Do you think that section should be left in, Senator Kupka?"

The President appointed a special honor committee of the following Senators to escort Mr. Charles Talmadge Conover to the rostrum: Senators Connor, Henry, Woodall, Happy, Greive and Bailey.

The committee of honor escorted Mr. Conover to the rostrum.

The President:

"Members of the Senate; Ladies and Gentlemen:

"This is indeed an auspicious occasion, and we have the honor of the presence of Mr. and Mrs. Charles Talmadge Conover with us today in the Senate chamber. As you all know, Charles Talmadge Conover is not a stranger to the legislature. In fact, as a young newspaperman, he reported the last Territorial Legislature in 1887. We have a true pioneer in every sense of the word on the rostrum portrayed by this gentleman. His ancestors were among those who received the first land grants on Manhattan Island many years ago. The state of Washington and the entire Pacific Northwest benefited immensely when, in 1884, Charles Talmadge Conover came to the West Coast.

"To this eminent pioneer and newspaperman, we are all indebted. Through his efforts the state of Washington has come to be called, 'The Evergreen State.'

"It is also due to his tireless crusade with the wondrous mountain east of Olympia that it retained its name, Mount Rainier, with all due respect to the Pierce County delegation.

"As a newspaperman, civic leader, and business man, Mr. Conover has watched the city of Seattle increase from 20,000 people to 557,000 people in a span of seventy-seven years, during which time he has always put the progress of the state of Washington and the betterment of its citizens above all. His eloquent pen still thrills and encourages readers throughout the Pacific Northwest and his articles are a living tribute to his superiority as a historian.

"I now present to you an outstanding citizen and his wife, Mr. and Mrs. Charles Talmadge Conover.

"Mr. Conover is a man of true modesty. Mr. Conover would like very much to speak to the members of the Senate, but has requested that the President get him out of it, and the President will surely do that.

"Would the committee of honor please escort Mr. and Mrs. Conover from the rostrum."

The committee of honor escorted Mr. and Mrs. Conover from the rostrum to the State reception room.

(Applause.)

#### MOTIONS

On motion of Senator McCormack, Engrossed Senate Joint Resolution No. 11 was immediately transmitted to the House.

**House Bill No. 320**, by Representatives Bozarth, Goldmark and Moos (by Departmental request):

Modifying law relating to custom slaughtering.

The bill was read the second time by sections.

On motion of Senator Talley, the rules were suspended, House Bill No. 320 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

On motion of Senator Morgan, the rules were suspended and House Bill No. 320 was returned to second reading for the purpose of an amendment.

Senator Rasmussen moved that the following amendment be adopted:

On page 3, following section 4, add 12 sections as follows:

**NEW SECTION.** Sec. 5. There is added to chapter 101, Laws of 1959 and chapter 16.50 RCW nine new sections to read as set forth in sections 6 through 14 of this act.

**NEW SECTION.** Sec. 6. The legislature of the state of Washington finds that the use of humane methods in the slaughter of livestock prevents needless suffering, results in safer and better working conditions for persons engaged in the slaughtering industry, brings about improvement of products and economy in slaughtering operations, and produces other benefits for producers, processors and consumers which tend to expedite the orderly flow of livestock and their products.

It is therefore declared to be the policy of the state of Washington that all slaughter of livestock and all handling of livestock in connection with slaughter must be carried out by humane methods only, and that all methods of slaughter must conform generally to those authorized by the federal humane slaughter act of 1958 and regulations thereunder.

**NEW SECTION.** Sec. 7. For the purpose of sections 8 through 14 of this act:

(1) "Department" means the department of agriculture of the state of Washington.  
 (2) "Director" means the director of the department or his duly appointed representative.

(3) "Person" means a natural person, individual, firm, partnership, corporation, company, society and association and every officer, agent or employee thereof. This term imports both the singular and plural, as applicable.

(4) "Slaughterer" means any person regularly engaged in the commercial or custom slaughtering of livestock in a permanent establishment.

(5) "Livestock" means cattle, calves, sheep, swine, horses, mules and goats.

(6) "Packer" means any person engaged in the business of slaughtering, of manufacturing or preparing meat or meat products for sale, either by such person or others, or of manufacturing or preparing livestock products for sale by such person or others.

(7) "Humane method" means either:

(a) a method whereby the animal is rendered insensible to pain by mechanical, electrical, chemical or other rapid and effective means before being shackled, hoisted, thrown, cast or cut; or

(b) a method in accordance with ritual requirements of the Jewish faith or of any religious faith whereby the animal suffers loss of consciousness by anemia of the brain caused by the simultaneous and instantaneous severance of the carotid arteries with a sharp instrument.

**NEW SECTION.** Sec. 8. No slaughterer or packer may bleed or slaughter any livestock except by a humane method: *Provided*, That the director may by administrative order exempt from compliance with sections 6 through 14 of this act for a period of not to exceed one year after the effective date of this act any slaughterer or packer if he finds that an earlier compliance may cause such person an undue hardship.

**NEW SECTION.** Sec. 9. The director must administer the provisions of sections 6 through 14 of this act. He must adopt, and may from time to time revise, rules which conform substantially to the rules and regulations promulgated by the secretary of agriculture of the United States pursuant to the federal humane slaughter act of 1958 (public law 85-765, 72 stat. 862) and any amendments thereto. Such rules must be adopted in accordance with the procedure of the provisions of chapter 34.04 RCW (as enacted or hereafter amended concerning the adoption of rules).

**NEW SECTION.** Sec. 10. The use of a manually operated hammer, sledge or pole axe is declared to be an inhumane method of slaughter within the meaning of sections 6 through 14 of this act.

**NEW SECTION.** Sec. 11. The director may bring an action to enjoin the violation of any provisions of sections 6 through 14 of this act or of any rule adopted pursuant to sections 6 through 14 of this act in the superior court in the county in which such violation occurs or is about to occur, notwithstanding the existence of any other remedies at law.

**NEW SECTION.** Sec. 12. The provisions of sections 6 through 14 of this act are cumulative and nonexclusive and do not affect any other remedy.

**NEW SECTION.** Sec. 13. The enactment of sections 6 through 14 of this act does not have the effect of terminating or in any way modifying any liability, civil or criminal, which is already in existence on the effective date of sections 6 through 14 of this act.

**NEW SECTION.** Sec. 14. Any person violating the provisions of sections 6 through 14 of this act or rules adopted hereunder is guilty of a misdemeanor for the first offense, and guilty of a gross misdemeanor for any subsequent offense: *Provided*, That any offense committed more than five years after a previous conviction may be treated as a first offense.

**NEW SECTION.** Sec. 15. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

Sec. 16. Sections 1 through 7, chapter 101, Laws of 1959 and RCW 16.50.010, 16.50.020, 16.50.030, 16.50.040, 16.50.050, 16.50.060 and 16.50.070 are each repealed.

**NEW SECTION.** Sec. 17. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing institutions and takes effect immediately.

#### POINT OF ORDER

Senator Hallauer:

"Mr. President, under Senate Rule 62, I think the scope and object of this bill is being enlarged by scalping this measure, the 'Humane Slaughter Act'."

Senator Greive:

"Until this amendment is read in full . . . (interruption)."

Senator Woodall:

"I move that the rules be suspended and the Secretary read the last line of the amendment."

A division was requested.

The motion carried on a rising vote.

The Secretary read the last line of the amendment.

#### POINT OF INQUIRY

Senator Woodall:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator Woodall:

"Would you give to us now the number of the bill that you are taking this legislation out of so that we can all follow it in our books?"

Senator Rasmussen moved that the amendment be adopted.

#### POINT OF ORDER

Senator Hallauer:

"Speaking further to the point of order raised, Mr. President, the title of the bill, 'An Act relating to meat inspection; providing penalties; making an exemption; and adding four new sections to chapter 204; Laws of 1959 and chapter 16.49 RCW, 'The question, I think, is whether the amendment to House Bill No. 320 is germane."

#### POINT OF ORDER

Senator Rasmussen:

"Speaking to the point of order, I think that you will find if you read the amendment this is not the same as the bill you have before you. The bill as it was proposed, was not in accordance with the specifications that these Rabbis attached to the bill. The real question here is what is the content of the bill. Does the content of the bill enlarge the scope of the bill? It is a decision that has to be decided by reading the bill, reading the title and deciding upon the merits of the bill."

Senator Morgan:

"We feel that this amendment is definitely germane because it relates to slaughter and the other bill also relates to slaughter, and this is just humane slaughter."

#### POINT OF ORDER

Senator Hallauer:

"I believe the merits of the bill are not the question. We are talking on the point of order."

#### RULING OF THE PRESIDENT

The President:

"Would you please confine your remarks to the point of order; to wit: that it is not germane."

#### POINT OF ORDER

Senator Riley:

"Couldn't the slaughtering be done at local wholesale slaughter-houses where a farmer slaughtered only for his own use? It seems to me that this certainly does widen the scope and object of the bill."

#### POINT OF INQUIRY

Senator Freise:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator Freise:

"You stated that the bill was passed at the last session of the legislature and merely hasn't been enforced. Now, why do we have this bill again if it was passed at the last session of the legislature? Was this bill vetoed?"

Senator Rasmussen:

"No one has mentioned that this bill was vetoed. It is simply because Joe Dwyer used his authority and said he wouldn't enforce it."

Senator Greive:

"Mr. President, would it be your desire if the presiding officer should read the two bills and then decide?"

The President:

"The President appreciates your suggestion. Because of the great text of the bills involved, he believes that this is a matter that requires considerable study and would not like to give a ruling immediately."

#### MOTION

On motion of Senator Greive, the matter was made a special order of business to be considered first on the second reading calendar for tomorrow.

#### PARLIAMENTARY INQUIRY

Senator Woodall:

"This motion would keep the bill on the calendar?"

#### RULING OF THE PRESIDENT

The President:

"This motion would keep the bill on the calendar on second reading."

#### SPECIAL ORDER OF BUSINESS

#### SIGNED BY THE PRESIDENT

**The President signed: Senate Bill No. 18.**

#### PARLIAMENTARY INQUIRY

Senator Hess:

"In the event that Notice to Reconsider was to be given on the passage of Senate Bill No. 114, would it be in order to reconsider it on the following day, or would it have to be reconsidered immediately?"

The President:

"The President will check with the Secretary as to the present status of the bill."

#### RULING OF THE PRESIDENT

The President:

"Reconsideration would be in order any time notice is given by a member who voted on the prevailing side, provided notice is given on the day the action to be reconsidered was taken."

Senator Hess:

"Would it be in order for such reconsideration to be taken at the end of the calendar for tonight?"

#### RULING OF THE PRESIDENT

The President:

"The President believes that you could reconsider at that time."

Senator Gallagher:

"Quoting from Rule 31, 'a motion to reconsider shall have precedence over any motion except a motion to adjourn; and when the Senate adjourns while a motion to reconsider is pending or before passing the order of motions, the right to move a reconsideration shall continue to the next day of sitting. On and after the fiftieth day of the session a motion to reconsider shall only be in order on the same day upon which notice of reconsideration is given and may be made at any time that day. Motions to reconsider a vote upon amendments to any pending question may be made and decided at once.'

"Mr. President, I think your ruling is entirely in order."

**NOTICE OF RECONSIDERATION**

Senator Hess:

"Having voted on the prevailing side, I hereby give notice that I will during this evening's session ask that the vote be reconsidered by which Senate Bill No. 114 passed the Senate today."

**POINT OF ORDER**

Senator Woodall:

"I would like to either have it done by agreement or else to give notice that I shall amend the rules providing that messages regarding Senate bills passed by the House with amendments be given publicity. These matters are running concurrently. We are desperately trying to grab our books and see the effect of House amendments upon the bill, and I don't think I am the slowest member of the body, but to see what effect it has upon a bill does take some study.

"I would suggest that until we get to the closing hours of the session that these messages be printed and made available at our desks so that we will know exactly what effect these House amendments make upon our bills."

The President:

"Notice received."

**PERSONAL PRIVILEGE**

Senator Hess:

"I wish to join Senator Woodall in this request that some system be worked out whereby the members may be notified in writing in advance of the bills coming back from the other body for concurrence or difference. We just passed a law that makes every fire department much more liable. I don't know if this is so, but I think I would have enjoyed a prior notice and I think we would all have been more informed upon what we were voting on, if we had."

**SPECIAL ORDER OF BUSINESS**

The time having arrived, the President declared the special order of business to be consideration of Substitute Senate Bill No. 111, set for 8:00 o'clock p. m. this evening.

**SECOND READING OF BILLS**

**Substitute Senate Bill No. 111**, by Judiciary Committee:  
Reorganizing the justice court system.

The bill was read the second time by sections.

**POINT OF INQUIRY**

Senator Nunamaker:

"Will Senator Dore yield to a question?"

Senator Dore:

"Yes, I will."

Senator Nunamaker:

"Just what salary do these justices receive now?"

Senator Dore:

"Some receive as high as \$23,000 to \$25,000; and some receive \$2.00. It just depends upon how popular they are with the State Patrol, and in what district they are situated."

Senators Freise, DeGarmo and Petrich demanded a Call of the Senate. A Call of the Senate was ordered.

**CALL OF THE SENATE**

The Sergeant-at-Arms locked the door of the Senate Chamber.

The Secretary called the roll on the Call of the Senate, all members being present.

The President instructed the Sergeant-at-Arms to lock the elevators, draw the curtains, and not permit anyone to enter or leave the chamber, and clear the lobby of all unauthorized personnel.

Senator Raugust moved that the following amendment be adopted:

In section 2, page 2, line 30 after "court" strike the period and insert "": *Provided*, That this act shall apply to counties having a population in excess of fifteen thousand persons."

#### POINT OF INQUIRY

Senator Durkan:

"Does Senator Raugust's amendment say 'only', or 'to'?"

The Secretary read the amendment.

Senator Durkan:

"It would appear, Senator Raugust, that your amendment is meaningless because it does not apply. You don't limit it to those mentioned."

Senator Raugust:

"My attorney drafted this and if it is incorrect he made an error."

On motion of Senator Dore, the rules were suspended and Senator Raugust was allowed to orally insert the word "only" between the words "apply" and "to".

#### POINT OF INQUIRY

Senator Dore:

"Will Senator Raugust yield to a question?"

Senator Raugust:

"Yes, I will."

Senator Dore:

"One of your counties is Wahkiakum. Wahkiakum has one justice. Looking on page 4 of the bill, chapter 2, section 11, there are three justices of the peace allowed."

Senator McMillan:

"I would like to move that an amendment be added to Senator Raugust's amendment. It will be an oral amendment. I will move that Senator Raugust's amendment be amended to the figure of '40,000' instead of '15,000'."

#### POINT OF INQUIRY

Senator Dore:

"If a lower number is defeated, is it in order to give a higher number, or is it true that you can only go lower?"

Senator Greive:

"Once we defeat 40,000, according to Reed's, you can only go downward, and not upward."

The President stated the question before the Senate to be the oral amendment proposed by Senator McMillan to the amendment by Senator Raugust.

#### PARLIAMENTARY INQUIRY

Senator Henry:

"I also represent a number of these smaller counties, but I also was the author of the J. P. bill to remove the fee system in 1951. My point of inquiry is this. If Senator McMillan's amendment prevails, I would like to know just how we are going to get out of this mess."

The President stated the question before the Senate to be, it has been moved that the amendment proposed by Senator McMillan be adopted.

Senator Neill moved that the amendments as presented shall be taken up in order, section by section, as they refer to each section of the bill.

The President stated the question before the Senate to be the adoption of the motion by Senator Neill.

The motion carried.

#### POINT OF INQUIRY

Senator Lennart:

"Would it be too presumptuous to inquire how long it will be to get the amendments in order?"

The President:

"The President wishes to advise Senator Lennart that the amendment proposed by Senator McCutcheon will take its place after those proposed by the others."

#### POINT OF INQUIRY

Senator Happy:

"Would it be in order to move to postpone to some certain time on this?"

The President:

"The Secretary has put these amendments in order in proper continuity, and we are ready to consider the first amendment."

Senator Gallagher:

"I would like to move that action on Substitute Senate Bill No. 111 be deferred until a special order of business at 11:30 a. m. tomorrow, and that the Secretary be asked to mimeograph a copy of all the amendments before him so the members could have them on their desks at that time."

Debate ensued.

#### MOTION

**Senate Bill No. 216**, by Senators Angevine, Gallagher and Cooney:

Authorizing certain political activities by employees covered by Initiative No. 207.

The bill was read the second time by sections.

Senator Woodall moved that the following amendment be adopted:

On page 1, line 5 after "of 1961" strike the remainder of the section and insert "is hereby repealed."

On motion of Senator Nunamaker, the amendment proposed by Senator Woodall was laid on the table.

Senator Angevine moved that the rules be suspended, Senate Bill No. 216 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

Senator Woodall demanded a roll call, which was sustained by Senators Shannon, Raugust, Woodall, Neill, Lennart, Ryder, Freise, Moriarty, Jr. and Chytil.

The Secretary called the roll on the motion to advance Senate Bill No. 216 to third reading and final passage, and the motion failed by the following vote: Yeas, 18; nays, 31; absent or not voting, 0.

Those voting yea were: Senators Angevine, Bailey, Connor, Cooney, DeGarmo, Donohue, Dore, Greive, Hallauer, Hanna, Hofmeister, Kupka, McCormack, McCutcheon, Morgan, Nunamaker, Papajani, Washington—18.

Those voting nay were: Senators Bargreen, Chytil, Cowen, Durkan, Elway, Jr., Foley, Foster, Freise, Gallagher, Gissberg, Happy, Henry, Herrmann, Hess, Keefe, Knoblauch, Lennart, McMillan, Martin, Moriarty, Jr., Neill, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Woodall—31.

**Senate Bill No. 436**, by Senators Kupka, Connor and Hess:

Authorizing cities to lease store space.

The bill was read the second time by sections.

Senator Rasmussen moved that the following amendment be adopted:

In section 2, page 1, line 19 after "sale of" strike the words "revenue, *general fund and*"

#### POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Talley yield to a question?"

Senator Talley:

"Yes, I will."

Senator Rasmussen:

"I am not as well versed on city funds as you are. Could you tell me if it is possible that general obligation bonds could be issued with an inside levy?"

Senator Talley:

"That's what I am wondering. It seems that this bill is a passable scheme with an inside levy. You might ask Senator Connor regarding a levy."

Senator Rasmussen:

"It is possible to issue general obligation bonds bought out of an inside levy. Money on the levy is available. And that is just what I think is wrong in setting this up."

**POINT OF INQUIRY**

Senator Nunamaker:

"Will Senator Talley yield to a question?"

Senator Talley:

"Yes, I will."

Senator Nunamaker:

"Do you think that the revenue from an inside levy can be used for the payment of bonds?"

Senator Talley:

"I think Senator Henry has been faced with that problem. I think he could answer it better than I."

Debate ensued.

Senator Gallagher moved that the Senate do now dispense with the Call of the Senate.

A division was requested.

The motion lost on a rising vote, and the Senate did not dispense with the Call of the Senate.

On motion of Senator Talley the amendment proposed by Senator Rasmussen was laid on the table.

Senator Rasmussen moved that the following amendment be adopted:

In section 1, page 2, lines 6 and 7 after "or by" strike the words "issuing general fund bonds and"

Debate ensued.

Senator Elway moved that the amendment proposed by Senator Rasmussen be laid on the table.

The motion carried.

Senator Kupka moved that the following amendment be adopted:

In section 6, page 2, line 30, after "voters" and before the period insert " , unless financing of such facilities is provided in whole or in part by general obligation bond financing"

**POINT OF INQUIRY**

Senator Elway:

"Will Senator Kupka yield to a question?"

Senator Kupka:

"Yes, I will."

Senator Elway:

"I question the intent of your amendment. Is it the intent that you would disallow free surplus from part of the revenue to apply to construction, or must it all be applied?"

Senator Kupka:

"If you will read section 6, it rules out any provision of referendum. What I am doing is putting it back in there. If they are general obligation bonds, you have the use of the referendum."

Senator Talley:

"Are you saying that part of the parking facilities must be financed by general obligation bonds?"

Senator Kupka:

"If you will read section 6, Notwithstanding any charter provisions to the contrary, no action taken by cities with respect to acquisition and disposition of

off-street parking facilities is subject either to initiative or to referendum propositions subjecting such action to review by such cities' voters.' The amendment would give them the right to use general obligation bonds."

Senator Washington:

"If there are general obligation bonds, doesn't it mean that there would have to be a vote of the people in order to have the general obligation bonds in the first place?"

Senator Kupka:

"In answer to Senator Washington, if you will read section 6, it outlaws any action by referendum and the amendment would provide that should general obligation bonds be used, they would have a right to action by referendum."

Senator Washington:

"In this case there would be no need for a referendum, because you can't issue general obligation bonds in the city without having a vote of the people, so they would have already had to approve it."

The President stated the question to be the adoption of the amendment proposed by Senator Kupka.

The motion carried, and the amendment was adopted.

On motion of Senator Talley, the rules were suspended, Engrossed Senate Bill No. 436 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 436, and the bill passed the Senate by the following vote: Yeas, 42; nays, 7; absent or not voting, 0.

Now, Therefore, Be It Resolved, By the Senate that the legislative council is requested to study the condition of Indian affairs in this state with respect to those fields as enumerated in this resolution, including in such study such personal exchanges with leaders of the larger tribal units as is possible, and report its findings with any corrective legislation necessary to the next regularly convening legislature, but not later than the third Monday in January 1963;

Senator Hess:

"I think, Senator McCutcheon, that there are several reasons. I don't think many of us want to disrupt conditions as they are now. On the other hand, many of the pensions now are quite small and I think it should be quite different in the future for someone who may want to go back to work."

Edwards became retired when he was defeated, and I wonder what particular effect this bill would have on him, with this type of amendment."

Senator Rasmussen moved that the following amendment to Senator Petrich's amendment be adopted:

Strike "Pierce 8" and insert "Pierce 6"

## POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Petrich yield to a question?"

Senator Petrich:

"Yes, I will."

Senator Rasmussen:

"Senator, where in the bill does it provide for part-time justices?"

Senator Petrich:

"Senator Rasmussen, the question of full-time or part-time justices depends upon what type of district and what the population is. Where there is 40,000 population, then it is a full-time justice.

"There are a total number of justices who will be employed in the respective counties. I would presume that the total population would be considered. For instance, my district has a population of less than 40,000; therefore, I would assume that it would not have a full-time justice."

The President stated the question before the Senate to be, the adoption of the amendment by Senator Rasmussen to the amendment by Senator Petrich.

A division was requested and the motion lost on a rising vote. The amendment to the amendment was not adopted.

## POINT OF INQUIRY

"Will Senator Petrich yield to a question?"

Senator Petrich:

"Yes, I will."

Senator McCutcheon:

"I notice a number of various districts and counties, in looking over the amendment to the bill, where there appear to be discrepancies. I notice that Pend Oreille county has two justices and Stevens, one. Pend Oreille has a population of less than one-half of Stevens County. On what basis did you make the allocations?"

Senator Petrich:

"The allotments were made, and I recommended them, on the basis of an inquiry sent out to the counties. Apparently, the people from that district did not specify. This is not based solely upon a population basis. Some of the counties have a peculiar geographical problem because of distance involved, lack of roads, etc. In that instance, it might be two part-time justices, rather than a full-time justice on lower salary."

## POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Petrich yield to a question?"

Senator Petrich:

"Yes, I will."

Senator Rasmussen:

"In order that I may be clearer on this, I am asking this question. In my area, and I know in the Lakewood area and in Senator McCutcheon's district in Steilacoom, they are very much interested in maintaining a Justice of the Peace. In those districts do you assume they are going to set up special judicial areas? What is the number allowed for Pierce County?"

Senator Petrich:

"Twenty to twenty-five active ones.

"It is true that this bill provides for the total number of justices that will act

in these counties, and I would assume that Pierce County would set up the proper number for the accommodation of the different areas."

Senator Petrich withdrew his first amendment with the permission of the Senate.

Senator Petrich moved that the following amendment be adopted:

In section 11, page 4, beginning on line 26, after "Asotin," and before "; Benton" strike "two" and insert "one"; also on line 27 after "Columbia," and before "; Cowlitz" strike "two" and insert "one"; also on lines 29 and 30 after "Kitsap," and before "; Kittitas" strike "three" and insert "four"; also on line 32 after "San Juan," and before "; Skagit" strike "two" and insert "one"; also on lines 32 and 33 after "Snohomish," and before "; Spokane" strike "eight" and insert "six"

Senator Freise:

"I can't give you the names, but they were sent to all the county commissioners."

With permission of the Senate, the President stated the question before the Senate to be: first, the adoption of the amendment by Senator Woodall.

The motion carried and the amendment by Senator Woodall was adopted.

Senator McCutcheon:

"What standards are they talking about?"

Senator Petrich:

"We have throughout the bill, Senator McCutcheon, standards which a full-time justice shall meet; also, what a part-time justice shall meet, and what his range of salary shall be. We have provisions for the people who are going to be eligible for the act and throughout the act, the standards are adopted on what can or may not be done within certain restrictions."

"Yes, I will."

Senator Gallagher:

"Is it my understanding that the municipal court judges are blanketed into this new justice court plan?"

Senator Freise:

"Yes, but I would like to have Senator Dore answer the question."

Senator Dore:

"Unless they use Chapter Five, they may not want to be blanketed in. Then they exercise the rights under this chapter and set up their own municipal court."

Senator Gallagher:

"Are they then not part of the standards?"

Senator Dore:

"Yes, they are, because then they must select their judge from one of the Justices of the Peace, who, state-wide have been endorsed by this association as their repre-

sentative, and also if the final draft of Substitute Senate Bill No. 111 is acceptable to their association."

Senator Gallagher:

"It is my understanding that you will set forth standards. Is it true that where you have municipal courts that they would also come under this so-called J. P. Act?"

Senator Dore:

"Yes, technically they do, but it wouldn't affect their autonomy. Like the city of Seattle, for instance. We repealed the Seattle Municipal Bill, but Seattle decided to have their own municipal court. It is where we will have one uniform court system. The judges are satisfied and have endorsed the bill.

"At first Seattle, like many other areas, wanted to get out from under the Act, so I think Judge McGovern realizes the tremendous dangers and the importance of the administrative judges of this state; he said he would not want to be the one to kill this bill, and if we can work out something to keep his court the same, he would endorse the bill. He did so."

**NEW SECTION.** Sec. 72. If it appears by affidavit, and after ex parte hearing that the testimony of any person is material in any criminal proceedings pending before that court and it may be impracticable to secure his attendance by subpoena, then the municipal court may require him to give bail for his appearance as a witness in an amount fixed by the court. When a person arrested either under a warrant or without a warrant is brought before the court, he shall then be informed of the charge against him and he shall then be arraigned thereon. The arraignment shall be conducted in open court and shall consist of stating to him the substance of the charge and calling on him to plead thereto. The defendant shall be given a copy of the complaint if he requests the same. Defendants who are jointly charged may be arraigned separately or together in the discretion of the court.

**NEW SECTION.** Sec. 76. The defendant may plead guilty; not guilty; and a former conviction or acquittal of the offense charged, which may be pleaded with or without a plea of not guilty. The court may refuse to accept a plea of guilty; and

shall not accept a plea without first determining that the plea is made voluntarily with understanding of the nature of the charge. If a defendant refuses to plead, or if the court refuses to accept a plea of guilty, or if a defendant corporation fails to appear, the court shall enter a plea of not guilty. The court may strike out a plea of guilty and enter a plea of not guilty, if it deems such action necessary in the interest of justice.

**NEW SECTION.** Sec. 77. The municipal court may, in its discretion, grant continuances for good cause shown. If a continuance is granted, the cost thereof shall abide the event of the prosecution in all cases. If a continuance is granted, the court may recognize the defendant and the witnesses to appear from time to time, in the same manner as is provided in other criminal examinations.

**NEW SECTION.** Sec. 78. If the complaint is for a crime within the jurisdiction of the court, and the defendant pleads guilty, the court shall sentence him.

If the defendant pleads not guilty or a former conviction or acquittal of the offense charged, the court shall hear and determine the cause, and either acquit or convict and punish.

**NEW SECTION.** Sec. 79. In all trials for offenses in municipal court, no jury shall be allowed. No change of venue shall be taken from the municipal court, and the defendant shall not be entitled to file an affidavit of prejudice against any judge of the municipal court.

**NEW SECTION.** Sec. 80. Sentence shall be imposed by the court without unreasonable delay. Pending sentence, the court may commit the defendant or may allow the defendant to post bail anew.

**NEW SECTION.** Sec. 81. In all cases of conviction, unless otherwise provided in this act, where a jail sentence is given to the defendant, execution shall issue accordingly and where the judgment of the court is that the defendant pay a fine and costs, he may be committed to jail to be placed at hard labor until the judgment is paid in full, but the defendant shall not be imprisoned for a longer aggregate time than one day for each six dollars of fine and costs.

A defendant who has been committed shall be discharged upon the payment for such part of the fine and costs as remains unpaid after deducting from the whole amount any previous payment, and six dollars for every day he has been imprisoned upon commitment.

**NEW SECTION.** Sec. 82. If a corporation is convicted of any offense, the court may give judgment thereon and may cause the judgment to be enforced in the same manner as a judgment in a civil action.

**NEW SECTION.** Sec. 83. After a conviction, the court may defer sentencing the defendant and place him on probation and prescribe the conditions thereof, but in no case shall it extend for more than one year from the date of conviction. During the time of the deferral, the court may, for good cause shown, permit a defendant to withdraw his plea of guilty, permit him to enter a plea of not guilty, and dismiss the charges against him.

**NEW SECTION.** Sec. 84. For a period not to exceed one year after imposition of sentence, the court shall have continuing jurisdiction and authority to suspend the execution of all or any part of its sentence upon stated terms, including installment payment of fines.

**NEW SECTION.** Sec. 85. Deferral of sentence and suspension of execution of sentence may be revoked if the defendant violates or fails to carry out any of the conditions of the deferral or suspension. Upon the revocation of the deferral or suspension, the court shall impose the sentence previously suspended or any unexecuted portion thereof. In no case shall the court impose a sentence greater than the original sentence, with credit given for time served and money paid on fine and costs.

**NEW SECTION.** Sec. 86. Clerical mistakes in judgments, orders or other parts of the record, and errors in the record arising from oversight or omission may be corrected by the court at any time and after such notice, if any, as the court may order.

If an appeal has been taken, such mistakes may be so corrected until the record has been filed in the appellate court and thereafter, while the appeal is pending, may be so corrected with leave of the appellate court.

**NEW SECTION.** Sec. 87. The defendant shall be present in person or by counsel at the arraignment and shall be present at every later stage of the trial. The defendant's voluntary absence, after the trial has commenced in his presence, shall not prevent continuing the trial to and including judgment and sentence. A corporation may appear by counsel for all purposes.

**NEW SECTION.** Sec. 88. All criminal proceedings before the municipal court, and judgments rendered therein, shall be subject to review in superior court of the county wherein the municipal court is located by appeal as provided in section 39, or by a writ of review.

The writ of review shall be sought by the city only in those instances wherein the municipal court dismisses an action solely for reasons of law, and shall not be available after a trial on the merits. The procedure thereby used in seeking a writ of review shall be substantially the same as that provided for in appeal.

**NEW SECTION.** Sec. 89. The appeal shall be to the superior court of the county in which the municipal court is located. The appeal shall be taken by serving a copy of a written notice of appeal upon the attorney for the plaintiff and filing the original thereof with an acknowledgment of service or affidavit of service with the municipal court within ten days after entry of judgment.

After notice of appeal is given, as herein required, the appellant shall diligently prosecute his appeal and, within thirty days from the date of entry of judgment, shall file with the clerk of the superior court a transcript duly certified by the municipal court judge and furnished by the municipal court free of charge containing a copy of all written pleadings and docket entries of the police court.

Within ten days after the transcript is filed, the appellant shall note the case for trial. The case shall be set for trial at the earliest open date thereafter and the clerk of the superior court shall, in writing, notify the respondent's counsel of the date thereof.

**NEW SECTION.** Sec. 90. If the appellant fails to proceed with the appeal within the time and manner provided in section 39, or have the same actually set for trial at the time it is noted for trial, then the superior court shall, upon motion of the respondent, dismiss the appeal if the transcript has been there filed. If the transcript has not been filed with the superior court, then the municipal court shall dismiss the appeal. Upon dismissal of the appeal for failure of the appellant to proceed diligently with the appeal and as herein required, or for any other cause, the judgment of the lower court shall be enforced by the municipal judge. If, at the time of the dismissal, cash deposit or appeal bond as hereinafter required has been furnished and is in the custody of the superior court, the same shall be returned to the lower court without any deduction therefrom for costs. The municipal court shall have power to forfeit the cash bail or appeal bond and issue execution thereon for breach of any condition under which it is furnished.

**NEW SECTION.** Sec. 91. The appellant shall be committed to the city jail until he shall recognize or give bond to the state in such reasonable sum with such sureties as said municipal court may require that he will diligently prosecute the appeal and, within thirty days after the entry of judgment in the lower or municipal court, file with the clerk of the superior court a transcript duly certified by the lower court judge containing a copy of all records and proceedings in the lower court; that he will, within ten days after the same is filed in the superior court, note the case for trial; that he will cause the case to be set at the time the same is noted for trial; that he will appear at the court appealed to and comply with any sentence of the superior court and will, if the appeal is dismissed for any reason, comply with the sentence of the lower court.

Whenever the transcript is filed in the superior court and any cash bail or bail bond has been filed with the lower court, the judge thereof shall transfer the same to the superior court in which the appeal is pending, there to be held pending disposition of the appeal; and shall also deliver to the court any exhibits introduced into evidence in the trial before the lower court, which exhibits, subject to the proper rulings of the appellate court, may be offered in evidence if the trial is had in the superior court; otherwise, to be returned to the custody of the lower court judge.

**NEW SECTION.** Sec. 92. In the superior court the trial shall be de novo, subject to the right of the respondent to file an amended complaint therein. The defendant in the superior court may have a trial by jury. If the defendant be convicted in the superior court, he shall be sentenced anew by the superior court judge with a fine of not to exceed five hundred dollars or imprisonment in the city jail not to exceed six months, or by both such fine and imprisonment. Appeals shall lie to the supreme court of the state of Washington as in other criminal cases in the superior court.

**NEW SECTION.** Sec. 93. Upon conclusion of the case in the superior court, the clerk thereof shall forthwith mail a true and correct copy of the judgment to the municipal court appealed from.

**NEW SECTION. Sec. 94.** All prosecutions for the violation of any city ordinance shall be conducted in the name of the city and may be upon the complaint of any person.

**NEW SECTION. Sec. 95.** Every person convicted by the municipal court of a violation of the criminal provisions of an ordinance for which no punishment is specifically prescribed in the ordinance shall be punished by a fine of not more than five hundred dollars or imprisonment in the city jail for a period not to exceed six months, or both such fine and imprisonment.

**NEW SECTION. Sec. 96.** Pleadings, practice and procedure in cases not governed by statutes or rules specifically applicable to municipal courts shall, insofar as applicable, be governed by the statutes and rules now existing or hereafter adopted governing pleadings, practice and procedure applicable to justice courts.

**NEW SECTION. Sec. 97.** All cases, proceedings and matters pending before justices of the peace who immediately before January 15, 1962, were acting as municipal or police judges, shall on January 15, 1962, be transferred to the municipal courts established by this act, together with all files, records and proceedings relating to such cases, and shall be disposed of therein in due course of law.

This act shall not affect any appeal from any police justice or municipal judge, commenced and pending prior to January 15, 1962, but such appeal shall be conducted and concluded as if this act had not been enacted, except that if remanded from the superior court, the municipal court shall have authority and power to enforce the judgment of the lower court.

All furniture and equipment belonging to the city or town in which the court is located, now under the care and custody of the justice of the peace and/or municipal judge, shall be transferred to the municipal court established by this act on or before January 15, 1962, for use in the operation and maintenance of the municipal court.

**NEW SECTION. Sec. 98.** Although self-executing, the provisions of this act shall be cumulative and, notwithstanding any provision hereof, any city or town may elect to continue under any existing statutes relating to police courts, municipal courts, or laws relating to justices of the peace.

#### PERSONAL PRIVILEGE

Senator Hess:

"I would like the record to show that I am in opposition to this measure being placed before the Senate with no member having read it in its final form. I would like to have voted for this measure. I believe it may be a good law. I also believe it may contain some serious errors which not one of us have had an opportunity to catch."

#### MOTION

On motion of Senator Greive, the Senate dispensed with the Call of the Senate.

#### MOTION

Senator Dore:

"I move that the Senate adjourn until 10:00 o'clock a. m. tomorrow."

#### NOTICE OF RECONSIDERATION

Senator Raugust, having voted on the prevailing side, gave notice that on the next legislative day he would move for reconsideration of the vote by which Engrossed Substitute Senate Bill No. 111 passed the Senate.

#### POINT OF ORDER

Senator Greive:

"Senator Dore having made a motion to adjourn, if put and carried will not preclude a reconsideration since our rules provide that reconsideration can be held on the next day if a motion to adjourn cuts off the motion to reconsider."

Senator Gissberg:

"I disagree with Senator Greive's interpretation of the rule. Upon reading it, I think it becomes clear that it is not the rule, and that Senator Dore is perfectly in order, and that the President must now put the motion to adjourn. There has not been made a motion to reconsider the vote. Senator Raugust has said he wants to give notice to reconsider the vote by which Engrossed Substitute Senate Bill No. 111 passed the Senate. A motion to reconsider shall have precedence over every other motion except the motion to adjourn, and when the Senate adjourns while a motion to recon-

sider is pending, or before passing the order of motions, the right to move a reconsideration shall continue on the next day of sitting.

"I submit, Mr. President, that there has been no such motion made before Senator Dore made his motion. Had there been such a motion made, then I would say that you should have the right to have your motion under reconsideration until the next working day."

Senator Gallagher:

"While it is true that Senator Dore made a motion, the Chair did not repeat the motion; therefore, I don't think it is before the body. Therefore, the Chair did recognize Senator Raugust. Senator Raugust did rise to make a motion, it had the time element to it, but as I recall the President did not repeat the motion."

Senator Greive:

"Senator Gissberg did read the entire phrase on Rule 31, but he didn't lay the proper emphasis on the last part of the phrase, page 252, in Rule 31, . . . 'A motion to reconsider shall have precedence over every other motion, except a motion to adjourn; and when the senate adjourns while a motion to reconsider is pending or before passing the order of motions, the right to move a reconsideration shall continue to the next day of sitting.' In other words, we are under a 'or before passing the order of motions.' That means, if a person attempts to reconsider while we are on the seventh order of business, he has the right to reconsider the next day. That is what happened here. It is the second time this motion has come up, and if you will read Reed's rules and several of the others, you will find that this is consistent. We were still under the same order of business, the seventh order, and there was an attempt to get the floor at that time."

#### PERSONAL PRIVILEGE

Senator Raugust:

"I don't remember the exact time, but if my recollection is correct, a week or two ago someone got up and made the motion for reconsideration, as I did. I do think that I was on my feet, asking to be recognized, and asking for a reconsideration."

Senator Moriarty:

"(Reading from Senate Rule 31) 'On and after the fiftieth day of the session a motion to reconsider shall only be in order on the same day upon which notice of reconsideration is given and may be made at any time that day.'"

Senator Ryder:

"Senator Gallagher's point that the motion to adjourn—had that been properly put by the President . . ." (interruption)

#### RULING BY THE PRESIDENT

The President:

"The motion has not been put, as yet."

Senator Ryder:

"Then Senator Raugust's motion to reconsider must be to immediately reconsider."

#### MOTIONS

Senator Herrmann:

"I move that the Senate do immediately reconsider the vote by which Engrossed Substitute Senate Bill No. 111 passed the Senate."

Senator Gallagher:

"I do now move that the Senate adjourn until 10:00 o'clock a. m. tomorrow."

#### POINT OF ORDER

Senator Gissberg:

"I suggest to you that it is very important to recognize one of the motions that has been made. Now, Senator Herrmann has just made a motion which we have entered upon the Journal which will stand and will allow a reconsideration to be made tomorrow, and I would suggest that also the motion made by Senator Herrmann

has not been recognized by the Chair. I would suggest further, that you recognize Senator Dore for the purpose of making a motion."

Senator Herrmann:

"I don't believe that Senator Raugust made a motion; he merely said what his intention was. He didn't place the motion, but I did place the motion."

Senator Hess:

"Speaking to the point of order, I merely wanted to associate myself with the remarks of Senator Greive, and I think this is a point that has caused confusion in the past, and that is an attempt to adjourn before there is an opportunity to give notice for reconsideration, and this is the bone of ruling in importance before us now, because if we would adjourn at this point without having had the order of motions before the body, this would be denying a very important right—granting to a minority on the parliamentary procedure of many years standing."

#### POINT OF ORDER

Senator Dore:

"I made a motion to adjourn and if that is put, we adjourn. Now, tomorrow if the Senator wishes to reconsider he may make his motion to do so. If the motion to adjourn is properly put, there is nothing to debate, then the reconsideration will come up tomorrow. I submit, Mr. President, there is nothing before you except the motion to adjourn."

At 11:30 o'clock p. m., the President declared the Senate to be at ease subject to the Call of the President.

At 12:00 o'clock p. m., the President called the Senate to order.

#### RULING OF THE PRESIDENT

The President:

"The President believes that the Senate should have ample opportunity to consider a measure before any final action is taken that precludes further consideration of the measure.

"The President believes that the Senate is entitled to reconsider its action. For this reason, the President is not going to put the motion to adjourn by Senator Dore, but rather will put the motion as presented by Senator Herrmann."

The President stated the question before the Senate to be, it has been moved that the Senate do now reconsider the vote by which Engrossed Substitute Senate Bill No. 111 passed the Senate.

Senators Greive, Herrmann and Gallagher demanded the previous question. Senators Gissberg, Hanna and Riley demanded a Call of the Senate.

The President stated the question before the Senate to be, shall a Call of the Senate be ordered.

A division was requested.

The motion for a Call of the Senate lost on a rising vote.

The President stated the question before the Senate to be, shall the main question be now put.

The motion carried.

#### MOTIONS

Senator Gallagher moved that the Senate do now adjourn until 10:00 o'clock a. m. on March 2.

**RULING OF THE PRESIDENT**

The President:

"The President has already ruled on that particular motion, Senator Gallagher.

"The President believes that the Senate should have ample opportunity to reconsider."

**POINT OF ORDER**

Senator Gallagher:

"I think I agree with you that Senator Herrmann's motion was in order, but I think that my motion to adjourn while that motion was pending is also in order."

The President:

"The President should like to refer you to Rule 17 of the Senate Rules, Senator Gallagher."

**POINT OF ORDER**

Senator Dore:

"I demand a roll call on the main question."

The demand for a roll call was sustained by Senators Dore, Freise, Petrich, Moriarty, Rasmussen, Washington, Greive, Connor and Morgan.

Senator Hallauer:

"I would like to ask Senator Henry what the financial impact of this measure is. I would like him to give us some real assurance."

Senator Henry:

"I have looked around, expecting somebody to be here to defend this bill. I felt I must, in view of the fact that no one else seemed to be present. I would suggest that Senator Angevine or Gissberg answer that question."

Senator Angevine:

"I can assure the chairman of the Ways and Means Committee that this bill is an absolute necessity if the projections which have been made by the Retirement Board are to be kept at the level that we have requested this biennium. There was one other bill which they introduced, whereby bonds would draw a higher rate of interest. This bill limits the amount of prior service credit that you get for having served in the military service, which from our standpoint will work in our favor insofar as the level of appropriation is concerned. It is very important to pass this measure in view of these conditions."

Senator Henry:

"I now, with the aid of the Secretary, can answer specifically the question of impact."

"This would not require an additional appropriation for the 1961-63 bienniums."

Senator Durkan:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Durkan:

Senator Hess:

"Yes, this is the former playfield. The county, some months back, had it up for bid and the property was sold but the title was unable to be cleared by reason of the complication."

Senator Moriarty:

"Would one of the persons interested in this bill, Senators Gallagher or Hess, tell

me if this bill would mean that the county could condemn property and then turn around and sell it?"

Senator Hess:

"As you know, I am not an attorney, and I can't tell you all the implications of law, but I can't conceive of that happening.

"The only intent, as explained, is to permit a tract of ground that has changed in its primary use to be used for different purposes."

"In view of the fact that we have the U. S. New section 5 says shall have the power to 'sell or lease any land, rights of way, easements, property or material acquired by the state pursuant to this act.' Acquire land by condemnation and sell it? I think that's a bad section to leave in the act. I have no feeling about killing mosquitoes over in that area. Senator Kupka:

"Will Senator McCormack yield to a question?"

Senator McCormack:

"Yes, I will."

Senator Gissberg:

"Will Senator Raugust yield to a question?"

Senator Raugust:

"Yes, I will."

Senator Gissberg:

"Am I correct in my recollection. A couple of years ago we passed legislation which would authorize these mosquitoes to be controlled on a local basis?"

Senator Raugust:

"That is right. We have this legislation, but we are merely asking for additional tools in order to work out the problem. In talking with Dr. Bucove, regarding this legislation, they would have something they could do to control the mosquitoes."

Senator Gissberg:

"Has any attempt been made locally to set up local improvement clubs?"

Senator Raugust:

"Yes, the only way they could get this done was by local contribution, but they could not get enough to support it."

Senator Gissberg:

"Do you know whether or not there have been local efforts formed in the areas where the problem exists?"

Senator Raugust:

"What you say is partly true, but only in part. The local improvement clubs that have been set up have been in a large area. In some places these areas are only a mile wide. This is the fundamental problem. It is impractical to set up thousands of local improvement districts. The mosquitoes ignore the political lines. We would have to set up thousands of local improvement areas.

"One of the problems we have is that there are thousands of acres of unsettled areas in swamp lands where seepage is coming up. Where the country is settled it is pretty well controlled. It is in these areas where they can't raise any money for control. That is the problem that exists.

#### POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Raugust yield to a question?"

Senator Raugust:

"Yes, I will."

Senator Rasmussen:

"To your knowledge, how much of an attempt has been made to form local improvement districts in these areas?"

Senator Raugust:

"Around Moses Lake is where the problem is the worst. The problem is where no one is living. What we are mostly concerned with is to pass a law whereby some of these people will have to clean these lakes out."

Senator Rasmussen:

"You don't know if any attempt has been made?"

Senator Raugust:

"In the areas where people live, we don't have the problem."

**POINT OF INQUIRY**

Senator Rasmussen:

"Will Senator McCormack yield to a question?"

Senator McCormack:

"Yes, I will."

Senator Rasmussen:

"Would you presume that inasmuch as Senator Raugust has said that these large areas of land—thousands of acres—where we couldn't get the property owners to cooperate, that the Department of Health would go in and lease these lands?"

Senator McCormack:

"No, I certainly do not, but I do suggest that the land be put under drainage, or something like that."

**MOTION**

On motion of Senator Rasmussen, the rules were suspended and Engrossed Senate Bill No. 548 was returned to second reading for the purpose of an amendment.

**POINT OF INQUIRY**

Senator Rasmussen:

"Is it the intention of the Senate to hold a session tonight?"

Senator Greive:

"Senator Rasmussen must be psychic. Right now, this is exactly what we are discussing."

**MOTION**

On motion of Senator Rasmussen, Engrossed Senate Bill No. 548 was ordered to retain its place on the second reading calendar for tomorrow.

**Senate Joint Resolution No. 36**, by Senators Bargreen, Papajani, Riley, Shannon, Dore, Connor, Raugust, Martin, Freise, Talley, Donohue, Sandison, Knoblauch and Hofmeister:

Commending the promoters, producers and publishers of "Communism on the Map", and declaring it a proper subject to display in the public schools. The resolution was read the second time in full.

Debate ensued.

Senator Hess moved that the following amendment be adopted:

Beginning on line 10 of the resolution, strike all of the remainder of the resolution and substitute the following:

"WHEREAS, Communism must be combated by an American citizenry alert to the aims and methods of their evil society; and

WHEREAS, It is the duty of every patriotic American citizen to be fully informed and alert to the dangers and the challenge of this would-be world dictatorship;

Now, Therefore, Be It Resolved, By the Senate and House of Representatives of the state of Washington, in legislative session assembled, that we urge every citizen to fully inform himself upon the Communist menace by thoughtful review and discussion of the many excellent publications and films exposing the Communist conspiracy."

Extensive debate ensued.

Senators Greive, Martin and Washington demanded the previous question.

The President stated the question before the Senate to be, shall the main question be now put.

The motion carried. The demand for the previous question was sustained.

## POINT OF INFORMATION

Senator Lennart:

"Mr. President, is a Senator who hasn't seen this film bound to vote on it?"

"I haven't seen this film. If I vote 'yes', I may vote wrong. If I vote 'no', I may vote wrong."

Senator Hallauer:

"I think it would be obvious if we vote to adopt Senator Hess' measure we won't be voting wrong on what we don't know about."

Senator Greive requested that the amendment be read again.

The President stated the question before the Senate to be the adoption of the amendment by Senator Hess.

A division was requested and the amendment was adopted on a rising vote.

On motion of Senator Greive, the rules were suspended, Engrossed Senate Joint Resolution No. 36 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

The Secretary called the roll on the final passage of Engrossed Senate Joint Resolution No. 36, and the resolution passed the Senate by the following vote: Yeas, 38; nays, 0; absent or not voting, 11.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Chytil, Connor, Cooney, DeGarmo, Dore, Elway, Jr., Freise, Gallagher, Gissberg, Greive, Hallauer, Hanna, Happy, Henry, Hess, Keefe, Knoblauch, McCormack, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Washington, Woodall—38.

Those absent or not voting were: Senators Cowen, Donohue, Durkan, Foley, Foster, Herrmann, Hofmeister, Kupka, Lennart, McCutcheon, Nunamaker—11.

Engrossed Senate Joint Resolution No. 36, having received the constitutional majority, was declared passed.

## PERSONAL PRIVILEGE

Senator Riley:

"I feel, Mr. President, I should speak on a point of personal privilege on the basis that I have been aggrieved. I have been denied the opportunity to express myself on something very fundamental, not only to myself, but to America.

"I have no criticism of the amendment offered by Senator Hess. It is good to call attention to the subject at hand. It is good to be alert where we have enemies. It is good to suggest to Americans that we read books and see films. Mr. President and members of the Senate, that has been going on for months, years, but what has been happening notwithstanding to the good books and other films that have been suggested in the amendment? The facts are that we are losing ground to the enemy made reference to in the amendment.

"One of the finest men in public service in America is a man by the name of J. Edgar Hoover. He has called our attention to this matter many times. I will guarantee that when this man retires he will tell us more and he will shake you right out of your lethargy.

"The amendment wasn't definite enough. It has been said that there are several versions of the film and if there is more than one version, and one especially that should be seen, it doesn't say this; it says that you can view the film, 'Communism on the Map'. You can see any version that you want.

"Also, the amendment struck out the portion that says it is a proper subject for display in the public schools, and why, in the amendment are you saying that it is not a proper thing to see in the schools, and also, Mr. President, I felt that I was aggrieved because Senate Joint Resolution No. 36 directed the people to action, and that is what we need!"

**PERSONAL PRIVILEGE**

Senator Lennart:

"This is the first time in the Senate that I have ever seen where we have been asked to vote on a matter on which we had no knowledge. A matter that we have heard so much about and is so important to all of us.

"And yet I will say when you fix your eyes on the American flag that represents the greatest thing to every American."

The Senate reverted to the second order of business for the purpose of receiving standing committee reports.

"Will Senator Moriarty yield to a question?"

Senator Moriarty:

"Yes, I will."

Senator Talley:

"Do I understand, then, that from now on, a county cannot sell any property they might have acquired from condemnation?"

"Don't you think you went a little too far? I think it is a very fine amendment, but I think you went a little too far."

Senator Moriarty:

"At the present time with this amendment they can sell property that they have previously acquired by condemnation."

Senator Hess moved that the following amendment to the amendment by Senator Moriarty be adopted:

#### POINT OF INQUIRY

Senator Rasmussen:

Senator Gallagher:

"In line 10 of the bill in the underlined new material, it says, 'and condemnation'. In my understanding, if they have a piece of land that they want to sell at the present time, this can be done?"

Senator Gallagher:

"That is true. It is also true that the land which they own and want to dispose of was acquired through condemnation. That is the reason for Senator Moriarty's amendment which will prohibit them from selling land acquired since 1960 from condemnation."

Senator Rasmussen:

"It isn't exactly clear in my mind. They must be also planning on condemning further land for this purpose."

Senator Gallagher:

"The county now has that power. This was some of the land acquired through that condemnation. Also, Senator Moriarty's amendment will prohibit them from doing this in the future."

Senator Rasmussen:

"It is my understanding that counties do not have that power at the present time."

Senator Gallagher:

"It is my understanding they do. I had a communication that they did have that power, and as a matter of fact, this land was acquired under that power."

## FIFTY-FOURTH DAY

---

### MORNING SESSION

---

SENATE CHAMBER,  
OLYMPIA, WASH., Friday, March 3, 1961.

The Senate was called to order at 10:00 o'clock a. m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senators Dore, Gallagher and Gissberg.

On motion of Senator Bargreen, Senators Gallagher and Gissberg were excused.

The Color Guard, consisting of Pages Gary Gilbert, Color Bearer, and Susan Harris, presented the Colors.

Reverend J. Edgar Pearson, Pastor of the United Churches—Federated of Olympia, offered prayer as follows:

"Almighty God, who blessed us with religious and civil liberties, we pause before entering into the deliberations of this day to invoke Thy wisdom and guidance upon what is said and decided here.

"We are grateful for the progress that has been made in this Senate but pray Thy guidance as we consider the needs of the state. Give these members good judgment to choose between the good and the best; between the trivial and the measures that now become increasingly important to the welfare of the people of the state.

"We pray, too, that Thou wilt make the people of the state as responsive to their responsibilities as are the members of this Senate.

"Sometimes we seek Thy guidance and find it not nor feel it. Teach us that the barriers may be within ourselves. Give us, then, wisdom beyond our limited knowledge, insight beyond our restricted vision, courage beyond all other considerations that the work we are given to do may be the true reflection of the fine ideals and motives that must be in the lives of all those who would adequately serve thee and Thy people.

"In the name of our God we pray. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

**PERSONAL PRIVILEGE**

Senator Durkan:

"Mr. President and Members of the Senate:

"Yesterday afternoon in a televised statement, a member of this Legislature, Representative Joel M. Pritchard, made a vicious, unwarranted, irresponsible and libelous statement concerning my stand on certain matters now pending before this body.

"The statement was vicious in that it attacks not only my specific character but also reflects upon the dignity of this body. It was unwarranted because it is not true. It was irresponsible because had the maker of the statement taken time to check his facts, he would have found that I am not even a member of the Committee which now controls this pending legislation. It was libelous because it impugns upon the motives of myself as a public official.

"In the entire time that I have served in the Legislature, both in the House and in the Senate, I have never deliberately attempted to assassinate the character of any legislator. I resent such an attack on myself as much as I would resent such a statement if made against another member of this body.

"In the future my voting shall be conducted by the same standards as it has been in the past. I shall vote for those matters which I feel deserve my support as a responsible public official representing the State, my District, and my Party. I shall vote against those which I feel do not merit my support."

(signed) MARTIN J. DURKAN.

**PERSONAL PRIVILEGE**

Senator Woodall:

"Mr. President and Members of the Senate:

"I did not hear the particular broadcast in which reference was made to Senator Durkan. I did hear of it later.

"I am speaking for the members of the Republican party here in the Senate and I wish to state: Not one member of the Republican group in the Senate had any prior knowledge that such statements were going to be made. I want you to know that we were not consulted in the matter and had no part in the matter. Indeed, had we been asked, I can assure you that we would have attempted to have restrained the remarks!

"I have discussed this matter with some of the members of the minority group and I believe I can speak for all of them when I say that to our knowledge, Senator Durkan's actions have never been motivated by anything other than his own conscience.

"I believe in the two party government!

"I believe in fighting people on issues!

"I do not believe in half truths or innuendo. I have never used that method to gain office, nor will I!

"I believe in a hard and vigorous fight, and I expect to fight hard and vigorously for the Republican party, but I expect to fight fair, clean and honestly.

"Again Senator Durkan, not one member of our group was advised that such a broadcast was going to be made. To the extent that this broadcast was wrong and libelous, we are sorry.

"Again I repeat, I have never known you, Senator Durkan, to be motivated by anything other than your own conscience."

The Secretary read:

**SENATE RESOLUTION**

By Senators Gissberg, McMillan, Herrmann, Cooney, Morgan, Papajani, Sandison and Hess:

WHEREAS, There appears to be a lack of uniformity in the civil and criminal laws of this state and those of the federal government relating to the conduct of Indian affairs; and

WHEREAS, The consequences of imposing like criminal and civil jurisdiction of the state to Indians as upon other citizens of the state (excluding aliens) seems never to have been thoroughly studied by any agency of this State; and

WHEREAS, There appears to be a definite lack of reliable information available to the members of this Legislature relative to the Indian tribal units within this state and their economical and sociological contributions as an ethnic unit of the state; and

WHEREAS, No agency of the state has made a concerted effort to consult with and obtain opinions of tribal chiefs or members of the various tribes as to the foreseeable consequences of exchanging federal jurisdiction for state jurisdiction, more particularly in the criminal field of law; and

WHEREAS, It should be determined whether a State Agency of Indian Affairs be established to deal with the particular problems of Washington Indians, and to act as an official liaison agency between the Indians and various state and local bodies;

Now, Therefore, Be It Resolved, By the Senate that the legislative council is requested to study the condition of Indian affairs in this state with respect to those fields as enumerated in this resolution, including in such study such personal exchanges with leaders of the larger tribal units as is possible, and report its findings with any corrective legislation necessary to the next regularly convening legislature, but not later than the third Monday in January, 1963;

And Be It Further Resolved, That the Secretary of the Senate shall transmit a copy of this resolution to the legislative council.

On motion of Senator McMillan, the resolution was adopted.

By Senators Durkan, Gallagher, Herrmann and DeGarmo:

WHEREAS, Citizens of the Seattle area and King County as well as throughout the entire State were saddened yesterday upon receipt of news of the death of retired Superior Court Judge, Hugh C. Todd; and

WHEREAS, Judge Todd rendered meritorious service in the halls of the House Chamber representing the splendid people from Whitman county during the 1909 and 1911 sessions of the legislature, being everlastingly remembered as the "Boy Orator of the Palouse"; and

WHEREAS, Judge Todd, after admission to the bar, moved his residence to Seattle and became not only prominent in his professional field, but a colorful and beloved personality, akin to the young energetic, invigorating city that is Seattle; and

WHEREAS, Judge Todd who received his judgeship by appointment of Governor Clarence Martin in the early thirties, was the embodiment of integrity and justice as a Superior Court Judge, serving ably and with quiet distinction for twenty-five years and until his retirement in 1959; and

WHEREAS, Judge Todd gave freely of himself to the civil and cultural improvements of any community in which he found himself a part, and, as an avid sports fan enthusiastically backed University of Washington athletic contests, the Seattle Rainiers and the promotion of boxing events in Seattle;

Now, Therefore, Be It Resolved, That this Senate express its sincerest sympathy to members of the family of Judge Hugh C. Todd and set forth in this resolution its great admiration of, and its deepest appreciation for the many fine things Judge Todd did for his fellowmen, whether here in this Senate Chamber, in the courts of this state, or in his daily gratuitous services for those around him, be they stranger or friend;

And Be It Further Resolved, That copies of this Senate resolution be transmitted by the Secretary of the Senate to his wife, Dorothy and his two sons.

On motion of Senator Durkan, the resolution was adopted.

#### SENATE RESOLUTION

By Senators Washington, McCormack, Gissberg, Hanna and Hallauer:

WHEREAS, A treaty providing for the upstream storage of water on the Columbia river and its tributaries in Canada and the United States has been signed by the heads of government of the Dominion of Canada and the United States and is presently pending before the Senate of the United States; and

WHEREAS, This treaty is an important step to assure that the great international Columbia river will be developed, controlled and shared as a joint resource by the United States and Canada and thereby furnish each nation with benefits materially greater than either could obtain independently; and

WHEREAS, The Pacific Northwest will secure a large block of low-cost power comparable to the combined output of Grand Coulee and Bonneville dams; and

WHEREAS, The availability of this low-cost power will result in accelerated economic growth to the region; and

WHEREAS, The flood control objectives of the United States for the lower Columbia

river in Washington and Oregon, which have been a pressing need for many years, will be brought to substantial realization within ten years; and

WHEREAS, Removal of the hazard of floods will pay incalculable dividends in the saving of human life and avoidance of suffering, as well as through economic improvement in areas heretofore subject to reoccurring flood damage; and

WHEREAS, The United States will receive additional incidental benefits for irrigation, navigation, pollution abatement, and other uses resulting from controlled storage; and

WHEREAS, The United States and Canada have traditionally resolved international problems by treaties mutually advantageous to both nations;

"These young ladies are here today representing Wenatchee's Apple Blossom Festival, which will be held May 4, 5 and 6 in Wenatchee, the Apple Capital of the World.

## SENATE RESOLUTION

By Senators Hanna, Hallauer and Foster:

WHEREAS, Nature has been most generous with her bountiful gifts bestowed upon the Pacific Northwest; and

WHEREAS, World famous Washington State Apples, descended from the immortal fruit of the Garden of Eden, are recognized throughout the United States and the free world as unique and superlative creations of nature, brought to the peak of perfection through the tender care and cultivation of man; and

WHEREAS, Wenatchee—The Apple Capital of the World—is the scene of the Washington State Apple Blossom Festival every year during the first weekend of May; and

WHEREAS, The Queen of the Forty-second Annual Washington State Apple Blossom Festival, Queen Kathy Whiteman, and her two Royal Princesses, Princess Carmen Snitely and Princess Sharon Coon, will reign over the three-day Washington State Apple Blossom Festival in Wenatchee on the 4th, 5th and 6th of May, 1961; and

WHEREAS Queen Kathy and Princess Carmen and Princess Sharon are the honored guests of the Washington State Senate this 3rd day of March, 1961;

Now, Therefore, Be It Resolved, By the Washington State Senate, that we extend to Queen Kathy and Princess Carmen and Princess Sharon not only our most warm and cordial welcome, but our fond and ardent wishes for a successful celebration; and

Be It Further Resolved, That we extend to all of those dedicated pioneers, of the past and of the present, who brought and who maintain the apple industry of the State of Washington in its position of unquestioned supremacy, our deep and abiding

appreciation for a job well done that has not only contributed to the fame of the State of Washington but added handsomely to her economic prosperity.

On motion of Senator Hallauer, the resolution was adopted.

The President:

"At this time, members of the Senate; Ladies and Gentlemen, the President should like to ask Princess Sharon Coon to come to the microphone."

Princess Sharon Coon:

"Thank you, Mr. President and Senators for your invitation to be with you today. It is certainly quite an honor and a very nice one.

"A wonderful experience awaits you from the beginning of the coronation ceremony, which is May 4th, until the grand finale on Saturday Morning, May 6th, in Wenatchee in apple blossom time. I would like to invite you all."

Princess Carmen Snitely:

"Thank you, Mr. President and Senators, for letting us be here today.

"This year's festival will be the forty-second celebration honoring the 'Apple Capital of the World'. The trip to Wenatchee in apple blossom time is a thrill never-to-be-forgotten, and I join Princess Carmen and Queen Kathy in inviting you to be with us then."

Queen Kathy Whiteman:

"Thank you, Mr. President and Senators.

"We are very honored to be here today and are looking forward to seeing all of you at the Apple Blossom Festival in Wenatchee. I want to extend my personal invitation to each of you to attend May 4, 5 and 6. The Apple Blossom Festival is open to you all, and I hope to be with you at that wonderful time. This is the thought that Princesses Carmen and Sharon and I want to leave with you today. We hope to see you then. Thank you."

The President:

"The members of the Senate and the President are very happy that you have seen fit to visit with us in the Senate Chamber today. Your pleasantness and your capabilities are as great as your beauty. The President realizes the members of the Senate are confronted with a number of difficult decisions to make, but also is aware of the fact that the decisions the members have to make cannot come close to the decision the judges had to make in choosing from such beauty as is arrayed here today. The Senators are animated with your beauty and hope that you will come again."

Queen Kathy:

"Thank you. We would like to present you with this box of beautiful apples and also a box of aplets. We hope that you will enjoy them."

The President:

"With your permission, the President should like to share the contents with the President's colleagues, the distinguished members of the Washington State Senate. Thank you very much."

Senator Cowen:

"Mr. President, why did you appoint three bachelors to escort these three beautiful girls to the rostrum?"

The President:

"The President has long admired Senators Knoblauch, Kupka and Moriarty. The President believes that they are happy in their present state, but would be much happier should they no longer be in that state. The President merely wanted to present an opportunity to the three bachelors of the State Senate. The President would have included you, had you not already been married.

"The President should like to request of Senators Knoblauch, Kupka and Moriarty to please come to the rostrum and escort our lovely visitors to the State Reception Room."

The queen and her royal court were escorted from the rostrum.  
(Applause.)

**PERSONAL PRIVILEGE**

Senator Freise:

MR. PRESIDENT:

There is hereby established a site advisory commission to be composed of six members, to aid and assist the director of institutions in the selection of a suitable site for the location of the juvenile correctional institution herein authorized, the members to serve until the site be acquired. The members of the site advisory commission shall be composed of three members of the state House of Representatives to be appointed by the Speaker, and three members of the state Senate to be appointed by the President of the Senate. The members of the commission, as soon as may be convenient after their appointment, shall elect one of their members to serve as chairman. Each member shall receive twenty dollars per diem for each day spent in the performance of the duties of the commission and mileage at the rate of ten cents per mile.

## POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Martin yield to a question?"

Senator Martin:

"Yes, I will."

Senator Rasmussen:

"What is the matter with the present site?"

Senator Martin:

"The present site is not satisfactory. It is the commission's desire to return the site. To do so, it will have to be purchased. They have a purchase option."

Extensive debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Thompson yield to a question?"

Senator Thompson:

"Yes, I will."

Senator Rasmussen:

"It is my recollection, under the terms of that lease that if this property is not used for a school such as Luther Burbank, then the property reverts to the Seattle School District. Is that correct?"

Senator Thompson:

"That is correct, but the Seattle School District is not enforcing this. It is the intention of the Seattle School District to only use that provisional clause if there is danger that the title may fall into the wrong hands. If they are clearly assured that the property will be used for public purposes, they will not question it."

The President stated the question to be the adoption of the committee amendment.

The motion carried, and the committee amendment was adopted.

On motion of Senator Thompson, the following amendment was adopted:

In section 2, page 1, line 25, after "institution." insert the following:

"In the event that the director determines that any offers for the donation of real property are not desirable, as herein provided, as a site for the juvenile correctional institution, then the director may acquire real property for such site by purchase or condemnation proceedings."

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Thompson yield to a question?"

Senator Thompson:

"Yes, I will."

Senator Riley:

"Is there any objection on the part of the Seattle School Board District No. 1 to sell this property, in view of the fact that Seattle School District No. 1 is in need of funds?"

"Assuming after the passage of this measure that the director, together with the advisory council, decides that this property is not what they want for the institution, then what objection would the Seattle School District have to the problem of selling it, in view of the fact that the Seattle School District is in need of money?"

Senator Thompson:

"At the time the state took this property over, there was a contract entered into by the Seattle School District and the state and in that contract there is an option to buy. This is part of the consideration of entering into the contract and relieving the Seattle School District of this program. They have reaffirmed this."

Senator Greive demanded the previous question.  
Debate ensued.

#### RULING OF THE PRESIDENT

The President stated the discussion had ended.

On motion of Senator Thompson, the rules were suspended, Engrossed Senate Bill No. 331 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

#### PERSONAL PRIVILEGE

Senator Hess:

"Yesterday, a member of the House of Representatives, Representative Evans took occasion to issue a press release in which he made some very serious and completely unfounded charges concerning the Senate Committee on Education. I regret this very much. I regret it because I feel that it is beneath the dignity of the legislature that by innuendo or outright misstatement one member of a legislative body would stoop to impugn the motives of a legislative committee.

"Among other statements that Representative Evans made was the insinuation a pattern was emerging, clear and strong, that education matters were being held up as trading stock on other bills. He singled out the Education Committee and stated that bills important to education were held up during the first thirty-three days of the session by the failure to act on these bills. This purportedly indicated that they were purposely and deliberately withheld from action.

"Representative Evans knows better than this. I charge him with deliberate false representation.

"Now, I spent about three hours analyzing the work on the Committee on Education. We have received forty-three bills in the Senate Committee on Education. Twenty-eight have been passed out favorably recommended. Thirteen, the Committee decided after careful review, did not warrant passage. Many of these were opposed by the school

forces themselves. Only two bills have not received consideration at this time. These are House Bills and received within the last week. Twelve education bills have passed the Senate; sixteen are in the Senate Rules Committee.

"Let us now consider Representative Evans' charge of inaction for the first thirty-three legislative days. During this period, only fourteen bills were referred to the Education Committee. Only two of the fourteen were sponsored by any of the major organizations representing education.

"Where were the education forces the first thirty-three days? The facts, are these. Most of our work during this period involved the efforts of key legislators of both parties working with all of those interested in legislation affecting education to prepare the major legislation in this field and to resolve areas of disagreement prior to the introduction of these bills. Representative Evans was either ignorant or something that was public knowledge to all of those interested in such legislation or else he chose for personal political grandstanding to belie the facts.

"Further examination of Representative Evans' chosen thirty-three days reveal that of the fourteen bills supposedly bottled up as trading stock, eleven have long since been favorably recommended by the Committee. Seven of these bills had passed the Senate at the time of Mr. Evans' press statement. Two were defeated by Committee action and a third was not needed since the whole purpose of the bill, that of creating clearer lines of authority between the Superintendent of Public Instruction and the State Board of Education, had already been resolved by mutual agreement between legislative leaders on education, the State Superintendent and members of the State Board. This, of course, required a series of conferences, all of which took place early in the session. Frankly, I regard this early period as one of the most constructive and productive for education we have ever seen. Never once was Mr. Evans' interest manifested in any of these matters and only his gnawing ambition for publicity would seem to bring him to concern with educational legislation at this time.

"Further analysis shows that even under the circumstances described the average time for consideration of a bill in the Senate Education Committee was less than two weeks; to be precise, 13.6 days. I submit that this was a reasonable period of time for any Committee giving careful attention to legislation.

"If we are to ask the people of our state to respect the Legislature and its actions then we must be responsible in our criticism. Destructive criticism, whose sole objective is publicity for the politically ambitious, is good for no one and certainly harmful to the whole process of self-government.

"I am concerned that there have not been more education bills on our calendar, however, I realize that the Rules Committee has had many problems and will, in due time, get to these important measures. I must say in conclusion, most emphatically, that to charge the Senate Education Committee with a failure to fulfill its responsibilities and to imply that there had been a scheme to trade votes on measures under its direction for any other legislation is false on the face of it and beneath the dignity of the Legislature to have such charges made."

#### PERSONAL PRIVILEGE

Senator Neill:

"In the trying days of the rather hectic end of this session, many things have been said which we would like to take back, but I would say to you that this same matter was on this floor this morning. Senator Woodall and Senator Durkan answered charges this very morning. It is regretful that it happened through some breakdown in communications between the House and the Senate, or I dare say this would never have occurred.

"I have been here quite a while and I have known many people on both sides of the aisle, and there is none on the floor of this Senate for whom I have higher regard and whose integrity I have more respect for than yourself. It is very regretful that this has happened because even though we may have differences of opinion, it is just that. As far as the innuendo, we do not subscribe to such a statement and we do not believe it.

"As you well know, in these last weeks of the session, stories fly back and forth, and we do not have time to correspond. Rumors are flying about and these walls have ears, as the saying goes, and let me say, we regret it because we do not share any such innuendo."

#### MOTION FOR RECONSIDERATION

Senator Moriarty:

"Having voted on the prevailing side, I move that the vote be reconsidered by which the amendment by Senator Kupka to Senate Bill No. 297 was adopted."

**POINT OF ORDER**

Senator Gallagher:

"Was there a roll call on the amendment proposed by Senator Kupka, which was adopted?"

"It would appear to me that we are going to get into difficulties if we are going to permit people to move for reconsideration when the vote was not recorded."

**POINT OF ORDER**

Senator Greive:

"I don't think that Senator Gallagher is right.

"In the sixteen years that I have been a member of this body, on a vote that was not recorded when a member stood up and said he voted on the prevailing side, we took his word for it. This particular motion is explained in the latter part of Rule 31 which speaks on amendments and says they may be made and reconsidered immediately."

Senator Gallagher:

"I think Senator Greive concurs. I think a motion to reconsider must be made immediately. This amendment was adopted early this afternoon, and if a motion for reconsideration had been made at that time it would have been in order."

Senator Greive:

"We are still at the same stage in the proceedings."

Senator Kupka:

"I can't see how you can consider this, not having a recording of who voted what and how. It was a standing vote and I don't recall seeing Senator Moriarty stand."

Senator Woodall:

"I rise to concur in the remarks of Senator Greive. The word of a particular member is accepted in these matters. If you have a roll call vote, of course you look to see, but in all other matters, you accept the word of the members.

"A written amendment could be set up now which could put back what was taken out. You would get the same thing in another way. You can always go back and change the amendment which was adopted, regardless of which way the matter is handled."

**RULING OF THE PRESIDENT**

The President:

"The President rules that the point of order by Senator Gallagher is not well taken, and that the motion as presented by Senator Moriarty is in order."

The President stated the question before the Senate to be, it has been moved that the Senate do now reconsider the vote by which the amendment by Senator Kupka was adopted.

"Will Senator Riley yield to a question?"

Senator Riley:

"Yes, I will."

Senator Elway:

"Senator Riley, I want you to tell me whether or not this bill is 'crystal clear'."

Senator Riley:

**POINT OF INQUIRY**

Senator Talley:

"Will Senator Riley yield to a question?"

Senator Riley:

"Yes, I will."

Senator Talley:

"You are in the plumbing-pipe business, I know that. You know the necessary depth needed in an excavation when pipe is laid. Don't you think six feet is a little too much depth without protection?"

Senator Riley:

"You ask me a question. I am aware of many, many different occasions. If you are talking about water mains, it is true that a main must be in the water lines to make connections. It is not so true if you are working in a steel weld water main where they weld on the surface of the ground. I cannot consider exactly the same dredge depth to which Senator Talley makes reference. In our country, and even in eastern Washington, I am certain they will not find any mains, water or gas, below six feet."

Senator Talley:

"I am sure, Senator Riley, we have gone down to a depth of eighteen feet."

Senator Freise moved that Senate Bill No. 174 be ordered retained at the head of the second reading calendar for tomorrow.

Enacting a uniform commercial code.

Senator Dore moved that Senate Bill No. 72 be placed directly after Senate Bill No. 174 on second reading calendar for tomorrow.

**POINT OF ORDER**

Senator Woodall:

"As I understand it, this bill at the moment is not before the body. It is on tomorrow's calendar, so at this moment it will be in the Rules Committee until they bring it out on tomorrow's calendar; or it would take two motions to get it before the body before you could act on it. I submit his motion is out of order."

Senator Dore:

"My understanding of the rules is that after the fiftieth day you can move a bill up and down on the calendar. If that is correct, I will amend my motion to suspend the rules but I don't think that is necessary after the fiftieth day."

Senator Woodall:

"Senator Dore misses the point. It is not before the body. It is on tomorrow's calendar. If he wants to move it up, I agree that it would take two motions."

**RULING OF THE PRESIDENT**

The President:

"Senate Bill No. 72 is on the second reading calendar for tomorrow. When the calendar is before the body, Senator Dore may, at that time, try to place Senate Bill No. 72 at any place he desires."

"I now move to suspend the rules and consider Senate Bill No. 72 on tomorrow's calendar."

#### APPOINTMENT OF HONOR COMMITTEE

The President appointed an honor committee of the following Senators to escort the Honorable Senator Warren G. Magnuson to a seat of honor upon the rostrum: Senator Frank Connor, Chairman; Senators Kupka, Dore, Cowen, DeGarmo, Keefe, Woodall and Ryder.

The honor committee repaired to the Lieutenant Governor's office to escort Senator Magnuson to the rostrum.

The Honorable Senator Magnuson was escorted to the rostrum.

The President:

"Members of the Senate; Ladies and Gentlemen:

"It is not a usual thing for the Senate Chamber to be graced with the presence of such a grand person and personality as the Honorable Warren G. Magnuson of the United States Senate. The President and members of the Senate have known Senator Magnuson for many, many years. The President first made his acquaintance at the University of Washington as a student, and what may be more important, as a football player. After graduating from the University, the honored visitor entered the great game of politics. Later he elevated himself to the position of a state legislator and then into the United States Congress, and has held the position of United States Senator for many, many years.

"His story is one of a grand achievement and of success. The President and the members are thrilled today at your presence, and feel most fortunate, in the way you have served the people of this state, to have such a man as you represent us. We are very proud, Senator Magnuson, of your dedication to your responsibilities and duties, and we know you as a man of honor."

Senator Magnuson:

"Thank you, Governor, for those very kind words.

"Members of the Senate; Ladies and Gentlemen:

"I, of course, appreciate this opportunity and the invitation to come here with you today. I am glad to be back from whence I came!

"I was in the House of Representatives about an hour ago and looked over to the seat that I sat in twenty-seven years ago today. There are still some of you here in the Senate but only one is left in the House with whom I served in the Washington State Legislature, so it is a great thrill to be back. It is always a great thrill for me to come to this capitol. I didn't come here to give you people any advice. I know the hour is late but I understand that you are not going to do what we did in those days, stop the clock for about a week.

"Sometimes in this changing world of ours, new responsibilities come up and the legislative time is too short to meet all the responsibilities that have fallen upon you. Since I have been here this morning, I am convinced too, Mr. President, that the problems have not changed in twenty-seven years. They seem to be the same. I just left the United States Senate yesterday, and the business at hand there was the creation of seventy-six new federal judges. I presume that many of you lawyers in this group will be mightily interested to know that there will be one from the state of Washington. Inasmuch as I am sort of a refugee from the 'new frontier' today, I am sure, also, a refugee from the employment agency, that I am conducting. I won't presume to offer any legislative advice to the legislative bodies. You can get plenty—it is a question of what advice you take. But after all these years as a legislator, there was an old saying: 'Oh, God, allow me to change what can be changed; to let go what can't be changed, but more than that, Oh, God, give me the wit and the wisdom to discern between the two.'

"I think that is probably the job of all legislators, but is tempered, I am sure, with the fact that in doing this job, you become more and more a part of probably the most graced enterprise that the world has ever known by the free people of the world who make our legislative bodies work. And every legislative body, particularly in the United States, is a showcase for that enterprise and whether or not we win or fail, we affect the whole cause that we like to call the democracy and moral fibre of man. We are living in troubled times, and what you do affects the Congress.

"I have learned long ago, and I am sure you have too, that there are two parties in this country, blessed the safe essence of what we call Democracy. And I have learned time and time again that you have to respect the opinions of others, whether they be in your own party or belonging to another party.

"The people are concerned with what we do and what we grind out and I am always a little perturbed when I hear what people think about the legislature, because I know how hard you work and I think the problems of the times dictate that we do these things as you have been doing them, with respect for one another and one another's opinions.

"If we don't do that it might affect millions of people all over the world. The legislator's job doesn't quit when you adjourn 'sine die'. It goes on pretty much the year around for the problems are becoming so complex and so great and the solutions so hard to find that you have to have help from all the people in order to find the right solutions.

"I think the time is coming, in order to keep a sound state both fiscal and otherwise, that you will have to divide yourselves annually between legislative and fiscal sessions, which all other bodies in the free world do, so after you have legislated, you can take a good look at what you can do about it.

"You have to keep government functioning well.

"I am not going to take up any more of your time, because I know from the look of your desks that you have a great deal to do. I am not bringing you any bills. I bring you greetings from my colleague, Henry Jackson. Thank you again for the opportunity to greet you at this session of the legislature."

(Applause.)

The President:

"Thank you very much, Senator Magnuson. You have made many fine statements this morning. The one remarkable thing is the fact that you believe in the four greatest words in the English language, 'What is your opinion.' The President believes that is one of the reasons for your success, the fact that you can ask, 'What is your opinion.'

"Thank you, Senator Magnuson."

The Committee of Honor escorted Senator Magnuson from the Senate Chamber.

#### PRESIDENT'S PRIVILEGE

The President:

"Members of the Senate:

"The Senate will proceed in order. However, the President should like to invite the members of the Senate to please feel free to visit the office of the President in order that you may shake hands with Senator Magnuson and talk over any particular points he may wish to discuss."

#### PRESIDENT'S PRIVILEGE

At the request of Senator Morgan, the President introduced a group of twenty Boy Scouts from Kitsap County in the gallery. These boys from Troop 507 were accompanied by James Wold, their leader. This group was asked to stand and be recognized, along with Senator Morgan.

(Applause.)

In new section 2, page 2, lines 28 and 29, strike the period following "institutions" and insert "should be given to prevent overlapping or duplication of educational services;"

In new section 5, page 3, line 28, strike the semicolon following "facilities" and insert "but not to include dormitories;"

In new section 7, page 4, line 26, after "facilities" and before the comma insert "exclusive of dormitories"

On page 5 after section 10 insert a new section to read as follows:

**NEW SECTION.** Sec. 11. Nothing contained in this act shall authorize more than two additional new community colleges.

Renumber section 11 to read section 12.

GORDON SANDISON, *Chairman.*

We concur in this report: Wayne G. Angevine, Wilbur G. Hallauer, John H. Happy, Marshall A. Neill, John N. Ryder, Nat Washington.

The bill was read the second time by sections.

On motion of Senator Sandison, the first five committee amendments were adopted.

Senator Sandison moved that the last committee amendment be not adopted.

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Sandison yield to a question?"

Senator Sandison:

"Yes, I will."

Senator Riley:

"I want to be clear on this because all the information that was given to me in support of Senate Bill No. 296 was that it is only limited to two junior colleges. As I understand your amendment, it is going to strike 'two additional colleges.'"

Senator Sandison:

"No, the following amendment inserts the same language. We just thought for clarity it would be better to put together what was separated. In another amendment it is put back."

The President stated the question before the Senate to be, it has been moved that the last committee amendment be not adopted.

The motion carried, and the last committee amendment was not adopted.

On motion of Senator Sandison, the following amendment was adopted:

On page 5, after section 10, insert a new section reading as follows:

**NEW SECTION.** Sec. 11. Upon a written application signed by the board of directors of a school district now operating existing extended secondary schools under the provisions of RCW 28.84.120 through RCW 28.84.150 commonly referred to as: (1) Centralia Junior College, (2) Clark College, (3) Columbia Basin College, (4) Everett Junior College, (5) Grays Harbor College, (6) Lower Columbia Junior College, (7) Olympic College, (8) Skagit Valley College, (9) Wenatchee Valley College, (10) Yakima Valley Junior College, and (11) Peninsula College, the state board of education may authorize the district to discontinue said program and in lieu thereof establish a community college as provided in this act. Nothing in this act should, however, be construed as authorizing more than two additional new community colleges.

Renumber the remaining section 11 to read section 12.

On motion of Senators Hess and Sandison, the following amendment was adopted:

On page 5, after section 8, insert a new section 9, reading as follows:

**NEW SECTION.** Sec. 9. There is added to chapter 115, Laws of 1945 and to chapter 28.84 RCW a new section to read as follows:

Nothing in this act shall be construed as affecting the existence or operation of vocational technical institutes approved under rules and regulations of the state board for vocational education. Such approved schools shall be entitled to the apportionment which they now receive under RCW 28.41.070 (4) (5).

Renumber the remaining sections consecutively.

On motion of Senator Riley, the following amendment was adopted:

On page 5, beginning on line 6, strike all of new section 9 and renumber the remaining sections consecutively.

On motion of Senator Hess, the following amendment to the title was adopted.

In line 1 of the title after "adding" strike "nine" and insert "ten"

#### POINT OF INQUIRY

Senator Gallagher:

"It is my understanding that Senator Hess offered an amendment and asked that the section be removed making his amendment to section 9. Now did that take the old section, or did that take the new section 9?"

Senator Hess:

"It is our interpretation that Senator Riley's amendment deals specifically with certain lines of the bill; specifically, lines 6, 7, 8 and 9 of page 5. I think it would be clear that his amendment struck the original section 9, and not new section 9."

#### RULING OF THE PRESIDENT

The President:

"The President is of the opinion that the explanation by Senator Hess is proper."

On motion of Senator Hess, the rules were suspended, Engrossed Senate Bill No. 296 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

I would be happy, Mr. President if you could, in your gracious way, offer an introduction. The only other thing that detracts from my introduction is that I think they are over here to attend some Democratic function, but I would be pleased to have them introduced."

**POINT OF INQUIRY**

Senator Gissberg:

"Will Senator Petrich yield to a question?"

Senator Petrich:

"Yes, I will."

Senator Gissberg:

"Are these narcotic offenses related to the sale of the narcotics, or is this directed to those who are using narcotics?"

Senator Petrich:

"For the point of my information, this is directed to the sale of and the use of narcotics."

Senator Gissberg:

"If I may say so, it is my opinion that this act does not go nearly far enough in providing a penalty for one who has been found guilty of the sale of narcotics, drugs and marijuana. In some states the penalty is a life sentence, and I certainly think a gross misdemeanor—that is certainly not sufficient penalty for this type of thing. It would be my hope to hold this bill for a greater penalty being provided for those found selling narcotics. The penalty for a gross misdemeanor is to be held in the county jail, and/or \$1,000 fine. I think somebody found doing this should be put in the penitentiary for a long period of time."

Debate ensued.

Senator Petrich:

"With reference to the question of the penalty under the narcotics law, I want to point out to you that under the law the court rules on the first offense for a sentence not to exceed one year in the county jail. I have no quarrel with the desire to increase the penalty. I want to point out that it wasn't my purpose to lower the penalty. My purpose was to be sure that there was a law with a penalty. I have no objection to providing a stiffer penalty. I do feel, however, that whatever the penalty proposed in this law, I want it in the proper form so that it will be passed. If we don't, we have no provision to punish these violators."

On motion of Senator Gissberg, Senate Bill No. 360 was ordered to retain its place on the third reading calendar immediately following Senate Joint Resolution No. 6.

**Senate Bill No. 552**, by Senators Foley, Petrich and Chytil:

Public assistance payments to county hospitals.

On motion of Senator Foley, the following amendment was adopted:

In section 2, page 2, line 12, after "warrant" and before "to the" insert "or treasurer's check"

The bill was read the second time by sections.

Senator Petrich moved that the committee amendments be adopted.

Senator Rasmussen moved that Engrossed House Bill No. 248 be referred to the Committee on Ways and Means.

Extensive debate ensued.

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Petrich yield to a question?"

Senator Petrich:

"Yes, I will."

Senator Riley:

"Could you give us an idea of how much, in the way of state funds only is involved with the passage of House Bill No. 248 as is?"

Senator Petrich:

"Senator Riley, I don't think you can make any prediction with reference to this feature. What the bill does, as amended by the Committee, is that it proposes that the judges may retire after twelve years before the bench. And if they retire after twelve years, they retire at two-thirds of what the bill allows, but that wouldn't be paid until after eighteen years, or after he has reached the age of seventy."

Senator Riley:

"I don't think the amendment is substantial."

Extensive debate ensued.

Senator Gallagher moved that the motion by Senator Rasmussen be laid on the table.

The motion carried, and the motion by Senator Rasmussen was laid on the table.

Senator Woodall moved that the following amendment to the committee amendment be adopted:

In the third line of the first paragraph of the first committee amendment in section 1, page 1, line 11 strike "twelve" and insert "eight"

Senator Hallauer:

"\$300,000 a biennium."

**POINT OF INQUIRY**

Senator Sandison:

"Will Senator McCormack yield to a question?"

Senator McCormack:

"Yes, I will."

Senator Sandison:

"Do you have any people now employed by the State that are acquainted enough in this field to carry on in this type of work, or are we going to have to have people trained?"

Senator McCormack:

"The Department of Health has some of these people trained. There are several persons who are now qualified in this field in that department. The act does not provide for the modernization of activity in the Department of Health."

**POINT OF INQUIRY**

Senator Chytil:

"Will Senator McCormack yield to a question?"

Senator McCormack:

"Yes, I will."

Senator Chytil:

"Is it not true that most of this work is done at the present time under the Atomic Energy Commission?"

Senator McCormack:

"The area with which we are concerned right now is under the A.E.C. and there are many peace-time areas such as the fluoroscope and radio isotopes which are not under the control of the A.E.C. It is necessary to have a license to operate, but they are not under the control of the A.E.C."

Senator Chytil:

"How soon do you feel that the A.E.C. will be out of this field and that the state should be into it?"

Senator McCormack:

"I hope in a period of four to six years that we will be able to set up the laboratory. We had a commission set up two years ago on this."

Debate ensued.

**POINT OF INQUIRY**

Senator Shannon:

"Will Senator Freise yield to a question?"

Senator Freise:

"Yes, I will."

Senator Shannon:

"You mentioned \$2500 as coming for either a kilowatt or kilowatt hour of the various amounts of power that were used in the state. Now, what was that \$2500 for? For what period of time?"

Senator Freise:

"There have been substantial dams in the United States, and TVA dams in other areas in the United States. In a reasonable period of time, there are approximately ten to twenty years that the increase in economic wealth to the area is measured about one kilowatt to every \$2500, or the reverse to every kilowatt, so if a dam puts out a million kilowatts, there will be a million times \$2500 increase to the area. These figures came from the Army Engineers in Walla Walla. I wanted to know what was the potential for the Walla Walla area, and I gathered these figures from the Army Engineers and checked with the public power people and their figures show that for every one kilowatt of power in the area, the economic growth would increase to the extent of \$2500. These dams are to be built within 150 miles radius of Walla Walla, and will put out a total increase of 30 billion dollars to the area."

Senator Shannon:

"If your figures are right, I wasn't sure just how you arrive at that 30 billion dollars, I just can't figure out what your 30 billion dollars has to do with that bill. Wouldn't you have the same increase whether public or private power had built the same dams?"

Senator Freise:

"It doesn't matter who built it. They are all in agreement with this. It is not slanted toward any of these. It is just a figure accepted by them as being on an average;

that for every additional kilowatt furnished to the area means that figure in additional economic growth."

Senators Hofmeister, Nunamaker and Greive demanded the previous question.

The President stated the question before the Senate to be, shall the main question be now put.

The motion was lost, and the demand for the previous question was not sustained.

Debate ensued.

#### RULING OF THE PRESIDENT

The President stated he felt that the discussion had ended.

#### POINT OF INQUIRY

Senator Woodall:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will.."

Senator Woodall:

"As I understand it, the Senate Joint Resolution has to be passed by the people. If Senate Joint Resolution No. 6 does not pass, then Senate Bill No. 77 will be stuck on our books."

Senator Greive:

"It will just be stricken from the books."

Senator Woodall:

"Senate Bill No. 77, if it passes, will immediately go into our law. Now it would seem to me that would be a question for the Statute Law Committee to determine. It seems to me that they wouldn't send out any copies until we see if Senate Joint Resolution No. 6 passes. Why can't we wait and see if the people pass Senate Joint Resolution No. 6, and if they don't we would have no need for Senate Bill No. 77."

Senator Greive:

"If we had an extra general election it would be necessary that we take advantage of this. It is hoped by at least one person that the Chief Executive shall call for a

general election in which referendums and initiatives will be submitted this year. If it goes through, we want to have it submitted at that time."

Senators Herrmann, Gallagher and Greive demanded the previous question.

The President stated the question before the Senate to be, shall the main question be now put.

Creating a minimum wage and hour act.

Senate Chamber,  
Olympia, Wash., March 2, 1961.

MR. PRESIDENT:

Senator Henry:

"Yes, I will."

Senator Talley:

"In subsection (n), 'any individual engaged in performing services . . . to the benefit of any private shareholder or individual', that just takes in any charitable hospital, not anything else, is that right?"

#### POINT OF INQUIRY

"Will Senator Moriarty yield to a question?"

Senator Moriarty:

"Yes, I will."

Senator Angevine:

"Would I be correct in interpreting this amendment to the amendment as to state that any secretary or any other employee in any office would be exempted by this amendment?"

Senator Moriarty:

A division was requested and the motion carried. The amendment was adopted.

**RULING OF THE PRESIDENT**

"The President has announced that the amendment to the amendment has been adopted."

Senator Angevine demanded a roll call, which was sustained by Senators Gallagher, Bailey, Kupka, Papajani, Bargreen, Hofmeister, Connor, Morgan and Nunamaker.

**POINT OF ORDER**

Senator Woodall:

"If we pass the motion to reconsider, this particular act is not a question of employees. It is not a question about a legal secretary getting a minimum wage. May I point out that under this deal you are supposed to have some kind of a running chart to keep in your office by law. Each morning, the hour the secretary arrives and the hour she leaves must be entered. When she comes and goes for lunch must be entered. In the present concept, there are other things entered in. This is not the type of thing that this act is trying to get at. This is trying to get at the type of people who are being cheated.

"It is a nuisance factor that everyone is opposed to — keeping a list of when people come to work and go home. Look at Dr. Cowen for instance, he pays so much over the minimum wage and I think that when you get into the professional type of workers that is not the type of people this is meant for. You have to pay a great deal more than the minimum for a good secretary. You have to pay the going rate to get a good semi-professional type of worker."

Senator Gallagher:

"I hate to differ with Senator Woodall. It is just that type of people that we are trying to protect. It is the people who work for attorneys and the people in the professions who think nothing of working from twelve to fourteen hours a day. It is this type of people that this act is trying to do something for. Organized people are taken care of. It is the people who are not organized that we trying to protect."

**POINT OF INQUIRY**

Senator Angevine:

"Would Senator Woodall yield to a question?"

Senator Woodall:

"Yes, I will."

Senator Angevine:

"If these people are all taken care of adequately now in relation to their salary, then why do you wish to exempt them from the protection that this act would give them?"

Senator Woodall:

"As I tried to point out a time ago, you can't begin to get anyone who can take shorthand for the minimum wage. You have a nuisance factor of keeping records of the hours. The hour she came and the hour she left would have to be recorded. In professional employees, they have irregular hours. Sometimes she works long hours; sometimes she works on lunch hours. Other times she might take off time to make up for it when not rushed. It is a nuisance factor. They need no protection so far as minimum wage is concerned because they are in a different bracket."

Senator Angevine:

"In other words, you wish to exempt the attorneys' secretaries because it would be too much trouble for the lawyers to figure up the hours, etc."

Senator Woodall:

"In answer to the first portion, I say 'yes.' In answer to the second portion, I say it doesn't require an answer."

The President stated the question to be the reconsideration of the vote by which the amendment by Senator Moriarty to the committee amendment was adopted.

## FIFTY-SIXTH DAY

### AFTERNOON SESSION

SENATE CHAMBER,  
OLYMPIA, WASH., Sunday, March 5, 1961.

The Senate was called to order at 2:00 o'clock p. m., by President Cherberg. The President declared the Senate to be at ease.

The Senate was called to order at 3:30 o'clock p. m., by President Cherberg.

The Secretary called the roll and announced to the President that all Senators were present.

The Color Guard, consisting of Pages Tom Knoblauch, Color Bearer, and Susan Harris, presented the Colors.

Reverend Arthur I. Anderson, Pastor of the Gloria Dei Lutheran Church of Olympia, offered prayer as follows:

"O Lord, my God, when I in awesome wonder consider all the worlds Thy hands have made, I see the stars, I hear the rolling thunder, Thy power throughout the universe displayed. Then sings my soul, my Savior God to Thee; how great Thou art, how good Thou art!

"In the sacred stillness of these prayer moments may Thy greatness and Thy goodness mold us to the prompting of thy spirit. Make us yielded to Thee, that we might be the more effectively wielded by Thee.

"Grant us grace this Lord's day: To think without confusion clearly; to act from honest motives purely; to love our fellowmen sincerely; and to trust in Thee and heaven securely.

"On this Lord's Day, through Jesus Christ, our Lord. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

#### PRESIDENT'S PRIVILEGE

The President:

"Members of the Senate, Ladies and Gentlemen:

"It is apparent to the President to the point of being crystal clear, that today, this beautiful and glorious Sunday, is family day.

"The President noted with keen interest, the presence of two handsome young men in the south gallery. The members of the Senate and ladies and gentlemen may have noted Senator Riley's visit to the rostrum. The President was already aware of these fine young people. The President should like to have Mr. and Mrs. Edward Riley, Jr., the bride and groom of one month, please stand, along with Mr. John Riley, another handsome son of our distinguished Senator, in order that we may properly recognize you.

"It is indeed a pleasure to have you here today, and will Senator Riley please stand also with his handsome family. Thank you very much for coming."

(Applause.)

The President:

"At the request of that grand and popular Senator Reuben A. Knoblauch, the President should like to announce that for the first time in the history of the Washington State Senate, all six Knoblauch brothers and sisters are present at a legislative session. The President is driven to remark that if all the Knoblauchs were here, the galleries would be filled and it would be necessary to furnish additional bleachers.

"The senior Knoblauch first arrived in Puyallup Valley in 1888. Heaven knows what would have happened, had he arrived ten years sooner!

"The President should like to ask of the Knoblauch family that each stand in turn as his name is called, and remain standing: Mr. and Mrs. Vincent Fameli and sons, Albert and Louis of Portland; Mrs. Fameli is Reuben's sister, Marion. Mr. and Mrs. R. O. Hirst, Bremerton; Mrs. Hirst is Reuben's sister, Viola. Mr. and Mrs. Melvin Knoblauch, Sumner; Melvin is a member of the Sumner school board. Mr. and Mrs. Leo Knoblauch and daughter, Sherry; Leo is one of oldest fire commissioners in line of service in the state of Washington. Mr. and Mrs. Allan Knoblauch, Sumner, and daughter Judy, and son Tom. Tom, incidentally, is a Senate Page.

"Other guests are Dominic Totino of Pittsburgh, Pennsylvania, a nephew of Mr. Fameli, who is stationed at McChord; and Mr. and Mrs. Leo Caillier of Tacoma and their nephew, Lee Thorsen, relatives of Mr. Hirst.

"This has been a grand pleasure for the members of the Senate and the President to greet you and express appreciation for your visit here, and hope that you enjoy your time in Olympia."

Senator Knoblauch:

"On an occasion like this, I think it is most proper that today we should present the Presiding Officer with a nice bunch of Sumner hot-house rhubarb. My family are perhaps the greatest rhubarb growers in the country. From all the Knoblauchs I would like to present to the President a batch of this famous rhubarb. It is a real spring tonic."

(Applause.)

#### POINT OF INQUIRY

Senator Woodall:

"Will Senator Knoblauch yield to a question?"

Senator Knoblauch:

"Yes, I will.

Senator Woodall:

"From all this, we must arrive at the stage of conclusion that the Knoblauchs are a very prolific family. What plans have you made to perpetuate this family?"

Senator Knoblauch:

"If I had planned this far enough ahead, I would have shown you a curly headed boy about eighteen months old, Reuben Knoblauch—my nephew!"

Senator Riley:

"Senator Knoblauch, you have been the exponent of Senate Rule 40 on so many occasions. Don't you think you should suspend Rule 40 on this happy occasion?"

Senator Knoblauch:

"My prudent friend, Senator Riley, has asked me to suspend that portion of Rule 40 pertaining to smoking. I will be honored to do so."

The President:

"Thank you, Senator Knoblauch. The President is deeply touched by your gesture today!"

"The President is delighted to have you visit us today."

In new section 1, line 8, after "months" strike all of the material down to and including "under" on line 10, and insert the following: ". The fee to be determined by the current schedule of rental charges based on predetermined operating costs in compliance with"

A. L. RASMUSSEN, *Chairman*.

#### POINT OF INQUIRY

Senator Petrich:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator Petrich:

"Senator Rasmussen, isn't it true that the RCW section that you are referring to is simply the revision regarding payment of the stipulated rent?"

Senator Rasmussen:

"It has nothing to do with fixing amounts. It simply provides that a certain fraction of the rent charged should be paid in advance."

Senator Petrich:

"With your amendment how are you going to determine what the daily rent will be?"

Senator Rasmussen:

"The main reason for the bill is to assure that the armory will be available. The Adjutant General and, presumably the Governor, will sit down and determine the rent in the conference."

Senator Petrich:

"If the section only provides for the means whereby the rent should be paid in advance, but does not provide what the amount will be, then it seems to me that there is no basis for what the rent will be."

Senator Rasmussen:

"They do have rentals going on all the time. In fact the figures were brought up before the committee. The armory is pretty consistent about rentals for all groups, and it would be in line with figures established."

#### POINT OF INQUIRY

Senator Dore:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator Dore:

"Who suggested this amendment?"

Senator Rasmussen:

"When the bill arrived in our committee, we were contacted by the Adjutant General of the National Guard, and they thought it was too far in the future to determine what the operating costs would be at that time."

#### POINT OF INQUIRY

Senator Herrmann:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator Herrmann:

"This amendment is very confusing to me, the way it is worded. Now, if I were a renter and you were renting it to me, how would you determine a definite dollar and cents rental fee? How would you arrive at a definite figure?"

Senator Rasmussen:

"I wanted to show you how we might be able to get past this bill and put it further down on the calendar. The only point I want to make is if the state wants to subsidize by this amount, we might make this decision."

Debate ensued.

The President stated the question before the Senate to be the adoption of the committee amendment.

The motion carried and the committee amendment was adopted.

On motion of Senator Rasmussen, the rules were suspended, House Bill No. 173, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Senator Kupka:

"In answer, I might state that this bill is a model of the one used in California pertaining to fireworks. This bill is a regulation of the sale of fireworks. It was the industry who had agreed to this figure. I have a statement here from them and you must set up a proper vehicle if you are going to have enforcement of it."

"How many wholesalers are there now?"

Senator Kupka:

"I know of three in this state, and I am personally not too concerned about out-of-state wholesalers."

"Senators Hess, McMillan and Morgan have been excused, Senator Riley."

#### POINT OF INQUIRY

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Lennart:

"Did I understand you to say that you were one of the lawyers that was involved in this mess? I just heard one of the lawyers say that lawyers should stay out of the mess."

Senator Washington:

"This was one of the cases where a workman was bringing action. It was found in the past to be very difficult when a workman was injured on the job to prove that the company was at fault. In this case, he attempted to bring the action outside of the workman's compensation act."

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator Riley:

"I would like your interpretation of what the following should be: Let's assume there is a barracks being built at Fort Lewis and a construction man is on his way to the job where the barracks are being built. He is walking and he is injured some way on the way to the barracks job. Is he on the job site?"

Senator Gissberg:

"My first reaction would be to say, 'no, he would not be on the job site if he were walking someplace between the fence and the job site.' The job site, I would assume, could consist of the area adjacent someplace near the barracks area. In that case, there would be no coverage in that act."

Senator Riley:

"Let's assume a man parked his car on the company furnished parking lot and he had to walk to the job site."

Senator Gissberg:

"No, he would not be on the job site if he were going across the street; that is a public street, and could not be assumed as part of the job. However, I want to assure you that all lawyers differ in their opinions and that is the reason that you have the Supreme Court interpreting the law to fit the facts. I cannot say here with absolute certainty in any of these examples that you gave me, or would give me hereafter, because it would be just an opinion."

Senator Greive:

"I object to this and feel that it is strictly unparliamentary."

#### RULING BY THE PRESIDENT

The President:

"Senator Riley, would you please ask in each question if Senator Gissberg would yield."

Senator Riley:

"Would Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator Riley:

"Is it not true that in the original House Bill No. 97 the Legislative Council requested that those people who spoke for labor and those who spoke for management and the department, itself, were in complete agreement on the original bill as introduced in the House?"

Senator Gissberg:

"My answer to that cannot be a yes or no. I thought I had explained it very well, that there was a complete agreement after holding hearings throughout the state, for which I believe both labor and management should be complimented. The reason for the amendment is brought about by the fact that the Supreme Court overruled a substantial body of law which had been a law for some years. The ruling came out in October of 1960, and that was not time for labor to forget—and that is why we are now submitting the amendment."

Senator Woodall moved that House Bill No. 97 take its place at the beginning of the second reading calendar for tomorrow.

Senator Woodall:

"The time has arrived for a special order of business, and since Senator Gissberg's discussion of this particular matter and Senator Neill and some of the others wish to check some of these cases which may alter some of the opinions on this, perhaps we can take it up tomorrow."

"Thou seemest human and divine, the highest holiest manhood, Thou. Our wills are ours, we know not how; our wills are ours, to make them Thine.

"It is in this attitude that we would continue through this day, exerting human effort in Divine purpose in the giving of ourselves in the service of others.

Senator Hallauer:

"That is true. This time by making the cut-off on the sixtieth day, rather than the fifty-eighth day, we will be able to get about twenty more bills through.

The President:

**SPECIAL ORDER OF BUSINESS**

The time having arrived, the President stated the special order of business to be Substitute House Bill No. 198 on second reading.

**Substitute House Bill No. 198**, by Committee on Highways:

Relating to outdoor advertising along highways.

The bill was read the second time by sections.

Senator Foster moved that the following amendment be adopted:

In section 2, subsection (6), page 2, line 9, strike the period after "way" and insert "; the entire width of which is acquired subsequent to July 1, 1956; and not within an area zoned for commercial or industrial use within the boundary of an incorporated city or town on September 21, 1959, or within an area zoned for commercial or industrial use by a county on September 21, 1959."

President Pro Tempore Al Henry in the Chair.

**POINT OF INQUIRY**

Senator Raugust:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Raugust:

"The first is that you pointed out in the green section, the scenic section, but you will have to admit that you have to be off so many miles, and you can put up only so many signs. This did not allow many signs. Is that correct?"

Senator Hess:

"Within two miles of any intersection outside of cities or towns there would be no signs."

Senator Raugust:

"Then there would be a distance of four miles where you could put no signs, because it would be two miles each way."

**POINT OF INQUIRY**

Senator Bargreen:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Bargreen:

"I do not find in the bill, relating to a question related to signs which advertise facilities for tourists, signs for restaurants and motels, and the places that are along the highway. I understand from the sponsors that there should be a sign for the motel drawing attention to the general public. There should be one in each direction, but I do not find that in the bill. Can you refer to a section where this is allowed to direct tourists so they will know where they can stop?"

Senator Hess:

"This act does not specify what should be the responsibility of the highway department to prepare this consistent with the federal act. You will find in the federal act that the State Highway Department may direct official placing of signs. The highway department will have signs saying there are facilities ahead, gas stations, etc. In addition to that there may be billboards every mile along the highway. In addition to that, there may be a limit on on-site signs. Wherever there is a motel, etc., there may be on-site signs.

"Then, for instance, as we approach a small or any size community, and we are traveling across the state, when a city wants to place a sign indicating that some city is ahead, they can do so and say what is available in the city. Then when the traveling public takes a turn off, then on that side-road there may be any number of separate signs advertising."

## POINT OF INQUIRY

Senator Greive:

"Will Senator Foster yield to a question?"

Senator Foster:

"Yes, I will."

Senator Greive:

"I would like to know how your amendment would affect the problem of the frequency of signs."

Senator Foster:

"I don't believe that this is going to affect frequency except on places where the right of way was acquired prior to the passage of the federal act."

Debate ensued.

Senator Gissberg moved that the amendment by Senator Foster be laid on the table.

Senator Hess demanded a roll call and the demand was sustained by Senators Connor, Donohue, Dore, Gissberg, Greive, Hanna, McCormack, Papajani and Washington.

The Secretary called the roll, and the amendment by Senator Foster was laid on the table by the following vote: Yeas, 25; nays, 24; absent or not voting, 0.

Those voting yea were: Senators Angevinc, Chytil, Cowen, Donohue, Dore, Freise, Gissberg, Hallauer, Hess, Keefe, Knoblauch, McCormack, McCutcheon, McMillan, Martin, Morgan, Neill, Nunamaker, Papajani, Petrich, Rasmussen, Ryder, Shannon, Washington, Woodall—25.

Those voting nay were: Senators Bailey, Bargreen, Connor, Cooney, DeGarmo, Durkan, Elway, Jr., Foley, Foster, Gallagher, Greive, Hanna, Happy, Henry, Herrmann, Hofmeister, Kupka, Lennart, Moriarty, Jr., Raugust, Riley, Sandison, Talley, Thompson, Jr.—24.

Senator Bargreen moved that the following amendment be adopted:

On page 7, add a new section 19 reading as follows: "This act will allow two attractive signs not larger than six feet high and fifteen feet in length for restaurant, hotel and motel facilities, in each direction of the highway."

President Cherberg in the Chair.

Senator Gissberg moved that the amendment by Senator Bargreen be laid on the table.

Senator Greive demanded a roll call, and the demand was sustained by Senators Bailey, Bargreen, Connor, Dore, Durkan, Hallauer, Herrmann, Hess and Morgan.

The President stated the question before the Senate to be that the amendment by Senator Bargreen be laid on the table.

The Secretary called the roll, and the amendment by Senator Bargreen was laid on the table by the following vote: Yeas, 26; nays, 23; absent or not voting, 0.

Those voting yea were: Senators Angevine, Chytil, Cowen, DeGarmo, Donohue, Dore, Foley, Freise, Gissberg, Hallauer, Hess, Hofmeister, Keefe, Knoblauch, McCormack, McCutcheon, McMillan, Morgan, Neill, Papajani, Petrich, Rasmussen, Ryder, Shannon, Washington, Woodall—26.

Those voting nay were: Senators Bailey, Bargreen, Connor, Cooney, Durkan, Elway, Jr., Foster, Gallagher, Greive, Hanna, Happy, Henry, Herr-

mann, Kupka, Lennart, Martin, Moriarty, Jr., Nunamaker, Raugust, Riley, Sandison, Talley, Thompson, Jr.—23.

Senator Washington moved that the rules be suspended, Substitute House Bill No. 198 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

Debate ensued.

#### POINT OF INQUIRY

Senator Kupka:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Kupka:

"If we pass this bill, would it mean that I can't put a 'no hunting' sign on my property?"

Senator Hess:

"There is no relation to that type of sign: 'for sale' signs, etc. are entirely different from this. This deals directly with advertising."

#### POINT OF INQUIRY

Senator Nunamaker:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Nunamaker:

"If I understand this bill right, it gives the highway commission the authority to regulate these outdoor signs."

Senator Washington:

"Certainly, Senator Nunamaker, it does within the framework of this particular bill, and also the attempt to secure the funds that are made available by the federal government on the Federal Interstate Commission, so that it will come within the provisions of the federal act in order that we will be able to secure the money allocated by Congress."

#### POINT OF INQUIRY

Senator Lennart:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Lennart:

"I am not as closely acquainted with the bill as you are, but does this bill guarantee due process of law to the owners who would be affected?"

Senator Washington:

"If it doesn't, and it is my opinion that it does, then I have always felt that it is the province of the court to determine whether something is constitutional or unconstitutional. The Legislature has passed many bills that the courts have held constitutional, and many bills have been passed that the courts have declared unconstitutional. When the press asks me about unconstitutionality, I refuse to accept the responsibility, because we can't function as attorneys while we are here. But if your worst fears are realized, what we do here will be of no affect. Personally, it is my opinion that it does not affect the constitutionality of the bill, but if it should be unconstitutional, then the courts shall so rule. But you still have the final determination

of the courts, and I feel that you can vote for this feeling that the courts will react according to due process of the law."

Senator Happy:

"Someone said that the bill would not become effective for three years or for a period of time necessary to decide whether all these angles can be worked out."

Senator Hess:

"The act would go into effect in normal course; however, the negative aspects of taking signs down would not take place for three years. In the meantime there would be a state study and if they determine the act is not workable in some instances, they can come back and enact new legislation; however, the act would prevent new signs from being erected. It seems to me that we would almost have a trial period for the next three years, and if it does not work out satisfactorily, we can change it."

#### POINT OF INQUIRY

Senator Woodall:

"Will Senator Kupka yield to a question?"

Senator Kupka:

"Yes, I will."

Senator Woodall:

"I don't know, now, would this encroach on the rights of Indians to make smoke signals?"

Senator Kupka:

"No, because that isn't put on billboards, you see. Indians, like some city people, do blow a lot of smoke, but in tepees, and that would not violate the laws."

The President stated the question before the Senate to be that Substitute House Bill No. 198 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

The motion carried.

The Secretary called the roll on the final passage of Substitute House Bill No. 198, and the bill passed the Senate by the following vote: Yeas, 41; nays, 8; absent or not voting, 0.

Those voting yea were: Senators Angevine, Bargreen, Chytil, Cowen, DeGarmo, Donohue, Dore, Durkan, Foley, Freise, Gallagher, Gissberg, Greive, Hallauer, Hanna, Happy, Henry, Hess, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Nunamaker, Papajani, Petrich, Rasmussen, Riley, Ryder, Shannon, Talley, Thompson, Jr., Washington, Woodall—41.

Those voting nay were: Senators Bailey, Connor, Cooney, Elway, Jr., Foster, Herrmann, Raugust, Sandison—8.

Substitute House Bill No. 198, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

On motion of Senator Woodall, Senators Freise and Gissberg were excused from under the Call of the Senate for ten minutes.

#### POINT OF INQUIRY

Senator Papajani:

"Mr. President, I thought we were under the Call of the Senate.

"I would like to know what Senator Cowen is doing in the gallery with my constituents?"

The President:

"You are correct, Senator Papajani.

"Will the Sergeant-at-Arms please escort Senator Cowen to the Senate Chamber."

**Engrossed House Bill No. 51**, by Representatives Brouillet, Canfield and Testu:

Relating to the use of school buses for extra-curricular school activities.

Senate Chamber,

Olympia, Wash., February 22, 1961.

MR. PRESIDENT:

We, a majority of your Committee on Education, to whom was referred Engrossed House Bill No. 51, relating to the use of school buses for extra-curricular school activities, have had the same under consideration, and we respectfully report the same back to the Senate with the recommendation that it do pass with the following amendment:

On page 2, section 1, subsection 11 of the Engrossed Bill, strike all of the underlined matter on line 20 through and including line 31, same being page 2, lines 22 through 31 of the printed bill, and insert the following: "*When commercial charter bus service is not reasonably available to a school district, the State Board of Education may authorize the use of school buses and drivers hired by the district for the transportation of school children and the school employees necessary for their supervision to and from any school activities within or without the school district during or after school hours and whether or not a required school activity, so long as the school board has officially designated it as a school activity. The school board shall charge for any extra-curricular uses an amount sufficient to reimburse the district for its cost incurred by reason of such use.*"

ANDY HESS, Chairman.

The bill was read the second time by sections.

Senator Hess moved that the committee amendment be adopted.

#### POINT OF INQUIRY

Senator Happy:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Happy:

"Isn't it true that different districts provide different costs. In other words, if one school district could provide a school bus for less than another, you would have to give some leeway."

Senator Hess:

"I think the answer to that is that each district would determine its own costs differently. It is not up to the state to determine costs, but whether or not this could be authorized."

Senator Ryder:

"Is it your interpretation of this amendment that any school district wanting to use the school buses would apply to the superintendent of schools and they would give them some blanket authority to do so, so that they would not have to apply for each use, but would be governed by the authority?"

Senator Hess:

"It would be my thinking that the school district would apply at the beginning of the year, asking for permission to use the school buses for certain types of activities for the school year, stating what charges they would make, etc., and if the school board found it acceptable, they would be governed by this."

Senator Martin:

"These charges made for the extra-curricular uses of the school buses, how would these funds be handled?"

Senator Hess:

"I would assume they would go into the general fund of the school district."

Senator Greive:

"What about the method of determining the availability of commercial transportation? Maybe that is something that should be spelled out. How would we determine when it is available, and when not available?"

Senator Hess:

"I would assume that if a public transportation system would be available to provide transportation they would notify the school board."

President Pro Tempore Al Henry in the Chair.

**POINT OF INQUIRY**

Senator Hess:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Hess:

"Under your amendment would this be a permissive matter with the judge in the case?"

Senator Greive:

"I seldom comment on one of these matters."

**POINT OF INQUIRY**

Senator Washington:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Washington:

"As I understand it, when a custody has been deprived and a custody has been turned over to the court, it is possible at a later time for a parent to apply again and have the custody restored. Isn't this correct?"

Senator Greive:

"You never can get that back out of the record."

Senator Herrmann:

"I just talked to Senate Greive in regard to a matter of divorce. It is imperative that one of the parents have the custody of the children. In juvenile cases, it is a matter as to whether the parents are proper and fit to have the custody of their own children. As you know, the judge determines the law and the jury determines the facts, and the factual situation here is turned over to a social worker. You may have the right facts, or you may have a lot of hearsay, and I think it is right that the parents have to have their own children, as there is no substitute for the natural love that parents have for their own children. If that is going to be determined where there is no divorce, I say that you are getting into factual situations that should be determined by a jury."

Senator Washington:

"Also, where a judge makes the determination, the parents can bring the same evidence before a judge that they can before a jury."

Senator Herrmann:

"The question is whether or not we are going to submit the facts to the judge, or whether we will submit the facts to a jury trial. How are you going to cross-examine one of the social worker's reports?"

Senator Washington:

"The social worker in such a matter, during the hearing on the custody matter, can be brought to court and cross-examined before the judge."

**POINT OF INQUIRY**

Senator Kupka:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Kupka:

"Should your amendment prevail, would you anticipate an abundance of cases that would occur under this, or would this be somewhat rare?"

Senator Greive:

"In my opinion, it would be rather rare. It is true that it would probably involve enough cases to present a little problem."

Senator Kupka:

"If this is one of the areas that will cost us some money and present a little trouble, I think it is our responsibility to provide that right."

Senator Bailey demanded the previous question, and the demand was sustained by Senators Herrmann and Nunamaker.

Senator Bailey demanded a roll call, and the demand was sustained by Senators Connor, DeGarmo, Dore, Durkan, Morgan, Moriarty, Riley and Washington.

The President stated the question before the Senate to be the adoption of the amendment by Senator Greive.

#### POINT OF INQUIRY

Senator Gissberg:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Gissberg:

"Why does it necessarily follow that in providing for a jury trial you are therefore amending the remnant of the law that requires the particular cases to be sealed. However, in the event of a jury trial, in these cases they should be sealed and not permitted open to the public?"

Senator Greive:

"As far as I am concerned, it is in the law. The law is very distinct. This is a complete act. It is the way the act was prepared and adopted by the Legislative Council."

Senator Greive demanded the previous question, and the demand was sustained by Senators McCutcheon and Hofmeister.

The President stated the question before the Senate to be, the motion by Senator Dore that the Senate do now reconsider the vote by which the amendment by Senator Greive was adopted.

On motion of Senator Woodall, the following amendment to the title was adopted:

#### MOTION

At 5:50 o'clock p. m., on motion of Senator Greive, the Senate recessed until 8:30 o'clock p. m.

---

**EVENING SESSION**

---

The President called the Senate to order at 8:30 o'clock p. m.

The Secretary called the roll and announced to the President that all the Senators were present.

**SECOND READING OF BILLS**

**Engrossed House Bill No. 51**, by Representatives Brouillet, Canfield and Testu:

Relating to the use of school buses for extra-curricular school activities.

Senator Hess moved that the pending committee amendment be adopted.

Senator Petrich moved that the following amendment to the committee amendment be adopted:

In section 1, line 15 of the amendment, strike the words "school board" and insert "State Board of Education"

Debate ensued.

Senator Cowen demanded the previous question, and the demand was sustained by Senators Petrich and Bailey.

The President stated the question before the Senate to be the adoption of the amendment by Senator Petrich to the committee amendment.

A division was requested, and the amendment by Senator Petrich was not adopted on a rising vote.

Senator Riley moved that the following amendment to the committee amendment be adopted:

In the last line of the committee amendment to section 1, after "its" and before "cost" insert "complete"

**POINT OF INQUIRY**

Senator Thompson:

"Will Senator Riley yield to a question?"

Senator Riley:

"Yes, Senator Thompson."

Senator Thompson:

"I think Senator Washington expressed that it is the intention of the amendment that the cost be borne by the particular school district. Now there are certain costs involved, such as the example you used. You are talking about oil and wear and tear and depreciation. Now, would it be your understanding in the purpose of the word, 'complete' that those costs are attributable to the use of the bus in this activity? My question is, would you want the cost actually determined by the extra trip, or would you want the pro rated cost of every expense involved in the use of the bus?"

Senator Riley:

"My purpose was to get into this measure some intent, some explanation of what we feel is the legislative intent to charge those school boards, and shall be in addition to what is conservatively and commonly referred to as costs; namely, gasoline, etc. But when you say 'complete costs', in my mind I want to make sure, and I thought I expressed it fairly clearly as a measuring stick. Thus, the school boards know what the cost per mile to drive the buses actually is. I want to know what the complete costs are if you use these buses for 25,000 miles of extra-curricular activities. That is 25,000 miles that will have to be retired from them—interest, insurance, wear and tear, gasoline, oil and tires."

The President stated the question before the Senate to be the adoption of the amendment by Senator Riley to the committee amendment.

The motion carried and the amendment by Senator Riley to the committee amendment was adopted.

The President stated the question before the Senate to be the adoption of the committee amendment, as amended.

The motion carried and the committee amendment, as amended, was adopted.

The bill was read the second time by sections.

On motion of Senator Hess, the rules were suspended, Engrossed House Bill No. 51, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

#### PRESIDENT'S PRIVILEGE

The President:

"Members of the Senate, Ladies and Gentlemen:

"A measure relating to education has just been enacted. The President believes that it is especially appropriate tonight to present to the Senate and ladies and gentlemen, a man who has contributed immeasurably in this field, Mr. A. G. Soneruud, who teaches a citizenship class at Stadium High School in Tacoma. With Mr. Soneruud is a group of people who have come to the United States to seek a better way of life, students in the American Citizenship class. The President believes that on occasion these fine people may have a better appreciation of our fine way of government than ourselves. In order that we may show our approval and appreciation in their interest in our foundation of good government, let us welcome our visitors. Would this group please stand, along with Senator Kupka?"

(Applause.)

The President:

"Also present in the south gallery is a group of executives and employees from St. Regis Paper Company of Tacoma, Washington. Would Senators Kupka, Petrich, McCutcheon, Rasmussen and Knoblauch please stand. Thank you."

(Applause.)

**Engrossed House Bill No. 365**, by Representatives Day, Wang and Edwards: Relating to firemen's pensions.

The bill was read the second time by sections.

Senator Angevine moved that the following amendment be adopted:

In section 8, page 9, line 2 of the engrossed bill, same being page 9, lines 26 and

27 of the printed bill, after "(2)" strike "[forty-five] *seventy-five*" and insert "forty-five"; also on line 6 of the engrossed bill, being lines 30 and 31 of the printed bill, after "The" strike "[forty-five] *seventy-five*" and insert "forty-five"

**POINT OF INQUIRY**

Senator Riley:

"Will Senator Angevine yield to a question?"

Senator Angevine:

"Yes, I will."

Senator Riley:

"I didn't get my book at the right page fast enough, but does your amendment, by striking the word 'seventy-five' and putting in the word, 'forty-five' in lieu thereof, now place the bill back in the same position as the provisions were prior to the other amendment?"

Senator Angevine:

"Yes."

Senator Bailey:

"If we adopt your amendment, Senator Angevine, does that mean that the cities will then have to levy sixteen mills to pay for this burden?"

Senator Angevine:

"Not necessarily. This amendment doesn't have to do with financing."

Senator Bailey:

"I am worried about the millage for our little junior districts. This will hurt some of our hospital districts and our library districts."

Senator Angevine:

"Not necessarily at all, Senator. You will find that most of the present fire protection districts or cities are already levying the sixteen mills, or their fund is in such a condition financially as not to need any further millage."

**POINT OF INQUIRY**

Senator Freise:

"Will Senator Angevine yield to a question?"

Senator Angevine:

"Yes, I will."

Senator Freise:

"I understand that before your amendment, our city of Walla Walla would have to raise its millage one mill to pay this additional bill. Now, if the fire insurance fund is relieved of any burden of contributing, are we going to have to levy more than one mill?"

Senator Angevine:

"The original intent of providing further funds from the fire insurance tax to the other fire protection programs was to enable the cities to have a further resource. I cannot say exactly what effect this would have on the city of Walla Walla. It would not be necessary to raise additional money through additional levies. The purpose of that inclusion in the bill is to leave the millage out in the event that in the future time the fund is not such as to require the levy of the additional mill by the cities."

Senator Freise:

"Have you had the opportunity to discuss this bill with the lobbyists from the cities, such as Mr. Biesen, to determine what their attitude is and whether there actually is a burden?"

Senator Angevine:

"I have discussed this bill with the proponents. I did not see fit to discuss it with

anyone else. The bill was discussed with the Association of Washington Cities. The bill passed the House by a substantial margin.

"I have not at any time been contacted by a representative of the Association of Washington Cities with regard to any aspect of this bill. The only people who have contacted me about this bill are the firemen and their representatives. I therefore assume that if this bill would have any detrimental effect on the cities, the representatives, being cautious as they are, would have contacted me. I have never been contacted at any time by anyone that offered any opposition by any of the cities."

Debate ensued.

#### POINT OF INQUIRY

Senator Moriarty:

"Will Senator Angevine yield to a question?"

Senator Angevine:

"Yes, I will."

Senator Moriarty:

"In section 9, page 10 of the bill, it states that it shall be the duty of each of the cities and towns to levy a tax of two mills. In the past, it has been only one mill. Would you please explain that?"

Senator Angevine:

"I will be happy to, Senator Moriarty. This is the exact point I spoke on before. The bill also makes it mandatory to levy from the taxes, what presently is one mill, and this bill will make it two mills."

Senator Moriarty:

"What is going to be the financial impact of this bill? Someone will have to pick up the tab. My first interest was in deference to the state, but the cities funds are just as important to them as ours are to us. This is why I felt that the amendment needs study."

The President stated the question to be the adoption of the amendment proposed by Senator Angevine.

The motion carried, and the amendment was adopted.

#### MOTION

Senator Gissberg:

"Yes, I will."

Senator Washington:

"Does this make valid, claims which would be invalid, if we did not attach this amendment?"

Senator Gissberg:

"If this bill passes it only becomes active ninety days after the session adjourns, so obviously, it only takes effect on claims which arose after the effective date of this act. My proposed amendment would make effective claims which had arisen for the past three years."

Senator Washington:

"If this did not pass, would it mean that there are some potential claims now existing which could not be paid?"

"Yes."

"Of course, you have no idea how many claims might be pending?"

"My first question is, who declares the emergency? Would that be by the President of the United States?"

"The resolution says an actual enemy attack which as I interpret it would be an attack on the United States."

Senator Rasmussen:

"That's my question. If they were to act in some other world conflict or not, whether or not we would want the constitution of the state disregarded if there were war in the Congo, or something like that?"

Senator Herrmann:

"I think that point should be clarified and there should be an amendment written to denote sections and the sections set out specifically. Take a little time, and I would suggest that this bill be held over to be considered immediately prior to the last bill at the end of the calendar."

"What does this do to the smaller cities? Under the present law they can levy seven to sixteen mills, and there are only about three cities in the state of Washington using the sixteen mill levy."

Senator Hallauer:

"This law will force most of the little districts to use the sixteen mill levy. It is true it is on the books at this time, but to force them into using it will not help the little cities at all. They might have a little money but they need to have some in reserve.

"I think before we vote on a bill like this, it is better to hold it in abeyance than to vote hastily on something where we don't know what we are doing."

Senator Gissberg moved that Engrossed House Bill No. 365, as amended by the Senate, hold its place on the third reading calendar for tomorrow.

## POINT OF INQUIRY

Senator Hess:

"Will Senator Hallauer yield to a question?"

Senator Hallauer:

"Yes, I will."

Senator Hess:

"If action were deferred on this until tomorrow, would it be possible for the Committee on Ways and Means to obtain advice from the Tax Commission regarding the possibility of raising the tax sufficiently to cover not only the cost of this program, but the entire cost of the firemen's program?"

Senator Hallauer:

"I think this could be done."

Senator Hess:

"If we did make such a deferral, and I made this request of the Committee, would you do your best to see that this information was obtained?"

Senator Hallauer:

"Certainly, Senator Hess."

Senator Greive demanded the previous question, and the demand was sustained by Senators Morgan and McCutcheon.

The President stated the question before the Senate to be, shall the main question be now put.

The motion carried.

If Senator Petrich will withdraw his motion, I will be very happy to make a motion to hold this over until tomorrow, because I think we should certainly look this over a little more."

Senator Neill:

"Under our rules there is certainly a rule. If the House does enlarge the scope and object of the bill, then under the Senate rules it must go to the committee from which it came."

I would like the courtesy of an explanation of what the House amendments are, so we would know how to vote. I would like that courtesy of Senator Henry."

Senator Henry:

"If Senator Dore's motion is tabled, then a motion not to concur is in order, and at that time it can be fully debated."

"Mr. President, it is my understanding that there is a special order of business before the Senate concerning Engrossed Senate Bill No. 414 and the House amendments thereto."

The President stated the Senate would be at ease subject to the call of the Chair.

#### SPECIAL ORDER OF BUSINESS

The time having arrived, the President stated the special order of business to be further consideration of Engrossed Senate Bill No. 414, and the House amendments thereto, and the Ruling of the President on the point of order presented by Senator Petrich.

#### RULING OF THE PRESIDENT

The President's ruling on the point of order presented by Senator Petrich:

Engrossed Senate Bill No. 414 provides that in foreclosures of mortgages insured by the Federal Housing Administration where the court found the mortgage property had been abandoned, there would be no right of redemption.

However, the amendment as proposed by the House Judiciary Committee provides that the right of redemption shall be limited in *all* cases of execution upon improved real property.

Certainly the scope of the original bill did not include this area, and to permit an amendment to change the scope so drastically would violate not only the letter but also the spirit of Senate Rule 62.

Therefore the point of order is well taken, and in compliance with the second paragraph of Senate Rule 62, Engrossed Senate Bill No. 414, together with the House amendments thereto, will be referred to the Judiciary Committee.

Engrossed Senate Bill No. 414 and the House amendments thereto was referred to the Judiciary Committee.

The motion carried.

Senator Petrich moved that Engrossed House Bill No. 261 be placed on the second reading calendar for tonight.

Senator Greive moved that Senator Petrich's motion be laid on the table.

**PERSONAL PRIVILEGE**

Senator Petrich:

"Speaking on a point of personal privilege, I think this is a planned attempt to take advantage of one of the members of this body who happens to be off the floor at this time. I think it is not fair to consider the other members of the Senate who we know have an interest in this bill, and I think that the gentleman who has raised the motion at this time is not being fair and is taking advantage of the people off the floor."

The motion carried, and the motion by Senator Petrich, that Engrossed House Bill No. 261 be placed on the second reading calendar for tonight, was tabled.

On motion of Senator Greive, Engrossed House Bill No. 261 was ordered placed at the end of the second reading calendar for tomorrow.

The President stated the question before the Senate to be the motion by Senator Martin that the Senate do concur in the House amendment to section 1, lines 9 and 10 of Engrossed Senate Bill No. 25, and that the Senate do not concur in the amendment to section 3, line 21 of the bill and asks the House to recede therefrom.

#### POINT OF INQUIRY

Senator Ryder:

"Will Senator Henry yield to a question?"

Senator Henry:

"Yes, I will yield."

Senator Ryder:

"You stated that Senator Hallauer advised that the industrial insurance bill would not increase the budget. Do we have funds provided in the budget for that purpose?"

Senator Henry:

"You evidently did not get your communication, or open your mail, Senator. In the last biennium the appropriation made was approximately \$8,000,000 for this biennium. It comes out of the general fund budget, as I understand. The impact this next biennium for this particular bill will be about two and one-half million dollars from the general fund."

#### POINT OF INQUIRY

Senator Moriarty:

"Will Senator Hallauer yield to a question?"

Senator Hallauer:

"Yes, I will."

Senator Moriarty:

"While you were off the floor a motion was made to refer this matter to the Ways and Means Committee."

Senator Hallauer:

"My emotions are certainly mixed. I understand the bill was agreed upon in the House by the labor and industry group. I have not been on the committee in the Senate in regard to this matter. I do understand the impact of two and one-half million dollars on the general fund. Probably it is best for this to follow the normal procedure. If it went to my committee I am afraid its chances for survival would be slight."

The Secretary called the roll on the final passage of Engrossed House Bill No. 111, and the bill passed the Senate by the following vote: Yeas, 41; nays, 4; absent or not voting, 4.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Elway, Jr., Foley, Freise, Gallagher, Gissberg, Greive, Hallauer, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Papajani, Petrich, Rasmussen, Riley, Ryder, Sandison, Talley, Thompson, Jr., Washington, Woodall—41.

Those voting nay were: Senators Foster, Lennart, Nunamaker, Raugust—4.

Those absent or not voting were: Senators Dore, Durkan, Happy, Shannon—4.

Engrossed House Bill No. 111, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

Directing legislative council to study timber evaluation and taxation problems.

The resolution was read the second time in full.

On motion of Senator Petrich, the rules were suspended, Engrossed House Concurrent Resolution No. 10 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

The Secretary called the roll on the final passage of Engrossed House Concurrent Resolution No. 10, and the resolution passed the Senate by the following vote: Yeas, 43; nays, 0; absent or not voting, 6.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Elway, Jr., Foley, Foster, Freise, Gallagher, Gissberg, Greive, Hallauer, Hanna, Henry, Herrmann, Hofmeister, Knoblauch, Kupka, Lennart, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Washington, Woodall—43.

The bill was read the second time by sections.

On motion of Senator Thompson, the rules were suspended, Engrossed House Bill No. 515 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

#### POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Thompson yield to a question?"

Senator Thompson:

"Yes, I will yield."

Senator Rasmussen:

"I have reservations about this legislation. Maybe you can clear it up. On page 1 of House Bill No. 515, the practice of professional nursing means the performance of any act in the observation, care and counsel of the ill, injured or infirmed. If my mother should happen to fall and break her hip and she was in the hospital and I brought her home and hired my neighbor to come over, I would give her some compensation for the observation and care of my injured mother. As I read this law, she would be in violation of the act for caring for and nursing my mother."

Senator Thompson:

"At present with a permissive license, anyone can practice nursing as long as they don't claim the title of registered nurse. So if your neighbor came over and you knew

she was not a registered nurse and she made no attempt to represent herself as a registered nurse, she would not be in violation of the law."

Senator Rasmussen:

"As I read on page 2 of the old law, line 12: 'this chapter shall not be construed as prohibiting the nursing care of the sick, without compensation.' As I read this law, and this was the particular objection I had to it, I was informed that it would be possible for me to do that, but I don't see that I can. This neighbor that I hired to help my mother would be in violation of the law."

Senator Thompson:

"On page 2, line 16: 'this chapter shall not be construed as prohibiting the practice of practical nursing by any practical nurse, with or without compensation in either homes or hospitals.' Anyone can call herself a practical nurse, but if she calls herself a licensed practical nurse, she would be in violation of the law. The law deals only with licensed practical nurses and registered nurses."

Senator Rasmussen:

"No, it is my understanding that in order to hold yourself up to be a practical nurse, you have to be licensed.

Senator Thompson:

"You do, if you hold yourself up to be a licensed practical nurse, but there is no law at the present time to have to be licensed to call yourself a practical nurse."

Extensive debate ensued.

The Secretary called the roll on the final passage of Engrossed House Bill No. 515, and the bill passed the Senate by the following vote: Yeas, 44; nays, 0; absent or not voting, 5.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Elway, Jr., Foster, Freise, Gallagher, Gissberg, Greive, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Nunamaker, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Washington—44.

Those absent or not voting were: Senators Durkan, Foley, Hallauer, Happy, Woodall—5.

Engrossed House Bill No. 515, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

Senator McCutcheon:

"Will Senator McCormack yield to a question?"

Senator McCormack:

"I will yield, Senator."

Senator McCutcheon:

"Is Senate Bill No. 384 a companion measure to Senate Joint Resolution No. 25?"

Senator McCormack:

"Senate Bill No. 384 will have no effect unless the constitutional measure is carried."

Senator McCutcheon:

"Then we will have a law with the same wording as the proposed constitutional amendment?"

Senator McCormack:

"Senate Bill No. 384 would apply. The word 'notice' is not removed by the amendment."

Senator McCutcheon:

"Under Senate Joint Resolution No. 25, the legislature would have the power?"

Senator McCormack:

"That is correct."

Senator Greive demanded the previous question, and the demand was sustained by Senators Hofmeister and McCormack.

The President stated the question before the Senate to be that the Senate do concur in the House amendment to Senate Joint Resolution No. 25.

The motion lost, and the Senate did not concur in the House amendment to Senate Joint Resolution No. 25 and asked the House to recede therefrom.

**PERSONAL PRIVILEGE**

Senator Chytil:

"I am sorry that Senator Greive saw fit to cut me off in debate. I wanted to say one final word on this particular point that it is not a battle between radio, TV and/or any other media and not what Senator Greive brought out about the printed word. You learn to walk long before you learn to read. All I wanted was to spell it out so the Legislature would know how they wanted to take care of it."

**SECOND READING OF BILLS**

**Engrossed House Bill No. 55**, by Representatives Shropshire and Marsh:

Changing procedure of appointing superior court judges upon claim of prejudice.

The bill was read the second time by sections.

#### POINT OF INQUIRY

Senator Talley:

"Will Senator Riley yield to a question?"

Senator Riley:

"I will yield, Senator."

Senator Talley:

"Do you think twenty days is sufficient time?"

Senator Riley:

"To answer your question, Senator Talley, I checked a number that I would want, I probably would say thirty days. I wanted to compromise."

Senator Talley:

"Would you be adverse to amending it to thirty days?"

Senator Riley:

"No, Senator Talley, I would be glad to amend it to thirty days."

#### POINT OF INQUIRY

Senator Raugust:

"Will Senator Riley yield to a question?"

Senator Riley:

"Yes, I will."

Senator Raugust:

"Why do you want to extend the days?"

Senator Riley:

"Because those people who have the occasion to use this instrument insist it is an impossibility to get this out in ten days. Keep in mind that ten days to me is ten calendar days. The people only work about five days a week."

Senator Raugust:

"Now if this contract were made up on one day, and another contract was given the next day, and if you didn't file your contract for twenty days, and the other contract taken later was filed earlier, or immediately, there is no use in putting the twenty days on because if the other lien had preference, we would assume that we were right and it would be no good."

The motion carried, and the amendment was adopted.

"O God of truth, whom science seeks and reverent souls adore, Who lightest every earnest mind of every clime and shore; dispel the gloom of error's night, of ignorance and fear, until true wisdom from above shall make life's pathway clear!

"As we open the windows of our souls to Thee shine into our lives with that light divine that shall illumine mind, and make our pathway clear.

**Engrossed House Bill No. 458**, by Representatives Wedekind, Hawley and Bernethy:

Relating to state employees' retirement system.

Senate Chamber,  
Olympia, Wash., March 4, 1961.

MR. PRESIDENT:

We, a majority of your Committee on Ways and Means, to whom was referred Engrossed House Bill No. 458, relating to state employees' retirement system, have had the same under consideration, and we respectfully report the same back to the Senate with the recommendation that it do pass with the following amendments:

In section 5, subsection (1), page 8, line 30, after "full power" and before "to authorize", strike "to invest or"

In section 5, subsection (1), page 8, lines 31 and 32, after "directly by" and before "guaranteed", strike "or insured by or [fully]", and insert "or fully"

On page 15, following section 10 add two sections to read as follows:

Sec. 11. Section 4, chapter 231, Laws of 1957 and RCW 41.40.361 are each amended to read as follows:

(1) For the purpose of this section, the "fundable employer liability" at any date shall be the present value of

(a) all future pension benefits payable in respect of all members in the retirement system at that date, and

(b) all future benefits in respect of beneficiaries then receiving retirement allowances or pensions.

(2) The contributions by the employer for benefits under the retirement system shall consist of the sum of a percentage of the compensation of members to be known as the "normal contribution", a percentage of such compensation to be known as the "unfunded liability contribution" and in the case of employers admitted to the retirement system after April 1, 1949, a percentage of such compensation to be known as the "additional contribution". The rates of such contributions shall be determined by the retirement board on the basis of assets and liabilities as shown by actuarial valuation: *PROVIDED, That as to state employers the total combined contributions of the normal contribution and unfunded liability contribution shall not exceed a total combined percentage rate of six percent for each employer unless authorized by the legislature.*

(3) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the normal contribution rate and such contribution rate shall become effective in the ensuing biennium. Until the unfunded liability contribution shall have been discontinued, such normal contribution rate shall be computed to be sufficient, when applied to the present value of the future compensation of the average new member entering the system, to provide for the payment of all respective pension benefits in respect of such member. After the unfunded liability contributions have been discontinued, such normal contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members of the retirement system at the date of such valuation which is equivalent to the excess of the fundable employer liability over the amount of funds currently standing to the credit of the benefit account fund.

(4) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the unfunded liability contribution, and such rate shall become effective in the ensuing biennium. The unfunded liability contribution rate shall not be less than that percentage of annual compensation of all members in the retirement system at the date of such subsequent valuation which is equivalent to four percent of the unfunded liability of the system. The unfunded liability shall be determined at such date as the excess of the fundable employer liability over the sum of the present value of the future normal contributions payable in respect of all members in the retirement system at that date, and the amount of all funds currently standing to the credit of the benefit account fund. The unfunded liability contributions shall continue until there remains no unfunded liability.

(5) Any employer admitted to the retirement system after April 1, 1949, shall make an additional contribution at a rate equal to not less than twenty-five percent of the sum of the normal contribution rate and the unfunded liability contribution rate until such time as the sum of such additional contributions equals the amount of contributions which such employer would have been required to contribute between April 1, 1949, and the date of such employer's admission to the retirement system: *Provided*, All additional contributions hereunder and under the provisions of RCW 41.40.160(2) must be completed within ten years from date of the employer's admission.

Sec. 12. Section 38, chapter 274, Laws of 1947, as amended by section 26, chapter 240, Laws of 1949, and RCW 41.40.370 are each amended to read as follows:

(1) The retirement board shall ascertain and report to each employer the amount it shall provide for pension benefits for the ensuing biennium or fiscal year whichever is applicable to the said employer's operations. The amount to be so provided shall be computed by applying the rates of contribution as established by RCW [41.40.360] 41.40.361 to an estimate of the total compensation earnable of all the said employer's members during the period for which provision is to be made.

(2) Beginning April 1, 1949, the amount to be collected as the employer's contribution for pension benefits shall be computed by applying the rates established by RCW [41.40.360] 41.40.361 to the total compensation earnable of employer's members as shown on the current payrolls of the said employer. The retirement board shall bill each said employer at the end of each month for the amount due for that month and the same shall be paid as are its other obligations: *Provided*, That the retirement board may, at its discretion, establish a system of billing based upon calendar year quarters in which event the said billing shall be at the end of each such quarter and shall be based upon the employer's payrolls for that quarter.

Renumber the remaining sections consecutively.

In line 18 of the title after "41.40.290;" and before "amending" insert "amending section 4, chapter 231, Laws of 1957 and RCW 41.40.361; amending section 38, chapter 274, Laws of 1947, as amended by section 26, chapter 240, Laws of 1949, and RCW 41.40.370;"

"Yes, I will."

Senator Moriarty:

"Would you explain to the body, and to me in particular, just how this bill would reduce the number of votes required to meet the demands of the education group?"

Senator Hess:

"If this bill passes, Senator Moriarty, and the regular school elections are held in January of the odd numbered years, then all special levy elections held subsequent thereto would have the previous January election as the reference point for the forty percent voter turn-out requirement."

#### POINT OF INQUIRY

Senator Petrich:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Petrich:

"I have no quarrel at all with the right to suspend for breaking the rules. I have a little concern with what they mean by violating the rules with reference to scholarship. Does that mean that a student not able to keep up standards through no fault of his own would be subject to being expelled from school?"

Senator Hess:

"It would mean if a pupil refused to comply diligently with reasonable rules he would be subject to expulsion.

"They are encountered with the fact that it is questionable whether they have a legal right to expel children when they refuse to attempt to study at all. The attorney advised the school board of a question in the legality of the right to expel students under such circumstances. It seems it is a right to go to school, but under such circumstances, something should be done about it."

On or after January 1, [1962] 1964, all vehicles as defined in RCW 46.04.670, except motor trucks, truck tractors, trailers, semitrailers, motor buses and bus trailers, taxicabs, motor bicycles, motorcycles, electric vehicles, armored cars, wreckers, tow cars, dealer vehicles, and vehicles owned by the state or political subdivisions thereof, the United States and branches thereof, and consuls of foreign countries, shall be registered for a period of twelve consecutive calendar months. There are established twelve registration periods, each of which shall start on the first day of each calendar month of the year and shall end on the last day of the twelfth month from date of beginning. The period beginning January 1st shall be designated the first period, and the subsequent periods shall be numbered consecutively thereafter.

Sec. 2. Section 46.16.410, chapter 12, Laws of 1961 and RCW 46.16.410 are each amended to read as follows:

All motor vehicles, other than those exempted by RCW 46.16.400, which are operated for the first time on or after January 1, [1962] 1964 upon the public highways of this state, shall be subject to registration and payment of fee for the twelve-month period commencing with the first day of the month of operation.

Sec. 3. Section 46.16.420, chapter 12, Laws of 1961 and RCW 46.16.420 are each amended to read as follows:

In order to allow an orderly change over from the system of calendar year registration to the staggered registration system, the director of licenses may register such motor vehicles as are defined in RCW 46.16.400 for less than a twelve-month period. This may be done at any time or times during the ten-year period beginning January 1, [1962] 1964 when the director of licenses determines that such fractional registration tends to fulfill the purpose of the staggered registration system. For such fractional registration periods the registration fee shall be computed and imposed on the basis of the ratio that such fractional registration periods bear to a full twelve months registration period. The director of licenses shall prescribe reasonable rules to govern such fractional registration. The allocation of motor vehicles to said new monthly intervals by this fractional registration shall be such as will result, in the judgment of the director, in a uniform distribution of the clerical work of registration throughout the year.

Sec. 5. Section 46.16.440, chapter 12, Laws of 1961 and RCW 46.16.440 are each amended to read as follows:

On and after January 1, [1962] 1964 the director is empowered and authorized to make and execute all administrative regulations necessary to accomplish an enforcement of the provisions of RCW 46.16.220, 46.16.230, 46.16.400 through 46.16.440 and 82.44.020.

WHEREAS, The need for agricultural laborers has for some years increased and now exceeds the supply available from the use of permanent residents of the state; and

WHEREAS, The attraction of migrant workers to the state has thus become essential to the continuation of present trends in our agricultural industry; and

WHEREAS, The production and processing of these crops contributes significantly to our state's total economy in the amount of many millions of dollars, and involves even larger investments in land, buildings and equipment; and

WHEREAS, It is essential to the prosperity and continued growth of our agricultural industry that adequate information be gathered and plans made with regard to the problem of assuring the industry an adequate and dependable supply of labor; and

WHEREAS, The health, welfare, productivity, income, education, recreation, community acceptance and general well-being of migrant workers bears a direct relationship to our ability to attract them here for work in our agricultural industry; and

WHEREAS, These considerations are also of interest to the people of the state from the standpoint of their influence upon the health, welfare, productivity, income, education, recreation, community relations and general well-being of the permanent resident of the state; and

WHEREAS, There is at present inadequate information gathered by impartial and objective means on these subjects;

*Now, Therefore, Be It Resolved*, by the Senate of the state of Washington that the Legislative Council create a subcommittee concerned with problems of migratory agricultural workers in the State of Washington;

#### MOTIONS

On motion of Senator Grieve, the rules were suspended, and the Senate did not resolve itself into the Committee of the Whole for the purpose of considering Engrossed House Bill No. 519.

On motion of Senator Foley, the amendment by the Committee on Social Security was adopted.

On motion of Senator Foley, the amendments by the Committee on Ways and Means were adopted.

Senator Bargreen moved that the following amendment be adopted:

Insert a new section following section 1 reading as follows:

Sec. 2. The director of the state department of public assistance may implement the provisions of section one of this act through existing wholesalers and retailers: *Provided*, That the cost of handling such surplus commodities is no greater than the cost of doing business, not exceeding six percent of the wholesaler's cost for the wholesaler and not exceeding ten and one-half percent of the wholesale price for the retailer to be determined pursuant to regulations promulgated by the director and using the wholesale price of such commodities shown by the San Francisco index of food products. The cost of doing business includes but is not limited to the cost of labor, the cost of trucking, administrative expenses and the cost of rental of warehouse or retail store space devoted to such surplus commodities. The director is authorized to enter into contracts with wholesalers, retailers or any combination thereof to carry out the provisions of this act and each such contract shall be cancellable on ten day's notice by the director.

Re-number remaining sections consecutively.

#### POINT OF INQUIRY

Senator Ryder:

"Will Senator Bargreen yield to a question?"

Senator Bargreen:

"Yes, I will."

Senator Ryder:

"I notice you have in your amendment that there is a handling charge of six percent of the wholesale price of food. As I remember, the director estimated it would cost about four percent under the plan which the department processes here, and the appropriation for the distribution is based approximately on that provision. How do you feel the director would handle this if he had to go over the four percent?"

Senator Bargreen:

"In answer, I included in my amendment that the cost could not go over six percent, and the figure is one that was arrived at by the distributors in this area. It is estimated that the cost is six percent. It might be that in this case the state can do it for four percent. They certainly shouldn't pay any more than four percent if they can, but in no way should it be higher than six percent, so there will be no profit made on this type of arrangement.

"The average markup is twenty-one percent in this type of a store, but the cost of doing business is ten and one-half percent, which would be a total of sixteen and one-half percent. It would cover both the wholesale and the retail because the state would be in the business."

Senator Ryder:

"Then you feel that the four percent figure by Mr. Hodde is too low, and that distribution cannot be made for that price. This is giving them an out on which they can dispute the account and use their own equipment?"

Senator Bargreen:

"Indeed not. I think the state should handle it if they can do this. That is certainly to their advantage. In my own mind, I feel that it would cost the state more to do this than the people who are already established in this business. If the state feels that it will cost more than they can have it done for, the important thing is the cost of doing business. They can make no profit whatsoever. It will be an accommodation to the state if they decide to go into this business. This gives a vehicle for the state to use if they so desire."

Debate ensued.

Senator DeGarmo moved that the amendment proposed by Senator Bargreen be laid on the table.

The motion carried, and the amendment was laid on the table.

The bill was read the second time by sections.

On motion of Senator Foley, the rules were suspended, Engrossed House Bill No. 519, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Secretary called the roll on the final passage of Engrossed House Bill No. 519, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 39; nays, 7; absent or not voting, 3.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Durkan, Elway, Jr., Foley, Freise, Gallagher, Gissberg, Greive, Hallauer, Hanna, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCormack, McCutcheon, McMillan, Martin, Morgan, Nunamaker, Papajani, Petrich, Rasmussen, Riley, Sandison, Talley, Thompson, Jr., Washington—39.

Those voting nay were: Senators Chytil, Moriarty, Jr., Neill, Raugust, Ryder, Shannon, Woodall—7.

The Secretary read:

**MESSAGE FROM THE HOUSE**  
**HOUSE AMENDMENT TO SENATE BILL**

Olympia, Wash., March 9, 1961.

MR. PRESIDENT:

The House has passed: Engrossed Senate Bill No. 55 with the following amendment:

Beginning on page 2, line 9 of the engrossed bill, being page 2, line 11 of the printed bill, strike the balance of the bill and substitute the following:

**NEW SECTION.** Sec. 6. It shall be unlawful for any corporation to acquire, directly or indirectly, the whole or any part of the stock or assets of another corporation where the effect of such acquisition may be to substantially lessen competition or tend to create a monopoly in any line of commerce.

This section shall not apply to corporations purchasing such stock solely for investment and not using the same by voting or otherwise to bring about, or in attempting to bring about, the substantial lessening of competition. Nor shall anything contained in this section prevent a corporation from causing the formation of subsidiary corporations for the actual carrying on of their immediate lawful business, or the natural and legitimate branches or extensions thereof, or from owning and holding all or a part of the stock of such subsidiary corporations, when the effect of such formation is not to substantially lessen competition.

In addition to any other remedy provided by this act, the superior court may order any corporation to divest itself of the stock or assets held contrary to this section, in the manner and within the time fixed by said order.

**NEW SECTION.** Sec. 7. The labor of a human being is not a commodity or article of commerce. Nothing contained in this act shall be construed to forbid the existence and operation of labor, agricultural, or horticultural organizations, instituted for the purposes of mutual help, and not having capital stock or conducted for profit, or to forbid or restrain individual members of such organizations from lawfully carrying out the legitimate objects thereof.

**NEW SECTION.** Sec. 8. The attorney general may bring an action in the name of the state against any person to restrain and prevent the doing of any act herein prohibited or declared to be unlawful.

**NEW SECTION.** Sec. 9. Any person who is injured in his business or property by a violation of sections 3, 4, 5, or 6 of this act, or any person so injured because he refuses to accede to a proposal for an arrangement which, if consummated, would be in violation of sections 3, 4, 5, or 6 of this act, may bring a civil action in the superior court to enjoin further violations, to recover the actual damages sustained by him together with the costs of the suit, including a reasonable attorney's fee, and the court may in its discretion, increase the award of damages to an amount not to exceed three times the actual damages sustained. For the purpose of this section "person" shall include the counties, municipalities, and all political subdivisions of this state.

Whenever the state of Washington is injured by reason of a violation of sections 3, 4, 5, or 6 of this act, it may sue therefor in the superior court to recover the actual damages sustained by it and to recover the costs of the suit including a reasonable attorney's fee.

**NEW SECTION.** Sec. 10. In the enforcement of this act, the attorney general may accept an assurance of discontinuance of any act or practice deemed in violation of this act, from any person engaging in, or who has engaged in, such act or practice. Any such assurance shall be in writing and be filed with and subject to the approval of the superior court of the county in which the alleged violator resides or has his principal place of business, or in Thurston County.

Such assurance of discontinuance shall not be considered an admission of a violation for any purpose.

**NEW SECTION.** Sec. 11. (1) Whenever the attorney general believes that any person may be in possession, custody, or control of any original or copy of any book, record, report, memorandum, paper, communication, tabulation, map, chart, photograph, mechanical transcription, or other tangible document or recording, wherever situated, which he believes to be relevant to the subject matter of an investigation of a possible violation of sections 3, 4, 5, or 6 of this act, he may, prior to the institution of a civil proceeding thereon, execute in writing and cause to be served upon such a person, a civil investigative demand requiring such person to produce such documentary material and permit inspection and copying: *Provided*, That this section shall not be applicable to criminal prosecutions.

(2) Each such demand shall:

(a) State the statute and section or sections thereof, the alleged violation of which is under investigation, and the general subject matter of the investigation;

(b) Describe the class or classes of documentary material to be produced thereunder with reasonable specificity so as fairly to indicate the material demanded;

(c) Prescribe a return date within which the documentary material is to be produced; and

(d) Identify the members of the attorney general's staff to whom such documentary material is to be made available for inspection and copying.

(3) No such demand shall:

(a) Contain any requirement which would be unreasonable or improper if contained in a subpoena duces tecum issued by a court of this state; or

(b) Require the disclosure of any documentary material which would be privileged, or which for any other reason would not be required by a subpoena duces tecum issued by a court of this state.

(4) Service of any such demand may be made by:

(a) Delivering a duly executed copy thereof to the person to be served, or, if such person is not a natural person, to any officer of the person to be served; or

(b) Delivering a duly executed copy thereof to the principal place of business in this state of the person to be served; or

(c) Mailing by registered or certified mail a duly executed copy thereof addressed to the person to be served at the principal place of business in this state, or, if said person has no place of business in this state, to his principal office or place of business.

(5) Documentary material demanded pursuant to the provisions of this section shall be produced for inspection and copying during normal business hours at the principal office or place of business of the person served, or at such other times and places as may be agreed upon by the person served and the attorney general.

(6) No documentary material produced pursuant to a demand, or copies thereof, shall, unless otherwise ordered by a superior court for good cause shown, be produced for inspection or copying by, nor shall the contents thereof be disclosed to, other than an authorized employee of the attorney general, without the consent of the person who produced such material: *Provided*, That, under such reasonable terms and conditions as the attorney general shall prescribe, the copies of such documentary material shall be available for inspection and copying by the person who produced such material or any duly authorized representative of such person. The attorney general or any assistant attorney general may use such copies of documentary material as he determines necessary in the enforcement of this act, including presentation before any court: *Provided*, That any such material which contains trade secrets shall not be presented except with the approval of the court in which action is pending after adequate notice to the person furnishing such material.

(7) At any time before the return date specified in the demand, or within twenty days after the demand has been served, whichever period is shorter, a petition to extend the return date for, or to modify or set aside a demand issued pursuant to subsection (1), stating good cause, may be filed in the superior court for Thurston County, or in such other county where the parties reside. A petition, by the person on whom the demand is served, stating good cause, to require the attorney general or any person to perform any duty imposed by the provisions of this section, and all other petitions in connection with a demand, may be filed in the superior court for Thurston County, or in the county where the parties reside.

(8) A person upon whom a demand is served pursuant to the provisions of this section shall comply with the terms thereof unless otherwise provided by order of court issued under subsection (7) hereof. Any person who, with intent to avoid, evade, or prevent compliance, in whole or in part, with any civil investigative demand under this section, removes from any place, conceals, withholds, or destroys, mutilates, alters, or by any other means falsifies any documentary material in the possession, custody, or control of any person which is the subject of any demand duly served upon any person shall be guilty of an offense against the state, and shall be subject, upon conviction, to a fine not to exceed five thousand dollars or to imprisonment for a term of not more than one year, or both.

**NEW SECTION. Sec. 12.** Any action to enforce a claim for damages under section 9, shall be forever barred unless commenced within four years after the cause of action accrues: *Provided*, That whenever any action is brought by the attorney general for a violation of sections 3, 4, 5, or 6, except actions for the recovery of a civil penalty for violation of an injunction or actions under section 9, the running of the foregoing

statute of limitations, with respect to every private right of action for damages under section 9 which is based in whole or part on any matter complained of in said action by the attorney general, shall be suspended during the pendency thereof.

**NEW SECTION.** Sec. 13. A final judgment or decree rendered in any action brought under section 8 by the state of Washington to the effect that a defendant has violated sections 3, 4, 5, or 6 shall be prima facie evidence against such defendant in any action brought by any party against such defendant under section 9 of this act as to all matters which said judgment or decree would be an estoppel as between the parties thereto: *Provided*, That this section shall not apply to consent judgments or decrees where the court makes no finding of illegality.

**NEW SECTION.** Sec. 14. Every person who shall violate sections 3 or 4 of this act or the terms of any injunction issued as in this act provided, shall forfeit and pay a civil penalty of not more than twenty-five thousand dollars.

For the purpose of this section the superior court issuing any injunction shall retain jurisdiction, and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties.

With respect to violations of sections 3 and 4, the attorney general, acting in the name of the state, may seek recovery of such penalties in a civil action.

**NEW SECTION.** Sec. 15. Upon petition by the attorney general, the court may, in its discretion, order the dissolution, or suspension or forfeiture of franchise, of any corporation which shall violate sections 3 or 4 of this act or the terms of any injunction issued as in this act provided.

**NEW SECTION.** Sec. 16. Personal service of any process in an action under this act may be made upon any person outside the state if such person has engaged in conduct in violation of this act which has had the impact in this state which this act reprehends. Such persons shall be deemed to have thereby submitted themselves to the jurisdiction of the courts of this state within the meaning of RCW 4.28.180 and 4.28.185.

**NEW SECTION.** Sec. 17. Nothing in this act shall apply to actions or transactions otherwise permitted, prohibited or regulated under laws administered by the insurance commissioner of this state, the Washington public service commission, the federal power commission or any other regulatory body or officer acting under statutory authority of this state or the United States.

RCW 9.01.090 shall not be applicable to the terms of this act and no penalty or remedy shall result from a violation of this act except as expressly provided herein.

**NEW SECTION.** Sec. 18. If any provision of this act is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of the act and the applicability thereof to other persons and circumstances shall not be affected thereby.

**NEW SECTION.** Sec. 19. This act shall be known and designated as the "Consumer Protection Act."

**NEW SECTION.** Sec. 20. The legislature hereby declares that the purpose of this act is to complement the body of federal law governing restraints of trade, unfair competition and unfair, deceptive, and fraudulent acts or practices in order to protect the public and foster fair and honest competition. It is the intent of the legislature that, in construing this act, the courts be guided by the interpretation given by the federal courts to the various federal statutes dealing with the same or similar matters and that in deciding whether conduct restrains or monopolizes trade or commerce or may substantially lessen competition, determination of the relevant market or effective area of competition shall not be limited by the boundaries of the state of Washington. To this end this act shall be liberally construed that its beneficial purposes may be served.

It is, however, the intent of the legislature that this act shall not be construed to prohibit acts or practices which are reasonable in relation to the development and preservation of business or which are not injurious to the public interest, nor shall this act be construed to repeal by implication the Fair Trade Act contained in chapter 19.98 RCW., and the same is herewith transmitted. S. R. HOLCOMB, Chief Clerk.

Very truly yours,

WARREN A. BISHOP,

Assistant to the Governor.

State of Washington, Executive Department.

Olympia, March 8, 1961.

To the Honorable,  
The Senate of the State of Washington.

LADIES AND GENTLEMEN:

I am returning herewith without my approval Senate Bill No. 14 entitled:

An Act relating to state government; establishing within the department of institutions a division of probation and parole and providing for the transfer of powers and duties thereto; amending section 72.01.030, chapter 28, Laws of 1959 and RCW 72.01.030; amending section 3, chapter 114, Laws of 1935 and RCW 9.95.170; amending section 7, chapter 114, Laws of 1935 and RCW 9.95.260; amending section 3, chapter 227,

Laws of 1957 and RCW 9.95.200; amending section 4, chapter 227, Laws of 1957 and RCW 9.95.210; amending section 8, chapter 227, Laws of 1957 and RCW 9.95.250; adding a new chapter to Title 72 RCW; and providing an effective date.

I am fully aware of the fact that Senate Bill No. 14 has been prepared by the Legislative Council, but I feel that at the present time the supervision of probation and parole should remain subject to the control of the Board of Prison Terms and Paroles.

Under the provisions of Senate Bill No. 14 the Board of Prison Terms and Paroles would be making work assignments to the Division of Probation and Parole without having any authority whatsoever over the personnel responsible for carrying out the assignments made by the Board. It is my deep and abiding conviction that divided authority over the parole of prisoners between the Department of Institutions and the Board of Prison Terms and Paroles would not be in the best interests of the state of Washington and would cause difficulties in the program of rehabilitation of prisoners.

I am fully cognizant of the fact that because under the law each of the five members of the Board of Prison Terms and Paroles has equal power, that in the past the results of divided authority have caused on occasions, conflicting directives to be issued by different members of the board. To obviate this condition, I will in the near future issue an executive order placing full and complete authority, jurisdiction, and responsibility over the operation of the administration of the parole and probation program and personnel in the chairman of the board.

In addition, I am convinced that the transfer of the parole officers to the Department of Institutions would result in increased expenditures. The financial condition of our General Fund is such that we cannot afford at this time increased expenditures by hiring additional parole supervision personnel.

I should point out that in a meeting on September 20, 1960, the Board of Prison Terms and Paroles unanimously recommended that the probation and parole personnel should remain to be supervised by the board. At that time, Dr. John D. Lillywhite, a nationally recognized authority in the field of parole supervision, was still a member of the board.

Furthermore, I believe that Sections 4 and 5 of Senate Bill 14, attempting to shift the chief parole and probation officer of the Board of Prison Terms and Paroles to supervisor of probation and parole in the Department of Institutions constitutes a legislative interference with a prerogative of the executive. Ours is a government of divided powers, and I will do all in my power to see to it that it shall remain so.

For the reasons indicated, Senate Bill No. 14 is vetoed.

Respectfully submitted,  
ALBERT D. ROSELLINI,  
Governor.

#### PERSONAL PRIVILEGE

Senator Lennart:

"There is a small matter here from Andy Hess regarding the poor workings of the committees in the Senate. I think he has made a very fine suggestion. I really do think that. I have the feeling that the committee system has broken down this session, and I think that we could improve it. I think a committee should be appointed to try to correct this."

#### PERSONAL PRIVILEGE

Senator Bailey:

"I would like to tell Senator Lennart that I agree with him. Some of our committees have been meeting informally on this very matter. We would like to have

smaller committees and come up with some solution whereby each Senator's committee assignments could be reduced to four or five, and the schedules could be arranged so we wouldn't have all this over-lapping. The situation that we now have is just impossible."

**Editor's note:** Since this document was referred to under personal privilege above, it is inserted in the Journal of the Senate parenthetically.

#### REVISION OF INTERIM PROCEDURE

A major reduction in the number of standing committees, with House and Senate committees identical.

Each member to serve on no more than three committees.

Each committee to employ a full time research clerk.

Membership and staff of each committee to continue to function as an interim committee between legislative sessions.

Abolish all other interim legislative committees except the legislative council which shall provide a secretarial pool for interim committee work, a coordinating and accounting staff for all committee activities.

#### LEGISLATIVE SESSION PROCEDURAL CHANGES

A five-day weekend conference of legislators, at least a week preceding each session.

Each member to receive per diem and travel.

Conferences and caucuses: (1) To set up party and committee organization, (2) Employee staff decisions, (3) Preliminary committee conferences with interested groups directed toward the preparation of bills for introduction.

A shorter time period for the introduction of legislation.

The development of a system leading to pre-publishing lists of bills introduced together with committee assignments, permitting any member by objection to cause any bill assignment to be made before the entire body. Otherwise, the introduction report to be adopted by the body by a single motion.

The development of a consent calendar system providing that any committee may by unanimous action request that a bill having its approval be placed on a weekly consent calendar. Such calendar lists to close three days prior to calendar date, provided that any measure may be stricken by the objection of a single legislator. The bill then taking normal routing procedure. Revised rules would then permit the most rapid adoption of such calendar as might be legally and mechanically devised.

Senator Ryder:

"This would leave the law the way it was?"

The undersigned Senators voted against the confirmation of the appointment of Helen C. Shank to the Board of Prison Terms and Paroles. This in no way reflects on her integrity, ability or competence.

The Statute of the State of Washington provides: "The members of the board of prison terms and paroles and its officers and employees shall not engage in any other business or profession." (Emphasis supplied.)

It is our understanding that she does own and operate a business in the State of Washington, in which business we feel she is engaged and to which she is giving her time, energy and attention.

Therefore, under our interpretation of the statute, Mrs. Shank's expressed intention not to discontinue giving her time, energy and attention to her business makes her ineligible for appointment to the Board of Prison Terms and Paroles.

WHEREAS, The attraction of migrant workers to the state has thus become essential to the continuation of present trends in our agricultural industry; and

WHEREAS, The production and processing of these crops contributes significantly to our state's total economy in the amount of many millions of dollars, and involves even larger investment in land, buildings and equipment; and

WHEREAS, It is essential to the prosperity and continued growth of our agricultural industry and adequate information be gathered and plans made with regard to the problem of assuring the industry an adequate and dependable supply of labor; and

WHEREAS, The health, welfare, productivity, income, education, recreation, community acceptance and general well-being of migrant workers bears a direct relationship to our ability to attract them here for work in our agricultural industry; and

**GOVERNOR'S MESSAGE ON SENATE BILLS VETOED  
OR PARTIALLY VETOED**

---

March 8, 1961.

To the Honorable  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith without my approval **Senate Bill No. 14** entitled:

"AN ACT Relating to state government; establishing within the department of institutions a division of probation and parole and providing for the transfer of powers and duties thereto; amending section 72.01.030, chapter 28, Laws of 1959 and RCW 72.01.030; amending section 3, chapter 114, Laws of 1935 and RCW 9.95.170; amending section 7, chapter 114, Laws of 1935 and RCW 9.95.260; amending section 3, chapter 227, Laws of 1957 and RCW 9.95.200; amending section 4, chapter 227, Laws of 1957 and RCW 9.95.210; amending sections 8, chapter 227, Laws of 1957 and RCW 9.95.250; adding a new chapter to Title 72 RCW; and providing an effective date."

I am fully aware of the fact that Senate Bill No. 14 has been prepared by the Legislative Council, but I feel that at the present time the supervision of probation and parole should remain subject to the control of the Board of Prison Terms and Paroles.

Under the provisions of Senate Bill No. 14 the Board of Prison Terms and Paroles would be making work assignments to the Division of Probation and Parole without having any authority whatsoever over the personnel responsible for carrying out the assignments made by the Board. It is my deep and abiding conviction that divided authority over the parole of prisoners between the Department of Institutions and the Board of Prison Terms and Paroles would not be in the best interests of the State of Washington and would cause difficulties in the program of rehabilitation of prisoners.

I am fully cognizant of the fact that because under the law each of the five members of the Board of Prison Terms and Paroles has equal power, that in the past the results of divided authority have caused on occasions, conflicting directives to be issued by different members of the Board. To obviate this condition, I will in the near future issue an executive order placing full and complete authority, jurisdiction, and responsibility over the operation of the administration of the parole and probation program and personnel in the chairman of the Board.

In addition, I am convinced that the transfer of the parole officers to the Department of Institutions would result in increased expenditures. The financial condition of our General Fund is such that we cannot afford at this time increased expenditures by hiring additional parole supervision personnel.

I should point out that in a meeting on September 20, 1960, the Board of Prison Terms and Paroles unanimously recommended that the probation and parole personnel should remain to be supervised by the Board. At that time, Dr. John D. Lillywhite, a nationally recognized authority in the field of parole supervision, was still a member of the Board.

Furthermore, I believe that Sections 4 and 5 of Senate Bill 14, attempting to shift the chief parole and probation officer of the Board of Prison Terms and Paroles to supervisor of probation and parole in the Department of Institutions constitutes a legislative interference with a prerogative of the executive. Ours is a government of divided powers, and I will do all in my power to see to it that it shall remain so.

For the reasons indicated, Senate Bill No. 14 is vetoed.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

February 23, 1961.

To the Honorable  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to a certain item, **Senate Bill No. 95** entitled:

“AN ACT Relating to state government; creating a joint committee on urban area government of the legislature; providing for the selection, term, and reimbursement of certain expenditures of the members of the committee, and conferring rights, powers, duties and prescribing the functions of the committees; providing for advisory committees; and declaring an emergency.”

I disapprove and veto the unnumbered item appearing in the last paragraph of Section 9, of the bill, reading as follows:

“funds appropriated generally by the legislature for legislative expenses or upon”

For the reason that this item is drawn in such loose language that in effect, the chairman or the vice-chairman respectively, of the proposed committee would have a blank check to invade or even to exhaust funds appropriated by the legislature for other interim committees and other proper legislative expenses during the coming biennium.

I am wholeheartedly in favor of the remainder of the bill which will establish a joint legislative study and fact-finding interim committee for the purpose of evaluating the existing relationships between numerous municipal and quasi-municipal corporations, in order that during subsequent sessions of the legislature, statutes may be enacted assuring orderly growth of urban and suburban areas.

Fortunately, section 9 of this bill contains authorization for proper financing of this committee through means of a specific appropriation. Therefore, the item vetoed will in no way interfere with the desirable objectives of this bill.

With the exception of the foregoing item which is vetoed, the remainder of Senate Bill No. 95 is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

March 21, 1961.

To the Honorable  
The Senate of the State of Washington  
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to certain items and one section, **Substitute Senate Bill No. 111** entitled:

“AN ACT Relating to the judiciary and to justices of the peace and other inferior courts.”

This bill constitutes a final legislative compromise of many years' efforts of judges, lawyers, and public spirited citizens. It represents progress long needed and on the whole meets with my wholehearted approval. The enactment of this bill will result unquestionably in improvements in the administration of justice on the Justice Court level.

I veto the item contained in section 48 reading as follows:

“All personnel of a municipal department shall be appointed by the city.”

I further veto section 97 which reads: “The county commissioners may appoint a clerk and such deputy clerks as are necessary for the administration of the court.”

The item and the section quoted are vetoed because Justices of the Peace in the past have always appointed their clerks and office staff. Believing as I do that the judiciary is a separate and independent branch of the government, it is my fervent conviction that neither a city nor a board of county commissioners, through the appointment of clerks and the office staff of a Justice of the Peace, should interfere with the independent discharge of duties of a Justice of the Peace.

With the exception of the item quoted and enumerated, and the section referred to, which are vetoed, I approve the remainder of the bill.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

March 21, 1961.

To the Honorable  
The Senate of the State of Washington  
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to one section, **Substitute Senate Bill No. 129** entitled:

“AN ACT Relating to state government; changing the membership of the Washington toll bridge authority; relating to the powers and duties of the Washington toll bridge authority and

the state highway commission; amending section 47.56.020, chapter 13, Laws of 1961 and RCW 47.56.020; amending section 47.56.030, chapter 13, Laws of 1961 and RCW 47.56.030; adding six new sections to chapter 13, Laws of 1961 and chapter 47.56 RCW; declaring an emergency; and providing effective dates."

This bill, which is sponsored by the Committee on Highways, completely revamps and reorganizes the Washington Toll Bridge Authority. It removes from the Toll Bridge Authority the State Auditor, the Chairman of the Public Service Commission, the Chairman of the State Highway Commission, and the Director of General Administration.

The members removed are replaced by two members of the State Highway Commission designated by the Commission, and two members appointed by the Governor, leaving the Governor as a member of the Commission.

Section 3 of this bill provides that one of the members appointed by the Governor shall reside east of the Cascades; the other one west thereof. It also provides that one member each, shall be selected from each of the major political parties. The section further provides that no elected state official or state officer shall be appointed by me to the Authority. The section further provides that members of the Authority can be removed only for specified grounds after a hearing in the Superior Court of the State of Washington in and for Thurston County.

It is my considered judgment that there is no need that one of the two members of this Authority to be appointed by me reside east of the Cascade Mountains. I expect that the Highway Commission will elect one of the members designated by the Commission to be a member whose residence is east of the Cascade Mountains. Secondly, it should be recognized that meetings of the membership of this Authority will be frequent. Members appointed from east of the Cascades may not attend the frequent meetings which will be called and which will take place at the State Capitol. The major function of the Authority deals with problems related to the State ferry system. In addition, most of the toll facilities will be located west of the Cascades. Therefore, reason demands that the majority of the members of this Authority should reside west of the Cascades. I also believe it would be unwise to categorically refuse membership on this Authority to elected or appointed State officials. By virtue of their residence, and their experience in governmental affairs, I would consider it a serious mistake to deprive ourselves of the services of a well trained and qualified individual who may be a State officer, from serving on the Authority.

For the reasons indicated, section 3 of the bill is vetoed. The remainder of the bill is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

March 21, 1961.

To the Honorable  
The Senate of the State of Washington  
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to one section, **Senate Bill No. 288** entitled:

“AN ACT Relating to highways and acquisition of property therefor; authorizing the investment of state funds; amending section 6, chapter 274, Laws of 1955, and RCW 41.32.200; amending section 8, chapter 274, Laws of 1947, as last amended by section 1, chapter 220, Laws of 1955, and RCW 41.40.070; and amending section 51.44.100, chapter ....., Laws of 1961 (House Bill No. 4) and RCW 51.44.100.”

Senate Bill No. 288 authorizes the State Highway Commission to purchase or condemn real property or property rights necessary for the improvement of the State highway system, at times reasonably in advance of programmed construction of the highways. Section 8 of this bill amends RCW 41.32.200. It amends said section of the Revised Code of Washington by permitting the Board of Trustees of the Teachers' Retirement System to invest in motor vehicle fund warrants to be issued by the Highway Commission to pay for the costs of advance acquisition of real property or property rights as previously explained.

Section 1 of Senate Bill No. 314 likewise purports to amend RCW 41.32.200. This section outlines in detail the various securities in which the Board of Trustees of the Washington State Teachers' Retirement System may authorize the State Finance Committee to invest for the Teachers' Retirement System. The provisions contained in section 1 of Senate Bill No. 314 are of the utmost importance to the Teachers' Retirement System because the investments provided therein will allow that System to obtain an increased yield from its investments which will assure the Teachers' Retirement System to remain actuarially sound.

Since retirement systems other than those of the teachers have been allowed to invest in the Highway warrants above described, the Highway Commission will be able to achieve the principal purpose of Senate Bill No. 288, and by vetoing section 8 of Senate Bill No. 288 the Teachers' Retirement System will benefit from the provisions contained in Senate Bill No. 314.

For the reasons indicated, section 8 of Senate Bill No. 288 is vetoed, and the remainder of the bill is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

March 11, 1961.

To the Honorable  
The Senate of the State of Washington  
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith, to be transmitted to the Senate of the State of Washington at the next session of the Legislature, without my approval as to section 3, **Senate Bill No. 344** entitled:

“AN ACT Relating to civil actions and damages.”

The main purpose of Senate Bill No. 344 is to award exemplary damages to persons having been injured to their body or character through an intentional injury on the part of a tortfeasor.

Section 3 provides that it is against the public policy of this State to insure against any liability incurred as a result of this Act. If permitted to become law, this Section would prevent insurance companies to write insurance covering damages sustained through the commission of intentional torts. It is my firm conviction and belief that the Legislature should not interfere with the freedom of contract existing between citizens of this State and insurance companies. Such a restraint, as is provided in section 3, is contrary to the best interest of the people of this State.

For the reasons indicated, section 3 is vetoed and the remainder of the bill is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

To the Honorable  
The Senate of the State of Washington  
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith, to be transmitted to the Senate of the State of Washington at the next session of the legislature, without my approval, **Senate Bill No. 464** entitled:

“AN ACT Relating to the department of institutions; establishing the division of juvenile rehabilitation, the division for handicapped children, the division of community services and the diagnostic and placement board; providing powers and duties, appointment and qualifications of supervisors; amending and recodifying section 72.05.130, chapter 28, Laws of 1959 and RCW 72.05.130; amending and recodifying section 72.05.140, chapter 28, Laws of 1959 and RCW 72.05.140; amending and recodifying section 72.05.150, chapter 28, Laws of 1959 and RCW 72.05.150; amending and recodifying section 72.05.160, chapter 28, Laws of 1959 and RCW 72.05.160; amending and recodifying section

72.05.170, chapter 28, Laws of 1959 and RCW 72.05.170; amending section 72.05.190, chapter 28, Laws of 1959 and RCW 72.05.190; amending section 72.05.200, chapter 28, Laws of 1959 and RCW 72.05.200; amending section 72.05.300, chapter 28, Laws of 1959 and RCW 72.05.300; amending section 72.05.310, chapter 28, Laws of 1959 and RCW 72.05.310; amending section 72.01.030, chapter 28, Laws of 1959 and RCW 72.01.030; repealing section 72.05.010, chapter 28, Laws of 1959 and RCW 72.05.010; repealing section 72.05.020, chapter 28, Laws of 1959 and RCW 72.05.020; repealing section 72.05.030, chapter 28, Laws of 1959 and RCW 72.05.030; repealing section 72.05.040, chapter 28, Laws of 1959 and RCW 72.05.040; and providing an effective date."

The bill would divide the Division of Children and Youth Services into three new divisions, each to be administered by an Assistant Director of Institutions. The new divisions would be: (1) A Division of Juvenile Rehabilitation which would administer the various facilities devoted to juvenile rehabilitation. The Assistant Director of this Division would also be chairman of a diagnostic and placement board to be established. This board would have the duty of evaluating, with reference to each juvenile committed to the diagnostic center, the medical, psychological, social, educational, and vocational background of the child; (2) the Division for Handicapped Children which would be in over-all command of the various institutions devoted to the care, education, and upbringing of handicapped children; and (3) a Division of Community Services which would supervise the operation of community child guidance centers. This Division also would be in charge of supervising juvenile control officers, and of counseling services for pre-delinquent, delinquent, and maladjusted children.

The changes proposed by this bill are of a revolutionary character, and would divide the responsibility for the administration of the State's juvenile program which now centers in the Division of Children and Youth Services. This division was created as a result of studies which began in 1945 after a juvenile was killed in the King County jail. I, myself, headed a Legislative Interim Committee during the biennium of 1945-1947, and again during 1949-1951. This Committee studied exhaustively the many problems incident to administration of a State juvenile program. The Division of Children and Youth Services was established pursuant to the recommendation of the National Probation and Parole Association, and after recommendations by many citizens' committees.

In 1951 the idea was advanced that the State should have a completely separate department of children and youth in order to centralize all youth activities undertaken by the State. The Legislature in 1951, under a bill sponsored by myself, created a separate Division of Children and Youth in the Department of Public Institutions under the jurisdiction of a separate supervisor subject to merit service tenure. I am fearful that the fragmentation of the Division of Children and Youth into three separate and individual departments would do violence to the idea of centralized and unified control over all youth activities.

In addition, the State at the present time as all of you know, is financially hard pressed, and it is my conviction that the establishment of three new Divisions would result in increased cost for the administration of children and youth falling within the jurisdiction of the Department of Institutions.

It is my belief that before undertaking such a drastic change, the Legislative Council, the Washington Citizens Council, and the Council of Children and Youth should engage in a two-year study during the coming biennium, and should bring before the next Legislature its recommendations as to how this problem should be handled.

It is my feeling that at the present time the public is not prepared to accept the changes made by this bill. For this reason I am requesting the Washington Citizens Council, the Council of Children and Youth, and the State Legislative Council, to make a comprehensive study of the administrative setup of the State institutional program for juveniles.

For the reasons indicated, Senate Bill No. 464 is vetoed.

Respectfully submitted,

(signed) ALBERT D. ROSELLINI,

Governor.

March 21, 1961.

To the Honorable  
The Senate of the State of Washington  
(Through the Secretary of State)

Ladies and Gentlemen:

I am returning herewith, to be transmitted to the Senate at the next session of the Legislature, without my approval as to subsection 1, of section 5, **Senate Bill No. 548** entitled:

“AN ACT Providing for the control or elimination of mosquitoes.”

This bill is approved with the exception of subsection 1 of section 5, which is vetoed.

Subsection 1 of section 5 requires the consent of both the owner and occupant prior to any inspection to determine the existence of mosquito breeding places. This requirement would unnecessarily restrict health officials in establishing a proper program for the control or elimination of mosquitoes. It would in effect make routine inspections during the short mosquito breeding season administratively impossible, and add considerably to the public expense of mosquito control. Since the health department is already given the power to make inspections and investigations in section 2 of the bill, the requirement of prior consent, particularly in instances where property is owned by an absentee landlord, imposes an unequal burden on resident land owners and undue expense and restriction on public health authorities.

The reasons stated in the preceding paragraph impel me to veto subsection 1, of section 5. The remainder of the bill is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,

Governor.

### MORNING SESSION

---

SENATE CHAMBER,  
OLYMPIA, WASH., Friday, March 10, 1961.

Pursuant to a proclamation of the Governor, the Senate of the state of Washington was called to order in first extraordinary session at 10:00 o'clock a. m., Friday, March 10, 1961, by President John A. Cherberg.

The President announced that the Senate would be at ease subject to the call of the President in about thirty-five minutes.

---

### SECOND MORNING SESSION

The Secretary called the roll and announced to the President that all the Senators were present.

The Color Guard, consisting of Pages Vicki Peterson and Nancy Christian-sen, presented the Colors.

Reverend Henry S. Rahn, Pastor of the First Baptist Church of Olympia, offered prayer as follows:

"Almighty God, whose spiritual nature we cannot define and whose supreme sovereignty we cannot deny, in Thy divine keeping and control are the coming in and going out of all our days.

"We call upon Thee not as a last resort, but we come to Thee at the beginning of this session recognizing Thee as God and ourselves as Thy servants.

"We begin this day with left-overs, but we also begin in the faith that human effort can have both the inspiration and the direction of the Eternal.

"May our Governor and the members of this legislative assembly be endowed and encouraged with a vivid sense of Thy guiding presence and sustaining power as they respond to the high vocation of leadership in the affairs of state government.

"And help us as the people of our beloved country and state to graciously accept our responsibility and willingly support our way of life.

"May the words of our mouths and the meditations of our hearts be acceptable in Thy sight. Amen."

## A PROCLAMATION BY THE GOVERNOR:

Now, Therefore, I Albert D. Rosellini, Governor of the State of Washington, by virtue of the authority in me vested by the Constitution, do hereby convene the Legislature of the State of Washington in extraordinary session in the Capitol at Olympia on the 10th day of March, A. D., 1961, at the hour of 10:00 o'clock a. m., and

Secretary of State

The Secretary read:

**MESSAGE OF ALBERT D. ROSELLINI, GOVERNOR OF WASHINGTON, TO  
THE EXTRAORDINARY SESSION OF THE THIRTY-SEVENTH LEGISLATURE**

Friday, March 10, 1961.

MR. PRESIDENT, MR. SPEAKER, LADIES AND GENTLEMEN OF THE LEGISLATURE:

This special session has been called to appropriate the money and levy the taxes necessary to carry on the functions of state government.

We must maintain the effectiveness of programs.

We must make certain that taxes are distributed fairly and do not oppress segments of our population or economy, or bring hardship to those least able to pay.

When the regular session began, I offered a budget which in my opinion was a plan that would provide the minimum amounts needed to operate state government for two years. Later a tax plan was presented which we believed was realistic and the fairest we could devise. I would like to make it clear now that my positions with regard to the budget and with regard to revenues have not changed.

But may I also make it clear that I am willing to consider adjustments. I will be stubborn about only one thing. I will not accept an unbalanced budget.

It is highly significant that we are meeting during a recession as severe as any of the past twenty years. The sag in the economy and employment has had a tremendous impact on the temper of the people and upon events of the regular session. However, it is well to remember that economists tell us the recession is temporary. Their optimism is well-founded, because we have an aggressive administration in Washington, D. C. May I emphasize that we are not planning programs for the next 90 days, but for the next two years.

I ask these questions. Is this the time to impose drastic cuts? Do we reduce the amounts spent to educate a child? Should we limit enrollments at our colleges and universities? Do we slow down the highway construction program? Should we reduce the level of care at our mental hospitals? Or cut the welfare program which cares for the less fortunate?

Is this the time to lose the faith and confidence of our teachers?

The decisions made in this extraordinary session could easily destroy their morale. We have already let educational standards slip. If the standards go any lower, it will take us years to recover and rebuild. This is not a problem that will go away if we ignore it.

I believe that the paramount duty before the state—more than ever before—is to provide adequately for education, for the schools and colleges, preserve and advance the intellectual and moral values of our free society. They determine scientific and social progress and the opportunities of tomorrow.

I believe this is a time to go forward—not backward.

I believe it is imperative that we speed the construction of freeways, especially in metropolitan areas.

I believe it is urgent and a matter of good business that we refinance the Hood Canal Bridge and ferry system as embodied in Senate Bills 505 and 506 of the regular session.

And may I emphasize again that our cities need financial relief. A plan was presented which, if adopted, would broaden our tax base. It is now apparent that assistance to the cities is dependent on a broader tax base if the state is to give them direct aid. It is equally obvious that some means to increase their income is urgently needed and must be found.

In conclusion, may I say that it is also highly significant that we are meeting at a time when our nation is locked in deadly competition with the Communist conspiracy; and may I repeat something I said in my inaugural address:

"I pray that we shall receive the Divine guidance to meet the responsibilities which go with the liberty we enjoy."

#### POINT OF INQUIRY

Senator Hess:

"Mr. President, might we have an interpretation from the President as to how the President would rule should a question be raised as to how Senate Joint Resolution No. 2, as read in this morning, would come within the scope of this current legislation?"

#### POINT OF ORDER

Senator Woodall:

"The matter before the Senate is the adoption of a particular resolution, and I do have an amendment before the Senate."

#### RULING OF THE PRESIDENT

The President:

"Senator Woodall's point is well taken. Your point of inquiry will be considered after the motion before the Senate, Senator Hess."

Senator Hess:

"My inquiry also pertains to a possible amendment. It might be necessary for an amendment to be prepared if the President's ruling would be that it would not be in order. Therefore, I think it is in order and the present point of order has precedence over the motion."

#### RULING OF THE PRESIDENT

The President:

"Senate Joint Resolution No. 2 would fit within the scope of the resolution as it is now."

#### MOTION

On motion of Senator Greive, Senate Concurrent Resolution No. 1 was ordered to retain its place on the second reading calendar for the next session of the Senate.

#### MOTION

At 12:00 o'clock noon, on motion of Senator Greive, the Senate recessed until 2:00 o'clock p. m.

**AFTERNOON SESSION**

---

At 2:00 o'clock p. m., the Senate was called to order by President Cherg.

The Secretary called the roll and announced to the President that all Senators were present except Senators Cowen, DeGarmo and Raugust.

**POINT OF INQUIRY**

Senator McCutcheon:

"Mr. President, where is Senate Joint Resolution No. 2?"

The President:

"In the possession of the Secretary of the Senate, Senator McCutcheon.

"Senate Joint Resolution No. 2 was inadvertently referred to the Committee on Education. When the President was referring the bills this morning, the President received a request that the resolution be referred to the Committee on Education."

**MOTION**

Senator McCutcheon moved that Senate Joint Resolution No. 2 be referred to the Committee on Constitution, Elections and Legislative Processes. Debate ensued.

The President stated the question to be, it has been moved that Senate Joint Resolution No. 2 be referred to the Committee on Constitution, Elections and Legislative Processes.

**POINT OF INQUIRY**

Senator Riley:

"Will Senator McCutcheon yield to a question?"

Senator McCutcheon:

"Yes, I will."

Senator Riley:

"Senator McCutcheon, the resolution to which you refer, is it Senate Joint Resolution No. 2?"

Senator McCutcheon:

"It is."

Senator Riley:

"Is it anything like Senate Joint Resolution No. 20 which was introduced in the regular session?"

Senator McCutcheon:

"I understand it is identical."

Senator Riley:

"Senate Joint Resolution No. 20 was one dealing with a specified number of years not in excess of four years for special school levies for capital outlay, and that resolution was in your committee during the regular session?"

Senator McCutcheon:

"Yes, it was. They were both referred to my committee."

Extensive debate ensued.

**PERSONAL PRIVILEGE**

Senator Angevine:

"I would like to remind the members of the Senate that it was not I who referred any of these bills anywhere. The only bill I asked to have referred went to Education where it promptly died. It was he (Senator Hess) who referred House Joint Resolution No. 1, not I."

The President:

"With the permission of the Senate, the President should like to have the report of the Committee on Education read in order that it may be recorded in the Journal at the time of Senator McCutcheon's motion to refer to the Committee on Constitution, Elections and Legislative Processes."

The Secretary read:

**REPORT OF STANDING COMMITTEE**

Senate Chamber,  
Olympia, Wash., March 10, 1961.

MR. PRESIDENT:

We, a majority of your Committee on Education, to whom was referred Senate Joint Resolution No. 2, constitutional amendment for school district excess levies, have had the same under consideration, and we respectfully report the same back to the Senate with the recommendation that it do pass. *ANDY HESS, Chairman.*

We concur in this report: Robert C. Bailey, Joe Chytil, Frank W. Foley, William A. Gissberg, H. B. Hanna, Al Henry, Reuben A. Knoblauch, Ernest W. Lennart, John A. Petrich, Donald L. Talley, Albert C. Thompson, Jr., Nat Washington.

**PERSONAL PRIVILEGE**

Senator Lennart:

"I didn't know about those things. I signed that report and I probably wouldn't have signed it if I had known."

**PERSONAL PRIVILEGE**

Senator Papajani:

"I feel, as a member of the Education Committee and supporter of education, that I should be entitled to at least have the opportunity offered to me to sign the report. It now appears as though I refused to sign it, and that is not true. I want that to be in the record."

The President:

"You may come up to the desk and sign the report now, Senator Papajani."

**PERSONAL PRIVILEGE**

Senator McCutcheon:

"I think there is a great deal of ado about nothing here."

**PERSONAL PRIVILEGE**

Senator Hess:

"I don't like to prolong this silly discussion, but may I remind Senator McCutcheon that he started the whole affair.

"We simply followed the procedure just as we did in the last session of the legislature with every one of the measures. It had nothing to do with Senator McCutcheon at all. As far as I am concerned, there is no finer senator than Senator McCutcheon.

"There is in the House some nefarious back-stabbing. Senator McCutcheon is in no way a part of it. I simply tried to prevent a fight between the House and the Senate, and I thought if we had a bill without the names of either one of them on it, we might stand a better chance of getting it through."

**PERSONAL PRIVILEGE**

Senator Angevine:

"I just want to take this opportunity to inform the Senator from the 31st District that I one hundred percent resent the implications in his remarks that an argument between two legislators stopped any bills from getting through. It seems to me that if any two or ten of the legislators can stop a bill there is something wrong. I appreciate the compliment that he has given me, but I suggest that the majority of the legislators of this body can refer the bill if they want to.

"I make no bones about it because I feel the measure which was aimed at helping the educational forces in this state is being hurt by the cities and towns which desire similar rights and are now a part of this resolution. I feel that the resolution, once it made the ballot, would have a much less chance of passing, the broader it becomes. It was the Senate which passed the resolution before. If it is the wish and intent of this body to help the plight of the school districts, then we should limit ourselves to the school problem alone.

"I voted for House Joint Resolution No. 20, and I would have voted for House Joint Resolution No. 6, but I would not let any bill go through this body if in my opinion an amendment would help lessen the chances of it bogging down in the House.

"My feeling is pure and simple. If you are going to help education, then let us help education. Let's not attempt to double-talk in an attempt to get a different kind of legislation through."

The President stated the question before the Senate to be, it has been moved that Senate Joint Resolution No. 2 be referred to the Committee on Constitution, Elections and Legislative Processes.

The motion carried, and Senate Joint Resolution No. 2 was referred to the Committee on Constitution, Elections and Legislative Processes.

**REPORT OF SPECIAL COMMITTEE**

#### PROTEST

I strongly protest the new policy pertaining to the care and treatment of the residents of the Soldiers' Home and Colony, as contained on page 9, lines 2 to 18 inclusive, in Senate Bill No. 1.

It is my opinion that if our honored veterans should be charged for their care that a measure should have been introduced, a hearing held and that our veterans and veterans' organizations should have been given the opportunity to be heard.

I am opposed to the strategy used by the chairman of the Committee on Ways and Means, and it is my opinion that since the Orting Soldiers' Home is in my district that this matter should have been discussed with me so that I could have been given the opportunity to oppose this new policy before it was inserted into the budget.

Because of this I must vote "no" on Senate Bill No. 1.

Further, I do not feel that this is a sufficient appropriation for our common schools and for a fair increase for teachers' salaries. This is another reason why I oppose Senate Bill No. 1.

(signed) REUBEN A. KNOBLAUCH.

#### EXPLANATION OF VOTE

I would like to have my vote recorded in the Journal as against or "Nay" on Senate Bill No. 1, of the extraordinary session.

It is necessary for me to do so because of the section concerning the Veterans' Homes, wherein it states on page 9, line 11 through 18, that members must pay all income in excess of \$600 yearly into the State General Fund.

Since I represent Retsil Veterans' Home in the 23rd District, I cannot vote for the bill.

The inadequate appropriation for education further prompts this action.

(signed) FRANCES HADDON MORGAN.

**MOTIONS**

On motion of Senator Greive, the Senate dispensed with the Call of the Senate.

#### SENATE RESOLUTION

By Senator Gissberg:

WHEREAS, There is great concern and interest that fair and adequate legislative representation be afforded all citizens of this state; and

WHEREAS, Many suggestions have been offered and considered whereby such representation can be accomplished, such as the plan set forth in House Joint Resolution 31; and

WHEREAS, It is the opinion of many students of government that the federal plan of legislative apportionment whereby each state is assured of at least a minimal legislative delegation is meritorious and provides an acceptable method to be followed by the legislature of this state; and

WHEREAS, There is insufficient time during the present session of the legislature to gather, analyze and evaluate the facts necessary to prepare just and equitable legislation;

*Now, Therefore, Be It Resolved*, By the Senate of the state of Washington that the Legislative Council is requested to study and analyze all available facts relating to or in any way bearing upon the subject of legislative redistricting and reapportionment, including a consideration of the substance of House Joint Resolution 31 together with the federal plan of legislative apportionment, and to report upon its findings together with recommendations thereon to the legislature at the next regular session of the legislature.

**MOTIONS**

Senator Gissberg moved that the resolution be adopted.

Senator Hess moved that the resolution be referred to the Committee on Constitution, Elections and Legislative Processes.

Debate ensued.

**POINT OF ORDER**

Senator Gissberg:

"The point of order that I make is that Senator Hess is presumably speaking on the merits of the question, rather than on the motion he made to refer the resolution to a committee."

**RULING OF THE PRESIDENT**

The President:

"Senator Hess, please confine your remarks to the motion."

Senator Hess:

"I think the very fact that this is as involved as it is that we have to resort to parliamentary procedure to keep from discussing the merits of this resolution is the reason why we should discuss this measure before voting upon it."

Senator McCutcheon:

"Speaking on the point of order, I am not at all prepared to vote upon the resolution without having heard the merits."

**POINT OF INQUIRY**

Senator Hess:

"Will Senator Freise yield to a question?"

Senator Freise:

"I will, if Senator Hess will let me finish."

Senator Hess:

"I was merely going to ask Senator Freise to read the pertinent paragraph, paragraph 2."

**PARLIAMENTARY INQUIRY**

Senator McCormack:

"Mr. President, is it proper to amend the resolution on the floor?"

The President:

"Yes, it is, Senator McCormack."

**POINT OF INQUIRY**

Senator McCormack:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"I will."

Senator McCormack:

"Senator Gissberg, would you be willing to strike the reference to the Federal system in your resolution?"

Senator Gissberg:

"No, I wouldn't be willing to strike the reference to the Federal system because that is one of the things I want to study. I want all of the facets explored.

"I know that Senator Hess was one of the members of the committee six years ago when we all went out to the University to make a similar study, and I know that we studied the Federal system at that time. In any kind of a study, in order for it to be performed properly, everything should be considered."

Senators Elway, Nunamaker and McCutcheon demanded the previous question.

The President stated the question before the Senate to be shall the main question be now put.

The motion carried, and the demand for the previous question was sustained.

The President stated the question before the Senate to be it has been moved that the resolution presented by Senator Gissberg be referred to the Committee on Constitution, Elections and Legislative Processes.

The Secretary read:

#### REPORT OF STANDING COMMITTEE

On motion of Senator Nunamaker, the rules were suspended and the names of Senators Hanna, Gissberg and Elway, Jr. were added as sponsors to Senate Bill No. 14.

#### POINT OF INQUIRY

Senator Angevine:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Angevine:

"In view of the fact that this bill is identical to Senate Bill 70 which was introduced during the regular session, and asks for an appropriation from the general fund, would I be correct in assuming that if this bill comes back from the committee you will move to act upon it?"

Senator Hess:

"Your assumption is out of order, Senator Angevine. I never presume until the committee has acted."

Senator Angevine:

"I am not attempting to be presumptive. I am attempting to go along with your wishes. If the members desire to have this bill referred to the Committee on Ways and Means, then I would like to support your motion and have it referred to the Committee on Ways and Means. But if you did not prefer to act upon the measure or move that bill after the committee acts favorable upon it, then I would not propose a motion to refer it to Ways and Means immediately. If you intended to act upon it, then I would go along with your wishes. That is all I intended to ask."

#### SECOND READING OF BILLS

**Senate Concurrent Resolution No. 1**, by Senators Greive and Gissberg:

Limiting scope of extraordinary session.

Senator Greive moved that Senate Concurrent Resolution No. 1 be ordered to retain its place on the second reading calendar for tomorrow.

"Many times in this session we have wished decisions were not so difficult, yet we know that we have ourselves to blame for the tensions in which we live.

"Help us to see that if the guidance for which we pray is to be ours, we must be guided ourselves. If Thy will is to be done in this place, we must do it.

### SENATE RESOLUTION

By Senator Gissberg:

WHEREAS, There is great concern and interest that fair and adequate legislative representation be afforded all citizens of this state; and

WHEREAS, Many suggestions have been offered and considered whereby such representation can be accomplished, such as the plan set forth in House Joint Resolution 31; and

WHEREAS, It is the opinion of many students of government that the federal plan of legislative apportionment whereby each state is assured of at least a minimal legislative delegation is meritorious and provides an acceptable method to be followed by the legislature of this state; and

WHEREAS, There is insufficient time during the present session of the legislature to gather, analyze and evaluate the facts necessary to prepare just and equitable legislation;

Now, Therefore, Be It Resolved, By the Senate of the state of Washington that the Legislative Council is requested to study and analyze all available facts relating to

Extensive debate ensued.

#### POINT OF INQUIRY

Senator Dore:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"I will."

Senator Dore:

"I am sorry, Senator Gissberg, I came late and you have probably already argued my point. But my question is: under the Federal plan you have one senator from each state. Do you propose one state senator from each county, likewise? Do you resolve at this time to do this?"

Senator Gissberg:

"No, Senator Dore, I don't have that in mind at all.

"What I have in mind is that I want some consideration given to the plan whereby certain areas within the state are guaranteed representation.

"I am not saying that it shall be by county unit. There should be some consideration given to areas having common economic problems or a common geographical area, but not limiting a particular area to that of a political subdivision."

Senator Dore:

"It is my understanding—perhaps I am wrong—that the Federal plan metes representation by population and representation by state—which would be our counterparts to counties. Isn't that correct?"

Senator Gissberg:

"My answer would be the same; that is I am not defining the so-called Federal plan as such. What I am saying is that I want certain areas guaranteed representation in either the House or the Senate. Every area should be represented in one house or the other."

Senator Dore:

"I am in sympathy with what Senator Gissberg is trying to do, but I think perhaps it would be better to have it spelled out in a Whereas clause."

The President stated the question before the Senate to be the adoption of the resolution proposed by Senator Gissberg.

Senator Dore demanded a roll call, which was sustained by Senators Connor, Hess, Thompson, Jr., McCutcheon, Moriarty, Jr., McCormack, Hofmeister, Cowen and Henry.

The Secretary called the roll on the adoption of the resolution proposed by Senator Gissberg, and the resolution was adopted by the following vote: Yeas, 30; nays, 16; absent or not voting, 3.

#### POINT OF INQUIRY

Senator Bargreen:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Bargreen:

"I believe your explanation was such that the amended resolution which you presented this morning was the original resolution, but you did not go into detail about the amended resolution and the purposes therefor.

Senator Greive:

"There were two purposes.

"One, we felt the minimum wage was a matter to be considered; and, two, we provided a two-thirds majority vote necessary on other matters to be considered."

Senator Bargreen:

"The original amendment is such that if the Governor wanted to propose legislation regarding the minimum wage he could do so? Also, was it not true that in the original resolution it does take two-thirds vote of the membership to consider other legislation?"

Senator Greive:

"Yes, the Governor said it was our function to do whatever we wanted to but he said he was agreeable to the two-thirds majority vote for other legislation."

#### POINT OF INQUIRY

Senator Neill:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Neill:

"As I heard the resolution read, it made some mention to institutions of higher learning. As I understand, the package of bills includes tuition at the colleges. I am wondering if you would object to an amendment so that the whole matter could be considered as a package?"

Senator Greive:

"Yes, I would object to that.

"We are in a difficult financial situation and it may be that we would have to search for several sources of revenue, and I think we should leave that open for a possible source."

Senator Neill:

"I am afraid you misunderstood me. I am afraid that the resolution is worded so that we could not use it."

**POINT OF INQUIRY**

Senator Lennart:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Lennart:

"Is this minimum wage legislation by Executive request?"

Senator Greive:

"No, it will have the support of the Governor, but he hasn't determined as yet that it is an Executive request bill. I think it is very possible that he may set this up as an Executive request bill."

Senator Lennart:

"Would you vote for this bill?"

Senator Greive:

"Very most decidedly, yes!"

**POINT OF INQUIRY**

Senator Hallauer:

"Will Senator Greive yield?"

Senator Greive:

"Yes, I will."

Senator Hallauer:

"Senator Greive, the problem is that we have a proposal amounting to about one hundred thousand dollars from increasing fees in departments of vital statistics in the Department of Health. I think this is a revenue measure because it involves \$100,000 per biennium, but I don't know if the language in the proposed resolution is sufficient to cover this bill."

Senator Greive:

"I am concluding that anything pertaining to revenue would be permissible."

**POINT OF INQUIRY**

Senator McCormack:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator McCormack:

"Pertaining to revenue, are we free to assume that this pertains also to revenue for cities and counties?"

Senator Greive:

"Certainly there is nothing on my part, or I think on the part of Senator Gissberg, that would exclude this. Certainly, we have no intention of eliminating this matter, and we think any proposal along that line should be carefully considered."

Senator Thompson moved that the following amendment to the amendment by Senators Greive and Gissberg be adopted:

After "learning" insert "and education"

Debate ensued.

#### PERSONAL PRIVILEGE

As this resolution reads now, it says 'two-thirds vote of either house'. I want to point out that this is a pretty serious matter."

#### PERSONAL PRIVILEGE

Senator Bailey:

"I think the wrong interpretation is given this resolution because at no time in any special session has the right to introduce measures been restricted. We could always introduce what we wanted, but it is the consideration of the bills that we are voting on now."

#### RULING BY THE PRESIDENT

**PERSONAL PRIVILEGE**

Senator Rasmussen:

"I think this body has indicated that they would rather turn down the entire resolution than be confronted with more of this type of thing.

"I think Senator Greive was in error when he expressed the feeling that the members want this session to be wide open.

"I think it is wrong to indicate that he thinks we want to expand. The members of the Senate were getting a little disgusted about opening it up and the numerous amendments offered and they tabled the resolution for this reason. It doesn't mean that they desire the session to be wide open."

**PERSONAL PRIVILEGE**

Senator Knoblauch:

"I would like to announce that we have had lots of it here this morning. I hope that you will enjoy it at noon. We are going to serve some rhubarb to you!"

**PRESIDENT'S PRIVILEGE**

The President:

"Members of the Senate, Ladies and Gentlemen:

"The eminent Senator from Skagit County has called our attention to the presence in the gallery of the worthy and noted former member of this body, the Honorable Jess Sapp."

**APPOINTMENT OF SPECIAL COMMITTEE**

The President appointed Senators Martin, Sandison and Elway, Jr., to act as a special committee to escort the Honorable Jess Sapp to the rostrum.

The Honorable Jess Sapp was escorted to a place of honor upon the rostrum.

The President:

"Members of the Senate, Ladies and Gentlemen:

"It is with great pride and happiness that the President presents to the members of the Senate and ladies and gentlemen, the Honorable Jess Sapp, former member of the Washington State Senate, and for many sessions, Chairman of the Democratic Caucus."

Former Senator Jess Sapp:

"Thank you, President Cherberg.

"Members of the Senate:

"I know that for a number of weeks now you have listened to nothing but oratory and I, for one, know that you probably feel that you are more or less 'filled up to the gills'. It is a relief to sit up in the gallery and observe the by-play and vying for position on the floor, and after having served for many years, I know what a lot of work that is for the few gains.

"I don't think I would want to be Senator at this time with the many burdens you have. You find that you can't please everyone and many of you can't please yourselves when it comes to the laws you would like to pass. When the smoke clears away and you go back to your homes, you will find that you have done a good job, and many of you will find that you have proven that to the people at home.

"This whole country will go on because we do have equal representation and sometimes I get homesick for the Senate and wish I were back, and yet I know what my physical strength is, and then sometimes I am glad that I am off in the gallery watching.

"It has been a pleasure to be with you today."

(Applause.)

**PERSONAL PRIVILEGE**

Senator Martin:

"I think Senator Sapp should be allowed to suspend the old Rule 40."

The President:

"Should we let him in on the fact that there is no Rule 40 to suspend any more? However, I am sure that Senator Sapp will be glad to suspend that portion of Rule 40 pertaining to smoking.

"The President and the members are very glad to have you here today, Senator Sapp. It has been a real pleasure to see you, and I am only sorry that Mrs. Sapp was not here to hear you when you spoke."

#### POINT OF INQUIRY

Senator Dore:

"Will Senator Woodall yield to a question?"

Senator Woodall:

"Yes, I will."

Senator Dore:

"A few moments ago you spoke about being able to correct some matters on the Seattle Courts situation on judicial matters during the special session. Then, just now you get up and say that nothing except the revenue and tax measures, for which the session was called should be considered."

Senator Woodall:

"I pointed out that it had appeared in the newspapers that in this matter about Judge Simmons, it would be necessary to impeach him. I said that under the two-thirds rule, possibly, as an emergency matter it could be handled during the special session. I would be willing to forego that in the interest of saving time to stand firm on the two purposes for which this special session was called."

The Senate reverted to the second order of business for the purpose of receiving standing committee reports.

The Secretary read:

"Make us constantly aware of our responsibility to work together, remembering that our final accountability is not to the electorate but to Thee.

"Give us wisdom beyond our limited knowledge, insight beyond our restricted vision, courage beyond political considerations, compassion beyond our limited experience.

"May the work that is accomplished be a reflection of the honesty and integrity that is ours when we are at our best. May these Senators so speak and act that all who wait upon them and serve them may be inspired rather than disillusioned by what they see and hear; that all who come to this place may have a stronger faith in government by the people.

"Let not the past ever be so dear to us as to set a limit on the future. Give us the courage to change our minds and our ways when that is needed. We thank Thee for the service of these members, for the long hours and strength spent carrying out their duties. These things we ask in the name of Him who was willing to give His life for truth. Now, Therefore, *Be It Resolved*, That the Honorable Albert D. Senator Woodall demanded a roll call which was sustained by Senators Shannon, Raugust, Thompson, Jr., Elway, Jr., Foster, Chytil, Moriarty, Jr., Freise and Ryder.

## POINT OF INQUIRY

Senator Foster:

"Could I ask that the resolution be read again?"

The Secretary was ordered to read the resolution.

The President stated the question before the Senate to be, it has been moved that the resolution be laid on the table.

The Secretary called the roll, and the resolution by Senators Woodall, Happy and Thompson, Jr. was laid on the table by the following vote: Yeas, 27; nays, 12; absent or not voting, 10.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Cooney, DeGarmo, Donohue, Dore, Foley, Gallagher, Greive, Hallauer, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCutcheon, McMillan, Martin, Morgan, Rasmussen, Riley, Talley, Washington—27.

Those voting nay were: Senators Chytil, Foster, Freise, Happy, Lennart, Moriarty, Jr., Neill, Raugust, Ryder, Shannon, Thompson, Jr., Woodall—12.

Those absent or not voting were: Senators Connor, Cowen, Durkan, Elway, Jr., Gissberg, McCormack, Nunamaker, Papajani, Petrich, Sandison—10.

## PERSONAL PRIVILEGE

Senator Woodall:

"I was not afforded an opportunity to reply to some of the remarks of Senator Bargreen. He stated that some of the matter contained herein was not true. I don't know what there is in this resolution that is not true. He spoke something about the Bryant family. I don't know his family, and I have said nothing against them.

"I did say this, and I repeat it. Certain acts of conduct have been unbecoming in his position. Certainly, being arrested for drunken driving is, in my opinion, unbecoming for a man who goes about the state preaching temperance and is in a position of control on the Liquor Board of the state of Washington.

"I have made no remarks about his family, or anything except the way in which he has conducted the office. I feel it is the duty of the Senate to confirm appointments.

We are now in special session and I think there is nothing improper about requesting the Governor to make an appointment.

"We are not ordering the Governor, we are only requesting him. I feel that I have not misrepresented any truths, and I have no dealings with the Board myself. I don't have to defend them. I am not obligated to them. Mr. Bryant was not faithful to his job. He joined in actions of summarily firing of veterans who had been on the payroll for years.

"I repeat that since the first of January, this man is not any longer a Republican appointee. We are entitled to know if the Governor is going to reappoint him, or if he will make a new appointment to replace him."

#### PERSONAL PRIVILEGE

Senator Greive:

"I think the position many of us on this side of the aisle take is simply that we have no objection to voting for any resolution requesting the Governor to submit names that we might act upon, but I think it is the atmosphere and political approach that made us feel that this resolution should be tabled."

#### PERSONAL PRIVILEGE

Senator Woodall:

"Senator Herrmann says that this is a 'cheap political grandstand play'. I don't know what is so political about it. The appointment was Republican, and we admit it was Republican. We, on the Republican side say that the man turned out to be somewhat of a dud. Now, where is the 'cheap political grandstand play'?"

#### PERSONAL PRIVILEGE

Senator Bargreen:

"I feel that the members of the Senate are certainly above some of the remarks that were made here this morning. I feel that some of the remarks should not be brought to attention under a point of 'personal privilege'. As far as calling a man 'something of a dud', I don't believe that is a proper thing to say. I feel that it is very unfair to this man. It may be that he made a mistake at one time, but I feel that it is very easy for anyone to make a mistake; however, I don't even know if he was ever convicted.

"It so happens that this man has been doing a wonderful job over the years. I have met his wife and family, and he has two wonderful daughters, and the remarks by Senator Woodall can only do one thing. It makes it hard for the family and hurts them very much. I certainly hope that the newsmen writing down these remarks today will not make any mention or reference to them because I certainly feel that there have been no facts proven and publishing such remarks could do nothing but harm."

#### MOTIONS

Senator Rasmussen:

"I move that the resolution be taken from the table."

Senator Greive:

"I raise a question of consideration of the motion by Senator Rasmussen."

#### POINT OF ORDER

Senator Woodall:

"Consideration can only be raised to the main question."

#### PERSONAL PRIVILEGE

Senator Rasmussen:

"If Senator Greive had not cut off debate and the chance to amend the resolution, I was going to propose an amendment to strike all reference to the present members of the Liquor Board. I think that is proper. I would like to say that if this matter can be taken off the table, the Senate could have a chance to join in a request for the appointment of a member to the Liquor Board."

The President stated the question before the Senate to be, it has been moved that the Senate consider the motion that the resolution be taken from the table.

The motion carried. The Senate voted to consider the motion that the resolution be removed from the table.

A division was requested.

#### POINT OF ORDER

Senator Rasmussen:

"I would think that Senator Greive was out of order in demanding a division after the President had announced the vote."

#### RULING OF THE PRESIDENT

The President:

"The President had not declared the decision as final, Senator Rasmussen."

The Senate decided not to consider the motion by Senator Rasmussen to take the resolution from the table, on a rising vote.

The Secretary read:

Lieutenant Governor Cherberg and Mrs. Cherberg were escorted to the bar of the Senate.

Senator Riley:

"Mr. President, Members of the Senate, Mrs. Cherberg, Ladies and Gentlemen:

"In November, the voters wisely selected Lieutenant Governor John A. Cherberg as their newly elected Lieutenant Governor for the second time. They forward passed him to Olympia where he has presided over this body. During our daily deliberations throughout the session, we have differed on many occasions. We have forty-nine sterling senators who express their opinions. But today we are all of one mind; we are all agreed; we are all of one opinion. We have agreed that Lieutenant Governor Cherberg has presided over the Senate in a very considerate manner. He has shown himself to be impartial, and indeed he has been tolerant.

"Years ago John Cherberg showed his excellent judgment in selecting the beautiful and charming Betty to be his bride.

"Today, the members of the Senate want to honor Mr. and Mrs. Johnny Cherberg by presenting first to Betty Cherberg a small package. It is said that good things come in small packages. It could be poison, but in this case there is some excellent perfume that I am sure you can wear with pride and which will go with your beauty. And then, Mr. and Mrs. Cherberg, the Senators want also for you to have these excellent pieces of silver which will adorn your lovely home, where there is such a fine family atmosphere, created by the charming parents and children. I am sure that you will all enjoy the use of the beautiful pieces of sterling, together with the candelabra, and I am sure that I have expressed the feeling of every member of the Senate.

"It is with a great deal of joy and pleasure that we ask that you accept this as a memento of this Thirty-seventh Legislative Session."

The President:

"Friends, Ladies and Gentlemen:

"In a way, I am sorry that this ceremony did not occur this morning, as Senator Cowen had planned, for at that particular time, I think I was much better prepared than I am this afternoon as I look at this gorgeous array. I am choked with a heart filled with appreciation as I look at this table adorned as though it came from Captain Kidd's treasure chest! This is a fabulous presentation and I know that Betty is as deeply touched as I am. We appreciate this from the bottom of our hearts.

"As fabulous as this gift is, I know that Betty joins me when I express the thought that the greatest gift that you friends have given me during the past sixty odd days has been the very generous manner in which you have shown your patience and cooperation. There is no one more aware of my shortcomings than I am, and the manner in which you people have indicated your feelings toward me has been very apparent. I am very grateful for it.

"I know that all of us are under pressure and strain at times and that I am, at times, a trial and tribulation to each of you. At these times it is strictly from the mind and not from the heart.

"The kindest thing you can do for Betty today, is for her not to have to give a talk. I know that Betty would like to thank you at a later time. I would like to express my feelings for you with a little more emphasis, and I think the occasion will arise after we adjourn when we can more properly express our appreciation and thanks to each of you."

Betty Cherberg:

"Thanks to all of you. You know how much pleasure we will gain from this lovely silver service. We poured you a cup of coffee now and then from the lovely coffee service you previously gave us; now, we will have to serve a dinner.

"It is lovely and thank you all so very much."

(Applause.)

Senator Riley:

"Mr. President, Betty and John:

"Not only do I want to mention to you that each individual Senator was mighty gracious and deeply delighted to have participated in this presentation, but they have gone farther by signing their names indicating how they feel towards both of

you on this citation, expressing what good friends you have both been to the members and the extremely fair manner in which you have always presided over the Senate.

"We all want to thank you, John, for your never-wavering loyalty and dedication and the manner in which you have given us all so fairly the opportunity to be seen and heard and at times to be appreciated. Thank you."

President Cherberg and Mrs. Cherberg were escorted to the Lieutenant Governor's office.

The President (President Pro Tempore Al Henry in the chair):

"The Senate will be at ease for approximately ten minutes."

#### MESSAGE FROM THE SECRETARY OF STATE

Department of State, Office of the Secretary,  
Olympia, Washington, March 13, 1961.

*To the Honorable, The President of the Senate,  
The Legislature of the State of Washington, Olympia, Washington.*

SIR:

I have the honor to transmit herewith, pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the State Senate, a certified copy of Enrolled Senate Bill No. 344 (now identified as Chapter 97, Laws of 1961), passed by the State Senate and House of Representatives at the Regular Legislative Session of 1961, and *partially* vetoed by the Governor, together with his veto message attached thereto.

Respectfully,  
(signed) VICTOR A. MEYERS, *Secretary of State.*

**GOVERNOR'S MESSAGE ON SENATE BILL PARTIALLY VETOED**

State of Washington, Executive Department,  
Olympia, March 11, 1961.

To the Honorable, The Senate of the State of Washington  
(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith, to be transmitted to the Senate of the State of Washington at the next session of the Legislature, without my approval as to Section 3, Senate Bill No. 344, entitled:

"An Act relating to civil actions and damages."

The main purpose of Senate Bill No. 344 is to award exemplary damages to persons having been injured to their body or character through an intentional injury on the part of a tortfeasor.

Section 3 provides that it is against the public policy of this State to insure against any liability incurred as a result of this Act. If permitted to become law, this Section would prevent insurance companies to write insurance covering damages sustained through the commission of intentional torts. It is my firm conviction and belief that the Legislature should not interfere with the freedom on contract existing between citizens of this State and insurance companies. Such a restraint, as is provided in Section 3, is contrary to the best interests of the people of this State.

For the reasons indicated, Section 3 is vetoed and the remainder of the bill is approved.

Respectfully submitted,  
(signed) ALBERT D. ROSELLINI, Governor.

Referred to Committee on Rules and Joint Rules.

The Secretary read:

#### SENATE RESOLUTION

By Senators Riley, Gallagher and Shannon:

WHEREAS, The great Evergreen State of Washington is the only counterpart in the world to the beautiful green of the Emerald Isle of Ireland; and

WHEREAS, The abundance of green in the attire of the members of the Senate on this Saint Patrick's Day attests to the large percentage of Irish ancestry prevalent in the State of Washington and the obvious respect that the citizens have for the country of Ireland; and

WHEREAS, The world over, today, is celebrating in honor of the patron saint of Ireland, and the members of the Senate of the State of Washington wish to join in this celebration; and

WHEREAS, The country of Ireland may be proud to have fostered the ancestors of John Fitzgerald Kennedy, our beloved President;

Now, Therefore, Be It Resolved, By the Senate that the State of Washington does hereby extend to the country of Ireland its assurance of friendship and respect and also congratulates the Emerald Isle for having contributed immensely to great American heritage.

On motion of Senator Riley the resolution was adopted.

**POINT OF INQUIRY**

Senator McCutcheon:

"Will Senator Riley yield to a question?"

Senator Riley:

"I will."

Senator McCutcheon:

"It comes to my attention that Saint Patrick was a Scandinavian and came from Denmark and landed in Dublin, and then he drove the snakes out of Ireland, and also the monkeys. In order to kill off the monkeys, he had to be able to tell them from the others. He had all the Irishmen wear shamrocks so that he could tell which was which."

Senator Riley:

"Well, I can understand why the news has reached us rather late. It does take quite a long time to get news from the MacIntosh's and the McCutcheons'."

**APPOINTMENT OF SPECIAL COMMITTEE**

A special committee of Senator Donohue and Senator Cooney was appointed to escort their daughters to the bar of the Senate.

Senator Riley was requested to act as master of ceremonies for the entertainment.

Miss Dwila Donohue, accompanied by Miss Rita Cooney, sang, "When Irish Eyes are Smiling", "It's a Great Day for the Irish", and "I'll Take You Home Again, Kathleen".

Senator Riley:

"Indeed, you lovely little colleens can take pride in the enthusiastic response that was given to the lovely performance you gave. Now, if the proud fathers will come forth and escort their charming daughters from the Senate."

Senators Donohue and Cooney escorted their daughters from the bar of the Senate.

Senator Riley introduced two other daughters of Senator Donohue, Mrs. Janice Nysoe and Mrs. Sharon Smith, sharing in the pride and joy of their sister as they watched from the gallery.

Senator Riley:

"Members of the Senate, I am sure that you are as touched as I was with the lovely Irish music rendered by the two little daughters of Ireland, and I am sure that this will remain in your memories for a long, long time. As we leave here and go our many highways homeward bound, I hope you will always recall a pleasant day on Friday, March 17, 1961.

"Thank you."

The President:

"Thank you very much, Senator Riley. The members of the Senate are indebted to you for arranging such a lovely program."

Senator Lennart:

"It was most beautiful and inspiring."

Senator Riley:

"Thank you, Senator."

The Secretary read:

## SENATE RESOLUTION

By Senator Martin:

WHEREAS, At present there is a lack of adequate facilities for the housing of female felons in this state, the women's wing at the penitentiary being wholly inadequate to accommodate the number of such felons; and

WHEREAS, Discussions have been carried on by officials of the department of institutions of this state and like representatives of neighboring states, with a view to the joint acquisition of and joint use of such facility for the housing of female felons by the contracting states; and

WHEREAS, Such joint acquisition and use by contracting states would result in a lack of duplication of moneys and facilities by the said states, and permit the construction of a facility for the housing of female felons which would be equal to the aggregate need;

Now, Therefore, Be It Resolved, By the Senate, that the legislative council be directed to study the feasibility of such a joint venture into penal housing, including the legal aspects thereof, and report its findings, together with any proposed legislation felt necessary to implement the program, to the next regularly convening legislature, but not later than the third Monday in January, 1963;

And Be It Further Resolved, That the Secretary of the Senate cause a copy of this resolution to be transmitted to the legislative council.

On motion of Senator Martin, the resolution was adopted.

MR. PRESIDENT:

We, a majority of your Committee on Highways, to whom was referred Senate Bill No. 4, modifying law relating to motor vehicle fuel and use tax and motor vehicle license fees and the disposition thereof, have had the same under consideration, and we respectfully report the same back to the Senate with the recommendation that it do pass with the following amendment:

In section 13, page 9, line 22, after "[~~\$4.50~~]" strike "\$7.50" and insert "\$6.50".

NAT WASHINGTON, *Chairman*,  
....., *Vice-Chairman*,  
FRED J. MARTIN, *Vice-Chairman*.

We concur in this report: Robert C. Bailey, Frank Connor, Fred H. Dore, Wilbur G. Hallauer, H. B. Hanna, Andy Hess, Louis E. Hofmeister, Reuben A. Knoblauch, Ernest W. Lennart, Mike McCormack, Frances Haddon Morgan, John A. Petrich, W. C. Raugust, Edward F. Riley, William D. Shannon, Don L. Talley.

The bill was read the second time by sections.

Senator Washington moved that the committee amendment be adopted.

Senator Rasmussen moved that the following amendment to the committee amendment be adopted:

In section 13, page 9, line 22, strike "\$6.50" and insert "\$4.50"

## POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Rasmussen:

"On the basis of all the reports that we have received, I have been informed that the weight increases included in this bill are based on equity. Now, in the last study did it show that these small trucks should carry these weights fixed at 5,000 lbs.?"

Senator Washington:

"The last study did not have the 5,000 pound figure, it had the 4,000 pound level.

"Since we did not have information covering this particular category, from the lower weight level up to 5,000 pounds, this particular problem was not covered in the report. It was after the report came out that the State Patrol appeared before

us and pointed out that most of the vehicles brought to the scales could not pass without being overloaded, unless the driver and his wife got out of the vehicle. In order to bring the level up to the category where the law would not be broken, they recommended that we bring the weight level up to 5,000 pounds instead of the 4,000 pounds."

Senator Rasmussen:

"Your amendment will reduce the actual amount of money we are getting, with the additional 1,000 pounds."

Senator Washington:

"Since the study did not include 4,000 pounds, we had to do a little guessing."

The President stated the question before the Senate to be the adoption of the amendment by Senator Rasmussen to the committee amendment.

A division was requested, and the motion was lost on a rising vote.

The amendment by Senator Rasmussen to the committee amendment was not adopted.

The President stated the question to be the adoption of the amendment by the Committee on Highways.

The amendment was adopted.

The Secretary started to read an amendment by Senator Durkan:

"Beginning with section 13, page 9, line 9, strike sections 13 through 18, and insert the following: . . ."

#### MOTION

Senator Washington moved that the amendments by Senator Washington be considered prior to consideration of the other amendments which have been placed on the Secretary's desk.

Debate ensued.

#### POINT OF ORDER

Senator Durkan:

"I feel that Senator Washington should speak on the motion rather than on the amendments."

#### RULING OF THE PRESIDENT

The President:

"Senator Washington will speak on the motion."

Senator Washington:

"I was trying to explain why I felt that my amendments should be considered first."

#### PARLIAMENTARY INQUIRY

Senator Gissberg:

"My question is whether or not Senator Washington's motion requires a suspension of the rules, inasmuch as Senator Durkan claims his amendment was on the desk prior to Senator Washington's. The Secretary could determine this, as to which amendment was on the desk first, and then it could be determined which amendment would be read first."

#### RULING OF THE PRESIDENT

The President:

"The President does not believe that it requires a suspension of the rules. The President believes that following a custom, the amendment arriving at the Secretary's desk first will be the one read first."

Debate ensued.

**POINT OF INQUIRY**

Senator Woodall:

"Is this a committee amendment, or a floor amendment?"

The President:

"This is a floor amendment."

Senator Woodall:

"As I understand the rule, we take the floor amendments as they are handed to the Secretary on any particular matter, not only as it relates here, but we are starting a precedent where anyone can get up and move that his amendment be considered ahead of any other. I think it is a bad practice. Even if we start by doing this now, then we are setting a precedent and bypass certain proposed amendments. I think we should stick to the procedure we have had."

Debate ensued.

**PARLIAMENTARY INQUIRY**

Senator Greive:

"Did Senator Washington move to suspend the rules?"

"Whose amendment was up at the desk first?"

The President:

"Senator Durkan's amendment, Senator Greive."

**POINT OF ORDER**

Senator Greive:

"It would seem only proper that the one on the desk first should be read first; otherwise, how would we ever be protected?"

**RULING OF THE PRESIDENT**

The President:

"The President has already informed the body that it is customary that the amendments pending are presented in the order in which they are received. Senator Washington arose and moved that his amendments be considered before any other amendment be considered. The Senate has not voted upon Senator Washington's motion yet."

Senator Neill:

"This must be considered in relation to the set fees, and I think the highest amount should be presented first."

Senator Durkan:

"Speaking to Senator Washington's point, I think he is correct; however, if we were going to rely on Senator Neill's point, each section would have to be broken down and read section by section and considered separately with the amendments pertaining to each section."

The President stated the question before the Senate to be, it has been moved that Senator Washington's amendments be read prior to any other amendment.

A division was requested.

The motion carried on a rising vote, and Senator Washington's amendments were ordered to be read first.

Senator Washington moved that the following amendments be adopted:

In section 1, page 3, line 10, after "by section" and before "of this" strike "22" and insert "35"

In section 4, page 4, line 28, after "by section" and before "of this" strike "22" and insert "35"

On page 15 add thirteen new sections following section 18 to read as follows:

After the first amendment was read, Senator Gissberg brought up the following point:

#### POINT OF INQUIRY

Senator Gissberg:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Gissberg:

"Senator Washington, will you explain what the amendment before us does?"

Senator Washington:

"The particular amendment only needs the figures to be changed from 22 to 35 because when we refer to the Puget Sound Reserve Account created by section 22, as amended, it would be section 35. If this amendment is adopted, this is the first step towards correction."

Senator Gissberg:

"Senator Washington, may I ask further, on your next amendment, will your comments be likewise true there? I have an amendment, and I assume that by adopting the first two amendments, we are simply doing something mechanical."

Senator Washington:

"That is true; your amendment would not do away with the Puget Sound Reserve Account."

#### MOTION

On motion of Senator Freise, further consideration of this amendment was postponed until after consideration of Senator Washington's third amendment.

The Secretary read the third amendment by Senator Washington.

#### PERSONAL PRIVILEGE

Senator Knoblauch:

"I am sorry to have to break in on this important debate, but I have a schedule which I have to keep. I have twelve beautiful colleens who just arrived from Pierce county. They are the princesses of the 1961 Daffodil Festival of Puyallup Valley who have been chosen from all the high schools in Pierce county. They have been chosen on the basis of beauty, popularity, public speaking ability and scholarship. They must have at least a 'B' average. The queen will be chosen in Sumner on April 6th. The other two winning girls will be princess and attendant."

#### APPOINTMENT OF SPECIAL COMMITTEE

The President appointed a special committee of honor of the following Senators to escort the lovely visitors to the rostrum: Senators Knoblauch,

Petrich, McCutcheon, Kupka, Rasmussen, Gissberg, Moriarty, Hanna, Durkan, Elway, Freise, Neill, and Don Wilson, Assistant Secretary.

The Daffodil Festival princesses were escorted to the rostrum.

The President:

"With all this feminine beauty surrounding the President, it is only natural for the President to get a little shaken.

"Before presenting these lovely Daffodil Princesses, the President should like to present a group of lovely chaperons: Mrs. Ron Crowe, Queen Mother; Mrs. Ray Magnuson, Chaperon; Mrs. Joe Girard, Chaperon; Mrs. Phil Cunningham, Chaperon.

"The President is sure that the members of the Senate join in expressing the fact that perhaps the lovely chaperons should also be included in this particular group on the rostrum.

"The President takes the greatest of pride and enjoyment in presenting the princesses: Karen Keehn, Clover Park High School; Judy Snyder, Stadium High School; Joan Ruschfeldt, Lincoln High School; Elisa Peterson, Wilson High School; Janice Etzel, Puyallup High School; Carmel Mackin, Puyallup High School; Kathy Maki, Fife High School; Connie Johnson, Orting High School; Ann Bluhm, Franklin Pierce High School; Mary Dale Brooks, Sumner High School; Karen Hansen, Sumner High School; and Jackie Nunn, Sumner High School.

"Mary Dale Brooks will address the members of the Senate.

"Would the chaperones please come to the rostrum.

"Members of the Senate, Miss Mary Dale Brooks."

Miss Mary Dale Brooks:

"Thank you, Mr. President.

"Members of the Senate, Guests:

"Ever since we began our interesting adventure as princesses of the Puyallup Valley Daffodil Festival, it has been our opportunity to be guests of many civic organizations. This afternoon is the ultimate. I never dreamed I would be standing here speaking before the Senate of the state of Washington, and I love it.

"We think we have the most beautiful daffodil festival in the whole United States, and right now, I would like to present this bouquet of daffodils to your President of the Senate.

"Mr. President, with the power invested in me, as a representative of his royal majesty, King Alfred, I would like to give you these flowers as a token of appreciation for inviting us here and for your interest in our festival.

"I want to extend an invitation to everyone here to attend the Daffodil Festival, and on April 6th the coronation of the queen who will be chosen from one of the twelve girls here today. I also hope you will attend the street parade on April 8th. This parade begins in Tacoma and progresses through Puyallup and Sumner. This is just a different way of showing off the beauty of our lovely flowers."

The President:

"Thank you very much. The beauty of these charming young ladies is only surpassed by the loveliness to be found in the flowers on the rostrum this afternoon.

"The President should also like to express appreciation to Senator Reuben A. Knoblauch for sponsoring the beauty and pleasure which has been brought to the Senate today. Thank you, Senator."

The Daffodil Festival princesses were escorted from the rostrum.

(Applause.)

Consideration of Senate Bill No. 4 on second reading was continued.

Senator Gissberg moved that the following amendment to the amendment by Senator Washington be adopted:

Strike new section 19 of the amendment by Senator Washington and substitute the following:

**NEW SECTION.** Sec. 19. Effective July 1, 1961 through June 30, 1962, the fees prescribed in sections 20, 21, 22, 23, 24 and 25 shall apply. On and after July 1, 1962 the fees prescribed in sections 26, 27, 28, 29, 30 and 31 shall apply.

Debate ensued.

## POINT OF ORDER

Senator Woodall:

"I thought we were talking about an amendment to a bill here in the state of Washington, rather than talking about President Kennedy."

Senator Gissberg:

"I think we are talking about this. That is why I think we should adopt my amendment, because I think President Kennedy is going to adopt similar legislation, and if we do not have corresponding fees, we would have gross inequity.

"I hope that because I mentioned President Kennedy's name, it did not alarm you!"

Senator Woodall:

"It didn't alarm me—only bored me!"

Further debate ensued.

Senator Gallagher:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator Gallagher:

"Is my understanding of your amendment correct that you would have the increase effective July 1, 1961, whereas proposed by Senator Washington, the new fees would not take place until 1963? And I suppose your increase would continue to 1963?"

Senator Gissberg:

"You are absolutely correct, Senator."

The President stated the question to be the adoption of the amendment by Senator Gissberg to the amendment.

Senator Herrmann demanded a roll call which was sustained by Senators Keefe, Gissberg, Gallagher, Bailey, Kupka, Papajani, Cooney and Durkan.

(1) Allot all or any portion of the funds herein appropriated, or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: *Provided*, That the budget director shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Agencies headed by elective officials; University of Washington; Washington State University; Central Washington College of Education; Eastern Washington College of Education; Western Washington College of Education; Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of RCW 15.66; the legislative branch of state government including the legislative council, the legislative budget committee, the statute law committee, and any legislative interim committee; or the judicial branch of state government: *Provided, however*, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. **NEW SECTION.** Sec. 6. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

The bill was read the second time by sections.

Senator Ryder moved that the rules be suspended, Senate Bill No. 20 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

The motion carried.

#### POINT OF INQUIRY

Senator Washington:

"Will Senator Ryder yield to a question?"

Senator Ryder:

"I will."

Senator Washington:

"In the provision of the bills with the Teachers' Retirement Funds, what control does the executive secretary or the director who now handles much of this function have under this bill?"

Senator Ryder:

"Each of the boards would have a representative on the Investment Council Board, and through them there would be representation of the funds controlled by those boards. The boards would continue as they are now, but they would have no official capacity as the executor of the funds."

Senator Washington:

"If the Teachers' Retirement Board had a disagreement with the council over the investment of the funds whose decision would rule?"

Senator Ryder:

"The Investment Council would be responsible. If they had a disagreement and it couldn't be worked out, then the decision of the Investment Council would be final."

**POINT OF INQUIRY**

Senator McMillan:

"How many members of the Investment Council would be picked for this job?"

Senator Ryder:

"There would be two appointed by the Governor and they would represent the public where public and tax funds would be represented."

Senator Rasmussen:

"Replying further to Senator McMillan's question, the Investment Council will consist of the Governor, Lieutenant Governor, State Treasurer, each of whom shall serve by virtue of his office, one member of the Washington State Employees' Retirement Board, one member of the Washington State Teachers' Retirement Board of Trustees, and two public members to be appointed by the Governor and qualified in finance."

**Senate Bill No. 6**, by Senators Hallauer and Foley:

Providing a bond issue for school plant construction.

Senate Chamber,  
Olympia, Wash., March 15, 1961.

MR. PRESIDENT:

We, a majority of your Committee on Ways and Means, to whom was referred Senate Bill No. 6, providing a bond issue for school plant construction, have had the same under consideration, and we respectfully report the same back to the Senate with the recommendation that it do pass with the following amendments:

In new section 8, page 6, after line 9 and before subsection (4) on line 10, insert: "Provided, That in the event the percentage of state assistance to any school district based on the above table is less than twenty percent and such school district is otherwise eligible for state assistance under this act, the state board of education may establish for such district a percentage of state assistance not in excess of twenty percent of the approved cost of the project, if the state board finds that such additional assistance is necessary to provide minimum facilities for housing the pupils of the district."

On page 2, section 1, line 7, after "may provide." insert a new sentence as follows: "The state finance committee shall, in making its invitation or call for bids on the sale or issuance of such bonds, secure bids on the condition that the bonds may be

called prior to maturity and it shall also secure bids on the condition that they shall not be subject to prior call."

WILBUR G. HALLAUER, *Chairman.*

Committee on Appropriations.

Committee on Taxation and Revenue.

We concur in this report: Wayne G. Angevine, Robert C. Bailey, Howard Bargreen, Joe Chytil, John L. Cooney, David C. Cowen, Victor F. DeGarmo, Dewey C. Donohue, Fred H. Dore, John H. Happy, Karl V. Riley, John N. Ryder, Gordon Sandison, Albert C. Thompson, Jr.

The bill was read the second time by sections.

Senator Hess moved that the first committee amendment be adopted.

#### POINT OF INQUIRY

Senator Gissberg:

"Will Senator Hess yield to a question?"

Senator Hess:

"I will."

Senator Gissberg:

"Senator Hess, it is my understanding that this bill would appropriate \$50,750,000 for school construction. Is that correct?"

Senator Hess:

"Yes, that is right."

Senator Gissberg:

"I wondered, in view of that fact, if this amendment were adopted if there would be a limit on state assistance that would be received by all school districts, is that correct?"

Senator Hess:

"Yes, that is correct."

Senator Gissberg:

"Was that considered at the time the total amount of the bill was being considered? Does this cover the total possibility?"

Senator Hess:

"At the time the original amount in the bill was taken into consideration, the total school districts involved and the amount are in keeping with this language."

#### POINT OF INQUIRY

Senator Freise:

"Will Senator Hallauer yield to a question?"

Senator Hallauer:

"Yes, I will."

Senator Freise:

"Do you have the list of the school districts, that would be covered in this twenty percent?"

Senator Hallauer:

"Not at my desk. I do have it in my committee room."

Senator Freise:

"Do you know about how many school districts would benefit?"

Senator Hallauer:

"I do know that there are quite a number of school districts on the list, and would estimate probably thirty anyway."

The President stated the question before the Senate to be, it has been moved that the first committee amendment be adopted.

A division was requested.

Senator Hess demanded a roll call which was sustained by Senators Nunamaker, Bargreen, Greive, Sandison, Dore, Hofmeister, Connor and Riley.

The motion carried and the demand for a roll call was sustained.

The President stated the question before the Senate to be, it has been moved that the first committee amendment be adopted.

The Secretary called the roll, and the first committee amendment was adopted by the following vote: Yeas, 25; nays, 22; absent or not voting, 2.

Those voting yea were: Senators Angevine, Connor, Cooney, Cowen, Dore, Durkan, Freise, Gallagher, Greive, Hanna, Happy, Herrmann, Hess, Keefe, Kupka, Lennart, McCutcheon, Morgan, Moriarty, Jr., Nunamaker, Petrich, Rasmussen, Riley, Ryder, Shannon—25.

Those voting nay were: Senators Bailey, Bargreen, Chytil, Donohue, Elway, Jr., Foley, Foster, Gissberg, Hallauer, Henry, Hofmeister, Knoblauch, McCormack, McMillan, Martin, Neill, Raugust, Sandison, Talley, Thompson, Jr., Washington, Woodall—22.

Those absent or not voting were: Senators DeGarmo, Papajani—2.

On motion of Senator Foley, the second committee amendment was adopted.

Senator Foley moved that the following amendment be adopted:

On page 10, section 16, line 33, after "available." insert the following: "Notwithstanding the foregoing provisions of this section, the total amount of bonds authorized for issue under this act and/or the total proceeds from the sale thereof shall not be reduced by reason of any grants to any school district of federal moneys paid under Public Law No. 815 or any other federal act authorizing school building construction assistance to federally affected areas."

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Foley yield to a question?"

Senator Foley:

"I will."

Senator Riley:

"While I am not specifically acquainted with this, I think Public Law 815 was in the amendment. Is that the public law that provides that if there is a terrific influx of students by virtue of some federal project, the federal government will come in and assist?"

Senator Foley:

"That is what I am told."

#### POINT OF INQUIRY

Senator Thompson:

"Will Senator Foley yield to a question?"

Senator Foley:

"I will."

Senator Thompson:

"What is your intention now, under this amendment? Is it your intention that the money from the federal government under Public Law 815 be counted as local money?"

Senator Foley:

"This amendment was given to us by the State Board of Education."

Senator Thompson:

"Would this, then continue the present policy of the State Board's relation to this federal money?"

Senator Foley:

"Yes, this is in compliance with their present policy."

#### POINT OF INQUIRY

Senator McCutcheon:

"Will Senator Hallauer yield to a question?"

Senator Hallauer:

"Yes, I will."

Senator McCutcheon:

"Will there be a change from the past philosophy in the federally impacted areas?"

Senator Hallauer:

"In the federally impacted areas, the answer is 'no', but the amendment is to make sure that there is no change in policy on federally impacted areas. This amendment is for the benefit of the new ones to come."

#### POINT OF INQUIRY

Senator Morgan:

"Will Senator Foley yield to a question?"

Senator Foley:

"Yes, I will."

Senator Morgan:

"Is it correct, then, that areas such as the Bremerton Naval Base, would not suffer under your amendment?"

Senator Foley:

"It is my understanding that they would benefit. That is exactly what I was told by the Superintendent of Public Instruction Office."

Debate ensued.

The President state the question before the Senate to be, it has been moved that the amendment by Senator Foley be adopted.

"Along the lines of Senator Gissberg's discussion, Senator Rasmussen, do you realize that this is turning a function over to the corps of lawyers? Is there any peril in this? In the last section, we are going to let the lawyers go into courts. Now the fate will be in the hands of attorneys. Is this wise? Isn't there great danger involved in this?"

Senator Rasmussen:

"No more than at the present time. It has always been a fact that lawyers delay the legal processes, and this has to do with delayed birth certificates. This is as it should be!"

**POINT OF INQUIRY**

Senator McCutcheon:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator McCutcheon:

"Do you know what the changes are in the fees? I didn't hear any actual figures."

"Yes. The bill raises the fees from \$1.00 to \$2.00 on the state level, and from fifty cents to \$1.00 on the county level.

"At the present time we operate at a loss, and this will bring the price of the services into conformity."

"Will Senator Dore yield to a question?"

Senator Dore:

"I only know that it must have seemed that way to Ballard."

#### PERSONAL PRIVILEGE

Senator Knoblauch:

"I want to make a suggestion. Senator Dore, would you like to suspend the old Rule 40?"

Senator Dore:

"I was in a Highway Committee meeting when this rule was outmoded, so I wasn't even aware that it was now 'old'. Yes, I will suspend old Rule 40."

## ELEVENTH DAY

### NOON SESSION

SENATE CHAMBER,  
OLYMPIA, WASH., Monday, March 20, 1961.

The Senate was called to order at 12:00 o'clock noon by President Cherberg.

The Secretary called the roll and announced to the President that all Senators were present except Senator Morgan.

The Color Guard, consisting of Pages Jim Archer, Color Bearer, and Susan Harris, presented the Colors.

Reverend J. Edgar Pearson, Pastor of the United Churches—Federated of Olympia, offered prayer as follows:

"O God, our Father Who hast given us the weekend for rest and preparation, reveal to us this day Thy heart of infinite tenderness, that grants to all who seek The strength and patience.

"At the beginning of this week, when we should feel refreshed and eager to face the work of the day, many find themselves tired in nerves and body. Few can measure the strain under which these members are laboring; few can measure the cost in patience, understanding, words hastily exchanged, opinions heatedly expressed.

"So we pray this day that Thy spirit may bring them that peace of mind that comes from a knowledge of their real accomplishments. Strengthen their will to work as a team. Rule their hearts that they may rightly use the trust committed to them for the good of the people.

"May they tolerate nothing in their personal living which, if multiplied, would weaken our state. Knowing that criticisms will come, help them to take what is helpful and forgive that which is unkind and unjust.

"We ask in the Master's name. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

### PRESIDENT'S PRIVILEGE

The President:

"Members of the Senate; Ladies and Gentlemen:

"It is with great honor and pride that the President announces the presence of three very important, prominent, respected and esteemed members of the Washington State Youth Legislature, William Almon, Governor; Dave Gresham, Lieutenant Governor; and Dean Uyeno, Speaker of the House."

"Governor Almon, Lieutenant Governor Gresham, and Speaker Uyeno, I know that the members of the Senate and the ladies and gentlemen would like very much for you to address them. It is with great pleasure that the President presents Governor Almon."

Youth Legislature Governor William Almon:

"Good morning Senators and visitors:

"It is with great pleasure that the three of us visit with you this afternoon. I think the Lieutenant Governor will have more to say than I will because this will be his position, come April 28-29, when the Youth Legislature will be in attendance here.

"I would like to thank you very much for the use of your facilities. We will be using, as you know, these very chambers in April, and personally, I can't think of a better place to hold a mock Legislature than in the state Capitol."

The President:

"It is with some significance and pleasure that the President presents Lieutenant Governor, Dave Gresham."

Youth Legislature Lieutenant Governor Gresham:

"I wish to thank the entire Senate for allowing us to use their facilities and I thank the Senate for allowing us to be present today. We hope that what we will learn will help us to increase what we have to offer and add this to our limited capacity to serve in the Youth Legislature.

"Of course, we shall always try to keep in mind what the main question is, and that is to enlighten the future citizenry of the state of Washington to what is a basis of our way of life, and maybe, we can even go so far as to eliminate exceptions."

The President:

"Dean Uyeno, Speaker of the House, will you say a few words?"

Youth Legislature Speaker Uyeno:

"I just want to second what my fellow members have said, and I also want to say from some of the chuckles we got from the House, rather than follow their example, we will follow yours.

"Thank you."

The President:

"The lady and gentlemen of the Senate wish to congratulate you upon the positions which you will hold in the coming Washington State Youth Legislature. We are delighted that you are here to look over the Legislature and observe the fine points, and express the hope that you will overlook some of the shortcomings that you observe."

#### PRESIDENT'S PRIVILEGE

The President:

"At the request of the respected and worthy Senator, the Honorable Gordon Sandison, the President wishes to present a group of students from North Mason School District 409 in Mason County.

#### PERSONAL PRIVILEGE

Senator Riley:

"Mr. President, members of the Senate:

"Yesterday a resolution was introduced by Senator Papajani and myself. The title was something to the effect of commending the House un-American Activities Committee.

"On a motion I made to have the resolution, after a suspension of the rules, advanced to second reading and read in full, a motion was made by Senator Greive to table my motion. Strangely enough, Mr. President and members, that motion prevailed. I was deeply hurt to think that there were forty-eight Senators present who did by their vote, or lack of vote, permit a resolution to be tabled that was not even heard.

"The final result was that the measure was referred to the Judiciary Committee. I intended to speak to Senator Petrich about his attitude, and whether there would be a committee meeting, or what action he would take. Unfortunately, Senator Petrich is not here today. I felt, therefore, Mr. President, that I should express the deep cut that I personally felt that, today in the Senate, elective officials could be termed so disinterested, and that's about as charitable as I can make it, as to not want to hear a resolution commending a congressionally constituted committee. The resolution that Senator Papajani and I wanted to offer was to commend our Congressional Committee on un-American Activities for their work.

"Just three or four days ago I noticed a comment in the press that the Wisconsin Legislature had passed a similar resolution.

"Now, Mr. President and members of the Senate, I want to say to you with all

the sincerity that I can muster, that I truly believe that the Communists and Communist sympathizers want to abolish the Committee on un-American Activities, and may I again say to you that this committee was constituted by your Congress.

"I believe that we live in a country partially occupied by the enemy. The House Committee on un-American Activities is necessary if America is not to share in the fate of countries like Uruguay, Czechoslovakia or Cuba. I recall quotations from a certain Mr. Dimitri dated back to 1930 in which he practically said verbatim that a university professor, without being a member of the party, lent himself to the interest of the Soviet Union and as he lends himself to the Soviet Union, he is worth more to the Soviet Union and its cause than are one hundred men carrying Communist Party cards."

"Last evening, those of you who read the Seattle Times, saw on the front page an article which says, 'Russia can't rest until the world is red.' And here is the quotation printed in the Seattle Times:

"We are happy when we build Communism, but that is not enough, Khrushchev said, but we shall be happy when the people of all countries stand under the pillar of Marxism, and Leninism, and the Communist flag shall fly over the entire world."

"Mr. President, members, again I repeat, I just cannot understand, and I am hurt to think that there would be members of the Senate who would not permit the resolution to be read which would then give them an opportunity to vote for or against."

#### PERSONAL PRIVILEGE

Senator DeGarmo:

"I wish to inform all members of the Senate and the President that I have been working for three days and we have two large barrels of those little steam clams for lunch today, and they will be ready at 1:00 o'clock. There will be gallons of fine nectar, also."

## FOURTEENTH DAY

---

### MORNING SESSION

---

"Let us pray:

"Almighty God, we pray for the Senators of the state of Washington who are responsible for the welfare of this state. May Thy Holy Spirit guide them that they may have a care only for what will promote good government, and for what will benefit the people.

"May they bring to their work today brains that think and hearts that feel; grant that they may have ideals, imagination, wisdom and courage and that they may never be enslaved by routine, convention and popular opinion, but ever be upheld by Thy free spirit, through the grace of our Lord Jesus Christ. Amen."

**MOTION**

On motion of Senator Greive, the rules were suspended and Senator Washington was excused, subject to roll call.

**PRESIDENT'S PRIVILEGE**

The President:

"Members of the Senate; Ladies and Gentlemen:

"One of the greatest aspects of the position of the President of the Senate is that it places the President in close contact with many illustrious Senators. Present today is one of the most outstanding in a long, long time who has come to see us in the Senate Chamber. This particular occasion is marked with significance in that members of the Senate and the House of Representatives have extended their appreciation to this great Senator in documentary proof in a certificate of service. At this time it is with the greatest of pride that the President presents to the Honorable Senator Dixon this Certificate of Service.

"Senator Dixon, with your indulgence, the President should like you to stand while Peter Brudevold reads the citation."

**CERTIFICATE OF SERVICE**

As authenticated by public records it is hereby certified that the:

HONORABLE GERALD G. DIXON

has served the State of Washington in its Legislative Branch of State Government

in the following capacities and for the periods as set forth to wit:

From January 9, 1933 to March 9, 1933  
as employee of the Senate

From January 14, 1935 to January 13, 1941  
as Member of the House of Representatives

From December 29, 1941 to January 9, 1961  
as Member of the Senate

A total of twenty-five years and two months distinguished and meritorious service to the State of Washington.

Certified by:

JOHN A. CHERBERG,  
*Lieutenant Governor.*

JOHN L. O'BRIEN,  
*Speaker of the House.*

Attested by:

VICTOR A. MEYERS,  
*Secretary of State.*

(SEAL OF THE STATE OF WASHINGTON)

Senator Dixon:

"Mr. President and Members of the Senate:

"It is with a great feeling of pride and affection, if I might say so, that I do accept this Certificate of Service, and I will treasure it. I will frame it, and hang it in my little office at home where it will be viewed by everybody who comes to see me. I want to say, members of the Senate that I have missed very much being among you during this session of 1961. I consider that in view of the times of the State and Nation that our conservative policy was necessary to this session and that this, the Senate has done.

"I understand from some of my colleagues who served with me before, that I was missed on the Rules Committee. I do say that during my term of office, I tried to see that the affairs of the state of Washington were carried out within the income of the state. And it would have been my policy, had I been seated down in front, to vote no more taxes and no more commissions at this session. One of the things that I did when I served with all of you, was to do away with commissions that somehow or another creep up, first of all as an idea, then as a commission, and then as a staff, and it is very expensive. I would rather see annual sessions of the Legislature and less commissions, so that the Senators could all be a commission every year to carry on the work of the state of Washington. This is a growing state and to foresee ahead two years and allocate the money and dispose of some of the problems for two years is too difficult.

"I regard all of you, on both sides of the aisle, as my friends, I will never forget you; and once again, I want to say I appreciate very, very much, the opportunity and the privilege of appearing before you, Mr. President, and all of you. My health is good and I will still carry on as a layman, watching you perform your jobs.

"I do think that Senators Foley and Hallauer have done a remarkable job on the budget. But stay with it. You have good leadership, and the Senate has the right idea; hold the line against further expenses. Thank you very much."

The President:

"Thank you very much, Senator Dixon. Everyone joins in the thought that it is wonderful to hear from you again, and the President should like to remark on behalf of the Senate, you have been sorely missed, both in the Senate and on the Rules Committee, and though you are gone, the members of the Senate and the President have tried to carry on the same standards that you established while serving in the Senate."

#### POINT OF INQUIRY

Senator Gallagher:

"Will Senator Cowen yield to a question?"

Senator Cowen:

"Yes, I will."

Senator Gallagher:

"You mentioned that you were in hopes that I was listening to the Senator, our friend, Jerry Dixon. I don't quite get the implication of your words. Would you please explain it to me?"

Senator Cowen:

"Senator Gallagher, as the years go by, I think we all mellow. I have seen men come into this legislative body who were great legislators. As the time goes by, usually they become mellow. They realize they do not need so many commissions. I for one, am like Senator Dixon. I think the less commissions we have, the better for the state of Washington."

Senator Gallagher:

"I just hope I never mellow completely."

The Secretary read:

On motion of Senator Bargreen, the rules were suspended and additional sponsors were permitted on Senate Concurrent Resolution No. 4.

On motion of Senator Bargreen, Senate Concurrent Resolution No. 4 was advanced to second reading and read the second time in full.

On motion of Senator Bargreen, the rules were suspended, Senate Concurrent Resolution No. 4 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

#### POINT OF INQUIRY

Senator Rasmussen:

"Will Senator Bargreen yield to a question?"

Senator Bargreen:

"Yes, I will."

Senator Rasmussen:

"Senator Bargreen, the first question would be on line 8 of the resolution. At the time I understood this resolution yesterday, I thought we had re-emphasized this country's great and glorious past, and didn't that have the future in it also? It does occur to me that if we just stand and look back and never look ahead, that we might turn to pillars of salt."

Senator Bargreen:

"In answer to your question, I think we took the wording right out of House Bill No. 591. I would have no objection to this wording and I certainly think it has merit."

Senator Rasmussen:

"Would you want to do it here on the floor of the Senate, or in the House?"

Senator Bargreen:

"I think that can be done in the House."

Senator Rasmussen:

"At the time we were discussing the resolution yesterday and the make up it had, that the Council should be composed of six members, after a security check had been made on each of them, I don't see any mention in the resolution about the security check."

Senator Bargreen:

"The Governor who makes the appointments, makes many appointments to all these committees and commissions, and his responsibility to the people is to see that these people have been checked upon. The security check would not be necessary until after the Governor appoints these people, because then these appointments would be subject to the attorney general's approval. For that reason I felt it was not necessary to have this additional requirement. After the people were selected, then they would have a security check by the attorney general's office."

Senator Rasmussen:

"I think that that security check should be made prior to the Governor's appointment, rather than after. It would be a little embarrassing to make an appointment and then find out that he was not qualified."

Senator Talley demanded the previous question, which was sustained by Senators Hofmeister and Greive.

The President stated the question to be, shall the main question be now put.

The motion carried.

The Secretary called the roll on the final passage of Senate Concurrent

Resolution No. 4, and the resolution passed the Senate by the following vote: Yeas, 44; nays, 5; absent or not voting—0.

Those voting yea were: Senators Bailey, Bargreen, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Durkan, Elway, Jr., Foley, Foster, Freise, Gissberg, Greive, Hanna, Happy, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Nunamaker, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Woodall—44.

Those voting nay were: Senators Angevine, Gallagher, Hallauer, McCormack, Washington—5.

Senate Concurrent Resolution No. 4, having received the constitutional majority, was declared passed.

On motion of Senator Bargreen, Senate Concurrent Resolution No. 4 was ordered immediately transmitted to the House.

Senator Hess moved that the amendment be laid on the table.

A division was requested.

The motion carried on a rising vote, and the amendment was laid on the table.

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Durkan yield to a question?"

Senator Durkan:

"Yes, I will."

Senator Riley:

"Now, to be pretty clear in my own mind, are employees of hospitals included?"

Senator Durkan:

"These employees are not included. Any individual engaged in the activity of any charitable institution or hospital."

Senator Riley:

"If there are employee relations in the hospital, they are included?"

Senator Durkan:

"This act also excludes any employee relationships where there is a collective bargaining agreement."

Senator Riley:

"Would you say, Senator Durkan, then, with the language which you read, that nursing homes and foster homes are excluded?"

Senator Durkan:

"I can only say to this extent. If it is a non-profit nursing home they would probably be exempt, or if there were a collective bargaining agreement. If there were not, then I would say they would not be exempt."

#### POINT OF INQUIRY

Senator Elway:

"Would Senator Durkan yield to a question?"

Senator Durkan:

"Yes, I will."

Senator Elway:

"Would it also exclude those who manage apartment houses and motels?"

Senator Durkan:

"Yes, this area of those people who live on the premises. The attorney general's opinion was that he thought it would exclude those. He did not specifically pass on the others, and I wouldn't want to say."

#### POINT OF INQUIRY

Senator Woodall:

"Will Senator Durkan yield to a question?"

Senator Durkan:

"Yes, I will."

Senator Woodall:

"There are many of these old folks homes. There are many of these people who are hardly paid enough to get by now. Any of these people hired there would still come under this, would they not?"

Senator Durkan:

"Yes, although the director can by rule and regulation exempt these people.

"The law doesn't clearly exempt them but the rules and regulations can, I believe. This is sort of a 'gray area'."

Senator Woodall:

"I am under the impression that the Supreme Court has rather taken out the power of the director, and if this does remain in the 'gray area', I can see a tremendous hardship in some of these homes of welfare recipients that are going to come right back to the state and say they can't get by on the amount allowed. Would you object to an amendment of that particular category?"

Senator Durkan:

"My only problem here is that this bill has been introduced in this form after some negotiations, and my feeling is that if we open this bill up now for amendments we will go down the road, and with that in mind, I have to recede."

Senator Woodall moved that Senate Bill No. 30 be retained at the end of the second reading calendar.

Senator Greive moved that the motion by Senator Woodall be laid on the table.

A division was requested.

The motion carried on a rising vote, and the motion presented by Senator Woodall was laid on the table.

"I would like to suggest that the President recognize Senator Hallauer who might now explain to us why he was absent."

Senator Hallauer:

"A grave misunderstanding on my part. I thought it was another bill that we were on."

The President:

"Under the circumstances, if you would like to change your vote, it will be in order."

Senator Hallauer:

"Mr. President, I would like to vote 'aye'."

**Senate Bill No. 30**, by Senators Durkan and Dore (by Executive request):  
Relating to wages and employment.

The bill was read the second time by sections.

Senator Moriarty moved that the following amendment be adopted:

In section 2, page 1, line 27, add the following proviso: "*Provided further*, That nothing in this chapter shall be construed to amend, affect, or in any way change the terms and conditions of any labor-management agreement or collective bargaining agreement entered into prior to the effective date hereof."

On motion of Senator Greive, the amendment by Senator Moriarty was laid on the table.

Senator Greive moved that the amendment by Senator Woodall be laid on the table.

Senator Greive demanded a roll call, which was sustained by Senators Bargreen, Connor, Rasmussen, Gallagher, Henry, Kupka, Angevine and Cooney.

The President stated the question before the Senate to be the motion to lay on the table the amendment by Senator Woodall.

The Secretary called the roll and the amendment by Senator Woodall was laid on the table by the following vote: Yeas, 26; nays, 23; absent or not voting, 0.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Connor, Cooney, DeGarmo, Dore, Durkan, Elway, Jr., Gallagher, Gissberg, Greive, Henry, Herrmann, Hess, Hofmeister, Knoblauch, Kupka, McCormack, Martin, Morgan, Nunamaker, Papajani, Rasmussen, Sandison, Washington—26.

Those voting nay were: Senators Chytil, Cowen, Donohue, Foley, Foster, Freise, Hallauer, Hanna, Happy, Keefe, Lennart, McCutcheon, McMillan, Moriarty, Jr., Neill, Petrich, Raugust, Riley, Ryder, Shannon, Talley, Thompson, Jr., Woodall—23.

#### MOTION

On motion of Senator Greive, the Senate was declared to be at ease pending completion of an amendment by Senator Elway.

#### POINT OF INQUIRY

Senator Woodall:

"Under the Call of the Senate, I thought that lobbyists were not to invade the inner walls of the lobby."

#### RULING OF THE PRESIDENT

The President:

"Your point of inquiry is well taken. The Sergeant-at-Arms will please escort all unauthorized personnel from the lobby of the Senate."

Debate ensued.

#### PERSONAL PRIVILEGE

Senator Greive:

"Just so Senator Lennart and members of the press will understand, if any reference is made to Mr. Weston as a lobbyist, he has been sitting in the gallery all the time. He is not on the floor."

Senator Durkan:

"Senator Lennart, for your information, President Weston of the A.F. of L. and David Gordon of the Association of Washington Industries, don't affect my voting at all. You and I have worked well together this session."

Senator Herrmann:

"It is all right for anyone to approach a Senator if that Senator wishes to speak to them."

Senator Elway moved that the following amendment be adopted:

In section 2, page 1, line 27, after "hour" and before the period, insert the following: "*PROVIDED FURTHER, Any individual whose duties require that he reside or sleep at the place of his employment and who spends a substantial portion of the time on the employer's premises without being engaged in performance of active duties shall not be subject to this act.*"

#### POINT OF ORDER

Senator Dore:

"That amendment is the same as the amendment we have already voted down. I don't think he can raise it now."

#### POINT OF ORDER

Senator Woodall:

"The fact that this amendment before was voted down earlier does not bar an amendment which is less than all of which was submitted first. It was a compound amendment in a sense. It described two categories. It was voted down in the full. Now the amendment by Senator Elway embodies a portion of it and therefore it does not come under that rule and cannot be considered as the same amendment."

Senator Greive:

"I would like to support Senator Woodall. Actually, something less certainly cannot be considered to be the same amendment."

#### RULING OF THE PRESIDENT

The President:

"The President believes that the explanation offered by Senator Woodall is correct. The amendment is in order."

Debate ensued.

Senators Greive, Hofmeister and Gallagher, demanded the previous question.

The President stated the question to be, shall the main question be now put.

The demand for the previous question was sustained.

The President stated the question to be the adoption of the amendment presented by Senator Elway.

The motion carried, and the amendment was adopted.

On motion of Senator Elway, the following amendment to the title was adopted:

On line 1 of the title, after "adding" strike "a" and insert "two"

On motion of Senator Durkan, the rules were suspended, Engrossed Senate Bill No. 30 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 30, and the bill passed the Senate by the following vote: Yeas, 31; nays, 18; absent or not voting, 0.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Connor, Cooney, DeGarmo, Dore, Elway, Jr., Foley, Gallagher, Gissberg, Greive, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, Martin, Morgan, Nunamaker, Papajani, Petrich, Rasmussen, Riley, Sandison, Talley, Washington—31.

Those voting nay were: Senators Chytil, Cowen, Donohue, Durkan, Foster, Freise, Hallauer, Happy, Lennart, McCutcheon, McMillan, Moriarty, Jr., Neill, Raugust, Ryder, Shannon, Thompson, Jr., Woodall—18.

Engrossed Senate Bill No. 30, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

#### MOTION

On motion of Senator Greive, the Senate dispensed with the Call of the Senate.

#### PRESIDENT'S PRIVILEGE

The President:

"Gentlemen of the Senate; Mrs. Morgan:

"The Secretary will read the story of the theme music for Century 21, the musical story of Rhapsody '21', (Awakening of the Sleeping Giant)."

The Secretary read:

THE MUSICAL STORY OF RHAPSODY "21"  
(AWAKENING OF THE SLEEPING GIANT)

Antoinette (Toni) Mineo  
(Composer) ASCAP

Attilio (Art) Mineo  
(Orchestrator) ASCAP

For many years the Herculean feats of the legendary Paul Bunyon and his great blue ox shaping the natural beauties of our state of Washington have been favored tongue in cheek stories sounded on the eardrums of the unsuspecting tourist. The story tellers have pointed to beautiful Puget Sound and explained how Paul and his beast scooped out the many cubic miles of earth to make this great water basin and then having no use for all the dirt left it in a huge pile which, of course, today we call Mount Rainier.

This, to be sure, happened in the many yesteryears.

What has happened to this great State benefactor? Has he died? But, no, how can a legend die? Has he moved elsewhere? Certainly not, when he personally landscaped Washington to his liking. What then? To find our answer we resolve to Rhapsody "21", The Awakening of the Sleeping Giant, by Antoinette Mineo, a native Washingtonian.

As we hear the first few bars of this composition we can picture Paul Bunyon with head resting on the snow cushions of Mount Rainier bathing his feet in the Sound as he quietly breaks the quiet of his long sleep. He rises, slowly rubs his eyes and looks down from his pinnacle. He sees and hears the passionate pulsation of progress as Horace Greeley advocates terminate their westward trek in his wondrous Evergreen State. He senses a problem. These people must live, work, build and propagate to achieve fulfilled happiness. Hunting the bountiful game on the many mountain slopes and prairie lands, fishing the game salmon and the wily trout, seeking the beauties of nature, sailing the uncluttered waters, skiing the thrilling snow runs . . . vacation throughout the year . . . yes, all these things may seem pleasantly satisfying, thinks Paul . . . but more than peaceful pleasures are needed now.

So Paul awakens. . . .

He surveys the mighty Columbia and knows that here is power . . . the power to build . . . wasted power flowing unused to the sea. He builds a dam, then another and another. As his ambitions grow the music tempo keeps pace as we musically picture him fashioning channels to bring nourishing water to barren wastelands, creating green gardens where formerly weeds refused to grow. He sees this life-giving liquid pulsing through the veins of progress to fashion an integral component of the Atomic Age.

Still . . . within our theme all is not power and progress . . . the string section describes fertile valleys of golden daffodils . . . ever green bowers of Douglas fir and pine . . . the brilliant yellow of the Scotch broom plant . . . the varicolored hues of beautiful wildflowers in a confusion of disarrangement. The woodwinds picture the bear, the deer and the elk in their mountain habitats and the flurry of a Chinese pheasant's wings, the blatant sound of a duck and the honk of the goose . . . all unhurried and unchallenged as they flourish in the protection of natural camouflage.

The brass section returns us to Paul Bunyon speeding over his path of progress as with his mammoth thumb he builds super highways, provides a jet airport with a stamp of his foot . . . ever increasing in size and beauty our hamlets and cities.

Justly proud, Paul desires the attention and compliments of the world for the work he has done . . . and now . . . wise to the ways of the men of today he schemes, he plans and he builds an exhibit of modernistic architecture devoted to the skills of science and in tribute to tomorrow . . . with full knowledge that when a people, a state, a nation and even a world fail to constantly move forward they can only lose pace with human conscience and revert to the bygone . . . fully neglectful of God's gift of life to man.

So as we contemplate the melodic fusion in the ending of Rhapsody "21" we sense that here within the desires, ambitions and capabilities of this great legend of yesterday is a true parody for the unified purpose of each man and his neighbor, the people of the state of Washington.

as described by

WENDELL L. PARKER.

**MOTION**

At 5:40 o'clock p. m., on motion of Senator Greive, the Senate adjourned until 11:00 o'clock a. m. on Friday, March 24, 1961.

**FIFTEENTH DAY****MORNING SESSION**

SENATE CHAMBER,  
OLYMPIA, WASH., Friday, March 24, 1961.

The Senate was called to order at 11:00 o'clock a. m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present.

The Color Guard, consisting of Pages Jim Archer, Color Bearer, and Nancy Christiansen, presented the Colors.

Reverend J. Burton Salter, Pastor of the St. John's Episcopal Church of Olympia, offered prayer as follows:

"Let us pray.

"O Lord our God, we remember Thy promise that wheresoever and whensoever two or three are gathered together in Thy Name, Thou art there in the midst of them. We claim that promise this day, and pray that each one of us may be aware of Thy presence, for Thou knowest our needs, and how inadequate we feel ourselves to be in the presence of the problems of the state of Washington. If Thou wilt help us, O Lord, then we shall be better than we are, wiser than we know, and stronger than we dream. We ask Thy blessing upon these Senators who feel the weight of responsibility and the need of divine guidance. Bestow upon them the courage to do the right as Thou hast given them to see the right and make it clear unto us all, for Jesus Christ's sake. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

The Secretary read:

#### FIRST READING OF HOUSE BILLS

The following were read first time by title and acted upon as indicated:

**House Joint Resolution No. 6**, by Representatives Henry, Wedekind and Garrett:

Designating official song for Century Twenty-One.

On motion of Senator Henry, the rules were suspended, House Joint Resolution No. 6 was advanced to second reading, and read the second time in full.

On motion of Senator Henry, the rules were suspended, House Joint Resolution No. 6 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

#### POINT OF INQUIRY

Senator Kupka:

"Will Senator Henry yield to a question?"

Senator Henry:

"Yes, I will."

Senator Kupka:

"Would you kindly tell us whether this is 'bebop' or 'rock and roll' before we adopt this resolution?"

Senator Henry:

"I understand from the musicians around that this is a very simple type western ballad, something like 'The Shooting of Dan McGrew.'"

Senator Kupka:

"So long as it doesn't encroach on this beautiful rhapsody, I won't complain."

Debate ensued.

On motion of Senator Henry, the rules were suspended, and House Joint Resolution No. 6 was reverted to second reading for the purpose of amendment.

On motion of Senator Rasmussen, further consideration of House Joint Resolution No. 6 was held over until the afternoon in order that the Senate might have an opportunity to hear the song.

#### SECOND READING OF BILLS

**Senate Bill No. 21**, by Senators Neill, Hallauer and Foley:

Relating to University of Washington tuition fees.

The bill was read the second time by sections.

Senator Hess moved that the following amendment be adopted:

On page 3, add a new section following section 1 as follows:

**NEW SECTION.** Sec. 2. The board of regents of the University of Washington, in lieu of collecting general tuition and other fees in cash from needy resident students, may adopt a deferred payment plan for such students whenever need and inability to pay is clearly demonstrated. Any such deferred payment plan shall contain a promissory note from the student bearing interest at the rate of four percent on the declining balance. Such plans shall be approved by the board on the basis of the

greatest need demonstrated. The number of such plans shall not exceed ten percent of the student enrollment at any one time.

Senators Hess, Martin and DeGarmo demanded a Call of the Senate.  
A Call of the Senate was ordered.

#### CALL OF THE SENATE

The Sergeant-at-Arms locked the doors of the Senate Chamber.

#### MOTION

On motion of Senator Ryder, the rules were suspended and Senator Freise was excused.

The Secretary called the roll on the Call of the Senate, all members being present except Senator Freise, who was excused.

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Hess yield to a question?"

Senator Hess:

"I will."

Senator Riley:

"The report from which you quoted, was that a national study, or a study of high school graduates in the state of Washington?"

Senator Hess:

"The article quoted was called the 'Conservation of Intellectual Talent', and the national figures I used most conservatively were from ten publications all over the United States. The Washington figures indicate that the student potential in Washington for loans of this type are somewhat greater than throughout the Nation."

Senator Riley:

"My thought was this: If it were a national level, embracing fifty states, because of the higher position of financing in this state, that those figures might not be typical."

Senator Hess:

"I think these figures for the state of Washington are conservative."

#### POINT OF INQUIRY

Senator Moriarty:

"Will Senator Hess yield to a question?"

Senator Hess:

"Yes, I will."

Senator Moriarty:

"Your amendment, as it is prepared, limits the qualifications for these deferred payment plans to the needy, and you say that some of our most brilliant students are not going to college because of this condition. I wonder if we should not also put in your amendment standards of academic qualifications."

Senator Hess:

"This was considered and discouraged by the colleges themselves. They report that there are many excellent students who do not get the high grades in high school, and are greatly qualified, and they find many doors closed to them because most scholarships are on this basis. Many of these students perhaps were involved in athletics and other things. This is the reasonable approach to it. This position was taken only after talking with the scholarship boards and college people."

Debate ensued.

Senator Hess demanded a roll call, which was sustained by Senators

Nunamaker, Talley, Donohue, Rasmussen, DeGarmo, Washington, Greive, Martin and Connor.

The Secretary called the roll on the adoption of the amendment by Senator Hess, and the amendment was not adopted by the following vote: Yeas, 12; nays, 36; absent and excused, 1.

Those voting yea were: Senators Bargreen, Donohue, Gissberg, Hess, McCormack, Morgan, Neill, Nunamaker, Rasmussen, Talley, Thompson, Jr., Washington—12.

Those voting nay were: Senators Angevine, Bailey, Chytil, Connor, Cooney, Cowen, DeGarmo, Dore, Durkan, Elway, Jr., Foley, Foster, Gallagher, Greive, Hallauer, Hanna, Happy, Henry, Herrmann, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCutcheon, McMillan, Martin, Moriarty, Jr., Papajani, Petrich, Raugust, Riley, Ryder, Sandison, Shannon, Woodall—36.

Those absent and excused were: Senator Freise—1.

Senator Hess moved that the following amendment be adopted:

On page 2, section 1, line 18, after "*seventy-five dollars*" strike the period and insert "*: PROVIDED, That such combined fees shall not be increased more than fifteen percent in any one year.*"

The motion lost and the amendment was not adopted.

On motion of Senator Neill the following amendment was adopted:

In section 1, subdivision (5) (ii), page 2, line 18, after "*seventy*" and before "*dollars*" strike "*-five*"

On motion of Senator Lennart, the following amendment was adopted:

On page 2, section 1, line 18, after "*dollars*" and before the period, insert "*: PROVIDED, That the total of the general tuition fees together with other fees shall not exceed an amount of three hundred dollars in any one year exclusive of the summer session*"

Senator Lennart moved that the following amendment be adopted:

On page 2, section 1, line 22 after "*dollars*" and before the period insert "*: PROVIDED, That the board may waive all or any part of the general tuition fee for any nonresident if the state colleges or universities of the state or province of Canada of his residence waive general tuition nonresident fees for resident students of this state: PROVIDED FURTHER, That the general tuition fee charged to such nonresident shall not be less than resident general tuition fees herein provided*"

The motion lost and the amendment was not adopted.

On motion of Senator Sandison, the rules were suspended, Engrossed Senate Bill No. 21 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

#### POINT OF INQUIRY

Senator Washington:

"Will Senator Hallauer yield to a question?"

Senator Hallauer:

"Yes, I will."

Senator Washington:

"In preface, the Colleges of Education, now the State Colleges, there is a general feeling that a graduate, after he has gone through one of these colleges, doesn't have quite the academic status as a graduate from the University of Washington or Washington State University. Is that not true? In recognition of this fact, there has been a difference in fees between these two types of institutions. Could you state in your opinion, and your understanding of the fees, what the fees will be in the Colleges of Education, and what the fees will be in the University of Washington and Washington State University, so that we could have a definite understanding of the difference?"

Senator Hallauer:

"I do appreciate what you are driving at here. The idea has been to create a relationship on the level of \$4.00 to the universities to \$3.00 to the state colleges. So, we would have, in effect, a fee schedule in accordance, in expectation that would boost their total fees from \$250 to \$275. It is my understanding that the parallel is that of the University of Oregon, where the \$275 fee prevails. Anyone speaking on this, at this time, is however in a difficult position, because the Board of Regents may react differently, but the \$250 to \$275 range, I am sure, is what the Committee had in mind when they acted."

#### PERSONAL PRIVILEGE

Senator Lennart:

"Regarding the question of Senator Washington as to the relationship in fees, the proposed tuition bills before us for our institutions of higher learning are supposed to set a pattern of comparative fairness. Under the amendment of Senator Neill, the bill just passed, the State College minimum tuition would be \$210. Under the present bill, the Western Washington College would be \$223. This is correct, but I do not understand why that amendment is put in there. The relationship is not true under these conditions."

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 21, and the bill passed the Senate by the following vote: Yeas, 44; nays, 4; absent and excused, 1.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Durkan, Elway, Jr., Foley, Foster, Gallagher, Greive, Hallauer, Hanna, Happy, Henry, Herrmann, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Nunamaker, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Washington, Woodall—44.

Those voting nay were: Senators Gissberg, Hess, Talley, Thompson, Jr.—4.

Those absent and excused were: Senator Freise—1.

Engrossed Senate Bill No. 21, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

The Senate reverted to the fifth order of business for the purpose of receiving messages from the House.

**MESSAGE FROM THE SECRETARY OF STATE****DEPARTMENT OF STATE  
OFFICE OF THE SECRETARY**

Olympia, Washington, March 22, 1961.

*To the Honorable, the President of the Senate,  
The Legislature of the State of Washington, Olympia, Washington.*

SIR:

I have the honor to transmit herewith pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the State Senate, the following bills passed by the State Senate and House of Representatives at the Regular Legislative Session of 1961, and *partially* vetoed by the Governor, together with his veto message attached thereto.

They are Enrolled Senate Bills Nos. 129, 288 and 548.

Respectfully,

(signed) VICTOR A. MEYERS,  
Secretary of State.

State of Washington, Executive Department,  
Olympia, March 21, 1961.

*To the Honorable, the Senate of the State of Washington.*

(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to one section, **Substitute Senate Bill No. 129** entitled:

"An Act relating to state government; changing the membership of the Washington toll bridge authority; relating to the powers and duties of the Washington toll bridge authority and the state highway commission; amending section 47.56.020, chapter 13, Laws of 1961 and RCW 47.56.020; amending section 47.56.030, chapter 13, Laws of 1961 and RCW 47.56.030; adding six new sections to chapter 13, Laws of 1961 and chapter 47.56 RCW; declaring an emergency; and providing effective dates." This bill, which is sponsored by the Committee on Highways, completely revamps

and reorganizes the Washington Toll Bridge Authority. It removes from the Toll Bridge Authority the State Auditor, the Chairman of the Public Service Commission, the Chairman of the State Highway Commission, and the Director of General Administration.

The members removed are replaced by two members of the State Highway Commission designated by the Commission, and two members appointed by the Governor, leaving the Governor as a member of the Commission.

Section 3 of this bill provides that one of the members appointed by the Governor shall reside east of the Cascades; the other one west thereof. It also provides that one member each, shall be selected from each of the major political parties. The section further provides that no elected state official or state officer shall be appointed by me to the Authority. The section further provides that members of the Authority can be removed only for specified grounds after a hearing in the Superior Court of the State of Washington in and for Thurston County.

It is my considered judgment that there is no need that one of the two members of this Authority to be appointed by me reside east of the Cascade Mountains. I expect that the Highway Commission will elect one of the members designated by the Commission to be a member whose residence is east of the Cascade Mountains. Secondly, it should be recognized that meetings of the membership of this Authority will be frequent. Members appointed from east of the Cascades may not attend the frequent meetings which will be called and which will take place at the State Capitol. The major function of the Authority deals with problems related to the State ferry system. In addition, most of the toll facilities will be located west of the Cascades. Therefore, reason demands that the majority of the members of this Authority should reside west of the Cascades. I also believe it would be unwise to categorically refuse membership on this Authority to elected or appointed State officials. By virtue of their residence, and their experience in governmental affairs, I would consider it a serious mistake to deprive ourselves of the services of a well trained and qualified individual who may be a State officer, from serving on the Authority.

For the reasons indicated, section 3 of the bill is vetoed. The remainder of the bill is approved.

Respectfully submitted,  
(signed) ALBERT D. ROSELLINI,  
Governor.

On motion of Senator Greive, Substitute Senate Bill No. 129 and the Governor's partial veto thereto, were referred to the Committee on Rules and Joint Rules.

State of Washington, Executive Department,  
Olympia, March 21, 1961.

To the Honorable, The Senate of the State of Washington  
(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to one section, Senate Bill No. 288 entitled:

"An Act relating to highways and acquisition of property therefor; authorizing the investment of state funds; amending section 6, chapter 274, Laws 1955, and RCW 41.32.200; amending section 8, chapter 274, Laws of 1947, as last amended by section 1, chapter 220, Laws of 1955, and RCW 41.40.070; and amending section 51.44.100 chapter ....., Laws of 1961 (House Bill No. 4) and RCW 51.44.100."

Senate Bill No. 288 authorizes the State Highway Commission to purchase or condemn real property or property rights necessary for the improvement of the State highway system, at times reasonably in advance of programmed construction of the highways. Section 8 of this bill amends RCW 41.32.200. It amends said section of the Revised Code of Washington by permitting the Board of Trustees of the Teachers' Retirement System to invest in motor vehicle fund warrants to be issued by the Highway Commission to pay for the costs of advance acquisition of real property or property rights as previously explained.

Section 1 of Senate Bill No. 314 likewise purports to amend RCW 41.32.200. This section outlines in detail the various securities in which the Board of Trustees of the Washington State Teachers' Retirement System may authorize the State Finance Committee to invest for the Teachers' Retirement System. The provisions contained in section 1 of Senate Bill No. 314 are of the utmost importance to the Teachers'

Retirement System because the investments provided therein will allow that System to obtain an increased yield from its investments which will assure the Teachers' Retirement System to remain actuarially sound.

Since retirement systems other than those of the teachers have been allowed to invest in the Highway warrants above described, the Highway Commission will be able to achieve the principal purpose of Senate Bill No. 288, and by vetoing section 8 of Senate Bill No. 288 the Teachers' Retirement System will benefit from the provisions contained in Senate Bill No. 314.

For the reasons indicated, section 8 of Senate Bill No. 288 is vetoed, and the remainder of the bill is approved.

Respectfully submitted,  
(signed) ALBERT D. ROSELLINI,  
Governor.

Senator Greive moved that the partial veto message of the Governor on Senate Bill No. 288, together with the bill, be referred to the Committee on Rules and Joint Rules.

State of Washington, Executive Department,  
Olympia, March 21, 1961.

To the Honorable, The Senate of the State of Washington  
(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am returning herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to subsection 1, of section 5, Senate Bill No. 548 entitled:

"An Act providing for the control or elimination of mosquitoes."

This bill is approved with the exception of subsection 1 of section 5, which is vetoed.

Subsection 1 of section 5 requires the consent of both the owner and occupant prior to any inspection to determine the existence of mosquito breeding places. This requirement would unnecessarily restrict health officials in establishing a proper program for the control or elimination of mosquitoes. It would in effect make routine inspections during the short mosquito breeding season administratively impossible, and add considerably to the public expense of mosquito control. Since the health department is already given the power to make inspections and investigations in section 2 of the bill, the requirement of prior consent, particularly in instances where property is owned by an absentee landlord, imposes an unequal burden on resident land owners and undue expense and restriction on public health authorities.

The reasons stated in the preceding paragraph impel me to veto subsection 1, of section 5. The remainder of the bill is approved.

Respectfully submitted,  
(signed) ALBERT D. ROSELLINI,  
Governor.

Senator Greive moved that the Governor's veto message on Senate Bill No. 548 together with the bill be referred to the Committee on Rules and Joint Rules.

Senator Woodall moved that further veto messages be held up until tomorrow and the Senators be given copies of the messages.

The motion carried.

Senator Riley:

"Yes, I will."

Senator Hess:

"If we put this in the Rules Committee, do you suppose we might prevail upon your friend, Mercedes, to come down and sing her song for us?"

Senator Knoblauch:

"Senator Petrich, will you help me on that?"

Senator Petrich:

"The part referred to as being repealed is the section 5 of House Bill No. 455 which validated annexations in excess of one square mile. Section 5 was one of the few remaining portions of the bill after the Governor vetoed sections 1, 2 and 3."

On motion of Senator Gissberg, the rules were suspended, and the Senate did not resolve itself into the Committee of the Whole for the purpose of considering Substitute Senate Bill No. 17.

The bill was read the second time by sections.

**PERSONAL PRIVILEGE**

Senator Gissberg:

"For the purpose of the record, I wish to read a letter addressed to me from Mr. Bugge, director of highways, who should be in a position to know, which he handed to me yesterday at my request at the time we were considering this bill:

"It is the plan of the State Highway Commission to complete the sale of bonds as authorized by legislative act in 1957 for the acceleration of the construction of the Tacoma-Seattle-Everett freeway.

"So as to expedite the construction of certain sections of this freeway in order that they can be opened to traffic at an earlier date than was originally projected, the sale of these bonds in the 1961-1963 biennium will accelerate the construction of that section of the freeway from Everett south to James Street in the City of Seattle by approximately one year, which would be in 1964 instead of the original completion date of 1965."

"I think it should be pointed out that I have been of the opinion for some time that the freeway would not be completed by 1965. It is possible that the contracts might be let by 1965, but I am confident that the freeway would not be completed so I think that had the commission succeeded in the original plan, the freeway would not be completed until 1967. I think that by the issuance of these bonds, we should have the freeway completed in three years."

**POINT OF INQUIRY**

Senator Riley:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator Riley:

"My question is this. Based on the letter that you have and from which you quote and from your statement, do I understand that the commission is on record as saying that they will sell additional bonds, and upon that basis and by that method accelerate, expedite and bring to conclusion earlier that portion of the Seattle-Tacoma freeway?"

Senator Gissberg:

"I am not able to answer that categorically 'yes', or 'no'. For that reason, I explained this as carefully as I could. The fact is that I did receive a letter saying that the bonds would be issued, but the director did not indicate this was the official action of the state department of highways. I have here a letter from the director of highways saying that it is the plan of the state highway commission, and the reason that I made the remarks that I have, is to continue to make them as public as I could in order to have every possible effect on expediting the completion of this freeway."

Senator Riley:

"I am likewise asking a question which will indicate that it is the hope of at least Senator Gissberg and myself that they shall do this so that the program will be expedited to an earlier conclusion."

**POINT OF INQUIRY**

Senator Petrich:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Petrich:

"My question is directed to section 10 of the subject bill. It is my understanding that the tolls were way ahead of schedule, and there is no problem about the feasibility of that program in view of the fact that it is a well-paying project. What is the purpose of the loan?"

Senator Washington:

"This was a part of the original plan and the bond resolution of setting up the Tacoma Narrows Bridge, making that a responsibility of the highway commission, and this expense being borne by the motor vehicle fund. It is assisted by the funds of the Narrows Bridge and has helped by paying it off faster than it otherwise would."

The Secretary called the roll on the final passage of Substitute Senate Bill No. 17, and the bill passed the Senate by the following vote: Yeas, 44; nays, 0; absent or not voting, 5.

Those voting yea were: Senators Angevine, Bailey, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Elway, Jr., Foley, Foster, Gallagher Gissberg, Greive, Hallauer, Hanna, Happy, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Washington, Woodall—44.

Those absent or not voting were: Senators Bargreen, Durkan, Freise, Lennart, Nunamaker—5.

Substitute Senate Bill No. 17, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

The Senate reverted to the first order of business.

The Secretary read:

Senator Washington moved that the second committee amendment be adopted.

#### POINT OF INQUIRY

Senator Rasmussen:

"Would Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Rasmussen:

"Would you have any objection if we put a further amendment to say that twenty percent of that would go into the general fund?"

Senator Washington:

"Yes, I would object.

"This section of the License Department is supported solely by the motor vehicle fund. I feel that we have gone very thoroughly into this in committee meeting, and I feel that we should not do too much amending on the floor. If we do, we will wind up without knowing what we have."

The President stated the question to be the adoption of the second committee amendment.

The motion carried and the second committee amendment was adopted.

Senator Washington moved that the third committee amendment be adopted.

#### POINT OF INQUIRY

Senator Petrich:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Petrich:

"As I understand your proposed amendment, this is available to the Director of Licenses for the purpose of keeping track of records. Is that correct?"

Senator Washington:

"Yes, that is correct."

Senator Petrich:

"If this particular amendment were adopted, then the Director of Licenses, as charged by law to keep certain records and books, would have no funds with which to keep these records. Is this true?"

Senator Washington:

"I suppose there is some possibility of that.

"This particular amendment was pressed by Senator Hess who was a member of that committee, and frankly, will be more informed on the revolving fund than I am. He would be more able to answer questions on the revolving fund."

Senator Hess:

"The committee's thinking is that we had too many revolving funds. This involves a lot of money, and funds for operation should be drawn from the general motor vehicle fund."

Debate ensued.

The President stated the question to be the adoption of the third committee amendment.

The motion carried and the third committee amendment was adopted.

On motion of Senator Washington, the fourth, fifth, sixth, seventh, eighth and ninth committee amendments were adopted.

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Riley:

"The amendment in the book records the new sections as sections 44 and 45, whereas I believe the Secretary wrote them as sections 45 and 46. It may not be of major concern, but the record should be clear."

The President:

"The Secretary has assured me that it will be taken care of, Senator Riley."

The President stated the question to be the adoption of the tenth committee amendment.

The motion carried and the tenth committee amendment was adopted.

On motion of Senator Washington, the committee amendments to the title were adopted.

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Riley:

"I am trying to follow this. Am I now clear, Senator Washington, that your amendment puts back on page 3 the bracketed material appearing in lines 1, 2 and 3?"

Senator Washington:

"That is correct."

The motion carried, and the amendment was adopted.

Senator Raugust moved that the following amendment be adopted:  
In section 14, page 10, strike everything on line 19 to and including line 28.

Debate ensued.

Senator Elway:

"Will Senator McCormack yield to a question?"

Senator McCormack:

"Yes, I will."

Senator Elway:

"You made the statement that ninety-five million dollars is forthcoming from the federal level to stimulate the traffic. Is the federal government not going to assume any more responsibility than fifty percent in this matter?"

Senator McCormack:

"This will be ninety-five percent. This means all sorts of business."

Senator Elway:

"My question is, if this is normal, that the servicing of federal projects is not the responsibility of the federal government, or have they been approached to spend more than fifty percent?"

Senator McCormack:

"It is not a federal project."

Debate ensued.

**POINT OF INQUIRY**

Senator Donohue:

"Will Senator Rasmussen yield to a question?"

Senator Rasmussen:

"Yes, I will."

Senator Donohue:

"Did I understand you in your statement to say that this would make a short connection by the tri-city area to Yakima?"

Senator Rasmussen:

"You understood me to say it would be a short cut-off. And furthermore, I said that it would give the people a chance to get to Yakima."

Senator Donohue:

"Are you familiar with that area?"

Senator Rasmussen:

"Not with all the sticks and stones, but fairly familiar."

Senator Donohue:

"Do you realize that this road doesn't go to Yakima at all?"

Senator Rasmussen:

"Quite right! But possibly the people would have a short-cut whereby they could get to Yakima."

Senator Greive moved that the amendment by Senator Raugust be laid on the table.

Senator Raugust demanded a roll call, which was sustained by Senators Elway, Shannon, Woodall, Foster, Chytil, DeGarmo, Moriarty and Nunamaker.

Senator Rasmussen:

"I stayed too long in the Highway Committee, and I wish to apologize to Senator Donohue. He was entirely right. The town I was thinking of was Ellensburg, rather than Yakima."

Senator Woodall moved that the following amendment be adopted:

On page 19, beginning on line 33 strike all of section 27 and renumber the remaining sections consecutively.

Senator Gissberg moved that the amendment proposed by Senator Woodall be laid on the table.

Those voting yea were: Senators Bailey, Connor, Cowen, Elway, Jr., Gissberg, Hallauer, Hanna, Henry, Hess, Hofmeister, Keefe, Knoblauch, McCormack, Martin, Morgan, Riley, Sandison, Talley, Washington—19.

#### MOTION

Senator Herrmann moved that Senate Bill No. 49 hold its place on the the second reading calendar for Monday.

#### POINT OF INQUIRY

Senator McCormack:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator McCormack:

"Could it be true. I heard a rumor that this bill was already held in committee?"

Senator Washington:

"The entire bill. Definitely both bills have been held. We had a revenue measure, and as you know, the legislature can sometimes dissolve very quickly after the revenue bills are passed. This bill was held until the revenue bill was out of the way. You are right in that, Senator McCormack."

Senator Rasmussen:

"The Highway Committee met yesterday from the time we adjourned until 8:00 o'clock last night. There were arguments in there about why this bill should be expedited. I think this bill should be held over now. I would appreciate more time, and I think the members would appreciate more time also. We would be making ourselves ridiculous if we were to take an important bill like this and let the House clean it up. If we do the job here, we should make any changes that are necessary."

#### POINT OF ORDER

Senator Greive:

"I think maybe we can settle this entire matter by referring to Senate Rule 59. 'No bill shall embrace more than one subject, and that shall be expressed in the title,' and I ask a ruling on that matter, as it certainly involves two entirely different groups of people."

#### RULING OF THE PRESIDENT

The President:

"In ruling on the point of order, the President rules that the title is broad enough to include the section. The section is properly within the bill."

Senator Greive:

"I did not raise that point. My point was not that it wasn't within the title, but that there were two subjects in one bill.

"Temporarily, I will withdraw my point of order."

The President:

"If there are no objections, Senator Greive may withdraw his point of order."

There were no objections, and the point of order by Senator Greive was withdrawn.

Senator Hofmeister moved that the motion by Senator Herrmann, that Senate Bill No. 49 retain its place on the second reading calendar for Monday, be laid on the table.

There being no objection, Senator Herrmann withdrew his motion.

**POINT OF INQUIRY**

Senator Morgan:

"Will Senator Hallauer yield to a question?"

Senator Hallauer:

"Yes, I will."

Senator Morgan:

"Did I understand you correctly when you said there was one company who had the people employed in an investigation company, as a claims agency?"

Senator Hallauer:

"Do you have the name of that company?"

"There are many such companies. These are profit-making organizations. We have many such companies in this state. This seems a little odd to me."

Senator Morgan:

"May I ask you, would the press be able to get the information as well as this investigating company?"

Senator Hallauer:

"I presume not, but the press men could secure this information."

Senator Morgan:

"The information given to us was that the insurance companies resorted to this device because of the matter of time involved."

Senators Ryder, Neill and Moriarty demanded the previous question.

The President stated the question to be, shall the main question be now put.

The motion carried, and the demand for the previous question was sustained.

**MOTION**

On motion of Senator Keefe, the rules were suspended and Senators Gissberg and Raugust were excused.

The President stated the question before the Senate to be, it has been moved that the amendment by Senator Hallauer to the amendment by Senator Woodall, be adopted.

The motion lost, and the amendment to the amendment was not adopted.

**MOTION**

Senator Hallauer moved that further consideration of Senate Bill No. 49 take its place on second reading on the next calendar day.

A division was requested and the motion lost on a rising vote.

The President stated the question before the Senate to be, it has been moved that the amendment by Senator Woodall be adopted.

A division was requested.

The motion carried on a rising vote, and the amendment by Senator Woodall was adopted.

Senator Rasmussen moved that the following amendment be adopted:

Add a new section as follows:

**NEW SECTION.** Sec. 46. If any of the provisions of this act are vetoed for any reason other than being invalid, all of the provisions of this act shall be presumed to be vetoed.

Senator Greive moved that the amendment proposed by Senator Rasmussen be laid on the table.

The motion carried, and the amendment was laid on the table.

On motion of Senator Washington, the following amendment to the title was adopted:

On page 2, line 12 of the title after "(uncodified);" strike all of the matter down to and including "46.52 RCW;" on line 13

#### MOTION

On motion of Senator Woodall, the rules were suspended and the absent Senators were excused from this roll call.

On motion of Senator Washington, the rules were suspended, Engrossed Senate Bill No. 49 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 49, and the bill passed the Senate by the following vote: Yeas, 44; nays, 1; absent and excused, 4.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Chytil, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Durkan, Elway, Jr., Foley, Foster, Gallagher, Greive, Hallauer, Hanna, Happy, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, McCutcheon, McMillan, Martin, Morgan, Moriarty, Jr., Neill, Nunamaker, Petrich, Rasmussen, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Washington, Woodall—44.

Those voting nay were: Senator Papajani—1.

Those absent and excused were: Senators Freise, Gissberg, Lennart, Raugust—4.

Engrossed Senate Bill No. 49, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

#### PERSONAL PRIVILEGE

Senator Woodall:

"I merely want to state that on a bill of this nature where there is no controversy, I see no purpose to hold up the vote in order to bring in three men for the purpose of voting, when they are working hard on another matter."

#### PERSONAL PRIVILEGE

Senator Riley:

"I want to speak on a matter of the suspension of the rules constantly on roll call. I particularly dislike the arrangement when we have a Call of the Senate that we find it convenient to suspend the rules and excuse people from roll call. Either there is no excuse for a Call of the Senate, and if that is the case, let's dispense with the Call of the Senate. And when we have a Call of the Senate, it is bad enough to even suspend the rules to ask that the Senators' names be called at the bottom of roll call. We live by rule of majority. The majority of the Senators are here in their seats and ready to vote. I think that we are abusing the privilege and making a mockery of our own rules on important measures, such as roll call. If I am here next session and my memory is any good, I am going to try to tighten up on this matter of roll call and have the members here when there are matters to be done."

#### NOTICE OF RECONSIDERATION

Senator Rasmussen:

"Having voted on the prevailing side, I hereby give notice that on the next working day I will move for reconsideration of the vote by which Engrossed Senate Bill No. 49 passed the Senate."

**PERSONAL PRIVILEGE**

Senator Rasmussen:

"I make this motion out of consideration for the chairman, Senator Hallauer. He made the motion that he wanted this held over until he had time to consult with the department of licenses."

**MOTION**

Senator Greive moved that the rules be suspended and that the Senate do immediately reconsider the vote by which Engrossed Senate Bill No. 49 passed the Senate.

The motion carried.

**POINT OF ORDER**

Senator Hess:

"For the record, I ask the question if it is not correct that the President required a two-thirds vote on that motion requesting reconsideration?"

**RULING OF THE PRESIDENT**

The President:

"The motion asked for a suspension of the rules, Senator Hess. It would require a two-thirds vote."

Senator Greive:

"The motion to suspend the rules did not involve the reconsideration. I did not move that the rules be suspended for reconsideration. I merely moved that the rules be suspended and Senator Rasmussen's motion be put to the body immediately."

The President stated the question before the Senate to be, it has been moved that the Senate do now reconsider the vote by which Engrossed Senate Bill No. 49 was passed.

The motion was lost, and the Senate voted not to reconsider the vote by which Engrossed Senate Bill No. 49 passed the Senate.

**MOTION**

On motion of Senator Washington, Engrossed Senate Bill No. 49 was ordered immediately transmitted to the House.

**THIRD READING OF BILLS**

**Engrossed Senate Bill No. 37**, by Senators McCormack, Hanna, Woodall and Freise:

Relating to unfair trade practices.

The bill was read the third time by sections.

Extensive debate ensued.

**POINT OF INQUIRY**

Senator Rasmussen:

"Will Senator Greive yield to a question?"

Senator Greive:

"Yes, I will."

Senator Rasmussen:

"You studied this problem quite extensively, I know, in the legislative council. This bill that we have before us, is it solely related to the wholesale price? Would this bill, if it were to become a law, outlaw the companies not charging the same price? Would it prevent that?"

Senator Greive:

"No, it wouldn't. It says, 'make allowances for differences in sale delivery, quality and quantity.' The off-brand lines wouldn't be affected and the selling wouldn't be affected."

Senator Rasmussen:

"Then, do you see any good reason for passing this bill?"

Senator Greive:

"The reason for passing it is that in the same city two stations right next to each other would not have to pay a different price. Actually, we should have it for independent gas dealers, but in that way we need some sort of explanation. The companies give different types of rebates and charge different prices to the same dealers, causing unfair competition."

#### PERSONAL PRIVILEGE

Senator Hallauer:

"The members of the Senate will note that I am listed as a sponsor of this bill. I want to try and explain the circumstances under which this condition arose, because I do not go along with the bill. As it was related to money, this was a simple way to investigate the prices of the gas, and during the hurry of the first few days of the session, I agreed that I would sign the bill, and I regret that this was done."

Senators Bailey, Knoblauch and Herrmann demanded the previous question.

The President stated the question to be, shall the previous question be now put.

The motion carried, and the demand for the previous question was sustained.

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 37, and the bill passed the Senate by the following vote: Yeas, 26; nays, 19; absent and excused, 4.

Those voting yea were: Senators Angevine, Bailey, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Elway, Jr., Foley, Foster, Gallagher, Greive, Hanna, Henry, Herrmann, Keefe, Knoblauch, Kupka, McCormack, Morgan, Petrich, Sandison, Talley, Washington, Woodall—26.

Those voting nay were: Senators Bargreen, Chytil, Durkan, Hallauer, Happy, Hess, Hofmeister, McCutcheon, McMillan, Martin, Moriarty, Jr., Neill, Nunamaker, Papajani, Rasmussen, Riley, Ryder, Shannon, Thompson, Jr.—19.

Those absent and excused were: Senators Freise, Gissberg, Lennart, Raugust—4.

Engrossed Senate Bill No. 37, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

The Secretary read:

"Our Father, as we listen again to the familiar sounds of a new day—the roar of traffic, the ringing of phones, the clamor of voices—let us not be strangers to that which is beyond our sense of hearing, but no less real: the cry of a homeless child, the agony of those who suffer physical and mental torment, the horror of those whose lives have been stabbed to death by dreariness and purposelessness.

"We just ask, O God, that our own private world shall not be too much with us, late and soon, getting and spending, lest we lay waste; broaden our powers of concern and sensitivity for those with whom we are bound together in insoluble ties.

"Let us today, our Father, make up our minds that the way we live makes a difference, so that, indeed, it may make a difference in the way we live. In the name of Christ. Amen."

**MESSAGES FROM THE SECRETARY OF STATE**  
**DEPARTMENT OF STATE**  
**OFFICE OF THE SECRETARY**

Olympia, Washington, March 24, 1961.

*To the Honorable, The President of the Senate,  
The Legislature of the State of Washington, Olympia, Washington.*

SIR:

I have the honor to transmit herewith, pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the State Senate, a certified copy of Enrolled Substitute Senate Bill No. 111 passed by the State Senate and House of Representatives at the Regular Legislative Session in 1961, and partially vetoed by the Governor, together with his veto message attached thereto.

Respectfully,

(signed) VICTOR A. MEYERS,  
Secretary of State.

State of Washington, Executive Department,  
Olympia, March 21, 1961.

*To the Honorable, The Senate of the State of Washington  
(Through the Secretary of State)*

LADIES AND GENTLEMEN:

I am filing herewith, to be transmitted to the Senate at the next session of the legislature, without my approval as to certain items and one section, **Substitute Senate Bill No. 111**, entitled:

"An Act relating to the judiciary; and to justices of the peace and other inferior courts."

This bill constitutes a final legislative compromise of many years' efforts of judges, lawyers, and public spirited citizens. It represents progress long needed and on the whole meets with my wholehearted approval. The enactment of this bill will result unquestionably in improvements in the administration of justice on the Justice Court level.

I veto the item contained in section 48 reading as follows:

"All personnel of a municipal department shall be appointed by the city."

I further veto section 97 which read: "The county commissioners may appoint a clerk and such deputy clerks as are necessary for the administration of the court."

The item and the section quoted are vetoed because Justices of the Peace in the past have always appointed their clerks and office staff. Believing as I do that the judiciary is a separate and independent branch of the government, it is my fervent conviction that neither a city nor a board of county commissioners, through the appointment of clerks and the office staff of a Justice of the Peace, should interfere with the independent discharge of duties of a Justice of the Peace.

With the exception of the item quoted and enumerated, and the section referred to, which are vetoed, I approve the remainder of the bill.

Respectfully submitted,

(signed) ALBERT D. ROSELLINI,  
Governor.

On motion of Senator Greive, Substitute Senate Bill No. 111 and the Governor's partial veto thereon, were referred to the Committee on Rules and Joint Rules.

Olympia, Washington, March 22, 1961.

*To the Honorable, The President of the Senate,  
The Legislature of the State of Washington, Olympia, Washington.*

SIR:

I have the honor to transmit herewith pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the State Senate, Enrolled Senate Bill No. 464 passed by the State Senate and House of Representatives at the Regular Legislative Session of 1961, and vetoed by the Governor, together with his veto message attached thereto.

Respectfully,

(signed) VICTOR A. MEYERS,  
Secretary of State.

State of Washington, Executive Department,  
Olympia, Wash., March 21, 1961.

To the Honorable, The Senate of the State of Washington  
(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith, to be transmitted to the Senate of the State of Washington at the next session of the legislature, without my approval:

**Senate Bill No. 464** entitled:

"An Act relating to the department of institutions; establishing the division of juvenile rehabilitation, the division for handicapped children, the division of community services and the diagnostic and placement board; providing powers and duties, appointment and qualifications of supervisors; amending and recodifying section 72.05.130, chapter 28, Laws of 1959 and RCW 72.05.130; amending and recodifying section 72.05.140, chapter 28, Laws of 1959 and RCW 72.05.140; amending and recodifying section 72.05.150, chapter 28, Laws of 1959 and RCW 72.05.150; amending and recodifying section 72.05.160, chapter 28, Laws of 1959 and RCW 72.05.160; amending and recodifying section 72.05.170, chapter 28, Laws of 1959 and RCW 72.05.170; amending section 72.05.190, chapter 28, Laws of 1959 and RCW 72.05.190; amending section 72.05.200, chapter 28, Laws of 1959 and RCW 72.05.200; amending section 72.05.300, chapter 28, Laws of 1959 and RCW 72.05.300; amending section 72.05.310, chapter 28, Laws of 1959 and RCW 72.05.310; amending section 72.01.030, chapter 28, Laws of 1959 and RCW 72.01.030; repealing section 72.05.010, chapter 28, Laws of 1959 and RCW 72.05.010; repealing section 72.05.020, chapter 28, Laws of 1959 and RCW 72.05.020; repealing section 72.05.030, chapter 28, Laws of 1959 and RCW 72.05.030; repealing section 72.05.040, chapter 28, Laws of 1959 and RCW 72.05.040; and providing an effective date."

The bill would divide the Division of Children and Youth Services into three new divisions, each to be administered by an Assistant Director of Institutions. The new divisions would be: 1. A Division of Juvenile Rehabilitation which would administer the various facilities devoted to juvenile rehabilitation. The Assistant Director of this Division would also be chairman of a diagnostic and placement board to be established. This board would have the duty of evaluating, with reference to each juvenile committed to the diagnostic center, the medical, psychological, social, educational, and vocational background of the child; 2., the Division for Handicapped Children which would be in over-all command of the various institutions devoted to the care, education, and upbringing of handicapped children; and 3., a Division of Community Services which would supervise the operation of community child guidance centers. This Division also would be in charge of supervising juvenile control officers, and of counseling services for pre-delinquent, delinquent, and mal-adjusted children.

The changes proposed by this bill are of a revolutionary character, and would divide the responsibility for the administration of the State's juvenile program which now centers in the Division of Children and Youth Services. This Division was created as a result of studies which began in 1945 after a juvenile was killed in the King County jail. I, myself, headed a Legislative Interim Committee during the biennium of 1945-1947, and again during 1949-1951. This committee studied exhaustively the many problems incident to administration of a State juvenile program. The Division of Children and Youth Services was established pursuant to the recommendation of the National Probation and Parole Association, and after recommendations by many citizens' committees.

In 1951 the idea was advanced that the State should have a completely separate department of children and youth in order to centralize all youth activities undertaken by the State. The Legislature in 1951, under a bill sponsored by myself, created a separate Division of Children and Youth in the Department of Public Institutions under the jurisdiction of a separate supervisor subject to merit service tenure. I am fearful that the fragmentation of the Division of Children and Youth into three separate and individual departments would do violence to the idea of centralized and unified control over all youth activities.

In addition, the State at the present time as all of you know, is financially hard pressed, and it is my conviction that the establishment of three new Divisions would result in increased cost for the administration of children and youth falling within the jurisdiction of the Department of Institutions.

It is my belief that before undertaking such a drastic change, the Legislative Council, the Washington Citizens Council, and the Council of Children and Youth

should engage in a two-year study during the coming biennium, and should bring before the next Legislature its recommendations as to how this problem should be handled.

It is my feeling that at the present time the public is not prepared to accept the changes made by this bill. For this reason I am requesting the Washington Citizens Council, the Council of Children and Youth, and the State Legislative Council, to make a comprehensive study of the administrative setup of the State institutional program for juveniles.

For the reasons indicated, Senate Bill No. 464 is vetoed.

Respectfully submitted,

(signed) ALBERT D. ROSELLINI,  
Governor.

On motion of Senator Greive, vetoed Senate Bill No. 464, with the Governor's message attached thereto, were referred to the Committee on Rules and Joint Rules.

On motion of Senator Greive, the Senate dispensed with the Call of the Senate.

**PERSONAL PRIVILEGE**

Senator Woodall:

"Mr. President, and Members of the Senate:

"As you know, this body adopted a resolution last Saturday, suggesting that it would be to the benefit of all concerned if we would arrive at a point of agreement to the end that this legislative session could be brought to a close. I read in the newspaper the Governor's answer to this resolution, and I will quote direct from the paper:

"I would hope that those Senators who supported the resolution—who appear to be floundering around in their own confusion, engaging in childish, needling tactics—would settle down pretty soon to the serious business of trying to arrive at a solution to the state's problems, instead of prolonging the legislative session at taxpayers' expense."

"To that, I take extreme exception. Who does he mean has been playing around, and who is not working? Does he mean Senator Hallauer, who has been working hours and hours and hours? And Senator Foley, and Senator Durkan, . . ."

(Interruption)

Senator Gissberg:

"Mr. President, I do not believe that these remarks should be addressed as rights of personal privilege. Personal privilege should be confined to the individual person. There is nothing personal in what Senator Woodall is saying."

**RULING OF THE PRESIDENT**

The President:

"Senator Gissberg is correct. Senator Woodall, will you please confine your remarks to personal points."

Senator Woodall:

"My point is, the Governor said, 'I hope that the Senators who supported the resolution', of whom I am one, 'appear to be floundering around in their own confusion'.

"One of the Senators who supported the resolution was Senator Hallauer. I don't know of any floundering around on his part in the long hard hours he has spent trying to present a budget that would be agreeable to the people.

"If adopting the resolution, that we are trying to arrive at an agreement on the matters of taxation and appropriation, is childish, then I am happy to be called 'childish'.

"If adopting a resolution that we would like to respond to the wishes of a tax-paying public and keep a moderate budget is being childish, than I am happy to be called 'childish'.

"It seems to me there is no desire on the part of this Senate or any members in it to prolong staying here. I know of no Senator who wants to do anything but finish up the job and get home. It is not floundering to want to adopt a balanced budget. It is not confusion to want to keep taxes within income. It is not childish to not vote taxes in excess of a moderate budget.

"It would seem to me that the Governor should give the leadership he mentioned earlier, and I say, as we approach Easter time, to be sitting here and have

the Governor keep the turmoil alive is doing the people of the state of Washington a disservice. And when he says that the members of the Senate have been floundering in confusion, he is in error, for the long hours of Senator Wilbur Hallauer and Senator Foley on Appropriations and Revenue, and the long hours Senator Durkan worked on the subject of taxation, could hardly be called floundering in confusion."

Senator Greive:

"In answer, let's remember that this is the longest special session that has existed, at least since I have been here.

"It is quite obvious that our nerves are becoming frayed and all of us want to go home.

"We want to remember that while we are not one hundred percent in agreement with the Governor all the time, his budget was for income taxes and it certainly was not turned down by the Democrats, but by the Republicans. It took a two-thirds majority to pass this through the Senate and that two-thirds was entirely choked off by the Republicans.

"The Governor did have a program, and he did fight for what he believes in, and I don't think we should be so much tougher on him for fighting for what he believes in than we are on ourselves for fighting for what we believe in.

"I don't appreciate the remarks he made, and I don't suppose he appreciates the remarks we made.

"I might add for the record, that the Governor spoke to our caucus this afternoon and I believe he did a good job, and he cleared up a lot of confusion and explained and clarified a lot of his thinking to us, and I think it is time for us to settle down harmoniously and go to work."

Senator Herrmann:

"As a member of this Senate, and one who holds himself to be a conservative, I can see no basis whatsoever in the remarks of Senator Woodall.

"There are those who say we should make no increase at all in expenditures and hold the line. The Governor's budget was for an increase of fifty-seven million dollars. Now, certainly, we have been unable to meet the fifty-seven million dollars or any compromise figure in between. Not only is it not acceptable as far as the Governor is concerned, but neither have we been able to pass anything acceptable to the House.

"Now, I think we can all differ in our opinion, but we are living in a democracy, and even though we can disagree with the state or divisions thereof, I believe we are all of the feeling that to comment against the Governor for his opinion is certainly out of order. The Governor certainly has his right to express his opinion on these very vital issues, and even though I disagree with him, I certainly find no fault with his right to come forth and express himself."

Senator Freise:

"To Senator Greive I might state that in the 1959 session of the Legislature, the Democratic Party controlled at least two-thirds of the Senate and the House. If the Democratic Party was interested in having a graduated income tax, why wasn't it put on the ballot? If you will check the record, you will find probably more Democrats than Republicans who voted against the income tax resolution. I think either the Democratic Party should pass the income tax or else not put it in the platform year in and year out.

"I think the Governor blames the Republicans for not coming up with the income taxes in order to pay for what he is asking.

"We do not want to take any of the blame. It is your appropriation bill and your tax bill and don't blame the Republicans for failing to pass the tax bills."

Senator Greive:

"In answer to Senator Freise, during most of the Legislature, the Governor stood on his record and we played from there. As far as taking the income tax out of our platform, that is saying it is no good. There are those of us who believe that this is right. This is like a lot of good legislation which many people have voted for, year after year, until finally enough people became aware that it was good legislation, and it finally became adopted.

"We haven't attempted to pass the graduated income tax because we need a two-thirds majority, and I don't think we have a two-thirds majority. The last time we only lost by two votes. As far as the Democrats in the House are concerned,

they are to be commended. At least they stood by and didn't waver from their beliefs. We have to continue to try to work it out together. It is going to be a lot easier if we don't fight each other."

#### MOTION

At 4:30 o'clock p. m., on motion of Senator Greive, the Senate recessed until 8:00 o'clock p. m.

#### EVENING SESSION

At 8:00 o'clock p. m., the Senate was called to order by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senators Angevine, DeGarmo, Dore, Henry, Hess, McCormack, Martin and Petrich.

On motion of Senator Greive, Senator McCormack was excused.

#### PRESIDENT'S PRIVILEGE

The President:

"Members of the Senate; Ladies and Gentlemen:

"A few years ago, when we were all somewhat younger, the President had the opportunity to teach and coach at Queen Anne High School in Seattle. While there, the President had the good fortune to meet a very lovely young lady, who was also a very good student, Miss Mollie Newman. Later, it was the good fortune for the President to meet the Honorable Senator from King County, Martin Durkan. As events follow, it so happened that Martin Durkan became engaged to Mollie Newman and they were married.

"Now, a very blessed event has befallen the Durkan household, as noted by this box of cigars. I have been informed by a lovely little page, as she brought the cigars to the rostrum, that the cigars indicate it is a boy.

"Senator Durkan, the President should like for you to stand and present to the members the vital statistics concerning this blessed event. Everyone joins the President in wishing you every success and happiness and Godspeed."

(Applause.)

Senator Durkan:

"Mr. President and Senators:

"I wish to thank you very much for this opportunity. I had an opportunity to talk to my wife a short time ago, and she told me, 'Well, I have done my job—now let's see if you can do yours!'

"This is the fifth child of my wife and mine. It is the second boy. We have three girls and two boys, and we are very happy. I promised her that since she had delivered, I would do my best."

The President:

"The President doesn't know much about poker, but assumes that you have a 'full house'."

#### MOTION

On motion of Senator Woodall, Senators Happy, Neill and Freise were excused.

The Secretary read:

"Senator Cowen has brought to the attention of the President, the presence in the gallery of two very distinguished people. It is with great pleasure that the President presents Representative and Mrs. Ed Harris, the proud parents of one of the most important members of the Senate staff, Miss Sue Harris, Senate Page. The President should like to request that Dr. David C. Cowen introduce the Representative from Spokane and his family."

"Mr. President; Members of the Senate:

"Sue Harris is the young lady wearing the red dress and one of the loveliest young ladies I have ever had the privilege of meeting. Of course, she has the most wonderful parents possible.

"I must say that since this introduction I sincerely hope that Mr. Harris will always remain in the House, and David Cowen will always remain in the Senate. I certainly hope that if you always remain in the House, that I think I can always get by in the Senate.

"Will Representative Harris and his wife please stand, along with Sue, in order that you may be welcomed."

Senator Lennart:

"I should be glad to. It is a pleasure to see you back again. I notice you had a little trouble. I hope you can work it out. I don't know what I can do for you, unless I can lead you down the aisle and you can tell a few stories."

S. R. HOLCOMB, *Chief Clerk.*

Senator Washington moved that the Senate concur in the House amendments to Engrossed Senate Bill No. 49.

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Washington yield to a question?"

Senator Washington:

"Yes, I will."

Senator Riley:

"I am anxious to learn a little more and I would like to have your attention directed to page 10, specifically, to the House committee amendment. Does this provide that the director cannot do anything about the highway which goes through the Atomic Energy Commission reservation until some action has been taken on the matter of the construction of a bridge where the present ferry is located?"

Senator Washington:

"That is correct. I could explain it a little further."

Senator Riley:

"I would like the Senator to explain it."

Senator Washington:

"There is a highway, 11-A. I think that also crosses the river at that particular point, and I think there was some feeling by some members of the House that this particular highway should not be put on until there was an independent study made. I believe some of the thinking was that without a bridge some of the savings in time would be lost. There was one thought presented to the House committee that the present ferry is now a ferry on which a fare is charged. The bill set up in 1955, provided that when highway 11-A was completed the ferry would become a free ferry and it would cost them money, and a thought was that a study could be made whereby a bridge could be built and perhaps be able to pay it off by the money of operating the ferry. Those things came up and the House committee determined upon this particular amendment. I have checked there and also Senator McCormack was not too happy about the amendment. He felt that under the circumstances this amendment was the best that could be done, and the amendment does have some merit."

Senator Riley:

"Do you suppose that this is of substance and is it important enough to justify this amendment for a study that only requires a matter of \$1500. If it is very important, I couldn't imagine much of a study being accomplished for \$1500, and therefore, I can't imagine the road, itself, is too important."

Senator Washington:

"I understand that is a county road which goes up one of the lower sites and it connects two highways. It wouldn't have to be much of a report and I think even the amount appropriated will be more than is necessary for the study. It won't cost much because the road is already built and, of course, it will take further action by the Legislature if the report so indicates."

Debate ensued.

The President stated the question before the Senate to be, it has been moved that the Senate do concur in the House amendments to Engrossed Senate Bill No. 49.

The motion carried, and the Senate concurred in the House amendments to Engrossed Senate Bill No. 49.

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 49, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 40; nays, 2; absent or not voting, 7.

Those voting yea were: Senators Bailey, Bargreen, Chytil, Cooney, Cowen, Dore, Durkan, Foley, Foster, Freise, Gallagher, Gissberg, Greive, Hallauer, Hanna, Happy, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, Lennart, McCutcheon, McMillan, Moriarty, Jr., Neill, Nunamaker, Papajani, Petrich, Rasmussen, Raugust, Riley, Ryder, Sandison, Shannon, Talley, Thompson, Jr., Washington, Woodall—40.

Those voting nay were: Senators Donohue, Elway, Jr.—2.

**SECOND READING OF BILLS**

**Substitute House Joint Resolution No. 1**, by Committee on Constitution, Elections and Apportionment:

Amending Constitution to allow excess levies for up to four years for cities or towns to be voted at single election.

The resolution was read the second time in full.

Senator Thompson moved that the following amendment be adopted:

On page 1, line 14, after "excess of" strike "four years for a levy for operations or"

#### POINT OF INQUIRY

Senator Riley:

"Will Senator Thompson yield to a question?"

Senator Thompson:

"Yes, I will."

Senator Riley:

"We had a similar measure which is a constitutional amendment for schools. Is my memory correct, Senator Thompson, when I say a similar amendment was offered for schools and that you voted against it—that you opposed a two-year limitation for maintenance and operations for schools?"

Senator Thompson:

"I don't recall voting on a two-year maintenance and operations limitation for schools. If I had been on the floor, my position would have been to support a two-year limitation for schools."

Senator Riley:

"I regret, then, that Senator Thompson was not on the floor or that you did not vote for my amendment of a similar nature. When Senate Bill No. 20 was on the floor, I offered an amendment to reduce it from four to two years and my amendment did not pass, and when Substitute Senate Bill No. 20 was on the floor, I offered the same amendment, and my amendment failed again.

"I have no personal feelings on this, but having tried to get a similar amendment through, I suppose I do have to be consistent and support this amendment, but I do have one misgiving. I hope it does not get lost in the House, and I hope we will not be here after tomorrow."

The President stated the question before the Senate to be the adoption of the amendment by Senator Thompson.

The motion carried, and the amendment was adopted.

#### PERSONAL PRIVILEGE

Senator Hanna:

"Some two days ago, my good friend, Senator Foster, distributed Yakima apples from Wenatchee, and today, we are reciprocating and distributing Wenatchee apples from Yakima."

On motion of Senator Thompson, the following amendments were adopted:

On page 1, line 15, after "outlay" strike ", or both"

On page 1, lines 23 and 24, after "levies" strike "for the current use" and after "town" strike "and/or" on line 24

On page 2, line 1, after "outlays" strike "or both"

On page 2, line 1, after "levies for" strike "current operations or"

On page 2, lines 6 and 7, after "levies for" strike "current operations or" on line 7

#### PARLIAMENTARY INQUIRY

Senator Thompson:

"We passed Senate Joint Resolution No. 1, and on line 10 of that bill we provided for the amendment of Article 7, Section 2, Subsection (d). This same wording occurs in Substitute House Joint Resolution No. 1. My question is, are we in any problem if these both pass at the next general election? One would have to be (d) and one (e), perhaps."

The Secretary proposed the following amendment, which, on motion of Senator Thompson, was adopted:

#### PRESIDENT'S PRIVILEGE

"Members of the Senate; Ladies and Gentlemen:

"The President has been requested to make a presentation this afternoon in the Senate Chamber."

#### APPOINTMENT OF SPECIAL COMMITTEE

The President appointed a special honor committee of the following Senators to escort the Senator from Spokane, Dr. David C. Cowen to the rostrum: Senators Keefe, Bailey, Woodall and Connor.

Senator Cowen was escorted to the rostrum.

The President:

"Davey, Members of the Senate; Ladies and Gentlemen:

"Over the many years of your wonderful and dedicated service to the people of the state of Washington, there are a great many people aware of your many acts of generosity and kindness. Everyone knows your kindnesses are a result of the great warmth and love that you have in your heart for your fellow man. The President is indeed proud to have been selected to make this presentation in behalf of your great many friends. It is our sincere hope that this small token will demonstrate to you the great wealth of warmth and affection we have in our hearts for you, and appreciation of the fact that you have served the people of the state of Washington so well over the many years.

"The members of the Senate and the President believe that the inscription on the plaque best describe the occasion:

"Presented to Senator Dr. David C. Cowen in appreciation of his many generous acts of kindness and dedicated service of the people of Washington, 1961."

Dr. Cowen was presented with a picture of President Kennedy and his wife, with a plaque in the bottom of the frame.

Senator Cowen:

"Mr. President; Members of the Senate:

"I thought I had mailed this picture home, and I have been looking all over the Capitol for it.

"Really, and truthfully, I am speaking from the bottom of my heart. I am very, very grateful to the members of the Senate. If you recollect, from the session eight years ago, I received a great token from the members of the Senate when I was here at that time. It is with great pride that I have it hanging in my private office and I am very proud to show it to people who come in to visit me.

"Rarely is any member given a token of appreciation from the members and I am deeply grateful for this honor, not only for the one on my wall, but for this picture. This is something that I shall never, never forget.

"During the following two years I wish you all well and the very best of health and everything. I sincerely hope that each and every one of you will be back in your seats in the 1963 session. I hope that my health will permit me to be back here in 1963 also.

"May God bless each one of you and every member of your families, and I wish that the best of health and happiness will follow every member of your families also.

"I am going to leave tonight and I wish to say goodbye and thank all of you."

(Applause.)

The President:

"Davey, the members of the Senate, I know, join the President in appreciation for the remarks that you have made.

"Davey, this is an entirely different picture than the one that was taken from you. The one you had was a picture of President Kennedy with myself; entirely different from this one of President Kennedy and his wife. The President has asked Mr. Jeffers to make up another picture to replace the one that you lost."

Senator Cowen:

"Oh, yes, that is right. Of course, that was not the same picture."

**REPORT OF STANDING COMMITTEE****Senate Bill No. 50:**

Senate Chamber,  
Olympia, Wash., March 30, 1961.

MR. PRESIDENT:

We, a majority of your Committee on Public Utilities, to whom was referred Senate Bill No. 50, relating to cities and public utility districts, have had the same under consideration, and we respectfully report the same back to the Senate with the recommendation that it do pass.

FRED H. DORE, *Chairman.*

We concur in this report: Frank Connor, John L. Cooney, David E. Cowen, Martin J. Durkan, John Happy, Karl V. Herrmann, James E. Keefe, George W. Kupka, Mike McCormack, John T. McCutcheon, John A. Petrich, A. L. Rasmussen, Edward F. Riley, Don L. Talley, Nat Washington.

**MOTION**

On motion of Senator Gissberg, the rules were suspended and Senate Bill No. 50 was advanced to second reading.

**SECOND READING OF BILLS**

**Senate Bill No. 50**, by Senators Gissberg and Bargreen:

Relating to cities and public utility districts.

The bill was read the second time by sections.

On motion of Senator Gissberg, the following amendment was adopted:

In section 1, page 1, line 10, after "aqueducts," and before "pipe lines" insert "water"

Senator Gissberg moved that the following amendment be adopted:

In section 4, page 2, line 24, strike the period after "utility" and add a comma and the following: "nor purchase or acquire any operating hydroelectric generating plant which may be acquired by any city or district by condemnation on or after July 1, 1961."

**POINT OF INQUIRY**

Senator Washington:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator Washington:

"Senator Gissberg, is it your intention by this amendment merely to clarify for the purpose of this act that no city or public utility district corporation together may purchase or acquire by condemnation any property that was previously acquired by a city or public utility by condemnation? In other words, is it to avoid any city first acquiring by condemnation and then transferring it to any other agency?"

Senator Gissberg:

"The answer is 'yes'."

Senator Washington:

"And one further question; that this amendment is not intended to change any existing law for any city or public utility to acquire property by condemnation under existing law?"

Senator Gissberg:

"Yes, my answer is yes."

**POINT OF INQUIRY**

Senator Shannon:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator Shannon:

"Is this the bill that pertains particularly to the new plan of the city of Everett to build a hydroelectric plant?"

Senator Gissberg:

"Yes, it is."

Senator Shannon:

"Does it, in your opinion, apply to other cities in the state?"

Senator Gissberg:

"It would only apply to any city of the first class who would wish to have it apply. I don't know if there would be any other city or not, Senator."

The motion carried, and the amendment was adopted.

On motion of Senator Gissberg, the rules were suspended, Senate Bill No. 50 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

**POINT OF INQUIRY**

Senator McCutcheon:

"Will Senator Gissberg yield to a question?"

Senator Gissberg:

"Yes, I will."

Senator McCutcheon:

"Is it my understanding that if the city of Everett, exercising the powers granted to acquire its own electrical power and distribution system, wishes to go into partnership with Snohomish County PUD, they would be able to do so?"

Senator Gissberg:

"What it would do is authorize the city of Everett and the Public Utility District to form a joint partnership for the purpose of constructing a dam on the Sultan River."

Senator McCutcheon:

"It is the plan of those two agencies to use the water for the city of Everett?"

Senator Gissberg:

"The law is broad enough to allow them to use the water that flows over the dam for electrical generating purposes and that is the explanation. It would allow the city of Everett and Snohomish County Public Utility District to cooperate in the construction of these dual purpose facilities."

Senator McCutcheon:

"It had an undertone to me to 'let the people vote'—something about fixing a date that they cannot acquire nor purchase any property—what is that? Is that something they had over in the House?"

Senator Gissberg:

"No, that had nothing to do with the House side at all. That was taken out of the existing law as it applies to the PUD in constructing plants."

Debate ensued.

#### MOTION

Senator Dore moved that Senate Bill No. 50, as amended, be made a special order of business for 3:30 o'clock p. m. today.

Senator Gissberg:

"Were you here at the time that Senator Washington was on the floor and indicated that he had checked the amendment very carefully and he had determined that what we were doing is reenacting an existing law as it applies to this provision?"

Senator Dore:

"I understand that Senator Washington is chairman of the Highway Committee, and I am chairman of the Public Utilities Committee, and I would like an opportunity to analyze this."

Senator Gissberg:

"My only concern is that we may not be in session at 3:30 o'clock. If you would care to make it 3:15 p. m., I think that would be better."

Senator Dore amended his motion to 3:15 o'clock.

The motion carried, and Senate Bill No. 50 was ordered to be considered as a special order of business at 3:15 o'clock p. m. today.

The Secretary read:

The department of public assistance is hereby directed to administer the programs for which funds are herein appropriated in such a manner as to strictly comply with the existing statutes relating to public assistance, to adjust assistance payments if necessary and to effect all economies possible in the administration of such programs during the 1961-1963 biennium in order that expenditures for said biennium shall not exceed the funds herein appropriated: *Provided*, That the standards of assistance for any payments from this appropriation for applicants or recipients shall be limited, except in special circumstances, to reasonable allowances for shelter, fuel, food, clothing, household maintenance and operation, personal maintenance and necessary incidentals, and the department shall review amounts allowed as special additional requirements at least twice annually so as to better control

allowances made for additional requirements: *Provided*, That payments to applicants or recipients from this appropriation shall not be increased due to increased costs of living unless funds are available: *Provided*, That the department shall not enter into contracts obligating the department to pay increased rates for supplies or services unless it has been clearly determined that adequate funds are available to provide for the increased rates during the remainder of the biennium, and in no event shall the department enter into a contract to pay increases in rates to suppliers of goods or services except hospital care before July 1, 1962: *Provided*, That no payments of general assistance shall be made from this appropriation unless the applicant or recipient for general assistance has resided in the State of Washington for three out of the last four years immediately preceding the date of application: *Provided*, That the director may make payments of emergency general assistance to an applicant or recipient notwithstanding the residence provision above for a period of not to exceed ninety days if a denial of assistance would cause undue hardship: *Provided*, That unemployable persons shall not be eligible for a general assistance grant payable from this appropriation unless they are substantially incapacitated from gainful employment: *Provided*, That the director may expend assistance funds for the purpose of moving employable applicants or recipients from an area within the state where work is not available to another area within the state where employment is determined to be available and in a field not currently involved in a labor dispute. The department in carrying out this provision shall cooperate with the Department of Employment Security to the greatest extent possible. Any applicant or recipient who shall refuse to move without good cause pursuant to this provision shall be ineligible to receive general assistance: *Provided*, That no payments of aid to dependent children assistance shall be made from this appropriation on behalf of an employable parent or relative with whom the child lives unless the director of public assistance determines that the employment of the parent or relative with whom the child lives would result in danger and/or substantial impairment to the physical or mental wellbeing of the child: *Provided*, That where a dependent child is living with a parent and a step-parent, the income and resources of such step-parent shall be taken into consideration in determining the eligibility of the dependent child in the same manner as the income and resources of the dependent child or any other member of the family group. A natural parent is not relieved of any legal obligation to support his children by operation of this provision: *Provided*, That where a dependent child is living with a parent and a person assuming the status of spouse, the income and resources of such person assuming the status of spouse shall be taken into consideration in determining the eligibility of the dependent child in the same manner as the income and resources of the dependent child or any other member of the family group. A person shall be presumed to be assuming the status of spouse whenever such person and the parent shall hold themselves out to the community at large as husband and wife. A natural parent is not relieved of any legal obligation to support his children by operation of this provision: *Provided*, That the director may establish the standards of assistance to be used in the determination of financial need and payment of grants to applicants for and recipients of aid to dependent children who are employable: *Provided*, That the department shall revise downward the standards of income and resources that may be exempted in considering the ability of parents to support children who are placed in foster care by the department and/or voluntary agencies so as to decrease the amounts paid from state funds: *Provided*, That the department shall audit the amounts of support being paid by parents of children periodically: *Provided*, That the amount paid from this appropriation to or on behalf of a recipient in a nursing home or a hospital for clothing and personal incidentals shall not exceed fifty percent of the amount which would be paid to such recipient if he were living in his own

home: *Provided*, That no funds shall be paid from this appropriation for physician services on a contract basis unless the contract provides that the state will receive sufficient statistical information to determine and evaluate the cost of physicians' services for each category of public assistance recipients. No funds shall be paid from this appropriation for county hospitals and county infirmaries unless such hospitals and infirmaries provide the department of public assistance with sufficient statistical information to determine and evaluate the cost of providing services for each category of public assistance recipients: *Provided*, That no payments from this appropriation, other than ninety-day emergency care in cases of undue hardship, shall be made to or on behalf of an applicant for, or recipient of general assistance or medical indigent care for persons under sixty-five years of age, who are residing within the boundaries of the state of Washington and who are not subject to the jurisdiction of the state of Washington: *Provided*, That funds may be expended from this appropriation to purchase drugs on a bid basis: *Provided*, That if any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

**NEW SECTION.** Sec 3. The word "agency" used herein shall mean and include every state government office, officer, each institution, whether educational, correctional, or other and every department, division, board and commission, except as otherwise provided in this act.

**NEW SECTION.** Sec. 4. In order to carry out the provisions of these appropriations and the state budget, the budget director, with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated, or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: *Provided*, That the budget director shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following Agencies headed by elective officials; University of Washington; Washington State University; Central Washington College of Education; Eastern Washington College of Education; Western Washington College of Education; Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of RCW 15.66; the legis-

lative branch of state government including the legislative council, the legislative budget committee, the statute law committee, and any legislative interim committee, or the judicial branch of state government: *Provided, however,* That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved allotments or to incur a deficiency and any obligation so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959 shall prevent revision of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues.

(2) Notwithstanding any other provisions herein or of any other law the governor shall, when in his judgment the economic conditions of the state require that expenditures be curtailed and a more economical allotment of funds be made, conserve the moneys herein appropriated by directing adjustments in the size and composition of the staff of any agency other than those enumerated in subsection (1) of this section. Such adjustments shall be effected by the budget director pursuant to such rules and regulations as the state personnel board may prescribe to effectuate this purpose, and in any case where dismissals may be required as a result of the diminution of any agency's staff, persons over retirement age in the service of the state shall be reverted to retirement status before other staff reductions are made.

(3) Issue rules and regulations to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds.

(4) Prescribe procedures and forms to carry out the above.

**NEW SECTION.** Sec. 5. No part of the appropriations in this act may be used for increasing the salary of any position in the classified service unless each such position has been evaluated and classified according to the provisions of chapter 1, Laws of 1961.

**NEW SECTION.** Sec. 6. Except as otherwise provided in this act, any receipts from federal or other sources or from gifts or grants in excess of those estimated in the budget may be received and allotted by the governor but in the event that receipts shall be less than those estimated in the budget from any source the appropriation shall be limited to the amount actually received and allotments made as provided in section 4. Whenever possible, the receipt of federal or other funds which are not anticipated by the governor's budget or the legislature shall be used to support regular programs instead of using appropriated funds. The governor's budget shall identify allotments made pursuant to this section and shall indicate whether and to what extent the budgets for future bienniums will require any state funds for the continuation of the activities supported by such allotments.

**NEW SECTION.** Sec. 7. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

**NEW SECTION.** Sec. 8. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the budget director may direct the repayment of such allocated amount to the General fund from any balance in the fund or funds which finance such agency. No appropriations shall be necessary to effect such repayment.

**NEW SECTION.** Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and sections 1 and 3 through 8 shall take effect on July 1, 1961 and section 2 shall take effect immediately.

Senator Hallauer moved that the report of the free conference committee on Engrossed Senate Bill No. 1 be adopted.

Extensive debate ensued.

## PERSONAL PRIVILEGE

Senator Ryder:

"Mr. President; Members of the Senate:

"Several of the Senators have referred to me as the only representative of the big cities on the conference committee, and while I know that did not mean anything personally, the indication was that I have not done an adequate job of representing the large urban areas in that conference committee.

"I would like to say that no member of the committee at any time proposed anything of a punitive nature so far as the cities were concerned. I think that by and large on a fair basis the cities were adequately taken care of, and there was no indication that there was any move against the cities.

"I have always been in favor of taking care of all the citizens and senior citizens in need. I do not think it was necessary to have Democratic representation on this committee. I believe the Republican committee members were cognizant of their duty on this committee, and I think that Seattle was adequately taken care of insofar as the amount of money that the Seattle School District seeks from the thirteen million dollar increase. I spent a great deal of time thinking that out with the Superintendent of Public Instruction, as well as the Seattle School Board, and it was well agreed that it was not a proper thing for the Seattle School area to ask that they get the lion's share of that money.

"But we have a large urban area around Seattle whose school districts are equalization districts, which will benefit a great deal more than they would if we had put it on an A. D. A. basis there, and figuring it out, if we had put it on one-half and one-half equalization and A. D. A., Seattle would have gotten about the same amount.

"I just say that in defense of the Republican Party, and the Republican viewpoint, and in defense of the conference committee."

Senators Greive, Knoblauch and Kupka demanded the previous question.

The motion carried, and the demand was sustained.

The President stated the question to be, it has been moved that the report of the free conference committee be adopted.

#### PROTEST

We protest the action of the Senate and House free conference committee on Engrossed Senate Bill No. 1, the Appropriations Bill containing the necessary funds for the operation of the State Government for the 1961-1963 biennium. Our protest goes, specifically, to page 16, lines 7 through 15, wherein the following language appears: "Provided, That no payments from this appropriation, other than ninety-day emergency care in cases of undue hardship, shall be made to or on behalf of an applicant for, or recipient of general assistance or medical indigent care for persons under sixty-five years of age, who are residing within the boundaries of the state of Washington and who are not subject to the jurisdiction of the state of Washington:" This proviso is aimed specifically at Indian Tribes throughout the state of Washington who have elected not to subject themselves to the jurisdiction of state law upon their reservations. Specific legislation was introduced during the regular session to deal with this problem, namely SB 33 and HB 64. During the Special Session SB 38 dealt with the problem of Indian jurisdiction. All of these bills were rejected by the Legislature.

We feel that it is palpably unfair and unjust for a free conference appropriations committee to legislate on subjects of general law. They should have confined their deliberations to that of appropriations only. We were asked to deal with an impossible situation. If we voted "no" on the entire appropriations bill, we would be denying funds for the support of all segments of our government. If we vote "yes", we would be impliedly expressing our consent to this terrible approach to the Indian problem.

This Legislature determined, during the regular session, to submit the general problem of Indian jurisdiction to the study of the Legislative Council, and we believe that through such a means an agreement could have been worked out between the affected Indians and the state of Washington. The means taken by the Appropriations Bill is like placing a loaded rifle at the heads of our Indian people. We deplore this action.

#### PERSONAL PRIVILEGE

Senator Cowen:

"Mr. President; Members of the Senate:

"I would like to speak for just a moment.

"I have served, at the conclusion of this term, twenty-eight years on the Committee on Appropriations. I want to assure you before I start that I am not going to make a political speech, because I am not fearing what will happen to David Cowen in the 1962 election. But I am standing on my feet at this very moment, having served with numerous Senators who have been chairmen of the Committee on Appropriations many times, and I want to pay a tribute to a man who I think deserves the commendation of every member of the Senate today. I do not believe he has crucified any people of the state of Washington. I did not attend many meetings this year or the last few years, because I have been in ill health, but I do take my hat off to Senator Wilbur Hallauer for his dedicated service to the state of Washington.

"Having served fourteen sessions as a member of this Appropriations Committee and having seen Senator Hallauer stand on this floor and give an item by item description of this bill to us, after having him describe it in caucus, is more than I have ever seen before in all my years in the Senate. I have never yet heard a chairman of an Appropriations Committee explain in detail as he has.

"Therefore, I feel every member of the Senate does owe Senator Hallauer a tribute for the hours he has worked and the way he painstakingly conducted himself. I am speaking about a man who deserves applause from every man in this body today and they should acclaim Senator Hallauer, and take off their hats to a man who is so deeply honest on everything he is doing on the floor today. I do not feel that he is worried about the 1962 election but I do feel that some men have attacked him and I am going to stand up and defend him.

"I want to thank you, and God bless you, and God bless you, Senator Hallauer."

#### PERSONAL PRIVILEGE

Senator Lennart:

"I, too, feel that this man deserves every bit of acclamation and recognition that the citizens of this great state of Washington could shower upon him. May we see him back in 1963, once again."

#### PERSONAL PRIVILEGE

Senator Lennart:

"Mr. President; Members of the Senate:

"I don't believe I have ever had anything as insulting as that come before this body since I have come here.

"It is an insult to me to come here at the last minute just to get a record vote on this measure when no one has had a chance to look at it. Everybody knows that no one has had a chance to see it."

The Senate reverted to the first order of business.

The Secretary read:

#### SENATE RESOLUTION

By Senators Bailey, Bargreen, Gallagher, Connor, DeGarmo, Gissberg, Keefe, Knoblauch, Washington, Hess, Kupka, Talley, Herrmann, Martin, Hofmeister, Hanna, Donohue, Nunamaker, McCormack, Cowen, McMillan, Cooney, Papajani and Henry:

WHEREAS, The extraordinary session of the thirty-seventh legislature is successfully drawing to a conclusion; and

WHEREAS, Governor Rosellini, without qualification, put at the disposal of the members of this legislature his entire staff to give whatever assistance was desired in aid of the final completion of budget and tax legislation; and

WHEREAS, It was greatly through the efforts of Governor Rosellini and his staff that the two branches of the legislature were able to come to agreement over differences in matters of budgeting and taxation, thus insuring a successful termination of the regular and special sessions; and

WHEREAS, The members of the legislature have witnessed for the first time in twelve years of legislative session at which no deficiency appropriations for governmental operations have been requested, reflecting greatly on the integrity and aptness of Governor Rosellini in fiscal affairs; and

WHEREAS, At the time of passage of a recent Senate resolution, that of March 25th, suggesting a lack of leadership by the Governor in furthering a legislative budget and taxation program, the fact was that Governor Rosellini was then meeting with members of tax conference committees of both houses in an attempt to resolve their differences;

Now, *Therefore, Be It Resolved*, By the members of this Senate, that Governor Rosellini and the members of his staff are to be commended for their services to this body and to the legislature, for their leadership in seeking to resolve existing differences between the two houses and for their excellent presentation for the legislature's consideration of the fiscal affairs of this state; and

*Be It Further Resolved*, That the Senate resolution mentioned above as adopted on Saturday, March 25th, 1961, be and it is hereby rescinded and the Secretary of the Senate is hereby instructed to expunge the Senate records of all references to the same.

Senator Greive moved that the resolution be adopted.

Extensive debate ensued.

**POINT OF ORDER**

Senator Moriarty:

"My point of order is that this is not constitutional. Article 2, Section 11 of the State Constitution states that 'Each house shall keep a journal of its proceedings and publish the same, except such parts as require secrecy.' There has been no finding that this part requires secrecy and it is beyond the power of the Senate to expunge this, and I ask for a ruling on this point."

Senator Greive:

"I think that the point of order raised is in error. We are not suggesting that we don't keep a record. We are stating that we made an error and asking at this time the error be rectified."

Senator Moriarty:

"That portion of the resolution said that the journal shall be expunged, and I say that once the journal of the preceding day is read and approved it becomes published and you cannot go back and strike it out. How can you go back now after it has been published and move to strike it out?"

**POINT OF ORDER**

Senator Gallagher:

"Mr. President:

"Did you recognize me when I moved for the previous question?"

The President:

"Yes, you were recognized, but a point of order arose."

Senator Gallagher:

"The point of order is well taken . . . ."

**RULING OF THE PRESIDENT**

The President:

"The President must make a ruling on the point of order. I think this will take some study.

The President:

"The President will place your motion immediately upon settling the point of order, Senator Gallagher."

**POINT OF INQUIRY**

Senator Rasmussen:

"What about my amendment, Mr. President?"

The President:

"That is something that will have to be taken up at another time, Senator Rasmussen."

**POINT OF INQUIRY**

Senator Gallagher:

"I hold a journal of the state of Washington in my hand. I would like to request of the Secretary whether or not the journal of this session has already been published in bound form?"

The President:

"Having conferred with the Secretary of the Senate, I can report that the journal of the Senate for the 1961 session has not yet been published in printed and bound form."

**MOTION**

Senator Ryder moved that this matter be made a special order of business for 1:00 o'clock p. m. tomorrow.

The motion was lost.

Senator Greive:

"Speaking to the point of order. The Constitution states in Article 2, Section 9, Rules of Procedure: 'Each house may determine the rules of its own proceedings.'

"I would suggest for your consideration that if a majority of this house desires to expunge some matter from our records, we have the right under that particular article to do so."

Senator Woodall:

"Replying to this last article of the Constitution referred to by Senator Greive, obviously that means consistent with the Constitution. I think the Senator is going way out. The rules here is very clear, It says it shall be published. Published does not mean in bound form. It means when it is read back. It is open to the public from that point on, and it may be quoted from the journal. Now this set of books cannot be altered, You would then be able to say what is in the newspapers is wrong, because there is nothing in the journal that supports what was said."

Senator Greive:

"The position which this body takes is there are various facts and articles in our State Constitution. What Senator Woodall would have us do is say that we keep a journal and give that preference over Section 9. There is nothing in Section 9 that says we cannot do it."

#### RULING OF THE PRESIDENT

The President:

"The President rules that the resolution is properly before the Senate, and it is up to the Senate to determine whether they wish to adopt this particular resolution or not. If there is something in the resolution that is unconstitutional, that is for the Supreme Court to decide."

Senator Rasmussen moved that the following amendment be adopted:  
Strike the last paragraph of the resolution.

#### POINT OF ORDER

Senator Gallagher:

"Mr. President, I had moved the previous question."

#### RULING OF THE PRESIDENT

The President:

"Senator Gallagher, the President believes that the amendment should be considered. The President did not permit proper time for amendments to be offered, and even though your motion for the previous question was made, the demand has not been sustained, as yet."

Senator Greive moved that the amendment by Senator Rasmussen be laid on the table.

Senator Rasmussen demanded a roll call, which was sustained by Senators Happy, Ryder, Freise, Moriarty, McCutcheon, Foster, Chytil and Thompson.

The President stated the question before the Senate to be, it has been moved that the amendment by Senator Rasmussen be laid on the table.

The Secretary called the roll and the amendment by Senator Rasmussen was laid on the table by the following vote: Yeas, 31; nays, 15; absent and excused, 3.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Durkan, Foley, Gallagher, Greive, Hallauer, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, McMillan, Martin, Morgan, Nunamaker, Papajani, Petrich, Sandison, Washington—31.

Those voting nay were: Senators Chytil, Elway, Jr., Foster, Freise, Happy, Lennart, McCutcheon, Moriarty, Jr., Neill, Rasmussen, Riley, Ryder, Shannon, Thompson, Jr., Woodall—15.

Those absent and excused were: Senators Gissberg, Raugust, Talley—3.  
Senator Woodall demanded that the roll call be recalled.

#### POINT OF ORDER

Senator Woodall:

"I recall on the last roll call that Senator Gissberg's name was called and that he was excused from that particular roll call."

Senator Greive moved that the rules be suspended and that Senator Gissberg be excused and that Senator Woodall's motion be expunged.

Senator Woodall moved that the record of the Senate be totally expunged as to all matters of record taxing soda pop.

Debate ensued.

#### PARLIAMENTARY INQUIRY

Senator Greive:

"May I inquire what is before the Senate?"

The President:

"Senator Ryder has the floor at the present time."

#### MOTION

Senator Greive:

"I move that Senator Ryder wait until the time is right to make his observations."

#### POINT OF INQUIRY

Senator Greive:

"I ask for a ruling whether or not Senator Ryder can speak when there is nothing before the Senate."

The President:

"What is the point of your talk, Senator Ryder?"

Senator Ryder:

"I am about through now."

#### POINT OF INQUIRY

Senator Moriarty:

"If this resolution be adopted by the Senate, would it appear in the record?"

The President:

"It certainly will."

#### POINT OF ORDER

Senator Dore:

"I think this question is out of order at this time, requesting the President to advise of the effect this would have."

Senator Moriarty:

"I suggest that if this resolution be adopted it cannot appear in the Senate record for the reason that it is self-defeating. The very fact that the Secretary be directed to expunge the record itself, would have to show in the journal."

**RULING OF THE PRESIDENT**

The President:

"The President has already ruled that the resolution is properly before the Senate."

Senator Rasmussen moved that the following amendment be adopted:

Add a new section: *Provided further*, That in consideration of the kindness of the Senate in adopting this resolution the Governor shall refrain from criticizing the legislature for doing the best job possible in these trying times.

**QUESTION OF CONSIDERATION**

Senator Greive raised the question of consideration on the amendment by Senator Rasmussen.

A division was requested.

The motion to consider the amendment lost on a rising vote, and the amendment was not considered.

Senators Greive, Hofmeister and Bargreen demanded the previous question.

Senator Ryder demanded a roll call, which was sustained by Senators Woodall, Shannon, Neill, Elway, Thompson, Foster, Chytil, Moriarty and Freise.

The President stated the question before the Senate to be, shall the main question be now put.

The Secretary started to call the roll on the previous question.

**MOTION**

Senator Herrmann moved that the rules be suspended and that Senators Cowen and Keefe be excused for the purpose of this roll call only.

**POINT OF ORDER**

Senator Woodall:

"The roll call has now been commenced and I believe that Senators Cowen and Keefe would have to be excused prior to roll call."

Senator Moriarty demanded a roll call on the motion by Senator Herrmann.

Senator Rasmussen:

"I believe, as I read Rule 32, that the only motion that can be made while a roll call is in progress is for the purpose of a Call of the Senate. Is that what your book says, Mr. President?"

**RULING OF THE PRESIDENT**

The President:

"The President believes that in those cases where a member of the Senate is absent, it will take the unanimous approval of the Senate to excuse the absent Senators.

"In the past the President has accepted motions to suspend the rules in the interest of expediting legislative matters, but in this particular case, it will take the unanimous approval of the members of the Senate to excuse a member from a roll call."

**PERSONAL PRIVILEGE**

Senator Knoblauch:

"This seems just a little foolish to me. These two Senators have their reservations. They are heading for the airport. If we had something urgent I would not hesitate, but why are we doing this? I feel, in the common sense of the Senators present, let's have those two men excused."

Senator Woodall:

"I think we have something very, very important before this Senate. I think one of the most important decisions is about to be made."

Senator Herrmann:

"I think the President has already made the ruling and I would like to know what is before the Senate."

#### RULING OF THE PRESIDENT

The President:

"Ruling upon the point of order. A roll call may not be interrupted for anything except for the purpose of a Call of the Senate. The Sergeant-at-Arms will be directed to deliver Senators Cowen and Keefe to the bar of the Senate."

Senator Woodall:

"I think the President had recognized me, and I was speaking under a point of personal privilege."

#### RULING OF THE PRESIDENT

The President:

"The President does not believe that you were speaking under a point of personal privilege. You did not state it as such, and therefore, the President will not recognize any further motions."

#### MOTION

Senator Riley:

"I would like to move that if there be no objection, the rules be suspended and Senators Keefe and Cowen be excused."

An objection was raised by Senator Woodall.

The Sergeant-at-Arms announced that Senators Cowen and Keefe were present.

The Secretary completed calling the roll on the previous question, and the demand for the previous question was sustained by the following vote: Yeas, 31; nays, 15; absent and excused—3.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Durkan, Foley, Gallagher, Greive, Hallauer, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, McMillan, Martin, Morgan, Nunamaker, Papajani, Riley, Sandison, Washington—31.

Those voting nay were: Senators Chytil, Elway, Jr., Foster, Freise, Happy, Lennart, McCutcheon, Moriarty, Jr., Neill, Petrich, Rasmussen, Ryder, Shannon, Thompson, Jr., Woodall—15.

Those absent and excused were: Senators Gissberg, Raugust, Talley—3.

#### PERSONAL PRIVILEGE

Senator Moriarty:

"I asked the President to please restate his ruling under which he held that his ruling was not in violation of Rule 32."

The President:

"The President made no such ruling."

#### POINT OF ORDER

Senator Dore:

"That is the same point I raised earlier when Senator Moriarty raised the same point of order. It is premature. There has been no ruling made on this point of order."

Senator Woodall:

"The time to raise a constitutional question is when it is being voted on. Senator Moriarty is perfectly right to raise it now when it is being voted on. I say it is in order for him to raise it now and it is proper for the President to rule."

Senator Dore:

"Senator Moriarty is speaking on a point of personal privilege. He then makes some statement which is not relative to the point of personal privilege and lacking grounds against the proposition, asks for a ruling."

The President:

"The President believes that Senator Dore is correct in that interpretation. The President believes that the Senator 'jumped the gun.'"

#### RULING OF THE PRESIDENT

The President:

"The President believes that Senators Moriarty and Woodall are impeding progress, and if they would just remain quiet, the President will make a ruling."

#### RULING OF THE PRESIDENT

The President:

"Senator Dore, the President was merely trying to expedite the business of the Senate and trying to resolve an extremely complicated situation. The President was trying to resolve it to the best interests of everyone, even the Governor, but under the present conditions the President finds it particularly difficult to even perform an act of kindness. Senator Greive, would you please come to the rostrum. Senator Woodall, would you please come to the rostrum."

#### RULING OF THE PRESIDENT

The President:

"Senator Greive, your demand for the expunging of the record is denied.

"The President is not ruling on the constitutionality of the matter regarded within the resolution. However, the President does believe that once the minutes of the preceding day are read and approved, the journal does become a public record. Therefore, the President must remind the members of the Senate that he must sign each day's proceedings, and if this particular matter is expunged, the President will refuse to sign the minutes for that particular day unless they are in proper order."

#### MOTION

Senator Bailey:

"If that be the ruling, I suggest that we return to the proper place where we can propose another amendment."

Senator Bailey moved that the following amendment by Senators Bailey and Greive be adopted.

Strike the semicolon and the word "and" at end of the sixth paragraph and all of the last paragraph. Insert period at end of sixth paragraph after "state"

Debate ensued.

The amendment to the resolution was adopted.

The President stated the question to be the adoption of the resolution as amended.

The Secretary commenced to call the roll on the adoption of the resolution.

#### MOTION

Senator Woodall moved that the name of Senator Bargreen be called at the end of roll call.

An objection was received from Senator Cowen.

The Secretary called the roll, and the resolution as amended, was adopted by the following vote: Yeas, 32; nays, 14; absent and excused, 3.

Those voting yea were: Senators Angevine, Bailey, Bargreen, Connor, Cooney, Cowen, DeGarmo, Donohue, Dore, Foley, Gallagher, Greive, Hallauer, Hanna, Henry, Herrmann, Hess, Hofmeister, Keefe, Knoblauch, Kupka, McCormack, McMillan, Martin, Morgan, Nunamaker, Papajani, Petrich, Rasmussen, Riley, Sandison, Washington—32.

Those voting nay were: Senators Chytil, Durkan, Elway, Jr., Foster, Freise, Happy, Lennart, McCutcheon, Moriarty, Jr., Neill, Ryder, Shannon, Thompson, Jr., Woodall—14.

Those absent and excused were: Senators Gissberg, Raugust, Talley—3.

#### EXPLANATION OF VOTE

My reason for voting against the Senate Resolution commending our great Governor was not without profound admiration for him but rather a deep disappointment in the actions of the Senate in failing to pass the Resolution as introduced. I feel that the amendment in deleting the last paragraph was a reflection upon the Senate.

The Senate was in error when earlier this week they criticized the Governor and had this Resolution been adopted in full the error would have been corrected and the high esteem by which Governor Rosellini is regarded, while not impaired by the earlier action of the Senate, could have been corrected in expunging all references to the same.

(signed) MARTIN J. DURKAN.

#### POINT OF INQUIRY

Senator Riley:

"Mr. President, when might it be appropriate for me to add a word on the matter of the proceedings thus far? I want to make a suggestion that another record be expunged because I am worried about the over-zealous motions by Senators to show on the record where anything was expunged. I know and admit that there is nothing before the Senate, but I was going to ask Senator Greive if he would not like to remove his motion that a motion by Senator Woodall be expunged, because I am very fearful that if we permit a matter or unconstitutional motion to be expunged, I feel that in the next session we will be constantly expunging the record."

#### MOTION

Senator Greive moved that the motion which he made to expunge the record on behalf of Senator Woodall be withdrawn.

Senator Hess:

"Speaking upon the point of order that Senator Riley was addressing, I am sure that I share Senator Riley's concern, and I ask the President if it might not be in order that the ruling in the future be that any motion to expunge require unanimous consent. My reason for this suggestion is that it would seem to me that any action having been taken becomes the property of the whole body, and thus, cannot be withdrawn without the consent of the whole body."

Senator Riley:

"I might suggest to the committee having to do with the codifying of the rules, that they might well suggest a very tight rule for the next session, if not a unanimous consent, at least a three-quarters, or some substantial authority that we cannot have the record expunged except by some very vital important matter."

#### POINT OF ORDER

Senator Greive:

"What is before the Senate?"

The President:

"A report of enrollment is before the Senate."

The Secretary read:

**REPORTS OF STANDING COMMITTEE**

Olympia, Wash., March 31, 1961.

MR. PRESIDENT:

Your Committee on Engrossed and Enrolled Bills, to whom was referred Engrossed Senate Bill No. 2; also

MARTIN J. DURKAN, *Chairman.*

I concur in this report: Joe Chytil.

Senate Chamber,  
Olympia, Wash., March 31, 1961.

MR. PRESIDENT:

Your Committee on Engrossed and Enrolled Bills, to whom was referred Re-Engrossed Senate Bill No. 2; also

Re-Engrossed Senate Bill No. 5, have compared same with the re-engrossed bills and find them correctly enrolled.

MARTIN J. DURKAN, *Chairman.*

I concur in this report: Joe Chytil.

**SIGNED BY THE PRESIDENT**

**The President signed: Senate Bill No. 2; also  
Senate Bill No. 5.**

**PERSONAL PRIVILEGE**

Senator Cowen:

"Mr. President and Members of the Senate:

"I deeply regret that I had left the building this evening. I had no intention of ever ducking a bill, or refusing to vote on a bill. We were close to the city of Tacoma when the State Patrol brought us back.

"I shall presume I do not need to tell the Senators of the condition that exists in my home, and has for seven years. For seven consecutive years I have kept my wife's mother in my home and she is very ill and the burden is very great on my wife."

Senator Woodall:

"It was not called to my attention, or to the attention of the President of the Senate so far as I know, or any other member of the Senate, that there was any unusual circumstance that might have necessitated your leaving. I know that if anyone had known of any condition in your home, there would have been no question about bringing you back."

**PERSONAL PRIVILEGE**

Senator Rasmussen:

"I want to apologize to the members of the Senate and their wives who are waiting patiently to adjourn, but I want to point out that I am very sorry about Senator Cowen having been brought back, but I do want to point out that the matter we were considering was a very important one, and more important than we realize. It is very important to have voted on the question of the desirability of expunging from the journal of the Senate. If we could expunge one thing, we could another, and if I want to keep my vote in the record, I do not want them to be able to expunge it from the journal."

The Secretary read:

WHEREAS, The continuation of the tourist business within the state and its beneficial effect upon our economy is based upon the opportunity for enjoyment of recreational facilities; and

WHEREAS, The tremendous increase in the need for expansion of recreational opportunities afforded by the fresh and salt waters of our state is evidenced by:

(1) A population increase in our state of over one-quarter of a million persons in the past five years and a projected increase of approximately one-half million persons in the next ten years;

(2) An increase of game fish license holders of over twenty thousand in the past five years; and

(3) An increase in the visitors to our state parks of nearly two and one-half million persons in the past five years.

WHEREAS, The serious decrease in the availability of such recreational opportunities is evidenced by:

WHEREAS, A study of the entire field of the fading recreational opportunities afforded by the fresh and salt waters of the state is desperately needed to enable us to find a solution to this problem;

*Now, Therefore, Be It Resolved*, That we, the members of the Senate, in this extraordinary session of the thirty-seventh Legislature, do commend Senator Ed Riley for his long and loyal devotion to the success of the Century 21 Exposition and that in gratitude therefor we do hereby proclaim Senator Riley an honorary member of the Century 21 world fair commission; and

WHEREAS, As chairman of the Committee on Rules and Joint Rules he has accepted his responsibility seriously, labored diligently for long hours under some times difficult circumstances to the end that the work of the Committee be successful and effective; and

WHEREAS, His outstanding qualities of leadership have upon many occasions brought divergent groups together with results which have proved to be in the best interests of all the people of the state of Washington and contributed much to the smooth operation of the legislature;

*Now, Therefore, Be It Resolved*, That the Senate extend its thanks, appreciation and praise to Lieutenant Governor John A. Cherberg for good work well done; and

*Be It Further Resolved*, That the Secretary of the Senate suitably enroll a copy of this resolution and transmit the same to Lieutenant Governor John A. Cherberg; and

*Be It Further Resolved*, That a copy of this resolution be entered in the Senate journal.

On motion of Senator Greive, the resolution was adopted.

Senator Greive:

"I think at this point in the session we have found something upon which we can all agree."

Senator Woodall:

"I am going to concur in those remarks by Senator Greive. This is another one of those few times we find ourselves on the same side."

#### SENATE RESOLUTION

By Senators Cowen and Knoblauch:

WHEREAS, The members of the Senate of the state of Washington are elected to a term of four years, during which term of office a desk is provided on the floor of the Senate for each duly elected Senator; and

That the Associated Press be granted the continuous use of Senate Committee Room No. 1, heretofore used as press correspondence headquarters during the legislative sessions, for press correspondence purposes with permission to keep therein teletype machines and other incidents to effectual press correspondence from this date henceforward, provided that the same shall be maintained without expense to any state agency or department, and shall be maintained in good condition.

On motion of Senator Elway, the resolution was adopted.

#### PRESIDENT'S PRIVILEGE

The President:

"It is with a great deal of pleasure that the President presents Mr. Stub Nelson of the Seattle P. I."

Mr. Nelson:

"As President of the Capitol Correspondence Association, I want to thank the Senate for the kind resolution adopted a few minutes ago, praising the press, and I want to assure you that all members of the press always try to report objectively, and thank you for the appreciation.

"There are a few other members in the press here now, Wayne Jacobi, of the Seattle Times, is a young man who has added a lot of grace to the press row. Adele Ferguson has added feminine charm, Jack Fisher, is around, but he is writing a story. He is about on his dead-line. I should be. I just want to add that it is always a pleasure to be here although perhaps it has been too long. There is one member still present since I started, my dear and treasured friend, David Cowen. John McCutcheon was here a long time. Mike Gallagher was also here a long time. All that time it has been a pleasure to work with you.

"I would like to make a motion. This is a personal motion. About 1,000 bills died in the legislature. Now, you know I never lobby, but I was particularly happy to see one bill not passed by the Senate. They just didn't get around to act upon it. I didn't have to lobby on it. It just faded away. But because you didn't get around to act upon it, I am personally going to suspend old Rule 40, if the Sergeant-at-Arms will wait upon me."

Senator Riley:

"I think I can make a guess as to which bill it was because Mr. Stub Nelson represents a morning paper and if the story gets out at a certain time, certain papers get the advantage. I don't know what bill it was, but I have an idea."

Mr. Nelson:

"Well, you might have made a good guess. I am very proud that Senator Riley is my Senator, and he has been for a long time, and you can be my Senator forever, Senator Riley!"

The President:

"Mr. Nelson, the President would like to thank you for your most cordial remarks.

"The President should like to remark that it is always a good policy to get along with newspaper people. He learned this from Mr. Fred C. Lynch a long time ago, when the President learned if you called a newspaperman a bum, he heard it; but if he called you one, several thousand people heard it! We are so happy to have the press in the front row. Thank you for being so fair and the manner in which you have handled your coverage of the Senate."

#### SENATE RESOLUTION

By Senators Gissberg and Greive:

WHEREAS, The First Extraordinary Session of the Thirty-Seventh Legislature is drawing to a close; and

WHEREAS, It is necessary to provide for the completion of the work of the Senate after its adjournment;

*Now, Therefore, Be It Resolved*, That the Secretary of the Senate without additional compensation therefor be, and he is hereby authorized and directed to complete the work of said Extraordinary Session, to reply to and give necessary attention to correspondence and other details arising therefrom; and

*Be It Further Resolved*, That the Secretary of the Senate be, and he hereby is, authorized to retain such employees as he may deem necessary and that said employees be allowed such per diem rate of pay therefor as the Secretary and the President or President Pro Tempore shall deem proper; and

*Be It Further Resolved*, That the Secretary of the Senate be, and he hereby is, authorized and directed to make out and execute with the President, or the President Pro Tempore, the necessary vouchers upon which warrants for the foregoing expenses and expenditures shall be drawn from funds provided therefor for legislative expenses; and

*Be It Further Resolved*, That the Secretary of the Senate be, and hereby is, authorized and directed to have a copy of the Senate Journal of the First Extraordinary Session of the Thirty-Seventh Legislature, together with a suitable index therefor, prepared by the State Printer; and

*Be It Further Resolved*, That after the close of the Session the Secretary of the Senate, and the President, or the President Pro Tempore of the Senate be, and they hereby are, authorized and directed to prepare and execute the necessary vouchers, upon which warrants shall be drawn for the final payment of all expenses incurred after the adjournment of this First Extraordinary Session of the Thirty-Seventh Legislature in closing the business of such Session.

On motion of Senator Greive, the resolution was adopted.

#### COMMITTEE FROM THE HOUSE

A committee from the House comprised of Representatives Henry, Marsh and Rickdall appeared before the bar of the Senate to notify the Senate the House was about to adjourn *sine die*.

The report was received and the committee was invited by the President to remain and hear a song by Doris Swanson and Harold Bergem.

**PRESIDENT'S PRIVILEGE**

The President:

"Mrs. Swanson and Mr. Bergem will sing a song of great current interest at this time, the title of which is 'The Governor's Sine Die Message to the Legislature.' The President will provide the soft background music!"

**THE GOVERNOR'S SINE DIE MESSAGE TO THE LEGISLATURE**

I'm gonna sit right down and write myself a budget  
 To hell with Webb and Goldmark, too!  
 We've got to raise those mills you know  
 For Dr. Heynes and Lou Bruno  
 We've got to give our soul and body  
 To help out Charlie Hodde.  
 We've got to slip the tax on soda pop and liquor  
 And serve the same on Sunday, too—  
 I'm gonna sit right down and write myself a budget  
 And make believe it came from you.

I'm gonna give my soul for roads and education  
 Oh, Julia, Baby—please come home  
 Get on the stick—quit being sluggish  
 Remember Hagan and Bill Bugge  
 And even though they assail her  
 I'm gonna help out Louise Taylor  
 I'm gonna grit my teeth at Nicolai and Bishop  
 Send 'em up those stairs with bull whips, too.

I'm gonna sit right down and write myself a budget  
 'Cause I've been faked out by all of you.  
 Goodbye, O'Brien  
 'Cause I've been faked out by all of you  
 And you, too, Cowboy  
 'Cause I've been faked out by all of you.

**PRESIDENT'S PRIVILEGE**

The President:

"Members of the Senate:

"The President intended to make a little talk here.

"The President believes that the members of the Senate have acted in a most gracious manner and wishes to be thoughtful enough to record his commentary on the good feelings that existed in the Senate which was due in large measure to Senators Happy and Woodall, respected leaders of the Republican Party, and to the noted Senator Greive and Senator Bailey for their wonderful work. The friendly atmosphere has been illustrated throughout the session.

"I want to say a special word to President Pro Tempore Al Henry for the tremendous job he has done. I want to express my gratitude for his willingness and readiness to help out at all times.

"I certainly would be amiss if I didn't mention how much I can rely on our Secretary Ward Bowden for his constant help and assistance in all matters. Don Wilson, his assistant, is not here, but the lovely Secretary to the Secretary is here and I know you all know Florence Kenderesi and owe her a debt of gratitude. Mrs. Norine Munson, the Minute Clerk, has done a wonderful job, and Miss Virginia Holte has done just

as well and is always pleasant and nice to work with. Our reading clerk, Peter Brudevold, is most appreciated also.

"I want to thank Ulyssus Stevens, Newton Fry and Charlie Johnson for their wonderful work and Mary Lou Bammert and Mary Kay Krinbring, two associates in my office for their wonderful and very competent help, and what is perhaps the most important to the President, their patience.

"I have expressed my appreciation to the Press, and I want to thank the members of the Senate for their wonderful help and true spirit of cooperation."

#### REPORT OF SPECIAL COMMITTEE

The Senate members of the special committee, composed of Senators Riley, Morgan and Moriarty, appointed to notify the House that the Senate was about to adjourn *sine die* reported back and Senator Riley informed the President that the House had been so notified.

The report was received and the committee was discharged.

#### PRESIDENT'S PRIVILEGE

The President:

"The President has been duly tried and convicted of the most grievous error of all. This was certainly an omission of the mind and not of the heart. The President should like to call attention to the girls in the Work Room. I want you to please stand. It is so often we all overlook the tremendous asset this group is to the Senate and their long and tedious hours of endeavor.

"Another group of all-importance to the Senate is that very fine staff of pages that have worked so well for each of us. Let's give them a big hand. And the boys in the Bill Room, Hi Groshell, Hayes Elder, Avery Fulcher, and all of those guys have done such a fine job too."

#### REPORT OF SPECIAL COMMITTEE

The Senate members of the special committee, composed of Senators Bailey, Woodall, Angevine and Cowen, appointed to notify the Governor that the Legislature was about to adjourn *sine die*, appeared before the bar of the Senate and reported that the committee had so notified the Governor, and the Governor was willing that the Senate adjourn *sine die*.

The report was received and the committee was discharged.

#### MOTIONS

At 12:14 o'clock a. m., on motion of Senator Greive, the Senate of the First Extraordinary Session of the Thirty-Seventh Legislature adjourned *sine die*.
