$3,128,000

The appropriations in this section are subject to the following conditions and limitations:

Interstate 405. (b) In accordance with the rule-making authority provided under RCW 34.05.350(1)(a), the legislature deems it necessary, for preservation of the general welfare, that operational changes be made to improve the express toll lane program on Interstate 405 and that the tolling authority use its emergency rule-making authority to effect such changes in accordance with RCW 47.56.850 and 47.56.880. The legislature finds that the need for improvements to the commuter experience on the portion of Interstate 405 identified in (a) of this subsection necessitates that such action be taken in an expedited fashion. The tolling authority, with input from the department of transportation, shall evaluate the hours and days of operation for the express toll lanes and the minimum high occupancy vehicle passenger requirements for using the express toll lanes, taking into consideration the goals of: Reducing travel time on this portion of Interstate 405, including in the general purpose lanes; reducing the cost of traveling within the express toll lanes on this portion of Interstate 405 and making sufficient revenue to pay for this portion of Interstate 405's express toll lane operating costs. (b) The commission shall coordinate with the department of transportation to jointly pursue any federal or other funds that are or might become available to fund a road usage charge pilot project. Where feasible, grant application content prepared by the commission must reflect the direction provided by the road usage charge steering committee on the preferred road usage charge pilot project approach. One or more grant applications may be developed as part of the road usage charge pilot project implementation plan development work, but the pilot project implementation plan must nevertheless include any details necessary for a full launch of the pilot project not required to be included in any grant application.

(c) The commission shall reconvene the road usage charge steering committee, with the same membership authorized in chapter 222, Laws of 2014, as well as the addition of a representative from the Puget Sound regional council, and may obtain guidance from the steering committee when it reaches key pilot project implementation plan development milestones. The commission must provide a report on the road usage charge steering committee, with the same membership authorized in chapter 222, Laws of 2014, as well as the addition of a representative from the Puget Sound regional council, and may obtain guidance from the steering committee when it reaches key pilot project implementation plan development milestones. The commission must provide a report on the road usage charge steering committee, with the same membership authorized in chapter 222, Laws of 2014, as well as the addition of a representative from the Puget Sound regional council, and may obtain guidance from the steering committee when it reaches key pilot project implementation plan development milestones.

Any future savings on this project or other Interstate 405 corridor projects must stay on the Interstate 405 corridor and be made available to either the I-405/SR 167 Interchange - Direct Connector project (140504C) or the I-405 Renton to Bellevue project in the 2015-2017 fiscal biennium. The transportation partnership account—state appropriation in this subsection includes funding to begin preliminary engineering for adding capacity on Interstate 405 between state route number 522 and Interstate 5.

(12)(a) The SR 520 Bridge Replacement and HOV project (8BI11003) is supported over time from multiple sources, including a $300,000,000 TIFIA loan, $923,000,000 in Garvee bonds, toll revenues, state bonds, interest earnings, and other miscellaneous sources.

(b) The state route number 520 corridor account—state appropriation includes up to $343,834,000 in proceeds from the sale of bonds authorized in RCW 47.10.879 and 47.10.886.

(c) The state route number 520 corridor account—federal appropriation includes up to $104,801,000 in proceeds from the sale of bonds authorized in RCW 47.10.879 and 47.10.886.

(d) ($126,937,000) $45,680,000 of the transportation partnership account—state appropriation, $104,801,000 of the state route number 520 corridor account—federal appropriation, and ($368,121,000) $110,910,000 of the state route number 520 corridor account—state appropriation are provided solely for the SR 520 Bridge Replacement and HOV project.

Of the amounts appropriated in this subsection (12)(d), $233,085,000 of the state route number 520 civil penalties account—state appropriation is provided solely for the department to continue to work with the Seattle department of transportation in their joint planning, design, right-of-way acquisition, outreach, and operation of the remaining west side elements including, but not limited to, the Montlake lid, the bicycle/pedestrian path, the effective network of transit connections, and the Portage Bay bridge of the SR 520 Bridge Replacement and HOV project.

(13) $14,000,000 of the state route number 520 civil penalties account—state appropriation is provided solely for the department to continue to work with the Seattle department of transportation in their joint planning, design, right-of-way acquisition, outreach, and operation of the remaining west side elements including, but not limited to, the Montlake lid, the bicycle/pedestrian path, the effective network of transit connections, and the Portage Bay bridge of the SR 520 Bridge Replacement and HOV project.

(14) $1,056,000 of the motor vehicle account—federal appropriation and $38,000 of the motor vehicle account—state appropriation are provided solely for the 31st Ave SW Overpass Widening and Improvement project (L1100048).

(15) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Prior to the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2017, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

(16) For urban corridors that are all or partially within a metropolitan planning organization boundary, for which the department has not initiated environmental review, and that require an environmental impact statement, at least one alternative must be consistent with the goals set out in RCW 47.01.440.

(17) The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department's 2016 budget submittal. It is the intent of the legislature that new
facility construction must be transparent and not appropriated within larger highway construction projects.

(18) (($52,869,000)) $44,742,000 of the motor vehicle account—federal appropriation, (($4,439,000)) $4,381,000 of the motor vehicle account—state appropriation, and (($1,085,000)) $529,000 of the motor vehicle account—private/local appropriation are provided solely for fish passage barrier and chronic deficiency improvements (0BI4001).

(19) Any new advisory group that the department convenes during the 2015-2017 fiscal biennium must consider the interests of the entire state of Washington.

(20) Except as provided otherwise in this section, the entire connecting Washington account appropriation is provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document ((2016-1)) 2017-1 as developed March ((7, 2016)) 25, 2017, Program - Highway Improvements Program (I).

(21) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue $50,000,000 in federal funds to pay for this project to supplant state funds in the future. $50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

(22) Of the amounts allocated to the Puget Sound Gateway project (M00600R) in LEAP Transportation Document ((2016-1)) 2017-1 as developed March ((7, 2016)) 25, 2017, $4,000,000 must be used to complete the bridge connection at 28th/24th Street over state route number 509 in the city of SeaTac. The bridge connection must be completed prior to other construction on the state route number 509 segment of the project.

(23) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(24) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

(25) (($1,500,000)) $901,000 of the motor vehicle account—state appropriation is provided solely for the department to complete an interchange justification report (IJR) for the U.S. 2 trestle, covering the state route number 204 and 20th Street interchanges at the end of the westbound structure.

(a) The department shall develop the IJR in close collaboration with affected local jurisdictions, including Snohomish county and the cities of Everett, Lake Stevens, Marysville, Snohomish, and Monroe.

(b) Within the amount provided for the IJR, the department must address public outreach and the overall operational approval of the IJR.

(c) The department shall complete the IJR and submit the final report to the governor and the transportation committees of the legislature by July 1, 2018.

(26)(a) The department must conduct outreach to local transit agencies during the planning process for highway construction projects led by the department.

(b) The department must develop process recommendations for best practices in minimizing impacts to transit and freight during project construction. A report on best practices must be submitted to the transportation committees of the legislature by December 1, 2016.

(27) The legislature finds that project efficiencies and savings may be gained by combining the I-5 Marine Drive project
(I50TC1A1) and the SR 529/I-5 Interchange project (N52900R). The department must deliver them as one project, the I-5 Peak Hour Use Lanes and Interchange Improvements project (L2000229), using a design-build approach.

(28)(a) The legislature recognizes that the city of Mercer Island has unique access issues that require the use of Interstate 90 to leave the island and that this access may be impeded by the I-90/Two-Way Transit and HOV Improvements project. (The department must continue to work with the city of Mercer Island to address potential access solutions as the project nears completion.) One of the most heavily traveled on-ramps from Mercer Island to the westbound Interstate 90 general purpose lanes is from Island Crest Way. The department must continue to consult with the city of Mercer Island and the other signatories to the 1976 memorandum of agreement to preserve access provided to Mercer Island by the Island Crest Way on-ramp, and thus grandfather the current use of the on-ramp for both high occupancy vehicles as well as vehicles seeking to access the general purpose lanes of Interstate 90. The department must consider all reasonable access solutions, including allowing all vehicles to use the Island Crest Way on-ramp to access the new high occupancy vehicle lane with a reasonable and safe distance provided for single-occupancy vehicles to merge into the general purpose lanes. A final access solution must consider all safety, operational, and enforcement requirements, not benefit one group of commuters at the expense of another group, and meet applicable requirements of state and federal law.

(b) The department may not close or restrict, in any way, the westbound on-ramp from Island Crest Way to the current westbound Interstate 90 general purpose lanes until a mutually acceptable final access solution has been reached.

(29) $9,500,000 of the Interstate 405 express toll lanes operations account—state appropriation is provided solely for the I-405 NB Hard Shoulder Running – SR 527 to I-5 project (L1000163).

By November 15, 2016, the department shall submit a prioritized list of recommended projects to the office of financial management and the transportation committees of the legislature.

The department may consider the special situations facing high-need areas,
as defined by schools or project areas in which the percentage of the children eligible to receive free and reduced-price meals under the national school lunch program is equal to, or greater than, the state average as determined by the department, when evaluating project proposals against established funding criteria while ensuring continued compliance with federal eligibility requirements.

(3) The department shall submit a report to the transportation committees of the legislature by December 1, 2015, and December 1, 2016, on the status of projects funded as part of the pedestrian safety/safe routes to school grant program. The report must include, but is not limited to, a list of projects selected and a brief description of each project's status.

(4) $500,000 of the motor vehicle account—state appropriation is provided solely for the Edmonds waterfront at-grade train crossings alternatives analysis project (L2000135). The department shall work with the city of Edmonds and provide a preliminary report of key findings to the transportation committees of the legislature and the office of financial management by December 1, 2015.

(5)(a) ($9,900,000) $9,343,000 of the multimodal transportation account—state appropriation is provided solely for bicycle and pedestrian projects listed in LEAP Transportation Document (2016-4) as developed March 25, 2017. Funds must first be used for projects that are identified as priority one projects. As additional funds become available or if a priority one project is delayed, funding must be provided to priority two projects and then to priority three projects. If a higher priority project is bypassed, it must be funded in the first round after the project is ready. If funds become available as a result of projects being removed from this list or completed under budget, the department may submit additional bicycle and pedestrian safety projects for consideration by the legislature. The department must submit a report annually with its budget submittal that, at a minimum, includes information about the listed bicycle and pedestrian projects that have been funded and projects that have been bypassed, including an estimated time frame for when the project will be funded.

(b) Within existing resources, the local programs division must develop recommendations regarding potential modifications to the process by which funding is provided to the projects listed in the LEAP transportation document identified in (a) of this subsection. These modifications should include, but are not limited to, options for accelerating delivery of the listed projects and options for further prioritizing the listed projects. The department must submit a report regarding its recommendations to the transportation committees of the legislature by November 15, 2016.

IMPLEMENTING PROVISIONS
Sec. 1201. 2016 c 14 s 601 (uncodified) is amended to read as follows:

FUND TRANSFERS

(1) The transportation 2003 projects or improvements and the 2005 transportation partnership projects or improvements are listed in the LEAP list titled ((2016-1)) 2017-1 as developed March (4/7/2016) 25, 2017, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 account (nickel account) projects on the LEAP transportation documents referenced in this act. However, this section does not apply to the I-5/Columbia River Crossing project (400506A). For the 2015-2017 project appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, or transportation partnership account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;

(c) Each transfer between projects may only occur if the director of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2016 supplemental omnibus transportation appropriations act, any unexpended 2013-2015 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects;

(d) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed to complete the project;

(e) Transfers may not occur for projects not identified on the applicable project list;

(f) Transfers may not be made while the legislature is in session; and

(g) Transfers between projects may be made, without the approval of the director of the office of financial management, by the department of transportation until the transfer amount by project exceeds two hundred fifty thousand dollars, or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of financial management and the chairs of the house of
MISCELLANEOUS 2015-2017 FISCAL BIENNium

NEW SECTION. Sec. 1401. A new section is added to 2016 c 14 (uncodified) to read as follows:

The appropriations to the department of transportation in chapter 14, Laws of 2016 and this act must be expended for the programs and in the amounts specified in this act. However, after May 1, 2017, unless specifically prohibited, the department may transfer state appropriations for the 2015-2017 fiscal biennium among operating programs after approval by the director of the office of financial management. However, the department shall not transfer state moneys that are provided solely for a specific purpose. The department shall not transfer funds, and the director of the office of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds and not federal funds. The director of the office of financial management shall notify the transportation committees of the legislature in writing no fewer than seven days before approving any allotment modifications or transfers under this section. The written notification must include a narrative explanation and justification of the changes, along with expenditures and allotments by program and appropriation, both before and after any allotment modifications or transfers.

(4) The department shall provide fuel tax stickers by mail to fuel pump owners who request them for the face of each motor fuel pump for which a sticker is requested.

(5) The department shall produce updated fuel tax stickers on an annual basis when one or more fuel tax rates have changed. Fuel tax stickers must be replaced at the time of motor fuel pump inspection if the sticker has been updated with any new fuel tax rates.

(1) Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, public transportation benefit areas, high capacity transportation corridor areas, and regional transit authorities may submit an authorizing proposition to the voters and if approved may impose an excise tax of up to two dollars per month per employee on all employers located within the applicable jurisdiction, measured by the number of full-time equivalent employees, solely for the purpose of providing high capacity transportation service. The rate of tax shall be approved by the voters. This tax may not be imposed by: ((1))

(a) A transit agency or high capacity transportation corridor area when the county within which it is located is imposing an excise tax pursuant to RCW 81.100.030; or (2) a regional transit authority when any county within the authority’s boundaries is imposing an excise tax pursuant to RCW 81.100.030. The agency or high capacity transportation corridor area imposing the tax authorized in this section may provide for exemptions from the tax to such educational, cultural, health, charitable, or religious organizations as it deems appropriate.

(2) During the 2017-2019 fiscal biennium, the authority to impose a tax under this section is subject to section 714 of this act.

Sec. 716. RCW 81.104.160 and 2015 3rd sp.s. c 44 s 319 are each amended to read as follows:

(1) Regional transit authorities that include a county with a population of more than one million five hundred thousand may submit an authorizing proposition to the voters, and if approved, may levy and collect an excise tax, at a rate approved by the voters, but not exceeding eight-tenths of one percent on the value, under chapter 82.44 RCW, of every motor vehicle owned by a resident of the taxing district, solely for the purpose of providing high capacity transportation service. The maximum tax rate under this subsection does not include a motor vehicle excise tax approved before July 15, 2015, if the tax will terminate on the date bond debt to which the tax is pledged is repaid. This tax does not apply to vehicles licensed under RCW 46.16A.455 except vehicles with an unladen weight of six thousand pounds or less, RCW 46.16A.425 or 46.17.335(2).

Notwithstanding any other provision of this subsection or chapter 82.44 RCW, a motor vehicle excise tax imposed by a regional transit authority before or after July 15, 2015, must comply with chapter 82.44 RCW as it existed on January 1, 1996, until December 31st of the year in which the regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before July 15, 2015. Motor vehicle taxes collected by regional transit authorities after December 31st of the year in which a regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before July 15, 2015, must comply with chapter 82.44 RCW as it existed on the date the tax was approved by voters.

(2) An agency and high capacity transportation corridor area may impose a sales and use tax solely for the purpose of providing high capacity transportation service, in addition to the tax authorized by RCW 82.14.030, upon retail car rentals within the applicable jurisdiction that are taxable by the state under chapters 82.08 and 82.12 RCW. The rate of tax may not exceed 2.172 percent. The rate of tax imposed under this subsection must bear the same ratio of the 2.172 percent authorized that the rate imposed under subsection (1) of this section bears to the rate authorized under subsection (1) of this section. The base of the tax is the selling price in the case of a sales tax or the rental value of the vehicle used in the case of a use tax.

(3) Any motor vehicle excise tax previously imposed under the provisions of RCW 81.104.160(1) shall be repealed, terminated, and expire on December 5, 2002, except for a motor vehicle excise tax for which revenues have been
contractually pledged to repay a bonded debt issued before December 5, 2002, as determined by Pierce County et al. v. State, 159 Wn.2d 16, 148 P.3d 1002 (2006). In the case of bonds that were previously issued, the motor vehicle excise tax must comply with chapter 82.44 RCW as it existed on January 1, 1996.

(4) If a regional transit authority imposes the tax authorized under subsection (1) of this section, the authority may not receive any state grant funds provided in an omnibus transportation appropriations act except transit coordination grants created in chapter 11, Laws of 2015 3rd sp. sess.

(5) During the 2017-2019 fiscal biennium, the authority to impose a tax under this section is subject to section 714 of this act.

Sec. 717. RCW 81.104.170 and 2015 3rd sp.s. c 44 s 320 are each amended to read as follows:

(1) Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, public transportation benefit areas, high capacity transportation corridor areas, and regional transit authorities may submit an authorizing proposition to the voters and if approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter, solely for the purpose of providing high capacity transportation service.

(2) The tax authorized pursuant to this section is in addition to the tax authorized by RCW 82.14.030 and must be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing district.

(a) Except for the tax imposed under (b) of this subsection by regional transit authorities that include a county with a population of more than one million five hundred thousand, the maximum rate of such tax must be approved by the voters and may not exceed one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The maximum rate of such tax that may be imposed may not exceed nine-tenths of one percent in any county that imposes a tax under RCW 82.14.340, or within a regional transit authority if any county within the authority imposes a tax under RCW 82.14.340.

(b) The maximum rate of such tax that may be imposed by a regional transit authority that includes a county with a population of more than one million five hundred thousand must be approved by the voters and may not exceed 1.4 percent. If a regional transit authority imposes the tax authorized under this subsection (2)(b) in excess of 0.9 percent, the authority may not receive any state grant funds provided in an omnibus transportation appropriations act except transit coordination grants created in chapter 11, Laws of 2015 3rd sp. sess.

(3)(a) The exemptions in RCW 82.08.820 and 82.12.820 are for the state portion of the sales and use tax and do not extend to the tax authorized in this section.

(b) The exemptions in RCW 82.08.962 and 82.12.962 are for the state and local sales and use taxes and include the tax authorized by this section.

(4) During the 2017-2019 fiscal biennium, the authority to impose a tax under this section is subject to section 714 of this act.

Sec. 718. RCW 81.104.175 and 2015 3rd sp.s. c 44 s 321 are each amended to read as follows:

(1) A regional transit authority that includes a county with a population of more than one million five hundred thousand may impose a property tax levy in an amount not to exceed twenty-five cents per thousand dollars of the assessed value of property in the regional transit authority district in accordance with the terms of this section.

(2) Any tax imposed under this section must be used for the purpose of providing high capacity transportation service, as set forth in a proposition that is approved by a majority of the registered voters that vote on the proposition.

(3) Property taxes imposed under this section may be imposed for the period of time required to pay the cost to plan, design, construct, operate, and maintain the transit facilities set forth in the approved proposition. Property taxes pledged to repay bonds may be imposed at the pledged amount until the bonds are retired. After the bonds are retired, property taxes authorized under this section must be:
(a) Reduced to the level required to operate and maintain the regional transit authority's transit facilities; or

(b) Terminated, unless the taxes have been extended by public vote.

(4) The limitations in RCW 84.52.043 do not apply to the tax authorized in this section.

(5) The limitation in RCW 84.55.010 does not apply to the first levy imposed under this section.

(7) During the 2017-2019 fiscal biennium, the authority to impose a tax under this section is subject to section 714 of this act.

Renumber the remaining sections consecutively and correct any internal references accordingly.

POINT OF ORDER

Representative Tarleton requested a scope and object ruling on amendment (497) to the striking amendment (464) to Engrossed Senate Bill No. 5096.

SPEAKER'S RULING

Mr. Speaker (Representative Orwall presiding):

Engrossed Senate Bill 5096 is the transportation budget for the 2017-19 biennium. It appropriates funds to state agencies for state transportation purposes.

Amendment 497 relates to the regional transit authority known as Sound Transit. Sound Transit is not a state agency and does not operate a state transportation program.

The Speaker therefore finds and rules that the amendment is beyond the scope and object of the bill. The point of order is well taken.

Representative Stokesbary moved the adoption of amendment (517) to the striking amendment (464):

On page 81, after line 18 of the striking amendment, insert the following:

"Sec. 714. RCW 81.104.160 and 2015 3rd sp.s. c 44 s 319 are each amended to read as follows:

(1) Regional transit authorities that include a county with a population of more than one million five hundred thousand may submit an authorizing proposition to the voters, and if approved, may levy and collect an excise tax, at a rate approved by the voters, but not exceeding eight-tenths of one percent on the value, under chapter 82.44 RCW, of every motor vehicle owned by a resident of the taxing district, solely for the purpose of providing high capacity transportation service. The maximum tax rate under this subsection does not include a motor vehicle excise tax approved before July 15, 2015, if the tax will terminate on the date bond debt to which the tax is pledged is repaid. This tax does not apply to vehicles licensed under RCW 46.16A.455 except vehicles with an unladen weight of six thousand pounds or less, RCW 46.16A.425 or 46.17.335(2). Except as provided below during the 2017-2019 fiscal
biennium, and notwithstanding any other provision of this subsection or chapter 82.44 RCW, a motor vehicle excise tax imposed by a regional transit authority before or after July 15, 2015, must comply with chapter 82.44 RCW as it existed on January 1, 1996, until December 31st of the year in which the regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before July 15, 2015. Motor vehicle taxes collected by regional transit authorities after December 31st of the year in which a regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before July 15, 2015, must comply with chapter 82.44 RCW as it existed on the date the tax was approved by voters. With respect to bond debt incurred during the 2017-2019 fiscal biennium, and to which the motor vehicle excise tax is pledged, the tax must be based on base model Kelley Blue book values during the 2017-2019 fiscal biennium.

(2) An agency and high capacity transportation corridor area may impose a sales and use tax solely for the purpose of providing high capacity transportation service, in addition to the tax authorized by RCW 82.14.030, upon retail car rentals within the applicable jurisdiction that are taxable by the state under chapters 82.08 and 82.12 RCW. The rate of tax may not exceed 2.172 percent. The rate of tax imposed under this subsection must bear the same ratio of the 2.172 percent authorized that the rate imposed under subsection (1) of this section bears to the rate authorized under subsection (1) of this section. The base of the tax is the selling price in the case of a sales tax or the rental value of the vehicle used in the case of a use tax.

(3) Any motor vehicle excise tax previously imposed under the provisions of RCW 81.104.160(1) shall be repealed, terminated, and expire on December 5, 2002, except for a motor vehicle excise tax for which revenues have been contractually pledged to repay a bonded debt issued before December 5, 2002, as determined by Pierce County et al. v. State, 159 Wn.2d 16, 148 P.3d 1002 (2006). In the case of bonds that were previously issued, the motor vehicle excise tax must comply with chapter 82.44 RCW as it existed on January 1, 1996.

(4) If a regional transit authority imposes the tax authorized under subsection (1) of this section, the authority may not receive any state grant funds provided in an omnibus transportation appropriations act except transit coordination grants created in chapter 11, Laws of 2015 3rd sp. sess.

Sec. 715. RCW 82.44.035 and 2010 c 161 s 910 are each amended to read as follows:

(1) For the purpose of determining any locally imposed motor vehicle excise tax, except as provided in RCW 81.104.160 during the 2017-2019 fiscal biennium, the value of a truck or trailer shall be the latest purchase price of the vehicle, excluding applicable federal excise taxes, state and local sales or use taxes, transportation or shipping costs, or preparatory or delivery costs, multiplied by the following percentage based on year of service of the vehicle since last sale. The latest purchase year shall be considered the first year of service.

(2) The reissuance of a certificate of title and registration certificate for a truck or trailer because of the installation of body or special equipment shall be treated as a sale, and the value of the truck or trailer at that time, as determined by the department from such information as may be available, shall be considered the latest purchase price.

(3) For the purpose of determining any locally imposed motor vehicle excise tax, except as provided in RCW 81.104.160 during the 2017-2019 fiscal biennium, the
value of a vehicle other than a truck or trailer shall be eighty-five percent of the manufacturer's base suggested retail price of the vehicle when first offered for sale as a new vehicle, excluding any optional equipment, applicable federal excise taxes, state and local sales or use taxes, transportation or shipping costs, or preparatory or delivery costs, multiplied by the applicable percentage listed in this subsection (3) based on year of service of the vehicle.

If the manufacturer's base suggested retail price is unavailable or otherwise unascertainable at the time of initial registration in this state, the department shall determine a value equivalent to a manufacturer's base suggested retail price as follows:

(a) The department shall determine a value using any information that may be available, including any guidebook, report, or compendium of recognized standing in the automotive industry or the selling price and year of sale of the vehicle. The department may use an appraisal by the county assessor. In valuing a vehicle for which the current value or selling price is not indicative of the value of similar vehicles of the same year and model, the department shall establish a value that more closely represents the average value of similar vehicles of the same year and model. The value determined in this subsection (3)(a) shall be divided by the applicable percentage listed in (b) of this subsection (3) to establish a value equivalent to a manufacturer's base suggested retail price and this value shall be multiplied by eighty-five percent.

(b) The year the vehicle is offered for sale as a new vehicle shall be considered the first year of service.

POINT OF ORDER

Representative Tarleton requested a scope and object ruling on amendment (517) to the striking amendment (464) to Engrossed Senate Bill No. 5096.

SPEAKER'S RULING

Mr. Speaker (Representative Orwall presiding): Engrossed Senate Bill 5096 is the transportation budget for the 2017-19 biennium. It appropriates funds to state agencies for state transportation purposes.

There being no objection, the rules were suspended, the second reading considered the third and the bill, as amended by the House, was placed on final passage.

Representatives Clibborn, Orcutt, Fey, Harmsworth, Wylie and Hargrove spoke in favor of the passage of the bill, as amended by the House.

The Speaker (Representative Lovick presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 5096, as amended by the House.

Voting yea: Representatives Appleton, Barkis, Bergquist, Blake, Chapman, Clibborn, Cody, DeBolt, Dent, Doglio, Dolan, Farrell, Fey, Fitzgibbon, Frame, Goodman,

Excused: Representatives Haler and Jinkins.

MR. SPEAKER:

The President has signed:
NEW SECTION. Sec. 1. The legislature finds that the analysis of environmental impacts required under the state environmental policy act adds value to government decision-making processes in Washington state and helps minimize the potential environmental harm coming from those government decisions. However, the legislature also recognizes that excessive delays in the environmental impact analysis process adds uncertainty and burdensome costs to those seeking to do business in the state of Washington. Therefore, it is the intent of the legislature to promote timely completion of state environmental policy act processes. In doing so, the legislature intends to restore balance between the need to carefully consider environmental impacts and the need to maintain the economic competitiveness of state businesses.

NEW SECTION. Sec. 2. A new section is added to chapter 43.21C RCW to read as follows:

(1) A lead agency shall aspire to prepare a final environmental impact statement required by RCW 43.21C.030(2) in as expeditious a manner as possible while not compromising the integrity of the analysis.

(a) For even the most complex government decisions associated with a broad scope of possible environmental impacts, a lead agency shall aspire to prepare a final environmental impact statement required by RCW 43.21C.030(2) within twenty-four months of a threshold determination of a probable significant, adverse environmental impact.

(b) Wherever possible, a lead agency shall aspire to far outpace the twenty-four month time limit established in this section for more commonplace government decisions associated with narrower and more easily identifiable environmental impacts.

(2) Beginning December 31, 2018, and every two years thereafter, the department of ecology must submit a report on the environmental impact statements produced by state agencies and local governments to the appropriate committees of the legislature. The report must include data on the average time, and document the range of time, it took to complete environmental impact statements within the previous two years.

(3) Nothing in this section creates any civil liability for a lead agency or creates a new cause of action against a lead agency.

On page 1, line 2 of the title, after "years;" strike the remainder of the title and insert "adding a new section to
chapter 43.21C RCW; and creating a new section.”

and the same is herewith transmitted.

PHYSICAL THERAPY LICENSURE COMPACT

ARTICLE I - PURPOSE

The purpose of this compact is to facilitate interstate practice of physical therapy with the goal of improving public access to physical therapy services. The practice of physical therapy occurs in the state where the patient/client is located at the time of the patient/client encounter. This compact is designed to achieve the following objectives:

(3) Encourage the cooperation of member states in regulating multistate physical therapy practice;

(4) Support spouses of relocating military members;

(5) Enhance the exchange of licensure, investigative, and disciplinary information between member states; and

(6) The notice of proposed rule making shall include:

(a) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(b) The text of the proposed rule or amendment and the reason for the proposed rule;

(c) A request for comments on the proposed rule from any interested person; and

(d) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(7) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(8) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(a) At least twenty-five persons;

(b) A state or federal governmental subdivision or agency; or

(c) An association having at least twenty-five members.

(9) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(a) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their
desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(b) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(c) All hearings will be recorded. A copy of the recording will be made available on request.

(d) Nothing in this Article IX shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this Article IX.

(10) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(11) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(12) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rule-making record and the full text of the rule.

(13) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in the compact and in this Article IX shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or member state funds;

(c) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(d) Protect public health and safety.

(14) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the web site of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

ARTICLE X - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

(1) Oversight. (a) The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(c) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination. (a) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(i) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the commission; and
(ii) Provide remedial training and specific technical assistance regarding the default.

(b) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(d) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(e) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(f) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

ARTICLE XI - DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

(1) The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rule-making powers necessary to the implementation and administration of the compact.

(2) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(3) Any member state may withdraw from this compact by enacting a statute repealing the same.

(a) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(4) Nothing contained in this compact shall be construed to invalidate or
prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(5) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

ARTICLE XII - CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.

NEW SECTION. Sec. 2. A new section is added to chapter 18.74 RCW to read as follows:

COMPACT PRIVILEGE—FEES.

(1) The secretary, in consultation with the board, shall establish fees pursuant to RCW 43.70.250 for physical therapists and physical therapist assistants seeking to practice in this state by use of compact privilege as defined in section 1 of this act. At the time of applying for compact privilege in this state, the applicant shall comply with established fee requirements.

(2) The fees established in subsection (1) of this section must be an amount sufficient to cover the state's monetary obligations as a member state to the physical therapy licensure compact.

NEW SECTION. Sec. 3. A new section is added to chapter 18.74 RCW to read as follows:

The board shall not disseminate any criminal history information gained through a federal background check, ordered pursuant to section 1 of this act, the physical therapy licensure compact, to the physical therapy compact commission or another state or state licensure board.

Sec. 4. RCW 18.74.050 and 1996 c 191 s 59 are each amended to read as follows:

(1) The secretary shall furnish a license upon the authority of the board to any person who applies and who has qualified under the provisions of this chapter. At the time of applying, the applicant shall comply with administrative procedures, administrative requirements, and fees established pursuant to RCW 43.70.250 and 43.70.280. No person registered or licensed on July 24, 1983, as a physical therapist shall be required to pay an additional fee for a license under this chapter.

(2) No fees collected pursuant to subsection (1) of this section may be used to meet the state's monetary obligations as a member state to the physical therapy licensure compact.

Sec. 5. RCW 18.74.090 and 2007 c 98 s 10 are each amended to read as follows:

(1) A person who is not licensed with the secretary of health as a physical therapist under the requirements of this chapter shall not represent him or herself as being so licensed and shall not use in connection with his or her name the words or letters "P.T.", "R.P.T.", "L.P.T.", "physical therapy", "physiotherapy", "physical therapist" or "physiotherapist", or any other letters, words, signs, numbers, or insignia indicating or implying that he or she is a physical therapist. No person may practice physical therapy without first having a valid license. Nothing in this chapter prohibits any person licensed in this state under any other act from engaging in the practice for which he or she is licensed. It shall be the duty of the prosecuting attorney of each county to prosecute all cases involving a violation of this chapter arising within his or her county. The attorney general may assist in such prosecution and shall appear at all hearings when requested to do so by the board.

(2) No person assisting in the practice of physical therapy may use the title "physical therapist assistant," the letters "PTA," or any other words, abbreviations or insignia in connection with his or her name to indicate or imply, directly or indirectly, that he or she is a physical therapist assistant without
being licensed in accordance with this chapter as a physical therapist assistant.

(3) Subsections (1) and (2) of this section do not apply to an individual who is authorized to practice as a physical therapist or work as a physical therapist assistant by compact privilege as defined in section 1 of this act.

Sec. 6. RCW 18.74.150 and 2013 c 280 s 1 are each amended to read as follows:

(1) It is unlawful for any person to practice or in any manner hold himself or herself out to practice physical therapy or designate himself or herself as a physical therapist or physical therapist assistant, unless he or she is licensed in accordance with this chapter or has unencumbered compact privilege as defined in section 1 of this act.

(2) This chapter does not restrict persons licensed under any other law of this state from engaging in the profession or practice for which they are licensed, if they are not representing themselves to be physical therapists, physical therapist assistants, or providers of physical therapy.

(3) The following persons are exempt from licensure as physical therapists under this chapter when engaged in the following activities:

(a) A person who is pursuing a course of study leading to a degree as a physical therapist in an approved professional education program and is satisfying supervised clinical education requirements related to his or her physical therapy education while under direct supervision of a licensed physical therapist;

(b) A physical therapist while practicing in the United States armed services, United States public health service, or veterans administration as based on requirements under federal regulations for state licensure of health care providers; and

(c) A physical therapist licensed in another United States jurisdiction, or a foreign-educated physical therapist assistant credentialed in another country, or a physical therapist assistant who is teaching or participating in an educational seminar of no more than sixty days in a calendar year.

Sec. 7. RCW 43.70.320 and 2015 c 70 s 39 are each amended to read as follows:

(1) There is created in the state treasury an account to be known as the health professions account. All fees received by the department for health professions licenses, registration, certifications, renewals, compact privileges, or examinations and the civil penalties assessed and collected by the department under RCW 18.130.190 shall be forwarded to the state treasurer who shall credit such moneys to the health professions account.

(2) All expenses incurred in carrying out the health professions licensing activities of the department and implementing and administering the medical marijuana authorization database established in RCW 69.51A.230 shall be paid from the account as authorized by legislative appropriation, except as provided in subsections (4) and (5) of this section. Any residue in the account shall be accumulated and shall not revert to the general fund at the end of the biennium.

(3) The secretary shall biennially prepare a budget request based on the anticipated costs of administering the health professions licensing activities of the department which shall include the
estimated income from health professions fees.

(4) The fees received by the department from applicants for compact privilege under section 1 of this act must be used for the purpose of meeting financial obligations imposed on the state as a result of this state's participation in the physical therapy licensure compact.

(5) The secretary shall, at the request of a board or commission as applicable, spend unappropriated funds in the health professions account that are allocated to the requesting board or commission to meet unanticipated costs of that board or commission when revenues exceed more than fifteen percent over the department's estimated six-year spending projections for the requesting board or commission. Unanticipated costs shall be limited to spending as authorized in subsection (3) of this section for anticipated costs.

NEW SECTION. Sec. 8. Sections 1 and 2 of this act shall be known and cited as the physical therapy licensure compact.

MESSAGE FROM THE SENATE

April 11, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1520 with the following amendment:

"Sec. 1. RCW 74.09.5225 and 2016 sp.s. c 31 s 2 are each amended to read as follows:

(1) Payments for recipients eligible for medical assistance programs under this chapter for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, shall be made based on allowable costs incurred during the year, when services are provided by a rural hospital certified by the centers for medicare and medicaid services as a critical access hospital, unless the critical access hospital is participating in the Washington rural health access preservation pilot described in subsection (2)(b) of this section. Any additional payments made by the authority for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

(2)(a) Beginning on July 24, 2005, except as provided in (b) of this subsection, a moratorium shall be placed on additional hospital participation in critical access hospital payments under this section. However, rural hospitals that applied for certification to the centers for medicare and medicaid services prior to January 1, 2005, but have not yet completed the process or have not yet been approved for certification, remain eligible for medical assistance payments under this section."
(b) (i) The purpose of the Washington rural health access preservation pilot is to develop an alternative service and payment system to the critical access hospital authorized under section 1820 of the Social Security Act to sustain essential services in rural communities. (ii) For the purposes of state law, any rural hospital approved by the department of health for participation in critical access hospital payments under this section that participates in the Washington rural health access preservation pilot identified by the state office of rural health and ceases to participate in critical access hospital associated payment methodologies under this section at any time. 

((iii)) (iii) The Washington rural health access preservation pilot is subject to the following requirements:

(A) In the pilot formation or development, the department of health, health care authority, and Washington state hospital association will identify goals for the pilot project before any hospital joins the pilot project;

(B) Participation in the pilot is optional and no hospital may be required to join the pilot;

(C) Before a hospital enters the pilot program, the health care authority must provide information to the hospital regarding how the hospital could end its participation in the pilot if the pilot is not working in its community; 

(D) Payments for services delivered by public health care service districts participating in the Washington rural health access preservation pilot to recipients eligible for medical assistance programs under this chapter must be based on an alternative, value-based payment methodology established by the authority. Subject to the availability of amounts appropriated for this specific purpose, the payment methodology must provide sufficient funding to sustain essential services in the areas served, including but not limited to emergency and primary care services. The methodology must adjust payment amounts based on measures of quality and value, rather than volume. As part of the pilot, the health care authority shall encourage additional payers to use the adopted payment methodology for services delivered by the pilot participants to individuals insured by those payers;

(E) The department of health, health care authority, and Washington state hospital association will report interim progress to the legislature no later than December 1, 2018, and will report on the results of the pilot no later than six months following the conclusion of the pilot. The reports will describe any policy changes identified during the course of the pilot that would support small critical access hospitals; and

(F) Funds appropriated for the Washington rural health access preservation pilot will be used to help participating hospitals transition to a new payment methodology and will not extend beyond the anticipated three-year pilot period.

(3)(a) Beginning January 1, 2015, payments for recipients eligible for medical assistance programs under this chapter for services provided by a rural hospital that:

(i) Was certified by the centers for medicare and medicaid services as a sole community hospital as of January 1, 2013;

(ii) Had a level III adult trauma service designation from the department of health as of January 1, 2014;

(iii) Had less than one hundred fifty acute care licensed beds in fiscal year 2011; and

(iv) Is owned and operated by the state or a political subdivision.

(b) The enhanced payment rates under this subsection shall be considered the hospital’s medicaid payment rate for purposes of any other state or private programs that pay hospitals according to medicaid payment rates.

(c) Hospitals participating in the certified public expenditures program may not receive the increased reimbursement rates provided in this subsection (3) for inpatient services.

NEW SECTION. Sec. 2. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017,
The Senate has passed SUBSTITUTE HOUSE BILL NO. 1845 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 48.185.005 and 2015 c 263 s 1 are each amended to read as follows:

The definitions in this subsection apply throughout this chapter unless the context clearly requires otherwise.

(1)(a)(i) "Delivered by electronic means" includes:

(A) Delivery to an electronic mail address at which a party has consented to receive notices or documents; or

(B) Posting on an electronic network or site accessible via the internet, mobile application, computer, mobile device, tablet, or any other electronic device, together with separate notice of the posting which shall be provided by electronic mail to the address at which the party has consented to receive notice or by any other delivery method that has been consented to by the party.

(ii) "Delivered by electronic means" does not include any communication between an insurer and an insurance producer relating to RCW 48.17.591 and 48.17.595.

(b) "Party" means any recipient of any notice or document required as part of an insurance transaction, including but not limited to an applicant, an insured, a policyholder, or an annuity contract holder.

(2) Subject to the requirements of this section, any notice to a party or any other document required under applicable law in an insurance transaction or that is to serve as evidence of insurance coverage may be delivered, stored, and presented by electronic means so long as it meets the requirements of the Washington electronic authentication act (chapter 19.34 RCW). An electronic signature is the equivalent of a digital signature, as those terms are defined in chapter 19.34 RCW, for the purposes of satisfying the requirements of chapter 19.34 RCW under this chapter.

(3) Delivery of a notice or document in accordance with this section is the equivalent to any delivery method required under applicable law, including delivery by first-class mail; first-class mail, postage prepaid; certified mail; or registered mail.
(4) A notice or document may be delivered by an insurer to a party by electronic means under this section only if:

(a) The party has affirmatively consented to that method of delivery and has not withdrawn the consent;

(b) The party, before giving consent, has been provided with a clear and conspicuous statement informing the party of:

(i) The right the party has to withdraw consent to have a notice or document delivered by electronic means at any time, and any conditions or consequences imposed in the event consent is withdrawn;

(ii) The types of notices and documents to which the party's consent would apply;

(iii) The right of a party to have a notice or document in paper form; and

(iv) The procedures a party must follow to withdraw consent to have a notice or document delivered by electronic means and to update the party's electronic mail address;

(c) The party:

(i) Before giving consent, has been provided with a statement of the hardware and software requirements for access to and retention of notices or documents delivered by electronic means; and

(ii) Consents electronically, or confirms consent electronically, in a manner that reasonably demonstrates that the party can access information in the electronic form that will be used for notices or documents delivered by electronic means as to which the party has given consent; and

(d) After consent of the party is given, the insurer, in the event a change in the hardware or software requirements needed to access or retain a notice or document delivered by electronic means creates a material risk that the party will not be able to access or retain a subsequent notice or document to which the consent applies:

(i) Shall provide the party with a statement that describes:

(A) The revised hardware and software requirements for access to and retention of a notice or document delivered by electronic means; and

(B) The right of the party to withdraw consent without the imposition of any fee, condition, or consequence that was not disclosed at the time of initial consent; and

(ii) Complies with (b) of this subsection.

(5) This section does not affect requirements related to content or timing of any notice or document required under applicable law.

(6) If this title or applicable law requiring a notice or document to be provided to a party expressly requires verification or acknowledgment of receipt of the notice or document, the notice or document may be delivered by electronic means only if the method used provides for verification or acknowledgment of receipt.

(7) The legal effectiveness, validity, or enforceability of any contract or policy of insurance executed by a party may not be denied solely because of the failure to obtain electronic consent or confirmation of consent of the party in accordance with subsection (4)(c)(ii) of this section.

(8)(a) A withdrawal of consent by a party does not affect the legal effectiveness, validity, or enforceability of a notice or document delivered by electronic means to the party before the withdrawal of consent is effective.

(b) A withdrawal of consent by a party is effective within a reasonable period of time, not to exceed thirty days, after receipt of the withdrawal by the insurer.

(c) Failure by an insurer to comply with subsections (4)(d) and (10) of this section may be treated, at the election of the party, as a withdrawal of consent for purposes of this section.

(9) This section does not apply to a notice or document delivered by an insurer in an electronic form before July 24, 2015, to a party who, before that date, has consented to receive a notice or document in an electronic form otherwise allowed by law.

(10) If the consent of a party to receive certain notices or documents in an electronic form is on file with an insurer before July 24, 2015, and pursuant to this section, an insurer intends to deliver additional notices or documents to such party in an electronic form, then prior to delivering such additional notices or
documents electronically, the insurer shall:

(a) Provide the party with a statement that describes:

(i) The notices or documents that shall be delivered by electronic means under this section that were not previously delivered electronically; and

(ii) The party’s right to withdraw consent to have notices or documents delivered by electronic means, without the imposition of any condition or consequence that was not disclosed at the time of initial consent; and

(b) Comply with subsection (4)(b) of this section.

(11) An insurer shall deliver a notice or document by any other delivery method permitted by law other than electronic means if:

(a) The insurer attempts to deliver the notice or document by electronic means and has a reasonable basis for believing that the notice or document has not been received by the party; or

(b) The insurer becomes aware that the electronic mail address provided by the party is no longer valid.

(12) A producer shall not be subject to civil liability for any harm or injury that occurs as a result of a party’s election to receive any notice or document by electronic means or by an insurer’s failure to deliver a notice or document by electronic means.

(13) This section does not modify, limit, or supersede the provisions of the federal electronic signatures in global and national commerce act (E-SIGN), P.L. 106-229, as amended.”

MESSAGE FROM THE SENATE

April 10, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1105 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 81.61.010 and 1977 ex.s.c 2 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise((, the term)): (1) "Contract crew transportation vehicle," as used in this chapter, means every motor vehicle, designed to transport fifteen or fewer passengers, including the driver, that is owned, leased, operated, or maintained by a person contracting with a railroad company or its agents, contractors, subcontractors, vendors, subvendors, secondary vendors, or subcarriers, and used primarily to provide railroad crew transportation.

NEW SECTION. Sec. 2. A new section is added to chapter 81.61 RCW to read as follows:

(1) "Passenger-carrying vehicle," as used in this chapter, means those buses ((and)), vans, trucks, and cars owned, operated, and maintained by a railroad company ((which)) and primarily used to transport((s)) railroad employees in other than the cab of such vehicle and designed primarily for operation on roads which may or may not be equipped with retractable flanged wheels for operation on railroad tracks.

The commission must regulate persons providing contract railroad crew transportation and every contract crew
transportation vehicle with respect to driver qualifications, equipment safety, safety of operations, hours of service by drivers, passenger safety, drug testing requirements, and record retention. This regulation must be consistent with the manner in which the commission regulates these areas under chapter 81.70 RCW and the manner in which it regulates safety under chapter 81.68 RCW, as well as with the approach used in federal motor carrier safety regulations under Title 49 of the code of federal regulations. In the event of a conflict between this chapter and the laws referenced in this subsection, this chapter governs.

(2) The commission must adopt rules under chapter 34.05 RCW as necessary to carry out this chapter regarding the operation of contract crew transportation vehicles.

(3)(a) The commission must require insurance coverage for each contract crew transportation vehicle that satisfies the following minimum amounts:

(i) Five million dollars combined single limit coverage for bodily injury and property damage liability coverage; and

(ii) Uninsured and underinsured motorist coverage of one million dollars.

(b) If a third party contracts with the person operating the vehicle on behalf of the railroad company or its agents, contractors, subcontractors, vendors, subvendors, secondary vendors, or subcarriers to transport railroad crew, the insurance requirements may be satisfied by either the third party or the person operating the vehicle, so long as the person operating the vehicle names the third party as an additional insured or named insured. The railroad company may also satisfy the insurance requirements. Proof of coverage must be provided to the commission by the person contracting with the railroad company.

(4) The commission must require the form and posting of adequate notices in a conspicuous location in all contract crew transportation vehicles to advise railroad employee passengers of their rights, the opportunity to submit safety complaints to the commission, the complaint process, and contact information for the commission.

(5) The commission must require persons providing contract railroad crew transportation to ensure that all drivers of contract crew transportation vehicles successfully complete at least eight hours of commission-approved safety training that includes, but is not limited to, vehicle and passenger safety awareness, rail yard safety, grade crossing safety, load securement, and distracted and fatigued driving.

(6) The commission must investigate safety complaints related to contract railroad crew transportation under this chapter and take appropriate enforcement action as authorized.

(7) The commission may enforce this chapter with respect to persons providing contract railroad crew transportation under the authority in RCW 81.04.380 through 81.04.405, including assessing penalties as warranted.

(8) The commission may suspend or revoke a permit upon complaint by any interested party, or upon the commission’s own motion after notice and opportunity for hearing, when it finds that any person owning, leasing, operating, or maintaining contract crew transportation vehicles has violated this chapter or the rules of the commission, or that the company or its agent has been found by a court or governmental agency to have violated the laws of a state or the United States.

NEW SECTION. Sec. 3. A new section is added to chapter 81.61 RCW to read as follows:

(1) A person is immediately and automatically disqualified from operating a contract crew transportation vehicle for a period of three years if (a) the person is convicted of, or is found to have committed, two or more traffic violations that result in suspension or revocation of the person’s driver’s license within a three-year period, for a reason other than the nonpayment of fines, or (b) the person is found guilty of, or is found to have committed, any drug or alcohol-related traffic offense, using a vehicle to commit a felony, leaving the scene of an accident, prohibited passing of another vehicle, a railroad-highway grade crossing offense identified in RCW 46.25.090(8), or driving with a suspended, revoked, or canceled license.

(2) A driver that sustains a conviction or a traffic violation as outlined under this section while employed by a contract carrier must report the conviction or infraction to the carrier within ten days of the date of conviction or the finding that the infraction was committed.
NEW SECTION. Sec. 4. A new section is added to chapter 81.61 RCW to read as follows:

(1) The commission must compile data regarding any reported safety complaints, accidents, regulatory violations and fines, and corrective actions taken by the commission involving vehicles regulated under this chapter. A railroad company, and any person that owns or leases, operates, or maintains contract crew transportation vehicles in the state, must, at the request of the commission, provide data relevant to any complaints and accidents, including location, time of day, visibility, a description of the event, whether any property damage or personal injuries resulted, and any corrective action taken by the railroad company, person operating the contract crew transportation vehicle, or commission. The commission must make this data available upon request.

(2) Information included in safety complaints that identifies the employee who submitted the complaint is exempt from public inspection and copying pursuant to RCW 42.56.330.

Sec. 5. RCW 81.61.040 and 1977 ex.s. c 2 s 4 are each amended to read as follows:

(1) The commission may, in enforcing rules and orders under this chapter, inspect any passenger-carrying vehicle (provided by a railroad company to transport employees in the course of their employment) or contract crew transportation vehicle. Upon request, the chief of the state patrol may assist the commission in these inspections.

(2) Consistent with section 2 of this act, the commission must develop an inspection program for contract crew transportation vehicles. This program must require a periodic inspection of each vehicle, including a review of operational practices.

Sec. 6. RCW 42.56.330 and 2015 c 224 s 4 are each amended to read as follows:

The following information relating to public utilities and transportation is exempt from disclosure under this chapter:

(1) Records filed with the utilities and transportation commission or attorney general under RCW 80.04.095 or 81.77.210 that a court has determined are confidential under RCW 80.04.095 or 81.77.210;

(2) The addresses, telephone numbers, electronic contact information, and customer-specific utility usage and billing information in increments less than a billing cycle of the customers of a public utility contained in the records or lists held by the public utility of which they are customers, except that this information may be released to the division of child support or the agency or firm providing child support enforcement for another state under Title IV-D of the federal social security act, for the establishment, enforcement, or modification of a support order;

(3) The names, residential addresses, residential telephone numbers, and other individually identifiable records held by an agency in relation to a vanpool, carpool, or other ride-sharing program or service. Participants' names, general locations, and point of contact may be disclosed to other persons who apply for ride-matching services and who need that information in order to identify potential riders or drivers with whom to share rides;

(4) The personally identifying information of current or former participants or other applicants in a paratransit or other transit service operated for the benefit of persons with disabilities or elderly persons;

(5) The personally identifying information of persons who acquire and use transit passes or other fare payment media including, but not limited to, stored value smart cards and magnetic strip cards, except that an agency may disclose personally identifying information to a person, employer, educational institution, or other entity that is responsible, in whole or in part, for payment of the cost of acquiring or using a transit pass or other fare payment media for the purpose of preventing fraud. As used in this subsection, "personally identifying information" includes acquisition or use information pertaining to a specific, individual transit pass or fare payment media.

(a) Information regarding the acquisition or use of transit passes or fare payment media may be disclosed in aggregate form if the data does not contain any personally identifying information.

(b) Personally identifying information may be released to law enforcement
agencies if the request is accompanied by a court order;

(6) Any information obtained by governmental agencies that is collected by the use of a motor carrier intelligent transportation system or any comparable information equipment attached to a truck, tractor, or trailer; however, the information may be given to other governmental agencies or the owners of the truck, tractor, or trailer from which the information is obtained. As used in this subsection, "motor carrier" has the same definition as provided in RCW 81.80.010;

(7) The personally identifying information of persons who acquire and use transponders or other technology to facilitate payment of tolls. This information may be disclosed in aggregate form as long as the data does not contain any personally identifying information. For these purposes aggregate data may include the census tract of the account holder as long as any individual personally identifying information is not released. Personally identifying information may be released to law enforcement agencies only for toll enforcement purposes. Personally identifying information may be released to law enforcement agencies for other purposes only if the request is accompanied by a court order; and

(8) The personally identifying information of persons who acquire and use a driver’s license or identicard that includes a radio frequency identification chip or similar technology to facilitate border crossing. This information may be disclosed in aggregate form as long as the data does not contain any personally identifying information. Sec. 11. RCW 46.82.360 and 2009 c 101
s 7 are each amended to read as follows:

The license of any driver training
school or instructor may be suspended,
revoked, denied, or refused renewal, or
such other disciplinary action authorized
under RCW 18.235.110 may be imposed, for
failure to comply with the business
practices specified in this section.

(1) No place of business shall be
established nor any business of a driver
training school conducted or solicited
within one thousand feet of an office or
building owned or leased by the department
of licensing in which examinations for
drivers' licenses are conducted. The
distance of one thousand feet shall be
measured along the public streets by the
nearest route from the place of business
to such building.

(2) Any automobile used by a driver

in vertical height;

(ii) Has the words "student driver,
"instruction car," or "driving school" in
letters at least two and one-half inches
in height near the top;

(iii) Has the name and telephone number

not less than one inch in height placed
somewhere below the aforementioned words;

advertising without using the full, legal
name of the school and identifying itself
as a driver training school. Instruction

a manner as might be expected by the
average person reading the advertisement.

(a) The established place of business, branch office, or classroom or advertised address of any such driver training school shall not consist of or include a house trailer, residence, tent, temporary stand, temporary address, bus, telephone answering service if such service is the sole means of contacting the driver training school, a room or rooms in a hotel or rooming house or apartment house, or premises occupied by a single or multiple-unit dwelling house.

(b) A driver training school may lease classroom space within a public or private school that is recognized and regulated by the office of the superintendent of public instruction to conduct student instruction as approved by the director. However, such use of public or private classroom space does not alleviate the driver training school from securing and maintaining an established place of business nor from using its own classroom on a regular basis as required by this chapter.

(c) To classify as a branch office or classroom the facility must be within a thirty-five mile radius of the established place of business. The department may waive or extend the thirty-five mile restriction for driver training schools located in counties below the median population density.

(d) Nothing in this subsection may be construed as limiting the authority of local governments to grant conditional use permits or variances from zoning ordinances.

(7) No driver training school or instructor shall conduct any type of instruction or training on a course used by the department of licensing for testing applicants for a Washington driver's license.

(8) Each driver training school shall maintain its student, instructor, vehicle, insurance, and operating records at its established place of business.

(9) Each driver training school shall, at its established place of business, display, in a place where it can be seen by all clients, a copy of the required ((minimum)) curriculum furnished by the department ((and a copy of the school's own curriculum)). Copies of the required ((minimum)) curriculum are to be provided to driver training schools and instructors by the director.

(10) Driver training schools and instructors shall submit to periodic inspections of their business practices, facilities, records, and insurance by authorized representatives of the director of the department of licensing.

(e) Pedestrian safety, to ensure that operators of motor vehicles have been instructed in the importance of safely sharing the road with pedestrians.

(3) Should the director be presented with acceptable proof that any licensed instructor or driver training school is not showing proper diligence in teaching the required curriculum, the instructor or school shall be required to appear before the director and show cause why the license of the instructor or school should not be revoked for such negligence. If the director does not accept such reasons as may be offered, the director may revoke the license of the instructor or school, or both.

NEW SECTION. Sec. 13. The department of licensing and the office of the superintendent of public instruction must work together on the transfer and coordination of responsibilities to comply with this act.

NEW SECTION. Sec. 14. The following acts or parts of acts are each repealed:

(1) RCW 28A.220.050 (Information on proper use of left-hand lane) and 1986 c 93 s 4;

"Sec. 1. RCW 84.56.020 and 2014 c 13 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All real and personal property taxes and assessments made payable by the provisions of this title are due and payable to the county treasurer on or before the thirtieth day of April and, except as provided in this section, are delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of .... County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax is paid on or before the thirtieth day of April, the remainder of such tax is due and payable on or before the following thirty-first day of October and is delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax is paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the following thirty-first day of October and is delinquent after that date.

(5) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the amount of tax delinquent from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of the tax payment, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the amount of tax delinquent is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the delinquent tax amount on December 1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (12)(b) of this section or a partial payment program pursuant to subsection (13) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.

(6)(a) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.

(b) For the purposes of this section, "tax foreclosure avoidance costs" mean those direct costs associated with the administration of properties subject to and prior to foreclosure. Tax foreclosure avoidance costs include:

(7) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict (on) regarding delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(8) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

((11))) (12)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic (bill presentment) billing and payment. Electronic (bill presentment) billing and payment may be (utilized) used as an option by the taxpayer, but the treasurer may not require the use of electronic (bill presentment) billing and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for delinquent tax year payments only or for prepayments of current tax. All prepayments must be paid in full by the due date specified in (c) of this subsection. Payments on past due taxes must include collection of the oldest delinquent year, which includes interest and taxes within a twelve-month period, prior to filing a certificate of delinquency under chapter 84.64 RCW or distraint pursuant to RCW 84.56.070.

(b) The treasurer (must) may provide, by electronic means or otherwise, a payment agreement that provides for payment of current year taxes, inclusive of prepayment collection charges. The treasurer may provide, by electronic means or otherwise, a payment agreement for payment of past due delinquencies, which must also require current year taxes to be paid timely. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic or alternative bill, which includes a payment plan for current year taxes. The treasurer may accept partial payment of current and delinquent taxes including interest and penalties using electronic bill presentment and payments.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. MESSAGE FROM THE SENATE

April 10, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1814 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.38.070 and 2011 c 309 s 7 are each amended to read as follows:
(1) In any involuntary child custody proceeding seeking the foster care placement of, or the termination of parental rights to, a child in which the petitioning party or the court knows, or has reason to know, that the child is or may be an Indian child as defined in this chapter, the petitioning party shall notify the parent or Indian custodian and the Indian child's tribe or tribes, by certified mail, return receipt requested, and by use of a mandatory Indian child welfare act notice addressed to the tribal agent designated by the Indian child's tribe or tribes for receipt of Indian child welfare act notice, as published by the bureau of Indian affairs in the federal register. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, such notice shall be given to the secretary of the interior by registered mail, return receipt requested, in accordance with the regulations of the bureau of Indian affairs. The secretary of the interior has fifteen days after receipt to provide the requisite notice to the parent or Indian custodian and the tribe. No foster care placement or termination of parental rights proceeding shall be held until at least ten days after receipt of notice by the parent or Indian custodian and the tribe. The parent or Indian custodian or the tribe shall, upon request, be granted up to twenty additional days to prepare for the proceeding.

(2) The determination of the Indian status of a child shall be made as soon as practicable in order to serve the best interests of the Indian child and protect the interests of the child's tribe.

(3) (a) A written determination by an Indian tribe that a child is a member of or eligible for membership in that tribe, or testimony by the tribe attesting to such status shall be conclusive that the child is an Indian child;

(b) A written determination by an Indian tribe that a child is not a member of or eligible for membership in that tribe, or testimony by the tribe attesting to such status shall be conclusive that the child is not a member or eligible for membership in that tribe. Such determinations are presumptively those of the tribe where submitted in the form of a tribal resolution, or signed by or testified to by the person(s) authorized by the tribe's governing body to speak for the tribe, or by the tribe's agent designated to receive notice under the federal Indian child welfare act where such designation is published in the federal register;

(c) Where a tribe provides no response to notice under RCW 13.38.070, such nonresponse shall not constitute evidence that the child is not a member or eligible for membership. Provided, however, that under such circumstances the party asserting application of the federal Indian child welfare act, or this chapter, will have the burden of proving by a preponderance of the evidence that the child is an Indian child.

(4)(a) Where a child has been determined not to be an Indian child, any party to the proceeding, or an Indian tribe that subsequently determines the child is a member, may, during the pendency of any child custody proceeding to which this chapter or the federal Indian child welfare act applies, move the court for redetermination of the child's Indian status based upon new evidence, redetermination by the child's tribe, or newly conferred federal recognition of the tribe.

(b) This subsection (4) does not affect the rights afforded under 25 U.S.C. Sec. 1914.

Sec. 2. RCW 26.44.100 and 2005 c 512 s 1 are each amended to read as follows:

(1) The legislature finds parents and children often are not aware of their due process rights when agencies are investigating allegations of child abuse and neglect. The legislature reaffirms that all citizens, including parents, shall be afforded due process, that protection of children remains the priority of the legislature, and that this protection includes protecting the family unit from unnecessary disruption. To facilitate this goal, the legislature wishes to ensure that parents and children be advised in writing and orally, if feasible, of their basic rights and other specific information as set forth in this chapter, provided that nothing contained in this chapter shall cause any delay in protective custody action.

(2) The department shall notify the parent, guardian, or legal custodian of a child of any allegations of child abuse or neglect made against such person at the initial point of contact with such person, in a manner consistent with the laws maintaining the confidentiality of the persons making the complaints or allegations. Investigations of child abuse
and neglect should be conducted in a manner that will not jeopardize the safety or protection of the child or the integrity of the investigation process.

Whenever the department completes an investigation of a child abuse or neglect report under this chapter ((26.44 RCW)), the department shall notify the subject of the report of the department's investigative findings. The notice shall also advise the subject of the report that:

(a) A written response to the report may be provided to the department and that such response will be filed in the record following receipt by the department;

(b) Information in the department's record may be considered in subsequent investigations or proceedings related to child protection or child custody;

(c) Founded reports of child abuse and neglect may be considered in determining whether the person is disqualified from being licensed to provide child care, employed by a licensed child care agency, or authorized by the department to care for children; and

(d) A subject named in a founded report of child abuse or neglect has the right to seek review of the finding as provided in this chapter.

(3) The founded finding notification required by this section shall be made by certified mail, return receipt requested, to the person's last known address.

(4) The unfounded finding notification required by this section must be made by regular mail to the person's last known address or by email.

(5) The duty of notification created by this section is subject to the ability of the department to ascertain the location of the person to be notified. The department shall exercise reasonable, good-faith efforts to ascertain the location of persons entitled to notification under this section.

(6) The department shall provide training to all department personnel who conduct investigations under this section that shall include, but is not limited to, training regarding the legal duties of the department from the initial time of contact during investigation through treatment in order to protect children and families.

Sec. 3.  RCW 43.20B.430 and 1989 c 175 s 99 are each amended to read as follows:

In all cases where a determination is made that the estate of a resident of a residential habilitation center is able to pay all or any portion of the charges, ((a)) an initial notice and finding of responsibility shall be served on the guardian of the resident's estate, or if no guardian has been appointed then to the resident, the resident's spouse, or other person acting in a representative capacity and having property in his or her possession belonging to a resident. The initial notice shall set forth the amount the department has determined that such estate is able to pay, not to exceed the charge as fixed in accordance with RCW 43.20B.420, and the responsibility for payment to the department shall commence twenty-eight days after ((personal)) service of such notice and finding of responsibility. Service of the initial notice shall be in the manner prescribed for the service of a summons in a civil action or may be served by certified mail, return receipt requested. The return receipt signed by addressee only is prima facie evidence of service. An application for an adjudicative proceeding from the determination of responsibility may be made to the secretary by the guardian of the resident's estate, or if no guardian has been appointed then by the resident, the resident's spouse, or other person acting in a representative capacity and having property in his or her possession belonging to a resident of a state school, within such twenty-eight day period. The application must be written and served on the secretary by registered or certified mail, or by personal service. If no application is filed, the notice and finding of responsibility shall become final. If an application is filed, the execution of notice and finding of responsibility shall be stayed pending the final adjudicative order. The hearing shall be conducted in a local department office or other location in Washington convenient to the appellant. The proceeding is governed by the Administrative Procedure Act, chapter 34.05 RCW.

Sec. 4.  RCW 43.20B.435 and 1979 c 141 s 240 are each amended to read as follows:

The secretary, upon application of the guardian of the estate of the resident, and after investigation, or upon investigation without application, may, if satisfied of the financial ability or
inability of such person to make payments in accordance with the (original) initial finding of responsibility as provided for in RCW 43.20B.430, modify or vacate such (original) initial finding of responsibility, and enter a new finding of responsibility. The secretary's determination to modify or vacate findings of responsibility shall be served (and) by regular mail. A new finding of responsibility shall be appealable in the same manner and in accordance with the same procedure for appeals of (original) initial findings of responsibility.

Sec. 5. RCW 43.20B.635 and 1990 c 100 s 1 are each amended to read as follows:

(1) After service of a notice of debt for an overpayment as provided for in RCW 43.20B.630, stating the debt accrued, the secretary may issue to any person, firm, corporation, association, political subdivision, or department of the state, an order to withhold and deliver property of any kind including, but not restricted to, earnings which are due, owing, or belonging to the debtor, when the secretary has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision, or department of the state property which is due, owing, or belonging to the debtor.

(2)(a) The order to withhold and deliver shall state the amount of the debt, and shall state in summary the terms of this section, RCW 6.27.150 and 6.27.160, chapters 6.13 and 6.15 RCW, 15 U.S.C. 1673, and other state or federal exemption laws applicable generally to debtors.

(b) The order to withhold and deliver shall be served (in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested) by regular mail or, with a party's agreement, electronically.

(3)(a) Any person, firm, corporation, association, political subdivision, or department of the state upon whom service has been made shall answer the order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of therein.

(b) The secretary may require further and additional answers to be completed by the person, firm, corporation, association, political subdivision, or department of the state.

(c) If any such person, firm, corporation, association, political subdivision, or department of the state possesses any property which may be subject to the claim of the department of social and health services, such property shall be withheld immediately upon receipt of the order to withhold and deliver and shall, after the twenty-day period, upon demand, be delivered forthwith to the secretary.

(d) The secretary shall hold the property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability. In the alternative, there may be furnished to the secretary a good and sufficient bond, satisfactory to the secretary, conditioned upon final determination of liability.

(e) Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, association, political subdivision, or department of the state subject to withdrawal by the debtor, such money shall be delivered by remittance payable to the order of the secretary. Delivery to the secretary serves as full acquittance, and the state warrants and represents that it shall defend and hold harmless for such actions persons delivering money or property to the secretary pursuant to this chapter. The state also warrants and represents that it shall defend and hold harmless for such actions persons withholding money or property pursuant to this chapter.

(4)(a) The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed (by certified mail) a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address(,) or, (in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter)) with a party's agreement serve the order upon the debtor.
electronically on or before the date of service of the order to withhold and deliver.

(b) The copy of the order shall be mailed or served together with a concise explanation of the right to petition for a hearing on any issue related to the collection. This requirement is not jurisdictional, but, if the copy is not mailed or served as provided in this section, or if any irregularity appears with respect to the mailing or service electronically, the superior court, on its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy or serve the copy electronically, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.

Sec. 6. RCW 74.20A.320 and 2009 c 408 s 1 are each amended to read as follows:

(1) The department may serve upon a responsible parent a notice informing the responsible parent of the department's intent to submit the parent's name to the department of licensing and any appropriate licensing entity as a licensee who is not in compliance with a child support order. ((The department shall attach a copy of the responsible parent's child support order to the notice.))

(a) If the support order establishing or modifying the child support obligation includes a statement required under RCW 26.23.050 that the responsible parent's privileges to obtain and maintain a license may not be renewed or may be suspended if the parent is not in compliance with a support order, the department may send the notice required by this section to the responsible parent by regular mail, addressed to the responsible parent's last known mailing address on file with the department or by personal service. Notice by regular mail is deemed served three days from the date the notice was deposited with the United States postal service.

(b) If the support order does not include a statement as required under RCW 26.23.050 that the responsible parent's privileges to obtain and maintain a license may not be renewed or may be suspended if the parent is not in compliance with a support order, service of the notice required by this section to the responsible parent must be by certified mail, return receipt requested. If service by certified mail is not successful, service shall be by personal service.

(2) The notice of noncompliance must include the following information:

(a) The address and telephone number of the department's division of child support office that issued the notice;

(b) That in order to prevent the department from certifying the parent's name to the department of licensing or any other licensing entity, the parent has twenty days from receipt of the notice to contact the department and:

(ii) Request an adjudicative proceeding as provided in RCW 74.20A.322;

(iii) Agree to a payment schedule with the department as provided in RCW 74.20A.326; or

(iv) File an action to modify the child support order with the appropriate court or administrative forum, in which case the department will stay the certification process up to six months;

(c) That failure to contact the department within twenty days of receipt of the notice will result in certification of the responsible parent's name to the department of licensing and any other appropriate licensing entity for noncompliance with a child support order. Upon receipt of the notice:

(i) The licensing entity will suspend or not renew the parent's license and the department of licensing will suspend or not renew any driver's license that the parent holds until the parent provides the department of licensing and the licensing entity with a release from the department stating that the responsible parent is in compliance with the child support order;

(ii) The department of fish and wildlife will suspend a fishing license, hunting license, occupational licenses, such as a commercial fishing license, or any other license issued under chapter 77.32 RCW that the responsible parent may possess, and suspension of a license by the department of fish and wildlife may also affect the parent's ability to obtain permits, such as special hunting permits, issued by the department. Notice from the department of licensing that a responsible
parent's driver's license has been suspended shall serve as notice of the suspension of a license issued under chapter 77.32 RCW;

(d) That suspension of a license will affect insurability if the responsible parent's insurance policy excludes coverage for acts occurring after the suspension of a license;

(e) If the responsible parent subsequently comes into compliance with the child support order, the department will promptly provide the parent and the appropriate licensing entities with a release stating that the parent is in compliance with the order.

(3) When a responsible parent who is served notice under subsection (1) of this section subsequently comes into compliance with the child support order, a copy of a release stating that the responsible parent is in compliance with the order shall be transmitted by the department to the appropriate licensing entities.

(4) The department of licensing and a licensing entity may renew, reinstate, or otherwise extend a license in accordance with the licensing entity's or the department of licensing's rules after the licensing entity or the department of licensing receives a copy of the release specified in subsection (3) of this section. The department of licensing and a licensing entity may waive any applicable requirement for reissuance, renewal, or other extension if it determines that the imposition of that requirement places an undue burden on the person and that waiver of the requirement is consistent with the public interest."

"Sec. 1. RCW 19.30.010 and 1985 c 280 s 1 are each amended to read as follows:

(8) "Director" as used in this chapter means the director of the department of labor and industries of the state of Washington.

NEW SECTION. Sec. 2. (1) The department of natural resources shall consult with the appropriate stakeholders and develop an analysis, with recommendations, as to whether the issuance of burning permits can be streamlined for small forest landowners, as that term is defined in RCW 76.09.450. The analysis must consider variable term burning permits, alternative fee structures, and other methods to incentivize small forest landowners to conduct forest health treatments.

(2) Consistent with RCW 43.01.036, the department of natural resources shall report the outcome of the analysis required by this section to the legislature by October 31, 2017. In the report, the department of natural resources must identify elements, consistent with the recommendations of the analysis, within its current authority to implement, a timeline for implementation of those elements, and any elements in its recommendations that would require a rule change, statutory amendment, or additional funding to implement.

MESSAGE FROM THE SENATE

April 7, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1988 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Existing federal law, 8 U.S.C. Sec. 1101(a)(27)(J), establishes a procedure for classification of abandoned, abuses, or neglected youth as special immigrants who have been declared dependent on a juvenile court or legally committed to or placed in the custody of a state agency or department, or placed under the custody of an individual or entity appointed by a state or juvenile court, and authorizes those youth to apply for an adjustment of status to that of a lawful permanent resident within the United States. A youth is age-eligible if the youth is under twenty-one years old. Existing state law already provides that superior courts have jurisdiction to make judicial determinations regarding the custody and care of juveniles.

This chapter authorizes a court to appoint a guardian for a vulnerable youth from eighteen to twenty-one years old, who is not participating in extended foster care services authorized under RCW 74.13.031, and who is eligible for classification under 8 U.S.C. Sec. 1101(a)(27)(J) with the consent of the proposed ward. This chapter also provides that a vulnerable youth guardianship of the person terminates on the youth's twenty-first birthday unless the youth requests termination prior to that date. Opening court doors for the provision of a vulnerable youth guardianship serves the state's interest in eliminating human trafficking, preventing further victimization of youth, decreasing reliance on public resources, reducing youth homelessness, and offering protection for youth who may otherwise be targets for traffickers.

NEW SECTION. Sec. 2. (1) The legislature finds and declares the following:

(a) Washington law grants the superior courts jurisdiction to make judicial determinations regarding the custody and care of youth within the meaning of the federal immigration and nationality act. Pursuant to 8 U.S.C. Sec. 1101(b), the term "child" means an unmarried person under twenty-one years of age. Superior courts are empowered to make the findings necessary for a youth to petition the United States citizenship and immigration services for classification under 8 U.S.C. Sec. 1101(a)(27)(J).

(b) 8 U.S.C. Sec. 1101(a)(27)(J) offers interim relief from deportation to undocumented, unmarried immigrant youth under twenty-one years old, if a state court with jurisdiction over juveniles has made specific findings.

(c) The findings necessary for a youth to petition for classification under 8 U.S.C. Sec. 1101(a)(27)(J) include, among others, a finding that reunification with one or both parents is not viable due to abuse, neglect, abandonment, or a similar basis under state law, and a finding that it is not in the youth's best interest to be returned to the youth's country of origin.

(d) Misalignment between state and federal law continues to exist. Federal law allows a person under twenty-one years old, who otherwise meets the requirements for eligibility under 8 U.S.C. Sec. 1101(a)(27)(J), to file for relief. In Washington, however, vulnerable youth who are between eighteen and twenty-one years old have largely been unable to obtain the findings from the superior court necessary..."
to seek classification under 8 U.S.C. Sec. 1101(a)(27)(J) and the relief that it was intended to afford them, solely because superior courts cannot take jurisdiction of these vulnerable youth under current law. This is true despite the fact that many vulnerable youth between eighteen and twenty-one years old face circumstances identical to those faced by their younger counterparts.

(e) Given the recent influx of vulnerable youth arriving to the United States, many of whom have been released to family members and other adults in Washington, and who have experienced parental abuse, neglect, or abandonment, it is necessary to provide an avenue for these vulnerable youth to petition the superior courts to appoint a guardian of the person, even if the youth is over eighteen years old. This is particularly necessary in light of the vulnerability of this class of youth, and their need for a custodial relationship with a responsible adult as they adjust to a new cultural context, language, and education system, and recover from the trauma of abuse, neglect, or abandonment. These custodial arrangements promote the long-term well-being and stability of vulnerable youth present in the United States who have experienced abuse, neglect, or abandonment by one or both parents.

(f) The legislature has an interest in combating human trafficking throughout Washington state. In 2003, Washington became the first state to enact a law making human trafficking a crime and has since continued its efforts to provide support services for victims of human trafficking while also raising awareness of human trafficking. Vulnerable youth who have been subject to parental abuse, neglect, or abandonment are particularly susceptible to becoming victims of human trafficking. By creating an avenue for a vulnerable youth guardianship for certain eligible individuals between eighteen and twenty-one years old, the legislature will have jurisdiction to make the findings necessary for a vulnerable youth to petition for classification under 8 U.S.C. Sec. 1101(a)(27)(J). It is further the intent of the legislature to provide an avenue for a person between eighteen and twenty-one years old to have a guardian of the person appointed beyond eighteen years old if the youth so requests or consents to the appointment of a guardian as provided in section 5 of this act.

NEW SECTION. Sec. 3. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of social and health services.

(2) "Guardian" means a person who has been appointed by the court as the guardian of a vulnerable youth in a legal proceeding under this chapter. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under chapter 13.34 RCW for the purpose of assisting the court in supervising the dependency. The term "guardian" does not include a "guardian" appointed pursuant to a proceeding under chapter 13.36 RCW or a "dependency guardian" appointed pursuant to a proceeding under chapter 13.34 RCW.

(3) "Juvenile court" or "court" means the juvenile division of the superior court.

(4) "Relative" means a person related to the child in the following ways:

(a) Any parent, or blood relative, including those of half-blood, and including first cousins, second cousins,
nephews or nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great;

(b) A stepfather, stepmother, stepbrother, and stepsister;

(c) A person who legally adopts a child or the child’s parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with state law;

(d) Spouses of any persons named in (a) through (c) of this subsection (4), even after the marriage is terminated;

(e) Relatives, as described in (a) through (d) of this subsection (4), of any half-sibling of the child.

(5) (a) "Suitable person" means a nonrelative who has completed all required criminal history background checks as specified in (b) of this subsection and otherwise appears to be suitable and competent to provide care for the youth.

(b) The criminal background checks required in (a) of this subsection are those set out in RCW 26.10.135 (1) and (2)(b), but apply only to the guardian and not to other adult members of the household.

(6) "Vulnerable youth" is an individual who has turned eighteen years old, but who is not yet twenty-one years old and who is eligible for classification under 8 U.S.C. Sec. 1101(a)(27)(J). A youth who remains in a vulnerable youth guardianship under this chapter shall not be considered a "child" under any other state statute or for any other purpose. A vulnerable youth is one who is not also a nonminor dependent who is participating in extended foster care services authorized under RCW 74.13.031.

NEW SECTION. Sec. 4. (1) A vulnerable youth may petition the court that a vulnerable youth guardianship be established for him or her by filing a petition in juvenile court under this chapter. The proposed guardian must agree to join in the petition, and must receive notice of the petition.

(2) To be designated as a proposed guardian in a petition under this chapter, a person must be age twenty-one or over, suitable, and capable of performing the duties of guardian under section 6 of this act, including but not limited to parents, licensed foster parents, relatives, and suitable persons.

(3) The petition must allege and show that:

(a) Both the petitioner and the proposed guardian agree to the establishment of a guardianship;

(b) The youth is between the ages of eighteen and twenty-one years;

(c) The youth is prima facie eligible to apply for classification under 8 U.S.C. Sec. 1101(a)(27)(J);

(d) The youth requests the support of a responsible adult; and

(e) The proposed guardian agrees to serve as guardian, and is a suitable adult over twenty-one years old who is capable of performing the duties of a guardian as stated in section 6 of this act.

(4) There must be no fee associated with the filing of a vulnerable youth guardianship petition by or for a vulnerable youth under this section.

NEW SECTION. Sec. 5. (1) At the hearing on a vulnerable youth guardianship petition, both parties, the vulnerable youth and the proposed guardian, have the right to present evidence and cross-examine witnesses. The rules of evidence apply to the conduct of the hearing.

(2) A vulnerable youth guardianship must be established if the court finds by a preponderance of the evidence that:

(a) The allegations in the petition are true;

(b) It is in the vulnerable youth’s best interest to establish a vulnerable youth guardianship; and

(c) The vulnerable youth consents in writing to the appointment of a guardian.

(3) A guardianship established under subsection (2) of this section remains in effect as provided in section 8 of this act.

NEW SECTION. Sec. 6. (1) If the court has made the findings required under section 5 of this act, the court shall issue an order establishing a vulnerable youth guardianship for the vulnerable youth. The order shall:

(a) Appoint a person to be the guardian for the vulnerable youth;

(b) Provide that the guardian shall ensure that the legal rights of the vulnerable youth are not violated, and may specify the guardian’s other rights and
responsibilities concerning the care, custody, and nurturing of the vulnerable youth;

(c) Specify that the guardian shall not have possession of any identity documents belonging to the vulnerable youth; and

(d) Specify the need for and scope of continued oversight by the court, if any.

(2) Unless specifically ordered by the court, the standards and requirements for relocation in chapter 26.09 RCW do not apply to vulnerable youth guardianships established under this chapter.

(3) The court shall provide a certified copy of the vulnerable youth guardianship order to the vulnerable youth and the guardian.

(4) For an unrepresented vulnerable youth whose vulnerable youth guardian is a suitable person, as defined in section 3 of this act, the court shall provide a list of service providers and available resources for survivors of human trafficking, such as any relevant lists or materials created by the Washington state task force against the trafficking of persons under RCW 7.68.350.

NEW SECTION. Sec. 7. (1) The youth may move the court to modify the provisions of a vulnerable youth guardianship order at any time by: (a) Filing with the court a motion for modification and an affidavit setting forth facts supporting the requested modification; and (b) providing notice and a copy of the motion and affidavit to the other party. The nonmoving party may file and serve opposing affidavits.

(2) The youth may move the court to appoint a new guardian at any time by: (a) Filing with the court a motion for appointment of a new guardian and an affidavit setting forth facts supporting the requested appointment; and (b) providing notice and a copy of the motion and affidavit to the other party.

(3) The youth may move the court to substitute a new guardian, provided that the proposed new guardian is a suitable adult over twenty-one years old who is capable of performing the duties of a guardian as stated in section 6 of this act. The substitution of a new guardian must be permitted without termination of the vulnerable youth guardianship and the youth is not required to file a new vulnerable youth guardianship petition to substitute a guardian.

(4) If a party other than the youth moves the court to modify the provisions of a vulnerable youth guardianship order, the modification is subject to the youth's agreement.

NEW SECTION. Sec. 8. (1) The vulnerable youth guardianship terminates on the vulnerable youth's twenty-first birthday.

(2) The vulnerable youth may request the termination of the vulnerable youth guardianship at any time. The court shall terminate the vulnerable youth guardianship upon the request of the vulnerable youth. The vulnerable youth may also withdraw consent to the vulnerable youth guardianship at any time.

(3) The guardian may request termination of the vulnerable youth guardianship by filing a petition and supporting affidavit alleging a substantial change has occurred in the circumstances of the vulnerable youth or the guardian and that the termination is necessary to serve the best interests of the vulnerable youth. The petition and affidavit must be served on both parties to the vulnerable youth guardianship.

(4) Except as provided in subsection (2) of this section, the court shall not terminate a vulnerable youth guardianship unless it finds, upon the basis of facts that have arisen since the vulnerable youth guardianship was established or that were unknown to the court at the time the vulnerable youth guardianship was established, that a substantial change has occurred in the circumstances of the vulnerable youth or the guardian and that termination of the vulnerable youth guardianship is necessary to serve the best interests of the vulnerable youth. The effect of a guardian's duties while serving in the military potentially impacting vulnerable youth guardianship functions is not, by itself, a substantial change of circumstances justifying termination of a vulnerable youth guardianship.

NEW SECTION. Sec. 9. In all proceedings under this chapter to establish, modify, or terminate a vulnerable youth guardianship order, the vulnerable youth and the guardian or prospective guardian have the right to be represented by counsel of their choosing and at their own expense.

NEW SECTION. Sec. 10. (1) Subject to the availability of amounts appropriated for this specific purpose, the Washington
state task force against the trafficking of persons created in RCW 7.68.350 shall:

(a) Evaluate whether vulnerable youth guardianships established under chapter 13.--- RCW (the new chapter created in section 11 of this act) where the guardian is a suitable person, as defined in section 3 of this act, have the unintended impact of placing youth at greater risk of being trafficked; and

(b) Compile a list of service providers and available resources for survivors of human trafficking that a court issuing a vulnerable youth guardianship order under section 6 of this act can provide to a vulnerable youth applying for a guardian who is a suitable person, as defined in section 3 of this act.

(2) If findings are made that vulnerable youth guardianships established under chapter 13.--- RCW (the new chapter created in section 11 of this act) where the guardian is a suitable person, as defined in section 3 of this act, have the unintended impact of placing youth at greater risk of being trafficked, the task force shall:

(a) Research and identify ways to reduce this risk, including recommendations on legislation;

(b) Examine whether providing a vulnerable youth applying for a guardian who is a suitable person, as defined in section 3 of this act, with an advocate interview prior to granting a vulnerable youth guardianship will help reduce this risk; and

(c) Identify best practices for an advocate interview and any related recommendations on training or other requirements for advocate organizations.

(3) The task force shall deliver the evaluation of vulnerable youth guardianships specified by this section to the legislature by January 1, 2019.

NEW SECTION. Sec. 11. Sections 1 through 9 of this act constitute a new chapter in Title 13 RCW."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "adding a new chapter to Title 13 RCW; and creating a new section."

and the same is herewith transmitted.

(a) The department issues a certificate of need approving the sale, lease, acquisition, or use; or

(b) The department determines, upon application, that (i) the entity to which the facility is proposed to be sold or leased, which intends to acquire the controlling interest, or which intends to use the facility is a health maintenance organization or a combination of health maintenance organizations which meets the requirements of (1)(a)(i), and (ii) with respect to such facility, meets the requirements of (1)(a)(ii) or (iii) or the requirements of (1)(b)(i) and (ii).

(4) In the case of a health maintenance organization, an ambulatory care facility, or a health care facility, which ambulatory or health care facility is controlled, directly or indirectly, by a health maintenance organization or a combination of health maintenance organizations, the department may under the program apply its certificate of need requirements to the offering of inpatient tertiary health services to the extent that such offering is not exempt under the provisions of this section or RCW 70.38.105(7).

(5)(a) The department shall not require a certificate of need for the construction, development, or other establishment of a nursing home, or the addition of beds to an existing nursing home, that is owned and operated by a continuing care retirement community that:

(i) Offers services only to contractual members;

(ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member's financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(iv) Has offered continuing care contracts and operated a nursing home continuously since January 1, 1988, or has obtained a certificate of need to establish a nursing home;

(v) Maintains a binding agreement with the state assuring that financial liability for services to members, including nursing home services, will not fall upon the state;

(vi) Does not operate, and has not undertaken a project that would result in a number of nursing home beds in excess of one for every four living units operated
by the continuing care retirement community, exclusive of nursing home beds; and

(vii) Has obtained a professional review of pricing and long-term solvency within the prior five years which was fully disclosed to members.

(b) A continuing care retirement community shall not be exempt under this subsection from obtaining a certificate of need unless:

(i) It has submitted an application for exemption at least thirty days prior to commencing construction of, is submitting an application for the licensure of, or is commencing operation of a nursing home, whichever comes first; and

(ii) The application documents to the department that the continuing care retirement community qualifies for exemption.

(c) The sale, lease, acquisition, or use of part or all of a continuing care retirement community nursing home that qualifies for exemption under this subsection shall require prior certificate of need approval to qualify for licensure as a nursing home unless the department determines such sale, lease, acquisition, or use is by a continuing care retirement community that meets the conditions of (a) of this subsection.

(6) A rural hospital, as defined by the department, reducing the number of licensed beds to become a rural primary care hospital under the provisions of Part A Title XVIII of the Social Security Act Section 1820, 42 U.S.C., 1395c et seq. may, within three years of the reduction of beds licensed under chapter 70.41 RCW, increase the number of licensed beds to no more than the previously licensed number without being subject to the provisions of this chapter.

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(8) A rural hospital determined to no longer meet critical access hospital status for state law purposes as a result of participation in the Washington rural health access preservation pilot identified by the state office of rural health and formerly licensed as a hospital under chapter 70.41 RCW may apply to the department to renew its hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW. If all or part of a formerly licensed rural hospital is sold, purchased, or leased during the period the rural hospital does not meet critical access hospital status as a result of participation in the Washington rural health access preservation pilot and the new owner or lessor applies to renew the rural hospital's license, then the sale, purchase, or lease of part or all of the rural hospital is subject to the provisions of this chapter.

(9)(a) A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the number of nursing home beds to no more than the previously licensed number without obtaining a certificate of need under this chapter, provided the facility has been in continuous operation and has not been purchased or leased. Any conversion to the original licensed bed capacity, or to any portion thereof, shall comply with the same life and safety code requirements as existed at the time the nursing home voluntarily reduced its licensed beds; unless waivers from such requirements were issued, in which case the converted beds shall reflect the conditions or standards that then existed pursuant to the approved waivers.
(b) To convert beds back to nursing home beds under this subsection, the nursing home must:

(i) Give notice of its intent to preserve conversion options to the department of health no later than thirty days after the effective date of the license reduction; and

(ii) Give notice to the department of health and to the department of social and health services of the intent to convert beds back. If construction is required for the conversion of beds back, the notice of intent to convert beds back must be given, at a minimum, one year prior to the effective date of license modification reflecting the restored beds; otherwise, the notice must be given a minimum of ninety days prior to the effective date of license modification reflecting the restored beds. Prior to any license modification to convert beds back to nursing home beds under this section, the licensee must demonstrate that the nursing home meets the certificate of need exemption requirements of this section.

The term "construction," as used in (b)(ii) of this subsection, is limited to those projects that are expected to equal or exceed the expenditure minimum amount, as determined under this chapter.

(c) Conversion of beds back under this subsection must be completed no later than four years after the effective date of the license reduction. However, for good cause shown, the four-year period for conversion may be extended by the department of health for one additional four-year period.

(d) Nursing home beds that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2) (a) and (k) so long as the facility retains the ability to convert them back to nursing home use under the terms of this section.

(e) When a building owner has secured an interest in the nursing home beds, which are intended to be voluntarily reduced by the licensee under (a) of this subsection, the applicant shall provide the department with a written statement indicating the building owner’s approval of the bed reduction.

(10)(a) The department shall not require a certificate of need for a hospice agency if:

(i) The hospice agency is designed to serve the unique religious or cultural needs of a religious group or an ethnic minority and commits to furnishing hospice services in a manner specifically aimed at meeting the unique religious or cultural needs of the religious group or ethnic minority;

(ii) The hospice agency is operated by an organization that:

(A) Operates a facility, or group of facilities, that offers a comprehensive continuum of long-term care services, including, at a minimum, a licensed, medicare-certified nursing home, assisted living, independent living, day health, and various community-based support services, designed to meet the unique social, cultural, and religious needs of a specific cultural and ethnic minority group;

(B) Has operated the facility or group of facilities for at least ten continuous years prior to the establishment of the hospice agency;

(iii) The hospice agency commits to coordinating with existing hospice programs in its community when appropriate;

(iv) The hospice agency has a census of no more than forty patients;

(v) The hospice agency commits to obtaining and maintaining medicare certification;

(vi) The hospice agency only serves patients located in the same county as the majority of the long-term care services offered by the organization that operates the agency; and

(vii) The hospice agency is not sold or transferred to another agency.

(b) The department shall include the patient census for an agency exempted under this subsection (10) in its calculations for future certificate of need applications.

(11) To alleviate the need to board psychiatric patients in emergency departments, for the period of time from the effective date of this section through June 30, 2019:

(a) The department shall suspend the certificate of need requirement for a hospital licensed under chapter 70.41 RCW that changes the use of licensed beds to increase the number of beds to provide psychiatric services, including...
involuntary treatment services. A certificate of need exemption under this subsection (11)(a) shall be valid for two years.

(b) The department may not require a certificate of need for:

(i) The addition of beds as described in RCW 70.38.260 (2) and (3); or

(ii) The construction, development, or establishment of a psychiatric hospital licensed as an establishment under chapter 71.12 RCW that will dedicate at least one-third of its beds to provide treatment to adults on ninety or one hundred eighty-day involuntary commitment orders, as described in RCW 70.38.260(4).

Sec. 2. RCW 70.38.260 and 2015 3rd sp. s. c 22 s 2 are each amended to read as follows:

(1) For a grant awarded during fiscal years 2016 and 2017 by the department of commerce under this section, hospitals licensed under chapter 70.41 RCW and psychiatric hospitals licensed as establishments under chapter 71.12 RCW are not subject to certificate of need requirements for the addition of the number of new psychiatric beds indicated in the grant. The department of commerce may not make a prior approval of a certificate of need application a condition for a grant application under this section. The period during which an approved hospital or psychiatric hospital project qualifies for a certificate of need exemption under this section is two years from the date of the grant award.

(2)(a) Until June 30, 2019, a hospital licensed under chapter 70.41 RCW is exempt from certificate of need requirements for the addition of new psychiatric beds.

(b) A hospital that adds new psychiatric beds under this subsection (2) must:

(i) Notify the department of the addition of new psychiatric beds. The department shall provide the hospital with a notice of exemption within thirty days; and

(ii) Commence the project within two years of the date of receipt of the notice of exemption.

(c) Beds granted an exemption under RCW 70.38.111(11)(b) must remain psychiatric beds unless a certificate of need is granted to change their use or the hospital voluntarily reduces its licensed capacity.

(3)(a) Until June 30, 2019, a psychiatric hospital licensed as an establishment under chapter 71.12 RCW is exempt from certificate of need requirements for the one-time addition of up to thirty new psychiatric beds, if it demonstrates to the satisfaction of the department:

(i) That its most recent two years of publicly available fiscal year-end report data as required under RCW 70.170.100 and 73.70.050 reported to the department by the psychiatric hospital, show a payer mix of a minimum of fifty percent medicare and medicaid based on a calculation using patient days; and

(ii) A commitment to maintaining the payer mix in (a) of this subsection for a period of five consecutive years after the beds are made available for use by patients.

(b) A psychiatric hospital that adds new psychiatric beds under this subsection (3) must:

(i) Notify the department of the addition of new psychiatric beds. The department shall provide the psychiatric hospital with a notice of exemption within thirty days; and

(ii) Commence the project within two years of the date of receipt of the notice of exemption.

(c) Beds granted an exemption under RCW 70.38.111(11)(b) must remain psychiatric beds unless a certificate of need is granted to change their use or the psychiatric hospital voluntarily reduces its licensed capacity.

(4)(a) Until June 30, 2019, an entity seeking to construct, develop, or establish a psychiatric hospital licensed as an establishment under chapter 71.12 RCW is exempt from certificate of need requirements if the proposed psychiatric hospital will dedicate at least one-third of its beds to providing treatment to adults on ninety or one hundred eighty-day involuntary commitment orders. The psychiatric hospital may also provide treatment to adults on a seventy-two hour detention or fourteen-day involuntary commitment order.

(b) An entity that seeks to construct, develop, or establish a psychiatric hospital under this subsection (4) must:
(i) Notify the department of the construction, development, or establishment. The department shall provide the entity with a notice of exemption within thirty days; and

(ii) Commence the project within two years of the date of receipt of the notice of exemption.

(5) This section expires June 30, (2019) 2022.

MESSAGE FROM THE SENATE

April 12, 2017

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1427, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in 2015 an average of two Washington residents died per day in this state from opioid overdose and that opioid overdose deaths have more than doubled between 2010 and 2015.

The legislature further finds that medically prescribed opioids intended to treat pain have contributed to the opioid epidemic and although Washington has done much to address the prescribing and tracking of opioid prescriptions, more needs to be done to ensure proper prescribing and use of opioids and access to treatment. This includes allowing local health officers to access the prescription monitoring program in order to provide patient follow-up and care coordination, including directing care to opioid treatment programs in the area as appropriate to the patient following an overdose event.

The legislature intends to streamline its already comprehensive system of tracking and treating opioid abuse by: Reducing barriers to the siting of opioid treatment programs; ensuring ease of access for prescribers, including those prescribers who provide services in opioid treatment programs, to the prescription monitoring program; allowing facilities and practitioners to use the information received under the prescription monitoring program for the purpose of providing individual prescriber quality improvement feedback; and requiring the boards and commissions of the health care professions with prescriptive authority to adopt rules establishing requirements for prescribing opioid drugs with the goal of reducing the number of people who inadvertently become addicted to opioids and, consequently, reducing the burden on opioid treatment programs.

NEW SECTION. Sec. 2. A new section is added to chapter 18.22 RCW to read as follows:

(1) By January 1, 2019, the board must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(2) In developing the rules, the board must consider the agency medical
directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of podiatric physicians and surgeons in the state.

(1) By January 1, 2019, the commission must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(2) In developing the rules, the commission must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of podiatric physicians and surgeons in the state.

(2) In developing the rules, the board must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of dentists in the state.

NEW SECTION. Sec. 5. A new section is added to chapter 18.57A RCW to read as follows:

(2) In developing the rules, the board must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of osteopathic physicians and surgeons in the state.

NEW SECTION. Sec. 6. A new section is added to chapter 18.71 RCW to read as follows:

(1) By January 1, 2019, the commission must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(1) By January 1, 2019, the commission must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(2) In developing the rules, the commission must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of osteopathic physician assistants in the state.

NEW SECTION. Sec. 10. A new section is added to chapter 70.225 RCW to read as follows:

Beginning November 15, 2017, the department shall annually report to the governor and the appropriate committees of the legislature on the number of facilities, entities, or provider groups identified in RCW 70.225.040(3)(l) and (m) that have integrated their federally certified electronic health records with the prescription monitoring program utilizing the state health information exchange.

Sec. 11. RCW 71.24.560 and 2016 sp.s. c 29 s 506 are each amended to read as follows:

(1) All approved (opiate substitution) opioid treatment programs that provide services to women who are pregnant are required to disseminate up-
to-date and accurate health education information to all their pregnant clients concerning the possible addiction and health risks that their ((opiate substitution)) treatment may have on their baby. All pregnant clients must also be advised of the risks to both them and their baby associated with not remaining on the ((opiate substitution)) opioid treatment program. The information must be provided to these clients both verbally and in writing. The health education information provided to the pregnant clients must include referral options for the ((addicted)) substance-exposed baby.

(2) The department shall adopt rules that require all ((opiate)) opioid treatment programs to educate all pregnant women in their program on the benefits and risks of ((methadone)) medication-assisted treatment to their fetus before they are provided these medications, as part of their ((addiction)) treatment. The department shall meet the requirements under this subsection within the appropriations provided for ((opiate)) opioid treatment programs. The department, working with treatment providers and medical experts, shall develop and disseminate the educational materials to all certified ((opiate)) opioid treatment programs.

Sec. 12. RCW 71.24.585 and 2016 sp.s. c 29 s 519 are each amended to read as follows:

The state of Washington declares that there is no fundamental right to ((opiate substitution)) medication-assisted treatment for opioid use disorder. The state of Washington further declares that while ((opiate substitution drugs)) medications used in the treatment of ((opiate dependency)) opioid use disorder are addictive substances, that they nevertheless have several legal, important, and justified uses and that one of their appropriate and legal uses is, in conjunction with other required therapeutic procedures, in the treatment of persons ((addicted to or habituated to opioids)) with opioid use disorder. The state of Washington recognizes as evidence-based for the management of opioid use disorder the medications approved by the federal food and drug administration for the treatment of opioid use disorder. ((Opiate substitution)) Medication-assisted treatment should only be used for participants who are deemed appropriate to need this level of intervention ((and should not be)); providers should first consider alternatives like abstinence for the first treatment intervention ((for all opiate addicts)).

Because ((opiate substitution drugs, used in the treatment of opiate dependency are addictive and are listed as a schedule II)) some such medications are controlled substances in chapter 69.50 RCW, the state of Washington ((here)) maintains the legal obligation and right to regulate the ((use of opiate substitution treatment). The state of Washington declares its authority to control and regulate carefully, in consultation with counties and cities, all clinical uses of opiate substitution drugs used in the treatment of opioid addiction) clinical uses of these medications in the treatment of opioid use disorder.

Further, the state declares that the (primary) main goal of opiate substitution treatment is total abstinence from substance use for the individuals who participate in the treatment program, but recognizes the additional goals of reduced morbidity, and restoration of the ability to lead a productive and fulfilling life. The state recognizes that a small percentage of persons who participate in ((opiate substitution)) opioid treatment programs require treatment for an extended period of time. ((Opiate substitution)) Opioid treatment programs shall provide a comprehensive transition program to eliminate substance use, including ((opiate and opiate substitute addiction)) opioid use of program participants.

NEW SECTION. Sec. 13. A new section is added to chapter 71.24 RCW to read as follows:

The state declares that a person lawfully possessing or using lawfully prescribed medication for the treatment of opioid use disorder must be treated the same in judicial and administrative proceedings as a person lawfully possessing or using other lawfully prescribed medications.

Sec. 14. RCW 71.24.590 and 2001 c 242 s 2 are each amended to read as follows:

(1) ((For purposes of this section, "area" means the county in which an applicant proposes to locate a certified program and counties adjacent, or near to, the county in which the program is proposed to be located.))
When making a decision on an application for certification of a program, the department shall:

(a) Consult with the county legislative authorities in the area in which an applicant proposes to locate a program and the city legislative authority in any city in which an applicant proposes to locate a program;

(b) Certify only programs that will be sited in accordance with the appropriate county or city land use ordinances. Counties and cities may require conditional (or special) use permits with reasonable conditions for the siting of programs. Pursuant to RCW 36.70A.200, no local comprehensive plan or development regulation may preclude the siting of essential public facilities;

(c) Not discriminate in its certification decision on the basis of the corporate structure of the applicant;

(d) Consider the size of the population in need of treatment in the area in which the program would be located and certify only applicants whose programs meet the necessary treatment needs of that population;

(e) Demonstrate a need in the community for opiate substitution treatment and not certify more program slots than justified by the need in that community. No program shall exceed three hundred fifty participants unless specifically authorized by the county in which the program is certified;

(f) Consider the availability of other certified opioid treatment programs near the area in which the applicant proposes to locate the program;

(g) Consider whether the applicant has, or has demonstrated in the past, the capability to provide the appropriate services to assist the persons who utilize the program in meeting goals established by the legislature (including abstinence from opiates and opiate substitutes, obtaining mental health treatment, improving economic independence, and reducing adverse consequences associated with illegal use of controlled substances) in RCW 71.24.585. The department shall prioritize certification to applicants who have demonstrated such capability and are able to measure their success in meeting such outcomes;

(h) Hold (at least) one public hearing in the (county) community in which the facility is proposed to be located. The hearing shall be held at a time and location that are most likely to permit the largest number of interested persons to attend and present testimony. The department shall notify all appropriate media outlets of the time, date, and location of the hearing at least three weeks in advance of the hearing.

(2) A county may impose a maximum capacity for a program of not less than three hundred fifty participants if necessary to address specific local conditions cited by the county.

(3) A program applying for certification from the department and a program applying for a contract from a state agency that has been denied the certification or contract shall be provided with a written notice specifying the rationale and reasons for the denial.

(4) For the purpose of this chapter, (opiate substitution) opioid treatment program means:

(a) Dispensing (an opiate substitution drug) a medication approved by the federal drug administration for the treatment of (opiate addiction) opioid use disorder and dispensing medication for the reversal of opioid overdose; and

(b) Providing a comprehensive range of medical and rehabilitative services.

Sec. 15. RCW 71.24.590 and 2001 c 242 s 2 are each amended to read as follows:

(1) (For purposes of this section, "area" means the county in which an applicant proposes to locate a certified program and counties adjacent, or near to, the county in which the program is proposed to be located.)

When making a decision on an application for licensing or certification of a program, the department shall:

(a) Consult with the county legislative authorities in the area in which an applicant proposes to locate a program and the city legislative authority in any city
in which an applicant proposes to locate a program;

(b) License or certify only programs that will be sited in accordance with the appropriate county or city land use ordinances. Counties and cities may require conditional ((or special)) use permits with reasonable conditions for the siting of programs. Pursuant to RCW 36.70A.200, no local comprehensive plan or development regulation may preclude the siting of essential public facilities;

(c) Not discriminate in its licensing or certification decision on the basis of the corporate structure of the applicant;

(d) Consider the size of the population in need of treatment in the area in which the program would be located and license or certify only applicants whose programs meet the necessary treatment needs of that population;

(e) ((Demonstrate a need in the community for opiate substitution treatment and not certify more program slots than justified by the need in that community. No program shall exceed three hundred fifty participants unless specifically authorized by the county in which the program is certified);

(f) Consider the availability of other licensed or certified opioid treatment programs near the area in which the applicant proposes to locate the program;

(g) Consider the transportation systems that would provide service to the program and whether the systems will provide reasonable opportunities to access the program for persons in need of treatment;

(h) Hold (at least) one public hearing in the (county) community in which the facility is proposed to be located ((and one hearing in the area in which the facility is proposed to be located)). The hearing shall be held at a time and location that are most likely to permit the largest number of interested persons to attend and present testimony. The department shall notify all appropriate media outlets of the time, date, and location of the hearing at least three weeks in advance of the hearing.

(2) A county may impose a maximum capacity for a program of not less than three hundred fifty participants if necessary to address specific local conditions cited by the county.

(3) A program applying for licensing or certification from the department and a program applying for a contract from a state agency that has been denied the licensing or certification or contract shall be provided with a written notice specifying the rationale and reasons for the denial.

(4) For the purpose of this chapter, ((opiate substitution)) opioid treatment program means:

(a) Dispensing ((an opiate substitution drug)) a medication approved by the federal drug administration for the treatment of ((opiate addiction)) opioid use disorder and dispensing medication for the reversal of opioid overdose; and

(b) Providing a comprehensive range of medical and rehabilitative services.

Sec. 16. RCW 71.24.595 and 2003 c 207 s 6 are each amended to read as follows:

(1) The department, in consultation with ((opiate substitution)) opioid treatment program service providers and counties and cities, shall establish statewide treatment standards for certified ((opiate substitution)) opioid treatment programs. The department shall enforce these treatment standards. The treatment standards shall include, but not be limited to, reasonable provisions for all appropriate and necessary medical procedures, counseling requirements, urinalysis, and other suitable tests as needed to ensure compliance with this chapter.

(2) The department, in consultation with ((opiate substitution)) opioid treatment programs and counties, shall establish statewide operating standards
for certified (opiate substitution) opioid treatment programs. The department shall enforce these operating standards. The operating standards shall include, but not be limited to, reasonable provisions necessary to enable the department and counties to monitor certified and licensed (opiate substitution) opioid treatment programs for compliance with this chapter and the treatment standards authorized by this chapter and to minimize the impact of the (opiate substitution) opioid treatment programs upon the business and residential neighborhoods in which the program is located.

(3) ((The department shall establish criteria for evaluating the compliance of opiate substitution treatment programs with the goals and standards established under this chapter. As a condition of certification, opiate substitution programs shall submit an annual report to the department and county legislative authority, including data as specified by the department necessary for outcome analysis.)) The department shall analyze and evaluate the data submitted by each treatment program and take corrective action where necessary to ensure compliance with the goals and standards enumerated under this chapter. Opioid treatment programs are subject to the oversight required for other substance use disorder treatment programs, as described in this chapter.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1427 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 11, 2017

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1714, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Research demonstrates that registered nurses play a critical role in improving patient safety and quality of care;

(2) Appropriate staffing of hospital personnel including registered nurses available for patient care assists in reducing errors, complications, and adverse patient care events and can improve staff safety and satisfaction and reduce incidences of workplace injuries;

(3) Health care professional, technical, and support staff comprise vital components of the patient care team, bringing their particular skills and services to ensuring quality patient care;

(4) Assuring sufficient staffing of hospital personnel, including registered nurses, is an urgent public policy priority in order to protect patients and support greater retention of registered nurses and safer working conditions; and

(5) Steps should be taken to promote evidence-based nurse staffing and increase transparency of health care data and decision making based on the data.

Sec. 2. RCW 70.41.420 and 2008 c 47 s 3 are each amended to read as follows:

(1) By September 1, 2008, each hospital shall establish a nurse staffing committee, either by creating a new committee or assigning the functions of a nurse staffing committee to an existing committee. At least one-half of the members of the nurse staffing committee shall be registered nurses currently providing direct patient care and up to one-half of the members shall be determined by the hospital administration. The selection of the registered nurses providing direct patient care shall be according to the collective bargaining agreement if there is one in effect at the hospital. If there is no applicable collective bargaining agreement, the members of the nurse staffing committee who are registered nurses providing direct patient care shall be selected by their peers.

(2) Participation in the nurse staffing committee by a hospital employee shall be on scheduled work time and compensated at the appropriate rate of pay. Nurse staffing committee members shall be relieved of all other work duties during meetings of the committee.

(3) Primary responsibilities of the nurse staffing committee shall include:

(a) Development and oversight of an annual patient care unit and shift-based nurse staffing plan, based on the needs of patients, to be used as the primary component of the staffing budget. Factors to be considered in the development of the plan should include, but are not limited to:

(i) Census, including total numbers of patients on the unit on each shift and activity such as patient discharges, admissions, and transfers;

(ii) Level of intensity of all patients and nature of the care to be delivered on each shift;

(iii) Skill mix;

(iv) Level of experience and specialty certification or training of nursing personnel providing care;

(v) The need for specialized or intensive equipment;

(vi) The architecture and geography of the patient care unit, including but not limited to placement of patient rooms, treatment areas, nursing stations, medication preparation areas, and equipment; ((and))

(vii) Staffing guidelines adopted or published by national nursing professional associations, specialty nursing organizations, and other health professional organizations;
Availability of other personnel supporting nursing services on the unit; and

Strategies to enable registered nurses to take meal and rest breaks as required by law or the terms of an applicable collective bargaining agreement, if any, between the hospital and a representative of the nursing staff;

(b) Semiannual review of the staffing plan against patient need and known evidence-based staffing information, including the nursing sensitive quality indicators collected by the hospital;

(c) Review, assessment, and response to staffing variations or concerns presented to the committee.

(4) In addition to the factors listed in subsection (3)(a) of this section, hospital finances and resources (may) must be taken into account in the development of the nurse staffing plan.

(5) The staffing plan must not diminish other standards contained in state or federal law and rules, or the terms of an applicable collective bargaining agreement, if any, between the hospital and a representative of the nursing staff.

(6) The committee will produce the hospital's annual nurse staffing plan. If this staffing plan is not adopted by the hospital, the chief executive officer shall provide a written explanation of the reasons why the plan was not adopted to the committee. The chief executive officer must then either: (a) Identify those elements of the proposed plan being changed prior to adoption of the plan by the hospital or (b) prepare an alternate annual staffing plan that must be adopted by the hospital. Beginning January 1, 2019, each hospital shall submit its staffing plan to the department and thereafter on an annual basis and at any time in between that the plan is updated.

(7) Beginning January 1, 2019, each hospital shall implement the staffing plan and assign nursing personnel to each patient care unit in accordance with the plan.

(a) A registered nurse may report to the staffing committee any variations where the nurse personnel assignment in a patient care unit is not in accordance with the adopted staffing plan and may make a complaint to the committee based on the variations.

(b) Shift-to-shift adjustments in staffing levels required by the plan may be made by the appropriate hospital personnel overseeing patient care operations. If a registered nurse on a patient care unit objects to a shift-to-shift adjustment, the registered nurse may submit the complaint to the staffing committee.

(c) Staffing committees shall develop a process to examine and respond to data submitted under (a) and (b) of this subsection, including the ability to determine if a specific complaint is resolved or dismissing a complaint based on unsubstantiated data.

(8) Each hospital shall post, in a public area on each patient care unit, the nurse staffing plan and the nurse staffing schedule for that shift on that unit, as well as the relevant clinical staffing for that shift. The staffing plan and current staffing levels must also be made available to patients and visitors upon request.

((4A)) (9) A hospital may not retaliate against or engage in any form of intimidation of:

(a) An employee for performing any duties or responsibilities in connection with the nurse staffing committee; or

(b) An employee, patient, or other individual who notifies the nurse staffing committee or the hospital administration of his or her concerns on nurse staffing.

((4B)) (10) This section is not intended to create unreasonable burdens on critical access hospitals under 42 U.S.C. Sec. 1395i-4. Critical access hospitals may develop flexible approaches to accomplish the requirements of this section that may include but are not limited to having nurse staffing committees work by telephone or (electronic mail) email.

NEW SECTION. Sec. 3. A new section is added to chapter 70.41 RCW to read as follows:

(1)(a) The department shall investigate a complaint submitted under this section for violation of RCW 70.41.420 following receipt of a complaint with documented evidence of failure to:

(i) Form or establish a staffing committee;

(ii) Conduct a semiannual review of a nurse staffing plan;
(iii) Submit a nurse staffing plan on an annual basis and any updates; or

(iv)(A) Follow the nursing personnel assignments in a patient care unit in violation of RCW 70.41.420(7)(a) or shift-to-shift adjustments in staffing levels in violation of RCW 70.41.420(7)(b).

(B) The department may only investigate a complaint under this subsection (1)(a)(iv) after making an assessment that the submitted evidence indicates a continuing pattern of unresolved violations of RCW 70.41.420 (7) (a) or (b), that were submitted to the nurse staffing committee excluding complaints determined by the nurse staffing committee to be resolved or dismissed. The submitted evidence must include the aggregate data contained in the complaints submitted to the hospital's nurse staffing committee that indicate a continuing pattern of unresolved violations for a minimum sixty-day continuous period leading up to receipt of the complaint by the department.

(C) The department may not investigate a complaint under this subsection (1)(a)(iv) in the event of unforeseeable emergency circumstances or if the hospital, after consultation with the nurse staffing committee, documents it has made reasonable efforts to obtain staffing to meet required assignments but has been unable to do so.

(b) After an investigation conducted under (a) of this subsection, if the department determines that there has been a violation, the department shall require the hospital to submit a corrective plan of action within forty-five days of the presentation of findings from the department to the hospital.

(2) In the event that a hospital fails to submit or submits but fails to follow such a corrective plan of action in response to a violation or violations found by the department based on a complaint filed pursuant to subsection (1) of this section, the department may impose, for all violations asserted against a hospital at any time, a civil penalty of one hundred dollars per day until the hospital submits or begins to follow a corrective plan of action or takes other action agreed to by the department.

(3) The department shall maintain for public inspection records of any civil penalties, administrative actions, or license suspensions or revocations imposed on hospitals under this section.

(4) For purposes of this section, "unforeseeable emergency circumstance" means:

(a) Any unforeseen national, state, or municipal emergency;

(b) When a hospital disaster plan is activated;

(c) Any unforeseen disaster or other catastrophic event that substantially affects or increases the need for health care services; or

(d) When a hospital is diverting patients to another hospital or hospitals for treatment or the hospital is receiving patients who are from another hospital or hospitals.

(5) Nothing in this section shall be construed to preclude the ability to otherwise submit a complaint to the department for failure to follow RCW 70.41.420.

(6) The department shall submit a report to the legislature on December 31, 2022. This report shall include the number of complaints submitted to the department under this section, the disposition of these complaints, the number of investigations conducted, the associated costs for complaint investigations, and recommendations for any needed statutory changes. The department shall also project, based on experience, the impact, if any, on hospital licensing fees over the next four years. Prior to the submission of the report, the secretary shall convene a stakeholder group consisting of the Washington state hospital association, the Washington state nurses association, service employees international union healthcare 1199NW, and united food and commercial workers 21. The stakeholder group shall review the report prior to its submission to review findings and jointly develop any legislative recommendations to be included in the report.

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1136 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 90.56.210 and 2015 c 274 s 5 are each amended to read as follows:

(1) Each onshore and offshore facility shall have a contingency plan for the containment and cleanup of oil spills from the facility into the waters of the state and for the protection of fisheries and wildlife, shellfish beds, natural resources, and public and private property from such spills. The department shall by rule adopt and periodically revise standards for the preparation of contingency plans. The department shall require contingency plans, at a minimum, to meet the following standards:

(a) Include full details of the method of response to spills of various sizes from any facility which is covered by the plan;

(b) Be designed to be capable in terms of personnel, materials, and equipment, of promptly and properly, to the maximum extent practicable, as defined by the department removing oil and minimizing any damage to the environment resulting from a worst case spill;

(c) Provide a clear, precise, and detailed description of how the plan relates to and is integrated into relevant contingency plans which have been prepared by cooperatives, ports, regional entities, the state, and the federal government;

(d) Provide procedures for early detection of oil spills and timely notification of such spills to appropriate federal, state, and local authorities under applicable state and federal law;

(e) State the number, training preparedness, and fitness of all dedicated, prepositioned personnel assigned to direct and implement the plan;

(f) Incorporate periodic training and drill programs to evaluate whether personnel and equipment provided under the plan are in a state of operational readiness at all times;

(g) Describe important features of the surrounding environment, including fish and wildlife habitat, shellfish beds, environmentally and archaeologically sensitive areas, and public facilities. The departments of ecology, fish and wildlife, and natural resources, and the department of archaeology and historic preservation, upon request, shall provide information that they have available to assist in preparing this description. The description of archaeologically sensitive areas shall not be required to be included in a contingency plan until it is reviewed and updated pursuant to subsection (9) of this section;

(h) State the means of protecting and mitigating effects on the environment, including fish, shellfish, marine mammals, and other wildlife, and ensure that implementation of the plan does not pose unacceptable risks to the public or the environment;

(i) Provide arrangements for the prepositioning of oil spill containment and cleanup equipment and trained personnel at strategic locations from which they can be deployed to the spill site to promptly and properly remove the spilled oil;

(j) Provide arrangements for enlisting the use of qualified and trained cleanup personnel to implement the plan;"
(k) Provide for disposal of recovered spilled oil in accordance with local, state, and federal laws;

(l) Until a spill prevention plan has been submitted pursuant to RCW 90.56.200, state the measures that have been taken to reduce the likelihood that a spill will occur, including but not limited to, design and operation of a facility, training of personnel, number of personnel, and backup systems designed to prevent a spill;

(m) State the amount and type of equipment available to respond to a spill, where the equipment is located, and the extent to which other contingency plans rely on the same equipment; and

(n) If the department has adopted rules permitting the use of dispersants, the circumstances, if any, and the manner for the application of the dispersants in conformance with the department's rules.

(2)(a) The following shall submit contingency plans to the department within six months after the department adopts rules establishing standards for contingency plans under subsection (1) of this section:

(i) Onshore facilities capable of storing one million gallons or more of oil; and

(ii) Offshore facilities.

(b) Contingency plans for all other onshore and offshore facilities shall be submitted to the department within eighteen months after the department has adopted rules under subsection (1) of this section. The department may adopt a schedule for submission of plans within the eighteen-month period.

(3)(a) The department by rule shall determine the contingency plan requirements for railroads transporting oil in bulk.

(b) For class III railroads transporting oil in bulk that is not crude oil in an amount less than forty-nine tank car loads per year, rules adopted under this subsection may only require railroads to submit a basic contingency plan to the department. A basic contingency plan filed under this subsection (3)(c) must be limited to requiring the class III railroads to:

(i) Keep documentation of the basic contingency plan on file with the department at the plan holder's principal place of business and at dispatcher field offices of the railroad;

(ii) Identify and include contact information for the chain of command and other personnel, including employees or spill response contractors, who will be involved in the railroad's response in the event of a spill;

(iii) Include information related to the relevant accident insurance carried by the railroad and provide a certificate of insurance upon request;

(iv) Develop a field document for use by personnel involved in oil handling operations that includes time-critical information regarding basic contingency plan procedures to be used in the initial response to a spill or a threatened spill; and

(v) Annually review the plan for accuracy.

(d) Federal oil spill response plans created pursuant to 33 U.S.C. Sec. 1321 may be submitted in lieu of contingency plans (until state rules are adopted) by a class III railroad transporting oil in bulk that is not crude oil.

(e) For the purposes of this section, "class III railroad" has the same meaning as defined by the United States surface transportation board as of January 1, 2017.

(4)(a) The owner or operator of a facility shall submit the contingency plan for the facility.

(b) A person who has contracted with a facility to provide containment and cleanup services and who meets the standards established pursuant to RCW 90.56.240, may submit the plan for any facility for which the person is contractually obligated to provide services. Subject to conditions imposed by the department, the person may submit a single plan for more than one facility.
(5) A contingency plan prepared for an agency of the federal government or another state that satisfies the requirements of this section and rules adopted by the department may be accepted by the department as a contingency plan under this section. The department shall ensure that to the greatest extent possible, requirements for contingency plans under this section are consistent with the requirements for contingency plans under federal law.

(6) In reviewing the contingency plans required by this section, the department shall consider at least the following factors:

(a) The adequacy of containment and cleanup equipment, personnel, communications equipment, notification procedures and call down lists, response time, and logistical arrangements for coordination and implementation of response efforts to remove oil spills promptly and properly and to protect the environment;

(b) The nature and amount of vessel traffic within the area covered by the plan;

(c) The volume and type of oil being transported within the area covered by the plan;

(d) The existence of navigational hazards within the area covered by the plan;

(e) The history and circumstances surrounding prior spills of oil within the area covered by the plan;

(f) The sensitivity of fisheries, shellfish beds, and wildlife and other natural resources within the area covered by the plan;

(g) Relevant information on previous spills contained in on-scene coordinator reports prepared by the department; and

(h) The extent to which reasonable, cost-effective measures to prevent a likelihood that a spill will occur have been incorporated into the plan.

(7) The department shall approve a contingency plan only if it determines that the plan meets the requirements of this section and that, if implemented, the plan is capable, in terms of personnel, materials, and equipment, of removing oil promptly and properly and minimizing any damage to the environment.

(8) The approval of the contingency plan shall be valid for five years. Upon approval of a contingency plan, the department shall provide to the person submitting the plan a statement indicating that the plan has been approved, the facilities or vessels covered by the plan, and other information the department determines should be included.

(9) An owner or operator of a facility shall notify the department in writing immediately of any significant change of which it is aware affecting its contingency plan, including changes in any factor set forth in this section or in rules adopted by the department. The department may require the owner or operator to update a contingency plan as a result of these changes.

(10) The department by rule shall require contingency plans to be reviewed, updated, if necessary, and resubmitted to the department at least once every five years.

(11) Approval of a contingency plan by the department does not constitute an express assurance regarding the adequacy of the plan nor constitute a defense to liability imposed under this chapter or other state law.

On page 1, line 2 of the title, after "requirements;" strike the remainder of the title and insert "and amending RCW 90.56.210."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1136, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 11, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1163 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.36.041 and 1987 c 188 s 2 are each amended to read as follows:

(1) A person is guilty of assault in the fourth degree if, under circumstances not amounting to assault in the first, second, or third degree, or custodial assault, he or she assaults another.

(2) Assault in the fourth degree is a gross misdemeanor, except as provided in subsection (3) of this section.

(3) Assault in the fourth degree, where domestic violence was pleaded and proven after the effective date of this section, is a class C felony if the person has two or more prior adult convictions within ten years for any of the following offenses where domestic violence as defined in RCW 9.94A.030 was pleaded and proven after the effective date of this section:

(a) Repetitive domestic violence offense as defined in RCW 9A.46.060;

(b) Crime of harassment as defined by RCW 9A.46.060;

(c) Assault in the third degree;

(d) Assault in the second degree;

(e) Assault in the first degree; or

(f) An out-of-state comparable offense.

(4) For purposes of subsection (3) of this section, family or household members means spouses, domestic partners, former spouses, former domestic partners, persons who have a child in common regardless of whether they have been married or have lived together at any time, persons sixteen years of age or older who are presently residing together or who have resided together in the past and who have or had a dating relationship, and persons sixteen years of age or older with whom a person sixteen years of age or older has or had a dating relationship.

Sec. 2. RCW 9.94A.411 and 2006 c 271 s 1 and 2006 c 73 s 13 are each reenacted and amended to read as follows:

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

(i) It has not been enforced for many years; and

(ii) Most members of society act as if it were no longer in existence; and

(iii) It serves no deterrent or protective purpose in today's society; and

(iv) The statute has not been recently reconsidered by the legislature.
This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimis Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) Conviction in the pending prosecution is imminent;

(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:

(i) Assault cases where the victim has suffered little or no injury;

(ii) Crimes against property, not involving violence, where no major loss was suffered;

(iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

(a) STANDARD:

Crimes against persons will be filed if sufficient admissable evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid prefiling agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be provided pursuant to RCW 9.94A.670.
Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

See table below for the crimes within these categories.

Selection of Charges/Degree of Charge

(i) The prosecutor should file charges which adequately describe the nature of defendant's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:

(A) Will significantly enhance the strength of the state's case at trial; or
(B) Will result in restitution to all victims.

(ii) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:

(A) Charging a higher degree;
(B) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

(b) GUIDELINES/COMMENTARY:

(i) Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

(A) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;

(B) The completion of necessary laboratory tests; and

(C) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

(ii) Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

(A) Probable cause exists to believe the suspect is guilty; and

(B) The suspect presents a danger to the community or is likely to flee if not apprehended; or

(C) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

(iii) Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:
(A) Polygraph testing;
(B) Hypnosis;
(C) Electronic surveillance;
(D) Use of informants.
(iv) Pre-Filing Discussions with Defendant
Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

(v) Pre-Filing Discussions with Victim(s)
Discussions with the victim(s) or victims' representatives regarding the selection or disposition of charges may occur before the filing of charges. The discussions may be considered by the prosecutor in charging and disposition decisions, and should be considered before reaching any agreement with the defendant regarding these decisions.

Sec. 3. RCW 9.94A.525 and 2013 2nd sp.s. c 35 s 8 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

(2)(a) Class A and sex prior felony convictions shall always be included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall not be included in the offender score, if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), all predicate crimes for the offense as defined by RCW 46.61.5055(14) shall be included in the offender score, and prior convictions for felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)) shall always be included in the offender score. All other convictions of the defendant shall be scored according to this section.

(f) Prior convictions for a repetitive domestic violence offense, as defined in RCW 9.94A.030, shall not be included in the offender score if, since the last date of release from confinement or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(g) This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided
by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently or prior juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11), (12), or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), (12), or (13) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and 1/2 point for each juvenile prior conviction; count one point for each adult and 1/2 point for each juvenile prior conviction for operation of a vessel while under the influence of intoxicating liquor or any drug.
(12) If the present conviction is for homicide by watercraft or assault by watercraft count two points for each adult or juvenile prior conviction for homicide by watercraft or assault by watercraft; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; count one point for each adult and 1/2 point for each juvenile prior conviction for driving under the influence of intoxicating liquor or any drug, actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, or operation of a vessel while under the influence of intoxicating liquor or any drug.

(13) If the present conviction is for manufacture of methamphetamine count three points for each adult prior manufacture of methamphetamine conviction and two points for each juvenile manufacture of methamphetamine offense. If the present conviction is for a drug offense and the offender has a criminal history that includes a sex offense or serious violent offense, count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(16) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(17) If the present conviction is for a sex offense, count priors as in subsections (7) through (11) and (13) through (16) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(18) If the present conviction is for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, count priors as in subsections (7) through (11) and (13) through (16) of this section; however count three points for each adult and juvenile prior sex offense conviction, excluding prior convictions for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, which shall count as one point.

(19) If the present conviction is for an offense committed while the offender was under community custody, add one point. For purposes of this subsection, community custody includes community placement or postrelease supervision, as defined in chapter 9.94B RCW.

(20) If the present conviction is for Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2, count priors as in subsections (7) through (18) of this section; however count one point for prior convictions of Vehicle Prowling 2, and three points for each adult and juvenile prior Theft 1 (of a motor vehicle), Theft 2 (of a motor vehicle), Possession of Stolen Property 1 (of a motor vehicle), Possession of Stolen Property 2 (of a motor vehicle), Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2 conviction.

(21) If the present conviction is for a felony domestic violence offense where domestic violence as defined in RCW 9.94A.030 was pleaded and proven, count priors as in subsections (7) through (20) of this section; however, count points as follows:

(d) Count one point for each adult prior conviction for a repetitive domestic violence offense as defined in RCW 9.94A.030, was (pleaded) pleaded and proven after August 1, 2011.

(22) The fact that a prior conviction was not included in an offender's offender score or criminal history at a previous sentencing shall have no bearing on whether it is included in the criminal history or offender score for the current offense. Prior convictions that were not counted in the offender score or included in criminal history under repealed or previous versions of the sentencing reform act shall be included in criminal history and shall count in the offender score if the current version of the sentencing reform act requires including or counting those convictions. Prior convictions that were not included in criminal history or in the offender score shall be included upon any resentencing to ensure imposition of an accurate sentence.

NEW SECTION. Sec. 8. (1) The legislature finds that Washington state has a serious problem with domestic violence offender recidivism and lethality. The Washington state institute for public policy studied domestic violence offenders finding not just high rates of domestic violence recidivism but among the highest rates of general criminal and violent recidivism. The Washington state coalition against domestic violence has issued fatality reviews of domestic violence homicides in Washington under chapter 43.235 RCW for over fifteen years. These fatality reviews demonstrate the significant impact of domestic violence on our communities as well as the barriers and high rates of lethality faced by victims. The legislature further notes there have been several high profile domestic violence homicides with multiple prior domestic violence incidents not accounted for in the legal response. Many jurisdictions nationally have encountered the same challenges as Washington and now utilize risk assessment as a best practice to assist in the response to domestic violence.

The Washington domestic violence risk assessment work group is established to study how and when risk assessment can best be used to improve the response to domestic violence offenders and victims and find effective strategies to reduce domestic violence homicides, serious injuries, and recidivism that are a result of domestic violence incidents in Washington state.

(2)(a) The Washington state gender and justice commission, in collaboration with the Washington state coalition against domestic violence and the Washington State University criminal justice program, shall coordinate the work group and provide staff support.

(b) The work group must include a representative from each of the following organizations:

(i) The Washington state gender and justice commission;

(ix) The Washington defender association;
(x) The Washington association of criminal defense lawyers;

(xii) The Washington state coalition against domestic violence;
(xiii) The Washington state office of civil legal aid; and
(xiv) The family law section of the Washington state bar association.

(c) The work group must additionally include representation from:

(i) Treatment providers;
(ii) City law enforcement;
(iii) County law enforcement;
(iv) Court administrators; and
(v) Domestic violence victims or family members of a victim.

(3) At a minimum, the work group shall research, review, and make recommendations on the following:

(a) How to best develop and use risk assessment in domestic violence response utilizing available research and Washington state data;

(b) Providing effective strategies for incorporating risk assessment in domestic violence response to reduce deaths, serious injuries, and recidivism due to domestic violence;
(c) Promoting access to domestic violence risk assessment for advocates, police, prosecutors, corrections, and courts to improve domestic violence response;

(d) Whether or how risk assessment could be used as an alternative to mandatory arrest in domestic violence;

(e) Whether or how risk assessment could be used in bail determinations in domestic violence cases, and in civil protection order hearings;

(f) Whether or how offender risk, needs, and responsivity could be used in determining eligibility for diversion, sentencing alternatives, and treatment options;

(g) Whether or how victim risk, needs, and responsivity could be used in improving domestic violence response;

(h) Whether or how risk assessment can improve prosecution and encourage prosecutors to aggressively enforce domestic violence laws; and

(i) Encouraging private sector collaboration.

(4) The work group shall compile its findings and recommendations into a final report and provide its report to the appropriate committees of the legislature and governor by June 30, 2018.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Schappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5)(a) Once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a
later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location (RCW 10.99.040, 10.99.050, 26.09.300, 26.10.220, 26.26.138, 26.44.063, 26.44.150, 26.50.060, 26.50.070, 26.50.130, 26.52.070, or 74.34.145); or (ii) stalking (RCW 9A.46.110). A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

(6) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

(7) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

Sec. 10. RCW 9.94A.515 and 2016 c 213 s 5, 2016 c 164 s 13, and 2016 c 6 s 1 are each reenacted and amended to read as follows:

**MESSAGE FROM THE SENATE**

April 11, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1183 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) A creative district is a designated, geographical, mixed-use area of a community in which a high concentration of cultural facilities, creative businesses, or arts-related businesses serve as a collective anchor of public attraction;

(b) In certain cases, multiple vacant properties in close proximity may exist within a community that would be suitable for redevelopment as a creative district;

(c) Creative districts are a highly adaptable economic development tool that is able to take a community's unique conditions, assets, needs, and opportunities into account and thereby address the needs of large, small, rural, and urban areas;

(d) Creative districts may be home to both nonprofit and for-profit creative industries and organizations;

(e) The arts and culture transcend boundaries of race, age, gender, language, and social status; and

(f) Creative districts promote and improve communities in particular and the state more generally in many ways. Specifically, such districts:

(i) Attract artists and creative entrepreneurs to a community and thereby infuse the community with energy and innovation and enhance the economic and civic capital of the community;

(ii) Create a hub of economic activity that helps an area become an appealing place to live, visit, and conduct business, complements adjacent businesses, creates new economic opportunities and jobs in both the cultural sector and other local industries, and attracts new businesses and assists in the recruitment of employees;

(iii) Establish marketable tourism assets that highlight the distinct identity of communities, attract in-state, out-of-state, and international visitors, and become especially attractive destinations for cultural, recreational, and business travelers;

(iv) Revitalize and beautify neighborhoods, cities, and larger regions, reverse urban decay, promote the preservation of historic buildings, and facilitate a healthy mixture of business and residential activity that contributes to reduced vacancy rates and enhanced property values;

(v) Provide a focal point for celebrating and strengthening a community's unique cultural identity,
providing communities with opportunities to highlight existing cultural amenities as well as mechanisms to recruit and establish new artists, creative industries, and organizations;

(vi) Provide artists with a creative area in which they can live and work, with living spaces that enable them to work in artistic fields and find affordable housing close to their place of employment; and

(vii) Enhance property values. Successful creative districts combine improvements to public spaces such as parks, waterfronts, and pedestrian corridors, alongside property development. The redevelopment of abandoned properties and historic sites and recruiting businesses to occupy vacant spaces can also contribute to reduced vacancy rates and enhanced property values.

(2) It is the intent of the legislature that the state provide leadership, technical support, and the infrastructure to local communities desirous of creating their own creative districts by, among other things, certifying districts, offering available incentives to encourage business development, exploring new incentives that are directly related to creative enterprises, facilitating local access to state assistance, enhancing the visibility of creative districts, providing technical assistance and planning help, ensuring broad and equitable program benefits, and fostering a supportive climate for the arts and culture, thereby contributing to the development of healthy communities across the state and improving the quality of life of the state's residents.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commission" means the Washington state arts commission.

(2) "Coordinator" means the employee of the Washington state arts commission who is responsible for performing the specific tasks under section 5 of this act.

(3) "Creative district" means a land area designated by a local government in accordance with section 3 of this act that contains either a hub of cultural facilities, creative industries, or arts-related businesses, or multiple vacant properties in close proximity that would be suitable for redevelopment as a creative district.

(4) "Local government" means a city, county, or town.

(5) "State-certified creative district" means a creative district whose application for certification has been approved by the commission.

NEW SECTION. Sec. 3. (1) A local government may designate a creative district within its territorial boundaries subject to certification as a state-certified creative district by the commission. Two or more local governments may jointly apply for certification of a creative district that extends across a common boundary.

(2) In order to receive certification as a state-certified creative district, a creative district must:

(a) Be a geographically contiguous area;

(b) Be distinguished by physical, artistic, or cultural resources that play a vital role in the quality and life of a community, including its economic and cultural development;

(c) Be the site of a concentration of artistic or cultural activity, a major arts or cultural institution or facility, arts and entertainment businesses, an area with arts and cultural activities, or artistic or cultural production;

(d) Be engaged in the promotional, preservation, and educational aspects of the arts and culture of the community and contribute to the public through interpretive, educational, or recreational uses; and

(e) Satisfy any additional criteria required by the commission that in its discretion will further the purposes of sections 2 through 5 of this act. Any additional eligibility criteria must be posted by the commission on its public website.

(3) The commission may grant certification to a creative district that does not qualify for certification under subsection (2) of this section if the land area proposed for certification contains multiple vacant properties in close proximity that would be suitable, as determined by the commission, for redevelopment as a creative district.

NEW SECTION. Sec. 4. (1) Subject to the availability of amounts appropriated
for this specific purpose, the commission may create a process for review of applications submitted by local governments or federally recognized Indian tribes for certification of state-certified creative districts. The application must be submitted on a standard form developed and approved by the commission.

(2) After reviewing an application for certification, the commission must approve or reject the application or return it to the applicant with a request for changes or additional information. The commission may request that an applicant provide relevant information supporting an application. Rejected applicants may reapply at any time in coordination with program guidelines.

(3) Certification must be based upon the criteria specified in section 3 of this act.

(4) If the commission approves an application for certification, it must notify the applicant in writing and must specify the terms and conditions of the commission's approval, including the terms and conditions set forth in the application and as modified by written agreement between the applicant and the commission.

(5) Upon approval by the commission of an application for certification, a creative district becomes a state-certified creative district with all of the attendant benefits under sections 2 through 5 of this act.

(6) The commission may revoke a certification previously granted for failure by a local government to comply with the requirements of this section or an agreement executed pursuant to this section.

(7) In addition to any powers explicitly granted to the commission under sections 2 through 5 of this act, the commission is granted such additional powers as are necessary to carry out the purposes of sections 2 through 5 of this act. Where authorized by law, such powers may include offering incentives to state-certified creative districts to encourage business development, exploring new incentives that are directly related to creative enterprises, facilitating local access to state economic development assistance, enhancing the visibility of state-certified creative districts, providing state-certified creative districts with technical assistance and planning aid, ensuring broad and equitable program benefits, and fostering a supportive climate for the arts and culture within the state.

(8) The creation of a district under this section may not be used to prohibit any particular business or the development of residential real property within the boundaries of the district or to impose a burden on the operation or use of any particular business or parcel of residential real property located within the boundaries of the district.

NEW SECTION. Sec. 5. Subject to the availability of amounts appropriated for this specific purpose, the commission may appoint a coordinator. The coordinator must:

(1) Review applications for certification and make a recommendation to the commission for action;

(2) Administer and promote the application process for the certification of creative districts;

(3) With the approval of the commission, develop standards and policies for the certification of state-certified creative districts. Any approved standards and policies must be posted on the commission's public web site;

(4) Require periodic written reports from any state-certified creative district for the purpose of reviewing the activities of the district, including the compliance of the district with the policies and standards developed under this section and with the conditions of an approved application for certification;

(5) Identify available public and private resources, including any applicable economic development incentives and other tools, that support and enhance the development and maintenance of creative districts and, with the assistance of the commission, ensure that such programs and services are accessible to creative districts; and

(6) With the approval of the commission, develop such additional procedures as may be necessary to administer this section. Any approved procedures must be posted on the commission's public web site.

NEW SECTION. Sec. 6. Sections 2 through 5 of this act are each added to chapter 43.46 RCW.
On page 1, line 1 of the title, after "governments" strike the remainder of the title and insert "to designate a portion of their territory as a creative district subject to certification by the Washington state arts commission; adding new sections to chapter 43.46 RCW; and creating a new section."

**MESSAGE FROM THE SENATE**

April 12, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1200 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.44.115 and 2003 c 213 s 1 are each amended to read as follows:

(1) As used in this section:

(a) "Intimate areas" means any portion of a person’s body or undergarments that is covered by clothing and intended to be protected from public view;

(b) "Photographs" or "films" means the making of a photograph, motion picture film, videotape, digital image, or any other recording or transmission of the image of a person;

(c) "Place where he or she would have a reasonable expectation of privacy" means:

(i) A place where a reasonable person would believe that he or she could disrobe in privacy, without being concerned that his or her undressing was being photographed or filmed by another; or

(ii) A place where one may reasonably expect to be safe from casual or hostile intrusion or surveillance;

(d) "Surveillance" means secret observation of the activities of another person for the purpose of spying upon and invading the privacy of the person;

(e) "Views" means the intentional looking upon of another person for more than a brief period of time, in other than a casual or cursory manner, with the unaided eye or with a device designed or intended to improve visual acuity.

(2)(a) A person commits the crime of voyeurism in the first degree if, for the purpose of arousing or gratifying the sexual desire of any person, he or she knowingly views, photographs, or films:

((+++)) (i) Another person without that person’s knowledge and consent while the person being viewed, photographed, or filmed is in a place where he or she would have a reasonable expectation of privacy; or

((+++)) (ii) The intimate areas of another person without that person’s knowledge and consent, and under circumstances where the person has a reasonable expectation of privacy, whether in a public or private place.

((+++)) (b) Voyeurism in the first degree is a class C felony.

(3)(a) A person commits the crime of voyeurism in the second degree if he or she intentionally photographs or films another person for the purpose of photographing or filming the intimate areas of that person with the intent to distribute or disseminate the photograph or film, without that person’s knowledge and consent, and under circumstances where the person has a reasonable expectation of privacy, whether in a public or private place.

(b) Voyeurism in the second degree is a gross misdemeanor.
(c) Voyeurism in the second degree is not a sex offense for the purposes of sentencing or sex offender registration requirements under this chapter.

(4) This section does not apply to viewing, photographing, or filming by personnel of the department of corrections or of a local jail or correctional facility for security purposes or during investigation of alleged misconduct by a person in the custody of the department of corrections or the local jail or correctional facility.

(5) If a person is convicted of a violation of this section, the court may order the destruction of any photograph, motion picture film, digital image, videotape, or any other recording of an image that was made by the person in violation of this section.

Sec. 2. RCW 13.40.070 and 2013 c 179 s 3 are each amended to read as follows:

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1)(a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (8) of this section. If the prosecutor finds that the requirements of subsection (1)(a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(5) Except as provided in RCW 13.40.213 and subsection (7) of this section, where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, a class C felony listed in RCW 9.94A.411(2) as a crime against persons or listed in RCW 9A.46.060 as a crime of harassment, or a class C felony that is a violation of RCW 9.41.080 or 9.41.040(2)(a)((i)); or

(b) An alleged offender is accused of a felony and has a criminal history of any felony, or at least two gross misdemeanors, or at least two misdemeanors; or

(c) An alleged offender has previously been committed to the department; or

(d) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion; or

(e) An alleged offender has three or more diversion agreements on the alleged offender's criminal history; or

(f) A special allegation has been filed that the offender or an accomplice was armed with a firearm when the offense was committed.

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense is the offender's first offense or violation. If the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (8) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient to charge an alleged offender with:

(a) Either prostitution or prostitution loitering and the alleged offense is the offender's first prostitution or prostitution loitering offense, the prosecutor shall divert the case; or

(b) Voyeurism in the second degree, the offender is under seventeen years of age, and the alleged offense is the offender's
first voyeurism in the second degree offense, the prosecutor shall divert the case, unless the offender has received two diversions for any offense in the previous two years.

(8) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(9) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversion interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversion unit, the victim shall be notified of the referral and informed how to contact the unit.

(10) The responsibilities of the prosecutor under subsections (1) through (9) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(11) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to mediation or victim offender reconciliation programs. Such mediation or victim offender reconciliation programs shall be voluntary for victims.

Sec. 3. RCW 9.94A.515 and 2016 c 213 s 5, 2016 c 164 s 13, and 2016 c 6 s 1 are each reenacted and amended to read as follows:

(c) A fish habitat enhancement project must be approved in one of the following ways in order to receive the permit review and approval process created in this section:

(i) By the department pursuant to chapter 77.95 or 77.100 RCW;

(ii) By the sponsor of a watershed restoration plan as provided in chapter 89.08 RCW;

(c) ((Within forty-five days)) Except for forest practices hydraulic projects, the department shall either issue a permit, with or without conditions, deny approval, or make a determination that the review and approval process created by this section is not appropriate for the proposed project within forty-five days. The department shall base this determination on identification during the comment period of adverse impacts that cannot be mitigated by the conditioning of a permit. Permitting decisions over forest practices hydraulic approvals must be made consistent with chapter 76.09 RCW.

(d) If the department determines that the review and approval process created by this section is not appropriate for the proposed project, the department shall notify the applicant and the appropriate local governments of its determination. The applicant may reapply for approval of the project under other review and approval processes.

(e) Any person aggrieved by the approval, denial, conditioning, or modification of a permit other than a forest practices hydraulic project under this section may appeal the decision as provided in RCW 77.55.021(8). Appeals of a forest practices hydraulic project may be made as provided in chapter 76.09 RCW.

(4) No local government may require permits or charge fees for fish habitat enhancement projects that meet the criteria of subsection (1) of this section and that are reviewed and approved according to the provisions of this section.

(5) No civil liability may be imposed by any court on the state or its officers and employees for any adverse impacts resulting from a fish enhancement project permitted by the department or the department of natural resources under the criteria of this section except upon proof of gross negligence or willful or wanton misconduct.

Sec. 2. RCW 52.26.230 and 2004 c 129 s 29 are each amended to read as follows:

(1) Not fewer than ten days nor more than six months before the election at which the proposition to impose the benefit charge is submitted as provided in this chapter, the governing board of the regional fire protection service authority, or the planning committee if the benefit charge is proposed as part of the initial formation of the authority, shall hold a public hearing specifically setting forth its proposal to impose benefit charges for the support of its legally authorized activities that will maintain or improve the services afforded in the authority. A report of the public hearing shall be filed with the county treasurer of each county in which the property is located and be available for public inspection.

(2) Prior to November 15th of each year the governing board of the authority shall hold a public hearing to review and establish the regional fire protection service authority benefit charges for the subsequent year.

Sec. 3. RCW 84.55.092 and 1998 c 16 s 3 are each amended to read as follows:

(2) The purpose of this section is to remove the incentive for a taxing district to maintain its tax levy at the maximum level permitted under this chapter, and to protect the future levy capacity of a taxing district that reduces its tax levy below the level that it otherwise could impose under this chapter, by removing the adverse consequences to future levy capacities resulting from such levy reductions.

Sec. 4. RCW 52.18.050 and 2013 c 49 s 1 are each amended to read as follows:

(1)(a) The initial imposition of a benefit charge authorized by this chapter must be approved by not less than sixty percent of the voters of the district voting at a general election or at a special election called by the district for that purpose.

(2) Ballot measures calling for the initial imposition of a benefit charge must be submitted so as to enable voters favoring the authorization of a benefit charge to vote "Yes" and those opposed to vote "No," and the ballot question must be as follows:

A ballot measure calling for the continued imposition of a benefit charge for six consecutive years must be approved by a majority of the voters of the district voting at a general election or at a special election called by the district for that purpose.

(b) Ballot measures calling for the continued imposition of a benefit charge must be submitted so as to enable voters favoring the continued imposition of the benefit charge to vote "Yes" and those opposed to vote "No." The ballot question must be substantially in the following form:

"Shall . . . . . . county fire protection district No. . . . . . be authorized to continue voter-authorized benefit charges each year for ((. . . . . . (insert number of years not to exceed six))) six consecutive years, not to exceed an amount equal to sixty percent of its operating budget, and be prohibited from imposing an additional property tax under RCW 52.16.160?

YES ☐ NO ☐

Sec. 5. RCW 52.18.010 and 1998 c 16 s 1 are each amended to read as follows:

(1) Pursuant to an approved initial or continued benefit charge authorized under RCW 52.18.050, the board of fire commissioners of a fire protection district may by resolution, for fire protection district purposes authorized by law, fix and impose a benefit charge on personal property and improvements to real property which are located within the fire protection district on the date specified and which have or will receive the benefits provided by the fire protection district, to be paid by the owners of the properties((: PROVIDED, That)).

(2) A benefit charge ((shall)) does not apply to:

(a) Personal property and improvements to real property owned or used by any recognized religious denomination or religious organization as, or including, a sanctuary or for purposes related to the bona fide religious ministries of the denomination or religious organization, including schools and educational facilities used for kindergarten, primary, or secondary educational purposes or for institutions of higher education; and

(b) Any of the following tax-exempt properties, provided such entity is not required to pay a fire protection charge under subsection (8) of this section:

(i) Property of housing authorities that is exempt from property taxes under RCW 35.82.210;

(ii) Property of nonprofit entities providing rental housing for very low-income households or providing space for the placement of a mobile home for a very low-income household that is exempt from property taxes under RCW 84.36.560;

(iii) Property of nonprofit homes for the aging that is exempt from property taxes under RCW 84.36.041;

(iv) Property of nonprofit organizations, corporations, or associations providing housing for eligible persons with developmental disabilities that is exempt from property taxes under RCW 84.36.042;

(v) Property of nonprofit organizations providing emergency or transitional housing for low-income homeless persons or victims of domestic violence who are homeless for personal safety reasons that is exempt from property taxes under RCW 84.36.043;

(vi) Property of the state housing finance commission that is exempt from property taxes under RCW 84.36.135; and

(vii) Property of nonprofit corporations operating sheltered workshops for persons with disabilities that is exempt from property taxes under RCW 84.36.350.

(3) A benefit charge may apply to a tax-exempt property included in subsection (2)(b) of this section if the tax-exempt property is located in a fire protection district that:

(a) Is less than four square miles in size;

(b) Has approved a benefit charge prior to the effective date of this section; and
(c) Has a population exceeding nineteen thousand people as of the effective date of this section, as determined by the office of financial management.

(4) A limited benefit charge may apply to property or improvements owned by a Christmas tree grower as defined in RCW 15.13.250(4) so long as the property or improvement is located on land that has been approved as farm and agricultural land with standing crops under chapter 84.34 RCW. For such property or improvement, a benefit charge may not exceed the reduction in property tax that results from the imposition of a benefit charge, as required under RCW 52.18.065.

(5) The aggregate amount of such benefit charges in any one year shall not exceed an amount equal to sixty percent of the operating budget for the year in which the benefit charge is to be collected: PROVIDED, That it shall be the duty of the county legislative authority or authorities of the county or counties in which the fire protection district is located to make any necessary adjustments to assure compliance with such limitation and to immediately notify the board of fire commissioners of any changes thereof.

(6) A benefit charge imposed shall be reasonably proportioned to the measurable benefits to property resulting from the services afforded by the district. It is acceptable to apportion the benefit charge to the values of the properties as found by the county assessor or assessors modified generally in the proportion that fire insurance rates are reduced or entitled to be reduced as the result of providing the services. Any other method that reasonably apportions the benefit charges to the actual benefits resulting from the degree of protection, which may include but is not limited to the distance from regularly maintained fire protection equipment, the level of fire prevention services provided to the properties, or the need of the properties for specialized services, may be specified in the resolution and shall be subject to contest on the ground of unreasonable or capricious action or action in excess of the measurable benefits to the property resulting from services afforded by the district. The board of fire commissioners may determine that certain properties or types or classes of properties are not receiving measurable benefits based on criteria they establish by resolution. A benefit charge authorized by this chapter shall not be applicable to the personal property or improvements to real property of any individual, corporation, partnership, firm, organization, or association maintaining a fire department and whose fire protection and training system has been accepted by a fire insurance underwriter maintaining a fire protection engineering and inspection service authorized by the state insurance commissioner to do business in this state, but such property may be protected by the fire protection district under a contractual agreement.

(7) For administrative purposes, the benefit charge imposed on any individual property may be compiled into a single charge, provided that the district, upon request of the property owner, provide an itemized list of charges for each measurable benefit included in the charge.

(8)(a) At the annual review of the fire benefit charge mandated by RCW 52.18.060(2), if a fire service agency has identified:

(i) A tax-exempt property under subsection (2)(b) of this section as having a substantial increase in requested emergency services over the previous year; or

(ii) A new tax-exempt property that is similar in size, population, and geographic location as another such tax-exempt property as having an increase in requested emergency services;

then the tax exempt property and the fire service agency must work together, in good faith, to address the problem by implementing community risk reduction efforts. The community risk reduction plan may include but is not limited to wellness programs and community action plans.

(b) At the subsequent annual review, if the heightened service requirements have not been reasonably addressed by the joint mitigation efforts, and the tax-exempt property owner has not acted in good faith:

(i) The property is subject to assessment of the fire benefit charge in the subsequent year, subject to approval by the board of fire commissioners as outlined in RCW 52.18.060(2); or

(ii) The respective tax exempt property shall pay the fire service agency a fire protection charge payment in lieu of a benefit charge. The fire protection charge shall be an amount equivalent to the
benefit rates for similarly situated properties for that year.

(c) All tax exempt properties identified under subsection (2)(b) of this section and all local fire service agencies are encouraged to work collaboratively to develop and implement programs to address proper usage of fire service resources for residents of the housing properties.

Sec. 6. RCW 52.26.180 and 2004 c 129 s 24 are each amended to read as follows:

(1) The governing board of a regional fire protection service authority may by resolution, as authorized in the plan and approved by the voters, for authority purposes authorized by law, fix and impose a benefit charge on personal property and improvements to real property which are located within the authority on the date specified and which have received or will receive the benefits provided by the authority, to be paid by the owners of the properties.

(2) A benefit charge does not apply to:

(a) Personal property and improvements to real property owned or used by any recognized religious denomination or religious organization as, or including, a sanctuary or for purposes related to the bona fide religious ministries of the denomination or religious organization, including schools and educational facilities used for kindergarten, primary, or secondary educational purposes or for institutions of higher education and all grounds and buildings related thereto. However, a benefit charge does apply to personal property and improvements to real property owned or used by any recognized religious denomination or religious organization for business operations, profit-making enterprises, or activities not including use of a sanctuary or related to kindergarten, primary, or secondary educational purposes or for institutions of higher education.

(b) Property of housing authorities that is exempt from property taxes under RCW 35.82.210;

(c) Property of nonprofit entities providing rental housing for very low-income households or providing space for the placement of a mobile home for a very low-income household that is exempt from property taxes under RCW 84.36.560;

(d) Property of nonprofit homes for the aging that is exempt from property taxes under RCW 84.36.041;

(e) Property of nonprofit organizations, corporations, or associations providing housing for eligible persons with developmental disabilities that is exempt from property taxes under RCW 84.36.042;

(f) Property of nonprofit organizations providing emergency or transitional housing for low-income homeless persons or victims of domestic violence who are homeless for personal safety reasons that is exempt from property taxes under RCW 84.36.043;

(g) Property of the state housing finance commission that is exempt from property taxes under RCW 84.36.135; and

(h) Property of nonprofit corporations operating sheltered workshops for persons with disabilities that is exempt from property taxes under RCW 84.36.350.

(3) A limited benefit charge may apply to property or improvements owned by a Christmas tree grower as defined in RCW 15.13.250(4) so long as the property or improvement is located on land that has been approved as farm and agricultural land with standing crops under chapter 84.34 RCW. For such property or improvement, a benefit charge may not exceed the reduction in property tax that results from the imposition of a benefit charge, as required under RCW 52.26.240.

(4) The aggregate amount of these benefit charges in any one year may not exceed an amount equal to sixty percent of the operating budget for the year in which the benefit charge is to be collected. It is the duty of the county legislative authority or authorities of the county or counties in which the regional fire protection service authority is located to make any necessary adjustments to assure compliance with this limitation and to immediately notify the governing board of an authority of any changes thereof.

(4+) (5) A benefit charge imposed must be reasonably proportioned to the measurable benefits to property resulting from the services afforded by the authority. It is acceptable to apportion the benefit charge to the values of the properties as found by the county assessor or assessors modified generally in the proportion that fire insurance rates are reduced or entitled to be reduced as the result of providing the services. Any
other method that reasonably apportions the benefit charges to the actual benefits resulting from the degree of protection, which may include but is not limited to the distance from regularly maintained fire protection equipment, the level of fire prevention services provided to the properties, or the need of the properties for specialized services, may be specified in the resolution and is subject to contest on the grounds of unreasonable or capricious action or action in excess of the measurable benefits to the property resulting from services afforded by the authority. The governing board of an authority may determine that certain properties or types or classes of properties are not receiving measurable benefits based on criteria they establish by resolution. A benefit charge authorized by this chapter is not applicable to the personal property or improvements to real property of any individual, corporation, partnership, firm, organization, or association maintaining a fire department and whose fire protection and training system has been accepted by a fire insurance underwriter maintaining a fire protection engineering and inspection service authorized by the state insurance commissioner to do business in this state, but the property may be protected by the authority under a contractual agreement.

(6) For administrative purposes, the benefit charge imposed on any individual property may be compiled into a single charge, provided that the authority, upon request of the property owner, provide an itemized list of charges for each measurable benefit included in the charge.

(7)(a) At the annual review of the fire benefit charge mandated by RCW 52.26.230(2), if a fire service agency has identified:

(i) A tax-exempt property under subsection (2)(b) of this section as having a substantial increase in requested emergency services over the previous year; or

(ii) A new tax-exempt property that is similar in size, population, and geographic location as another such tax-exempt property as having an increase in requested emergency services;

then the tax exempt property and the fire service agency must work together, in good faith, to address the problem by implementing community risk reduction efforts. The community risk reduction plan may include but is not limited to wellness programs and community action plans.

(b) At the subsequent annual review, if the heightened service requirements have not been reasonably addressed by the joint mitigation efforts, and the tax-exempt property owner has not acted in good faith:

(i) The property is subject to assessment of the fire benefit charge in the subsequent year, subject to approval by the governing board of the authority as outlined in RCW 52.26.230(2); or

(ii) The respective tax exempt property shall pay the fire service agency a fire protection charge payment in lieu of a benefit charge. The fire protection charge shall be an amount equivalent to the benefit rates for similarly situated properties for that year.

(c) All tax exempt properties identified under subsection (2)(b) of this section and all local fire service agencies are encouraged to work collaboratively to develop and implement programs to address proper usage of fire service resources for residents of the housing properties.

(8) For the purposes of this section and RCW 52.26.190 through 52.26.270, the following definitions apply:

(a)(i) "Personal property" includes every form of tangible personal property including, but not limited to, all goods, chattels, stock in trade, estates, or crops.

(ii) "Personal property" does not include any personal property used for farming, field crops, farm equipment, or livestock.

(a) The full certified rates of tax levy for state, county, county road district, regional transit authority, and city or town purposes must be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy takes precedence over all other levies and may not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069, 84.52.105, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, 84.52.125, 84.52.135, 84.52.140, and the protected portion of the levy under RCW 86.15.160 by flood control zone districts in a county with a population of seven hundred seventy-five thousand or more that is coextensive with a county must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(ii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the protected portion of the levy imposed under RCW 86.15.160 by a flood control zone district in a county with a population of seven hundred seventy-five thousand or more that is coextensive with a county must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(iii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.140 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(iv) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.135 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(v) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.125 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(vi) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 36.54.130 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(vii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by
a metropolitan park district with a population of one hundred fifty thousand or more that is protected under RCW 84.52.120 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(viii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, must be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated; and

(ix) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value levy imposed under RCW 84.52.069 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated.

(b) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property must be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(i) First, the certified property tax levy authorized under RCW 84.52.821 must be reduced on a pro rata basis or eliminated;

(ii) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, 35.95A.100, and 67.38.130 must be reduced on a pro rata basis or eliminated;

(iii) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts other than the portion of a levy protected under RCW 84.52.815 must be reduced on a pro rata basis or eliminated;

(iv) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, regional fire protection service authorities, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, must be reduced on a pro rata basis or eliminated;

(v) Fifth, if the consolidated tax levy rate still exceeds these limitations, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts created on or after January 1, 2002, must be reduced on a pro rata basis or eliminated;

(vi) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 and regional fire protection service authorities under RCW 52.26.140(1)(b) and (c) must be reduced on a pro rata basis or eliminated; and

(vii) Seventh, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, regional fire protection service authorities under RCW 52.26.140(1)(a), library districts, metropolitan park districts created before January 1, 2002, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, must be reduced on a pro rata basis or eliminated.

Sec. 10. RCW 84.52.010 and 2015 3rd sp.s. c 44 s 325 and 2015 3rd sp.s. c 24 s 405 are each reenacted and amended to read as follows:

(1) Except as is permitted under RCW 84.55.050, all taxes must be levied or voted in specific amounts.

(2) The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed value of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county must be
determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

(3) When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor must recompute and establish a consolidated levy in the following manner:

(a) The full certified rates of tax levy for state, county, county road district, regional transit authority, and city or town purposes must be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy takes precedence over all other levies and may not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069, 84.52.105, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, 84.52.125, 84.52.135, and 84.52.140, and the portion of the levy by a flood control zone district that was protected under RCW 84.52.816, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies must be reduced as follows:

(i) The portion of the levy by a flood control zone district that was protected under RCW 84.52.816 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(ii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.140 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(iii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by a fire protection district or regional fire protection service authority that is protected under RCW 84.52.125 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(v) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.135 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(vi) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.140 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(vii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, must be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated; and

(viii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(b) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such
property must be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(i) First, the certified property tax levy authorized under RCW 84.52.821 must be reduced on a pro rata basis or eliminated;

(ii) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, 35.95A.100, and 67.38.130 must be reduced on a pro rata basis or eliminated;

(iii) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts other than the portion of a levy protected under RCW 84.52.816 must be reduced on a pro rata basis or eliminated;

(iv) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, regional fire protection service authorities, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, must be reduced on a pro rata basis or eliminated;

(v) Fifth, if the consolidated tax levy rate still exceeds these limitations, the first fifty cent per thousand dollars of assessed valuation levy for metropolitan park districts created on or after January 1, 2002, must be reduced on a pro rata basis or eliminated;

(vi) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 and regional fire protection service authorities under RCW 52.26.140(1) (b) and (c) must be reduced on a pro rata basis or eliminated; and

(vii) Seventh, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, regional fire protection service authorities under RCW 52.26.140(1)(a), library districts, metropolitan park districts created before January 1, 2002, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, must be reduced on a pro rata basis or eliminated.

MESSAGE FROM THE SENATE

April 7, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1605 with the following amendment:

Strike everything after the enacting clause and insert the following:
"NEW SECTION. Sec. 1. A new section is added to chapter 79A.60 RCW to read as follows:

(1) Whenever the operator of a vessel is arrested for a violation of RCW 79A.60.040, the arresting officer, or another officer acting at the arresting officer's direction, has authority to impound the vessel as provided in this section.

(2) This section is not intended to limit or constrain the ability of local government from enacting and enforcing ordinances or other regulations relating to the impoundment of vessels for the purposes of enforcing RCW 79A.60.040.

(3) Unless vessel impound is required for evidentiary purposes, a law enforcement officer must seek a series of reasonable alternatives to impound before impounding the vessel. Reasonable alternatives to impound may include, but are not limited to:

(a) Working with the vessel's owner to locate a qualified operator who can take possession of the vessel within thirty minutes following the arrest of the vessel's operator and giving possession of the vessel to such a person;

(b) Leaving the vessel at a marina, dock, or moorage facility, provided that:

(i) The owner is present and willing to sign a liability waiver by which the owner agrees to waive any claims related to such an action against the law enforcement officer and the officer's agency and indemnify the officer and the agency against any claims related to such an action by any third party; and

(ii) The owner agrees to pay any applicable moorage charges or fees;

(c) Towing the vessel to the closest boat ramp, marina, or similar type facility where the owner can meet the impounding officer within thirty minutes in order to:

(i) Moor the vessel by accepting any applicable moorage charges or fees; or

(ii) Take possession of the vessel if the owner was not present at the time of the arrest.

(4) For the purposes of this section, storing an impounded vessel may include, but is not limited to:

(a) Removing the vessel to and placing it in a secure or other type of moorage facility; or

(b) Placing the vessel in the custody of an operator licensed by the United States coast guard per 46 C.F.R. Sec. 11.482 to provide commercial assistance towing services in Washington state who must:

(i) Tow it to a storage facility operated by the towing entity for storage or to a moorage facility for storage; or

(ii) Tow it to a location designated by the operator or owner of the vessel.

(5) In exigent circumstances, an impounding officer may temporarily attach an impounded vessel to a mooring buoy or anchor the vessel to the bottom for up to twenty-four hours, after which time the impounding officer must move or cause the vessel to be moved to an appropriate facility for storage as outlined in subsection (4) of this section.

(6) If the impounding officer secures a vessel by placing it on its trailer, the officer, moorage facility representative, or commercial assistance towing service is authorized to detach the vessel's trailer from the vehicle to which it is attached, attach the trailer to an impounding vehicle, operate the vessel to load it on the trailer, and then tow the vessel on its trailer to the storage facility.

(7) All vessels must be handled appropriately and returned in substantially the same condition as they existed before being impounded, unless forfeited pursuant to subsection (12) of this section. Except as provided in subsection (12)(b) of this section, all personal property in the vessel must be kept intact and must be returned to the vessel's owner or agent during the normal business hours of the entity storing the vessel upon request, provided the vessel owner, or the owner's agent, is able to provide sufficient proof of his or her identity.

(8) No moorage facility or vessel towing service provider is required to accept an impounded or otherwise secured vessel under this section for towing or storage. An impounding officer intending to secure a vessel by means of storing it at a moorage facility must have the permission of the owner or operator of the moorage facility prior to leaving the vessel at the facility. The impounding officer shall identify an authorized
person on the vessel impound authorization and inventory form to represent the vessel impound facility. The officer must provide a copy of the vessel impound authorization and inventory form to the designated person representing the vessel impound facility along with the addresses of the registered and legal owners of the vessel. The moorage facility may require that the impounding officer’s agency take responsibility for the foreclosure process set forth in subsection (12) of this section before they consent to accept an impounded vessel.

(9) (a) An impounding officer impounding a vessel pursuant to this section shall notify the legal and registered owner or owners of the impoundment of the vessel. The notification must be in writing and sent within one business day after the impound by first-class mail, digital transmission, or facsimile to the last known address of the registered and legal owner or owners of the vessel, as identified by the department of licensing, and must inform the owner or owners of the identity of the person or agency authorizing the impound. The impounding officer may serve the operator with the vessel impound authorization and inventory form at the time of impound if the operator is a legal or registered owner of the vessel. Personal service of the vessel impound authorization and inventory form meets the notice requirement of this subsection with respect to the legal or registered owner personally served. The notification must be provided on a vessel impound authorization and inventory form and include: (i) The name, address, and telephone number of the facility where the vessel is being held; (ii) the right of redemption and opportunity for a hearing to contest the validity of the impoundment; and (iii) the rate that is being charged for the storage of the vessel while impounded.

(b) A notice does not need to be sent to the legal or registered owner or owners of an impounded vessel if the vessel has been redeemed.

(c) The impounded vessel may not be redeemed by the operator within a twelve-hour period starting at the time of the operator’s arrest. The vessel may be redeemed by or released to an owner or an agent of the owner that is not the operator within the twelve-hour period following arrest.

(10) A moorage facility that accepts a vessel impounded pursuant to this section for storage may charge the owner of the vessel up to one hundred twenty-five percent of the normal moorage rates of tenants or guests in addition to a fee for securing the impounded vessel. A moorage facility must store the vessel in the least costly boat slip or storage area available that is appropriate for the vessel size. An entity that provides emergency vessel towing services that accepts a vessel impounded pursuant to this section for towing or storage, or both, may charge its normal towing and storage fees. The costs of removal and storage of vessels under this section is a lien upon the vessel until paid, unless the impoundment is determined to be invalid. The registered owner of a vessel impounded pursuant to this section is responsible for paying all fees associated with the towing and storage of the vessel resulting from its impoundment, except as otherwise provided in subsection (15) of this section.

(11) Within fifteen days of impoundment of the vessel, or until the vessel is forfeited pursuant to subsection (12) of this section, the legal or registered owner of a vessel impounded and stored pursuant to this section may redeem the vessel by paying all towing and storage fees charged as allowed in subsection (10) of this section. Within fifteen days of impoundment of the vessel, or until the vessel is forfeited pursuant to subsection (12) of this section, any person who shows proof of ownership or written authorization from the impounded vessel’s registered or legal owner or the vessel’s insurer may view the vessel without charge during the normal business hours of the entity storing the vessel. The moorage facility may request that a representative of the impounding agency be present during redemption. If requested, the impounding agency must provide a representative as requested by the moorage facility.

(12) If an impounded vessel stored pursuant to this section is not redeemed by its registered or legal owner pursuant to subsection (11) of this section within fifteen days of its impoundment, the entity storing the vessel, or the agency of the impounding officer, if required by the moorage facility under subsection (8) of this section, may initiate foreclosure. Forfeiture by the vessel owner is complete twenty days after mailing of the notice required by this subsection, unless within that time the owner, or any lienholder or holder of a security interest, pays all fees associated with the towing and
storage of the vessel resulting from its impoundment. However, foreclosure may not be completed while a hearing under subsection (15) of this section to contest the validity of the impoundment is pending in district or municipal court or while any appeal of a decision of the district or municipal court on the validity of the impoundment is pending.

(a) In order to foreclose on the vessel, the foreclosing entity must mail notice of its intent. Such a notice must, at a minimum, state: (i) The intent of the foreclosing entity to foreclose on the vessel; (ii) that, when the foreclosure process is complete, the owner forfeits all ownership interest in the vessel; (iii) the right of the foreclosing entity to take possession of or dispose of the vessel upon completion of the foreclosure process; and (iv) that the owner, or other interested person or entity, may avoid forfeiture of the vessel by paying all fees associated with the towing and storage of the vessel resulting from its impoundment within twenty days of mailing of the notice. The notice must be mailed to the owner of the vessel at the address on file with the state with which the vessel is registered, or on file with the federal government, if the vessel is registered with the federal government, and any lienholder or secured interests on record. A notice need not be sent to the purported owner or any other person whose interest in the vessel is not recorded with a state or with the federal government.

(b) Upon completion of the foreclosure process, the registered and legal owners of the vessel forfeit any and all ownership interest in it and the entity administering the foreclosure process must dispose of it through sale. The proceeds of a sale under this section shall be applied first to payment of the amount of reasonable charges incurred by the entity for towing, storage, and sale, then to the owner or to satisfy any liens of record or security interests of record on the vessel in the order of their priority. If the sale is for a sum less than the applicable charges, the foreclosing entity is entitled to assert a claim for the deficiency against the vessel owner. Nothing in this section prevents any lien holder or secured party from asserting a claim for any deficiency owed the lien holder or secured party. If more than one thousand dollars remains after the satisfaction of amounts owed to the entity and to any owner or bona fide security interest, then the foreclosing entity must remit the moneys to the department of licensing for deposit in the derelict vessel removal account established in RCW 79.100.100. A copy of the forfeited vessel disposition report form identifying the vessel resulting from any surplus shall accompany the remitted funds. Transfer of ownership of the vessel after foreclosure must comply with RCW 79.100.150, when applicable. All personal property in the vessel not claimed prior to foreclosure must be turned over to the law enforcement agency that authorized the impoundment. The personal property must be disposed of pursuant to chapter 63.32 or 63.40 RCW, or as otherwise provided by law. Within fourteen days of the completion of the foreclosure process of a vessel pursuant to this subsection, the foreclosing entity shall send a forfeited vessel disposition report, together with a copy of the vessel impound authorization and inventory form and the notice of intent to foreclose, to the department of licensing so that the department may include documentation in the ownership records of the vessel. The vessel disposition information sent to the department of licensing on the forfeited vessel disposition report relieves the previous owner of the vessel from any civil or criminal liability for the operation of the vessel from the date of sale thereafter, and transfers full liability for the vessel to the party to whom the vessel is transferred by the foreclosing entity.

(13) Any individual or entity whose assistance has been requested by an impounding officer who in good faith provides trailering, towing, or secured or other type of moorage of a vessel impounded pursuant to this section is not liable for any damage to or theft of the vessel or its contents, or for damages for loss of use of the vessel resulting from any act or omission in providing assistance other than for acts or omissions constituting gross negligence or willful or wanton misconduct, or for any damages arising from any act or omission committed during the foreclosure process.

(14) If a law enforcement officer impounds and secures a vessel pursuant to this section, the impounding officer and the government agency employing the officer are not liable for any damage to or theft of the vessel or its contents, or for damages for loss of use of the vessel, or for any damages arising from any act or omission committed during the foreclosure process.
(15) Any legal or registered owner seeking to redeem an impounded vessel under this section has a right to a hearing in the district or municipal court for the jurisdiction in which the vessel was impounded to contest the validity of the impoundment. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents, unless the impoundment was authorized by municipal agents. The municipal court has exclusive jurisdiction to determine the issues involving impoundments authorized by agents of the municipality. Any request for a hearing must be made in writing per the instructions provided on the uniform vessel impound authorization and inventory form and must be received by the appropriate court within ten business days of the date that the vessel impound authorization and inventory form was mailed to or served on the registered or legal owner or owners of the impounded vessel. If the hearing request is not received by the court within ten business days of the sending or personal service of the notice of impoundment pursuant to subsection (9) of this section, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the court shall proceed to hear and determine the validity of the impoundment.

(a) Within five days after the request for a hearing, the court shall notify the operator of the impound facility, the registered and legal owners of the vessel, and the officer or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the petitioner may produce any relevant evidence that is admissible under court rules to show that the impoundment, towing, or storage fees charged were not proper. The court may consider a written report made under oath by the officer who authorized the impoundment in lieu of the officer's personal appearance at the hearing.

(c) At the conclusion of the hearing, the court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the fees established in subsection (10) of this section, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with subsection (10) of this section.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs must be assessed against the petitioner.

(e) If the impoundment is determined to be in violation of this section, then the registered and legal owners of the vessel bear no impoundment, towing, or storage fees, any security must be returned or discharged as appropriate, and the agency that authorized the impoundment is liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the moorage facility or vessel towing contractor against the agency authorizing the impound for the impoundment, towing, and storage fees incurred. In addition, the court shall enter judgment in favor of the petitioner for the amount of the filing fee required by law for the impound hearing petition. If an impoundment is determined to be in violation of this section, the impounding officer and the government agency employing the officer are not liable for damage to or theft of the vessel or its contents, or damages for loss of use of the vessel, if the impounding officer had reasonable suspicion to believe that the operator of the vessel was operating the vessel while under the influence of intoxicating liquor or any drug, was in physical control of the vessel while under the influence of intoxicating liquor or any drug, or was operating the vessel in a reckless manner, or if the impounding officer otherwise acted reasonably under the circumstances in acting to impound and secure the vessel.

(f) If any judgment entered under this subsection is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment must read essentially as follows:

(16) By September 30, 2017, the department of licensing in collaboration with the commission shall create the following forms for use in the enforcement of this section:

(a) A vessel impound authorization and inventory form. This form must include sections for the impounding officer to record the addresses of the registered and legal owners of the vessel and the designated individual that will act on behalf of the impound facility; and

(b) A forfeited vessel disposition report form.

(17) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(b) "Legal owner" means a person having a perfected security interest or a registered owner of a vessel unencumbered by a security interest.

MESSAGE FROM THE SENATE
Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1612 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that over one thousand one hundred suicide deaths occur each year in Washington and these suicide deaths take an enormous toll on families and communities across the state. The legislature further finds that: Sixty-five percent of all suicides, and most suicide deaths and attempts for young people ages ten to eighteen, occur using firearms and prescription medications that are easily accessible in homes; firearms are the most lethal method used in suicide and almost entirely account for men dying by suicide than women; sixty-seven percent of all veteran deaths by suicide are by firearm; and nearly eighty percent of all deaths by firearms in Washington are suicides. The legislature further finds that there is a need for a robust public education campaign designed to raise awareness of suicide and to teach everyone the role that he or she can play in suicide prevention. The legislature further finds that important suicide prevention efforts include: Motivating households to improve safe storage practices to reduce deaths from firearms and prescription medications; decreasing barriers to prevent access to lethal means by allowing for temporary and voluntary transfers of firearms when individuals are at risk for suicide; increasing access to drug take-back sites; and making the public aware of suicide prevention steps, including recognizing warning signs, empathizing and listening, asking directly about suicide, removing dangers to ensure immediate safety, and getting help. The legislature intends by this act to create a public-private partnership fund to implement a suicide-safer home public education campaign in the coming years.

(b) The secretary and the disciplining authorities shall update the list at least once every two years.

(c) By June 30, 2016, the department shall adopt rules establishing minimum standards for the training programs included on the model list. The minimum standards must require that six-hour trainings include content specific to veterans and the assessment of issues related to imminent harm via lethal means or self-injurious behaviors and that three-hour trainings for pharmacists or dentists include content related to the assessment of issues related to imminent harm via lethal means. When adopting the rules required under this subsection (6)(c), the department shall:

(i) Consult with the affected disciplining authorities, public and private institutions of higher education, educators, experts in suicide assessment, treatment, and management, the Washington department of veterans affairs, and affected professional associations; and

(7) The department shall provide the health profession training standards created in this section to the professional educator standards board as a model in meeting the requirements of RCW 28A.410.226 and provide technical assistance, as requested, in the review and evaluation of educator training programs. The educator training programs approved by the professional educator standards board may be included in the department's model list.

(8) Nothing in this section may be interpreted to expand or limit the scope of practice of any profession regulated under chapter 18.130 RCW.

(9) The secretary and the disciplining authorities affected by this section shall adopt any rules necessary to implement this section.

The board of occupational therapy may also approve training that includes only screening and referral elements if appropriate for occupational therapy practitioners based on practice setting.

(11) A state or local government employee is exempt from the requirements of this section if he or she receives a total of at least six hours of training in suicide assessment, treatment, and management from his or her employer every six years. For purposes of this subsection, the training may be provided in one six-hour block or may be spread among shorter training sessions at the employer's discretion.

The curriculum must meet the minimum standards established under RCW 43.70.442 and must include material on identifying at-risk patients and limiting access to lethal means. When developing the curriculum, the school of dentistry must consult with experts on suicide assessment, treatment, and management and with the suicide-safer homes task force established in RCW 43.70.445. The school of dentistry shall submit a progress report to the governor and the relevant committees of the legislature by July 1, 2019.

(2) The dental quality assurance commission shall, for purposes of RCW 43.70.442(4)(a), consider a dentist who has successfully completed the curriculum developed under subsection (1) of this section prior to licensure as possessing the minimum training and experience necessary to be exempt from the training requirements in RCW 43.70.442.

Sec. 6. RCW 9.41.113 and 2015 c 1 s 3 are each amended to read as follows:

(1) All firearm sales or transfers, in whole or part in this state including without limitation a sale or transfer where either the purchaser or seller or transferee or transferor is in Washington, shall be subject to background checks unless specifically exempted by state or federal law. The background check requirement applies to all sales or transfers including, but not limited to, sales and transfers through a licensed dealer, at gun shows, online, and between unlicensed persons.

(2) No person shall sell or transfer a firearm unless:

(a) The person is a licensed dealer;

(b) The purchaser or transferee is a licensed dealer; or

(3) Where neither party to a prospective firearms transaction is a licensed dealer, the parties to the transaction shall complete the sale or transfer through a licensed dealer as follows:

(a) The seller or transferor shall deliver the firearm to a licensed dealer to process the sale or transfer as if it is selling or transferring the firearm from its inventory to the purchaser or transferee, except that the unlicensed seller or transferor may remove the firearm from the business premises of the licensed dealer while the background check is being conducted. If the seller or transferor removes the firearm from the business premises of the licensed dealer while the background check is being conducted, the purchaser or transferee and the seller or transferor shall return to the business premises of the licensed dealer and the seller or transferor shall again deliver the firearm to the licensed dealer prior to completing the sale or transfer.

(b) Except as provided in (a) of this subsection, the licensed dealer shall comply with all requirements of federal
and state law that would apply if the licensed dealer were selling or transferring the firearm from its inventory to the purchaser or transferee, including but not limited to conducting a background check on the prospective purchaser or transferee in accordance with federal and state law requirements and fulfilling all federal and state recordkeeping requirements.

(c) The purchaser or transferee must complete, sign, and submit all federal, state, and local forms necessary to process the required background check to the licensed dealer conducting the background check.

(d) If the results of the background check indicate that the purchaser or transferee is ineligible to possess a firearm, then the licensed dealer shall return the firearm to the seller or transferrer.

(e) The licensed dealer may charge a fee that reflects the fair market value of the administrative costs and efforts incurred by the licensed dealer for facilitating the sale or transfer of the firearm.

(4) This section does not apply to:

(a) A transfer between immediate family members, which for this subsection shall be limited to spouses, domestic partners, parents, parents-in-law, children, siblings, siblings-in-law, grandparents, grandchildren, nieces, nephews, first cousins, aunts, and uncles, that is a bona fide gift or loan;

(g) The temporary transfer of a firearm (i) Between spouses or domestic partners; (ii) if the temporary transfer occurs, and the firearm is kept at all times, at an established shooting range authorized by the governing body of the jurisdiction in which such range is located; (iii) if the temporary transfer occurs and the transferee's possession of the firearm is exclusively at a lawful organized competition involving the use of a firearm, or while participating in or practicing for a performance by an organized group that uses firearms as a part of the performance; (iv) to a person who is under eighteen years of age for lawful hunting, sporting, or educational purposes while under the direct supervision and control of a responsible adult who is not prohibited from possessing firearms; or (v) while hunting if the hunting is legal in all places where the person to whom the firearm is transferred possesses the firearm and the person to whom the firearm is transferred has completed all training and holds all licenses or permits required for such hunting, provided that any temporary transfer allowed by this subsection is permitted only if the person to whom the firearm is transferred is not prohibited from possessing firearms under state or federal law; or

(h) A person who (i) acquired a firearm other than a pistol by operation of law upon the death of the former owner of the firearm or (ii) acquired a pistol by operation of law upon the death of the former owner of the pistol within the preceding sixty days. At the end of the sixty-day period, the person must either have lawfully transferred the pistol or must have contacted the department of

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1612, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 11, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1641 with the following amendment:

"Sec. 1. RCW 7.70.065 and 2007 c 156 s 11 are each amended to read as follows:

(1) Informed consent for health care for a patient who is not competent, as defined in RCW 11.88.010(1)(e), to consent may be obtained from a person authorized to consent on behalf of such patient.

(a) Persons authorized to provide informed consent to health care on behalf of a patient who is not competent to consent, based upon a reason other than incapacity as defined in RCW 11.88.010(1)(d), shall be a member of one of the following classes of persons in the following order of priority:

(i) The appointed guardian of the patient, if any;

(ii) The individual, if any, to whom the patient has given a durable power of attorney that encompasses the authority to make health care decisions;

(iii) The patient's spouse or state registered domestic partner;

(iv) Children of the patient who are at least eighteen years of age;

(v) Parents of the patient; and

(vi) Adult brothers and sisters of the patient.

(b) If the health care provider seeking informed consent for proposed health care of the patient who is not competent to consent under RCW 11.88.010(1)(e), other than a person determined to be incapacitated because he or she is under the age of majority and who is not otherwise authorized to provide informed
consent, makes reasonable efforts to locate and secure authorization from a competent person in the first or succeeding class and finds no such person available, authorization may be given by any person in the next class in the order of descending priority. However, no person under this section may provide informed consent to health care:

(i) If a person of higher priority under this section has refused to give such authorization; or

(ii) If there are two or more individuals in the same class and the decision is not unanimous among all available members of that class.

(c) Before any person authorized to provide informed consent on behalf of a patient not competent to consent under RCW 11.88.010(1)(e), other than a person determined to be incapacitated because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, exercises that authority, the person must first determine in good faith that that patient, if competent, would consent to the proposed health care. If such a determination cannot be made, the decision to consent to the proposed health care may be made only after determining that the proposed health care is in the patient's best interests.

(2) Informed consent for health care, including mental health care, for a patient who is not competent, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

(a) Persons authorized to provide informed consent to health care, including mental health care, on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, shall be a member of one of the following classes of persons in the following order of priority:

(i) The appointed guardian, or legal custodian authorized pursuant to Title 26 RCW, of the minor patient, if any; 

(ii) A person authorized by the court to consent to medical care for a child in out-of-home placement pursuant to chapter 13.32A or 13.34 RCW, if any;

(iii) Parents of the minor patient;

(iv) The individual, if any, to whom the minor's parent has given a signed authorization to make health care decisions for the minor patient; and

(v) A competent adult representing himself or herself to be a relative responsible for the health care of such minor patient or a competent adult who has signed and dated a declaration under penalty of perjury pursuant to RCW 9A.72.085 stating that the adult person is a relative responsible for the health care of the minor patient. Such declaration shall be effective for up to six months from the date of the declaration.

(b)(i) Informed consent for health care on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent may be obtained from a school nurse, school counselor, or homeless student liaison when:

(A) Consent is necessary for nonemergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;

(B) The minor patient meets the definition of a "homeless child or youth" under the federal McKinney-Vento homeless education assistance improvements act of 2001, P.L. 107-110, January 8, 2002, 115 Stat. 2005; and

(C) The minor patient is not under the supervision or control of a parent, custodian, or legal guardian, and is not in the care and custody of the department of social and health services.

(ii) A person authorized to consent to care under this subsection (2)(b) and the person's employing school or school district are not subject to administrative sanctions or civil damages resulting from the consent or nonconsent for care, any care, or payment for any care, rendered pursuant to this section. Nothing in this section prevents a health care facility or a health care provider from seeking reimbursement from other sources for care
provided to a minor patient under this subsection (2)(b).

(iii) Upon request by a health care facility or a health care provider, a person authorized to consent to care under this subsection (2)(b) must provide to the person rendering care a declaration signed and dated under penalty of perjury pursuant to RCW 9A.72.085 stating that the person is a school nurse, school counselor, or homeless student liaison and that the minor patient meets the elements under (b)(i) of this subsection. The declaration must also include written notice of the exemption from liability under (b)(ii) of this subsection.

(c) A health care provider may, but is not required to, rely on the representations or declaration of a person claiming to be a relative responsible for the care of the minor patient, under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection, if the health care provider does not have actual notice of the falsity of any of the statements made by the person claiming to be a relative responsible for the health care of the minor patient, or person claiming to be authorized to consent to the health care of the minor patient.

(4)(d) A health care facility or a health care provider may, in its discretion, require documentation of a person's claimed status as a relative responsible for the health care of the minor patient, or person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection. However, there is no obligation to require such documentation.

(4)(e) The health care provider or health care facility where services are rendered shall be immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration signed under penalty of perjury pursuant to RCW 9A.72.085 stating that the adult person is a relative responsible for the health care of the minor patient under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection.

(3) For the purposes of this section, "health care," "health care provider," and "health care facility" shall be defined as established in RCW 70.02.010.

NEW SECTION. Sec. 2. RCW 28A.320.147 ("Homeless child or youth"—Informed consent for health care for patient under the age of majority—Exemption from liability) and 2016 c 157 s 7 are each repealed.

On page 1, line 3 of the title, after "act;" strike the remainder of the title and insert "amending RCW 7.70.065; and repealing RCW 28A.320.147."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1641, as amended by the Senate, having received the necessary constitutional majority, was declared passed.
MESSAGE FROM THE SENATE

April 10, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1867 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a large number of foster youth experience homelessness. The legislature intends that individuals who are eligible for extended foster care services are able to receive those services to help prevent them from experiencing homelessness. The 2016 office of homeless youth annual report identifies ensuring that youth exiting public systems are not released into homelessness as a goal and recommends expanding options for youth to enroll in extended foster care.

Sec. 2. RCW 74.13.031 and 2015 c 240 s 3 are each amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster homes; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with
children and caregivers to whom it is
providing child welfare services.

(7) The department and supervising
agencies shall have authority to accept
custody of children from parents and to
accept custody of children from juvenile
courts, where authorized to do so under
law, to provide child welfare services
including placement for adoption, to
provide for the routine and necessary
medical, dental, and mental health care,
or necessary emergency care of the
children, and to provide for the physical
care of such children and make payment of
maintenance costs if needed. Except where
required by Public Law 95-608 (25 U.S.C.
Sec. 1915), no private adoption agency
which receives children for adoption from
the department shall discriminate on the
basis of race, creed, or color when
considering applications in their
placement for adoption.

(8) The department and supervising
agency shall have authority to provide
temporary shelter to children who have run
away from home and who are admitted to
crisis residential centers.

(9) The department and supervising
agency shall have authority to purchase
care for children.

(10) The department shall establish a
children's services advisory committee
with sufficient members representing
supervising agencies which shall assist
the secretary in the development of a
partnership plan for utilizing resources
of the public and private sectors, and
advise on all matters pertaining to child
welfare, licensing of child care agencies,
adoption, and services related thereto. At
least one member shall represent the
adoption community.

(11) (a) The department and supervising
agencies shall provide continued extended
foster care services to nonminor
dependents who are:

(i) Enrolled in a secondary education
program or a secondary education
equivalency program;

(ii) Enrolled and participating in a
postsecondary academic or postsecondary
vocational education program;

(iii) Participating in a program or
activity designed to promote employment or
remove barriers to employment;

(iv) Engaged in employment for eighty
hours or more per month; or

(v) Not able to engage in any of the
activities described in (a)(i) through
(iv) of this subsection due to a
documented medical condition.

(b) To be eligible for extended foster
care services, the nonminor dependent must
have been dependent and in foster care at
the time that he or she reached age
eighteen years. If the dependency case of
the nonminor dependent was dismissed
pursuant to RCW 13.34.267, he or she may
receive extended foster care services
pursuant to a voluntary placement
agreement under RCW 74.13.336 or pursuant
to an order of dependency issued by the
court under RCW 13.34.268. A nonminor
dependent whose dependency case was
dismissed by the court must have requested
extended foster care services before
reaching age nineteen years. Eligible
nonminor dependents may unenroll and
reenroll in extended foster care through
a voluntary placement agreement once
between ages eighteen and twenty-one.

(c) The department shall develop and
implement rules regarding youth
eligibility requirements.

(d) The department shall make efforts
to ensure that extended foster care
services maximize medicaid
reimbursements. This must include the
department ensuring that health and mental
health extended foster care providers
participate in medicaid, unless the
condition of the extended foster care
youth requires specialty care that is not
available among participating medicaid
providers or there are no participating
medicaid providers in the area. The
department shall coordinate other services
to maximize federal resources and the most
cost-efficient delivery of services to
extended foster care youth.

(e) The department shall allow a youth
who has received extended foster care
services, but lost his or her eligibility,
to reenter the extended foster care
program once through a voluntary placement
agreement when he or she meets the
eligibility criteria again.

(12) The department shall have
authority to provide adoption support
benefits, or relative guardianship
subsidies on behalf of youth ages eighteen
to twenty-one years who achieved
permanency through adoption or a relative
guardianship at age sixteen or older and
who meet the criteria described in
subsection (11) of this section.
(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order. The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 (and 74.13.032 through), 43.185C.295, 74.13.035, and 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 3. (1) The Washington state institute for public policy shall conduct a study measuring the outcomes for youth who have received extended foster care services pursuant to RCW 74.13.031(11). The study should include measurements of any savings to state and local governments. The study should compare the outcomes for youth who have received extended foster care services pursuant to RCW 74.13.031(11) with youth who aged out of foster care when they reached eighteen years of age. To the extent possible, the study should also include a comparison of other state extended foster care programs and a review
of studies that have been completed measuring the outcomes of those programs.

(2) The Washington state institute for public policy shall issue a report containing its preliminary findings to the legislature by December 1, 2018, and a final report by December 1, 2019.

(3) The Washington state institute for public policy is authorized to accept nonstate funds to conduct the study required in subsection (1) of this section.

(4) This section expires July 1, 2020.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

and the same is hereewith transmitted.

Pablo S. Campos, Deputy Secretary
NEW SECTION. Sec. 2. (1) Except as otherwise provided in subsection (7) of this section, a city that requires a general business license of any person that engages in business activities within that city must partner with the department to have such license issued, and renewed if the city requires renewal, through the business licensing service in accordance with chapter 19.02 RCW.

(a) Except as otherwise provided in subsection (3) of this section, the department must phase in the issuance and renewal of general business licenses of cities that required a general business license as of July 1, 2017, and are not already partnering with the department, as follows:

If the department cannot reallocate resources, the city may issue and renew its general business license until the department is able to partner with the city.

(3) The department may delay assuming the duties of issuing and renewing general business licenses beyond the dates provided in subsection (1)(a) of this section if:

(a) Insufficient funds are appropriated for this specific purpose;

(b) The department cannot ensure the business licensing system is adequately prepared to handle all general business licenses due to unforeseen circumstances;

(c) The department determines that a delay is necessary to ensure that the transition to mandatory department issuance and renewal of general business licenses is as seamless as possible; or

(d) The department receives a written notice from a city within sixty days of the date that the city appears on the department's biennial partnership plan, which includes an explanation of the fiscal or technical challenges causing the city to delay joining the system. A delay under this subsection (3)(d) may be for no more than three years.

(4)(a) In consultation with affected cities and in accordance with the priorities established in subsection (5) of this section, the department must establish a biennial plan for partnering with cities to assume the issuance and renewal of general business licenses as required by this section. The plan must identify the cities that the department will partner with and the dates targeted for the department to assume the duties of issuing and renewing general business licenses.

(b) By January 1, 2018, and January 1st of each even-numbered year thereafter, the department must submit the partnering plan required in (a) of this subsection (4) to the governor; legislative fiscal committees; house local government committee; senate agriculture, water, trade and economic development committee; senate local government committee; affected cities; association of Washington cities; association of Washington business; national federation of independent business; and Washington retail association.

(c) The department may, in its sole discretion, alter the plan required in (a) of this subsection (4) with a minimum notice of thirty days to affected cities.

(5) When determining the plan to partner with cities for the issuance and
renewal of general business licenses as required in subsection (4) of this section, cities that notified the department of their wish to partner with the department before January 1, 2017, must be allowed to partner before other cities.

(6) A city that partners with the department for the issuance and renewal of general business licenses through the business licensing service in accordance with chapter 19.02 RCW may not issue and renew those licenses.

(7) A city may decline to partner with the department for the issuance and renewal of a general business license as provided in subsection (1) of this section if the city participates in the online local business license and tax filing portal known as "FileLocal" as of July 1, 2020. For the purposes of this subsection (7), a city is considered to be a FileLocal participant as of the date that a business may access FileLocal for purposes of applying for or renewing that city's general business license and reporting and paying that city's local business and occupation taxes. A city that ceases participation in FileLocal after July 1, 2020, must partner with the department for the issuance and renewal of its general business license as provided in subsection (1) of this section.

(8) By January 1, 2019, and each January 1st thereafter through January 1, 2028, the department must submit a progress report to the legislature. The report required by this subsection must provide information about the progress of the department's efforts to partner with all cities that impose a general business license requirement and include:

(a) A list of cities that have partnered with the department as required in subsection (1) of this section;

(b) A list of cities that have not partnered with the department;

(c) A list of cities that are scheduled to partner with the department during the upcoming calendar year;

(d) A list of cities that have declined to partner with the department as provided in subsection (7) of this section;

(e) An explanation of lessons learned and any process efficiencies incorporated by the department;

(f) Any recommendations to further simplify the issuance and renewal of general business licenses by the department; and

(g) Any other information the department considers relevant.

NEW SECTION. Sec. 3. (1) A general business license that must be issued and renewed through the business licensing service in accordance with chapter 19.02 RCW is subject to the provisions of this section.

(2)(a) A city has broad authority to impose a fee structure as provided by RCW 35.22.280, 35.23.440, and 35A.82.020. However, any fee structure selected by a city must be within the department's technical ability to administer. The department has the sole discretion to determine if it can administer a city's fee structure.

(b) If the department is unable to administer a city's fee structure, the city must work with the department to adopt a fee structure that is administrable by the department. If a city fails to comply with this subsection (2)(b), it may not enforce its general business licensing requirements on any person until the effective date of a fee structure that is administrable by the department.

(3) A general business license may not be renewed more frequently than once per year except that the department may require a more frequent renewal date as may be necessary to synchronize the renewal date for the general business license with the business's business license expiration date.

(4) The business licensing system need not accommodate any monetary penalty imposed by a city for failing to obtain or renew a general business license. The penalty imposed in RCW 19.02.085 applies to general business licenses that are not renewed by their expiration date.

(5) The department may refuse to administer any provision of a city business license ordinance that is inconsistent with this chapter.

NEW SECTION. Sec. 4. The department is not authorized to enforce a city's licensing laws except to the extent of issuing or renewing a license in accordance with this chapter and chapter 19.02 RCW or refusing to issue a license due to an incomplete application, nonpayment of the appropriate fees as indicated by the license application or
renewal application, or the nonpayment of any applicable penalty for late renewal.

NEW SECTION. Sec. 5. Cities whose general business licenses are issued through the business licensing system retain the authority to set license fees, provide exemptions and thresholds for these licenses, approve or deny license applicants, and take appropriate administrative actions against licensees.

NEW SECTION. Sec. 6. Cities may not require a person to obtain or renew a general business license unless the person engages in business within its respective city. For the purposes of this section, a person may not be considered to be engaging in business within a city unless the person is subject to the taxing jurisdiction of a city under the standards established for interstate commerce under the commerce clause of the United States Constitution.

NEW SECTION. Sec. 7. A general business license change enacted by a city whose general business license is issued through the business licensing system takes effect no sooner than seventy-five days after the department receives notice of the change if the change affects in any way who must obtain a license, who is exempt from obtaining a license, or the amount or method of determining any fee for the issuance or renewal of a license.

NEW SECTION. Sec. 8. (1)(a) The cities, working through the association of Washington cities, must form a model ordinance development committee made up of a representative sampling of cities that impose a general business license requirement. This committee must work through the association of Washington cities to adopt a model ordinance on general business license requirements by July 1, 2018. The model ordinance and subsequent amendments developed by the committee must be adopted using a process that includes opportunity for substantial input from business stakeholders and other members of the public. Input must be solicited from statewide business associations and from local chambers of commerce and downtown business associations in cities that require a person that conducts business in the city to obtain a general business license.

(b) The department, association of Washington cities, and municipal research and services center must post copies of, or links to, the model ordinance on their internet web sites. Additionally, a city that imposes a general business license requirement must make copies of its general business license ordinance or ordinances available for inspection and copying as provided in chapter 42.56 RCW.

(c) The definitions in the model ordinance may not be amended more frequently than once every four years, except that the model ordinance may be amended at any time to comply with changes in state law or court decisions. Any amendment to a mandatory provision of the model ordinance must be adopted with the same effective date by all cities.

(2) A city that imposes a general business license requirement must adopt the mandatory provisions of the model ordinance by January 1, 2019. The following provisions are mandatory:

(a) A definition of "engaging in business within the city" for purposes of delineating the circumstances under which a general business license is required;

(b) A uniform minimum licensing threshold under which a person would be relieved of the requirement to obtain a city's general business license. A city retains the authority to create a higher threshold for the requirement to obtain a general business license but must not deviate lower than the level required by the model ordinance.

(3)(a) A city may require a person that is under the uniform minimum licensing threshold as provided in subsection (2) of this section to obtain a city registration with no fee due to the city.

(b) A city that requires a city registration as provided in (a) of this subsection must partner with the department to have such registration issued through the business licensing service in accordance with chapter 19.02 RCW. This subsection (3)(b) does not apply to a city that is excluded from the requirement to partner with the department for the issuance and renewal of general business licenses as provided in section 2 of this act.

NEW SECTION. Sec. 9. Cities that impose a general business license must adopt the mandatory provisions of the model ordinance as provided in section 8 of this act by January 1, 2019. A city that has not complied with the requirements of this section by January 1, 2019, may not enforce its general business licensing requirements on any person until the date that the mandatory provisions of
the model ordinance take effect within the city.

NEW SECTION. Sec. 10. Cities must coordinate with the association of Washington cities to submit a report to the governor; legislative fiscal committees; house local government committee; and the senate agriculture, water, trade and economic development committee by January 1, 2019. The report must:

1. Provide information about the model ordinance adopted by the cities as required in section 8 of this act;
2. Identify cities that have and have not adopted the mandatory provisions of the model ordinance; and
3. Incorporate comments from statewide business organizations concerning the process and substance of the model ordinance. Statewide business organizations must be allowed thirty days to submit comments for inclusion in the report.

NEW SECTION. Sec. 11. (1) The legislature directs cities, towns, and identified business organizations to partner in recommending changes to simplify the two factor apportionment formula provided in RCW 35.102.130.

(2)(a) The local business and occupation tax apportionment task force is established. The task force must consist of the following seven representatives:

(i) Three voting representatives selected by the association of Washington cities that are tax managers representing municipalities that impose a local business and occupation tax, including at least one jurisdiction that has performed an audit where apportionment errors were discovered.

(ii) Three voting representatives selected by the association of Washington business, including at least one tax practitioner or legal counsel with experience representing business clients during municipal audits that involved apportionment errors or disputes.

(iii) One nonvoting representative from the department.

(b) The task force may seek input or collaborate with other parties, as it deems necessary. The department must serve as the task force chair and must staff the task force.

(c) Beginning in the first month following the effective date of this section, the task force must meet no less frequently than once per month until it reports to the legislature as provided under subsection (3) of this section.

(3) By October 31, 2018, the task force established in subsection (2) of this section must prepare a report to the legislature to recommend changes to RCW 35.102.130 and related sections, as needed, to develop a method for assigning gross receipts to a local jurisdiction using a market-based model. The task force must focus on methods that rely on information typically available in commercial transaction receipts and captured by common business recordkeeping systems.

(4) The task force terminates January 1, 2019, unless legislation is enacted to extend such termination date.

NEW SECTION. Sec. 12. Sections 1 through 10 of this act constitute a new chapter in Title 35 RCW."

(b) Conduct an inventory of all hazardous materials;

(c) Update information on the school mapping information system to reflect current staffing and updated plans, including:

(i) Identifying all staff members who are trained on the national incident management system, trained on the incident command system, or are certified on the incident command system; and

(ii) Identifying school transportation procedures for evacuation, to include bus staging areas, evacuation routes, communication systems, parent-student reunification sites, and secondary transportation agreements consistent with the school mapping information system; and

(d) Provide information to all staff on the use of emergency supplies and notification and alert procedures.

(4) To the extent funds are available, school districts shall annually record and report on the information and activities
required in subsection (3) of this section to the Washington association of sheriffs and police chiefs.

(5) School districts are encouraged to work with local emergency management agencies and other emergency responders to conduct one tabletop exercise, one functional exercise, and two full-scale exercises within a four-year period.

(6) (Schools shall conduct no less than one safety-related drill each month that school is in session. Schools shall complete no less than one drill using the school mapping information system, three drills for lockdown, one drill for shelter-in-place, three drills for fire evacuation in accordance with the state fire code, and one other safety-related drill to be determined by the school. Schools should consider drills for earthquakes, tsunami, or other high-risk local events. Schools shall document the date and time of such drills.) (a) Due to geographic location, schools have unique safety challenges. It is the responsibility of school principals and administrators to assess the threats and hazards most likely to impact their school, and to practice three basic functional drills, shelter-in-place, lockdown, and evacuation, as these drills relate to those threats and hazards. Some threats or hazards may require the use of more than one basic functional drill.

(b) Schools shall conduct at least one safety-related drill per month, including summer months when school is in session with students. These drills must teach students three basic functional drill responses:

(i) "Shelter-in-place," used to limit the exposure of students and staff to hazardous materials, such as chemical, biological, or radiological contaminants, released into the environment by isolating the inside environment from the outside;

(ii) "Lockdown," used to isolate students and staff from threats of violence, such as suspicious trespassers or armed intruders, that may occur in a school or in the vicinity of a school; and

(iii) "Evacuation," used to move students and staff away from threats, such as fires, oil train spills, or tsunamis.

(c) The drills described in (b) of this subsection must incorporate the following requirements:

(i) Use of the school mapping information system in at least one of the safety-related drills; and

(ii) A pedestrian evacuation drill for schools in mapped tsunami hazard zones.

(d) The drills described in (b) of this subsection may incorporate an earthquake drill using the state-approved earthquake safety technique "drop, cover, and hold."

(e) Schools shall document the date, time, and type (shelter-in-place, lockdown, or evacuate) of each drill required under this subsection (6), and maintain the documentation in the school office.

(f) This subsection (6) is intended to satisfy all federal requirements for comprehensive school emergency drills and evacuations.

(7) Educational service districts are encouraged to apply for federal emergency response and crisis management grants with the assistance of the superintendent of public instruction and the Washington emergency management division of the state military department.

(8) The superintendent of public instruction may adopt rules to implement provisions of this section. These rules may include, but are not limited to, provisions for evacuations, lockdowns, or other components of a comprehensive safe school plan."

On page 1, line 1 of the title, after "drills;" strike the remainder of the title and insert "and amending RCW 28A.320.125."

SUBSTITUTE HOUSE BILL NO. 1279, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 12, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1358 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 74.09 RCW to read as follows:

The authority shall adopt standards for the reimbursement of health care services provided to eligible clients by fire departments pursuant to a community assistance referral and education services program under RCW 35.21.930. The standards must allow payment for covered health care services provided to individuals whose medical needs do not require ambulance transport to an emergency department.

Sec. 2. RCW 35.21.930 and 2015 c 93 s 1 are each amended to read as follows:

(1) Any fire department may develop a community assistance referral and education services program to provide community outreach and assistance to residents of its jurisdiction in order to improve population health and advance injury and illness prevention within its community. The program should identify members of the community who use the 911 system or emergency department for low acuity assistance calls (calls that are nonemergency or nonurgent) and connect them to their primary care providers, other health care professionals, low-cost medication programs, and other social services. The program may partner with hospitals to reduce readmissions. The program may also provide nonemergency contact information in order to provide an alternative resource to the 911 system. The program may hire or contract with health care professionals as needed to provide these services, including emergency medical technicians certified under chapter 18.73 RCW and advanced emergency medical technicians and paramedics certified under chapter 18.71 RCW. The services provided by emergency medical technicians, advanced emergency medical technicians, and paramedics must be under the responsible supervision and direction of an approved medical program director. Nothing in this section authorizes an emergency medical technician, advanced emergency medical technician, or paramedic to perform medical procedures they are not trained and certified to perform.

(2) A participating fire department may seek grant opportunities and private gifts. In order to support its community assistance referral and education services program, a participating fire department may seek grant opportunities and private gifts, and, by resolution or ordinance, establish and collect reasonable charges for these services.

(3) In developing a community assistance referral and education services program, a fire department may consult with the health workforce council to identify health care professionals capable of working in a nontraditional setting and providing assistance, referral, and education services.

(4) Community assistance referral and education services programs implemented under this section must, at least annually, measure any reduction of repeated use of the 911 emergency system and any reduction in avoidable emergency room trips attributable to implementation of the program. Results of findings under this subsection must be reportable to the legislature or other local governments upon request. Findings should include estimated amounts of medicaid dollars that
would have been spent on emergency room visits had the program not been in existence.

(5) For purposes of this section, “fire department” includes city and town fire departments, fire protection districts organized under Title 52 RCW, regional fire protection service authorities organized under chapter 52.26 RCW, providers of emergency medical services ((that)) eligible to levy a tax under RCW 84.52.069, and federally recognized Indian tribes.

NEW SECTION. Sec. 3. A new section is added to chapter 43.70 RCW to read as follows:

The department of health must review the professional certification and training of health professionals participating in a community assistance referral and education program, review the certification and training requirements in other states with similar programs, and coordinate with the health care authority to link the certification requirements with the covered health care services recommended for payment in section 1 of this act. The department shall submit recommendations to the appropriate committees of the legislature for any changes and suggestions for implementation within six months of the development of the payment standards.

NEW SECTION. Sec. 4. (1) The joint legislative audit and review committee shall conduct a cost-effectiveness review, in consultation with the health care authority, of the standards for reimbursement established in section 1 of this act. The review must evaluate the amount paid on behalf of eligible clients under chapter 74.09 RCW by the health care authority to fire departments for health care services that did not require an ambulance transport and the amount that would have been paid had the services been provided in a different care setting.

(2) The cost-effectiveness review must consider the savings realized by medical assistance programs under chapter 74.09 RCW as a result of fire departments providing health care services and make any recommendations for improving the cost-effectiveness of the standards for reimbursement and reducing the potential for excessive billing or billing for unnecessary services. If the review finds that the standards of reimbursement have not resulted in savings to the state’s medical assistance programs, the joint legislative audit and review committee shall recommend the repeal of section 1 of this act.

(3) The joint legislative audit and review committee shall submit the cost-effectiveness review, including its findings and recommendations, to the fiscal committees and health policy committees of the legislature by December 1, 2021.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void.

and the same is herewith transmitted.

(b) Have not been appointed by the agency to an agency board, commission, or internship; and
(c) Do not have a supervisory role or delegated agency authority.

(4) "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation including, but not limited to, letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, motion picture, film and video recordings, magnetic or punched cards, discs, drums, diskettes, sound recordings, and other documents including existing data compilations from which information may be obtained or translated.

(2) Public records officers must:

(a) Complete training no later than ninety days after assuming responsibilities as a public records officer or records manager; and
(b) Complete refresher training at intervals of no more than four years as long as they maintain the designation.

(3) Training must be consistent with the attorney general’s model rules for compliance with the public records act.

(4) Training may be completed remotely with technology including but not limited to internet-based training.

(5) Training must address particular issues related to the retention,

Sec. 3. RCW 42.56.520 and 2010 c 69 s 2 are each amended to read as follows:

(1) Responses to requests for public records shall be made promptly by agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives. Within five business days of receiving a public record request, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives must respond (by either) in one of the ways provided in this subsection (1):

(a) Providing the record;

(b) Providing an internet address and link on the agency’s web site to the specific records requested, except that if the requester notifies the agency that he or she cannot access the records through the internet, then the agency must provide copies of the record or allow the requester to view copies using an agency computer;

(c) Acknowledging that the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives has received the request and providing a reasonable estimate of the time the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives will require to respond to the request;

(d) Acknowledging that the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives has received the request and asking the requester to provide clarification for a request that is unclear, and providing, to the greatest extent possible, a reasonable estimate of the time the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives will require to respond to the request if it is not clarified; or

(e) Denying the public record request.

(2) Additional time required to respond to a request may be based upon the need to clarify the intent of the request, to locate and assemble the information requested, to notify third persons or agencies affected by the request, or to determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request.

(3)(a) In acknowledging receipt of a public record request that is unclear, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives may ask the requester to clarify what information the requester is seeking.

(b) If the requestor fails to respond to an agency request to clarify the request, and the entire request is unclear, the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives need not respond to it. Otherwise, the agency must respond, pursuant to this section, to those portions of the request that are clear.

(4) Denials of requests must be accompanied by a written statement of the specific reasons therefor. Agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall establish mechanisms for the most prompt possible review of decisions denying inspection, and such review shall be deemed completed at the end of the second business day following the denial of inspection and shall constitute final agency action or final action by the office of the secretary of the senate or the office of the chief clerk of the house of representatives for the purposes of judicial review.

Sec. 4. RCW 42.56.570 and 2007 c 197 s 8 are each amended to read as follows:

(1) The attorney general’s office shall publish, and update when appropriate, a pamphlet, written in plain language, explaining this chapter.

(2) The attorney general, by February 1, 2006, shall adopt by rule ((an)) advisory model rules for state and local agencies, as defined in RCW 42.56.010, addressing the following subjects:

(a) Providing fullest assistance to requestors;

(b) Fulfilling large requests in the most efficient manner;

(c) Fulfilling requests for electronic records; and
(d) Any other issues pertaining to public disclosure as determined by the attorney general.

(3) The attorney general, in his or her discretion, may from time to time revise the model rule.

(4) Local agencies should consult the advisory model rules when establishing local ordinances for compliance with the requirements and responsibilities of this chapter.

(5) Until June 30, 2020, the attorney general must establish a consultation program to provide information for developing best practices for local agencies requesting assistance in compliance with this chapter including, but not limited to: Responding to records requests, seeking additional public and private resources for developing and updating technology information services, and mitigating liability and costs of compliance. The attorney general may develop the program in conjunction with the advisory model rule and may collaborate with the chief information officer, the state archivist, and other relevant agencies and organizations in developing and managing the program. The program in this subsection ceases to exist June 30, 2020.

(6) Until June 30, 2020, the state archivist must offer and provide consultation and training services for local agencies on improving record retention practices.

Sec. 5. RCW 40.14.024 and 2008 c 328 s 6005 are each amended to read as follows:

The local government archives account is created in the state treasury. All receipts collected by the county auditors under RCW 40.14.027 and 36.22.175 for local government services, such as providing records (scheduling) schedule compliance, security microfilm inspection and storage, archival preservation, cataloging, and indexing for local government records and digital data and access to those records and data through the regional branch archives of the division of archives and records management, must be deposited into the account, and expenditures from the account may be used only for these purposes. (During the 2007-2009 biennium, the legislature may transfer from the local government archives account to the Washington state heritage center account such amounts as reflect the excess fund balance in the account.) Any amounts deposited in the account in accordance with RCW 36.22.175(4) may only be expended for the purposes authorized under that provision as follows: No more than fifty percent of funding may be used for the attorney general's consultation program and the state archivist's training services, and the remainder is to be used for the competitive grant program.

NEW SECTION. Sec. 6. A new section is added to chapter 40.14 RCW to read as follows:

(1) The division of archives and records management in the office of the secretary of state must establish and administer a competitive grant program for local agencies to improve technology information systems for public record retention, management, and disclosure, and any related training. The division of archives and records management may use up to six percent of amounts appropriated for the program for administration of the grant program. The program in this subsection ceases to exist June 30, 2020.

(2) Any local agency may apply to the grant program. The division of archives and records management in the office of the secretary of state must award grants annually. The division of archives and records management must consult with the chief information officer to develop the criteria for grant recipient selection with a preference given to small local governmental agencies based on the applicant agency's need and ability to improve its information technology systems for public record retention, management, and disclosure. The division of archives and records management may award grants for specific hardware, software, equipment, technology services management and training needs, indexing for local records and digital data, and other resources for improving information technology systems. To the extent possible, information technology systems, processes, training, and other resources for improving information technology systems for records retention and distribution may be replicated and shared with other governmental entities. Grants are provided for one-time investments and are not an ongoing source of revenue for operation or management costs. A grantee may not supplant local funding with grant funding provided by the office of the secretary of state. The program in this subsection ceases to exist June 30, 2020.

(3) The joint legislative audit and review committee must conduct a review of
the attorney general’s consultation program and the state archivist's training services created under section 4, chapter . . ., Laws of 2017 (section 4 of this act), and the local government competitive grant program created under this section. The review must include:

The log must be retained by the agency in accordance with the relevant record retention schedule established under this chapter, and shall be a public record subject to disclosure under chapter 42.56 RCW.

(5) To improve best practices for dissemination of public records, each agency with actual staff and legal costs associated with fulfilling public records requests of at least one hundred thousand dollars during the prior fiscal year must, and each agency with such estimated costs of less than one hundred thousand dollars during the prior fiscal year may, report to the joint legislative audit and review committee by July 1st of each subsequent year the following metrics, measured over the preceding year:

(b) The average length of time taken to acknowledge receipt of a public records request;

(n) The costs incurred by the agency litigating claims alleging a violation of chapter 42.56 RCW or other public records statutes in the past year, including any penalties imposed on the agency;

(p) Expenses recovered by the agency from requestors for fulfilling public records requests, including any customized service charges; and

(q) Measures of requestor satisfaction with agency responses, communication, and processes relating to the fulfillment of public records requests.

(6) The joint legislative audit and review committee must consult with state and local agencies to develop a reporting method and clearly define standardized metrics in accordance with this section.

(7) By December 1, 2019, the joint legislative audit and review committee must report to the legislature on its findings from the review, including recommendations on whether the competitive grant program, the attorney general's consultation program, and the state archivist's training services should continue or be allowed to expire.

Sec. 7. RCW 36.22.175 and 2011 1st sp.s. c 50 s 931 are each amended to read as follows:

(1)(a) In addition to any other charge authorized by law, the county auditor shall charge a surcharge of one dollar per instrument for each document recorded. Revenue generated through this surcharge shall be transmitted monthly to the state treasurer for deposit in the local government archives account under RCW 40.14.024. These funds shall be used solely for providing records schedule compliance, security microfilm inspection and storage, archival preservation, cataloging, and indexing for local government records and digital data and access to those records and data through the regional branch archives of the division of archives and records management.

(b) The division of archives and records management within the office of the secretary of state shall provide records management training for local governments and shall establish a competitive grant program to solicit and prioritize project proposals from local governments for potential funding to be paid for by funds from the auditor surcharge and tax warrant surcharge revenues. Application for specific projects may be made by local government agencies only. The state archivist in consultation with the advisory committee established under RCW 40.14.027 shall adopt rules governing project eligibility, evaluation, awarding of grants, and other criteria including requirements for records management training for grant recipients.

(2) The advisory committee established under RCW 40.14.027 shall review grant proposals and establish a prioritized list of projects to be considered for funding by January 1st of each even-numbered year, beginning in 2002. The evaluation of proposals and development of the prioritized list must be developed through open public meetings. Funding for projects shall be granted according to the ranking of each application on the prioritized list and projects will be funded only to the extent that funds are available. A grant award may have an effective date other than the date the project is placed on the prioritized list.

(3)(a) In addition to any other surcharge authorized by law, the county auditor shall charge a surcharge of one dollar per instrument for every document recorded after January 1, 2002. Revenue generated through this surcharge shall be transmitted to the state treasurer monthly for deposit in the local government archives account under RCW 40.14.024 to be used exclusively for: (i) The construction and improvement of a specialized regional facility located in eastern Washington designed to serve the archives, records management, and digital data management needs of local government; and (ii) payment of the certificate of participation issued for the Washington state heritage center to the extent there is an excess fund balance in the account and fees generated under RCW 36.18.010 and 43.07.128 are insufficient to meet debt service payments on the certificate of participation.
(b) To the extent the facilities are used for the storage and retrieval of state agency records and digital data, that portion of the construction of such facilities used for state government records and data shall be supported by other charges and fees paid by state agencies and shall not be supported by the surcharge authorized in this subsection, except that to the extent there is an excess fund balance in the account and fees generated under RCW 36.18.010 and 43.07.128 are insufficient to meet debt service payments for the Washington state heritage center, the local government archives account under RCW 40.14.024 may be used for the Washington state heritage center.

(c) At such time that all debt service from construction of the specialized regional archive facility located in eastern Washington has been paid, fifty percent of the surcharge authorized by this subsection shall be reverted to the centennial document preservation and modernization account as prescribed in RCW 36.22.170 and fifty percent of the surcharge authorized by this section shall be reverted to the state treasurer for deposit in the local government archives account under RCW 40.14.024.

(4) In addition to any other surcharge authorized by law, the county auditor shall charge a surcharge of one dollar per instrument for every document recorded. Revenue generated through this surcharge shall be transmitted to the state treasurer monthly for deposit in the local government archives account under RCW 40.14.024 to be used exclusively for the competitive grant program in section 6 of this act, and for the attorney general's consultation program and state archivist's training services authorized in RCW 42.56.570.

NEW SECTION. Sec. 8. (1) Subject to the availability of amounts appropriated for this specific purpose, the division of archives and records management in the office of the secretary of state must conduct a study to assess the feasibility of implementing a statewide open records portal through which a user can request and receive a response through a single internet web site relating to public records information.

(2) The division of archives and records management must hire a consultant to conduct the study.

(3) At a minimum, the report must include:

(a) The feasibility of Washington creating a central site from which a user can submit a records request and receive a timely response to such request;

(b) An examination of the experience in other states, including but not limited to the state of Utah, that have implemented an electronic open records portal;

(c) Whether the open records portals in other states serve as central repositories and archives for the purpose of all public records on behalf of local and state agencies;

(d) Whether other states' open records portals track and provide a timeline where each request is being responded to in the process;

(e) The cost of creating the open records portal in other states and the amount of funds local and state agencies or any other entities contributed to the start-up and ongoing costs to operate the open records portal;

(f) The length of time it took for other states to develop an open records portal from its initial start-up to its current full operation;

(g) The length of time it would take for Washington to develop and implement an open records portal from start-up to full operation that is similar to the portals located in other states;

(h) The length of time it would take for Washington to develop and implement an open records portal from start-up to full operation that would include: (i) The portal collecting, archiving, and holding all public records from local and state governmental agencies in Washington; (ii) the portal being capable of allowing users to submit a public records request through a central site; and (iii) the records portal operating as a central site for answering and providing requested public records to a user;
The estimated cost to develop and implement an open records portal that is:

(i) Similar to the open records portals located in other states referenced and reviewed in (g) of this subsection; and

(ii) a full open records portal pursuant to (h) of this subsection. In both instances, the costs must include costs associated with local and state governmental agencies in Washington participating in the portal and any needed supporting infrastructure, staffing, and training requirements;

(j) How much is charged and how fees are collected from a user requesting a public record through other states' open records portals;

(k) The feasibility of whether an open records portal created in Washington would be able to track all public records requests, when such requests for public records are made through the open records portal, and provide a timeline where each request is being responded to in the process;

(l) The feasibility of whether an open records portal created in Washington would be able to directly respond to answering a user's public records request and, if not, the feasibility of the portal tracking when a local or state agency responds to such a request and providing a timeline where each request is being responded to in the process;

(m) The feasibility of creating an open records portal in Washington that notifies a requestor that the request has been received and either immediately provides the requestor with a copy of the requested record, notifies the requestor that the record is not available, or notifies the requestor that because of the extraordinary request the record will be available on a date certain;

(n) The feasibility of creating an open records portal through which a requestor can make a request and receive a response through a single internet web site relating to public records information, and the feasibility of agencies managing internet web sites to make public access easier and reduce the number of requests related to the same topic through best practices by offering to post different categories of requested records on the web site in a manner that is responsive to records requests; and

(o) The allocation of liability between the agency operating an open records portal and any agency that provides records through the portal or accepts requests for public records through the portal in the event of litigation regarding denial of access to records or unreasonable estimate of time to produce records in response to a request.

(4) A report must be completed with findings and recommendations on the experience of the electronic open records portal created in other states and the feasibility of creating a central statewide open records portal in Washington, as well as recommendations and best management practices for agencies to post records that are responsive to records requests on an agency internet web site and take into consideration various categories of records and agency capacities in order to provide broader public access to records of public interest and to reduce the number of requests relating to the same topic. The report must be submitted to the governor, the appropriate committees of the legislature, and members of the stakeholder group in section 9 of this act, by September 1, 2018.

(5) This section expires December 31, 2018.

MESSAGE FROM THE SENATE

April 7, 2017

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1595 with the following amendment:

"Sec. 1. RCW 42.56.070 and 2005 c 274 s 284 are each amended to read as follows:

(1) Each agency, in accordance with published rules, shall make available for public inspection and copying all public records, unless the record falls within the specific exemptions of subsection ((6)) (8) of this section, this chapter, or other statute which exempts or prohibits disclosure of specific information or records. To the extent required to prevent an unreasonable invasion of personal privacy interests protected by this chapter, an agency shall delete identifying details in a manner consistent with this chapter when it makes available or publishes any public record; however, in each case, the justification for the deletion shall be explained fully in writing.

(2) For informational purposes, each agency shall publish and maintain a current list containing every law, other than those listed in this chapter, that the agency believes exempts or prohibits disclosure of specific information or records of the agency. An agency's failure to list an exemption shall not affect the efficacy of any exemption.

(3) Each local agency shall maintain and make available for public inspection and copying a current index providing identifying information as to the following records issued, adopted, or promulgated after January 1, 1973:

(a) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(b) Those statements of policy and interpretations of policy, statute, and the Constitution which have been adopted by the agency;
(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) Planning policies and goals, and interim and final planning decisions;

(e) Factual staff reports and studies, factual consultant's reports and studies, scientific reports and studies, and any other factual information derived from tests, studies, reports, or surveys, whether conducted by public employees or others; and

(f) Correspondence, and materials referred to therein, by and with the agency relating to any regulatory, supervisory, or enforcement responsibilities of the agency, whereby the agency determines, or opines upon, or is asked to determine or opine upon, the rights of the state, the public, a subdivision of state government, or of any private party.

(4) A local agency need not maintain such an index, if to do so would be unduly burdensome, but it shall in that event:

(a) Issue and publish a formal order specifying the reasons why and the extent to which compliance would unduly burden or interfere with agency operations; and

(b) Make available for public inspection and copying all indexes maintained for agency use.

(5) Each state agency shall, by rule, establish and implement a system of indexing for the identification and location of the following records:

(a) All records issued before July 1, 1990, for which the agency has maintained an index;

(b) Final orders entered after June 30, 1990, that are issued in adjudicative proceedings as defined in RCW 34.05.010 and that contain an analysis or decision of substantial importance to the agency in carrying out its duties;

(c) Declaratory orders entered after June 30, 1990, that are issued pursuant to RCW 34.05.240 and that contain an analysis or decision of substantial importance to the agency in carrying out its duties;

(d) Interpretive statements as defined in RCW 34.05.010 that were entered after June 30, 1990; and

(e) Policy statements as defined in RCW 34.05.010 that were entered after June 30, 1990. Rules establishing systems of indexing shall include, but not be limited to, requirements for the form and content of the index, its location and availability to the public, and the schedule for revising or updating the index. State agencies that have maintained indexes for records issued before July 1, 1990, shall continue to make such indexes available for public inspection and copying. Information in such indexes may be incorporated into indexes prepared pursuant to this subsection. State agencies may satisfy the requirements of this subsection by making available to the public indexes prepared by other parties but actually used by the agency in its operations. State agencies shall make indexes available for public inspection and copying. State agencies may charge a fee to cover the actual costs of providing individual mailed copies of indexes.

(6) A public record may be relied on, used, or cited as precedent by an agency against a party other than an agency and it may be invoked by the agency for any other purpose only if:

(a) It has been indexed in an index available to the public; or

(b) Parties affected have timely notice (actual or constructive) of the terms thereof.

(7) Each agency shall establish, maintain, and make available for public inspection and copying a statement of the actual costs that it charges for providing photocopies or electronically produced copies, of public records and a statement of the factors and manner used to determine the actual costs. Any statement of costs may be adopted by an agency only after providing notice and public hearing.

(a)(i) In determining the actual costs for providing copies of public records, an agency may include all costs directly incident to copying such public records including:

(A) The actual cost of the paper and the per page cost for use of agency copying equipment; and

(B) The actual cost of the electronic production or file transfer of the record and the use of any cloud-based data storage and processing service.
(ii) In determining other actual costs for providing copies of public records, an agency may include all costs directly incident to:

(A) Shipping such public records, including the cost of postage or delivery charges and the cost of any container or envelope used; and

(B) Transmitting such records in an electronic format, including the cost of any transmission charge and use of any physical media device provided by the agency.

(b) In determining the actual costs for providing copies of public records, an agency may not include staff salaries, benefits, or other general administrative or overhead charges, unless those costs are directly related to the actual cost of copying the public records. Staff time to copy and send the requested public records may be included in an agency's costs.

(8) An agency need not calculate the actual per page cost or other costs it charges for providing photocopies of public records if to do so would be unduly burdensome, but in that event: The agency may not charge in excess of fifteen cents per page for photocopies of public records or for the use of agency equipment to photocopy public records and the actual postage or delivery charge and the cost of any container or envelope used to mail the public records to the requestor.

Sec. 2. RCW 42.56.080 and 2016 c 163 s 3 are each amended to read as follows:

(1) A public records request must be for identifiable records. A request for all or substantially all records prepared, owned, used, or retained by an agency is not a valid request for identifiable records under this chapter, provided that a request for all records regarding a particular topic or containing a particular keyword or name shall not be considered a request for all of an agency's records.

(2) Public records shall be available for inspection and copying, and agencies shall, upon request for identifiable public records, make them promptly available to any person including, if applicable, on a partial or installment basis as records that are part of a larger set of requested records are assembled or made ready for inspection or disclosure. Agencies shall not deny a request for identifiable public records solely on the basis that the request is overly broad. Agencies shall not distinguish among persons requesting records, and such persons shall not be required to provide information as to the purpose for the request except to establish whether inspection and copying would violate RCW 42.56.070(9) or 42.56.240(14), or other statute which exempts or prohibits disclosure of specific information or records to certain persons. Agency facilities shall be made available to any person for the copying of public records except when and to the extent that this would unreasonably disrupt the operations of the agency. Agencies shall honor requests received in person during an agency's normal office hours, or by mail or email, for identifiable public records unless exempted by provisions of this chapter. No official format is required for making a records request; however, agencies may recommend that requestors submit requests using an agency provided form or web page.

(3) An agency may deny a bot request that is one of multiple requests from the requestor to the agency within a twenty-four hour period, if the agency establishes that responding to the multiple requests would cause excessive interference with other essential functions of the agency. For purposes of this subsection, "bot request" means a request for public records that an agency reasonably believes was automatically generated by a computer program or script.
Sec. 3. RCW 42.56.120 and 2016 c 163 s 4 are each amended to read as follows:

(1) No fee shall be charged for the inspection of public records or locating public documents and making them available for copying, except as provided in RCW 42.56.240(14) and subsection (3) of this section. A reasonable charge may be imposed for providing copies of public records and for the use by any person of agency equipment or equipment of the office of the secretary of the senate or the office of the chief clerk of the house of representatives to copy public records, which charges shall not exceed the amount necessary to reimburse the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives for its actual costs directly incident to such copying. When calculating any fees authorized under this section, an agency shall use the most reasonable cost-efficient method available to the agency as part of its normal operations. If any agency translates a record into an alternative electronic format at the request of a requestor, the copy created does not constitute a new public record for purposes of this chapter. Scanning paper records to make electronic copies of such records is a method of copying paper records and does not amount to the creation of a new public record.

(2)(a) Agency charges for (photocopies shall) actual costs may only be imposed in accordance with the (actual per page cost or other) costs established and published by the agency pursuant to RCW 42.56.070(7), and in accordance with the statement of factors and manner used to determine the actual costs. In no event may an agency charge a per page cost greater than the actual ((per page)) cost as established and published by the agency.

(b) An agency need not calculate the actual costs it charges for providing public records if it has rules or regulations declaring the reasons doing so would be unduly burdensome. To the extent the agency has not determined the actual (per page cost for photocopies of) costs of copying public records, the agency may not charge in excess of:

(i) Fifteen cents per page for photocopies of public records, printed copies of electronic public records when requested by the person requesting records, or for the use of agency equipment to photocopy public records;

(ii) Ten cents per page for public records scanned into an electronic format or for the use of agency equipment to scan the records;

(iii) Five cents per each four electronic files or attachment uploaded to email, cloud-based data storage service, or other means of electronic delivery; and

(iv) Ten cents per gigabyte for the transmission of public records in an electronic format or for the use of agency equipment to send the records electronically. The agency shall take reasonable steps to provide the records in the most efficient manner available to the agency in its normal operations; and

(v) The actual cost of any digital storage media or device provided by the agency, the actual cost of any container or envelope used to mail the copies to the requestor, and the actual postage or delivery charge.

(c) The charges in (b) of this subsection may be combined to the extent that more than one type of charge applies to copies produced in response to a particular request.

(d) An agency may charge a flat fee of up to two dollars for any request as an alternative to fees authorized under (a) or (b) of this subsection when the agency reasonably estimates and documents that the costs allowed under this subsection are clearly equal to or more than two dollars. An additional flat fee shall not be charged for any installment after the first installment of a request produced in installments. An agency that has elected to charge the flat fee in this subsection for an initial installment may not charge the fees authorized under (a) or (b) of this subsection on subsequent installments.

(e) An agency shall not impose copying charges under this section for access to or downloading of records that the agency routinely posts on its public internet web site prior to receipt of a request unless the requestor has specifically requested that the agency provide copies of such records through other means.

(f) A requestor may ask an agency to provide, and if requested an agency shall provide, a summary of the applicable charges before any copies are made and the requestor may revise the request to reduce the number of copies to be made and reduce the applicable charges.
(3)(a)(i) In addition to the charge imposed for providing copies of public records and for the use by any person of agency equipment copying costs, an agency may include a customized service charge. A customized service charge may only be imposed if the agency estimates that the request would require the use of information technology expertise to prepare data compilations, or provide customized electronic access services when such compilations and customized access services are not used by the agency for other agency purposes.

(ii) The customized service charge may reimburse the agency up to the actual cost of providing the services in this subsection.

(b) An agency may not assess a customized service charge unless the agency has notified the requestor of the customized service charge to be applied to the request, including an explanation of why the customized service charge applies, a description of the specific expertise, and a reasonable estimate cost of the charge. The notice also must provide the requestor the opportunity to amend his or her request in order to avoid or reduce the cost of a customized service charge.

(4) An agency may require a deposit in an amount not to exceed ten percent of the estimated cost of providing copies for a request, including a customized service charge. If an agency makes a request available on a partial or installment basis, the agency may charge for each part of the request as it is provided. If an installment of a records request is not claimed or reviewed, the agency is not obligated to fulfill the balance of the request. An agency may waive any charge assessed for a request pursuant to agency rules and regulations. An agency may enter into any contract, memorandum of understanding, or other agreement with a requestor that provides an alternative fee arrangement to the charges authorized in this section, or in response to a voluminous or frequently occurring request.

Sec. 4. RCW 42.56.130 and 2005 c 274 s 286 are each amended to read as follows:

The provisions of RCW 42.56.070(7) and (8) and 42.56.120 that establish or allow agencies to establish the costs charged for photocopies or electronically produced copies of public records do not supersede other statutory provisions, other than in this chapter, authorizing or governing fees for copying public records.

Sec. 5. RCW 42.56.550 and 2011 c 273 s 1 are each amended to read as follows:

(1) Upon the motion of any person having been denied an opportunity to inspect or copy a public record by an agency, the superior court in the county in which a record is maintained may require the responsible agency to show cause why it has refused to allow inspection or copying of a specific public record or class of records. The burden of proof shall be on the agency to establish that refusal to permit public inspection and copying is in accordance with a statute that exempts or prohibits disclosure in whole or in part of specific information or records.

(2) Upon the motion of any person who believes that an agency has not made a reasonable estimate of the time that the agency requires to respond to a public record request or a reasonable estimate of the charges to produce copies of public records, the superior court in the county in which a record is maintained may require the responsible agency to show that the estimate it provided is reasonable. The burden of proof shall be on the agency to show that the estimate it provided is reasonable.

(3) Judicial review of all agency actions taken or challenged under RCW 42.56.030 through 42.56.520 shall be de novo. Courts shall take into account the policy of this chapter that free and open examination of public records is in the public interest, even though such examination may cause inconvenience or embarrassment to public officials or others. Courts may examine any record in camera in any proceeding brought under this section. The court may conduct a hearing based solely on affidavits.

(4) Any person who prevails against an agency in any action in the courts seeking the right to inspect or copy any public record or the right to receive a response to a public record request within a reasonable amount of time shall be awarded all costs, including reasonable attorney fees, incurred in connection with such legal action. In addition, it shall be within the discretion of the court to award such person an amount not to exceed one hundred dollars for each day that he or she was denied the right to inspect or copy said public record.
For actions under this section against counties, the venue provisions of RCW 36.01.050 apply.

(6) Actions under this section must be filed within one year of the agency's claim of exemption or the last production of a record on a partial or installment basis.

On page 1, line 2 of the title, after "requests;" strike the remainder of the title and insert "and amending RCW 42.56.070, 42.56.080, 42.56.120, 42.56.130, and 42.56.550."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 5, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1079 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 9A.40 RCW to read as follows:

(1) A defendant who is charged by citation, complaint, or information with an offense involving trafficking, as described in RCW 9A.40.100, and is not arrested, shall appear in court for arraignment or initial appearance in person as soon as practicable, but in no event later than fourteen days after the defendant is served with the citation, complaint, or information. At that appearance, the court shall determine the necessity of imposing or extending a no-contact order, and consider the provisions of RCW 9.41.800 or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

(2) Whenever a no-contact order is issued under this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system."
NEW SECTION. Sec. 2. A new section is added to chapter 9A.40 RCW to read as follows:

Any general authority Washington peace officer as defined in RCW 10.93.020 in this state may enforce this chapter as it relates to orders restricting the defendants' ability to have contact with the victim or others.

NEW SECTION. Sec. 3. A new section is added to chapter 9A.40 RCW to read as follows:

(1) Because of the likelihood of repeated harassment and intimidation directed at those who have been victims of trafficking as described in RCW 9A.40.100, before any defendant charged with or arrested, for a crime involving trafficking, is released from custody, or at any time the case remains unresolved, the court may prohibit that person from having any contact with the victim whether directly or through third parties.

At the initial preliminary appearance, the court shall determine whether to extend any existing prohibition on the defendant's contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location. The court may also consider the provisions of RCW 9.41.800 or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

(2) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. So long as the court finds probable cause, the court may issue or extend a no-contact order. The no-contact order shall terminate if the defendant is acquitted or the charges are dismissed.

(3)(a) Willful violation of a court order issued under this section is punishable under RCW 26.50.110.

(b) The written order shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 26.50 RCW and the violator is subject to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony.

(4) Upon a motion with notice to all parties and after a hearing, the court may terminate or modify the terms of an existing no-contact order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses.

(5)(a) A defendant's motion to terminate or modify a no-contact order must include a declaration setting forth facts supporting the requested order for termination or modification. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the defendant established adequate cause, the court shall set a date for hearing the defendant's motion.

(b) The court may terminate or modify the terms of a no-contact order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses, if the defendant proves by a preponderance of the evidence that there has been a material change in circumstances such that the defendant is not likely to engage in or attempt to engage in physical or nonphysical contact with the victim if the order is terminated or modified. The victim bears no burden of proving that he or she has a current reasonable fear of harm by the defendant.

(c) A defendant may file a motion to terminate or modify pursuant to this section no more than once in every twelve-month period that the order is in effect, starting from the date of the order and continuing through any renewal.

(6) Whenever a no-contact order is issued, modified, or terminated under this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any
jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

**NEW SECTION. Sec. 4.** A new section is added to chapter 9A.40 RCW to read as follows:

(1) If a defendant is found guilty of the crime of trafficking under RCW 9A.40.100 and a condition of the sentence restricts the defendant's ability to have contact with the victim, the condition must be recorded and a written certified copy of that order must be provided to the victim by the clerk of the court. Willful violation of a court order issued under this section is punishable under RCW 26.50.110. The written order must contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 26.50 RCW and the violator is subject to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony.

(2) Whenever a no-contact order is issued under this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

**NEW SECTION. Sec. 5.** A new section is added to chapter 9A.88 RCW to read as follows:

(1) Any general authority Washington peace officer as defined in RCW 10.93.020 in this state may enforce this chapter as it relates to orders restricting the defendants' ability to have contact with the victim or others.

**NEW SECTION. Sec. 6.** A new section is added to chapter 9A.88 RCW to read as follows:

Any general authority Washington peace officer as defined in RCW 10.93.020 in this state may enforce this chapter as it relates to orders restricting the defendants' ability to have contact with the victim or others.

**NEW SECTION. Sec. 7.** A new section is added to chapter 9A.88 RCW to read as follows:

(1) Because of the likelihood of repeated harassment and intimidation directed at those who have been victims of promoting prostitution in the first degree under RCW 9A.88.070 or promoting prostitution in the second degree under RCW 9A.88.080, before any defendant charged with or arrested, for a crime involving promoting prostitution is released from custody, or at any time the case remains unresolved, the court may prohibit that person from having any contact with the victim whether directly
or through third parties. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location. The court may also consider the provisions of RCW 9.41.800 or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

(2) At the time of arraignment, the court shall determine whether a no-contact order shall be issued or extended. So long as the court finds probable cause, the court may issue or extend a no-contact order. The no-contact order shall terminate if the defendant is acquitted or the charges are dismissed.

(3)(a) Willful violation of a court order issued under this section is punishable under RCW 26.50.110.

(b) The written order shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 26.50 RCW and the violator is subject to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony.

(4) Upon a motion with notice to all parties and after a hearing, the court may terminate or modify the terms of an existing no-contact order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses.

(5)(a) A defendant's motion to terminate or modify a no-contact order must include a declaration setting forth facts supporting the requested order for termination or modification. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the defendant established adequate cause, the court shall set a date for hearing the defendant's motion.

(b) The court may terminate or modify the terms of a no-contact order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses, if the defendant proves by a preponderance of the evidence that there has been a material change in circumstances such that the defendant is not likely to engage in or attempt to engage in physical or nonphysical contact with the victim if the order is terminated or modified. The victim bears no burden of proving that he or she has a current reasonable fear of harm by the defendant.

(c) A defendant may file a motion to terminate or modify pursuant to this section no more than once in every twelve-month period that the order is in effect, starting from the date of the order and continuing through any renewal.

(6) Whenever a no-contact order is issued, modified, or terminated under this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 8. A new section is added to chapter 9A.88 RCW to read as follows:

(1) If a defendant is found guilty of the crime of promoting prostitution in the first degree under RCW 9A.88.070 or promoting prostitution in the second degree under RCW 9A.88.080, and a condition of the sentence restricts the defendant's ability to have contact with the victim or witnesses, the condition must be recorded and a written certified copy of that order must be provided to the victim or witnesses by the clerk of the court. Willful violation of a court order issued under this section is punishable under RCW 26.50.110. The written order must contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 26.50 RCW and the violator is subject to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony.
(2) Whenever a no-contact order is issued under this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

Sec. 9. RCW 26.50.110 and 2015 c 275 s 15 and 2015 c 248 s 1 are each reenacted and amended to read as follows:

(1) (a) Whenever an order is granted under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, any temporary order for protection granted under chapter 7.40 RCW pursuant to chapter 74.34 RCW, or there is a valid foreign protection order as defined in RCW 26.52.020, and the respondent or person to be restrained knows of the order, a violation of any of the following provisions of the order is a gross misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or stalking, a protected party, or restraint provisions prohibiting contact with a protected party;

(ii) A provision excluding the person from a residence, workplace, school, or day care;

(v) A provision of a foreign protection order specifically indicating that a violation will be a crime.

(b) Upon conviction, and in addition to any other penalties provided by law, the court:

(i) May require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(ii) Shall impose a fine of fifteen dollars, in addition to any penalty or fine imposed, for a violation of a domestic violence protection order issued under this chapter. Revenue from the fifteen dollar fine must be remitted monthly to the state treasury for deposit in the domestic violence prevention account.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, any temporary order for protection granted under chapter 7.40 RCW pursuant to chapter 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

protection order as defined in RCW 26.52.020, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a court order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, is a class C felony if the offender has at least two previous convictions for violating the provisions of an order issued under this chapter, chapter 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020. The previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order granted under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

On page 1, line 2 of the title, after "offenses;" strike the remainder of the title and insert "reenacting and amending RCW 28A.225.015 and 1999 c 319 s 6 are each amended to read as follows:

"Sec. 1. RCW 28A.225.015 and 1999 c 319 s 6 are each amended to read as follows:

(1) If a parent enrolls a child who is six or seven years of age in a public school, the child is required to attend and that parent has the responsibility to ensure the child attends for the full time that school is in session. An exception shall be made to this requirement for children whose parents formally remove them from enrollment if the child is less than eight years old and a petition has not been filed against the parent under
subsection (3) of this section. The requirement to attend school under this subsection does not apply to a child enrolled in a public school part-time for the purpose of receiving ancillary services. A child required to attend school under this subsection may be temporarily excused upon the request of his or her parent for purposes agreed upon by the school district and parent.

(2) If a six or seven year old child is required to attend public school under subsection (1) of this section and that child has unexcused absences, the public school in which the child is enrolled shall:

(a) Inform the child's custodial parent, parents, or guardian by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year;

(b) Request a conference or conferences with the custodial parent, parents, or guardian and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after ((two)) three unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the ((second)) third unexcused absence, then the school district may schedule this conference on that day; and

(c) Take steps to eliminate or reduce the child's absences. These steps shall include, where appropriate, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, offering assistance in enrolling the child in available alternative schools or programs, or assisting the parent or child to obtain supplementary services that may help eliminate or ameliorate the cause or causes for the absence from school.

(3) If a child required to attend public school under subsection (1) of this section has seven unexcused absences in a month or ten unexcused absences in a school year, the school district shall file a petition for civil action as provided in RCW 28A.225.035 against the parent of the child.

(4) This section does not require a six or seven year old child to enroll in a public or private school or to receive home-based instruction. This section only applies to six or seven year old children whose parents enroll them full time in public school and do not formally remove them from enrollment as provided in subsection (1) of this section.

Sec. 2. RCW 28A.225.020 and 2016 c 205 s 4 are each amended to read as follows:

(1) If a child required to attend school under RCW 28A.225.010 fails to attend school without valid justification, the public school in which the child is enrolled shall:

(a) Inform the child's parent by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the potential consequences of additional unexcused absences. If the parent is not fluent in English, the school must make reasonable efforts to provide this information in a language in which the parent is fluent;

(b) Schedule a conference or conferences with the parent and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after ((two)) three unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the ((second)) third unexcused absence, then the school district may schedule this conference on that day. If the child's parent does not attend the scheduled conference, the conference may be conducted with the student and school official. However the parent shall be notified of the steps to be taken to eliminate or reduce the child's absence; and

(c) At some point after the second and before the fifth unexcused absence, take data-informed steps to eliminate or reduce the child's absences.

(i) In middle school and high school, these steps ((shall)) must include application of the Washington assessment of the risks and needs of students (WARNs) or other assessment by a school district's designee under RCW 28A.225.026((, and)).

(ii) For any child with an existing individualized education plan or 504 plan, these steps must include the convening of the child's individualized education plan or 504 plan team, including a behavior specialist or mental health specialist
where appropriate, to consider the reasons for the absences. If necessary, and if consent from the parent is given, a functional behavior assessment to explore the function of the absence behavior shall be conducted and a detailed behavior plan completed. Time should be allowed for the behavior plan to be initiated and data tracked to determine progress.

(iii) With respect to any child, without an existing individualized education plan or 504 plan, reasonably believed to have a mental or physical disability or impairment, these steps must include informing the child's parent of the right to obtain an appropriate evaluation at no cost to the parent to determine whether the child has a disability or impairment and needs accommodations, related services, or special education services. This includes children with suspected emotional or behavioral disabilities as defined in WAC 392-172A-01035. If the school obtains consent to conduct an evaluation, time should be allowed for the evaluation to be completed, and if the child is found to be eligible for special education services, accommodations, or related services, a plan developed to address the child's needs.

(iv) These steps must include, where appropriate, providing an available approved best practice or research-based intervention, or both, consistent with the WARNs profile or other assessment, if an assessment was applied, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school.

(b) Has failed to comply with alternative learning experience program attendance requirements as described by the superintendent of public instruction.

(3) If a child transfers from one school district to another during the school year, the receiving school or school district shall include the unexcused absences accumulated at the previous school or from the previous school district for purposes of this section, RCW 28A.225.030, and 28A.225.015. The sending school district shall provide this information to the receiving school, together with a copy of any previous assessment as required under subsection (1)(c) of this section, history of any best practices or researched-based intervention previously provided to the child by the child's sending school district, and a copy of the most recent truancy information including any online or written acknowledgment by the parent and child, as provided for in RCW 28A.225.005. All school districts must use the standard choice transfer form for releasing a student to a nonresident school district for the purposes of accessing an alternative learning experience program.

Sec. 3. RCW 28A.225.025 and 2016 c 205 s 5 are each amended to read as follows:

(1) For purposes of this chapter, "community truancy board" means a board established pursuant to a memorandum of understanding between a juvenile court and a school district and composed of members of the local community in which the child attends school. (All members of a) Community truancy boards must include members who receive training regarding the identification of barriers to school attendance, the use of the Washington assessment of the risks and needs of students (WARNs) or other assessment tools to identify the specific needs of individual children, cultural responsive interactions, trauma-informed approaches to discipline, evidence-based treatments that have been found effective in supporting at-risk youth and their families, and the specific services and treatment available in the particular school, court, community, and elsewhere. Duties of a community truancy board shall include, but not be limited to: Identifying barriers to school attendance, recommending methods for improving
attendance such as connecting students and their families with community services, culturally appropriate promising practices, and evidence-based services such as functional family therapy, multisystemic therapy, and aggression replacement training), suggesting to the school district that the child enroll in another school, an alternative education program, an education center, a skill center, a dropout prevention program, or another public or private educational program, or recommending to the juvenile court that a juvenile be referred to offered the opportunity for placement in a HOPE center or crisis residential center, if appropriate.

(2) The legislature finds that utilization of community truancy boards is the preferred means of intervention when preliminary methods to eliminate or reduce unexcused absences as required by RCW 28A.225.020 have not been effective in securing the child's attendance at school. The legislature intends to encourage and support the development and expansion of community truancy boards. Operation of a school truancy board does not excuse a district from the obligation of filing a petition within the requirements of RCW 28A.225.015(3).

Sec. 4. RCW 28A.225.026 and 2016 c 205 s 6 are each amended to read as follows:

(1) By the beginning of the 2017-18 school year, juvenile courts must establish, through a memorandum of understanding with each school district within their respective counties, a coordinated and collaborative approach to address truancy through the establishment of a community truancy board or, with respect to certain small districts, through other means as provided in subsection (3) of this section.

(2) Except as provided in subsection (3) of this section, each school district must enter into a memorandum of understanding with the juvenile court in the county in which it is located with respect to the operation of a community truancy board. A community truancy board may be operated by a juvenile court, a school district, or a collaboration between both entities, so long as the agreement is memorialized in a memorandum of understanding. For a school district that is located in more than one county, the memorandum of understanding shall be with the juvenile court in the county that acts as the school district's treasurer.

(3) A school district with fewer than three hundred students must enter into a memorandum of understanding with the juvenile court in the county in which it is located with respect to: (a) The operation of a community truancy board; or (b) addressing truancy through other coordinated means of intervention aimed at identifying barriers to school attendance, and connecting students and their families with community services, culturally appropriate promising practices, and evidence-based services such as functional family therapy, multisystemic therapy, and aggression replacement training). School districts with fewer than three hundred students may work cooperatively with other school districts or the school district's educational service district to ensure access to a community truancy board or to provide other coordinated means of intervention.

(4) All school districts must designate, and identify to the local juvenile court and to the office of the superintendent of public instruction, a person or persons to coordinate school district efforts to address excessive absenteeism and truancy, including tasks associated with: Outreach and conferences pursuant to RCW 28A.225.018; entering into a memorandum of understanding with the juvenile court; establishing protocols and procedures with the court; coordinating trainings; sharing evidence-based and culturally appropriate promising practices; identifying a person within every school to serve as a contact with respect to excessive absenteeism and truancy; and assisting in the recruitment of community truancy board members.

(5) As has been demonstrated by school districts and county juvenile courts around the state that have worked together and led the way with community truancy boards, success has resulted from involving the entire community and leveraging existing dollars from a variety of sources, including public and private, local and state, and court, school, and community. In emulating this coordinated and collaborative approach statewide pursuant to local memoranda of understanding, courts and school districts are encouraged to create strong community-wide partnerships and to leverage existing dollars and resources.

Sec. 5. RCW 28A.225.090 and 2016 c 205 s 9 are each amended to read as follows:
(1) A court may order a child subject to a petition under RCW 28A.225.035 to do one or more of the following:

(a) Attend the child’s current school, and set forth minimum attendance requirements, which shall not consider a suspension day as an unexcused absence;

(b) If there is space available and the program can provide educational services appropriate for the child, order the child to attend another public school, an alternative education program, center, a skill center, dropout prevention program, or another public educational program;

(c) Attend a private nonsectarian school or program including an education center. Before ordering a child to attend an approved or certified private nonsectarian school or program, the court shall: (i) Consider the public and private programs available; (ii) find that placement is in the best interest of the child; and (iii) find that the private school or program is willing to accept the child and will not charge any fees in addition to those established by contract with the student’s school district. If the court orders the child to enroll in a private school or program, the child’s school district shall contract with the school or program to provide educational services for the child. The school district shall not be required to contract for a weekly rate that exceeds the state general apportionment dollars calculated on a weekly basis generated by the child and received by the district. A school district shall not be required to enter into a contract that is longer than the remainder of the school year. A school district shall not be required to enter into or continue a contract if the child is no longer enrolled in the district;

(d) Submit to a substance abuse assessment if the court finds on the record that such assessment is appropriate to the circumstances and behavior of the child, and will facilitate the child’s compliance with the mandatory attendance law;

(e) Submit to a mental health evaluation or other diagnostic evaluation and adhere to the recommendations of the drug assessment, at no expense to the school, if the court finds on the court records that such evaluation is appropriate to the circumstances and behavior of the child, and will facilitate the child’s compliance with the mandatory attendance law;

(f) Submit to a temporary placement in a crisis residential center or a HOPE center if the court determines there is an immediate health and safety concern, or a family conflict with the need for mediation).

(2)(a) If the child fails to comply with the court order, the court may impose:

(i) Community restitution;

(ii) Nonresidential programs with intensive wraparound services;

(iii) A requirement that the child meet with a mentor for a specified number of times; or

(iv) Other services and interventions that the court deems appropriate.

(b) If the child continues to fail to comply with the court order and the court makes a finding that other measures to secure compliance have been tried but have been unsuccessful and no less restrictive alternative is available, the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as community restitution). Failure by a child to comply with an order issued under this subsection shall not be subject to detention for a period greater than that permitted pursuant to a civil contempt proceeding against a child under chapter 13.32A RCW. Detention ordered under this subsection may be for no longer than seven days. Detention ordered under this subsection shall preferably be served at a secure crisis residential center close to the child’s home rather than in a juvenile detention facility. A warrant of arrest for a child under this subsection may not be served on a child inside of school during school hours in a location where other students are present.

(3) Any parent violating any of the provisions of either RCW 28A.225.010, 28A.225.015, or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. The court shall remit fifty percent of the fine collected under this section to the
child's school district. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child's school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community restitution instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child's attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

(4) If a child continues to be truant after entering into a court-approved order with the truancy board under RCW 28A.225.035, the juvenile court shall find the child in contempt, and the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as meaningful community restitution. Failure by a child to comply with an order issued under this subsection may not subject a child to detention for a period greater than that permitted under a civil contempt proceeding against a child under chapter 13.32A RCW.

(5) Subsections (1), (2), and (4) of this section shall not apply to a six or seven year old child required to attend public school under RCW 28A.225.015.

Sec. 6. RCW 28A.225.030 and 2016 c 205 s 7 are each amended to read as follows:

(1) If a child under the age of seventeen is required to attend school under RCW 28A.225.010 and if the actions taken by a school district under RCW 28A.225.020 are not successful in substantially reducing an enrolled student's absences from public school, not later than the seventh unexcused absence by a child within any month during the current school year or not later than the tenth unexcused absence during the current school year the school district shall file a petition and supporting affidavit for a civil action with the juvenile court alleging a violation of RCW 28A.225.010.

(2) The district shall not later than the fifth unexcused absence in a month:

(a) Enter into an agreement with a student and parent that establishes school attendance requirements;

(b) Refer a student to a community truancy board as defined in RCW 28A.225.025. The community truancy board shall enter into an agreement with the student and parent that establishes school attendance requirements and take other appropriate actions to reduce the child's absences; or

(c) File a petition under subsection (1) of this section.

(3) The petition may be filed by a school district employee who is not an attorney.

(4) If the school district fails to file a petition under this section, the parent of a child with five or more unexcused absences in any month during the current school year or upon the tenth unexcused absence during the current school year may file a petition with the juvenile court alleging a violation of RCW 28A.225.010.

(5) Petitions filed under this section may be served by certified mail, return receipt requested. If such service is unsuccessful, or the return receipt is not signed by the addressee, personal service is required.

Sec. 7. RCW 28A.225.151 and 1996 c 134 s 5 are each amended to read as follows:

(1) As required under subsection (2) of this section, each school shall document the actions taken under RCW 28A.225.030 and report this information to the school district superintendent who shall compile the data for all the schools in the
district and prepare an annual school district report for each school year and submit the report to the superintendent of public instruction. The reports shall be made upon forms furnished by the superintendent of public instruction and shall be transmitted as determined by the superintendent of public instruction. The office of superintendent of public instruction shall collect and school districts shall submit student-level truancy data in order to allow a better understanding of actions taken under RCW 28A.225.030. The office shall prepare an annual report to the legislature by December 15th of each year.

(2) The reports under subsection (1) of this section shall include, disaggregated by student group:

(a) The number of enrolled students and the number of unexcused absences;

(b) Documentation of the steps taken by the school district under each subsection of RCW 28A.225.020 at the request of the superintendent of public instruction. Each year, by May 1st, the superintendent of public instruction shall select ten school districts to submit the report at the end of the following school year. The ten districts shall represent different areas of the state and be of varied sizes. In addition, the superintendent of public instruction shall require any district that fails to keep appropriate records to submit a full report to the superintendent of public instruction under this subsection. All school districts shall document steps taken under RCW 28A.225.020 in each student’s record, and make those records available upon request consistent with the laws governing student records;

(c) The number of enrolled students with ten or more unexcused absences in a school year or five or more unexcused absences in a month during a school year;

(d) The number of petitions filed by a school district with the juvenile court and, beginning in the 2018-19 school year, whether the petition results in:

(i) Referral to a community truancy board;

(ii) Other coordinated means of intervention;

(iii) A hearing in the juvenile court;

or

(iv) Other less restrictive disposition (e.g., change of placement, home school, alternative learning experience, residential treatment); and

(e) Each instance of imposition of detention for failure to comply with a court order under RCW 28A.225.090, with a statement of the reasons for each instance of detention.

(3) A report required under this section shall not disclose the name or other identification of a child or parent.

(4) The superintendent of public instruction shall collect these reports from all school districts and prepare an annual report for each school year to be submitted to the legislature no later than December 15th of each year. The K-12 data governance group shall develop the data protocols and guidance for school districts in the collection of data to provide a clearer understanding of actions taken under RCW 28A.225.030.

Sec. 8. RCW 28A.250.070 and 2013 2nd sp.s. c 18 s 508 are each amended to read as follows:

Nothing in this chapter is intended to diminish the rights of students to attend a nonresident school district in accordance with RCW 28A.225.220 through 28A.225.230 for the purposes of enrolling in alternative learning experience programs. The office of online learning under RCW 28A.250.030 shall develop a standard form, which must be used by all school districts, for releasing a student to a nonresident school district for the purposes of enrolling in an alternative learning experience program.

NEW SECTION. Sec. 9. A new section is added to chapter 28A.232 RCW to read as follows:

The superintendent of public instruction may adopt rules to bring consistency and uniformity to attendance
and truancy definitions in the alternative learning experience setting, establish procedures for addressing truancy in all alternative learning experience courses, leverage existing systems to facilitate truancy actions between school districts and courts when the student has transferred out of his or her resident district to enroll in an alternative learning experience course; and clarify the responsibility of school districts in the event of rescinding a student transfer.

NEW SECTION. Sec. 10. RCW 28A.225.115 (Educational services—Funding for children referred to community truancy board) and 1996 c 134 s 11 are each repealed.

MESSAGE FROM THE SENATE

April 11, 2017

MR. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1624, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that children with the greatest needs benefit significantly from child care programs that promote stability, quality, and continuity of care. The legislature recognizes that empirical evidence supports the conclusion that high quality child care programs consistently yield more positive outcomes for children, with the strongest positive impacts on the most vulnerable children.

Children in the child welfare system are some of the most vulnerable children. The legislature finds that a child who experiences child abuse or neglect is over four times more likely to abuse substances as an adult and forty-three percent of youth in the juvenile justice system were involved in the child welfare system.

The legislature finds that the child care and development block grant act of 2014 allows the department of early learning to provide working connections child care to children in need of, or receiving, protective services. The legislature further understands that as of
July 1, 2016, authorizations for the working connections child care subsidy are effective for twelve months.

The legislature finds that the children's mental health work group, in its December 2016 final report, recommended that state agencies provide at least twelve months of stable child care through the working connections child care program for certain children involved in the child welfare system, regardless of the employment status of their parents or guardians. Many of these child welfare-involved families are addressing chemical dependency issues, which require a significant amount of time to overcome. For these reasons, the legislature intends to allow certain populations of vulnerable children to be eligible for the working connections child care subsidy for a minimum of twelve months.

Sec. 2. RCW 43.215.135 and 2015 3rd sp.s. c 7 s 6 are each amended to read as follows:

(1) The department shall establish and implement policies in the working connections child care program to promote stability and quality of care for children from low-income households. These policies shall focus on supporting school readiness for young learners. Policies for the expenditure of funds constituting the working connections child care program must be consistent with the outcome measures defined in RCW 74.08A.410 and the standards established in this section intended to promote stability, quality, and continuity of early care and education programming.

(2) As recommended by Public Law 113-186, authorizations for the working connections child care subsidy shall be effective for twelve months beginning July 1, 2016, (unless an earlier date is provided in the omnibus appropriations act) except that for a change in the ongoing status of the child's parent as working or attending a job training or education program that is not temporary, assistance shall be discontinued after a minimum of three months.

(3) As a condition of receiving a child care subsidy or a working connections child care subsidy, the applicant or recipient must seek child support enforcement services from the department of social and health services, division of child support, unless the department finds that the applicant or recipient has good cause not to cooperate. For the purposes of this subsection, "good cause" includes consideration of the safety of domestic violence victims.

(4) Existing child care providers serving nonschool-age children and receiving state subsidy payments must complete the following requirements to be eligible for a state subsidy under this section:

(a) Enroll in the early achievers program by August 1, 2016;

(b) Complete level 2 activities in the early achievers program by August 1, 2017; and

(c) Rate at a level 3 or higher in the early achievers program by December 31, 2019. If a child care provider rates below a level 3 by December 31, 2019, the provider must complete remedial activities with the department, and rate at a level 3 or higher no later than June 30, 2020.

(5) Effective July 1, 2016, a new child care provider serving nonschool-age children and receiving state subsidy payments must complete the following activities to be eligible to receive a state subsidy under this section:

(a) Enroll in the early achievers program within thirty days of receiving the initial state subsidy payment;

(b) Complete level 2 activities in the early achievers program within twelve months of enrollment; and

(c) Rate at a level 3 or higher in the early achievers program within thirty months of enrollment. If a child care provider rates below a level 3 within thirty months from enrollment into the early achievers program, the provider must complete remedial activities with the department, and rate at a level 3 or higher within six months of beginning remedial activities.

(6) If a child care provider does not rate at a level 3 or higher following the remedial period, the provider is no longer eligible to receive state subsidy under this section.

(7) If a child care provider serving nonschool-age children and receiving state subsidy payments has successfully completed all level 2 activities and is waiting to be rated by the deadline provided in this section, the provider may continue to receive a state subsidy pending the successful completion of the level 3 rating activity.
The department shall implement tiered reimbursement for early achievers program participants in the working connections child care program rating at level 3, 4, or 5.

The department shall account for a child care copayment collected by the provider from the family for each contracted slot and establish the copayment fee by rule.

The department shall establish and implement policies in the working connections child care program to allow eligibility for families with children who:

(a) In the last six months have:
   (i) Received child protective services as defined and used by chapters 26.44 and 74.13 RCW;
   (ii) Received child welfare services as defined and used by chapter 74.13 RCW; or
   (iii) Received services through a family assessment response as defined and used by chapter 26.44 RCW;

(b) Have been referred for child care as part of the family's case management as defined by RCW 74.13.020; and

(c) Are residing with a biological parent or guardian.

Children who are eligible for working connections child care pursuant to subsection (10) of this section do not have to keep receiving services through the department of social and health services to maintain twelve-month authorization and the authorization shall not be subject to the conditions specified in subsections (2) and (3) of this section. The department of social and health services' involvement with the family referred for working connections child care ends when the family's child protective services, child welfare services, or family assessment response case is closed.

NEW SECTION. Sec. 3. This act takes effect December 1, 2018.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "children;" strike the remainder of the title and insert "amending RCW 43.215.135; creating new sections; and providing an effective date."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1109 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 12, 2017

MR. SPEAKER:

The Senate has passed HOUSE BILL NO. 1058, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that providing a victim with the opportunity for restitution from the perpetrator of the crime is an important part of the criminal justice system. It is the intent of the legislature to reaffirm the priority of restitution and, by this act, clarify that any outstanding debt for restitution be paid prior to the payment of any other legal financial obligation owed by the offender.

Sec. 2. RCW 10.01.170 and 1975-'76 2nd ex.s. c 96 s 2 are each amended to read as follows:

(1) When a defendant is sentenced to pay ((a)) fines, penalties, assessments, fees, restitution, or costs, the court may grant permission for payment to be made within a specified period of time or in specified installments. If no such permission is included in the sentence the fine or costs shall be payable forthwith.

(2) The offender's monthly payment shall be applied in the following order of priority:

(a) First, proportionally to any restitution owed to victims that have not..."
been fully compensated from other sources until satisfied;

(b) Second, proportionally to restitution owed to insurance or other sources with respect to a loss that has provided compensation to victims until satisfied;

(c) Third, proportionally to crime victims’ assessments until satisfied; and

(d) Fourth, proportionally to costs, fines, and other assessments required by law.

Sec. 3. RCW 9.94A.760 and 2011 c 106 s 3 are each amended to read as follows:

(1) Whenever a person is convicted in superior court, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court fails to set the offender monthly payment amount, the department shall set the amount if the department has active supervision of the offender, otherwise the county clerk shall set the amount.

(2) Upon receipt of each payment, restitution shall be paid prior to any payments of other monetary obligations. After restitution is satisfied, made by or on behalf of an offender, the county clerk shall distribute the payment proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court) in the following order of priority:

(a) First, proportionally to restitution owed to victims that have not been fully compensated from other sources until satisfied;

(b) Second, proportionally to restitution owed to insurance or other sources with respect to a loss that has provided compensation to victims until satisfied;

(c) Third, proportionally to crime victims’ assessments until satisfied; and

(d) Fourth, proportionally to costs, fines, and other assessments required by law.

(3) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration at a rate of fifty dollars per day of incarceration, if incarcerated in a prison, or the court may require the offender to pay the actual cost of incarceration per day of incarceration, if incarcerated in a county jail. In no case may the court require the offender to pay more than one hundred dollars per day for the cost of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision shall take precedence over the payment of the cost of incarceration ordered by the court. All funds recovered from offenders for the cost of incarceration in the county jail shall be remitted to the county and the costs of incarceration in a prison shall be remitted to the department.

(4) The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be issued immediately. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a monthly legal financial obligation payment is past due, the department or the county clerk may serve a notice on the offender stating such requirements and authorizations. Service shall be by personal service or any form of mail requiring a return receipt.

(5) Independent of the department or the county clerk, the party or entity to whom the legal financial obligation is owed shall have the
authority to use any other remedies available to the party or entity to collect the legal financial obligation. These remedies include enforcement in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. Restitution collected through civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim. The judgment and sentence shall identify the party or entity to whom restitution is owed so that the state, party, or entity may enforce the judgment. If restitution is ordered pursuant to RCW 9.94A.750(6) or 9.94A.753(6) to a victim of rape of a child or a victim's child born from the rape, the Washington state child support registry shall be identified as the party to whom payments must be made. Restitution obligations arising from the rape of a child in the first, second, or third degree that result in the pregnancy of the victim may be enforced for the time periods provided under RCW 9.94A.750(6) and 9.94A.753(6). All other legal financial obligations for an offense committed prior to July 1, 2000, may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period ends later. Prior to the expiration of the initial ten-year period, the superior court may extend the criminal judgment an additional ten years for payment of legal financial obligations including crime victims' assessments. All other legal financial obligations for an offense committed on or after July 1, 2000, may be enforced at any time during the offender remains under the court's jurisdiction. For an offense committed on or after July 1, 2000, the court shall retain jurisdiction over the offender, for purposes of the offender's compliance with payment of the legal financial obligations, until the obligation is completely satisfied, regardless of the statutory maximum for the crime. The department may only supervise the offender's compliance with payment of the legal financial obligations during any period in which the department is authorized to supervise the offender in the community under RCW 9.94A.728, 9.94A.501, or in which the offender is confined in a state correctional institution or a correctional facility pursuant to a transfer agreement with the department, and the department shall supervise the offender's compliance during any such period. The department is not responsible for supervision of the offender during any subsequent period of time the offender remains under the court's jurisdiction. The county clerk is authorized to collect unpaid legal financial obligations at any time the offender remains under the jurisdiction of the court for purposes of his or her legal financial obligations.

((6)) (6) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to respond truthfully and honestly to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring all documents requested by the department.

((7)) (7) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

((8)) (8) (a) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. During the period of supervision, the department may require the offender to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to respond truthfully and honestly to all questions concerning earning capabilities and the location and nature of all property or financial assets. The offender shall bring all documents requested by the department in order to prepare the collection schedule.

(b) Subsequent to any period of supervision, or if the department is not authorized to supervise the offender in the community, the county clerk may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in
financial circumstances. If the county clerk sets the monthly payment amount, or if the department sets the monthly payment amount and the department has subsequently turned the collection of the legal financial obligation over to the county clerk, the clerk may modify the monthly payment amount without the matter being returned to the court. During the period of repayment, the county clerk may require the offender to report to the clerk for the purpose of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to respond truthfully and honestly to all questions concerning earning capabilities and the location and nature of all property or financial assets. The offender shall bring all documents requested by the county clerk in order to prepare the collection schedule.

(1) (9) After the judgment and sentence or payment order is entered, the department is authorized, for any period of supervision, to collect the legal financial obligation from the offender. Subsequent to any period of supervision or, if the department is not authorized to supervise the offender in the community, the county clerk is authorized to collect unpaid legal financial obligations from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purpose of disbursements. The department and the county clerks are authorized, but not required, to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(10) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.7701. Any party obtaining a wage assignment shall notify the county clerk. The county clerks shall notify the department, or the administrative office of the courts, whichever is providing the monthly billing for the offender.

(11) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition or requirement of a sentence and the offender is subject to the penalties for noncompliance as provided in RCW 9.94B.040, 9.94A.737, or 9.94A.740.

(12)(a) The administrative office of the courts shall mail individualized periodic billings to the address known by the office for each offender with an unsatisfied legal financial obligation.

(b) The billing shall direct payments, other than outstanding cost of supervision assessments under RCW 9.94A.780, parole assessments under RCW 72.04A.120, and cost of probation assessments under RCW 9.95.214, to the county clerk, and cost of supervision, parole, or probation assessments to the department.

(c) The county clerk shall provide the administrative office of the courts with notice of payments by such offenders no less frequently than weekly.

(d) The county clerks, the administrative office of the courts, and the department shall maintain agreements to implement this subsection.

(13) The department shall arrange for the collection of unpaid legal financial obligations during any period of supervision in the community through the county clerk. The department shall either collect unpaid legal financial obligations or arrange for collections through another entity if the clerk does not assume responsibility or is unable to continue to assume responsibility for collection pursuant to subsection (1) (5) of this section. The costs for collection services shall be paid by the offender.

(14) The county clerk may access the records of the employment security department for the purposes of verifying employment or income, seeking any assignment of wages, or performing other duties necessary to the collection of an offender's legal financial obligations.

(15) Nothing in this chapter makes the department, the state, the counties, or any state or county employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations or for the acts of any offender who is no longer, or was not, subject to supervision by the department for a term of community custody, and who remains under the jurisdiction of the court for payment of legal financial obligations."

and 9.94A.760; and creating a new section.”

MESSAGE FROM THE SENATE

April 12, 2017

Mr. Speaker:
The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1402 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 11.92 RCW to read as follows:

(1) Except as otherwise provided in this section, an incapacitated person retains the right to associate with persons of the incapacitated person's choosing. This right includes, but is not limited to, the right to freely communicate and interact with other persons, whether through in-person visits, telephone calls, electronic communication, personal mail, or other means. If the incapacitated person is unable to express consent for communication, visitation, or interaction with another person, or is otherwise unable to make a decision regarding association with another person, a guardian of the incapacitated person, whether full or limited, must:

(a) Personally inform the incapacitated person of the decision under consideration, using plain language, in a manner calculated to maximize the understanding of the incapacitated person;

(b) Maximize the incapacitated person's participation in the decision-making process to the greatest extent possible, consistent with the incapacitated person's abilities; and

(c) Give substantial weight to the incapacitated person's preferences, both expressed and historical.

(2) A guardian or limited guardian may not restrict an incapacitated person's right to communicate, visit, interact, or otherwise associate with persons of the incapacitated person's choosing in order to protect the incapacitated person from abuse, neglect, abandonment, or financial exploitation, as those terms are defined in RCW 74.34.020, or to protect the incapacitated person from activities that unnecessarily impose significant distress on the incapacitated person; and

(ii) Within fourteen calendar days of imposing the restriction under (c)(i) of this subsection, the guardian or limited guardian files a petition for a protection order under chapter 74.34 RCW. The immediate need restriction may remain in place until the court has heard and issued an order or decision on the petition.

(3) A protection order under chapter 74.34 RCW issued to protect an incapacitated person as described in subsection (2)(c)(ii) of this section:

(a) Must include written findings of fact and conclusions of law;

(b) May not be more restrictive than necessary to protect the incapacitated person from abuse, neglect, abandonment, or financial exploitation as those terms are defined in RCW 74.34.020; and

(c) May not deny communication, visitation, interaction, or other association between the incapacitated person and another person unless the court finds that placing reasonable time, place, or manner restrictions is unlikely to sufficiently protect the incapacitated person from abuse, neglect, abandonment, or financial exploitation as those terms are defined in RCW 74.34.020.

Sec. 2. RCW 74.34.020 and 2015 c 268 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable person without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse" means the willful action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical

(e) "Improper use of restraint" means the inappropriate use of chemical, physical, or mechanical restraints for convenience or discipline or in a manner that: (i) Is inconsistent with federal or state licensing or certification requirements for facilities, hospitals, or programs authorized under chapter 71A.12 RCW; (ii) is not medically authorized; or (iii) otherwise constitutes abuse under this section.

(3) "Chemical restraint" means the administration of any drug to manage a vulnerable adult's behavior in a way that reduces the safety risk to the vulnerable adult or others, has the temporary effect of restricting the vulnerable adult's freedom of movement, and is not standard treatment for the vulnerable adult's medical or psychiatric condition.

(a) The use of deception, intimidation, or undue influence by a person or entity in a position of trust and confidence with a vulnerable adult to obtain or use the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(c) Obtaining or using a vulnerable adult's property, income, resources, or trust funds without lawful authority, by a person or entity who knows or clearly should know that the vulnerable adult lacks the capacity to consent to the release or use of his or her property, income, resources, or trust funds.
(8) "Financial institution" has the same meaning as in RCW 30A.22.040 and 30A.22.041. For purposes of this chapter only, "financial institution" also means a "broker-dealer" or "investment adviser" as defined in RCW 21.20.005.

(13) (a) "Isolate" or "isolation" means to restrict a vulnerable adult's ability to communicate, visit, interact, or otherwise associate with persons of his or her choosing. Isolation may be evidenced by acts including but not limited to:

(i) Acts that prevent a vulnerable adult from sending, making, or receiving his or her personal mail, electronic communications, or telephone calls; or

(ii) Acts that prevent or obstruct the vulnerable adult from meeting with others, such as telling a prospective visitor or caller that a vulnerable adult is not present, or does not wish contact, where the statement is contrary to the express wishes of the vulnerable adult.

(b) The term "isolate" or "isolation" may not be construed in a manner that prevents a guardian or limited guardian from performing his or her fiduciary obligations under chapter 11.92 RCW or prevents a hospital or facility from providing treatment consistent with the standard of care for delivery of health services.

(14) "Mandated reporter" is an employee of the department; law enforcement officer; social worker; professional school personnel; individual provider; an employee of a facility; an operator of a facility; an employee of a social service, welfare, mental health, adult day health, adult day care, home health, home care, or hospice agency; county coroner or medical examiner; Christian Science practitioner; or a health care provider subject to chapter 18.130 RCW.

(19) "Protective services" means any services provided by the department to a vulnerable adult with the
consent of the vulnerable adult, or the legal representative of the vulnerable adult, who has been abandoned, abused, financially exploited, neglected, or in a state of self-neglect. These services may include, but are not limited to case management, social casework, home care, placement, arranging for medical evaluations, psychological evaluations, day care, or referral for legal assistance.

(20) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. (a) A social worker as defined in RCW 18.320.010(2); or

(b) Anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of vulnerable adults, or providing social services to vulnerable adults, whether in an individual capacity or as an employee or agent of any public or private organization or institution.

(f) Consistent with RCW 7.70.065, to provide timely, informed consent for health care of the incapacitated person, except in the case of a limited guardian where such power is not expressly provided for in the order of appointment or subsequent modifying order as provided in RCW 11.88.125 as now or hereafter amended, the standby guardian or standby limited guardian may provide timely, informed consent to necessary medical procedures if the guardian or limited guardian cannot be located within four hours after the need for such consent arises. No guardian, limited guardian, or standby guardian may involuntarily commit for mental health treatment, observation, or evaluation an alleged incapacitated person who is unable or unwilling to give informed consent to such commitment unless the procedures for involuntary commitment set forth in chapter 71.05 or 72.23 RCW are followed. Nothing in this section ((shall)) may be construed to allow a guardian, limited guardian, or standby guardian to consent to:

(i) Therapy or other procedure which induces convulsion;
(ii) Surgery solely for the purpose of psychosurgery;

(iii) Other psychiatric or mental health procedures that restrict physical freedom of movement, or the rights set forth in RCW 71.05.217.

**ESSB 5679**  Prime Sponsor, Committee on Energy, Environment & Telecommunications: Concerning the authority of port districts to provide telecommunications services. Reported by Committee on Technology & Economic Development

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Adequate access to telecommunications facilities and services, comparable to those offered in urban areas, is essential to the economic well-being of communities in rural Washington state.

(2) Many communities, particularly in rural areas, do not have adequate access to telecommunications facilities and services.

(3) Specifying that port districts in these areas have authority to enter into contracts to attract private telecommunications companies may help to
create a sufficient market for the provision of adequate retail telecommunications services.

Sec. 2. RCW 53.08.370 and 2000 c 81 s 7 are each amended to read as follows:

(1) A rural port district in existence on June 8, 2000, and port districts located in counties with a population less than seven hundred thousand are eligible to construct, purchase, acquire, develop, finance, lease, license, handle, provide, add to, contract for, interconnect, alter, improve, repair, operate, and maintain any telecommunications facilities within or without the district's limits utilizing unlit optical fiber for the following purposes:

(a) For the district's own use; and

(b) For the provision of wholesale telecommunications services within the district's limits. Wholesale telecommunications services may be provided beyond the district's limits for back haul services if the district is unable to procure similar services from a telecommunications company. Nothing in this subsection shall be construed to authorize eligible port districts to provide telecommunications services outside the state or to end users.

(2) Except as provided in subsection (7) of this section, port districts providing wholesale telecommunications services under this section shall ensure that rates, terms, and conditions for such services are not unduly or unreasonably discriminatory or preferential. Rates, terms, and conditions are discriminatory or preferential when a port district offering such rates, terms, and conditions to an entity for wholesale telecommunications services does not offer substantially similar rates, terms, and conditions to all other entities seeking substantially similar services.

(3) When a port district establishes a separate utility function for the provision of wholesale telecommunications services under this section, it shall account for any and all revenues and expenditures related to its wholesale telecommunications facilities and services separately from revenues and expenditures related to its internal telecommunications operations. Any revenues received from the provision of wholesale telecommunications services must be dedicated to the utility function that includes the provision of wholesale telecommunications services for costs incurred to build and maintain the telecommunications facilities until such time as any bonds or other financing instruments executed after June 8, 2000, and used to finance the telecommunications facilities are discharged or retired.

(4) When a port district establishes a separate utility function for the provision of wholesale telecommunications services under this section, all telecommunications services rendered by the separate function to the district for the district's internal telecommunications needs shall be charged at its true and full value. A port district may not charge its nontelecommunications operations rates that are preferential or discriminatory compared to those it charges entities purchasing wholesale telecommunications services.

(5) A port district under this section shall not exercise powers of eminent domain to acquire telecommunications facilities or contractual rights held by any other person or entity to telecommunications facilities.

(6) Except as otherwise specifically provided, a port district may exercise any of the powers granted to it under this title and other applicable laws in carrying out the powers authorized under this section. Nothing in chapter 81, Laws of 2000 limits any existing authority of a rural port district under this title.

(7) A port district under this section may select a telecommunications company to operate all or a portion of the port district's telecommunications facilities that serve an underserved area as defined in subsection (10) of this section. The company may be the exclusive provider of telecommunications services to end users in an underserved area under terms specified in the contract with the port district. For purposes of this section, "telecommunications company" means any for-profit entity owned by investors that sells telecommunications services to end users. Nothing in this subsection (7) is intended to limit or otherwise restrict any other authority provided by law.

(8) Before exercising the authority provided in subsection (7) of this section, a port district must file a business case plan with the utilities and
transportation commission. The utilities and transportation commission must retain a third party at cost to review the business case plan. Any recommendations or adjustments to the business case plan made during third-party review must be received and either rejected or accepted by the port commission in an open meeting.

(9) The business case plan required under subsection (8) of this section must include an audited statement of the market value of the additional provision of wholesale services provided under the authority specified in subsection (7) of this section, and a determination, based on an assessment using appropriate methodology, of the option to sell or surplus the additional provision of wholesale services. A port district must reassess any determination of the option to sell or surplus as required by this subsection at a minimum interval of every ten years for the duration of the contract.

(10) As used in this subsection, "underserved area" means an area that, at the time the contract with the exclusive provider is entered into, the port district has reasonable grounds to believe has no private telecommunications company offering fixed broadband internet access to a majority of residential customers at a download speed of fifteen megabytes per second and an upload speed of three megabytes per second. The existence and boundaries of the underserved area must be determined following a public hearing. The determination of the existing level of service must be supported by an independent third-party study of broadband service commissioned within the twelve-month period immediately preceding a vote to designate the underserved area.

Sec. 3. RCW 53.08.380 and 2000 c 81 s 9 are each amended to read as follows:

(1) A person or entity that has requested wholesale telecommunications services from a rural port district or port district as identified in RCW 53.08.370(1) may petition the commission under the procedures set forth in RCW 80.04.110 (1) through (3) if it believes the district's rates, terms, and conditions are unduly or unreasonably discriminatory or preferential, except as provided in RCW 53.08.370. The person or entity shall provide the district notice of its intent to petition the commission and an opportunity to review within thirty days the rates, terms, and conditions as applied to it prior to submitting its petition. In determining whether a district is providing discriminatory or preferential rates, terms, and conditions, the commission may consider such matters as service quality, technical feasibility of connection points on the district's telecommunications facilities, time of response to service requests, system capacity, and other matters reasonably related to the provision of wholesale telecommunications services. If the commission, after notice and hearing, determines that a rural port district's rates, terms, and conditions are unduly or unreasonably discriminatory or preferential, it shall issue a final order finding noncompliance with this section and setting forth the specific areas of apparent noncompliance. An order imposed under this section shall be enforceable in any court of competent jurisdiction.

(2) The commission may order a rural port district or port district as identified in RCW 53.08.370(1) to pay a share of the costs incurred by the commission in adjudicating or enforcing this section.

(3) Without limiting other remedies at law or equity, the commission and prevailing party may also seek injunctive relief to compel compliance with an order.

(4) Nothing in this section shall be construed to affect the commission's authority and jurisdiction with respect to actions, proceedings, or orders permitted or contemplated for a state commission under the federal telecommunications act of 1996, P.L. 104-104 (110 Stat. 56)."

Correct the title.

Signed by Representatives Morris, Chair; Kloba, Vice Chair; Tarleton, Vice Chair; Smith, Ranking Minority Member; DeBolt, Assistant Ranking Minority Member; Doglio; Fey; Harmsworth; Hudgins; Manweller; McDonald; Nealey; Santos; Slatter; Steele; Wylie and Young.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:
"Sec. 1. RCW 74.60.005 and 2015 2nd sp.s. c 5 s 1 are each amended to read as follows:

(1) The purpose of this chapter is to provide for a safety net assessment on certain Washington hospitals, which will be used solely to augment funding from all other sources and thereby support additional payments to hospitals for medicaid services as specified in this chapter.

(2) The legislature finds that federal health care reform will result in an expansion of medicaid enrollment in this state and an increase in federal financial participation.

(3) In adopting this chapter, it is the intent of the legislature:

(a) To impose a hospital safety net assessment to be used solely for the purposes specified in this chapter;

(b) To generate approximately ($975 million) one billion dollars per state fiscal biennium in new state and federal funds by disbursing all of that amount to pay for medicaid hospital services and grants to certified public expenditure and critical access hospitals, except costs of administration as specified in this chapter, in the form of additional payments to hospitals and managed care plans, which may not be a substitute for payments from other sources, but which include quality improvement incentive payments under RCW 74.09.611;

(c) To generate two hundred ninety-two million dollars per biennium during the ((2015-2017)) 2017-2019 and 2019-2021 biennia in new funds to be used in lieu of state general fund payments for medicaid hospital services;

(d) That the total amount assessed not exceed the amount needed, in combination with all other available funds, to support the payments authorized by this chapter;

(e) To condition the assessment on receiving federal approval for receipt of additional federal financial participation and on continuation of other funding sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the (levels) rates the state paid for those services on July 1, 2015, as adjusted for current enrollment and utilization; and

(f) For each of the two biennia starting with fiscal year ((2016)) 2018 to generate:

(i) Four million dollars for new integrated evidence-based psychiatry residency program slots that did not receive state funding prior to 2016 at the integrated psychiatry residency program at the University of Washington; and

(ii) Eight million two hundred thousand dollars for new family medicine residency program slots that did not receive state funding prior to 2016, as directed through the family medicine residency network at the University of Washington, for slots where residents are employed by hospitals.

Sec. 3. RCW 74.60.020 and 2015 2nd sp.s.c 5 s 2 are each amended to read as follows:

(1) A dedicated fund is hereby established within the state treasury to be known as the hospital safety net assessment fund. The purpose and use of the fund shall be to receive and disburse funds, together with accrued interest, in accordance with this chapter. Moneys in the fund, including interest earned, shall not be used or disbursed for any purposes other than those specified in this chapter. Any amounts expended from the fund that are later recouped by the authority on audit or otherwise shall be returned to the fund.

(a) Any unexpended balance in the fund at the end of a fiscal year shall carry over into the following fiscal year or
that fiscal year and the following fiscal year and shall be applied to reduce the amount of the assessment under RCW 74.60.050(1)(c).

(b) Any amounts remaining in the fund after July 1, 2019, shall be refunded to hospitals, pro rata according to the amount paid by the hospital since July 1, 2013, subject to the limitations of federal law.

(2) All assessments, interest, and penalties collected by the authority under RCW 74.60.030 and 74.60.050 shall be deposited into the fund.

(3) Disbursements from the fund are conditioned upon appropriation and the continued availability of other funds sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, 2015, as adjusted for current enrollment and utilization.

(4) Disbursements from the fund may be made only:

(a) To make payments to hospitals and managed care plans as specified in this chapter;

(b) To refund erroneous or excessive payments made by hospitals pursuant to this chapter;

(c) For one million dollars per biennium for payment of administrative expenses incurred by the authority in performing the activities authorized by this chapter;

(e) To repay the federal government for any excess payments made to hospitals from the fund if the assessments or payment increases set forth in this chapter are deemed out of compliance with federal statutes and regulations in a final determination by a court of competent jurisdiction with all appeals exhausted. In such a case, the authority may require hospitals receiving excess payments to refund the payments in question to the fund. The state in turn shall return funds to the federal government in the same proportion as the original financing. If a hospital is unable to refund payments, the state shall develop either a payment plan, or deduct moneys from future medicaid payments, or both;

(f) To pay an amount sufficient, when combined with the maximum available amount of federal funds necessary to provide a one percent increase in medicaid hospital inpatient rates to hospitals eligible for quality improvement incentives under RCW 74.09.611. By May 16, 2018 and by each May 16 thereafter, the authority, in cooperation with the department of health, must verify that each hospital eligible to receive quality improvement incentives under the terms of this chapter is in substantial compliance with the reporting requirements in RCW 43.70.052 and 70.01.040 for the prior period. For the purposes of this subsection, "substantial compliance" means, in the prior period, the hospital has submitted at least nine of the twelve monthly reports by the due date. The authority must distribute quality improvement incentives to hospitals that have met these requirements beginning July 1 of 2018 and each July 1 thereafter; and

(g) For each state fiscal year 2018 through 2021 to generate:

(i) Two million dollars for new integrated evidence-based psychiatry residency program slots that did not receive state funding prior to 2016 at the integrated psychiatry residency program at the University of Washington;

(ii) Four million one hundred thousand dollars for new family medicine residency program slots that did not receive state funding prior to 2016, as directed through the family medicine residency network at the University of Washington; and

Sec. 4. RCW 74.60.030 and 2015 2nd sp.s. c 5 s 3 are each amended to read as follows:

(l)(a) Upon satisfaction of the conditions in RCW 74.60.150(1), and so long as the conditions in RCW 74.60.150(2) have not occurred, an assessment is imposed as set forth in this subsection. Assessment notices must be sent on or about thirty days prior to the end of each quarter and payment is due thirty days thereafter.
(b) Effective July 1, 2015, and except as provided in RCW 74.60.050:

(i) Each prospective payment system hospital, except psychiatric and rehabilitation hospitals, shall pay a quarterly assessment. Each quarterly assessment shall be no more than one quarter of three hundred ((fifty)) eighty dollars for each annual nonmedicare hospital inpatient day, up to a maximum of fifty-four thousand days per year. For each nonmedicare hospital inpatient day in excess of fifty-four thousand days, each prospective payment system hospital shall pay a quarterly assessment of one quarter of seven dollars for each such day, unless such assessment amount or threshold needs to be modified to comply with applicable federal regulations;

(ii) Each critical access hospital shall pay a quarterly assessment of one quarter of ten dollars for each annual nonmedicare hospital inpatient day;

(iii) Each psychiatric hospital shall pay a quarterly assessment of no more than one quarter of seventy-four dollars for each annual nonmedicare hospital inpatient day; and

(iv) Each rehabilitation hospital shall pay a quarterly assessment of no more than one quarter of seventy-four dollars for each annual nonmedicare hospital inpatient day.

(2) The authority shall determine each hospital's annual nonmedicare hospital inpatient days by summing the total reported nonmedicare hospital inpatient days for each hospital that is not exempt from the assessment under RCW 74.60.040. The authority shall obtain inpatient data from the hospital's 2552 cost report data file or successor data file available through the centers for medicare and medicaid services, as of a date to be determined by the authority. For state fiscal year ((2016)) 2017, the authority shall use cost report data for hospitals' fiscal years ending in ((2012)) 2013. For subsequent years, the hospitals' next succeeding fiscal year cost report data must be used.

(a) With the exception of a prospective payment system hospital commencing operations after January 1, 2009, for any hospital without a cost report for the relevant fiscal year, the authority shall work with the affected hospital to identify appropriate supplemental information that may be used to determine annual nonmedicare hospital inpatient days.

(b) A prospective payment system hospital commencing operations after January 1, 2009, must be assessed in accordance with this section after becoming an eligible new prospective payment system hospital as defined in RCW 74.60.010.

Sec. 5. RCW 74.60.050 and 2015 2nd sp.s. c 5 s 4 are each amended to read as follows:

(1) The authority, in cooperation with the office of financial management, shall develop rules for determining the amount to be assessed to individual hospitals, notifying individual hospitals of the assessed amount, and collecting the amounts due. Such rule making shall specifically include provision for:

(a) Transmittal of notices of assessment by the authority to each hospital informing the hospital of its nonmedicare hospital inpatient days and the assessment amount due and payable;

(b) Interest on delinquent assessments at the rate specified in RCW 82.32.050;

(c) Adjustment of the assessment amounts in accordance with subsection (2) of this section.

(2) For ((state fiscal year 2016 and)) each ((subsequent)) state fiscal year, the assessment amounts established under RCW 74.60.030 must be adjusted as follows:

(a) If sufficient other funds, including federal funds, are available to make the payments required under this chapter and fund the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f) without utilizing the full assessment under RCW 74.60.030, the authority shall reduce the amount of the assessment to the minimum levels necessary to support those payments;

(b) If the total amount of inpatient and outpatient supplemental payments under RCW 74.60.120 is in excess of the upper payment limits and the entire excess amount cannot be disbursed by additional payments to managed care organizations under RCW 74.60.130, the authority shall proportionately reduce future assessments on prospective payment hospitals to the level necessary to generate additional payments to hospitals that are consistent with the upper payment limits.
limit plus the maximum permissible amount of additional payments to managed care organizations under RCW 74.60.130;

(c) If the amount of payments to managed care organizations under RCW 74.60.130 cannot be distributed because of failure to meet federal actuarial soundness or utilization requirements or other federal requirements, the authority shall apply the amount that cannot be distributed to reduce future assessments to the level necessary to generate additional payments to managed care organizations that are consistent with federal actuarial soundness or utilization requirements or other federal requirements;

(d) If required in order to obtain federal matching funds, the maximum number of nonmedicare inpatient days at the higher rate provided under RCW 74.60.030(1)(b)(i) may be adjusted in order to comply with federal requirements;

(e) If the number of nonmedicare inpatient days applied to the rates provided in RCW 74.60.030 will not produce sufficient funds to support the payments required under this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f), the assessment rates provided in RCW 74.60.030 may be increased proportionately by category of hospital to amounts no greater than necessary in order to produce the required level of funds needed to make the payments specified in this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f); and

(f) Any actual or estimated surplus remaining in the fund at the end of the fiscal year must be applied to reduce the assessment amount for the subsequent fiscal year or that fiscal year and the following fiscal years prior to and including fiscal year ((2019)) 2021.

(3)(a) Any adjustment to the assessment amounts pursuant to this section, and the data supporting such adjustment, including, but not limited to, relevant data listed in (b) of this subsection, must be submitted to the Washington state hospital association for review and comment at least sixty calendar days prior to implementation of such adjusted assessment amounts. Any review and comment provided by the Washington state hospital association does not limit the ability of the Washington state hospital association or its members to challenge an adjustment or other action by the authority that is not made in accordance with this chapter.

(b) The authority shall provide the following data to the Washington state hospital association sixty days before implementing any revised assessment levels, detailed by fiscal year, beginning with fiscal year 2011 and extending to the most recent fiscal year, except in connection with the initial assessment under this chapter:

(i) The fund balance;

(ii) The amount of assessment paid by each hospital;

(iii) The state share, federal share, and total annual medicaid fee-for-service payments for inpatient hospital services made to each hospital under RCW 74.60.120, and the data used to calculate the payments to individual hospitals under that section;

(iv) The state share, federal share, and total annual medicaid fee-for-service payments for outpatient hospital services made to each hospital under RCW 74.60.120, and the data used to calculate annual payments to individual hospitals under that section;

(v) The annual state share, federal share, and total payments made to each hospital under each of the following programs: Grants to certified public expenditure hospitals under RCW 74.60.090, for critical access hospital payments under RCW 74.60.100; and disproportionate share programs under RCW 74.60.110;

(vi) The data used to calculate annual payments to individual hospitals under (b)(v) of this subsection; and

(vii) The amount of payments made to managed care plans under RCW 74.60.130, including the amount representing additional premium tax, and the data used to calculate those payments.

(c) On a monthly basis, the authority shall provide the Washington state hospital association the amount of payments made to managed care plans under RCW 74.60.130, including the amount representing additional premium tax, and the data used to calculate those payments.

Sec. 6. RCW 74.60.090 and 2015 2nd sp.s. c 5 s 5 are each amended to read as follows:

(1) In each fiscal year commencing upon satisfaction of the applicable conditions in RCW 74.60.150(1), funds must be
disbursed from the fund and the authority shall make grants to certified public expenditure hospitals, which shall not be considered payments for hospital services, as follows:

(a) University of Washington medical center: Ten million five hundred fifty-five thousand dollars in each state fiscal year ((2016)) 2018 through ((2019)) 2021 paid as follows, except if the full amount of the payments required under RCW 74.60.120 and 74.60.130 cannot be distributed in a given fiscal year, the amounts in this subsection ((i) and (ii)) must be reduced proportionately:

(i) Four million four hundred fifty-five thousand dollars;

(ii) Two million dollars to new integrated, evidence-based psychiatry residency program slots that did not receive state funding prior to 2016, at the integrated psychiatry residency program at the University of Washington; and

(iii) Four million one hundred thousand dollars to new family medicine residency program slots that did not receive state funding prior to 2016, as directed through the family medicine residency network at the University of Washington, for slots where residents are employed by hospitals;

(b) Harborview medical center: Ten million two hundred sixty thousand dollars in each state fiscal year ((2016 through 2019)) 2018 through 2021, except if the full amount of the payments required under RCW 74.60.120 and 74.60.130 cannot be distributed in a given fiscal year, the amounts in this subsection must be reduced proportionately;

(c) All other certified public expenditure hospitals: Six million three hundred forty-five thousand dollars in each state fiscal year ((2016 through 2019)) 2018 through 2021, except if the full amount of the payments required under RCW 74.60.120 and 74.60.130 cannot be distributed in a given fiscal year, the amounts in this subsection must be reduced proportionately. The amount of payments to individual hospitals under this subsection must be determined using a methodology that provides each hospital with a proportional allocation of the group's total amount of medicaid and state children's health insurance program payments determined from claims and encounter data using the same general methodology set forth in RCW 74.60.120 (3) and (4).

(2) Payments must be made quarterly, before the end of each quarter, taking the total disbursement amount and dividing by four to calculate the quarterly amount. The authority shall provide a quarterly report of such payments to the Washington state hospital association.

Sec. 7. RCW 74.60.100 and 2015 2nd sp.s. c 5 s 6 are each amended to read as follows:

In each fiscal year commencing upon satisfaction of the conditions in RCW 74.60.150(1), the authority shall make access payments to critical access hospitals that do not qualify for or receive a small rural disproportionate share hospital payment in a given fiscal year in the total amount of ((seven hundred)) two million thirty-eight thousand dollars from the fund ((and to critical access hospitals that receive disproportionate share hospital payment in the total amount of one million three hundred thirty-six thousand dollars)). The amount of payments to individual hospitals under this section must be determined using a methodology that provides each hospital with a proportional allocation of the group's total amount of medicaid and state children's health insurance program payments determined from claims and encounter data using the same general methodology set forth in RCW 74.60.120 (3) and (4). Payments must be made after the authority determines a hospital's payments under RCW 74.60.110. These payments shall be in addition to any other amount payable with respect to services provided by critical access hospitals and shall not reduce any other payments to critical access hospitals. The authority shall provide a report of such payments to the Washington state hospital association within thirty days after payments are made.

Sec. 8. RCW 74.60.120 and 2015 2nd sp.s. c 5 s 7 are each amended to read as follows:

(1) In each state fiscal year, commencing upon satisfaction of the applicable conditions in RCW 74.60.150(1), the authority shall make supplemental payments directly to Washington hospitals, separately for inpatient and outpatient fee-for-service medicaid services, as follows unless there are federal restrictions on doing so. If there are federal restrictions, to the extent allowed, funds that cannot be paid under (a) of this subsection, should be paid under (b) of this subsection, and funds
that cannot be paid under (b) of this subsection, shall be paid under (a) of this subsection:

(a) For inpatient fee-for-service payments for prospective payment hospitals other than psychiatric or rehabilitation hospitals, twenty-nine million one hundred sixty-two thousand five hundred dollars per state fiscal year plus federal matching funds;

(b) For outpatient fee-for-service payments for prospective payment hospitals other than psychiatric or rehabilitation hospitals, thirty million dollars per state fiscal year plus federal matching funds;

(c) For inpatient fee-for-service payments for psychiatric hospitals, eight hundred seventy-five thousand dollars per state fiscal year plus federal matching funds;

(d) For inpatient fee-for-service payments for rehabilitation hospitals, two hundred twenty-five thousand dollars per state fiscal year plus federal matching funds;

(e) For inpatient fee-for-service payments for border hospitals, two hundred fifty thousand dollars per state fiscal year plus federal matching funds; and

(f) For outpatient fee-for-service payments for border hospitals, two hundred fifty thousand dollars per state fiscal year plus federal matching funds.

(2) If the amount of inpatient or outpatient payments under subsection (1) of this section, when combined with federal matching funds, exceeds the upper payment limit, payments to each category of hospital must be reduced proportionately to a level where the total payment amount is consistent with the upper payment limit. Funds under this chapter unable to be paid to hospitals under this section because of the upper payment limit must be paid to managed care organizations under RCW 74.60.130, subject to the limitations in this chapter.

(3) The amount of such fee-for-service inpatient payments to individual hospitals within each of the categories identified in subsection (1)(a), (c), (d), and (e) of this section must be determined by:

(a) Totaling the inpatient fee-for-service claims and medicaid managed care encounter data for each hospital during the base year;

(b) Totaling the inpatient fee-for-service claims payments and inpatient managed care encounter rate payments for each hospital during the base year; and

(c) Using the amounts calculated under (a) and (b) of this subsection to determine an individual hospital's percentage of the total amount to be distributed to each category of hospital.

(4) The amount of such fee-for-service outpatient payments to individual hospitals within each of the categories identified in subsection (1)(b) and (f) of this section must be determined by:

(a) Totaling the outpatient fee-for-service claims and medicaid managed care encounter data for each hospital during the base year;

(b) Totaling the outpatient fee-for-service claims payments and outpatient managed care encounter rate payments for each hospital during the base year; and

(c) Using the amounts calculated under (a) and (b) of this subsection to determine an individual hospital's percentage of the total amount to be distributed to each category of hospital.

(5) Sixty days before the first payment in each subsequent fiscal year, the authority shall provide each hospital and the Washington state hospital association with an explanation of how the amounts due
(6) Payments must be made in quarterly installments on or about the last day of every quarter.

(7) A prospective payment system hospital commencing operations after January 1, 2009, is eligible to receive payments in accordance with this section after becoming an eligible new prospective payment system hospital as defined in RCW 74.60.010.

(8) Payments under this section are supplemental to all other payments and do not reduce any other payments to hospitals.

Sec. 9. RCW 74.60.130 and 2015 2nd sp.s. c 5 s 8 are each amended to read as follows:

(1) For state fiscal year 2016 and for each subsequent fiscal year, commencing within thirty days after satisfaction of the conditions in RCW 74.60.150(1) and subsection (5) of this section, the authority shall increase capitation payments in a manner consistent with federal contracting requirements to managed care organizations by an amount at least equal to the amount available from the fund after deducting disbursements authorized by RCW 74.60.020(4) (c) through (f) and payments required by RCW 74.60.080 through 74.60.120. When combined with applicable federal matching funds, the capitation payment under this subsection must be ((no less than ninety-six million dollars per state fiscal year plus the maximum available amount of federal matching funds)) at least three hundred sixty million dollars per year. The initial payment following satisfaction of the conditions in RCW 74.60.150(1) must include all amounts due from July 1, 2015, to the end of the calendar month during which the conditions in RCW 74.60.150(1) are satisfied. Subsequent payments shall be made monthly.

(2) Payments to individual managed care organizations shall be determined by the authority based on each organization’s or network’s enrollment relative to the anticipated total enrollment in each program for the fiscal year in question, the anticipated utilization of hospital services by an organization’s or network’s medicaid enrollees, and such other factors as are reasonable and appropriate to ensure that purposes of this chapter are met.

(3) If the federal government determines that total payments to managed care organizations under this section exceed what is permitted under applicable medicaid laws and regulations, payments must be reduced to levels that meet such requirements, and the balance remaining must be applied as provided in RCW 74.60.050. Further, in the event a managed care organization is legally obligated to repay amounts distributed to hospitals under this section to the state or federal government, a managed care organization may recoup the amount it is obligated to repay under the medicaid program from individual hospitals by not more than the amount of overpayment each hospital received from that managed care organization.

(4) Payments under this section do not reduce the amounts that otherwise would be paid to managed care organizations: PROVIDED, That such payments are consistent with actuarial soundness certification and enrollment.

(5) Before making such payments, the authority shall require medicaid managed care organizations to comply with the following requirements:

(a) All payments to managed care organizations under this chapter must be expended for hospital services provided by Washington hospitals, which for purposes of this section includes psychiatric and rehabilitation hospitals, in a manner consistent with the purposes and provisions of this chapter, and must be equal to all increased capitation payments under this section received by the organization or network, consistent with actuarial certification and enrollment, less an allowance for any estimated premium taxes the organization is required to pay under Title 48 RCW associated with the payments under this chapter;

(b) Managed care organizations shall expend the increased capitation payments under this section in a manner consistent with the purposes of this chapter, with the initial expenditures to hospitals to be made within thirty days of receipt of payment from the authority. Subsequent expenditures by the managed care plans are to be made before the end of the quarter in which funds are received from the authority;

(c) Providing that any delegation or attempted delegation of an organization's or network's obligations under agreements with the authority do not relieve the
organization or network of its obligations under this section and related contract provisions.

(6) No hospital or managed care organizations may use the payments under this section to gain advantage in negotiations.

(7) No hospital has a claim or cause of action against a managed care organization for monetary compensation based on the amount of payments under subsection (5) of this section.

(8) If funds cannot be used to pay for services in accordance with this chapter the managed care organization or network must return the funds to the authority which shall return them to the hospital safety net assessment fund.

Sec. 10. RCW 74.60.150 and 2015 2nd sp.s. c 5 s 9 are each amended to read as follows:

(1) The assessment, collection, and disbursement of funds under this chapter shall be conditional upon:

(a) Final approval by the centers for medicare and medicaid services of any state plan amendments or waiver requests that are necessary in order to implement the applicable sections of this chapter including, if necessary, waiver of the broad-based or uniformity requirements as specified under section 1903(w)(3)(E) of the federal social security act and 42 C.F.R. 433.68(e);

(b) To the extent necessary, amendment of contracts between the authority and managed care organizations in order to implement this chapter; and

(c) Certification by the office of financial management that appropriations have been adopted that fully support the rates established in this chapter for the upcoming fiscal year.

(2) This chapter does not take effect or ceases to be imposed, and any moneys remaining in the fund shall be refunded to hospitals in proportion to the amounts paid by such hospitals, if and to the extent that any of the following conditions occur:

(a) The federal department of health and human services and a court of competent jurisdiction makes a final determination, with all appeals exhausted, that any element of this chapter, other than RCW 74.60.100, cannot be validly implemented;

(b) Funds generated by the assessment for payments to prospective payment hospitals or managed care organizations are determined to be not eligible for federal ([match]) matching funds in addition to those federal funds that would be received without the assessment, or the federal government replaces medicaid matching funds with a block grant or grants;

(c) Other funding sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the ([levels]) rates the state paid for those services on July 1, 2015, as adjusted for current enrollment and utilization is not appropriated or available;

(d) Payments required by this chapter are reduced, except as specifically authorized in this chapter, or payments are not made in substantial compliance with the time frames set forth in this chapter; or

(e) The fund is used as a substitute for or to supplant other funds, except as authorized by RCW 74.60.020.

Sec. 11. RCW 74.60.160 and 2015 2nd sp.s. c 5 s 10 are each amended to read as follows:

(1) The legislature intends to provide the hospitals with an opportunity to contract with the authority each fiscal biennium to protect the hospitals from future legislative action during the biennium that could result in hospitals receiving less from supplemental payments, increased managed care payments, disproportionate share hospital payments, or access payments than the hospitals expected to receive in return for the assessment based on the biennial appropriations and assessment legislation.

(2) Each odd-numbered year after enactment of the biennial omnibus operating appropriations act, the authority shall ([offer to enter into a contract or to]) extend ([an]) the existing contract for the period of the fiscal biennium beginning July 1st with a hospital that is required to pay the assessment under this chapter or shall offer to enter into a contract with any hospital subject to this chapter that has not previously been a party to a contract or whose contract has expired. The contract must include the following terms:
(a) The authority must agree not to do any of the following:

(i) Increase the assessment from the level set by the authority pursuant to this chapter on the first day of the contract period for reasons other than those allowed under RCW 74.60.050(2)(e);

(ii) Reduce aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, adjusting for changes in enrollment and utilization, from the levels the state paid for those services on the first day of the contract period;

(iii) For critical access hospitals only, reduce the levels of disproportionate share hospital payments under RCW 74.60.110 or access payments under RCW 74.60.100 for all critical access hospitals below the levels specified in those sections on the first day of the contract period;

(iv) For prospective payment system, psychiatric, and rehabilitation hospitals only, reduce the levels of supplemental payments under RCW 74.60.120 for all prospective payment system hospitals below the levels specified in that section on the first day of the contract period unless the supplemental payments are reduced under RCW 74.60.120(2);

(v) For prospective payment system, psychiatric, and rehabilitation hospitals only, reduce the increased capitation payments to managed care organizations under RCW 74.60.130 below the levels specified in that section on the first day of the contract period unless the increased capitation payments are reduced under RCW 74.60.130(3); or

(vi) Except as specified in this chapter, use assessment revenues for any other purpose than to secure federal medicaid matching funds to support payments to hospitals for medicaid services; and

(b) As long as payment levels are maintained as required under this chapter, the hospital must agree not to challenge the authority's reduction of hospital reimbursement rates to July 1, 2009, levels, which results from the elimination of assessment supported rate restorations and increases, under 42 U.S.C. Sec. 1396a(a)(30)(a) either through administrative appeals or in court during the period of the contract.

(3) If a court finds that the authority has breached an agreement with a hospital under subsection (2)(a) of this section, the authority:

(a) Must immediately refund any assessment payments made subsequent to the breach by that hospital upon receipt; and

(b) May discontinue supplemental payments, increased managed care payments, disproportionate share hospital payments, and access payments made subsequent to the breach for the hospital that are required under this chapter.

(4) The remedies provided in this section are not exclusive of any other remedies and rights that may be available to the hospital whether provided in this chapter or otherwise in law, equity, or statute.

Sec. 12. RCW 74.60.901 and 2015 2nd sp.s. c 5 s 11 are each amended to read as follows:

This chapter expires July 1, (2019) 2021.

Sec. 13. RCW 74.60.902 and 2010 1st sp.s. c 30 s 22 are each amended to read as follows:

Upon expiration of chapter 74.60 RCW, inpatient and outpatient hospital reimbursement rates shall return to a rate structure funding level as if the four percent medicaid inpatient and outpatient rate reductions did not occur on July 1, 2009, using the rate structure in effect July 1, 2015, or as otherwise specified in the (2013-15) 2019-2021 biennial operating appropriations act.

NEW SECTION. Sec. 14. A new section is added to chapter 74.60 RCW to read as follows:

(1) The estimated hospital net financial benefit under this chapter shall be determined by the authority by summing the following anticipated hospital payments, including all applicable federal matching funds, specified in RCW 74.60.090 for grants to certified public expenditure hospitals, RCW 74.60.100 for payments to critical access hospitals, RCW 74.60.110 for payments to small rural disproportionate share hospitals, RCW 74.60.120 for direct supplemental payments to hospitals, RCW 74.60.130 for managed care capitation payments, RCW 74.60.020(4)(f) for quality improvement incentives, minus the total assessments paid by all hospitals under RCW 74.60.030 for hospital assessments, and minus any
taxes paid on RCW 74.60.130 for managed care payments.

(2) If, for any reason including reduction or elimination of federal matching funds, the estimated hospital net financial benefit falls below one hundred thirty million dollars in any state fiscal year, the office of financial management shall direct the authority to modify the assessment rates provided for in RCW 74.60.030, and the office of financial management is authorized to direct the authority to adjust the amounts disbursed from the fund, including disbursements for payments under RCW 74.60.020(4)(f) and payments to hospitals under RCW 74.60.090 through 74.60.130 and 74.60.020(4)(g), such that the estimated hospital net financial benefit is equal to the amount disbursed from the fund for use in lieu of state general fund payments. Each category of adjusted payments to hospitals under RCW 74.60.090 through 74.60.130 and payments under RCW 74.60.020(4)(g) must bear the same relationship to the total of such adjusted payments as originally provided in this chapter.

The following information relating to fish and wildlife is exempt from disclosure under this chapter:

(1) Commercial fishing catch data from logbooks required to be provided to the department of fish and wildlife under RCW 77.12.047, when the data identifies specific catch location, timing, or methodology and the release of which would result in unfair competitive disadvantage to the commercial fisher providing the catch data, however, this information may be released to government agencies concerned with the management of fish and wildlife resources;

(2) Sensitive fish and wildlife data. Sensitive fish and wildlife data may be released to the following entities and their agents for fish, wildlife, land management purposes, or scientific research needs: Government agencies, public utilities, and accredited colleges and universities. Sensitive fish and wildlife data may be released to tribal governments. Sensitive fish and wildlife data may also be released to the owner, lessee, or right-of-way or easement holder of the private land to which the data pertains. The release of sensitive fish and wildlife data may be subject to a confidentiality agreement, except upon release of sensitive fish and wildlife data to the owner, lessee, or right-of-way or easement holder of private land who initially provided the data. Sensitive fish and wildlife data does not include data related to reports of predatory wildlife as specified in RCW 77.12.885. Sensitive fish and wildlife data must meet at least one of the following criteria of this subsection as applied by the department of fish and wildlife:

(a) The nesting sites or specific locations of endangered species designated under RCW 77.12.020, or threatened or sensitive species classified by rule of the department of fish and wildlife;

(b) Radio frequencies used in, or locational data generated by, telemetry studies; or

(c) Other location data that could compromise the viability of a specific fish or wildlife population, and where at least one of the following criteria are met:

(i) The species has a known commercial or black market value;
(ii) There is a history of malicious take of that species and the species behavior or ecology renders it especially vulnerable;

(iii) There is a known demand to visit, take, or disturb the species; or

(iv) The species has an extremely limited distribution and concentration;

(3) The following information regarding any damage prevention cooperative agreement, or nonlethal preventative measures deployed to minimize wolf interactions with pets and livestock:

(a) The name, telephone number, residential address, and other personally identifying information, of any person who has a current damage prevention cooperative agreement with the department, including a pet or livestock owner, and his or her employees or immediate family members, who agrees to deploy, or is responsible for the deployment of nonlethal, preventative measures; and

(b) The legal description or name of any residential property, ranch, or farm, that is owned, leased, or used by any person included in (a) of this subsection;

(4) The following information regarding a reported depredation by wolves on pets or livestock:

(a) The name, telephone number, residential address, and other personally identifying information of:

(i) Any person who reported the depredation; and

(ii) Any pet or livestock owner, and his or her employees or immediate family members, whose pet or livestock was the subject of a reported depredation; and

(b) The legal description, location coordinates, or name that identifies any residential property, or ranch or farm that contains a residence, that is owned, leased, or used by any person included in (a) of this subsection;

(5) The personally identifying information of persons who acquire recreational licenses under RCW 77.32.010 or commercial licenses under chapter 77.65 or 77.70 RCW, except name, address of contact used by the department, and type of license, endorsement, or tag; however, the department of fish and wildlife may disclose personally identifying information to:

(a) Government agencies concerned with the management of fish and wildlife resources;

(b) The department of social and health services, child support division, and to the department of licensing in order to implement RCW 77.32.014 and 46.20.291; and

(c) Law enforcement agencies for the purpose of firearm possession enforcement under RCW 9.41.040; and

(((((4))) (6) Information that the department of fish and wildlife has received or accessed but may not disclose due to confidentiality requirements in the Magnuson-Stevens fishery conservation and management reauthorization act of 2006 (16 U.S.C. Sec. 1861(h)(3) and (i), and Sec. 1881a(b)).

Sec. 2. RCW 77.12.885 and 2007 c 293 s 2 are each amended to read as follows:

Except for the personal information on reported depredations by wolves that is exempted from disclosure as provided in RCW 42.56.430, the department shall post on its internet web site all reported predatory wildlife interactions, including reported human safety confrontations or sightings as well as the known details of reported depredations by predatory wildlife on humans, pets, or livestock, within ten days of receiving the report. The posted material must include, but is not limited to, the location and time, the known details, and a running summary of such reported interactions by identified species and interaction type within each affected county. For the purposes of this section and RCW 42.56.430, "predatory wildlife" means grizzly bears, wolves, and cougars.

NEW SECTION. Sec. 3. A new section is added to chapter 42.56 RCW to read as follows:

By December 1, 2019, the public records exemptions accountability committee, in addition to its duties in RCW 42.56.140, must prepare and submit a report to the legislature that includes recommendations on whether the exemptions created in section 1, chapter . . ., Laws of 2017 (section 1 of this act) should be continued or allowed to expire. The report should focus on
whether the exemption continues to serve the intent of the legislature in section 1, chapter . . ., Laws of 2017 (section 1 of this act) to provide protections of personal information during the period the state establishes and implements new policies regarding wolf management. The committee must consider whether the development of wolf management policy, by the time of the report, has diminished risks of threats to personal safety so that the protection of personal information in section 1, chapter . . ., Laws of 2017 (section 1 of this act) is no longer an ongoing necessity.

NEW SECTION. Sec. 4. This act expires December 31, 2019."

and the same is herewith transmitted,

Pablo S. Campos, Deputy Secretary

NEW SECTION. Sec. 11. NOTARIAL ACT IN ANOTHER STATE. (1) A notarial act performed in another state has the same effect under the law of this state as if performed by a notarial officer of this state, if the act performed in that state is performed by:

NEW SECTION. Sec. 12. NOTARIAL ACT UNDER AUTHORITY OF FEDERALLY RECOGNIZED INDIAN TRIBE. (1) A notarial act performed under the authority and in the jurisdiction of a federally recognized Indian tribe has the same effect as if performed by a notarial officer of this state, if the act performed in the jurisdiction of the tribe is performed by:

(c) Any other individual authorized by the law of the tribe to perform the notarial act.

(2) The signature and title of an individual performing a notarial act under the authority of and in the jurisdiction of a federally recognized Indian tribe are prima facie evidence that the signature is genuine and that the individual holds the designated title.

(2) If a notarial act is performed under the authority and in the jurisdiction of a foreign state or constituent unit of the foreign state or is performed under the authority of a multinational or international governmental organization, the act has the same effect under the law of this state as if performed by a notarial officer of this state.
(3) If the title of office and indication of authority to perform notarial acts in a foreign state appears in a digest of foreign law or in a list customarily used as a source for that information, the authority of an officer with that title to perform notarial acts is conclusively established.

(4) The signature and official stamp of an individual holding an office described in subsection (3) of this section are prima facie evidence that the signature is genuine and the individual holds the designated title.

(5) An apostille in the form prescribed by the Hague Convention of October 5, 1961, and issued by a foreign state party to the Hague Convention conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.

(6) A consular authentication issued by an individual designated by the United States department of state as a notarizing officer for performing notarial acts overseas and attached to the record with respect to which the notarial act is performed conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.

NEW SECTION. Sec. 15. CERTIFICATE OF NOTARIAL ACT. (1) A notarial act must be evidenced by a certificate. The certificate must:

(b) If a notarial act regarding an electronic record is performed by a notarial officer other than a notary public and the certificate contains the information specified in subsection (1)(b), (c), and (d) of this section, an official stamp may be attached to or logically associated with the certificate.

NEW SECTION.  Sec. 17.  OFFICIAL STAMP.

(1) It is unlawful for any person intentionally to manufacture, give, sell, procure, or possess a seal or stamp evidencing the current appointment of a person as a notary public until the director has issued a notary commission. The official seal or stamp of a notary public must include:

(a) The words "notary public;"

(b) The words "state of Washington;"

(c) The notary public's name as commissioned;

(d) The notary public's commission expiration date; and

(e) Any other information required by the director.

(2) The size and form or forms of the seal or stamp shall be prescribed by the director in rule.

(3) The seal or stamp must be capable of being copied together with the record to which it is affixed or attached or with which it is logically associated.

(4) The seal or stamp used at the time that a notarial act is performed must be the seal or stamp evidencing the notary public's commission in effect as of such time, even if the notary public has received the seal or stamp evidencing his or her next commission.

NEW SECTION.  Sec. 18.  STAMPING DEVICE.

(1) A notary public is responsible for the security of the notary public's stamping device and may not allow another individual to use the device to perform a notarial act. On resignation from, or the revocation or expiration of, the notary public's commission, or on the expiration of the date set forth in the stamping device, the notary public shall disable the stamping device by destroying, defacing, damaging, erasing, or securing it against use in a manner that renders it unusable. On the death or adjudication of incompetency of a notary public, the notary public's personal representative or guardian or any other person knowingly in possession of the stamping device shall render it unusable by destroying, defacing, damaging, erasing, or securing it against use in a manner that renders it unusable.

(2) The seal or stamp should be kept in a locked and secured area, under the direct and exclusive control of the notary public. If a notary public's stamping device is lost or stolen, the notary public or the notary public's personal representative or guardian shall notify promptly the department on discovering that the device is lost or stolen. Any replacement device must contain a variance from the lost or stolen seal or stamp.

NEW SECTION.  Sec. 19.  FEES.

(1) The director may establish by rule the maximum fees that may be charged by notaries public for various notarial services.

(2) A notary public need not charge fees for notarial acts.

NEW SECTION.  Sec. 20.  JOURNAL.

(1) A notary public shall maintain a journal in which the notary public chronicles all...
notarial acts that the notary public performs. The notary public shall retain the journal for ten years after the performance of the last notarial act chronicled in the journal. The journal is to be destroyed as required by the director in rule upon completion of the ten-year period.

(2) Notwithstanding any other provision of this chapter requiring a notary public to maintain a journal, a notary public who is an attorney licensed to practice law in this state is not required to chronicle a notarial act in a journal if documentation of the notarial act is otherwise maintained by professional practice.

(3) A notary public shall maintain only one tangible journal at a time to chronicle notarial acts, whether those notarial acts are performed regarding tangible or electronic records. The journal must be a permanent, bound register with numbered pages. An electronic records notary public may also maintain an electronic format journal, which can be kept concurrently with the tangible journal. The electronic journal must be in a permanent, tamper-evident electronic format complying with the rules of the director.

(4) An entry in a journal must be made contemporaneously with performance of the notarial act and contain the following information:

(a) The date and time of the notarial act;

(b) A description of the record, if any, and type of notarial act;

(c) The full name and address of each individual for whom the notarial act is performed; and

(d) Any additional information as required by the director in rule.

(5) The journal shall be kept in a locked and secured area, under the direct and exclusive control of the notary public. Failure to secure the journal may be cause for the director to take administrative action against the commission held by the notary public. If a notary public's journal is lost or stolen, the notary public promptly shall notify the department on discovering that the journal is lost or stolen.

(6) On resignation from, or the revocation or suspension of, a notary public's commission, the notary public shall retain the notary public's journal in accordance with subsection (1) of this section and inform the department where the journal is located.

NEW SECTION. Sec. 21. NOTIFICATION REGARDING PERFORMANCE OF NOTARIAL ACT ON ELECTRONIC RECORD—SELECTION OF TECHNOLOGY. (1) A notary public may not perform notarial acts with respect to electronic records unless the notary public holds a commission as an electronic records notary public.

(2) An electronic records notary public may select one or more tamper-evident technologies to perform notarial acts with respect to electronic records that meet the standards provided in subsection (4) of this section. A person cannot require an electronic records notary public to perform a notarial act with respect to an electronic record with a technology that the notary public has not selected.

(3) Before an electronic records notary public performs the notary public's initial notarial act with respect to an electronic record, an electronic records notary public shall notify the department that he or she will be performing notarial acts with respect to electronic records and identify the technology the electronic records notary public intends to use.

(4) The director shall establish standards for approval of technology in rule. If the technology conforms to the standards, the director shall approve the use of the technology.

NEW SECTION. Sec. 22. COMMISSION AS NOTARY PUBLIC—QUALIFICATIONS—NO IMMUNITY OR BENEFIT. (1) An individual qualified under subsection (2) of this section may apply to the director for a commission as a notary public. The applicant shall comply with and provide the information required by rules established by the director and pay any application fee.

(2) An applicant for a commission as a notary public must:

(a) Be at least eighteen years of age;

(b) Be a citizen or permanent legal resident of the United States;

(c) Be a resident of or have a place of employment or practice in this state;

(d) Be able to read and write English; and
(e) Not be disqualified to receive a commission under section 23 of this act.

(3) Before issuance of a commission as a notary public, an applicant for the commission shall execute an oath of office and submit it to the department in the format prescribed by the director in rule.

(4) Before issuance of a commission as a notary public, the applicant for a commission shall submit to the director an assurance in the form of a surety bond in the amount established by the director in rule. The assurance must be issued by a surety or other entity licensed or authorized to write surety bonds in this state. The assurance must be effective for a four-year term or for a term that expires on the date the notary public’s commission expires. The assurance must cover acts performed during the term of the notary public's commission and must be in the form prescribed by the director. If a notary public violates law with respect to notaries public in this state, the surety or issuing entity is liable under the assurance. The surety or issuing entity shall give at least thirty days notice to the department before canceling the assurance. The surety or issuing entity shall notify the department not later than thirty days after making a payment to a claimant under the assurance. A notary public may perform notarial acts in this state only during the period that a valid assurance is on file with the department.

(5) On compliance with this section, the director shall issue a commission as a notary public to an applicant for a term of four years or for a term that expires on the date of expiration of the assurance, whichever comes first.

(6) A commission to act as a notary public authorizes the notary public to perform notarial acts. The commission does not provide the notary public any immunity or benefit conferred by law of this state on public officials or employees.

(7) An individual qualified under (a) of this subsection may apply to the director for a commission as an electronic records notary public. The applicant shall comply with and provide the information required by rules established by the director and pay the relevant application fee.

(a) An applicant for a commission as an electronic records notary public must hold a commission as notary public.

(b) An electronic records notary public commission may take the form of an endorsement to the notary public commission if deemed appropriate by the director.

NEW SECTION. Sec. 23. GROUNDS TO DENY, REFUSE TO RENEW, REVOKE, SUSPEND, OR CONDITION COMMISSION OF NOTARY PUBLIC.

(1) In addition to conduct defined as unprofessional under RCW 18.235.130, the director may take action as provided for in RCW 18.235.110 against a commission as notary public for any act or omission that demonstrates the individual lacks the honesty, integrity, competence, or reliability to act as a notary public, including:

(a) Failure to comply with this chapter;

(b) A fraudulent, dishonest, or deceitful misstatement or omission in the application for a commission as a notary public submitted to the department;

(c) A conviction of the applicant or notary public of any felony or crime involving fraud, dishonesty, or deceit;

(d) A finding against, or admission of liability by, the applicant or notary public in any legal proceeding or disciplinary action based on the applicant's or notary public's fraud, dishonesty, or deceit;

(e) Failure by the notary public to discharge any duty required of a notary public, whether by this chapter, rules of the director, or any federal or state law;

(f) Use of false or misleading advertising or representation by the notary public representing that the notary public has a duty, right, or privilege that the notary public does not have;

(g) Violation by the notary public of a rule of the director regarding a notary public;

(h) Denial, refusal to renew, revocation, suspension, or conditioning of a notary public commission in another state;

(i) Failure of the notary public to maintain an assurance as provided in section 22(4) of this act; or
(j) Making or noting a protest of a negotiable instrument without being a person authorized by section 5(5) of this act.

(2) If the director denies, refuses to renew, revokes, suspends, imposes conditions, or otherwise sanctions, a commission as a notary public, the applicant or notary public is entitled to timely notice and hearing in accordance with chapter 34.05 RCW.

(3) The authority of the director to take disciplinary action on a commission as a notary public does not prevent a person from seeking and obtaining other criminal or civil remedies provided by law.

NEW SECTION. Sec. 24. DATABASE OF NOTARIES PUBLIC. The director shall maintain an electronic database of notaries public:

(1) Through which a person may verify the authority of a notary public to perform notarial acts; and

(2) Which indicates whether a notary public has notified the director that the notary public will be performing notarial acts on electronic records.

NEW SECTION. Sec. 25. PROHIBITED ACTS. (1) A commission as a notary public does not authorize an individual to:

(a) Assist persons in drafting legal records, give legal advice, or otherwise practice law;
(b) Act as an immigration consultant or an expert on immigration matters;
(c) Represent a person in a judicial or administrative proceeding relating to immigration to the United States, United States citizenship, or related matters;
(d) Receive compensation for performing any of the activities listed in this subsection; or
(e) Provide court reporting services.

(2) A notary public may not engage in false or deceptive advertising.

(3) A notary public, other than an attorney licensed to practice law in this state, or a Washington-licensed limited license legal technician acting within the scope of his or her license, may not use the term "notario" or "notario publico."

(4) A notary public, other than an attorney licensed to practice law in this state or a limited license legal technician acting within the scope of his or her license, may not assist another person in selecting the appropriate certificate required by section 15 of this act.

(5) A notary public, other than an attorney licensed to practice law in this state, or a Washington-licensed limited license legal technician acting within the scope of his or her license, may not advertise or represent that the notary public may assist persons in drafting legal records, give legal advice, or otherwise practice law. If a notary public who is not an attorney licensed to practice law in this state, or a Washington-licensed limited license legal technician acting within the scope of his or her license, in any manner advertises or represents that the notary public offers notarial services, whether orally or in a record, including broadcast media, print media, and the internet, the notary public shall include the following statement, or an alternate statement authorized or required by the director, in the advertisement or representation, prominently and in each language used in the advertisement or representation: "I am not an attorney licensed to practice law in this state. I am not allowed to draft legal records, give advice on legal matters, including immigration, or charge a fee for those activities." If the form of advertisement or representation is not broadcast media, print media, or the internet and does not permit inclusion of the statement required by this subsection because of size, it must be displayed prominently or provided at the place of performance of the notarial act before the notarial act is performed.

(6) Except as otherwise allowed by law, a notary public may not withhold access to or possession of an original record provided by a person that seeks performance of a notarial act by the notary public. A notary public may not maintain copies or electronic images of documents notarized unless the copies or images are maintained by an attorney or Washington-licensed limited license legal technician acting within his or her scope of practice for the performance of legal services or for other services performed for the client and the copies or images are not maintained solely as part of the notary transaction.
NEW SECTION. Sec. 26. VALIDITY OF NOTARIAL ACTS. Except as otherwise provided in section 4(2) of this act, the failure of a notarial officer to perform a duty or meet a requirement specified in this chapter does not invalidate a notarial act performed by the notarial officer. The validity of a notarial act under this chapter does not prevent an aggrieved person from seeking to invalidate the record or transaction that is the subject of the notarial act or from seeking other remedies based on law of this state other than this chapter or law of the United States. This section does not validate a purported notarial act performed by an individual who does not have the authority to perform notarial acts. Nothing in this act gives the director authority to invalidate a notarial act.

NEW SECTION. Sec. 27. RULES. (1) The director may adopt rules necessary to implement this chapter.

(2) In adopting, amending, or repealing rules about notarial acts with respect to electronic records, the director shall consider standards, practices, and customs of other jurisdictions that substantially enact this chapter.

NEW SECTION. Sec. 28. NOTARY PUBLIC COMMISSION IN EFFECT. A commission as a notary public in effect on the effective date of this section continues until its date of expiration. A notary public who applies to renew a commission as a notary public on or after the effective date of this section is subject to and shall comply with this chapter. A notary public, in performing notarial acts after the effective date of this section, shall comply with this chapter.

NEW SECTION. Sec. 29. SAVINGS CLAUSE. This chapter does not affect the validity or effect of a notarial act performed before the effective date of this section.

NEW SECTION. Sec. 30. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

NEW SECTION. Sec. 31. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits, and supersedes the electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede section 101(c) of that act, 15 U.S.C. Sec. 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. Sec. 7003(b).

NEW SECTION. Sec. 32. UNIFORM REGULATION OF BUSINESS AND PROFESSIONS ACT. The uniform regulation of business and professions act, chapter 18.235 RCW, governs unlicensed practice, the issuance and denial of licenses, and the discipline of licensees under this chapter.

NEW SECTION. Sec. 33. NEW CHAPTER. Sections 1 through 32 and 44 of this act constitute a new chapter in Title 42 RCW.

NEW SECTION. Sec. 34. REPEALS. The following acts or parts of acts are each repealed:

Sec. 35. RCW 9.97.020 and 2016 c 81 s 3 are each amended to read as follows:

(1) Except as provided in this section, no state, county, or municipal department, board, officer, or agency authorized to assess the qualifications of any applicant for a license, certificate of authority, qualification to engage in the practice of a profession or business, or for admission to an examination to qualify for such a license or certificate may disqualify a qualified applicant, solely based on the applicant's criminal history, if the qualified applicant has obtained a certificate of restoration of opportunity and the applicant meets all other statutory and regulatory requirements, except as required by federal law or exempted under this subsection. Nothing in this section is interpreted as restoring or creating a means to restore any firearms rights or eligibility to obtain a firearm dealer license pursuant to RCW 9.41.110 or requiring the removal of a protection order.

(a)(i) Criminal justice agencies, as defined in RCW 10.97.030, and the Washington state bar association are exempt from this section.

(ii) This section does not apply to the licensing, certification, or qualification of the following professionals: Accountants, RCW 18.04.295; assisted living facilities employees, RCW 18.20.125; bail bond agents, RCW 18.185.020; escrow agents, RCW 18.44.241; long-term care workers, RCW 18.88B.080; nursing home administrators, RCW 18.52.071; nursing, chapter 18.79 RCW; physicians and physician assistants, chapters 18.71 and 18.71A RCW; private investigators, RCW 18.165.030; receivers, RCW 7.60.035; teachers, chapters 28A.405 and 28A.410 RCW; notaries public, chapter ((42.44 RCW)) 42.--- RCW (the new chapter created in section 33 of this act); private investigators, chapter 18.165 RCW; real estate brokers and salespersons, chapters 18.85 and 18.86 RCW; security guards, chapter 18.170 RCW; and vulnerable adult care providers, RCW 43.43.842.

(iii) To the extent this section conflicts with the requirements for receipt of federal funding under the adoption and safe families act, 42 U.S.C. Sec. 671, this section does not apply.

(b) Unless otherwise addressed in statute, in cases where an applicant would be disqualified under RCW 43.20A.710, and the applicant has obtained a certificate of restoration of opportunity, the department of social and health services may, after review of relevant factors, including the nature and seriousness of the offense, time that has passed since conviction, changed circumstances since the offense occurred, and the nature of the employment or license sought, at its discretion:

(i) Allow the applicant to have unsupervised access to children, vulnerable adults, or individuals with mental illness or developmental disabilities if the applicant is otherwise qualified and suitable; or

(ii) Disqualify the applicant solely based on the applicant's criminal history.
(c) If the practice of a profession or business involves unsupervised contact with vulnerable adults, children, or individuals with mental illness or developmental disabilities, or populations otherwise defined by statute as vulnerable, the department of health may, after review of relevant factors, including the nature and seriousness of the offense, time that has passed since conviction, changed circumstances since the offense occurred, and the nature of the employment or license sought, at its discretion:

(i) Disqualify an applicant who has obtained a certificate of restoration of opportunity, for a license, certification, or registration to engage in the practice of a health care profession or business solely based on the applicant's criminal history; or

(ii) If such applicant is otherwise qualified and suitable, credential or credential with conditions an applicant who has obtained a certificate of restoration of opportunity for a license, certification, or registration to engage in the practice of a health care profession or business.

(d) The state of Washington, any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, the department of health, and its officers, employees, contractors, and agents are immune from suit in law, equity, or any action under the administrative procedure act based upon its exercise of discretion under this section. This section does not create a protected class; private right of action; any right, privilege, or duty; or change to any right, privilege, or duty existing under law. This section does not modify a licensing or certification applicant's right to a review of an agency's decision under the administrative procedure act or other applicable statute or agency rule. A certificate of restoration of opportunity does not remove or alter citizenship or legal residency requirements already in place for state agencies and employers.

(2) A qualified court has jurisdiction to issue a certificate of restoration of opportunity to a qualified applicant.

(a) A court must determine, in its discretion whether the certificate:

(i) Applies to all past criminal history; or

(ii) Applies only to the convictions or adjudications in the jurisdiction of the court.

(b) The certificate does not apply to any future criminal justice involvement that occurs after the certificate is issued.

(c) A court must determine whether to issue a certificate by determining whether the applicant is a qualified applicant as defined in RCW 9.97.010.

(3) An employer or housing provider may, in its sole discretion, determine whether to consider a certificate of restoration of opportunity issued under this chapter in making employment or rental decisions. An employer or housing provider is immune from suit in law, equity, or under the administrative procedure act for damages based upon its exercise of discretion under this section or the refusal to exercise such discretion. In any action at law against an employer or housing provider arising out of the employment of or provision of housing to the recipient of a certificate of restoration of opportunity, evidence of the crime for which a certificate of restoration of opportunity has been issued may not be introduced as evidence of negligence or intentionally tortious conduct on the part of the employer or housing provider. This subsection does not create a protected class, private right of action, any right, privilege, or duty, or to change any right, privilege, or duty existing under law related to employment or housing except as provided in RCW 7.60.035.

(4)(a) Department of social and health services: A certificate of restoration of opportunity does not apply to the state abuse and neglect registry. No finding of abuse, neglect, or misappropriation of property may be removed from the registry based solely on a certificate. The department must include such certificates as part of its criminal history record reports, qualifying letters, or other assessments pursuant to RCW 43.43.830 through 43.43.838. The department shall adopt rules to implement this subsection.

(b) Washington state patrol: The Washington state patrol is not required to remove any records based solely on a certificate of restoration of opportunity. The state patrol must include a certificate as part of its criminal history record report.
(c) Court records:

(i) A certificate of restoration of opportunity has no effect on any other court records, including records in the judicial information system. The court records related to a certificate of restoration of opportunity must be processed and recorded in the same manner as any other record.

(ii) The qualified court where the applicant seeks the certificate of restoration of opportunity must administer the court records regarding the certificate in the same manner as it does regarding all other proceedings.

(d) Effect in other judicial proceedings: A certificate of restoration of opportunity may only be submitted to a court to demonstrate that the individual met the specific requirements of this section and not for any other procedure, including evidence of character, reputation, or conduct. A certificate is not an equivalent procedure under Rule of Evidence 609(c).

(e) Department of health: The department of health must include a certificate of restoration of opportunity on its public web site if:

(i) Its web site includes an order, stipulation to informal disposition, or notice of decision related to the conviction identified in the certificate of restoration of opportunity; and

(ii) The credential holder has provided a certified copy of the certificate of restoration of opportunity to the department of health.

(5) In all cases, an applicant must provide notice to the prosecutor in the county where he or she seeks a certificate of restoration of opportunity of the pendency of such application. If the applicant has been sentenced by any other jurisdiction in the five years preceding the application for a certificate, the applicant must also notify the prosecuting attorney in those jurisdictions. The prosecutor in the county where an applicant applies for a certificate shall provide the court with a report of the applicant's criminal history.

(6) Application for a certificate of restoration of opportunity must be filed as a civil action.

(7) A superior court in the county in which the applicant resides may decline to consider the application for certificate of restoration of opportunity. If the superior court in which the applicant resides declines to consider the application, the court must dismiss the application without prejudice and the applicant may refile the application in another qualified court. The court must state the reason for the dismissal on the order. If the court determines that the applicant does not meet the required qualifications, then the court must dismiss the application without prejudice and state the reason(s) on the order. The superior court in the county of the applicant's conviction or adjudication may not decline to consider the application.

(8) Unless the qualified court determines that a hearing on an application for certificate of restoration is necessary, the court must decide without a hearing whether to grant the certificate of restoration of opportunity based on a review of the application filed by the applicant and pleadings filed by the prosecuting attorney.

(9) The clerk of the court in which the certificate of restoration of opportunity is granted shall transmit the certificate of restoration of opportunity to the Washington state patrol identification section, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol shall update its records to reflect the certificate of restoration of opportunity.

(10)(a) The administrative office of the courts shall develop and prepare instructions, forms, and an informational brochure designed to assist applicants applying for a certificate of restoration of opportunity.

(b) The instructions must include, at least, a sample of a standard application and a form order for a certificate of restoration of opportunity.

(c) The administrative office of the courts shall distribute a master copy of the instructions, informational brochure, and sample application and form order to all county clerks and a master copy of the application and order to all superior courts by January 1, 2017.

(d) The administrative office of the courts shall determine the significant
The administrator shall then arrange for translation of the instructions, which shall contain a sample of the standard application and order, and the informational brochure into languages spoken by those significant non-English-speaking populations and shall distribute a master copy of the translated instructions and informational brochures to the county clerks by January 1, 2017.

(e) The administrative office of the courts shall update the instructions, brochures, standard application and order, and translations when changes in the law make an update necessary.

Sec. 36. RCW 18.235.010 and 2007 c 256 s 11 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

2. "Department" means the department of licensing.

3. "Director" means the director of the department or director's designee.

5. "Disciplinary authority" means the director, board, or commission having the authority to take disciplinary action against a holder of, or applicant for, a professional or business license upon a finding of a violation of this chapter or a chapter specified under RCW 18.235.020.

(a) Verifiable by that certificate; and

(b) Affixed when that certificate was valid.

(2) If the digital signature is used as an acknowledgment, then the certification authority is responsible to the same extent as a notary up to the recommended reliance limit for failure to satisfy the requirements for an acknowledgment. MESSAGE FROM THE SENATE

April 6, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1353 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the Colockum elk herd in central Washington is the fifth largest elk herd in the state and is currently managed for the state by the department of fish and wildlife.

(2) The legislature further finds that the Colockum elk herd has been the subject of a great deal of planning by the department of fish and wildlife. The herd is subject to an existing herd management plan that attempts to ensure a healthy, productive population, manage the herd for a variety of purposes, and allow for a sustainable yield within the population. Proper management of the Colockum elk herd is important, since the herd is a resource that provides significant recreational, aesthetic, cultural, and economic benefits to recreationalists, local communities, and native Americans.

(3) The legislature further finds that the department of fish and wildlife has studied the Colockum elk herd as recently as 2012. This study led to a greater understanding of the challenges facing the herd and resulted in recommendations as to management approaches to address those challenges.

(4) The legislature further finds that despite the active management and research by the department of fish and wildlife, there are still undesirable consequences of the Colockum elk herd's size, location, and behaviors. These consequences manifest as significant agricultural crop damage within the herd's range and unacceptably threatens to degrade highway safety levels on Interstate 90 and other roadways within the range of the herd due to collisions between herd members and vehicles.

(5) The legislature further finds that the unwanted consequences of the current Colockum elk herd management protocol are not isolated to the range of the Colockum herd. Other elk herds in the state are also the subject of similar management outcomes.

(6) The legislature further finds that the department of fish and wildlife should use the Colockum elk herd as the subject of a pilot project that explores the benefits of more active management. The department must work with the Yakama Nation to obtain input from the tribe on the tribe's recommendations. The pilot project should be limited in time and geography to ensure that overall herd health is not disrupted; however, it should be robust enough to offer scientifically rigorous results.

NEW SECTION. Sec. 2. A new section is added to chapter 77.36 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department must conduct an elk management pilot project to explore the viability of various wildlife management actions to reduce elk highway collisions and elk damage to private crop lands. The pilot project must initially focus on achieving a reduction in highway collisions on interstate highways, and crop damage on properties, within the range of the Colockum herd. The department must invite the Yakama Nation to participate in all aspects of the project.

(2) The department must work with the department of transportation to explore the viability of various wildlife management actions to reduce elk highway collisions and elk damage to private crop lands.
collisions, initially focusing on reducing traffic collisions along interstate highways within the range of the herd.

(3) Direct wildlife management efforts must be employed in the pilot project implemented under this section, including:

(a) Increased use of special depredation hunts and general hunting opportunity within the Colockum herd. Total hunting depredations under the pilot project must be limited to three hundred elk per calendar year and these efforts must be designed and implemented in a manner that does not conflict with the primary goals of the current elk herd management plan for the Colockum herd;

(b) Feeding elk within the pilot project area by persons other than the department is prohibited, although in no event may this prohibition affect a person who sets out feed with the intent to feed domestic animals or livestock, even though such feed may be inadvertently consumed by elk or other wildlife; and

(c) The use of managed livestock grazing to attract elk away from roads and private property.

(4) Consistent with RCW 43.01.036, the department and the department of transportation must report the results of the pilot project to the appropriate committees of the legislature by October 31, 2020. Along with results, the departments must report on how the information gleaned from the pilot project will be used to manage the Colockum elk herd and other similarly situated elk herds in the state.

(5) This section expires July 1, 2021."

On page 1, line 2 of the title, after "herd;" strike the remainder of the title and insert "adding a new section to chapter 77.36 RCW; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 12, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1445 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that it should review and revise the K-12 educational program taking into consideration the needs of students as they evolve. In Washington state, immigrant students whose first language is not English represent a significant part of evolving and more diverse school demographics. The legislature finds that Washington's
The educator workforce in school districts has not evolved in a manner consistent with changing student demographics. Thus, more and more schools are without the capacity to meet the needs of English learners and without the capacity to communicate effectively with parents whose first language is not English.

(2) The legislature finds that:

(a) Between 1986 and 2016, the number of students served in the state's transitional bilingual instruction program increased from fifteen thousand twenty-four to one hundred eighteen thousand five hundred twenty-six, an increase of six hundred eighty-nine percent, and that two-thirds of the students were native Spanish speakers; the next ten most common languages were Russian, Vietnamese, Somali, Chinese, Arabic, Ukrainian, Tagalog, Korean, Marshallese, and Punjabi;

(b) In the 2015-16 school year, forty-six percent of instructors in the state's transitional bilingual instruction program were instructional aides, or paraeducators, not certificated teachers; and

(c) Eleven percent of students in the transitional bilingual instruction program received instruction in their native language in the 2015-16 school year, and research shows that non-English speaking students develop academic proficiency in English more quickly when they are provided instruction in their native language initially.

(3) The legislature showed its commitment to equity in education by passing legislation creating a seal of biliteracy, requiring world language for high school graduation, easing the transitions of English learners, encouraging training for staff in cultural competence, monitoring the racial and ethnic data of teachers, and funding the creation of K-12 dual language programs.

(4) However, the legislature finds it is necessary to better serve non-English speaking students by addressing and closing the significant language and instructional gaps that hinder English learners from meeting the state's rigorous educational standards.

(5) Thus, the legislature intends to establish a comprehensive approach to support English learners by creating grant programs to: (a) Expand dual language programs for elementary and secondary students; and (b) recruit bilingual individuals to become educators who are able to provide instruction in, and support for, dual language programs.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.630 RCW to read as follows:

(1)(a) The K-12 dual language grant program is created to grow capacity for high quality dual language learning in the common schools and in state-tribal compact schools.

(b) A dual language program is an instructional model that provides content-based instruction to students in two languages: English and a target language other than English spoken in the local community, for example Spanish, Somali, Vietnamese, Russian, Arabic, native languages, or indigenous languages. The goal of the program is for students to eventually become proficient and literate in both languages, while also meeting high academic standards in all subject areas. Typically, programs begin at kindergarten or first grade and continue through at least elementary school. Two-way dual language programs begin with a balanced number of native and nonnative speakers of the target language so that both groups of students serve in the role of language modeler and language learner at different times. One-way dual language programs serve only nonnative English speakers.

(2)(a) The office of the superintendent of public instruction shall develop and administer the grant program.

(b) Subject to the availability of amounts appropriated for this specific purpose, by October 1, 2017, the office of the superintendent of public instruction must award grants of up to two hundred thousand dollars each through a competitive process to school districts or state-tribal compact schools proposing to: (i) Establish a two-way dual language program or a one-way dual language program in a school with predominantly English learners; or (ii) expand a recently established two-way dual language program or a one-way dual language program in a school with predominantly English learners. When awarding a grant to a school district or a state-tribal compact school proposing to establish a dual language program in
a target language other than Spanish, the office must provide a bonus of up to twenty thousand dollars.

(c) The office of the superintendent of public instruction must identify criteria for awarding the grants, evaluate applicants, and award grant money. The office must select grantees that represent sufficient geographic, demographic, and enrollment diversity to produce meaningful data for the report required in section 6 of this act. The application must require, among other things, that the applicant describe: (i) How the program will serve the applicant's English learner population; (ii) the number of classrooms that the applicant expects to add with the grant money; (iii) the planned use of the grant money; (iv) the applicant's plan for student enrollment and outreach to families who speak the target language; (v) the applicant's plan to recruit and support bilingual paraeducators, classified staff, parents, and high school students to become bilingual teachers in the district or state-tribal compact school; (vi) the applicant's commitment to, and plan for, sustaining a dual language program beyond the grant period; and (vii) whether the school district board of directors or the governing body of a state-tribal compact school has expressed support for dual language programs.

(d) The grant money must be used for dual language program start-up and expansion costs, such as staff and teacher training, teacher recruitment, development and implementation of a dual language learning model and curriculum, and other costs identified in the application as key for start-up. The grant money may not be used for ongoing program costs.

(3) The grant period is two years. At the end of the grant period, the grantees must work with the office of the superintendent of public instruction to draft the report required in section 6 of this act.

(4) The office of the superintendent of public instruction must notify school districts and state-tribal compact schools of the grant program established under this section and provide ample time for the application process.

(5) The superintendent of public instruction may adopt rules to implement this section.

(6) This section expires July 1, 2020.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.300 RCW to read as follows:

(1) Within existing resources, the office of the superintendent of public instruction shall facilitate dual language learning cohorts for school districts and state-tribal compact schools establishing or expanding dual language programs. The office must provide technical assistance and support to school districts and state-tribal compact schools implementing dual language programs, including those establishing or expanding dual language programs under section 1 of this act.

(2) The superintendent of public instruction may adopt rules to implement this section.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.180 RCW to read as follows:

In 2017, funds must be appropriated for the purposes in this section.

(1) The professional educator standards board, beginning in the 2017-2019 biennium, shall administer the bilingual educator initiative, which is a long-term program to recruit, prepare, and mentor bilingual high school students to become future bilingual teachers and counselors.

(2) Subject to the availability of amounts appropriated for this specific purpose, pilot projects must be implemented in one or two school districts east of the crest of the Cascade mountains and one or two school districts west of the crest of the Cascade mountains, where immigrant students are shown to be rapidly increasing. Districts selected by the professional educator standards board must partner with at least one two-year and one four-year college in planning and implementing the program. The professional educator standards board shall provide oversight.

(3) Participating school districts must implement programs, including: (a) An outreach plan that exposes the program to middle school students and recruits them to enroll in the program when they begin their ninth grade of high school; (b) activities in ninth and tenth grades that help build student agency, such as self-confidence and awareness, while
helping students to develop academic mind-sets needed for high school and college success; the value and benefits of teaching and counseling as careers; and introduction to leadership, civic engagement, and community service; (c) credit-bearing curricula in grades eleven and twelve that include mentoring, shadowing, best practices in teaching in a multicultural world, efficacy and practice of dual language instruction, social and emotional learning, enhanced leadership, civic engagement, and community service activities.

(4) There must be a pipeline to college using two-year and four-year college faculty and consisting of continuation services for program participants, such as advising, tutoring, mentoring, financial assistance, and leadership.

(5) High school and college teachers and counselors must be recruited and compensated to serve as mentors and trainers for participating students.

(6) After obtaining a high school diploma, students qualify to receive conditional loans to cover the full cost of college tuition, fees, and books. To qualify for funds, students must meet program requirements as developed by their local implementation team, which consists of staff from their school district and the partnering two-year and four-year college faculty.

(7) In order to avoid loan repayment, students must (a) earn their baccalaureate degree and certification needed to serve as a teacher or professional guidance counselor; and (b) teach or serve as a counselor in their educational service district region for at least five years. Students who do not meet the repayment terms in this subsection are subject to repaying all or part of the financial aid they receive for college unless students are recipients of funding provided through programs such as the state need grant program or the college bound scholarship program.

(8) Grantees must work with the professional educator standards board to draft the report required in section 6 of this act.

(9) The professional educator standards board may adopt rules to implement this section.

NEW SECTION. Sec. 5. A new section is added to chapter 43.215 RCW to read as follows:

(1) The department of early learning must work with community partners to support outreach and education for parents and families around the benefits of native language development and retention, as well as the benefits of dual language learning. Native language means the language normally used by an individual or, in the case of a child or youth, the language normally used by the parents or family of the child or youth. Dual language learning means learning in two languages, generally English and a target language other than English spoken in the local community, for example Spanish, Somali, Vietnamese, Russian, Arabic, native languages, or indigenous languages where the goal is bilingualism.

(2) Within existing resources, the department must create training and professional development resources on dual language learning, such as supporting English learners, working in culturally and linguistically diverse communities, strategies for family engagement, and cultural responsiveness. MESSAGE FROM THE SENATE

April 5, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1819 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a prioritized recommendation of the children's mental health work group, as reported in December 2016, is to reduce burdensome and duplicative paperwork requirements for providers of children's mental health services. This recommendation is consistent with the recommendations of the behavioral health workforce assessment of the workforce training and education coordinating board to reduce time-consuming documentation requirements and the behavioral and primary health regulatory alignment task force to streamline regulations and reduce the time spent responding to inefficient and excessive audits.

The legislature further finds that duplicative and overly prescriptive documentation and audit requirements negatively impact the adequacy of the provider network by reducing workforce morale and limiting the time available for patient care. Such requirements create costly barriers to the efficient provision of services for children and their families. The legislature also finds that current state regulations are often duplicative or conflicting with research-based models and other state-mandated treatment models intended to improve the quality of services and ensure positive outcomes. These barriers can be reduced while creating a greater emphasis on quality, outcomes, and safety.

The legislature further finds that social workers serving children are encumbered by burdensome paperwork requirements which can interfere with the effective delivery of services.

Therefore, the legislature intends to require the department of social and
health services to take steps to reduce paperwork, documentation, and audit requirements that are inefficient or duplicative for social workers who serve children and for providers of mental health services to children and families, and to encourage the use of effective treatment models to improve the quality of services.

NEW SECTION. Sec. 2. A new section is added to chapter 71.24 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department must immediately perform a review of its rules, policies, and procedures related to the documentation requirements for behavioral health services. Rules adopted by the department relating to the provision of behavioral health services must:

(a) Identify areas in which duplicative or inefficient documentation requirements can be eliminated or streamlined for providers;

(b) Limit prescriptive requirements for individual initial assessments to allow clinicians to exercise professional judgment to conduct age-appropriate, strength-based psychosocial assessments, including current needs and relevant history according to current best practices;

(c) By April 1, 2018, provide a single set of regulations for agencies to follow that provide mental health, substance use disorder, and co-occurring treatment services;

(d) Exempt providers from duplicative state documentation requirements when the provider is following documentation requirements of an evidence-based, research-based, or state-mandated program that provides adequate protection for patient safety; and

(e) Be clear and not unduly burdensome in order to maximize the time available for the provision of care.

(2) Subject to the availability of amounts appropriated for this specific purpose, audits conducted by the department relating to provision of behavioral health services must:

(a) Rely on a sampling methodology to conduct reviews of personnel files and clinical records based on written guidelines established by the department that are consistent with the standards of other licensing and accrediting bodies;

(b) Treat organizations with multiple locations as a single entity. The department must not require annual visits at all locations operated by a single entity when a sample of records may be reviewed from a centralized location;

(c) Share audit results with behavioral health organizations to assist with their review process and, when appropriate, take steps to coordinate and combine audit activities;

(d) Coordinate audit functions between the department and the department of health to combine audit activities into a single site visit and eliminate redundancies;

(e) Not require information to be provided in particular documents or locations when the same information is included or demonstrated elsewhere in the clinical file, except where required by federal law; and

(f) Ensure that audits involving manualized programs such as wraparound with intensive services or other evidence or research-based programs are conducted to the extent practicable by personnel familiar with the program model and in a manner consistent with the documentation requirements of the program.

NEW SECTION. Sec. 3. A new section is added to chapter 71.24 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the health care authority must immediately perform a review of its rules, policies, and procedures related to the documentation requirements for behavioral health services. Rules adopted by the health care authority relating to the provision of behavioral health services must:

(a) Identify areas in which duplicative or inefficient documentation requirements can be eliminated or streamlined for providers;

(b) Limit prescriptive requirements for individual initial assessments to allow clinicians to exercise professional judgment to conduct age-appropriate, strength-based psychosocial assessments, including current needs and relevant history according to current best practices;
(c) By April 1, 2018, provide a single set of regulations for agencies to follow that provide mental health, substance use disorder, and co-occurring treatment services;

(d) Exempt providers from duplicative state documentation requirements when the provider is following documentation requirements of an evidence-based, research-based, or state-mandated program that provides adequate protection for patient safety; and

(e) Be clear and not unduly burdensome in order to maximize the time available for the provision of care.

(2) Subject to the availability of amounts appropriated for this specific purpose, audits conducted by the health care authority relating to provision of behavioral health services must:

(a) Rely on a sampling methodology to conduct reviews of personnel files and clinical records based on written guidelines established by the health care authority that are consistent with the standards of other licensing and accrediting bodies;

(b) Treat organizations with multiple locations as a single entity. The health care authority must not require annual visits at all locations operated by a single entity when a sample of records may be reviewed from a centralized location;

(c) Share audit results with behavioral health organizations to assist with their review process and, when appropriate, take steps to coordinate and combine audit activities;

(d) Coordinate audit functions between the health care authority and the department of health to combine audit activities into a single site visit and eliminate redundancies;

(e) Not require information to be provided in particular documents or locations when the same information is included or demonstrated elsewhere in the clinical file, except where required by federal law; and

(f) Ensure that audits involving manualized programs such as wraparound with intensive services or other evidence or research-based programs are conducted to the extent practicable by personnel familiar with the program model and in a manner consistent with the documentation requirements of the program.

NEW SECTION. Sec. 4. (1) Subject to the availability of amounts appropriated for this specific purpose, the department of social and health services must immediately perform a review of casework documentation and paperwork requirements for social service specialists and other direct service staff with the children's administration who provide services to children. The review must identify areas in which duplicative or inefficient documentation and paperwork requirements can be eliminated or streamlined in order to allow social workers to spend greater amounts of time and attention on direct services to children and their families. The department must complete the review by November 1, 2017. Upon completion of the review, the department must take immediate steps to amend department rules and procedures accordingly.

(2) This section expires December 31, 2018.

NEW SECTION. Sec. 5. Section 2 of this act takes effect only if neither Substitute House Bill No. 1388 (including any later amendments or substitutes) nor Substitute Senate Bill No. 5259 (including any later amendments or substitutes) is signed into law by the governor by the effective date of this section.

NEW SECTION. Sec. 6. Section 3 of this act takes effect only if Substitute House Bill No. 1388 (including any later amendments or substitutes) or Substitute Senate Bill No. 5259 (including any later amendments or substitutes) is signed into law by the governor by the effective date of this section.

On page 1, line 3 of the title, after "families:" strike the remainder of the title and insert "adding new sections to chapter 71.24 RCW; creating new sections; providing contingent effective dates; and providing an expiration date."

and the same is herewith transmitted.

**MESSAGE FROM THE SENATE**

March 31, 2017

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1965 with the following amendment:

"Sec. 1. RCW 9.41.070 and 2011 c 294 s 1 are each amended to read as follows:

(1) The chief of police of a municipality or the sheriff of a county shall within thirty days after the filing of an application of any person, issue a license to such person to carry a pistol concealed on his or her person within this state for five years from date of issue, for the purposes of protection or while engaged in business, sport, or while traveling. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The issuing authority shall not refuse to accept completed applications for concealed pistol licenses during regular business hours.

The applicant's constitutional right to bear arms shall not be denied, unless:

(a) He or she is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045, or is prohibited from possessing a firearm under federal law;

(b) The applicant's concealed pistol license is in a revoked status;

(c) He or she is under twenty-one years of age;

(d) He or she is subject to a court order or injunction regarding firearms pursuant to RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590;

(e) He or she is free on bond or personal recognizance pending trial,
appeal, or sentencing for a felony offense;

(f) He or she has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or

(g) He or she has been ordered to forfeit a firearm under RCW 9.41.098(1)(e) within one year before filing an application to carry a pistol concealed on his or her person.

No person convicted of a felony may have his or her right to possess firearms restored or his or her privilege to carry a concealed pistol restored, unless the person has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2)(a) The issuing authority shall conduct a check through the national instant criminal background check system, the Washington state patrol electronic database, the department of social and health services electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm, or is prohibited from possessing a firearm under federal law, and therefore ineligible for a concealed pistol license.

(b) The issuing authority shall deny a permit to anyone who is found to be prohibited from possessing a firearm under federal or state law.

(c) This subsection applies whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

(3) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec. 921(a)(20)(A) shall have his or her right to acquire, receive, transfer, ship, transport, carry, and possess firearms in accordance with Washington state law restored except as otherwise prohibited by this chapter.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, and signature of the licensee, and the licensee's driver's license number or state identification card number if used for identification in applying for the license. A signed application for a concealed pistol license shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release information relevant to the applicant's eligibility for a concealed pistol license to an inquiring court or law enforcement agency.

The application for an original license shall include (two) a complete set((s)) of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The application shall contain questions about the applicant's eligibility under RCW 9.41.040 and federal law to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen. If the applicant is not a United States citizen, the applicant must provide the applicant's country of citizenship, United States issued alien number or admission number, and the basis on which the applicant claims to be exempt from federal prohibitions on firearm possession by aliens. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. A person who is not a citizen of the United States shall, if applicable, meet the additional requirements of RCW 9.41.173 and produce proof of compliance with RCW 9.41.173 upon application. The license may be in triplicate or in a form to be prescribed by the department of licensing.
The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an on-line format, all information received under this subsection.

(5) The nonrefundable fee, paid upon application, for the original five-year license shall be thirty-six dollars plus additional charges imposed by the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license.

The fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;

(b) Four dollars shall be paid to the agency taking the fingerprints of the person licensed;

(c) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter; and

(d) Three dollars to the firearms range account in the general fund.

(6) The nonrefundable fee for the renewal of such license shall be thirty-two dollars. No other branch or unit of government may impose any additional charges on the applicant for the renewal of the license.

The renewal fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;

(b) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter; and

(c) Three dollars to the firearms range account in the general fund.

(7) The nonrefundable fee for replacement of lost or damaged licenses is ten dollars to be paid to the issuing authority.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section. The fee shall be distributed as follows:

(a) Three dollars shall be deposited in the state wildlife account and used exclusively first for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law, and subsequently the support of volunteer instructors in the basic firearms safety training program conducted by the department of fish and wildlife. The pamphlet shall be given to each applicant for a license; and

(b) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.

(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.
(13) A person may apply for a concealed pistol license:

(a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;
(b) To the county in which the applicant resides if the applicant resides in an unincorporated area; or
(c) Anywhere in the state if the applicant is a nonresident.

(14) Any person who, as a member of the armed forces, including the national guard and armed forces reserves, is unable to renew his or her license under subsections (6) and (9) of this section because of the person's assignment, reassignment, or deployment for out-of-state military service may renew his or her license within ninety days after the person returns to this state from out-of-state military service, if the person provides the following to the issuing authority no later than ninety days after the person's date of discharge or assignment, reassignment, or deployment back to this state: (a) A copy of the person's original order designating the specific period of assignment, reassignment, or deployment for out-of-state military service, and (b) if appropriate, a copy of the person's discharge or amended or subsequent assignment, reassignment, or deployment order back to this state. A license so renewed under this subsection (14) shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license under this subsection (14) shall pay only the renewal fee specified in subsection (6) of this section and shall not be required to pay a late renewal penalty in addition to the renewal fee.

Sec. 2. RCW 9.41.173 and 2009 c 216 s 3 are each amended to read as follows:

(3) The sheriff shall check with the national crime information center, the Washington state patrol electronic database, the department of social and health services electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, and signature of the applicant, a copy of the applicant's passport and visa showing the applicant is in the country legally, and a valid Washington hunting license or documentation that the applicant is a member of a sport shooting club.

A signed application for an alien firearm license shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release information relevant to the applicant's
eligibility for an alien firearm license to an inquiring court or law enforcement agency.

The application for an original license shall include a complete set of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law. The application shall contain questions about the applicant's eligibility under RCW 9.41.040 to possess a firearm. The nonimmigrant alien applicant shall be required to produce a passport and visa as evidence of being in the country legally.

The license may be in triplicate or in a form to be prescribed by the department of licensing. (5) The sheriff has the authority to collect a nonrefundable fee, paid upon application, for the two-year license. The fee shall be fifty dollars plus additional charges imposed by the Washington state patrol and the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license. The fee shall be retained by the sheriff.

(3) Any person required to register under this section who intends to travel outside the United States must provide, by certified mail, with return receipt requested, or in person, signed written notice of the plan to travel outside the country to the county sheriff of the county with whom the person is registered at least twenty-one days prior to travel. The notice shall include the following information: (a) Name; (b) passport number and country; (c) destination; (d) itinerary details including departure and return dates; (e) means of travel; and (f) purpose of travel. If the offender subsequently cancels or postpones travel outside the United States, the offender must notify the county sheriff not later than three days after cancellation or postponement of the intended travel outside the United States or on the departure date provided in the notification, whichever is earlier. The county sheriff shall notify the United States marshals service as soon as practicable after receipt of the notification. In cases of unexpected travel due to family or work emergencies, or for offenders who travel routinely across international borders for work-related purposes, the notice must be submitted in person at least twenty-four hours prior to travel to the sheriff of the county where such offenders are registered with a written explanation of the circumstances that make compliance with this subsection (3) impracticable.

(4)(a) Offenders shall register with the county sheriff within the following deadlines:

(i) OFFENDERS IN CUSTODY. Sex offenders or kidnapping offenders who are in custody of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, must register at the time of release from custody with an official designated by the agency that has jurisdiction over the offender. The agency shall within three days forward the registration information to the county sheriff for the county of the offender's anticipated residence. The offender must also register within three business days from the time of release with the county sheriff for the county of the person's school, or place of employment or vocation. The agency that has jurisdiction over the offender shall provide notice to the offender of the duty to register.

When the agency with jurisdiction intends to release an offender with a duty to register under this section, and the agency has knowledge that the offender is eligible for developmental disability services from the department of social and health services, the agency shall notify the division of developmental disabilities of the release. Notice shall occur not more than thirty days before the offender is to be released. The agency and the division shall assist the offender in meeting the initial registration requirement under this section. Failure to provide such assistance shall not constitute a defense for any violation of this section.

When a person required to register under this section is in the custody of the state department of corrections or a local corrections or probation services agency and has been approved for partial confinement as defined in RCW 9.94A.030, the person must register at the time of transfer to partial confinement with the
official designated by the agency that has jurisdiction over the offender. The agency shall within three days forward the registration information to the county sheriff for the county in which the offender is in partial confinement. The offender must also register within three business days from the time of the termination of partial confinement or release from confinement with the county sheriff for the county of the person's residence. The agency that has jurisdiction over the offender shall provide notice to the offender of the duty to register.

(ii) OFFENDERS UNDER FEDERAL JURISDICTION. Sex offenders or kidnapping offenders who are in the custody of the United States bureau of prisons or other federal or military correctional agency must register within three business days from the time of release with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation.

(iii) OFFENDERS WHO ARE CONVICTED BUT NOT CONFINED. Sex offenders who are convicted of a sex offense and kidnapping offenders who are convicted for a kidnapping offense but who are not sentenced to serve a term of confinement immediately upon sentencing shall report to the county sheriff to register within three business days of being sentenced.

(iv) OFFENDERS WHO ARE NEW RESIDENTS, TEMPORARY RESIDENTS, OR RETURNING WASHINGTON RESIDENTS. Sex offenders and kidnapping offenders who move to Washington state from another state or a foreign country must register within three business days of establishing residence or reestablishing residence if the person is a former Washington resident. If the offender is under the jurisdiction of an agency of this state when the offender moves to Washington, the agency shall provide notice to the offender of the duty to register.

Sex offenders and kidnapping offenders who are visiting Washington state and intend to reside or be present in the state for ten days or more shall register his or her temporary address or where he or she plans to stay with the county sheriff of each county where the offender will be staying within three business days of arrival. Registration for temporary residents shall include the information required by subsection (2)(a) of this section, except the photograph and fingerprints.

(v) OFFENDERS FOUND NOT GUILTY BY REASON OF INSANITY. Any adult or juvenile who has been found not guilty by reason of insanity under chapter 10.77 RCW of committing a sex offense or a kidnapping offense and who is in custody, as a result of that finding, of the state department of social and health services, must register within three business days from the time of release with the county sheriff for the county of the person's residence. The state department of social and health services shall provide notice to the adult or juvenile in its custody of the duty to register.

(vi) OFFENDERS WHO LACK A FIXED RESIDENCE. Any person who lacks a fixed residence and leaves the county in which he or she is registered and enters and remains within a new county for twenty-four hours is required to register with the county sheriff not more than three business days after entering the county and provide the information required in subsection (2)(a) of this section.

(vii) OFFENDERS WHO LACK A FIXED RESIDENCE AND WHO ARE UNDER SUPERVISION. Offenders who lack a fixed residence and who are under the supervision of the department shall register in the county of their supervision.

(viii) OFFENDERS WHO MOVE TO, WORK, CARRY ON A VOCATION, OR ATTEND SCHOOL IN ANOTHER STATE. Offenders required to register in Washington, who move to another state, or who work, carry on a vocation, or attend school in another state shall register a new address, fingerprints, and photograph with the new state within three business days after establishing residence, or after beginning to work, carry on a vocation, or attend school in the new state. The person must also send written notice within three business days of moving to the new state or to a foreign country to the county sheriff with whom the person last registered in Washington state. The county sheriff shall promptly forward this information to the Washington state patrol.

(b) The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of RCW
9A.44.132, or arraignment on charges for a violation of RCW 9A.44.132, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under RCW 9A.44.132 who asserts as a defense the lack of notice of the duty to register shall register within three business days following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (4)(c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.

(5)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must provide, by certified mail, with return receipt requested or in person, signed written notice of the change of address to the county sheriff within three business days of moving.

(b) If any person required to register pursuant to this section moves to a new county, within three business days of moving the person must register with the county sheriff of the county into which the person has moved and provide, by certified mail, with return receipt requested or in person, signed written notice of the change of address to the county sheriff with whom the person last registered. The county sheriff with whom the person last registered is responsible for address verification pursuant to RCW 9A.44.135 until the person completes registration of his or her new residence address.

(6)(a) Any person required to register under this section who lacks a fixed residence shall provide signed written notice to the sheriff of the county where he or she last registered within three business days after ceasing to have a fixed residence. The notice shall include the information required by subsection (2)(a) of this section, except the photograph, fingerprints, and palmprints. The county sheriff may, for reasonable cause, require the offender to provide a photograph and fingerprints. The sheriff shall forward this information to the sheriff of the county in which the person intends to reside, if the person intends to reside in another county.

(b) A person who lacks a fixed residence must report weekly, in person, to the sheriff of the county where he or she is registered. The weekly report shall be on a day specified by the county sheriff's office, and shall occur during normal business hours. The person must keep an accurate accounting of where he or she stays during the week and provide it to the county sheriff upon request. The lack of a fixed residence is a factor that may be considered in determining an offender's risk level and shall make the offender subject to disclosure of information to the public at large pursuant to RCW 4.24.550.

(c) If any person required to register pursuant to this section does not have a fixed residence, it is an affirmative defense to the charge of failure to register, that he or she provided written notice to the sheriff of the county where he or she last registered within three business days of ceasing to have a fixed residence and has subsequently complied with the requirements of subsections (4)(a)(vi) or (vii) and (6) of this section. To prevail, the person must prove the defense by a preponderance of the evidence.

(7) A sex offender subject to registration requirements under this section who applies to change his or her name under RCW 4.24.130 or any other law shall submit a copy of the application to the county sheriff of the county of the person's residence and to the state patrol not fewer than five days before the entry of an order granting the name change. No sex offender under the requirement to register under this section at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate law enforcement interests, except that no order shall be denied when the name change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. A sex offender under the requirement to register under this section who receives an order changing his or her name shall submit a copy of the order to the county sheriff of the county of the person's residence and to the state patrol within three business days of the entry of the order.
(8) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a peace officer, including a county sheriff, or law enforcement agency, for failing to release information authorized under this section."

MESSAGE FROM THE SENATE

April 11, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1017 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 36.70A RCW to read as follows:

(1) This chapter does not prohibit a county planning under RCW 36.70A.040 from authorizing the extension of public facilities and utilities to serve a school sited in a rural area that serves students from a rural area and an urban area so long as the following requirements are met:

(a) The applicable school district board of directors has adopted a policy addressing school service area and facility needs and educational program requirements;

(b) The applicable school district has made a finding, with the concurrence of the county legislative authority and the legislative authorities of any affected cities, that the district's proposed site is suitable to site the school and any associated recreational facilities that the district has determined cannot reasonably be collocated on an existing school site, taking into consideration the policy adopted in (a) of this subsection and the extent to which vacant or developable land within the growth area meets those requirements;

(c) The county and any affected cities agree to the extension of public facilities and utilities to serve the school sited in a rural area that serves urban and rural students at the time of concurrence in (b) of this subsection;

(d) If the public facility or utility is extended beyond the urban growth area to serve a school, the public facility or utility must serve only the school and the costs of such extension must be borne by the applicable school district based on a reasonable nexus to the impacts of the school, except as provided in subsection (3) of this section; and

(e) Any impacts associated with the siting of the school are mitigated as required by the state environmental policy act, chapter 43.21C RCW.

(2) This chapter does not prohibit either the expansion or modernization of an existing school in the rural area or the placement of portable classrooms at an existing school in the rural area.

(3) Where a public facility or utility has been extended beyond the urban growth area to serve a school, the public facility or utility may, where consistent
with RCW 36.70A.110(4), serve a property or properties in addition to the school if a property owner so requests, provided that the county and any affected cities agree with the request and provided that the property is located no further from the public facility or utility than the distance that, if the property were within the urban growth area, the property would be required to connect to the public facility or utility. In such an instance, the school district may, for a period not to exceed twenty years, require reimbursement from a requesting property owner for a proportional share of the construction costs incurred by the school district for the extension of the public facility or utilities.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70A RCW to read as follows:

(1) A county may authorize the siting in a rural area of a school that serves students from an urban area, even where otherwise prohibited by a multicounty planning policy, under the following circumstances:

(a) The county has a population of more than eight hundred forty thousand but fewer than one million five hundred thousand and abuts at least six other counties;

(b) The county must have adopted in its comprehensive plan a policy concerning the siting of schools in rural areas;

(c) Any impacts associated with the siting of such a school are mitigated as required by the state environmental policy act, chapter 43.21C RCW; and

(d) The county must be a participant in a multicounty planning policy as described in RCW 36.70A.210.

(2) A multicounty planning policy in which any county referenced in subsection (1) of this section is a participant must be amended, at its next regularly scheduled update, to include a policy that addresses the siting of schools in rural areas of all counties subject to the multicounty planning policy.

(3) A school sited under this section may not collect or impose the impact fees described in RCW 82.02.050.

(4) This section expires June 30, 2031.

NEW SECTION. Sec. 3. A new section is added to chapter 36.70A RCW to read as follows:

In a county that chooses to site schools under section 2 of this act, each school district within the county must participate in the county's periodic updates required by RCW 36.70A.130(1)(b) by:

(1) Coordinating its enrollment forecasts and projections with the county's adopted population projections;

(2) Identifying school siting criteria with the county, cities, and regional transportation planning organizations;

(3) Identifying suitable school sites with the county and cities, with priority to siting urban-serving schools in existing cities and towns in locations where students can safely walk and bicycle to the school from their homes and that can effectively be served with transit; and

(4) Working with the county and cities to identify school costs and funding for the capital facilities plan element required by RCW 36.70A.070(3)."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House concurred in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1017 and advanced the bill as amended by the Senate to final passage.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representatives Fitzgibbon, McCaslin and Klippert spoke in favor of the passage of the bill, as amended by the Senate.

Representative Appleton spoke against the passage of the bill, as amended by the Senate.

COLLOQUY

Representative Fitzgibbon: “Thank you, Mr. Speaker. Will the good gentleman from the fourth district yield to a question? ... Thank you. Is it the intent of this bill that section 2, subsection 1, is not conditioned upon an
amendment to the multicounty planning policies referenced in Section 2, subsection 2, and that Section 2 only applies to counties with specific populations?

Representative McCaslin: “I thank the good gentleman for the question. Yes, it is the intent that section 2, subsection 1, operates independently of section 2, subsection 2, and is not contingent upon an amendment to the multicounty planning policy. Section 2, subsection 2, is a directive to the multicounty planning jurisdiction to modify its plans to include policies addressing the siting of schools in rural areas. Section 2 only applies to counties with a population greater than 840,000 but less than 1.5 million. It does not affect the countywide planning policies, comprehensive plans, or school siting development regulations for counties with populations lesser or greater than the range specified in section 2.”

Representative Fitzgibbon: “Thank you, I appreciate the good gentleman’s clarifying remarks.”

Representative Appleton (again) spoke against the passage of the bill, as amended by the Senate.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 1017, as amended by the Senate.

HOUSE AMENDMENT TO SENATE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL 2023 and asked the Senate to recede therefrom.

With the consent of the House, ENGROSSED SUBSTITUTE HOUSE BILL NO. 2023 was immediately transmitted to the Senate.
Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1504 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that it enacted the rail preservation program because railroads provide benefits to state and local jurisdictions that are valuable to economic development, highway safety, and the environment. The Washington state freight mobility plan includes the goal of supporting rural economies farm-to-market, manufacturing, and resource industry sectors. The plan makes clear that ensuring the availability of rail capacity is vital to meeting the future needs of the Puget Sound region. Rail-served industrial sites are a necessary part of a thriving freight mobility system, and are a key means of assuring that food and goods from rural areas are able to make it to people living in urban areas and international markets. Planned and effective access to railroad services is a pivotal aspect of transportation planning. The legislature affirms that it is in the public interest to allow economic development infrastructure to occur near rail lines as a means to alleviate strains on government infrastructure elsewhere. Therefore, the legislature finds that there is a need for counties and cities to improve their planning under the growth management act to provide much needed infrastructure for freight rail dependent uses adjacent to railroad lines.

Sec. 2. RCW 36.70A.030 and 2012 c 21 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(3) "City" means any city or town, including a code city.

(4) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(5) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas. "Fish and wildlife habitat conservation areas" does not include such artificial features or constructs as irrigation delivery systems, irrigation infrastructure, irrigation canals, or drainage ditches that lie within the boundaries of and are maintained by a port district or an irrigation district or company.

(6) "Department" means the department of commerce.

(7) "Development regulations" or "regulation" means the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in RCW 36.70B.020, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

(8) "Forest land" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forest land is primarily devoted to growing trees for long-term commercial...
timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) the proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forest land to other uses.

(9) “Freight rail dependent uses” means buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of goods where the use is dependent on and makes use of an adjacent short line railroad. Such facilities are both urban and rural development for purposes of this chapter. "Freight rail dependent uses" does not include buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of coal, liquefied natural gas, or "crude oil" as defined in RCW 90.56.010.

(10) “Geologically hazardous areas” means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

(11) “Long-term commercial significance” includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

(12) “Minerals” include gravel, sand, and valuable metallic substances.

(13) “Public facilities” include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

(14) “Public services” include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

(15) “Recreational land” means land so designated under RCW 36.70A.1701 and that, immediately prior to this designation, was designated as agricultural land of long-term commercial significance under RCW 36.70A.170. Recreational land must have playing fields and supporting facilities existing before July 1, 2004, for sports played on grass playing fields.

(16) “Rural character” refers to the patterns of land use and development established by a county in the rural element of its comprehensive plan:

(a) In which open space, the natural landscape, and vegetation predominate over the built environment;

(b) That foster traditional rural lifestyles, rural-based economies, and opportunities to both live and work in rural areas;

(c) That provide visual landscapes that are traditionally found in rural areas and communities;

(d) That are compatible with the use of the land by wildlife and for fish and wildlife habitat;

(e) That reduce the inappropriate conversion of undeveloped land into sprawling, low-density development;

(f) That generally do not require the extension of urban governmental services; and

(g) That are consistent with the protection of natural surface water flows and groundwater and surface water recharge and discharge areas.

(17) “Rural development” refers to development outside the urban growth area and outside agricultural, forest, and mineral resource lands designated pursuant to RCW 36.70A.170. Rural development can consist of a variety of uses and residential densities, including clustered residential development, at levels that are consistent with the preservation of rural character and the requirements of the rural element. Rural development does not refer to agriculture or forestry activities that may be conducted in rural areas.

(18) “Rural governmental services” or “rural services” include those public services and public facilities historically and typically delivered at an intensity usually found in rural areas, and may include domestic
water systems, fire and police protection services, transportation and public transit services, and other public utilities associated with rural development and normally not associated with urban areas. Rural services do not include storm or sanitary sewers, except as otherwise authorized by RCW 36.70A.110(4).

((18))) (19) "Short line railroad" means those railroad lines designated Class II or Class III by the United States Surface Transportation Board.

(20) "Urban governmental services" or "urban services" include those public services and public facilities at an intensity historically and typically provided in cities, specifically including storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with rural areas.

((19))) (21) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources, rural uses, rural development, and natural resource lands designated pursuant to RCW 36.70A.170. A pattern of more intensive rural development, as provided in RCW 36.70A.070(5)(d), is not urban growth. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

((20))) (22) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

((21))) (23) "Wetland" or "wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands.

Sec. 3. RCW 36.70A.060 and 2014 c 147 s 2 are each amended to read as follows:

(1)(a) Each county that is required or chooses to plan under RCW 36.70A.040, and each city within such county, shall adopt development regulations on or before September 1, 1991, to assure the conservation of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption and shall remain in effect until the county or city adopts development regulations pursuant to RCW 36.70A.040. Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner and in accordance with best management practices, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals. Each of the following counties, and each of the cities in such counties, may adopt development regulations to assure that agriculture, forest, and mineral resource lands adjacent to short line railroads may be developed for freight rail dependent uses: Counties located to the east of the crest of the Cascade mountains; and counties located to the west of the crest of the Cascade mountains that have both a population of at least two hundred forty thousand and a border that touches another state. Any development regulations related to the development of agriculture, forest, and mineral resource lands adjacent to short line railroads for freight rail dependent uses must require buffers sufficient to prevent encroachment on or impacts to the adjacent resource lands.

(b) Counties and cities shall require that all plats, short plats, development permits, and building permits issued for development activities on, or within five hundred feet of, lands designated as
agricultural lands, forest lands, or mineral resource lands, contain a notice that the subject property is within or near designated agricultural lands, forest lands, or mineral resource lands on which a variety of commercial activities may occur that are not compatible with residential development for certain periods of limited duration. The notice for mineral resource lands shall also inform that an application might be made for mining-related activities, including mining, extraction, washing, crushing, stockpiling, blasting, transporting, and recycling of minerals.

(c) Each county that adopts a resolution of partial planning under RCW 36.70A.040(2)(b), and each city within such county, shall adopt development regulations within one year after the adoption of the resolution of partial planning to assure the conservation of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection (1)(c) must comply with the requirements governing regulations adopted under (a) of this subsection.

(d)(i) A county that adopts a resolution of partial planning under RCW 36.70A.040(2)(b) and that is not in compliance with the planning requirements of this section, RCW 36.70A.040(4), 36.70A.070(5), 36.70A.170, and 36.70A.172 at the time the resolution is adopted must, by January 30, 2017, apply for a determination of compliance from the department finding that the county’s development regulations, including development regulations adopted to protect critical areas, and comprehensive plans are in compliance with the requirements of this section, RCW 36.70A.040(4), 36.70A.070(5), 36.70A.170, and 36.70A.172. The department must approve or deny the application for a determination of compliance within one hundred twenty days of its receipt or by June 30, 2017, whichever date is earlier.

(ii) If the department denies an application under (d)(i) of this subsection, the county and each city within is obligated to comply with all requirements of this chapter and the resolution for partial planning adopted under RCW 36.70A.040(2)(b) is no longer in effect.

(iii) A petition for review of a determination of compliance under (d)(i) of this subsection may only be appealed to the growth management hearings board within sixty days of the issuance of the decision by the department.

(iv) In the event of a filing of a petition in accordance with (d)(iii) of this subsection, the county and the department must equally share the costs incurred by the department for defending an approval of determination of compliance that is before the growth management hearings board.

(v) The department may implement this subsection ((444))([1])((d)) by adopting rules related to determinations of compliance. The rules may address, but are not limited to: The requirements for applications for a determination of compliance; charging of costs under (d)(iv) of this subsection; procedures for processing applications; criteria for the evaluation of applications; issuance and notice of department decisions; and applicable timelines.

(2) Each county and city shall adopt development regulations that protect critical areas that are required to be designated under RCW 36.70A.170. For counties and cities that are required or choose to plan under RCW 36.70A.040, such development regulations shall be adopted on or before September 1, 1991. For the remainder of the counties and cities, such development regulations shall be adopted on or before March 1, 1992.

(3) Such counties and cities shall review these designations and development regulations when adopting their comprehensive plans under RCW 36.70A.040 and implementing development regulations under RCW 36.70A.120 and may alter such designations and development regulations to insure consistency.

(4) Forest land and agricultural land located within urban growth areas shall not be designated by a county or city as forest land or agricultural land of long-term commercial significance under RCW 36.70A.170 unless the city or county has enacted a program authorizing transfer or purchase of development rights.

(5) The department of commerce is directed to submit a written report to the legislature by November 15th of each even-numbered year, beginning in 2022 and ending in 2032, that describes any job gains, tax impacts, and impacts to resource lands resulting from freight rail dependent uses sited under this chapter.

Sec. 4. RCW 36.70A.070 and 2015 c 241 s 2 are each amended to read as follows:
The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth; (b) includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural densities and uses that are not characterized by
urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas.

Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030((15)) (16). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment,
but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:
(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the ten-year investment program developed by the office of financial management as required by RCW 47.05.030;

(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies;

(vii) Pedestrian and bicycle component to include collaborative efforts to identify and designate planned improvements for pedestrian and bicycle facilities and corridors that address and encourage enhanced community access and promote healthy lifestyles.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6), "concurrent with the development" means that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years. If the collection of impact fees is delayed under RCW 82.02.050(3), the six-year period required by this subsection (6)(b) must begin after full payment of all impact fees is due to the county or city.

(c) The transportation element described in this subsection (6), the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, and the ten-year investment program required by RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. The element shall include: (a) A summary of the local economy such as population, employment, payroll, sectors, businesses, sales, and other information as appropriate; (b) a summary of the strengths and weaknesses of the local economy defined as the commercial and industrial sectors and supporting factors such as land use, transportation, utilities, education, workforce, housing, and natural/cultural resources; and (c) an identification of policies, programs, and projects to foster economic growth and development and to address future needs. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.

(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational demand.

(9) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW 36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.
Sec. 5. RCW 36.70A.108 and 2005 c 328 s 1 are each amended to read as follows:

(1) The transportation element required by RCW 36.70A.070 may include, in addition to improvements or strategies to accommodate the impacts of development authorized under RCW 36.70A.070(6)(b), multimodal transportation improvements or strategies that are made concurrent with the development. These transportation improvements or strategies may include, but are not limited to, measures implementing or evaluating:

(a) Multiple modes of transportation with peak and nonpeak hour capacity performance standards for locally owned transportation facilities; and

(b) Modal performance standards meeting the peak and nonpeak hour capacity performance standards.

(2) The transportation element required by RCW 36.70A.070 may, for each of the following counties, and for each of the cities in such counties, include development of freight rail dependent uses on land adjacent to a short line railroad: Counties located to the east of the crest of the Cascade mountains; and counties located to the west of the crest of the Cascade mountains that have both a population of at least two hundred forty thousand and a border that touches another state. Development regulations may be modified to include development of freight rail dependent uses that do not require urban governmental services in rural lands.

(3) Nothing in this section or RCW 36.70A.070(6)(b) shall be construed as prohibiting a county or city planning under RCW 36.70A.040 from exercising existing authority to develop multimodal improvements or strategies to satisfy the concurrency requirements of this chapter.

(4) Nothing in this section is intended to affect or otherwise modify the authority of jurisdictions planning under RCW 36.70A.040.

On page 1, line 2 of the title, after "regulations;" strike the remainder of the title and insert "amending RCW 36.70A.030, 36.70A.060, 36.70A.070, and 36.70A.108; and creating a new section."

and the same is herewith transmitted.

Hunter Goodman, Secretary
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 79.10 RCW to read as follows:

(1)(a) Subject to the availability of amounts appropriated for this specific purpose, the department shall, to the extent feasible given all applicable trust responsibilities, develop and implement a policy for prioritizing investments on forest health treatments to protect state lands and state forestlands, as those terms are defined in RCW 79.02.010, to:

(i) Reduce wildfire hazards and losses from wildfire; (ii) reduce insect infestation and disease; and (iii) achieve cumulative impact of improved forest health and resilience at a landscape scale.

(b) The prioritization policy in (a) of this subsection must consider whether state lands and state forestlands are within an area that is subject to a forest health hazard warning or order pursuant to RCW 76.06.180.

(2)(a) The department's prioritization of state lands and state forestlands must be based on an evaluation of the economic and noneconomic value of:

(i) Timber or other commercial forest products removed during any mechanical treatments;

(ii) Timber or other commercial forest products likely to be spared from damage by wildfire;

(iii) Homes, structures, agricultural products, and public infrastructure likely to be spared from damage by wildfire;

(iv) Impacts to recreation and tourism; and

(v) Ecosystem services such as water quality, air quality, or carbon sequestration.

(b) The department's evaluation of economic values may rely on heuristic techniques.

(3) The definitions in this subsection apply throughout this section and sections 2 and 3 of this act unless the context clearly requires otherwise.

(a) "Forest health" has the same meaning as defined in RCW 76.06.020."

NEW SECTION. Sec. 2. A new section is added to chapter 79.10 RCW to read as follows:

(1)(a) Subject to the availability of amounts appropriated for this specific purpose, consistent with the prioritization policy developed pursuant to section 1 of this act, and to the extent feasible given all applicable trust responsibilities, the department must identify areas of state lands and state forestlands that would benefit from forest health treatments at the landscape level for the next twenty years, and ones that would benefit the most during the following six years, and prioritize and list specific lands for treatment during the subsequent biennium. The department shall update this list by November 15th of each even-numbered year.

(b) To expedite initial treatments under this act, for the 2017-2019 biennium the department may prioritize and, if funds are appropriated for this purpose, address lands for treatment that are currently identified by the department as pilot treatment projects.

(2) In order to develop a prioritized list that evaluates forest health treatments at a landscape scale, the department should consult with and take into account the land management plans and activities of nearby landowners, if available, including federal agencies, other state agencies, local governments, tribes, and private property owners, in addition to any statewide assessments done by the department. The department may include federally, locally, or privately managed lands on the list. The department may fund treatment on these lands provided that the treatments are funded with nontrust funds, and provided that the treatments produce a net benefit to the health of state lands and state forestlands.

(3) By December 1st of each even-numbered year, the department must submit a report to the legislature consistent with the requirements of RCW 43.01.036, to
the office of financial management, and to the board of natural resources. The report must include:

(a) A brief summary of the department's progress towards treating the state lands and state forestlands included on the preceding biennium's prioritization list;

(b) A list of lands prioritized for forest health treatments in the next biennium, including state lands and state forestlands prioritized for treatment pursuant to subsection (1) of this section;

(c) Recommended funding amounts required to carry out the treatment activities for the next biennium, including a summary of potential nontimber revenue sources that could finance specific forest health treatments pursuant to section 1 of this act, including but not limited to ecosystem services such as water and carbon sequestration as well as insurance and fire mitigation; and

(d) A summary of trends in forest health conditions.

NEW SECTION. Sec. 3. A new section is added to chapter 79.64 RCW to read as follows:

(1) (a) The forest health revolving account is created in the custody of the state treasurer. All receipts from the proceeds of forest health treatment sales as defined in this section and sections 1 and 2 of this act and all legislative transfers, gifts, grants, and federal funds must be deposited into the account. Expenditures from the account may be used only for the payment of costs, including management and administrative costs, incurred on forest health treatments necessary to improve forest health as defined in section 1 of this act. Only the commissioner or the commissioner's designee may authorize expenditures from the account. The board of natural resources has oversight of the account, and the commissioner must periodically report to the board of natural resources as to the status of the account, its disbursement, and receipts. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(b) The forest health revolving account is an interest-bearing account and the interest must be credited to the account.

(2) Beginning calendar year 2018, the fund balance attributable to the receipts from the proceeds of forest health treatment sales is subject to the following:

(a) Any unobligated amounts up to ten million dollars at the end of the calendar year are not subject to disbursements to trust beneficiaries, the resource management account, or the forest development account.

(b) Any unobligated amounts exceeding ten million dollars at the end of the calendar year must be disbursed to the appropriate trust beneficiaries as determined by the board of natural resources and these disbursements are not subject to the deductions for the resource management cost account described in RCW 79.64.040 or the forest development account described in RCW 79.64.110.

(c) If the board of natural resources determines that the department has permanently discontinued using the forest health revolving account for the forest health treatments under sections 1 and 2 of this act, the board must disburse all remaining fund balance attributable to the proceeds of forest health treatment sales to the appropriate trust beneficiaries, and these disbursements are not subject to the deductions for the resource management cost account described in RCW 79.64.040 or the forest development account described in RCW 79.64.110.

(3) (a) Except as provided in (b) and (c) of this subsection, expenditures on state lands and state forestlands for forest health treatments by the department from the forest health revolving account must be consistent with the prioritization policy under section 1 of this act and the prioritization list created under section 2 of this act.

(b) The department is not bound to adhere to the list submitted to the legislature under section 1 of this act in the event that emerging information or changed circumstances support a reprioritization of lands consistent with the policy created under section 1 of this act.

(c) The department is not required to apply the prioritization policy of section 1 of this act where doing so would be incompatible with the conditions of funding provided by the federal government or another organization that is contributing funds to forest health treatments involving the department.
Sec. 4. RCW 43.30.325 and 2003 c 334 s 125 and 2003 c 313 s 9 are each reenacted and amended to read as follows:

1. The department shall deposit daily all moneys and fees collected or received by the commissioner and the department in the discharge of official duties as follows:

(a) The department shall pay moneys received as advance payments, deposits, and security from successful bidders under RCW 79.15.100 and 79.11.150 to the state treasurer for deposit under (b) of this subsection. Moneys received from unsuccessful bidders shall be returned as provided in RCW 79.11.150;

(b) The department shall pay all moneys received on behalf of a trust fund or account to the state treasurer for deposit in the trust fund or account after making the deduction authorized under RCW (79.22.040) 79.64.110, 79.22.050, 79.64.040, and 79.15.520, except as provided in section 3 of this act;

(c) The natural resources deposit fund is hereby created. The state treasurer is the custodian of the fund. All moneys or sums which remain in the custody of the commissioner of public lands awaiting disposition or where the final disposition is not known shall be deposited into the natural resources deposit fund. Disbursement from the fund shall be on the authorization of the commissioner or the commissioner’s designee, without necessity of appropriation;

(d) If it is required by law that the department repay moneys disbursed under (a) and (b) of this subsection the state treasurer shall transfer such moneys, without necessity of appropriation, to the department upon demand by the department from those trusts and accounts originally receiving the moneys.

2. Money shall not be deemed to have been paid to the state upon any sale or lease of land until it has been paid to the state treasurer.

Sec. 5. RCW 79.64.040 and 2015 3rd sp.s. c 4 s 972 are each amended to read as follows:

1. The board shall determine the amount deemed necessary in order to achieve the purposes of this chapter and shall provide by rule for the deduction of this amount from the moneys received from all leases, sales, contracts, licenses, permits, easements, and rights-of-way issued by the department and affecting state lands and aquatic lands, except as provided in section 3 of this act, provided that no deduction shall be made from the proceeds from agricultural college lands.

2. Moneys received as deposits from successful bidders, advance payments, and security under RCW 79.15.100, 79.15.080, and 79.11.150 prior to December 1, 1981, which have not been subjected to deduction under this section are not subject to deduction under this section.

3. Except as otherwise provided in subsection (5) of this section, the deductions authorized under this section shall not exceed twenty-five percent of the moneys received by the department in connection with any one transaction pertaining to state lands and aquatic lands other than second-class tide and shore lands and the beds of navigable waters, and fifty percent of the moneys received by the department pertaining to second-class tide and shore lands and the beds of navigable waters.

4. In the event that the department sells logs using the contract harvesting process described in RCW 79.15.500 through 79.15.530, the moneys received subject to this section are the net proceeds from the contract harvesting sale.

5. During the 2013-2015 fiscal biennium, the twenty-five percent limitation on deductions set in subsection (3) of this section may be increased up to thirty percent by the board. During the 2015-2017 fiscal biennium, the board may increase the twenty-five percent limitation up to thirty-two percent.

Sec. 6. RCW 79.64.110 and 2015 3rd sp.s. c 4 s 973 are each amended to read as follows:

1. Any moneys derived from the lease of state forestlands or from the sale of valuable materials, oils, gases, coal, minerals, or fossils from those lands, except as provided in section 3 of this act, or the appraised value of these resources when transferred to a public agency under RCW 79.22.060, except as provided in RCW 79.22.060(4), must be distributed as follows:

(a) For state forestlands acquired through RCW 79.22.040 or by exchange for lands acquired through RCW 79.22.040:

(i) The expense incurred by the state for administration, reforestation, and
protection, not to exceed twenty-five percent, which rate of percentage shall be determined by the board, must be returned to the forest development account created in RCW 79.64.100. During the 2015-2017 fiscal biennium, the board may increase the twenty-five percent limitation up to twenty-seven percent.

(ii) Any balance remaining must be paid to the county in which the land is located or, for counties participating in a land pool created under RCW 79.22.140, to each participating county proportionate to its contribution of asset value to the land pool as determined by the board. Payments made under this subsection are to be paid, distributed, and prorated, except as otherwise provided in this section, to the various funds in the same manner as general taxes are paid and distributed during the year of payment.

(iii) Any balance remaining, paid to a county with a population of less than sixteen thousand, must first be applied to the reduction of any indebtedness existing in the current expense fund of the county during the year of payment.

(iv) With regard to moneys remaining under this subsection (1)(a), within seven working days of receipt of these moneys, the department shall certify to the state treasurer the amounts to be distributed to the counties. The state treasurer shall distribute funds to the counties four times per month, with no more than ten days between each payment date.

(b) For state forestlands acquired through RCW 79.22.010 or by exchange for lands acquired through RCW 79.22.010, except as provided in RCW 79.64.120:

(i) Fifty percent shall be placed in the forest development account.

(ii) Fifty percent shall be prorated and distributed to the state general fund, to be dedicated for the benefit of the public schools, to the county in which the land is located or, for counties participating in a land pool created under RCW 79.22.140, to each participating county proportionate to its contribution of asset value to the land pool as determined by the board, and according to the relative proportions of tax levies of all taxing districts in the county. The portion to be distributed to the state general fund shall be based on the regular school levy rate under RCW 84.52.065 and the levy rate for any maintenance and operation special school levies. With regard to the portion to be distributed to the counties, the department shall certify to the state treasurer the amounts to be distributed within seven working days of receipt of the money. The state treasurer shall distribute funds to the counties four times per month, with no more than ten days between each payment date. The money distributed to the county must be paid, distributed, and prorated to the various other funds in the same manner as general taxes are paid and distributed during the year of payment.

(2) A school district may transfer amounts deposited in its debt service fund pursuant to this section into its capital projects fund as authorized in RCW 28A.320.330.

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Broadband internet access service" or "BIAS" means a mass market retail service by wire or radio that provides the capability to transmit data to and receive data from all or substantially all internet endpoints, including any capabilities that are incidental to and
enable the operation of the communications service, but excluding dial-up internet access service. This term also encompasses any service that the Federal Communications Commission finds to be providing a functional equivalent of the service described in this subsection.

(2) "Broadband internet access service provider" or "BIAS provider" means a person engaged in the provision of BIAS.

(3) "Customer" means: (a) A current or former subscriber to a BIAS; or (b) an applicant for a BIAS.

(4) "Customer proprietary information" means any of the following a BIAS provider acquires in connection with its provision of BIAS:
   (a) Content of communication;
   (b) Call detail information;
   (c) Financial information;
   (d) Health information;
   (e) Information pertaining to children;
   (f) Social security numbers;
   (g) Precise geolocation information;
   (h) Web browsing history, application usage history, and the functional equivalents of either; and
   (i) Other personally identifiable information, which consists of any information that is linked or reasonably linkable to an individual or device.

(5) "Opt-in approval" means affirmative, express customer consent to an activity under section 2 of this act, after the customer is provided appropriate notification.

NEW SECTION. Sec. 2. (1) Except with the opt-in approval of the customer, a BIAS provider may not:
   (a) Sell or transfer customer proprietary information; or
   (b) Send or display to a customer an advertisement selected to be sent or displayed based on the customer's proprietary information.

(2) A BIAS provider must solicit the approval required under subsection (1) of this section at the point of sale. A BIAS provider must obtain new approval for any changes in the actions described in subsection (1) of this section, if those changes are inconsistent with the terms or conditions provided at the time of prior customer approval.

(3) A BIAS provider must provide access to a mechanism that is reasonably designed to be readily available and understandable for a customer to grant, deny, or withdraw approval for the BIAS provider to take any of the actions described in subsection (1) of this section. The exact notice and mechanism to obtain opt-in approval or to deny or withdraw that approval is context dependent.

(4) For the purposes of this section, "transfer" does not include the use or disclosure of customer proprietary information for the provision of internet access service from which such information is derived or the provision of services necessary to, or used in, the provision of such services.

(5) Subsection (1)(a) of this section does not apply to the sale or transfer of customer proprietary information as part of any merger, acquisition, sale of company assets, or transition of service to another provider.

NEW SECTION. Sec. 3. (1) A BIAS provider must not condition, or effectively condition, provision of BIAS on a customer's agreement to waive privacy rights guaranteed by law or rule, including this chapter. A BIAS provider must not terminate service or otherwise refuse to provide BIAS as a direct or indirect consequence of a customer's refusal to waive any such privacy rights.

(2) A BIAS provider that offers a financial incentive in exchange for any customer approvals described in section 2(1) of this act must provide the customer with the terms and conditions of the use of the customer proprietary information, including the type of information sought, the purposes of its use, and the categories of entities to which the information may be disclosed.

(3) For any customer that has agreed to participate in a financial incentive program as described in subsection (2) of this section, a BIAS provider must provide access to a mechanism for customers to withdraw participation from such a program at any time.

NEW SECTION. Sec. 4. The utilities and transportation commission is authorized to adopt rules, consistent with the purposes of this chapter, that do either or both of the following:
Further define the definitions in section 1 of this act; and

Prescribe appropriate notice and the form of such a notice to be provided to customers under sections 2 and 3 of this act.

NEW SECTION. Sec. 5. The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 6. The consumer privacy and security account is created in the state treasury. All receipts from recoveries by the office of the attorney general for lawsuits related to the consumer protection act under the provisions of this chapter, or otherwise designated to this account, must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for costs incurred by the office of the attorney general in the administration and enforcement of this chapter.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act expire upon determination by the utilities and transportation commission that the federal government has established BIAS customer protections standards substantially equivalent to the levels of protection provided in this chapter. The utilities and transportation commission must provide notice of the expiration date of sections 1 through 6 of this act to affected parties, the chief clerk of the House of Representatives, the secretary of the Senate, the office of the code reviser, and others as deemed appropriate by the utilities and transportation commission.

SECOND READING

HOUSE BILL NO. 1309, by Representatives Steele, Chapman, Kretz and Condotta

Concerning removal of land from the current use property tax classification due to certain natural disasters.
The bill was read the second time.

Representative Steele moved the adoption of the striking amendment (277):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) This section is the tax preference performance statement for the tax preference contained in section 4(15), chapter . . . , Laws of 2017 (section 4(15) of this act). This preference statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to provide tax relief as indicated in RCW 82.32.808(2)(e), to grant land removed from the designated forestland due to natural disaster an exemption from compensating tax.

(3) The joint legislative audit and review committee must review the revenue impact attributable to the tax exemption in section 4(15), chapter . . . , Laws of 2017 (section 4(15) of this act), by county and statewide. In order to obtain the data necessary to perform the review, the joint legislative audit and review committee may refer to data sources including county assessor records and information from the department of revenue.

NEW SECTION. Sec. 2. (1) The legislature intends section 3 of this act to clarify that land removed from the current use classification due to wildfire, rather than by virtue of an act of the landowner changing the use of the property, is not subject to additional tax, applicable interest, and penalty, as provided in RCW 84.34.108(6)(c). The section clarifies an ambiguity in current law and therefore is exempt from the provisions of RCW 82.32.805.

(2) The automatic expiration date provisions of RCW 82.32.805(1)(a) do not apply to section 3 of this act.

Sec. 3. RCW 84.34.108 and 2014 c 97 s 311 and 2014 c 58 s 28 are each reenacted and amended to read as follows:

(1) When land has once been classified under this chapter, a notation of the classification must be made each year upon the assessment and tax rolls and the land must be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of the classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of the classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner or transfer by a transfer on death deed does not, by itself, result in removal of classification. The notice of continuance must be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes, applicable interest, and penalty calculated pursuant to subsection (4) of this section become due and payable by the seller or transferor at time of sale. The auditor may not accept an instrument of conveyance regarding classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax, applicable interest, and penalty has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d)(i) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of the land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.
(ii) The granting authority, upon request of an assessor, must provide reasonable assistance to the assessor in making a determination whether the land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance must be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:

(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after the removal of all or a portion of the land from current use classification under subsection (1) of this section, the assessor must notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038. The removal notice must explain the steps needed to appeal the removal decision, including when a notice of appeal must be filed, where the forms may be obtained, and how to contact the county board of equalization.

(4) Unless the removal is reversed on appeal, the assessor must revalue the affected land with reference to its true and fair value on January 1st of the year of removal from classification. Both the assessed valuation before and after the removal of classification must be listed and taxes must be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty must be imposed, which are due and payable to the treasurer thirty days after the owner is notified of the amount of the additional tax, applicable interest, and penalty. As soon as possible, the assessor must compute the amount of additional tax, applicable interest, and penalty and the treasurer must mail notice to the owner of the amount thereof and the date on which payment is due. The amount of the additional tax, applicable interest, and penalty must be determined as follows:

(a) The amount of additional tax is equal to the difference between the property tax paid as "open space land," "farm and agricultural land," or "timberland" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest is equal to the interest upon the amounts of the additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty must be as provided in RCW 84.34.080. The penalty may not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty become a lien on the land that attaches at the time the land is removed from classification under this chapter and have priority to and must be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. This lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any additional tax unpaid on the due date ((are [is])) is delinquent as of the due date. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent ad valorem property taxes.

(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section may not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, wildfire, or other such calamity rather than by virtue of the
act of the landowner changing the use of the property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of the land;

(e) Transfer of land to a church when the land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections. At such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section must be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(f);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(j) The creation, sale, or transfer of a conservation easement of private forestlands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(k) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forestland, designated as forestland under chapter 84.33 RCW, or classified under this chapter continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (6)(k); or

(l)(i) The discovery that the land was classified under this chapter in error through no fault of the owner. For purposes of this subsection (6)(l), "fault" means a knowingly false or misleading statement, or other act or omission not in good faith, that contributed to the approval of classification under this chapter or the failure of the assessor to remove the land from classification under this chapter.

(ii) For purposes of this subsection (6), the discovery that land was classified under this chapter in error through no fault of the owner is not the sole reason for removal of classification pursuant to subsection (1) of this section if an independent basis for removal exists. Examples of an independent basis for removal include the owner changing the use of the land or failing to meet any applicable income criteria required for classification under this chapter.

Sec. 4. RCW 84.33.140 and 2014 c 137 s 3, 2014 c 97 s 309, and 2014 c 58 s 27 are each reenacted and amended to read as follows:

(1) When land has been designated as forestland under RCW 84.33.130, a notation of the designation must be made each year upon the assessment and tax rolls. A copy of the notice of approval together with the legal description or assessor’s parcel numbers for the land must, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded.

(2) In preparing the assessment roll as of January 1, 2002, for taxes payable in 2003 and each January 1st thereafter, the assessor must list each parcel of designated forestland at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (3) of this section. The assessor must compute the assessed value of the land using the same assessment ratio applied generally in computing the assessed value of other property in the county. Values for the several grades of bare forestland are as follows:

(3) On or before December 31, 2001, the department must adjust by rule under chapter 34.05 RCW, the forestland values contained in subsection (2) of this section in accordance with this subsection, and must certify the adjusted values to the assessor who will use these values in preparing the assessment roll as of January 1, 2002. For the adjustment to be made on or before December 31, 2001, for use in the 2002 assessment year, the department must:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1996, and June 30, 2001, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1995, and June 30, 2000, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(c) Adjust the forestland values contained in subsection (2) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

(4) For the adjustments to be made on or before December 31, 2002, and each succeeding year thereafter, the same procedure described in subsection (3) of this section must be followed using harvester excise tax returns filed under RCW 84.33.074. However, this adjustment must be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values must be successively one year more recent.

(5) Land graded, assessed, and valued as forestland must continue to be so graded, assessed, and valued until removal of designation by the assessor upon the occurrence of any of the following:

(a) Receipt of notice of request to withdraw land classified under RCW 84.34.020(3) within two years before the date of the merger under RCW 84.34.400. Land previously classified under chapter 84.34 RCW will be removed under the provisions of this chapter when two assessment years have passed following receipt of the notice as described in RCW 84.34.070(1);

(b) Receipt of notice from the owner to remove the designation;

(c) Sale or transfer to an ownership making the land exempt from ad valorem taxation;

(d) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of forestland designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner or transfer by a transfer on death deed, does not, by itself, result in removal of designation. The signed notice of continuance must be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance must be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated under subsection (11) of this section are due and payable by the seller or transferor at time of sale. The auditor may not accept an instrument of conveyance regarding designated forestland for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer.
The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (11) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(e) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:

(i) The land is no longer primarily devoted to and used for growing and harvesting timber. However, land may not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (13) or (14) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in the designated forestland by means of a transaction that qualifies for an exemption under subsection (13) or (14) of this section. The governmental agency, organization, or recipient must annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated forestland by means of a transaction that qualifies for an exemption under subsection (13) or (14) of this section. The governmental agency, organization, or recipient must annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control, and forest debris provisions of Title 76 RCW or any applicable rules under Title 76 RCW; or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.

(6) Land may not be removed from designation if there is a governmental restriction that prohibits, in whole or in part, the owner from harvesting timber from the owner's designated forestland. If only a portion of the parcel is impacted by governmental restrictions of this nature, the restrictions cannot be used as a basis to remove the remainder of the forestland from designation under this chapter. For the purposes of this section, "governmental restrictions" includes: (a) Any law, regulation, rule, ordinance, program, or other action adopted or taken by a federal, state, county, city, or other governmental entity; or (b) the land's zoning or its presence within an urban growth area designated under RCW 36.70A.110.

(7) The assessor has the option of requiring an owner of forestland to file a timber management plan with the assessor upon the occurrence of one of the following:

(a) An application for designation as forestland is submitted;

(b) Designated forestland is sold or transferred and a notice of continuance, described in subsection (5)(d) of this section, is signed; or

(c) The assessor has reason to believe that forestland sized less than twenty acres is no longer primarily devoted to and used for growing and harvesting timber. The assessor may require a timber management plan to assist with determining continuing eligibility as designated forestland.

(8) If land is removed from designation because of any of the circumstances listed in subsection (5)(a) through (d) of this section, the removal applies only to the land affected. If land is removed from designation because of subsection (5)(e) of this section, the removal applies only to the actual area of land that is no longer primarily devoted to the growing and harvesting of timber, without regard to any other land that may have been included in the application and approved for designation, as long as the remaining designated forestland meets the definition of forestland contained in RCW 84.33.035.

(9) Within thirty days after the removal of designation as forestland, the assessor must notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(10) Unless the removal is reversed on appeal a copy of the notice of removal with a notation of the action, if any, upon appeal, together with the legal description or assessor's parcel numbers for the land removed from designation must, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded and a notation of removal from designation must immediately be made upon the assessment and tax rolls.
The assessor must revalue the land to be removed with reference to its true and fair value as of January 1st of the year of removal from designation. Both the assessed value before and after the removal of designation must be listed. Taxes based on the value of the land as forestland are assessed and payable up until the date of removal and taxes based on the true and fair value of the land are assessed and payable from the date of removal from designation.

(11) Except as provided in subsection (5)(d), (13), or (14) otherwise in this section, a compensating tax is imposed on land removed from designation as forestland. The compensating tax is due and payable to the treasurer thirty days after the owner is notified of the amount of this tax. As soon as possible after the land is removed from designation, the assessor must compute the amount of compensating tax, and the treasurer must mail a notice to the owner of the amount of compensating tax owed and the date on which payment of this tax is due. The amount of compensating tax is equal to the difference between the amount of tax last levied on the land as designated forestland and an amount equal to the new assessed value of the land multiplied by the dollar rate of the last levy extended against the land, multiplied by a number, in no event greater than nine, equal to the number of years for which the land was designated as forestland, plus compensating taxes on the land at forestland values up until the date of removal and taxes pro rata at true and fair value from the date of removal to the end of the current tax year.

(12) Compensating tax, together with applicable interest thereon, becomes a lien on the land, which attaches at the time the land is removed from designation as forestland and has priority and must be fully paid and satisfied before any recognizing, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date will thereupon become delinquent. From the date of delinquency until paid, interest is charged at the same rate applied by law to delinquent ad valorem property taxes.

(13) The compensating tax specified in subsection (11) of this section may not be imposed if the removal of designation under subsection (5) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forestland located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) a sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power based on official action taken by the entity and confirmed in writing;

(c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW or approved for state natural resources conservation area purposes as defined in chapter 79.71 RCW, or for acquisition and management as a community forest trust as defined in chapter 79.155 RCW. At such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (11) of this section is imposed upon the current owner;

(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of the land;

(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(g) The creation, sale, or transfer of a conservation easement of private forestlands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(h) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the
land if the land has been assessed and valued as classified forestland, designated as forestland under this chapter, or classified under chapter 84.34 RCW continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (13)(h); or

(i) The discovery that the land was designated under this chapter in error through no fault of the owner. For purposes of this subsection (13)(i), "fault" means a knowingly false or misleading statement, or other act or omission not in good faith, that contributed to the approval of designation under this chapter or the failure of the assessor to remove the land from designation under this chapter.

(ii) For purposes of this subsection (13), the discovery that land was designated under this chapter in error through no fault of the owner is not the sole reason for removal of designation under subsection (5) of this section if an independent basis for removal exists. An example of an independent basis for removal includes the land no longer being devoted to and used for growing and harvesting timber.

(14) In a county with a population of more than six hundred thousand inhabitants or in a county with a population of at least two hundred forty-five thousand inhabitants that borders Puget Sound as defined in RCW 90.71.010, the compensating tax specified in subsection (11) of this section may not be imposed if the removal of designation as forestland under subsection (5) of this section resulted solely from:

(a) An action described in subsection (13) of this section; or

(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax is imposed upon the current owner.

(15) Compensating tax authorized in this section may not be imposed on land removed from designation as forestland solely as a result of a natural disaster such as a flood, windstorm, earthquake, wildfire, or other such calamity rather than by virtue of the act of the landowner changing the use of the property.

MESSAGE FROM THE SENATE

April 19, 2017

MR. SPEAKER:

The Senate receded from its amendment(s) to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1427, and under suspension of the rules returned ESHB 1427 to second reading for purpose of amendment(s). The Senate further adopted amendment 1427-S.E AMS BECK S2711.2 and passed the measure as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in 2015 an average of two
Washington residents died per day in this state from opioid overdose and that opioid overdose deaths have more than doubled between 2010 and 2015.

The legislature further finds that medically prescribed opioids intended to treat pain have contributed to the opioid epidemic and although Washington has done much to address the prescribing and tracking of opioid prescriptions, more needs to be done to ensure proper prescribing and use of opioids and access to treatment. This includes allowing local health officers to access the prescription monitoring program in order to provide patient follow-up and care coordination, including directing care to opioid treatment programs in the area as appropriate to the patient following an overdose event.

The legislature intends to streamline its already comprehensive system of tracking and treating opioid abuse by: Reducing barriers to the siting of opioid treatment programs; ensuring ease of access for prescribers, including those prescribers who provide services in opioid treatment programs, to the prescription monitoring program; allowing facilities and practitioners to use the information received under the prescription monitoring program for the purpose of providing individual prescriber quality improvement feedback; and requiring the boards and commissions of the health care professions with prescriptive authority to adopt rules establishing requirements for prescribing opioid drugs with the goal of reducing the number of people who inadvertently become addicted to opioids and, consequently, reducing the burden on opioid treatment programs.

NEW SECTION. Sec. 2. A new section is added to chapter 18.22 RCW to read as follows:

(1) By January 1, 2019, the board must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(2) In developing the rules, the board must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of osteopathic physicians and surgeons in the state.

NEW SECTION. Sec. 3. A new section is added to chapter 18.32 RCW to read as follows:

(1) By January 1, 2019, the commission must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(2) In developing the rules, the commission must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of dentists in the state.

NEW SECTION. Sec. 4. A new section is added to chapter 18.57 RCW to read as follows:

(2) In developing the rules, the board must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of osteopathic physician assistants in the state.

NEW SECTION. Sec. 6. A new section is added to chapter 18.71 RCW to read as follows:

NEW SECTION. Sec. 10. A new section is added to chapter 70.225 RCW to read as follows:

Beginning November 15, 2017, the department shall annually report to the governor and the appropriate committees of the legislature on the number of facilities, entities, or provider groups identified in RCW 70.225.040(3) (l) and (m) that have integrated their federally certified electronic health records with the prescription monitoring program utilizing the state health information exchange.

Sec. 11. RCW 71.24.580 and 2016 sp.s. c 29 s 519 are each amended to read as follows:

(1) All approved ((opiate substitution)) opioid treatment programs that provide services to women who are pregnant are required to disseminate up-to-date and accurate health education information to all their pregnant clients concerning the possible addiction and health risks that their ((opiate substitution)) treatment may have on their baby. All pregnant clients must also be advised of the risks to both them and their baby associated with not remaining on the ((opiate substitution)) opioid treatment program. The information must be provided to these clients both verbally and in writing. The health education information provided to the pregnant clients must include referral options for the ((addicted)) substance-exposed baby.

(2) The department shall adopt rules that require all ((opiate)) opioid treatment programs to educate all pregnant women in their program on the benefits and risks of ((methadone)) medication-assisted treatment to their fetus before they are provided these medications, as part of their ((addiction)) treatment. The department shall meet the requirements under this subsection within the appropriations provided for ((opiate)) opioid treatment programs. The department, working with treatment providers and medical experts, shall develop and disseminate the educational materials to all certified ((opiate)) opioid treatment programs.

Sec. 12. RCW 71.24.580 and 2016 sp.s. c 29 s 519 are each amended to read as follows:

The state of Washington declares that there is no fundamental right to ((opiate substitution)) medication-assisted treatment for opioid use disorder. The state of Washington further declares that ((opiate substitution drugs)) medications used in the treatment of ((opiate dependency)) opioid use disorder are addictive substances, that they nevertheless have several legal, important, and justified uses and that one of their appropriate and legal uses is, in conjunction with other required therapeutic procedures, in the treatment of persons ((addicted to or habituated to opioids)) with opioid use disorder. The state of Washington recognizes as evidence-based for the management of opioid use disorder the medications approved by the federal food and drug administration for the treatment of opioid use disorder. ((Opiate substitution)) Medication-assisted treatment should only be used for participants who are deemed appropriate to need this level of intervention ((and should not be the first treatment intervention for all opiate addicts)). Providers must inform patients of all treatment options available. The provider and the patient shall consider alternative treatment options, like abstinence, when developing the treatment plan. If medications are prescribed,
follow up must be included in the treatment plan in order to work towards the goal of abstinence.

Because (opiate substitution drugs, used in the treatment of opiate dependency are addictive and are listed as a schedule II) some such medications are controlled substances in chapter 69.50 RCW, the state of Washington (maintains) maintains the legal obligation and right to regulate the (use of opiate substitution treatment). The state of Washington declares its authority to control and regulate carefully, in consultation with counties and cities, all clinical uses of opiate substitution drugs used in the treatment of opiate addiction (clinical uses of these medications in the treatment of opioid use disorder).

Further, the state declares that the (primary) main goal of opiate substitution treatment is total abstinence from substance use for the individuals who participate in the treatment program, but recognizes the additional goals of reduced morbidity, and restoration of the ability to lead a productive and fulfilling life.
The state recognizes that a small percentage of persons who participate in (opiate substitution) opioid treatment programs require treatment for an extended period of time. (Opiate substitution) Opioid treatment programs shall provide a comprehensive transition program to eliminate substance use, including (opiate and opiate substitute addiction) opioid use of program participants.

NEW SECTION. Sec. 13. A new section is added to chapter 71.24 RCW to read as follows:

The state declares that a person lawfully possessing or using lawfully prescribed medication for the treatment of opioid use disorder must be treated the same in judicial and administrative proceedings as a person lawfully possessing or using other lawfully prescribed medications.

Sec. 14. RCW 71.24.590 and 2001 c 242 s 2 are each amended to read as follows:

The department shall prioritize certification to applicants who have demonstrated such capability and are able
to measure their success in meeting such outcomes;

(h) Hold (at least) one public hearing in the (county) community in which the facility is proposed to be located (and one hearing in the area in which the facility is proposed to be located). (g) Consider whether the applicant has, or has demonstrated in the past, the capability to provide the appropriate services to assist the persons who utilize the program in meeting goals established by the legislature (including abstinence from opiates and opiate substitutes, obtaining mental health treatment, improving economic independence, and reducing adverse consequences associated with illegal use of controlled substances) in RCW 71.24.585. By December 1, 2021, the public records exemptions accountability committee, in addition to its duties in RCW 42.56.140, must prepare and submit a report to the legislature that includes recommendations on whether the exemptions created in section 1, chapter 42.56.140, Laws of 2017 (section 1 of this act) to provide protections of personal information during the period the state establishes and implements new policies regarding wolf management. The committee must consider whether the development of wolf management policy, by the time of the report, has diminished risks of threats to personal safety so that the protection of personal information in section 1, chapter . . ., Laws of 2017 (section 1 of this act) is no longer an ongoing necessity.

NEW SECTION. Sec. 4. This act expires June 30, 2022."

(e) The staff member must also be informed whether the offender or detained person had any other communicable disease, as defined in RCW 72.09.251(3), when the staff person was substantially exposed to the offender's or detainee's bodily fluids.

(f) The test results of voluntary and anonymous HIV testing or HIV-related condition, as defined in RCW 70.24.017, may not be disclosed to a staff person except as provided in this section and RCW 70.02.050(1)(d) and 70.24.340(4). MESSAGE FROM THE SENATE

April 19, 2017

MR. SPEAKER:

The Senate receded from its amendment(s) to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1714, and under suspension of the rules returned ESHB 1714 to second reading for purpose of amendment(s). The Senate further adopted amendment 1714-S.E AMS RIVE S2706.1 and passed the measure as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Research demonstrates that registered nurses play a critical role in improving patient safety and quality of care;

(2) Appropriate staffing of hospital personnel including registered nurses available for patient care assists in reducing errors, complications, and adverse patient care events and can improve staff safety and satisfaction and reduce incidences of workplace injuries;

(3) Health care professional, technical, and support staff comprise vital components of the patient care team, bringing their particular skills and services to ensuring quality patient care;

(4) Assuring sufficient staffing of hospital personnel, including registered nurses, is an urgent public policy priority in order to protect patients and support greater retention of registered nurses and safer working conditions; and

(5) Steps should be taken to promote evidence-based nurse staffing and increase transparency of health care data and decision making based on the data.

Sec. 2. RCW 70.41.420 and 2008 c 47 s 3 are each amended to read as follows:

(1) By September 1, 2008, each hospital shall establish a nurse staffing committee, either by creating a new committee or assigning the functions of a nurse staffing committee to an existing committee. At least one-half of the members of the nurse staffing committee shall be registered nurses currently providing direct patient care and up to one-half of the members shall be determined by the hospital administration. The selection of the registered nurses providing direct patient care shall be according to the collective bargaining agreement if there is one in effect at the hospital. If there is no applicable collective bargaining agreement, the members of the nurse staffing committee who are registered nurses providing direct patient care shall be selected by their peers.

(2) Participation in the nurse staffing committee by a hospital employee shall be on scheduled work time and compensated at the appropriate rate of pay. Nurse staffing committee members shall be relieved of all other work duties during meetings of the committee.

(3) Primary responsibilities of the nurse staffing committee shall include:

(a) Development and oversight of an annual patient care unit and shift-based nurse staffing plan, based on the needs of patients, to be used as the primary component of the staffing budget. Factors to be considered in the development of the plan should include, but are not limited to:

(i) Census, including total numbers of patients on the unit on each shift and activity such as patient discharges, admissions, and transfers;

(ii) Level of intensity of all patients and nature of the care to be delivered on each shift;

(iii) Skill mix;

(iv) Level of experience and specialty certification or training of nursing personnel providing care;

(v) The need for specialized or intensive equipment;
(vi) The architecture and geography of the patient care unit, including but not limited to placement of patient rooms, treatment areas, nursing stations, medication preparation areas, and equipment; (\textit{vii}) Staffing guidelines adopted or published by national nursing professional associations, specialty nursing organizations, and other health professional organizations;

(viii) Availability of other personnel supporting nursing services on the unit; and

(ix) Strategies to enable registered nurses to take meal and rest breaks as required by law or the terms of an applicable collective bargaining agreement, if any, between the hospital and a representative of the nursing staff;

(b) Semiannual review of the staffing plan against patient need and known evidence-based staffing information, including the nursing sensitive quality indicators collected by the hospital;

(c) Review, assessment, and response to staffing variations or concerns presented to the committee.

(4) In addition to the factors listed in subsection (3)(a) of this section, hospital finances and resources (may) must be taken into account in the development of the nurse staffing plan.

(5) The staffing plan must not diminish other standards contained in state or federal law and rules, or the terms of an applicable collective bargaining agreement, if any, between the hospital and a representative of the nursing staff.

(6) The committee will produce the hospital's annual nurse staffing plan. If this staffing plan is not adopted by the hospital, the chief executive officer shall provide a written explanation of the reasons why the plan was not adopted to the committee. The chief executive officer must then either: (a) identify those elements of the proposed plan being changed prior to adoption of the plan by the hospital or (b) prepare an alternate annual staffing plan that must be adopted by the hospital. Beginning January 1, 2019, each hospital shall submit its staffing plan to the department and thereafter on an annual basis and at any time in between that the plan is updated.

(7) Beginning January 1, 2019, each hospital shall implement the staffing plan and assign nursing personnel to each patient care unit in accordance with the plan.

(a) A registered nurse may report to the staffing committee any variations where the nurse personnel assignment in a patient care unit is not in accordance with the adopted staffing plan and may make a complaint to the committee based on the variations.

(b) Shift-to-shift adjustments in staffing levels required by the plan may be made by the appropriate hospital personnel overseeing patient care operations. If a registered nurse on a patient care unit objects to a shift-to-shift adjustment, the registered nurse may submit the complaint to the staffing committee.

(c) Staffing committees shall develop a process to examine and respond to data submitted under (a) and (b) of this subsection, including the ability to determine if a specific complaint is resolved or dismissing a complaint based on unsubstantiated data.

(8) Each hospital shall post, in a public area on each patient care unit, the nurse staffing plan and the nurse staffing schedule for that shift on that unit, as well as the relevant clinical staffing for that shift. The staffing plan and current staffing levels must also be made available to patients and visitors upon request.

((8)) (9) A hospital may not retaliate against or engage in any form of intimidation of:

(a) An employee for performing any duties or responsibilities in connection with the nurse staffing committee; or

(b) An employee, patient, or other individual who notifies the nurse staffing committee or the hospital administration of his or her concerns on nurse staffing.

((9)) (10) This section is not intended to create unreasonable burdens on critical access hospitals under 42 U.S.C. Sec. 1395i-4. Critical access hospitals may develop flexible approaches to accomplish the requirements of this section that may include but are not limited to having nurse staffing committees work by telephone or (electronic mail) email.

NEW SECTION. Sec. 3. A new section is added to chapter 70.41 RCW to read as follows:
(1)(a) The department shall investigate a complaint submitted under this section for violation of RCW 70.41.420 following receipt of a complaint with documented evidence of failure to:

(i) Form or establish a staffing committee;

(ii) Conduct a semiannual review of a nurse staffing plan;

(iii) Submit a nurse staffing plan on an annual basis and any updates; or

(iv)(A) Follow the nursing personnel assignments in a patient care unit in violation of RCW 70.41.420(7)(a) or shift-to-shift adjustments in staffing levels in violation of RCW 70.41.420(7)(b).

(B) The department may only investigate a complaint under this subsection (1)(a)(iv) after making an assessment that the submitted evidence indicates a continuing pattern of unresolved violations of RCW 70.41.420(7)(a) or (b), that were submitted to the nurse staffing committee excluding complaints determined by the nurse staffing committee to be resolved or dismissed. The submitted evidence must include the aggregate data contained in the complaints submitted to the hospital’s nurse staffing committee that indicate a continuing pattern of unresolved violations for a minimum sixty-day continuous period leading up to receipt of the complaint by the department.

(C) The department may not investigate a complaint under this subsection (1)(a)(iv) in the event of unforeseeable emergency circumstances or if the hospital, after consultation with the nurse staffing committee, documents it has made reasonable efforts to obtain staffing to meet required assignments but has been unable to do so.

(b) After an investigation conducted under (a) of this subsection, if the department determines that there has been a violation, the department shall require the hospital to submit a corrective plan of action within forty-five days of the presentation of findings from the department to the hospital.

(2) In the event that a hospital fails to submit or submits but fails to follow such a corrective plan of action in response to a violation or violations found by the department based on a complaint filed pursuant to subsection (1) of this section, the department may impose, for all violations asserted against a hospital at any time, a civil penalty of one hundred dollars per day until the hospital submits or begins to follow a corrective plan of action or takes other action agreed to by the department.

(3) The department shall maintain for public inspection records of any civil penalties, administrative actions, or license suspensions or revocations imposed on hospitals under this section.

(4) For purposes of this section, "unforeseeable emergency circumstance" means:

(a) Any unforeseen national, state, or municipal emergency;

(b) When a hospital disaster plan is activated;

(c) Any unforeseen disaster or other catastrophic event that substantially affects or increases the need for health care services; or

(d) When a hospital is diverting patients to another hospital or hospitals for treatment or the hospital is receiving patients who are from another hospital or hospitals.

(5) Nothing in this section shall be construed to preclude the ability to otherwise submit a complaint to the department for failure to follow RCW 70.41.420.

(6) The department shall submit a report to the legislature on December 31, 2020. This report shall include the number of complaints submitted to the department under this section, the disposition of these complaints, the number of investigations conducted, the associated costs for complaint investigations, and recommendations for any needed statutory changes. The department shall also project, based on experience, the impact, if any, on hospital licensing fees over the next four years. Prior to the submission of the report, the secretary shall convene a stakeholder group consisting of the Washington state hospital association, the Washington state nurses association, service employees international union healthcare 1199NW, and united food and commercial workers 21. The stakeholder group shall review the report prior to its submission to review findings and jointly develop any legislative recommendations to be included in the report.
(7) No fees shall be increased to implement this act prior to July 1, 2021.

NEW SECTION. Sec. 4. This act expires June 1, 2023.

NEW SECTION. Sec. 5. This act may be known and cited as the Washington state patient safety act.

On page 1, line 1 of the title, after "hospitals;" strike the remainder of the title and insert "amending RCW 70.41.420; adding a new section to chapter 70.41 RCW; creating new sections; prescribing penalties; and providing an expiration date."

(2) A petition under this section must be filed within ten calendar days following the designated mental health professional investigation or the request for a designated mental health professional investigation. If more than ten days have elapsed, the immediate family member, guardian, or conservator may request a new designated mental health professional investigation.

(3)(a) The petition must be filed in the county in which the designated mental health professional investigation occurred or was requested to occur and must be submitted on forms developed by the administrative office of the courts for this purpose. If the court so finds, it shall provide a copy of the petition to the designated crisis responder agency with an order for the agency to provide the court, within one judicial day, with a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated crisis responder's current decision.

(5) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

(6) The court shall dismiss the petition at any time if it finds that a designated crisis responder has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.

(7) The court shall issue a final ruling on the petition within fifteen judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention if the court finds that: (a) There is probable cause to support a petition for detention; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(8) If the court enters an order for initial detention, it shall provide the order to the designated crisis responder agency((, which shall execute the order without delay)) and issue a written order for apprehension of the person by a peace officer for delivery of the person to a facility or emergency room determined by the designated crisis responder. The designated crisis responder agency serving the jurisdiction of the court must collaborate and coordinate with law enforcement regarding apprehensions and detentions under this subsection, including sharing of information relating to risk and which would assist in locating the person. A person may not be detained to jail pursuant to a written order issued under this subsection. An order for detention under this section should contain the advisement of rights which the person would receive if the person were detained by a designated crisis responder. An order for initial detention under this section expires one hundred eighty days from issuance.

(9) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under RCW...
RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

(4) For purposes of this section, "immediate family member" means a spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, or sibling.

Sec. 3. RCW 71.05.203 and 2015 c 258 s 3 are each amended to read as follows:

(1) The department and each behavioral health organization or agency employing designated mental health professionals shall publish information in an easily accessible format describing the process for an immediate family member, guardian, or conservator to petition for court review of a detention decision under RCW 71.05.201.

(2) A designated mental health professional or designated mental health professional agency that receives a request for investigation for possible detention under this chapter must inquire whether the request comes from an immediate family member, guardian, or conservator who would be eligible to petition under RCW 71.05.201. If the designated mental health professional decides not to detain the person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since the request for investigation was received and the designated mental health professional has not taken action to have the person detained, the designated mental health professional or designated mental health professional agency must inform the immediate family member, guardian, or conservator who made the request for investigation about the process to petition for court review under RCW 71.05.201 and, to the extent feasible, provide the immediate family member, guardian, or conservator with written or electronic information about the petition process. If provision of written or electronic information is not feasible, the designated mental health professional or designated mental health professional agency must inform the immediate family member, guardian, or conservator to a web site where published information on the petition process may be accessed. The designated mental health professional or designated mental health professional agency must document the manner and date on which the information required under this subsection was provided to the immediate family member, guardian, or conservator.

(3) A designated mental health professional or designated mental health professional agency must, upon request, disclose the date of a designated mental health professional investigation under this chapter to an immediate family member, guardian, or conservator of a person to assist in the preparation of a petition under RCW 71.05.201.

Sec. 4. RCW 71.05.203 and 2016 sp.s. c 29 s 223 are each amended to read as follows:

(1) The department and each behavioral health organization or agency employing designated crisis responders shall publish information in an easily accessible format describing the process for an immediate family member, guardian, or conservator to petition for court review of a detention decision under RCW 71.05.201.

(2) A designated crisis responder or designated crisis responder agency that receives a request for investigation for possible detention under this chapter must inquire whether the request comes from an immediate family member, guardian, or conservator who would be eligible to petition under RCW 71.05.201. If the designated crisis responder decides not to detain the person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since the request for investigation was received and the designated crisis responder has not taken action to have the person detained, the designated crisis responder or designated crisis responder agency must inform the immediate family member, guardian, or conservator who made the request for investigation about the process to petition for court review under RCW 71.05.201 and, to the extent feasible, provide the immediate family member, guardian, or conservator with written or electronic information about the petition process. If provision of written or electronic information is not feasible, the designated crisis responder or designated crisis responder agency must inform the immediate family member, guardian, or conservator to a web site where published information on the petition process may be accessed. The designated crisis responder or designated crisis responder agency must document the manner and date on which the information required under this subsection was provided to the immediate family member, guardian, or conservator.
(3) A designated crisis responder or designated crisis responder agency must, upon request, disclose the date of a designated crisis responder investigation under this chapter to an immediate family member, guardian, or conservator of a person to assist in the preparation of a petition under RCW 71.05.201.

NEW SECTION. Sec. 6. Sections 1 and 3 of this act expire April 1, 2018.

NEW SECTION. Sec. 7. Sections 2 and 4 of this act take effect April 1, 2018.

Part Two – Less Restrictive Alternative Revocations

Sec. 8. RCW 71.05.590 and 2015 c 250 s 13 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or a conditional release order, or a designated mental health professional, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated mental health professional must determine that:

   (a) The person is failing to adhere to the terms and conditions of the court order;

   (b) Substantial deterioration in the person's functioning has occurred;

   (c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

   (d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

   (a) To counsel, advise, or admonish the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

   (b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

   (c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

   (d) To cause the person to be transported by a peace officer, designated mental health professional, or other means to the agency or facility providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or evaluation and treatment facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated mental health professional or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not
limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated mental health professional when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) A designated mental health professional or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this section to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment, or initiate proceedings under this subsection (4) without ordering the apprehension and detention of the person.

(b) A person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated mental health professional or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated mental health professional or secretary shall ((notify the court that originally ordered commitment within two judicial days of a person's detention and)) file a revocation petition and order of apprehension and detention with the court ((and)) of the county where the person is currently located or being detained. The designated mental health professional shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings ((regarding a petition for modification or revocation must be in)) is the county ((in which)) where the petition ((was)) is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order.

(e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.

(5) In determining whether or not to take action under this section the designated mental health professional, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

Sec. 9. RCW 71.05.590 and 2016 sp.s. c 29 s 242 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order or a designated crisis responder may take action to enforce, modify, or revoke a
less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or to an evaluation and treatment facility if the person is committed for mental health treatment or to a secure detoxification facility with available space or an approved substance use disorder treatment program with available space if the person is committed for substance use disorder treatment. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) A designated crisis responder or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near
the county in which he or she is receiving outpatient treatment and has adequate space. Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary shall (notify the court that originally ordered commitment within two judicial days of a person's detention and) file a revocation petition and order of apprehension and detention with the court (and) of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings (regarding a petition for modification or revocation must be in) is the county (in which) where the petition (was) is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder treatment program under this subsection unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

(e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

Sec. 10. RCW 71.05.590 and 2016 sp.s. c 29 s 243 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order (and). The agency, facility, or designated crisis responder (determines) must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or
(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel((,) or advise((, or admonish)) the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility for an assessment for assertive community services, or by other means;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or to an evaluation and treatment facility if the person is committed for mental health treatment, or to a secure detoxification facility or approved substance use disorder treatment program if the person is committed for substance use disorder treatment. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) A designated crisis responder or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.
(c) The designated crisis responder or secretary shall (notify the court that originally ordered commitment within two judicial days of a person's detention) file a revocation petition and order of apprehension and detention with the court (of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings (regarding a petition for modification or revocation must be in) is the county (in which) where the petition (was) filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order.

(e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

The designated mental health professional)) shall take serious consideration of observations and opinions by an examining emergency room physician(ies), advanced registered nurse practitioner, or physician assistant in determining whether detention under this chapter is appropriate. The designated mental health professional must document ((the professional)) his or her consultation with ((an examining emergency room physician)) this professional, ((including)) if the professional is available, or his or her review of the ((physician's)) professional's written observations or opinions regarding whether detention of the person is appropriate.

Sec. 12. RCW 71.05.154 and 2016 sp.s. c 29 s 214 are each amended to read as follows:

((A)) If a person subject to evaluation under RCW 71.05.150 or 71.05.153 is located in an emergency room at the time of evaluation, the designated crisis responder conducting ((an evaluation)) the evaluation ((of a person under RCW 71.05.150 or 71.05.153 must consult with any examining emergency room physician regarding the physician's observations and opinions relating to the person's condition, and whether, in the view of the physician, detention is appropriate. The designated crisis responder)) shall take serious consideration of observations and opinions by an examining emergency room physician((es)), advanced registered nurse practitioner, or physician assistant in
determining whether detention under this chapter is appropriate. The designated crisis responder must document (the) his or her consultation with (an examining emergency room physician) this professional, (including) if the professional is available, or his or her review of the professional's written observations or opinions regarding whether detention of the person is appropriate.

Part Four – Evaluation and Petition by Chemical Dependency Professionals

Sec. 13. RCW 70.96A.140 and 2016 sp.s. c 29 s 102 are each amended to read as follows:

(1)(a) When a designated chemical dependency specialist receives information alleging that a person presents a likelihood of serious harm or is gravely disabled as a result of a substance use disorder, the designated chemical dependency specialist, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court, district court, or in another court permitted by court rule.

If a petition for commitment is not filed in the case of a minor, the parent, guardian, or custodian who has custody of the minor may seek review of that decision made by the designated chemical dependency specialist in superior or district court. The parent, guardian, or custodian shall file notice with the court and provide a copy of the designated chemical dependency specialist's report.

If the designated chemical dependency specialist finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to either a designated mental health professional or an evaluation and treatment facility as defined in RCW 71.05.020 or 71.34.020.

(b) If placement in a substance use disorder treatment program is available and deemed appropriate, the petition shall allege that: The person is chemically dependent and presents a likelihood of serious harm or is gravely disabled by alcohol or drug addiction, or that the person has twice before in the preceding twelve months been admitted for withdrawal management, sobering services, or substance use disorder treatment pursuant to RCW 70.96A.110 or 70.96A.120, and is in need of a more sustained treatment program, or that the person has a substance use disorder and has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment.

(c) If involuntary detention is sought, the petition must state facts that support a finding of the grounds identified in (b) of this subsection and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition must state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition must state facts that support a finding of the grounds for commitment identified in (b) of this subsection and set forth the proposed less restrictive alternative.

(d)(i) The petition must be signed by:

(A) One physician, physician assistant, or advanced registered nurse practitioner; and

(B) One physician and a mental health professional;

(C) One physician assistant and a mental health professional; or

(D) One psychiatric advanced registered nurse practitioner and a mental health professional.

(ii) The persons signing the petition must have examined the person.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained in a program, pursuant to RCW 70.96A.120, 71.05.210, or 71.34.710, in which case the hearing shall be held within seventy-two hours of the filing of the petition.
The((above specified)) seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays((: PROVIDED FURTHER, That,)). The court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served ((by the designated chemical dependency specialist)) on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony including, if possible, the testimony, which may be telephonic, of at least one licensed physician, psychiatric advanced registered nurse practitioner, physician assistant, or ((mental health professional)) designated chemical dependency specialist who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person ((is chemically dependent)) has a substance use disorder shall be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, psychiatric advanced registered nurse practitioner, physician assistant, or ((mental health professional)) designated chemical dependency specialist, he or she shall be given an opportunity to be examined by a court appointed licensed physician, psychiatric advanced registered nurse practitioner, physician assistant, or other professional person qualified to provide such services. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4)(a) If, after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by a preponderance of the evidence and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interest of the person or others, it shall make an order of commitment to an approved substance use disorder treatment program. It shall not order commitment unless it determines that an approved substance use disorder treatment program is available and able to provide adequate and appropriate treatment for him or her.

(b) If the court finds that the grounds for commitment have been established by a preponderance of the evidence, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment. The less restrictive order may impose treatment conditions and other conditions that are in the best interest of the respondent and others. A copy of the less restrictive order must be given to the respondent, the designated chemical dependency specialist, and any program designated to provide less restrictive treatment. If the program designated to provide the less restrictive treatment is other than the program providing the initial involuntary
treatment, the program so designated must agree in writing to assume such responsibility. The court may not order commitment of a person to a less restrictive course of treatment unless it determines that an approved substance use disorder treatment program is available and able to provide adequate and appropriate treatment for him or her.

(5) A person committed to inpatient treatment under this section shall remain in the program for treatment for a period of fourteen days unless sooner discharged. A person committed to a less restrictive course of treatment under this section shall remain in the program of treatment for a period of ninety days unless sooner discharged. At the end of the fourteen-day period, or ninety-day period in the case of a less restrictive alternative to inpatient treatment, he or she shall be discharged automatically unless the program or the designated chemical dependency specialist, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days of inpatient treatment or ninety days of less restrictive alternative treatment unless sooner discharged. The petition for ninety-day inpatient or less restrictive alternative treatment must be filed with the clerk of the court at least three days before expiration of the fourteen-day period of intensive treatment.

If a petition for recommitment is not filed in the case of a minor, the parent, guardian, or custodian who has custody of the minor may seek review of that decision made by the designated chemical dependency specialist in superior or district court. The parent, guardian, or custodian shall file notice with the court and provide a copy of the treatment progress report.

If a person has been committed because he or she ((is chemically dependent)) has a substance use disorder and is likely to inflict physical harm on another, the program or designated chemical dependency specialist shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) Upon the filing of a petition for recommitment under subsection (5) of this section, the court shall fix a date for hearing no less than two and no more than seven days after the date the petition was filed((: PROVIDED, That,)). The court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment program on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsections (3) and (4) of this section, except that the burden of proof upon a hearing for recommitment must be proof by clear, cogent, and convincing evidence.

(7) The approved substance use disorder treatment program shall provide for adequate and appropriate treatment of a person committed to its custody on an inpatient or outpatient basis. A person committed under this section may be transferred from one approved public treatment program to another if transfer is medically advisable.

(8) A person committed to a program for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of a ((chemically dependent)) person with a substance use disorder committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of a ((chemically dependent)) person with a substance use disorder committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

(9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of
counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician, psychiatric advanced registered nurse practitioner, physician assistant, designated chemical dependency specialist, or other professional person of his or her choice who is qualified to provide such services. If the person is unable to obtain a qualified person and requests an examination, the court shall employ a licensed physician, psychiatric advanced registered nurse practitioner, physician assistant, designated chemical dependency specialist, or other professional person to conduct an examination and testify on behalf of the person.

(10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the program providing involuntary inpatient treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the program designated to provide the less restrictive treatment is other than the program providing the initial involuntary treatment, the program so designated must agree in writing to assume such responsibility. A copy of the conditions for continued release shall be given to the patient, the designated chemical dependency specialist of original commitment, and the court of original commitment. The program designated to provide less restrictive treatment may modify the conditions for continued release when the modifications are in the best interests of the patient. If the program providing less restrictive care and the designated chemical dependency specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient’s functioning has occurred, then the designated chemical dependency specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated chemical dependency specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient’s functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive program. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions. The grounds and procedures for revocation of less restrictive alternative treatment ordered by the court must be the same as those set forth in this section for less restrictive care arranged by an approved substance use disorder treatment program as a condition for early release.

(2) If, after examination and evaluation, the mental health professional or chemical dependency professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment ((facility)) program, or, if detained to a secure detoxification facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement; however, a person may only be referred to a secure detoxification facility or approved substance use disorder treatment program if there is an available secure detoxification facility or approved substance use disorder treatment program with adequate space for the person.

(3) An evaluation and treatment center, secure detoxification facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. The person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for seventy-two hours shall not later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, after examination and evaluation, the mental health professional or chemical dependency professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment (program, or, if detained to a secure detoxification facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement.

(3) An evaluation and treatment center, secure detoxification facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

A person detained or committed for seventy-two hour evaluation and treatment or for an outpatient evaluation for the purpose of filing a petition for a less restrictive alternative treatment order may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative to involuntary intensive treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the agency or facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by mental disorder or substance use disorder and results in a likelihood of serious harm, results in the person being gravely disabled, or results in the person being in need of assisted outpatient mental health treatment, and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has
evidence that he or she has not in good faith volunteered; and

(3) The agency or facility providing intensive treatment or which proposes to supervise the less restrictive alternative is certified to provide such treatment by the department; and

(4)(a)(i) The professional staff of the agency or facility or the designated crisis responder has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative. The petition must be signed (either) by:

(((a) Two physicians)) (A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(((b))) (B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional;

(c) One physician assistant and a mental health professional; or

(d) One psychiatric advanced registered nurse practitioner and a mental health professional).

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought the petition shall state facts that support the finding that such person, as a result of a mental disorder or as a result of a substance use disorder, presents a likelihood of serious harm, is gravely disabled, or is in need of assisted outpatient mental health treatment, and shall set forth any recommendations for less restrictive alternative treatment services; and

(5) A copy of the petition has been served on the detained or committed person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed for mental health treatment; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated crisis responder may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

Sec. 18. RCW 71.05.290 and 2016 sp.s. c 29 s 235, 2016 c 155 s 6, and 2016 c 45 s 3 are each reenacted and amended to read as follows:

(1) At any time during a person's fourteen day intensive treatment period, the professional person in charge of a treatment facility or his or her professional designee or the designated crisis responder may petition the superior court for an order requiring such person to undergo an additional period of treatment. Such petition must be based on one or more of the grounds set forth in RCW 71.05.280.

(2)(a)(i) The petition shall summarize the facts which support the need for further commitment and shall be supported by affidavits based on an examination of the patient and signed by:

(((a) Two physicians)) (A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and
(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional;

(c) One physician assistant and a mental health professional; or

(d) One psychiatric advanced registered nurse practitioner and a mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner.

(b) The affidavits shall describe in detail the behavior of the detained person which supports the petition and shall explain what, if any, less restrictive treatments which are alternatives to detention are available to such person, and shall state the willingness of the affiant to testify to such facts in subsequent judicial proceedings under this chapter. If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(3) If a person has been determined to be incompetent pursuant to RCW 10.77.086(4), then the professional person in charge of the treatment facility or his or her professional designee or the designated crisis responder may directly file a petition for one hundred eighty day treatment under RCW 71.05.280(3). No petition for initial detention or fourteen day detention is required before such a petition may be filed.

(1) The petition for ninety day treatment shall be filed with the clerk of the superior court at least three days before expiration of the fourteen-day period of intensive treatment. At the time of filing such petition, the clerk shall set a time for the person to come before the court on the next judicial day after the day of filing unless such appearance is waived by the person's attorney, and the clerk shall notify the designated crisis responder. The designated crisis responder shall immediately notify the person detained, his or her attorney, if any, and his or her guardian or conservator, if any, the prosecuting attorney, and the behavioral health organization administrator, and provide a copy of the petition to such persons as soon as possible. The behavioral health organization administrator or designee may review the petition and may appear and testify at the full hearing on the petition.

(2) At the time set for appearance the detained person shall be brought before the court, unless such appearance has been waived and the court shall advise him or her of his or her right to be represented by an attorney, his or her right to a jury trial, and, if the petition is for commitment for mental health treatment, his or her loss of firearm rights if involuntarily committed. If the detained person is not represented by an attorney, or is indigent or is unwilling to retain an attorney, the court shall immediately appoint an attorney to represent him or her. The court shall, if requested, appoint a reasonably available licensed physician, physician assistant, psychiatric advanced registered nurse practitioner, psychologist, psychiatrist, or other professional person, designated by the detained person to examine and testify on behalf of the detained person.

(3) The court may, if requested, also appoint a professional person as defined in RCW 71.05.20 to seek less restrictive alternative courses of treatment and to testify on behalf of the detained person. In the case of a person with a developmental disability who has been determined to be incompetent pursuant to RCW 10.77.086(4), then the appointed professional person under this section shall be a developmental disabilities professional.

(4) The court shall also set a date for a full hearing on the petition as provided in RCW 71.05.310.

(b) No person shall be presumed incompetent as a consequence of receiving an evaluation or voluntary or involuntary treatment for a mental disorder or substance use disorder, under this chapter or any prior laws of this state dealing with mental illness or substance use disorders. Competency shall not be determined or withdrawn except under the provisions of chapter 10.77 or 11.88 RCW.

(c) Any person who leaves a public or private agency following evaluation or treatment for a mental disorder or substance use disorder shall be given a written statement setting forth the substance of this section.

(2) Each person involuntarily detained or committed pursuant to this chapter shall have the right to adequate care and individualized treatment.

(3) The provisions of this chapter shall not be construed to deny to any person treatment by spiritual means through prayer in accordance with the tenets and practices of a church or religious denomination.

(4) Persons receiving evaluation or treatment under this chapter shall be given a reasonable choice of an available physician, physician assistant, psychiatric advanced registered nurse practitioner, or other professional person qualified to provide such services.

(5) Whenever any person is detained for evaluation and treatment pursuant to this chapter, both the person and, if possible, a responsible member of his or her immediate family, personal representative, guardian, or conservator, if any, shall be advised as soon as possible in writing or orally, by the officer or person taking him or her into custody or by personnel of the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program where the person is detained that unless the person is released or voluntarily admits himself or herself for treatment within seventy-two hours of the initial detention:

(a) A judicial hearing in a superior court, either by a judge or court commissioner thereof, shall be held not more than seventy-two hours after the initial detention to determine whether there is probable cause to detain the person after the seventy-two hours have expired for up to an additional fourteen days without further automatic hearing for the reason that the person is a person whose mental disorder or substance use disorder presents a likelihood of serious harm or that the person is gravely disabled;

(b) The person has a right to communicate immediately with an attorney; has a right to have an attorney appointed to represent him or her before and at the probable cause hearing if he or she is indigent; and has the right to be told the name and address of the attorney that the mental health professional has designated pursuant to this chapter;

The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical or psychological records of the detained person so long as the requirements of RCW 5.45.020 are met except that portions of the record which contain opinions as to the detained person's mental state must be deleted from such records unless the person making such conclusions is available for cross-examination.

(10) Insofar as danger to the person or others is not created, each person involuntarily detained, treated in a less restrictive alternative course of treatment, or committed for treatment and evaluation pursuant to this chapter shall have, in addition to other rights not specifically withheld by law, the following rights:

(b) $44,311,000 of the transportation partnership account—state appropriation is provided solely for the SR 520 Bridge Replacement and HOV project (8BI1003).

(c) When developing the financial plan for the project, the department shall assume that all maintenance and operation costs for the new facility are to be covered by tolls collected on the toll facility and not by the motor vehicle account.

(11) $5,804,000 of the transportation partnership account—state appropriation, $5,162,000 of the transportation 2003 account (nickel account)—state appropriation, and $146,000 of the special category C account—state appropriation are provided solely for the US 395/North Spokane Corridor project (600010A). Any future savings on the project must stay on the US 395/Interstate 90 corridor and be made available to the current phase of the North Spokane corridor project or any future phase of the project in 2017-2019.

(12) $26,601,000 of the transportation partnership account—state appropriation and $10,956,000 of the transportation 2003 account (nickel account)—state appropriation are provided solely for the I-405/Kirkland Vicinity Stage 2 - Widening project (8BI1002). This project must be completed as soon as practicable as a design-build project. Any future savings on this project or other Interstate 405 corridor projects must stay on the Interstate 405 corridor and be made available to either the I-405/SR 167 Interchange - Direct Connector project (140504C), the I-405 Renton to Bellevue project (M00900R), or the I-405/SR 522 to I-5 Capacity Improvements project (L2000234) in the 2017-2019 fiscal biennium.

(13) $1,500,000 of the transportation partnership account—state appropriation is provided solely for preliminary engineering for adding capacity on Interstate 405 between state route number 522 and Interstate 5. The funding is a transfer from the I-405/Kirkland Vicinity Stage 2 - Widening project due to savings, and will start an additional phase of this I-405 project.

(14) (a) The SR 520 Bridge Replacement and HOV project (8BI1003) is supported over time from multiple sources, including a $300,000,000 TIFIA loan, $924,615,000 in Garvee bonds, toll revenues, state bonds, interest earnings, and other miscellaneous sources.

(b) $44,311,000 of the transportation partnership account—state appropriation is provided solely for the SR 520 Bridge Replacement and HOV project (8BI1003).
The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department’s 2018 budget submittal. It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

Any advisory group that the department convenes during the 2017-2019 fiscal biennium must consider the interests of the entire state of Washington.

It is the intent of the legislature that a new I-5/Exit 274 Interchange project in Blaine be funded with $12,100,000 of connecting Washington account-state funds in the 2023-2025 fiscal biennium and be changed accordingly on the LEAP transportation document referenced in subsection (1) of this section. This new project would create a new southbound off-ramp on Interstate 5 at Exit 274 onto Peace Portal Drive and a direct northbound connection to Blaine’s industrial area from the existing northbound off-ramp by reconfiguring it to tie into Odell Street.

It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue $50,000,000 in federal funds to pay for this project to supplant state funds in the future. $50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

$93,500,000 of the connecting Washington account-state appropriation is provided solely for the SR 167/SR 509 Puget Sound Gateway project (M00600R). Any savings on the project must stay on the Puget Sound gateway corridor until the project is complete.

(a) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project’s construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(b) The secretary of transportation must develop a memorandum of understanding with local project stakeholders that identifies a schedule for stakeholders to provide local matching funds for the Puget Sound Gateway project. Criteria for eligibility of local match includes matching funds and equivalent in-kind contributions including, but not limited to, land donations. The memorandum of understanding must be finalized by July 1, 2018. The department must submit a copy of the memorandum of understanding to the transportation committees of the legislature and report regularly on the status of the requirements outlined in this subsection (20)(b) and (c) of this subsection.

(c) During the course of developing the memorandum of understanding, the department must evaluate the project schedules to determine if there are any benefits to be gained by moving the project schedule forward. Additionally, the department must consider completing a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project, the funds must be applied toward the completion of these two full single-point urban interchanges.

It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county’s process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

$600,000 of the motor vehicle account-state appropriation is provided solely for the Puget Sound Gateway corridor (L1000158), covering
the state route number 204 and 20th Street interchanges at the end of the westbound structure.

(a) The department shall develop the IJR in close collaboration with affected local jurisdictions, including Snohomish county and the cities of Everett, Lake Stevens, Marysville, Snohomish, and Monroe.

(b) Within the amount provided for the IJR, the department must address public outreach and the overall operational approval of the IJR.

(c) The department shall complete the IJR and submit the final report to the governor and the transportation committees of the legislature by July 1, 2018.

(23) (a) The legislature recognizes that the city of Mercer Island has unique access issues that require the use of Interstate 90 to leave the island and that this access may be affected by the I-90/Two-Way Transit and HOV Improvements project. One of the most heavily traveled on-ramps from Mercer Island to the westbound Interstate 90 general purpose lanes is from Island Crest Way. The department must continue to consult with the city of Mercer Island and the other signatories to the 1976 memorandum of agreement to preserve access provided to Mercer Island by Island Crest Way on-ramp, and thus grandfather in the current use of the on-ramp for both high occupancy vehicles as well as vehicles seeking to access the general purpose lanes of Interstate 90. The department must consider all reasonable access solutions, including allowing all vehicles to use the Island Crest Way on-ramp to access the new high occupancy vehicle lane with a reasonable and safe distance provided for single-occupancy vehicles to merge into the general purpose lanes.

(b) A final access solution for Mercer Island must consider the following criteria: Safety; operational effects on all users, including maintaining historic access to Interstate 90 provided from Mercer Island by Island Crest Way; enforcement requirements; and compliance with state and federal law.

(c) The department may not restrict by occupancy the westbound on-ramp from Island Crest Way until a final access solution that meets the criteria in (b) of this subsection has been reached.

(24) $2,000,000 of the Interstate 405 express toll lanes operations account—state appropriation is provided solely for the I-405 NB Hard Shoulder Running – SR 527 to I-5 project (L1000163).

(25) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2019, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

(26) For the SR 526 Corridor Improvements project (N52600R), the department shall look holistically at the state route number 526 corridor from the state route number 526/Interstate 5 interchange at the east end to the southwest Everett industrial area and Boeing's west access road on the west end. The department, working with affected jurisdictions and stakeholders, shall select project elements that best maximize mobility and congestion relief in the corridor and draw from project elements identified in a practical solutions process.

(27) It is the intent of the legislature that for the I-5/Slater Road Interchange - Improvements project (L1000099), $2,000,000 of connecting Washington account—state funds be added in the 2021-2023 fiscal biennium and $10,100,000 of connecting Washington account—state funds be added in the 2023-2025 fiscal biennium, and that the LEAP transportation document referenced in subsection (1) of this section be updated accordingly.

(28) (a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2019-2021 fiscal biennium, the department may, on a pilot basis, apply funding from a project with an appropriation that cannot be used for
the current fiscal biennium to advance one or more of the following projects:

(i) SR 20/Sharpe's Corner Vicinity Intersection (L1000012);
(ii) I-5/Marvin Road/SR 510 Interchange (L1100010);
(iii) I-5/Northbound On-ramp at Bakerview (L20000119);
(iv) US 395/Ridgeline Intersection (L2000127);
(v) I-90/Eastside Restripe Shoulders (L2000201);
(vi) SR 240/Richland Corridor Improvements (L2000202);
(vii) SR 14/Bingen Overpass (L2220062);
(viii) US Hwy 2 Safety (N00200R);
(ix) SR 520/148th Ave NE Overlake Access Ramp (L1100101);
(x) SR 28/SR 285 North Wenatchee Area Improvements (L2000061);
(xi) I-5/Rebuild Chambers Way Interchange Improvements (L2000223);
(xii) SR 28 East Wenatchee Corridor Improvements (T10300R);
(xiii) SR 3/Belfair Bypass - New Alignment (T30400R); or
(xiv) SR 510/Yelm Loop Phase 2 (T32700R).

(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2019-2021 fiscal biennium.

(29) Within existing resources and in consultation with local communities, the department shall begin planning efforts, including traffic data collection, analysis and evaluation, scoping, and environmental review, for roundabouts at the intersection of state route number 900 and SE May Valley Road and at the intersection of state route number 169 and Cedar Grove Road SE.

(30) Among the options studied as part of the SR 410 Corridor Study project (L1000174), the department shall examine the mobility and safety benefits of replacing or expanding the White River bridge between Enumclaw and Buckley to four lanes and removing the trestle.

IMPLEMENTING PROVISIONS

NEW SECTION. Sec. 601. FUND TRANSFERS

(1) The 2005 transportation partnership projects or improvements and 2015 connecting Washington projects or improvements are listed in the LEAP Transportation Document 2017-1 as developed April 20, 2017, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department of transportation is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and connecting Washington account projects on the LEAP transportation document referenced in this subsection. For the 2017-2019 project appropriations, unless otherwise provided in this act, the director of the office of financial management may provide written authorization for a transfer of appropriation authority between projects funded with transportation partnership account appropriations or connecting Washington account appropriations to
manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;

(c) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed in the current fiscal biennium;

(d) Transfers may not occur for projects not identified on the applicable project list;

(e) Transfers may not be made while the legislature is in session;

(f) Transfers to a project may not be made with funds designated as attributable to practical design savings as described in RCW 47.01.480;

(g) Each transfer between projects may only occur if the director of the office of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2018 supplemental omnibus transportation appropriations act, any unexpended 2015-2017 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects; and

(h) Transfers between projects may be made by the department of transportation without the formal written approval provided under this subsection (1), provided that the transfer amount does not exceed two hundred fifty thousand dollars or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of the office of financial management and the chairs of the house of representatives and senate transportation committees.

(2) The department of transportation must submit quarterly all transfers authorized under this section in the transportation executive information system. The office of financial management must maintain a legislative baseline project list identified in the LEAP transportation documents referenced in this act, and update that project list with all authorized transfers under this section.

(3) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(4) Before approval, the office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner.

(5) No fewer than ten days after the receipt of a project transfer request, the director of the office of financial management must provide written notification to the department of any decision regarding project transfers, with copies submitted to the transportation committees of the legislature.

(6) The department must submit annually as part of its budget submittal a report detailing all transfers made pursuant to this section.

NEW SECTION. Sec. 603. BELATED CLAIMS

The agencies and institutions of the state may expend moneys appropriated in this act, upon approval of the office of financial management, for the payment of supplies and services furnished to the
agency or institution in prior fiscal biennia.

NEW SECTION. Sec. 604. FOR THE DEPARTMENT OF TRANSPORTATION

(1) As part of its 2018 supplemental budget submittal, the department shall provide a report to the legislature and the office of financial management that:

(b) Identifies, for each project, the amount of cost savings or increases in funding that have been identified as compared to the 2015 enacted omnibus transportation appropriations act.

The report must address each modal category separately and identify if eighteenth amendment protected funds have been used and, if not, the source of funding.

(2) To facilitate the report in subsection (1) of this section, the department of transportation must require that all bids on connecting Washington projects include an estimate on the cost to implement any transit, bicycle, or pedestrian project elements.

NEW SECTION. Sec. 607. PROJECT SCOPE CHANGES

(1) The legislature finds that in the course of efficiently delivering connecting Washington projects, it is necessary to create a process for the department of transportation to request and receive approval of practical design-related project scope changes while the legislature is not in session. During the 2017-2019 fiscal biennium, the director of the office of financial management may approve project scope change requests to connecting Washington projects in the highway improvements program, provided that the requests meet the criteria outlined in RCW 47.01.480 and are subject to the limitations in this section.

(2) At the time the department of transportation submits a request for a project scope change under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(3) Before approval, the office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested project scope changes.

(4) No fewer than ten days after the receipt of a scope change request, the director of the office of financial management must provide written notification to the department of any decision regarding project scope changes, with copies submitted to the transportation committees of the legislature.

(5) As part of its annual budget submittal, the department of transportation must report on all approved scope change requests from the prior year, including a comparison of the scope before and after the requested change.

NEW SECTION. Sec. 608. FOR THE DEPARTMENT OF TRANSPORTATION

The department of transportation may provide up to three million dollars in toll credits to Kitsap transit for its role in passenger-only ferry service and ferry corridor-related projects. The number of toll credits provided must be equal to, but no more than, the number sufficient to meet federal match requirements for grant funding for
passenger-only ferry service, but must not exceed the amount authorized in this section.

NEW SECTION. Sec. 701. INFORMATION TECHNOLOGY PROJECTS

(1) All appropriations for designated information technology projects in this act must be placed in unallotted status and must not be expended before the office of the chief information officer certifies that the project complies with state information technology and security policy and strategies. At a minimum, the office of the chief information officer must certify, if the chief information officer deems appropriate, that the project meets critical project success factors, aligns with statewide technology strategy and architecture, reuses existing technology services and solutions, minimizes custom development, complies with security and other policy requirements, and uses modularized, component-based architectures. The office of the chief information officer must evaluate the project at the appropriate stages. The office of the chief information officer must notify the office of financial management and the legislative fiscal committees each time it certifies a project is ready to proceed with the next stage. Appropriations may then be allotted for that certified phase only.

(2) The chief information officer may suspend or terminate a project at any time if the chief information officer determines that the project is not meeting or not expected to meet anticipated performance and technology outcomes. Once suspension or termination occurs, the agency shall not make additional expenditures on the project without approval of the chief information officer.

The following projects are subject to the conditions, limitations, and review provided in this section: Department of Transportation - Labor System Replacement, Department of Transportation - New Ferry Division Dispatch System, Department of Transportation - Land Mobile Radio System Replacement, and Department of Transportation - New CSC System and Operator.

(3) The office of the chief information officer, in consultation with the office of financial management, may identify additional projects to be subject to this section other than those listed in subsection (2) of this section, including projects that are not separately identified within an agency budget.

NEW SECTION. Sec. 702. SETTLEMENT FUNDS EXPENDITURE

The legislature finds that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years. The legislature deems the department of ecology the responsible agency for the administration and expenditure of funds provided by the trustee under the terms of the consent decrees, including the development of a mitigation plan to guide the use of the funds, whether or not the department receives funds directly for projects included in the plan.

The legislature also finds that a framework to govern the administration of mitigation funds requires appropriations, guiding principles, allocation of funds, consideration of agencies' roles, legislative oversight, and ancillary provisions. Accordingly, the omnibus capital budget for the department of ecology includes the necessary provisions to administer the mitigation funds and the development of the mitigation plan. With respect to this act and transportation governance generally, these provisions require: The participation of legislators from the transportation committees as part of a legislative work group; consultation by the department of ecology with the department of transportation on several components of the plan development and implementation; and consideration of and coordination with the several transportation programs and policies that intersect with potential mitigation actions that may become part of the plan. The department of transportation is directed to work with the department of ecology as needed to facilitate the plan development and implementation.

When federal-aid highway funds are involved, the department of transportation shall, upon entry of an order by the commission requiring the installation or upgrading of a grade crossing protective device, submit to the commission an estimate for the cost of the proposed installation and related work. Upon receipt of the estimate the commission shall pay to the department of transportation the percentage of the estimate specified in RCW 81.53.295, as now or hereafter amended, to be used as the grade crossing protective fund portion of the cost of the installation and related work.

The commission may adopt rules for the allocation of money from the grade crossing protective fund.
