GOVERNOR’S VETO MESSAGES
Sixty Third Legislature
2013 Legislative Session

VETO MESSAGE ON SHB 1422
May 1, 2013

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1422 entitled: "AN ACT Relating to the beer and wine tasting endorsement for grocery stores.”
This bill authorizes grocery stores licensed by the Washington State Liquor Control Board to sell beer and wine to apply to the Board for an endorsement to offer beer and wine tasting, if they operate a fully enclosed retail area encompassing at least 10,000 square feet. The intent and policy of this bill is fully covered in Substitute Senate Bill 5517, which I previously signed into law on April 23, 2013. This bill, therefore, is unnecessary.

For this reason I have vetoed Substitute House Bill 1422 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON ESHB 1341
May 8, 2013

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 10 and 13, Engrossed Substitute House Bill 1341 entitled: "AN ACT Relating to creating a claim for compensation for wrongful conviction and imprisonment.”

I am pleased to join 27 states and the District of Columbia to provide compensation to individuals who have been wrongly convicted in Washington state of a felony offense and imprisoned as a result. While the impact on the person and his or her family cannot be quantified, some measure of compensation will help those wrongly convicted get back on their feet.

Under this bill, persons who clearly demonstrate that they have been wrongly convicted of a felony offense in superior court and subsequently imprisoned may bring a claim for compensation. Those individuals will receive monetary compensation based on the amount of time spent in prison and be eligible for other assistance programs to help them reintegrate in the community.

Sections 10 and 13 of the bill require payment of any wrongful conviction and imprisonment claims to be made from the state’s liability account. This account is a self-insurance pool used to pay state tort claims, judgments, and settlements. State agencies pay premiums to the account based on an analysis for the claim loss history of the state agency. This methodology has passed state and federal audit scrutiny because it is based on the sound actuarial principle of examining actual claims experience. However, payments of wrongful conviction and imprisonment claims from this fund could draw a challenge from state and federal auditors because there is no state agency engaged in the conduct for which compensation is awarded under the bill. To avoid this risk, I am vetoing Sections 10 and 13 of this bill. Payments of such claims will be paid out of the General Fund and handled in accordance with RCW 4.92.040.

For these reasons, I have vetoed Sections 10 and 13 of Engrossed Substitute House Bill 1341.

With the exception of Sections 10 and 13, Engrossed Substitute House Bill 1341 is approved.

Respectfully submitted,
Jay Inslee
Governor
VETO MESSAGE ON HB 1471
May 21, 2013

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, House Bill 1471 entitled:

"AN ACT Relating to updating and aligning with federal requirements hospital health care-associated infection rate reporting."

This bill requires the Department of Health to update hospital reporting requirements for health care-associated infections to align with nationally recommended measures. These measures add value to the public and advance patient safety. The bill also gives the Department important rule-making authority to stay consistent with federal requirements.

However, I am vetoing Section 3 of the bill because Section 3 would make Section 1 expire in 2017. Section 1 makes needed substantive changes that I do not believe should expire, nor was that the intent of the legislature.

For these reasons I have vetoed Section 3 of House Bill 1471. With the exception of ill 1471 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON 2SHB 1723
May 21, 2013

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington Ladies and Gentlemen:

I am returning, herewith, without my approval as to Section 4, Second Substitute House Bill 1723 entitled:

"AN ACT Relating to expanding and streamlining early learning services and programs"

Section 4 creates a technical working group to review child care and preschool funding sources, eligibility requirements, and system design. A related task force is established in Second Substitute Senate Bill 5595, which involves broader stakeholder participation and a larger scope of the analysis. I am therefore vetoing this section to avoid duplicating efforts that will likely achieve similar results.

I will direct both the Department of Early Learning and Department of Social and Health Services to collaborate with the appropriate legislative committees in developing options to further integrate child care services toward a system that is coordinated, complementary, and user-friendly to parents.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON ESHB 1552
May 21, 2013

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 34, Engrossed Substitute House Bill 1552 entitled:

"AN ACT Relating to the reduction of metal theft."

Metal theft causes substantial and often expensive property damage harming, among others, businesses, utilities, state and local governments, and individual citizens. Under certain circumstances, metal theft can also lead to significant safety hazards. Our state has enacted laws over the past several years to curb metal theft by increasing penalties and regulation of businesses purchasing or receiving metal.
This bill is the result of recommendations from a wide array of stakeholders, including businesses, metal recyclers, utilities, local governments, and local law enforcement to enhance our laws to prevent metal theft. New licensing, purchasing, and records retention regulations are instituted. Further, changes are made to penalties associated with metal theft and illegal purchasing of scrap metal, and grants are established for enforcement.

Pursuant to Section 34 of this bill, if $1.5 million for the purposes of this act is not provided by June 30, 2013, in the omnibus appropriations act, this act is null and void. Unfortunately, the Legislature has not passed a budget at this time. It is my expectation that by passing this bill, the Legislature intends to provide the funding. It is also my expectation that the stakeholders who worked on this act, and will benefit from its enactment, will continue their efforts to secure funding to support the law enforcement grant provisions. To ensure the important, new regulatory provisions of this act are put in place as a means of combating metal theft, I am vetoing Section 34 of this bill.

For these reasons, I have vetoed Section 34 of Engrossed Substitute House Bill 1552. With the exception of Section 34, Engrossed Substitute House Bill 1552 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON ESHB 1652
May 21, 2013

To the Honorable Speaker and Members, The House of Representatives of the State of Washington Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Substitute House Bill 1652 entitled:

"AN ACT Relating to establishing a process for the payment of impact fees through provisions stipulated in recorded covenants."

This bill requires local governments that collect impact fees from applicants for residential building permits, pursuant to the Growth Management Act, to adopt a system that defers the payment of the fees.

The deferral of impact fees under the bill would delay funding for schools when the state's paramount duty is to fund education. Many schools require impact fee revenue early in the calendar year to secure portable classrooms needed by the start of the new school year to ensure that students have appropriate classroom sizes and a healthy learning environment. Delayed payment of the fees can also adversely affect local transportation and fire protection services and other amenities needed to support growth.

I recognize that our construction industry has not fully recovered from the recession. While the number of new building projects is up, many builders have not returned to work, especially smaller builders who are unable to secure financing. I would support a bill that is targeted to provide assistance to small builders. Because the majority of construction is done by larger builders, a more targeted bill would minimize the effect on schools, cities and others that depend on impact fees. I am prepared to work with the Legislature to pass a new bill during the current Special Session that defers impact fees for small builders.

For these reasons I have vetoed Engrossed Substitute House Bill 1652 in its entirety.

Respectfully submitted,
Jay Inslee
