$3,128,000

The appropriations in this section are subject to the following conditions and limitations:

(1) $300,000 of the motor vehicle account—state appropriation is provided solely to continue evaluating a road usage charge as an alternative to the motor vehicle fuel tax to fund investments in transportation. The evaluation must include monitoring and reviewing work that is underway in other states and nationally. The commission may coordinate with the department of transportation to jointly pursue any federal or other funds that are or might become available and eligible for road usage charge pilot projects. The commission must reconvene the road usage charge steering committee, with the same membership authorized in chapter 222, Laws of 2014, and report to the governor's office and the transportation committees of the house of representatives and the senate by December 15, 2015.

(2) $150,000 of the motor vehicle account—state appropriation is provided solely for the commission to use an outside survey firm to conduct three transportation surveys during the 2015-2017 fiscal biennium. The commission must consult with the joint transportation committee when deciding on the survey topics and design to ensure the survey results will deliver the data, information, and analysis for future transportation policy and strategic planning decisions in a manner useful to the legislature.
(3)(a) The legislature finds that, while some travel times have improved through Interstate 405 between the junctions with Interstate 5 on the north end and NE 6th Street in the city of Bellevue on the south end, especially for transit trips, the implementation of the express toll lane system has made travel more difficult for a number of other drivers and trips. To provide some relief to drivers, the legislature encourages the commission to expedite consideration of the elimination of tolls during evening nonpeak hours, weekends, and holidays, to the extent that such a change will improve commuters' experience on this portion of Interstate 405. The legislature further finds that the commission, as the tolling authority of the state, should act swiftly, working in conjunction with the department of transportation's comprehensive effort to tackle obstacles adversely affecting commutes on this portion of Interstate 405, to drive improved results for the users of this critical corridor as soon as is practicable.

(b) In accordance with the rule-making authority provided under RCW 34.05.350(1)(a), the legislature deems it necessary, for preservation of the general welfare, that operational changes be made to improve the express toll lane program on Interstate 405 and that the tolling authority use its emergency rule-making authority to effect such changes in accordance with RCW 47.56.850 and 47.56.880. The legislature finds that the need for improvements to the commuter experience on the portion of Interstate 405 identified in (a) of this subsection necessitates that such action be taken in an expedited fashion. The tolling authority, with input from the department of transportation, shall evaluate the hours and days of operation for the express toll lanes and the minimum high occupancy vehicle passenger requirements for using the express toll lanes, taking into consideration the goals of: Reducing travel time on this portion of Interstate 405, including in the general purpose lanes; reducing the cost of traveling within the express toll lanes on this portion of Interstate 405; and maintaining sufficient revenue to pay for this portion of Interstate 405's express toll lane operating costs. This subsection (3) does not create a private right of action.

(4)(a) $500,000 of the motor vehicle account—federal appropriation is provided solely to advance the work completed since 2011 in evaluating a road usage charge as an alternative to the motor vehicle fuel tax to fund future investments in transportation by completing the work necessary to launch a road usage charge pilot project, with all implementation details for a pilot project identified and incorporated into a pilot project implementation plan.

(i) Pilot project implementation preparation must include identification of all essential agency roles and responsibilities for the pilot project, a selection of the technologies and methodologies to be included, a target number of participants and participant characteristics, rigorous specific evaluation criteria by which the pilot project will be assessed, a communication plan for the pilot project that consists of a participant recruitment plan and a plan for communicating information about the launch and ongoing progress of the pilot project, and pilot project expenditure and revenue estimates.

(ii) In developing the road usage charge pilot project implementation plan, the commission shall consult and coordinate with the department of transportation, the department of licensing, the department of revenue, and the office of the state treasurer to establish participation and coordination parameters for the project.

(b) The commission shall coordinate with the department of transportation to jointly pursue any federal or other funds that are or might become available to fund a road usage charge pilot project. Where feasible, grant application content prepared by the commission must reflect the direction provided by the road usage charge steering committee on the preferred road usage charge pilot project approach. One or more grant applications may be developed as part of the road usage charge pilot project implementation plan development work, but the pilot project implementation plan must nevertheless include any details necessary for a full launch of the pilot project not required to be included in any grant application.

(c) The commission shall reconvene the road usage charge steering committee, with the same membership authorized in chapter 222, Laws of 2014, as well as the addition of a representative from the Puget Sound regional council, and may obtain guidance from the steering committee when it reaches key pilot project implementation plan development milestones.

(15) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Prior to the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2017, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

(20) Except as provided otherwise in this section, the entire connecting Washington account appropriation is provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document ((2016-1)) 2017-1 as developed ((March 7, 2016)) April 20, 2017, Program – Highway Improvements Program (I).

(21) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue $50,000,000 in federal funds to pay for this project to supplant state funds in the future. $50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

(22) Of the amounts allocated to the Puget Sound Gateway project (M00600R) in LEAP Transportation Document ((2016-1)) 2017-1 as developed ((March 7, 2016)) April 20, 2017, $4,000,000 must be used to complete the bridge connection at 28th/24th Street over state route number 509 in the city of SeaTac. The bridge connection must be completed prior to other construction on the state route number 509 segment of the project.

(23) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's
construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(24) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

(25) $901,000 of the motor vehicle account—state appropriation is provided solely for the department to continue to work on an interchange justification report (IJR) for the U.S. 2 trestle, covering the state route number 204 and 20th Street interchanges at the end of the westbound structure.

(26)(a) The department must conduct outreach to local transit agencies during the planning process for highway construction projects led by the department.

(b) The department must develop process recommendations for best practices in minimizing impacts to transit and freight during project construction. A report on best practices must be submitted to the transportation committees of the legislature by December 1, 2016.

(27) The legislature finds that project efficiencies and savings may be gained by combining the I-5 Marine Drive project (I5OTC1A1) and the SR 529/I-5 Interchange project (NS2900R). The department must deliver them as one project, the I-5 Peak Hour Use Lanes and Interchange Improvements project (L2000229), using a design-build approach.

(28)(a) The legislature recognizes that the city of Mercer Island has unique access issues that require the use of Interstate 90 to leave the island and that this access may be impeded by the I-90/Two-Way Transit and HOV Improvements project. One of the most heavily traveled on-ramps from Mercer Island to the westbound Interstate 90 general purpose lanes is from Island Crest Way. The department must continue to consult with the city of Mercer Island and the other signatories to the 1976 memorandum of agreement to preserve access provided to Mercer Island by the Island Crest Way on-ramp, and thus grandfather-in the current use of the on-ramp for both high occupancy vehicles as well as vehicles seeking to access the general purpose lanes of Interstate 90. The department must consider all reasonable access solutions, including allowing all vehicles to use the Island Crest Way on-ramp to access the new high occupancy vehicle lane with a reasonable and safe distance provided for single-occupancy vehicles to merge into the general purpose lanes.

(b) A final access solution must consider the following criteria: Safety; operational effects on all users, including maintaining historic access to Interstate 90 provided from Mercer Island by Island Crest Way; enforcement requirements; and compliance with state and federal law.

(c) The department may not restrict by occupancy the westbound on-ramp from Island Crest Way until a final access solution that meets the criteria in (b) of this subsection has been reached.

However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 601 ((of this act)), chapter .. . . (Engrossed Senate Bill No. 5096), Laws of 2017.

(2) Except as provided otherwise in this section, the entire motor vehicle account–state appropriation and motor vehicle account–federal appropriation are provided solely for the projects and activities listed in LEAP Transportation Document ((2016-2)) 2017-2 ALL PROJECTS as developed (March 7, 2016) April 20, 2017, Program – Highway Preservation Program (P). Any federal funds gained through efficiencies, adjustments to the federal funds forecast, additional congressional action not related to a specific project or purpose, or the federal funds redistribution process must then be applied to highway and bridge preservation activities. However, no additional federal funds may be allocated to the I-5/Columbia River Crossing project (400506A).

(3) Within the motor vehicle account–state appropriation and motor vehicle account–federal appropriation, the department may transfer funds between programs I and P, except for funds that are otherwise restricted in this act.

(5) The department shall examine the use of electric arc furnace slag for use as an aggregate for new roads and paving projects in high traffic areas and report back to the legislature by December 1, 2015, on its current use in other areas of the country and any characteristics that can provide greater wear resistance and skid resistance in new pavement construction.

(6) (($38,142,000)) $6,545,000 of the motor vehicle account–federal appropriation and (($858,000)) $188,000 of the motor vehicle account–state appropriation are provided solely for the preservation of structurally deficient bridges or bridges that are at risk of
becoming structurally deficient. These funds must be used widely around the state of Washington. The department shall provide a report that identifies the scope, cost, and benefit of each project funded in this subsection as part of its 2016 agency budget request.

(7) Except as provided otherwise in this section, the entire connecting Washington account appropriation in this section is provided solely for the projects and activities as listed in LEAP Transportation Document ((2016-1)) 2017-1, Program - Highway Preservation Program (P).

(8) It is the intent of the legislature that, with respect to the amounts provided for highway preservation from the connecting Washington account, the department consider the preservation and rehabilitation of concrete roadway on Interstate 5 from the Canadian border to the Oregon border to be a priority within the preservation program.

(9) $5,000,000 of the motor vehicle account—state appropriation is provided solely for extraordinary costs incurred from litigation awards, settlements, or dispute mitigation activities not eligible for funding from the self-insurance fund. The amount provided in this subsection must be held in unallotted status until the department submits a request to the office of financial management that includes documentation detailing litigation-related expenses. The office of financial management may release the funds only when it determines that all other funds designated for litigation awards, settlements, and dispute mitigation activities have been exhausted. No funds provided in this subsection may be expended on any legal fees related to the SR99/Alaskan Way viaduct replacement project.

(10)(a) The department and the Washington state patrol must work collaboratively to develop a comprehensive plan for weigh station construction and preservation for the entire state. The plan must be submitted to the transportation committees of the legislature by January 1, 2017.

(b) As part of the 2017-2019 biennial budget submittal, the department and the Washington state patrol must jointly submit a prioritized list of weigh station projects for legislative approval.

$72,689,000

TOTAL APPROPRIATION $406,035,000

$391,891,000

The appropriations in this section are subject to the following conditions and limitations:

(1) Except as provided otherwise in this section, the entire appropriations in this section are provided solely for the projects and activities as listed in LEAP Transportation Document ((2016-2) 2017-2 ALL PROJECTS as developed ((March 7, 2014)) April 20, 2017, Program - Washington State Ferries Capital Program (W).

(2) $90,545,000 of the transportation 2003 account (nickel account)—state appropriation is provided solely for the acquisition of a 144-car vessel (L1000063). The department shall use as much already procured equipment as practicable on the 144-car vessels.

(3) ($46,989,000) $26,742,000 of the Puget Sound capital construction account—federal appropriation, ($2,000,000) $5,884,000 of the connecting Washington account—state appropriation, $562,000 of the transportation 2003 account (nickel account)—state appropriation, and ($491,000) $491,000 of the Puget Sound capital construction account—state appropriation are provided solely for the Mukilteo ferry terminal (952515P). It is the intent of the legislature, over the sixteen-year investment program, to provide ($155,000,000) $159,061,000 to complete the Mukilteo Terminal Replacement project (952515P). These funds are identified in the LEAP transportation document referenced in subsection (1) of this section. To the greatest extent practicable and within available resources, the department shall design the new terminal to be a net zero energy building. To achieve this goal, the department shall evaluate using highly energy efficient equipment and systems, and the most appropriate renewable energy systems for the needs and location of the terminal.

(6) If the department pursues a conversion of the existing diesel powered Issaquah class fleet to a different fuel source or engine technology or the construction of a new vessel powered by a fuel source or engine technology that is not diesel powered, the department must use a design-build procurement process.

(7) Funding is included in the future biennia of the LEAP transportation document referenced in subsection (1) of this section for future vessel purchases. Given that the recent purchase of new vessels varies from the current long range plan, the department shall include in its updated long range plan revised estimates for new vessel costs, size, and purchase time frames. Additionally, the long range plan must include a vessel retirement schedule and associated reserve vessel policy recommendations.

(8) $325,000 of the Puget Sound capital construction account—state appropriation is provided solely for the ferry system to participate in the development of one account-based system for customers of both the ferry system and tolling system. The current Wave2Go ferry ticketing system is reaching the end of its useful life and the department is expected to develop a replacement account-based system as part of the new tolling division customer service center toll collection system.

(9) Within existing resources, the department must evaluate the feasibility of utilizing the federal EB-5 immigrant investor program for financing the construction of a safety of life at sea (SOLAS) certificated vessel for the Anacortes-Sidney ferry route. The department must establish a group that includes, but is not limited to, the department of commerce and entities or individuals experienced with vessel engineering and EB-5 financing for assistance in evaluating the applicability
of the EB-5 immigrant investor program. The department must deliver a report containing the results of the evaluation to the transportation committees of the legislature and the office of financial management by December 1, 2015.

(10) It is the intent of the legislature, over the sixteen-year investment program, to provide ($316,000,000) $349,500,000 to complete the Seattle Terminal Replacement project (900010L), including: (a) Design work and selection of a preferred plan, (b) replacing timber pilings with pilings sufficient to support a selected terminal design, (c) replacing the timber portion of the dock with a new and reconfigured steel and concrete dock, and (d) other staging and construction work as the amount allows. These funds are identified in the LEAP transportation document referenced in subsection (1) of this section.

(11) It is the intent of the legislature, over the sixteen-year new investment program, to provide $122,000,000 in state funds to complete the acquisition of a fourth 144-car vessel (L2000109). These funds are identified in the LEAP transportation document referenced in subsection (1) of this section.

(12) $300,000 of the Puget Sound capital construction account—state appropriation is provided solely to issue a request for proposals and purchase pilot program customer counting equipment. By June 30, 2017, the department must report to the governor and the transportation committees of the legislature on the most effective way to count ferry passengers.

(13) ($1,430,000) $1,255,000 of the Puget Sound capital construction account—federal appropriation and ($1,366,000) $889,000 of the Puget Sound capital construction—state appropriation are provided solely for installation of security access control and video monitoring systems, and for enhancing wireless network capacity to handle higher security usage, increase connectivity between vessels and land-based facilities, and isolate the security portion of the network from regular business (998925A).

(14) The transportation 2003 account (nickel account)—state appropriation includes up to ($4,131,000) $17,817,000 in proceeds from the sale of bonds authorized in RCW 47.10.861.

(15) The department shall submit a cost estimate to procure a fifth 144-car vessel to the governor and the transportation committees of the legislature by June 30, 2017. The estimate must include, but is not limited to, construction costs, estimated operating costs, and any potential savings from replacing a currently operating vessel with a fifth 144-car vessel.

The appropriations in this section are subject to the following conditions and limitations:

(1) Except as provided otherwise in this section, the entire appropriations in this section are provided solely for the projects and activities as listed by project and amount in LEAP Transportation Document (2016-2) 2017-2 ALL PROJECTS as developed (March 7, 2016) April 20, 2017, Program - Rail Program (Y).

(2) $5,000,000 of the transportation infrastructure account—state appropriation is provided solely for new low-interest loans approved by the department through the freight rail investment bank (FRIB) program. The department shall issue FRIB program loans with a repayment period of no more than ten years, and charge only so much interest as is necessary to recoup the department's costs to administer the loans. For the 2015-2017 fiscal biennium,
the department shall first award loans to 2015-2017 FRIB loan applicants in priority order, and then offer loans to 2015-2017 unsuccessful freight rail assistance program grant applicants, if eligible. If any funds remain in the FRIB program, the department may reopen the loan program and shall evaluate new applications in a manner consistent with past practices as specified in section 309, chapter 367, Laws of 2011. The department shall report annually to the transportation committees of the legislature and the office of financial management on all FRIB loans issued.

The value of the public benefit of this project is expected to meet or exceed the cost of this project in: Shipper savings on transportation costs; jobs saved in rail-dependent industries; and/or reduced future costs to repair wear and tear on state and local highways due to fewer annual truck trips (reduced vehicle miles traveled). The amounts provided in this subsection are not a commitment for future legislatures, but it is the legislature's intent that future legislatures will work to approve biennial appropriations until the full $7,337,000 cost of this project is reimbursed.

(4) (($487,163,000)) $487,163,000 of the multimodal transportation account—federal appropriation and (($13,613,000)) $10,991,000 of the multimodal transportation account—state appropriation are provided solely for expenditures related to passenger high-speed rail grants. Except for the Mount Vernon project (P01101A), the multimodal transportation account—state appropriation, and $68,000 of the transportation infrastructure account—state appropriation are provided solely for the purpose of the rehabilitation and maintenance of the Palouse river and Coulee City railroad line (P01111B).

Additional qualifying patients or designated providers may not join the cooperative until sixty days have passed since the date on which the last qualifying patient or designated provider notifies the state liquor and cannabis board that he or she no longer participates in that cooperative.

(6) Qualifying patients or designated providers who participate in a cooperative under this section:

(a) May grow up to the total amount of plants for which each participating member is authorized on their recognition cards, up to a maximum of sixty plants. At the location, the qualifying patients or designated providers may possess the amount of useable marijuana that can be produced with the number of plants permitted under this subsection, but no more than seventy-two ounces;

(9) The state liquor and cannabis board or law enforcement may inspect a cooperative registered under this section to ensure members are in compliance with this section. The state liquor and cannabis board must adopt rules on reasonable inspection hours and reasons for inspections.

NEW SECTION. Sec. 9. A new section is added to chapter 15.120 RCW to read as follows:

The department and the state liquor and cannabis board must collaboratively study the feasibility and practicality of implementing a legislatively authorized regulatory framework allowing industrial hemp produced in accordance with the requirements of this chapter to be sold or transferred to marijuana processors, licensed under chapter 69.50 RCW, for processing into industrial hemp or marijuana products to be sold at retail for human consumption.

NEW SECTION. Sec. 10. A new section is added to chapter 15.120 RCW to read as follows:

The department is granted the rule-making authority necessary to implement and enforce the provisions of this chapter. This includes the authority to impose monetary penalties, license suspension or forfeiture, or other sanctions for violations of statutory and regulatory requirements. The rules adopted by the department must be consistent with section 7606 of the federal agricultural act of 2014 (128 Stat. 649, 912; 7 U.S.C. Sec. 5940).

NEW SECTION. Sec. 11. A new section is added to chapter 69.51A RCW to read as follows:

Qualifying patients and designated providers may also purchase marijuana seeds from a licensed marijuana producer.

NEW SECTION. Sec. 12. The legislature finds that protecting the state’s children, youth, and young adults under the legal age to purchase and consume marijuana, by establishing limited restrictions on the advertising of marijuana and marijuana products, is necessary to assist the state’s efforts to discourage and prevent underage consumption and the potential risks associated with underage consumption. The legislature finds that these restrictions assist the state in maintaining a strong and effective regulatory and enforcement system as specified by the federal government. The legislature finds this act leaves ample opportunities for licensed marijuana businesses to market their products to those who are of legal age to purchase them, without infringing on the free speech rights of business owners. Finally, the legislature finds that the state has a substantial and compelling interest in enacting this act aimed at protecting Washington’s children, youth, and young adults.

(7) A marijuana licensee that engages in outdoor advertising is subject to the advertising requirements and restrictions set forth in this subsection (7) and elsewhere in this chapter.

(a) All outdoor advertising signs, including billboards, are limited to text that identifies the retail outlet by the licensee's business or trade name, states the location of the business, and identifies the type or nature of the business. Such signs may not contain any depictions of marijuana plants, marijuana products, or images that might be appealing to children. The state liquor and cannabis board is granted rule-making authority to regulate the text and images that are permissible on outdoor advertising. Such rule making must be consistent with other administrative rules generally applicable to the advertising of marijuana businesses and products.

(b) Outdoor advertising is prohibited:

The rules must establish escalating penalties including fines and up to suspension or revocation of a marijuana license for subsequent violations.

(b) Fines collected under this subsection must be deposited into the dedicated marijuana account created under RCW 69.50.530.

(11) A city, town, or county may adopt rules of outdoor advertising by licensed marijuana retailers that are more restrictive than the advertising

SECOND READING

ENGROSSED SENATE BILL NO. 5008, by Senators King, Hunt, Sheldon, Hobbs, Mullet and Warnick

Facilitating compliance with the federal REAL ID act by modifying driver's license and identicard design and fees.

Representative Clibborn moved the adoption of the striking amendment (572):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.20 RCW to read as follows:

(1) Beginning July 1, 2018, except for enhanced drivers' licenses and identicards issued under RCW 46.20.202, the department must mark a driver's license or identicard issued under this chapter in accordance with the requirements of 6 C.F.R. Sec. 37.71 as it existed on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

(2) The department must adopt rules necessary to implement this section.

NEW SECTION. Sec. 2. A new section is added to chapter 46.20 RCW to read as follows:

(1) A driver's license or identicard issued with the design features required in section 1 of this act may not be used as evidence of or as a basis to infer an individual's citizenship or immigration status for any purpose.

(2) The presence of the design features required in section 1 of this act on a person's driver's license or identicard may not be used as a basis for the criminal investigation, arrest, or detention of that person in circumstances where a person with a driver's license or identicard without these design features would not be criminally investigated, arrested, or detained.

Sec. 3. RCW 46.20.202 and 2016 c 32 s 2 are each amended to read as follows:

(1) The department may enter into a memorandum of understanding with any federal agency for the purposes of facilitating the crossing of the border between the state of Washington and the Canadian province of British Columbia.

(2) The department may enter into an agreement with the Canadian province of British Columbia for the purposes of implementing a border-crossing initiative.

(3)(a) The department may issue an enhanced driver's license or identicard for the purposes of crossing the border between the state of Washington and the Canadian province of British Columbia to an applicant who provides the department with proof of: United States citizenship, identity, and state residency. The department shall continue to offer a standard driver's license and identicard. If the department chooses to issue an enhanced driver's license, the department must allow each applicant to choose between a standard driver's license or identicard, or an enhanced driver's license or identicard.
(b) The department shall implement a one-to-many biometric matching system for the enhanced driver's license or identicard. An applicant for an enhanced driver's license or identicard shall submit a biometric identifier as designated by the department. The biometric identifier must be used solely for the purpose of verifying the identity of the holders and for any purpose set out in RCW 46.20.037. Applicants are required to sign a declaration acknowledging their understanding of the one-to-many biometric match.

(c) The enhanced driver's license or identicard must include reasonable security measures to protect the privacy of Washington state residents, including reasonable safeguards to protect against unauthorized disclosure of data about Washington state residents. If the enhanced driver's license or identicard includes a radio frequency identification chip, or similar technology, the department shall ensure that the technology is encrypted or otherwise secure from unauthorized data access.

(d) The requirements of this subsection are in addition to the requirements otherwise imposed on applicants for a driver's license or identicard. The department shall adopt such rules as necessary to meet the requirements of this subsection. From time to time the department shall review technological innovations related to the security of identity cards and amend the rules related to enhanced driver's licenses and identicards as the director deems consistent with this section and appropriate to protect the privacy of Washington state residents.

(e) Notwithstanding RCW 46.20.118, the department may make images associated with enhanced drivers' licenses or identicards from the negative file available to United States customs and border agents for the purposes of verifying identity.

(4) (a) Between July 15, 2015, and June 30, 2016, the fee for an enhanced driver's license or enhanced identicard is eighteen dollars, which is in addition to the fees for any regular driver's license or identicard. If the enhanced driver's license or enhanced identicard is issued, renewed, or extended for a period other than six years, the fee for each class is three dollars for each year that the enhanced driver's license or enhanced identicard is issued, renewed, or extended.

(4) (b) Beginning (July 1, 2016) on the effective date of this section, the fee for an enhanced driver's license or enhanced identicard is twenty-four dollars, which is in addition to the fees for any regular driver's license or identicard. If the enhanced driver's license or enhanced identicard is issued, renewed, or extended for a period other than six years, the fee for each class is four dollars for each year that the enhanced driver's license or enhanced identicard is issued, renewed, or extended.

(5) The enhanced driver's license and enhanced identicard fee under this section must be deposited into the highway safety fund unless prior to July 1, 2023, the actions described in (a) or (b) of this subsection occur, in which case the portion of the revenue that is the result of the fee increased in section 209, chapter 44, Laws of 2015 3rd sp. sess. must be distributed to the connecting Washington account created under RCW 46.68.395.

(a) Any state agency files a notice of rule making under chapter 34.05 RCW for a rule regarding a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

(b) Any state agency otherwise enacts, adopts, orders, or in any way implements a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

(c) Nothing in this subsection acknowledges, establishes, or creates legal authority for the department of ecology or any other state agency to enact, adopt, order, or in any way implement a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

NEW SECTION. Sec. 4. RCW 43.41.390 (Implementation of federal REAL ID Act of 2005) and 2007 c 85 s 1 are each repealed."

Increasing marijuana license fees and adding a temporary additional fee on marijuana licenses issued by the Washington state liquor and cannabis board.

The bill was read the second time.

Representative Senn moved the adoption of amendment (573):

On page 5, after line 20, insert the following:

"NEW SECTION. Sec. 4. Marijuana moneys must be distributed to counties, cities, and towns in the same proportion as funding is distributed pursuant to RCW 69.50.540 (2) (g) (1)."

Renumber the remaining sections consecutively and correct any internal references accordingly.

Correct the title.

**POINT OF ORDER**

Representative Tarleton requested a scope and object ruling on amendment (573) to Senate Bill No. 5130

**SPEAKER’S RULING**

Mr. Speaker (Representative Orwall presiding): The title of Senate Bill 5130 is “an act relating to increasing marijuana license fees and adding a temporary additional fee on marijuana licenses issued by the Washington State Liquor and Cannabis Board.”

The amendment does not relate to increasing marijuana fees; it relates to the distribution of marijuana monies to local governments.

The Speaker therefore finds and rules that the amendment is outside the scope of the bill as defined by its title.

The point of order is well taken.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

(5) Subject to the availability of amounts appropriated for this specific purpose, the project may also allocate funds for grant recipients to:

(a) Create and employ training in relation to sexual assault evidence, victimization and trauma response, and other related topics to improve the quality and outcomes of sexual assault investigations and prosecutions;

(b) Enhance victim services and support for past and current victims of sexual assault; or

"NEW SECTION. Sec. 1. A new section is added to chapter 9.41 RCW to read as follows:

(1) A dealer shall report to the Washington association of sheriffs and police chiefs information on each instance where the dealer denies an application for the purchase or transfer of a firearm, whether under RCW 9.41.090 or 9.41.113, or the requirements of federal law, as the result of a background check or completed and submitted firearm purchase or transfer application that indicates the applicant is ineligible to possess a firearm under state or federal law. The dealer shall report the denied application information to the Washington association of sheriffs and police chiefs within five days of the denial in a format as prescribed by the Washington association of sheriffs and police chiefs. The reported information must include the identifying information of the applicant, the date of the application and denial of the application, and other information or documents as prescribed by the Washington association of sheriffs and police chiefs. (2) Upon receipt of information from a dealer pursuant to section 1 of this act that a person originally denied the purchase or transfer of a firearm as the result of a background check that indicates the applicant is ineligible to possess a firearm has subsequently been approved for the purchase or transfer, the Washington association of sheriffs and police chiefs must purge any record of the person's denial in its possession and inform the Washington state patrol and any local law enforcement agency participating in the grant program created in section 6 of this act of the subsequent approval of the purchase or transfer.

(2) Upon receipt of documentation that a person has appealed a background check denial, the Washington state patrol shall immediately remove the record of the person initially reported pursuant to section 2 of this act from its electronic database accessible to law enforcement agencies and officers. The Washington state patrol must keep a separate record of the person's information for a period of one year or until such time as the appeal has been resolved. Every twelve months, the Washington state patrol shall notify the person that the person must provide documentation that his or her appeal is still pending or the record of the person's background check denial will be put back in its electronic database accessible to law enforcement agencies and officers. At any time, upon receipt of documentation that a person's appeal has been granted, the Washington state patrol shall remove any record of the person's denied firearms purchase or transfer application from its electronic database accessible to law enforcement agencies and officers.

(3) Upon receipt of satisfactory proof that a person who was reported to the Washington state patrol pursuant to section 2 of this act is no longer ineligible to possess a firearm under state or federal law, the Washington state patrol must remove any record of the person's denied firearms purchase or transfer application from its electronic database accessible to law enforcement agencies and officers.

(4) Upon receipt of notification from the Washington association of sheriffs and police chiefs that a person originally denied the purchase or transfer of a firearm as the result of a background check or completed and submitted firearm purchase or transfer application that indicates the applicant is ineligible to possess a firearm under state or federal law has subsequently been approved for the purchase or transfer, the Washington state patrol must remove any record of the person's denied firearms purchase or transfer application from its electronic database accessible to law enforcement agencies and officers within five business days.

(5) The Washington state patrol shall generate and distribute a notice form to all firearm dealers, to be provided by the dealers to applicants denied the purchase or transfer of a firearm as a result of a background check that indicates the applicant is ineligible to possess a firearm. The notice form must contain the following statements:

State law requires that I transmit the following information to the Washington association of sheriffs and police chiefs as a result of your firearm purchase or transfer denial within two days of the denial:

(a) Identifying information of the applicant;

(b) The date of the application and denial of the application;

(c) Other information as prescribed by the Washington association of sheriffs and police chiefs.

If you believe this denial is in error, and you do not exercise your right to appeal, you may be subject to criminal investigation by the Washington state patrol and/or a local law enforcement agency.

The notice form shall also contain information directing the applicant to a web site describing the process of appealing a national instant criminal background check system denial through the federal bureau of investigation and refer the applicant to local law enforcement for information on a denial based on a state background check. The notice form shall also contain a phone number for a contact
at the Washington state patrol to direct the person to resources regarding an individual's right to appeal a background check denial.

(6) The Washington state patrol may adopt rules as are necessary to carry out the purposes of this section.

NEW SECTION. Sec. 4. A new section is added to chapter 36.28A RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the Washington association of sheriffs and police chiefs shall prepare an annual report on the number of denied firearms sales or transfers reported pursuant to this act. The report shall indicate the number of cases in which a person was denied a firearms sale or transfer, the number of cases where the denied sale or transfer was investigated for potential criminal prosecution, and the number of cases where an arrest was made, the case was referred for prosecution, and a conviction was obtained. The Washington state patrol shall submit the report to the appropriate committees of the legislature on or before December 31st of each year.

The system must permit a person to register and participate in the statewide automated protected person notification system by calling a toll-free telephone number or by accessing a public web site.

(b) The notification requirements of this section apply to any court order issued under chapter 7.92 RCW and RCW 7.90.090, 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.26.590, 26.50.060, or 26.50.070, and any foreign protection order filed with a Washington court pursuant to chapter 26.52 RCW, where the order prohibits the respondent from possessing firearms or where by operation of law the respondent is ineligible to possess firearms during the term of the order. (3) Information and records prepared, owned, used, or retained by the Washington association of sheriffs and police chiefs pursuant to this act, including information a person submits to register and participate in the statewide automated protected person notification system, are exempt from public inspection and copying under chapter 42.56 RCW.

(2) Information revealing the identity of persons who are witnesses to or victims of crime or who file complaints with investigative, law enforcement, or penology agencies, other than the commission, if disclosure would endanger any person's life, physical safety, or property. If at the time a complaint is filed the complainant, victim, or witness indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath;

(3) Any records of investigative reports prepared by any state, county, municipal, or other law enforcement agency pertaining to sex offenses contained in chapter 9A.44 RCW or sexually violent offenses as defined in RCW 71.09.020, which have been transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval pursuant to RCW 40.14.070(2)(b);

(iii) A law enforcement or corrections agency may require any person requesting a body worn camera recording pursuant to this subsection (14)(e) to identify himself or herself to ensure he or she is a person entitled to obtain the body worn camera recording under this subsection (14)(e).

(f)(i) A law enforcement or corrections agency responding to a request to disclose body worn camera recordings may require any requester not listed in (e) of this subsection to pay the reasonable costs of redacting, altering, distorting, pixelating, suppressing, or otherwise obscuring any portion of the body worn camera recording prior to disclosure only to the extent necessary to comply with the exemptions in this chapter or any applicable law.

(ii) An agency that charges redaction costs under this subsection (14)(f) must use redaction technology that provides the least costly commercially available method of redacting body worn camera recordings, to the extent possible and reasonable.

(iii) In any case where an agency charges a requestor for the costs of redacting a body worn camera recording under this subsection (14)(f), the time spent on redaction of the recording shall not count towards the agency's allocation of, or limitation on, time or costs spent responding to public records requests under this chapter, as established pursuant to local ordinance, policy, procedure, or state law.

(g) For purposes of this subsection (14):

(i) "Body worn camera recording" means a video and/or sound recording that is made by a body worn camera attached to the uniform or eyewear of a law enforcement or corrections officer from a covered jurisdiction while in the course of his or her official duties and that is made on or after June 9, 2016, and prior to July 1, 2019; and

(h) Nothing in this subsection shall be construed to restrict access to body worn camera recordings as otherwise permitted by law for official or recognized civilian and accountability bodies or pursuant to any court order.

(i) Nothing in this section is intended to modify the obligations of prosecuting attorneys and law enforcement under Brady v. Maryland, 373 U.S. 83, 83 S. Ct. 1194, 10 L. Ed. 2d 215 (1963), Kyles v. MESSAGE FROM THE SENATE

April 20, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1543 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 26.26 RCW to read as follows:

(1) This section applies in cases when a person alleged or presumed to be a legal parent to a child is alleged to have committed a sexual assault that resulted in the victim of the assault becoming pregnant and subsequently giving birth to the child.

(2) For the purposes of this section, "sexual assault" means nonconsensual sexual penetration that results in pregnancy.

(3) For the purposes of this section, the fact that the person seeking parental rights or presumed to be a legal parent committed a sexual assault that resulted in the victim of the assault becoming pregnant and subsequently giving birth to the child may be proved by either:

(a) Evidence that the person seeking parental rights or presumed to be a legal parent was convicted of or pleaded guilty to a sexual assault under RCW 9A.44.040, 9A.44.050, 9A.44.060, or a comparable crime of sexual assault in any jurisdiction, against the child's parent, and that the child was born within three hundred twenty days after the sexual assault; or

(b) Clear, cogent, and convincing evidence that the person seeking parental rights or presumed to be a legal parent committed sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days after the sexual assault.

(4) An allegation that the child was born as the result of a sexual assault may be raised under this chapter:

(a) In a petition to adjudicate parentage; or

(b) In response to a petition to adjudicate parentage.

The pleading making the allegation must be filed in a petition or in a response to a petition in proceedings filed no later than four years after the birth of the child, except that (i) the pleading making the allegation that the child was born as a result of a sexual assault may be filed at any time in proceedings pursuant to RCW 26.26.525; or (ii) for a period of two years after the effective date of this section, a court may waive the time bar in cases in which a presumed, acknowledged, or adjudicated parent was found in a criminal or separate civil proceeding to have committed a sexual assault against the parent alleging that the child was born as a result of the sexual assault.

(5) If there is an allegation that the child was born as a result of a sexual
assault against the child's parent by the person seeking parentage or presumed to be the parent of the child, the court must conduct a fact-finding hearing on the allegation.

(a) The court may not enter any temporary orders providing residential time or decision making to the alleged perpetrator prior to the fact-finding hearing on the sexual assault allegation unless both of the following criteria are satisfied: (i) The alleged perpetrator is a presumed parent of the child; and (ii) the court specifically finds that it would be in the best interests of the child if such temporary orders are entered.

(b) Prior to the fact-finding hearing, the court may order genetic testing to determine whether the alleged perpetrator is biologically related to the child. If genetic testing reveals that the alleged perpetrator is not biologically related to the child, the fact-finding hearing must be stricken.

(c) Fourteen days prior to the fact-finding hearing, the party alleging that the child was born as a result of a sexual assault shall submit affidavits setting forth facts supporting the allegation and shall give notice, together with a copy of the affidavit, to other parties to the proceedings, who may file opposing affidavits. Opposing affidavits must be submitted and served to other parties to the proceeding five days prior to the fact-finding hearing.

(d) The court shall determine on the record whether affidavits and documents submitted for the fact-finding hearing should be sealed.

(6) If, after the fact-finding hearing or after a bench trial, the court finds that the person seeking parental rights or presumed to be a legal parent committed sexual assault, pursuant to the standards set forth in subsection (3)(a) or (b) of this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault the court must:

(a) Enter an order holding that the person seeking parental rights or presumed to be a legal parent is not a parent of the child, if such an order is requested by the child's legal parent or guardian; or

(b) Enter an order consistent with the relief requested by the child's legal parent or guardian, provided that the court determines that the relief requested is in the best interests of the child.

(7) Absent the express written consent of the child's legal parent or guardian, a person who is found to have committed a sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault has:

(a) No right to an allocation of parental rights, including residential time or decision-making responsibilities for the child;

(b) No right to inheritance from the child; and

(c) No right to notification of, or standing to object to, the adoption of the child.

(8) If the court enters an order under subsection (6) of this section that is inconsistent with the information on the child's birth certificate, the court shall also order the birth certificate be amended in a manner that is consistent with the child's best interests and the wishes of the child's legal parent or guardian.

(9) If the court finds that the person seeking parentage or presumed to be the parent committed a sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault, and the legal parent or guardian requests it, the court must order the person seeking parentage or presumed to be the parent to pay child support or birth-related costs or both.

(10) The legal parent or guardian may decline an order for child support or birth-related costs. If the legal parent or guardian declines an order for child support, and is either currently receiving public assistance or later applies for it for the child born as a result of the sexual assault, support enforcement agencies as defined in this chapter shall not file administrative or court proceedings to establish or collect child support, including medical support, from the person seeking parentage or presumed to be the parent who has been found to have committed a sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault.
(11) If the court enters an order under subsection (10) of this section providing that no child support obligation may be established or collected from the person seeking parentage or presumed to be the parent who has been found to have committed a sexual assault, the court shall forward a copy of the order to the Washington state support registry.

(12) The court may order an award of attorneys' fees under this section on the same basis as attorneys' fees are awarded under RCW 26.09.140.

(13) Any party may move to close the fact-finding hearing and any related proceedings under this section to the public. If no party files such a motion, the court shall determine on its own initiative whether the fact-finding hearing and any related proceedings under this section should be closed to the public. Upon finding good cause for closing the proceeding, and if consistent with Article I, section 10 of the state Constitution, the court may: (a) Restrict admission to only those persons whom the court finds to have a direct interest in the case or in the work of the court, including witnesses deemed necessary to the disposition of the case; and (b) restrict persons who are admitted from disclosing any information obtained at the hearing that would identify the parties involved or the child.

Sec. 2. RCW 26.09.191 and 2011 c 89 s 6 are each amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or a pattern of emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010((1)) (3) or an assault or sexual assault ((which)) that causes grievous bodily harm or the fear of such harm or that results in a pregnancy.

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(I) Any predecessor or antecedent statute for the offenses listed in (a)(iv)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (a)(iv)(A) through (H) of this subsection.

This subsection (2)(a) shall not apply when (c) or (d) of this subsection applies.

(b) The parent's residential time with the child shall be limited if it is found that the parent resides with a person who has engaged in any of the following conduct: (i) Physical, sexual, or a pattern of emotional abuse of a child; (ii) a history of acts of domestic violence as defined in RCW 26.50.010((1)) (3) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy; or (iii) the person has been convicted as an adult or as a juvenile has been adjudicated of a sex offense under:
(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.

(c) If a parent has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter. If a parent resides with an adult or a juvenile who has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with the parent's child except contact that occurs outside that person's presence.

(d) There is a rebuttable presumption that a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts this presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection.

(e) There is a rebuttable presumption that a parent who resides with a person who, as an adult, has been convicted, or as a juvenile has been adjudicated, of the sex offenses listed in (e)(i) through (ix) of this subsection places a child at risk of abuse or harm when that parent exercises residential time in the presence of the convicted or adjudicated person. Unless the parent rebuts the presumption, the court shall restrain the parent from contact with the parent's child except for contact that occurs outside of the convicted or adjudicated person's presence:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;
(viii) Any predecessor or antecedent statute for the offenses listed in (e)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (e)(i) through (vii) of this subsection.

(f) The presumption established in (d) of this subsection may be rebutted only after a written finding that the child was not conceived and subsequently born as a result of a sexual assault committed by the parent requesting residential time and that:

(i) If the child was not the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

(ii) If the child was the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent in the presence of the convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

(h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection to have residential time with the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.
through (ix) of this subsection to have residential time with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(j) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who, as an adult, has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the convicted person supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(k) A court shall not order unsupervised contact between the offending parent and a child of the offending parent who was sexually abused by that parent. A court may order unsupervised contact between the offending parent and a child who was not sexually abused by the parent after the presumption under (d) of this subsection has been rebutted and supervised residential time has occurred for at least two years during which time the adjudicated juvenile has had no further arrests, adjudications, or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW, and (i) the court finds that unsupervised contact between the child and the parent that may occur in the presence of the adjudicated juvenile is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treating child sexual abuse victims who has supervised at least one period of residential time between the parent and the child, and after consideration of evidence of the offending parent's compliance with community supervision requirements, if any. If the offending parent was not ordered by a court to participate in treatment for sex offenders, then the parent shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the offender has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child.
unsupervised contact between the parent and a child which may occur in the presence of the adjudicated juvenile who is residing with the parent.

(m)(i) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting residential time. The limitations the court may impose include, but are not limited to: Supervised contact between the child and the parent or completion of relevant counseling or treatment. If the court expressly finds based on the evidence that limitations on the residential time with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting residential time, the court shall restrain the parent requesting residential time from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and capable of protecting the child from harm.

(iv) If the court limits residential time under (a) or (b) of this subsection to require supervised contact between the child and the parent, the court shall approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual, or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the harmful conduct occurred and is willing to and capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (m)(ii) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a), (b), and (m)(i) and (m)(ii) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

(a) A parent's neglect or substantial nonperformance of parenting functions;

(b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;

(c) A long-term impairment resulting from drug, alcohol, or other substance assault, as defined in section 1 of this act, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault.
abuse that interferes with the performance of parenting functions;

(d) The absence or substantial impairment of emotional ties between the parent and the child;

(e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development;

(f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or

(g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In cases involving allegations of limiting factors under subsection (2)(a)(ii) and (iii) of this section, both parties shall be screened to determine the appropriateness of a comprehensive assessment regarding the impact of the limiting factor on the child and the parties.

(5) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(6) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

(7) For the purposes of this section:

(a) "A parent's child" means that parent's natural child, adopted child, or stepchild; and

(b) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

Sec. 3. RCW 26.33.170 and 1999 c 173 s 1 are each amended to read as follows:

(1) An agency's, the department's, or a legal guardian's consent to adoption may be dispensed with if the court determines by clear, cogent and convincing evidence that the proposed adoption is in the best interests of the adoptee.

(2) An alleged father's, birth parent's, or parent's consent to adoption ((may)) shall be dispensed with if the court finds that the proposed adoption is in the best interests of the adoptee and:

(a) The alleged father, birth parent, or parent has been found guilty of rape under chapter 9A.44 RCW or incest under RCW 9A.64.020, where the adoptee was the victim of the rape or incest; or

(b) The alleged father, birth parent, or parent has been found guilty of rape under chapter 9A.44 RCW or incest under RCW 9A.64.020, or has been found by clear and convincing evidence to have committed a sexual assault, where the other parent of the adoptee was the victim of the rape ((may)) incest, or sexual assault and the adoptee was conceived as a result of the rape ((may)) incest, or sexual assault, unless the parent who is the victim indicates by affidavit or sworn testimony that consent to adoption by the person who committed the rape, incest, or sexual assault should occur.

(3) Nothing in this section shall be construed to eliminate the notice provisions of this chapter.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 20, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1614 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is significant value in diligently combating the crime of driving under the influence and promoting the safety of all persons using our public roadways. The legislature also finds that phlebotomy, also known as venipuncture, is a health care procedure that involves removing blood from the body by making an incision in a vein with a needle. The legislature finds further that the use of forensic phlebotomy can be a useful tool when investigating whether a person may be impaired while operating a motor vehicle. The legislature finds further that the use of forensic phlebotomy in the investigation of impaired driving does not present significant health risks inherent in allowing the practice of phlebotomy without adequate and appropriate training, as defined by the department of health.

Sec. 2. RCW 9.96.060 and 2014 c 176 s 1 and 2014 c 109 s 1 are each reenacted and amended to read as follows:

(1) Every person convicted of a misdemeanor or gross misdemeanor offense who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the tests prescribed in subsection (2) of this section, the court may in its discretion vacate the record of conviction by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) An applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court;

(b) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

(c) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

(d) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses);

(e) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family member or household member against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the
totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

(ii) The applicant has previously had a conviction for domestic violence. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(f) For any offense other than those described in (e) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(g) The offender has been convicted of a new crime in this state, another state, or federal court since the date of conviction;

(h) The applicant has ever had the record of another conviction vacated; or

(i) The applicant is currently restrained, or has been restrained within five years prior to the vacation application, by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party.

(3) Subject to RCW 9.96.070, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Schappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history
for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(6) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

(7) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

Sec. 3. RCW 10.31.100 and 2016 c 203 s 9 and 2016 c 113 s 1 are each reenacted and amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of an officer, except as provided in subsections (1) through (12) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270, or involving criminal trespass under RCW 9A.52.070 or 9A.52.080, shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 26.44.063, or chapter 7.92, 7.90, 9A.46, 10.99, 26.09, 26.10, 26.26, 26.50, or 74.34 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence, or restraining the person from going onto the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(b) A foreign protection order, as defined in RCW 26.52.010, has been issued of which the person under restraint has knowledge and the person under restraint has violated a provision of the foreign protection order prohibiting the person under restraint from contacting or communicating with another person, or excluding the person under restraint from a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, or a violation of any provision for which the foreign protection order specifically indicates that a violation will be a crime; or

(c) The person is eighteen years or older and within the preceding four hours has assaulted a family or household member as defined in RCW 10.99.020 and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer
has probable cause to believe that family or household members have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (A) The intent to protect victims of domestic violence under RCW 10.99.010; (B) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (C) the history of domestic violence of each person involved, including whether the conduct was part of an ongoing pattern of abuse.

(3) A police officer shall, at the request of a parent or guardian, arrest the sixteen or seventeen year old child of that parent or guardian if the officer has probable cause to believe that the child has assaulted a family or household member as defined in RCW 10.99.020 in the preceding four hours. Nothing in this subsection removes a police officer's existing authority provided in this section to make an arrest.

(4) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

(d) RCW 46.61.502 or 46.61.504, relating to persons under the influence of intoxicating liquor or drugs;

(e) RCW 46.61.503 or 46.25.110, relating to persons having alcohol or THC in their system;

(g) RCW 46.61.5249, relating to operating a motor vehicle in a negligent manner.

(5) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(6)(a) A law enforcement officer investigating at the scene of a motor vessel accident may arrest the operator of a motor vessel involved in the accident if the officer has probable cause to believe that the operator has committed, in connection with the accident, a criminal violation of chapter 79A.60 RCW.

(b) A law enforcement officer investigating at the scene of a motor vessel accident may issue a citation for an infraction to the operator of a motor vessel involved in the accident if the officer has probable cause to believe that the operator has committed, in connection with the accident, a violation of any boating safety law of chapter 79A.60 RCW.

(7) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 79A.60.040 shall have the authority to arrest the person.

(8) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give an officer the authority to take appropriate action under the laws of the state of Washington.

(9) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(10) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.14 RCW and the person has violated the terms of that order.

(11) Any police officer having probable cause to believe that a person has, within twenty-four hours of the alleged violation, committed a violation of RCW 9A.50.020 may arrest such person.
(12) A police officer having probable cause to believe that a person illegally possesses or illegally has possessed a firearm or other dangerous weapon on private or public elementary or secondary school premises shall have the authority to arrest the person.

For purposes of this subsection, the term "firearm" has the meaning defined in RCW 9.41.010 and the term "dangerous weapon" has the meaning defined in RCW 9.41.250 and 9.41.280(1) (c) through (e).

(13) A law enforcement officer having probable cause to believe that a person has committed a violation under RCW 77.15.160(4) may issue a citation for an infraction to the person in connection with the violation.

(14) A law enforcement officer having probable cause to believe that a person has committed a criminal violation under RCW 77.15.809 or 77.15.811 may arrest the person in connection with the violation.

(15) Except as specifically provided in subsections (2), (4), (5), and (8) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(16) No police officer may be held criminally or civilly liable for making an arrest pursuant to subsection (2) or (10) of this section if the police officer acts in good faith and without malice.

(17)(a) Except as provided in (b) of this subsection, a police officer shall arrest and keep in custody, until release by a judicial officer on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that the person has violated RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and the police officer: (i) Has knowledge that the person has a prior offense as defined in RCW 46.61.505 within ten years; or (ii) has knowledge, based on a review of the information available to the officer at the time of arrest, that the person is charged with or is awaiting arraignment for an offense that would qualify as a prior offense as defined in RCW 46.61.505 if it were a conviction.

(b) A police officer is not required to keep in custody a person under (a) of this subsection if the person requires immediate medical attention and is admitted to a hospital.

(18) A juvenile detention facility shall book into detention any person under age eighteen brought to that detention facility pursuant to an arrest for assaulting a family or household member as defined in RCW 10.99.020.

Sec. 4. RCW 46.20.385 and 2016 c 203 s 13 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1)(a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(a), or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).
(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock device shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and
qualify for a temporary restricted driver's license under RCW 46.20.391.

Sec. 5. RCW 46.20.720 and 2016 c 203 s 14 are each amended to read as follows:

(1) **Ignition interlock restriction.** The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

   (i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

   (ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3)(a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of suspension, revocation, or denial of driving privileges:

   (i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

   (ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3)(a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific calibration setting at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) **Calibration.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall be calibrated to prevent the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(3) **Duration of restriction.** A restriction imposed under:

   (a) Subsection (1)(a) of this section shall remain in effect until:

      (i) The court has authorized the removal of the device under RCW 10.21.055; or

      (ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

   (b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

   (c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

      (i) For a person who has not previously been restricted under this subsection, a period of one year;

      (ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

      (iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ten years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while a passenger under the age of sixteen was in the vehicle shall be extended for an additional six-month period as required by RCW 46.61.505(6)(a).

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock
device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) Requirements for removal. A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying that there have been none of the following incidents in the ((four)) one hundred eighty consecutive ((months)) days prior to the date of release:

(a) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(b) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(c) Failure to pass any random retest with a breath alcohol concentration of 0.025 or lower unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.025, and the digital image confirms the same person provided both samples; or

(d) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device.

(5) Day-for-day credit. (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) Employer exemption. (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(7) Ignition interlock device revolving account. In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of twenty dollars per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional ((twenty dollar)) fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.
(8) Foreign jurisdiction. For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

Sec. 6. RCW 46.61.5055 and 2016 sp.s. c 29 s 530 and 2016 c 203 s 17 are each reenacted and amended to read as follows:

(a) Penalty for alcohol concentration less than 0.15. In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than one day nor more than three hundred sixty-four days. Twenty-four consecutive hours of the imprisonment may not be suspended unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended, the court shall state in writing the reason for granting the suspension and the facts upon which the suspension is based. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(a)(i), the court may order not less than fifteen days of electronic home monitoring or a ninety-day period of 24/7 sobriety program monitoring. The court may consider the offender's pretrial 24/7 sobriety program testing as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device to include an alcohol detection breathalyzer, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(b)(i), the court may order not less than thirty days of electronic home monitoring or a one hundred twenty day period of 24/7 sobriety program monitoring. The court may consider the offender's pretrial 24/7 sobriety program testing as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device to include an alcohol detection breathalyzer or other separate alcohol monitoring device, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

In lieu of the mandatory minimum term of sixty days imprisonment and electronic home monitoring under this subsection (2)(a)(i), the court may order a minimum of four days in jail and either one hundred eighty days of electronic home monitoring or a one hundred twenty-day period of 24/7 sobriety program monitoring pursuant to RCW 36.28A.300 through 36.28A.390, and. The court may consider the offender's pretrial 24/7 sobriety program monitoring as fulfilling a portion of posttrial sentencing. The court shall order an expanded alcohol assessment and treatment, if deemed appropriate by the assessment. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer or other separate alcohol monitoring device, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. The person shall pay for the cost of the monitoring, unless the court specifies that the cost of monitoring will be paid with funds that are available from an alternative source identified by the court. The county or municipality where the penalty is being imposed shall determine the cost.

(c) 24/7 sobriety program monitoring. In any county or city where a 24/7 sobriety program is available and verified by the Washington association of sheriffs and police chiefs, the court shall:

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for two years or until the person is evaluated by an alcoholism agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a six-month period of 24/7 sobriety program monitoring. In no circumstances shall the license suspension be for less than one year; or

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for three years;

(b) **Penalty for alcohol concentration at least 0.15.** If the person's alcohol concentration was at least 0.15:

(i) Where there has been no prior offense within seven years, be revoked or denied by the department for one year or until the person is evaluated by an alcoholism agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a one hundred twenty day period of 24/7 sobriety program monitoring. In no circumstances shall the license revocation be for fewer than four days;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for nine hundred days; or

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years; or

(c) **Penalty for refusing to take test.** If by reason of the person's refusal to take a test offered under RCW 46.20.308, there is no test result indicating the person's alcohol concentration:

(i) Where there have been no prior offenses within seven years, be revoked or denied by the department for two years;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or

(iii) Where there have been two or more previous offenses within seven years, be revoked or denied by the department for four years.

The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident.

Upon receipt of a notice from the court under RCW 36.28A.390 that a participant has been removed from a 24/7 sobriety program, the department must resume any suspension, revocation, or denial that had been terminated early under this subsection due to participation in the program, granting credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 or this section arising out of the same incident.

Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.
For purposes of this subsection (9), the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.

(10) **Probation of driving privilege.** After expiration of any period of suspension, revocation, or denial of the offender's license, permit, or privilege to drive required by this section, the department shall place the offender's driving privilege in probationary status pursuant to RCW 46.20.355.

(11) **Conditions of probation.** (a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes up to three hundred sixty-four days in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive; (ii) not driving a motor vehicle within this state without proof of liability insurance or other financial responsibility for the future pursuant to RCW 46.30.020; (iii) not driving or being in physical control of a motor vehicle within this state while having an alcohol concentration of 0.08 or more or a THC concentration of 5.00 nanograms per milliliter of whole blood or higher, within two hours after driving; (iv) not refusing to submit to a test of his or her breath or blood to determine alcohol or drug concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drug; and (v) not driving a motor vehicle in this state without a functioning ignition interlock device as required by the department under RCW 46.20.720. The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), (iii), (iv), or (v) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

(12) **Waiver of electronic home monitoring.** A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system. However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the
combination does not exceed three hundred sixty-four days.

(13) Extraordinary medical placement. An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

Sec. 7. RCW 46.61.506 and 2016 c 203 s 8 are each amended to read as follows:

(1) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or any drug, if the person's alcohol concentration is less than 0.08 or the person's THC concentration is less than 5.00, it is evidence that may be considered with other competent evidence in determining whether the person was under the influence of intoxicating liquor or any drug.

(2)(a) The breath analysis of the person's alcohol concentration shall be based upon grams of alcohol per two hundred ten liters of breath.

(b) The blood analysis of the person's THC concentration shall be based upon nanograms per milliliter of whole blood.

(c) The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4)(a) A breath test performed by any instrument approved by the state toxicologist shall be admissible at trial or in an administrative proceeding if the prosecution or department produces prima facie evidence of the following:

(i) The person who performed the test was authorized to perform such test by the state toxicologist;

(ii) The person being tested did not vomit or have anything to eat, drink, or smoke for at least fifteen minutes prior to administration of the test;

(iii) The person being tested did not have any foreign substances, not to include dental work or piercings, fixed or removable, in his or her mouth at the beginning of the fifteen-minute observation period;

(iv) Prior to the start of the test, the temperature of any liquid simulator solution utilized as an external standard, as measured by a thermometer approved of by the state toxicologist was thirty-four degrees centigrade plus or minus 0.3 degrees centigrade;

(v) The internal standard test resulted in the message "verified";

(vi) The two breath samples agree to within plus or minus ten percent of their mean to be determined by the method approved by the state toxicologist;

(vii) The result of the test of the liquid simulator solution external standard or dry gas external standard result did lie between .072 to .088 inclusive; and

(viii) All blank tests gave results of .000.
(b) For purposes of this section, "prima facie evidence" is evidence of sufficient circumstances that would support a logical and reasonable inference of the facts sought to be proved. In assessing whether there is sufficient evidence of the foundational facts, the court or administrative tribunal is to assume the truth of the prosecution's or department's evidence and all reasonable inferences from it in a light most favorable to the prosecution or department.

(c) Nothing in this section shall be deemed to prevent the subject of the test from challenging the reliability or accuracy of the test, the reliability or functioning of the instrument, or any maintenance procedures. Such challenges, however, shall not preclude the admissibility of the test once the prosecution or department has made a prima facie showing of the requirements contained in (a) of this subsection. Instead, such challenges may be considered by the trier of fact in determining what weight to give to the test result.

(5) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcohol or drug content may be performed only by a physician licensed under chapter 18.71 RCW; an osteopathic physician licensed under chapter 18.57 RCW; a registered nurse, licensed practical nurse, or advanced registered nurse practitioner licensed under chapter 18.79 RCW; an osteopathic physician assistant licensed under chapter 18.71A RCW; an osteopathic physician assistant licensed under chapter 18.71A RCW; an advanced emergency medical technician or paramedic certified under chapter 18.71 RCW; an advanced emergency medical technician or paramedic certified under chapter 18.71 RCW; an advanced emergency medical technician or paramedic certified under chapter 18.135 RCW; or a medical assistant-certified or medical assistant-certified phlebotomist certified under chapter 18.360 RCW. When the blood test is performed outside the state of Washington, the withdrawal of blood for the purpose of determining its alcohol or drug content may be performed by any person who is authorized by the out-of-state jurisdiction to perform venous blood draws. Proof of qualification to draw blood may be established through the department of health's provider credential search. This limitation shall not apply to the taking of breath specimens.

(6) When a venous blood sample is performed by a forensic phlebotomist certified under chapter 18.360 RCW, it must be done under the following conditions:

(a) If taken at the scene, it must be performed in an ambulance or aid service vehicle licensed by the department of health under chapter 18.73 RCW.

(b) The collection of blood samples must not interfere with the provision of essential medical care.

(c) The blood sample must be collected using sterile equipment and the skin area of puncture must be thoroughly cleansed and disinfected.

(d) The person whose blood is collected must be seated, reclined, or lying down when the blood is collected.

(7) The person tested may have a licensed or certified health care provider listed in subsection (5) of this section, or a qualified technician, chemist, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The test will be admissible if the person establishes the general acceptability of the testing technique or method. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(8) Upon the request of the person who shall submit to a test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or her or his or her attorney.

SUBSTITUTE SENATE BILL NO. 5046, by Senate Committee on Local Government (originally sponsored by Senators Hasegawa, Chase, Darneille and Rolffes)

Providing public notices of public health, safety, and welfare in a language other than English.

Representative Santos moved the adoption of striking amendment (575):

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. The legislature finds that, as a matter of human dignity, all persons should be informed of emergency notifications in a manner in which they can understand. It is the intent of the legislature that all persons who may be in harm’s way in an emergency are informed of their peril, and informed of appropriate actions they should take to protect themselves and their families.

**NEW SECTION.** Sec. 2. A new section is added to chapter 38.52 RCW to read as follows:

Beginning December 1, 2019, a state agency that provides life safety information in an emergency or disaster must provide, to the relevant committees of the legislature, a copy of its current communication plan for notifying significant population segments of such information, including the agency’s point of contact. The state agency must also submit an annual report to the relevant committees of the legislature identifying those instances of emergency or disaster in the preceding year in which life safety information was provided and what public messaging strategies and means were used to notify citizens with limited English proficiency.

Sec. 3. RCW 38.52.010 and 2015 c 61 s 1 are each reenacted and amended to read as follows:

As used in this chapter:

(1) "Communication plan," as used in RCW 38.52.070, means a section in a local comprehensive emergency management plan that addresses emergency notification of life safety information.

(2) "Continuity of operations planning" means the internal effort of an organization to assure that the capability exists to continue essential functions and services in response to a comprehensive array of potential emergencies or disasters.

((444)) (3) "Department" means the state military department.

((444)) (4) "Director" means the adjutant general.

((444)) (5) "Emergency management" or "comprehensive emergency management" means the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to mitigate, prepare for, respond to, and recover from emergencies and disasters, and to aid victims suffering from injury or damage, resulting from disasters caused by all hazards, whether natural, technological, or human caused, and to provide support for search and rescue operations for persons and property in distress. However, "emergency management" or "comprehensive emergency management" does not mean preparation for emergency evacuation or relocation of residents in anticipation of nuclear attack.

((444)) (6)(a) "Emergency or disaster" as used in all sections of this chapter except RCW 38.52.430 shall mean an event or set of circumstances which: (i) Demands immediate action to preserve public health, protect life, protect public property, or to provide relief to any stricken community overtaken by such occurrences, or (ii) reaches such a dimension or degree of destructiveness as to warrant the governor declaring a state of emergency pursuant to RCW 43.06.010.

(b) "Emergency" as used in RCW 38.52.430 means an incident that requires a normal police, coroner, fire, rescue, emergency medical services, or utility response as a result of a violation of one of the statutes enumerated in RCW 38.52.430.
"Emergency response" as used in RCW 38.52.430 means a public agency's use of emergency services during an emergency or disaster as defined in subsection (6)(b) of this section.

"Emergency worker" means any person who is registered with a local emergency management organization or the department and holds an identification card issued by the local emergency management director or the department for the purpose of engaging in authorized emergency management activities or is an employee of the state of Washington or any political subdivision thereof who is called upon to perform emergency management activities.

"Executive head" and "executive heads" means the county executive in those charter counties with an elective office of county executive, however designated, and, in the case of other counties, the county legislative authority. In the case of cities and towns, it means the mayor in those cities and towns with mayor-council or commission forms of government, where the mayor is directly elected, and it means the city manager in those cities and towns with council-manager forms of government. Cities and towns may also designate an executive head for the purposes of this chapter by ordinance.

"Expense of an emergency response" as used in RCW 38.52.430 means reasonable costs incurred by a public agency in reasonably making an appropriate emergency response to the incident, but shall only include those costs directly arising from the response to the particular incident. Reasonable costs shall include the costs of providing police, coroner, firefighting, rescue, emergency medical services, or utility response at the scene of the incident, as well as the salaries of the personnel responding to the incident.

"Incident command system" means: (a) An all-hazards, on-scene functional management system that establishes common standards in organization, terminology, and procedures; provides a means (unified command) for the establishment of a common set of incident objectives and strategies during multiagency/multijurisdiction operations while maintaining individual agency/jurisdiction authority, responsibility, and accountability; and is a component of the national interagency incident management system; or (b) an equivalent and compatible all-hazards, on-scene functional management system.

"Injury" as used in this chapter shall mean and include accidental injuries and/or occupational diseases arising out of emergency management activities.

"Life safety information" means information provided to people during a response to a life-threatening emergency or disaster informing them of actions they can take to preserve their safety. Such information may include, but is not limited to, information regarding evacuation, sheltering, sheltering-in-place, facility lockdown, and where to obtain food and water.

"Local director" means the director of a local organization of emergency management or emergency services.

"Local organization for emergency services or management" means an organization created in accordance with the provisions of this chapter by state or local authority to perform local emergency management functions.

"Local subdivision" means any county, city or town.

"Public agency" means the state, and a city, county, municipal corporation, district, town, or public authority located, in whole or in part, within this state which provides or may provide firefighting, police, ambulance, medical, or other emergency services.

"Radio communications service company" has the meaning ascribed to it in RCW 82.14B.020.

"Search and rescue" means the acts of searching for, rescuing, or recovering by means of ground, marine, or air activity any person who becomes lost, injured, or is killed while outdoors or as a result of a natural, technological, or human caused disaster, including instances involving searches for downed aircraft when ground personnel are used. Nothing in this section shall affect appropriate activity by the department of transportation under chapter 47.68 RCW.

Sec. 4. RCW 38.52.070 and 1997 c 49 s 4 are each amended to read as follows:

(1) Each political subdivision of this state is hereby authorized and directed to establish a local organization or to be a member of a joint local organization for
emergency management in accordance with the state comprehensive emergency management plan and program: PROVIDED, That a political subdivision proposing such establishment shall submit its plan and program for emergency management to the state director and secure his or her recommendations thereon, and verification of consistency with the state comprehensive emergency management plan, in order that the plan of the local organization for emergency management may be coordinated with the plan and program of the state. Local comprehensive emergency management plans must specify the use of the incident command system for multiagency/multijurisdiction operations. No political subdivision may be required to include in its plan provisions for the emergency evacuation or relocation of residents in anticipation of nuclear attack. If the director's recommendations are adverse to the plan as submitted, and, if the local organization does not agree to the director's recommendations for modification to the proposal, the matter shall be referred to the council for final action. The director may authorize two or more political subdivisions to join in the establishment and operation of a joint local organization for emergency management as circumstances may warrant, in which case each political subdivision shall contribute to the cost of emergency management upon such fair and equitable basis as may be determined upon by the executive heads of the constituent subdivisions. If in any case the executive heads cannot agree upon the proper division of cost the matter shall be referred to the council for arbitration and its decision shall be final. When two or more political subdivisions join in the establishment and operation of a joint local organization for emergency management each shall pay its share of the cost into a special pooled fund to be administered by the treasurer of the most populous subdivision, which fund shall be known as the emergency management fund. Each local organization or joint local organization for emergency management that produces a local comprehensive emergency management plan must include a communication plan for notifying significant population segments of life safety information during an emergency. Local organizations and joint local organizations are encouraged to consult with affected community organizations in the development of the communication plans. (i) In developing communication plans, local organizations and joint organizations should consider, as part of their determination of the extent of the obligation to provide emergency notification to significant population segments, the following factors: The number or proportion of the limited English proficiency persons eligible to be served or likely to be encountered, the
frequency with which limited English proficiency individuals come in contact with the emergency notification; the nature and importance of the emergency notification, service, or program to people's lives; and the resources available to the political subdivision to provide emergency notifications.

(ii) "Significant population segment" means, for the purposes of this subsection (3), each limited English proficiency language group that constitutes five percent or one thousand residents, whichever is less, of the population of persons eligible to be served or likely to be affected within a city, town, or county. The office of financial management forecasting division's limited English proficiency population estimates are the demographic data set for determining eligible limited English proficiency language groups.

(b) Local organizations and joint local organizations must submit the plans produced under (a) of this subsection to the Washington military department emergency management division, and must implement those plans. An initial communication plan must be submitted with the local organization or joint local organization's next local emergency management plan update following the effective date of this section, and subsequent plans must be reviewed in accordance with the director's schedule.

(4) When conducting emergency or disaster after-action reviews, local organizations and joint local organizations must evaluate the effectiveness of communication of life safety information and must inform the emergency management division of the Washington military department of technological challenges which limited communications efforts, along with identifying recommendations and resources needed to address those challenges.

NEW SECTION. Sec. 5. A new section is added to chapter 38.52 RCW to read as follows:

(1) Beginning December 1, 2019, the Washington military department emergency management division must submit a report every five years to the relevant committees of the legislature containing the status of communication plans produced under RCW 38.52.070(3)(a).

(2) The emergency management division of the Washington military department must provide the legislature an annual report on instances of emergency or disaster in which communication of life safety information was technologically infeasible, as reported to the department pursuant to RCW 38.52.070(4). When potential technology solutions exist, the report must include recommendations and an estimate of resources required to remedy the infeasibility. The first annual report is due December 1, 2019.

NEW SECTION. Sec. 6. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void."

MESSAGE FROM THE GOVERNOR

April 25, 2017

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1877 entitled:

³AN ACT Relating to the release of driving record abstract information affecting registered tow truck operators.´

This bill prohibits actions committed by registered tow truck operators while fulfilling their occupational duties from being included in the driver record abstract requested by and submitted to insurance carriers, provided the operator has not been issued a citation. The intent and policy of this bill is identical to Section 2 of Substitute Senate Bill 5343, which I previously signed into law on April 17, 2017. This bill creates a duplication in the law and is therefore unnecessary.

For these reasons I have vetoed Substitute House Bill No. 1877 in its entirety.

Respectfully submitted,

Jay Inslee
Governor

POINT OF PERSONAL PRIVILEGE

Representative Santos: "Yesterday I was stunned to learn, and perhaps you were as well, that we, the state of Washington, lost an extraordinary public servant. A talented and generous native son. Mike Lowry would serve as our governor, as a member of Congress, and in my neck of the woods, as a council member for Martin Luther King County.

Mike Lowry was one of the first persons I ever met who really embodied the philosophy and the vision of One Washington, having been born in eastern Washington and raised there from a little town of St. John, graduating from Endicott High School and was a very proud W.S.U. graduate.

In his adult life he moved to Western Washington where he made and forged a career of public service. Of believing in that notion of one nation indivisible with liberty and justice for all. His career trajectory encompassed many things and I can only hit on some of the highlights of his legacy.

We have debated many times on this House floor of the need to serve our homeless population, and Mike Lowry, as a member of Congress, was the author of the McKinney Vento act. He stood for immigrant rights in the early and late seventies and early eighties.

He was a champion of not only environmental protection and conservation, serving in his later years after he became governor, with former governor Dan Evans as founders of the Washington Wildlife and Recreation Coalition.

But I think the thing that most made him tick was his absolute commitment to civil rights and human rights, and for me, his role as being the brave soul who stood up in Congress and introduced the very first civil liberties reparations act to redress the wrongs and injustices of World War II towards Japanese Americans is seared in my memory and in the memories of many in my community.

On a personal level Madam Speaker you may not know that I worked for Mr Lowry. I was very proud to have worked for Mr Lowry. I consider him a mentor and a friend, and my heart is filled with great sorrow for his wife Mary, his devoted beloved Mary; his daughter Dianne, whom he doted on, and her husband and children; and his surviving sister Sue Ellen.

Madam Speaker they say that the moral test of government is how they treat people at the dawn of life - the children; people in the twilight of life - the aged; the people who are in the shadows of life - those who are sick and needy; those who are handicapped, those who are marginalized. I stand here asking you to help remember a man who was not only a consummate public servant but who was a moral compass for government in the state of Washington. Who always pointed true north for all of our citizens.

I ask you to remember him with me and send our collective thoughts and prayers to his family and all of the people of the state of Washington at this very sad moment. Thank you Madam Speaker.”

POINT OF PERSONAL PRIVILEGE

Representative Johnson: “I too stand to eulogize the good Governor we lost yesterday. He was kind of a unique individual. Many of the things that he favored and he pushed as a member of Congress in the decade in which he served, are now things that have come to pass. They didn't necessarily always come when Governor Lowry was a member of Congress, but they came later as the good lady from the thirty-seventh had to say.

You know I believe the last time I had an opportunity to visit with Governor Lowry was in Grandview, Washington. Like so many of us here in the chamber we kind of had our start over in Eastern Washington which means we sent good stock to Olympia.

You will remember Chairman Appleton, Representative Santos, that we were with him at the dedication of a housing project in Grandview. I think that one of the shining stars in his crown was what he did after he left public office. He pushed and pulled for housing for moderate income people and for low income people. That's what we were in Grandview for that day, the dedication of a housing project- apartments and single family homes, that were built by the diocese of Yakima. He made the trip on his own to be there and take part of that.

He was unique in a way that many of us wish we could say we were, he knew everybody. He knew something about you. He knew your name.

Although maybe we don’t always agree on either side of the aisle, sometimes we can put that aside when we think of the kindness and consideration he showed to each and every one of us that he had the chance to meet in his long life of political service. So I too would like to join the good lady from the thirty-seventh and request that we remember Governor Lowry as one of the fine men who served not just
the politicians that we all are, but who also served the people of the state of Washington as well as any Governor that we've had in my time. Thank you Madam Speaker.”

The Speaker assumed the chair.

MESSAGES FROM THE GOVERNOR

April 26, 2017
To the Honorable Speaker and Members,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, Engrossed Substitute House Bill No. 1017 entitled:

³AN ACT Relating to the siting of schools and school facilities.´

Engrossed Substitute House Bill 1017 seeks to address the important and complicated subject of siting schools outside of Urban Growth Areas. While this bill adequately addresses many aspects of the issue, I remained concerned about three items that I would like to resolve with the legislature during the special session.

First, any extension of urban services to serve a rural school must be limited to the size and scale needed to support the long-term needs of the school. Second, the land surrounding a new rural school must maintain its rural character and housing density as specified in RCW 36.70A.070(5). Finally, in order for schools to be sited outside the Urban Growth Boundary Line, school districts must demonstrate that there is no suitable land available within the Urban Growth Area.

For these reasons I have vetoed Section 1 of Engrossed Substitute House Bill No. 1017.

With the exception of Section 1, Engrossed Substitute House Bill No. 1017 is approved.

Respectfully submitted,

Jay Inslee
Governor

MESSAGES FROM THE GOVERNOR

May 5, 2017
To the Honorable Speaker and Members,
The House of Representatives of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval, House Bill No. 1150 entitled:

‘AN ACT Relating to clarifying procedures for appointment to the Chehalis board created by chapter 194, Laws of 2016’

House Bill No. 1150 removes the requirement that tribal appointments to the Chehalis Board be confirmed by the Senate and clarifies the terms of initial appointments to that Board. This new Board and the Office of Chehalis Basin represent another example of citizens, governments and tribal nations coming together to solve problems that benefit both people and fish.

However, House Bill No. 1150 is identical to Engrossed Senate Bill No. 5097 that was presented to me as a five-day bill, and I signed into law on April 17, 2017. It is not necessary to enact duplicate legislation.

For these reasons I have vetoed House Bill No. 1150 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

May 8, 2017
To the Honorable Speaker and Members,
The House of Representatives of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 18, Engrossed Substitute House Bill No. 1115 entitled:

‘AN ACT Relating to paraeducators.’

This measure is an outgrowth of nearly five years of discussion and consideration of the Paraeducator Work Group.

It is also one of the late Senator Andy Hill’s many legacies.

The bill creates the nine-member Paraeducator Board to provide professional development for this group of education employees who assist teachers in the classroom. It requires paraeducators to meet certain minimum employment standards, among other things. This will provide an opportunity for the state's 36,000 paraeducators to develop in their profession and become a teacher through alternative routes, if they so choose.

However, I am vetoing Section 18, which modifies a section of statute that was repealed by another bill this session.

Thanks to the sponsor, Representative Bergquist, and the members of the work group whose great work led to this legislation.

For these reasons I have vetoed Section 18 of Engrossed Substitute House Bill No. 1115.

With the exception of Section 18, Engrossed Substitute House Bill No. 1115 is approved.

Respectfully submitted,
Jay Inslee
Governor

MESSAGE FROM THE GOVERNOR

May 10, 2017

To the Honorable Speaker and Members,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section Sec. 6, Engrossed Second Substitute House Bill No. 1612 entitled:

‘AN ACT Relating to a public health educational platform for suicide prevention and strategies to reduce access to lethal means.’

This section is the same as the language in Section 2 of Engrossed Substitute Senate Bill 5552. Because SB 5552 also includes a couple of additional changes unrelated to the language in this bill, the Code Reviser advises this action so the RCW is clear. I support the policy and am glad that is fully contained in the other bill.

For these reasons I have vetoed Section Sec. 6 of Engrossed Second Substitute House Bill No. 1612.

With the exception of Section Sec. 6, Engrossed Second Substitute House Bill No. 1612 is approved.

Respectfully submitted,

Jay Inslee
Governor

MESSAGES FROM THE GOVERNOR

May 16, 2017
To the Honorable Speaker and Members,
The House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval, Substitute House Bill No. 1905 entitled:
‘AN ACT Relating to the volume limitation for certain vessels exempt from the pilotage act.’

Substitute House Bill 1905 increases the maximum vessel volume that can be exempt from the mandatory use of licensed pilotage within most of the Puget Sound and Grays Harbor. This measure would allow more modern and fuel-efficient passenger vessels to enjoy Washington’s waterways. However, Substitute House Bill 1905 is identical to Substitute Senate Bill 5262, which I signed into law on April 20, 2017. It is not necessary to enact duplicate legislation.

For these reasons I have vetoed Substitute House Bill No. 1905 in its entirety.

Respectfully submitted,

May 16, 2017
To the Honorable Speaker and Members,
The House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval, Engrossed Substitute House Bill No. 1504 entitled:
‘AN ACT Relating to rail dependent uses for purposes of the growth management act and related development regulations.’

I am committed to supporting economic development across Washington State so all areas and communities thrive. This commitment includes working with legislators and stakeholders on how we better develop rural and other underserved areas.

At the same time, I remain committed to fully supporting the Growth Management Act, which has created the framework for thoughtful growth and comprehensive development plans while protecting vital resource lands.

While this bill might help rural counties to develop adjacent to short line railroads in designated counties, it would undermine our longstanding commitment to preserve working farms and promote our agricultural economy.

The Growth Management Act provides for a process to redesignate resource lands and convert the use of those lands. As part of a broader review of the Growth Management Act, it would be appropriate to reexamine how we provide additional flexibility for encouraging economic development in rural areas. It is my understanding that such a review is proposed in the Senate and House budgets, and I would support that review.

For these reasons I have vetoed Engrossed Substitute House Bill No. 1504 in its entirety.

Respectfully submitted,
Jay Inslee

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval, House Bill No. 1578 entitled:
‘AN ACT Relating to irrigation district authority.’

This bill provides new opportunities to develop infrastructure projects that support the economy in Eastern Washington and encourages investments in hydroelectric facilities. However, this bill is identical to Senate Bill 5261, which I signed into law on April 19, 2017. This duplicate bill is therefore unnecessary.

For these reasons I have vetoed House Bill No. 1578 in its entirety.

Respectfully submitted,

(8) Licensed or certified behavioral health service providers may not provide types of services for which the licensed or certified behavioral health service provider has not been certified. Licensed or certified behavioral health service providers may provide services for which approval has been sought and is pending, if approval for the services has not been previously revoked or denied.

(9) The department periodically shall inspect licensed or certified behavioral health service providers at reasonable times and in a reasonable manner.

(10) Upon petition of the department and after a hearing held upon reasonable notice to the facility, the superior court may issue a warrant to an officer or employee of the department authorizing him or her to enter and inspect at reasonable times, and examine the books and accounts of, any licensed or certified behavioral health service provider refusing to consent to inspection or examination by the department or which the department has reasonable cause to believe is operating in violation of this chapter.

(11) The department shall maintain and periodically publish a current list of licensed or certified behavioral health service providers.

(12) Each licensed or certified behavioral health service provider shall file with the department or the authority upon request, data, statistics, schedules, and information the department or the authority reasonably requires. A licensed or certified behavioral health service provider that without good cause fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent returns thereof, may have its license or certification revoked or suspended.

(13) The authority shall use the data provided in subsection (12) of this section to evaluate each program that admits children to inpatient substance use disorder treatment upon application of their parents. The evaluation must be done at least once every twelve months. In addition, the authority shall randomly select and review the information on individual children who are admitted on application of the child’s parent for the purpose of determining whether the child was appropriately placed into substance use disorder treatment based on an objective evaluation of the child’s condition and the outcome of the child’s treatment.

(14) Any settlement agreement entered into between the department and licensed or certified behavioral health service providers to resolve administrative complaints, license or certification violations, license or certification suspensions, or license or certification revocations may not reduce the number of violations reported by the department unless the department concludes, based on evidence gathered by inspectors, that the licensed or certified behavioral health service provider did not commit one or more of the violations.

(15) In cases in which a behavioral health service provider that is in violation of licensing or certification standards attempts to transfer or sell the behavioral health service provider to a family member, the transfer or sale may
only be made for the purpose of remedying license or certification violations and achieving full compliance with the terms of the license or certification. Transfers or sales to family members are prohibited in cases in which the purpose of the transfer or sale is to avoid liability or reset the number of license or certification violations found before the transfer or sale. If the department finds that the owner intends to transfer or sell, or has completed the transfer or sale of, ownership of the behavioral health service provider to a family member solely for the purpose of resetting the number of violations found before the transfer or sale, the department may not renew the behavioral health service provider's license or certification or issue a new license or certification to the behavioral health service provider.

"Sec. 4017. RCW 71.24.310 and 2017 c 222 s 1 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the behavioral health organization defined in RCW 71.24.025. For this reason, the legislature intends that the ((department)) authority and the behavioral health organizations shall work together to implement chapter 71.05 RCW as follows:

(1) ((By June 1, 2006,)) Behavioral health organizations shall recommend to the ((department)) authority the number of state hospital beds that should be allocated for use by each behavioral health organization. The statewide total allocation shall not exceed the number of state hospital beds offering long-term inpatient care, as defined in this chapter, for which funding is provided in the biennial appropriations act.

(2) If there is consensus among the behavioral health organizations regarding the number of beds that should be allocated for use by each behavioral health organization, the ((department)) authority shall contract with each behavioral health organization accordingly.

(3) If there is not consensus among the behavioral health organizations regarding the number of beds that should be allocated for use by each behavioral health organization, the ((department)) authority shall establish by emergency rule the number of state hospital beds that are available for use by each behavioral health organization. ((The emergency rule shall be effective September 1, 2006)) The primary factor used in the allocation shall be the estimated number of adults with acute and chronic mental illness in each behavioral health organization area, based upon population-adjusted incidence and utilization.

(4) The allocation formula shall be updated at least every three years to reflect demographic changes, and new evidence regarding the incidence of acute and chronic mental illness and the need for long-term inpatient care. In the updates, the statewide total allocation shall include (a) all state hospital beds offering long-term inpatient care for which funding is provided in the biennial appropriations act; plus (b) the estimated equivalent number of beds or comparable diversion services contracted in accordance with subsection (5) of this section.

(5) The ((department)) authority is encouraged to enter performance-based contracts with behavioral health organizations to provide some or all of the behavioral health organization's allocated long-term inpatient treatment capacity in the community, rather than in the state hospital. The performance contracts shall specify the number of patient days of care available for use by the behavioral health organization in the state hospital.

(6) If a behavioral health organization uses more state hospital patient days of care than it has been allocated under subsection (3) or (4) of this section, or than it has contracted to use under subsection (5) of this section, whichever is less, it shall reimburse the ((department)) authority for that care. Reimbursements must be calculated using quarterly average census data to determine an average number of days used in excess of the bed allocation for the quarter. The reimbursement rate per day shall be the hospital's total annual budget for long-term inpatient care, divided by the total patient days of care assumed in development of that budget.

(7) One-half of any reimbursements received pursuant to subsection (6) of this section shall be used to support the
cost of operating the state hospital ((and, during the 2007-2009 fiscal biennium, implementing new services that will enable a behavioral health organization to reduce its utilization of the state hospital)). The ((department)) authority shall distribute the remaining half of such reimbursements among behavioral health organizations that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used.”

"NEW SECTION. Sec. 4065. A new section is added to chapter 71.24 RCW to read as follows:

(1) The authority shall, upon the request of a county authority or authorities within a regional service area, collaborate with counties to create an interlocal leadership structure that includes participation from counties and the managed health care systems serving that regional service area. The interlocal leadership structure must include representation from physical and behavioral health care providers, tribes, and other entities serving the regional service area as necessary.

(2) The interlocal leadership structure regional organization must be chaired by the counties and jointly administered by the authority, managed health care systems, and counties. It must design and implement the fully integrated managed care model for that regional service area to assure clients are at the center of care delivery and support integrated delivery of physical and behavioral health care at the provider level.

(3) The interlocal leadership structure may address, but is not limited to addressing, the following topics:

(a) Alignment of contracting, administrative functions, and other processes to minimize administrative burden at the provider level to achieve outcomes;

(b) Monitoring implementation of fully integrated managed care in the regional service area, including design of an early warning system to monitor ongoing success to achieve better outcomes and to make adjustments to the system as necessary;

(c) Developing regional coordination processes for capital infrastructure requests, local capacity building, and other community investments;

(d) Identifying, using, and building on measures and data consistent with, but not limited to, RCW 70.320.030 and 41.05.690, for tracking and maintaining regional accountability for delivery system performance; and

(e) Discussing whether the managed health care systems awarded the contract by the authority for a regional service area should subcontract with a county-based administrative service organization or other local organization, which may include and determine, in partnership with that organization, which value-add services will best support a bidirectional system of care.

(4) To ensure an optimal transition, regional service areas that enter as mid-adopters must be allowed a transition period of up to one year during which the interlocal leadership structure develops and implements a local plan, including measurable milestones, to transition to fully integrated managed care. The transition plan may include provisions for the counties' organization to maintain existing contracts during some or all of the transition period if the managed care design begins during 2017 to 2018, with the mid-adopter transition year occurring in 2019.

(5) Nothing in this section may be used to compel contracts between a provider, integrated managed health care system, or administrative service organization.

(6) The interlocal leadership group expires December 1, 2021, unless the interlocal leadership group decides locally to extend it.”

(6) Penalty for having a minor passenger in vehicle. If a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 committed the offense while a passenger under the age of sixteen was in the vehicle, the court shall:

(a) Order the use of an ignition interlock or other device for an additional six months;

(b) In any case in which the person has no prior offenses within seven years, and except as provided in RCW 46.61.502(6) or 46.61.504(6), order an additional twenty-four hours of imprisonment and a fine of not less than one thousand dollars and not more than five thousand dollars. One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent;

(c) In any case in which the person has one prior offense within seven years, and except as provided in RCW 46.61.502(6) or 46.61.504(6), order an additional five days of imprisonment and a fine of not less than two thousand dollars and not more than five thousand dollars. One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent;

(d) In any case in which the person has two prior offenses within seven years, and except as provided in RCW 46.61.502(6) or 46.61.504(6), order an additional ten days of imprisonment and a fine of not less than three thousand dollars and not more than ten thousand dollars. One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent.

(7) Other items courts must consider while setting penalties. In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider the following:

(a) Whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property;

(b) Whether at the time of the offense the person was driving or in physical control of a vehicle with one or more passengers;

(c) Whether the driver was driving in the opposite direction of the normal flow of traffic on a multiple lane highway, as defined by RCW 46.04.350, with a posted speed limit of forty-five miles per hour or greater; and

(d) Whether a child passenger under the age of sixteen was an occupant in the driver's vehicle.

(8) Treatment and information school. An offender punishable under this section is subject to the alcohol assessment and treatment provisions of RCW 46.61.5056.

(9) Driver's license privileges of the defendant. The license, permit, or nonresident privilege of a person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs must:

(a) Penalty for alcohol concentration less than 0.15. If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) Where there has been no prior offense within seven years, be suspended or denied by the department for ninety days or until the person is evaluated by an alcoholism agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a ninety-day period of 24/7 sobriety program monitoring. In no circumstances shall the license suspension be for fewer than two days;

(ii) Where there has been one prior offense within seven years, be revoked or
denied by the department for two years or until the person is evaluated by an alcoholism agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a six-month period of 24/7 sobriety program monitoring. In no circumstances shall the license suspension be for less than one year; or

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for three years;

(b) Penalty for alcohol concentration at least 0.15. If the person's alcohol concentration was at least 0.15:

(i) Where there has been no prior offense within seven years, be revoked or denied by the department for one year or until the person is evaluated by an alcoholism agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a one hundred twenty day period of 24/7 sobriety program monitoring. In no circumstances shall the license revocation be for fewer than four days;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for nine hundred days; or

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years; or

(c) Penalty for refusing to take test. If by reason of the person's refusal to take a test offered under RCW 46.20.308, there is no test result indicating the person's alcohol concentration:

(i) Where there have been no prior offenses within seven years, be revoked or denied by the department for two years;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or

(iii) Where there have been two or more previous offenses within seven years, be revoked or denied by the department for four years.

The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident.

Upon receipt of a notice from the court under RCW 36.28A.390 that a participant has been removed from a 24/7 sobriety program, the department must resume any suspension, revocation, or denial that had been terminated early under this subsection due to participation in the program, granting credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 or this section arising out of the same incident.

Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.

For purposes of this subsection (9), the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.

(10) Probation of driving privilege. After expiration of any period of suspension, revocation, or denial of the offender's license, permit, or privilege to drive required by this section, the department shall place the offender's driving privilege in probationary status pursuant to RCW 46.20.355.

(11) Conditions of probation. (a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes up to three hundred sixty-four days in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive; (ii) not driving a motor vehicle within this state without proof of liability insurance or other financial responsibility for the future pursuant to RCW 46.30.020; (iii) not driving or being in physical control of a motor vehicle within this state while having an alcohol
concentration of 0.08 or more or a THC concentration of 5.00 nanograms per milliliter of whole blood or higher, within two hours after driving; (iv) not refusing to submit to a test of his or her breath or blood to determine alcohol or drug concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drug; and (v) not driving a motor vehicle in this state without a functioning ignition interlock device as required by the department under RCW 46.20.720. The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer’s motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), (iii), (iv), or (v) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial imposed under this subsection.

(12) Waiver of electronic home monitoring. A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system. However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-four days.

(13) Extraordinary medical placement. An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

Concerning the addition of services for long-term placement of mental health patients in community settings that voluntarily contract to provide the services.

There being no objection, the rules were suspended, and ENGROSSED HOUSE BILL NO. 2107 was returned to second reading for the purpose of amendment.

SECOND READING

Representative Schmick moved the adoption of the striking amendment (604):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 71.24 RCW to read as follows:

The legislature finds that concentrating all long-term placements for mental health patients at eastern and western state hospitals is not a sustainable model for the future. There is insufficient capacity at eastern and western state hospitals to meet current and growing demand for services and patients, and families are better supported when care is provided in communities closer to their homes. Therefore, the legislature intends to facilitate the addition of services to the existing system by making long-term placement for mental health patients available in community hospitals and evaluation and treatment facilities that voluntarily contract and are certified by the department of social and health services.

Sec. 2. RCW 71.24.310 and 2017 c 222 s 1 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the behavioral health organization defined in RCW 71.24.025. For this reason, the legislature intends that the department and the behavioral health organizations shall work together to implement chapter 71.05 RCW as follows:

(1) By June 1, 2006, behavioral health organizations shall recommend to the department the number of state hospital beds that should be allocated for use by each behavioral health organization. The statewide total allocation shall not exceed the number of state hospital beds offering long-term inpatient care, as defined in this chapter, for which funding is provided in the biennial appropriations act.

(2) If there is consensus among the behavioral health organizations regarding
the number of state hospital beds that should be allocated for use by each behavioral health organization, the department shall contract with each behavioral health organization accordingly.

(3) If there is not consensus among the behavioral health organizations regarding the number of beds that should be allocated for use by each behavioral health organization, the department shall establish by emergency rule the number of state hospital beds that are available for use by each behavioral health organization. The emergency rule shall be effective September 1, 2006. The primary factor used in the allocation shall be the estimated number of adults with acute and chronic mental illness in each behavioral health organization area, based upon population-adjusted incidence and utilization.

(4) The allocation formula shall be updated at least every three years to reflect demographic changes, and new evidence regarding the incidence of acute and chronic mental illness and the need for long-term inpatient care. In the updates, the statewide total allocation shall include (a) all state hospital beds offering long-term inpatient care for which funding is provided in the biennial appropriations act; plus (b) the estimated equivalent number of beds or comparable diversion services contracted in accordance with subsection (5) of this section.

(5)(a) The department ((is encouraged to)) shall enter into performance-based contracts with behavioral health organizations to provide some or all of the behavioral health organization's allocated long-term inpatient treatment capacity in the community, rather than in the state hospital, to the extent that willing certified facilities are available. The performance contracts shall specify the number of patient days of care available for use by the behavioral health organization in the state hospital and the number of patient days of care available for use by the behavioral health organization in a facility certified by the department to provide treatment to adults on a ninety or one hundred eighty day involuntary commitment order, including hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW.

(b) Nothing in this section requires a hospital licensed under chapter 70.41 or 71.12 RCW to contract or become certified to treat patients on ninety or one hundred eighty day involuntary commitment orders as a condition for continuing to treat adults who are waiting for placement at either the state hospital or in certified facilities that voluntarily contract to provide treatment to patients on ninety or one hundred eighty day involuntary commitment orders.

(6) If a behavioral health organization uses more state hospital patient days of care than it has been allocated under subsection (3) or (4) of this section, or than it has contracted to use under subsection (5) of this section, whichever is less, it shall reimburse the department for that care. Reimbursements must be calculated using quarterly average census data to determine an average number of days used in excess of the bed allocation for the quarter. The reimbursement rate per day shall be the hospital's total annual budget for long-term inpatient care, divided by the total patient days of care assumed in development of that budget.

(7) One-half of any reimbursements received pursuant to subsection (6) of this section shall be used to support the cost of operating the state hospital and, during the 2007-2009 fiscal biennium, implementing new services that will enable a behavioral health organization to reduce its utilization of the state hospital. The department shall distribute the remaining half of such reimbursements among behavioral health organizations that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used.

Sec. 3.
RCW 71.24.380 and 2014 c 225 s 5 are each amended to read as follows:

(1) The secretary shall purchase mental health and chemical dependency treatment services primarily through managed care contracting, but may continue to purchase behavioral health services directly from tribal clinics and other tribal providers.

(2)(a) The secretary shall request a detailed plan from the entities identified in (b) of this subsection that demonstrates compliance with the contractual elements of RCW 43.20A.894 and federal regulations related to medicaid managed care contracting(,)) including, but not limited to: Having a sufficient
network of providers to provide adequate access to mental health and chemical dependency services for residents of the regional service area that meet eligibility criteria for services, ability to maintain and manage adequate reserves, and maintenance of quality assurance processes. In addition, such entities must demonstrate the ability to contract for a minimum number of patient days, to be determined by the secretary, in a facility certified by the department to provide treatment to adults on a ninety or one hundred eighty day involuntary commitment order, including at hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW, to the extent that willing certified facilities are available. Any responding entity that submits a detailed plan that demonstrates that it can meet the requirements of this section must be awarded the contract to serve as the behavioral health organization.

(b)(i) For purposes of responding to the request for a detailed plan under (a) of this subsection, the entities from which a plan will be requested are:

(A) A county in a single county regional service area that currently serves as the regional support network for that area;

(B) In the event that a county has made a decision prior to January 1, 2014, not to contract as a regional support network, any private entity that serves as the regional support network for that area;

(C) All counties within a regional service area that includes more than one county, which shall form a responding entity through the adoption of an interlocal agreement. The interlocal agreement must specify the terms by which the responding entity shall serve as the behavioral health organization within the regional service area.

(ii) In the event that a regional service area is comprised of multiple counties including one that has made a decision prior to January 1, 2014, not to contract as a regional support network the counties shall adopt an interlocal agreement and may respond to the request for a detailed plan under (a) of this subsection and the private entity may also respond to the request for a detailed plan. If both responding entities meet the requirements of this section, the responding entities shall follow the department's procurement process established in subsection (3) of this section.

(3) If an entity that has received a request under this section to submit a detailed plan does not respond to the request, a responding entity under subsection (1) of this section is unable to substantially meet the requirements of the request for a detailed plan, or more than one responding entity substantially meets the requirements for the request for a detailed plan, the department shall use a procurement process in which other entities recognized by the secretary may bid to serve as the behavioral health organization in that regional service area.

(4) Contracts for behavioral health organizations must begin on April 1, 2016.

(5) Upon request of all of the county authorities in a regional service area, the department and the health care authority may jointly purchase behavioral health services through an integrated medical and behavioral health services contract with a behavioral health organization or a managed health care system as defined in RCW 74.09.522, pursuant to standards to be developed jointly by the secretary and the health care authority. Any contract for such a purchase must comply with all federal medicaid and state law requirements related to managed health care contracting.

(6) As an incentive to county authorities to become early adopters of fully integrated purchasing of medical and behavioral health services, the standards adopted by the secretary and the health care authority under subsection (5) of this section shall provide for an incentive payment to counties which elect to move to full integration by January 1, 2016. Subject to federal approval, the incentive payment shall be targeted at ten percent of savings realized by the state within the regional service area in which the fully integrated purchasing takes place. Savings shall be calculated in alignment with the outcome and performance measures established in RCW 43.20A.895, 70.320.020, and 71.36.025, and incentive payments for early adopter counties shall be made available for up to a six-year period, or until full integration of medical and behavioral health services is accomplished statewide, whichever comes sooner, according to rules to be developed by the secretary and health care authority.
NEW SECTION. Sec. 4. A new section is added to chapter 71.24 RCW to read as follows:

(1) The department and the entities identified in RCW 71.24.310 and 71.24.380 shall: (a) Work with willing community hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW to assess their capacity to become certified to provide long-term mental health placements and to meet the requirements of this chapter; and (b) enter into contracts and payment arrangements with such hospitals and evaluation and treatment facilities choosing to provide long-term mental health placements, to the extent that willing certified facilities are available. Nothing in this chapter requires any community hospital or evaluation and treatment facility to be certified to provide long-term mental health placements.

(2) The department must establish reporting requirements for certified facilities. The reporting standards must allow the department to monitor the performance of the certified facilities and compare results with the state hospitals in a consistent format. The measures must align with the data reported by the department to the select committee on quality improvement in state hospitals, including the length of stay of patients, outcomes after discharge, employee-related measures, and demographic information.

NEW SECTION. Sec. 5. A new section is added to chapter 71.24 RCW to read as follows:

The legislature finds that concentrating all long-term placements for mental health patients at eastern and western state hospitals is not a sustainable model for the future. There is insufficient capacity at eastern and western state hospitals to meet current and growing demand for services and patients, and families are better supported when care is provided in communities closer to their homes. Therefore, the legislature intends to facilitate the addition of services to the existing system by making long-term placement for mental health patients available in community hospitals and evaluation and treatment facilities that voluntarily contract and are certified by the department of health.

Sec. 6. RCW 71.24.310 and 2017 c 222 s 1 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the behavioral health organization defined in RCW 71.24.025. For this reason, the legislature intends that the authority and the behavioral health organizations shall work together to implement chapter 71.05 RCW as follows:

(1) Behavioral health organizations shall recommend to the authority the number of state hospital beds that should be allocated for use by each behavioral health organization. The statewide total allocation shall not exceed the number of state hospital beds offering long-term inpatient care, as defined in this chapter, for which funding is provided in the biennial appropriations act.

(2) If there is consensus among the behavioral health organizations regarding the number of state hospital beds that should be allocated for use by each behavioral health organization, the authority shall contract with each behavioral health organization accordingly.

(3) If there is not consensus among the behavioral health organizations regarding the number of beds that should be allocated for use by each behavioral health organization, the authority shall establish by emergency rule the number of state hospital beds that are available for use by each behavioral health organization. The primary factor used in the allocation shall be the estimated number of adults with acute and chronic mental illness in each behavioral health organization area, based upon population-adjusted incidence and utilization.

(4) The allocation formula shall be updated at least every three years to reflect demographic changes, and new evidence regarding the incidence of acute and chronic mental illness and the need for long-term inpatient care. In the updates, the statewide total allocation shall include (a) all state hospital beds offering long-term inpatient care for which funding is provided in the biennial appropriations act; plus (b) the estimated
equivalent number of beds or comparable diversion services contracted in accordance with subsection (5) of this section.

(5) (a) The ((department is encouraged to)) authority shall enter into performance-based contracts with behavioral health organizations to provide some or all of the behavioral health organization’s allocated long-term inpatient treatment capacity in the community, rather than in the state hospital, to the extent that willing certified facilities are available. The performance contracts shall specify the number of patient days of care available for use by the behavioral health organization in the state hospital and the number of patient days of care available for use by the behavioral health organization in a facility certified by the department to provide treatment to adults on a ninety or one hundred eighty day involuntary commitment order, including hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW.

(b) Nothing in this section requires a hospital licensed under chapter 70.41 or 71.12 RCW to contract or become certified to treat patients on ninety or one hundred eighty day involuntary commitment orders as a condition for continuing to treat adults who are waiting for placement at either the state hospital or in certified facilities that voluntarily contract to provide treatment to patients on ninety or one hundred eighty day involuntary commitment orders.

(6) If a behavioral health organization uses more state hospital patient days of care than it has been allocated under subsection (3) or (4) of this section, or than it has contracted to use under subsection (5) of this section, whichever is less, it shall reimburse the ((department)) authority for that care. Reimbursements must be calculated using quarterly average census data to determine an average number of days used in excess of the bed allocation for the quarter. The reimbursement rate per day shall be the hospital’s total annual budget for long-term inpatient care, divided by the total patient days of care assumed in development of that budget.

(7) One-half of any reimbursements received pursuant to subsection (6) of this section shall be used to support the cost of operating the state hospital. (and, during the 2007-2009 fiscal biennium, implementing new services that will enable a behavioral health organization to reduce its utilization of the state hospital). The ((department)) authority shall distribute the remaining half of such reimbursements among behavioral health organizations that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used.

Sec. 7. RCW 71.24.380 and 2014 c 225 s 5 are each amended to read as follows:

(1) The ((secretary)) director shall purchase mental health and chemical dependency treatment services primarily through managed care contracting, but may continue to purchase behavioral health services directly from tribal clinics and other tribal providers.

(2) (a) The ((secretary)) director shall request a detailed plan from the entities identified in (b) of this subsection that demonstrates compliance with the contractual elements of RCW 43.20A.894 and federal regulations related to medicaid managed care contracting((,)) including, but not limited to: Having a sufficient network of providers to provide adequate access to mental health and chemical dependency services for residents of the regional service area that meet eligibility criteria for services, ability to maintain and manage adequate reserves, and maintenance of quality assurance processes. In addition, such entities must demonstrate the ability to contract for a minimum number of patient days, to be determined by the secretary, in a facility certified by the department to provide treatment to adults on a ninety or one hundred eighty day involuntary commitment order, including at hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW, to the extent that willing certified facilities are available. Any responding entity that submits a detailed plan that demonstrates that it can meet the requirements of this section must be awarded the contract to serve as the behavioral health organization.

(b)(i) For purposes of responding to the request for a detailed plan under (a) of this subsection, the entities from which a plan will be requested are:
(A) A county in a single county regional service area that currently serves as the regional support network for that area;

(B) In the event that a county has made a decision prior to January 1, 2014, not to contract as a regional support network, any private entity that serves as the regional support network for that area;

(C) All counties within a regional service area that includes more than one county, which shall form a responding entity through the adoption of an interlocal agreement. The interlocal agreement must specify the terms by which the responding entity shall serve as the behavioral health organization within the regional service area.

(ii) In the event that a regional service area is comprised of multiple counties including one that has made a decision prior to January 1, 2014, not to contract as a regional support network the counties shall adopt an interlocal agreement and may respond to the request for a detailed plan under (a) of this subsection and the private entity may also respond to the request for a detailed plan. If both responding entities meet the requirements of this section, the responding entities shall follow the ((department's)) authority's procurement process established in subsection (3) of this section.

(3) If an entity that has received a request under this section to submit a detailed plan does not respond to the request, a responding entity under subsection (1) of this section is unable to substantially meet the requirements of the request for a detailed plan, or more than one responding entity substantially meets the requirements for the request for a detailed plan, the ((department)) authority shall use a procurement process in which other entities recognized by the ((secretary)) director may bid to serve as the behavioral health organization in that regional service area.

(4) Contracts for behavioral health organizations must begin on April 1, 2016.

(5) Upon request of all of the county authorities in a regional service area, the ((department and the health care)) authority may ((jointly)) purchase behavioral health services through an integrated medical and behavioral health services contract with a behavioral health organization or a managed health care system as defined in RCW 74.09.522, pursuant to standards to be developed ((jointly)) by the ((secretary and the health care)) authority. Any contract for such a purchase must comply with all federal medicaid and state law requirements related to managed health care contracting.

(6) As an incentive to county authorities to become early adopters of fully integrated purchasing of medical and behavioral health services, the standards adopted by the ((secretary and the health care)) authority under subsection (5) of this section shall provide for an incentive payment to counties which elect to move to full integration by January 1, 2016. Subject to federal approval, the incentive payment shall be targeted at ten percent of savings realized by the state within the regional service area in which the fully integrated purchasing takes place. Savings shall be calculated in alignment with the outcome and performance measures established in RCW 43.20A.895, 70.320.020, and 71.36.025, and incentive payments for early adopter counties shall be made available for up to a six-year period, or until full integration of medical and behavioral health services is accomplished statewide, whichever comes sooner, according to rules to be developed by the ((secretary and health care)) authority.

NEW SECTION. Sec. 8. A new section is added to chapter 71.24 RCW to read as follows:

Nothing in this chapter requires any community hospital or evaluation and treatment facility to be certified to provide long-term mental health placements, to the extent that willing certified facilities are available. Nothing in this chapter requires any community hospital or evaluation and treatment facility to be certified to provide long-term mental health placements.

(2) The authority must establish reporting requirements for certified facilities. The reporting standards must allow the authority to monitor the performance of the certified facilities.

(b) As the state transitions from reading and writing assessments to an English language arts assessment and from end-of-course assessments to a comprehensive assessment for high school mathematics, a student in a graduating class of 2016 through 2018 shall earn a certificate of academic achievement if
the student meets the ((state)) high school graduation standard as follows:

(i) Students in the graduating class of 2016 may use the results from:
(A) The reading and writing assessment or the English language arts assessment developed with the multistate consortium; and

(B) The end-of-course assessment for the first year of high school mathematics, the end-of-course assessment for the second year of high school mathematics, or the comprehensive mathematics assessment developed with the multistate consortium.

(ii) Students in the graduating classes of 2017 and 2018 may use the results from:
(A) The tenth grade English language arts assessment developed by the superintendent of public instruction using resources from the multistate consortium or the English language arts assessment developed with the multistate consortium; and

(B) The end-of-course assessment for the first year of high school mathematics, the end-of-course assessment for the second year of high school mathematics, or the comprehensive mathematics assessment developed with the multistate consortium.

(c) Beginning with the graduating class of 2019, a student who meets the ((state)) high school graduation standard on the high school English language arts assessment developed with the multistate consortium and the comprehensive mathematics assessment developed with the multistate consortium shall earn a certificate of academic achievement.

(d) Beginning with the graduating class of 2020, a student who meets the ((state)) high school graduation standard on the high school English language arts assessment developed with the multistate consortium and the comprehensive mathematics assessment developed with the multistate consortium shall earn a certificate of academic achievement.

(e) If a student does not successfully meet the state standards in one or more content areas required for the certificate of academic achievement, then the student may retake the assessment in the content area at least twice a year at no cost to the student. If the student successfully meets the state standards on a retake of the assessment then the student shall earn a certificate of academic achievement. Once objective alternative assessments are authorized pursuant to subsection (10) of this section, a student may use the objective alternative assessments to demonstrate that the student successfully meets the state standards for that content area if the student has taken the statewide student assessment at least once. If the student successfully meets the state standards on the objective alternative assessments then the student shall earn a certificate of academic achievement.

(4) Beginning with the graduating class of 2021, a student must meet the state standards in science in addition to the other content areas required under subsection (3) of this section on the statewide student assessment, a retake, or the objective alternative assessments in order to earn a certificate of academic achievement. The assessment under this subsection must be a comprehensive assessment of the science essential academic learning requirements adopted by the superintendent of public instruction in 2013.

(5) The state board of education may not require the acquisition of the certificate of academic achievement for students in home-based instruction under chapter 28A.200 RCW, for students enrolled in private schools under chapter 28A.195 RCW, or for students satisfying the provisions of RCW 28A.155.045.

(6) A student may retain and use the highest result from each successfully completed content area of the high school assessment.

(7) School districts must make available to students the following options:
(a) To retake the statewide student assessment at least twice a year in the content areas in which the student did not meet the state standards if the student is enrolled in a public school; or

(b) To retake the statewide student assessment at least twice a year in the content areas in which the student did not meet the state standards if the student is enrolled in a high school completion program at a community or technical college. The superintendent of...
Students who achieve the standard in a content area of the high school assessment but who wish to improve their results shall pay for retaking the assessment, using a uniform cost determined by the superintendent of public instruction.

Opportunities to retake the assessment at least twice a year shall be available to each school district.

The office of the superintendent of public instruction shall develop options for implementing objective alternative assessments, which may include an appeals process for students' scores, for students to demonstrate achievement of the state academic standards. The objective alternative assessments shall be comparable in rigor to the skills and knowledge that the student must demonstrate on the statewide student assessment and be objective in its determination of student achievement of the state standards. Before any objective alternative assessments in addition to those authorized in RCW 28A.655.065 or (b) of this subsection are used by a student to demonstrate that the student has met the state standards in a content area required to obtain a certificate, the legislature shall formally approve the use of any objective alternative assessments through the omnibus appropriations act or by statute or concurrent resolution.

A student's score on the mathematics, reading or English, or writing portion of the SAT or the ACT may be used as an objective alternative assessment under this section for demonstrating that a student has met or exceeded the state standards for the certificate of academic achievement. The state board of education shall identify the scores students must achieve on the relevant portion of the SAT or ACT to meet or exceed the state standard in the relevant content area on the statewide student assessment. A student's score on the science portion of the ACT or the science subject area tests of the SAT may be used as an objective alternative assessment under this section as soon as the state board of education determines that sufficient data is available to identify reliable equivalent scores for the science content area of the statewide student assessment. After the first scores are established, the state board may increase but not decrease the scores required for students to meet or exceed the state standards.

A student who scores at least a three on the grading scale of one to five for selected AP examinations may use the score as an objective alternative assessment under this section for demonstrating that a student has met or exceeded state standards for the certificate of academic achievement. A score of three on the AP examinations in calculus or statistics may be used as an alternative assessment for the mathematics portion of the statewide student assessment. A score of three on the AP examinations in English language and composition may be used as an alternative assessment for the writing portion of the statewide student assessment; and for the English language arts portion of the assessment developed with the multistate consortium, once established in the 2014-15 school year. A score of three on the AP examinations in English literature and composition, macroeconomics, microeconomics, psychology, United States history, world history, United States government and politics, or comparative government and politics may be used as an alternative assessment for the reading portion of the statewide student assessment; and for the English language arts portion of the assessment developed with the multistate consortium, once established in the 2014-15 school year. A score of four on AP examinations developed with the multistate consortium, once established in the 2014-15 school year. A score of four on AP examinations in biology, physics, chemistry, or environmental science may be used as an alternative assessment for the science portion of the statewide student assessment.
assessment. A score of four on the higher level IB examinations for any of the IB mathematics courses may be used as an alternative assessment for the mathematics portion of the statewide student assessment. A score of four on the higher level IB examinations for IB biology, chemistry, or physics may be used as an alternative assessment for the science portion of the statewide student assessment.

(iv)(A) Beginning in the 2018-19 school year, high school students who have not earned a certificate of academic achievement due to not meeting the high school graduation standard on the mathematics or English language arts assessment may take and pass a locally determined course in the content area in which the student was not successful, and may use the passing score on a locally administered assessment tied to that course and approved under the provisions of this subsection (10)(b)(iv), as an objective alternative assessment for demonstrating that the student has met or exceeded the high school graduation standard. High school transition courses and the assessments offered in association with high school transition courses shall be considered an approved locally determined course and assessment for demonstrating that the student met or exceeded the high school graduation standard. The course must be rigorous and consistent with the student’s educational and career goals identified in his or her high school and beyond plan, and may include career and technical education equivalencies in English language arts or mathematics adopted pursuant to RCW 28A.230.097. School districts shall record students’ participation in locally determined courses under this section in the statewide individual data system.

(v) A student who completes a dual credit course in English language arts or mathematics in which the student earns college credit may use passage of the course as an objective alternative assessment under this section for demonstrating that the student has met or exceeded the high school graduation standard for the certificate of academic achievement.

(11) To help assure continued progress in academic achievement as a foundation for high school graduation and to assure that students are on track for high school graduation, each school district shall:

(a) Provide students who have not earned a certificate of academic achievement before the beginning of grade eleven with the opportunity to access interventions and academic supports, courses, or both, designed to enable students to meet the high school graduation standard. These interventions, supports, or courses must be rigorous and consistent with the student's educational and career goals identified in his or her high school and beyond plan, and may include career and technical education equivalencies in English language arts or mathematics adopted pursuant to RCW 28A.230.097; and

(b) Prepare student learning plans and notify students and their
parents or legal guardians as provided in this subsection. Student learning plans are required for eighth grade students who were not successful on any or all of the content areas of the state assessment during the previous school year or who may not be on track to graduate due to credit deficiencies or absences. The parent or legal guardian shall be notified about the information in the student learning plan, preferably through a parent conference and at least annually. To the extent feasible, schools serving English language learner students and their parents shall translate the plan into the primary language of the family. The plan shall include the following information as applicable:

(((a))) (i) The student's results on the state assessment;

(((b))) (ii) If the student is in the transitional bilingual program, the score on his or her Washington language proficiency test II;

(((c))) (iii) Any credit deficiencies;

(((d))) (iv) The student's attendance rates over the previous two years;

(((e))) (v) The student's progress toward meeting state and local graduation requirements;

(((f))) (vi) The courses, competencies, and other steps needed to be taken by the student to meet state academic standards and stay on track for graduation;

(((g))) (vii) Remediation strategies and alternative education options available to students, including informing students of the option to continue to receive instructional services after grade twelve or until the age of twenty-one;

(((h))) (viii) The alternative assessment options available to students under this section and RCW 28A.655.065;

(((i))) (ix) School district programs, high school courses, and career and technical education options available for students to meet graduation requirements; and

(((j))) (x) Available programs offered through skill centers or community and technical colleges, including the college high school diploma options under RCW 28B.50.535.

Sec. 2. RCW 28A.655.065 and 2009 c 556 s 19 are each amended to read as follows:

(1) The legislature has made a commitment to rigorous academic standards for receipt of a high school diploma. The primary way that students will demonstrate that they meet the standards in reading, writing, mathematics, and science is through the Washington statewide student assessment (of student learning). Only objective assessments that are comparable in rigor to the state assessment are authorized as an alternative assessment. Before seeking an alternative assessment, the legislature expects students to make a genuine effort to meet state standards, through regular and consistent attendance at school and participation in extended learning and other assistance programs.

(2) Under RCW 28A.655.061, beginning in the 2006-07 school year, the superintendent of public instruction shall implement objective alternative assessment methods as provided in this section for students to demonstrate achievement of the state standards in content areas in which the student has not yet met the standard on the high school Washington statewide student assessment (of student learning). A student may access an alternative if the student meets applicable eligibility criteria in RCW 28A.655.061 and this section and other eligibility criteria established by the superintendent of public instruction, including but not limited to attendance criteria and participation in the remediation or supplemental instruction contained in the student learning plan developed under RCW 28A.655.061. A school district may waive attendance and/or remediation criteria for special, unavoidable circumstances.

(3) For the purposes of this section, "applicant" means a student seeking to use one of the alternative assessment methods in this section.

(4) One alternative assessment method shall be a combination of the applicant's grades in applicable courses and the applicant's highest score on the high school Washington statewide student assessment (of student learning).
learning)), as provided in this subsection. A student is eligible to apply for the alternative assessment method under this subsection (4) if the student has a cumulative grade point average of at least 3.2 on a four point grading scale. The superintendent of public instruction shall determine which high school courses are applicable to the alternative assessment method and shall issue guidelines to school districts.

(a) Using guidelines prepared by the superintendent of public instruction, a school district shall identify the group of students in the same school as the applicant who took the same high school courses as the applicant in the applicable content area. From the group of students identified in this manner, the district shall select the comparison cohort that shall be those students who met or slightly exceeded the state standard on the (Washington) statewide student assessment (of student learning).

(b) The district shall compare the applicant's grades in high school courses in the applicable content area to the grades of students in the comparison cohort for the same high school courses. If the applicant's grades are equal to or above the mean grades of the comparison cohort, the applicant shall be deemed to have met the state standard on the alternative assessment.

(c) An applicant may not use the alternative assessment under this subsection (4) if there are fewer than six students in the comparison cohort.

(5) The superintendent of public instruction shall develop an alternative assessment method that shall be an evaluation of a collection of work samples prepared and submitted by the applicant. Effective September 1, 2009, collection of work samples may be submitted only in content areas where meeting the state standard on the high school assessment is required for purposes of graduation.

(a) The superintendent of public instruction shall develop guidelines for the types and number of work samples in each content area that may be submitted as a collection of evidence that the applicant has met the state standard in that content area. Work samples may be collected from academic, career and technical, or remedial courses and may include performance tasks as well as written products. The superintendent shall submit the guidelines for approval by the state board of education.

(b) The superintendent shall develop protocols for submission of the collection of work samples that include affidavits from the applicant's teachers and school district that the samples are the work of the applicant and a requirement that a portion of the samples be prepared under the direct supervision of a classroom teacher. The superintendent shall submit the protocols for approval by the state board of education.

(c) The superintendent shall develop uniform scoring criteria for evaluating the collection of work samples and submit the scoring criteria for approval by the state board of education. Collections shall be scored at the state level or regionally by a panel of educators selected and trained by the superintendent to ensure objectivity, reliability, and rigor in the evaluation. An educator may not score work samples submitted by applicants from the educator's school district. If the panel awards an applicant's collection of work samples the minimum required score, the applicant shall be deemed to have met the state standard on the alternative assessment.

(d) Using an open and public process that includes consultation with district superintendents, school principals, and other educators, the state board of education shall consider the guidelines, protocols, scoring criteria, and other information regarding the collection of work samples submitted by the superintendent of public instruction. The collection of work samples may be implemented as an alternative assessment after the state board of education has approved the guidelines, protocols, and scoring criteria and determined that the collection of work samples: (i) Will meet professionally accepted standards for a valid and reliable measure of the grade level expectations and the essential academic learning requirements; and (ii) Is comparable to or exceeds the rigor of the skills and knowledge that a student must demonstrate on the Washington assessment of student learning in the applicable content area. The state board shall make an approval decision and determination no later than December 1, 2006, and thereafter may increase the
required rigor of the collection of work samples.

(e) By September of 2006, the superintendent of public instruction shall develop informational materials for parents, teachers, and students regarding the collection of work samples and the status of its development as an alternative assessment method. The materials shall provide specific guidance regarding the type and number of work samples likely to be required, include examples of work that meets the state learning standards, and describe the scoring criteria and process for the collection. The materials shall also encourage students in the graduating class of 2008 to begin creating a collection if they believe they may seek to use the collection once it is implemented as an alternative assessment.

(f)(a) For students enrolled in a career and technical education program approved under RCW 28A.700.030, the superintendent of public instruction shall develop additional guidelines for collections of work samples that are tailored to different career and technical programs. The additional guidelines shall:

(i) Provide multiple examples of work samples that are related to the particular career and technical program;

(ii) Permit work samples based on completed activities or projects where demonstration of academic knowledge is inferred; and

(iii) Provide multiple examples of work samples drawn from career and technical courses.

(f)(b) The purpose of the additional guidelines is to provide a clear pathway toward a certificate of academic achievement for career and technical students by showing them applied and relevant opportunities to demonstrate their knowledge and skills, and to provide guidance to teachers in integrating academic and career and technical instruction and assessment and assisting career and technical students in compiling a collection. The superintendent of public instruction shall develop and disseminate additional guidelines for no fewer than ten career and technical education programs representing a variety of program offerings by no later than September 1, 2008. Guidelines for ten additional programs shall be developed and disseminated no later than June 1, 2009.

(e) The superintendent shall consult with community and technical colleges, employers, the workforce training and education coordinating board, apprenticeship programs, and other regional and national experts in career and technical education to create appropriate guidelines and examples of work samples and other evidence of a career and technical student's knowledge and skills on the state academic standards.

(7) The superintendent of public instruction shall study the feasibility of using existing mathematics assessments in languages other than English as an additional alternative assessment option. The study shall include an estimation of the cost of translating the tenth grade mathematics assessment into other languages and scoring the assessments should they be implemented.

(8)) The superintendent of public instruction shall implement:

(a) By June 1, 2006, a process for students to appeal the score they received on the high school assessments; and

(b) By January 1, 2007, guidelines and appeal processes for waiving specific requirements in RCW 28A.655.061 pertaining to the certificate of academic achievement and to the certificate of individual achievement for students who:

(i) Transfer to a Washington public school in their junior or senior year with the intent of obtaining a public high school diploma, or (ii) have special, unavoidable circumstances;

(c)(i) For the graduating classes of 2014, 2015, 2016, 2017, and 2018, an expedited appeal process for waiving specific requirements in RCW 28A.655.061 pertaining to the certificate of academic achievement and the certificate of individual achievement for eligible students who have not met the state standard on the English language arts statewide student assessment, the mathematics high school statewide student assessment, or both. The student or the student’s parent, guardian, or principal may initiate an appeal with the district and the district has the authority to determine which appeals are submitted to the superintendent of public instruction for review and approval. The
superintendent of public instruction may only approve an appeal if it has been demonstrated that the student has the necessary skills and knowledge to meet the high school graduation standard and that the student has the skills necessary to successfully achieve the college or career goals established in his or her high school and beyond plan. Pathways for demonstrating the necessary skills and knowledge may include, but are not limited to:

(A) Successful completion of a college level class in the relevant subject area;

(B) Admission to a higher education institution or career preparation program;

(C) Award of a scholarship for higher education; or

(D) Enlistment in a branch of the military.

(ii) A student in the class of 2014, 2015, 2016, or 2017 is eligible for the expedited appeal process in (c)(i) of this subsection if he or she has met all other graduation requirements established by the state and district.

(iii) A student in the class of 2018 is eligible for the expedited appeal process in (c)(i) of this subsection if he or she has met all other graduation requirements established by the state and district and has attempted at least one alternative assessment option as established in RCW 28A.655.065.

(9) The state board of education shall examine opportunities for additional alternative assessments, including the possible use of one or more standardized norm-referenced student achievement tests and the possible use of the reading, writing, or mathematics portions of the ACT ASSET and ACT COMPASS test instruments as objective alternative assessments for demonstrating that a student has met the state standards for the certificate of academic achievement. The state board shall submit its findings and recommendations to the education committees of the legislature by January 10, 2008.

(10) The superintendent of public instruction shall adopt rules to implement this section.

Sec. 3. RCW 28A.305.130 and 2013 2nd sp.s. c 22 s 7 are each amended to read as follows:

The purpose of the state board of education is to provide advocacy and strategic oversight of public education; implement a standards-based accountability framework that creates a unified system of increasing levels of support for schools in order to improve student academic achievement; provide leadership in the creation of a system that personalizes education for each student and respects diverse cultures, abilities, and learning styles; and promote achievement of the goals of RCW 28A.150.210. In addition to any other powers and duties as provided by law, the state board of education shall:

1. Hold regularly scheduled meetings at such time and place within the state as the board shall determine and may hold such special meetings as may be deemed necessary for the transaction of public business;

2. Form committees as necessary to effectively and efficiently conduct the work of the board;

3. Seek advice from the public and interested parties regarding the work of the board;

4. For purposes of statewide accountability:

(a) Adopt and revise performance improvement goals in reading, writing, science, and mathematics, by subject and grade level, once assessments in these subjects are required statewide; academic and technical skills, as appropriate, in secondary career and technical education programs; and student attendance, as the board deems appropriate to improve student learning. The goals shall be consistent with student privacy protection provisions of RCW 28A.655.090(7) and shall not conflict with requirements contained in Title I of the federal elementary and secondary education act of 1965, or the requirements of the Carl D. Perkins vocational education act of 1998, each as amended. The goals may be established for all students, economically disadvantaged students, limited English proficient students, students with disabilities, and students from disproportionately academically underachieving racial and ethnic backgrounds. The board may establish school and school district goals addressing high school graduation
rates and dropout reduction goals for students in grades seven through twelve. The board shall adopt the goals by rule. However, before each goal is implemented, the board shall present the goal to the education committees of the house of representatives and the senate for the committees' review and comment in a time frame that will permit the legislature to take statutory action on the goal if such action is deemed warranted by the legislature;

(b)(i) Identify the scores students must achieve in order to meet the standard on the statewide student assessment. The board shall also determine student scores that identify levels of student performance below and beyond the standard. The board shall consider the incorporation of the standard error of measurement into the decision regarding the award of the certificate. The board shall set such performance standards and levels in consultation with the superintendent of public instruction and after consideration of any recommendations that may be developed by any advisory committees that may be established for this purpose;

(ii) By the end of the 2014-15 school year, establish the scores students must achieve to meet the standard on the statewide student assessment. By the end of the 2014-15 school year, establish the scores students must achieve to meet the standard and earn a certificate of academic achievement on the tenth grade English language arts assessment and the end-of-course mathematics assessments developed in accordance with RCW 28A.655.070 to be used as the state transitions to high school assessments developed with a multistate consortium.

(iii) By the end of the 2014-15 school year, establish the scores students must achieve to meet the standard on the eleventh grade English language arts assessment and the comprehensive mathematics assessment developed with a multistate consortium in accordance with RCW 28A.655.070. To determine the appropriate score, the state board shall review the transition experience of Washington students to the consortium-developed assessments, examine the student scores used in other states that are administering the consortium-developed assessments, and review the scores in other states that require passage of an eleventh grade assessment as a high school graduation requirement. The scores established by the state board of education for the purposes of earning a certificate of academic achievement and graduation from high school may be different from the scores used for the purpose of determining a student's career and college readiness.

(iv) The legislature shall be advised of the initial performance standards for the high school statewide student assessment. Any changes recommended by the board in the performance standards for the high school assessment shall be presented to the education committees of the house of representatives and the senate by November 30th of the school year in which the changes will take place to permit the legislature to take statutory action before the changes are implemented if such action is deemed warranted by the legislature.

(A) The legislature intends to continue the implementation of chapter 22, Laws of 2013, 2nd sp. sess. when the legislature expressed the intent for the state board of education to identify the student performance standard that demonstrates a student's career and college readiness for the eleventh grade consortium-developed assessments. Therefore, by December 1, 2018, the state board of education, in consultation with the superintendent of public instruction, must identify and report to the governor and the education policy and fiscal committees of the legislature on the equivalent student performance standard that a tenth grade student would need to achieve on the state assessments to be on track to be career and college ready at the end of the student's high school experience;

(B) Nothing in this section prohibits the state board of education from identifying a college and career readiness score that is different from the score required for high school graduation purposes;

(iii) The legislature shall be advised of the initial performance standards and any changes made to the elementary ((level performance standards and the), middle, and high school level performance standards. The board must provide an explanation of and rationale for all initial performance standards and any changes, for all grade levels of the statewide student assessment. If the board changes the performance standards
for any grade level or subject, the superintendent of public instruction must recalculate the results from the previous ten years of administering that assessment regarding students below, meeting, and beyond the state standard, to the extent that this data is available, and post a comparison of the original and recalculated results on the superintendent's web site;

(c) Annually review the assessment reporting system to ensure fairness, accuracy, timeliness, and equity of opportunity, especially with regard to schools with special circumstances and unique populations of students, and a recommendation to the superintendent of public instruction of any improvements needed to the system; and

(d) Include in the biennial report required under RCW 28A.305.035, information on the progress that has been made in achieving goals adopted by the board;

(5) Accredit, subject to such accreditation standards and procedures as may be established by the state board of education, all private schools that apply for accreditation, and approve, subject to the provisions of RCW 28A.195.010, private schools carrying out a program for any or all of the grades kindergarten through twelve. However, no private school may be approved that operates a kindergarten program only and no private school shall be placed upon the list of accredited schools so long as secret societies are knowingly allowed to exist among its students by school officials;

(6) Articulate with the institutions of higher education, workforce representatives, and early learning policymakers and providers to coordinate and unify the work of the public school system;

(7) Hire an executive director and an administrative assistant to reside in the office of the superintendent of public instruction for administrative purposes. Any other personnel of the board shall be appointed as provided by RCW 28A.300.020. The board may delegate to the executive director by resolution such duties as deemed necessary to efficiently carry on the business of the board including, but not limited to, the authority to employ necessary personnel and the authority to enter into, amend, and terminate contracts on behalf of the board. The executive director, administrative assistant, and all but one of the other personnel of the board are exempt from civil service, together with other staff as now or hereafter designated as exempt in accordance with chapter 41.06 RCW; and

(8) Adopt a seal that shall be kept in the office of the superintendent of public instruction.

Sec. 4. RCW 28A.230.090 and 2016 c 162 s 2 are each amended to read as follows:

(a) Any course in Washington state history and government used to fulfill high school graduation requirements or equivalencies for students, except as provided in RCW 28A.230.122, and except those equivalencies established by local high schools or school districts under RCW 28A.230.097, the purpose of a high school diploma is to declare that a student is ready for success in postsecondary education, gainful employment, and citizenship, and is equipped with the skills to be a lifelong learner.

(b) The certificate of academic achievement requirements under RCW 28A.655.061 or the certificate of individual achievement requirements under RCW 28A.155.045 are required for graduation from a public high school but are not the only requirements for graduation.

(c)(i) Each student must have a high school and beyond plan to guide the student's high school experience and prepare the student for postsecondary education or training and career.

(ii) A high school and beyond plan must be initiated for each student during the seventh or eighth grade. In preparation for initiating that plan, each student must first be administered a career interest and skills inventory.

(iii) The high school and beyond plan must be updated to reflect high school assessment results in RCW 28A.655.070(3)(b) and to review transcripts, assess progress toward identified goals, and revised as
necessary for changing interests, goals, and needs. The plan must identify available interventions and academic support, courses, or both, that are designed for students who have not met the high school graduation standard, to enable them to meet the standard. School districts are encouraged to involve parents and guardians in the process of developing and updating the high school and beyond plan.

(iv) All high school and beyond plans must, at a minimum, include the following elements:

(A) Identification of career goals, aided by a skills and interest assessment;

(B) Identification of educational goals;

(C) A four-year plan for course taking that fulfills state and local graduation requirements and aligns with the student's career and educational goals; and

(D) By the end of the twelfth grade, a current resume or activity log that provides a written compilation of the student's education, any work experience, and any community service and how the school district has recognized the community service pursuant to RCW 28A.320.193.

(d) Any decision on whether a student has met the state board's high school graduation requirements for a high school and beyond plan shall remain at the local level. Effective with the graduating class of 2015, the state board of education may not establish a requirement for students to complete a culminating project for graduation. A district may establish additional, local requirements for a high school and beyond plan to serve the needs and interests of its students and the purposes of this section.

(((((d)))) (e)) (i) The state board of education shall adopt rules to implement the career and college ready graduation requirement proposal adopted under board resolution on November 10, 2010, and revised on January 9, 2014, to take effect beginning with the graduating class of 2019 or as otherwise provided in this subsection (l)(((((d)))) (e)). The rules must include authorization for a school district to waive up to two credits for individual students based on unusual circumstances and in accordance with written policies that must be adopted by each board of directors of a school district that grants diplomas. The rules must also provide that the content of the third credit of mathematics and the content of the third credit of science may be chosen by the student based on the student's interests and high school and beyond plan with agreement of the student's parent or guardian or agreement of the school counselor or principal.

(ii) School districts may apply to the state board of education for a waiver to implement the career and college ready graduation requirement proposal beginning with the graduating class of 2020 or 2021 instead of the graduating class of 2019. In the application, a school district must describe why the waiver is being requested, the specific impediments preventing timely implementation, and efforts that will be taken to achieve implementation with the graduating class proposed under the waiver. The state board of education shall grant a waiver under this subsection (l)(((((d)))) (e)) to an applying school district at the next subsequent meeting of the board after receiving an application.

(iii) A school district must update the high school and beyond plans for each student who has not earned a score of level 3 or level 4 on the middle school mathematics assessment identified in RCW 28A.655.070 by ninth grade, to ensure that the student takes a mathematics course in both ninth and tenth grades. This course may include career and technical education equivalencies in mathematics adopted pursuant to RCW 28A.230.097.

(2)(a) In recognition of the statutory authority of the state board of education to establish and enforce minimum high school graduation requirements, the state board shall periodically reevaluate the graduation requirements and shall report such findings to the legislature in a timely manner as determined by the state board.

(b) The state board shall reevaluate the graduation requirements for students enrolled in vocationally intensive and rigorous career and technical education programs, particularly those programs that lead to a certificate or credential that is state or nationally recognized. The purpose of the evaluation is to ensure that students enrolled in these programs have
sufficient opportunity to earn a certificate of academic achievement, complete the program and earn the program’s certificate or credential, and complete other state and local graduation requirements.

(c) The state board shall forward any proposed changes to the high school graduation requirements to the education committees of the legislature for review. The legislature shall have the opportunity to act during a regular legislative session before the changes are adopted through administrative rule by the state board. Changes that have a fiscal impact on school districts, as identified by a fiscal analysis prepared by the office of the superintendent of public instruction, shall take effect only if formally authorized and funded by the legislature through the omnibus appropriations act or other enacted legislation.

(3) Pursuant to any requirement for instruction in languages other than English established by the state board of education or a local school district, or both, for purposes of high school graduation, students who receive instruction in American sign language or one or more American Indian languages shall be considered to have satisfied the state or local school district graduation requirement for instruction in one or more languages other than English.

(4) If requested by the student and his or her family, a student who has completed high school courses before attending high school shall be given high school credit which shall be applied to fulfilling high school graduation requirements if:

(a) The course was taken with high school students, if the academic level of the course exceeds the requirements for seventh and eighth grade classes, and the student has successfully passed by completing the same course requirements and examinations as the high school students enrolled in the class; or

(b) The academic level of the course exceeds the requirements for seventh and eighth grade classes and the course would qualify for high school credit, because the course is similar or equivalent to a course offered at a high school in the district as determined by the school district board of directors.

(5) Students who have taken and successfully completed high school courses under the circumstances in subsection (4) of this section shall not be required to take an additional competency examination or perform any other additional assignment to receive credit.

(6) At the college or university level, five quarter or three semester hours equals one high school credit.

Sec. 5. RCW 28A.655.061 and 2015 3rd sp.s. c 42 s 2 are each amended to read as follows:

(1) The high school assessment system shall include but need not be limited to the statewide student assessment, opportunities for a student to retake the content areas of the assessment in which the student was not successful, and, if approved by the legislature pursuant to subsection (10) of this section, one or more objective alternative assessments for a student to demonstrate achievement of state academic standards. The objective alternative assessments for each content area shall be comparable in rigor to the skills and knowledge that the student must demonstrate on the statewide student assessment for each content area.

(2) Subject to the conditions in this section, a certificate of academic achievement shall be obtained and is evidence that the students have successfully met the state standard in the content areas included in the certificate. With the exception of students satisfying the provisions of RCW 28A.155.045 or 28A.655.0611, acquisition of the certificate is required for graduation from a public high school but is not the only requirement for graduation.

(3)(a) Beginning with the graduating class of 2008 through the graduating class of 2015, with the exception of students satisfying the provisions of RCW 28A.155.045, a student who meets the state standards on the reading, writing, and mathematics high school statewide student assessment shall earn a certificate of academic achievement. The mathematics assessment shall be the end-of-course assessment for the first year of high school mathematics that assesses the standards common to algebra I and integrated mathematics I or the end-of-course assessment for the second year of high school mathematics that assesses standards common to geometry and integrated mathematics II.
(b) As the state transitions from reading and writing assessments to an English language arts assessment and from end-of-course assessments to a comprehensive assessment for high school mathematics, a student in a graduating class of 2016 through 2018 shall earn a certificate of academic achievement if the student meets the state standard as follows:

(i) Students in the graduating class of 2016 may use the results from:

(A) The reading and writing assessment or the English language arts assessment developed with the multistate consortium; and

(B) The end-of-course assessment for the first year of high school mathematics, the end-of-course assessment for the second year of high school mathematics, or the comprehensive mathematics assessment developed with the multistate consortium.

(ii) Students in the graduating classes of 2017 and 2018 may use the results from:

(A) The tenth grade English language arts assessment developed by the superintendent of public instruction using resources from the multistate consortium or the English language arts assessment developed with the multistate consortium; and

(B) The end-of-course assessment for the first year of high school mathematics, the end-of-course assessment for the second year of high school mathematics, or the comprehensive mathematics assessment developed with the multistate consortium.

(c) Beginning with the graduating class of 2019, a student who meets the state standards on the high school English language arts assessment developed with the multistate consortium and the comprehensive mathematics assessment developed with the multistate consortium shall earn a certificate of academic achievement.

(d) If a student does not successfully meet the state standards in one or more content areas required for the certificate of academic achievement, then the student may retake the assessment in the content area at least twice a year at no cost to the student. If the student successfully meets the state standards on a retake of the assessment then the student shall earn a certificate of academic achievement. Once objective alternative assessments are authorized pursuant to subsection (10) of this section, a student may use the objective alternative assessments to demonstrate that the student successfully meets the state standards for that content area if the student has taken the statewide student assessment at least once. If the student successfully meets the state standards on the objective alternative assessments then the student shall earn a certificate of academic achievement.

(4) Beginning with the graduating class of (2017) 2021, a student must meet the state standards in science in addition to the other content areas required under subsection (3) of this section on the statewide student assessment, a retake, or the objective alternative assessments in order to earn a certificate of academic achievement. The assessment under this subsection must be a comprehensive assessment of the science essential academic learning requirements adopted by the superintendent of public instruction in 2013.

(5) The state board of education may not require the acquisition of the certificate of academic achievement for students in home-based instruction under chapter 28A.200 RCW, for students enrolled in private schools under chapter 28A.195 RCW, or for students satisfying the provisions of RCW 28A.155.045.

(6) A student may retain and use the highest result from each successfully completed content area of the high school assessment.

(7) School districts must make available to students the following options:

(a) To retake the statewide student assessment at least twice a year in the content areas in which the student did not meet the state standards if the student is enrolled in a public school; or

(b) To retake the statewide student assessment at least twice a year in the content areas in which the student did not meet the state standards if the student is enrolled in a high school completion program at a community or technical college. The superintendent of public instruction and the state board for community and technical colleges
shall jointly identify means by which students in these programs can be assessed.

(8) Students who achieve the standard in a content area of the high school assessment but who wish to improve their results shall pay for retaking the assessment, using a uniform cost determined by the superintendent of public instruction.

(9) Opportunities to retake the assessment at least twice a year shall be available to each school district.

(10)(a) The office of the superintendent of public instruction shall develop options for implementing objective alternative assessments, which may include an appeals process for students' scores, for students to demonstrate achievement of the state academic standards. The objective alternative assessments shall be comparable in rigor to the skills and knowledge that the student must demonstrate on the statewide student assessment and be objective in its determination of student achievement of the state standards. Before any objective alternative assessments in addition to those authorized in RCW 28A.655.065 or (b) of this subsection are used by a student to demonstrate that the student has met the state standards in a content area required to obtain a certificate, the legislature shall formally approve the use of any objective alternative assessments through the omnibus appropriations act or by statute or concurrent resolution.

(b)(i) A student's score on the mathematics, reading or English, or writing portion of the SAT or the ACT may be used as an objective alternative assessment under this section for demonstrating that a student has met or exceeded the state standards for the certificate of academic achievement. The state board of education shall identify the scores students must achieve on the relevant portion of the SAT or ACT to meet or exceed the state standard in the relevant content area on the statewide student assessment. A student's score on the science portion of the ACT or the science subject area tests of the SAT may be used as an objective alternative assessment under this section as soon as the state board of education determines that sufficient data is available to identify reliable equivalent scores for the science content area of the statewide student assessment. After the first scores are established, the state board may increase but not decrease the scores required for students to meet or exceed the state standards.

(ii) A student who scores at least a three on the grading scale of one to five for selected AP examinations may use the score as an objective alternative assessment under this section for demonstrating that a student has met or exceeded state standards for the certificate of academic achievement. A score of three on the AP examinations in English language and composition may be used as an alternative assessment for the mathematics portion of the statewide student assessment; and for the English language arts portion of the assessment developed with the multistate consortium, once established in the 2014-15 school year. A score of three on the AP examinations in calculus or statistics may be used as an alternative assessment for the mathematics portion of the statewide student assessment; and for the English language arts portion of the assessment developed with the multistate consortium, once established in the 2014-15 school year. A score of three on the AP examinations in English literature and composition, macroeconomics, microeconomics, psychology, United States history, world history, United States government and politics, or comparative government and politics may be used as an alternative assessment for the reading portion of the statewide student assessment; and for the English language arts portion of the assessment developed with the multistate consortium, once established in the 2014-15 school year. A score of three on the AP examination in biology, physics, chemistry, or environmental science may be used as an alternative assessment for the science portion of the statewide student assessment.

(iii) A student who scores at least a four on selected externally administered international baccalaureate (IB) examinations may use the score as an objective alternative assessment under this section for demonstrating that a student has met or exceeded state standards for the certificate of academic achievement. A score of four on the higher level IB examinations for any of the IB English language and literature courses or for any of the IB individuals and societies courses may be used as an alternative assessment for the reading, writing, or English language arts portions of the statewide student assessment. A score of four on the higher level IB examinations for any of the IB
mathematics courses may be used as an alternative assessment for the mathematics portion of the statewide student assessment. A score of four on the higher level IB examinations for IB biology, chemistry, or physics may be used as an alternative assessment for the science portion of the statewide student assessment.

(11) To help assure continued progress in academic achievement as a foundation for high school graduation and to assure that students are on track for high school graduation, each school district shall prepare plans for and notify students and their parents or legal guardians as provided in this subsection. Student learning plans are required for eighth grade students who were not successful on any or all of the content areas of the state assessment during the previous school year or who may not be on track to graduate due to credit deficiencies or absences. The parent or legal guardian shall be notified about the information in the student learning plan, preferably through a parent conference and at least annually. To the extent feasible, schools serving English language learner students and their parents shall translate the plan into the primary language of the family. The plan shall include the following information as applicable:

(a) The student's results on the state assessment;

(b) If the student is in the transitional bilingual program, the score on his or her Washington language proficiency test II;

(c) Any credit deficiencies;

(d) The student's attendance rates over the previous two years;

(e) The student's progress toward meeting state and local graduation requirements;

(f) The courses, competencies, and other steps needed to be taken by the student to meet state academic standards and stay on track for graduation;

(g) Remediation strategies and alternative education options available to students, including informing students of the option to continue to receive instructional services after grade twelve or until the age of twenty-one;

(h) The alternative assessment options available to students under this section and RCW 28A.655.065;

(i) School district programs, high school courses, and career and technical education options available for students to meet graduation requirements; and

(j) Available programs offered through skill centers or community and technical colleges, including the college high school diploma options under RCW 28B.50.535.

Sec. 6. RCW 28A.655.068 and 2013 2nd sp.s. c 22 s 4 are each amended to read as follows:

(1) Beginning in the 2011-12 school year, the statewide high school assessment in science shall be an end-of-course assessment for biology that measures the state standards for life sciences, in addition to systems, inquiry, and application as they pertain to life sciences.

(2)(a) The superintendent of public instruction may develop or adopt science end-of-course assessments or a comprehensive science assessment that includes subjects in addition to biology for purposes of RCW 28A.655.061, when so directed by the legislature. The legislature intends to transition from a biology end-of-course assessment to a more comprehensive science assessment in a manner consistent with the way in which the state transitioned to an English language arts assessment and a comprehensive mathematics assessment. The legislature further intends that the transition will include at least two years of using the student assessment results from either the biology end-of-course assessment or the more comprehensive assessment in order to provide students with reasonable opportunities to demonstrate high school competencies while being mindful of the increasing rigor of the new assessment.

(b) The superintendent of public instruction shall develop or adopt a science assessment in accordance with RCW 28A.655.070(10) that is not biased toward persons with different learning styles, racial or ethnic backgrounds, or on the basis of gender.

(c) Before the next subsequent school year after the legislature directs the superintendent to develop or adopt a new science assessment, the superintendent of public instruction
shall review the objective alternative assessments for the science assessment and make recommendations to the legislature regarding additional objective alternatives, if any.

(3) The superintendent of public instruction may participate with consortia of multiple states as common student learning standards and assessments in science are developed. The superintendent of public instruction, in consultation with the state board of education, may modify the essential academic learning requirements and statewide student assessments in science, including the high school assessment, according to the multistate common student learning standards and assessments as long as the education committees of the legislature have opportunities for review before the modifications are adopted, as provided under RCW 28A.655.070.

(4) The statewide high school assessment under this section shall be used to demonstrate that a student meets the state standards in the science content area of the statewide student assessment (for purposes of) until a comprehensive science assessment is required under RCW 28A.655.061.

NEW SECTION. Sec. 7. Section 5 of this act applies retroactively to students in the graduating class of 2017.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

The statement may not exceed fifty words and must be submitted to the chief clerk on the same day the member returns.

Reconsideration

Rule 20. Notice of a motion for reconsideration on the final passage of bills shall be made on the day the vote to be reconsidered was taken and before the house has voted to transmit the bill to the senate.

Reconsideration of the votes on the final passage of bills must be taken on the next working day after such vote was taken: PROVIDED, That on and after the fifth day prior to the day of adjournment sine die of any session, as determined pursuant to Article II, Section 12 of the state Constitution, or concurrent resolution, or on and after the third day prior to the day a bill must be reported from the house as established by concurrent resolution, then reconsideration of votes on the final passage of bills must be taken on the same day as the original vote was taken.

(C) HOUSE UNDER CALL. While the house is under a call, no business shall be transacted except to receive and act on the report of the sergeant at arms; and no other motion shall be in order except a motion to proceed with business under the call of the house, a motion to excuse absentees, or a motion to dispense with the call of the house. The motion to proceed with business under the call of the house and the motion to excuse absent members shall not be adopted unless a majority of the members elected vote in favor thereof. The motion to dispense with the call of the house may be adopted by a majority of the members present.

"NEW SECTION. Sec. 1. FINDINGS. (1) The Legislature finds that state services are not currently organized and delivered in a way that achieves the optimal outcomes for children, youth, and families. The legislature believes that, to improve service delivery and outcomes, existing services must be restructured into a comprehensive agency dedicated to the safety, development, and well-being of children that emphasizes prevention, early childhood development, and early intervention, and supporting parents to be their children's first and most important teachers.

(2) The legislature finds that:

(a) The early years of a child's life are critical to the child's healthy brain development and that the quality of caregiving during the early years can significantly impact the child's intellectual, social, and emotional development;

(b) A successful outcome for every child obtaining a K-12 education depends on children being prepared from birth for academic and social success in school. For children at risk of school failure, the opportunity gap often emerges as early as eighteen months of age;

(c) A more cohesive and integrated early learning system has been established that provides a solid foundation for further improvements in the quality and availability of early learning programs; and

(d) Increasing the availability of high quality services for children ages birth to three and their parents or caregivers will result in improved school and life outcomes.

(3) Research is clear that quality culturally and linguistically responsive early care and education builds the foundation for a child's success in school and in life. In restructuring early learning and child welfare services, the legislature seeks to build on the success of Washington's early learning efforts to assure children most at risk of
experiencing adversity are provided high quality early learning experiences.

(4) The legislature finds that advancements in research and science have identified indicators of risk, how they impact healthy development, and the critical importance of stable, nurturing relationships, particularly in the early years. Services for families and children should be prioritized for those who are most at risk of neglect, physical harm, and other adverse factors.

(5) The legislature finds that a focus on adolescent development is needed to ensure that effective supports and interventions are targeted to support adolescents successfully transitioning to adulthood. Youth known to both the child welfare and juvenile justice systems often suffer from childhood trauma, have multisystem involvement, and experience homelessness. Increased integration of the child welfare and juvenile justice systems can increase opportunities for prevention and improve outcomes for youth in both systems.

(6) The legislature finds that children and youth of color are disproportionately impacted at every point in the child welfare and juvenile justice systems. The department of children, youth, and families must prioritize addressing equity, disproportionality, and disparity in service delivery and outcomes, and provide transparent, frequent reporting of outcomes by race, ethnicity, and geography. The legislature finds that the state values the partnership with tribes in providing services for our children and youth and intends to honor the government-to-government relationship between the state and tribes.

(7) The department of children, youth, and families must be anchored in a culture of innovation, transparency, accountability, rigorous data analysis, and reliance on research and evidence-based interventions.

(8) The legislature finds that the public expects an effective service delivery system that is comprehensive, accountable, and goes beyond a single department's role. For this reason, the legislature is creating a mechanism in the department of children, youth, and families to align, integrate, and ensure accountability of state services for children, youth, and their families across state agencies so that there is a seamless, effective, prevention and early intervention-based service system regardless of which state agency is responsible for particular services.

(9) The legislature finds that the work of the department of children, youth, and families will only be as successful as the workforce—both the agency employees and community-based providers. Increased support for the professionals working with children, youth, and families is critical to improving outcomes.

(10) The legislature further finds that other states have successfully established integrated departments dedicated to serving children, youth, and families. These departments have improved the visibility of child and family issues, increased authority and accountability, enabled system improvements, and created a stronger focus on improving child outcomes.

PART I
DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES CREATED

NEW SECTION. Sec. 101. (1)(a) The department of children, youth, and families is created as an executive branch agency. The department is vested with all powers and duties transferred to it under this act and such other powers and duties as may be authorized by law. (ii) Preventing child abuse and neglect;

(iii) Improving child and youth safety, permanency, and well-being as measured by: (A) Reducing the number of children entering out-of-home care; (B) reducing a child’s length of stay in out-of-home care; (C) reducing maltreatment of youth while in out-of-home care; (D) licensing more foster homes than there are children in foster care; (E) reducing the number of children that reenter out-of-home care within twelve months; (F) increasing the stability of placements for children in out-of-home care; and (G) developing strategies to demonstrate to foster families that their service and involvement is highly valued by the department, as demonstrated by the development of strategies to consult with foster families regarding future placement of a foster child currently placed with a foster family;

(iv) Improving reconciliation of children and youth with their families as measured by: (A) Increasing family reunification; and (B) increasing the number of youth who are reunified with their family of origin;

(v) In collaboration with county juvenile justice programs, improving adolescent outcomes including reducing multisystem involvement and homelessness; and increasing school graduation rates and successful transitions to adulthood for youth involved in the child welfare and juvenile justice systems;

(vi) Reducing future demand for mental health and substance use disorder treatment for youth involved in the child welfare and juvenile justice systems;

(vii) In collaboration with county juvenile justice programs, reducing criminal justice involvement and recidivism as measured by: (A) An increase in the number of youth who successfully complete the terms of diversion or alternative sentencing options; (B) a decrease in the number of youth who commit subsequent crimes; and (C) eliminating the discharge of youth from institutional settings into homelessness; and

(viii) Reducing racial and ethnic disproportionality and disparities in system involvement and across child and youth outcomes in collaboration with other state agencies.

(4) Beginning July 1, 2018, the department must:

Contracts with network administrators or other third parties must provide the contract administrator the ability to shift resources from one provider to another, to evaluate individual provider performance, to add or delete services in consultation with the department, and to reinvest savings from increased efficiencies into new or improved services in their catchment area. Whenever possible, contractor performance data must be made available to the public, consistent with confidentiality laws and individual rights to privacy.

To test implementation of the early achievers system for school-age child care providers the department and the office of the superintendent of public instruction shall implement a pilot program.

(4) There are five levels in the early achievers program. Participants are expected to actively engage and continually advance within the program.

(5) The department has the authority to determine the rating cycle for the early achievers program. No unfounded child abuse or neglect reports may be provided to parents and caregivers pursuant to this subsection.

(14) The department shall consult with the early achievers review subcommittee on all substantial policy changes to the early achievers program.

as may be appropriate whether because of

characteristics of the children served,
variations in the purposes and services
offered or size or structure of the
agencies to be licensed, or because of any
other factor relevant thereto;

(2)(a) In consultation with the state
fire marshall's office, the ((director))

this provision is to allow both

No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes. No unfounded or inconclusive allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a provider licensed under this chapter.

(a) The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history record check.

(b)(i) (Effective July 1, 2012) All individuals applying for first-time agency licenses, all new employees, and other persons who have not been previously qualified by the department to have unsupervised access to children in care must be fingerprinted and obtain a criminal history record check pursuant to this section.

The licensee may, but need not, pay these costs on behalf of a prospective employee or reimburse the prospective employee for these costs. The licensee and the prospective employee may share these costs.

(c) The secretary shall use the fingerprint criminal history record check information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children.

(d) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

(e) No later than July 1, 2013, all agency licensees holding licenses prior to July 1, 2012, persons who were employees before July 1, 2012, and persons who have been qualified by the department before July 1, 2012, to have unsupervised access to children in care, must submit a new background application to the department. The department must require persons submitting a new background application pursuant to this subsection (2)(e) to pay a fee to the department for the cost of administering the individual-based/portable background check clearance registry. (h) The applicant and agency shall maintain on-site for inspection a copy of the background check clearance card or certificate.

(i) Individuals who have been issued a background check clearance card or certificate shall report nonconviction and conviction information to the department within twenty-four hours of the event constituting the nonconviction or conviction information.

(j) The department shall investigate and conduct a redetermination of an applicant's or licensee's background clearance if the department receives a complaint or information from individuals, a law enforcement agency, or other federal, state, or local government agency. Subject to the requirements contained in RCW 43.215.300 and 43.215.305 (as recodified by this act) and based on a determination that an individual lacks the appropriate character, suitability, or competence to provide child care or early learning services to children, the department may: (i) Invalidate the background card or certificate; or (ii) suspend, modify, or revoke any license authorized by this chapter.

(3) To satisfy the shared background check requirements of the department of ((early learning)) children, youth, and families and the department of social and health services, each department shall share federal fingerprint-based background check results as permitted under the law. The purpose of this provision is to allow both departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. Fee revenues must be deposited in the individual-based/portable background check clearance account created in RCW 43.215.218 (as recodified by this act) and may be expended only for the costs of developing and administering the individual-based/portable background check clearance registry created in RCW 43.215.216 (as recodified by this act).

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

((2) "Child," "juvenile," and "youth" mean((:)):

(a) Any individual under the age of eighteen years; or

(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. (12) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. (d) A statement of the likely harms the child will suffer as a result of removal;

(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

Sec. 303. RCW 13.34.090 and 2000 c 122 s 10 are each amended to read as follows:

(1) Any party has a right to be represented by an attorney in all proceedings under this chapter, to introduce evidence, to be heard in his or her own behalf, to examine witnesses, to receive a decision based solely on the evidence adduced at the hearing, and to an unbiased fact finder.

(2) At all stages of a proceeding in which a child is alleged to be dependent, the child’s parent, guardian, or legal custodian has the right to be represented by counsel, and if indigent, to have counsel appointed for him or her by the court. Unless waived in court, counsel shall be provided to the child’s parent, guardian, or legal custodian, if such person (a) has appeared in the proceeding or requested the court to appoint counsel and (b) is financially unable to obtain counsel because of indigency.

(3) If a party to an action under this chapter is represented by counsel, no order shall be provided to that party for his or her signature without prior notice and provision of the order to counsel.

(4) Copies of department (of social and health services)) or supervising agency records to which parents have legal access pursuant to chapter 13.50 RCW shall be given to the child’s parent, guardian, legal custodian, or his or her legal counsel, prior to any shelter care hearing and within fifteen days after the department or supervising agency receives a written request for such records from the parent, guardian, legal custodian, or his or her legal counsel. These records shall be provided to the child’s parents, guardian, legal custodian, or legal counsel a reasonable period of time prior to the shelter care hearing in order to allow an opportunity to review the records prior to the hearing. These records shall be legible and shall be provided at no expense to the parents, guardian, legal custodian, or his or her counsel. When the records are served on legal counsel, legal counsel shall have the opportunity to review the records with the parents and shall review the records with the parents prior to the shelter care hearing.

Sec. 304. RCW 13.34.096 and 2016 c 180 s 1 are each amended to read as follows:

(1) The department or supervising agency shall provide the child’s foster parents, preadoptive parents, or other caregivers with timely and adequate notice of their right to be heard prior to each proceeding held with respect to the child in juvenile court under this chapter. For purposes of this section, "timely and adequate notice" means notice at the time the department would be required to give notice to parties to the case and by any means reasonably certain of notifying the foster parents, preadoptive parents, or other caregivers, including but not limited to written, telephone, or in person oral notification. For emergency hearings, the department shall give notice to foster parents, preadoptive parents, or other caregivers as soon as is practicable. For six-month review and annual permanency hearings, the department shall give notice to foster parents upon placement or as soon as practicable.

(2) The court shall establish and include in the court record after every hearing for which the department or supervising agency is required to provide notice to the child’s foster parents, preadoptive parents, and caregivers whether the department provided adequate and timely notice, whether a caregiver’s report was received by the court, and whether the court provided the child’s foster parents, preadoptive parents, or caregivers with an opportunity to be heard in court. For purposes of this section, "caregiver's report" means a form provided by the department (of social and health services)) to a child's foster parents, preadoptive parents, or caregivers that provides an opportunity for those individuals to share information about the child with the court before a court hearing. A caregiver's report shall not include information related to a child's biological parent that is not directly related to the child's well-being.

(3) Absent exigent circumstances, the department shall provide the child's
foster family home notice of expected placement changes as required by RCW 74.13.300.

(4) The rights to notice and to be heard apply only to persons with whom a child has been placed by the department or supervising agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 305. RCW 13.34.110 and 2007 c 220 s 9 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2) The court in a fact-finding hearing may consider the history of past involvement of child protective services or law enforcement agencies with the family for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of the child on the part of the child's parent, guardian, or legal custodian, or for the purpose of establishing that reasonable efforts have been made by the department to prevent or eliminate the need for removal of the child from the child's home. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes.

(3)(a) The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any. If the department ((of social and health services)) is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court within available resources must inquire and establish on the record that:

(i) The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;

(ii) The parent, guardian, or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child within the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent
proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had actual notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parent's, guardian's, or legal custodian's notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington state supreme court pursuant to General Rule GR 9.

(4) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster
The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the department of social and health services developmental disabilities administration, the department shall make reasonable efforts to consult with the department of social and health services developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for
visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(vii). In all cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian
ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department ((of social and health services)) or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 307. RCW 13.34.141 and 2009 c 484 s 1 are each amended to read as follows:

(1) After entry of a dispositional order pursuant to RCW 13.34.130 ordering placement of a child in out-of-home care, the department shall continue to encourage the parent, guardian, or custodian of the child to engage in services and maintain contact with the child, which shall be accomplished by attaching a standard notice to the services and safety plan to be provided in advance of hearings conducted pursuant to RCW 13.34.138.

(2) The notice shall be photocopied on contrasting paper to distinguish it from the services and safety plan to which it is attached, and shall be in substantially the following form:

"NOTICE

If you have not been maintaining consistent contact with your child in out-of-home care, your ability to reunify with your child may be jeopardized. If this is your situation, you need to be aware that you have important legal rights and must take steps to protect your interests.

1. The department of ((social and health services)) children, youth, and families (or other supervising agency) and the court have created a permanency plan for your child, including a primary placement plan and a secondary placement plan, and recommending services needed before your child can be placed in the primary or secondary placement. If you want the court to order that your child be reunified with you, you should notify your lawyer and the department, and you should carefully comply with court orders for services and participate regularly in visitation with your child. Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your rights as a parent.

2. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department, and the court if you want to be the secondary placement option, and you should comply with any court orders for services and participate in visitation with your child. Early and consistent involvement in your child’s case plan is important for the well-being of your child.

3. Dependency review hearings, and all other dependency case hearings, are legal proceedings with potentially serious consequences. Failure to participate, respond, or comply with court orders may lead to the loss of your parental rights."

Sec. 308. RCW 13.34.180 and 2013 c 173 s 4 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

(a) That the child has been found to be a dependent child;

(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;

(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;

(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department or supervising agency made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as
defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests. This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of children, youth, and families or the supervising agency and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact:    (explain local procedure)    .

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

You should be present at this hearing.

You may call    (insert agency)    for more information about your child. The agency's name and telephone number are   (insert name and telephone number)."

The state patrol shall also maintain a regularly updated computerized link with national and other statewide missing person systems or clearinghouses, and within existing resources, shall develop and implement a plan, commonly known as an "amber alert plan" or an "endangered missing person advisory plan" which includes a "silver alert" designation for voluntary cooperation between local, state, tribal, and other law enforcement agencies, state government agencies, radio and television stations, cable and satellite systems, and social media pages and sites to enhance the public's ability to assist in recovering abducted children and missing endangered persons consistent with the state endangered missing person advisory plan.

department shall notify the clearinghouse and the child's legal custodian, advising the custodian of the child's whereabouts or that the child is subject to a dependency action. The department shall inform the clearinghouse when reunification occurs.

Sec. 317. RCW 13.64.030 and 1993 c 294 s 3 are each amended to read as follows:

The decree shall instruct the petitioner to obtain a Washington driver's license or a Washington identification card and direct the department of licensing make a notation of the emancipated status on the license or identification card.

(2) The department of health shall make available a noncertified copy of the original birth certificate of a child to the child's birth parents upon request.

(3)(a) For adoptions finalized after October 1, 1993, the department of health shall provide a noncertified copy of the original birth certificate to an adoptee eighteen years of age or older upon request, unless the birth parent has filed an affidavit of nondisclosure before July 28, 2013, or a contact preference form that indicates he or she does not want the original birth certificate released: PROVIDED, That the affidavit of nondisclosure, the contact preference form, or both have not expired.

(b) For adoptions finalized on or before October 1, 1993, the department of health may not provide a noncertified copy of the original birth certificate to the adoptee until after June 30, 2014. After June 30, 2014, the department of health shall provide a noncertified copy of the original birth certificate to an adoptee eighteen years of age or older upon request, unless the birth parent has filed a contact preference form that indicates he or she does not want the original birth certificate released: PROVIDED, That the contact preference form has not expired.

(c) An affidavit of nondisclosure expires upon the death of the birth parent.
Regardless of whether a birth parent has filed an affidavit of nondisclosure or when the adoption was finalized, a birth parent may at any time complete a contact preference form stating his or her preference about personal contact with the adoptee, which, if available, must accompany an original birth certificate provided to an adoptee under subsection (3) of this section.

(iv) I prefer not to be contacted and have completed the birth parent updated medical history form. I do not want a noncertified copy of the original birth certificate released to the adoptee.

(c) If the birth parent indicates he or she prefers not to be contacted, personally identifying information on the contact preference form must be kept confidential and may not be released.

(d) Nothing in this section precludes a birth parent from subsequently filing another contact preference form to rescind the previous contact preference form and state a different preference.

(e) A contact preference form expires upon the death of the birth parent.

(5) If a birth parent files a contact preference form, the birth parent must also file an updated medical history form with the department of health. Upon request of the adoptee, the department of health must provide the adoptee with the updated medical history form filed by the adoptee's birth parent.

(6) Both a completed contact preference form and birth parent updated medical history form are confidential and must be placed in the adoptee's sealed file.

(7) If a birth parent files a contact preference form within six months after the first time an adoptee requests a copy of his or her original birth certificate as provided in subsection (3) of this section, the department of health must forward the contact preference form and the birth parent updated medical history form to the address of the adoptee.

(8) The department of health may charge a fee not to exceed twenty dollars for providing a noncertified copy of a birth certificate to an adoptee.

(9) The department of health must create the contact preference form and an updated medical history form. The updated medical history form may not require the birth parent to disclose any identifying information about the birth parent.

(10) If the department of health does not provide an adoptee with a noncertified copy of the original birth certificate because a valid affidavit of nondisclosure or contact preference form has been filed, the adoptee may request, no more than once per year, that the department of health attempt to determine if the birth parent is deceased. Upon request of the adoptee, the department of health must make a reasonable effort to search public records that are accessible and already available to the department of health to determine if the birth parent is deceased. (9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. (10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child, and if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(25) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

Sec. 322. RCW 26.44.030 and 2017 c 118 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of ((early learning)) children, youth, and families, licensed or certified child care providers or their employees, employee of the department of social and health services, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, state family and children's ombuds or any volunteer in the ombuds's office, or host home program has
reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this subsection when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11 and 13 RCW and this title, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child
has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department (of social and health services) as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child’s welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency’s investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child’s safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as
authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW((, or by the department of early learning));

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received,
unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.
(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect involving a child under the court’s jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court’s jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(21) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian.

(22) The department shall make available on its public website a downloadable and printable poster that includes the reporting requirements included in this section. The poster must be no smaller than eight and one-half by eleven inches with all information on one side. The poster must be made available in both the English and Spanish languages. Organizations that include employees or volunteers subject to the reporting requirements of this section must clearly display this poster in a common area. At a minimum, this poster must include the following:

(a) Who is required to report child abuse and neglect;

(b) The standard of knowledge to justify a report;

(c) The definition of reportable crimes;

(d) Where to report suspected child abuse and neglect; and

(e) What should be included in a report and the appropriate timing.

Sec. 323. RCW 26.44.040 and 1999 c 176 s 32 are each amended to read as follows:

An immediate oral report must be made by telephone or otherwise to the proper law enforcement agency or the department ((of social and health services)) and, upon request, must be followed by a report in writing. Such reports must contain the following information, if known:

(1) The name, address, and age of the child;

(2) The name and address of the child's parents, stepparents, guardians, or other persons having custody of the child;

(3) The nature and extent of the alleged injury or injuries;

(4) The nature and extent of the alleged neglect;

(5) The nature and extent of the alleged sexual abuse;

(6) Any evidence of previous injuries, including their nature and extent; and

(7) Any other information that may be helpful in establishing the cause of the child's death, injury, or injuries and the identity of the alleged perpetrator or perpetrators.

Sec. 324. RCW 26.44.050 and 2012 c 259 s 5 are each amended to read as follows:

Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department ((of social and health services)) must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.
A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department (of social and health services) investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

Sec. 325. RCW 26.44.063 and 2008 c 267 s 4 are each amended to read as follows:

(1) It is the intent of the legislature to minimize trauma to a child involved in an allegation of sexual or physical abuse. The legislature declares that removing the child from the home or the care of a parent, guardian, or legal custodian often has the effect of further traumatizing the child. It is, therefore, the legislature's intent that the alleged abuser, rather than the child, shall be removed or restrained from the child's residence and that this should be done at the earliest possible point of intervention in accordance with RCW 10.31.100, chapter 13.34 RCW, this section, and RCW 26.44.130.

(2) In any judicial proceeding in which it is alleged that a child has been subjected to sexual or physical abuse, if the court finds reasonable grounds to believe that an incident of sexual or physical abuse has occurred, the court may, on its own motion, or the motion of the guardian ad litem or other parties, issue a temporary restraining order or preliminary injunction restraining or enjoining the person accused of committing the abuse from:

(a) Molesting or disturbing the peace of the alleged victim;

(b) Entering the family home of the alleged victim except as specifically authorized by the court;

(c) Having any contact with the alleged victim, except as specifically authorized by the court;

(d) Knowingly coming within, or knowingly remaining within, a specified distance of a specified location.

(3) If the caretaker is willing, and does comply with the duties prescribed in subsection (8) of this section, uncertainty by the caretaker that the alleged abuser has in fact abused the alleged victim shall not, alone, be a basis to remove the alleged victim from the caretaker, nor shall it be considered neglect.

(4) In issuing a temporary restraining order or preliminary injunction, the court may impose any additional restrictions that the court in its discretion determines are necessary to protect the child from further abuse or emotional trauma pending final resolution of the abuse allegations.

(5) The court shall issue a temporary restraining order prohibiting a person from entering the family home if the court finds that the order would eliminate the need for an out-of-home placement to protect the child's right to nurturance, health, and safety and is sufficient to protect the child from further sexual or physical abuse or coercion.

(6) The court may issue a temporary restraining order without requiring notice to the party to be restrained or other parties only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(7) A temporary restraining order or preliminary injunction:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding; and

(b) May be revoked or modified.

(8) The person having physical custody of the child shall have an affirmative duty to assist in the enforcement of the restraining order including but not limited to a duty to notify the court as soon as practicable of any violation of the order, a duty to request the assistance of law enforcement officers to enforce the order, and a duty to notify the department (of social and health services) of any violation of the order as soon as practicable if the department is a party to the action. Failure by the custodial party to discharge these affirmative duties shall be subject to contempt proceedings.

(9) Willful violation of a court order entered under this section is a misdemeanor. A written order shall contain
the court's directive and shall bear the legend: "Violation of this order with actual notice of its terms is a criminal offense under chapter 26.44 RCW, is also subject to contempt proceedings, and will subject a violator to arrest."

(10) If a restraining order issued under this section is modified or terminated, the clerk of the court shall notify the law enforcement agency specified in the order on or before the next judicial day. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from any computer-based criminal intelligence system.

Sec. 326. RCW 26.44.105 and 1985 c 183 s 2 are each amended to read as follows:

Whenever a dependency petition is filed by the department ((of social and health services)), it shall advise the parents, and any child over the age of twelve who is subject to the dependency action, of their respective rights under RCW 13.34.090. The parents and the child shall be provided a copy of the dependency petition and a copy of any court orders which have been issued. This advice of rights under RCW 13.34.090 shall be in writing. The department caseworker shall also make reasonable efforts to advise the parent and child of these same rights orally.

Sec. 327. RCW 26.44.140 and 1997 c 344 s 1 are each amended to read as follows:

The court shall require that an individual who, while acting in a parental role, has physically or sexually abused a child and has been removed from the home pursuant to a court order issued in a proceeding under chapter 13.34 RCW, prior to being permitted to reside in the home where the child resides, complete the treatment and education requirements necessary to protect the child from future abuse. The court may require the individual to continue treatment as a condition for remaining in the home where the child resides. Unless a parent, custodian, or guardian has been convicted of the crime for the acts of abuse determined in a fact-finding hearing under chapter 13.34 RCW, such person shall not be required to admit guilt in order to begin to fulfill any necessary treatment and education requirements under this section.

The department ((of social and health services)) or supervising agency shall be responsible for advising the court as to appropriate treatment and education requirements, providing referrals to the individual, monitoring and assessing the individual's progress, informing the court of such progress, and providing recommendations to the court.

The person removed from the home shall pay for these services unless the person is otherwise eligible to receive financial assistance in paying for such services. Nothing in this section shall be construed to create in any person an entitlement to services or financial assistance in paying for services.

Sec. 328. RCW 43.20A.360 and 2001 c 291 s 101 are each amended to read as follows:

(1) The secretary is hereby authorized to appoint such advisory committees or councils as may be required by any federal legislation as a condition to the receipt of federal funds by the department. The secretary may appoint statewide committees or councils in the following subject areas: (a) Health facilities; (b) ((children and youth services; (c))) blind services; (((d))) (c) medical and health care; (((e))) (d) drug abuse and alcoholism; (((f))) (e) social services; (((g))) (f) economic services; (((h))) (g) vocational services; (((i))) (h) rehabilitative services; and (i) on such other subject matters as are or come within the department's responsibilities. The statewide councils shall have representation from both major political parties and shall have substantial consumer representation. Such committees or councils shall be constituted as required by federal law or as the secretary in his or her discretion may determine. The members of the committees or councils shall hold office for three years except in the case of a vacancy, in which event appointment shall be only for the remainder of the unexpired term for which the vacancy occurs. No member shall serve more than two consecutive terms.

(2) Members of such state advisory committees or councils may be paid their travel expenses in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

Sec. 329. RCW 74.04.800 and 2007 c 384 s 3 are each amended to read as follows:

(1)(a) The secretary of social and health services and the secretary of the department of children, youth, and families shall review current department policies and assess the adequacy and
availability of programs targeted at persons who receive services through the department who are the children and families of a person who is incarcerated in a department of corrections facility. Great attention shall be focused on programs and policies affecting foster youth who have a parent who is incarcerated.

(b) The secretary of social and health services and the secretary of the department of children, youth, and families shall adopt policies that encourage familial contact and engagement between inmates of the department of corrections facilities and their children with the goal of facilitating normal child development, while reducing recidivism and intergenerational incarceration. Programs and policies should take into consideration the children's need to maintain contact with his or her parent, the inmate's ability to develop plans to financially support their children, assist in reunification when appropriate, and encourage the improvement of parenting skills where needed. The programs and policies should also meet the needs of the child while the parent is incarcerated.

(2) The secretary of social and health services and the secretary of the department of children, youth, and families shall conduct the following activities to assist in implementing the requirements of subsection (1) of this section:

(a) Gather information and data on the recipients of public assistance, or children in the care of the state under chapter 13.34 RCW, who are the children and families of inmates incarcerated in department of corrections facilities; and

(b) Participate in the children of incarcerated parents advisory committee and report information obtained under this section to the advisory committee.

Sec. 330. RCW 26.34.030 and 1971 ex.s. c 168 s 3 are each amended to read as follows:

The “appropriate public authorities” as used in Article III of the Interstate Compact on the Placement of Children shall, with reference to this state, mean the department of ((social and health services)) children, youth, and families, and said agency shall receive and act with reference to notices required by said Article III.

Sec. 331. RCW 26.34.040 and 1971 ex.s. c 168 s 4 are each amended to read as follows:

Sec. 332. RCW 70.02.220 and 2017 c 298 s 4 are each amended to read as follows:

(1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this section, RCW 70.02.210, or chapter 70.24 RCW.

(2) No person may disclose or be compelled to disclose information and records related to sexually transmitted diseases, except as authorized by this section, RCW 70.02.210, 70.02.— (section 1, chapter 298, Laws of 2017), or chapter 70.24 RCW. A person may disclose information related to sexually transmitted diseases about a patient without the patient's authorization, to the extent a recipient needs to know the information, if the disclosure is to:

(a) The subject of the test or the subject’s legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor fourteen years of age or over and otherwise competent;

(d) Any state or local public health officer conducting an investigation pursuant to RCW 70.24.024, so long as the record was obtained by means of court-
ordered HIV testing pursuant to RCW 70.24.340 or 70.24.024;

(e) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure must: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other appropriate measures to keep disclosure to a minimum for the protection of the patient, the physician-patient relationship, and the treatment services;

(f) Persons who, because of their behavioral interaction with the infected individual's have been placed at risk for acquisition of a sexually transmitted disease, as provided in RCW 70.24.022, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary;

(g) A law enforcement officer, firefighter, health care provider, health care facility staff person, department of correction's staff person, jail staff person, or other persons as defined by the board of health in rule pursuant to RCW 70.24.340(4), who has requested a test of a person whose bodily fluids he or she has been substantially exposed to, pursuant to RCW 70.24.340(4), if a state or local public health officer performs the test;

(h) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection must be confidential and may not be released or available to persons who are not involved in handling or determining medical claims payment; and

(i) A department of ((social and health services)) children, youth, and families worker, a child placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of ((social and health services)) children, youth, and families or a licensed child placing agency. This information may also be received by a person responsible for providing residential care for such a child when the department of social and health services, the department of children, youth, and families, or a licensed child placing agency determines that it is necessary for the provision of child care services.

(3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection.

The information made available to the health care administrator or the infection control coordinator under this subsection (4)(a) may be used only for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities, including facilities that are not under the department of corrections' jurisdiction according to the provisions of (d) and (e) of this subsection.

(b) The sexually transmitted disease status of a person detained in a jail who has had a mandatory test conducted
pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370 must be made available by the local public health officer to a jail health care administrator or infection control coordinator. The information made available to a health care administrator under this subsection (4)(b) may be used only for disease prevention or control and for protection of the safety and security of the staff, offenders, detainees, and the public. The information may be submitted to transporting officers and receiving facilities according to the provisions of (d) and (e) of this subsection.

(c) Information regarding the sexually transmitted disease status of an offender or detained person is confidential and may be disclosed by a correctional health care administrator or infection control coordinator or local jail health care administrator or infection control coordinator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to the penalties prescribed in RCW 70.24.080 or any other penalties as may be prescribed by law.

(d) Notwithstanding the limitations on disclosure contained in (a), (b), and (c) of this subsection, whenever any member of a jail staff or department of corrections staff has been substantially exposed to the bodily fluids of an offender or detained person, then the results of any tests conducted pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370, must be immediately disclosed to the staff person in accordance with the Washington Administrative Code rules governing employees' occupational exposure to bloodborne pathogens. Disclosure must be accompanied by appropriate counseling for the staff member, including information regarding follow-up testing. Disclosure must also include notice that subsequent disclosure of the information to harass or discriminate against the offender or detainee may result in disciplinary action, in addition to the penalties prescribed in RCW 70.24.080, and imposition of other penalties prescribed by law.

(e) The staff member must also be informed whether the offender or detained person had any other communicable disease, as defined in RCW 72.09.251(3), when the staff person was substantially exposed to the offender's or detainee's bodily fluids.

(f) The test results of voluntary and anonymous HIV testing or HIV-related condition, as defined in RCW 70.24.017, may not be disclosed to a staff person except as provided in this section and RCW 70.02.050(1)(d) and 70.24.340(4). A health care administrator or infection control coordinator may provide the staff member with information about how to obtain the offender's or detainee's test results under this section and RCW 70.02.050(1)(d) and 70.24.340(4).

(5) The requirements of this section do not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor do they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties.

(6) Upon request of the victim, disclosure of test results under this section to victims of sexual offenses under chapter 9A.44 RCW must be made if the result is negative or positive. The county prosecuting attorney shall notify the victim of the right to such disclosure. The disclosure must be accompanied by appropriate counseling, including information regarding follow-up testing.

(7) A person, including a health care facility or health care provider, shall disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease and information and records related to sexually transmitted diseases to federal, state, or local public health authorities, to the extent the health care provider is required by law to report health care information; when needed to determine compliance with state or federal certification or registration rules or laws; or when needed to protect the public health. Any health care information obtained under this subsection is exempt from public inspection and copying pursuant to chapter 42.56 RCW.

Sec. 333. RCW 26.10.135 and 2003 c 105 s 1 are each amended to read as follows:

(1) Before granting any order regarding the custody of a child under this chapter, the court shall consult the judicial
information system, if available, to determine the existence of any information and proceedings that are relevant to the placement of the child.

(2) Before entering a final order, the court shall:

(a) Direct the department of ((social and health services)) children, youth, and families to release information as provided under RCW 13.50.100; and

(b) Require the petitioner to provide the results of an examination of state and national criminal identification data provided by the Washington state patrol criminal identification system as described in chapter 43.43 RCW for the petitioner and adult members of the petitioner's household.

Sec. 334. RCW 26.50.150 and 2010 c 274 s 501 are each amended to read as follows:

Any program that provides domestic violence treatment to perpetrators of domestic violence must be certified by the department of ((social and health services)) children, youth, and families and meet minimum standards for domestic violence treatment purposes. The department of ((social and health services)) children, youth, and families shall adopt rules for standards of approval of domestic violence perpetrator programs. The treatment must meet the following minimum qualifications:

(1) All treatment must be based upon a full, complete clinical intake including but not limited to: Current and past violence history; a lethality risk assessment; history of treatment from past domestic violence perpetrator treatment programs; a complete diagnostic evaluation; a substance abuse assessment; criminal history; assessment of cultural issues, learning disabilities, literacy, and special language needs; and a treatment plan that adequately and appropriately addresses the treatment needs of the individual.

(2) To facilitate communication necessary for periodic safety checks and case monitoring, the program must require the perpetrator to sign the following releases:

(a) A release for the program to inform the victim and victim’s community and legal advocates that the perpetrator is in treatment with the program, and to provide information, for safety purposes, to the victim and victim's community and legal advocates;

(b) A release to prior and current treatment agencies to provide information on the perpetrator to the program; and

(c) A release for the program to provide information on the perpetrator to relevant legal entities including: Lawyers, courts, parole, probation, child protective services, and child welfare services.

(3) Treatment must be for a minimum treatment period defined by the secretary of the department of children, youth, and families by rule. The weekly treatment sessions must be in a group unless there is a documented, clinical reason for another modality. Any other therapies, such as individual, marital, or family therapy, substance abuse evaluations or therapy, medication reviews, or psychiatric interviews, may be concomitant with the weekly group treatment sessions described in this section but not a substitute for it.

(4) The treatment must focus primarily on ending the violence, holding the perpetrator accountable for his or her violence, and changing his or her behavior. The treatment must be based on nonvictim-blaming strategies and philosophies and shall include education about the individual, family, and cultural dynamics of domestic violence. If the perpetrator or the victim has a minor child, treatment must specifically include education regarding the effects of domestic violence on children, such as the emotional impacts of domestic violence on children and the long-term consequences that exposure to incidents of domestic violence may have on children.

(5) Satisfactory completion of treatment must be contingent upon the perpetrator meeting specific criteria, defined by rule by the secretary of the department of children, youth, and families, and not just upon the end of a certain period of time or a certain number of sessions.

(6) The program must have policies and procedures for dealing with reoffenses and noncompliance.

(7) All evaluation and treatment services must be provided by, or under the supervision of, qualified personnel.

(8) The secretary of the department of children, youth, and families may adopt
rules and establish fees as necessary to implement this section.

(9) The department of children, youth, and families may conduct on-site monitoring visits as part of its plan for certifying domestic violence perpetrator programs and monitoring implementation of the rules adopted by the secretary of the department of children, youth, and families to determine compliance with the minimum qualifications for domestic violence perpetrator programs. The applicant or certified domestic violence perpetrator program shall cooperate fully with the department of children, youth, and families in the monitoring visit and provide all program and management records requested by the department of children, youth, and families to determine the program's compliance with the minimum certification qualifications and rules adopted by the department of children, youth, and families.

Sec. 335. RCW 26.50.160 and 2006 c 138 s 26 are each amended to read as follows:

To prevent the issuance of competing protection orders in different courts and to give courts needed information for issuance of orders, the judicial information system shall be available in each district, municipal, and superior court by July 1, 1997, and shall include a database containing the following information:

(1) The names of the parties and the cause number for every order of protection issued under this title, every sexual assault protection order issued under chapter 7.90 RCW, every criminal no-contact order issued under chapters 9A.46 and 10.99 RCW, every antiharassment order issued under chapter 10.14 RCW, every dissolution action under chapter 26.09 RCW, every third-party custody action under chapter 26.10 RCW, every parentage action under chapter 26.26 RCW, every restraining order issued on behalf of an abused child or adult dependent person under chapter 26.44 RCW, every foreign protection order filed under chapter 26.52 RCW, and every order for protection of a vulnerable adult under chapter 74.34 RCW. When a guardian or the department of social and health services or department of children, youth, and families has petitioned for relief on behalf of an abused child, adult dependent person, or vulnerable adult, the name of the person on whose behalf relief was sought shall be included in the database as a party rather than the guardian or appropriate department;

(2) A criminal history of the parties;

(3) Other relevant information necessary to assist courts in issuing orders under this chapter as determined by the judicial information system committee.

Sec. 336. RCW 28A.150.510 and 2012 c 163 s 9 are each amended to read as follows:

(1) In order to effectively serve students who are dependent pursuant to chapter 13.34 RCW, education records shall be transmitted to the department of ((social and health services)) children, youth, and families within two school days after receiving the request from the department provided that the department certifies that it will not disclose to any other party the education records without prior written consent of the parent or student unless authorized to disclose the records under state law. The legislature recognizes that the number of children entering out-of-home care is increasing and that a number of children receive long-term foster care protection. Reasonable efforts by the department to shorten out-of-home placement or avoid it altogether should be a major focus of the child welfare system. It is intended that providing up-front services decrease the number of children entering out-of-home care and have the effect of eventually lowering foster care expenditures and strengthening the family unit.

Within available funds, the legislature directs the department to focus child welfare services on protecting the child, strengthening families and, to the extent possible, providing necessary services in the family setting, while drawing upon the strengths of the family. The legislature intends services be locally based and offered as early as possible to avoid disruption to the family, out-of-home placement of the child, and entry into the dependency system. The legislature also intends that these services be used for those families whose children are returning to the home from out-of-home care. These services are known as family preservation services and intensive family preservation services and are characterized by the following values, beliefs, and goals:

(a) Safety of the child is always the first concern;

(b) Children need their families and should be raised by their own families whenever possible;

(c) Interventions should focus on family strengths and be responsive to the individual family's cultural values and needs;

(d) Participation should be voluntary; and

(e) Improvement of family functioning is essential in order to promote the child's health, safety, and welfare and thereby allow the family to remain intact and allow children to remain at home.

(2) Subject to the availability of funds for such purposes, the legislature intends for these services to be made available to all eligible families on a statewide basis through a phased-in process. Except as otherwise specified by statute, the department (of social and health services) shall have the authority and discretion to implement and expand these services as provided in (this chapter) RCW 74.14C.010 through 74.14C.100. The department shall consult with the community public health and safety networks when assessing a community's resources and need for services.

(3) It is the legislature's intent that, within available funds, the department develop services in accordance with (this chapter) RCW 74.14C.010 through 74.14C.100.

(4) Nothing in (this chapter) RCW 74.14C.010 through 74.14C.100 shall be construed to create an entitlement to
services nor to create judicial authority to order the provision of preservation services to any person or family if the services are unavailable or unsuitable or that the child or family are not eligible for such services.

Sec. 511. RCW 74.14C.010 and 1996 c 240 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(4) "Imminent" means a decision has been made by the department that, without intensive family preservation services, a petition requesting the removal of a child from the family home will be immediately filed under chapter 13.32A or 13.34 RCW, or that a voluntary placement agreement will be immediately initiated.

(5) "Intensive family preservation services" means community-based services that are delivered primarily in the home, that follow intensive service models with demonstrated effectiveness in reducing or avoiding the need for unnecessary imminent out-of-home placement, and that have all of the characteristics delineated in RCW 74.14C.020 (1) and (3).

(6) "Out-of-home placement" means a placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

This transfer may be made in those regions that lower foster care expenditures through efficient use of preservation services and permanency planning efforts. The transfer shall be equivalent to the amount of reduced foster care expenditures and shall be made in accordance with the provisions of this chapter and with the approval of the office of financial management. The department shall present an annual report to the legislature regarding any transfers only if transfers occur. The department shall include caseload, expenditure, cost avoidance, identified improvements to the out-of-home care system, and outcome data related to
the transfer in the report. The department shall also include in the report information regarding:

(1) Except as provided in this section, the juvenile courts in this state shall have exclusive original jurisdiction over all proceedings:

(i) The juvenile court transfers jurisdiction of a particular juvenile to adult criminal court pursuant to RCW 13.40.110;

(ii) The statute of limitations applicable to adult prosecution for the offense, traffic or civil infraction, or violation has expired;

(iii) The alleged offense or infraction is a traffic, fish, boating, or game offense, or traffic or civil infraction committed by a juvenile sixteen years of age or older and would, if committed by an adult, be tried or heard in a court of limited jurisdiction, in which instance
the appropriate court of limited jurisdiction shall have jurisdiction over the alleged offense or infraction, and no guardian ad litem is required in any such proceeding due to the juvenile's age. If such an alleged offense or infraction and an alleged offense or infraction subject to juvenile court jurisdiction arise out of the same event or incident, the juvenile court may have jurisdiction of both matters. The jurisdiction under this subsection does not constitute "transfer" or a "decline" for purposes of RCW 13.40.110 (1) or (2) or (e)(i) of this subsection. Courts of limited jurisdiction which confine juveniles for an alleged offense or infraction may place juveniles in juvenile detention facilities under an agreement with the officials responsible for the administration of the juvenile detention facility in RCW 13.04.035 and 13.20.060;

(iv) The alleged offense is a traffic or civil infraction, a violation of compulsory school attendance provisions under chapter 28A.225 RCW, or a misdemeanor, and a court of limited jurisdiction has assumed concurrent jurisdiction over those offenses as provided in RCW 13.04.0301; or

(v) The juvenile is sixteen or seventeen years old on the date the alleged offense is committed and the alleged offense is:

(A) A serious violent offense as defined in RCW 9.94A.030;

(C) Robbery in the first degree, rape of a child in the first degree, or drive-by shooting, committed on or after July 1, 1997;

(D) Burglary in the first degree committed on or after July 1, 1997, and the juvenile has a criminal history consisting of one or more prior felony or misdemeanor offenses; or

(E) Any violent offense as defined in RCW 9.94A.030 committed on or after July 1, 1997, and the juvenile is alleged to have been armed with a firearm.

(I) In such a case the adult criminal court shall have exclusive original jurisdiction, except as provided in (e)(v)(E)(II) and (III) of this subsection.

(II) The juvenile court shall have exclusive jurisdiction over the disposition of any remaining charges in any case in which the juvenile is found not guilty in the adult criminal court of the charge or charges for which he or she was transferred, or is convicted in the adult criminal court of a lesser included offense that is not also an offense listed in (e)(v) of this subsection. The juvenile court shall enter an order extending juvenile court jurisdiction if the juvenile has turned eighteen years of age during the adult criminal court proceedings pursuant to RCW 13.40.300. However, once the case is returned to juvenile court, the court may hold a decline hearing pursuant to RCW 13.40.110 to determine whether to retain the case in juvenile court for the purpose of disposition or return the case to adult criminal court for sentencing.

(III) The prosecutor and respondent may agree to juvenile court jurisdiction and waive application of exclusive adult criminal jurisdiction in (e)(v)(A) through (E) of this subsection and remove the proceeding back to juvenile court with the court's approval.

If the juvenile challenges the state's determination of the juvenile's criminal history under (e)(v) of this subsection, the state may establish the offender's criminal history by a preponderance of the evidence. If the criminal history consists of adjudications entered upon a plea of guilty, the state shall not bear a burden of establishing the knowing and voluntariness of the plea;

(f) Under the interstate compact on juveniles as provided in chapter 13.24 RCW;

(g) Relating to termination of a diversion agreement under RCW 13.40.080, including a proceeding in which the divertee has attained eighteen years of age;

(h) Relating to court validation of a voluntary consent to an out-of-home placement under chapter 13.34 RCW, by the parent or Indian custodian of an Indian child, except if the parent or Indian
custodian and child are residents of or domiciled within the boundaries of a federally recognized Indian reservation over which the tribe exercises exclusive jurisdiction;

(i) Relating to petitions to compel disclosure of information filed by the department of social and health services pursuant to RCW 74.13.042; and

(j) Relating to judicial determinations and permanency planning hearings involving developmentally disabled children who have been placed in out-of-home care pursuant to a voluntary placement agreement between the child's parent, guardian, or legal custodian and the department of social and health services and the department of children, youth, and families.

(2) The family court shall have concurrent original jurisdiction with the juvenile court over all proceedings under this section if the superior court judges of a county authorize concurrent jurisdiction as provided in RCW 26.12.010.

(3) The juvenile court shall have concurrent original jurisdiction with the family court over child custody proceedings under chapter 26.10 RCW and parenting plans or residential schedules under chapters 26.09 and 26.26 RCW as provided for in RCW 13.34.155.

Sec. 603. RCW 13.04.116 and 1987 c 462 s 1 are each amended to read as follows:

(1) A juvenile shall not be confined in a jail or holding facility for adults, except:

(b) For not more than six hours and pursuant to a lawful detention in the course of an investigation, a juvenile may be held in an adult facility provided that the confinement is separate from the sight and sound of adult inmates.

For purposes of this section a juvenile is an individual under the chronological age of eighteen years who has not been transferred previously to adult courts.

(3) The department ((of social and health services)) shall monitor and enforce compliance with this section.

(5) Except as provided in RCW 9.41.280, a juvenile detained under this section may be released upon posting a probation bond set by the court. The juvenile's parent or guardian may sign for the probation bond. A court authorizing such a release shall issue an order containing a statement of
conditions imposed upon the juvenile and shall set the date of his or her next court appearance. The court shall advise the juvenile of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the juvenile or to return the juvenile to custody for failing to conform to the conditions imposed. In addition to requiring the juvenile to appear at the next court date, the court may condition the probation bond on the juvenile's compliance with conditions of release. The juvenile's parent or guardian may notify the court that the juvenile has failed to conform to the conditions of release or the provisions in the probation bond. If the parent notifies the court of the juvenile's failure to comply with the probation bond, the court shall notify the surety. As provided in the terms of the bond, the surety shall provide notice to the court of the offender's noncompliance. A juvenile may be released only to a responsible adult or the department of ((social and health services)) children, youth, and families. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

Sec. 607. RCW 13.40.045 and 1997 c 338 s 14 are each amended to read as follows:

The secretary((, assistant secretary,)) or the secretary's designee shall issue arrest warrants for juveniles who escape from department residential custody. The secretary((, assistant secretary,)) or the secretary's designee may issue arrest warrants for juveniles who abscond from parole supervision or fail to meet conditions of parole. These arrest warrants shall authorize any law enforcement, probation and parole, or peace officer of this state, or any other state where the juvenile is located, to arrest the juvenile and to place the juvenile in physical custody pending the juvenile's return to confinement in a state juvenile rehabilitation facility.

Sec. 608. RCW 13.40.185 and 1994 sp.s. c 7 s 524 are each amended to read as follows:

(1) Any term of confinement imposed for an offense which exceeds thirty days shall be served under the supervision of the department. If the period of confinement imposed for more than one offense exceeds thirty days but the term imposed for each offense is less than thirty days, the confinement may, in the discretion of the court, be served in a juvenile facility operated by or pursuant to a contract with the state or a county.

(2) Whenever a juvenile is confined in a detention facility or is committed to the department, the court may not directly order a juvenile into a particular county or state facility. The juvenile court administrator and the secretary((, assistant secretary,)) or the secretary's designee, as appropriate, has the sole discretion to determine in which facility a juvenile should be confined or committed. The counties may operate a variety of detention facilities as determined by the county legislative authority subject to available funds.

Sec. 609. RCW 13.40.210 and 2014 c 117 s 3 are each amended to read as follows:

(1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release
those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence for theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. A juvenile adjudicated for unlawful possession of a firearm, possession of a stolen firearm, theft of a firearm, or drive-by shooting may participate in aggression replacement training, functional family therapy, or functional family parole aftercare if the juvenile meets eligibility requirements for these services. The decision to place an offender in an evidence-based parole program shall be based on an assessment by the department of the offender's risk for reoffending upon release and an assessment of the ongoing treatment needs of the juvenile. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.
(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.

(b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under RCW 9A.44.128 and is known to have violated the terms of parole. Confinement beyond thirty days is intended to only be used for a small and limited number of sex offenders. It shall only be used when other graduated sanctions or interventions have not been effective or the behavior is so egregious it warrants the use of the higher level intervention and the violation: (i) Is a known pattern of behavior consistent with a previous sex offense that puts the youth at high risk for reoffending sexually; (ii) consists of sexual behavior that is predatory as defined in RCW 71.09.020; or (iii) requires a review under chapter 71.09 RCW, due to a recent overt act. The total number of days of confinement for violations of parole conditions during the parole period shall not exceed the number of days provided by the maximum sentence imposed by the disposition for the underlying offense pursuant to RCW 13.40.0357. The department shall not aggregate multiple parole violations that occur prior to the parole revocation hearing and impose consecutive twenty-four week periods of confinement for each parole violation. The department is authorized to engage in rule making pursuant to chapter 34.05 RCW, to implement this subsection, including narrowly defining the behaviors that could lead to this higher level intervention.

(c) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of children, youth, and families shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

Sec. 610. RCW 13.40.220 and 1995 c 300 s 1 are each amended to read as follows:

(1) Whenever legal custody of a child is vested in someone other than his or her parents, under this chapter, and not vested in the department, after due notice to the parents or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum representing in whole or in part the costs of support, treatment, and confinement of the child after the decree is entered.

(2) If the parent or other legally obligated person willfully fails or
refuses to pay such sum, the court may proceed against such person for contempt.

(3) Whenever legal custody of a child is vested in the department under this chapter, the parents or other persons legally obligated to care for and support the child shall be liable for the costs of support, treatment, and confinement of the child, in accordance with the department's reimbursement of cost schedule. The department shall adopt a reimbursement of cost schedule based on the costs of providing such services, and shall determine an obligation based on the responsible parents' or other legally obligated person's ability to pay. The department is authorized to adopt additional rules as appropriate to enforce this section.

(4) To enforce subsection (3) of this section, the department shall serve on the parents or other person legally obligated to care for and support the child a notice and finding of financial responsibility requiring the parents or other legally obligated person to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect and should not be ordered. This notice and finding shall relate to the costs of support, treatment, and confinement of the child in accordance with the department's reimbursement of cost schedule adopted under this section, including periodic payments to be made in the future. The hearing shall be held pursuant to chapter 34.05 RCW, the administrative procedure act, and the rules of the department.

(5) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the parent or legally obligated person by certified mail, return receipt requested. The receipt shall be prima facie evidence of service.

(6) If the parents or other legally obligated person objects to the notice and finding of financial responsibility, then an application for an adjudicative hearing may be filed within twenty days of the date of service of the notice. If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the parents or other legally obligated person and shall also determine the amount of periodic payments to be made in the future. If the parents or other legally responsible person fails to file an application within twenty days, the notice and finding of financial responsibility shall become a final administrative order.

(7) Debts determined pursuant to this section are subject to collection action without further necessity of action by a presiding or reviewing officer. The department may collect the debt in accordance with RCW 43.20B.635, 43.20B.640, 74.20A.060, and 74.20A.070. The department shall exempt from payment parents receiving adoption support under RCW (74.13.100 through 74.13.115) 74.13A.005 through 74.13A.080, parents eligible to receive adoption support under RCW (74.13.150) 74.13A.085, and a parent or other legally obligated person when the parent or other legally obligated person, or such person's child, spouse, or spouse's child, was the victim of the offense for which the child was committed.

(8) An administrative order entered pursuant to this section shall supersede any court order entered prior to June 13, 1994.

(9) The department shall be subrogated to the right of the child and his or her parents or other legally responsible person to receive support payments for the benefit of the child from any parent or legally obligated person pursuant to a support order established by a superior court or pursuant to RCW 74.20A.055. The department's right of subrogation under this section is limited to the liability established in accordance with its cost schedule for support, treatment, and confinement, except as addressed in subsection (10) of this section.

(10) Nothing in this section precludes the department from recouping such additional support payments from the child's parents or other legally obligated person as required to qualify for receipt of federal funds. The department may adopt such rules dealing with liability for recoupment of support, treatment, or confinement costs as may become necessary to entitle the state to participate in federal funds unless such rules would be expressly prohibited by law. If any law dealing with liability for recoupment of support, treatment, or confinement costs is ruled to be in conflict with federal requirements which are a prescribed condition of the allocation of federal funds, such conflicting law is declared to be inoperative solely to the extent of the conflict.
Sec. 611. RCW 13.40.280 and 1989 c 410 s 2 and 1989 c 407 s 8 are each reenacted and amended to read as follows:

(1) The secretary of the department of children, youth, and families, with the consent of the secretary of the department of corrections, has the authority to transfer a juvenile presently or hereafter committed to the department of ((social and health services)) children, youth, and families to the department of corrections for appropriate institutional placement in accordance with this section.

(2) The secretary of the department of ((social and health services)) children, youth, and families may, with the consent of the secretary of the department of corrections, transfer a juvenile offender to the department of corrections if it is established at a hearing before a review board that continued placement of the juvenile offender in an institution for juvenile offenders presents a continuing and serious threat to the safety of others in the institution. The department of ((social and health services)) children, youth, and families shall establish rules for the conduct of the hearing, including provision of counsel for the juvenile offender.

(3) Assaults made against any staff member at a juvenile corrections institution that are reported to a local law enforcement agency shall require a hearing held by the department of ((social and health services)) children, youth, and families review board within ten judicial working days. The board shall determine whether the accused juvenile offender represents a continuing and serious threat to the safety of others in the institution.

(4) Upon conviction in a court of law for custodial assault as defined in RCW 9A.36.100, the department of ((social and health services)) children, youth, and families review board shall conduct a second hearing, within five judicial working days, to recommend to the secretary of the department of ((social and health services)) children, youth, and families that the convicted juvenile be transferred to an adult correctional facility if the review board has determined the juvenile offender represents a continuing and serious threat to the safety of others in the institution.

The juvenile has the burden to show cause why the transfer to an adult correctional facility should not occur.

(5) A juvenile offender transferred to an institution operated by the department of corrections shall not remain in such an institution beyond the maximum term of confinement imposed by the juvenile court.

(6) A juvenile offender who has been transferred to the department of corrections under this section may, in the discretion of the secretary of the department of ((social and health services)) children, youth, and families and with the consent of the secretary of the department of corrections, be transferred from an institution operated by the department of corrections to a facility for juvenile offenders deemed appropriate by the secretary.

Sec. 612. RCW 13.40.285 and 1983 c 191 s 23 are each amended to read as follows:

A juvenile offender ordered to serve a term of confinement with the department of ((social and health services)) children, youth, and families who is subsequently sentenced to the department of corrections may, with the consent of the department of corrections, be transferred by the secretary of ((social and health services)) children, youth, and families to the department of corrections to serve the balance of the term of confinement ordered by the juvenile court. The juvenile and adult sentences shall be served consecutively. In no case shall the secretary credit time served as a result of an adult conviction against the term of confinement ordered by the juvenile court.

Sec. 613. RCW 13.40.300 and 2005 c 238 s 2 are each amended to read as follows:

(1) In no case may a juvenile offender be committed by the juvenile court to the department of ((social and health services)) children, youth, and families for placement in a juvenile correctional institution beyond the juvenile offender's twenty-first birthday. A juvenile may be under the jurisdiction of the juvenile court or the authority of the department of ((social and health services)) children, youth, and families beyond the juvenile's eighteenth birthday only if prior to the juvenile's eighteenth birthday:

(a) Proceedings are pending seeking the adjudication of a juvenile offense and the court by written order setting forth its reasons extends jurisdiction of juvenile
court over the juvenile beyond his or her eighteenth birthday;

(b) The juvenile has been found guilty after a fact finding or after a plea of guilty and an automatic extension is necessary to allow for the imposition of disposition;

(c) Disposition has been held and an automatic extension is necessary to allow for the execution and enforcement of the court's order of disposition. If an order of disposition imposes commitment to the department, then jurisdiction is automatically extended to include a period of up to twelve months of parole, in no case extending beyond the offender's twenty-first birthday; or

(d) While proceedings are pending in a case in which jurisdiction has been transferred to the adult criminal court pursuant to RCW 13.04.030, the juvenile turns eighteen years of age and is subsequently found not guilty of the charge for which he or she was transferred, or is convicted in the adult criminal court of a lesser included offense, and an automatic extension is necessary to impose the disposition as required by RCW 13.04.030(1)(e)(v)(E).

(2) If the juvenile court previously has extended jurisdiction beyond the juvenile offender's eighteenth birthday and that period of extension has not expired, the court may further extend jurisdiction by written order setting forth its reasons.

(3) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday except for the purpose of enforcing an order of restitution or penalty assessment.

(4) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

Sec. 614. RCW 13.40.310 and 1991 c 326 s 4 are each amended to read as follows:

(1) The department ((of social and health services)) may contract with a community-based nonprofit organization to establish a three-step transitional treatment program for gang and drug-involved juvenile offenders committed to the custody of the department under this chapter (13.40 RCW). Any such program shall provide six to twenty-four months of treatment. The program shall emphasize the principles of self-determination, unity, collective work and responsibility, cooperative economics, and creativity. The program shall be culturally relevant and appropriate and shall include:

   (a) A culturally relevant and appropriate institution-based program that provides comprehensive drug and alcohol services, individual and family counseling, and a wilderness experience of constructive group living, rigorous physical exercise, and academic studies;

   (b) A culturally relevant and appropriate community-based structured group living program that focuses on individual goals, positive community involvement, coordinated drug and alcohol treatment, coordinated individual and family counseling, academic and vocational training, and employment in apprenticeship, internship, and entrepreneurial programs; and

   (c) A culturally relevant and appropriate transitional group living program that provides support services, academic services, and coordinated individual and family counseling.

(2) Participation in any such program shall be on a voluntary basis.

(3) The department shall adopt rules as necessary to implement any such program.

Sec. 615. RCW 13.40.320 and 2015 3rd sp.s. c 23 s 1 are each amended to read as follows:

(1) The department ((of social and health services)) may establish a medium security juvenile offender basic training camp program. This program for juvenile offenders serving a term of confinement under the supervision of the department is exempt from the licensing requirements of chapter 74.15 RCW.

(2) The department may contract under this chapter with private companies, the national guard, or other federal, state, or local agencies to operate the juvenile offender basic training camp.

(3) The juvenile offender basic training camp shall be a structured and regimented model emphasizing the building up of an offender's self-esteem, confidence, and discipline. The juvenile offender basic training camp program shall provide participants with basic education, prevocational training, work-based learning, work experience, work ethic
skills, conflict resolution counseling, substance abuse intervention, anger management counseling, and structured intensive physical training. The juvenile offender basic training camp program shall have a curriculum training and work schedule that incorporates a balanced assignment of these or other rehabilitation and training components for no less than sixteen hours per day, six days a week.

The department shall develop standards for the safe and effective operation of the juvenile offender basic training camp program, for an offender's successful program completion, and for the continued after-care supervision of offenders who have successfully completed the program.

(4) Offenders eligible for the juvenile offender basic training camp option shall be those with a disposition of not more than sixty-five weeks. Violent and sex offenders shall not be eligible for the juvenile offender basic training camp program.

(5) If the court determines that the offender is eligible for the juvenile offender basic training camp option, the court may recommend that the department place the offender in the program. The department shall evaluate the offender and may place the offender in the program. The evaluation shall include, at a minimum, a risk assessment developed by the department and designed to determine the offender's suitability for the program. No juvenile who is assessed as a high risk offender or suffers from any mental or physical problems that could endanger his or her health or drastically affect his or her performance in the program shall be admitted to or retained in the juvenile offender basic training camp program.

(6) All juvenile offenders eligible for the juvenile offender basic training camp sentencing option shall spend one hundred twenty days of their disposition in a juvenile offender basic training camp. This period may be extended for up to forty days by the secretary if a juvenile offender requires additional time to successfully complete the basic training camp program. If the juvenile offender's activities while in the juvenile offender basic training camp are so disruptive to the juvenile offender basic training camp program, as determined by the secretary according to standards developed by the department, as to result in the removal of the juvenile offender from the juvenile offender basic training camp program, or if the offender cannot complete the juvenile offender basic training camp program due to medical problems, the secretary shall require that the offender be committed to a juvenile institution to serve the entire remainder of his or her disposition, less the amount of time already served in the juvenile offender basic training camp program.

(7) All offenders who successfully graduate from the juvenile offender basic training camp program shall spend the remainder of their disposition on parole in a department juvenile rehabilitation (administration) intensive aftercare program in the local community. Violation of the conditions of parole is subject to sanctions specified in RCW 13.40.210(4). The program shall provide for the needs of the offender based on his or her progress in the aftercare program as indicated by ongoing assessment of those needs and progress. The intensive aftercare program shall monitor postprogram juvenile offenders and assist them to successfully reintegrate into the community. In addition, the program shall develop a process for closely monitoring and assessing public safety risks. The intensive aftercare program shall be designed and funded by the department ((of social and health services)).

(8) The department shall also develop and maintain a database to measure recidivism rates specific to this incarceration program. The database shall maintain data on all juvenile offenders who complete the juvenile offender basic training camp program for a period of two years after they have completed the program. The database shall also maintain data on the criminal activity, educational progress, and employment activities of all juvenile offenders who participated in the program.

Sec. 616. RCW 13.40.460 and 2003 c 229 s 1 are each amended to read as follows:

The secretary or the secretary's designee shall manage and administer the department's juvenile rehabilitation responsibilities, including but not limited to the operation of all state institutions or facilities used for juvenile rehabilitation.

The secretary or the secretary's designee shall:

(1) Prepare a biennial budget request sufficient to meet the confinement and rehabilitative needs of the juvenile
(2) Create by rule a formal system for inmate classification. This classification system shall consider:

(a) Public safety;

(b) Internal security and staff safety;

(c) Rehabilitative resources both within and outside the department;

(d) An assessment of each offender’s risk of sexually aggressive behavior as provided in RCW 13.40.470; and

(e) An assessment of each offender’s vulnerability to sexually aggressive behavior as provided in RCW 13.40.470;

(3) Develop agreements with local jurisdictions to develop regional facilities with a variety of custody levels;

(4) Adopt rules establishing effective disciplinary policies to maintain order within institutions;

(5) Develop a comprehensive diagnostic evaluation process to be used at intake, including but not limited to evaluation for substance addiction or abuse, literacy, learning disabilities, fetal alcohol syndrome or effect, attention deficit disorder, and mental health;

(6) Develop placement criteria:

(a) To avoid assigning youth who present a moderate or high risk of sexually aggressive behavior to the same sleeping quarters as youth assessed as vulnerable to sexual victimization under RCW 13.40.470(1)(c); and

(b) To avoid placing a juvenile offender on parole status who has been assessed as a moderate to high risk for sexually aggressive behavior in a department community residential program with another child who is: (i) Dependent under chapter 13.34 RCW, or an at-risk youth or child in need of services under chapter 13.32A RCW; and (ii) not also a juvenile offender on parole status;

(7) Develop a plan to implement, by July 1, 1995:

(a) Substance abuse treatment programs for all state juvenile rehabilitation facilities and institutions;

(b) Vocational education and instruction programs at all state juvenile rehabilitation facilities; and

(c) An educational program to establish self-worth and responsibility in juvenile offenders. This educational program shall emphasize instruction in character-building principles such as: Respect for self, others, and authority; victim awareness; accountability; work ethics; good citizenship; and life skills; and

(8)(a) The department shall develop uniform policies related to custodial assaults consistent with RCW 72.01.045 and 9A.36.100 that are to be followed in all juvenile rehabilitation facilities; and

(b) The department will report assaults in accordance with the policies developed in (a) of this subsection.

Sec. 617. RCW 13.40.462 and 2011 1st sp.s. c 32 s 4 are each amended to read as follows:

(1) The department shall establish a reinvesting in youth program that awards grants to counties for implementing research-based early intervention services that target juvenile justice-involved youth and reduce crime, subject to the availability of amounts appropriated for this specific purpose.

(2) Effective July 1, 2007, any county or group of counties may apply for participation in the reinvesting in youth program.

(3) Counties that participate in the reinvesting in youth program shall have a portion of their costs of serving youth through the research-based intervention service models paid for with moneys from the reinvesting in youth account established pursuant to RCW 13.40.466.

(4) The department shall review county applications for funding through the reinvesting in youth program and shall select the counties that will be awarded grants with funds appropriated to implement this program. The department, in consultation with the Washington state institute for public policy, shall develop guidelines to determine which counties will be awarded funding in accordance with the reinvesting in youth program. At a
minimum, counties must meet the following criteria in order to participate in the reinvesting in youth program:

(a) Counties must match state moneys awarded for research-based early intervention services with nonstate resources that are at least proportional to the expected local government share of state and local government cost avoidance that would result from the implementation of such services;

(b) Counties must demonstrate that state funds allocated pursuant to this section are used only for the intervention service models authorized pursuant to RCW 13.40.464;

(c) Counties must participate fully in the state quality assurance program established in RCW 13.40.468 to ensure fidelity of program implementation. If no state quality assurance program is in effect for a particular selected research-based service, the county must submit a quality assurance plan for state approval with its grant application. Failure to demonstrate continuing compliance with quality assurance plans shall be grounds for termination of state funding; and

(d) Counties that submit joint applications must submit for approval by the department (of social and health services juvenile rehabilitation administration) multicounty plans for efficient program delivery.

Sec. 618. RCW 13.40.464 and 2006 c 304 s 3 are each amended to read as follows:

(1)(a) In order to receive funding through the reinvesting in youth program established pursuant to RCW 13.40.462, intervention service models must meet the following minimum criteria:

(i) There must be scientific evidence from at least one rigorous evaluation study of the specific service model that measures recidivism reduction;

(ii) There must be evidence that the specific service model's results can be replicated outside of an academic research environment;

(iii) The evaluation or evaluations of the service model must permit dollar cost estimates of both benefits and costs so that the benefit-cost ratio of the model can be calculated; and

(iv) The public taxpayer benefits to all levels of state and local government must exceed the service model costs.

(b) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall publish a list of service models that are eligible for reimbursement through the investing in youth program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically update the list of service models. The offender may remain placed in a housing unit for offenders under the age of eighteen until such time as the secretary of corrections determines that the offender’s needs and correctional goals are no longer better met in that environment but in no case past the offender’s twenty-first birthday.

(3) All contracts and all pending business before the department of social and health services pertaining to the powers, duties, and functions transferred are transferred to the jurisdiction of the department of children, youth, and families. All existing contracts and obligations shall remain in full force and shall be performed by the department of children, youth, and families.
(5) The transfer of the powers, duties, functions, and personnel of the department of social and health services shall not affect the validity of any act performed before the effective date of this section.

Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

(7)(a) The portions of any bargaining units of employees at the department of social and health services existing on the effective date of this section that are transferred to the department of children, youth, and families shall be considered separate appropriate units within the department of children, youth, and families unless and until modified by the public employment relations commission pursuant to Title 391 WAC. The exclusive bargaining representatives recognized as representing the portions of the bargaining units of employees at the department of social and health services existing on the effective date of this section shall continue as the exclusive bargaining representatives of the transferred bargaining units without the necessity of an election.

Nothing in this section is interpreted as restoring or creating a means to restore any firearms rights or eligibility to obtain a firearm dealer license pursuant to RCW 9.41.110 or requiring the removal of a protection order.

(a)(i) Criminal justice agencies, as defined in RCW 10.97.030, and the Washington state bar association are exempt from this section.

(b) Unless otherwise addressed in statute, in cases where an applicant would be disqualified under RCW 43.20A.710, and the applicant has obtained a certificate of restoration of opportunity, the department of social and health services and the department of children, youth, and families may, after review of relevant factors, including the nature and seriousness of the offense, time that has passed since conviction, changed circumstances since the offense occurred, and the nature of the employment or license sought, at (their) discretion:

This section does not modify a licensing or certification applicant's right to a review of an agency's decision under the administrative procedure act or other applicable statute or agency rule. A certificate of restoration of opportunity does not remove or alter citizenship or legal residency requirements already in place for state agencies and employers.

(2) A qualified court has jurisdiction to issue a certificate of restoration of opportunity to a qualified applicant.

(a) A court must determine, in its discretion whether the certificate:

(i) Applies to all past criminal history; or

An employer or housing provider is immune from suit in law, equity, or under the administrative procedure act for damages based upon its exercise of discretion under this section or the refusal to exercise such discretion. In any action at law against an employer or housing provider arising out of the employment of or provision of housing to the recipient of a certificate of restoration of opportunity, evidence of the crime for which a certificate of restoration of opportunity has been issued may not be introduced as evidence of negligence or intentionally tortious
conduct on the part of the employer or housing provider. This subsection does not create a protected class, private right of action, any right, privilege, or duty, or to change any right, privilege, or duty existing under law related to employment or housing except as provided in RCW 7.60.035.

(4)(a) Department of social and health services: A certificate of restoration of opportunity does not apply to the state abuse and neglect registry. No finding of abuse, neglect, or misappropriation of property may be removed from the registry based solely on a certificate. The department must include such certificates as part of its criminal history record reports, qualifying letters, or other assessments pursuant to RCW 43.43.830 through 43.43.838. The department shall adopt rules to implement this subsection.

(b) Washington state patrol: The Washington state patrol is not required to remove any records based solely on a certificate of restoration of opportunity. The state patrol must include a certificate as part of its criminal history record report.

(c) Court records:

(i) A certificate of restoration of opportunity has no effect on any other court records, including records in the judicial information system. The court records related to a certificate of restoration of opportunity must be processed and recorded in the same manner as any other record.

(ii) The qualified court where the applicant seeks the certificate of restoration of opportunity must administer the court records regarding the certificate in the same manner as it does regarding all other proceedings.

(d) Effect in other judicial proceedings: A certificate of restoration of opportunity may only be submitted to a court to demonstrate that the individual met the specific requirements of this section and not for any other procedure, including evidence of character, reputation, or conduct. A certificate is not an equivalent procedure under Rule of Evidence 609(c).

(e) Department of health: The department of health must include a certificate of restoration of opportunity on its public web site if:

(i) Its web site includes an order, stipulation to informal disposition, or notice of decision related to the conviction identified in the certificate of restoration of opportunity; and

(ii) The credential holder has provided a certified copy of the certificate of restoration of opportunity to the department of health.

(f) Department of children, youth, and families: A certificate of restoration of opportunity does not apply to founded findings of child abuse or neglect. No finding of child abuse or neglect may be destroyed based solely on a certificate. The department of children, youth, and families must include such certificates as part of its criminal history record reports, qualifying letters, or other assessments pursuant to RCW 43.43.830 through 43.43.838. The department of children, youth, and families shall adopt rules to implement this subsection (4)(f).

(5) In all cases, an applicant must provide notice to the prosecutor in the county where he or she seeks a certificate of restoration of opportunity of the pendency of such application. If the applicant has been sentenced by any other jurisdiction in the five years preceding the application for a certificate, the applicant must also notify the prosecuting attorney in those jurisdictions. The prosecutor in the county where an applicant applies for a certificate shall provide the court with a report of the applicant’s criminal history.

(6) Application for a certificate of restoration of opportunity must be filed as a civil action.

(7) A superior court in the county in which the applicant resides may decline to consider the application for certificate of restoration of opportunity. If the superior court in which the applicant resides declines to consider the application, the court must dismiss the application without prejudice and the applicant may refile the application in another qualified court. The court must state the reason for the dismissal on the order. If the court determines that the applicant does not meet the required qualifications, then the court must dismiss the application without prejudice and state the reason(s) on the order. The superior court in the county of the applicant’s conviction or adjudication may not decline to consider the application.
(8) Unless the qualified court determines that a hearing on an application for certificate of restoration is necessary, the court must decide without a hearing whether to grant the certificate of restoration of opportunity based on a review of the application filed by the applicant and pleadings filed by the prosecuting attorney.

(9) The clerk of the court in which the certificate of restoration of opportunity is granted shall transmit the certificate of restoration of opportunity to the Washington state patrol identification section, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol shall update its records to reflect the certificate of restoration of opportunity.

(10)(a) The administrative office of the courts shall develop and prepare instructions, forms, and an informational brochure designed to assist applicants applying for a certificate of restoration of opportunity.

(b) The instructions must include, at least, a sample of a standard application and a form order for a certificate of restoration of opportunity.

(c) The administrative office of the courts shall distribute a master copy of the instructions, informational brochure, and sample application and form order to all county clerks and a master copy of the application and order to all superior courts by January 1, 2017.

(d) The administrative office of the courts shall determine the significant non-English-speaking or limited English-speaking populations in the state. The administrator shall then arrange for translation of the instructions, which shall contain a sample of the standard application and order, and the informational brochure into languages spoken by those significant non-English-speaking populations and shall distribute a master copy of the translated instructions and informational brochures to the county clerks by January 1, 2017.

(e) The administrative office of the courts shall update the instructions, brochures, standard application and order, and translations when changes in the law make an update necessary.

Sec. 809. RCW 41.56.510 and 2010 c 296 s 2 are each amended to read as follows:

(1) In addition to the entities listed in RCW 41.56.020, this chapter applies to the governor with respect to language access providers. Solely for the purposes of collective bargaining and as expressly limited under subsections (2) and (3) of this section, the governor is the public employer of language access providers who, solely for the purposes of collective bargaining, are public employees. The governor or the governor's designee shall represent the public employer for bargaining purposes.

(2) There shall be collective bargaining, as defined in RCW 41.56.030, between the governor and language access providers, except as follows:

(a) A statewide unit of all language access providers is the only unit appropriate for purposes of collective bargaining under RCW 41.56.060;

(b) The exclusive bargaining representative of language access providers in the unit specified in (a) of this subsection shall be the representative chosen in an election conducted pursuant to RCW 41.56.070.

Bargaining authorization cards furnished as the showing of interest in support of any representation petition or motion for intervention filed under this section are exempt from disclosure under chapter 42.56 RCW;

(c) Notwithstanding the definition of "collective bargaining" in RCW 41.56.030(4), the scope of collective bargaining for language access providers under this section is limited solely to: (i) Economic compensation, such as the manner and rate of payments; (ii) professional development and training; (iii) labor-management committees; and (iv) grievance procedures. Retirement benefits are not subject to collective bargaining. By such obligation neither party may be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter;

(d) In addition to the entities listed in the mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480, the provisions apply to the governor or the governor's designee and the exclusive bargaining representative of language access providers, except that:

(i) In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement;

(ii) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and benefit provisions of the arbitrated collective bargaining agreement, the decision is not binding on the state;

(e) Language access providers do not have the right to strike.

(3) Language access providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any other purpose. This section applies only to the governance of the collective bargaining relationship between the employer and language access providers as provided in subsections (1) and (2) of this section.

(4) Each party with whom the department of social and health services or the department of children, youth, and families contracts for language access services and each of their subcontractors shall provide to the department an accurate list of language access providers, as defined in RCW 41.56.030, including their names, addresses, and other contact information, annually by January 30th, except that initially the lists must be provided within thirty days of June 10, 2010. The department shall, upon request, provide a list of all language access providers, including their names, addresses, and other contact information, to a labor union seeking to represent language access providers.
This section does not create or modify:

(a) The department's obligation to comply with the federal statute and regulations; and

(b) The legislature's right to make programmatic modifications to the delivery of state services under chapter 74.04 RCW. The governor may not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection.

Upon meeting the requirements of subsection (7) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement the agreement.

A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:

(a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and

(b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.

If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

(b) Permit the ombuds or the ombuds designee physical access to state institutions serving children, and state licensed facilities or residences for the purpose of carrying out its duties under this chapter;

(c) Upon the ombuds's request, grant the ombuds or the ombuds's designee the right to access, inspect, and copy all relevant information, records, or documents in the possession or control of the department of ((social and health services)) children, youth, and families, or any child who is part of a near fatality investigation by the department of ((early learning)) children, youth, and families, for the purposes of carrying out its duties under this chapter;

(7) For the purposes of this section, "processed" means ((food)) fish or shellfish processed by heat for human consumption, such as ((food)) fish or shellfish that is kippered, smoked, boiled, canned, cleaned, portioned, or prepared for sale or attempted sale for human consumption.

The value assigned to specific fish, seaweed, shellfish, or wildlife by RCW 77.15.420 may be presumed to be the value of such fish, seaweed, shellfish, or wildlife. It is not relevant to proof of value that the person charged misrepresented that the fish, seaweed, shellfish, or wildlife was taken in compliance with law if the fish, seaweed, shellfish, or wildlife was unlawfully taken and had no lawful market value.

However, an individual on the vessel designated as the primary or alternate operator on the commercial fishing license and an individual on the vessel licensed and working as a geoduck diver or geoduck tender do not also need a crewmember license. Crewmembers working for licensed charters or guides are not required to have a crewmember license.

(b) A crewmember license is required for each individual who participates in the operation of the vessel or the harvest. For the purposes of this section, the term "harvest" includes participation in tending, deploying, retrieving, or baiting fishing gear, harvesting, or placing fish or shellfish in holds.

A crewmember license purchased by a crewmember may not be transferred to another individual.

(3) Up to two crewmember licenses may be purchased and held by a commercial fishing license holder for use by any individual working on the vessel named in the commercial fishing license. Each crewmember license held by a commercial fishing license holder covers one crewmember per trip, but the same crewmember license may be used to authorize a different individual to act as a crewmember on a subsequent trip.

(4) The fee for an annual crewmember license is thirty-five dollars for residents and one hundred ten dollars for nonresidents. The fee for an annual albacore tuna crewmember license is thirty-five dollars for residents and nonresidents. Additional application fees and surcharges do not apply except that if the license is purchased through the automated licensing system the fees authorized in RCW 77.32.050 apply.

(5) The licenses must be available through the automated licensing system and transaction fees and dealer fees apply, except as provided in subsection (4) of this section. The annual crewmember license is valid for a calendar year.

Sec. 16. RCW 77.65.010 and 2015 c 97 s 3 are each amended to read as follows:

(2) No person may engage in the activities described in subsection (1) of this section unless the licenses ((or permits)) required by this title are in the person's possession, and the person is the named license holder or an alternate operator designated on the license and the person's license is not suspended.

(3) A valid Oregon license that is equivalent to a license under this title is valid in the concurrent waters of the Columbia river if the state of Oregon recognizes as valid the equivalent Washington license. The director may identify by rule what Oregon licenses are equivalent.

(4) No license ((or permit)) is required for the production or harvesting of private sector cultured aquatic products as defined in RCW 15.85.020 or for the delivery, processing, or wholesaling of such aquatic products. However, if a means of identifying such products is required by rules adopted under RCW 15.85.060, the exemption from licensing ((or permit)) requirements established by this subsection applies only if the aquatic products are identified in conformance with those rules.

Sec. 17. RCW 77.65.020 and 2011 c 339 s 15 are each amended to read as follows:

(1) Unless otherwise provided in this title, a license issued under this chapter is not transferable from the license holder to any other person.

(d) In addition to the fees under (c) of this subsection, an application fee of one hundred five dollars applies to all commercial license transfers.

(3) A commercial license that is transferable under this title survives the death of the holder. Though such licenses are not personal property, they shall be treated as analogous to personal property for purposes of inheritance and intestacy. Such licenses are subject to state laws governing wills, trusts, estates,
intestate succession, and community property, except that such licenses are exempt from claims of creditors of the estate and tax liens. The surviving spouse, estate, or beneficiary of the estate may apply for a renewal of the license. There is no fee for transfer of a license from a license holder to the license holder's surviving spouse or estate, or to a beneficiary of the estate.

(2) A salmon charter license designating a vessel is required to operate a charter boat from which persons may, for a fee, fish for salmon, other fish, and shellfish. The director may issue a salmon charter license only to a person who meets the qualifications of RCW 77.70.050.

(3) A nonsalmon charter license designating a vessel is required to operate a charter boat from which persons may, for a fee, fish for (food) shellfish and fish other than salmon or albacore tuna. "Charter boat" also means a vessel from which persons may, for a fee, fish for (food) fish or shellfish for personal use in offshore waters or in the waters of other states. The director may specify by rule when a vessel is a "charter boat" within this definition.

(b) A person may not operate a vessel from which persons may, for a fee, fish for food fish or shellfish in Puget Sound, Grays Harbor, Willapa Bay, Pacific Ocean waters, Lake Washington, or the Columbia river below the bridge at Longview unless the vessel is designated on a charter boat license.

(5) A charter boat licensed in Oregon may fish without a Washington charter license under the same rules as Washington charter boat operators in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point, as long as the Oregon vessel does not take on or discharge passengers for any purpose from any Washington port, the Washington shore, or a dock, landing, or other point in Washington. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

(6) A salmon charter license under subsection (1)(b) of this section may be renewed if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. The license holder must pay the one hundred dollar enhancement surcharge, a thirty-five dollar surcharge to be deposited in the rockfish research account created in RCW 77.12.702, plus a one hundred five dollar application fee, in order to be considered a valid renewal and eligible to renew the license the following year.

**Sec. 22.** RCW 77.65.160 and 2011 c 339 s 19 are each amended to read as follows:

(1) The following commercial salmon fishery licenses are required for the license holder to use the specified gear to fish for salmon in state waters. Only a person who meets the qualifications of RCW 77.70.090 may hold a license listed in this subsection. The licenses and their annual license fees, application fees, and surcharges under RCW 77.95.090 are:

(2) A license issued under this section authorizes no taking or delivery of salmon or other food fish unless a vessel is designated under RCW 77.65.100.

(3) Holders of commercial salmon fishery licenses may retain incidentally caught food fish other than salmon, subject to rules of the department.

(4) A salmon troll license includes a salmon delivery license.

(5) A salmon gill net license authorizes the taking of salmon only in the geographical area for which the license is issued. The geographical designations in subsection (1) of this section have the following meanings:

(a) “Puget Sound” includes waters of the Strait of Juan de Fuca, Georgia Strait, Puget Sound and all bays, inlets, canals, coves, sounds, and estuaries lying easterly and southerly of the international boundary line and a line at the entrance to the Strait of Juan de Fuca projected northerly from Cape Flattery to the lighthouse on Tatoosh Island and then to Bonilla Point on Vancouver Island.

(b) “Grays Harbor-Columbia river” includes waters of Grays Harbor and tributary estuaries lying easterly of a line projected northerly from Point Chehalis Light to Point Brown and those waters of the Columbia river and tributary sloughs and estuaries easterly of a line at the entrance to the Columbia river projected southerly from the most westerly point of the North jetty to the most westerly point of the South jetty.

(c) “Willapa Bay-Columbia river” includes waters of Willapa Bay and tributary estuaries and easterly of a line projected northerly from Leadbetter Point to the Cape Shoalwater tower and those waters of the Columbia river and tributary sloughs described in (b) of this subsection.

(6) A commercial salmon troll fishery license may be renewed under this section if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. A commercial salmon gill net, reef net, or seine fishery license may be renewed under this section if the license holder notifies the department before the third Monday in September of that year that he or she will not participate in the fishery during that calendar year. The license holder must pay the one hundred dollar enhancement surcharge, plus a one hundred five dollar application fee before the third Monday in September, in order to be considered a valid renewal and eligible to renew the license the following year.

(7) Notwithstanding the annual license fees and surcharges established in subsection (1) of this section, a person who holds a resident commercial salmon fishery license shall pay an annual license fee of one hundred dollars plus the surcharge and application fee if all of the following conditions are met:

(a) The license holder is at least seventy-five years of age;

(b) The license holder owns a fishing vessel and has fished with a resident commercial salmon fishery license for at least thirty years; and

(c) The commercial salmon fishery license is for a geographical area other than the Puget Sound.

An alternate operator may not be designated for a license renewed at the one hundred dollar annual fee under this subsection (7).
Sec. 23. RCW 77.65.170 and 2011 c 339 s 20 are each amended to read as follows:

(1) A salmon delivery license is required for a commercial fishing vessel to deliver salmon taken for commercial purposes in offshore waters to a place or port in the state. As used in this section, "deliver" and "delivery" mean arrival at a place or port, and include arrivals from offshore waters to waters within the state and arrivals ashore from offshore waters. The annual fee for a salmon delivery license is ((three)) four hundred ((eighty)) thirty dollars for residents and ((six)) five hundred ((eighty-five)) fifty dollars for nonresidents. The application fee for a salmon delivery license is one hundred five dollars. The annual surcharge under RCW 77.95.090 is one hundred dollars for each license. Holders of nonlimited entry delivery licenses issued under RCW 77.65.210 may apply the nonlimited entry delivery license fee against the salmon delivery license fee.

(2) Only a person who meets the qualifications established in RCW 77.70.090 may hold a salmon delivery license issued under this section.

(3) A salmon delivery license authorizes no taking of salmon or other ((food)) fish or shellfish from the waters of the state.

(4) If the director determines that the operation of a vessel under a salmon delivery license results in the depletion or destruction of the state's salmon resource or the delivery into this state of salmon products prohibited by law, the director may revoke the license under the procedures of chapter 34.05 RCW.

Sec. 24. RCW 77.65.190 and 2011 c 339 s 21 are each amended to read as follows:

A person who does not qualify for a license under RCW 77.70.090 shall obtain a nontransferable emergency salmon delivery license to make one delivery from a commercial fishing vessel of salmon taken for commercial purposes in offshore waters. As used in this section, "delivery" means arrival at a place or port, and include arrivals from offshore waters to waters within the state and arrivals ashore from offshore waters. The annual fee for a salmon delivery license is two hundred ((seventy-five)) seventy-five dollars for nonresidents. The application fee is one hundred five dollars. An applicant for an emergency salmon delivery license shall designate no more than one vessel that will be used with the license. Alternate operator licenses are not required of persons delivering salmon under an emergency salmon delivery license. Emergency salmon delivery licenses are not renewable.

Sec. 25. RCW 77.65.200 and 2011 c 339 s 22 are each amended to read as follows:

(1) This section establishes commercial fishery licenses required for food fish fisheries and the annual fees for those licenses. As used in this section, "food fish" does not include salmon. The director may issue a limited-entry commercial fishery license only to a person who meets the qualifications established in applicable governing sections of this title.

The director may by rule determine the species of food fish that may be taken with the commercial fishery licenses established in this section, the gear that may be used with the licenses, and the areas or waters in which the licenses may be used. Where a fishery license has been established for a particular species, gear, geographical area, or combination thereof, a more general fishery license may not be used to take food fish in that fishery.

Sec. 26. RCW 77.65.210 and 2011 c 339 s 23 and 2011 c 147 s 3 are each reenacted and amended to read as follows:

(1) Except as provided in subsection (2) of this section, a person may not use a commercial fishing vessel to deliver food fish or shellfish taken for commercial purposes in offshore waters to a port in the state without a nonlimited entry delivery license. As used in this section, "deliver" and "delivery" mean arrival at a place or port, and include arrivals from offshore waters to waters within the state and arrivals ashore from offshore waters. As used in this section, "food fish" does not include salmon. As used in this section, "shellfish" does not include ocean pink shrimp, coastal crab, coastal spot shrimp, or fish or shellfish taken under an emerging commercial fisheries license if taken from off-shore waters. The annual license fee for a nonlimited entry delivery license is ((two hundred sixty dollars for residents and three hundred thirty-five dollars for nonresidents, and an additional thirty-five dollar surcharge for both residents and nonresidents to be deposited in the rockfish research account created in RCW 77.12.702. The application fee for a nonlimited entry delivery license is one hundred five dollars.

(2) Holders of the following licenses may deliver food fish or shellfish taken in offshore waters without a nonlimited entry delivery license:

Sec. 27. RCW 77.65.220 and 2011 c 339 s 24 and 2011 c 147 s 4 are each reenacted and amended to read as follows:

(1) This section establishes commercial fishery licenses required for shellfish fisheries and the annual fees for those licenses. To ensure food safety for consumers, the holder of a limited fish seller endorsement must follow these requirements: (a) Only sell fresh, whole fish or fresh fish that has been cleaned and dressed; (b) use ice from a commercial source to hold the fish; and (c) provide the buyer with a receipt stating the date of purchase, Washington fish-receiving ticket number documenting the original delivery, name, address, and phone number of the holder of the limited fish seller endorsement from whom the fish or shellfish was purchased, and the species and weight or number of fish or shellfish sold. limited fish seller endorsement is seventy
dollars. The fee for a nonresident limited
fish seller endorsement is one hundred
forty-five dollars. The application fee

limited fish seller endorsement is
responsible for documenting the commercial
harvest ((of salmon and crab)) and sales

(6) ((The direct retail endorsement
must be displayed in a readily visible
manner by the seller wherever and whenever
a sale to someone other than a licensed
wholesale dealer occurs. The commission
may require that the holder of a direct
retail endorsement notify the department
up to eighteen hours before conducting an
in-person sale of retail-eligible species,
except for in-person sales that have a
cumulative retail sales value of less than
one hundred fifty dollars in a twenty-four
hour period that are sold directly from
the vessel. For sales occurring in a venue
other than in person, such as over the
internet, through a catalog, or on the
phone, the direct retail endorsement
number of the seller must be provided to
the buyer both at the time of sale and the
time of delivery. All internet sales must
be conducted in accordance with federal
laws and regulations.))

(7) The ((direct retail)) limited
fish seller endorsement is to be held by
a natural person and is not transferable
or assignable. If the endorsed license is
transferred, the ((direct retail)) limited
fish seller endorsement immediately
becomes void, and the transferor is not
eligible for a full or prorated

seller endorsement must surrender the
 physical endorsement to the department.

endorsement must abide by the provisions
of Title 69 RCW as they apply to the
processing and retail sale of seafood. The
department must distribute a pamphlet,
provided by the department of agriculture,
with the direct retail endorsement
generally describing the labeling
requirements set forth in chapter 69.04
RCW as they apply to seafood.

(9) The holder of a qualifying
commercial fishing license ((issued under
this chapter,)) or an alternate operator
designated on such a license, must either
possess a ((direct retail)) limited fish
seller endorsement or a wholesale ((dealer
license)) fish buyer endorsement provided
for in RCW ((77.65.280)) 77.65.340 in
order to lawfully sell their catch or
harvest in the state to anyone other than
a licensed wholesale ((dealer)) fish
buyer.

(10) The direct retail endorsement
entitles the holder to sell a retail-
eligible species only at a temporary food
service establishment as that term is
defined in RCW 69.06.045, or directly to
a restaurant or other similar food service
business.)

(1) A fish guide combination license allows the holder to offer or perform the services of a food fish guide((,)) and game fish guide((, salmon charter boat operator, and nonsalmon charter boat operator)).

(2) The commission must adopt rules to create and sell a fish guide combination license. (The commission may adopt rules to create and sell separate combination licenses, one for food fish and game fish guide activities only and another combination license for all food fish guide, game fish guide, salmon charter boat operator, and nonsalmon charter boat operator activities.) The cost of the fish guide combination license or licenses must be below a fee equal to the total cost of the individual licenses contained within the combination.

Sec. 45. RCW 77.70.150 and 2010 c 193 s 14 are each amended to read as follows:

(1) A sea urchin dive fishery license is required to take sea urchins for commercial purposes. A sea urchin dive fishery license authorizes the use of only one diver in the water at any time during
sea urchin harvest operations. If the same vessel has been designated on two sea urchin dive fishery licenses, two divers may be in the water. A natural person may not hold more than two sea urchin dive fishery licenses.

(2) Except as provided in subsection (((6))) (5) of this section, the director shall issue no new sea urchin dive fishery licenses. For licenses issued for the year 2000 and thereafter, the director shall renew existing licenses only to a natural person who held the license at the end of the previous year. If a sea urchin dive fishery license is not held by a natural person as of December 31, 1999, it is not renewable. However, if the license is not held because of revocation or suspension of licensing privileges, the director shall renew the license in the name of a natural person at the end of the revocation or suspension if the license holder applies for renewal of the license before the end of the year in which the revocation or suspension ends.

(3) Where a licensee failed to obtain the license during the previous year because of a license suspension or revocation by the director or the court, the licensee may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) Surcharges as provided for in this section shall be collected and deposited into the sea urchin dive fishery account hereby created in the custody of the state treasurer. The collections and deposits must continue, as set forth in (a) and (b) of this subsection, through license year 2013, or until the number of licenses is reduced to twenty, whichever occurs first. Only the director or the director's designee may authorize expenditures from the account. The sea urchin dive fishery account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures. Expenditures from the account shall only be used to retire sea urchin licenses until the number of licenses is reduced to twenty, and thereafter shall only be used for sea urchin management and enforcement. The director or the director's designee shall notify the department of revenue within thirty days when the number of licenses is reduced to twenty.

(5) If fewer than twenty natural persons are eligible for sea urchin dive fishery licenses, the director may accept applications for new licenses. The additional licenses may not cause more than twenty natural persons to be eligible for a sea urchin dive fishery license. New licenses issued under this section shall be distributed according to rules of the department that recover the value of such licensed privilege.

Sec. 46. RCW 77.70.190 and 2011 c 339 s 33 are each amended to read as follows:

(1) A sea cucumber dive fishery license is required to take sea cucumbers for commercial purposes. A sea cucumber dive fishery license authorizes the use of only one diver in the water at any time during sea cucumber harvest operations. If the same vessel has been designated on two sea cucumber dive fishery licenses, two divers may be in the water. A natural person may
not hold more than two sea cucumber dive fishery licenses.

(2) Except as provided in subsection ((6)) (5) of this section, the director shall issue no new sea cucumber dive fishery licenses. For licenses issued for the year 2000 and thereafter, the director shall renew existing licenses only to a natural person who held the license at the end of the previous year. If a sea cucumber dive fishery license is not held by a natural person as of December 31, 1999, it is not renewable. However, if the license is not held because of revocation or suspension of licensing privileges, the director shall renew the license in the name of a natural person at the end of the revocation or suspension if the license holder applies for renewal of the license before the end of the year in which the revocation or suspension ends.

(3) Where a licensee failed to obtain the license during either of the previous two years because of a license suspension by the director or the court, the licensee may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) ((Surcharges as provided for in this section shall be collected and deposited into the sea cucumber dive fishery account hereby created in the custody of the state treasurer. The collections and deposits must continue, as set forth in (a) and (b) of this subsection, through license year 2013, or until the number of licenses is reduced to twenty, whichever occurs first. However, if any alternate operator is designated and the licensee does not hold the license by December 31, 1999, an alternate operator may only designate one alternate operator. A surcharge of one hundred dollars shall be charged with each sea cucumber dive fishery license renewal for licenses issued in 2000 through 2013, or until the number of licenses is reduced to twenty, whichever occurs first.))

(a) A surcharge of one hundred dollars shall be charged with each sea cucumber dive fishery license renewal for licenses issued in 2000 through 2013, or until the number of licenses is reduced to twenty, whichever occurs first.

(b) For licenses issued for license years 2000 through 2013, or until the number of licenses is reduced to twenty, whichever occurs first, a surcharge shall be charged on the sea cucumber dive fishery license for designating an alternate operator. The surcharge shall be as follows: five hundred dollars for the first year or each of the first two consecutive years after 1999 that any alternate operator is designated and two thousand five hundred dollars each year thereafter that any alternate operator is designated.

(5)) Sea cucumber dive fishery licenses are transferable subject to the fees and restrictions in RCW 77.65.020(2).

(5) If fewer than twenty persons are eligible for sea cucumber dive fishery licenses, the director may accept applications for new licenses. The additional licenses may not cause more than twenty natural persons to be eligible for a sea cucumber dive fishery license. New licenses issued under this section shall be distributed according to rules of the department that recover the value of such licensed privilege.

Sec. 47. RCW 77.70.220 and 2011 c 339 s 34 are each amended to read as follows:

(1) A person shall not harvest geoduck clams commercially without a geoduck fishery license. This section does not apply to the harvest of private sector cultured aquatic products as defined in RCW 15.85.020. The geoduck fishery license fee and the application fee ((is seventy dollars)) are specified in RCW 77.65.220.

(2) Only a person who has entered into a geoduck harvesting agreement with the
department of natural resources under RCW 79.135.210 may hold a geoduck fishery license.

(3) A geoduck fishery license authorizes no taking of geoducks outside the boundaries of the public lands designated in the underlying harvesting agreement, or beyond the harvest ceiling set in the underlying harvesting agreement.

(4) A geoduck fishery license expires when the underlying geoduck harvesting agreement terminates.

(5) The director shall determine the number of geoduck fishery licenses that may be issued for each geoduck harvesting agreement, the number of units of gear whose use the license authorizes, and the type of gear that may be used, subject to RCW 77.60.070. In making those determinations, the director shall seek to conserve the geoduck resource and prevent damage to its habitat.

(6) The holder of a geoduck fishery license and the holder’s agents and representatives shall comply with all applicable commercial diving safety regulations adopted by the federal occupational safety and health administration established under the federal occupational safety and health act of 1970 as such law exists on May 8, 1979, 84 Stat. 1590 et seq.; 29 U.S.C. Sec. 651 et seq. A violation of those regulations is a violation of this subsection. For the purposes of this section, persons who dive for geoducks are "employees" as defined by the federal occupational safety and health act. A violation of this subsection is grounds for suspension or revocation of a geoduck fishery license following a hearing under the procedures of chapter 34.05 RCW. The director shall not suspend or revoke a geoduck fishery license if the violation has been corrected within ten days of the date the license holder receives written notice of the violation. If there is a substantial probability that a violation of the commercial diving standards could result in death or serious physical harm to a person engaged in harvesting geoduck clams, the director shall suspend the license immediately until the violation has been corrected. If the license holder is not the operator of the harvest vessel and has contracted with another person for the harvesting of geoducks, the director shall not suspend or revoke the license if the license holder terminates its business relationship with that person until compliance with this subsection is secured.

(7) A person using a vessel in the geoduck fishery is required to apply for and obtain a vessel identification number from the department. The application fee for the vessel identification number is one hundred five dollars.

Sec. 48. RCW 77.70.280 and 2003 c 174 s 5 are each amended to read as follows:

(1) A person shall not commercially fish for coastal crab in Washington state waters without a Dungeness crab—coastal ((or a Dungeness crab—coastal class B)) fishery license. Gear used must consist of one buoy attached to each crab pot. Each crab pot must be fished individually.

(2) A Dungeness crab—coastal fishery license is transferable. Except as provided in subsections (3) and (((8))) (7) of this section, such a license shall only be issued to a person who proved active historical participation in the coastal crab fishery by having designated, after December 31, 1993, a vessel or a replacement vessel on the qualifying license that singly or in combination meets the following criteria:

(a) Made a minimum of eight coastal crab landings totaling a minimum of five thousand pounds per season in at least two of the four qualifying seasons identified in subsection (((5))) (4) of this section, as documented by valid Washington state shellfish receiving tickets; and showed historical and continuous participation in the coastal crab fishery by having held one of the following licenses or their equivalents each calendar year beginning 1990 through 1993, and was designated on the qualifying license of the person who held one of the following licenses in 1994:

(i) Crab pot—Non-Puget Sound license, issued under RCW 77.65.220(1)(b);

(ii) Nonsalmon delivery license, issued under RCW 77.65.210;

(iii) Salmon troll license, issued under RCW 77.65.160;

(iv) Salmon delivery license, issued under RCW 77.65.170;

(v) Food fish trawl license, issued under RCW 77.65.200; or

(vi) Shrimp trawl license, issued under RCW 77.65.220; or
(b) Made a minimum of four Washington landings of coastal crab totaling two thousand pounds during the period from December 1, 1991, to March 20, 1992, and made a minimum of eight crab landings totaling a minimum of five thousand pounds of coastal crab during each of the following periods: December 1, 1991, to September 15, 1992; December 1, 1992, to September 15, 1993; and December 1, 1993, to September 15, 1994. For landings made after December 31, 1993, the vessel shall have been designated on the qualifying license of the person making the landings; or

(c) Made any number of coastal crab landings totaling a minimum of twenty thousand pounds per season in at least two of the four qualifying seasons identified in subsection (((5))) (4) of this section, as documented by valid Washington state shellfish receiving tickets, showed historical and continuous participation in the coastal crab fishery by having held one of the qualifying licenses each calendar year beginning 1990 through 1993, and the vessel was designated on the qualifying license of the person who held that license in 1994.

(3) A Dungeness crab-coastal fishery license shall be issued to a person who had a new vessel under construction between December 1, 1988, and September 15, 1992, if the vessel made coastal crab landings totaling a minimum of five thousand pounds by September 15, 1993, and the new vessel was designated on the qualifying license of the person who held that license in 1994.

(4) A Dungeness crab-coastal class B fishery license is not transferable. Such a license shall be issued to persons who do not meet the qualification criteria for a Dungeness crab-coastal fishery license if the person has designated on a qualifying license after December 31, 1993, a vessel or replacement vessel that, singly or in combination, made a minimum of four landings totaling a minimum of two thousand pounds of coastal crab, documented by valid Washington state shellfish receiving tickets, during at least one of the four qualifying seasons, and if the person has participated continuously in the coastal crab fishery by having held or by having owned a vessel that held one or more of the licenses listed in subsection (2) of this section in each calendar year subsequent to the qualifying season in which qualifying landings were made through 1994. Dungeness crab-coastal class B fishery licenses cease to exist after December 31, 1999, and the continuing license provisions of RCW 34.05.422(3) are not applicable.

(5) The four qualifying seasons for purposes of this section are:

(a) December 1, 1988, through September 15, 1989;
(b) December 1, 1989, through September 15, 1990;
(c) December 1, 1990, through September 15, 1991; and

(6) For purposes of this section and RCW 77.70.340, "coastal crab" means Dungeness crab (cancer magister) taken in all Washington territorial and offshore waters south of the United States-Canada boundary and west of the Bonilla-Tatoosh line (a line from the western end of Cape Flattery to Tatoosh Island lighthouse, then to the buoy adjacent to Duntz Rock, then in a straight line to Bonilla Point of Vancouver Island), Grays Harbor, Willapa Bay, and the Columbia river.
NINTH DAY, JUNE 29, 2017

vessel used in the coastal crab fishery in 1994, and that replaces a vessel used in the coastal crab fishery during any period from 1988 through 1993, and which vessel's licensing and catch history, together with the licensing and catch history of the vessel it replaces, qualifies a single applicant for a Dungeness crab-coastal license. A Dungeness crab-coastal license may only be issued to a person who designated a vessel in the 1994 coastal crab fishery and who designated the same vessel in 1995.

((8))) (7) A Dungeness crab-coastal fishery license may not be issued to a person who participates in the federal fleet reduction program created in RCW 77.70.460 within ten years of that person's participation in the federal program, if reciprocal restrictions are imposed by the states of Oregon and California on persons participating in the federal fleet reduction program.

Sec. 49. RCW 77.70.290 and 1997 c 418 s 2 are each amended to read as follows:

(1) The director shall allow the landing into Washington state of crab taken in offshore waters only if:

(a) The crab are legally caught and landed by fishers with a valid Washington state Dungeness crab-coastal fishery license ((or a valid Dungeness crab-coastal class B fishery license)); or

(b) (i) The director determines that the landing of offshore Dungeness crab by fishers without a valid Dungeness crab—coastal fishery license ((or a valid Dungeness crab—coastal class B fishery license)) is in the best interest of the coastal crab processing industry; (ii) the director has been requested to allow such landings by at least three Dungeness crab processors; (iii) the landings are permitted only between the dates of December 1st to February 15th inclusively; (iv) only crab fishers commercially licensed to fish by Oregon or California are permitted to land, if the crab was taken with gear that consisted of one buoy attached to each crab pot, and each crab pot was fished individually; (v) the fisher landing the crab has obtained a valid delivery license; and (vi) the decision is made on a case-by-case basis for the sole reason of improving the economic stability of the commercial crab fishery.

(2) Nothing in this section allows the commercial fishing of Dungeness crab in waters within three miles of Washington state by fishers who do not possess a valid Dungeness crab-coastal fishery license ((or a valid Dungeness crab-coastal class B fishery license)). Landings of offshore Dungeness crab by fishers without a valid Dungeness crab-coastal fishery license ((or a valid Dungeness crab-coastal class B fishery license)) do not qualify the fisher for such licenses.

Sec. 50. RCW 77.70.300 and 2000 c 107 s 77 are each amended to read as follows:

A person commercially fishing for Dungeness crab in offshore waters outside of Washington state jurisdiction shall obtain a Dungeness crab offshore delivery license from the director if the person does not possess a valid Dungeness crab-coastal fishery license ((or a valid Dungeness crab-coastal class B fishery license)) and the person wishes to land Dungeness crab into a place or a port in the state. The annual fee for a Dungeness crab offshore delivery license is two hundred fifty dollars. The director may specify restrictions on landings of offshore Dungeness crab in Washington state as authorized in RCW 77.70.290.

Fees from the offshore Dungeness crab delivery license shall be placed in the coastal crab account created in RCW 77.70.320.

Sec. 51. RCW 77.70.430 and 2006 c 143 s 1 are each amended to read as follows:

(1) In order to administer a Puget Sound crab pot buoy tag program, the department may charge a fee to holders of a Dungeness crab—Puget Sound fishery license to reimburse the department for the production of Puget Sound crab pot buoy tags and the administration of a Puget Sound crab pot buoy tag program.

(2) In order to administer a Washington coastal Dungeness crab pot buoy tag program, the department may charge a fee to holders of a Dungeness crab—coastal fishery license ((or a Dungeness crab coastal class B fishery license)) and to holders of out-of-state licenses who are issued a pot certificate by the department to reimburse the department for the production of Washington coastal crab pot buoy tags and the administration of a Washington coastal crab pot buoy tag program.

(3) The department shall annually review the costs of crab pot buoy tag production under this section with the
goal of minimizing the per tag production costs. Any savings in production costs shall be passed on to the fishers required to purchase crab pot buoy tags under this section in the form of a lower tag fee.

Sec. 52. RCW 77.70.490 and 2011 c 339 s 36 are each amended to read as follows:

(1) A Washington Pacific sardine purse seine fishery license:
   (a) May only be issued to a person that held a coastal pilchard experimental fishery permit in 2008, except as otherwise provided in this section;
   (b) Must be renewed annually to remain active; and
   (c) Subject to the restrictions of subsections (6) and (7) of this section and RCW 77.65.040, is transferable.

(2) A Washington Pacific sardine purse seine fishery license may be issued to any person that held a coastal pilchard experimental fishery permit in 2005, 2006, or 2007 and is precluded from qualifying under subsection (1) of this section because the vessel designated on the permit sank prior to 2008.

(3) Beginning in 2010, after taking into consideration the status of the Pacific sardine population, the impact of removal of sardines and other forage fish to the marine ecosystem, including the effect on endangered marine species, and the market for Pacific sardines in the state, the director may issue:
   (a) A Washington Pacific sardine purse seine fishery license to any person provided that the issuance would not raise the number of licenses beyond the number initially issued in 2009;
   (b) A Washington Pacific sardine purse seine temporary annual fishery permit to any person if the combined number of active Washington Pacific sardine purse seine fishery licenses and annual temporary permits already issued during the year is less than twenty-five.

(4) The annual fee for a Washington Pacific sardine purse seine fishery license ((is one hundred eighty-five dollars for residents and two hundred ninety-five dollars for nonresidents.)) and the application fee ((is one hundred five dollars)) are specified in RCW 77.65.200. A temporary annual fishery permit expires at the end of the calendar year in which the permit is issued.

(6) Only a person who owns or operates the vessel designated on the license or permit may hold a Washington Pacific sardine purse seine fishery license or temporary annual fishery permit.

(7) A person may not own or hold an ownership interest in more than two Washington Pacific sardine purse seine fishery licenses.

(8) The director shall adopt rules that require a person fishing under a Washington Pacific sardine purse seine fishery license or a temporary annual permit to minimize bycatch, and to the extent bycatch cannot be avoided, to minimize the mortality of such bycatch.

Sec. 53. RCW 82.27.020 and 2010 c 193 s 16 are each amended to read as follows:

(1) In addition to all other taxes, licenses, or fees provided by law there is established an excise tax on the commercial possession of enhanced food fish as provided in this chapter. The tax is levied upon and shall be collected from the owner of the enhanced food fish whose possession constitutes the taxable event. The taxable event is the first possession in Washington by an owner after the enhanced food fish has been landed. Processing and handling of enhanced food fish by a person who is not the owner is not a taxable event to the processor or handler.

(2) A person in possession of enhanced food fish and liable to this tax may deduct from the price paid to the person from which the enhanced food fish (except oysters) are purchased an amount equal to a tax at one-half the rate levied in this section upon these products.

(3) The measure of the tax is the value of the enhanced food fish at the point of landing.

(4) The tax shall be equal to the measure of the tax multiplied by the rates for enhanced food fish as follows:

   (a) Puget Sound Chinook, coho, and chum salmon and anadromous game fish: Five and twenty-five one-hundredths percent;

   (b) Chum salmon and other forage fish: Five and twenty-five one-hundredths percent;

   (c) Coho salmon and other forage fish: Five and twenty-five one-hundredths percent;

(g) Sea cucumbers: (Four and six-tenths percent through December 31, 2013, or until the department of fish and wildlife notifies the department that the number of sea cucumber licenses has been reduced to twenty licenses, whichever occurs first, and) Two and one-tenth percent (thereafter).

5. An additional tax is imposed equal to the rate specified in RCW 82.02.030 multiplied by the tax payable under subsection (4) of this section.

Sec. 54. RCW 82.27.070 and 2010 c 193 s 17 are each amended to read as follows:

All taxes collected by the department of revenue under this chapter shall be deposited in the state general fund except for the excise tax on anadromous game fish, which shall be deposited in the state wildlife account. From January 1, 2000, to December 31, 2013, or until the department of fish and wildlife notifies the department that the license reduction goals of the sea urchin or sea cucumber fishery have been met, whichever occurs first, twenty-five forty-sixths of the revenues derived from the excise tax on sea urchins collected under RCW 82.27.020 shall be deposited into the sea urchin dive fishery account created in RCW 77.70.150, and twenty-five forty-sixths of the revenues derived from the excise tax on sea cucumbers collected under RCW 82.27.020 shall be deposited into the sea cucumber dive fishery account created in RCW 77.70.190.

as defined in this section. However, nothing in this section authorizes any person to sell, deliver, or peddle, without license, in any city or town, any dairy product, meat, poultry, eel, fish, mollusk, or shellfish where a license is required to engage legally in such activity in such city or town.

((2) It is lawful for an individual in possession of a valid direct retail endorsement, as established in RCW 77.65.510, to sell, deliver, or peddle any legally harvested retail-eligible species, as that term is defined in RCW 77.08.010, that is caught, harvested, or collected under rule of the department of fish and wildlife by such a person at a temporary food service establishment, as that term is defined in RCW 69.06.045, and no city, town, or county may pass or enforce an ordinance prohibiting the sale by or requiring additional licenses or permits from the holder of the valid direct retail endorsement. However, this subsection does not prohibit a city, town, or county from inspecting an individual displaying a direct retail endorsement to verify that the person is in compliance with state board of health and local rules for food service operations.))

NEW SECTION. Sec. 57. The code reviser's office is directed to move the definitions of "to fish," "to hunt," "to process," "to take," "to trap," and "to waste" or "to be wasted," by reordering them within RCW 77.08.010 in alphabetical order by the spelling of the main verb word.

"Sec. 1. RCW 43.155.010 and 1996 c 168 s 1 are each amended to read as follows:

The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs.

The legislature further finds that Washington's local governments have unmet financial needs for solid waste disposal, including recycling, and encourages the board to make an equitable geographic distribution of the funds.

It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, grants, financing guarantees, and technical assistance available to local governments for these projects.

Sec. 2. RCW 43.155.020 and 2009 c 565 s 33 are each amended to read as follows:

(1) "Board" means the public works board created in RCW 43.155.030.

(2) "Capital facility plan" means a capital facility plan required by the growth management act under chapter 36.70A RCW or, for local governments not fully planning under the growth management act, a plan required by the public works board.

(4) "Financing guarantees" means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(5) "Local governments" means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(6) "Public works project" means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems, lead remediation of drinking water systems, and solid waste facilities including recycling facilities. A planning project may include the compilation of biological, hydrological, or other data on a county, drainage basin, or region necessary to develop a base of information for a capital facility plan.

(7) "Solid waste or recycling project" means remedial actions necessary to bring abandoned or closed landfills into compliance with regulatory requirements and the repair, restoration, and replacement of existing solid waste transfer, recycling facilities, and landfill projects limited to the opening of landfill cells that are in existing and permitted landfills.

(8) "Technical assistance" means training and other services provided to local governments to: (a) Help such local governments plan, apply, and qualify for loans, grants, and financing guarantees from the board, and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

(9) "Value planning" means a uniform approach to assist in decision making through systematic evaluation of potential alternatives to solving an identified problem.

Sec. 3. RCW 43.155.030 and 1999 c 153 s 58 are each amended to read as follows:
(1) The public works board is hereby created.

(2) The board shall be composed of seventeen members as provided in this subsection:

The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and grants and to give financial guarantees to local governments for public works projects. Moneys in the account may also be appropriated or transferred to the water pollution control revolving account and the drinking water assistance account to provide for state match requirements under federal law (for projects and activities conducted and financed by the board under the drinking water assistance account). Not more than twenty percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated for preconstruction loans and grants, emergency loans and grants, or loans and grants for capital facility planning under this chapter (of this amount, not more than ten percent of the biennial capital budget appropriation may be expended for emergency loans and not more than one percent of the biennial capital budget appropriation may be expended for capital facility planning loans). Not more than ten percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated as grants for preconstruction, emergency, capital facility planning, and construction projects. During the 2015-2017 fiscal biennium, the legislature may transfer from the public works assistance account to the general fund, the water pollution control revolving account, and the drinking water assistance account such amounts as reflect the excess fund balance of the account. (During the 2013-2015 fiscal biennium, the legislature may transfer from the public works assistance account to the education legacy trust account such amounts as specified by the legislature.) During the 2015-2017 fiscal biennium, the legislature may appropriate moneys from the account for activities related to the growth management act and the voluntary stewardship program. During the 2015-2017 fiscal biennium, the legislature may transfer from the public works assistance account to the state general fund such amounts as specified by the legislature. (In the 2011-2013 fiscal biennium the legislature intends to allocate seventy-three million dollars of future loan repayments paid into the public works assistance account to support basic education.)

Sec. 6. RCW 43.155.060 and 1988 c 93 s 2 are each amended to read as follows:

(1) In order to aid the financing of public works projects, the board may:

The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(b) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(c) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(d) Provide a method for the allocation of loans, grants, and financing guarantees and the provision of technical assistance under this chapter.

(2) When establishing interest rates for loan programs authorized in this chapter for projects which are supported...
by a rate base of at least fifty thousand
equivalent residential units, the board
must base interest rates on the average
daily market interest rate for tax-exempt
municipal bonds as published in the bond
buyer's index for the period from sixty to
thirty days before the start of the
application cycle.

(a) For projects with a repayment
period between five and twenty years, the
rate must be fifty percent of the market
rate.

(b) For projects with a repayment
period under five years, the rate must be
twenty-five percent of the market rate.

(c) For any year in which the average
daily market interest rate for tax-exempt
municipal bonds for the period from sixty
to thirty days before the start of an
application cycle is nine percent or
greater, the board may cap interest rates
at four percent for projects with a
repayment period between five and twenty
years and at two percent for projects with a
repayment period under five years.

(d) The board may also provide reduced
interest rates, extended repayment
periods, or grants for projects that meet
financial hardship criteria as measured by
the affordability index or similar
standard measure of financial hardship. The
board may provide reduced interest
rates, extended repayment periods, or
grants for projects that are supported by
a rate base of less than fifty thousand
equivalent residential units.

(3) All local public works projects
aided in whole or in part under the
provisions of this chapter shall be put
out for competitive bids, except for
emergency public works under RCW
43.155.065 for which the recipient
jurisdiction shall comply with this
requirement to the extent feasible and
practicable. The competitive bids called
for shall be administered in the same
manner as all other public works projects
put out for competitive bidding by the
local governmental entity aided under this
chapter.

Sec. 7. RCW 43.155.065 and 2001 c 131
s 3 are each amended to read as follows:

The board may make low-interest or
interest-free loans or grants to local
governments for emergency public works
projects. Emergency public works projects
shall include the construction, repair,
reconstruction, replacement, rehabilitation, or improvement of a public
water system that is in violation of
health and safety standards and is being
operated by a local government on a
temporary basis. The loans or grants may
be used to help fund all or part of an
emergency public works project less any
reimbursement from any of the following
sources: (1) Federal disaster or emergency
funds, including funds from the federal
emergency management agency; (2) state
disaster or emergency funds; (3) insurance
settlements; or (4) litigation.

Sec. 8. RCW 43.155.068 and 2001 c 131
s 4 are each amended to read as follows:

(1) The board may make ((low-interest
or interest-free)) loans or grants to
local governments for preconstruction
activities on public works projects before
the legislature approves the construction
phase of the project. Preconstruction
activities include design, engineering,
bid-document preparation, environmental
studies, right-of-way acquisition, value
planning, and other preliminary phases of
public works projects as determined by the
board. The purpose of the loans and grants
authorized in this section is to
accelerate the completion of public works
projects by allowing preconstruction
activities to be performed before the
((approval of)) appropriation for the
construction phase of the project by the
legislature.

(2) Projects receiving loans or grants
for preconstruction activities under this
section must be evaluated using the
priority process and factors in RCW
43.155.070(((2))). The receipt of a loan
or grant for preconstruction activities
does not ensure the receipt of a
construction loan or grant for the project
under this chapter. Construction loans or
grants for projects receiving a loan or
grant for preconstruction activities under
this section are subject to legislative
((approval)) appropriation under RCW
43.155.070 (((4) and (5))) (7). The board
shall adopt a single application process
for local governments seeking both a loan
or grant for preconstruction activities
under this section and a construction loan
for the project.

Sec. 9. RCW 43.155.070 and 2015 3rd
sp.s. c 3 s 7033 are each amended to read as follows:

(1) To qualify for financial assistance
under this chapter the board must
determine that a local government meets
all of the following conditions:

(b) The local government must have developed a capital facility plan; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) Except where necessary to address a public health need or substantial environmental degradation, a county, city, or town planning under RCW 36.70A.040 may not receive financial assistance under this chapter unless it has adopted a comprehensive plan, including a capital facilities plan element, and development regulations as required by RCW 36.70A.040. This subsection does not require any county, city, or town planning under RCW 36.70A.040 to adopt a comprehensive plan or development regulations before requesting or receiving financial assistance under this chapter if such request is made before the expiration of the time periods specified in RCW 36.70A.040. A county, city, or town planning under RCW 36.70A.040 that has not adopted a comprehensive plan and development regulations within the time periods specified in RCW 36.70A.040 may apply for and receive financial assistance under this chapter if the comprehensive plan and development regulations are adopted as required by RCW 36.70A.040 before executing a contractual agreement for financial assistance with the board.

(3) In considering awarding financial assistance for public facilities to special districts requesting funding for a proposed facility located in a county, city, or town planning under RCW 36.70A.040, the board must consider whether the county, city, or town planning under RCW 36.70A.040 in whose planning jurisdiction the proposed facility is located has adopted a comprehensive plan and development regulations as required by RCW 36.70A.040.

(4) The board must develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board must consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(b) Except as otherwise conditioned by RCW 43.155.110, whether the entity receiving assistance is a Puget Sound partner, as defined in RCW 90.71.010;

(c) Whether the project is referenced in the action agenda developed by the Puget Sound partnership under RCW 90.71.310;

(d) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(e) Whether the applicant's permitting process has been certified as streamlined by the office of regulatory assistance;

(f) Whether the applicant has developed and adhered to guidelines regarding its permitting process for those applying for development permits consistent with section 1(2), chapter 231, Laws of 2007;

(g) The cost of the project compared to the size of the local government and amount of loan money available;

(h) The number of communities served by or funding the project;

(i) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(j) Whether the project is the acquisition, expansion, improvement, or renovation by a local government of a public water system that is in violation of health and safety standards, including the cost of extending existing service to such a system;

(k) Except as otherwise conditioned by RCW 43.155.120, and effective one calendar year following the development of model evergreen community management plans and ordinances under RCW 35.105.050, whether the entity receiving assistance has been recognized, and what gradation of recognition was received, in the evergreen community recognition program created in RCW 35.105.030;

(l) The relative benefit of the project to the community, considering the present level of economic activity in the community and the existing local capacity to increase local economic activity in
communities that have low economic growth; and

  (m) Other criteria that the board considers advisable.

(5) For the 2015-2017 fiscal biennium, in place of the criteria, ranking, and submission processes for construction loan lists provided in subsections (4) and (7) of this section:

(a) The board must develop a process to prioritize applications to prioritize applications and funding of loans and grants for public works projects submitted by local governments. The board must consider, at a minimum and in any order, the following factors in assigning a numerical ranking:

(i) Whether the project is critical in nature and would affect the health and safety of many people;

(ii) The extent to which the project leverages other funds;

(iii) The extent to which the project is ready to proceed to construction;

(iv) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(v) Whether the project promotes the sustainable use of resources and environmental quality, as applicable;

(vi) Whether the project consolidates or regionalizes systems;

(vii) Whether the project encourages economic development through mixed-use and mixed income development consistent with chapter 36.70A RCW;

(viii) Whether the system is being well-managed in the present and for long-term sustainability;

(ix) Achieving equitable distribution of funds by geography and population;

(x) The extent to which the project meets the following state policy objectives:

(A) Efficient use of state resources;

(B) Preservation and enhancement of health and safety;

(C) Abatement of pollution and protection of the environment;

(D) Creation of new, family-wage jobs, and avoidance of shifting existing jobs from one Washington state community to another;

(E) Fostering economic development consistent with chapter 36.70A RCW;

(F) Efficiency in delivery of goods and services and transportation; and

(G) Avoidance of additional costs to state and local governments that adversely impact local residents and small businesses; and

((H)) Reduction of the overall cost of public infrastructure; and

(xi) Whether the applicant sought or is seeking funding for the project from other sources; and

(xii) Other criteria that the board considers necessary to achieve the purposes of this chapter.

(b) Before September 1, 2018, and each year thereafter, the board must develop and submit a report regarding the construction loans and grants to the office of financial management and appropriate fiscal committees of the senate and house of representatives. The report must include:

(i) The total number of applications and amount of funding requested for public works projects;

(ii) A list and description of projects approved in the preceding fiscal year with project scores against the board’s prioritization criteria;

(iii) The total amount of loan and grants disbursements made from the public works assistance account in the preceding fiscal year;

(iv) The total amount of loan repayments in the preceding fiscal year for outstanding loans from the public works assistance account;

(v) The total amount of loan repayments due for outstanding loans for each fiscal year over the following ten-year period; and

(vi) The total amount of funds obligated and timing of when the funds were obligated in the preceding fiscal year.
(c) The maximum amount of funding that the board may provide for any jurisdiction is ten million dollars per biennium. (For each project on the ranked list, as well as for eligible projects not recommended for funding, the board must document the numerical ranking that was assigned.

(4) (5) Existing debt or financial obligations of local governments may not be refinanced under this chapter. Each local government applicant must provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(6) Before September 1st of each year, the board must develop and submit to the appropriate fiscal committees of the senate and house of representatives a description of the loans and grants made under RCW 43.155.065 and 43.155.068 and subsection (7) of this section during the preceding fiscal year and a prioritized list of projects which are recommended for funding by the legislature, including one copy to the staff of each of the committees. The list must include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list must also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes, real estate excise taxes, property taxes, and charges for or taxes on sewerage, water, garbage, and other utilities.

(7) The board may not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds to the board for the purpose of funding public works projects under this chapter. (The legislature may remove projects from the list recommended by the board. The legislature may not change the order of the priorities recommended for funding by the board.

(8) Subsection (8) of this section does not apply to loans made under RCW 43.155.065, 43.155.068, and subsection (10) of this section.

(9) Loans made for the purpose of capital facilities plans are exempted from subsection (8) of this section.

(10) To qualify for loans, grants, or pledges for solid waste or recycling facilities under this chapter, a city or county must demonstrate that the solid waste or recycling facility is consistent with and necessary to implement the comprehensive solid waste management plan adopted by the city or county under chapter 70.95 RCW.

(11) After January 1, 2010, any project designed to address the effects of storm water or wastewater on Puget Sound may be funded under this section only if the project is not in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310.

(12) During the 2015-2017 fiscal biennium,) (10) For projects involving repair, replacement, or improvement of a wastewater treatment plant or other public works facility for which an investment grade efficiency audit is reasonably obtainable, the public works board must require as a contract condition that the project sponsor undertake an investment grade efficiency audit. The project sponsor may finance the costs of the audit as part of its public works assistance account program loan or grant.

(13) For public works assistance account application rounds conducted during the 2015-2017 fiscal biennium,) (11) The board must implement policies and procedures designed to maximize local government consideration of other funds to finance local infrastructure (including, but not limited to, drinking water and clean water state revolving funds operated by the state departments of health and ecology. Projects that are eligible for the drinking water and clean water state revolving funds may receive public works board preconstruction loans. Projects that are eligible for the drinking water and clean water state revolving funds are not eligible for public works board construction loans. For purposes of this subsection, "eligible for drinking water and clean water state revolving funds" means...
(i) Projects that have applied to the state revolving funds and are awaiting a funding decision;

(ii) Projects that have been rejected for funding solely due to not meeting readiness requirements; and

(iii) Projects that have not applied, but would likely be eligible if the project applied and met the project readiness requirements.

(b) For all construction loan projects proposed to the legislature for funding during the 2015-2017 fiscal biennium, the board must base interest rates on the average daily market interest rate for tax-exempt municipal bonds as published in the bond buyer’s index for the period from sixty to thirty days before the start of the application cycle. For projects with a repayment period between five and twenty years, the rate must be sixty percent of the market rate. For projects with a repayment period under five years, the rate must be thirty percent of the market rate. The board must also provide reduced interest rates, extended repayment periods, or forgivable principal loans for projects that meet financial hardship criteria as measured by the affordability index or similar standard measure of financial hardship.

Sec. 10. RCW 43.155.075 and 2001 c 227 s 10 are each amended to read as follows:

In providing loans and grants for public works projects, the board shall require recipients to incorporate the environmental benefits of the project into their applications, and the board shall utilize the statement of environmental benefits in its prioritization and selection process, when applicable. For projects funded under this chapter, the board may require a local government to have sustainable asset management best practices in place; provide a long-term financial plan to demonstrate a sound maintenance program; have a long-term financial plan for loan repayments in place; and undergo value planning at the predesign project stage, where the greatest productivity gains and cost savings can be found. The board shall also develop appropriate outcome-focused performance measures to be used both for management and performance assessment of the loan and grant program. To the extent possible, the department should coordinate its performance measure system with other natural resource-related agencies as defined in RCW 43.41.270. The board shall consult with affected interest groups in implementing this section.

NEW SECTION. Sec. 11. (1) An interagency, multijurisdictional system improvement team must identify, implement, and report on system improvements that achieve the designated outcomes, including:

(b) Projects that are designed to meet the unique needs of each community, rather than the needs of particular funding programs;

(c) Project designs that maximize long-term value by fully considering and responding to anticipated long-term environmental, technological, economic and population changes;

(d) The flexibility to innovate, including utilizing natural systems, addressing multiple regulatory drivers, and forming regional partnerships;

(e) The ability to plan and collaborate across programs and jurisdictions so that different investments are packaged to be complementary, timely, and responsive to economic and community opportunities;

(f) The needed capacity for communities, appropriate to their unique financial, planning, and management capacities, so they can design, finance, and build projects that best meet their long-term needs and minimize costs;

(2) The system improvement team must consist of representatives of state infrastructure programs that provide funding for drinking water, wastewater, and storm water programs, including but not limited to representatives from the public works board, department of ecology, department of health, and the department of commerce. The system improvement team may invite representatives of other infrastructure programs, such as transportation and energy, as needed in order to achieve efficiency, minimize costs, and maximize value across infrastructure programs. The system

Representative Kagi moved the adoption of the striking amendment (637):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.13.270 and 1990 c 284 s 8 are each amended to read as follows:

(1) The legislature recognizes the need for temporary short-term relief for foster parents who care for children with emotional, mental, or physical handicaps. For purposes of this section, respite care means appropriate, temporary, short-term care for these foster children placed with licensed foster parents. The purpose of this care is to give the foster parents temporary relief from the stresses associated with the care of these foster children. The department shall design a program of respite care that will minimize disruptions to the child and will serve foster parents within these priorities, based on input from foster parents, foster parent associations, and reliable research if available.

(2)(a) For the purposes of this section, and subject to funding appropriated specifically for this purpose, short-term support shall include case aides who provide temporary assistance to foster parents as needed with the overall goal of supporting the parental efforts of the foster parents except that this assistance shall not include overnight assistance. The department shall contract with nonprofit community-based organizations in each region to establish a statewide pool of individuals to provide the support described in this subsection. These individuals shall be hired by the nonprofit community-based organization
and shall have the appropriate training, background checks, and qualifications as determined by the department. Short-term support as described in this subsection shall be available to all licensed foster parents in the state as funding is available and shall be phased in by geographic region. To obtain the assistance of a case aide for this purpose, the foster parent may request the services from the nonprofit community-based organization and the nonprofit community-based organization may offer assistance to licensed foster families. If the requests for the short-term support provided in this subsection exceed the funding available, the nonprofit community-based organization shall have discretion to determine the assignment of case aides. The nonprofit community-based organization shall report all short-term support provided under this subsection to the department.

(b) Subject to funding appropriated specifically for this purpose, the Washington state institute for public policy shall prepare an outcome evaluation of the short-term support described in this subsection. The evaluation will, to the maximum extent possible, assess the impact of the short-term support services described in this subsection on the retention of foster homes and the number of placements a foster child receives while in out-of-home care as well as the return on investment to the state. The institute shall submit a preliminary report to the appropriate committees of the legislature and the governor by December 1, 2018, that describes the initial implementation of these services and descriptive statistics of the families utilizing these services. A final report shall be submitted to the appropriate committees of the legislature by June 30, 2020. At no cost to the institute, the department shall provide all data necessary to discharge this duty.

(c) Costs associated with case aides as described in this subsection shall not be included in the forecast.

(d) Pursuant to RCW 41.06.142(3), performance-based contracting under (a) of this subsection is expressly mandated by the legislature and is not subject to the processes set forth in RCW 41.06.142 (1), (4), and (5).

NEW SECTION. Sec. 2. (1) No later than December 31, 2017, the department of social and health services, in consultation with stakeholders, including child placing agencies, foster parents, foster care advocates, and biological parents shall identify a system of support services to be provided to foster parents to assist foster parents in their parental efforts with foster children and a plan to implement these support services statewide, which may include contracts with community-based organizations.

(2) For the purpose of this section, "support services" shall include, but shall not be limited to, counseling, educational assistance, respite care, and hands-on assistance for children with high-risk behaviors.

(3) The department of social and health services shall submit the final plan, which shall include estimated costs to implement these support services and recommendations for implementing these support services in a phased-in manner to the appropriate committees of the legislature no later than January 15, 2018.

(4) This section expires February 1, 2018.

NEW SECTION. Sec. 3. (1) No later than December 31, 2017, the office of innovation, alignment, and accountability, in consultation with stakeholders, including child placing agencies, foster parents, foster care advocates, and biological parents shall identify a system of support services to be provided to foster parents to assist foster parents in their parental efforts with foster children and a plan to implement these support services statewide, which may include contracts with community-based organizations.

(2) For the purpose of this section, "support services" shall include, but shall not be limited to, counseling, educational assistance, respite care, and hands-on assistance for children with high-risk behaviors.

(3) The department shall make every effort to ensure that individuals qualifying for and seeking an expedited license are able to become licensed within forty days of the department receiving his or her application.

(4) The department shall only issue a foster license pursuant to this section after receiving a completed fingerprint-based background check, and may delay issuance of an expedited license solely based on awaiting the results of a background check.

(5) The department may issue a provisional expedited license pursuant to this section before completing a home study, but shall complete the home study as soon as possible after issuing a provisional expedited license.

(6) The department and its officers, agents, employees, and volunteers are not liable for injuries caused by the expedited foster licensing process.

(e) When individual providers are paid by the state or providers are paid by home care agencies to provide in-home services involving unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, including but not limited to services provided under chapter 74.39 or 74.39A RCW.

(3) The director of the department of early learning shall investigate the conviction records, pending charges, and other information including civil adjudication proceeding records of current employees and of any person actively being considered for any position with the department who will or may have unsupervised access to children, or for state positions otherwise required by federal law to meet employment standards. "Considered for any position" includes decisions about (a) initial hiring, layoffs, reallocations, transfers, promotions, or demotions, or (b) other decisions that result in an individual being in a position that will or may have unsupervised access to children as an employee, an intern, or a volunteer.

(4) The director of the department of early learning shall adopt rules and investigate conviction records, pending charges, and other information including civil adjudication proceeding records, in the following circumstances:

(5) Whenever a state conviction record check is required by state law, persons may be employed or engaged as volunteers or independent contractors on a conditional basis pending completion of the state background investigation. Whenever a national criminal record check through the federal bureau of investigation is required by state law, a person may be employed or engaged as a volunteer or independent contractor on a conditional basis pending completion of the national check. The Washington personnel resources board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees.

(6)(a) For purposes of facilitating timely access to criminal background information and to reasonably minimize the number of requests made under this section, recognizing that certain health care providers change employment frequently, health care facilities may, upon request from another health care facility, share copies of completed criminal background inquiry information.
(b) Completed criminal background inquiry information may be shared by a willing health care facility only if the following conditions are satisfied: The licensed health care facility sharing the criminal background inquiry information is reasonably known to be the person's most recent employer, no more than twelve months has elapsed from the date the person was last employed at a licensed health care facility to the date of their current employment application, and the criminal background information is no more than two years old.

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

(1) Within the department's appropriations, the department shall ensure that a case review panel reviews cases involving dependent children where permanency is not achieved for children within eighteen months after being placed in out-of-home care.

(2) The case review panel shall be comprised of, at a minimum, a lead social services specialist and either the office of the family and children's ombuds or another external organization with child welfare experience.

(3) Beginning September 1, 2018, the panel shall review all cases where, after the effective date of this section, a dependent child reaches eighteen months in out-of-home placement and has not achieved permanency. This review must occur by the child's nineteenth month in out-of-home placement. At each case review, the panel must develop a plan of action, including recommended next steps for the department to take, to achieve permanency.

(4) The department is encouraged to convene the case review panel regularly to review other cases involving dependent children as needed to ensure stability and permanency is achieved and length of stay for children in out-of-home placement is reduced.

Sec. 7. RCW 74.13.031 and 2015 c 240 s 3 are each amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or
exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(9) The department and supervising agency shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11)(a) The department and supervising agencies shall provide continued extended foster care services to nonminor dependents who are:

(i) Enrolled in a secondary education program or a secondary education equivalency program;

(ii) Enrolled and participating in a postsecondary academic or postsecondary vocational education program;

(iii) Participating in a program or activity designed to promote employment or remove barriers to employment;

(iv) Engaged in employment for eighty hours or more per month; or
(v) Not able to engage in any of the activities described in (a)(i) through (iv) of this subsection due to a documented medical condition.

(b) To be eligible for extended foster care services, the nonminor dependent must have been dependent and in foster care at the time that he or she reached age eighteen years. If the dependency case of the nonminor dependent was dismissed pursuant to RCW 13.34.267, he or she may receive extended foster care services pursuant to a voluntary placement agreement under RCW 74.13.336 or pursuant to an order of dependency issued by the court under RCW 13.34.268. A nonminor dependent whose dependency case was dismissed by the court must have requested extended foster care services before reaching age nineteen years.

(c) The department shall develop and implement rules regarding youth eligibility requirements.

(d) The department shall make efforts to ensure that extended foster care services maximize medicaid reimbursements. This must include the department ensuring that health and mental health extended foster care providers participate in medicaid, unless the condition of the extended foster care youth requires specialty care that is not available among participating medicaid providers or there are no participating medicaid providers in the area. The department shall coordinate other services to maximize federal resources and the most cost-efficient delivery of services to extended foster care youth.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order. The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 (and 74.13.032 through) 43.185C.295, 74.13.035, and 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens
services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

(19) The department shall have the authority to purchase legal representation for parents of children who are at risk of being dependent, or who are dependent, to establish or modify a parenting plan under chapter 26.09 or 26.26 RCW, when it is necessary for the child's safety, permanence, or well-being. This subsection does not create an entitlement to legal representation purchased by the department and does not create judicial authority to order the department to purchase legal representation for a parent. Such determinations are solely within the department's discretion.

Sec. 8. RCW 74.13A.025 and 2013 c 23 s 210 are each amended to read as follows:

The factors to be considered by the secretary in setting the amount of any payment or payments to be made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080 and in adjusting standards hereunder shall include: The size of the family including the adoptive child, the usual living expenses of the family, the special needs of any family member including education needs, the family income, the family resources and plan for savings, the medical and hospitalization needs of the family, the family's means of purchasing or otherwise receiving such care, and any other expenses likely to be needed by the child to be adopted. In setting the amount of any initial payment made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080, the secretary is authorized to establish maximum payment amounts that are reasonable and allow permanency planning goals related to adoption of children under RCW 13.34.145 to be achieved at the earliest possible date. To encourage adoption of children between the ages of fourteen and eighteen, and in particular those children between the ages of fourteen and eighteen who are hard to place for adoption, the secretary is authorized to include as part of any new negotiated adoption agreement executed after the effective date of this section continued eligibility for the Washington college bound scholarship pursuant to RCW 28B.118.010.

The amounts paid for the support of a child pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080 may vary from family to family and from year to year. Due to changes in economic circumstances or the needs of the child such payments may be discontinued and later resumed.

Payments under RCW 26.33.320 and 74.13A.005 through 74.13A.080 may be continued by the secretary subject to review as provided for herein, if such parent or parents having such child in their custody establish their residence in another state or a foreign jurisdiction.

In fixing the standards to govern the amount and character of payments to be made for the support of adopted children pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080 and before issuing rules and regulations to carry out the provisions of RCW 26.33.320 and 74.13A.005 through 74.13A.080, the secretary shall consider the comments and recommendations of the committee designated by the secretary to advise him or her with respect to child welfare.

Sec. 9. RCW 74.13A.030 and 1996 c 130 s 2 are each amended to read as follows:

To carry out the program authorized by RCW 26.33.320 and (26.13.100 through 26.13.145) 74.13A.005 through 74.13A.080, the secretary may make continuing payments or lump sum payments of adoption support. In lieu of continuing

payments, or in addition to them, the secretary may make one or more specific lump sum payments for or on behalf of a hard to place child either to the adoptive parents or directly to other persons to assist in correcting any condition causing such child to be hard to place for adoption.

Consistent with a particular child’s needs, continuing adoption support payments shall include, if necessary to facilitate or support the adoption of a special needs child, an amount sufficient to remove any reasonable financial barrier to adoption as determined by the secretary under RCW (74.13.112) 74.13A.025.

After determination by the secretary of the amount of a payment or the initial amount of continuing payments, the prospective parent or parents who desire such support shall sign an agreement with the secretary providing for the payment, in the manner and at the time or times prescribed in regulations to be issued by the secretary subject to the provisions of RCW 26.33.320 and (74.13.100 through 74.13.145) 74.13A.005 through 74.13A.080, of the amount or amounts of support so determined.

Payments shall be subject to review as provided in RCW 26.33.320 and (74.13.100 through 74.13.145) 74.13A.005 through 74.13A.080.

Sec. 10. RCW 74.13A.047 and 2012 c 147 s 2 are each amended to read as follows:

(1) To ensure expenditures continue to remain within available funds as required by RCW 74.13A.005 and 74.13A.020, the secretary shall not set the amount of any adoption assistance payment or payments, made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080, to more than eighty percent of the foster care maintenance payment for that child had he or she remained in a foster family home during the same period. This subsection applies prospectively to adoption assistance agreements established on or after July 1, 2013, through June 30, 2017.

(2)(a) To ensure expenditures continue to remain within available funds as required by RCW 74.13A.005 and 74.13A.020, the secretary shall not set the amount of any adoption assistance payment or payments, made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080, to more than eighty percent of the foster care maintenance payment for that child had he or she remained in a foster family home during the same period. This subsection applies prospectively to adoption assistance agreements established on or after July 1, 2013, through June 30, 2017.

(b) This subsection applies prospectively to adoption assistance agreements established on or after the effective date of this section.

The department must establish a central unit of adoption support negotiators to help ensure consistent negotiation of adoption support agreements that will balance the needs of adoptive families with the state’s need to remain fiscally responsible.

((4))) (4) The department must request, in writing, that adoptive families with existing adoption support contracts renegotiate their contracts to establish lower adoption assistance payments if it is fiscally feasible for the family to do so. The department shall explain that adoption support contracts may be renegotiated as needs arise.

Sec. 24. RCW 26.44.030 and 2017 c 118 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, state family and children's ombuds, or any volunteer in the ombuds's office, or host home program has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such
incident, or cause a report to be made, to
the proper law enforcement agency or to
the department as provided in RCW
26.44.040.

(b) When any person, in his or her
official supervisory capacity with a
nonprofit or for-profit organization, has
reasonable cause to believe that a child
has suffered abuse or neglect caused by a
person over whom he or she regularly
exercises supervisory authority, he or she
shall report such incident, or cause a
report to be made, to the proper law
enforcement agency, provided that the
person alleged to have caused the abuse or
neglect is employed by, contracted by, or
volunteers with the organization and
coaches, trains, educates, or counsels a
child or children or regularly has
unsupervised access to a child or children
as part of the employment, contract, or
voluntary service. No one shall be
required to report under this section when
he or she obtains the information solely
as a result of a privileged communication
as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall
limit a person's duty to report under (a)
of this subsection.

For the purposes of this subsection,
the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created,
recognized, or designated by any nonprofit
or for-profit organization, either for
financial gain or without financial gain,
whose scope includes, but is not limited
to, overseeing, directing, or managing
another person who is employed by,
contracted by, or volunteers with the
nonprofit or for-profit organization.

(ii) "Organization" includes a sole
proprietor, partnership, corporation,
limited liability company, trust,
association, financial institution,
governmental entity, other than the
federal government, and any other
individual or group engaged in a trade,
occupation, enterprise, governmental
function, charitable function, or similar
activity in this state whether or not the
entity is operated as a nonprofit or for-
profit entity.

(iii) "Reasonable cause" means a person
witnesses or receives a credible written
or oral report alleging abuse, including
sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory
authority" means to act in his or her
official supervisory capacity on an
ongoing or continuing basis with regards
to a particular person.

(v) "Sexual contact" has the same
meaning as in RCW 9A.44.010.

(c) The reporting requirement also
applies to department of corrections
personnel who, in the course of their
employment, observe offenders or the
children with whom the offenders are in
contact. If, as a result of observations
or information received in the course of
his or her employment, any department of
corrections personnel has reasonable cause
to believe that a child has suffered abuse
or neglect, he or she shall report the
incident, or cause a report to be made, to
the proper law enforcement agency or to
the department as provided in RCW
26.44.040.

(d) The reporting requirement shall
also apply to any adult who has reasonable
cause to believe that a child who resides
with them, has suffered severe abuse, and
is able or capable of making a report. For
the purposes of this subsection, "severe
abuse" means any of the following: Any
single act of abuse that causes physical
trauma of sufficient severity that, if
left untreated, could cause death; any
single act of sexual abuse that causes
significant bleeding, deep bruising, or
significant external or internal swelling;
or more than one act of physical abuse,
each of which causes bleeding, deep
bruising, significant external or internal
swelling, bone fracture, or
unconsciousness.

(e) The reporting requirement also
applies to guardians ad litem, including
court-appointed special advocates,
appointed under Titles 11 and 13 RCW and
this title, who in the course of their
representation of children in these
actions have reasonable cause to believe
a child has been abused or neglected.

(f) The reporting requirement in (a) of
this subsection also applies to
administrative and academic or athletic
department employees, including student
employees, of institutions of higher
education, as defined in RCW 28B.10.016,
and of private institutions of higher
education.

(g) The report must be made at the first
opportunity, but in no case longer than
forty-eight hours after there is
reasonable cause to believe that the child
has suffered abuse or neglect. The report
must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute.
Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received,
unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian (sign an agreement) agree to participate in services before services are initiated. The department shall inform the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not agree to participate in services.

(14)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(F) A concentrate, metabolite, constituent, extract, or combination of any ingredient described in this subsection;

(ii) Is intended for ingestion in tablet, capsule, powder, softgel, gelcap, or liquid form, or if not intended for ingestion in such form, is not represented as conventional food and is not represented for use as a sole item of a meal or of the diet; and

(iii) Is required to be labeled as a dietary supplement, identifiable by the "supplement facts" box found on the label as required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered as of January 1, 2003.

((c)) (d) "Soft drinks" means nonalcoholic beverages that contain natural or artificial sweeteners. Soft drinks do not include beverages that contain: Milk or milk products; soy, rice, or similar milk substitutes; or greater than fifty percent of vegetable or fruit juice by volume.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients that are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility:

(i) That meets the definition of a qualified low-income housing project under 26 U.S.C. Sec. 42 of the federal internal

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine. Except as provided in (b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

(b) For soft drinks, bottled water, and hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine, the selling price is the total gross receipts of such sales divided by the sum of one plus the sales tax rate expressed as a decimal.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 102. RCW 82.12.0293 and 2011 c 2 s 303 are each amended to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of food and food ingredients for human consumption. "Food and food ingredients" has the same meaning as in RCW 82.08.0293.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. "Prepared food," "soft drinks," "bottled water," and "dietary supplements" have the same meanings as in RCW 82.08.0293.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients which are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) Which are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

NEW SECTION. Sec. 103. A new section is added to chapter 82.08 RCW to read as follows:

(1) Subject to the conditions in this section, the tax levied by RCW 82.08.020 does not apply to sales of bottled water dispensed or to be dispensed to patients pursuant to a prescription for use in the cure, mitigation, treatment, or prevention of disease or medical condition.

(2) For purposes of this section, "prescription" means an order, formula, or recipe issued in any form of oral, written, electronic, or other means of transmission by a duly licensed practitioner authorized by the laws of this state to prescribe.

(3) Except for sales of bottled water delivered to the buyer in a reusable container that is not sold with the water, sellers must collect tax on sales subject to this exemption. Any buyer that has paid at least twenty-five dollars in state and local sales taxes on purchases of bottled water subject to this exemption may apply for a refund of the taxes directly from the department in a form and manner prescribed by the department. The department must deny any refund application if the amount of the refund requested is less than twenty-five dollars. No refund may be made for taxes paid more than four years after the end of the calendar year in which the tax was paid to the seller.

(4) With respect to sales of bottled water delivered to the buyer in a reusable container that is not sold with the water,
buyers claiming the exemption provided in this section must provide the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

NEW SECTION. Sec. 104. A new section is added to chapter 82.12 RCW to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of bottled water dispensed or to be dispensed to patients pursuant to a prescription for use in the cure, mitigation, treatment, or prevention of disease or medical condition.

(2) For the purposes of this section, "prescription" has the same meaning as provided in section 103 of this act.

NEW SECTION. Sec. 105. A new section is added to chapter 82.08 RCW to read as follows:

(1)(a) Subject to the conditions in this section, the tax levied by RCW 82.08.020 does not apply to sales of bottled water to persons whose primary source of drinking water is unsafe.

(b) For purposes of this subsection and section 106 of this act, a person's primary source of drinking water is unsafe if:

(i) The public water system providing the drinking water has issued a public notification that the drinking water may pose a health risk, and the notification is still in effect on the date that the bottled water was purchased;

(ii) Test results on the person's drinking water, which are no more than twelve months old, from a laboratory certified to perform drinking water testing show that the person's drinking water does not meet safe drinking water standards applicable to public water systems; or

(iii) The person otherwise establishes, to the department's satisfaction, that the person's drinking water does not meet safe drinking water standards applicable to public water systems.

(2) Except for sales of bottled water delivered to the buyer in a reusable container that is not sold with the water, sellers must collect tax on sales subject to this exemption. Any buyer that has paid at least twenty-five dollars in state and local sales taxes on purchases of bottled water subject to this exemption may apply for a refund of the taxes directly from the department in a form and manner prescribed by the department. The department must deny any refund application if the amount of the refund requested is less than twenty-five dollars. No refund may be made for taxes paid more than four years after the end of the calendar year in which the tax was paid to the seller.

(3)(a) With respect to sales of bottled water delivered to the buyer in a reusable container that is not sold with the water, buyers claiming the exemption provided in this section must provide the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(b) The department may waive the requirement for an exemption certificate in the event of disaster or similar circumstance.

NEW SECTION. Sec. 106. A new section is added to chapter 82.12 RCW to read as follows:

The provisions of this chapter do not apply in respect to the use of bottled water by persons whose primary source of drinking water is unsafe as provided in section 105 of this act.

Subpart B
Narrowing a Use Tax Exemption for Self-Produced Fuel

Sec. 107. RCW 82.12.0263 and 1980 c 37 s 62 are each amended to read as follows:

The provisions of this chapter (shaded) do not apply in respect to the use of biomass fuel by the extractor or manufacturer thereof when used directly in the operation of the particular extractive operation or manufacturing plant which produced or manufactured the same. For purposes of this section, "biomass fuel" means wood waste and other wood residuals, including forest derived biomass, but does not include firewood or wood pellets. "Biomass fuel" also includes partially organic by-products of pulp, paper, and wood manufacturing processes.

NEW SECTION. Sec. 108. A new section is added to chapter 82.12 RCW to read as follows:

(1) The value of the article used with respect to refinery fuel gas under this chapter is the most recent monthly United
States natural gas wellhead price, as published by the federal energy information administration.

(2) In lieu of the use tax rate provided in RCW 82.12.020, refinery fuel gas is subject to a rate of 3.852 percent.

(3) The use of fuel by the extractor or manufacturer thereof when used directly in the operation of the particular extractive operation or manufacturing plant that produced or manufactured the same is not subject to local use tax.

NEW SECTION. Sec. 109. Sections 107 through 109 of this act apply with respect to fuel, other than biomass fuel, consumed within this state on or after the effective date of this section, regardless of whether such fuel was produced or manufactured before the effective date of this section. For purposes of this section, "consumed" means the use of fuel resulting in the release of usable energy.

Part II
Remote Sellers, Referrers, and Marketplace Facilitators

NEW SECTION. Sec. 201. (1) The legislature finds that states fail to collect more than twenty-three billion dollars annually in sales taxes from remote sales over the internet and through catalogs. The legislature further finds that Washington and its local governments will lose out on an estimated three hundred fifty-three million dollars in sales and use taxes in fiscal year 2018 from remote sales, reducing funds that would otherwise be available for the public education system, health care services, infrastructure, and other vital public services.

(2) The legislature finds that Colorado adopted a law requiring out-of-state retailers that do not collect Colorado's sales tax to report tax-related information to their Colorado customers and the Colorado department of revenue. The legislature further finds that in 2016 the United States court of appeals for the tenth circuit upheld that law.

(3) The legislature intends by this act to address the significant harm and unfairness brought about by the physical presence nexus rule. To achieve this objective, this act adopts a new program. Under the new program, remote sellers meeting a specified threshold of gross receipts from retail sales into this state would have the option to either collect retail sales or use tax on taxable retail sales into this state or comply with certain sales and use tax notice and reporting provisions. This option is also available to other persons such as marketplace facilitators for facilitated sales on behalf of third-party remote sellers. The sales and use tax notice and reporting provisions in this act are similar to the multistate tax commission's draft model sales and use tax notice and reporting statute and Colorado's sales and use tax notice and reporting law.

NEW SECTION. Sec. 202. A new section is added to chapter 82.08 RCW to be codified between RCW 82.08.052 and 82.08.054 to read as follows:

(1)(a)(i) Except as provided in (a)(ii) of this subsection, beginning January 1, 2018, and for any calendar year thereafter, remote sellers, referrers, and marketplace facilitators meeting the criteria in subsection (2) of this section or that have a physical presence in this state, must elect to either collect and remit retail sales or use tax on all taxable retail sales into this state pursuant to this chapter and chapters 82.12 and 82.32 RCW or comply with section 205 of this act.

(ii) Until January 1, 2020, the requirement under (a)(i) of this subsection (1) to collect and remit tax or comply with section 205 of this act does not apply with respect to the retail sale of digital products and digital codes, other than (A) specified digital products and digital games and (B) digital codes used to redeem specified digital products and digital games, by a marketplace seller through a marketplace facilitator or directly resulting from a referral.

(b) For marketplace facilitators, the election provided in (a) of this subsection (1) applies only with respect to:

(i) Retail sales through the marketplace facilitator's marketplace by or on behalf of marketplace sellers who do not have a physical presence in this state; and

(ii) A marketplace facilitator's own retail sales, if the marketplace facilitator does not have a physical presence in this state.

(c)(i) For referrers, the election provided in (a) of this subsection (1) applies only with respect to:
(A) Retail sales directly resulting from a referral of the purchaser to a marketplace seller who does not have a physical presence in this state; and

(B) A referrer's own retail sales, if the referrer does not have a physical presence in this state.

(ii) A referrer may make different elections with respect to retail sales described in (c)(i)(A) and (B) of this subsection.

(d) An election under (a) of this subsection (1) to collect retail sales or use tax is binding on the remote seller, referrer, or marketplace facilitator until January 1st of the calendar year that is at least twelve consecutive months after the remote seller, referrer, or marketplace facilitator began collecting retail sales or use tax under such election. A remote seller, referrer, or marketplace facilitator who has made an election under this subsection to collect retail sales or use tax may change its election and comply with section 205 of this act by providing written notice to the department in a form and manner required by the department. Such an election change may take effect only on the first day of the calendar year that is at least thirty days following the date that the department received written notice from the remote seller, referrer, or marketplace facilitator of its change in election.

(e)(i) Remote sellers, referrers, and marketplace facilitators complying with section 205 of this act may change their election under this subsection (1) at any time by collecting and remitting retail sales or use taxes under this chapter or chapter 82.12 RCW on taxable retail sales sourced to this state. Such an election is binding as provided in (d) of this subsection (1).

(ii) Remote sellers, referrers, and marketplace facilitators electing for the first time to collect retail sales or use tax must begin collecting state and local retail sales or use taxes on taxable retail sales sourced to this state beginning on the first day of the calendar month that is at least thirty days from the date that the remote seller, referrer, or marketplace facilitator met either threshold described in subsection (2) of this section.

(f) If the department discovers that any remote seller, referrer, or marketplace facilitator required to make an election under this subsection (1) is not registered with the department and collecting retail sales or use tax, the remote seller, referrer, or marketplace facilitator is conclusively presumed to have elected to comply with the notice and reporting requirements of section 205 of this act.

(2)(a) A remote seller is subject to subsection (1) of this section if, during the current or immediately preceding calendar year, its gross receipts from retail sales sourced to this state under RCW 82.32.730 are at least ten thousand dollars.

(b) A marketplace facilitator is subject to subsection (1) of this section if, during the current or immediately preceding calendar year, the gross receipts from retail sales sourced to this state under RCW 82.32.730 by the marketplace facilitator, whether in its own name or as an agent of a marketplace seller, total at least ten thousand dollars.

(c) A referrer is subject to subsection (1) of this section if, during the current or immediately preceding calendar year, the gross income of the business received from the referrer’s referral services apportioned to Washington under RCW 82.04.462, whether or not subject to tax under chapter 82.04 RCW, and from retail sales sourced to this state under RCW 82.32.730, if any, is at least two hundred sixty-seven thousand dollars.

(3) This section is subject to the provisions of section 214 of this act.

(4) For the purposes of this section, "marketplace facilitator," "referrer," "referrer," and "remote seller" have the same meaning as provided in section 204 of this act.

NEW SECTION. Sec. 203. A new section is added to chapter 82.08 RCW to be codified between section 202 of this act and RCW 82.08.054 to read as follows:

(1)(a) For purposes of this chapter and chapter 82.12 RCW, a marketplace facilitator or referrer is deemed to be an agent of any marketplace seller making retail sales through the marketplace facilitator's physical or electronic marketplace or directly resulting from a referral of the purchaser by the referrer.

(b) In addition to other applicable recordkeeping requirements, the department may require a marketplace
facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this chapter and chapter 82.12 RCW (the new chapter created in section 501 of this act). Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace or directly resulting from a referral by the referrer. The department may prescribe by rule the form and manner for providing this information.

(2) A marketplace facilitator or referrer is relieved of liability under this chapter and chapter 82.12 RCW for failure to collect the correct amount of tax to the extent that the marketplace facilitator or referrer can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator or referrer by the marketplace seller, unless the marketplace facilitator, or referrer, and marketplace seller are affiliated persons. Where the marketplace facilitator or referrer is relieved of liability under this subsection (2), the marketplace seller is solely liable for the amount of uncollected tax due.

(3)(a) Subject to the limits in (b) and (c) of this subsection (3), a marketplace facilitator or referrer is relieved of liability under this chapter and chapter 82.12 RCW for the failure to collect tax on taxable retail sales to the extent that the marketplace facilitator or referrer can show to the department's satisfaction that:

(i) The taxable retail sale was made through the marketplace facilitator's marketplace or directly resulting from a referral of the purchaser by the referrer;

(ii) The taxable retail sale was made solely as the agent of a marketplace seller, and the marketplace facilitator, or referrer, and marketplace seller are not affiliated persons; and

(iii) The failure to collect sales tax was not due to an error in sourcing the sale under RCW 82.32.730.

(b) Liability relief for a marketplace facilitator under (a) of this subsection (3) for a calendar year is limited as follows:

(i) For calendar year 2018, the liability relief may not exceed ten percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.

(ii) For calendar years 2019, 2020, 2021, 2022, and 2023, the liability relief may not exceed five percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.

(c) Liability relief for a referrer under (a) of this subsection (3) for a calendar year is limited as follows:

(i) For calendar year 2018, the liability relief may not exceed ten percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer and sourced to this state under RCW 82.32.730 during the same calendar year.

(ii) For calendar years 2019, 2020, 2021, 2022, and 2023, the liability relief may not exceed five percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer and sourced to this state under RCW 82.32.730 during the same calendar year.

(iii) Beginning in calendar year 2024, the liability relief may not exceed three percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer and sourced to this state under RCW 82.32.730 during the same calendar year.

(d) Where the marketplace facilitator or referrer is relieved of liability under this subsection (3), the marketplace seller is also relieved of liability for the amount of uncollected tax due, subject
to the limitations in subsection (4) of this section.

(e) The department may by rule determine the manner in which a taxpayer may claim the liability relief provided under this subsection.

(4) Except as otherwise provided in this section, a marketplace seller obligated or electing to collect the taxes imposed under this chapter and chapter 82.12 RCW is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator or directly resulting from a referral of the purchaser to the marketplace seller by the referrer if the marketplace seller has obtained documentation from the marketplace facilitator or referrer indicating that the marketplace facilitator or referrer is registered with the department and will collect all applicable taxes due under this chapter or chapter 82.12 RCW on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator or taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer. The documentation required by this subsection (4) must be provided in a form and manner prescribed by or acceptable to the department. This subsection (4) does not relieve a marketplace seller from liability for uncollected taxes due under this chapter or chapter 82.12 RCW resulting from a marketplace facilitator's or referrer's failure to collect the proper amount of tax due when the error was due to incorrect information given to the marketplace facilitator or referrer by the marketplace seller.

(5) Except as otherwise provided in this section, a marketplace seller that is also a remote seller subject to section 202(1) of this act is relieved of its obligation to collect sales or use taxes imposed under section 202 of this act with respect to all taxable retail sales through a marketplace operated by a marketplace facilitator that provides the marketplace seller with written confirmation that the marketplace facilitator has elected to comply with the notice and reporting requirements of section 205 of this act in lieu of collecting sales and use taxes.

(6) Notwithstanding subsections (4) and (5) of this section, a marketplace seller is not relieved of the obligation to collect taxes imposed under this chapter and chapter 82.12 RCW or comply with section 202 of this act with respect to retail sales of digital products and digital codes, other than (a) specified digital products and digital games and (b) digital codes used to redeem specified digital products and digital games, until January 1, 2020.

(7) No class action may be brought against a marketplace facilitator or referrer in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided under chapter 82.32 RCW.

(8) Nothing in this section affects the obligation of any purchaser to remit sales or use tax as to any applicable taxable transaction in which the seller or the seller's agent does not collect and remit sales tax.

(9) This section is subject to the provisions of section 214 of this act.

(10) The definitions in section 204 of this act apply to this section.

NEW SECTION. Sec. 204. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(a) Has an ownership interest of more than five percent, whether direct or indirect, in the other person; or

(2) "Consumer" has the same meaning as provided in chapters 82.04, 82.08, and 82.12 RCW.

(3) "Marketplace facilitator" means a person that contracts with sellers to facilitate for consideration, regardless of whether deducted as fees from the transaction, the sale of the seller's products through a physical or electronic marketplace operated by the person, and engages:
(a) Directly or indirectly, through one or more affiliated persons in any of the following:

(i) Transmitting or otherwise communicating the offer or acceptance between the buyer and seller;

(vii) Advertising or promotion; or

(viii) Providing customer service or accepting or assisting with returns or exchanges.

(4) "Marketplace seller" means a seller that makes retail sales through any physical or electronic marketplaces operated by a marketplace facilitator or directly resulting from a referral by a referrer, regardless of whether the seller is required to be registered with the department as provided in RCW 82.32.030.

(5) "Platform" means an electronic or physical medium, including a web site or catalog, operated by a referrer.

(6) "Product" has the same meaning as provided in RCW 82.32.023.

(8) "Referral" means the transfer by a referrer of a potential customer to a marketplace seller who advertises or lists products for sale on the referrer's platform.

(9) (a) "Referrer" means a person, other than a person engaging in the business of printing a newspaper or publishing a newspaper as defined in RCW 82.04.214, who contracts or otherwise agrees with a seller to list or advertise for sale one or more items in any medium, including a web site or catalog; receives a commission, fee, or other consideration from the seller for the listing or advertisement; transfers, via telephone, internet link, or other means, a purchaser to a seller or an affiliated person to complete the sale; and does not collect receipts from the purchasers for the transaction.

(b) "Referrer" does not include a person that:

(i) Provides internet advertising services; and

(ii) Does not ever provide either the marketplace seller's shipping terms or advertise whether a marketplace seller charges sales tax.

(10) "Remote seller" means any seller, other than a marketplace facilitator or referrer, who does not have a physical presence in this state and makes retail sales to purchasers.

(11) "Retail sale" and "sale" have the same meaning as provided in chapter 82.04 RCW.

(12) "Seller" has the same meaning as in RCW 82.08.010 and includes marketplace facilitators, whether making sales in their own right or on behalf of marketplace sellers, and referrers.

NEW SECTION. Sec. 205. (1) Except as otherwise provided in subsection (5) of this section, a seller that does not collect the tax imposed under chapter 82.08 or 82.12 RCW on a taxable retail sale must comply with the applicable notice and reporting requirements of this section. For taxable retail sales made through a marketplace facilitator, or other agent, the marketplace facilitator, or other agent must comply with the notice and reporting requirements of this section, and the principal is not subject to the notice and reporting requirements of this section with respect to those sales. If the referrer makes an election to comply with the applicable notice and reporting requirements of this section, marketplace sellers to whom a referral is
made by the referrer remain subject to the applicable notice and reporting requirements under this section for their sales unless the marketplace sellers collect the tax imposed under chapter 82.08 or 82.12 RCW on taxable retail sales sourced to this state under RCW 82.32.730.

(2)(a) A seller, other than a referrer acting in its capacity as a referrer, subject to the notice and reporting requirements of this section must:

(i) Post a conspicuous notice on its marketplace, platform, web site, catalog, or any other similar medium that informs Washington purchasers that:

(A) Sales or use tax is due on certain purchases;
(B) Washington requires the purchaser to file a use tax return; and
(C) The notice is provided under the requirements of this section; and

(ii) Provide a notice to each consumer at the time of each retail sale. The notice under this subsection (2)(a)(ii) must include the following information:

(A) A statement that neither sales nor use tax is being collected or remitted upon the sale;
(B) A statement that the consumer may be required to remit sales or use tax directly to the department; and
(C) Instructions for obtaining additional information from the department regarding whether and how to remit the sales or use tax to the department.

(b) The notice under (a)(ii) of this subsection (3) must be prominently displayed on all invoices and order forms including, where applicable, electronic and catalog invoices and order forms, and upon each sales receipt or similar document provided to the purchaser, whether in paper or electronic form. No indication may be made that sales or use tax is not imposed upon the transaction, unless:

(i) Such indication is followed immediately with the notice required by (a)(ii) of this subsection (2); or
(ii) The transaction with respect to which the indication is given is exempt from sales and use tax pursuant to law.

(3) A referrer subject to the notice and reporting requirements of this section must:

(vi) That if the seller to whom the purchaser is referred does not collect retail sales tax on a subsequent purchase by the purchaser, the seller may be required to provide information to the purchaser and the department about the purchaser’s potential sales or use tax liability.

(b) The notice under (a) of this subsection (3) must be prominently displayed on the platform and may include pop-up boxes or notification by other means that appear when the referrer transfers a purchaser to a marketplace seller or an affiliated person to complete the sale.

(4)(a) A seller, other than a referrer acting in its capacity as a referrer, subject to the notice and reporting requirements of subsection (2) of this section must, no later than February 28th of each year, provide a report to each consumer for whom the seller was required to provide a notice under subsection (2)(a)(ii) of this section.

(b) The report under this subsection (4) must include:

(i) A statement that the seller did not collect sales or use tax on the consumer’s transactions with the seller and that the consumer may be required to remit such tax directly to the department;
(ii) A list, by date, generally indicating the type of product purchased or leased during the immediately preceding calendar year by the consumer from the seller, sourced to this state under RCW 82.32.730, and the price of each product;
(iii) Instructions for obtaining additional information from the department regarding whether and how to remit the sales or use tax to the department;

(iv) A statement that the seller is required to submit a report to the department pursuant to subsection (6) of this section stating the total dollar amount of the consumer's purchases from the seller; and

(v) Any information as the department may reasonably require.

(c)(i) The report required under this subsection (4) must be sent to the consumer's billing address or, if unknown, the consumer's shipping address, by first-class mail, in an envelope marked prominently with words indicating important tax information is enclosed.

(ii) If no billing or shipping address is known, the report must be sent electronically to the consumer's last known email address with a subject heading indicating important tax information is enclosed.

(5)(a) A referrer subject to the notice requirements under subsection (3) of this section must, no later than February 28th of each year, provide notice to each marketplace seller to whom the referrer transferred a potential purchaser located in Washington during the previous calendar year.

(b) The notice under this subsection (5) must include:

(i) A statement that Washington imposes a sales or use tax on retail sales;

(ii) A statement that a seller, meeting the threshold in section 202(2) of this act, is required to either collect and remit retail sales or use tax on all taxable retail sales sourced to this state under RCW 82.32.730 or to comply with this section; and

(iii) Instructions for obtaining additional information from the department.

(c) By February 28th of each year, a referrer required to provide the notice under this subsection must provide the department with:

(i) A list of sellers who received the referrer's notice under this subsection. The information must be provided electronically in a form and manner required by the department.

(ii) An affidavit signed under penalty of perjury from an officer of the referrer affirming that the referrer made reasonable efforts to comply with the applicable sales and use tax notice and reporting requirements of this section.

(6)(a) A seller, other than a referrer acting in its capacity as a referrer, subject to the notice and reporting requirements of this section must, no later than February 28th of each year, file a report with the department.

(b) The report under this subsection (6) must include, with respect to each consumer to whom the seller is required to provide a report under subsection (4) of this section by February 28th of the current calendar year:

(i) The consumer's name;

(ii) The billing name and, if different, the last known mailing address;

(iii) The shipping address for each product sold or leased to such consumer for delivery to a location in this state during the immediately preceding calendar year; and

(iv) The total dollar amount of all such purchases by such consumer.

(c) The report under this subsection (6) must also include an affidavit signed under penalty of perjury from an officer of the seller affirming that the seller made reasonable efforts to comply with the applicable sales and use tax notice and reporting requirements in this section.

(d) Except for the affidavit, the report under this subsection (6) must be filed electronically in a form and manner required by the department.

(7) A seller who is registered with the department to collect and remit retail sales and use tax, and who makes a reasonable effort to comply with the requirements of RCW 82.08.050 and 82.12.040, is not required to provide notice or file reports under this section.

(8) Every seller subject to this chapter must keep and preserve, for a period of five years, suitable records as may be necessary for the department to verify the seller's compliance with this chapter. All of the seller's books, records, and invoices must be open for examination at any reasonable time by the department. The department may require the attendance of any officer of the seller or any employee of the seller having
knowledge pertinent to the department's investigation of the seller's compliance with this chapter, at a time and place fixed in a subpoena issued under RCW 82.32.117, and may take the person's testimony under oath.

(9) In exercising discretion in enforcing the provisions of this chapter, the department may take into consideration available resources, whether the anticipated benefits from any potential enforcement activities are likely to exceed the department's expected enforcement costs, and any other factors the department deems appropriate.

NEW SECTION.  Sec. 206.  (1)(a) The department must assess a penalty against any seller, other than a referrer acting in its capacity as a referrer, that fails to provide notice to consumers pursuant to section 205(2)(a) of this act, in addition to any other applicable penalties, in the amount of twenty thousand dollars. The department may assess the penalty under this subsection only once per calendar year, regardless of the number of notices a seller fails to provide pursuant to section 205(2)(a) of this act during the calendar year. The department may apply this penalty at any time during a calendar year and no more frequently than annually.

(b) The department must assess a penalty against any referrer that fails to provide notice to consumers pursuant to section 205(3) of this act, in addition to any other applicable penalties. The department may assess the penalty under this subsection only once per calendar year, regardless of the number of failures to comply with section 205(3) of this act during the calendar year. The amount of the penalties assessed are as follows:

(i) Fifty thousand dollars if the gross income of the referrer is at least two hundred sixty-seven thousand dollars but less than three hundred thousand dollars of the gross income of the business received from the referrer's referral services apportioned to Washington under RCW 82.04.460, whether or not subject to tax under chapter 82.04 RCW, for the calendar year for which the notice and list was required to be made; or

(ii) If the gross income of the referrer is three hundred thousand dollars or greater, one hundred thousand dollars plus twenty thousand dollars for every fifty thousand dollars in gross income over three hundred thousand dollars of the gross income of the business received from the referrer's referral services apportioned to Washington under RCW 82.04.460, whether or not subject to tax under chapter 82.04 RCW, for the calendar year for which the notice and list was required to be made.

(2)(a) The department must assess a penalty against a seller who fails to provide a report as required by section 205 (4) or (5) of this act, in addition to any other applicable penalties, as follows:

(i) Five thousand dollars if the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are less than fifty thousand dollars for the calendar year for which the report was required to be made;

(ii) Ten thousand dollars if the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are at least fifty thousand dollars but less than one hundred fifty thousand dollars; or

(iii) Fifty thousand dollars if the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are at least one hundred fifty thousand dollars but less than three hundred thousand dollars; or

(iv) If the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are three hundred thousand dollars or greater, one hundred thousand dollars plus twenty thousand dollars for every fifty thousand dollars in gross receipts over three hundred thousand dollars.
included on such report, but not less than twenty thousand dollars for any calendar year.

(4) The penalties imposed under subsections (1) through (3) of this section are cumulative.

(5) No penalty may be imposed by the department under subsections (1) through (4) of this section more than four years after the close of the calendar year in which the notice or report giving rise to the penalty was required to have been provided. This subsection (5) does not apply to penalties reassessed under subsection (9) of this section.

(6) When assessing a penalty under this section, the department may use any reasonable estimation technique where necessary or appropriate to determine the amount of any penalty.

(7) Interest accrues on the amount of the total penalty that has been assessed under this section until the total penalty amount is paid in full. Interest imposed under this section must be computed and assessed as provided in RCW 82.32.050 as if the penalty imposed under this subsection was a tax liability.

(8) The department must notify a seller by mail, or electronically as provided in RCW 82.32.135, of the amount of any penalty and interest due under this section. Amounts due under this section must be paid in full within thirty days from the date of the notice, or within such further time as the department may provide in its sole discretion.

(9)(a)(i) A seller is entitled to a conditional waiver of penalties and interest imposed under this section if the seller enters into a written agreement with the department electing to collect retail sales or use tax on all transactions taxable by the department on a direct seller's remittance basis.

(ii) The department may grant a waiver of penalties and interest under this subsection (9)(a) for penalties and interest assessed for a seller's failure to comply with the notice and reporting requirements for one or more violations.

(iii) The department may not grant more than one request by a seller for a waiver of penalties and interest under this subsection (9)(a).

(iv) The department must reassess penalties and interest conditionally waived under this subsection (9)(a) if the department finds that, after the date that the seller agreed to fully comply with the applicable notice and reporting requirements of this chapter, the seller failed to:

(A) Provide notice under section 205(2)(a)(ii) of this act to at least ninety percent of the consumers entitled to such notice in any given calendar year or portion of the initial calendar year in which the agreement required under this subsection was in effect if the agreement was in effect for less than the entire calendar year;

(B) Timely provide the reports required under section 205(4) of this act to all consumers who received notice from the seller under section 205(2)(a)(ii) of this act during any calendar year, unless the department finds that any such failure was due to circumstances beyond the seller's control;

(C) Timely provide the reports required under section 205(6) of this act during any calendar year, unless the department finds that any such failure was due to circumstances beyond the seller's control;

(D) With respect to referrers, timely provide the notice required under section 205(3) of this act and the notice and list required under section 205(5) of this act during any calendar year, unless the department finds that any such failure was due to circumstances beyond the referrer's control.

(v) The department must reassess penalties and interest conditionally waived under this subsection (9)(a) if the department finds that, after the date that the seller elected to collect retail sales or use tax, the seller failed to register with the department and make a reasonable effort to comply with the requirements of RCW 82.08.050 and 82.12.040.

(vi) The department may not reassess penalties and interest conditionally waived under this subsection (9)(a) more than four calendar years following the calendar year in which the department granted the conditional waiver under this subsection (9)(a).
(vii) The provisions of subsection (8) of this section apply to penalties and interest reassessed under this subsection (9)(a). The department may add additional interest on penalties reassessed under this subsection (9)(a) only if the total amount of penalties reassessed under this subsection (9)(a) is not paid in full by the date due.

(b) The department must waive penalties and interest imposed under this section if the department determines that the failure of the seller to fully comply with the notice or reporting requirements was due to circumstances beyond the seller's control.

(c) The department may waive penalties imposed under this section if the department determines that the failure of the seller to fully comply with the notice or reporting requirements was due to reasonable cause and not willful neglect. In determining whether reasonable cause exists, the department will consider, among other relevant factors, whether: (i) The failure was due to willful or reckless disregard of the seller's notice or reporting obligations; (ii) the seller made subsequent efforts to avoid future noncompliance; and (iii) the magnitude of the noncompliance was significant in terms of dollars and time when accounting for the seller's size and volume of transactions. On appeal, a court or the board of tax appeals must give great deference to the department's penalty waiver decision under this subsection (9)(c) and affirm the department's decision, unless the taxpayer can show by clear, cogent, and convincing evidence that the department's decision lacked any reasonable basis.

(d) A request for a waiver of penalties and interest under this subsection must be received by the department in writing and before the penalties and interest for which a waiver is requested are due pursuant to subsection (8) of this section. The department must deny any request for a waiver of penalties and interest that does not fully comply with the provisions of this subsection (9)(d).

NEW SECTION. Sec. 207. Chapter 82.32 RCW applies to the administration of this chapter.

NEW SECTION. Sec. 208. Nothing in this chapter relieves sellers or consumers who are subject to chapter 82.08 or 82.12 RCW from any responsibilities imposed under those chapters. Nor does anything in this chapter prevent the department from administering and enforcing the taxes imposed under chapter 82.08 or 82.12 RCW with respect to any seller or consumer who is subject to such taxes.

NEW SECTION. Sec. 209. A new section is added to chapter 82.32 RCW to be codified between RCW 82.32.045 and 82.32.050 to read as follows:

(1) Except as otherwise provided in this section, taxes imposed under chapter 82.08 or 82.12 RCW and payable by a consumer directly to the department are due, on returns prescribed by the department, by the earlier of April 1st of the calendar year immediately following the calendar year in which the sale or use occurred or within thirty days of the date of a notice from the department that tax may be due.

(2) This section does not apply to the reporting and payment of taxes imposed under chapters 82.08 and 82.12 RCW:

(a) On the retail sale or use of motor vehicles, vessels, or aircraft; or

(b) By consumers who are engaged in business, unless the department has relieved the consumer of the requirement to file returns pursuant to RCW 82.32.045(4).

NEW SECTION. Sec. 210. A new section is added to chapter 82.32 RCW to read as follows:

(1) A remote seller, referrer, or marketplace facilitator that is subject to section 202 of this act and is complying with the requirements of chapters 82.08 and 82.12 RCW may only seek a recovery of retail sales and use taxes, penalties, or interest from the department by following the recovery procedures established under RCW 82.32.060. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of chapters 82.08 and 82.12 RCW voluntarily.

(2) Neither the state nor any seller who elects under section 202 of this act to collect and remit retail sales or use tax is liable to a purchaser who claims that the retail sales or use tax has been over-collected because a provision of chapter . . ., Laws of 2017 3rd sp. sess. (this act) is later deemed unlawful.

(3) Nothing in chapter . . ., Laws of 2017 3rd sp. sess. (this act) affects the obligation of any purchaser from this
state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

Sec. 211. RCW 82.08.050 and 2010 c 112 s 8 are each amended to read as follows:

(1) The tax imposed in this chapter must be paid by the buyer to the seller. Each seller must collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department under the provisions of RCW 82.08.060.

(2) The tax required by this chapter, to be collected by the seller, is deemed to be held in trust by the seller until paid to the department. Any seller who appropriates or converts the tax collected to the seller's own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(3) Except as otherwise provided in this section, if any seller fails to collect the tax imposed in this chapter or, having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is, nevertheless, personally liable to the state for the amount of the tax.

(4) Sellers are not relieved from personal liability for the amount of tax unless they maintain proper records of exempt or nontaxable transactions and provide them to the department when requested.

(5) Sellers are not relieved from personal liability for the amount of tax if they fraudulently fail to collect the tax or if they solicit purchasers to participate in an unlawful claim of exemption.

(6) Sellers are not relieved from personal liability for the amount of tax if they accept an exemption certificate from a purchaser claiming an entity-based exemption if:

(a) The subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller in Washington; and

(b) Washington provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in Washington. Graying out exemption reason types on a uniform form and posting it on the department's website is a clear and affirmative indication that the grayed out exemptions are not available.

(7)(a) Sellers are relieved from personal liability for the amount of tax if they obtain a fully completed exemption certificate or capture the relevant data elements required under the streamlined sales and use tax agreement within ninety days, or a longer period as may be provided by rule by the department, subsequent to the date of sale.

(b) If the seller has not obtained an exemption certificate or all relevant data elements required under the streamlined sales and use tax agreement within the period allowed subsequent to the date of sale, the seller may, within one hundred twenty days, or a longer period as may be provided by rule by the department, subsequent to a request for substantiation by the department, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

(c) Sellers are relieved from personal liability for the amount of tax if they obtain a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The department may not request from a seller renewal of blanket exemption certificates or updates of exemption certificate information or data elements if there is a recurring business relationship between the buyer and seller. For purposes of this subsection (7)(c), a "recurring business relationship" means at least one sale transaction within a period of twelve consecutive months.

(d) Sellers are relieved from personal liability for the amount of tax if they obtain a copy of a direct pay permit issued under RCW 82.32.087.

(8) The amount of tax, until paid by the buyer to the seller or to the department, constitutes a debt from the buyer to the seller. Any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due
under this chapter is guilty of a misdemeanor.

(9) Except as otherwise provided in this subsection, the tax required by this chapter to be collected by the seller must be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. Except as otherwise provided in this subsection, for purposes of determining the tax due from the buyer to the seller and from the seller to the department it must be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter. But if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price may not be considered the selling price.

(10) Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax. If the department proceeds directly against the buyer for collection of the tax as authorized in this subsection, the department may add a penalty of ten percent of the unpaid tax to the amount of the tax due for failure of the buyer to pay the tax to the seller, regardless of when the tax may be collected by the department. In addition to the penalty authorized in this subsection, all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, apply. For the sole purpose of applying the various provisions of chapter 82.32 RCW, the twenty-fifth day of the month following the tax period in which the purchase was made will be considered as the due date of the tax.

(11) Notwithstanding subsections (1) through (10) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:

(a) The person's activities in this state, whether conducted directly or through another person, are limited to:

(i) The storage, dissemination, or display of advertising;

(ii) The taking of orders;

(iii) The processing of payments; and

(b) The activities are conducted electronically via a web site on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.

(12) Subsection (11) of this section expires when: (a) The United States congress grants individual states the authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.

(13) For purposes of this section:

The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Exemption certificate" means documentation furnished by a buyer to a seller to claim an exemption from sales tax. An exemption certificate includes a reseller permit or other documentation authorized in RCW 82.04.470 furnished by a buyer to a seller to substantiate a wholesale sale.

(b) "Seller" includes a certified service provider, as defined in RCW 82.32.020, acting as agent for the seller.

Sec. 212. RCW 82.12.040 and 2015 c 169 s 9 are each amended to read as follows:

(1) Every person who maintains in this state a place of business or a stock of goods, or engages in business activities within this state is subject to a collection obligation under chapter 82.08 RCW, except a person making a valid election to comply with the notice and reporting provisions of section 205 of this act, must obtain from the department a certificate of registration, and must, at the time of making sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6) ((4)) (c), or making transfers of either possession or title, or both, of tangible personal property for use in this state, collect from the purchasers or transferees the tax imposed under this chapter. The tax to be collected under this section must be in an amount equal to the purchase
price multiplied by the rate in effect for the retail sales tax under RCW 82.08.020. 
(For the purposes of this chapter, the phrase "maintains in this state a place of business" includes the solicitation of sales and/or taking of orders by sales agents or traveling representatives. For the purposes of this chapter, "engages in business activity within this state" includes every activity which is sufficient under the Constitution of the United States for this state to require collection of tax under this chapter. The department must in rules specify activities which constitute engaging in business activity within this state, and must keep the rules current with future court interpretations of the Constitution of the United States.)

(2) Every person who engages in this state in the business of acting as an independent selling agent for persons who do not hold a valid certificate of registration, and who receives compensation by reason of sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6)(((b))) (c), of his or her principals for use in this state, must, at the time such sales are made, collect from the purchasers the tax imposed on the purchase price under this chapter, and for that purpose is deemed a retailer as defined in this chapter.

(3) The tax required to be collected by this chapter is deemed to be held in trust by the retailer until paid to the department, and any retailer who appropriates or converts the tax collected to the retailer's own use or to any use other than the payment of the tax provided herein to the extent that the money required to be collected is not available for payment on the due date as prescribed is guilty of a misdemeanor. In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay the same to the department in the manner prescribed, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is nevertheless personally liable to the state for the amount of such tax, unless the seller has taken from the buyer a copy of a direct pay permit issued under RCW 82.32.087.

(4) Any retailer who refunds, remits, or rebates to a purchaser, or transferee, either directly or indirectly, and by whatever means, all or any part of the tax levied by this chapter is guilty of a misdemeanor.

(5) ((Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:

(a) The person's activities in this state, whether conducted directly or through another person, are limited to:

(i) The storage, dissemination, or display of advertising;

(ii) The taking of orders; or

(iii) The processing of payments; and

(b) The activities are conducted electronically via a web site on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.

(6) Subsection (5) of this section expires when: (a) The United States congress grants individual states the authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.

(7) Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if the person would have been obligated to collect retail sales tax on the sale absent a specific exemption provided in chapter 82.08 RCW, and there is no corresponding use tax exemption in this chapter. Nothing in this subsection may be construed as relieving purchasers from liability for reporting and remitting the tax due under this chapter directly to the department.

(8) Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if the state is prohibited under the Constitution or laws of the United States from requiring the person to collect the tax imposed by this chapter.
(7) Notwithstanding subsections (1) through (4) of this section, any licensed dealer facilitating a firearm sale or transfer between two unlicensed persons by conducting background checks under chapter 9.41 RCW is not obligated to collect the tax imposed by this chapter.

Sec. 213. RCW 82.12.040 and 2017 c 323 s 525 are each amended to read as follows:

(1) Every person who (maintains in this state a place of business or a stock of goods, or engages in business activities within this state) is subject to a collection obligation under chapter 82.08 RCW, except a person making a valid election to comply with the notice and reporting provisions of section 205 of this act, must obtain from the department a certificate of registration, and must, at the time of making sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6)(c), or making transfers of either possession or title, or both, of tangible personal property for use in this state, collect from the purchasers or transferees the tax imposed under this chapter. The tax to be collected under this section must be in an amount equal to the purchase price multiplied by the rate in effect for the retail sales tax under RCW 82.08.020. (For the purposes of this chapter, the phrase "maintains in this state a place of business" includes the solicitation of sales and/or taking of orders by sales agents or traveling representatives. For the purposes of this chapter, "engages in business activity within this state" includes every activity which is sufficient under the Constitution of the United States for this state to require collection of tax under this chapter. The department must in rules specify activities which constitute engaging in business activity within this state, and must keep the rules current with future court interpretations of the Constitution of the United States.)

(2) Every person who engages in this state in the business of acting as an independent selling agent for persons who do not hold a valid certificate of registration, and who receives compensation by reason of sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6)(c), of his or her principals for use in this state, must, at the time such sales are made, collect from the purchasers the tax imposed on the purchase price under this chapter, and for that purpose is deemed a retailer as defined in this chapter.

(3) The tax required to be collected by this chapter is deemed to be held in trust by the retailer until paid to the department, and any retailer who appropriates or converts the tax collected to the retailer's own use or to any use other than the payment of the tax provided herein to the extent that the money required to be collected is not available for payment on the due date as prescribed is guilty of a misdemeanor. In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay the same to the department in the manner prescribed, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is nevertheless personally liable to the state for the amount of such tax, unless the seller has taken from the buyer a copy of a direct pay permit issued under RCW 82.32.087.

(4) Any retailer who refunds, remits, or rebates to a purchaser, or transferee, either directly or indirectly, and by whatever means, all or any part of the tax levied by this chapter is guilty of a misdemeanor.

(5) Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:

(a) The person's activities in this state, whether conducted directly or through another person, are limited to:

(i) The storage, dissemination, or display of advertising;

(ii) The taking of orders; or

(iii) The processing of payments; and

(b) The activities are conducted electronically via a website on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.

(6) Subsection (5) of this section expires when:

(a) The United States congress grants individual states the
authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.

(7)) Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if the person would have been obligated to collect retail sales tax on the sale absent a specific exemption provided in chapter 82.08 RCW, and there is no corresponding use tax exemption in this chapter. Nothing in this subsection (5) may be construed as relieving purchasers from liability for reporting and remitting the tax due under this chapter directly to the department.

(8)) (6) Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if the state is prohibited under the Constitution or laws of the United States from requiring the person to collect the tax imposed by this chapter.

(9)) (7) Notwithstanding subsections (1) through (4) of this section, any licensed dealer facilitating a firearm sale or transfer between two unlicensed persons by conducting background checks under chapter 9.41 RCW is not obligated to collect the tax imposed by this chapter.

NEW SECTION. Sec. 214. A new section is added to chapter 82.32 RCW to read as follows:

(1) If the department determines that a change, taking effect after the effective date of this section, in the streamlined sales and use tax agreement or federal law creates a conflict with any provision of section 202 or 203 of this act, such conflicting provision or provisions of section 202 or 203 of this act, including any related provisions that would not function as originally intended, have no further force and effect as of the date the change in the streamlined sales and use tax agreement or federal law becomes effective.

(2) For purposes of this section:

(a) A change in federal law conflicts with section 202 or 203 of this act if the change clearly allows states to impose greater sales and use tax collection obligations on remote sellers, referrers, or marketplace facilitators than provided for, or clearly prevents states from imposing sales and use tax collection obligations on remote sellers, referrers, or marketplace facilitators to the extent provided for, under section 202 or 203 of this act.

(b) A change in the streamlined sales and use tax agreement conflicts with section 202 or 203 of this act if one or more provisions of section 202 or 203 of this act causes this state to be found out of compliance with the streamlined sales and use tax agreement by its governing board.

(3) If the department makes a determination under this section that a change in federal law or the streamlined sales and use tax agreement conflicts with one or more provisions of section 202 or 203 of this act, the department:

(a) May adopt rules in accordance with chapter 34.05 RCW that are consistent with the streamlined sales and use tax agreement and that impose sales and use tax collection obligations on remote sellers, referrers, or marketplace facilitators to the fullest extent allowed under state and federal law; and

(b) Must include information on its website informing taxpayers and the public (i) of the provision or provisions of section 202 or 203 of this act that will have no further force and effect, (ii) when such change will become effective, and (iii) about how to participate in any rule making conducted by the department in accordance with (a) of this subsection (3).

(4) For purposes of this section, "remote seller," "referrer," and "marketplace facilitator" have the same meaning as provided in section 204 of this act.

Part III

Nexus for Excise Tax Purposes

Sec. 301. RCW 82.04.066 and 2015 3rd sp.s. c 5 s 203 are each amended to read as follows:

"Engaging within this state" and "engaging within the state," when used in connection with any apportionable activity as defined in RCW 82.04.460 or ((wholesale sales)) selling activity taxable under RCW 82.04.250(1) or 82.04.257(1) or 82.04.270, means that a person generates gross income of the business from sources within this state, such as customers or intangible
property located in this state, regardless
of whether the person is physically
present in this state.

Sec. 302. RCW 82.04.067 and 2016 c 137
s 2 are each amended to read as follows:

(1) A person engaging in business is
deemed to have substantial nexus with this
state if, in the current or immediately
preceding calendar year, the person is:

(a) An individual and is a resident or
domiciliary of this state;
(b) A business entity and is organized
or commercially domiciled in this state;
or
(c) A nonresident individual or a
business entity that is organized or
commercially domiciled outside this state,
and the person had:

(i) More than fifty-three thousand
dollars of property in this state;
(ii) More than fifty-three thousand
dollars of payroll in this state;
(iii) More than two hundred sixty-seven thousand dollars of receipts
from this state; or
(iv) At least twenty-five percent of
the person's total property, total
payroll, or total receipts in this state.

(2)(a) Property counting toward the
thresholds in subsection (1)(c)(i) and
(iv) of this section is the average value
of the taxpayer's property, including
intangible property, owned or rented and
used in this state during the current or
immediately preceding calendar year.

(b)(i) Property owned by the taxpayer,
other than loans and credit card receivables owned by the taxpayer, is
valued at its original cost basis. Loans
and credit card receivables owned by the
taxpayer are valued at their outstanding principal balance, without regard to any
reserve for bad debts. However, if a loan
or credit card receivable is charged off
in whole or in part for federal income tax
purposes, the portion of the loan or
credit card receivable charged off is
deducted from the outstanding principal
balance.

(ii) Property rented by the taxpayer is
valued at eight times the net annual rental rate.
For purposes of this
subsection, "net annual rental rate" means
the annual rental rate paid by the
taxpayer less any annual rental rate
received by the taxpayer from subrentals.

(c) The average value of property must
be determined by averaging the values at
the beginning and ending of the applicable calendar year; but the
department may require the averaging of
monthly values during the applicable calendar year if reasonably
required to properly reflect the average
value of the taxpayer's property.

(d)(i) For purposes of this subsection
(2), loans and credit card receivables are
deemed owned and used in this state as
follows:

(A) Loans secured by real property,
personal property, or both real and
personal property are deemed owned and
used in the state if the real property or
personal property securing the loan is
located within this state. If the property
securing the loan is located both within
the state and in another state, the loan is deemed owned and used in this state
if more than fifty percent of the
fair market value of the real or personal
property is located within this state. If
more than fifty percent of the fair market
value of the real or personal property is
not located within any one state, then
the loan is deemed owned and used in this state
if the borrower is located in this state.
The determination of whether the real or
personal property securing a loan is
located within this state must be made, as
of the time the original agreement was
made, and any and all subsequent
substitutions of collateral must be
disregarded.

(B) Loans not secured by real or
personal property are deemed owned and
used in this state if the borrower is
located in this state.

(C) Credit card receivables are deemed
owned and used in this state if the billing
address of the cardholder is in this state.

(ii)(A) Except as otherwise provided in
(d)(ii)(B) of this subsection (2), the
definitions in the multistate tax
commission's recommended formula for the
apportionment and allocation of net income
of financial institutions as existing on
June 1, 2010, or such subsequent date as
may be provided by the department by rule,
consistent with the purposes of this
section, apply to this section.

(B) "Credit card" means a card or device
existing for the purpose of obtaining
money, property, labor, or services on credit.

(e) Notwithstanding anything else to the contrary in this subsection, property counting toward the thresholds in subsection (1)(c)(i) and (iv) of this section does not include a person's ownership of, or rights in, computer software as defined in RCW 82.04.215, including computer software used in providing a digital automated service; master copies of software; and digital goods and digital codes residing on servers located in this state.

(3)(a) Payroll counting toward the thresholds in subsection (1)(c)(ii) and (iv) of this section is the total amount paid by the taxpayer for compensation in this state during the current or immediately preceding calendar year plus nonemployee compensation paid to representative third parties in this state. Nonemployee compensation paid to representative third parties includes the gross amount paid to nonemployees who represent the taxpayer in interactions with the taxpayer's clients and includes sales commissions.

(b) Employee compensation is paid in this state if the compensation is properly reportable to this state for unemployment compensation tax purposes, regardless of whether the compensation was actually reported to this state.

(c) Nonemployee compensation is paid in this state if the service performed by the representative third party occurs entirely or primarily within this state.

(d) For purposes of this subsection, "compensation" means wages, salaries, commissions, and any other form of remuneration paid to employees or nonemployees and defined as gross income under 26 U.S.C. Sec. 61 of the federal internal revenue code of 1986, as existing on June 1, 2010.

(4) Receipts counting toward the thresholds in subsection (1)(c)(iii) and (iv) of this section are:

(a) Those amounts included in the numerator of the receipts factor under RCW 82.04.462;

(b) For financial institutions, those amounts included in the numerator of the receipts factor under the rule adopted by the department as authorized in RCW 82.04.460(2); and

(c) For persons taxable under RCW 82.04.250(1), 82.04.257(1), or 82.04.270 (with respect to wholesale sales), the gross proceeds of sales taxable under those statutory provisions and sourced to this state in accordance with RCW 82.32.730.

(5)(a) Each December, the department must review the cumulative percentage change in the consumer price index. The department must adjust the thresholds in subsection (1)(c)(i) through (iii) of this section if the consumer price index has changed by five percent or more since the later of June 1, 2010, or the date that the thresholds were last adjusted under this subsection. For purposes of determining the cumulative percentage change in the consumer price index, the department must compare the consumer price index available as of December 1st of the current year with the consumer price index as of the later of June 1, 2010, or the date that the thresholds were last adjusted under this subsection. The thresholds must be adjusted to reflect that cumulative percentage change in the consumer price index. The adjusted thresholds must be rounded to the nearest one thousand dollars. Any adjustment will apply to tax periods that begin after the adjustment is made.

(b) As used in this subsection, "consumer price index" means the consumer price index for all urban consumers (CPI-U) available from the bureau of labor statistics of the United States department of labor.

(6)(a)(i) Except as provided in (a)(iii) of this subsection (6), subsections (1) through (5) of this section only apply with respect to the taxes on persons engaged in apportionable activities as defined in RCW 82.04.460 or making wholesale sales taxable under RCW 82.04.257(1) or 82.04.270.

(ii) Subject to the limitation in RCW 82.32.531, for purposes of the taxes imposed under this chapter on the business of making sales at retail or any activity not included in the definition of apportionable activities in RCW 82.04.460, other than the business of making wholesale sales taxable under RCW 82.04.257(1) or 82.04.270, (except as provided in RCW 82.32.531) a person is deemed to have a substantial nexus with this state if the person has a physical presence in this state during the current or immediately preceding calendar year.
year, which need only be demonstrably more than a slightest presence.

(iii) For purposes of the taxes imposed under this chapter on the business of making sales at retail taxable under RCW 82.04.250(1) or 82.04.257(1), a person is also deemed to have a substantial nexus with this state if the person's receipts from this state, pursuant to subsection (4)(c) of this section, meet either criterion in subsection (1)(c)(iii) or (iv) of this section, as adjusted under subsection (5) of this section.

(b) For purposes of this subsection, a person is physically present in this state if the person has property or employees in this state.

(c)(i) A person is also physically present in this state for the purposes of this subsection if the person, either directly or through an agent or other representative, engages in activities in this state that are significantly associated with the person's ability to establish or maintain a market for its products in this state.

(ii) A remote seller as defined in RCW 82.08.052 is presumed to be engaged in activities in this state that are significantly associated with the remote seller's ability to establish or maintain a market for its products in this state if the remote seller is presumed to have a substantial nexus with this state under RCW 82.08.052. The presumption in this subsection (6)(c)(ii) may be rebutted as provided in RCW 82.08.052. To the extent that the presumption in RCW 82.08.052 is no longer operative pursuant to RCW 82.32.762, the presumption in this subsection (6)(c)(ii) is no longer operative. (Nothing in this section may be construed to affect in any way RCW 82.04.424, 82.08.050(1), or 82.12.040(5) or to narrow the scope of the terms "agent" or "other representative" in this subsection (6)(c).)

Sec. 303. RCW 82.04.220 and 2011 1st sp.s. c 20 s 101 are each amended to read as follows:

(1) There is levied and collected from every person that has a substantial nexus with this state, as provided in RCW 82.04.067, a tax for the act or privilege of engaging in business activities. The tax is measured by the application of rates against value of products, gross proceeds of sales, or gross income of the business, as the case may be.

(2)(a) A person who has a substantial nexus with this state in any tax year under the provisions of RCW 82.04.067 will be deemed to have a substantial nexus with this state for the following tax year.

(b) This subsection (2) does not apply to any person who also had a substantial nexus with this state during:

(i) The immediately preceding calendar year under RCW 82.04.067;

(ii) The current calendar year under RCW 82.04.067 (1)(a) or (b) or (6)(a)(ii) or (c).

NEW SECTION. Sec. 304. RCW 82.04.424 (Exemptions—Certain in-state activities) and 2015 3rd sp.s. c 5 s 206 & 2003 c 76 s 2 are each repealed.

Part IV

Eliminate Streamlined Sales Tax Mitigation to Local Governments

Sec. 401. RCW 82.14.495 and 2010 1st sp.s. c 37 s 952 are each amended to read as follows:

(1) The streamlined sales and use tax mitigation account is created in the state treasury. Through July 1, 2019, the state treasurer (shall) must transfer into the account from the general fund amounts as directed in RCW 82.14.500. Expenditures from the account may be used only for the purpose of mitigating the negative fiscal impacts to local taxing jurisdictions as a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020. (During the 2009-2011 fiscal biennium, the legislature may transfer from the streamlined sales and use tax mitigation account to the state general fund such amounts as reflect the excess fund balance of the account.)

(2) Beginning July 1, 2008, through September 30, 2019, the state treasurer, as directed by the department, (shall) must distribute the funds in the streamlined sales and use tax mitigation account to local taxing jurisdictions in accordance with RCW 82.14.500.
(3) The definitions in this subsection apply throughout this section and RCW 82.14.390 and 82.14.500 unless the context clearly requires otherwise.

(a) "Agreement" means the same as in RCW 82.32.020.

(b) "Local taxing jurisdiction" means through June 30, 2017, counties, cities, transportation authorities under RCW 82.14.045, public facilities districts under chapters 36.100 and 35.57 RCW, public transportation benefit areas under RCW 82.14.440, and regional transit authorities under chapter 81.112 RCW, that impose a sales and use tax. Beginning July 1, 2017, "local taxing jurisdiction" means cities, counties, and public facilities districts under chapters 36.100 and 35.57 RCW.

(c) "Loss" or "losses" means the local sales and use tax revenue reduction to a local taxing jurisdiction resulting from the sourcing provisions in RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020.

(d) "Marketplace facilitator/remote seller revenue" means the local sales and use tax revenue gain, including taxes voluntarily remitted and taxes collected from consumers, to each local taxing jurisdiction from part II of this act as estimated by the department in RCW 82.14.500(6).

(e) "Net loss" or "net losses" means a loss offset by any voluntary compliance revenue and marketplace facilitator/remote seller revenue.

(f) "Voluntary compliance revenue" means the local sales tax revenue gain to each local taxing jurisdiction reported to the department from persons registering through the central registration system authorized under the agreement.

(g) "Working day" has the same meaning as in RCW 82.45.180.

Sec. 402. RCW 82.14.500 and 2011 1st sp.s. c 50 s 974 are each amended to read as follows:

(1)(a) In order to mitigate local sales tax revenue net losses as a result of the sourcing provisions of the streamlined sales and use tax agreement under this title, the state treasurer, on July 1, 2011, and each July 1st thereafter through July 1, 2019, must transfer into the sum required to mitigate actual net losses as determined under this section.

(b) During the 2011-2013 fiscal biennium, the amount that would otherwise be transferred under (a) of this subsection must be reduced by 3.4 percent.

(2) Beginning July 1, 2008, and continuing until the department determines annual losses under subsection (3) of this section, the department must determine the amount of local sales tax net loss each local taxing jurisdiction experiences as a result of the sourcing provisions of the streamlined sales and use tax agreement under this title each calendar quarter. The department must determine losses by analyzing and comparing data from tax return information and tax collections for each local taxing jurisdiction before and after July 1, 2008, on a calendar quarter basis. The department's analysis may be revised and supplemented in consultation with the oversight committee as provided in subsection (4) of this section. To determine net losses, the department must reduce losses by the amount of voluntary compliance revenue for the calendar quarter analyzed. Beginning December 31, 2008, distributions must be made quarterly from the streamlined sales and use tax mitigation account by the state treasurer, as directed by the department, to each local taxing jurisdiction, other than public facilities districts for losses in respect to taxes imposed under the authority of RCW 82.14.390, in an amount representing its net losses for the previous calendar quarter. Distributions must be made on the last working day of each calendar quarter and must cease when distributions under subsection (3) of this section begin.

(3)(a) By December 31, 2009, or such later date the department in consultation with the oversight committee determines that sufficient data is available, the department must determine each local taxing jurisdiction's annual loss. The department must determine annual losses by comparing at least twelve months of data from tax return information and tax collections for each local taxing jurisdiction before and after July 1, 2008. The department is not required to determine annual losses on a recurring basis, but may make any adjustments to annual losses as it deems proper as a result of the annual reviews provided in (b) of this subsection. Beginning the calendar quarter in which the department...
determines annual losses, and each calendar quarter thereafter through September 30, 2019, distributions must be made from the streamlined sales and use tax mitigation account by the state treasurer on the last working day of the calendar quarter, as directed by the department, to each local taxing jurisdiction, other than public facilities districts for losses in respect to taxes imposed under the authority of RCW 82.14.390, in an amount representing one-fourth of the jurisdiction's annual loss reduced by voluntary compliance revenue reported during the previous calendar quarter and marketplace facilitator/remote seller revenue reported during the previous calendar quarter.

(b) The department's analysis of annual losses must be reviewed by December 1st of each year and may be revised and supplemented in consultation with the oversight committee as provided in subsection (4) of this section.

(4) The department must convene an oversight committee to assist in the determination of losses. The committee includes one representative of one city whose revenues are increased, one representative of one city whose revenues are reduced, one representative of one county whose revenues are increased, one representative of one county whose revenues are decreased, one representative of one transportation authority under RCW 82.14.045 whose revenues are increased, and one representative of one transportation authority under RCW 82.14.045 whose revenues are reduced, as a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020. Beginning July 1, 2008, the oversight committee must meet quarterly with the department to review and provide additional input and direction on the department's analyses of losses. Local taxing jurisdictions may also present to the oversight committee additional information to improve the department's analyses of the jurisdiction's loss. Beginning January 1, 2010, the oversight committee must meet at least annually with the department by December 1st.

(5) The rule-making provisions of chapter 34.05 RCW do not apply to this section.

(6)(a) As a result of part II of this act, local sales and use tax revenue is anticipated to increase due to additional tax remittance by marketplace facilitators, remote sellers, and consumers. This additional revenue will further mitigate the losses that resulted from the sourcing provisions of the streamlined sales and use tax agreement under this title and should be reflected in mitigation payments to negatively impacted local jurisdictions.

(b) Beginning January 1, 2018, and continuing through September 30, 2019, the department must determine the increased sales and use tax revenue each local taxing jurisdiction experiences from marketplace facilitator/remote seller revenue as a result of sections 201 through 213 of this act each calendar quarter. The department must convene the mitigation advisory committee before January 1, 2018, to receive input on the determination of marketplace facilitator/remote seller revenue. Beginning with distributions made after March 31, 2018, distributions from the streamlined sales and use tax mitigation account by the state treasurer, as directed by the department, to each local taxing jurisdiction, must be reduced by the amount of its marketplace facilitator/remote seller revenue reported during the previous calendar quarter. No later than December 1, 2019, the department will determine the total marketplace facilitator/remote seller revenue for each local taxing jurisdiction for reporting periods beginning January 1, 2018, through reporting periods ending June 30, 2019. If the total distribution made from the streamlined sales and use tax mitigation account to a local taxing jurisdiction was not fully reduced by its total amount of marketplace facilitator/remote seller revenue for reporting periods beginning January 1, 2018, through reporting periods ending June 30, 2019, the department must reduce the local taxing jurisdiction's distribution of local sales and use tax under RCW 82.14.060 by the excess amount received.

NEW SECTION. Sec. 403. (1)(a) Monthly, the state treasurer must distribute from the local sales and use tax account to the counties, cities, transportation authorities, public facilities districts, and transportation benefit districts the amount of tax collected on behalf of each taxing authority, less:

(i) The deduction provided for in RCW 82.14.050; and

(ii) The amount of any refunds of local sales and use taxes exempted under RCW
82.08.962, 82.12.962, 82.08.02565, 82.12.02565, 82.08.02561, or 82.12.02561, which must be made without appropriation; and

(iii) The deduction required under RCW 82.14.500.

(b) The state treasurer must make the distribution under this section without appropriation.

(2) In the event that any ordinance or resolution imposes a sales and use tax at a rate in excess of the applicable limits contained herein, such ordinance or resolution may not be considered void in toto, but only with respect to that portion of the rate that is in excess of the applicable limits contained herein.

NEW SECTION. Sec. 404. The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective October 1, 2019:

(1) RCW 82.14.495 (Streamlined sales and use tax mitigation account—Creation) and 2017 3rd sp.s. c . . . s 401 (section 401 of this act), 2010 1st sp.s. c 37 s 952, 2009 c 4 s 907, & 2007 c 6 s 902;

(3) 2017 3rd sp.s. c . . . s 403 (uncodified) (section 403 of this act).

(2) The definitions in this subsection apply throughout this act unless the context clearly requires otherwise.

A "future biennia" amount is an estimate of what may be appropriated for the project or program in the 2019-2021 biennium and the following three biennia; an amount of zero does not necessarily constitute legislative intent to not provide funding for the project or program in the future.

Reappropriations shall be limited to the unexpended balances remaining on June 30, 2017, from previous biennial appropriations for each project.
