## REPORTS OF STANDING COMMITTEES

March 4, 2020 4.0.

ESSB 5323 Prime Sponsor, Committee on Environment, Energy & Technology: Reducing pollution from plastic bags by establishing minimum state standards for the use of bags at retail establishments. Reported by Committee on Finance

MAJORITY recommendation: Do pass as amended by Committee on Finance and without amendment by Committee on Environment & Energy.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 5. (1) State policy has long placed waste reduction as the highest priority in the collection, handling, and management of solid waste. Reducing plastic bag waste holds particular importance among state waste reduction efforts for a number of reasons:

(a) Single-use plastic carryout bags are made of nonrenewable resources and never biodegrade; instead, over time, they break down into tiny particles. Single-use plastic carryout bags, and the particles they break into, are carried into rivers, lakes, Puget Sound, and the world's oceans, posing a threat to animal life and the food chain;

(b) Plastic bags are one of the most commonly found items that litter state roads, beaches, and other public spaces; and

(c) Even when plastic bags avoid the common fate of becoming litter, they are a drain on public resources and a burden on environment and resource conservation goals. For example, if plastic bags are disposed of in commingled recycling systems rather than as garbage or in retailer drop-off programs, they clog processing and sorting machinery, resulting in missorted materials and costly inefficiencies that are ultimately borne by utility ratepayers. Likewise, when green or brown-tinted plastic bags confuse consumers into attempting to dispose of them as compost, the resultant plastic contamination undercuts the ability to use the compost in gardens, farms, landscaping, and surface water and transportation projects.

(2) Alternatives to single-use plastic carryout bags are convenient, functional, widely available, and measure as superior across most environmental performance metrics. Alternatives to single-use plastic carryout bags feature especially superior environmental performance with respect to litter and marine debris, since plastic bags do not biodegrade.

(3) As of 2020, many local governments in Washington have shown leadership in regulating the use of single-use plastic carryout bags. This local leadership has shown the value of establishing state standards that will streamline regulatory inconsistency and reduce burdens on covered retailers caused by a patchwork of inconsistent local requirements across the state.

(4) Data provided from grocery retailers has shown that requests for paper bags have skyrocketed where plastic bag bans have been implemented. To accommodate the anticipated consequences of a statewide plastic bag ban, it is rational to expect additional capacity will be needed in Washington state for manufacturing paper bags. The legislature intends to provide that capacity by prioritizing and expediting siting and permitting of expansions or reconfiguring for paper manufacturing.

(5) Therefore, in order to reduce waste, litter, and marine pollution, conserve resources, and protect fish and wildlife, it is the intent of the legislature to:

(a) Prohibit the use of single-use plastic carryout bags;

(b) Require a pass-through charge on recycled content paper carryout bags and reusable carryout bags made of film plastic, to encourage shoppers to bring their own reusable carryout bags;

(c) Require bags provided by a retail establishment contain recycled content; and

(d) Encourage the provision of reusable and recycled content paper carryout bags by retail establishments.

NEW SECTION. Sec. 6. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Carryout bag" means any bag that is provided by a retail establishment at home delivery, the check stand, cash register, point of sale, or other point of departure to a customer for use to transport or carry away purchases.

(2) "Department" means the department of ecology.

(3) "Pass-through charge" means a charge to be collected and retained by retailers from their customers when providing recycled content paper carryout bags and reusable carryout bags made of film plastic.

(4) "Recycled content paper carryout bag" means a paper carryout bag provided by a store to a customer at the point of sale that meets the requirements in section 3(6)(a) of this act.

(5) "Retail establishment" means any person, corporation, partnership, business, facility, vendor, organization, or individual that sells or provides food, merchandise, goods, or materials directly to a customer including home delivery, temporary stores, or vendors at farmers markets, street fairs, and festivals.

(6) "Reusable carryout bag" means a bag made of cloth or other durable material with handles that is specifically designed and manufactured for long-term multiple reuse and meets the requirements of section 3(6)(b) of this act.

(7) "Single-use plastic carryout bag" means any bag that is made from plastic that is designed and suitable only to be used once and disposed.

**NEW SECTION. Sec. 7.** (1) Beginning January 1, 2021, except as provided in this section and section 4 of this act, a retail establishment may not provide to a customer or a person at an event:

(a) A single-use plastic carryout bag; or

(b) A paper carryout bag or reusable carryout bag made of film plastic that does not meet recycled content requirements.

(2)(a) A retail establishment may provide a reusable carryout bag or a recycled content paper carryout bag of any size to a customer at the point of sale.

(b) A retail establishment must collect a pass-through charge of at least seven cents, but not more than ten cents for every recycled content paper carryout bag with a manufacturer's stated capacity of one-eighth barrel (eight hundred eighty-two cubic inches) or greater or reusable carryout bag made of film plastic it provides, except as provided in subsection (5) of this section and section 4 of this act. A retail establishment may make reusable carryout bags available to customers through sale.

(c) A retail establishment must keep all revenue from pass-through charges. The pass-through charge is a taxable retail sale. A retail establishment must show all pass-through charges on a receipt provided to the customer.

(3) Carryout bags provided by a retail establishment do not include:

(a) Bags used by consumers inside stores to:

(i) Package bulk items, such as fruit, vegetables, nuts, grains, candy, greeting cards, or small hardware items such as nails, bolts, or screws;

(ii) Contain or wrap items where dampness or sanitation might be a problem including, but not limited to:

(A) Frozen foods;

(B) Meat;

(C) Fish;

(D) Flowers; and

(E) Potted plants;

(iii) Contain unwrapped prepared foods or bakery goods;

(iv) Contain prescription drugs; or

(v) Protect a purchased item from damaging or contaminating other purchased items when placed in a recycled content paper carryout bag or reusable carryout bag; or

(b) Newspaper bags, mailing pouches, sealed envelopes, door hanger bags, laundry/dry cleaning bags, or bags sold in packages containing multiple bags for uses such as food storage, garbage, or pet waste.

(4)(a) Any compostable film bag that a retail establishment provides to customers for products, including for products bagged in stores prior to checkout, must meet the requirements for compostable products and film bags in chapter 70.360 RCW.

(b) A retail establishment may not use or provide polyethylene or other noncompostable plastic bags for bagging of customer products in stores, as carryout bags, or for home delivery that do not meet the requirements for noncompostable products and film bags in chapter 70.360 RCW.

(5) Except as provided by local regulations enacted as of April 1, 2020, a retail establishment may provide a bag restricted under subsection (1) of this section from existing inventory until one year after the effective date of this section. The retail establishment, upon request by the department, must provide purchase invoices, distribution receipts, or other information documenting that the bag was acquired prior to the effective date of this section.

(6) For the purposes of this section:

(a) A recycled content paper carryout bag must:

(i) Contain a minimum of forty percent postconsumer recycled materials;

(ii) Be capable of composting, consistent with the timeline and specifications of the entire American society of testing materials D6868 and associated test methods that must be met, as it existed as of January 1, 2020; and

(iii) Display the minimum percentage of postconsumer content in print on the exterior of the paper bag.

(b) A reusable carryout bag must:

(i) Have a minimum lifetime of one hundred twenty-five uses, which for purposes of this subsection means the capacity to carry a minimum of twenty-two pounds one hundred twenty-five times over a distance of at least one hundred seventy-five feet;

(ii) Be machine washable or made from a durable material that may be cleaned or disinfected; and

(iii) If made of film plastic:

(A) Be made from a minimum of twenty percent postconsumer recycled content until July 1, 2022, and thereafter must be made from a minimum of forty percent postconsumer recycled material;

(B) Display the minimum percentage of postconsumer content and the mil thickness in print on the exterior of the plastic bag;

(C) Have a minimum thickness of no less than 2.25 mils; and

(D) Display wording that the bag is reusable.

(c) Except for the purposes of subsection (4) of this section, food banks and other food assistance programs are not retail establishments, but are encouraged to take actions to reduce the use of single-use plastic carryout bags.

**NEW SECTION. Sec. 8.** It is a violation of section 3 of this act for any retail establishment to pay or otherwise reimburse a customer for any portion of the pass-through charge; provided that retail establishments may not collect a pass-through charge from anyone using a voucher or electronic benefits card issued under the women, infants, and children (WIC) or temporary assistance for needy families (TANF) support programs, or the federal supplemental nutrition assistance program (SNAP, also known as basic food), or the Washington state food assistance program (FAP).

**NEW SECTION. Sec. 9.** (1) Until June 1, 2025, the department shall prioritize the expedited processing of applications for permits related to the expansion or reconfiguring of an existing pulp and paper mill for the purpose of manufacturing paper bags or raw materials used to manufacture paper bags.

(2) The department may adopt rules as necessary for the purpose of implementing, administering, and enforcing this chapter.

(3) The enforcement of this chapter must be based primarily on complaints filed with the department and local jurisdictions. The department must establish a forum for the filing of complaints. Local jurisdictions and other persons may file complaints with the department using the forum and local jurisdictions may review complaints filed with the department via the forum for purposes of the local jurisdiction carrying out education and outreach to retail establishments. A forum established by the department may include a complaint form on the department's web site, a telephone hotline, or a public outreach strategy relying upon electronic social media to receive complaints that allege violations. The department, in collaboration with the local jurisdictions, must provide education and outreach activities to inform retail establishments, consumers, and other interested individuals about the requirements of this chapter.

(4) The department or local jurisdiction shall work with retail establishments, retail associations, unions, and other organizations to create educational elements regarding the ban and the benefits of reusable bags. Educational elements may include signage at store locations, informational literature, and employee training by October 1, 2020.

(5) Retail establishments are encouraged to educate their staff to promote reusable bags as the best option for carry-out bags and to post signs encouraging customers to use reusable bags.

(6) A violation of this chapter is subject to a civil penalty of up to two hundred fifty dollars. Each calendar day of operation or activity in violation of this chapter comprises a new violation. Penalties issued under this section are appealable to the pollution control hearings board established in chapter 43.21B RCW.

(7) If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by July 1, 2020, from the waste reduction, recycling, and litter control account for purposes of implementing the

education and outreach activities required under this section, then this act is null and void.

**NEW SECTION. Sec. 10.** (1) Except as provided in subsection (2) of this section, a city, town, county, or municipal corporation may not implement a local carryout bag ordinance. Except as provided in subsection (2) of this section, any carryout bag ordinance that was enacted as of April 1, 2020, is preempted by this chapter.

(2)(a) A city, town, county, or municipal corporation ordinance enacted as of April 1, 2020, that has established a pass-through charge of ten cents is not preempted with respect to the amount of the pass-through charge.

(b) A city, town, county, or municipal corporation ordinance not specified in (a) of this subsection and enacted as of April 1 2020, is not preempted until January 1, 2021.

**NEW SECTION. Sec. 11.** (1) By October 31, 2023, the department must submit a report to the appropriate committees of the legislature. The report required under this section must include:

(a) An assessment of the effectiveness of the pass-through charge for reducing the total volume of bags purchased and encouraging the use of reusable bags;

(b) An assessment of the cost of the authorized bags to retail establishments versus the pass-through charge allowed under chapter 70.--- RCW (the new chapter created in section 11 of this act);

(c) An assessment of 2.25 mil plastic reusable bags, including their overall contribution to the reduction of the volume of plastic use; and

(d) Recommendations for revisions for this act, if needed.

(2) This section expires July 1, 2025.

**ESSB 6012** Prime Sponsor, Committee on Ways & Means: Promoting renewable energy through modifying tax incentives. Reported by Committee on Finance

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 18.** (1) The legislature finds that Washington, through implementation of the clean energy transformation act, is transforming its energy supply and modernizing its electricity system. In implementing this act, the state is prioritizing creation of family wage jobs and providing safeguards to ensure that the achievement of this policy does not impair the reliability of the electricity system or impose unreasonable costs on utility customers.

(2) The legislature finds that to accomplish the goals of chapter 288, Laws of 2019—promote energy independence; create high-quality jobs in the clean energy sector; maximize the value of hydropower, our principal renewable resource; maintain safe and reliable electricity to all customers at stable and affordable rates; and protect clean air and water in the Pacific Northwest—utilities will need to invest in new renewable energy sources and maximize the use of existing resources, especially renewable resources that can be called upon to produce electricity at all hours throughout the year.

(3) The legislature declares that the state has an important role to play in supporting the development of these new renewable energy resources, including the provision of incentives to support hydropower system investments that are specifically targeted to achieve the goals of this policy, provided said investments, and resulting operations maintain or enhance fish conservation mandates and responsibilities.

(4) It is the intent of the legislature to exempt from sales and use taxes hydropower system investments that directly support the goals of chapter 288, Laws of 2019. The total amount of exemption will be determined based on the prorated share of hydropower capacity owned by each utility in Washington state as of December 31, 2019.

**NEW SECTION. Sec. 19.** (1) This section is the tax preference performance statement for the sales and use tax exemptions contained in sections 3 and 4, chapter . . . , Laws of 2020 (sections 3 and 4 of this act). This performance statement is only intended to be used for subsequent evaluation of these tax preferences. It is not intended to

create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these sales and use tax exemptions as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) If a review finds that the exemptions provided in sections 3 and 4, chapter . . . , Laws of 2020 (sections 3 and 4 of this act) support the goals of chapter 288, Laws of 2019—to promote energy independence; create high-quality jobs in the clean energy sector; maximize the value of hydropower, our principal renewable resource; maintain safe and reliable electricity to all customers at stable and affordable rates; and protect clean air and water in the Pacific Northwest—then the legislature intends to extend the expiration date of these tax preferences.

(4) In order to obtain the data necessary to perform the review in subsection (3) of this section, the joint legislative audit and review committee may refer to any data collected by the state.

**NEW SECTION. Sec. 20.** A new section is added to chapter 82.08 RCW to read as follows:

(1) Beginning July 1, 2020, the tax imposed by RCW 82.08.020 does not apply to the following:

(a) The sale of or charge made for machinery and equipment, and labor and services, that will provide additional support for the transition to clean energy through incremental increases in production, capacity, flexibility, or efficiency of operation or performance from the refurbishment or replacement of existing machinery and equipment, or purchase of new machinery and equipment, for an existing hydroelectric generation facility; and

(b) The sale of or charge made for machinery and equipment, and labor and services, necessary for an existing hydroelectric generation facility to develop self-lubricating adjustable turbine blade hubs for further evaluation and testing.

(2) In order to qualify for the exemption provided in subsection (1) of this section:

(a) Machinery and equipment must be received by the purchaser after June 30, 2020, and before July 1, 2031; and

(b) Labor and services, as described in subsection (1) of this section, must be rendered after June 30, 2020, and before July 1, 2031.

(3)(a)(i) The total exemption from the state sales and use tax under this section and section 4 of this act is subject to the following biennial limits:

(A) For fiscal year 2021, two million five hundred thousand dollars; and

(B) For each biennium beginning on or after July 1, 2021, five million dollars.

(ii) Unclaimed exempted amounts from fiscal year 2021 or a given biennium must be carried over and added to the limit of the following biennium.

(b) Each generating utility in the state is eligible for a proportional amount of the total tax preference over eleven years. This figure will be based on the prorated share of total hydropower generator capacity owned by each generating utility in Washington state as of December 31, 2019. The department of commerce must calculate the prorated shares based on information provided by the utilities and provide this information to the department of revenue.

(c) A generating utility may claim an exemption at any time during the eleven-year period that this exemption is in effect, up to its prorated share and subject to the statutory time limitations in RCW 82.32.060. Applications for remittance will be processed on a first-in-time basis. If funds are not available in the biennium in which the application is submitted to the department, the generating utility will be eligible to claim funds the following biennium before any new applicants.

(4)(a) The exemption provided under this section is in the form of a remittance and applies only to the state portion of the tax. A generating utility claiming an exemption from the state portion of the sales tax for eligible projects under this section must pay all state and local sales and use taxes. The buyer may then apply to the department for remittance on an annual basis for one hundred percent of the state sales and use tax paid on qualifying purchases subject to the requirements of this section.

(b) The department must determine eligibility under this section based on information provided by the buyer and through audit and other administrative records. The buyer must submit an application, in a form and manner as required by the department, specifying the amount of exempted tax claimed and the qualifying purchases or acquisitions for which the exemption is claimed. The buyer must retain, in adequate detail to enable the department to determine whether the charges made for machinery and equipment, and labor and services, meet the criteria under this section: Invoices; proof of tax paid; documents describing the equipment; and construction invoices and documents.

(c) As part of the application for a remittance under this section, the generating utility must attest:

(i)(A) That the contractors on the project have a history of complying with federal and state wage and hour laws and regulations; or

(B) That the project is developed under a community workforce agreement or project labor agreement; or

(ii) That, if the contract for refurbishment or upgrade of a hydroelectric generation facility or machinery and equipment therein under subsection (1)(a) or (b) of this section was executed prior to July 1, 2020, and the remaining machinery and equipment, and labor and services, will be delivered or rendered on or after July 1, 2020, either of the conditions in (c)(i) of this subsection (4) is met and wages consistent with chapter 39.12 RCW are paid on the project.

(d) If the department determines that any of the facts attested to as required under (c) of this subsection are not true, the department must deny the application for remittance. However, nothing in this section requires the

department to endeavor to determine the veracity of the facts attested to as required under (c) of this subsection. Upon the department's request, state agencies must provide assistance to the department in reviewing the information submitted by a generating utility as required by (c) of this subsection.

(e) Upon approval of an application for remittance under this section, the department must remit exempted amounts to the generating utility. Remittances under this section are subject to repayment if the department subsequently determines, through audit or other information, that the generating utility was not eligible for the remittance.

(5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Eligible project" means a project meeting the requirements in subsection (1) of this section within a hydroelectric facility designed to generate at least one thousand kilowatts of electricity using the energy of falling or flowing fresh water.

(b)(i) "Generating utility" means public and private utilities regulated under the laws of Washington state that own and operate hydroelectric facilities located within the state.

(ii) "Generating utility" does not include hydroelectric facilities owned by the federal government.

(c) "Labor and services" means work associated with demolition, removal, and deconstruction of an existing turbine or generation machinery and equipment; and the construction, installation, alteration, replacement, repair, cleaning, conversion, or assembly of the self-lubricating adjustable turbine blade hub or other machinery and equipment that is acquired or used as part of an eligible project.

(d)(i) "Machinery and equipment" means fixtures, devices, control systems, and support facilities that are integral and necessary to the generation of electricity using the energy of falling or flowing fresh water.

(ii) "Machinery and equipment" does not include: (A) Hand-powered tools; (B) property with a useful life of less than one year; (C) repair parts required to restore machinery and equipment to normal working order; (D) replacement parts that do not increase productivity, improve efficiency, or extend the useful life of machinery and equipment; (E) buildings and other structures, such as dams, powerhouses, fish ladders, and transmission towers; and (F) building fixtures that are not integral and necessary to the generation of electricity that are permanently affixed to and become a physical part of a building.

(e) "Self-lubricating adjustable turbine blade hub" means a type of horizontal or vertical hydroelectric turbine with adjustable blades that use alternative technology to lubricate the internal components.

(6) This section expires July 1, 2031.

**NEW SECTION. Sec. 21.** A new section is added to chapter 82.12 RCW to read as follows:

(1) The tax imposed by RCW 82.12.020 does not apply to the use of:

(a) Machinery and equipment, and labor and services, that will provide additional support for the transition to clean energy through incremental increases in production, capacity, flexibility, or efficiency of operation or performance from the refurbishment or replacement of existing machinery and equipment, or purchase of new machinery and equipment, for an existing hydroelectric generation facility; and

(b) Machinery and equipment, and labor and services, necessary for an existing hydroelectric generation facility to develop self-lubricating adjustable turbine blade hubs for further evaluation and testing.

(2) In order to qualify for the exemption provided in subsection (1) of this section:

(a) First use of the machinery and equipment, as described in subsection (1) of this section, must occur after June 30, 2020, and before July 1, 2031; and

(b) Labor and services, as described in subsection (1) of this section, must be rendered after June 30, 2020, and before July 1, 2031.

(3) The definitions, conditions, and requirements under section 3 of this act apply to this section.

An appropriation is required for administrative expenses, but not for benefit payments. The account must provide reimbursement of any amounts from other sources that may have been used for the initial establishment of the program.

(2) The revenue generated pursuant to this chapter shall be utilized to expand long-term care in the state. These funds may not be used either in whole or in part to supplant existing state or county funds for programs that meet the definition of approved services.

(3) The moneys deposited in the account must remain in the account until expended in accordance with the requirements of this chapter. If moneys are appropriated for any purpose other than supporting the long-term services and supports program, or for the purposes described in section 7 of this act, the legislature shall notify each qualified individual by mail that the person's premiums have been appropriated for an alternate use, describe the alternate use, and state its plan for restoring the funds so that premiums are not increased and benefits are not reduced.

**Sec. 2.** RCW 48.32A.025 and 2001 c 50 s 3 are each amended to read as follows:

(1) This chapter provides coverage for the policies and contracts specified in subsection (2) of this section as follows:

(a) To persons who, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, are the beneficiaries, assignees, or payees of the persons covered under (b) of this subsection;

(b) To persons who are owners of or certificate holders under the policies or contracts, other than unallocated annuity contracts and structured settlement annuities, and in each case who:

(i) Are residents; or

(ii) Are not residents, but only under all of the following conditions:

(A) The insurer that issued the policies or contracts is domiciled in this state;

(B) The states in which the persons reside have associations similar to the association created by this chapter; and

(C) The persons are not eligible for coverage by an association in any other state due to the fact that the insurer was not licensed in the state at the time specified in the state's guaranty association law;

(c) For unallocated annuity contracts specified in subsection (2) of this section, (a) and (b) of this subsection do not apply, and this chapter, except as provided in (e) and (f) of this subsection, does provide coverage to:

(i) Persons who are the owners of the unallocated annuity contracts if the contracts are issued to or in

connection with a specific benefit plan whose plan sponsor has its principal place of business in this state; and

(ii) Persons who are owners of unallocated annuity contracts issued to or in connection with government lotteries if the owners are residents;

(d) For structured settlement annuities specified in subsection (2) of this section, (a) and (b) of this subsection do not apply, and this chapter, except as provided in (e) and (f) of this subsection, does provide coverage to a person who is a payee under a structured settlement annuity, or beneficiary of a payee if the payee is deceased, if the payee:

(i) Is a resident, regardless of where the contract owner resides; or

(ii) Is not a resident, but only under both of the following conditions:

(A)(I) The contract owner of the structured settlement annuity is a resident; or

(II) The contract owner of the structured settlement annuity is not a resident, but the insurer that issued the structured settlement annuity is domiciled in this state; and the state in which the contract owner resides has an association similar to the association created by this chapter; and

(B) Neither the payee, nor beneficiary, nor the contract owner is eligible for coverage by the association of the state in which the payee or contract owner resides;

(e) This chapter does not provide coverage to:

(i) A person who is a payee, or beneficiary, of a contract owner resident of this state, if the payee, or beneficiary, is afforded any coverage by the association of another state; or

(ii) A person covered under (c) of this subsection, if any coverage is provided by the association of another state to the person; and

(f) This chapter is intended to provide coverage to a person who is a resident of this state and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this chapter is provided coverage under the laws of any other state, the person shall not be provided coverage under this chapter. In determining the application of this subsection (1)(f) in situations where a person could be covered by the association of more than one state, whether as an owner, payee, beneficiary, or assignee, this chapter shall be construed in conjunction with other state laws to result in coverage by only one association.

(2)(a) This chapter provides coverage to the persons specified in subsection (1) of this section for direct, nongroup life, disability, or annuity policies or contracts and supplemental contracts to any of these, for certificates under direct group policies and contracts, and for unallocated annuity contracts issued by member insurers, except as limited by this chapter. Annuity contracts and certificates under group annuity contracts include but are not limited to guaranteed investment contracts, deposit administration

contracts, unallocated funding agreements, allocated funding agreements, structured settlement annuities, annuities issued to or in connection with government lotteries, and any immediate or deferred annuity contracts. However, any annuity contracts that are unallocated annuity contracts are subject to the specific provisions in this chapter for unallocated annuity contracts.

(b) This chapter does not provide coverage for:

(i) A portion of a policy or contract not guaranteed by the insurer, or under which the risk is borne by the policy or contract owner;

(ii) A policy or contract of reinsurance, unless assumption certificates have been issued pursuant to the reinsurance policy or contract;

(iii) A portion of a policy or contract to the extent that the rate of interest on which it is based, or the interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value:

(A) Averaged over the period of four years prior to the date on which the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by subtracting two percentage points from Moody's corporate bond yield average averaged for that same four-year period or for such lesser period if the policy or contract was issued less than four years before the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier; and

(B) On and after the date on which the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by subtracting three percentage points from Moody's corporate bond yield average as most recently available;

(iv) A portion of a policy or contract issued to a plan or program of an employer, association, or other person to provide life, disability, or annuity benefits to its employees, members, or others, to the extent that the plan or program is self-funded or uninsured, including but not limited to benefits payable by an employer, association, or other person under:

(A) A multiple employer welfare arrangement as defined in 29 U.S.C. Sec. 1144;

(B) A minimum premium group insurance plan;

(C) A stop-loss group insurance plan; or

(D) An administrative services only contract;

(v) A portion of a policy or contract to the extent that it provides for:

(A) Dividends or experience rating credits;

(B) Voting rights; or

(C) Payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;

(vi) A policy or contract issued in this state by a member insurer at a time when it was not licensed or did not have a certificate of authority to issue the policy or contract in this state;

(vii) An unallocated annuity contract issued to or in connection with a benefit plan protected under the federal pension benefit guaranty corporation, regardless of whether the federal pension benefit guaranty corporation has yet become liable to make any payments with respect to the benefit plan;

(viii) A portion of an unallocated annuity contract that is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan or a government lottery;

(ix) A portion of a policy or contract to the extent that the assessments required by RCW 48.32A.085 with respect to the policy or contract are preempted by federal or state law;

(x) An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the contract owner or policy owner, including without limitation:

(A) Claims based on marketing materials;

(B) Claims based on side letters, riders, or other documents that were issued by the insurer without meeting applicable policy form filing or approval requirements;

(C) Misrepresentations of or regarding policy benefits;

(D) Extra-contractual claims; or

(E) A claim for penalties or consequential or incidental damages;

(xi) A contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in each case is not an affiliate of the member insurer; or

(xii) A portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this subsection (2)(b)(xii), the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture.

(3) The benefits that the association may become obligated to cover shall in no event exceed the lesser of:

(a) The contractual obligations for which the insurer is liable or would have been liable if it were not an impaired or insolvent insurer; or

(b)(i) With respect to one life, regardless of the number of policies or contracts:

(A) Five hundred thousand dollars in life insurance death benefits, but not more than five hundred thousand dollars in net cash surrender and net cash withdrawal values for life insurance;

(B) In disability insurance benefits:

(I) Five hundred thousand dollars for coverages not defined as disability income insurance or basic hospital, medical, and surgical insurance or major medical insurance including any net cash surrender and net cash withdrawal values;

(II) Five hundred thousand dollars for disability income insurance;

(III) Five hundred thousand dollars for basic hospital medical and surgical insurance or major medical insurance; ((€))

(IV) Five hundred thousand dollars for long-term care insurance; or

(C) Five hundred thousand dollars in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, except as provided in (ii), (iii), and (v) of this subsection (3)(b);

(ii) With respect to each individual participating in a governmental retirement benefit plan established under section 401, 403(b), or 457 of the United States Internal Revenue Code covered by an unallocated annuity contract or the beneficiaries of each such individual if deceased, in the aggregate, one hundred thousand dollars in present value annuity benefits, including net cash surrender and net cash withdrawal values;

(iii) With respect to each payee of a structured settlement annuity, or beneficiary or beneficiaries of the payee if deceased, five hundred thousand dollars in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, if any;

(iv) However, in no event shall the association be obligated to cover more than: (A) An aggregate of five hundred thousand dollars in benefits with respect to any one life under (i), (ii), and (iii) of this subsection (3)(b) except with respect to benefits for basic hospital, medical, and surgical insurance and major medical insurance under (i)(B) of this subsection (3)(b), in which case the aggregate liability of the association shall not exceed five hundred thousand dollars with respect to any one individual; or (B) with respect to one owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, more than five million dollars in benefits, regardless of the number of policies and contracts held by the owner;

(v) With respect to either: (A) One contract owner provided coverage under subsection (1)(d)(ii) of this section; or (B) one plan sponsor whose plans own directly or in trust one or more unallocated annuity contracts not included in (ii) of this subsection (3)(b), five million dollars in benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor. However, in the case where one or more unallocated annuity contracts are covered contracts under this chapter and are owned by a trust or other entity for the benefit of two or more plan sponsors, coverage shall be afforded by the association if the largest interest in the trust or entity owning the contract or contracts is held by a plan sponsor whose principal place of business is in this state and in no event shall the association be obligated to cover more than five million dollars in benefits with respect to all these unallocated contracts; or

(vi) The limitations set forth in this subsection are limitations on the benefits for which the association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the association's obligations under this chapter may be met by the use of assets attributable to covered policies or reimbursed to the association pursuant to its subrogation and assignment rights.

(4) In performing its obligations to provide coverage under RCW 48.32A.075, the association is not required to guarantee, assume, reinsure, or perform, or cause to be guaranteed, assumed, reinsured, or performed, the contractual obligations of the insolvent or impaired insurer under a covered policy or contract that do not materially affect the economic values or economic benefits of the covered policy or contract."

"**Sec. 2.** RCW 41.32.785 and 2019 c 102 s 3 are each amended to read as follows:

(1) Upon retirement for service as prescribed in RCW 41.32.765 or retirement for disability under RCW 41.32.790, a member shall elect to have the retirement allowance paid pursuant to the following options, calculated so as to be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall

include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

(2)(a) A member, if married, must provide the written consent of his or her spouse to the option selected under this section, except as provided in (b) and (c) of this subsection. If a member is married and both the member and member's spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse as the beneficiary. Such benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) and (c) of this subsection.

(b) Written consent from a spouse or domestic partner is not required if a member who is married or a domestic partner selects a joint and survivor option under subsection (1)(b) of this section and names the member's spouse or domestic partner as the survivor beneficiary.

(c) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and

(ii) The spousal consent provisions of (a) of this subsection do not apply.

(3)(a) Any member who retired before January 1, 1996, and who elected to receive a reduced retirement allowance under subsection (1)(b) or (2) of this section is entitled to receive a retirement allowance adjusted in accordance with (b) of this subsection, if they meet the following conditions:

(i) The retiree's designated beneficiary predeceases or has predeceased the retiree; and

(ii) The retiree provides to the department proper proof of the designated beneficiary's death.

(b) The retirement allowance payable to the retiree, as of July 1, 1998, or the date of the designated beneficiary's death, whichever comes last, shall be increased by the percentage derived in (c) of this subsection.

(c) The percentage increase shall be derived by the following:

(i) One hundred percent multiplied by the result of (c)(ii) of this subsection converted to a percent;

(ii) Subtract one from the reciprocal of the appropriate joint and survivor option factor;

(iii) The joint and survivor option factor shall be from the table in effect as of July 1, 1998.

(d) The adjustment under (b) of this subsection shall accrue from the beginning of the month following the date of the designated beneficiary's death or from July 1, 1998, whichever comes last.

(4) No later than July 1, 2001, the department shall adopt rules that allow a member additional actuarially equivalent survivor benefit options, and shall include, but are not limited to:

(a)(i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse from a postretirement marriage as a survivor during a one-year period beginning one year after the date of the postretirement marriage provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

The member shall have available the benefit options of subsection (1) of this section upon retirement, and if remarried at the time of retirement remains subject to the spousal consent requirements of subsection (2) of this section. Any reductions of the member's benefit subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

The nonmember ex spouse shall be eligible to commence receiving their separate benefit upon reaching the age provided in RCW 41.32.765(1) and after filing a written application with the department.

(c) The department may make an additional charge or adjustment if necessary to ensure that the separate benefits provided under this subsection are actuarially equivalent to the benefits payable prior to the decree of dissolution.

Representative Entenman moved the adoption of the striking amendment (2120):

25.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 26.** The legislature finds that:

(1) Unconstrained use of facial recognition services by state and local government agencies poses broad social ramifications that should be considered and addressed. Accordingly, legislation is required to establish safeguards that will allow state and local government agencies to use facial recognition services in a manner that benefits society while prohibiting uses that threaten our democratic freedoms and put our civil liberties at risk.

(2) However, state and local government agencies may use facial recognition services in a variety of beneficial ways, such as locating missing or incapacitated persons, identifying victims of crime, and keeping the public safe.

**NEW SECTION. Sec. 27.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Accountability report" means a report developed in accordance with section 3 of this act.

(2) "Enroll," "enrolled," or "enrolling" means the process by which a facial recognition service creates a facial template from one or more images of an individual and adds the facial template to a gallery used by the facial recognition service for recognition or persistent tracking of individuals. It also includes the act of adding an existing facial template directly into a gallery used by a facial recognition service.

(3)(a) "Facial recognition service" means technology that analyzes facial features and is used by a state or local government agency for the identification, verification, or persistent tracking of individuals in still or video images.

(b) "Facial recognition service" does not include: (i) The analysis of facial features to grant or deny access to an electronic device; or (ii) the use of an automated or semiautomated process for the purpose of redacting a recording for release or disclosure outside the law enforcement agency to protect the privacy of a subject depicted in the recording, if the process does not generate or result in the retention of any biometric data or surveillance information.

(4) "Facial template" means the machine-interpretable pattern of facial features that is extracted from one or more images of an individual by a facial recognition service.

(5) "Identification" means the use of a facial recognition service by a state or local government agency to determine whether an unknown individual matches any

individual whose identity is known to the state or local government agency and who has been enrolled by reference to that identity in a gallery used by the facial recognition service.

(6) "Legislative authority" means the respective city, county, or other local governmental agency's council, commission, or other body in which legislative powers are vested. For a port district, the legislative authority refers to the port district's port commission. For an airport established pursuant to chapter 14.08 RCW and operated by a board, the legislative authority refers to the airport's board. For a state agency, "legislative authority" refers to the technology services board created in RCW 43.105.285.

(7) "Meaningful human review" means review or oversight by one or more individuals who are trained in accordance with section 8 of this act and who have the authority to alter the decision under review.

(8) "Nonidentifying demographic data" means data that is not linked or reasonably linkable to an identified or identifiable individual, and includes, at a minimum, information about gender, race or ethnicity, age, and location.

(9) "Ongoing surveillance" means using a facial recognition service to track the physical movements of a specified individual through one or more public places over time, whether in real time or through application of a facial recognition service to historical records. It does not include a single recognition or attempted recognition of an individual, if no attempt is made to subsequently track that individual's movement over time after they have been recognized.

(10) "Persistent tracking" means the use of a facial recognition service by a state or local government agency to track the movements of an individual on a persistent basis without identification or verification of that individual. Such tracking becomes persistent as soon as:

(a) The facial template that permits the tracking is maintained for more than forty-eight hours after first enrolling that template; or

(b) Data created by the facial recognition service is linked to any other data such that the individual who has been tracked is identified or identifiable.

(11) "Recognition" means the use of a facial recognition service by a state or local government agency to determine whether an unknown individual matches:

(a) Any individual who has been enrolled in a gallery used by the facial recognition service; or

(b) A specific individual who has been enrolled in a gallery used by the facial recognition service.

(12) "Serious criminal offense" means any offense defined under RCW 9.94A.030 (26), (33), (42), (43), (47), or (56).

(13) "Verification" means the use of a facial recognition service by a state or local government agency to determine whether an individual is a specific individual

whose identity is known to the state or local government agency and who has been enrolled by reference to that identity in a gallery used by the facial recognition service.

**NEW SECTION. Sec. 28.** (1) A state or local government agency using or intending to develop, procure, or use a facial recognition service must file with a legislative authority a notice of intent to develop, procure, or use a facial recognition service and specify a purpose for which the technology is to be used. A state or local government agency may commence the accountability report required in this section only upon the approval of the notice of intent by the legislative authority.

(2) Prior to developing, procuring, or using a facial recognition service, a state or local government agency must produce an accountability report for that service. Each accountability report must include, at minimum, clear and understandable statements of the following:

(a)(i) The name of the facial recognition service, vendor, and version; and (ii) a description of its general capabilities and limitations, including reasonably foreseeable capabilities outside the scope of the proposed use of the agency;

(b)(i) The type or types of data inputs that the technology uses; (ii) how that data is generated, collected, and processed; and (iii) the type or types of data the system is reasonably likely to generate;

(c)(i) A description of the purpose and proposed use of the facial recognition service, including what decision or decisions will be used to make or support it; (ii) whether it is a final or support decision system; and (iii) its intended benefits, including any data or research demonstrating those benefits;

(d) A clear use and data management policy, including protocols for the following:

(i) How and when the facial recognition service will be deployed or used and by whom including, but not limited to, the factors that will be used to determine where, when, and how the technology is deployed, and other relevant information, such as whether the technology will be operated continuously or used only under specific circumstances. If the facial recognition service will be operated or used by another entity on the agency's behalf, the facial recognition service accountability report must explicitly include a description of the other entity's access and any applicable protocols;

(ii) Any measures taken to minimize inadvertent collection of additional data beyond the amount necessary for the specific purpose or purposes for which the facial recognition service will be used;

(iii) Data integrity and retention policies applicable to the data collected using the facial recognition service, including how the agency will maintain and update records used in connection with the service, how long the agency will keep the data, and the processes by which data will be deleted;

(iv) Any additional rules that will govern use of the facial recognition service and what processes will be required prior to each use of the facial recognition service;

(v) Data security measures applicable to the facial recognition service including how data collected using the facial recognition service will be securely stored and accessed, if and why an agency intends to share access to the facial recognition service or the data from that facial recognition service with any other entity, and the rules and procedures by which an agency sharing data with any other entity will ensure that such entities comply with the sharing agency's use and data management policy as part of the data sharing agreement;

(vi) How the facial recognition service provider intends to fulfill security breach notification requirements pursuant to chapter 19.255 RCW and how the agency intends to fulfill security breach notification requirements pursuant to RCW 42.56.590; and

(vii) The agency's training procedures, including those implemented in accordance with section 8 of this act, and how the agency will ensure that all personnel who operate the facial recognition service or access its data are knowledgeable about and able to ensure compliance with the use and data management policy prior to use of the facial recognition service;

(e) The agency's testing procedures, including its processes for periodically undertaking operational tests of the facial recognition service in accordance with section 6 of this act;

(f) Information on the facial recognition service's rate of false matches, potential impacts on protected subpopulations, and how the agency will address error rates, determined independently, greater than one percent;

(g) A description of any potential impacts of the facial recognition service on civil rights and liberties, including potential impacts to privacy and potential disparate impacts on marginalized communities, and the specific steps the agency will take to mitigate the potential impacts and prevent unauthorized use of the facial recognition service; and

(h) The agency's procedures for receiving feedback, including the channels for receiving feedback from individuals affected by the use of the facial recognition service and from the community at large, as well as the procedures for responding to feedback.

(3) Prior to finalizing the accountability report, the agency must:

(a) Allow for a public review and comment period;

(b) Hold at least three community consultation meetings; and

(c) Consider the issues raised by the public through the public review and comment period and the community consultation meetings.

(4) The final accountability report must be adopted by a legislative authority in a public meeting before the agency may develop, procure, or use a facial recognition service.

(5) The final adopted accountability report must be clearly communicated to the public at least ninety days prior to the agency putting the facial recognition service into operational use, posted on the agency's public web site, and submitted to the consolidated technology services agency established in RCW 43.105.006. The consolidated technology services agency must post each submitted accountability report on its public web site.

(6) A state or local government agency seeking to procure a facial recognition service must require vendors to disclose any complaints or reports of bias regarding the service.

(7) An agency seeking to use a facial recognition service for a purpose not disclosed in the agency's existing accountability report must first seek public comment and community consultation on the proposed new use and adopt an updated accountability report pursuant to the requirements contained in this section.

(8) A state or local government agency that is using a facial recognition service as of the effective date of this section must suspend its use of the service until it complies with the requirements of this chapter.

**NEW SECTION. Sec. 29.** (1) State and local government agencies using a facial recognition service are required to prepare and publish an annual report that discloses:

(a) The extent and effectiveness of their use of such services, including nonidentifying demographic data about individuals subjected to a facial recognition service;

(b) An assessment of compliance with the terms of their accountability report;

(c) Any known or reasonably suspected violations of their accountability report, including categories of complaints alleging violations; and

(d) Any revisions to the accountability report recommended by the agency during the next update of the policy.

(2) The annual report must be submitted to the office of privacy and data protection.

(3) All agencies must hold community meetings to review and discuss their annual report within sixty days of its adoption by a legislative authority and public release.

**NEW SECTION. Sec. 30.** State and local government agencies using a facial recognition service to make decisions that produce legal effects concerning individuals or similarly significant effects concerning individuals must ensure that those decisions are subject to meaningful human review. Decisions that produce legal effects concerning individuals or similarly significant effects concerning individuals means decisions that result in the provision or denial of financial and lending services, housing, insurance, education enrollment, criminal justice, employment opportunities,

health care services, or access to basic necessities such as food and water, or that impact civil rights of individuals.

**NEW SECTION. Sec. 31.** Prior to deploying a facial recognition service in the context in which it will be used, state and local government agencies using a facial recognition service to make decisions that produce legal effects on individuals or similarly significant effect on individuals must test the facial recognition service in operational conditions. State and local government agencies must take reasonable steps to ensure best quality results by following all guidance provided by the developer of the facial recognition service.

**NEW SECTION. Sec. 32.** (1)(a) A facial recognition service provider that provides or intends to provide facial recognition services to state or local government agencies must make available an application programming interface or other technical capability, chosen by the provider, to enable legitimate, independent, and reasonable tests of those facial recognition services for accuracy and unfair performance differences across distinct subpopulations. Such subpopulations are defined by visually detectable characteristics such as: (i) Race, skin tone, ethnicity, gender, age, or disability status; or (ii) other protected characteristics that are objectively determinable or self-identified by the individuals portrayed in the testing dataset. If the results of the independent testing identify material unfair performance differences across subpopulations, the provider must develop and implement a plan to mitigate the identified performance differences.

(b) Making an application programming interface or other technical capability does not require providers to do so in a manner that would increase the risk of cyberattacks or to disclose proprietary data. Providers bear the burden of minimizing these risks when making an application programming interface or other technical capability available for testing.

(2) Nothing in this section requires a state or local government to collect or provide data to a facial recognition service provider to satisfy the requirements in subsection (1) of this section.

**NEW SECTION. Sec. 33.** State and local government agencies using a facial recognition service must conduct periodic training of all individuals who operate a facial recognition service or who process personal data obtained from the use of a facial recognition service. The training must include, but not be limited to, coverage of:

(1) The capabilities and limitations of the facial recognition service;

(2) Procedures to interpret and act on the output of the facial recognition service; and

(3) To the extent applicable to the deployment context, the meaningful human review requirement for decisions that produce legal effects concerning individuals or similarly significant effects concerning individuals.

**NEW SECTION. Sec. 34.** (1) State and local government agencies must disclose their use of a facial

recognition service on a criminal defendant to that defendant in a timely manner prior to trial.

(2) State and local government agencies using a facial recognition service shall maintain records of their use of the service that are sufficient to facilitate public reporting and auditing of compliance with agencies' facial recognition policies.

(3) In January of each year, any judge who has issued a warrant for the use of a facial recognition service to engage in any surveillance, or an extension thereof, as described in section 13(1) of this act, that expired during the preceding year, or who has denied approval of such a warrant during that year shall report to the administrator for the courts:

(a) The fact that a warrant or extension was applied for;

(b) The fact that the warrant or extension was granted as applied for, was modified, or was denied;

(c) The period of surveillance authorized by the warrant and the number and duration of any extensions of the warrant;

(d) The identity of the applying investigative or law enforcement officer and agency making the application and the person authorizing the application; and

(e) The nature of the public spaces where the surveillance was conducted.

(4) In January of each year, any state or local government agency that has applied for a warrant, or an extension thereof, for the use of a facial recognition service to engage in any surveillance as described in section 13(1) of this act shall provide to a legislative authority a report summarizing nonidentifying demographic data of individuals named in warrant applications as subjects of surveillance with the use of a facial recognition service.

**NEW SECTION. Sec. 35.** This chapter does not apply to a state or local government agency that is mandated to use a specific facial recognition service pursuant to a federal regulation or order, or that are undertaken through partnership with a federal agency to fulfill a congressional mandate. A state or local government agency must report the mandated use of a facial recognition service to a legislative authority.

**NEW SECTION. Sec. 36.** (1) Any person who has been subjected to a facial recognition service in violation of this chapter or about whom information has been obtained, retained, accessed, or used in violation of this chapter, may institute proceedings for injunctive relief, declaratory relief, or writ of mandate in any court of competent jurisdiction to enforce this chapter.

(2) A court shall award costs and reasonable attorneys' fees to a prevailing plaintiff in an action brought under subsection (1) of this section.

**NEW SECTION. Sec. 37.** (1)(a) The William D. Ruckelshaus center must establish a facial recognition task force, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate;

(ii) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives;

(iii) Eight representatives from advocacy organizations that represent individuals or protected classes of communities historically impacted by surveillance technologies including, but not limited to, African American, Hispanic American, Native American, and Asian American communities, religious minorities, protest and activist groups, and other vulnerable communities;

(iv) Two members from law enforcement or other agencies of government;

(v) One representative from a retailer or other company who deploys facial recognition services in physical premises open to the public;

(vi) Two representatives from consumer protection organizations;

(vii) Two representatives from companies that develop and provide facial recognition services; and

(viii) Two representatives from universities or research institutions who are experts in either facial recognition services or their sociotechnical implications, or both.

(b) The task force shall choose two cochairs from among its legislative membership.

(2) The task force shall review the following issues:

(a) Provide recommendations addressing the potential abuses and threats posed by the use of a facial recognition service to civil liberties and freedoms, privacy and security, and discrimination against vulnerable communities, as well as other potential harm, while also addressing how to facilitate and encourage the continued development of a facial recognition service so that individuals, businesses, government, and other stakeholders in society continue to utilize its benefits;

(b) Provide recommendations regarding the adequacy and effectiveness of applicable Washington state laws; and

(c) Conduct a study on the quality, accuracy, and efficacy of a facial recognition service including, but not limited to, its quality, accuracy, and efficacy across different subpopulations.

(3) Legislative members of the task force are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(4) The task force shall report its findings and recommendations to the governor and the appropriate committees of the legislature by September 30, 2021.

(5) This section expires September 30, 2022.

**NEW SECTION. Sec. 38.** A new section is added to chapter 9.73 RCW to read as follows:

(1) State and local government agencies may not use a facial recognition service to engage in any surveillance including, but not limited to, engaging in ongoing surveillance, creating a facial template, conducting an identification, starting persistent surveillance, or performing a recognition, without a warrant, unless exigent circumstances exist.

(2) State and local government agencies must not apply a facial recognition service to any individual based on their religious, political, or social views or activities, participation in a particular noncriminal organization or lawful event, or actual or perceived race, ethnicity, citizenship, place of origin, immigration status, age, disability, gender, gender identity, sexual orientation, or other characteristic protected by law. This subsection does not condone profiling including, but not limited to, predictive law enforcement tools.

(3) State and local government agencies may not use a facial recognition service to create a record describing any individual's exercise of rights guaranteed by the First Amendment of the United States Constitution and by Article I, section 5 of the state Constitution.

(4) Law enforcement agencies that utilize body worn camera recordings shall comply with the provisions of RCW 42.56.240(14).

(5) State and local law enforcement agencies may not use the results of a facial recognition service as the sole basis to establish probable cause in a criminal investigation. The results of a facial recognition service may be used in conjunction with other information and evidence lawfully obtained by a law enforcement officer to establish probable cause in a criminal investigation.

**NEW SECTION. Sec. 39.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Consumer" means a natural person who is a Washington resident.

(2) "Controller" means the natural or legal person which, alone or jointly with others, determines the purposes and means of the processing of personal data.

(3) "Enroll," "enrolled," or "enrolling" means the process by which a facial recognition service creates a facial template from one or more images of a consumer and adds the facial template to a gallery used by the facial recognition service for identification, verification, or persistent tracking of consumers. It also includes the act of adding an existing facial template directly into a gallery used by a facial recognition service.

(4) "Facial recognition service" means technology that analyzes facial features and is used for the identification, verification, or persistent tracking of consumers in still or video images.

(5) "Facial template" means the machine-interpretable pattern of facial features that is extracted from one or more images of an individual by a facial recognition service.

(6) "Identification" means the use of a facial recognition service by a controller to determine whether an unknown consumer matches any consumer whose identity is known to the controller and who has been enrolled by reference to that identity in a gallery used by the facial recognition service.

(7) "Meaningful human review" means review or oversight by one or more individuals who are trained in accordance with section 15(8) of this act and who have the authority to alter the decision under review.

(8) "Persistent tracking" means the use of a facial recognition service to track the movements of a consumer on a persistent basis without identification or verification of that consumer. Such tracking becomes persistent as soon as:

(a) The facial template that permits the tracking uses a facial recognition service for more than forty-eight hours after the first enrolling of that template; or

(b) The data created by the facial recognition service in connection with the tracking of the movements of the consumer are linked to any other data such that the consumer who has been tracked is identified or identifiable.

(9) "Personal data" means any information that is linked or reasonably linkable to an identified or identifiable natural person. "Personal data" does not include deidentified data or publicly available information.

(10) "Processor" means a natural or legal person who processes personal data on behalf of a controller.

(11) "Recognition" means the use of a facial recognition service to determine whether:

(a) An unknown consumer matches any consumer who has been enrolled in a gallery used by the facial recognition service; or

(b) An unknown consumer matches a specific consumer who has been enrolled in a gallery used by the facial recognition service.

(12) "Verification" means the use of a facial recognition service by a controller to determine whether a consumer is a specific consumer whose identity is known to the controller and who has been enrolled by reference to that identity in a gallery used by the facial recognition service.

**NEW SECTION. Sec. 40.** (1)(a) Processors that provide facial recognition services must make available an application programming interface or other technical capability, chosen by the processor, to enable controllers or third parties to conduct legitimate, independent, and reasonable tests of those facial recognition services for accuracy and unfair performance differences across distinct subpopulations. Such subpopulations are defined by visually detectable characteristics, such as (i) race, skin tone, ethnicity, gender, age, or disability status, or (ii) other protected characteristics that are objectively determinable or self-identified by the individuals portrayed in the testing

dataset. If the results of that independent testing identify material unfair performance differences across subpopulations, the processor must develop and implement a plan to mitigate the identified performance differences. Nothing in this subsection prevents a processor from prohibiting the use of the processor's facial recognition service by a competitor for competitive purposes.

(b) Making an application programming interface or other technical capability does not require processors to do so in a manner that would increase the risk of cyberattacks or to disclose proprietary data. Processors bear the burden of minimizing these risks when making an application programming interface or other technical capability available for testing.

(2) Processors that provide facial recognition services must provide documentation that includes general information that:

(a) Explains the capabilities and limitations of the services in plain language; and

(b) Enables testing of the services in accordance with this section.

(3) Processors that provide facial recognition services must prohibit by contract the use of facial recognition services by controllers to unlawfully discriminate under federal or state law against individual consumers or groups of consumers.

(4) Controllers must provide a conspicuous and contextually appropriate notice whenever a facial recognition service is deployed in a physical premise open to the public that includes, at minimum, the following:

(a) The purpose or purposes for which the facial recognition service is deployed; and

(b) Information about where consumers can obtain additional information about the facial recognition service including, but not limited to, a link to any applicable online notice, terms, or policy that provides information about where and how consumers can exercise any rights that they have with respect to the facial recognition service.

(5) Controllers must obtain consent from a consumer prior to enrolling an image of that consumer in a facial recognition service used in a physical premise open to the public.

(6) Controllers using a facial recognition service to make decisions that produce legal effects on consumers or similarly significant effects on consumers must ensure that those decisions are subject to meaningful human review.

(7) Prior to deploying a facial recognition service in the context in which it will be used, controllers using a facial recognition service to make decisions that produce legal effects on consumers or similarly significant effects on consumers must test the facial recognition service in operational conditions. Controllers must take commercially reasonable steps to ensure best quality results by following all reasonable guidance provided by the developer of the facial recognition service.

(8) Controllers using a facial recognition service must conduct periodic training of all individuals that operate a facial recognition service or that process personal data obtained from the use of facial recognition services. Such training shall include, but not be limited to, coverage of:

(a) The capabilities and limitations of the facial recognition service;

(b) Procedures to interpret and act on the output of the facial recognition service; and

(c) The meaningful human review requirement for decisions that produce legal effects on consumers or similarly significant effects on consumers, to the extent applicable to the deployment context.

(9) Controllers shall not knowingly disclose personal data obtained from a facial recognition service to a law enforcement agency, except when such disclosure is:

(a) Pursuant to the consent of the consumer to whom the personal data relates;

(b) Required by federal, state, or local law in response to a warrant;

(c) Necessary to prevent or respond to an emergency involving danger of death or serious physical injury to any person, upon a good faith belief by the controller; or

(d) To the national center for missing and exploited children, in connection with a report submitted thereto under Title 18 U.S.C. Sec. 2258A.

(10) Voluntary facial recognition services used to verify an aviation passenger's identity in connection with services regulated by the secretary of transportation under Title 49 U.S.C. Sec. 41712 and exempt from state regulation under Title 49 U.S.C. Sec. 41713(b)(1) are exempt from this section. Images captured by an airline must not be retained for more than twenty-four hours and, upon request of the attorney general, airlines must certify that they do not retain the image for more than twenty-four hours. An airline facial recognition service must disclose and obtain consent from the customer prior to capturing an image.

**NEW SECTION. Sec. 41.** (1) Any person who has been subjected to a facial recognition service in violation of this chapter, or about whom information has been obtained, retained, accessed, or used in violation of this chapter, may institute proceedings in any court of competent jurisdiction to obtain injunctive relief or declaratory relief, or to recover actual damages, but not less than statutory damages of seven thousand five hundred dollars per violation, whichever is greater.

(2) A court shall award costs and reasonable attorneys' fees to a prevailing plaintiff in an action brought under subsection (1) of this section.

**NEW SECTION. Sec. 42.** Nothing in this act applies to the use of a facial recognition matching system by the department of licensing pursuant to RCW 46.20.037.

**NEW SECTION. Sec. 43.** (1) Sections 1 through 11 and 17 of this act constitute a new chapter in Title 43 RCW.

(2) Sections 14 through 16 of this act constitute a new chapter in Title 19 RCW."

(b) "Facial recognition service" does not include: (i) The analysis of facial features to grant or deny access to a controlled access area or an electronic device or system; (ii) the use of an automated or semiautomated process for the purpose of redacting a recording for release or disclosure outside the law enforcement agency to protect the privacy of a subject depicted in the recording, if the process does not generate or result in the retention of any biometric data or surveillance information; (iii) the analysis of facial features as part of security systems protecting government facilities or property; or (iv) other uses that do not involve the involuntary analysis of the facial features of a member of the general public.

(2) "Facial recognition transparency report" means a report developed in accordance with section 3 of this act.

(3) "Meaningful human review" means review or oversight by one or more individuals who are trained in accordance with section 8 of this act and who have the authority to alter the decision under review.

(4) "Ongoing surveillance" means the continuous tracking of the physical movements of an identified individual through one or more public places for more than forty-eight consecutive hours by law enforcement.

**NEW SECTION. Sec. 3.** (1) At least ninety days prior to putting a facial recognition service into operational use for the first time after the effective date of this section, a state or local government agency must produce a facial recognition transparency report. The report must be clearly communicated to the public, posted on the agency's public web site, and submitted to the consolidated technology services agency established in RCW 43.105.006. The consolidated technology services agency must post each submitted transparency report on its public web site.

(2) Each facial recognition transparency report must include, at minimum, clear and understandable statements of the following:

(a) The name of the facial recognition service, vendor, and version, and a description of its general capabilities and limitations;

(b) A description of the purpose and proposed use of the facial recognition service and its intended benefits, including any data or research demonstrating those benefits;

(c) A clear use and data management policy;

(d) Measures taken to minimize inadvertent collection of additional data beyond the amount necessary for the specific purpose or purposes for which the facial recognition service will be used;

(e) Data integrity and retention policies applicable to the data collected using the facial recognition service, including how the agency will maintain and update records used in connection with the service, how long the agency will keep the data, and the processes by which data will be deleted;

(f) Any additional rules that will govern use of the facial recognition service;

(g) The agency's testing procedures, including its processes for periodically undertaking operational tests of the facial recognition service in accordance with section 6 of this act;

(h) The agency's procedures for receiving feedback, including the channels for receiving feedback from individuals affected by the use of the facial recognition service and from the community at large, as well as the procedures for responding to feedback.

(3) Prior to finalizing and implementing the facial recognition transparency report, the agency must consider issues raised by the public through:

(a) A public review and comment period; and

(b) Community consultation meetings during the public review period.

(4) The agency may update its facial recognition transparency report as it deems necessary and each update must be subject to the public comment and community consultation processes described in this section and submitted to the consolidated technology services agency.

(5) The facial recognition transparency report required for any facial recognition system in use as of the effective date of this section is due December 1, 2021.

**NEW SECTION. Sec. 4.** (1) State and local government agencies using a facial recognition service are required to prepare and publish an annual report that discloses:

(a) A summary of the extent of their use of such services;

(b) An assessment of compliance with the provisions of the agency's facial recognition transparency report;

(c) Any known violations of the agency's facial recognition transparency report; and

(d) Any revisions to the facial recognition transparency report recommended by the agency.

(2) All agencies must hold community meetings to review and discuss their annual report within sixty days of its public release.

**NEW SECTION. Sec. 5.** State and local government agencies using a facial recognition service to make decisions that produce legal effects concerning individuals must ensure that those decisions are subject to meaningful human review. Decisions that produce legal effects concerning individuals means decisions that result in the provision or denial of financial and lending services, housing, insurance, education enrollment, criminal justice, employment opportunities, health care services, or access to basic necessities such as food and water."

Beginning on page 7, line 21, strike all of section 7 and insert the following:

**"NEW SECTION. Sec. 7.** (1)(a) A state or local government agency that deploys a facial recognition service must require a facial recognition service provider to either:

(i) Make available an application programming interface or other technical capability, chosen by the provider, to enable legitimate, independent, and reasonable tests of those facial recognition services for accuracy and unfair performance differences across distinct subpopulations. However, making such an application programming interface or other technical capability available does not require the disclosure of proprietary data, trade secrets, intellectual property, or other information, or if doing so would increase the risk of cyber attacks including, without limitation, cyber attacks related to unique methods of conducting business, data unique to the product or services, or determining prices or rates to be charged for services. Such subpopulations are defined by visually detectable characteristics such as: (A) Race, skin tone, ethnicity, gender, age, or disability status; or (B) other protected characteristics that are objectively determinable among the individuals portrayed in the testing data set: Provided, however, that such characteristics are characteristics that the facial recognition service provider claims the technology is capable of detecting, and are characteristics that the state or local government agency intends to detect with its facial recognition service; or

(ii) Submit the service to the national institute of standards and technology for review and testing.

(b) If the results of the independent testing identify material unfair performance differences across subpopulations, and the methodology, data, and results are disclosed in a manner that allows full reproduction directly to the provider who, acting reasonably, determines that the methodology and results of that testing are valid, then the provider must develop and implement a plan to mitigate the identified performance differences.

(2) This section does not apply to any facial recognition service in use as of the effective date of this section. Upon renewal or extension of any contract as of the effective date of this section, or upon entering into a new contract for facial recognition services, the state or local government agency must ensure that the facial recognition service provider fulfills the requirements of this section."

Beginning on page 8, line 20, strike all of sections 9 through 18 and insert the following:

**"NEW SECTION. Sec. 9.** (1) State and local government agencies must disclose to a criminal defendant evidence gathered through the use of a facial recognition service that has been used, or is intended to be used against the defendant in the current criminal proceeding in a timely manner prior to trial.

(2) State and local government agencies using a facial recognition service shall maintain records of their use of the

service that are sufficient to facilitate the annual reporting under section 4 of this act.

**NEW SECTION. Sec. 10.** This chapter does not apply to a state or local government agency that is mandated to use a specific facial recognition service pursuant to a federal regulation or order.

**NEW SECTION. Sec. 11.** A new section is added to chapter 9.73 RCW to read as follows:

(1) State and local government agencies may not use a facial recognition service:

(a) In a manner that disturbs a person's private affairs, or invades their home, without authority of law;

(b) Without a bona fide criminal justice purpose;

(c) Without reasonable suspicion that a criminal offense has been committed, is being committed, or is about to be committed; or

(d) To engage in ongoing surveillance unless the use is in support of law enforcement activities and there is reasonable suspicion to believe that an individual has committed, is engaged in, or is about to commit, a criminal offense or there is a need by law enforcement to invoke their community caretaking function, and either:

(i) A court order has been obtained to permit the use of the facial recognition service for ongoing surveillance; or

(ii) Where the agency reasonably determines that an exigent circumstance exists, and an appropriate court order is obtained as soon as reasonably practicable. In the absence of an authorizing order, such use must immediately terminate at the earliest of the following:

(A) The information sought is obtained;

(B) The application for the order is denied; or

(C) When forty-eight hours have lapsed since the beginning of the emergency surveillance for the purpose of ongoing surveillance.

(2) State and local government agencies must not apply a facial recognition service to any individual based on their religious, political, or social views or activities, participation in a particular noncriminal organization or lawful event, or actual or perceived race, ethnicity, citizenship, place of origin, age, disability, gender, gender identity, sexual orientation, or other characteristic protected by law. This subsection does not condone profiling. The prohibition in this subsection does not prohibit state and local government agencies from applying a facial recognition service to an individual who possesses one or more of these characteristics where an officer of that agency holds a reasonable suspicion that that individual has committed, is engaged in, or is about to commit a criminal offense or there is need to invoke their community caretaking function.

(3) State and local government agencies may not use a facial recognition service to create a record describing any individual's exercise of rights guaranteed by the First

Amendment of the United States Constitution and by Article I, section 5 of the state Constitution, unless:

(a) Such use is pertinent to and within the scope of an authorized law enforcement activity; and

(b) There is reasonable suspicion to believe the individual has committed, is engaged in, or is about to commit a criminal offense or there is need to invoke their community caretaking function.

(4) Law enforcement agencies that utilize body worn camera recordings shall comply with the provisions of RCW 42.56.240(14).

(5) State and local law enforcement agencies may not use the results of a facial recognition service as the sole basis to establish probable cause in a criminal investigation. The results of a facial recognition service may be used in conjunction with other information and evidence lawfully obtained by a law enforcement officer to establish probable cause in a criminal investigation.

(6) State and local law enforcement agencies may not use a facial recognition service to identify an individual based on a sketch or other manually produced image.

(7) State and local law enforcement agencies may not substantively manipulate an image for use in a facial recognition service in any manner not consistent with the facial recognition service provider's intended use and training.

12.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 13.** (1) The legislature makes the following findings:

(a) Washington state is experiencing a housing affordability crisis. Many communities across the state are in need of more housing for renters, across the income spectrum. Accessory dwelling units are frequently rented at below market rate, providing additional affordable housing options for renters.

(b) Accessory dwelling units are often occupied by tenants who pay no rent at all; among these tenants are grandparents, adult children, family members with disabilities, friends going through life transitions, and community members in need. Accessory dwelling units meet the needs of these people who might otherwise require scarce subsidized housing space and resources.

(c) Accessory dwelling units can meet the needs of Washington's growing senior population, making it possible for this population to age in their communities by offering senior-friendly housing, which prioritizes physical accessibility, in walkable communities near amenities essential to successful aging in place, including transit and grocery stores, without requiring costly renovations of existing housing stock.

(d) Homeowners who add an accessory dwelling unit may benefit from added income and an increased sense of security.

(e) Siting accessory dwelling units near transit hubs and near public amenities can help to reduce greenhouse gas emissions by increasing walkability, shortening household commutes, and limiting sprawl.

(2) The legislature intends to promote and encourage the creation of accessory dwelling units as a means to address the need for additional affordable housing options.

**NEW SECTION. Sec. 14.** A new section is added to chapter 36.70A RCW to read as follows:

The definitions in this section apply throughout sections 3 and 4 of this act unless the context clearly requires otherwise.

(1) "Accessory dwelling unit" means a dwelling unit located on the same lot as a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(2) "Attached accessory dwelling unit" means an accessory dwelling unit located within or attached to a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(3) "City" means any city, code city, and town located in a county planning under RCW 36.70A.040.

(4) "Detached accessory dwelling unit" means an accessory dwelling unit that consists partly or entirely of a building that is separate and detached from a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(5) "Dwelling unit" means a residential living unit that provides complete independent living facilities for one or more persons and that includes permanent provisions for living, sleeping, eating, cooking, and sanitation.

(6) "Major transit stop" means:

(a) A stop on a high capacity transportation system funded or expanded under the provisions of chapter 81.104 RCW;

(b) Commuter rail stops;

(c) Stops on rail or fixed guideway systems, including transitways;

(d) Stops on bus rapid transit routes or routes that run on high occupancy vehicle lanes; or

(e) Stops for a bus or other transit mode providing fixed route service at intervals of at least fifteen minutes during the peak hours of operation.

**NEW SECTION. Sec. 15.** A new section is added to chapter 36.70A RCW to read as follows:

(1) Cities must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of section 4 of this act to take effect by July 1, 2021.

(2) Beginning July 1, 2021, the requirements of section 4 of this act:

(a) Apply and take effect in any city that has not adopted or amended ordinances, regulations, or other official controls as required under this section; and

(b) Supersede, preempt, and invalidate any local development regulations that conflict with section 4 of this act.

**NEW SECTION. Sec. 16.** A new section is added to chapter 36.70A RCW to read as follows:

(1) Except as provided in subsection (2) and (3) of this section, through ordinances, development regulations, zoning regulations, and other official controls as required under section 3 of this act, cities may not require the provision of off-street parking for accessory dwelling units within one-quarter mile of a major transit stop.

(2) A city may require the provision of off-street parking for an accessory dwelling unit located within one-quarter mile of a major transit stop if the city has determined that the accessory dwelling unit is in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the accessory dwelling unit.

(3) A city that has adopted or substantively amended accessory dwelling unit regulations within the four years previous to the effective date of this section is not subject to the requirements of this section.

**NEW SECTION. Sec. 17.** A new section is added to chapter 36.70A RCW to read as follows:

Nothing in this act modifies or limits any rights or interests legally recorded in the governing documents of associations subject to chapter 64.32, 64.34, 64.38, or 64.90 RCW."

"**Sec. 59.** RCW 82.32.050 and 2008 c 181 s 501 are each amended to read as follows:

(1) If upon examination of any returns or from other information obtained by the department it appears that a tax or penalty has been paid less than that properly due, the department shall assess against the taxpayer such additional amount found to be due and shall add thereto interest on the tax only. The department shall notify the taxpayer by mail, or electronically as provided in RCW 82.32.135, of the additional amount and the additional amount shall become due and shall be paid within thirty days from the date of the

notice, or within such further time as the department may provide.

(a) For tax liabilities arising before January 1, 1992, interest shall be computed at the rate of nine percent per annum from the last day of the year in which the deficiency is incurred until the earlier of December 31, 1998, or the date of payment. After December 31, 1998, the rate of interest shall be variable and computed as provided in subsection (2) of this section. The rate so computed shall be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(b) For tax liabilities arising after December 31, 1991, the rate of interest shall be variable and computed as provided in subsection (2) of this section from the last day of the year in which the deficiency is incurred until the date of payment. The rate so computed shall be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(c) ~~(Interest)~~ (i) Except as otherwise provided in (c)(ii) of this subsection (1), interest imposed after December 31, 1998, shall be computed from the last day of the month following each calendar year included in a notice, and the last day of the month following the final month included in a notice if not the end of a calendar year, until the due date of the notice.

(ii) For interest associated with annual tax reporting periods having a due date as prescribed in RCW 82.32.045(3), interest must be computed from the last day of April immediately following each such annual reporting period included in the notice, until the due date of the notice.

(iii) If payment in full is not made by the due date of the notice, additional interest shall be computed under this subsection (1)(c) until the date of payment. The rate of interest shall be variable and computed as provided in subsection (2) of this section. The rate so computed shall be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(2) For the purposes of this section, the rate of interest to be charged to the taxpayer shall be an average of the federal short-term rate as defined in 26 U.S.C. Sec. 1274(d) plus two percentage points. The rate set for each new year shall be computed by taking an arithmetical average to the nearest percentage point of the federal short-term rate, compounded annually. That average shall be calculated using the rates from four months: January, April, and July of the calendar year immediately preceding the new year, and October of the previous preceding year.

(3) During a state of emergency declared under RCW 43.06.010(12), the department, on its own motion or at the request of any taxpayer affected by the emergency, may extend the due date of any assessment or correction of an assessment for additional taxes, penalties, or interest as the department deems proper.

(4) No assessment or correction of an assessment for additional taxes, penalties, or interest due may be made by the department more than four years after the close of the tax year, except (a) against a taxpayer who has not registered as

required by this chapter, (b) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or (c) where a taxpayer has executed a written waiver of such limitation. The execution of a written waiver shall also extend the period for making a refund or credit as provided in RCW 82.32.060(2).

(5) For the purposes of this section, "return" means any document a person is required by the state of Washington to file to satisfy or establish a tax or fee obligation that is administered or collected by the department of revenue and that has a statutorily defined due date.

**Sec. 60.** RCW 82.32.060 and 2009 c 176 s 4 are each amended to read as follows:

(1) If, upon receipt of an application by a taxpayer for a refund or for an audit of the taxpayer's records, or upon an examination of the returns or records of any taxpayer, it is determined by the department that within the statutory period for assessment of taxes, penalties, or interest prescribed by RCW 82.32.050 any amount of tax, penalty, or interest has been paid in excess of that properly due, the excess amount paid within, or attributable to, such period must be credited to the taxpayer's account or must be refunded to the taxpayer, at the taxpayer's option. Except as provided in subsection (2) of this section, no refund or credit may be made for taxes, penalties, or interest paid more than four years prior to the beginning of the calendar year in which the refund application is made or examination of records is completed.

(2)(a) The execution of a written waiver under RCW 82.32.050 or 82.32.100 will extend the time for making a refund or credit of any taxes paid during, or attributable to, the years covered by the waiver if, prior to the expiration of the waiver period, an application for refund of such taxes is made by the taxpayer or the department discovers a refund or credit is due.

(b) A refund or credit must be allowed for an excess payment resulting from the failure to claim a bad debt deduction, credit, or refund under RCW 82.04.4284, 82.08.037, 82.12.037, 82.14B.150, or 82.16.050(5) for debts that became bad debts under 26 U.S.C. Sec. 166, as amended or renumbered as of January 1, 2003, less than four years prior to the beginning of the calendar year in which the refund application is made or examination of records is completed.

(3) Any such refunds must be made by means of vouchers approved by the department and by the issuance of state warrants drawn upon and payable from such funds as the legislature may provide. However, taxpayers who are required to pay taxes by electronic funds transfer under RCW 82.32.080 must have any refunds paid by electronic funds transfer if the department has the necessary account information to facilitate a refund by electronic funds transfer.

(4) Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer must be paid in the same manner, as provided in subsection (3) of this section, upon

the filing with the department of a certified copy of the order or judgment of the court.

(a) Interest at the rate of three percent per annum must be allowed by the department and by any court on the amount of any refund, credit, or other recovery allowed to a taxpayer for taxes, penalties, or interest paid by the taxpayer before January 1, 1992. This rate of interest applies for all interest allowed through December 31, 1998. Interest allowed after December 31, 1998, must be computed at the rate as computed under RCW 82.32.050(2). The rate so computed must be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(b) For refunds or credits of amounts paid or other recovery allowed to a taxpayer after December 31, 1991, the rate of interest must be the rate as computed for assessments under RCW 82.32.050(2) less one percent. This rate of interest applies for all interest allowed through December 31, 1998. Interest allowed after December 31, 1998, must be computed at the rate as computed under RCW 82.32.050(2). The rate so computed must be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(5) Interest allowed on a credit notice or refund issued after December 31, 2003, must be computed as follows:

(a) If all overpayments for each calendar year and all reporting periods ending with the final month included in a notice or refund were made on or before the due date of the final return for each calendar year or the final reporting period included in the notice or refund:

(i) Interest must be computed from January 31st following each calendar year included in a notice or refund; ~~((or))~~

(ii) Interest must be computed from the last day of the month following the final month included in a notice or refund; or

(iii) For interest associated with annual tax reporting periods having a due date as prescribed in RCW 82.32.045(3), interest must be computed from the last day of April following each such annual reporting period included in a notice or refund.

(b) If the taxpayer has not made all overpayments for each calendar year and all reporting periods ending with the final month included in a notice or refund on or before the dates specified by RCW 82.32.045 for the final return for each calendar year or the final month included in the notice or refund, interest must be computed from the last day of the month following the date on which payment in full of the liabilities was made for each calendar year included in a notice or refund, and the last day of the month following the date on which payment in full of the liabilities was made if the final month included in a notice or refund is not the end of a calendar year.

(c) Interest included in a credit notice must accrue up to the date the taxpayer could reasonably be expected to use the credit notice, as defined by the department's rules. If a credit notice is converted to a refund, interest must be recomputed to the date the refund is issued, but not to exceed

the amount of interest that would have been allowed with the credit notice.

the department of their wish to partner with the department before January 1, 2017, must be allowed to partner before other cities.

(6) A city that partners with the department for the issuance and renewal of general business licenses through the business licensing service in accordance with chapter 19.02 RCW may not issue and renew those licenses.

Licensed drivers and applicants who wish to

voluntarily include a medical alert designation on their driver's license may provide law enforcement and emergency medical service providers with the opportunity to know at the point of contact or shortly thereafter that there is a medical condition which could affect communication or account for a driver health emergency. By taking action in accordance with existing driver privacy protections, the legislature seeks to enhance health and public safety by the voluntary provision and careful use of this information.

**Sec. 64.** RCW 46.20.117 and 2018 c 157 s 2 are each amended to read as follows:

(1) **Issuance.** The department shall issue an identicard, containing a picture, if the applicant:

For those persons under (c)(i) through (iii) of this subsection, the fee must be the actual cost of production of the identicard.

(2)(a) **Design and term.** The identicard must:

(7) **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than six years, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than six years, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. **ENGROSSED SUBSTITUTE SENATE BILL NO. 5323, by Senate Committee on Environment, Energy & Technology (originally sponsored by Das, Carlyle, Kuderer, Palumbo, Hunt, Rolfes, Frockt, Keiser, Pedersen and Saldaña)**

**Reducing pollution from plastic bags by establishing minimum state standards for the use of bags at retail establishments.**

The bill was read the second time.

There being no objection, the committee amendment by the Committee on Environment & Energy was not adopted. (For Committee amendment, see Journal, Day 47, February 28, 2020).

There being no objection, the committee amendment by the Committee on Finance was not adopted. (For Committee amendment, see Journal, Day 53, March 5, 2020).

Amendment (2132) to the Finance committee amendment was ruled out of order.

Representative Chapman moved the adoption of the striking amendment (2167):

66.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 67.** (1) State policy has long placed waste reduction as the highest priority in the collection, handling, and management of solid waste. Reducing plastic bag waste holds particular importance among state waste reduction efforts for a number of reasons:

(a) Single-use plastic carryout bags are made of nonrenewable resources and never biodegrade; instead, over time, they break down into tiny particles. Single-use plastic carryout bags, and the particles they break into, are carried into rivers, lakes, Puget Sound, and the world's oceans, posing a threat to animal life and the food chain;

(b) Plastic bags are one of the most commonly found items that litter state roads, beaches, and other public spaces; and

(c) Even when plastic bags avoid the common fate of becoming litter, they are a drain on public resources and a burden on environment and resource conservation goals. For example, if plastic bags are disposed of in commingled recycling systems rather than as garbage or in retailer drop-off programs, they clog processing and sorting machinery, resulting in missorted materials and costly inefficiencies that are ultimately borne by utility ratepayers. Likewise, when green or brown-tinted plastic bags confuse consumers into attempting to dispose of them as compost, the resultant plastic contamination undercuts the ability to use the compost in gardens, farms, landscaping, and surface water and transportation projects.

(2) Alternatives to single-use plastic carryout bags are convenient, functional, widely available, and measure as

superior across most environmental performance metrics. Alternatives to single-use plastic carryout bags feature especially superior environmental performance with respect to litter and marine debris, since plastic bags do not biodegrade.

(3) As of 2020, many local governments in Washington have shown leadership in regulating the use of single-use plastic carryout bags. This local leadership has shown the value of establishing state standards that will streamline regulatory inconsistency and reduce burdens on covered retailers caused by a patchwork of inconsistent local requirements across the state.

(4) Data provided from grocery retailers has shown that requests for paper bags have skyrocketed where plastic bag bans have been implemented. To accommodate the anticipated consequences of a statewide plastic bag ban, it is rational to expect additional capacity will be needed in Washington state for manufacturing paper bags. The legislature intends to provide that capacity by prioritizing and expediting siting and permitting of expansions or reconfiguring for paper manufacturing.

(5) Therefore, in order to reduce waste, litter, and marine pollution, conserve resources, and protect fish and wildlife, it is the intent of the legislature to:

(a) Prohibit the use of single-use plastic carryout bags;

(b) Require a pass-through charge on recycled content paper carryout bags and reusable carryout bags made of film plastic, to encourage shoppers to bring their own reusable carryout bags;

(c) Require that bags provided by a retail establishment contain recycled content; and

(d) Encourage the provision of reusable and recycled content paper carryout bags by retail establishments.

**NEW SECTION. Sec. 68.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Carryout bag" means any bag that is provided by a retail establishment at home delivery, the check stand, cash register, point of sale, or other point of departure to a customer for use to transport or carry away purchases.

(2) "Department" means the department of ecology.

(3) "Pass-through charge" means a charge to be collected and retained by retail establishments from their customers when providing recycled content paper carryout bags and reusable carryout bags made of film plastic.

(4) "Recycled content paper carryout bag" means a paper carryout bag provided by a retail establishment to a customer that meets the requirements in section 3(6)(a) of this act.

(5) "Retail establishment" means any person, corporation, partnership, business, facility, vendor, organization, or individual that sells or provides food, merchandise, goods, or materials directly to a customer including home delivery, temporary stores, or vendors at farmers markets, street fairs, and festivals.

(6) "Reusable carryout bag" means a carryout bag made of cloth or other durable material with handles that is specifically designed and manufactured for long-term multiple reuse and meets the requirements of section 3(6)(b) of this act.

(7) "Single-use plastic carryout bag" means any carryout bag that is made from plastic that is designed and suitable only to be used once and disposed.

**NEW SECTION. Sec. 69.** (1) Beginning January 1, 2021, except as provided in this section and section 4 of this act, a retail establishment may not provide to a customer or a person at an event:

(a) A single-use plastic carryout bag;

(b) A paper carryout bag or reusable carryout bag made of film plastic that does not meet recycled content requirements; or

(c) Beginning January 1, 2026, a reusable carryout bag made of film plastic with a thickness of less than four mils, in the event that the 2025 legislature does not amend this section to reflect the recommendations to the legislature made consistent with section 7 of this act.

(2)(a) A retail establishment may provide a reusable carryout bag or a recycled content paper carryout bag of any size to a customer at the point of sale. A retail establishment may make reusable carryout bags available to customers through sale.

(b)(i) Until December 31, 2025, a retail establishment must collect a pass-through charge of eight cents for every recycled content paper carryout bag with a manufacturer's stated capacity of one-eighth barrel (eight hundred eighty-two cubic inches) or greater or reusable carryout bag made of film plastic it provides, except as provided in subsection (5) of this section and section 4 of this act.

(ii) Beginning January 1, 2026, a retail establishment must collect a pass-through charge of twelve cents for reusable carryout bags made of film plastic and eight cents for recycled content paper carryout bags, in the event that the 2025 legislature does not amend this section to reflect the recommendations to the legislature made consistent with section 7 of this act. It is the intent of the legislature for the 2025 legislature to reassess the amount of the pass-through charge authorized under this subsection (2)(b), taking into consideration the content of the report to the legislature under section 7 of this act.

(c) A retail establishment must keep all revenue from pass-through charges. The pass-through charge is a taxable retail sale. A retail establishment must show all pass-through charges on a receipt provided to the customer.

(3) Carryout bags provided by a retail establishment do not include:

(a) Bags used by consumers inside stores to:

(i) Package bulk items, such as fruit, vegetables, nuts, grains, candy, greeting cards, or small hardware items such as nails, bolts, or screws;

(ii) Contain or wrap items where dampness or sanitation might be a problem including, but not limited to:

(A) Frozen foods;

(B) Meat;

(C) Fish;

(D) Flowers; and

(E) Potted plants;

(iii) Contain unwrapped prepared foods or bakery goods;

(iv) Contain prescription drugs; or

(v) Protect a purchased item from damaging or contaminating other purchased items when placed in a recycled content paper carryout bag or reusable carryout bag; or

(b) Newspaper bags, mailing pouches, sealed envelopes, door hanger bags, laundry/dry cleaning bags, or bags sold in packages containing multiple bags for uses such as food storage, garbage, or pet waste.

(4)(a) Any compostable film bag that a retail establishment provides to customers for products, including for products bagged in stores prior to checkout, must meet the requirements for compostable products and film bags in chapter 70.360 RCW.

(b) A retail establishment may not use or provide polyethylene or other noncompostable plastic bags for bagging of customer products in stores, as carryout bags, or for home delivery that do not meet the requirements for noncompostable products and film bags in chapter 70.360 RCW.

(5) Except as provided by local regulations enacted as of April 1, 2020, a retail establishment may provide a bag restricted under subsection (1) of this section from existing inventory until one year after the effective date of this section. The retail establishment, upon request by the department, must provide purchase invoices, distribution receipts, or other information documenting that the bag was acquired prior to the effective date of this section.

(6) For the purposes of this section:

(a) A recycled content paper carryout bag must:

(i) Contain a minimum of forty percent postconsumer recycled materials;

(ii) Be capable of composting, consistent with the timeline and specifications of the entire American society of testing materials D6868 and associated test methods that must be met, as it existed as of January 1, 2020; and

(iii) Display in print on the exterior of the paper bag the minimum percentage of postconsumer content.

(b) A reusable carryout bag must:

(i) Have a minimum lifetime of one hundred twenty-five uses, which for purposes of this subsection means the capacity to carry a minimum of twenty-two pounds one

hundred twenty-five times over a distance of at least one hundred seventy-five feet;

(ii) Be machine washable or made from a durable material that may be cleaned or disinfected; and

(iii) If made of film plastic:

(A) Be made from a minimum of twenty percent postconsumer recycled content until July 1, 2022, and thereafter must be made from a minimum of forty percent postconsumer recycled content;

(B) Display in print on the exterior of the plastic bag the minimum percentage of postconsumer recycled content, the mil thickness, and that the bag is reusable; and

(C) Have a minimum thickness of no less than 2.25 mils until December 31, 2025, and beginning January 1, 2026, must have a minimum thickness of four mils.

(c) Except for the purposes of subsection (4) of this section, food banks and other food assistance programs are not retail establishments, but are encouraged to take actions to reduce the use of single-use plastic carryout bags.

**NEW SECTION. Sec. 70.** It is a violation of section 3 of this act for any retail establishment to pay or otherwise reimburse a customer for any portion of the pass-through charge; provided that retail establishments may not collect a pass-through charge from anyone using a voucher or electronic benefits card issued under the women, infants, and children (WIC) or temporary assistance for needy families (TANF) support programs, or the federal supplemental nutrition assistance program (SNAP, also known as basic food), or the Washington state food assistance program (FAP).

**NEW SECTION. Sec. 71.** (1) Until June 1, 2025, the department shall prioritize the expedited processing of applications for permits related to the expansion or reconfiguration of an existing pulp and paper mill for the purpose of manufacturing paper bags or raw materials used to manufacture paper bags.

(2) The department may adopt rules as necessary for the purpose of implementing, administering, and enforcing this chapter.

(3) The enforcement of this chapter must be based primarily on complaints filed with the department and local governments. The department must establish a forum for the filing of complaints. Local governments and any person may file complaints with the department using the forum and local governments may review complaints filed with the department via the forum for purposes of the local government carrying out education and outreach to retail establishments. The forum established by the department may include a complaint form on the department's web site, a telephone hotline, or a public outreach strategy relying upon electronic social media to receive complaints that allege violations. The department, in collaboration with the local governments, must provide education and outreach activities to inform retail establishments, consumers, and other interested individuals about the requirements of this chapter.

(4) The department or local government shall work with retail establishments, retail associations, unions, and other organizations to create educational elements regarding the ban and the benefits of reusable carryout bags. Educational elements may include signage at store locations, informational literature, and employee training by October 1, 2020.

(5) Retail establishments are encouraged to educate their staff to promote reusable bags as the best option for carryout bags and to post signs encouraging customers to use reusable carryout bags.

(6) A violation of this chapter is subject to a civil penalty of up to two hundred fifty dollars. Each calendar day of operation or activity in violation of this chapter comprises a new violation. Penalties issued under this section are appealable to the pollution control hearings board established in chapter 43.21B RCW.

(7) If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by July 1, 2020, from the waste reduction, recycling, and litter control account for purposes of implementing the education and outreach activities required under this section, then this act is null and void.

**NEW SECTION. Sec. 72.** (1) Except as provided in subsection (2) of this section, a city, town, county, or municipal corporation may not implement a local carryout bag ordinance. Except as provided in subsection (2) of this section, any carryout bag ordinance that was enacted as of April 1, 2020, is preempted by this chapter.

(2)(a) A city, town, county, or municipal corporation carryout bag ordinance enacted as of April 1, 2020, that has established a pass-through charge of ten cents is not preempted with respect to the amount of the pass-through charge until January 1, 2026.

(b) A city, town, county, or municipal corporation ordinance not specified in (a) of this subsection and enacted as of April 1 2020, is not preempted until January 1, 2021.

**NEW SECTION. Sec. 73.** (1) By December 1, 2024, the department of commerce, in consultation with the department, must submit a report to the appropriate committees of the legislature in order to allow an opportunity for the legislature to amend the mil thickness requirements for reusable carryout bags made of film plastic, the amount of the pass-through charges for bags, or to make other needed revisions to this chapter during the 2025 legislative session. The report required under this section must include:

(a) An assessment of the effectiveness of the pass-through charge for reducing the total volume of bags purchased and encouraging the use of reusable carryout bags;

(b) An assessment of the sufficiency of the amount of the pass-through charge allowed under chapter 70.--- RCW (the new chapter created in section 13 of this act) relative to the cost of the authorized bags to retail establishments and an assessment of the pricing and availability of various types of carryout bags. For purposes of conducting this

assessment, the department and the department of commerce may request, but not require, retail establishments and bag distributors to furnish information regarding the cost of various types of paper and plastic carryout bags provided to retail establishments; and

(c) Recommendations for revisions to chapter 70.--- RCW (the new chapter created in section 13 of this act), if needed.

(2) This section expires July 1, 2027.

**NEW SECTION. Sec. 74.** A new section is added to chapter 82.04 RCW to read as follows:

**MESSAGE FROM THE SENATE**

March 4, 2020

Mme. SPEAKER:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1182, with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 82.** The legislature acknowledges that the learning assistance program was developed to provide supplemental services for public school students who are not meeting academic standards. Initially, school districts were allowed to use learning assistance program funds in a flexible manner to support participating students. Over time, the legislature has continued to reduce flexibility, create additional restrictions, and establish priorities for the use of learning assistance program funds to such an extent that the program may no longer be as effective in promoting student success or serving the original intent as it could be. The legislature finds that it is time to reexamine the learning assistance program requirements in a holistic manner with a goal of restoring flexibility to districts to use the funds in a way that promotes a coordinated system of academic and nonacademic supports that reduce barriers to academic achievement and best serve student success while also balancing local control with local accountability for improvement in student learning.

**NEW SECTION. Sec. 83.** (1) The office of the superintendent of public instruction shall review the requirements of the learning assistance program and shall make recommendations to the legislature by October 1, 2020, on how to modify the program requirements including, but not limited to, recommendations on:

(a) Appropriate monitoring and reporting requirements;

(b) The types of services and activities that can be supported by the learning assistance program funds, including whether support for all or portions of the

Washington integrated student supports protocol established under RCW 28A.300.139 should be included; and

(c) Whether use of a practice or strategy identified on the state menu as required by RCW 28A.165.035 should continue to be a criteria of the program.

(2) This section expires January 1, 2021.

**Sec. 84.** RCW 28A.165.035 and 2018 c 75 s 7 are each amended to read as follows:

(1) Use of best practices that have been demonstrated through research to be associated with increased student achievement magnifies the opportunities for student success. To the extent they are included as a best practice or strategy in one of the state menus or an approved alternative under this section or RCW 28A.655.235, the following are services and activities that may be supported by the learning assistance program:

(a) Extended learning time opportunities occurring:

(i) Before or after the regular school day;

(ii) On Saturday; and

(iii) Beyond the regular school year;

(b) Services under RCW 28A.320.190;

(c) Intensive reading and literacy improvement strategies under RCW 28A.655.235;

(d) Professional development for certificated and classified staff that focuses on:

(i) The needs of a diverse student population;

(ii) Specific literacy and mathematics content and instructional strategies; and

(iii) The use of student work to guide effective instruction and appropriate assistance;

~~((d))~~ (e) Consultant teachers to assist in implementing effective instructional practices by teachers serving participating students;

~~((e))~~ (f) Tutoring support for participating students;

~~((f))~~ (g) School-wide behavioral health system of supports and interventions for students including social workers, counselors, instructional aides, and other school-based health professionals;

(h) Screening and intervention requirements under RCW 28A.320.260, even if the student being screened or provided with supports is not eligible to participate in the learning assistance program, and any staff trainings necessary to implement RCW 28A.320.260;

(i) Outreach activities and support for parents of participating students, including employing parent and family engagement coordinators; and

~~((g))~~ (j) Up to ~~((five))~~ fifteen percent of a district's learning assistance program allocation may be used for development of partnerships with community-based organizations, educational service districts, and other local agencies to deliver academic and nonacademic supports to

participating students who are significantly at risk of not being successful in school to reduce barriers to learning, increase student engagement, and enhance students' readiness to learn. The school board must approve in an open meeting any community-based organization or local agency before learning assistance program funds may be expended.

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SECOND SUBSTITUTE HOUSE BILL NO. 1182 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

March 4, 2020

Mme. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2421, with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 86.** RCW 29A.04.410 and 2013 c 11 s 10 are each amended to read as follows:

Every county, city, town, and district, and the state is liable for its proportionate share of the costs when such elections are held in conjunction with other elections held under RCW 29A.04.321 and 29A.04.330.

Whenever any county, city, town, or district, or the state holds any primary or election, general or special, on an isolated date, all costs of such elections must be borne by the county, city, town, or district concerned, or the state as appropriate.

The purpose of this section is to clearly establish that the county is not responsible for any costs involved in the holding of any city, town, ~~((or))~~ district, state, or federal election.

In recovering such election expenses, including a reasonable ~~((pro-ration))~~ proration of administrative costs,

the county auditor shall certify the cost to the county treasurer with a copy to the clerk or auditor of the city, town, or district concerned, or the secretary of state as appropriate. Upon receipt of such certification relating to a city, town, or district, the county treasurer shall make the transfer from any available and appropriate city, town, or district funds to the county current expense fund or to the county election reserve fund if such a fund is established. Each city, town, or district must be promptly notified by the county treasurer whenever such transfer has been completed. However, in those districts wherein a treasurer, other than the county treasurer, has been appointed such transfer procedure does not apply, but the district shall promptly issue its warrant for payment of election costs. State and federal offices are to be considered one entity for purposes of election cost proration and reimbursement.

**Sec. 87.** RCW 29A.04.420 and 2019 c 161 s 2 are each amended to read as follows:

(1) Whenever federal officers, state officers, or measures are voted upon at a state primary or general election held ~~((in an odd-numbered year))~~ under RCW 29A.04.321, the state of Washington shall assume a prorated share of the costs of that state primary or general election~~((~~

~~((2) The state shall reimburse counties for))~~ for the federal and state offices and measures, including the prorated cost of return postage, required to be included on return envelopes pursuant to RCW 29A.40.091~~((, for all elections)).~~

~~((3))~~ (2) Whenever a primary or vacancy election is held to fill a vacancy in the position of United States senator or United States representative under chapter 29A.28 RCW, the state of Washington shall assume a prorated share of the costs of that primary or vacancy election.

~~((4))~~ (3) The county auditor shall apportion the state's share of these expenses when prorating election costs under RCW 29A.04.410 and in accordance with the state budgeting, accounting, and reporting system, shall file such expense claims with the secretary of state.

~~((5))~~ (4) The secretary of state shall include in his or her biennial budget requests sufficient funds to carry out this section. Reimbursements for election costs shall be from appropriations specifically provided by law for that purpose.

(5) State and federal offices are to be considered one entity for purposes of election cost proration and reimbursement.

**Sec. 88.** RCW 29A.04.216 and 2013 c 11 s 7 are each amended to read as follows:

The county auditor of each county shall be ex officio the supervisor of all primaries and elections, general or special, and it shall be the county auditor's duty to provide places for holding such primaries and elections; to provide the supplies and materials necessary for the conduct of elections; and to publish and post notices of calling such primaries and elections in the manner provided by law. The auditor shall also apportion to the county, each city, town, or district, and to the state of Washington ~~((in the odd-numbered year)),~~ its share of the expense of such primaries

and elections. This section does not apply to general or special elections for any city, town, or district that is not subject to RCW 29A.04.321 and 29A.04.330, but all such elections must be held and conducted at the time, in the manner, and by the officials (with such notice, requirements for filing for office, and certifications by local officers) as provided and required by the laws governing such elections. State and federal offices are to be considered one entity for purposes of election cost proration and reimbursement.

**Sec. 89.** RCW 29A.04.430 and 2003 c 111 s 148 are each amended to read as follows:

(1) For any reimbursement of election costs under RCW 29A.04.420, the secretary of state shall pay ((interest at an annual rate equal to two percentage points in excess of the discount rate on ninety day commercial paper in effect at the federal reserve bank in San Francisco on the fifteenth day of the month immediately preceding the payment for any period of time in excess of)) within thirty days after the receipt of a properly executed and documented voucher for such expenses and the entry of an allotment from specifically appropriated funds for this purpose until those funds are exhausted. If funds appropriated for this purpose are not sufficient to pay all claims, the secretary of state shall include a budget request to the legislature during the next legislative session for sufficient funds for reimbursement of all remaining claims and shall pay all properly executed and documented vouchers to the counties within thirty days of allotment of specifically appropriated funds for this purpose. The secretary of state shall promptly notify any county that submits an incomplete or inaccurate voucher for reimbursement under RCW 29A.04.420.

(2) Funding provided in this section to counties for election costs in even-numbered years is retrospective and prospective reimbursement under RCW 43.135.060 for any new or increased responsibilities under this title.

**Sec. 90.** RCW 29A.64.081 and 2004 c 271 s 181 are each amended to read as follows:

The canvassing board shall determine the expenses for conducting a recount of votes.

~~((The))~~ (1) For a recount conducted under RCW 29A.64.011, the cost of the recount shall be deducted from the amount deposited by the applicant for the recount at the time of filing the request for the recount, and the balance shall be returned to the applicant. If the costs of the recount exceed the deposit, the applicant shall pay the difference. No charges may be deducted by the canvassing board from the deposit for a recount if the recount changes the result of the nomination or election for which the recount was ordered.

(2) For a recount conducted under RCW 29A.64.021, for an office where the candidates filed the declarations of candidacy with the secretary of state, any legislative office, and any congressional office, the county auditor shall file an expense claim for such costs with the secretary of state. The secretary of state shall include a budget request to the legislature during the next legislative session for sufficient funds for reimbursement of all costs of the recount and shall pay all properly executed and documented vouchers to the counties within thirty days of allotment of specifically

appropriated funds for this purpose. The secretary of state shall promptly notify any county that submits an incomplete or inaccurate voucher for reimbursement under this section.

(3) State and federal offices are to be considered one entity for purposes of election cost proration and reimbursement.

**Sec. 91.** RCW 29A.32.210 and 2013 c 11 s 38 are each amended to read as follows:

~~((At least ninety days before))~~ Before any primary or general election, or ((at least forty days before)) any special election held under RCW 29A.04.321 or 29A.04.330, ((the legislative authority of any county or first class or code city may adopt an ordinance authorizing the publication and distribution of)) each county auditor shall print and distribute a local voters' pamphlet. The pamphlet shall provide information on all measures ((within that jurisdiction and may, if specified in the ordinance, include information on)) and candidates within that jurisdiction. ((If both a county and a first class or code city within that county authorize a local voters' pamphlet for the same election, the pamphlet shall be produced jointly by the county and the first class or code city. If no agreement can be reached between the county and first class or code city, the county and first class or code city may each produce a pamphlet. Any ordinance adopted authorizing a local voters' pamphlet may be for a specific primary, special election, or general election or for any future primaries or elections.)) The format of any local voters' pamphlet shall, whenever applicable, comply with the provisions of this chapter regarding the publication of the state candidates' and voters' pamphlets.

NEW SECTION. **Sec. 92.** This act takes effect July 1, 2021."

On page 1, line 1 of the title, after "costs;" strike the remainder of the title and insert "amending RCW 29A.04.410, 29A.04.420, 29A.04.216, 29A.04.430, 29A.64.081, and 29A.32.210; and providing an effective date."

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 2456 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

March 3, 2020

Mme. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2632, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 95. False reporting laws criminalize the knowingly false reporting of certain occurrences that are likely to cause unwarranted evacuations, public inconvenience, or alarm. Recently, however, false reporting and the 911 system have been weaponized, resulting in serious dangers and even lost lives. The term "swatting" describes the false reporting of an emergency with the goal of having a police unit or special weapons and tactics team deployed. The reckless act of swatting, often motivated by the perpetrator's bias towards protected classes, has caused death and trauma in some cases. As such, we find that a gross misdemeanor is insufficient as a legal response and here create felony false reporting punishments when the false reporting leads to injury or death.

Sec. 96. RCW 9A.84.040 and 2011 c 336 s 411 are each amended to read as follows:

(1) ~~((A))~~ (a) Except as provided in subsection (5) of this section and under circumstances not constituting false

reporting in the first or second degree, a person is guilty of false reporting in the third degree if with knowledge that the information reported, conveyed, or circulated is false, (~~he or she~~) that person initiates or circulates a false report or warning of an alleged occurrence or impending occurrence (~~of a fire, explosion, crime, catastrophe, or emergency~~) knowing that such false report is likely to cause (~~evacuation of a building, place of assembly, or transportation facility, or to cause public inconvenience or alarm~~) an emergency response.

~~((2))~~ (b) False reporting in the third degree is a gross misdemeanor.

(2)(a) Except as provided in subsection (5) of this section, a person is guilty of false reporting in the second degree if with knowledge that the information reported, conveyed, or circulated is false, that person initiates or circulates a false report or warning of an alleged occurrence or impending occurrence knowing that such false report is likely to cause an emergency response, the report was made with reckless disregard for the safety of others, and substantial bodily harm is sustained by any person as a proximate result of an emergency response.

(b) False reporting in the second degree is a class C felony.

(3)(a) Except as provided in subsection (5) of this section, a person is guilty of false reporting in the first degree if with knowledge that the information reported, conveyed, or circulated is false, that person initiates or circulates a false report or warning of an alleged occurrence or impending occurrence knowing that such false report is likely to cause an emergency response, the report was made with reckless disregard for the safety of others, and death is sustained by any person as a proximate result of an emergency response.

(b) False reporting in the first degree is a class B felony.

(4) Any person convicted of violating this section and that resulted in an emergency response may be liable to a public agency for the reasonable costs of the emergency response by, and at the discretion of, the public agency that incurred the costs.

(5) Where a case is legally sufficient to charge a person under the age of eighteen with the crime of false reporting and the alleged offense is the offender's first violation of this section, the prosecutor may divert the case.

(6) A violation or attempted violation of this section may be prosecuted in any jurisdiction where the defendant made the false report, the county where the false report was communicated to law enforcement, or the county where law enforcement responded to the false report.

(7)(a) An individual who is a victim of an offense under this section may bring a civil action against the person who committed the offense or against any person who knowingly benefits, financially or by receiving anything of value, from participation in a venture that the person knew or should have known has engaged in an act in violation of this chapter, and may recover damages and any other appropriate relief, including reasonable attorneys' fees.

(b) A person who is found liable under this subsection shall be jointly and severally liable with each other person, if any, who is found liable under this subsection for damages arising from the same violation of this section.

(8) As used in this section, "emergency response" means any action to protect life, health, or property by:

(a) A peace officer or law enforcement agency of the United States, the state, or a political subdivision of the state:

(b) An agency of the United States, the state, or a political subdivision of the state, or a private not-for-profit organization, that provides fire, rescue, or emergency medical services.

(9) Nothing in this section will be construed to:

(a) Impose liability on a person who contacts law enforcement for the purpose of, or in connection with, the reporting of unlawful conduct;

(b) Conflict with Title 47 U.S.C. Sec. 230 of the communication decency act; or

(c) Conflict with Title 42 U.S.C. Sec. 1983 of the civil rights act.

**Sec. 97.** RCW 9.94A.515 and 2019 c 271 s 7, 2019 c 243 s 5, 2019 c 64 s 3, and 2019 c 46 s 5009 are each reenacted and amended to read as follows:

	<b>MESSAGE FROM THE SENATE</b>
	March 5, 2020
	Mme. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2722, with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 98.** (1) Sustainable and resilient markets for recycled materials are essential to any successful recycling system. For many years, Washington has depended on foreign markets to accept the recyclable materials that are collected for recycling in the state. Developing domestic markets for recycled materials benefits the environment and the state's economy and is critical due to the loss of foreign markets.

(2) China's 2018 national sword policy bans the importation of recycled mixed paper and certain types of recycled plastic and imposes a stringent one-half of one percent contamination limit on all other recycled material imports. Washington's recycling facilities are struggling to find markets for recycled materials, resulting in the stockpiling of these materials. Washington must reduce its reliance on unpredictable foreign markets for its recycled materials.

(3) Plastic bottles can be recycled and can contain recycled content in order to close the loop in the recycling stream. Many companies have already taken the initiative at closing the loop by using plastic bottles that contain one hundred percent recycled content. Since November 2010, one national juice company has been using bottles made with one hundred percent postconsumer recycled content for all of its juices and juice smoothies. In January 2018, an international beverage producer announced that it will make all its bottles from one hundred percent recycled plastic by 2025.

(4) The requirements imposed by this act are reasonable and are achievable at minimal cost relative to the burden imposed by the continued excessive use of virgin materials in beverage containers in Washington.

(5) The legislature encourages beverage manufacturers to use plastic beverage containers that exceed the standards set forth in this act.

**NEW SECTION. Sec. 99.** The definitions in this section apply throughout sections 3 through 7 of this act unless the context clearly requires otherwise.

(1) "Beverage manufacturer" means a manufacturer of one or more beverages described in section 3(1) of this act, that are sold, offered for sale, or distributed in Washington.

(2) "Beverage manufacturing industry" means an association that represents companies that manufacture beverages.

(3) "Department" means the department of ecology.

**NEW SECTION. Sec. 100.** (1) Beginning January 1, 2022, manufacturers of plastic beverage containers that offer for sale, sell, or distribute in Washington beverages, intended for human or animal consumption and in a quantity more than or equal to two fluid ounces and less than or equal

to one gallon, must meet minimum postconsumer recycled content as required under section 4 of this act, on average for the total number of plastic beverage containers for the following beverages:

(a) Water and flavored water;

(b) Beer or other malt beverages;

(c) Wine;

(d) Mineral waters, soda water, and similar carbonated soft drinks; and

(e) Any beverage other than those specified in subsection (2) of this section, except infant formula.

(2) The following containers are exempt from sections 3 through 6 of this act:

(a) Refillable plastic beverage containers;

(b) Rigid plastic containers or rigid plastic bottles that are medical devices, medical products that are required to be sterile, prescription medicine, and packaging used for those products; and

(c) Bladders or pouches that contain wine.

(3) The department may adopt rules to exempt beverages.

**NEW SECTION. Sec. 101.** (1) Every year, a beverage manufacturer must meet the following minimum postconsumer recycled plastic content on average for the total number of plastic beverage containers for beverages as established in section 3 of this act that are sold, offered for sale, or distributed in Washington effective:

(a) January 1, 2022, through December 31, 2024: No less than ten percent postconsumer recycled plastic;

(b) January 1, 2025, through December 31, 2029: No less than twenty-five percent postconsumer recycled plastic;

(c) On and after January 1, 2030: No less than fifty percent postconsumer recycled plastic.

(2)(a) Beginning in 2021, and every other year thereafter, or at the petition of the beverage manufacturing industry but not more than annually, the department shall consider whether the minimum postconsumer recycled content requirements established under subsection (1) of this section should be waived or reduced. The department must consider a petition from the beverage manufacturing industry within sixty days of receipt.

(b) If the department determines that a minimum postconsumer recycled content requirement should be adjusted, the adjusted rate must be in effect until a new determination is made or upon the expiration of the minimum postconsumer recycled content requirement's effective period, whichever occurs first. The department may not adjust the minimum postconsumer recycled content requirements above the minimum postconsumer recycled plastic content percentages, as established under subsection (1) of this section. In making a determination to adjust the minimum postconsumer recycled content requirements the department must at least consider the following:

(i) Changes in market conditions, including supply and demand for postconsumer recycled plastics, collection rates, and bale availability;

(ii) Recycling rates;

(iii) The availability of recycled plastic suitable to meet the minimum postconsumer recycled content requirements, including the availability of high quality recycled plastic, and food grade recycled plastic from beverage container recycling programs;

(iv) The capacity of recycling or processing infrastructure;

(v) The progress made by beverage manufacturers in meeting the requirements of this section; and

(vi) The carbon footprint of the transportation of the recycled resin.

(3) The beverage manufacturing industry or a beverage manufacturer may appeal adjustments to the requirement for minimum postconsumer recycled content as determined under subsection (1) of this section to the pollution control hearings board within thirty days of the department's determination.

(4) The department may grant extensions of time for beverage manufacturers to meet the minimum postconsumer recycled plastic content requirements established under subsection (1) of this section if the department determines that a beverage manufacturer has made a substantial effort but has failed to meet the minimum recycled plastic content requirements due to extenuating circumstances beyond the beverage manufacturer's control.

(5) A beverage manufacturer that does not meet the minimum postconsumer recycled plastic content requirements established in subsection (1) of this section is subject to a fee established in section 6 of this act.

**NEW SECTION. Sec. 102.** (1)(a) On or before March 1, 2022, and annually thereafter, a beverage manufacturer, under penalty of perjury, must report to the department, in pounds and by resin type, the amount of virgin plastic and postconsumer recycled plastic used for plastic beverage containers containing a beverage as established under section 3 of this act sold, offered for sale, or distributed in Washington in the previous calendar year.

(b) The department must post the information reported under this subsection on its web site.

(2) The department may: (a) Conduct audits and investigations for the purpose of ensuring compliance with this section based on the information reported under subsection (1) of this section; and (b) adopt rules to implement, administer, and enforce the requirements of this act.

(3) The department shall keep confidential all business trade secrets and proprietary information about manufacturing processes and equipment that the department gathers or becomes aware of through the course of conducting audits or investigations pursuant to this chapter.

**NEW SECTION. Sec. 103.** (1) Beginning January 1, 2023, a beverage manufacturer that does not meet the minimum postconsumer recycled plastic content requirements as established under section 4 of this act, based upon the amount in pounds and in the aggregate, is subject to an annual fee.

(2) The following violation levels are based on a beverage manufacturer's overall compliance rate of the minimum postconsumer recycled plastic content requirements.

(a) Level one violation: At least seventy-five percent but less than one hundred percent of the minimum recycled plastic content requirements;

(b) Level two violation: At least fifty percent but less than seventy-five percent of the minimum recycled plastic content requirements;

(c) Level three violation: At least twenty-five percent but less than fifty percent of the minimum recycled plastic content requirements;

(d) Level four violation: At least fifteen percent but less than twenty-five percent of the minimum recycled plastic content requirements; and

(e) Level five violation: Less than fifteen percent of the minimum recycled plastic content requirements.

(3) Beginning March 1, 2023, the department may assess fees for violations as follows:

(a) Level one violation, the fee range is five cents to fifteen cents per pound;

(b) Level two violation, the fee range is ten cents to twenty cents per pound;

(c) Level three violation, the fee range is fifteen cents to twenty-five cents per pound;

(d) Level four violation, the fee range is twenty cents to thirty cents per pound;

(e) Level five violation, the fee range is twenty-five cents to thirty cents per pound.

(4) In lieu of or in addition to assessing a fee under subsection (3) of this section, the department may require a beverage manufacturer to submit a corrective action plan detailing how the beverage manufacturer plans to come into compliance with section 4 of this act.

(5) The department shall consider equitable factors in determining whether to assess a fee under subsection (3) of this section and the amount of the fee including, but not limited to: The nature and circumstances of the violation; actions taken by the beverage manufacturer to correct the violation; the beverage manufacturer's history of compliance; the size and economic condition of the beverage manufacturer; and whether the violation or conditions giving rise to the violation were due to circumstances beyond the reasonable control of the beverage manufacturer or were otherwise unavoidable under the circumstances including, but not limited to, unforeseen changes in market conditions.

(6) A beverage manufacturer must:

(a) Pay to the department assessed fees in quarterly installments; or

(b) Arrange an alternative payment schedule subject to the approval of the department.

(7) A beverage manufacturer may appeal fees assessed under this section to the pollution control hearings board within thirty days of assessment.

(8)(a) The department shall consider waiving or reducing the fees or extending the time frame for assessing fees established under subsection (3) of this section for a beverage manufacturer that has demonstrated progress toward meeting the minimum postconsumer recycled content requirements, as established under section 4 of this act, if the beverage manufacturer:

(i) Has failed to meet the minimum postconsumer recycled content requirements; or

(ii) Anticipates it will not be able to meet the minimum postconsumer recycled content requirements.

(b) In determining whether to grant a waiver of, or reduce a fee, or extend the time frame for assessing a fee, the department shall consider, at a minimum, all of the following:

(i) Anomalous market conditions;

(ii) Disruption in, or lack of supply of, recycled plastics; and

(iii) Other factors that have prevented a beverage manufacturer from meeting the requirements.

(9) A beverage manufacturer shall pay the fees assessed pursuant to this section, as applicable, based on the information reported to the department as required under section 5(1) of this act in the form and manner prescribed by the department.

**NEW SECTION. Sec. 104.** The recycling enhancement fee account is created in the state treasury. All fees collected by the department pursuant to section 6 of this act must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used by the department only for providing funding to the recycling development center created in RCW 70.370.030 for the purpose of furthering the development of recycling infrastructure in this state.

**NEW SECTION. Sec. 105.** A new section is added to chapter 42.56 RCW to read as follows:

SUBSTITUTE HOUSE BILL NO. 1251, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

**MESSAGE FROM THE SENATE**

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1622 with the following amendment:

3.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.83B RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of ecology.

(2) "Drought condition" means that the water supply for a geographic area, or for a significant portion of a geographic area, is below seventy-five percent of normal and

the water shortage is likely to create undue hardships for water users or the environment.

(3) "Normal" water supply, for the purpose of determining drought conditions, means the median amount of water available to a geographical area, relative to the most recent thirty-year base period used to define climate normals.

**Sec. 2.** RCW 43.83B.400 and 1989 c 171 s 1 are each amended to read as follows:

~~(It is the intent of)~~ The legislature ~~((to provide emergency powers to the department of ecology to enable it to take actions, in a timely and expeditious manner, that are designed to alleviate hardships and reduce burdens on various water users and uses arising from drought conditions. As used in this chapter, "drought condition" means that the water supply for a geographical area or for a significant portion of a geographical area is below seventy-five percent of normal and the water shortage is likely to create undue hardships for various water uses and users.))~~ recognizes that drought and water shortages can place a significant hardship on Washington communities, farms, and the natural environment. Rising temperatures due to climate change may cause water supply shortages to be more frequent and severe in the future. Therefore, the ability to respond to drought and water shortage emergencies is critical to the long-term prosperity of our state. It is the intent of the legislature to provide the department with the authority to effectively and efficiently take actions when a drought emergency occurs to alleviate hardship on water users and our natural environment.

The legislature also recognizes that effective emergency drought response is predicated on building resiliency and preparedness before water shortages occur. Therefore, it is also the intent of the legislature that the department assist water users by supporting measures to strengthen the resiliency and preparedness of water users to drought conditions in the long term.

**Sec. 3.** RCW 43.83B.405 and 1989 c 171 s 2 are each amended to read as follows:

(1) Whenever it appears to the department, based on the definitions of drought condition and normal water supply set forth in section 1 of this act, that drought conditions may develop, the department may issue a drought advisory. The drought advisory should seek to increase the awareness and readiness of affected water users and may recommend voluntary actions to alleviate drought impacts.

(2)(a) Whenever it appears to the department ((of ecology)), based on the definitions of drought condition and normal water supply set forth in section 1 of this act, that a drought condition either exists or is forecast to occur within the state or portions thereof, the department ((of ecology)) is authorized to issue orders of drought emergency, pursuant to adopted rules ((previously adopted)), to implement the powers as set forth in RCW 43.83B.410 through 43.83B.420. ((The department shall, immediately upon the issuance of an order under this section, cause said order to be published in newspapers of general circulation in the areas of the state to which the order relates.))

(b) Prior to the issuance of an order of drought emergency, the department shall ~~((a))~~;

(i) Consult with ~~((and obtain the views of))~~ the federal and state government entities identified in the drought contingency plan periodically revised by the department pursuant to ~~((RCW 43.83B.410(4), and~~

~~((b)))~~ section 7 of this act and consult with affected federally recognized tribes:

(ii) Consider input from local water users, including nursery and landscape professionals, in the determination of undue hardship under section 1(2) of this act; and

(iii) Obtain the written approval of the governor.

(c) Upon issuance of an order of drought emergency, the department shall notify the public of the order consistent with rules adopted by the department.

(d) Orders of drought emergency issued under ~~((this section))~~ (a) of this subsection shall be deemed orders for the purposes of chapter 34.05 RCW.

(e) A person may petition the department to declare a drought emergency for the state or portions of the state. The department may review a petition, but any order of drought emergency issued after receipt of a petition must be based on the definitions of drought condition and normal water supply set forth in section 1 of this act, and must be issued according to the procedure set forth in this section. The department must not rely exclusively on information presented in a petition when determining whether to issue an order of drought emergency.

~~((2))~~ (3)(a) Any order issued under subsection ~~((4))~~ (2) of this section shall contain a termination date for the order. The termination date shall be not later than one calendar year from the date the order is issued. Although the department may, with the written approval of the governor, change the termination date by amending the order, no such amendment or series of amendments may have the effect of extending its termination to a date which is later than two calendar years after the issuance of the order.

~~((3))~~ (b) The provisions of ~~((subsection (2) of))~~ this section do not preclude the issuance of more than one order under subsection ~~((4))~~ (2) of this section for different areas of the state, or sequentially for the same area, as the need arises ~~((for such an order or orders)).~~

**Sec. 4.** RCW 43.83B.410 and 1989 c 171 s 3 are each amended to read as follows:

Upon the issuance of an order of drought emergency under RCW 43.83B.405(2), the department ~~((of ecology is empowered to))~~ may:

(1)(a) Authorize emergency withdrawal of public surface and ground waters, including dead storage within reservoirs, on a temporary basis and authorize temporary or permanent associated physical works ~~((which may be either temporary or permanent)).~~ The department shall prioritize the approval of emergency withdrawal authorizations in order to address those most affected by the water deficit to

ensure the survival of irrigated crops, the state's fisheries, and the provision of water for small communities.

(b) The termination date for ~~((the authority to make such an))~~ emergency withdrawal may not be later than the termination date of the order issued under RCW 43.83B.405(2) ~~((under which the power to authorize the withdrawal is established)).~~

(c) The department ~~((of ecology))~~ may issue ~~((such))~~ emergency withdrawal authorizations only when, after investigation and after providing appropriate federal, state, and local governmental bodies and affected federally recognized tribes an opportunity to comment, the following are found:

(i) The waters proposed for withdrawal are to be used for a beneficial use involving a previously established activity or purpose;

(ii) The previously established activity or purpose was furnished water through rights applicable to the use of a public body of water that cannot be exercised due to the lack of water arising from natural drought conditions; and

(iii) The proposed withdrawal will not reduce flows or levels below essential minimums necessary ~~((A))~~ to ~~((assure))~~ ensure the maintenance of fisheries requirements~~((s))~~ and ~~((B))~~ to protect federal and state interests including, among others, power generation, navigation, and existing water rights~~((s))~~;

~~((b))~~ (d) All emergency withdrawal authorizations issued under this section shall contain provisions that allow for termination of withdrawals, in whole or in part, whenever withdrawals will conflict with flows and levels as provided in ~~((a))~~ (c)(iii) of this subsection. (Domestic and irrigation uses of public surface and ground waters shall be given priority in determining "beneficial uses.")

(e) As to water withdrawal and associated works authorized under this subsection, the requirements of chapter 43.21C RCW and public bidding requirements as otherwise provided by law are waived and inapplicable. All state and local agencies with authority to issue permits or other authorizations for such works shall, to the extent possible, expedite the processing of the permits or authorizations in keeping with the emergency nature of the requests and shall provide a decision to the applicant within fifteen calendar days of the date of application. All state departments or other agencies having jurisdiction over state or other public lands, if such lands are necessary to effectuate the withdrawal authorizations issued under this subsection, shall provide short-term easements or other appropriate property interest upon the payment of the fair market value. This mandate shall not apply to any lands of the state that are reserved for a special purpose or use that cannot properly be carried out if the property interest were conveyed;

(2) Approve a temporary change in purpose, place of use, ~~((or))~~ point of diversion, or point of withdrawal, consistent with existing state policy allowing transfer or lease of waters between willing parties, as provided for in RCW 90.03.380, 90.03.390, and 90.44.100. However, compliance with any requirements of ~~((a))~~ notice of

newspaper publication of these sections or ~~((b))~~ the state environmental policy act ~~((s))~~ under chapter 43.21C RCW, is not required when such changes are necessary to respond to drought conditions as determined by the department ~~((of ecology))~~. An approval of a temporary change of a water right as authorized under this subsection is not admissible as evidence in either supporting or contesting the validity of water claims in ~~((State of Washington, Department of Ecology v. Acquavella, Yakima county superior court number 77-2-01484-5))~~ a general adjudication under RCW 90.03.210 or any similar proceeding where the existence of a water right is at issue ~~((s))~~;

(3) Employ additional persons for specified terms of time, consistent with the term of a drought condition, as are necessary to ensure the successful performance of the activities associated with implementing the emergency drought program of this chapter ~~((s))~~;

(4) ~~((Revise the drought contingency plan previously developed by the department; and~~

~~((S))~~) Acquire needed emergency drought-related equipment;

(5) Enter into agreements with applicants receiving emergency withdrawal authorizations established under this section to recover the costs, or a portion thereof, of mitigation for emergency withdrawal authorizations, provided that mitigation is done to protect instream flows, federally regulated flows, or senior water rights. The department may establish the specifics of cost recovery by rule, based on the amount of water used in the emergency withdrawal, which shall not exceed the cost of mitigation; and

(6) Enter into interagency agreements as authorized under chapter 39.34 RCW to partner in emergency drought response.

Sec. 5. RCW 43.83B.415 and 1989 c 171 s 4 are each amended to read as follows:

~~(1)(a) The department ((of ecology is authorized to make loans, grants, or combinations of loans and grants from emergency agricultural water supply funds when necessary to provide water to alleviate emergency drought conditions in order to ensure the survival of irrigated crops and the state's fisheries. For the purposes of this section, "emergency agricultural water supply funds" means funds appropriated from the state emergency water projects revolving account created under RCW 43.83B.360. The department of ecology may make the loans, grants, or combinations of loans and grants as matching funds in any case where federal, local, or other funds have been made available on a matching basis. The department may make a loan of up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost. The grant portion for any single project shall not exceed twenty percent of the total project cost except that, for activities forecast to have fifty percent or less of normal seasonal water supply, the grant portion for any single project or entity shall not exceed forty percent of the total project cost. No single entity shall receive more than ten percent of the total emergency agricultural water supply funds available for~~

~~drought relief. These funds shall not be used for nonagricultural drought relief purposes unless there are no other capital budget funds available for these purposes. In any biennium the total expenditures of emergency agricultural water supply funds for nonagricultural drought relief purposes may not exceed ten percent of the total of such funds available during that biennium.~~

~~(2)(a) Except as provided in (b) of this subsection, after June 30, 1989, emergency agricultural water supply funds, including the repayment of loans and any accrued interest, shall not be used for any purpose except during drought conditions as determined under RCW 43.83B.400 and 43.83B.405.~~

(b) Emergency agricultural water supply funds may be used on a one-time basis for the development of procedures to be used by state governmental entities to implement the state's drought contingency plan.) is authorized to issue grants to eligible public entities to reduce current or future hardship caused by water unavailability stemming from drought conditions. No single entity may receive more than twenty-five percent of the total funds available. The department is not obligated to fund projects that do not provide sufficient benefit to alleviating hardship caused by drought or water unavailability. Projects must show substantial benefit from securing water supply, availability, or reliability relative to project costs.

(b) Except for projects for public water systems serving economically disadvantaged communities, the department may only fund up to fifty percent of the total eligible cost of the project. Money used by applicants as a cash match may not originate from other state funds.

(c) For the purposes of this chapter, eligible public entities include only:

(i) Counties, cities, and towns;

(ii) Water and sewer districts formed under chapter 57.02 RCW;

(iii) Public utility districts formed under chapter 54.04 RCW;

(iv) Port districts formed under chapter 53.04 RCW;

(vi) Irrigation districts formed under chapter 87.03 RCW;

(vii) Watershed management partnerships formed under RCW 39.34.200; and

(viii) Federally recognized tribes.

(2) Grants may be used to develop projects that enhance the ability of water users to effectively mitigate for the impacts of water unavailability arising from drought. Project applicants must demonstrate that the projects will increase their resiliency, preparedness, or ability to withstand drought conditions when they occur. Projects may include, but are not limited to:

(a) Creation of additional water storage;

(b) Implementation of source substitution projects;

(c) Development of alternative, backup, or emergency water supplies or interties;

(d) Installation of infrastructure or creation of educational programs that improve water conservation and efficiency or promote use of reclaimed water;

(e) Development or update of local drought contingency plans if not already required by state rules adopted under chapter 246-290 WAC;

(f) Mitigation of emergency withdrawals authorized under RCW 43.83B.410(1);

(g) Projects designed to mitigate for the impacts of water supply shortages on fish and wildlife; and

(h) Emergency construction or modification of water recreational facilities.

(3) During a drought emergency order pursuant to RCW 43.83B.405(2), the department shall prioritize funding for projects designed to relieve the immediate hardship caused by water unavailability.

**Sec. 6.** RCW 43.83B.430 and 2016 sp.s. c 36 s 933 are each amended to read as follows:

The state drought preparedness and response account is created in the state treasury. All receipts from appropriated funds designated for the account and ~~((funds transferred from the state emergency water projects revolving account))~~ all cost recovery revenues collected under RCW 43.83B.410(5) must be deposited into the account. Expenditures from the account may be used for drought preparedness and response activities under this chapter, including grants issued under RCW 43.83B.415. Moneys in the account may be spent only after appropriation. ~~((Expenditures from the account may be used only for drought preparedness. During the 2009-2011 fiscal biennium, the legislature may transfer from the state drought preparedness account to the state general fund such amounts as reflect the excess fund balance of the account. Under this program, the department is

authorized to negotiate and enter into contractual agreements before a drought emergency is declared under RCW 43.83B.405(2) that identify projects, measures, sources of water, and other resources that may be accessed during times of water shortage. Water right changes executed under agreement under this section are subject to the requirements of RCW 90.03.380.

(b) A landlord may not request a fee or deposit to hold a dwelling unit or secure that the prospective tenant will move into a dwelling unit in excess of twenty-five percent of the first month's rent.

(5) Beginning January 1, 2021, any landlord who refuses to permit a tenant to pay any deposits, nonrefundable fees, and last month's rent in installments upon the tenant's written request as described in subsection (1) of this section is subject to a statutory penalty of one month's rent and reasonable attorneys' fees payable to the tenant.

(6)(a) In any application seeking relief pursuant RCW 59.18.283(3), the court shall issue a finding as to whether the tenant is low-income, limited resourced, or experiencing hardship to determine if the landlord would be eligible for reimbursement through the landlord mitigation program account established within RCW 43.31.605(1)(c). In making this finding, the court may include an inquiry regarding the tenant's income relative to area median income, household composition, any extenuating circumstances, or other factors, and may rely on written declarations or oral testimony by the parties at the hearing.

(b) After a finding that the tenant is low-income, limited resourced, or experiencing hardship, the court may issue an order: (i) Finding that the landlord is eligible to receive on behalf of the tenant and may apply for reimbursement from the landlord mitigation program; and (ii) directing the clerk to remit, without further order of the court, any future payments made by the tenant in order to reimburse the department of commerce pursuant to RCW 43.31.605(1)(c)(iii). Nothing in this subsection shall be deemed to obligate the department of commerce to provide

assistance in claim reimbursement through the landlord mitigation program if there are not sufficient funds.

(c) Upon payment by the department of commerce to the landlord for the remaining or total amount of the judgment, as applicable, the judgment is satisfied and the landlord shall file a satisfaction of judgment with the court.

**Sec. 12.** RCW 43.31.605 and 2019 c 356 s 12 are each amended to read as follows:

(1)(a) Subject to the availability of funds for this purpose, the landlord mitigation program is created and administered by the department. The department shall have such rule-making authority as the department deems necessary to administer the program.

(b) The following types of claims related to landlord mitigation for renting private market rental units to low-income tenants using a housing subsidy program are eligible for reimbursement from the landlord mitigation program account:

(i) Up to one thousand dollars for improvements identified in RCW 59.18.255(1)(a). In order to be eligible for reimbursement under this subsection (1)(b)(i), the landlord must pay for the first five hundred dollars for improvements, and rent to the tenant whose housing subsidy program was conditioned on the real property passing inspection. Reimbursement under this subsection (1)(b)(i) may also include up to fourteen days of lost rental income from the date of offer of housing to the applicant whose housing subsidy program was conditioned on the real property passing inspection until move in by that applicant;

(ii) Reimbursement for damages as reflected in a judgment obtained against the tenant through either an unlawful detainer proceeding, or through a civil action in a court of competent jurisdiction after a hearing;

(iii) Reimbursement for damages established pursuant to subsection (2) of this section; and

(iv) Reimbursement for unpaid rent and unpaid utilities, provided that the landlord can evidence it to the department's satisfaction.

(c) Claims related to landlord mitigation for an unpaid judgment for rent, unpaid judgments resulting from the tenant's failure to comply with an installment payment agreement identified in section 1 of this act, late fees, attorneys' fees, and costs after a court order pursuant to RCW 59.18.410(3), including any unpaid portion of the judgment after the tenant defaults on the payment plan pursuant to RCW 59.18.410(3)(c), are eligible for reimbursement from the landlord mitigation program account and are exempt from any postjudgment interest required under RCW 4.56.110. Any claim for reimbursement under this subsection (1)(c) is not an entitlement.

(i) The department shall provide for a form on its web site for tenants and landlords to apply for reimbursement funds for the landlord pursuant to this subsection (1)(c).

(ii) The form must include: (A) Space for the landlord and tenant to provide names, mailing addresses, phone numbers, date of birth for the tenant, and any other

identifying information necessary for the department to process payment; (B) the landlord's statewide vendor identification number and how to obtain one; (C) name and address to whom payment must be made; (D) the amount of the judgment with instructions to include any other supporting documentation the department may need to process payment; (E) instructions for how the tenant is to reimburse the department under (c)(iii) of this subsection; (F) a description of the consequences if the tenant does not reimburse the department as provided in this subsection (1)(c); (G) a signature line for the landlord and tenant to confirm that they have read and understood the contents of the form and program; and (H) any other information necessary for the operation of the program. If the tenant has not signed the form after the landlord has made good faith efforts to obtain the tenant's signature, the landlord may solely submit the form but must attest to the amount of money owed and sign the form under penalty of perjury.

(iii) When a landlord has been reimbursed pursuant to this subsection (1)(c), the tenant for whom payment was made shall reimburse the department by depositing the amount disbursed from the landlord mitigation program account into the court registry of the superior court in which the judgment was entered. The tenant or other interested party may seek an ex parte order of the court under the unlawful detainer action to order such funds to be disbursed by the court. Upon entry of the order, the court clerk shall disburse the funds and include a case number with any payment issued to the department. If directed by the court, a clerk shall issue any payments made by a tenant to the department without further court order.

(iv) The department may deny an application made by a tenant who has failed to reimburse the department for prior payments issued pursuant to this subsection (1)(c).

(v) With any disbursement from the account to the landlord, the department shall notify the tenant at the address provided within the application that a disbursement has been made to the landlord on the tenant's behalf and that failure to reimburse the account for the payment through the court registry may result in a denial of a future application to the account pursuant to this subsection (1)(c). The department may include any other additional information about how to reimburse the account it deems necessary to fully inform the tenant.

(vi) The department's duties with respect to obtaining reimbursement from the tenant to the account are limited to those specified within this subsection (1)(c).

(vii) If at any time funds do not exist in the landlord mitigation program account to reimburse claims submitted under this subsection (1)(c), the department must create and maintain a waitlist and distribute funds in the order the claims are received pursuant to subsection (6) of this section. Payment of any claims on the waitlist shall be made only from the landlord mitigation program account. The department shall not be civilly or criminally liable and may not have any penalty or cause of action of any nature arise against it regarding the provision or lack of provision of funds for reimbursement.

(2) In order for a claim under subsection (1)(b)(iii) of this section to be eligible for reimbursement from the landlord mitigation program account, a landlord must:

(a) Have ensured that the rental property was inspected at the commencement of the tenancy by both the tenant and the landlord or landlord's agent and that a detailed written move-in property inspection report, as required in RCW 59.18.260, was prepared and signed by both the tenant and the landlord or landlord's agent;

(b) Make repairs and then apply for reimbursement to the department;

(c) Submit a claim on a form to be determined by the department, signed under penalty of perjury; and

(d) Submit to the department copies of the move-in property inspection report specified in (a) of this subsection and supporting materials including, but not limited to, before repair and after repair photographs, videos, copies of repair receipts for labor and materials, and such other documentation or information as the department may request.

(3) The department shall make reasonable efforts to review a claim within ten business days from the date it received properly submitted and complete claims to the satisfaction of the department. In reviewing a claim pursuant to subsection (1)(b) of this section, and determining eligibility for reimbursement, the department must receive documentation, acceptable to the department in its sole discretion, that the claim involves a private market rental unit rented to a low-income tenant who is using a housing subsidy program.

(4) Claims pursuant to subsection (1)(b) of this section related to a tenancy must total at least five hundred dollars in order for a claim to be eligible for reimbursement from the program. While claims or damages may exceed five thousand dollars, total reimbursement from the program may not exceed five thousand dollars per tenancy.

(5) Damages, beyond wear and tear, that are eligible for reimbursement include, but are not limited to: Interior wall gouges and holes; damage to doors and cabinets, including hardware; carpet stains or burns; cracked tiles or hard surfaces; broken windows; damage to household fixtures such as disposal, toilet, sink, sink handle, ceiling fan, and lighting. Other property damages beyond normal wear and tear may also be eligible for reimbursement at the department's discretion.

(6) All reimbursements for eligible claims shall be made on a first-come, first-served basis, to the extent of available funds. The department shall use best efforts to notify the tenant of the amount and the reasons for any reimbursements made.

(7) The department, in its sole discretion, may inspect the property and the landlord's records related to a claim, including the use of a third-party inspector as needed to investigate fraud, to assist in making its claim review and determination of eligibility.

(8) A landlord in receipt of reimbursement from the program pursuant to subsection (1)(b) of this section is prohibited from:

(a) Taking legal action against the tenant for damages attributable to the same tenancy; or

(b) Pursuing collection, or authorizing another entity to pursue collection on the landlord's behalf, of a judgment against the tenant for damages attributable to the same tenancy.

(9) A landlord denied reimbursement under subsection (1)(b)(iii) of this section may seek to obtain a judgment from a court of competent jurisdiction and, if successful, may resubmit a claim for damages supported by the judgment, along with a certified copy of the judgment. The department may reimburse the landlord for that portion of such judgment that is based on damages reimbursable under the landlord mitigation program, subject to the limitations set forth in this section.

(10) Determinations regarding reimbursements shall be made by the department in its sole discretion.

(11) The department must establish a web site that advertises the landlord mitigation program, the availability of reimbursement from the landlord mitigation program account, and maintains or links to the agency rules and policies established pursuant to this section.

(12) Neither the state, the department, or persons acting on behalf of the department, while acting within the scope of their employment or agency, is liable to any person for any loss, damage, harm, or other consequence resulting directly or indirectly from the department's administration of the landlord mitigation program or determinations under this section.

(13)(a) A report to the appropriate committees of the legislature on the effectiveness of the program and recommended modifications shall be submitted to the governor and the appropriate committees of the legislature by January 1, 2021. In preparing the report, the department shall convene and solicit input from a group of stakeholders to include representatives of large multifamily housing property owners or managers, small rental housing owners in both rural and urban markets, a representative of tenant advocates, and a representative of the housing authorities.

(b) The report shall include discussion of the effectiveness of the program as well as the department's recommendations to improve the program, and shall include the following:

(i) The number of total claims and total amount reimbursed to landlords by the fund;

(ii) Any indices of fraud identified by the department;

(iii) Any reports by the department regarding inspections authorized by and conducted on behalf of the department;

(iv) An outline of the process to obtain reimbursement for improvements and for damages from the fund;

(v) An outline of the process to obtain reimbursement for lost rent due to the rental inspection and tenant screening process, together with the total amount reimbursed for such damages;

(vi) An evaluation of the feasibility for expanding the use of the mitigation fund to provide up to ninety-day no interest loans to landlords who have not received timely rental payments from a housing authority that is administering section 8 rental assistance;

(vii) Any other modifications and recommendations made by stakeholders to improve the effectiveness and applicability of the program.

(14) As used in this section:

(a) "Housing subsidy program" means a housing voucher as established under 42 U.S.C. Sec. 1437 as of January 1, 2018, or other housing subsidy program including, but not limited to, valid short-term or long-term federal, state, or local government, private nonprofit, or other assistance program in which the tenant's rent is paid either partially by the program and partially by the tenant, or completely by the program directly to the landlord;

(b) "Low-income" means income that does not exceed eighty percent of the median income for the standard metropolitan statistical area in which the private market rental unit is located; and

(c) "Private market rental unit" means any unit available for rent that is owned by an individual, corporation, limited liability company, nonprofit housing provider, or other entity structure, but does not include housing acquired, or constructed by a public housing agency under 42 U.S.C. Sec. 1437 as it existed on January 1, 2018.

**Sec. 13.** RCW 59.18.253 and 2011 c 132 s 12 are each amended to read as follows:

(1) It shall be unlawful for a landlord to require a fee or deposit from a prospective tenant for the privilege of being placed on a waiting list to be considered as a tenant for a dwelling unit.

(2) A landlord who charges a prospective tenant a fee or deposit to hold a dwelling unit or secure that the prospective tenant will move into a dwelling unit, after the dwelling unit has been offered to the prospective tenant, must provide the prospective tenant with a receipt for the fee or deposit, together with a written statement of the conditions, if any, under which the fee or deposit may be retained, immediately upon payment of the fee or deposit.

(3) A landlord may not request a fee or deposit to hold a dwelling or secure that the prospective tenant will move into the dwelling unit in excess of twenty-five percent of the first month's rent as described in section 1(4) of this act.

(4)(a) If the prospective tenant does occupy the dwelling unit, then the landlord must credit the amount of the fee or deposit to the tenant's first month's rent or to the tenant's security deposit. If the prospective tenant does not occupy the dwelling unit, then the landlord may keep up to the full amount of any fee or deposit that was paid by the prospective tenant to secure the tenancy, so long as it is in

accordance with the written statement of conditions furnished to the prospective tenant at the time the fee or deposit was charged.

(b) A fee or deposit to hold a dwelling unit or secure that the prospective tenant will move into a dwelling unit under this subsection does not include any cost charged by a landlord to use a tenant screening service or obtain background information on a prospective tenant.

(c) A portion of the fee or deposit may not be withheld if the dwelling unit fails a tenant-based rental assistance program inspection by a qualified inspector as defined in RCW 59.18.030. If the inspection does not occur within ten days from the date of collection of the fee or deposit or a longer period of time that the landlord and tenant may agree upon, the landlord may notify the tenant that the dwelling unit will no longer be held. The landlord shall promptly return the fee or deposit to the prospective tenant after the landlord is notified that the dwelling unit failed the inspection or the landlord has notified the tenant that the dwelling unit will no longer be held. The landlord complies with this section by promptly depositing the fee or deposit in the United States mail properly addressed with first-class postage prepaid.

~~((4))~~ (5) In any action brought for a violation of this section, a landlord may be liable for the amount of the fee or deposit charged. In addition, any landlord who violates this section may be liable to the prospective tenant for an amount not to exceed two times the fee or deposit. The prevailing party may also recover court costs and a reasonable attorneys' fee."

#### MESSAGE FROM THE SENATE

March 3, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1754 with the following amendment:  
13.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature makes the following findings:

(a) Residents in temporary settings hosted by religious organizations are a particularly vulnerable population that do not have access to the same services as citizens with more stable housing.

(b) Residents in these settings, including outdoor uses such as outdoor encampments, indoor overnight shelters, temporary small houses on-site, and homeless-occupied vehicle resident safe parking, can be at increased risk of exploitation, theft, unsanitary living conditions, and physical harm.

(c) Furthermore, the legislature finds and declares that hosted outdoor encampments, indoor overnight shelters, temporary small houses on-site, and homeless-occupied vehicle resident safe parking serve as pathways for individuals experiencing homelessness to receive services and achieve financial stability, health, and permanent housing.

(2) The legislature intends that local municipalities have the discretion to protect the health and safety of both

residents in temporary settings that are hosted by religious organizations and the surrounding community. The legislature encourages local jurisdictions and religious organizations to work together collaboratively to protect the health and safety of residents and the surrounding community while allowing religious organizations to fulfill their mission to serve the homeless. The legislature further intends to monitor the implementation of this act and continue to refine it to achieve these goals.

**Sec. 2.** RCW 36.01.290 and 2010 c 175 s 2 are each amended to read as follows:

(1) A religious organization may host ~~((temporary encampments for))~~ the homeless on property owned or controlled by the religious organization whether within buildings located on the property or elsewhere on the property outside of buildings.

(2) Except as provided in subsection (7) of this section, a county may not enact an ordinance or regulation or take any other action that:

(a) Imposes conditions other than those necessary to protect public health and safety and that do not substantially burden the decisions or actions of a religious organization regarding the location of housing or shelter, such as an outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking, for homeless persons on property owned or controlled by the religious organization;

(b) Requires a religious organization to obtain insurance pertaining to the liability of a municipality with respect to homeless persons housed on property owned by a religious organization or otherwise requires the religious organization to indemnify the municipality against such liability; ~~((or))~~

(c) Imposes permit fees in excess of the actual costs associated with the review and approval of ~~((the required))~~ permit applications. A county has discretion to reduce or waive permit fees for a religious organization that is hosting the homeless;

(d) Specifically limits a religious organization's availability to host an outdoor encampment on its property or property controlled by the religious organization to fewer than six months during any calendar year. However, a county may enact an ordinance or regulation that requires a separation of time of no more than three months between subsequent or established outdoor encampments at a particular site;

(e) Specifically limits a religious organization's outdoor encampment hosting term to fewer than four consecutive months;

(f) Limits the number of simultaneous religious organization outdoor encampment hostings within the same municipality during any given period of time. Simultaneous and adjacent hostings of outdoor encampments by religious organizations may be limited if located within one thousand feet of another outdoor encampment concurrently hosted by a religious organization;

(g) Limits a religious organization's availability to host safe parking efforts at its on-site parking lot, including limitations on any other congregationally sponsored uses and the parking available to support such uses during the hosting, except for limitations that are in accord with the following criteria that would govern if enacted by local ordinance or memorandum of understanding between the host religious organization and the jurisdiction:

(i) No less than one space may be devoted to safe parking per ten on-site parking spaces;

(ii) Restroom access must be provided either within the buildings on the property or through use of portable facilities, with the provision for proper disposal of waste if recreational vehicles are hosted; and

(iii) Religious organizations providing spaces for safe parking must continue to abide by any existing on-site parking minimum requirement so that the provision of safe parking spaces does not reduce the total number of available parking spaces below the minimum number of spaces required by the county, but a county may enter into a memorandum of understanding with a religious organization that reduces the minimum number of on-site parking spaces required;

(h) Limits a religious organization's availability to host an indoor overnight shelter in spaces with at least two accessible exits due to lack of sprinklers or other fire-related concerns, except that:

(i) If a county fire official finds that fire-related concerns associated with an indoor overnight shelter pose an imminent danger to persons within the shelter, the county may take action to limit the religious organization's availability to host the indoor overnight shelter; and

(ii) A county may require a host religious organization to enter into a memorandum of understanding for fire safety that includes local fire district inspections, an outline for appropriate emergency procedures, a determination of the most viable means to evacuate occupants from inside the host site with appropriate illuminated exit signage, panic bar exit doors, and a completed fire watch agreement indicating:

(A) Posted safe means of egress;

(B) Operable smoke detectors, carbon monoxide detectors as necessary, and fire extinguishers;

(C) A plan for monitors who spend the night awake and are familiar with emergency protocols, who have suitable communication devices, and who know how to contact the local fire department; or

(i) Limits a religious organization's ability to host temporary small houses on land owned or controlled by the religious organization, except for recommendations that are in accord with the following criteria:

(i) A renewable one-year duration agreed to by the host religious organization and local jurisdiction via a memorandum of understanding;

(ii) Maintaining a maximum unit square footage of one hundred twenty square feet, with units set at least six feet apart;

(iii) Electricity and heat, if provided, must be inspected by the local jurisdiction;

(iv) Space heaters, if provided, must be approved by the local fire authority;

(v) Doors and windows must be included and be lockable, with a recommendation that the managing agency and host religious organization also possess keys;

(vi) Each unit must have a fire extinguisher;

(vii) Adequate restrooms must be provided, including restrooms solely for families if present, along with handwashing and potable running water to be available if not provided within the individual units, including accommodating black water;

(viii) A recommendation for the host religious organization to partner with regional homeless service providers to develop pathways to permanent housing.

(3)(a) A county may enact an ordinance or regulation or take any other action that requires a host religious organization and a distinct managing agency using the religious organization's property, owned or controlled by the religious organization, for hostings to include outdoor encampments, temporary small houses on-site, indoor overnight shelters, or vehicle resident safe parking to enter into a memorandum of understanding to protect the public health and safety of both the residents of the particular hosting and the residents of the county.

(b) At a minimum, the agreement must include information regarding: The right of a resident in an outdoor encampment, vehicle resident safe parking, temporary small house on-site, or indoor overnight shelter to seek public health and safety assistance, the resident's ability to access social services on-site, and the resident's ability to directly interact with the host religious organization, including the ability to express any concerns regarding the managing agency to the religious organization; a written code of conduct agreed to by the managing agency, if any, host religious organization, and all volunteers working with residents of the outdoor encampment, temporary small house on-site, indoor overnight shelter, or vehicle resident safe parking; and when a publicly funded managing agency exists, the ability for the host religious organization to interact with residents of the outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking using a release of information.

(4) If required to do so by the county, any host religious organization performing any hosting of an outdoor encampment, vehicle resident safe parking, or indoor overnight shelter, or the host religious organization's managing agency, must ensure that the county or local law enforcement agency has completed sex offender checks of all adult residents and guests. The host religious organization retains the authority to allow such offenders to remain on the property. A host religious organization or host religious organization's managing agency performing any hosting of

vehicle resident safe parking must inform vehicle residents how to comply with laws regarding the legal status of vehicles and drivers, and provide a written code of conduct consistent with area standards.

(5) Any host religious organization performing any hosting of an outdoor encampment, vehicle resident safe parking, temporary small house on-site, or indoor overnight shelter, with a publicly funded managing agency, must work with the county to utilize Washington's homeless client management information system, as provided for in RCW 43.185C.180. When the religious organization does not partner with a managing agency, the religious organization is encouraged to partner with a local homeless services provider using the Washington homeless client managing information system. Any managing agency receiving any funding from local continuum of care programs must utilize the homeless client management information system. Temporary, overnight, extreme weather shelter provided in religious organization buildings does not need to meet this requirement.

(6) For the purposes of this section((:));

(a) "Managing agency" means an organization such as a religious organization or other organized entity that has the capacity to organize and manage a homeless outdoor encampment, temporary small houses on-site, indoor overnight shelter, and a vehicle resident safe parking program.

(b) "Outdoor encampment" means any temporary tent or structure encampment, or both.

(c) "Religious organization" means the federally protected practice of a recognized religious assembly, school, or institution that owns or controls real property.

(d) "Temporary" means not affixed to land permanently and not using underground utilities.

((4)) (7)(a) Subsection (2) of this section does not affect a county policy, ordinance, memorandum of understanding, or applicable consent decree that regulates religious organizations' hosting of the homeless if such policies, ordinances, memoranda of understanding, or consent decrees:

(i) Exist prior to the effective date of this section;

(ii) Do not categorically prohibit the hosting of the homeless by religious organizations; and

(iii) Have not been previously ruled by a court to violate the religious land use and institutionalized persons act, 42 U.S.C. Sec. 2000cc.

(b) If such policies, ordinances, memoranda of understanding, and consent decrees are amended after the effective date of this section, those amendments are not affected by subsection (2) of this section if those amendments satisfy (a)(ii) and (iii) of this subsection.

(8) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for (a) damages arising from the permitting decisions for a temporary encampment for the

homeless as provided in this section and (b) any conduct or unlawful activity that may occur as a result of the temporary encampment for the homeless as provided in this section.

(9) A religious organization hosting outdoor encampments, vehicle resident safe parking, or indoor overnight shelters for the homeless that receives funds from any government agency may not refuse to host any resident or prospective resident because of age, sex, marital status, sexual orientation, race, creed, color, national origin, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability, as these terms are defined in RCW 49.60.040.

(10)(a) Prior to the opening of an outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking, a religious organization hosting the homeless on property owned or controlled by the religious organization must host a meeting open to the public for the purpose of providing a forum for discussion of related neighborhood concerns, unless the use is in response to a declared emergency. The religious organization must provide written notice of the meeting to the county legislative authority at least one week if possible but no later than ninety-six hours prior to the meeting. The notice must specify the time, place, and purpose of the meeting.

(b) A county must provide community notice of the meeting described in (a) of this subsection by taking at least two of the following actions at any time prior to the time of the meeting:

(i) Delivering to each local newspaper of general circulation and local radio or television station that has on file with the governing body a written request to be notified of special meetings;

(ii) Posting on the county's web site. A county is not required to post a special meeting notice on its web site if it: (A) Does not have a web site; (B) employs fewer than ten full-time equivalent employees; or (C) does not employ personnel whose duty, as defined by a job description or existing contract, is to maintain or update the web site;

(iii) Prominently displaying, on signage at least two feet in height and two feet in width, one or more meeting notices that can be placed on or adjacent to the main arterials in proximity to the location of the meeting; or

(iv) Prominently displaying the notice at the meeting site.

**Sec. 3.** RCW 35.21.915 and 2010 c 175 s 3 are each amended to read as follows:

(1) A religious organization may host ~~((temporary encampments for))~~ the homeless on property owned or controlled by the religious organization whether within buildings located on the property or elsewhere on the property outside of buildings.

(2) Except as provided in subsection (7) of this section, a city or town may not enact an ordinance or regulation or take any other action that:

(a) Imposes conditions other than those necessary to protect public health and safety and that do not substantially burden the decisions or actions of a religious organization regarding the location of housing or shelter, such as an outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking, for homeless persons on property owned or controlled by the religious organization;

(b) Requires a religious organization to obtain insurance pertaining to the liability of a municipality with respect to homeless persons housed on property owned by a religious organization or otherwise requires the religious organization to indemnify the municipality against such liability; ~~((€))~~

(c) Imposes permit fees in excess of the actual costs associated with the review and approval of ~~((the required))~~ permit applications. A city or town has discretion to reduce or waive permit fees for a religious organization that is hosting the homeless;

(d) Specifically limits a religious organization's availability to host an outdoor encampment on its property or property controlled by the religious organization to fewer than six months during any calendar year. However, a city or town may enact an ordinance or regulation that requires a separation of time of no more than three months between subsequent or established outdoor encampments at a particular site;

(e) Specifically limits a religious organization's outdoor encampment hosting term to fewer than four consecutive months;

(f) Limits the number of simultaneous religious organization outdoor encampment hostings within the same municipality during any given period of time. Simultaneous and adjacent hostings of outdoor encampments by religious organizations may be limited if located within one thousand feet of another outdoor encampment concurrently hosted by a religious organization;

(g) Limits a religious organization's availability to host safe parking efforts at its on-site parking lot, including limitations on any other congregationally sponsored uses and the parking available to support such uses during the hosting, except for limitations that are in accord with the following criteria that would govern if enacted by local ordinance or memorandum of understanding between the host religious organization and the jurisdiction:

(i) No less than one space may be devoted to safe parking per ten on-site parking spaces;

(ii) Restroom access must be provided either within the buildings on the property or through use of portable facilities, with the provision for proper disposal of waste if recreational vehicles are hosted; and

(iii) Religious organizations providing spaces for safe parking must continue to abide by any existing on-site parking minimum requirement so that the provision of safe parking spaces does not reduce the total number of available parking spaces below the minimum number of spaces required by the city or town, but a city or town may enter

into a memorandum of understanding with a religious organization that reduces the minimum number of on-site parking spaces required;

(h) Limits a religious organization's availability to host an indoor overnight shelter in spaces with at least two accessible exits due to lack of sprinklers or other fire-related concerns, except that:

(i) If a city or town fire official finds that fire-related concerns associated with an indoor overnight shelter pose an imminent danger to persons within the shelter, the city or town may take action to limit the religious organization's availability to host the indoor overnight shelter; and

(ii) A city or town may require a host religious organization to enter into a memorandum of understanding for fire safety that includes local fire district inspections, an outline for appropriate emergency procedures, a determination of the most viable means to evacuate occupants from inside the host site with appropriate illuminated exit signage, panic bar exit doors, and a completed fire watch agreement indicating:

(A) Posted safe means of egress;

(B) Operable smoke detectors, carbon monoxide detectors as necessary, and fire extinguishers;

(C) A plan for monitors who spend the night awake and are familiar with emergency protocols, who have suitable communication devices, and who know how to contact the local fire department; or

(i) Limits a religious organization's ability to host temporary small houses on land owned or controlled by the religious organization, except for recommendations that are in accord with the following criteria:

(i) A renewable one-year duration agreed to by the host religious organization and local jurisdiction via a memorandum of understanding;

(ii) Maintaining a maximum unit square footage of one hundred twenty square feet, with units set at least six feet apart;

(iii) Electricity and heat, if provided, must be inspected by the local jurisdiction;

(iv) Space heaters, if provided, must be approved by the local fire authority;

(v) Doors and windows must be included and be lockable, with a recommendation that the managing agency and host religious organization also possess keys;

(vi) Each unit must have a fire extinguisher;

(vii) Adequate restrooms must be provided, including restrooms solely for families if present, along with handwashing and potable running water to be available if not provided within the individual units, including accommodating black water;

(viii) A recommendation for the host religious organization to partner with regional homeless service providers to develop pathways to permanent housing.

(3)(a) A city or town may enact an ordinance or regulation or take any other action that requires a host religious organization and a distinct managing agency using the religious organization's property, owned or controlled by the religious organization, for hostings to include outdoor encampments, temporary small houses on-site, indoor overnight shelters, or vehicle resident safe parking to enter into a memorandum of understanding to protect the public health and safety of both the residents of the particular hosting and the residents of the city or town.

(b) At a minimum, the agreement must include information regarding: The right of a resident in an outdoor encampment, vehicle resident safe parking, temporary small house on-site, or indoor overnight shelter to seek public health and safety assistance, the resident's ability to access social services on-site, and the resident's ability to directly interact with the host religious organization, including the ability to express any concerns regarding the managing agency to the religious organization; a written code of conduct agreed to by the managing agency, if any, host religious organization, and all volunteers working with residents of the outdoor encampment, temporary small house on-site, indoor overnight shelter, or vehicle resident safe parking; and when a publicly funded managing agency exists, the ability for the host religious organization to interact with residents of the outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking using a release of information.

(4) If required to do so by a city or town, any host religious organization performing any hosting of an outdoor encampment, vehicle resident safe parking, or indoor overnight shelter, or the host religious organization's managing agency, must ensure that the city or town or local law enforcement agency has completed sex offender checks of all adult residents and guests. The host religious organization retains the authority to allow such offenders to remain on the property. A host religious organization or host religious organization's managing agency performing any hosting of vehicle resident safe parking must inform vehicle residents how to comply with laws regarding the legal status of vehicles and drivers, and provide a written code of conduct consistent with area standards.

(5) Any host religious organization performing any hosting of an outdoor encampment, vehicle resident safe parking, temporary small house on-site, or indoor overnight shelter, with a publicly funded managing agency, must work with the city or town to utilize Washington's homeless client management information system, as provided for in RCW 43.185C.180. When the religious organization does not partner with a managing agency, the religious organization is encouraged to partner with a local homeless services provider using the Washington homeless client managing information system. Any managing agency receiving any funding from local continuum of care programs must utilize the homeless client management information system. Temporary, overnight, extreme weather shelter provided in religious organization buildings does not need to meet this requirement.

(6) For the purposes of this section(7):

(a) "Managing agency" means an organization such as a religious organization or other organized entity that has the capacity to organize and manage a homeless outdoor encampment, temporary small houses on-site, indoor overnight shelter, and a vehicle resident safe parking program.

(b) "Outdoor encampment" means any temporary tent or structure encampment, or both.

(c) "Religious organization" means the federally protected practice of a recognized religious assembly, school, or institution that owns or controls real property.

(d) "Temporary" means not affixed to land permanently and not using underground utilities.

((4)) (7)(a) Subsection (2) of this section does not affect a city or town policy, ordinance, memorandum of understanding, or applicable consent decree that regulates religious organizations' hosting of the homeless if such policies, ordinances, memoranda of understanding, or consent decrees:

(i) Exist prior to the effective date of this section;

(ii) Do not categorically prohibit the hosting of the homeless by religious organizations; and

(iii) Have not been previously ruled by a court to violate the religious land use and institutionalized persons act, 42 U.S.C. Sec. 2000cc.

(b) If such policies, ordinances, memoranda of understanding, and consent decrees are amended after the effective date of this section, those amendments are not affected by subsection (2) of this section if those amendments satisfy (a)(ii) and (iii) of this subsection.

(8) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for (a) damages arising from the permitting decisions for a temporary encampment for the homeless as provided in this section and (b) any conduct or unlawful activity that may occur as a result of the temporary encampment for the homeless as provided in this section.

(9) A religious organization hosting outdoor encampments, vehicle resident safe parking, or indoor overnight shelters for the homeless that receives funds from any government agency may not refuse to host any resident or prospective resident because of age, sex, marital status, sexual orientation, race, creed, color, national origin, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability, as these terms are defined in RCW 49.60.040.

(10)(a) Prior to the opening of an outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking, a religious organization hosting the homeless on property owned or controlled by the religious organization must host a meeting open to the public for the purpose of providing a forum for discussion of related neighborhood concerns, unless the use is in response to a declared emergency. The religious organization must provide written notice of the meeting to

the city or town legislative authority at least one week if possible but no later than ninety-six hours prior to the meeting. The notice must specify the time, place, and purpose of the meeting.

(b) A city or town must provide community notice of the meeting described in (a) of this subsection by taking at least two of the following actions at any time prior to the time of the meeting:

(i) Delivering to each local newspaper of general circulation and local radio or television station that has on file with the governing body a written request to be notified of special meetings;

(ii) Posting on the city or town's web site. A city or town is not required to post a special meeting notice on its web site if it: (A) Does not have a web site; (B) employs fewer than ten full-time equivalent employees; or (C) does not employ personnel whose duty, as defined by a job description or existing contract, is to maintain or update the web site;

(iii) Prominently displaying, on signage at least two feet in height and two feet in width, one or more meeting notices that can be placed on or adjacent to the main arterials in proximity to the location of the meeting; or

(iv) Prominently displaying the notice at the meeting site.

**Sec. 4.** RCW 35A.21.360 and 2010 c 175 s 4 are each amended to read as follows:

(1) A religious organization may host ~~((temporary encampments for))~~ the homeless on property owned or controlled by the religious organization whether within buildings located on the property or elsewhere on the property outside of buildings.

(2) Except as provided in subsection (7) of this section, a code city may not enact an ordinance or regulation or take any other action that:

(a) Imposes conditions other than those necessary to protect public health and safety and that do not substantially burden the decisions or actions of a religious organization regarding the location of housing or shelter, such as an outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking, for homeless persons on property owned or controlled by the religious organization;

(b) Requires a religious organization to obtain insurance pertaining to the liability of a municipality with respect to homeless persons housed on property owned by a religious organization or otherwise requires the religious organization to indemnify the municipality against such liability; ~~((€))~~

(c) Imposes permit fees in excess of the actual costs associated with the review and approval of ~~((the required))~~ permit applications. A code city has discretion to reduce or waive permit fees for a religious organization that is hosting the homeless;

(d) Specifically limits a religious organization's availability to host an outdoor encampment on its property or property controlled by the religious organization to fewer than six months during any calendar year. However, a code city may enact an ordinance or regulation that requires a separation of time of no more than three months between subsequent or established outdoor encampments at a particular site;

(e) Specifically limits a religious organization's outdoor encampment hosting term to fewer than four consecutive months;

(f) Limits the number of simultaneous religious organization outdoor encampment hostings within the same municipality during any given period of time. Simultaneous and adjacent hostings of outdoor encampments by religious organizations may be limited if located within one thousand feet of another outdoor encampment concurrently hosted by a religious organization;

(g) Limits a religious organization's availability to host safe parking efforts at its on-site parking lot, including limitations on any other congregationally sponsored uses and the parking available to support such uses during the hosting, except for limitations that are in accord with the following criteria that would govern if enacted by local ordinance or memorandum of understanding between the host religious organization and the jurisdiction:

(i) No less than one space may be devoted to safe parking per ten on-site parking spaces;

(ii) Restroom access must be provided either within the buildings on the property or through use of portable facilities, with the provision for proper disposal of waste if recreational vehicles are hosted; and

(iii) Religious organizations providing spaces for safe parking must continue to abide by any existing on-site parking minimum requirement so that the provision of safe parking spaces does not reduce the total number of available parking spaces below the minimum number of spaces required by the code city, but a code city may enter into a memorandum of understanding with a religious organization that reduces the minimum number of on-site parking spaces required;

(h) Limits a religious organization's availability to host an indoor overnight shelter in spaces with at least two accessible exits due to lack of sprinklers or other fire-related concerns, except that:

(i) If a code city fire official finds that fire-related concerns associated with an indoor overnight shelter pose an imminent danger to persons within the shelter, the code city may take action to limit the religious organization's availability to host the indoor overnight shelter; and

(ii) A code city may require a host religious organization to enter into a memorandum of understanding for fire safety that includes local fire district inspections, an outline for appropriate emergency procedures, a determination of the most viable means to evacuate occupants from inside the host site with appropriate

illuminated exit signage, panic bar exit doors, and a completed fire watch agreement indicating:

(A) Posted safe means of egress;

(B) Operable smoke detectors, carbon monoxide detectors as necessary, and fire extinguishers;

(C) A plan for monitors who spend the night awake and are familiar with emergency protocols, who have suitable communication devices, and who know how to contact the local fire department; or

(i) Limits a religious organization's ability to host temporary small houses on land owned or controlled by the religious organization, except for recommendations that are in accord with the following criteria:

(i) A renewable one-year duration agreed to by the host religious organization and local jurisdiction via a memorandum of understanding;

(ii) Maintaining a maximum unit square footage of one hundred twenty square feet, with units set at least six feet apart;

(iii) Electricity and heat, if provided, must be inspected by the local jurisdiction;

(iv) Space heaters, if provided, must be approved by the local fire authority;

(v) Doors and windows must be included and be lockable, with a recommendation that the managing agency and host religious organization also possess keys;

(vi) Each unit must have a fire extinguisher;

(vii) Adequate restrooms must be provided, including restrooms solely for families if present, along with handwashing and potable running water to be available if not provided within the individual units, including accommodating black water;

(3)(a) A code city may enact an ordinance or regulation or take any other action that requires a host religious organization and a distinct managing agency using the religious organization's property, owned or controlled by the religious organization, for hostings to include outdoor encampments, temporary small houses on-site, indoor overnight shelters, or vehicle resident safe parking to enter into a memorandum of understanding to protect the public health and safety of both the residents of the particular hosting and the residents of the code city.

(b) At a minimum, the agreement must include information regarding: The right of a resident in an outdoor encampment, vehicle resident safe parking, temporary small house on-site, or indoor overnight shelter to seek public health and safety assistance, the resident's ability to access social services on-site, and the resident's ability to directly interact with the host religious organization, including the ability to express any concerns regarding the managing agency to the religious organization; a written code of

conduct agreed to by the managing agency, if any, host religious organization, and all volunteers working with residents of the outdoor encampment, temporary small house on-site, indoor overnight shelter, or vehicle resident safe parking; and when a publicly funded managing agency exists, the ability for the host religious organization to interact with residents of the outdoor encampment, indoor overnight shelter, temporary small house on-site, or vehicle resident safe parking using a release of information.

(4) If required to do so by a code city, any host religious organization performing any hosting of an outdoor encampment, vehicle resident safe parking, or indoor overnight shelter, or the host religious organization's managing agency, must ensure that the code city or local law enforcement agency has completed sex offender checks of all adult residents and guests. The host religious organization retains the authority to allow such offenders to remain on the property. A host religious organization or host religious organization's managing agency performing any hosting of vehicle resident safe parking must inform vehicle residents how to comply with laws regarding the legal status of vehicles and drivers, and provide a written code of conduct consistent with area standards.

(5) Any host religious organization performing any hosting of an outdoor encampment, vehicle resident safe parking, temporary small house on-site, or indoor overnight shelter, with a publicly funded managing agency, must work with the code city to utilize Washington's homeless client management information system, as provided for in RCW 43.185C.180. The purposes of RCW 28A.545.030 through 28A.545.110 and 84.52.0531 are to:

(1) Simplify the annual process of determining and paying the amounts due by nonhigh school districts to high school districts for educating students residing in a nonhigh school district;

(2) Provide for a payment schedule that coincides to the extent practicable with the ability of nonhigh school districts to pay and the need of high school districts for payment; ~~(and)~~

(3) Establish that the maximum amount due per annual average full-time equivalent student by a nonhigh school district for each school year is ~~((no greater than))~~ the lesser of:

(a) The enrichment levy rate per annual average full-time equivalent student levied upon the taxpayers of the high school district; or

(b) The enrichment levy rate per annual average full-time equivalent student levied upon the taxpayers of the nonhigh school district;

(4) If the nonhigh school district has not levied an enrichment levy during the current school year, then the amount due per annual average full-time equivalent student by the nonhigh school district is the enrichment levy rate per annual average full-time equivalent student levied upon the taxpayers of the high school district; and

NEW SECTION. Sec. 6. A new section is added to chapter 28A.545 RCW to read as follows:

(b) The result of the calculation provided for in subsection (1)(a) of this section shall then be multiplied by the estimated number of annual average full-time equivalent students residing in the nonhigh school district that will be enrolled in the high school district during the school year which has been established pursuant to RCW 28A.545.060; and

(c) The result of the calculation provided for in subsection (1)(b) of this section shall be adjusted upward to the extent the estimated amount due by a nonhigh school district for the prior school year was less than the actual amount due based upon actual annual average full-time equivalent student enrollments during the previous school year and the actual per annual average full-time equivalent student enrichment levy rate for the current tax collection year, ~~((of the high school district,))~~ or adjusted downward to the extent the estimated amount due was greater than such actual amount due or greater than such lesser amount as a high school district may have elected to assess pursuant to RCW 28A.545.090.

(2) The amount arrived at pursuant to subsection (1)(c) of this subsection shall constitute the estimated amount due by a nonhigh school district to a high school district for the school year."

On page 1, line 2 of the title, after "districts;" strike the remainder of the title and insert "amending RCW 28A.545.030 and 28A.545.070; and adding a new section to chapter 28A.545 RCW."

The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(i) That there is probable cause to support the petition; and

(3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a petition for initial detention. After service on such person the designated crisis responder shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, and the designated attorney. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(3)(a) Subject to (b) of this subsection, a peace officer may take or cause such person to be taken into custody and immediately delivered to a triage facility, crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, approved substance use disorder treatment program, or the emergency department of a local hospital under the following circumstances:

negligently disregarding the requirement to appear or surrender, and that the person appeared or surrendered as soon as such circumstances ceased to exist.

(3) Failure to appear or surrender is:

(a) A gross misdemeanor if the person was held for, charged with, or convicted of a felony; or

(b) A misdemeanor if the person was held for, charged with, or convicted of a gross misdemeanor or misdemeanor."

16.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 17.** RCW 53.54.030 and 1993 c 150 s 1 are each amended to read as follows:

For the purposes of this chapter, in developing a remedial program, the port commission may utilize one or more of the following programs:

(1) Acquisition of property or property rights within the impacted area, which shall be deemed necessary to accomplish a port purpose. The port district may purchase such property or property rights by time payment notwithstanding the time limitations provided for in RCW 53.08.010. The port district may mortgage or otherwise pledge any such properties acquired to secure such transactions. The port district may assume any outstanding mortgages.

(2) Transaction assistance programs, including assistance with real estate fees and mortgage assistance, and other neighborhood remedial programs as compensation for impacts due to aircraft noise and noise associated conditions. Any such programs shall be in connection with properties located within an impacted area and shall be provided upon terms and conditions as the port district shall determine appropriate.

(3) Programs of soundproofing structures located within an impacted area. Such programs may be executed without regard to the ownership, provided the owner waives damages and conveys an easement for the operation of aircraft, and for noise and noise associated conditions therewith, to the port district.

(4) Mortgage insurance of private owners of lands or improvements within such noise impacted area where such private owners are unable to obtain mortgage insurance solely because of noise impact. In this regard, the port district may establish reasonable regulations and may impose reasonable conditions and charges upon the granting of such mortgage insurance: PROVIDED, That such fees and charges shall at no time exceed fees established for federal mortgage insurance programs for like service.

(5)(a) An individual property may be provided benefits by the port district under each of the programs described in subsections (1) through (4) of this section.

However, an individual property may not be provided benefits under any one of these programs more than once, unless the property ~~((is))~~;

(i) Is subjected to increased aircraft noise or differing aircraft noise impacts that would have afforded different levels of mitigation, even if the property owner had waived all damages and conveyed a full and unrestricted easement; or

(ii) Contains a soundproofing installation, structure, or other type of sound mitigation equipment product or benefit previously installed pursuant to the remedial program under this chapter by the port district that is determined through inspection to be in need of a repair or replacement.

(b) Port districts choosing to exercise the authority under (a)(ii) of this subsection are required to conduct inspections of homes where mitigation improvements are no longer working as intended. In those properties, port districts must work with a state certified building inspector to determine whether package failure resulted in additional hazards or structural damage to the property.

(6) Management of all lands, easements, or development rights acquired, including but not limited to the following:

(a) Rental of any or all lands or structures acquired;

(b) Redevelopment of any such lands for any economic use consistent with airport operations, local zoning and the state environmental policy;

(c) Sale of such properties for cash or for time payment and subjection of such property to mortgage or other security transaction: PROVIDED, That any such sale shall reserve to the port district by covenant an unconditional right of easement for the operation of all aircraft and for all noise or noise conditions associated therewith.

(7) A property shall be considered within the impacted area if any part thereof is within the impacted area."

HOUSE BILL NO. 2315, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### **MESSAGE FROM THE SENATE**

March 4, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2318 with the following amendment:  
17.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 18.** RCW 5.70.010 and 2015 c 221 s 1 are each amended to read as follows:

(1) In any felony case initially charged as a violent or sex offense, as defined in RCW 9.94A.030, a governmental entity shall preserve any DNA work product that has been secured in connection with the criminal case, including related investigatory reports and records, according to the following guidelines:

(a) Except as provided in (b) of this subsection, where a defendant has been charged and convicted in connection with the case, the DNA work product and investigatory reports and records must be maintained throughout the length of the sentence, including any period of community custody extending through final discharge;

(b) Where a defendant has been convicted and sentenced under RCW 9.94A.507 in connection with the case, the DNA work product and investigatory reports and

~~records~~ must be maintained for ninety-nine years or until the death of the defendant, whichever is sooner; and

(c) Where no conviction has been made in connection with the case, the DNA work product ~~and investigatory reports and records~~ must be maintained for ninety-nine years or throughout the period of the statute of limitations pursuant to RCW 9A.04.080, whichever is sooner.

(2) Notwithstanding subsection (1) of this section, in any felony case regardless of whether the identity of the offender is known and law enforcement has probable cause sufficient to believe the elements of a violent or sex offense as defined in RCW 9.94A.030 have been committed, a governmental entity shall preserve any DNA work product(~~; including a sexual assault examination kit;~~) secured in connection with the criminal case ~~and investigatory reports and records~~ for ninety-nine years or throughout the period of the statute of limitations pursuant to RCW 9A.04.080, whichever is sooner.

(3) ~~(For purposes of this section:~~

(a) "Amplified DNA" means DNA generated during scientific analysis using a polymerase chain reaction.

(b) "DNA work product" means (i) product generated during the process of scientific analysis of such material, except amplified DNA, material that had been subjected to DNA extraction, and DNA extracts from reference samples; or (ii) any material contained on a microscope slide, swab, in a sample tube, cutting, DNA extract, or some other similar retention method used to isolate potential biological evidence that has been collected by law enforcement as part of its investigation and prepared for scientific analysis, whether or not it is submitted for scientific analysis and derived from:

~~(A) The contents of a sexual assault examination kit;~~

~~(B) Blood;~~

~~(C) Semen;~~

~~(D) Hair;~~

~~(E) Saliva;~~

~~(F) Skin tissue;~~

~~(G) Fingerprints;~~

~~(H) Bones;~~

~~(I) Teeth; or~~

~~(J) Any other identifiable human biological material or physical evidence.~~

~~Notwithstanding the foregoing, "DNA work product" does not include a reference sample collected unless it has been shown through DNA comparison to associate the source of the sample with the criminal case for which it was collected.~~

~~(c) "Governmental entity" means any general law enforcement agency or any person or organization officially acting on behalf of the state or any political subdivision of the state involved in the collection, examination, tracking,~~

~~packaging, storing, or disposition of biological material collected in connection with a criminal investigation relating to a felony offense.~~

~~(d) "Reference sample" means a known sample collected from an individual by a governmental entity for the purpose of comparison to DNA profiles developed in a criminal case.~~

~~(4)) The failure of a law enforcement agency to preserve DNA work product does not constitute grounds in any criminal proceeding for challenging the admissibility of other DNA work product that was preserved in a case, and any evidence offered may not be excluded by a court on those grounds. The court may not set aside the conviction or sentence or order the reversal of a conviction under this section on the grounds that the DNA work product is no longer available. Unless the court finds that DNA work product was destroyed with malicious intent to violate this section, a person accused of committing a crime against a person has no cause of action against a law enforcement agency for failure to comply with the requirements of this section. If the court finds that DNA work product was destroyed with malicious intent to violate this section, the court may impose appropriate sanctions. Nothing in this section may be construed to create a private right of action on the part of any individual or entity against any law enforcement agency or any contractor of a law enforcement agency.~~

~~**NEW SECTION. Sec. 19.** A new section is added to chapter 5.70 RCW to read as follows:~~

~~The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.~~

~~(1) "Amplified DNA" means DNA generated during scientific analysis using a polymerase chain reaction.~~

~~(2) "DNA work product" means (a) product generated during the process of scientific analysis of such material, except amplified DNA, material that had been subjected to DNA extraction, screening byproducts, and DNA extracts from reference samples; or (b) any material contained on a microscope slide, swab, in a sample tube, cutting, DNA extract, or some other similar retention method used to isolate potential biological evidence that has been collected by law enforcement or a forensic nurse as part of an investigation and prepared for scientific analysis, whether or not it is submitted for scientific analysis and derived from:~~

~~(i) The contents of a sexual assault examination kit;~~

~~(ii) Blood;~~

~~(iii) Semen;~~

~~(iv) Hair;~~

~~(v) Saliva;~~

~~(vi) Skin tissue;~~

~~(vii) Fingerprints;~~

~~(viii) Bones;~~

~~(ix) Teeth; or~~

(x) Any other identifiable human biological material or physical evidence.

Notwithstanding the foregoing, "DNA work product" does not include a reference sample collected unless it has been shown through DNA comparison to associate the source of the sample with the criminal case for which it was collected.

(3) "Governmental entity" means any general law enforcement agency or any person or organization officially acting on behalf of the state or any political subdivision of the state involved in the collection, examination, tracking, packaging, storing, or disposition of biological material collected in connection with a criminal investigation relating to a felony offense.

(4) "Reference sample" means a known sample collected from an individual by a governmental entity for the purpose of comparison to DNA profiles developed in a criminal case.

(5) "Screening byproduct" means a product or waste generated during examination of DNA evidence, or the screening process of such evidence, that is not intended for long-term storage.

(6) "Sexual assault kit" includes all evidence collected during a sexual assault medical forensic examination.

(7) "Unreported sexual assault kit" means a sexual assault kit where a law enforcement agency has not received a related report or complaint alleging a sexual assault or other crime has occurred.

**NEW SECTION. Sec. 20.** A new section is added to chapter 5.70 RCW to read as follows:

(1)(a) Any unreported sexual assault kit collected on or after the effective date of this section must be transported from the collecting entity to the applicable local law enforcement agency.

(b) By January 1, 2021, unreported sexual assault kits collected prior to the effective date of this section and stored according to the requirements of RCW 70.125.101 must be transported to the applicable local law enforcement agency.

(2)(a) The applicable local law enforcement agency is responsible for conducting the transport of the unreported sexual assault kit from the collecting entity to the agency as required under subsection (1) of this section.

(b) The applicable law enforcement agency shall store and preserve the unreported sexual assault kit for twenty years from the date of collection.

(3) The term "applicable local law enforcement agency" refers to the local law enforcement agency that would have jurisdiction to investigate any related criminal allegations if they were to be reported to law enforcement. The applicable local law enforcement agency is determined through consultation between the collecting entity or, in the case of unreported sexual assault kits stored according to the requirements of RCW 70.125.101, the Washington state patrol, and local law enforcement agencies.

**Sec. 21.** RCW 70.125.090 and 2019 c 93 s 6 are each amended to read as follows:

(1) When a law enforcement agency receives a sexual assault kit, the law enforcement agency must, within thirty days of its receipt, submit a request for laboratory examination to the Washington state patrol crime laboratory for prioritization for testing by it or another accredited laboratory that holds an outsourcing agreement with the Washington state patrol if:

(a) The law enforcement agency has received a related report or complaint alleging a sexual assault or other crime has occurred; and

(b)(i) Consent for laboratory examination has been given by the victim; or

(ii) The victim is a person under the age of eighteen who is not emancipated pursuant to chapter 13.64 RCW.

(2) Beginning May 1, 2022, when the Washington state patrol receives a request for laboratory examination of a sexual assault kit from a law enforcement agency, the Washington state patrol shall conduct the laboratory examination of the sexual assault kit, and when appropriate, enter relevant information into the combined DNA index system, within forty-five days of receipt of the request. The Washington state patrol crime laboratory must give priority to the laboratory examination of sexual assault kits at the request of a local law enforcement agency for:

(a) Active investigations and cases with impending court dates;

(b) Active investigations where public safety is an immediate concern;

(c) Violent crimes investigations, including active sexual assault investigations;

(d) Postconviction cases; and

(e) Other crimes' investigations and nonactive investigations, such as previously unsubmitted older sexual assault kits or recently collected sexual assault kits that the submitting agency has determined to be lower priority based on their initial investigation.

(3) The requirements to request and complete laboratory examination of sexual assault kits under subsections (1) and (2) of this section do not include forensic toxicological analysis. However, nothing in this section limits or modifies the authority of a law enforcement agency to request toxicological analysis of evidence collected in a sexual assault kit.

(4) The failure of a law enforcement agency to submit a request for laboratory examination, or the failure of the Washington state patrol to facilitate laboratory examination, within the time periods prescribed under this section does not constitute grounds in any criminal proceeding for challenging the validity of a DNA evidence association, and any evidence obtained from the sexual assault kit may not be excluded by a court on those grounds.

((4)) (5) A person accused or convicted of committing a crime against a victim has no standing to object

to any failure to comply with the requirements of this section, and the failure to comply with the requirements of this section is not grounds for setting aside the conviction or sentence.

~~((5))~~ (6) Nothing in this section may be construed to create a private right of action or claim on the part of any individual, entity, or agency against any law enforcement agency or any contractor of any law enforcement agency.

~~((6))~~ (7) This section applies ~~((prospectively only and not retroactively. It only applies))~~ to sexual assault examinations performed on or after July 24, 2015.

~~((7))~~ (8)(a) Until June 30, 2023, the Washington state patrol shall compile the following information related to the sexual assault kits identified in this section and RCW 70.125.100 (as recodified by this act):

(i) The number of requests for laboratory examination made for sexual assault kits and the law enforcement agencies that submitted the requests; and

(ii) The progress made towards testing the sexual assault kits, including the status of requests for laboratory examination made by each law enforcement agency.

(b) The Washington state patrol shall make recommendations for increasing the progress on testing any untested sexual assault kits.

(c) Beginning in 2015, the Washington state patrol shall report its findings and recommendations annually to the appropriate committees of the legislature and the governor by December 1st of each year.

**Sec. 22.** RCW 70.125.100 and 2019 c 93 s 7 are each amended to read as follows:

(1) Law enforcement agencies shall submit requests for forensic analysis of all sexual assault kits collected prior to July 24, 2015, and in the possession of the agencies to the Washington state patrol crime laboratory by October 1, 2019, except submission for forensic analysis is not required when: (a) Forensic analysis has previously been conducted; (b) there is documentation of an adult victim or emancipated minor victim expressing that he or she does not want his or her sexual assault kit submitted for forensic analysis; or (c) a sexual assault kit is noninvestigatory and held by a law enforcement agency pursuant to an agreement with a hospital or other medical provider. The requirements of this subsection apply regardless of the statute of limitations or the status of any related investigation.

(2) The Washington state patrol crime laboratory may consult with local law enforcement agencies to coordinate the efficient submission of requests for forensic analysis under this section in conjunction with the implementation of the statewide tracking system under RCW 43.43.545, provided that all requests are submitted and all required information is entered into the statewide sexual assault tracking system by October 1, 2019. The Washington state patrol crime laboratory shall facilitate the forensic analysis of all sexual assault kits submitted under this section by December 1, 2021. The analysis may be conducted by the Washington state patrol laboratory or an accredited

laboratory holding a contract or agreement with the Washington state patrol. The Washington state patrol shall process the forensic analysis of sexual assault kits in accordance with the priorities in RCW 70.125.090(2) (as recodified by this act).

(3) The requirements to request and complete laboratory examination of sexual assault kits under this section do not include forensic toxicological analysis. However, nothing in this section limits or modifies the authority of a law enforcement agency to request toxicological analysis of evidence collected in a sexual assault kit.

(4) The failure of a law enforcement agency to submit a request for laboratory examination within the time prescribed under this section does not constitute grounds in any criminal proceeding for challenging the validity of a DNA evidence association, and any evidence obtained from the sexual assault kit may not be excluded by a court on those grounds.

~~((4))~~ (5) A person accused or convicted of committing a crime against a victim has no standing to object to any failure to comply with the requirements of this section, and the failure to comply with the requirements of this section is not grounds for setting aside the conviction or sentence.

~~((5))~~ (6) Nothing in this section may be construed to create a private right of action or claim on the part of any individual, entity, or agency against any law enforcement agency or any contractor of any law enforcement agency.

**Sec. 23.** RCW 43.43.545 and 2019 c 93 s 4 are each amended to read as follows:

(1) The Washington state patrol shall create and operate a statewide sexual assault kit tracking system. The Washington state patrol may contract with state or nonstate entities including, but not limited to, private software and technology providers, for the creation, operation, and maintenance of the system.

(2) The statewide sexual assault kit tracking system must:

(a) Track the location and status of sexual assault kits throughout the criminal justice process, including the initial collection in examinations performed at medical facilities, receipt and storage at law enforcement agencies, receipt and analysis at forensic laboratories, and storage and any destruction after completion of analysis;

(b) Designate sexual assault kits as unreported or reported;

(c) Indicate whether a sexual assault kit contains biological materials collected for the purpose of forensic toxicological analysis;

~~((d))~~ (e) Allow victims of sexual assault to anonymously track or receive updates regarding the status of their sexual assault kits; and

~~((e))~~ (f) Use electronic technology or technologies allowing continuous access.

(3) The Washington state patrol may use a phased implementation process in order to launch the system and facilitate entry and use of the system for required participants. The Washington state patrol may phase initial participation according to region, volume, or other appropriate classifications. All entities having custody of sexual assault kits shall fully participate in the system no later than June 1, 2018. The Washington state patrol shall submit a report on the current status and plan for launching the system, including the plan for phased implementation, to the joint legislative task force on sexual assault forensic examination best practices, the appropriate committees of the legislature, and the governor no later than January 1, 2017.

(4) The Washington state patrol shall submit a semiannual report on the statewide sexual assault kit tracking system to the joint legislative task force on sexual assault forensic examination best practices, the appropriate committees of the legislature, and the governor. (f) The average and median length of time for forensic analysis to be completed on sexual assault kits after being submitted for analysis, including separate sets of data for all sexual assault kits in the system statewide and by jurisdiction and for sexual assault kits added to the system in the reporting period statewide and by jurisdiction;

(g) The total and semiannual number of sexual assault kits destroyed or removed from the system statewide and by jurisdiction;

(h) The total number of sexual assault kits, statewide and by jurisdiction, where forensic analysis has not been

completed and six months or more have passed since those sexual assault kits were added to the system; and

(i) The total number of sexual assault kits, statewide and by jurisdiction, where forensic analysis has not been completed and one year or more has passed since those sexual assault kits were added to the system.

(5) For the purpose of reports under subsection (4) of this section, a sexual assault kit must be assigned to the jurisdiction associated with the law enforcement agency anticipated to receive the sexual assault kit or otherwise having custody of the sexual assault kit.

(6) Any public agency or entity, including its officials and employees, and any hospital and its employees providing services to victims of sexual assault may not be held civilly liable for damages arising from any release of information or the failure to release information related to the statewide sexual assault kit tracking system, so long as the release was without gross negligence.

(7) The Washington state patrol shall adopt rules as necessary to implement this section.

(8) For the purposes of this section ~~(, an "unreported sexual assault kit" refers to a sexual assault kit collected from a victim who has consented to the collection of the sexual assault kit but who has not reported the alleged crime to law enforcement);~~

(b) When submitting a biological sample under this subsection, the municipal jurisdiction must include a signed affidavit from the municipal prosecuting authority of the jurisdiction in which the conviction occurred specifying the state crime to which the municipal offense is equivalent.

(c) For persons convicted of any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense, who are serving or who are to serve a term of confinement in a department of corrections facility or a department of children, youth, and families facility, the facility holding the person shall be responsible for obtaining the biological samples as part of the intake process. If the facility did not collect the biological sample during the intake process, then the facility shall collect the biological sample as soon as is practicable. For those persons incarcerated before June 12, 2008, who have not yet had a biological sample collected, priority shall be given to those persons who will be released the soonest.

~~((6))~~ (d) For persons convicted of any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense, who will not serve a term of confinement, the court shall ~~((order))~~: Order the person to report to the local police department or sheriff's office as provided under subsection (5)(b)(i) of this section within a reasonable period of time established by the court in order to provide a biological sample; or if the local police department or sheriff's office has a protocol for collecting the biological sample in the courtroom, order the person to immediately provide the biological sample to the local police department or sheriff's office before leaving the presence of the court. The court must further inform the person that refusal to provide a biological sample is a gross misdemeanor under this section.

~~((7))~~ (6) Any biological sample taken pursuant to RCW 43.43.752 through 43.43.758 may be retained by the forensic laboratory services bureau, and shall be used solely for the purpose of providing DNA or other tests for identification analysis and prosecution of a criminal offense or for the identification of human remains or missing persons. Nothing in this section prohibits the submission of results derived from the biological samples to the federal bureau of investigation combined DNA index system.

~~((8))~~ (7) The forensic laboratory services bureau of the Washington state patrol is responsible for testing performed on all biological samples that are collected under this section, to the extent allowed by funding available for this purpose. Known duplicate samples may be excluded from testing unless testing is deemed necessary or advisable by the director.

~~((9))~~ (8) This section applies to:

(a) All adults and juveniles to whom this section applied prior to June 12, 2008;

(b) All adults and juveniles to whom this section did not apply prior to June 12, 2008, who:

(i) Are convicted on or after June 12, 2008, of an offense listed in subsection (1)(a) of this section on the date of conviction; or

(ii) Were convicted prior to June 12, 2008, of an offense listed in subsection (1)(a) of this section and are still incarcerated on or after June 12, 2008;

(c) All adults and juveniles who are required to register under RCW 9A.44.130 on or after June 12, 2008, whether convicted before, on, or after June 12, 2008; and

(d) All samples submitted under subsections (2) and (3) of this section.

~~((40))~~ (9) This section creates no rights in a third person. No cause of action may be brought based upon the noncollection or nonanalysis or the delayed collection or analysis of a biological sample authorized to be taken under RCW 43.43.752 through 43.43.758.

~~((44))~~ (10) The detention, arrest, or conviction of a person based upon a database match or database information is not invalidated if it is determined that the sample was obtained or placed in the database by mistake, or if the conviction or juvenile adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including but not limited to posttrial or postfact-finding motions, appeals, or collateral attacks. No cause of action may be brought against the state based upon the analysis of a biological sample authorized to be taken pursuant to a municipal ordinance if the conviction or adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including, but not limited to, posttrial or postfact-finding motions, appeals, or collateral attacks.

~~((42))~~ (11) A person commits the crime of refusal to provide DNA if the person willfully refuses to comply with a legal request for a DNA sample as required under this section. The refusal to provide DNA is a gross misdemeanor.

**NEW SECTION. Sec. 25.** A new section is added to chapter 43.101 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the commission shall develop a proposal for a case review program. The commission shall research, design, and develop case review strategies designed to optimize outcomes in sexual assault investigations through improved training and investigatory practices. The proposed program must evaluate whether current training and practices foster a trauma-informed, victim-centered approach to victim interviews that identifies best practices and current gaps in training and assesses the integration of the community resiliency model. The program will include a comparison of cases involving investigators and interviewers who have participated in training to cases involving investigators and interviewers who have not participated in training. The program will also include other randomly selected cases for a systematic review to assess whether current practices conform to national best practices for a multidisciplinary approach to investigating sexual assault cases and interacting with survivors.

(2) In designing the program, the commission shall consult and collaborate with experts in trauma-informed and victim-centered training, experts in sexual assault investigations and prosecutions, victim advocates, and other stakeholders identified by the commission. The commission may form a multidisciplinary working group for the purpose of carrying out the requirements of this section.

(3) The commission shall submit a report with a summary of its proposal to the governor and the appropriate committees of the legislature by December 1, 2020.

(4) This section expires July 1, 2021.

**NEW SECTION. Sec. 26.** The legislature recognizes that proper storage and preservation of evidence, including maintaining chain of custody requirements, are critical to any successful investigation and prosecution. Unreported sexual assault kits are, therefore, most appropriately stored and preserved by law enforcement agencies. The legislature further recognizes that some agencies are facing storage capacity constraints. Agencies are currently responsible for storing found property, regardless if the property is associated with a criminal investigation. Therefore, the legislature hereby intends to provide flexibility for local governments to designate an alternate entity to store found property in order to allow those agencies with capacity issues to prioritize storage space for evidence and potential evidence in criminal investigations.

**Sec. 27.** RCW 63.21.010 and 1997 c 237 s 1 are each amended to read as follows:

(1) Any person who finds property that is not unlawful to possess, the owner of which is unknown, and who wishes to claim the found property, shall:

(a) Within seven days of the finding acquire a signed statement setting forth an appraisal of the current market value of the property prepared by a qualified person engaged in buying or selling like items or by a district court judge, unless the found property is cash; and

(b) Within seven days report the find of property and surrender, if requested, the property and a copy of the evidence of the value of the property to the chief law enforcement officer, ~~((or))~~ his or her designated representative, or other designated entity under section 15 of this act, of the governmental entity where the property was found, and serve written notice upon the officer or designee of the finder's intent to claim the property if the owner does not make out his or her right to it under this chapter.

(2) Within thirty days of the report the governmental entity shall cause notice of the finding to be published at least once a week for two successive weeks in a newspaper of general circulation in the county where the property was found, unless the appraised value of the property is less than the cost of publishing notice. If the value is less than the cost of publishing notice, the governmental entity may cause notice to be posted or published in other media or formats that do not incur expense to the governmental entity.

**Sec. 28.** RCW 63.21.020 and 1979 ex.s. c 85 s 2 are each amended to read as follows:

The finder's claim to the property shall be extinguished:

(1) If the owner satisfactorily establishes, within sixty days after the find was reported to the appropriate officer or, if so designated under section 15 of this act, the appropriate entity, the owner's right to possession of the property; or

(2) If the chief law enforcement officer or designee determines and so informs the finder that the property is illegal for the finder to possess.

**Sec. 29.** RCW 63.21.030 and 1997 c 237 s 2 are each amended to read as follows:

(1) The found property shall be released to the finder and become the property of the finder sixty days after the find was reported to the appropriate officer or designee if no owner has been found, or sixty days after the final disposition of any judicial or other official proceeding involving the property, whichever is later. The property shall be released only after the finder has presented evidence of payment to the treasurer of the governmental entity handling the found property, the amount of ten dollars plus the amount of the cost of publication of notice incurred by the ~~((government—[governmental]))~~ governmental entity pursuant to RCW 63.21.010, which amount shall be deposited in the general fund of the governmental entity. If the appraised value of the property is less than the cost of publication of notice of the finding, then the finder is not required to pay any fee.

(2) When ninety days have passed after the found property was reported to the appropriate officer or designee, or ninety days after the final disposition of a judicial or other proceeding involving the found property, and the finder has not completed the requirements of this chapter, the finder's claim shall be deemed to have expired and the found property may be disposed of as unclaimed property under chapter 63.32 or 63.40 RCW. Such laws shall also apply whenever a finder states in writing that he or she has no intention of claiming the found property.

**Sec. 30.** RCW 63.21.050 and 2019 c 30 s 1 are each amended to read as follows:

(1) The chief law enforcement officer ~~((or))~~, his or her designated representative, or other designated entity under section 15 of this act to whom a finder surrenders property, must:

(a) Advise the finder if the found property is illegal for him or her to possess;

(b) Advise the finder if the found property is to be held as evidence in judicial or other official proceedings;

(c) Advise the finder in writing of the procedures to be followed in claiming the found property;

(d) If the property is valued at one hundred dollars or less adjusted for inflation under subsection (2) of this section, allow the finder to retain the property if it is determined there is no reason for the officer or designee to retain the property;

(e) If the property exceeds one hundred dollars adjusted for inflation under subsection (2) of this section in value and has been requested to be surrendered to the ~~((law enforcement agency))~~ governmental entity, retain the property for sixty days before it can be claimed by the finder under this chapter, unless the owner has recovered the property;

(f) If the property is held as evidence in judicial or other official proceedings, retain the property for sixty days after the final disposition of the judicial or other official proceeding, before it can be claimed by the finder or owner under the provisions of this chapter;

(g) After the required number of days have passed, and if no owner has been found, surrender the property to the finder according to the requirements of this chapter; or

(h) If neither the finder nor the owner claim the property retained by the officer or designee within thirty days of the time when the claim can be made, the property must be disposed of as unclaimed property under chapter 63.32 or 63.40 RCW.

(2)(a) The office of financial management must adjust the dollar thresholds established in subsection (1)(d) and (e) of this section for inflation every five years, beginning July 1, 2025, based upon changes in the Seattle consumer price index during that time period. The office of financial management must calculate the new dollar threshold and transmit the new dollar threshold, rounded up to the nearest dollar, to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

(b) For the purposes of determining the thresholds in subsection (1)(d) and (e) of this section, the chief law enforcement officer ~~((or))~~, his or her designated representative, or other designated entity under section 15 of this act must use the latest thresholds published by the office of financial management in the Washington State Register under (a) of this subsection.

**Sec. 31.** RCW 63.21.060 and 1979 ex.s. c 85 s 6 are each amended to read as follows:

Any governmental entity that acquires lost property shall attempt to notify the apparent owner of the property. If the property is not returned to a person validly establishing ownership or right to possession of the property, the governmental entity shall forward the lost property within thirty days but not less than ten days after the time the governmental entity acquires the lost property to the chief law enforcement officer, ~~((or))~~ his or her designated representative, or other designated entity under section 16 of this act, of the county in which the property was found, except that if the property is found within the borders of a city or town the property shall be forwarded to the chief law enforcement officer of the city or town ~~((or))~~, his or her designated representative, or other entity of the city or town so designated under section 15 of this act. A governmental entity may elect to retain property which it acquires and dispose of the property as provided by chapter 63.32 or 63.40 RCW.

**NEW SECTION. Sec. 32.** A new section is added to chapter 63.21 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, a county, city, or town may designate an alternate department or governmental entity to accept, store, retain, and dispose of found property as required under this chapter, rather than the chief law enforcement officer or his or her designee, so long as the alternate department or governmental entity complies with the requirements and procedures under this chapter.

(2) Regardless of whether a county, city, or town designates an alternate department or governmental entity under subsection (1) of this section, the chief law enforcement officer or his or her designated representative is responsible for retaining any of the following types of property in accordance with the requirements of this chapter: A bank card; charge or credit card; cash; government-issued document, financial document, or legal document; firearm; evidence in a judicial or other official proceeding; or an item that is not legal for the finder to possess. A county, city, or town designating an alternate department or governmental entity under subsection (1) of this section shall establish procedures for ensuring these types of property are directed to the chief law enforcement officer or his or her designated representative.

**NEW SECTION. Sec. 33.** A new section is added to chapter 63.32 RCW to read as follows:

(1) This chapter does not modify the requirements for a police department to accept found property under chapter 63.21 RCW.

(2) If a city or town designates an alternate department or governmental entity to accept found property under section 15 of this act:

(a) The designated department or governmental entity shall comply with the retention and disposition requirements under this chapter in the same manner as would be required of a police department; and

(b) The police department is not required to accept found property from a finder of said property, unless the property is any of the following: A bank card; charge or credit card; cash; government-issued document, financial document, or legal document; firearm; evidence in a judicial or other official proceeding; or an item that is not legal for the finder to possess. Such found property accepted by a police department must be retained or disposed of in accordance with this chapter and other applicable state laws.

**NEW SECTION. Sec. 34.** A new section is added to chapter 63.40 RCW to read as follows:

(1) This chapter does not modify the requirements for a sheriff to accept found property under chapter 63.21 RCW.

(2) If a county designates an alternate department or governmental entity to accept found property under section 15 of this act:

(a) The designated department or governmental entity shall comply with the disposition requirements under this

chapter in the same manner as would be required of the sheriff; and

(b) The sheriff is not required to accept found property from a finder of said property, unless the property is any of the following: A bank card; charge or credit card; cash; government-issued document, financial document, or legal document; firearm; evidence in a judicial or other official proceeding; or an item that is not legal for the finder to possess. Such found property accepted by a sheriff must be retained or disposed of in accordance with this chapter and other applicable state laws.

**NEW SECTION. Sec. 35.** RCW 70.125.090 and 70.125.100 are each recodified as sections in chapter 5.70 RCW.

#### MESSAGE FROM THE SENATE

March 3, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2343 with the following amendment:

36.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 37.** RCW 36.70A.600 and 2019 c 348 s 1 are each amended to read as follows:

(1) A city planning pursuant to RCW 36.70A.040 is encouraged to take the following actions in order to increase its residential building capacity:

(a) Authorize development in one or more areas of not fewer than five hundred acres that include at least one train station served by commuter rail or light rail with an average of at least fifty residential units per acre that require no more than an average of one on-site parking space per two bedrooms in the portions of multifamily zones that are located within the areas;

(b) Authorize development in one or more areas of not fewer than ~~((five))~~ two hundred acres in cities with a population greater than forty thousand or not fewer than ~~((two))~~ one hundred ~~((fifty))~~ acres in cities with a population less than forty thousand that include at least one bus stop served by scheduled bus service of at least four times per hour for twelve or more hours per day with an average of at least twenty-five residential units per acre that require no more than an average of one on-site parking space per two bedrooms in portions of the multifamily zones that are located within the areas;

(c) Authorize at least one duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on each parcel in one or more zoning districts that permit single-

family residences unless a city documents a specific infrastructure of physical constraint that would make this requirement unfeasible for a particular parcel;

(d) Authorize a duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on one or more parcels for which they are not currently authorized;

(e) Authorize cluster zoning or lot size averaging in all zoning districts that permit single-family residences;

~~((e) Authorize attached accessory dwelling units on all parcels containing single family homes where the lot is at least three thousand two hundred square feet in size, and permit both attached and detached accessory dwelling units on all parcels containing single family homes, provided lots are at least four thousand three hundred fifty six square feet in size. Qualifying city ordinances or regulations may not provide for on-site parking requirements, owner occupancy requirements, or square footage limitations below one thousand square feet for the accessory dwelling unit, and must not prohibit the separate rental or sale of accessory dwelling units and the primary residence. Cities must set applicable impact fees at no more than the projected impact of the accessory dwelling unit. To allow local flexibility, other than these factors, accessory dwelling units may be subject to such regulations, conditions, procedures, and limitations as determined by the local legislative authority, and must follow all applicable state and federal laws and local ordinances;))~~

(f) Adopt a subarea plan pursuant to RCW 43.21C.420;

(g) Adopt a planned action pursuant to RCW 43.21C.440(1)(b)(ii), except that an environmental impact statement pursuant to RCW 43.21C.030 is not required for such an action;

(h) Adopt increases in categorical exemptions pursuant to RCW 43.21C.229 for residential or mixed-use development;

(i) Adopt a form-based code in one or more zoning districts that permit residential uses. "Form-based code" means a land development regulation that uses physical form, rather than separation of use, as the organizing principle for the code;

(j) Authorize a duplex on each corner lot within all zoning districts that permit single-family residences;

(k) Allow for the division or redivision of land into the maximum number of lots through the short subdivision process provided in chapter 58.17 RCW; ~~((and))~~

(l) Authorize a minimum net density of six dwelling units per acre in all residential zones, where the residential development capacity will increase within the city. For purposes of this subsection, the calculation of net density does not include the square footage of areas that are otherwise prohibited from development, such as critical areas, the area of buffers around critical areas, and the area of roads and similar features;

(m) Create one or more zoning districts of medium density in which individual lots may be no larger than three

thousand five hundred square feet and single-family residences may be no larger than one thousand two hundred square feet;

(n) Authorize accessory dwelling units in one or more zoning districts in which they are currently prohibited;

(o) Remove minimum residential parking requirements related to accessory dwelling units;

(p) Remove owner occupancy requirements related to accessory dwelling units;

(q) Adopt new square footage requirements related to accessory dwelling units that are less restrictive than existing square footage requirements related to accessory dwelling units;

(r) Adopt maximum allowable exemption levels in WAC 197-11-800(1) as it existed on the effective date of this section, or such subsequent date as may be provided by the department of ecology by rule, consistent with the purposes of this section;

(s) Adopt standards for administrative approval of final plats pursuant to RCW 58.17.100;

(t) Adopt ordinances authorizing administrative review of preliminary plats pursuant to RCW 58.17.095;

(u) Adopt other permit process improvements where it is demonstrated that the code, development regulation, or ordinance changes will result in a more efficient permit process for customers;

(v) Update use matrices and allowable use tables that eliminate conditional use permits and administrative conditional use permits for all housing types, including single-family homes, townhomes, multifamily housing, low-income housing, and senior housing, but excluding essential public facilities;

(w) Allow off-street parking to compensate for lack of on-street parking when private roads are utilized or a parking demand study shows that less parking is required for the project;

(x) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to build accessory dwelling units. A city may condition this program on a requirement to provide the unit for affordable home ownership or rent the accessory dwelling unit for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement under the program, it must provide additional incentives, such as:

(i) Density bonuses;

(ii) Height and bulk bonuses;

(iii) Fee waivers or exemptions;

(iv) Parking reductions; or

(v) Expedited permitting; and

(y) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to convert a single-family home into a duplex, triplex, or quadplex where those housing types are authorized. A local government may condition this program on a requirement to provide a certain number of units for affordable home ownership or to rent a certain number of the newly created units for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement, it must provide additional incentives, such as:

(i) Density bonuses;

(ii) Height and bulk bonuses;

(iii) Fee waivers or exemptions;

(iv) Parking reductions; or

(v) Expedited permitting.

(2) A city planning pursuant to RCW 36.70A.040 may adopt a housing action plan as described in this subsection. The goal of any such housing plan must be to encourage construction of additional affordable and market rate housing in a greater variety of housing types and at prices that are accessible to a greater variety of incomes, including strategies aimed at the for-profit single-family home market. A housing action plan may utilize data compiled pursuant to RCW 36.70A.610. The housing action plan should:

(a) Quantify existing and projected housing needs for all income levels, including extremely low-income households, with documentation of housing and household characteristics, and cost-burdened households;

(b) Develop strategies to increase the supply of housing, and variety of housing types, needed to serve the housing needs identified in (a) of this subsection;

(c) Analyze population and employment trends, with documentation of projections;

(d) Consider strategies to minimize displacement of low-income residents resulting from redevelopment;

(e) Review and evaluate the current housing element adopted pursuant to RCW 36.70A.070, including an evaluation of success in attaining planned housing types and units, achievement of goals and policies, and implementation of the schedule of programs and actions;

(f) Provide for participation and input from community members, community groups, local builders, local realtors, nonprofit housing advocates, and local religious groups; and

(g) Include a schedule of programs and actions to implement the recommendations of the housing action plan.

(3) If adopted by April 1, ((2024)) 2023, ordinances, amendments to development regulations, and other nonproject actions taken by a city to implement the actions specified in subsection (1) of this section, with the exception of the action specified in subsection (1)(f) of this section, are

not subject to administrative or judicial appeal under chapter 43.21C RCW.

(4) Any action taken by a city prior to April 1, ~~((2021))~~ 2023, to amend their comprehensive plan, or adopt or amend ordinances or development regulations, solely to enact provisions under subsection (1) of this section is not subject to legal challenge under this chapter.

(5) In taking action under subsection (1) of this section, cities are encouraged to utilize strategies that increase residential building capacity in areas with frequent transit service and with the transportation and utility infrastructure that supports the additional residential building capacity.

(6) A city ~~((with a population over twenty thousand))~~ that is planning to take at least two actions under subsection (1) of this section, and that action will occur between July 28, 2019, and April 1, 2021, is eligible to apply to the department for planning grant assistance of up to one hundred thousand dollars, subject to the availability of funds appropriated for that purpose. The department shall develop grant criteria to ensure that grant funds awarded are proportionate to the level of effort proposed by a city, and the potential increase in housing supply or regulatory streamlining that could be achieved. Funding may be provided in advance of, and to support, adoption of policies or ordinances consistent with this section. A city can request, and the department may award, more than one hundred thousand dollars for applications that demonstrate extraordinary potential to increase housing supply or regulatory streamlining.

(7) A city seeking to develop a housing action plan under subsection (2) of this section is eligible to apply to the department for up to one hundred thousand dollars.

(8) The department shall establish grant award amounts under subsections (6) and (7) of this section based on the expected number of cities that will seek grant assistance, to ensure that all cities can receive some level of grant support. If funding capacity allows, the department may consider accepting and funding applications from cities with a population of less than twenty thousand if the actions proposed in the application will create a significant amount of housing capacity or regulatory streamlining and are consistent with the actions in this section.

(9) In implementing chapter 348, Laws of 2019, cities are encouraged to prioritize the creation of affordable, inclusive neighborhoods and to consider the risk of residential displacement, particularly in neighborhoods with communities at high risk of displacement.

**Sec. 38.** RCW 43.21C.495 and 2019 c 348 s 4 are each amended to read as follows:

If adopted by April 1, ~~((2024))~~ 2023, amendments to development regulations and other nonproject actions taken by a city to implement RCW 36.70A.600 (1) or (4), with the exception of the action specified in RCW 36.70A.600(1)(f), are not subject to administrative or judicial appeals under this chapter.

**Sec. 39.** RCW 36.70A.620 and 2019 c 348 s 5 are each amended to read as follows:

In counties and cities planning under RCW 36.70A.040, minimum residential parking requirements mandated by municipal zoning ordinances for housing units constructed after July 1, 2019, are subject to the following requirements:

(1) For housing units that are affordable to very low-income or extremely low-income individuals and that are located within one-quarter mile of a transit stop that receives transit service at least ~~((four))~~ two times per hour for twelve or more hours per day, minimum residential parking requirements may be no greater than one parking space per bedroom or .75 space per unit. A city may require a developer to record a covenant that prohibits the rental of a unit subject to this parking restriction for any purpose other than providing for housing for very low-income or extremely low-income individuals. The covenant must address price restrictions and household income limits and policies if the property is converted to a use other than for low-income housing. A city may establish a requirement for the provision of more than one parking space per bedroom or .75 space per unit if the jurisdiction has determined a particular housing unit to be in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the unit.

(2) For housing units that are specifically for seniors or people with disabilities, that are located within one-quarter mile of a transit stop that receives transit service at least four times per hour for twelve or more hours per day, a city may not impose minimum residential parking requirements for the residents of such housing units, subject to the exceptions provided in this subsection. A city may establish parking requirements for staff and visitors of such housing units. A city may establish a requirement for the provision of one or more parking space per bedroom if the jurisdiction has determined a particular housing unit to be in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the unit. A city may require a developer to record a covenant that prohibits the rental of a unit subject to this parking restriction for any purpose other than providing for housing for seniors or people with disabilities.

(3) For market rate multifamily housing units that are located within one-quarter mile of a transit stop that receives transit service from at least one route that provides service at least four times per hour for twelve or more hours per day, minimum residential parking requirements may be no greater than one parking space per bedroom or .75 space per unit. A city or county may establish a requirement for the provision of more than one parking space per bedroom or .75 space per unit if the jurisdiction has determined a particular housing unit to be in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the unit.

**Sec. 40.** RCW 36.70A.030 and 2019 c 348 s 2 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Affordable housing" means, unless the context clearly indicates otherwise, residential housing whose monthly costs, including utilities other than telephone, do not exceed thirty percent of the monthly income of a household whose income is:

(a) For rental housing, sixty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development; or

(b) For owner-occupied housing, eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(3) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(4) "City" means any city or town, including a code city.

(5) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(6) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas. "Fish and wildlife habitat conservation areas" does not include such artificial features or constructs as irrigation delivery systems, irrigation infrastructure, irrigation canals, or drainage ditches that lie within the boundaries of and are maintained by a port district or an irrigation district or company.

(7) "Department" means the department of commerce.

(8) "Development regulations" or "regulation" means the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in RCW

36.70B.020, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

(9) "Extremely low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below thirty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(10) "Forestland" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forestland is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forestland to other uses.

(11) "Freight rail dependent uses" means buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of goods where the use is dependent on and makes use of an adjacent short line railroad. Such facilities are both urban and rural development for purposes of this chapter. "Freight rail dependent uses" does not include buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of coal, liquefied natural gas, or "crude oil" as defined in RCW 90.56.010.

(12) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

(13) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

(14) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(15) "Minerals" include gravel, sand, and valuable metallic substances.

(16) "Permanent supportive housing" is subsidized, leased housing with no limit on length of stay (~~paired with on-site or off-site voluntary services designed to support a person living with a disability to be a successful tenant in a housing arrangement, improve the resident's health status, and connect residents of the housing with community-based health care, treatment, and employment services~~) that prioritizes people who need comprehensive support services to retain tenancy and utilizes admissions practices designed to use lower barriers to entry than would be typical for other subsidized or unsubsidized rental housing, especially related to rental history, criminal history, and personal behaviors. Permanent supportive housing is paired with on-site or off-site voluntary services designed to support a person living with a complex and disabling behavioral health or physical health condition who was experiencing homelessness or was at imminent risk of homelessness prior to moving into housing to retain their housing and be a successful tenant in a housing arrangement, improve the resident's health status, and connect the resident of the housing with community-based health care, treatment, or employment services. Permanent supportive housing is subject to all of the rights and responsibilities defined in chapter 59.18 RCW.

(17) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

(18) "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

(19) "Recreational land" means land so designated under RCW 36.70A.1701 and that, immediately prior to this designation, was designated as agricultural land of long-term commercial significance under RCW 36.70A.170. Recreational land must have playing fields and supporting facilities existing before July 1, 2004, for sports played on grass playing fields.

(20) "Rural character" refers to the patterns of land use and development established by a county in the rural element of its comprehensive plan:

(a) In which open space, the natural landscape, and vegetation predominate over the built environment;

(b) That foster traditional rural lifestyles, rural-based economies, and opportunities to both live and work in rural areas;

(c) That provide visual landscapes that are traditionally found in rural areas and communities;

(d) That are compatible with the use of the land by wildlife and for fish and wildlife habitat;

(e) That reduce the inappropriate conversion of undeveloped land into sprawling, low-density development;

(f) That generally do not require the extension of urban governmental services; and

(g) That are consistent with the protection of natural surface water flows and groundwater and surface water recharge and discharge areas.

(21) "Rural development" refers to development outside the urban growth area and outside agricultural, forest, and mineral resource lands designated pursuant to RCW 36.70A.170. Rural development can consist of a variety of uses and residential densities, including clustered residential development, at levels that are consistent with the preservation of rural character and the requirements of the rural element. Rural development does not refer to agriculture or forestry activities that may be conducted in rural areas.

(22) "Rural governmental services" or "rural services" include those public services and public facilities historically and typically delivered at an intensity usually found in rural areas, and may include domestic water systems, fire and police protection services, transportation and public transit services, and other public utilities associated with rural development and normally not associated with urban areas. Rural services do not include storm or sanitary sewers, except as otherwise authorized by RCW 36.70A.110(4).

(23) "Short line railroad" means those railroad lines designated class II or class III by the United States surface transportation board.

(24) "Urban governmental services" or "urban services" include those public services and public facilities at an intensity historically and typically provided in cities, specifically including storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with rural areas.

(25) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources, rural uses, rural development, and natural resource lands designated pursuant to RCW 36.70A.170. A pattern of more intensive rural development, as provided in RCW 36.70A.070(5)(d), is not urban growth. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

(26) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

(27) "Very low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below fifty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(28) "Wetland" or "wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands.

**NEW SECTION. Sec. 41.** The department of ecology shall remove parking as an element of the environment within WAC 197-11-444 and as a component of the environmental checklist within WAC 197-11-960, as those sections existed on the effective date of this section, the next time that the department amends rules implementing chapter 43.21C RCW after the effective date of this section.

**Sec. 42.** RCW 36.70A.610 and 2019 c 348 s 3 are each amended to read as follows:

(1) The Washington center for real estate research at the University of Washington shall produce a ~~((report every two years))~~ series of reports as described in this section that compiles housing supply and affordability metrics for each city planning under RCW 36.70A.040 with a population of ten thousand or more.

(a) The initial report, completed by October 15, 2020, must be a compilation of objective criteria relating to ~~((development regulations, zoning,))~~ income, employment, housing and rental prices, housing affordability ((programs)) by housing tenure, and other metrics relevant to assessing housing supply and affordability for all income segments, including the percentage of cost-burdened households~~((:))~~ of each ~~((city subject to the report required by this section))~~ jurisdiction. This analysis should separate market rate multifamily rental housing developments and other smaller scale market rate rental housing. This analysis should also incorporate data from the Washington state housing finance commission on subsidized rental housing in the area consistent with the first report under this subsection.

(c) The report completed by October 15, 2022, must also include data relating to actions taken by cities under chapter 348, Laws of 2019 as well as detailed information on development regulations, levies and fees, and zoning related to housing development.

(d) The report completed by October 15, 2024, and every two years thereafter, must also include relevant data relating to buildable lands reports prepared under RCW 36.70A.215, where applicable, and updates to comprehensive plans under this chapter.

(2) The Washington center for real estate research shall collaborate with the Washington housing finance commission and the office of financial management to develop the metrics compiled in the ~~((report))~~ series of reports under this section.

(3) The ~~((report))~~ series of reports under this section must be submitted, consistent with RCW 43.01.036, to the standing committees of the legislature with jurisdiction over housing issues and this chapter."

### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2384 with the following amendment:

42.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 43.** RCW 84.36.560 and 2019 c 390 s 11 are each amended to read as follows:

(1) The real and personal property owned or used by a nonprofit entity in providing rental housing for ~~((very low income))~~ qualifying households or used to provide space for the placement of a mobile home for a ~~((very low income))~~ qualifying household within a mobile home park is exempt from taxation if:

(a) The benefit of the exemption inures to the nonprofit entity;

(b) At least seventy-five percent of the occupied dwelling units in the rental housing or lots in a mobile home park are occupied by a ~~((very low income))~~ qualifying household; and

(c) The rental housing or lots in a mobile home park were insured, financed, or assisted in whole or in part through one or more of the following sources:

(i) A federal or state housing program administered by the department of commerce;

(ii) A federal housing program administered by a city or county government;

(iii) An affordable housing levy authorized under RCW 84.52.105;

(iv) The surcharges authorized by RCW 36.22.178 and 36.22.179 and any of the surcharges authorized in chapter 43.185C RCW; or

(v) The Washington state housing finance commission, provided that the financing is for a mobile home park cooperative or a manufactured housing cooperative, as defined in RCW 59.20.030, or a nonprofit entity.

(2) If less than seventy-five percent of the occupied dwelling units within the rental housing or lots in the mobile home park are occupied by ~~((very low income))~~ qualifying households, the rental housing or mobile home park is eligible for a partial exemption on the real property and a

total exemption of the housing's or park's personal property as follows:

(a) A partial exemption is allowed for each dwelling unit in the rental housing or for each lot in a mobile home park occupied by a ~~((very low income))~~ qualifying household.

(b) The amount of exemption must be calculated by multiplying the assessed value of the property reasonably necessary to provide the rental housing or to operate the mobile home park by a fraction. The numerator of the fraction is the number of dwelling units or lots occupied by ~~((very low income))~~ qualifying households as of December 31st of the first assessment year in which the rental housing or mobile home park becomes operational or on January 1st of each subsequent assessment year for which the exemption is claimed. The denominator of the fraction is the total number of dwelling units or lots occupied as of December 31st of the first assessment year the rental housing or mobile home park becomes operational and January 1st of each subsequent assessment year for which exemption is claimed.

(3) If a currently exempt rental housing unit ~~((in a facility with ten units or fewer))~~ or mobile home lot in a mobile home park ~~((with ten lots or fewer))~~ was occupied by a ~~((very low income))~~ qualifying household at the time the exemption was granted and the income of the household subsequently rises above ~~((fifty percent of the median income))~~ the threshold set in subsection (7)(e) of this section but remains at or below eighty percent of the median income, the exemption will continue as long as the housing continues to meet the certification requirements ~~((of a very low income housing program))~~ listed in subsection (1) of this section. For purposes of this section, median income, as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located, shall be adjusted for family size. However, if a dwelling unit or a lot becomes vacant and is subsequently rented, the income of the new household must be at or below ~~((fifty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located))~~ the threshold set in subsection (7)(e) of this section to remain exempt from property tax.

(4) If at the time of initial application the property is unoccupied, or subsequent to the initial application the property is unoccupied because of renovations, and the property is not currently being used for the exempt purpose authorized by this section but will be used for the exempt purpose within two assessment years, the property shall be eligible for a property tax exemption for the assessment year in which the claim for exemption is submitted under the following conditions:

(a) A commitment for financing to acquire, construct, renovate, or otherwise convert the property to provide housing for ~~((very low income))~~ qualifying households has been obtained, in whole or in part, by the nonprofit entity claiming the exemption from one or more of the sources listed in subsection (1)(c) of this section;

(b) The nonprofit entity has manifested its intent in writing to construct, remodel, or otherwise convert the property to housing for ~~((very low income))~~ qualifying households; and

(c) Only the portion of property that will be used to provide housing or lots for ~~((very low income))~~ qualifying households shall be exempt under this section.

(5) To be exempt under this section, the property must be used exclusively for the purposes for which the exemption is granted, except as provided in RCW 84.36.805.

(6) The nonprofit entity qualifying for a property tax exemption under this section may agree to make payments to the city, county, or other political subdivision for improvements, services, and facilities furnished by the city, county, or political subdivision for the benefit of the rental housing. However, these payments shall not exceed the amount last levied as the annual tax of the city, county, or political subdivision upon the property prior to exemption.

(7) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Group home" means a single-family dwelling financed, in whole or in part, by one or more of the sources listed in subsection (1)(c) of this section. The residents of a group home shall not be considered to jointly constitute a household, but each resident shall be considered to be a separate household occupying a separate dwelling unit. The individual incomes of the residents shall not be aggregated for purposes of this exemption;

(b) "Mobile home lot" or "mobile home park" means the same as these terms are defined in RCW 59.20.030;

(c) "Occupied dwelling unit" means a living unit that is occupied by an individual or household as of December 31st of the first assessment year the rental housing becomes operational or is occupied by an individual or household on January 1st of each subsequent assessment year in which the claim for exemption is submitted. If the housing facility is comprised of three or fewer dwelling units and there are any unoccupied units on January 1st, the department shall base the amount of the exemption upon the number of occupied dwelling units as of December 31st of the first assessment year the rental housing becomes operational and on May 1st of each subsequent assessment year in which the claim for exemption is submitted;

(d) "Rental housing" means a residential housing facility or group home that is occupied but not owned by ~~((very low income))~~ qualifying households;

(e)(i) ~~((Very low income))~~ Qualifying household" means a single person, family, or unrelated persons living together whose income is at or below fifty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located and in effect as of January 1st of the year the application for exemption is submitted; ~~((and))~~

(ii) Beginning July 1, 2021, "qualifying household" means a single person, family, or unrelated persons living together whose income is at or below sixty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located and in effect as of January 1st of the year the application for exemption is submitted; and

(f) "Nonprofit entity" means a:

(i) Nonprofit as defined in RCW 84.36.800 that is exempt from income tax under section 501(c) of the federal internal revenue code;

(ii) Limited partnership where a nonprofit as defined in RCW 84.36.800 that is exempt from income tax under section 501(c) of the federal internal revenue code, a public corporation established under RCW 35.21.660, 35.21.670, or 35.21.730, a housing authority created under RCW 35.82.030 or 35.82.300, or a housing authority meeting the definition in RCW 35.82.210(2)(a) is a general partner;

(iii) Limited liability company where a nonprofit as defined in RCW 84.36.800 that is exempt from income tax under section 501(c) of the federal internal revenue code, a public corporation established under RCW 35.21.660, 35.21.670, or 35.21.730, a housing authority established under RCW 35.82.030 or 35.82.300, or a housing authority meeting the definition in RCW 35.82.210(2)(a) is a managing member; or

(iv) Mobile home park cooperative or a manufactured housing cooperative, as defined in RCW 59.20.030.

**Sec. 44.** RCW 84.36.815 and 2016 c 217 s 4 are each amended to read as follows:

(1) In order to qualify for exempt status for any real or personal property under this chapter except personal property under RCW 84.36.600, all foreign national governments; cemeteries; nongovernmental nonprofit corporations, organizations, and associations; hospitals owned and operated by a public hospital district for purposes of exemption under RCW 84.36.040(2); and soil and water conservation districts must file an initial application on or before March 31st with the state department of revenue. However, the initial application deadline for the exemption provided in RCW 84.36.049 is July 1st for 2016 and March 31st for 2017 and thereafter. All applications must be filed on forms prescribed by the department and must be signed by an authorized agent of the applicant.

(2)(a) In order to requalify for exempt status, all applicants except nonprofit cemeteries and nonprofits receiving the exemption under RCW 84.36.049 and nonprofits receiving the exemption under RCW 84.36.560 must file an annual renewal declaration on or before March 31st each year. The renewal declaration must be on forms prescribed by the department of revenue and must contain a statement certifying the exempt status of the real or personal property owned by the exempt organization. This renewal declaration may be submitted electronically in a format provided or approved by the department. Information may also be required with the renewal declaration to assist the

department in determining whether the property tax exemption should continue.

(b) In order to requalify for exempt status, nonprofits receiving the exemption under RCW 84.36.560 must file a renewal declaration on or before March 31st of every third year following initial qualification for the exemption. Except for the annual renewal requirement, all other requirements of (a) of this subsection apply.

(3) When an organization acquires real property qualified for exemption or converts real property to exempt status, the organization must file an initial application for the property within sixty days following the acquisition or conversion in accordance with all applicable provisions of subsection (1) of this section. If the application is filed after the expiration of the sixty-day period, a late filing penalty is imposed under RCW 84.36.825.

(4) When organizations acquire real property qualified for exemption or convert real property to an exempt use, the property, upon approval of the application for exemption, is entitled to a property tax exemption for property taxes due and payable the following year. If the owner has paid taxes for the year following the year the property qualified for exemption, the owner is entitled to a refund of the amount paid on the property so acquired or converted.

(5) The department must share approved initial applications for the tax preference provided in RCW 84.36.049 with the joint legislative audit and review committee, upon request by the committee, in order for the committee to complete its review of the tax preference provided in RCW 84.36.049.

NEW SECTION. Sec. 45. The provisions of RCW 82.32.805 and 82.32.808 do not apply to this act."

On page 1, line 3 of the title, after "households;" strike the remainder of the title and insert "amending RCW 84.36.560 and 84.36.815; and creating a new section."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2405 with the following amendment:

70.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 71. (1) The legislature finds that the efficiency and resiliency of buildings in Washington is essential for ensuring the health and safety of residents, employees, and tenants; for using water and energy more efficiently; and for economic development of our communities. Buildings in Washington have significant needs for resiliency retrofits, including seismic improvements, stormwater management, flood mitigation, wildfire and wind resistance, and for clean energy and energy efficiency improvements, but these improvements often have high up-front capital costs.

(2) This chapter authorizes the establishment of a commercial property assessed clean energy and resiliency ("C-PACER") program that jurisdictions can voluntarily implement to ensure that free and willing owners of agricultural, commercial, and industrial properties and of multifamily residential properties with five or more dwelling units can obtain low-cost, long-term financing for qualifying improvements, including energy efficiency, water conservation, renewable energy, and resiliency projects. These improvements are repaid by a voluntary assessment on the property, secured by a county lien, and assigned to a capital provider for all the administrative aspects of billing, collecting, and enforcing the lien and without the accumulation of cost to the county and without the creation of a personal debt obligation to the property owner. The obligation is instead carried by the property and remains

with the property until repaid, regardless of any potential transfer of property ownership. After the adoption of a C-PACER program, a county's role is limited to the approval of an assessment and recordation of a C-PACER lien, and administration of the C-PACER program which may be contracted out to a private third party.

(3) The legislature declares that the establishment and operation of a C-PACER program under this chapter serves important public health and safety interests. A qualified improvement as defined in section 2 of this act provides benefit to the public, either in the form of energy or water resource conservation, reduced public health risk, or reduced public emergency response risk. Accordingly, the governing body of a county is authorized to determine that it is convenient and advantageous to adopt a program under this chapter.

**NEW SECTION. Sec. 72.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Assessment" means the voluntary agreement of a property owner to allow a county to place an annual assessment on their property to repay C-PACER financing.

(2) "Capital provider" means any private entity, their designee, successor, and assigns that makes or funds C-PACER financing under this chapter.

(3) "C-PACER financing" means an investment from a capital provider to a property owner to finance or refinance a qualified project as described under this chapter.

(4) "C-PACER lien" means the lien recorded at the county on the eligible property to secure the voluntary annual assessment, which remains on the property until paid in full.

(5) "Eligible property" means privately owned commercial, industrial, or agricultural real property or multifamily residential real property with five or more dwelling units. Eligible property may be owned by any type of business, corporation, individual, or nonprofit organization permitted by state law.

(6) "Financing agreement" means the contract under which a property owner agrees to repay a capital provider for the C-PACER financing including, but not limited to, details of any finance charges, fees, debt servicing, accrual of interest and penalties, and any terms relating to treatment of prepayment and partial payment of the C-PACER financing.

(7) "Program" means a C-PACER program established under this chapter.

(8) "Program administrator" means the party designated by a county or the department of commerce to administer a C-PACER program. This may be the department of commerce, the county itself, or a third party, provided that the administration procedures used conform to the requirements of this chapter.

(9) "Program guidebook" means a comprehensive document that illustrates the applicable region for a program and establishes any appropriate guidelines, specifications, underwriting and approval criteria, and any standard

application forms consistent with the administration of a program and not detailed in this chapter.

(10) "Project application" means an application submitted to a program to demonstrate that a proposed project qualifies for C-PACER financing and for a C-PACER lien.

(11) "Qualified improvement" means a permanent improvement affixed to real property and intended to: (a) Decrease energy consumption or demand through the use of efficiency technologies, products, or activities that reduce or support the reduction of energy consumption, allow for the reduction in demand, or support the production of clean, renewable energy, including but not limited to a product, device, or interacting group of products or devices on the customer's side of the meter that generates electricity, provides thermal energy, or regulates temperature; (b) decrease water consumption or demand and address safe drinking water through the use of efficiency technologies, products, or activities that reduce or support the reduction of water consumption, allow for the reduction in demand, or reduce or eliminate lead from water which may be used for drinking or cooking; or (c) increase resilience, including but not limited to seismic retrofits, flood mitigation, stormwater management, wildfire and wind resistance, energy storage, and microgrids.

(12) "Qualified project" means a project approved by the program administrator, involving the installation or modification of a qualified improvement, including new construction or the adaptive reuse of eligible property with a qualified improvement.

(13) "Region" means a geographical area as determined by a county pursuant to section 4 of this act.

**NEW SECTION. Sec. 73.** (1)(a) The department of commerce may establish a voluntary statewide C-PACER program that counties may choose to participate in. A county may establish a separate voluntary countywide C-PACER program, provided that it conforms to the requirements of this chapter.

(b) A C-PACER program shall be managed efficiently and transparently, including by:

(i) Making any services that the program may choose to offer to property owners, such as estimating energy savings, overseeing project development, or evaluating alternative equipment installations, priced separately and open to purchase by the property owner from qualified third-party providers;

(ii) Making any properties participating in the program available to receiving impartial terms from all interested and qualifying third-party capital providers;

(iii) Allowing financial underwriting and evaluation to be performed by capital providers; and

(iv) Working in a collaborative working group process with capital providers and other stakeholders to develop the program guidebook and any other relevant documents or forms.

(2) The program shall establish uniform criteria for which projects qualify due to their public benefit for participation in C-PACER programs including, but not limited to, criteria for measuring or determining if investments in energy will reduce greenhouse gas emissions; be effective for reducing energy demand or replacing nonrenewable energy with renewable energy; will be appropriate to meet seismic risks for each region of the state and type of structure; will reduce stormwater or pollution to be significant public benefit; or will reduce the risk of wildfire, flooding, or other natural or human-caused disaster, including how to determine if the public benefit in reduced public risk and emergency response qualifies for inclusion in C-PACER programs.

(3) The program must prepare a program guidebook that must include at minimum:

(a) A sample form bilateral or triparty agreement or agreements, as appropriate, between a county, the property owner, and the capital provider which details the agreement between the county and the property owner to have an assessment placed on the qualified property as repayment for C-PACER financing; an agreement by the county to place a lien on the property to secure the obligation to repay; the obligation of the property owner to repay the C-PACER financing to the capital provider; and an assignment of the C-PACER lien by the county to the capital provider;

(b) A statement that the period of the financing agreement will not exceed the useful life of the qualified project, or weighted average life if more than one qualified improvement is included in the qualified project, that is the basis for the financing agreement;

(c) A description of the application process and eligibility requirements for participation in the program;

(d) A statement explaining the lender consent requirement provided in section 8 of this act;

(e) A statement explaining the review requirement provided by section 4 of this act;

(f) A description of marketing and participant education services to be provided for the program;

(g) A statement specifying that the county has no liability as a result of the agreement; and

(h) A program guidebook need not be completed and adopted prior to accepting and approving applications by a program, so long as the program complies with the provisions of this chapter.

(4) The program administrator must make the program guidebook available for public inspection on the county's or department of commerce's web site.

(5) A county or the department of commerce may contract out the responsibilities of program administration, including the responsibilities of this section, to a public, quasi-public, or private third-party entity.

(6) Any county program guidebook established prior to a statewide program may subsequently include or incorporate by reference any aspect of a statewide program

guidebook; however, upon development of a statewide program guidebook with a form agreement or agreements developed pursuant to subsection (3)(a) of this section, the form agreement or agreements shall be required to be used by all county programs from the time that the first C-PACER lien is recorded under the statewide program, or the department of commerce may incorporate by reference any portion of any county program guidebooks, including a form agreement or agreements, as its program guidebook.

(7) The department of commerce may provide grants to counties to assist in the design and implementation of C-PACER programs under this chapter.

**NEW SECTION. Sec. 74.** (1) A program must establish a C-PACER application and review process to review and evaluate project applications for C-PACER financing, and prescribe the form and manner of the application. At a minimum, an applicant must demonstrate:

(a) That the project provides a benefit to the public, in the form of energy or water resource conservation, reduced public health risk, or reduced public emergency response risk;

(b) For an existing building: (i) Where energy or water usage improvements are proposed, certification by a licensed professional engineer, or other professional listed in the program guidebook, stating that the proposed qualified improvements will either result in more efficient use or conservation of energy or water, the reduction of greenhouse gas emissions, or the addition of renewable sources of energy or water, or (ii) where resilience improvements are proposed, certification by a licensed professional engineer stating that the qualified improvements will result in improved resilience;

(c) For new construction, certification by a licensed professional engineer stating that the proposed qualified improvements will enable the project to exceed the energy efficiency or water efficiency or renewable energy or renewable water or resilience requirements of the current building code.

(2) The program may charge an application fee to cover the costs of establishing and conducting the application review process.

(3) Upon the denial of an application, the program administrator must provide an opportunity for an adjudicative proceeding subject to the applicable provisions of chapter 34.05 RCW.

(4) After an approved project is completed, an applicant must provide the program written verification, as defined in the program guidebook, stating that the qualified project was properly completed and is operating as intended.

(5) No later than one year after the governing body of a county establishes a program under this chapter, it must begin accepting applications and approving applications.

(6) The department of commerce may adopt rules to implement the voluntary statewide program.

**NEW SECTION. Sec. 75.** (1) To adopt a program under this chapter, the governing body of a county must take the following actions:

- (a) Adopt a resolution or ordinance that includes:
  - (i) A statement that financing qualified projects, repaid by voluntary assessments on property benefited by C-PACER improvements, is in the public interest for safety, health, and other common good reasons;
  - (ii) A description of the region in which the program is offered, which:
    - (A) May include the entire county, which may include both unincorporated and incorporated territory; and
    - (B) Must be located wholly within the county's jurisdiction; and
    - (iii) A statement of the time and place for a public hearing on the proposed program; and
  - (b) Hold a public hearing at which the public may comment on the proposed program.
- (2) A county may designate more than one region. If multiple regions are designated, the regions may be separate, overlapping, or coterminous.
- (3) The resolution or ordinance adopted by a county under this section may incorporate the department of commerce program guidebook or any amended versions of that program guidebook, as appropriate, by reference.
- (4) A county adopting a C-PACER program pursuant to this chapter may narrow the definition of "qualified improvements" to be consistent with the county's climate goals.
- (5) Any combination of counties may agree to jointly implement a program under this chapter. If two or more counties implement a program jointly, a single public hearing held jointly by the cooperating counties is sufficient to satisfy the requirements of this chapter.
- (6) If a county elects to join the statewide program administered by the department of commerce, it may adopt a resolution or ordinance in accordance with the requirements of the department.
- (7) In lieu of establishing a voluntary statewide program, the department of commerce may produce a program guidebook for reference and use by county programs.

**NEW SECTION. Sec. 76.** (1) A county shall record each C-PACER lien in the real property records of the county in which the property is located. The lien and release shall be prepared in conformity with chapter 65.04 RCW.

- (2) The recording under subsection (1) of this section must contain:
  - (a) The legal description of the eligible property;
  - (b) The assessor's parcel number of the property;
  - (c) The grantor's name, which must be the same as the property owner on the assessment agreement;

- (d) The grantee's name, which must be the county in which the property is located;

- (e) The date on which the lien was created;
- (f) The principal amount of the lien;
- (g) The terms and length of the lien; and
- (h) A copy of the voluntary assessment agreement between the county and the property owner.

- (3) The county shall also record the assignment of the C-PACER lien from the county to the appropriate capital provider.

- (4) The lien holder or assignee will record a release upon discharge of the lien. The lien holder may also record a partial release.

**NEW SECTION. Sec. 77.** (1) The C-PACER lien amount plus any interest, penalties, and charges accrued or accruing on the C-PACER lien:

- (a) Takes precedence over all other liens or encumbrances except a lien for taxes imposed by the state, a local government, or a junior taxing district on real property, which liens for taxes shall have priority over such benefit C-PACER lien, provided existing mortgage holders, if any, have provided written consent described in section 8 of this act; and

- (b) Is a first and prior lien, second only to a lien for taxes imposed by the state, a local government, or a junior taxing district against the real property on which the C-PACER lien is imposed, from the date on which the notice of the C-PACER lien is recorded until the C-PACER lien, interest, penalties, and charges accrued or accruing are paid.

- (2) The C-PACER lien runs with the land, and that portion of the C-PACER lien that has not yet become due is not accelerated or eliminated by foreclosure of the C-PACER lien or any lien for taxes imposed by the state, a local government, or junior taxing district against the real property on which the C-PACER lien is imposed.

- (3) Delinquent installments due on a C-PACER lien incur interest and penalties as specified in the financing agreement.

- (4) After the C-PACER lien is recorded as provided in this section, the voluntary assessment and the C-PACER lien may not be contested on the basis that the improvement is not a qualified improvement or that the project is not a qualified project.

- (5) Collection and enforcement of delinquent C-PACER liens or C-PACER financing installment payments, including foreclosure, shall remain the responsibility of the capital provider.

- (6) The C-PACER lien shall be enforced by the capital provider at any time after one year from the date of delinquency in the same manner that the collection of delinquent real property taxes is enforced by the county under chapter 84.64 RCW, including the provisions of RCW 84.64.040, excepting that a sworn declaration by the capital provider or assignee attesting to the assessment delinquency

of at least one year shall be used in lieu of the certificate required under RCW 84.64.050.

(7) The capital provider may sell or assign, for consideration, any and all liens received from the participating county. The capital provider or their assignee shall have and possess the same powers and rights at law or in equity to enforce the C-PACER lien in the same manner as described in subsection (6) of this section.

**NEW SECTION. Sec. 78.** (1) Before a capital provider may enter into a financing agreement to provide C-PACER financing of a qualified project to a record owner of any eligible property, the capital provider must receive written consent from any holder of a lien, mortgage, or security interest in the real property that the property may participate in the program and that the C-PACER lien will take precedence over all other liens except for a lien for taxes as described in section 7 of this act.

(2) Before a capital provider may enter into a financing agreement to provide C-PACER financing of a qualified project to the record owner of any multifamily residential real property with five or more dwelling units, the program administrator must also receive written consent from any and all holders of affordable housing covenants, restrictions, or regulatory agreements in the real property that the property may participate in the program and that the C-PACER lien will take precedence over all other liens except for a lien for taxes as described in section 7 of this act.

**NEW SECTION. Sec. 79.** The C-PACER financing through a program established under this chapter may include:

(1) The cost of materials and labor necessary for installation or modification of a qualified improvement;

(2) Permit fees;

or

(11) Any other fees or costs that may be incurred by the property owner incident to the installation, modification, or improvement on a specific or pro rata basis.

**NEW SECTION. Sec. 80.** The proposed C-PACER financing for a qualified project may authorize the property owner to:

(1) Purchase directly the related equipment and materials for the installation or modification of a qualified improvement; and

(2) Contract directly, including through lease, power purchase agreement, or other service contract, for the installation or modification of a qualified improvement.

**NEW SECTION. Sec. 81.** A county that adopts a program and designates a program region under this chapter may not:

(1) Make the issuance of a permit, license, or other authorization from the county to a person who owns property in the region contingent on the person entering into a written contract to repay the financing of a qualified project under this chapter; or

Madame Speaker:

The Senate has passed HOUSE BILL NO. 2449 with the following amendment:

84.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 85.** RCW 35.61.150 and 2019 c 198 s 1 are each amended to read as follows:

(1) Metropolitan park commissioners selected by election according to RCW 35.61.050(2) shall perform their duties and may provide, by resolution passed by the commissioners, for the payment of compensation to each of its commissioners at a rate up to the daily compensation maximum amount provided in subsection (3) of this section for each day or portion of a day spent in actual attendance at official meetings or in performance of other official services or duties on behalf of the district. However, the compensation for each commissioner must not exceed the annual compensation maximum amount provided in subsection (3) of this section per year.

(2) Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

(3)(a) For purposes of the references in subsection (1) of this section, the daily compensation maximum amount is one hundred twenty-eight dollars and the annual compensation maximum amount is twelve thousand two hundred eighty-eight dollars. However, for any metropolitan park district with facilities including an aquarium, a wildlife park, and a zoo, accredited by a nationally recognized accrediting agency, the annual compensation maximum amount is twenty-four thousand five hundred seventy-six dollars.

(b) The dollar thresholds established in this subsection (3) must be adjusted for inflation by the office of financial management every five years, beginning (~~July 1, 2023~~) January 1, 2024, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

(4) A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions.

**Sec. 86.** RCW 36.57A.050 and 2018 c 154 s 1 are each amended to read as follows:

Within sixty days of the establishment of the boundaries of the public transportation benefit area the members of the county legislative authority and the elected representative of each city within the area shall provide for the selection of the governing body of such area, the public transportation benefit area authority, which shall consist of elected officials selected by and serving at the pleasure of the governing bodies of component cities within the area and the county legislative authority of each county within the area. The members of the governing body of the public transportation benefit area, if the population of the county in which the public transportation benefit area is located is more than four hundred thousand and the county does not also contain a city with a population of seventy-five thousand or more operating a transit system pursuant to chapter 35.95 RCW, must be selected to assure proportional representation, based on population, of each of the component cities located within the public transportation benefit area and the unincorporated areas of the county located within the public transportation benefit area, to the

extent possible within the restrictions placed on the size of the governing body of a public transportation benefit area. If necessary to assure such proportional representation, multiple cities may be represented by a single elected official from one of the cities. A majority of the governing board may not be selected to represent a single component city. If at the time a public transportation benefit area authority assumes the public transportation functions previously provided under the interlocal cooperation act (chapter 39.34 RCW) there are citizen positions on the governing board of the transit system, those positions may be retained as positions on the governing board of the public transportation benefit area authority.

Within such sixty-day period, any city may by resolution of its legislative body withdraw from participation in the public transportation benefit area. The county legislative authority and each city remaining in the public transportation benefit area may disapprove and prevent the establishment of any governing body of a public transportation benefit area if the composition thereof does not meet its approval.

In no case shall the governing body of a single county public transportation benefit area be greater than nine voting members and in the case of a multicounty area, fifteen voting members. Those cities within the public transportation benefit area and excluded from direct membership on the authority are hereby authorized to designate a member of the authority who shall be entitled to represent the interests of such city which is excluded from direct membership on the authority. The legislative body of such city shall notify the authority as to the determination of its authorized representative on the authority.

There is one nonvoting member of the public transportation benefit area authority. The nonvoting member is recommended by the labor organization representing the public transportation employees within the local public transportation system. If the public transportation employees are represented by more than one labor organization, all such labor organizations shall select the nonvoting member by majority vote. The nonvoting member shall comply with all governing bylaws and policies of the authority. The chair or cochair of the authority shall exclude the nonvoting member from attending any executive session held for the purpose of discussing negotiations with labor organizations. The chair or cochair may exclude the nonvoting member from attending any other executive session. The requirement that a nonvoting member be appointed to the governing body of a public transportation benefit area authority does not apply to an authority that has no employees represented by a labor union.

Each member of the authority is eligible to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060 and to receive compensation, as set by the authority, in an amount not to exceed forty-four dollars for each day during which the member attends official meetings of the authority or performs prescribed duties approved by the chair of the authority. Except that the authority may, by resolution, increase the payment of per diem compensation to each member from forty-four dollars up to ninety dollars per day or portion of a day for actual

attendance at board meetings or for performance of other official services or duties on behalf of the authority. In no event may a member be compensated in any year for more than seventy-five days, except the chair who may be paid compensation for not more than one hundred days: PROVIDED, That compensation shall not be paid to an elected official or employee of federal, state, or local government who is receiving regular full-time compensation from such government for attending meetings and performing prescribed duties of the authority.

The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years, beginning (~~July 1, 2008~~) January 1, 2024, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions.

(4) For any commissioner who has not elected to become a member of public employees retirement system before May 1, 1975, the compensation provided pursuant to this section shall not be considered salary for purposes of the provisions of any retirement system created pursuant to the general laws of this state nor shall attendance at such meetings or other service on behalf of the district constitute service as defined in RCW 41.40.010(37): PROVIDED, That in the case of a port district when commissioners are receiving compensation and contributing to the public employees retirement system, these benefits shall continue in full force and effect notwithstanding the provisions of ((RCW 53.12.260)) this section and RCW 53.12.265.

#### MESSAGE FROM THE SENATE

March 3, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2535 with the following amendment:

7.0.

Strike everything after the enacting clause and insert the following:

**"Sec. 8.** RCW 59.18.170 and 1973 1st ex.s. c 207 s 17 are each amended to read as follows:

(1) If at any time during the tenancy the tenant fails to carry out the duties required by RCW 59.18.130 or 59.18.140, the landlord may, in addition to pursuit of remedies otherwise provided by law, give written notice to the tenant of said failure, which notice shall specify the nature of the failure.

(2) The landlord may not charge a late fee for rent that is paid within five days following its due date. If rent is more than five days past due, the landlord may charge late fees commencing from the first day after the due date until paid. Nothing in this subsection prohibits a landlord from serving a notice to pay or vacate at any time after the rent becomes due.

(3) When late fees may be assessed after rent becomes due, the tenant may propose that the date rent is due in the rental agreement be altered to a different due date of the month. The landlord shall agree to such a proposal if it is submitted in writing and the tenant can demonstrate that his or her primary source of income is a regular, monthly source of governmental assistance that is not received until after the date rent is due in the rental agreement. The proposed rent due date may not be more than five days after the date the rent is due in the rental agreement. Nothing in this subsection shall be construed to prevent a tenant from making a request for reasonable accommodation under federal, state, or local law.

**Sec. 9.** RCW 59.18.230 and 2011 c 132 s 11 are each amended to read as follows:

(1) Any provision of a lease or other agreement, whether oral or written, whereby any section or subsection of this chapter is waived except as provided in RCW 59.18.360 and shall be deemed against public policy and shall be unenforceable. Such unenforceability shall not affect other provisions of the agreement which can be given effect without them.

(2) No rental agreement may provide that the tenant:

(a) Agrees to waive or to forgo rights or remedies under this chapter; or

(b) Authorizes any person to confess judgment on a claim arising out of the rental agreement; or

(c) Agrees to pay the landlord's attorneys' fees, except as authorized in this chapter; or

(d) Agrees to the exculpation or limitation of any liability of the landlord arising under law or to indemnify the landlord for that liability or the costs connected therewith; or

(e) And landlord have agreed to a particular arbitrator at the time the rental agreement is entered into; or

(f) Agrees to pay late fees for rent that is paid within five days following its due date. If rent is more than five days past due, the landlord may charge late fees commencing from the first day after the due date until paid. Nothing in this subsection prohibits a landlord from serving a notice to pay or vacate at any time after the rent becomes due.

(3) A provision prohibited by subsection (2) of this section included in a rental agreement is unenforceable. If a landlord deliberately uses a rental agreement containing provisions known by him or her to be prohibited, the tenant may recover actual damages sustained by him or her, statutory damages not to exceed five hundred dollars, costs of suit, and reasonable attorneys' fees.

(4) The common law right of the landlord of distress for rent is hereby abolished for property covered by this chapter. Any provision in a rental agreement creating a lien upon the personal property of the tenant or authorizing a distress for rent is null and void and of no force and effect. Any landlord who takes or detains the personal property of a tenant without the specific written consent of the tenant to such incident of taking or detention, and who, after written demand by the tenant for the return of his or her personal property, refuses to return the same promptly shall be liable to the tenant for the value of the property retained, actual damages, and if the refusal is intentional, may also be liable for damages of up to five hundred dollars per day but not to exceed five thousand dollars, for each day or part of a day that the tenant is deprived of his or her property. The prevailing party may recover his or her costs of suit and a reasonable attorneys' fee.

In any action, including actions pursuant to chapters 7.64 or 12.28 RCW, brought by a tenant or other person to recover possession of his or her personal property taken or detained by a landlord in violation of this section, the court, upon motion and after notice to the opposing parties, may waive or reduce any bond requirements where it appears to be to the satisfaction of the court that the moving party is proceeding in good faith and has, prima facie, a meritorious claim for immediate delivery or redelivery of said property."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2535, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2565 with the following amendment:

9.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 10. The legislature finds that creating labeling standards for disposable wipes products will protect public health, the environment, water quality, and public infrastructure used for the collection, transport, and treatment of wastewater. It is not the intent of the legislature to address standards for flushability with this chapter.

NEW SECTION. Sec. 11. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Covered entity" means a manufacturer of a covered product and a wholesaler, supplier, or retailer that has contractually undertaken responsibility to the manufacturer for the "do not flush" labeling of a covered product.

(2) "Covered product" means a nonflushable nonwoven disposable wipe that is a premoistened wipe constructed from nonwoven sheets and designed and marketed for diapering, personal hygiene, or household hard surface cleaning purposes. A nonflushable nonwoven disposable wipe excludes any wipe product designed or marketed for cleaning or medicating the anorectal or vaginal areas on the human body and labeled "flushable," "sewer safe," "septic safe," or otherwise indicating that the product is appropriate for disposal in a toilet including, but not limited to, premoistened toilet tissue.

(3) "Label" means to represent by statement, word, picture, design, or emblem on a covered product package.

(4) "Principal display panel" means the side of a product package that is most likely to be displayed, presented, or shown under customary conditions of display for retail sale. The term is further defined as follows:

(a) In the case of a cylindrical or nearly cylindrical package, the surface area of the principal display panel constitutes forty percent of the product package, as measured by multiplying the height of the container times the circumference.

(b) In the case of a flexible film package, in which a rectangular prism or nearly rectangular prism stack of wipes is housed within the film, the surface area of the principal display panel constitutes the length times the width of the side of the package when the flexible packaging film is pressed flat against the stack of wipes on all sides of the stack.

**NEW SECTION. Sec. 12.** A covered entity must clearly and conspicuously label a covered product as "do not flush" as follows:

(1) Use the "do not flush" symbol, or a gender equivalent thereof, described in the INDA/EDANA code of practice 2 (COP2, as published in "Guidelines for Assessing the Flushability of Disposable Nonwoven Products," Edition 4, May 2018, by INDA/EDANA);

(2) Place the symbol on the principal display panel in a prominent and reasonably visible location on the package which, in the case of packaging intended to dispense individual wipes, is permanently affixed in a location that is visible to a person each time a wipe is dispensed from the package;

(3) Size the symbol to cover at least two percent of the surface area of the principal display panel on which the symbol is presented;

(4) Ensure the symbol is not obscured by packaging seams, folds, or other package design elements;

(5) Ensure the symbol has sufficiently high contrast with the immediate background of the packaging to render it likely to be read by the ordinary individual under customary

conditions of purchase and use. In the case of a printed symbol, "high contrast" is defined as follows:

(a) Provided with either a light symbol on a dark background or a dark symbol on a light background; and

(b) A minimum level or percentage of contrast between the symbol artwork and the background of at least seventy percent. Contrast in percent is determined by:

(i) Contrast =  $(B1 - B2) \times 100 / B1$ ; and

(ii) Where B1 = light reflectance value of the lighter area and B2 = light reflectance value of the darker area; and

(6) Beginning January 1, 2023, no package or box containing a covered product manufactured on or before the effective date of this section may be offered for distribution or sale in the state.

**NEW SECTION. Sec. 13.** Upon a request by a city or a county, a covered entity must submit to the requesting entity, within ninety days of the request, nonconfidential business information and documentation demonstrating compliance with this chapter, in a format that is easy to understand.

**NEW SECTION. Sec. 14.** (1) Cities and counties have concurrent and exclusive authority to enforce this chapter and to collect civil penalties for a violation of this chapter, subject to the conditions in this section. An enforcing government entity may impose a civil penalty in the amount of up to two thousand dollars for the first violation of this chapter, up to five thousand dollars for the second violation of this chapter, and up to ten thousand dollars for the third and any subsequent violation of this chapter. If a covered entity has paid a prior penalty for the same violation to a different government entity with enforcement authority under this subsection, the penalty imposed by a government entity is reduced by the amount of the payment.

(2) Any civil penalties collected pursuant to this section must be paid to the enforcing governmental entity that brought the action.

(3) The remedies provided by this section are not exclusive and are in addition to the remedies that may be available pursuant to chapter 19.86 RCW or other consumer protection laws, if applicable.

(4) In addition to penalties recovered under this section, the enforcing government entity may recover reasonable enforcement costs and attorneys' fees from the liable covered entity.

**NEW SECTION. Sec. 15.** Covered entities that violate the requirements of this chapter are subject to civil penalties described in section 5 of this act. A specific violation is deemed to have occurred upon the sale of a noncompliant product package. The repeated sale of the same noncompliant product package is considered part of the same, single violation. A city or county must send a written notice of an alleged violation and a copy of the requirements of this chapter to a noncompliant covered entity, which will have ninety days to become compliant. A city or county may assess a first penalty if the covered entity has not met the

requirements of this chapter ninety days following the date the notification was sent. A city or county may impose a second, third, and subsequent penalties on a covered entity that remains noncompliant with the requirements of this chapter for every month of noncompliance.

**NEW SECTION. Sec. 16.** Sections 1 through 6, 8, and 10 of this act constitute a new chapter in Title 70 RCW.

**NEW SECTION. Sec. 17.** This act takes effect July 1, 2022.

**NEW SECTION. Sec. 18.** For a covered product required to be registered by the United States environmental protection agency under the federal insecticide, fungicide, and rodenticide act (7 U.S.C. Sec. 136 et seq. (1996)), this act applies beginning July 1, 2023.

**NEW SECTION. Sec. 19.** This chapter preempts all existing or future laws enacted by a county, city, town, or other political subdivision of the state regarding the labeling of a covered product. Nothing in this section is intended to preempt the enforcement authority of a city or county as provided under sections 5 and 6 of this act.

**NEW SECTION. Sec. 20.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "products;" strike the remainder of the title and insert "adding a new chapter to Title 70 RCW; creating a new section; prescribing penalties; and providing an effective date."

and the same is herewith transmitted.

(1) Upon receipt of notice from the county auditor as provided in RCW 36.96.020, the county legislative authority within whose boundaries all or the greatest portion of such special purpose district lies shall hold one or more public hearings on or before September 1st of the same year to determine whether or not such special purpose district or districts meet ~~((either))~~ any of the criteria for being "inactive" as provided in RCW 36.96.010 ~~((: PROVIDED, That if such a special purpose district is a public utility~~

(2) Notice of such public hearings shall be given by publication at least once each week for not less than three successive weeks in a newspaper that is in general circulation within the boundaries of the special purpose district or districts. Any remaining moneys or funds shall be used to pay the county legislative authority for all costs and expenses incurred in the dissolution and liquidation of the dissolved special purpose district. Thereafter, any remaining moneys, funds, or property shall become that of the county in which the dissolved special purpose district was located. However, if the territory of the dissolved special purpose district was located within more than one county, the remaining moneys, funds, and personal property shall be apportioned and distributed to each county in the proportion that the geographical area of the dissolved special purpose district within the county bears to the total geographical area of the dissolved special purpose district, and any remaining real property or improvements to real property shall be transferred to the county within whose boundaries it lies. A county to which real property or improvements to real property are transferred under this section may, but does not have an obligation to, use the property or improvements for the purposes for which the dissolved special purpose district used the property or improvements and the county does not assume the obligations or liabilities of the dissolved special

(a) The county assumes responsibility of the services previously provided by the special purpose district; and

(b) The property tax levy or special assessment does not exceed any legally authorized property tax levy rate or special assessment for the dissolved special purpose district.

(2) If a county discontinues providing the services of a dissolved special purpose district for which the county imposed a separate property tax levy or special assessment as provided in subsection (1) of this section, the county must cease imposing that property tax levy or special assessment beginning in the first calendar year after the discontinuation of the provision of services by the county.

(3) For purposes of RCW 84.52.010 and 84.52.043, a property tax levy authorized by a county under this section is subject to the same provisions as the county's general property tax levy.

(4) The limitation in RCW 84.55.010 does not apply to the first property tax levy imposed under this section.

(5) For purposes of this section, "special assessment" means any special assessment, benefit assessment, or rates and charges imposed by a special purpose district."

**MESSAGE FROM THE SENATE**

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2638 with the following amendment:

6.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 7.** It has long been the policy of this state to prohibit all forms and means of gambling except where carefully and specifically authorized and regulated. The legislature intends to further this policy by authorizing sports wagering on a very limited basis by restricting it to tribal casinos in the state of Washington. Tribes have more than twenty years' experience with, and a proven track record of, successfully operating and regulating gaming facilities in accordance with tribal gaming compacts. Tribal casinos can operate sports wagering pursuant to these

tribal gaming compacts, offering the benefits of the same highly regulated environment to sports wagering.

**NEW SECTION. Sec. 8.** A new section is added to chapter 9.46 RCW to read as follows:

(1) Upon the request of a federally recognized Indian tribe or tribes in the state of Washington, the tribe's class III gaming compact may be amended pursuant to the Indian gaming regulatory act, 25 U.S.C. Sec. 2701 et seq., and RCW 9.46.360 to authorize the tribe to conduct and operate sports wagering on its Indian lands, provided the amendment addresses: Licensing; fees associated with the gambling commission's regulation of sports wagering; how sports wagering will be conducted, operated, and regulated; issues related to criminal enforcement, including money laundering, sport integrity, and information sharing between the commission and the tribe related to such enforcement; and responsible and problem gambling. Sports wagering conducted pursuant to the gaming compact is a gambling activity authorized by this chapter.

(2) Sports wagering conducted pursuant to the provisions of a class III gaming compact entered into by a tribe and the state pursuant to RCW 9.46.360 is authorized bookmaking and is not subject to civil or criminal penalties pursuant to RCW 9.46.225.

**Sec. 9.** RCW 9.46.070 and 2012 c 116 s 1 are each amended to read as follows:

The commission shall have the following powers and duties:

(1) To authorize and issue licenses for a period not to exceed one year to bona fide charitable or nonprofit organizations approved by the commission meeting the requirements of this chapter and any rules and regulations adopted pursuant thereto permitting said organizations to conduct bingo games, raffles, amusement games, and social card games, to utilize punchboards and pull-tabs in accordance with the provisions of this chapter and any rules and regulations adopted pursuant thereto and to revoke or suspend said licenses for violation of any provisions of this chapter or any rules and regulations adopted pursuant thereto: **PROVIDED**, That the commission shall not deny a license to an otherwise qualified applicant in an effort to limit the number of licenses to be issued: **PROVIDED FURTHER**, That the commission or director shall not issue, deny, suspend, or revoke any license because of considerations of race, sex, creed, color, or national origin: **AND PROVIDED FURTHER**, That the commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission;

(2) To authorize and issue licenses for a period not to exceed one year to any person, association, or organization operating a business primarily engaged in the selling of items of food or drink for consumption on the premises, approved by the commission meeting the requirements of this chapter and any rules and regulations adopted pursuant thereto permitting said person, association, or organization to utilize punchboards and pull-tabs and to conduct social card games as a commercial stimulant in accordance with the provisions of this chapter and any rules and regulations

adopted pursuant thereto and to revoke or suspend said licenses for violation of any provisions of this chapter and any rules and regulations adopted pursuant thereto: PROVIDED, That the commission shall not deny a license to an otherwise qualified applicant in an effort to limit the number of licenses to be issued: PROVIDED FURTHER, That the commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission;

(3) To authorize and issue licenses for a period not to exceed one year to any person, association, or organization approved by the commission meeting the requirements of this chapter and meeting the requirements of any rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended, permitting said person, association, or organization to conduct or operate amusement games in such manner and at such locations as the commission may determine. The commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission;

(4) To authorize, require, and issue, for a period not to exceed one year, such licenses as the commission may by rule provide, to any person, association, or organization to engage in the manufacturing, selling, distributing, or otherwise supplying (~~(or in the manufacturing)~~) of devices, equipment, software, hardware, or any gambling-related services for use within this state for those activities authorized by this chapter. The commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission;

(5) To establish a schedule of annual license fees for carrying on specific gambling activities upon the premises, and for such other activities as may be licensed by the commission, which fees shall provide to the commission not less than an amount of money adequate to cover all costs incurred by the commission relative to licensing under this chapter and the enforcement by the commission of the provisions of this chapter and rules and regulations adopted pursuant thereto: PROVIDED, That all licensing fees shall be submitted with an application therefor and such portion of said fee as the commission may determine, based upon its cost of processing and investigation, shall be retained by the commission upon the withdrawal or denial of any such license application as its reasonable expense for processing the application and investigation into the granting thereof: PROVIDED FURTHER, That if in a particular case the basic license fee established by the commission for a particular class of license is less than the commission's actual expenses to investigate that particular application, the commission may at any time charge to that applicant such additional fees as are necessary to pay the commission for those costs. The commission may decline to proceed with its investigation and no license shall be issued until the commission has been fully paid therefor by the applicant: AND PROVIDED FURTHER, That the commission may establish fees for the furnishing by it to licensees of identification stamps to be affixed to such devices and equipment as required by the commission and for such other special services or programs required or offered by the commission, the amount of each of these fees to be not less

than is adequate to offset the cost to the commission of the stamps and of administering their dispersal to licensees or the cost of administering such other special services, requirements or programs;

(6) To prescribe the manner and method of payment of taxes, fees and penalties to be paid to or collected by the commission;

(7) To require that applications for all licenses contain such information as may be required by the commission: PROVIDED, That all persons (a) having a managerial or ownership interest in any gambling activity, or the building in which any gambling activity occurs, or the equipment to be used for any gambling activity, (~~(b)~~) participating as an employee in the operation of any gambling activity, or (c) participating as an employee in the operation, management, or providing of gambling-related services for sports wagering, shall be listed on the application for the license and the applicant shall certify on the application, under oath, that the persons named on the application are all of the persons known to have an interest in any gambling activity, building, or equipment by the person making such application: PROVIDED FURTHER, That the commission shall require fingerprinting and national criminal history background checks on any persons seeking licenses, certifications, or permits under this chapter or of any person holding an interest in any gambling activity, building, or equipment to be used therefor, or of any person participating as an employee in the operation of any gambling activity. All national criminal history background checks shall be conducted using fingerprints submitted to the United States department of justice-federal bureau of investigation. The commission must establish rules to delineate which persons named on the application are subject to national criminal history background checks. In identifying these persons, the commission must take into consideration the nature, character, size, and scope of the gambling activities requested by the persons making such applications;

(8) To require that any license holder maintain records as directed by the commission and submit such reports as the commission may deem necessary;

(9) To require that all income from bingo games, raffles, and amusement games be recorded and reported as established by rule or regulation of the commission to the extent deemed necessary by considering the scope and character of the gambling activity in such a manner that will disclose gross income from any gambling activity, amounts received from each player, the nature and value of prizes, and the fact of distributions of such prizes to the winners thereof;

(10) To regulate and establish maximum limitations on income derived from bingo. In establishing limitations pursuant to this subsection the commission shall take into account (a) the nature, character, and scope of the activities of the licensee; (b) the source of all other income of the licensee; and (c) the percentage or extent to which income derived from bingo is used for charitable, as distinguished from nonprofit, purposes. However, the commission's powers and duties granted by this subsection are discretionary and not mandatory;

(11) To regulate and establish the type and scope of and manner of conducting the gambling activities authorized by this chapter, including but not limited to, the extent of wager, money, or other thing of value which may be wagered or contributed or won by a player in any such activities;

(12) To regulate the collection of and the accounting for the fee which may be imposed by an organization, corporation, or person licensed to conduct a social card game on a person desiring to become a player in a social card game in accordance with RCW 9.46.0282;

(13) To cooperate with and secure the cooperation of county, city, and other local or state agencies in investigating any matter within the scope of its duties and responsibilities;

However, the commissioner's powers and duties granted by this subsection are discretionary and not mandatory.

(b) In establishing these maximum limits the commission shall take into account the amount of income received, or expected to be received, from the class of activities to which the limits will apply and the amount of money the games could generate for authorized charitable or nonprofit purposes absent such expenses. The commission may also take into account, in its discretion, other factors, including but not limited to, the local prevailing wage scale and whether charitable purposes are benefited by the activities;

The commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission. The commission shall not require that persons working solely as volunteers in an authorized activity conducted by a bona fide charitable or bona fide nonprofit organization, who receive no compensation of any kind for any purpose from that organization, and who have no managerial or supervisory responsibility in connection with that activity, be licensed to do such work. The commission may require that licensees

employing such unlicensed volunteers submit to the commission periodically a list of the names, addresses, and dates of birth of the volunteers. (19) To establish guidelines for determining what constitutes active membership in bona fide nonprofit or charitable organizations for the purposes of this chapter;

(21) To authorize, require, and issue, for a period not to exceed one year, such licenses as the commission may by rule provide, to any person, association, or organization that engages in any sports wagering-related services for use within this state for sports wagering activities authorized by this chapter. The commission may authorize the director to temporarily issue or suspend licenses subject to final action by the commission;

(22) To issue licenses under subsections (1) through (4) of this section that are valid for a period of up to eighteen months, if it chooses to do so, in order to transition to the use of the business licensing services program through the department of revenue; and

~~((22))~~ (23) To perform all other matters and things necessary to carry out the purposes and provisions of this chapter.

**NEW SECTION. Sec. 23.** (1) At a minimum, owners of buildings equipped with fire dampers, smoke dampers, combination fire and smoke dampers, or smoke control systems must:

(a) Have all newly installed fire dampers, smoke dampers, combination fire and smoke dampers, and smoke control systems tested and inspected within twelve months of installation;

(b) Have all fire dampers, smoke dampers, and combination fire and smoke dampers tested and inspected at least once every four years, or every six years for hospitals, regardless of the date of initial installation; and

(c) Have all smoke control systems tested and inspected at least once every six to twelve months, as required by the applicable national fire protection association standard.

(2) All owners of buildings subject to this act must maintain full inspection and testing reports on the property and make such reports available for inspection upon request by the local authority.

(3) Fire dampers, smoke dampers, combination fire and smoke dampers, and smoke control systems must be installed, inspected, tested, and maintained in accordance with this act, manufacturers' guidelines, and the applicable industry standards.

(4) In the event an inspection or test reveals deficiencies in smoke dampers, fire dampers, combination fire and smoke dampers, or smoke control systems, the inspector shall prepare a deficiency report for the building owner identifying the nature of the deficiency and the reasons for noncompliance. The building owner shall, within one hundred twenty days of the date of the inspection, take necessary steps to ensure the defective equipment is replaced or repaired and reinspected to ensure that the deficiency is corrected and is in compliance with the requirements of all applicable standards pursuant to this act. The authority having jurisdiction shall have the authorization to extend the compliance period. The building owner shall provide documentation of when and how the deficiencies were corrected. If the building owner does not correct the deficiency within one hundred twenty days of the date of the inspection, the local authority may issue a citation as described in section 5 of this act.

**NEW SECTION. Sec. 26.** (1) If a building owner has not complied with the testing schedule under section 2 of this act, or has not received a certificate of compliance within one hundred twenty days of an inspection under section 4 of this act that revealed a deficiency, then the building owner has committed a violation and may be issued a citation by the local authority. A violation of this section is a civil infraction, subject to all applicable local fees and other remedies for noncompliance. The monetary penalties in subsection (3) of this section apply when other penalties are not required by the local authority having jurisdiction.

(2) The authority having jurisdiction may require the building owner to conspicuously post the citation at all

pedestrian entrances and exits until a certificate of compliance has been issued pursuant to section 3 of this act or the citation has been dismissed.

(3) After the issuance of an initial citation, additional citations may be issued if the violations are not corrected:

(a) If the violations are not corrected within one hundred twenty days of the initial citation, a second citation may be issued with a monetary penalty of five cents per square foot of occupied space;

(b) If the violations are not corrected within two hundred forty days of the initial citation, a third citation may be issued with an additional monetary penalty of ten cents per square foot of occupied space and shall require mandatory in-person attendance by the building's head facilities manager at a four-hour fire life safety course given by the international certification board or equivalent provider of fire life safety programs accredited by the American national standards institute; and

Each citation issued under this subsection (3)(c) shall assess a penalty of ten cents per square foot of occupied space.

(4) Revenue from the penalties in subsection (2) of this section shall be forwarded to the state treasurer for deposit in the fire service training account under RCW 43.43.944.

**Sec. 27.** RCW 43.43.944 and 2012 c 173 s 1 are each amended to read as follows:

The state patrol may use amounts appropriated from the fire service training account under this section to contract with the Washington state firefighters apprenticeship trust for the operation of the

firefighter joint apprenticeship training program. The contract may call for payments on a monthly basis.

(3) Any general fund—state moneys appropriated into the account shall be allocated solely to the firefighter joint apprenticeship training program. The Washington state patrol may contract with outside entities for the administration and delivery of the firefighter joint apprenticeship training program.

**EFFECT:** Amends reference to "fire control systems" to "smoke control systems" as applied to minimum testing and inspection requirements.

Requires that a building engineer or other person knowledgeable with the building system be available in person or by phone to the inspector during the inspection and testing in order to provide building and systems access and information.

The appropriations in this section are subject to the following conditions and limitations:

(1)(a) The commission shall reconvene the road usage charge steering committee, with the same membership described in chapter 297, Laws of 2018, and shall report at least once every three months to the steering committee with updates on report development for the completed road usage charge pilot project until the final report is submitted. The final report on the road usage charge pilot project is due to the transportation committees of the legislature by January 1, 2020, and should include recommendations for necessary next steps to consider impacts to communities of color, low-income households, vulnerable populations, and displaced communities. The business case must assess a range of gross revenue impacts to a road usage charge and fuel taxes resulting from changes to total vehicle miles traveled under scenarios with varying degrees of shared, autonomous, and/or electric vehicle adoption rates;

(B) Develop a detailed plan for phasing in the implementation of road usage charges for vehicles operated in Washington, incorporating any updates to road usage charge policy recommendations made in (a) and (b)(i)(A) of this subsection and including consideration of methods for reducing the cost of collections for a road usage charge system in Washington state; and

The plan must include, but is not limited to:

(i) Different mileage reporting options;

(ii) Recommended fee methods and rates for achieving cost efficiency, fairness, minimal administrative cost, payment compliance, consumer choice, and preserving individual privacy;

(iii) Options for variable rates based on the factors listed in (c)(ii) of this subsection and vehicle classifications of vehicles, ensuring vehicles are paying for their proportional impact on road preservation and maintenance costs, climate emission impacts, fuel efficiency, or other policy levers that the legislature may want to consider;

(iv) Alternatives in the payment method to allow for monthly or quarterly payment rather than payment on an annual basis;

(v) Any recommended statutory changes, including suggested offsets or rebates to the per mile fee to recognize other taxes and fees paid by electric and hybrid vehicle owners;

(vi) Specific recommendations to better align the system with other vehicle-related charges and potentially establish the framework for broader implementation of a per mile funding system, including analysis of the preferred method for addressing eighteenth amendment restriction considerations and options to incorporate existing gas tax distributions and allocations into a per mile funding system at the time these revenues comprise a significant share of state revenues for transportation purposes; and

(vii) A recommended implementation and governance structure, and transition plan with the department as the designated lead agency to operate and administer the per mile funding system.

(iii) The implications of a program for tolling policies, revenues, costs, operations, and enforcement; and

(iv) Any implications to tolled facilities based on the type of tolling implemented on a particular facility.

(d) The transportation commission shall provide a report detailing the findings of this study and recommendations for implementing a discounted toll or other appropriate program in the state of Washington to the transportation committees of the legislature by June 30, 2021.

The committee shall meet at least two times every year to review the Washington state ferries capital construction plan and make recommendations to control costs and ensure that ferry capital investments meet projected future needs. The commission shall support the committee within existing resources. Members of the committee must include at least four citizen representatives from communities served by Washington state ferries.

(5) The legislature requests that the commission commence proceedings to name state route number 165 as The Glacier Highway to commemorate the significance of glaciers to the state of Washington.

The legislature finds that the water connection extension constructed by the Washington state patrol from the city of Shelton's water facilities to the Washington state patrol academy was necessary to meet the water supply needs of the academy. The legislature also finds that the water connection provides an ongoing water supply that is necessary to the operation of the training facility, that the state is making use of the water connection for these public activities, and that any future incidental use of the municipal infrastructure put in place to support these activities will not impede the Washington state patrol's ongoing use of the water connection extension. Therefore, the legislature determines that under the public policy of this state, reimbursement by any other entity is not required, notwithstanding any prior condition regarding contributions of other entities that Washington state patrol was required to satisfy prior to expenditure of the funds for construction of the extension, and that the Washington state patrol shall terminate the agreement.

(b) A month-to-month comparison of travel times and travel time reliability for the entire corridor and commonly made trips in the corridor as specified in (a) of this subsection since implementation of the express toll lanes and, to the extent available, a comparison to the travel times and travel time reliability prior to implementation of the express toll lanes;

(c) Total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane (i) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, on this segment of Interstate 405 prior to implementation of the express toll lanes and (ii) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, from month to month since implementation of the express toll lanes; and

(d) Underlying congestion measurements, that is, speeds, that are being used to generate the summary graphs provided, to be made available in a digital file format.

(3)(a) ~~(\$71,000))~~ \$2,114,000 of the ~~((high occupancy))~~ Interstate 405 and state route number 167 express toll lanes ((operations)) account—state appropriation, ~~(\$1,238,000))~~ \$4,920,000 of the state route number 520 corridor account—state appropriation, ~~(\$532,000))~~ \$2,116,000 of the Tacoma Narrows toll bridge account—state appropriation, ~~(\$460,000 of the Interstate 405 express toll lanes operations account state appropriation,))~~ and ~~(\$699,000))~~ \$2,776,000 of the Alaskan Way viaduct replacement project account—state appropriation are provided solely for the department to finish implementing a new tolling customer service toll collection system, and are subject to the conditions, limitations, and review provided in section 701 of this act.

(b) The department shall continue to work with the office of financial management, office of the chief information officer, and the transportation committees of the legislature on the project management plan that includes a provision for independent verification and validation of contract deliverables from the successful bidder and a provision for quality assurance that includes reporting independently to the office of the chief information officer on an ongoing basis during system implementation.

(4) The department shall make detailed quarterly reports to the transportation committees of the legislature and the public on the department's web site on the following:

(6) In calendar year 2021, toll equipment on the Tacoma Narrows Bridge will have reached the end of its operational life. During the 2019-2021 fiscal biennium, the department plans to issue a request for proposals as the first stage of a competitive procurement process that will replace the toll equipment and select a new tolling operator for the Tacoma Narrows Bridge. The request for proposals and subsequent competitive procurement must incorporate elements that prioritize the overall goal of lowering costs per transaction for the facility, such as incentives for innovative approaches which result in lower transactional costs, requests for efficiencies on the part of the bidder that lower operational costs, and incorporation of technologies such as self-serve credit card machines or other point-of-payment technologies that lower costs or improve operational efficiencies.

(7) ~~(( $\$19,362,000$ ))~~  $\$18,840,000$  of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the new state route number 99 tunnel toll

The office of financial management shall closely monitor the application of the cost allocation model and ensure that the new state route number 99 tunnel toll facility is adequately sharing costs and the other toll facility accounts are not being overspent or subsidizing the new state route number 99 tunnel toll facility.

(8) ~~(( $\$256,000$ ))~~  $\$608,000$  of the ~~((high occupancy toll lanes operations account—state appropriation and  $\$352,000$  of the))~~ Interstate 405 and state route number 167 express toll lanes ~~((operations))~~ account—state appropriation are provided solely for increased levels of service from the Washington state patrol for enforcement of toll lane violations on the state route number 167 high occupancy toll lanes and the Interstate 405 express toll lanes. The department shall compile monthly data on the number of Washington state patrol enforcement hours on each facility and the percentage of time during peak hours that speeds are at or above forty-five miles per hour on each facility. The department shall provide this data in a report to the transportation committees of the legislature on at least a calendar quarterly basis.

(9) The department shall develop an ongoing cost allocation method to assign appropriate costs to each of the toll funds for services provided by each Washington state department of transportation program and all relevant transportation agencies, including the Washington state patrol and the transportation commission. This method should update the toll cost allocation method used in the 2020 supplemental transportation appropriations act. By December 1, 2020, a report with the recommended method and any changes shall be submitted to the transportation committees of the legislature and the office of financial management.

(10) The legislature intends to allow owners of vehicles subject to a motor vehicle excise tax to pay renewal vehicle registration fees with a "Good to Go!" account beginning no later than 2024. Within existing resources, the department and the department of licensing must jointly report to the governor and chairs of the transportation committees of the legislature by June 30, 2021, with a detailed recommended approach to allow payment of renewal vehicle registration fees with a "Good to Go!" account for owners of vehicles subject to a motor vehicle excise tax.

(i) King County Metro - RapidRide Expansion, Burien-Delridge (G2000031);

(ii) King County Metro - Route 40 Northgate to Downtown (G2000032);

(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2021-2023 fiscal biennium.

(c) To the extent practicable, the department shall use the flexibility and authority granted in this section to minimize the amount of reappropriations needed each biennium.

((If chapter 287 (Engrossed Second Substitute House Bill No. 2042), Laws of 2019 is not enacted by June 30, 2019, the amount provided in this subsection lapses.))

(16) As a short-term solution, appropriation authority for the public transportation program in this section is reduced to reflect anticipated underruns in this program, based on historical reappropriation levels. It is the intent of the legislature that no public transportation grants or projects be delayed as a result of revenue reductions, except that funding for the green transportation capital program created by chapter 287, Laws of 2019 be delayed until 2021-2023.

(17) \$25,000,000 of the multimodal transportation account—state appropriation is provided solely as restitutive expenditure authority for the public transportation program's capital project grants as listed by amount on the LEAP list referenced in subsections (4), (5), and (8) of this section, and may be spent only if a court of final jurisdiction holds that chapter 1 (Initiative Measure No. 976), Laws of 2020 is unconstitutional in its entirety.

It is the intent of the legislature that the \$25,000,000 increase in funding provided in the 2021-2023 fiscal biennium be covered by any legal damages paid to the state as a result of a lawsuit related to contractual provisions for construction and delivery of the Alaskan Way viaduct replacement project. (b) Recognizing that the department of transportation requires full possession of parcel number 1-23190 to complete the Montlake Phase of the West End project, the department is directed to:

(i) Work with the operator of the Montlake boulevard market located on parcel number 1-23190 to negotiate a lease allowing continued operations up to January 1, 2020. After that time, the department shall identify an area in the vicinity of the Montlake property for a temporary market or other food service to be provided during the period of project construction. Should the current operator elect not to participate in providing that temporary service, the department shall then develop an outreach plan with the city to solicit community input on the food services provided, and then advertise the opportunity to other potential vendors. Further, the department shall work with the city of Seattle and existing permit processes to facilitate vendor access to and use of the area in the vicinity of the Montlake property.

(ii) Upon completion of the Montlake Phase of the West End project (current anticipated contract completion of 2023), WSDOT shall sell that portion of the property not used for permanent transportation improvements and initiate a process to convey that surplus property to a subsequent owner.

(c) \$60,000 of the motor vehicle account—state appropriation is provided solely for grants to nonprofit organizations located in a city with a population exceeding six hundred thousand persons and that empower artists through equitable access to vital expertise, opportunities, and business services. Funds may be used only for the purpose of preserving, commemorating, and sharing the history of the city of Seattle's freeway protests and making the history of activism around the promotion of more integrated transportation and land use planning accessible to current and future generations through the preservation of Bent 2 of the R. H. Thompson freeway ramp.

((14)) (13) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue \$50,000,000 in federal funds to pay for this project to supplant state funds in the future. \$50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial

management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

((15) \$265,100,000)) (14) \$310,469,000 of the connecting Washington account—state appropriation is provided solely for the SR 167/SR 509 Puget Sound Gateway project (M00600R).

(a) Any savings on the project must stay on the Puget Sound Gateway corridor until the project is complete.

(b) Proceeds from the sale of any surplus real property acquired for the purpose of building the SR 167/SR 509 Puget Sound Gateway (M00600R) project must be deposited into the motor vehicle account for the purpose of constructing the project.

(c) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(d) It is the legislature's intent that the department shall construct a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project after the base project is fully funded, the funds must first be applied toward the completion of these two full single-point urban interchanges.

(e) In designing the state route number 509/state route number 516 interchange component of the SR 167/SR 509 Puget Sound Gateway project (M00600R), the department shall make every effort to utilize the preferred "4B" design.

(f) The department shall explore the development of a multiuse trail for bicyclists, pedestrians, skateboarders, and similar users along the SR 167 right-of-way acquired for the project to connect a network of new and existing trails from Mount Rainier to Point Defiance Park.

(g) If sufficient bonding authority to complete this project is not provided within chapter 421 ((Engrossed Substitute Senate Bill No. 5825)), Laws of 2019 (addressing tolling) or chapter . . . (House Bill No. 2132), Laws of 2019 (addressing tolling), or within a bond authorization act referencing chapter 421 ((Engrossed Substitute Senate Bill No. 5825)), Laws of 2019 or chapter . . . (House Bill No. 2132), Laws of 2019, by June 30, 2019, it is the intent of the legislature to return the Puget Sound Gateway project (M00600R) to its previously identified construction schedule by moving \$128,900,000 in connecting Washington account—state appropriation back to the 2027-2029 biennium from the 2023-2025 biennium on the list

referenced in subsection (2) of this section. If sufficient bonding authority is provided, it is the intent of the legislature to advance the project to allow for earlier completion and inflationary savings.

~~((16))~~ (15) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

~~((18) — \$950,000))~~ (16) \$1,029,000 of the transportation partnership account—state appropriation is provided solely for the U.S. 2 Trestle IJR project (L1000158).

~~((19))~~ (17) The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department's annual budget submittal. It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

~~((20))~~ (18) Any advisory group that the department convenes during the 2019-2021 fiscal biennium must consider the interests of the entire state of Washington.

~~((21))~~ (19) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2021, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

~~((22))~~ (20)(a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2021-2023 fiscal biennium, the department may, on a pilot basis, apply funding from a project in this section with an appropriation that cannot be used for the current fiscal biennium to advance one or more of the following projects:

(i) I-82 Yakima - Union Gap Economic Development Improvements (T21100R);

(ii) I-5 Federal Way - Triangle Vicinity Improvements (T20400R); or

(iii) SR 522/Paradise Lk Rd Interchange & Widening on SR 522 (Design/Engineering) (NPARADI).

(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2021-2023 fiscal biennium.

(c) For connecting Washington projects that have already begun and are eligible for the authority granted in section 601 of this act, the department shall prioritize advancing the following projects if expected reappropriations become available:

(i) SR 14/I-205 to SE 164th Ave - Auxiliary Lanes (L2000102);

(ii) SR 305 Construction - Safety Improvements (N30500R);

(iii) SR 14/Bingen Underpass (L2220062);

(iv) I-405/NE 132nd Interchange - Totem Lake (L1000110);

(v) US Hwy 2 Safety (N00200R);

(vi) US-12/Walla Walla Corridor Improvements (T20900R);

(vii) I-5 JBLM Corridor Improvements (M00100R);

(viii) I-5/Slater Road Interchange - Improvements (L1000099);

(ix) SR 510/Yelm Loop Phase 2 (T32700R); or

(x) SR 520/124th St Interchange (Design and Right of Way) (L1000098).

(d) To the extent practicable, the department shall use the flexibility and authority granted in this section and in section 601 of this act to minimize the amount of reappropriations needed each biennium.

~~((23))~~ (21) The legislature continues to prioritize the replacement of the state's aging infrastructure and recognizes the importance of reusing and recycling construction aggregate and recycled concrete materials in our transportation system. To accomplish Washington state's sustainability goals in transportation and in accordance with RCW 70.95.805, the legislature reaffirms its determination that recycled concrete aggregate and other transportation building materials are natural resource construction materials that are too valuable to be wasted and landfilled, and are a commodity as defined in WAC 173-350-100.

Further, the legislature determines construction aggregate and recycled concrete materials substantially meet widely recognized international, national, and local standards and specifications referenced in American society for testing and materials, American concrete institute, Washington state department of transportation, Seattle department of transportation, American public works association, federal aviation administration, and federal highway administration specifications, and are described as necessary and desirable products for recycling and reuse by state and federal agencies.

As these recyclable materials have well established markets, are substantially a primary or secondary product of necessary construction processes and production, and are managed as an item of commercial value, construction aggregate and recycled concrete materials are exempt from chapter 173-350 WAC.

~~((24))~~ (22)(a) \$17,500,000 of the motor vehicle account—state appropriation is provided solely for staffing of a project office to replace the Interstate 5 bridge across the Columbia river (G2000088). If at least a \$9,000,000 transfer is not authorized in section 406(29) ~~((of this act))~~, chapter 416, Laws of 2019, then \$9,000,000 of the motor vehicle account—state appropriation lapses.

(b) Of the amount provided in this subsection, \$7,780,000 of the motor vehicle account—state appropriation must be placed in unallotted status by the office of financial management until the department develops a detailed plan for the work of this project office in consultation with the chairs and ranking members of the transportation committees of the legislature. The director of the office of financial management shall consult with the chairs and ranking members of the transportation committees of the legislature prior to making a decision to allot these funds.

(c) The work of this project office includes, but is not limited to, the reevaluation of the purpose and need identified for the project previously known as the Columbia river crossing, the reevaluation of permits and development of a finance plan, the reengagement of key stakeholders and the public, and the reevaluation of scope, schedule, and budget for a reinvigorated bistate effort for replacement of the Interstate 5 Columbia river bridge. When reevaluating the finance plan for the project, the department shall assume that some costs of the new facility may be covered by tolls. The project office must also study the possible different governance structures for a bridge authority that would provide for the joint administration of the bridges over the Columbia river between Oregon and Washington. As part of this study, the project office must examine the feasibility and necessity of an interstate compact in conjunction with the national center for interstate compacts.

(d) Within the amount provided in this subsection, the department must implement chapter 137 ~~((Engrossed Substitute House Bill No. 1994))~~, Laws of 2019 (projects of statewide significance).

(e) The department shall have as a goal to:

(i) Reengage project stakeholders and reevaluate the purpose and need and environmental permits by July 1, 2020;

(ii) Develop a finance plan by December 1, 2020; and

(iii) Have made significant progress toward beginning the supplemental environmental impact statement process by June 30, 2021. The department shall aim to provide a progress report on these activities to the governor and the transportation committees of the legislature by December 1, 2019, and a final report to the governor and the

transportation committees of the legislature by December 1, 2020.

(b) Of the amounts provided in this subsection, \$320,000 of the connecting Washington account—state appropriation is provided solely to remove the fish passage barrier on state route number 6 that interfaces with Boistfort Valley water utilities near milepost 46.6.

(c) The department shall coordinate with the Brian Abbott fish passage barrier removal board to use a watershed approach to maximize habitat gain by replacing both state and local culverts. The department shall deliver high habitat value fish passage barrier corrections that it has identified, guided by the following factors: Opportunity to bundle projects, ability to leverage investments by others, presence of other barriers, project readiness, other transportation projects in the area, and transportation impacts.

(d) The department must keep track of, for each barrier removed: (i) The location; (ii) the amount of fish habitat gain; and (iii) the amount spent to comply with the injunction.

(e) It is the intent of the legislature that for the amount listed for the 2021-2023 biennium for the Fish Barriers project (G2000091) on the LEAP list referenced in subsection (1) of this section, that accrued practical design savings deposited in the transportation future funding program account be used to help fund the cost of fully complying with the court injunction by 2030.

The appropriations in this section are subject to the following conditions and limitations:

(1) Except as provided otherwise in this section, the entire connecting Washington account—state appropriation and the entire transportation partnership account—state appropriation are provided solely for the projects and

activities as listed by fund, project, and amount in LEAP Transportation Document ((~~2019-4~~)) 2020-1 as developed ((~~April 27, 2019~~)) February 25, 2020, Program - Highway Preservation Program (P). However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 601 of this act.

(2) Except as provided otherwise in this section, the entire motor vehicle account—state appropriation and motor vehicle account—federal appropriation are provided solely for the projects and activities listed in LEAP Transportation Document ((~~2019-2~~)) 2020-2 ALL PROJECTS as developed ((~~April 27, 2019~~)) February 25, 2020, Program - Highway Preservation Program (P). Any federal funds gained through efficiencies, adjustments to the federal funds forecast, additional congressional action not related to a specific project or purpose, or the federal funds redistribution process must then be applied to highway and bridge preservation activities or fish passage barrier corrections (OBI4001).

(3) Within the motor vehicle account—state appropriation and motor vehicle account—federal appropriation, the department may transfer funds between programs I and P, except for funds that are otherwise restricted in this act. The department shall also provide quarterly reports to the technology services board on project progress.

(5) ((~~\$2,500,000~~)) \$4,000,000 of the motor vehicle account—state appropriation is provided solely for extraordinary costs incurred from litigation awards, settlements, or dispute mitigation activities not eligible for funding from the self-insurance fund. The amount provided in this subsection must be held in unallotted status until the department submits a request to the office of financial management that includes documentation detailing litigation-related expenses. The office of financial management may release the funds only when it determines that all other funds designated for litigation awards, settlements, and dispute mitigation activities have been exhausted. No funds provided in this subsection may be

expended on any legal fees related to the SR 99/Alaskan Way viaduct replacement project (809936Z).

(6) The appropriation in this section includes funding for starting planning, engineering, and construction of the Elwha River bridge replacement. To the greatest extent practicable, the department shall maintain public access on the existing route.

(10)(a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2021-2023 fiscal biennium, the department may, on a pilot basis, apply funding from a project in this section with an appropriation that cannot be used for the current fiscal biennium to advance the SR 4/Abernathy Creek Br - Replace Bridge project (400411A).

(b) At least ten business days before advancing the project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. #### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1521 with the following amendment:

812.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 813.** It is the intent of the legislature to increase transparency and accountability of public contracts by requiring better evaluation of contract performance. Such evaluation should include an assessment of whether decisions to "contract out" government services to the private sector are achieving their stated objectives. In addition, it is the intent of the legislature to ensure that public contractors given access to state resources are held to ethical standards consistent with public values.

The legislature finds that prior to July 1, 2005, state agencies and institutions of higher education were prohibited from contracting out for services regularly and historically provided by classified state employees. Effective July 1, 2005, the personnel system reform act of 2002 lifted the prohibition, authorizing state agencies and institutions of higher education to contract out for services customarily and historically provided by classified state employees. It is therefore the intent of the legislature that this act be applied only to government services that, on or after July 1, 2005, have been customarily and historically performed by state employees in the classified service under chapter 41.06 RCW.

**Sec. 814.** RCW 41.06.142 and 2011 1st sp.s. c 43 s 408 are each amended to read as follows:

(1) If any department, agency, or institution of higher education (~~may purchase~~) intends to contract for services (including services) that, on or after July 1, 2005, have been customarily and historically provided by employees in the classified service under this chapter, a department, agency, or institution of higher education may do so by contracting with individuals, nonprofit organizations, businesses, employee business units, or other entities if the following criteria are met:

(a) A comprehensive impact assessment is completed by the agency, department, or institution of higher education to assist it in determining whether the decision to contract out is beneficial.

(i) The comprehensive impact assessment must include at a minimum the following analysis:

(A) An estimate of the cost of performance of the service by employees, including the fully allocated costs of the service, the cost of the employees' salaries and benefits, space, equipment, materials, and other costs necessary to perform the function. The estimate must not include the state's indirect overhead costs unless those costs can be attributed directly to the function in question and would not exist if that function were not performed in state service;

(B) An estimate of the cost of performance of the services if contracted out, including the cost of administration of the program and allocating sufficient employee staff time and resources to monitor the contract and ensure its proper performance by the contractor;

(C) The reason for proposing to contract out, including the objective the agency would like to achieve; and

(D) The reasons for the determination made under (e) of this subsection.

(ii) When the contract will result in termination of state employees or elimination of state positions, the comprehensive impact assessment may also include an assessment of the potential adverse impacts on the public from outsourcing the contract, such as loss of employment, effect on social services and public assistance programs, economic impacts on local businesses and local tax revenues, and environmental impacts;

(b) The invitation for bid or request for proposal contains measurable standards for the performance of the contract;

~~((b))~~ (c) Employees (~~in the classified service~~) whose positions or work would be displaced by the contract are provided an opportunity to offer alternatives to purchasing services by contract and, if these alternatives are not accepted, compete for the contract under competitive contracting procedures in subsection ~~((4))~~ (7) of this section;

~~((c) The contract with an entity other than an employee business unit includes a provision requiring the entity to consider employment of state employees who may be displaced by the contract;))~~

(d) The department, agency, or institution of higher education has established a contract monitoring process to measure contract performance, costs, service delivery quality, and other contract standards, and to cancel contracts that do not meet those standards; and

(e) The department, agency, or institution of higher education has determined that the contract results in savings or efficiency improvements. The contracting agency, department, or institution of higher education must consider the consequences and potential mitigation of improper or failed performance by the contractor.

(2)(a) The agency, department, or institution of higher education must post on its web site the request for proposal, the contract or a statement that the agency, department, or institution of higher education did not move forward with contracting out, and the comprehensive impact assessment pursuant to subsection (1) of this section.

(b) The agency, department, or institution of higher education must maintain the information in (a) of this subsection in its files in accordance with the record retention schedule under RCW 40.14.060.

(3) Every five years or upon completion of the contract, whichever comes first, the agency, department, or institution of higher education must prepare and maintain in the contract file a report, which must include at a minimum the following information:

(a) Documentation of the contractor's performance as measured by the itemized performance standards;

(b) Itemization of any contract extensions or change orders that resulted in a change in the dollar value or cost of the contract; and

(c) A report of any remedial actions that were taken to enforce compliance with the contract, together with an estimate of the cost incurred by the agency, department, or institution of higher education in enforcing such compliance.

(4) In addition to any other terms required by law, the terms of any agreement to contract out a service pursuant to this section must include terms that address the following:

(a) The contract's contract management provision must allow review of the contractor's performance;

(b) The contract's termination clauses must allow termination of the contract if the contractor fails to meet the terms of the contract, including failure to meet performance standards or failure to provide the services at the contracted price;

(c) The contract's damages provision must allow recovery of direct damages and, when applicable, indirect damages that the agency, department, or institution of higher education incurs due to the contractor's breach of the agreement;

(d) If the contractor will be using a subcontractor for performance of services under the contract, the contract must allow the agency, department, or institution of higher education to obtain information about the subcontractor, as applicable to the performance of services under the agreement; and

(e) A provision requiring the contractor to consider employment of employees who may be displaced by the contract, if the contract is with an entity other than an employee business unit.

(5) Any provision contrary to or in conflict with this section in any collective bargaining agreement in effect on July 1, 2005, is not effective beyond the expiration date of the agreement.

~~((3) Contracting for services that is expressly mandated by the legislature or was authorized by law prior to July 1, 2005, including contracts and agreements between public entities, shall not be subject to the processes set forth in subsections (1), (4), and (5) of this section))~~ (6) When contracting out for services as authorized in this section the agency, department, or institution of higher education must ensure firms adhere to the values of the state of Washington under RCW 49.60.030, which provide its citizens freedom from discrimination. Any relationship with a potential or current industry partner that is found to have violated RCW 49.60.030 by the attorney general shall not be considered and must be immediately terminated unless:

(a) The industry partner has fulfilled the conditions or obligations associated with any court order or settlement resulting from that violation; or

(b) The industry partner has taken significant and meaningful steps to correct the violation, as determined by the Washington state human rights commission.

~~((4))~~ (7) Competitive contracting shall be implemented as follows:

(a) At least ninety days prior to the date the contracting agency, department, or institution of higher education requests bids from private entities for a contract for services provided by ~~(classified)~~ employees, the contracting agency, department, or institution of higher education shall notify the ~~(classified)~~ employees whose positions or work would be displaced by the contract. The employees shall have sixty days from the date of notification to offer alternatives to purchasing services by contract, and the agency, department, or institution of higher education shall consider the alternatives before requesting bids.

(b) If the employees decide to compete for the contract, they shall notify the contracting agency, department, or institution of higher education of their decision. Employees must form one or more employee business units for the purpose of submitting a bid or bids to perform the services.

(c) The department of enterprise services, with the advice and assistance of the office of financial management, shall develop and make available to employee business units training in the bidding process and general bid preparation.

(d) The director of enterprise services, with the advice and assistance of the office of financial management, shall, by rule, establish procedures to ensure that bids are submitted and evaluated in a fair and objective manner and that there exists a competitive market for the service. Such rules shall include, but not be limited to: (i) Prohibitions against participation in the bid evaluation process by employees who prepared the business unit's bid or who perform any of the services to be contracted; (ii) provisions to ensure no bidder receives an advantage over other bidders and that bid requirements are applied equitably to all parties; and (iii) procedures that require the contracting agency, department, or institution of higher education to receive complaints regarding the bidding process and to consider them before awarding the contract. Appeal of an agency's, department's, or institution of higher education's actions under this subsection is an adjudicative proceeding and subject to the applicable provisions of chapter 34.05 RCW, the administrative procedure act, with the final decision to be rendered by an administrative law judge assigned under chapter 34.12 RCW.

(e) An employee business unit's bid must include the fully allocated costs of the service, including the cost of the employees' salaries and benefits, space, equipment, materials, and other costs necessary to perform the function. An employee business unit's cost shall not include the state's indirect overhead costs unless those costs can be attributed directly to the function in question and would not exist if that function were not performed in state service.

(f) A department, agency, or institution of higher education may contract with the department of enterprise services to conduct the bidding process.

~~((5))~~ (8)(a) As used in this section:

~~((a))~~ (i) "Employee business unit" means a group of employees who perform services to be contracted under this section and who submit a bid for the performance of those services under subsection ~~((4))~~ (7) of this section.

~~((b))~~ (ii) "Indirect overhead costs" means the pro rata share of existing agency administrative salaries and benefits, and rent, equipment costs, utilities, and materials associated with those administrative functions.

~~((c))~~ (iii) "Competitive contracting" means the process by which ~~(classified)~~ employees of a department, agency, or institution of higher education compete with businesses, individuals, nonprofit organizations, or other entities for contracts authorized by subsection (1) of this section.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1521, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1783 with the following amendment:

818.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the population of Washington state has become increasingly diverse over the last several decades. The legislature also finds that as the demographics of our state change, historically and currently marginalized communities still do not have the same opportunities to meet parity as their nonmarginalized counterparts across nearly every measure including education, poverty, employment, health, and more. Inequities based on race, ethnicity, gender, and other characteristics continue to be deep, pervasive, and persistent, and they come at a great economic and social cost. When individuals face barriers to achieving their full potential, the impact is felt by the individual, their communities, businesses, governments, and the economy as a whole in the form of lost wages, avoidable public expenditures, and more. This includes social ramifications that emerging technology, such as artificial intelligence and facial recognition technology, may have on historically and currently marginalized communities. It is the intent of the legislature to review these emerging technologies either already in use by agencies or before their launch by agencies if not already in use and make recommendations regarding agency use to ensure that the technology is used in a manner that benefits society and does not have disparate negative impacts on historically and currently marginalized communities or violate their civil rights. It is further intended that the office should collaborate with other state efforts in this regard.

The legislature finds that a more inclusive Washington is possible if agencies identify and implement effective

strategies to eliminate systemic inequities. The legislature recognizes that different forms of discrimination and oppression are related to each other, and these relationships need to be taken into account.

The legislature finds that over the years, significant strides have been made within agencies to address the disparate outcomes faced by historically and currently marginalized communities. While these efforts have yielded positive work, the legislature finds that the work happening in agencies is fragmented across state government. Additionally, smaller agencies may not have the resources necessary to identify and implement policies to address systemic inequities. Furthermore, the legislature finds that the commission on African American affairs, the commission on Asian Pacific American affairs, the commission on Hispanic affairs, the governor's office of Indian affairs, the LGBTQ commission, the women's commission, and the human rights commission each play an important and integral role by serving as a voice for their respective communities and linking state government to these communities. The office is distinct from the commissions because it will serve as the state's subject matter expert on diversity, equity, and inclusion to state agencies and will provide technical assistance and support to agencies while each agency implements its individual equity plan. The office is not duplicative of the commissions, rather it is the intent of the legislature that the office will work in collaboration with the commissions. It is not the legislature's intent to eliminate the commissions or to reduce funding to the commissions by creating the office. Instead, it is the intent of the legislature that the office and the commissions shall work in a complementary manner with each other, support each other's work, jurisdictions, and missions, and adequately fund the commissions and the office as they take on their new complementary roles.

The legislature finds that state government must identify and coordinate effective strategies that focus on eliminating systemic barriers for historically and currently marginalized groups. To support this objective, an office of equity will provide a unified vision around equity for all state agencies. The office will assist government agencies to promote diversity, equity, and inclusion in all aspects of their decision making, including but not limited to services, programming, policy development, budgeting, and staffing. Doing so will foster a culture of accountability within state government that promotes opportunity for marginalized communities and will help normalize language and concepts around diversity, equity, and inclusion.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agency" means every state executive office, agency, department, or commission.

(2) "Director" means the director of the Washington state office of equity.

**MESSAGE FROM THE SENATE**

March 5, 2020

Madame Speaker:

The Senate has passed HOUSE BILL NO. 2230 with the following amendment:

2.0.

On page 2, after line 26, insert the following:

"**Sec. 2.** RCW 82.29A.055 and 2014 c 207 s 8 are each amended to read as follows:

(1) Property owned exclusively by a federally recognized Indian tribe that is exempt from property tax under RCW 84.36.010 is subject to payment in lieu of leasehold excise taxes, if:

(a) The tax exempt property is used exclusively for economic development, as defined in RCW 84.36.010;

(b) There is no taxable leasehold interest in the tax exempt property;

(c) The property is located outside of the tribe's reservation; and

(d) The property is not otherwise exempt from taxation by federal law.

(2) The amount of the payment in lieu of leasehold excise taxes must be determined jointly and in good faith negotiation between the tribe that owns the property and the county and any city in which the property is located. However, the amount may not exceed the leasehold excise tax amount that would otherwise be owed by a taxable leasehold interest in the property. If the tribe and the county and any city cannot agree to terms on the amount of payment in lieu of taxes, the department may determine the rate, provided that the amount may not exceed the leasehold excise tax amount that would otherwise be owed by a taxable leasehold interest in the property.

(3) Payment must be made by the tribe to the county. The county treasurer must distribute all such money collected solely to the local taxing districts, including cities, in the same proportion that each local taxing district would have shared if a leasehold excise tax had been levied."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 1, line 3 of the title, after "84.36.010" insert "and 82.29A.055"

and the same is herewith transmitted.

**MESSAGE FROM THE SENATE**

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2302 with the following amendment:

2.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 3.** RCW 26.19.011 and 2005 c 282 s 35 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Basic child support obligation" means the monthly child support obligation determined from the economic table based on the parties' combined monthly net income and the number of children for whom support is owed.

(2) "Child support schedule" means the standards, economic table, worksheets, and instructions, as defined in this chapter.

(3) "Court" means a superior court judge, court commissioner, and presiding and reviewing officers who administratively determine or enforce child support orders.

(4) "Deviation" means a child support amount that differs from the standard calculation.

(5) "Economic table" means the child support table for the basic support obligation provided in RCW 26.19.020.

(6) "Full-time" means the customary number of maximum, nonovertime hours worked in an individual's historical occupation, industry, and labor market. "Full-time" does not necessarily mean forty hours per week.

(7) "Instructions" means the instructions developed by the administrative office of the courts pursuant to RCW 26.19.050 for use in completing the worksheets.

~~((7))~~ (8) "Standards" means the standards for determination of child support as provided in this chapter.

~~((8))~~ (9) "Standard calculation" means the presumptive amount of child support owed as determined from the child support schedule before the court considers any reasons for deviation.

~~((9))~~ (10) "Support transfer payment" means the amount of money the court orders one parent to pay to another parent or custodian for child support after determination of the standard calculation and deviations. If certain expenses or credits are expected to fluctuate and the order states a formula or percentage to determine the additional amount or credit on an ongoing basis, the term "support transfer payment" does not mean the additional amount or credit.

~~((10))~~ (11) "Worksheets" means the forms developed by the administrative office of the courts pursuant to RCW 26.19.050 for use in determining the amount of child support.

**Sec. 4.** RCW 26.19.071 and 2011 1st sp.s. c 36 s 14 are each amended to read as follows:

(1) **Consideration of all income.** All income and resources of each parent's household shall be disclosed and considered by the court when the court determines the child support obligation of each parent. Only the income of the parents of the children whose support is at issue shall be calculated for purposes of calculating the basic support obligation. Income and resources of any other person shall not be included in calculating the basic support obligation.

(2) **Verification of income.** Tax returns for the preceding two years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(3) **Income sources included in gross monthly income.** Except as specifically excluded in subsection (4) of this section, monthly gross income shall include income from any source, including:

(a) Salaries;

(b) Wages;

(c) Commissions;

(d) Deferred compensation;

(e) Overtime, except as excluded for income in subsection (4)(i) of this section;

(f) Contract-related benefits;

(g) Income from second jobs, except as excluded for income in subsection (4)(i) of this section;

(h) Dividends;

(i) Interest;

(j) Trust income;

(k) Severance pay;

(l) Annuities;

(m) Capital gains;

(n) Pension retirement benefits;

(o) Workers' compensation;

(p) Unemployment benefits;

(q) Maintenance actually received;

(r) Bonuses;

(s) Social security benefits;

(t) Disability insurance benefits; and

(u) Income from self-employment, rent, royalties, contracts, proprietorship of a business, or joint ownership of a partnership or closely held corporation.

(4) **Income sources excluded from gross monthly income.** The following income and resources shall be disclosed but shall not be included in gross income:

(a) Income of a new spouse or new domestic partner or income of other adults in the household;

(b) Child support received from other relationships;

(c) Gifts and prizes;

(d) Temporary assistance for needy families;

(e) Supplemental security income;

(f) Aged, blind, or disabled assistance benefits;

(g) Pregnant women assistance benefits;

(h) Food stamps; and

(i) Overtime or income from second jobs beyond forty hours per week averaged over a twelve-month period worked to provide for a current family's needs, to retire past relationship debts, or to retire child support debt, when the court finds the income will cease when the party has paid off his or her debts.

Receipt of income and resources from temporary assistance for needy families, supplemental security income, aged, blind, or disabled assistance benefits, and food stamps shall not be a reason to deviate from the standard calculation.

(5) **Determination of net income.** The following expenses shall be disclosed and deducted from gross monthly income to calculate net monthly income:

- (a) Federal and state income taxes;
- (b) Federal insurance contributions act deductions;
- (c) Mandatory pension plan payments;
- (d) Mandatory union or professional dues;
- (e) State industrial insurance premiums;
- (f) Court-ordered maintenance to the extent actually paid;
- (g) Up to five thousand dollars per year in voluntary retirement contributions actually made if the contributions show a pattern of contributions during the one-year period preceding the action establishing the child support order unless there is a determination that the contributions were made for the purpose of reducing child support; and

(h) Normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

Items deducted from gross income under this subsection shall not be a reason to deviate from the standard calculation.

(6) **Imputation of income.** The court shall impute income to a parent when the parent is voluntarily unemployed or voluntarily underemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's (~~work history, education,~~) assets, residence, employment and earnings history, job skills, educational attainment, literacy, health, (~~and~~) age, criminal record, dependency court obligations, and other employment barriers, record of seeking work, the local job market, the availability of employers willing to hire the parent, the prevailing earnings level in the local community, or any other relevant factors. A court shall not impute income to a parent who is gainfully employed on a full-time basis, unless the court finds that the parent is voluntarily underemployed and finds that the parent is purposely underemployed to reduce the parent's child support obligation. Income shall not be imputed for an unemployable parent. Income shall not be imputed to a parent to the extent the parent is unemployed or significantly underemployed due to the parent's efforts to comply with court-ordered reunification efforts under chapter 13.34

RCW or under a voluntary placement agreement with an agency supervising the child. (~~(4a)~~)

(a) Except as provided in (b) of this subsection, in the absence of records of a parent's actual earnings, the court shall impute a parent's income in the following order of priority:

~~((a))~~ (i) Full-time earnings at the current rate of pay;

~~((b))~~ (ii) Full-time earnings at the historical rate of pay based on reliable information, such as employment security department data;

~~((c))~~ (iii) Full-time earnings at a past rate of pay where information is incomplete or sporadic;

~~((d))~~ (iv) Earnings of thirty-two hours per week at minimum wage in the jurisdiction where the parent resides if the parent is on or recently coming off temporary assistance for needy families or recently coming off aged, blind, or disabled assistance benefits, pregnant women assistance benefits, essential needs and housing support, supplemental security income, or disability, has recently been released from incarceration, or is a recent high school graduate. Imputation of earnings at thirty-two hours per week under this subsection is a rebuttable presumption;

(v) Full-time earnings at minimum wage in the jurisdiction where the parent resides if the parent has a recent history of minimum wage earnings, (~~is recently coming off public assistance, aged, blind, or disabled assistance benefits, pregnant women assistance benefits, essential needs and housing support, supplemental security income, or disability, has recently been released from incarceration, or is a high school student~~) has never been employed and has no earnings history, or has no significant earnings history;

~~((e))~~ (vi) Median net monthly income of year-round full-time workers as derived from the United States bureau of census, current population reports, or such replacement report as published by the bureau of census.

(b) When a parent is currently enrolled in high school full-time, the court shall consider the totality of the circumstances of both parents when determining whether each parent is voluntarily unemployed or voluntarily underemployed. If a parent who is currently enrolled in high school is determined to be voluntarily unemployed or voluntarily underemployed, the court shall impute income at earnings of twenty hours per week at minimum wage in the jurisdiction where that parent resides. Imputation of earnings at twenty hours per week under this subsection is a rebuttable presumption.

**NEW SECTION. Sec. 5.** (1) The legislature finds that a large number of justice-involved individuals owe significant child support debts when they are released from incarceration.

(2) The legislature finds that these child support debts are often uncollectible and unduly burdensome on a recently released justice-involved individual, and that such debts severely impact the ability of the person required to pay

support to have a successful reentry and reintegration into society.

(3) The legislature finds that there is case law in Washington, *In re Marriage of Blickenstaff*, 71 Wn. App. 489, 859 P.2d 646 (1993), providing that incarceration does not equate to voluntary unemployment or voluntary underemployment.

(4) The legislature finds that there is a statewide movement to assist justice-involved individuals reenter and reintegrate into society, and to reduce state-caused pressures which tend to lead to recidivism and a return to jail or prison.

(5) The legislature finds that, although there is currently a statutory process for modification of child support orders, it is in the best interests of the children of the state of Washington to create a process of abatement instead of making it the sole responsibility of the justice-involved person to take action to deal with his or her child support obligation while incarcerated.

(6) The legislature intends, therefore, to create a remedy whereby court or administrative orders for child support entered in Washington state may be abated when the person required to pay support is incarcerated for at least six months and has no income or assets available to pay support.

(7) The goal of this act is to ensure that the person required to pay support makes the maximum child support monthly payment amount appropriate to comply with an order for child support, notwithstanding other provisions related to abatement herein.

**NEW SECTION. Sec. 6.** A new section is added to chapter 26.09 RCW to read as follows:

(1) When a child support order contains language providing for abatement based on incarceration of the person required to pay child support, there is a rebuttable presumption that an incarcerated person is unable to pay the child support obligation. Unless the presumption is rebutted, the provisions of subsection (3) of this section apply.

(2)(a) If the child support order does not contain language providing for abatement based on incarceration of the person required to pay support, the department, the person required to pay support, the payee under the order, or the person entitled to receive support may commence an action in the appropriate forum to:

(i) Modify the support order to contain abatement language; and

(ii) Abate the person's child support obligation due to current incarceration for at least six months.

(b) In a proceeding brought under this subsection, there is a rebuttable presumption that an incarcerated person is unable to pay the child support obligation. The department, the payee under the order, or the person entitled to receive support, may rebut the presumption by demonstrating that the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated.

(c) Unless the presumption is rebutted, the provisions of subsection (3) of this section apply.

(3) If the court or administrative forum determines that abatement of support is appropriate:

(a) The child support obligation under that order will be abated to ten dollars per month, without regard to the number of children covered by that order, while the person required to pay support is confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility. Either the department, the payee under the order, or the person entitled to receive support may rebut the presumption by demonstrating the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated.

(b) If the incarcerated person's support obligation under the order is abated as provided in (a) of this subsection, the obligation will remain abated to ten dollars per month through the last day of the third month after the person is released from confinement.

(c) After abatement, the support obligation of the person required to pay support under the order is automatically reinstated at fifty percent of the support amount provided in the underlying order, but may not be less than the presumptive minimum obligation of fifty dollars per month per child, effective the first day of the fourth month after the person's release from confinement. Effective one year after release from confinement, the reinstatement at fifty percent of the support amount is automatically terminated, and the support obligation of the person required to pay support under the order is automatically reinstated at one hundred percent of the support amount provided in the underlying order.

(i) Upon a showing of good cause by a party that the circumstances of the case allow it, the court or administrative forum may add specific provisions to the order abating the child support obligation regarding when and how the abatement may terminate.

(ii) During the period of abatement, the department, the person required to pay support, the payee under the order, or the person entitled to receive support may commence an action to modify the child support order under RCW 26.09.170 or 74.20A.059, in which case the provision regarding reinstatement of the support amount at fifty percent does not apply.

(d) If the incarcerated person's support obligation under the order has been abated as provided in (a) of this subsection and then has been reinstated under (c) of this subsection:

(i) Either the department, the person required to pay support, the payee under the order, or the person entitled to receive support may file an action to modify or adjust the order in the appropriate forum, if:

(A) The provisions of (c)(i) and (ii) of this subsection do not apply; and

(B) The person required to pay support has been released from incarceration.

(ii) An action to modify or adjust the order based on the release from incarceration of the person required to pay support may be filed even if there is no other change of circumstances.

(4) The effective date of abatement of a child support obligation based on incarceration to ten dollars per month per order is the date on which the person required to pay support is confined in a jail, prison, or correctional facility for at least six months or begins serving a sentence greater than six months in a jail, prison, or correctional facility, regardless of when the department is notified of the incarceration. However:

(a) The person required to pay support is not entitled to a refund of any support collections or payments that were received by the department prior to the date on which the department is notified of the incarceration; and

(b) The department, the payee under the order, or the person entitled to receive support is not required to refund any support collections or payments that were received by the department prior to the date on which the department is notified of the incarceration.

(5) Abatement of a child support obligation based on incarceration of the person required to pay support does not constitute modification or adjustment of the order.

**NEW SECTION. Sec. 7.** A new section is added to chapter 26.09 RCW to read as follows:

Either the department, the person required to pay support, the payee under the order, or the person entitled to receive support may make a request for abatement of child support to ten dollars per month under an order for child support when the person required to pay support is currently confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(1) A request for the abatement of child support owed under one child support order does not automatically qualify as a request for abatement of support owed under every order that may exist requiring that person to pay support. However, the request applies to any support order which is being enforced by the department at the time of the request.

(2) If there are multiple orders requiring the incarcerated person to pay child support, the issue of whether abatement of support due to incarceration is appropriate must be considered for each order.

(a) The payee or person entitled to receive support under each support order is entitled to notice and an opportunity to be heard regarding the potential abatement of support under that order.

(b) If the child or children covered by a support order are not residing with the payee under the order, any other person entitled to receive support for the child or children must be provided notice and an opportunity to be heard regarding the potential abatement of support under that order.

**NEW SECTION. Sec. 8.** A new section is added to chapter 26.09 RCW to read as follows:

(1) When a child support order contains language regarding abatement to ten dollars per month per order based on incarceration of the person required to pay support, and that person is currently confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility, the department must:

(a) Review the support order for abatement once the department receives notice from the person required to pay support or someone acting on his or her behalf that the person may qualify for abatement of support;

(b) Review its records and other available information to determine if the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated; and

(c) Decide whether abatement of the person's support obligation is appropriate.

(2) If the department decides that abatement of the person's support obligation is appropriate, the department must notify the person required to pay support, and the payee under the order or the person entitled to receive support, that the incarcerated person's support obligation has been abated and that the abatement will continue until the first day of the fourth month after the person is released from confinement. The notification must include the following information:

(a) The payee under the order or the person entitled to receive support may object to the abatement of support due to incarceration;

(i) An objection must be received within twenty days of the notification of abatement;

(ii) Any objection will be forwarded to the office of administrative hearings for an adjudicative proceeding under chapter 34.05 RCW;

(iii) The department, the person required to pay support, and the payee under the order or the person entitled to receive support, all have the right to participate in the administrative hearing as parties; and

(iv) The burden of proof is on the party objecting to the abatement of support to show that the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated;

(b) The effective date of the abatement of support;

(c) The estimated date of release;

(d) The estimated date that the abatement will end;

(e) That the person required to pay support, the payee under the order, the person entitled to receive support, or the department may file an action to modify the underlying support order once the person required to pay support is released from incarceration, as provided under section 4(3)(d) of this act; and

(f) That, if the abated obligation was established by a court order, the department will file a copy of the notification in the court file.

(3) If the department decides that abatement of the incarcerated person's support obligation is not appropriate, the department must notify the person required to pay support and the payee under the order or the person entitled to receive support, that the department does not believe that abatement of the support obligation should occur. The notification must include the following information:

(a) The reasons why the department decided that abatement of the support obligation is not appropriate;

(b) The person required to pay support and the payee under the order or the person entitled to receive support may object to the department's decision not to abate the support obligation;

(i) An objection must be received within twenty days of the notification of abatement;

(ii) Any objection will be forwarded to the office of administrative hearings for an adjudicative proceeding under chapter 34.05 RCW; and

(iii) The department, the incarcerated person, and the payee under the order or the person entitled to receive support all have the right to participate in the administrative hearing as parties;

(c) That, if the administrative law judge enters an order providing that abatement is appropriate, the department will take appropriate steps to document the abatement and will provide notification to the parties as required in subsection (2) of this section.

**NEW SECTION. Sec. 9.** A new section is added to chapter 26.09 RCW to read as follows:

(1) When a court or administrative order does not contain language regarding abatement based on incarceration of the person required to pay support and the department receives notice that the person is currently confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility, the department must refer the case to the appropriate forum for a determination of whether the order should be modified to:

(a) Contain abatement language as provided in section 4 of this act; and

(b) Abate the person's child support obligation due to current incarceration.

(2) In a proceeding brought under this section, there is a rebuttable presumption that an incarcerated person is unable to pay the child support obligation. The department, the payee under the order, or the person entitled to receive support may rebut the presumption by demonstrating that the incarcerated person has possession of, or access to, income or assets available to provide support while incarcerated.

(3) Unless the presumption is rebutted, the court or administrative forum must enter an order providing that the child support obligation under the order is abated to ten

dollars per month, without regard to the number of children covered by the order, if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(4) The order must:

(a) Include the appropriate language required by section 4 of this act in order to provide for a rebuttable presumption of abatement to ten dollars per month per order;

(b) Provide that the order must be reinstated at fifty percent of the previously ordered support amount but not less than the presumptive minimum obligation of fifty dollars per month per child, effective on the first day of the fourth month after the person's release from confinement, and also provide that the order must be automatically reinstated at one hundred percent of the previously ordered support amount effective one year after release from confinement; and

(c) Include language regarding an action to modify or adjust the underlying order as provided under section 4(3) of this act.

**NEW SECTION. Sec. 10.** A new section is added to chapter 26.09 RCW to read as follows:

(1) At any time during the period of incarceration, the department, the payee under the order, or the person entitled to receive support may file a request to reverse or terminate the abatement of support by demonstrating that the incarcerated person has possession of, or access to, income or assets available to provide support while incarcerated.

(a) A request for reversal or termination of the abatement may be filed with the department or with the office of administrative hearings.

(b) The request must include documents or other evidence showing that the incarcerated person has possession of, or access to, income or assets available to provide support while incarcerated.

(c) If the request for a hearing does not include documents or evidence showing that the incarcerated person has possession of, or access to, income or assets, the department may file a motion asking that the request for a hearing be dismissed before a hearing is scheduled or held.

(d) The party seeking to reverse or terminate the abatement may seek to vacate the dismissal order by filing a motion which includes the required proof.

(e) Depending on the type of evidence provided at the hearing, the administrative law judge may order that the abatement of the support obligation be:

(i) Reversed, meaning that the determination that support should be abated is vacated and all amounts owed under the support order are reinstated; or

(ii) Terminated, meaning that the abatement of support ends as of the date specified in the order.

(2) At any time during the period of incarceration, the person required to pay support may file a request to reverse or terminate the abatement of support.

(a) The request for reversal or termination of the abatement may be filed with the department or with the office of administrative hearings.

(b) The person required to pay support is not required to provide any documents or other evidence to support the request.

(3) Abatement of a support obligation does not constitute modification or adjustment of the order.

**Sec. 11.** RCW 26.23.050 and 2019 c 46 s 5026 are each amended to read as follows:

(1) If the division of child support is providing support enforcement services under RCW 26.23.045, or if a party is applying for support enforcement services by signing the application form on the bottom of the support order, the superior court shall include in all court orders that establish or modify a support obligation:

(a) A provision that orders and directs the ~~((responsible parent))~~ person required to pay support to make all support payments to the Washington state support registry;

(b) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of the court order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) A statement that the ~~((receiving parent))~~ payee under the order or the person entitled to receive support might be required to submit an accounting of how the support, including any cash medical support, is being spent to benefit the child;

(d) A statement that ~~((any parent))~~ a party to the support order who is required to provide health care coverage for the child or children covered by the order must notify the division of child support and the other ((parent)) party to the support order when the coverage terminates; ~~((and))~~

(e) A statement that ~~((the responsible parent's privileges))~~ any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the ((parent)) person is not in compliance with a support order as provided in RCW 74.20A.320; and

(f) A statement that the support obligation under the order may be abated as provided in section 4 of this act if the

person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

As used in this subsection and subsection (3) of this section, "good cause not to require immediate income withholding" means a written determination of why implementing immediate wage withholding would not be in the child's best interests and, in modification cases, proof of timely payment of previously ordered support.

(2) In all other cases not under subsection (1) of this section, the court may order the ~~((responsible parent))~~ person required to pay support to make payments directly to the person entitled to receive the payments, to the Washington state support registry, or may order that payments be made in accordance with an alternate arrangement agreed upon by the parties.

(a) The superior court shall include in all orders under this subsection that establish or modify a support obligation:

(i) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of the court order, unless:

(A) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(B) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(ii) A statement that the ~~((receiving parent))~~ payee under the order or the person entitled to receive support may be required to submit an accounting of how the support is being spent to benefit the child;

(iii) A statement that any ~~((parent))~~ party to the order required to provide health care coverage for the child or children covered by the order must notify the division of child support and the other ~~((parent))~~ party to the order when the coverage terminates; and

(iv) A statement that a ~~((parent))~~ party to the order seeking to enforce the other party's obligation to provide health care coverage may:

(A) File a motion in the underlying superior court action; or

(B) If there is not already an underlying superior court action, initiate an action in the superior court.

As used in this subsection, "good cause not to require immediate income withholding" is any reason that the court finds appropriate.

(b) The superior court may order immediate or delayed income withholding as follows:

(i) Immediate income withholding may be ordered if the ~~((responsible parent))~~ person required to pay support has earnings. If immediate income withholding is ordered under this subsection, all support payments shall be paid to the Washington state support registry. The superior court shall issue a mandatory wage assignment order as set forth in chapter 26.18 RCW when the support order is signed by the court. The ~~((parent))~~ payee under the order or the person entitled to receive the transfer payment is responsible for serving the employer with the order and for its enforcement as set forth in chapter 26.18 RCW.

(ii) If immediate income withholding is not ordered, the court shall require that income withholding be delayed until a payment is past due. The support order shall contain a statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support, after a payment is past due.

(c) If a mandatory wage withholding order under chapter 26.18 RCW is issued under this subsection and the division of child support provides support enforcement services under RCW 26.23.045, the existing wage withholding assignment is prospectively superseded upon the division of child support's subsequent service of an income withholding notice.

(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the ~~((responsible parent))~~ person required to pay support shall make all support payments to the Washington state support registry. All administrative orders shall also state that ~~((the responsible parent's privileges))~~ any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the ~~((parent))~~ person is not in compliance with a support order as provided in RCW 74.20A.320. All administrative orders shall also state that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of the order, unless:

(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or

(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.

(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state support registry and a statement that withholding action may be taken against wages, earnings, assets, or benefits if a support payment is past due or at any time after the entry of the order, or that ~~((a parent's))~~ licensing privileges of the person required to pay support may not be renewed, or may be suspended, the division of

child support may serve a notice on the ~~((responsible parent))~~ person stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.

(5) Every support order shall state:

(a) The address where the support payment is to be sent;

(b) That withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of a support order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The names and ages of the dependent children;

(g) A provision requiring both the ~~((responsible parent))~~ person required to pay support, and the ~~((custodial parent))~~ payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, to keep the Washington state support registry informed of whether he or she has access to health care coverage at reasonable cost and, if so, the health care coverage information;

(h) That either or both the ~~((responsible parent))~~ person required to pay support, and the ~~((custodial parent))~~ payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, shall be obligated to provide medical support for ~~((his or her))~~ a child or children covered by the order through health care coverage if:

(i) The ~~((obligated parent))~~ person obligated to provide medical support provides accessible coverage for the child or children through private or public health care coverage; or

(ii) Coverage that can be extended (to cover the child or children is or becomes available to the ~~((parent))~~ person obligated to provide medical support through employment or is union-related; or

(iii) In the absence of such coverage, through an additional sum certain amount, as that ~~((parent's))~~ obligated person's monthly payment toward the premium as provided under RCW 26.09.105;

(i) That a ~~((parent))~~ person obligated to provide medical support who is providing health care coverage must notify both the division of child support and the other ~~((parent))~~ party to the order when coverage terminates;

(j) That if proof of health care coverage or proof that the coverage is unavailable is not provided within twenty days, the ~~((parent))~~ person seeking enforcement or the department may seek direct enforcement of the coverage through the employer or union of the ~~((parent))~~ person required to provide medical support without further notice to the ~~((parent))~~ person as provided under chapter 26.18 RCW;

(k) The reasons for not ordering health care coverage if the order fails to require such coverage;

(l) That ~~((the responsible parent's privileges))~~ any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the ~~((parent))~~ person is not in compliance with a support order as provided in RCW 74.20A.320;

(m) That each ~~((parent))~~ party to the support order must:

(i) Promptly file with the court and update as necessary the confidential information form required by subsection (7) of this section; and

(ii) Provide the state case registry and update as necessary the information required by subsection (7) of this section; and

(n) That parties to administrative support orders shall provide to the state case registry and update as necessary their residential addresses and the address of the ~~((responsible parent's))~~ employer of the person required to pay support. The division of child support may adopt rules that govern the collection of parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, the names of the children, social security numbers of the children, dates of birth of the children, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers to enforce an administrative support order. The division of child support shall not release this information if the division of child support determines that there is reason to believe that release of the information may result in physical or emotional harm to the party or to the child, or a restraining order or protective order is in effect to protect one party from the other party.

(6) After the ~~((responsible parent))~~ person required to pay support has been ordered or notified to make payments to the Washington state support registry under this section, ~~((the responsible parent))~~ that person shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income-withholding action. The ~~((responsible parent))~~ person required to pay support shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry except as provided under RCW 74.20.101. A civil action may be brought by the ~~((payer))~~ person required to pay support to recover payments made to persons or

agencies who have received and retained support moneys paid contrary to the provisions of this section.

(7) All petitioners and parties to all court actions under chapters 26.09, 26.10, 26.12, 26.18, 26.21A, 26.23, 26.26A, 26.26B, and 26.27 RCW shall complete to the best of their knowledge a verified and signed confidential information form or equivalent that provides the parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers. The clerk of the court shall not accept petitions, except in parentage actions initiated by the state, orders of child support, decrees of dissolution, or parentage orders for filing in such actions unless accompanied by the confidential information form or equivalent, or unless the confidential information form or equivalent is already on file with the court clerk. In lieu of or in addition to requiring the parties to complete a separate confidential information form, the clerk may collect the information in electronic form. The clerk of the court shall transmit the confidential information form or its data to the division of child support with a copy of the order of child support or parentage order, and may provide copies of the confidential information form or its data and any related findings, decrees, parenting plans, orders, or other documents to the state administrative agency that administers Title IV-A, IV-D, IV-E, or XIX of the federal social security act. In state initiated parentage actions, the parties adjudicated the parents of the child or children shall complete the confidential information form or equivalent or the state's attorney of record may complete that form to the best of the attorney's knowledge.

(8) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

**Sec. 12.** RCW 74.20A.055 and 2019 c 46 s 5052 are each amended to read as follows:

(1) The secretary may, if there is no order that establishes ~~((the responsible parent's))~~ a person's support obligation or specifically relieves the ~~((responsible parent))~~ person required to pay support of a support obligation or pursuant to an establishment of parentage under chapter 26.26A or 26.26B RCW, serve on the ~~((responsible parent or parents))~~ person or persons required to pay support and ~~((custodial parent))~~ the person entitled to receive support a notice and finding of financial responsibility requiring ~~((the parents))~~ those persons to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future. The hearing shall be held pursuant to this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department. A ~~((custodian))~~ person who has physical custody of a child has the same rights ~~((that a custodial~~

~~parent has~~) under this section as a parent with whom the child resides.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the ~~((responsible parent))~~ person required to pay support by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the ~~((debtor))~~ person required to pay support within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the ~~((debtor))~~ person required to pay support and is unable to do so the entire sixty-day period is tolled until such time as the ~~((debtor))~~ person can be located. The notice may be served upon the ~~((custodial parent))~~ person entitled to receive support who is the nonassistance applicant or public assistance recipient by first-class mail to the last known address. If the ~~((custodial parent))~~ person entitled to receive support is not the nonassistance applicant or public assistance recipient, service shall be in the same manner as for the ~~((responsible parent))~~ person required to pay support.

(3) The notice and finding of financial responsibility shall set forth the amount the department has determined the ~~((responsible parent))~~ person required to pay support owes, the support debt accrued and/or accruing, and periodic payments to be made in the future. The notice and finding shall also include:

(a) A statement of the name of the ~~((custodial parent))~~ person entitled to receive support and the name of the child or children for whom support is sought;

(b) A statement of the amount of periodic future support payments as to which financial responsibility is alleged;

(c) A statement that the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why the terms set forth in the notice should not be ordered;

(d) A statement that, if neither the ~~((responsible parent))~~ person required to pay support nor the ~~((custodial parent))~~ person entitled to receive support files in a timely fashion an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt and amounts due under the notice shall be subject to collection action;

(e) A statement that the property of the ~~((debtor))~~ person required to pay support, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, order to withhold and deliver, notice of payroll deduction or other collection action to

satisfy the debt and enforce the support obligation established under the notice;

(f) A statement that ~~((one or both parents))~~ the person required to pay support, and the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, are responsible for either:

(i) Providing health care coverage for the child if accessible coverage that can cover the child:

(A) Is available through health insurance or public health care coverage; or

(B) Is or becomes available to the ~~((parent))~~ obligated person through that ~~((parent's))~~ person's employment or union; or

(ii) Paying a monthly payment toward the premium if no such coverage is available, as provided under RCW 26.09.105; and

(g) A statement that the support obligation under the order may be abated to ten dollars per month per order as provided in section 4 of this act if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(4) A ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ person entitled to receive support who objects to the notice and finding of financial responsibility may file an application for an adjudicative proceeding within twenty days of the date of service of the notice or thereafter as provided under this subsection.

(a) If the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support files the application within twenty days, the office of administrative hearings shall schedule an adjudicative proceeding to hear the ~~((parent's))~~ party's or ~~((parents'))~~ parties' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application stays collection action pending the entry of a final administrative order;

(b) If both the ~~((responsible parent))~~ person required to pay support and the ~~((custodial parent))~~ person entitled to receive support fail to file an application within twenty days, the notice and finding shall become a final administrative order. The amounts for current and future support and the support debt stated in the notice are final and subject to collection, except as provided under (c) and (d) of this subsection;

(c) If the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support files the application more than twenty days after, but within one year of the date of service, the office of administrative hearings shall schedule an adjudicative proceeding to hear the ~~((parent's))~~ party's or ~~((parents'))~~ parties' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application does not stay further collection action, pending the entry of a final

administrative order, and does not affect any prior collection action;

(d) If the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support files the application more than one year after the date of service, the office of administrative hearings shall schedule an adjudicative proceeding at which the ~~((parent))~~ party who requested the late hearing must show good cause for failure to file a timely application. The filing of the application does not stay future collection action and does not affect prior collection action:

(i) If the presiding officer finds that good cause exists, the presiding officer shall proceed to hear the ~~((parent's))~~ party's objection to the notice and determine the support obligation;

(ii) If the presiding officer finds that good cause does not exist, the presiding officer shall treat the application as a petition for prospective modification of the amount for current and future support established under the notice and finding. In the modification proceeding, the presiding officer shall set current and future support under chapter 26.19 RCW. The petitioning ~~((parent))~~ party need show neither good cause nor a substantial change of circumstances to justify modification of current and future support;

(e) If the ~~((responsible parent's))~~ support obligation was based upon imputed median net income, the grant standard, or the family need standard, the division of child support may file an application for adjudicative proceeding more than twenty days after the date of service of the notice. The office of administrative hearings shall schedule an adjudicative proceeding and provide notice of the hearing to the ~~((responsible parent))~~ person required to pay support and the ~~((custodial parent))~~ person entitled to receive support. The presiding officer shall determine the support obligation for the entire period covered by the notice, based upon credible evidence presented by the division of child support, the ~~((responsible parent))~~ person required to pay support, or the ~~((custodial parent))~~ person entitled to receive support, or may determine that the support obligation set forth in the notice is correct. The division of child support demonstrates good cause by showing that the ~~((responsible parent's))~~ support obligation was based upon imputed median net income, the grant standard, or the family need standard. The filing of the application by the division of child support does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action.

(f) The department shall retain and/or shall not refund support money collected more than twenty days after the date of service of the notice. Money withheld as the result of collection action shall be delivered to the department. The department shall distribute such money, as provided in published rules.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the ~~((alleged responsible parent))~~ person required to pay support and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of

any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule in making these determinations, the presiding or reviewing officer shall apply the standards contained in the child support schedule and enter written findings of fact supporting the deviation.

(6) If either the ~~((responsible parent))~~ person required to pay support or the ~~((custodial parent))~~ person entitled to receive support fails to attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the presiding officer shall enter an order of default against each party who did not appear and may enter an administrative order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. The parties who appear may enter an agreed settlement or consent order, which may be different than the terms of the department's notice. Any party who appears may choose to proceed to the hearing, after the conclusion of which the presiding officer or reviewing officer may enter an order that is different than the terms stated in the notice, if the obligation is supported by credible evidence presented by any party at the hearing.

(7) The final administrative order establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the administrative order.

(8) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by a presiding or reviewing officer.

(9) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

**Sec. 13.** RCW 74.20A.056 and 2019 c 148 s 38 and 2019 c 46 s 5053 are each reenacted and amended to read as follows:

(1)(a) If an acknowledged parent has signed an acknowledgment of parentage that has been filed with the state registrar of vital statistics:

(i) The division of child support may serve a notice and finding of financial responsibility under RCW 74.20A.055 based on the acknowledgment. The division of child support shall attach a copy of the acknowledgment or certification of the birth record information advising of the existence of a filed acknowledgment of parentage to the notice;

(ii) The notice shall include a statement that the acknowledged parent or any other signatory may commence a proceeding in court to rescind or challenge the acknowledgment or denial of parentage under RCW 26.26A.235 and 26.26A.240;

(iii) A statement that ~~((either or both parents))~~ the person required to pay support, and the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, are responsible for providing health care coverage for the child if accessible coverage that can be extended to cover the child is or becomes available to the ~~((parent))~~ obligated person through employment or is union-related as provided under RCW 26.09.105; ~~((and))~~

(iv) The party commencing the action to rescind or challenge the acknowledgment or denial must serve notice on the division of child support and the office of the prosecuting attorney in the county in which the proceeding is commenced. Commencement of a proceeding to rescind or challenge the acknowledgment or denial stays the establishment of the notice and finding of financial responsibility, if the notice has not yet become a final order; and

(v) A statement that the support obligation under the order may be abated to ten dollars per month per order as provided in section 4 of this act if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(b) If neither ~~((the acknowledged parent nor the other))~~ party to the notice files an application for an adjudicative proceeding or the signatories to the acknowledgment or denial do not commence a proceeding to rescind or challenge the acknowledgment of parentage, the amount of support stated in the notice and finding of financial responsibility becomes final, subject only to a subsequent determination under RCW 26.26A.400 through 26.26A.515 that the parent-child relationship does not exist. The division of child support does not refund nor return any amounts collected under a notice that becomes final under this section or RCW 74.20A.055, even if a court later determines that the acknowledgment is void.

(c) An acknowledged parent or other party to the notice who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt and the amount of the current and future support obligation.

(i) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department.

(ii) If the application for an adjudicative proceeding is not filed within twenty days of the service of the notice, any amounts collected under the notice shall be neither refunded nor returned if the ~~((alleged genetic parent))~~ person required to pay support under the notice is later found not to be ~~((a responsible parent))~~ required to pay support.

(d) If neither the acknowledged parent nor the ~~((custodial parent))~~ person entitled to receive support requests an adjudicative proceeding, or if no timely action is brought to rescind or challenge the acknowledgment or denial after service of the notice, the notice of financial responsibility becomes final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26A.400 through 26.26A.515.

(2) Acknowledgments of parentage are subject to requirements of chapters 26.26A, 26.26B, and 70.58A RCW.

(3) The department and the department of health may adopt rules to implement the requirements under this section.

(4) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

**Sec. 14.** RCW 74.20A.059 and 2019 c 275 s 3 are each amended to read as follows:

(1) The department, the ~~((physical custodian))~~ payee under the order or the person entitled to receive support, or the ~~((responsible parent))~~ person required to pay support may petition for a prospective modification of a final administrative order if:

(a) The administrative order has not been superseded by a superior court order; and

(b) There has been a substantial change of circumstances, except as provided under RCW 74.20A.055(4)(d) or subsection (2) of this section.

(2) The department, the person entitled to receive support, the payee under the order, or the person required to pay support may petition for a prospective modification of a final administrative order if the person required to pay support is currently confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility, and the support order does not contain language regarding abatement due to incarceration.

(a) The petition may be filed at any time after the administrative support order became a final order, as long as the person required to pay support is currently incarcerated.

(b) As part of the petition for modification, the petitioner may also request that the support obligation be abated to ten dollars per month per order due to incarceration, as provided in section 4 of this act.

(3) An order of child support may be modified at any time without a showing of substantially changed circumstances if incarceration of the ~~((parent who is obligated))~~ person required to pay support is the basis for the inconsistency between the existing child support order amount and the amount of support determined as a result of a review.

~~((3))~~ (4) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child; or

(b) If a child is a full-time student and reasonably expected to complete secondary school or the equivalent level of vocational or technical training before the child becomes nineteen years of age upon a finding that there is a need to extend support beyond the eighteenth birthday.

~~((4))~~ (5) An order may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require medical support under RCW 26.09.105 for a child covered by the order; ~~((or))~~

(b) Modify an existing order for health care coverage; or

(c) Modify an existing order when the person required to pay support has been released from incarceration, as provided in section 4(3)(d) of this act.

~~((5))~~ (6) Support orders may be adjusted once every twenty-four months based upon changes in the income of the ~~((parents))~~ parties to the order without a showing of substantially changed circumstances. This provision does not mean that the income of a person entitled to receive support who is not a parent of the child or children covered by the order must be disclosed or be included in the calculations under chapter 26.19 RCW when determining the support obligation.

~~((6))~~ (7)(a) All administrative orders entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change of circumstances. The petition may be filed based on changes in the child support schedule after twelve months has expired from the entry of the administrative order or the most recent modification order setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection ~~((5))~~ (6) of this section.

(b) If, pursuant to subsection ~~((5))~~ (6) of this section or (a) of this subsection, the order modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the change may be implemented in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection ~~((5))~~ (6) of this section may be filed.

~~((7))~~ (8) An increase in the wage or salary of the ~~((parent or custodian who is receiving))~~ person entitled to receive the support transfer payments is not a substantial change in circumstances for purposes of modification under subsection (1)(b) of this section. ~~((An obligor's))~~ The voluntary unemployment or voluntary underemployment of

the person required to pay support, by itself, is not a substantial change of circumstances. The income of the person entitled to receive support is only disclosed or considered if that person is a parent of the child or children covered by the order.

~~((8))~~ (9) The department shall file the petition and a supporting affidavit with the ~~((secretary or the secretary's designee))~~ office of administrative hearings when the department petitions for modification.

~~((9))~~ (10) The ~~((responsible parent))~~ person required to pay support or the ~~((physical custodian))~~ payee under the order or the person entitled to receive support shall follow the procedures in this chapter for filing an application for an adjudicative proceeding to petition for modification.

~~((10))~~ (11) Upon the filing of a proper petition or application, the ~~((secretary or the secretary's designee))~~ office of administrative hearings shall issue an order directing each party to appear and show cause why the order should not be modified.

~~((11))~~ (12) If the presiding or reviewing officer finds a modification is appropriate, the officer shall modify the order and set current and future support under chapter 26.19 RCW.

**Sec. 15.** RCW 26.09.170 and 2019 c 275 s 2 are each amended to read as follows:

(1) Except as otherwise provided in RCW 26.09.070(7), the provisions of any decree respecting maintenance or support may be modified: (a) Only as to installments accruing subsequent to the petition for modification or motion for adjustment except motions to compel court-ordered adjustments, which shall be effective as of the first date specified in the decree for implementing the adjustment; and, (b) except as otherwise provided in this section, only upon a showing of a substantial change of circumstances. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance or registration of a new domestic partnership of the party receiving maintenance.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the ~~((parent obligated to))~~ person required to pay support for the child.

(4) Unless expressly provided by an order of the superior court or a court of comparable jurisdiction, provisions for the support of a child are terminated upon the marriage or registration of a domestic partnership to each other of parties to a paternity or parentage order, or upon the remarriage or registration of a domestic partnership to each other of parties to a decree of dissolution. The remaining

provisions of the order, including provisions establishing ~~((paternity))~~ parentage, remain in effect.

(5)(a) A party to an order of child support may petition for a modification based upon a showing of substantially changed circumstances at any time.

(b) ~~((An obligor's))~~ The voluntary unemployment or voluntary underemployment of the person required to pay support, by itself, is not a substantial change of circumstances.

(6) An order of child support may be modified at any time to add language regarding abatement to ten dollars per month per order due to the incarceration of the person required to pay support, as provided in section 4 of this act.

(a) The department of social and health services, the person entitled to receive support or the payee under the order, or the person required to pay support may petition for a prospective modification of a child support order if the person required to pay support is currently confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility, and the support order does not contain language regarding abatement due to incarceration.

(b) The petition may only be filed if the person required to pay support is currently incarcerated.

(c) As part of the petition for modification, the petitioner may also request that the support obligation be abated to ten dollars per month per order due to incarceration, as provided in section 4 of this act.

(7) An order of child support may be modified without showing a substantial change of circumstances if the requested modification is to modify an existing order when the person required to pay support has been released from incarceration, as provided in section 4(3)(d) of this act.

(8) An order of child support may be modified one year or more after it has been entered without a showing of substantially changed circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child;

(b) If a child is still in high school, upon a finding that there is a need to extend support beyond the eighteenth birthday to complete high school; or

(c) To add an automatic adjustment of support provision consistent with RCW 26.09.100.

~~((7))~~ (9)(a) If twenty-four months have passed from the date of the entry of the order or the last adjustment or modification, whichever is later, the order may be adjusted without a showing of substantially changed circumstances based upon:

(i) Changes in the income of the ~~((parents))~~ person required to pay support, or of the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order; or

(ii) Changes in the economic table or standards in chapter 26.19 RCW.

(b) Either party may initiate the adjustment by filing a motion and child support worksheets.

(c) If the court adjusts or modifies a child support obligation pursuant to this subsection by more than thirty percent and the change would cause significant hardship, the court may implement the change in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a motion for another adjustment under this subsection may be filed.

~~((8))~~ (10)(a) The department of social and health services may file an action to modify or adjust an order of child support if public assistance money is being paid to or for the benefit of the child and the department has determined that the child support order is at least fifteen percent above or below the appropriate child support amount set forth in the standard calculation as defined in RCW 26.19.011.

(b) The department of social and health services may file an action to modify or adjust an order of child support in a nonassistance case if:

(i) The department has determined that the child support order is at least fifteen percent above or below the appropriate child support amount set forth in the standard calculation as defined in RCW 26.19.011;

(ii) The department has determined the case meets the department's review criteria; and

(iii) A party to the order or another state or jurisdiction has requested a review.

(c) If incarceration of the ~~((parent who is obligated))~~ person required to pay support is the basis for the difference between the existing child support order amount and the proposed amount of support determined as a result of a review, the department may file an action to modify or adjust an order of child support even if:

(i) There is no other change of circumstances; and

(ii) The change in support does not meet the fifteen percent threshold.

(d) The determination of whether the child support order is at least fifteen percent above or below the appropriate child support amount must be based on the current income of the parties.

~~((9))~~ (11) The department of social and health services may file an action to modify or adjust an order of child support under subsections (5) through ~~((7))~~ (9) of this section if:

(a) Public assistance money is being paid to or for the benefit of the child;

(b) A party to the order in a nonassistance case has requested a review; or

(c) Another state or jurisdiction has requested a modification of the order.

~~((40))~~ (12) If testimony other than affidavit is required in any proceeding under this section, a court of this state shall permit a party or witness to be deposed or to testify under penalty of perjury by telephone, audiovisual means, or other electronic means, unless good cause is shown.

**NEW SECTION. Sec. 16.** A new section is added to chapter 26.09 RCW to read as follows:

The department is granted rule-making authority to adopt rules necessary for the implementation of this act.

**Sec. 17.** RCW 26.23.110 and 2009 c 476 s 5 are each amended to read as follows:

(1) The department may serve a notice of support owed ~~((on a responsible parent))~~ when a child support order:

(a) Does not state the current and future support obligation as a fixed dollar amount;

(b) Contains an escalation clause or adjustment provision for which additional information not contained in the support order is needed to determine the fixed dollar amount of the support debt or the fixed dollar amount of the current and future support obligation, or both; ~~((or))~~

(c) Provides that the person required by the order to make the transfer payment must pay a portion of child care or day care expenses for a child or children covered by the order; or

(d) Provides that ~~((the responsible parent is responsible for paying))~~ either the person required to pay support or the person entitled to receive support, or both, are obligated to pay for a portion of uninsured medical costs, copayments, and/or deductibles incurred on behalf of the child or children covered by the order, but does not reduce the costs to a fixed dollar amount.

(2) The department may serve a notice of support owed for day care or child care on the person required by the order to make the transfer payment when:

(a) The underlying support order requires that person to pay his or her proportionate share of day care or child care costs directly to the person entitled to receive support; or

(b) The person entitled to receive support is seeking reimbursement because he or she has paid the share of day care or child care costs owed by the person required by the order to make the transfer payment.

(3) The department may serve a notice of support owed for medical support on ~~((a parent who has been designated to pay per a))~~ any person obligated by a child support order to provide medical support for the child or children covered by the order. There are two different types of medical support obligations:

(a) Health care coverage: The department may serve a notice of support owed to determine an obligated person's monthly payment toward the premium as defined in RCW 26.09.105, if the support order does not set a fixed dollar amount for the monthly payment toward the premium.

(b) Uninsured medical expenses: The department may serve a notice of support owed on any person who is obligated to pay a portion of uninsured medical costs, copayments, or deductibles incurred on behalf of the child or children covered by the order, ~~((but only))~~ when the support order does not reduce the costs to a fixed dollar amount.

~~((3))~~ ~~The department may serve a notice of support owed to determine a parent's monthly payment toward the premium as defined in RCW 26.09.105, if the support order does not set a fixed dollar amount for the monthly payment toward the premium.)~~ (i) The notice of support owed may be served for purposes of reimbursing a person who has paid the share of uninsured medical expenses owed by any person obligated to contribute to those costs:

(ii) The notice of support owed may be served to establish a monthly amount to be paid by a person obligated to contribute to uninsured medical expenses when the underlying support order requires that person to pay his or her proportionate share of uninsured medical expenses directly to another party to the order; or

(iii) The notice of support owed may be served for both purposes listed in this subsection.

(4) The notice of support owed ~~((shall))~~ is intended to facilitate enforcement of the support order and implement and effectuate the terms of the support order, rather than modify those terms. When the ~~((office of support enforcement))~~ department issues a notice of support owed, the ~~((office shall))~~ department must inform the payee under the support order.

(5) Service of the notice of support owed ~~((shall))~~ must be as follows:

(a) An initial notice of support owed must be served on ~~((a responsible parent))~~ the person required by the order to pay support or contribute to costs by personal service or any form of mailing requiring a return receipt. ~~((The notice shall be served on the applicant or recipient of services by first class mail to the last known address.))~~ The initial notice may be served on the person who is entitled to receive the support covered by the notice, as well as the payee under the order if appropriate, by regular mail.

(b) A notice of support owed created for purposes of reviewing an ongoing support obligation established by a prior notice of support owed may be served on the person required by the order to pay support or contribute to costs by regular mail to that person's last known address.

(c) An initial notice of support owed, as well as any notice created for purposes of reviewing an ongoing support obligation established by a prior notice of support owed may be served on the person entitled to receive the support by regular mail to that person's last known address.

(6) The notice of support owed ~~((shall))~~ must contain:

(a) An initial finding of the fixed dollar amount of current and future support obligation that should be paid or the fixed dollar amount of the support debt owed under the support order, or both; and

(b) A statement that any subsequent notice of support owed created for purposes of reviewing the amounts established by the current notice may be served on any party to the order by regular mail to that person's last known address.

~~((6))~~ (7) A ((parent)) person who objects to the fixed dollar amounts stated in the notice of support owed has twenty days from the date of the service of the notice of support owed to file an application for an adjudicative proceeding or initiate an action in superior court.

~~((7))~~ (8) The notice of support owed ((shall)) must state that the ((parent)) person may:

(a) File an application for an adjudicative proceeding governed by chapter 34.05 RCW, the administrative procedure act, in which the ~~((parent))~~ person will be required to appear and show cause why the fixed dollar amount of support debt or current and future support obligation, or both, stated in the notice of support owed is incorrect and should not be ordered; or

(b) Initiate an action in superior court.

~~((8))~~ (9) If ((either parent does not file)) no person included in the notice files an application for an adjudicative proceeding or ((initiate)) initiates an action in superior court, the fixed dollar amount of current and future support obligation or support debt, or both, stated in the notice of support owed ((shall become)) becomes final and subject to collection action.

~~((9))~~ (10) If an adjudicative proceeding is requested, the ((department shall mail a copy of the notice of adjudicative proceeding to the parties)) office of administrative hearings must schedule a hearing. All persons included in the notice are entitled to participate in the hearing with full party rights.

~~((10))~~ (11) If ((either parent does not initiate)) no person included in the notice initiates an action in superior court, and ((serve)) serves notice of the action on the department and the other party to the support order within the twenty-day period, ((the parent shall)) all persons included in the notice must be deemed to have made an election of remedies and ((shall be required to)) must exhaust administrative remedies under this chapter with judicial review available as provided for in RCW 34.05.510 through 34.05.598.

~~((11))~~ (12) An ((adjudicative)) administrative order entered in accordance with this section ((shall)) must state:

(a) The basis, rationale, or formula upon which the fixed dollar amounts established in the ((adjudicative)) order were based((-);

(b) The fixed dollar amount of current and future support obligation or the amount of the support debt, or both, determined under this section ((shall be)) is subject to collection under this chapter and other applicable state statutes; and

(c) That any subsequent notice of support owed created for purposes of reviewing the amounts established

by the current notice may be served on any party to the order by regular mail to that person's last known address.

~~((12))~~ (13) The department ((shall)) must also provide for:

(a) An annual review of the support order if ~~((either))~~ the ~~((office of support enforcement))~~ department, the person required to pay support, the payee under the order, or the ((parent)) person entitled to receive support requests such a review; and

(b) A late ~~((adjudicative proceeding))~~ hearing if ~~((the parent))~~ a person included in the notice fails to file an application for an adjudicative proceeding in a timely manner under this section.

~~((13))~~ (14) If an annual review ((or late adjudicative proceeding)) is requested under subsection ((12)) (13) of this section, the department ((shall mail)) may serve the notice of annual review of the administrative order based on the prior notice of support owed by mailing a copy of the notice ((of adjudicative proceeding)) by regular mail to the ((parties)) last known address of all parties to the order.

~~((14))~~ (15) If one of the parties requests a late hearing under subsection (13) of this section, the office of administrative hearings must schedule an adjudicative proceeding.

(16) An annual review under subsection (13) of this section is used to determine whether the expense remained the same, increased or decreased, and whether there is a discrepancy between the actual expense and the amount determined under the prior notice of support owed.

(a) If a change in the actual expense which was the basis for the most recent notice of support owed occurs before twelve months pass, any party to the order may request that the department accelerate the annual review described in subsection (13) of this section.

(b) The department may review any evidence presented by the person claiming that the expense has occurred and determine whether the change is likely to create a significant overpayment or underpayment if the department does not serve a new notice of support owed.

(c) Under appropriate circumstances, the department may accelerate the time for the review and serve a notice of support owed even if twelve months have not passed.

(17) The department has rule-making authority to:

(a) Enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005((- Additionally, the department has rule-making authority to);

(b) Implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308; and

(c) Implement the provisions of this section.

NEW SECTION. Sec. 18. Sections 3 through 13 of this act take effect February 1, 2021."

On page 1, line 4 of the title, after "owed;" strike the remainder of the title and insert "amending RCW 26.19.011, 26.19.071, 26.23.050, 74.20A.055, 74.20A.059, 26.09.170, and 26.23.110; reenacting and amending RCW 74.20A.056; adding new sections to chapter 26.09 RCW; creating a new section; and providing an effective date."

"NEW SECTION. Sec. 19. A new section is added to chapter 46.96 RCW to read as follows:

(1) Notwithstanding the terms of a franchise agreement, a brand owner shall not directly or indirectly:

(a) Require a new motor vehicle dealer to offer a secondary product;

(b) Require a new motor vehicle dealer to provide a customer with a disclosure not otherwise required by law; or

(c) Prohibit a new motor vehicle dealer from offering a secondary product including, but not limited to:

(i) Service contracts;

(ii) Maintenance agreements;

(iii) Extended warranties;

(iv) Protection product guarantees;

(v) Guaranteed asset protection waivers;

(vi) Insurance;

(vii) Replacement parts;

(viii) Vehicle accessories;

(ix) Oil; or

(x) Supplies.

(2) It is not a violation of this section for a brand owner to offer an incentive program to new motor vehicle dealers to encourage them to sell or offer to sell a secondary product approved, endorsed, sponsored, or offered by the brand owner, provided the program does not provide vehicle sales or service incentives.

(3) It is not a violation of this section for a brand owner to prohibit a new motor vehicle dealer from using secondary products for any repair work paid for by the brand owner under the terms of a warranty, recall, service contract, extended warranty, maintenance plan, or certified preowned vehicle program established or offered by the brand owner.

(4) For the purposes of this section:

(a) "Brand owner" means a manufacturer, distributor, factory branch, factory representative, agent, officer, parent company, wholly or partially owned subsidiary, affiliate entity, or other person under common control with a factory, importer, or distributor.

(2) If a retail installment contract for the purchase of a motor vehicle includes the purchase of a secondary product, a lender who shares common control with a brand owner may not directly or indirectly require, as a condition of acceptance of assignment of the retail installment contract, that the buyer purchase a secondary product from a particular provider, administrator, or insurer. A violation of this subsection is deemed to affect the public interest and constitutes an unlawful and unfair practice under chapter 19.86 RCW.

(3) For the purposes of this section, "secondary product," "common control," and "brand owner" have the same meanings as provided in section 1 of this act."

**MESSAGE FROM THE SENATE**

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2528 with the following amendment:

38.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that the intergovernmental panel on climate change (IPCC) released a report in 2019 entitled "IPCC special report on climate change, desertification, land degradation, sustainable land management, food security, and greenhouse gas fluxes in terrestrial ecosystems" that provides guidance relating to how natural and working lands can be utilized to assist with a global climate response strategy. In addition, the food and agricultural organization of the United Nations issued a report in 2016 entitled "forestry for a low-carbon future" with specific recommendations for integrating forest and wood products in climate change strategies.

Recommendations from these reports are critical as Washington develops its own climate response and charts how the state can use its forestland base and vibrant forest products sector as part of its contribution to the global climate response.

(2) The legislature further finds that the 2019 intergovernmental panel on climate change report identifies several measures where sustainable forest management and forest products may be utilized to maintain and enhance carbon sequestration. These include increasing the carbon sequestration potential of forests and forest products by maintaining and expanding the forestland base, reducing emissions from land conversion to nonforest uses, increasing forest resiliency to reduce the risk of carbon releases from disturbances such as wildfire, pest infestation, and disease, and applying sustainable forest management techniques to maintain or enhance forest carbon stocks and forest carbon sinks, including through the transference of carbon to wood products.

(3) The legislature further finds that the food and agricultural organization of the United Nations reports similar recommendations, with a focus on forest management tools that increases the carbon density in forests, increases carbon storage out of the forest in harvested wood products, utilizes wood energy, and suppresses forest disturbances from fire, pests, and disease.

**Sec. 2.** RCW 70.235.005 and 2008 c 14 s 1 are each amended to read as follows:

(1) The legislature finds that Washington has long been a national and international leader on energy conservation and environmental stewardship, including air quality protection, renewable energy development and generation, emission standards for fossil-fuel based energy generation, energy efficiency programs, natural resource conservation, sustainable forestry and the production of forest products, vehicle emission standards, and the use of biofuels. Washington is also unique among most states in that in addition to its commitment to reduce emissions of greenhouse gases, it has established goals to grow the clean energy sector and reduce the state's expenditures on imported fuels.

(2) The legislature further finds that Washington should continue its leadership on climate change policy by creating accountability for achieving the emission reductions established in RCW 70.235.020, participating in the design of a regional multisector market-based system to help achieve those emission reductions, assessing other market strategies to reduce emissions of greenhouse gases, maintaining and enhancing the state's ability to continue to sequester carbon through natural and working lands and forest products, and ensuring the state has a well trained workforce for our clean energy future.

(3) It is the intent of the legislature that the state will: (a) Limit and reduce emissions of greenhouse gas consistent with the emission reductions established in RCW 70.235.020; (b) minimize the potential to export pollution, jobs, and economic opportunities; ~~((and))~~ (c) support industry sectors that can act as sequesterers of carbon; and

(d) reduce emissions at the lowest cost to Washington's economy, consumers, and businesses.

(4) In the event the state elects to participate in a regional multisector market-based system, it is the intent of the legislature that the system will become effective by January 1, 2012, after authority is provided to the department for its implementation. By acting now, Washington businesses and citizens will have adequate time and opportunities to be well positioned to take advantage of the low-carbon economy and to make necessary investments in low-carbon technology.

(5) It is also the intent of the legislature that the regional multisector market-based system recognize Washington's unique emissions and sequestration portfolio, including the ((state's));

(a) State's hydroelectric system((,-the));

(b) Opportunities presented by Washington's abundant forest resources and the associated forest products industry, along with aquatic and agriculture land((,-) and the associated industries; and ((the))

(c) State's leadership in energy efficiency and the actions it has already taken that have reduced its generation of greenhouse gas emissions and that entities receive appropriate credit for early actions to reduce greenhouse gases.

(6) If any revenues, excluding those from state trust lands, that accrue to the state are created by a market system, they must be used to further the state's efforts to achieve the goals established in RCW 70.235.020, address the impacts of global warming on affected habitats, species, and communities, promote and invest in industry sectors that act as sequesterers of carbon, and increase investment in the clean energy economy particularly for communities and workers that have suffered from heavy job losses and chronic unemployment and underemployment.

NEW SECTION. Sec. 3. A new section is added to chapter 70.235 RCW to read as follows:

(1)(a) Washington's existing forest products sector, including public and private working forests and the harvesting, transportation, and manufacturing sectors that enable working forests to remain on the land and the state to be a global supplier of forest products, is, according to a University of Washington study analyzing the global warming mitigating role of wood products from Washington's private forests, an industrial sector that currently operates as a significant net sequesterer of carbon. This value, which is only provided through the maintenance of an intact and synergistic industrial sector, is an integral component of the state's contribution to the global climate response and efforts to mitigate carbon emissions.

(b) Satisfying the goals set forth in RCW 70.235.020 requires supporting, throughout all of state government, consistent with other laws and mandates of the state, the economic vitality of the sustainable forest products sector and other business sectors capable of sequestering and storing carbon. This includes support for working forests of all sizes, ownerships, and management objectives, and the

necessary manufacturing sectors that support the transformation of stored carbon into long-lived forest products while maintaining and enhancing the carbon mitigation benefits of the forest sector, sustaining rural communities, and providing for fish, wildlife, and clean water, as provided in chapter 76.09 RCW. Support for the forest sector also ensures the state's public and private working forests avoid catastrophic wildfire and other similar disturbances and avoid conversion in the face of unprecedented conversion pressures.

(c) It is the policy of the state to support the contributions of all working forests and the synergistic forest products sector to the state's climate response. This includes landowners, mills, bioenergy, pulp and paper, and the related harvesting and transportation infrastructure that is necessary for forestland owners to continue the rotational cycle of carbon capture and sequestration in growing trees and allows forest products manufacturers to store the captured carbon in wood products and maintain and enhance the forest sector's role in mitigating a significant percentage of the state's carbon emissions while providing other environmental and social benefits and supporting a strong rural economic base. It is further the policy of the state to support the participation of working forests in current and future carbon markets, strengthening the state's role as a valuable contributor to the global carbon response while supporting one of its largest manufacturing sectors.

(d) It is further the policy of the state to utilize carbon accounting land use, land use change, and forestry reporting principles consistent with established reporting guidelines, such as those used by the intergovernmental panel on climate change and the United States national greenhouse gas reporting inventories.

(2) Any state carbon programs must support the policies stated in this section and recognize the forest products industry's contribution to the state's climate response."

On page 1, line 3 of the title, after "response;" strike the remainder of the title and insert "amending RCW 70.235.005; adding a new section to chapter 70.235 RCW; and creating a new section."

and the same is herewith transmitted.

Madame Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2584 with the following amendment:

3.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 4.** A new section is added to chapter 71.24 RCW to read as follows:

(1) It is the intent of the legislature that behavioral health medicaid rate increases be grounded with the rate-setting process for the provider type or practice setting.

(2) In implementing a rate increase funded by the legislature, including rate increases provided through managed care organizations, the authority must work with the actuaries responsible for establishing medicaid rates for behavioral health services and managed care organizations responsible for distributing funds to behavioral health services to assure that appropriate adjustments are made to the wraparound with intensive services case rate, as well as any other behavioral health services in which a case rate is used.

(c) The process may:

(i) Include a quantitative method for determining if the funds have increased access to behavioral health services offered by the behavioral health providers who received the targeted provider rate increases;

(ii) Ensure the viability of pass-through payments in a capitated rate methodology; and

(iii) Ensure that medicaid rate increases account for the impact of value-based contracting on provider reimbursements and implementations of pass-through payments.

(4) By November 1st of each year, the authority shall report to the committees of the legislature with jurisdiction over behavioral health issues and fiscal matters regarding the established process for each appropriation for a targeted behavioral health provider rate increase, whether the funds were passed through in accordance with the appropriation language, and any information about increased access to behavioral health services associated with the appropriation. The reporting requirement for each appropriation for a targeted behavioral health provider rate increase shall continue for two years following the specific appropriation."

HOUSE BILL NO. 2601, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed HOUSE BILL NO. 2641 with the following amendment:

2.0.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 3.** (1) Any city having a boundary located on Puget Sound or Lake Washington may establish, finance, and provide passenger-only ferry service, including associated services to support and augment passenger-only ferry service operation, within its boundaries. For the purposes of this chapter, Puget Sound has the same meaning as described in RCW 36.57A.200.

(2) Before a city may provide passenger-only ferry service, it must develop a passenger-only ferry investment plan, which must include elements regarding operating or contracting for the operation of passenger-only ferry services; the purchase, lease, or rental of ferry vessels and dock facilities for the provision of transit service; consultation with potentially affected federally recognized Indian treaty fishing tribes and other federally recognized treaty tribes with potentially affected interests to ensure impacts to tribal fishing are minimized; and identifying other activities necessary to implement the plan. The passenger-only ferry investment plan must also set forth terminal locations to be served, consistency with any study developed through the Puget Sound regional council for regional service, projected costs of providing services, and revenues to be generated from tolls, locally collected tax revenues, and other revenue sources. The passenger-only ferry investment plan may recommend additional revenue authority that has not yet been authorized under state law.

(3) The passenger-only ferry investment plan must ensure that services provided under the plan are for the benefit of the residents of the city. The city may use any of its powers to carry out this purpose, unless otherwise prohibited by law. In addition, the city may enter into contracts and agreements to operate passenger-only ferry service, as well as appropriate public-private partnerships including, but not limited to, design-build, general contractor/construction management, or other alternative procurement processes substantially consistent with chapter 39.10 RCW.

The governor or the governor's designee shall represent the public employer for bargaining purposes.

(2) There shall be collective bargaining, as defined in RCW 41.56.030, between the governor and language access providers, except as follows:

(a) The only units appropriate for purposes of collective bargaining under RCW 41.56.060 are:

(c) Notwithstanding the definition of "collective bargaining" in RCW 41.56.030(4), the scope of collective bargaining for language access providers under this section is limited solely to: (i) Economic compensation, such as the manner and rate of payments including tiered payments; (ii) professional development and training; (iii) labor-management committees; ~~((and))~~ (iv) grievance procedures; (v) health and welfare benefits; and (vii) other economic matters. Retirement benefits are not subject to collective bargaining. (d) In addition to the entities listed in the mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480, the provisions apply to the governor or the governor's designee and the exclusive bargaining representative of language access providers, except that:

(i) In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement;

(ii) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and benefit provisions of the arbitrated collective bargaining agreement, the decision is not binding on the state;

(e) Language access providers do not have the right to strike;

(f) If a single employee organization is the exclusive bargaining representative for two or more units, upon petition by the employee organization, the units may be consolidated into a single larger unit if the commission considers the larger unit to be appropriate. If consolidation is appropriate, the commission shall certify the employee organization as the exclusive bargaining representative of the new unit;

(g) If a single employee organization is the exclusive bargaining representative for two or more bargaining units, the governor and the employee organization may agree to negotiate a single collective bargaining agreement for all of the bargaining units that the employee organization represents.

(3) Language access providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any other purpose. This section applies only to the governance of the collective bargaining

relationship between the employer and language access providers as provided in subsections (1) and (2) of this section.

(4) Each party with whom the department of social and health services, the department of children, youth, and families, the department of labor and industries, and the department of enterprise services contracts for language access services and each of their subcontractors shall provide to the respective department an accurate list of language access providers, as defined in RCW 41.56.030, including their names, addresses, and other contact information, annually by January 30th, except that initially the lists must be provided within thirty days of July 1, 2018. The department shall, upon request, provide a list of all language access providers, including their names, addresses, and other contact information, to a labor union seeking to represent language access providers.

(5) This section does not create or modify:

(a) The obligation of any state agency to comply with federal statute and regulations; and

(b) The legislature's right to make programmatic modifications to the delivery of state services under chapter 74.04 or 39.26 RCW or Title 51 RCW. The governor may not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection.

(6) Upon meeting the requirements of subsection (7) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement the agreement.

(7) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:

(a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and

(b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

(8) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.

(9) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant

revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(10) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

(12) By December 1, 2020, the department of social and health services, the department of children, youth, and families, the department of labor and industries, the health care authority, and the department of enterprise services must report to the legislature on the following:

(a) Each agency's current process for procuring spoken language interpreters and whether the changes in chapter 253, Laws of 2018 have been implemented;

(b) If chapter 253, Laws of 2018 has not been fully implemented by an agency, the barriers to implementation the agency has encountered and recommendations for removing the barriers to implementation;

(c) The impacts of the changes to the bargaining units for language access providers in chapter 253, Laws of 2018; and

(d) Recommendations on how to improve the procurement and accessibility of language access providers."

On page 1, line 2 of the title, after "providers;" strike the remainder of the title and insert "and amending RCW 41.56.030 and 41.56.510."

### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2713 with the following amendment:

6.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 7.** The legislature finds and declares that local compost manufacturing plays a critical role in our state's solid waste infrastructure. Composting benefits Washington agencies, counties, cities, businesses, and residents by diverting hundreds of thousands of tons of organic waste from landfills, reducing solid waste costs, and lowering carbon emissions. The legislature finds that a growing number of local governments are recognizing the benefits of composting programs and offering compost collection to their residents and businesses. The diversion of food waste from landfills to compost processors remains critical for state and local governments to meet their ambitious diversion goals.

The legislature also finds that composting is a strong carbon reduction industry for Washington, as the application of compost to soil systems permits increased carbon sequestration. Compost can also replace synthetic chemical fertilizer, prevent topsoil erosion, and filter stormwater on

green infrastructure projects such as rain gardens and retention ponds.

The legislature declares that state and local governments should lead by example by purchasing and using local compost that meets state standards and by encouraging farming operations to do so as well.

**NEW SECTION. Sec. 8.** A new section is added to chapter 43.19A RCW to read as follows:

(1) When planning government-funded projects or soliciting and reviewing bids for such projects, all state agencies and local governments shall consider whether compost products can be utilized in the project.

(2) If compost products can be utilized in the project, the state agency or local government must use compost products, except as follows:

(a) A state agency or local government is not required to use compost products if:

(i) Compost products are not available within a reasonable period of time;

(ii) Compost products that are available do not comply with existing purchasing standards;

(iii) Compost products that are available do not comply with federal or state health, quality, and safety standards; and

(iv) Compost purchase prices are not reasonable or competitive; and

(b) A state agency is also not required to use compost products in a project if:

(i) The total cost of using compost is financially prohibitive;

(ii) Application of compost will have detrimental impacts on the physical characteristics and nutrient condition of the soil as it is used for a specific crop;

(iii) The project consists of growing trees in a greenhouse setting, including seed orchard greenhouses; or

(iv) The compost products that are available have not been certified as being free of crop-specific pests and pathogens, including pests and pathogens that could result in the denial of phytosanitary permits for shipping seedlings.

(3) Before the transportation or application of compost products under this section, composting facilities, state agencies, and local governments must ensure compliance with department of agriculture pest control regulations provided in chapter 16-470 WAC.

(4) State agencies and local governments are encouraged to give priority to purchasing compost products from companies that produce compost products locally, are certified by a nationally recognized organization, and produce compost products that are derived from municipal solid waste compost programs and meet quality standards adopted by rule by the department of ecology.

**NEW SECTION. Sec. 9.** A new section is added to chapter 43.19A RCW to read as follows:

(1) Each local government that provides a residential composting service is encouraged to enter into a purchasing agreement with its compost processor to buy back finished compost products for use in government projects or on government land. The local government is encouraged to purchase an amount of finished compost product that is equal to or greater than fifty percent of the amount of organic residuals it delivered to the compost processor. Local governments may enter into collective purchasing agreements if doing so is more cost-effective or efficient. The compost processor should offer a purchase price that is reasonable and competitive for the specific market.

(2) When purchasing compost products for use in government projects or on government-owned land, local governments are encouraged to purchase compost with at least eight percent food waste, or an amount of food waste that is commensurate with that in the local jurisdiction's curbside collection program.

**NEW SECTION. Sec. 10.** (1) Subject to amounts appropriated for this specific purpose, the department of agriculture must establish and implement a three-year compost reimbursement pilot program to reimburse farming operations in the state for purchasing and using compost products from facilities with solid waste handling permits, including transportation, equipment, spreading, and labor costs. The grant reimbursements under the pilot program will begin January 1, 2021, and conclude December 31, 2023. For purposes of this program, "farming operation" means: A commercial agricultural, silvicultural, or aquacultural facility or pursuit, including the care and production of livestock and livestock products, poultry and poultry products, apiary products, and plant and animal production for nonfood uses; the planting, cultivating, harvesting, and processing of crops; and the farming or ranching of any plant or animal species in a controlled salt, brackish, or freshwater environment.

(2) To be eligible to participate in the reimbursement pilot program, a farming operation must complete an eligibility review with the department of agriculture prior to transporting or applying any compost products for which reimbursement will be sought under this section. The purpose of the review is for the department of agriculture to ensure that the proposed transport and application of compost products is consistent with the department's agricultural pest control rules in chapter 16-470 WAC. A farming operation must also verify that soil sampling will be allowed as necessary to establish a baseline of soil quality and carbon storage and for subsequent department of agriculture evaluations to assist the department's reporting requirements under subsection (9) of this section.

(3) The department of agriculture must create a form for eligible farming operations to apply for cost reimbursement. All applications for cost reimbursement must be submitted on the form along with documentation of the costs of purchasing and using compost products for which the applicant is requesting reimbursement. The department of agriculture may request that an applicant

provide information to verify the source, size, sale weight, or amount of compost products purchased and the cost of transportation, equipment, spreading, and labor. The applicant must also declare that it is not seeking reimbursement for:

(a) Its own compost products;

(b) Compost products that it has transferred, or intends to transfer, to another individual or entity, whether or not for compensation; or

(c) Compost products that were not purchased from a facility with a solid waste handling permit.

(4) A farming operation may submit only one application per year for purchases made and usage costs incurred during the fiscal year that begins on July 1st and ends on June 30th of each year in which the pilot program is in effect. Applications for reimbursement must be filed before the end of the fiscal year in which purchases were made and usage costs incurred.

(5) The department of agriculture must distribute reimbursement funds, subject to the following limitations:

(a) The department of agriculture must distribute reimbursements in a manner that prioritizes small farming operations as measured by acreage;

(b) No farming operation may receive reimbursement if it was not found eligible for reimbursement by the department of agriculture prior to transport or use under subsection (2) of this section;

(c) No farming operation may receive reimbursement for more than fifty percent of the costs it incurs for the purchase and use of compost products, including transportation, equipment, spreading, and labor costs;

(d) No farming operation may receive more than ten thousand dollars per year;

(e) No farming operation may receive reimbursement for its own compost products or compost products that it has transferred, or intends to transfer, to another individual or entity, whether or not for compensation; and

(f) No farming operation may receive reimbursement for compost products that were not purchased from a facility with a solid waste handling permit.

(6) The applicant shall indemnify and hold harmless the state and its officers, agents, and employees from all claims arising out of or resulting from the compost products purchased that are subject to the compost reimbursement pilot program under this section.

(7) There is established within the department of agriculture a compost reimbursement pilot program manager position. The compost reimbursement pilot program manager must possess knowledge and expertise in the area of program management necessary to carry out the duties of the position, which are to:

(a) Facilitate the division and distribution of available costs for reimbursement; and

(b) Manage the day-to-day coordination of the compost reimbursement pilot program.

(8) Any action taken by the department of agriculture pursuant to this section is exempt from the rule-making requirements of chapter 34.05 RCW.

(9) The department of agriculture must submit an annual report to the appropriate committees of the legislature by January 15th of each year of the program, with a final report due January 15, 2024. The report must include:

(a) The amount of compost for which reimbursement was sought under the program;

(b) The qualitative or quantitative effects of the program on soil quality and carbon storage; and

(c) An evaluation of the benefits and costs to the state of continuing, expanding, or furthering the strategies explored in the pilot program.

(10) This section expires June 30, 2024."

On page 1, line 1 of the title, after "use;" strike the remainder of the title and insert "adding new sections to chapter 43.19A RCW; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

(4) To be eligible for reimbursement under this section for services provided on behalf of a contracted provider for greater than sixty days, a substitute provider must enroll in a medicaid managed care organization. Enrollment of a substitute provider in a medicaid managed care organization is effective on the later of:

(a) The date the substitute provider filed an enrollment application that was subsequently approved; or

(b) The date the substitute provider first began providing services at the hospital, rural health clinic, or rural provider.

(5) A substitute provider who enrolls with a medicaid managed care organization may not bill under subsection (4) of this section for any services billed to the medicaid managed care organization pursuant to subsection (3) of this section.

(6) Nothing in this section obligates a managed care organization to enroll any substitute provider who requests enrollment if they do not meet the organizations enrollment criteria.

(7) For purposes of this section:

(a) "Circumstances precluded enrollment" means that the provider has met all program requirements including state licensure during the thirty-day period before an application was submitted and no final adverse determination precluded enrollment. If a final adverse determination precluded enrollment during this thirty-day period, the contractor shall only establish an effective billing date the day after the date that the final adverse action was resolved, as long as it is not more than thirty days prior to the date on which the application was submitted.

(b) "Contracted provider" means a provider who is contracted with a medicaid managed care organization.

(c) "Hospital" means a facility licensed under chapter 70.41 or 71.12 RCW.

HOUSE BILL NO. 1590, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

March 7, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1793 with the following amendment:  
10.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.63.170 and 2015 3rd sp.s. c 44 s 406 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) ~~(The)~~ Except for proposed locations used solely for the pilot program purposes permitted under subsection (6) of this section, the appropriate local legislative authority must prepare an analysis of the locations within the jurisdiction where automated traffic safety cameras are proposed to be located: (i) Before enacting an ordinance allowing for the initial use of automated traffic safety cameras; and (ii) before adding additional cameras or relocating any existing camera to a new location within the jurisdiction. Automated traffic safety cameras may be used to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations; ~~(or)~~ speed violations subject to (c) of this subsection; or violations included in subsection (6) of this section for the duration of the pilot program authorized under subsection (6) of this section. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance. Beginning one year after June 7, 2012, cities and counties using automated traffic safety cameras must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic safety camera is located as well as the number of notices of infraction issued for each

camera and any other relevant information about the automated traffic safety cameras that the city or county deems appropriate on the city's or county's web site.

(b) Except as provided in (c) of this subsection and subsection (6) of this section, use of automated traffic safety cameras is restricted to the following locations only: (i) Intersections of two or more arterials with traffic control signals that have yellow change interval durations in accordance with RCW 47.36.022, which interval durations may not be reduced after placement of the camera; (ii) railroad crossings; and (iii) school speed zones.

(c) Any city west of the Cascade mountains with a population of more than one hundred ninety-five thousand located in a county with a population of fewer than one million five hundred thousand may operate an automated traffic safety camera to detect speed violations subject to the following limitations:

(i) A city may only operate one such automated traffic safety camera within its respective jurisdiction; and

(ii) The use and location of the automated traffic safety camera must have first been authorized by the Washington state legislature as a pilot project for at least one full year.

(d) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle. The primary purpose of camera placement is to take pictures of the vehicle and vehicle license plate when an infraction is occurring. Cities and counties shall consider installing cameras in a manner that minimizes the impact of camera flash on drivers.

(e) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

(f) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(d) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

(g) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images, or any other personally identifying data prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image, or any other personally identifying data may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

(h) All locations where an automated traffic safety camera is used must be clearly marked at least thirty days prior to activation of the camera by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

(i) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(2). ~~((The))~~ Except as provided otherwise in subsection (6) of this section, the amount of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction. However, the amount of the fine issued for a traffic control signal violation detected through the use of an automated traffic safety camera shall not exceed the monetary penalty for a violation of RCW 46.61.050 as provided under RCW 46.63.110, including all applicable statutory assessments.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(5)(a) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit as detected by a speed measuring device.

(b) For the purposes of the pilot program authorized under subsection (6) of this section, "automated traffic safety camera" also includes a device used to detect stopping at intersection or crosswalk violations; stopping when traffic obstructed violations; public transportation only lane violations; and stopping or traveling in restricted lane violations. The device, including all technology defined under "automated traffic safety camera," must not reveal the face of the driver or the passengers in vehicles, and must not use any facial recognition technology in real time or after capturing any information. If the face of any individual in a crosswalk or otherwise within the frame is incidentally captured, it may not be made available to the public nor used for any purpose including, but not limited to, any law enforcement action, except in a pending action or proceeding related to a violation under this section.

~~(6) ((During the 2011-2013 and 2013-2015 fiscal biennia, this section does not apply to automated traffic safety cameras for the purposes of section 216(5), chapter 367, Laws of 2011 and section 216(6), chapter 306, Laws of 2013.))~~ (a)(i) A city with a population greater than five hundred thousand may adopt an ordinance creating a pilot program authorizing automated traffic safety cameras to be used to detect one or more of the following violations: Stopping when traffic obstructed violations; stopping at intersection or crosswalk violations; public transportation only lane violations; and stopping or traveling in restricted lane violations. Under the pilot program, stopping at intersection or crosswalk violations may only be enforced at the twenty intersections where the city would most like to address safety concerns related to stopping at intersection or crosswalk violations. At a minimum, the local ordinance

must contain the restrictions described in this section and provisions for public notice and signage.

(ii) Except where specifically exempted, all of the rules and restrictions applicable to the use of automated traffic safety cameras in this section apply to the use of automated traffic safety cameras in the pilot program established in this subsection (6).

(iii) As used in this subsection (6), "public transportation vehicle" means any motor vehicle, streetcar, train, trolley vehicle, ferry boat, or any other device, vessel, or vehicle that is owned or operated by a transit authority or an entity providing service on behalf of a transit authority that is used for the purpose of carrying passengers and that operates on established routes. "Transit authority" has the meaning provided in RCW 9.91.025.

(b) Use of automated traffic safety cameras as authorized in this subsection (6) is restricted to the following locations only: Locations authorized in subsection (1)(b) of this section; and midblock on arterials. Additionally, the use of automated traffic safety cameras as authorized in this subsection (6) is further limited to the following:

(i) The portion of state and local roadways in downtown areas of the city used for office and commercial activities, as well as retail shopping and support services, and that may include mixed residential uses;

(ii) The portion of state and local roadways in areas in the city within one-half mile north of the boundary of the area described in (b)(i) of this subsection;

(iii) Portions of roadway systems in the city that travel into and out of (b)(ii) of this subsection that are designated by the Washington state department of transportation as noninterstate freeways for up to four miles; and

(iv) Portions of roadway systems in the city connected to the portions of the noninterstate freeways identified in (b)(iii) of this subsection that are designated by the Washington state department of transportation as arterial roadways for up to one mile from the intersection of the arterial roadway and the noninterstate freeway.

(c) However, automated traffic safety cameras may not be used on an on-ramp to an interstate.

(d) From the effective date of this section through December 31, 2020, a warning notice with no penalty must be issued to the registered owner of the vehicle for a violation generated through the use of an automated traffic safety camera authorized in this subsection (6). Beginning January 1, 2021, a notice of infraction must be issued, in a manner consistent with subsections (1)(e) and (3) of this section, for a violation generated through the use of an automated traffic safety camera authorized in this subsection (6). However, the penalty for the violation may not exceed seventy-five dollars.

(e) For infractions issued as authorized in this subsection (6), a city with a pilot program shall remit monthly to the state fifty percent of the noninterest money received under this subsection (6) in excess of the cost to install, operate, and maintain the automated traffic safety

cameras for use in the pilot program. Money remitted under this subsection to the state treasurer shall be deposited in the Cooper Jones active transportation safety account created in section 2 of this act. The remaining fifty percent retained by the city must be used only for improvements to transportation that support equitable access and mobility for persons with disabilities.

(f) A transit authority may not take disciplinary action, regarding a warning or infraction issued pursuant to this subsection (6), against an employee who was operating a public transportation vehicle at the time the violation that was the basis of the warning or infraction was detected.

(g) A city that implements a pilot program under this subsection (6) must provide a preliminary report to the transportation committees of the legislature by June 30, 2022, and a final report by January 1, 2023, on the pilot program that includes the locations chosen for the automated traffic safety cameras used in the pilot program, the number of warnings and traffic infractions issued under the pilot program, the number of traffic infractions issued with respect to vehicles registered outside of the county in which the city is located, the infrastructure improvements made using the penalty moneys as required under (e) of this subsection, an equity analysis that includes any disproportionate impacts, safety, and on-time performance statistics related to the impact on driver behavior of the use of automated traffic safety cameras in the pilot program, and any recommendations on the use of automated traffic safety cameras to enforce the violations that these cameras were authorized to detect under the pilot program.

NEW SECTION. Sec. 2. A new section is added to chapter 46.68 RCW to read as follows:

The Cooper Jones active transportation safety account is created in the state treasury. All receipts from penalties collected under RCW 46.63.170(6)(e) shall be deposited into the account. Expenditures from the account may be used only to fund grant projects or programs for bicycle, pedestrian, and nonmotorist safety improvement administered by the Washington traffic safety commission. The account is subject to allotment procedures under chapter 43.88 RCW. Moneys in the account may be spent only after appropriation.

NEW SECTION. Sec. 3. Section 1 of this act expires June 30, 2023."

On page 1, line 3 of the title, after "safety;" strike the remainder of the title and insert "amending RCW 46.63.170; adding a new section to chapter 46.68 RCW; and providing an expiration date."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2327 with the following amendment:  
10.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 11.** The legislature recognizes that Washington's postsecondary educational institutions are some of the best schools in the nation, offering high quality education and life experiences for thousands of students. Washington institutions strive to create learning environments where all students can reach their full potential. The legislature also recognizes that in instances in which an employee of an institution engages in sexual misconduct against a student, institutions do not consistently disclose that information. The legislature declares that disclosure of such information is a matter of public safety for all Washington students as well as for students on campuses across the nation. The legislature finds that sexual misconduct, which may include harassment or assault, has serious public health and safety effects on students in Washington. These effects may deprive students of their opportunities to obtain an education which would otherwise improve their lives and health, and that of their own children. Other effects include an employee in a position of power and authority over students causing irreversible harm to the physical and mental health of students from sexual misconduct. The legislature finds that students of any postsecondary educational institution in Washington should be protected from their institution hiring an employee who has been found to have committed sexual misconduct at another postsecondary educational institution. The legislature, therefore, also finds that postsecondary educational institutions in Washington need to know if a prospective employee has been found to have committed sexual misconduct while employed at another institution. Therefore, the legislature intends to require postsecondary educational institutions to inquire about and conduct reference checks on any applicant the institution intends to extend an offer of employment to, regarding whether the applicant has ever been found to have committed, or is being investigated for, sexual misconduct. The legislature finds that nondisclosure agreements which prevent an institution from disclosing that an employee has committed sexual misconduct create a high potential for students in jeopardy of being victimized. Therefore, the legislature finds such

nondisclosure agreements between an employee and institution, pursuant to which the institution agrees not to disclose findings of sexual misconduct supported by a preponderance of evidence or not to complete an investigation, are against public policy and should not be entered into by any Washington postsecondary educational institution and should not be enforced by Washington courts. Therefore, the legislature intends to provide clarity and direction to postsecondary educational institutions for disclosing substantiated findings of sexual misconduct committed by its employees against students.

**NEW SECTION. Sec. 12.** A new section is added to chapter 28B.112 RCW to read as follows:

The definitions in this section apply throughout this section and sections 3 through 6 of this act unless the context clearly requires otherwise.

(1) "Applicant" means a person applying for employment as faculty, instructor, staff, advisor, counselor, coach, athletic department staff, and any position in which the applicant will likely have direct ongoing contact with students in a supervisory role or position of authority. "Applicant" does not include enrolled students who are applying for temporary student employment with the postsecondary educational institutions, unless the student is a graduate student applying for a position in which the graduate student will have a supervisory role or position of authority over other students. "Applicant" does not include a person applying for employment as medical staff or for employment with an affiliated organization, entity, or extension of a postsecondary educational institution, unless the applicant will have a supervisory role or position of authority over students.

(2) "Employee" means a person who is receiving or has received wages as an employee from the postsecondary educational institutions and includes current and former workers, whether the person is classified as an employee, independent contractor, or consultant, and is in, or had, a position with direct ongoing contact with students in a supervisory role or position of authority. "Employee" does not include a person who was employed by the institution in temporary student employment while the person was an enrolled student unless the student, at the time of employment, is or was a graduate student in a position in which the graduate student has or had a supervisory role or authority over other students. "Employee" does not include a person employed as medical staff or with an affiliated organization, entity, or extension of a postsecondary educational institution, unless the employee has or had a supervisory role or position of authority over students. A person who would be considered an "employee" under this subsection, remains an "employee" even if the person enrolls in classes under an institution's employee tuition waiver program or similar program that allows faculty, staff, or other employees to take classes.

(3) "Employer" includes postsecondary educational institutions in this or any other state.

(4) "Postsecondary educational institution" means an institution of higher education as defined in RCW 28B.10.016, a degree-granting institution as defined in RCW

(2) This section expires June 1, 2024.

**NEW SECTION. Sec. 14.** A new section is added to chapter 28B.112 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, any provision of a settlement agreement executed subsequent to the effective date of this section between a postsecondary educational institution and an employee is against public policy and void and unenforceable if the provision prohibits the employee, the institution, a survivor, or any other person from disclosing that the employee has either:

When the institution completes its investigation, the institution shall make written findings of whether the complaint or allegation is substantiated.

(2)(a) A postsecondary educational institution shall include in the employee's personnel file or employment records any substantiated findings of sexual misconduct committed by the employee while the employee was employed with the postsecondary educational institution.

(b) When disclosing records included in an employee's personnel file or employment records under this section, the institution shall keep personal identifying information of the complainant and any witnesses confidential, unless disclosure of identifying information is agreed to by the complainant or witnesses or required under law.

(c) If, by the effective date of this section, a postsecondary educational institution does not have existing procedures for disclosing information requested under this subsection, the institution must establish procedures to begin implementing the disclosure requirements of this subsection no later than July 1, 2021.

(6) Beginning October 1, 2020, a postsecondary educational institution may not hire an applicant who does not sign the statement described in subsection (1) of this section.

(7) Information received under this section may be used by a postsecondary educational institution only for the purpose of evaluating an applicant's qualifications for employment in the position for which the person has applied.

(8) This section does not restrict expungement from a personnel file or employment records of information about alleged sexual misconduct that has not been substantiated.

(9) Public institutions of higher education shall share best practices with all faculty and staff who are likely to receive reference check requests about how to inform and advise requesters to contact the institution's appropriate official office for personnel records.

#### MESSAGE FROM THE SENATE

March 4, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2394 with the following amendment:

17.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 18.** RCW 9.94A.589 and 2015 2nd sp.s. c 3 s 13 are each amended to read as follows:

(1)(a) Except as provided in (b), (c), or (d) of this subsection, whenever a person is to be sentenced for two or more current offenses, the sentence range for each current

offense shall be determined by using all other current and prior convictions as if they were prior convictions for the purpose of the offender score: PROVIDED, That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime. Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.535. "Same criminal conduct," as used in this subsection, means two or more crimes that require the same criminal intent, are committed at the same time and place, and involve the same victim. This definition applies in cases involving vehicular assault or vehicular homicide even if the victims occupied the same vehicle.

(b) Whenever a person is convicted of two or more serious violent offenses arising from separate and distinct criminal conduct, the standard sentence range for the offense with the highest seriousness level under RCW 9.94A.515 shall be determined using the offender's prior convictions and other current convictions that are not serious violent offenses in the offender score and the standard sentence range for other serious violent offenses shall be determined by using an offender score of zero. The standard sentence range for any offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under this subsection (1)(b) shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection. Even if the court orders the confinement terms to run consecutively to each other, the terms of community custody shall run concurrently to each other, unless the court expressly orders the community custody terms to run consecutively to each other.

(c) If an offender is convicted under RCW 9.41.040 for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, the standard sentence range for each of these current offenses shall be determined by using all other current and prior convictions, except other current convictions for the felony crimes listed in this subsection (1)(c), as if they were prior convictions. The offender shall serve consecutive sentences for each conviction of the felony crimes listed in this subsection (1)(c), and for each firearm unlawfully possessed.

(d) All sentences imposed under RCW 46.61.502(6), 46.61.504(6), or 46.61.5055(4) shall be served consecutively to any sentences imposed under RCW 46.20.740 and 46.20.750.

(2)(a) ~~((Except as provided in (b) of this subsection, whenever))~~ Whenever a person while under sentence for conviction of a felony commits another felony and is sentenced to another term of confinement, the latter term of confinement shall not begin until expiration of all prior terms of confinement. However, any terms of community custody shall run concurrently to each other, unless the court pronouncing the current sentence expressly orders that they be served consecutively.

(b) Whenever a second or later felony conviction results in consecutive community ~~((supervision))~~ custody with conditions not currently in effect, under the prior sentence or sentences of community ~~((supervision))~~ custody, the court may require that the conditions of community ~~((supervision))~~ custody contained in the second or later sentence begin during the immediate term of community ~~((supervision))~~ custody and continue throughout the duration of the consecutive term of community ~~((supervision))~~ custody.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence for conviction of a felony, the sentence shall run concurrently with any felony sentence which has been imposed by any court in this or another state or by a federal court subsequent to the commission of the crime being sentenced unless the court pronouncing the current sentence expressly orders that ~~((they))~~ the confinement terms be served consecutively to each other. Even if the court orders the confinement terms to run consecutively to each other, the terms of community custody shall run concurrently to each other, unless the court expressly orders the community custody terms to run consecutively to each other.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) In the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community restitution, community supervision, or any other requirement or conditions of any of the sentences. Except for exceptional sentences as authorized under RCW 9.94A.535, if two or more sentences that run consecutively include periods of community supervision, the aggregate of the community supervision period shall not exceed twenty-four months.

**Sec. 19.** RCW 9.94B.050 and 2003 c 379 s 4 are each amended to read as follows:

When a court sentences an offender to a term of total confinement in the custody of the department for any of the offenses specified in this section, the court shall also sentence the offender to a term of community placement as provided in this section. Except as provided in RCW 9.94A.501, the department shall supervise any sentence of community placement imposed under this section.

(1) The court shall order a one-year term of community placement for the following:

(a) A sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990; or

(b) An offense committed on or after July 1, 1988, but before July 25, 1999, that is:

(i) Assault in the second degree;

(ii) Assault of a child in the second degree;

(iii) A crime against persons where it is determined in accordance with RCW (~~9.94A.602~~) 9.94A.825 that the offender or an accomplice was armed with a deadly weapon at the time of commission; or

(iv) A felony offense under chapter 69.50 or 69.52 RCW not sentenced under RCW 9.94A.660.

(2) The court shall sentence the offender to a term of community placement of two years or up to the period of earned release awarded pursuant to RCW 9.94A.728, whichever is longer, for:

(a) An offense categorized as a sex offense committed on or after July 1, 1990, but before June 6, 1996, including those sex offenses also included in other offense categories;

(b) A serious violent offense other than a sex offense committed on or after July 1, 1990, but before July 1, 2000; or

(c) A vehicular homicide or vehicular assault committed on or after July 1, 1990, but before July 1, 2000.

(3) The community placement ordered under this section shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned release. When the court sentences an offender to the statutory maximum sentence then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible. Any period of community custody actually served shall be credited against the community placement portion of the sentence. The community placement shall run concurrently to any period of probation, parole, community supervision, community placement, or community custody previously imposed by any court in any jurisdiction, unless the court pronouncing the current sentence expressly orders that they be served consecutively to each other.

(4) Unless a condition is waived by the court, the terms of any community placement imposed under this section shall include the following conditions:

(a) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(b) The offender shall work at department-approved education, employment, or community restitution, or any combination thereof;

(c) The offender shall not possess or consume controlled substances except pursuant to lawfully issued prescriptions;

(d) The offender shall pay supervision fees as determined by the department; and

(e) The residence location and living arrangements shall be subject to the prior approval of the department during the period of community placement.

(5) As a part of any terms of community placement imposed under this section, the court may also order one or more of the following special conditions:

(a) The offender shall remain within, or outside of, a specified geographical boundary;

(b) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(c) The offender shall participate in crime-related treatment or counseling services;

(d) The offender shall not consume alcohol; or

(e) The offender shall comply with any crime-related prohibitions.

(6) An offender convicted of a felony sex offense against a minor victim after June 6, 1996, shall comply with any terms and conditions of community placement imposed by the department relating to contact between the sex offender and a minor victim or a child of similar age or circumstance as a previous victim.

(7) Prior to or during community placement, upon recommendation of the department, the sentencing court may remove or modify any conditions of community placement so as not to be more restrictive.

NEW SECTION. Sec. 20. The department of corrections must recalculate the scheduled end dates for terms of community custody, community supervision, and community placement so that they run concurrently to previously imposed sentences of community custody, community supervision, community placement, probation, and parole, unless the court pronouncing the current sentence has expressly required such terms to run consecutively. This section applies to each offender currently in confinement or under active supervision, regardless of whether the offender is sentenced after the effective date of this section and regardless of whether the offender's date of offense occurred prior to the effective date of this section or after.

NEW SECTION. Sec. 21. The legislature declares that the department of corrections' recalculations of community custody terms pursuant to this act do not create any expectations that a particular community custody term will end before July 1, 2020, and offenders have no reason to conclude that the recalculation of their community custody terms before July 1, 2020, is an entitlement or creates any liberty interest in their community custody term ending before July 1, 2020.

NEW SECTION. Sec. 22. The department of corrections has the authority to begin implementing this act upon the effective date of this section.

NEW SECTION. Sec. 23. This act applies retroactively and prospectively, regardless of the date of an offender's underlying offense."

### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2426 with the following amendment:  
23.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 24.** The legislature finds that patients seeking behavioral health care in Washington would benefit from consistent regulatory oversight and transparency about patient outcomes. Current regulatory oversight of psychiatric hospitals licensed under chapter 71.12 RCW needs to be enhanced to protect the health, safety, and well-being of patients seeking behavioral health care in these facilities. Some hospitals have not complied with state licensing requirements. Additional enforcement tools are needed to address noncompliance and protect patients from risk of harm.

The legislature also finds that licensing and enforcement requirements for all health care facility types regulated by the department of health are inconsistent and that patients are not well-served by this inconsistency. Review of the regulatory requirements for all health care facility types, including acute care hospitals, is needed to identify gaps and opportunities to consolidate and standardize requirements. Legislation will be necessary to implement uniform requirements that assure provision of safe, quality care and create consistency and predictability for facilities.

**NEW SECTION. Sec. 25.** A new section is added to chapter 71.12 RCW to read as follows:

(1) Any psychiatric hospital may request from the department or the department may offer to any psychiatric hospital technical assistance. The department may not provide technical assistance during an inspection or during the time between when an investigation of a psychiatric hospital has been initiated and when such investigation is resolved.

(2) The department may offer group training to psychiatric hospitals licensed under this chapter.

**NEW SECTION. Sec. 26.** A new section is added to chapter 71.12 RCW to read as follows:

(1) In any case in which the department finds that a licensed psychiatric hospital has failed or refused to comply with applicable state statutes or regulations, the department may take one or more of the actions identified in this section, except as otherwise limited in this section.

(a) When the department determines the psychiatric hospital has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the psychiatric hospital failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. Conditions may include correction within a specified amount of time, training, or hiring a department-approved consultant if the hospital cannot demonstrate to the department that it has access to sufficient internal expertise.

(b)(i) In accordance with the authority the department has under RCW 43.70.095, the department may assess a civil fine of up to ten thousand dollars per violation, not to exceed a total fine of one million dollars, on a hospital licensed

under this chapter when the department determines the psychiatric hospital has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the psychiatric hospital failed to correct noncompliance with a statute or rule by a date established or agreed to by the department.

(ii) Proceeds from these fines may only be used by the department to provide training or technical assistance to psychiatric hospitals and to offset costs associated with licensing psychiatric hospitals.

(iii) The department shall adopt in rules under this chapter specific fine amounts in relation to the severity of the noncompliance.

(iv) If a licensee is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

(c) In accordance with RCW 43.70.095, the department may impose civil fines of up to ten thousand dollars for each day a person operates a psychiatric hospital without a valid license. Proceeds from these fines may only be used by the department to provide training or technical assistance to psychiatric hospitals and to offset costs associated with licensing psychiatric hospitals.

(d) The department may suspend admissions of a specific category or categories of patients as related to the violation by imposing a limited stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop placement, the department shall provide a psychiatric hospital written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy, and the psychiatric hospital shall have twenty-four hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practice or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same twenty-four hour period, the department may issue the limited stop placement.

(ii) When the department imposes a limited stop placement, the psychiatric hospital may not admit any new patients in the category or categories subject to the limited stop placement until the limited stop placement order is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the psychiatric hospital if more than five business days is needed to verify the violation necessitating the limited stop placement has been corrected.

(iv) The limited stop placement shall be terminated when:

(A) The department verifies the violation necessitating the limited stop placement has been corrected or the department determines that the psychiatric hospital has taken intermediate action to address the immediate jeopardy; and

(B) The psychiatric hospital establishes the ability to maintain correction of the violation previously found deficient.

(e) The department may suspend new admissions to the psychiatric hospital by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of patients or a specific area of the psychiatric hospital.

(i) Prior to imposing a stop placement, the department shall provide a psychiatric hospital written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy, and the psychiatric hospital shall have twenty-four hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practice or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same twenty-four hour period, the department may issue the stop placement.

(ii) When the department imposes a stop placement, the psychiatric hospital may not admit any new patients until the stop placement order is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the psychiatric hospital if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(iv) The stop placement order shall be terminated when:

(A) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the psychiatric hospital has taken intermediate action to address the immediate jeopardy; and

(B) The psychiatric hospital establishes the ability to maintain correction of the violation previously found deficient.

(f) The department may suspend, revoke, or refuse to renew a license.

(2)(a) Except as otherwise provided, RCW 43.70.115 governs notice of the imposition of conditions on a license, a limited stop placement, stop placement, or the suspension, revocation, or refusal to renew a license and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, including a copy of the department's notice, be served on and received by the department within twenty-eight days of the

licensee's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(b) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop placement, stop placement, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(i) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within fourteen days of making the request. The licensee must request the show cause hearing within twenty-eight days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(ii) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and must provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department must provide the licensee with all documentation that supports the department's immediate suspension.

(iii) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(iv) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(v) If the secretary sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within ninety days of the licensee's request.

**NEW SECTION. Sec. 27.** A new section is added to chapter 43.70 RCW to read as follows:

As resources allow, the department shall make health care facility inspection and investigation statements of deficiencies, plans of correction, notice of acceptance of plans of correction, enforcement actions, and notices of resolution available to the public on the internet, starting with psychiatric hospitals and residential treatment facilities.

**NEW SECTION. Sec. 28.** A new section is added to chapter 43.70 RCW to read as follows:

The department must conduct a review of statutes for all health care facility types licensed by the department under chapters 18.46, 18.64, 70.41, 70.42, 70.127, 70.230, 71.12, and 71.24 RCW to evaluate appropriate levels of oversight and identify opportunities to consolidate and

standardize licensing and enforcement requirements across facility types. The department must work with stakeholders including, but not limited to, the statewide associations of the facilities under review to create recommendations that will be shared with stakeholders and the legislature for a uniform health care facility enforcement act for consideration in the 2021 legislative session.

(d) Annually establish the health care cost growth benchmark for increases in total health expenditures. The board, in determining the health care cost growth benchmark, shall begin with an initial implementation that applies to the highest cost drivers in the health care system and develop a phased plan to include other components of the health system for subsequent years;

(e) Beginning in 2023, analyze the impacts of cost drivers to health care and incorporate this analysis into determining the annual total health care expenditures and establishing the annual health care cost growth benchmark. The cost drivers may include, to the extent such data is available:

(i) Labor, including but not limited to, wages, benefits, and salaries;

(5) Prior to designating a scenic bikeway, the commission must consult with a local government legislative authority if the scenic bikeway will be located within the local government's jurisdiction.

(6) To the extent that funds available for the development of scenic bikeways limit the number of designated scenic bikeways that the commission is able to

approve and implement each biennium, the commission must give priority to the designation and implementation of scenic bikeways that will add variety to the geographic location, topography, route length and difficulty, and cultural, historic, scenic, and recreational value of the statewide scenic bikeway system or that will complete existing bicycling networks.

(7) The commission must periodically review designated scenic bikeways to ensure that routes continue to meet the criteria of subsection (4) of this section. Upon review, the commission may alter the route or revoke the designation of a scenic bikeway.

(8)(a) In consultation with the department of transportation, the commission must develop signage to be placed along the routes of each designated scenic bikeway.

(b) On the commission's web site, the commission must promote the use of designated scenic bikeways.

(c) The commission may develop promotional materials, including maps or telecommunications applications for purposes of facilitating public use of designed scenic bikeways. Promotional materials created by the commission must indicate whether the bikeway is paved or gravel and any other conditions of the bikeway that affect the safety of users. Consistent with the standards of RCW 79A.05.087, the commission may encourage local economic development in proximity to designated scenic bikeways in the promotional materials by noting opportunities for bicycle repair, food, lodging, camping, recreation, and other tourist activities.

(d) The commission must evaluate each designated scenic bikeway to determine whether the bikeway, or a portion thereof, is suitable for the use of electric bicycles and tricycles. If the commission determines that a designated scenic bikeway, or a portion thereof, is suitable for the use of electric bicycles and tricycles, the commission must allow their use on those bikeways or portions of bikeways.

(9) A recreational access pass issued under chapter 79A.80 RCW is not required in order to use a designated scenic bikeway, except that the access pass requirements of chapter 79A.80 RCW apply to motor vehicles used to park or operate on any portion of a scenic bikeway located on a recreational site or lands, as that term is defined in RCW 79A.80.010.

(10) The designation of a facility or roadway as a scenic bikeway by the commission does not change the liability of the commission or any other state or local government entity with respect to unintentional injury sustained by a user of a scenic bikeway. Nothing in this subsection applies or limits the applicability of the provisions of RCW 4.24.210 to roads or facilities designated as scenic bikeways.

(11) Nothing in this section authorizes the commission to acquire property or property rights solely for purposes of development of a scenic bikeway.

(12) The commission may enter into sponsorship agreements with nonprofit entities or private businesses or entities for sponsorship signs to be displayed on designated

scenic bikeways or portions of designated scenic bikeways. The commission may establish the cost for entering into a sponsor agreement. Sponsorship agreements must comply with (a) through (d) of this subsection.

(a) Space for a sponsorship sign may be provided by the commission on a designated scenic bikeway.

(b) Signage erected pursuant to a sponsorship agreement must be consistent with criteria established by the commission relating to size, materials, colors, wording, and location.

(c) The nonprofit entity or private business or entity must pay all costs of a display, including development, construction, installation, operation, maintenance, and removal costs.

(d) Proceeds from the sponsorship agreements must be used to fund commission activities related to the scenic bikeways program. Any surplus funds resulting from sponsorship agreements must be deposited into the state parks renewal and stewardship account under RCW 79A.05.215.

(13) The commission may adopt rules to administer the scenic bikeways program."

On page 1, line 2 of the title, after "bikeways;" strike the remainder of the title and insert "and adding a new section to chapter 79A.05 RCW."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2622 with the following amendment:

2.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 3.** RCW 9.41.801 and 2019 c 245 s 2 are each amended to read as follows:

(1) Because of the heightened risk of lethality to petitioners when respondents to protection orders become aware of court involvement and continue to have access to firearms, and the frequency of noncompliance with court orders prohibiting possession of firearms, law enforcement and judicial processes must emphasize swift and certain compliance with court orders prohibiting access, possession, and ownership of firearms.

(2) A law enforcement officer serving a protection order, no-contact order, or restraining order that includes an order to surrender all firearms, dangerous weapons, and a concealed pistol license under RCW 9.41.800 shall inform the respondent that the order is effective upon service and the respondent must immediately surrender all firearms and dangerous weapons in his or her custody, control, or possession and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms, dangerous weapons, and concealed pistol license. The law enforcement officer shall take possession of all firearms, dangerous weapons, and any concealed pistol license belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. ~~((Alternatively, if personal service is not required because the respondent was present at the hearing at which the order was entered, the))~~ The order must be personally served upon the respondent or defendant if the order is entered in open court in the presence of the respondent or defendant. The respondent or defendant shall acknowledge receipt and service. If the respondent or defendant refuses service, an agent of the court may indicate on the record that the respondent or defendant refused service. The court shall enter the service and receipt into the record. A copy of the order and service shall be transmitted immediately to law

enforcement. The respondent must immediately surrender all firearms, dangerous weapons, and any concealed pistol license in a safe manner to the control of the local law enforcement agency on the day of the hearing at which the respondent was present.

(3) At the time of surrender, a law enforcement officer taking possession of firearms, dangerous weapons, and any concealed pistol license shall issue a receipt identifying all firearms, dangerous weapons, and any concealed pistol license that have been surrendered and provide a copy of the receipt to the respondent. The law enforcement agency shall file the original receipt with the court within twenty-four hours after service of the order and retain a copy of the receipt, electronically whenever electronic filing is available.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms or dangerous weapons as required by an order issued under RCW 9.41.800, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms and dangerous weapons in their possession, custody, or control. If probable cause exists, the court shall issue a warrant describing the firearms or dangerous weapons and authorizing a search of the locations where the firearms and dangerous weapons are reasonably believed to be and the seizure of all firearms and dangerous weapons discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms or dangerous weapons surrendered pursuant to this section, and the person is determined by the law enforcement agency to be the lawful owner of the firearm or dangerous weapon, the firearm or dangerous weapon shall be returned to the lawful owner, provided that:

(a) The firearm or dangerous weapon is removed from the respondent's access, custody, control, or possession and the lawful owner agrees by written document signed under penalty of perjury to store the firearm or dangerous weapon in a manner such that the respondent does not have access to or control of the firearm or dangerous weapon;

(b) The firearm or dangerous weapon is not otherwise unlawfully possessed by the owner; and

(c) The requirements of RCW 9.41.345 are met.

(6) Courts shall develop procedures to verify timely and complete compliance with orders to surrender weapons under RCW 9.41.800, including compliance review hearings to be held as soon as possible upon receipt from law enforcement of proof of service. A compliance review hearing is not required if the court can otherwise enter findings on the record or enter written findings that the proof of surrender or declaration of nonsurrender attested to by the person subject to the order, along with verification from law enforcement and any other relevant evidence, makes a sufficient showing that the person has timely and completely surrendered all firearms and dangerous weapons in their custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070, to a law enforcement agency. If the court does not have a sufficient record before

it on which to make such a finding, the court must set a review hearing to occur as soon as possible at which the respondent must be present and provide ~~((testimony to the court under oath verifying))~~ proof of compliance with the court's order.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order to surrender weapons is addressed, that there is probable cause to believe the respondent was aware of and failed to fully comply with the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may initiate a contempt proceeding to impose remedial sanctions on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, and issue an order requiring the respondent to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the order to surrender weapons and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order.

(d)(i) At the show cause hearing, the respondent must be present and provide proof of compliance with the underlying court order to surrender weapons and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms and other dangerous weapons surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and the agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must

submit the basis for its belief to the court, and may do so through the filing of an affidavit.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender weapons.

(f) The court may order a respondent found in contempt of the order to surrender weapons to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding shall not be borne by the petitioner.

(8) All law enforcement agencies must have policies and procedures to provide for the acceptance, storage, and return of firearms, dangerous weapons, and concealed pistol licenses that a court requires must be surrendered under RCW 9.41.800. A law enforcement agency holding any firearm or concealed pistol license that has been surrendered under RCW 9.41.800 shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained.

~~((8))~~ (9) The administrative office of the courts shall create a statewide pattern form to assist the courts in ensuring timely and complete compliance in a consistent manner with orders issued under this chapter. The administrative office of the courts shall report annually on the number of orders issued under this chapter by each court, the degree of compliance, and the number of firearms obtained, and may make recommendations regarding additional procedures to enhance compliance and victim safety.

**Sec. 4.** RCW 7.94.090 and 2017 c 3 s 10 (Initiative Measure No. 1491) are each amended to read as follows:

(1) Upon issuance of any extreme risk protection order under this chapter, including an ex parte extreme risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms in the respondent's custody, control, or possession and any concealed pistol license issued under RCW 9.41.070.

(2) The law enforcement officer serving any extreme risk protection order under this chapter, including an ex parte extreme risk protection order, shall request that the respondent immediately surrender all firearms in his or her custody, control, or possession and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms. The law enforcement officer shall take possession of all firearms belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. The order must be personally served upon the respondent or defendant if the order is entered in open court in the presence of the respondent or defendant. The respondent or defendant shall acknowledge receipt and service. If the respondent or defendant refuses service, an agent of the court may indicate on the record that the respondent or defendant refused service. The court shall enter the service and receipt into the record. A copy of the order and service shall be transmitted immediately to law enforcement. Alternatively, if personal service by a law

enforcement officer is not possible, ~~((or not required because the respondent was present at the extreme risk protection order hearing.))~~ the respondent shall surrender the firearms in a safe manner to the control of the local law enforcement agency within forty-eight hours of being served with the order by alternate service ~~((or within forty-eight hours of the hearing at which the respondent was present)).~~

(3) At the time of surrender, a law enforcement officer taking possession of a firearm or concealed pistol license shall issue a receipt identifying all firearms that have been surrendered and provide a copy of the receipt to the respondent. Within seventy-two hours after service of the order, the officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms as required by an order issued under this chapter, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms in his or her possession, custody, or control. If probable cause exists, the court shall issue a warrant describing the firearms and authorizing a search of the locations where the firearms are reasonably believed to be and the seizure of any firearms discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms surrendered pursuant to this section, and he or she is determined by the law enforcement agency to be the lawful owner of the firearm, the firearm shall be returned to him or her, provided that:

(a) The firearm is removed from the respondent's custody, control, or possession and the lawful owner agrees to store the firearm in a manner such that the respondent does not have access to or control of the firearm; and

(b) The firearm is not otherwise unlawfully possessed by the owner.

(6) Upon the issuance of a one-year extreme risk protection order, the court shall order a new compliance review hearing date and require the respondent to appear not later than three judicial days from the issuance of the order. The court shall require a showing that the ~~((person subject to the order))~~ respondent has surrendered any firearms in ~~((his or her))~~ the respondent's custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070 to a law enforcement agency. The court may dismiss the hearing upon a satisfactory showing that the respondent has timely and completely surrendered all firearms in the respondent's custody, control, or possession and any concealed pistol license issued under RCW 9.41.070 to a law enforcement agency, and is in compliance with the order. If the court does not have a sufficient record before it on which to make such a finding, the court must set a review hearing to occur as soon as possible, at which the respondent must be present and provide proof of compliance with the court's order.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order is addressed, that there is probable cause to believe the respondent was aware of and failed to fully comply with the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may initiate a contempt proceeding on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, to impose remedial sanctions, and issue an order requiring the respondent to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the extreme risk protection order and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order to show cause.

(d)(i) At the show cause hearing, the respondent must be present and provide proof of compliance with the extreme risk protection order and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and the agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must submit the basis for its belief to the court, and may do so through the filing of an affidavit.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender weapons.

(f) The court may order a respondent found in contempt of the order to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding shall not be borne by the petitioner.

(8) All law enforcement agencies must develop policies and procedures by June 1, 2017, regarding the acceptance, storage, and return of firearms required to be surrendered under this chapter. A law enforcement agency holding any surrendered firearm or concealed pistol license shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained."

SUBSTITUTE HOUSE BILL NO. 2622, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2662 with the following amendment:

4.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 5.** (1) The legislature recognizes that:

(a) Insulin is a life-saving drug and is critical to the management of diabetes as it helps patients control their blood sugar levels;

(b) According to Yale researchers, one-quarter of patients with Type 1 or 2 diabetes have reported using less insulin than prescribed due to the high cost of insulin;

(c) The first insulin patent in the United States was awarded in 1923 and the first synthetic insulin arrived on the market in 1978; and

(d) The price and utilization of insulin has steadily increased, making it one of the costliest prescription drugs in the state. According to the Washington all-payer claims database, the allowable costs before rebates for health carriers in the state have increased eighty-seven percent since 2014, and per member out-of-pocket costs have increased an average of eighteen percent over the same time period.

(2) Therefore, the legislature intends to review, consider, and pursue several strategies with the goal of reducing the cost of insulin in Washington.

NEW SECTION. **Sec. 6.** A new section is added to chapter 70.14 RCW to read as follows:

(1) The total cost of insulin work group is established. The work group membership must consist of the insurance commissioner or designee and the following members appointed by the governor:

(a) A representative from the prescription drug purchasing consortium described in RCW 70.14.060;

(b) A representative from the pharmacy quality assurance commission;

(c) A representative from an association representing independent pharmacies;

(d) A representative from an association representing chain pharmacies;

(e) A representative from each health carrier offering at least one health plan in a commercial market in the state;

(f) A representative from each health carrier offering at least one health plan to state or public school employees in the state;

(g) A representative from an association representing health carriers;

(h) A representative from the public employees' benefits board or the school employees' benefits board;

(i) A representative from the health care authority;

(j) A representative from a pharmacy benefit manager that contracts with state purchasers;

(k) A representative from a drug distributor or wholesaler that distributes or sells insulin in the state;

(l) A representative from a state agency that purchases health care services and drugs for a selected population;

(m) A representative from the attorney general's office with expertise in prescription drug purchasing; and

(n) A representative from an organization representing diabetes patients who is living with diabetes.

(2) The work group must review and design strategies to reduce the cost of and total expenditures on insulin in this state. Strategies the work group must consider include, but are not limited to, a state agency becoming a licensed drug wholesaler, a state agency becoming a registered pharmacy benefit manager, and a state agency purchasing prescription drugs on behalf of the state directly from other states or in coordination with other states.

(3) Staff support for the work group shall be provided by the health care authority.

(4) By December 1, 2020, the work group must submit a preliminary report detailing strategies to reduce the cost of and total expenditures on insulin for patients, health carriers, payers, and the state. The work group must submit a final report by July 1, 2021, to the governor and the legislature. The final report must include any statutory changes necessary to implement the strategies.

(5) This section expires December 1, 2022.

**NEW SECTION. Sec. 7.** A new section is added to chapter 70.14 RCW to read as follows:

(1) In order to implement strategies recommended by the total cost of insulin work group established in section 2 of this act, the health care authority may:

(a) Become or designate a state agency that shall become a drug wholesaler licensed under RCW 18.64.046;

(b) Become or designate a state agency that shall become a pharmacy benefit manager registered under RCW 19.340.030; or

(c) Purchase prescription drugs on behalf of the state directly from other states or in coordination with other states.

(2) In addition to the authorities granted in subsection (1) of this section, if the total cost of insulin work group established in section 2 of this act determines that all or a portion of the strategies may be implemented without statutory changes, the health care authority and the prescription drug purchasing consortium described in RCW 70.14.060 shall begin implementation without further legislative direction.

**Sec. 8.** RCW 70.14.060 and 2009 c 560 s 13 are each amended to read as follows:

(1)(a) The administrator of the state health care authority shall, directly or by contract, adopt policies necessary for establishment of a prescription drug purchasing consortium. The consortium's purchasing activities shall be based upon the evidence-based prescription drug program established under RCW 70.14.050. State purchased health care programs as defined in RCW 41.05.011 shall purchase prescription drugs through the consortium for those prescription drugs that are purchased directly by the state and those that are purchased through reimbursement of pharmacies, unless exempted under ~~((this section))~~ (b) of this subsection. The administrator shall not require any supplemental rebate offered to the ~~((department of social and health services))~~ health care authority by a pharmaceutical manufacturer for prescription drugs purchased for medical assistance program clients under chapter 74.09 RCW be extended to any other state purchased health care program, or to any other individuals or entities participating in the consortium. The administrator shall explore joint purchasing opportunities with other states.

(b) State purchased health care programs are exempt from the requirements of this section if they can demonstrate to the administrator of the state health care authority that, as a result of the availability of federal programs or other purchasing arrangements, their other purchasing mechanisms will result in greater discounts and aggregate cost savings than would be realized through participation in the consortium.

(2) Participation in the purchasing consortium shall be offered as an option beginning January 1, 2006. Participation in the consortium is purely voluntary for units of local government, private entities, labor organizations, health carriers as provided in RCW 48.43.005, state purchased health care services from or through health carriers as provided in RCW 48.43.005, and for individuals who lack or are underinsured for prescription drug coverage. The administrator may set reasonable fees, including enrollment fees, to cover administrative costs attributable to participation in the prescription drug consortium.

(3) ~~((This section does not apply to state purchased health care services that are purchased from or through health carriers as defined in RCW 48.43.005, or group model health maintenance organizations that are accredited by the national committee for quality assurance.~~

(4)) The state health care authority is authorized to adopt rules implementing chapter 129, Laws of 2005.

~~((5) State purchased health care programs are exempt from the requirements of this section if they can demonstrate to the administrator that, as a result of the availability of federal programs or other purchasing arrangements, their other purchasing mechanisms will result in greater discounts and aggregate cost savings than would be realized through participation in the consortium.))~~

**NEW SECTION. Sec. 9.** A new section is added to chapter 48.43 RCW to read as follows:

(1) Except as required in subsection (2) of this section, a health plan issued or renewed on or after January 1, 2021, that provides coverage for prescription insulin drugs for the treatment of diabetes must cap the total amount that an enrollee is required to pay for a covered insulin drug at an amount not to exceed one hundred dollars per thirty-day supply of the drug. Prescription insulin drugs must be covered without being subject to a deductible, and any cost sharing paid by an enrollee must be applied toward the enrollee's deductible obligation.

(2) If the federal internal revenue service removes insulin from the list of preventive care services which can be covered by a qualifying health plan for a health savings account before the deductible is satisfied, for a health plan that provides coverage for prescription insulin drugs for the treatment of diabetes and is offered as a qualifying health plan for a health savings account, the carrier must establish the plan's cost sharing for the coverage of prescription insulin for diabetes at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions from his or her health savings account under internal revenue service laws and regulations. The office of the insurance commissioner must provide written notice of the change in internal revenue service guidance to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the office.

(3) This section expires January 1, 2023.

**NEW SECTION. Sec. 10.** A new section is added to chapter 41.05 RCW to read as follows:

(1) Except as required in subsection (2) of this section, a health plan offered to public employees and their covered dependents under this chapter that is issued or renewed by the board on or after January 1, 2021, that provides coverage for prescription insulin drugs for the treatment of diabetes must cap the total amount that an enrollee is required to pay for a covered insulin drug at an amount not to exceed one hundred dollars per thirty-day supply of the drug. Prescription insulin drugs must be covered without being subject to a deductible, and any cost sharing paid by an enrollee must be applied toward the enrollee's deductible obligation.

(2) If the federal internal revenue service removes insulin from the list of preventive care services which can be covered by a qualifying health plan for a health savings account before the deductible is satisfied, for a health plan

that provides coverage for prescription insulin drugs for the treatment of diabetes and is offered as a qualifying health plan for a health savings account, the carrier must establish the plan's cost sharing for the coverage of prescription insulin for diabetes at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions from his or her health savings account under internal revenue service laws and regulations. 14.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 15. A new section is added to chapter 82.08 RCW to read as follows:

(1) A taxpayer is eligible for an exemption, in the form of a remittance, from the tax levied by RCW 82.08.020 on:

(a) The sale of oil-free adjustable blade hubs for hydroelectric turbines;

(b) The sale of or charge made for labor and services rendered in respect to constructing, installing, repairing, altering, cleaning, or improving oil-free adjustable blade hubs for hydroelectric turbines; and

(c) The sale of tangible personal property that will become a component of oil-free adjustable blade hubs for hydroelectric turbines during the course of constructing, installing, repairing, altering, cleaning, or improving oil-free adjustable blade hubs for hydroelectric turbines.

(2)(a) Any taxpayer claiming exemption from retail sales tax under the provisions of this section must pay the state and local sales tax to the seller at the time of purchase and then request a remittance from the department in accordance with this subsection. The request for remittance must include any information and documentation as required by the department, which may include the sales price of any goods or services purchased, the amount of sales tax paid on the item, the date of the purchase, the name of the seller and the physical address where the sale took place, and copies of sales receipts showing the qualified purchases.

(b) Requests for remittance must be made on an annual basis. A taxpayer may not submit more than one request for remittance for a given calendar year, except to amend a request.

(c) As part of the application for a remittance under this section, in cases where the labor and services as described in subsection (1)(b) of this section are provided under contract, the taxpayer must attest:

(i)(A) That the contractors on the project, for which the labor and services described in subsection (1)(b) of this section are rendered, have a history of complying with federal and state wage and hour laws and regulations; or

(B) That the project, for which the labor and services described in subsection (1)(b) of this section are rendered, is developed under a community workforce agreement or project labor agreement; or

(ii) That, if the contract for labor and services described under subsection (1)(b) of this section was

executed prior to July 1, 2020, and the remaining labor and services will be rendered on or after July 1, 2020, either of the conditions in (c)(i) of this subsection (2) is met and wages consistent with chapter 39.12 RCW are paid on the project.

(d) If the department determines that any of the facts attested to as required under (c) of this subsection are not true, the department must deny the application for remittance. However, nothing in this section requires the department to endeavor to determine the veracity of the facts attested to as required under (c) of this subsection. Upon the department's request, state agencies must provide assistance to the department in reviewing the information submitted by a generating utility as required by (c) of this subsection.

(e) Any taxpayer claiming exemption from retail sales tax under the provisions of this section must also report to the department the amount of energy expected to be generated by the hydroelectric turbines associated with the exemption in the twelve months following the date of the request. The department must make this information available to the joint legislative audit and review committee.

(3) The exemption provided by this section is only for the state portion of the sales tax. For purposes of this section, the state portion of the sales tax is not reduced by any local sales tax that is deducted or credited against the state sales tax as provided by law.

(4) The definitions in this subsection apply throughout this section and section 2 of this act unless the context clearly requires otherwise:

(a) "Electric utility" has the same meaning as defined in RCW 19.29A.010.

(b) "Hydroelectric turbine" means a mechanical wheel that is moved by water and connected to a generator to produce electricity in a hydroelectric project owned by an electric utility.

(c) "Oil-free adjustable blade hub for hydroelectric turbines" means a type of horizontal or vertical hydroelectric turbine with adjustable blades that does not use oil on the runner hub to lubricate the internal components.

(5) This section expires July 1, 2030.

(c) Tangible personal property that will become a component of oil-free adjustable blade hubs for hydroelectric turbines during the course of constructing, installing, repairing, altering, cleaning, or improving oil-free adjustable blade hubs for hydroelectric turbines.

(2) All of the eligibility requirements, conditions, limitations, and definitions in section 1 of this act apply to this section.

(3) This section expires July 1, 2030.

**NEW SECTION. Sec. 17.** (1) This section is the tax preference performance statement for the tax preference contained in sections 1 and 2, chapter . . ., Laws of 2020 (sections 1 and 2 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to improve industry competitiveness as indicated in RCW 82.32.808(2)(b).

(3) It is the legislature's specific public policy objective to promote the use of oil-free hydroelectric turbine technology.

(4) If a review finds that there is an increase in the number of taxpayers claiming the exemption provided in this act and in the amount of energy generated by the hydroelectric turbines associated with this exemption, then the legislature intends to extend the expiration date of this tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any data collected by the state.

**MESSAGE FROM THE SENATE**

March 6, 2020

Mme. SPEAKER:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1661, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 19. (1) The legislature finds that:

(a) Chapter 47, Laws of 2011 1st sp. sess. (Engrossed Substitute House Bill No. 1981) established a framework to allow the state's institutions of higher education to begin funding the unfunded portion of the defined benefit component of the higher education retirement plans.

(b) Moneys in the fund are being invested in short-term assets with low rates of return because there is no stated or clear pathway for when these funds will be used to pay benefits and that a stated strategy would allow these funds to be invested at a higher rate of return.

(c) The first actuarial analysis of the plans was completed in 2016, which provided information about projected future costs and potential institution specific rates that would allow benefits to be paid from the fund beginning in 2035.

(2) Therefore, the legislature intends the following:

(a) To establish institution specific contribution rates for each institutions of higher education supplemental benefit plan.

(b) The pension funding council will adjust the institution specific rates periodically based on updated experience and actuarial analyses to maintain progress towards funding the actuarial liabilities of each institution and to allow payment from the funds by 2035.

(c) Future contribution rates represent the cost of paying on a combined prefunded and pay-as-you-go basis in a way that reduces the year-to-year changes in cost that the higher education retirement plan supplemental benefit has under current law.

(d) The department of retirement systems assumes responsibility for administering the higher education retirement plan supplemental benefit fund when sufficient assets have been accumulated, as determined by the pension funding council.

(e) When sufficient funding has been accumulated to begin making benefit payments that the payments be made solely from that institution's portion of the higher education retirement plan supplemental benefit fund.

(f) That moneys in the fund be invested in a way to maximize returns.

**Sec. 20.** RCW 28B.10.423 and 2012 c 229 s 516 are each amended to read as follows:

(1) For employees who are first employed by an institution of higher education in a position eligible for participation in an old age annuities or retirement income plan under this chapter prior to July 1, 2011, it is the intent of RCW 28B.10.400, 28B.10.405, 28B.10.410, 28B.10.415, and 28B.10.420(Ⓕ) and (~~28B.10.423~~) this section that the

retirement income resulting from the contributions described herein from the state of Washington and the employee shall be projected actuarially so that it shall not exceed sixty percent of the average of the highest two consecutive years salary. Periodic review of the retirement systems established pursuant to RCW 28B.10.400, 28B.10.405, 28B.10.410, 28B.10.415, and 28B.10.420(Ⓕ) and (~~28B.10.423~~) this section will be undertaken at such time and in such manner as determined by the committees on ways and means of the senate and of the house of representatives, the select committee on pension policy, and the pension funding council, and joint contribution rates will be adjusted if necessary to accomplish this intent.

(2) Beginning July 1, 2011, state funding for annuity or retirement income plans under RCW 28B.10.400 shall not exceed six percent of salary. The state board for community and technical colleges and the student achievement council are exempt from the provisions of this subsection (2).

(3) By June 30, 2013, and every two years thereafter, each institution of higher education that is responsible for payment of supplemental amounts under RCW 28B.10.400(1)(c) shall contract with the state actuary under chapter 41.44 RCW for an actuarial valuation of their supplemental benefit plan. By June 30, 2013, and at least once every six years thereafter, each institution shall also contract with the state actuary under chapter 41.44 RCW for an actuarial experience study of the mortality, service, compensation, and other experience of the annuity or retirement income plans created in this chapter, and into the financial condition of each system. At the discretion of the state actuary, the valuation or experience study may be performed by the state actuary or by an outside actuarial firm under contract to the office of the state actuary. Each institution of higher education is required to provide the data and information required for the performance of the valuation or experience study to the office of the state actuary or to the actuary performing the study on behalf of the state actuary. The state actuary may charge each institution for the actual cost of the valuation or experience study through an interagency agreement. Upon completion of the valuation or experience study, the state actuary shall provide copies of the study to the institution of higher education and to the select committee on pension policy and the pension funding council.

(4)(a) (~~(A higher education retirement plan supplemental benefit fund is created in the custody of the state treasurer for the purpose of funding future benefit obligations of higher education retirement plan supplemental benefits. The state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the fund.~~

~~(b))~~ From January 1, 2012, through June 30, 2013, an employer contribution rate of one-quarter of one percent of salary is established to begin prefunding the unfunded future obligations of the supplemental benefit established in RCW 28B.10.400.

~~((c))~~ (b) Beginning July 1, 2013, an employer contribution rate of one-half of one percent of salary is

established to prefund the unfunded future obligations of the supplemental benefit established in RCW 28B.10.400.

~~((d))~~ (c)(i) Beginning July 1, 2020, the employer contribution rates for each state institution of higher education are as follows:

University of Washington: 0.38 percent

Washington State University: 0.30 percent

Western Washington University: 0.21 percent

Eastern Washington University: 0.28 percent

Central Washington University: 0.00 percent

The Evergreen State College: 0.23 percent

State board for community and technical colleges: 0.13 percent

(ii) The contribution rates established in this section may be changed by rates adopted by the pension funding council beginning July 1, 2021, consistent with (e) of this subsection.

(iii) The rates in this subsection (4) are subject to the limit established in subsection (2) of this section.

(d) Consistent with chapter 41.50 RCW, the department of retirement systems shall collect the employer contribution rates established in this section from each state institution of higher education, and deposit those contributions into the higher education retirement plan supplemental benefit fund under RCW 41.50.075(6). The contributions made by each employer into the higher education retirement plan supplemental benefit fund and the earnings on those contributions shall be accounted for separately within the fund.

(e) Following the completion and review of the ~~((initial))~~ actuarial valuations and experience study conducted pursuant to subsection (3) of this section, the pension funding council may~~(:~~

~~(i) Adopt~~), by July 31, 2020, and every two years thereafter, adopt and make changes to the employer contribution rates established in this subsection consistent with the procedures established in chapter 41.45 RCW. If the actuarial valuations of the higher education retirement plans of each institution contributing to the higher education retirement plan supplemental benefit fund suggest that different contribution rates are appropriate for each institution, different rates may be adopted. Rates adopted by the pension funding council are subject to revision by the legislature~~(:~~

~~(ii) Recommend legislation that will, upon accumulation of sufficient funding in the higher education retirement plan supplemental benefit fund, transfer the responsibility for making supplemental benefit payments to the department of retirement systems, and adjust employer contribution rates to reflect the transfer of responsibility).~~

(f)(i) The rates adopted by the pension funding council must be designed to keep the cost of the higher education retirement plan supplemental benefits at a more level

percentage of pay than a pay-as-you-go method. This more level percentage of pay of costs means a combination of the cost of supplemental benefits paid by the institution directly, plus the cost of contributions to the higher education retirement plan supplemental benefit fund. Contributions shall continue until the projected value of the funds equals the projected cost of future benefits for the institution.

(ii) Funds are anticipated to be accumulated in the higher education retirement plan supplemental benefit fund, and not expended on benefits until approximately the year 2035.

(iii) The pension funding council, in consultation with the state actuary, may choose and occasionally revise, a funding method designed to achieve these objectives.

**SENATE AMENDMENT TO HOUSE BILL**

There being no objection, the House refused to concur in the Senate amendment to SECOND SUBSTITUTE HOUSE BILL NO. 1661 and asked the Senate to recede therefrom.

**MESSAGE FROM THE SENATE**

March 5, 2020

Mme. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2116, with the following amendment:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 27.** The legislature recognizes that the federal every student succeeds act of 2015, P.L. 114-95, reauthorized and amended the elementary and secondary education act of 1965, the federal policy and funding

assistance framework for the nation's public education system.

Two of the stated purposes of the every student succeeds act are to provide all children with a significant opportunity to receive a fair, equitable, and high quality education, and to close educational achievement gaps.

The legislature further recognizes that Article IX of the state Constitution provides that it is the paramount duty of the state to make ample provision for the education of all children residing within its borders, without distinction or preference on account of race, color, caste, or sex.

While the partnership of federal and state law is critical in ensuring that the civil and education rights of students are upheld, efforts in Washington to fully realize state and federal objectives, especially with respect to the delivery of education services in institutional facilities, remain unfinished.

The legislature, therefore, intends to establish a task force on improving institutional education programs and outcomes, with tasks and duties generally focused on educational programs in the juvenile justice system. In so doing, the legislature intends to examine issues that have not been significantly explored in recent years, build a shared understanding of past and present circumstances, and develop recommendations for improving the delivery of education services, and associated outcomes, for youth in institutional facilities.

**NEW SECTION. Sec. 28.** (1)(a) The task force on improving institutional education programs and outcomes is established, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate, with each member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(ii) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives, with one member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(iii) The governor shall appoint one member each from the state board of education and the department of children, youth, and families, and one member representing an organization that provides free legal advice to youth who are involved in, or at risk of being involved in, the juvenile justice system.

(iv) The superintendent of public instruction shall appoint three members: One member representing the superintendent of public instruction; one member who is a principal from a school district with at least twenty thousand enrolled students that provides education services to a juvenile rehabilitation facility; and one member who is a teacher with expertise in providing education services to residents of a juvenile rehabilitation facility.

(v) The task force must also include one member representing the educational opportunity gap oversight and accountability committee, selected by the educational opportunity gap oversight and accountability committee.

(b) The task force shall choose its cochair from among its legislative membership. One cochair must be from a minority caucus in one of the two chambers of the legislature. A member from the majority caucus of the house of representatives shall convene the initial meeting of the task force by May 1, 2020.

(2) The task force shall examine the following issues:

(a) Goals and strategies for improving the coordination and delivery of education services to youth involved with the juvenile justice system, especially youth in juvenile rehabilitation facilities, and children receiving education services, including home or hospital instruction, under RCW 28A.155.090;

(b) The transmission of student records, including individualized education programs and plans developed under section 504 of the rehabilitation act of 1973, for students in institutional facilities, and recommendations for ensuring that those records are available to the applicable instructional staff within two business days of a student's admission to the institution;

(c) Goals and strategies for increasing the graduation rate of youth in institutional facilities, and in recognition of the transitory nature of youth moving through the juvenile justice system, issues related to grade level progression and academic credit reciprocity and consistency to ensure that:

(i) Core credits earned in an institutional facility are considered core credits by public schools that the students subsequently attend; and

(ii) Public school graduation requirements, as they applied to a student prior to entering an institutional facility, remain applicable for the student upon returning to a public school;

(d) Goals and strategies for assessing adverse childhood experiences of students in institutional education and providing trauma-informed care;

(e) An assessment of the level and adequacy of basic and special education funding for institutional facilities. The examination required by this subsection (2)(e) must include information about the number of students receiving special education services in institutional facilities, and a comparison of basic and special education funding in institutional facilities and public schools during the previous ten school years;

(f) An assessment of the delivery methods, and their adequacy, that are employed in the delivery of special education services in institutional facilities, including associated findings;

(g) School safety, with a focus on school safety issues that are applicable in institutional facilities; and

(h) Special skills and services of faculty and staff, including associated professional development and

nonacademic supports necessary for addressing social emotional and behavioral health needs presenting as barriers to learning for youth in institutional facilities.

(3) The task force, in completing the duties prescribed by this section, shall solicit and consider information and perspectives provided by the department of corrections and persons and entities with relevant interest and expertise, including from persons with experience reintegrating youth from institutional facilities into school and the community at large, and from persons who provide education services in secure facilities housing persons under the age of twenty-five, examples of which include county jails, juvenile justice facilities, and community facilities as defined in RCW 72.05.020.

(4) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research. The office of financial management, the office of the superintendent of public instruction, the department of children, youth, and families, and the department of corrections shall cooperate with the task force and provide information as the cochair may reasonably request.

(5) Legislative members of the task force are to be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(6) In accordance with RCW 43.01.036, the task force shall report its findings and recommendations to the governor and the appropriate committees of the house of representatives and the senate by December 15, 2020, in time for the legislature to take action on legislation that is consistent with the findings and recommendations during the 2021 legislative session.

(7) This section expires June 30, 2021.

**NEW SECTION. Sec. 29.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "outcomes;" strike the remainder of the title and insert "creating new sections; providing an expiration date; and declaring an emergency."

and the same is herewith transmitted.
