit plan to any small employer without complying with RCW 48.21.045(3).

(2) Employers purchasing health plans provided through associations or through member-governed groups formed specifically for the purpose of purchasing health care are not small employers and the plans are not subject to RCW 48.21.045(3).

(3) A qualifying reciprocity plan as defined in section 1 of this act, is not subject to RCW 48.21.045.

(4) For purposes of this section, "health benefit plan," "health plan," and "small employer" mean the same as defined in RCW 48.43.005.

(44)) (5) For purposes of this section, "census date" has the same meaning as defined in RCW 48.44.010.

NEW SECTION. Sec. 9. Sections 1 through 6 of this act constitute a new chapter in Title 48 RCW.

NEW SECTION. Sec. 10. If specific funding for the purposes of section 6 of this act, referencing section 6 of this act by bill or chapter number and section number, is not provided by June 30, 2013, in the omnibus appropriations act, section 6 of this act is null and void."

Except where the board provides for a pledge of general indebtedness, each such bond must state upon its face that it is payable from the local improvement district redemption fund and the local improvement guarantee fund only.

Sec. 2. RCW 84.34.310 and 1999 c 153 s 71 are each amended to read as follows:

As used in RCW 84.34.300 through 84.34.380, unless a different meaning is required, the words defined in this section shall have the meanings indicated.

"Local government" does not include an irrigation district with respect to any local improvement district created or local improvement assessment levied by that irrigation district.

(4) "Local improvement district" shall mean any local improvement district, utility local improvement district, local utility district, road improvement district, or any similar unit created by a local government for the purpose of levying special benefit assessments against property specially benefited by improvements relating to such districts.

(The petition shall be accompanied by a bond in the sum of one hundred dollars, with surety to be approved by the board, conditioned that the petitioners will pay the cost of an investigation of the project and of the hearing thereon if it is not established. The board may at any time require a bond in an additional sum.) A local improvement district may include adjoining, vicinal, or neighboring improvements even though the improvements and the properties benefited are not connected or continuous. Such improvements may be owned by the United States, the state of Washington, the irrigation district, or another local government. Upon approval of the board of an adjoining irrigation district, an irrigation district may form local improvement districts or utility local improvement districts that are composed entirely or in part of territory within that adjoining district. Upon the filing of the petition the board, with the assistance of a competent engineer, shall make an investigation of the feasibility, cost, and need for the proposed local improvement together with the ability of the lands to pay the cost, and if it appears feasible, they (shall) may elect to have plans and an estimate of the cost prepared. If a protest against the establishment of the proposed improvement signed by a majority of the holders of title in the proposed local district is presented at or before the hearing, or if the proposed improvement should be found not feasible, too expensive, or not in the best interest of the district, or the lands to be benefited insufficient security for the costs, they shall dismiss the petition ((at the expense of the petitioners)).

Sec. 4. RCW 87.03.485 and 1983 c 167 s 222 are each amended to read as follows:

In the event that the ((said)) board ((shall)) approve ((said)) the petition, the board shall fix a time and place for the hearing thereon and shall publish a notice once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date and shall mail such a notice on or before the second publication date by first-class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed. Such notice must be published in a newspaper of general circulation in each county in which any portion of the land proposed to be included in such local improvement district lies. Such notice shall state that the lands within ((said)) the described boundaries are proposed to be organized as a local improvement district, stating generally the nature of the proposed improvement; that bonds for such local improvement district are proposed to be issued as the bonds of the irrigation district, or that a contract is proposed to be entered into between the district and the United States or the state of Washington, or both, that the lands within ((said)) the local improvement district are to be assessed for such improvement, that such bonds or contract will be ((a primary)) the obligation of such local improvement district ((and a general obligation of the irrigation district)) and stating a time and place of hearing thereon. At the time and place of hearing named in ((said)) the notice, all persons interested may appear before the board and show cause for or against the formation of the proposed improvement district and the issuance of bonds or the entering into of a contract as aforesaid. The board may designate a hearing officer to conduct the hearing, and the hearing officer shall report recommendations on the establishment of the local improvement district to the board for final action. Upon the hearing the board shall determine as to the establishment of the proposed local improvement district. Any landowner whose lands can be served or will be benefited by the proposed improvement, may make application to the board at the time of hearing to include such land and the board of
directors in such cases shall, at its discretion, include such lands within such district. The board of directors may exclude any land specified in the notice from the district provided, that in the judgment of the board, the inclusion thereof will not be practicable.

As an alternative plan and subject to all of the provisions of this chapter, the board of directors may initiate the organization of a local improvement district as herein provided. To so organize a local improvement district the board shall adopt and record in its minutes a resolution specifying the lands proposed to be included in such local improvement district or by describing the exterior boundaries of such proposed district or by both. The resolution shall state generally the plan, character and extent of the proposed improvements, that the land proposed to be included in such improvement district will be assessed for such improvements; and that local improvement district bonds of the irrigation district will be issued or a contract entered into as hereinafter in this section provided to meet the cost thereof and that such bonds or contract will be a general obligation of the district. The principal and interest of the local improvement district bonds (and the irrigation district bonds) shall be paid from the general revenue of the district. The resolution shall fix a time and place of hearing thereon and shall state that unless a majority of the holders of title or of evidence of title to lands within the proposed local improvement district file their written protest at or before the hearing, consent to the improvement will be implied.

A notice containing a copy of the resolution must be published once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date, and shall be mailed on or before the second publication date by first-class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed, and the hearing thereof shall not be held in less than twenty days from the adoption of such resolution. Such notice must be published in one newspaper, of general circulation, in each county in which any portion of the land proposed to be included in such local improvement district lies. The hearing shall be held and all subsequent proceedings conducted in accordance with the provisions of this act relating to the organization of local improvement districts initiated upon petition.

In addition or as an alternative, an irrigation district may elect to apply all or a portion of the provisions for the assessment, equalization, levy, and collection of assessments applicable to city or town local improvement districts; however any duties of the city or town treasurer shall be the duties of the treasurer of the county in which the office of the district is located or other treasurer of the district if appointed pursuant to RCW 87.03.440. No such payment shall thereby release such tract from liability to assessment for deficiencies or delinquencies of the levies in such improvement district until all of the bonds or the contract, both principal and interest, issued or entered into for such local improvement district have been paid in full. The receipt given for any such payment shall have the foregoing provision printed thereon. The amount so paid shall be included on the annual assessment roll for the current year, provided, such roll has not then been delivered to the treasurer, with an appropriate notation by the secretary that the amount has been paid. ESSB 5176 Prime Sponsor, Committee on Human Services & Corrections: Addressing criminal incompetency and civil commitment. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that persons with a mental illness or developmental disability are more likely to be victimized by crime than to be perpetrators of crime. The legislature further finds that there are a small number of individuals who commit repeated violent acts against others while suffering from the effects of a mental illness and/or developmental disability that both contributes to their criminal behaviors and renders them legally incompetent to be held accountable for those behaviors. The legislature further finds that the primary statutory mechanisms designed to protect the public from violent behavior, either criminal commitment to a corrections institution, or long-term commitment as not guilty by reason of insanity, are unavailable due to the legal incompetence of these individuals to stand trial. The legislature further finds that the existing civil system of short-term commitments under the Washington's involuntary treatment act is insufficient to protect the public from these violent acts. Finally, the legislature finds that changes to the involuntary treatment act to account for this small number of individuals is necessary in order to serve Washington's compelling interest in public safety and to provide for the proper care of these individuals.

Sec. 2. RCW 10.77.086 and 2012 c 256 s 6 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, or has been determined unlikely to regain competency pursuant to RCW 10.77.0841(b), but in any event for a period of no longer than ninety days, the court:

(i) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

(ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days.

(2) On or before expiration of the initial period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third restoration period as provided in subsection (4) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension.

(4) For persons charged with a felony, at the hearing upon the expiration of the second restoration period or at the end of the first restoration period, in the case of a defendant with a developmental disability, if the jury or court finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and the court shall (either under the release of the defendant or) order the defendant be committed to a state hospital (or secure mental health facility) as defined in RCW 71.26.010 for up to seventy-two hours starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. The criminal charges shall not be dismissed if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

Sec. 3. RCW 10.77.270 and 2010 c 263 s 1 are each amended to read as follows:

(1) The secretary shall establish an independent public safety review panel for the purpose of advising the secretary and the courts with respect to persons who have been found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall provide advice regarding all recommendations to the secretary, decisions by the secretary, or actions pending in court: (a) For a change in commitment status; (b) to allow furloughs or temporary leaves accompanied by staff; (c)
whether to seek a commitment term under RCW 71.05.320; or ((ee))
(d) to permit movement about the grounds of the treatment facility, 
with or without the accompaniment of staff.

(2) The members of the public safety review panel shall be 
appointed by the governor for a renewable term of three years and 
shall include the following:
(a) A psychiatrist;
(b) A licensed clinical psychologist;
(c) A representative of the department of corrections;
(d) A prosecutor or a representative of a prosecutor's association;
(e) A representative of law enforcement or a law enforcement
association;
(f) A consumer and family advocate representative; and
(g) A public defender or a representative of a defender's
association.

(3) Thirty days prior to issuing a recommendation for conditional 
release under RCW 10.77.150 or forty-five days prior to issuing a 
recommendation for release under RCW 10.77.200, the secretary 
shall submit its recommendation with the committed person's 
application and the department's risk assessment to the public safety 
review panel. The public safety review panel shall complete an 
independent assessment of the public safety risk entailed by the 
secretary's proposed conditional release recommendation or release 
recommendation and provide this assessment in writing to the 
secretary. The public safety review panel may, within funds 
appropriated for this purpose, request additional evaluations of the 
committed person. The public safety review panel may indicate 
whether it is in agreement with the secretary's recommendation, or 
whether it would issue a different recommendation. The secretary 
shall provide the panel's assessment when it is received along with 
any supporting documentation, including all previous reports of 
evaluations of the committed person in the person's hospital record, 
to the court, prosecutor in the county that ordered the person's 
commitment, and counsel for the committed person.

(4) The secretary shall notify the public safety review panel at 
appropriate intervals concerning any changes in the commitment or 
custody status of persons found not guilty by reason of insanity, or 
persons committed under the involuntary treatment act where the 
court has made a special finding under RCW 71.05.280(3)(b). The 
panel shall have access, upon request, to a committed person's 
complete hospital record, and any other records deemed necessary 
by the public safety review panel.

(5) The department shall provide administrative and financial 
support to the public safety review panel. The department, in 
consultation with the public safety review panel, may adopt rules to 
implement this section.

(6) By December 1, 2014, the public safety review panel shall 
report to the appropriate legislative committees the following:
(a) Whether the public safety review panel has observed a change 
in statewide consistency of evaluations and decisions concerning 
changes in the commitment status of persons found not guilty by 
reason of insanity;
(b) Whether the public safety review panel should be given the 
authority to make release decisions and monitor release conditions;
(c) Whether further changes in the law are necessary to enhance 
public safety in cases where incompetency prevents operation of the 
criminal justice system and/or long-term commitment of the criminally
insane; and
(d) Any other issues the public safety review panel deems 
relevant.

Sec. 4. RCW 71.05.280 and 2008 c 213 s 6 are each amended to 
read as follows:

At the expiration of the fourteen-day period of intensive treatment 
or a restoration period under RCW 10.77.086, a person may be 
confined for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for 
evaluation and treatment has threatened, attempted, or inflicted: (a) 
Physical harm upon the person of another or himself or herself, or 
substantial damage upon the property of another, and (b) as a result 
of mental disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in 
which he or she attempted or inflicted physical harm upon the person 
of another or himself or herself, or substantial damage upon the 
property of others, and continues to present, as a result of mental 
disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and 
criminal charges have been dismissed pursuant to RCW 10.77.086(4), 
and has committed acts constituting a felony, and as a result of a 
mental disorder or developmental disability, presents a substantial 
likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be 
necessary to show intent, willfulness, or state of mind as an element 
of the crime;
(b) For any person subject to commitment under this subsection 
who has been charged with a felony, the charge underlying the finding of incompetence is for a 
felony classified as violent under RCW 9.94A.030, the court shall 
determine whether the acts the person committed constitute a violent 
offense under RCW 9.94A.030; or

(4) Such person is gravely disabled.

Sec. 5. RCW 71.05.320 and 2009 c 323 s 2 are each amended to
commitment can exceed one hundred eighty days in length. 

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again. 

For a person committed under subsection (2) of this section who has been remanded to a period of less restrictive treatment, in addition to the grounds specified in subsection (3) of this section, the designated mental health professional may file a new petition for continued less restrictive treatment if: 

(a) The person was previously committed by a court to detention for involuntary mental health treatment during the thirty-six months that preceded the person's initial detention date during the current involuntary commitment cycle, excluding any time spent in a mental health facility or in confinement as a result of a criminal conviction; 

(b) In view of the person's treatment history or current behavior, the person is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive treatment; and 

(c) Outpatient treatment that would be provided under a less restrictive treatment order is necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time. 

A new petition for involuntary treatment filed under subsection (3) or (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state. 

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. However, a commitment is not permissible under subsection (4) of this section if thirty-six months have passed since the last date of discharge from detention for inpatient treatment that preceded the current less restrictive alternative order, nor shall a commitment under subsection (4) of this section be permissible if the likelihood of serious harm in subsection (4)(c) of this section is based solely on harm to the property of others. 

No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length. 

Sec. 6. RCW 71.05.425 and 2011 c 305 s 5 are each amended to read as follows: 

(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before conditional release, final release, authorized leave under RCW 71.05.325(2), or transfer to a facility other than a state mental hospital, the superintendent shall send written notice of conditional release, release, authorized leave, or transfer of a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) to the following: 

(i) The chief of police of the city, if any, in which the person will reside; 

(ii) The sheriff of the county in which the person will reside; and 

(iii) The prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. 

(b) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4): 

(i) The victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding commitment under RCW 71.05.280(3) or 71.05.320(3)(c) or the victim's next of kin if the crime was a homicide; 

(ii) Any witnesses who testified against the person in any court proceedings; 

(iii) Any person specified in writing by the prosecuting attorney. Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the person committed under this chapter; and 

(iv) The chief of police of the city, if any, and the sheriff of the county, if any, which had jurisdiction of the person on the date of the applicable offense. 

(c) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical transfers. 

d) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification. 

If a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) escapes, the superintendent shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the person escaped and in which the person resided immediately before the person's arrest and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. If previously requested, the superintendent shall also notify the victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. If previously requested, the superintendent shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture. 

If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parent or legal guardian of the child. 

The superintendent shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.
(5) For purposes of this section the following terms have the following meanings:

(a) "Violent offense" means a violent offense under RCW 9.94A.030;
(b) "Sex offense" means a sex offense under RCW 9.94A.030;
(c) "Next of kin" means a person's spouse, state registered domestic partner, parents, siblings, and children;
(d) "Felony harassment offense" means a crime of harassment as defined in RCW 9A.46.060 that is a felony.

Sec. 7. RCW 10.77.200 and 2010 c 263 s 8 are each amended to read as follows:

(1) Upon application by the committed or conditionally released person, the secretary shall determine whether or not reasonable grounds exist for release. In making this determination, the secretary may consider the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case. If the secretary approves the release he or she then shall authorize the person to petition the court.

(2) In instances in which persons have not made application for release, but the secretary believes, after consideration of the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case, that reasonable grounds exist for release, the secretary may petition the court. If the secretary petitions the court for release under this subsection, notice of the petition must be provided to the person who is the subject of the petition and to his or her attorney.

(3) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for release, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the ((petitioner)) person who is the subject of the petition examined by an expert or professional person of the prosecuting attorney's choice. If the secretary is the petitioner, the attorney general shall represent the secretary. If the ((petitioner)) who is the subject of the petition is indigent, and the person so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the ((petitioner)) who is the subject of the petition has a developmental disability, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the ((petitioner)) person who is the subject of the petition no longer presents, as a result of a mental disease or defect, is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security.

(4) For purposes of this section, a person affected by a mental disease or defect in a state of remission under this subsection, the court may deny release, or place or continue such a person on conditional release.

(5) Nothing contained in this chapter shall prohibit the patient from petitioning the court for release or conditional release from the institution in which he or she is committed. The petition shall be served upon the court, the prosecuting attorney, and the secretary. Upon receipt of such petition, the secretary shall develop a recommendation as provided in subsection (1) of this section and provide the secretary's recommendation to all parties and the court. The issue to be determined on such proceeding is whether the ((petitioner)) patient, as a result of a mental disease or defect, is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(6) Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

(ii) Payment for the appropriate fee under RCW 90.03.470(3).

(2) For purposes of this section, "microirrigation technology" means a conservation irrigation method, such as drip or trickle irrigation, that delivers water to the base of the plant and allows additional production of crops without increasing the total amount of water consuemptively used as compared to the prior overhead sprinkler system.

(3) The department may accept as evidence under this section crop receipts, seed receipts, harvest-related receipts, aerial and other photographs showing land in agricultural production or showing irrigation facilities, irrigation equipment receipts, metering records, or any other form of data acceptable to the department.

(4) If the department finds that the water right holder satisfies the requirements of this section, the department shall complete the analysis required by RCW 90.03.380(1) and issue appropriate superseding water right documents, except that the department shall use the time period prior to the implementation of the associated change to determine beneficial and consumptive use of the water right.

"NEW SECTION. Sec. 1. A new section is added to chapter 74.09 RCW to read as follows:

The legislature finds that chronic care management, including comprehensive medication management services, provided by licensed pharmacists and qualified providers is a critical component of a collaborative, multidisciplinary, inter-professional approach to the treatment of chronic diseases for targeted individuals, to improve the quality of care and reduce overall cost in the treatment of such diseases.

Sec. 2. RCW 74.09.522 and 2011 1st sp.s. c 15 s 29, 2011 1st sp.s. c 9 s 2, and 2011 c 316 s 4 are each reenacted and amended to read as follows:

(1) For the purposes of this section:

(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:

(a) Agreements shall be made for at least thirty thousand recipients statewide;

(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, ((2012)) 2014, unless a state plan amendment is required to implement subsections (C) and (F) of this section, including:

(A) Standards regarding the quality of services to be provided;

(B) The financial integrity of the responding system;

(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions, provided by a licensed pharmacist or other qualified provider consistent with the findings and goals established in section 1 of this act and in alignment with medication management services as described in section 3503(c) and (d) of P.L. 111-148 of 2010, as amended;

(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use; ((and))

(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management; and

(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals
established in section 1 of this act and in alignment with section 3503(c) and (d) of P.L. 111-148 of 2010, as amended. If comprehensive medication management services are performed at the same time that a medication is dispensed, the pharmacist shall forego reimbursement of the dispensing fee for payment for the review related to that encounter.

(ii) (A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(B) Contracts that include the items in (e)(i)(C) through (E) of this subsection must not exceed the rates that would be paid in the absence of these provisions;

(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;

(h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;

(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and

(j) The ((department)) authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(g) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(8) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(9) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the ((department)) authority, including hospital-based physician services. The ((department)) authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the ((department)) authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(10) Subsections (7) through (9) of this section expire July 1, 2016.”

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that Washington state is a provider friendly state within which to practice medicine. As part of health care reform, Washington state endeavors to establish and operate a state-based health benefits exchange wherein insurance products will be offered for sale and add potentially three hundred thousand patients to commercial insurance, and to expand access to products will be offered for sale and add potentially three hundred and operate a state-based health benefits exchange wherein insurance providers.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Health care provider" or "provider" has the same meaning as in RCW 48.43.005 and, for the purposes of this chapter, includes facilities licensed under chapter 70.41 RCW.

(2) "Payor" or "third-party payor" means carriers licensed under chapters 48.20, 48.21, 48.44, and 48.46 RCW, and managed health care systems as defined in RCW 74.09.522.

(3) "Material amendment" means an amendment to a contract between a payor and health care provider that would result in requiring a health care provider to participate in a health plan, product, or line of business with a lower fee schedule in order to continue to participate in a health plan, product, or line of business with a higher fee schedule. A material amendment does not include any of the following:

(a) A decrease in payment or compensation resulting from a change in a fee schedule published by the payor upon which the payment or compensation is based and the date of applicability is clearly identified in the contract, compensation addendum, or fee schedule notice;

(b) A decrease in payment or compensation that was anticipated under the terms of the contract, if the amount and date of applicability of the decrease is clearly identified in the contract; or

(c) Changes unrelated to compensation so long as reasonable notice of not less than sixty days is provided.

NEW SECTION. Sec. 3. (1) A third-party payor shall provide no less than sixty days' notice to the health care provider of any proposed material amendments to a health care provider's contract with the third-party payor.

(2) Any material amendment to a contract must be clearly defined in a notice to the provider from the third-party payor as being a material change to the contract before the provider's notice period begins. The notice must also inform the providers that they may choose to reject the terms of the proposed material amendment through written or electronic means at any time during the notice period and that such rejection may not affect the terms of the health care provider's existing contract with the third-party payor.

(3) A health care provider's rejection of the material amendment does not affect the terms of the health care provider's existing contract with the third-party payor.

(4) A failure to comply with the terms of subsections (1), (2), and (3) of this section shall void the effectiveness of the material amendment.

NEW SECTION. Sec. 4. A payor may require a health care provider to extend the payor's medicaid rates, or some percentage above the payor's medicaid rates, that govern a health benefit program administered by a public purchaser to a commercial plan or line of business offered by a payor that is not administered by a public purchaser only if the health care provider has expressly agreed in writing to the extension. For the purposes of this section, "administered by a public purchaser" does not include commercial coverage offered through the Washington health benefit exchange. Nothing in this section prohibits a payor from utilizing medicaid rates, or some percentage above medicaid rates, as a base when negotiating payment rates with a health care provider.

NEW SECTION. Sec. 5. A new section is added to chapter 18.130 RCW to read as follows:

"NEW SECTION. Sec. 6. Sections 1 through 4 of this act constitute a new chapter in Title 48 RCW."

Sec. 7. RCW 70.47.100 and 2011 1st sp.s. c 9 s 4 and 2011 c 316
s 5 are each reenacted and amended to read as follows:
(1) A managed health care system participating in the plan shall
do so by contract with the ((administrator)) director and shall provide,
directly or by contract with other health care providers, covered basic
health care services to each enrollee covered by its contract with the
(administrator) director as long as payments from the
administrator) director on behalf of the enrollee are current. A
participating managed health care system may offer, without
additional cost, health care benefits or services not included in the
schedule of covered services under the plan. A participating managed
health care system shall not give preference in enrollment to enrollees
who accept such additional health care benefits or services. Managed
health care systems participating in the plan shall not discriminate
against any potential or current enrollee based upon health status, sex,
race, ethnicity, or religion. The (administrator) director may receive
and act upon complaints from enrollees regarding failure to provide
covered services or efforts to obtain payment, other than authorized
copayments, for covered services directly from enrollees, but nothing
in this chapter empowers the (administrator) director to impose any
sanctions under Title 18 RCW or any other professional or facility
licensing statute.

(2) A managed health care system shall pay a nonparticipating
provider that provides a service covered under this chapter to the
system's enrollee no more than the lowest amount paid for that service
under the managed health care system's contracts with similar
providers in the state.

(3) Pursuant to federal managed care access standards, 42 C.F.R.
Sec. 438, managed health care systems must maintain a network of
appropriate providers that is supported by written agreements
sufficient to provide adequate access to all services covered under
the contract with the authority, including hospital-based physician
services. The authority will monitor and periodically report on the
proportion of services provided by contracted providers and
nonparticipating providers, by county, for each managed health care
designed to ensure that managed health care systems are meeting
network adequacy requirements. No later than January 1 of each
year, the authority will review and report its findings to the
appropriate policy and fiscal committees of the legislature for the
preceding state fiscal year.

(4) The plan shall allow, at least annually, an opportunity for
enrollees to transfer their enrollments among participating managed
health care systems serving their respective areas. The
administrator) director shall establish a period of at least twenty
days in a given year when this opportunity is afforded enrollees, and
in those areas served by more than one participating managed health
care system the (administrator) director shall endeavor to establish a
uniform period for such opportunity. The plan shall allow enrollees
to transfer their enrollment to another participating managed health
care system at any time upon a showing of good cause for the
transfer.

(5) Prior to negotiating with any managed health care system, the
administrator) director shall determine, on an actuarially sound
basis, the reasonable cost of providing the schedule of basic health
care services, expressed in terms of upper and lower limits, and
recognizing variations in the cost of providing the services through
the various systems and in different areas of the state.

(6) In negotiating with managed health care systems for
participation in the plan, the (administrator) director shall adopt
a uniform procedure that includes at least the following:

(a) The (administrator) director shall issue a request for
proposals, including standards regarding the quality of services to be
provided; financial integrity of the responding systems; and
responsiveness to the unmet health care needs of the local
communities or populations that may be served;

(b) The (administrator) director shall then review responsive
proposals and may negotiate with respondents to the extent necessary
to refine any proposals;

(c) The (administrator) director may then select one or more
systems to provide the covered services within a local area; and

(d) The (administrator) director may adopt a policy that gives
preference to respondents, such as nonprofit community health
clinics, that have a history of providing quality health care services to
low-income persons.

(7)(a) The (administrator) director may contract with a managed
health care system to provide covered basic health care services to
subsidized enrollees, nonsubsidized enrollees, health coverage tax
credit eligible enrollees, or any combination thereof. A minimum,
such contracts issued on or after January 1, 2012, must include:

(i) Provider reimbursement methods that incentivize chronic care
management within health homes;

(ii) Provider reimbursement methods that reward health homes
that, by using chronic care management, reduce emergency
department and inpatient use; and

(iii) Promoting provider participation in the program of training
and technical assistance regarding care of people with chronic
conditions described in RCW 43.70.533, including allocation of funds
to support provider participation in the training unless the managed
care system is an integrated health delivery system that has programs
in place for chronic care management.

(b) Health home services contracted for under this subsection
may be prioritized to enrollees with complex, high cost, or multiple
chronic conditions.

(c) For the purposes of this subsection, "chronic care
management," "chronic condition," and "health home" have the same
meaning as in RCW 74.09.010.

(d) Contracts that include the items in (a)(i) through (iii) of this
subsection must not exceed the rates that would be paid in the absence
of these provisions.

(8) The (administrator) director may establish procedures and
policies to further negotiate and contract with managed health care
systems following completion of the request for proposal process in
subsection (6) of this section, upon a determination by the
administrator) director that it is necessary to provide access, as
defined in the request for proposal documents, to covered basic health
care services for enrollees.

(9) (The administrator may implement a self-funded or self-
insured method of providing insurance coverage to subsidized
enrollees, as provided under RCW 41.05.140. Prior to implementing
a self-funded or self-insured method, the administrator shall ensure
that funding available in the basic health plan self-insurance reserve
account is sufficient for the self-funded or self-insured risk assumed,
or expected to be assumed, by the administrator. If implementing a
self-funded or self-insured method, the administrator may request
funds to be moved from the basic health plan trust account or the
basic health plan subscription account to the basic health plan self-
insurance reserve account established in RCW 41.05.140.

(10) Subsections (2) and (3) of this section expire July 1, 2016.
Sec. 8. RCW 70.116.134 and 1991 c 18 s 1 are each amended to
read as follows:

(1) The secretary shall adopt rules pursuant to chapter 34.05
RCW establishing criteria for designating individuals or water
purveyors as qualified satellite system management agencies. The
criteria shall set forth minimum standards for designation as a satellite
system management agency qualified to assume ownership,
operation, or both, of an existing or proposed public water system.
The criteria shall include demonstration of financial integrity and
operational capability, and may require demonstration of previous
experience in successful operation and management of a public water
system.

(2) Each county shall identify potential satellite system
management agencies to the secretary for areas where: (a) No
purveyor has been designated a future service area pursuant to this
chapter, or (b) an existing purveyor is unable or unwilling to provide
service. Preference shall be given to public utilities or utility districts
or to investor-owned utilities under the jurisdiction of the utilities and
transportation commission.
(3) The secretary shall approve satellite system management agencies meeting the established criteria and shall maintain and make available to counties a list of approved agencies. Prior to the construction of a new public water system, the individual(s) proposing the new system or requesting service shall first be directed by the local agency responsible for issuing the construction or building permit to one or more qualified satellite system management agencies designated for the service area where the new system is proposed for the purpose of exploring the possibility of a satellite agency either owning or operating the proposed new water system.

(4) Approved satellite system management agencies shall be reviewed periodically by the secretary for continued compliance with established criteria. The secretary may require status reports and other information necessary for such review. Satellite system management agencies shall be subject to reappraisal at the discretion of the secretary but not less than once every five years.

(5) The secretary may assess reasonable fees to process applications for initial approval and for periodic review of satellite system management agencies. ((A satellite system management account is hereby created in the custody of the state treasurer. All receipts from satellite system management agencies or applicants under subsection (4) of this section shall be deposited into the account. Funds in this account may be used only for administration of the satellite system management program. Expenditures from the account shall be authorized by the secretary or the secretary's designee. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.))

(6) For purposes of this section, "satellite system management agency" and "satellite agency" shall mean a person or entity that is certified by the secretary to own or operate more than one public water system on a regional or countywide basis, without the necessity for a physical connection between such systems.

Sec. 9. RCW 82.44.180 and 1999 c 402 s 5 and 1999 c 94 s 31 are each reenacted and amended to read as follows:

1. The transportation fund is created in the state treasury. Revenues under RCW ((82.44.110 and)) 82.50.510 shall be deposited into the fund as provided in (2) that section (a).

Expenditures from the fund may be used only for transportation purposes and activities of the Washington state patrol not directly related to the policing of public highways and that are not authorized under Article II, section 40 of the state Constitution.

((2))) (5) There is hereby created the public transportation systems account within the transportation fund. Moneys deposited into the account under RCW 82.44.150(2) (b) and (c) shall be appropriated to the transportation improvement board and allocated by the transportation improvement board to public transportation projects submitted by the public transportation systems as defined by chapters 36.56, 36.57, and 36.57A RCW and RCW 35.84.060 and 81.112.030, and the Washington state ferry system, solely for:

(a) Planning;

Sec. 10. RCW 41.05.140 and 2012 c 187 s 10 are each amended to read as follows:

(1) Except for property and casualty insurance, the authority may self-fund, self-insure, or enter into other methods of providing insurance coverage for insurance programs under its jurisdiction, including the basic health plan as provided in chapter 70.47 RCW. The authority shall contract for payment of claims or other administrative services for programs under its jurisdiction. If a program does not require the prepayment of reserves, the authority shall establish such reserves within a reasonable period of time for the payment of claims as are normally required for that type of insurance under an insured program. The authority shall endeavor to reimburse basic health plan health care providers under this section at rates similar to the average reimbursement rates offered by the statewide benchmark plan determined through the request for proposal process.

(2) Reserves established by the authority for employee and retiree benefit programs shall be held in a separate account in the custody of the state treasurer and shall be known as the public employees' and retirees’ insurance reserve fund. The state treasurer may invest the moneys in the reserve fund pursuant to RCW 43.79A.040.

(3) Any savings realized as a result of a program created for employees and retirees under this section shall not be used to increase benefits unless such use is authorized by statute.

(4) ((Reserves established by the authority to provide insurance coverage for the basic health plan under chapter 70.47 RCW shall be held in a separate trust account in the custody of the state treasurer and shall be known as the basic health plan self-insurance reserve account. The state treasurer may invest the moneys in the reserve fund pursuant to RCW 43.79A.040.))

(5)) Any program created under this section shall be subject to the examination requirements of chapter 48.03 RCW as if the program were a domestic insurer. In conducting an examination, the commissioner shall determine the adequacy of the reserves established for the program.

(((6))) (6) The authority shall keep full and adequate accounts and records of the assets, obligations, transactions, and affairs of any program created under this section.

(((7))) (7) The provisions of this section shall apply to the administration of chapter 74.09 RCW.

Sec. 11. RCW 82.45.180 and 2010 1st sp.s. c 26 s 9 are each amended to read as follows:

1. (a) For taxes collected by the county under this chapter, the county treasurer shall collect a five dollar fee on all transactions required by this chapter where the transaction does not require the payment of tax. A total of five dollars shall be collected in the form of a tax and fee, where the calculated tax payment is less than five dollars. The county treasurer shall place one percent of the taxes collected by the county under this chapter and the treasurer's fee in the county current expense fund to defray costs of collection. After June 30, 2006, the county treasurer shall place one percent of the taxes collected by the county under this chapter and the treasurer's fee in the county current expense fund to defray costs of collection. For taxes collected by the county under this chapter before July 1, 2006, the county treasurer shall pay over to the county treasurer and account to the department of revenue for the proceeds at the same time the county treasurer remits funds to the state under RCW 84.56.280. For taxes collected by the county under this chapter after June 30, 2006, on a monthly basis the county treasurer shall pay over to the state treasurer the month's transmittal. The month's transmittal must be received by the state treasurer by 12:00 p.m. on the last working day of each month. The county
treasurer shall account to the department for the month’s transmittal by the twentieth day of the month following the month in which the month’s transmittal was paid over to the state treasurer. The state treasurer shall deposit the proceeds in the general fund.

(b) For purposes of this subsection, the definitions in this subsection apply.

(i) “Close of business” means the time when the county treasurer makes his or her daily deposit of proceeds.

(ii) “Month’s transmittal” means all proceeds deposited by the county through the close of business of the day that is two working days before the last working day of the month. This definition of “month’s transmittal” shall not be construed as requiring any change in a county’s practices regarding the timing of its daily deposits of proceeds.

(iii) “Proceeds” means moneys collected and receipted by the county from the taxes imposed by this chapter, less the county’s share of the proceeds used to defray the county’s costs of collection allowable in (a) of this subsection.

(iv) “Working day” means a calendar day, except Saturdays, Sundays, and all legal holidays as provided in RCW 1.16.050.

(2) For taxes collected by the department of revenue under this chapter, the department shall remit the tax to the state treasurer who shall deposit the proceeds of any state tax in the general fund. The state treasurer shall deposit the proceeds of any local taxes imposed under chapter 82.46 RCW in the local real estate excise tax account hereby created in the state treasury. Moneys in the local real estate excise tax account may be spent only for distribution to counties, cities, and towns imposing a tax under chapter 82.46 RCW. Except as provided in RCW 43.08.190, all earnings of investments of balances in the local real estate excise tax account shall be credited to the local real estate excise tax account and distributed to the counties, cities, and towns monthly. Monthly the state treasurer shall make distribution from the local real estate excise tax account to the counties, cities, and towns the amount of tax collected on behalf of each taxing authority. The state treasurer shall make the distribution under this subsection without appropriation.

(3)(a) (The real estate excise tax electronic technology account is created in the custody of the state treasurer. An appropriation is not required for expenditures and the account is not subject to allotment procedures under chapter 43.88 RCW.

(b)) Through June 30, 2010, the county treasurer shall collect an additional five dollar fee on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. The county treasurer shall remit this fee to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer shall place money from this fee in the annual property revaluation grant account created in RCW 84.41.170.

(4) Beginning July 1, 2010, through December 31, 2013, the county treasurer shall continue to collect the additional five dollar fee in subsection (3) of this section on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. During this period, the county treasurer shall remit this fee to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer shall place money from this fee in the annual property revaluation grant account created in RCW 84.41.170.

(5)(a) The real estate and property tax administration assistance account is created in the custody of the state treasurer. An appropriation is not required for expenditures and the account is not subject to allotment procedures under chapter 43.88 RCW.

(b) Beginning January 1, 2014, the county treasurer must continue to collect the additional five dollar fee in subsection (3) of this section on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. The county treasurer shall deposit one-half of this fee in the special real estate and property tax administration assistance account in accordance with (c) of this subsection and remit the balance to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer must place money from this fee in the real estate and property tax administration assistance account. By the twentieth day of the subsequent month, the state treasurer must distribute the funds to each county treasurer according to the following formula: One-half of the funds available must be equally distributed among the thirty-nine counties; and the balance must be ratably distributed among the counties in direct proportion to their population as it relates to the total state’s population based on most recent statistics by the office of financial management.

(c) When received by the county treasurer, the funds must be placed in a special real estate and property tax administration assistance account held by the county treasurer to be used for:

(i) Maintenance and operation of an annual revaluation system for property tax valuation; and

(ii) Maintenance and operation of an electronic processing and reporting system for real estate excise tax affidavits.

Sec. 12. RCW 70.122.130 and 2006 c 108 s 2 are each amended to read as follows:

(1) The department of health shall establish and maintain a statewide health care declarations registry containing the health care declarations identified in subsection (2) of this section as submitted by residents of Washington. The department shall digitally reproduce and store health care declarations in the registry. The department may establish standards for individuals to submit digitally reproduced health care declarations directly to the registry, but is not required to review the health care declarations that it receives to ensure they comply with the particular statutory requirements applicable to the document. The department may contract with an organization that meets the standards identified in this section.

(2)(a) An individual may submit any of the following health care declarations to the department of health to be digitally reproduced and stored in the registry:

(b)) Through June 30, 2010, the county treasurer shall collect an additional five dollar fee on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. The county treasurer shall remit this fee to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer shall place money from this fee in the annual property revaluation grant account created in RCW 84.41.170.
(b) Failure to submit a health care declaration to the department of health does not affect the validity of the declaration.

(c) Failure to notify the department of health of a valid revocation of a health care declaration does not affect the validity of the revocation.

(7) The department of health may accept donations, grants, gifts, and other contributions and appropriations specifically made for the purposes of creating and maintaining the registry established under this section and statewide public education campaigns related to the existence of the registry. ((All funds received shall be transferred to the health care declarations registry account, created in RCW 70.122.140 by type of donor)).

"Sec. 1. RCW 13.34.130 and 2011 c 309 s 27 and 2011 c 292 s 1
are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has
been proven by a preponderance of the evidence that the child is
dependent within the meaning of RCW 13.34.030 after consideration
of the social study prepared pursuant to RCW 13.34.110 and after a
disposition hearing has been held pursuant to RCW 13.34.110, the
court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in his or her home,
which shall provide a program designed to alleviate the immediate
danger to the child, to mitigate or cure any damage the child has
already suffered, and to aid the parents so that the child will not be
endangered in the future. In determining the disposition, the court
should choose services to assist the parents in maintaining the child in
the home, including housing assistance, if appropriate, that least
interfere with family autonomy and are adequate to protect the child.

(b)(i) Order the child to be removed from his or her home and
into the custody, control, and care of a relative or other suitable
person, the department, or a supervising agency for supervision of the
child's placement. If the court orders that the child be placed with a
caregiver over the objections of the parent or the department, the
court shall articulate, on the record, his or her reasons for ordering the
placement. The court may not order an Indian child, as defined in
RCW 13.38.040, to be removed from his or her home unless the court
finds, by clear and convincing evidence including testimony of
qualified expert witnesses, that the continued custody of the child by
the parent or Indian custodian is likely to result in serious emotional
or physical damage to the child.

(ii) The department or supervising agency has the authority to
place the child, subject to review and approval by the court (A) with a
relative as defined in RCW 74.15.020(2)(a), (B) in the home of
another suitable person if the child or family has a preexisting
relationship with that person, and the person has completed all
required criminal history background checks and otherwise appears to
the department or supervising agency to be suitable and competent to
provide care for the child, or (C) in a foster family home or group care
facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject
to review and approval by the court, with a person with whom the
child's sibling or half-sibling is residing or a person who has adopted
the sibling or half-sibling of the child being placed as long as the
person has completed all required criminal history background checks
and otherwise appears to the department or supervising agency to be
competent to provide care for the child.

(2) Absent good cause, the department or supervising agency
shall follow the wishes of the natural parent regarding the placement
of the child in accordance with RCW 13.34.260.

(3) The department or supervising agency may only place a child
with a person not related to the child as defined in RCW
74.15.020(2)(a), including a placement provided for in subsection
(1)(b)(iii) of this section, when the court finds that such placement is
in the best interest of the child. Unless there is reasonable cause to
believe that the health, safety, or welfare of the child would be
jeopardized or that efforts to reunite the parent and child will be
hindered, the child shall be placed with a person who is willing,
appropriate, and available to care for the child, and who is: (I)
Related to the child as defined in RCW 74.15.020(2)(a) with whom
the child has a relationship and is comfortable; or (II) a suitable
person as described in subsection (1)(b) of this section. The court
shall consider the child's existing relationships and attachments when
determining placement.

(4) When placing an Indian child in out-of-home care, the
department or supervising agency shall follow the placement
preference characteristics in RCW 13.38.180.

(5) Placement of the child with a relative or other suitable person
as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be
made only if the court finds that reasonable efforts have been made to
prevent or eliminate the need for removal of the child from the child's
home and to make it possible for the child to return home, specifying
the services, including housing assistance, that have been provided to
the child and the child's parent, guardian, or legal custodian,
and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety,
and welfare of the child cannot be protected adequately in the home,
and that:

(a) There is no parent or guardian available to care for such child;
(b) The parent, guardian, or legal custodian is not willing to take
custody of the child; or
(c) The court finds, by clear, cogent, and convincing evidence, a
manifest danger exists that the child will suffer serious abuse or
neglect if the child is not removed from the home and an order under
RCW 26.44.063 would not protect the child from danger.

(6) If the court has ordered a child removed from his or her home
pursuant to subsection (1)(b) of this section, the court shall consider
whether it is in a child's best interest to be placed with, have contact
with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or
visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order
of placement, contact, or visitation pursuant to petitions filed under
this chapter or the parents of a child for whom there is no jurisdiction
are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety,
or welfare of any child subject to the order of placement, contact, or
visitation would be jeopardized or that efforts to reunite the parent
and child would be hindered by such placement, contact, or visitation.
In no event shall parental visitation time be reduced in order to
provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a
child with a stepbrother or stepsister provided that in addition to the
factors in (a) of this subsection, the child has a relationship and is
comfortable with the stepsibling.

(7) If the court has ordered a child removed from his or her home
pursuant to subsection (1)(b) of this section and placed into
nonparental or nonrelative care, the court shall order a placement that
allows the child to remain in the same school he or she attended prior
to the initiation of the dependency proceeding when such a placement
is practical and in the child's best interest.

(8) If the court has ordered a child removed from his or her home
pursuant to subsection (1)(b) of this section, the court may order that a
petition seeking termination of the parent and child relationship be
filed if the requirements of RCW 13.34.132 are met.
(9) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department or supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130((6))) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

____(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130((6))) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of
the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130((4)) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 3. RCW 13.34.380 and 2009 c 520 s 45 are each amended to read as follows:

The department shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; consultation with the assigned law enforcement officer in the event the parent or sibling of the child is identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child; and training for department and supervising agency caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

NEW SECTION. Sec. 4. A new section is added to chapter 13.34 RCW to read as follows:

In the event a judge orders a parent to undergo a psychosexual evaluation, and pending the outcome of the evaluation, the department, subject to the approval of the court, may reassess visitation duration, supervision, and location, if appropriate. If the assessment indicates the current visitation plan is contrary to the child's health, safety, or welfare, the department, subject to approval by the court, may alter the visitation plan pending the outcome of the investigation.

Sec. 5. RCW 74.14B.010 and 1999 c 389 s 5 are each amended to read as follows:

(1) Caseworkers employed in children services shall meet minimum standards established by the department of social and health services. Comprehensive training for caseworkers shall be completed before such caseworkers are assigned to case-carrying responsibilities without direct supervision. Intermittent, part-time, and standby workers shall be subject to the same minimum standards and training.

(2) Ongoing specialized training shall be provided for persons responsible for investigating child sexual abuse. Training participants shall have the opportunity to practice interview skills and receive feedback from instructors.

(3) The department, the criminal justice training commission, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys shall design and implement statewide training that contains consistent elements for persons engaged in the interviewing of children, including law enforcement, prosecution, and child protective services.

(4) The training shall: (a) Be based on research-based practices and standards; (b) minimize the trauma of all persons who are interviewed during abuse investigations; (c) provide methods of reducing the number of investigative interviews necessary whenever possible; (d) assure, to the extent possible, that investigative interviews are thorough, objective, and complete; (e) recognize needs of special populations, such as persons with developmental disabilities; (f) recognize the nature and consequences of victimization; (g) require investigative interviews to be conducted in a manner most likely to permit the interviewed persons the maximum emotional comfort under the circumstances; (h) address record retention and retrieval; and (i) documentation of investigative interviews.

(5) The identification of domestic violence is critical in ensuring the safety of children in the child welfare system. As a result, ongoing domestic violence training and consultation shall be provided to caseworkers, including how to use the children's administration's practice guide to domestic violence.”

Sec. 4. RCW 11.96A.070 and 2011 c 327 s 7 are each amended to read as follows:

1(a) A beneficiary of an express trust may not commence a proceeding against a trustee for breach of trust more than three years after the date a report was delivered in the manner provided in RCW 11.96A.110 to the beneficiary or to a representative of the beneficiary (was sent a report that) if the report adequately disclosed the existence of a potential claim for breach of trust and informed the beneficiary of the time allowed for commencing a proceeding.

(b) A report adequately discloses the existence of a potential claim for breach of trust if it provides sufficient information so that the beneficiary or representative knows or should have known of the potential claim (or should have inquired into its existence). A report that includes (the following information) all of the items described in this subsection (b) that are relevant for the reporting period is presumed to have provided sufficient information regarding the existence of potential claims for breach of trust for such period:

(i) A statement of receipts and disbursements of principal and income that have occurred during the accounting period;
(ii) A statement of the assets and liabilities of the trust and their values at the beginning and end of the period;
(iii) The trustee’s compensation for the period;
(iv) The agents hired by the trustee, their relationship to the trustee, if any, and their compensation, for the period;
(v) Disclosure of any pledge, mortgage, option, or lease of trust property, or other agreement affecting trust property binding for a period of five years or more that was granted or entered into during the accounting period;
(vi) Disclosure of all transactions during the period that are equivalent to one of the types of transactions described in RCW 11.980.078 or otherwise could have been affected by a conflict between the trustee’s fiduciary and personal interests;
(vii) A statement that the recipient of the account information may petition the superior court pursuant to chapter 11.106 RCW to obtain review of the statement and of acts of the trustee disclosed in the statement; and
(viii) A statement that claims against the trustee for breach of trust may not be made after the expiration of three years from the date the ((beneficiary receives the statement)) trustee delivers the report in the manner provided in RCW 11.96A.110.

(c) If (a) of this subsection does not apply, a judicial proceeding by a beneficiary against a trustee for breach of trust must be commenced within three years after the first to occur of:

(i) The removal, resignation, or death of the trustee;
(ii) The termination of the beneficiary’s interest in the trust; or
(iii) The termination of the trust.

(d) For purposes of this section, "express trust" does not include resulting trusts, constructive trusts, business trusts in which certificates of beneficial interest are issued to the beneficiary, investment trusts, voting trusts, trusts in the nature of mortgages or pledges, liquidation trusts, or trusts for the sole purpose of paying dividends, interest, interest coupons, salaries, wages, pensions, or profits, trusts created in deposits in any financial institution under chapter 30.22 RCW, unless any such trust that is created in writing specifically incorporates this chapter in whole or in part.

(2) Except as provided in RCW 11.96A.250 with respect to special representatives, an action against a personal representative for alleged breach of fiduciary duty by an heir, legatee, or other interested party must be brought before discharge of the personal representative.

(3) The legislature hereby confirms the long standing public policy of promoting the prompt and efficient resolution of matters involving trusts and estates. To further implement this policy, the legislature adopts the following statutory provisions in order to:

(a) Encourage and facilitate the participation of qualified individuals as special representatives;
(b) Serve the public’s interest in having a prompt and efficient resolution of matters involving trusts or estates; and
(c) Promote complete and final resolution of proceedings involving trusts and estates.

(i) Actions against a special representative must be brought before the earlier of:

(A) Three years from the discharge of the special representative as provided in RCW 11.96A.250; or
(B) The entry of an order by a court of competent jurisdiction under RCW 11.96A.240 approving the written agreement executed by all interested parties in accord with the provisions of RCW 11.96A.220.

(ii) If a legal action is commenced against the special representative after the expiration of the period during which claims may be brought against the special representative as provided in (c)(i) of this subsection, alleging property damage, property loss, or other civil liability caused by or resulting from an alleged act or omission of the special representative arising out of or by reason of the special representative’s duties or actions as special representative, the special representative ((shall)) must be indemnified: (A) From the assets held in the trust or comprising the estate involved in the dispute; and (B) by the persons bringing the legal action, for all expenses, attorneys’ fees, judgments, settlements, decrees, or amounts due and owing or paid in satisfaction of or incurred in the defense of the legal action.

To the extent possible, indemnification must be made first by the persons bringing the legal action, second from that portion of the trust or estate that is held for the benefit of, or has been distributed or applied to, the persons bringing the legal action, and third from the other assets held in the trust or comprising the estate involved in the dispute.

(4) The tolling provisions of RCW 4.16.190 apply to this chapter except that the running of a statute of limitations under subsection (1) or (2) of this section, or any other applicable statute of limitations for any matter that is the subject of dispute under this chapter, is not tolled as to an individual who had a guardian ad litem, limited or general guardian of the estate, or a special representative to represent the person during the probate or dispute resolution proceeding.

Sec. 5. RCW 11.96A.120 and 2011 c 327 s 9 are each amended to read as follows:

(1) ((With respect to a particular matter that affects a trust, probate estate, guardianship estate, or property subject to a power of attorney, in which the interests of such fiduciary estate and the beneficiaries are not in conflict)) Notice to a person who may represent and bind another person under this section has the same effect as if notice were given directly to the other person.

(2) The consent of a person who may represent and bind another person under this section is binding on the person represented unless
the person represented objects to the representation before the consent would otherwise have become effective.

(3) The following limitations on the ability to serve as a virtual representative apply:

(a) A trustee may not represent and bind a beneficiary under this section with respect to the termination and modification of an irrevocable trust; and

(b) Representation of an incapacitated trustee with respect to his or her powers over a trust is subject to the provisions of RCW 11.103.030, and chapters 11.96A, 11.88, and 11.92 RCW.

(4) To the extent there is no conflict of interest between the representative and the person represented or among those being represented with respect to the particular question or dispute:

(a) A guardian may represent and bind the estate that the guardian controls, subject to chapters 11.96A, 11.88, and 11.92 RCW;

(b) A guardian of the person may represent and bind the incapacitated person if a guardian of the incapacitated person's estate has not been appointed;

(c) An agent having authority to act with respect to the particular question or dispute may represent and bind the principal;

((e)(c))) (d) A trustee may represent and bind the beneficiaries of the trust; and

((d)(d))) (e) A personal representative of a decedent's estate may represent and bind persons interested in the estate;

(5) Unless otherwise represented, a minor, incapacitated, or unborn individual, or a person whose identity or location is unknown and not reasonably ascertainable, may be represented by and bound by another having a substantially identical interest with respect to the particular question or dispute, but only to the extent there is no conflict of interest between the representative and the person represented with regard to the particular question or dispute.

(6) Where an interest ((in an estate, trust, or nonprobate asset or an interest that may be affected by a power of attorney)) has been given to persons who comprise a certain class upon the happening of a certain event, ((notice may be given to the living persons who comprise a certain class upon the happening of an additional future event, ((notice may be given to)) the living person or persons who would take the interest upon the happening of the first event, and the living person or persons shall)) may virtually represent the persons and classes of persons who might take on the happening of the additional future event.

(7) Where an interest ((in an estate, trust, or nonprobate asset or an interest that may be affected by a power of attorney)) has been given to a person or a class of persons, or both, upon the happening of any future event, and the same interest or a share of the interest is to pass to another person or class of persons, or both, upon the happening of an additional future event, ((notice may be given to)) the living person or persons who would take the interest upon the happening of the first event, and the living person or persons shall may virtually represent the persons and classes of persons who might take on the happening of the additional future event.

(8) Except as otherwise provided in (i) this subsection (7) of this section, where an interest ((in an estate, trust, or nonprobate asset or an interest that may be affected by a power of attorney)) has been given to a person or a class of persons, or both, upon the happening of any future event, and the same interest or a share of the interest is to pass to another person or class of persons, or both, upon the happening of an additional future event, ((notice may be given to)) the living person or persons who would take the interest upon the happening of the first event, and the living person or persons shall may virtually represent the persons and classes of persons who might take on the happening of the additional future event.

(9) An action taken by the court is conclusive and binding upon each person receiving actual or constructive notice or who is otherwise represented under this section.

(10) The attorney general may virtually represent and bind a charitable organization if:

(a) The charitable organization is not a qualified beneficiary as defined in section 8 of this act specified in the trust instrument or acting as trustee; or

(b) The charitable organization is a qualified beneficiary, but is not a permissible distributee, as those terms are defined in section 8 of this act specified in the trust instrument or does not limit the ability to reform the will or trust using the binding nonjudicial procedures of RCW 11.96A.220.

Sec. 6. RCW 11.96A.125 and 2011 c 327 s 11 are each amended to read as follows:

The terms of a will or trust, even if unambiguous, may be reformed by judicial proceedings ((or binding nonjudicial procedures)) under this chapter to conform the terms to the intention of the testator or trustee if it is proved by clear, cogent, and convincing evidence((or the parties to a binding nonjudicial agreement agree that there is clear, cogent, and convincing evidence)) that both the intent of the testator or trustee and the terms of the will or trust were affected by a mistake of fact or law, whether in expression or inducement. This does not limit the ability to reform the will or trust using the binding nonjudicial procedures of RCW 11.96A.220.

Sec. 7. RCW 11.97.010 and 2011 c 327 s 12 are each amended to read as follows:
of a trust, the provisions of the trust control whether or not specific powers to those imposed or granted by those provisions; or may add duties, restrictions, liabilities, privileges, or powers to those imposed or granted by those provisions. If any specific provision of those chapters is in conflict with the provisions of a trust, the provisions of the trust control whether or not specific reference is made in the trust to any of those chapters, except as provided in RCW 6.32.250, 11.96A.190, 19.36.020, section 8 of this act, 11.98.200 through 11.98.240, section 16(1) of this act, 11.95.100 through 11.95.150, and chapter 11.103 RCW. In no event may a trustee be relieved of the duty to act in good faith and with honest judgment (or the duty to provide information to beneficiaries as required in this section). Notwithstanding the breadth of discretion granted to a trustee in the terms of the trust, including the use of such terms as "absolute," "sole," or "uncontrolled," the trustee (shall) must exercise a discretionary power in good faith and in accordance with the terms and purposes of the trust and the interests of the beneficiaries. 

Within sixty days after the date of acceptance of the position of trustee of an irrevocable trust, or the date the trustee of a formerly revocable trust acquires knowledge that the trust has become irrevocable, whether by the death of the trustor or otherwise, the trustee shall give notice of: (a) The existence of the trust, (b) the identity of the trustor or trustors, (c) the trustee's name, address, and telephone number, and (d) the right to request such information as is reasonably necessary to enable the notified person to enforce his or her rights under the trust, to all persons interested in the trust, as defined in RCW 11.96A.030, and who would be entitled to notice under RCW 11.96A.110 and 11.96A.120 if they were a party to judicial proceedings regarding the trust. If any such person is a minor and no guardian has been appointed for such person by any court, then such notice may be given to a parent of the person. If a person otherwise entitled to notice under this section is a charitable organization, and the charitable organization's only interest in the trust is a future interest that may be revoked, then such notice shall instead be given to the attorney general. A trustee who gives notice pursuant to this section satisfies the duty to inform the beneficiaries of the existence of the trust. The notice required under this subsection (2) applies only to irrevocable trusts created after December 31, 2011, and revocable trusts that become irrevocable after December 31, 2011, provided that all common law duties of a trustee to notify beneficiaries applicable to trusts created or that became irrevocable before such date are not affected.

A trustee shall keep all persons interested in the trust, as defined in RCW 11.96A.030, and who would be entitled to notice under RCW 11.96A.110 and 11.96A.120 if they were a party to judicial proceedings regarding the trust, reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. A report that contains the following is presumed to satisfy the trustee's duty to keep such persons reasonably informed for the relevant period of trust administration:

(a) A statement of receipts and disbursements of principal and income that have occurred during the accounting period;

(b) A statement of the assets and liabilities of the trust and their values at the beginning and end of the period;

(c) The trustee's compensation for the period;

(d) The agents hired by the trustee, their relationship to the trustee, if any, and their compensation, for the period;

(e) Disclosure of any pledge, mortgage, option, or lease of trust property, or other agreement affecting trust property binding for a period of five years or more that was granted or entered into during the accounting period;

(f) Disclosure of all transactions during the period that are equivalent to one of the types of transactions described in RCW 11.98.078 or otherwise could have been affected by a conflict between the trustee's fiduciary and personal interests;

(g) A statement that the recipient of the account information may petition the superior court pursuant to chapter 11.106 RCW to obtain review of the statement and of acts of the trustee disclosed in the statement; and

(h) A statement that claims against the trustee for breach of trust may not be made after the expiration of three years from the date the beneficiary receives the statement.

Unless unreasonable under the circumstances, a trustee shall promptly respond to any beneficiary's request for information related to the administration of the trust.

If a person entitled to notice under this section requests information reasonably necessary to enable the notified person to enforce his or her rights under the trust, then the trustee must provide such information within sixty days of receipt of such request. Delivery of the entire trust instrument to the persons entitled to notice under this section who request information concerning the terms of the trust reasonably necessary to enable the notified person to enforce his or her rights under the trust is deemed to satisfy the trustee's obligations under this subsection.)

NEW SECTION. Sec. 8. A new section is added to chapter 11.98 RCW to be codified before RCW 11.98.005 to read as follows:
The definitions in this section apply throughout this chapter, and throughout this title where specifically referenced, unless the context clearly requires otherwise.

(1) "Permissible distributee" means a trust beneficiary who is currently eligible to receive distributions of trust income or principal, whether the distribution is mandatory or discretionary.

(2) "Qualified beneficiary" means a trust beneficiary who, on the date that such beneficiary's qualification is determined:

(a) Is a permissible distributee;

(b) Would be a permissible distributee if the interests of the distributees described in (a) of this subsection terminated on that date; or

(c) Would be a permissible distributee if the trust terminated on that date.

Sec. 9. RCW 11.98.005 and 2011 c 327 s 22 are each amended to read as follows:

(1) If provisions of a trust instrument designate Washington as the situs of the trust or designate Washington law to govern the trust or any of its terms, then the situs of the trust is Washington provided that one of the following conditions is met:

(a) A trustee has a place of business in or a trustee is a resident of Washington; or

(b) More than an insignificant part of the trust administration occurs in Washington; or

(c) The trustor resides in Washington at the time situs is being established, or resided in Washington at the time the trust became irrevocable; or

(d) One or more of the qualified beneficiaries resides in Washington; or

(e) An interest in real property located in Washington is an asset of the trust.

(2)(a) Unless the trust instrument designates a state other than Washington as the situs of the trust and does not expressly authorize transfer of situs, the trustee may register the trust as a Washington trust if any of the factors in subsection (1)(a) through (e) of this section are present. The trustee (shall) must register the trust by filing with the clerk of the court in any county where venue lies for the trust under RCW 11.96A.050, a statement including the following information:

(i) The name and address of the trustee;

(ii) The date of the trust, name of the trustor, and name of the trust, if any;
(3) If the instrument establishing a trust does not designate (Washington as the situs or designate Washington)) any jurisdiction as the situs or designate any jurisdiction's governing law to apply to the trust, and the trustee of the trust has not registered the trust as allowed in subsection (2) of this section, the situs of the trust is Washington if ((the)) situs has not previously been established by any court proceeding and the additional conditions specified in this subsection (3) are met.

(a) For a testamentary trust, the situs of the trust is Washington if:
   (i) The will was admitted to probate in Washington; or
   (ii) The will has not been admitted to probate in Washington, but any trustee of the trust resides or has a place of business in Washington, any qualified beneficiary ((entitled to notice under RCW 11.97.010)) resides in Washington, or any real property that is an asset of the trust is located in Washington.

(b) For an inter vivos trust ((where the trustor is domiciled in Washington either when the trust becomes irrevocable or, in the case of a revocable trust, when judicial proceedings under chapter 11.96A RCW are commenced)), the situs of the trust is Washington if:
   (i) The trustor is living and Washington is the trustor's domicile or any of the trustees reside in or have a place of business in Washington;
   (ii) The trustor is deceased((, situs has not previously been established by any court proceeding)), and:
      (A) The trustor's will was admitted to probate in Washington; or
      (B) The trustor's will was not admitted to probate in Washington, but any ((person entitled to notice under RCW 11.97.010)) qualified beneficiary resides in Washington, any trustee resides or has a place of business in Washington, or any real property that is an asset of the trust is located in Washington.

(c) If the situs of the trust is not determined under (a) or (b) of this subsection, the determination regarding the situs of the trust is a matter for purposes of RCW 11.96A.030. Whether Washington is the situs ((shall)) must be determined by a court in a judicial proceeding conducted under RCW 11.96A.080 if:
   (i) A trustee has a place of business in or a trustee is a resident of Washington;
   (ii) More than an insignificant part of the trust administration occurs in Washington;
   (iii) One or more of the qualified beneficiaries resides in Washington;
   (iv) An interest in real property located in Washington is an asset of the trust.

(d) Determination of situs under (c) of this subsection (3) cannot be made by nonjudicial agreement under RCW 11.96A.220.

NEW SECTION. Sec. 10. A new section is added to chapter 11.98 RCW to be codified between RCW 11.98.016 and 11.98.019 to read as follows:

(1) Except as otherwise provided in subsection (3) of this section, a person designated as trustee accepts the trusteeship:
   (a) By substantially complying with a method of acceptance provided in the terms of the trust;
   (b) If the terms of the trust do not provide a method of acceptance or the method provided in the terms is not expressly made exclusive, by accepting delivery of the trust property, exercising powers or performing duties as trustee, or otherwise indicating acceptance of the trusteeship.

(2) A person designated as trustee who has not yet accepted the trusteeship may decline the trusteeship by delivering a written declination of the trusteeship to the trustee or, if the trustee is deceased or is incapacitated, to a successor trustee, if any, and if none, to a qualified beneficiary.

(3) A person designated as trustee, without accepting the trusteeship, may:
   (a) Act to preserve the trust property if, within a reasonable time after acting, the person sends a written declination of the trusteeship
to the trustor or, if the trustor is dead or is incapacitated, to a successor trustee, if any, and if none, to a qualified beneficiary; and

(b) Inspect or investigate trust property to determine potential liability under environmental or other law or for any other purpose.

Sec. 11. RCW 11.98.019 and 1985 c 30 s 42 are each amended to read as follows:

Any trustee may, by written instrument delivered to any then acting co-trustee and to the ((current adult income beneficiaries)) permissible distributees of the trust, relinquish to any extent and upon any terms any or all of the trustee's powers, rights, authorities, or discretion that are or may be tax sensitive in that they cause or may cause adverse tax consequences to the trustee or the trust. Any trustee not relinquishing such a power, right, authority, or discretion and upon whom it is conferred continues to have full power to exercise it.

Sec. 12. RCW 11.98.039 and 2011 c 327 s 21 are each amended to read as follows:

(1) Where a vacancy occurs in the office of the trustee and there is a successor trustee who is willing to serve as trustee and (a) is named in the governing instrument as successor trustee or (b) has been selected to serve as successor trustee under the procedure established in the governing instrument for the selection of a successor trustee, the outgoing trustee, or any other interested party, ((shall)) must give notice of such vacancy, whether arising because of the trustee's resignation or because of any other reason, and of the successor trustee's agreement to serve as trustee, to each ((adult distributees or permissible distributees of trust income or of trust principal or of both trust income and trust principal. If there are no such adults, no notice need be given)) permissible distributee. The successor trustee named in the governing instrument or selected pursuant to the procedure therefor established in the governing instrument ((shall)) is entitled to act as trustee except for good cause or disqualification. The successor trustee ((shall serve)) is deemed to have accepted the trusteeship as of the effective date of the discharge of the predecessor trustee as provided in RCW 11.98.041.

(2) Where a vacancy exists or occurs in the office of the trustee and there is no successor trustee who is named in the governing instrument or who has been selected to serve as successor trustee under the procedure established in the governing instrument for the selection of a successor trustee, and who is willing to serve as trustee, then all parties with an interest in the trust may agree to a nonjudicial change of the trustee under RCW 11.96A.220. The successor trustee ((shall serve)) is deemed to have accepted the trusteeship as of the effective date of the discharge of the predecessor trustee as provided in RCW 11.98.041 or, in circumstances where there is no predecessor trustee, as of the effective date of the trustee's appointment.

(3) When there is a desire to name one or more cotrustees to serve with the existing trustee, then all parties with an interest in the trust may agree to the nonjudicial addition of one or more cotrustees under RCW 11.96A.220. The additional cotrustee ((shall serve)) is deemed to have accepted the trusteeship as of the effective date of the cotrustee's appointment.

(4) Unless subsection (1), (2), or (3) of this section applies, any beneficiary of a trust, the trustor, if alive, or the trustee may petition the superior court having jurisdiction for the appointment or change of a trustee or cotrustee under the procedures provided in RCW 11.96A.080 through 11.96A.200: (a) Whenever the office of trustee becomes vacant; (b) upon filing of a petition of resignation by a trustee; or (c) for any other reasonable cause.

(5) For purposes of this subsection, the term fiduciary includes both trustee and personal representative.

(a) Except as otherwise provided in the governing instrument, a successor fiduciary, absent actual knowledge of a breach of fiduciary duty: (i) Is not liable for any act or omission of a predecessor fiduciary and is not obligated to inquire into the validity or propriety of any such act or omission; and (ii) is authorized to accept as conclusively accurate any accounting or statement of assets tendered to the successor fiduciary by a predecessor fiduciary; and (iii) is authorized to receive only for assets actually delivered and has no duty to make further inquiry as to undisclosed assets of the trust or estate.

(b) Nothing in this section relieves a successor fiduciary from liability for retaining improper investments, nor does this section in any way bar the successor fiduciary, trust beneficiaries, or other party in interest from bringing an action against a predecessor fiduciary arising out of the acts or omissions of the predecessor fiduciary, nor does it relieve the successor fiduciary of liability for its own acts or omissions except as specifically stated or authorized in this section.

(6) A change of trustee to a foreign trustee does not change the situs of the trust. Transfer of situs of a trust to another jurisdiction requires compliance with RCW 11.98.005 and RCW 11.98.045 through 11.98.055.

Sec. 13. RCW 11.98.041 and 1985 c 30 s 141 are each amended to read as follows:

Where a vacancy occurs in the office of trustee under the circumstances described in RCW 11.98.039 (1) or (2), the outgoing trustee ((shall)) is discharged upon the agreement of all parties entitled to notice or upon the expiration of thirty days after notice is given of such vacancy as required by the applicable subsection of RCW 11.98.039, whichever occurs first, or if no notice is required under RCW 11.98.039(1), upon the date the vacancy occurs, unless before the effective date of such discharge a petition is filed under RCW 11.98.039(2) regarding the appointment or change of a trustee or the trust. Where a petition is filed under RCW 11.98.039(2) regarding the appointment or change of a trustee, the superior court having jurisdiction may discharge the trustee from the trust and may appoint a successor trustee upon such terms as the court may require.

Sec. 14. RCW 11.98.045 and 2011 c 327 s 23 are each amended to read as follows:

(1) If a trust is a Washington trust under RCW 11.98.005, a trustee may transfer the situs of the trust to a jurisdiction other than Washington if the trust instrument so provides or in accordance with RCW 11.98.051 or 11.98.055.

(2) Transfer under this section is permitted only if:

(a) The transfer would facilitate the economic and convenient administration of the trust;

(b) The transfer would not materially impair the interests of the qualified beneficiaries or others interested in the trust;

(c) The transfer does not violate the terms of the trust;

(d) The new trustee is qualified and able to administer the trust or such assets on the terms set forth in the trust; and

(e) The trust meets at least one condition for situs listed in RCW 11.98.005(1) with respect to the new jurisdiction.

(3) Acceptance of such transfer by a foreign corporate trustee or trust company under this section or RCW 11.98.051 or 11.98.055 ((shall)) may not be construed to be doing a "trust business" as described in RCW 30.08.150(9).

Sec. 15. RCW 11.98.051 and 2011 c 327 s 24 are each amended to read as follows:

(1) The trustee may transfer trust situs (a) in accordance with RCW 11.96A.220; or (b) by giving written notice to ((those persons entitled to notice as provided for under RCW 11.96A.110 and to)) the attorney general in the case of a charitable trust subject to chapter 11.110 RCW and to the qualified beneficiaries not less than sixty days before initiating the transfer. The notice must:

(a) State the name and mailing address of the trustee;

(b) Include a copy of the governing instrument of the trust;

(c) Include a statement of assets and liabilities of the trust dated within ninety days of the notice;

(d) State the name and mailing address of the trustee to whom the trust will be transferred together with evidence that the trustee has agreed to accept the trust in the manner provided by law of the new situs. The notice must also contain a statement of the trustee's
situs terminates if a ((beneficiary)) recipient of the notice notifies the court of the county where the trust was registered. Notice of transfer of situs and termination of registration with the trust was registered under RCW 11.98.045(2), the trustee must file a notice of transfer of situs and termination of registration with the court of the county where the trust was registered.

(3) The authority of a trustee under this section to transfer a trust's situs terminates if a ((beneficiary)) recipient of the notice notifies the trustee of an objection to the proposed transfer on or before the date specified in the notice.

(4) A change of trust situs does not authorize a change of trustee. Change of trustee of a trust requires compliance with RCW 11.98.039.

NEW SECTION. Sec. 16. A new section is added to chapter 11.98 RCW between 11.98.070 and 11.98.080 to read as follows:

(1) A trustee must keep all qualified beneficiaries of a trust reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. Unless unreasonable under the circumstances, a trustee must promptly respond to any beneficiary's request for information related to the administration of the trust. The trustee is deemed to have satisfied the request of a qualified beneficiary who requests information concerning the terms of the trust reasonably necessary to enable such beneficiary to enforce his or her rights under the trust if the trustee provides a copy of the entire trust instrument.

(2) ((The trustee shall give written notice of proposed consolidation by personal service or by certified mail to the)) A trustee must deliver sixty days in advance written notice of a proposed consolidation in the manner provided in RCW 11.96A.110 to the qualified beneficiaries of every trust affected by the consolidation, provided in RCW 11.96A.110 and to any trustee of such trusts who does not join in the notice. The notice ((shall)) must: (i) State the name and mailing address of the trustee; (ii) Include a copy of the governing instrument of each trust to be consolidated; and (iii) Include a statement of assets and liabilities of each trust to be consolidated, dated within ninety days of the notice; (iv) Fully describe the terms and manner of consolidation; and (v) State the reasons supporting the requirements of subsection (1)((d)) (b) of this section.

(b) If the trustee receives written consent to the proposed consolidation in the manner provided in RCW 11.96A.110 and to any trustee of such trusts who does not join in the notice. The notice ((shall)) must: (i) State the name and mailing address of the trustee; (ii) Include a copy of the governing instrument of each trust to be consolidated; and (iii) Include a statement of assets and liabilities of each trust to be consolidated, dated within ninety days of the notice; (iv) Fully describe the terms and manner of consolidation; and (v) State the reasons supporting the requirements of subsection (1)((d)) (b) of this section.

(3) A trustee may not be required to provide any information described in subsection (1) or (2) of this section to any beneficiary of a trust other than the trustee's spouse or domestic partner if:

(a) Such spouse or domestic partner has capacity;
(b) Such spouse or domestic partner is the only permissible distributee of the trust; and
(c) All of the other qualified beneficiaries of the trust are the descendants of the trustee and the trustee's spouse or domestic partner.

(4) While the trustee of a revocable trust is living, no beneficiary other than the trustee is entitled to receive any information under this section.

(5) The trustee may waive or modify the notification requirements of subsections (2) and (3) of this section in the trust document or in a separate writing, made at any time, that is delivered to the trustee.

Sec. 17. RCW 11.98.080 and 1999 c 42 s 621 are each amended to read as follows:

(1) (a) Two or more trusts may be consolidated if:

((i) The trusts so provide; or

(ii) Whether provided in the trusts or not, ((in accordance with subsection (2) of this section, if all interested persons consent as provided in subsection (2)(b) of this section and the requirements of subsection (1)(d) of this section are satisfied; or

(c) Whether provided in the trusts or not, in accordance with subsection (3) of this section if the requirements of subsection (1)(d) of this section are satisfied;

(d))) the requirements of subsection (2), (3), or (4) of this section are satisfied.

(b) Consolidation under subsection (2) ((or)), (3) , or (4) of this section is permitted only if:

(i) The dispositive provisions of each trust to be consolidated are substantially similar;

(ii) Consolidation is not inconsistent with the intent of the trustor with regard to any trust to be consolidated; and

(iii) Consolidation would facilitate administration of the trusts and would not materially impair the interests of the beneficiaries((i) (a)).

(c) Trusts may be consolidated whether created inter vivos or by will, by the same or different instruments, by the same or different trustors, whether the trustors are the same, and regardless of where the trusts were created or administered.

(2) ((The trustees of two or more trusts may consolidate the trusts on such terms and conditions as appropriate without court approval as provided in RCW 11.96A.220.))

(a) ((The trustee shall give written notice of proposed consolidation by personal service or by certified mail to the)) A trustee must deliver sixty days in advance written notice of a proposed consolidation in the manner provided in RCW 11.96A.110 to the qualified beneficiaries of every trust affected by the consolidation, provided in RCW 11.96A.110 and to any trustee of such trusts who does not join in the notice. The notice ((shall)) must: (i) State the name and mailing address of the trustee; (ii) Include a copy of the governing instrument of each trust to be consolidated; and (iii) Include a statement of assets and liabilities of each trust to be consolidated, dated within ninety days of the notice; (iv) Fully describe the terms and manner of consolidation; and (v) State the reasons supporting the requirements of subsection (1)(((d))) (b) of this section.

(b) If the trustee receives written consent to the proposed consolidation from all persons entitled to notice as provided in RCW 11.96A.110 or from their representatives, the trustee may consolidate the trusts as provided in the notice. Any person dealing with the trustee of the resulting consolidated trust is entitled to rely on the authority of that trustee to act and is not obliged to inquire into the validity or propriety of the consolidation under this section.

(3)(a) Any trustee, beneficiary, or special representative may petition the superior court of the county in which the principal place of administration of a trust is located for an order consolidating two or more trusts under RCW 11.96A.080 through 11.96A.200. If nonjudicial consolidation has been commenced pursuant to subsection (2) of this section, a petition may be filed under this
section unless the trustee has received all necessary consents. The principal place of administration of the trust is the trustee's usual place of business where the records pertaining to the trust are kept, or the trustee's residence if the trustee has no such place of business), and must indicate that the recipient has thirty days to object to the proposed consolidation.

(b) If the trustee receives written objection to the proposed consolidation from any trustee or beneficiary entitled to notice or from their representatives within the objection period provided in subsection (a) of this section, the trustee(s) may not consolidate the trusts as provided in the notice, though an objection does not preclude the trustee or a beneficiary's right to petition for a judicial determination of the proposed consolidation as provided in subsection (4) of this section. If the trustee does not receive any objection within the objection period provided above, then the trustee may consolidate the trusts, and such will be deemed the equivalent of an order entered by the court declaring that the trusts were combined in the manner provided in the initial notice.

(3) The trustees of two or more trusts may consolidate the trusts on such terms and conditions as appropriate without court approval as provided in RCW 11.96A.220.

(4)(a) Any trustee, beneficiary, or special representative may petition the superior court of the county in which the situs of a trust is located for an order consolidating two or more trusts under RCW 11.96A.080 through 11.96A.200.

(b) At the conclusion of the hearing, if the court finds that the requirements of subsection (1)((4a)) (b) of this section have been satisfied, it may direct consolidation of two or more trusts on such terms and conditions as appropriate. The court in its discretion may provide for payment from one or more of the trusts of reasonable fees and expenses for any party to the proceeding.

(((4a))) (5) This section applies to all trusts whenever created. Any person dealing with the trustee of the resulting consolidated trust is entitled to rely on the authority of that trustee to act and is not obliged to inquire into the validity or propriety of the consolidation under this section.

(((4a))) (6) For powers of fiduciaries to divide trusts, see RCW 11.108.025.

NEW SECTION. Sec. 18. RCW 11.98.090 (Nonliability of third persons without knowledge of breach) and 1985 c 30 s 52 are each repealed.

Sec. 19. RCW 11.103.040 and 2011 c 327 s 37 are each amended to read as follows:

While ((a trust is revocable by the trustee,)) the trustee of a revocable trust is living, the rights of the beneficiaries are subject to the control of, and the duties of the trustee are owed exclusively to, the trustee. If a revocable trust has more than one trustee, the duties of the trustee are owed to all of the living trustees having the right to revoke the trust.

Sec. 20. RCW 11.103.050 and 2011 c 327 s 38 are each amended to read as follows:

(1) A party may commence a judicial proceeding to contest the validity of a trust that was revocable at the trustee's death within the earlier of:

(ii) The identity of the trustee or trustees;

(iii) The trustee's name, address, and telephone number; and

(iv) Notice of the time allowed for commencing a proceeding.

(2) Upon the death of the trustee of a trust that was revocable at the trustee's death, the trustee may proceed to distribute the trust property in accordance with the terms of the trust, unless:

(b) A potential contestant has notified the trustee of a possible judicial proceeding to contest the trust and a judicial proceeding is commenced within sixty days after the contestant sent the notification.

(3) A beneficiary of a trust that is determined to have been invalid is liable to return any distribution received.

Sec. 21. RCW 11.96A.250 and 2001 c 14 s 3 are each amended to read as follows:

(1)(a) ((The personal representative or trustee may petition the court having jurisdiction over the matter for the appointment of a special representative to represent a person who is interested in the estate or trust and)) Any party or the parent of a minor or unborn party may petition the court for the appointment of a special representative to represent a party:  (i) Who is a minor; (ii) who is ((incompetent or disabled)) incapacitated without an appointed guardian of his or her estate; (iii) who is yet unborn or unascertained; or (iv) whose identity or address is unknown. The petition may be heard by the court without notice.

(b) In appointing the special representative the court shall give due consideration and deference to any nomination(s) made in the petition, the special skills required in the representation, and the need for a representative who will act independently and prudently. The nomination of a person as special representative by the ((personal representative or trustee)) petitioner and the person's willingness to serve as special representative are not grounds by themselves for finding a lack of independence, however, the court may consider any interests that the nominating ((fiduciary)) party may have in the estate or trust in making the determination.

(c) The special representative may enter into a binding agreement on behalf of the person or beneficiary. The special representative may be appointed for more than one person or class of persons if the interests of such persons or class are not in conflict. The petition ((shall)) must be verified. The petition and order appointing the special representative may be in the following form:

Except as otherwise provided in chapter 11.118 RCW or by another statute, the following rules apply:
(1) A trust may be created for a noncharitable purpose without a
definite or definitely ascertainable beneficiary or for a noncharitable
but otherwise valid purpose to be selected by the trustee. The trust
may not be enforced for longer than the time period specified in RCW
11.98.130 as the period during which a trust cannot be deemed to
violate the rule against perpetuities;

(2) A trust authorized by this section may be enforced by a person
appointed in the terms of the trust or, if no person is so appointed, by
a person appointed by the court. Such person is considered to be a
permmissible distributee of the trust; and

(3) Property of a trust authorized by this section may be applied
only to its intended use, except to the extent the court determines that
the value of the trust property exceeds the amount required for the
intended use. Except as otherwise provided in the terms of the trust,
property not required for the intended use must be distributed to the
trustor, if then living, otherwise to the trustor's successors in interest.
Successors in interest include the beneficiaries under the trustor's will,
if the trustor has a will, or, in the absence of an effective will
provision, the trustor's heirs.

Sec. 23. RCW 11.98.078 and 2011 c 327 s 32 are each amended
to read as follows:

(1) A trustee must administer the trust solely in the
interests of the beneficiaries.

(2) Subject to the rights of persons dealing with or assisting the
trustee as provided in RCW ((11.98.105 (11.98.105)), a sale,
encumbrance, or other transaction involving the investment or
management of trust property entered into by the trustee for the
trustor's own personal account or which is otherwise affected by a
conflict between the trustee's fiduciary and personal interests is
voidable by a beneficiary affected by the transaction unless:
(a) The transaction was authorized by the terms of the trust;
(b) The transaction was approved by the court or approved in a
nonjudicial binding agreement in compliance with RCW 11.96A.210
through 11.96A.250;
(c) The beneficiary did not commence a judicial proceeding
within the time allowed by RCW 11.96A.070; or
(d) The beneficiary consented to the trustee's conduct, ratified
the transaction, or released the trustee in compliance with RCW
11.98.108; or

(e) The transaction involves a contract entered into or claim
acquired by the trustee before the person became or contemplated
becoming trustee.

(3)(a) A sale, encumbrance, or other transaction involving the
investment or management of trust property is presumed to be
“otherwise affected” by a conflict between fiduciary and personal
interests under this section if it is entered into by the trustee with:
(i) The trustee's spouse or registered domestic partner;
(ii) The trustee's descendants, siblings, parents, or their spouses or
registered domestic partners;
(iii) An agent or attorney of the trustee; or
(iv) A corporation or other person or enterprise in which the
trustee, or a person that owns a significant interest in the trustee, has
an interest that might affect the trustee's best judgment.
(b) The presumption is rebutted if the trustee establishes that the
conflict did not adversely affect the interests of the beneficiaries.

(4) A sale, encumbrance, or other transaction involving the
investment or management of trust property entered into by the
trustee for the trustee's own personal account that is voidable under
subsection (2) of this section may be voided by a beneficiary without
further proof.

(5) An investment by a trustee in securities of an investment
company or investment trust to which the trustee, or its affiliate,
provides services in a capacity other than as trustee is not presumed to
be affected by a conflict between personal and fiduciary interests if
the investment complies with the prudent investor rule of chapter
11.100 RCW. In addition to its compensation for acting as trustee,
the trustee may be compensated by the investment company or
investment trust for providing those services out of fees charged to the
trust. If the trustee receives compensation from the investment
company or investment trust for providing investment advisory or
investment management services, the trustee must at least annually
notify the ((persons entitled under RCW 11.106.020 to receive a copy
of the trustee's annual report of the rate and method by which that
compensation was determined)) permissible distributees of the rate
and method by which that compensation was determined. The
obligation of the trustee to provide the notice described in this section
may be waived or modified by the trustee in the trust document or in a
separate writing, made at any time, that is delivered to the trustee.

(6) The following transactions, if fair to the beneficiaries, cannot
be voided under this section:

(a) An agreement between a trustee and a beneficiary relating to
the appointment or compensation of the trustee;
(b) Payment of reasonable compensation to the trustee and any
affiliate providing services to the trust, provided total compensation is
reasonable;
(c) A transaction between a trust and another trust, decedent's
estate, or guardianship of which the trustee is a fiduciary or in which a
beneficiary has an interest;
(d) A deposit of trust money in a regulated financial-service
institution operated by the trustee or its affiliate;
(e) A delegation and any transaction made pursuant to the
delegation from a trustee to an agent that is affiliated or associated
with the trustee; or
(f) Any loan from the trustee or its affiliate.

(7) The court may appoint a special fiduciary to make a decision
with respect to any proposed transaction that might violate this
section if entered into by the trustee.

(8) If a trust has two or more beneficiaries, the trustee ((shall))
must act impartially in administering the trust and distributing the
trust property, giving due regard to the beneficiaries’ respective
interests.

Sec. 24. RCW 11.103.030 and 2011 c 327 s 36 are each amended
to read as follows:

(1) Unless the terms of a trust expressly provide that the trust is
revocable, the trustor may not revoke or amend the trust.

(2) If a revocable trust is created or funded by more than one
trustor and unless the trust agreement provides otherwise:
(a) To the extent the trust consists of community property, the
trust may be revoked by either spouse or either domestic partner
acting alone but may be amended only by joint action of both spouses
or both domestic partners;
(b) To the extent the trust consists of property other than
community property, each trustor may revoke or amend the trust with
regard to the portion of the trust property attributable to that trustor's
contribution;
(c) The character of community property or separate property is
unaffected by its transfer to and from a revocable trust; and
(d) Upon the revocation or amendment of the trust by fewer than
all of the trustors, the trustee ((shall)) must promptly notify the other
trustors of the revocation or amendment.

(3) The trustee may revoke or amend a revocable trust:
(a) By substantial compliance with a method provided in the
terms of the trust; or
(b)(i) If the terms of the trust do not provide a method or the
method provided in the terms is not expressly made exclusive, by:
(A) A later will or codicil that expressly refers to the trust or
specifically devises property that would otherwise have passed
according to the terms of the trust; or
(B) A written instrument signed by the trustor evidencing intent
to revoke or amend.
(ii) The requirements of chapter 11.11 RCW do not apply to revocation or amendment of a revocable trust under (b)(i) of this subsection.

(4) Upon revocation of a revocable trust, the trustee ((shall)) must deliver the trust property as the trustor directs.

(5) A trustor's powers with respect to ((revocation, amendment, or distribution of trust property may be exercised by an agent under a power of attorney only to the extent expressly authorized by the terms of the trust, or by a person appointed by a court upon application to it by any such person designated for that purpose in the trust instrument, by the person having custody of an animal that is a beneficiary of the trust, or by a person appointed by a court upon application to it by any such beneficiary ((shall))) must furnish the beneficiary an itemized statement of all property then held by that trustee, and may also file a written itemized statement of all current distributions for the sole purpose of paying dividends, interest or interest and principal together for distributions made and other actions taken on the assumption that the trust had not been amended or revoked.

(6) A guardian of the trustor may exercise trustor's powers with respect to revocation, amendment, or distribution of trust property only with the approval of the court supervising the guardianship pursuant to RCW 11.92.140.

(7) A trustee who does not know that a trust has been revoked or amended is not liable to the trustor or trustor's successors in interest for distributions made and other actions taken on the premise that the trust had not been amended or revoked.

(8) This section does not limit or affect operation of RCW 11.96A.220 through 11.96A.240.

Sec. 25. RCW 11.106.010 and 1985 c 30 s 95 are each amended to read as follows:

This chapter does not apply to resulting trusts, constructive trusts, business trusts where certificates of beneficial interest are issued to the beneficiaries, investment trusts, voting trusts, insurance trusts prior to the death of the insured, trusts in the nature of mortgages or pledges of the nature of mortgages or pledges, trusts created by judgment or decree of a federal court or of the superior court when not sitting in probate), liquidation trusts or trusts for the sole purpose of paying dividends, interest or interest coupons, salaries, wages or pensions; nor does this chapter apply to personal representatives.

Sec. 26. RCW 11.106.020 and 1985 c 30 s 96 are each amended to read as follows:

The trustee or trustees appointed by any will, deed, or agreement executed ((shall)) must mail or deliver at least annually to each ((adult beneficiary (trust beneficiary)) permissible distributee, as defined in section 8 of this act), a written itemized statement of all current receipts and disbursements made by the trustee of the funds of the trust both principal and income, and upon the request of any such beneficiary ((shall)) must furnish the beneficiary an itemized statement of all property then held by that trustee, and may also file any such statement in the superior court of the county in which the trustee or one of the trustees resides.

Sec. 27. RCW 11.118.050 and 2001 c 327 s 6 are each amended to read as follows:

The intended use of the principal or income can be enforced by a person designated for that purpose in the trust instrument, by the person having custody of an animal that is a beneficiary of the trust, or by a person appointed by a court upon application to it by any person. Such person is considered to be a permissible distributee, as defined in section 8 of this act, of the trust. A person with an interest in the welfare of the animal may petition for an order appointing or removing a person designated or appointed to enforce the trust.

NEW SECTION. Sec. 28. Except as otherwise provided in this act:

(1) This act applies to all trusts created before, on, or after January 1, 2013;

(2) This act applies to all judicial proceedings concerning trusts commenced on or after January 1, 2013;

(3) An action taken before January 1, 2013, is not affected by this act; and

(4) If a right is acquired, extinguished, or barred upon the expiration of a prescribed period that has commenced to run under any other statute before January 1, 2013, that statute continues to apply to the right even if it has been repealed or superseded."

E2SSB 5389 Prime Sponsor, Committee on Ways & Means: Concerning sibling visitation and sibling contact for children in foster care. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The Washington state legislature recognizes the importance of frequent and meaningful contact for siblings separated due to involvement in the foster care system. The legislature also recognizes that children and youth in foster care have not always been provided adequate opportunities for visitation with their siblings. It is the intent of the legislature to encourage appropriate facilitation of sibling visits.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130((4))) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the
department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitations is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitations shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitations may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(((vi))) (v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(((vi))) (vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(((vii))) (vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(((vi))) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130((4)) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe."

SSB 5601  Prime Sponsor, Committee on Health Care: Concerning interpretation of state law regarding rebating practices by health care entities. Reported by Committee on Health Care & Wellness

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1.  (1) The legislature recognizes the complexity of the health care delivery system and the need to provide a clear and consistent regulatory framework to enable health care providers to manage their operations in an efficient and effective manner. The legislature also recognizes that the donation of electronic health records systems reduces health care costs, promotes patient safety, and improves the quality of health care.

(2) To further the important national policy of promoting the widespread adoption of electronic health records systems, the federal antikickback statute and the rules adopted to implement the statute contain a safe harbor that allows the donation of electronic health records systems. The federal statute and rules also contain additional safe harbors to preserve a variety of other activities which, in many cases, improve access to health care. For health care entities other than clinical laboratories, the legality of all of these arrangements is currently in question.

(3) The legislature is adding language to chapter 19.68 RCW to clarify existing law and ensure that, except with respect to arrangements involving an entity which principally operates as a clinical laboratory, it is interpreted in a manner consistent with the federal antikickback statute.

NEW SECTION.  Sec. 2.  (1) Nothing in this chapter may be construed to limit or prohibit the donation of electronic health record technology or other activity by any entity, including a hospital licensed under chapter 70.41 RCW that operates a clinical laboratory, when the donation or other activity is allowed by or otherwise does not violate, 42 U.S.C. Sec. 1320a-7b(b) or the federal rules adopted to implement 42 U.S.C. Sec. 1320a-7b(b).

(2) This section does not apply to any entity which principally operates as a clinical laboratory licensed or certified under section 353 of the public health service act, 42 U.S.C. Sec. 263a, or other applicable Washington state law.

NEW SECTION.  Sec. 3. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

NEW SECTION.  Sec. 1. A new section is added to chapter 70.128 RCW to read as follows:

(1) The protection of vulnerable residents living in adult family homes and other long-term care facilities in the state is a matter of ongoing concern and grave importance. In 2011, the legislature examined problems with the quality of care and oversight of adult family homes in Washington. The 2011 legislature passed Engrossed Substitute House Bill No. 1277 to address some of these issues, and in addition, created an adult family home quality assurance panel, chaired by the state long-term care ombudsman, to meet and make recommendations to the governor and legislature by December 1, 2012, for further improvements in adult family home care and the oversight of the homes by the department of social and health services.

(2) The legislature recognizes that significant progress has been made over the years in adult family home care, and that many adult family homes provide high quality care and are the preferred alternative for many residents in contrast to a larger care facility setting. The legislature finds however that the quality of care in some adult family homes would be improved, and abuse and neglect would decline, if these homes' caregivers and providers received better training and mentoring, residents and their families were more informed and able to select an appropriate home, and oversight by the department of social and health services was more vigorous and prompt against poorly performing homes. It is therefore the intent of the legislature to enact the recommendations included in the adult
family home quality assurance panel report in order to improve the quality of care of vulnerable residents and the department's oversight of adult family homes.

Sec. 2. RCW 70.128.060 and 2011 1st sp.s. c 3 s 403 are each amended to read as follows:

(1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.

(2) Subject to the provisions of this section, the department shall issue a license to an adult family home if the department finds that the applicant and the home are in compliance with this chapter and the rules adopted under this chapter. The department may not issue a license if (a) the applicant or a person affiliated with the applicant has prior violations of this chapter relating to the adult family home subject to the application or any other adult family home, or of any other law regulating residential care facilities within the past ten years that resulted in revocation, suspension, or nonrenewal of a license or contract with the department; or (b) the applicant or a person affiliated with the applicant has a history of significant noncompliance with federal, state, or local laws, rules, or regulations relating to the provision of care or services to vulnerable adults or to children. A person is considered affiliated with an applicant if the person is listed on the license application as a partner, officer, director, resident manager, or majority owner of the applying entity, or is the spouse of the applicant.

(3) The license fee shall be submitted with the application.

(4) Proof of financial solvency must be submitted when requested by the department.

(5) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial.

(6) The department shall not issue a license to a provider if the department finds that the provider or spouse of the provider or any partner, officer, director, managerial employee, or majority owner has a history of significant noncompliance with federal or state regulations, rules, or laws in providing care or services to vulnerable adults or to children.

(7) The department shall license an adult family home for the maximum level of care that the adult family home may provide. The department shall define, in rule, license levels based upon the education, training, and caregiving experience of the licensed provider or staff.

(8) For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers consistent with RCW 70.128.230, and also is required for caregivers, with standardized competency testing for caregivers hired after the effective date of this section, as set forth by the department in rule. The department shall examine, with input from experts, providers, consumers, and advocates, whether the existing specialty training courses are adequate for providers, resident managers, and caregivers to meet these residents' special needs, are sufficiently standardized in curricula and instructional techniques, and are accompanied by effective tools to fairly evaluate successful student completion. The department may enhance the existing specialty training requirements by rule, and may update curricula, instructional techniques, and competency testing based upon its review and stakeholder input. In addition, the department shall examine, with input from experts, providers, consumers, and advocates, whether additional specialty training categories should be created for adult family homes serving residents with other special needs, such as traumatic brain injury, skilled nursing, or bariatric care. The department may establish, by rule, additional specialty training categories and requirements for providers, resident managers, and caregivers, if needed to better serve residents with such special needs.

(9) The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

(10) The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.

(11) At the time of an application for an adult family home license and upon the annual fee renewal date set by the department, the licensee shall pay a license fee. Beginning July 1, 2011, the per bed license fee and any processing fees, including the initial license fee, must be established in the omnibus appropriations act and any amendment or additions made to that act. The license fees established in the omnibus appropriations act and any amendment or additions made to that act may not exceed the department's annual licensing and oversight activity costs and must include the department's cost of paying providers for the amount of the license fee attributed to Medicaid clients.

(12) A provider who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of an adult family home license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the provider, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the provider relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

(13) The department shall establish, by rule, the circumstances requiring a change in the licensed provider, which include, but are not limited to, a change in ownership or control of the adult family home or provider, a change in the provider's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new provider is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in provider, the new provider is responsible for correction of all violations that may exist at the time of the new license.

NEW SECTION. Sec. 3. A new section is added to chapter 70.128 RCW to read as follows:

(1) In order to enhance the selection of an appropriate adult family home, all adult family homes licensed under this chapter shall disclose the scope of, and charges for, the care, services, and activities provided by the home or customarily arranged for by the home. The disclosure must be provided to the home's residents and the residents' representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request, using standardized disclosure forms developed by the department with stakeholders' input. The home may also disclose supplemental information to prospective residents and other interested persons.

(2)(a) The disclosure forms that the department develops must be standardized, reasonable in length, and easy to read. The form setting forth the scope of an adult family home's care, services, and activities must be available from the adult family home through a link to the department's web site developed pursuant to this section. This form must indicate, among other categories, the scope of personal care and medication service provided, the scope of skilled nursing services or nursing delegation provided or available, any specialty care designations held by the adult family home, the customary number of caregivers present during the day and whether the home has awake staff at night, any particular cultural or language access available, and
clearly state whether the home admits Medicaid clients or retains residents who later become eligible for Medicaid. The adult family home shall provide or arrange for the care, services, and activities disclosed in its form.

(b) The department must also develop a second standardized disclosure form with stakeholders’ input for use by adult family homes to set forth an adult family home’s charges for its care, services, items, and activities, including the charges not covered by the home’s daily or monthly rate, or by Medicaid, Medicare, or other programs. This form must be available from the home and disclosed to residents and their representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request.

(3)(a) If the adult family home decreases the scope of care, services, or activities it provides, due to circumstances beyond the home’s control, the home shall provide a minimum of thirty days’ written notice to the residents, and the residents’ representative if any, before the effective date of the decrease in the scope of care, services, or activities provided.

(b) If the adult family home voluntarily decreases the scope of care, services, or activities it provides, and any such decrease will result in the discharge of one or more residents, then ninety days’ written notice must be provided prior to the effective date of the decrease. Notice must be given to the residents and the residents’ representative, if any.

(c) If the adult family home increases the scope of care, services, or activities it provides, the home shall promptly provide written notice to the residents, and the residents’ representative if any, and shall indicate the date on which the increase is effective.

(4) When the care needs of a resident exceed the disclosed scope of care or services that the adult family home provides, the home may exceed the care or services previously disclosed, provided that the additional care or services are permitted by the adult family home’s license, and the home can safely and appropriately serve the resident with available staff or through the provision of reasonable accommodations required by state or federal law. The provision of care or services to a resident that exceed those previously disclosed by the home does not mean that the home is capable of or required to provide the same care or services to other residents, unless required as a reasonable accommodation under state or federal law.

(5) An adult family home may deny admission to a prospective resident if the home determines that the needs of the prospective resident cannot be met, so long as the adult family home operates in compliance with state and federal law, including RCW 70.129.030(3) and the reasonable accommodation requirements of state and federal antidiscrimination laws.

(6) The department shall work with consumers, advocates, and other stakeholders to combine and improve existing web resources to create a more robust, comprehensive, and user-friendly web site for family members, residents, and prospective residents of adult family homes in Washington. The department may contract with outside vendors and experts to assist in the development of the web site. The web site should be easy to navigate and have links to information important for residents, prospective residents, and their family members or representatives including, but not limited to: (a) Explanations of the types of licensed long-term care facilities, levels of care, and specialty designations; (b) lists of suggested questions when looking for a care facility; (c) warning signs of abuse, neglect, or financial exploitation; and (d) contact information for the department and the long-term care ombudsman. In addition, the consumer oriented web site should include a searchable list of all adult family homes in Washington, with links to recent inspection and investigation reports and any enforcement actions by the department. To facilitate the comparison of adult family homes, the web site should also include a link to each licensed adult family home’s disclosure form required by subsection (2)(a) of this section. The department’s web site should also include periodically updated information about whether an adult family home has a current vacancy, if the home or facility provides such information to the department, or may include links to other consumer-oriented web sites with the vacancy information.

Sec. 4. RCW 70.128.160 and 2011 1st sp.s. c 3 s 208 are each amended to read as follows:

(1) The department is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an adult family home provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an adult family home without a license or under a revoked license;

(c) Knowingly or with reason to know made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department;

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions:

(a) Refuse to issue a license;

(b) Impose reasonable conditions on a license, such as correction within a specified time, training, and limits on the type of clients the provider may admit or serve;

(c) Impose civil penalties of at least one hundred dollars per day per violation;

(d) Impose civil penalties of up to three thousand dollars for each incident that violates adult family home licensing laws and rules, including, but not limited to, chapters 70.128, 70.129, 74.34, and 74.39A RCW and related rules. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty;

(e) Impose civil penalties of up to ten thousand dollars for a current or former licensed provider who is operating an unlicensed home;

(f) Suspend, revoke, or refuse to renew a license; or

(g) Suspend admissions to the adult family home by imposing stop placement.

(3) When the department orders stop placement, the facility shall not admit any person until the stop placement order is terminated. The department may approve readmission of a resident to the facility from a hospital or nursing home during the stop placement. The department shall terminate the stop placement ((when)) only after:  (a) The violations necessitating the stop placement have been corrected; and (b) the provider exhibits the capacity to maintain correction of the violations previously found deficient. However, if upon the revisit the department finds new violations that the department reasonably believes will result in a new stop placement, the previous stop placement shall remain in effect until the new stop placement is imposed. In order to protect the home’s existing residents from potential ongoing neglect, when the provider has been cited for a violation that is repeated, uncorrected, pervasive, or presents a threat to the health, safety, or welfare of one or more residents, and the department has imposed a stop placement, the department shall also impose a condition on license or other remedy to facilitate or spur prompter compliance if the violation has not been corrected, and the provider has not exhibited the capacity to maintain correction, within sixty days of the stop placement.

(4) Nothing in subsection (3) of this section is intended to apply to stop placement imposed in conjunction with a license revocation or summary suspension or to prevent the department from imposing a condition on license or other remedy prior to sixty days after a stop placement, if the department considers it necessary to protect one or more residents’ well-being. After a department finding of a violation for which a stop placement has been imposed, the department shall
make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a previous citation, and create actual or threatened harm to one or more residents' well-being, including violations of residents' rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(5) Chapter 34.05 RCW applies to department actions under this section, except that orders of the department imposing license suspension, stop placement, or conditions for continuation of a license are effective immediately upon notice and shall continue in effect pending any hearing.

(6) A separate adult family home account is created in the custody of the state treasurer. All receipts from civil penalties imposed under this chapter must be deposited into the account. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. The department shall use the special account only for promoting the quality of life and care of residents living in adult family homes.

(7) The department shall by rule specify criteria as to when and how the sanctions specified in this section must be applied. The criteria shall provide for the imposition of incrementally more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. The criteria shall be tiered such that those homes consistently found to have deficiencies will be subjected to increasingly severe penalties. The department shall implement prompt and specific enforcement remedies without delay for providers found to have delivered care or failed to deliver care resulting in problems that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. In the selection of remedies, the health, safety, and well-being of residents must be of paramount importance.

**NEW SECTION.** Sec. 5. A new section is added to chapter 70.128 RCW to read as follows:

(1) If during an inspection, reinspection, or complaint investigation by the department, an adult family home corrects a violation or deficiency that the department discovers, the department shall record and consider such violation or deficiency for purposes of the home's compliance history; however, the licensor or complaint investigator may not include in the home's report the violation or deficiency if the violation or deficiency:

(a) Is corrected to the satisfaction of the department prior to the exit conference;
(b) Is not recurring; and
(c) Did not pose a significant risk of harm or actual harm to a resident.

(2) For the purposes of this section, "recurring" means that the violation or deficiency was found under the same regulation or statute in one of the two most recent preceding inspections, reinspections, or complaint investigations."

(d) "Department" means the department of revenue.

(7)(a) This section expires July 1, 2018.

E2SSB 5244 Prime Sponsor, Committee on Ways & Means:
Regarding school suspensions and expulsions.
Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.600 RCW to read as follows:
(1) The office of the superintendent of public instruction shall convene a discipline task force to develop standard definitions for causes of student disciplinary actions taken at the discretion of the school district. The task force must also develop data collection standards for disciplinary actions that are discretionary and for disciplinary actions that result in the exclusion of a student from school. The data collection standards must include data about education services provided while a student is subject to a disciplinary action, the status of petitions for readmission to the school district when a student has been excluded from school, credit retrieval during a period of exclusion, and school dropout as a result of disciplinary action.

(2) The discipline task force shall include representatives from the K-12 data governance group, the educational opportunity gap oversight and accountability committee, the state ethnic commissions, the governor's office of Indian affairs, the office of the education ombudsman, school districts, and other education and advocacy organizations.

(3) The office of the superintendent of public instruction and the K-12 data governance group shall revise the statewide student data system to incorporate the student discipline data collection standards recommended by the discipline task force, and begin collecting data based on the revised standards in the 2015-16 school year.

Sec. 2. RCW 28A.600.015 and 2006 c 263 s 701 are each amended to read as follows:
(1) The superintendent of public instruction shall adopt and distribute to all school districts lawful and reasonable rules prescribing the substantive and procedural due process guarantees of pupils in the common schools. Such rules shall authorize a school district to use informal due process procedures in connection with the short-term suspension of students to the extent constitutionally permissible. PROVIDED, That the superintendent of public instruction deems the interest of students to be adequately protected. When a student suspension or expulsion is appealed, the rules shall authorize a school district to impose the suspension or expulsion temporarily after an initial hearing for no more than ten consecutive school days or until the appeal is decided, whichever is earlier. Any days that the student is temporarily suspended or expelled before the appeal is decided shall be applied to the term of the student suspension or expulsion and shall not limit or extend the term of the student suspension or expulsion. A suspension or expulsion of a student may not be for an indefinite period of time, and a school district may not suspend the provision of educational services to a student as a disciplinary measure.

(2) Short-term suspension procedures may be used for suspensions of students up to and including, ten consecutive school days.

(3) Emergency expulsions must end or be converted to another form of corrective action within ten school days from the date of the emergency removal from school. Notice and due process rights must be provided to students when an emergency expulsion is converted to another form of corrective action.

(4) A school district may not impose a disciplinary action that results in the suspension of educational services to a student. A student may be excluded from a particular classroom or instructional or activity area for the period of suspension, but the school district must provide an opportunity for the student to receive educational services in an alternative manner, which may include services provided through an alternative program, at an alternative school, or at an alternative location within the student's regular school.

Sec. 3. RCW 28A.600.020 and 2006 c 263 s 706 are each amended to read as follows:
(1) The rules adopted pursuant to RCW 28A.600.010 shall be interpreted to ensure that the optimum learning atmosphere of the classroom is maintained, and that the highest consideration is given to the judgment of qualified certificated educators regarding conditions necessary to maintain the optimum learning atmosphere.

(2) Any student who creates a disruption of the educational process in violation of the building disciplinary standards while under a teacher's immediate supervision may be excluded by the teacher from his or her individual classroom and instructional or activity area for all or any portion of the balance of the school day, or up to the following two days, or until the principal or designee and teacher have conferred, whichever occurs first. Except in emergency circumstances, the teacher first must attempt one or more alternative forms of corrective action. In no event without the consent of the teacher may an excluded student return to the class during the balance of that class or activity period or up to the following two days, or until the principal or his or her designee and the teacher have conferred.

(3) In order to preserve a beneficial learning environment for all students and to maintain good order and discipline in each classroom, every school district board of directors shall provide that written procedures are developed for administering discipline at each school within the district. Such procedures shall be developed with the participation of ((parents)) families and the community, and shall provide that the teacher, principal or designee, and other authorities designated by the board of directors, make every reasonable attempt to involve the ((parents)) family or guardian and the student in the resolution of student discipline problems. Such procedures shall provide that students may be excluded from all individual classes or activities for periods of time in excess of that provided in subsection (2) of this section if such students have repeatedly disrupted the learning of other students. The procedures must be consistent with the rules of the superintendent of public instruction and must provide for early involvement of ((parents)) families in attempts to improve the student's behavior.

(4) The procedures shall assure, pursuant to RCW 28A.400.110, that all staff work cooperatively toward consistent enforcement of proper student behavior throughout each school as well as within each classroom.

(5)(a) A principal ((shall)) may consider imposing long-term suspension or expulsion as a sanction when deciding the appropriate disciplinary action for a student who, after July 27, 1997:
((a)(i)) Engages in two or more violations within a three-year period of RCW 9A.46.120, 28A.320.135, 28A.600.455, 28A.600.460, 28A.635.020, 28A.600.020, 28A.635.060, or 9A.280((or 28A.320.140)) or
((a)(ii)) Engages in one or more of the offenses listed in RCW 13.04.155.

(b) The principal shall communicate the disciplinary action taken by the principal to the school personnel who referred the student to the principal for disciplinary action.

(6) Any corrective action involving a suspension or expulsion from school for more than ten days must have an end date no later than the end of the academic term in which the student exhibited behavior leading to a corrective action. In consultation with families and guardians of students subject to corrective action, school districts shall make reasonable efforts to assist students in returning to an
educational setting prior to and no later than the end date of the corrective action. Where warranted based on public health or safety, a school district may petition the superintendent of public instruction, pursuant to policies and procedures adopted by the superintendent of public instruction, for authorization to exceed the academic term limitation provided in this subsection. The superintendent of public instruction shall adopt rules outlining the limited circumstances in which a school district may petition the superintendent of public instruction to exceed the academic term limitation, including safeguards to ensure that the district has made every effort to plan for the student's return to school and that the student's extended expulsion from the district does not impair the student's constitutional right to education. In adopting rules and reviewing petitions to exceed the academic term limitation, the superintendent of public instruction must assure that students receive educational services while serving a suspension or expulsion. A petition to exceed the academic term limitation shall not be granted by the superintendent of public instruction if a school district does not provide educational services to a student serving a suspension or expulsion. Provided as provided in RCW 28A.600.015, a school district may not impose disciplinary action that results in the suspension of educational services to a student.

Sec. 4. RCW 28A.600.410 and 1992 c 155 s 1 are each amended to read as follows:

It is the intent of the legislature to minimize the use of out-of-school suspension and expulsion and its impact on student achievement by reducing the number of days that students are excluded from school due to disciplinary action. Student discipline should not impair a student's constitutional right to education. School districts are encouraged to find alternatives to suspension including reducing the length of a student's suspension conditioned by the commencement of counseling or other treatment services. Consistent with current law, the conditioning of a student's suspension does not obligate the school district to pay for the counseling or other treatment services except for those stipulated and agreed to by the district at the inception of the suspension.

Sec. 5. RCW 28A.600.460 and 1997 c 266 s 9 are each amended to read as follows:

(1) School district boards of directors shall adopt policies that restore discipline to the classroom. Such policies must provide for at least the following: Allowing each teacher to take disciplinary action to correct a student who disrupts normal classroom activities, abuses or insults a teacher as prohibited by RCW 28A.635.010, willfully disobeys a teacher, uses abusive or foul language directed at a school district employee, school volunteer, or another student, violates school rules, or who interferes with an orderly education process. Disciplinary action may include but is not limited to: Oral or written reprimands; written notification to parents of disruptive behavior, a copy of which must be provided to the principal.

(2) A student committing an offense under chapter 9A.36, 9A.40, 9A.46, or 9A.48 RCW when the activity is directed toward the teacher, shall not be assigned to that teacher's classroom for the duration of the student's attendance at that school or any other school where the teacher is assigned.

(3) A student who commits an offense under chapter 9A.36, 9A.40, 9A.46, or 9A.48 RCW, when directed toward another student, may be removed from the classroom of the victim for the duration of the student's attendance at that school or any other school where the victim is enrolled. A student who commits an offense under one of the chapters enumerated in this section against a student or another school employee, may be expelled or suspended.

(4) Nothing in this section is intended to limit the authority of a school under existing law and rules to expel or suspend a student for misconduct or criminal behavior. However, as provided in RCW 28A.600.015, a school district may not impose disciplinary action that results in the suspension of educational services to a student.

(5) All school districts must collect data on disciplinary actions taken in each school and must record such actions using the statewide student data system, based on the data collection standards established by the office of the superintendent of public instruction and the K-12 data governance group. The information shall be made available to the public upon request((This collection of)), but any public release of such data shall not include personally identifiable information including, but not limited to, a student's social security number, name, or address.

Sec. 6. RCW 43.41.400 and 2012 c 229 s 585 are each amended to read as follows:

(1) An education data center shall be established in the office of financial management. The education data center shall jointly, with the legislative evaluation and accountability program committee, conduct collaborative analyses of early learning, K-12, and higher education programs and education issues across the P-20 system, which includes the department of early learning, the superintendent of public instruction, the professional educator standards board, the state board of education, the state board for community and technical colleges, the workforce training and education coordinating board, the student achievement council, public and private nonprofit four-year institutions of higher education, and the employment security department. The education data center shall conduct collaborative analyses under this section with the legislative evaluation and accountability program committee and provide data electronically to the legislative evaluation and accountability program committee, to the extent permitted by state and federal confidentiality requirements. The education data center shall be considered an authorized representative of the state educational agencies in this section under applicable federal and state statutes for purposes of accessing and compiling student record data for research purposes.

(2) The education data center shall:

(a) In consultation with the legislative evaluation and accountability program committee and the agencies and organizations participating in the education data center, identify the critical research and policy questions that are intended to be addressed by the education data center and the data needed to address the questions;

(b) Coordinate with other state education agencies to compile and analyze education data, including data on student demographics that is disaggregated by distinct ethnic categories within racial subgroups, and complete P-20 research projects;

(c) Collaborate with the legislative evaluation and accountability program committee and the education and fiscal committees of the legislature in identifying the data to be compiled and analyzed to ensure that legislative interests are served;

(d) Annually provide to the K-12 data governance group a list of data elements and data quality improvements that are necessary to answer the research and policy questions identified by the education data center and have been identified by the legislative committees in (c) of this subsection. Within three months of receiving the list, the K-12 data governance group shall develop and transmit to the education data center a feasibility analysis of obtaining or improving the data, including the steps required, estimated time frame, and the financial and other resources that would be required. Based on the analysis, the education data center shall submit, if necessary, a recommendation to the legislature regarding any statutory changes or resources that would be needed to collect or improve the data;

(e) Monitor and evaluate the education data collection systems of the organizations and agencies represented in the education data center ensuring that data systems are flexible, able to adapt to evolving needs for information, and to the extent feasible and necessary, include data that are needed to conduct the analyses and provide answers to the research and policy questions identified in (a) of this subsection;

(f) Track enrollment and outcomes through the public centralized higher education enrollment system;
(g) Assist other state educational agencies' collaborative efforts to develop a long-range enrollment plan for higher education including estimates to meet demographic and workforce needs;

(h) Provide research that focuses on student transitions within and among the early learning, K-12, and higher education sectors in the P-20 system; (and)

(i) Prepare a regular report on the educational and workforce outcomes of youth in the juvenile justice system, using data disaggregated according to RCW 28A.300.042, and by age; and

(j) Make recommendations to the legislature as necessary to help ensure the goals and objectives of this section and RCW 28A.655.210 and 28A.300.507 are met.

(3) The department of early learning, superintendent of public instruction, professional educator standards board, state board of education, state board for community and technical colleges, workforce training and education coordinating board, student achievement council, public four-year institutions of higher education, department of social and health services, and employment security department shall work with the education data center to develop data-sharing and research agreements, consistent with applicable security and confidentiality requirements, to facilitate the work of the center. The education data center shall also develop data-sharing and research agreements with the administrative office of the courts to conduct research on educational and workforce outcomes using data maintained under RCW 13.50.010(1) related to juveniles. Private, nonprofit institutions of higher education that provide programs of education beyond the high school level leading at least to the baccalaureate degree and are accredited by the Northwest association of schools and colleges or their peer accreditation bodies may also develop data-sharing and research agreements with the education data center, consistent with applicable security and confidentiality requirements. The education data center shall make data from collaborative analyses available to the education agencies and institutions that contribute data to the education data center to the extent allowed by federal and state security and confidentiality requirements applicable to the data of each contributing agency or institution.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.600 RCW to read as follows:

(1) School districts should make efforts to have suspended or expelled students return to the educational setting they were suspended or expelled from as soon as possible. School districts should convene a school reenrollment meeting with the student and the student's family or guardians within twenty days of the student's long-term suspension or expulsion, but no later than five days before the student's enrollment, to discuss a plan to reenroll and reengage the student in a school program.

(2) In developing a reenrollment and reengagement plan, school districts should consider shortening the length of time that the student is suspended or expelled, other forms of corrective action, and supportive interventions that aid in the student's academic success and keep the student engaged and on track to graduate. School districts must create a reenrollment and reengagement plan tailored to the student's individual circumstances, including consideration of the incident that led to the student's long-term suspension or expulsion. The plan should aid the student in taking the necessary steps to remedy the situation that led to the student's suspension or expulsion.

(3) Any reenrollment meetings conducted by the school district involving the suspended or expelled student and his or her family or guardians are not intended to replace a petition for readmission.

NEW SECTION. Sec. 1. A new section is added to chapter 46.61 RCW to read as follows:

(1) Notwithstanding any provision of law to the contrary, the operator of a street legal motorcycle approaching an intersection, including a left turn intersection, that is controlled by a triggered traffic control signal using a vehicle detection device that is inoperative due to the size of the street legal motorcycle shall come to a full and complete stop at the intersection. If the traffic control signal, including the left turn signal, as appropriate, fails to operate after the lesser of either ninety seconds or one cycle of the traffic signal, the operator may, after exercising due care, proceed directly through the intersection or proceed to turn left, as appropriate. It is
not a defense to a violation of RCW 46.61.050 that the driver of a motorcycle proceeded under the belief that a traffic control signal used a vehicle detection device or was inoperative due to the size of the motorcycle when the signal did not use a vehicle detection device or that any such device was not in fact inoperative due to the size of the motorcycle.

(2) By October 31, 2015, the Washington traffic safety commission, with input from the Washington state patrol and local law enforcement, shall submit a report to the legislature regarding the implementation of this act. This report must describe the act's effectiveness in helping motorcyclists, note any increase or decrease in the frequency of traffic accidents as a result of this act, summarize any issues related to ticketing or automated traffic safety cameras, explore whether all motor vehicles and bicycles should be given the same ability to proceed through traffic signals, and provide appropriate recommendations.

E2SSB 5329 Prime Sponsor, Committee on Ways & Means: Assisting persistently lowest-achieving schools to become more accountable. (REVISED FOR ENGROSSED: Transforming persistently failing schools.) Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.657.005 and 2010 c 235 s 101 are each amended to read as follows:

(1) The legislature finds that an effective educational accountability system is premised on creating and maintaining partnerships between the state and local school district boards of directors. The legislature also recognizes it takes time to make significant changes that are sustainable over the long term in an educational system that serves more than one million students from diverse communities.

(2) The legislature further finds that it is the state's responsibility to create a coherent and effective accountability framework for the continuous improvement (of) all schools and school districts. This system must provide an excellent and equitable education for all students, an aligned federal and state accountability system, and the tools necessary for schools and school districts to be accountable. These tools include (the necessary) accounting and data reporting systems, assessment systems to monitor student achievement, and a comprehensive system of (the necessary) differentiated support, targeted assistance, and, if necessary, intervention.

(3) The office of the superintendent of public instruction is responsible for developing and implementing the accountability tools to build district capacity and working within federal and state guidelines. The legislature assigned the state board of education responsibility and oversight for creating an accountability framework. This framework provides a unified system of support for challenged schools that aligns with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions. Such a system will identify schools and their districts for recognition as well as for additional state support.

(4) For a specific group of (challenged schools, defined as) persistently lowest-achieving schools and their districts, it is necessary to provide a required action process that creates a partnership between the state and local district to target funds and assistance to turn around the identified (lowest-achieving) schools. The legislature finds that state takeover of persistently lowest-achieving schools is unlikely to produce long-term improvement in student achievement because takeover is an unsustainable approach to school governance and an inadequate response to addressing the underlying barriers to improved outcomes for all students. However, in the rare case of a persistently lowest-achieving school that continues to fail to improve even after required action and supplemental assistance, it is appropriate and necessary to assign the superintendent of public instruction the responsibility to intervene, provide robust technical assistance, and direct the necessary interventions. Even though the superintendent of public instruction continues to work in partnership with the local school board, the superintendent of public instruction is accountable for ensuring that adequate steps are taken to improve student achievement in these schools.

(5) Phase I of this accountability system will recognize schools that have done an exemplary job of raising student achievement and closing the achievement gaps using the (state board of education's accountability) Washington achievement index adopted by the state board of education. The state board of education shall have ongoing collaboration with the (educational opportunity gap oversight and accountability committee) measuring the closing of the achievement gaps and (recognition provided to the school districts for closing the achievement gaps. Phase I will also target the lowest five percent of persistently lowest-achieving schools defined under federal guidelines to provide federal funds and federal intervention models through a voluntary option in 2010, and for those who do not volunteer and have not improved student achievement, a required action process beginning in 2011.

(6) Phase II of this accountability system will work toward implementing the (state board of education's accountability) Washington achievement index for identification of challenged schools in need of improvement, including those that are not Title I schools, and the use of state and local intervention models and federal and state funds through a (required action process) comprehensive system of differentiated support, targeted assistance, and intervention beginning in (2013, in addition to the federal program) the 2014-15 school year. If federal approval of the (state board of education's accountability) Washington achievement index (must be) not obtained (of) the federal guidelines for (persistently lowest-achieving) identifying schools will continue to be used. If it ever becomes necessary, a process is established to assign responsibility to the superintendent of public instruction to intervene in persistently lowest-achieving schools that have failed to improve despite required action.

(7) The expectation from implementation of this accountability system is the improvement of student achievement for all students to prepare them for postsecondary education, work, and global citizenship in the twenty-first century.

Sec. 2. RCW 28A.657.010 and 2010 c 235 s 112 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.
(1) "All students group" means those students in grades three through eight and high school who take the state's assessment in reading or English language arts and mathematics required under 20 U.S.C. Sec. 6311(b)(3).

(2) "Title I" means Title I, part A of the federal elementary and secondary education act of 1965 (ESEA) (20 U.S.C. Secs. 6311-6322).

(3) "Turnaround principles" include but are not limited to the following:
   (a) Providing strong leadership;
   (b) Ensuring teachers are effective and able to improve instruction;
   (c) Increasing learning time;
   (d) Strengthening the school's instructional program;
   (e) Using data to inform instruction;
   (f) Establishing a safe and supportive school environment; and
   (g) Engaging families and communities.

Sec. 3. RCW 28A.657.020 and 2010 c 235 s 102 are each amended to read as follows:
   (1) Beginning in 2010, and each year thereafter((,)) through December 2012, the superintendent of public instruction shall annually identify schools as one of the state's persistently lowest-achieving schools if the school is a Title I school, or a school that is eligible for but does not receive Title I funds, that is among the lowest-achieving five percent of Title I or Title I eligible schools in the state.

   (2) The criteria for determining whether a school is among the persistently lowest-achieving five percent of Title I schools, or Title I eligible schools, under subsection (1) of this section shall be established by the superintendent of public instruction. The criteria must meet all applicable requirements for the receipt of a federal school improvement grant under the American recovery and reinvestment act of 2009 and Title I of the elementary and secondary education act of 1965, and take into account both:
      (a) The academic achievement of the "all students" group in a school in terms of proficiency on the state's assessment, and any alternative assessments, in reading and mathematics combined; and
      (b) The school's lack of progress on the mathematics and reading assessments over a number of years in the "all students" group.

   (3) (a) Beginning December 1, 2013, and each December thereafter, the superintendent of public instruction shall annually identify challenged schools in need of improvement and a subset of such schools that are the persistently lowest-achieving schools in the state.

   (b) The criteria for determining whether a school is a challenged school in need of improvement shall be established by the superintendent of public instruction. The criteria must meet all applicable federal requirements under Title I of the elementary and secondary education act of 1965 and other federal rules or guidance, including applicable requirements for the receipt of federal school improvement funds if available, but shall apply equally to Title I, Title I eligible, and non-Title I schools in the state. The criteria must take into account the academic achievement of the "all students" group and subgroups of students in a school in terms of proficiency on the state assessments in reading or English language arts and mathematics and a high school's graduation rate for all students and subgroups of students. The superintendent may establish tiered categories of challenged schools based on the relative performance of all students, subgroups of students, and other factors.

   (c) The superintendent of public instruction shall also establish criteria for determining whether a challenged school in need of improvement is also a persistently lowest-achieving school for purposes of the required action district process under this chapter, which shall include the school's lack of progress for all students and subgroups of students over a number of years. The criteria for identifying persistently lowest-achieving schools shall also take into account the level of state or federal resources available to implement a required action plan.

   (d) If the Washington achievement index is approved by the United States department of education for use in identifying schools for federal purposes, the superintendent of public instruction shall use the approved index to identify schools under (b) and (c) of this subsection.

Sec. 4. RCW 28A.657.030 and 2010 c 235 s 103 are each amended to read as follows:
   (1) Beginning in January 2011, the superintendent of public instruction shall annually recommend to the state board of education school districts for designation as required action districts. A district with at least one school identified as a persistently lowest-achieving school according to the criteria established by the superintendent of public instruction under RCW 28A.657.020 shall be designated as a required action district ((if it meets the criteria developed by the superintendent of public instruction)). However, a school district shall not be recommended for designation as a required action district if the district was awarded a federal school improvement grant by the superintendent in 2010 and for three consecutive years following receipt of the grant implemented a federal school improvement model at each school identified for improvement. The state board of education may designate a district that received a school improvement grant in 2010 as a required action district if after three years of voluntarily implementing a plan the district continues to have a school identified as persistently lowest-achieving and meets the criteria for designation established by the superintendent of public instruction.

   (2) The superintendent of public instruction shall provide a school district superintendent with written notice of the recommendation for designation as a required action district by certified mail or personal service. A school district superintendent may request reconsideration of the superintendent of public instruction's recommendation. The reconsideration shall be limited to a determination of whether the school district met the criteria for being recommended as a required action district. A request for reconsideration must be in writing and served on the superintendent of public instruction within ten days of service of the notice of the superintendent's recommendation.

   (3) The state board of education shall annually designate those districts recommended by the superintendent in subsection (1) of this section as required action districts. A district designated as a required action district shall be required to notify all parents of students attending a school identified as a persistently lowest-achieving school in the district of the state board of education's designation of the district as a required action district and the process for complying with the requirements set forth in RCW 28A.657.100.

Sec. 5. RCW 28A.657.050 and 2012 c 53 s 10 are each amended to read as follows:
   (1) (a) The local district superintendent and local school board of a school district designated as a required action district must submit a required action plan to the state board of education for approval.

   (b) The superintendent of public instruction shall provide a district with assistance in developing its plan if requested, and shall develop and publish guidelines for the development of required action plans. The superintendent of public instruction, in consultation with the state board of education, shall also publish a list of research and evidence-based school improvement models, consistent with turnaround principles, that are approved for use in required action plans.

   (c) The board shall conduct a public hearing to allow for comment on a proposed required action plan. The local school district shall submit the plan first to the office of the superintendent of
public instruction to review and approve that the plan is consistent with federal and state guidelines, as applicable. After the office of the superintendent of public instruction has approved that the plan is consistent with federal and state guidelines, the local school district must submit its required action plan to the state board of education for approval.

(2) A required action plan must include all of the following:

(a) Implementation of ((one of the four federal intervention models)) an approved school improvement model(s) required for the receipt of ((a federal school improvement grant or a grant from other federal or state funds for school improvement)) for those persistently lowest-achieving schools that the district will be focusing on for required action. ((However, a district may not establish a charter school under a federal intervention model without express legislative authority. The intervention models are the turnaround, restart, school closure, and transformation models).) The ((intervention model approved school improvement model selected must)) approved school improvement model selected must address the concerns raised in the academic performance audit and be intended to improve student performance to allow a school district to be removed from the list of districts designated as a required action district by the state board of education within three years of implementation of the plan. The required action plan for districts with multiple persistently lowest-achieving schools must include separate plans for each school as well as a plan for how the school district will support the schools collectively.

(b) Submission of an application for ((a federal school Improvement grant or a grant from other federal or state funds for school improvement to the district)) federal or state funds for school improvement to the superintendent of public instruction;

(c) A budget that provides for adequate resources to implement the ((federal)) model selected and any other requirements of the plan;

(d) A description of the changes in the district’s or school’s existing policies, structures, agreements, processes, and practices that are intended to attain significant achievement gains for all students enrolled in the school and how the district intends to address the findings of the academic performance audit; and

(e) Identification of the measures that the school district will use in assessing student achievement at a school identified as a persistently lowest-achieving school, which include closing the educational opportunity gap, improving mathematics and reading or English language arts student achievement, and improving graduation rates as defined by the office of the superintendent of public instruction that enable the school to no longer be identified as a persistently lowest-achieving school.

(3)(a) For any district designated for required action, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 10, 2010, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement a required action plan. For any district applying to participate in a collaborative schools for innovation and success pilot project under RCW 28A.630.104, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 7, 2012, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement an innovation and success plan.

(b) If the school district and the employee organizations are unable to agree on the terms of an addendum or modification to an existing collective bargaining agreement, the parties, including all labor organizations affected under the required action plan, shall request the public employment relations commission to, and the commission shall, appoint an employee of the commission to act as a mediator to assist in the resolution of a dispute between the school district and the employee organizations. Beginning in 2011, and each year thereafter, mediation shall commence no later than April 15th. All mediations held under this section shall include the employer and representatives of all affected bargaining units.

(c) If the executive director of the public employment relations commission, upon the recommendation of the assigned mediator, finds that the employer and any affected bargaining unit are unable to reach agreement following a reasonable period of negotiations and mediation, but by no later than May 15th of the year in which mediation occurred, the executive director shall certify any disputed issues for a decision by the superior court in the county where the school district is located. The issues for determination by the superior court must be limited to the issues certified by the executive director.

(d) The process for filing with the court in this subsection (3)(d) must be used in the case where the executive director certifies issues for a decision by the superior court.

(c) The school board must conduct a public hearing to allow for comment on a proposed required action plan. The local school district shall submit the plan first to the office of the superintendent of public instruction to review and approve that the plan is consistent with federal and state guidelines, as applicable. ((However, a district may not establish a charter school under a federal intervention model without express legislative authority. The intervention models are the turnaround, restart, school closure, and transformation models.)) The approved school improvement model selected must address the concerns raised in the academic performance audit and be intended to improve student performance to allow a school district to be removed from the list of districts designated as a required action district by the state board of education within three years of implementation of the plan. The required action plan for districts with multiple persistently lowest-achieving schools must include separate plans for each school as well as a plan for how the school district will support the schools collectively.

(c) If the executive director of the public employment relations commission, upon the recommendation of the assigned mediator, finds that the employer and any affected bargaining unit are unable to reach agreement following a reasonable period of negotiations and mediation, but by no later than May 15th of the year in which mediation occurred, the executive director shall certify any disputed issues for a decision by the superior court in the county where the school district is located. The issues for determination by the superior court must be limited to the issues certified by the executive director.

Contemporaneously with the filing of the proposal, a party must file a brief with the court setting forth the reasons why the court should order implementation of its proposal in the final plan.

(iii) Following receipt of the proposals and briefs of the parties, the court must schedule a date and time for a hearing on the petition. The hearing must be limited to argument of the parties or their counsel regarding the proposals submitted for the court's consideration. The parties may waive a hearing by written agreement.

(iv) The court must enter an order selecting the proposal for inclusion in a required action plan that best responds to the issues raised in the school district's academic performance audit, and allows for the award of ((a federal school improvement grant or a grant from other)) federal or state funds for school improvement to the district from the office of the superintendent of public instruction

((one of the four federal intervention)) an approved school improvement model((a)). The court's decision must be issued no later than June 15th of the year in which the petition is filed and is final and binding on the parties; however the court's decision is subject to appeal only in the case where it does not allow the school district to implement a required action plan consistent with the requirements for

(4) All contracts entered into between a school district and an employee must be consistent with this section and allow school districts designated as required action districts to implement ((one of the four federal)) an approved school improvement model((ii)) in a required action plan.

Sec. 7. RCW 28A.657.060 and 2010 c 235 s 106 are each amended to read as follows:

A required action plan developed by a district's school board and superintendent must be submitted to the state board of education for approval. The state board must accept for inclusion in any required action plan the final decision by the superior court on any issue certified by the executive director of the public employment relations commission under the process in RCW 28A.657.050. The state board of education shall approve a plan proposed by a school district only if the plan meets the requirements in RCW 28A.657.050 and provides sufficient remedies to address the findings in the academic performance audit to improve student achievement. Any addendum or modification to an existing collective bargaining agreement, negotiated under RCW 28A.657.050 or by agreement of the district and the exclusive bargaining unit, related to student achievement or school improvement shall not go into effect until approval of a required action plan by the state board of education. If the state board does not approve a proposed plan, it must notify the local school board and local district's superintendent in writing with an explicit rationale for why the plan was not approved. Nonapproval by the state board of education of the local school district's initial required action plan submitted is not intended to trigger any actions under RCW 28A.657.080. With the assistance of the office of the superintendent of public instruction, the superintendent and school board of the required action district shall either: ((a)) ((1))

Submit a new plan to the state board of education for approval within forty days of notification that its plan was rejected, or ((b))(2)) submit a request to the required action plan review panel established under RCW 28A.657.070 for reconsideration of the state board's rejection within ten days of the notification that the plan was rejected. If federal or state funds for school improvement are not available, the plan is not required to be implemented until such funding becomes available. If federal or state funds for this purpose are available, a required action plan must be implemented in the immediate school year following the district's designation as a required action district.

Sec. 8. RCW 28A.657.070 and 2010 c 235 s 107 are each amended to read as follows:

(1) A required action plan review panel shall be established to offer an objective, external review of a request from a school district for reconsideration of the state board of education's rejection of the district's required action plan or reconsideration of a level two required action plan developed by the superintendent of public instruction as provided under section 11 of this act. The review and reconsideration by the panel shall be based on whether the state board of education or the superintendent of public instruction gave appropriate consideration to the unique circumstances and characteristics identified in the academic performance audit or level two needs assessment and review of the local school district. ((The required action plan was rejected)).

(2)(a) The panel shall be composed of five individuals with expertise in school improvement, school and school district restructuring, or parent and community involvement in schools. Two of the panel members shall be appointed by the speaker of the house of representatives; two shall be appointed by the president of the senate; and one shall be appointed by the governor.

(b) The speaker of the house of representatives, president of the senate, and governor shall solicit recommendations for possible panel members from the Washington association of school administrators, the Washington state school directors' association, the association of Washington school principals, the ((achievement)) educational opportunity gap oversight and accountability committee, and associations representing certificated teachers, classified school employees, and parents.

(c) Members of the panel shall be appointed no later than December 1, 2010, but the superintendent of public instruction shall convene the panel only as needed to consider a school district's request for reconsideration. Appointments shall be for a four-year term, with opportunity for reappointment. Reappointments in the case of a vacancy shall be made expeditiously so that all requests are considered in a timely manner.

(3)(a) In the case of a rejection of a required action plan, the required action plan review panel may reaffirm the decision of the state board of education, recommend that the state board reconsider the rejection, or recommend changes to the required action plan that should be considered by the state board of education to secure approval of the plan. The state board of education shall consider the recommendations of the panel and issue a decision in writing to the local school district and the panel. If the school district must submit a new required action plan to the state board of education, the district must submit the plan within forty days of the board's decision.

(b) In the case of a level two required action plan where the local school district and the superintendent of public instruction have not come to agreement, the required action plan review panel may reaffirm the level two required action plan submitted by the superintendent of public instruction or recommend changes to the plan that should be considered by the state board of education, the superintendent of public instruction, and the local school district. The state board of education shall consider the recommendations of the panel and issue a decision in writing to the local school district and the panel.

(4) The state board of education and superintendent of public instruction must develop timelines and procedures for the deliberations under this section so that school districts can implement a required action plan within the time frame required under RCW 28A.657.060.

Sec. 9. RCW 28A.657.090 and 2010 c 235 s 109 are each amended to read as follows:

A school district must implement a required action plan upon approval by the state board of education. The office of ((the)) the superintendent of public instruction must provide the required action district with technical assistance and ((federal school improvement grant or other)) federal or state funds for school improvement, if available, to implement an approved plan. The district must submit a report to the superintendent of public instruction that provides the progress the district is making in meeting the student achievement goals based on the state's assessments, identifying strategies and assets used to solve audit findings, and establishing evidence of meeting plan implementation benchmarks as set forth in the required action plan.

Sec. 10. RCW 28A.657.100 and 2010 c 235 s 110 are each amended to read as follows:

(1) The superintendent of public instruction must provide a report twice per year to the state board of education regarding the progress made by all school districts designated as required action districts.

(2) The superintendent of public instruction must recommend to the state board of education that a school district be released from the designation as a required action district after the district implements a...
required action plan for a period of three years; has made progress, as defined by the superintendent of public instruction((in reading and mathematics on the state’s assessment over the past three consecutive years)) using the criteria established under RCW 28A.657.020 including progress in closing the educational opportunity gap; and no longer has a school within the district identified as persistently lowest-achieving. The state board shall release a school district from the designation as a required action district upon confirmation that the district has met the requirements for a release.

(3) If the state board of education determines that the required action district has not met the requirements for release((s)) after at least three years of implementing a required action plan, the board may recommend that the district remain((s)) in required action and ((reconsider((s)))) submit a new or revised plan under the process in RCW 28A.657.050, or the board may direct that the school district be assigned to level two of the required action process as provided in section 11 of this act. Before making a determination of whether to recommend that a school district that is not making progress remain in required action or be assigned to level two of the required action process, the state board of education must submit its findings to the education accountability system oversight committee under section 13 of this act and provide an opportunity for the oversight committee to review and comment.

NEW SECTION. Sec. 11. A new section is added to chapter 28A.657 RCW to read as follows:

(1) School districts assigned by the state board of education to level two of the required action process under this chapter are those with one or more schools that have remained as persistently lowest-achieving for more than three years and have not demonstrated recent and significant improvement or progress toward exiting persistently lowest-achieving status, despite implementation of a required action plan.

(2) Within ninety days following assignment of a school district to level two of the required action process, the superintendent of public instruction shall direct that a needs assessment and review be conducted to determine the reasons why the previous required action plan did not succeed in improving student achievement.

(3)(a) Based on the results of the needs assessment and review, the superintendent of public instruction shall work collaboratively with the school district board of directors to develop a revised required action plan for level two.

(b) The level two required action plan must explicitly address the reasons why the previous plan did not succeed and must specify the interventions that the school district must implement, which may include assignment or reassignment of personnel, reallocation of resources, use of specified curriculum or instructional strategies, use of a specified school improvement model, or any other conditions determined by the superintendent of public instruction to be necessary for the level two required action plan to succeed, which conditions shall be binding on the school district. The level two required action plan shall also include the specific technical assistance and support to be provided by the office of the superintendent of public instruction, which may include assignment of school improvement specialists to have a regular on-site presence in the school and technical assistance provided through the educational service district. Individuals assigned as on-site school improvement specialists must have demonstrated experience in school turnaround and cultural competence.

(c) The level two required action plan must be submitted to the state board of education for approval.

(4) If the superintendent of public instruction and the school district board of directors are unable to come to an agreement on a level two required action plan within ninety days of the completion of the needs assessment and review conducted under subsection (2) of this section, the superintendent of public instruction shall complete and submit a level two required action plan directly to the state board of education for approval. The school district board of directors may submit a request to the required action plan review panel established under RCW 28A.657.070 for reconsideration of the superintendent's level two required action plan within ten days of the submission of the plan to the state board of education. After the state board of education considers the recommendations of the required action plan review panel, the decision of the board regarding the level two required action plan is final and not subject to further reconsideration.

(5) If changes to a collective bargaining agreement are necessary to implement a level two required action plan, the parties must reopen the agreement, or negotiate an addendum, using the process outlined under RCW 28A.657.050. If the level two required action plan is developed by the superintendent of public instruction under subsection (4) of this section, a designee of the superintendent shall participate in the discussions among the parties to the collective bargaining agreement.

(6) While a school district is assigned to level two of the required action process under this chapter, the superintendent of public instruction is responsible and accountable for assuring that the level two required action plan is implemented with fidelity. The superintendent of public instruction shall defer to the school district board of directors as the governing authority of the school district and continue to work in partnership with the school district to implement the level two required action plan. However, if the superintendent of public instruction finds that the level two required action plan is not being implemented as specified, including the implementation of any binding conditions within the plan, the superintendent may direct actions that must be taken by school district personnel to implement the level two required action plan or the binding conditions. If necessary, the superintendent of public instruction may exercise authority under RCW 28A.505.120 regarding allocation of funds.

(7) The superintendent of public instruction shall include in the budget estimates and information submitted to the governor under RCW 28A.300.170 a request for sufficient funds to support implementation of the level two required action plans established under this section.

(8) The superintendent of public instruction must recommend to the state board of education that a school district be released from assignment to level two of the required action process after the district implements the level two required action plan for a period of three years; has made progress, as defined by the superintendent of public instruction using the criteria established under RCW 28A.657.020; and no longer has a school within the district identified as persistently lowest-achieving. The state board of education shall release a school district from the level two assignment upon confirmation that the school district has met the requirements for a release.

Sec. 12. RCW 28A.657.110 and 2010 c 235 s 111 are each amended to read as follows:

(1) By November 1, 2013, the state board of education shall (continue to refine the development of) propose rules for adoption establishing an accountability framework that creates a unified system of support for challenged schools((s)) that aligns with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions. The board must seek input from the public and interested groups in developing the framework. Based on the framework, the superintendent of public instruction shall design a comprehensive system of specific strategies for recognition, provision of differentiated support and targeted assistance, and, if necessary, requiring intervention in schools and school districts. The superintendent shall submit the system design to the state board of education for review. The state board of education shall recommend approval or modification of the system design to the superintendent no later than January 1, 2014, and the system must be implemented statewide no later than the 2014-15 school year. To the extent state funds are appropriated for this purpose, the system must apply equally to Title I, Title I-eligible, and non-Title I schools in the state.
(2) The state board of education shall develop a Washington achievement index to identify schools and school districts for recognition, for continuous improvement, and for additional state support. The index shall be based on criteria that are fair, consistent, and transparent. Performance shall be measured using multiple outcomes and indicators including, but not limited to, graduation rates and results from statewide assessments. The index shall be developed in such a way as to be easily understood by both employees within the schools and school districts, as well as parents and community members. The index must identify five categories of schools and school districts, which must be labeled as follows based on relative performance on the criteria used in the index: Exemplary, very good, good, fair, and struggling. It is the legislature's intent that the index provide feedback to schools and school districts to self-assess their progress and enable the identification of schools with exemplary performance and those that need assistance to overcome challenges in order to achieve exemplary performance.

(3) The state board of education, in cooperation with the office of the superintendent of public instruction, shall annually recognize schools for exemplary performance as measured on the Washington achievement index. The state board of education shall have ongoing collaboration with the educational opportunity gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and the recognition provided to the school districts for closing the achievement gaps.

(4) In coordination with the superintendent of public instruction, the state board of education shall seek approval from the United States department of education for use of the Washington achievement index and the state system of differentiated support, assistance, and intervention to replace the federal accountability system under P.L. 107-110, the no child left behind act of 2001.

(5) The state board of education shall work with the education data center established within the office of financial management and the technical working group established in RCW 28A.290.020 to determine the feasibility of using the prototypical funding allocation model as not only a tool for allocating resources to schools and school districts but also as a tool for schools and school districts to report to the state legislature and the state board of education on how the state resources received are being used.

NEW SECTION. Sec. 13. A new section is added to chapter 28A.657 RCW to read as follows:

(c) Two members appointed by the governor; and

(d) One nonlegislative member of the educational opportunity gap oversight and accountability committee.

(3) The oversight committee shall choose a chair from among its membership who shall serve as chair for no more than one consecutive year.

(4) The committee shall:

(6) Legislative members of the oversight committee may be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 14. RCW 28A.657.125 (Joint select committee on education accountability--Reports) and 2010 c 235 s 114 are each repealed.

prisoners. The British continued to use prison hulks and the

American POW's were treated humanely until their repatriation

following the Treaty of Ghent in 1814; and

WHEREAS, During the Mexican-American War, the Mexican

forces released some American prisoners in 'head for head'
exchanges that occasionally took place during the war, but most

American prisoners of war remained incarcerated until the ratification

of the Treaty of Guadalupe Hidalgo; and

WHEREAS, During the Civil War, both Union and Confederate

forces were unprepared to detain the enormous number of POW's.

211,400 Union prisoners were held in the South and 220,000

Confederate prisoners were held in the North. Starting in 1865, the

federal government began returning large numbers of prisoners to the

Confederacy. After the surrender at Appomattox, the Union prisons

were closed quickly; and

WHEREAS, The United States entered World War I in April

1917. Of the 4,120 American POW's during World War I, 147 died

in captivity with most deaths resulting from wounds received in

combat. Prisoner exchanges followed the signing of the armistice; and

WHEREAS, During World War II, 260,000 American POW's

were held by Germans in Europe. Over 1,121 American POW's died

in European prison camps. In the Far East, the Japanese held 124,079

listed as MIA or unaccounted for in Vietnam and an additional 600

were MIA in neighboring Laos and Cambodia. To date, Vietnam has

not accounted for all American POW's; and

WHEREAS, During the Cold War, there was a sustained state of

political and military tension between Western and Eastern powers

and, as of 2000, there were 126 United States servicemen still

unaccounted for. The United States Senate Select Committee on

POW/MIA Affairs found evidence that some United States POW's

were held in the former Soviet Union after the Cold War incident and

that it "cannot, based on its investigation to date, rule out the

possibility that one or more U.S. POWs from past wars or incidents

are still being held somewhere within the borders of the former Soviet

Union";

NOW, THEREFORE, Your Memorialists respectfully pray that

the Washington State Transportation Commission commence

The penal sum of the bond must be a minimum of thirty thousand dollars and a maximum of two hundred fifty thousand dollars based on the annual dollar amount of loans originated. The bond must run to the state of Washington as obligee for the use and benefit of the state and of any person or persons who may have a cause of action against the obligor under this chapter. The bond must be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all the rules adopted under this chapter. The bond will pay to the state and any person or persons having a cause of action against the obligor all moneys that may become due and owing to the state and those persons under and by virtue of this chapter.

NEW SECTION. Sec. 5. APPLICATION FOR LICENSE--FINANCIAL RESPONSIBILITY--DIRECTOR'S INVESTIGATION. (1) The director shall conduct an investigation of every applicant to determine the financial responsibility, experience, character, and general fitness of the applicant. The director shall issue a license to engage in the business of making small consumer installment loans, if the director determines that:
(a) The applicant has satisfied the licensing requirements of this chapter;
(b) The applicant is financially responsible and appears to be able to conduct the business of making small consumer installment loans in an honest, fair, and efficient manner with the confidence and trust of the community and in accordance with this chapter; and
(c) The applicant has the required bond.
(2) The director may refuse to issue a license if he or she finds that the applicant, or any person who is a director, officer, partner, agent, sole proprietor, owner, or controlling person of the applicant, has been convicted of a felony in any jurisdiction within seven years of filing the present application or is associating or consorting with any person who has been convicted of a felony in any jurisdiction within seven years of filing the present application.

(4) A license issued in accordance with this chapter remains in force and effect until surrendered, suspended, or revoked, or until the license expires as a result of nonpayment of the annual assessment fee.

NEW SECTION. Sec. 6. MULTISTATE LICENSING SYSTEM--DIRECTOR'S DISCRETION. Applicants may be required to make application through a multistate licensing system as prescribed by the director. Existing licensees may be required to transition onto a multistate licensing system as prescribed by the director.

NEW SECTION. Sec. 7. TERMS OF LOANS. A small consumer installment loan must include the following terms:

(2) A maximum loaned amount of one thousand five hundred dollars;
(3) The loaned amount is fully repayable in substantially equal and consecutive installments according to a payment schedule agreed to by the parties with not less than fourteen days and not more than thirty-five days between each scheduled payment;

NEW SECTION. Sec. 8. LIMITATIONS ON INTEREST AND CHARGES. Notwithstanding any other provision of law, a licensee:
(1) May charge, contract for, and receive interest of no more than thirty-six percent per annum on the outstanding unpaid principal balance of the loaned amount, exclusive of fees, penalties, or charges authorized by this chapter;
(2) May charge a loan origination fee not to exceed fifteen percent of the loaned amount. The fee is earned at the time the loan is made and up to one-half of which is subject to a pro rata refund. If the loan is paid in full prior to the final payment date, the borrower is entitled to a refund equal to fifty percent of the loan origination fee multiplied by a fraction whose numerator is the number of days between the date on which the loan is paid in full and the final payment date, and whose denominator is the number of days in the original loan term. Notwithstanding this subsection, a licensee must provide a full refund of all charges after rescission as provided in section 12 of this act;
(3) May charge a monthly maintenance fee not to exceed seven dollars and fifty cents per one hundred dollars of the loaned amount on the thirtieth day after the day when the loan is originated. The fee may be charged after every subsequent thirty-day period when there is an outstanding balance. The fee may not exceed a maximum of ninety dollars in any month;

(8) Is prohibited from requiring a borrower to purchase add-on products such as credit insurance; and
(9) Is prohibited from charging any other interest, fees, penalties, or charges, except those provided in subsections (1) through (3), (5), and (6) of this section.

NEW SECTION. Sec. 9. LOAN AGREEMENT--REQUIRED CONTENTS. A licensee making a small consumer installment loan must document the transaction by use of a record authenticated by the licensee and the borrower. This record must set forth the terms and conditions of the loan, including, but not limited to:
(1) The name and address of the borrower and the licensee;
(2) The transaction date;
(3) The loaned amount;
(4) A statement of the total amount of finance charges charged, expressed both as a dollar amount and an annual percentage rate, calculated in accordance with the truth in lending act;
(5) The installment payment schedule;
(6) The right to rescind the loan on or before the close of business on the next day of business at the location where the loan was originated;
(7) A notice to the borrower that delinquency on one scheduled payment may result in a penalty of not more than twenty-five dollars per delinquent loan and/or acceleration of the loan;

(8) A notice to the borrower that early repayment of a small consumer installment loan will result in a refund as provided in section 8(2) of this act;

(9) The notice regarding the repayment plan required by section 16 of this act;

(10) A description of the manner and methods by which loan payments may be made, which include cash, check, automatic clearing house transactions, debit authorization, or additional method of loan payment authorized by the director after rule making; and

(11) A notice to the borrower in at least twelve-point type that states:

A SMALL CONSUMER INSTALLMENT LOAN IS NOT INTENDED TO MEET LONG-TERM FINANCIAL NEEDS.

A SMALL CONSUMER INSTALLMENT LOAN SHOULD BE USED ONLY TO MEET SHORT-TERM CASH NEEDS.

WHILE YOU ARE NOT REQUIRED TO REPAY THIS LOAN BEFORE ITS DUE DATE, IT IS IN YOUR BEST INTEREST TO DO SO. THE SOONER YOU REPAY THE LOAN, THE LESS IN INTEREST, FEES, AND OTHER CHARGES YOU WILL PAY.

No licensee may condition an extension of credit under a small consumer installment loan on the borrower's repayment by preauthorized electronic fund transfers. Payment options including, but not limited to, automatic clearing house transactions and other electronic fund transfers may be offered to borrowers as a choice with the method or methods of payment chosen by the borrower.

NEW SECTION. Sec. 10. NOTICE OF FEES AND CHARGES—RECEIPT. (1) A schedule of the fees, penalties, and charges for taking out a small consumer installment loan must be conspicuously and continuously posted in every location licensed under this chapter.

(2) The licensee shall provide to its customer a receipt for each transaction. The receipt must include the name of the licensee, the type and amount of the transaction, and the fees and charges charged for the transaction.

NEW SECTION. Sec. 11. DISBURSEMENT OF PROCEEDS. A licensee may disburse the proceeds of a small consumer installment loan in the form of a check drawn on the licensee's bank account, in cash, by money order, by prepaid card, by electronic funds transfer, or by other method authorized by the director after rule making.

NEW SECTION. Sec. 12. RESCISSION. A borrower may rescind a small consumer installment loan, on or before the close of business on the next day of business at the location where the loan was originated, by returning the principal in cash, the original check disbursed by the licensee, or the other disbursement of loan proceeds from the licensee to fund the loan. The licensee may not charge the borrower for rescinding the loan and must refund any loan fees and interest received. The licensee shall conspicuously disclose to the borrower the right of rescission in writing in the loan agreement.

NEW SECTION. Sec. 13. DELINQUENT SMALL CONSUMER INSTALLMENT LOAN—RESTRICTIONS ON COLLECTION BY LICENSEE OR THIRD PARTY. (1) A licensee shall comply with all applicable state and federal laws when collecting a delinquent small consumer installment loan. A licensee may take civil action to collect principal, interest, fees, penalties, charges, and costs allowed under this chapter. A licensee may not threaten criminal prosecution as a method of collecting a delinquent small consumer installment loan or threaten to take any legal action against the borrower which the licensee may not legally take.

(2) Unless invited by the borrower, a licensee may not visit a borrower's residence or place of employment for the purpose of collecting a delinquent small consumer installment loan. A licensee may not impersonate a law enforcement official, or make any statements which might be construed as indicating an official connection with any federal, state, county, or city law enforcement agency, or any other governmental agency, while engaged in collecting a small consumer installment loan.

(3) A licensee may not communicate with a borrower in such a manner as to harass, intimidate, abuse, or embarrass a borrower, including but not limited to communication at an unreasonable hour, with unreasonable frequency, by threats of force or violence, or by use of offensive language. A communication is presumed to have been made for the purposes of harassment if it is initiated by the licensee for the purposes of collection and:

(a) It is made with a borrower, spouse, or domestic partner in any form, manner, or place, more than three times in a single week;

(b) It is made with a borrower at his or her place of employment more than one time in a single week or made to a borrower after the licensee has been informed that the borrower's employer prohibits these communications;

(c) It is made with the borrower, spouse, or domestic partner at his or her place of residence between the hours of 9:00 p.m. and 7:30 a.m.; or

(d) It is made to a party other than the borrower, the borrower's attorney, the licensee's attorney, or a consumer reporting agency if otherwise permitted by law except for purposes of acquiring location or contact information about the borrower.

(4) A licensee is required to maintain a communication log of all telephone and written communications with a borrower initiated by the licensee regarding any collection efforts including date, time, and the nature of each communication.

(5) If a dishonored check is assigned to any third party for collection, this section applies to the third party for the collection of the dishonored check.

(6) For the purposes of this section, "communication" includes any contact with a borrower, initiated by the licensee, in person, by telephone, or in writing (including e-mails, text messages, and other electronic writing) regarding the collection of a delinquent small consumer installment loan, but does not include any of the following:

(a) Communication while a borrower is physically present in the licensee's place of business;

(b) An unanswered telephone call in which no message (other than a caller ID) is left, unless the telephone call violates subsection (3)(c) of this section; and

(c) An initial letter to the borrower that includes disclosures intended to comply with the federal fair debt collection practices act.

(7) For the purposes of this section, "week" means a series of seven consecutive days beginning on a Sunday.

NEW SECTION. Sec. 14. LOAN FREQUENCY LIMITATIONS. (1) No licensee may extend to or have open with a borrower more than one small consumer installment loan at any time unless:

(a) The total of all scheduled payments to be made in any month under all of the small consumer installment loans made by any licensee to a borrower does not exceed fifteen percent of the borrower's gross monthly income; and

(b) The unpaid principal balance of any and all small consumer installment loans to a borrower does not exceed one thousand five hundred dollars.
A borrower is prohibited from receiving more than twelve small consumer installment loans from all licensees in any twelve-month period. A licensee is prohibited from making a small consumer installment loan to a borrower if making that small consumer installment loan would result in a borrower receiving more than twelve small consumer installment loans from all licensees in any twelve-month period.

(3) A licensee is prohibited from extending a small consumer installment loan to a borrower who:
   (a) Has an outstanding small consumer installment loan with another licensee; or
   (b) Is in a repayment plan for a small consumer installment loan with another licensee.

(4) A licensee is prohibited from extending a small consumer installment loan at any time to a borrower who:
   (a) Has a small loan made by a licensee under chapter 31.45 RCW; or
   (b) Is in an installment plan under RCW 31.45.088.

(5) The director has broad rule-making authority to adopt and implement a database system to carry out subsections (1) through (4) of this section. This includes, but is not limited to, taking the steps necessary to contract a database vendor, and set licensee fees to operate and administer the database system.

(6) The information in the database described in this section is exempt from public disclosure under chapter 42.56 RCW.

NEW SECTION. Sec. 15. MILITARY BORROWERS. (1) A licensee is prohibited from extending a small consumer installment loan to any military borrower. In determining if a borrower is a military borrower and is ineligible to obtain a small consumer installment loan, a licensee may rely upon a statement provided by a borrower on a form prescribed by rule by the director. The form must apply standards to all military borrowers that are similar to the covered borrower identification standards of 32 C.F.R. Sec. 232.5(a)(1).

(2) The director must adopt rules to implement this section.

NEW SECTION. Sec. 16. REPAYMENT PLAN. (1) Before a licensee may bring a civil action to collect the outstanding balance on a small consumer installment loan in default, the licensee must offer that borrower an opportunity to enter into a repayment plan.

(2) A licensee is required to make the repayment plan offer available for a period of at least thirty days after the date of the original offer to the borrower. The licensee is not required to make such an offer more than once for each loan.

(3) The repayment plan offer must:
   (a) Be in writing;
   (b) Be sent to the borrower's last known address;
   (c) State the date by which the borrower must act to enter into a repayment plan;
   (d) Explain the procedures the borrower must follow to enter into a repayment plan;
   (e) If a licensee requires the borrower to make an initial payment to enter into a repayment plan as allowed in subsection (4) of this section, explain the requirement and state the amount of the initial payment and the date the initial payment must be made;
   (f) State that the borrower has the opportunity to enter into a repayment plan with a term of at least ninety days after the date the repayment plan is entered into; and
   (g) State the following amounts:
      (i) The total of payments or the remaining balance on the original loan;
      (ii) Any payments made on the loan;
      (iii) Any charges added to the loan amount allowed under this chapter; and
      (iv) The total amount due if the borrower enters into a repayment plan.

(4) Under the terms of any repayment plan:
   (a) The borrower must enter into the repayment plan not later than thirty days after the date of the repayment plan offer, unless the licensee allows a longer period;
   (b) The period for the repayment plan must be at least ninety days after the date the repayment plan is entered into, unless the borrower agrees to a shorter term; and
   (c) The licensee may require the borrower to make an initial payment of not more than twenty percent of the total amount due under the terms of the repayment plan.

(5)(a) If a licensee and borrower enter into a repayment plan, the licensee must honor the terms of the repayment plan;
   (b) In a repayment plan, a licensee may recover the amount the borrower was required to pay the licensee under the contract prior to the default;
   (c) A licensee may charge the initial payment portion of the borrower's existing debt allowed under subsection (4) of this section;
   (d) A licensee is prohibited from charging any fee, penalty, or interest in connection with a payment plan unless that fee, penalty, or interest was incurred prior to the time of the default. For the purposes of this section, a delinquency fee allowed under section 8(5)(a) of this act is incurred prior to the time of the default, and a licensee may charge and collect a fee as allowed under section 8(5)(a) of this act;
   (e) A licensee is prohibited from accepting any security or collateral from the borrower to enter into the repayment plan;
   (f) A licensee is prohibited from selling to the borrower any insurance or require the borrower to purchase insurance or any other goods or services to enter into the repayment plan; and
   (g) A licensee is prohibited from attempting to collect an amount that is greater than the amount owed under the terms of the repayment plan.

(6) If the licensee and borrower enter into a repayment plan, the agreement must be in writing. The written agreement must contain all of the terms of the repayment plan, including the total amount due under the terms of the repayment plan. The written repayment agreement must be signed by the licensee and borrower. The licensee must give the borrower a copy of the signed written repayment agreement.

(7) If a borrower defaults on a repayment plan, the licensee may bring a civil action and pursue any other remedy authorized by law to collect the outstanding balance owed by the borrower.

NEW SECTION. Sec. 17. RESTRICTION ON TRANSFER. No licensee may pledge, negotiate, sell, or assign a small consumer installment loan, except to another licensee or to a bank, savings bank, trust company, savings and loan or building and loan association, or credit union organized under the laws of Washington or the laws of the United States.

NEW SECTION. Sec. 18. PROHIBITED ACTS. (1) It is a violation of this chapter for a licensee, its officers, directors, employees, or independent contractors, or any other person subject to this chapter to:
   (a) Fail to make disclosures to loan applicants as required by any applicable federal law;
   (b) Directly or indirectly employ any scheme, device, or artifice to defraud or mislead any borrower, to defraud or mislead any lender, or to defraud or mislead any person;
   (c) Directly or indirectly engage in any unfair or deceptive practice toward any person;
   (d) Directly or indirectly obtain property by fraud or misrepresentation;
   (e) Make a small consumer installment loan to any person physically located in Washington through the use of the internet, facsimile, telephone, kiosk, or other means without first obtaining a license;
   (f) Make, in any manner, any false or deceptive statement or representation with regard to the rates, points, or other financing terms
or conditions for a small consumer installment loan or engage in bait
and switch advertising;

(g) Negligently make any false statement or knowingly and
willfully make any omission of material fact in connection with any
reports filed with the department of financial institutions by a licensee
or in connection with any investigation conducted by the department
of financial institutions;

(h) Advertise any rate of interest without conspicuously
disclosing the annual percentage rate implied by that rate of interest or
otherwise fail to comply with any requirement of the truth in lending
act, or any other applicable state or federal statutes or regulations;

(i) Make small consumer installment loans from any unlicensed
location;

(j) Fail to comply with all applicable state and federal statutes
relating to the activities governed by this chapter; or

(k) Fail to pay any other fee, assessment, or moneys due the
department of financial institutions.

(2) In addition to any other penalties, any transaction in violation
of subsection (1) of this section is uncollectible and unenforceable.

NEW SECTION. Sec. 20. INVESTIGATION AND
EXAMINATION FEES AND ANNUAL ASSESSMENT FEE
REQUIRED--AMOUNTS DETERMINED BY RULE--FAILURE
TO PAY--NOTICE REQUIREMENTS OF LICENSEE. (1) Each
applicant and licensee shall pay to the director an investigation and
examination fee as established in rule and an annual assessment fee
for the coming year in an amount determined by rule as necessary to
cover the operation of the program. The annual assessment fee is due
upon the annual assessment fee due date as established in rule.
Nonpayment of the annual assessment fee may result in expiration of
the license as provided in subsection (2) of this section. In
establishing the fees, the director shall consider at least the volume of
business, level of risk, and potential harm to the public related to each
activity. The fees collected shall be deposited to the credit of the
financial services regulation fund in accordance with RCW
43.320.110.

(2) If a licensee does not pay its annual assessment fee by the
annual assessment fee due date as specified in rule, the director or
the director's designee shall send the licensee a notice of expiration and
assess the licensee a late fee not to exceed fifteen percent of the
annual assessment fee as established in rule by the director. The
licensee's payment of both the annual assessment fee and the late fee
must arrive in the department of financial institutions' offices by 5:00
p.m. on the tenth day after the annual assessment fee due date, unless
the department of financial institutions is not open for business on that
date, in which case the licensee's payment of both the annual
assessment fee and the late fee must arrive in the department of
financial institutions' offices by 5:00 p.m. on the next occurring day
that the department of financial institutions is open for business. If
the payment of both the annual assessment fee and the late fee does
not arrive prior to such time and date, then the expiration of the
licensee's license is effective at 5:00 p.m. on the thirtieth day after the
assessment fee due date. The director or the director's designee may
reinstatement the license if, within fifteen days after the effective date of
expiration, the licensee pays the annual assessment fee and the late
fee.

(3) If a licensee intends to do business at a new location, to close
an existing place of business, or to relocate an existing place of
business, the licensee shall provide written notification of that
intention to the director no less than thirty days before the proposed
establishing, closing, or moving of a place of business.

NEW SECTION. Sec. 21. LICENSEE--RECORDKEEPING.
Each licensee shall keep and maintain the business books, accounts,
and records the director may require to fulfill the purposes of this
chapter. Every licensee shall preserve the books, accounts, and
records as required by rule by the director for at least two years from
the completion of the transaction. Records may be maintained on an
electronic, magnetic, optical, or other storage media. However, the
licensee must maintain the necessary technology to permit access to
the records by the department of financial institutions for the period
required under this chapter.

NEW SECTION. Sec. 22. EXAMINATION OR
INVESTIGATION--DIRECTOR'S AUTHORITY--COSTS. The
director or the director's designee may at any time examine and
investigate the business and examine the books, accounts, records,
and files, or other information, wherever located, of any licensee or
person who the director has reason to believe is engaging in the
business governed by this chapter. For these purposes, the director or
the director's designee may require the production of original books,
accounts, records, files, or other information, or may make copies of
such original books, accounts, records, files, or other information.
The director or the director's designee may issue a subpoena or
subpoena duces tecum requiring attendance and testimony, or the
production of the books, accounts, records, files, or other information.
The director shall collect from the licensee the actual cost of the
examination and investigation.

NEW SECTION. Sec. 23. SUBPOENA AUTHORITY--
APPLICATION--CONTENTS--NOTICE--FEES. (1) The director
or authorized assistants may apply for and obtain a superior court order
approving and authorizing a subpoena in advance of its issuance. The
application may be made in the county where the subpoenaed person
resides or is found, or the county where the subpoenaed documents,
records, or evidence are located, or in Thurston county. The
application must:

(a) State that an order is sought under this section;
(b) Adequately specify the documents, records, evidence, or
   testimony; and
(c) Include a declaration made under oath that an investigation is
   being conducted for a lawfully authorized purpose related to an
   investigation within the director's authority and that the subpoenaed
   documents, records, evidence, or testimony are reasonably related to
   an investigation within the director's authority.

(2) When an application under this section is made to the
satisfaction of the court, the court must issue an order approving the
subpoena. An order under this subsection constitutes authority of law
for the director to subpoena the documents, records, evidence, or
testimony.

(3) The director or authorized assistants may seek approval and a
court may issue an order under this section without prior notice to any
person, including the person to whom the subpoena is directed and
the person who is the subject of an investigation. An application for
court approval is subject to the fee and process set forth in RCW
36.18.012(3).

NEW SECTION. Sec. 24. REPORT REQUIREMENTS--
DISCLOSURE OF INFORMATION--RULES. (1) Each licensee
shall submit to the director, in a form approved by the director, a
report containing financial statements covering the calendar year or, if
the licensee has an established fiscal year, then for that fiscal year,
within one hundred five days after the close of each calendar or fiscal
year. The licensee shall also file additional relevant information as
the director may require. Any information provided by a licensee in
an annual report is exempt from disclosure under chapter 42.56 RCW,
unless aggregated with information supplied by other licensees in a
manner that the licensee's individual information is not identifiable.
Any information provided by the licensee that allows identification of the licensee may only be used by the director for purposes reasonably related to the regulation of licensees to ensure compliance with this chapter.

(2) The director shall adopt rules specifying the form and content of annual reports and may require additional reporting as is necessary for the director to ensure compliance with this chapter.

(3) A licensee whose license has been suspended or revoked shall submit to the director, at the licensee's expense, within one hundred five days after the effective date of the suspension or revocation, a closing audit report containing audited financial statements as of the effective date for the twelve months ending with the effective date.

(4) The director is authorized to enter into agreements or sharing arrangements regarding licensee reports, examination, or investigation with other governmental agencies, the conference of state bank supervisors, the American association of residential mortgage regulators, the national association of consumer credit administrators, or other associations representing governmental agencies as established by rule, regulation, or order of the director.

NEW SECTION. Sec. 25. DIRECTOR—BROAD ADMINISTRATIVE DISCRETION—RULE MAKING—ACTIONS IN SUPERIOR COURT. The director has the power, and broad administrative discretion, to administer, liberally construe, and interpret this chapter to facilitate the delivery of financial services to the citizens of this state by licensees subject to this chapter, and to effectuate the legislature's goal to protect borrowers. The director shall adopt all rules necessary to administer this chapter, to establish and set fees authorized by this chapter, and to ensure complete and full disclosure by licensees of lending transactions governed by this chapter.

NEW SECTION. Sec. 26. VIOLATIONS OR UNSOUND FINANCIAL PRACTICES—STATEMENT OF CHARGES—HEARING—SANCTIONS—DIRECTOR'S AUTHORITY. (1) The director may issue and serve upon a licensee or applicant, or any director, officer, sole proprietor, partner, or controlling person of a licensee or applicant, a statement of charges if, in the opinion of the director, any licensee or applicant, or any director, officer, sole proprietor, partner, or controlling person of a licensee or applicant:

(f) Fails to pay a fee or assessment required by the director or any multistate licensing system prescribed by the director, or fails to maintain the required bond;

(g) Commits a crime against the laws of any jurisdiction involving moral turpitude, financial misconduct, or dishonest dealings. For the purposes of this section, a certified copy of the final holding of any court, tribunal, agency, or administrative body of competent jurisdiction is conclusive evidence in any hearing under this chapter;

(h) Knowingly commits or is a party to any material fraud, misrepresentation, concealment, conspiracy, collusion, trick, scheme, or device whereby any other person relying upon the word, representation, or conduct acts to his or her injury or damage;

(i) Wrongly converts any money or its equivalent of any other person to his or her own use or to the use of his or her principal;

(j) Fails to disclose to the director any material information within his or her knowledge or fails to produce any document, book, or record in his or her possession for inspection by the director upon lawful demand;

(k) Commits any act of fraudulent or dishonest dealing. For the purposes of this section, a certified copy of the final holding of any court, tribunal, agency, or administrative body of competent jurisdiction is conclusive evidence in any hearing under this chapter;

(l) Commits an act or engages in conduct that demonstrates incompetence or untrustworthiness, or is a source of injury and loss to the public; or

(m) Violates any applicable state or federal law relating to the activities governed by this chapter.

(2) The director may issue and serve upon a licensee or applicant, or any director, officer, sole proprietor, partner, or controlling person of the licensee or applicant, a statement of charges if the director has reasonable cause to believe that the licensee or applicant is about to do acts prohibited in subsection (1) of this section.

(3) The statement of charges must be issued under chapter 34.05 RCW. The director or the director's designee may impose the following sanctions against any licensee or applicant, or any directors, officers, sole proprietors, partners, controlling persons, or employees of a licensee or applicant:

(e) Remove from office or ban from participation in the affairs of any licensee any director, officer, sole proprietor, partner, controlling person, or employee of a licensee.

(4) The proceedings to impose the sanctions described in subsection (3) of this section, including any hearing or appeal of the statement of charges, are governed by chapter 34.05 RCW.

(5) Unless the licensee or person personally appears at the hearing or is represented by a duly authorized representative, the licensee is deemed to have consented to the statement of charges and the sanctions imposed in the statement of charges.

(6) Except to the extent prohibited by another statute, the director may engage in informal settlement of complaints or enforcement actions including, but not limited to, payment to the department of financial institutions for purposes of financial literacy and education programs authorized under RCW 43.320.150.

NEW SECTION. Sec. 27. VIOLATIONS OR UNSOUND PRACTICES—TEMPORARY CEASE AND DESIST ORDER—DIRECTOR’S AUTHORITY. Whenever the director determines that the acts specified in section 26 of this act or their continuation is likely to cause insolvency or substantial injury to the public, the director may also issue a temporary cease and desist order requiring the licensee to cease and desist from the violation or practice. The order becomes effective upon service upon the licensee and remains effective unless set aside, limited, or suspended by a court under section 28 of this act pending the completion of the administrative proceedings under the notice and until the time the director dismisses the charges specified in the notice or until the effective date of a superior court injunction under section 28 of this act.

NEW SECTION. Sec. 28. TEMPORARY CEASE AND DESIST ORDER—LICENSEE’S APPLICATION FOR INJUNCTION. Within ten days after a licensee has been served with
a temporary cease and desist order, the licensee may apply to the superior court in the county of its principal place of business for an injunction setting aside, limiting, or suspending the order pending the completion of the administrative proceedings pursuant to the notice served under section 27 of this act. The superior court has jurisdiction to issue the injunction.

NEW SECTION. Sec. 29. VIOLATION OF TEMPORARY CEASE AND DESIST ORDER--DIRECTOR'S APPLICATION FOR INJUNCTION. In the case of a violation or threatened violation of a temporary cease and desist order issued under section 27 of this act, the director may apply to the superior court of the county of the principal place of business of the licensee for an injunction.

NEW SECTION. Sec. 30. APPOINTMENT OF RECEIVER. The director may petition the superior court for the appointment of a receiver to liquidate the affairs of the licensee.

NEW SECTION. Sec. 31. VIOLATION--CONSUMER PROTECTION ACT--REMEDIES. The legislature finds and declares that any violation of this chapter substantially affects the public interest and is an unfair and deceptive act or practice and an unfair method of competition in the conduct of trade or commerce as set forth in RCW 19.86.020. Remedies available under chapter 19.86 RCW do not affect any other remedy the injured party may have.

NEW SECTION. Sec. 32. ADJUSTMENT OF DOLLAR AMOUNTS. The dollar amounts established in section 7(2) and 14(1)(b) of this act must, without discretion, be adjusted for inflation by the director on July 1, 2014, and on each July 1st thereafter, based upon changes in the consumer price index during that time period, and then rounded up to the nearest five dollars. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The director must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

NEW SECTION. Sec. 33. REPORT TO LEGISLATURE. The director must collect and submit the following information to the legislature by December 1, 2015, for data collected during 2014:

1. The number of branches and total locations;
2. The number of loans made during 2014;
3. Loan volume;
4. Average loan amount;
5. Total fees charged, in total and by category of fee or other charge;
6. Average payment per month, in total and by category of fee or other charge;
7. Average income of borrower;
8. The number of borrowers who are in the military;

10. The number of unique customers;
11. Average length of loan repayment;
12. The number of borrowers taking out the maximum loan amount;
13. The number of borrowers who went into default;
14. Average length of time a borrower has a loan before a borrower goes into default;
15. Any legislative recommendations by the director; and
16. Any other information that the director believes is relevant or useful.

NEW SECTION. Sec. 34. For each small consumer installment loan that is made, a licensee must remit one dollar to the department of financial institutions for the purpose of financial literacy and education programs authorized under RCW 43.320.150. The director shall adopt rules to implement this section.

NEW SECTION. Sec. 35. SHORT TITLE. This act may be known and cited as the small consumer installment loan act.

NEW SECTION. Sec. 36. If any portion of this act is vetoed by the governor, this entire act is null and void.

Sec. 2. RCW 50.20.070 and 2007 c 146 s 7 are each amended to read as follows:

(1) With respect to determinations delivered or mailed before January 1, 2008, an individual is disqualified for benefits for any week he or she has knowingly made a false statement or representation involving a material fact or knowingly failed to report a material fact and, as a result, has obtained or attempted to obtain any benefits under the provisions of this title, and for an additional twenty-six weeks beginning with the first week for which he or she completes an otherwise compensable claim for waiting period credit or benefits following the date of the delivery or mailing of the determination of disqualification under this section. However, such disqualification shall not be applied after two years have elapsed from the date of the delivery or mailing of the determination of disqualification under this section.

(2) With respect to determinations delivered or mailed on or after January 1, 2008:

(a) An individual is disqualified for benefits for any week he or she has knowingly made a false statement or representation involving a material fact or knowingly failed to report a material fact and, as a result, has obtained or attempted to obtain any benefits under the provisions of this title;

(b) An individual disqualified for benefits under this subsection for the first time is also:

(i) Disqualified for an additional twenty-six weeks beginning with the Sunday of the week in which the determination is mailed or delivered; and

(ii) With respect to determinations delivered or mailed on or after October 20, 2013, subject to an additional penalty of fifteen percent of the amount of benefits overpaid or deemed overpaid;

(c) An individual disqualified for benefits under this subsection for the second time is also disqualified for an additional fifty-two weeks beginning with the Sunday of the week in which the determination is mailed or delivered, and is subject to an additional penalty of twenty-five percent of the amount of benefits overpaid or deemed overpaid;

(d) An individual disqualified for benefits under this subsection a third time and any time thereafter is also disqualified for an additional one hundred four weeks beginning with the Sunday of the week in which the determination is mailed or delivered, and is subject to an additional penalty of fifty percent of the amount of benefits overpaid or deemed overpaid.

(3) All penalties collected under this section must be expended for the proper administration of this title as authorized under RCW 50.16.010 and for no other purposes.

(4) All overpayments and penalties established by such determination of disqualification must be collected as otherwise provided by this title.

Sec. 3. RCW 50.29.021 and 2011 c 4 s 14 are each amended to read as follows:

(1) This section applies to benefits charged to the experience rating accounts of employers for claims that have an effective date on or after January 4, 2004.

(2)(a) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department.

(b) Benefits paid to an eligible individual shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(c) When the eligible individual's separating employer is a covered contribution paying base year employer, benefits paid to the eligible individual shall be charged to the experience rating account of only the individual's separating employer if the individual qualifies for benefits under:
(i) WC 50.20.050 (1)(b)(i) or (2)(b)(i), as applicable, and became unemployed after having worked and earned wages in the bona fide work; or
(ii) WC 50.20.050 (1)(b) (v) through (x) or (2)(b) (v) through (x).

(3) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in WC 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in WC 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individual later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer. However, when a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed or incomplete or inaccurate report or reports, except as provided in subsection (5) of this section.

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 WC shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under WC 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or
(ii) The individual files under WC 50.06.020(2).

(c) Benefits paid which represent the state's share of benefits as provided in chapter 50.60 WC shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under WC 50.20.050 or 50.20.060, benefits based on wage credits earned in the individual's base year shall not be charged to the experience rating account of any contribution paying employer.

(e) Benefits paid to an individual who qualifies for benefits under WC 50.20.050 (1)(b)(v) or (xi) or (2)(b)(v) or (xii), as applicable, shall not be charged to the experience rating account of any contribution paying employer.

(f) With respect to claims with an effective date on or after the first Sunday following April 22, 2005, benefits paid that exceed the benefits that would have been paid if the weekly benefit amount for the claim had been determined as one percent of the total wages paid in the individual's base year shall not be charged to the experience rating account of any contribution paying employer. This subsection (3)(f) does not apply to the calculation of contribution rates under WC 50.29.025 for rate year 2010 and thereafter.

(g) The forty-five dollar increase paid as part of an individual's weekly benefit amount as provided in WC 50.20.1201 and the twenty-five dollar increase paid as part of an individual's weekly benefit amount as provided in WC 50.20.1202 shall not be charged to the experience rating account of any contribution paying employer.

(h) With respect to claims where the minimum amount payable weekly is increased to one hundred fifty-five dollars pursuant to WC 50.20.1201(3), benefits paid that exceed the benefits that would have been paid if the minimum amount payable weekly had been calculated pursuant to WC 50.20.120 shall not be charged to the experience rating account of any contribution paying employer.

(i) Upon approval of an individual's training benefits plan submitted in accordance with WC 50.22.155(2), an individual is considered enrolled in training, and regular benefits beginning with the week of approval shall not be charged to the experience rating account of any contribution paying employer.

(j) Training benefits paid to an individual under WC 50.22.155 shall not be charged to the experience rating account of any contribution paying employer.

(4)(a) A contribution paying base year employer, except employers as provided in subsection (6) of this section, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employment of such employer voluntarily for reasons not attributable to the employer;
(ii) Was discharged for misconduct or gross misconduct connected with his or her work not a result of inability to meet the minimum job requirements;
(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, worksite, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster;
(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter (50.06[50.60]) 50.60 WC.

(v) Was hired to replace an employee who is a member of the military reserves or National Guard and was called to federal active military service by the president of the United States and is subsequently laid off when that employee is reemployed by their employer upon release from active duty within the time provided for reemployment in WC 73.16.035.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

(5) When a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed or incomplete or inaccurate report or reports, except as provided in subsection (5) of this section.

(6) An employer's experience rating account may not be relieved of charges for a benefit payment and an employer who reimburses the trust fund for benefit payments may not be credited for a benefit payment if a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure and the employer or employer's agent has a pattern of such failures. The commissioner has the authority to determine whether the employer has good cause under this subsection.

(a) For the purposes of this subsection, "adequately" means providing accurate information of sufficient quantity and quality that would allow a reasonable person to determine eligibility for benefits.
For the purposes of this subsection, "pattern" means a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to a claim or claims without establishing good cause for the failure, if the greater of the following calculations for an employer is met:

(A) At least three times in the previous two years; or

(B) Twenty percent of the total current claims against the employer.

(ii) If an employer's agent is utilized, a pattern is established based on each individual client employer that the employer's agent represents.

Sec. 4. RCW 50.20.190 and 2011 c 301 s 17 are each amended to read as follows:

(1) An individual who is paid any amount as benefits under this title to which he or she is not entitled shall, unless otherwise relieved pursuant to this section, be liable for repayment of the amount overpaid. The department shall issue an overpayment assessment setting forth the reasons for and the amount of the overpayment. The amount assessed, to the extent not collected, may be deducted from any future benefits payable to the individual: PROVIDED, That in the absence of a back pay award, a settlement affecting the allowance of benefits, fraud, misrepresentation, or willful nondisclosure, every determination of liability shall be mailed or personally served not later than two years after the close of or final payment made on the individual's applicable benefit year for which the purported overpayment was made, whichever is later, unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

(2) The commissioner may waive an overpayment if the commissioner finds that the overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the commissioner finds that the overpayment was not the result of fraud, willful disclosure, or fault attributable to the commissioner. When determining whether the recovery would be against equity and good conscience, the department must consider whether the employer or employer's agent failed to respond timely and adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure pursuant to RCW 50.29.021(6). An overpayment (i.e.) waived under this subsection shall be charged against the individual's applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

(3) Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: PROVIDED, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, the determination of liability shall be deemed conclusive and final. Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days' notice, using a method by which the mailing can be tracked or the delivery can be confirmed, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee under RCW 36.18.012(10). The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the warrant shall be mailed within five days of its filing with the clerk to the person(s) mentioned in the warrant using a method by which the mailing can be tracked or the delivery can be confirmed.

(4) On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law, the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

(5) Any employer who is a party to a back pay award or settlement due to loss of wages shall, within thirty days of the award or settlement, report to the department the amount of the award or settlement, the name and social security number of the recipient of the award or settlement, and the period for which it is awarded. When an individual has been awarded or receives back pay, for benefit purposes the amount of the back pay shall constitute wages paid in the period for which it was awarded. For contribution purposes, the back pay award or settlement shall constitute wages paid in the period in which it was actually paid. The following requirements shall also apply:

(a) The employer shall reduce the amount of the back pay award or settlement by an amount determined by the department based upon the amount of unemployment benefits received by the recipient of the award or settlement during the period for which the back pay award or settlement was awarded;

(b) The employer shall pay to the unemployment compensation fund, in a manner specified by the commissioner, an amount equal to the amount of such reduction;

(c) The employer shall also pay to the department any taxes due for unemployment insurance purposes on the entire amount of the back pay award or settlement notwithstanding any reduction made pursuant to (a) of this subsection;

(d) If the employer fails to reduce the amount of the back pay award or settlement as required in (a) of this subsection, the department shall issue an overpayment assessment against the recipient of the award or settlement in the amount that the back pay award or settlement should have been reduced; and

(e) If the employer fails to pay to the department an amount equal to the reduction as required in (b) of this subsection, the department shall issue an assessment of liability against the employer which shall be collected pursuant to the procedures for collection of assessments provided herein and in RCW 50.24.110.

(6) When an individual fails to repay an overpayment assessment that is due and fails to arrange for satisfactory repayment terms, the commissioner shall impose an interest penalty of one percent per month of the outstanding balance. Interest shall accrue immediately upon the overpayment assessment.
on overpayments assessed pursuant to RCW 50.20.070 and shall be imposed when the assessment becomes final. For any other overpayment, interest shall accrue when the individual has missed two or more of the individual's monthly payments either partially or in full.

(7) The department shall: (a) Conduct social security number cross-match audits or engage in other more effective activities that ensure that individuals are entitled to all amounts of benefits that they are paid; and (b) engage in other detection and recovery of overpayment and collection activities.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7. This act takes effect October 20, 2013.

SSB 5452 Prime Sponsor, Committee on Human Services & Corrections: Concerning no-contact and protection orders for stalking and harassment. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Stalking is a crime that affects 3.4 million people over the age of eighteen each year in the United States. Almost half of those victims experience at least one unwanted contact per week. Twenty-nine percent of stalking victims fear that the stalking will never stop. The prevalence of anxiety, insomnia, social dysfunction, and severe depression is much higher among stalking victims than the general population. Three in four stalking victims are stalked by someone they know, and at least thirty percent of stalking victims are stalked by a current or former intimate partner. For many of those victims, the domestic violence protection order is a tool they can access to help them stay safer. For those who have not had an intimate relationship with the person stalking them, there are few remedies for them under the law. Victims who do not report the crime still desire safety and protection from future interactions with the offender. Some cases in which the stalking is reported are not prosecuted. In these situations, the victim should be able to seek a civil remedy requiring that the offender stay away from the victim. It is the intent of the legislature that the stalking protection order created by this chapter be a remedy for victims who do not qualify for a domestic violence order of protection. Moreover, it is the intent of the legislature that courts specifically distinguish stalking conduct covered by the stalking protection order from common acts of harassment or nuisance covered by antiharassment orders. Law enforcement agencies need to be able to rely on orders that distinguish stalking conduct from common acts of harassment or nuisance. Victims of stalking conduct deserve the same protection and access to the court system as victims of domestic violence and sexual assault, and this protection can be accomplished without infringing on constitutionally protected speech or activity. The legislature finds that preventing the issuance of conflicting orders is in the interest of both petitioners and respondents.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Minor" means a person who is under eighteen years of age.

(2) "Petitioner" means any named petitioner for the stalking protection order or any named victim of stalking conduct on whose behalf the petition is brought.

(3) "Stalking conduct" means any of the following:

(a) Any act of stalking as defined under RCW 9A.46.110;

(b) Any act of cyberstalking as defined under RCW 9.61.260;

(c) Any course of conduct involving repeated or continuing contacts, attempts to contact, monitoring, tracking, keeping under observation, following of another that:

(i) Would cause a reasonable person to feel intimidated, frightened, or threatened and that actually causes such a feeling;

(ii) Serves no lawful purpose; and

(iii) The stalker knows or reasonably should know threatens, frightens, or intimidates the person, even if the stalker did not intend to intimidate, frighten, or threaten the person.

(4) "Stalking no-contact order" means a temporary order or a final order granted under this chapter against a person charged with or arrested for stalking, which includes a remedy authorized under section 16 of this act.

(5) "Stalking protection order" means an ex parte temporary order or a final order granted under this chapter against a person charged with or arrested for stalking, which includes a remedy authorized in section 10 of this act.

NEW SECTION. Sec. 3. There shall exist an action known as a petition for a stalking protection order.

(1) A petition for relief shall allege the existence of stalking conduct and shall be accompanied by an affidavit made under oath stating the specific reasons that have caused the petitioner to become reasonably fearful that the respondent intends to injure the petitioner or another person, or the petitioner's property or the property of another. The petition shall disclose the existence of any other litigation or of any other restraining, protection, or no-contact orders between the parties.

(2) A petition for relief shall be filed as a separate, stand-alone civil case and a petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) Forms and instructional brochures and the necessary number of certified copies shall be provided to the petitioner free of charge.

(4) A person is not required to post a bond to obtain relief in any proceeding under this section.

(5) If the petition states that disclosure of the petitioner's address would risk abuse of the petitioner or any member of the petitioner's family or household, that address may be omitted from all documents filed with the court. If the petitioner has not disclosed an address under this subsection, the petitioner shall designate an alternative address at which the respondent may serve notice of any motions.

NEW SECTION. Sec. 4. A petition for a stalking protection order may be filed by a person:

(1) Who does not qualify for a protection order under chapter 26.50 RCW and who is a victim of stalking conduct; or

(2) On behalf of any of the following persons who is a victim of stalking conduct and who does not qualify for a protection order under chapter 26.50 RCW:
(a) A minor child, where the petitioner is a parent, a legal custodian, or, where the respondent is not a parent, an adult with whom the child is currently residing; or

(b) A vulnerable adult as defined in RCW 74.34.020 and where the petitioner is an interested person as defined in RCW 74.34.020(10).

NEW SECTION. Sec. 5. (1) Any person may seek relief under this chapter by filing a petition with a court alleging that the person has been the victim of stalking conduct committed by the respondent.

(2) A minor sixteen years of age or older may seek relief under this chapter and is not required to seek relief through a guardian or next friend. This does not preclude a parent or legal custodian of a victim sixteen or seventeen years of age from seeking relief on behalf of the minor.

(3) The district courts shall have original jurisdiction and cognizance of any civil actions and proceedings brought under this chapter, except a district court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(4) Municipal courts may exercise jurisdiction and cognizance of any civil actions and proceedings brought under this chapter by adoption of local court rule, except a municipal court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(5) Superior courts shall have concurrent jurisdiction to receive transfer of stalking petitions in cases where a district or municipal court judge makes findings of fact and conclusions of law showing that meritorious reasons exist for the transfer. The jurisdiction of district and municipal courts is limited to enforcement of RCW 26.50.110(1), or the equivalent municipal ordinance, and the issuance and enforcement of temporary orders provided for in section 12 of this act if the superior court is exercising jurisdiction over a proceeding under this chapter involving the parties.

(6) No guardian or guardian ad litem need be appointed on behalf of a respondent to an action under this chapter if such respondent is sixteen years of age or older.

(7) If a guardian ad litem is appointed for the petitioner or respondent, the petitioner shall not be required to pay any fee associated with such appointment.

(8) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid stalking conduct. In that case, the petitioner may bring an action in the county or municipality of the previous or the new residence or household.

NEW SECTION. Sec. 6. Upon receipt of the petition, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. The court may schedule a hearing by telephone, to reasonably accommodate a disability, or in exceptional circumstances to protect a petitioner from further stalking behavior. The court shall require assurances of the petitioner's identity before conducting a telephonic hearing. Except as provided in section 15 of this act, personal service shall be made upon the respondent not less than five court days prior to the hearing. If timely personal service cannot be made, the court shall set a new hearing date and shall require additional attempts at obtaining personal service or other service as permitted under section 15 of this act. The court may issue an ex parte temporary stalking order pending the hearing as provided in section 12 of this act.

NEW SECTION. Sec. 7. Before granting an order under this chapter, the court may consult the judicial information system, if available, to determine criminal history or the pendency of other proceedings involving the parties.

NEW SECTION. Sec. 8. No fees for filing or service of process may be charged by a public agency to petitioners seeking relief under this chapter.

NEW SECTION. Sec. 9. Victim advocates shall be allowed to accompany the victim and confer with the victim, unless otherwise directed by the court. Court administrators shall allow advocates to assist victims of stalking conduct in the preparation of petitions for stalking protection orders. Advocates are not engaged in the unauthorized practice of law when providing assistance of the types specified in this section.

NEW SECTION. Sec. 10. (1)(a) If the court finds by a preponderance of the evidence that the petitioner has been a victim of stalking conduct by the respondent, the court shall issue a stalking protection order.

(b) The petitioner shall not be denied a stalking protection order because the petitioner or the respondent is a minor or because the petitioner did not report the stalking conduct to law enforcement. The court, when determining whether or not to issue a stalking protection order, may not require proof of the respondent's intentions regarding the acts alleged by the petitioner. Modification and extension of prior stalking protection orders shall be in accordance with this chapter.

(2) The court may provide relief as follows:

(a) Restrain the respondent from having any contact, including nonphysical contact, with the petitioner directly, indirectly, or through third parties regardless of whether those third parties know of the order;

(b) Exclude the respondent from the petitioner's residence, workplace, or school, or from the day care, workplace, or school of the petitioner's minor children;

(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;

(d) Prohibit the respondent from keeping the petitioner and/or the petitioner's minor children under surveillance, to include electronic surveillance;

(e) Order any other injunctive relief as necessary or appropriate for the protection of the petitioner, to include a mental health and/or chemical dependency evaluation;

(f) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees.

(3) Unless otherwise stated in the order, when a person is petitioning on behalf of a minor child or vulnerable adult, the relief authorized in this section shall apply only for the protection of the victim, and not the petitioner.

(4) In cases where the petitioner and the respondent attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger or emotional distress to the petitioner, and the expense difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person protected by the order. In the event the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the
restrictions on attending the same school as the person protected by the
order to the public or approved private school the person restrained by
the order will attend and to the school the person protected by the
order attends.

NEW SECTION. Sec. 11. For the purposes of issuing a stalking
protection order, deciding what relief should be included in the order,
and enforcing the order, RCW 9A.08.020 shall govern whether the
respondent is legally accountable for the conduct of another person.

NEW SECTION. Sec. 12. (1) Where it appears from the petition
and any additional evidence that the respondent has engaged in
stalking conduct and that irreparable injury could result if an order is
not issued immediately without prior notice, the court may grant an ex
parte temporary order for protection, pending a full hearing and grant
such injunctive relief as it deems proper, including the relief as
specified under section 10 (2)(a) through (d) of this act.

(2) Irreparable injury under this section includes, but is not
limited to, situations in which the respondent has recently threatened
the petitioner with bodily injury or has engaged in acts of stalking
court action against the petitioner.

(3) The court shall hold an ex parte hearing in person or by
telephone on the day the petition is filed or on the following judicial
day.

(4) An ex parte temporary stalking protection order shall be
effective for a fixed period not to exceed fourteen days or twenty-four
days if the court has permitted service by publication or mail. The ex
parte order may be reissued. A full hearing, as provided in this
chapter, shall be set for not later than fourteen days from the issuance
of the temporary order or not later than twenty-four days if service by
publication or by mail is permitted. Unless the court has permitted
service by publication or mail, the respondent shall be personally
served with a copy of the ex parte order along with a copy of the
petition and notice of the date set for the hearing.

(5) Any order issued under this section shall contain the date and
time of issuance and the expiration date and shall be entered into a
statewide judicial information system by the clerk of the court within
one judicial day after issuance.

(6) If the court declines to issue an ex parte temporary stalking
protection order, the court shall state the particular reasons for the
court's denial. The court's denial of a motion for  an ex parte
protection order, the court shall state the particu-
lar reasons for the court's denial.

(7) If the respondent was not personally served with the petition,
the date, time, and place for any scheduled hearing for
renewal of that stalking protection order or for another order of
greater duration or scope;

(a) The name of the petitioner that the court find s was the victim

(b) The date and time the stalking protection order was issued,
whether it is an ex parte temporary or final order, and the duration of
the order;

(c) The date, time, and place for any scheduled hearing for
renewal of that stalking protection order or for another order of
greater duration or scope;

(d) The court shall hold an ex parte hearing in person or by
telephone on the day the petition is filed or on the following judicial
day.

(8) A knowing violation of a court order issued under this section,
undermines the purposes of this chapter. This section shall not be
construed as encouraging that practice.

(5) If the court declines to issue an order for protection or declines
to renew an order for protection, the court shall state in writing on the
order the particular reasons for the court's denial.

NEW SECTION. Sec. 14. (1) Any stalking protection order
shall describe each remedy granted by the court, in reasonable detail
and not by reference to any other document, so that the respondent
may clearly understand what he or she must do or refrain from doing.

(2) A stalking protection order shall further state the following:
(a) The name of the petitioner that the court finds was the victim

(b) The date and time the stalking protection order was issued,
whether it is an ex parte temporary or final order, and the duration of
the order;

(c) The date, time, and place for any scheduled hearing for
renewal of that stalking protection order or for another order of
greater duration or scope;

(d) For each remedy in an ex parte temporary stalking protection
order, the reason for entering that remedy without prior notice to the
respondent or greater notice than was actually given;

(e) For ex parte temporary stalking protection orders, that the
respondent may petition the court, to modify or terminate the order if
he or she did not receive actual prior notice of the hearing and if the
respondent alleges that he or she had a meritorious defense to the
order or that the order or its remedy is not authorized by this chapter.

(3) A stalking protection order shall include the following notice.

NEW SECTION. Sec. 15. (1) Any order issued under this chapter
shall be personally served upon the respondent, except as provided in
subsection (6), (7), or (8) of this section. If the respondent is a minor,
the respondent's parent or legal custodian shall also be personally
served.

(2) The sheriff of the county or the peace officers of the
municipalities in which the respondent resides shall serve the
respondent personally unless the petitioner elects to have the
respondent served by a private party.

(3) If service by a sheriff or municipal peace officer is to be used,
the clerk of the court shall have a copy of any order issued under this
chapter forwarded on or before the next judicial day to the appropriate
law enforcement agency specified in the order for service upon the
respondent. Service of an order issued under this chapter shall take
precedence over the service of other documents unless they are of a
similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete
service upon the respondent within ten days, the sheriff or municipal
peace officer shall notify the petitioner. The petitioner shall provide
information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in
accordance with the applicable court rules.

(6) If an order entered by the court recites that the respondent
appeared in person before the court, the necessity for further service is
waived and proof of service of that order is not necessary.

(7) If the respondent was not personally served with the petition,
notice of hearing, and ex parte order before the hearing, the court shall
reset the hearing for twenty-four days from the date of entry of the
order and may order service by publication instead of personal service
under the following circumstances:

(a) The sheriff or municipal officer or private process server files
an affidavit stating that the officer or private process server was

unable to complete personal service upon the respondent. The affidavit must describe the number and types of attempts the officer or private process server made to complete service;

(b) The petitioner files an affidavit stating that the petitioner believes that the respondent is hiding from the server to avoid service. The petitioner's affidavit must state the reasons for the belief that the respondent is avoiding service;

(c) The server has deposited a copy of the petition, notice of hearing, and the ex parte order of protection in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address;

(d) The court finds reasonable grounds exist to believe that the respondent is concealing himself or herself to avoid service, and that further attempts to personally serve the respondent would be futile or unduly burdensome;

(e) The court shall reissue the temporary order of protection not to exceed another twenty-four days from the date of reissuing the ex parte protection order and order to provide service by publication; and

(f) The publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons shall not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons shall contain the date of the first publication, and shall require the respondent upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons shall also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte order. The summons shall be essentially in the following form:

In the ............ court of the state of Washington for the county of ............

          Petitioner

vs.

No. .........

, Respondent

The state of Washington to ............ (respondent):

You are hereby summoned to appear on the .... day of ..........., at .... a.m./p.m., and respond to the petition. If you fail to respond, an order of protection will be issued against you pursuant to the provisions of the stalking protection order act, chapter 7.60 RCW (the new chapter created in section 32 of this act), for a minimum of one year from the date you are required to appear. A temporary order of protection has been issued against you, restraining you from the following: (Insert a brief statement of the provisions of the ex parte order.) A copy of the petition, notice of hearing, and ex parte order has been filed with the clerk of this court.

Petitioner ...................................

8) In circumstances justifying service by publication under subsection (7) of this section, if the serving party files an affidavit stating facts from which the court determines that service by mail is just as likely to give actual notice as service by publication and that the serving party is unable to afford the cost of service by publication, the court may order that service be made by mail. Such service shall be made by any person over eighteen years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address or any other address determined by the court to be appropriate. Two copies shall be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender.

(a) Proof of service under this section shall be consistent with court rules for civil proceedings.

(b) Service under this section may be used in the same manner and shall have the same jurisdictional effect as service by publication for purposes of this chapter. Service shall be deemed complete upon the mailing of two copies as prescribed in this section.

NEW SECTION. Sec. 16. (1)(a) When any person charged with or arrested for stalking as defined in RCW 9.46.110 or any other stalking related offense under RCW 9A.46.060 is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, and the victim does not qualify for a domestic violence protection order under chapter 26.50 RCW, the court authorizing release may issue, by telephone, a stalking no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location.

(b) In issuing the order, the court shall consider the provisions of RCW 9.41.800.

(c) The stalking no-contact order shall also be issued in writing as soon as possible.

(2)(a) At the time of arraignment or whenever a motion is brought to modify the conditions of the defendant's release, the court shall determine whether a stalking no-contact order shall be issued or extended. If a stalking no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring, including real-time global position satellite monitoring with victim notification. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring, including costs relating to real-time global position satellite monitoring with victim notification.

(b) A stalking no-contact order issued by the court in conjunction with criminal charges shall terminate if the defendant is acquitted or the charges are dismissed, unless the victim files an independent action for a stalking protection order. If the victim files an independent action for a civil stalking protection order, the order may be continued by the court until a full hearing is conducted pursuant to section 6 of this act.

(3)(a) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(b) A certified copy of the order shall be provided to the victim at no charge.
(4) If a stalking no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed.

(5) Whenever an order prohibiting contact is issued pursuant to subsection (2) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year unless a different expiration date is specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

(6)(a) When a defendant is found guilty of stalking as defined in RCW 9A.46.110 or any other stalking related offense under RCW 9A.46.060 and a condition of the sentence restricts the defendant's ability to have contact with the victim, and the victim does not qualify for a domestic violence protection order under chapter 26.50 RCW, the condition shall be recorded as a stalking no-contact order.

(b) The written order entered as a condition of sentencing shall contain the court's dictates and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(c) A final stalking no-contact order entered in conjunction with a criminal prosecution shall remain in effect for a period of five years from the date of entry.

(d) A certified copy of the order shall be provided to the victim at no charge.

(7) A knowing violation of a court order issued under subsection (1), (2), or (6) of this section is punishable under RCW 26.50.110.

(8) Whenever a stalking no-contact order is issued, modified, or terminated under subsection (1), (2), or (6) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year unless a different expiration date is specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 17. (1) In a proceeding in which a petition for a stalking protection order is sought under this chapter, a court of this state may exercise personal jurisdiction over a nonresident individual if:

(a) The individual is personally served with a petition within this state;

(b) The individual submits to the jurisdiction of this state by consent, entering a general appearance, or filing a responsive document having the effect of waiving any objection to consent to personal jurisdiction;

(c) The act or acts of the individual or the individual's agent giving rise to the petition or enforcement of a stalking protection order occurred within this state;

(d)(i) The act or acts of the individual or the individual's agent giving rise to the petition or enforcement of a stalking protection order occurred outside this state and are part of an ongoing pattern of stalking behavior that has an adverse effect on the petitioner or a member of the petitioner's family or household and the petitioner resides in this state; or

(ii) As a result of acts of stalking behavior, the petitioner or a member of the petitioner's family or household has sought safety or protection in this state and currently resides in this state; or

(e) There is any other basis consistent with RCW 4.28.185 and with the Constitution of this state and the Constitution of the United States.

(2) For jurisdiction to be exercised under subsection (1)(d)(i) or (ii) of this section, the individual must have communicated with the petitioner or a member of the petitioner's family, directly or indirectly, or made known a threat to the safety of the petitioner or member of the petitioner's family while the petitioner or family member resides in this state. For the purposes of subsection (1)(d)(i) or (ii) of this section, "communicated or made known" includes, but is not limited to, through the mail, telephonically, or a posting on an electronic communication site or medium. Communication on any electronic medium that is generally available to any individual residing in the state shall be sufficient to exercise jurisdiction under subsection (1)(d)(i) or (ii) of this section.

(3) For the purposes of this section, an act or acts that "occurred within this state" includes, but is not limited to, an oral or written statement made or published by a person outside of this state to any person in this state by means of the mail, interstate commerce, or foreign commerce. Oral or written statements sent by electronic mail or the internet are deemed to have "occurred within this state."

NEW SECTION. Sec. 18. (1) A copy of a stalking protection order or stalking no-contact order granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for one year unless a different expiration date is specified on the order. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, terminated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was personally served, served by publication, or served by mail.

NEW SECTION. Sec. 19. (1) Upon application with notice to all parties and after a hearing, the court may modify the terms of an existing stalking protection order.

(2) A respondent's motion to modify or terminate an existing stalking protection order must include a declaration setting forth facts supporting the requested order for termination or modification. The nonmoving parties to the proceeding may file opposing declarations. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent's motion.

(3) The court may not terminate or modify an existing stalking protection order unless the respondent proves by a preponderance of the evidence that there has been a substantial change in circumstances such that the respondent will not resume acts of stalking conduct against the petitioner or those persons protected by the protection order if the order is terminated or modified. The petitioner bears no
burden of proving that he or she has a current reasonable fear of harm by the respondent.

(4) A court may require the respondent to pay the petitioner for costs incurred in responding to a motion to terminate or modify a stalking protection order, including reasonable attorneys' fees.

(5) In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the computer-based criminal intelligence information system, or if the order is terminated, remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 20. A new section is added to chapter 10.14 RCW to read as follows:

In each county, the superior court may appoint one or more attorneys to act as protection order commissioners pursuant to this chapter to exercise all powers and perform all duties of a court commissioner appointed pursuant to RCW 2.24.010 provided that such positions may not be created without prior consent of the county legislative authority. A person appointed as a protection order commissioner under this chapter may also be appointed to any other commissioner position authorized by law.

NEW SECTION. Sec. 21. A new section is added to chapter 10.14 RCW to read as follows:

The legislature respectfully requests that:

(1) By January 1, 2014, the administrative office of the courts shall develop a single master petition pattern form for all antiharassment and stalking protection orders issued under chapter 7A.46 RCW (the new chapter created in section 32 of this act) and this chapter. The master petition must prompt petitioners to disclose on the form whether the petitioner who is seeking an ex parte order has experienced stalking conduct as defined in section 2 of this act. An antiharassment and stalking protection order issued under chapter 7A.46 RCW (the new chapter created in section 32 of this act) and this chapter must substantially comply with the pattern form developed by the administrative office of the courts.

(2) The Washington state supreme court gender and justice commission, to the extent that it is able, and in consultation with Washington coalition of sexual assault programs, Washington state coalition against domestic violence, Washington association of prosecuting attorneys, Washington association of criminal defense lawyers, and Washington association of sheriffs and police chiefs, consider other potential solutions to reduce confusion about which type of protection order a petitioner should seek and provide any recommendations to the legislature by January 1, 2014.

NEW SECTION. Sec. 22. An ex parte temporary order issued under this chapter shall not be admissible as evidence in any subsequent civil action for damages arising from the conduct alleged in the petition or the order.

NEW SECTION. Sec. 23. Nothing in this chapter shall be construed as requiring criminal charges to be filed as a condition of a stalking protection order being issued.

Sec. 24. RCW 9.41.800 and 2002 c 302 s 704 are each amended to read as follows:

(1) Any court when entering an order authorized under chapter 7A.46 RCW (the new chapter created in section 32 of this act), RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590 shall, upon a showing by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or previously committed any offense that makes him or her ineligible to possess a firearm under the provisions of RCW 9.41.040:

(a) Require the party to surrender any firearm or other dangerous weapon;
(b) Require the party to surrender any concealed pistol license issued under RCW 9.41.070;
(c) Prohibit the party from obtaining or possessing a firearm or other dangerous weapon;
(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(2) Any court when entering an order authorized under chapter 7A.46 RCW (the new chapter created in section 32 of this act), RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590 may, upon a showing by a preponderance of the evidence but not by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or previously committed any offense that makes him or her ineligible to possess a pistol under the provisions of RCW 9.41.040:

(a) Require the party to surrender any firearm or other dangerous weapon;
(b) Require the party to surrender a concealed pistol license issued under RCW 9.41.070;
(c) Prohibit the party from obtaining or possessing a firearm or other dangerous weapon;
(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(3) The court may order temporary surrender of a firearm or other dangerous weapon without notice to the other party if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury could result if an order is not issued until the time for response has elapsed.

(4) In addition to the provisions of subsections (1), (2), and (3) of this section, the court may enter an order requiring a party to comply with the provisions in subsection 1 of this section if it finds that the possession of a firearm or other dangerous weapon by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

(5) The requirements of subsections (1), (2), and (4) of this section may be for a period of time less than the duration of the order.

(6) The court may require the party to surrender any firearm or other dangerous weapon in his or her immediate possession or control or subject to his or her immediate possession or control to the sheriff of the county having jurisdiction of the proceeding, the chief of police of the municipality having jurisdiction, or to the restrained or enjoined party's counsel or to any person designated by the court.

Sec. 25. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585(2) through (6).

(1) Mitigating Circumstances - Court to Consider
The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provocateur of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury -Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, or stalking, as defined in RCW 9A.46.110, and one or more of the following was present:

(j) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

(k) The offense was committed with the intent to obstruct or impair human or animal health care or agricultural or forestry research or commercial production.

(l) The current offense is trafficking in the first degree or trafficking in the second degree and any victim was a minor at the time of the offense.
(m) The offense involved a high degree of sophistication or planning.
(n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.
(o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.
(p) The offense involved an invasion of the victim's privacy.
(q) The defendant demonstrated or displayed an egregious lack of remorse.
(r) The offense involved a destructive and foreseeable impact on persons other than the victim.
(s) The defendant committed the offense to obtain or maintain his or her membership or to advance his or her position in the hierarchy of an organization, association, or identifiable group.
(t) The defendant committed the current offense shortly after being released from incarceration.
(u) The current offense is a burglary and the victim of the burglary was present in the building or residence when the crime was committed.
(v) The offense was committed against a law enforcement officer who was performing his or her official duties at the time of the offense, the offender knew that the victim was a law enforcement officer, and the victim's status as a law enforcement officer is not an element of the offense.
(w) The defendant committed the offense against a victim who was acting as a good samaritan.
(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.
(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).
(z)(i) (A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.
(ii) For purposes of this subsection, "metal property" means commercial metal property, private metal property, or nonferrous metal property, as defined in RCW 19.290.010.

Sec. 26. RCW 9A.46.040 and 2012 c 223 s 1 are each amended to read as follows:

(1) Because of the likelihood of repeated harassment directed at those who have been victims of harassment in the past, when any defendant charged with a crime involving harassment is released from custody before trial on bail or personal recognizance, the court authorizing the release may issue an order pursuant to this chapter and require that the defendant:

(a) Stay away from the home, school, business, or place of employment of the victim or victims of the alleged offense or other location, as shall be specifically named by the court in the order;

(b) Refrain from contacting, intimidating, threatening, or otherwise interfering with the victim or victims of the alleged offense and such other persons, including but not limited to members of the family or household of the victim, as shall be specifically named by the court in the order.

(2) Willful violation of a court order issued under this section or an equivalent local ordinance is a gross misdemeanor. The written order releasing the defendant shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 9A.46 RCW. A certified copy of the order shall be provided to the victim by the clerk of the court.

(3) If the defendant is charged with the crime of stalking or any other stalking related offense under RCW 9A.46.060, and the court issues an order protecting the victim, the court shall issue a stalking no-contact order pursuant to chapter 7.-- RCW (the new chapter created in section 32 of this act).

NEW SECTION. Sec. 27. A new section is added to chapter 9A.46 RCW to read as follows:

(2) At the time of appearance provided in subsection (1) of this section the court shall determine the necessity of imposing a stalking no-contact order under chapter 7.-- RCW (the new chapter created in section 32 of this act).

(3) Appearances required pursuant to this section are mandatory and cannot be waived.

(4) The stalking no-contact order shall be issued and entered with the appropriate law enforcement agency pursuant to the procedures outlined in chapter 7.-- RCW (the new chapter created in section 32 of this act).

Sec. 28. RCW 9A.46.110 and 2007 c 201 s 1 are each amended to read as follows:

(1) A person commits the crime of stalking if, without lawful authority and under circumstances not amounting to a felony attempt of another crime:

(a) He or she intentionally and repeatedly harasses or repeatedly follows another person; and

(b) The person being harassed or followed is placed in fear that the stalker intends to injure the person, another person, or property of the person or of another person. The feeling of fear must be one that a reasonable person in the same situation would experience under all the circumstances; and

(c) The stalker either:

(i) Intends to frighten, intimidate, or harass the person; or

(ii) Knows or reasonably should know that the person is afraid, intimidated, or harassed even if the stalker did not intend to place the person in fear or intimidate or harass the person.

(2)(a) It is not a defense to the crime of stalking under subsection (1)(c)(i) of this section that the stalker was not given actual notice that the person did not want the stalker to contact or follow the person; and

(b) It is not a defense to the crime of stalking under subsection (1)(c)(ii) of this section that the stalker did not intend to frighten, intimidate, or harass the person.

(3) It shall be a defense to the crime of stalking that the defendant is a licensed private investigator acting within the capacity of his or her license as provided by chapter 18.165 RCW.

(4) Attempts to contact or follow the person after being given actual notice that the person does not want to be contacted or followed constitutes prima facie evidence that the stalker intends to intimidate or harass the person. "Contact" includes, in addition to any other form of contact or communication, the sending of an electronic communication to the person.

(5)(a) Except as provided in (b) of this subsection, a person who stalks another person is guilty of a gross misdemeanor.
(b) A person who stalks another is guilty of a class ((C)) B felony if any of the following applies: (i) The stalker has previously been convicted in this state or any other state of any crime of harassment, as defined in RCW 9A.46.060, of the same victim or members of the victim's family or household or any person specifically named in a protective order; (ii) the stalking violates any protective order protecting the person being stalked; (iii) the stalker has previously been convicted of a gross misdemeanor or felony stalking offense under this section for stalking another person; (iv) the stalker was armed with a deadly weapon, as defined in RCW (9.94A.602) 9.94A.825, while stalking the person; (v)(A) the stalker's victim is or was a law enforcement officer; judge; juror; attorney; victim advocate; legislator; community corrections' officer; an employee, contract staff person, or volunteer of a correctional agency; court employee, court clerk, or courthouse facilitator; or an employee of the child protective, child welfare, or adult protective services division within the department of social and health services; and (B) the stalker stalked the victim to retaliate against the victim for an act the victim performed during the course of official duties or to influence the victim's performance of official duties; or (vi) the stalker's victim is a current, former, or prospective witness in an adjudicative proceeding, and the stalker stalked the victim to retaliate against the victim as a result of the victim's testimony or potential testimony.

(b) "Follows" means deliberately maintaining visual or physical proximity to a specific person over a period of time. A finding that the alleged stalker repeatedly and deliberately appears at the person's home, school, place of employment, business, or any other location to maintain visual or physical proximity to the person is sufficient to find that the alleged stalker follows the person. It is not necessary to establish that the alleged stalker follows the person while in transit from one location to another.

(c) "Harasses" means unlawful harassment as defined in RCW 10.14.020.

(d) "Protective order" means any temporary or permanent court order prohibiting or limiting violence against, harassment of, contact with, or communication with, or physical proximity to another person.

(e) "Repeatedly" means on two or more separate occasions.

Sec. 29. RCW 10.14.070 and 2005 c 144 s 1 are each amended to read as follows:

Upon receipt of the petition alleging a prima facie case of harassment, other than a petition alleging a sex offense as defined in chapter 9A.44 RCW or a petition for a stalking protection order under chapter 7.-- (the new chapter created in section 32 of this act), the court shall order a hearing which shall be held not later than fourteen days from the date of the order. If the petition alleges a sex offense as defined in chapter 9A.44 RCW, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five court days before the hearing. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided by RCW 10.14.085. If the court permits service by publication, the court shall set the hearing date not later than twenty-four days from the date of the order. The court may issue an ex parte order for protection pending the hearing as provided in RCW 10.14.080 and 10.14.085.

Sec. 30. RCW 26.50.110 and 2009 c 439 s 3 and 2009 c 288 s 3 are each reenacted and amended to read as follows:

(1) (a) Whenever an order is granted under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26,26, or 74.34 RCW, or there is a valid foreign protection order as defined in RCW 26.52.020, and the respondent or person to be restrained knows of the order, a violation of any of the following provisions of the order is a gross misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or stalking of, a protected party, or restraint provisions prohibiting contact with a protected party;

(ii) A provision excluding the person from a residence, workplace, school, or day care;

(v) A provision of a foreign protection order specifically indicating that a violation will be a crime.

(b) Upon conviction, and in addition to any other penalties provided by law, the court may require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a court order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, is a class C felony if the offender has at least two previous convictions for violating the provisions of an order issued under this chapter, chapter 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020. The
previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order granted under this chapter, chapter 7.90, 9A.46, 9A.46A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

Sec. 31. RCW 10.31.100 and 2010 c 274 s 201 are each amended to read as follows:
A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (10) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270, or involving criminal trespass under RCW 9A.52.070 or 9A.52.080, shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 26.44.063, or chapter 7.90, 9A.46, 10.99, 26.09, 26.10, 26.26, 26.50, or 74.34 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence, or restraining the person from going onto the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(c) The person is sixteen years or older and within the preceding four hours has assaulted a family or household member as defined in RCW 10.99.020 and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that family or household members have assaulted each other, the officer is not required to

arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence of each person involved, including whether the conduct was part of an ongoing pattern of abuse.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.71.5249, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 79A.60.040 shall have the authority to arrest the person.

(6) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give an officer the authority to take appropriate action under the laws of the state of Washington.

(7) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(8) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(10) A police officer having probable cause to believe that a person has, within twenty-four hours of the alleged violation, committed a violation of RCW 9A.50.020 may arrest such person.

(11) Except as specifically provided in subsections (2), (3), (4), and (6) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(12) No police officer may be held criminally or civilly liable for making an arrest pursuant to subsection (2) or (8) of this section if the police officer acts in good faith and without malice.

SB 5510  Prime Sponsor, Senator Becker: Concerning the abuse of vulnerable adults. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.34.020 and 2012 c 10 s 62 are each amended to read as follows:
The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable person without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse" means the willful action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. Abuse includes sexual abuse, mental abuse, physical abuse, and exploitation of a vulnerable adult, which have the following meanings:

(a) "Sexual abuse" means any form of nonconsensual sexual contact, including but not limited to unwanted or inappropriate touching, rape, sodomy, sexual coercion, sexually explicit photographs, and sexual harassment. Sexual abuse includes any sexual contact between a staff person, who is not also a resident or client, of a facility or a staff person of a program authorized under chapter 71A.12 RCW, and a vulnerable adult living in that facility or receiving service from a program authorized under chapter 71A.12 RCW, whether or not it is consensual.

(b) "Physical abuse" means the willful action of inflicting bodily injury or physical mistreatment. Physical abuse includes, but is not limited to, striking with or without an object, slapping, pinching, choking, kicking, shoving, prodding, or the use of chemical restraints or physical restraints unless the restraints are consistent with licensing requirements, and includes restraints that are otherwise being used inappropriately.

(c) "Mental abuse" means any willful action or inaction of mental or verbal abuse. Mental abuse includes, but is not limited to, coercion, harassment, inappropriately isolating a vulnerable adult from family, friends, or regular activity, and verbal assault that includes ridiculing, intimidating, yelling, or swearing.

(d) "Exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(3) "Consent" means express written consent granted after the vulnerable adult or his or her legal representative has been fully informed of the nature of the services to be offered and that the receipt of services is voluntary.

(4) "Department" means the department of social and health services.

(5) "Facility" means a residence licensed or required to be licensed under chapter 18.20 RCW, assisted living facilities; chapter 18.51 RCW, nursing homes; chapter 70.128 RCW, adult family homes; chapter 72.36 RCW, soldiers' homes; or chapter 71A.20 RCW, residential habilitation centers; or any other facility licensed or certified by the department.

(6) "Financial exploitation" means the illegal or improper use, control over, or withholding of the property, income, resources, or trust funds of the vulnerable adult by any person or entity for any person's or entity's profit or advantage other than for the vulnerable adult's profit or advantage. "Financial exploitation" includes, but is not limited to:

(a) The use of deception, intimidation, or undue influence by a person or entity in a position of trust and confidence with a vulnerable adult to obtain or use the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(b) The breach of a fiduciary duty, including, but not limited to, the misuse of a power of attorney, trust, or a guardianship appointment, that results in the unauthorized appropriation, sale, or transfer of the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(c) Obtaining or using a vulnerable adult's property, income, resources, or trust funds without lawful authority, by a person or entity who knows or clearly should know that the vulnerable adult lacks the capacity to consent to the release or use of his or her property, income, resources, or trust funds.

(7) "Financial institution" has the same meaning as in RCW 30.22.040 and 30.22.041. For purposes of this chapter only, "financial institution" also means a "broker-dealer" or "investment adviser" as defined in RCW 21.20.005.

(8) "Incapacitated person" means a person who is at a significant risk of personal or financial harm under RCW 11.88.010(1) (a), (b), (c), or (d).

(9) "Individual provider" means a person under contract with the department to provide services in the home under chapter 74.09 or 74.39A RCW.

(10) "Interested person" means a person who demonstrates to the court's satisfaction that the person is interested in the welfare of the vulnerable adult, that the person has a good faith belief that the court's intervention is necessary, and that the vulnerable adult is unable, due to incapacity, undue influence, or duress at the time the petition is filed, to protect his or her own interests.

(11) "Mandated reporter" is an employee of the department; law enforcement officer; social worker; professional school personnel; individual provider; an employee of a facility; an operator of a facility; an employee of a social service, welfare, mental health, adult day health, adult day care, home health, home care, or hospice agency; county coroner or medical examiner; Christian Science practitioner; or health care provider subject to chapter 18.130 RCW.

(12) "Neglect" means (a) a pattern of conduct or inaction by a person or entity with a duty of care that fails to provide the goods and services that maintain physical or mental health of a vulnerable adult, or that fails to avoid or prevent physical or mental harm or pain to a
vulnerable adult; or (b) an act or omission by a person or entity with a
duty of care that demonstrates a serious disregard of consequences of
such a magnitude as to constitute a clear and present danger to the
vulnerable adult's health, welfare, or safety, including but not limited
to conduct prohibited under RCW 9A.42.100.

(13) "Permissive reporter" means any person, including, but not
limited to, an employee of a financial institution, attorney, or
volunteer in a facility or program providing services for vulnerable
adults.

(14) "Protective services" means any services provided by the
department to a vulnerable adult with the consent of the vulnerable
adult, or the legal representative of the vulnerable adult, who has been
abandoned, abused, financially exploited, neglected, or in a state of
self-neglect. These services may include, but are not limited to case
management, social casework, home care, placement, arranging for
medical evaluations, psychological evaluations, day care, or referral
for legal assistance.

(15) "Self-neglect" means the failure of a vulnerable adult, not
living in a facility, to provide for himself or herself the goods and
services necessary for the vulnerable adult's physical or mental health,
and the absence of which impairs or threatens the vulnerable adult's
well-being. This definition may include a vulnerable adult who is
receiving services through home health, hospice, or a home care
agency, or an individual provider when the neglect is not a result of
inaction by that agency or individual provider.

(16) "Social worker" means:
(a) A social worker as defined in RCW 18.320.010(2); or
(b) Anyone engaged in a professional capacity during the regular
course of employment in encouraging or promoting the health,
wellness, support, or education of vulnerable adults, or providing
social services to vulnerable adults, whether in an individual capacity
or as an employee or agent of any public or private organization or
institution.

(17) "Vulnerable adult" includes a person:
(a) Sixty years of age or older who has the functional, mental, or
physical inability to care for himself or herself; or
(b) Found incapacitated under chapter 11.88 RCW; or
(c) Who has a developmental disability as defined under RCW
71A.10.020; or
(d) Admitted to any facility; or
(e) Receiving services from home health, hospice, or home care
agencies licensed or required to be licensed under chapter 70.127
RCW; or
(f) Receiving services from an individual provider; or
(g) Who self-directs his or her own care and receives services
from a personal aide under chapter 74.39 RCW.

Sec. 2. RCW 74.34.035 and 2010 c 133 s 4 are each amended to
read as follows:
(1) When there is reasonable cause to believe that abandonment,
abuse, financial exploitation, or neglect of a vulnerable adult has
occurred, mandated reporters shall immediately report to the
department.
(2) When there is reason to suspect that sexual assault has
occurred, mandated reporters shall immediately report to the
appropriate law enforcement agency and to the department.
(3) When there is reason to suspect that physical assault has
occurred or there is reasonable cause to believe that an act has caused
fear of imminent harm:
(a) Mandated reporters shall immediately report to the
department; and
(b) Mandated reporters shall immediately report to the
appropriate law enforcement agency, except as provided in subsection
(4) of this section.

(4) A mandated reporter is not required to report to a law
enforcement agency, unless requested by the injured vulnerable adult
or his or her legal representative or family member, an incident of
physical assault between vulnerable adults that causes minor bodily
injury and does not require more than basic first aid, unless:
(a) The injury appears on the back, face, head, neck, chest,
breasts, groin, inner thigh, buttock, genital, or anal area;
(b) There is a fracture;
(c) There is a pattern of physical assault between the same
vulnerable adults or involving the same vulnerable adults; or
(d) There is an attempt to choke a vulnerable adult.

(5) When there is reason to suspect that the death of a vulnerable
adult was caused by abuse, neglect, or abandonment by another
person, mandated reporters shall, pursuant to RCW 68.50.020, report
the death to the medical examiner or coroner having jurisdiction, as
well as the department and local law enforcement, in the most
expeditious manner possible. A mandated reporter is not relieved
from the reporting requirement provisions of this subsection by the
existence of a previously signed death certificate. If abuse, neglect, or
abandonment caused or contributed to the death of a vulnerable adult,
the death is a death caused by unnatural or unlawful means, and the
body shall be the jurisdiction of the coroner or medical examiner
pursuant to RCW 68.50.010.

(6) Permissive reporters may report to the department or a law
enforcement agency when there is reasonable cause to believe that a
vulnerable adult is being or has been abandoned, abused, financially
exploited, or neglected.

(7) No facility, as defined by this chapter, agency licensed or
required to be licensed under chapter 70.127 RCW, or facility or
agency under contract with the department to provide care for
vulnerable adults may develop policies or procedures that interfere
with the reporting requirements of this chapter.

(8) Each report, oral or written, must contain as much as possible
of the following information:
(a) The name and address of the person making the report;
(b) The name and address of the vulnerable adult and the name of
the facility or agency providing care for the vulnerable adult;
(c) The name and address of the legal guardian or alternate
decision maker;
(d) The nature and extent of the abandonment, abuse, financial
exploitation, neglect, or self-neglect;
(e) Any history of previous abandonment, abuse, financial
exploitation, neglect, or self-neglect;
(f) The identity of the alleged perpetrator, if known; and
(g) Other information that may be helpful in establishing the
extent of abandonment, abuse, financial exploitation, neglect, or the
cause of death of the deceased vulnerable adult.

(9) Unless there is a judicial proceeding or the person consents,
the identity of the person making the report under this section is
confidential.

(10) In conducting an investigation of abandonment, abuse, financial
exploitation, self-neglect, or neglect, the department or law
enforcement, upon request, must have access to all relevant records
related to the vulnerable adult that are in the possession of mandated
reporters and their employees, unless otherwise prohibited by law.

Records maintained under RCW 42.24.250, 18.20.390, 43.70.510,
70.41.200, 70.230.080, and 74.42.640 shall not be subject to the
requirements of this subsection. Providing access to records relevant
to an investigation by the department or law enforcement under this
provision may not be deemed a violation of any confidential
communication privilege.

Sec. 3. RCW 74.34.067 and 2011 c 170 s 2 are each amended to
read as follows:
(1) Where appropriate, an investigation by the department may
include a private interview with the vulnerable adult regarding the
alleged abandonment, abuse, financial exploitation, neglect, or self-
neglect.
(2) In conducting the investigation, the department shall interview
the complainant, unless anonymous, and shall use its best efforts to
interview the vulnerable adult or adults harmed, and, consistent with
the protection of the vulnerable adult shall interview facility staff, any
available independent sources of relevant information, including if
appropriate the family members of the vulnerable adult.
(3) The department may conduct ongoing case planning and
consultation with: (a) Those persons or agencies required to report
under this chapter or submit a report under this chapter; (b)
consultants designated by the department; and (c) designated
representatives of Washington Indian tribes if client information
exchanged is pertinent to cases under investigation or the provision of
protective services. Information considered privileged by statute and
not directly related to reports required by this chapter must not be
divulged without a valid written waiver of the privilege.
(4) The department shall prepare and keep on file a report of each
investigation conducted by the department for a period of time in
accordance with policies established by the department.
(5) If the department has reason to believe that the vulnerable
adult has suffered from abandonment, abuse, financial exploitation,
neglect, or self-neglect, and lacks the ability or capacity to consent,
and needs protection of a guardian, the department may bring a
guardianship action under chapter 11.88 RCW.
(6) For purposes consistent with this chapter, the department, the
certified professional guardian board, and the office of public
guardianship may share information contained in reports and
investigations of the abuse, abandonment, neglect, self-neglect, and
financial exploitation of vulnerable adults. This information may be
used solely for (a) recruiting or appointing appropriate guardians and
(b) monitoring, or when appropriate, disciplining certified
professional or public guardians. Reports of abuse, abandonment,
neglect, self-neglect, and financial exploitation are confidential under
RCW 74.34.095 and other laws, and secondary disclosure of
information shared under this section is prohibited.
(7) When the investigation is completed and the department
determines that an incident of abandonment, abuse, financial
exploitation, neglect, or self-neglect has occurred, the department
shall inform the vulnerable adult of their right to refuse protective
services, and ensure that, if necessary, appropriate protective services
are provided to the vulnerable adult, with the consent of the
vulnerable adult. The vulnerable adult has the right to withdraw or
refuse protective services.
(8) The department's adult protective services division may
enter into agreements with federally recognized tribes to investigate
reports of abandonment, abuse, financial exploitation, neglect, or self-
neglect of vulnerable adults on property over which a federally
recognized tribe has exclusive jurisdiction. If the department has
information that abandonment, abuse, financial exploitation, or
neglect is criminal or is placing a vulnerable adult on tribal property at
potential risk of personal or financial harm, the department may
notify tribal law enforcement or another tribal representative specified
by the tribe. Upon receipt of the notification, the tribe may assume
jurisdiction of the matter. Neither the department nor its employees
may participate in the investigation after the tribe assumes
jurisdiction. The department, its officers, and its employees are not
liable for any action or inaction of the tribe or for any harm to the
alleged victim, the person against whom the allegations were made,
or other parties that occurs after the tribe assume jurisdiction.
Nothing in this section limits the department's jurisdiction and
authority over facilities or entities that the department licenses or
certifies under federal or state law.
(9) The department may photograph a vulnerable adult or
their environment for the purpose of providing documentary evidence
of the physical condition of the vulnerable adult or his or her
environment. When photographing the vulnerable adult, the
department shall obtain permission from the vulnerable adult or his or
her legal representative unless immediate photographing is necessary
to preserve evidence. However, if the legal representative is alleged
to have abused, neglected, abandoned, or exploited the vulnerable
adult, consent from the legal representative is not necessary. No such
consent is necessary when photographing the physical environment.
(10) When the investigation is complete and the
department determines that the incident of abandonment, abuse,
financial exploitation, or neglect has occurred, the department shall
inform the facility in which the incident occurred, consistent with
confidentiality requirements concerning the vulnerable adult,
witnesses, and complainants."

SSB 5705 Prime Sponsor, Committee on Governmental Operations: Concerning amounts received by taxing districts from property tax refunds and abatements. Reported by Committee on Finance

MAJORITY recommendation: Do pass. Signed by Representatives Carlyle, Chair; Tharinger, Vice Chair; Nealey,
Although the state must assure that students in public schools have opportunities to participate in the instructional program of basic education, there is no obligation for either the state or school districts to provide that instruction using a particular delivery method or through a particular program.

(2) The legislature finds ample evidence of the need to examine and reconsider policies under which alternative learning that occurs outside the classroom using an individual student learning plan may be considered equivalent to full-time attendance in school, including for funding purposes. Previous legislative studies have raised questions about financial practices and accountability in alternative learning experience ((programs)) courses. Since 2005, there has been significant enrollment growth in alternative learning experience online ((programs)) courses, with evidence of unexpected financial impact when large numbers of nonresident students enroll in ((programs)) courses. Based on this evidence, there is a rational basis on which to conclude that there are different costs associated with providing ((programs)) courses not primarily based on full-time, daily contact between teachers and students and not primarily occurring on-site in a classroom.

(3) For these reasons, the legislature intends to allow for continuing review and revision of the way in which state funding allocations are used to support alternative learning experience ((programs)) courses.

Sec. 2. RCW 28A.150.325 and 2011 1st sp.s. c 34 s 2 are each amended to read as follows:

(1) (For purposes of this subsection) The definitions in this subsection apply throughout this chapter unless the context clearly requires otherwise.

(a) “Alternative learning experience ((program)) course” means a course ((or set of courses)) that is a delivery method for the program of basic education and is:

((i))) (i) Provided in whole or in part independently from a regular classroom setting or schedule, but may include some components of direct instruction;

((ii))) (ii) Supervised, instructed, monitored, assessed, evaluated, and documented by a certificated teacher employed by the school district or under contract as permitted by applicable rules; and

((iii))) (iii) Provided in accordance with a written student learning plan that is implemented pursuant to the school district’s policy and rules adopted by the superintendent of public instruction for alternative learning experiences.

(b) “In-person” means face-to-face instructional contact in a physical classroom environment.

(c) “Instructional contact time” means instructional time with a certificated teacher. Instructional contact time must be for the purposes of actual instruction, review of assignments, testing, evaluation of student progress, or other learning activities or requirements identified in the student’s written student learning plan. Instructional contact time must be related to an alternative learning experience course identified in the student’s written student learning plan. Instructional contact time may occur in a group setting between the teacher and multiple students and may be delivered either in-person or remotely using technology.

(d) “Online course” has the same meaning as provided in RCW 28A.250.010.

(e) “Remote course” means an alternative learning experience course that is not an online course where the student has in-person instructional contact time for less than twenty percent of the total weekly time for the course.

(f) “Site-based course” means an alternative learning experience course where the student has in-person instructional contact time for at least twenty percent of the total weekly time for the course.

(g) “Total weekly time” means the estimated average hours per school week the student will engage in learning activities to meet the requirements of the written student learning plan.
subsection shall prohibit school districts from contracting providers with these requirements. However, nothing in this section shall allow state law including the provisions of RCW 28A.250.060, for students enrolled in remote, site-based, or online alternative learning experience courses. High school courses must meet district or state graduation requirements and be offered for high school credit.

(3) School districts that offer alternative learning experience courses may not provide any compensation, reimbursement, gift, reward, or gratuity to any parents, guardians, or students for participation in the courses. School district employees are prohibited from receiving any compensation or payment as an incentive to increase student enrollment of out-of-district students in alternative learning experience courses. This prohibition includes, but is not limited to, providing funds to parents, guardians, or students for the purchase of educational materials, supplies, experiences, services, or technological equipment. A district may purchase educational materials, equipment, or other nonconsumable supplies for students' use in alternative learning experience courses if the purchase is consistent with the district's approved curriculum, conforms to applicable laws and rules, and is made in the same manner as such purchases are made for students in the district's regular instructional program. Items so purchased remain the property of the school district upon program completion. School districts may not purchase or contract for instructional or cocurricular experiences and services that are included in an alternative learning experience written student learning plan, including but not limited to lessons, trips, and other activities, unless substantially similar experiences and services are available to students enrolled in the district's regular instructional program. School districts that purchase or contract for such experiences and services for students enrolled in an alternative learning experience course must submit an annual report to the office of the superintendent of public instruction detailing the costs and purposes of the expenditures. These requirements extend to contracted providers of alternative learning experience courses, and each district shall be responsible for monitoring the compliance of its providers with these requirements. However, nothing in this section shall prohibit school districts from contracting with school district employees to provide services or experiences to students, or from contracting with online providers approved by the office of the superintendent of public instruction pursuant to chapter 28A.250 RCW.

(4) Part-time enrollment in alternative learning experiences is subject to the provisions of RCW 28A.150.350.

(5) The superintendent of public instruction shall adopt rules defining minimum requirements and accountability for alternative learning experience programs. Each school district offering or contracting to offer alternative learning experience courses must:

(a) Report annually to the superintendent of public instruction regarding the course types and offerings, and number of students participating in each, and

(b) Document the district of residence for each student enrolled in an alternative learning experience course.

(6) School districts must assess the educational progress of enrolled students at least annually, using, for full-time students, the state assessment for the student's grade level and using any other annual assessments required by the school district. Part-time students must also be assessed at least annually. However, part-time students who are either receiving home-based instruction under chapter 28A.200 RCW or who are enrolled in an approved private school under chapter 28A.195 RCW are not required to participate in the assessments required under chapter 28A.655 RCW. The rules must address how students who reside outside the geographic service area of the school district are to be assessed.

(7) Beginning with the 2013-14 school year, school districts must designate alternative learning experience courses as such when reporting course information to the office of the superintendent of public instruction under RCW 28A.300.500.

(8) The superintendent of public instruction shall adopt rules necessary to implement this section.

Sec. 3. RCW 28A.150.262 and 2011 1st sp.s.c 34 s 3 are each amended to read as follows:

Under RCW 28A.150.260, the superintendent of public instruction shall revise the definition of a full-time equivalent student to include students who receive instruction through alternative learning experience online courses. As used in this section, an "alternative learning experience online course" is an online course as defined in RCW 28A.250.010 that is delivered to students in whole or in part independently from a regular classroom schedule. Beginning in the 2013-14 school year, alternative learning experience online courses must be offered by an online provider approved by the superintendent of public instruction under RCW 28A.250.020 to meet the definition in this section. The rules shall include but not be limited to the following:

(1) Defining a full-time equivalent student under RCW 28A.150.260 or part-time student under RCW 28A.150.350 based upon the district's estimated average weekly hours of learning activity as identified in the student's learning plan, as long as the student is found, through monthly evaluation, to be making satisfactory progress. The rules shall establish procedures that address how the counting of students must be coordinated by resident and nonresident districts for state funding so that no student is counted for more than one full-time equivalent in the aggregate;

(2) Requiring the board of directors of a school district offering, or contracting under RCW 28A.150.305 to offer, an alternative learning experience online course to adopt and annually review written policies for each program and program provider and to receive an annual report on its courses and number of students participating;

(3) Requiring each school district offering or contracting to offer an alternative learning experience online course to report annually to the superintendent of public instruction on the types of courses offered, and number of students participating;

(4) Requiring completion of a self-evaluation;

(5) Requiring documentation of the district of the student's physical residence;

(6) Requiring that instruction, supervision, monitoring, assessment, and evaluation of the alternative learning experience online course be provided by a certificated teacher;

(7) Requiring each school district offering courses to identify the ratio of certificated instructional staff to full-time equivalent students enrolled in such courses, and to include a description of their ratio as part of the reports required under subsections (2) and (3) of this section;

(8) Requiring reliable methods to verify a student is doing his or her work; the methods may include proctored examinations or projects, including the use of web cams or other technologies.
"Proctored" means directly monitored by an adult authorized by the school district;

(9) Requiring, for each student receiving instruction in an alternative learning experience online ((program or courses)) course, a learning plan that includes a description of course objectives and information on the requirements a student must meet to successfully complete the ((program or courses)) course. The rules shall allow course syllabi and other additional information to be used to meet the requirement for a learning plan;

(10) Requiring that the district assess the educational progress of enrolled students at least annually, using, for full-time students, the state assessment for the student's grade level and using any other annual assessments required by the school district. Part-time students shall also be assessed at least annually. However, part-time students who are either receiving home-based instruction under chapter 28A.200 RCW or who are enrolled in an approved private school under chapter 28A.195 RCW are not required to participate in the assessments required under chapter 28A.655 RCW. The rules shall address how students who reside outside the geographic service area of the school district are to be assessed;

(11) Requiring that each student enrolled in the ((program or courses)) course have direct personal contact with a certificated teacher at least weekly until the student completes the course objectives or the requirements in the learning plan. Direct personal contact is for the purposes of instruction, review of assignments, testing, evaluation of student progress, or other learning activities. Direct personal contact may include the use of telephone, e-mail, instant messaging, interactive video communication, or other means of digital communication. The superintendent may not adopt a rule specifying a minimum duration of weekly personal contact;

(12) Requiring state-funded public schools or public school programs whose primary purpose is to provide alternative learning experience online ((learning programs)) courses to receive accreditation through the Northwest accreditation commission or another national, regional, or state accreditation program listed by the office of the superintendent of public instruction after consultation with the ((Washington coalition for)) online learning advisory committee;

(13) Requiring state-funded public schools or public school programs whose primary purpose is to provide alternative learning experience online ((learning programs)) courses to provide information to students and parents on whether or not the courses ((or programs)):

(i) Cover one or more of the school district's learning goals or of the state's essential academic learning requirements or whether they permit the student to meet one or more of the state's or district's graduation requirements; and

(ii) Requiring that a school district that provides one or more alternative learning experience online courses to a student provide the parent or guardian of the student, prior to the student's enrollment, with a description of any difference between home-based education as described in chapter 28A.200 RCW and the enrollment option selected by the student. The parent or guardian shall sign documentation attesting to his or her understanding of the difference and the documentation shall be retained by the district and made available for audit.

NEW SECTION. Sec. 4. The superintendent of public instruction shall separately calculate and allocate moneys appropriated under RCW 28A.150.260 to school districts for each full-time equivalent student enrolled in an alternative learning experience course. The calculation shall be based on the estimated statewide annual average allocation per full-time equivalent student in grades nine through twelve in general education, excluding small high school enhancements, and including applicable rules and provisions of the omnibus appropriations act.

Sec. 5. RCW 28A.250.010 and 2011 1st sp.s. c 34 s 5 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

1(a) "Multidistrict online provider" means:

(i) A private or nonprofit organization that enters into a contract with a school district to provide online courses or programs to K-12 students from more than one school district;

(ii) A private or nonprofit organization that enters into contracts with multiple school districts to provide online courses or programs to K-12 students from those districts; or

(iii) Except as provided in (b) of this subsection, a school district that provides online courses or programs to students who reside outside the geographic boundaries of the school district.

(b) "Multidistrict online provider" does not include a school district online learning program in which fewer than ten percent of the students enrolled in the program are from other districts under the interdistrict student transfer provisions of RCW 28A.225.225.

"Multidistrict online provider" also does not include regional online learning programs that are jointly developed and implemented by two or more school districts or an educational service district through an interdistrict cooperative program agreement that addresses, at a minimum, how the districts share student full-time equivalency for state basic education funding purposes and how categorical education programs, including special education, are provided to eligible students.

2(a) "Online course" means a course where:

(i) More than half of the course content is delivered electronically using the internet or other computer-based methods; and

(ii) More than half of the teaching is conducted from a remote location through an online course learning management system or other online or electronic tools; and

(iii) The student's primary instructional interaction is with a certificated teacher. Instructional interaction between the teacher and the student includes, but is not limited to, direct instruction, review of assignments, assessment, testing, progress monitoring, and educational facilitation.

(b) "Online school program" means a school program that:

(i) Offers courses or grade-level coursework that is delivered primarily electronically using the internet or other computer-based methods;

(ii) Offers courses or grade-level coursework that is taught by a teacher primarily from a remote location using online or other electronic tools. Students enrolled in an online program may have access to the teacher synchronously, asynchronously, or both;

(iii) Offers a sequential set of online courses or grade-level coursework that may be taken in a single school term or throughout the school year in a manner that could provide a full-time basic education program if so desired by the student. Students may enroll in the program as part-time or full-time students; and

(iv) Has an online component of the program with online lessons and tools for student and data management.

(c) An online course or online school program may be delivered to students at school as part of the regularly scheduled school day. An online course or online school program also may be delivered to students, in whole or in part, independently from a regular classroom schedule, but such courses or programs must comply with RCW 28A.150.262 (as recodified by this act) to qualify for state basic education funding.

2(b)(ii) "Online provider" means any provider of an online course or program, including multidistrict online providers, all school district online learning programs, and all regional online learning programs.

Sec. 6. RCW 28A.250.020 and 2011 1st sp.s. c 34 s 6 are each amended to read as follows:

1 The superintendent of public instruction, in collaboration with the state board of education, shall develop and implement approval criteria and a process for approving online providers; a process for monitoring and if necessary rescinding the approval of courses or
programs offered by an online provider; and an appeals process. The superintendent shall select the chair of the committee. The criteria and processes for multidistrict online providers shall be adopted by rule by December 1, 2009.

(2) When developing the approval criteria, the superintendent of public instruction shall require that providers offering online courses or programs have accreditation, or are candidates for accreditation, through the Northwest accreditation commission or another national, regional, or state accreditation program listed by the office of the superintendent of public instruction (after consultation with the Washington coalition for online learning). In addition to other criteria, the approval criteria shall include the degree of alignment with state academic standards and require that all teachers be certificated in accordance with Washington state law. When reviewing online providers that offer high school courses, the superintendent of public instruction shall assure that the courses offered by the provider are eligible for high school credit. However, final decisions regarding whether credit meets the school district's graduation requirements shall remain the responsibility of the school districts.

(3) Initial approval of online providers by the superintendent of public instruction shall be for four years. The superintendent of public instruction shall develop a process for the renewal of approvals and for rescinding approvals based on noncompliance with approval requirements. Any multidistrict online provider that was approved by the digital learning commons or accredited by the Northwest association of accredited schools before July 26, 2009, and that meets the teacher certification requirements of subsection (2) of this section, is exempt from the initial approval process under this section until August 31, 2012, but must comply with the process for renewal of approvals and must comply with approval requirements.

(4) The superintendent of public instruction shall make the first round of decisions regarding approval of multidistrict online providers by April 1, 2010. The first round of decisions regarding approval of online providers that are not multidistrict online providers shall be made by April 1, 2013. Thereafter, the superintendent of public instruction shall make annual approval decisions no later than November 1st of each year.

(5) The superintendent of public instruction shall establish an online learning advisory committee within existing resources that shall provide advice to the superintendent regarding the approval criteria, major components of the web site, the model school district policy, model agreements, and other related matters. The committee shall include a representative of each of the following groups: Private and public online providers, parents of online students, accreditation organizations, educational service districts, school principals, teachers, school administrators, school board members, institutions of higher education, and other individuals as determined by the superintendent. Members of the advisory committee shall be selected by the superintendent based on nominations from statewide organizations, shall serve three-year terms, and may be reappointed.

The superintendent shall select the chair of the committee.

Sec. 7. RCW 28A.250.050 and 2011 1st sp.s c 34 s 11 are each amended to read as follows:

(1) By August 31, 2010, all school district boards of directors shall develop policies and procedures regarding student access to online courses and online learning programs. The policies and procedures shall include but not be limited to: Student eligibility criteria; the types of online courses available to students through the school district; the methods districts will use to support student success, which may include a local advisor; when the school district will and will not pay course fees and other costs; the granting of high school credit; and a process for students and parents or guardians to formally acknowledge any course taken for which no credit is given. The policies and procedures shall take effect beginning with the 2010-11 school year. School districts shall submit their policies to the superintendent of public instruction by September 15, 2010. By December 1, 2010, the superintendent of public instruction shall summarize the school district policies regarding student access to online courses and submit a report to the legislature.

(2) School districts must award credit and grades for online high school courses successfully completed by a student that meet the school district's graduation requirements and are provided by an approved online provider.

(3) School districts shall provide students with information regarding online courses that are available through the school district. The information shall include the types of information described in subsection (1) of this section.

(4) When developing local or regional online learning programs, school districts shall incorporate into the program design the approval criteria developed by the superintendent of public instruction under RCW 28A.250.020.

Sec. 8. RCW 28A.250.060 and 2011 1st sp.s c 34 s 8 are each amended to read as follows:

(1) Beginning with the 2011-12 school year, school districts may claim state funding under section 4 of this act, to the extent otherwise allowed by state law, for students enrolled in online courses or programs only if the online courses or programs are:
   (a) Offered by a multidistrict online provider approved under RCW 28A.250.020 by the superintendent of public instruction;
   (b) Offered by a school district online learning program if the program serves students who reside within the geographic boundaries of the school district, including school district programs in which fewer than ten percent of the program's students reside outside the school district's geographic boundaries; or
   (c) Offered by a regional online learning program where courses are jointly developed and offered by two or more school districts or an educational service district through an interdistrict cooperative program agreement.

(2) Beginning with the 2013-14 school year, school districts may claim state funding under RCW 28A.150.260, to the extent otherwise allowed by state law, for students enrolled in online courses or programs only if the online courses or programs are offered by an online provider approved under RCW 28A.250.020 by the superintendent of public instruction.

(3) Criteria shall be established by the superintendent of public instruction to allow online courses that have not been approved by the superintendent of public instruction to be eligible for state funding if the course is in a subject matter in which no courses have been approved and, if it is a high school course, the course meets Washington high school graduation requirements.

Sec. 9. RCW 28A.250.070 and 2009 c 542 s 8 are each amended to read as follows:

Nothing in this chapter is intended to diminish the rights of students to attend a nonresident school district in accordance with RCW 28A.225.220 through 28A.225.230 for the purposes of enrolling in online courses or online school programs. The office of online learning under RCW 28A.250.030 shall develop a standard form, which must be used by all school districts, for releasing a student to a nonresident school district for the purposes of enrolling in an online course or online school program.

NEW SECTION. Sec. 10. A new section is added to chapter 28A.250 RCW to read as follows:

An online school program may request a waiver from the office of the superintendent of public instruction to administer one or more sections of the statewide student assessment for grades three through eight for some or all students enrolled in the program on alternate days or on an alternate schedule, as long as the administration is within the testing period established by the office. The office may deny a request for a waiver if the online school program's proposal does not maintain adequate test security or would reduce the reliability of the assessment results by providing an inequitable advantage for some students.
Sec. 11. RCW 28A.225.220 and 1995 c 335 s 602 and 1995 c 52 s 2 are each reenacted and amended to read as follows:

(1) Any board of directors may make agreements with adults choosing to attend school, and may charge the adults reasonable tuition.

(2) A district is strongly encouraged to honor the request of a parent or guardian for his or her child to attend a school in another district or the request of a parent or guardian for his or her child to transfer as a student receiving home-based instruction.

(3) A district shall release a student to a nonresident district that agrees to accept the student if:
   (a) A financial, educational, safety, or health condition affecting the student would likely be reasonably improved as a result of the transfer; or
   (b) Attendance at the school in the nonresident district is more accessible to the parent's place of work or to the location of child care; or
   (c) There is a special hardship or detrimental condition; or
   (d) The purpose of the transfer is for the student to enroll in an online course or online school program offered by an online provider approved under RCW 28A.250.020.

(4) A district may deny the request of a resident student to transfer to a nonresident district if the release of the student would adversely affect the district's existing desegregation plan.

(5) For the purpose of helping a district assess the quality of its education program, a resident school district may request an optional exit interview or questionnaire with the parents or guardians of a child transferring to another district. No parent or guardian may be forced to attend such an interview or complete the questionnaire.

(6) Beginning with the 1993-94 school year, school districts may not charge transfer fees or tuition for nonresident students enrolled under subsection (3) of this section and RCW 28A.225.225. Reimbursement of a high school district for cost of educating high school pupils of a nonhigh school district shall not be deemed a transfer fee as affecting the apportionment of current state school funds.

Sec. 12. RCW 28A.225.225 and 2009 c 380 s 7 are each amended to read as follows:

(1) Except for students who reside out-of-state and students under RCW 28A.225.217, a district shall accept applications from nonresident students who are the children of full-time certificated and classified school employees, and those children shall be permitted to enroll:
   (a) At the school to which the employee is assigned;
   (b) At a school forming the district's K through 12 continuum which includes the school to which the employee is assigned; or
   (c) At a school in the district that provides early intervention services pursuant to RCW 28A.155.065 or preschool services pursuant to RCW 28A.155.070, if the student is eligible for such services.

(2) A district may reject applications under this section if:
   (a) The student's disciplinary records indicate a history of convictions for offenses or crimes, violent or disruptive behavior, or gang membership;
   (b) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (2)(b) must apply uniformly to both resident and nonresident applicants; and
   (c) Enrollment of a child under this section would displace a child who is a resident of the district, except that if a child is admitted under subsection (1) of this section, that child shall be permitted to remain enrolled at that school, or in that district's kindergarten through twelfth grade continuum, until he or she has completed his or her schooling; or
   (d) The student has repeatedly failed to comply with requirements for participation in an online school program, such as participating in weekly direct contact with the teacher or monthly progress evaluations.

(3) Except as provided in subsection (1) of this section, all districts accepting applications from nonresident students or from students receiving home-based instruction for admission to the district's schools shall consider equally all applications received. Each school district shall adopt a policy establishing rational, fair, and equitable standards for acceptance and rejection of applications by June 30, 1990. The policy may include rejection of a nonresident student if:
   (a) Acceptance of a nonresident student would result in the district experiencing a financial hardship;
   (b) The student's disciplinary records indicate a history of convictions for offenses or crimes, violent or disruptive behavior, or gang membership; or
   (c) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (3)(c) must apply uniformly to both resident and nonresident applicants.

For purposes of subsections (2)(a) and (3)(b) of this section, "gang" means a group which: (i) Consists of three or more persons; (ii) has identifiable leadership; and (iii) on an ongoing basis, regularly conspires and acts in concert mainly for criminal purposes.

(4) The district shall provide to applicants written notification of the approval or denial of the application in a timely manner. If the application is rejected, the notification shall include the reason or reasons for denial and the right to appeal under RCW 28A.225.230(3).

Sec. 13. RCW 28A.150.100 and 2011 1st sp.s c 34 s 10 are each amended to read as follows:

(1) For the purposes of this section and RCW 28A.150.410 and 28A.400.200, "basic education certificated instructional staff" means all full-time equivalent classroom teachers, teacher librarians, guidance counselors, certificated student health services staff, and other certificated instructional staff in the following programs as defined for statewide school district accounting purposes: Basic education, secondary vocational education, general instructional support, and general supportive services.

(2) Each school district shall maintain a ratio of at least forty-six basic education certificated instructional staff to one thousand annual average full-time equivalent students. This requirement does not apply to that portion of a district's annual average full-time equivalent enrollment that is enrolled in alternative learning experience ("program") courses as defined in RCW 28A.150.325 (as recodified by this act).

Sec. 14. RCW 28A.525.162 and 2012 c 244 s 2 are each amended to read as follows:

(1) Funds appropriated to the superintendent of public instruction from the common school construction fund shall be allotted by the superintendent of public instruction in accordance with this chapter.

(2) No allotment shall be made to a school district until such district has provided local funds equal to or greater than the difference between the total approved project cost and the amount of state funding assistance to the district for financing the project computed pursuant to RCW 28A.525.166, with the following exceptions:
   (a) The superintendent of public instruction may waive the local requirement for state funding assistance for districts which have provided funds for school building construction purposes through the authorization of bonds or through the authorization of excess tax levies or both in an amount equivalent to two and one-half percent of the value of its taxable property, as defined in RCW 39.36.015.
   (b) No such local funds shall be required as a condition to the allotment of funds from the state for the purpose of making major or minor structural changes to existing school facilities in order to bring
such facilities into compliance with the barrier free access requirements of section 504 of the federal rehabilitation act of 1973 (29 U.S.C. Sec. 706) and rules implementing the act.

(3) For the purpose of computing the state funding assistance percentage under RCW 28A.525.166 when a school district is granted authority to enter into contracts, adjusted valuation per pupil shall be calculated using headcount student enrollments from the most recent October enrollment reports submitted by districts to the superintendent of public instruction, adjusted as follows:

(a) In the case of projects for which local bonds were approved after May 11, 1989:

(i) For districts which have been designated as serving high school districts under RCW 28A.540.110, students residing in the nonhigh district so designating shall be excluded from the enrollment count if the student is enrolled in any grade level not offered by the nonhigh district;

(ii) The enrollment of nonhigh school districts shall be increased by the number of students residing within the district who are enrolled in a serving high school district so designated by the nonhigh school district under RCW 28A.540.110, including only students who are enrolled in grade levels not offered by the nonhigh school district; and

(iii) The number of preschool students with disabilities included in the enrollment count shall be multiplied by one-half;

(b) In the case of construction or modernization of high school facilities in districts serving students from nonhigh school districts, the adjusted valuation per pupil shall be computed using the combined adjusted valuations and enrollments of each district, each weighted by the percentage of the district's resident high school students served by the high school district;

(c) The number of kindergarten students included in the enrollment count shall be counted as one headcount student; and

(d) The number of students residing outside the school district who are enrolled in alternative learning experience ((programs)) courses under RCW 28A.150.325 (as recodified by this act) shall be excluded from the total.

(4) In lieu of the exclusion in subsection (3)(d) of this section, a district may submit an alternative calculation for excluding students enrolled in alternative learning experience ((programs)) courses. The alternative calculation must show the student headcount use of district classroom facilities on a regular basis for a regular duration by out-of-district alternative learning experience ((programs)) students subtracted by the headcount of in-district alternative learning experience ((programs)) students not using district classroom facilities on a regular basis for a reasonable duration. The alternative calculation must be submitted in a form approved by the office of the superintendent of public instruction. The office of the superintendent of public instruction shall prescribe such rules as are necessary to equate insofar as possible the efforts made by school districts to provide capital funds by the means aforesaid.

(5) The superintendent of public instruction, considering policy recommendations from the school facilities citizen advisory panel, shall prescribe such rules as are necessary to equate insofar as possible the efforts made by school districts to provide capital funds by the means aforesaid.

(6) For the purposes of this section, "preschool students with disabilities" means children of preschool age who have developmental disabilities who are entitled to services under RCW 28A.155.010 through 28A.155.100 and are not included in the kindergarten enrollment count of the district.

Sec. 15. RCW 28A.525.166 and 2012 c 244 s 3 are each amended to read as follows:

Allocations to school districts of state funds provided by RCW 28A.525.162 through 28A.525.180 shall be made by the superintendent of public instruction and the amount of state funding assistance to a school district in financing a school plant project shall be determined in the following manner:

- (1) The boards of directors of the districts shall determine the total cost of the proposed project, which cost may include the cost of acquiring and preparing the site, the cost of constructing the building or of acquiring a building and preparing the same for school use, the cost of necessary equipment, taxes chargeable to the project, necessary architects' fees, and a reasonable amount for contingencies and for other necessary incidental expenses: PROVIDED, That the total cost of the project shall be subject to review and approval by the superintendent.

- (2) The state funding assistance percentage for a school district shall be computed by the following formula:

<table>
<thead>
<tr>
<th>District adjusted valuation</th>
<th>Total state valuation</th>
<th>State Funding Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>3-valuation ÷ adjusted valuation</td>
<td>3+valuation ÷ adjusted valuation</td>
<td></td>
</tr>
</tbody>
</table>

- (3) In addition to the computed state funding assistance percentage developed in subsection (2) of this section, the superintendent may establish for such district a state funding assistance percentage not in excess of twenty percent of the approved cost of the project, if the superintendent finds that such additional assistance is necessary to provide minimum facilities for housing the pupils of the district.

- (4) In computing the state funding assistance percentage in subsection (2) of this section and adjusting the percentage under subsection (3) of this section, students residing outside the school district who are enrolled in alternative learning experience ((programs)) courses under RCW 28A.150.325 (as recodified by this act) shall be excluded from the count of total pupils. In lieu of the exclusion in this subsection, a district may submit an alternative calculation for excluding students enrolled in alternative learning experience ((programs)) courses. The alternative calculation must show the student headcount use of district classroom facilities on a regular basis for a reasonable duration by out-of-district alternative learning experience ((programs)) students not using district classroom facilities on a regular basis for a reasonable duration. The alternative calculation must be submitted in a form approved by the office of the superintendent of public instruction.
NEW SECTION. Sec. 17. (1) RCW 28A.150.262 and 28A.150.325 are each recodified as sections in chapter 28A.--- RCW management shall conduct a study, in consultation with, at minimum, The office of the superintendent of public instruction must develop from the study to the education and fiscal committees of the (3) The office of financial management shall report its findings The alternative learning experience accountability. (1) "Access" means to approach, instruct, communicate with, store data in, retrieve data from, or otherwise make use of any resources of a computer, directly or by electronic means.
(2) "Computer program" means an ordered set of data representing coded instructions or statements that when executed by a computer cause the computer to process data.
(3) "Data" means a representation of information, knowledge, facts, concepts, or instructions that are being prepared or have been prepared in a formalized manner and are intended for use in a computer.
(4) "Enter." The word "enter" when constituting an element or part of a crime, shall include the entrance of the person, or the insertion of any part of his or her body, or any instrument or weapon held in his or her hand and used or intended to be used to threaten or intimidate a person or to detach or remove property.
(5) "Enters or remains unlawfully." A person "enters or remains unlawfully" in or upon premises when he or she is not then licensed, invited, or otherwise privileged to so enter or remain.

A license or privilege to enter or remain in a building which is only partly open to the public is not a license or privilege to enter or remain in that part of a building which is not open to the public. A person who enters or remains upon unimproved and apparently unused land, which is neither fenced nor otherwise enclosed in a manner designed to exclude intruders, does so with license and privilege unless notice against trespass is personally communicated to him or her by the owner of the land or some other authorized person, or unless notice is given by posting in a conspicuous manner. Land that is used for commercial aquaculture or for growing an agricultural crop or crops, other than timber, is not unimproved and apparently unused land if a crop or any other sign of cultivation is clearly visible or if notice is given by posting in a conspicuous manner. Similarly, a field fenced in any manner is not unimproved and apparently unused land. A license or privilege to enter or remain on improved and apparently used land that is open to the public at particular times, which is neither fenced nor otherwise enclosed in a manner to exclude intruders, is not a license or privilege to enter or remain on the land at other times if notice of prohibited times of entry is posted in a conspicuous manner.

(6) "Posting in a conspicuous manner" includes posting a sign or signs reasonably likely to come to the attention of intruders, indicating that entry is restricted or the placement of identifying fluorescent orange paint marks on trees or posts on property.
(a) Identifying fluorescent orange marks must be:
(i) Vertical lines not less than eight inches in length and not less than one inch in width;
(ii) Placed so that the bottom of the mark is between three and five feet from the ground; and
(iii) Placed at locations that are readily visible to any person approaching the property and no more than one hundred feet apart on forest land, as defined in RCW 76.09.020, or one thousand feet apart on land other than forest land.
(b) A landowner must use signs for posting in a conspicuous manner on access roads.
(c) A landowner may use fluorescent orange paint marks to provide notice against trespass only on farm and agricultural land, as defined in RCW 84.34.020(2) (a), (b), and (d), and forest land, as defined in RCW 76.09.020.

(7) "Premises" includes any building, dwelling, structure used for commercial aquaculture, or any real property."

"Sec. 1. RCW 50.12.070 and 2009 c 432 s 11 are each amended to read as follows:

(1)(a) Each employing unit shall keep true and accurate work records, containing such information as the commissioner may prescribe. Such records shall be open to inspection and be subject to being copied by the commissioner or his or her authorized representatives at any reasonable time and as often as may be necessary. The commissioner may require from any employing unit any sworn or unsworn reports with respect to persons employed by it, which he or she deems necessary for the effective administration of this title.

(b) An employer who contracts with another person or entity for work subject to chapter 18.27 or 19.28 RCW shall obtain and preserve a record of the unified business identifier account number for and compensation paid to the person or entity performing the work. In addition to the penalty in subsection (3) of this section, failure to obtain or maintain the record is subject to RCW 39.06.010.

(2)(a) Each employer shall register with the department and obtain an employment security account number. (Registration must include the names and social security numbers of the owners, partners, members, or corporate officers of the business, as well as their mailing addresses and telephone numbers; and other information the commissioner may by rule prescribe. Registration of corporations must also include the percentage of stock ownership for each corporate officer, delineated by zero percent, less than ten percent, or ten percent or more. Any changes in the owners, partners, members, or corporate officers of the business, and changes in percentage of ownership of the outstanding shares of stock of the corporation, must be reported to the department at intervals prescribed by the commissioner under (b) of this subsection.

(b) Each employer shall make periodic reports at such intervals as the commissioner may by regulation prescribe, setting forth the remuneration paid for employment to workers in its employ, the full names and social security numbers of all such workers, and the total hours worked by each worker and such other information as the commissioner may by regulation prescribe.

(iii) If the employing unit fails or has failed to report the number of hours in a reporting period for which a worker worked, such number will be computed by the commissioner and given the same force and effect as if it had been reported by the employing unit. In computing the number of such hours worked, the total wages for the reporting period, as reported by the employing unit, shall be divided by the dollar amount of the state’s minimum wage in effect for such reporting period and the quotient, disregarding any remainder, shall be credited to the worker: PROVIDED, That although the computation so made will not be subject to appeal by the employing unit, monetary entitlement may be redetermined upon request if the department is provided with credible evidence of the actual hours worked. Benefits paid using computed hours are not considered an overpayment and are not subject to collections when the correction of computed hours results in an invalid or reduced claim; however:

(i) A contribution paying employer who fails to report the number of hours worked will have its experience rating account charged for all benefits paid that are based on hours computed under this subsection; and

(ii) An employer who reimburses the trust fund for benefits paid to workers and fails to report the number of hours worked shall reimburse the trust fund for all benefits paid that are based on hours computed under this subsection.

(3) Any employer who fails to keep and preserve records required by this section shall be subject to a penalty determined by the commissioner but not to exceed two hundred fifty dollars or two hundred percent of the quarterly tax for each offense, whichever is greater.

Sec. 2. RCW 50.04.165 and 2007 c 146 s 4 are each amended to read as follows:

(2)(a) The corporation must notify the department when it elects to exempt one or more corporate officers from coverage. The notice must be in a format prescribed by the department and signed by the officer or officers being exempted and by another corporate officer verifying the decision to be exempt from coverage.

(b) The election to exempt one or more corporate officers from coverage under this title may be made when the corporation registers as required under RCW 50.12.070. The corporation may also elect exemption at any time following registration; however, an exemption will be effective only as of the first day of a calendar year. A written notice from the corporation must be sent to the department by January 15th following the end of the last calendar year of coverage. Exemption from coverage will not be retroactive, and the corporation is not eligible for a refund or credit for contributions paid for corporate officers for periods before the effective date of the
exemption.

(3) A corporation may elect to reinstate coverage for one or more officers previously exempted under this section, subject to the following:

(a) Coverage may be reinstated only at set intervals of five years beginning with the calendar year that begins five years after January 1, 2009.

(b) Coverage may only be reinstated effective the first day of the calendar year. A written notice from the corporation must be sent to the department by January 15th following the end of the last calendar year the exemption from coverage will apply.

(4) Except for corporations covered by chapters 50.44 and 50.50 RCW, personal services performed by bona fide corporate officers for corporations described under RCW 50.04.080(3) and 50.04.090(2) are not considered services in employment, unless the corporation registers with the department as required in RCW 50.12.070 and elects to provide coverage for its corporate officers under RCW 50.24.160.

(5) If any employer fails to provide notice, the individual's status as a corporate officer is unchanged and the person remains ineligible for unemployment benefits. However, if the employer fails to provide notice, the individual's status as a corporate officer is unchanged and the person remains ineligible for unemployment benefits.

Sec. 3. RCW 50.04.080 and 2007 c 146 s 19 are each amended to read as follows:

"Employing unit" means any individual or any type of organization, including any partnership, association, trust, estate, joint stock company, insurance company, limited liability company, corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or has not ceased to be an employer as provided in this title.

"Employing unit" includes Indian tribes as defined in RCW 50.50.010.

(6) Except for corporations covered by chapters 50.44 and 50.50 RCW, "employer" does not include a corporation when all personal services are performed only by bona fide corporate officers, unless the corporation registers with the department as required in RCW 50.12.070 and elects to provide coverage for its corporate officers under RCW 50.24.160.)

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

E2SSB 5237 Prime Sponsor, Committee on Ways & Means: Establishing accountability for student performance in reading. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that literacy is an ongoing cognitive process that begins at birth. It involves the integration of listening, speaking, reading, writing, and critical thinking. Literacy also includes the knowledge that enables the speaker, writer, or reader to recognize and use language appropriate to a situation in an increasingly complex literate environment. Active literacy allows people to think, create, question, solve problems, and
reflect in order to participate effectively in a democratic, multicultural society.

(2) The legislature finds ample evidence of the importance of early literacy, particularly having students reading at grade level by the end of third grade. According to the national research council, high school graduation can be predicted with reasonable accuracy by knowing someone's reading skill at the end of third grade. Researchers at Yale University identified that three-quarters of students who are poor readers in third grade will remain poor readers in high school.

(3) The legislature further finds building an accountability system focused solely on a reader's performance in third grade will not result in the desired outcome. Identification, diagnosis, targeted and appropriate assistance, and progress monitoring must all begin as soon as an at-risk reader reaches the schoolhouse door. The legislature intends that the statewide assessment in third grade reading or English language arts serve as a checkpoint for the comprehensive system of instruction and services provided in grades kindergarten through three to support reading and early literacy skills.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Responsibility for supporting reading and early literacy is shared among local school districts, state and regional education agencies, and the legislature itself. The legislature's responsibility is to continue to provide funding for the program of basic education, including statewide implementation of full-day kindergarten and reduced class sizes in grades kindergarten through three as provided under RCW 28A.150.260. In addition, the legislature provides support for such initiatives as the Washington reading corps, early learning programs for at-risk children, and professional development for educators.

(2) The office of the superintendent of public instruction is responsible for:

(a) Continuing to work collaboratively with state and regional partners such as the department of early learning and the educational service districts to establish early literacy benchmarks and standards and to implement the Washington state comprehensive literacy plan;

(b) Disseminating research and information to school districts about evidence-based programs and practices in such areas as reading and early literacy, English language acquisition, and instruction for students with dyslexia and other learning disabilities, as well as research on how neuroscience can inform reading instruction;

(c) Providing statewide models to support school districts that are implementing responses to intervention, positive behavior intervention support systems, or other similar comprehensive models of data-based identification and early intervention; and

(d) Within available funds and in partnership with the educational service districts, providing technical assistance and professional development opportunities for school districts.

(3) The responsibility of school districts is to provide a comprehensive system of instruction and services in reading and early literacy to kindergarten through third grade students and their parents or guardians that is tiered based on the degree of student need for additional support. Reading and early literacy systems provided by school districts must include:

(a) Annual use of screening assessments and other tools to identify at-risk readers in kindergarten through third grade, such as the Washington kindergarten inventory of developing skills, the Washington state early learning and development guidelines for birth through third grade, and the second grade reading assessment under RCW 28A.300.310;

(b) Based on the results of screening assessments and progress monitoring of at-risk readers, use of appropriate diagnostic assessments and evaluations to identify potential causes of low reading and literacy skills, such as evaluations to determine whether the student has a form of dyslexia or other learning disability; has another type of disability that requires development of an individualized education program or a section 504 plan; is an English language learner whose language proficiency is impeding the student's reading; has a vision, hearing, or other physical challenge that may be affecting the student's reading; or has other social-emotional or behavioral challenges that are affecting school performance;

(c) Provision of a range of research and evidence-based strategies to assist students in reaching grade-level performance in reading and early literacy, which may include supplemental instruction, specialized curriculum, use of literacy specialists and coaches, special education, section 504 accommodations, transitional bilingual instruction, and referral to social and health service resources in the school district or community;

(d) Continuous use of data, gathered using multiple measures and methods, for identification, assessment, evaluation, progress monitoring, and adjustment of appropriate interventions and support;

(e) To the extent appropriate organizations exist in the local community, creation of partnerships with early learning providers and organizations, out-of-school education service providers, and social and health service organizations and providers, to align and coordinate provision of in and out-of-school services in a wraparound manner that supports all aspects of students' needs; and

(f) Research-based family involvement and engagement strategies, including strategies to help families and guardians assist in improving students' reading and early literacy skills at home.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

(1) The results from the third grade statewide student assessment in reading or English language arts serve as a key accountability measure for the comprehensive system of instruction and services under section 2 of this act to support reading and early literacy.

(2) The state board of education shall annually monitor school and district progress on the third grade statewide student assessment in reading or English language arts, as well as progress on the reading or English language arts assessments in fourth through eighth grade. The board shall examine the results longitudinally to identify patterns and trends within schools and among elementary schools and feeder middle schools. The board shall also examine data disaggregated by student subgroups. The board shall establish benchmarks for identifying warning signs of systemic problems in schools and school districts based on assessment results in reading or English language arts over a three-year period.

(3) The state board of education shall submit a biennial report to the superintendent of public instruction on its analysis and findings under subsection (2) of this section. Based on the report, the superintendent of public instruction shall consult with reading and language arts teachers, the department of early learning, educational service districts, out-of-school education service providers, and other experts to develop recommendations for actions that may be taken, including but not limited to legislative actions, to improve outcomes in reading and early literacy. The recommendations from the superintendent of public instruction must be submitted to the education committees of the legislature biennially, no later than December 1st of each even-numbered year.

NEW SECTION. Sec. 4. Subject to funds appropriated for this specific purpose, the University of Washington shall conduct a research study during the 2013-2015 biennium on the neuroscience associated with children achieving early literacy. The study shall report not only scientific findings, but also explain and illustrate the implications and relevance of the findings for improving reading and literacy instruction and suggest strategies for elementary level classroom teachers and reading specialists to incorporate the results into their practice."

(2)(a) Notwithstanding the restrictions contained in this section regarding the dissemination of records and reports of autopsies or postmortems, nor the exemptions referenced under RCW 42.56.240(1), nothing in this chapter prohibits a coroner, medical examiner, or his or her designee, from publicly discussing his or her findings as to any death subject to the jurisdiction of his or her office where actions of a law enforcement officer or corrections officer have been determined to be a proximate cause of the death, except as provided in (b) of this subsection.
(b) A coroner, medical examiner, or his or her designee may not publicly discuss his or her findings outside of formal court or inquest proceedings if there is a pending or active criminal investigation, or a criminal or civil action, concerning a death that has commenced prior to the effective date of this section.
(3) The coroner, the medical examiner, or the attending physician shall, upon request, meet with the family of the decedent to discuss the findings of the autopsy or postmortem. For the purposes of this section, the term "family" means the surviving spouse, state registered domestic partner, or any child, parent, grandparent, grandchild, brother, or sister of the decedent, or any person who was guardian of the decedent at the time of death.
NEW SECTION. Sec. 2. A new section is added to chapter 68.50 RCW to read as follows:

Self-inspection certificates completed after June 10, 2010, are not satisfactory proof of ownership for cattle.
(3)(a) Upon request by a milk producer licensed under chapter 15.36 RCW, the department must issue an official individual identification tag to be placed by the producer before the first point of sale on bull calves and free-martins (infertile female calves) under thirty days of age. As used in this subsection (3), "green tag" means the official individual identification issued by the department.
(b)Transactions involving unbranded dairy breed bull calves or free-martins (infertile female calves) not being moved or transported out of Washington are exempt from inspection requirements under this chapter only if:

Sec. 2. RCW 16.57.370 and 2003 c 326 s 43 are each amended to read as follows:

SB 5797 Prime Sponsor, Senator Hobbs: Encouraging the establishment of effective specialty courts. Reported by Committee on Judiciary
MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in the state of Washington, there exists a type of court administered by the judiciary commonly called a specialty or therapeutic court. Judges in the trial courts throughout the state effectively utilize specialty and therapeutic courts to remove defendants with their consent and the consent of the prosecuting authority from the normal criminal court system and allow those defendants the opportunity to obtain treatment services to address particular issues that may have contributed to the conduct that led to their arrest in exchange for dismissal of the charges. Trial courts have proved adept at creative approaches in fashioning a wide variety of specialty and therapeutic courts addressing the spectrum of social issues that can contribute to criminal activity.

The legislature also finds that there are presently more than seventy-four specialty and therapeutic courts operating in the state of Washington that save costs to both the trial courts and law enforcement by strategic focus of resources within the criminal justice system. There are presently more than fifteen types of specialty and therapeutic courts in the state including: Veterans treatment court, adult drug court, juvenile drug court, family dependency treatment court, mental health court, DUI court, community court, reentry drug court, tribal healing to wellness court, truancy court, homeless court, domestic violence court, gambling court, and Back on TRAC: Treatment, responsibility, accountability on campus.

The legislature recognizes the inherent authority of the judiciary under Article IV, section 1 of the state Constitution to establish specialty and therapeutic courts. The legislature recognizes the outstanding contribution to the state and a local community made by the establishment of specialty and therapeutic courts and desires to provide a general provision in statute acknowledging and encouraging the judiciary to provide for such courts to address the particular needs within a given judicial jurisdiction.

NEW SECTION. Sec. 2. A new section is added to chapter 2.28 RCW to read as follows:

(1) The legislature respectfully encourages the supreme court to adopt any administrative orders and court rules of practice and procedure it deems necessary to support the establishment of effective specialty and therapeutic courts.

(2) Any jurisdiction may establish a specialty or therapeutic court under this section and may seek state or federal funding as it becomes available for the establishment, maintenance, and expansion of specialty and therapeutic courts and for the provision by participating agencies of treatment to participating defendants.

(3) Any jurisdiction establishing a specialty court shall endeavor to incorporate the treatment court principles of best practices as recognized by state and national treatment court agencies and organizations in structuring a particular program, which may include:

(a) Determine the population;
(b) Perform a clinical assessment;
(c) Develop the treatment plan;
(d) Supervise the offender;
(e) Forge agency, organization, and community partnerships;
(f) Take a judicial leadership role;
(g) Develop case management strategies;
(h) Address transportation issues;
(i) Evaluate the program;
(j) Ensure a sustainable program.

(4) Specialty and therapeutic courts shall continue to: (a) Obtain the consent of the prosecuting authority in order to remove a charged offender from the regular course of prosecution and punishment; and (b) comply with sentencing requirements as established in state law.

NEW SECTION. Sec. 3. The superior court judges' association and the district and municipal court judges' association are encouraged to invite other appropriate organizations and convene a work group to examine the structure of all specialty and therapeutic courts in Washington. If such a work group is convened, the legislature requests a recommendation for the structure for such courts in the law and court rules, incorporating principles of best practices relative to a particular court as recognized by state and national treatment court agencies and organizations, to make such courts more effective and more prevalent throughout the state. The legislature requests such recommendations prior to the beginning of the 2014 legislative session, and respectfully requests the supreme court to consider any recommendations from the work group pertaining to necessary changes in court rules.

NEW SECTION. Sec. 4. For the purposes of this act, "specialty court" and "therapeutic court" both mean a specialized pretrial or sentencing docket in select criminal cases where agencies coordinate work to provide treatment for a defendant who has particular needs.

Sec. 5. RCW 2.28.170 and 2009 c 445 s 2 are each amended to read as follows:

(1) ((Counties)) Jurisdictions may establish and operate drug courts.

(2) For the purposes of this section, "drug court" means a court that has special calendars or docket designs aimed at achieving a reduction in recidivism and substance abuse among nonviolent, substance abusing felony and nonfelony offenders, whether adult or juvenile, by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment; mandatory periodic drug testing; and the use of appropriate sanctions and other rehabilitation services.

(3)(a) Any jurisdiction that seeks a state appropriation to fund a drug court program must first:

(i) Exhaust all federal funding that is available to support the operations of its drug court and associated services; and

(ii) Match, on a dollar-for-dollar basis, state moneys allocated for drug court programs with local cash or in-kind resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for drug court operations and associated services. However, from July 26, 2009, until June 30, 2013, no match is required for state moneys expended for the administrative and overhead costs associated with the operation of a drug court pursuant to RCW 70.96A.350.

(b) Any ((county)) jurisdiction that establishes a drug court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The drug court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(i) The offender would benefit from substance abuse treatment;

(ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030; and

(iii) Without regard to whether proof of any of these elements is required to convict, the offender is not currently charged with or convicted of an offense:

(A) That is a sex offense;

(B) That is a serious violent offense;

(C) During which the defendant used a firearm; or

(D) During which the defendant caused substantial or great bodily harm or death to another person.

Sec. 6. RCW 2.28.175 and 2012 c 183 s 1 are each amended to read as follows:

(2) For the purposes of this section, "DUI court" means a court that has special calendars or dockets designed to achieve a reduction
in recidivism of impaired driving among nonviolent, alcohol abusing offenders, whether adult or juvenile, by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment; mandatory periodic testing for alcohol use and, if applicable, drug use; and the use of appropriate sanctions and other rehabilitation services.

(3)(a) Any jurisdiction that seeks a state appropriation to fund a DUI court program must first:
(i) Exhaust all federal funding that is available to support the operations of its DUI court and associated services; and
(ii) Match, on a dollar-for-dollar basis, state moneys allocated for DUI court programs with local cash or in-kind resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for DUI court operations and associated services. However, until June 30, 2014, no match is required for state moneys expended for the administrative and overhead costs associated with the operation of a DUI court established as of January 1, 2011.
(b) Any jurisdiction that establishes a DUI court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The DUI court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030; and
(iii) Without regard to whether proof of any of these elements is required to convict, the offender is not currently charged with or convicted of an offense:
(A) That is a sex offense;
(B) That is a serious violent offense;
(C) That is vehicular homicide or vehicular assault;
(D) During which the defendant used a firearm; or
(E) During which the defendant caused substantial or great bodily harm or death to another person.

Sec. 7. RCW 2.28.180 and 2011 c 236 s 1 are each amended to read as follows:
(1) Jurisdictions may establish and operate mental health courts.
(2) For the purposes of this section, "mental health court" means a court that has special calendars or dockets designed to achieve a reduction in recidivism and symptoms of mental illness among nonviolent, felony and nonfelony offenders with mental illnesses and recidivism among nonviolent felony and nonfelony offenders who have developmental disabilities as defined in RCW 71A.10.020 or who have suffered a traumatic brain injury by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment including drug treatment for persons with co-occurring disorders; mandatory periodic reviews, including drug testing if indicated; and the use of appropriate sanctions and other rehabilitation services.

(3)(a) Any jurisdiction that seeks a state appropriation to fund a mental health court program must first:
(i) Exhaust all federal funding that is available to support the operations of its mental health court and associated services; and

SB 5359 Prime Sponsor, Committee on Transportation: Concerning mandatory reporting of child abuse or neglect by supervised persons. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.030 and 2012 c 55 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees,
including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the department.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;
(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or
(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(13) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.
(14) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(15) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(16) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substantive abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(17) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(18) Upon receiving a report of alleged abuse or neglect involving a child under the court’s jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child’s guardian ad litem of the report’s contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, “guardian ad litem” has the meaning provided in RCW 13.34.030.

Sec. 2. RCW 26.44.030 and 2012 c 259 s 3 and 2012 c 55 s 1 are each reenacted and amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children’s ombudsman or any volunteer in the ombudsman’s office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless the investigation is being conducted within time frames established by the department in rule.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning;

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.
(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:
(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;
(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;
(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;
(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;
(e) Implement the family assessment response in a consistent and cooperative manner;
(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.
(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:
(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and
(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.
(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.
(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.
(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.
(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.
(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.
(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that the federal fostering connections to success and increasing adoptions act of 2008 provides important new opportunities to increase the impact of state funding through maximizing the amount of federal funding available to promote permanency and positive outcomes for dependent youth.
(2) The legislature also finds that children and adolescents who are legal dependents of Washington state have experienced significant trauma and loss, putting them at increased risk for poor life outcomes. Longitudinal research on the adult functioning of former foster youth indicates a disproportionate likelihood that youth aging out of foster care and those who spent several years in care will experience poor outcomes in a variety of areas, including limited human capital upon which to build economic security and inability to fully take advantage of secondary and postsecondary educational opportunities, untreated mental or behavioral health problems, involvement in the criminal justice and corrections systems, and early parenthood combined with second-generation child welfare involvement.
(3) The legislature further finds that research also demonstrates that access to adequate and appropriate supports during the period of transition from foster care to independence can have significant positive impacts on adult functioning and can improve outcomes relating to educational attainment and postsecondary enrollment, employment and earnings, and reduced rates of teen pregnancies.
Sec. 2. RCW 13.34.030 and 2011 1st sp.s. c 36 s 13 are each reenacted and amended to read as follows:

For purposes of this chapter:
(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the
null
(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

(19) "Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services as defined in RCW 74.13.020.

(20) "Medical condition" means, for the purpose of qualifying for extended foster care services, a short-term or long-term physical or mental health condition as verified and documented by a health care provider.

(21) "Nonminor dependent" means any individual age eighteen to twenty-one years for whom there was an open dependency proceeding at the time that he or she reached the age of eighteen years and who meets the eligibility requirements for extended foster care services authorized under RCW 74.13.031.

(22) "Supervised independent living" may include apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. The department has the discretion to determine on a case-by-case basis which supervised independent living arrangement would be in the best interests of the nonminor dependent.

Sec. 3. RCW 13.34.145 and 2011 c 330 s 6 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent
living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(ii) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

((6)) (5) A youth who participates in extended foster care while reaching age eighteen years is:

(a) Enrolled in a secondary education program or a secondary education equivalency program; (ae)

(b) Enrolled and participating in a postsecondary academic or postsecondary vocational program, or has applied for and can demonstrate that he or she intends to timely enroll in a postsecondary academic or postsecondary vocational program;

(c) Participating in a program or activity designed to promote employment or remove barriers to employment;

(d) Engaging in employment for eighty hours or more per month; or

(e) Ineligible to engage in any of the activities described in (a) through (d) of this subsection due to a medical condition that is supported by regularly updated information.

((2)) (a) The six-month postponement under this subsection is intended to allow a reasonable window of opportunity for an eligible youth to request extended foster care services from the department.

(b) The six-month postponement under this section is intended to allow a reasonable window of opportunity for an eligible youth who reaches the age of eighteen years to request extended foster care services from the department or supervising agency.

((3)) (6) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

((4)) (2) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

((5)) (8) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

((6)) (9) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

((10)) (10) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection ((9)) (9) of this section are met.

((4)) (11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

((5)) (12) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

((6)) (13) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 4. RCW 13.34.267 and 2012 c 52 s 4 are each amended to read as follows:

(1) In order to facilitate the delivery of extended foster care services, the court shall postpone for six months the dismissal of a dependency proceeding for any (child) youth who at the age of eighteen years is:

(a) A dependent (child) in foster care (at the age of eighteen years and who, at the time of his or her eighteenth birthday is); or

(b) Serving a commitment at a juvenile rehabilitation administration facility and has a release date within six months after reaching age eighteen years.

(2) The six-month postponement under this section is intended to allow a reasonable window of opportunity for an eligible youth to request extended foster care services from the department.

(3) Except as provided in subsection (7) of this section, a youth is eligible for extended foster care services if, at any time during the six-month postponement period, he or she agrees to receive such services and is:

(a) Enrolled in a secondary education program or a secondary education equivalency program; (ae)

(b) Enrolled and participating in a postsecondary academic or postsecondary vocational program, or has applied for and can demonstrate that he or she intends to timely enroll in a postsecondary academic or postsecondary vocational program;

(c) Participating in a program or activity designed to promote employment or remove barriers to employment;

(d) Engaging in employment for eighty hours or more per month; or

(e) Ineligible to engage in any of the activities described in (a) through (d) of this subsection due to a medical condition that is supported by regularly updated information.

((5)) (a) The six-month postponement under this subsection is intended to allow a reasonable window of opportunity for an eligible youth who reaches the age of eighteen years to request extended foster care services from the department or supervising agency.

(b) The court shall dismiss the dependency if by the end of the six-month period the youth:

(i) Has not requested extended foster care services from the department ((by the end of the six-month period)); (ae)

(ii) Is no longer eligible for extended foster care services under RCW 74.13.031((40) at any point during the six-month period);

(iii) Has not been released from his or her commitment to the juvenile rehabilitation administration; or

(iv) Does not have extended foster care services available to him or her pursuant to subsection (7) of this section.

(b) Until the youth requests to participate in the extended foster care program, the department is relieved of any supervisory responsibility for the youth.

((5)) (5) A youth who participates in extended foster care while completing a secondary education or equivalency program may
continue to receive extended foster care services for the purpose of participating in a postsecondary academic or postsecondary vocational education program if, at the time the secondary education or equivalency program is completed, the youth has applied to and can demonstrate that he or she intends to timely enroll in a postsecondary academic or vocational education program. The dependency shall be dismissed if the youth fails to timely enroll or continue in the postsecondary program, or reaches age twenty-one, whichever is earlier.

(6) A youth receiving extended foster care services is a party to the dependency proceeding. The youth's parent or guardian shall be dismissed from the dependency proceeding when the youth reaches the age of eighteen years.

(7) If the nonminor dependent meets the criteria described in subsection (c) through (e) of this section, he or she may be eligible to receive extended foster care services pursuant to RCW 74.13.031 to the extent funds are specifically appropriated for this purpose and subject to the nonminor dependent's continuing eligibility and agreement to participate.

(8) The court shall order a youth participating in extended foster care services to be under the placement and care authority of the department, subject to the youth's continuing agreement to participate in extended foster care services. The department may establish foster care rates appropriate to the needs of the youth participating in extended foster care services. The department's placement and care authority over a youth receiving extended foster care services is solely for the purpose of providing services and does not create a cause of action against the department or its employees for any damages caused by the actions of youth receiving extended foster care services.

(9) The court shall appoint counsel to represent a youth, as defined in RCW 13.34.030(2)(b), in dependency proceedings under this section.

(10) The case plan for and delivery of services to a youth receiving extended foster care services is subject to the review requirements set forth in RCW 13.34.138 and 13.34.145, and should be applied in a developmentally appropriate manner, as they relate to youth age eighteen to twenty-one years. Additionally, the youth shall consider:

(a) Whether the youth is safe in his or her placement;
(b) Whether the youth continues to be eligible for extended foster care services;
(c) Whether the current placement is developmentally appropriate for the youth;
(d) The youth's development of independent living skills; and
(e) The youth's overall progress toward transitioning to full independence and the projected date for achieving such transition.

(11) Prior to the review hearing, the youth's attorney shall indicate whether there are any contested issues and may provide additional information necessary for the court's review.

(12) Upon the request of the youth, or when the youth is no longer eligible to receive extended foster care services according to rules adopted by the department, the court shall dismiss the dependency.

SSB 5565 Prime Sponsor, Committee on Human Services & Corrections: Concerning background checks for individuals seeking a license under chapter 74.13 RCW or unsupervised access to children. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that the goals of the child welfare system are the safety, permanence, and well-being of the children it serves. The legislature further recognizes the importance of background checks conducted by the department of social and health services to assess an individual's character, suitablility, and competence to determine whether an individual is appropriate to be provided a license under chapter 74.13 RCW or have unsupervised access to children. The legislature does not intend to change the current secretary of social and health services' list of crimes and negative actions. However, the legislature believes that
either an unreasonable delay in a determination of whether to approve or deny a license under chapter 74.13 RCW or unsupervised access to children, when such unreasonable delay or denial is based solely on a crime or civil infraction not directly related to child safety, is not appropriate and is not in the best interest of the children being served by the child welfare system.

NEW SECTION. Sec. 2. A new section is added to chapter 74.13 RCW to read as follows:

(1) In determining the character, suitability, and competence of an individual, the department may not:

(a) Deny or delay a license or approval of unsupervised access to children by requiring the individual to obtain records relating to a crime or civil infraction revealed in the background check process that is not on the secretary's list of crimes and negative actions and is not related directly to child safety, permanence, or well-being; or

(b) Delay the issuance of a license or approval of unsupervised access to children by requiring the individual to provide the reasons for its decision in writing with copies of the records or documents related to its decision to the individual within ten days of making the decision.

(3) For purposes of this section, "individual" means a relative as defined in RCW 74.39A.056.

(4) The department or its officers, agents, or employees may not be held civilly liable based upon its decision to grant or deny a license under chapter 74.13 RCW or unsupervised access to children if the background information it possesses by the department. All proceeds from the fees collected must go directly to aiding the cost associated with the department conducting background checks.

NEW SECTION. Sec. 3. A new section is added to chapter 74.13 RCW to read as follows:

The department shall charge a fee to process a request made by a person in another state for an individual's child abuse or neglect history in this state or other background history on the individual possessed by the department. All proceeds from the fees collected must go directly to aiding the cost associated with the department conducting background checks.

Sec. 6. RCW 13.34.065 and 2011 c 309 s 24 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, in those areas in which child welfare services are being provided by a supervising agency, the supervising agency shall assume case management responsibilities of the case. The department or supervising agency shall submit a recommendation to the court as to the further need for shelter care in all cases in which the child will remain in shelter care longer than the seventy-two hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

5. "Hearsay evidence before the court regarding the need or lack of need for shelter care."

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing:
(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is_pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that homelessness or the lack of suitable housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department or supervising agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii) The child has no parent, guardian, or legal custodian to provide supervision and care for such child;

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. If such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, the fingerprint-based background check need not be completed before placement, but as soon as possible after placement. The court must also determine whether placement with the relative or other suitable person is in the child's best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department or supervising agency in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1). In determining placement, the court shall weigh the child's length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or supervising agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection.
(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

NEW SECTION. Sec. 7. (1) The legislature finds that any person who has had a founded finding of child abuse or neglect or has been involved in a dependency action involving one or more of his or her children is able to turn his or her life around and establish good parenting relationships with his or her children. Unfortunately, his or her prior involvement with child protective services or the dependency court can hamper such a person’s ability to find future employment, especially if the employment involves unsupervised access to children or other vulnerable populations.

(2) The legislature further finds that a number of states permit convicted offenders to seek a certificate of rehabilitation in certain situations. Generally, the certificate declares that a convicted individual is rehabilitated after completing a prison sentence or being released on parole or supervision. Usually, the applicant for a certificate must prove that he or she has met certain criteria before a certificate will be awarded. Such a certificate often restores certain rights to the applicant and makes him or her eligible for certain employment for which he or she would not be eligible without the certificate.

(3) A nonprofit with expertise in veteran parent programs shall convene a work group in consultation with the department of social and health services to explore options, including a certificate of rehabilitation, for addressing the impact of founded complaints on the ability of rehabilitated individuals to gain employment or care for children, including volunteer activities. The work group must contain, but not be limited to, persons representing the following:

The courts, veteran parents, parent attorneys, foster parents, relative caregivers, kinship caregivers, child-placing agencies, the attorney general’s office, the governor’s policy office, the office of public defense parent representation program, and the legislature.

(4) The work group shall report recommendations to the appropriate committees of the legislature no later than December 31, 2013.

NEW SECTION. Sec. 8. The department of social and health services shall adopt all necessary rules to implement this act.

NEW SECTION. Sec. 9. Section 4 of this act expires December 1, 2013.

NEW SECTION. Sec. 10. Section 5 of this act takes effect December 1, 2013.

FOURTH SUPPLEMENTAL REPORTS OF STANDING COMMITTEES

April 3, 2013

SB 5059 Prime Sponsor, Senator Carrell: Concerning the crime of rendering criminal assistance. Reported by Committee on Public Safety

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.76.050 and 2011 c 336 s 400 are each amended to read as follows:

As used in RCW 9A.76.070, 9A.76.080, and 9A.76.090, a person "renders criminal assistance" if, with intent to prevent, hinder, or delay the apprehension or prosecution of another person who he or she knows has committed a crime or juvenile offense or is being sought by law enforcement officials for the commission of a crime or juvenile offense or has escaped from a detention facility, he or she:

(6) Provides such person with a weapon.

It is not a defense that the person's knowledge of the underlying crime or juvenile offense committed by the person receiving assistance was nonspecific or based upon secondhand information.

Sec. 2. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willful participant, aggressor, or provoker of the incident.
(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.
(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.
(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.
(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.
(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.
(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.
(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.
(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.
(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravating exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury -Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.
(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition. The presence of ANY of the following may identify a current offense as a major VUCSA:
   (i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;
   (ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

   (vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).
(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.
(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.
(h) The current offense involved domestic violence, as defined in RCW 10.99.020, and one or more of the following was present:

(l) The current offense is trafficking in the first degree and any victim was a minor at the time of the offense.
(m) The offense involved a high degree of sophistication or planning.

(w) The defendant committed the offense against a victim who was acting as a good samaritan.
(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.
(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).
(z)(i)(A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.
   (ii) For purposes of this subsection, "metal property" means commercial metal property, private metal property, or nonferrous metal property, as defined in RCW 19.290.010.

(k) Assails a person located in a courtroom, jury room, judge's chamber, or any waiting area or corridor immediately adjacent to a courtroom, jury room, or judge's chamber. This section shall apply only: (i) During the times when a courtroom, jury room, or judge's chamber is being used for judicial purposes during court proceedings; and (ii) if signage was posted in compliance with section 3 of this act at the time of the assault.

(2) Assault in the third degree is a class C felony.

Sec. 2. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or
concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury -Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.

(d) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of a victim or multiple victims manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim's or the offender's minor children under the age of eighteen years; or

(iii) The offender's conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(j) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

(k) The offense was committed with the intent to obstruct or impair human or animal health care or agricultural or forestry research or commercial production.

(l) The current offense is trafficking in the first degree or trafficking in the second degree and any victim was a minor at the time of the offense.
(m) The offense involved a high degree of sophistication or planning.
(n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.
(o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.
(p) The offense involved an invasion of the victim's privacy.
(q) The defendant demonstrated or displayed an egregious lack of remorse.
(r) The offense involved a destructive and foreseeable harm to persons other than the victim.
(s) The defendant committed the offense to obtain or maintain his or her membership or to advance his or her position in the hierarchy of an organization, association, or identifiable group.
(t) The defendant committed the current offense shortly after being released from incarceration.
(u) The current offense is a burglary and the victim of the burglary was present in the building or residence when the crime was committed.
(v) The offense was committed against a law enforcement officer who was performing his or her official duties at the time of the offense, the offender knew that the victim was a law enforcement officer, and the victim's status as a law enforcement officer is not an element of the offense.
(w) The defendant committed the offense against a victim who was acting as a good Samaritan.
(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.
(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).
(z)(i) (A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.
(ii) For purposes of this subsection, "metal property" means commercial metal property, private metal property, or nonferrous metal property, as defined in RCW 19.290.010.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that regulatory processes impose significant costs on doing business and significantly influence investment behavior, location decisions, start-up activity, expansions, and hiring. The legislature further finds that, for more than a decade, the executive and legislative branches have called upon state agencies to review their regulations to achieve meaningful regulatory reform and improve the regulatory climate for Washington businesses. However, a 2012 performance audit conducted by the state auditor's office found that the departments of ecology, health, and labor and industries have not adopted sufficient streamlining processes or formally measured the results of their streamlining activities. Thus, it is the intent of the legislature to formally direct these three state agencies to achieve the regulatory reform that has been repeatedly called for by the governor and the legislature.

NEW SECTION. Sec. 2. A new section is added to chapter 43.21A RCW to read as follows:

The department of ecology must establish a continuous, formal review process of its rules. The rules must be based on a prioritized work plan and must include rules relating to licenses, permits, and inspections. The review must identify rules that can be simplified, amended, or repealed with a goal to reduce the regulatory burden on businesses without compromising the public health or safety. Performance measures must be adopted to assess the effectiveness of streamlining efforts. The department must establish a process for effectively applying sunset provisions to rules when applicable. The department must present an update to the applicable committees of the legislature regarding its review process, performance measures, and accomplishments of its streamlining efforts by January 2014, and every other year thereafter.

NEW SECTION. Sec. 3. A new section is added to chapter 43.22 RCW to read as follows:

(ii) For level II offenders, and level I sex offenders during the time they are out of compliance with registration requirements under RCW 9A.44.130, the web site shall contain, but is not limited to, the same information and functionality as described in (a)(i) of this subsection, provided that it is permissible under state and federal law. If it is not permissible, the web site shall be limited to the information and functionality that is permissible under state and federal law.

(iii) For kidnapping offenders, the web site shall contain, but is not limited to, the same information and functionality as described in (a)(i) of this subsection, provided that it is permissible under state and federal law. If it is not permissible, the web site shall be limited to the information and functionality that is permissible under state and federal law.

(b) Until the implementation of (a) of this subsection, the Washington association of sheriffs and police chiefs shall create a web site available to the public that provides electronic links to county-operated web sites that offer sex offender registration information.

(6)(a) Local law enforcement agencies ("that disseminate information pursuant to this section") responsible for the registration and dissemination of information regarding offenders required to register under RCW 9A.44.130 shall assign a risk level classification to all offenders after consideration of: ((a) Review)) (i) Any available risk level classifications ("made") provided by the department of corrections, the department of social and health services, and the indeterminate sentence review board; ((b) assign risk level classifications to all offenders about whom information will be disseminated)) (ii) the agency's own application of an empirically validated or generally accepted risk assessment tool as scored by staff trained in the use of that tool; and (iii) other information and aggravating or mitigating factors known to the agency and deemed rationally related to the risk posed by the offender to the community at large.

The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a local law enforcement agency or official to classify an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(8) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

(9) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

(10) When a local law enforcement agency or official classifies an offender differently than the offender is classified by the end of sentence review committee ("the department of social and health services") at the time of the offender's release from confinement, the law enforcement agency or official shall notify the end of sentence review committee ("the department of social and health services") and the Washington state patrol and submit its reasons supporting the change in classification.

A change in supervision status of a sex offender who was required to register under this subsection (3)(a)(ii) as of July 28, 1991, or a kidnapping offender required to register as of July 27, 1997, shall not relieve the offender of the duty to register or to reregister following a change in residence.

(iii) OFFENDERS UNDER FEDERAL JURISDICTION. Sex offenders who, on or after July 23, 1995, and kidnapping offenders who, on or after July 23, 1995, are a sex offender who was required to register under this subsection (3)(a)(ii) as of July 27, 1997, or a kidnapping offender required to register as of July 27, 1997, shall not relieve the offender of the duty to register or to reregister following a change in residence.

Sex offenders and kidnapping offenders from other states or a foreign country who, when they move to Washington, are under the jurisdiction of the department of corrections, the indeterminate sentence review board, or the department of social and health services must register within three business days of moving to Washington. The agency that has jurisdiction over the offender shall notify the offender of the registration requirements before the offender moves to Washington.

(vi) OFFENDERS FOUND NOT GUILTY BY REASON OF INSANITY. Any adult or juvenile who has been found not guilty by reason of insanity under chapter 10.77 RCW of (A) committing a sex offense on, before, or after February 28, 1990, and who, on or after July 23, 1995, is in custody, as a result of that finding, of the state department of social and health services, or (B) committing a kidnapping offense on, before, or after July 27, 1997, and who on or after July 27, 1997, is in custody, as a result of that finding, of the state department of social and health services, must register within three business days from the time of release with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. Sex offenders who, on July 23, 1995, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 23, 1995. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to register under this subsection (3)(a)(iii) as of July 23, 1995, or a kidnapping offender required to register as of July 27, 1997, shall not relieve the offender of the duty to register or to reregister following a change in residence.

(vii) OFFENDERS WHO LACK A FIXED RESIDENCE. Any person who lacks a fixed residence and leaves the county in which he or she is registered and enters within a new county for twenty-four hours is required to register with the county sheriff not more than three business days after entering the county and provide the information required in subsection (2)(a) of this section.

(viii) OFFENDERS WHO LACK A FIXED RESIDENCE AND WHO ARE UNDER SUPERVISION. Offenders who lack a fixed residence and who are under the supervision of the department shall register in the county of their supervision.

(ix) OFFENDERS WHO MOVE TO, WORK, CARRY ON A VOCATION, OR ATTEND SCHOOL IN ANOTHER STATE. Offenders required to register in Washington, who move to another state, or who work, carry on a vocation, or attend school in another state shall register a new address, fingerprints, and photograph with the new state within three business days after establishing residence, or after beginning to work, carry on a vocation, or attend school in the new state. The person must also send written notice within three business days of moving to the new state to the county sheriff with whom the person last registered in Washington state. The county sheriff shall promptly forward this information to the Washington state patrol.

The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of RCW 9A.44.132, or arraignment on charges for a violation of RCW 9A.44.132, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under RCW 9A.44.132 who asserts as a defense the lack of notice of the duty to register shall register within three business days following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (3)(c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.
(d) The deadlines for the duty to register under this section do not relieve any sex offender of the duty to register under this section as it existed prior to July 28, 1991.

(4)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must provide, by certified mail, with return receipt requested or in person, signed written notice of the change of address to the county sheriff within three business days of moving.

(b) If any person required to register pursuant to this section moves to a new county, the person must register with that county sheriff within three business days of moving. Within three business days, the person must also provide, by certified mail, with return receipt requested or in person, signed written notice of the change of address in the new county to the county sheriff with whom the person last registered. The county sheriff with whom the person last registered shall promptly forward the information concerning the change of address to the county sheriff for the county of the person's new residence. Upon receipt of notice of change of address to a new state, the county sheriff shall promptly forward the information regarding the change of address to the agency designated by the new state as the state's offender registration agency.

(5)(a) Any person required to register under this section who lacks a fixed residence shall provide signed written notice to the sheriff of the county where he or she last registered within three business days after ceasing to have a fixed residence. The notice shall include the information required by subsection (2)(a) of this section, except the photograph and fingerprints. The county sheriff may, for reasonable cause, require the offender to provide a photograph and fingerprints. The sheriff shall forward this information to the sheriff of the county in which the person intends to reside, if the person intends to reside in another county.

(b) A person who lacks a fixed residence must report weekly, in person, to the sheriff of the county where he or she is registered. The weekly report shall be on a day specified by the county sheriff's office, and shall occur during normal business hours. The person must keep an accurate accounting of where he or she stays during the week and provide it to the county sheriff upon request. The lack of a fixed residence is a factor that may be considered in determining an offender's risk level and shall make the offender subject to disclosure of information to the public at large pursuant to RCW 4.24.550.

(c) If any person required to register pursuant to this section does not have a fixed residence, it is an affirmative defense to the charge of failure to register, that he or she provided written notice to the sheriff of the county where he or she last registered within three business days of ceasing to have a fixed residence and has subsequently complied with the requirements of subsections (3)(a)(vii) or (viii) and (5) of this section. To prevail, the person must prove the defense by a preponderance of the evidence.

(6) A sex offender subject to registration requirements under this section who applies to change his or her name under RCW 4.24.130 or any other law shall submit a copy of the application to the county sheriff of the county of the person's residence and to the state patrol not fewer than five days before the entry of an order granting the name change. No sex offender under the requirement to register under this section at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate law enforcement interests, except that no order shall be denied when the name change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. A sex offender under the requirement to register under this section who receives an order changing his or her name shall submit a copy of the order to the county sheriff of the county of the person's residence and to the state patrol within three business days of the entry of the order.

(7) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a peace officer, including a county sheriff, or law enforcement agency, for failing to release information authorized under this section.

Sec. 4. RCW 9A.44.132 and 2011 c 337 s 5 are each amended to read as follows:

The failure to register as a sex offender under this subsection is a gross misdemeanor.

(a) If the person has a duty to register for a felony kidnapping offense, the failure to register as a kidnapping offender is a class C felony.

(b) If the person has a duty to register for a kidnapping offense other than a felony, the failure to register as a kidnapping offender is a class B felony.

(4) Unless relieved of the duty to register pursuant to RCW 9A.44.141 and 9A.44.142, a violation of this section is an ongoing offense for purposes of the statute of limitations under RCW 9A.04.080.

(4) The court may also order a person found to have committed a civil infraction to make restitution.

Sec. 4. RCW 10.31.100 and 2010 c 274 s 201 are each amended to read as follows:

When the officer has probable cause to believe that family or household members have assaulted each other, the officer is not required to arrest both persons. "NEW SECTION. Sec. 1. RCW 70.128.060 and 2011 1st sp.s. c 3 s 403 are each amended to read as follows:

(1) The protection of vulnerable residents living in adult family homes and other long-term care facilities in the state is a matter of ongoing concern and grave importance. In 2011, the legislature examined problems with the quality of care and oversight of adult family homes in Washington. The 2011 legislature passed Engrossed Substitute House Bill No. 1277 to address some of these issues, and in addition, created an adult family home quality assurance panel, chaired by the state long-term care ombudsman, to meet and make recommendations to the governor and legislature by December 1, 2012, for further improvements in adult family home care and the oversight of the homes by the department of social and health services.

(2) The legislature recognizes that significant progress has been made over the years in adult family home care, and that many adult family homes provide high quality care and are the preferred alternative for many residents in contrast to a larger care facility setting. The legislature finds however that the quality of care in some adult family homes would be improved, and abuse and neglect would decline, if these homes' caregivers and providers received better training and mentoring, residents and their families were more informed and able to select an appropriate home, and oversight by the department of social and health services was more vigorous and prompt against poorly performing homes. It is therefore the intent of the legislature to enact the recommendations included in the adult family home quality assurance panel report in order to improve the quality of care of vulnerable residents and the department's oversight of adult family homes.

Sec. 2. RCW 70.128.060 and 2011 1st sp.s. c 3 s 403 are each amended to read as follows:

(1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.
The department shall establish, by rule, for multiple residents with such special needs.

The department shall establish, by rule, additional specialty training categories and requirements for residents with other special needs, such as traumatic brain injury, training categories should be created for adult family homes serving consumers, and advocates, whether the existing specialty training effective tools to fairly evaluate successful student completion. The curricula and instructional techniques, and are accompanied by effective tools to fairly evaluate successful student completion. The department may enhance the existing specialty training courses are adequate for providers, resident managers, and caregivers to meet these residents' special needs, are sufficiently standardized in curricula and instructional techniques, and are accompanied by effective tools to fairly evaluate successful student completion. The department may enhance the existing specialty training requirements by rule, and may update curricula, instructional techniques, and competency testing based upon its review and stakeholder input. In addition, the department shall examine, with input from experts, providers, consumers, and advocates, whether additional specialty training categories should be created for adult family homes serving residents with other special needs, such as traumatic brain injury, skilled nursing, or bariatric care. The department may establish, by rule, additional specialty training categories and requirements for providers, resident managers, and caregivers, if needed to better serve residents with such special needs.

The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.

Proof of financial solvency must be submitted when requested by the department.

The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial.

The department shall not issue a license to a provider if the department finds that the provider or spouse of the provider or any partner, officer, director, managerial employee, or majority owner has a history of significant noncompliance with federal, state, or local laws, rules, or laws in providing care or services to vulnerable adults or to children.

The department shall license an adult family home for the maximum level of care that the adult family home may provide. The department shall define, in rule, license levels based upon the education, training, and caregiving experience of the licensed provider or staff.

For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers consistent with RCW 70.128.230, and also is required for caregivers, with standardized competency testing for caregivers hired after the effective date of this section, as set forth by the department in rule. The department shall examine, with input from experts, providers, consumers, and advocates, whether the existing specialty training courses are adequate for providers, resident managers, and caregivers to meet these residents' special needs, are sufficiently standardized in curricula and instructional techniques, and are accompanied by effective tools to fairly evaluate successful student completion. The department may enhance the existing specialty training requirements by rule, and may update curricula, instructional techniques, and competency testing based upon its review and stakeholder input. In addition, the department shall examine, with input from experts, providers, consumers, and advocates, whether additional specialty training categories should be created for adult family homes serving residents with other special needs, such as traumatic brain injury, skilled nursing, or bariatric care. The department may establish, by rule, additional specialty training categories and requirements for providers, resident managers, and caregivers, if needed to better serve residents with such special needs.

The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.
the home's daily or monthly rate, or by medicaid, medicare, or other programs. This form must be available from the home and disclosed to residents and their representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request.

(3)(a) If the adult family home decreases the scope of care, services, or activities it provides, due to circumstances beyond the home's control, the home shall provide a minimum of thirty days' written notice to the residents, and the residents' representative if any, before the effective date of the decrease in the scope of care, services, or activities provided.

(b) If the adult family home voluntarily decreases the scope of care, services, or activities it provides, and any such decrease will result in the discharge of one or more residents, then ninety days' written notice must be provided prior to the effective date of the decrease. Notice must be given to the residents and the residents' representative, if any.

(c) If the adult family home increases the scope of care, services, or activities it provides, the home shall promptly provide written notice to the residents, and the residents' representative if any, and shall indicate the date on which the increase is effective.

(4) When the care needs of a resident exceed the disclosed scope of care or services that the adult family home provides, the home may exceed the care or services previously disclosed, provided that the additional care or services are permitted by the adult family home's license, and the home can safely and appropriately serve the resident with available staff or through the provision of reasonable accommodations required by state or federal law. The provision of care or services to a resident that exceed those previously disclosed by the home does not mean that the home is capable of or required to provide the same care or services to other residents, unless required as a reasonable accommodation under state or federal law.

(5) An adult family home may deny admission to a prospective resident if the home determines that the needs of the prospective resident cannot be met, so long as the adult family home operates in accordance with state and federal law, including RCW 70.129.030(3) and the reasonable accommodation requirements of state and federal antidiscrimination laws.

(6) The department shall work with consumers, advocates, and other stakeholders to combine and improve existing web resources to create a more robust, comprehensive, and user-friendly web site for family members, residents, and prospective residents of adult family homes in Washington. The department may contract with outside vendors and experts to assist in the development of the web site. The web site should be easy to navigate and have links to information important for residents, prospective residents, and their family members or representatives including, but not limited to: (a) Explanations of the types of licensed long-term care facilities, levels of care, and specialty designations; (b) lists of suggested questions to ask residents, and the residents' representative if any, and (c) contact information for the department and the long-term care ombudsman. In addition, the consumer oriented web site should include a searchable list of all adult family homes in Washington, with links to inspection and investigation reports and any enforcement actions by the department for the previous three years. If a violation or enforcement remedy is deleted, rescinded, or modified under RCW 70.128.167 or chapter 34.05 RCW, the department shall make the appropriate changes to the information on the web site as soon as reasonably feasible, but no later than thirty days after the violation or enforcement remedy has been deleted, rescinded, or modified. To facilitate the comparison of adult family homes, the web site should also include a link to each licensed adult family home's disclosure form required by subsection (2)(a) of this section. The department's web site should also include periodically updated information about whether an adult family home has a current vacancy, if the home provides such information to the department, or may include links to other consumer-oriented web sites with the vacancy information.

Sec. 4. RCW 70.128.160 and 2011 1st sp.s. c 3 s 208 are each amended to read as follows:

(1) The department is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an adult family home provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an adult family home without a license or under a revoked license;

(c) Knowingly or with reason to know made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions:

(a) Refuse to issue a license;

(b) Impose reasonable conditions on a license, such as correction within a specified time, training, and limits on the type of clients the provider may admit or serve;

(c) Impose civil penalties of at least one hundred dollars per day per violation;

(d) Impose civil penalties of up to three thousand dollars for each incident that violates adult family home licensing laws and rules, including, but not limited to, chapters 70.128, 70.129, 74.34, and 74.39A RCW and related rules. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty;

(e) Impose civil penalties of up to ten thousand dollars for a current or former licensed provider who is operating an unlicensed home;

(f) Suspend, revoke, or refuse to renew a license; or

(g) Suspend admissions to the adult family home by imposing stop placement.

(3) When the department orders stop placement, the facility shall not admit any person until the stop placement order is terminated. The department may approve readmission of a resident to the facility from a hospital or nursing home during the stop placement. The department shall terminate the stop placement (when) only after: (a) The violations necessitating the stop placement have been corrected; and (b) the provider exhibits the capacity to maintain correction of the violations previously found deficient. However, if upon the revisit the department finds new violations that the department reasonably believes will result in a new stop placement, the previous stop placement shall remain in effect until the new stop placement is imposed. In order to protect the home's existing residents from potential ongoing neglect, when the provider has been cited for a violation that is repeated, uncorrected, pervasive, or presents a threat to the health, safety, or welfare of one or more residents, and the department has imposed a stop placement, the department shall also impose a condition on license or other remedy to facilitate or spur prompter compliance if the violation has not been corrected, and the provider has not exhibited the capacity to maintain correction, within sixty days of the stop placement.

(4) Nothing in subsection (3) of this section is intended to apply to stop placement imposed in conjunction with a license revocation or summary suspension or to prevent the department from imposing a condition on license or other remedy prior to sixty days after a stop placement, if the department considers it necessary to protect one or more residents' well-being. After a department finding of a violation for which a stop placement has been imposed, the department shall make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a
previous citation, and create actual or threatened harm to one or more residents' well-being, including violations of residents' rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(5) Chapter 34.05 RCW applies to department actions under this section, except that orders of the department imposing license suspension, stop placement, or conditions for continuation of a license are effective immediately upon notice and shall continue in effect pending any hearing.

(6) A separate adult family home account is created in the custody of the state treasurer. All receipts from civil penalties imposed under this chapter must be deposited into the account. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. The department shall use the special account only for promoting the quality of life and care of residents living in adult family homes.

(7) The department shall by rule specify criteria as to when and how the sanctions specified in this section must be applied. The criteria must provide for the imposition of increasingly more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. The criteria shall be tiered such that those homes consistently found to have deficiencies will be subjected to increasingly severe penalties. The department shall implement prompt and specific enforcement remedies without delay for providers found to have delivered care or failed to deliver care resulting in problems that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. In the selection of remedies, the health, safety, and well-being of residents must be of paramount importance.

NEW SECTION. Sec. 5. A new section is added to chapter 70.128 RCW to read as follows:

(1) If during an inspection, reinspection, or complaint investigation by the department, an adult family home corrects a violation or deficiency that the department discovers, the department shall record and consider such violation or deficiency for purposes of the home's compliance history; however, the licensor or complaint investigator may not include in the home's report the violation or deficiency that the department discovers, the department may not consider for purposes of any enforcement action under this chapter.

(b) Is not recurring; and

(c) Did not pose a significant risk of harm or actual harm to a resident.

(2) For the purposes of this section, "recurring" means that the violation or deficiency was found under the same regulation or statute in one of the two most recent preceding inspections, reinspections, or complaint investigations.

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Early Learning & Human Services.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the federal fostering connections to success and increasing adoptions act of 2008 provides important new opportunities to increase the impact of state funding through maximizing the amount of federal funding available to promote permanency and positive outcomes for dependent youth.

(2) The legislature also finds that children and adolescents who are legal dependents of Washington state have experienced significant trauma and loss, putting them at increased risk for poor life outcomes. Longitudinal research on the adult functioning of former foster youth indicates a disproportionate likelihood that youth aging out of foster care and those who spent several years in care will experience poor outcomes in a variety of areas, including limited human capital upon which to build economic security and inability to fully take advantage of secondary and postsecondary educational opportunities, untreated mental or behavioral health problems, involvement in the criminal justice and corrections systems, and early parenthood combined with second-generation child welfare involvement.

(3) The legislature further finds that research also demonstrates that access to adequate and appropriate supports during the period of transition from foster care to independence can have significant positive impacts on adult functioning and can improve outcomes relating to educational attainment and postsecondary enrollment, employment and earnings, and reduced rates of teen pregnancies.

Sec. 2. RCW 13.34.030 and 2011 1st sp.s.c 8 13 are each reenacted and amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and
responsibilities. Sec. 3. RCW 13.34.145 and 2011 c 330 s 6 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c) (i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will
inquire whether the child has been provided information about extended foster care services.  

(ii) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 13.34.280, 13.34.215(d), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

((4))) (2) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

((5))) (6) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

((6))) (2) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

((7))) (2) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

((8))) (2) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

((9))) (10) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection ((8))) (9) of this section are met.

((10))) (11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

((11))) (12) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

((12))) (13) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 4. RCW 13.34.267 and 2012 c 52 s 4 are each amended to read as follows:

(1) In order to facilitate the delivery of extended foster care services, the court shall postpone for six months the dismissal of a dependency proceeding for any ((child)) youth who is a dependent child in foster care at the age of eighteen years and who, at the time of his or her eighteenth birthday, is:

(a) Enrolled in a secondary education program or a secondary education equivalency program; (b) Enrolled and participating in a postsecondary academic or postsecondary vocational program, or has applied for and can demonstrate that he or she intends to timely enroll in a postsecondary academic or postsecondary vocational program; or

((2))) (2)(a) The six-month postponement under this subsection is intended to allow a reasonable window of opportunity for an eligible youth who reaches the age of eighteen to request extended foster care services from the department or supervising agency. The court shall dismiss the dependency if the youth:

(i) Has not requested extended foster care services from the department by the end of the six-month period; or

(ii) Is no longer eligible for extended foster care services under RCW 74.13.031(10) at any point during the six-month period.

The dependency shall be dismissed if the youth fails to timely enroll or continue in the postsecondary program, or reaches age twenty-one, whichever is earlier.

(4)) A youth receiving extended foster care services is a party to the dependency proceeding. The youth's parent or guardian shall be dismissed from the dependency proceeding when the youth reaches the age of eighteen years.

((5))) (4) The court shall order a youth participating in extended foster care services to be under the placement and care authority of the department, subject to the youth's continuing agreement to participate in extended foster care services. The department may establish foster care rates appropriate to the needs of the youth participating in extended foster care services.

ages eighteen to twenty-one years who achieved permanency through
adoption or a relative guardianship at age sixteen or older and who meet
the criteria described in subsection (10) of this section.

(12) The department shall refer cases to the division of child
support whenever state or federal funds are expended for the care and
maintenance of a child, including a child with a developmental
disability who is placed as a result of an action under chapter 13.34
RCW, unless the department finds that there is good cause not to
pursue collection of child support against the parent or parents of the
child. Cases involving individuals age eighteen through twenty shall not
be referred to the division of child support unless required by
federal law.

(13) The department and supervising agencies shall have
authority within funds appropriated for foster care services to
purchase care for Indian children who are in the custody of a federally
recognized Indian tribe or tribally licensed child-placing agency
pursuant to parental consent, tribal court order, or state juvenile court
order; and the purchase of such care shall be subject to the same
equality standards and rates of support applicable to other children
for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170
through 13.32A.200 and 74.13.032 through 74.13.036, or of this
section all services to be provided by the department under
subsection (4), (6), and (7) of this section, subject to the limitations
of these subsections, may be provided by any program offering such
services funded pursuant to Titles II and III of the federal juvenile

(14) Within amounts appropriated for this specific purpose, the
supervising agency or department shall provide preventive services to
families with children that prevent or shorten the duration of an out-
of-home placement.

(15) The department and supervising agencies shall have
authority to provide independent living services to youths, including
individuals who have attained eighteen years of age, and have not
attained twenty-one years of age who are or have been in foster care.

(16) The department and supervising agencies shall consult at
least quarterly with foster parents, including members of the foster
parent association of Washington state, for the purpose of receiving
information and comment regarding how the department and
supervising agencies are performing the duties and meeting the
obligations specified in this section and RCW 74.13.250 and
74.13.320 regarding the recruitment of foster homes, reducing foster
parent turnover rates, providing effective training for foster parents,
and administering a coordinated and comprehensive plan that
strengthens services for the protection of children. Consultation shall
occur at the regional and statewide levels.

(17)(a) The department shall, within current funding levels, place
on its public web site a document listing the duties and
responsibilities the department has to a child subject to a dependency
petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward
reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW
13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other
suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows
the child to remain in the same school or school district, if practical
and in the child's best interests.

(b) The document must be prepared in conjunction with a
community-based organization and must be updated as needed.

Sec. 8. RCW 74.13.031 and 2012 c 259 s 8 and 2012 c 52 s 2 are
each reenacted and amended to read as follows:

(1) The department and supervising agencies shall develop,
administer, supervise, and monitor a coordinated and comprehensive
plan that establishes, aids, and strengthens services for the protection
and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising
agencies shall recruit an adequate number of prospective adoptive and
foster homes, both regular and specialized, i.e. homes for children of
ethnic minority, including Indian homes for Indian children, sibling
groups, handicapped and emotionally disturbed, teens, pregnant and
parenting teens, and the department shall annually report to the
governor and the legislature concerning the department's and
supervising agency's success in: (a) Meeting the need for adoptive
and foster home placements; (b) reducing the foster parent turnover
rate; (c) completing home studies for legally free children; and (d)
Implementing and operating the passport program required by RCW
74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislation as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(9) The department and supervising agency shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11)(a) The department and supervising agencies shall ((have authority to)) provide continued extended foster care services to ((youth ages eighteen to twenty-one years to participate in or complete)) nonminor dependents who are:

(i) Enrolled in a secondary education program or a secondary education equivalency program; or

(ii) Enrolled and participating in a postsecondary academic or postsecondary vocational education program; or

(iii) Participating in a program or activity designed to promote employment or remove barriers to employment.

(b) The nonminor dependent must have an open dependency proceeding at the time that he or she reaches age eighteen years, and the nonminor dependent must request extended foster care services before reaching age eighteen years and six months.

(c) The department shall develop and implement rules regarding your eligibility requirements.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that
strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;
(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);
(iii) Parent-child visits;
(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and
(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 9. This act applies prospectively only and not retroactively. It applies to:

(1) Dependency matters that have an open court case on the December 1, 2013.

(2) Dependency matters for which a petition is filed on or after the effective date of this section; and

NEW SECTION. Sec. 10. Sections 5 and 7 of this act expire December 1, 2013. Sections 6 and 8 of this act take effect December 1, 2013.

FSSB 5709 Prime Sponsor, Committee on Ways & Means:
Concerning a pilot program to demonstrate the feasibility of using densified biomass to heat
public schools. Reported by Committee on Appropriations Subcommittee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Currently more than a million homes
nationwide and approximately fifty thousand homes in Washington
state are heated with wood pellets, or densified biomass, in modern
high-efficiency appliances. This residential use establishes that many
homeowners experience significant cost savings compared to other
fossil fuel-based heating systems and that this technology can have a
high efficiency for the resultant high lignin by-products and agriculture
residuals; and

(4) That a December 2012 report by the Washington State
University energy program identified opportunities to develop and
expand the in-state manufacturing of densified biomass.

Therefore, it is the intent of the legislature to have the
Washington State University energy program conduct a pilot program
to demonstrate the feasibility of using densified biomass as a
renewable energy source to heat schools and other buildings.

NEW SECTION. Sec. 2. (1) Subject to receiving federal and
private funds for this purpose, by December 1, 2013, the Washington
State University energy program must develop and initiate a pilot
program to demonstrate the feasibility of using densified biomass to
heat public schools. Two public schools must be chosen for the pilot
program, using the following criteria: The school's proximity to a
currently operating densified biomass manufacturing facility, the age
and condition of the school's current heating system, and the school's
design is of a nature that most resembles other schools of its class.
The pilot program must consist of the following: The replacement of
the school's current heating system with one that uses densified
biomass as a fuel; the measurement and evaluation of the heating
system, including a cost comparison with other conventional fuels;
and the measurement of emissions from the heating system. One of
the public schools selected for the pilot must be located in a district in
the eastern half of the state and one must be located in a district in the
western half of the state.

(2) The office of the superintendent of public instruction must
notify all school districts about the pilot project and their opportunity
to participate.

(3) By December 31, 2015, the Washington State University
energy program must summarize and report its findings to the
legislature. The report must include an analysis extrapolating the
results to other similarly situated schools in the state.

(4) In designing the pilot program, the Washington State
University energy program must seek to leverage other existing
private and federal funding programs and resources.

(5) The Washington State University energy program may
contract with other entities for assistance in implementing the pilot
program.

(6) The pilot program expires December 15, 2015."

ENGROSSED SUBSTITUTE SENATE BILL NO. 5458, by Senate Committee on Energy, Environment & Telecommunications (originally sponsored by Senators Billig, Ranker, Kohl-Welles and Kline)

Concerning the labeling of certain asbestos-containing building materials.

The bill was read the second time.

Representative Short moved the adoption of amendment (356).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Asbestos is a known human carcinogen that causes painful, premature deaths due to diseases such as asbestosis, mesothelioma, lung and gastrointestinal cancers, and other diseases and cancers. Activities that can lead to the release of asbestos fibers include installation, use, maintenance, repair, removal, and disposal of asbestos-containing building materials.

Many people are unaware that asbestos-containing building materials are still imported, sold, and used in the United States. Because few regulations exist that require the disclosure of asbestos in building materials, people can unknowingly be exposed to asbestos. Asbestos is generally invisible, odorless, very durable, and highly aerodynamic. Exposure can occur well after it has been disturbed and long distances from where the asbestos release occurred.

The purpose of this chapter is to allow people to make informed decisions regarding whether or not they purchase or use building materials containing asbestos. More specifically, building materials that contain asbestos must be clearly labeled as such by manufacturers, wholesalers, and distributors.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Asbestos" includes the asbestiform varieties of actinolite, amosite (cummingtonite-grunerite), tremolite, chrysotile (serpentine),..."
crocidolite (riebeckite), anthophyllite, and any of these minerals that have been chemically treated or altered. The chemical abstracts service registry number for each is as follows: Asbestos (1332-21-4), actinolite (13768-00-8), amosite (12172-73-5), tremolite (14567-73-8), chrysotile (12001-29-5), crocidolite (12001-28-4), and anthophyllite (17068-78-9).

(2) "Asbestos-containing building material" means any building material to which asbestos is deliberately added in any concentration or that contains more than one percent asbestos by weight or area as determined using the United States environmental protection agency method for the determination of asbestos in building materials, EPA/600/R-93/116, July 1993.

(3) "Building material" includes materials designed for, or used in, construction, renovation, repair, or maintenance of institutional, commercial, public, industrial, or residential buildings and structures. The term does not include automobiles, recreational vehicles, boats, or other mobile means of transportation.

(4) "Consumer" means any person that acquires a building material for direct use or ownership, rather than for resale or use in production and manufacturing.

(5) "Department" means the department of ecology.

(6) "Person" means any individual, firm, public or private corporation, association, partnership, political subdivision, municipality, or government agency.

(7) "Retailer" means any person that sells goods or commodities directly to consumers.

NEW SECTION. Sec. 3. (1) Except as otherwise provided in this section or section 4 of this act, it is unlawful to manufacture, wholesale, or distribute for sale an asbestos-containing building material that is not labeled as required by section 5 of this act or as required under federal law, 40 C.F.R. part 763, subpart I, Sec. 173.171 (1994). The labeling requirement also applies to stock-on-hand, meaning any asbestos-containing building material in the possession or control of a manufacturer, wholesaler, or distributor after December 31, 2013, must be labeled.

(2)(a) Subsection (1) of this section does not apply to asbestos-containing building materials that have already been installed, applied, or used by the consumer.

(b) Subsection (1) of this section does not apply to asbestos-containing building materials used solely for United States military purposes.

(3) Any manufacturer, wholesaler, or distributor may submit a written request for an exemption from the labeling requirements of this chapter, and the department may grant such an exemption if it determines that the labeling requirements are technically infeasible or create an undue economic hardship. Each exemption is in effect for a period not to exceed three years from the date issued and is subject to the terms and conditions prescribed by the department.

NEW SECTION. Sec. 4. Except for the provisions of section 5(4) of this act, retailers that do not manufacture, wholesale, or distribute asbestos-containing building materials are exempt from this chapter.

NEW SECTION. Sec. 5. (1) A label must be placed in a prominent location adjacent to the product name or description on the exterior of the wrapping and packaging in which the asbestos-containing building material is placed for storage, shipment, and sale.

(2) A label must also be placed on the exterior surface of the asbestos-containing building material itself unless it is sold as a liquid or paste, is sand or gravel, or an exemption is granted pursuant to section 3(3) of this act.

(3) Asbestos-containing building materials must have a legible label that clearly identifies it as containing asbestos. At a minimum, the label must state the following:

CAUTION!

This product contains ASBESTOS which is known to cause cancer and lung disease. Avoid creating dust. Intentionally removing or tampering with this label is a violation of state law.

(4) Other than inadvertent violations damaging the label in the course of normal transportation and preparation of the asbestos-containing building material for retail sale, it is unlawful for any person to remove, deface, cover, or otherwise obscure or tamper with a label or sticker that has been applied in compliance with this section, unless the asbestos-containing building material is in the possession of the end user.

NEW SECTION. Sec. 6. (1) The provisions of this chapter may be enforced by the department, a local air authority formed under chapter 70.94 RCW, or their designees.

(2) Whenever the department or authority determines, after receiving a complaint, that a person has violated any provision of this chapter, the department may issue an order requiring compliance either immediately or within a specified period of time.

(3) Any person who has received a corrective action order under subsection (2) of this section within the preceding twelve calendar months and is determined to have subsequently violated this chapter, or any person who fails to take corrective action as specified by an order issued pursuant to subsection (2) of this section and is subsequently determined to be in continuing violation of this chapter, is liable for a civil penalty of not more than one thousand dollars per day. In the case of a continuing violation, each day's continuance is a separate and distinct violation.

(4) The penalties provided in this section are imposed pursuant to RCW 43.21B.300. All penalties recovered under this chapter by the department must be paid into the state treasury and credited to the air pollution control account established in RCW 70.94.015 or, if recovered by an authority, must be paid into the treasury of an authority and credited to its funds. If a prior penalty for the same violation has been paid to an authority, the penalty imposed by the department under subsection (3) of this section must be reduced by the amount of the payment.

(5) For the purposes of this section, "authority" has the same meaning as defined in RCW 70.94.030.

Sec. 7. RCW 43.21B.300 and 2010 c 210 s 12 and 2010 c 84 s 4 are each reenacted and amended to read as follows:

For penalties issued by local air authorities, within thirty days after the notice is received, the person incurring the penalty may apply in writing to the authority for the remission or mitigation of the penalty. Upon receipt of the application, the authority may remit or mitigate the penalty upon whatever terms the authority in its discretion deems proper. The authority may ascertain the facts regarding all such applications in such reasonable manner and under such rules as it may deem proper and shall remit or mitigate the penalty only upon a demonstration of extraordinary circumstances such as the presence of information or factors not considered in setting the original penalty.

(2) Any penalty imposed under this section may be appealed to the pollution control hearings board in accordance with this chapter if
the appeal is filed with the hearings board and served on the department or authority thirty days after the date of receipt by the person penalized of the notice imposing the penalty or thirty days after the date of receipt of the notice of disposition by a local air authority of the application for relief from penalty.

(3) A penalty shall become due and payable on the later of:
(a) Thirty days after receipt of the notice imposing the penalty;
(b) Thirty days after receipt of the notice of disposition by a local air authority on application for relief from penalty, if such an application is made; or
(c) Thirty days after receipt of the notice of decision of the hearings board if the penalty is appealed.

(4) If the amount of any penalty is not paid to the department within thirty days after it becomes due and payable, the attorney general, upon request of the department, shall bring an action in the name of the state of Washington in the superior court of Thurston county, or of any county in which the violator does business, to recover the penalty. If the amount of the penalty is not paid to the authority within thirty days after it becomes due and payable, the authority may bring an action to recover the penalty in the superior court of the county of the authority's main office or of any county in which the violator does business. In these actions, the procedures and rules of evidence shall be the same as in ordinary civil actions.

(5) All penalties recovered shall be paid into the state treasury and credited to the general fund except those penalties imposed pursuant to RCW 18.104.155, which shall be credited to the reclamation account as provided in RCW 18.104.155(7), RCW 70.94.431, the disposition of which shall be governed by that provision, RCW 70.105.080, which shall be credited to the hazardous waste control and elimination account created by RCW 70.105.180, RCW 90.56.330, which shall be credited to the coastal pollution fund created by RCW 90.48.390, and RCW 90.76.080, which shall be credited to the underground storage tank account created by RCW 90.76.100.

PART II

HUMAN SERVICES

NEW SECTION. Sec. 201. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES
The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, “unrestricted federal moneys” includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

The health care authority and the department are authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under the Washington medicaid integration partnership (WMIP) and the medicare integrated care project (MICP), the health care authority and the department may combine and transfer such medicaid funds appropriated under sections 204, 206, 208, and 213 of this act as may be necessary to finance a unified health care plan for the WMIP and the MICP program enrollment. The WMIP pilot projects shall not exceed a daily enrollment of 6,000 persons, nor expand beyond one county during the 2013-2015 fiscal biennium. The amount of funding assigned from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled, times the number of clients enrolled. In implementing the WMIP and the MICP, the health care authority and the department may:

(i) Withhold from calculations of “available resources” as set forth in RCW 71.24.025 a sum equal to the capitated rate for enrolled individuals; and (ii) employ capitation financing and risk-sharing arrangements in collaboration with health care service contractors licensed by the office of the insurance commissioner and qualified to participate in both the medicaid and medicare programs.

If Washington has been selected to participate in phase two of the federal demonstration project for persons dually-eligible for both medicare and medicaid, the department and the authority may initiate the MICP. Participation in the project shall be limited to persons who are eligible for both medicare and medicaid and in counties in which the county legislative authority has agreed to the terms and conditions under which it will operate. The purpose of the project shall be to demonstrate and evaluate ways to improve care while reducing state expenditures for persons enrolled both in medicare and medicaid. To that end, prior to initiating the project, the department and the authority shall assure that state expenditures shall be no greater on either a per person or total basis than the state would otherwise incur. Individuals who are solely eligible for medicaid may also participate if their participation is agreed to by the health care authority, the department, and the county legislative authority.

The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlister enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

The department shall to the maximum extent practicable use the same system for delivery of spoken-language interpreter services for social services appointments as the one established for medical appointments in section 213 of this act. When contracting directly with an individual to deliver spoken language interpreter services, the department shall only contract with language access providers who are working at a location in the state and who are state-certified or state-authorized, except that when such a provider is not available, the department may use a language access provider who meets other certifications or standards deemed to meet state standards, including interpreters in other states.

The department shall facilitate enrollment under the medicaid expansion for clients applying for or receiving state funded services from the department and its contractors. Prior to open enrollment, the department shall coordinate with the health care authority to provide referrals to the Washington health benefit exchange for clients that will be ineligible for the medicaid expansion but are enrolled in coverage that will be eliminated in the transition to the medicaid expansion.
