NEW SECTION. Sec. 3. REQUIREMENT TO PARTICIPATE IN A DRUG TAKE-BACK PROGRAM. A covered manufacturer must establish and implement a drug take-back program that complies with the requirements of this chapter. A manufacturer that becomes a covered manufacturer after the effective date of this section must, no later than six months after the date on which the
manufacturer became a covered manufacturer, participate in an approved drug take-back program or establish and implement a drug take-back program that complies with the requirements of this chapter. A covered manufacturer may establish and implement a drug take-back program independently, as part of a group of covered manufacturers, or through membership in a drug take-back organization.

NEW SECTION. Sec. 4. IDENTIFICATION OF COVERED MANUFACTURERS. (1) No later than ninety days after the effective date of this section, a drug wholesaler that sells a drug in or into Washington must provide a list of drug manufacturers to the department in a form agreed upon with the department. A drug wholesaler must provide an updated list to the department on January 15th of each year.

(2) No later than ninety days after the effective date of this section, a retail pharmacy, private label distributor, or repackager must provide written notification to the department identifying the drug manufacturer from which the retail pharmacy, private label distributor, or repackager obtains a drug that it sells under its own label.

(3) A person or entity that receives a letter of inquiry from the department regarding whether or not it is a covered manufacturer under this chapter shall respond in writing no later than sixty days after receipt of the letter. The department shall approve a proposed program if the applicant submits a completed application, the proposed program meets the requirements of subsection (2) of this section, and the applicant pays the appropriate fee established by the department under section 12 of this act.

(2) To be approved by the department, a proposed drug take-back program must:

(3) (a) No later than one hundred twenty days after receipt of a drug take-back program proposal, the department
shall either approve or reject the proposal in writing to the applicant. The department may extend the deadline for approval or rejection of a proposal for good cause. If the department rejects the proposal, it shall provide the reason for rejection.

(b) No later than ninety days after receipt of a notice of rejection under (a) of this subsection, the applicant shall submit a revised proposal to the department. The department shall either approve or reject the revised proposal in writing to the applicant within ninety days after receipt of the revised proposal, including the reason for rejection, if applicable.

(c) If the department rejects a revised proposal, the department may:

(i) Require the program operator to submit a further revised proposal;

(ii) Develop and impose changes to some or all of the revised proposal to address deficiencies;

(iii) Require the covered manufacturer or covered manufacturers that proposed the rejected revised proposal to participate in a previously approved drug take-back program; or

(iv) Find the covered manufacturer out of compliance with the requirements of this chapter and take enforcement action as provided in section 11 of this act.

(4) The program operator must initiate operation of an approved drug take-back program no later than one hundred eighty days after approval of the proposal by the department.

(5)(a) Proposed changes to an approved drug take-back program that substantially alter program operations must have prior written approval of the department. A program operator must submit to the department such a proposed change in writing at least fifteen days before the change is scheduled to occur. Changes requiring prior approval of the department include changes to participating covered manufacturers, collection methods, achievement of the service convenience goal described in section 6 of this act, policies and procedures for handling covered drugs, education and promotion methods, and selection of disposal facilities.

(b) For changes to a drug take-back program that do not substantially alter program operations, a program operator must notify the department at least seven days before implementing the change. Changes that do not substantially alter program operations include changes to collection site locations, methods for scheduling and locating periodic collection events, and methods for distributing prepaid, preaddressed mailers.

(c) A program operator must notify the department of any changes to the official point of contact for the program no later than fifteen days after the change. A program operator must notify the department of any changes in ownership or contact information for participating covered manufacturers no later than ninety days after such change.

(6) No later than four years after a drug take-back program initiates operations, and every four years thereafter, the program operator must submit an updated proposal to the department describing any substantive changes to program elements described in subsection (2) of this section. The department shall approve or reject the updated proposal using the process described in subsection (3) of this section.

(7) The department shall make all proposals submitted under this section available to the public and shall provide an opportunity for written public comment on each proposal.

NEW SECTION.  Sec. 6. COLLECTION SYSTEM.  (1)(a) At least one hundred twenty days prior to submitting a proposal under section 5 of this act, a program operator must notify potential authorized collectors of the opportunity to serve as an authorized collector for the proposed drug take-back program. A program operator must commence good faith negotiations with a potential authorized collector no later than thirty days after the potential authorized collector expresses interest in participating in a proposed program.

(b) A person or entity may serve as an authorized collector for a drug take-back program voluntarily or in exchange for compensation, but nothing in this chapter requires a person or entity to serve as an authorized collector.

(c) A drug take-back program must include as an authorized collector any retail pharmacy, hospital or clinic with
an on-site pharmacy, or law enforcement agency that offers to participate in the program without compensation and meets the requirements of subsection (2) of this section. Such a pharmacy, hospital, clinic, or law enforcement agency must be included as an authorized collector in the program no later than ninety days after receiving the offer to participate.

(d) A drug take-back program may also locate collection sites at:

(i) A long-term care facility where a pharmacy, or a hospital or clinic with an on-site pharmacy, operates a secure collection receptacle;

(ii) A substance use disorder treatment program, as defined in RCW 71.24.025; or

(iii) Any other authorized collector willing to participate as a collection site and able to meet the requirements of subsection (2) of this section.

(2)(a) A collection site must accept all covered drugs from covered entities during the hours that the authorized collector is normally open for business with the public.

(b) A collection site located at a long-term care facility may only accept covered drugs that are in the possession of individuals who reside or have resided at the facility.

(c) A collection site must use secure collection receptacles in compliance with state and federal law, including any applicable on-site storage and collection standards adopted by rule pursuant to chapter 70.95 or 70.105 RCW and United States drug enforcement administration regulations. The program operator must provide a service schedule that meets the needs of each collection site to ensure that each secure collection receptacle is serviced as often as necessary to avoid reaching capacity and that collected covered drugs are transported to final disposal in a timely manner, including a process for additional prompt collection service upon notification from the collection site. Secure collection receptacle signage must prominently display a toll-free telephone number and web site for the program so that members of the public may provide feedback on collection activities.

(d) An authorized collector must comply with applicable provisions of chapters 70.95 and 70.105 RCW, including rules adopted pursuant to those chapters that establish collection and transportation standards, and federal laws and regulations governing the handling of covered drugs, including United States drug enforcement administration regulations.

(3)(a) A drug take-back program's collection system must be safe, secure, and convenient on an ongoing, year-round basis and must provide equitable and reasonably convenient access for residents across the state.

(b) In establishing and operating a collection system, a program operator must give preference to locating collection sites at retail pharmacies, hospitals or clinics with on-site pharmacies, and law enforcement agencies.

(c)(i) Each population center must have a minimum of one collection site, plus one additional collection site for every fifty thousand residents of the city or town located within the population center. Collection sites must be geographically distributed to provide reasonably convenient and equitable access to all residents of the population center.

(ii) On islands and in areas outside of population centers, a collection site must be located at the site of each potential authorized collector that is regularly open to the public, unless the program operator demonstrates to the satisfaction of the department that a potential authorized collector is unqualified or unwilling to participate in the drug take-back program, in accordance with the requirements of subsection (1) of this section.

(iii) For purposes of this section, "population center" means a city or town and the unincorporated area within a ten-mile radius from the center of the city or town.

(d) A program operator must establish mail-back distribution locations or hold periodic collection events to supplement service to any area of the state that is underserved by collection sites, as determined by the department, in consultation with the local health jurisdiction. The program operator, in consultation with the department, local law enforcement, the local health jurisdiction, and the local community, must determine the number and locations...
of mail-back distribution locations or the frequency and location of these collections events, to be held at least twice a year, unless otherwise determined through consultation with the local community. The program must arrange any periodic collection events in advance with local law enforcement agencies and conduct periodic collection events in compliance with United States drug enforcement administration regulations and protocols and applicable state laws.

(e) Upon request, a drug take-back program must provide a mail-back program free of charge to covered entities and to retail pharmacies that offer to distribute prepaid, preaddressed mailing envelopes for the drug take-back program. A drug take-back program must permit covered entities to request prepaid, preaddressed mailing envelopes through the program's web site, the program's toll-free telephone number, and a request to a pharmacist at a retail pharmacy distributing the program's mailing envelopes.

(f) The program operator must provide alternative collection methods for any covered drugs, other than controlled substances, that cannot be accepted or commingled with other covered drugs in secure collection receptacles, through a mail-back program, or at periodic collection events, to the extent permissible under applicable state and federal laws. The department shall review and approve of any alternative collection methods prior to their implementation.

NEW SECTION. Sec. 7. DRUG TAKE-BACK PROGRAM PROMOTION. (1) A drug take-back program must develop and provide a system of promotion, education, and public outreach about the safe storage and secure collection of covered drugs. This system may include signage, written materials to be provided at the time of purchase or delivery of covered drugs, and advertising or other promotional materials. At a minimum, each program must:

(a) Promote the safe storage of legend drugs and nonlegend drugs by residents before secure disposal through a drug take-back program;

(b) Discourage residents from disposing of covered drugs in solid waste collection, sewer, or septic systems;

(c) Promote the use of the drug take-back program so that where and how to return covered drugs is widely understood by residents, pharmacists, retail pharmacies, health care facilities and providers, veterinarians, and veterinary hospitals;

(d) Establish a toll-free telephone number and web site publicizing collection options and collection sites and discouraging improper disposal practices for covered drugs, such as flushing them or placing them in the garbage;

(e) Prepare educational and outreach materials that: Promote safe storage of covered drugs; discourage the disposal of covered drugs in solid waste collection, sewer, or septic systems; and describe how to return covered drugs to the drug take-back program. The materials must use plain language and explanatory images to make collection services and discouraged disposal practices readily understandable to all residents, including residents with limited English proficiency;

(f) Disseminate the educational and outreach materials described in (e) of this subsection to pharmacies, health care facilities, and other interested parties for dissemination to covered entities;

(g) Work with authorized collectors to develop a readily recognizable, consistent design of collection receptacles, as well as clear, standardized instructions for covered entities on the use of collection receptacles. The department may provide guidance to program operators on the development of the instructions and design; and

(h) Annually report on its promotion, outreach, and public education activities in its annual report required by section 10 of this act.

(2) If more than one drug take-back program is approved by the department, the programs must coordinate their promotional activities to ensure that all state residents can easily identify, understand, and access the collection services provided by any drug take-back program. Coordination efforts must include providing residents with a single toll-free telephone number and single web site to access information about collection services for every approved program.
(3) Pharmacies and other entities that sell medication in the state are encouraged to promote secure disposal of covered drugs through the use of one or more approved drug take-back programs. Upon request, a pharmacy must provide materials explaining the use of approved drug take-back programs to its customers. The program operator must provide pharmacies with these materials upon request and at no cost to the pharmacy.

(4) The department, the health care authority, the department of social and health services, the department of ecology, and any other state agency that is responsible for health, solid waste management, and wastewater treatment shall, through their standard educational methods, promote safe storage of prescription and nonprescription drugs by covered entities, secure disposal of covered drugs through a drug take-back program, and the toll-free telephone number and web site for approved drug take-back programs. Local health jurisdictions and local government agencies are encouraged to promote approved drug take-back programs.

(5) The department:

(a) Shall conduct a survey of covered entities and a survey of pharmacists, health care providers, and veterinarians who interact with covered entities on the use of medicines after the first full year of operation of the drug take-back program, and again every two years thereafter. Survey questions must: Measure consumer awareness of the drug take-back program; assess the extent to which collection sites and other collection methods are convenient and easy to use; assess knowledge and attitudes about risks of abuse, poisonings, and overdoses from drugs used in the home; and assess covered entities’ practices with respect to unused, unwanted, or expired drugs, both currently and prior to implementation of the drug take-back program; and

(b) May, upon review of results of public awareness surveys, direct a program operator for an approved drug take-back program to modify the program’s promotion and outreach activities to better achieve widespread awareness among Washington state residents and health care professionals about where and how to return covered drugs to the drug take-back program.

NEW SECTION. Sec. 8. DISPOSAL AND HANDLING OF COVERED DRUGS. (1) Covered drugs collected under a drug take-back program must be disposed of at a permitted hazardous waste disposal facility that meets the requirements of 40 C.F.R. parts 264 and 265, as they exist on the effective date of this section.

(2) If use of a hazardous waste disposal facility described in subsection (1) of this section is unfeasible based on cost, logistics, or other considerations, the department, in consultation with the department of ecology, may grant approval for a program operator to dispose of some or all collected covered drugs at a permitted large municipal waste combustor facility that meets the requirements of 40 C.F.R. parts 60 and 62, as they exist on the effective date of this section.

(3) A program operator may petition the department for approval to use final disposal technologies or processes that provide superior environmental and human health protection than that provided by the technologies described in subsections (1) and (2) of this section, or equivalent protection at less cost. In reviewing a petition under this subsection, the department shall take into consideration regulations or guidance issued by the United States environmental protection agency on the disposal of pharmaceutical waste. The department, in consultation with the department of ecology, shall approve a disposal petition under this section if the disposal technology or processes described in the petition provides equivalent or superior protection in each of the following areas:

(a) Monitoring of any emissions or waste;

(b) Worker health and safety;

(c) Air, water, or land emissions contributing to persistent, bioaccumulative, and toxic pollution; and

(d) Overall impact to the environment and human health.

(4) If a drug take-back program encounters a safety or security problem during collection, transportation, or disposal of covered drugs, the program operator must notify the department as soon as practicable after encountering the problem.
NEW SECTION. Sec. 9. PROGRAM FUNDING.  
(1) A covered manufacturer or group of covered manufacturers must pay all administrative and operational costs associated with establishing and implementing the drug take-back program in which they participate. Such administrative and operational costs include, but are not limited to: Collection and transportation supplies for each collection site; purchase of secure collection receptacles for each collection site; ongoing maintenance or replacement of secure collection receptacles when requested by authorized collectors; prepaid, preaddressed mailers; compensation of authorized collectors, if applicable; operation of periodic collection events, including the cost of law enforcement staff time; transportation of all collected covered drugs to final disposal; environmentally sound disposal of all collected covered drugs in compliance with section 8 of this act; and program promotion and outreach.  

(2) A program operator, covered manufacturer, authorized collector, or other person may not charge:  

(a) A specific point-of-sale fee to consumers to recoup the costs of a drug take-back program; or  

(b) A specific point-of-collection fee at the time covered drugs are collected from covered entities.

NEW SECTION. Sec. 10. ANNUAL PROGRAM REPORT.  
(1) By July 1st after the first full year of implementation, and each July 1st thereafter, a program operator must submit to the department a report describing implementation of the drug take-back program during the previous calendar year. The report must include:  

(a) A list of covered manufacturers participating in the drug take-back program;  

(b) The amount, by weight, of covered drugs collected, including the amount by weight from each collection method used;  

(c) The following details regarding the program’s collection system: A list of collection sites with addresses; the number of mailers provided; locations where mailers were provided, if applicable; dates and locations of collection events held, if applicable; and the transporters and disposal facility or facilities used;  

(d) Whether any safety or security problems occurred during collection, transportation, or disposal of covered drugs, and if so, completed and anticipated changes to policies, procedures, or tracking mechanisms to address the problem and improve safety and security;  

(e) A description of the public education, outreach, and evaluation activities implemented;  

(f) A description of how collected packaging was recycled to the extent feasible;  

(g) A summary of the program’s goals for collection amounts and public awareness, the degree of success in meeting those goals, and if any goals have not been met, what effort will be made to achieve those goals the following year; and  

(h) The program’s annual expenditures, itemized by program category.  

(2) Within thirty days after each annual period of operation of an approved drug take-back program, the program operator shall submit an annual collection amount report to the department that provides the total amount, by weight, of covered drugs collected from each collection site during the prior year.  

(3) The department shall make reports submitted under this section available to the public through the internet.

NEW SECTION. Sec. 11. ENFORCEMENT AND PENALTIES.  
(1) The department may audit or inspect the activities and records of a drug take-back program to determine compliance with this chapter or investigate a complaint.  

(2)(a) The department shall send a written notice to a covered manufacturer that fails to participate in a drug take-back program as required by this chapter. The notice must provide a warning regarding the penalties for violation of this chapter.  

(b) A covered manufacturer that receives a notice under this subsection (2) may be assessed a penalty if, sixty days after receipt of the notice, the covered manufacturer continues to sell a covered drug in or into the state without participating in a drug take-back program approved under this chapter.
(3)(a) The department may send a program operator a written notice warning of the penalties for noncompliance with this chapter if it determines that the program operator's drug take-back program is in violation of this chapter or does not conform to the proposal approved by the department. The department may assess a penalty on the program operator and participating covered manufacturers if the program does not come into compliance by thirty days after receipt of the notice.

(b) The department may immediately suspend operation of a drug take-back program and assess a penalty if it determines that the program is in violation of this chapter and the violation creates a condition that, in the judgment of the department, constitutes an immediate hazard to the public or the environment.

(4)(a) The department shall send a written notice to a drug wholesaler or a retail pharmacy that fails to provide a list of drug manufacturers to the department as required by section 4 of this act. The notice must provide a warning regarding the penalties for violation of this chapter.

(b) A drug wholesaler or retail pharmacy that receives a notice under this subsection may be assessed a penalty if, sixty days after receipt of the notice, the drug wholesaler or retail pharmacy fails to provide a list of drug manufacturers.

(5) In enforcing the requirements of this chapter, the department:

(a) May require an informal administrative conference;

(b) May require a person or entity to engage in or refrain from engaging in certain activities pertaining to this chapter;

(c) May, in accordance with RCW 43.70.095, assess a civil fine of up to two thousand dollars. Each day upon which a violation occurs or is permitted to continue constitutes a separate violation. In determining the appropriate amount of the fine, the department shall consider the extent of harm caused by the violation, the nature and persistence of the violation, the frequency of past violations, any action taken to mitigate the violation, and the financial burden to the entity in violation; and

(d) May not prohibit a covered manufacturer from selling a drug in or into the state of Washington.

NEW SECTION. Sec. 12. DEPARTMENT FEE. (1)(a) By July 1, 2019, the department shall: Determine its costs for the administration, oversight, and enforcement of the requirements of this chapter, including the survey required under section 20 of this act; pursuant to RCW 43.70.250, set fees at a level sufficient to recover the costs associated with administration, oversight, and enforcement; and adopt rules establishing requirements for program operator proposals.

(b) The department shall not impose any fees in excess of its actual administrative, oversight, and enforcement costs. The fees collected from each program operator in calendar year 2020 and any subsequent year may not exceed ten percent of the program's annual expenditures as reported to the department in the annual report required by section 10 of this act and determined by the department.

(c) Adjustments to the department's fees may be made annually and shall not exceed actual administration, oversight, and enforcement costs. Adjustments for inflation may not exceed the percentage change in the consumer price index for all urban consumers in the United States as calculated by the United States department of labor as averaged by city for the twelve-month period ending with June of the previous year.

(d) The department shall collect fees from each program operator by October 1, 2019, and annually thereafter.

(2) All fees collected under this section must be deposited in the secure drug take-back program account established in section 13 of this act.

NEW SECTION. Sec. 13. SECURE DRUG TAKE-BACK PROGRAM ACCOUNT. The secure drug take-back program account is created in the state treasury. All receipts received by the department under this chapter must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used by the department only for administering and enforcing this chapter.
NEW SECTION. Sec. 14. ANTITRUST IMMUNITY. The activities authorized by this chapter require collaboration among covered manufacturers. These activities will enable safe and secure collection and disposal of covered drugs in Washington state and are therefore in the best interest of the public. The benefits of collaboration, together with active state supervision, outweigh potential adverse impacts. Therefore, the legislature intends to exempt from state antitrust laws, and provide immunity through the state action doctrine from federal antitrust laws, activities that are undertaken, reviewed, and approved by the department pursuant to this chapter that might otherwise be constrained by such laws. The legislature does not intend and does not authorize any person or entity to engage in activities not provided for by this chapter, and the legislature neither exempts nor provides immunity for such activities.

NEW SECTION. Sec. 15. FEDERAL LAW. This chapter is void if a federal law, or a combination of federal laws, takes effect that establishes a national program for the collection of covered drugs that substantially meets the intent of this chapter, including the creation of a funding mechanism for collection, transportation, and proper disposal of all covered drugs in the United States.

NEW SECTION. Sec. 16. LOCAL LAWS. (1)(a) For a period of twelve months after a drug take-back program approved under section 5 of this act begins operating, a county may enforce a grandfathered ordinance. During that twelve-month period, if a county determines that a covered manufacturer is in compliance with its grandfathered ordinance, the department shall find the covered manufacturer in compliance with the requirements of this chapter with respect to that county.

(b) In any county enforcing a grandfathered ordinance as described in (a) of this subsection, the program operator of an approved drug take-back program must work with the county and the department to incorporate the local program into the approved drug take-back program on or before the end of the twelve-month period.

(2) After the effective date of this section, a political subdivision may not enact or enforce a local ordinance that requires a retail pharmacy, clinic, hospital, or local law enforcement agency to provide for collection and disposal of covered drugs from covered entities.

(3) At the end of the twelve-month period provided in subsection (1) of this section, this chapter preempts all existing or future laws enacted by a county, city, town, or other political subdivision of the state regarding a drug take-back program or other program for the collection, transportation, and disposal of covered drugs, or promotion, education, and public outreach relating to such a program.

(4) For purposes of this section, "grandfathered ordinance" means a pharmaceutical product stewardship or drug take-back ordinance that: (a) Is in effect on the effective date of this section; and (b) the department determines meets or exceeds the requirements of this chapter with respect to safe and secure collection and disposal of unwanted medicines from residents, including the types of drugs covered by the program, the convenience of the collection system for residents, and required promotion of the program.

NEW SECTION. Sec. 17. PUBLIC DISCLOSURE. Proprietary information submitted to the department under this chapter is exempt from public disclosure under RCW 42.56.270. The department may use and disclose such information in summary or aggregated form that does not directly or indirectly identify financial, production, or sales data of an individual covered manufacturer or drug take-back organization.

NEW SECTION. Sec. 18. RULE MAKING. The department shall adopt any rules necessary to implement and enforce this chapter.

NEW SECTION. Sec. 19. REPORT TO LEGISLATURE. (1) No later than thirty days after the department first approves a drug take-back program under section 5 of this act, the department shall submit an update to the legislature describing rules adopted under this chapter and the approved drug take-back program.

(2) By November 15th after the first full year of operation of an approved
drug take-back program and biennially thereafter, the department shall submit a report to the legislature. The report must:

(a) Describe the status of approved drug take-back programs;

(b) Evaluate the secure medicine collection and disposal system and the program promotion, education, and public outreach requirements established by this chapter;

(c) Evaluate, in conjunction with an academic institution that is not an agency of the state and is qualified to conduct and evaluate research relating to prescription and nonprescription drug use and abuse and environmental impact, to the extent feasible, the impact of approved drug take-back programs on: Awareness and compliance of residents with safe storage of medicines in the home and secure disposal of covered drugs; rates of misuse, abuse, overdoses, and poisonings from prescription and nonprescription drugs; and diversions of covered drugs from sewer, solid waste, and septic systems. To conduct this evaluation, the department and the academic institution may rely on available data sources, including the public awareness surveys required under this chapter, and the prescription drug monitoring program and public health surveys such as the Washington state healthy youth survey. The department and the academic institution may also consult with other state and local agencies and interested stakeholders; and

MESSAGE FROM THE SENATE

February 27, 2018

Mr. Speaker:

The Senate has passed THIRD SUBSTITUTE HOUSE BILL NO. 1169 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that an educated workforce is essential for the state's economic development. By 2020 seventy percent of available jobs in Washington will require at least a postsecondary credential. According to the 2015 A Skilled and Educated Workforce report, bachelor degree production in high-demand fields, such as science, technology, engineering, mathematics, and health, does not meet the demand of Washington's employers. The state has also set educational attainment goals to recognize the need and benefits of an educated workforce. College degree holders have higher incomes, better financial health, and are more likely to be homeowners than those who do not have college degrees. In fact, young adults aged twenty-two to thirty-five with a college degree are fifty percent more likely to own a home than those without a degree.

However, the legislature finds that the cost of higher education has risen dramatically in recent years. Between 2003 and 2013, the price index of tuition rose eighty percent, three times the increase in the consumer price index and nearly double the increase in the medical price index over the same period. The legislature also finds that students are financing their education with more student loan debt. According to the institute for college access and success' project on student debt, in 2014 fifty-eight percent of recent graduates in Washington had debt, and the average federal student loan debt load for a student graduating from a four-year public or private institution of higher education was twenty-four thousand eight hundred dollars. This is an increase of forty-two percent since 2004, when the average debt load was seventeen thousand four hundred dollars. These averages do not take into account additional private loans that many students take out to supplement their federal loans.

Student loan debt can greatly impact the economic benefits of earning a college degree. Surveys indicate that people burdened by student loan debt are less likely to buy a home; get married and start a family; start a small business; pursue lower paying professions such as teaching, nonprofit work, or social work; or even continue their education. The legislature finds that these decisions create a chain reaction of economic and social impact to the state.

The legislature recognizes that student loan debt is very different from other forms of debt, such as auto loans and home mortgages, for a variety of reasons. With most debt, borrowers know beforehand how much their monthly payment will be. However, student loans are more complicated because a student may borrow different amounts term to term and make decisions on an incremental basis as their financial aid packages, work, and living situations change. In addition, student loans may have origination fees, accumulated and capitalized interest,
grace and forbearance periods, and income-based repayment options that all change the monthly payment amount. The legislature recognizes that another major difference with student loan debt is the unknown factor: Students take out the debt without having a clear idea of their future income and other financial obligations. Lastly, if a student has trouble repaying a student loan, the loans are not secured with physical property that can be sold, and in the event of bankruptcy, are nearly impossible to discharge.

According to the United States department of education, Washington students are defaulting on their federal student loans at roughly the same rate as the national average. For the cohort that entered into repayment on their federal student loans in 2013, ten percent, or seven thousand seven hundred forty-six students, fell into default during the fiscal year ending September 30, 2016, just under the national average of eleven percent.

The consequences of default can haunt student loan borrowers for years unless they are able to rehabilitate their loans. These consequences may include suspension of the borrower's professional license; excessive contact from collection agencies; garnishment of wages and bank accounts; as well as seizing of the borrower's tax refund and other federal payments, such as social security retirement, and disability benefits. Defaulting on a student loan damages a borrower's credit, making it difficult to qualify for a mortgage or auto loan, rent an apartment, and even find employment, closing people off from the resources they need for financial stability.

The legislature acknowledges that the state currently allows regulators of twenty-six professions to suspend the professional licenses or certificates of student loan borrowers who have defaulted on their loans. In 2015 the department of licensing reported one hundred ten license suspensions for student loan default within the eleven professions it regulates, most of which were in the field of cosmetology. Twenty-one states, such as Texas, Pennsylvania, and South Carolina do not allow for wage garnishment for consumer debt. For federal student loans, the department of education can garnish up to fifteen percent of a borrower's disposable income, but not more than thirty times the minimum wage. In Washington, a borrower can have twenty-five percent of his or her disposable earnings garnished, or thirty-five times the federal minimum wage. As for bank account exemptions, Massachusetts protects two thousand five hundred dollars from garnishment compared to Washington's current exemption of five hundred dollars. To put this figure into perspective, the average rent in the Seattle metropolitan area is two thousand eighty-seven dollars.

Therefore, it is the legislature's intent to help student loan borrowers in default avoid loss of professional license or certification, which hinders repayment. It is also the legislature's intent to help student loan borrowers in default to maintain financial stability and to avoid the hardships of bank account and wage garnishment by making
the postjudgment interest rate for private student loan debt more comparable to the market rate and by increasing the exemptions for bank account and wage garnishments.

The person's license may not be reissued until the person provides the director a written release issued by the lending agency stating that the person is making payments on the loan in accordance with a repayment agreement approved by the lending agency. If the person has continued to meet all other requirements for licensure during the suspension, reinstatement is automatic upon receipt of the notice and payment of any reinstatement fee the director may impose.

PART II

Sec. 201. RCW 4.56.110 and 2010 c 149 s 1 are each amended to read as follows:

(1) Judgments founded on written contracts, providing for the payment of interest until paid at a specified rate, shall bear interest at the rate specified in the contracts: PROVIDED, That said interest rate is set forth in the judgment.

(2) All judgments for unpaid child support that have accrued under a superior court order or an order entered under the administrative procedure act shall bear interest at the rate of twelve percent.

(3)(a) Judgments founded on the tortious conduct of a "public agency" as defined in RCW 42.30.020 shall bear interest from the date of entry at two percentage points above the equivalent coupon issue yield, as published by the board of governors of the federal reserve system, of the average bill rate for twenty-six week treasury bills as determined at the first bill market auction conducted during the calendar month immediately preceding the date of entry. In any case where a court is directed on review to enter judgment on a verdict or in any case where a judgment entered on a verdict is wholly or partly affirmed on review, interest on the judgment or on that portion of the judgment affirmed shall date back to and shall accrue from the date the verdict was rendered.

(b) Except as provided in (a) of this subsection, judgments founded on the tortious conduct of individuals or other entities, whether acting in their personal or representative capacities, shall bear interest from the date of entry at two percentage points above the prime rate, as published by the board of governors of the federal reserve system on the first business day of the calendar month immediately preceding the date of entry. In any case where a court is directed on review to enter judgment on a verdict or in any case where a judgment entered on a verdict is wholly or partly affirmed on review, interest on the judgment or on that portion of the judgment affirmed shall date back to and shall accrue from the date the verdict was rendered.

In any case where a court is directed on review to enter judgment on a verdict or in any case where a judgment entered on a verdict is wholly or partly affirmed on review, interest on the judgment or on that portion of the judgment affirmed shall date back to and shall accrue from the date the verdict was rendered. The method for determining an interest rate prescribed by this subsection is also the method for determining the "rate applicable to civil judgments" for purposes of RCW 10.82.090.

This is a writ for a continuing lien. The garnishee shall hold the nonexempt portion of the defendant's earnings due at the time of service of this writ and shall also hold the defendant's nonexempt earnings that accrue through the last payroll period ending on or before sixty days after the date of service of this writ. However, if the garnishee is presently holding the nonexempt portion of the defendant's earnings under a previously served writ for a continuing lien, the garnishee shall hold under this writ only the defendant's nonexempt earnings that accrue from the date the previously served writ or writs terminate and through the last payroll period ending on or before sixty days after the date of termination of the previous writ
or writs. IN EITHER CASE, THE GARNISHEE SHALL STOP WITHHOLDING WHEN THE SUM WITHHELD EQUALS THE AMOUNT STATED IN THIS WRIT OF GARNISHMENT.

YOU ARE HEREBY COMMANDED, unless otherwise directed by the court, by the attorney of record for the plaintiff, or by this writ, not to pay any debt, whether earnings subject to this garnishment or any other debt, owed to the defendant at the time this writ was served and not to deliver, sell, or transfer, or recognize any sale or transfer of, any personal property or effects of the defendant in your possession or control at the time when this writ was served. Any such payment, delivery, sale, or transfer is void to the extent necessary to satisfy the plaintiff's claim and costs for this writ with interest.

YOU ARE FURTHER COMMANDED to answer this writ according to the instructions in this writ and in the answer forms and, within twenty days after the service of the writ upon you, to mail or deliver the original of such answer to the court, one copy to the plaintiff or the plaintiff's attorney, and one copy to the defendant, at the addresses listed at the bottom of this writ.

If, at the time this writ was served, you owed the defendant any earnings (that is, wages, salary, commission, bonus, tips, or other compensation for personal services or any periodic payments pursuant to a nongovernmental pension or retirement program), the defendant is entitled to receive amounts that are exempt from garnishment under federal and state law. You must pay the exempt amounts to the defendant on the day you would customarily pay the compensation or other periodic payment. As more fully explained in the answer, the basic exempt amount is the greater of seventy-five percent of disposable earnings or a minimum amount determined by reference to the employee's pay period, to be calculated as provided in the answer. However, if this writ carries a statement in the heading ((that)) of either: "This garnishment is based on a judgment or order for child support," the basic exempt amount is fifty percent of disposable earnings; or "This garnishment is based on a judgment or order for private student loan debt," the basic exempt amount is the greater of eighty-five percent of disposable earnings or fifty times the minimum hourly wage of the highest minimum wage law in the state at the time the earnings are payable.

YOU MAY DEDUCT A PROCESSING FEE FROM THE REMAINDER OF THE EMPLOYEE'S EARNINGS AFTER WITHHOLDING UNDER THIS WRIT. THE PROCESSING FEE MAY NOT EXCEED TWENTY DOLLARS FOR THE FIRST ANSWER AND TEN DOLLARS AT THE TIME YOU SUBMIT THE SECOND ANSWER.

If you owe the defendant a debt payable in money in excess of the amount set forth in the first paragraph of this writ, hold only the amount set forth in the first paragraph and any processing fee if one is charged and release all additional funds or property to defendant.

IF YOU FAIL TO ANSWER THIS WRIT AS COMMANDED, A JUDGMENT MAY BE ENTERED AGAINST YOU FOR THE FULL AMOUNT OF THE PLAINTIFF'S CLAIM AGAINST THE DEFENDANT WITH ACCRUING INTEREST, ATTORNEY FEES, AND COSTS WHETHER OR NOT YOU OWE ANYTHING TO THE DEFENDANT. IF YOU PROPERLY ANSWER THIS WRIT, ANY JUDGMENT AGAINST YOU WILL NOT EXCEED THE AMOUNT OF ANY NONEXEMPT DEBT OR THE VALUE OF ANY NONEXEMPT PROPERTY OR EFFECTS IN YOUR POSSESSION OR CONTROL.

JUDGMENT MAY ALSO BE ENTERED AGAINST THE DEFENDANT FOR COSTS AND FEES INCURRED BY THE PLAINTIFF.

Sec. 206. RCW 6.27.140 and 2012 c 159 s 8 are each amended to read as follows:

(1) The notice required by RCW 6.27.130(1) to be mailed to or served on an individual judgment debtor shall be in the following form, printed or typed in no smaller than size twelve point font:

NOTICE OF GARNISHMENT
AND OF YOUR RIGHTS

A Writ of Garnishment issued in a Washington court has been or will be served on the garnishee named in the attached copy of the writ. After receipt of the writ, the garnishee is required to withhold payment of any money that was due to you and to withhold any other property of yours that the garnishee held or controlled. This notice of your rights is required by law.

YOU HAVE THE FOLLOWING EXEMPTION RIGHTS:

WAGES. If the garnishee is your employer who owes wages or other personal earnings to you, your employer is required to pay amounts to you that are exempt under state and federal laws, as explained in the writ of garnishment. You should receive a copy of your employer's answer, which will show how the exempt amount was calculated. If the garnishment is for child support, the exempt amount paid to you will be a percent of your disposable earnings, which is fifty percent of that part of your earnings remaining after your employer deducts those amounts which are required by law to be withheld. If the garnishment is for private student loan debt, the exempt amount paid to you will be the greater of the following: A percent of your disposable earnings, which is eighty-five percent of the part of your earnings remaining after your employer deducts those amounts which are required by law to be withheld, or fifty times the minimum hourly wage of the highest minimum wage law in the state at the time the earnings are payable.

BANK ACCOUNTS. If the garnishee is a bank or other institution with which you have an account in which you have deposited benefits such as Temporary Assistance for Needy Families, Supplemental Security Income (SSI), Social Security, veterans' benefits, unemployment compensation, or any federally qualified pension, such as a state or federal pension, individual retirement account (IRA), or 401K plan, you may claim the
account as fully exempt if you have deposited only such benefit funds in the account. It may be partially exempt even though you have deposited money from other sources in the same account. An exemption is also available under RCW 26.16.200, providing that funds in a community bank account that can be identified as the earnings of a stepparent are exempt from a garnishment on the child support obligation of the parent.

OTHER EXEMPTIONS. If the garnishee holds other property of yours, some or all of it may be exempt under RCW 6.15.010, a Washington statute that exempts certain property of your choice (including up to $2,500.00 in a bank account if you owe on private student loan debts or up to $500.00 in a bank account for all other debts) and certain other property such as household furnishings, tools of trade, and a motor vehicle (all limited by differing dollar values).

HOW TO CLAIM EXEMPTIONS. Fill out the enclosed claim form and mail or deliver it as described in instructions on the claim form. If the plaintiff does not object to your claim, the funds or other property that you have claimed as exempt must be released not later than 10 days after the plaintiff receives your claim form. If the plaintiff objects, the law requires a hearing not later than 14 days after the plaintiff receives your claim form, and notice of the objection and hearing date will be mailed to you at the address that you put on the claim form.

THE LAW ALSO PROVIDES OTHER EXEMPTION RIGHTS. IF NECESSARY, AN ATTORNEY CAN ASSIST YOU TO ASSERT THESE AND OTHER RIGHTS, BUT YOU MUST ACT IMMEDIATELY TO AVOID LOSS OF RIGHTS BY DELAY.

(2)(a) If the writ is to garnish funds or property held by a financial institution, the claim form required by RCW 6.27.130(1) to be mailed to or served on an individual judgment debtor shall be in the following form, printed or typed in no smaller than size twelve point font:

MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1239 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.02.030 and 2014 c 220 s 15 are each amended to read as follows:

(1) A patient may authorize a health care provider or health care facility to disclose the patient’s health care information. A health care provider or health care facility shall honor an authorization and, if requested, provide a copy of the recorded health care information unless the health care provider or health care facility denies the patient access to health care information under RCW 70.02.090.

(2)(a) Except as provided in (b) of this subsection, a health care provider or health care facility may charge a reasonable fee for providing the health care information and is not required to honor an authorization until the fee is paid.

(b) Upon request of a patient or a patient's personal representative, a health care facility or health care provider shall provide the patient or representative with one copy of the patient's health care information free of charge if the patient is appealing the denial of federal supplemental security income or social security disability benefits. The patient or representative may complete a disclosure authorization specifying the health care information requested and provide it to the health care facility or health care provider. The health care facility or health care provider may provide the health care information in either paper or electronic format. A health care facility or health care provider is not required to provide a patient or a patient's personal representative with a free copy of health care information that has previously been provided free of charge pursuant to a request within the preceding two years.

(3) To be valid, a disclosure authorization to a health care provider or health care facility shall:

(a) Be in writing, dated, and signed by the patient;

(b) Identify the nature of the information to be disclosed;

(c) Identify the name and institutional affiliation of the person or class of persons to whom the information is to be disclosed;

(d) Identify the provider or class of providers who are to make the disclosure;

(e) Identify the patient; and

(f) Contain an expiration date or an expiration event that relates to the patient or the purpose of the use or disclosure.

(4) Unless disclosure without authorization is otherwise permitted under RCW 70.02.050 or the federal health insurance portability and accountability act of 1996 and its implementing regulations, an authorization may permit the disclosure of health care information to a class of persons that includes:

(a) Researchers if the health care provider or health care facility obtains the informed consent for the use of the patient's health care information for research purposes; or

(b) Third-party payors if the information is only disclosed for payment purposes.

(5) Except as provided by this chapter, the signing of an authorization by a patient is not a waiver of any rights a patient has under other statutes, the rules of evidence, or common law.

(6) When an authorization permits the disclosure of health care information to
a financial institution or an employer of the patient for purposes other than payment, the authorization as it pertains to those disclosures shall expire one year after the signing of the authorization, unless the authorization is renewed by the patient.

(7) A health care provider or health care facility shall retain the original or a copy of each authorization or revocation in conjunction with any health care information from which disclosures are made.

(8) Where the patient is under the supervision of the department of corrections, an authorization signed pursuant to this section for health care information related to mental health or drug or alcohol treatment expires at the end of the term of supervision, unless the patient is part of a treatment program that requires the continued exchange of information until the end of the period of treatment.

Sec. 2. RCW 70.02.045 and 2015 c 289 s 1 are each amended to read as follows:

Third-party payors shall not release health care information disclosed under this chapter, except as required by chapter 43.371 RCW and section 4 of this act and to the extent that health care providers are authorized to do so under RCW 70.02.050, 70.02.200, and 70.02.210.

Sec. 3. RCW 70.02.080 and 1993 c 448 s 5 are each amended to read as follows:

(1) Upon receipt of a written request from a patient to examine or copy all or part of the patient's recorded health care information, a health care provider, as promptly as required under the circumstances, but no later than fifteen working days after receiving the request shall:

(a) Make the information available for examination during regular business hours and provide a copy, if requested, to the patient;

(b) Inform the patient if the information does not exist or cannot be found;

(c) If the health care provider does not maintain a record of the information, inform the patient and provide the name and address, if known, of the health care provider who maintains the record;

(d) If the information is in use or unusual circumstances have delayed handling the request, inform the patient and specify in writing the reasons for the delay and the earliest date, not later than twenty-one working days after receiving the request, when the information will be available for examination or copying or when the request will be otherwise disposed of; or

(e) Deny the request, in whole or in part, under RCW 70.02.090 and inform the patient.

(2) Upon request, the health care provider shall provide an explanation of any code or abbreviation used in the health care information. If a record of the particular health care information requested is not maintained by the health care provider in the requested form, the health care provider is not required to create a new record or reformulate an existing record to make the health care information available in the requested form. Except as provided in RCW 70.02.030, the health care provider may charge a reasonable fee for providing the health care information and is not required to permit examination or copying until the fee is paid.

NEW SECTION. Sec. 4. A new section is added to chapter 48.43 RCW to read as follows:

Upon request of a covered person or a covered person's personal representative, an issuer shall provide the covered person or representative with one copy of the covered person's health care information free of charge if the covered person is appealing the denial of federal supplemental security income or social security disability benefits. The issuer may provide the health care information in either paper or electronic format. An issuer is not required to provide a covered person or a covered person's personal representative with a free copy of health care information that has previously been provided free of charge pursuant to a request within the preceding two years. For purposes of this section, "health care information" has the same meaning as in RCW 70.02.010."

On page 1, line 2 of the title, after "benefits;" strike the remainder of the title and insert "amending RCW 70.02.030, 70.02.045, and 70.02.080; and adding a new section to chapter 48.43 RCW."
and the same is herewith transmitted.

MESSAGE FROM THE SENATE

February 28, 2018

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1298 with the following amendment:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Criminal record" includes any record about a citation or arrest for criminal conduct, including records relating to probable cause to arrest, and includes any record about a criminal or juvenile case filed with any court, whether or not the case resulted in a finding of guilt.

(2) "Employer" includes public agencies, private individuals, businesses and corporations, contractors, temporary staffing agencies, training and apprenticeship programs, and job placement, referral, and employment agencies.

(3) "Otherwise qualified" means that the applicant meets the basic criteria for the position as set out in the advertisement or job description without consideration of a criminal record.

NEW SECTION. Sec. 2. (1) An employer may not include any question on any application for employment, inquire either orally or in writing, receive information through a criminal history background check, or otherwise obtain information about an applicant's criminal record until after the employer initially determines that the applicant is otherwise qualified for the position. Once the employer has initially determined that the applicant is otherwise qualified, the employer may inquire into or obtain information about a criminal record.

(2) An employer may not advertise employment openings in a way that excludes people with criminal records from applying. Ads that state "no felons," "no criminal background," or otherwise convey similar messages are prohibited.

(3) An employer may not implement any policy or practice that automatically or categorically excludes individuals with a criminal record from consideration prior to an initial determination that the applicant is otherwise qualified for the position. Prohibited policies and practices include rejecting an applicant for failure to disclose a criminal record prior to initially determining the applicant is otherwise qualified for the position.
(4) This section does not apply to:

(a) Any employer hiring a person who will or may have unsupervised access to children under the age of eighteen, a vulnerable adult as defined in chapter 74.34 RCW, or a vulnerable person as defined in RCW 9.96A.060;

(b) Any employer, including a financial institution, who is expressly permitted or required under any federal or state law to inquire into, consider, or rely on information about an applicant's or employee's criminal record for employment purposes;

(c) Employment by a general or limited authority Washington law enforcement agency as defined in RCW 10.93.020 or by a criminal justice agency as defined in RCW 10.97.030(5)(b);

(d) An employer seeking a nonemployee volunteer; or

(e) Any entity required to comply with the rules or regulations of a self-regulatory organization, as defined in section 3(a)(26) of the securities and exchange act of 1934, 15 U.S.C. 78c(a)(26).

NEW SECTION. Sec. 3. (1) This chapter may not be construed to interfere with, impede, or in any way diminish any provision in a collective bargaining agreement or the right of employees to bargain collectively with their employers through representatives of their own choosing concerning wages, standards, and conditions of employment.

(2) This chapter may not be interpreted or applied to diminish or conflict with any requirements of state or federal law, including Title VII of the civil rights act of 1964; the federal fair credit reporting act, 15 U.S.C. Sec. 1681; the Washington state fair credit reporting act, chapter 19.182 RCW; and state laws regarding unsupervised access to children or vulnerable persons, RCW 43.43.830 through 43.43.845.

(3) This chapter may not be interpreted or applied as imposing an obligation on the part of an employer to provide accommodations or job modifications in order to facilitate the employment or continued employment of an applicant or employee with a criminal record or who is facing pending criminal charges.

(4) This chapter may not be construed to discourage or prohibit an employer from adopting employment policies that are more protective of employees and job applicants than the requirements of this chapter.

(5) This chapter may not be construed to interfere with local government laws that provide additional protections to applicants or employees with criminal records, nor does it prohibit local governments from enacting greater protections for such applicants or employees in the future. Local government laws that provide lesser protections to job applicants with criminal records than this chapter conflict with this chapter and may not be enforced.

(6) This chapter may not be construed to create a private right of action to seek damages or remedies of any kind. The exclusive remedy available under this chapter is enforcement described in section 4 of this act. This chapter does not create any additional liability for employers beyond that enumerated in this chapter.

NEW SECTION. Sec. 4. (1) The state attorney general's office shall enforce this chapter. Its powers to enforce this chapter include the authority to:

(a) Investigate violations of this chapter on its own initiative;

(b) Investigate violations of this chapter in response to complaints and seek remedial relief for the complainant;

(c) Educate the public about how to comply with this chapter;

(d) Issue written civil investigative demands for pertinent documents, answers to written interrogatories, or oral testimony as required to enforce this chapter;

(e) Adopt rules implementing this chapter including rules specifying applicable penalties; and

(f) Pursue administrative sanctions or a lawsuit in the courts for penalties, costs, and attorneys' fees.

(2) In exercising its powers, the attorney general's office shall utilize a stepped enforcement approach, by first educating violators, then warning them, then taking legal, including administrative, action. Maximum penalties are as follows: A notice of
violation and offer of agency assistance for the first violation; a monetary penalty of up to seven hundred fifty dollars for the second violation; and a monetary penalty of up to one thousand dollars for each subsequent violation.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 7. Sections 1 through 4, 6, and 8 of this act constitute a new chapter in Title 49 RCW.

NEW SECTION. Sec. 8. This act may be known and cited as the Washington fair chance act.

NEW SECTION. Sec. 9. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2018, in the omnibus appropriations act, this act is null and void.”

There being no objection, the House concurred in the Senate amendment to SECOND SUBSTITUTE HOUSE BILL NO. 1298 and advanced the bill as amended by the Senate to final passage.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representatives Ortiz-Self and McCabe spoke in favor of the passage of the bill.

The Speaker (Representative Lovick presiding) stated the question before the House to be the final passage of Second Substitute House Bill No. 1298, as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Second Substitute House Bill No. 1298, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 52; Nays, 44; Absent, 0; Excused, 2.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has passed ENGROSSED THIRD SUBSTITUTE HOUSE BILL NO. 1488 with the following amendment:

"Sec. 1. RCW 28B.118.010 and 2017 3rd sp.s. c 20 s 11 are each amended to read as follows:
The office of student financial assistance shall design the Washington college bound scholarship program in accordance with this section and in alignment with the state need grant program in chapter 28B.92 RCW unless otherwise provided in this section.

(1) "Eligible students" are those students who:

(a) Qualify for free or reduced-price lunches. If a student qualifies in the seventh grade, the student remains eligible even if the student does not receive free or reduced-price lunches thereafter;

(b) Are dependent pursuant to chapter 13.34 RCW and:

(i) In grade seven through twelve; or

(ii) Are between the ages of eighteen and twenty-one and have not graduated from high school; or

(c) Were dependent pursuant to chapter 13.34 RCW and were adopted between the ages of fourteen and eighteen with a negotiated adoption agreement that includes continued eligibility for the Washington state college bound scholarship program pursuant to RCW 74.13A.025.

(2) Eligible students shall be notified of their eligibility for the Washington college bound scholarship program beginning in their seventh grade year. Students shall also be notified of the requirements for award of the scholarship.

(3)(a) To be eligible for a Washington college bound scholarship, a student eligible under subsection (1)(a) of this section must sign a pledge during seventh or eighth grade that includes a commitment to graduate from high school with at least a C average and with no felony convictions. The pledge must be witnessed by a parent or guardian and forwarded to the office of student financial assistance by mail or electronically, as indicated on the form.

(b) A student eligible under subsection (1)(b) of this section shall be automatically enrolled, with no action necessary by the student or the student's family, and the enrollment form must be forwarded by the department of social and health services to the higher education coordinating board or its successor by mail or electronically, as indicated on the form.

(4)(a) Scholarships shall be awarded to eligible students graduating from public high schools, approved private high schools under chapter 28A.195 RCW, or who received home-based instruction under chapter 28A.200 RCW.

(b)(i) To receive the Washington college bound scholarship, a student must graduate with at least a "C" average from a public high school or an approved private high school under chapter 28A.195 RCW in Washington or have received home-based instruction under chapter 28A.200 RCW, must have no felony convictions, and must be a resident student as defined in RCW 28B.15.012(2)(a) through (e).

(ii) For eligible children as defined in subsection (1)(b) and (c) of this section, to receive the Washington college bound scholarship, a student must have received a high school equivalency certificate as provided in RCW 28B.50.536 or have graduated with at least a "C" average from a public high school or an approved private high school under chapter 28A.195 RCW in Washington or have received home-based instruction under chapter 28A.200 RCW, must have no felony convictions, and must be a resident student as defined in RCW 28B.15.012(2)(a) through (e).

For a student who does not meet the "C" average requirement, and who completes fewer than two quarters in the running start program, under chapter 28A.600 RCW, the student's first quarter of running start course grades must be excluded from the student's overall grade point average for purposes of determining their eligibility to receive the scholarship.

(5) A student's family income will be assessed upon graduation before awarding the scholarship.
(6) If at graduation from high school the student's family income does not exceed sixty-five percent of the state median family income, scholarship award amounts shall be as provided in this section.

(a) For students attending two or four-year institutions of higher education as defined in RCW 28B.10.016, the value of the award shall be (i) the difference between the student's tuition and required fees, less the value of any state-funded grant, scholarship, or waiver assistance the student receives; (ii) plus five hundred dollars for books and materials.

(b) For students attending private four-year institutions of higher education in Washington, the award amount shall be the representative average of awards granted to students in public research universities in Washington or the representative average of awards granted to students in public research universities in Washington in the 2014-15 academic year, whichever is greater.

(c) For students attending private vocational schools in Washington, the award amount shall be the representative average of awards granted to students in public community and technical colleges in Washington or the representative average of awards granted to students in public community and technical colleges in Washington in the 2014-15 academic year, whichever is greater.

(7) Recipients may receive no more than four full-time years' worth of scholarship awards.

(8) Institutions of higher education shall award the student all need-based and merit-based financial aid for which the student would otherwise qualify. The Washington college bound scholarship is intended to replace unmet need, loans, and, at the student's option, work-study award before any other grants or scholarships are reduced.

(9) The first scholarships shall be awarded to students graduating in 2012.

(10) The state of Washington retains legal ownership of tuition units awarded as scholarships under this chapter until the tuition units are redeemed. These tuition units shall remain separately held from any tuition units owned under chapter 28B.95 RCW by a Washington college bound scholarship recipient.

(11) The scholarship award must be used within five years of receipt. Any unused scholarship tuition units revert to the Washington college bound scholarship account.

(12) Should the recipient terminate his or her enrollment for any reason during the academic year, the unused portion of the scholarship tuition units shall revert to the Washington college bound scholarship account.

Sec. 2. RCW 28B.145.030 and 2014 c 208 s 3 are each amended to read as follows:

(1) The program administrator, under contract with the council, shall staff the board and shall have the duties and responsibilities provided in this chapter, including but not limited to publicizing the program, selecting participants for the opportunity scholarship award, distributing opportunity scholarship awards, and achieving the maximum possible rate of return on investment of the accounts in subsection (2) of this section, while ensuring transparency in the investment decisions and processes. Duties, exercised jointly with the board, include soliciting funds and setting annual fund-raising goals. The program administrator shall be paid an administrative fee as determined by the board.

(2) With respect to the opportunity scholarship program, the program administrator shall:

(a) Establish and manage two separate accounts into which to receive grants and contributions from private sources as well as state matching funds, and from which to disburse scholarship funds to participants;

(b) Solicit and accept grants and contributions from private sources, via direct payment, pledge agreement, or escrow account, of private sources for deposit into one or both of the two accounts created in this subsection (2)(b) in accordance with this subsection (2)(b):

(i) The "scholarship account," whose principal may be invaded, and from which scholarships must be disbursed beginning no later than December 1, 2011, if, by that date, state matching funds in the amount of five million dollars or more have been received. Thereafter, scholarships shall be disbursed on an
annual basis beginning no later than May 1, 2012, and every October 1st thereafter;

(ii) The "endowment account," from which scholarship moneys may be disbursed from earnings only in years when:

(A) The state match has been made into both the scholarship and the endowment account;

(B) The state appropriations for the state need grant under RCW 28B.92.010 meet or exceed state appropriations for the state need grant made in the 2011-2013 biennium, adjusted for inflation, and eligibility for state need grant recipients is at least seventy percent of state median family income; and

(C) The state has demonstrated progress toward the goal of total per-student funding levels, from state appropriations plus tuition and fees, of at least the sixtieth percentile of total per-student funding at similar public institutions of higher education in the global challenge states, as defined, measured, and reported in RCW 28B.15.068. In any year in which the office of financial management reports that the state has not made progress toward this goal, no new scholarships may be awarded. In any year in which the office of financial management reports that the percentile of total per-student funding is less than the sixtieth percentile and at least five percent less than the prior year, pledges of future grants and contributions may, at the request of the donor, be released and grants and contributions already received refunded to the extent that opportunity scholarship awards already made can be fulfilled from the funds remaining in the endowment account. In fulfilling the requirements of this subsection, the office of financial management shall use resources that facilitate measurement and comparisons of the most recently completed academic year. These resources may include, but are not limited to, the data provided in a uniform dashboard format under RCW 28B.77.090 as the statewide public four-year dashboard and academic year reports prepared by the state board for community and technical colleges;

(iii) An amount equal to at least fifty percent of all grants and contributions must be deposited into the scholarship account until such time as twenty million dollars have been deposited into the account, after which time the private donors may designate whether their contributions must be deposited to the scholarship or the endowment account. The board and the program administrator must work to maximize private sector contributions to both the scholarship account and the endowment account, to maintain a robust scholarship program while simultaneously building the endowment, and to determine the division between the two accounts in the case of undesignated grants and contributions, taking into account the need for a long-term funding mechanism and the short-term needs of families and students in Washington. The first five million dollars in state match, as provided in RCW 28B.145.040, shall be deposited into the scholarship account and thereafter the state match shall be deposited into the two accounts in equal proportion to the private funds deposited in each account; and

(iv) Once moneys in the opportunity scholarship match transfer account are subject to an agreement under RCW 28B.145.050(5) and are deposited in the scholarship account or endowment account under this section, the state acts in a fiduciary rather than ownership capacity with regard to those assets. Assets in the scholarship account and endowment account are not considered state money, common cash, or revenue to the state;

(c) Provide proof of receipt of grants and contributions from private sources to the council, identifying the amounts received by name of private source and date, and whether the amounts received were deposited into the scholarship or the endowment account;

(d) In consultation with the council and the state board for community and technical colleges, make an assessment of the reasonable annual eligible expenses associated with eligible education programs identified by the board;

(e) Determine the dollar difference between tuition fees charged by institutions of higher education in the 2008-09 academic year and the academic year for which an opportunity scholarship is being distributed;

(f) Develop and implement an application, selection, and notification process for awarding opportunity scholarships;

(g) Determine the annual amount of the opportunity scholarship for each
selected participant. The annual amount shall be at least one thousand dollars or the amount determined under (e) of this subsection, but may be increased on an income-based, sliding scale basis up to the amount necessary to cover all reasonable annual eligible expenses as assessed pursuant to (d) of this subsection, or to encourage participation in baccalaureate degree programs identified by the board;

(h) Distribute scholarship funds to selected participants. Once awarded, and to the extent funds are available for distribution, an opportunity scholarship shall be automatically renewed as long as the participant annually submits documentation of filing both a free application for federal student aid and for available federal education tax credits, including but not limited to the American opportunity tax credit, or if ineligible to apply for federal student aid, the participant annually submits documentation of filing a state financial aid application as approved by the office of student financial assistance; and until the participant withdraws from or is no longer attending the program, completes the program, or has taken the credit or clock hour equivalent of one hundred twenty-five percent of the published length of time of the participant’s program, whichever occurs first; and as long as the participant annually submits documentation of filing both a free application for federal student aid and for available education tax credits, including but not limited to the American opportunity tax credit); and

(i) Notify institutions of scholarship recipients who will attend their institutions and inform them of the terms of the students' eligibility.

(3) With respect to the opportunity expansion program, the program administrator shall:

(a) Assist the board in developing and implementing an application, selection, and notification process for making opportunity expansion awards; and

(b) Solicit and accept grants and contributions from private sources for opportunity expansion awards.

Sec. 3. RCW 28B.15.012 and 2017 c 191 s 1 are each amended to read as follows:

Whenever used in this chapter:
institution of higher education under subsection (1) of this section; and who provides to the institution an affidavit indicating that the individual will file an application to become a permanent resident at the earliest opportunity the individual is eligible to do so and a willingness to engage in any other activities necessary to acquire citizenship, including but not limited to citizenship or civics review courses;

Sec. (a)(15) (E)(iii), (H)(i), or (L), or who holds lawful nonimmigrant status as the spouse or child of a person having nonimmigrant status under one of those subsections, or who, holding or having previously held such lawful nonimmigrant status as a principal or derivative, has filed an application for adjustment of status pursuant to 8 U.S.C. Sec. 1255(a);

(g) A student who is on active military duty stationed in the state or who is a member of the Washington national guard;

(h) A student who is on active military duty or a member of the national guard who entered service as a Washington resident and who has maintained Washington as his or her domicile but is not stationed in the state;

MESSAGE FROM THE SENATE

February 28, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1570 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that all of the people of the state should have the opportunity to live in a safe, healthy, and affordable home."
The legislature further recognizes that homelessness in Washington is unacceptable and that action needs to be taken to protect vulnerable households including families with children, youth and young adults, veterans, seniors, and people at high risk of homelessness, including survivors of domestic violence and people living with mental illness and other disabilities.

The legislature recognizes that homelessness has immediate and often times long-term consequences on the educational achievement of public school children and disproportionately impacts students of color. Additionally, the legislature recognizes that the health and safety of people experiencing homelessness is immediately and oftentimes significantly compromised, and that homelessness exacerbates physical and behavioral health disabilities. The legislature further recognizes that homelessness is disproportionately experienced by people of color and LGBTQ youth and young adults. The legislature recognizes that homelessness is also disproportionately experienced by people living with mental illness and that homelessness is an impediment to treatment. The legislature further recognizes that homelessness is disproportionately experienced by Native Americans.

In 2005, the Washington state legislature passed the homeless housing and assistance act that outlined several bold policies to address homelessness. That act also required a strategic plan by the department of commerce, which was first submitted in 2006 and subsequently updated. Since the first statewide plan, the state has succeeded in housing over five hundred fifty-six thousand people experiencing homelessness. These people were previously living in places not meant for human habitation, living in emergency shelters, or at imminent risk of becoming homeless. Although the overall prevalence of homelessness is down more than seventeen percent, the recent increase in homelessness, due in large part to surging housing costs, remains a crisis and more must be done.

Therefore, the legislature intends to improve resources available to aid with increasing access and removing barriers to housing for individuals and families in Washington.

Sec. 2. RCW 36.22.179 and 2017 3rd sp.s. c 16 s 5 are each amended to read as follows:

(1) In addition to the surcharge authorized in RCW 36.22.178, and except as provided in subsection (((2))) (3) of this section, an additional surcharge of sixty-two dollars shall be charged by the county auditor for each document recorded, which will be in addition to any other charge allowed by law. (From September 1, 2012, through June 30, 2023, the surcharge shall be forty dollars.) Except as provided in subsection (4) of this section, the funds collected pursuant to this section are to be distributed and used as follows:

(a) The auditor shall retain two percent for collection of the fee, and of the remainder shall remit sixty percent to the county to be deposited into a fund that must be used by the county for the collection and local distribution of these funds and administrative costs related to its homeless housing plan, and the remainder of which may be used by the county for the collection and local distribution of these funds and administrative costs related to its homeless housing plan, and the remainder to be used by the county for the collection and local distribution of these funds and administrative costs related to its homeless housing plan.

(4) Ten dollars of the surcharge imposed under subsection (1) of this section must be distributed to the counties to carry out the purposes of subsection (1)(a) of this section.

(5) For purposes of this section, "private rental housing" means housing owned by a private landlord and includes housing owned by a nonprofit housing entity.

Sec. 3. RCW 43.185C.030 and 2013 c 200 s 25 are each amended to read as follows:

(1) The department shall annually conduct a Washington homeless census or count consistent with the requirements of RCW 43.185C.180. The census shall make every effort to count all homeless individuals living outdoors, in shelters, and in transitional housing, coordinated, when reasonably feasible, with already existing homeless census projects including those funded in part by the United States department of housing and urban development under the McKinney-Vento homeless assistance program. The department shall determine, in consultation with local governments, the data to be collected. Summary data for the provider's facility or program may be substituted.
FIFTY FIFTH DAY, MARCH 3, 2018

(4) The Washington homeless census shall be conducted annually on a schedule created by the department. The department shall make summary data by county available to the public each year. This data, and its analysis, shall be included in the department's annual updated homeless housing program strategic plan.

(5) Based on the annual census and provider information from the local government plans, the department shall, by the end of year four, implement an online information and referral system to enable local governments and providers to identify available housing for a homeless person. The department shall work with local governments and their providers to develop a capacity for continuous case management to assist homeless persons.

The state homeless housing strategic plan must be submitted to the legislature by July 1, 2019, and every five years thereafter. The plan must include:

(a) Performance measures and goals to reduce homelessness, including long-term and short-term goals;

(b) An analysis of the services and programs being offered at the state and county level and an identification of those representing best practices and outcomes;

(c) Recognition of services and programs targeted to certain homeless populations or geographic areas in recognition of the diverse needs across the state;

(d) New or innovative funding, program, or service strategies to pursue;

(e) An analysis of either current drivers of homelessness or improvements to housing security, or both, such as increases and reductions to employment opportunities, housing scarcity and affordability, health and behavioral health services, chemical dependency treatment, and incarceration rates; and

(2) The department must coordinate its efforts on the state homeless housing strategic plan with the office of homeless youth prevention and protection programs advisory committee under RCW 43.330.705. The state homeless housing strategic plan must not conflict with the strategies, planning, data collection, and performance and outcome measures developed under RCW 43.330.705 and 43.330.706 to reduce the state's homeless youth population.

(3) To guide local governments in preparation of ((their first)) local homeless housing plans due December ((31, 2005)) 1, 2019, the department shall issue by ((October 15, 2005, temporary)) December 1, 2018, guidelines consistent with this chapter and including the best available data on each community's homeless population. ((2)(a) The department shall work in consultation with the interagency council on homelessness, the affordable housing advisory board, and the state advisory council on homelessness to develop performance measures that address the limitations of the annual point-in-time count on measuring the effectiveness of the document recording fee surcharge funds in supporting homelessness programs. The department must report its findings and recommendations regarding the new performance measures to the appropriate committees of the legislature by December 1, 2017.

(b) The department must implement at least three performance metrics, in addition to the point-in-time measurement, that measure the impact of surcharge funding on reducing homelessness by July 1, 2018.

(c) The joint legislative audit and review committee must review how the surcharge fees are expended to address homelessness, including a review of the related program performance measures and targets. The joint legislative audit and review committee must report its review findings by December 1, 2022, and update the review every five years thereafter.)

((3) The department shall develop a consistent statewide data gathering instrument to monitor the performance of cities and counties receiving grants in order to determine compliance with the terms and conditions set forth in the grant application or required by the department.

The department shall, in consultation with the interagency council on homelessness and the affordable housing advisory board, report biennially to the governor and the appropriate committees of the legislature an assessment of the state's performance in furthering the goals of the state five-year homeless housing strategic plan and the performance of each participating local government in creating and executing a local homeless housing plan which meets the requirements of this chapter. To increase the effectiveness of the report, the department must develop a process to ensure consistent presentation, analysis, and explanation in the report, including year-to-year comparisons, highlights of program successes and challenges, and information that supports recommended strategy or operational changes. The report may include performance measures such as:

The state's portion of the surcharge established in RCW 36.22.179 and 36.22.1791 must be deposited in the account. Expenditures from the account may be used only for homeless housing programs as described in this chapter. (If an independent audit finds that the department has failed to set aside at least forty-five percent of funds received under RCW 36.22.179(1)(b) after June 12, 2014, for the use of private rental housing payments, the department must submit a corrective action plan to the office of financial management within thirty days of receipt of the independent audit. The office of financial management must monitor the department's corrective action plan and expenditures from this account for the remainder of the fiscal year. If the department is not in compliance with RCW 36.22.179(1)(b) in any month of the fiscal year following submission of the corrective action plan, the office of financial management may reduce the department's allotments from this account and hold in reserve status a portion of the department's appropriation equal to the expenditures made during the month not in compliance with RCW 36.22.179(1)(b).)

management of its findings. The first
biennial expenditure review, for the
2017-2019 fiscal biennium, is due

NEW SECTION. Sec. 9. A new section is added to chapter 43.185C RCW to read as follows:

(1) By December 1st of each year, the department must provide an update on the state's homeless housing strategic plan and its activities for the prior fiscal year. The report must include, but not be limited to, the following information:

(b) A report on the results of the annual homeless point-in-time census conducted statewide under RCW 43.185C.030;

(c) The amount of federal, state, local, and private funds spent on homelessness assistance, categorized by funding source and the following major assistance types:

(i) Emergency shelter;

(ii) Homelessness prevention and rapid rehousing;

(iii) Permanent housing;

(iv) Permanent supportive housing;

(v) Transitional housing;

(vi) Services only; and

(vii) Any other activity in which more than five hundred thousand dollars of category funds were expended;

(d) A report on the expenditures, performance, and outcomes of state funds distributed through the consolidated homeless grant program, including the grant recipient, award amount expended, use of the funds, counties served, and households served;

(e) A report on state and local homelessness document recording fee expenditure by county, including the total amount of fee spending, percentage of total spending from fees, number of people served by major assistance type, and amount of expenditures for private

The annual report must be posted on the department's web site. Along with each local government annual report, the department must produce and post information on the local government's homelessness spending from all sources by project during the prior state fiscal year in a format similar to the department's report under subsection (1)(c) of this section. If a local government fails to report or provides an inadequate or incomplete report, the department must take corrective action, which may include withholding state funding for homelessness assistance to the local government to enable the department to use such funds to contract with other public or nonprofit entities to provide homelessness assistance within the jurisdiction.

Sec. 10. RCW 43.185C.240 and 2015 c 69 s 26 are each amended to read as follows:

(1) As a means of efficiently and cost-effectively providing housing assistance to very-low income and homeless households:

(a) Any local government that has the authority to issue housing vouchers, directly or through a contractor, using document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, or 36.22.1791 must:

(i) (A) Maintain an interested landlord list, which at a minimum, includes information on rental properties in buildings with fewer than fifty units;

(B) Update the list at least once per quarter;

(C) Distribute the list to agencies providing services to individuals and households receiving housing vouchers;

(D) Ensure that a copy of the list or information for accessing the list online is provided with voucher paperwork; and

(E) Communicate and interact with landlord and tenant associations located within its jurisdiction to facilitate development, maintenance, and distribution of the list to private rental housing landlords. The department must make reasonable efforts to ensure that local providers conduct outreach to private rental housing landlords each calendar quarter regarding opportunities to provide rental housing to the homeless and the availability of funds;

(ii) Using cost-effective methods of communication, convene, on a semiannual or more frequent basis, landlords represented on the interested landlord list and agencies providing services to individuals and households receiving housing vouchers to identify successes, barriers, and process improvements. The local government is not required to reimburse any participants for expenses related to attendance;

(iii) Produce data, limited to document recording fee uses and expenditures, on a (calendar) fiscal year basis in consultation with landlords represented on the interested landlord list and agencies providing services to individuals and households receiving housing vouchers, that include the following: Total amount expended from document recording fees; amount expended on, number of households that received, and number of housing vouchers issued in each of the private, public, and nonprofit markets; amount expended on, number of households that received, and number of housing placement payments provided in each of the private, public, and nonprofit markets; amount expended on and number of eviction prevention services provided in the private market; amount expended on and number of other tenant-based rent assistance services
provided in the private market; and amount expended on and number of services provided to unaccompanied homeless youth. If these data elements are not readily available, the reporting government may request the department to use the sampling methodology established pursuant to (c)(iii) of this subsection to obtain the data; and

(iv) Annually submit the ((calendar)) fiscal year data to the department ((by October 1st, with preliminary data submitted by October 1, 2012, and full calendar year data submitted beginning October 1, 2013)).

(b) Any local government receiving more than three million five hundred thousand dollars during the previous ((calendar)) fiscal year from document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, and 36.22.1791, must apply to the Washington state quality award program, or similar Baldrige assessment organization, for an independent assessment of its quality management, accountability, and performance system. The first assessment may be a lite assessment. After submitting an application, a local government is required to reapply at least every two years.

(c) The department must:

(i) Require contractors that provide housing vouchers to distribute the interested landlord list created by the appropriate local government to individuals and households receiving the housing vouchers;

(ii) Convene a stakeholder group by March 1, 2017, consisting of landlords, homeless housing advocates, real estate industry representatives, cities, counties, and the department to meet to discuss long-term funding strategies for homeless housing programs that do not include a surcharge on document recording fees. The stakeholder group must provide a report of its findings to the legislature by December 1, 2017;

(iii) Develop a sampling methodology to obtain data required under this section when a local government or contractor does not have such information readily available. The process for developing the sampling methodology must include providing notification to and the opportunity for public comment by local governments issuing housing vouchers, landlord association representatives, and agencies providing services to individuals and households receiving housing vouchers;

(iv) Develop a report, limited to document recording fee uses and expenditures, on a ((calendar)) fiscal year basis that may include consultation with local governments, landlord association representatives, and agencies providing services to individuals and households receiving housing vouchers, that includes the following: Total amount expended from document recording fees; amount expended on, number of households that received, and number of housing vouchers issued in each of the private, public, and nonprofit markets; amount expended on, number of households that received, and number of housing placement payments provided in each of the private, public, and nonprofit markets; amount expended on and number of eviction prevention services provided in the private market; the total amount of funds set aside for private rental housing payments as required in RCW 36.22.179(1)(b); and amount expended on and number of other tenant-based rent assistance services provided in the private market. The information in the report must include data submitted by local governments and data on all additional document recording fee activities for which the department contracted that were not otherwise reported. The data, samples, and sampling methodology used to develop the report must be made available upon request and for the audits required in this section;

(v) Annually submit the ((calendar)) fiscal year report to the legislature by December ((15th, with a preliminary report submitted by December 15, 2012, and full calendar year reports submitted beginning December 15, 2013)) 1st of each year; and

(vi) Work with the Washington state quality award program, local governments, and any other organizations to ensure the appropriate scheduling of assessments for all local governments meeting the criteria described in subsection (1)(b) of this section.

(d) The office of financial management must secure an independent audit of the department’s data and expenditures of state funds received under RCW 36.22.179(1)(b) on an annual basis. The independent audit must review a random sample of local governments, contractors, and housing providers that is geographically and demographically
The independent auditor must meet with the department and a landlord representative to review the preliminary audit and provide the department and the landlord representative with the opportunity to include written comments regarding the findings that must be included with the audit. The first audit of the department's data and expenditures will be for calendar year 2014 and is due July 1, 2015. Each audit thereafter will be due July 1st following the department's submission of the report to the legislature. If the independent audit finds that the department has failed to set aside at least forty-five percent of the funds received under RCW 36.22.179(1)(b) after June 12, 2014, for private rental housing payments, the independent auditor must notify the department and the office of financial management of its finding. In addition, the independent auditor must make recommendations to the office of financial management and the legislature on alternative means of distributing the funds to meet the requirements of RCW 36.22.179(1)(b).

(e) The office of financial management must contract with an independent auditor to conduct a performance audit of the programs funded by document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, and 36.22.1791. The audit must provide findings to determine if the funds are being used effectively, efficiently, and for their intended purpose. The audit must review the department's performance in meeting all statutory requirements related to document recording surcharge funds including, but not limited to, the data the department collects, the timeliness and quality of required reports, and whether the data and required reports provide adequate information and accountability for the use of the document recording surcharge funds. The audit must include recommendations for policy and operational improvements to the use of document recording surcharges by counties and the department. The performance audit must be submitted to the legislature by December 1, 2016.

(2) For purposes of this section:

(a) "Housing placement payments" means one-time payments, such as first and last month’s rent and move-in costs, funded by document recording surcharges collected pursuant to RCW 36.22.178, 36.22.179, or 36.22.1791 that are made to secure a unit on behalf of a tenant.

MESSAGE FROM THE SENATE

February 28, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1952 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 19.28.010 and 2001 c 211 s 2 are each amended to read as follows:

(1) All wires and equipment, and installations thereof, that convey electric current and installations of equipment to be operated by electric current, in, on, or about buildings or structures, except for telephone, telegraph, radio, and television wires and equipment, and television antenna installations, signal strength amplifiers, and coaxial installations pertaining thereto shall be in strict conformity with this chapter, the statutes of the state of Washington, and the rules issued by the department, and shall be in conformity with approved methods of construction for safety to life and property. All wires and equipment that fall within section 90.2(b)(5) of the National Electrical Code, 1981 edition, are exempt from the requirements of this chapter. The regulations and articles in the National Electrical Code, the national electrical safety code, and other installation and safety regulations approved by the national fire protection association, as modified or supplemented by rules issued by the department in furtherance of safety to life and property under authority hereby granted, shall be prima facie evidence of the approved methods of construction. All materials, devices, appliances, and equipment used in such installations shall be of a type that conforms to applicable standards or be indicated as acceptable by the established standards of any electrical product testing laboratory which is accredited by the department. Industrial control panels, utilization equipment, and their components do not need to be listed, labeled, or otherwise indicated as acceptable by an accredited electrical product testing laboratory unless specifically required by the National Electrical Code, 1993 edition.

(2) Residential buildings or structures moved into or within a county, city, or town are not required to comply with all of the requirements of this chapter, if the original occupancy classification of the building or structure is not changed as a result of the move. This subsection shall not apply to residential buildings or structures that are substantially remodeled or rehabilitated.

(3) This chapter shall not limit the authority or power of any city or town to enact and enforce under authority given by law, any ordinance, rule, or regulation requiring an equal, higher, or better standard of construction and an equal, higher, or better standard of materials, devices, appliances, and equipment than that required by this chapter. A city or town shall require that its electrical inspectors meet the qualifications provided for state electrical inspectors in accordance with RCW 19.28.321. In a city or town having an equal, higher, or better standard the installations, materials, devices, appliances, and equipment shall be in
accordance with the ordinance, rule, or regulation of the city or town.

(4) Incorporated cities and towns where electrical inspections are required by local ordinances may enforce the provisions of RCW 19.28.041(1), 19.28.161, 19.28.271(1), 19.28.420(1), and applicable licensing and certification rules within their respective jurisdictions. Nothing in this subsection diminishes the authority of the department to enforce the provisions of RCW 19.28.041(1), 19.28.161, 19.28.271(1), 19.28.420(1), and applicable licensing and certification rules within any city or town.

(5) Electrical equipment associated with spas, hot tubs, swimming pools, and hydromassage bathtubs shall not be offered for sale or exchange unless the electrical equipment is certified as being in compliance with the applicable product safety standard by bearing the certification mark of an approved electrical products testing laboratory.

(6) Nothing in this chapter may be construed as permitting the connection of any conductor of any electric circuit with a pipe that is connected with or designed to be connected with a waterworks piping system, without the consent of the person or persons legally responsible for the operation and maintenance of the waterworks piping system.

NEW SECTION. Sec. 2. A new section is added to chapter 19.28 RCW to read as follows:

This chapter shall not limit the authority or power of any city or town where electrical inspections are required by local ordinances to enact and enforce under authority given by law, any ordinance, rule, or regulation enforcing the same requirements of this chapter for having or possessing or displaying a license or a certificate, employing certified individuals, supervision of trainees, or duties of an administrator in their respective jurisdictions. Penalties are to be established within the limits provided in this chapter. No person, firm, partnership, corporation, or other entity may be penalized by both a city or town and the department for the same violation. Each day that a person, firm, partnership, corporation, or other entity violates this chapter is a separate violation. Penalties upheld through an appellate process of a city or town may be appealed to the board by filing a written notice of appeal to the secretary of the board. All costs of an appeal under this section payable from the electrical license fund shall be reimbursed by the city or town that is party to the matter. The process for service and hearings before the board shall be conducted according to the rules enacted by the department."

It shall be requisite to a trustee's sale:

(1) That the deed of trust contains a power of sale;

(2) That the deed of trust contains a statement that the real property conveyed is not used principally for agricultural purposes; provided, if the statement is false on the date the deed of trust was granted or amended to include that statement, and false on the date of the trustee's sale, then the deed of trust must be foreclosed judicially. Real property is used for agricultural purposes if it is used in an operation that produces crops, livestock, or aquatic goods;

(3) That a default has occurred in the obligation secured or a covenant of the grantor, which by the terms of the deed of trust makes operative the power to sell;

(4) That no action commenced by the beneficiary of the deed of trust is now pending to seek satisfaction of an obligation secured by the deed of trust in any court by reason of the grantor's default on the obligation secured: PROVIDED, That (a) the seeking of the appointment of a receiver, or the filing of a civil case to obtain court approval to access, secure, maintain, and preserve property from waste or nuisance, shall not constitute an action for purposes of this chapter; and (b) if a receiver is appointed, the grantor shall be entitled to any rents or profits derived from property subject to a homestead as defined in RCW 6.13.010. (5) That the deed of trust has been recorded in each county in which the land or some part thereof is situated;

(6) That prior to the date of the notice of trustee's sale and continuing thereafter through the date of the trustee's sale, the trustee must maintain a street address in this state where personal service of process may be made, and the trustee must maintain a physical presence and have telephone service at such address;

(7)(a) That, for residential real property, before the notice of trustee's sale is recorded, transmitted, or served, the trustee shall have proof that the beneficiary is the holder of any promissory note or other obligation secured by the deed of trust. A declaration by the beneficiary made under the penalty of perjury stating that the beneficiary is the holder of any promissory note or other obligation secured by the deed of trust shall be sufficient proof as required under this subsection.

(b) Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the beneficiary's declaration as evidence of proof required under this subsection.

(c) This subsection (7) does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW;

(8) That at least thirty days before notice of sale shall be recorded, transmitted or served, written notice of default and, for residential real property, the beneficiary declaration specified in subsection (7)(a) of this section shall be transmitted by the beneficiary or trustee to the borrower and grantor at their last known addresses by both first-class and either registered or certified mail, return receipt requested, and the beneficiary or trustee shall cause to be posted in a conspicuous place on the premises, a copy of the notice, or personally served on the borrower and grantor. (f) A statement showing the total of (d) and (e) of this subsection, designated clearly and conspicuously as the amount necessary to reinstate the note and deed of trust before the recording of the notice of sale;

(g) A statement that failure to cure the alleged default within thirty days of the date of mailing of the notice, or if personally served, within thirty days of the date of personal service thereof, may lead to recordation, transmittal, and publication of a notice of sale, and that the property described in (a) of this subsection may be sold at public auction at a date no less than one hundred twenty days in the future, or no less than one hundred fifty days in the future if the borrower received a letter under RCW 61.24.031;

(h) A statement that the effect of the recordation, transmittal, and publication of a notice of sale will be to (i) increase the costs and fees and (ii) publicize the default and advertise the grantor's property for sale;

(i) A statement that the effect of the sale of the grantor's property by the trustee will be to deprive the grantor of all their interest in the property described in (a) of this subsection;

(j) A statement that the borrower, grantor, and any guarantor has recourse to the courts pursuant to RCW 61.24.130 to contest the alleged default on any proper ground;

(b) If the mortgage servicer or trustee obtains or receives written documentation of the death of the borrower or grantor from the claimant, or otherwise independently confirms the death of the borrower or grantor, then the servicer or trustee must request in writing documentation from the claimant demonstrating the ownership interest of the claimant in the real property. A claimant has sixty days from the date of the request to present this documentation.

(c) If the mortgage servicer or trustee receives written documentation demonstrating the ownership interest of the claimant prior to the expiration of the sixty days provided in (b) of this subsection, then the servicer or trustee must, within twenty days of receipt of proof of ownership interest, provide the claimant with, at a minimum, the loan balance, interest rate and interest reset dates and amounts, balloon payments if any, prepayment penalties if any, the basis for the default, the monthly payment amount, reinstatement amounts or conditions, payoff amounts, and information on how and where payments should be made. The mortgage servicers shall also provide the claimant application materials and information, or a description of the process,
necessary to request a loan assumption and modification.

(d) Upon receipt by the trustee or the mortgage servicer of the documentation establishing claimant's ownership interest in the real property, that claimant shall be deemed a "successor in interest" for the purposes of this section.

(e) There may be more than one successor in interest to the borrower's property rights. The trustee and mortgage servicer shall apply the provisions of this section to each successor in interest. In the case of multiple successors in interest, where one or more do not wish to assume the loan as coborrowers or coapplicants, a mortgage servicer may require any nonapplicant successor in interest to consent in writing to the application for loan assumption.

(f) The existence of a successor in interest under this section does not impose an affirmative duty on a mortgage servicer or alter any obligation the mortgage servicer has to provide a loan modification to the successor in interest. If a successor in interest assumes the loan, he or she may be required to otherwise qualify for available foreclosure prevention alternatives offered by the mortgage servicer.

(g) (c), (e), and (f) of this subsection (11) do not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW; and

(12) Nothing in this section shall prejudice the right of the mortgage servicer or beneficiary from discontinuing any foreclosure action initiated under the deed of trust act in favor of other allowed methods for pursuit of foreclosure of the security interest or deed of trust security interest.

Sec. 2. RCW 61.24.040 and 2012 c 185 s 10 are each amended to read as follows:

You may reinstate your Deed of Trust and the obligation secured thereby at any
time up to and including the . . . . . . day of . . . . . . , . . . [11 days before the sale date], by paying the amount set forth or estimated above and by curing any other defaults described above. Of course, as time passes other payments may become due, and any further payments coming due and any additional late charges must be added to your reinstating payment. Any new defaults not involving payment of money that occur after the date of this notice must also be cured in order to effect reinstatement. In addition, because some of the charges can only be estimated at this time, and because the amount necessary to reinstate or to pay off the entire indebtedness may include presently unknown expenditures required to preserve the property or to comply with state or local law, it will be necessary for you to contact the Trustee before the time you tender reinstatement or the payoff amount so that you may be advised of the exact amount you will be required to pay. Tender of payment or performance must be made to: . . . . . . , whose address is . . . . . . , telephone ( . . . . . . ) . . . . . . .

AFTER THE . . . . . . DAY OF . . . . . . , . . . , YOU MAY NOT REINSTATE YOUR DEED OF TRUST BY PAYING THE BACK PAYMENTS AND COSTS AND FEES AND CURING THE OTHER DEFAULTS AS OUTLINED ABOVE. The Trustee will respond to any written request for current payoff or reinstatement amounts within ten days of receipt of your written request. In such a case, you will only be able to stop the sale by paying, before the sale, the total principal balance ($ . . . . . . ) plus accrued interest, costs and advances, if any, made pursuant to the terms of the documents and by curing the other defaults as outlined above.

You may contest this default by initiating court action in the Superior Court of the county in which the sale is to be held. In such action, you may raise any legitimate defenses you have to this default. A copy of your Deed of Trust and documents evidencing the obligation secured thereby are enclosed. You may wish to consult a lawyer. Legal action on your part may prevent or restrain the sale, but only if you persuade the court of the merits of your defense. You may contact the Department of Financial Institutions or the statewide civil legal aid hotline for possible assistance or referrals.

The court may grant a restraining order or injunction to restrain a trustee's sale pursuant to RCW 61.24.130 upon five days notice to the trustee of the time when, place where, and the judge before whom the application for the restraining order or injunction is to be made. This notice shall include copies of all pleadings and related documents to be given to the judge. Notice and other process may be served on the trustee at:

NAM: ........................

E: ................................

ADDRESS: ........................

........................

TELEPHONE NUMBER: ........................

If you do not reinstate the secured obligation and your Deed of Trust in the manner set forth above, or if you do not succeed in restraining the sale by court action, your property will be sold. The effect of such sale will be to deprive you and all those who hold by, through or under you of all interest in the property;

( ((24)) ) (5) In addition, the trustee shall cause a copy of the notice of sale described in subsection ((((1)(f))) (2)(d) of this section (excluding the acknowledgment) to be published in a legal newspaper in each county in which the property or any part thereof is situated, once on or between the thirty-fifth and twenty-eighth day before the date of sale, and once on or between the fourteenth and seventh day before the date of sale;

( ((44)) ) (6) In the case where no successor in interest has been established, and neither the beneficiary nor the trustee are able to ascertain the name and address of any spouse, child, or parent of the borrower or grantor in the manner described in RCW 61.24.030(10), then the trustee may, in addition to mailing notice to the property addressed to the unknown heirs and devisees of the grantor, serve the notice of sale by publication in a newspaper of general circulation in the county or city where the property is located once per week for three consecutive weeks. Upon this service by publication, to be completed not less than thirty days prior to the date the sale is conducted, all unknown heirs shall be deemed served with the notice of sale;

(7)(a) If a servicer or trustee receives notification by someone
claiming to be a successor in interest to
the borrower or grantor, as under RCW
61.24.030(11), after the recording of the
notice of sale, the trustee or servicer
must request written documentation
within five days demonstrating the
ownership interest, provided that, the
trustee may, but is not required to,
postpone a trustee's sale upon receipt of
such notification by someone claiming to
be a successor in interest.

(b) Upon receipt of documentation
establishing a claimant as a successor in
interest, the servicer must provide the
information in RCW 61.24.030(11)(c).
Only if the servicer or trustee receives
the documentation confirming someone as
successor in interest more than forty-
five days before the scheduled sale must
the servicer then provide the information
in RCW 61.24.030(11)(c) to the claimant
not less than twenty days prior to the
sale.

(c) (b) of this subsection (7) does
not apply to association beneficiaries
subject to chapter 64.32, 64.34, or 64.38
RCW.

(8) On the date and at the time
designated in the notice of sale, the
trustee or its authorized agent shall
sell the property at public auction to
the highest bidder. The trustee may sell
the property in gross or in parcels as
the trustee shall deem most advantageous;

(9) The place of sale shall be
at any designated public place within the
county where the property is located and
if the property is in more than one
county, the sale may be in any of the
counties where the property is located.
The sale shall be on Friday, or if Friday
is a legal holiday on the following
Monday, and during the hours set by
statute for the conduct of sales of real
estate at execution;

(10) The trustee has no
obligation to, but may, for any cause the
trustee deems advantageous, continue the
sale for a period or periods not
exceeding a total of one hundred twenty
days by (a) a public proclamation at the
time and place fixed for sale in the
notice of sale and if the continuance is
beyond the date of sale, by giving notice
of the new time and place of the sale by
both first class and either certified or
registered mail, return receipt
requested, to the persons specified in
subsection (1)(b)(i) and (ii) of this
section to be deposited in the mail (i)
not less than four days before the new
date fixed for the sale if the sale is
continued for up to seven days; or (ii)
not more than three days after the date
of the continuance by oral proclamation
if the sale is continued for more than
seven days, or, alternatively, (b) by
giving notice of the time and place of
the postponed sale in the manner and to
the persons specified in subsection
(1)(b), (c), (d), and (e) of this section
and publishing a copy of such notice once
in the newspaper(s) described in
subsection (9) of this section, more than
seven days before the date
fixed for sale in the notice of sale. No
other notice of the postponed sale need
be given;

(11) The purchaser shall
forthwith pay the price bid and on
payment the trustee shall execute to the
purchaser its deed; the deed shall recite
the facts showing that the sale was
conducted in compliance with all of the
requirements of this chapter and of the
deed of trust, which recital shall be
prima facie evidence of such compliance
and conclusive evidence thereof in favor
of bona fide purchasers and encumbrancers
for value, except that these recitals
shall not affect the lien or interest of
any person entitled to notice under
subsection (1) of this section, if the
trustee fails to give the required notice
to such person. In such case, the lien or
interest of such omitted person shall not
be affected by the sale and such omitted
person shall be treated as if such person
was the holder of the same lien or
interest and was omitted as a party
defendant in a judicial foreclosure
proceeding;

(12) The sale as authorized
under this chapter shall not take place
less than one hundred ninety days from
the date of default in any of the
obligations secured;

(13) If the trustee elects to
foreclose the interest of any occupant or
tenant of property comprised solely of a
single-family residence, or a
condominium, cooperative, or other
dwelling unit in a multiplex or other
building containing fewer than five
residential units, the following notice
shall be included as Part X of the Notice
of Trustee's Sale:

X. NOTICE TO OCCUPANTS OR TENANTS

The purchaser at the trustee's sale is
titled to possession of the property on
the 20th day following the sale, as against the grantor under the deed of trust (the owner) and anyone having an interest junior to the deed of trust, including occupants who are not tenants. After the 20th day following the sale the purchaser has the right to evict occupants who are not tenants by summary proceedings under chapter 59.12 RCW. For tenant-occupied property, the purchaser shall provide a tenant with written notice in accordance with RCW 61.24.060;

((14)) (14) Only one copy of all notices required by this chapter need be given to a person who is both the borrower and the grantor. All notices required by this chapter that are given to a general partnership are deemed given to each of its general partners, unless otherwise agreed by the parties.

Sec. 3. RCW 61.24.045 and 2008 c 153 s 4 are each amended to read as follows:

Any person desiring a copy of any notice of sale described in RCW 61.24.040((4)(f)) (2) under any deed of trust, other than a person entitled to receive such a notice under RCW 61.24.040(1) (b) or (c), must, after the recordation of such deed of trust and before the recordation of the notice of sale, cause to be filed for record, in the office of the auditor of any county in which the deed of trust is recorded, a duly acknowledged request for a copy of any notice of sale. The request shall be signed and acknowledged by the person to be notified or such person's agent, attorney, or representative; shall set forth the name, mailing address, and telephone number, if any, of the person or persons to be notified; shall identify the deed of trust by stating the names of the parties thereto, the date the deed of trust was recorded, the legal description of the property encumbered by the deed of trust, and the auditor's file number under which the deed of trust is recorded; and shall be in substantially the following form:

A request for notice under this section shall not affect title to, or be deemed notice to any person that any person has any right, title, interest in, lien or charge upon, the property described in the request for notice.

Sec. 4. RCW 61.24.050 and 2012 c 185 s 14 are each amended to read as follows:

(1) Upon physical delivery of the trustee's deed to the purchaser, or a different grantee as designated by the purchaser following the trustee's sale, the trustee's deed shall convey all of the right, title, and interest in the real and personal property sold at the trustee's sale which the grantor had or had the power to convey at the time of the execution of the deed of trust, and such as the grantor may have thereafter acquired. Except as provided in subsection (2) of this section, if the trustee accepts a bid, then the trustee's sale is final as of the date and time of such acceptance if the trustee's deed is recorded within fifteen days thereafter. After a trustee's sale, no person shall have any right, by statute or otherwise, to redeem the property sold at the trustee's sale.

(2)(a) Up to the eleventh day following the trustee's sale, the trustee, beneficiary, or authorized agent for the beneficiary may declare the trustee's sale and trustee's deed void for the following reasons:

(5) If the reason for the rescission stems from subsection (2)(a)(i) or (ii) of this section, the trustee may set a new sale date not less than forty-five days following the mailing of the notice of rescission of trustee's sale. The trustee shall:

(a) Comply with the requirements of RCW 61.24.040 (1) (a) through (((f)) (e)) at least thirty days before the new sale date; and

(b) Cause a copy of the notice of trustee's sale as provided in RCW 61.24.040 (((1)(f))) (2) to be published in a legal newspaper in each county in which the property or any part of the property is situated, once between the thirty-fifth and twenty-eighth day before the sale and once between the fourteenth and seventh day before the sale.

Sec. 5. RCW 61.24.130 and 2008 c 153 s 5 are each amended to read as follows:

(1) Nothing contained in this chapter shall prejudice the right of the borrower, grantor, any guarantor, or any person who has an interest in, lien, or claim of lien against the property or some part thereof, to restrain, on any proper legal or equitable ground, a trustee's sale. The court shall require as a condition of granting the restraining order or injunction that the applicant pay to the clerk of the court the sums that would be due on the obligation secured by the deed of trust if the deed of trust was not being foreclosed:

(a) In the case of default in making the periodic payment of principal, interest, and reserves, such sums shall be the periodic payment of principal, interest, and reserves paid to the clerk of the court every thirty days.

(b) In the case of default in making payment of an obligation then fully payable by its terms, such sums shall be the amount of interest accruing monthly on said obligation at the nondefault rate, paid to the clerk of the court every thirty days.

In the case of default in performance of any nonmonetary obligation secured by the deed of trust, the court shall impose such conditions as it deems just.
In addition, the court may condition granting the restraining order or injunction upon the giving of security by the applicant, in such form and amount as the court deems proper, for the payment of such costs and damages, including attorneys' fees, as may be later found by the court to have been incurred or suffered by any party by reason of the restraining order or injunction. The court may consider, upon proper showing, the grantor's equity in the property in determining the amount of said security.

(2) No court may grant a restraining order or injunction to restrain a trustee's sale unless the person seeking the restraint gives five days notice to the trustee of the time when, place where, and the judge before whom the application for the restraining order or injunction is to be made. This notice shall include copies of all pleadings and related documents to be given to the judge. No judge may act upon such application unless it is accompanied by proof, evidenced by return of a sheriff, the sheriff's deputy, or by any person eighteen years of age or over who is competent to be a witness, that the notice has been served on the trustee.

(3) If the restraining order or injunction is dissolved after the date of the trustee's sale set forth in the notice as provided in RCW 61.24.040(((1)(f))) (2), the court granting such restraining order or injunction, or before whom the order or injunction is returnable, shall, at the request of the trustee, set a new sale date which shall be not less than forty-five days from the date of the order dissolving the restraining order. The trustee shall:

(a) Comply with the requirements of RCW 61.24.040(1) (a) through (((f))) (e) at least thirty days before the new sale date; and

(b) Cause a copy of the notice of trustee's sale as provided in RCW 61.24.040(((1)(f))) (2) to be published in a legal newspaper in each county in which the property or any part thereof is situated, once between the thirty-fifth and twenty-eighth day before the sale and once between the fourteenth and seventh day before the sale.

(4) If a trustee's sale has been stayed as a result of the filing of a petition in federal bankruptcy court and an order is entered in federal bankruptcy court granting relief from the stay or closing or dismissing the case, or discharging the debtor with the effect of removing the stay, the trustee may set a new sale date which shall not be less than forty-five days after the date of the bankruptcy court's order. The trustee shall:

(a) Comply with the requirements of RCW 61.24.040(1) (a) through (((f))) (e) at least thirty days before the new sale date; and

(b) Cause a copy of the notice of trustee's sale as provided in RCW 61.24.040(((1)(f))) (2) to be published in a legal newspaper in each county in which the property or any part thereof is situated, once between the thirty-fifth and twenty-eighth day before the sale and once between the fourteenth and seventh day before the sale.

(5) Subsections (3) and (4) of this section are permissive only and do not prohibit the trustee from proceeding with a trustee's sale following termination of any injunction or stay on any date to which such sale has been properly continued in accordance with RCW 61.24.040(((f))) (10).

(6) The issuance of a restraining order or injunction shall not prohibit the trustee from continuing the sale as provided in RCW 61.24.040(((f))) (10).

Sec. 6. RCW 61.24.163 and 2014 c 164 s 3 are each amended to read as follows:

(1) The foreclosure mediation program established in this section applies only to borrowers who have been referred to mediation by a housing counselor or attorney. The referral to mediation may be made any time after a notice of default has been issued but no later than twenty days after the date a notice of sale has been recorded. If the borrower has failed to elect to mediate within the applicable time frame, the borrower and the beneficiary may, but are under no duty to, agree in writing to enter the foreclosure mediation program. The mediation program under this section is not governed by chapter 7.07 RCW and does not preclude mediation required by a court or other provision of law.

(2) A housing counselor or attorney referring a borrower to mediation shall send a notice to the borrower and the department, stating that mediation is appropriate.
(3) Within ten days of receiving the notice, the department shall:

(a) Send a notice to the beneficiary, the borrower, the housing counselor or attorney who referred the borrower, and the trustee stating that the parties have been referred to mediation. The notice must include the statements and list of documents and information described in subsections (4) and (5) of this section and a statement explaining each party's responsibility to pay the mediator's fee; and

(b) Select a mediator and notify the parties of the selection.

(4) Within twenty-three days of the department's notice that the parties have been referred to mediation, the borrower shall transmit the documents required for mediation to the mediator and the beneficiary. The required documents include an initial homeowner financial information worksheet as required by the department. The worksheet must include, at a minimum, the following information:

(a) The borrower's current and future income;
(b) Debts and obligations;
(c) Assets;
(d) Expenses;
(e) Tax returns for the previous two years;
(f) Hardship information;
(g) Other applicable information commonly required by any applicable federal mortgage relief program.

(5) Within twenty days of the beneficiary's receipt of the borrower's documents, the beneficiary shall transmit the documents required for mediation to the mediator and the borrower. The required documents include:

(a) An accurate statement containing the balance of the loan within thirty days of the date on which the beneficiary's documents are due to the parties;
(b) Copies of the note and deed of trust;
(c) Proof that the entity claiming to be the beneficiary is the owner of any promissory note or obligation secured by the deed of trust. Sufficient proof may be a copy of the declaration described in RCW 61.24.030(7)(a);
(d) The best estimate of any arrearage and an itemized statement of the arrearages;
(e) An itemized list of the best estimate of fees and charges outstanding;
(f) The payment history and schedule for the preceding twelve months, or since default, whichever is longer, including a breakdown of all fees and charges claimed;
(g) All borrower-related and mortgage-related input data used in any net present values analysis. If no net present values analysis is required by the applicable federal mortgage relief program, then the input data required under the federal deposit insurance corporation and published in the federal deposit insurance corporation loan modification program guide, or if that calculation becomes unavailable, substantially similar input data as determined by the department;
(h) An explanation regarding any denial for a loan modification, forbearance, or other alternative to foreclosure in sufficient detail for a reasonable person to understand why the decision was made;
(i) Appraisal or other broker price opinion most recently relied upon by the beneficiary not more than ninety days old at the time of the scheduled mediation; and
(j) The portion or excerpt of the pooling and servicing agreement or other investor restriction that prohibits the beneficiary from implementing a modification, if the beneficiary claims it cannot implement a modification due to limitations in a pooling and servicing agreement or other investor restriction, and documentation or a statement detailing the efforts of the beneficiary to obtain a waiver of the pooling and servicing agreement or other investor restriction provisions.

(6) Within seventy days of receiving the referral from the department, the mediator shall convene a mediation session in the county where the property is located, unless the parties agree on
another location. The parties may agree to extend the time in which to schedule the mediation session. If the parties agree to extend the time, the beneficiary shall notify the trustee of the extension and the date the mediator is expected to issue the mediator's certification.

(7)(a) The mediator may schedule phone conferences, consultations with the parties individually, and other communications to ensure that the parties have all the necessary information and documents to engage in a productive mediation.

(b) The mediator must send written notice of the time, date, and location of the mediation session to the borrower, the beneficiary, and the department at least thirty days prior to the mediation session. At a minimum, the notice must contain:

(i) A statement that the borrower may be represented in the mediation session by an attorney or other advocate;

(ii) A statement that a person with authority to agree to a resolution, including a proposed settlement, loan modification, or dismissal or continuation of the foreclosure proceeding, must be present either in person or on the telephone or videoconference during the mediation session; and

(iii) A statement that the parties have a duty to mediate in good faith and that failure to mediate in good faith may impair the beneficiary's ability to foreclose on the property or the borrower's ability to modify the loan or take advantage of other alternatives to foreclosure.

(8)(a) The borrower, the beneficiary or authorized agent, and the mediator must meet in person for the mediation session. However, a person with authority to agree to a resolution on behalf of the beneficiary may be present over the telephone or videoconference during the mediation session.

(b) After the mediation session commences, the mediator may continue the mediation session once, and any further continuances must be with the consent of the parties.

(9) The participants in mediation must address the issues of foreclosure that may enable the borrower and the beneficiary to reach a resolution, including but not limited to reinstatement, modification of the loan, restructuring of the debt, or some other workout plan. To assist the parties in addressing issues of foreclosure, the mediator may require the participants to consider the following:

(a) The borrower's current and future economic circumstances, including the borrower's current and future income, debts, and obligations for the previous sixty days or greater time period as determined by the mediator;

(b) The net present value of receiving payments pursuant to a modified mortgage loan as compared to the anticipated net recovery following foreclosure;

(c) Any affordable loan modification calculation and net present value calculation when required under any federal mortgage relief program (including the home affordable modification program (HAMP) as applicable to government-sponsored enterprise and nongovernment-sponsored enterprise loans) and any (HAMP-related) modification program (applicable) related to loans insured by the federal housing administration, the veterans administration, and the rural housing service. If such a calculation is not provided or required, then the beneficiary must provide the net present value data inputs established by the Federal Deposit Insurance Corporation and published in the Federal Deposit Insurance Corporation loan modification program guide or other net present value data inputs as designated by the department. The mediator may run the calculation in order for a productive mediation to occur and to comply with the mediator certification requirement; and

(d) Any other loss mitigation guidelines to loans insured by the federal housing administration, the veterans administration, and the rural housing service, if applicable.

(10) A violation of the duty to mediate in good faith as required under this section may include:

(a) Failure to timely participate in mediation without good cause;

(b) Failure of the borrower or the beneficiary to provide the documentation required before mediation or pursuant to the mediator's instructions;
(c) Failure of a party to designate representatives with adequate authority to fully settle, compromise, or otherwise reach resolution with the borrower in mediation; and

(d) A request by a beneficiary that the borrower waive future claims he or she may have in connection with the deed of trust, as a condition of agreeing to a modification, except for rescission claims under the federal truth in lending act. Nothing in this section precludes a beneficiary from requesting that a borrower dismiss with prejudice any pending claims against the beneficiary, its agents, loan servicer, or trustee, arising from the underlying deed of trust, as a condition of modification.

(11) If the mediator reasonably believes a borrower will not attend a mediation session based on the borrower's conduct, such as the lack of response to the mediator's communications, the mediator may cancel a scheduled mediation session and send a written cancellation to the department and the trustee and send copies to the parties. The beneficiary may proceed with the foreclosure after receipt of the mediator's written confirmation of cancellation.

(12) Within seven business days after the conclusion of the mediation session, the mediator must send a written certification to the department and the trustee and send copies to the parties of:

(a) The date, time, and location of the mediation session;

(b) The names of all persons attending in person and by telephone or videoconference, at the mediation session;

(c) Whether a resolution was reached by the parties, including whether the default was cured by reinstatement, modification, or restructuring of the debt, or some other alternative to foreclosure was agreed upon by the parties;

(d) Whether the parties participated in the mediation in good faith; and

(e) If a written agreement was not reached, a description of any net present value test used, along with a copy of the inputs, including the result of any net present value test expressed in a dollar amount.

(13) If the parties are unable to reach an agreement, the beneficiary may proceed with the foreclosure after receipt of the mediator's written certification.

(14)(a) The mediator's certification that the beneficiary failed to act in good faith in mediation constitutes a defense to the nonjudicial foreclosure action that was the basis for initiating the mediation. In any action to enjoin the foreclosure, the beneficiary is entitled to rebut the allegation that it failed to act in good faith.

(b) The mediator's certification that the beneficiary failed to act in good faith during mediation does not constitute a defense to a judicial foreclosure or a future nonjudicial foreclosure action if a modification of the loan is agreed upon and the borrower subsequently defaults.

(c) If an affordable loan modification is not offered in the mediation or a written agreement was not reached and the mediator's certification shows that the net present value of the modified loan exceeds the anticipated net recovery at foreclosure, that showing in the certification constitutes a basis for the borrower to enjoin the foreclosure.

(15) The mediator's certification that the borrower failed to act in good faith in mediation authorizes the beneficiary to proceed with the foreclosure.

(16)(a) If a borrower has been referred to mediation before a notice of trustee sale has been recorded, a trustee may not record the notice of sale until the trustee receives the mediator's certification stating that the mediation has been completed. If the trustee does not receive the mediator's certification, the trustee may record the notice of sale after ten days from the date the certification to the trustee was due. If, after a notice of sale is recorded under this subsection (16)(a), the mediator subsequently issues a certification finding that the beneficiary violated the duty of good faith, the certification constitutes a basis for the borrower to enjoin the foreclosure.

(b) If a borrower has been referred to mediation after the notice of sale was recorded, the sale may not occur until the trustee receives the mediator's certification stating that the mediation has been completed.
(17) A mediator may charge reasonable fees as authorized by this subsection or as authorized by the department. Unless the fee is waived, the parties agree otherwise, or the department otherwise authorizes, a foreclosure mediator’s fee may not exceed four hundred dollars for preparing, scheduling, and conducting a mediation session lasting between one hour and three hours. For a mediation session exceeding three hours, the foreclosure mediator may charge a reasonable fee, as authorized by the department. The mediator must provide an estimated fee before the mediation, and payment of the mediator's fee must be divided equally between the beneficiary and the borrower. The beneficiary and the borrower must tender the loan mediator's fee within thirty calendar days from receipt of the department's letter referring the parties to mediation or pursuant to the mediator's instructions.

(18) Beginning December 1, 2012, and every year thereafter, the department shall report annually to the legislature on:

(a) The performance of the program, including the numbers of borrowers who are referred to mediation by a housing counselor or attorney;

(b) The results of the mediation program, including the number of mediations requested by housing counselors and attorneys, the number of certifications of good faith issued, the number of borrowers and beneficiaries who failed to mediate in good faith, and the reasons for the failure to mediate in good faith, if known, the numbers of loans restructured or modified, the change in the borrower's monthly payment for principal and interest and the number of principal write-downs and interest rate reductions, and, to the extent practical, the number of borrowers who report a default within a year of restructuring or modification;

(c) The information received by housing counselors regarding outcomes of foreclosures; and

(d) Any recommendations for changes to the statutes regarding the mediation program.

Sec. 7. RCW 61.24.173 and 2016 c 196 s 2 are each amended to read as follows:

(1) Except as provided in subsections ((4) and) (5) and (6) of this section, beginning July 1, 2016, and every quarter thereafter, every beneficiary on whose behalf a notice of trustee’s sale has been recorded pursuant to RCW 61.24.040 on residential real property under this chapter must:

(a) Report to the department the number of notices of trustee’s sale recorded for each residential property under this chapter;

(b) Remit the amount required under subsection (2) of this section; and

(c) Report and update beneficiary contact information for the person and work group responsible for the beneficiary’s compliance with the requirements of the foreclosure fairness act created in this chapter.

(2) For each notice of trustee’s sale recorded on residential real property, the beneficiary on whose behalf the notice of trustee's sale has been recorded shall remit ((two)) three hundred ((fifty)) twenty-five dollars to the department to be deposited, as provided under RCW 61.24.172, into the foreclosure fairness account. The ((two)) three hundred ((fifty)) twenty-five dollar payment is required for every recorded notice of trustee's sale for noncommercial loans on residential real property, but does not apply to the recording of an amended notice of trustee's sale. ((If the beneficiary previously made a payment under RCW 61.24.174, as it existed prior to July 1, 2016, for a notice of default supporting the recorded notice of trustee's sale, no payment is required under this section.))

No later than January 1, 2020, the department may from time to time adjust the amount of the fee, not to exceed three hundred twenty-five dollars, at a sufficient level to defray the costs of the program. The beneficiary shall remit the total amount required in a lump sum each quarter.

(3) Any adjustment to the amount of the fee, pursuant to the authority of subsection (2) of this section, shall be made by rule adopted by the department in accordance with the provisions of chapter 34.05 RCW.

(4) Reporting and payments under subsections (1) and (2) of this section are due within forty-five days of the end of each quarter.

((4))) (5) This section does not apply to any beneficiary or loan servicer
that is a federally insured depository institution, as defined in 12 U.S.C. Sec. 461(b)(1)(A), and that certifies under penalty of perjury that fewer than fifty notices of trustee's sale were recorded on its behalf in the preceding year.

((5)) (6) This section does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW.

((6)) (7) For purposes of this section, "residential real property" includes residential real property with up to four dwelling units, whether or not the property or any part thereof is owner-occupied.

NEW SECTION. Sec. 8. A new section is added to chapter 61.24 RCW to read as follows:

(1) If a trustee under a deed of trust is named as a defendant in an action or proceeding in which that deed of trust is the subject, and if there are no substantive allegations that seek damages from the trustee or seek to enjoin the foreclosure based on any alleged unlawful actions or omissions by the trustee, including causes of action where the trustee is a codefendant alleged to be jointly or derivatively liable with respect to the trustee's conduct as to the borrower or the trustee's statutory obligations, not less than thirty-five days after service of the summons and complaint on the trustee, the trustee may file a declaration of nonmonetary status. The declaration must be served on the parties in the manner set forth in superior court civil rule (CR) 5.

(2) The declaration of nonmonetary status must set forth:
   (a) The status of the trustee as trustee under the deed of trust that is the subject of the action or proceeding;
   (b) That the complaint or pleading does not assert any substantive allegations that seek damages from the trustee or seek to enjoin the foreclosure based on any alleged unlawful actions or omissions by the trustee;
   (c) That it has been named as a defendant in the proceeding solely in its capacity as a trustee under the deed of trust and that the trustee agrees to be bound by whatever order or judgment is issued by the court regarding the subject deed of trust;
   (d) A statement printed in no less than twelve-point font and bolded that reads: "You have 30 days from service of this declaration to file and serve an objection with the court in compliance with RCW 61.24.--- (this section). If you do not timely object, the trustee will be deemed a nominal party to this action and you may not seek monetary relief against it. Your case may also be removed to federal court if the trustee was the only defendant domiciled in Washington."

(3) The parties who have appeared in the action or proceeding have thirty days from the service of the declaration by the trustee in which to object to the nonmonetary status of the trustee. Any objection must set forth the allegations against the trustee in a manner sufficient to satisfy the pleading standard of superior court civil rule (CR) 8(a).

(4) The objection must:
   (a) Conform to superior court civil rule (CR) 10 and the caption must include the following identification: "Objection to Declaration of Nonmonetary Status of Defendant [trustee];"
   (b) Contain a short and plain statement of the claim against defendant trustee as described in the complaint, showing that the plaintiff is entitled to relief. Allegations against the trustee may not be raised for the first time in the objection;
   (c) Be filed with the court within thirty days of service of the trustee's declaration of nonmonetary status described in subsection (1) of this section;
   (d) Be served on the trustee in the manner set forth in superior court civil rule (CR) 5.

(5) Upon filing of a timely objection with the court and timely service of the objection, the trustee must thereafter be required to participate in the action or proceeding.

(6) If an objection is not filed and served within the thirty-day objection period, the trustee: Is not required to participate any further in the action or proceeding; is not subject to any
monetary awards as and for damages, attorneys' fees, or costs; and is bound by any court order relating to the subject deed of trust that is the subject of the action or proceeding. The trustee's nonmonetary status is not established until the thirty-day objection period has passed without filing and service of an objection pursuant to subsection (5) of this section.

(7) In the event a party or parties elect not to or fail to timely object to the declaration of nonmonetary status, but later through discovery or otherwise determine that the trustee should participate in the action, the parties may file and serve on all parties and the trustee a motion pursuant to superior court civil rule (CR) 15. Upon the court's granting of the motion, the trustee must thereafter be required to participate in the action or proceeding, and the court must provide sufficient time before trial for the trustee to be able to respond to the complaint, to conduct discovery, and to bring other pretrial motions in accordance with Washington superior court civil rules.

(8) Upon the filing of the declaration of nonmonetary status, the time within which the trustee is required to file an answer or other responsive pleading is tolled for the period of time within which the opposing parties may object to the declaration. Upon the timely service of an objection to the declaration of nonmonetary status, the trustee has thirty days from the date of service within which to file an answer or other responsive pleading to the complaint or cross-complaint.

(9) For purposes of this section, "trustee" includes any agent or employee of the trustee who performs some or all the duties of a trustee under this chapter and includes substituted trustees and agents of the trustee.

(10) If upon objection to the trustee's declaration of nonmonetary status the court finds that the declaration was filed without sufficient support based upon the allegations made in the complaint, the court may award the plaintiff attorneys' fees and costs associated with the objection together with any actual damages demonstrated. Any award may be made after notice and hearing with submission of evidence of the attorneys' fees and damages.

NEW SECTION. Sec. 9. A new section is added to chapter 61.12 RCW to read as follows:

(1) Before any mortgagee of residential real property commences any legal action under RCW 61.12.040 to foreclose any reverse residential mortgage, such person shall give the mortgagor notice of such intention at least thirty-three days in advance. For the purposes of this section "residential real property" means property consisting solely of a single-family residence, a two-to-four-unit owner occupied dwelling, a residential condominium unit, a manufactured home, or a residential cooperative unit.

(2) Notice of intention to take action as specified in subsection (1) of this section must be in writing and sent to the resident mortgagor or, in case of the death of the last surviving mortgagor, addressed to any known surviving spouse or to "unknown heirs" of the residential mortgagor, by first-class and either certified or registered mail, return receipt requested, at his or her last known address and, if different, at the residence which is the subject of the residential mortgage.

(3) The written notice must be in English and Spanish, in a form to be published by the department of commerce, and must clearly and conspicuously state:

(b) The nature of the default claimed or the reason for acceleration of the mortgage;

(c) Except in cases where the acceleration is due to the death of the last surviving mortgagor, the right, if any, of the mortgagor to cure the default and exactly what performance, including what sum of money, if any, must be tendered to cure the default;

(d) Except in cases where the acceleration is due to the death of the last surviving mortgagor, the applicable time within which the mortgagor must cure the default;

(e) A statement printed in no less than twelve-point font and bolded that reads: "If you do nothing to cure the default, if any, we intend to start a lawsuit to foreclose your mortgaged property. If the mortgage is foreclosed, your mortgaged property will be sold to pay off the
mortgage debt. You should contact a housing counselor or attorney as soon as possible.; and

(f) The toll-free telephone number to find a department-approved home equity conversion mortgage counseling agency from the United States department of housing and urban development, the toll-free numbers for the statewide foreclosure hotline recommended by the housing finance commission, and the statewide civil legal aid hotline for assistance and referrals.

(4) It is an unfair or deceptive act in trade or commerce and an unfair method of competition in violation of the consumer protection act, chapter 19.86 RCW, affecting the public interest, for any person or entity to:

(b) Fail to state the nature of the default, the correct amount or action that is required to cure the default, if any, or the time and manner in which to cure if cure is possible; or

(c) To send the notice required in this section without the advisory language and information about foreclosure assistance.

NEW SECTION. Sec. 10. (1) This chapter applies only to residential real property consisting solely of a single-family residence, a residential condominium unit, or a residential cooperative unit.

(2) For purposes of this chapter:

(vii) Law enforcement officials have received at least one report within the immediately preceding six months of trespassing or vandalism or other illegal activities by persons who enter unlawfully on the property;

(viii) The property has been declared unfit for occupancy and ordered to remain vacant and unoccupied pursuant to an order issued by a municipal or county authority or a court of competent jurisdiction;

(xi) Rubbish, trash, debris, neglected vegetation, or natural overgrowth has accumulated on the property;

(xii) Hazardous, noxious, or unhealthy substances or materials have accumulated on the property;

(xiii) Other credible evidence exists indicating the intent to vacate and abandon the property.

(b) Property is in "mid-foreclosure" when, pursuant to chapter 61.24 RCW, a notice of default or notice of preforeclosure options has been issued or a notice of trustee's sale has been recorded in the office of the county auditor.

(c) Property is a "nuisance" when so determined by a county, city, or town pursuant to its authority under chapter 7.48 RCW or RCW 35.22.280, 35.23.440, 35.27.410, or 36.32.120.
NEW SECTION. Sec. 11. (1) A county, city, or town may notify a mortgage servicer that a property has been determined to be abandoned, in mid-foreclosure, and a nuisance.

(2) A notice issued pursuant to this section must:

(b) Be sent to the mortgage servicer by certified mail.

NEW SECTION. Sec. 12. (1) A mortgage servicer may contact a county, city, or town regarding a property it believes to be abandoned, and a nuisance and request that a county, city, or town official visit the property and make a determination as to whether the residential real property is abandoned and a nuisance. When making such a request, the mortgage servicer must furnish a copy of a notice of default, notice of preforeclosure options, or notice of trustee’s sale applicable to the property.

(2) A county, city, or town shall respond to such a request within fifteen calendar days of receipt and notify the mortgage servicer:

(a) That a county, city, or town official has visited the property and determined that the property is not abandoned, or not a nuisance;

(b) That a county, city, or town official has visited the property and determined that the property is abandoned, in mid-foreclosure, and a nuisance. In this case, the notification shall be accompanied by an affidavit or a declaration made under penalty of perjury by a county, city, or town official that a property is abandoned, mid-foreclosure, and a nuisance, and the affidavit or declaration must outline at least three indicators of abandonment and be supported with time and date stamped photographs, a finding that the property is a nuisance, and a copy of the notice of default or notice of trustee’s sale supplied by the mortgage servicer; or

(c) That the county, city, or town does not have adequate resources or is otherwise unable to make the requested determination.

NEW SECTION. Sec. 13. (1) Upon receipt from a county, city, or town of an affidavit or declaration under penalty of perjury that a property is abandoned, in mid-foreclosure, and a nuisance, a mortgage servicer or its designee may enter the property for the purposes of abating the identified nuisance, preserving property, or preventing waste and may take steps to secure the property, including but not limited to:

(a) Installing missing locks on exterior doors. If any locks are changed the mortgage servicer must provide a lock box. Working locks may not be removed or replaced unless all doors are secured and there is no means of entry, and in such cases only one working lock may be removed and replaced;

(b) Replacing or boarding broken or missing windows;

(c) Winterizing, including draining pipes and disconnecting or turning on utilities;

(d) Eliminating building code or other code violations;

(e) Securing exterior pools and spas;

(f) Performing routine yard maintenance on the exterior of the residence; and

(g) Performing pest and insect control services.

(2) The mortgage servicer or its designee must make a record of entry by means of dated and time-stamped photographs showing the manner of entry and personal items visible within the residence upon entry.

(3) Neither the mortgage servicer nor its designee may remove personal items from the property unless the items are hazardous or perishable, and in case of such removal must inventory the items removed.

(4) Prior to each entry, a mortgage servicer or its designee must ensure that a notice is posted on the front door that includes the following:
(a) A statement that, pursuant to RCW 7.28.230, until foreclosure and sale is complete the property owner or occupant authorized by the owner has the right to possession;

(b) A statement that the property owner or occupant authorized by the owner has the right to request that any locks installed by the mortgage servicer or its designee be removed within twenty-four hours and replaced with new locks accessible by the property owner or occupant authorized by the owner only;

(c) A toll-free, twenty-four hour number that the property owner or occupant authorized by the owner may call in order to gain timely entry, which entry must be provided no later than the next business day; and

(d) The phone number of the statewide foreclosure hotline recommended by the housing finance commission and the statewide civil legal aid hotline, together with a statement that the property owner may have the right to participate in foreclosure mediation pursuant to RCW 61.24.163.

(5) Records of entry onto property pursuant to this section must be maintained by the mortgage servicer or its designee for at least four years from the date of entry.

(6) If, upon entry, the property is found to be occupied, the mortgage servicer or its designee must leave the property immediately, notify the county, city, or town, and thereafter neither the mortgage servicer nor its designee may enter the property regardless of whether the property constitutes a nuisance or complies with local code enforcement standards.

(7) In the event a mortgage servicer is contacted by the borrower and notified that the property is not abandoned, the mortgage servicer must so notify the county, city, or town and thereafter neither the mortgage servicer nor its designee may enter the property regardless of whether the property constitutes a nuisance or complies with local code enforcement standards.

(8) A county, city, or town is not liable for any damages caused by any act or omission of the mortgage servicer or its designee.

NEW SECTION.  Sec. 14.  Except in circumstances governed by section 13 (6) and (7) of this act, if a mortgage servicer receives notice from a county, city, or town pursuant to section 11 or 12(2)(b) of this act that a property is abandoned, in mid-foreclosure and a nuisance, and the mortgage servicer does not abate the nuisance within the time prescribed by local ordinance, a county, city, or town may exercise its authority under chapter 7.48 RCW, RCW 35.22.280, 35.23.440, 35.27.410, 36.32.120, or any other applicable law to abate the nuisance and recover associated costs as set forth in section 16 of this act.

NEW SECTION.  Sec. 15.  (1) When a property has been the subject of foreclosure, a county, city or town may notify the grantee of the trustee's deed or sheriff's deed, via certified mail, that a property is a nuisance. Upon receipt of such a notice, the grantee of the trustee's deed or sheriff's deed shall respond within fifteen calendar days and provide one of the following responses:

(a) That the grantee of the trustee's deed or sheriff's deed will abate the nuisance within the time prescribed by local ordinance; or

(b) That the grantee of the trustee's deed or sheriff's deed does not have adequate resources to abate the nuisance within the time limits required by local ordinance.

(2) If the grantee of the trustee's deed or sheriff's deed is notified and does not abate the nuisance within the time prescribed by local ordinance, a county, city, or town may exercise its authority under chapter 7.48 RCW, RCW 35.22.280, 35.23.440, 35.27.410, 36.32.120, or any other applicable law to abate the nuisance and recover associated costs as set forth in section 16 of this act.

NEW SECTION.  Sec. 16.  Except in circumstances governed by section 13 (6) and (7) of this act, if, after issuance of a notice pursuant to section 11, 12(2)(b), or 15 of this act, a nuisance has not been abated within the time prescribed by local ordinance and the county, city, or town has exercised its authority under chapter 7.48 RCW, RCW 35.22.280, 35.23.440, 35.27.410,
36.32.120, or any other applicable law to abate the nuisance, the county, city, or town may recover its costs by levying an assessment on the real property on which the nuisance is situated to reimburse the county, city, or town for the costs of abatement, excluding any associated fines or penalties. This assessment constitutes a lien against the property, and is binding upon successors in title only from the date the lien is recorded in the county in which the real property is located. This assessment is of equal rank with state, county, and municipal taxes and is assessed against the real property upon which cost was incurred unless such amount is previously paid.

NEW SECTION. Sec. 17. The authority provided pursuant to this chapter is in addition to, and not in limitation of, any other authority provided by law.

NEW SECTION. Sec. 18. Sections 10 through 17 of this act constitute a new chapter in Title 7 RCW.

HOUSE BILL NO. 2435, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2612 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that efficiency and public safety is served by consolidating the multiple license plates currently required on the vehicles of registered tow truck operators. These registered tow truck operators currently have up to four separate license plates that are required to be displayed on the vehicle at all times. The operators have the highest training and qualifications of any towing operators in Washington state.

(2) The legislature further finds that a single unified license plate with separate endorsement tabs prevents confusion and allows for easy identification and review of tow trucks by law enforcement and the motoring public. The unified license plate also saves resources by reducing the need for license plate production and reduces fraud by limiting access to these commercial license plates.

(3) A unified license plate for registered tow truck operators serves the purposes of Washington residents, the motoring public, and law enforcement, and saves money as well.

NEW SECTION. Sec. 2. A new section is added to chapter 46.55 RCW to read as follows:

(1) If a tow truck, the registered owner of which is a registered tow truck operator, is to conduct transporter business under chapter 46.76 RCW, the license plate that is required to be displayed under RCW 46.16A.030 must contain an indicator tab that the vehicle is licensed to perform transporter services. The fee for an original transporter’s license plate indicator tab for a tow truck, the registered owner of which is a registered tow truck operator, is twenty-five dollars. Vehicles that are used to conduct transporter business and are not owned by a registered tow truck operator must follow the requirements of chapter 46.76 RCW.

(2) If a tow truck, the registered owner of which is a registered tow truck operator, is used for a hulk hauler or scrap processor business under chapter 46.79 RCW, the license plate that is required under RCW 46.16A.030 must contain an indicator tab that the vehicle is licensed to perform hulk hauler or scrap processor purposes under the laws of the state of Washington. The fee for a hulk hauler or scrap processor business license plate indicator tab is five dollars for the original tab and two dollars for each additional tab. Vehicles that are used to conduct hulk hauler or scrap processor business and are not owned by a registered tow truck operator must follow the requirements of chapter 46.79 RCW.

(3) If a tow truck, the registered owner of which is a registered tow truck operator, is used for a wrecker business under chapter 46.80 RCW, the license plate displayed that is required under RCW 46.16A.030 must contain an indicator tab that the vehicle is licensed to perform wrecker services. The fee for a
wrecker license plate indicator tab is five dollars for the original tab and two dollars for each additional tab. Vehicles that are used to conduct wrecker business and are not owned by a registered tow truck operator must follow the requirements of chapter 46.80 RCW.

(4) (a) The license plate indicator tabs must:

(i) Affix to the license plate required to be displayed under RCW 46.16A.030;

(ii) Clearly identify the business purpose of the licensed vehicle;

(iii) Use some combination of letters and numbers to indicate a vehicle is licensed to conduct transporter business under chapter 46.76 RCW, hulk hauler or scrap processor business under chapter 46.79 RCW, or wrecker business under chapter 46.80 RCW; and

(iv) Be approved by the department.

(b) All other requirements concerning registration and display of plates as required under chapter 46.16A RCW may not conflict with this section.

(5) This act does not allow for the use of indicator tabs, authorized in this section, on a special or personalized license plate authorized in chapter 46.18 RCW.

Sec. 3. RCW 46.76.030 and 1967 c 32 s 92 are each amended to read as follows:

Upon receiving an application for transporter's license the director, if satisfied that the applicant is entitled thereto, shall issue a proper certificate of license registration and a distinctive set of license plates or an indicator tab pursuant to section 2 of this act and shall transmit the fees obtained therefor with a proper identifying report to the state treasurer, who shall deposit such fees in the motor vehicle fund. The certificate of license registration and license plates or indicator tab issued by the director shall authorize the holder of the license to drive or tow any motor vehicle or trailers upon the public highways.

Sec. 4. RCW 46.76.060 and 2010 c 8 s 9093 are each amended to read as follows:

Transporter's license plates or indicator tabs pursuant to section 2 of this act shall be conspicuously displayed on all vehicles being delivered by the driveaway or towaway methods. These plates or indicator tabs shall not be loaned to or used by any person other than the holder of the license or his or her employees.

Sec. 5. RCW 46.76.065 and 1977 ex.s. c 254 s 1 are each amended to read as follows:

The following conduct shall be sufficient grounds pursuant to RCW 34.05.422 for the director or a designee to deny, suspend, or revoke the license of a motor vehicle transporter:

(1) Using transporter plates or indicator tabs pursuant to section 2 of this act for driveaway or towaway of any vehicle owned by such transporter;

(2) Knowingly, as that term is defined in RCW 9A.08.010(1)(b), having possession of a stolen vehicle or a vehicle with a defaced, missing, or obliterated manufacturer's identification serial number;

(3) Loaning transporter plates or indicator tabs;

(4) Using transporter plates or indicator tabs for any purpose other than as provided under RCW 46.76.010; or

(5) Violation of provisions of this chapter or of rules and regulations adopted relating to enforcement and proper operation of this chapter.

Sec. 6. RCW 46.76.067 and 1988 c 239 s 4 are each amended to read as follows:

(1) Any person or organization that transports any mobile home or other vehicle for hire shall comply with this chapter and chapter 81.80 RCW. Persons or organizations that do not have a valid permit or meet other requirements under chapter 81.80 RCW shall not be issued a transporter license or transporter plates or an indicator tab pursuant to section 2 of this act to transport mobile homes or other vehicles. RCW 46.76.065(5) applies to persons or organizations that have transporter licenses or plates or indicator tabs and do not meet the requirements of chapter 81.80 RCW.

(2) This section does not apply to mobile home manufacturers or dealers that
are licensed and delivering the mobile home under chapter 46.70 RCW.

Sec. 7. RCW 46.76.080 and 1979 ex.s. c 136 s 96 are each amended to read as follows:

The violation of any provision of this chapter is a traffic infraction. In addition to any other penalty imposed upon a violator of the provisions of this chapter, the director may confiscate any transporter license plates or indicator tabs used in connection with such violation.

Sec. 8. RCW 46.79.060 and 2010 c 8 s 9096 are each amended to read as follows:

The hulk hauler or scrap processor shall obtain a special set of license plates or an indicator tab pursuant to section 2 of this act in addition to the regular licenses and plates required for the operation of vehicles owned and/or operated by him or her and used in the conduct of his or her business. Such special license shall be displayed on the operational vehicles and shall be in lieu of a trip permit or current license on any vehicle being transported. The fee for these plates shall be five dollars for the original plates and two dollars for each additional set of plates bearing the same license number.

Sec. 9. RCW 46.80.060 and 1995 c 256 s 8 are each amended to read as follows:

The vehicle wrecker shall obtain a special set of license plates or an indicator tab pursuant to section 2 of this act in addition to the regular licenses and plates required for the operation of such vehicles. The special plates must be displayed on vehicles owned and/or operated by the wrecker and used in the conduct of the business. The fee for these plates shall be five dollars for the original plates and two dollars for each additional set of plates bearing the same license number. A wrecker with more than one licensed location in the state may use special plates bearing the same license number for vehicles operated out of any of the licensed locations.

NEW SECTION. Sec. 10. This act takes effect June 1, 2019."

On page 1, line 1 of the title, after "operators;" strike the remainder of the title and insert "amending RCW 46.76.030, 46.76.060, 46.76.065, 46.76.067, 46.76.080, 46.79.060, and 46.80.060; adding a new section to chapter 46.55 RCW; creating a new section; prescribing penalties; and providing an effective date."

SUBSTITUTE HOUSE BILL NO. 2612, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

February 28, 2018
Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2700 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 26.44 RCW to read as follows:

The legislature recognizes an inherent privacy interest that a child has with respect to the child's recorded voice and image when describing the highly sensitive details of abuse or neglect upon the child as defined in RCW 26.44.020. The legislature further finds that reasonable restrictions on the dissemination of these recordings can accommodate both privacy interests and due process. To that end, the legislature intends to exempt these recordings from dissemination under the public records act and provide additional sanction authority for violations of protective orders that set forth such terms and conditions as are necessary to protect the privacy of the child.

Sec. 2. RCW 26.44.020 and 2012 c 259 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.
(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.
(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(25) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

(27) "Child forensic interview" means a developmentally sensitive and legally sound method of gathering factual information regarding allegations of child abuse, child neglect, or exposure to violence. This interview is conducted by a competently trained, neutral professional utilizing techniques informed by research and best practice as part of a larger investigative process.

Sec. 3. RCW 26.44.020 and 2017 3rd sp.s. c 6 s 321 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.
(8) "Department" means the department of children, youth, and families.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or
agent of any public or private organization or institution.

(21) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(25) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

(27) "Child forensic interview" means a developmentally sensitive and legally sound method of gathering factual information regarding allegations of child abuse, child neglect, or exposure to violence. This interview is conducted by a competently trained, neutral professional utilizing techniques informed by research and best practice as part of a larger investigative process.

NEW SECTION. Sec. 4. A new section is added to chapter 26.44 RCW to read as follows:

Any and all audio and video recordings of child forensic interviews as defined in this chapter are exempt from disclosure under the public records act, chapter 42.56 RCW. Such recordings are confidential under chapter 13.50 RCW and federal law and may only be disclosed pursuant to a court order entered upon a showing of good cause and with advance notice to the child’s parent, guardian, or legal custodian. However, if the child is an emancipated minor or has attained the age of majority as defined in RCW 26.28.010, advance notice must be to the child. Failure to disclose an audio or video recording of a child forensic interview as defined in this chapter is not grounds for penalties or other sanctions available under chapter 42.56 RCW or RCW 13.50.100(10). Nothing in this section is intended to restrict the ability of the department or law enforcement to share child welfare information as authorized or required by state or federal law.

Sec. 5. RCW 26.44.185 and 2010 c 176 s 3 are each amended to read as follows:

(1) Each county shall revise and expand its existing child sexual abuse investigation protocol to address investigations of child fatality, child physical abuse, and criminal child neglect cases and to incorporate the statewide guidelines for first responders to child fatalities developed by the criminal justice training commission. The protocols shall address the coordination of child fatality, child physical abuse, and criminal child neglect investigations between the county and city prosecutor's offices, law enforcement, children's protective services, children's advocacy centers, where available, local advocacy groups, emergency medical services, and any other local agency involved in the investigation of such cases. The protocol shall include the handling of child forensic interview audio and video recordings in accordance with section 6 of this act. The protocol revision and expansion shall be developed by the prosecuting attorney in collaboration with the agencies referenced in this section.
(2) Revised and expanded protocols under this section shall be adopted and in place by July 1, 2008. Thereafter, the protocols shall be reviewed every two years to determine whether modifications are needed.

NEW SECTION. Sec. 6. A new section is added to chapter 26.44 RCW to read as follows:

(1) Any and all audio and video recordings of child forensic interviews disclosed in a criminal or civil proceeding must be subject to a protective order, or other such order, unless the court finds good cause that the interview should not be subject to such an order. The protective order shall include the following: (a) That the recording be used only for the purposes of conducting the party's side of the case, unless otherwise agreed by the parties or ordered by the court; (b) that the recording not be copied, photographed, duplicated, or otherwise reproduced except as a written transcript that does not reveal the identity of the child; (c) that the recording not be given, displayed, or in any way provided to a third party, except as permitted in (d) or (e) of this subsection or as necessary at trial; (d) that the recording remain in the exclusive custody of the attorneys, their employees, or agents, including expert witnesses retained by either party, who shall be provided a copy of the protective order; (e) that, if the party is not represented by an attorney, the party, their employees, and agents, including expert witnesses, shall not be given a copy of the recording but shall be given reasonable access to view the recording by the custodian of the recording; and (f) that upon termination of representation or upon disposition of the matter at the trial court level, attorneys and other custodians of recordings promptly return all copies of the recording.

(2) A violation of a court order pursuant to this section is subject to a civil penalty of up to ten thousand dollars, in addition to any other appropriate sanction by the court.

(3) Nothing in this section is intended to restrict the ability of the department or law enforcement to share child welfare information as authorized or required by state or federal law.

Sec. 7. RCW 42.56.240 and 2017 c 261 s 7 and 2017 c 72 s 3 are each reenacted and amended to read as follows:

The following investigative, law enforcement, and crime victim information is exempt from public inspection and copying under this chapter:

(1) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy;

(2) Information revealing the identity of persons who are witnesses to or victims of crime or who file complaints with investigative, law enforcement, or penology agencies, other than the commission, if disclosure would endanger any person's life, physical safety, or property. If at the time a complaint is filed the complainant, victim, or witness indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath;

(3) Any records of investigative reports prepared by any state, county, municipal, or other law enforcement agency pertaining to sex offenses contained in chapter 9A.44 RCW or sexually violent offenses as defined in RCW 71.09.020, which have been transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval pursuant to RCW 40.14.070 (2)(b);

(4) License applications under RCW 9.41.070; copies of license applications or information on the applications may be released to law enforcement or corrections agencies;

(5) Information revealing the identity of child victims of sexual assault who are under age eighteen. relationship between the child and the alleged perpetrator;

(6) Information contained in a local or regionally maintained gang database as well as the statewide gang database referenced in RCW 43.43.762;

(8) Information submitted to the statewide unified sex offender notification and registration program under RCW 36.28A.040(6) by a person for the purpose of receiving notification regarding a registered sex offender, including the person's name, residential address, and email address;

(9) Personally identifying information collected by law enforcement agencies pursuant to local security alarm system programs and vacation crime watch programs. Nothing in this subsection shall be interpreted so as to prohibit the legal owner of a residence or business from accessing information regarding his or her residence or business;

(10) The felony firearm offense conviction database of felony firearm offenders established in RCW 43.43.822;

(11) The identity of a state employee or officer who has in good faith filed a complaint with an ethics board, as provided in RCW 42.52.410, or who has in good faith reported improper governmental action, as defined in RCW 42.40.020, to the auditor or other public official, as defined in RCW 42.40.020;

(a) Information that could lead to the identification of a person's security threat group status, affiliation, or activities; (b) information that reveals specific security threats associated with the operation and activities of security threat groups; and (c) information that identifies the number of security threat group members, affiliates, or associates;

(14) Body worn camera recordings to the extent nondisclosure is essential for the protection of any person's right to privacy as described in RCW 42.56.050, including, but not limited to, the circumstances enumerated in (a) of this subsection. A law enforcement or corrections agency shall not disclose a body worn camera recording to the extent the recording is exempt under this subsection.

(a) Disclosure of a body worn camera recording is presumed to be highly offensive to a reasonable person under RCW 42.56.050 to the extent it depicts:

(i) (A) Any areas of a medical facility, counseling, or therapeutic program office where:

If at the time of recording the victim or witness indicates a desire for disclosure or nondisclosure of the recorded identity or communications, such desire shall govern; or

(vii) The identifiable location information of a community-based domestic violence program as defined in RCW 70.123.020, or emergency shelter as defined in RCW 70.123.020.
(b) The presumptions set out in (a) of this subsection may be rebutted by specific evidence in individual cases.

(c) In a court action seeking the right to inspect or copy a body worn camera recording, a person who prevails against a law enforcement or corrections agency that withholds or discloses all or part of a body worn camera recording pursuant to (a) of this subsection is not entitled to fees, costs, or awards pursuant to RCW 42.56.550 unless it is shown that the law enforcement or corrections agency acted in bad faith or with gross negligence.

(d) A request for body worn camera recordings must:

The attorney must explain the relevancy of the requested body worn camera recording to the cause of action and specify that he or she is seeking relief from redaction costs under this subsection (14)(e).

(ii) A law enforcement or corrections agency responding to requests under this subsection (14)(e) may not require the requesting individual to pay costs of any redacting, altering, distorting, pixelating, suppressing, or otherwise obscuring any portion of a body worn camera recording.

(iii) A law enforcement or corrections agency may require any person requesting a body worn camera recording pursuant to this subsection (14)(e) to identify himself or herself to ensure he or she is a person entitled to obtain the body worn camera recording under this subsection (14)(e).

(f)(i) A law enforcement or corrections agency responding to a request to disclose body worn camera recordings may require any requester not listed in (e) of this subsection to pay the reasonable costs of redacting, altering, distorting, pixelating, suppressing, or otherwise obscuring any portion of the body worn camera recording prior to disclosure only to the extent necessary to comply with the exemptions in this chapter or any applicable law.

(ii) An agency that charges redaction costs under this subsection (14)(f) must use redaction technology that provides the least costly commercially available method of redacting body worn camera recordings, to the extent possible and reasonable.

(iii) In any case where an agency charges a requestor for the costs of redacting a body worn camera recording under this subsection (14)(f), the time spent on redaction of the recording shall not count towards the agency's allocation of, or limitation on, time or costs spent responding to public records requests under this chapter, as established pursuant to local ordinance, policy, procedure, or state law.

(g) For purposes of this subsection (14):

(i) "Body worn camera recording" means a video and/or sound recording that is made by a body worn camera attached to the uniform or eyewear of a law enforcement or corrections officer from a covered jurisdiction while in the course of his or her official duties and that is made on or after June 9, 2016, and prior to July 1, 2019; and

(iii) Inspection or copying is required by federal law; or

MESSAGE FROM THE SENATE

February 27, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2938 with the following amendment:

"NEW SECTION. Sec. 1. The legislature finds that state campaign finance laws are intended to provide maximum transparency to the public and voters so they may know who is funding political campaigns and how those campaigns spend
their money. Additionally, our campaign finance laws should not be so complex and complicated that volunteers and newcomers to the political process cannot understand the rules or have difficulty following them. The legislature believes that our campaign finance laws should not be a barrier to participating in the political process, but instead encourage people to participate in the process by ensuring a level playing field and a predictable enforcement mechanism. The legislature intends to simplify the political reporting and enforcement process without sacrificing transparency and the public's right to know who funds political campaigns. The legislature also intends to expedite the public disclosure commission's enforcement procedures so that remedial campaign finance violations can be dealt with administratively.

The intent of the law is not to trap or embarrass people when they make honest remediable errors. A majority of smaller campaigns are volunteer-driven and most treasurers are not professional accountants. The public disclosure commission should be guided to review and address major violations, intentional violations, and violations that could change the outcome of an election or materially affect the public interest.

Sec. 2. RCW 42.17A.005 and 2011 c 145 s 2 and 2011 c 60 s 19 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Actual malice" means to act with knowledge of falsity or with reckless disregard as to truth or falsity.

(2) "Actual violation" means a violation of this chapter that is not a remedial violation or technical correction.

(3) "Agency" includes all state agencies and all local agencies. "State agency" includes every state office, department, division, bureau, board, commission, or other state agency. "Local agency" includes every county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district, or any office, department, division, bureau, board, commission, or agency thereof, or other local public agency.

Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(5) The treasurer shall maintain books of account, current within five business days, that accurately reflect all contributions and expenditures. During the ten calendar days immediately preceding the date of any election that the committee has received any contributions or made any expenditures, the books of account shall be kept current within one business day and shall be open for public inspection in the same manner as provided for candidates and other political committees in RCW 42.17A.235((4))) (6).
(6) All reports filed pursuant to this section shall be certified as correct by the treasurer.

(7) The treasurer shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred.

Sec. 7. RCW 42.17A.235 and 2015 c 54 s 1 are each amended to read as follows:

(1) In addition to the information required under RCW 42.17A.205 and 42.17A.210, (on the day the treasurer is designated) each candidate or political committee must file with the commission a report of all contributions received and expenditures made (prior to that date, if any) as a political committee on the next reporting date pursuant to the timeline established in this section.

(2) Each treasurer shall file with the commission a report, for each election in which a candidate or political committee is participating, containing the information required by RCW 42.17A.240 at the following intervals:

(a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held; and

(b) On the tenth day of the first full month after the election. (3) Each treasurer shall file with the commission a report on the tenth day of each month during which (no other reports are required to be filed under this section) the candidate or political committee is not participating in an election campaign, only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(4) The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for his or her records. In the event of deposits made by candidates, political committee members, or paid staff other than the treasurer, the copy shall be immediately provided to the treasurer for his or her records. Each report shall be certified as correct by the treasurer (or deputy treasurer making the deposit).

(6) (a) The treasurer or candidate shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the eight calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at a place agreed upon by both the treasurer and the requestor, for inspections between 9:00 a.m. and 5:00 p.m. on any day from the tenth calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within forty-eight hours of the time and
day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

(((5))) (7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (((4))) (6) of this section ((at the principal headquarters or, if there is no headquarters, at the address of the treasurer or such other place as may be authorized by the commission)).

(((6))) (8) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than ((five)) two calendar years following the year during which the transaction occurred or for any longer period as otherwise required by law.

(((7))) (9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(((8))) (10) It is not a violation of this section to submit an amended report within twenty-one days of filing an underlying report if:

(a) The report is accurately amended;

(b) The corrected report is filed more than thirty days before an election;

(c) The total aggregate dollar amount of the adjustment for the individual report is within three times the contribution limit per election or two hundred dollars, whichever is greater; and

(d) The committee reported all information that was available to it at the time of filing, or made a good-faith effort to do so, or if a refund of a contribution or expenditure is being reported.

((11)) (a) When there is no outstanding debt or obligation, the campaign fund is closed, ((and)) the campaign is concluded in all respects ((or in the case of a political committee)), and the committee has ceased to function and ((has dissolved)) intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the committee must file notice of intent to dissolve with the commission and the commission must post the notice on its web site.

(b) Any committee may dissolve sixty days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this chapter after filing such notice;

(ii) No complaint or court action under this chapter is pending against the political committee; and

(iii) All penalties assessed by the commission or court order are paid by the political committee.

(c) The political committee must continue to report regularly as required under this chapter until all the conditions under (b) of this subsection are resolved.

(d) The treasurer may not close the political committee’s bank account before the political committee has dissolved.

(e) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there (((4))) shall be no further obligations (((to make any further reports))) under this chapter. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

ballot proposition and is not otherwise required to be reported pursuant to RCW 42.17A.220, 42.17A.235, and 42.17A.240. "Independent expenditure" does not include an internal political communication primarily limited to the contributors to a political party organization or political action committee, or the officers, management staff, and stockholders of a corporation or similar enterprise, or the members of a labor organization or other membership organization, or the rendering of personal services of the sort commonly performed by volunteer campaign workers, or incidental expenses personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid for by the worker. "Volunteer services," for the purposes of this section, means services or labor for which the individual is not compensated by any person.

(2) Within five days after the date of making an independent expenditure that by itself or when added to all other such independent expenditures made during the same election campaign by the same person equals ((one hundred dollars or more)) the contribution limit from an individual per election found in RCW 42.17A.405 for that office, or within five days after the date of making an independent expenditure for which no reasonable estimate of monetary value is practicable, whichever occurs first, the person who made the independent expenditure shall file with the commission an initial report of all independent expenditures made during the campaign prior to and including such date. For purposes of this section, in addition to the meaning of "independent expenditure" under RCW 42.17A.005, any expenditure in excess of one-half the contribution limit per election for a local measure or in excess of the contribution limit per election for a statewide measure in support of or opposition to a ballot measure, must be reported as an in-kind contribution to a political committee associated with support or opposition to that ballot measure or, in the event no such committee exists, reported as an independent expenditure.

(3) (2) At the following intervals each person who is required to file an initial report pursuant to subsection ((421)) (1) of this section shall file with the commission a further report of the independent expenditures made since the date of the last report:

(a) On the twenty-first day and the seventh day preceding the date on which the election is held; and
(b) On the tenth day of the first month after the election; and
(c) On the tenth day of each month in which no other reports are required to be filed pursuant to this section. However, the further reports required by this subsection ((421)) (2) shall only be filed if the reporting person has made an independent expenditure since the date of the last previous report filed.

((The report filed pursuant to paragraph (a) of this subsection (3) shall be the final report, and upon submitting such final report the duties of the reporting person shall cease and)) If the reporting person has not made any independent expenditures since the date of the last report on file, there shall be no obligation to make any further reports.

(3) (4) Each report required by subsections ((421)) (1) and ((421)) (2) of this section shall disclose for the period beginning at the end of the period for the last previous report filed or, in the case of an initial report, beginning at the time of the first independent expenditure, and ending not more than one business day before the date the report is due:

(a) The name and address of the person filing the report;
(b) The name and address of each person to whom an independent expenditure was made in the aggregate amount of more than fifty dollars, and the amount, date, and purpose of each such expenditure. (c) The total sum of all independent expenditures made during the campaign to date; and
(d) Such other information as shall be required by the commission by rule in conformance with the policies and purposes of this chapter.

Sec. 10. RCW 42.17A.265 and 2010 c 204 s 414 are each amended to read as follows:

(c) An aggregate of contributions includes only those contributions received from a single entity during any one special reporting period or made by the contributing political committee to a single entity during any one special reporting period.

If a political committee files a special report under this section for a contribution or contributions made to a single entity during a special reporting period, the political committee shall also file a special report for each subsequent contribution of any size which is made to that entity during the special reporting period.

(6) Special reports required by this section shall be delivered electronically or in written form((, including but not limited to mailgram, telegram, or nightletter)). (a) If the court finds that the violation of any provision of this chapter by any candidate or political committee probably affected the outcome of any election, the result of that election may be held void and a special election held within sixty days of the finding. Any action to void an election shall be commenced within one year of the date of the election in question. It is intended that this remedy be imposed freely in all appropriate cases to protect the right of the electorate to an informed and knowledgeable vote.

(b) If any lobbyist or sponsor of any grass roots lobbying campaign violates any of the provisions of this chapter, his or her registration may be revoked or suspended and he or she may be enjoined from receiving compensation or making expenditures for lobbying. The imposition of a sanction shall not excuse the lobbyist from filing statements and reports required by this chapter.

(c) A person who violates any of the provisions of this chapter may be subject to a civil penalty of not more than ten thousand dollars for each violation. However, a person or entity who violates RCW 42.17A.405 may be subject to a civil penalty of ten thousand dollars or three times the amount of the contribution illegally made or accepted, whichever is greater.

(d) When assessing a civil penalty, the court may consider the nature of the violation and any relevant circumstances, including the following factors:

(i) The respondent's compliance history, including whether the noncompliance was isolated or limited in nature, indicative of systematic or ongoing problems, or part of a pattern of violations by the respondent, resulted from a knowing or intentional effort to conceal, deceive or mislead, or from collusive behavior, or in the case of a political committee or other entity, part of a pattern of violations by the respondent's officers, staff, principal decision makers, consultants, or sponsoring organization;

(ii) The impact on the public, including whether the noncompliance deprived the public of timely or accurate information during a time-sensitive period or otherwise had a significant or material impact on the public;

(iii) Experience with campaign finance law and procedures or the financing, staffing, or size of the respondent's campaign or organization;

(iv) The amount of financial activity by the respondent during the statement period or election cycle;
(v) Whether the late or unreported activity was within three times the contribution limit per election, including in proportion to the total amount of expenditures by the respondent in the campaign or statement period;

(vi) Whether the respondent or any person benefited politically or economically from the noncompliance;

(vii) Whether there was a personal emergency or illness of the respondent or member of his or her immediate family;

(viii) Whether other emergencies such as fire, flood, or utility failure prevented filing;

(ix) Whether there was commission staff or equipment error, including technical problems at the commission that prevented or delayed electronic filing;

(x) The respondent's demonstrated good-faith uncertainty concerning commission staff guidance or instructions;

(xi) Whether the respondent is a first-time filer;

(xii) Good faith efforts to comply, including consultation with commission staff prior to initiation of enforcement action and cooperation with commission staff during enforcement action and a demonstrated wish to acknowledge and take responsibility for the violation;

(xiii) Penalties imposed in factually similar cases; and

(xiv) Other factors relevant to the particular case.

(e) A person who fails to file a properly completed statement or report within the time required by this chapter may be subject to a civil penalty of ten dollars per day for each day each delinquency continues.

(h) Any state agency official, officer, or employee who is responsible for or knowingly directs or expends public funds in violation of RCW 42.17A.635 (2) or (3) may be subject to personal liability in the form of a civil penalty in an amount that is at least equivalent to the amount of public funds expended in the violation.

(c) A person who, with actual malice, procures or offers any false or forged document to be filed, registered, or recorded with the commission under this chapter is guilty of a class C felony under chapter 9.94A RCW.

Sec. 13. RCW 42.17A.755 and 2011 c 145 s 7 are each amended to read as follows:

(1) The commission may ((a) determine whether an actual violation of this chapter has occurred; and (b) issue and enforce an appropriate order following such a determination.)) initiate or respond to a complaint, request a technical correction, or otherwise resolve matters of compliance with this chapter, in accordance with this section. If a complaint is filed with or initiated by the commission, the commission must:

(a) Dismiss the complaint or otherwise resolve the matter in accordance with subsection (2) of this section, as appropriate under the circumstances after conducting a preliminary review;

(b) Initiate an investigation to determine whether an actual violation has occurred, conduct hearings, and issue and enforce an appropriate order, in accordance with chapter 34.05 RCW and subsection (3) of this section; or
(c) Refer the matter to the attorney general, in accordance with subsection (4) of this section.

(2) (The commission) (a) For complaints of remedial violations or requests for technical corrections, the commission may, by rule, delegate authority to its executive director to resolve these matters in accordance with subsection (1)(a) of this section, provided the executive director consistently applies such authority.

(b) The commission shall, by rule, develop additional processes by which a respondent may agree by stipulation to any allegations and pay a penalty subject to a schedule of violations and penalties, unless waived by the commission as provided for in this section. Any stipulation must be referred to the commission for review. If approved or modified by the commission, agreed to by the parties, and the respondent complies with all requirements set forth in the stipulation, the matter is then considered resolved and no further action or review is allowed.

(3) If the commission initiates an investigation, an initial hearing must be held within ninety days of the complaint being filed. Following an investigation, in cases where it chooses to determine whether an actual violation has occurred, the commission shall hold a hearing pursuant to the administrative procedure act, chapter 34.05 RCW. Any order that the commission issues under this section shall be pursuant to such a hearing.

((4) In lieu of holding a hearing or issuing an order under this section, the commission may refer the matter to the attorney general or other enforcement agency as provided in RCW 42.17A.105)) consistent with this section, when the commission believes:

(a) Additional authority is needed to ensure full compliance with this chapter;

(b) An actual violation potentially warrants a penalty greater than the commission's penalty authority; or

(c) The maximum penalty the commission is able to levy is not enough to address the severity of the violation.

((4) The person against whom an order is directed under this section shall be designated as the respondent. The order may require the respondent to cease and desist from the activity that constitutes a violation and in addition, or alternatively, may impose one or more of the remedies provided in RCW 42.17A.750(1) (b) through (e). The commission may assess a penalty in an amount not to exceed ten thousand dollars per violation, unless the parties stipulate otherwise. Any order that the commission issues under this section that imposes a financial penalty must be made pursuant to a hearing, held in accordance with the administrative procedure act, chapter 34.05 RCW.)

(c) The commission has the authority to waive a penalty for a first-time actual violation. A second actual violation of the same requirement by the same person, regardless if the person or individual committed the actual violation for a different political committee, shall result in a penalty. Successive actual violations of the same requirement shall result in successively increased penalties. The commission may suspend any portion of an assessed penalty contingent on future compliance with this chapter. The commission must create a schedule to enhance penalties based on repeat actual violations by the person.

(d) Any order issued by the commission is subject to judicial review under the administrative procedure act, chapter 34.05 RCW. If the commission's order is not satisfied and no petition for review is filed within thirty days, the commission may petition a court of competent jurisdiction of any county in which a petition for review could be filed under that jurisdiction, for an order of enforcement. Proceedings in connection with the commission's petition shall be in accordance with RCW 42.17A.760.

(4) In lieu of holding a hearing or issuing an order under this section, the commission may refer the matter to the attorney general or other enforcement agency as provided in RCW 42.17A.105, consistent with this section, when the commission believes:

(a) Additional authority is needed to ensure full compliance with this chapter;

(b) An actual violation potentially warrants a penalty greater than the commission's penalty authority; or

(c) The maximum penalty the commission is able to levy is not enough to address the severity of the violation.
amount not to exceed ten thousand dollars.

(5) The commission has the authority to waive a fine for a first-time violation. A second violation of the same rule by the same person or individual, regardless if the person or individual committed the violation for a different political committee, shall result in a fine. Succeeding violations of the same rule shall result in successively increased fines.

(6) An order issued by the commission under this section shall be subject to judicial review under the administrative procedure act, chapter 34.05 RCW. If the commission's order is not satisfied and no petition for review is filed within thirty days, the commission may petition a court of competent jurisdiction of any county in which a petition for review could be filed under that section, for an order of enforcement. Proceedings in connection with the commission's petition shall be in accordance with RCW 42.17A.760.

Sec. 14. RCW 42.17A.765 and 2010 c 204 s 1004 are each amended to read as follows:

(1)(a) Only after a matter is referred by the commission, under RCW 42.17A.755, the attorney general may bring civil actions in the name of the state for any appropriate civil remedy, including but not limited to the special remedies provided in RCW 42.17A.750. The attorney general must provide notice of his or her decision whether to commence an action on the attorney general's office web site within forty-five days of receiving the referral, which constitutes state action for purposes of this chapter.

(b) The attorney general should use the enforcement powers in this section in a consistent manner that provides guidance in complying with the provisions of this chapter to candidates, political committees, or other individuals subject to the regulations of this chapter.

(2) The attorney general may investigate or cause to be investigated the activities of any person who has reason to believe is or has been acting in violation of this chapter, and may require any such person or any other person reasonably believed to have information concerning the activities of such person to appear at a time and place designated in the county in which such person resides or is found, to give such information under oath and to produce all accounts, bills, receipts, books, paper and documents which may be relevant or material to any investigation authorized under this chapter.

(3) When the attorney general requires the attendance of any person to obtain such information or produce the accounts, bills, receipts, books, papers, and documents that may be relevant or material to any investigation authorized under this chapter, he or she shall issue an order setting forth the time when and the place where attendance is required and shall cause the same to be delivered to or sent by registered mail to the person at least fourteen days before the date fixed for attendance. The order shall have the same force and effect as a subpoena, shall be effective statewide, and, upon application of the attorney general, obedience to the order may be enforced by any superior court judge in the county where the person receiving it resides or is found, in the same manner as though the order were a subpoena. The court, after hearing, for good cause, and upon application of any person aggrieved by the order, shall have the right to alter, amend, revise, suspend, or postpone all or any part of its provisions. In any case where the order is not enforced by the court according to its terms, the reasons for the court's actions shall be clearly stated in writing, and the action shall be subject to review by the appellate courts or by certiorari or other appropriate proceeding.

(4) A person who has notified the attorney general and the prosecuting attorney in the county in which the violation occurred in writing that there is reason to believe that some provision of this chapter is being or has been violated may himself or herself bring an action in the name of the state any of the actions authorized under this chapter.

(a) This citizen action may be brought only if
(i) The attorney general and the prosecuting attorney have failed to commence an action hereunder within forty-five days after the notice;

(ii) The person has thereafter further notified the attorney general and prosecuting attorney that the person will commence a citizen's action within ten days upon their failure to do so;

(iii) The attorney general and the prosecuting attorney have in fact failed to bring such action within ten days of receipt of said second notice; and

(iv) The citizen's action is filed within two years after the date when the alleged violation occurred.

(b) If the person who brings the citizen's action prevails, the judgment awarded shall escheat to the state, but he or she shall be entitled to be reimbursed by the state of Washington for costs and attorneys' fees he or she has incurred. In the case of a citizen's action that is dismissed and that the court also finds was brought without reasonable cause, the court may order the person commencing the action to pay all costs of trial and reasonable attorneys' fees incurred by the defendant.

(5) In any action brought under this section, the court may award to the state all costs of investigation and trial, including reasonable attorneys' fees to be fixed by the court. If the violation is found to have been intentional, the amount of the judgment, which shall for this purpose include the costs, may be trebled as punitive damages. If damages or trebled damages are awarded in such an action brought against a lobbyist, the judgment may be awarded against the lobbyist, and the lobbyist's employer or employers joined as defendants, jointly, severally, or both. If the defendant prevails, he or she shall be awarded all costs of trial, and may be awarded reasonable attorneys' fees to be fixed by the court to be paid by the state of Washington.}

Sec. 15. RCW 42.17A.770 and 2011 c 60 s 26 are each amended to read as follows:

MESSAGE FROM THE SENATE
March 1, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2951 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that Native American women experience violence at much higher rates than other populations. A recent federal study reported that Native American women face murder rates over ten times the national average. However, many of these crimes often are unsolved and even unreported because there are also very high rates of disappearances among Native American women. Furthermore, there is no comprehensive data collection system for reporting or tracking missing Native American women. This gap in reporting and investigation places Native American women even more vulnerable to violence.

The legislature further finds that although violence against Native American women has been a neglected issue in society, there is a growing awareness of this crisis of violence against Native American women, and a recognition of the need for the criminal justice system to better serve and protect Native American women. The legislature intends to find ways to connect state, tribal, and federal resources to create partnerships in finding ways to solve this crisis facing Native American women in our state.

NEW SECTION. Sec. 2. (1) The Washington state patrol must conduct a study to determine how to increase state criminal justice protective and investigative resources for reporting and identifying missing Native American women in the state. The state patrol must work with the governor's office of Indian affairs to convene meetings with tribal and local law enforcement partners, federally recognized tribes, and urban Indian organizations to determine the scope of the problem, identify barriers, and find ways to create partnerships to increase reporting and investigation of missing Native American women. Consultation and collaboration with federally recognized tribes must be conducted in respect for government-to-government relations. The state patrol also must work with the federal department of justice to increase information sharing and coordinating resources that can focus on reporting and investigating missing Native American women in the state.

(2) By June 1, 2019, the state patrol must report to the legislature on the results of the study, including data and analysis of the number of missing Native American women in the state, identification of barriers in providing state resources to address the issue, and recommendations, including any proposed legislation that may be needed to address the problem.

(3) This section expires December 31, 2019."

On page 1, line 2 of the title, after "women;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2970 with the following amendment:

Strike everything after the enacting clause and insert the following:

" new section. Sec. 1. A new section is added to chapter 47.01 RCW to read as follows:

The commission must convene an executive and legislative work group to develop policy recommendations to address the operation of autonomous vehicles on public roadways in the state, subject to the availability of amounts appropriated for this specific purpose.

(1)(a)(i) Executive branch membership of the work group must include, but is not limited to: The governor or his or her designee or designees, the insurance commissioner or his or her designee or designees, the director of the department of licensing or his or her designee or designees, the secretary or his or her designee or designees, the director of the Washington state patrol or his or her designee or designees, and the director of the traffic safety commission or his or her designee or designees.

(ii) Executive branch membership of the work group may also include: The assistant secretary of the department of social and health services aging and long-term support administration or his or her designee or designees and the deputy director of the department of enterprise services who oversees fleet operations or his or her designee or designees.

(b) The president of the senate shall appoint two interested members from each of the two largest caucuses of the senate. The speaker of the house of representatives shall appoint two interested members from each of the two largest caucuses of the house of representatives.

(c) The commission may invite additional participation on an ongoing, recurring, or one-time basis from individuals representing additional state agencies, local and regional governments, local law enforcement agencies, transit authorities, state colleges and universities, autonomous vehicle technology developers, motor vehicle manufacturers, insurance associations, network providers, software development companies, and other relevant stakeholders as appropriate.

(2) To prepare for the use of autonomous vehicle technology in the state, the work group, while taking into account the transportation system policy goals established in RCW 47.04.280(1), must:

(a) Follow developments in autonomous vehicle technology, autonomous vehicle deployment, and federal, state, and local policies that relate to the operation of autonomous vehicles, including the federal government's recommendations related to vehicle performance guidance for autonomous vehicles, model state policy, and current and possible federal regulatory tools for the regulation of autonomous vehicles. The scope of the work must include autonomous commercial vehicles, in addition to autonomous passenger vehicles;

(b) Explore approaches to the modification of state policy, rules, and laws to further public safety and prepare the state for the emergence and deployment of autonomous vehicle technology. Areas for consideration may include, but are not limited to, manufacturer vehicle testing, vehicle registration and titling requirements, driver's license requirements, rules of the road, criminal law, roadway infrastructure, traffic management, transit, vehicle insurance, tort liability, cybersecurity, privacy,
advertising, impacts to social services, and impacts to labor and small businesses;

(c) Disseminate information, as appropriate, to all interested stakeholders; and

(d) At the direction of the legislature, engage the public through surveys, focus groups, and other such means, in order to inform policymakers for the purposes of policy development.

(3)(a) The commission must develop and update recommendations annually based on the input provided by the work group. By November 15th of each year, the commission must provide a report to the governor and the relevant committees of the legislature that describes the progress made by the work group and the commission's recommendations.

(b) The recommendations made by the commission may include proposed modifications to state law and rules to address the emergence and deployment of autonomous vehicle technology in the state.

NEW SECTION. Sec. 2. Sections 1 and 3 of this act expire December 31, 2023.

NEW SECTION. Sec. 3. The legislature finds that autonomous vehicle technology is rapidly evolving and that the testing and deployment of this technology is advancing at a rapid pace. Washington state's policies, laws, and rules predate autonomous vehicle technology and largely have not been developed in consideration of the operation of this technology on roadways in the state. At both the federal and state level, efforts are underway to begin to establish a framework of policy guidance, laws, and rules that will organize and govern the use of autonomous vehicle technology in the United States. The legislature finds that establishing an autonomous vehicle work group, to be convened by the transportation commission, will facilitate state efforts to address the emergence of autonomous vehicle technology. It is the intent of the legislature for the transportation commission to develop recommendations for policy, laws, and rules for the operation of autonomous vehicles, with input from the autonomous vehicle work group, that enable Washington state to address the public policy changes necessitated by the emergence of this technology in an informed, thorough, and deliberate manner. This effort is required because robot cars are coming, but robot policy makers are not.”

On page 1, line 2 of the title, after "group;" strike the remainder of the title and insert "adding a new section to chapter 47.01 RCW; creating a new section; and providing an expiration date.”

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 2970, as amended by the Senate, having received the necessary constitutional majority, was declared passed.
POINT OF PERSONAL PRIVILEGE

Representative Wilcox: “Thank you Mr. Speaker, and I hope that you will indulge me once or twice because I’m going to say this person’s name. Several years ago we heard that there was a young lady, and I say this because she was a very young lady at that time, who was interested in coming and joining us. Anyone that saw this person speak, understood that she was a very special and talented person. She ran a successful campaign and was elected here. Because of her youth and poise and skill, I would say that she quickly became the person who had the biggest spotlight in this body. And as all of us know, having a spotlight is a mixed blessing. And she handled that, I think, with great grace and the spotlight became so intense that to many people, she was the one person who was known, sort of like a rock star in some cases, by her first name only. And when you talk to young people, those who are politically aware around the state of Washington, and say the word Melanie, they know exactly who we’re talking about. She has achieved rock star status in many ways. Now, not only has she become a celebrity, but she also has become a consequential member and anyone who’s been here over the last four years understands how she’s moved the House Republican Caucus, as well as this body in some areas that are very important to her. In terms of woman’s issues, she’s brought a new and influential perspective here. In understanding how the world of millennial people are different, she has brought a new perspective here, and she’s combined both those issues in many ways that I think has made a difference here, not only in people’s attitudes, but in concrete achievements in terms of bills passed. I just have one very quick story to share about the gracious lady from the 25th and that’s this: As floor leader, it’s part of my job to ask people to make their first speech, and I had forgotten what an awesome power this chamber has when people are not as used to it and I didn’t spend two seconds thinking about how nervous the gracious lady from the 25th might end up being for her first speech because I had taken for granted that there is no one more poised in this building, but my esteem was increased by a couple of notches when I watched her stand up at her desk, she was at the same desk then, and her hands were shaking, just like almost everybody’s do when they give their first speech, and I thought, ‘oh my gosh, I should have spent a little more time with her.’ I watched her put her hand down on the desk to stop it and then she gave the kind of poised, gracious speech that we’ve all become familiar with. So even though she could feel that in her heart and in her fingertips, she knew how to deal with the stress that you get here. I’m sad that she’s leaving. I can only imagine how proud her parents must be, and I appreciate this opportunity to speak about her. Thank you.”

POINT OF PERSONAL PRIVILEGE

Representative Smith: “Thank you Mr. Speaker, and I too just want to acknowledge the impact, influence, and friendship of the good woman, our colleague from the 25th. And to thank her parents for the extraordinary young woman that they gave so much to in terms of the investment of love and guidance in her life. But as we think about our colleague, you know, yes, woman of grace comes to mind, but I just want to say, she has intellectual horsepower. And what is amazing to me, having worked with Melanie, oh, sorry, forgive me Mr. Speaker, the good woman from the 25th, is that the combination of having someone with sheer intellectual horsepower and that capacity being harnessed with an integrity born out of her very personal faith, love of god, love of country and her commitment to excellence as a servant leader is something that not only we can admire, but we can aspire to. And so on behalf of everyone on this floor, again I just want to thank her, the good woman of the 25th, for her extraordinary public service. We look forward to seeing her again. We look forward to seeing what the future holds as she continues to invest the extraordinary capacity and capabilities that she has been given for the public good, for her family, for her community, and for her country. Thank you Mr. Speaker.”

POINT OF PERSONAL PRIVILEGE

Representative Frame: “Thank you Mr. Speaker. It’s a little impromptu but I too rise to thank the good lady from the 25th District for her service. I’m relatively new to this body and it has been a great pleasure to work with the good lady from the 25th. When I came in, well today, the good lady is the youngest woman in the entire legislature, and when I came in, I was the youngest woman on the Democratic side and I kind of thought, Democrats, we need to get our act together because Melanie is, pardon me, the good lady is nine years younger than I am, so come on Democrats. And I made it my mission to replace myself as the youngest on the Democratic side and the next year we were able to elect the young lady from the 30th District who, when you leave will be our youngest. So first and foremost, I just want to say thank you for being a model to young women. To step up and to run when so many are told to stay back and wait their turn. Thank you for not waiting your turn. I also want to congratulate the good lady from the 25th District for a bill that we are concurring in. I hope we will concur with today, that she played an incredible role, one of the first pieces of legislation that she worked on and that is on open educational resources. And Mr. Speaker, it may have my name on it, but I know, and the students who have worked on this for many years know, and all of our colleagues know, that the good lady from the 25th District played a very important part in helping to make that access to the American dream, access to a college degree, more accessible, more affordable, through making course instructional materials free. I also just want to thank the good lady from the 25th, as a millennial, I’ll say technically I’m also a millennial, right on the cusp, barely, I also want to thank the good lady for elevating the conversation in this body about technology and how technology is changing and how we must also change in how we use technology to interact with our constituents. It’s been a tough and frustrating conversation. I know the good lady has taken some incredible heat for raising that conversation but I want to thank her for bringing a very different point of view to this body. I am grateful for it, the fight continues, still not resolved, and we’re really going to miss you. So thank you so much, and thank you to the good gentleman from the 2nd
FIFTY FIFTH DAY, MARCH 3, 2018 2319

District for asking for this point of privilege to start the conversation and to thank such an incredible public servant.”

SPEAKER’S PRIVILEGE

The Speaker (Representative Lovick presiding) recognized Representative Stambaugh’s parents and asked the members to acknowledge them.

The Speaker assumed the chair.

SUBSTITUTE SENATE BILL NO. 6317,

and the same is herewith transmitted.

Brad Hendrickson, Secretary

March 3, 2018

There being no objection, the Senate concurred in the House amendment(s) to the following bills and passed the bills as amended by the House:

SENATE BILL NO. 5722,
SUBSTITUTE SENATE BILL NO. 6219,
SENATE BILL NO. 6582,
NEW SECTION. Sec. 4. The legislature finds that effective civics education teaches students how to be active, informed, and engaged citizens. The legislature recognizes that RCW 28A.150.210 identifies civics as one component of a basic education and that one-half credit in civics is required for high school graduation. The required civics content, however, may be embedded in another social studies course.

Civics requirements are meant to ensure that every student receives a high-quality civics education from kindergarten through twelfth grade. The legislature also recognizes, however, that two factors limit the effectiveness of civics education.

First, when the one-half civics credit is embedded in other courses rather than taught in a stand-alone civics course, the required content is easily diluted or ignored altogether. Pressure to emphasize other areas of the curriculum can relegate civics education to a lesser role.

Second, professional development opportunities for teachers in civics education are rare. In many districts, due to limited budgets and competing demands for funding, opportunities for teachers to deepen instructional and curricular practices in civics do not exist.

The legislature, therefore, intends to: Require school districts to provide a mandatory stand-alone civics course for all high school students; and support the development of an in-depth and interactive teacher professional development program to improve the ability of teachers throughout the state to provide students with an effective civics education from kindergarten through twelfth grade. This expanded civics education program seeks to ensure that students have basic knowledge about national, state, tribal, and local governments, and that they develop the skills and dispositions needed to become informed and engaged citizens.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.230 RCW to read as follows: (1)(a) Beginning with or before the 2020-21 school year, each school district that operates a high school must provide a mandatory one-half credit stand-alone course in civics for each high school student. Except as provided by (c) of this subsection, civics content and instruction embedded in other social studies courses do not satisfy the requirements of this subsection.

(b) Credit awarded to students who complete the civics course must be applied to course credit requirements in social studies that are required for high school graduation.

(c) Civics content and instruction required by this section may be embedded in social studies courses that offer students the opportunity to earn both high school and postsecondary credit.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 2610, and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

February 27, 2018

MR. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2664, with the following amendment:

"Sec. 15. RCW 53.08.005 and 2000 c 81 s 6 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise."
(1) "Commission" means the Washington utilities and transportation commission.

(2) "Rural port district" means a port district formed under chapter 53.04 RCW and located in a county with an average population density of fewer than one hundred persons per square mile.

(3) "Telecommunications" has the same meaning as contained in RCW 80.04.010.

(4) "Telecommunications facilities" means lines, conduits, ducts, poles, wires, cables, crossarms, receivers, transmitters, instruments, machines, appliance, instrumentalities and all devices, real estate, easements, apparatus, property, and routes used, operated, owned, or controlled by any entity to facilitate the provision of telecommunications services.

(5) "Wholesale telecommunications services" means the provision of telecommunications services or facilities for resale by an entity authorized to provide telecommunications services to the general public and internet service providers. Wholesale telecommunications services includes the provision of unlit or dark optical fiber for resale, but not the provision of lit optical fiber.

Sec. 16. RCW 53.08.370 and 2000 c 81 s 7 are each amended to read as follows:

(1) A rural port district in existence on June 8, 2000, may construct, purchase, acquire, develop, finance, lease, license, handle, provide, add to, contract for, interconnect, alter, improve, repair, operate, and maintain any telecommunications facilities within or without the district's limits for the following purposes:

(a) For the district's own use; and

(b) For the provision of wholesale telecommunications services within or without the district's limits. Nothing in this subsection shall be construed to authorize rural port districts to provide telecommunications services to end users.

(2) Except as provided in subsection (7) of this section, port district providing wholesale telecommunications services under this section shall ensure that rates, terms, and conditions for such services are not unduly or unreasonably discriminatory or preferential. Rates, terms, and conditions are discriminatory or preferential when a rural port district offering such rates, terms, and conditions to an entity for wholesale telecommunications services does not offer substantially similar rates, terms, and conditions to all other entities seeking substantially similar services.

(3) When a rural port district establishes a separate utility function for the provision of wholesale telecommunications services, it shall account for any and all revenues and expenditures related to its wholesale telecommunications facilities and services separately from revenues and expenditures related to its internal telecommunications operations. Any revenues received from the provision of wholesale telecommunications services must be dedicated to the utility function that includes the provision of wholesale telecommunications services for costs incurred to build and maintain the telecommunications facilities until such time as any bonds or other financing instruments executed after June 8, 2000, and used to finance the telecommunications facilities are discharged or retired.

(4) When a rural port district establishes a separate utility function for the provision of wholesale telecommunications services, all telecommunications services rendered by the separate function to the district for the district's internal telecommunications needs shall be charged at its true and full value. A rural port district may not charge its nontelecommunications operations rates that are preferential or discriminatory compared to those it charges entities purchasing wholesale telecommunications services.

(5) A rural port district shall not exercise powers of eminent domain to acquire telecommunications facilities or contractual rights held by any other person or entity to telecommunications facilities.

(6) Except as otherwise specifically provided, a rural port district may exercise any of the powers granted to it under this title and other applicable laws in carrying out the powers authorized under this section. Nothing in chapter 81, Laws of 2000 limits any
existing authority of a (rural) port district under this title.

(7) A port district under this section may select a telecommunications company to operate all or a portion of the port district's telecommunications facilities. For the purposes of this section, "telecommunications company" means any for-profit entity owned by investors that sells telecommunications services to end users. Nothing in this subsection (7) is intended to limit or otherwise restrict any other authority provided by law.

(8) A port district that has not exercised the authorities provided in this section prior to the effective date of this act must develop a business case plan before exercising the authorities provided in this section. The port district must procure an independent qualified consultant to review the business case plan, including the use of public funds in the provision of wholesale telecommunications services. Any recommendations or adjustments to the business case plan made during third-party review must be received and either rejected or accepted by the port commission in an open meeting.

(9) A port district exercising authority under this section must prioritize telecommunications services that promote the development of broadband internet access for unserved or underserved areas located within the port district's limits.

(10) A port district with telecommunications facilities for use in the provision of wholesale telecommunications in accordance with subsection (1)(b) of this section may be subject to local leasehold excise taxes under RCW 82.29A.040.

Sec. 17. RCW 53.08.380 and 2000 c 81 s 9 are each amended to read as follows:

(1) A person or entity that has requested wholesale telecommunications services from a (rural) port district may petition the commission under the procedures set forth in RCW 80.04.110 (1) through (3) if it believes the district's rates, terms, and conditions are unduly or unreasonably discriminatory or preferential. The person or entity shall provide the district notice of its intent to petition the commission and an opportunity to review within thirty days the rates, terms, and conditions as applied to it prior to submitting its petition. In determining whether a district is providing discriminatory or preferential rates, terms, and conditions, the commission may consider such matters as service quality, technical feasibility of connection points on the district's telecommunications facilities, time of response to service requests, system capacity, and other matters reasonably related to the provision of wholesale telecommunications services. If the commission, after notice and hearing, determines that a (rural) port district's rates, terms, and conditions are unduly or unreasonably discriminatory or preferential, it shall issue a final order finding noncompliance with this section and setting forth the specific areas of apparent noncompliance. An order imposed under this section shall be enforceable in any court of competent jurisdiction.

(2) The commission may order a (rural) port district to pay a share of the costs incurred by the commission in adjudicating or enforcing this section.

(3) Without limiting other remedies at law or equity, the commission and prevailing party may also seek injunctive relief to compel compliance with an order.

(4) Nothing in this section shall be construed to affect the commission's authority and jurisdiction with respect to actions, proceedings, or orders permitted or contemplated for a state commission under the federal telecommunications act of 1996, P.L. 104-104 (110 Stat. 56).

On page 1, line 4 of the title, after "infrastructure;" strike the remainder of the title and insert "and amending RCW 53.08.005, 53.08.370, and 53.08.380."

and the same is herewith transmitted.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 2664 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

February 28, 2018

Mr. Speaker:
The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1377 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that students' unmet mental health needs pose barriers to learning and development, and ultimately student success in school. The legislature further finds that the need to identify and assist students struggling with emotional and mental health needs has reached a serious level statewide. In order to prioritize student needs first, the legislature finds that the persons most qualified in the school setting to lead the effort in addressing this epidemic are the school counselor, school social worker, and school psychologist. The legislature further finds that the knowledge-levels and skill-levels of these nonacademic professionals must be increased in order to enhance mental health-related student support services.

(2) The legislature further finds that in chapter 175, Laws of 2007, appropriate acknowledgment was given to the fact that a professional school counselor is not just a course and career guidance professional, but a certificated educator with unique qualifications and skills to address all students' academic, personal, social, and career development needs, and that school counselors serve a vital role in maximizing student achievement by supporting a safe learning environment and addressing the needs of all students through prevention and intervention programs that are part of a comprehensive school counseling program. The legislature finds, however, that despite the language in RCW 28A.410.043 that appropriately recognizes that the role of the school counselor is multifaceted, with a focus upon students' mental health needs as well as career guidance needs, the reality in the schools is that counselor staffing levels are well below the national recommendations of one counselor to every two hundred fifty students. As a result, there are not enough counselors in the schools and many school counselors have been tasked primarily with course and career guidance responsibilities at the expense of the mental health side of school counseling. Similarly, school psychologist staffing levels are below the national recommendations of one psychologist to every five hundred to seven hundred students when providing comprehensive school psychological services, and school social worker staffing levels are below the national recommendations of one school social worker to every two hundred fifty students, or one to every fifty students with intensive needs.

(3) The legislature further finds that school counselors, social workers, and psychologists interact with students on a daily basis, thus putting them in a good position to recognize the signs of emotional or behavioral distress and make appropriate referrals. The legislature finds that individuals entering these professions need proper preparation to respond to the mental health and safety needs of students. The legislature further finds that they need ongoing professional development to attend to students' mental health needs and get students the help they need. The legislature further finds that Engrossed Substitute House Bill No. 1336, which became chapter 197, Laws of 2013, increased the capacity of school districts and their personnel to recognize and respond to youth in need through comprehensive planning and additional training, but that additional opportunities for collaboration on a regular and ongoing basis are in order. By providing professional collaboration opportunities with local mental health service providers at the school district level to school counselors, social workers, and psychologists, the legislature intends to take the next step toward enabling these professionals to recognize and respond with skill and confidence to the signs of emotional or behavioral distress that they observe in students and make the appropriate referrals to evidence-based behavioral health services.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

The school counselor works with developing and leading a comprehensive guidance and counseling program to focus on the academic, career, personal, and social needs of all students. School psychologists carry out special education evaluation duties, among other things. School social workers promote and
support students' health, academic, and social success with counseling and support, and by providing and coordinating specialized services and resources. All of these professionals are also involved in multitierr systems of support for academic and behavioral skills. These professionals focus on student mental health, work with at-risk and marginalized students, perform risk assessments, and collaborate with mental health professionals to promote student achievement and create a safe learning environment. In order that school counselors, social workers, and psychologists have the time available to prioritize these functions, in addition to other activities requiring direct student contact, responsibilities such as data input and data tracking should be handled by nonlicensed, noncertified staff, where possible.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.410 RCW to read as follows:

(1) A school psychologist is a professional educator who holds a valid school psychologist certification as defined by the professional educator standards board. Pursuant to the national association of school psychologists' model for comprehensive and integrated school psychological services, school psychologists deliver services across ten domains of practice. Two domains permeate all areas of service delivery: Data-based decision making; and consultation and collaboration. Five domains encompass direct and indirect services to children and their families: Student-level services, interventions, and instructional supports to develop academic skills; student-level interventions and mental health services to develop social and life skills; systems-level school-wide practices to promote learning; systems-level preventive and responsive services; and systems-level family school collaboration services. The three foundational domains include: Knowledge and skills related to diversity in development and learning; research and program evaluation; and legal and ethical practice.

(2) A school social worker is a professional in the fields of social work and education who holds a valid school social worker certification as defined by the professional educator standards board. The purpose and role of the school social worker is to provide an integral link between school, home, and community in helping students achieve academic and social success. This is accomplished by removing barriers and providing services that include: Mental health and academic counseling, support for students and parents, crisis prevention and intervention, professional case management, collaboration with other professionals, organizations, and community agencies, and advocacy for students and parents. School social workers work directly with school administrators as well as students and families, at various levels and as part of an interdisciplinary team in the educational system, including at the building, district, and state level. School social workers provide leadership and professional expertise regarding the formation of school discipline policies and procedures, and through school-based mental health services, crisis management, the implementation of social-emotional learning, and other support services that impact student academic and social-emotional success. School social workers also facilitate community involvement in the schools while advocating for student success.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Within existing resources, beginning in the 2019-20 school year, first-class school districts must provide a minimum of six hours of professional collaboration per year, preferably in person, for school counselors, social workers, and psychologists that focuses on the following: Recognizing signs of emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide, screening, accessing current resources, and making appropriate referrals. Teachers may also participate in this professional collaboration, as deemed appropriate and allowed by their building administrators. School districts that have mental health centers in their area shall collaborate with local licensed mental health service providers under chapter 71.24 RCW. Those districts without a mental health center in their area shall collaborate via telephone or other remote means that allow for
dialogue and discussion. By collaborating with local providers in this manner, educational staff associates get to collaborate in short but regular segments, in their own schools or near school district facilities, and school districts are not put in a position that they must obtain substitutes or otherwise expend additional funds. This local connection will also help foster a connection between school personnel and the mental health professionals in the community to whom school personnel may make referrals, in line with the legislative intent expressed throughout Engrossed Substitute House Bill No. 1336, chapter 197, Laws of 2013, to form partnerships with qualified health, mental health, and social services agencies in the community to coordinate and improve support for youth in need and the directive to the department of social and health services with respect to the provision of funds for mental health first-aid training targeted at teachers and educational staff.

(2) Second-class districts are encouraged, but not required, to collaborate and provide the professional collaboration as provided in subsection (1) of this section.

NEW SECTION. Sec. 5. (1) Subject to the availability of amounts appropriated for this specific purpose, the professional collaboration lighthouse grant program is established to assist school districts with early adoption and implementation of mental health professional collaboration time specified under section 4 of this act.

(2) The superintendent of public instruction shall designate at least two school districts as lighthouse school districts to serve as resources and examples of best practices in designing and operating a professional collaboration program for school counselors, school social workers, school psychologists, and local licensed mental health service providers. The program must focus on recognizing signs of emotional or behavioral distress in students, for example indicators of possible substance abuse, violence, and youth suicide, screening, accessing current resources, and making appropriate referrals.

(3) The superintendent shall award grants to:

(a) Each school district designated as a lighthouse district under subsection (2) of this section; and

(b) At least four school districts wishing to implement mental health professional collaboration time, as specified under section 4 of this act, in the 2018-19 school year. In awarding the grants, the superintendent must prioritize an even mix of rural school districts and urban or suburban school districts.

(4) Grant funds may be used for: Providing technical assistance to school districts implementing a professional collaboration program; designing and implementing a professional collaboration program; developing approaches for accessing resources external to a school district; collaborating with local licensed mental health service providers; identifying successful methods of communicating with students and parents; conducting site visits; and providing supplemental materials.

(5) This section expires August 1, 2020.

NEW SECTION. Sec. 6. This act does not create any civil liability on the part of the state or any state agency, officer, employee, agent, political subdivision, or school district.

On page 1, line 2 of the title, after "services;" strike the remainder of the title and insert "adding new sections to chapter 28A.320 RCW; adding a new section to chapter 28A.410 RCW; creating new sections; and providing an expiration date."

MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1539 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that every child should experience emotional and physical development that is free from abuse and neglect. In 2015, Washington child protective services received reports screened in for investigation that alleged the sexual abuse or sexual exploitation, or both, of two thousand six hundred three children. Further, the legislature finds that most sexual assaults are unreported. The legislature also finds that a clear relationship exists between youth victimization and mental health problems and delinquent behavior.

(2) The legislature finds that thirty-one states have enacted Erin's laws. Erin's laws, named in honor of a childhood sexual assault survivor, are intended to help children, teachers, and parents identify sexual abuse, and to provide assistance, referral, or resource information for children and families who are victims of child sexual abuse. The legislation adopted in these states requires the study or development of age-appropriate child sexual abuse identification and prevention.

(3) The legislature finds that the federal every student succeeds act, 2015 c 399 s 21, as signed into law by President Barack Obama on December 10, 2015, provides federal funding that can be used for the implementation of programs established in accordance with Erin's laws.

(4) The legislature, therefore, intends to incorporate curriculum for the prevention of sexual abuse of students in kindergarten through twelfth grade, such as Erin's law, into an existing statewide coordinated program for the prevention of child abuse and neglect.

Sec. 2. RCW 28A.300.150 and 2006 c 263 s 705 are each amended to read as follows:

(1) The superintendent of public instruction shall collect and disseminate to school districts information on and curricula for the coordinated program for the prevention of sexual abuse of students in kindergarten through twelfth grade, child abuse, and neglect (established in RCW 28A.300.160). The superintendent shall also adopt rules addressing the prevention of sexual abuse of students in kindergarten through twelfth grade and child abuse for purposes of (established in RCW 28A.300.160). The superintendent shall also adopt rules addressing the prevention of sexual abuse of students in kindergarten through twelfth grade and child abuse for purposes of.

(2) Effective July 1, 2018, the superintendent of public instruction and the department of children, youth, and families shall share relevant information in furtherance of this section.

(3) Subject to the availability of amounts appropriated for this specific purpose, on or before June 30, 2019, the superintendent of public instruction must review any existing curricula related to the prevention of sexual abuse of students in kindergarten through twelfth grade. The review required by this subsection must evaluate the curricula for alignment with the provisions of RCW 28A.300.160.

Sec. 3. RCW 28A.300.160 and 1995 c 399 s 21 are each amended to read as follows:

(1)(a) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall be the lead agency and shall assist the department of children, youth, and families school districts in
establishing a coordinated (primary prevention) program for the prevention of sexual abuse of students in kindergarten through twelfth grade, child abuse, and neglect.

(b) The office of the superintendent of public instruction must, for any curriculum included within a program for the prevention of sexual abuse of students in kindergarten through twelfth grade, seek advice and comments regarding the curriculum from:

(i) The Washington association of sheriffs and police chiefs;

(ii) The Washington association of prosecuting attorneys;

MESSAGE FROM THE SENATE

February 28, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1889 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends to create an independent and impartial office of the corrections ombuds to assist in strengthening procedures and practices that lessen the possibility of actions occurring within the department of corrections that may adversely impact the health, safety, welfare, and rehabilitation of offenders, and that will effectively reduce the exposure of the department to litigation.

NEW SECTION. Sec. 2. Subject to the availability of amounts appropriated for this specific purpose, there is hereby created an office of corrections ombuds within the office of the governor for the purpose of providing information to inmates and their families; promoting public awareness and understanding of the rights and responsibilities of inmates; identifying system issues and responses for the governor and the legislature to act upon; and ensuring compliance with relevant statutes, rules, and policies pertaining to corrections facilities, services, and treatment of inmates under the jurisdiction of the department.

The ombuds reports directly to the governor and exercises his or her powers and duties independently of the secretary.

NEW SECTION. Sec. 3. The definitions in this section apply throughout this
chapter unless the context clearly requires otherwise.

(1) "Abuse" means any act or failure to act by a department employee, subcontractor, or volunteer which was performed, or which was failed to be performed, knowingly, recklessly, or intentionally, and which caused, or may have caused, injury or death to an inmate.

(2) "Corrections ombuds" or "ombuds" means the corrections ombuds, staff of the corrections ombuds, and volunteers with the office of the corrections ombuds.

(3) "Department" means the department of corrections.

(4) "Inmate" means a person committed to the physical custody of the department, including persons residing in a correctional institution or facility and persons received from another state, another state agency, a county, or the federal government.

(5) "Neglect" means a negligent act or omission by any department employee, subcontractor, or volunteer which caused, or may have caused, injury or death to an inmate.

(6) "Office" means the office of the corrections ombuds.

(8) "Statewide family council" means the family council maintained by the department that is comprised of representatives from local family councils.

NEW SECTION. Sec. 4. (1) Subject to the availability of amounts appropriated for this specific purpose, the governor shall appoint an ombuds who must be a person of recognized judgment, independence, objectivity, and integrity, and be qualified by training or experience in corrections law and policy. Prior to the appointment, the governor shall consult with, and may receive recommendations from, the appropriate committees of the legislature, delegates of the statewide family council as selected by the members of the council, and other relevant stakeholders, regarding the selection of the ombuds.

(2) The person appointed ombuds holds office for a term of three years and continues to hold office until reappointed or until his or her successor is appointed. The governor may remove the ombuds only for neglect of duty, misconduct, or the inability to perform duties. NEW SECTION. Sec. 5. (1) The ombuds shall:

(h) Establish procedures to receive, investigate, and resolve complaints;

(i) Establish procedures to gather stakeholder input into the ombuds' activities and priorities, which must include at a minimum quarterly public meetings;

(j) Submit annually to the governor's office, the legislature, and the statewide family council, by November 1st of each year, a report that includes, at a minimum, the following information:
(i) The budget and expenditures of the ombuds;

(2)(a) The ombuds may initiate and attempt to resolve an investigation upon his or her own initiative, or upon receipt of a complaint from an inmate, a family member, a representative of an inmate, a department employee, or others, regarding any of the following that may adversely affect the health, safety, welfare, and rights of inmates:

However, in no event may an inmate be prevented from filing a complaint more than ninety business days after filing an internal grievance, regardless of whether the department has completed the grievance process. This subsection (2)(b) does not apply to complaints related to threats of bodily harm including, but not limited to, sexual or physical assaults or the denial of necessary medical treatment.

(c) The ombuds may decline to investigate any complaint as provided by the rules adopted under this chapter.

(e) The ombuds may not investigate any complaints relating to an inmate's underlying criminal conviction.

(f) The ombuds may not investigate a complaint from a department employee that relates to the employee's employment relationship with the department or the administration of the department, unless the complaint is related to the health, safety, welfare, and rehabilitation of inmates.

(g) The ombuds must attempt to resolve any complaint at the lowest possible level.

(h) The ombuds may refer complainants and others to appropriate resources, agencies, or departments.

(i) The ombuds may not levy any fees for the submission or investigation of complaints.

(j) The ombuds must remain neutral and impartial and may not act as an advocate for the complainant or for the department.

(k) At the conclusion of an investigation of a complaint, the ombuds must render a public decision on the merits of each complaint, except that the documents supporting the decision are subject to the confidentiality provisions of section 7 of this act. The ombuds must communicate the decision to the inmate, if any, and to the department. The ombuds must state its recommendations and reasoning if, in the ombuds' opinion, the department or any employee thereof should:

(i) Consider the matter further;

(ii) Modify or cancel any action;

(iii) Alter a rule, practice, or ruling;

(iv) Explain in detail the administrative action in question; or

(v) Rectify an omission.

(l) If the ombuds so requests, the department must, within the time specified, inform the ombuds about any
action taken on the recommendations or
the reasons for not complying with the
recommendations.

(m) If the ombuds believes, based on
the investigation, that there has been or
continues to be a significant inmate
health, safety, welfare, or
rehabilitation issue, the ombuds must
report the finding to the governor and
the appropriate committees of the
legislature.

(n) Before announcing a conclusion or
recommendation that expressly, or by
implication, criticizes a person or the
department, the ombuds shall consult with
that person or the department. The ombuds
may request to be notified by the
department, within a specified time, of
any action taken on any recommendation
presented. The ombuds must notify the
inmate, if any, of the actions taken by
the department in response to the ombuds’
recommendations.

(3) This chapter does not require
inmates to file a complaint with the
ombuds in order to exhaust available
administrative remedies for purposes of
the prison litigation reform act of 1995,
P.L. 104-134.

NEW SECTION. Sec. 6. (1) The ombuds
must have reasonable access to
correctional facilities at all times
necessary to conduct a full investigation
of an incident of abuse or neglect. This
authority includes the opportunity to
interview any inmate, department
employee, or other person, including the
person thought to be the victim of such
abuse, who might be reasonably believed
by the facility to have knowledge of the
incident under investigation. Such
access must be afforded, upon request by
the ombuds, when:

(a) An incident is reported or a
complaint is made to the office;

(b) The ombuds determines there is
probable cause to believe that an
incident has or may have occurred; or

(c) The ombuds determines that there
is or may be imminent danger of serious
abuse or neglect of an inmate.

(2) The ombuds must have reasonable
access to department facilities,
including all areas which are used by
inmates, all areas which are accessible
to inmates, and to programs for inmates
at reasonable times, which at a minimum
must include normal working hours and
visiting hours. This access is for the
purpose of:

individual rights and the services
available from the office, including the
name, address, and telephone number of
the office;

(b) Monitoring compliance with respect
to the rights and safety of inmates; and

(c) Inspecting, viewing, photographing, and video recording all
areas of the facility which are used by
inmates or are accessible to inmates.

(3) Access to inmates includes the
opportunity to meet and communicate
privately and confidentially with
individuals regularly, both formally and
informally, by telephone, mail, and in
person.

(4) The ombuds has the right to access,
inspect, and copy all relevant
information, records, or documents in the
possession or control of the department
that the ombuds considers necessary in an
investigation of a complaint filed under
this chapter, and the department must
assist the ombuds in obtaining the
necessary releases for those documents
which are specifically restricted or
privileged for use by the ombuds.

(5) Following notification from the
ombuds with a written demand for access
to agency records, the delegated
department staff must provide the ombuds
with access to the requested
documentation not later than twenty
business days after the ombuds' written
request for the records. Where the
records requested by the ombuds pertain
to an inmate death, threats of bodily
harm including, but not limited to,
sexual or physical assaults, or the
denial of necessary medical treatment,
the records shall be provided within five
days unless the ombuds consents to an
extension of that time frame.

(6) Upon notice and a request by the
ombuds, a state or local government
agency or entity that has records that
are relevant to a complaint or an
investigation conducted by the ombuds
must provide the ombuds with access to
such records.

(7) The ombuds must work with the
department to minimize disruption to the
operations of the department due to
ombuds activities and must comply with
the department’s security clearance processes, provided those processes do not impede the activities outlined in this section.

NEW SECTION. Sec. 7. (1) Correspondence and communication with the office is confidential and must be protected as privileged correspondence in the same manner as legal correspondence or communication.

(2) The office shall establish confidentiality rules and procedures for all information maintained by the office.

(3) The ombuds shall treat all matters under investigation, including the identities of recipients of ombuds services, complainants, and individuals from whom information is acquired, as confidential, except as far as disclosures may be necessary to enable the ombuds to perform the duties of the office and to support any recommendations resulting from an investigation. Upon receipt of information that by law is confidential or privileged, the ombuds shall maintain the confidentiality of such information and shall not further disclose or disseminate the information except as provided by applicable state or federal law or as authorized by subsection (4) of this section. All records exchanged and communications between the office of the corrections ombuds and the department to include the investigative record are confidential and are exempt from public disclosure under chapter 42.56 RCW.

(4) To the extent the ombuds reasonably believes necessary, the ombuds:

(a) Must reveal information obtained in the course of providing ombuds services to prevent reasonably certain death or substantial bodily harm; and

(b) May reveal information obtained in the course of providing ombuds services to prevent the commission of a crime.

(5) If the ombuds believes it is necessary to reveal investigative records for any of the reasons outlined in section 4 of this act, the ombuds shall provide a copy of what they intend to disclose to the department for review and application of legal exemptions prior to releasing to any other persons. If the ombuds receives personally identifying information about individual corrections staff during the course of an investigation that the ombuds determines is unrelated or unnecessary to the subject of the investigation or recommendation for action, the ombuds will not further disclose such information. If the ombuds determines that such disclosure is necessary to an investigation or recommendation, the ombuds will contact the staff member as well as the bargaining unit representative before any disclosure.

NEW SECTION. Sec. 8. (1) A civil action may not be brought against any employee of the office for good faith performance of responsibilities under this chapter.

(2) No discriminatory, disciplinary, or retaliatory action may be taken against a department employee, subcontractor, or volunteer, an inmate, or a family member or representative of an inmate for any communication made, or information given or disclosed, to aid the office in carrying out its responsibilities, unless the communication or information is made, given, or disclosed maliciously or without good faith.

(3) This section is not intended to infringe on the rights of an employer to supervise, discipline, or terminate an employee for other reasons.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 10. A new section is added to chapter 43.131 RCW to read as follows:

The office of the corrections ombuds is terminated July 1, 2028, as provided in section 11 of this act.

NEW SECTION. Sec. 11. A new section is added to chapter 43.131 RCW to read as follows:

(4) Section 4 of this act;
(5) Section 5 of this act;
(6) Section 6 of this act;
(7) Section 7 of this act; and

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1889, as amended by the Senate, having received the necessary constitutional majorities, was declared passed.

MESSAGE FROM THE SENATE

March 2, 2018

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2015 with the following amendment:

"NEW SECTION. Sec. 1. (1) The legislature finds that it is in the public interest that taxation of lodging not distort the market for different types of lodging and that all types of lodging participate in the funding of the public benefits supported with lodging tax revenue.

(2) The legislature further finds that, with respect to the lodging taxes levied under RCW 36.100.040 (4) and (5), the current significant disparity in the taxation of sales of lodging on premises having fewer than sixty lodging units compared to premises having sixty or more units is contrary to the public interest in both equitable taxation and adequately supporting the public benefits funded by lodging tax revenue.

(3) It is the intent of this act to equalize the taxation levied under RCW 36.100.040 (4) and (5) by applying it to all lodging, regardless of the number of lodging units in premises subject to such taxation.

Sec. 2. RCW 36.100.040 and 2015 3rd sp.s. c 24 s 702 are each amended to read as follows:

(1) A public facilities district may impose an excise tax on the sale of or charge made for the furnishing of lodging that is subject to tax under chapter 82.08 RCW, except that no such tax may be levied on any premises having fewer than forty lodging units. Except for any tax imposed under subsection (4) or (5) of this section, if a public facilities district has not imposed such an excise tax prior to December 31, 1995, the public facilities district may only impose the excise tax if a ballot proposition authorizing the imposition of the tax has been approved by a simple majority vote of voters of the public facilities district voting on the proposition.
(2) The rate of the tax may not exceed two percent and the proceeds of the tax may only be used for the acquisition, design, construction, remodeling, maintenance, equipping, reequipping, repairing, and operation of its public facilities. This excise tax may not be imposed until the district has approved the proposal to acquire, design, and construct the public facilities.

(3) Except for a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, and operating a convention and trade center, a public facilities district may not impose the tax authorized in this section if, after the tax authorized in this section was imposed, the effective combined rate of state and local excise taxes, including sales and use taxes and excise taxes on lodging, imposed on the sale of or charge made for furnishing of lodging in any jurisdiction in the public facilities district exceeds eleven and one-half percent.

(4)(a) To replace the tax authorized by RCW 67.40.090, a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, renovating, and expanding a convention and trade center may impose an excise tax on the sale of or charge made for the furnishing of lodging (including but not limited to any short-term rental) that is subject to tax under chapter 82.08 RCW, except that no such tax may be levied on:

(i) Any premises: (a)

(A) Having fewer than sixty lodging units if the premises is located in a town with a population less than three hundred; or (b)

(B) Classified as a hostel;

(ii) Any lodging that is concurrently subject to a tax on engaging in the business of being a short-term rental operator imposed by a city in which a convention and trade center is located; or

(iii) Any lodging that is operated by a university health care system exclusively for family members of patients.

(b) The rate of the tax may not exceed seven percent within the portion of the district that corresponds to the boundaries of the largest city within the public facilities district and may not exceed 2.8 percent in the remainder of the district. The tax imposed under this subsection (4) may not be collected prior to the transfer date defined in RCW 36.100.230.

(5) To replace the tax authorized by RCW 67.40.130, a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, renovating, and expanding a convention and trade center may impose an additional excise tax on the sale of or charge made for the furnishing of lodging (including but not limited to any short-term rental) that is subject to tax under chapter 82.08 RCW, except that no such tax may be levied on any premises: (a) Having fewer than sixty lodging units if the premises is located in a town with a population less than three hundred; or (b) classified as a hostel. The rate of the additional excise tax may not exceed two percent and may be imposed only within the portion of the district that corresponds to the boundaries of the largest city within the public facilities district and may not be imposed in the remainder of the district. The tax imposed under this subsection (5) may not be collected prior to the transfer date specified in RCW 36.100.230. The tax imposed under this subsection (5) must be credited against the amount of the tax otherwise due to the state from those same taxpayers under chapter 82.08 RCW. The tax under this subsection (5) may be imposed only for the purpose of paying or securing the payment of the principal of and interest on obligations issued or incurred by the public facilities district and paying annual payment amounts to the state under subsection (6)(a) of this section. The authority to impose the additional excise tax under this subsection (5) expires on the date that is the earlier of (a) (i) July 1, 2029, or (b) (ii) the date on which all obligations issued or incurred by the public facilities district to implement any redemption, prepayment, or legal defeasance of outstanding obligations under RCW 36.100.230(3)(a) are no longer outstanding.

(6)(a) Commencing with the first full fiscal year of the state after the transfer date defined in RCW 36.100.230
and for so long as a public facilities district imposes a tax under subsection (5) of this section, the public facilities district must transfer to the state of Washington on June 30th of each state fiscal year an annual payment amount.

(b) For the purposes of this subsection (6), "annual payment amount" means an amount equal to revenues received by the public facilities district in the fiscal year from the additional excise tax imposed under subsection (5) of this section plus an interest charge calculated on one-half the annual payment amount times an interest rate equal to the average annual rate of return for the prior calendar year in the Washington state local government investment pool created in chapter 43.250 RCW.

(c)(i) If the public facilities district in any fiscal year is required to apply additional lodging excise tax revenues to the payment of principal and interest on obligations it issues or incurs, and the public facilities district is unable to pay all or any portion of the annual payment amount to the state, the deficiency is deemed to be a loan from the state to the public facilities district for the purpose of assisting the district in paying such principal and interest and must be repaid by the public facilities district to the state after providing for the payment of the principal of and interest on obligations issued or incurred by the public facilities district, all on terms established by an agreement between the state treasurer and the public facilities district executed prior to the transfer date. Any agreement between the state treasurer and the public facilities district must specify the term for the repayment of the deficiency in the annual payment amount with an interest rate equal to the twenty bond general obligation bond buyer index plus one percentage point.

(ii) Outstanding obligations to repay any loans deemed to have been made to the public facilities district as provided in any such agreements between the state treasurer and the public facilities district survive the expiration of the additional excise tax under subsection (5) of this section.

(iii) For the purposes of this subsection (6)(c), "additional lodging excise tax revenues" mean the tax revenues received by the public facilities district under subsection (5) of this section.

(7) A public facilities district is authorized to pledge any of its revenues, including without limitation revenues from the taxes authorized in this section, to pay or secure the payment of obligations issued or incurred by the public facilities district, subject to the terms established by the board of directors of the public facilities district. So long as a pledge of the taxes authorized under this section is in effect, the legislature may not withdraw or modify the authority to levy and collect the taxes at the rates permitted under this section and may not increase the annual payment amount to be transferred to the state under subsection (6) of this section.

(8) The department of revenue must perform the collection of such taxes on behalf of the public facilities district at no cost to the district, and the state treasurer must distribute those taxes as available on a monthly basis to the district or, upon the direction of the district, to a fiscal agent, paying agent, or trustee for obligations issued or incurred by the district.

(9) Except as expressly provided in this chapter, all of the provisions contained in RCW 82.08.050 and 82.08.060 and chapter 82.32 RCW have full force and application with respect to taxes imposed under the provisions of this section.

(10) In determining the effective combined rate of tax for purposes of the limit in subsection (3) of this section, the tax rate under RCW 82.14.530 is not included.

(11) The taxes imposed in this section do not apply to sales of temporary medical housing exempt under RCW 82.08.997.

(12) (a) For the purposes of this section) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a)(i) "Hostel" means a structure or facility where a majority of the rooms for sleeping accommodations are hostel dormitories containing a minimum of four standard beds designed for single-person occupancy within the facility. Hostel accommodations are supervised and must
include at least one common area and at least one common kitchen for guest use.

(b) "Hostel dormitory" means a single room, containing four or more standard beds designed for single-person occupancy, used exclusively as nonprivate communal sleeping quarters, generally for unrelated persons, where such persons independently acquire the right to occupy individual beds, with the operator supervising and determining which bed each person will occupy.

(b) "Short-term rental" means a lodging use, that is not a hotel or motel, in which a dwelling unit, or portion thereof, that is offered or provided to a guest or guests by a short-term rental operator for a fee for fewer than thirty consecutive nights. The term "short-term rental" does not include:

(i) A dwelling unit, or portion thereof, that is used by the same person for thirty or more consecutive nights; and

(ii) A dwelling unit, or portion thereof, that is operated by an organization or government entity that is registered as a charitable organization with the secretary of state, state of Washington, and/or is classified by the federal internal revenue service as a public charity or a private foundation, and provides temporary housing to individuals who are being treated for trauma, injury, or disease and/or their family members.

(13) Taxes authorized under subsections (4) and (5) of this section are deemed to have been imposed on December 1, 2000, for the purposes of RCW 82.14.410.

(14)(a) Beginning on the date that the condition in (b) of this subsection is satisfied, a public facilities district created within a county with a population of one million five hundred thousand or more for the purpose of acquiring, owning, operating, renovating, and expanding a convention and trade center must make quarterly payments from tax revenue collected by a public facilities district as a result of the tax imposed in chapter . . ., Laws of 2018 (this act) to a city in which the convention and trade center is located that has authorized or before December 31, 2017, a tax on engaging in the business of being a short-term rental operator. Such payments must be made no more than thirty days after the last day of each fiscal quarter and must equal the portion of the revenues received by the public facilities district during such fiscal quarter from the lodging taxes authorized under subsection (4) of this section that are determined by the department of revenue to be derived from the short-term rental activity within such city.

(b) The public facilities district is not required to make any payments under this subsection (14) unless the city has repealed any ordinance authorizing a tax on engaging in the business of being a short-term rental operator.

(c) The public facilities district is not required to make any payments to a city under this subsection (14), if the city, after satisfying the condition in (b) of this subsection imposes any tax specifically on the act of engaging in the business of being a short-term rental operator.

(d) The proceeds of any payments made by a public facilities district to a city under this subsection (14) must be used by the city to support community-initiated equitable development and affordable housing programs, as determined by the city in its sole discretion.

(1) The minimum monthly salary paid to state patrol troopers and sergeants ((on July 1, 2017,)) must be competitive with law enforcement agencies within the boundaries of the state of Washington, guided by the results of a survey undertaken in the collective bargaining process during ((2016)) each biennium. Compensation must be calculated using base salary, premium pay (a pay received by more than a majority of employees), education pay, and longevity pay. MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2779 with the following amendment:

"NEW SECTION. Sec. 1. The legislature finds that the children's mental health work group established in chapter 96, Laws of 2016 reported recommendations in December 2016 related to increasing access to adequate, appropriate, and culturally and linguistically relevant mental health services for children and youth. The legislature further finds that legislation implementing many of the recommendations of the children's mental health work group was enacted in 2017. Despite these gains, barriers remain and additional work is required to assist children with securing adequate mental health treatment. The legislature further finds that by January 1, 2020, the community behavioral health program must be fully integrated in a managed care health system that provides behavioral and physical health care services to medicaid clients. Therefore, it is the intent of the legislature to reestablish the children's mental health work group through December 2020 and to implement additional recommendations from the work group in order to improve mental health care access for children and their families.

NEW SECTION. Sec. 2. (1) A children's mental health work group is established to identify barriers to and opportunities for accessing mental health services for children and families and to advise the legislature on statewide mental health services for this population.

(2) The work group shall consist of members and alternates as provided in this subsection. Members must represent the regional, racial, and cultural diversity of all children and families in the state. Additional staff support for legislative members of the work group may be provided by senate committee services and the house of representatives office of program research.

(5) Legislative members of the work group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that specific powers, duties, and functions of the state board of education and the superintendent of public instruction should be realigned to better serve students and families, educators, school districts, and schools both public and private.

The legislature recognizes that the state board of education and the superintendent of public instruction, with the support of the governor’s office, convened a roles and responsibilities task force to review their authorities and made recommendations to clarify and realign responsibilities among the agencies.

The legislature, therefore, intends to clarify, and in some cases shift, responsibilities related to private schools, educational service district boundaries, career and technical education equivalencies, adoption of learning standards, waiver of school district requirements, and compliance with basic education requirements.

The ((state board)) superintendent of public instruction in making any change in boundaries shall give consideration to, but not be limited by, the following factors: Size, population, topography, and climate of the proposed district.

The superintendent of public instruction shall furnish personnel, material, supplies, and information necessary to enable educational service

The legislature hereby recognizes that private schools should be subject only to those minimum state controls necessary to insure the health and safety of all the students in the state and to insure a sufficient basic education to meet usual graduation requirements. The state, any agency or official thereof, shall not restrict or dictate any specific educational or other programs for private schools except as hereinafter in this section provided.

The administrative or executive authority of private schools or private school districts shall file each year with the state board of education a statement certifying that the minimum requirements hereinafter set forth are being met, noting any deviations. The state board of education may request clarification or additional information. After review of the statement, the state board of education will notify schools or school districts of any concerns, deficiencies, and deviations which must be corrected.

A career and technical course equivalency may be for whole or partial credit. Each school district board of directors shall develop a course equivalency approval procedure. Boards of directors must approve AP computer science courses as equivalent to high school mathematics or science, and must denote on a student's transcript that AP computer science qualifies as a math-based quantitative course for students who take the course in their senior year. In order for a board to approve AP computer science as equivalent to high school mathematics, the student must be concurrently enrolled in or have successfully completed algebra II. Beginning no later than the 2015-16 school year, a school district board of directors must, at a minimum, grant academic course equivalency in mathematics or science for a high school career and technical course from the list of courses approved by the ((state board of education)) superintendent of public instruction under RCW 28A.700.070, but is not limited to the courses on the list. If the list of courses is revised after the 2015-16 school year, the school district board of directors must grant academic course equivalency based on the revised list beginning with the school year immediately following the revision.
(2) Career and technical courses determined to be equivalent to academic core courses, in full or in part, by the high school or school district shall be accepted as meeting core requirements, including graduation requirements, if the courses are recorded on the student’s transcript using the equivalent academic high school department designation and title. Full or partial credit shall be recorded as appropriate. The high school or school district shall also issue and keep record of course completion certificates that demonstrate that the career and technical courses were successfully completed as needed for industry certification, college credit, or preapprenticeship, as applicable. The certificate shall be part of the student’s high school and beyond plan. The office of the superintendent of public instruction shall develop and make available electronic samples of certificates of course completion.

Sec. 302. RCW 28A.230.010 and 2014 c 217 s 103 are each amended to read as follows:

(1) School district boards of directors shall identify and offer courses with content that meet or exceed:
   (a) The basic education skills identified in RCW 28A.150.210; (b) the graduation requirements under RCW 28A.230.090; (c) the courses required to meet the minimum college entrance requirements under RCW 28A.230.130; and (d) the course options for career development under RCW 28A.230.130. Such courses may be applied or theoretical, academic, or vocational.

(2) School district boards of directors must provide high school students with the opportunity to access at least one career and technical education course that is considered equivalent to a mathematics course or at least one career and technical education course that is considered equivalent to a science course as determined by the office of the superintendent of public instruction (and the state board of education) in RCW 28A.700.070. Students may access such courses at high schools, interdistrict cooperatives, skill centers or branch or satellite skill centers, or through online learning or applicable running start vocational courses.

(3) (a) Until January 1, 2019, school district boards of directors of school districts with fewer than two thousand students may apply to the state board of education for a waiver from the provisions of subsection (2) of this section.

   (b) On and after January 1, 2019, school district boards of directors of school districts with fewer than two thousand students may apply to the superintendent of public instruction for a waiver from the provisions of subsection (2) of this section under section 504 of this act.

(1) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction must create methodologies for implementing equivalency crediting on a broader scale across the state and facilitate its implementation including, but not limited to, the following:

   (a) Implementing statewide career and technical education course equivalency frameworks authorized under RCW 28A.700.070 for high schools and skill centers in science, technology, engineering, and mathematics. This may include development of additional equivalency course frameworks in core subject areas, course performance assessments, and development and delivery of professional development for districts and skill centers implementing the career and technical education frameworks; and

   (b) Providing competitive grant funds to school districts to increase the integration and rigor of academic instruction in career and technical education equivalency courses. The grant funds must be used to support teams of general education and career and technical education teachers to convene and design course performance assessments, deepen the understanding of integrating academic and career and technical education instruction in student instruction, and develop professional learning modules for school districts to plan implementation of equivalency crediting.

   (2) Beginning in the 2017-18 school year, school districts shall annually report to the office of the
superintendent of public instruction the following information:

(a) The annual number of students participating in state-approved equivalency courses; and

(b) The annual number of state approved equivalency credit courses offered in school districts and skill centers.

(3) Beginning December 1, 2017, and every December 1st thereafter, the office of the superintendent of public instruction shall annually submit the following information to the office of the governor, the state board of education, and the appropriate committees of the legislature:

(a) The selected list of equivalent career and technical education courses and their curriculum frameworks that the superintendent of public instruction has approved under RCW 28A.700.070; and

(b) A summary of the school district information reported under subsection (2) of this section.

Sec. 304. RCW 28A.700.070 and 2014 c 217 s 101 are each amended to read as follows:

(1) The office of the superintendent of public instruction shall support school district efforts under RCW 28A.230.097 to adopt course equivalencies for career and technical courses by:

(a) Recommending career and technical curriculum suitable for course equivalencies;

(b) Publicizing best practices for high schools and school districts in developing and adopting course equivalencies; and

(c) In consultation with the Washington association for career and technical education, providing professional development, technical assistance, and guidance for school districts seeking to expand their lists of equivalent courses.

(2) The office of the superintendent of public instruction shall provide professional development, technical assistance, and guidance for school districts to develop career and technical course equivalencies that also qualify as advanced placement courses.

(3) The superintendent of public instruction, in consultation with one or more technical working groups convened for this purpose, shall develop and, after an opportunity for public comment, approve curriculum frameworks for a selected list of career and technical courses that may be offered by high schools or skill centers whose content in science, technology, engineering, and mathematics is considered equivalent in full or in part to science or mathematics courses that meet high school graduation requirements. The content of the courses must be aligned with state essential academic learning requirements in mathematics as adopted by the superintendent of public instruction in July 2011 and the essential academic learning requirements in science as adopted in October 2013, and industry standards. The first list of courses under this subsection must be developed and approved before the 2015-16 school year. Thereafter, the superintendent of public instruction may periodically update or revise the list of courses using the process in this subsection.

(4) Subject to funds appropriated for this purpose, the superintendent of public instruction may periodically update or revise the list of courses using the process in this subsection.

(5) The office of the superintendent of public instruction shall allocate grant funds to school districts to increase the integration and rigor of academic instruction in career and technical courses. Grant recipients are encouraged to use grant funds to support teams of academic and technical teachers using a research-based professional development model supported by the national research center for career and technical education. The superintendent of public instruction may require that grant recipients provide matching resources using federal Carl Perkins funds or other fund sources.

PART IV LEARNING STANDARDS
Sec. 401. RCW 28A.655.070 and 2015 c 211 s 3 are each amended to read as follows:

(1) The superintendent of public instruction shall develop essential academic learning requirements that identify the knowledge and skills all public school students need to know and be able to do based on the student learning goals in RCW 28A.150.210, develop student assessments, and implement the accountability recommendations and requests regarding assistance, rewards, and recognition of the state board of education.

(2) The superintendent of public instruction shall:

(a) Periodically revise the essential academic learning requirements, as needed, based on the student learning goals in RCW 28A.150.210. Goals one and two shall be considered primary. To the maximum extent possible, the superintendent shall integrate goal four and the knowledge and skill areas in the other goals in the essential academic learning requirements; and

(b) Review and prioritize the essential academic learning requirements and identify, with clear and concise descriptions, the grade level content expectations to be assessed on the statewide student assessment and used for state or federal accountability purposes. The review, prioritization, and identification shall result in more focus and targeting with an emphasis on depth over breadth in the number of grade level content expectations assessed at each grade level. Grade level content expectations shall be articulated over the grades as a sequence of expectations and performances that are logical, build with increasing depth after foundational knowledge and skills are acquired, and reflect, where appropriate, the sequential nature of the discipline. The office of the superintendent of public instruction, within seven working days, shall post on its web site any grade level content expectations provided to an assessment vendor for use in constructing the statewide student assessment.

(3)(a) In consultation with the state board of education, the superintendent of public instruction shall maintain and continue to develop and revise a statewide academic assessment system in the content areas of reading, writing, mathematics, and science for use in the elementary, middle, and high school years designed to determine if each student has mastered the essential academic learning requirements identified in subsection (1) of this section. School districts shall administer the assessments under guidelines adopted by the superintendent of public instruction. The academic assessment system may include a variety of assessment methods, including criterion-referenced and performance-based measures.

(b) Effective with the 2009 administration of the Washington assessment of student learning and continuing with the statewide student assessment, the superintendent shall redesign the assessment in the content areas of reading, mathematics, and science in all grades except high school by shortening test administration and reducing the number of short answer and extended response questions.

(c) By the 2014-15 school year, the superintendent of public instruction, in consultation with the state board of education, shall modify the statewide student assessment system to transition to assessments developed with a multistate consortium, as provided in this subsection:

(i) The assessments developed with a multistate consortium to assess student proficiency in English language arts and mathematics shall be administered beginning in the 2014-15 school year. The reading and writing assessments shall not be administered by the superintendent of public instruction or schools after the 2013-14 school year.

(ii) The high school assessments in English language arts and mathematics in (c)(i) of this subsection shall be used for the purposes of earning a certificate of academic achievement for high school graduation under the timeline established in RCW 28A.655.061 and for assessing student career and college readiness.

(iii) During the transition period specified in RCW 28A.655.061, the superintendent of public instruction shall use test items and other resources from the consortium assessment to develop and administer a tenth grade high school English language arts assessment, an end-of-course mathematics assessment to assess the standards common to algebra I and integrated mathematics I, and an end-of-course mathematics assessment to
assess the standards common to geometry
and integrated mathematics II.

(4) If the superintendent proposes any
modification to the essential academic
learning requirements or the statewide
assessments, then the superintendent
shall, upon request, provide
opportunities for the education
committees of the house of
representatives and the senate to review
the assessments and proposed
modifications to the essential academic
learning requirements before the
modifications are adopted.

(5) The assessment system shall be
designed so that the results under the
assessment system are used by educators
as tools to evaluate instructional
practices, and to initiate appropriate
educational support for students who have
not mastered the essential academic
learning requirements at the appropriate
periods in the student’s educational
development.

(6) By September 2007, the results for
reading and mathematics shall be reported
in a format that will allow parents and
teachers to determine the academic gain
a student has acquired in those content
areas from one school year to the next.

(7) To assist parents and teachers in
their efforts to provide educational
support to individual students, the
superintendent of public instruction
shall provide as much individual student
performance information as possible
within the constraints of the assessment
system's item bank. The superintendent
shall also provide to school districts:

(a) Information on classroom-based and
other assessments that may provide
additional achievement information for
individual students; and

(b) A collection of diagnostic tools
that educators may use to evaluate the
academic status of individual students. The
tools shall be designed to be
inexpensive, easily administered, and
quickly and easily scored, with results
provided in a format that may be easily
shared with parents and students.

(8) To the maximum extent possible,
the superintendent shall integrate
knowledge and skill areas in development
of the assessments.

(9) Assessments for goals three and
four of RCW 28A.150.210 shall be
integrated in the essential academic
learning requirements and assessments
for goals one and two.

(10) The superintendent shall develop
assessments that are directly related to
the essential academic learning
requirements, and are not biased toward
persons with different learning styles,
racial or ethnic backgrounds, or on the
basis of gender.

(11) The superintendent shall review
available and appropriate options for
competency-based assessments that meet
the essential academic learning
requirements. In accordance with the
review required by this subsection, the
superintendent shall provide a report and
recommendations to the education
committees of the house of
representatives and the senate by
November 1, 2019.

(12) The superintendent shall consider
methods to address the unique needs of
special education students when
developing the assessments under this
section.

(13) The superintendent shall
consider methods to address the unique
needs of highly capable students when
developing the assessments under this
section.

(14) The superintendent shall
post on the superintendent's web site
lists of resources and model assessments
in social studies, the arts, and health
and fitness.

(15) The superintendent shall
integrate financial education skills and
content knowledge into the state learning
standards pursuant to RCW
28A.300.460(2)(d).

(16)(a) The superintendent shall
notify the state board of education in
writing before initiating the
development or revision of the essential
academic learning requirements under
subsections (1) and (2) of this section.
The notification must be provided to the
state board of education in advance for
review at a regularly scheduled or
special board meeting and must include
the following information:

(i) The subject matter of the
essential academic learning
requirements;

(ii) The reason or reasons the
superintendent is initiating the
development or revision; and
(iii) The process and timeline that the superintendent intends to follow for the development or revision.

(b) The state board of education may provide a response to the superintendent's notification for consideration in the development or revision process in (a) of this subsection.

(c) Prior to adoption by the superintendent of any new or revised essential academic learning requirements, the superintendent shall submit the proposed new or revised essential academic learning requirements to the state board of education in advance in writing for review at a regularly scheduled or special board meeting. The state board of education may provide a response to the superintendent's proposal for consideration prior to final adoption.

(17) The state board of education may propose new or revised essential academic learning requirements to the superintendent. The superintendent must respond to the state board of education's proposal in writing.

The local plan may include alternative ways to provide effective educational programs for students who experience difficulty with the regular education program.

(b) The state board of education shall have authority to grant waivers from the provisions of RCW 28A.150.220(3)(b) and to grant the waivers set forth in RCW 28A.230.090 (1)(e)(ii), 28A.630.081, 28A.630.104, and 28A.655.180.

(2) The state board of education shall adopt rules establishing the criteria to evaluate the need for a waiver or waivers under this section.

Sec. 502. RCW 28A.305.140 and 1990 c 33 s 267 are each amended to read as follows:

(1) In accordance with the criteria adopted by the state board of education under subsection (2) of this section, the superintendent of public instruction may grant waivers to school districts from the provisions of RCW 28A.150.200 through 28A.150.220, except as provided in (b) of this subsection, on the basis that such waiver or waivers are necessary to implement successfully a local plan to provide for all students in the district an effective education system that is designed to enhance the educational program for each student. The local plan may include alternative ways to provide effective educational programs for students who experience difficulty with the regular education program.

(b) The state board of education shall have authority to grant waivers from the provisions of RCW 28A.150.220(3)(b) and to grant the waivers set forth in RCW 28A.230.090 (1)(e)(ii), 28A.630.081, 28A.630.104, and 28A.655.180.

(2) The state board of education shall adopt rules establishing the criteria to evaluate the need for a waiver or waivers under this section.

NEW SECTION. Sec. 503. A new section is added to chapter 28A.150 RCW to read as follows:

(1) In addition to waivers authorized under RCW 28A.305.140 (as recodified by this act), the superintendent of public instruction, in accordance with the criteria in subsection (2) of this section and criteria adopted by the state board of education under subsection (3) of this section, may grant waivers of the requirement for a one hundred eighty-day
school year under RCW 28A.150.220 to school districts that propose to operate one or more schools on a flexible calendar for purposes of economy and efficiency as provided in this section. The requirement under RCW 28A.150.220 that school districts offer minimum instructional hours may not be waived.

(2) A school district seeking a waiver under this section must submit an application to the superintendent of public instruction that includes:

(d) A summary of comments received at one or more public hearings on the proposal and how concerns will be addressed;

(e) An explanation of the impact on students who rely upon free and reduced-price school child nutrition services and the impact on the ability of the child nutrition program to operate an economically independent program;

(f) An explanation of the impact on employees in education support positions and the ability to recruit and retain employees in education support positions;

(g) An explanation of the impact on students whose parents work during the missed school day; and

(h) Other information that the superintendent of public instruction may request to assure that the proposed flexible calendar will not adversely affect student learning.

(3) The state board of education shall adopt rules establishing the criteria to evaluate waiver requests under this section. A waiver may be effective for up to three years and may be renewed for subsequent periods of three or fewer years. After each school year in which a waiver has been granted under this section, the superintendent of public instruction must analyze empirical evidence to determine whether the reduction is affecting student learning. If the superintendent of public instruction determines that student learning is adversely affected, the school district must discontinue the flexible calendar as soon as possible but not later than the beginning of the next school year after the superintendent of public instruction's determination.

(4) The superintendent of public instruction may grant waivers authorized under this section to five or fewer school districts with student populations of less than five hundred students. Of the five waivers that may be granted, two must be reserved for districts with student populations of less than one hundred fifty students.

NEW SECTION. Sec. 504. A new section is added to chapter 28A.230 RCW to read as follows:

(a) The district has complied or received a ((state board of education-approved)) waiver approved by the state board of education or superintendent of public instruction;

(b) The district has not complied, accompanied by an explanation or the steps taken to comply; or

(c) The district has received a grant for less than half of a full-time equivalent instructional staff.

(2) The office of the superintendent of public instruction may conduct random
audits of second-class districts that submit a condensed compliance report under RCW 28A.330.250. The purpose of the audit is to determine whether documentation exists to support a school district superintendent's condensed compliance report.

Sec. 506. RCW 28A.655.180 and 2012 c 53 s 9 are each amended to read as follows:

(1) The state board of education (or the superintendent of public instruction) may grant waivers to districts from the provisions of statutes or rules relating to: The length of the school year; student-to-teacher ratios; and other administrative rules that in the opinion of the state board of education (or the superintendent of public instruction) may need to be waived in order for a district to implement a plan for restructuring its educational program or the educational program of individual schools within the district or to implement an innovation school or innovation zone designated under RCW 28A.630.081 or to implement a collaborative schools for innovation and success pilot project approved under RCW 28A.630.104.

(3)(a) If a school district's basic education program fails to meet the basic education requirements enumerated in RCW 28A.150.260 and 28A.150.220, the state board of education may recommend to the superintendent of public instruction that the superintendent withhold state funds in whole or in part for the basic education allocation until program compliance is assured. However, the state board of education may waive this requirement in the event of substantial lack of classroom space.

(b) If the state board of education recommends the withholding of a school district's basic education allocation under this subsection, the superintendent of public instruction may withhold the allocation of state funds in whole or in part for the basic education allocation until program compliance is assured. However, the state board of education may waive this requirement in the event of substantial lack of classroom space.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL 2367 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 2, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1209 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 39.58.010 and 2016 c 152 s 1 are each amended to read as follows:

In this chapter, unless the context otherwise requires:

(1) "Capitalization" means the measure or measures of capitalization, other than net worth, of a depositary applying for designation as or operating as a public depositary pursuant to this chapter, based upon regulatory standards of financial institution capitalization
adopted by rule or resolution of the commission after consultation with the director of the department of financial institutions;

(2) "Collateral" means the particular assets pledged as security to insure payment or performance of the obligations under this chapter as enumerated in RCW 39.58.050;

(3) "Commission" means the Washington public deposit protection commission created under RCW 39.58.030;

(4) "Commission report" means a formal accounting rendered by all public depositaries to the commission in response to a demand for specific information made by the commission detailing pertinent affairs of each public depositary as of the close of business on a specified date, which is the "commission report date."

"Commission report due date" is the last day for the timely filing of a commission report;

(5) "Depositary pledge agreement" means a tripartite agreement executed by the commission with a financial institution and its designated trustee. Such agreement shall be approved by the directors or the loan committee of the financial institution and shall continuously be a record of the financial institution. New securities may be pledged under this agreement in substitution of or in addition to securities originally pledged without executing a new agreement;

(6) "Director of the department of financial institutions" means the Washington state director of the department of financial institutions;

(7) "Eligible collateral" means the securities or letters of credit enumerated in RCW 39.58.050 (5), (6), and (7);

(8) "Financial institution" means any national or state chartered commercial bank or trust company, savings bank, ((==)) savings association, or federal or state chartered credit union, or branch or branches thereof, located in this state and lawfully engaged in business;

(9) "Investment deposits" means time deposits, money market deposit accounts, and savings deposits of public funds available for investment. "Investment deposits" do not include time deposits represented by a transferable or a negotiable certificate, instrument, passbook, or statement, or by book entry or otherwise;

(10) "Liquidity" means the measure or measures of liquidity of a depositary applying for designation as or operating as a public depositary pursuant to this chapter, based upon regulatory standards of financial institution liquidity adopted by rule or resolution of the commission after consultation with the director of the department of financial institutions;

(11) "Loss" means the issuance of an order by a regulatory or supervisory authority or a court of competent jurisdiction (a) restraining a public depositary from making payments of deposit liabilities or (b) appointing a receiver for a public depositary;

(12) "Maximum liability," with reference to a public depositary's liability under this chapter for loss per occurrence by another public depositary, on any given date means:

(a) A sum equal to ten percent of:

(i) All uninsured public deposits held by a public depositary that has not incurred a loss by the then most recent commission report date; or

(ii) The average of the balances of said uninsured public deposits on the last four immediately preceding reports required pursuant to RCW 39.58.100, whichever amount is greater; or

(b) Such other sum or measure as the commission may from time to time set by resolution according to criteria established by rule, consistent with the commission's broad administrative discretion to achieve the objective of RCW 39.58.020.

As long as the uninsured public deposits of a public depositary are one hundred percent collateralized by eligible collateral as provided for in RCW 39.58.050, the "maximum liability" of a public depositary that has not incurred a loss may not exceed the amount set forth in (a) of this subsection.

This definition of "maximum liability" does not limit the authority of the commission to adjust the collateral requirements of public depositaries pursuant to RCW 39.58.040;

(13) "Net worth" of a public depositary means (a) the equity capital
as reported to its primary regulatory authority on the quarterly report of condition or statement of condition, or other required report required by its primary regulatory authority or federal deposit insurer, and may include capital notes and debentures which are subordinate to the interests of depositors, or (b) equity capital adjusted by rule or resolution of the commission after consultation with the director of the department of financial institutions;

(14) "Public deposit" means public funds on deposit with a public depositary;

(15) "Public depositary" means a financial institution that has been approved by the commission to hold public deposits, and has segregated, for the benefit of the commission, eligible collateral having a value of not less than its maximum liability((, and, unless otherwise provided for in this chapter, does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state));

(16) "Public funds" means moneys under the control of a treasurer, the state treasurer, or custodian belonging to, or held for the benefit of, the state or any of its political subdivisions, public corporations, municipal corporations, agencies, courts, boards, commissions, or committees, including moneys held as trustee, agent, or bailee belonging to, or held for the benefit of, the state or any of its political subdivisions, public corporations, municipal corporations, agencies, courts, boards, commissions, or committees;

(17) "Public funds available for investment" means such public funds as are in excess of the anticipated cash needs throughout the duration of the contemplated investment period;

(18) "State public depositary" means a Washington state-chartered financial institution that is authorized as a public depositary under this chapter;

(19) "State treasurer" means the treasurer of the state of Washington;

(20) "Treasurer" means a county treasurer, a city treasurer, a treasurer of any other municipal corporation, and any other custodian of public funds, except the state treasurer;

(21) "Trustee" means a third-party safekeeping agent which has completed a depositary pledge agreement with a public depositary and the commission. Such third-party safekeeping agent may be a federal home loan bank, or such other third-party safekeeping agent approved by the commission.

Sec. 2. RCW 39.58.105 and 2016 c 152 s 3 are each amended to read as follows:

(1) The commission may require the state auditor or the director of the department of financial institutions, to the extent of their respective authority under applicable federal and Washington state law, to thoroughly investigate and report to it concerning the condition of any financial institution which makes application to become a public depositary, and may also as often as it deems necessary require the state auditor or the director of the department of financial institutions, to the extent of their respective authority under applicable federal and Washington state law, to make such investigation and report concerning the condition of any financial institution which has been designated as a public depositary. The expense of all such investigations or reports shall be borne by the financial institution examined.

(2) In lieu of any such investigation or report, the commission may rely upon information made available to it or the director of the department of financial institutions by the office of the comptroller of the currency, the national credit union administration, the federal deposit insurance corporation, the federal reserve board, any state financial institutions regulatory agency, or any successor state or federal financial institutions regulatory agency, and any such information or data received by the commission shall be kept and maintained in the same manner and have the same protections as examination reports received by the commission from the director of the department of financial institutions pursuant to RCW 30A.04.075(2)(h), 32.04.220(2)(h), and 31.12.565(2)(j).

(3) The director of the department of financial institutions shall in addition advise the commission of any action he or she has directed any state public depositary to take which will result in a reduction of greater than ten percent
of the net worth of such depositary as shown on the most recent report it submitted pursuant to RCW 39.58.100.

**Sec. 3.** RCW 39.58.240 and 2012 c 26 s 1 are each amended to read as follows:

((4) Solely for the purpose of receiving public deposits that may total no more than the maximum deposit insured by the national credit union share insurance fund, a credit union is a public depositary subject to RCW 39.58.040 and 39.58.100. The maximum deposit applies to all funds attributable to any one depositor of public funds in any one credit union. A credit union is not a public depositary for any other purpose under this chapter, including but not limited to inclusion in the single public depositary pool under RCW 39.58.200.

(2) For the purposes of this section, a credit union includes a state-chartered credit union chartered under chapter 31.12 RCW, or a credit union chartered under federal law.) A credit union may only accept deposits greater than the maximum insured amount from a public funds depositor that either is a county with a population of three hundred thousand persons or less or is a public funds depositor located within a county with a population of three hundred thousand persons or less.”

On page 1, line 1 of the title, after “services;” strike the remainder of the title and insert “and amending RCW 39.58.010, 39.58.105, and 39.58.240.”

**MESSAGE FROM THE SENATE**

March 2, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1561 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.10 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Campus coordinator" means a designated facilitator to promote, assist, and support the creation of open educational resources by establishing
and coordinating training seminars, creating workshops, helping faculty and staff identify available resources and funding, and cataloging and evaluating open educational resources used or created by an institution of higher education's faculty.

(b) "Open educational resources" means freely accessible, openly licensed educational textbooks, documents, materials, and media that reside in the public domain for free use and repurposing for the intention of teaching, learning, assessing, and researching.

(2)(a) Subject to availability of amounts appropriated for this specific purpose, the student achievement council shall administer the open educational resources grant pilot program for the four-year institutions of higher education. A grant received under the pilot program must be used for either (a)(i) or (ii) of this subsection, or both:

(i) Create a designated campus coordinator who will be the campus lead and centralized contact regarding open educational resources; or

(ii) Support faculty to adopt and modify, or create new, open educational resources for the purpose of reducing students' cost of attendance. Grant dollars may not be used to duplicate open educational resources that are already free and publicly available.

(b) The student achievement council shall develop an application form for the grant, a process for reviewing and selecting grant applicants, a process for awarding grant funding, and a process for the grant awardee to report back to the student achievement council on the use of the grant. The student achievement council shall prioritize applications that estimate the highest cost reduction to students, whether it be on an individual basis or across a field of study or the institution.

(c) The student achievement council shall determine how many grants may be awarded based on the funding received for the pilot program.

(d) In addition to the grant program, the student achievement council shall conduct outreach to other states and higher education agencies to identify whether there is interest in establishing a multistate open educational resources network to facilitate and establish a platform for peer review, coordinating, and sharing of open educational resources.

(e) The student achievement council shall report to the appropriate committees of the legislature in accordance with the reporting requirements in RCW 43.01.036 by December 1, 2019, on the open educational resources grant pilot program and on the outreach conducted regarding a multistate open educational resources network. The report must include information on the number of grant applications received, the number of grants awarded, and an evaluation of how the grants were used to expand the use of open educational resources. In addition, the report must include how the student achievement council conducted outreach to other states on the concept of a multistate open educational resources network and the feedback from those states.

(3) By December 1, 2019, the Washington state institute for public policy shall conduct a study on the cost of textbooks and course materials and the use of open educational resources at four-year institutions of higher education across the state and submit a report to the appropriate committees of the legislature in accordance with RCW 43.01.036. The institute shall conduct outreach to relevant stakeholders, including representatives of the publishing community, prior to drafting their final report. To the extent data are available, the study should address:

(a) The types of and average cost per student for required textbooks and course materials, including digital access codes and bundled items, in the state, at each four-year institution of higher education, and in specific degree programs;

(b) The use of open educational resources at four-year institutions of higher education and in specific degree programs or courses, or both; and

(c) Any other information regarding textbooks, course materials, or best practices in the development and dissemination of open educational resources that the Washington state institute for public policy deems relevant.

(4) This section expires June 30, 2022.
Sec. 2. RCW 28A.300.803 and 2012 c 178 s 2 are each amended to read as follows:

(1)(a) Subject to availability of amounts appropriated for this specific purpose, the superintendent of public instruction shall take the lead in identifying and developing a library of openly licensed courseware aligned with the common core state standards and placed under an attribution license, registered by a nonprofit or for-profit organization with domain expertise in open courseware, that allows others to use, distribute, and create derivative works based upon the digital material, while still allowing the authors or creators to retain the copyright and to receive credit for their efforts.

(b) During the course of identification and development of a library of openly licensed courseware, the superintendent:

(i) May contract with third parties for all or part of the development;

(ii) May adopt or adapt existing high quality openly licensed K-12 courseware aligned with the common core state standards;

(iii) May consider multiple sources of openly licensed courseware;

(iv) Must use best efforts to seek additional outside funding by actively partnering with private organizations;

(v) Must work collaboratively with other states that have adopted the common core state standards and collectively share results; and

(vi) Must include input from classroom practitioners, including teacher-librarians as defined by RCW 28A.320.240, in the results reported under subsection (2)(d) of this section.

(2) The superintendent of public instruction must also:

(a) Advertise to school districts the availability of openly licensed courseware, with an emphasis on the fact that the courseware is available at no cost to the districts;

(b) Identify an open courseware repository to which openly licensed courseware identified and developed under this section may be submitted, in which openly licensed courseware may be housed, and from which openly licensed courseware may be easily accessed, all at no cost to school districts;

(c) Provide professional development programs that offer support, guidance, and instruction regarding the creation, use, and continuous improvement of open courseware; and

(d) Report to the governor and the education committees of the legislature on a biennial basis, beginning December 1, 2013, and ending December 1, 2017, regarding identification and development of a library of openly licensed courseware aligned with the common core state standards and placed under an attribution license, use by school districts of openly licensed courseware, and professional development programs provided.

(3) School districts may, but are not required to, use any of the openly licensed courseware.

(4) As used in this section, "courseware" includes the course syllabus, scope and sequence, instructional materials, modules, textbooks, including the teacher's edition, student guides, supplemental materials, formative and summative assessment supports, research articles, research data, laboratory activities, simulations, videos, open-ended inquiry activities, and any other educationally useful materials.

(5) The open educational resources account is created in the custody of the state treasurer. All receipts from funds collected under this section must be deposited into the account. Expenditures from the account may be used only for the development of openly licensed courseware as described in this section. Only the superintendent of public instruction or the superintendent's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(6) This section expires June 30, 2018.

NEW SECTION. Sec. 3. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2018, in the omnibus appropriations act, this act is null and void.
On page 1, line 1 of the title, after "resources;" strike the remainder of the title and insert "amending RCW 28A.300.803; adding a new section to chapter 28B.10 RCW; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

assessed value of property in the taxing district. The tax is imposed (a) each year for six consecutive years, (b) each year for ten consecutive years, or (c) permanently. Except as otherwise provided in this subsection, a permanent tax levy under this section, or the initial imposition of a six-year or ten-year levy under this section, must be specifically authorized by a majority of at least three-fifths of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting "yes" on the proposition (shall) must constitute three-fifths of a number equal to forty percent of the total number of voters voting in such taxing district at the last preceding general election when the number of registered voters voting on the proposition does not exceed forty percent of the total number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the registered voters thereof voting on the proposition when the number of registered voters voting on the proposition exceeds forty percent of the total number of voters voting in such taxing district in the last preceding general election. The subsequent approval of a six-year or ten-year tax levy under this section must be specifically authorized by a majority of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election. If the entire region comprising a newly formed regional fire protection service authority was subject to the levy authorized under this section immediately prior to the creation of the authority under chapter 52.26 RCW, the initial imposition of a six-year or ten-year tax levy under this section may be approved by a majority of the registered voters thereof approving the creation of the authority and the related service plan. Ballot propositions must conform with RCW 29A.36.210. A taxing district may not submit to the voters at the same election multiple propositions to impose a levy under this section.

(3) A taxing district imposing a permanent levy under this section (shall) must provide for separate accounting of expenditures of the revenues generated by the levy. The taxing district must maintain a statement of the accounting which must be updated at least every two years and must be available to the public upon request at no charge.

(4)(a) A taxing district imposing a permanent levy under this section must provide for a referendum procedure to apply to the ordinance or resolution imposing the tax. This referendum procedure must specify that a referendum petition may be filed at any time with a filing officer, as identified in the ordinance or resolution. Within ten days, the filing officer must confer with the petitioner concerning form and style of the petition, issue the petition an identification number, and secure an accurate, concise, and positive ballot title from the designated local official. The petitioner has thirty days in which to secure the signatures of not less than fifteen percent of the registered voters of the taxing district, as of the last general election, upon petition forms which contain the ballot title and the full text of the measure to be referred. The filing officer must verify the sufficiency of the signatures on the petition and, if sufficient valid signatures are properly submitted, must certify the referendum measure to the next election within the taxing district if one is to be held within one hundred eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose in accordance with RCW 29A.04.330.

(b) The referendum procedure provided in this subsection (4) is exclusive in all instances for any taxing district imposing the tax under this section and supersedes the procedures provided under all other statutory or charter provisions for initiative or referendum which might otherwise apply.

(5) Any tax imposed under this section may be used only for the provision of emergency medical care or emergency medical services, including related personnel costs, training for such personnel, and related equipment, supplies, vehicles and structures needed for the provision of emergency medical care or emergency medical services.

(6) If a county levies a tax under this section, no taxing district within the county may levy a tax under this section. If a regional fire protection service authority imposes a tax under this section, no other taxing district that is a participating fire protection jurisdiction in the regional fire
protection service authority may levy a tax under this section. No other taxing district may levy a tax under this section if another taxing district has levied a tax under this section within its boundaries: PROVIDED, That if a county levies less than fifty cents per thousand dollars of the assessed value of property, then any other taxing district may levy a tax under this section equal to the difference between the rate of the levy by the county and fifty cents: PROVIDED FURTHER, That if a taxing district within a county levies this tax, and the voters of the county subsequently approve a levying of this tax, then the amount of the taxing district levy within the county must be reduced, when the combined levies exceed fifty cents. Whenever a tax is levied countywide, the service must, insofar as is feasible, be provided throughout the county: PROVIDED FURTHER, That no countywide levy proposal may be placed on the ballot without the approval of the legislative authority of ((each city exceeding fifty thousand population within the county)) a majority of at least seventy-five percent of all cities exceeding a population of fifty thousand within the county; AND PROVIDED FURTHER, That this section and RCW 36.32.480 ((shall)) may not prohibit any city or town from levying an annual excess levy to fund emergency medical services: AND PROVIDED, FURTHER, That if a county proposes to impose tax levies under this section, no other ballot proposition authorizing tax levies under this section by another taxing district in the county may be placed before the voters at the same election at which the county ballot proposition is placed: AND PROVIDED FURTHER, That any taxing district emergency medical service levy that is limited in duration and that is authorized subsequent to a county emergency medical service levy that is limited in duration, expires concurrently with the county emergency medical service levy. A fire protection district that has annexed an area described in subsection (10) of this section may levy the maximum amount of tax that would otherwise be allowed, notwithstanding any limitations in this subsection (6).

(7) The limitations in RCW 84.52.043 do not apply to the tax levy authorized in this section.

(8) If a ballot proposition approved under subsection (2) of this section did not impose the maximum allowable levy amount authorized for the taxing district under this section, any future increase up to the maximum allowable levy amount must be specifically authorized by the voters in accordance with subsection (2) of this section at a general or special election.

(9) The limitation in RCW 84.55.010 does not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section.

(10) For purposes of imposing the tax authorized under this section, the boundary of a county with a population greater than one million five hundred thousand does not include all of the area of the county that is located within a city that has a boundary in two counties, if the locally assessed value of all the property in the area of the city within the county having a population greater than one million five hundred thousand is less than two hundred fifty million dollars.

(11) For purposes of this section, the following definitions apply:

(a) "Fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district; and

(b) "Participating fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district that is represented on the governing board of a regional fire protection service authority."

MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2759 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that it is important to achieve equal opportunity for all of its citizens. The legislature finds that women face unique problems and needs. For economic, social, and historical reasons, a disproportionate number of women find themselves disadvantaged or isolated from the benefits of equal opportunity. It is the purpose of this chapter to improve the well-being of women, by enabling them to participate fully in all fields of endeavor, assisting them in obtaining governmental services, and promoting equal compensation and fairness in employment for women. The legislature also believes that addressing women’s issues and improving the well-being of women will have a positive impact on larger societal issues. The legislature further finds that the development of public policy and the efficient delivery of governmental services to meet the needs of women can be improved by establishing a focal point in state government for the interests of women. Therefore, the legislature deems it necessary to establish in statute the Washington state women’s commission to further these purposes. The commission
shall address issues relevant to the problems and needs of women, such as domestic violence, child care, child support, sexual discrimination, sexual harassment, equal compensation and job pathways opportunities in employment, and the specific needs of women of color.

NEW SECTION. Sec. 2. The Washington state women's commission is established in the office of the governor. The commission shall be administered by an executive director, who shall be appointed by, and serve at the pleasure of, the governor. The governor shall set the salary of the executive director. The executive director shall employ the staff of the commission.

NEW SECTION. Sec. 3. (1) The Washington state women's commission shall consist of nine members appointed by the governor with the advice and consent of the senate.

(2) The governor shall consider nominations for membership based upon maintaining a balanced and diverse distribution of ethnic, geographic, gender, sexual orientation, age, socioeconomic status, and occupational representation, where practicable.

(3) All commission members shall serve at the pleasure of the governor, but in no case may any member serve more than three years without formal reappointment by the governor. All legislative advisory members shall serve for a two-year term and the position of any legislative advisory member shall be deemed vacated whenever such member ceases to be a member of the house from which the member was appointed. Of the persons initially appointed by the governor to the commission, three shall be appointed to serve one year, three to serve two years, and three to serve three years. Upon expiration of such terms, subsequent appointments shall be for three years. Any vacancies occurring in the membership of the commission shall be filled for the remainder of the unexpired term in the same manner as the original appointments.

(4) Two members of the senate, one from each of the two major political parties, appointed by the president of the senate, and two members of the house of representatives, one from each of the two major political parties, appointed by the speaker of the house of representatives, shall serve as advisory members.

(5) (a) Nonlegislative members shall be reimbursed for expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060.

(b) Legislative members shall be reimbursed for expenses incurred in the performance of their duties in accordance with RCW 44.04.120.

(6) A simple majority of the commission's membership constitutes a quorum for the purpose of conducting business.

NEW SECTION. Sec. 4. The director of the Washington state women's commission shall:

(1) Monitor state legislation and advocate for legislation affecting women;

(2) Work with state agencies to assess programs and policies that affect women;

(3) Coordinate with the minority commissions and human rights commission to address issues of mutual concern; and

(4) Work as a liaison between the public and private sector to eliminate barriers to women's economic equity.

NEW SECTION. Sec. 5. (1) The Washington state women's commission shall have the following duties:

(a) Actively recruit and maintain a list of names of qualified women to fill vacancies on various boards and commissions;

(b) Provide a clearinghouse for information regarding both state and federal legislation as it relates to the purpose of this chapter;

(c) Identify and define specific needs of women of color and provide recommendations for addressing those needs in the biennial report to the legislature and governor under (j) of this subsection;

(d) Consult with state agencies regarding the effect of agency policies, procedures, practices, laws, and administrative rules on the unique problems and needs of women. The commission shall also advise such state agencies on the development and implementation of comprehensive and
coordinated policies, plans, and programs focusing on those problems and needs;

(e) Provide resource and referral information to agencies and the public. The commission may gather data and disseminate information to the public in order to implement the purposes of this chapter;

(f) Hold public hearings to gather input on issues related to the unique problems and needs of women. The commission must include in the biennial report submitted under (j) of this subsection the input received and recommendations for addressing the problems and needs discussed at the public hearings;

(g) Advocate for removal of legal and social barriers for women;

(h) Review best practices for sexual harassment policies and training and provide recommendations to state agencies as they update their sexual harassment policies. The commission shall also maintain a file of sexual harassment policies that meet high quality standards and make these files available for agency use;

(i) Review and make recommendations to the legislature on strategies to increase the number of women serving on for-profit corporate boards with gross income of five million dollars or more; and

(j) Submit a report to the appropriate committees of the legislature and the governor every two years detailing the commission's activities. The report submitted must be in electronic format pursuant to RCW 43.01.036.

(2) State agencies must provide appropriate and reasonable assistance to the commission as needed, including gathering data and information, in order for the commission to carry out the purpose of this chapter.

NEW SECTION. Sec. 6. The Washington state women's commission shall have the following powers:

(1) Receive gifts, grants, and endowments from public or private sources that are made for the use or benefit of the commission and to expend the same or any income therefrom according to their terms and the purpose of this chapter. The commission's executive director shall make a report of such funds received from private sources to the office of financial management on a regular basis. Such funds received from private sources shall not be applied to reduce or substitute for the commission's budget as appropriated by the legislature, but shall be applied and expended toward projects and functions authorized by this chapter that were not funded by the legislature.

(2) In carrying out its duties, the commission may establish such relationships with public and private institutions, local governments, private industry, community organizations, and other segments of the general public as may be needed to promote equal opportunity for women in government, education, economic security, employment, and services.

(3) The commission may adopt rules and regulations pursuant to chapter 34.05 RCW as shall be necessary to implement the purpose of this chapter.

NEW SECTION. Sec. 7. The Washington state women's commission must provide staffing support to the interagency committee of state employed women, a volunteer organization that aims to better the lives of state employees by advising the governor and agencies on policies that affect state employed women.

NEW SECTION. Sec. 8. On August 26, 1920, with the action of the Tennessee legislature, the Nineteenth Amendment to the United States Constitution was ratified, establishing the right to vote for most American women. However, this right for some women occurred later: Native Americans generally by 1924; many Asians during the mid-twentieth century; and many others following enactment of voting rights legislation during the 1960s.

The introduction, passage, and ratification of the Nineteenth Amendment were the result of decades of work and struggle by women's voting rights advocates throughout the United States, with people from Washington state providing significant leadership.

In 1854, six years after the landmark women's rights convention in Seneca Falls, New York, the Washington territorial legislature initially
considered enacting women's right to vote. Susan B. Anthony visited Washington territory in 1871 and addressed the Washington territorial legislature, the first woman in the country to address a state legislative body in session. This spurred the creation of many women's right to vote associations in Washington and other states.

State women's right to vote legislation eventually passed the Washington territorial legislature twice, but each time was found unconstitutional by the territorial supreme court. With the 1910 approval of a state constitutional amendment by the male voters of the state, Washington became the first state in the twentieth century, and the fifth state overall, to enact women's right to vote at the state level.

In 2009, the state of Washington posthumously awarded its highest honor, the medal of merit, to the two key leaders of the Washington women's right to vote movement, Emma Smith DeVoe and May Arkwright Hutton.

The path to women's suffrage was blazed by western states. Washington's action (1910) followed Wyoming (1890), Colorado (1893), Utah (1870), and Idaho (1896). These successes were immediately followed by California (1911) and Oregon (1912), in establishing women's right to vote.

Washington was a major leader in the movement for nationwide women's right to vote. Washington was the first state in the twentieth century to fully enfranchise women and inspired the nationwide campaign that soon brought success in many western states and the territory of Alaska, culminating in the Nineteenth Amendment to the United States Constitution providing for American women throughout the country to vote.

In 2010, the Washington women's history consortium provided leadership for statewide commemoration from 2018 through 2020 of the centennial pertaining to the passage by congress of the Nineteenth Amendment and its subsequent ratification by three-fourths of the state legislatures in August 1920.

Therefore, the legislature finds it beneficial to begin the process of preparing for statewide commemoration from 2018 through 2020, of the centennial of the processes of congressional passage of and states' legislative ratification of the Nineteenth Amendment to the United States Constitution, which established the right to vote for American women.

NEW SECTION. Sec. 9. (1) The women's commission must, subject to the availability of amounts appropriated for this specific purpose, work with the Washington women's history consortium to:

(a) Provide leadership for statewide commemoration from 2018 through 2020 of the centennial pertaining to the passage by congress of the Nineteenth Amendment and its subsequent ratification by three-fourths of the state legislatures in August 1920;

(b) Immediately begin preparations for this statewide commemoration, to include but not be limited to:

(i) Consulting with a wide variety of organizations, institutions, public agencies, educational agencies and institutions, tourism organizations, and the general public about the content and conduct of this statewide commemoration;

(ii) Developing and encouraging others to develop a broad range of widely available educational opportunities for Washingtonians generally, students, and visitors, including significant online educational resources, to:

(A) Learn about the importance of voting in the context of women gaining the right to vote;

(B) Consider the subsequent long-term impacts of women gaining the right to vote;

(C) Learn about the active leadership role of Washingtonians in achieving the nationwide right to vote for women;

(D) Honor the countless participants in the women's suffrage movement; and
(E) Inspire future generations to treasure their right to vote;

(iii) Planning, coordinating, and publicizing events and informational materials for Washingtonians and visitors throughout the state commemorating this centennial;

(c) Create and distribute a portfolio of public humanities programs, and encourage others to do so, to engage Washingtonians and visitors with important aspects of the women's right to vote movement;

(d) Encourage private organizations, schools, institutions of higher education, public agencies, and local governments to organize and participate in activities commemorating the centennial of the Nineteenth Amendment to the United States Constitution;

(e) Coordinate with the regional and national organizations and agencies with respect to their commemorative work;

(f) Coordinate with the national collaborative for women's history sites by contributing a Washington component to the development of a nationwide votes for women trail; and

(g) Administer a grant program for public agencies, educational institutions, and organizations exempt from taxation under Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code to assist with their commemoration activities.

(2) The women's commission has the following powers and may exercise them as necessary to carry out its duties under subsection (1) of this section:

(a) Appoint task forces and advisory committees;

(b) Work with staff appointed by the Washington state historical society; and

(c) Enter into agreements or contracts.

(3) Legislative members serving on any task force or advisory committee created under this section are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

NEW SECTION. Sec. 10. Sections 1 through 7 of this act constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 11. Sections 8 and 9 of this act expires July 1, 2021."

On page 1, line 2 of the title, after "commission:" strike the remainder of the title and insert "adding a new chapter to Title 43 RCW; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

February 27, 2018

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1237 with the following amendment:

Strike everything after the enacting clause and insert the following:
"NEW SECTION. Sec. 1. The legislature finds that community and technical colleges provide important access to continuing education, preparation for a university, and workforce training that improve the quality of life and economic vitality of the state. The legislature further finds that a funding gap was created in the 2017-2019 biennium between the amount from the state general fund and the amount that was assumed to come from tuition increases. Therefore the legislature intends to fill the gap created in the 2017-2019 biennium and fund salary and benefit increases with sixty-six percent state general fund.

Sec. 2. RCW 28B.52.035 and 1991 c 238 s 148 are each amended to read as follows:

(1) At the conclusion of any negotiation processes as provided for in RCW 28B.52.030, any matter upon which the parties have reached agreement shall be reduced to writing and acted upon in a regular or special meeting of the boards of trustees, and become part of the official proceedings of said board meeting. Except as provided in this section, provisions of written contracts relating to salary increases shall not exceed the amount or percentage established by the legislature in the appropriations act and allocated to the board of trustees by the state board for community and technical colleges.

(2) The written agreement acted upon by a board of trustees must be submitted to the director of the office of financial management by October 1 prior to the fiscal year in which the provisions of the agreement go into effect. The length of term of any such agreement shall be for not more than three fiscal years. ([Any provisions of these agreements pertaining to salary increases will not be binding upon future actions of the legislature.]) If any provision of a salary increase is changed by subsequent modification of the appropriations act by the legislature, both parties shall immediately enter into collective bargaining for the sole purpose of arriving at a mutually agreed upon replacement for the modified provision. A board of trustees may provide additional compensation to academic employees that exceeds that provided by the legislature.

Sec. 3. RCW 28B.50.140 and 2016 1st sp.s. c 33 s 3 are each amended to read as follows:

Each board of trustees:

(1) Shall operate all existing community and technical colleges in its district;

(2) Shall create comprehensive programs of community and technical college education and training and maintain an open-door policy in accordance with the provisions of RCW 28B.50.090(3);

(3) Shall employ for a period to be fixed by the board a college president for each community and technical college and, may appoint a president for the district, and fix their duties and compensation, which may include elements other than salary. Compensation under this subsection shall not affect but may supplement retirement, health care, and other benefits that are otherwise applicable to the presidents as state employees. The board shall also employ for a period to be fixed by the board members of the faculty and such other administrative officers and other employees as may be necessary or appropriate and fix their salaries and duties. Except ((for increments provided with local resources during the 2015-2017 fiscal biennium)) as provided for academic employees in RCW 28B.52.035 and technical college classified employees under chapter 41.56 RCW, compensation and salary increases under this subsection shall not exceed the amount or percentage established for those purposes in the state appropriations act by the legislature as allocated to the board of community and technical colleges. The state board for community and technical colleges shall adopt rules defining the permissible elements of compensation under this subsection;

(4) May establish, in accordance with RCW 28B.77.080, new facilities as community needs and interests demand. However, the authority of boards of trustees to purchase or lease major off-campus facilities shall be subject to the approval of the student achievement council pursuant to RCW 28B.77.080;

(5) May establish or lease, operate, equip and maintain dormitories, food service facilities, bookstores and other self-supporting facilities connected
with the operation of the community and technical college;

(6) May, with the approval of the college board, borrow money and issue and sell revenue bonds or other evidences of indebtedness for the construction, reconstruction, erection, equipping with permanent fixtures, demolition and major alteration of buildings or other capital assets, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances, for dormitories, food service facilities, and other self-supporting facilities connected with the operation of the community and technical college in accordance with the provisions of RCW 28B.10.300 through 28B.10.330 where applicable;

(7) May establish fees and charges for the facilities authorized hereunder, including reasonable rules and regulations for the government thereof, not inconsistent with the rules of the college board; each board of trustees operating a community and technical college may enter into agreements, subject to rules of the college board, with owners of facilities to be used for housing regarding the management, operation, and government of such facilities, and any board entering into such an agreement may:

(b) Employ necessary employees to govern, manage and operate the same;

(8) May receive such gifts, grants, conveyances, devises and bequests of real or personal property from private sources, as may be made from time to time, in trust or otherwise, whenever the terms and conditions thereof will aid in carrying out the community and technical college programs as specified by law and the rules of the state college board; sell, lease or exchange, invest or expend the same or the proceeds, rents, profits and income thereof according to the terms and conditions thereof; and adopt rules to govern the receipt and expenditure of the proceeds, rents, profits and income thereof;

(10) May make rules for pedestrian and vehicular traffic on property owned, operated, or maintained by the district;

(11) Shall prescribe, with the assistance of the faculty, the course of study in the various departments of the community and technical college or colleges under its control, and publish such catalogues and bulletins as may become necessary;

(12) May grant to every student, upon graduation or completion of a course of study, a suitable diploma, degree, or certificate under the rules of the state board for community and technical colleges that are appropriate to their mission. The purposes of these diplomas, certificates, and degrees are to lead individuals directly to employment in a specific occupation or prepare individuals for a bachelor's degree or beyond. Technical colleges may only offer transfer degrees that prepare students for bachelor's degrees in professional fields, subject to rules adopted by the college board. In adopting rules, the college board, where possible, shall create consistency between community and technical colleges and may address issues related to tuition and fee rates; tuition waivers; enrollment counting, including the use of credits instead of clock hours; degree granting authority; or any other rules necessary to offer the associate degrees that prepare students for transfer to bachelor's degrees in professional areas. Only colleges under RCW 28B.50.810 or 28B.50.825 may award baccalaureate degrees. The board, upon recommendation of the faculty, may also confer honorary associate of arts degrees, or if it is authorized to award baccalaureate degrees may confer honorary bachelor of applied science degrees, upon persons other than graduates of the community college, in recognition of their learning or devotion to education, literature, art, or science. No degree may be conferred in consideration of the payment of money or the donation of any kind of property;

(13) Shall enforce the rules prescribed by the state board for community and technical colleges for the government of community and technical colleges, students and teachers, and adopt such rules and perform all other
acts not inconsistent with law or rules of the state board for community and technical colleges as the board of trustees may in its discretion deem necessary or appropriate to the administration of college districts: PROVIDED, That such rules shall include, but not be limited to, rules relating to housing, scholarships, conduct at the various community and technical college facilities, and discipline: PROVIDED, FURTHER, That the board of trustees may suspend or expel from community and technical colleges students who refuse to obey any of the duly adopted rules;

(14) May, by written order filed in its office, delegate to the president or district president any of the powers and duties vested in or imposed upon it by this chapter. Such delegated powers and duties may be exercised in the name of the district board;

(15) May perform such other activities consistent with this chapter and not in conflict with the directives of the college board;

(16) Notwithstanding any other provision of law, may offer educational services on a contractual basis other than the tuition and fee basis set forth in chapter 28B.15 RCW for a special fee to private or governmental entities, consistent with rules adopted by the state board for community and technical colleges: PROVIDED, That the whole of such special fee shall go to the college district and be not less than the full instructional costs of such services including any salary increases authorized by the legislature for community and technical college employees during the term of the agreement: PROVIDED FURTHER, That enrollments generated hereunder shall not be counted toward the official enrollment level of the college district for state funding purposes;

(17) Notwithstanding any other provision of law, may offer educational services on a contractual basis, charging tuition and fees as set forth in chapter 28B.15 RCW, counting such enrollments for state funding purposes, and may additionally charge a special supplemental fee when necessary to cover the full instructional costs of such services: PROVIDED, That such contracts shall be subject to review by the state board for community and technical colleges and to such rules as the state board may adopt for that purpose in order to assure that the sum of the supplemental fee and the normal state funding shall not exceed the projected total cost of offering the educational service: PROVIDED FURTHER, That enrollments generated by courses offered on the basis of contracts requiring payment of a share of the normal costs of the course will be discounted to the percentage provided by the college;

(18) Shall be authorized to pay dues to any association of trustees that may be formed by the various boards of trustees; such association may expend any or all of such funds to submit biennially, or more often if necessary, to the governor and to the legislature, the recommendations of the association regarding changes which would affect the efficiency of such association;

(19) May participate in higher education centers and consortia that involve any four-year public or independent college or university in accordance with RCW 28B.77.080;

(20) Shall perform any other duties and responsibilities imposed by law or rule of the state board; and

(21) May confer honorary associate of arts degrees upon persons who request an honorary degree if they were students at the college in 1942 and did not graduate because they were ordered into an internment camp. The honorary degree may also be requested by a representative of deceased persons who meet these requirements. For the purposes of this subsection, "internment camp" means a relocation center to which persons were ordered evacuated by Presidential Executive Order 9066, signed on February 19, 1942."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1.  RCW 82.44.135 and 2006 c 318 s 9 are each amended to read as follows:

(1) Before a local government subject to this chapter may impose a motor vehicle excise tax, the local government must contract with the department for the collection of the tax. Except as otherwise provided in this section, the department may charge a reasonable amount, not to exceed one percent of tax collections, for the administration and collection of the tax.

(2) Any contract entered into with a regional transit authority for the collection of a motor vehicle excise tax must provide that the department receives full reimbursement for the administration and collection of the tax, including those costs related to customer service and information technology.

NEW SECTION. Sec. 2. A new section is added to chapter 82.44 RCW to read as follows:

If the department enters into a contract with a regional transit authority for the collection of a motor vehicle excise tax authorized in RCW 81.104.160(1), and after the regional transit authority implements a market value adjustment program as directed in section 3 of this act, the department must clearly indicate, when issuing notices to persons renewing vehicle registrations under RCW 46.16A.110, the net result after application of the credit. The department must include as part of the notices an insert that provides a description of the market value adjustment program and how it affects taxpayers generally.

NEW SECTION. Sec. 3. A new section is added to chapter 81.112 RCW to read as follows:

(1) A regional transit authority that includes portions of a county with a population of more than one million five hundred thousand and that imposes a motor vehicle excise tax under RCW 81.104.160(1) must establish a market value adjustment program to be implemented for vehicles with registrations that are due or become due on or after September 1, 2018.

(2) Under the market value adjustment program, the authority must provide a credit against the motor vehicle excise tax due in an amount equal to the tax due under RCW 81.104.160(1) calculated using the vehicle valuation methodology authorized under RCW 81.104.160(1), less the tax otherwise due calculated using the vehicle valuation schedule of percentages in RCW 82.44.035, as applied to eighty-five percent of the value of the vehicle, if the resulting difference is positive.

(3) The program may be funded by any resources available to the authority including, but not limited to:

(a) Unrestricted tax proceeds or other revenues; and

(b) Savings from the delivery of projects.

(4)(a) The program must be implemented in a manner that allows the delivery of the system and financing plan approved by the authority's voters in 2016 to the extent practicable. Building on past and ongoing cost-savings efforts, the agency must continue to evaluate measures that may be needed to reduce costs. These measures include, but are not limited to:

(i) Designing projects using the principles of practical design, as described for use by the department of transportation under RCW 47.01.480;

(ii) Efficiencies realized in coordinating and integrating activities with other transit agencies and local governments, including through shared maintenance and operations, joint procurement, joint marketing, joint customer services, and joint capital projects; and

(iii) Revising project contingency budgets, if practicable.
(b) If, when implementing the program, the authority is not able to deliver projects according to the system and financing plan approved by the authority's voters in 2016, the authority must identify savings and cost reductions, first, from projects other than light rail projects and bus rapid transit projects, and is prohibited from eliminating light rail projects and bus rapid transit projects.

(5) Until the plan has been completed, the authority must submit an annual report to the transportation committees of the legislature by December 31st of each year on the status of the delivery of the plan. The report must include detail on the extent to and manner in which the authority has used cost savings to maintain the delivery of the plan as approved by the voters.

(6) The department of licensing is authorized to make rules to implement this section.

NEW SECTION. Sec. 4. A new section is added to chapter 81.112 RCW to read as follows:

(1) Beginning July 1, 2019, and continuing through the end of June 2020, the authority must allow an additional one-time credit against the motor vehicle excise tax due with respect to any vehicle for which the 0.8 percent tax in RCW 81.104.160(1) was paid before September 1, 2018. The one-time credit amount on the 0.8 percent tax paid before September 1, 2018, must be calculated using the market value adjustment program credit methodology in section 3 of this act, except that the total amount of credit applied under this section and section 3 of this act may not exceed the current motor vehicle excise tax liability with respect to the vehicle. The authority may develop a system for issuing one-time credits in consultation with the department of licensing.

To the greatest extent practicable, the credit provided under this section must be issued using an online process or as part of regular motor vehicle excise tax payment processing.

(2) The department of licensing is authorized to make rules to implement this section.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

Correct the title.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2009 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

February 28, 2018

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2406, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 8. It is the intent of the legislature to ensure our elections have the utmost confidence of the citizens of the state. In order to ensure the integrity of the elections in Washington, the legislature wants to maximize the security benefits of having locally run, decentralized counting systems in our state, based in thirty-nine different counties. The legislature wants to maximize this locally run benefit by adding options to the auditing process for local elections administrators. Multiple jurisdictions, with multiple options for ensuring election outcomes will increase the transparency, integrity, and trust of our elections process.

Sec. 9. RCW 29A.60.185 and 2005 c 242 s 5 are each amended to read as follows:
Prior to certification of the election as required by RCW 29A.60.190, the county auditor shall conduct an audit using at minimum one of the following methods:

(a) An audit of results of votes cast on the direct recording electronic voting devices, or other in-person ballot marking systems, used in the county if there are races or issues with more than ten votes cast on all direct recording electronic voting devices or other in-person ballot marking systems in the county. This audit must be conducted by randomly selecting by lot up to four percent of the direct recording electronic voting devices or other in-person ballot marking systems, or one direct recording electronic voting device or other in-person ballot marking system, whichever is greater, and, for each device or system, comparing the results recorded electronically with the results recorded on paper. For purposes of this audit, the results recorded on paper must be tabulated as follows: On one-fourth of the devices or systems selected for audit, the paper records must be tabulated manually; on the remaining devices or systems, the paper records may be tabulated by a mechanical device determined by the secretary of state to be capable of accurately reading the votes cast and printed thereon and qualified for use in the state under applicable state and federal laws. Three races or issues, randomly selected by lot, must be audited on each device or system. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit. As used in this subsection, "in-person ballot marking system" or "system" means an in-person ballot marking system that retains or produces an electronic voting record of each vote cast using the system;

(b) A random check of the ballot counting equipment consistent with RCW 29A.60.170(3);

(c) A risk-limiting audit. A "risk-limiting audit" means an audit protocol that makes use of statistical principles and methods and is designed to limit the risk of certifying an incorrect election outcome. The secretary of state shall:

(i) Set the risk limit. A "risk limit" means the largest statistical probability that an incorrect reported tabulation outcome is not detected in a risk-limiting audit;

(ii) Randomly select for audit at least one statewide contest, and for each county at least one ballot contest other than the selected statewide contest. The county auditor shall randomly select a ballot contest for audit if in any particular election there is no statewide contest; and

(iii) Establish procedures for implementation of risk-limiting audits, including random selection of the audit sample, determination of audit size, and procedures for a comparison risk-limiting audit and ballot polling risk-limiting audit as defined in (c)(iii)(A) and (B) of this subsection. If a duplicated ballot under RCW 29A.60.125 is selected as part of the audit, it must be compared with the original ballot.

(A) In a comparison risk-limiting audit, the county auditor compares the voter markings on randomly selected ballots to the ballot-level cast vote record produced by the ballot counting equipment.

(B) In a ballot polling risk-limiting audit, the county auditor of a county using ballot counting equipment that does not produce ballot-level cast vote records reports the voter markings on randomly selected ballots until the prespecified risk limit is met; or

(d) An independent electronic audit of the original ballot counting equipment used in the county. The county auditor may either conduct an audit of all ballots cast, or limit the audit to three precincts or six batches pursuant to procedures adopted under RCW 29A.60.170(3). This audit must be conducted using an independent electronic audit system that is, at minimum:

(i) Approved by the secretary of state;

(ii) Completely independent from all voting systems, including ballot counting equipment, that is used in the county;

(iii) Distributed or manufactured by a vendor different from the vendor that distributed or manufactured the original ballot counting equipment; and

(iv) Capable of demonstrating that it can verify and confirm the accuracy of
the original ballot counting equipment's reported results.

(2) For each audit method, the secretary of state must adopt procedures for expanding the audit to include additional ballots when an audit results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots, and the method to determine how many additional ballots will be selected. The secretary of state shall adopt procedures to investigate the cause of any discrepancy found during an audit.

(3) The secretary of state must establish rules by January 1, 2019, to implement and administer the auditing methods in this section, including facilitating public observation and reporting requirements.

Sec. 10. RCW 29A.60.170 and 2011 c 10 s 55 are each amended to read as follows:

(1) At least twenty-eight days prior to any special election, general election, or primary, the county auditor shall request from the chair of the county central committee of each major political party a list of individuals who are willing to serve as observers. The county auditor has discretion to also request observers from any campaign or organization. The county auditor may delete from the lists names of those persons who indicate to the county auditor that they cannot or do not wish to serve as observers, and names of those persons who, in the judgment of the county auditor, lack the ability to properly serve as observers after training has been made available to them by the auditor.

(2) The counting center is under the direction of the county auditor and must be open to observation by one representative from each major political party, if representatives have been appointed by the respective major political parties and these representatives are present while the counting center is operating. The proceedings must be open to the public, but no persons except those employed and authorized by the county auditor may touch any ballot or ballot container or operate a vote tallying system.

(3) A random check of the ballot counting equipment (may) must be conducted upon mutual agreement of the political party observers or at the discretion of the county auditor. The random check procedures must be adopted by the county canvassing board, and consistent with rules adopted under RCW 29A.60.185(3), prior to the processing of ballots. The random check process shall involve a comparison of a manual count or electronic count if an audit under RCW 29A.60.185(1)(d) is conducted to the machine count from the original ballot counting equipment and may involve up to either three precincts or six batches depending on the ballot counting procedures in place in the county. The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board (and). The random check procedures must include a process, consistent with RCW 29A.60.185(2) and rules adopted under RCW 29A.60.185(3), for expanding the audit to include additional ballots when a random check conducted under this section results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots and the method to determine how many additional ballots will be selected. Procedures adopted under RCW 29A.60.185 pertaining to investigations of any discrepancy found during an audit must be followed. The check must be completed no later than forty-eight hours after election day.

(4)(a) By November 1, 2018, the secretary of state shall:

(i) For each county, survey all random check procedures adopted by the county canvassing board under subsection (3) of this section; and

(ii) Evaluate the procedures to identify the best practices and any discrepancies.

(b) By December 15, 2018, the secretary of state shall submit a report, in compliance with RCW 43.01.036, to the appropriate committees of the legislature that provides recommendations, based on the evaluation performed under (a) of this subsection, for adopting best practices and uniform procedures.
Sec. 11. RCW 29A.60.110 and 2013 c 11 s 61 are each amended to read as follows:

(1) Immediately after their tabulation, all ballots counted at a ballot counting center must be sealed in containers that identify the primary or election and be retained for at least sixty days or according to federal law, whichever is longer.

(2) In the presence of major party observers who are available, ballots may be removed from the sealed containers at the elections department and consolidated into one sealed container for storage purposes. The containers may only be opened by the canvassing board as part of the canvass, to conduct recounts, to conduct a random check under RCW 29A.60.170, to conduct an audit under RCW 29A.60.185, or by order of the superior court in a contest or election dispute. If the canvassing board opens a ballot container, it shall make a full record of the additional tabulation or examination made of the ballots. This record must be added to any other record of the canvassing process in that county.

Sec. 12. RCW 29A.12.005 and 2013 c 11 s 21 are each amended to read as follows:

A ballot may be duplicated only if the intent of the voter's marks on the ballot is clear and the electronic voting equipment might not otherwise properly tally the ballot to reflect the intent of the voter. When duplicating ballots, the county auditor shall take the following steps to create and maintain an audit trail of the action taken:

(1) Each original ballot and duplicate ballot must be assigned the same unique control number, with the number being marked upon the face of each ballot, to ensure that each duplicate ballot may be tied back to the original ballot;

(2) A log must be kept of the ballots duplicated, which must at least include:

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 2406 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 2, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1524 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Drug courts remove a defendant's or respondent's case from the criminal and civil court traditional trial track and allow those defendants or respondents the opportunity to obtain treatment services to address particular issues that may have contributed to the conduct that led to their arrest or other issues before the court. Such courts, by focusing on specific individuals' needs, provide treatment for the issues presented and ensure rapid and appropriate accountability for program violations, which decreases recidivism, improves the safety of the community, and improves the life of the program participant and the
of the participant's family members by decreasing the severity and frequency of the specific behavior addressed by the therapeutic court. Therefore, the legislature finds compelling the research conducted by the Washington state institute for public policy and the research and data analysis division of the department of social and health services showing that providing recovery support services to clients in drug courts creates a benefit to the state of approximately seven dollars and sixty cents in reduced public expenditures and reduced costs of victimization for each dollar spent. Therefore, it is the intent of the legislature to allow the use of a portion of the criminal justice treatment account to provide such services to foster increased success in drug courts.

Sec. 2. RCW 71.24.580 and 2017 3rd sp.s. c 1 s 981 are each amended to read as follows:

(1) The criminal justice treatment account is created in the state treasury. Moneys in the account may be expended solely for: (a) Substance use disorder treatment and treatment support services for offenders with a substance use disorder that, if not treated, would result in addiction, against whom charges are filed by a prosecuting attorney in Washington state; (b) the provision of substance use disorder treatment services and treatment support services for nonviolent offenders within a drug court program; and (c) the administrative and overhead costs associated with the operation of a drug court. Amounts provided in this subsection must be used for treatment and recovery support services for criminally involved offenders and authorization of these services shall not be subject to determinations of medical necessity. During the 2015-2017 fiscal biennium, the legislature may transfer from the criminal justice treatment account to the state general fund amounts as reflect the state savings associated with the implementation of the medicaid expansion of the federal affordable care act and the excess fund balance of the account. During the 2017-2019 fiscal biennium, the legislature may direct the state treasurer to make transfers of moneys in the criminal justice treatment account to the state general fund. It is the intent of the legislature to continue in future biennia in the 2019-2021 biennium the policy of transferring to the state general fund such amounts as reflect the excess fund balance of the account. Moneys in the account may be spent only after appropriation.

(2) For purposes of this section:

(a) "Treatment" means services that are critical to a participant's successful completion of his or her substance use disorder treatment program, (but do not include the following services: Housing other than that provided as part of an inpatient substance use disorder treatment program, vocational training, and mental health counseling) including but not limited to the recovery support and other programmatic elements outlined in RCW 2.30.030 authorizing therapeutic courts;

(b) "Treatment support" (means) includes transportation to or from inpatient or outpatient treatment services when no viable alternative exists, and child care services that are necessary to ensure a participant's ability to attend outpatient treatment sessions.

(3) Revenues to the criminal justice treatment account consist of: (a) Funds transferred to the account pursuant to this section; and (b) any other revenues appropriated to or deposited in the account.

(4)(a) For the fiscal year beginning July 1, 2005, and each subsequent fiscal year, the state treasurer shall transfer eight million two hundred fifty thousand dollars from the general fund to the criminal justice treatment account, divided into four equal quarterly payments. For the fiscal year beginning July 1, 2006, and each subsequent fiscal year, the amount transferred shall be increased on an annual basis by the implicit price deflator as published by the federal bureau of labor statistics.

(b) In each odd-numbered year, the legislature shall appropriate the amount transferred to the criminal justice treatment account in (a) of this subsection to the department for the purposes of subsection (5) of this section.

(5) Moneys appropriated to the department from the criminal justice treatment account shall be distributed as specified in this subsection. The department may retain up to three percent of the amount appropriated under
subsection (4)(b) of this section for its administrative costs.

(a) Seventy percent of amounts appropriated to the department from the account shall be distributed to counties pursuant to the distribution formula adopted under this section. The division of alcohol and substance abuse, in consultation with the department of corrections, the Washington state association of counties, the Washington state association of drug court professionals, the superior court judges' association, the Washington association of prosecuting attorneys, representatives of the criminal defense bar, representatives of substance use disorder treatment providers, and any other person deemed by the department to be necessary, shall establish a fair and reasonable methodology for distribution to counties of moneys in the criminal justice treatment account. County or regional plans submitted for the expenditure of formula funds must be approved by the panel established in (b) of this subsection.

(b) Thirty percent of the amounts appropriated to the department from the account shall be distributed as grants for purposes of treating offenders against whom charges are filed by a county prosecuting attorney. The department shall appoint a panel of representatives from the Washington association of prosecuting attorneys, the Washington association of sheriffs and police chiefs, the superior court judges' association, the Washington state association of counties, the Washington defender's association or the Washington association of criminal defense lawyers, the department of corrections, the Washington state association of drug court professionals, substance use disorder treatment providers, and the division. The panel shall review county or regional plans for funding under (a) of this subsection and grants approved under this subsection. The panel shall attempt to ensure that treatment as funded by the grants is available to offenders statewide.

(6) The county alcohol and drug coordinator, county prosecutor, county sheriff, county superior court, a substance abuse treatment provider appointed by the county legislative authority, a member of the criminal defense bar appointed by the county legislative authority, and, in counties with a drug court, a representative of the drug court shall jointly submit a plan, approved by the county legislative authority or authorities, to the panel established in subsection (5)(b) of this section, for disposition of all the funds provided from the criminal justice treatment account within that county. The funds shall be used solely to provide approved alcohol and substance abuse treatment pursuant to RCW 71.24.560(, and for the administrative and overhead costs associated with the operation of a drug court.

(7) Counties are encouraged to consider regional agreements and submit regional plans for the efficient delivery of treatment under this section.

(8) Moneys allocated under this section shall be used to supplement, not supplant, other federal, state, and local funds used for substance abuse treatment.

(9) Counties must meet the criteria established in RCW 2.30.030(3).

((10) The authority under this section to use funds from the criminal justice treatment account for the administrative and overhead costs associated with the operation of a drug court expires June 30, 2015.))"}

On page 1, line 1 of the title, after "courts;" strike the remainder of the title and insert "amending RCW 71.24.580; and creating a new section."

Sec. 5. RCW 28B.145.005 and 2011 1st sp.s. c 13 s 1 are each amended to read as follows:

The legislature finds that, despite increases in degree production, there remain acute shortages in high employer demand programs of study, particularly in the science, technology, engineering, and mathematics (STEM) and health care fields of study. According to the workforce training and education coordinating board, seventeen percent of Washington businesses had difficulty finding job applicants in 2010. Eleven thousand employers did not fill a vacancy because they lacked qualified job
applicants. Fifty-nine percent of projected job openings in Washington state from now until 2017 will require some form of postsecondary education and training.

It is the intent of the legislature to provide jobs and opportunity by making Washington the place where the world’s most productive companies find the world’s most talented people. The legislature intends to accomplish this through the creation of the opportunity scholarship and the opportunity expansion programs to help mitigate the impact of tuition increases, increase the number of baccalaureate degrees in high employer demand and other programs and advanced degrees in health professions needed in service obligation areas, and invest in programs and students to meet market demands for a knowledge-based economy while filling middle-income jobs with a sufficient supply of skilled workers.

Sec. 6. RCW 28B.145.010 and 2014 c 208 s 1 are each amended to read as follows:

(d) Serves a public agency, nonprofit organization, or local health jurisdiction as defined in RCW 43.70.575 by providing public health services necessary to preserve, protect, and promote the health of the state's population, as determined by the board after consultation with the department of health.

Sec. 7. RCW 28B.145.020 and 2014 c 208 s 2 are each amended to read as follows:

(1) The opportunity scholarship board is created. The board consists of eleven members:

(6) The purpose of the board is to provide oversight and guidance for the opportunity expansion and the opportunity scholarship programs in light of established legislative priorities and to fulfill the duties and responsibilities under this chapter, including but not limited to determining eligible education programs and eligible advanced degree programs for purposes of the opportunity scholarship program. In determining eligible advanced degree programs, the board shall consider advanced degree programs that lead to credentials in health professions that include, but are not limited to, primary care, dental care, behavioral health, and public health. Duties, exercised jointly with the program administrator, include soliciting funds and setting annual fund-raising goals.

(7) The board may report to the governor and the appropriate committees of the legislature with recommendations as to:

Duties, exercised jointly with the board, include soliciting funds and setting annual fund-raising goals. The program administrator shall be paid an administrative fee as determined by the board.

(2) With respect to the opportunity scholarship program, the program administrator shall:

(a) Establish and manage ((two)) separate accounts into which to receive grants and contributions from private sources as well as state matching funds, and from which to disburse scholarship funds to participants;

(b) Solicit and accept grants and contributions from private sources, via direct payment, pledge agreement, or escrow account, of private sources for deposit into ((one or both of the two)) any of the specified accounts created in this subsection (2)(b) upon the direction of the donor and in accordance with this subsection (2)(b):

(i) The "scholarship account," whose principal may be invaded, and from which scholarships must be disbursed for baccalaureate programs beginning no later than December 1, 2011, if, by that date, state matching funds in the amount of five million dollars or more have been received. Thereafter, scholarships shall be disbursed on an annual basis beginning no later than May 1, 2012, and every October 1st thereafter;

In any year in which the office of financial management reports that the state has not made progress toward this goal, no new scholarships may be awarded. In any year in which the office of financial management reports that the percentile of total per-student funding is less than the sixtieth percentile and at least five percent less than the prior year, pledges of future grants and contributions may, at the request of the donor, be released and grants and contributions already received refunded.
to the extent that opportunity scholarship awards already made can be fulfilled from the funds remaining in the endowment account. In fulfilling the requirements of this subsection, the office of financial management shall use resources that facilitate measurement and comparisons of the most recently completed academic year. These resources may include, but are not limited to, the data provided in a uniform dashboard format under RCW 28B.77.090 as the statewide public four-year dashboard and academic year reports prepared by the state board for community and technical colleges.

(iiiii) (iv) An amount equal to at least fifty percent of all grants and contributions must be deposited into the scholarship account until such time as twenty million dollars have been deposited into the account, after which time the private donors may designate whether their contributions must be deposited to the scholarship, the advanced degrees pathways, or the endowment accounts. The board and the program administrator must work to maximize private sector contributions to the scholarship account, the advanced degrees pathways account, and the endowment account, to maintain a robust scholarship program while simultaneously building the endowment, and to determine the division between the accounts in the case of undesignated grants and contributions, taking into account the need for a long-term funding mechanism and the short-term needs of families and students in Washington. The first five million dollars in state match, as provided in RCW 28B.145.040, shall be deposited into the scholarship account and thereafter the state match shall be deposited into the accounts in equal proportion to the private funds deposited in each account, except that no more than one million dollars in state match shall be deposited into the advanced degrees pathways account in a single fiscal biennium; and

((vii)) (v) Once moneys in the opportunity scholarship match transfer account are subject to an agreement under RCW 28B.145.050(5) and are deposited in the scholarship account, advanced degrees pathways account, or endowment account under this section, the state acts in a fiduciary rather than ownership capacity with regard to those assets. Assets in the scholarship account, advanced degrees pathways account, and endowment account are not considered state money, common cash, or revenue to the state;

(c) Provide proof of receipt of grants and contributions from private sources to the council, identifying the amounts received by name of private source and date, and whether the amounts received were deposited into the scholarship, the advanced degrees pathways, or the endowment accounts;

(d) In consultation with the council and the state board for community and technical colleges, make an assessment of the reasonable annual eligible expenses associated with eligible education programs and eligible advanced degree programs identified by the board;

(e) Determine the dollar difference between tuition fees charged by institutions of higher education in the 2008-09 academic year and the academic year for which an opportunity scholarship is being distributed;

(f) Develop and implement an application, selection, and notification process for awarding opportunity scholarships;

(g) Determine the annual amount of the opportunity scholarship for each selected participant. The annual amount shall be at least one thousand dollars or the amount determined under (e) of this subsection, but may be increased on an income-based, sliding scale basis up to the amount necessary to cover all reasonable annual eligible expenses as assessed pursuant to (d) of this subsection, or to encourage participation in baccalaureate degree programs or eligible advanced degree programs identified by the board;

(h) Distribute scholarship funds to selected participants. Once awarded, and to the extent funds are available for distribution, an opportunity scholarship shall be automatically renewed as long as the participant annually submits documentation of filing both a free application for federal student aid and for available federal education tax credits including, but not limited to, the American opportunity tax credit, or if ineligible to apply for federal student aid, the participant annually submits documentation of filing a state financial aid application as approved by the office of student financial aid.
assistance; and until the participant withdraws from or is no longer attending the program, completes the program, or has taken the credit or clock hour equivalent of one hundred twenty-five percent of the published length of time of the participant's program, whichever occurs first; and as long as the participant annually submits documentation of filing both a free application for federal student aid and for available federal education tax credits, including but not limited to the American opportunity tax credit; (and)

(i) Notify institutions of scholarship recipients who will attend their institutions and inform them of the terms of the students' eligibility;

(j) Establish a required service obligation for participants enrolled in an eligible advanced degree program, and establish a process for verifying a participant's employment in a service obligation area; and

(k) Establish a repayment obligation and appeals process for participants who serve less than the required service obligation, unless the program administrator determines the circumstances are beyond the participant's control. If the participant is unable to pay the repayment obligation in full, the participant may enter into payment arrangements with the program administrator. The program administrator is responsible for the collection of repayment obligations on behalf of participants who fail to complete their service obligation.

(3) With respect to the opportunity expansion program, the program administrator shall:

(a) Assist the board in developing and implementing an application, selection, and notification process for making opportunity expansion awards; and

(b) Solicit and accept grants and contributions from private sources for opportunity expansion awards.

Sec. 9. RCW 28B.145.040 and 2011 1st sp.s. c 13 s 5 are each amended to read as follows:

(1) The opportunity scholarship program is established.

(2) The purpose of this scholarship program is to provide scholarships that will help low and middle-income Washington residents earn baccalaureate degrees in high employer demand and other programs of study and advanced degrees in health professions needed in service obligation areas, and encourage them to remain in the state to work. The program must be designed for (both) students starting at two-year institutions of higher education and intending to transfer to four-year institutions of higher education (and), students starting at four-year institutions of higher education, and students enrolled in an eligible advanced degree program.

(3) The opportunity scholarship board shall determine which programs of study, including but not limited to high employer demand programs, are eligible for purposes of the opportunity scholarship. For eligible advanced degree programs, the board shall limit scholarships to eligible students enrolling in programs that lead to credentials in health professions needed in service obligation areas.

(4) The source of funds for the program shall be a combination of private grants and contributions and state matching funds. A state match may be earned under this section for private contributions made on or after June 6, 2011. A state match, up to a maximum of fifty million dollars annually, shall be provided beginning the later of January 1, 2014, or January 1st next following the end of the fiscal year in which collections of state retail sales and use tax, state business and occupation tax, and state public utility tax exceed, by ten percent the amounts collected from these tax resources in the fiscal year that ended June 30, 2008, as determined by the department of revenue.

Sec. 10. RCW 28B.145.090 and 2014 c 208 s 4 are each amended to read as follows:

(1) The board may elect to have the state investment board invest the funds in the scholarship account, the advanced degrees pathways account, and the endowment account described under RCW 28B.145.030(2)(b). If the board so elects, the state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the (accounts).
All investment and operating costs associated with the investment of money shall be paid under RCW 43.33A.160 and 43.84.160. With the exception of these expenses, the earnings from the investment of the money shall be retained by the accounts.

(2) All investments made by the state investment board shall be made with the exercise of that degree of judgment and care under RCW 43.33A.140 and the investment policy established by the state investment board.

(3) As deemed appropriate by the state investment board, money in the scholarship, advanced degrees pathways, and endowment accounts may be commingled for investment with other funds subject to investment by the state investment board.

(4) Members of the state investment board shall not be considered an insurer of the funds or assets and are not liable for any action or inaction.

(5) Members of the state investment board are not liable to the state, to the fund, or to any other person as a result of their activities as members, whether ministerial or discretionary, except for willful dishonesty or intentional violations of law. The state investment board in its discretion may purchase liability insurance for members.

(6) The authority to establish all policies relating to the scholarship account, the advanced degrees pathways account, and the endowment account, other than the investment policies as provided in subsections (1) through (3) of this section, resides with the board and program administrator acting in accordance with the principles set forth in this chapter. With the exception of expenses of the state investment board in subsection (1) of this section, disbursements from the scholarship account, the advanced degrees pathways account, and the endowment account shall be made only on the authorization of the opportunity scholarship board or its designee, and moneys in the accounts may be spent only for the purposes specified in this chapter.

(7) The state investment board shall routinely consult and communicate with the board on the investment policy, earnings of the accounts, and related needs of the program.

MESSAGE FROM THE SENATE

March 2, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2177 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that:

(a) According to research from Georgetown University, by the year 2020, seventy percent of jobs in Washington state will require at least some education and training beyond high school, which aligns with Washington's educational attainment goals established under RCW 28B.77.020; and

(b) Research by the state board for community and technical colleges and other entities has found that attending college for at least one year and earning a credential results in a substantial boost in earnings for adults who enter a community college with a high school diploma or less.

(2) In addition, the legislature finds that:

(a) Rural counties face unique challenges to achieving full economic and community development in the face of societal trends that concentrate job and population growth in larger metropolitan areas. For example, seventy-five percent of the job growth in Washington by 2018 is projected to be confined to just five large counties. In addition, two-thirds of the state's recent population growth has occurred in the three largest counties and seven counties have actually lost population in recent years.

(b) One barrier to economic growth and investment in many rural counties is the lack of a trained, qualified workforce for the opportunities present in rural areas, particularly in science, technology, engineering, and mathematics (STEM) and health care fields of study. These opportunities often require specialized skills tailored for specific, regional employer needs. In many cases, employment opportunities are available in rural communities; however, some assistance is needed to help local residents acquire the skills necessary to access the opportunities in their own backyards.

(3) The legislature declares that opportunity, community vitality, quality of life, and prosperity are essential for all Washington communities. Therefore, the legislature intends to create a program to assist rural communities in growing the workforce the community needs to meet its specific industry sector demands.

Sec. 2. RCW 28B.145.020 and 2014 c 208 s 2 are each amended to read as follows:

(1) The opportunity scholarship board is created. The board consists of eleven members:

(a) Six members appointed by the governor. For three of the six appointments, the governor shall consider names from a list provided by the president of the senate and the speaker of the house of representatives; and

(b) Five foundation or business and industry representatives appointed by the governor from among the state's most productive industries such as aerospace, manufacturing, health care, information technology, engineering, agriculture, and others, as well as philanthropy. The foundation or business and industry representatives shall be selected from among nominations provided by the private sector donors to the opportunity scholarship and opportunity expansion programs. However, the governor may request, and the private sector donors shall provide, an additional list or lists from which the governor shall select these representatives.

(2) Board members shall hold their offices for a term of four years from the first day of September and until their successors are appointed. No more than the terms of two members may expire simultaneously on the last day of August in any one year.

(3) The members of the board shall elect one of the business and industry representatives to serve as chair.
(4) Seven members of the board constitute a quorum for the transaction of business. In case of a vacancy, or when an appointment is made after the date of expiration of the term, the governor or the president of the senate or the speaker of the house of representatives, depending upon which made the initial appointment to that position, shall fill the vacancy for the remainder of the term of the board member whose office has become vacant or expired.

(5) The board shall be staffed by the program administrator.

(6) The purpose of the board is to provide oversight and guidance for the opportunity expansion, the opportunity scholarship program, and the rural jobs program, in light of established legislative priorities and to fulfill the duties and responsibilities under this chapter, including but not limited to determining eligible education programs for purposes of the opportunity scholarship program and rural jobs program. Duties, exercised jointly with the program administrator, include soliciting funds and setting annual fund-raising goals.

(7) The board may report to the governor and the appropriate committees of the legislature with recommendations as to:

(a) Whether some or all of the scholarships should be changed to conditional scholarships that must be repaid in the event the participant does not complete the eligible education program; and

(b) A source or sources of funds for the opportunity expansion program in addition to the voluntary contributions of the high-technology research and development tax credit under RCW 82.32.800.

Sec. 3. RCW 28B.145.090 and 2014 c 208 s 4 are each amended to read as follows:

(1) The board may elect to have the state investment board invest the funds in the student support pathways account, the scholarship account, and the endowment account described under RCW 28B.145.030(2)(b). If the board so elects, the state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the three accounts. All investment and operating costs associated with the investment of money shall be paid under RCW 43.33A.160 and 43.84.160. With the exception of these expenses, the earnings from the investment of the money shall be retained by the accounts.

(2) All investments made by the state investment board shall be made with the exercise of that degree of judgment and care under RCW 43.33A.140 and the investment policy established by the state investment board.

(3) As deemed appropriate by the state investment board, money in the student support pathways account, scholarship account, and endowment account may be commingled for investment with other funds subject to investment by the state investment board.

(4) Members of the state investment board shall not be considered an insurer of the funds or assets and are not liable for any action or inaction.

(5) Members of the state investment board are not liable to the state, to the fund, or to any other person as a result of their activities as members, whether ministerial or discretionary, except for willful dishonesty or intentional violations of law. The state investment board in its discretion may purchase liability insurance for members.

(6) The authority to establish all policies relating to the student support pathways account, scholarship account, and endowment account, other than the investment policies as provided in subsections (1) through (3) of this section, resides with the board and program administrator acting in accordance with the principles set forth in this chapter. With the exception of expenses of the state investment board in subsection (1) of this section, disbursements from the student support pathways account, scholarship account, and endowment account shall be made only on the authorization of the opportunity scholarship board or its designee, and moneys in the accounts may be spent only for the purposes specified in this chapter.

(7) The state investment board shall routinely consult and communicate with the board on the investment policy, earnings of the accounts, and related needs of the program.
NEW SECTION. Sec. 4. A new section is added to chapter 28B.145 RCW to read as follows:

(1)(a) The rural county high employer demand jobs program is created to meet the workforce needs of business and industry in rural counties by assisting students in earning certificates, associate degrees, or other industry-recognized credentials necessary for employment in high employer demand fields.

(b) Subject to the requirements of this section, the rural jobs program provides selected students scholarship funds and support services, as determined by the board, to help students meet their eligible expenses when they enroll in a community or technical college program that prepares them for high employer demand fields.

(c) The source of funds for the rural jobs program shall be a combination of private donations, grants, and contributions and state matching funds.

(2) The program administrator has the duties and responsibilities provided under this section, including but not limited to:

(a) Publicizing the rural jobs program and conducting outreach to eligible counties;

(b) In consultation with the state board for community and technical colleges, any interested community or technical college located in an eligible county, and the county's workforce development council, identify high employer demand fields within the eligible counties. When identifying high employer demand fields, the board must consider:

(i) County-specific employer demand reports issued by the employment security department or the list of statewide high-demand programs for secondary career and technical education established under RCW 28A.700.020; and

(ii) The ability and capacity of the community and technical college to meet the needs of qualifying students and industry in the eligible county;

(c) Develop and implement an application, selection, and notification process for awarding rural jobs program scholarship funds. In making determinations on scholarship recipients, the board shall use county-specific employer high-demand data;

(d) Determine the annual scholarship fund amounts to be awarded to selected students;

(e) Distribute funds to selected students;

(f) Notify institutions of higher education of the rural jobs program recipients who will attend their institutions of higher education and inform them of the scholarship fund amounts and terms of the awards; and

(g) Establish and manage an account as provided under section 5 of this act to receive donations, grants, contributions from private sources, and state matching funds, and from which to disburse scholarship funds to selected students.

(3) To be eligible for scholarship funds under the rural jobs program, a student must:

(a) Be a resident of an eligible county or have attended and graduated from a school in an eligible school district;

(b) Be a resident student as defined in RCW 28B.15.012;

(c) Be enrolled in a community or technical college established under chapter 28B.50 RCW located in an eligible county;

(d) Be in a certificate, degree, or other industry-recognized credential or training program that has been identified by the board as a program that prepares students for a high employer demand field;

(e) Have a family income that does not exceed seventy percent of the state median family income adjusted for family size; and

(f) Demonstrate financial need according to the free application for federal student aid or the Washington application for state financial aid.

(4) To remain eligible for scholarship funds under the rural jobs program, the student must maintain a cumulative grade point average of 2.0.

(5) A scholarship award under the rural jobs program may not result in a reduction of any gift aid. Nothing in this section creates any right or entitlement.
NEW SECTION. Sec. 5. A new section is added to chapter 28B.145 RCW to read as follows:

(1) For the purposes of the rural jobs program, the program administrator shall:

(a) Jointly with the board, solicit and accept donations, grants, and contributions from private sources via direct payment, pledge agreement, or escrow account, for deposit into the student support pathways account created in this section, and set annual fund-raising goals;

(b) Establish and manage the student support pathways account to receive grants, contributions from private sources, and state matching funds, and from which to disburse scholarship funds to selected students; and

(c) Provide proof of receipt of grants and contributions from private sources to the council, identifying the amounts received by the name of the private source and date received, and whether the amounts received were deposited into the student support pathways account.

(2) The student support pathways account, whose principal may be invaded, must be created by the board from which scholarship funds will be disbursed beginning no later than the fall term of the 2020 academic year, if by that date, state matching funds have been received. Thereafter, scholarship funds shall be disbursed on an annual basis.

NEW SECTION. Sec. 6. A new section is added to chapter 28B.145 RCW to read as follows:

(1) The rural jobs program match transfer account is created in the custody of the state treasurer as a nonappropriated account to be used solely and exclusively for the rural jobs program created in section 4 of this act. The purpose of the rural jobs program match transfer account is to provide state matching funds for the rural jobs program.

(2) Revenues to the rural jobs program match transfer account shall consist of appropriations by the legislature into the rural jobs program match transfer account.

(3) No expenditures from the rural jobs program match transfer account may be made except upon receipt of proof, by the executive director of the council from the program administrator, of private contributions to the rural jobs program. Expenditures, in the form of matching funds, may not exceed the total amount of private contributions.

(4) Only the executive director of the council or the executive director's designee may authorize expenditures from the rural jobs program match transfer account. Such authorization must be made as soon as practicable following receipt of proof as required under this section.

(5)(a) The council shall enter into an appropriate agreement with the program administrator to demonstrate exchange of consideration for the matching funds.

(b) Once moneys in the rural jobs program match transfer account are subject to an agreement under this subsection and are deposited in the student support pathways account, the state acts in a fiduciary rather than ownership capacity with regard to those assets. Assets in the student support pathways account are not considered state money, common cash, or revenue to the state.

(6) The state match must not exceed one million dollars in a single fiscal biennium and must be based on donations and pledges received by the rural jobs program as of the date each official state caseload forecast is submitted by the caseload forecast council to the legislative fiscal committees, as provided under RCW 43.88C.020. Nothing in this section expands or modifies the responsibilities of the caseload forecast council.

NEW SECTION. Sec. 7. A new section is added to chapter 28B.145 RCW to read as follows:

The total amount of state matching funds for the rural jobs program shall not exceed one million dollars in a single fiscal biennium.

Sec. 8. RCW 28B.145.070 and 2014 c 208 s 7 are each amended to read as follows:

(1) Annually each December 1st, the board, together with the program administrator, shall report to the council, the governor, and the appropriate committees of the
legislature regarding the rural jobs program and opportunity scholarship and opportunity expansion programs, including but not limited to:

(a) Which education programs the board determined were eligible for purposes of the opportunity scholarship and which high employer demand fields within eligible counties were identified for purposes of the rural jobs program;

(b) The number of applicants for the opportunity scholarship and rural jobs program, disaggregated, to the extent possible, by race, ethnicity, gender, county of origin, age, and median family income;

(c) The number of participants in the opportunity scholarship program and rural jobs program, disaggregated, to the extent possible, by race, ethnicity, gender, county of origin, age, and median family income;

(e) The institutions and eligible education programs in which opportunity scholarship participants enrolled, together with data regarding participants' completion and graduation, and the institutions and programs in which recipients of the rural jobs program scholarship enrolled, together with recipients' data on completion and graduation;

(f) The total amount of private contributions and state match moneys received for the rural jobs program and the opportunity scholarship program, how the funds under the opportunity scholarship program were distributed between the student support pathways account, the scholarship account, and the endowment account, the interest or other earnings on all the accounts created under this chapter, and the amount of any administrative fee paid to the program administrator; and

(g) Identification of the programs the board selected to receive opportunity expansion awards and the amount of such awards.

(2) In the next succeeding legislative session following receipt of a report required under subsection (1) of this section, the appropriate committees of the legislature shall review the report and consider whether any legislative action is necessary with respect to the rural jobs program, the opportunity scholarship program, or the opportunity expansion program, including but not limited to consideration of whether any legislative action is necessary with respect to the nature and level of focus on high employer demand fields and the number and amount of scholarships.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.04.805 and 2013 2nd sp.s. c 10 s 3 are each amended to read as follows:

(1) The department is responsible for determining eligibility for referral for essential needs and housing support under RCW 43.185C.220. Persons eligible are persons who:

These persons must be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW. Referrals must be made at the time of application or at the time of eligibility review. This subsection may not be construed to prohibit the department from making a referral for essential needs and housing support for persons who have a substance abuse addiction who are incapacitated due to other physical or mental conditions that meet the eligibility criteria for a referral for essential needs and housing support;

(b) Persons who refuse or fail to cooperate in obtaining federal aid assistance, without good cause;

(c) Persons who refuse or fail without good cause to participate in drug or alcohol treatment if an assessment by a certified chemical dependency counselor indicates a need for such treatment. Good cause must be found to exist when a person's physical or mental condition, as determined by the department, prevents the person from participating in drug or alcohol dependency treatment, when needed outpatient drug or alcohol treatment is not available to the person in the county of his or her residence or when needed inpatient treatment is not available in a location that is reasonably accessible for the person; and

(d) Persons who are fleeing to avoid prosecution of, or to avoid custody or confinement for conviction of, a felony, or an attempt to commit a felony, under the laws of the state of Washington or the place from which the person flees; or who are violating a condition of probation, community supervision, or parole imposed under federal or state law for a felony or gross misdemeanor conviction.

(4) For purposes of determining whether a person is incapacitated from gainful employment under subsection (1) of this section:
(a) The department shall adopt by rule medical criteria for incapacity determinations to ensure that eligibility decisions are consistent with statutory requirements and are based on clear, objective medical information; and

(b) The process implementing the medical criteria must involve consideration of opinions of the treating or consulting physicians or health care professionals regarding incapacity, and any eligibility decision which rejects uncontroverted medical opinion must set forth clear and convincing reasons for doing so.

(((44))) (5) For purposes of reviewing a person's continuing eligibility and in order to remain eligible for the program, persons who have been found to have an incapacity from gainful employment must demonstrate that there has been no material improvement in their medical or mental health condition. The department may discontinue benefits when there was specific error in the prior determination that found the person eligible by reason of incapacitation.

(((44))) (6) The department must review the cases of all persons who have received benefits under the essential needs and housing support program for twelve consecutive months, and at least annually after the first review, to determine whether they are eligible for the aged, blind, or disabled assistance program.

Sec. 2. RCW 74.62.030 and 2013 2nd sp.s. c 10 s 2 are each amended to read as follows:

(1)(a) (Effective November 1, 2011,) The aged, blind, or disabled assistance program shall provide financial grants to persons in need who:

(i) Are not eligible to receive federal aid assistance, other than basic food benefits transferred electronically and medical assistance;

(B) "Blind" means statutorily blind as defined for the purpose of determining eligibility for the federal supplemental security income program.

(C) "Disabled" means likely to meet the federal supplemental security income disability standard. In making this determination, the department should give full consideration to the cumulative impact of an applicant's multiple impairments, an applicant's age, and vocational and educational history.

In determining whether a person is disabled, the department may rely on, but is not limited to, the following:

(I) A previous disability determination by the social security administration or the disability determination service entity within the department; or

(II) A determination that an individual is eligible to receive optional categorically needy medicaid as a disabled person under the federal regulations at 42 C.F.R. Parts 435, Secs. 201(a)(3) and 210.

(b) The following persons are not eligible for the aged, blind, or disabled assistance program:

(i) Persons who are not able to engage in gainful employment due primarily to alcohol or drug addiction. These persons shall be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW. Referrals shall be made at the time of application or at the time of eligibility review. This subsection may not be construed to prohibit the department from granting aged, blind, or disabled assistance benefits to alcoholics and drug addicts who are incapacitated due to other physical or mental conditions that meet the eligibility criteria for the aged, blind, or disabled assistance program; or

(ii) Persons for whom there has been a final determination of eligibility for federal supplemental security income benefits.

(c) Persons may receive aged, blind, or disabled assistance benefits and essential needs and housing program support under RCW 43.185C.220 concurrently while pending application.
for federal supplemental security income benefits. The monetary value of any aged, blind, or disabled assistance benefit that is subsequently duplicated by the person's receipt of supplemental security income for the same period shall be considered a debt due the state and shall by operation of law be subject to recovery through all available legal remedies.

(a) Are not eligible to receive federal aid assistance other than basic food benefits or medical assistance; and

(d) Not have refused or failed without good cause to participate in drug or alcohol dependency treatment, when needed outpatient drug or alcohol treatment is not available to the person in the county of his or her residence or when needed inpatient treatment is not available in a location that is reasonably accessible for the person; and

(e) Not have refused or failed to cooperate in obtaining federal aid assistance, without good cause.

(4) (Effective November 1, 2011,) Referrals for essential needs and housing support under RCW 43.185C.220 shall be provided to persons found eligible under RCW 74.04.805.

(5) No person may be considered an eligible individual for benefits under this section with respect to any month if during that month the person:

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2892 with the following amendment:

"NEW SECTION. Sec. 1. A new section is added to chapter 36.28A RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the Washington association of sheriffs and police chiefs shall develop and implement a mental health field response grant program. The purpose of the program is to assist local law enforcement agencies to establish and expand mental health field response capabilities, utilizing mental health professionals to professionally, humanely, and safely respond to crises involving persons with behavioral health issues with treatment, diversion, and reduced incarceration time as primary goals. A portion of the grant funds may also be used to develop data management capability to support the program.

(2) Grants must be awarded to local law enforcement agencies based on locally developed proposals to incorporate mental health professionals into the agencies' mental health field response planning and response. Two or more agencies may submit a joint grant proposal to develop their mental health
field response proposals. Proposals must provide a plan for improving mental health field response and diversion from incarceration through modifying or expanding law enforcement practices in partnership with mental health professionals. A peer review panel appointed by the Washington association of sheriffs and police chiefs in consultation with integrated managed care organizations and behavioral health organizations must review the grant applications. Once the Washington association of sheriffs and police chiefs certifies that the application satisfies the proposal criteria, the grant funds will be distributed. To the extent possible, at least one grant recipient agency should be from the east side of the state and one from the west side of the state with the crest of the Cascades being the dividing line. The Washington association of sheriffs and police chiefs shall make every effort to fund at least eight grants per fiscal year with funding provided for this purpose from all allowable sources under this section. The Washington association of sheriffs and police chiefs may prioritize grant applications that include local matching funds. Grant recipients must be selected and receiving funds no later than October 1, 2018.

(3) Grant recipients must include at least one mental health professional who will perform professional services under the plan. A mental health professional may assist patrolling officers in the field or in an on-call capacity, provide preventive, follow-up, training on mental health field response best practices, or other services at the direction of the local law enforcement agency. Nothing in this subsection (3) limits the mental health professional's participation to field patrol. Grant recipients are encouraged to coordinate with local public safety answering points to maximize the goals of the program.

(4) Within existing resources, the Washington association of sheriffs and police chiefs shall:

(a) Consult with the department of social and health services research and data analysis unit to establish data collection and reporting guidelines for grant recipients. The data will be used to study and evaluate whether the use of mental health field response programs improves outcomes of interactions with persons experiencing behavioral health crises, including reducing rates of violence and harm, reduced arrests, and jail or emergency room usage;

(b) Consult with the department of social and health services behavioral health administration and the managed care system to develop requirements for participating mental health professionals; and

(c) Coordinate with public safety answering points, behavioral health, and the department of social and health services to develop and incorporate telephone triage criteria or dispatch protocols to assist with mental health, law enforcement, and emergency medical responses involving mental health situations.

(5) The Washington association of sheriffs and police chiefs shall submit an annual report to the governor and appropriate committees of the legislature on the program. The report must include information on grant recipients, use of funds, participation of mental health professionals, and feedback from the grant recipients by December 1st of each year the program is funded.

(6) Grant recipients shall develop and provide or arrange for training necessary for mental health professionals to operate successfully and competently in partnership with law enforcement agencies. The training must provide the professionals with a working knowledge of law enforcement procedures and tools sufficient to provide for the safety of the professionals, partnered law enforcement officers, and members of the public.

(7) Nothing in this section prohibits the Washington association of sheriffs and police chiefs from soliciting or accepting private funds to support the program created in this section."

(1) The department ((shall)) must work with the ((departments of natural resources, transportation, social and health services, corrections, and general administration)) designated agencies to identify (((and))) catalog and recommend best use of under-utilized, state-owned land and property suitable for the development of affordable housing for very low-income, low-income or moderate-income households. The designated agencies must provide an inventory of real property that is owned or administered by each agency and is vacant or available for lease or sale. The department must work with the designated agencies to include in the inventories a consolidated list of any property transactions executed by the agencies under the authority of section 3 of this act, including the property appraisal, the terms and conditions of sale, lease, or transfer, the value of the public benefit, and the impact of transaction to the agency. The inventories ((shall)) with revisions must be provided to the department by November 1st of each year.

(2) The department must consolidate inventories into two groups: Properties suitable for consideration in affordable housing development; and properties not suitable for consideration in affordable housing development. In making this determination, the department must use industry accepted standards such as: Location, approximate lot size, current land use designation, and current zoning classification of the property. The department shall provide a recommendation, based on this grouping, to the office of financial management and appropriate policy and fiscal committees of the legislature by December 1st of each year.

(3) Upon written request, the department shall provide a copy of the inventory of state-owned and publicly owned lands and buildings to parties interested in developing the sites for affordable housing.

(a) All other state agencies;

(b) Each federal agency operating within the state; and

(2) The state agency must dispose of the property, for continued public benefit as defined in section 3 of this act, to any governmental entity responding within the notification period, upon mutual agreement reached within a reasonable time period after the response is received. Priority must be given to state agencies. The disposition may be for any terms and conditions agreed upon by the proper authorities of each party, in accordance with RCW 39.33.010, except where the disposition at fair market value is required by law.

(3) The requirements of this section are in addition and supplemental to other requirements of the laws of this state.

(4) For purposes of this section, "disposition" means the sale, exchange, or other action resulting in a transfer of ownership.

NEW SECTION. Sec. 3. A new section is added to chapter 39.33 RCW to read as follows:

(1) Any state agency, municipality, or political subdivision, with authority to dispose of surplus public property, may transfer, lease, or other disposal of such property for a public benefit purpose, consistent with and subject to this section. Any such transfer, lease, or other disposal may be made to a public, private, or nongovernmental body on any mutually agreeable terms and conditions, including a no cost transfer, subject to and consistent with this section. Consideration must include appraisal costs, debt service, all closing costs, and any other liabilities to the agency, municipality, or political subdivision. However, the property may not be so transferred, leased, or disposed of if such transfer, lease, or disposal would violate any bond covenant or encumber or impair any contract.

(2) A deed, lease, or other instrument transferring or conveying property pursuant to subsection (1) of this section must include:

(a) A covenant or other requirement that the property shall be used for the designated public benefit purpose; and

(b) Remedies that apply if the recipient of the property fails to use it for the designated public purpose or ceases to use it for such purpose.

(3) To implement the authority granted by this section, the governing body or legislative authority of a municipality or political subdivision must enact rules to regulate the disposition of property for public benefit purposes. Any transfer, lease, or other disposition of property authorized under this section must be consistent with existing locally adopted comprehensive plans as described in RCW 36.70A.070.

(4) This section is deemed to provide a discretionary alternative method for the doing of the things authorized herein, and shall not be construed as imposing any additional condition upon the exercise of any other powers vested in any state agency, municipality, or political subdivision.

(5) No transfer, lease, or other disposition of property for public benefit purposes made pursuant to any other provision of law prior to the effective date of this section may be construed to be invalid solely because the parties thereto did not comply with the procedures of this section.

(6) The transfer at no cost, lease, or other disposal of surplus real property for public benefit purposes is deemed a lawful purpose of any state agency, municipality, or political subdivision, for which accounts are kept on an enterprise fund or equivalent basis, regardless of the primary purpose or function of such agency.

(7) This section does not apply to the sale or transfer of any state forestlands, any state lands or property granted to the state by the federal government for the purposes of common schools or education, or subject to a legal restriction that would be violated by compliance with this section.

(8) For purposes of this section:

(a) "Public benefit" means affordable housing for low-income and very low-income households as defined in RCW 43.63A.510, and related facilities that support the goals of affordable housing development in providing economic and social stability for low-income persons; and

(b) "Surplus public property" means excess real property that is not required for the needs of or the discharge of the responsibilities of the state agency, municipality, or political subdivision.

Sec. 4. RCW 35.94.040 and 1973 1st ex.s. c 95 s 1 are each amended to read as follows:

(1) Whenever a city shall determine, by resolution of its legislative authority, that any lands, property, or equipment originally acquired for public utility purposes is surplus to the city’s needs and is not required for providing continued public utility service, then such legislative authority by resolution and after a public hearing may cause such lands, property, or equipment to be leased, sold, or conveyed. Such resolution shall state the fair market value or the rent or consideration to be paid and such other terms and conditions for such disposition as the legislative
authority deems to be in the best public interest.

(2) The provisions of RCW 35.94.020 and 35.94.030 shall not apply to dispositions authorized by this section.

(3) This section does not apply to property transferred, leased, or otherwise disposed in accordance with section 3 of this act.

Sec. 5. RCW 43.09.210 and 2000 c 183 s 2 are each amended to read as follows:

(1) Separate accounts shall be kept for every appropriation or fund of a taxing or legislative body showing date and manner of each payment made therefrom, the name, address, and vocation of each person, organization, corporation, or association to whom paid, and for what purpose paid.

(2) Separate accounts shall be kept for each department, public improvement, undertaking, institution, and public service industry under the jurisdiction of every taxing body.

(3) All service rendered by, or property transferred from, one department, public improvement, undertaking, institution, or public service industry to another, shall be paid for at its true and full value by the department, public improvement, undertaking, institution, or public service industry receiving the same, and no department, public improvement, undertaking, institution, or public service industry shall benefit in any financial manner whatever by an appropriation or fund made for the support of another.

(4) All unexpended balances of appropriations shall be transferred to the fund from which appropriated, whenever the account with an appropriation is closed.

(5) This section does not apply to:

(a) Agency surplus personal property handled under RCW 43.19.1919(4)(e); or

(b) The transfer, lease, or other disposal of surplus property for public benefit purposes, as provided under section 3 of this act.

Sec. 6. RCW 43.43.115 and 1993 c 438 s 1 are each amended to read as follows:

Whenever real property owned by the state of Washington and under the jurisdiction of the Washington state patrol is no longer required, it may be sold at fair market value, or otherwise disposed as permitted under section 3 of this act. Any such sale or disposal must be in accordance with RCW 43.17.400. All proceeds received from the sale of real property, less any real estate broker commissions up to four percent of the sale price, shall be deposited into the state patrol highway account: PROVIDED, That if accounts or funds other than the state patrol highway account have contributed to the purchase or improvement of the real property, the office of financial management shall determine the proportional equity of each account or fund in the property and improvements, and shall direct the proceeds to be deposited proportionally therein.

Sec. 7. RCW 43.82.010 and 2015 c 99 s 1 are each amended to read as follows:

(1) The director of enterprise services, on behalf of the agency involved and after consultation with the office of financial management, shall purchase, lease, lease purchase, rent, or otherwise acquire all real estate, improved or unimproved, as may be required by elected state officials, institutions, departments, commissions, boards, and other state agencies, or federal agencies where joint state and federal activities are undertaken and may grant easements and transfer, exchange, sell, lease, or sublease all or part of any surplus real estate for those state agencies which do not otherwise have the specific authority to dispose of real estate. Any such transfer, exchange, or sale must comply with RCW 43.17.400, and may be made in accordance with section 3 of this act. This section does not transfer financial liability for the acquired property to the department of enterprise services.

(2) Except for real estate occupied by federal agencies, the director shall determine the location, size, and design of any real estate or improvements thereon acquired or held pursuant to subsection (1) of this section. Facilities acquired or held pursuant to this chapter, and any improvements thereon, shall conform to standards adopted by the director and approved by the office of financial management
governing facility efficiency unless a specific exemption from such standards is provided by the director of enterprise services. The director of enterprise services shall report to the office of financial management and the appropriate committees of the legislature annually on any exemptions granted pursuant to this subsection.

(3) Except for leases permitted under subsection (4) of this section, the director of enterprise services may fix the terms and conditions of each lease entered into under this chapter, except that no lease shall extend greater than twenty years in duration. The director of enterprise services may enter into a long-term lease greater than ten years in duration upon a determination by the director of the office of financial management that the long-term lease provides a more favorable rate than would otherwise be available, it appears to a substantial certainty that the facility is necessary for use by the state for the full length of the lease term, and the facility meets the standards adopted pursuant to subsection (2) of this section. The director of enterprise services may enter into a long-term lease greater than ten years in duration if an analysis shows that the life-cycle cost of leasing the facility is less than the life-cycle cost of purchasing or constructing a facility in lieu of leasing the facility.

(4) The director of enterprise services may fix the terms of leases for property under the department of enterprise services' control at the former Northern State Hospital site for up to sixty years.

(5) Except as permitted under chapter 39.94 RCW, no lease for or on behalf of any state agency may be used or referred to as collateral or security for the payment of securities offered for sale through a public offering. Except as permitted under chapter 39.94 RCW, no lease for or on behalf of any state agency may be used or referred to as collateral or security for the payment of securities offered for sale through a private placement without the prior written approval of the state treasurer. However, this limitation shall not prevent a lessor from assigning or encumbering its interest in a lease as security for the repayment of a promissory note provided that the transaction would otherwise be an exempt transaction under RCW 21.20.320. The state treasurer shall adopt rules that establish the criteria under which any such approval may be granted. In establishing such criteria the state treasurer shall give primary consideration to the protection of the state's credit rating and the integrity of the state's debt management program. If it appears to the state treasurer that any lease has been used or referred to in violation of this subsection or rules adopted under this subsection, then he or she may recommend that the governor cause such lease to be terminated. The department of enterprise services shall promptly notify the state treasurer whenever it may appear to the department that any lease has been used or referred to in violation of this subsection or rules adopted under this subsection.

(6) It is the policy of the state to encourage the colocation and consolidation of state services into single or adjacent facilities, whenever appropriate, to improve public service delivery, minimize duplication of facilities, increase efficiency of operations, and promote sound growth management planning.

(7) The director of enterprise services shall provide coordinated long-range planning services to identify and evaluate opportunities for coloacting and consolidating state facilities. Upon the renewal of any lease, the inception of a new lease, or the purchase of a facility, the director of enterprise services shall determine whether an opportunity exists for coloacting the agency or agencies in a single facility with other agencies located in the same geographic area. If a coloaction opportunity exists, the director of enterprise services shall consult with the affected state agencies and the office of financial management to evaluate the impact coloaction would have on the cost and delivery of agency programs, including whether program delivery would be enhanced due to the centralization of services. The director of enterprise services, in consultation with the office of financial management, shall develop procedures for implementing coloaction and consolidation of state facilities.

(8) The director of enterprise services is authorized to purchase, lease, rent, or otherwise acquire improved or unimproved real estate as
owner or lessee and to lease or sublet all or a part of such real estate to state or federal agencies. The director of enterprise services shall charge each using agency its proportionate rental which shall include an amount sufficient to pay all costs, including, but not limited to, those for utilities, janitorial and accounting services, and sufficient to provide for contingencies; which shall not exceed five percent of the average annual rental, to meet unforeseen expenses incident to management of the real estate.

(9) If the director of enterprise services determines that it is necessary or advisable to undertake any work, construction, alteration, repair, or improvement on any real estate acquired pursuant to subsection (1) or (8) of this section, the director shall cause plans and specifications thereof and an estimate of the cost of such work to be made and filed in his or her office and the state agency benefiting thereby is hereby authorized to pay for such work out of any available funds: PROVIDED, That the cost of executing such work shall not exceed the sum of twenty-five thousand dollars. Work, construction, alteration, repair, or improvement in excess of twenty-five thousand dollars, other than that done by the owner of the property if other than the state, shall be performed in accordance with the public works law of this state.

(10) In order to obtain maximum utilization of space, the director of enterprise services shall make space utilization studies, and shall establish standards for use of space by state agencies. Such studies shall include the identification of opportunities for colocation and consolidation of state agency office and support facilities.

(11) The director of enterprise services may construct new buildings on, or improve existing facilities, and furnish and equip, all real estate under his or her management. Prior to the construction of new buildings or major improvements to existing facilities or acquisition of facilities using a lease purchase contract, the director of enterprise services shall conduct an evaluation of the facility design and budget using life-cycle cost analysis, value-engineering, and other techniques to maximize the long-term effectiveness and efficiency of the facility or improvement.

(12) All conveyances and contracts to purchase, lease, rent, transfer, exchange, or sell real estate and to grant and accept easements shall be approved as to form by the attorney general, signed by the director of enterprise services or the director's designee, and recorded with the county auditor of the county in which the property is located.

(13) The director of enterprise services may delegate any or all of the functions specified in this section to any agency upon such terms and conditions as the director deems advisable. By January 1st of each year, beginning January 1, 2008, the department shall submit an annual report to the office of the governor and the appropriate committees of the legislature on all delegated leases.

(14) This section does not apply to the acquisition of real estate by:

(b) Burning must be conducted under the supervision of the city or town fire department or other local fire officials and in consultation with the department of agriculture and the department of ecology or an air pollution control authority, as applicable;

(c) Burning must not be conducted more than four times per calendar year; and

(2) The department and the department of agriculture are directed to submit to the appropriate policy committees of the legislature no later than November 1, 2018, a report that addresses the available options for the processing and disposal of municipal yard waste generated in areas subject to the apple maggot quarantine, including:

A special permit is not required for the introduction or release within the state of a genetically engineered plant or plant pest organism if the introduction or release has been approved under provisions of federal law and the department has been notified of the planned introduction or release. The department shall be the sole issuing agency for the permits. Except for research projects approved by the department, no permit for a biological control agent shall be issued unless the department has determined that the parasite, predator, or plant pathogen is target organism or plant specific and not likely to become a pest of nontarget plants or other beneficial organisms. The director may also exclude biological control agents that are infested with parasites determined to be detrimental to the biological control efforts of the state. The department may rely upon findings of the United States department of agriculture or any experts that the director may deem appropriate in making a determination about the threat posed by such organisms. In addition, the director may request confidential business information subject to the conditions in RCW 17.24.061.

(2) Plant pests, noxious weeds, or other organisms introduced into or released within this state in violation of this section shall be subject to detention and disposition as otherwise provided in this chapter.

(3) Upon the request of a city or town that is located partially inside a quarantine area for apple maggot established by the department, the department may issue a special transit permit for the limited purpose of transporting brush and yard waste or debris generated within the city or town through a pest free area to a destination located inside a quarantine area for apple maggot established by the department, subject to conditions and provisions which the director may prescribe to prevent introduction, escape, or spread of the quarantined pests."

MESSAGE FROM THE SENATE

March 1, 2018

Mr. Speaker:
The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1439 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) In 2016, the student achievement council contracted with the William D. Ruckelshaus center to conduct a two-part study analyzing the system of for-profit degree-granting institutions and private vocational schools in Washington. The Ruckelshaus center issued its first report in December 2016, followed by facilitated discussions amongst agencies and stakeholders that resulted in a second report issued in 2017. This act incorporates some of the findings and recommendations from the first phase of the report, including the benefits of ensuring that recruitment advertising and materials are consistent with state and federal verified data. In addition, this act incorporates findings regarding the need for a single student complaint portal and for agencies to have timely access to trust funds for tuition recovery and other methods of responding when schools close. This act also authorizes the second part of the study, as recommended by the center, that will include discussions of agency jurisdiction and consistency and how to improve the agencies’ abilities to respond to school closures.

(2) The legislature finds that there are many private for-profit and nonprofit career colleges and degree-granting institutions providing Washington state residents with important postsecondary and career opportunities that contribute to the economic security of Washington residents and aid in meeting the needs of our state's growing economy. The legislature also recognizes that there have been high profile closures of, or federal and other state determinations regarding, some for-profit or formerly for-profit institutions that have damaged the reputation of the sector and impacted the expectations and financial stability of some students. It is the legislature's intent to provide a framework to ensure a level playing field exists for the many institutions that provide disclosures to prospective students based on verifiable metrics, which allow prospective students to be able to make the best decisions on school and career choices and on financial aid and loans to finance their educational goals. The legislature also intends to ensure that students are provided the information they need to make the best decisions for their educational future and careers in event of closure or potential closure of an institution. In addition, the legislature intends to protect the state's interest in the integrity of its grant and aid programs, from private decisions to close schools or programs under circumstances that may prevent students from obtaining the degree or certificate and career services that the students expected upon enrollment.

"NEW SECTION. Sec. 2. (1) Subject to the availability of amounts appropriated for this specific purpose, up to seventy-five thousand dollars, the student achievement council must continue administering the two-part study of for-profit degree-granting institutions and private vocational schools that was authorized under section 609, chapter 36, Laws of 2016 sp. sess.

(2) As part of the second part of the process, the study must contain findings and recommendations regarding the creation of an ombuds to serve students of degree-granting institutions and private vocational schools, including a recommendation on which state agency should house the position, and if there are other ombuds positions created by the legislature that can serve these students. The study must also contain recommendations on strengthening agencies' abilities to respond to, and protect student consumers from, school closures. Recommendations on agency responses include the use of trust funds and surety bonds for tuition recovery and other related losses.

(3) The student achievement council and the workforce training and education coordinating board must provide a report on the study to the legislature by December 31, 2018.

Sec. 3. RCW 28B.85.090 and 2012 c 229 s 550 are each amended to read as follows:

(1) Complaints may be filed with the council under this chapter by a person claiming loss of tuition or fees as a result of an unfair business practice
((may file a complaint with the council)). The complaint shall set forth the alleged violation and shall contain information required by the council. A complaint may also be filed with the council by an authorized staff member of the council or by the attorney general.

(2) The council shall investigate any complaint under this section and may attempt to bring about a settlement. The council may hold a hearing pursuant to the Administrative Procedure Act, chapter 34.05 RCW, in order to determine whether a violation has occurred. If the council prevails, the degree-granting institution shall pay the costs of the administrative hearing.

(3) If, after the hearing, the council finds that the institution or its agent engaged in or is engaging in any unfair business practice, the council shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties under RCW 28B.85.100 and section 4 of this act. If the council finds that the complainant has suffered loss as a result of the act or practice, the council may order full or partial restitution for the loss. The complainant is not bound by the council's determination of restitution and may pursue any other legal remedy.

NEW SECTION. Sec. 4. A new section is added to chapter 28B.85 RCW to read as follows:

(1) The council may deny, revoke, or suspend the authorization of any degree-granting institution authorized to operate under this chapter that is found to be in violation of this chapter.

(b) The council may not delegate to any other state its authority to oversee and enforce compliance with this chapter or its authority to respond to complaints by students in this state, regardless of whether the institution is authorized by, or has its home in, another state. Under RCW 28B.85.020(1)(c), participation in interstate reciprocity agreements consistent with the purposes of this chapter does not delegate authority for compliance with this chapter or authority to respond to student complaints.

(2) It is a violation of this chapter for a degree-granting institution authorized to operate under this chapter or an agent employed by such a degree-granting institution to:

(a) Provide prospective students with any testimonial, endorsement, or other information that a reasonable person would find was likely to mislead or deceive prospective students or the public regarding current practices of the school, current conditions for employment opportunities, postgraduation employment by industry, or probable earnings in the occupation for which the education was designed, the likelihood of obtaining financial aid or low-interest loans for tuition, or the ability of graduates to repay loans;

(b) Use any official United States military logo in advertising or promotional materials; or

(c) Violate the provision of section 5(1)(b) of this act regarding the sale of, or inducing of students to obtain, specific consumer student loan products.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.85 RCW to read as follows:

(1) A degree-granting institution authorized to operate under this chapter must:

(a) Present data about its completion rates, employment rates, loan or indebtedness metrics, or its graduates' median hourly and annual earnings, the posted data consistent with the data posted on the workforce training and education coordinating board's career bridge web site or the data posted by the United States department of education, if the board or the department of education has posted such data;

(b) Not engage in any practice regarding the sale of, or inducing of students to obtain, specific consumer student loan products to fund education that financially benefits any person or entity that has an ownership interest in the institution, unless the institution can demonstrate to the council that the student has exhausted all federal aid options and has been denied noninstitutional private commercial loan products. The prohibition in this subsection (1)(b) applies to any degree-granting institution authorized to operate under this chapter, and any agent of the institution, that has at least one hundred fifty students or more enrolled in the state in any given year or that
has been operating in the state for less than two consecutive years. A financial benefit for purposes of this subsection (1)(b) does not include merely having an interest in students with loans enrolling in the institution or assisting students with financial aid matters. For purposes of this subsection (1)(b), "agent" means any employee, officer, or contractor working on behalf of the institution; and

(c) Disclose to the council regarding any pending investigations by an oversight entity, including the nature of that investigation, within thirty days of the degree-granting institution's first knowledge of the investigation. For the purposes of this subsection, "investigation" means any inquiry into possible violations of any applicable laws or accreditation standards. For the purposes of this subsection, "oversight entity" means all of the following:

(i) Any federal or state entity that provides financial aid to students of the institution or approves the institution for participation in a financial aid program;

(ii) Any state or federal attorney general's office or department of justice;

(iii) Any regulator that approves the operation of the private vocational school;

(iv) The federal consumer financial protection bureau or the federal securities and exchange commission; and

(v) Any accrediting agency.

(2) A violation of any provision of this section is also a violation of RCW 19.86.020 of the consumer protection act. The penalties authorized pursuant to subsection (1) of this section do not preclude remedies available under the provisions of the consumer protection act.

Sec. 6. RCW 28C.10.050 and 2014 c 11 s 2 are each amended to read as follows:

(1) The agency shall adopt by rule minimum standards for entities operating private vocational schools. The minimum standards shall include, but not be limited to, requirements to assess whether a private vocational school is eligible to obtain and maintain a license in this state.

(2) The requirements adopted by the agency shall, at a minimum, require a private vocational school to:

(a) Disclose to the agency information about its ownership and financial position and ((4))) demonstrate to the agency that the school is financially viable and responsible and that it has sufficient financial resources to fulfill its commitments to students. Financial disclosures provided to the agency shall not be subject to public disclosure under chapter 42.56 RCW;

(b) Follow a uniform statewide cancellation and refund policy as specified by the agency;

(c) Disclose through use of a school catalog, web site, brochure, or other written material, necessary information to students so that students may make informed enrollment decisions. The agency shall specify what data and information (((4))) are required. To the extent that these web sites or materials present any data on the completion rates, employment rates, loan or indebtedness metrics, and its graduates' median hourly and annual earnings for any of the private vocational schools or its programs, the posted data must be consistent with the data posted on the agency's career bridge web site or the data posted by the United States department of education, if the agency or the department of education has posted such data. Nothing in this subsection requires the agency to make changes to the career bridge web site or add new elements or features to the career bridge web site;

(d) Use an enrollment contract or agreement that includes: (i) The school's cancellation and refund policy, (ii) a brief statement that the school is licensed under this chapter and that inquiries, concerns, or complaints may be made to the agency, and (iii) other necessary information as determined by the agency;

(e) Describe accurately and completely in writing to students before their enrollment prerequisites and requirements for (i) completing successfully the programs of study in which they are interested and (ii) qualifying for the fields of employment for which their education is designed;

(f) Comply with the requirements of RCW 28C.10.084;
(g) Assess the basic skills and relevant aptitudes of each potential student to determine that a potential student has the basic skills and relevant aptitudes necessary to complete and benefit from the program in which the student plans to enroll, including but not limited to administering a United States department of education-approved English as a second language exam before enrolling students for whom English is a second language unless the students provide proof of graduation from a United States high school or proof of completion of a high school equivalency certificate as provided in RCW 28B.50.536 in English or results of another academic assessment determined appropriate by the agency. Guidelines for such assessments shall be developed by the agency, in consultation with the schools;

(h) Discuss with each potential student the potential student's obligations in signing any enrollment contract and/or incurring any debt for educational purposes. The discussion shall include the inadvisability of acquiring an excessive educational debt burden that will be difficult to repay given employment opportunities and average starting salaries in the potential student's chosen occupation;

(i) Ensure that any enrollment contract between the private vocational school and its students has an attachment in a format provided by the agency. The attachment shall be signed by both the school and the student. The attachment shall stipulate that the school has complied with (h) of this subsection and that the student understands and accepts his or her responsibilities in signing any enrollment contract or debt application. The attachment shall also stipulate that the enrollment contract shall not be binding for at least five days, excluding Sundays and holidays, following signature of the enrollment contract by both parties; ((amended))

(j) Comply with the requirements related to qualifications of administrators and instructors; and

(k) Disclose to the agency regarding any pending investigations by an oversight entity, including the nature of that investigation, within thirty days of the school's first knowledge of the investigation. For the purposes of this subsection, "investigation" means any inquiry into possible violations of any applicable laws or accreditation standards. For the purposes of this subsection, "oversight entity" means all of the following:

(i) Any federal or state entity that provides financial aid to students of the institution or approves the school for participation in a financial aid program;

(ii) Any state or federal attorney general's office or department of justice;

(iii) Any regulator that approves the operation of the private vocational school;

(iv) The federal consumer financial protection bureau or the federal securities and exchange commission; and

(v) Any accrediting agency.

(3) A private vocational school that has at least one hundred fifty students or more in the state during any given year, or that has been operating in the state for less than two consecutive years, or that has not had at least one of its programs recognized by the agency as an eligible training provider for at least two consecutive years, may not engage in any practice regarding the sale of, or inducing of students to obtain, specific consumer student loan products to fund education that financially benefits any person or entity that has an ownership interest in the institution, unless the institution can demonstrate to the agency that the student has exhausted all federal aid options and has been denied noninstitutional private commercial loan products. A financial benefit for purposes of this subsection does not include merely having an interest in students with loans enrolling in the institution or assisting students with financial aid matters. For purposes of this subsection, "agent" means any employee, officer, or contractor working on behalf of the institution.

(4) The agency may deny a private vocational school's application for licensure if the school fails to meet the requirements in this section.

((4))) (5) The agency may determine that a licensed private vocational school or a particular program of a private vocational school is at risk of closure or termination if:

(a) There is a pattern or history of substantiated student complaints filed with the agency pursuant to RCW 28C.10.120; or
(b) The private vocational school fails to meet minimum licensing requirements and has a pattern or history of failing to meet the minimum requirements.

((5))) (6) If the agency determines that a private vocational school or a particular program is at risk of closure or termination, the agency shall require the school to take corrective action.

Sec. 7. RCW 28C.10.110 and 2014 c 11 s 6 are each amended to read as follows:

(1) It is a violation of this chapter for an entity operating a private vocational school to engage in an unfair business practice. The agency may deny, revoke, or suspend the license of any entity that is found to have engaged in a substantial number of unfair business practices or that has engaged in significant unfair business practices.

(2) It is an unfair business practice for an entity operating a private vocational school or an agent employed by a private vocational school to:

(a) Fail to comply with the terms of a student enrollment contract or agreement;

He or she shall receive all fines, penalties, and fees of every kind and keep a full, accurate, and detailed account of the same. The chief clerk shall on each day pay into the city treasury all money received for the city during the day previous, with a detailed account of the same, and taking the treasurer's receipt therefor.

(2) Except as provided in RCW 9A.88.120 and 10.99.080, the city treasurer shall remit monthly thirty-two percent of the noninterest money received under this section, other than for parking infractions and certain costs to the state treasurer. "Certain costs" as used in this subsection, means those costs awarded to prevailing parties in civil actions under RCW 4.84.010 or 36.18.040, or those costs awarded against convicted defendants in criminal actions under RCW 10.01.160, 10.46.190, or 36.18.040, or other similar statutes if such costs are specifically designated as costs by the court and are awarded for the specific reimbursement of costs incurred by the state, county, city, or town in the prosecution of the case, including the fees of defense counsel. Money remitted under this subsection to the state treasurer shall be deposited in the state general fund.

(3) The balance of the noninterest money received under this section shall be retained by the city and deposited as provided by law.

(4)(a) Except as provided in (b) of this subsection, penalties, fines, bail forfeitures, fees, and costs may accrue interest at the rate of twelve percent per annum, upon assignment to a collection agency. Interest may accrue only while the case is in collection status.

(b) As of the effective date of this section, penalties, fines, bail forfeitures, fees, and costs imposed against a defendant in a criminal proceeding shall not accrue interest.

(5) Interest retained by the court on penalties, fines, bail forfeitures, fees, and costs imposed against a defendant in a criminal proceeding shall not accrue interest.

Sec. 6. RCW 10.01.160 and 2015 3rd sp.s. c 35 s 1 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, the court may require a defendant to pay costs. Costs may be imposed only upon a convicted defendant, except for costs imposed upon a defendant's entry into a deferred prosecution program, costs imposed upon a defendant for pretrial supervision, or costs imposed upon a defendant for preparing and serving a warrant for failure to appear.

(2) Costs shall be limited to expenses specially incurred by the state in prosecuting the defendant or in administering the deferred prosecution program under chapter 10.05 RCW or pretrial supervision. They cannot include expenses inherent in providing a constitutionally guaranteed jury trial or expenditures in connection with the maintenance and operation of government agencies that must be made by the public irrespective of specific violations of law. Expenses incurred for serving of warrants for failure to appear and jury fees under RCW 10.46.190 may be included in costs the court may require a defendant to pay. Costs for administering a deferred prosecution may not exceed two hundred fifty dollars. Costs for administering a pretrial supervision other than a pretrial electronic alcohol monitoring program, drug monitoring program, or 24/7 sobriety program may not exceed one hundred fifty dollars. Costs for preparing and serving a warrant for failure to appear may not exceed one...
hundred dollars. Costs of incarceration imposed on a defendant convicted of a misdemeanor or a gross misdemeanor may not exceed the actual cost of incarceration. In no case may the court require the offender to pay more than one hundred dollars per day for the cost of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision take precedence over the payment of the cost of incarceration ordered by the court. All funds received from defendants for the cost of incarceration in the county or city jail must be remitted for criminal justice purposes to the county or city that is responsible for the defendant's jail costs. Costs imposed constitute a judgment against a defendant and survive a dismissal of the underlying action against the defendant. However, if the defendant is acquitted on the underlying action, the costs for preparing and serving a warrant for failure to appear do not survive the acquittal, and the judgment that such costs would otherwise constitute shall be vacated.

(3) The court shall not order a defendant to pay costs ((unless)) if the defendant ((is or will be able to pay them)) at the time of sentencing is indigent as defined in RCW 10.101.010(3) (a) through (c). In determining the amount and method of payment of costs for defendants who are not indigent as defined in RCW 10.101.010(3) (a) through (c), the court shall take account of the financial resources of the defendant and the nature of the burden that payment of costs will impose.

(4) A defendant who has been ordered to pay costs and who is not in contumacious default in the payment thereof may at any time after release from total confinement petition the sentencing court for remission of the payment of costs or of any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may remit all or part of the amount due in costs, ((ee)) modify the method of payment under RCW 10.01.170, or convert the unpaid costs to community restitution hours, if the jurisdiction operates a community restitution program, at the rate of no less than the state minimum wage established in RCW 49.46.020 for each hour of community restitution.

Manifest hardship exists where the defendant is indigent as defined in RCW 10.101.010(3) (a) through (c).

(5) Except for direct costs relating to evaluating and reporting to the court, prosecutor, or defense counsel regarding a defendant's competency to stand trial as provided in RCW 10.77.060, this section shall not apply to costs related to medical or mental health treatment or services a defendant receives while in custody of the secretary of the department of social and health services or other governmental units. This section shall not prevent the secretary of the department of social and health services or other governmental units from imposing liability and seeking reimbursement from a defendant committed to an appropriate facility as provided in RCW 10.77.084 while criminal proceedings are stayed. This section shall also not prevent governmental units from imposing liability on defendants for costs related to providing medical or mental health treatment while the defendant is in the governmental unit's custody. Medical or mental health treatment and services a defendant receives at a state hospital or other facility are not a cost of prosecution and shall be recoverable under RCW 10.77.250 and 70.48.130, chapter 43.20B RCW, and any other applicable statute.

Sec. 7. RCW 10.01.170 and 1975-'76 2nd ex.s. c 96 s 2 are each amended to read as follows:

(1) When a defendant is sentenced to pay ((a)) fines, penalties, assessments, fees, restitution, or costs, the court may grant permission for payment to be made within a specified period of time or in specified installments. If the court finds that the defendant is indigent as defined in RCW 10.101.010(3) (a) through (c), the court shall take account of the financial resources of the defendant and the nature of the burden that payment of costs will impose.

(2) An offender's monthly payment shall be applied in the following order of priority until satisfied:

(a) First, proportionally to restitution to victims that have not been fully compensated from other sources;
(b) Second, proportionally to restitution to insurance or other sources with respect to a loss that has provided compensation to victims;

(c) Third, proportionally to crime victims' assessments; and

(d) Fourth, proportionally to costs, fines, and other assessments required by law.

Sec. 8. RCW 10.01.180 and 2010 c 8 s 1006 are each amended to read as follows:

(1) A defendant sentenced to pay any fine, penalty, assessment, fee, or costs who willfully defaults in the payment thereof or of any installment is in contempt of court as provided in chapter 7.21 RCW. The court may issue a warrant of arrest for his or her appearance.

(2) When any fine, penalty, assessment, fee, or assessment of costs is imposed on a corporation or unincorporated association, it is the duty of the person authorized to make disbursement from the assets of the corporation or association to pay the obligation from those assets, and his or her failure to do so may be held to be contempt.

(3)(a) The court shall not sanction a defendant for contempt based on failure to pay fines, penalties, assessments, fees, or costs unless the court finds, after a hearing and on the record, that the failure to pay is willful. A failure to pay is willful if the defendant has the current ability to pay but refuses to do so.

(b) In determining whether the defendant has the current ability to pay, the court shall inquire into and consider: (i) The defendant's income and assets; (ii) the defendant's basic living costs as defined by RCW 10.101.010 and other liabilities including child support and other legal financial obligations; and (iii) the defendant's bona fide efforts to acquire additional resources. A defendant who is indigent as defined by RCW 10.101.010(3) (a) through (c) is presumed to lack the current ability to pay.

(c) If the court determines that the defendant is homeless or a person who is mentally ill, as defined in RCW 71.24.025, failure to pay a legal financial obligation is not willful contempt and shall not subject the defendant to penalties.

(4) If a term of imprisonment for contempt for nonpayment of any fine, penalty, assessment, fee, or costs is ordered, the term of imprisonment shall be set forth in the commitment order, and shall not exceed one day for each twenty-five dollars of the amount ordered, thirty days if the amount ordered of costs was imposed upon conviction of a violation or misdemeanor, or one year in any other case, whichever is the shorter period. A person committed for nonpayment of any fine, penalty, assessment, fee, or costs shall be given credit toward payment for each day of imprisonment at the rate specified in the commitment order.

Sec. 9. RCW 10.46.190 and 2005 c 457 s 12 are each amended to read as follows:
Every person convicted of a crime or held to bail to keep the peace (shall) may be liable to all the costs of the proceedings against him or her, including, when tried by a jury in the superior court or before a committing magistrate, a jury fee as provided for in civil actions for which judgment shall be rendered and collected. The court shall not order a defendant to pay costs, as described in RCW 10.01.160, if the court finds that the person at the time of sentencing is indigent as defined in RCW 10.101.010(3) (a) through (c). The jury fee, when collected for a case tried by the superior court, shall be paid to the clerk and applied as the jury fee in civil cases is applied.

Sec. 10. RCW 10.64.015 and Code 1881 s 1104 are each amended to read as follows:

When the defendant is found guilty, the court shall render judgment accordingly, and the defendant (shall) may be liable for all costs, unless the court or jury trying the cause expressly find otherwise. The court shall not order a defendant to pay costs, as described in RCW 10.01.160, if the court finds that the person at the time of sentencing is indigent as defined in RCW 10.101.010(3) (a) through (c).

Sec. 11. RCW 9.92.070 and 1987 c 3 s 4 are each amended to read as follows:

Hereafter whenever any judge of any superior court or a district or municipal judge shall sentence any person to pay any fines, penalties, assessments, fees, and costs, the judge may, in the judge's discretion, provide that such fines, penalties, assessments, fees, and costs may be paid in certain designated installments, or within certain designated period or periods. If the court finds that the defendant is indigent as defined in RCW 10.101.010(3) (a) through (c), the court shall allow for payment in certain designated installments or within certain designated periods. If such fines, penalties, assessments, fees, and costs shall be paid by the defendant in accordance with such order no commitment or imprisonment of the defendant shall be made for failure to pay such fine or costs. PROVIDED, that the provisions of this section shall not apply to any sentence given for the violation of any of the liquor laws of this state.

Sec. 12. RCW 10.73.160 and 2015 c 265 s 22 are each amended to read as follows:

(1) The court of appeals, supreme court, and superior courts may require an adult offender convicted of an offense to pay appellate costs.

(2) Appellate costs are limited to expenses specifically incurred by the state in prosecuting or defending an appeal or collateral attack from a criminal conviction. Appellate costs shall not include expenditures to maintain and operate government agencies that must be made irrespective of specific violations of the law. Expenses incurred for producing a verbatim report of proceedings and clerk's papers may be included in costs the court may require a convicted defendant to pay.

(3) Costs, including recoupment of fees for court-appointed counsel, shall be requested in accordance with the procedures contained in Title 14 of the rules of appellate procedure and in Title 9 of the rules for appeal of decisions of courts of limited jurisdiction. An award of costs shall become part of the trial court judgment and sentence.

(4) A defendant who has been sentenced to pay costs and who is not in contumacious default in the payment may at any time after release from total confinement petition the court that sentenced the defendant or juvenile offender for remission of the payment of costs or of any unpaid portion. If it appears to the satisfaction of the sentencing court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the sentencing court may remit all or part of the amount due in costs, modify the method of payment under RCW 10.01.170, or convert the unpaid costs to community restitution hours, if the jurisdiction operates a community restitution program, at the rate of no less than the state minimum wage established in RCW 49.46.020 for each hour of community restitution. Manifest hardship exists where the defendant or juvenile offender is indigent as defined in RCW 10.101.010(3) (a) through (c).

(5) The parents or another person legally obligated to support a juvenile
offender who has been ordered to pay appellate costs and who is not in contumacious default in the payment may at any time petition the court that sentenced the juvenile offender for remission of the payment of costs or of any unpaid portion. If it appears to the satisfaction of the sentencing court that payment of the amount due will impose manifest hardship on the parents or another person legally obligated to support a juvenile offender or on their immediate families, the sentencing court may remit all or part of the amount due in costs, or may modify the method of payment.

Sec. 13. RCW 9.94A.6333 and 2008 c 231 s 19 are each amended to read as follows:

(1) If an offender violates any condition or requirement of a sentence, and the offender is not being supervised by the department, the court may modify its order of judgment and sentence and impose further punishment in accordance with this section.

(2) If an offender fails to comply with any of the nonfinancial conditions or requirements of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;

(b) The state has the burden of showing noncompliance by a preponderance of the evidence;

(c) If the court finds that a violation has been proved, the court may impose the sanctions specified in RCW 9.94A.633(1). Alternatively, the court may:

(i) Convert a term of partial confinement to total confinement; OR

(ii) Convert community restitution obligation to total or partial confinement;

(iii) Convert monetary obligations, except restitution and the crime victim penalty assessment, to community restitution hours at the rate of the state minimum wage as established in RCW 49.46.020 for each hour of community restitution;

(d) If the court finds that the violation was not willful, the court may modify its previous order regarding (payment of legal financial obligations and regarding) community restitution obligations; and

(e) If the violation involves a failure to undergo or comply with a mental health status evaluation and/or outpatient mental health treatment, the court shall seek a recommendation from the treatment provider or proposed treatment provider. Enforcement of orders concerning outpatient mental health treatment must reflect the availability of treatment and must pursue the least restrictive means of promoting participation in treatment. If the offender's failure to receive care essential for health and safety presents a risk of serious physical harm or probable harmful consequences, the civil detention and commitment procedures of chapter 71.05 RCW shall be considered in preference to incarceration in a local or state correctional facility.

(3) If an offender fails to pay legal financial obligations as a requirement of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;

(b) The state has the burden of showing noncompliance by a preponderance of the evidence;

(c) The court may not sanction the offender for failure to pay legal financial obligations unless the court finds, after a hearing and on the record, that the failure to pay is willful. A failure to pay is willful if the offender has the current ability to pay but refuses to do so. In determining whether the offender has the current ability to pay, the court shall inquire into and consider: (i) The offender's income and assets; (ii) the offender's basic living costs as defined by RCW 10.101.010 and other liabilities including child support and other legal financial obligations; and (iii) the offender's bona fide efforts to acquire additional resources. An offender who is indigent as defined by RCW 10.101.010(3) (a) through
(c) is presumed to lack the current ability to pay;

(d) If the court determines that the offender is homeless or a person who is mentally ill, as defined in RCW 71.24.025, failure to pay a legal financial obligation is not willful noncompliance and shall not subject the offender to penalties;

(e) If the court finds that a failure to pay is willful noncompliance, it may impose the sanctions specified in RCW 9.94A.633(1); and

(f) If the court finds that the violation was not willful, the court may, and if the court finds that the defendant is indigent as defined in RCW 10.101.010(3) (a) through (c), the court shall modify the terms of payment of the legal financial obligations, reduce or waive nonrestitution legal financial obligations, or convert nonrestitution legal financial obligations to community restitution hours, if the jurisdiction operates a community restitution program, at the rate of no less than the state minimum wage established in RCW 49.46.020 for each hour of community restitution. The crime victim penalty assessment under RCW 7.68.035 may not be reduced, waived, or converted to community restitution hours.

(4) Any time served in confinement awaiting a hearing on noncompliance shall be credited against any confinement ordered by the court.

(((4))) (5) Nothing in this section prohibits the filing of escape charges if appropriate.

Sec. 14. RCW 9.94A.760 and 2011 c 106 s 3 are each amended to read as follows:

(1) Whenever a person is convicted in superior court, the court may order the payment of a legal financial obligation as part of the sentence. The court may not order an offender to pay costs as described in RCW 10.01.160 if the court finds that the offender at the time of sentencing is indigent as defined in RCW 10.101.010(3) (a) through (c). An offender being indigent as defined in RCW 10.101.010(3) (a) through (c) is not grounds for failing to impose restitution or the crime victim penalty assessment under RCW 7.68.035. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court fails to set the offender monthly payment amount, the department shall set the amount if the department has active supervision of the offender, otherwise the county clerk shall set the amount.

(2) Upon receipt of ((an offender’s monthly)) each payment((, restitution shall be paid prior to any payments of other monetary obligations. After restitution is satisfied)) made by or on behalf of an offender, the county clerk shall distribute the payment ((proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court)) in the following order of priority until satisfied:

(a) First, proportionally to restitution to victims that have not been fully compensated from other sources;

(b) Second, proportionally to restitution to insurance or other sources with respect to a loss that has provided compensation to victims;

(c) Third, proportionally to crime victims’ assessments; and

(d) Fourth, proportionally to costs, fines, and other assessments required by law.

(((2))) (3) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration ((at)). The court shall not order the offender to pay the cost of incarceration if the court finds that the offender at the time of sentencing is indigent as defined in RCW 10.101.010(3) (a) through (c). Costs of incarceration ordered by the court shall not exceed a rate of fifty dollars per day of incarceration, if incarcerated in a prison, or the ((court may require the offender to pay the)) actual cost of incarceration per day of incarceration, if incarcerated in a county jail. In no case may the court require the offender to pay more than one hundred dollars per day for the cost of incarceration.

(Payment of other court-ordered financial obligations, including all
The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be issued immediately. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a monthly legal financial obligation payment is past due, the department or the county clerk may serve a notice on the offender stating such requirements and authorizations. Service shall be by personal service or any form of mail requiring a return receipt.

Independent of the department or the county clerk, the party or entity to whom the legal financial obligation is owed shall have the authority to use any other remedies available to the party or entity to collect the legal financial obligation. These remedies include enforcement in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. Restitution collected through civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim. The judgment and sentence shall identify the party or entity to whom restitution is owed so that the state, party, or entity may enforce the judgment. If restitution is ordered pursuant to RCW 9.94A.750(6) or 9.94A.753(6) to a victim of rape, the Washington state child support registry shall be identified as the party to whom payments must be made. Restitution obligations arising from the rape of a child in the first, second, or third degree that result in the pregnancy of the victim may be enforced for the time periods provided under RCW 9.94A.750(6) and 9.94A.753(6). All other legal financial obligations for an offense committed prior to July 1, 2000, may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period ends later. Prior to the expiration of the initial ten-year period, the superior court may extend the criminal judgment an additional ten years for payment of legal financial obligations including crime victims' assessments. All other legal financial obligations for an offense committed on or after July 1, 2000, may be enforced at any time the offender remains under the court's jurisdiction. For an offense committed on or after July 1, 2000, the court shall retain jurisdiction over the offender, for purposes of the offender's compliance with payment of the legal financial obligations, until the obligation is completely satisfied, regardless of the statutory maximum for the crime. The department may only supervise the offender's compliance with payment of the legal financial obligations during any period in which the department is authorized to supervise the offender in the community under RCW 9.94A.728, 9.94A.501, or in which the offender is confined in a state correctional institution or a correctional facility pursuant to a transfer agreement with the department, and the department shall supervise the offender's compliance during any such period. The department is not responsible for supervision of the offender during any subsequent period of time the offender remains under the court's jurisdiction. The county clerk is authorized to collect unpaid legal financial obligations at any time the offender remains under the jurisdiction of the court for purposes of his or her legal financial obligations.

In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of
preparing a recommendation to the court. When reporting, the offender is required, under oath, to respond truthfully and honestly to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring all documents requested by the department.

((4444)) (7) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

((4444)) (8)(a) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. During the period of supervision, the department may require the offender to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to respond truthfully and honestly to all questions concerning earning capabilities and the location and nature of all property or financial assets. The offender shall bring all documents requested by the department in order to prepare the collection schedule.

(b) Subsequent to any period of supervision, or if the department is not authorized to supervise the offender in the community, the county clerk may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the county clerk sets the monthly payment amount, or if the department set the monthly payment amount and the department has subsequently turned the collection of the legal financial obligation over to the county clerk, the clerk may modify the monthly payment amount without the matter being returned to the court. During the period of repayment, the county clerk may require the offender to report to the clerk for the purpose of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to respond truthfully and honestly to all questions concerning earning capabilities and the location and nature of all property or financial assets. The offender shall bring all documents requested by the county clerk in order to prepare the collection schedule.

((4444)) (9) After the judgment and sentence or payment order is entered, the department is authorized, for any period of supervision, to collect the legal financial obligation from the offender. Subsequent to any period of supervision or, if the department is not authorized to supervise the offender in the community, the county clerk is authorized to collect unpaid legal financial obligations from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purpose of disbursements. The department and the county clerks are authorized, but not required, to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

((4444)) (10) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.7701. Any party obtaining a wage assignment shall notify the county clerk. The county clerks shall notify the department, or the administrative office of the courts, whichever is providing the monthly billing for the offender.

((4444)) (11) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition or requirement of a sentence and the offender is subject to the penalties for noncompliance as provided in RCW 9.94B.040, 9.94A.737, or 9.94A.740. If the court determines that the offender is homeless or a person who is mentally ill, as defined in RCW 71.24.025, failure to pay a legal financial obligation is not willful noncompliance and shall not subject the offender to penalties.

((4444)) (12)(a) The administrative office of the courts shall mail individualized periodic billings to the address known by the office for each offender with an unsatisfied legal financial obligation.
(b) The billing shall direct payments, other than outstanding cost of supervision assessments under RCW 9.94A.780, parole assessments under RCW 72.04A.120, and cost of probation assessments under RCW 9.95.214, to the county clerk, and cost of supervision, parole, or probation assessments to the department.

c) The county clerk shall provide the administrative office of the courts with notice of payments by such offenders no less frequently than weekly.

d) The county clerks, the administrative office of the courts, and the department shall maintain agreements to implement this subsection.

(((12))) (13) The department shall arrange for the collection of unpaid legal financial obligations during any period of supervision in the community through the county clerk. The department shall either collect unpaid legal financial obligations or arrange for collections through another entity if the clerk does not assume responsibility or is unable to continue to assume responsibility for collection pursuant to subsection (((4))) (5) of this section. The costs for collection services shall be paid by the offender.

(((13))) (14) The county clerk may access the records of the employment security department for the purposes of verifying employment or income, seeking any assignment of wages, or performing other duties necessary to the collection of an offender's legal financial obligations.

(((14))) (15) Nothing in this chapter makes the department, the state, the counties, or any state or county employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations or for the acts of any offender who is no longer, or was not, subject to supervision by the department for a term of community custody, and who remains under the jurisdiction of the court for payment of legal financial obligations.

Sec. 15. RCW 9.94B.040 and 2002 c 175 s 8 are each amended to read as follows:

(1) If an offender violates any condition or requirement of a sentence, the court may modify its order of judgment and sentence and impose further punishment in accordance with this section.

(2) In cases where conditions from a second or later sentence of community supervision begin prior to the term of the second or later sentence, the court shall treat a violation of such conditions as a violation of the sentence of community supervision currently being served.

(3) If an offender fails to comply with any of the nonfinancial requirements or conditions of a sentence the following provisions apply:

(a)(i) Following the violation, if the offender and the department make a stipulated agreement, the department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, jail time, or other sanctions available in the community.

(ii) Within seventy-two hours of signing the stipulated agreement, the department shall submit a report to the court and the prosecuting attorney outlining the violation or violations, and sanctions imposed. Within fifteen days of receipt of the report, if the court is not satisfied with the sanctions, the court may schedule a hearing and may modify the department's sanctions. If this occurs, the offender may withdraw from the stipulated agreement.

(iii) If the offender fails to comply with the sanction administratively imposed by the department, the court may take action regarding the original noncompliance. Offender failure to comply with the sanction administratively imposed by the department may be considered an additional violation;

(b) In the absence of a stipulated agreement, or where the court is not satisfied with the department's sanctions as provided in (a) of this subsection, the court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;
(c) The state has the burden of showing noncompliance by a preponderance of the evidence. If the court finds that the violation has occurred, it may order the offender to be confined for a period not to exceed sixty days for each violation, and may (i) convert a term of partial confinement to total confinement, (ii) convert community restitution obligation to total or partial confinement, or (iii) convert monetary obligations except restitution and the crime victim penalty assessment, to community restitution hours at the rate of the state minimum wage as established in RCW 49.46.020 for each hour of community restitution, or (iv)) order one or more of the penalties authorized in (a) (i) of this subsection. Any time served in confinement awaiting a hearing on noncompliance shall be credited against any confinement order by the court;

(d) If the court finds that the violation was not willful, the court may modify its previous order regarding (payment of legal financial obligations and regarding) community restitution obligations; and

(e) If the violation involves a failure to undergo or comply with mental status evaluation and/or outpatient mental health treatment, the community corrections officer shall consult with the treatment provider or proposed treatment provider. Enforcement of orders concerning outpatient mental health treatment must reflect the availability of treatment and must pursue the least restrictive means of promoting participation in treatment. If the offender's failure to receive care essential for health and safety presents a risk of serious physical harm or probable harmful consequences, the civil detention and commitment procedures of chapter 71.05 RCW shall be considered in preference to incarceration in a local or state correctional facility.

(4) If the violation involves failure to pay legal financial obligations, the following provisions apply:

(a) The department and the offender may enter into a stipulated agreement that the failure to pay was willful noncompliance, according to the provisions and requirements of subsection (3)(a) of this section;

(b) In the absence of a stipulated agreement, or where the court is not satisfied with the department's sanctions as provided in a stipulated agreement under (a) of this subsection, the court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;

(c) The state has the burden of showing noncompliance by a preponderance of the evidence. The court may not sanction the offender for failure to pay legal financial obligations unless the court finds, after a hearing and on the record, that the failure to pay is willful. A failure to pay is willful if the offender has the current ability to pay but refuses to do so. In determining whether the offender has the current ability to pay, the court shall inquire into and consider: (i) The offender's income and assets; (ii) the offender's basic living costs as defined by RCW 10.101.010 and other liabilities including child support and other legal financial obligations; and (iii) the offender's bona fide efforts to acquire additional resources. An offender who is indigent as defined by RCW 10.101.010(3) (a) through (c) is presumed to lack the current ability to pay;

(d) If the court determines that the offender is homeless or a person who is mentally ill, as defined in RCW 71.24.025, failure to pay a legal financial obligation is not willful noncompliance and shall not subject the offender to penalties;

(e) If the court finds that the failure to pay is willful noncompliance, the court may order the offender to be confined for a period not to exceed sixty days for each violation or order one or more of the penalties authorized in subsection (3)(a)(i) of this section; and

(f) If the court finds that the violation was not willful, the court may, and if the court finds that the defendant is indigent as defined in RCW 10.101.010(3) (a) through (c), the court shall modify the terms of payment of the legal financial obligations, reduce or waive nonrestitution legal financial obligations, or convert nonrestitution legal financial obligations to community restitution hours, if the jurisdiction operates a community restitution program, at the rate of no less than the state minimum wage established in RCW 49.46.020 for each hour of community
restitution. The crime victim penalty assessment under RCW 7.68.035 may not be reduced, waived, or converted to community restitution hours.

(5) The community corrections officer may obtain information from the offender's mental health treatment provider on the offender's status with respect to evaluation, application for services, registration for services, and compliance with the supervision plan, without the offender's consent, as described under RCW 71.05.630.

(6) An offender under community placement or community supervision who is civilly detained under chapter 71.05 RCW, and subsequently discharged or conditionally released to the community, shall be under the supervision of the department of corrections for the duration of his or her period of community placement or community supervision. During any period of inpatient mental health treatment that falls within the period of community placement or community supervision, the inpatient treatment provider and the supervising community corrections officer shall notify each other about the offender's discharge, release, and legal status, and shall share other relevant information.

(7) Nothing in this section prohibits the filing of escape charges if appropriate.

Sec. 16. RCW 3.62.085 and 2005 c 457 s 10 are each amended to read as follows:

The forty-five dollar filing fee under this subsection for an unlawful detainer action shall not include an order to show cause or any other order or judgment except a default order or default judgment in an unlawful detainer action.

(b) Any party, except a defendant in a criminal case, filing the first or initial document on an appeal from a court of limited jurisdiction or any party on any civil appeal, shall pay, when the document is filed, a fee of two hundred dollars.

(h) Upon conviction or plea of guilty, upon failure to prosecute an appeal from a court of limited jurisdiction as provided by law, or upon affirmance of a conviction by a court of limited jurisdiction, an adult defendant in a criminal case shall be liable for a fee of two hundred dollars, except this fee shall not be imposed on a defendant who is indigent as defined in RCW 10.101.010(3) (a) through (c).

(i) With the exception of demands for jury hereafter made and garnishments hereafter issued, civil actions and probate proceedings filed prior to midnight, July 1, 1972, shall be completed and governed by the fee schedule in effect as of January 1, 1972. Sec. 19. RCW 7.68.035 and 2015 c 265 s 8 are each amended to read as follows:

(1)(a) When any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be five hundred dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and two hundred fifty dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(b) When any juvenile is adjudicated of an offense that is a most serious offense as defined in RCW 9.94A.030, or a sex offense under chapter 9A.44 RCW, or a sex offense under chapter 9A.44 RCW, there shall be imposed upon the juvenile offender a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be one hundred dollars for each case or cause of action.

(c) When any juvenile is adjudicated of an offense which has a victim, and which is not a most serious offense as defined in RCW 9.94A.030 or a sex offense under chapter 9A.44 RCW, the court shall order up to seven hours of community
restitution, unless the court finds that such an order is not practicable for the offender. This community restitution must be imposed consecutively to any other community restitution the court imposes for the offense.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090, 46.70.140, 46.61.502, 46.61.504, 46.52.101, 46.20.410, 46.52.020, 46.10.495, 46.09.480, 46.61.5249, 46.61.525, 46.61.685, 46.61.530, 46.61.500, 46.61.015, 46.52.010, 46.44.180, 46.10.490(2), and 46.09.470(2).

(3) When any person accused of having committed a crime posts bail in superior court pursuant to the provisions of chapter 10.19 RCW and such bail is forfeited, there shall be deducted from the proceeds of such forfeited bail a penalty assessment, in addition to any other penalty or fine imposed by law, equal to the assessment which would be applicable under subsection (1) of this section if the person had been convicted of the crime.

(4) Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer ((who shall monthly transmit the money as provided in RCW 10.82.070)). Each county shall deposit ((fifty)) one hundred percent of the money it receives per case or cause of action under subsection (1) of this section ((and retains under RCW 10.82.070)), not less than one and seventy-five one-hundredths percent of the remaining money it retains under RCW 10.82.070 and the money it retains under chapter 3.62 RCW, and all money it receives under subsection (7) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. A program shall be considered "comprehensive" only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;

(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

(c) Make a reasonable effort to inform the known victim or his or her surviving dependents of the existence of this chapter and the procedure for making application for benefits;

(d) Assist victims in the restitution and adjudication process; and

(e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly
transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the state general fund.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.50.100 and 35.20.220 to the county treasurer for deposit as provided in subsection (4) of this section.

NEW SECTION. Sec. 20. Nothing in this act requires the courts to refund or reimburse amounts previously paid towards legal financial obligations or interest on legal financial obligations.

NEW SECTION. Sec. 21. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2018, in the omnibus appropriations act, this act is null and void."

MESSAGE FROM THE SENATE

March 2, 2018

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2285 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the 1997 state trust lands habitat conservation plan and the proposed amendment related to the conservation of the marbled murrelet, which provide certainty for beneficiaries of affected state lands and state forestlands, present an important and ongoing issue for the people of the state of Washington. The legislature further finds that complying with the endangered species act is a necessary aspect of managing state trust lands. The lands that are the subject of the 1997
habitat conservation plan are held by the state in trust for the trust beneficiaries, and the proposed amendment to the 1997 state trust lands habitat conservation plan presents an opportunity for the legislature to engage in its role as a fiduciary of those lands.

(2) The legislature intends that the process set forth in this act will serve as a model for future processes in the event that there are any subsequent amendments to the 1997 state trust lands habitat conservation plan beyond those envisioned in this act.

NEW SECTION. Sec. 2. A new section is added to chapter 43.30 RCW under the subchapter heading "powers and duties--general" to read as follows:

(1) (a) By December 1, 2018, and each December 1st until the year after the United States fish and wildlife service issues an incidental take permit on the state trust land habitat conservation plan for the long-term conservation strategy for the marbled murrelet, the department must provide a report to the legislature, consistent with RCW 43.01.036, as required in this section.

(b) No fewer than ninety days before submitting the report to the legislature as described in this section, the department must first submit a draft of the report for review and comment to the chair and ranking member of the committees of the house of representatives and senate with jurisdiction over state trust lands management.

(c) Each regular legislative session, the standing committee with jurisdiction over state trust land management from the house of representatives and senate must each hold a meeting, which may be held as a joint meeting, on the report required in this section and the habitat conservation plan update process.

(2) The report required in this section must annually include an economic analysis of potential losses or gains from any proposed marbled murrelet long-term conservation strategy selected by the board of natural resources, forwarded to or approved by the United States fish and wildlife service, and subsequently adopted by the board.

(3) The initial report required under this section must also include recommendations relating to the following, to be updated as appropriate in subsequent reports:

(a) Actions that support maintaining or increasing family-wage timber and related jobs in the affected rural communities, taking into account, as appropriate, the role of other market factors;

(b) Strategies to ensure no net loss of revenues to the trust beneficiaries due to the implementation of additional marbled murrelet conservation measures;

(c) Additional means of financing county services; and

(d) Additional reasonable, incentive-based, nonregulatory conservation measures for the marbled murrelet that also provide economic benefits to rural communities.

NEW SECTION. Sec. 3. A new section is added to chapter 43.30 RCW under the subchapter heading "powers and duties--general" to read as follows:

(1) To assist the department in developing and providing the report to the legislature required in section 2 of this act, the commissioner must appoint a marbled murrelet advisory committee.

(2) The marbled murrelet advisory committee may include one or more representatives from the following categories:

(a) State trust lands beneficiaries;

(b) Impacted state forestlands beneficiaries, including counties;

(c) Junior taxing districts;

(d) Environmental organizations;

(e) Local governments or an association representing local governments;

(f) Milling interests or an association representing milling interests;

(g) Private forest landowners or a statewide association representing private forest landowners; and

(h) Local public interest groups.

(3) The advisory committee required under this section may consult with relevant state and federal agencies and tribes.
NEW SECTION. Sec. 4. (1) Sections 2 and 3 of this act expire at the end of the calendar year following the issuance by the United States fish and wildlife service of an incidental take permit on the long-term conservation strategy for the marbled murrelet under the state trust lands habitat conservation plan and subsequent adoption by the board of natural resources.

(2) The department of natural resources must notify the chief clerk of the house of representatives, the secretary of the senate, and the office of the code reviser when the conditional expiration date of sections 1 and 2 of this act is satisfied."

On page 1, line 3 of the title, after "information;" strike the remainder of the title and insert "adding new sections to chapter 43.30 RCW; creating a new section; and providing a contingent expiration date."

and the same is herewith transmitted. Brad Hendrickson, Secretary

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2285, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 2, 2018

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2322 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that allowing property insurers to assist their insureds with risk mitigation and/or prevention goods and/or services could help prevent, or reduce the severity of claims and losses. The legislature further finds that property insurers engage in supporting insureds through disaster or emergency response activities when there is an imminent threat of damage to insured property, such as wildfire prevention defense efforts that provide fire retardants to homes in a wildfire area or send crews to combat wildfires to protect insureds' homes. The legislature further finds that assisting insureds with risk mitigation and prevention and providing disaster or emergency response activities are both useful in preventing economic loss, and should be exempt from the prohibition against inducements under RCW 48.30.140 and 48.30.150.

NEW SECTION. Sec. 2. A new section is added to chapter 48.18 RCW to read as follows:

(1) With the prior approval of the commissioner, a property insurer may include the following either goods or services, or both, intended to reduce either the probability of loss, or the extent of loss, or both, from a covered event as part of a policy of property insurance, except commercial property insurance:

(a) Goods, including a water monitor;
(b) Foundation strapping to mitigate losses due to earthquake;

(c) Ongoing services, including home safety monitoring or brush clearing to mitigate losses due to wildfire; and

(d) Other either goods or services, or both, as the commissioner may identify by rule.

(2) Any goods provided are owned by the insured, even if the insurance is subsequently canceled.

(3) The value of goods and services to be provided is limited to one thousand five hundred dollars in value in the aggregate in any twelve-month period.

(4) In order to receive prior approval of the commissioner, and except as provided in subsection (6) of this section, the property insurer must include the following in its rate filing:

(a) A description of either the specific goods or services, or both, to be offered;

(b) A description of the method of delivering either the specific goods or services, or both, being offered; and

(c) The selection criteria for insureds receiving either the specific goods or services, or both, being offered.

(5) This section does not require the commissioner to approve any particular proposed benefit. The commissioner may disapprove any proposed noninsurance benefit that the commissioner determines may tend to promote or facilitate the violation of any other section of this title. However, if the commissioner approves the inclusion of either the goods or services, or both, in a policy of property insurance, except commercial property insurance, it does not constitute a violation of RCW 48.30.140 or 48.30.150.

(6) (a) A property insurer may conduct a pilot program as either a risk mitigation or prevention, or both, strategy through which the insurer offers or provides risk mitigation and/or prevention goods and/or services identified in subsection (1) of this section in connection with an insurance policy covering property risks, except commercial property insurance, in accordance with rules adopted by the commissioner.

(b) A property insurer offering or providing risk mitigation and/or prevention goods and/or services through a pilot program under this subsection is exempt from including information about the risk mitigation and/or prevention goods and/or services in its rate filing as is otherwise required under subsection (4) of this section and section 3 of this act.

(c) A property insurer's pilot program may last no longer than two years.

(7) This section does not apply to disaster or emergency response activities of a property insurer.

NEW SECTION. Sec. 3. A new section is added to chapter 48.19 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, in addition to other information required by this chapter, a rate filing by a property insurer for a policy, except commercial property insurance, that includes risk mitigation and/or prevention goods and/or services under section 2 of this act, must demonstrate that its rates account for the expected costs of the goods and services and the reduction in expected claims costs resulting from either the goods or services, or both.

(2) This section does not apply to:

(a) A property insurer offering or providing risk mitigation and/or prevention goods and/or services through a pilot program established in section 2(6) of this act; or

(b) Disaster or emergency response activities of a property insurer.

NEW SECTION. Sec. 4. A new section is added to chapter 48.18 RCW to read as follows:

The commissioner may adopt rules as necessary to implement sections 2 and 3 of this act, including but not limited to:

(1) Rules requiring a notice to insureds or potential insureds regarding their ability to opt out of receiving any risk mitigation and/or prevention goods and/or services;

(2) Rules increasing the value of either the goods or services, or both, permitted under section 2(1) of this act;
(3) Rules establishing requirements for pilot programs authorized under section 2(6) of this act; and

(4) Rules identifying which insurer disaster or emergency response activities are exempt from sections 2 and 3 of this act and RCW 48.30.140 and 48.30.150."

On page 1, line 1 of the title, after "insurance;" strike the remainder of the title and insert "adding new sections to chapter 48.18 RCW; adding a new section to chapter 48.19 RCW; and creating a new section."

(a) Refuse to lease or rent any real property to a prospective tenant or current tenant, unless the: (i) Prospective tenant's or current tenant's source of income is conditioned on the real property passing inspection; (ii) written estimate of the cost of improvements necessary to pass inspection is more than one thousand five hundred dollars; and (iii) landlord has not received moneys from the landlord mitigation program account to make the improvements;

(b) Expel a prospective tenant or current tenant from any real property;

(c) Make any distinction, discrimination, or restriction against a prospective tenant or current tenant in the price, terms, conditions, fees, or privileges relating to the rental, lease, or occupancy of real property or in the furnishing of any facilities or services in connection with the rental, lease, or occupancy of real property;

(d) Attempt to discourage the rental or lease of any real property to a prospective tenant or current tenant;

(e) Assist, induce, incite, or coerce another person to commit an act or engage in a practice that violates this section;

"Sec. 1. RCW 66.24.244 and 2015 c 42 s 1 are each amended to read as follows:

(1) There shall be a license for microbreweries; fee to be one hundred dollars for production of less than sixty thousand barrels of malt liquor, including strong beer, per year.

(2) (a) Any microbrewery licensed under this section may also act as a distributor and/or retailer for beer and strong beer of its own production.

(b) Any microbrewery operating as a distributor and/or retailer under this subsection must comply with the applicable laws and rules relating to distributors and/or retailers, except that a microbrewery operating as a distributor may maintain a warehouse off the premises of the microbrewery for the distribution of beer provided that:

(i) The warehouse has been approved by the board under RCW 66.24.010; and

(ii) The number of warehouses off the premises of the microbrewery does not exceed one.

(c) Any person selling or serving beer, cider, or wine at a microbrewery for on-premises consumption must obtain a class 12 or class 13 alcohol server permit.

(d) A microbrewery holding a spirits, beer, and wine restaurant license may sell beer of its own production for off-premises consumption from its restaurant premises in kegs or in a sanitary container brought to the premises by the purchaser or furnished by the licensee and filled at the tap by the licensee at the time of sale.

(3) Any microbrewery licensed under this section may also sell from its premises for on-premises and off-premises consumption:

(a) Beer produced by another microbrewery or a domestic brewery as long as the other breweries' brands do not exceed twenty-five percent of the microbrewery's on-tap offerings; or

(b) Cider produced by a domestic winery.

(4) A microbrewery licensed under this section may apply to the board for an endorsement to sell glasses of wine produced by a domestic winery for on-premises consumption. The annual fee for this endorsement is one hundred twenty-five dollars.

The annual fee for this endorsement is seventy-five dollars. However, strong beer may not be sold at a farmers market or under any endorsement which may authorize microbreweries to sell beer at farmers markets.

(b) For each month during which a microbrewery will sell beer at a qualifying farmers market, the microbrewery must provide the board or its designee a list of the dates, times, and locations at which bottled beer may be offered for sale. This list must be received by the board before the microbrewery may offer beer for sale at a qualifying farmers market.

(c) Any person selling or serving beer must obtain a class 12 or class 13 alcohol server permit.

(d) The beer sold at qualifying farmers markets must be produced in Washington.

(e) Each approved location in a qualifying farmers market is deemed to be part of the microbrewery license for the purpose of this title. The approved locations under an endorsement granted under this subsection ((6)) (7) include tasting or sampling privileges subject to the conditions pursuant to RCW 66.24.175.
The microbrewery may not store beer at a farmers market beyond the hours that the microbrewery offers bottled beer for sale. The microbrewery may not act as a distributor from a farmers market location.

(f) Before a microbrewery may sell bottled beer at a qualifying farmers market, the farmers market must apply to the board for authorization for any microbrewery with an endorsement approved under this subsection (((6))) (7) to sell bottled beer at retail at the farmers market. SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 6034, by Senate Committee on Energy, Environment & Technology (originally sponsored by Senators Rolfes, Sheldon, Angel, Hunt, Chase, Kuderer and Hasegawa)

Authorizing limited retail telecommunications services for public utility districts that provide only sewer, water, and telecommunications on the effective date of this act.

Representative DeBolt moved the adoption of the striking amendment (1385):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 54.16 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Broadband" means high-speed internet access and other advanced telecommunications services.

(b) "Broadband network" means networks of deployed telecommunications equipment and technologies necessary to provide broadband.

(c) "Inadequate" means internet retail service that does not meet one hundred percent of the standards detailed in the service level agreement.

(d) "Partnership payment structure" means a group of or individual property owners who agree to pay a term payment structure for infrastructure improvements to their property.

(e) "Petition" means a formal written request for retail internet service by property owners on the public utility district broadband network.

(f) "Retail internet service" means the provision of broadband to end users.

(g) "Service level agreement" means a standard agreement, adopted during an open public meeting, between the retail internet service provider and the public utility that describes the required percentage of broadband download and upload speed and system availability, customer service, and transmission time.

(2) Any public utility district that, as of the effective date of this section, provides only water, sewer, and wholesale telecommunications services in a county with an area less than five hundred square miles and is located west of the Puget Sound may provide retail internet service on the public utility district's broadband network located within the public utility district boundaries only when all of the existing providers of end-user internet service on the public utility district's broadband network cease to provide end-user service or provide inadequate end-user service as determined in the manner prescribed by this section. The authority provided in this subsection expires five years after the effective date of this act for any public utility district that has not either entered into a partnership payment structure to finance broadband deployment or been petitioned to provide retail internet service within that time period.

(3) Upon receiving a petition meeting the requirements of subsection (4) of this section, a public utility district board of commissioners may hold up to three meetings to:

(a) Verify the signature or signatures of the property owners on the petition and certify the petition;

(b) Determine and submit findings that the retail internet service available to the petitioners served by the public utility district's broadband network is either nonexistent or inadequate as defined in the service level agreement adopted by the commissioners for all existing internet service providers on the public utility district's broadband network;

(c) Receive, and either reject or accept any recommendations or adjustments to, a business case plan developed in accordance with subsection (7) of this section; and

(d) By resolution, authorize the public utility district to provide retail internet service on the public utility district's broadband network.
A petition meets the requirements of subsection (3) of this section if it is delivered to a public utility district board of commissioners, declares that the signatories on the public utility district's broadband network have no or inadequate retail internet service providers, requests the public utility district to provide the retail internet service, and is signed by one of the following:

(a) A majority of a group, including homeowners' associations, of any geographical area within the public utility district, who have developed a partnership payment structure to finance broadband deployment with the public utility district; or

(b) Any individual who has developed a partnership payment structure to finance broadband deployment with the public utility district.

For the purposes of this section, the adequacy of retail internet service is determined by measuring retail internet service to end users on the public utility district's broadband network and comparing it with service standards in the public utility district service level agreement used for all public utility district network providers. Measurement of the existing retail internet service provider's service must be quantified by measuring the service with speed and capacity devices and software. Additionally, a retail internet service provider may submit its own assessment of its service level for consideration by the commission within thirty days of the first meeting conducted under subsection (3) of this section.

The commissioners of a public utility district may by resolution authorize the public utility district to provide or contract for provision of retail internet services on the public utility district's broadband network:

(a) After development of a business case plan in accordance with subsection (7) of this section; and

(b) When it is determined that no service or inadequate service exists for the individual or petitioners identified in subsection (4) of this section.

The business case plan under subsection (6) of this section must be reviewed by an independent qualified consultant. The review must include the use of public funds in the provision of retail internet service. Any recommendations or adjustments to the business case plan made during third-party review must be received and either rejected or accepted by the district board of commissioners in an open meeting.

Except as provided in subsection (9) of this section, in case of failure to reach an agreement on the adequacy of retail internet service, the commissioners must request an appointment of an administrative law judge under Title 34 RCW to hear the dispute.

The commissioners must provide a written notice, together with a copy of the dispute, and may require the disputing parties to attend a hearing before the administrative law judge, at a time and place to be specified in the written notice.

The place of any such hearing may be the office of the commissioners or another place designated by the commissioners. The disputed information must be presented at the hearing.

Upon review and consideration of all of the evidence, the administrative law judge must determine if the retail internet service is inadequate or nonexistent as defined in this section. Upon making a determination, the administrative law judge must state findings of fact and must issue and file a determination with the commissioners.

If a provider of end-user service is a company regulated by the utilities and transportation commission, the company may choose to have the commission resolve disputes concerning the service level agreement under the process established in RCW 54.16.340. For the purposes of this subsection, "company" includes subsidiaries or affiliates.

Any public utility district providing cable television service under this section must secure a cable television franchise, pay franchise fees, and any applicable taxes to the local cable franchise authority as required by federal law.

Except as provided in subsection (9) of this section, nothing in this section may be construed or is intended to confer upon the utilities and transportation commission any authority...
to exercise jurisdiction over locally regulated utilities.

(12) All rates for retail internet services offered by a public utility district under this section must be just, fair, and reasonable, except the public utility district may set tiers of service charges based on service demands of the end user, including commercial and residential rates.

(13) A public utility district must not condition the availability or cost of other services upon the purchase or use of retail internet service.

(14) A public utility district authorized to provide retail internet service within a specific geographical area must, upon reasonable notice, furnish to all persons and entities within that geographical area meeting the provisions of subsections (2) and (4) of this section proper facilities and connections for retail internet service as requested.

(15) A public utility district providing retail internet service must separately account for any revenues and expenditures for those services according to standards established by the state auditor pursuant to its authority in chapter 43.09 RCW and consistent with the provisions of this title.

NEW SECTION. Sec. 2. A new section is added to chapter 34.12 RCW to read as follows:

When requested by the public utility district commissioners, the chief administrative law judge shall assign an administrative law judge to conduct proceedings under section 1 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 54.16 RCW to read as follows:

1. Property owned by a public utility district that is exempt from property tax under RCW 84.36.010 is subject to an annual payment in lieu of property taxes if the property consists of a broadband network used in providing retail internet service.

2. (a) The amount of the payment must be determined jointly and in good faith negotiation between the public utility district that owns the property and the county or counties in which the property is located.

(b) The amount agreed upon may not exceed the property tax amount that would be owed on the property comprising the broadband network used in providing retail internet service as calculated by the department of revenue. The public utility district must provide information necessary for the department of revenue to make the required valuation under this subsection. The department of revenue must provide the amount of property tax that would be owed on the property to the county or counties in which the broadband network is located on an annual basis.

(c) If the public utility district and a county cannot agree on the amount of the payment in lieu of taxes, either party may invoke binding arbitration by providing written notice to the other party. In the event that the amount of payment in lieu of taxes is submitted to binding arbitration, the arbitrators must consider the government services available to the public utility district's broadband network used in providing retail internet service. The public utility district and county must each select one arbitrator, the two of whom must pick a third arbitrator. Costs of the arbitration, including compensation for the arbitrators' services, must be borne equally by the parties participating in the arbitration.

3. By April 30th of each year, a public utility district must remit the annual payment to the county treasurer of each county in which the public utility district's broadband network used in providing retail internet service is located in a form and manner required by the county treasurer.

4. The county must distribute the amounts received under this section to all property taxing districts, including the state, in appropriate tax code areas in the same proportion as it would distribute property taxes from taxable property.

5. By December 1, 2019, and annually thereafter, the department of revenue must submit a report to the appropriate legislative committees detailing the amount of payments made under this section and the amount of property tax that would be owed on the property comprising the broadband network used in providing retail internet service.

6. The definitions in section 1 of this act apply to this section."

Sec. 1004. 2018 c 2 s 1016 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF COMMERCE

2018 Local and Community Projects (40000005)

The appropriations in this section are subject to the following conditions and limitations:

(1) The department shall not expend the appropriations in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

This requirement does not apply to projects where a share of the appropriation is released for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations whose sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

Projects that are not within the basins described in this subsection are also eligible to receive funding.

A conservation district receiving funds shall manage each grant to ensure that a portion of the water saved by the water conservation measure or irrigation efficiency will be placed as a purchase or a lease in the trust water rights program to enhance instream flows. The proportion of saved water placed in the trust water rights program must be equal to the percentage of the public investment in the conservation measure or irrigation efficiency. The percentage of the public investment may not exceed eighty-five percent of the total cost of the conservation measure or irrigation efficiency.

Sec. 3008. 2018 c 2 s 3025 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF ECOLOGY

VW Settlement Funded Projects (40000018)
(1) The legislature finds that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years. The legislature deems the department of ecology the responsible agency for the administration and expenditure of funds provided by the trustee under the terms of the consent decrees, including the development of a mitigation plan to guide the use of the funds, whether or not the department receives funds directly for projects included in the plan.

(2)(a) The department of ecology shall develop the mitigation plan through an open, transparent public process consistent with direction in the consent decrees. The department shall provide ample opportunity using a variety of engagement options, as appropriate, for stakeholders and the public to shape, review, and comment throughout the development of the mitigation plan, including at least two meetings of the legislative advisory group as described in (c) of this subsection.

(b) The department of ecology shall work collaboratively with other agencies to develop and implement the elements of the mitigation plan that address categories of projects for which other agencies have already developed programs or expertise. In doing so, the department of ecology must consider and utilize, where appropriate and to the extent possible, the following existing programs for alternative fuels and zero emission vehicles:

(i) The department of transportation's electric vehicle infrastructure bank program;

(ii) The state alternative fuel commercial vehicle tax credit;

(iii) The state sales and use tax exemption for clean vehicles; and

(iv) Public transportation grant programs administered by the department of transportation.

(iii) For the purposes of providing legislative input and gathering public feedback on the development of the mitigation plan, a legislative advisory group is established. The advisory group is comprised of eight legislators, including the chairs and ranking members, or designees of the chairs and ranking members, of the transportation and capital budget committees in the House and in the Senate; the director of the department of ecology; and the secretary of the department of transportation.

(ii) The advisory group must select a chair from among its membership. Meetings of the advisory group must be open to the public and allow for public comment.

(iii) The advisory group must meet at least twice, once immediately prior to the date that the draft mitigation plan is released publicly, and again after public comment has been incorporated but before the department submits the plan to the trustee.

(iv) The office of program research and the senate committee services must provide staff support to the advisory group. The department of ecology staff must provide technical support, as needed. Legislative members of the advisory group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW. Advisory group expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(3) The mitigation plan and the stewardship of project implementation must adhere to the following principles:

(a) Maximize air quality and public health benefits relating to the reduction of nitrogen oxides emissions;

(b) Give priority to projects that improve air quality relating to the reduction of nitrogen oxides emissions in areas that bear a disproportionate share of the burden from nitrogen oxides emissions;
(c) Achieve substantial additional air quality benefits relating to the reduction of nitrogen oxides emissions beyond that which would already occur, absent trust funding;

(d) Investments in clean vehicles or investments in clean engine replacements must be shown to be cost-effective. For the purposes of leveraging funding, investments in clean vehicles may not exceed the incremental cost of the clean vehicle, relative to the cost of a similar conventionally fueled vehicle. To incentivize the replacement of standard engines, investments may be made up to the full cost of the clean engine replacement;

(e) Consideration must be given to investments across a range of fueling technologies and emissions reduction technologies, and

(f) Priority must be given to projects that have the highest benefit-cost ratios, in terms of the amount of nitrogen oxides emissions reduced per dollar invested.

(4) Funding must be allocated to eligible projects under the terms of the consent decrees in the following manner:

(a)(i) No more than thirty percent of funding provided during the 2017-2019 biennium for commercial vehicle class four through eight transit buses, shuttle buses, and school buses;

(ii) No more than thirty percent of funding provided during the 2017-2019 biennium for commercial vehicle class eight local freight trucks and port drayage trucks;

(iii) No more than twenty percent of funding provided during the 2017-2019 biennium for commercial vehicle class four through seven local freight trucks;

(iv) No more than twenty percent of funding provided during the 2017-2019 biennium for airport ground support equipment;

(v) No more than twenty percent of funding provided during the 2017-2019 biennium for ocean-going vessels’ shore power;

(vi) No more than fifteen percent of funding provided during the 2017-2019 biennium for light duty, zero emission vehicle supply equipment;

(vii) No more than twenty percent of funding provided during the 2017-2019 biennium for nonfederal matching funds for projects eligible under the diesel emission reduction act option; and

(viii) For each of the other categories of mitigation actions that are eligible under the consent decrees but not otherwise specified under this subsection (4)(a), no more than ten percent of funding provided during the 2017-2019 biennium.

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely to the department of natural resources to transfer from trust status certain trust lands of statewide significance deemed appropriate for state parks, fish and wildlife habitats, natural area preserves, natural resources conservation areas, department of natural resources community forest open spaces, or recreation purposes. The approved property for transfer is identified in the LEAP capital document no. 2017-2H, developed June 30, 2017.

(2) Property transferred under this section must be appraised and transferred at fair market value. By ((September 30, 2018)) June 30, 2019, the department must deposit in the common school construction account the portion of the appropriation in this section that represents the estimated value of the timber on the transferred properties. This transfer must be made in the same manner as timber revenues from other common school trust lands. No deduction may be made for the resource management cost account under RCW 79.64.040. The portion of the appropriation in this section that represents the value of the land transferred must be deposited in the natural resources real property replacement account.

(3) All reasonable costs incurred by the department to implement this section are authorized to be paid out of the appropriations. Authorized costs include the actual cost of appraisals, staff time, environmental reviews surveys, and other similar costs, and may not exceed one and nine-tenths percent of the appropriation.

(4) By June 30, ((2018)) 2019, land within the common school trust shall be exchanged for land of equal value held for other trust beneficiaries of the property identified in subsection (1) of this section.

(5) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Fee transfer agreements for properties identified in subsection (1) of this section must include terms that perpetually restrict the use of the property to the intended purpose. Transfer agreements may include provisions for receiving agencies to request alternative uses of the property, provided the alternative uses are compatible with the originally intended public purpose and the department and legislature approves such uses.

(6) The department shall work in good faith to carry out the intent of this section.

(7) By June 30, 2019, the state treasurer shall transfer to the common school construction account any unexpended balance of the appropriation in this section.

State Forest Land Replacement (30000277)

The appropriation in this section is subject to the following conditions and limitations:

(1) $60,000 of the appropriation is provided solely for the department to assess options to replace timber trust revenues for counties with populations of twenty-five thousand or fewer that are subject to timber harvest deferrals greater than thirty years due to the presence of wildlife species listed as endangered or threatened under the federal endangered species act. The department must consult with the qualifying counties and other stakeholders in conducting the assessment. The department shall report the findings of its assessment, including recommendations for addressing decreased revenues from state forestlands and improving the forest products economy in the qualifying counties, by December 15, 2018.

(2)(a) The remaining portion of the appropriation is provided solely to the department to transfer from state forestland status to natural resources conservation area status certain state forestlands in counties:

(i) With a population of twenty-five thousand or fewer; and

(ii) With risks of timber harvest deferrals greater than thirty years due to the presence of wildlife species listed as endangered or threatened under the federal endangered species act. This appropriation must be used equally for the transfer of qualifying state forestlands in the qualifying counties.

(b) This appropriation must be used equally for the transfer of qualifying state forestlands in the qualifying counties.

(3) Property transferred under this section must be appraised and transferred at fair market value, without consideration of management or regulatory encumbrances associated with wildlife species listed under the federal endangered species act. The value of the timber and other valuable materials transferred must be distributed as provided in RCW 79.64.110. The value of the land transferred must be deposited in the park land trust revolving account and be used solely to buy replacement state forestland, consistent with RCW 79.22.060.

(4) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (2) of this section. Transfer agreements for properties identified in subsection (2) of this section must include terms that restrict the use of the property to the intended purpose.

(5) The department and applicable counties shall work in good faith to carry out the intent of this section. (ii) Be organized by category;
(iii) Assume any state bond or building account biennial funding level to prioritize the list; or
(iv) Assume any specific share of projects by institution in the priority list.

Institutions and the state board for community and technical colleges shall submit any supplemental capital budget requests and revisions to the office of financial management by November 1st and to the legislature by January 1st.

For the 2017-2019 fiscal biennium, pursuant to subsection (4) of this section, the office of financial management may, but is not obligated to, develop one prioritized list of capital projects for the legislature to consider that includes all of the projects requested by the four-year institutions of higher education that were scored by the office of financial management pursuant to chapter 43.88D RCW, including projects that were previously scored but not funded.

NEW SECTION. Sec. 7015. A new section is added to 2018 c 2 (uncodified) to read as follows:

The department of natural resources must conduct an asset valuation of state lands and state forestlands held in trust and managed by the department. The analysis required in subsections (3) and (4) of this section may be provided through contracted services.

The department must describe all trust lands, by trust, including timber lands, agricultural lands, commercial lands, and other lands, and identify revenues from leases or other sources for those lands. The department must briefly describe the income from these trust lands, and potential enhancements to income, including intergenerational income, from the asset bases of these trusts.

The analysis must estimate the current fair market value of these lands for each trust beneficiary, including the separate beneficiaries of state lands as defined in RCW 79.02.010, and the beneficiaries of state forestlands as specified in chapter 79.22 RCW. The estimation of current fair market values must specify the values by the various asset classes including, but not limited to, the following asset classes: Timber lands; irrigated agriculture; dryland agriculture, including grazing lands; commercial real estate; mining; and other income production. The analysis must also estimate the value of ecosystem services and recreation benefits for asset classes that produce these benefits. The legislature encourages the department and its contractors to develop methods and tools to allow tracking of the estimated fair market values over time.
For each of the different asset classes and for each of the various trusts, the analysis must calculate the average annual gross and net income as a percentage of estimated current asset value.

(5) The department must provide a progress report to the legislature by December 1, 2018. A follow up progress report is expected to be provided by December 1, 2019, and may include any initial recommendations. The final report is expected to be submitted by June 30, 2020, and must include options to:

(a) Improve the net rates of return on different classes of assets;

(b) Increase the reliability of, and enhance if possible, revenue for trust beneficiaries; and

(c) Present and explain factors that either (i) define, (ii) constrict, or (iii) define and constrict the department’s management practices and revenue production. The factors to be considered include, but are not limited to, statutory, constitutional, operational, and social factors.

Sec. 7016. RCW 43.17.200 and 2005 c 36 s 4 are each amended to read as follows:

(1) All state agencies including all state departments, boards, councils, commissions, and quasi public corporations shall allocate, as a nondeductible item, out of any moneys appropriated for the original construction of any public building, an amount of one-half of one percent of the appropriation to be expended by the Washington state arts commission for the acquisition of works of art.

(2) During the 2017-2019 fiscal biennium, for projects funded in the capital budget, a state agency, working with the Washington state arts commission, may expend up to ten percent of the projected art allocation for a project during the design phase in order to select an artist and design art to be integrated in the building design. The one-half of one percent to be expended by the Washington state arts commission must be adjusted downward by the amount expended by a state agency during the design phase of the capital project.

(3) The works of art may be placed on public lands, integral to or attached to a public building or structure, detached within or outside a public building or structure, part of a portable exhibition or collection, part of a temporary exhibition, or loaned or exhibited in other public facilities.

(4) In addition to the cost of the works of art, the one-half of one percent of the appropriation as provided herein shall be used to provide for the administration of the visual arts program, including conservation of the state art collection, by the Washington state arts commission and all costs for installation of the works of art. For the purpose of this section building shall not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. Sec. 7017. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7018. 2018 c ... (SHB 1656) s 13 (uncodified) is repealed.

NEW SECTION. Sec. 7019. Section 7018 of this act takes effect when chapter ... (Substitute House Bill No. 1656), Laws of 2018 takes effect.

MESSAGE FROM THE SENATE

March 3, 2018

MR. SPEAKER:

The Senate has passed ENGROSSED HOUSE BILL NO. 2519, with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.41.345 and 2015 c 130 s 2 are each amended to read as follows:

(1) Before a law enforcement agency returns a privately owned firearm, the law enforcement agency must:

(a) Confirm that the individual to whom the firearm will be returned is the individual from whom the firearm was obtained or an authorized representative of that person;

(b) Confirm that the individual to whom the firearm will be returned is eligible to possess a firearm pursuant to RCW 9.41.040;

(c) Ensure that the firearm is not otherwise required to be held in custody or otherwise prohibited from being released; and

(d) Ensure that twenty-four hours have elapsed from the time the firearm was obtained by law enforcement.

(2)(a) Once the requirements in subsections (1) and (3) of this section
have been met, a law enforcement agency must release a firearm to the individual from whom it was obtained or an authorized representative of that person upon request without unnecessary delay.

(b)(i) If a firearm cannot be returned because it is required to be held in custody or is otherwise prohibited from being released, a law enforcement agency must provide written notice to the individual from whom it was obtained within five business days of the individual requesting return of his or her firearm and specify the reason the firearm must be held in custody.

(ii) Notification may be made via email, text message, mail service, or personal service. For methods other than personal service, service shall be considered complete once the notification is sent.

(3) If a family or household member has requested to be notified pursuant to RCW 9.41.340, a law enforcement agency must:

(a) Provide notice to the family or household member within one business day of verifying that the requirements in subsection (1) of this section have been met; and

(b) Hold the firearm in custody for seventy-two hours from the time notification has been provided.

(4)(a) A law enforcement agency may not return a concealed pistol license that has been surrendered to or impounded by the law enforcement agency for any reason to the licensee until the law enforcement agency determines the licensee is eligible to possess a firearm under state and federal law and meets the other eligibility requirements for a concealed pistol license under RCW 9.41.070.

(b) A law enforcement agency must release a concealed pistol license to the licensee without unnecessary delay, and in no case longer than five business days, after the law enforcement agency determines the requirements of (a) of this subsection have been met.

(5) In confirming whether an individual is eligible to possess a firearm under this section, the law enforcement agency must review available records to determine whether the individual is an unlawful user of or addicted to any controlled substance and therefore prohibited from possessing a firearm pursuant to Title 18 U.S.C. Sec. 922(g)(3).

(6) The provisions of chapter 130, Laws of 2015 and subsection (4) of this section shall not apply to circumstances where a law enforcement officer has momentarily obtained a firearm or concealed pistol license from an individual and would otherwise immediately return the firearm or concealed pistol license to the individual during the same interaction.

Sec. 2. RCW 9.41.070 and 2017 c 282 s 1 and 2017 C 174 s 1 are each reenacted and amended to read as follows:

(1) The chief of police of a municipality or the sheriff of a county shall within thirty days after the filing of an application of any person, issue a license to such person to carry a pistol concealed on his or her person within this state for five years from date of issue, for the purposes of protection or while engaged in business, sport, or while traveling. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The issuing authority shall not refuse to accept completed applications for concealed pistol licenses during regular business hours.

The applicant's constitutional right to bear arms shall not be denied, unless:

(a) He or she is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045, or is prohibited from possessing a firearm under federal law;

(b) The applicant's concealed pistol license is in a revoked status;

(c) He or she is under twenty-one years of age;

(d) He or she is subject to a court order or injunction regarding firearms pursuant to chapters 7.90, 7.92, or 7.94 RCW, or RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590;
(e) He or she is free on bond or personal recognizance pending trial, appeal, or sentencing for a felony offense;

(f) He or she has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or

(g) He or she has been ordered to forfeit a firearm under RCW 9.41.098(1)(e) within one year before filing an application to carry a pistol concealed on his or her person.

No person convicted of a felony may have his or her right to possess firearms restored or his or her privilege to carry a concealed pistol restored, unless the person has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2)(a) The issuing authority shall conduct a check through the national instant criminal background check system, the Washington state patrol electronic database, the department of social and health services electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm, or is prohibited from possessing a firearm under federal law, and therefore ineligible for a concealed pistol license.

(b) The issuing authority shall deny a permit to anyone who is found to be prohibited from possessing a firearm under federal or state law.

(c) This subsection applies whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

(3) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec. 921(a)(20)(A) shall have his or her right to acquire, receive, transfer, ship, transport, carry, and possess firearms in accordance with Washington state law restored except as otherwise prohibited by this chapter.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, email address at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, and signature of the licensee, and the licensee's driver's license number or state identification card number if used for identification in applying for the license. A signed application for a concealed pistol license shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release information relevant to the applicant's eligibility for a concealed pistol license to an inquiring court or law enforcement agency.

The application for an original license shall include a complete set of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The application shall contain questions about the applicant's eligibility under RCW 9.41.040 and federal law to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen. If the applicant is not a United States citizen, the applicant must provide the applicant's country of citizenship, United States issued alien number or admission number, and the basis on which the applicant claims to be exempt from federal prohibitions on firearm possession by aliens. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. A person who is not a citizen of the United States shall, if applicable, meet the additional
requirements of RCW 9.41.173 and produce proof of compliance with RCW 9.41.173 upon application. The license may be in triplicate or in a form to be prescribed by the department of licensing.

A photograph of the applicant may be required as part of the application and printed on the face of the license.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an on-line format, all information received under this subsection.

(5) The nonrefundable fee, paid upon application, for the original five-year license shall be thirty-six dollars plus additional charges imposed by the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license.

The fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;
(b) Four dollars shall be paid to the agency taking the fingerprints of the person licensed;
(c) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter;
(d) Two dollars and sixteen cents to the firearms range account in the general fund; and
(e) Eighty-four cents to the concealed pistol license renewal notification account created in RCW 43.79.540.

(7) The nonrefundable fee for replacement of lost or damaged licenses is ten dollars to be paid to the issuing authority.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9) (a) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section. The fee shall be distributed as follows:

(i) Three dollars shall be deposited in the state wildlife account and used exclusively first for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law, and subsequently the support of volunteer instructors in the basic firearms safety training program conducted by the department of fish and wildlife. The pamphlet shall be given to each applicant for a license; and

(ii) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(b) Beginning with concealed pistol licenses that expire on or after August 1, 2018, the department of licensing shall mail a renewal notice approximately ninety days before the license expiration date to the licensee at the address listed on the concealed pistol license application, or to the licensee's new address if the licensee has notified the department of licensing of a change of address. Alternatively, if the licensee provides an email address at the time of license application, the department of
licensing may send the renewal notice to the licensee’s email address. The notice must contain the date the concealed pistol license will expire, the amount of renewal fee, the penalty for late renewal, and instructions on how to renew the license.

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.

(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.

(13) A person may apply for a concealed pistol license:

(a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;

(b) To the county in which the applicant resides if the applicant resides in an unincorporated area; or

(c) Anywhere in the state if the applicant is a nonresident.

(14) Any person who, as a member of the armed forces, including the national guard and armed forces reserves, is unable to renew his or her license under subsections (6) and (9) of this section because of the person's assignment, reassignment, or deployment for out-of-state military service, if the person provides the following to the issuing authority no later than ninety days after the person's date of discharge or assignment, reassignment, or deployment back to this state: (a) A copy of the person's original order designating the specific period of assignment, reassignment, or deployment for out-of-state military service, and (b) if appropriate, a copy of the person's discharge or amended or subsequent assignment, reassignment, or deployment order back to this state. A license so renewed under this subsection (14) shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license under this subsection (14) shall pay only the renewal fee specified in subsection (6) of this section and shall not be required to pay a late renewal penalty in addition to the renewal fee."

"PART I

TITLE AND INTENT

NEW SECTION. Sec. 1. This act may be known and cited as the law enforcement training and community safety act.

NEW SECTION. Sec. 2. The intent of the people in enacting this act is to make our communities safer. This is accomplished by requiring law enforcement officers to obtain violence de-escalation and mental health training, so that officers will have greater skills to resolve conflicts without the use of physical or deadly force. Law enforcement officers will receive first aid training and be required to render first aid, which will save lives and be a positive point of contact between law enforcement officers and community members to increase trust and reduce conflicts. Finally, the initiative adopts a "good faith" standard for officer criminal liability in those exceptional circumstances where deadly force is used, so that officers using deadly force in carrying out their duties in good faith will not face prosecution.

PART II

REQUIREING LAW ENFORCEMENT OFFICERS TO RECEIVE VIOLENCE DE-ESCALATION TRAINING

NEW SECTION. Sec. 3. A new section is added to chapter 43.101 RCW to read as follows:

(1) Beginning one year after the effective date of this section, all law enforcement officers in the state of Washington must receive violence de-escalation training. Law enforcement officers beginning employment after the effective date of this section must successfully complete such training within the first fifteen months of employment. The commission shall set the date by which other law enforcement officers must successfully complete such training.

(2) All law enforcement officers shall periodically receive continuing violence de-escalation training to practice their skills, update their knowledge and training, and learn about new legal requirements and violence de-escalation strategies.

(3) The commission shall set training requirements through the procedures in section 5 of this act.

PART III

REQUIREING LAW ENFORCEMENT OFFICERS TO RECEIVE MENTAL HEALTH TRAINING

NEW SECTION. Sec. 4. A new section is added to chapter 43.101 RCW to read as follows:

(1) Beginning one year after the effective date of this section, all law
enforcement officers in the state of
Washington must receive mental health
training. Law enforcement officers
beginning employment after the effective
date of this section must successfully
complete such training within the first
fifteen months of employment. The
commission shall set the date by which
other law enforcement officers must
successfully complete such training.

(2) All law enforcement officers shall
periodically receive continuing mental
health training to update their knowledge
about mental health issues and associated
legal requirements, and to update and
practice skills for interacting with
people with mental health issues.

(3) The commission shall set training
requirements through the procedures in
section 5 of this act.

PART IV

TRAINING REQUIREMENTS SHALL BE SET IN
CONSULTATION WITH LAW ENFORCEMENT AND
COMMUNITY STAKEHOLDERS

NEW SECTION. Sec. 5. A new section
is added to chapter 43.101 RCW to read as
follows:

(1) Within six months after the
effective date of this section, the
commission must consult with law
enforcement agencies and community
stakeholders and adopt rules for carrying
out the training requirements of sections
3 and 4 of this act. Such rules must, at
a minimum:

(a) Adopt training hour requirements
and curriculum for initial violence de-
escalation trainings required by this
act;

(b) Adopt training hour requirements
and curriculum for initial mental health
trainings required by this act, which may
include all or part of the mental health
training curricula established under RCW
43.101.227 and 43.101.427;

(c) Adopt annual training hour
requirements and curricula for
continuing trainings required by this
act;

(d) Establish means by which law
enforcement officers will receive
trainings required by this act; and

(e) Require compliance with this act's
training requirements.

(2) In developing curricula, the
commission shall consider inclusion of
the following:

(a) De-escalation in patrol tactics
and interpersonal communication
training, including tactical methods
that use time, distance, cover, and
concealment, to avoid escalating
situations that lead to violence;

(b) Alternatives to jail booking,
arrest, or citation in situations where
appropriate;

(c) Implicit and explicit bias,
cultural competency, and the historical
intersection of race and policing;

(d) Skills including de-escalation
techniques to effectively, safely, and
respectfully interact with people with
disabilities and/or behavioral health
issues;

(e) "Shoot/don't shoot" scenario
training;

(f) Alternatives to the use of
physical or deadly force so that de-
escalation tactics and less lethal
alternatives are part of the decision-
making process leading up to the
consideration of deadly force;

(g) Mental health and policing,
including bias and stigma; and

(h) Using public service, including
rendering of first aid, to provide a
positive point of contact between law
enforcement officers and community
members to increase trust and reduce

(3) The initial violence de-escalation
training must educate officers on the
good faith standard for use of deadly
force established by this act and how
that standard advances violence de-
escalation goals.

trainings, alone or in partnership with
private parties or law enforcement
agencies, authorize private parties or
law enforcement agencies to provide
trainings, or any combination thereof.
The entity providing the training may

NEW SECTION. Sec. 6. A new section is added to chapter 36.28A RCW to read as follows:

(1) It is the policy of the state of Washington that all law enforcement personnel must provide or facilitate first aid such that it is rendered at the earliest safe opportunity to injured persons at a scene controlled by law enforcement.

(2) Within one year after the effective date of this section, the Washington state criminal justice training commission, in consultation with the Washington state patrol, the Washington association of sheriffs and police chiefs, organizations representing state and local law enforcement officers, health providers and/or health policy organizations, tribes, and community stakeholders, shall develop guidelines for implementing the duty to render first aid adopted in this section. The guidelines must:

(a) Adopt first aid training requirements;

(b) Address best practices for securing a scene to facilitate the safe, swift, and effective provision of first aid to anyone injured in a scene controlled by law enforcement or as a result of law enforcement action; and

(c) Assist agencies and law enforcement officers in balancing the many essential duties of officers with the solemn duty to preserve the life of persons with whom officers come into direct contact.

PART VI
ADOPTING A "GOOD FAITH" STANDARD FOR LAW ENFORCEMENT OFFICER USE OF DEADLY FORCE

Sec. 7. RCW 9A.16.040 and 1986 c 209 s 2 are each amended to read as follows:

(1) Homicide or the use of deadly force is justifiable in the following cases:

(a) When a public officer applies deadly force in obedience to the judgment of a competent court; or

(b) When necessarily used by a peace officer meeting the good faith standard of this section to overcome actual resistance to the execution of the legal process, mandate, or order of a court or officer, or in the discharge of a legal duty; or

(c) When necessarily used by a peace officer meeting the good faith standard of this section or person acting under the officer's command and in the officer's aid:

(i) To arrest or apprehend a person who the officer reasonably believes has committed, has attempted to commit, is committing, or is attempting to commit a felony;

(ii) To prevent the escape of a person from a federal or state correctional facility or in retaking a person who escapes from such a facility; or

(iii) To prevent the escape of a person from a county or city jail or holding facility if the person has been arrested for, charged with, or convicted of a felony; or

(iv) To lawfully suppress a riot if the actor or another participant is armed with a deadly weapon.

(2) In considering whether to use deadly force under subsection (1)(c) of this section, to arrest or apprehend any person for the commission of any crime, the peace officer must have probable cause to believe that the suspect, if not apprehended, poses a threat of serious physical harm to the officer or a threat of serious physical harm to others. Among the circumstances which may be considered by peace officers as a "threat of serious physical harm" are the following:

(a) The suspect threatens a peace officer with a weapon or displays a weapon in a manner that could reasonably be construed as threatening; or

(b) There is probable cause to believe that the suspect has committed any crime involving the infliction or threatened infliction of serious physical harm.

Under these circumstances deadly force may also be used if necessary to prevent escape from the officer, where, if feasible, some warning is given, provided the officer meets the good faith standard of this section.

(3) A public officer covered by subsection (1)(a) of this section shall not be held criminally liable for using deadly force without malice and with a good faith belief that such act is justifiable pursuant to this section.
(4) A peace officer shall not be held criminally liable for using deadly force in good faith, where "good faith" is an objective standard which shall consider all the facts, circumstances, and information known to the officer at the time to determine whether a similarly situated reasonable officer would have believed that the use of deadly force was necessary to prevent death or serious physical harm to the officer or another individual.

(5) This section shall not be construed as:

(a) Affecting the permissible use of force by a person acting under the authority of RCW 9A.16.020 or 9A.16.050;

or

(b) Preventing a law enforcement agency from adopting standards pertaining to its use of deadly force that are more restrictive than this section.

NEW SECTION. Sec. 8. Except as required by federal consent decree, federal settlement agreement, or federal court order, where the use of deadly force by a peace officer results in death, substantial bodily harm, or great bodily harm, an independent investigation must be completed to inform any determination of whether the use of deadly force met the good faith standard established in RCW 9A.16.040 and satisfied other applicable laws and policies. The investigation must be completely independent of the agency whose officer was involved in the use of deadly force. The criminal justice training commission must adopt rules establishing criteria to determine what qualifies as an independent investigation pursuant to this section.

NEW SECTION. Sec. 9. Whenever a law enforcement officer's application of force results in the death of a person who is an enrolled member of a federally recognized Indian tribe. Notice provided under this section must include sufficient information for the governor's office of Indian affairs to attempt to identify the deceased person and his or her tribal affiliation. Nothing in this section requires a law enforcement agency to disclose any information that could compromise the integrity of any criminal investigation. The governor's office of Indian affairs must establish a means to receive the notice required under this section, including outside of regular business hours, and must immediately notify the tribe of which the person was enrolled.

NEW SECTION. Sec. 10. A new section is added to chapter 9A.16 RCW to read as follows:

(1) When a peace officer who is charged with a crime is found not guilty or charges are dismissed by reason of justifiable homicide or use of deadly force under RCW 9A.16.040, or by reason of self-defense, for actions taken while on duty or otherwise within the scope of his or her authority as a peace officer, the state of Washington shall reimburse the defendant for all reasonable costs, including loss of time, legal fees incurred, and other expenses involved in his or her defense. This reimbursement is not an independent cause of action.

(2) If the trier of fact makes a determination of justifiable homicide, justifiable use of deadly force, or self-defense, the judge shall determine the amount of the award.

(3) Whenever the issue of justifiable homicide, justifiable use of deadly force, or self-defense under this section is decided by a judge, or whenever charges against a peace officer are dismissed based on the merits, the judge shall consider the same questions as must be answered in the special verdict under subsection (4) of this section.

(4) Whenever the issue of justifiable homicide, justifiable use of deadly force, or self-defense under this section has been submitted to a jury, and the jury has found the defendant not guilty, the court shall instruct the jury to return a special verdict in substantially the following form:

answer yes or no
1. Was the defendant on duty or otherwise acting within the scope of his or her authority as a peace officer? .......

2. Was the finding of not guilty based upon justifiable homicide, justifiable use of deadly force, or self-defense? .......

(5) Nothing in this section precludes the legislature from using the sundry claims process to grant an award where none was granted under this section or otherwise where the charge was dismissed prior to trial, or to grant a higher award than one granted under this section.

PART VII
MISCELLANEOUS

NEW SECTION. Sec. 11. The provisions of this act are to be liberally construed to effectuate the intent, policies, and purposes of this act. Nothing in this act precludes local jurisdictions or law enforcement agencies from enacting additional training requirements or requiring law enforcement officers to provide first aid in more circumstances than required by this act or guidelines adopted under this act.

NEW SECTION. Sec. 12. Except where a different timeline is provided in this act, the Washington state criminal justice training commission must adopt any rules necessary for carrying out the requirements of this act within one year after the effective date of this section. In carrying out all rule making under this act, the commission shall seek input from the attorney general, law enforcement agencies, the Washington council of police and sheriffs, the Washington state patrol troopers association, at least one association representing law enforcement who represent traditionally underrepresented communities including the black law enforcement association of Washington, de-escalate Washington, tribes, and community stakeholders. The commission shall consider the use of negotiated rule making.

Where this act requires involvement of community stakeholders, input must be sought from organizations advocating for: Persons with disabilities; members of the lesbian, gay, bisexual, transgender, and queer community; persons of color; immigrants; non-citizens; native Americans; youth; and formerly incarcerated persons.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. Sections 8 and 9 of this act constitute a new chapter in Title 10 RCW.

NEW SECTION. Sec. 15. For constitutional purposes, the subject of this act is "law enforcement."

NEW SECTION. Sec. 16. This act constitutes an alternative to Initiative Measure No. 940. The secretary of state shall place this act on the ballot in conjunction with Initiative Measure No. 940, pursuant to Article II, section 1(a) of the state Constitution.

Brad Hendrickson, Secretary

**CONFERENCE COMMITTEE REPORT**

March 6, 2018
Engrossed House Bill No. 1506

**Includes “New Item”: YES**

Mr. Speaker:

We of your Conference Committee, to whom was referred SECOND SUBSTITUTE HOUSE BILL NO. 1506, addressing workplace practices to achieve gender pay equity, have had the same under consideration and we recommend that:

All previous amendments not be adopted and that the attached striking amendment (S-6138.2/18) be adopted and that the bill do pass as recommended by the Conference Committee:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. The legislature finds that despite existing equal pay laws, there continues to be a gap in wages and advancement opportunities among workers in Washington, especially women. Income disparities limit the ability of women to provide for their families, leading to higher rates of poverty among women and children. The legislature finds that in order to promote fairness among workers, employees must be compensated equitably. Further, policies that encourage retaliation or discipline towards workers who discuss or inquire about compensation prevent workers from moving forward.

The legislature intends to update the existing Washington state equal pay act, not modified since 1943, to address income disparities, employer discrimination, and retaliation practices, and to reflect the equal status of all workers in Washington state.

NEW SECTION, Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Compensation" means discretionary and nondiscretionary wages and benefits provided by an employer to an employee as a result of the employment relationship.

(2) "Department" means the department of labor and industries.

(3) "Director" means the director of the department of labor and industries, or the director's designated representative."
"Employee" means an employee who is employed in the business of the employee's employer whether by way of manual labor or otherwise.

"Employer" means any person, firm, corporation, partnership, business trust, legal representative, or other business entity which engages in any business, industry, profession, or activity in this state and employs one or more employees, and includes the state, any state institution, state agency, political subdivisions of the state, and any municipal corporation or quasi-municipal corporation.

Sec. 3. RCW 49.12.175 and 1943 c 254 s 1 are each amended to read as follows:

(1) Any employer in this state, employing both males and females, who shall discriminate in any way in the payment of wages as between sexes or who shall pay any female a less wage, be it time or piece work, or salary, than is being paid to males) who discriminates in any way in providing compensation based on gender between similarly employed (or in any employment formerly performed by males, shall be) employees of the employer is guilty of a misdemeanor. If any (female) employee (shall) receives less compensation because of (being discriminated against) discrimination on account of (her sex, and) gender in violation of this section, (she shall be) that employee is entitled to (recover in a civil action the full amount of compensation that she would have received had she not been discriminated against) the remedies in sections 7 and 8 of this act. In such action, however, the employer shall be credited with any compensation which has been paid to (he) the employee upon account. (A differential in wages between employees based in good faith on a factor or factors other than sex shall not constitute discrimination within the meaning of RCW 49.12.010 through 49.12.180.)

(2) For purposes of this section, employees are similarly employed if the individuals work for the same employer, the performance of the job requires similar skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed.

(3)(a) Discrimination within the meaning of this section does not include a differential in compensation based in good faith on a bona fide job-related factor or factors that:

(i) Are consistent with business necessity;

(ii) Are not based on or derived from a gender-based differential; and

(iii) Account for the entire differential. More than one factor may account for the differential.

(b) Such bona fide factors include, but are not limited to:

(i) Education, training, or experience;

(ii) A seniority system;

(iii) A merit system;

(iv) A system that measures earnings by quantity or quality of production; or

(v) A bona fide regional difference in compensation levels.

(c) A differential in compensation based in good faith on a local government ordinance providing for a minimum wage different from state law does not constitute discrimination under this section.

(d) An individual's previous wage or salary history is not a defense under this section.

(e) The employer carries the burden of proof on these defenses.

NEW SECTION. Sec. 4. (1) The legislature finds that equality of opportunity for advancement is key to reducing income disparities based on gender. The legislature further finds that using gender as a factor in advancement contributes to pay inequity.

(2) An employer may not, on the basis of gender, limit or deprive an employee of career advancement opportunities that would otherwise be available.

(3) A differential in career advancement based on a bona fide job-related factor or factors that meet the criteria in RCW 49.12.175(3)(a) (i) through (iii) (as recodified by this act) does not constitute discrimination
within the meaning of this section. Such bona fide factors include, but are not limited to, the factors specified in RCW 49.12.175(3)(b) (i) through (iv) (as recodified by this act).

(4)(a) If it is determined that an employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the employee is entitled to the remedies in this section and in section 8 of this act.

(b) Upon complaint by an employee, the director must investigate to determine if there has been compliance with this section and the rules adopted to implement this section. The director, upon complaint, may also initiate an investigation on behalf of one or more employees for a violation of this section and the rules adopted to implement this section. The director may require the testimony of witnesses and production of documents as part of an investigation.

(c) If the director determines that a violation occurred, the director shall attempt to resolve the violation by conference and conciliation.

(d) If no agreement is reached to resolve the violation and the director determines that the employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the director may issue a citation and notice of assessment:

(i) The employer to pay to the employee actual damages, statutory damages equal to the actual damages or five thousand dollars, whichever is greater, and interest of one percent per month on all compensation owed;

(ii) The employer to pay to the department the costs of investigation and enforcement; and

(iii) Any other appropriate relief.

(e) In addition to the citation and notice of assessment, if the director determines that the employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the director may order payment to the department of a civil penalty. The violation as to each affected employee constitutes a separate violation.

(i) For a first violation, the civil penalty may not exceed five hundred dollars.

(ii) For a repeat violation, the civil penalty may not exceed one thousand dollars or ten percent of the damages, whichever is greater.

(f) Section 7 (3), (4), and (5) of this act applies to this section.

NEW SECTION. Sec. 5. (1) An employer may not:

(a) Require nondisclosure by an employee of his or her wages as a condition of employment; or

(b) Require an employee to sign a waiver or other document that prevents the employee from disclosing the amount of the employee's wages.

(2) An employer may not discharge or in any other manner retaliate against an employee for:

(a) Inquiring about, disclosing, comparing, or otherwise discussing the employee's wages or the wages of any other employee;

(b) Asking the employer to provide a reason for the employee's wages or lack of opportunity for advancement; or

(c) Aiding or encouraging an employee to exercise his or her rights under this section.

(3) An employer may prohibit an employee who has access to compensation information of other employees or applicants as part of such employee's essential job functions from disclosing the wages of the other employees or applicants to individuals who do not otherwise have access to such information, unless the disclosure is in response to a complaint or charge, in furtherance of an investigation, or consistent with the employer's legal duty to provide the information and the disclosure is part of the employee's essential job functions. An employee described in this subsection otherwise has the protections of this section, including to disclose the employee's wages without retaliation.
This section does not require an employee to disclose the employee's compensation.

This section does not permit an employee to violate the requirements in chapter 49.17 RCW and rules adopted under that chapter.

NEW SECTION. Sec. 6. An employer may not retaliate, discharge, or otherwise discriminate against an employee because the employee has filed any complaint, or instituted or caused to be instituted any proceeding under this chapter, or has testified or is about to testify in any such proceeding, or because of the exercise by such employee on behalf of himself or herself or others of any right afforded by this chapter.

NEW SECTION. Sec. 7. (1) Upon complaint by an employee, the director must investigate to determine if there has been compliance with RCW 49.12.175 (as recodified by this act), sections 5 and 6 of this act, and the rules adopted under this chapter. The director, upon complaint, may also initiate an investigation on behalf of one or more employees for a violation of RCW 49.12.175 (as recodified by this act), sections 5 and 6 of this act, and the rules adopted under this chapter. The director may require the testimony of witnesses and production of documents as part of an investigation.

(2) If the director determines that a violation occurred, the director shall attempt to resolve the violation by conference and conciliation.

(a) If no agreement is reached to resolve the violation, the director may issue a citation and notice of assessment and order the employer to pay to the complainant actual damages; statutory damages equal to the actual damages or five thousand dollars, whichever is greater; interest of one percent per month on all compensation owed; payment to the department of the costs of investigation and enforcement; and any other appropriate relief.

(b) In addition to the citation and notice of assessment, the director may order payment to the department of a civil penalty. For purposes of a civil penalty for violation of RCW 49.12.175 (as recodified by this act) and section 6 of this act, the violation as to each affected employee constitutes a separate violation.

(i) For a first violation, the civil penalty may not exceed five hundred dollars.

(ii) For a repeat violation, the civil penalty may not exceed one thousand dollars or ten percent of the damages, whichever is greater.

(3) An appeal from the director's determination may be taken in accordance with chapter 34.05 RCW. An employee who prevails is entitled to costs and reasonable attorneys' fees.

(4) The department must deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(5) Any wages and interest owed must be calculated from four years from the last violation before the complaint.

NEW SECTION. Sec. 8. MESSAGE FROM THE SENATE
March 6, 2018

MR. SPEAKER:
The Senate receded from its amendment(s) to SECOND
SUBSTITUTE HOUSE BILL NO. 1896, and under
suspension of the rules returned SECOND SUBSTITUTE
HOUSE BILL NO. 1896 to second reading for purpose of
amendment(s). The Senate further adopted amendment
1896-S2 AMS WELLS6129.1 and passed the measure as
amended.

and the same are herewith transmitted,

Brad Hendrickson, Secretary

Strike everything after the enacting
clause and insert the following:

"NEW SECTION. Sec. 14. The
legislature finds that effective civics
education teaches students how to be
active, informed, and engaged citizens.
The legislature recognizes that RCW
28A.150.210 identifies civics as one
component of a basic education and that
one-half credit in civics is required for
high school graduation. The required
civics content, however, may be embedded
in another social studies course."
Civics requirements are meant to ensure that every student receives a high-quality civics education from kindergarten through twelfth grade. The legislature also recognizes, however, that two factors limit the effectiveness of civics education.

First, when the one-half civics credit is embedded in other courses rather than taught in a stand-alone civics course, the required content is easily diluted or ignored altogether. Pressure to emphasize other areas of the curriculum can relegate civics education to a lesser role.

Second, professional development opportunities for teachers in civics education are rare. In many districts, due to limited budgets and competing demands for funding, opportunities for teachers to deepen instructional and curricular practices in civics do not exist.

The legislature, therefore, intends to: Require school districts to provide a mandatory stand-alone civics course for all high school students; and support the development of an in-depth and interactive teacher professional development program to improve the ability of teachers throughout the state to provide students with an effective civics education from kindergarten through twelfth grade. This expanded civics education program seeks to ensure that students have basic knowledge about national, state, tribal, and local governments, and that they develop the skills and dispositions needed to become informed and engaged citizens.

NEW SECTION. Sec. 15. A new section is added to chapter 28A.230 RCW to read as follows:

(1)(a) Beginning with or before the 2020-21 school year, each school district that operates a high school must provide a mandatory one-half credit stand-alone course in civics for each high school student. Except as provided by (c) of this subsection, civics content and instruction embedded in other social studies courses do not satisfy the requirements of this subsection.

(b) Credit awarded to students who complete the civics course must be applied to course credit requirements in social studies that are required for high school graduation.

(c) Civics content and instruction required by this section may be embedded in social studies courses that offer students the opportunity to earn both high school and postsecondary credit.

(2) The content of the civics course must include, but is not limited to:

(a) Federal, state, tribal, and local government organization and procedures;

(b) Rights and responsibilities of citizens addressed in the Washington state and United States Constitutions;

(c) Current issues addressed at each level of government;

(d) Electoral issues, including elections, ballot measures, initiatives, and referenda;

(e) The study and completion of the civics component of the federally administered naturalization test required of persons seeking to become naturalized United States citizens; and

(f) The importance in a free society of living the basic values and character traits specified in RCW 28A.150.211.

NEW SECTION. Sec. 16. A new section is added to chapter 28A.415 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, an expanded civics education teacher training program is established within the office of the superintendent of public instruction.

(2) The program must provide for the selection of a team of qualified social studies teachers, and when appropriate, civics education specialists, from across the state who will:

(a) Develop teacher training materials using existing open educational resources (OERs) that include civics information on national, state, tribal, and local governments, and the civics component of the federally administered naturalization test required of persons seeking to become naturalized United States citizens;

(b) Provide teacher training across the state, consistent with provisions in this chapter, and using the tools established by the office of the superintendent of public instruction including the college, career, and civic life (C3) framework and the six proven
(c) Provide professional learning opportunities as described in section 2(3), chapter 77, Laws of 2016, which states that professional learning shall incorporate differentiated, coherent, sustained, and evidence-based strategies that improve educator effectiveness and student achievement, including job-embedded coaching or other forms of assistance to support educators’ transfer of new knowledge and skills into their practice.

(3) The program shall assure an increase in the number of:

(a) Teachers with the knowledge and skills to effectively engage students in civics education;

(b) Students who have a basic understanding of how governments work; and

(c) Students from every demographic and socioeconomic group who know their rights and responsibilities within society and are prepared to exercise them.

(4) The office of the superintendent of public instruction may accept gifts and grants to assist with the establishment and implementation of the program established in this section.

NEW SECTION. Sec. 17. A new section is added to chapter 28A.300 RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall select two school districts that are diverse in size and in geographic and demographic makeup to serve as demonstration sites for enhanced civics education. These demonstration sites will:

(1) Implement and assess an in-depth civics education program that includes the six proven instructional practices for enhancing civic education in kindergarten through twelfth grade classrooms;

(2) Collaborate with programs and agencies in the local community in order to expand after-school and summer civics education opportunities;

(3) Monitor and report the level of penetration of civics education in school and out-of-school programs;

(4) Ensure that underserved students including rural, low-income, immigrant, and refugee students are prioritized in the implementation of programs;

(5) Develop evaluation standards and a procedure for endorsing civics education curriculum that can be recommended for use in other school districts and out-of-school programs; and

(6) Provide an annual report on the demonstration sites by December 1st each year to the governor and the committees of the legislature with oversight over K-12 education.

NEW SECTION. Sec. 18. A new section is added to chapter 28A.300 RCW to read as follows:

Only the superintendent of public instruction or the superintendent’s designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Sec. 19. RCW 43.79A.040 and 2017 3rd sp.s. c 5 s 89 are each amended to read as follows:

(1) Money in the treasurer’s trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury, and may be commingled with moneys in the state treasury for cash management and cash balance purposes.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 22. It is the intent of the legislature to ensure our elections have the utmost confidence of the citizens of the state. In order to ensure the integrity of the elections in Washington, the legislature wants to maximize the security benefits of having locally run, decentralized counting systems in our state, based in thirty-nine different counties. The legislature wants to maximize this locally run benefit by adding options to the auditing process for local elections administrators. Multiple jurisdictions, with multiple options for ensuring election outcomes will increase the transparency, integrity, and trust of our elections process.

Sec. 23. RCW 29A.60.185 and 2005 c 242 s 5 are each amended to read as follows:

(1) Prior to certification of the election as required by RCW 29A.60.190, the county auditor shall conduct an audit of duplicated ballots in accordance with subsection (2) of this section, and an audit using at minimum one of the following methods:

(a) An audit of results of votes cast on the direct recording electronic voting devices, or other in-person ballot marking systems, used in the county if there are races or issues with more than ten votes cast on all direct recording electronic voting devices or other in-person ballot marking systems in the county. This audit must be conducted by randomly selecting by lot up to four percent of the direct recording electronic voting devices or other in-person ballot marking systems, or one direct recording electronic voting device or other in-person ballot marking system, whichever is greater, and, for each device or system, comparing the results recorded electronically with the results recorded on paper. For purposes of this audit, the results recorded on paper must be tabulated as follows: On one-fourth of the devices or systems selected for audit, the paper records must be tabulated manually; on the remaining devices or systems, the paper records may be tabulated by a mechanical device determined by the secretary of state to be capable of accurately reading the votes cast and printed thereon and qualified for use in the state under applicable state and federal laws. Three races or issues, randomly selected by lot, must be audited on each device or system. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit. As used in this subsection, "in-person ballot marking system" or "system" means an in-person ballot marking system that retains or produces an electronic voting record of each vote cast using the system;

(b) A random check of the ballot counting equipment consistent with RCW 29A.60.170(3);

(c) A risk-limiting audit. A "risk-limiting audit" means an audit protocol that makes use of statistical principles and methods and is designed to limit the risk of certifying an incorrect election outcome. The secretary of state shall:

(i) Set the risk limit. A "risk limit" means the largest statistical probability that an incorrect reported tabulation outcome is not detected in a risk-limiting audit;

(ii) Randomly select for audit at least one statewide contest, and for each county at least one ballot contest other than the selected statewide contest. The county auditor shall randomly select a ballot contest for audit if in any
particular election there is no statewide

(iii) Establish procedures for
implementation of risk-limiting audits, including random selection of the audit sample, determination of audit size, and procedures for a comparison risk-limiting audit and ballot polling risk-limiting audit as defined in (c)(iii)(A) and (B) of this subsection.

(A) In a comparison risk-limiting audit, the county auditor compares the voter markings on randomly selected ballots to the ballot-level cast vote record produced by the ballot counting equipment.

(B) In a ballot polling risk-limiting audit, the county auditor of a county using ballot counting equipment that does not produce ballot-level cast vote records reports the voter markings on randomly selected ballots until the prespecified risk limit is met; or

(d) An independent electronic audit of the original ballot counting equipment used in the county. The county auditor may either conduct an audit of all ballots cast, or limit the audit to three precincts or six batches pursuant to procedures adopted under RCW 29A.60.170(3). This audit must be conducted using an independent electronic audit system that is, at minimum:

(i) Approved by the secretary of state;

(ii) Completely independent from all voting systems, including ballot counting equipment, that is used in the county;

(iii) Distributed or manufactured by a vendor different from the vendor that distributed or manufactured the original ballot counting equipment; and

(iv) Capable of demonstrating that it can verify and confirm the accuracy of the original ballot counting equipment's reported results.

(2) Prior to certification of the election, the county auditor must conduct an audit of ballots duplicated under RCW 29A.60.125. The audit of duplicated ballots must involve a comparison of the duplicated ballot to the original ballot. The county canvassing board must establish procedures for the auditing of duplicated ballots.

(3) For each audit method, the secretary of state must adopt procedures for expanding the audit to include additional ballots when an audit results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots, and the method to determine how many additional ballots will be selected. The secretary of state shall adopt procedures to investigate the cause of any discrepancy found during an audit.

(4) The secretary of state must establish rules by January 1, 2019, to implement and administer the auditing methods in this section, including facilitating public observation and reporting requirements.

Sec. 24. RCW 29A.60.170 and 2011 c 10 s 55 are each amended to read as follows:

(1) At least twenty-eight days prior to any special election, general election, or primary, the county auditor shall request from the chair of the county central committee of each major political party a list of individuals who are willing to serve as observers. The county auditor has discretion to also request observers from any campaign or organization. The county auditor may delete from the lists names of those persons who indicate to the county auditor that they cannot or do not wish to serve as observers, and names of those persons who, in the judgment of the county auditor, lack the ability to properly serve as observers after training has been made available to them by the auditor.

(2) The counting center is under the direction of the county auditor and must be open to observation by one representative from each major political party, if representatives have been appointed by the respective major political parties and these representatives are present while the counting center is operating. The proceedings must be open to the public, but no persons except those employed and authorized by the county auditor may touch any ballot or ballot container or operate a vote tallying system.

(3) A random check of the ballot counting equipment ((may)) must be conducted upon mutual agreement of the political party observers or at the discretion of the county auditor. The
random check procedures must be adopted by the county canvassing board, and consistent with rules adopted under RCW 29A.60.185(4), prior to the processing of ballots. The random check process shall involve a comparison of a manual count or electronic count if an audit under RCW 29A.60.185(1)(d) is conducted to the machine count from the original ballot counting equipment and may involve up to either three precincts or six batches depending on the ballot counting procedures in place in the county. The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board. The random check procedures must include a process, consistent with RCW 29A.60.185(3) and rules adopted under RCW 29A.60.185(4), for expanding the audit to include additional ballots when a random check conducted under this section results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots and the method to determine how many additional ballots will be selected. Procedures adopted under RCW 29A.60.185 pertaining to investigations of any discrepancy found during an audit must be followed. The check must be completed no later than forty-eight hours after election day.

(4)(a) By November 1, 2018, the secretary of state shall:

(i) For each county, survey all random check procedures adopted by the county canvassing board under subsection (3) of this section; and

(ii) Evaluate the procedures to identify the best practices and any discrepancies.

(b) By December 15, 2018, the secretary of state shall submit a report, in compliance with RCW 43.01.036, to the appropriate committees of the legislature that provides recommendations, based on the evaluation performed under (a) of this subsection, for adopting best practices and uniform procedures.

Sec. 25. RCW 29A.60.110 and 2013 c 11 s 61 are each amended to read as follows:

(1) Immediately after their tabulation, all ballots counted at a ballot counting center must be sealed in containers that identify the primary or election and be retained for at least sixty days or according to federal law, whichever is longer.

(2) In the presence of major party observers who are available, ballots may be removed from the sealed containers at the elections department and consolidated into one sealed container for storage purposes. The containers may only be opened by the canvassing board as part of the canvass, to conduct recounts, to conduct a random check under RCW 29A.60.170, to conduct an audit under RCW 29A.60.185, or by order of the superior court in a contest or election dispute. If the canvassing board opens a ballot container, it shall make a full record of the additional tabulation or examination made of the ballots. This record must be added to any other record of the canvassing process in that county.

Sec. 26. RCW 29A.12.005 and 2013 c 11 s 21 are each amended to read as follows:

As used in this chapter, "voting system" means:

(1) The total combination of mechanical, electromechanical, or electronic equipment including, but not limited to, the software, firmware, and documentation required to program, control, and support the equipment, that is used:

NEW SECTION. Sec. 27. A new section is added to chapter 29A.12 RCW to read as follows:

(1) A manufacturer or distributor of a voting system or component of a voting system that is certified by the secretary of state under RCW 29A.12.020 shall disclose to the secretary of state and attorney general any breach of the security of its system immediately following discovery of the breach if:

(a) The breach has, or is reasonably likely to have, compromised the security, confidentiality, or integrity of an election in any state; or

(b) Personal information of residents in any state was, or is reasonably believed to have been, acquired by an unauthorized person as a result of the breach and the personal information was not secured. For purposes of this subsection, "personal information" has the meaning given in RCW 19.255.010.

(2) Notification under subsection (1) of this section must be made in the most expedient time possible and without unreasonable delay.

NEW SECTION. Sec. 28. A new section is added to chapter 29A.12 RCW to read as follows:

(1) The secretary of state may decertify a voting system or any component of a voting system and withdraw authority for its future use or sale in the state if, at any time after certification, the secretary of state determines that:

Sec. 29. RCW 29A.60.125 and 2005 c 243 s 10 are each amended to read as follows:

If inspection of the ballot reveals a physically damaged ballot or ballot that may be otherwise unreadable or uncountable by the tabulating system, the county auditor may refer the ballot to the county canvassing board or duplicate the ballot if so authorized by the county canvassing board. The voter's original ballot may not be altered. A ballot may be duplicated only if the intent of the voter's marks on the ballot is clear and the electronic voting equipment might not otherwise properly tally the ballot to reflect the intent of the voter. Ballots must be duplicated by teams of two or more people working together. When duplicating ballots, the county auditor shall take the following steps to create and maintain an audit trail of the action taken:

(1) Each original ballot and duplicate ballot must be assigned the same unique control number, with the number being marked upon the face of each ballot, to ensure that each duplicate ballot may be tied back to the original ballot;

(2) A log must be kept of the ballots duplicated, which must at least include:

(a) The control number of each original ballot and the corresponding duplicate ballot;

(b) The initials of at least two people who participated in the duplication of each ballot; and

(c) The total number of ballots duplicated.

Original and duplicate ballots must be sealed in secure storage at all times, except during duplication, inspection by the canvassing board, (or) tabulation, or to conduct an audit under RCW 29A.60.185.

The county auditor must submit the report to the secretary of state at the time of certification in any form determined by the secretary of state.

(3)(a) The secretary of state must collect the reconciliation reports from each county auditor and prepare a statewide reconciliation report for each state primary and general election. The report may be produced in a form determined by the secretary that includes the information as described in this subsection (3). The report must be prepared and published on the secretary of state's web site within two months after the last county's election results have been certified.

(b) The state report must include a comparison among counties on rates of votes received, counted, and rejected, including provisional, write-in, overseas ballots, and ballots transmitted electronically. "NEW SECTION. Sec. 31. This act may be known and cited as the automatic voter registration act of 2018.

NEW SECTION. Sec. 32. (1) The legislature finds that:

(a) The right to vote is enshrined as one of the greatest virtues of our democracy and that an engaged citizenry is essential at each level of government to ensure that all voices are heard; and

(b) State and local governments should take every step possible to make it easier to vote in Washington state and ensure that fundamental values of a true democracy with full participation remains one of our most important functions. Providing additional opportunities for people to register to vote and helping them make their own choices about who represents them in this democracy and about important issues that are central to their lives and communities are essential to upholding these values.

(2) Therefore, the legislature intends to increase the opportunity to register to vote for persons qualified under Article VI of the Washington state Constitution by expanding the streamlined voter registration process that will increase opportunities for voter registration without placing new undue burdens on government agencies.

The auditor shall record the appropriate precinct identification, taxing district identification, and date of registration on the voter's record in the state voter registration list. Any mailing address provided shall be used only for mail delivery purposes, and not for precinct assignment or residency purposes. Within sixty days after the receipt of an application or transfer, the auditor shall send to the applicant, by first-class nonforwardable mail, an acknowledgment notice identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable.

(2) If an application is not complete, the auditor shall promptly mail a verification notice to the applicant. The verification notice shall require the applicant to provide the missing information. If the applicant provides the required information within forty-five days, the applicant shall be registered to vote as of the original date of application. The alternate form of communication must not be in lieu of the first-class mail requirements. The auditor shall act in compliance with all voter notification processes established in federal law.

(2) If an application is not complete, the auditor shall promptly mail a verification notice to the applicant. The verification notice must require the applicant to provide the missing information. If the applicant provides the required information within forty-five days, the applicant must be registered to vote. The appropriations in this section are subject to the following conditions and limitations:

(1) $1,300,000 of the Tacoma Narrows toll bridge account—state appropriation and $9,048,000 of the state route number 520 corridor account—state appropriation are provided solely for the purposes of addressing unforeseen operations and maintenance costs on the Tacoma Narrows bridge and the state route number 520 bridge, respectively. The office of financial management shall place the amounts provided in this subsection, which represent a portion of the required minimum fund balance under the policy of the state treasurer, in unallotted status. The office may release the funds only when it determines that all other funds designated for operations and
maintenance purposes have been exhausted.

(2) $3,100,000 of the Interstate 405 express toll lanes operations account—state appropriation, $1,498,000 of the state route number 520 corridor account—state appropriation, and $1,802,000 of the high occupancy toll lanes operations account—state appropriation are provided solely for the operation and maintenance of roadside toll collection systems.

(3) $(4,328,000) $4,131,000 of the state route number 520 civil penalties account—state appropriation, $2,192,000 of the Tacoma Narrows toll bridge account—state appropriation, and $1,191,000 of the Interstate 405 express toll lanes operations account—state appropriation are provided solely for expenditures related to the toll adjudication process.

(4) The department shall make detailed quarterly expenditure reports available to the Washington state transportation commission and to the public on the department's web site using current resources. The reports must include a summary of toll revenue by facility on all operating toll facilities and high occupancy toll lane systems, and an itemized depiction of the use of that revenue.

(5) As long as the facility is tolled, the department must provide quarterly reports to the transportation committees of the legislature on the Interstate 405 express toll lane project performance measures listed in RCW 47.56.880(4). These reports must include:

(a) Information on the travel times and travel time reliability (at a minimum, average and 90th percentile travel times) maintained during peak and nonpeak periods in the express toll lanes and general purpose lanes for both the entire corridor and commonly made trips in the corridor including, but not limited to, northbound from Bellevue to Rose Hill, state route number 520 at NE 148th to Interstate 405 at state route number 522, Bellevue to Bothell (both NE 8th to state route number 522 and NE 8th to state route number 527), and a trip internal to the corridor (such as NE 85th to NE 160th) and similar southbound trips;

(b) A month-to-month comparison of travel times and travel time reliability for the entire corridor and commonly made trips in the corridor as specified in (a) of this subsection since implementation of the express toll lanes and, to the extent available, a comparison to the travel times and travel time reliability prior to implementation of the express toll lanes;

(c) Total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane (i) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, on this segment of Interstate 405 prior to implementation of the express toll lanes and (ii) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, from month to month since implementation of the express toll lanes; and

(d) Underlying congestion measurements, that is, speeds, that are being used to generate the summary graphs provided, to be made available in a digital file format.

(6) $666,000 of the high occupancy toll lanes operations account—state appropriation, $11,527,000 of the state route number 520 corridor account—state appropriation, $4,955,000 of the Tacoma Narrows toll bridge account—state appropriation, $4,286,000 of the Interstate 405 express toll lanes operations account—state appropriation, and $6,506,000 of the Alaskan Way viaduct replacement project account—state appropriation are provided solely for the department to implement a new tolling customer service toll collection system, and are subject to the conditions, limitations, and review provided in section 701 ((of this act)), chapter 313, Laws of 2017.

(a) The office of financial management shall place $2,000,000 of the amounts provided in this subsection in unallotted status, to be distributed between the facilities using the account proportions in this subsection. If the vendors selected as the successful bidders for the new tolling customer service toll collection system or the operator of the new system are different than the vendor as of January 1, 2017, the office of financial management may release portions of this amount as transition costs.
(b) The funds provided in this subsection from the Alaskan Way viaduct replacement project account–state appropriation are provided through a transfer from the motor vehicle account–state in section 408(26) (section 378-179A.050, Laws of 2017). These funds are a loan to the Alaskan Way viaduct replacement project account–state, and the legislature assumes that these funds will be reimbursed to the motor vehicle account–state at a later date when the portion of state route number 99 that is the deep bore tunnel is operational.

(c) The department must provide a project status report to the office of financial management and the transportation committees of the legislature on at least a calendar quarterly basis. The report must include, but is not limited to:

(i) Detailed information about the planned and actual scope, schedule, and budget;

(ii) Status of key vendor and other project deliverables; and

(iii) A description of significant changes to planned deliverables or system functions over the life of the project.

(d) The department shall continue to work with the office of financial management, office of the chief information officer, and the transportation committees of the legislature on the project management plan that includes a provision for independent verification and validation of contract deliverables from the successful bidder and a provision for quality assurance that includes reporting independently to the office of the chief information officer on an ongoing basis during system implementation.

(7) The department shall make detailed quarterly reports to the governor and the transportation committees of the legislature on the following:

(a) The use of consultants in the tolling program, including the name of the contractor, the scope of work, the type of contract, timelines, deliverables, any new task orders, and any extensions to existing consultant contracts;

(b) The nonvendor costs of administering toll operations, including the costs of staffing the division, consultants and other personal service contracts required for technical oversight and management assistance, insurance, payments related to credit card processing, transponder purchases and inventory management, facility operations and maintenance, and other miscellaneous nonvendor costs; and

(c) The vendor-related costs of operating tolled facilities, including the costs of the customer service center, cash collections on the Tacoma Narrows bridge, electronic payment processing, and toll collection equipment maintenance, renewal, and replacement.

(d) The toll adjudication process, including a summary table for each toll facility that includes:

(i) The number of notices of civil penalty issued;

(ii) The number of recipients who pay before the notice becomes a penalty;

(iii) The number of recipients who request a hearing and the number who do not respond;

(iv) Workload costs related to hearings;

(v) The cost and effectiveness of debt collection activities; and

(vi) Revenues generated from notices of civil penalty.

(8) $13,179,000 of the Interstate 405 express toll lanes operations account–state appropriation is provided solely for operational costs related to the express toll lane facility. The office of financial management shall place $6,808,000 of the amount provided in this subsection in unallotted status. The office of financial management may only release the funds to the department upon the passage of a 2018 supplemental transportation budget.

(9) In 2021, toll equipment on the Tacoma Narrows Bridge will have reached the end of its operational life. During the 2017-2019 fiscal biennium, the department plans to issue a request for proposals as the first stage of a competitive procurement process that will replace the toll equipment and select a new tolling operator for the Tacoma Narrows Bridge. The request for proposals and subsequent competitive procurement must incorporate elements that prioritize the overall goal of
lowering costs per transaction for the facility, such as incentives for innovative approaches which result in lower transactional costs, requests for efficiencies on the part of the bidder that lower operational costs, and incorporation of technologies such as self-serve credit card machines or other point-of-payment technologies that lower costs or improve operational efficiencies.

(10) $5,583,000 of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the new state route number 99 tunnel toll facility's expected proportional share of collecting toll revenues, operating customer services, and maintaining toll collection systems for the last seven months of the biennium. Due to the uncertainty of the new state route number 99 tunnel toll facility timeline, the legislature is holding the other tolled facilities' administrative cost shares constant for this biennium. The legislature expects to see appropriate reductions to the other toll facility accounts once tolling on the new state route number 99 tunnel toll facility commences and any previously incurred costs for start-up of the new facility are charged back to the Alaskan Way viaduct replacement project account. The office of financial management shall closely monitor the application of the cost allocation model and ensure that the new state route number 99 tunnel toll facility is adequately sharing costs and the other toll facility accounts are not being overspent or subsidizing the new state route number 99 tunnel toll facility.

(11) $1,849,000 of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the costs associated with the sale of transponders for the opening of the new state route number 99 tunnel toll facility in Seattle. The office of financial management shall place $510,000 of the amount provided in this subsection in unallotted status. The office of financial management may only release the funds to the department if it determines the transponder inventory will otherwise not be sufficient for facility ramp up.

The appropriations in this section are subject to the following conditions and limitations:

(1) $9,588,000 of the motor vehicle account—state appropriation is provided solely for the development of the labor system replacement project and is subject to the conditions, limitations, and review provided in section 701 (of this act), chapter 313, Laws of 2017. It is the intent of the legislature that if any portion of the labor system replacement project is leveraged in the future for the time, leave, and labor distribution of any other agencies, the motor vehicle account will be reimbursed proportionally for the development of the system since amounts expended from the motor vehicle account must be used exclusively for highway purposes in conformance with Article II, section 40 of the state Constitution. This must be accomplished through a loan arrangement with the current interest rate under the terms set by the office of the state treasurer at the time the system is deployed to additional agencies. If the motor vehicle account is not reimbursed for future use of the system, it is further the intent of the legislature that reductions will be made to central service agency charges accordingly.

(2) $2,296,000 of the motor vehicle account—state appropriation is provided
solely for the development of ferries network systems support.

(3) $365,000 of the motor vehicle account—state appropriation is provided solely for the department to contract with a consultant to develop a plan, in consultation with the office of financial management, and cost estimate to modernize and migrate the department’s business applications from an agency-based data center to the state data center or a cloud-based environment.

The appropriations in this section are subject to the following conditions and limitations:

1. $300,000 of the motor vehicle account—state appropriation is provided solely for the completion of property value determinations for surplus properties to be sold. The value determinations must be completed by agency staff if available; otherwise, the agency may contract out for these services. The real estate services division of the department must recover the cost of its efforts from the sale of surplus property. Proceeds for surplus property sales must fund additional future sales, and the real estate services division shall prioritize staff resources to meet revenue assumptions for surplus property sales.

2. The legislature recognizes that the trail known as the Rocky Reach Trail, and its extensions, serve to separate motor vehicle traffic from pedestrians and bicyclists, increasing motor vehicle safety on state route number 2 and the coincident section of state route number 97. Consistent with chapter 47.30 RCW and pursuant to RCW 47.12.080, the legislature declares that transferring portions of WSDOT Inventory Control (IC) No. 2-09-04866 containing the trail and associated buffer areas to the Washington state parks and recreation commission is consistent with the public interest. The legislature directs the department to transfer the property to the Washington state parks and recreation commission.

   a. The department must be paid fair market value for any portions of the transferred real property that is later abandoned, vacated, or ceases to be publicly maintained for trail purposes.

   b. Prior to completing the transfer in this subsection (2), the department must ensure that provisions are made to accommodate private and public utilities and any facilities that predate the department's acquisition of the property, at no cost to those entities. Prior to completing the transfer, the department shall also ensure that provisions, by fair market assessment, are made to accommodate other private and public utilities and any facilities that have been legally allowed by permit or other instrument.

   c. The department may sell any adjoining property that is not necessary to support the Rocky Reach Trail and adjacent buffer areas only after the transfer of trail-related property to the Washington state parks and recreation commission is complete. Adjoining property owners must be given the first opportunity to acquire such property that abuts their property, and applicable boundary line or other adjustments must be made to the legal descriptions for recording purposes.

3. With respect to Parcel 12 of the real property conveyed by the state of Washington to the city of Mercer Island under that certain quitclaim deed, dated April 19, 2000, recorded in King county under recording no. 20000425001234, the requirement in the deed that the property be used for road/street purposes only will be deemed satisfied by the department of transportation so long as commuter parking, as part of the vertical development of the property, is one of the significant uses of the property.

The transportation partnership account—state appropriation funding is a transfer or a reappropriation of a transfer from the I-405/Kirkland Vicinity Stage 2 - Widening project due to savings, and will start an additional phase of this I-405 project.

((16)) (a) The SR 520 Bridge Replacement and HOV project (8BI1003) is supported over time from multiple sources, including a $300,000,000 TIFIA loan, $924,615,000 in Garvee bonds, toll revenues, state bonds, interest earnings, and other miscellaneous sources.

(c) When developing the financial plan for the project, the department shall assume that all maintenance and operation costs for the new facility are to be covered by tolls collected on the toll facility and not by the motor vehicle account.

((17)) (18) Any advisory group that the department convenes during the 2017-2019 fiscal biennium must consider the interests of the entire state of Washington.

((18)) (19) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue $50,000,000 in federal funds to pay for this project to supplant state funds in the future. $50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

((19) $93,500,000) (20) $93,651,000 of the connecting Washington account—state appropriation is provided solely for the SR 167/SR 509 Puget Sound Gateway project (M00600R).

(a) Any savings on the project must stay on the Puget Sound Gateway corridor until the project is complete.

(b) Proceeds from the sale of any surplus real property acquired for the purpose of building the SR 167/SR 509 Puget Sound Gateway (M00600R) project must be deposited into the motor vehicle account for the purpose of constructing the project.

((20)) (21)(a) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(b) The secretary of transportation must develop a memorandum of understanding with local project stakeholders that identifies a schedule for stakeholders to provide local matching funds for the Puget Sound Gateway project. Criteria for
eligibility of local match includes matching funds and equivalent in-kind contributions including, but not limited to, land donations. The memorandum of understanding must be finalized by July 1, 2018. The department must submit a copy of the memorandum of understanding to the transportation committees of the legislature and report regularly on the status of the requirements outlined in this subsection ((21)) (b) and (c) of this subsection.

(c) During the course of developing the memorandum of understanding, the department must evaluate the project schedules to determine if there are any benefits to be gained by moving the project schedule forward. It is the legislature's intent that if the department identifies any savings after the funding gap on the base project is closed as part of the proposal to expedite the project, that these cost savings shall go toward construction of a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project after the funding gap on the base project is closed, the funds must be applied toward the completion of these two full single-point urban interchanges.

(d) For the SR 167/SR 509 Puget Sound Gateway project (M00600R) the department is strongly encouraged to work to relocate any significant businesses currently located within the planned path of the state route number 509/Interstate 5 under-crossing to a location within the Rent city limits. The department shall provide regular updates on its progress to the joint transportation committee and affected stakeholders.

(e) In designing the state route number 509/state route number 516 interchange component of the SR 167/SR 509 Puget Sound Gateway project (M00600R), the department shall make every effort to utilize the preferred "4B" design.

((22)) (a) The legislature recognizes that the city of Mercer Island has unique access issues that require the use of Interstate 90 to leave the island and that this access may be affected by the I-90/Two-Way Transit and HOV Improvements project. One of the most heavily traveled on-ramps from Mercer Island to the westbound Interstate 90 general purpose lanes is from Island Crest Way. The department must continue to consult with the city of Mercer Island and the other signatories to the 1976 memorandum of agreement to preserve access provided to Mercer Island by the Island Crest Way on-ramp, and thus grandfather in the current use of the on-ramp for both high occupancy vehicles as well as vehicles seeking to access the general purpose lanes of Interstate 90. The department must consider all reasonable access solutions, including allowing all vehicles to use the Island Crest Way on-ramp to access the new high

(b) Of the amounts provided in this subsection, $942,000 of the motor vehicle account-state appropriation is provided solely for the department to complete an interchange justification report (IJR) for the U.S. 2 Trestle IJR project (L1000158).

(a) The department shall develop the IJR in close collaboration with affected local jurisdictions, including Snohomish county and the cities of Everett, Lake Stevens, Marysville, Snohomish, and Monroe.

(b) Within the amount provided for the IJR, the department must address public outreach and the overall operational approval of the IJR.

(c) The department shall complete the IJR and submit the final report to the governor and the transportation committees of the legislature by July 1, 2018.
occupancy vehicle lane with a reasonable and safe distance provided for single-occupancy vehicles to merge into the general purpose lanes.

(b) A final access solution for Mercer Island must consider the following criteria: Safety; operational effects on all users, including maintaining historic access to Interstate 90 provided from Mercer Island by Island Crest Way; enforcement requirements; and compliance with state and federal law.

(c) The department may not restrict by occupancy the westbound on-ramp from Island Crest Way until a final access solution that meets the criteria in (b) of this subsection has been reached.

(b) A final access solution for Mercer Island must consider the following criteria: Safety; operational effects on all users, including maintaining historic access to Interstate 90 provided from Mercer Island by Island Crest Way; enforcement requirements; and compliance with state and federal law.

(c) The department may not restrict by occupancy the westbound on-ramp from Island Crest Way until a final access solution that meets the criteria in (b) of this subsection has been reached.

((24) $2,000,000) (25) $3,258,000 of the Interstate 405 express toll lanes operations account—state appropriation is provided solely for the I-405 NB Hard Shoulder Running – SR 527 to I-5 project (L1000163).

((26)) (27) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department’s switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2019, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

((28)) (27) For the SR 526 Corridor Improvements project (N52600R), the department shall look holistically at the state route number 526 corridor from the state route number 526/Interstate 5 interchange at the east end to the southwest Everett industrial area and Boeing’s west access road on the west end. The department, working with affected jurisdictions and stakeholders, shall select project elements that best maximize mobility and congestion relief in the corridor and draw from project elements identified in a practical solutions process.

((27) It is the intent of the legislature that for the I-5/Slater Road Interchange Improvements project (L1000099), $2,000,000 of connecting Washington account—state funds be added in the 2021-2023 fiscal biennium and $10,100,000 of connecting Washington account—state funds be added in the 2023-2025 fiscal biennium, and that the LEAP transportation document referenced in subsection (1) of this section be updated accordingly.)

(28) (a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2019-2021 fiscal biennium, the department may, on a pilot basis, apply funding from a project with an appropriation that cannot be used for the current fiscal biennium to advance one or more of the following projects:

(i) SR 20/Sharpe’s Corner Vicinity Intersection (L1000112);
(ii) I-5/Marvin Road/SR 510 Interchange (L1100110);
(iii) I-5/Northbound On-ramp at Bakerview (L2000119);
(iv) US 395/Ridgeline Intersection (L2000127);
(v) I-90/Eastside Restripe Shoulders (L2000201);
(vi) SR 240/Richland Corridor Improvements (L2000202);
(vii) SR 14/Bingen Overpass (L2220062);
(viii) US Hwy 2 Safety (N00200R);
(ix) SR 520/148th Ave NE Overlake Access Ramp (L1100101);
(x) SR 28/SR 285 North Wenatchee Area Improvements (L2000061);
(xi) I-5/Rebuild Chamber((e)) Way Interchange Improvements (L2000223);
(xii) SR 28 East Wenatchee Corridor Improvements (T10300R);
(xiii) ((SR 3/Belfair Bypass – New Alignment)) SR 3 Freight Corridor (T30400R); or
(xiv) SR 510/Yelm Loop Phase 2 (T32700R).
(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2019-2021 fiscal biennium.

(29) Within existing resources and in consultation with local communities, the department shall begin planning efforts, including traffic data collection, analysis and evaluation, scoping, and environmental review, for roundabouts at the intersection of state route number 900 and SE May Valley Road and at the intersection of state route number 169 and Cedar Grove Road SE.

(30) (Among the options studied as part of the SR 410 Corridor Study project (L1000174), the department shall examine the mobility and safety benefits of replacing or expanding the White River bridge between Enumclaw and Buckley to four lanes and removing the trestle.)

The legislature continues to prioritize the replacement of the state's aging infrastructure and recognizes the importance of reusing and recycling construction aggregate and recycled concrete materials in our transportation system.

To accomplish Washington state's sustainability goals in transportation and in accordance with RCW 70.95.805, the legislature reaffirms its direction to the department to lead the way in advancing the reuse and recycling of construction aggregate and recycled concrete materials whenever readily available, to use these recycled products when cost competitive, and to work with industry implementation partners to remove obstacles that unnecessarily preclude or inhibit their use and implement strategies for the reuse and recycling of construction aggregate and recycled concrete materials.

Specific steps and efforts made to achieve these objectives and accomplishments shall be included in the annual report to the legislature as required by RCW 70.95.807.

(31) Within existing resources, the department shall implement a safety solution after evaluating barrier and mitigation options on state route number 167 between the intersections with 50th Ave E and E 40th Street in Pierce county to prevent vehicles from leaving the roadway and entering private property below the grade of the highway.

(32) $350,000 of the motor vehicle account—state appropriation is provided solely for implementation of chapter 288 (Substitute Senate Bill No. 5806), Laws of 2017 (I-5 Columbia river bridge), listed as Replacement Bridge on Interstate 5 across the Columbia River project number (L2000259).

(33) For the SR 520 Seattle Corridor Improvements—West End project (M00400R), the legislature recognizes the department must acquire the entirety of parcel number 1-23190 for construction of the project. The department shall work with its design-build contractor to ensure to the maximum extent practicable that the building housing any grocery store or market currently located on parcel number 1-23190 will be preserved. The legislature recognizes the city of Seattle has requirements in the project area that the department must address and that those requirements may affect the use of parcel number 1-23190 and may affect the ability of the department to preserve any grocery store or market currently located on the property. The department shall meet and confer regularly with residents in the vicinity of the parcel regarding the status of the project and its effects on any grocery store or market currently located on the property. The legislature strongly encourages the city to utilize maximum flexibility in how the department meets the city's requirements and to be an equal partner in efforts to preserve any grocery store or market on parcel number 1-23190.

Projects submitted must include estimated costs for preliminary engineering, rights-of-way, and construction and must also consider the timing of any available funding for weigh station projects.

(12) The department must consult with the Washington state patrol and the office of financial management during the design phase of any improvement or preservation project that could impact Washington state patrol weigh station operations. During the design phase of any such project, the department must estimate the cost of designing around the affected weigh station's current operations, as well as the cost of moving the affected weigh station.

FUND TRANSFERS

(1) The 2005 transportation partnership projects or improvements and 2015 connecting Washington projects or improvements are listed in the LEAP Transportation Document ((2017-1)) 2018-1 as developed (April 20, 2017) March 5, 2018, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department of transportation is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and connecting Washington account projects on the LEAP transportation document referenced in this subsection. For the 2017-2019 project appropriations, unless otherwise provided in this act, the director of the office of financial management may provide written authorization for a transfer of appropriation authority between projects funded with transportation partnership account appropriations or connecting Washington account appropriations to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;

(c) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed in the current fiscal biennium;

(d) Transfers may not occur for projects not identified on the applicable project list;

(e) Transfers may not be made while the legislature is in session;

(f) Transfers to a project may not be made with funds designated as
attributable to practical design savings as described in RCW 47.01.480;

(g) Each transfer between projects may only occur if the director of the office of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2018 supplemental omnibus transportation appropriations act, any unexpended 2015-2017 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects; and

(h) Transfers between projects may be made by the department of transportation without the formal written approval provided under this subsection (1), provided that the transfer amount does not exceed two hundred fifty thousand dollars or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of the office of financial management and the chairs of the house of representatives and senate transportation committees.

(2) The department of transportation must submit quarterly all transfers authorized under this section in the transportation executive information system. The office of financial management must maintain a legislative baseline project list identified in the LEAP transportation documents referenced in this act, and update that project list with all authorized transfers under this section.

(3) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(4) Before approval, the office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner.

(5) No fewer than ten days after the receipt of a project transfer request, the director of the office of financial management must provide written notification to the department of any decision regarding project transfers, with copies submitted to the transportation committees of the legislature.

(6) The department must submit annually as part of its budget submittal a report detailing all transfers made pursuant to this section.

Sec. 602. 2017 c 313 s 606 (uncodified) is amended to read as follows:

The report must address each modal category separately and identify if eighteenth amendment protected funds have been used and, if not, the source of funding.

(2) To facilitate the report in subsection (1) of this section, the department of transportation must require that all bids on connecting Washington projects include an estimate on the cost to implement any transit, bicycle, or pedestrian project elements.

POINT OF PERSONAL PRIVILEGE

Representative Clibborn: “Thank you Madame Speaker, point of personal privilege. This is a very special budget. This will be my last, and I want everybody to know that it was a wonderful time, working with everybody here. I’ve sort of been blown away because I’ve enjoyed so much of everything that we’ve done this year, but I will not be running again and I leave this in very good hands because I’m so proud of all the people who are working so hard and I think that we are well served by the people who will come and take my place. I appreciate everything and I do not want a whole lot of speeches. Thank you.”

Mr. Speaker: “Judy told me about this yesterday and I, just from the bottom of our heart, we will miss you and I’ve got to say a number of things. First of all, there are few legislators in the history of the state that have had such a beneficial impact to the people of Washington state. That’s the god’s honest truth. As chair of Transportation, she’s put together budgets and revenue packages that literally created tens of thousands of public works jobs. Employing all sorts of people in so many beneficial ways. She’s improved our roads, our ferries, our transit systems, etcetera. And the other thing about it which is really remarkable nowadays is that she did this in a bipartisan manner. You’ve heard it today, numerous times, not just today but for years in the past as well. She’s always looked for that middle ground between that aisle to try to figure out how we can all work together for the benefit of the people of the state. So therefore, I’m calling for an immediate emergency resolution to prohibit the previous announcement.”

The owner has exclusive authority and responsibility to establish and change the asset investment options for a beneficiaries' individual college savings program account.

"Participant college savings program account contract" means a contract to participate in the Washington college savings program between an eligible purchaser and the office.

"State institution of higher education" means institutions of higher education as defined in RCW 28B.10.016.

"Tuition and fees" means undergraduate tuition and services and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded to the nearest whole dollar. For purposes of this chapter, services and activities fees do not include fees charged for the payment of bonds heretofore or hereafter issued for, or other indebtedness incurred to pay, all or part of the cost of acquiring, constructing, or installing any lands, buildings, or facilities.

"Tuition unit contract" means a contract between an eligible purchaser and the governing body, or a successor agency appointed for administration of this chapter, for the purchase of tuition units in the advanced college tuition payment program for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units, except as provided in RCW 28B.95.030 (7) and (8).

"Unit cash value price" means the total value of assets under management in the advanced college tuition payment program on a date to be determined by the committee, divided by the total number of outstanding credits purchased by eligible purchasers before July 1, 2015, and any outstanding credits accrued by eligible purchasers as a result of the July 2017 unit rebase.

"Unit purchase price" means the minimum cost to purchase one tuition unit in the advanced college tuition payment program for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

Sec. 2. RCW 28B.95.030 and 2016 c 69 s 4 are each amended to read as follows:

(1) The Washington advanced college tuition payment program shall be administered by the committee on advanced tuition payment which shall be chaired by the director of the office. The committee shall be supported by staff of the office.

(2) (a) The Washington advanced college tuition payment program shall consist of the sale of tuition units, which may be redeemed by the beneficiary at a future date for an equal number of tuition units regardless of any increase in the price of tuition, that may have occurred in the interval, except as provided in subsections (7) and (8) of this section.

(b) Each purchase shall be worth a specific number of or fraction of tuition units at each state institution of higher education as determined by the governing body, except as provided in subsections (7) and (8) of this section.

(c) The number of tuition units necessary to pay for a full year's, full-time undergraduate tuition and fee charges at a state institution of higher
education shall be set by the governing body at the time a purchaser enters into a tuition unit contract, except as provided in subsections (7) and (8) of this section.

(d) The governing body may limit the number of tuition units purchased by any one purchaser or on behalf of any one beneficiary, however, no limit may be imposed that is less than that necessary to achieve four years of full-time, undergraduate tuition charges at a state institution of higher education. The governing body also may, at its discretion, limit the number of participants, if needed, to ensure the actuarial soundness and integrity of the program.

(e) While the Washington advanced college tuition payment program is designed to help all citizens of the state of Washington, the governing body may determine residency requirements for eligible purchasers and eligible beneficiaries to ensure the actuarial soundness and integrity of the program.

(3)(a) No tuition unit may be redeemed until two years after the purchase of the unit.

(b) Units may be redeemed for enrollment at any institution of higher education that is recognized by the internal revenue service under chapter 529 of the internal revenue code. Units may also be redeemed to pay for dual credit fees.

(c) Units redeemed at a nonstate institution of higher education or for graduate enrollment shall be redeemed at the rate for state public institutions in effect at the time of redemption.

(4) The governing body shall determine the conditions under which the tuition benefit may be transferred to another family member. In permitting such transfers, the governing body may not allow the tuition benefit to be bought, sold, bartered, or otherwise exchanged for goods and services by either the beneficiary or the purchaser.

(5) The governing body shall administer the Washington advanced college tuition payment program in a manner reasonably designed to be actuarially sound, such that the assets of the trust will be sufficient to defray the obligations of the trust including the costs of administration. The governing body may, at its discretion, discount the minimum purchase price for certain kinds of purchases such as those from families with young children, as long as the actuarial soundness of the account is not jeopardized.

(6) The governing body shall annually determine current value of a tuition unit.

(7) For the 2015-16 and 2016-17 academic years only, the governing body shall set the payout value for units redeemed during that academic year only at one hundred seventeen dollars and eighty-two cents per unit. For academic years after the 2016-17 academic year, the governing body shall make program adjustments it deems necessary and appropriate to ensure that the total payout value of each account on October 9, 2015, is not decreased or diluted as a result of the initial application of any changes in tuition under section 3, chapter 36, Laws of 2015 3rd sp. sess. In the event the committee or governing body provides additional units under chapter 36, Laws of 2015 3rd sp. sess., the committee and governing body shall also increase the maximum number of units that can be redeemed in any year to mitigate the reduction in available account value during any year as a result of chapter 36, Laws of 2015 3rd sp. sess. The governing body must notify holders of tuition units after the adjustment in this subsection is made and must include a statement concerning the adjustment.

(8) The governing body shall allow account owners who purchased units before July 1, 2015, to redeem such units at the unit cash value price provided that all the redeemed funds are deposited immediately into an eligible Washington college savings program account established by the governing body. Within ninety days of the effective date of this section, the committee, in consultation with the state actuary and state investment board, shall:

(a) Establish a period that is not less than ninety days during which eligible purchasers may redeem units at the unit cash value price for the purposes of this subsection and provide at least thirty days' notice prior to the ninety-day window to all eligible account holders about the redemption option; and

(b) Establish the unit cash value price. The committee, in consultation with the state actuary and the state investment board, may revalue the unit
cash value price established in this subsection (8)(b) up to three times during the ninety-day period in which eligible purchasers may redeem units for the unit cash value price.

(9)(a) After the governing body completes the requirements of subsection (8), the governing body shall adjust, by March 1, 2019, all remaining unredeemed units purchased before July 1, 2015, as follows:

(i) First, the governing body shall take the difference between the average unit purchase price in each individual's account and the 2016-17 unit payout value and increase the number of units in each individual's account by a number of units of equivalent total value at the 2017-18 unit purchase price, if the average unit purchase price is more than the 2016-17 unit payout value; and

(ii) Second, after subsection (9)(a)(i) is completed, the governing body, with assistance from the state actuary, shall grant an additional number of units to each account holder with unredeemed and purchased units before July 1, 2015, in order to lower the best-estimate funded status of the program to one hundred twenty-five percent. The state actuary shall select the measurement date, assumptions, and methods necessary to perform an actuarial measurement consistent with the purpose of this subsection.

(b) For the purpose of subsection (9), and for account holders with uncompleted custom monthly contracts, the governing body shall only include purchased and unredeemed units before July 1, 2015.

(10) The governing body shall collect an amortization fee as a component of each future unit sold whenever the governing body determines amortization fees are necessary to increase the best-estimate funded status of the program.

(11) The governing body shall promote, advertise, and publicize the Washington advanced college tuition payment program. Materials and online publications advertising the Washington advanced college tuition payment program shall include a disclaimer that the Washington advanced college tuition payment program's guarantee is that one hundred tuition units will equal one year of full-time, resident, undergraduate tuition at the most expensive state institution of higher education, and that if resident, undergraduate tuition is reduced, a tuition unit may lose monetary value.

(12) In addition to any other powers conferred by this chapter, the governing body may:

(a) Impose reasonable limits on the number of tuition units or units that may be used in any one year;

(b) Determine and set any time limits, if necessary, for the use of benefits under this chapter;

(c) Impose and collect administrative fees and charges in connection with any transaction under this chapter;

(d) Appoint and use advisory committees and the state actuary as needed to provide program direction and guidance;

(e) Formulate and adopt all other policies and rules necessary for the efficient administration of the program;

(f) Consider the addition of an advanced payment program for room and board contracts and also consider a college savings program;

(g) Purchase insurance from insurers licensed to do business in the state, to provide for coverage against any loss in connection with the account's property, assets, or activities or to further insure the value of the tuition units;

(h) Make, execute, and deliver contracts, conveyances, and other instruments necessary to the exercise and discharge of its powers and duties under this chapter;

(i) Contract for the provision for all or part of the services necessary for the management and operation of the program with other state or nonstate entities authorized to do business in the state;

(j) Contract for other services or for goods needed by the governing body in the conduct of its business under this chapter;

(k) Contract with financial consultants, actuaries, auditors, and other consultants as necessary to carry out its responsibilities under this chapter;

(l) Solicit and accept cash donations and grants from any person, governmental agency, private business, or organization; and
(m) Perform all acts necessary and proper to carry out the duties and responsibilities of this program under this chapter.

Sec. 3. RCW 28B.95.045 and 2016 c 69 s 6 are each amended to read as follows:

1) The committee shall create an expedited process by which owners can complete a direct rollover or investment change of a 529 account from:

(a) (a) State-sponsored prepaid tuition plan to a state-sponsored college savings plan;

(b) State-sponsored college savings plan to a state-sponsored prepaid tuition plan;

(c) State-sponsored prepaid tuition plan or a state-sponsored college savings plan to an out-of-state eligible 529 plan.

2) The committee shall report annually to the governor and the appropriate committees of the legislature on (a) the number of accounts that have been rolled into the Washington college savings program from out of state and (b) the number of accounts rolled out of the Washington college savings program to 529 plans in other states.

Representative DeBolt moved adoption of HOUSE RESOLUTION NO. 4690.

Representative DeBolt: “This is a great honor to be able to stand up and do this tonight. As we see people are leaving and Representative Pike has been a big part of our team and our family for many years. I have a little story about Representative Pike. When she was first elected, we decided that because she was a great floor speaker, and you’ve heard some of her floor speeches and she does a really excellent
job, that she should come join our leadership team as assistant floor leader. And we’re like, because she hit the ground running, we were like, she’s dynamite, we want her on the team, we want to put her in a leadership role and we’re like, so great, hey and by the way we have this floor fight we’re gonna do today so speak. And she goes out there, we didn’t tell her anything, we didn’t tell her what the decorum was, we didn’t tell her anything, we just told her, go speak on this bill. Here’s what the bill’s about, I think you have about four and a half minutes. And then get up and give a speech. And she stood up there, do you remember this? And she started to laugh, and she laughed uncontrollably to where she couldn’t speak at all and she kept laughing and she’s looking at us and she’s so mortified that she can’t stop laughing. And then she came down after she was done, I don’t think you finished. Did you finish? I think she sat down. And she came down to me and I was leader at the time and she said, I don’t think I’m cut out for this. And I said, well what happened? And then she’s like you people didn’t tell me anything. I don’t know what I’m doing. I’m like, ok well we’ll work on that and so you know over the years she was such a great sport, she worked with us, she taught us a lot. Liz has been one of those people that you know exactly how she feels because she lets you know. You’ve been a treasured part of my team and my life. I’m glad that you were here. We will miss you sorely. Thank you very much for running.”

Representative Wylie: “Thank you Madame Speaker. It’s hard to know where to begin. We come here all of us and we have different definitions of what the problems are, what caused them, and certainly what we need to do to solve them and one of the things that we sometimes forget, particularly this late in the session, is how much we have in common and how much we love this state. We love being outside, and we both have a love of art and I will always treasure the times that memory and I thank you for your service.”

Representative Caldier: “You know, when I first got elected, I was really trying to get to know people and Representative Pike, she gave this great speech in caucus. It was very feisty, and she compared something to marbles, I think you remember that one. I thought, you know what, I’m gonna like working with her, and I have. And let me tell you something, I have learned so much from you Liz, I mean these last four years, I don’t know what I would have done without your friendship, I really don’t. And I mean that because many of you guys know last year I had a lot of problems, a lot of health problems. Liz was there. I’m going to miss you.”

Representative Orcutt: Thank you Madame Speaker, You know, as the resolution was being read, there was one important fact that I think has been left out of the resolution. And that’s the fact that the Representative from the 18th, who is currently in position 2 actually started her legislative career in position 1. She actually got appointed in the interim in 2012 to serve out Representative Rivers’ term when she went over to the Senate. And so she served in that position of position 1 and she was actually running in position 2 so it was kind of an interesting dynamic. But you know, I first really got to know Liz in 2003 when I was just in my second year in the Legislature. And over the years, I got to know Liz and she would always say “Ed, you’re my hero” because I would vote on something that she was very passionate about and I voted the way she wanted me to vote and she’d always say “Ed, you’re my hero.” And then she came here, and became a Representative in her own right and I just want to express to her you’re my hero because of the work that you’ve done and the way that you’ve represented the citizens of the district I used to represent. In fact, she replaced me in the 18th district when I got redistricted to the 20th. So I know the expectations of the people in that district and I know she’s done a wonderful job living up to the expectations of the citizens in that district and Liz, you are my hero. Thank you so much for your service here in the Legislature.”

Representative Clibborn: “Thank you Madame Speaker. I know we’re not supposed to use names on the floor and I was going to call her the gentlewoman, but you know that doesn’t really fit. Whirlwind fits, charm fits, and we have had a great working relationship on Transportation. It’s been kind of fun and I want you to know that we have not always agreed but we have always been able to make things work out and it has been such a pleasure working with you. I think that you have that feistiness that you heard, it serves you well and wherever you go, we wish you the best. You are a great person to work with. Thank you”

There being no objection, HOUSE RESOLUTION NO. 4690 was adopted.

Representative Klippert moved adoption of HOUSE RESOLUTION NO. 4685

Representative Klippert: “Thank you Madame Speaker for this extreme honor to speak to you and this body and everyone watching TVW concerning my great seatmate, Representative Larry Haler. As we heard in the House Resolution, Larry served on the Richland City Council for many many years to include being the Mayor, the Mayor of the city of Richland before he came to this House of Representatives. And from the moment that I ran, started running for office and was elected to this position, he took me under his wings, he put his arm around me and pretty much adopted me. And I just want to thank him for that. The one thing I’ve noticed about Larry is his love for people. He loves the citizens of the 8th Legislative District and he loves serving them. And so Larry, I thank you for that. Thank you for your deep abiding love for them and I’m jealous for the amount of hair he has on his head. It’s not fair, he’s the much better looking of the two of us but it’s still an honor to have served with you sir and thank you for being a brother in service here. I hope that his wife is watching because, Madame Speaker, the first town meeting that I went to and watched that lady work by his side, truly amazing. They have made a great team. So to Mrs. Haler, hopefully you’re watching and I want to say thank you to you for all your kindness and all your hard work to make Representative Larry Haler the great man that he is. Thank you Larry for your years of dedication of service to this institution and the citizens of the 8th Legislative District and the citizens of the state of Washington. Thank you Sir.”

Representative Lovick: “Thank you very much Madame Speaker. And Madame Speaker I know that these are the times that people like to crack a few jokes and I’m not one with a lot of jokes, so I was thinking, as we were sitting here, about two words that I would use to describe the fine gentleman from the 8th. And the two words that came to mind are respect and integrity. His extraordinary respect for not just this institution but for everyone, is just something that I absolutely love. And then there’s integrity. You know the great writer C.S. Lewis said that integrity is doing the right thing when no one is watching. But the one that I like the most, and it applies to Larry, is what Wyoming Senator Allan Simpson said. He said, “With integrity, if you have it, nothing else matters, and if you don’t have it, nothing else matters.” Madame Speaker, I have to tell you this. This gentleman is the epitome of integrity. I’ve known him for a while. I got to know him when I was in the Legislature a few years ago, and I’m just honored to call him my friend. So Madame Speaker, if you will allow me, can I call on the gentleman one last time?”

Mr. Speaker (Representative Orwall presiding) “Please proceed.”

Representative Lovick: “The gentleman from the 8th District, Representative Haler. I salute you sir, you are the integrity of the House. Thank you.”

Representative Schmick: “Thank you Madame Speaker. I’ve been here a few years. And one of the joys I’ve had is
getting to know Larry. And I want to call him Larry. We do a lot of stuff together in district, and I think the most important thing I can say, Larry’s my friend, and that means a lot because often times when you’re in Olympia, you don’t have a lot of friends, but Larry’s one. They often say if you want a friend in Olympia, get a dog. Well I don’t need a dog, I’ve got Larry. Now, I know that sounds bad but, I’ve learned more about nuclear power than I’ve ever wanted to know and yet we’ve toured the reactor and we’ve gone out there and I know that Rep Haler, Larry’s given tours for many years but he’s not told me where the ‘Oh Crap’ button is at that nuclear reactor. And I know they’ve got it but they’ve got it hidden and I’d like to know where that is. Now as you leave us Larry, I’d have to say though, I think you’re not having to speak.”

There being no objection, HOUSE RESOLUTION NO. 4685 was adopted.

RESOLUTION

WHEREAS, Representative Terry Nealey is a graduate of Washington State University and Gonzaga Law School and served his country in the United States Army; and

WHEREAS, Representative Terry Nealey served as Columbia County prosecuting attorney and coroner; and

WHEREAS, Representative Terry Nealey saw the need for change in state government, especially with a growing operating budget he felt needed better management, so he decided to run for the Legislature; and

WHEREAS, Representative Terry Nealey was elected to the House of Representatives in 2009 for the 16th Legislative District and has served with distinction and honor for eight-plus years; and

WHEREAS, Representative Terry Nealey was appointed in 2012 as ranking Republican on the House Finance Committee and in 2013 as a member of the
Representative Jenkin moved adoption of HOUSE RESOLUTION NO. 4689

Representative Jenkin “Thanks again, Madame Speaker. You know, Representative Nealey started nine years ago. I wasn’t here. All of you or a lot of you were able to experience his life, and I’m sure you learned a lot from him because I certainly have. A few things about Terry that I would like to mention personally in what I’ve found about him. He is the most patient person, I mean, could you imagine having to mentor somebody like me that has no policy experience coming in, a community guy? But Terry was able to do it. I don’t know how well but he was able to try. Terry also, other than his patience, and we all know his patience – we’ve seen it, is his thoughtfulness. He thinks everything through, everything. It’s almost intimidating but he does. He’s also extremely persuasive. We’ve all seen him at work and we’ve all seen him at policy and he’s been able to accomplish so much because of his persuasiveness and I imagine practicing law had something to do with that. But it certainly has shone a shining light in the short time that I have been here with this body. And a few other words, but this word right here really sticks out, especially within our district and everybody that he comes in contact with, Terry is so respected. He’s the epitome of respect. People in the district, they, he’s gonna be tough shoes to follow, let me tell you. He’s also, probably the biggest family man I know. Terry and his family, they’re one, and that’s just the way it is. He’s always talking of family, he’s got pictures of the family, you know, he’s very proud of all of them, his father being a former legislator but with all that, one thing that Terry is doing right now, I truly believe that he’s leaving the legislature at the top of his game. We all know that he’s got game, that he’s a heck of a basketball player and, you’re at the top of your game and you’re leaving the Legislature, we’re going to miss you but Jan and your family are going to be able to have you primarily to themselves and you’ll be able to enjoy life and that’s what you need right now, Terry. Thank you so much for giving us so much of your life to this point. Thank you.

Representative Lytton: “Thank you Madame Speaker. So Terry, I want to thank you too. It has been an honor to serve with you. It has been fun serving with you on the Finance committee. When I think of the word honorable, I immediately think of you and you know we have a lot of strong personalities on that Finance committee where we have to talk about some pretty tough topics around taxes and it has been fun serving with you. When you came over here to tell me that you were retiring, you know the first thing I thought of were the stories you told me about your wonderful family and your wife. You know you and I both have looked forward to traveling with our spouses and as you walked away all I could think is, “go ahead and leave me with all these crazy people.” And so, thanks Terry. It has been fun. Your personality is very similar to the personality I’ve told you about, of my engineering husband and sons and so I’ve enjoyed the dryness sometimes of your personality, I can totally relate, but I can’t thank you enough for your service and even though politically, we are very far apart, we have some things that unite us and that’s our love of our family. I wish you the best of luck, much joy and happiness with your family and hope you get to do many many fun trips. So enjoy.”

Representative Smith: “I’ve already started crying, so that’s not good, but at my age, I get a free pass on that. Representative Terry Nealey, what an honor it is to stand and honor you and your service here. In this House, for the people of Washington state, you have touched every person in this state with your thoughtfulness, your commitment to excellence and to good public policy, and I think it’s important to note that Terry often looks pretty quiet over there but he has a sense of humor and I’m going to screw this up because I can’t quite remember the story but it had something to do with, I don’t know, we were burning marijuana and people were worried about birds and the famous quote from Representative Nealey about no turn left unstoned. So, I want you to know that Terry Nealey has come along, I know in my own life and in other’s lives in times of crisis and not just focused on the policy and the work we do here, but have helped us individually through really tough times. Times that he doesn’t share, no one knows about and I know that there’s a bunch of us in here who have been blessed by your thoughtfulness and your kindness and your solid advice. But, there’s something more important about Representative Terry Nealey and that is his love of God, his faith, and his love of family. The scriptures teach us that there is no greater love than to love God and to love our neighbors and if I may, in Corinthians 13 part of the
verses about love say this: *Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.*

Representative Terry Nealey, you have lived that out among us. Your love of God, your love of neighbor, your love of Jan, your love of family and we thank you for that example and we thank you that as you go back into your community we know you’re going to continue to live out that light. God bless you.”

Representative Hansen: “Thank you Madame Speaker. You can guess how well my week is going by the fact that I have to do two of these tonight. When the lady from the 41st announced her retirement, I about died. I knew these two were retiring and it’s not ok at all, just for the record. Everyone’s talking about how much the gentleman loves his family and I know he does, but I have a great solution to this problem. Many of you maybe saw when the gentleman’s twin brother came to visit. Ok so that’s the freakiest thing I’ve ever seen – did you see them together? The gentleman’s twin can go play with the grand nieces and grand nephews and whatnot and the gentleman can come back and join us, and his wife can come with him and we won’t tell anyone. Maybe then everyone kind of gets what they want except for you maybe because I know you want to be with your grand nieces and grand nephews. I got to know my colleague from the 15th some years ago when we were working on a pretty complicated estate tax issue. We were on opposite sides of our, we were sort of the respective negotiating leads and it was super complicated. He was a lawyer and I am a lawyer and it’s nice to talk to someone from your own professional guild because you can speak in terms that you both immediately understand and others don’t. We didn’t reach agreement but we got to where we understood where each other was coming from and we could say ‘Ok, I get it, you could be right…I know you get it, you could be right’ and sort of move on. This was great. That was my first introduction to what a lot of you, I think, know pretty well. Then a year or two after that, the gentleman really went out of his way to help me with a very very tricky, complicated bill with many moving parts and he kind of went above and beyond and helped me jam it free at a couple of key moments. We made visits to the other chamber to talk to people together and he was just fabulous. I just really valued from that experience his very pragmatic, common-sense orientation. He is very practical, he is about finding an answer that makes sense so we can move forward, and not doing something super ideological one way or the other. This is a real sad one because I know all of our offices are a team, and I think my colleague’s is that and then some. His legislative assistant will also be leaving as I’ve learned. Maybe fewer people know his legislative assistant than know my colleague but she is truly fabulous. She is smart, she is politically savvy, a heart as big as the world, so losing both of them at once is really quite a blow. Just to close on a personal note, echoing something that my colleague from the 10th District said. The gentleman from the 10th, my colleagues and others meet every Tuesday for this prayer fellowship meeting which is both chambers – House and Senate, it’s bipartisan, at least it’s supposed to be bipartisan. It’s usually like 15 Republicans and me, although that’s changing – my colleague right there has been coming lately so that’s great – we’re on the move here. Because of that, we got to know each other in a different way and I’ll tell you I’ve been blessed with many policy partners, from that side of the aisle that I’ve been able to work with on a lot of different issues. There’s a pretty short list of people I would just grab when I needed somebody to pray for me and the gentleman is one of them and I’ve done that and because it’s Terry Nealey, when he tells you he will do something, you know he will do it. I really appreciate that and I’m really going to miss him and I wish he’d stay with us forever, thank you.”

Representative Klippert: “Thank you Madame Speaker. Sorry for being late jumping up, just wanted to give someone else a chance. I love the man that sits to your right very deeply. He and his wonderful wife have become deep and dear friends to my family. He probably never wants to have anything to do with myself and cars ever again. When we first ran for these positions we hold now, we shared a ride from eastern Washington to here and on the way back he said, “Hey, do you mind driving?” and I said “Hey, not at all. Have you ever gone White Pass?” because I like to drive slow and easy and I think that’s not the case for the good gentleman. And so, I took White Pass and it was like Driving Miss Daisy with me and I could tell that he was wanting to increase the acceleration a little bit more than what I was driving. Then I bought a car over here at a used car dealership and called him and Jan and said “Hey, could you help me deliver this car back to eastern Washington?” “Oh Brad, not a problem, we could do that for you.” The lights went out on the vehicle on Snoqualmie Pass when they drove home so she had to be his guiding light all the way home. Terry Nealey, I’ve had to guard you in basketball – the man has 10 years on me and it’s very difficult to keep up with him. I couldn’t give him an inch or he’d score on me every time. I know that he might want to know this, that your beloved Cougars are currently defeating the nasty Oregon Ducks by 10 points in the PAC 12 championship right now, so go Cougs.”

Representative Dent: “Thank you Madame Speaker. This is an amazing institution. When I first arrived, the thing I remember most is that everyone I met on both sides of the aisle said “if you need anything, we’re there for you, just ask. Terry did that too, but Terry gave me something that nobody else here has given me and I just have to say that Terry gave me a calmness. I can get wound up and I keep it to myself a lot. Sometimes I just go find Terry and visit with him a while, he didn’t know that, but he would bring me back down and didn’t even know it and for that I’m going to miss you Terry. You are an incredible man and I’m glad that we were able to have this time together. Good luck to you in the future and god bless you.

Amendment (1074) was adopted.

Representative Vick moved the adoption of the striking amendment (1455):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.28.080 and 2016 sp.s. c 38 s 1 are each amended to read as follows:

(1) ((Every)) A person who sells or gives, or permits to be sold or given, to any person under the age of ((eighteen)) nineteen years any cigar, cigarette, cigarette paper or wrapper, tobacco in any form, or a vapor product is guilty of a gross misdemeanor.

(2) It is not a defense to a prosecution for a violation of this section that the person acted, or was believed by the defendant to act, as agent or representative of another.

(3) For the purposes of this section, "vapor product" has the same meaning as provided in RCW 70.345.010.

Sec. 2. RCW 70.155.005 and 1993 c 507 s 1 are each amended to read as follows:

(1) The legislature finds that chapter ..., Laws of 2018 (this act) furthers the public health, safety, and welfare by reducing youth access to addictive and harmful products.

(2) While present state law prohibits the sale and distribution of tobacco and vapor products to ((minors)) youth under
the age of eighteen, youth obtain tobacco products with ease. Availability and lack of enforcement put tobacco products in the hands of youth.

(3) The legislature recognizes that many people who purchase cigarettes for minors are eighteen year old high school students. By decreasing the number of eligible buyers in high school, raising the minimum legal age to sell tobacco and vapor products will decrease the access of students to tobacco products. According to the 2014 healthy youth survey, forty-one percent of tenth graders say it is "sort of easy" to "very easy" to get cigarettes. Nationally, among youth who smoke, more than twice as many get their cigarettes from social sources than from a store or vending machine.

(4) The legislature recognizes that eighty percent of smokers start by the age of eighteen.

(5) The legislature recognizes that jurisdictions across the country are increasing the age of sale for tobacco products to nineteen.

(6) The legislature recognizes the national institute of medicine report predicted increasing the tobacco sale age will make the greatest difference among those ages fifteen to seventeen, who will no longer be able to pass for legal age and will have a harder time getting tobacco products from older classmates and friends.

(7) The legislature recognizes that reducing the youth smoking rate will save lives and reduce health care costs. Every year, two billion eight hundred ten million dollars in health care costs can be directly attributed to tobacco use in Washington. Smoking-caused government expenditures cost every Washington household eight hundred twenty-one dollars per year.

(8) Federal law requires states to enforce laws prohibiting sale and distribution of tobacco products to minors in a manner that can reasonably be expected to reduce the extent to which the products are available to minors. It is imperative to effectively reduce the sale, distribution, and availability of tobacco products to minors.

Sec. 3. RCW 70.155.010 and 2009 c 278 s 1 are each amended to read as follows:

The definitions set forth in RCW 82.24.010 apply to this chapter. In addition, for the purposes of this chapter, unless otherwise required by the context:

(6) "Vapor product" has the same meaning as defined in RCW 70.345.010.

Sec. 4. RCW 70.345.010 and 2016 1st sp.s. c 38 s 4 are each amended to read as follows:

(5) "Delivery sale" means any sale of a vapor product to a purchaser in this state where either:

(a) The purchaser submits the order for such sale by means of a telephonic or other method of voice transmission, the mails or any other delivery service, or the internet or other online service; or

(b) The vapor product is delivered by use of the mails or of a delivery service. The foregoing sales of vapor products constitute a delivery sale regardless of whether the seller is located within or without this state. (6) "Delivery seller" means a person who makes delivery sales.

(7) "Distributor" means any person who:

(14) "Retail outlet" means each place of business from which vapor products are sold to consumers.

(15) "Retailer" means any person engaged in the business of selling vapor products to ultimate consumers.

(16)(a) "Sale" means any transfer, exchange, or barter, in any manner or by any means whatsoever, for a consideration, and includes and means all sales made by any person.

(b) The term "sale" includes a gift by a person engaged in the business of selling vapor products, for advertising, promoting, or as a means of evading the provisions of this chapter.

(17) "School" has the same meaning as provided in RCW 70.140.020.

(18) "Self-service display" means a display that contains vapor products and is located in an area that is openly accessible to customers and from which customers can readily access such products without the assistance of a salesperson. A display case that holds vapor products behind locked doors does not constitute a self-service display.

(19) "Vapor product" means any noncombustible product that may contain nicotine and that employs a heating element, power source, electronic circuit, or other electronic, chemical, or mechanical means, regardless of shape or size, that can be used to produce vapor or aerosol from a solution or other substance.

(1) Display the license or a copy in a prominent location at the outlet for which the license is issued; and

(2) Display a sign concerning the prohibition of tobacco sales to minors.

Such sign shall:

(a) Be posted so that it is clearly visible to anyone purchasing tobacco products from the licensee;

(c) Entry into the licensed premises is restricted to persons ((eighteen)) nineteen years of age or older;

(2) The board shall adopt rules that allow an exception to the requirement that a device be located not less than ten feet from all entrance or exit ways and from a premise if it is architecturally impractical for the device to be located not less than ten feet from all entrance and exit ways.

because it is required to be held in

within five business days of the
individual requesting return of his or

(ii) Notification may be made via

(3) If a family or household member has requested to be notified pursuant to RCW 9.41.340, a law enforcement agency must:

Sec. 2. RCW 9.41.070 and 2017 c 282 s 1 and 2017 C 174 s 1 are each reenacted and amended to read as follows:

(1) The chief of police of a municipality or the sheriff of a county shall within thirty days after the filing of an application of any person, issue a license to such person to carry a pistol concealed on his or her person within this state for five years from date of issue, for the purposes of protection or while engaged in business, sport, or while traveling. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The issuing authority shall not refuse to accept completed applications for concealed pistol licenses during regular business hours.

The applicant's constitutional right to bear arms shall not be denied, unless:

(a) He or she is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045, or is prohibited from possessing a firearm under federal law;

(b) The applicant's concealed pistol license is in a revoked status;

(c) He or she is under twenty-one years of age;

(d) He or she is subject to a court order or injunction regarding firearms pursuant to chapters 7.90, 7.92, or 7.94 RCW, or RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590;

(e) He or she is free on bond or personal recognizance pending trial, appeal, or sentencing for a felony offense;

(f) He or she has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or

(g) He or she has been ordered to forfeit a firearm under RCW 9.41.098(1)(e) within one year before filing an application to carry a pistol concealed on his or her person.

No person convicted of a felony may have his or her right to possess firearms restored or his or her privilege to carry a concealed pistol restored, unless the person has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2)(a) The issuing authority shall conduct a check through the national instant criminal background check system, the Washington state patrol electronic database, the department of social and health services electronic
database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm, or is prohibited from possessing a firearm under federal law, and therefore ineligible for a concealed pistol license.

(b) The issuing authority shall deny a permit to anyone who is found to be prohibited from possessing a firearm under federal or state law.

(c) This subsection applies whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

(3) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec. 921(a)(20)(A) shall have his or her right to acquire, receive, transfer, ship, transport, carry, and possess firearms in accordance with Washington state law restored except as otherwise prohibited by this chapter.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, email address at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, and signature of the licensee, and the licensee's driver's license number or state identification card number if used for identification in applying for the license. A signed application for a concealed pistol license shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release information relevant to the applicant's eligibility for a concealed pistol license to an inquiring court or law enforcement agency.

The application for an original license shall include a complete set of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The application shall contain questions about the applicant's eligibility under RCW 9.41.040 and federal law to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen. If the applicant is not a United States citizen, the applicant must provide the applicant's country of citizenship, United States issued alien number or admission number, and the basis on which the applicant claims to be exempt from federal prohibitions on firearm possession by aliens. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. A person who is not a citizen of the United States shall, if applicable, meet the additional requirements of RCW 9.41.173 and produce proof of compliance with RCW 9.41.173 upon application. The license may be in triplicate or in a form to be prescribed by the department of licensing.

A photograph of the applicant may be required as part of the application and printed on the face of the license.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an on-line format, all information received under this subsection.

(5) The nonrefundable fee, paid upon application, for the original five-year license shall be thirty-six dollars plus additional charges imposed by the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the
applicant for the issuance of the license.

The fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;

(b) Four dollars shall be paid to the agency taking the fingerprints of the person licensed;

(c) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter;

(d) Two dollars and sixteen cents to the firearms range account in the general fund; and

(e) Eighty-four cents to the concealed pistol license renewal notification account created in RCW 43.79.540.

(6) The nonrefundable fee for the renewal of such license shall be thirty-two dollars. No other branch or unit of government may impose any additional charges on the applicant for the renewal of the license.

The renewal fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;

(b) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter;

(c) Two dollars and sixteen cents to the firearms range account in the general fund; and

(d) Eighty-four cents to the concealed pistol license renewal notification account created in RCW 43.79.540.

(7) The nonrefundable fee for replacement of lost or damaged licenses is ten dollars to be paid to the issuing authority.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9) (a) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section. The fee shall be distributed as follows:

(i) Three dollars shall be deposited in the state wildlife account and used exclusively first for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law, and subsequently the support of volunteer instructors in the basic firearms safety training program conducted by the department of fish and wildlife. The pamphlet shall be given to each applicant for a license; and

(ii) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(b) Beginning with concealed pistol licenses that expire on or after August 1, 2018, the department of licensing shall mail a renewal notice approximately ninety days before the license expiration date to the licensee at the address listed on the concealed pistol license application, or to the licensee's new address if the licensee has notified the department of licensing of a change of address. Alternatively, if the licensee provides an email address at the time of license application, the department of licensing may send the renewal notice to the licensee's email address. The notice must contain the date the concealed pistol license will expire, the amount of renewal fee, the penalty for late renewal, and instructions on how to renew the license.

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.
(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.

(13) A person may apply for a concealed pistol license:

(a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;

(b) To the county in which the applicant resides if the applicant resides in an unincorporated area; or

(c) Anywhere in the state if the applicant is a nonresident.

(14) Any person who, as a member of the armed forces, including the national guard and armed forces reserves, is unable to renew his or her license under subsections (6) and (9) of this section because of the person's assignment, reassignment, or deployment for out-of-state military service may renew his or her license within ninety days after the person returns to this state from out-of-state military service, if the person provides the following to the issuing authority no later than ninety days after the person's date of discharge or assignment, reassignment, or deployment back to this state: (a) A copy of the person's original order designating the specific period of assignment, reassignment, or deployment for out-of-state military service, and (b) if appropriate, a copy of the person's discharge or amended or subsequent assignment, reassignment, or deployment order back to this state. A license so renewed under this subsection (14) shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license under this subsection (14) shall pay only the renewal fee specified in subsection (6) of this section and shall not be required to pay a late renewal penalty in addition to the renewal fee."

On page 1, line 2 of the title, after "requirements;" strike the remainder of the title and insert "amending RCW 9.41.345; and reenacting and amending RCW 9.41.070."

PART II
HUMAN SERVICES

Sec. 201. 2017 3rd sp.s.c 1 s 201
(uncodified) is amended to read as
follows:

FOR THE DEPARTMENT OF SOCIAL AND
HEALTH SERVICES

(1) The appropriations to the
department of social and health services
in this act shall be expended for the
programs and in the amounts specified in
this act. Appropriations made in this act
to the department of social and health
services shall initially be allotted as
required by this act. Subsequent
allotment modifications shall not
include transfers of moneys between
sections of this act except as expressly
provided in this act, nor shall allotment
modifications permit moneys that are
provided solely for a specified purpose
to be used for other than that purpose.

(2) The department of social and
health services shall not initiate any
services that require expenditure of
state general fund moneys unless
expressly authorized in this act or other
law. The department may seek, receive,
and spend, under RCW 43.79.260 through
43.79.282, federal moneys not
anticipated in this act as long as the
federal funding does not require expenditure of state moneys for the
program in excess of amounts anticipated in this act. If the department receives
unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any
other legislation providing appropriation authority, and an equal amount of appropriated state general fund
moneys shall lapse. Upon the lapsing of
any moneys under this subsection, the
office of financial management shall
notify the legislative fiscal
committees. As used in this subsection,
"unrestricted federal moneys" includes
block grants and other funds that federal
law does not require to be spent on
specifically defined projects or matched
on a formula basis by state funds.

(3) The legislature finds that
medicaid payment rates, as calculated by
the department pursuant to the
appropriations in this act, bear a
reasonable relationship to the costs
incurred by efficiently and economically operated facilities for providing
quality services and will be sufficient
to enlist enough providers so that care
and services are available to the extent
that such care and services are available
to the general population in the
geographic area. The legislature finds
that cost reports, payment data from the
federal government, historical
utilization, economic data, and clinical
input constitute reliable data upon which
to determine the payment rates.

(4) The department shall to the
maximum extent practicable use the same
system for delivery of spoken-language interpreter services for social services
appointments as the one established for
medical appointments in the health care
authority. When contracting directly
with an individual to deliver spoken
language interpreter services, the
department shall only contract with
language access providers who are working
at a location in the state and who are
state-certified or state-authorized,
except that when such a provider is not
available, the department may use a
language access provider who meets other
certifications or standards deemed to
meet state standards, including
interpreters in other states.

(5) Information technology projects or
investments and proposed projects or
investments impacting time capture,
payroll and payment processes and
systems, eligibility, case management,
and authorization systems within the
department of social and health services
are subject to technical oversight by the
office of the chief information officer.

(6)(a) The department shall facilitate
enrollment under the medicaid expansion
for clients applying for or receiving
state funded services from the department
and its contractors. Prior to open
enrollment, the department shall
coordinate with the health care authority
to provide referrals to the Washington
health benefit exchange for clients that
will be ineligible for medicaid.
(b) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The department shall complete medicaid applications in the HealthPlanfinder for households receiving or applying for public assistance benefits.

(7) In accordance with RCW 71.24.380, the health care authority and the department are authorized to purchase medical and behavioral health services through integrated contracts upon request of all of the county authorities in a regional service area to become an early adopter of fully integrated purchasing of medical and behavioral health services. The department may combine and transfer such amounts appropriated under sections 204, 208, and 213 of this act as may be necessary to fund early adopter contracts. The amount of medicaid funding transferred from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled, times the number of clients enrolled. The amount of non-medicaid funding transferred from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled, times the number of clients enrolled. These limits do not apply to the amounts provided in section 204(1)(s) of this act.

(8) In accordance with RCW 71.24.380, the department is authorized to purchase mental health and substance use disorder services through integrated contracts with behavioral health organizations. The department may combine and transfer such amounts appropriated under sections 204 and 208 of this act as may be necessary to finance these behavioral health organization contracts. If any funding that this act provides solely for a specific purpose is transferred under this subsection, that funding must be used consistently with the provisions and conditions for which it was provided.

(9) (a) The appropriations to the department of social and health services in this act must be expended for the programs and in the amounts specified in this act. However, after May 1, 2018, unless prohibited by this act, the department may transfer general fund—state appropriations for fiscal year 2018 among programs and subprograms after approval by the director of the office of financial management. However, the department may not transfer state appropriations that are provided solely for a specified purpose except as expressly provided in (b) through (d) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year 2018 caseload forecasts and utilization assumptions in the long-term care, developmental disabilities, foster care, adoption support, and public assistance programs, the department may transfer state appropriations that are provided solely for a specified purpose.

(c) Within the mental health program, the department may transfer appropriations that are provided solely for a specified purpose within and between subprograms as needed to fund actual expenditures through the end of fiscal year 2018.

(d) Within the developmental disabilities program, the department may transfer appropriations that are provided solely for a specified purpose within and between subprograms as needed to fund actual expenditures through the end of fiscal year 2018.

(e) The department may not transfer appropriations, and the director of the office of financial management may not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving any allotment modifications or transfers under this subsection. The written notification shall include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and
after any allotment modifications or transfers.
