Senator Wilson: "To answer your question, Senator Rasmussen, the question as to whether a municipal corporation can engage in pooling their insurance coverage has presently been submitted to the attorney general for an opinion. There is some doubt in that area and there is some doubt as to which way the attorney general will rule. The attorney general's office has indicated informally to the counties that they would be far better off and have a far more clear cut authority to engage in these pooling activities if a bill such as 56 is passed. If it is not, doubt will exist as to their
legal authority to engage in pooling and the attorney general, for all I know, might rule against it."

Senator Morrison moved the following amendments to the amendment by Senator Wilson be considered and adopted simultaneously:

On page 1, line 34 of the amendment after "services." insert "It is the further intent of the legislature that such agreements shall be authorized only after a written determination by the insurance commissioner that liability insurance for local government entities is either unavailable or cost prohibitive from an authorized insurance carrier."

On page 2, line 35 of the amendment after "Sec. 4." strike "The" and insert "After a written determination by the insurance commissioner that liability insurance for local government entities is either unavailable or cost prohibitive from an authorized insurance carrier, the"

On page 3, line 26 of the amendment, after "trust," strike "approval" and insert "the insurance commissioner shall make a written determination that liability insurance for these local governmental entities is unavailable or cost prohibitive from an authorized insurance carrier. Approval"

POINT OF INQUIRY

Senator Rasmussen: "Senator Morrison, this will probably be a two point question. The first question, it is my understanding the city of Tacoma at the present time, and several other cities, have withdrawn from industrial insurance and they are going to become self-insurers. They also have hired a risk management person to mostly work on it from the safety angle and also to advise them in their coverage, probably on their catastrophe coverage and things like that.

"Now with your amendment, if they wanted to join in with Pierce county on such as this or risk management for fire and liability, they would then have to come down to the insurance commissioner and ask, 'Do you have anybody that can sell us insurance cheaper than we are getting it ourselves?' or words to that effect. Is that what they would have to do?"

Senator Morrison: "Senator Rasmussen, right now the law specifies that anyone can self-insure and this includes all of us as individuals, your city, your county, can self-insure; but the minute two people get together that then comes under the definition of insurance and you have to qualify then as an insurance company. Yes, if the city of Tacoma and Pierce county chose to get together, they would have to come under the provision that we have included here as far as this liability coverage is concerned. Before they could pool their resources and self-insure between the two of them, there would have to be a determination by the insurance commissioner that they could not buy liability coverage. That is true."

Senator Rasmussen: "Thank you. That answers one part of it. Now, obviously, insurance would be available. At what point do you determine that it becomes cost prohibitive and at what point would the insurance commissioner be able to arrive at that?"

Senator Morrison: "Senator Rasmussen, that is a very good question. I do not have the answer. I presume that the determination of what would be cost prohibitive would have to be reached through the administrative procedures process that we have, that is a measurement of what you were paying last year, what are the potential premiums for the coming year, and at some point insurance does become cost prohibitive. I would say some of the examples I have heard of premiums going up by two, three, four hundred percent from one year to the next, would in fact qualify that insurance as being cost prohibitive for that particular city or county."

Debate ensued.

Senator Wilson demanded a roll call and the demand was sustained.
The President declared the question before the Senate to be the roll call on the amendments by Senator Morrison to the amendment by Senator Wilson.

Authorizing local governments to enter program for self-insurance, risk management, and joint insurance.

The Senate resumed consideration of Substitute House Bill No. 56 from earlier today. Senator Wilson had moved adoption of an amendment and the following amendments by Senator Morrison to the amendment by Senator Wilson had been moved for adoption earlier today:

On motion of Senator Morrison, the following amendments to the amendment by Senator Wilson were considered and adopted simultaneously:

POINT OF INQUIRY

Senator Morrison: "I noticed that your amendment would allow local government entities to purchase insurance or self-insure for any legitimate purpose. Does that include workers' compensation?"

Senator Williams: "I suspect that it might but I am not sure that I am the person to ask about that."

The motion by Senator Williams failed and the amendment to the amendment by Senator Wilson was not adopted.

Senator Williams moved the following amendments to the amendment by Senator Wilson be considered and adopted simultaneously:

On page 3, after "trust," on line 26, strike all the material down through "from" on line 29 and insert "that organization shall submit to"

On page 5, beginning on line 4, strike all the material down through "approved" on page 6, line 3, and insert "the state risk manager shall review the plan. The motion by Senator Williams failed and the amendments to the amendment by Senator Wilson were not adopted on a rising vote.

Senator Williams moved adoption of the following amendment to the amendment by Senator Wilson:

On page 12, line 9 insert a new subsection (14) to read as follows:

"NEW SECTION. Sec. 4. Every insurer doing business with municipalities of the state shall file annually with the insurance commissioner the data on the premiums, losses and reserves on a municipality by municipality basis. At the same time, the insurer shall send a copy of the data collected on an insured municipality to the insured municipality."

Renumber accordingly.

POINT OF ORDER

Senator Clarke: "I challenge the proposed amendment on two separate points of order. The first is that it expands the scope and object of the bill and the second one is that, contrary to the requirements of the Constitution, on page 64, Section 37 which says, 'No act shall ever be revised or amended by a mere reference to its title but the act revised or the section amended shall be set forth at full length.'

'Speaking as to both of these points of order, the bill before us relates exclusively to the power of local government to pool or collaborate in connection with insurance matters. It has entirely to do with local government. The proposed amendment would require certain acts to be done by private insurers with respect to the collection of their experience records and this has, in effect, nothing directly to do with local government.

'Also, I would respectfully call the President's attention to Section 48.19.370 of the Insurance Code which provides in detail for the recording and reporting of loss
and expense experience and authorizes the insurance commissioner to promulgate reasonable rules and statistical plans with respect to each of the rating systems on file as to what type of information shall be reported; and in (3) of that statute it specifically reads as follows: 'No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system filed by it.' So that this amendment, if passed, would in substance have the effect of purporting to amend or negate an existing statute, and if that statute is to be changed or amended, it should be specifically set out in proper form, so I challenge on the two points of order."

RULING BY THE PRESIDENT

The President commenced his Ruling on the Point of Order by Senator Clarke.

REMARKS BY SENATOR PULLEN

Senator Pullen: "Mr. President, I am sympathetic to that. However, I would point out that Rule 58 of our rules says that no act shall ever be revised or amended by mere reference to its title, so our rules have incorporated that particular constitutional point."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Clarke, the President finds that Substitute House Bill No. 56 is a measure which authorizes certain insurance practices with regard to local government.

The amendment proposed by Senator Williams also deals with local government insurance by requiring insurers who do business with local government to file certain reports.

The President therefore finds that the proposed amendment does not expand the scope and object of the bill and that the Point of Order is not well taken."

The amendment by Senator Williams to the amendment by Senator Wilson was ruled in order.

Debate ensued.

The motion by Senator Williams failed and the amendment to the amendment by Senator Wilson was not adopted.

The motion by Senator Wilson carried and the amendment, as amended, was adopted.

On motion of Senator Wilson, the following amendment to the title was adopted:

On page 1, on line 1 of the title, after "government;" strike "amending section 1, chapter 16, Laws of 1975 and RCW 36.16.138; amending section 3, chapter 239, Laws of 1967 as last amended by section 13, chapter 283, Laws of 1977 ex. sess. and RCW 39.34.020;"

(b) "Service" for persons who establish membership in the retirement system on or after October 1, 1977, means periods of employment by a member for one or more employers for which basic salary is earned for ninety or more hours per calendar month.

Members of the retirement system who are elected or appointed to a state elective position ((as defined in RCW 41.40.010(30))) may elect to continue to be members of this retirement system.

Years of service shall be determined by dividing the total number of months of service by twelve. Any fraction of a year of service as so determined shall be taken into account in the computation of such retirement allowance or benefits.

If a member receives basic salary from two or more employers during any calendar ((year such member shall receive a total of not more than twelve months of service for such calendar year)) month, the individual shall receive one month's service credit during any calendar month in which multiple service for ninety or more hours is rendered.

It includes the computation of the present monetary value of benefits payable to present members, and the present monetary value of future employer and employee contributions, giving effect to mortality among active and retired members and also to the rates of disability, retirement, withdrawal from service, salary and interest earned on investments.

The bill was read the second time by sections.

Senator Shinpoch moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Rasmussen: Mr. President, I think it is a good motion but I would like to ask one question before we do that of either Senator Shinpoch or Senator Scott. Senator Shinpoch, I heard you mention a ninety day—it was my understanding when we were in committee that there was a provision in here to allow those employees to pick up the six months' probationary period that it used to be that they
could not receive credit for. We had several open periods. Is that in here now that they may pick up?"

Senator Shinpoch: "That is correct, Senator. They may pick up the six months by paying in their share of the retirement pay-in according to their salary for the period that they want to pick up."

Senator Rasmussen: "Okay. You do not know what section that happens to be in, do you? And while you are giving the section . . . ."

Senator Scott: "If we can set it over, Senator, and I will be happy to look up the section for you."

Senator Rasmussen: "Thank you."

Senator Marsh: "Mr. President, it is the amendment that went on page 4, beginning at line 5, Senator Rasmussen."

"HEAVENLY FATHER, WE COME TO THIS MOMENT WITH ALL SORTS OF FEELINGS CLAMORING FOR OUR ATTENTION. SOME OF THE ACTIVITIES OF YESTERDAY STILL MAINTAIN THEIR GRIP ON US, WHILE SOME OF THE NEEDS OF TODAY ARE TUGGING FOR A CENTRAL PLACE IN OUR THINKING. THE FRUSTRATION OF WAITING AND THE INABILITY TO SPEED UP THE PROCESS OF AGREEMENT HAUNTS US LIKE A SHADOW, WHILE ALL THE TIME JOYFUL THOUGHTS OF GETTING HOME TO FAMILY, FRIENDS, AND JOB MUST BE KEPT AT ARMS LENGTH.

REMIND US ONCE MORE THAT THERE ARE ENOUGH PROBLEMS. OUR PRAYER IS SIMPLY THIS: 'THAT BY YOUR GRACE THESE WHO ENJOY THE PRIVILEGE AND HONOR OF LEADERSHIP KNOW THAT SPECIAL JOY WHICH COMES FROM BEING A PART OF THE SOLUTION.' AMEN."

MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. This chapter may be known and cited as the Victims of Sexual Assault Act.

NEW SECTION. Sec. 2. (1) The legislature hereby finds and declares that:
(a) Sexual assault has become one of the most rapidly increasing violent crimes over the last decade;
(b) There is a lack of essential information and data concerning sexual assault;
(c) There is a lack of adequate training for law enforcement officers concerning sexual assault, the victim, the offender, and the investigation;
(d) There is a lack of community awareness and knowledge concerning sexual assault and the physical and psychological impact upon the victim;
(e) There is a lack of public information concerning sexual assault prevention and personal self-protection;
(f) Because of the lack of information, training, and services, the victims of sexual assault are not receiving the assistance they require in dealing with the physical and psychological trauma of a sexual assault;
(g) The criminal justice system and health care system should maintain close contact and cooperation with each other and with community rape crisis centers to expedite the disposition of sexual assault cases; and
(h) Persons who are victims of sexual assault will benefit directly from increased public awareness and education, increased prosecutions, and a criminal justice system which treats them in a humane manner.
(2) Therefore, a state-wide sexual assault education, training, and consultation program should be developed. Such a state-wide program should seek to improve treatment of victims through information-gathering, education, training, community awareness programs, and by increasing the efficiency of the criminal justice and health care systems as they relate to sexual assault. Such a program should serve a consultative and facilitative function for organizations which provide services to victims and potential victims of sexual assault.

POINT OF ORDER

Senator Shinpoch: "Mr. President, I would raise the question of scope and object on Senator Pullen's amendment."

"Mr. President, ladies and gentlemen, the amendment submitted by Senator Pullen deals with the penalties of a person guilty of rape where the bill we have in front of us deals with education, the training of law enforcement officers, the community awareness, setting up a plan, and those types of things. It has nothing to do with penalties."

RULING BY THE PRESIDENT

President Cherberg: "Senator Pullen, in ruling upon the Point of Order presented by Senator Shinpoch, the President believes that you have already made the ruling. The President believes that the remarks of both Senator Shinpoch and Senator Pullen are well taken. Therefore, the President rules that the Point of Order presented by Senator Shinpoch is well taken."

The amendment by Senator Pullen to the committee amendment was ruled out of order.

NEW SECTION. Sec. 19. Notwithstanding the foregoing provisions of this act the department shall make payments from an escrow account to any person accused or convicted of a crime upon the order of a court of competent jurisdiction after a showing by such person that such moneys shall be used for the exclusive purpose of retaining legal representation at any stage of the proceedings against such person, including the appeals process.

NEW SECTION. Sec. 20. Any action taken by any person accused or convicted of a crime, whether by way of execution of a power of attorney, creation of corporate entities or otherwise, to defeat the purpose of this act shall be null and void as against the public policy of this state.

Authorizing police forces for community colleges and the provision of death or disability provisions for its staff.

MOTIONS

On motion of Senator Jones, the rules were suspended and Engrossed House Bill No. 628 was returned to second reading on reconsideration.

Senator Goltz moved adoption of the following amendment by Senators Goltz, Shinpoch and Jones:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.10 RCW a new section to read as follows:

The duty–related benefits authorized by RCW 28B.10.567, as now or hereafter amended, for police officers employed on or after the effective date of this act by the governing boards of the respective universities and The Evergreen State College shall in no event be greater than the benefits authorized on October 1, 1977, for duty–related death, disability, or injury of a law enforcement officer under chapter 41.26 RCW."

POINT OF INQUIRY

Senator Scott: "Senator Goltz, if I understand you correctly then, the net effect of the amendment is to take out of the bill the deputization of the community college police officers and simply deal with the question of giving them LEOFF II disability benefits and no other LEOFF benefits?"

Senator Goltz: "That is correct. They would be PERS system, although as I understand LEOFF II and PERS, it is the same for these persons."

Debate ensued.
The motion by Senator Goltz carried and the amendment was adopted.

On motion of Senator Goltz, the following amendment to the title was adopted:
On page 1, line 1 of the title, after "higher education;" strike the remainder of the title and insert "and adding a new section to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.10 RCW."

On motion of Senator Goltz, the rules were suspended, Engrossed House Bill No. 628, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

JOHN A. CHERBERG, President of the Senate.
SIDNEY R. SNYDER, Secretary of the Senate.

The Color Guard, consisting of Pages Leah Langlois and Eric Ryan, presented the Colors. Reverend Richard Hart, pastor of The First Baptist Church of Olympia, offered the following prayer:

"LORD, THE WEEKEND IS UPON US AND WE ARE NOT WHERE WE THOUGHT WE WOULD BE OR EVEN WHERE WE HOPED WE WOULD BE. PLANS MADE LONG AGO HAVE BEEN POSTPONED, SOME EVEN SCRAPPED. SCHEDULES HAVE BEEN ALTERED AND CHANGED UNTIL WE HARDLY RECOGNIZE THEM. EVERYBODY HAS A QUESTION FOR US AND SOME OF THEM WE HAVE HEARD A HUNDRED TIMES, BUT WE STILL HAVE NO ANSWER TO GIVE BECAUSE THE ANSWER REMAINS IN OTHER HANDS.

"HEAVENLY FATHER, IN THE MIDST OF ALL THAT IS HAPPENING, GRANT TO THESE OUR LEADERS AN EXTRA MEASURE OF PATIENCE AND GRACE WITH WHICH TO DEAL WITH THEIR ANXIETY AND FRUSTRATION. MAY THE SIMPLE TRUTH OF YOUR STEADFAST LOVE AND CARE EASE THE BURDEN OF THE DAY. AMEN."

Senator Odegaard moved adoption of the following amendment by Senators Walgren, Rasmussen, Gould, Gallagher, Odegaard and Wilson:

Strike everything after the enacting clause, and insert the following:

"Section 1. Section 1, chapter 234, Laws of 1959 as amended by section 1, chapter 237, Laws of 1967 and RCW 34.04.010 are each amended to read as follows:

((For the purpose of this chapter:)) The definitions set forth in this section shall apply throughout this chapter, unless the context clearly requires otherwise."
(1) "Agency" means any state board, commission, department, or officer, authorized by law to make rules or to adjudicate contested cases, except those in the legislative or judicial branches.

(2) "Rule" means any agency order, directive, or regulation of general applicability (a) the violation of which subjects a person to a penalty or administrative sanction; (b) which establishes, alters, or revokes any procedure, practice, or requirement relating to agency hearings; (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law; (d) which establishes, alters, or revokes any qualifications or standards for the issuance, suspension, or revocation of licenses to pursue any commercial activity, trade, or profession; or (e) which establishes, alters, or revokes any mandatory standards for any product or material which must be met before distribution or sale. The term includes the amendment or repeal of a prior rule, but does not include (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, (ii) declaratory rulings issued pursuant to RCW 34.04.080, as now or hereafter amended, or (iii) speed restrictions for motor vehicles established by the state highway commission.

(3) "Contested case" means a proceeding before an agency in which an opportunity for a hearing before such agency is required by law or constitutional right prior or subsequent to the determination by the agency of the legal rights, duties, or privileges of specific parties. Contested cases shall also include all cases of licensing and rate making in which an application for a license or rate change is denied except as limited by RCW 66.08.150, or a license is revoked, suspended, or modified, or in which the granting of an application is contested by a person having standing to contest under the law or agency rules.

(4) "License" includes the whole or part of any agency permit, certificate, approval, registration, charter, or any form of permission required by law, including agency rule, to engage in any activity, but does not include a license required solely for revenue purposes.

(5) "Licensing" includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal, or modification of a license.

(6) "Review committee" means a standing committee of the senate or house of representatives which has been designated by the respective body for the purpose of selectively reviewing proposed and existing rules of a designated state agency or agencies.

Sec. 2. Section 3, chapter 237, Laws of 1967 as last amended by section 7, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:
   (a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the appropriate review committees, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;
   (b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;
   (c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental
subdivision or agency, by the appropriate review committee, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refile notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

((ffl)) ill No proceeding ((sha-H)) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

((ffl)) ill No rule hereafter adopted is valid unless adopted in substantial compliance with this section, ((or-;-if)) unless it is an emergency rule designated as such((;)) and is adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

Sec. 3. Section 3, chapter 234, Laws of 1959 as amended by section 8, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.030 are each amended to read as follows:

((fflym)) If the agency finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the agency may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The agency's finding and a ((brief)) concise statement of the reasons for its finding shall be incorporated in the emergency rule or amendment as filed with the office of the code reviser under RCW 34.04.040 and with the appropriate review committee. An emergency rule or amendment ((sha-H)) may not remain in effect for longer than ninety days after filing. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

((((2) The emergency rule published in the register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon its filing with the code reviser in accordance with RCW 34.04.040(2).))

NEW SECTION. Sec. 4. There is added to chapter 34.04 RCW a new section to read as follows:

(1) Notice of the designation of a standing committee of the legislature as a review committee for the rules of any particular agency shall be communicated by the house making such designation to the affected agency.
(2) Whenever a majority of the members of the appropriate senate and house review committees determine that a proposed rule is not within the intent of the legislature as expressed in the statute which the rule implements, the review committees shall give the affected agency written notice of their decisions. The notices shall be given at least seven days prior to any hearing scheduled for consideration of or adoption of the proposed rule pursuant to RCW 34.04.025(1)(a)(iii) as now or hereafter amended. The notices shall include a statement of the review committees' findings and the reasons therefor.

NEW SECTION. Sec. 5. There is added to chapter 34.04 RCW a new section to read as follows:

(1) All rules required to be filed pursuant to RCW 34.04.040, and emergency rules adopted pursuant to RCW 34.04.030 as now or hereafter amended, are subject to selective review by the legislature.

(2) If the appropriate house and senate review committees find by majority votes of their members: (a) That an existing rule is not within the intent of the legislature as expressed by the statute which the rule implements, or (b) that the rule has not been adopted in accordance with all applicable provisions of law, the agency affected shall be notified of such finding and the reasons therefor. Within thirty days of the receipt of the review committees' notice the agency shall file notice of a hearing on the rule in question with the code reviser and mail notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings as provided in RCW 34.04.025, as now or hereafter amended. The agency's notice shall include the review committees' findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.

(3) The agency shall consider fully all written and oral submissions respecting whether the rule in question is within the intent of the legislature as expressed by the statute which the rule implements and whether the rule was adopted in accordance with all applicable provisions of law.

NEW SECTION. Sec. 6. There is added to chapter 34.04 RCW a new section to read as follows:

(1) Within seven days of an agency hearing held after notification of the agency by the review committees pursuant to section 4 or 5 of this 1979 act, the affected agency shall notify the committees of its action regarding a proposed or existing rule to which the committees objected. If the review committees determine, by majority votes of their members, that the agency has failed to provide for the required hearings or notice of its action to the committees, the committees may file notice of their objections, together with a concise statement of the reasons therefor, with the code reviser within thirty days of such determination.

(2) If the review committees find, by majority votes of their members, that the proposed or existing rule in question has not been modified, amended, withdrawn, or repealed by the agency so as to conform with the intent of the legislature, the review committees may, within thirty days from notification by the agency of its action, file with the code reviser notice of their objections together with a concise statement of the reasons therefor. Such notice and statement shall also be provided to the agency by the review committees.

(3) The code reviser shall publish the review committees' notice of objection and statement of the reasons therefor issued pursuant to subsection (1) or (2) of this section in the Washington state register and shall publish in the next supplement and compilation of the Washington Administrative Code a reference to the committees' objection and to the issue of the Washington state register in which the full text thereof appears.

(4) Such notice shall be removed from a rule published in the Washington Administrative Code if the state supreme court determines that the rule is within the
intent of the legislature or was adopted in accordance with all applicable laws, whichever was the objection of the review committees.

NEW SECTION. Sec. 7. There is added to chapter 34.04 RCW a new section to read as follows:

(1) The committees may recommend to the legislature that the original enabling legislation serving as authority for the promulgation of any rule reviewed by the committees be amended or repealed in such manner as the committees deem advisable.

(2) The review committees shall report on their activities, including findings and recommendations with respect to rule-making procedures of state agencies and institutions of higher education, thirty days prior to the convening of the regular session of the legislature in 1981.

NEW SECTION. Sec. 8. There is added to chapter 34.04 RCW a new section to read as follows:

It is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of nonconformance required by sections 5(2) and 6(2) of this 1979 act in no way serves to establish a presumption as to the legality or constitutionality of a rule in any subsequent judicial proceedings interpreting such rules.

Sec. 9. Section 2, chapter 57, Laws of 1971 ex. sess. as amended by section 42, chapter 169, Laws of 1977 ex. sess. and RCW 28B.19.020 are each amended to read as follows:

The words used in this chapter shall have the meaning given in this section, unless the context clearly indicates otherwise:

(1) "Institutions of higher education" are the University of Washington, Washington State University, Central Washington University, Eastern Washington University, Western Washington University, The Evergreen State College, the various community colleges, and the governing boards of each of the above, and the various colleges, divisions, departments, or offices authorized by the governing board of the institution involved to act for the institution, all of which are sometimes referred to in this chapter as "institutions." The various state community colleges are sometimes referred to in this chapter as "community colleges."

(2) "Rule" means any order, directive, or regulation of any institution of higher education which affects the relationship of the general public with the institution, or the relationship of particular segments of the particular educational community such as students, faculty, or other employees, with the institution or with each other, (a) the violation of which subjects a person to a penalty or administrative sanction; or (b) which establishes, alters, or revokes any procedures, practice, or requirement relating to institutional hearings; or (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law. The term includes the amendment or repeal of a prior rule but does not include rules, regulations, orders, statements, or policies relating primarily to the following: Standards for admission; academic advancement, academic credits, graduation and the granting of degrees; tuition and fees, scholarships, financial aids, and similar academic matters; employment relationships; fiscal processes; or matters concerning only the internal management of an institution and not affecting private rights or procedures available to the general public; and such matters need not be established by rule adopted under this chapter unless otherwise required by law.

(3) "Contested case" means a formal or informal proceeding before an institution of higher education, division, department, office, or designated official or representative thereof in which an opportunity for hearing is required by law, constitutional rights, or institutional policy, prior or subsequent to the determination by the institution of the legal rights, duties, or privileges of specific parties.
(4) "Review committee" or "committee" means a standing committee of the senate or house of representatives which has been designated by the respective body for the purpose of selectively reviewing existing and proposed rules of institutions of higher education.

Sec. 10. Section 3, chapter 57, Laws of 1971 ex. sess. as amended by section 10, chapter 240, Laws of 1977 ex. sess. and RCW 28B.19.030 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule adopted under this chapter, each institution, college, division, department, or official thereof exercising rule-making authority delegated by the governing board or the president, shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the appropriate review committees, and mail the notice to all persons who have made timely request of the institution or related board for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Provide notice to the campus or standard newspaper of the institution involved and to a newspaper of general circulation in the area at least seven days prior to the date of the rule-making proceeding. The notice shall state the time when, place where, and manner in which interested persons may present their views thereon and the general subject matter to be covered;

(d) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. An opportunity for oral hearing must be granted if requested by twenty-five persons or by the appropriate review committee.

(2) The institution shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the institution's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The institution shall consider fully all written and oral statements respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refiling the notice required by this section.

(4) No proceeding may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(5) No rule adopted under this chapter is valid unless adopted in substantial compliance with this section, unless it is an emergency rule designated as such and is adopted in substantial compliance with RCW 28B.19.040, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 28B.19.040, as now or hereafter amended, after two years have elapsed from the effective date of the rule.
When twenty days notice of intended action to adopt, amend, or repeal a rule has not been filed with the code reviser, as required by subsection ((ff)) of this section, the code reviser ((shall)) may not publish such rule, and such rule ((shall)) may not be effective for any purpose.

Sec. 11. Section 4, chapter 57, Laws of 1971 ex. sess. as last amended by section 11, chapter 240, Laws of 1977 ex. sess. and RCW 28B.19.040 are each amended to read as follows:

If the institution of higher education finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and the observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the institution may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The institution's finding and a ((brief)) concise statement of the reasons for its finding shall accompany the emergency rule or amendment as filed with the code reviser and with the appropriate review committee. An emergency rule or amendment ((shall)) may not remain in effect for longer than ninety days after filing.

Emergency rules ((shall)) become effective upon filing with the code reviser unless an effective date is specified in the rule. ((The emergency rule published in the state register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon such filing:))

NEW SECTION. Sec. 12. There is added to chapter 28B.19 RCW a new section to read as follows:

(1) Notice of the designation of a standing committee of the legislature as a review committee for the rules of any particular institution shall be communicated by the house making such designation to the affected institution.

Within thirty days of the receipt of the review committees' notice the institution shall file notice of a hearing on the rule in question with the code reviser and mail notice to all persons who have made timely request of the institution for advance notice of its rule-making proceedings as provided in RCW 28B.19.030 as now or hereafter amended. The institution's notice shall include the review committees' findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.

by the statute which the rule implements and whether the rule was adopted in
accordance with all applicable provisions of law.

NEW SECTION. Sec. 14. There is added to chapter 28B.19 RCW a new sec-

institution by the review committees pursuant to section 12 or 13 of this 1979 act,
the affected institution shall notify the committees of its action regarding a proposed
or existing rule to which the committees objected. If the review committees deter-
mine, by majority votes of their members, that the institution has failed to provide
for the required hearings or notice of its action to the committees, the committees
may file notice of their objections, together with a concise statement of the reasons

review committees may, within thirty days from notification by the institution of its
action, file with the code reviser notice of their objections together with a concise
statement of the reasons therefor. Such notice and statement shall also be provided
to the institution by the review committees.

(3) The code reviser shall publish the review committees' notice of objection

text thereof appears.

(4) Such notice shall be removed from a rule published in the Washington
Administrative Code if the state supreme court determines that the rule is within the
intent of the legislature or was adopted in accordance with all applicable laws,
whichever was the objection of the review committees.

NEW SECTION. Sec. 15. There is added to chapter 28B.19 RCW a new sec-
tion to read as follows:

It is the express policy of the legislature that establishment of procedures for
review of administrative rules by the legislature and the notice of nonconformance
required by sections 13(2) and 14(2) of this 1979 act in no way serves to establish a

34.04.160 are each hereby repealed.

NEW SECTION. Sec. 17. If any provision of this 1979 act or its application to
any person or circumstance is held invalid, the remainder of the act or the applica-
tion of the provision to other persons or circumstances is not affected."

POINT OF INQUIRY

Senator Guess: "Senator Odegaard, I am a little bit confused in your last
statement as to what will be the power or the authority of the committees in the
review process now."

Senator Odegaard: "The committees, for example, if it is a bill dealing with a
social and health services matter, the social and health services committee in each
body, with usage of their staff, would have the power to review the proposed regula-
tion that might be proposed, say by the department of social and health services, and
if the committee felt that the agency was not following the intent of the legislature
in a particular bill we had passed, they would give that notice to that particular
agency and before the agency were to adopt that particular rule. There is a certain
number of days allowed for that and if the agency went ahead anyway and wanted
to adopt the rule they were planning to, even though the two social and health services committees in both houses said that you are not following our intent, if they are hell bent to adopt that rule, the objection of the two committees meeting jointly by majority vote would place that objection in the State Register so it would be very obvious then to people later who might be objecting to that particular rule that we could always go back to the register and say, 'Well, we stated plainly to the agency that we did not think the agency was following our intent,' and it is there in the State Register. 'We think we have done our bit but the agency did not comply with our suggestion.'"

Senator Guess: "Senator Odegaard, don't you think that this will cause a great deal of confusion? Section 14 says the code reviser shall publish the review committee's notice of objection of the statement and this shall be published in the next supplement of the State Register, so then when a person, for instance, is brought to court in a trial action, the attorney for the person who feels he has been put upon by the department will use the State Register as proof that the agency has violated the intent of the legislature and ask the court to throw the thing out. It seems to me to be an extremely awkward position. I do not know why we did not put it in there that the agency when put on notice is to hold the thing in abeyance rather than to publish it, so I am very afraid here that we are setting up a conflict between the department and we are then going to give the plaintiff's attorney a great deal of ammunition to go in and upset the rules and regulations."

Senator Odegaard: "Mr. President, in answering Senator Guess, Senator Guess, if you will turn to page 11 of the proposed amendment, new section, section 8, maybe that would answer your question where it states that it is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of nonconformance required by the particular sections of this act in no way serves to establish the presumption as to the legality or constitutionality of a rule in any subsequent judicial proceedings interpreting such rules. I am sure that would help answer your question."

Senator Guess: "Does that not do more damage because if we—the rule and regulation is not presumed to be legal? That is what it says to me."

Senator Odegaard: "I would interpret that to say the opposite, Senator Guess, and that was the intent of this, to do the opposite of what you are saying. I am not a legal beagle. Maybe one of the attorneys could help us out."

Senator Guess: "On page 11 you do that but then on page 21 you take it away and say that the code reviser shall publish the reviews committee notice of objection and statement of the reasons therefor and then such notice shall be removed from a rule published in the Washington Administrative Code if the state supreme court determines that the rule is within the intent of the legislature or was adopted in accordance with all applicable laws, whichever was the objection of the review committee. I think that this is a very—I am afraid that it is a little bit hurried and I am afraid the ambiguity of this thing is going to result in an awful lot of litigation."

MOTION

On motion of Senator Rasmussen, the following amendments to the amendment by Senators Walgren, Rasmussen, Gould, Gallagher, Odegaard and Wilson were adopted:

On page 7, line 2, add an "s" to "committee".
On page 17, line 37, add an "s" to "committee".

SECOND READING

ENGROSSED HOUSE BILL NO. 376, by Representatives O'Brien, Warnke, Thompson, Salatino, Eberle, Erickson, Blair, Adams, Burns, Lux, Chandler, Brown, Teutsch and Maxie:

Establishing the Pacific northwest festival facility.

REPORT OF STANDING COMMITTEE

May 9, 1979.

ENGROSSED HOUSE BILL NO. 376, establishing the Pacific northwest festival facility (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature finds that expansion of cultural tourism would attract new visitors to our state and aid the development of a nonpolluting industry. The construction of the facility provided for in sections 2 through 9 of this act would enhance the industry's ability to attract such new visitors. The additional income and employment would strengthen the economic base of the state.

It is declared that the creation and development of a multi-theatre international performing arts facility will enhance the progress and economic growth of this state. The continued growth and development of this recreational industry provides for the general welfare and is an appropriate matter of concern to the people of the state of Washington.

NEW SECTION. Sec. 2. For the purpose of providing a matching grant for the planning, design, construction, furnishing, and landscaping of a multi-theatre international performing arts facility designated as "the Pacific northwest festival facility" and located in south King county in the vicinity of Federal Way, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of five million dollars, or so much thereof as may be required to finance that portion of the grant by the state for the project as provided by law. No bonds authorized by this section shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

No bonds may be issued until the director of the department of commerce and economic development certifies to the state finance committee that not less than fifteen million dollars in additional federal and private funding has been provided or secured as matching money for the purposes of sections 2 through 9 of this act.

The state finance committee is authorized to prescribe the form of the bonds, the time of sale of all or any portion or portions of the bonds, and the conditions of sale and issuance thereof.

The bonds shall pledge the full faith and credit of the state of Washington and contain an unconditional promise to pay the principal and interest when due. The committee may provide that the bonds, or any of them, may be called prior to the
due date thereof under such terms and conditions as it may determine. The state finance committee may authorize the use of facsimile signatures in the issuance of the bonds.

NEW SECTION. Sec. 3. At the time the state finance committee determines to issue the bonds authorized in section 2 of this act, or a portion thereof, it may, pending the issuance thereof, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which notes shall be designated as "bond anticipation notes." The proceeds from the sale of bonds and notes authorized by section 2 of this act and this section shall be deposited in the Pacific northwest festival facility construction account, hereby created in the general fund in the state treasury, and shall be used exclusively for the purposes specified in sections 2 through 9 of this act and for the payment of expenses incurred in the issuance and sale of the bonds and notes: PROVIDED, That such portion of the proceeds of the sale of such bonds as may be required for the payment of the principal and interest on such anticipation notes as have been issued, shall be deposited in the Pacific northwest festival facility bond redemption fund of 1979 in the state treasury created by section 5 of this act.

NEW SECTION. Sec. 4. The principal proceeds from the sale of the bonds authorized in section 2 of this act shall be administered by the director of the department of commerce and economic development.

NEW SECTION. Sec. 5. The Pacific northwest festival facility bond redemption fund of 1979, hereby created in the state treasury, shall be used for the purpose of the payment of interest on and retirement of the bonds and notes authorized to be issued by sections 2 and 3 of this act. The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amount needed in the ensuing twelve months to meet bond retirement and interest requirements. Not less than thirty days prior to the date on which any such interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the Pacific northwest festival facility bond redemption fund of 1979 an amount equal to the amount certified by the state finance committee to be due on such payment date.

If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361 or HB 569), Laws of 1979 1st ex. sess. and becomes effective by statute prior to the issuance of any of the bonds authorized by sections 2 through 9 of this act, the state general obligation bond retirement fund shall be used for purposes of sections 2 through 9 of this act in lieu of the Pacific northwest festival facility bond redemption fund of 1979, and the Pacific northwest festival facility bond redemption fund of 1979 shall cease to exist.

The owner and holder of each of the bonds or the trustee for any of the bonds, by mandamus or other appropriate proceeding, may require and compel the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 6. The bonds authorized by section 2 of this act shall be a legal investment for all state funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 7. The legislature finds that the forty-third and forty-fourth legislatures conducted studies relating to the feasibility and desirability of an international performing arts festival as an aid to the growth of the cultural tourism industry. The favorable results of those studies mandate that a steering commission be established to advise the director of the department of commerce and economic development in carrying out the provisions of sections 2 through 9 of this act.

The international performing festival arts steering commission is hereby created and shall consist of twelve members selected as follows:

(1) Five members shall be appointed by the governor, one of whom shall be designated by the governor as chairperson of the commission;
(2) Two members of the senate shall be appointed by the president of the senate;
(3) Two members of the house of representatives shall be appointed by the speakers of the house of representatives;
(4) One member of the King county council who shall be appointed by the council;
(5) One member of the Tacoma city council who shall be appointed by the council; and
(6) One member appointed by the Pierce county board of commissioners who may or may not be a board member.

The members of the commission shall serve without compensation. Meetings of the commission shall be at the call of the governor or the chairperson.

The commission shall terminate its duties on July 31, 1982, unless such termination date be removed or extended by law.

NEW SECTION. Sec. 8. The state of Washington is authorized to accept a gift from a private donor of thirty acres of unimproved real estate located in south King county in the vicinity of Federal Way for the location of a multi-theatre international performing arts facility as a facility for the people of the state of Washington.

NEW SECTION. Sec. 9. The members of the international performing festival arts steering commission are empowered to form a nonprofit corporation under chapter 24.03 RCW. The members of the corporation shall be members as long as they are members of the commission or until their successors are appointed and qualify.

NEW SECTION. Sec. 10. Sections 2 through 9 of this act shall be added to chapter 43.31 RCW.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Requiring the legislature to pay the department of general administration for use of buildings and services.

The Senate resumed consideration of House Bill No. 31 and the pending amendment by Senators Walgren, Rasmussen, Gould, Gallaghan, Odegaard and Wilson as amended by Senator Rasmussen earlier today.

On motion of Senator Day, the following amendments to the amendment by Senator Walgren and others were considered and adopted simultaneously:

On motion of Senator Rasmussen, the rules were suspended, House Bill No. 31, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

**POINT OF INQUIRY**

Senator Benitz: "Senator Odegaard, it is my fault, I have not had time to study the amendment, but the question arises in my mind—perhaps you can help me answer it in a for instance. If we, in the agricultural business, have a statute that we think is a good solid one and another agency such as the department of ecology comes with rules and regulations which supersede that statute, then which review committee from the legislature takes a look at that?"

Senator Odegaard: "Senator Benitz, it would be the original committee that the bill was sent to of each house. For example, if it originated in the agriculture committee in the Senate, it would be the agriculture committee of the Senate which would review that and if it happened to be the ecology committee of the House, it would be the ecology committee of the House. It does not mean that other committees could not review it, however. It does not preclude that at all, but under this procedure, if there were actual action taken, it would be the way I stated it."

**POINT OF INQUIRY**

Senator Morrison: "Senator Odegaard, the House overrode the Governor's veto of House Bill 29 rather enthusiastically and particularly Representative Ehlers has contacted all of us, I think, urging us to follow suit. I was wondering if this amendment we have before us now in the form of House Bill 31 has been checked with House Democrats so that this just is not another futile political exercise."
Senator Odegaard: "Senator Morrison, I discussed this with Representative Ehlers yesterday and in fact, he asked about this and how soon we were going to get it over to the House, and he did not seem to be as negative yesterday as he has been previous days, so whether that is an indication the House might accept it, I do not know. We will have to wait and see."

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 31, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 47; absent or not voting, 1; excused, 1.

Absent or not voting: Senator Matson—1.

Excused: Senator Keefe—1.

POINT OF INQUIRY

Senator Donohue: "Senator, I was off the floor. Could you tell me how many people there are that are out there digging clams that would need a license?"

Senator Odegaard: "Senator Donohue, there is quite a difference of opinion on how many people are out there at times, but some people feel that there are something like at least three hundred and fifty thousand people on the ocean beaches when they have good clam tides."

Senator Donohue: "Senator Odegaard, has the department of fisheries indicated or do you envision in their budget that they have enough money to hire the many people that it would take to issue those licenses if there are three hundred thousand clam diggers? How long is it going to take? Are there going to be lines out there of people who are going to be requesting licenses and they are going to have to issue those licenses? How many people is the department of fisheries going to have to hire to do this job?"

Senator Odegaard: "Senator Donohue, I am just checking the fiscal note here to see how many. I see Senator Peterson—this went through his committee. Maybe he can answer that. They seem to have eight patrol officers listed here in their fiscal note."

Senator Donohue: "You are saying that eight people are going to issue three hundred and fifty thousand licenses in this state?"

Senator Odegaard: "They would not be issuing the licenses. They would be the patrol officers who patrol."

Senator Donohue: "But I am talking about issuing the licenses. I am trying to equate how many people it is going to take to issue three hundred and fifty thousand
or three hundred thousand licenses when the clam season begins. That rush is going to be really something and I just want to know how many people it will take."

Senator Odegaard: "I do not know if I have that answer right here for you, but I notice in their fiscal note they have one accounts auditor. They have five-tenths of a clerk II and when you go in and get your fishing license with a licensing agent, you could also get your clamming license with that same agent, as I understand it. Now Senator Peterson probably knows more about that than I do. Maybe he could elaborate."

Senator Peterson: "That is true, Senator Odegaard. Senator Donohue, they would issue the clamming license in the same manner as the present fisheries and game licenses are issued. The agents would obviously be reinforced in the coastal areas, and I presume that the department intends to license the resort owners and places of such nature as vendors."

Senator Donohue: "Could I get that license in Eastern Washington?"

Senator Peterson: "I would suspect that if you request it from your vendor that you could. I do not think that would be the rule of thumb because there would be no need unless it was requested."

Senator Donohue: "There is not any doubt about it that it is going to take a lot of people out there to . . ."

Senator Peterson: "Those fees are going to be just like your fishing and hunting license fees are right now, which we increased to fifty cents, and the vendor would receive fifty cents for issuing the license. It would be no additional expense to the department."

Senator Donohue: "But if the person does not fish and just wants to go clam digging. I would assume that a large portion of the clam diggers are not fishermen."

Senator Peterson: "They would be able to pick up their clamming license at the same outlets."

Senator Donohue: "At Ilwaco, for instance?"

Senator Peterson: "Yes, from the vendor."

Further debate ensued.

The motion by Senator Odegaard carried and the amendment to the amendment by Senator Wojahn was adopted.

The motion by Senator Wojahn carried and the amendment, as amended, was adopted.

Senator Quigg moved adoption of the following amendment:

On page 2, after line 8, insert:

"(2) Any person seventy years of age or older or under sixteen years of age shall be issued, upon making an affidavit to such effect and upon payment of the dealer fee established in section 3 of this act, a personal use razor clam license at no cost."

Renumber remaining subsections accordingly.

Senator Odegaard moved adoption of the following amendment to the amendment by Senator Quigg:

On line 1 of the amendment to page 2, after line 8, after "person" strike "seventy" and insert "sixty-five"

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Senator, I want to just make sure because I am worried about the enforcement. As I understand it, I would take my eleven year old son that looks like he is sixteen, take him in and sign an affidavit that he is only eleven and they would issue me something so that he could have it on his clothing and I would probably have to pay the fifty cent fee to the licensing agent to get that tag."

Senator Quigg: "That is correct, Senator Bottiger."
POINT OF INQUIRY

Senator Gaspard: "There has been some concern as to whether your amendment would apply just to residents or does it also apply to out of state residents?"

Senator Quigg: "It would apply to both residents and out of state people. That is correct."

The motion by Senator Odegaard carried and the amendment to the amendment was adopted.

Senator Talley moved adoption of the following amendment to the amendment by Senator Quigg:

In the amendment by Senator Quigg following "Any" and before "seventy" strike "person" and insert "Washington resident"

Debate ensued.

The motion by Senator Talley failed and the amendment to the amendment was not adopted on a rising vote.

POINT OF INQUIRY

Senator Wilson: "Senator Quigg, are you speaking of the amendment on page 2 after line 8?"

Senator Quigg: "That is correct, Senator Wilson."

Senator Wilson: "I am sorry I missed part of the discussion. I was trying to phone some razor clams to see what they thought about all this. My question is, does this bill contain language—upon making an affidavit to such effect?"

Senator Quigg: "The language, as you mentioned, about making an affidavit to such effect, is the same language that is presently in the fishing license laws and the game licensing laws that we have right now, so that was the question that I brought up. It seemed to me a bit cumbersome to be requiring motel owners to make affidavits and to have—fortunately it does not require them to be notarized, I notice—but it seems quite cumbersome but I was assured by the fisheries people that this is the kind of language that is in the law presently and does not provide a problem for the agents that are providing these licenses for the agent's fees."

Senator Wilson: "It is my understanding that normally an affidavit requires notarization and I guess by this exchange on the floor you are attempting to insert into the record the feeling of this body that you are not in truth trying to instigate a formal affidavit procedure but more of an informal certification procedure. Is that right?"

Senator Quigg: "That was certainly my concern and my question at the time it was drafted and that is my intent in offering this amendment, that it would be a very informal certification, as you say, and certainly not any kind of a notarized document on Grays Harbor—made paper or anything as formal as that."

The motion by Senator Quigg carried and the amendment, as amended, was adopted.

There being no objection, an amendment by Senators Odegaard and Talley on the desk of the Secretary of the Senate to page 2, line 8 was withdrawn.

On motion of Senator Odegaard, the following amendment by Senators Odegaard and Talley was adopted:

On page 2, line 13, after "state" insert "PROVIDED, That any person who is a resident of another state who owns real property located in a Washington county in which razor clams are harvested shall be deemed to be a resident of this state for the purpose of obtaining a resident razor clam license"

On motion of Senator Gaspard, the following amendment was adopted:

On page 3, after line 8, strike everything down through line 19 and insert:

"NEW SECTION. Sec. 7. The department shall report annually prior to December 31 to the legislature on the number of licenses sold, revenues received, the
results of the programs initiated under this chapter, and the status of the resource to enable the legislature to determine if the provisions of this chapter have proved beneficial to the utilization and conservation of the resource."

On motion of Senator Peterson, the rules were suspended, Substitute House Bill No. 1, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Wilson, Senator Henry was excused.

Persons subject to taxation under this subsection shall be exempt from payment of taxes imposed by chapter 82.16 RCW for that portion of their business subject to taxation under this subsection. Stevedoring and associated activities pertinent to the conduct of goods and commodities in waterborne interstate or foreign commerce are defined as all activities of a labor, service or transportation nature whereby cargo may be loaded or unloaded to or from vessels or barges, passing over, onto or under a wharf, pier, or similar structure; cargo may be moved to a warehouse or similar holding or storage yard or area to await further movement in import or export or may move to a consolidation freight station and be stuffed, unstuffed, containerized, separated or otherwise segregated or aggregated for delivery or loaded on any mode of transportation for delivery to its consignee. Senator Day moved adoption of the following amendment by Senators Day, Morrison, Donohue and Van Hollebeke to the committee amendment:
On page 3, immediately following section 2, add a new section to read as follows:

"Sec. 3. Section 82.02.020, chapter 15, Laws of 1961, section 16, chapter 236, Laws of 1967, and section 8, chapter 94, Laws of 1970, 1st ex. sess., and RCW 82.02.020 are each amended to read as follows:

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature."

POINT OF INQUIRY

Senator Morrison: "Senator Day, what is the intent of your amendment as it relates to local taxation based on pari-mutuel wagering?"

Senator Day: "Senator Morrison, historically the legislature has always thought and intended that the state has preempted and reserved the field of taxation on pari-mutuel wagering. A recent opinion, as I stated before, of the attorney general, indicates that the statutes are vague and unclear. The purpose of this amendment is to clear up that ambiguity and indicate clearly that the state totally reserves the right to impose any type or method of taxation upon or measured by pari-mutuel betting."

Senator Morrison: "Thank you, Senator. That is what I thought you might say."

POINT OF INQUIRY

Senator Rasmussen: "Senator Day, not knowing much about this business, I hope you can clear it up for me. Does your amendment say in effect that the City of Renton would not be permitted to impose a B&O tax as other cities in the state do on other business?"

Senator Day: "No, this merely states that not only the City of Renton but any other city, including Spokane, Yakima, who may decide now that the gates are down on annexation to annex the race tracks there, could not then use as a basis for the imposition of the B&O tax or measured by pari-mutuel betting, that they just would be prohibited from that, that the state has reserved totally the right to tax that, which we have done as you know; and of course, the B&O tax is a gross tax. If it were to be utilized in such a manner it would be devastating and we would have to then go back and readjust our state approach. So the idea is to prohibit local government from exercising B&O tax on pari-mutuel or measured by pari-mutuel betting. They always thought they could not before and so the opinion was asked and then of course it was said it was vague and that is why we are clarifying. We are merely clarifying what is presently being done."

Senator Rasmussen: "The attorney general in effect said, 'Yes, they did have the power to do it.' Now you are clarifying the fact that, 'No, we do not want them to do it.'"

Senator Day: "No, he said it was vague and that they may have and they may not have, and so that is why we are clarifying it, as I understand it."

Debate ensued.

The motion by Senator Day carried and the amendment to the committee amendment was adopted.

On motion of Senator Goltz, the following amendment by Senators Bluechel, North, Marsh, Gould, Bottiger and Goltz to the committee amendment was adopted:
On page 4, after line 30 insert a new subsection to read as follows:

"(17) Amounts used solely for repair, maintenance, replacement, management, or improvement of the residential structures and commonly held property, but excluding property where fees or charges are made for use by the public who are not guests accompanied by a member, which are derived by:

(a) A co-operative housing association, corporation, or partnership from a person who resides in a structure owned by the co-operative housing association, corporation, or partnership;

(b) An association of owners of property as defined in RCW 64.32.010, as now or hereafter amended, from a person who is an apartment owner as defined in RCW 64.32.010; or

(c) An association of owners of residential property from a person who is a member of the association. "Association of owners of residential property" means any organization of all the owners of residential property in a defined area who all hold the same property in common within the area.

For the purposes of this subsection "commonly held property" includes areas required for common access such as reception areas, halls, stairways, parking, etc., and may include recreation rooms, swimming pools and small parks or recreation areas; but is not intended to include more grounds than are normally required in a residential area, or to include such extensive areas as required for golf courses, campgrounds, hiking and riding areas, boating areas, etc.

To qualify for the deductions under this section:

(a) The salary or compensation paid to officers, managers, or employees must be only for actual services rendered and at levels comparable to the salary or compensation of like positions within the county wherein the property is located;

(b) Dues, fees, or assessments in excess of amounts needed for the purposes for which the deduction is allowed must be rebated to the members of the association;

(c) Assets of the association or organization must be distributable to all members and must not inure to the benefit of any single member or group of members."

On motion of Senator Gould, the following amendment by Senators Gould and Donohue to the committee amendment was adopted:

On page 5, after section 7 insert a section as follows:

"NEW SECTION. Sec. 8. There is added to chapter 82.04 RCW a new section to read as follows:

This chapter shall not apply to school districts and educational service districts as defined in Title 28A RCW, in respect to materials printed in the school district and educational service districts printing facilities when said materials are used solely for school district and educational service district purposes."

Renumber remaining sections consecutively.

On motion of Senator Morrison, the following amendment by Senators Morrison, Bottiger and Hansen to the committee amendment was adopted:

On page 5, after line 69 of the committee amendment insert a new section as follows:

As used in this section, "motor vehicle fuel" has the meaning given in RCW 82.36.010(2), and "gasohol" means motor vehicle fuel which contains more than nine and one-half percent alcohol by volume."

Renumber remaining sections consecutively.

Senator Talmadge moved adoption of the following amendment by Senators Talmadge and Fleming to the committee amendment:

On page 5 of the amendment, after line 69, insert the following:
"Sec. 8. Section 7, chapter 37, Laws of 1974 ex. sess. as amended by section I, chapter 35, Laws of 1977 ex. sess. and RCW 35.21.755 are each amended to read as follows:

Sec. 9. Section 14, chapter 61, Laws of 1975-'76 2nd ex. sess. and RCW 84.36.451 are each amended to read as follows:

The following property shall be exempt from taxation: Any and all rights to occupy or use any real or personal property owned in fee or held in trust by:

(1) The United States, the state of Washington, or any political subdivision or municipal corporation of the state of Washington; or

(2) A public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a district listed on any federal or state register of historical sites; and

(3) Including any leasehold interest arising from such the property identified in subsections (1) and (2) of this section as defined in RCW 82.29A.020: PROVIDED, That this the exemption under this section shall not apply to any such leasehold interests which are a part of operating properties of public utilities subject to assessment under chapter 84.12 RCW nor be construed to modify the provisions of RCW 84.40.230.

Sec. 10. Section 2, chapter 61, Laws of 1975-'76 2nd ex. sess. and RCW 82.29A.020 are each amended to read as follows:

As used in this chapter the following terms shall be defined as follows, unless the context otherwise requires:

(1) "Leasehold interest" shall mean an interest in publicly owned real or personal property which exists by virtue of any lease, permit, license, or any other agreement, written or verbal, between the public owner of the property and a person who would not be exempt from property taxes if that person owned the property in fee, granting possession and use, to a degree less than fee simple ownership: PROVIDED, That no interest in personal property (excluding land or buildings) which is owned by the United States, whether or not as trustee, or by any foreign government
shall constitute a leasehold interest hereunder when the right to use such property is
granted pursuant to a contract solely for the manufacture or production of articles
for sale to the United States or any foreign government. The term "leasehold inter-
rest" shall include the rights of use or occupancy by others of property which is
owned in fee or held in trust by a public corporation, commission, or authority cre-
ated under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a
district listed on any federal or state register of historical sites. The term "leasehold
interest" shall not include road or utility easements or rights of access, occupancy or
use granted solely for the purpose of removing materials or products purchased from
a public owner or the lessee of a public owner.

(2) "Taxable rent" shall mean contract rent as defined in subsection (a) of this
subsection in all cases where the lease or agreement has been established or renego-
tiated through competitive bidding, or negotiated or renegotiated in accordance with
statutory requirements regarding the rent payable, or negotiated or renegotiated
under circumstances, established by public record, clearly showing that the contract
rent was the maximum attainable by the lessor: PROVIDED, That after January 1,
1986, with respect to any lease which has been in effect for ten years or more without
renegotiation, taxable rent may be established by procedures set forth in subsec-
tion (b) of this subsection. All other leasehold interests shall be subject to the
determination of taxable rent under the terms of subsection (b) of this subsection.

(a) "Contract rent" shall mean the amount of consideration due as payment for
a leasehold interest, including: The total of cash payments made to the lessor or to
another party for the benefit of the lessor according to the requirements of the lease
or agreement; expenditures for the protection of the lessor's interest when required
by the terms of the lease or agreement; and expenditures for improvements to the
property to the extent that such improvements become the property of the lessor.
Where the consideration conveyed for the leasehold interest is made in combination
with payment for concession or other rights granted by the lessor, only that portion
of such payment which represents consideration for the leasehold interest shall be
part of contract rent.

"Contract rent" shall not include: (i) Expenditures made by the lessee, which
under the terms of the lease or agreement, are to be reimbursed by the lessor to the
lessee; (ii) expenditures made by the lessee for the replacement or repair of facilities
due to fire or other casualty or for alterations or additions made necessary by an
action of government taken after the date of the execution of the lease or agreement;
(iii) improvements added to publicly owned property by a sublessee under an agree-
ment executed prior to January 1, 1976, which have been taxed as personal property
of the sublessee prior to January 1, 1976, or improvements made by a sublessee of
the same lessee under a similar agreement executed prior to January 1, 1976, and
such improvements shall be taxable to the sublessee as personal property; (iv)
improvements added to publicly owned property if such improvements are being
taxed as personal property to any person.

Any prepaid contract rent shall be considered to have been paid in the year due
and not in the year actually paid with respect to prepayment for a period of more
than one year. Expenditures for improvements with a useful life of more than one
year which are included as part of contract rent shall be treated as prepaid contract
rent and prorated over the useful life of the improvement or the remaining term of
the lease or agreement if the useful life is in excess of the remaining term of the
lease or agreement. Rent prepaid prior to January 1, 1976, shall be prorated from
the date of prepayment.

With respect to a "product lease", the value of agricultural products received as
rent shall be the value at the place of delivery as of the fifteenth day of the month of
delivery; with respect to all other products received as contract rent, the value shall
be that value determined at the time of sale under terms of the lease.
(b) If it shall be determined by the department of revenue, upon examination of a lessee's accounts or those of a lessor of publicly owned property, that a lessee is occupying or using publicly owned property in such a manner as to create a leasehold interest and that such leasehold interest has not been established through competitive bidding, or negotiated in accordance with statutory requirements regarding the rent payable, or negotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor, the department may establish a taxable rent computation for use in determining the tax payable under authority granted in this chapter based upon the following criteria: (i) Consideration shall be given to rental being paid to other lessors by lessees of similar property for similar purposes over similar periods of time; (ii) consideration shall be given to what would be considered a fair rate of return on the market value of the property leased less reasonable deductions for any restrictions on use, special operating requirements or provisions for concurrent use by the lessor, another person or the general public.

(3) "Product lease" as used in this chapter shall mean a lease of property for use in the production of agricultural or marine products to the extent that such lease provides for the contract rent to be paid by the delivery of a stated percentage of the production of such agricultural or marine products to the credit of the lessor or the payment to the lessor of a stated percentage of the proceeds from the sale of such products.

(4) "Renegotiated" means a change in the lease agreement which changes the agreed time of possession, restrictions on use, the rate of the cash rental or of any other consideration payable by the lessee to or for the benefit of the lessor, other than any such change required by the terms of the lease or agreement. In addition "renegotiated" shall mean a continuation of possession by the lessee beyond the date when, under the terms of the lease agreement, the lessee had the right to vacate the premises without any further liability to the lessor.

(5) "City" means any city or town."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Talmadge, do semi-or quasi-governmental agencies now—for instance, down on the waterfront in Seattle you have got Pier 71 or whatever those piers are. Would this make those firms in those buildings which is a port authority building and I do not know exactly whether it would qualify as quasi-governmental or not, but would it mean that those businesses would be exempt from the B&O tax?"

Senator Talmadge: "Senator Guess, I do not believe that they would be. I do not think the Port is a quasi-municipal corporation. I am not sure on that either, but the intent of this measure is to continue to subject those people to taxation. They were taxed before the ruling of the department of revenue in March of this year and the purpose is to continue the taxation of those people despite the ruling of the department. The only exemption would be for those businesses located in historical preservation districts."

Senator Guess: "We are going to exclude them if they are in historical but if they are in just plain ordinary facilities we are going to tax them. Is that what this does?"

Senator Talmadge: "That is correct, Senator."

Senator Guess: "Senator, we have a flour mill in Spokane. We have about thirty or forty businesses in there. Could that be exempt then? Could we declare that to be—I notice that in Cheney we had a day care center in a depot, Senator Donohue, in this little town. The depot was quite unique and looked something like
that depot that you had in Dayton. Not quite like it? All right. The thing now, the one in Cheney is now a national museum or on the National Register, so the businesses in that would be exempt but the business across the street would be paying the tax. Is that what is going to happen?"

Senator Talmadge: "I think that would be true, Senator. They would have to be on the National Register of Historical Sites and there would have to be a historical preservation district there, I believe."

Further debate ensued.

MOTION

SUBSTITUTE HOUSE BILL NO. 200, expanding real estate excise tax to include used mobile homes (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.45 RCW a new section to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Real estate" means real property but includes used mobile homes.

(2) "Used mobile home" means a mobile home which has been previously sold at retail and the immediately preceding sale has already been subjected to tax under chapter 82.08 RCW, or which has been previously used and the immediately preceding use has already been subjected to tax under chapter 82.12 RCW, and which has substantially lost its identity as a mobile unit by virtue of its being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe connections with sewer, water, and other utilities.

(3) "Mobile home" means a mobile home as defined by RCW 46.04.302, as now or hereafter amended.

The tax hereby imposed shall be paid to and collected by the county treasurer who shall cause a stamp evidencing satisfaction of the lien to be affixed to the instrument of sale or conveyance prior to its recording or to the real estate excise tax affidavit in the case of used mobile home sales. A receipt issued by the county treasurer for the payment of the tax imposed under this chapter shall be evidence of the
satisfaction of the lien imposed hereunder and may be recorded in the manner pre-
scribed for recording satisfactions of mortgages. No instrument of sale or convey-
ance evidencing a sale subject to the tax shall be accepted by the county auditor for
filing or recording until the tax shall have been paid and the stamp affixed thereto;
in case the tax is not due on the transfer, the instrument shall not be so accepted
until suitable notation of such fact has been made on the instrument by the
treasurer.

chapter 82.08 RCW a new section to read as follows:
The tax imposed by RCW 82.08.020 shall not apply to:

chapter 82.12 RCW a new section to read as follows:
The tax imposed by RCW 82.12.020 shall not apply in respect to the use of
used mobile homes as defined in section 1 of this act if the sale thereof to the present
user has already been subjected to tax under chapter 28A.45 RCW.

Sec. 5. Section 13, chapter 231, Laws of 1971 ex. sess. and RCW 46.12.105 are
each amended to read as follows:
When the ownership of a mobile home is transferred and the new owner thereof
applies for a new certificate of ownership for such mobile home, the ((director of
motor vehicles or his)) department of licensing or its agents, including county audi-
tors, shall notify the county assessor of the county where such mobile home is
located of the change in ownership including the name and address of the new owner
and the name of the former owner. A certificate of ownership for a mobile home
shall not be transferred or issued until the department has verified that any taxes
due on the sale of the mobile home under chapter 28A.45 RCW and any other taxes
due under chapter 84.52 RCW have been paid.
A copy of the real estate excise tax affidavit which has been stamped by the
county treasurer shall be deemed sufficient evidence that the taxes due upon the sale
of a used mobile home have been paid.
A copy of a treasurer certificate, which is prepared by the treasurer of the
county in which the used mobile home is located and which states that all property
taxes due upon the used mobile home being sold have been satisfied, shall be deemed
sufficient evidence that the property taxes due have been paid.

Sec. 6. Section 1, chapter 12, Laws of 1979 and RCW 82.08.030 are each
amended to read as follows:

Debate ensued.
FIFTY-SECOND DAY, MAY 11, 1979

POINT OF INQUIRY

Senator Ridder: "Senator Talmadge, I am trying to remember what the base for this was originally and it seems to me that the tax was imposed after the financing for this district was set up, that the base for the financing was planned and the rental established. Then this tax would be an increase in the previously established financing of that particular historical district."

Senator Talmadge: "Senator, on that I am just not sure."

Senator Ridder: "I do believe that that is the case and in addition, I would say to you that there are certain restrictions on operating within historical districts, but I am assured from the wings that that was the case. The financing was previously established and we are simply trying to keep these people in business under circumstances which are somewhat different than simply renting a property and then going ahead and operating it under their own circumstances. There are prescribed methods of operation within historical districts which are not always in full efficiency, if you will, with what we consider modern methods of merchandising, so these folks do operate under restrictive rules and to add to their previously agreed rentals would indeed be an imposition."

Senators Talley, Fleming and Peterson demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be adoption of the amendment by Senators Talmadge and Fleming to the committee amendment.

Senator Clarke demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on adoption of the amendment by Senators Talmadge and Fleming to the committee amendment.

Absent or not voting: Senator Lysen—1.

Senator Pullen moved adoption of the following amendment to the committee amendment:

On page 5, after line 69, insert the following:

"Sec. 8. Section 82.04.490, chapter 15, Laws of 1961 as amended by section 45, chapter 278, Laws of 1975 1st ex. sess. and RCW 82.04.490 are each amended to read as follows:

The taxes imposed hereunder shall be due and payable in ((monthly)) quarterly installments and remittance therefor shall be made on or before the fifteenth day of the month next succeeding the end of the ((monthly)) quarterly period in which tax accrued. The taxpayer, on or before said fifteenth day of said month, shall make out a return, upon such forms and setting forth such information as the department of revenue may require, showing the amount of the tax for which he is liable for the
preceding ((monthly)) quarterly period, sign and transmit the same to the department, together with a remittance for such amount in the form required: PROVIDED, That any such taxpayer may elect to remit for each ((monthly)) quarterly period on such forms as the department of revenue shall in its discretion prescribe, an estimate of the tax to be due for each ((monthly)) quarterly period on or before the fifteenth day of the month next succeeding the end of the ((monthly)) quarterly period in which the tax accrued, and a quarterly return to the department on or before the fifteenth day of the month next succeeding the end of each quarter of every year and shall remit therewith the balance of the actual tax due for the period of the report: PROVIDED FURTHER, That every person who shall elect to remit a ((monthly)) quarterly "estimate of the tax to be due" as hereinabove described shall remit each ((monthly)) quarter at least one-third of the tax paid during the previous quarter or, ninety percent of the tax actually collected or owing during the ((monthly)) quarter, whichever is greater.

The department of revenue may also relieve any taxpayer or class of taxpayers from the obligation of filing ((monthly)) quarterly returns and may require the return to cover other reporting periods, but in no event shall returns be filed for a period of less than one quarter nor greater than one year.

The department of revenue may also, by general rule or regulation, establish conditions for submission of annual or semiannual reconciling returns by such taxpayers or class of taxpayers in lieu of quarterly returns.

The department of revenue may also require verified annual returns from any taxpayer, setting forth such additional information as it may deem necessary to correctly determine tax liability.

REMARKS BY THE PRESIDENT

Debate ensued.

POINT OF INQUIRY

Senator Vognild: "Senator, as chairman of the ways and means committee, is it the intent of this legislature that cities and counties should be taxed for services? I am referring here somewhat to the clerk's office where they talk about certified copies being supplied at a cost, an equal cost to the purchaser as the county handles."

Senator Donohue: "Senator, like you suggested, this is a new thing that has been before us and I want to repeat that I do not think, this is a personal opinion, that it is the intent of the legislature to go along with this type of thing. I think that is the reason we are trying to redo some of these things that have occurred during the interim."
ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 302, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 46; nays 1; excused, 2.

Absent or not voting: Senators Hansen, Matson—2.

MOTIONS

On motion of Senator Wilson, Senator Bausch was excused.

On motion of Senator Marsh, the Senate commenced consideration of House Joint Resolution No. 22.
SECOND READING

HOUSE JOINT RESOLUTION NO. 22, by Representatives O'Brien, Zimmerman, Garrett, Nelson (Gary), Sommers, Bauer, Galloway, Teutsch, Heck and Taller:

Providing the means to pay the indebtedness on public development projects.

The resolution was read the second time in full.

Senator Rasmussen moved adoption of the following amendment by Senators Hansen and Rasmussen:

On page 1, line 14, after "project." insert:

"A taxing district shall not pledge its full faith, credit, or taxing power for the repayment of public indebtedness incurred for the project."

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Mr. President, I served one time on the transportation committee. I would just like to have Senator Bottiger explain to me and to Senator Guess how you could build a four-lane highway with tax increment financing. We are having a difficult time building any highways at the present time with the present financing which raises millions. I do not think your area could do that. You could prohibit grocery stores by down-zoning."

Senator Bottiger: "Senator, you do it the same way you did when you were mayor of the city of Tacoma. You create an LID."

The motion by Senator Rasmussen failed and the amendment by Senators Hansen and Rasmussen was not adopted on a rising vote.

Senator Pullen moved adoption of the following amendment by Senators Pullen, Rasmussen, Matson, Jones and Hayner:

On page 1, line 14, after "project." insert: "A taxing district shall not pledge funds from any state or local tax source other than the taxes derived from the previously mentioned increase in true and fair value for repayment of public indebtedness incurred for the project."

Debate ensued.

POINT OF INQUIRY

Senator Morrison: "Senator Pullen, as I read your amendment, it would allow funds to actually be expended for this purpose. They just could not be pledged when the bonds were sold, so in the case the public development project did not yield from the tax increment sufficient money to cover the bonds, that you could still use other sources to cover the costs of those bonds. Was that your intent?"

Senator Pullen: "No, that was not the intent. The other tax sources could not or should not be used."

The motion by Senator Pullen failed and the amendment was not adopted on a rising vote.

On motion of Senator Marsh, the rules were suspended, House Joint Resolution No. 22, was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

Signed by: Senators Lysen, Chairman; Vognild, Vice Chairman; McDermott, Moore, Morrison, Sellar.

MOTIONS

On motion of Senator Marsh, the rules were suspended, Senate Bill No. 3042 was advanced to second reading.

On motion of Senator Marsh, Substitute Senate Bill No. 3042 was substituted for Senate Bill No. 3042 and the substitute bill was placed on second reading and read the second time in full.

MOTION

On motion of Senator Marsh, the Senate advanced to the sixth order of business.

SECOND READING

SENATE BILL NO. 2773, by Senators Shinpoch and Bluechel:

Modifying the bond issue for the "people's lodge" regional Indian facility.

MOTIONS

On motion of Senator Shinpoch, Substitute Senate Bill No. 2773 was substituted for Senate Bill No. 2773 and the substitute bill was placed on second reading and read the second time in full.

Senator Rasmussen moved adoption of the following amendment by Senators Rasmussen and Vognild:

On page 1, beginning on line 23, strike all the matter down through "state." on line 29 and insert: "No bonds may be issued until the director of the department of commerce and economic development certifies to the state finance committee that not less than two million seven hundred thousand dollars in additional federal and
private funding has been provided or secured as matching funds for the purposes of this section."
Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Shinpoch, as I understood the intention of the maker of the amendment that the bonds are not to be sold. Now, does the bill say that the bonds can be sold before the federal funds are available?"

Senator Shinpoch: "The language that is in the appropriation bill is the same as the language that starts on page 1, line 23, the underlined language. It is exactly the same as the underlined language that is on here, and that is the cloud that we put over that if we strike that language and insert this language, that we now then have two pieces of legislation that say different things. And the finance committee indicates that that would certainly put a cloud over the issuance of any bonds and I would urge us to turn this down and just simply vote the bill yes or no."

POINT OF INQUIRY.

Senator Guess: "Senator Rasmussen, I do not think you want to put a cloud over anybody's teepee but do you agree with the statements made by Senator Shinpoch? I would like to clarify it."

Senator Rasmussen: "No, I absolutely do not agree and that Senator Shinpoch inferred that he was not absolutely correct. What I am sure of is that we do not want a half completed peoples lodge coming back to the state. Now if they can get the matching money, the same provisions as Mr. Whitebear indicated, the same provision was in last time that we passed the bill, and he says this is what held them up from getting the federal money or the matching money, which was not true. This is not the case. All I am saying is the same provisions should go for all projects that we start; come up with the matching money, then you may have the bonds issued. As a matter of fact, if they have the matching money, it would certainly give impetus to the state finance committee in selling the bonds and there is nobody questioning the ability of the state on general obligation."

Senator Guess: "Senator Rasmussen, I notice on page 2, up at the top of the page it says that the state finance committee is authorized to prescribe the form of such bonds, the time of sale of all or any portion or portions of such bonds and the conditions of sale and the issuance thereof. Now do you feel that the finance committee might be put in the position where they would sell the bonds before the federal funds came?"

Senator Rasmussen: "Yes, and that is what we want to prevent. We want them to have the matching money available to complete the job. You are right."

Senator Guess: "Don't you think that we could tell the finance committee through the intent of the legislature that they are not supposed to..."

Senator Rasmussen: "That is exactly what we would be telling them with this amendment, Senator Guess."

Senator Guess: "Fine. Thank you."

Further debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Rasmussen, if you would look at line 7, it says 'solely for the purpose of providing a matching grant for the planning, design, acquisition, construction, furnishing, equipping or remodeling and landscaping of a regional cultural, educational, tourist, economic center.' It says 'solely for the purpose of matching.' All right. Does not that suggest to you that actually that only for the purpose of matching? The agencies that are going to spend the money are going to
have to have other funds in hand to be matched with. I wonder if we are giving enough consideration to the word 'solely'?

Senator Rasmussen: "We are giving consideration of that. I am giving consideration down at the bottom where the intent is clearly outlined that they intend to spend and it does not say that they are going to be able to match it completely. It says if they cannot finish it with the bond money that we get the property back. That is the intent that I read in there."

The motion by Senator Rasmussen failed and the amendment was not adopted.

There being no objection, an amendment by Senator Vognild to page 1, line 22 on the desk of the Secretary of the Senate, was withdrawn.

MESSAGE FROM THE HOUSE

Mr. President: The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 2388 with the following amendments:

On page 1, beginning on line 3 of the title, after "RCW 75.32.030" delete all material down to and including "RCW 75.32.080" on line 6.

On page 2, after line 4, delete all material down to and including line 17, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.
MOTION

Senator Newschwander moved the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 2388.

POINT OF INQUIRY

Senator Rasmussen: "Senator Newschwander, is this the bill that relieves the processors of the tax?"

Senator Newschwander: "The original bill relieved the people that raise fish in pens. They raise them from the eggs, the fingerlings. They are never released. And then later on we tried, in section 2, to take care of the ice houses that had been said they had to pay the privilege tax and there was disagreement and so we could not come to any conclusion, so section 2 has now been stripped from the bill, but the original bill is for the aquaculture people that are raising fish to sell or where the fish are never released to go to sea."

Senator Rasmussen: "It is my understanding it would be a two and one-half million dollar decrease in revenue during a biennium."

Senator Newschwander: "It has got nothing to do with that. It is after we took section 2 out of there."

REMARKS BY SENATOR PETERSON

Senator Peterson: "Mr. President and members of the Senate, no, that is right. The only tax that would be involved would be at harvest time, not during the rearing period. There is no fiscal impact to my knowledge."

POINT OF INQUIRY

Senator Lysen: "I guess I have a question for either Senator Newschwander or Senator Peterson. My understanding was that this, right now there is a five percent tax at the time of sale for all fish sold whether they are sold from rearing pens or on the open seas and split usually between the packing house and the fishermen, each paying two and one-half percent. This exempts out the fish farmers from that while we are going to continue to require New England and the other fish packers to pay that tax. Is that correct?"

Senator Peterson: "Senator Lysen, on line 17, they are exempt until being sold or harvested. When they are sold or harvested, then they would pay their privilege tax."

Senator Lysen: "So the five percent privilege tax remains?"

Senator Peterson: "Yes, when they are sold or harvested."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2388, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 34; nays, 9; absent or not voting, 3; excused, 3.

IT IS GREAT TO BE ALIVE AND KNOW THAT WE LIVE IN THE LAND OF FREEDOM. AT THE SAME TIME, WE WOULD BE LESS THAN HONEST IF WE DID NOT OWN UP TO THE FACT THAT THERE IS A CERTAIN FRUSTRATION WITHIN EACH OF US BECAUSE WE DID NOT INTEND TO BE HERE THIS MORNING. EVER SO GENTLY REMIND US ONCE MORE OF THAT UNIQUE RESPONSIBILITY WHICH ALWAYS ACCOMPANIES THE POSITION OF HONOR AND LEADERSHIP, AND THEN GIVE TO EACH OF US YOUR SPECIAL STRENGTH AND GRACE FOR THE DAY THAT WE MAY GIVE OUR BEST. IN THE NAME OF CHRIST OUR LORD. AMEN."

MOTION

On motion of Senator Walgren, the reading of the journal of the previous day was dispensed with and it was approved.

"WE PRAY ESPECIALLY FOR SENATOR DEL BAUSCH AND HIS NEW BRIDE AS THEY ARE MARRIED TODAY THAT IT MIGHT BE A GOOD RELATIONSHIP AND ONE THAT WOULD BE FILLED WITH MEANING, ONE THAT WOULD KNOW THE BEST THAT LIFE HAS TO OFFER. ADD YOUR BLESSING TO THEIR EXPERIENCE THIS DAY AND THE DAYS THAT ARE AHEAD.

"NEW SECTION. Sec. 7. The commission for vocational education shall perform a study for the purpose of determining the optimum location for the state fire

POINT OF INQUIRY

Senator Wilson: "Can you tell me what the approximate construction timetable is for this facility and when it would become available, particularly to the volunteer departments, if the plans go ahead?"

Senator Bottiger: "Senator, I think Senator Benitz has kept up more clearly with that. As I understand, the environmental impact statement has been filed. The appropriate time for comment has either just expired or will soon expire, and from that point on the building permit will be the next thing, as you will notice, this is a reappropriation from last session, together with a new appropriation. Perhaps Senator Benitz could fill us in more clearly as to whether we are talking about two years from now or three or something of that nature."

REMARKS BY SENATOR BENITZ

Senator Benitz: "Mr. President and members, the goal, with successful legislation here, is to have it in operation in two years, not complete but where it is useful to us, because it is badly needed. You have got some contracts and other things that we hope do not delay us, but that is the goal."

On motion of Senator Walgren, Senator Bausch was excused.
On motion of Senator Jones, Senator Benitz was excused.
On motion of Senator Walgren, the rules were suspended, Senate Bill No. 2969 was advanced to second reading and placed on the second reading calendar for today.

There being no objection, the Senate advanced to the sixth order of business.

SECOND READING
SENATE BILL NO. 2969, by Senator Donohue:
Relating to public transportation and making an appropriation.
FIFTY-THIRD DAY, MAY 12, 1979

MOTIONS

On motion of Senator Rasmussen, Substitute Senate Bill No. 2969 was substituted for Senate Bill No. 2969 and the substitute bill was advanced to second reading and read the second time in full.

On motion of Senator Morrison, the following amendments were considered and adopted simultaneously:

On page 1, line 27, between "for" and "private" insert "commercial"
On page 1, line 29, between "of" and "private" insert "commercial"
On page 2, line 28, between "the" and "private" insert "commercial"
On page 2, line 29, between "the" and "private" insert "commercial"

POINT OF INQUIRY

Senator Guess: "Senator Rasmussen, I notice that the inspection is going to include the 'attending equipment' used for commercial promotion of entertainment. What kind of 'attending equipment' are we thinking about here?"

Senator Rasmussen: "I think, Senator Guess, it would be probably where you actually did not, where the dock was perfectly safe but you may have had a gangway that was not constructed safely between a boat and the dock."

Senator Guess: "Okay, but that is not 'attending equipment'. This is the thing that—I hate to see us include something in statutory language that is as ambiguous as 'attending equipment'."

Senator Rasmussen: "If you have any suggestion how you would rather have it worded, Senator."

Senator Guess: "No, you are the proposer of the bill, sir, and I would like to get the—not having had the opportunity of having heard a transportation bill and having been on the transportation committee for the last seventeen years and never having heard a commercial private dock discussed before that committee, it seems to me that this might be presumptuous to pass a piece of legislation where we are going to establish and inspect attending equipment when I do not know what the English language means for attending equipment."

Senator Rasmussen: "I would presume, Senator, that it would have to do with the general safety of the use of the dock."

Senator Guess: "You do not mean—are we going to be inspecting juke boxes? They have juke boxes on some of these places. Are we going to have to see that the juke boxes are safe?"

Senator Rasmussen: "I do not believe that would be classed as equipment, Senator."

Senator Guess: "It says, 'used for the commercial promotion of entertainment.' I was thinking that juke boxes were used for entertainment. Now there is also pleasure and play. I do not know—what are we going to inspect on 'play'? You mean trapezes?"

Senator Rasmussen: "Senator Guess, it was all play up until the time that that group of ladies went into the bay up there when the dock collapsed at Kiana Lodge. It was really a fun party up until that time."

Senator Guess: "I have no objection to the proper inspection of the safety of the ingress and egress or the offloading of marine transportation. I have no objection to the department conducting the structural strength test to determine whether or not they will carry the load, but it seems to me that a commercial private dock is any structure, including its attendant equipment, used for the commercial promotion of entertainment, pleasure, play, relaxation, and therefore it seems to me that this is completely outside of the bounds of good judgment for us to take off on a bill that
we do not know any more about than this. The Senator is having private consulta-
tion off the floor, Mr. President. What was the result of your private conversation off
the floor, Senator?"

Senator Rasmussen: "You asked me a direct question, Senator Guess. The
answer was, yes, common sense would tell you it was any of the equipment that was
used as related to the dock activity for use of commercial or play, and those are the
exact words, Senator Guess."

POINT OF INQUIRY

Senator Talley: "Senator Rasmussen, we held some hearings at the beginning
of the session back ninety or one hundred and twenty days ago about Sunset Laws.
Now we are getting into this area where the Coast Guard has a lot of jurisdiction.
Any time we are on tidewater or anything like that, then the Coast Guard comes
into it. We inspect the private shipyards now. We inspect the boating on Lake
Chelan and everything like that under the department of labor and industries, and I
do not know what you are doing here, whether we are refuting our power or what."

Senator Rasmussen: "No. It was apparent after this accident happened at the
Kiana Lodge when the dock collapsed that there was nobody that had the authority
to inspect. The Coast Guard does not do it. The department of labor and industries
does not do it. There was nobody doing that inspection. It was something like the
situation that we were in a few years when there was no one inspecting the ski lifts
and of course we had to pass a law for that."

Senator Talley: "I think under the rules and regulations, any time there is any
kind of commercial activity, the department of labor and industries does have juris-
diction now."

Senator Rasmussen: "The Governor's office researched it and found there was
no specific authority for this inspection."

Senator Talley: "That was not the testimony in that hearing we had, Senator."

On motion of Senator Morrison, the following amendment was adopted:

On page 2, line 16, following "inspection" insert "for the purpose of satisfying
the requirements determined pursuant to Section 5"

MOTION

On motion of Senator Rasmussen, Substitute Senate Bill No. 2969, as amended
by Senator Morrison, was ordered held for further consideration later today.

MOTION

On motion of Senator Marsh, the Senate returned to the fourth order of
business.

SECOND READING

SUBSTITUTE SENATE BILL NO. 2969, by Committee on Ways and Means (originally sponsored by Senator Donohue):

Relating to public transportation and making an appropriation.

The Senate resumed consideration of Substitute Senate Bill No. 2969 as amended by Senator Morrison earlier today.

On motion of Senator Clarke, the following amendments were considered and adopted simultaneously:

On page 1, lines 6, 16, 19, 27 and 29, before "dock" strike "private"

MOTION

On motion of Senator Rasmussen, Substitute Senate Bill No. 2969, as amended, was ordered held for further consideration on the next working day.

MOTION

Senator Walgren moved adoption of the following resolution:

SENATE RESOLUTION 1979–120

By Senators Walgren and Odegaard:

WHEREAS, The Senate has completed the business of the people of the state of Washington, including passage of the biennial budget; and

WHEREAS, Major issues which have been acted upon by the Senate are pending in the House of Representatives; and

WHEREAS, The time for adjourning the First Extraordinary Session of the Forty-sixth Legislature is at hand; and

WHEREAS, The Senate cannot unilaterally adjourn sine die;

NOW, THEREFORE, BE IT RESOLVED, By the Senate, that the Senate, pursuant to Article 2, Section 11 of the Constitution of the State of Washington, will adjourn for three–day periods until 12:00 o'clock noon on May 29, 1979, to permit the House of Representatives sufficient time to complete action on pending issues so that the legislature may adjourn sine die; and

BE IT FURTHER RESOLVED, That all measures on the desk of the Secretary of the Senate, including, but not limited to, all measures on the second and third reading calendar, concurring calendar, and dispute calendar shall be referred to the Senate Committee on Rules; and
BE IT FURTHER RESOLVED, That any messages received from the House of Representatives prior to 12:00 o'clock noon on May 29, 1979, shall be referred to the Senate Committee on Rules; and

BE IT FURTHER RESOLVED, That members of the Senate shall not receive per diem during the period of adjournment except as authorized by the Senate Facilities and Operations Committee; and

BE IT FURTHER RESOLVED, That a copy of this resolution shall be immediately transmitted to the House of Representatives and to each member thereof.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Walgren, I have been trying to understand this resolution in accordance with Article 2, Section 11 of the State Constitution, and as I understand it, we are recessing here for seventy-two hours. Am I supposed to show up on Tuesday at three twenty-five for the convening of the session at the end of this three-day recess period?"

Senator Walgren: "I proposed to make a motion at the conclusion of this discussion and after we have acted upon this particular resolution, moving that the Senate be adjourned until an appropriate time on Tuesday, the fifteenth day of this month."

Senator Pullen: "Then we are expected to show up on Tuesday for a session?"

Senator Walgren: "Draw your own conclusion, Senator."

Senator Pullen: "I notice it says in your second to the last 'Be it Further Resolved' that we do not collect per diem during this period of adjournment. Are you talking about the three-day period of adjournment up until the end of the third day or are you talking about the eighteen day adjournment period until May 29?"

Senator Walgren: "Our proposal would be, Senator, that as we come back in on Tuesday, the 15th, to again move for a three-day adjournment period and do that until the 29th day of May, Senator, and at no time during that period of time would I expect any member of the Senate to receive per diem unless authorized by the Facilities and Operations Committee."

Senator Pullen: "If the House should agree to our budget before May 29, are we prohibited from coming back into session?"

Senator Walgren: "Are you prohibited from coming back into session?"

Senator Pullen: "Will the Senate not be in session until May 29 under any and all circumstances, even if the House should agree to our budget?"

Senator Walgren: "Of course, I cannot speculate on what the House is going to do. We have done our very utmost to try and make that determination very diligently, and I am not so sure that, at least in talking to the Republican House leadership over there that they could possibly predict what is going to happen, so I am not going to speculate on what is going to happen."

Senator Pullen: "Just one final question. I assume when we come back at the end of this three-day period, any member that shows up is free to make motions in the same way that any member would who would return at the end of the three-day period?"

Senator Walgren: "I would certainly expect that, Senator."

Further debate ensued.

POINT OF INQUIRY

Senator Lewis: "Senator, on a very practical level, this of course affects our personal lives and our business lives, and it is about six hundred and fifty miles round trip for me to go home and come back, and I wonder if I am expected to be here every third day ready to go to work?"
Senator Walgren: "I think, Senator Lewis, that I would advise that you check very carefully and closely with your leadership in that regard. I have been able, I think Senator Matson will agree, that we are as close as our telephone. We talk quite often. We will continue to do so and I think that that advice will be coming."

Senator Lewis: "Would it be safe for any member of this body to take a two week vacation?"

Senator Walgren: "I think you are just going to have to make that decision yourself, Senator."

Senator Clarke demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on adoption of Senate Resolution 1979–120.

ROLL CALL

The Secretary called the roll and the resolution was adopted by the following vote: Yeas, 28; nays, 18; excused, 3.

Voting nay: Senators Bluechel, Clarke, Gallaghan, Gould, Guess, Hayner, Jones, Lee, Lewis, Matson, Morrison, Newschwander, North, Pullen, Quigg, Scott, Sellar, Wanamaker—18.

Excused: Senators Bausch, Benitz, Keefe—3.

MOTION

At 12:05 p.m., Senator Walgren moved the Senate adjourn until 12:00 noon, Monday, May 21, 1979.

REMARKS BY SENATORS CLARKE AND WALGREN

Senator Clarke: "Would the Senator care to make any comment as to the apparent change in plans, in that it had been understood under the resolution that we would be adjourning until twelve noon on Tuesday? We have heard that perhaps we are getting closer to some sort of a solution and we sincerely hope that that is the case, but in view of the difference, we wondered whether you want to make any comment as to the reason for that."

Senator Walgren: "Senator Clarke, I think it would be a little bit premature for me to go into any detail as to the process of the negotiations. It is no secret around here, of course, that there has been some intensive negotiations that are continuing. We hope that we are making progress and we hope that we make progress over this weekend so that we can wrap up this session as rapidly as possible. Until that comes to fruition, we are not prepared to say that we are ready to bring the Senate back here in full force. As you well know, that only costs the taxpayers a considerable amount of money."

Senator Clarke: "That is true. What I was wondering about, however, if you adjourn until Monday, do you contemplate getting word out as to whether you want all members to be here on Monday and if so, how and when would that be done?"

Senator Walgren: "Yes, Senator Clarke, if it appears that we can make rapid progress here so that it will be necessary to have all the members here, notice will be given just as soon as we possibly can so that all members will have a reasonable time to respond."

Senator Clarke: "Thank you. Our only comment would be that we are gratified that there is at least some apparent hope that this political bickering will come to an end and that we will be able to properly bring this session to an end."

REMARKS BY THE PRESIDENT

President Cherberg: "Prior to the adjournment of the Senate, the President would like to express his appreciation to the members of the Senate and the ladies and gentlemen present for their friendly hospitality and cooperation."

The motion by Senator Walgren carried.

At 12:07 p.m., the Senate adjourned until 12:00 noon, Monday, May 21, 1979.

JOHN A. CHERBERG, President of the Senate.
SIDNEY R. SNYDER, Secretary of the Senate.
MOTION

At 12:01 p.m., Senator Walgren moved the Senate adjourn until 12:00 o'clock noon, Thursday, May 24, 1979.

REMARKS BY SENATORS NEWSCHWANDER AND WALGREN

Senator Newschwander: "Mr. President and few members of the Senate, we have been out of here now a week ago Friday. This is Monday and as far as I can tell it looks like we are not coming back until next Tuesday, and I feel in talking to some of the members of our caucus that we would be better off if you could see your way fit, Mr. Majority Leader, to come in Thursday, in a couple of days, and put pressure to get this budget out of the way. It is a great inconvenience to our members. It is an inconvenience to the administration. It is an inconvenience to the people back home. We do not know from day to day where we are heading, but to sit on our hands and not show up around here, this is my first visit since a week ago Friday, and it is just tough to make plans in the future and I think that if you would see fit, at least we can sit down and talk this afternoon, have a meeting between the minority and the majority. It would only take twenty-four hours to get our members back here.

"We have matters that have now been referred to Rules and we can spend a day getting those cleaned up, why certain people got together and with a few changes, not necessarily a conference committee but if it takes a conference committee, we are willing. I see no reason why we could not have this session over before the weekend in forty-eight hours of Thursday and Friday and even Saturday. We are willing, our people are standing around waiting for you to make the decision and I am here today and I will be here the rest of the week if you so wish, where we can sit down and get our leadership back here and put this show together, Mr. Majority Leader, and I beg you to give us a chance rather than just sit home and do nothing. If you will call on me this afternoon or tomorrow, I would be perfectly willing and I feel that our caucus is willing to cooperate to get this session over."

Senator Walgren: "Mr. President and members of the Senate, certainly, Senator Newschwander, I would be more than-willing to sit down and talk with you as I always have and, or course, we have had some very cordial discussions during this session and I know the members of the Senate on this side are quite willing to do that.

"I think a little history might be in order here just to remind everybody what the situation is. You will recall, Senator Newschwander, that prior to our commencing on the seventy-two hour recesses we had a discussion in my office with regard to the proposal and indeed it was discussed at some length in both caucuses. The Senate Democratic Caucus unanimously, twenty-nine members, agreed that this would be the procedure that should be followed and I know in your caucus that there was some debate as to whether or not it was an appropriate procedure or not. Many of the members on your side, I believe, also were of the opinion that this was an appropriate procedure. But also you felt, as did we, that it would be best if we could
possibly get over and get this session resolved that particular weekend and we were all prepared to stay in, under a call if necessary, to resolve this matter. However, the word came back to us, indeed it was announced the morning of that particular Saturday, that the House Republicans, by virtue of an announcement by Representative Berentson, wished to conclude the business of the session at two o’clock that day, and indeed they did and went home.

"Now that does not indicate to me any great desire on the part of the House Republicans to proceed with dexterity and dispatch in finishing up this session. To us it did not seem to be a very good idea simply to come in here day after day and sit here with all the members, who you well know are not totally engaged in negotiations as far as the budget is concerned, simply for the purpose of drawing whatever per diem as is necessary. The Secretary of the Senate provided me Friday with a list of the bills that had been acted upon by the House of Representatives and I recognize, of course, that they are in a parliamentary problem because of the equal split, but they have passed five bills—five bills during this last week. They concurred in five other measures. Now it is no question and, Senator Newschwander, you know very well that we could handle this very quickly, these matters that have come over from the House of Representatives. We could meet and in a morning I suspect we could probably take care of these matters. And we do have some measures that are down in Rules that certainly deserve the consideration of this body. I note that Senator Donohue has written letters to the House Republicans. The one that I happen to have in front of me—I do not know whether this is the latest one or not, dated May 14, directed to Speaker Duane Berentson, asking him specifically what changes you would like to have in the budget. What are the recommendations that the House Republicans have to make changes in the budget, which is the item that is holding us all here? There has been no response, no response at all from Representative Berentson as to what changes are desired.

"Now if we cannot even have an idea as to what are the specifics other than the strange figures that we read in the newspaper from time to time, four hundred million, three hundred million, one hundred and fifty million, seventy-five million dollars as far as cuts are concerned, I do not think we are in a very good position to try and respond to that. What we have here, of course, is a difference in philosophy truly, and it is a philosophical question that certainly the people on the Republican side here have answered. It is a philosophical question that we here on the Democratic side have answered, and that of course is the level of spending. We are not interested in going back into that budget and making cuts because those cuts address those areas that we have from the beginning of this session said were priorities as far as the Democrats are concerned. They continue to be priorities. They address the needs of education. They address the needs of the social welfare of the people of the state of Washington, and to simply say that we should come back here and engage in negotiations for the purpose of making cuts when fifty-four percent of this legislature has already said ‘This is the way we want to go,’ I think is not correct; but I do want you to know, Senator Newschwander, that I am prepared, as are the other members here, to sit down with you and any of the other members of the Senate Republican Caucus and discuss a way out. We are prepared to do that with the other members of the Legislature and indeed, Senator Newschwander, this is what we have been doing. We have been meeting this morning. We will continue to meet this afternoon. We will continue to explore every conceivable reasonable way in order to resolve this particular budget difficulty that we now have."

Senator Newschwander: "Mr. President, not to belabor the point. You have already said that you are not willing to make any cuts in this budget that is before this body or the House so it seems to me that it is pretty hard to sit down and discuss it unless you are willing to make some concessions to get us out of here."
*Now my understanding is that there was a semi-agreement between three of
the bodies just a few days ago to set up a so-called reserve fund that was to be con-
trolled by OFM and possibly the Governor if it was so needed, and when you arrived
home you put the kibosh to that, so it looks to me like you are saying that whatever
comes out of here you are going to please all twenty-nine members of your majority
party and to heck with the minority party here and to heck with the House
Republicans. So to me I find it very difficult to sit down and discuss, which I am
perfectly willing to do, unless you are going to give us some room to talk about and
discuss some of these issues and, like I say, I just ask you to help bring this thing to
a head so we can sit down and maybe reach some agreement, because as long as we
take the football and go-home-attitude, we are never going to have agreement,
whether it is today, Thursday or next Tuesday. So when we come in next Tuesday
you are going to have the same problems facing you then you are facing today,
whether you do it Thursday, Friday, Saturday, Sunday of this weekend or the
weekend that when we recessed for this ten or twelve days, so I am leaving it up to
you and I am sure that your good wisdom, I have great hopes that maybe we can get
together and get this body back by about Thursday."

The motion by Senator Walgren carried.

At 12:10 p.m., the Senate adjourned until 12:00 o'clock noon, Thursday, May
24, 1979.

JOHN A. CHERBERG, President of the Senate.
SIDNEY R. SNYDER, Secretary of the Senate.
Senate Chamber, Olympia, Thursday, May 24, 1979.

The Senate was called to order at 12:00 noon by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senators Bausch, Day, Keefe, Lysen and Pullen. On motion of Senator Wilson, Senators Bausch, Day and Lysen were excused. On motion of Senator Jones, Senator Pullen was excused.

The Color Guard, consisting of Pages Carol Ammerman and Jerald Hyne, presented the Colors. Reverend George C. Smith, pastor of the Evergreen Christian Center of Olympia, offered the following prayer:

"O GOD, OUR HEAVENLY FATHER, WE BOW IN PRAYER AT THE BEGINNING OF TODAY'S SESSION, NOT ONLY TO ACKNOWLEDGE YOUR SUPREMACY, BUT TO ASK FOR HELP AND GUIDANCE. IT SEEMS AS THOUGH THE SOPHISTICATION OF OUR AGE ACCOMPANIED BY THE SKEPTICISM OF OUR TIMES HAS DULLED OUR FAITH, MADE US WEAK AND CYNICAL. WE WOULD ASK YOU, THAT WE MIGHT BE BROUGHT BACK TO THE FAITH WHICH WOULD MAKE US GREAT AND STRONG, A FAITH THAT WOULD ENABLE US TO LOVE AND TO LIVE. WE PRAY FOR A RETURN OF THAT SIMPLE FAITH, THAT OLD-FASHIONED TRUST IN GOD, THAT MADE STRONG AND GREAT THE HOMES OF OUR ANCESTORS WHO BUILT THIS GOOD LAND AND WHO, IN BUILDING, LEFT US OUR HERITAGE.

"WE WOULD ALSO PRAY FOR PEACE. WE KNOW THAT PEACE IS MUCH MORE THAN ABSENCE OF WAR. THERE IS A PEACE WHICH WE CAN PERSONALLY EXPERIENCE THROUGH OUR FAITH IN GOD AND HIS SON JESUS CHRIST.

"GUIDE IN ALL DECISIONS OF THIS SENATE TODAY. IN JESUS' NAME. AMEN."

On motion of Senator Walgren, the reading of the journal of the previous day was dispensed with and it was approved.

MESSAGE FROM THE HOUSE

Mr. President: The House refuses to concur in the Senate amendments to ENGROSSED SUBSTITUTE HOUSE BILL NO. 236 and once again asks for a conference thereon, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

Senator Walgren moved that the Senate insist on its position on Engrossed Substitute House Bill No. 236, refuse to grant a conference and again ask the House to concur in the Senate amendments.
PARLIAMENTARY INQUIRY

Senator Clarke: "As I read the Senate resolution of our so-called rolling recesses, 'Be it further resolved that any messages received from the House of Representatives prior to twelve noon on May 29, 1979 shall be referred to the Senate Committee on Rules.' For that reason I ask if the matter is now properly before us."

There being no objection, Senator Clarke withdrew his objection.

MOTION

Senator Clarke moved the Senate do concur in the request by the House for a conference on Engrossed Substitute House Bill No. 236.

REPLY BY THE PRESIDENT

President Cherberg: "Senator Clarke, in considering your motion, the President recalls that a similar situation developed several days ago and the President ruled otherwise, that Senator Walgren's motion is one more likely to bring the houses together in agreement."

Debate ensued.

Senator Clarke demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator Walgren that the Senate insist on its position on Engrossed Substitute House Bill No. 236, refuse to grant a conference and again ask the House to concur in the Senate amendments.

PROVIDED, HOWEVER, That there is exempt from the total amount of insurance receivable by all beneficiaries other than the executor, administrator or representative of the estate, regardless of the number of policies, the sum of forty thousand dollars and no more.

In the event that the proceeds receivable by beneficiaries other than the decedent's estate exceed the amount of the exemption, the benefit of the exemption shall be ratably apportioned among them.

The inheritance tax upon the proceeds of any insurance policy shall be a lien upon the proceeds of such policy in the hands or possession of the estate of the deceased insured or in the hands or possession of any other beneficiary under such policy to whom such proceeds may have been paid: PROVIDED, That when proceeds of insurance payable upon death, or receivable by a beneficiary other than the executor or personal representative, the executor or personal representative shall recover from such beneficiary the tax due upon such proceeds of such policy or policies. The director shall have power to release such lien with respect to all or any part of such proceeds if he be satisfied that the collection of the tax will not thereby be jeopardized.

Nothing in the inheritance tax provisions of this title shall prevent the payment by any insurance company, association, or society of the proceeds of any policy upon the death of a decedent to the person entitled thereto, except where prior to such payment the director has notified the company that the state is claiming a lien thereon payment shall be deferred until the tax has been paid.

(b) Any individual retirement account or any pension, profit-sharing, thrift, stock bonus, or similar trust or any retirement annuity contract established or purchased as part of or pursuant to a qualified benefit plan qualifying for income tax exemption under the Internal Revenue Code of 1954 of the United States.

(2) If the spouse of an employee covered by an account, plan, system, or retirement annuity contract as described in subsection (1) of this section predeceases the
employee, any interest of the spouse in the annuity or other payment as may become payable upon the death of the employee shall also be exempt from inheritance taxes.

(3) In order for the retirement benefit to be exempt, the personal representative shall, upon request, provide to the inheritance tax division a certification from the employer, administrator, trustee, or custodian of the benefit plan that it is so qualified.

NEW SECTION. Sec. 24. There is added to chapter 83.44 RCW a new section to read as follows:

(2) No extension shall be granted for the payment of any deficiency if the deficiency is due to negligence, fraud with intent to evade the tax, or an intentional disregard of the rules of the department.

(3) If payment of any amount of the tax imposed by Title 83 RCW is extended under this section, interest on the unpaid amount at an annual rate of eight percent shall be paid with each installment payment of the tax.

(4) If any installment under this section is not paid on or before the date fixed for its payment, the remainder of the tax payable in installments, plus interest, shall be paid upon notice and demand from the director.

(5) In the event an extension of time is granted, the director may require the executor to furnish a bond, or such other security as may be deemed reasonable, conditioned upon the payment of the amount deferred in accordance with the terms of the extension.

(6) The director shall adopt rules to carry out this section.

NEW SECTION. Sec. 25. There is added to chapter 83.08 RCW a new section to read as follows:

NEW SECTION. Sec. 26. (1) If the decedent was at the time of his death a resident of the state and the application of sections 26 through 34 of this act is elected by filing the agreement referred to in section 29 of this act, then, for purposes of this chapter, the value of qualified real property shall be its value for the use under which it qualifies, under section 27 of this act, as qualified real property.

(2) The aggregate decrease in the value of qualified real property taken into account for purposes of this chapter which results from the application of subsection (1) of this section with respect to any decedent shall not exceed five hundred thousand dollars.

NEW SECTION. Sec. 27. (1) For purposes of sections 26 through 34 of this act, the term "qualified real property" means real property located in the state which is acquired or passed from the decedent to a qualified heir of the decedent and which, on the date of the decedent's death, was being used for a qualified use, but only if:

(a) Fifty percent or more of the adjusted value of the gross estate consists of the adjusted value of real or personal property which:

(i) On the date of the decedent's death, was being used for a qualified use; and

(ii) Was acquired from or passed from the decedent to a qualified heir of the decedent;

(b) Twenty-five percent or more of the adjusted value of the gross estate consists of the adjusted value of real property which meets the requirements of subsection (1)(a)(ii) and (c) of this section;
(c) During the eight-year period ending on the date of the decedent's death there have been periods aggregating five years or more during which:

(i) The real property was owned by the decedent or a member of the decedent's family and used for a qualified use; and

(ii) There was material participation by the decedent or a member of the decedent's family in the operation of the farm or other business; and

(d) The real property is designated in the agreement referred to in section 29(2) of this act.

(2) For purposes of sections 26 through 34 of this act, the term "qualified use" means the devotion of the property to any of the following:

(a) Use as a farm for farming purposes; or

(b) Use in a trade or business other than the trade or business of farming.

(3) For purposes of subsection (1) of this section, the term "adjusted value" means:

(a) In the case of the gross estate, the value of the gross estate for purposes of this chapter (determined without regard to sections 26 through 34 of this act), reduced by any unpaid mortgages on or any indebtedness in respect to property where the value of the decedent's interest therein, undiminished by the mortgage or indebtedness, is included in the value of the gross estate; or

(b) In the case of any real or personal property, the value of the property for purposes of this chapter (determined without regard to this section), reduced by any unpaid mortgages on or any indebtedness in respect to property where the value of the decedent's interest therein, undiminished by the mortgage or indebtedness, is included in the value of the gross estate.

(4) For the purposes of this title, "gross estate" means all property subject to the inheritance tax under this title.

NEW SECTION. Sec. 28. (1) If within fifteen years after the decedent's death and before the death of the qualified heir:

(a) The qualified heir disposes of any interest in qualified real property (other than by a disposition to a member of his family); or

(b) The qualified heir ceases to use for the qualified use the qualified real property which was acquired (or passed) from the decedent, then there is hereby imposed an additional inheritance tax.

(2) (a) The amount of the additional tax imposed by subsection (1) of this section with respect to any interest shall be the amount equal to the lesser of:

(i) The adjusted tax difference attributable to the interest; or

(ii) The excess of the amount realized with respect to the interest (or, in any case other than a sale or exchange at arm's length, the fair market value of the interest) over the value of the interest determined under section 26 of this act.

(b) For purposes of subsection (2)(a) of this section, the adjusted tax difference attributable to an interest is the amount which bears the same ratio to the adjusted tax difference with respect to the inheritance (determined under subsection (2)(c) of this section) as:

(i) The excess of the value of the interest for purposes of this chapter (determined without regard to section 26 of this act) over the value of the interest determined under section 26 of this act bears to

(ii) A similar excess determined for all qualified real property.

(c) For purposes of subsection (2)(b) of this section, the term "adjusted tax difference with respect to the inheritance" means the excess of what would have been the inheritance tax liability but for section 26 of this act over the inheritance tax liability. For purposes of this paragraph, the term "inheritance tax liability" means the tax imposed by this title.
(d) For purposes of this paragraph, where the qualified heir disposes of a portion of the interest acquired by (or passing to) the heir (or a predecessor qualified heir) or there is a cessation of use of such a portion:

(i) The value determined under section 26 of this act taken into account under subsection (2)(a)(ii) of this section with respect to the portion shall be its pro rata share of the value of the interest; and

(ii) The adjusted tax difference attributable to the interest taken into account with respect to the transaction involving the second or any succeeding portion shall be reduced by the amount of the tax imposed by this section with respect to all prior transactions involving portions of the interest.

(3) If the date of the disposition or cessation referred to in subsection (1) of this section occurs more than one hundred twenty months and less than one hundred eighty months after the date of the death of the decedent, the amount of the tax imposed by this section shall be reduced (but not below zero) by an amount determined by multiplying the amount of the tax (determined without regard to this subsection) by a fraction:

(a) The numerator of which is the number of full months after the death in excess of one hundred twenty; and

(b) The denominator of which is sixty.

(4) In the case of an interest acquired from (or passing from) any decedent, if subsection (1) of this section applies to any portion of an interest, subsection (1)(a) or (b) of this section, as the case may be, shall not apply with respect to the same portion of the interest.

(5) The additional tax imposed by this section shall become due and payable on the day which is six months after the date of the disposition or cessation referred to in subsection (1) of this section. If the additional tax is not paid within the time prescribed by this subsection, interest shall accrue at the rate of eight percent per year on the unpaid amount.

(6) The qualified heir shall be personally liable for the additional tax imposed by this section with respect to his interest unless the heir furnishes a bond which meets the requirements of section 30(9) of this act.

(7) For purposes of subsection (1)(b) of this section, real property shall cease to be used for the qualified use if:

(a) The property ceases to be used for the qualified use set forth in section 27(2)(a) or (b) of this act under which the property qualified under section 27 of this act; or

(b) During any period of eight years ending after the date of the decedent's death and before the date of the death of the qualified heir, there had been periods aggregating three years or more during which:

(i) In the case of periods during which the property was held by the decedent, there was no material participation by the decedent or any member of his family in the operation of the farm or other business; and

(ii) In the case of periods during which the property was held by any qualified heir, there was no material participation by the qualified heir or any member of his family in the operation of the farm or other business.

NEW SECTION. Sec. 29. (1) The election under sections 26 through 34 of this act shall be made not later than the time prescribed by RCW 83.44.010 for filing the return of tax imposed by this title (including extensions thereof) and shall be made in such manner as the director shall prescribe by rule.

(2) The election referred to in this section is a written agreement signed by each person in being, or the personal representative of the person, who has an interest (whether or not in possession) in any property designated in the agreement consenting to the application of section 28 of this act with respect to the property.

NEW SECTION. Sec. 30. For purposes of sections 26 through 34 of this act:
(1) The term "qualified heir" means, with respect to any property, a member of the decedent's family who acquired the property (or to whom the property passed) from the decedent. If a qualified heir disposes of any interest in qualified real property to any member of his family, the member shall thereafter be treated as the qualified heir with respect to the interest.

(2) The term "member of the family" means, with respect to any individual, only the individual's ancestor or lineal descendant, a lineal descendant of a grandparent of the individual, the spouse of the individual, or the spouse of such a descendant. For purposes of the preceding sentence, a legally adopted child of an individual shall be treated as a child of the individual by blood.

(3) In the case of real property which meets the requirements of section 27(1)(c) of this act, residential buildings and related improvements on the real property occupied on a regular basis by the owner or lessee of the real property or by persons employed by the owner or lessee for the purpose of operating or maintaining the real property, and roads, buildings, and other structures and improvements functionally related to the qualified use shall be treated as real property devoted to the qualified use.

(4) The term "farm" includes stock, dairy, poultry, fruit, furbearing animals, and truck farms, plantations, ranches, nurseries, ranges, greenhouses, or other similar structures used primarily for the raising of agricultural or horticultural commodities, and orchards and woodlands.

(5) The term "farming purposes" means:
   (a) Cultivating the soil or raising or harvesting any agricultural or horticultural commodity (including the raising, shearing, feeding, caring for, training, and management of animals) on a farm;
   (b) Handling, drying, packing, grading, or storing on a farm any agricultural or horticultural commodity in its unmanufactured state, but only if the owner, tenant, or operator of the farm regularly produces more than one-half of the commodity so treated; and
   (c) (i) The planting, cultivating, caring for, or cutting of trees; or
   (ii) The preparation (other than milling) of trees for market.

(6) Material participation shall be determined in a manner similar to the manner used for purposes of section 1402(a) of the Internal Revenue Code of 1954 (relating to net earnings from self-employment).

(7) Property shall be considered to have been acquired or passed from the decedent if:
   (a) The property is so considered under RCW 82.04.010 (property subject to inheritance tax);
   (b) The property is acquired by any person from decedent's estate in satisfaction of the right of the person to a pecuniary bequest; or
   (c) The property is acquired by any person from a trust in satisfaction of a right (which the person has by reason of the death of the decedent) to receive from the trust a specific dollar amount which is the equivalent of a pecuniary bequest.

(8) If the decedent and the surviving spouse at any time held qualified real property as community property, the interest of the surviving spouse in the property shall be taken into account under this section to the extent necessary to provide a result under this section with respect to the property which is consistent with the result which would have been obtained under this section if the property had not been community property.

(9) If the qualified heir makes written application to the director for determination of the maximum amount of the additional tax which may be imposed by section 26 of this act with respect to the qualified heir's interest, the director (as soon as possible and in any event within one year after the making of the application) shall notify the heir of the maximum amount. The qualified heir, on furnishing a
bond in such amount and for such period as may be required, shall be discharged from personal liability for any additional tax imposed by section 26 of this act and shall be entitled to a receipt or writing showing the discharge.

NEW SECTION. Sec. 31. (1) (a) Except as provided in subsection (1)(b) of this section, the value of a farm for farming purposes shall be determined by dividing:

(i) The excess of the average annual gross cash rental for comparable land used for farming purposes and located in the locality of the farm over the average annual state and local real estate taxes for the comparable land by

(ii) The average annual effective interest rate for all new Federal Land Bank loans.

For purposes of the preceding sentence, each average annual computation shall be made on the basis of the five most recent calendar years ending before the date of the decedent's death.

(b) The formula provided by subsection (1)(a) of this section shall not be used:

(i) Where it is established that there is no comparable land from which the average annual gross cash rental may be determined; or

(ii) Where the election under section 29 of this act specifies that the value of the farm for farming purposes is to be determined under subsection (2) of this section.

(2) In any case to which subsection (1)(a) of this section does not apply, the following factors shall apply in determining the value of any qualified real property:

(a) The capitalization of income which the property can be expected to yield for farming or closely held business purposes over a reasonable period of time under prudent management using traditional cropping patterns for the area, taking into account soil capacity, terrain configuration, and similar factors;

(b) The capitalization of the fair rental value of the land for farmland or closely held business purposes;

(c) Assessed land values in the state;

(d) Comparable sales of other farm or closely held business land in the same geographical area far enough removed from a metropolitan or resort area so that nonagricultural use is not a significant factor in the sales price; and

(e) Any other factor which fairly values the farm or closely held business value of the property.

NEW SECTION. Sec. 32. If qualified real property is disposed of or ceases to be used for a qualified use, then:

(1) The statutory period for the assessment of any additional tax under section 28 of this act attributable to the disposition or cessation shall not expire before the expiration of three years from the date the director is notified (in such manner as the director may by rule prescribe) of the disposition or cessation; and

(2) The additional tax may be assessed before the expiration of the three-year period notwithstanding the provisions of any other law or rule of law which would otherwise prevent the assessment.

NEW SECTION. Sec. 33. (1)(a) If there is an involuntary conversion of an interest in qualified real property and the qualified heir makes an election under this section:

(i) No tax shall be imposed by section 28 of this act on such conversion if the cost of the qualified replacement property equals or exceeds the amount realized on such conversion; or

(ii) If (a)(i) of this subsection does not apply, the amount of the tax imposed by section 28 of this act on such conversion shall be the amount determined under (b) of this subsection.
(b) The amount of the tax with respect to any involuntary conversion is the amount of the tax which (but for this section) would have been imposed on such conversion reduced by an amount which:

(i) Bears the same ratio to such tax, as

(ii) the cost of the qualified replacement property bears to the amount realized on the conversion.

(2) For the purposes of section 28 of this act:

(a) Any qualified replacement property shall be treated in the same manner as if it were a portion of the interest in qualified real property which was involuntarily converted, except that with respect to such qualified replacement property:

(i) The fifteen-year period under section 28(1) of this act shall be extended by any period, beyond the two-year period referred to in subsection (4)(a) of this section during which the qualified heir was allowed to replace the qualified real property; and

(ii) The phaseout period under section 28(3) of this act shall be appropriately adjusted to take into account the extension referred to in (a)(i) of this subsection;

(b) Any tax imposed by section 28 of this act on the involuntary conversion shall be treated as a tax imposed on a partial disposition; and

(c) Section 28(7) of this act shall be applied:

(i) By not taking into account periods after the involuntary conversion and before the acquisition of the qualified replacement property; and

(ii) By treating material participation with respect to the converted property as material participation with respect to the qualified replacement property.

(3) For purposes of this section:

(a) The term "involuntary conversion" means property that (as a result of its destruction in whole or in part, theft, seizure, or requisition or condemnation or threat or imminence thereof) is compulsorily or involuntarily converted:

(i) Into property similar or related in service or use to the property so converted; or

(ii) Into money or into property not similar or related in service or use to the converted property;

(b) The term "qualified replacement property" means:

(i) In the case of an involuntary conversion described in (a)(i) of this subsection, any real property into which the qualified real property is converted; or

(ii) In the case of an involuntary conversion described in (a)(ii) of this subsection, any real property purchased by the qualified heir during the period specified in subsection (4) of this section for purposes of replacing the qualified real property. This term only includes property which is to be used for the qualified use set forth in section 27(2)(a) or (b) of this act under which the qualified real property qualified under section 26 of this act.

(4) The period referred to in subsection (3)(b)(ii) of this section shall be the period beginning with the date of the disposition of the converted property, or the earliest date of the threat or imminence of requisition or condemnation of the converted property, whichever is the earlier, and ending:

(a) Two years after the close of the first taxable year for federal income tax purposes in which any part of the gain upon the conversion is realized; or

(b) Subject to such terms and conditions as may be specified by the director, at the close of such later date as the director may designate on application by the taxpayer. Such application shall be made at such time and in such manner as the director may by rule prescribe.

(5) Any election under this section shall be made at such time and in such manner as the director may by rule prescribe.

NEW SECTION. Sec. 34. The director shall prescribe rules setting forth the application of sections 26 through 34 and 36 of this act (relating to tax liens) in the
NEW SECTION. Sec. 35. If an election is made to value property at current use for federal but not state purposes, the current use value of the property determined for federal purposes shall not affect the value of the property for purposes of the state inheritance tax.

If an election is made to value the same property at current use for federal and state purposes, then RCW 83.40.040 (federal audit) shall apply to the property. An election to value property at current use under sections 26 through 34 of this act for state inheritance tax purposes may be made whether or not an election is made to value property at current use under section 2032(a) of the Internal Revenue Code of 1954 for federal estate tax purposes.

NEW SECTION. Sec. 36. There is added to chapter 83.04 RCW a new section to read as follows:

(1) In the case of any interest in qualified real property (within the meaning of sections 27 of this act) an amount equal to the adjusted tax difference attributable to the interest (within the meaning of section 28(2)(b) of this act) shall be a lien in favor of the state on the property in which the interest exists.

(2) The lien imposed by this section shall arise at the time an election is filed under section 29 of this act and shall relate back to the date of death of the decedent and continue with respect to any interest in the qualified real property until:

(a) The liability for tax under section 28 of this act with respect to the interest has been satisfied or has become unenforceable by reason of lapse of time; or

(b) It is established to the satisfaction of the director that no further tax liability may arise under section 28 of this act with respect to the interest.

(3) The notice of the lien imposed by this section shall be filed with the auditor of the county wherein the property is located. The notice of the lien shall not be required to be refiled.

(4) If there is a lien under this section on any property with respect to any estate, there shall not be any lien under RCW 83.04.023.

(5) To the extent provided in rules prescribed by the director, the furnishing of security may be substituted for the lien imposed by this section.

(6) The lien imposed by this section may be subordinated to any subsequent lien if the director determines that the state will be adequately secured after the subordination.

Sec. 37. Section 83.16.010, chapter 15, Laws of 1961 and RCW 83.16.010 are each amended to read as follows:

All property of the estate of a deceased person, for the purposes of computing the inheritance tax, shall be valued and appraised at the fair market value, unless current use valuation is elected under sections 26 through 34 of this act, on the day of the death of the decedent owner thereof and subsequent sales shall not affect the value so used. The executor, administrator or trustee in preparing the inventory in all probate cases, shall insert at the right of each real estate tract, the assessed valuation of such tract and of the improvements thereon for the information of the appraisers and other interested parties.

Sec. 38. Section 83.40.040, chapter 15, Laws of 1961 as amended by section 12, chapter 28, Laws of 1963 ex. sess. and RCW 83.40.040 are each amended to read as follows:

Except as provided in section 35 of this act, if after the values have been determined under this title for inheritance tax purposes, the same estate is valued under the federal estate tax statute and the date of death value of the property, or any portion thereof, fixed under the federal law, is increased above or decreased below the value theretofore fixed under the inheritance tax provisions of this title, and this
valuation under the federal estate tax is accepted by the estate either by agreement or through final determination in the federal court, the value as fixed under the inheritance tax provisions of this title upon such property or portion thereof shall be increased or decreased to this amount.

NEW SECTION. Sec. 39. Sections 26 through 35 of this act are each added to chapter 83.16 RCW.

Sec. 40. Section 83.20.010, chapter 15, Laws of 1961 and RCW 83.20.010 are each amended to read as follows:

All gifts, bequests, devises, and transfers of property to or for the use of any of the following shall be exempt from inheritance tax:

1. The United States of America;
2. The state of Washington;
3. A municipal or public corporation, school district or any school or educational institution in this state supported by public funds in whole or in part;
4. A trust or a fraternal society, order or association operating under the lodge system, exclusively for any religious, charitable, scientific, literary, educational, public or other like work, whether or not such work is to be carried on within this state; or

No exemption is allowed under this section for any portion of a gift, devise, or bequest which is directed and used for the payment of any federal estate or gift tax or state inheritance or gift tax.

Sec. 41. Section 19, chapter 292, Laws of 1961 and RCW 83.40.010 are each amended to read as follows:

Where the tax imposed by the inheritance tax laws of the state of Washington is of a lesser amount than the maximum credit of (eighty percent of) the federal estate tax allowed by the federal estate tax act, then the tax provided for by the said inheritance tax laws of the state of Washington shall be increased so that the amount of tax due the state of Washington shall be the maximum amount of the credit allowed under said federal estate tax act: PROVIDED, That the said additional tax shall be paid out of the same funds as any ordinary charge against the estate.

Where no tax is imposed by the inheritance tax laws of the state of Washington because of the exemptions thereunder and a tax is due the United States under the federal estate tax act, then a tax shall be due the state of Washington equal to the maximum amount of the credit allowed under said federal estate act.

Should the amount of tax imposed by the inheritance tax laws of the state of Washington increased by this section, be afterwards found to be more than the maximum credit allowed under the federal estate tax act, then any excess over and above the said maximum credit shall be refunded as provided by law.

Sec. 42. Section 2, chapter 148, Laws of 1973 and RCW 11.86.010 are each amended to read as follows:

(3) "Disclaimer" means a written instrument which declines, refuses, releases, renounces or disclaims an interest which would otherwise be succeeded to by a beneficiary, which instrument defines the nature and extent of the interest disclaimed thereby and which must be signed, witnessed and acknowledged by the disclaimant in the manner provided for deeds of real estate, and also a written instrument which exercises a power to invade the corpus or principal of an estate or trust when such exercise has the effect of terminating an interest which could otherwise be succeeded to by a beneficiary.

Sec. 43. Section 3, chapter 148, Laws of 1973 and RCW 11.86.020 are each amended to read as follows:

A beneficiary may disclaim any interest in whole or in part, or with reference to specific parts, shares or assets thereof, (by filing a disclaimer in court) in the manner provided in RCW 11.86.030 and 11.86.040. A guardian, executor, administrator, attorney in fact under a durable power of attorney under chapter 11.94 RCW, or other personal representative of the estate of a minor, incompetent or deceased beneficiary, if he deems it in the best interests of those interested in the estate of such beneficiary and of those who take the beneficiary's interest by virtue of the disclaimer and not detrimental to the best interests of the beneficiary, with or without an order of the probate court, may (execute and file a disclaimer) disclaim on behalf of the beneficiary within the time and in the manner in which the beneficiary himself could disclaim if he were living, of legal age and competent. A beneficiary likewise may (execute and file a disclaimer) disclaim by agent or attorney so empowered.

Sec. 44. Section 4, chapter 148, Laws of 1973 and RCW 11.86.030 are each amended to read as follows:

Sec. 45. Section 5, chapter 148, Laws of 1973 and RCW 11.86.040 are each amended to read as follows:

No such representative(, trustee) or person shall be liable for any otherwise proper distribution or other disposition made without actual knowledge of the disclaimer, or in reliance upon the disclaimer and without actual knowledge that said disclaimer is barred as provided in RCW 11.86.060. If an interest in or relating to real estate is disclaimed, the original of the disclaimer, or a copy of the disclaimer certified as true and complete by the clerk of the court wherein the same has been filed, shall be recorded in the office of the auditor in the county or counties where the real estate is situated and shall constitute notice to all persons only from and after the time of such recording.

Sec. 46. Section 6, chapter 148, Laws of 1973 and RCW 11.86.050 are each amended to read as follows:

Unless the person by whom the interest was created or from whom it would have been received has otherwise provided by will or other appropriate instrument with reference to the possibility of a disclaimer by the beneficiary, the interest disclaimed shall descend, be distributed or otherwise be disposed of in the same manner as if the disclaimant had died immediately preceding the ((death or other event which causes him to become finally ascertained as a beneficiary and his interest to become indefeasibly fixed both in quality and quantity)) event giving rise to the commencement of the nine month period under RCW 11.86.030 in which the disclaimer must be filed, and ((in any case,)) the disclaimer shall relate for all purposes to such date, whether filed before or after such ((death or other)) event. However, one disclaiming an interest ((in)), including a nonresiduary ((gift, devise or bequest)) interest, shall not be ((excluded)) precluded, unless his disclaimer so provides, from ((sharing in a gift, devise or bequest of the residue even though, through lapse, such residue includes the assets disclaimed)) receiving or enjoying the benefit of the disclaimed interest or any portion of it by virtue of a residuary bequest or devise, or otherwise. An interest of any nature in or to the estate of an intestate may be declined, refused or disclaimed as herein provided without ever vesting in the disclaimant.

Sec. 47. Section 7, chapter 148, Laws of 1973 and RCW 11.86.060 are each amended to read as follows:

The right to disclaim otherwise conferred by this chapter shall be barred if the beneficiary is insolvent at the time of the event giving rise to the commencement of the ((six months)) nine month period under RCW 11.86.030 within which the disclaimer must be filed. Any voluntary assignment or transfer of, or contract to assign or transfer, an interest in real or personal property, or written waiver of the right to disclaim the succession to an interest in real or personal property, by any beneficiary, or any sale or other disposition of an interest in real or personal property pursuant to judicial process, made before he has filed a disclaimer, as provided in RCW 11.86.040, bars the right otherwise conferred on such beneficiary to disclaim as to such interest.

Sec. 48. Section 8, chapter 148, Laws of 1973 and RCW 11.86.070 are each amended to read as follows:

The right to disclaim granted by RCW 11.86.020 exists regardless of any limitation imposed on the interest of the disclaimant in the nature of an express or implied spendthrift provision or similar restriction. A disclaimer, when filed and received as provided in RCW 11.86.040, or a written waiver of the right to disclaim, shall be binding upon the disclaimant or beneficiary so waiving and all parties thereafter claiming by, through or under him, except that a beneficiary so waiving
may thereafter transfer, assign or release his interest if such is not prohibited by an express or implied spendthrift provision.

NEW SECTION. Sec. 49. There is added to chapter 11.86 RCW a new section to read as follows:

If a beneficiary disclaims an interest under this chapter more than nine months after the date of death of the transferor of the interest, there shall be no recalculation of the inheritance tax with respect to the deceased transferor.

Sec. 50. Section 48, chapter 26, Laws of 1967 ex. sess. as amended by section 3, chapter 158, Laws of 1975 1st ex. sess. and RCW 82.03.190 are each amended to read as follows:

Any person having received notice of a denial of a petition or a notice of determination made under RCW 82.32.160 ((and)) 82.32.170, section 37 of this 1979 act, or RCW ... (section 12, chapter ... (SB 2182), Laws of 1979) may appeal, within thirty days from the date of the notice of such denial or determination, to the board of tax appeals. In the notice of appeal the taxpayer shall set forth the amount of the tax which he contends should be reduced or refunded and the reasons for such reduction or refund, in accordance with rules of practice and procedure prescribed by the board. The appeal shall be perfected by serving a copy of the notice of appeal upon the department of revenue within the time specified herein and by filing the original thereof with proof of service with the clerk of the board: PROVIDED, HOWEVER, That if the notice of appeal relates to an application made to the department of revenue under chapter 82.34 RCW, the taxpayer shall set forth the amount to which the taxpayer claims the credit or exemption should apply, and the grounds for such contention, in accordance with rules of practice and procedure prescribed by the board. If the taxpayer intends that the hearing before the board be held pursuant to the administrative procedure act (chapter 34.04 RCW), the notice of appeal shall also so state. In the event that the notice of appeal does not so state, the department may, within ten days from the date of its receipt of the notice of appeal, file with the clerk of the board notice of its intention that the hearing be held pursuant to the administrative procedure act.

NEW SECTION. Sec. 51. There is added to chapter 83.24 RCW a new section to read as follows:

Any person aggrieved by the determination of the tax by the department of revenue pursuant to RCW 83.24.010 may file an appeal with the board of tax appeals as provided in RCW 82.03.190. (2) At any time more than thirty days after the date of mailing the computation letter, the department may send its determination letter to the donor (and a copy to his representative, if any) in which the department sets forth its computation of tax due and the method by which the tax was computed, which letter may incorporate by reference the computation letter and any intervening letters from the department to the donor or his representative.

(3) If the donor disagrees with the statement of the tax due as set forth in the determination letter the donor may commence an action in the superior court within sixty days of the date of receipt of the determination letter (unless that sixty days is extended by written agreement) in the county in which the donor resides if a resident of this state or in Thurston county if not a resident of this state against the department in order to determine the tax liability and the amount thereof. The civil rules for superior court apply to these actions.

(4) If the donor fails to commence the action in superior court within the periods allowed in subsection (3) of this section, the amount set forth in the determination letter shall be conclusively presumed insofar as the donor is concerned to be the correct tax liability of the donor.

(6) At any time more than sixty days after the department has sent the determination letter to the donor but only within the time limit specified in section 15 of this act for sending a determination letter to the donor, the department may elect to enforce payment of the tax against the donee by sending its determination letter to the donee.

If the donee disagrees with the statement of the tax due as set forth in the determination letter the donee may commence an action in the superior court within sixty days of the date of the donee's receipt of the determination letter (unless that sixty days is extended by written agreement) in the county in which the donee resides if a resident of this state, or in Thurston county if not a resident of this state, against the department in order to determine the tax liability and the amount thereof. Failure to commence the action in superior court within this period shall prohibit the donee from contesting the tax liability or the amount thereof in any
subsequent proceeding of any nature or kind. The civil rules for superior court apply to these actions.

(7) If the donee fails to commence the action within the periods allowed in subsection (6) of this section, the amount set forth in the determination letter shall be conclusively presumed, insofar as the donee is concerned, to be the correct tax liability of the donee.

(8) The donee may waive the restrictions provided in this section on the assessment and collection of the whole or any part of the tax imposed by this chapter.

(9) The burden of proving the date of receipt of the determination letter by either the donor or the donee shall be on the department.

NEW SECTION. Sec. 13. If the gift tax imposed by this chapter is not paid in full, the appeal period provided in section 12(3) of this act and, if applicable, section 12(6) of this act has expired, and the amount of the tax liability is fixed, the department may file in the office of the clerk of the superior court of any county a notice of lien of tax against the donor and, if the department has elected to proceed against the donee under section 12(6) of this act, a notice of lien of tax against the donee; and thereupon the clerk shall enter in the judgment docket the name of the donor and, if applicable, the name of the donee, the amount of the tax due including interest to the date for which the lien is claimed and the date when the lien is filed. The lien shall have the same effect as a personal judgment and may be collected in the same manner as other judgments. Upon payment of the judgment in whole or in part the department shall satisfy the judgment to the extent so paid.

NEW SECTION. Sec. 14. Interest shall accrue upon any unpaid gift tax owed for the calendar year at the annual interest rate of eight percent, which interest shall commence on April 16 of the year following the year for which the gift tax liability was incurred. The department shall have no discretion to waive the imposition of any interest imposed by this chapter: PROVIDED, That in the event of litigation the court shall have the power to reduce or eliminate interest.

(2) If a return is not timely filed, within three years of the date of filing of the return; or

(3) If no return has been filed, at any time after the return is due. No lien shall be filed nor shall any proceeding in court or otherwise be undertaken for the collection of the taxes unless the determination letter shall have been mailed as required by this section. The running of the statute of limitations provided in this subsection shall be suspended for the period during which the department is prohibited from action by any court of competent jurisdiction and for sixty days thereafter.

NEW SECTION. Sec. 16. (1) Where there has been an overpayment of the gift tax imposed by this chapter, the amount of the overpayment shall be credited against any gift tax then due from the person who paid the tax and any balance shall be refunded by the state of Washington to the person who paid the tax.

(2) No credit or refund shall be allowed or made after two years from the time the tax is paid, from the date of notice of the completion of any federal audit concerning the gift, or from the date of notice of the completion of any state audit concerning the gift, whichever is latest, unless before the expiration of this period a written claim therefor is filed by the person entitled to the refund. The amount of the credit or refund shall not exceed the portion of the tax paid during the three years immediately preceding the filing of the claim, or if no claim was filed, then during the three years immediately preceding the allowance of the credit or refund.

NEW SECTION. Sec. 17. In case of any failure to make and file a return required by this chapter within the time prescribed by law or by the department in
pursuance of law, twenty-five percent of the tax shall be added to the tax, except that when a return is filed after this time and it is shown that the failure to file it was not due to wilful neglect, no addition shall be made to the tax. The amount so added to any tax shall be collected at the same time and in the same manner and as part of the tax unless the tax has been paid before the discovery of the neglect, in which case the amount so added shall be collected in the same manner as the tax.

NEW SECTION. Sec. 18. Every person who practices a fraud upon the state of Washington relating to the ascertainment, determination, or collection of any gift tax by misrepresentation or concealment of fact, whether as principal, agent, or accessory, either before or after the fact, shall be guilty of a gross misdemeanor.

SUBSTITUTE SENATE BILL NO. 2388, relating to revenue.

Sincerely,
H.B. HANNA
Legal Counsel.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON:

LADIES AND GENTLEMEN:

I have signed SUBSTITUTE SENATE BILL NO. 2434 because I feel that the consumers of postsecondary educational services in this state require the kind of protection that it makes possible.

I am concerned, however, that the provisions of the act go far beyond what is necessary. The act is so broad that over-zealous implementation, beyond the intent of the authors to eliminate clearly fraudulent operations, could occur and lead to undesirable results such as limited competition, limited educational alternatives, and higher prices to the consumer. I hope that the Council for Postsecondary Education and the Commission on Vocational Education will be mindful when they implement this act that exempt institutions, particularly state schools, can serve as good benchmarks of "reasonableness"; that education is a difficult-to-measure enterprise; and that consumers are, in the long run, the best judges of quality.

Sincerely,
DIXY LEE RAY
Governor.

MESSAGE FROM THE HOUSE

April 27, 1979.

Mr. President: The House has passed SUBSTITUTE SENATE BILL NO. 2097 with the following amendments:

Strike everything after the enacting clause and insert the follows:

"NEW SECTION. Section 1. There is added to chapter 46.04 RCW a new section to read as follows:

"Moped" means any two-wheeled or three-wheeled device having fully operative pedals for propulsion by human power and a motor with a cylinder displacement not exceeding fifty cubic centimeters which produces no more than two gross brake horsepower (developed by a prime mover, as measured by a brake applied to the driving shaft) and is capable of propelling the device at a maximum speed of not more than thirty miles per hour on level ground, and the wheels of which are at least sixteen inches in diameter.

The state commission on equipment may approve of and define as a "moped" a vehicle which fails to meet these specific criteria, but which is essentially similar in performance and application to vehicles which do meet these specific criteria.

Sec. 2. Section 46.04.330, chapter 12, Laws of 1961 and RCW 46.04.330 are each amended to read as follows:

"Motorcycle" means every motor vehicle having a saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, but excluding a farm tractor and a moped.

Sec. 3. Section 28, chapter 154, Laws of 1963 and RCW 46.04.332 are each amended to read as follows:

"Motor-driven cycle" means every motorcycle, including every motor scooter, with a motor which produces not to exceed five brake horsepower (developed by a prime mover, as measured by a brake applied to the driving shaft)). A motor driven cycle does not include a moped.

Sec. 4. Section 46.04.670, chapter 12, Laws of 1961 and RCW 46.04.670 are each amended to read as follows:

"Vehicle" includes every device capable of being moved upon a public highway and in, upon, or by which any persons or property is or may be transported or drawn upon a public highway, excepting devices moved by human or animal power or used exclusively upon stationary rails or tracks, except that mopeds shall be considered vehicles or motor vehicles for the purposes of chapter 46.12 RCW, but not for the purposes of chapter 46.70 RCW.

NEW SECTION. Sec. 5. There is added to chapter 46.16 RCW a new section to read as follows:

Application for registration of a moped shall be made to the department of licensing in such manner and upon such forms as the department shall prescribe, and shall state the name and address of each owner of the moped to be registered, the vehicle identification number, and such other information as the department may require, and shall be accompanied by a registration fee of three dollars. Upon receipt of the application and the application fee, the moped shall be registered and a registration number assigned, which shall be affixed to the moped in the manner as provided by rules adopted by the department. The registration provided in this section shall be valid for a period of twelve months.
Every owner of a moped in this state shall renew the registration, in such manner as the department shall prescribe, for an additional period of twelve months, upon payment of a renewal fee of three dollars.

Any person acquiring a moped already validly registered must, within fifteen days of the acquisition or purchase of the moped, make application to the department for transfer of the registration, and the application shall be accompanied by a transfer fee of one dollar.

The registration fees provided in this section shall be in lieu of any personal property tax or the vehicle excise tax imposed by chapter 82.44 RCW.

The department shall, at the time the registration number is assigned, make available a decal or other identifying device to be displayed on the moped. A fee of one dollar and fifty cents shall be charged for the decal or other identifying device.

The provisions of RCW 46.01.130 and 46.01.140 shall apply to applications for the issuance of registration numbers or renewals or transfers thereof for mopeds as they do to the issuance of vehicle licenses, the appointment of agents, and the collection of application fees. Except for the fee collected pursuant to RCW 46.01.140, all fees collected under this section shall be deposited in the motor vehicle fund.

Sec. 6. Section 1, chapter 232, Laws of 1967 and RCW 46.20.500 are each amended to read as follows:

No person shall drive a motorcycle, as defined in RCW 46.04.330, or a motor-driven cycle, as defined in RCW 46.04.332 as now or hereafter amended, unless such person has a valid driver’s license specially endorsed by the director to enable the holder to drive such vehicles; PROVIDED, That any person sixteen years of age or older, holding a valid driver’s license of any class issued by the state of the person’s residence, may operate a moped without taking any special examination for the operation of a moped.

Sec. 7. Section 46.44.050, chapter 12, Laws of 1961 as amended by section 12, chapter 64, Laws of 1975–76 2nd ex. sess. and RCW 46.44.050 are each amended to read as follows:

It shall be unlawful to operate any motor vehicle upon the public highways of this state with a wheelbase between the frontmost axle and the rearmost axle of less than three feet, six inches; PROVIDED, That the minimum wheelbase for mopeds is thirty-eight inches.

For the purposes of this section, wheelbase shall be measured upon a straight line from center to center of the vehicle axles designated.

NEW SECTION. Sec. 8. There is added to chapter 46.61 RCW a new section to read as follows:

(1) No person shall operate a moped upon the highways of this state unless the moped has been assigned a moped registration number and displays a moped permit in accordance with the provisions of section 5 of this 1979 act.

(2) Notwithstanding any other provision of law, a moped may not be operated on a bicycle path or trail, bikeway, equestrian trail, or hiking or recreational trail.

(3) Operation of a moped on a fully controlled limited access highway or on a sidewalk is unlawful.

(4) Removal of any muffling device or pollution control device from a moped is unlawful.

NEW SECTION. Sec. 9. There is added to chapter 46.61 RCW a new section to read as follows:

Mopeds shall comply with those federal motor vehicle safety standards established under the national traffic vehicle safety act of 1966 (15 U.S.C. Sec. 1381, et.
seq.) which are applicable to a motor-driven cycle, as that term is defined in such federal standards."

In line 1 of the title, after "mopeds;" strike the remainder of the title and insert "amending section 46.04.330, chapter 12, Laws of 1961 and RCW 46.04.330; amending section 28, chapter 154, Laws of 1963 and RCW 46.04.332; amending section 46.04.670, chapter 12, Laws of 1961 and RCW 46.04.670; amending section 1, chapter 232, Laws of 1967 and RCW 46.20.500; amending section 46.44.050, chapter 12, Laws of 1961 as amended by section 12, chapter 64, Laws of 1975-'76 2nd ex. sess. and RCW 46.44.050; adding a new section to chapter 46.04 RCW; adding a new section to chapter 46.16 RCW; and adding new sections to chapter 46.61 RCW.", and the same is herewith transmitted.

The term "real property", except for the purposes of chapters 84.56 and 84.60 RCW, shall also include a mobile home which has substantially lost its identity as a mobile unit by virtue of its being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe, connections with sewer, water or other utilities.

Sec. 6. Section 28, chapter 291, Laws of 1975 1st ex. sess. and RCW 84.38.030 are each amended to read as follows:

A retired person may elect to defer payment of special assessments and/or real property taxes on his residence up to eighty percent of the amount of his equity value in said property if the following conditions are met:

2. The claimant must have owned, at the time of filing, the residence on which the special assessment and/or real property taxes have been imposed. (a) For claims filed in 1976—eight thousand dollars;
(b) For claims filed in subsequent years, an amount equal to the previous year's income limit adjusted by the percentage change in the consumer price index for the twelve month period ending September 31st of the previous year.
(5) The claimant must have and keep in force fire and casualty insurance in sufficient amount to protect the interest of the state in the claimant's equity value.
(6) In the case of special assessment deferral, claimant must have opted for payment of such special assessments on the installment method if such method was available.
(7) For the purposes of this section, cotenants mean two or more individuals who reside together, who jointly own the residence, and who otherwise meet the requirements of this section.

The first declaration to defer filed in a county shall include proof of the claimant's age acceptable to the assessor.
(3) The county assessor shall determine if each claimant shall be granted a deferral for each year but the claimant shall have the right to appeal this determination to the county board of equalization whose decision shall be final as to the deferral of that year.

Sec. 8. Section 30, chapter 291, Laws of 1975 1st ex. sess. and RCW 84.38.050 are each amended to read as follows:
(1) (a) Declarations to defer property taxes for all years following the first year may be made by filing with the county assessor (on or before July 1st) no later than thirty days before the tax is due a renewal form in duplicate, prescribed by the department of revenue and supplied by the county assessor, which affirms the continued eligibility of the claimant.
(b) In January of each year, the county assessor shall send to each claimant who has been granted deferral of ad valorem taxes for the previous year renewal forms and notice to renew.
(2) Declarations to defer special assessments shall be made by filing with the assessor (on or before July 1st of any year) no later than thirty days before the special assessment is due on a form to be prescribed by the department of revenue and supplied by the county assessor. Upon approval, the full amount of special assessments upon such claimant's residence shall be deferred (for the following year) but not to exceed an amount equal to eighty percent of the claimant's equity value in said property.
Sec. 9. Section 2, chapter 131, Laws of 1974 ex. sess. and RCW 84.41.041 are each amended to read as follows:

Each county assessor shall cause taxable real property (being valued) to be physically inspected and valued at least once every four years (in order to provide adequate data from which to make accurate valuations) in accordance with RCW 84.41.030, and in accordance with a plan filed with and approved by the department of revenue. Such revaluation plan shall provide that a reasonable portion of all taxable real property within a county shall be revalued and these newly-determined values placed on the assessment rolls each year. During the intervals between each physical inspection of real property, the valuation of such property may be adjusted to its current true and fair value, such adjustments to be based upon appropriate statistical data.

The assessor may require property owners to submit pertinent data respecting taxable property in their control including data respecting any sale or purchase of said property within the past five years, the cost and characteristics of any improvement on the property and other facts necessary for appraisal of the property. (The provisions of this section shall take effect on January 1, 1977.)

NEW SECTION. Sec. 10. The exemption created by sections 1 through 4 of this act shall be effective starting with property taxes levied in calendar year 1979 for collection in calendar year 1980. Sec. 2. Section 294, page 187, Laws of 1854 as last amended by section 7, chapter 13, Laws of 1965 and RCW 5.60.060 are each amended to read as follows:

(1) A husband shall not be examined for or against his wife, without the consent of the wife, nor a wife for or against her husband without the consent of the husband; nor can either during marriage or afterward, be without the consent of the other, examined as to any communication made by one to the other during marriage. But this exception shall not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 71.05 RCW: PROVIDED, That the spouse of a person sought to be detained under chapter 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(2) An attorney or counselor shall not, without the consent of his client, be examined as to any communication made by the client to him, or his advice given therein in the course of professional employment.

(3) A clergyman or priest shall not, without the consent of a person making the confession, be examined as to any confession made to him in his professional character, in the course of discipline enjoined by the church to which he belongs.

(4) A regular physician or surgeon shall not, without the consent of his patient, be examined in a civil action as to any information acquired in attending such patient, which was necessary to enable him to prescribe or act for the patient, but this exception shall not apply in any judicial proceeding regarding a child's injuries, neglect or sexual abuse, or the cause thereof.

(5) A public officer shall not be examined as a witness as to communications made to him in official confidence, when the public interest would suffer by the disclosure.

Sec. 3. Section 9, chapter 117, Laws of 1973 1st ex. sess. as amended by section 8, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.090 are each amended to read as follows:

(1) If at any time during the pendency of an action and prior to judgment, the court finds following a report as provided in RCW 10.77.060, as now or hereafter amended, that the defendant is incompetent, the court shall order the proceedings against him be stayed, except as provided in subsection (5) of this section, and, if the defendant is charged with a felony, may commit the defendant to the custody of the secretary, who shall place such defendant in an appropriate facility of the department for evaluation and treatment, or the court may alternatively order the defendant to undergo evaluation and treatment at some other facility, or under the guidance and control of some other person, until he has regained the competency...
necessary to understand the proceedings against him and assist in his own defense, but in any event, for no longer than a period of ninety days. A copy of the report shall be sent to the facility. On or before expiration of the initial ninety day period of commitment the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent. If the defendant is charged with a crime which is not a felony, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the county mental health professional to evaluate the defendant and commence proceedings under chapter 71.05 RCW if appropriate; and subsections (2) and (3) of this section shall not be applicable: PROVIDED, That, upon order of the court, the prosecutor may directly petition for fourteen days of involuntary treatment under chapter 71.05 RCW.

(2) If the court finds by a preponderance of the evidence that the defendant is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ninety day period, but it must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ninety day period. The defendant, his attorney, the prosecutor, or the judge shall have the right to demand that the hearing on or before the expiration of the second ninety day period be before a jury. If no demand is made, the hearing shall be before the court. The court or jury shall determine whether or not the defendant has become competent.

(3) At the hearing upon the expiration of the second ninety day period if the jury or court, as the case may be, finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order the release of the defendant: PROVIDED, That the criminal charges shall not be dismissed if at the end of the second ninety day period the court or jury finds that the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, and that there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for an additional six months. At the end of said six month period, if the defendant remains incompetent, the charges shall be dismissed without prejudice and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order release of the defendant.

(4) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(5) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables him to understand the proceedings against him and to assist in his own defense, or does not disable him from so understanding and assisting in his own defense.

(6) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of examination which meets the requirements of RCW 10.77.060(3).

Sec. 4. Section 11, chapter 117, Laws of 1973 1st ex. sess. as amended by section 10, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.110 are each amended to read as follows:

If a defendant is acquitted of a felony by reason of insanity, and it is found that he is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct his final discharge. If it is found that (the) such defendant is a substantial danger to himself or others and in need of control by the court or other persons or institutions, the court shall order his hospitalization, or any appropriate
alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter. If it is found that (the) such defendant is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, but that he is in need of control by the court or other persons or institutions, the court shall direct his conditional release. If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant’s release or order the defendant’s continued custody only for a reasonable time to allow the county–designated mental–health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate.

(d) If the person summoned appears on or before the date and time specified, the evaluation and treatment facility may admit such person as required by RCW 71.05.170 or may provide treatment on an outpatient basis. If the person summoned fails to appear on or before the date and time specified, the evaluation and treatment facility shall immediately notify the mental health professional designated by the county who may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility. Should the mental health professional notify a peace officer authorizing him to take such person into custody under the provisions of this subsection, he shall file with the court a copy of such authorization and a notice of detention. At the time such person is taken into custody there shall commence to be served on such person, his guardian, and conservator, if any, a copy of the original summons together with a notice of detention, a notice of rights, and a petition for initial detention.

(2) When a mental health professional designated by the county receives information alleging that a person, as the result of a mental disorder, presents an imminent likelihood of serious harm to himself or others, or is in imminent danger because of being gravely disabled, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the person or persons providing the information if any, the mental health professional may take such person, or cause by oral or written order such person to be taken into emergency custody in an evaluation and treatment facility for not more than seventy-two hours as described in RCW 71.05.180.

(3) A peace officer may take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility pursuant to subsection (1)(d) of this section.

(4) A peace officer may, without prior notice of the proceedings provided for in subsection (1) of this section, take or cause such person to be taken into custody and immediately delivered to an evaluation and treatment facility:

(5) Persons delivered to evaluation and treatment facilities by peace officers pursuant to subsection (4)(b) of this section may be held by the facility for a period of up to twelve hours: PROVIDED, That they are examined by a mental health professional within three hours of their arrival. Within twelve hours of their arrival, the designated county mental health professional must file a supplemental petition
for detention, and commence service on the designated attorney for the detained person.

NEW SECTION. Sec. 10. There is added to chapter 71.05 RCW the following new section:

When a mental health professional is requested by a representative of a law enforcement agency, including a police officer, sheriff, a municipal attorney, or prosecuting attorney to undertake an investigation under RCW 71.05.150, as now or hereafter amended, the mental health professional shall, if requested to do so, advise said representative in writing of the results of the investigation including a statement of reasons for the decision to detain or release the person investigated. Such written report shall be submitted within seventy-two hours of the completion of the investigation or the request from the law enforcement representative, whichever occurs later.

Sec. 11. Section 23, chapter 142, Laws of 1973 1st ex. sess. as amended by section 11, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.180 are each amended to read as follows:

If the evaluation and treatment facility admits the person, it may detain him for evaluation and treatment for a period not to exceed seventy-two hours from the time of acceptance as set forth in RCW 71.05.170. The computation of such seventy-two hour period shall exclude Saturdays, Sundays and holidays.

Sec. 12. Section 24, chapter 142, Laws of 1973 1st ex. sess. as amended by section 12, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.190 are each amended to read as follows:

If the person is not approved for admission by a facility providing seventy-two hour evaluation and treatment, and the individual has not been arrested, the facility shall furnish transportation, if not otherwise available, for the person to his place of residence or other appropriate place. If the individual has been arrested, the evaluation and treatment facility shall detain the individual for not more than eight hours at the request of the peace officer in order to enable a peace officer to return to the facility and take the individual back into custody.

Sec. 13. Section 29, chapter 142, Laws of 1973 1st ex. sess. as amended by section 16, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.240 are each amended to read as follows:

If a petition is filed for fourteen day involuntary treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention of such person as determined in RCW 71.05.180, as now or hereafter amended. If requested by the detained person or his attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department of social and health services. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment for not to exceed fourteen days.
The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310.

Sec. 14. Section 33, chapter 142, Laws of 1973 1st ex. sess. as amended by section 19, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.280 are each amended to read as follows:

At the expiration of the fourteen day period of intensive treatment, a person may be confined for further treatment pursuant to RCW 71.05.320 for an additional period, not to exceed ninety days if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself, or substantial damage upon the property of another, and (b) as a result of mental disorder presents a likelihood of serious harm to others or himself; or

(2) Such person was taken into custody as a result of conduct in which he attempted or inflicted physical harm upon the person of another or himself, and continues to present, as a result of mental disorder, a likelihood of serious harm to others or himself; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.090(3), as now or hereafter amended, and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts. In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the felony; or

(4) Such person is gravely disabled.

For the purposes of this chapter "custody" shall mean involuntary detention under the provisions of this chapter or chapter 10.77 RCW, uninterrupted by any period of unconditional release from a facility providing involuntary care and treatment.

Sec. 15. Section 37, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 9, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.320 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services for a further period of intensive treatment not to exceed ninety days from the date of judgment. An order for treatment less restrictive than involuntary detention may include conditions, and if such conditions are not adhered to, the designated mental health professional may order the person apprehended under the terms and conditions of RCW 71.05.340 as now or hereafter amended.

If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment.

(2) Said person shall be released from involuntary treatment at the expiration of ninety days unless the superintendent or professional person in charge of the facility in which he is confined, or in the event of a less restrictive alternative, the
designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person;

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another ((during the current period of court ordered treatment and)), or substantial damage upon the property of another, and (ii) as a result of mental disorder presents a likelihood of serious harm to others; or

(b) Was taken into custody as a result of conduct in which he attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder a likelihood of serious harm to others; or

(c) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder presents a substantial likelihood of repeating similar acts; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in subsections (b) and (c) of this section was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to reprove that element. Such new petition for involuntary treatment shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this subsection are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided herein above. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. No person committed as herein provided may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 16. Section 39, chapter 142, Laws of 1973 1st ex. sess. as amended by section 24, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.340 are each amended to read as follows:

(1) When, in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient ((care)) treatment prior to or at the expiration of the period of commitment, then such outpatient care may be required as a condition for early release for a period which, when added to the inpatient treatment period, shall not exceed the period of commitment. If the hospital or facility designated to provide outpatient ((care)) treatment is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county mental health professional in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(2) The hospital or facility designated to provide outpatient care or the secretary may modify the conditions for continued release when such modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions.

(3) If the hospital or facility designated to provide outpatient care, the designated county mental health professional or the secretary determines that a conditionally released person is failing to adhere to the terms and conditions of his release, ((and because of that failure has become a substantial danger to himself or
then, upon notification by the hospital or facility designated to provide outpatient care, or on his own motion, the designated county mental health professional or the secretary may order that the conditionally released person be apprehended and taken into custody and temporarily detained in an evaluation and treatment facility in or near the county in which he is receiving outpatient treatment until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he had been conditionally released. The designated county mental health professional or the secretary may modify or rescind such order at any time prior to commencement of the court hearing. The court that originally ordered commitment shall be notified within two judicial days of a person’s detention under the provisions of this section, and the designated county mental health professional or the secretary shall file his petition and order of apprehension and detention with the court and serve them upon the person detained. His attorney, if any, and his guardian or conservator, if any, shall receive a copy of such papers as soon as possible. Such person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as specifically set forth in this section and except that there shall be no right to jury trial. The issues to be determined shall be whether the conditionally released person did or did not adhere to the terms and conditions of his release; and, if he failed to adhere to such terms and conditions, whether the conditions of release should be modified or the person should be returned to the facility. Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he was committed for involuntary treatment, or otherwise in accordance with the provisions of this chapter. Such hearing may be waived by the person and his counsel and his guardian or conservator, if any, but shall not be waivable unless all such persons agree to waive, and upon such waiver the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

(4) The proceedings set forth in subsection (3) of this section may be initiated by the designated county mental health professional or the secretary on the same basis set forth therein without requiring or ordering the apprehension and detention of the conditionally released person, in which case the court hearing shall take place in not less than fifteen days from the date of service of the petition upon the conditionally released person.

Upon expiration of the period of commitment, or when the person is released from outpatient care, notice in writing to the court which committed the person for treatment shall be provided.

MOTION

Senator Talmadge moved the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 2415.

POINT OF INQUIRY

Senator Gould: "Senator, one of the problems I hear from a lot of people in the district is in regard to the definition of 'gravely disabled' and I notice it has been changed from the one we passed, that the House made a considerable change. I would like to ask you if you think that the proposed definition would include those people who may be standing outside on the street corner and will not accept help from anybody, will not go to their home or will not find a home, who may stand there for days or who may live in a car for days or some of the terrible stories that we have heard about people who cannot or will not take care of themselves?"

Senator Talmadge: "Senator, I think the bill does take care of that problem. We retained the language of severe deterioration of routine functioning that was in the original Senate bill. The only difference has been that the original definition of 'gravely disabled' is detained as a Section (a) and then as a Section (b) the routine deterioration language is there also, so that I believe that the problem that you are describing is taken care of with this bill."

The motion carried.

The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2415.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2415, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 43; nays, 2; excused, 4.

Voting nay: Senators Donohue, McDermott—2.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2415, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

Mr. President: The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 2794 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. There is added to chapter 90.03 RCW a new section as follows:

Rights subject to determination proceedings conducted under RCW 90.03.110 through 90.03.240 and 90.44.220 include all rights to the use of water, including all diversionary and instream water rights, and include rights to the use of water claimed by the United States.

Nothing in this section may be construed as establishing or creating any new rights to the use of water. This section relates exclusively to the confirmation of water rights established or created under other provisions of state law or under federal laws.

Sec. 2. Section 16, chapter 117, Laws of 1917 as last amended by section 2, chapter 357, Laws of 1977 ex. sess. and RCW 90.03.130 are each amended to read as follows:

Service of said summons shall be made in the same manner and with the same force and effect as service of summons in civil actions commenced in the superior courts of the state: PROVIDED, That for good cause, the court, at the request of the supervisor, as an alternative to personal service, may authorize service of summons to be made by certified mail, with (acknowledgment of return receipt) signed by defendant, a spouse of a defendant, or another person authorized to accept service. If the defendants, or either of them, cannot be found within the state of Washington, of which the return of the sheriff of the county in which the proceeding is pending shall be prima facie evidence, upon the filing of an affidavit by the supervisor of water resources, or his attorney, in conformity with the statute relative to the service of summons by publication in civil actions, such service may be made by publication in a newspaper of general circulation in the county in which such proceeding is pending, and also publication of said summons in a newspaper of general circulation in each county in which any portion of the water is situated, once a week for six consecutive weeks (six publications) before the return date thereof. In cases where personal service can be had, such summons shall be served at least twenty days before the return day thereof. The summons by publication shall state that statements of claim must be filed within twenty days after the last publication or before the return date, whichever is later.

Personal service of summons may be made by department of ecology employees for actions pertaining to water rights.
Sec. 3. Section 21, chapter 117, Laws of 1917 as last amended by section 3, chapter 122, Laws of 1929 and RCW 90.03.180 are each amended to read as follows:

At the time of filing the statement as provided in RCW 90.03.140, each defendant shall pay to the clerk of the superior court a fee of ((one)) twenty-five dollars. The supervisor of water resources shall keep a record of the expenses incurred by him in the determination of the rights on any stream, including the proportionate share of the expense of his office, such expense to date from the filing of a petition or the institution of any investigation as provided in RCW 90.03.110. Immediately upon receipt of a decree of the superior court determining the rights of parties as provided in RCW 90.03.200, the supervisor shall prepare and file in the superior court a statement of such expense, showing the total expense of the determination and apportioning one-half of such expense to the various rights. And where ((such)) the expense subject to apportionment does not exceed five dollars for each water right, as determined by the court, it shall be divided equally between such rights. If such expense exceeds five dollars for each water right, such allottee shall pay five dollars plus a share of the amount remaining, which shall be equitably apportioned to the various irrigation and other consumptive rights in such proportion as the quantity of water allotted to each right bears to the total amount of water awarded taking into account priorities of the various rights, and to nonconsumptive rights on such basis as the supervisor may determine to be equitable. Such records shall be subject to audit by the bureau of inspection and supervision of public offices as are other accounts of state offices. The amount of ((such)) the expense apportioned to each ((diverter)) user shall be paid by such ((diverter)) user before he shall be entitled to receive a certificate of diversion from the supervisor.

NEW SECTION. Sec. 4. There is added to chapter 90.14 RCW a new section to read as follows:

(1) Notwithstanding any time restrictions imposed by the provisions of chapter 90.14 RCW, a person may file a claim pursuant to RCW 90.14.041 if such person obtains a certification from the pollution control hearings board as provided in this section.

(2) A certification shall be issued by the pollution control hearings board if, upon petition to the board, it is shown to the satisfaction of the board that:

(a) Waters of the state have been applied to beneficial use continuously (with no period of nonuse exceeding five consecutive years) in the case of surface water beginning not later than June 7, 1917, and in the case of ground water beginning not later than June 7, 1945, or

(b) Waters of the state have been applied to beneficial use continuously (with no period of nonuse exceeding five consecutive years) from the date of entry of a court decree confirming a water right and any failure to register a claim resulted from a reasonable misinterpretation of the requirements as they related to such court decreed rights.

(3) The board shall have jurisdiction to accept petitions for certification from any person through December 31, 1979, and not thereafter.

(4) A petition for certification shall include complete information on the claim pursuant to RCW 90.14.051 (1) through (8), and any such information as the board may require.

(5) The department of ecology is directed to accept for filing any claim certified by the board as provided in subsection (2) of this section. The department of ecology, upon request of the board, may provide assistance to the board pertinent to any certification petition.

(6) A certification by the pollution control hearings board or a filing with the department of ecology of a claim under this section shall not constitute a determination or confirmation that a water right exists.
The provisions of RCW 90.14.071 shall have no applicability to certified claims filed pursuant to this section.

This section shall have no applicability to ground waters resulting from the operations of reclamation projects.

Sec. 5. Section 16, chapter 233, Laws of 1967 and RCW 90.14.160 are each amended to read as follows:

Any person entitled to divert or withdraw waters of the state through any appropriation authorized by enactments of the legislature prior to enactment of chapter 117, Laws of 1917, or by custom, or by general adjudication, who abandons the same, or who voluntarily fails, without sufficient cause, to beneficially use all or any part of said right to divert or withdraw for any period of five successive years after the effective date of this act, shall relinquish such right or portion thereof, and said right or portion thereof shall revert to the state, and the waters affected by said right shall become available for appropriation in accordance with RCW 90.03.250; PROVIDED, That such rights to use waters reverted under this section or under RCW 90.14.170 and 90.14.180, which were last exercised for a beneficial use subsequent to June 30, 1979, shall, if a minimum flow or level established by the department of ecology is in effect at the time when a determination of the reversion made either by the department or a court becomes final, be applied to meet such minimum flow or level with a priority of the original date of the reverted right before becoming otherwise available for appropriation for other beneficial uses under RCW 90.03.250 through 90.03.340.

Sec. 6. Section 20, chapter 233, Laws of 1967 and RCW 90.14.200 are each amended to read as follows:

(1) All matters relating to the implementation and enforcement of this chapter by the department of ecology shall be carried out in accordance with chapter 34.04 RCW as it now exists or hereafter shall be amended except where the provisions of this chapter expressly conflict herewith. Proceedings held pursuant to RCW 90.14.130 hereof are "contested cases" within the meaning of chapter 34.04 RCW. Final decisions of the department of ecology in these proceedings are subject to review in accordance with chapter 43.21B RCW.

(2) RCW 90.14.130 provides nonexclusive procedures for determining a relinquishment of water rights under RCW 90.14.160, 90.14.170, and 90.14.180. RCW 90.14.160, 90.14.170, and 90.14.180 may be applied in, among other proceedings, general adjudication proceedings initiated under RCW 90.03.110 or 90.44.220: PROVIDED, That nothing herein shall apply to litigation involving determinations of the department of ecology under RCW 90.03.290 relating to the impairment of existing rights.

NEW SECTION. Sec. 7. There is added to chapter 90.03 RCW a new section to read as follows:

The establishment of reservations of water for agriculture, hydroelectric energy, municipal, industrial, and other beneficial uses under RCW 90.54.050(1) or minimum flows or levels under RCW 90.22.010 or 90.54.040 shall constitute appropriations within the meaning of this chapter with priority dates as of the effective dates of their establishment. Whenever an application for a permit to make beneficial use of public waters embodied in a reservation, established after the effective date of this act, is filed with the department of ecology after the effective date of such reservation, the priority date for a permit issued pursuant to an approval by the department of ecology of the application shall be the effective date of the reservation.

NEW SECTION. Sec. 8. There is added to chapter 90.03 RCW a new section to read as follows:

It is the policy of the state to promote the use of the public waters in a fashion which provides for obtaining maximum net benefits arising from both diversionary uses of the state's public waters and the retention of waters within streams and lakes
in sufficient quantity and quality to protect instream and natural values and rights. Consistent with this policy, the state supports economically feasible and environmentally sound development of physical facilities through the concerted efforts of the state with the United States, public corporations, Indian tribes, or other public or private entities. Further, based on the tenet of water law which precludes wasteful practices in the exercise of rights to the use of waters, the department of ecology shall reduce these practices to the maximum extent practicable, taking into account sound principles of water management and the most effective use of public and private funds, and, when appropriate, to work to that end in concert with the agencies of the United States and other public and private entities.

NEW SECTION. Sec. 9. There is added to chapter 90.54 RCW a new section to read as follows:

When feasible, the department of ecology shall cooperate with the United States and other public entities, including Indian tribes, in the planning, development, and operation of comprehensive water supply projects designed primarily to resolve controversies and conflicts over water use by increasing water quantity and improving water quality within a stream or river system, or other bodies of water, as well as to enhance opportunities for both instream and diversionary water uses within the system, and, in relation thereto, the department may:

(1) Participate with the federal government and other public entities in the planning, development, operation, and management of various phases of water projects hereafter authorized by congress;

(2) Provide rights to the use of public waters under the state's surface and ground water codes for these projects when the waters are available for allocation; and

(3) Provide financial assistance through grants and loans for projects when moneys are made available to the department for this assistance by other provisions of this code.

NEW SECTION. Sec. 10. There is appropriated to the department of ecology from the general fund for the biennium ending June 30, 1981, the sum of forty thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

NEW SECTION. Sec. 11. There is appropriated to the state conservation commission from the general fund for the biennium ending June 30, 1981, the sum of fifty-nine thousand dollars, or so much thereof as may be necessary, to provide moneys to conservation districts for studies and pilot projects relating to water resources aspects of their administration.

NEW SECTION. Sec. 12. Section 2 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

MOTION

Senator Hansen moved the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 2794.
REMARKS BY SENATOR HANSEN

Senator Hansen: "We have one problem in 2794, and for the Journal, I would like to clarify in Section 4, subsection (8). It is the intent of this subsection to exclude from the filing provisions of groundwater resulting from reclamation project. A question arises when the groundwater resulting from reclamation projects become commingled with other groundwaters from other sources. It is the intent to exclude only claims to water which clearly results from reclamation projects but the subsection does not apply to waters that result from nonreclamation sources or to commingled waters, and with this in the Journal for direction of subsection (8) in Section 4, we have no problem with concurring with their amendment."

The motion carried.

The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2794.

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 527, by Committee on Appropriations (originally sponsored by Representatives Schmitten, Bender, Winsley, Oliver, Vrooman, Barr, Walk and Grimm):

On page 6, line 34 after "dollars" strike the remainder of the sentence

POINT OF INQUIRY

Senator Wilson: "Senator Shinpoch, what are the effects of these amendments? Do they tend to say that if the costs to an entity of local government rise above a certain level with respect to a search mission that reimbursement will no longer be involved?"

Senator Shinpoch: "It leaves the state law as it currently is. This was a change in the state law that if it did go over five thousand, then there would be a reimbursement. I think it is safe to say, in order to get the bill it was necessary to probably delete this portion. There are a number of clarifying changes in the language that are important to the department of emergency services, far more important than the local government reimbursement and we thought that we should proceed with it."

Senator Wilson: "Would you object to holding this a couple of bills so that I could become more familiar with the ramifications?"

MOTION

On motion of Senator Wilson, Engrossed Second Substitute House Bill No. 527, together with the pending amendments by Senators Donohue and Shinpoch, was ordered held for consideration later today.

Senator Jones: "I wonder if any of them are Welshmen? They look like Welsh people to me. I believe—are you from Wales? Is this all right, Governor? You are a Mediterranean Welshman, I know. You told me that. I am from Bleanua Festioniog.

President Cherberg: "Is this group from Wales, Senator? I was told you were from Australia. The President apologizes.

"You have spoiled Senator Jones. Applause is really not permitted in the Senate and we are afraid Senator Jones will never get over it now."

MOTIONS

On motion of Senator Walgren, the Senate advanced to the eighth order of business.
On motion of Senator Walgren, the Senate commenced consideration of Senate Resolution 1979–123.
Senator Rasmussen moved adoption of the following resolution:

SENATE RESOLUTION 1979–123

By Senators Rasmussen and Bottiger:
WHEREAS, There are currently four television channels reserved for non-commercial use in the Seattle-Tacoma television market, Channels 9 and 28 in Seattle and 56 and 62 in Tacoma; and
WHEREAS, Channel 13 in Tacoma is not reserved for non-commercial use and was used for a commercial television station for more than twenty years, until 1975; and
WHEREAS, Clover Park School District No. 400, which has operated non-commercial television station KCPQ-TV on unreserved Channel 13 in Tacoma only since 1976, can no longer afford to continue that operation and has therefore contracted to sell the station to Kelly Broadcasting Co.; and
WHEREAS, The proceeds to be received from that sale will enable Clover Park No. 400 to build a critically needed high school; and
WHEREAS, Kelly Broadcasting Co. proposes to operate Channel 13 as a second commercial station assigned to Tacoma, competing with the only other commercial television station assigned to that city; and
WHEREAS, Operations of Channel 13 as a second commercial station in Tacoma will bring substantial economic benefits to that community; and
WHEREAS, A majority of the programs broadcast by KCPQ-TV have also been broadcast during the same week by either KTPS-TV, Tacoma, or KCTS, Channel 9, Seattle, or both of those stations, and the operation of a second non-commercial station in Tacoma has therefore been inefficient; and
WHEREAS, Kelly has stated that it will, after becoming the licensee of Channel 13, provide substantial financial assistance to non-commercial station KTPS-TV, Tacoma, to enable that station to improve its physical facilities and therefore the quality and extent of its signals; and

WHEREAS, Kelly has stated that it will further assist KTPS-TV to construct a new non-commercial satellite television station on Channel 15, which has been assigned by the FCC for non-commercial use at Centralia, which new station will be located between Centralia and Olympia and will provide a strong principal city signal to both of those communities as well as a new non-commercial television service to substantial areas to the south and west of Tacoma which now receive no off-the-air non-commercial television service at all; and

WHEREAS, The new Channel 15 television station would have program origination capacity and would thus act as a first local outlet for Olympia, the state capital, which has no television station of its own; and

WHEREAS, Kelly has further proposed to assist KTPS-TV by supporting its continuing operations with additional donations of at least $80,000 per year for a period of six years after Kelly becomes the licensee of Channel 13;

NOW, THEREFORE, BE IT RESOLVED, That the Senate of the State of Washington, in its collective wisdom, agrees that a grant of the application now pending before the Federal Communications Commission for assignment of the license of KCPQ-TV from Clover Park School District No. 400 to Kelly Broadcasting Co. would serve the public interest by resulting in substantial improvement of commercial and non-commercial television service to Tacoma and southwest Washington; and

BE IT FURTHER RESOLVED, That the Federal Communications Commission be encouraged to act positively and with all due haste on the application now before it requesting its consent to assignment of the KCPQ-TV license from Clover Park School District No. 400 to Kelly Broadcasting Co.; and

BE IT FURTHER RESOLVED, That a copy of this resolution be immediately transmitted to the Federal Communications Commission, the station manager of Channel 13, and the chairman of the Clover Park School Board, and the Washington Educational Television Commission.

POINT OF INQUIRY

Senator Guess: "Senator Rasmussen, in last night's mail I found a letter from the Clover Park School District. It said that the legislature had passed a resolution urging not to sell the station and urged that the resolution that had previously been passed by the body be repealed. Now does this in any way do that or is that letter incorrect?"

Senator Rasmussen: "No, the letter is correct. The House members, certain of the House members had passed a resolution opposing the sale. The contract is already made and now they are opposing the transfer of the license. Those House members, I understand from talking with them, are now ready to change their position. They did not have the necessary information. This is only a Senate resolution and the House resolution was passed separately."

Senator Guess: "If we could strengthen this in any way, that was the reason for my inquiry, to see if we could help in mitigation of the resolution that had been passed by the House, if we wanted to mention that in this resolution."

Senator Rasmussen: "I would not think that would be necessary, Senator Guess."

Senator Guess: "Fine, Thank you, Senator."

Debate ensued.
SIXTY-SIXTH DAY, MAY 25, 1979

POINT OF INQUIRY

Senator Walgren: "Perhaps I should address this to both you and the President. I missed the point of your motion. Were you moving that this be referred to Rules?"

Senator Clarke: "No, I did not make the motion. I think Senator Goltz made the request. I do not know whether he made a motion or not. I was just commenting generally. I think Senator Goltz perhaps made the motion."

MOTION

Senator Goltz moved that Senate Resolution 1979–123 be referred to the Committee on Education.

Further debate ensued.

The motion by Senator Goltz carried.

Senate Resolution 1979–123 was referred to the Committee on Education.

MOTIONS

On motion of Senator Sellar, Senators Guess, Quigg and Wanamaker were excused.

On motion of Senator Wilson, Senator von Reichbauer was excused.

On motion of Senator Walgren, the Senate returned to the fourth order of business.

(1) For persons under the age of sixty-two receiving compensation for temporary or permanent total disability pursuant to the provisions of chapter 51.32 RCW, such compensation shall be reduced by an amount equal to the benefits payable under the federal old-age, survivors and disability insurance act as now or hereafter amended not to exceed the amount of the reduction established pursuant to 42 USC 424a. However, such reduction shall not apply when the combined compensation provided pursuant to chapter 51.32 RCW and the federal old-age, survivors and disability insurance act is less than the total benefits to which the federal reduction would apply, pursuant to 42 USC 424a. Where any person described in this section refuses to authorize the release of information concerning the amount of benefits payable under said federal act the department's estimate of said amount shall be deemed to be correct unless and until the actual amount is established and no adjustment shall be made for any period of time covered by any such refusal.

In the case of temporary or permanent total disability benefits, the recovery shall not exceed twenty-five percent of the monthly amount due from the department or self-insurer or one-sixth of the total overpayment, whichever is the lesser.

(4) No reduction may be made unless the worker receives notice of the reduction prior to the month in which the reduction is made.

(5) In no event shall the reduction reduce total benefits to less than the greater amount the worker may be entitled to under this title or the federal old-age, survivors and disability insurance act.

(6) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.04 RCW, may exercise his discretion to waive, in whole or in part, the amount of any overpayment where the recovery would be against equity and good conscience.

NEW SECTION. Sec. 2. This 1979 act applies to all cases in which notification of the first reduction in compensation pursuant to RCW 51.32.220 is mailed after the effective date of this 1979 act, regardless of when the basis, authority, or cause for such reduction may have arisen. To such extent, this 1979 act applies retrospectively, but in all other respects it applies prospectively.

NEW SECTION. Sec. 3. If any provision of this 1979 act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Notwithstanding any other provision of this chapter such agreements may also relate to a joint program for
licensing, bonding, and inspecting stations as defined in RCW 22.09.010(8)(f). Such a program should be designed to avoid duplication of effort on the part of the licensing authority and requirements for operation, and promote more efficient enforcement of the provisions of this chapter and/or comparable provisions of the law of the states of Idaho or Oregon.

MOTION

Senator Hansen moved the Senate do concur in the House amendments to Substitute Senate Bill No. 2791 except for the provisos starting on page 10, after "state:" on line 35 through and including "animal" on line 15, page 11 and all of new section 11 on page 12.

PARLIAMENTARY INQUIRY

Senator Goltz: "As I look at the Substitute Senate Bill 2791, we have a House amendment which appears to be single amendment to that bill and as I understood Senator Hansen's proposal, he is suggesting that we somehow divide the single amendment. I am wondering if this is a proper motion."

REPLY BY THE PRESIDENT

President Cherberg: "Senator Goltz, the Secretary advises that Senator Hansen's motion is in order and clearly explains the concurrence of the Senate in certain matters and the House is requested to recede from the provisos mentioned by Senator Hensen."

Debate ensued.

MOTION

At 1:45 p.m., on motion of Senator Walgren, the Senate recessed until 3:45 p.m.

SECOND AFTERNOON SESSION

The President called the Senate to order at 3:45 p.m.

MOTION

On motion of Senator Walgren, the Senate resumed consideration of the House Message on Substitute Senate Bill No. 2791.

Earlier today, Senator Hansen had moved that the Senate concur in the House amendments to Substitute Senate Bill No. 2791 except for the provisos starting on page 10, after "state:" on line 35 through and including "animal" on line 15, page 11, and all of new section 11 on page 12.

MOTION

Senator Goltz moved the Senate do concur in the House amendments to Substitute Senate Bill No. 2791.

Debate ensued.

PARLIAMENTARY INQUIRY

Senator Clarke: "What would the effect be of a negative vote on Senator Goltz's motion with respect to Senator Hansen's previous motion which was to concur with all but one amendment? I would assume that a negative vote on Senator
Goltz's motion would mean that the Senate does concur with all but the one amendment. Otherwise, it would seem that the question should perhaps be split."

REPLY BY THE PRESIDENT

President Cherberg: "You have raised a very interesting point, Senator Clarke. The President believes that a negative vote on the motion presented by Senator Goltz would not necessarily mean that the Senate had abrogated its opportunity to consider Senator Hansen's motion. The President believes it would be impossible to divide the question."

The President declared the question before the Senate to be the positive motion by Senator Goltz that the Senate concur in the House amendments to Substitute Senate Bill No. 2791.

The motion by Senator Goltz failed.

The President declared the question before the Senate to be the motion by Senator Hansen that the Senate concur in the House amendments except for the provisos starting on page 10, after "state:" on line 35 through and including "animal" on line 15, page 11, and all of new section 11 on page 12.

The motion by Senator Hansen carried.

MESSAGE FROM THE HOUSE

Mr. President: The House has passed: ENGROSSED HOUSE BILL NO. 516, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

INTRODUCTION AND FIRST READING

ENGROSSED HOUSE BILL NO. 516, by Senators Blair and Thompson:
Making appropriations.

MOTIONS

On motion of Senator Walgren, the rules were suspended, Engrossed House Bill No. 516 was advanced to second reading and placed on today's second reading calendar.

PARLIAMENTARY INQUIRY

Senator Clarke: "What is the effect of a vote of the Committee of the Whole with the recommendation that a bill do not pass? What posture does that then place the bill before the body? Is it then before the body on final passage?"

REPLY BY SENATOR HENRY

Senator Henry: "It would be on second reading, Senator, but the Committee of the Whole, in my opinion, is no different from any other committee. A recommendation of do not pass when it comes out of committee is the same as it would be in any other committee."

Senator Clarke: "Same as any other committee that reported a bill back to the body with the recommendation do not pass. It still goes on the second reading calendar?"

Senator Henry: "That is correct."

POINT OF INQUIRY

Senator Lewis: "Senator Donohue, I hear the word 'cuts' and I really wonder if there are any cuts in the spending level of the state or if they are merely smaller increases in the levels as opposed to cuts."

Senator Donohue: "Senator, I was referring to the cuts that were made by the House budget as it relates to the budget that went over from here and in those special sensitive areas that many of us are concerned about."

Senator Lewis: "But is it true that in every area spending is up as opposed to any of it being cut?"

Senator Donohue: "Oh, definitely, Senator. There is no doubt about that, that the cost of government and the cost of gasoline—Senator, you were home this week. I am sure that you have noticed that the cost of everything, the cost of meat is up, the cost of everything is up. So is the cost of government."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 516.

NEW SECTION. Sec. 198. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE

In accordance with RCW 43.17.200, all state agencies or departments shall expend, as a nondeductible item, out of any moneys appropriated for the original construction of any state building, an amount of one-half of one percent of the appropriation for the acquisition of works of art which may be an integral part of the structure, attached to the structure, detached within or outside of the structure, or can be exhibited by the agency in other public facilities. In case the amount shall not be required in toto or in part for any project, such unrequired amounts may be accumulated and expended for art in other projects of the agency. For the purpose of this section, "building" does not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. Sec. 199. The director of general administration shall transfer to the department of social and health services the facility known as Northern State Hospital, along with all attached real estate under the jurisdiction of the department of general administration.

NEW SECTION. Sec. 200. Notwithstanding the provisions of chapter 82, Laws of 1973 1st ex. sess., the house of representatives, the senate, and the permanent statutory committees shall pay expenses quarterly to the department for operations, maintenance, and supplies relating to buildings, structures, and facilities utilized by the legislature for the biennium beginning July 1, 1979.

NEW SECTION. Sec. 201. The word "agency" used herein means and includes every state government office, officer, each institution, whether educational,
correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.

The phrase "agencies headed by elective officials" used herein means those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it does not include those boards, commissions, or committees on which one or more of the above-mentioned officials serve.

NEW SECTION. Sec. 202. In order to carry out the provisions of these appropriations and the state budget, the director of the office of financial management, with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: PROVIDED, That the director of the office of financial management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: PROVIDED FURTHER, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved appropriations or to incur a deficiency and any obligations so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues;

(2) Issue rules and regulations to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds;

(3) Prescribe procedures and forms to carry out the above; and

(4) Allot funds from appropriations in this act in advance of July 1, 1979, for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1979: PROVIDED, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1979.

NEW SECTION. Sec. 203. In the event that receipts are less than those appropriated in the budget from any source, expenditures shall be limited to the amount received and allotments made as provided in section 202 of this act. Receipts for purposes of this section include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

NEW SECTION. Sec. 204. State funds appropriated for the specific purpose of matching federal funds and which are not required wholly or in part to qualify for such federal funds shall be placed in reserve and shall revert to the fund from which appropriated at the end of the respective fiscal year.

NEW SECTION. Sec. 205. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program.
NEW SECTION. Sec. 206. Unless otherwise provided for by this act with respect to any specific agency, program, or revenue source, any receipts from federal or other sources, or from gifts or grants, in excess of estimates for the budget expenditures as approved by the legislature and which are not otherwise available for general governmental purposes, may be received and allotted by the governor in accordance with RCW 43.79.260 through 43.79.282.

NEW SECTION. Sec. 207. If a scheduled program or project funded by the appropriations contained in this act has not been fully implemented during any quarter of the respective fiscal year, then the office of financial management shall withhold the equivalent amount of the appropriation and full time equivalent staff years from such program or project and shall place the same in reserve.

NEW SECTION. Sec. 208. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

NEW SECTION. Sec. 209. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of financial management shall direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 210. In addition to the amounts appropriated in this act for revenue for distribution, bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 211. Amounts received by an agency as reimbursements pursuant to RCW 39.34.130 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of financial management, which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 212. (1) The chairmen of the senate committee on ways and means and the house appropriations committee shall review monthly reports of state agency expenditures prepared by the legislative evaluation and accountability program and shall advise their respective committee members of substantial deviations from an agency's allotment expenditure plan. The chairmen may request from an agency, or the office of financial management, such information as may be necessary to determine the reasons for such deviations.

(2) The Committee on Ways and Means and the House Revenue Committee shall review state tax revenue collections as reported by the Office of Financial Management and the Department of Revenue so as to determine whether or not revenue collections will be adequate to support the level of expenditures appropriated by this 1979 act.

NEW SECTION. Sec. 213. The office of financial management shall place in reserve status 3% of the general fund—state appropriations contained in this act. Such moneys shall remain in reserve status and may not be authorized for expenditure through the allotment process in any fiscal quarter unless the governor determines that projected economic conditions warrant additional expenditures.
PROVIDED, That for institutions of higher education the requirements of this section are in addition to any enrollment reserve requirements set forth in section 214 of this act.

The provisions of this section shall not apply to sections 34, 38, or 100 of this act.

NEW SECTION. Sec. 214. In accordance with the provisions of this section, the office of financial management shall use the allotment process during the 1979-81 biennium to control the funding of the formula portion of the instruction services program of all the institutions of higher education. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four-year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the "contract level" is defined as the level upon which the budget is based, and the "base level" is defined as the level corresponding to the prior year's actual enrollment level. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level. Growth funds may be allotted or placed in reserve at the option of the institution or system. Unearned growth funds will be reverted to the state general fund prior to the end of the fiscal year in which such growth fails to materialize. If The Evergreen State College's enrollments for the first year of the biennium exceed the contract level, additional funding will be considered. Olympia Technical Community College shall not become comprehensive and shall offer only courses essential to vocational education. Expenditures shall be authorized for the rental of off-campus classroom facilities by community college district number twelve when such rentals would not reduce the current utilization of facilities already constructed on either of its campuses.

Reversions are not required when an institution's faculty formula entitlement as generated by actual enrollment, or in the case of the community colleges the actual annual average full time equivalent student enrollment, is within a set range of the contracted level. The allowable tolerances are as follows: University of Washington, Washington State University, and the community colleges as a system, 1 percent; Central Washington University, Eastern Washington University, and Western Washington University, 2 percent; and The Evergreen State College, 3 percent.

Contract enrollments for the second year of the biennium will be renegotiated if the first year's actual enrollment falls below the base level of the first year of the biennium.

NEW SECTION. Sec. 215. Real property leases with purchase options are prohibited without prior legislative approval.

NEW SECTION. Sec. 216. It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of financial management, under its statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year of the ensuing biennial request. Unanticipated receipts, which are authorized by the governor and expended by any state agency, shall be allotted, monitored, and controlled.

NEW SECTION. Sec. 217. The superintendent of public instruction and the director of the state board for community college education, in conjunction with the director of the office of financial management, shall develop rules and regulations
directing placement of local educational units' employees with nonstandard teaching certificates on the state-wide education and experience schedules.

NEW SECTION, Sec. 218. Any rate increases proposed for the legal services revolving fund or the general administration facilities and services revolving fund, or any change in the method of calculating changes from those funds, shall be subject to approval by the director of the office of financial management prior to implementation.

NEW SECTION, Sec. 219. To obtain maximum interagency use of aircraft, the aeronautics division in the department of transportation, in accordance with chapter 39.34 RCW, is hereby authorized to lease, purchase, or otherwise acquire suitable aircraft which shall be utilized for the purposes of the department of transportation and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: PROVIDED, That the department of transportation is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance, and make such other provisions as necessary to provide aircraft and related services for multi-agency use: PROVIDED FURTHER, That in order to achieve economy in the use of the appropriations contained within this act, no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the department of transportation and without prior approval of the director of the office of financial management.

NEW SECTION, Sec. 220. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act; the rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION, Sec. 221. State agencies shall not receive or make a contractual agreement to receive any donation of real property or an interest therein which commits the agency to assume on a current basis or request at a future time appropriated funds for operating, development, or acquisition costs without prior approval of the legislative budget committee or the senate ways and means committee and house appropriations committee if the legislature is in session.

NEW SECTION, Sec. 222. Any capital improvements or capital project involving construction or major expansion of a state office facility, to include district headquarters, detachment offices, and off-campus faculty offices shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

Expenditure of moneys appropriated by section 174 of this act shall be made in consultation with the prior approval of the state capitol committee in accordance with the provisions of chapter 79.24 RCW. In addition, the department of general administration shall consult with and obtain the approval of the joint legislative committee on capitol facilities prior to expenditure of moneys appropriated by this section on projects involving capitol buildings occupied wholly or in part by the legislature.

Notwithstanding any other provisions of law, for the 1981–83 biennium, state treasurer transfers of reimbursement to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment shall have been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

Nothing in this section shall prevent the governor, through the director of the office of financial management, from authorizing the transfer of appropriation authority for capital projects for the parks and recreation commission, department of fisheries, department of game, department of natural resources, and the interagency committee for outdoor recreation which utilize the following funds: General Fund—ORA (Ref. 28), General Fund—ORA (Ref. 18), General Fund—ORA (Int. 215), and General Fund—ORA (LWCF). The governor, through the director of the office of financial management, may authorize similar transfers which utilize General Fund—ORA (HJR 52) funds, but only with the prior approval of the senate ways and means committee and the house appropriations committee if the legislature is in session, or the legislative budget committee if the legislature is not in session. Such transfers shall only be made to maximize the use of the funds within the limits of the appropriations.

Senator Sellar: "Senator Odegaard, in the area of delinquency prevention, is it the intent that where the areas where the services are being presently contracted out, that they be continued to be contracted out?"

Senator Odegaard: "Yes, Senator Seller, that is the intent, that there would be the continuation of the juvenile delinquency prevention service as a separate identifiable program."

MOTION

On motion of Senator Talley, the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2273.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2273, as amended by the House, and he bill passed the Senate by the following vote: Yeas, 36; nays, 3; absent or not voting, 2; excused, 8.

Absent or not voting: Senators Bluechel, Matson—2.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2273, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of Engrossed Second Substitute House Bill No. 527.

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 527, by Committee on Appropriations (originally sponsored by Representatives Schmitten, Bender, Winsley, Oliver, Vrooman, Barr, Walk and Grimm):

Providing compensation for the workers and political subdivisions for search and rescue activities.
The Senate resumed consideration of Engrossed Second Substitute House Bill No. 527. On Friday, May 25, 1979, the following amendments by Senators Donohue and Shinpoch had been moved for adoption by Senator Shinpoch:

On page 6, line 27, after the period, strike the remainder of the section.
On page 6, line 33, after "sum of" strike "one hundred ninety" and insert "fifty-five"
On page 6, line 34, after "dollars" strike the remainder of the sentence.

The motion by Senator Shinpoch carried and the amendments were adopted.

Senator Bluechel moved adoption of the following amendment by Senators Bluechel and Bottiger:

On page 5, line 19, delete all of Section 5 and renumber the remaining sections accordingly.

POINT OF INQUIRY

Senator Wilson: "Senator, this bill applies, I guess, both to what you call mountain rescue units and it also applies, of course, to counties and to the volunteer sheriff posses and other elements in a county which become involved in search and rescue operations."

Senator Bluechel: "That is correct."

Senator Wilson: "Now you have recited some instances where it might be difficult or impossible to determine whether or not reckless disregard was involved. I suspect there would be other instances where it would not be difficult to determine that. For example, if a person deliberately started off a forest fire, which has been known to happen, and as a result of this a county's sheriff's posse and emergency services unit and other elements were called out to evacuate some campgrounds or find some people who might be imperiled because of this fire, and subsequently the person who started the fire was apprehended and it was demonstrated that he had started the fire and he was a person of resources; now as far as I can gather, by deleting this section it would make it impossible to recover the costs of the search and rescue operation from such a person even though he could afford to pay them, and instead would lay the burden of the cost of these search and rescue operations substantially on the taxpayers of the county. Is this a fair analysis of what might happen?"

Senator Bluechel: "No it is not. I believe that another section of law covers forest fires and willful setting of forest fires. We are not talking about anything willful whatsoever here. Let me give you a little history from the Mountain Rescue Council, that they state that in five hundred cases in the past thirty years in which they have made rescues, and they are the prime rescue organization in the state and the largest in the world, for that matter, they have never found one case of reckless disregard. The point you are talking about is it has to be proved willful and, although I am not an attorney, I believe there is another section of law that would cover that. This does not pertain to any situation such as you suggest whatsoever."

Debate ensued.

The motion by Senator Bluechel carried and the amendment was adopted on a rising vote.

On motion of Senator Shinpoch, the rules were suspended, Engrossed Second Substitute House Bill No. 527, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.
ROLL CALL

The Secretary called the roll on the final passage of Engrossed Second Substitute House Bill No. 527, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 39; nays, 5; absent or not voting, 1; excused, 4.

Absent or not voting: Senator Matson—1.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 527, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator Marsh, the Senate returned to the fourth order of business.

On motion of Senator Marsh, the Senate commenced consideration of the House Message on Engrossed House Bill No. 628.

MESSAGE FROM THE HOUSE

May 16, 1979.

Mr. President: The House refuses to concur in the Senate amendments to ENGROSSED HOUSE BILL NO. 628 and asks the Senate to recede therefrom, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Goltz moved the Senate refuse to recede from its amendments to Engrossed House Bill No. 628, and once again ask the House to concur therein.

POINT OF INQUIRY

Senator Lee: "Senator Goltz, the problem of community college campuses protecting their property, as well as the property of students and, in fact, the safety of the students involved, which was the original impetus of this bill as you mentioned; it of course would not be solved if we follow your particular motion. You had earlier made some suggestions as to how we might pursue solving that particular problem and I wonder if you could tell me what your idea would be in order to take care of that issue."

Senator Goltz: "Senator Lee, I think that the major purpose in having the bill introduced in the first place and the prime sponsor being your House seatmate, Representative Barnes, was to correct a deficiency in the authority which the campus security office at Highline Community College felt it needed in order to carry out its function properly. It is true that the King county sheriff's department resisted giving any authority to the campus security office at Highline Community College. With the presence of this bill and the alternative that this bill would have offered, it is my understanding that the King county sheriff's department has now agreed to
give commissions to appropriately qualified campus security officers at Highline Community College and elsewhere in King county, so we have at least made some progress in getting the necessary authority in the hands and in the office of the security force at Highline. I also have had a conversation with Mr. Terrey, the director of the state board for community college education, and he has assured me that they will study for the next two years the policy requirements of the state board for community college education in this area, and I have said to him that we would give them an opportunity at the next session of the legislature, whenever that is, to present what they feel are the gaps in their policy so that we might address this subject again. I think we may have to have legislation to authorize campus security forces but I believe that it would be very difficult for us to do it at this time."

REMARKS BY SENATOR LEE

Senator Lee: "With that assurance that the problem indeed is real, that it will be addressed and we will have an opportunity to have full perusal of it, I think that the motion is proper and I will be pleased to support it."

The motion by Senator Goltz carried.

The Senate refused to recede from its amendments to Engrossed House Bill No. 628 and once again asks the House to concur therein.

SIGNED BY THE PRESIDENT

The President signed:

MOTION

At 12:05 p.m., on motion of Senator Marsh, the Senate recessed until 2:00 p.m.

AFTERNOON SESSION

The President called the Senate to order at 2:00 p.m.

SIGNED BY THE PRESIDENT

The President signed:

SUBSTITUTE SENATE BILL NO. 2273.

MOTION

On motion of Senator Wilson, Senator von Reichbauer was excused.
MOTION

On motion of Senator Walgren, the Senate commenced consideration of Engrossed House Bill No. 433.

SECOND READING

ENGROSSED HOUSE BILL NO. 433, by Representatives Barr, Valle and Granlund:

Updating certain powers of the department of ecology.

The Senate resumed consideration of Engrossed House Bill No. 433. On Tuesday, May 8, 1979, the committee amendment was adopted.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Woody moved that the Senate immediately reconsider the vote by which the committee amendment was adopted.

POINT OF INQUIRY

Senator North: "Senator Williams, there has been a great deal of confusion about the exact meaning of this amendment and I would like to clarify for the record, if we adopt the final three lines put on here by the House, this would in no way eliminate or wipe out the present tax exemptions that are in existence for existing industry. Am I correct?"

Senator Williams: "That is correct as I understand it."

Senator North: "That is all I wanted to be sure because this wording then would only refer to future extension or enlargement of those credits?"

Senator Williams: "Based on the 1977 federal amendments to the Water Pollution Control Act."

Senator North: "Then I would say that this is a very fair amendment."

The motion for reconsideration by Senator Woody carried.

The President declared the question before the Senate to be adoption of the committee amendment on reconsideration.

On motion of Senator Williams, the committee amendment, on reconsideration, was not adopted.

Senator McDermott moved adoption of the following amendment:

On page 2, after line 21, insert a new subsection to read as follows:

"(4) Complete authority to establish and administer a comprehensive statewide policy prohibiting within this state the transportation, handling, and disposal of out-of-state spent fuel elements from commercial nuclear reactors. Such policy shall be designed to further the purpose of controlling water pollution."

POINT OF ORDER

Senator Bolliger: "Mr. President, I raise the point of order that the amendment expands the scope and object of the bill. Mr. President, if I may speak to that. "

"House Bill 433 is an act relating to water pollution. The amendment, if you will read it, pertains to the transportation, handling and disposal of a certain kind of spent fuel. Now in order to fudge and try to make the amendment at least relate in somewhat to the question of water pollution, a sentence is added, 'Such policy shall be designed to further the purpose of controlling water pollution.'"

"Mr. President, there were no hearings held on this, no public knowledge of the proposal of this amendment, no public testimony that was subject to the examination of the members of any committee of this legislature, and for that reason both the scope as well as the object of the bill are greatly expanded by this particular
amendment. Were this a bill pertaining to the waste material of a certain kind of a generating capacity, this amendment follows, but water pollution simply does not contain that. We also have the whole question of low level waste from other states, wrist watches, things of that nature, surgical gloves, material from hospitals, all of which would be affected by the adoption of this amendment with absolutely no public input whatsoever."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Bottiger, the President finds that Engrossed House Bill No. 433 is a measure authorizing the state to implement the 1976 amendments to the Federal Water Pollution Control Act.

"The amendment proposed by Senator McDermott is a measure which has as its major purpose the prohibition against transportation, handling and disposal of out-of-state radioactive waste.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and that the Point of Order is well taken."

The amendment by Senator McDermott was ruled out of order.

Senator Guess moved adoption of the following amendment:

On page 2, line 25, strike "not"

Debate ensued.

POINT OF ORDER

Senator McDermott: "Mr. President, in moving to not adopt the Senate amendment, we have already acted on this language. It seems to me we are now considering for the second time the same issue. I wish the Chair would rule on that."

PARLIAMENTARY INQUIRY

Senator Guess: "The body rejected the Senate amendment and then that left the bill in the condition that it came from the House. Now I would ask, does not the body have the right to perfect the bill by oral amendment on the floor?"

RULING BY THE PRESIDENT

President Cherberg: "The President, in ruling upon the Point of Order presented by Senator McDermott, believes that Senator McDermott's remarks are well taken and are borne out by Reed's Rules 138 on page 84 of Reed's. If the amendment to strike out be decided in the negative, which is what the Senate decided, it cannot be renewed as to the whole or a part of the words. Therefore, the oral amendment is not properly before the Senate."

The amendment by Senator Guess was ruled out of order.

There being no objection, an amendment to page 2, following line 27 adding new section 2, on the desk of the Secretary of the Senate was withdrawn.

Senator Williams moved adoption of the following amendment:

On page 2, line 24, insert the following:

"Sec. 2. Section 45, chapter 168, Laws of 1969 ex. sess. and RCW 70.94.510 are each amended to read as follows:

It is declared to be the policy of the state of Washington through the ((state air pollution control board)) department of ecology to insure that the state implementation plan meets the minimum requirements of the federal clean air act as amended in 1977 and to cooperate with the federal government in order to insure the coordination of the provisions of the federal and state clean air acts, and except for the jurisdiction of the department of natural resources as provided in RCW 70.94.660"
through 70.94.700, the (state air pollution control board) department of ecology is authorized and directed to implement and enforce the provisions of this chapter in carrying out this policy as follows:

1. To accept and administer grants from the federal government for carrying out the provisions of this chapter; and
2. To take all action necessary to secure to the state the benefits of the federal clean air act;
3. To function as the state air pollution control agency for all purposes of the federal clean air act as amended in 1977 and to participate fully in the programs of that act; and
4. To establish and administer all programs necessary to enable the state to meet the minimum requirements of the federal clean air act as amended in 1977, including but not limited to programs for:
   a. A permit system and a reasonable schedule of fees therefor; and
   b. Prevention of significant deterioration.

The governor may perform those actions required of the governor by the federal clean air act, as amended in 1977.

NEW SECTION. Sec. 3. There is added to chapter 70.94 RCW a new section to read as follows:

The department of ecology is authorized, consistent with the division of responsibilities between the department and the local air pollution control authorities as defined in this chapter, to delegate to any activated air pollution control authority the authority to administer any program necessary under RCW 70.94.510 for the state to qualify for full participation in the programs of the federal clean air act as amended in 1977.

NEW SECTION. Sec. 4.

POINT OF ORDER

Senator Bluechel: "Mr. President, I would challenge the scope and object of this amendment. The existing bill deals with water pollution controls and amends RCW 90.48.260. The amendment by Senator Williams deals with air pollution and goes into RCW 70.94 and, Mr. President, while I am at it, I would make the same arguments for the next amendment which will be following this by Senators Rasmussen and Newschwander. I think they both fall under the same provision. They deal with air pollution and not water pollution."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Bluechel, the President finds that Engrossed House Bill No. 433 is a measure which relates to water pollution control by authorizing the state to implement amendments to the Federal Water Pollution Control Act.

"The amendment proposed by Senator Williams, on the other hand, authorizes the state to implement amendments to the Federal Clean Air Act.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and that the Point of Order is well taken."

The amendment by Senator Williams was ruled out of order.

Senator Goltz moved adoption of the following amendment:

On page 2, after line 27 insert the following:

"Sec. 2. Section 2, chapter 107, Laws of 1939 as amended by section 1, chapter 258, Laws of 1959 and RCW 90.24.010 are each amended to read as follows:

Ten or more owners of real property abutting on a (meandering) lake may petition the superior court of the county in which the lake is situated, for an order to
provide for the regulation of the outflow of the lake in order to maintain a certain water level therein, for the benefit of the property abutting thereon and to provide for the periodic lowering of the lake level to facilitate the elimination of weed growth and other similar objectionable matters in the lake. The court, after hearing, is authorized to make an order fixing the water level thereof except during that period when it is ordered to be lowered for weed control and other similar purposes and directing the supervisor to regulate the outflow therefrom in accordance with the purposes described in the petition. This section shall not apply to any (mean-dered) lake or reservoir used for the storage of water for irrigation or other beneficial purposes, or to lakes navigable from the sea."

POINT OF ORDER

Senator Guess: "Mr. President, I believe that the same reason will apply to this amendment as applied to the previous amendment in that we are now talking about Section 90.24 when the bill has to do with 90.48, and the Federal Water Pollution Control Act will be administered by the state under the original bill, and this has to do with meander lines on lakes, which is totally outside of the realm of the present legislation under discussion."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Guess, the President finds that Engrossed House Bill No. 433 is a measure which achieves a specific objective namely extension of the authority of the department of ecology to implement the Federal Water Pollution Control Act. It does not, in the President's opinion, deal with all aspects of water pollution.

"The amendment proposed by Senator Goltz amends present law relating to the regulation of outflow of all lakes.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and that the Point of Order is well taken."

The amendment by Senator Goltz was ruled out of order.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Morrison moved the Senate immediately reconsider the vote by which the committee amendment was not adopted.

POINT OF ORDER

Senator Williams: "As I recall, that was an oral vote and I did not hear a single dissenting vote on the motion that prevailed so it seems to me that this procedure would be out of order."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "The President, in ruling upon the point, believes that the remarks made by Senator Goltz are well taken and are substantiated by Reed's Rules on page 132, the last paragraph: 'The question can be reconsidered but once but if on reconsideration an amendment has been made making a substantial change, a second reconsideration then can be had.' The President believes that your motion is a second reconsideration of the motion made by Senator Woody."
Senator Morrison: "Mr. President, even though it is a different motion? Her motion was to reconsider the vote by which it was adopted. I want to reconsider the vote by which it was not adopted."

RULING BY THE PRESIDENT

President Cherberg: "The President believes it would be difficult to come to a conclusion if the Senate were to follow your suggestion, Senator."

Senator Day moved adoption of the following amendment:

On page 2, after line 27, insert the following:

"NEW SECTION. Sec. 2. The legislature finds that there are overlapping and duplicative programs within the department of social and health services and the department of ecology pertaining to sanitary waste disposal which have caused confusion between the departments implementing the programs as well as among the citizens subject to them. The purpose of sections 6, 7, and 8 of this act is to consolidate programs relating to sanitary waste disposal at the state level within the department of ecology, while retaining those functions presently performed by local boards of health with the local boards. The department of ecology shall coordinate the functions transferred by this act with its existing programs and with the programs of the local boards of health to eliminate duplicative regulatory programs in a manner consistent with the policies and requirements of chapters 43.21A and 90.48 RCW.

NEW SECTION. Sec. 3. There is added to chapter 43.21A RCW a new section to read as follows:

The department of ecology may adopt rules for the prevention, control, and abatement of health hazards and nuisances related to the disposal of solid and liquid wastes. The rules shall include standards and procedures governing the approval of the location, design, construction, and operation of all sewage collection, treatment, and disposal facilities, including septic tanks and other subsurface disposal systems.

All rules adopted before the effective date of this 1979 act by the department of social and health services or any of its predecessor agencies relating to sewage collection, treatment, and disposal facilities, including septic tanks and subsurface sewage disposal systems, shall continue in full force until amended or repealed by the department of ecology. The department of ecology shall administer these rules. All approvals required by these rules to be obtained from the secretary of social and health services or the state board of health shall, after the effective date of this 1979 act, be obtained from the department of ecology.

NEW SECTION. Sec. 4. There is added to chapter 43.21A RCW a new section to read as follows:

Subject to the limitations in this section, the department of ecology may directly enforce the rules under section 3 of this 1979 act. The local boards of health shall be the primary enforcement agencies for those portions of the rules under section 3 of this 1979 act which apply to subsurface sewage disposal systems where the maximum design flow is less than thirty-five hundred gallons per day. In addition, the department of ecology, with the consent of a local board of health, may delegate approval and enforcement authority over other sewage collection, treatment, and disposal systems to a local board of health: PROVIDED, That the department of ecology shall not delegate to a local board of health any approval or enforcement authority required by or contained in chapter 90.48 RCW.

The department of ecology may enforce the rules under section 3 of this 1979 act applicable to subsurface disposal systems where the maximum design flow is less than thirty-five hundred gallons per day, or any other authority delegated under this section to a local board of health, if no local board of health has been established or
if in the opinion of the department of ecology an emergency exists and the local board has failed to act with sufficient promptness or efficiency. All expenses incurred in this enforcement shall be paid upon demand of the department of ecology by the local health department for which the services are rendered, out of moneys accruing to the credit of the municipality or the local health department in the current expense fund of the county.

NEW SECTION. Sec. 5. There is added to chapter 43.21A RCW a new section to read as follows:

That portion of the water supply and waste section of the health services division of the department of social and health services responsible for the development of standards and procedures and for reviews and approvals relating to sewage collection, treatment, and disposal facilities, including septic tanks and subsurface disposal systems, is transferred to the department of ecology. All existing contracts, obligations, and approvals pertaining to the functions transferred in this section shall remain in full force.

All reports, documents, surveys, books, records, files, papers, and other writings pertaining to the functions transferred by this section shall be delivered to the custody of the department of ecology.

All employees and personnel classified under chapter 41.06 RCW and engaged in duties pertaining to the functions transferred by this section shall be assigned to the department of ecology to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter under the law and rules governing the state merit system.

Sec. 2. Section 2, chapter 46, Laws of 1973 as last amended by section 4, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with the following revenues, excluding excess property tax levies, will constitute a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days, except that for kindergartens one full school year may be ninety days as provided by RCW 28A.58.180:

1. The receipts from the one percent tax on real estate transactions pursuant to chapter 28A.45 RCW; and
2. One hundred percent of the receipts from public utility district funds distributed to school districts pursuant to RCW 54.28.090; and
3. One hundred percent of the receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110; and
4. One hundred percent of such other available revenues as the superintendent of public instruction may deem appropriate for consideration in computing state equalization-support.

Basic education shall be considered to be fully funded by those amounts of dollars appropriated by the legislature pursuant to RCW 28A.41.130 and 28A.41.140, each as now or hereafter amended, to fund those program requirements identified in RCW 28A.58.754, as now or hereafter amended, in accordance with the formula and ratios provided in RCW 28A.41.140, as now or hereafter amended.

Operation of a program approved by the state board of education, for the purposes of this section, shall include a finding that the ratio of students per classroom teacher in grades kindergarten through three is not greater than the ratio of students per classroom teacher in grades four and above for such district: PROVIDED, That for the purposes of this section, "classroom teacher" shall be defined as an instructional employee possessing ((at least a provisional certificate, but not necessarily employed as a certificated employee,)) a valid teaching certificate or permit issued by the superintendent of public instruction whose primary duty is the daily educational instruction of students: PROVIDED FURTHER, That the state board of education shall adopt rules and regulations to insure compliance with the student/teacher ratio provisions of this section, and such rules and regulations shall allow for exemptions for those special programs and/or school districts which may be deemed unable to practically meet the student/teacher ratio requirements of this
section by virtue of a small number of students: PROVIDED, FURTHER, That these rules and regulations shall provide that any district that has a ratio of no greater than twenty-five students per classroom teacher in grades kindergarten through three shall be in conformance with (this section) the foregoing student/teacher ratio requirements.

If a school district's basic education program fails to meet the basic education program requirements enumerated in RCW 28A.41.130, 28A.41.140 and 28A.58.754, each as now or hereafter amended, or established by rule pursuant thereto, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, That for the school years 1978 through 1981 the state board of education may waive this requirement in the event of levy failure: PROVIDED FURTHER, That the state board of education may waive this requirement in the event of substantial lack of classroom space: PROVIDED FURTHER, That effective July 1, 1979, those school districts which have been found by the state board of education to be out of compliance with the basic education program requirements enumerated in RCW 28A.58.754 during the 1978 and 1979 school year shall be deemed to be in compliance if such districts are in compliance with those basic education program requirements enumerated in section 1 of this amendatory act as of the effective date of this act.

Sec. 3. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 12, chapter 151, Laws of 1979 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

1. Certificated staff and their related costs;
2. Classified staff and their related costs;
3. Nonsalary costs; and
4. Extraordinary costs of remote and necessary schools and small high schools;
and
5. The attendance of students pursuant to RCW 28A.58.075 and 28A.58.245, each as now or hereafter amended, who do not reside within the servicing school district.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous biennium shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day.
of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, learning resources specialist, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute: PROVIDED, FURTHER, That the hiring of such noncertificated persons shall be subject to disapproval by the superintendent of public instruction. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances). Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall average at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. (Classified staff shall include those persons employed by a school district other than certificated staff as defined in this section in a capacity for which certification is not required.) Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent–guardian conferences, recess, passing time between classes, and informal instructional activity.

Sec. 4. Section 28A.58.190, chapter 223, Laws of 1969 ex. sess. as amended by section 14, chapter 359, Laws of 1977 ex. sess. and RCW 28A.58.190 are each amended to read as follows:

Except as otherwise provided by law, it is the general policy of the state that the common schools shall be open to the admission of all persons (between the ages of) who are five years of age and less than twenty-one years residing in that school district. Except as otherwise provided by law, the state board of education is hereby authorized to adopt rules in accordance with chapter 34.04 RCW which establish uniform entry qualifications, including but not limited to birth date requirements, for admission to kindergarten and first grade programs of the common schools. Such rules may provide for exceptions based upon the ability, or the need, or both, of an individual student.

Sec. 5. Section 19, chapter 359, Laws of 1977 ex. sess. and RCW 28A.58.760 are each amended to read as follows:

MOTION

Senator McDermott moved the Senate concur in the House amendments to Substitute Senate Bill No. 2709.

PARLIAMENTARY INQUIRY

Senator Shinpoch: "I intend to move that we concur in 2709 except for sub (8) in Section 1 and Section 11, which is hung on the outside. What is the procedure which it is necessary to go through in order to accomplish that?

"On page 7, in section 1, there is a sub (8) and then there is one that is called section 11 that is attached—the attached amendment that states that on page 32, following line 11, insert a section to read. My question, I guess, really is, is it possible to make this motion or is it necessary to vote down the full motion in order to have an opportunity to vote on this motion?"

MOTION

Senator Clarke moved the question be divided and each House amendment be voted on separately.
Debate ensued.

REPLY BY THE PRESIDENT

President Cherberg: "Senator McDermott's motion does take precedence. However, Senator Clarke has moved that the question be divided. The President believes that the Senate should act on that question as outlined by Senator Clarke."

Further debate ensued.

There being no objection, the motion by Senator McDermott was withdrawn.

Senator Shinpoch moved the Senate concur in the House amendment to Substitute Senate Bill No. 2709 with the exception of page 7, subsection (8) and page 32, section 11.

PARLIAMENTARY INQUIRY

Senator Vognild: "I believe that the motion by Senator Shinpoch amounts to a striking amendment to the amendment from the House and if that is considered as legitimate here, I would ask if an additional adding amendment would also be considered to the House amendment?"

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that you are correct and that Senator Hansen also followed that procedure yesterday, but the President does not believe it is in order to add material."

Senator Shinpoch moved the Senate concur with the House amendment to Substitute Senate Bill No. 2709 with the exception of page 7, subsection (8) and page 32, section 11 and ask the House to recede therefrom.

Debate ensued.

On motion of Senator Bottiger, the question was divided.

Further debate ensued.

Senator Hayner moved the Senate ask the House to recede from its amendment to Substitute Senate Bill No. 2709 from page 12, line 19, subsection (4).

POINT OF ORDER

Senator Goltz: "I would like to make a Point of Order that what Senator Hayner is attempting to do is to amend, to further amend this bill. What she is asking we not concur in is existing language in the law, something which the House does not amend, and therefore I think her motion is out of order."

There being no objection, the motion by Senator Hayner was withdrawn.

MOTION

At 4:03 p.m., on motion of Senator Walgren, the Senate was declared to be at ease subject to the Call of the President.

The President called the Senate to order at 5:40 p.m.

There being no objection, the Senate returned to the first order of business.

MOTION

Senator McDermott moved the Senate do not concur in the House amendment to Engrossed Substitute Senate Bill No. 2709 to page 7, subsection (8) and ask the House to recede therefrom.

MOTIONS

On motion of Senator Jones, Senators Matson and Newschwander were excused.

Senator Pullen demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator McDermott that the Senate do not concur in the House amendment to Engrossed Substitute Senate Bill No. 2709 to page 7, subsection (8) and ask the House to recede therefrom.

ROLL CALL

The Secretary called the roll and the motion by Senator McDermott carried by the following vote: Yeas, 23; nays, 21; excused, 5.

MOTION

Senator McDermott moved the Senate do not concur in the House amendment to Engrossed Substitute Senate Bill No. 2709 on page 32, following line 11 inserting a new section 11.

Debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator McDermott, the language in this amendment is very technical and very legal and I would like to have a clarification concerning the words 'as defined by the legislature' and whether those words modify 'program as defined
by the legislature' or whether they modify 'substantiated costs as defined by the legislature'. I guess I am interested in having a clarification and an understanding as to whether or not it would be possible for the legislature to define a program and have somebody else substantiate the cost."

Senator McDermott: "It is my opinion, Senator Goltz, that the phrase 'as defined by the legislature' following 'programs' therefore relates to programs, that we are talking about definitions of programs. The legislature, for instance, I think it was in 1969, passed the URDD bill. They defined the program. We have then in the budget bill determined the level at which we would fund it. I think the same would be true if at some point — we already passed a compensatory ed bill in the early part of this session. We defined the program in that bill. We then in the budget bill decided what the cost of it would be and I think that is the method that would be deciding every one of the programs that we are talking about."

Senator Goltz: "Let me then, Senator McDermott, offer a hypothetical situation. Let us take bilingual education and that that program as defined by the legislature is then subsequently said to cost a certain amount of money which the superintendent of public instruction and the school district agree are substantiated. Substantiation means that they are simply audited and verified as having cost that much. It would then be possible, it seems to me, to come back to the legislature and say that the legislature has passed a law which says that they shall appropriate funds to pay for the cost of programs as defined by the legislature in bilingual education and which a school district and the superintendent of public instruction have evidence that they have substantiated cost. That would place a burden upon the legislature of unknown dimensions unless your answer is that the substantiated costs would also have to be defined by the legislature."

Senator McDermott: "My answer to that would be that the budget is our definition of substantiated costs in these areas and that will always be the final definition. Obviously, you cannot preclude some school districts from going to court and saying this is not, but I think that we define the substantiated costs every time in the budget."

Senator Goltz: "Then if I may just continue with one more question; is it not the case in the case of handicapped education that not the same language but a substantially similar situation developed where handicapped education costs created by House Bill 90 and school district implementation of that went to court and did receive compensation or funding to pay for substantiated costs of a program which the legislature had defined?"

Senator McDermott: "I do not know the specifics of that but that has happened several times. There have been several suits brought in this state on that subject."

Further debate ensued.

Senator Walgren demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator McDermott that the Senate do not concur in the House amendment to Engrossed Substitute Senate Bill No. 2709 on page 32, following line 11, inserting a new section 11.

ROLL CALL

The Secretary called the roll and the motion by Senator McDermott carried by the following vote: Yeas, 24; nays, 20; excused, 5.

SEVENTY-FIRST DAY, MAY 30, 1979

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Lysen moved the Senate immediately reconsider the vote by which the amendment to Engrossed Substitute Senate Bill No. 2709 on page 7, subsection (8) was not adopted.

PARLIAMENTARY INQUIRY

Senator Clarke: "Does intervening business make that particular motion inappropriate at this time?"

REPLY BY THE PRESIDENT

President Cherberg: "No, the President believes that reconsideration of amendments can occur at any time."

The motion for reconsideration by Senator Lysen failed on a rising vote.

MOTION

On motion of Senator McDermott, the Senate concurred in the remaining House amendments to Engrossed Substitute Senate Bill No. 2709.

MOTION

On motion of Senator Marsh, the Senate advanced to the sixth order of business.

SECOND READING

SENATE BILL NO. 2893, by Senator Woody:
Creating an additional position of state representative for the state at large.

MOTION

On motion of Senator Woody, Substitute Senate Bill No. 2893 was substituted for Senate Bill No. 2893 and the substitute bill was placed on second reading and read the second time in full.

POINT OF INQUIRY

Senator Guess: "Senator Woody, can you explain to me the reason that a bill which is to affect an election on November 4, 1980 should have an emergency clause?"

Senator Woody: "Yes, Senator Guess. We heard this bill in committee this morning and it was amended in committee. That amendment struck from the bill the language which would have had the bill be effective for the 1979 November election and at that point in time the emergency clause was necessary, and, Senator Guess, I am afraid that when we made that amendment this morning we neglected to delete the emergency clause. You are quite right, it is not a necessary part of the bill at this point in time but I do not believe it damages the bill."

On motion of Senator Guess, the following amendment was adopted:
On page 1, line 19, strike all of NEW SECTION, Sec. 2.
On motion of Senator Guess, the following amendments to the title were adopted:
On page 1, line 1 of the title, after "elections;" insert "and"
On page 1, line 2, after "RCW" strike "; and declaring an emergency"
On motion of Senator Woody, the rules were suspended, Engrossed Substitute Senate Bill No. 2893 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Quigg: "Senator Woody, I wonder if in the fiscal note which was prepared along with this bill there was any consideration of a stamp allowance for this Representative. I imagine it would be substantial."
Senator Woody: "I am sure that Sid Snyder can give you the exact stamp allowance, Senator Quigg."
Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2893, and the bill passed the Senate by the following vote: Yeas, 27; nays, 17; excused, 5.
ENGROSSED SUBSTITUTE SENATE BILL NO. 2893, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

At 6:25 p.m., on motion of Senator Walgren, the Senate adjourned until 10:00 a.m., Thursday, May 31, 1979.

JOHN A. CHERBERG, President of the Senate.
SIDNEY R. SNYDER, Secretary of the Senate.

WE PRAY FOR DIRECTION AND ONENESS IN THE DECISIONS THAT WILL BE MADE AND WE BELIEVE THAT THIS DAY WILL BE SIGNIFICANT BECAUSE OF YOUR CONSTANT PRESENCE WITH US. IN JESUS' NAME. AMEN."

MOTION

On motion of Senator Walgren, the reading of the journal of the previous day was dispensed with and it was approved.

SIGNED BY THE PRESIDENT

The President signed:
SUBSTITUTE SENATE BILL NO. 2071.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the sixth order of business.

On motion of Senator Walgren, the Senate commenced consideration of House Bill No. 845.

SECOND READING

HOUSE BILL NO. 845, by Representative Keller (by Insurance Commissioner request):
Revising insurance licenses.

The Senate resumed consideration of House Bill No. 845. On Wednesday, May 30, 1979 the committee amendment to page 4, line 6 was adopted. Senator Jones had moved adoption of the committee amendment to page 8, line 28, section 7 and an amendment to that amendment by Senator Gould had been moved for adoption.

The President declared the question before the Senate to be adoption of the amendment to the committee amendment to page 8, line 28, section 7 by Senator Gould.

Debate ensued.

The amendment by Senator Gould to the committee amendment was not adopted.
Senator Williams moved adoption of the following amendment to the committee amendment to page 8, line 28, section 7:

Amend the committee amendment to page 8, after line 28, as follows:
In the first line of subsection (1)(d) of section 7, after "requirements" insert "not to exceed thirty clock hours."

Debate ensued.
The motion by Senator Williams failed and the amendment to the committee amendment was not adopted on a rising vote.

Senator Williams moved adoption of the following amendment to the committee amendment to page 8, line 28, section 7:

Amend the committee amendment to page 8, after line 28 as follows:
Strike subsection (2) of Section 7 of the committee amendment and renumber the remaining subsections consecutively.

Debate ensued.
The motion by Senator Williams failed and the amendment to the committee amendment was not adopted.

There being no objection, the amendment by Senator Williams to the committee amendment to page 8, line 28, section 7 commencing "In subsection (2) of section 7 of the committee amendment" strike "The commissioner shall by regulation . . ." on the desk of the Secretary of the Senate was withdrawn.

Senator Williams moved adoption of the following amendment to the committee amendment to page 8, line 28, section 7:
Amend the committee amendment to page 8, after line 28 as follows:
Add a new subsection (4) in Section 7 to the committee amendment as follows:
"(4) Any educational courses approved by the commissioner to satisfy the educational requirements under this section shall be readily available through public educational institutions."

POINT OF INQUIRY

Senator Van Hollebeke: "Senator, I wonder if this reads as you want it to then. This would read that all courses, at least that is the way I am reading it, 'any educational courses approved by the commissioner to satisfy the requirements under this section shall be readily available through public educational institutions.' I would think you might be interested in doing something that would make the requirements easily met through public institutions, but I would think we would also not want to rule out proprietary or nonprofit organizations that might want to give acceptable courses. What was your intention? Is it worded the way you wanted it?"

Senator Williams: "The intention here is not to make it exclusively for public institutions but to simply insure that public institutions do have those courses available. My intent was not to prohibit proprietary schools."

Senator Van Hollèbeke: "I do not think that reads that way. It says 'any courses approved by the commissioner to satisfy the educational requirements shall be readily available.' I do not think you are accomplishing your purpose."

Senator Williams: "The purpose here is to make sure that all courses mandated must be available through public institutions. It does not say that they shall be exclusively available through public institutions. In other words, as I read it, proprietary schools may also provide them."

Senator Van Hollebeke: "I do not read it that way. I think it should be reworded."
Debate ensued.
SEVENTY-SECOND DAY, MAY 31, 1979

POINT OF INQUIRY

Senator Goltz: "Senator Williams, the implication of this amendment is that somebody will require these courses to be offered and I wonder, first of all, what authority would do the requiring. Is this the insurance commissioner? Or who is mandating it?"

Senator Williams: "Yes, the insurance commissioner."

Senator Goltz: "I guess I was afraid that that was the answer and it seems to me that there really is a conflict here in the law. If the insurance commissioner can mandate courses in public institutions which are under the control of boards of trustees and regents, that it may place the trustees and regents in a position of being responsible for the offerings of the institutions with another public official being able to mandate certain work. That implies course content. It may imply instructors. It may imply other conditions for that requirement. I wonder if this amendment is really not in conflict with another part of the law."

Senator Williams: "Senator Goltz, the point you have raised is a point that will have to be addressed then in all continuing education courses that we may require of various professions. It is something that we ought to look at. We have in this particular session rushed into the continuing education concept, I think, without proper analysis of what we are doing, and you raised a very good point because this was our intention when we modified the educational requirements for real estate agents, for instance. Those courses are offered through community colleges or various other colleges, and I think it does require a certain amount of agreement and compromise or working out between the various agencies that represent the public in this case. I am not sure that we can.

"However, this is the kind of thing that I think needs to be studied and worked out when we deal with the whole area of continuing education, but my intention here is to insure that we do not set up a situation where the continuing education courses become exclusively provided by the private sector, which with all good intentions has its own ax to grind. It is protective of its own profession and I think we need the public in here to protect all of us."

The motion of Senator Williams failed and the amendment to the committee amendment was not adopted on a rising vote.

Senator Day moved adoption of the following amendment to the committee amendment to page 8, line 28, section 7:

On page 8, Section 7, sub-paragraph (2), after "RCW 48.17.210" insert "PROVIDED FURTHER, That the continuing education requirements may be waived by the commissioner for good cause shown"

Debate ensued.

The motion by Senator Day carried and the amendment to the committee amendment was adopted.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 554, by Committee on Social and Health Services (originally sponsored by Representatives Adams, Whiteside, Brekke, Erickson, Gruger, Nelson (D), Kreidler, Haley, Pruitt, Valle, Burns, Gallagher, Lux, Becker, Salatino, Keller, Ehlers, Sherman, King, Blair, Brown, Isaacson, Sommers, Charnley and Maxie):
Assisting shelters for victims of domestic violence.
The bill was read the second time by sections.
Senator Day moved adoption of the following amendment:

"NEW SECTION. Section 1. The legislature finds that domestic violence is an issue of growing concern at all levels of government and that there is a present and growing need to develop innovative strategies and services which will ameliorate and reduce the trauma of domestic violence. Research findings show that domestic violence constitutes a significant percentage of homicides, aggravated assaults, and assaults and batteries in the United States. Domestic violence is a disruptive influence on personal and community life and is often interrelated with a number of other family problems and stresses. Shelters for victims of domestic violence are essential to provide protection to victims from further abuse and physical harm and to help the victim find long-range alternative living situations, if requested. Shelters provide safety, refuge, advocacy, and helping resources to victims who may not have access to such things if they remain in abusive situations.

The legislature therefore recognizes the need for the state-wide development and expansion of shelters for victims of domestic violence.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Shelter" means a place of temporary refuge, offered on a twenty-four hour, seven day per week basis to victims of domestic violence and their children.

(2) "Domestic violence" is a categorization of offenses, as defined in section 2, chapter 105, Laws of 1979 1st ex. sess., committed by one cohabitant against another.

(3) "Department" means the department of social and health services.

(4) "Victim" means a cohabitant who has been subjected to domestic violence.

(5) "Cohabitant" means a person who is married or who is cohabiting with a person like husband and wife at the present or at sometime in the past. Any person who has one or more children in common with another person, regardless of whether they have been married or lived together at any time, shall be treated as a cohabitant.

NEW SECTION. Sec. 3. The department of social and health services, in consultation with individuals or groups having experience and knowledge of the problems of victims of domestic violence, shall:
(1) Establish minimum standards for shelters applying for grants from the department under this chapter. Classifications may be made dependent upon size, geographic location, and population needs;

(2) Receive grant applications for the development and establishment of shelters for victims of domestic violence;

(3) Distribute funds, within forty-five days after approval, to those shelters meeting departmental standards;

(4) Evaluate biennially each shelter receiving departmental funds for compliance with the established minimum standards; and

(5) Review the minimum standards each biennium to ensure applicability to community and client needs.

NEW SECTION. Sec. 4. Minimum standards established by the department under section 3 of this act shall ensure that shelters receiving grants under this chapter provide services meeting basic survival needs, where not provided by other means, such as, but not limited to, food, clothing, housing, safety, security, client advocacy, and counseling. These services shall be problem-oriented and designed to provide necessary assistance to the victims of domestic violence and their children.

NEW SECTION. Sec. 5. The department shall contract, where appropriate, with public or private nonprofit groups or organizations with experience and expertise in the field of domestic violence to:

(1) Develop and implement an educational program designed to promote public and professional awareness of the problems of domestic violence and of the availability of services for victims of domestic violence. Particular emphasis should be given to the education needs of law enforcement agencies, the legal system, the medical profession, and other relevant professions that are engaged in the prevention, identification, and treatment of domestic violence;

(2) Maintain a directory of temporary shelters and other direct service facilities for the victims of domestic violence which is current, complete, detailed, and available, as necessary, to provide useful referral services to persons seeking help on an emergency basis;

(3) Create a state-wide toll-free telephone number that would provide information and referral to victims of domestic violence;

(4) Provide opportunities to persons working in the area of domestic violence to exchange information; and

(5) Provide training opportunities for both volunteer workers and staff personnel.

NEW SECTION. Sec. 6. The department shall prepare an annual report to the legislature which shall include but not be limited to:

(1) Data reflecting the geographic incidence of domestic violence in the state, indicating the number of cases officially reported as well as an assessment of the degree of unreported cases;

(2) The number of persons and relevant statistical data, where possible, of persons treated or assisted by shelters receiving state funds; and

(3) A listing of potential and feasible prevention efforts, the estimated cost of providing the prevention services, and the projected benefits of providing the services.

The department may contract, where applicable, for the information required by this section.

NEW SECTION. Sec. 7. Shelters receiving state funds under this chapter shall:

(1) Make available shelter services to any person who is a victim of domestic violence and to that person's children;

(2) Encourage victims, with the financial means to do so, to reimburse the shelter for the services provided;
(3) Recruit, to the extent feasible, persons who are former victims of domestic violence to work as volunteers or staff personnel. An effort shall also be made to provide bilingual services;

(4) Provide prevention and treatment programs to victims of domestic violence, their children and, where possible, the abuser;

(5) Provide a day program or drop-in center to assist victims of domestic violence who have found other shelter but who have a need for support services.

NEW SECTION. Sec. 8. The department shall consult in all phases with persons and organizations having experience and expertise in the field of domestic violence.

NEW SECTION. Sec. 9. The department is authorized, under this chapter and the rules adopted to effectuate its purposes, to make available grants awarded on a contract basis to public or private nonprofit agencies, organizations, or individuals providing shelter services meeting minimum standards established by the department. Consideration as to need, geographic location, population ratios, and the extent of existing services shall be made in the award of grants. The department shall provide technical assistance to any nonprofit organization desiring to apply for the contracts if the organization does not possess the resources and expertise necessary to develop and transmit an application without assistance.

NEW SECTION. Sec. 10. Fifty percent of the funding for shelters receiving grants under this chapter must be provided by one or more local, municipal, or county source, either public or private. Contributions in-kind, whether materials, commodities, transportation, office space, other types of facilities, or personal services, may be evaluated and counted as part of the required local funding.

The department shall seek, receive, and make use of any funds which may be available from federal or other sources in order to augment state funds appropriated for the purpose of this chapter, and shall make every effort to qualify for federal funding.

NEW SECTION. Sec. 11. General assistance or aid to families with dependent children payments shall be made to otherwise eligible individuals who are residing in a secure shelter, a housing network or other shelter facility which provides shelter services to persons who are victims of domestic violence. Provisions shall be made by the department for the confidentiality of the shelter addresses where victims are residing.

NEW SECTION. Sec. 12. A shelter shall not be held liable in any civil action for denial or withdrawal of services provided pursuant to the provisions of this chapter.

NEW SECTION. Sec. 13. There is appropriated from the general fund to the department of social and health services for the 1979-1981 biennium the sum of two million five hundred thousand dollars, or so much as may be necessary, to carry out the purposes of this act. Two million two hundred thousand dollars of the amount appropriated shall be used for grants to shelters under section 9 of this act. The remaining three hundred thousand dollars shall be used to fund sections 3, 5, and 6 of this act.

NEW SECTION. Sec. 14. Sections 2 through 12 of this act shall constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 15. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On motion of Senator Shinpoch, the following amendments to the amendment by Senator Day were considered and adopted simultaneously:

On page 8, section 13, lines 5 and 6, strike "two million five hundred thousand" and insert "one million"
On page 8, section 13, lines 8 and 9 strike "two million two hundred thousand" and insert "seven hundred thousand"

POINT OF INQUIRY

Senator Guess: "Senator Day, would you describe to me what the meaning of a cohabitant is?"
Senator Day: "I think, Senator, I raised this question in caucus and it would appear to me that it is very broad in this bill. It is anybody that is living together."
Senator Guess: "Are we starting a new program, Senator Day, that has never been tried before in the state of Washington?"
Senator Day: "Yes, this is an augmentation to the other bill that passed here. I believe Senator Wojahn could probably answer that better than I can."

POINT OF INQUIRY

Senator Guess: "Senator Donohue, have you had your staff project out what the possible increase that we are going to face in the next biennium from the passage of the beginning of a new program like this?"
Senator Donohue: "Senator, the answer to your question directly is no. However, I think that the House fiscal notes relative to the two point five million that was in this bill that we just reduced probably was an effort on the part of the Senate, and I agree with Senator Shinpoch, to hold this program down much below what some people would like until we really find out where we are going, and so we are reducing, let us say, with the amount of dollars we have just adopted with the one million. It would establish probably about a seven day shelter care instead of a fourteen. We estimate there will probably be about fifty-five hundred people that would be, sometime or other, involved perhaps in this program.

"But in direct answer to your question as projecting out in the future like many other things, Senator, I have no answer. I do not know what we are talking about as it relates to how many people are going to be involved in the next biennium or the one following. I do not know."

POINT OF INQUIRY

Senator Guess: "Senator Day, if you remember back on the time when we adopted the—that a drunk was an ill person and not a drunk, we fooled ourselves a little bit."
Senator Day: "Alcoholism is a disease."
Senator Guess: "That is right. We did not put doctors in the shelters that they had and out in the Spokane Valley where we have the shelter that Spokane County runs, we have now, because of the law that we passed and a court interpretation, had to keep a doctor available at all times in order to examine the drunks. Are we going to have to have a medic on duty at all times in these shelters in order to . . .?"
Senator Day: "No, if a person can get to the shelter they could take them to the emergency room or wherever they needed to have medical examination or assistance."
Senator Guess: "You are sure of this, Senator Day?"
Senator Day: "I am certain that that is the way it ought to operate. Of course, I cannot imagine them coming back to us and asking for medical personnel in these places."
Senator Guess: "It would be your legislative intent then not to provide twenty-four hour medical service for these people?"
Senator Day: "Right."

On motion of Senator Day, the following amendment to the amendment by Senator Day was adopted:
On page 2, subsection (5), line 27, after "person" and before "like" insert "of the opposite sex"

POINT OF INQUIRY

Senator Rasmussen: "Senator Day, cohabitant means a person who is married or who is cohabiting with a person of the opposite sex like husband and wife at the present or some time in the past."

Senator Day: "Senator, I would respectfully have Senator Wojahn answer that question because I do not know what it means."

Senator Rasmussen: "I thought you were managing this bill."

Senator Day: "The floor manager, not the authority."

Senator Rasmussen: "Senator Day, in the last days of the session, has become confused. I always could get a clear answer from him up until now."

POINT OF INQUIRY

Senator Rasmussen: "Senator Wojahn, what does that mean? Cohabiting with a person of the opposite sex like husband and wife at the present or some time in the past."

Senator Wojahn: "I think that probably the staff of the social and health service wrote it but I presume that there would not be any need for a bill if we did not have cohabitation of people of the opposite sexes, and so I do not think that there is any need to answer your question, Senator Rasmussen."

MOTION

Senator Guess moved Engrossed Substitute House Bill No. 554, together with the pending amendment by Senator Day as amended by Senators Shinpoch and Day, be made a special order of business for 4:00 p.m. today.

POINT OF INQUIRY

Senator Rasmussen: "I would agree with that, Senator Guess, but that was only part of my question. The other part was, 'any person who has one or more children in common with another person, regardless of whether they have been married or lived together at any time'—they have had children with a person regardless of whether they have lived together or at any time shall be treated as cohabitants and has one or more children in common. Now in the state of Washington, the common-law marriage is not recognized. It is illegal and I wonder by this left-handed reference if you are approving common-law marriages, and if so, it should be reviewed by the chairman of the judiciary committee, Senator Marsh, who has the answer to all of those questions.

"I wonder, Mr. President, before we set this bill down, if Senator Marsh could tell us a little more about it? This section is very confusing, like a husband and wife at the present or some time in the past. How they have been cohabiting. I do not know anything about that."

Senator Marsh: "Senator Rasmussen, I have been discussing this with Senator Wojahn and Senator Ridder and I think we agree that this is kind of an isolated thing, that the cohabitant is a person who has had sexual intercourse with a member of the opposite sex. I think that is the plain English meaning of these fancy words in subsection (5) of Section 2."

Senator Rasmussen: "The other question was, are we legalizing common-law marriages? It says, 'any person who has one or more children in common with another person', regardless of whether they have been married or lived together."
Senator Marsh: "This subsection does not legalize common-law marriage. It is simply a definition of cohabitant for the purposes of this act."

POINT OF INQUIRY

Senator Rasmussen: "Mr. President, if I may I would like to ask Senator Wojahn another question. 'Minimum standards established by the department in Section 3 of this act shall insure the shelters applying for grants under this chapter shall provide services meeting basic survival needs.' We understand that, and 'such as food, clothing, housing, safety and security, client advocacy, assistance in securing counseling and supportive services, transportation, driver's education, child care, child counseling, provision for kindergarten through postsecondary education.'"

Senator Day: "Mr. President, he is reading from the bill something that has been stricken by my amendment."

MOTION

Senator Rasmussen moved that Engrossed Substitute House Bill No. 554, together with the pending amendment by Senator Day as amended by Senators Shinpoch and Day be held for consideration later today.

REMARKS BY SENATOR SHINPOCH

Senator Shinpoch: "Yes, I object to that. I think, in response to Senator Rasmussen, what it means is that we are going to treat all citizens of the state the same, irrespective of whether they happen to be married or not, and relative to this bill, they are citizens, they deserve service like everyone else. Moving the bill down appears to me at this point at least to just be an opportunity to possibly kill it, and I would like to see us vote on it and let it go up or down on its merits."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Wojahn, you made a statement that I do not know whether I caught the impact or not, but you said that thirty-five percent of all hospital cases were battered-related people. Does this mean that we are going to now assume the cost of thirty-five percent of all of the hospital cases in the state of Washington?"

Senator Wojahn: "No, certainly not. I am reading from an editorial in the Seattle Times that is based on some statistical information generated by one of the physicians at Valley General Hospital and I wanted to have this on your desk. I am sorry I do not. Obviously there are families that are going to take care of some of these problems. There are mothers and dads out there that are going to take the spouse in and the battered child, so that it is not going to be that type and that numbers. We happen to have, and I think that Senator Rasmussen must be aware of the fact that the Tacoma YWCA does have a program for battered wives and children or spouses and children right now, and it is being run on a very low economic scale. Most of the persons working there are volunteers, Senator Guess, so that it is not costing that. Families that can take care of their own do take care of their own.

"I am sure that if you had a situation in your home with a son or daughter who had this problem that you would take care of it. I think that a lot of us will and do, but there are those out there that for some reason or another have no place to go. Maybe their families are located out of the state or maybe their families are gone. It would not be that. We have limited the amount of money in this. There is a fifty percent match. No one gets one penny of this money until they provide fifty percent
of it and they have to be self-starters, so I would say that that is not a fear that we need to face here."

Further debate ensued.

MOTION

On motion of Senator Marsh, Engrossed Substitute House Bill No. 554, together with the pending amendment by Senator Day as amended by Senators Shinpoch and Day, was ordered held for further consideration following the next two measures.

MOTION

On motion of Senator Marsh, the Senate returned to the fourth order of business.

"NEW SECTION. Sec. 9. It is unlawful for an insurance company doing business in the state of Washington to do any of the following acts or practices:
1. coerce or attempt to coerce an insurance broker to handle lines of insurance which have not been voluntarily requested by the agent;
2. Cancel or fail to renew the selling agreement of a broker doing business in this state without fairly compensating the broker at a fair going business value for the broker's investment in the business including, but not limited to, the broker's good will;
3. Encourage, aid, abet, or teach a broker to sell insurance through any false, deceptive, or misleading sales practices; and

Nothing in this section shall be construed to impair the obligations of a contract.
NEW SECTION. Sec. 10. A person who is injured in the person's business or property by a violation of this chapter, or a person so injured because he or she refuses to accede to a proposal for an arrangement which, if consummated, would be in violation of this chapter, may bring a civil action in the superior court to enjoin further violations and to recover the actual damages sustained, together with the costs of the suit, including a reasonable attorneys' fee.

NEW SECTION. Sec. 18. Sections 9 through 17 of this act shall constitute a new chapter in Title 48 RCW.

POINT OF ORDER

Senator Jones: "In the interest of saving time, I would raise the question of scope and object on the Rasmussen amendment and I would like to speak to the amendment.

"I raise the question that 845 deals with the revisions regarding the licensing of insurance agents. The amendment offered by Senator Rasmussen deals with contractual relationships between insurance companies and their sales representatives. It also deals with deceptive or misleading sales practices and therefore expands the scope and object of Substitute House Bill 845."
Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Jones, the President finds that House Bill No. 845, as amended, is a measure which revises the existing license fee structure and provides for a program of continuing education for insurance agents and brokers.

"The amendment proposed by Senator Rasmussen, establishes a new comprehensive code of fair business practices applicable to insurance companies in dealings with their brokers.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and the Point of Order is well taken."

The amendment by Senator Rasmussen was ruled out of order.

MOTIONS

On motion of Senator Jones, the committee amendment on line 13 of the title was adopted.

On motion of Senator Jones, the committee amendment on line 14 of the title was not adopted.

On motion of Senator Jones, the rules were suspended, House Bill No. 845, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 845, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 34; nays, 9; absent or not voting, 1; excused, 5.

Absent or not voting: Senator Woody—1.

HOUSE BILL NO. 845, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SIGNED BY THE PRESIDENT

The President signed:

SUBSTITUTE SENATE BILL NO. 2993.

MOTIONS

On motion of Senator Marsh, all measures passed by the Senate today were ordered immediately transmitted to the House.
On motion of Senator Marsh, the Senate resumed consideration of Engrossed Substitute House Bill No. 554.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 554, by Committee on Social and Health Services (originally sponsored by Representatives Adams, Whiteside, Brekke, Erickson, Gruger, Nelson (D), Kreidler, Haley, Pruitt, Valle, Burns, Gallagher, Lux, Becker, Salatino, Keller, Ehlers, Sherman, King, Blair, Brown, Isaacsom, Sommers, Charnley and Maxie):

Assisting shelters for victims of domestic violence.

The Senate resumed consideration of Engrossed Substitute House Bill No. 554. An amendment by Senator Day, as amended by Senators Shinpoch and Day is pending from earlier today.

Senator Guess moved the following amendments by Senators Guess and Rasmussen to the amendment by Senator Day be considered and adopted simultaneously:

On page 2, line 26, strike "or" and insert: "and"

On page 2, line 27, strike "like" and insert: "as"

Beginning on page 2, line 29, strike "Any person who has one or more children in common with another person, regardless of whether they have been married or lived together at any time, shall be treated as a cohabitant."

Debate ensued.

POINT OF INQUIRY

Senator Hayner: "Senator Guess, we passed, and it has become law, Substitute House Bill No. 438 which dealt with domestic violence and defines the actions as being within the criminal code, also indicated that we were going to come along subsequently with some kind of shelters for domestic violence victims, but in that bill we have already defined a cohabitant as exactly the language which was originally in this bill. Now are not we creating some kind of an inconsistency here which will be very difficult to resolve?"

Senator Guess: "Senator Hayner, I think what we are doing is creating a situation that is very clear, that we mean that the cohabitant is a person who is married and is cohabiting with his husband or wife and at the present or sometimes in the past.

"Now Senator McDermott was incorrect a while ago. The reason for the clear distinction here is so that these people that we are going to pay to take into these shelters will be those that qualify under this language. It, I do not think, has a great deal to do with the other language."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President and members of the Senate, I almost do not believe it. Apparently a child born of a lawful marriage is going to be taken care of, but a child who, through no fault of their own, is not born of a lawful marriage is going to be bastardized out on the street. You really cannot mean that, Senator."

REMARKS BY SENATOR RIDDER

Senator Ridder: "To extend Senator Bottiger's remarks, I would say not only bastardized but brutalized, because the very circumstances that lead to a non-marital community are the same ones that have the greatest brutalizing effect on children. I think it is ridiculous that we suggest that only within the marital community are these children entitled to concern."
Debate ensued.

POINT OF ORDER

Senator von Reichbauer: "Mr. President, I would like to know whether Rule 41 of this body is being enforced? Mr. President, under Rule 41 in one of the sections stated 'Admission to the Senate' I have seen over the last few days a former member of the House of Representatives wandering around freely in these hallways lobbying on behalf of legislation which I find patently offensive. As I understand under our rules, former members of the Senate have access to our body but not former members of the House. I specifically did not like this member when he was in the House of Representatives and I do not like him now as an ex-member lobbying."

RULING BY THE PRESIDENT

President Cherberg: "The remarks of Senator von Reichbauer are well taken. The Sergeant at Arms and the doorkeepers will please not admit anyone described by Senator von Reichbauer from entering the Senate Chamber unless accompanied by a member of the Senate or is in the company of a Senator or is coming in at the request of a Senator."

On motion of Senator Talley, the amendments to the amendment by Senators Guess and Rasmussen were laid upon the table.

Senator Guess moved adoption of the following amendment by Senators Guess and Rasmussen to the amendment by Senator Day:
On page 4, beginning on line 29, strike "(3)" in its entirety and renumber subsequent subsections accordingly.

On motion of Senator Talley, the amendment by Senators Guess and Rasmussen to the amendment was laid upon the table on a rising vote.

Senator Guess moved adoption of the following amendment by Senators Guess and Rasmussen, to the amendment by Senator Day:
On page 8, after line 15, insert:
"NEW SECTION. Sec. 14. The authorization of the department to enter into contracts as provided in this act shall cease on June 30, 1981, unless extended by law for an additional fixed period of time."

On motion of Senator Talley, the amendment to the amendment was laid upon the table.

Senator Guess moved adoption of the following amendment to the amendment by Senator Day:
On page 3, line 32, after "means" strike the remainder of the sentence.

On motion of Senator Talley, the amendment to the amendment was laid upon the table.

The motion by Senator Day carried and the amendment, as amended, was adopted.

On motion of Senator Day, the rules were suspended, Engrossed Substitute House Bill No. 554, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Where did it get rewritten, Senator Day?"

Senator Day: "This bill did not get rewritten on the fly. It got rewritten by a bill that was sponsored in the Senate that came out of my committee and the amendment was made to conform to that bill which did go through the committee, Senator, and it was a Senate bill."
ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 554, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 35; nays, 7; absent or not voting, 2; excused, 5.

Absent or not voting: Senators Bluechel, Jones—2.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 554, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Marsh, the Senate returned to the fourth order of business.

MESSAGE FROM THE HOUSE

Mr. President: The House has receded from its amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 2709 to subsection (8) on page 7, line 26, of the amendment to page 2, beginning on line 29; and the amendment on page 32, line 11, and has passed the bill without these amendments, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

POINT OF INQUIRY

Senator Hayner: "I note that the House has changed the Senate language in section three that deals with the costs for remote and necessary and small schools. In essence, the House has restored the language that exists in current statutes, and refers to the extra costs of remote and necessary schools and small high schools. The Senate had altered this language because of the concern that all of the school districts presently receiving this extra weighting might not be able to continue to receive it. Is it your understanding that by restoring this language, the legislature would intend to deny any school the dollars that they would otherwise likely to receive as small schools?"

Senator McDermott: "The answer to your question is 'no'. The state board of education, this year, acting under the language that appears in both the current statute and in this engrossed substitute declared all small elementary school districts as remote and necessary. It is expected that the state board of education will take the same action under the language of the bill, i.e., designate certain schools as 'remote and necessary' based upon their smallness or low student enrollment. Replacing this language is not intended to change the situation that currently exists."
The President declared the question before the Senate to be the roll call on Engrossed Substitute Senate Bill No. 2709, without the House amendments to subsection (8) on page 7, line 26 of the amendment to page 2, beginning on line 29; and the amendment on page 32, line 11.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2709, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 43; nays, 1; excused, 5.

Voting nay: Senator Guess—I.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2709, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Walgren, the Senate returned to the first order of business.

MESSAGE FROM THE GOVERNOR

GUBERNATORIAL APPOINTMENT

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON:
Ladies and Gentlemen:
I have the honor to submit the following appointment, subject to your confirmation:

Charles E. Newschwander, appointed June 11, 1979, for a term ending March 1, 1985, succeeding Glenn Correa as a member of the Board of Tax Appeals.

Sincerely,

DIXY LEE RAY
Governor.

CONFIRMATION OF GUBERNATORIAL APPOINTMENT

MOTION

On motion of Senator Rasmussen, the rules were suspended and the appointment of Charles E. Newschwander, as a member of the Board of Tax Appeals was confirmed.

REMARKS BY MEMBERS OF THE SENATE

Senator Walgren: "Mr. President and members of the Senate, it is a particular pleasure for me to stand here today and to urge the members of this Senate to confirm the appointment of Charles Newschwander. I know truly that no urging is going to be required. Charlie has been a friend of all of ours. I have particularly enjoyed working with him during my years in the House of Representatives and in
the State Senate. We have had the pleasure of our families traveling together and working together. I can think of really no greater credit to a member of the Legislature than to have the Governor recognize the abilities, the qualities, the sincerity and the integrity of a member by naming that person to a very important position in state government. And certainly the position that Senator Newschwander is about to assume is that kind of a position, a member of the Board of Tax Appeals. It is a credit of this body and a credit to every member of this body that Senator Newschwander will assume this position."

Senator Jones: "Mr. President and ladies and gentlemen of the Senate, I would like to echo the sentiments of the majority leader and urge that we confirm Senator Charles Newschwander. Sort of like when those Welshmen arrived, I may get a little maudlin here but I will try not to do that. It has been an extreme pleasure to work with Charlie. We are going to miss him. God bless you, Charlie and Emma."

Senator Rasmussen: "Mr. President, I would just like to say a few kind words about Charlie Newschwander. He has been an excellent leader. He has done a good job in all the time that I have known him here in leading the Republicans out of the black wells of despair and giving them encouragement and trying to point out to them that if they work for the people the people will work for them and give them enough votes to become a power. This is not to say anything against the new leadership because they are going to have the same problem convincing the people that they are good for the people, as far as the Republicans are concerned. I like you all. However, I do want to say I am very sorry that Senator Newschwander is leaving the Senate. Charlie and I have alternated serving the same people. He at one time was in my district and one time I took over his district and we finally are back in separate districts. He has always done a good job. I have always felt that when we had a problem representing the people that the people in ninety-five and ninety-nine percent of the Legislature here is not partisan and it is what is good for the general public. Charlie has always worked very actively in all the years I have known him, probably a little bit more than the rest of you. I am going to lose my dentist and my family dentist. I am sure that that Tax Appeals Board is going to keep him very busy. Legislation we passed did allow the inheritance tax cases to be appealed to that Board. Also on the gift tax, if they have any differences of opinion, why that goes to that same Appeals Board. Along with all of your real estate problems and appeals you can go there, and business problems, and it is good to have a man of Charlie's caliber on there. I am glad to see him promoted and sorry to lose him and I know that you are too."

Senator Clarke: "I also, like Senator Walgren, had the pleasure of serving with Charlie both in the House and in the Senate, and I was particularly impressed by his sincerity and dedication. One thing you could always tell about Charlie, when he got up and took a position he took it because he meant it sincerely from the bottom of his heart and he was not afraid to take on anybody in support of that particular position. Now you have got to admire somebody that will do that. He got a little irascible on occasion, both with his friends and with his enemies, but we all understood Charlie and that was one of his charms. I think even Emma kind of likes that on occasion. So I just wish to join with the rest of them in wishing Charlie all the best in his future career."

Senator Donohue: "Mr. President and members of the Senate, I too would like to add a few words relating to Senator Newschwander. About two years ago Charlie and I became very good friends. In fact, we worked very closely in the ways and means committee. Charlie was the representative from the Republican Caucus and we worked very closely together. I think Senator Walgren mentioned the fact of Charlie's integrity and I think that this is one of the most important things about Charlie is that he is a man of integrity and in my judgment he is a man's man in the old saying, but one thing that I always remember and I think this is probably one of
the most important things about any legislator, Charlie's word is his bond and when he gave his word, even though later he might say, 'You know, I think I was wrong in giving that word relative to this particular issue,' he never backed away from it, and I think this is the respect that I have for Senator Newschwander and I know that he will do an excellent job on the Board of Tax Appeals."

Senator Van Hollebeke: "Mr. President and members, all the good things I would like to say about Senator Charlie have been said. The one stressed now by Senator Donohue about being a man of integrity I think stands above all others. Charlie, you have been a great credit to the Senate. You are a hard worker, you are intelligent, you have been well informed, and of course your word was always good. I think all of us enjoyed working with you at all times and we all join in wishing you well in your next endeavor."

Senator Goltz: "Mr. President and members of the Senate, for the past three years or so I have had the honor of serving with Senator Newschwander on the Senate Board of Ethics and I can tell you that there is no member of that board who had more integrity, more sensitivity and more honor on that particular assignment than did Senator Newschwander. It seems to me that those are exactly the qualities which the Governor was seeking when she appointed someone to the Board of Tax Appeals. So if I ever have a problem with my taxes that is appealable to that Board, I will feel comfortable going before Charles Newschwander."

Senator Hayner: "Mr. President, Charlie Newschwander has spent eighteen years in the Legislature. He has been a very dedicated member of this body and a contributor in his community. He will be a very effective member of the Tax Appeals Board. He made a significant contribution in the effort to try and find a common school funding program and he had a very good one, we Republicans thought. He has also worked diligently on a tax limitation plan which has subsequently become initiative 62 and which will be on the ballot this fall. It is a tribute to him and I think it will pass. I think he is eminently qualified and I urge his confirmation."

Senator von Reichbauer: "Mr. President and members of the Senate, I had the unique opportunity of serving with Charlie and also having voted for him, something which no one else here on this floor has. I used to live in the Twenty-eighth District for a number of years and I will say publicly that at least one of those times I had the opportunity to vote for Charlie I took advantage of it. He has had many accomplishments. I had the opportunity to serve with him on the Education committee when I first became a member and he exhibited a great deal of skills in this area. I also observed him in the area of natural resources and Senator Donohue referred to his area in budgetry. I was amazed, however, that Charlie does have one other great accomplishment. As Senator Rasmussen's dentist, he was able to tell Slim Rasmussen to shut up and he actually did. I envy him."

Senator Sellar: "Mr. President, not to belabor this, but I just feel compelled to say something. You know, this place gets kind of frustrating sometimes, but one of the really neat parts about being here and being a member of this body is the friendships which you make with many people here, and I just have to say that I really feel very proud and very honored to have Charles Newschwander as a friend."

Senator Fleming: "Mr. President and members of the Senate, most of us that stood upon the floor and talked about Senator Newschwander as someone that they served with, a good man, a good Senator, and all those qualities that the people out there in the state of Washington look for in their elected officials, but I think there is another side to Chuck. One of them is that he had a great fondness for the young people of our state. He had a great fondness for those young people who wanted to advance themselves in the field of athletic endeavors. He was a great friend of the young athletes. He was a great friend of the University of Washington. All too many times Chuck has gone out of his way to help recruit young people to advance
their skills in athletic endeavors but also in education. Chuck and I, we got along very well. I think I only maybe got one vote out of Chuck in eight years, maybe two, but it was a sincere vote and his vote was voting his constituents and mine was voting mine. but I think it was through that togetherness, that common interest that he and I had in athletic endeavors that he learned to gain respect for me as an individual and as a Senator and I gained the same for him. We wish him the best."

Senator Talley: "Mr. President, I cannot help but think if Charlie Newschwander was here and asked to comment on these remarks, what his remark would be."

APPOINTMENT OF CHARLES E. NEWSCHWANDER

The Secretary called the roll. The appointment was confirmed by the Senate by the following vote: Yeas, 44; excused, 5.

APPOINTMENT OF SPECIAL COMMITTEE

The President announced the presence in the Senate of Senator and Mrs. Charles E. Newschwander and appointed Senators Guess, Clarke, Matson, Jones, Rasmussen, Bottiger, Wojahn and Gaspard to escort the honored guests to a seat on the Senate rostrum.

REMARKS BY THE PRESIDENT

President Cherberg: "Emma and Charlie, members of the Senate, ladies and gentlemen; Charlie, the members of the Senate have made it eminently clear as to the high regard in which you are held by everyone who has served with you and by everyone else who has ever had the opportunity and the pleasure of meeting you and Emma. It is difficult to add to the wonderful compliments that you have received but with a person of your character, integrity and ability, it is quite easy. You have been a dedicated and diligent servant of the people and you are to be heartily congratulated for your recent appointment, but commended even more highly for the remarkable contribution you have made to the people of the state of Washington. It is quite clear that everyone wishes you and Emma God speed, and now you are on your own.

REMARKS BY SENATOR NEWSCHWANDER

Senator Newschwander: "Thank you, Governor Cherberg and members of the Senate. It seems like just yesterday I started in this Legislature and now I guess is the time when it is time to leave. I do not have words, but I appreciate all the kind words that were said today. I am still going to be around. I am going to miss the Senate though. I want to thank each and every one of you. I would like to thank my wife for putting up for twenty years of this. Governor Cherberg, I would like to thank you for all the kindness you have shown me and my family. I would like to thank Governor Ray for having confidence in appointing me to this position. I still hope to be active and I am going to give my full time to being a good board member and do the job I hope I can do, and I want to thank each and every one of you for
your friendship, your courtesy. I will still be around once in a while to say hello. Thank you all very much.

POINT OF INQUIRY

Senator Jones: "Would Senator Newschwander yield to a question?"
Senator Newschwander: "I shouldn't, knowing Jones, but I will listen anyway."
Senator Jones: "Senator Newschwander, I learned today that you are Slim Rasmussen's dentist."
Senator Newschwander: "That is correct."
Senator Jones: "You have had him stretched out in front of you with that mouth open. Right? Haven't you ever been tempted maybe to drop a tool in there or wire it shut?"
Senator Newschwander: "I have known Slim for thirty-two years. He has been one of my very close friends in Tacoma."
Senator Jones: "That is great self-control, Charlie. I admire you."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Mr. President and members of the Senate, these are not to cover up the tools that Charlie left in my mouth. These are for his wife Emma, for all the years of laboring she has to bring him to this point when he could leave the Senate knowing there is nothing more than can be done, that the budget is passed. Her work is just starting. She is going to have to keep track of Charlie down there on the Appeals Board and they go all over the state. So Emma, for all of your hard work."

(Senator Rasmussen presented a bouquet of roses to Mrs. Newschwander)

REMARKS BY MRS. NEWSCHWANDER

Mrs. Newschwander: "Thank you very much and I just want you all to know I earned every one of them."

REMARKS BY SENATOR FLEMING

Senator Fleming: "Mr. President, I would just like to, before Senator Newschwander leaves the dais I would like to give him some good information that he would be glad to hear. I had a conversation with Mike Lude today out at the University of Washington and he assured me that you would not have to sit in the end zone this year."

The committee of honor escorted the Honorable Charles E. Newschwander and his wife from the Senate Chamber.

The committee was discharged.

completed and this resolution asks the Transportation Commission to give serious 
consideration to naming the bridge in his honor and commending him for his long 
and dedicated service to the citizens of Eastern Washington, and I urge its

MOTION

Senator Hansen moved the Senate do concur in the House amendments to Substitute Senate Bill No. 2504.

POINT OF INQUIRY

Senator Morrison: "Senator Hansen, the House really by amendment modified rather drastically the flexibility that the department of ecology had in financing projects, at least as we were used to it under the Washington Future's bond money. Do I also understand that in subsequent legislative sessions that you will be leading the charge to help us get those flexibilities built back in?"

Senator Hansen: "I probably will grant you that we will. At the present time the state could grant up to fifteen percent of the total project cost. The amendment that they stuck on would be fifteen percent of the state's allocation, which is a clear break of faith of the Washington Futures and the amount of money that has been allotted for the local jurisdictions and their water supplies can grant up to forty percent, and that money is all used and now they have turned around and stuck this fifteen percent of the fifteen percent, which I think is going to handicap us on some of the projects that we were trying to promote."

The motion by Senator Hansen carried.

The Senate concurred in the House amendments to Substitute Senate Bill No. 2504.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 574, by Committee on Appropriations (originally sponsored by Representative Valle)(by Executive request):
Authorizing bonds for water supply facilities.
The Senate resumed consideration of Engrossed Substitute House Bill No. 574. The bill was placed on second reading and read the second time in full earlier today.
On motion of Senator Donohue, the following amendment was adopted:
On page 4, after line 18, strike all of section 11 and renumber the remaining sections accordingly.
On motion of Senator Donohue, the following amendment to the title was adopted:
On page 1, line 5 of the title after "bonds;" strike "amending section 24, chapter 13, Laws of 1967 as amended by section 4, chapter 155, Laws of 1973 and RCW 90.48.260;"
On motion of Senator Donohue, the rules were suspended, Engrossed Substitute House Bill No. 574, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Donohue, is it your intention we only struck Section 11? Do I have the right amendment? Okay, ... all this new material . . . . I do not know if you want that all in there or not. We do not have a clean bond bill with all this in there."
(No reply by Senator Donohue)

MOTIONS

On motion of Senator Donohue, the rules were suspended, Engrossed Substitute House Bill No. 574 was returned to second reading.
On motion of Senator Donohue, the following amendment was adopted:
On page 5, after line 34, strike all of section 13 and renumber the remaining sections accordingly.

**POINT OF INQUIRY**

Senator Goltz: "Is a proposal to delete section 12 upon the advice of bond counsel? Is this some portion of the bill which in some way injures the salability of these bonds or is there another reason for asking that section 12 be deleted?"

Senator Donohue: "Senator, there is no other reason. Over the years, bond counsel has always recommended that a bond bill be absolutely clean. This particular section is a change of some of the statutes and it does not have any place in the bond bill. There is no indication by this motion to be in favor or against that particular section. It just does not belong in a bond bill."

Senator Goltz: "Senator Donohue, I can understand something that is a foreign particle in a bill that would cause the bond counsel concern, but inasmuch as this is a new section which deals with another subsection or chapter in the RCW, it seems to me at least that bond counsel could easily ignore this part for his purposes and this good little important piece of paperhanging could go forward."

Senator Donohue: "Senator, in a sense what you tried to use the bond vehicle for—I am not saying you, I mean someone—tries to use a bond vehicle for this kind of change would indicate that that is in a sense paperhanging and consequently I would like to have the support of the members of the Senate to delete this. I am not speaking against the idea, Senator. It just does not belong in a bond bill."

On motion of Senator Donohue, the rules were suspended, Engrossed Substitute House Bill No. 574, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

**ROLL CALL**

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 574, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 43; absent or not voting, 1; excused, 5.

Absen't or not voting: Senator Matson—1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 574, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

**MOTION**

On motion of Senator Marsh, the Senate commenced consideration of the House Message on Substitute Senate Bill No. 2451.

**MESSAGE FROM THE HOUSE**

June 1, 1979.

Mr. President: The House has passed SUBSTITUTE SENATE BILL NO. 2451 with the following amendments:

On page 2, line 5, after "2" strike "and 3" and insert "3 and 4"

On page 2, following line 31, insert a new section to read as follows:
"NEW SECTION. Sec. 4. There is added to Chapter 223, Laws of 1969, ex. sess., and to chapter 28B.15 RCW a new section to read as follows:

The boards of trustees of each of the community colleges may waive in whole or in part the tuition, operating, and services and activities fees for 'displaced homemakers' as defined by Section 3, Chapter 73, Laws of 1979, ex. sess. (Senate Bill No. 2406)."

Renumber the remaining section, and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Goltz moved the Senate do concur in the House amendments to Substitute Senate Bill No. 2451.

Debate ensued.

POINT OF INQUIRY

Senator Lee: "As you know, I am interested in the program itself, but I do have some concerns about what we are doing to community colleges with all kinds of things now. Do I understand correctly that community colleges currently have authorization to do this same kind of thing, a fee reduction or waiver for low income students, those who qualify under that restriction?"

Senator Goltz: "That is correct. There is already a provision for low income or, I think the phrase is needy or disadvantaged students."

Senator Lee: "Then this would be in addition to that authorization?"

Senator Goltz: "The reason, I guess the reason I think that this is almost a distinction without a difference or a difference without a distinction is that the great majority of persons who would apply for and be eligible for a fee waiver as a displaced homemaker would also qualify probably under the needy provision. I think this gives a little more visibility but I honestly do not think it gives it very much of a change in . . . ."

Senator Lee: "The nature of my question is, does this increase—if I understand it correctly, the community college—only a certain percent of their students can get that kind of a fee waiver. Does this increase that percentage?"

Senator Goltz: "It does not. The law says the total dollar amount of tuition fee waivers awarded by any state university, regional university, state college and the community colleges, and it shall be at four percent, and three-fourths of that has to be for the needy."

The motion by Senator Goltz carried.

The Senate concurred in the House amendments to Substitute Senate Bill No. 2451.

It shall be the duty of the county treasurer to mail a copy of

Said certificates of delinquency issued to the county may be issued in one general certificate in book form including all property, and the proceedings to foreclose the liens against said property may be brought in one action and all persons interested in any of the property involved in said proceedings may be made codefendants in said action, and if unknown may be therein named as unknown owners, and the publication of such notice shall be sufficient service thereof on all persons interested in the property described therein, except as provided above. The person or persons whose name or names appear on the treasurer's rolls as the owner or owners of said property shall be considered and treated as the owner or owners of said property for the purpose of this section, and if upon said treasurer's rolls it appears that the owner or owners of said property are unknown, then said property shall be proceeded against, as belonging to an unknown owner or owners, as the case may be, and all persons owning or claiming to own, or having or claiming to have an interest therein, are hereby required to take notice of said proceedings and of any and all steps thereunder: PROVIDED, That, at least thirty days prior to the sale of the property, if such property is shown on the tax rolls under unknown owners or as having an assessed value of three thousand dollars or more, the treasurer shall order or conduct a title search of the property to be sold to determine the legal description of the property to be sold and the record title holder, and if the record title holder or holders differ from the person or persons whose name or names appear on the treasurer's rolls as the owner or owners, the record title holder or holders shall be considered and treated as the owner or owners of said property for the purpose of this section, and shall be entitled to the notice provided for this section."

MOTION

Senator Donohue moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 2929 to page 11, line 27; page 11, line 33, (Craswell/Vrooman amendment); page 11, line 33 (Sommers/Nelson/Erickson amendment) and refuses to concur in all remaining House amendments and asks the House to recede therefrom.

POINT OF INQUIRY

Senator Walgren: "Senator Donohue, I just happened to catch the word 'ferry boats' there and something about a sales tax exemption for ferry boats, something that Representative Craswell put on the bill over there. What ferry boats are we talking about?"

Senator Donohue: "I think Senator Peterson can respond to that, Senator, better than I."

REMARKS BY SENATOR PETERSON

Senator Peterson: "Senator Walgren, we have already given the state ferry system exemptions on the sales tax. There is only one ferry involved in this particular amendment to the bill and that is the ferry that the port and Skagit county has purchased for the Guemes Island run. It is not a big deal but it gives the county the same tax exemption that we have already given the state."

The motion by Senator Donohue carried.

The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2929 to page 11, line 27; page 11, line 33, (Craswell/Vrooman amendment); page 11, line 33 (Sommers/Nelson/Erickson amendment) and refuses to concur in all remaining House amendments and asks the House to recede therefrom.

SIGNED BY THE PRESIDENT

The President signed:

HOUSE BILL NO. 516.

MOTION

On motion of Senator Peterson, Engrossed Substitute Senate Bill No. 2929, together with the Senate Message, was immediately transmitted to the House.

SECOND READING

ENGROSSED HOUSE BILL NO. 433, by Representatives Barr, Valle and Granlund:

Updating certain powers of the department of ecology.

The Senate resumed consideration of Engrossed House Bill No. 433. The bill was considered on May 30, 1979 and held on second reading.

There being no objection, an amendment by Senator Williams to page 2, line 24 on the desk of the Secretary of the Senate was withdrawn.

MOTIONS

On motion of Senator Wilson, Senator von Reichbauer was excused.

Senator Morrison moved adoption of the following amendment by Senators Morrison, Day, Marsh and Talley:

On page 2, line 27, after "RCW" insert:

*: PROVIDED, That this amendatory provision relating to tax exemptions or credits shall not apply to any facility eligible for a certificate as described in RCW 82.34.010(5)"

POINT OF ORDER

Senator Williams: "Mr. President, the amendment as I understand it is, however negatively put, is in essence the issue that we have already voted on and reconsidered, and I would suggest that it would be contrary to Reed's Rules in that this is a second reconsideration of something the body has already decided."

Debate ensued.
Senator Goltz: "Senator Williams, a number of persons and industries that have already begun this process and have applied for permits and have, in fact, qualified for these tax credits and exemptions are concerned about the language which exists in the original bill, wondering whether any of those current applications and current credits and current exemptions might be in jeopardy if this bill passes in its present form as it is before us without the amendment. Could you clarify that?"

Senator Williams: "Yes, Senator Goltz. It is my belief and others that the language of 433 as it stands right now in no way affects present exemptions or credits, and I have here, if I might read this, a department of revenue memo to myself dated June 1, 1979, and it is from Ed Tveden, director, interpretation and appeals for the department of revenue, and in it he restates the language of the amendment or the language that is now in 433 and goes on to say:

'This is to confirm the opinion which I expressed to the ecology committee at the time of the public hearing on this bill to the effect that the above quoted language is interpreted to mean that any pollution control credits or exemption permitted by existing law would not be affected in any way. We would construe that language as not permitting, however, any pollution control facility exemption or credits on account of facilities which might be required by the department of ecology pursuant to its expanded authority under the Federal Water Pollution Control Act as amended in 1977.'

'What I have read you then confirms what was said before the ecology committee that the revenue department's interpretation is that no present tax credits or exemption under existing law would in any way be jeopardized.'

Further debate ensued.

There being no objection, at 3:00 p.m., the Senate was declared to be at ease.

The President called the Senate to order at 4:55 p.m.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Williams, the President finds that the amendment proposed by Senator Morrison and others is a clarification of existing language in the bill.

'If Senator Williams' opinion from the department of revenue is correct, then further clarification of the existing language in the bill as is intended by this proposed amendment is not out of order.'

The amendment by Senators Morrison, Day, Marsh and Talley was ruled in order.

POINT OF INQUIRY

Senator Williams: "Senator Morrison, as I understand it then, you and others are concerned that the language presently in the bill may jeopardize existing tax credits and exemptions granted or those able to be granted under present state law?"

Senator Morrison: "Yes, that is true."

Senator Williams: "Is it your intention then that your amendment will apply only to existing tax credits and exemption and not establish any new tax exemptions or credits for pollution control facilities required by the 1977 amendments to the Federal Water Pollution Control Act?"

Senator Morrison: "No, it is the intent of this amendment to continue the existing exemptions that are available. In fact, it would allow those facilities that were constructed before July 30, 1967 and that would qualify for exemptions under existing law to continue to qualify for tax credit as long as public agencies, in this case the department of ecology, said 'You will build new facilities to live up to the standards we are now setting.' So this is in effect a grandfather clause continuing the
existing tax credits and they would apply to new requirements as mandated by the department of ecology under this act."

Senator Williams: "I am sorry that you answered that that way because I think that was the intention of the original language in the bill and that is why my argument was that your language would contradict language that we have already enacted, because it is only those facilities built before 1967 or in existence prior to then that any tax pollution credits or exemptions apply to. No facility since then can get any tax credits or pollution control exemptions, so therefore I think your explanation of the intention of your amendment exactly contradicts what the existing language is in the bill and for that purpose I then would urge that we not adopt this language."

REMARKS BY SENATOR DAY

Senator Day: "It is my understanding that the reason that the language in the bill is different from the language in the amendment, if you will note, the amendment speaks to only one subsection of the RCW. The language in the bill speaks to the entire section in the RCW, and consequently it is necessary to adopt this proviso so that we retain the exemption for those existing facilities that were constructed before 1967 so that the department of ecology cannot come along and require a company that has invested in good faith many millions of dollars in this state and require them to further modify their facility and not give them tax credits for it.

"Now as far as the new construction after 1967 when they were aware of the requirements that are here and that are coming in these areas, there is no reasons why those people should have a tax exemption and I do not object to that. The reason the proviso is necessary, again, is to protect those people who have invested a lot of money and have existing facilities that are not going to meet those requirements and they should be entitled to those tax exemptions so that they can, in fact, further ecology in the state and not damage them as industries in the state; so I certainly urge that we adopt this amendment so that we can vote for the bill and not completely destroy the bill."

REMARKS BY SENATOR MORRISON

Senator Morrison: "Mr. President, I think this is a question of public policy and it has been a policy of this state since we first enacted the tax credit for pollution control facilities that in fact where facilities existed in this state, were built in good faith with private capital to create jobs, that we said to them, 'As long as we the public insist that you change these facilities, that we will be willing to help in the financing,' and that is exactly where we are. The amendment before us is a grandfather clause, if you will. It again states that same public policy that when you are forced by governmental action to make changes, that that government, that society that forced the changes is also willing to help pay the tab. These are only on old existing facilities and I think this is only fair and that we should pass this amendment and then the bill."

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Marsh, are these tax credits available to new industry now coming into the state?"

Senator Marsh: "They are not now."

Senator Rasmussen: "Well you spoke of encouraging new industry to come into the state."

Senator Marsh: "I would be in favor of encouraging new industry to come into our state through exemptions. This does not do that, however."
Senator Rasmussen: "That is what I was wondering."

Further debate ensued.

**POINT OF INQUIRY**

Senator Day: "Senator Rasmussen, if the department of ecology mandates certain requirements, say on Kaiser Aluminum in Spokane county, it has been there preceding 1967, and they gave them tax credit and then we come along and ten years later they mandate again on them some new requirements, is there any reason why the same rule should not apply?"

Senator Rasmussen: "Yes, because that new industry from the new plant Alcoa that have come into the state since that time and required the same modification now would not be getting the same credits as those prior to 1969."

Senator Day: "I would be happy to extend that to this point if you want to, but the thing is that if a new company comes in, if Kaiser comes into Spokane and puts another plant in there, they are going to know what the requirements are. They should know what the emission requirements may even become because they are well aware of what the technical problems are relative to air and water pollution and they should build that into the new plant, but when you have an existing structure there and you allow the department of ecology to come along and arbitrarily set a new standard every so often, or the federal government, then what you are up against is exactly what we have got, Senator, and that is why we have got to have this amendment on here."

Further debate ensued.

Senator Williams demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the amendment by Senators Morrison, Day, Marsh and Talley.

**ROLL CALL**

The Secretary called the roll and the amendment was adopted by the following vote: Yeas, 31; nays, 9; absent or not voting, 3; excused, 6.

Absent or not voting: Senators Donohue, Gallagher, Lee—3.

INTRODUCTION AND FIRST READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 907, by Committee on Revenue (originally sponsored by Representatives Warnke and Charnley):
Modifying the bond issue for the "people's lodge" regional Indian facility.

MOTIONS

On motion of Senator Marsh, the rules were suspended, Engrossed Substitute House Bill No. 907 was advanced to second reading and read the second time in full.

Senator Rasmussen moved adoption of the following amendment by Senators Rasmussen and Donohue:
On page 1, beginning on line 23, strike all material down to and including the period on line 29, and insert:
"No bonds shall be issued unless the executive director of the arts commission certifies to the state finance committee that two million seven hundred thousand dollars or more in additional federal and/or private funding is provided for or secured. In the event that the additional federal and/or private funds are not obtained within two years of the effective date of this 1979 act, the provisions of the act and the authorization to issue general obligation bonds shall be of no further force and effect."

Debate ensued.
The motion by Senator Rasmussen failed and the amendment was not adopted.

Senator Woody moved the following amendments by Senators Woody, Scott, Vognild, Newschwander and Donohue be considered and adopted simultaneously:
On page 1, beginning on line 22, after "Washington." insert "No bonds shall be issued unless the executive director of the arts commission certifies to the state finance committee that one million dollars or more in federal and/or private funds is provided or secured within five years of the effective date of this 1979 act."
On page 1, line 23, strike "if two" and insert "In addition to the requirements of this section, if one"

Debate ensued.
The motion by Senator Woody failed and the amendments were not adopted.

MOTIONS

On motion of Senator Jones, Senator Quigg was excused.

On motion of Senator Shinpoch, the rules were suspended, Engrossed House Bill No. 907, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Shinpoch, I have heard you speak of urban Indians. Do you have a roster of urban Indians and can you tell me how many are enrolled in this club?"
Senator Shinpoch: "No."
Senator Rasmussen: "Do you know if it is more than one or less than ten?"
Senator Shinpoch: "I am not sure that I understand—did I understand your question to be, those members who enrolled in this tribe?"
Senator Rasmussen: "There is no longer a tribe, as I understand it. These are people that have moved off the reservation and are citizens of the state of Washington."

Senator Shinpoch: "Those on the reservations are also citizens of the state of Washington."

Senator Rasmussen: "Yes and no."

Senator Shinpoch: "Yes and no, what?"

Senator Rasmussen: "When they have elected to move off of the reservation and accepted the rules and regulations and laws of the state of Washington, they are then no longer considered reservation Indians. But regardless, the urban Indians you are telling about, I would like to know, do you have a knowledge of how many are involved in this club or whatever you may call this urban organization?"

Senator Shinpoch: "Senator Rasmussen, if you are asking me, do I personally know that, no, I do not. However, I am sure that there is a listing of all those people that do belong to the United Tribes that is representing this particular item."

Senator Rasmussen: "And are in favor of this project? I would like to have that if you could produce it. Second question. This speaks of cultural facilities. What, to your knowledge, are the cultural facilities that are going to be built? Are they going to be nonprofit or are they going to be profit making?"

Senator Shinpoch: "The organization that will be running it is a nonprofit organization. I am having a problem, Senator Rasmussen, trying to figure out where you are going so I can be directly responsive to your question. The United Indians is a nonprofit corporation. Does that answer your question?"

Senator Rasmussen: "No. The last question, Senator Shinpoch was, those cultural facilities that you want the state to issue bonds for, I am quite curious what you are proposing. You have the information as the sponsor of the bill. What is your information regarding these facilities? What is going to be built?"

Senator Shinpoch: "First, this is a House bill and I have not sponsored one of those since 1976. I do support this bill, however, and it does read that it is for cultural, educational, tourist and economic development, and I would expect that cultural would be teaching those things which are of the Indian culture and probably will cover most of the Northwest tribes if not all of the Northwest tribes."

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 907 and the bill passed the Senate by the following vote: Yeas, 30; nays, 9; absent or not voting, 3; excused, 7.

MESSAGE FROM THE HOUSE

Mr. President: The House has passed SUBSTITUTE SENATE BILL NO. 3101 with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Section 1. For the purpose of furnishing funds for state assistance to school districts in providing for the construction of common school plant facilities, the state finance committee is hereby authorized to issue general obligation bonds of the state of Washington, the first authorization of which shall be in the sum of thirty million dollars and designated as Series I bonds, and the second authorization which shall be in the sum of one hundred eighty-seven million dollars and designated as the Series II bonds, or so much thereof of each authorization as shall be required to provide state assistance to local school districts for the construction of common school plant facilities. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation and these bonds shall be paid and discharged in not more than thirty years of the date of issuance.

NEW SECTION. Sec. 2. When the state finance committee has determined to issue the general obligation bonds or a portion of such series thereof as authorized in section 1 of this act, it may, pending the issuance thereof, issue in the name of the state temporary notes in anticipation of the issuance of the bonds, which notes shall be designated as "bond anticipation notes." Such portion of the proceeds of the sale of each series of bonds as may be required for the payment of the principal of and redemption premium, if any, and interest on the notes shall be applied thereto when the bonds are issued.

NEW SECTION. Sec. 3. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds and/or the bond anticipation notes authorized by this chapter, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance.

Each bond and bond anticipation note shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal thereof and interest thereon when due.
NEW SECTION. Sec. 4. Except for that portion of the proceeds required to pay bond anticipation notes, the proceeds from the sale of the bonds and/or bond anticipation notes authorized by this chapter, and any interest earned on the proceeds, together with all grants, donations, transferred funds, and all other moneys which the state finance committee may direct the state treasurer to deposit therein, shall be deposited in the common school building construction account of the general fund, and shall be used exclusively for the purposes of carrying out the provisions of this chapter, and for payment of the expense incurred in the printing, issuance and sale of such bonds.

NEW SECTION. Sec. 5. The common school building bond retirement fund of 1979 is hereby created in the state treasury for the purpose of payment of the principal of and interest on the bonds authorized by this chapter.

The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amounts required in the next succeeding twelve months for the payment of the principal of and the interest coming due on each series of the bonds and the dates on which the payments are due. The state treasurer, not less than thirty days prior to the date on which any interest or principal and interest payment is due, shall withdraw from any general state revenues or any other funds constitutionally available and received in the state treasury and deposit in the common school building bond retirement fund of 1979 an amount equal to the amount certified by the state finance committee to be due on the payment date. Separate accounting records shall be maintained by the state treasurer of the debt service requirements of each series of bonds payable from the common school building bond retirement fund of 1979, as certified by the state finance committee.

NEW SECTION. Sec. 6. Prior to June 30th of each year the superintendent of public instruction shall cause to be accumulated in the common school construction fund from moneys transferred into the fund from the interest on the permanent common school fund, an amount at least equal to the amount required in the next succeeding twelve months for the payment of the principal of and interest on the Series I bonds issued under this chapter. Not less than thirty days prior to the date on which any interest, or principal and interest payment is due, the superintendent of public instruction shall cause the amount so computed to be transferred from the common school construction fund to the general fund of the state treasury.

NEW SECTION. Sec. 7. The bonds authorized by this chapter shall constitute a legal investment for all state funds or for funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 8. The Series I bonds authorized by this chapter shall be first issued and only after the superintendent of public instruction has certified, based upon estimates submitted by the state finance committee of future interest earnings of the permanent common school fund and other factors, that an adequate balance will be available in the common school construction fund to enable the superintendent of public instruction to meet the requirements of section 6 of this act during the life of the bonds to be issued.

NEW SECTION. Sec. 9. No provisions of this chapter shall be deemed to repeal, override, or limit any provision of RCW 28A.47.784 through 28A.47.811, nor any provision or covenant of the proceedings of the state finance committee acting for and on behalf of the state of Washington heretofore or hereafter taken in the issuance of its revenue or general obligation bonds secured by a pledge of the interest earnings of the permanent common school fund under these statutes. The obligation of the superintendent of public instruction to make the transfers provided for in section 6 of this act shall be subject and subordinate to the lien and charge of the outstanding public school building revenue bonds, and any refunding general obligation bonds hereafter issued, on the interest earnings of the permanent common school fund pledged to secure the bonds.
NEW SECTION. Sec. 10. Not less than twenty-two million dollars of the proceeds received from the sale of the Series II bonds shall serve as total compensation to the common schools for the sale of timber from trust lands heretofore sold to the state parks and recreation commission pursuant to RCW 43.51.270 and 43.51.280.

NEW SECTION. Sec. 11. Debt service requirements of the bonds authorized by this chapter shall be included under the state's debt limitations.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act are added to Title 28A RCW as a new chapter thereof.

NEW SECTION. Sec. 13. Authority to issue the balance of general obligation bonds authorized by chapter 13, Laws of 1969 and unissued in the amount of three million nine hundred thousand dollars is hereby rescinded.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 15. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 6 of the title, after "facilities;" insert "providing compensation for the sale of timber on trust lands;" and the same is herewith transmitted.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Donohue moved the Senate do not concur in the House amendments to Substitute Senate Bill No. 3101 and ask the House to recede therefrom.

POINT OF INQUIRY

Senator Guess: "Senator Donohue, you made a real good speech and I would have liked to have gotten your attention, Senator Donohue, and gotten you on the record, but I would like to describe to you the situation that has been relayed to me by School District 81 in Spokane and I think it, from what I have heard, repeats in several districts. The difficult task, even though Section 192 of the budget appropriates the total amount of money, the local districts have been told that the cash flow of the fund is going to be the major hurdle over which the administrators are going to have to get this year.

"Now, one part of the superintendent of public instruction's office says that, 'Yes, go ahead, it is all right.' Another part that is more conservative and more prone to want to have the money in hand says, 'No, we cannot issue the certificates because the money is not there and we are afraid to give you that authority.' True, Spokane passed a fifty-four million dollar bond issue and that money is available and can be spent but when we look at the record we find that ten or eleven of the projects are down below the line. Now those projects under the present situation and present thinking of the SPI could not be granted certificates. Can we get over to the SPI our firm intention that those certificates should be granted? This is my question to you."

Senator Donohue: "Senator, I see no reason at all and I intend to get a letter to them and I have discussed this with you a little bit earlier, as it relates to this specific problem. I see no reason at all why they cannot go ahead and issue the certificates and allow the schools to go ahead with their own money. This is the issue. When they say they cannot issue certificates, there is nothing to preclude them, and in my staff's analysis at least tells me, there is nothing to preclude them from going
ahead and issuing those certificates so that they can begin to plan and go ahead with construction plans."

Senator Guess: "Senator Donohue, I would think that there will be a number of us on this floor who would like to join with you in signing that letter of intent to the SPI's office so that he really understands the critical nature of the situation."

POINT OF INQUIRY

Senator Odegaard: "Senator Donohue, I believe we had a date either in this bill or in the budget bill that those projects that had already been approved by the voters in the local school districts by April fifth or somewhere thereabouts, that it would be assured that those projects would be still matched with the state funds. Is that the intent of this bill and your intent?"

Senator Donohue: "Of the total amount of money, yes, Senator, that is correct."

The motion by Senator Donohue carried.

The Senate refused to concur in the House amendments to Substitute Senate Bill No. 3101 and asks the House to recede therefrom.

MOTION

On motion of Senator Marsh, the Senate commenced consideration of the House Message on Engrossed Substitute Senate Bill No. 2505.

MESSAGE FROM THE HOUSE

June 1, 1979.

Mr. President: The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 2505 with the following amendments:

"NEW SECTION. Section I. In order for the state to provide safe and humane detention and correctional facilities, its long range development goals must include the renovation of jail buildings and facilities."

"NEW SECTION. Sec. 2. For the purpose of providing funds for the planning, acquisition, construction, and improvement of jail buildings and necessary supporting facilities within the state, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of one hundred six million dollars, or so much thereof as may be required, to finance the improvements defined in this chapter and all costs incidental thereto but not including acquisition or preparation of sites. These bonds shall be paid and discharged within thirty years. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation of the proceeds of the bonds to be sold."

"NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by this chapter shall be deposited in the local jail improvement and construction account hereby created in the general fund and shall be used exclusively for the purpose specified in this chapter and for payment of the expenses incurred in the issuance and sale of the bonds."

"NEW SECTION. Sec. 4. The proceeds from the sale of the bonds deposited in the local jail improvement and construction account of the general fund under the terms of this chapter shall be administered by the Washington state jail commission subject to legislative appropriation."

"NEW SECTION. Sec. 5. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance. None of the bonds authorized in this chapter shall be sold for less than their par value."
NEW SECTION. Sec. 6. When the state finance committee has decided to issue the bonds, or a portion thereof, it may, pending the issuing of the bonds, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which notes shall be designated as "anticipation notes." Such portion of the proceeds of the sale of the bonds as may be required for this purpose shall be applied to the payment of the principal of and interest on any of these anticipation notes which have been issued. The bonds and notes shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal and interest when due. The state finance committee may authorize the use of a printed facsimile of the seal of the state of Washington in the issuance of the bonds and notes.

NEW SECTION. Sec. 7. The jail renovation bond retirement fund is hereby created in the state treasury. This fund shall be used for the payment of interest on and retirement of the bonds and notes authorized by this chapter. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required in the next succeeding twelve months for the payment of the principal of and the interest coming due on the bonds. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the jail renovation bond retirement fund an amount equal to the amount certified by the state finance committee to be due on the payment date. The owner and holder of each of the bonds or the trustee for any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361 or HB 569), Laws of 1979 1st ex. sess., and becomes effective by statute prior to the issuance of any of the bonds authorized by this chapter, the retirement fund shall be used for purposes of this chapter in lieu of the jail renovation bond retirement fund, and the jail renovation bond retirement fund shall cease to exist.

NEW SECTION. Sec. 8. The bonds authorized in this chapter shall be a legal investment for all state funds or for funds under state control and for all funds of any other public body.

Sec. 9. Section 6, chapter 316, Laws of 1977 ex. sess. as amended by section 170, chapter 151, Laws of 1979 and RCW 70.48.060 are each amended to read as follows:

(1) Any funds allocated to a governing unit for jail construction or renovation pursuant to this chapter shall constitute full funding of the cost of implementing the physical plant standards within the meaning of RCW 70.48.070(2). Jail construction or renovation represents the full extent of the state's financial commitment with regard to jails. Local governing units are responsible for funding all costs of operating jails.

(iv) Establish criteria and procedures for setting priorities among the projects approved for state funding for purposes of allocating state funds actually available; and

(v) Establish procedures for the submission, review, and approval or denial of projects submitted and appeals from adverse determinations, including time periods applicable thereto.

The contracts may be terminated only by ninety days written notice to the governing units involved and to the commission. The notice shall state the grounds for termination and the specific plans for accommodating the affected jail population.

2) The contract authorized in subsection (1) of this section shall be for a minimum term of ten years when state funds are provided to construct or remodel a jail
in one governing unit that will be used to house prisoners of other governing units. The contract may not be terminated prior to the end of the term without the commission's approval. If the contract is terminated, or upon the expiration and nonrenewal of the contract, the governing unit whose jail facility was built or remodeled to hold the prisoners of other governing units shall pay to the state treasurer the amount set by the commission when it authorized disbursement of state funds for the remodeling or construction under RCW 70.48.120. The facilities shall comply with chapter 70.48 RCW and the rules adopted thereunder.

NEW SECTION. Sec. 17. There is added to chapter 70.48 RCW a new section to read as follows:

(1) All cities and counties are authorized to establish and maintain farms, camps, and work release programs and facilities. The facilities shall meet the requirements of chapter 70.48 RCW and any rules adopted thereunder.

(2) Farms and camps may be established either inside or outside the territorial limits of a city or county. A sentence of confinement in a city or county jail may include placement in a farm or camp. Unless directed otherwise by court order, the chief law enforcement officer or department of corrections, may transfer the prisoner to a farm or camp. The sentencing court, chief law enforcement officer, or department of corrections may not transfer to a farm or camp a greater number of prisoners than can be furnished with constructive employment and can be reasonably accommodated.

(3) The city or county may establish a city or county work release program and housing facilities for the prisoners in the program. In such regard, factors such as employment conditions and the condition of jail facilities should be considered. When a work release program is established the following provisions apply:

(a) A person convicted of a felony and placed in a city or county jail is eligible for the work release program. A person sentenced to a city or county jail is eligible for the work release program. The program may be used as a condition of probation for a criminal offense. Good conduct is a condition of participation in the program.
(b) The court may permit a person who is currently, regularly employed to continue his employment. The chief law enforcement officer or department of corrections shall make all necessary arrangements if possible. The court may authorize the person to seek suitable employment and may authorize the chief law enforcement officer or department of corrections to make reasonable efforts to find suitable employment for the person. A person participating in the work release program may not work in an establishment where there is a labor dispute.

(c) The work release prisoner shall be confined in a work release facility or jail whenever the prisoner is not employed and between the hours or periods of employment unless the court directs otherwise.

(d) The chief law enforcement officer or his designee shall collect the work release prisoner's earnings and from the earnings make payments for the prisoner's board, personal expenses inside and outside the jail, and share of the administrative expenses of this section. Support payments for the prisoner's dependents, if any, shall be made as directed by the court. With the prisoner's consent, the remaining funds may be used to pay the prisoner's preexisting debts. Any balance shall be retained and paid to the prisoner when the prisoner is discharged.

(e) With court approval the prisoner's sentence may be reduced by one-fourth if the prisoner's conduct, diligence, and general attitude merit the reduction.

(f) If the work release prisoner violates the conditions of custody or employment, the prisoner shall be returned to the sentencing court. The sentencing court may require the prisoner to spend the remainder of the sentence in actual confinement and may cancel any earned reduction of the sentence.

NEW SECTION. Sec. 18. There is added to chapter 70.48 RCW a new section to read as follows:

The jurisdiction having immediate authority over a prisoner is responsible for the transportation expenses. The transporting officer shall have custody of the prisoner within any Washington county while being transported. Any jail within the state may be used for the temporary confinement of the prisoner with the only charge being for the reasonable cost of board.

NEW SECTION. Sec. 19. There is added to chapter 70.48 RCW a new section to read as follows:

A person convicted of an offense punishable by imprisonment in a city or county jail may be confined in the jail of any city or county contracting with the prosecuting city or county for jail services.

NEW SECTION. Sec. 20. There is added to chapter 70.48 RCW a new section to read as follows:

A person imprisoned in a detention or correctional facility who has not obtained a bail bond shall be transferred to a state institution designated by the secretary pending the appeal of a felony conviction after the thirtieth day and before the forty-first day from the date on which the judgment was entered. Upon a showing of good cause, a superior court judge may order the prisoner detained in the county jail for an additional period not to exceed ten days; except that this provision does not apply to persons sentenced for a felony who are held in the facility as a condition of probation or who are specifically sentenced to confinement in the facility.

NEW SECTION. Sec. 21. RCW 35.21.330 as now or hereafter amended is decodified and is recodified in chapter 70.48 RCW.

NEW SECTION. Sec. 22. Sections 1 through 8 of this act are each added to chapter 70.48 RCW.

NEW SECTION. Sec. 23. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "Relating to the support of state government," strike the remainder of the title and insert:
"providing for the planning, acquisition, construction, remodeling, furnishing and equipping of certain jail buildings and facilities; providing for the financing thereof by the issuance of bonds and anticipation notes; amending section 2, chapter 316, Laws of 1977 ex. sess. and RCW 70.48.020; amending section 3, chapter 316, Laws of 1977 ex. sess. and RCW 70.48.030; amending section 5, chapter 316, Laws of 1977 ex. sess. and RCW 70.48.050; amending section 6, chapter 316, Laws of 1977 ex. sess. as amended by section 170, chapter 151, Laws of 1979 and RCW 70.48.060; amending section 7, chapter 316, Laws of 1977 ex. sess. as amended by section 2, chapter 147, Laws of 1979 and RCW 70.48.070; amending section 9, chapter 316, Laws of 1977 ex. sess. and RCW 70.48.090; adding new sections to chapter 70.48 RCW; recodifying RCW 35.21.330 in chapter 70.48 RCW; and declaring an emergency.", and the same is herewith transmitted.

MOTION

Senator Shinpoch moved the Senate concur in the House amendments with the exception of the new language in subsection (4), Section 11, page 10, line 30 of the amendments being page 4, line 21 of the printed amendment to Engrossed Substitute Senate Bill No. 2505, and asks the House to recede therefrom.

POINT OF INQUIRY

Senator McDermott: "Senator Shinpoch, where will the definition of jail be in the law if you take out the entire subsection?"

Senator Shinpoch: "I am sorry I was not clear enough with that. If we strike the subsection, the language that says 'jail means any holding, detention or correction facility as defined in this section' is in current law and we would in effect, when we take all of that out, all we are really doing is taking out the underlined language because we then would not be dealing with the current language and that would remain in the RCW."

POINT OF INQUIRY

Senator Sellar: "Senator Wilson, I realize that this is not strictly an amendment but while the bill is before us there is another section of the bill that deals with the date of the implementation of the operational standards. I feel that this is going to be very difficult for many areas, particularly rural areas, to comply with that date. It is going to be difficult when they have to build a new facility in order to comply and the new facility is not done. Do you believe that there is any relief in that area?"

Senator Wilson: "Senator Sellar, actually we have detected what we felt were two problems of the bond issue and I think it is proper that we discuss the second one before voting on the amendment, although I feel we should approve the amendment.

"The second problem is the one that you have identified. Whereas previous legislation gave the legislature an opportunity to review the jail operating standards, this bill in effect adopts the standards as soon as they are again approved by the jail commission; but unlike the problem addressed by Senator Shinpoch, because this is a House scalping amendment and because there are no conference committees, there is no way to accommodate this problem by asking the House to recede.

"Therefore, on behalf particularly of the Senators representing areas of medium and small size counties, and those are the counties that may experience the greatest difficulties in complying with the jail operating standards, I would have to
say that under the circumstances we cannot correct this language without jeopardizing the entire jail bond issue which I am sure most of us favor, and we shall have to depend on the common sense and good judgment of the state jails commission. We are going to count on that commission to approve standards and to modify standards which smaller and medium size counties will find financially feasible to implement. And I think, Senator Sellar, there is good reason to believe that the commission will respond in that fashion.

"Now the commission already has last year made a number of significant changes in the standards in response to suggestions from county officials.

"Furthermore, I would point out that the state association of county commissioners has endorsed the bond issue even though they recognize the jeopardy involved in these standards. And finally I would point out that seven of the eleven members of the state jails commission are local government officials and that beyond that, this bill has four legislators as members of the commission. Although they are nonvoting members, these legislators will be attending the commission meetings to be sure that the standards are rational and are affordable, particularly by the smaller and medium size counties.

"With these comments and reservations, Senator Sellar, even though I am not very pleased about this instantaneous adoption of the jail standards, I would suggest that rather than jeopardize the entire jail bond issue we have little choice but to endorse Senator Shinpoch's amendment and then repass the bill when it comes back."

REMARKS BY THE PRESIDENT

President Cherberg: "Senator Jones and other honored members of the Senate, despite the magnificent and heroic efforts of our esteemed Secretary, the Honorable Sidney Snyder, to negotiate a lower temperature with the department of general administration, the President feels it is now time to capitulate entirely in an effort to gain a certain measure of comfort. Therefore, if the members would desire to remove their jackets, the President would certainly feel it perfectly in order."

POINT OF INQUIRY

Senator Morrison: "Senator Shinpoch, it is your feeling that these words added to the definition of jail would in fact make farm camps or work release facilities eligible for the money provided under this jail construction bond issue?"

Senator Shinpoch: "Senator Morrison, in talking with our staff and with our attorney, it is their contention that because we did not specifically indicate, I think, in sub two and three above where we described detention facilities as ninety days and correctional as not exceeding one year, that we would have to accept those. Otherwise, this then expands the definition of jails and expands the definition of those facilities to include any farm camp or work release facility, and once you have done that you have obviously expanded the definition of what we intend to fund."

Debate ensued.

The motion by Senator Shinpoch carried.

The Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 2505, as amended by the House, with the exception of the new language in subsection (4), Section 11, page 10, line 30 of the amendments being page 4, line 21 of the printed amendment and asks the House to recede therefrom.

MOTION

On motion of Senator Marsh, the Senate commenced consideration of the House Message on Substitute Senate Bill No. 2685.
On motion of Senator Jones, Senator Lewis was excused.

MESSAGE FROM THE HOUSE

June 1, 1979.

Mr. President: The House has passed SUBSTITUTE SENATE BILL NO. 2685 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 19, chapter 1, Laws of 1973 as last amended by section 6, chapter 313, Laws of 1977 ex. sess. and RCW 42.17.190 are each amended to read as follows:

(1) Every legislator and every committee of the legislature shall file with the commission quarterly reports listing the names, addresses, and salaries of all persons employed by the person or committee making the filing for the purpose of aiding in the preparation or enactment of legislation or the performance of legislative duties of such legislator or committee during the preceding quarter. The reports shall be made in the form and the manner prescribed by the commission and shall be filed between the first and tenth days of each calendar quarter: PROVIDED, That the information required by this subsection may be supplied, insofar as it is available, by the chief clerk of the house of representatives or by the secretary of the senate on a form prepared by the commission.

(2) Unless authorized by subsection (3) of this section or otherwise expressly authorized by law, no public funds may be used directly or indirectly for lobbying: PROVIDED, This does not prevent officers or employees of an agency from communicating with a member of the legislature on the request of that member; or communicating to the legislature, through the proper official channels, requests for legislative action or appropriations which are deemed necessary for the efficient conduct of the public business or actually made in the proper performance of their official duties: PROVIDED FURTHER, That this subsection does not apply to the legislative branch.

(3) Any agency, not otherwise expressly authorized by law, may expend public funds for lobbying, but such lobbying activity shall be limited to (a) providing information or communicating on matters pertaining to official agency business to any elected official or officer or employee of any agency or (b) advocating the official position or interests of the agency to any elected official or officer or employee of any agency: PROVIDED, That public funds may not be expended as a direct or indirect gift or campaign contribution to any elected official or officer or employee of any agency. For the purposes of this subsection, the term "gift" means a voluntary transfer of any thing of value without consideration of equal or greater value, but does not include informational material transferred for the sole purpose of informing the recipient about matters pertaining to official agency business: PROVIDED FURTHER, That this section does not permit the printing of a state publication which has been otherwise prohibited by law.

(4) Each state agency which expends state funds for lobbying pursuant to an express authorization by law and each state agency, county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district which expends public funds for lobbying pursuant to the authorization contained in subsection (3) of this section or whose officers or employees communicate on legislation directly affecting the agency to members of the legislature on request of any member or communicate to the legislature requests for legislation shall file with the commission, except as exempted by subsection (4)(d) of this section, quarterly statements providing the following information for the quarter just completed:

(a) The name of the agency filing the statement;

(c) A listing of expenditures incurred by the agency for (such activities) lobbying including but not limited to travel, consultant or other special contractual services, and brochures and other publications, the principal purpose of which is to influence legislation;

(d) For purposes of subsection (4) of this section the term "lobbying" does not include:

(i) Requests for appropriations by a state agency to the office of financial management pursuant to chapter 43.88 RCW nor requests by the office of financial management to the legislature for appropriations other than its own agency budget requests;

(ii) Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation, or report by an agency on a particular subject;

(iii) Official reports including recommendations submitted to the legislature on an annual or biennial basis by a state agency as required by law;

(iv) Requests, recommendations, or other communication between or within state agencies or between or within local agencies;

(v) Any other lobbying to the extent that it includes:

(A) Telephone conversations or preparation of written correspondence;

(B) In-person lobbying on behalf of an agency of no more than four days or parts thereof during any three-month period by officers or employees of that agency and in-person lobbying by any elected official of such agency on behalf of such agency or in connection with the powers, duties, or compensation of such official: PROVIDED, That the total expenditures of nonpublic funds made in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington do not exceed fifteen dollars for any three-month period: PROVIDED FURTHER, That the exemption under this subsection is in addition to the exemption provided in (A) of this subsection;

(C) Preparation or adoption of policy positions.

The statements shall be in the form and the manner prescribed by the commission and shall be filed within thirty days of being made. The provisions of this section shall not relieve any elected official or officer or employee of an agency from complying with other provisions of this chapter, if such elected official, officer, or employee is not otherwise exempted.

(5) In lieu of reporting under subsection (4) of this section any county, city, town, municipal corporation, quasi municipal corporation, or special purpose district may determine and so notify the public disclosure commission, that elected officials, officers, or employees who on behalf of any such local agency engage in lobbying reportable under subsection (4) of this section shall register and report such reportable lobbying in the same manner as a lobbyist who is required to register and report under RCW 42.17.150 and 42.17.170. Each such local agency shall report as a lobbyist employer pursuant to RCW 42.17.180.

(6) The provisions of this section (shall) do not relieve any elected official or officer or employee of an agency from complying with other provisions of this chapter, if such elected official, officer, or employee is not otherwise exempted.

(7) The purpose of this section is to require each state agency and certain local agencies to report the identities of those persons who lobby on behalf of the agency for compensation, together with certain separately identifiable and measurable expenditures of an agency's funds for that purpose. This section shall be reasonably construed to accomplish that purpose and not to require any agency to report any of
its general overhead cost or any other costs which relate only indirectly or incidentally to lobbying or which are equally attributable to or inseparable from nonlobbying activities of the agency.

The public disclosure commission may adopt regulations clarifying and implementing this legislative interpretation and policy.

MOTION

Senator Walgren moved the appointments be confirmed.

REMARKS BY SENATOR SCOTT

Senator Scott: "I have to note, relative to the appointments that, as was the case in standing committees in several particulars, the suggestions of the minority as to the placement of our own members was again disregarded. Obviously we are not in a position to do anything about that but it should be noted as both a break from tradition and a case where the majority again has taken over some of the usual and normal and appropriate responsibility of the minority."

REMARKS BY SENATOR WALGREN

Senator Walgren: "Mr. President and members of the Senate, it is true that some of these appointments that are made here this afternoon are not in accord with the recommendations that had been submitted to us by the leadership on the other side. Those changes, by and large, reflect the positions as they were during the last interim period and I think more particularly reflect the fact that we have persons who have some particular experience and expertise as it relates to these individual committees. As in our own case on the Democratic side, we tried to make appointments to vacancies and reappoint those persons who were still present in the Senate, still a member of the Senate, who had served on the particular committee, and for that reason there are these differences."

REMARKS BY SENATOR SCOTT

Senator Scott: "I would point out to Senator Walgren, using one specific instance, and that is the seat that I gave up on the legislative budget committee which we suggested be taken by Senator Quigg, who has been a member of this body for some time now, could easily have been followed without creating the kind of difficulty that was indicated, so I fail to follow the logic and I think the rest of our caucus is in exactly the same position."

REMARKS BY SENATOR WALGREN

Senator Walgren: "Senator Quigg, of course, is a distinguished and capable member of the Senate. He is not on the ways and means committee and, of course, those persons who are serving on the legislative budget should have that experience of the ways and means committee so that they can coordinate their activity."

The motion by Senator Walgren carried and the appointments were confirmed.

MOTION

At 5:45 p.m., on motion of Senator Marsh, the Senate was declared to be at ease subject to the Call of the President.

EVENING SESSION

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 2505, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 38; absent or not voting, 1; excused, 10.

Absent or not voting: Senators Bottiger, Day—1.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2505, as amended by the Senate, having received the constitutional sixty percent majority was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator Bluechel, Senator North was excused.

On motion of Senator Walgren, the Senate resumed consideration of Substitute House Bill No. 740, as amended by the Senate.

THIRD READING

SUBSTITUTE HOUSE BILL NO. 740, by Committee on Appropriations (originally sponsored by Representatives Whiteside, Adams, Gallagher, Haley, Becker, Zimmerman, Williams, Moore and Fuller):

Authorizing a bond issue for facilities for the handicapped.

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 740, as amended by the Senate.
PARLIAMENTARY INQUIRY

Senator Hayner: "Mr. President, does this take a sixty percent vote since it is a bond bill, as specified in Article Eight, Section one of the Constitution?"

PARLIAMENTARY INQUIRY

Senator Shinpoch: "I would like to add to that question. Does the fact that it is a referendum to the people have any bearing on the number of votes that are required?"

REPLY BY THE PRESIDENT

President Cherberg: "Yes, Senator Shinpoch, the President believes that the fact that the measure is a referendum to the people that it should—that the question is covered in Article Two, Section one, paragraph (b), which states . . . ."

REMARKS BY SENATOR HAYNER

Senator Hayner: "It appears to me that Article Eight, Section one, refers to bond bills specifically, whereas Article Two, Section one (b) refers to other bills generally, and it would appear to me that the specific would rule over the general."

REMARKS BY THE PRESIDENT

President Cherberg: "To what part of Article Eight, Section one, are you referring, Senator Hayner?"

Senator Hayner: "It is subsection (8)."

At 7:35 p.m., there being no objection, the Senate was declared to be at ease.

The President called the Senate to order at 8:40 p.m.

MOTION

On motion of Senator Bluechel, Senator North was excused.

REPLY BY THE PRESIDENT

President Cherberg: "In reply to Senator Hayner, the President wishes first to express his deepest appreciation to Senator Hayner for raising a parliamentary inquiry of great significance and importance.

"Senator Hayner has presented strong arguments in favor of the position that a sixty percent majority vote of the members of the Senate is required to pass Substitute House Bill 740. However, strong arguments can also be made that Substitute House Bill 740 is a referendum measure and that Article Two, Section one, paragraph (b), referring to referendum where, to be brief, it states—the President had better read it all:

"The second power reserved by the people is the referendum, and it may be ordered on any act, bill, law, or any part thereof passed by the legislature, except such laws as may be necessary for the immediate preservation of the public peace, health or safety, support of the state government and its existing public institutions, either by petition signed by the required percentage of the legal voters or by the legislature as other bills are enacted."

"The only precedent that can be found, and the President is grateful to Mrs. Greeley for finding this, can be found in the case of a referendum measure pertaining to gambling where Senator Atwood asked the same question as you, Senator Hayner, and the President ruled that only a simple constitutional majority of the
members elected was required to pass the bill or, in other words, refer the measure to the people.

"The President believes that inasmuch as Substitute House Bill 740 is a referendum measure that he must be guided by the powers of referendum granted to the people by the Constitution, which the President just referred to as Article Two, Section one, paragraph (b). The only way your question can really be properly determined as to the answer, Senator Hayner and other members, the President believes, is by action on the part of the Supreme Court."

REMARKS BY SENATOR HAYNER

Senator Hayner: "Mr. President, I am told that the House passed this measure by an overwhelming majority, not sixty percent but ninety-eight votes for and none against. If there is any question in this matter, it would seem to me that it would be much safer to have that sixty percent vote. If bond counsel finds that it is irregular and that there is some question about it, I am sure that the bonds could not be sold."

REMARKS BY THE PRESIDENT

President Cherberg: "The President certainly agrees with your statement, Senator Hayner."

Debate ensued.
The motion by Senator Bottiger failed and the amendment was not adopted on a rising vote.
The motion by Senator Walgren carried and the resolution was adopted.

REMARKS BY SENATOR WALGREN

Senator Walgren: "Mr. President and members of the Senate, obviously this is a resolution commending the fine play of the world champions, the Supersonics. We are all very proud of them and of course they bring credit to the state of Washington, not to mention a great deal of publicity to us. We want to join with all of their fans and well wishers in the commendation that they so richly deserve and to welcome them back to the great Northwest."

There being no objection, business was suspended to permit a demonstration by Sonic fans celebrating the Seattle Sonics Basketball team winning the NBA championship.

MOTIONS

On motion of Senator Wilson, Senators Day, Henry and Lysen were excused.
On motion of Senator Jones, Senator Pullen was excused.
On motion of Senator Walgren, the following Senate Resolution was referred to the Committee on Rules:

1979–154 Legislative review certain agency rules

MOTION

Senator Donohue: "I rise to make a motion that the 1979–81 operating and capital appropriation BUDGET NOTES be entered in the Journal and I would like to speak to that."
REMARKS BY SENATOR DONOHUE

Senator Donohue: "Mr. President, probably for the first time the notes of the budget, and I think you all have copies of this on your desk and there are indexes to follow through this particular booklet of BUDGET NOTES, for the first time that we are joining about three states in this move to enter into the notes of the Legislature exactly what has occurred as it relates to the budget process. Through the course of the budget process, committee deliberations and caucus decisions and floor debate, we truly intend to establish what we call legislative intent around which the appropriation in the budget bill are formalized. Because the budget bill containing only agency fund source totals and limited major policy provisos is already over one hundred and seventy pages, we are limited in the amount of additional detailed legislative intent that can be included. As a result, in past sessions many of the key decisions and clarifications that have come from long hours of committee, caucus and floor work have been lost once the Legislature adjourns.

"For those reasons we have summarized for your purpose and for the purpose of the Judiciary the expenditure additions and reductions, program changes, policy directives and other articles which reflect legislative intent into a set of formalized notes which I am proposing we enter into the Journal. These notes will serve as allotment instructions for OFM as they outline the expenditure plan for each state agency for the ensuing biennium. They will serve legislators, agency heads, the Governor's office and the respective staff in resolving the many, many budget disputes which always arise once the smoke clears in the final days of the legislative session and those budget deliberations."

"Perhaps most important, they will help us two years from now in evaluating the job that state agencies have done in carrying out the tasks that we, the Legislature, have assigned them. From each of these things the need for future appropriation levels can be more easily ascertained. And with this motion I would hope that the Legislature and the Senate is adopting a process whereby the executive branch, the agencies, the Office of Fiscal Management, will note that we have established what we insist upon as being legislative intent. I think many of us are tired of coming back here faced with supplemental appropriations. There are many reasons why this is very important. Having checked with members of the Judiciary as it relates to legislative intent, this perhaps is a move which will give them a basis of solidity which they can base decisions on if called upon to do so as it relates to language, as it relates to legislative intent.

"So I think this is probably a good move on our part and I hope that down the road two years from now that we can look back and we will have a method of review to see whether or not our intent and what we did as it relates to the appropriation of dollars to agencies has been followed for the two years during the interim."

The motion by Senator Donohue carried. The "BUDGET NOTES" will be included as part of the 1979 Senate Journal.

(See Addendum page 2817 through 2923.)

MOTION

On motion of Senator Walgren, the Senate returned to the fourth order of business.

MESSAGE FROM THE HOUSE

June 1, 1979.

Mr. President: The House insists on its position to the Senate amendments to HOUSE BILL NO. 191, and once again asks the Senate to recede therefrom.

MOTION

MOTION

On motion of Senator Walgren, the Senate advanced to the fifth order of business.

INTRODUCTION AND FIRST READING

SENATE CONCURRENT RESOLUTION NO. 116, by Senators Walgren and Odegaard:
Adopting Joint Rules for the Forty-Sixth Legislature.

MOTIONS

On motion of Senator Walgren, the rules were suspended, Senate Concurrent Resolution No. 116 was advanced to second reading and read the second time in full.
On motion of Senator Walgren, the rules were suspended, Senate Concurrent Resolution No. 116 was advanced to third reading, the second reading considered the third and the resolution was placed on final passage.

POINT OF INQUIRY

Senator Clarke: "I note that one of the main changes is the removal of the provision with respect to conference committees and, regardless of whether or not those were actually used, I wonder what the motivation is in just completely taking out what has traditionally been in all Joint Rules as to normal methods of handling matters of this sort. The fact that we have not used conference committees this particular session for various reasons, I do not think should necessitate our complete abandonment of the Rules. I just wondered what the thoughts of the Majority Leader were in that connection."

Senator Walgren: "Senator Clarke, the problems that we had in arriving at an agreement as to how we should handle conference committees still have not been resolved, and while we do not anticipate having another session of this legislature in 1980, that is of course a possibility. It is also a possibility that the even split will continue and I would say that at that time, if there are any differences, certainly we can adopt a supplemental to these Joint Rules and put in our traditional conference committees."

REMARKS BY SENATOR GOLTZ

Senator Goltz: "Mr. President and members of the Senate, I am going to speak to three of the Joint Rules, Joint Rule 2 and new Joint Rule 28 and 29. These rules come to our attention by virtue of the Joint Board of Legislative Ethics and I believe it is important that we have these Joint Rules established because they do affect the conduct of the legislature and the employees of the legislature while the legislature is in session and while the legislature is not in session.

"Joint Rule 2, which is on page two of the document which is on your desks, makes some substantial changes in the conduct requirement of legislative employees. I should have said before that the members of this body on the Joint Board of Legislative Ethics include Senator Newschwander and Senator Sellar from the Republican side and Senator Wilson and myself on the Democratic side, and present these rules to you, unanimously with our support and with the support of the House and the lay members of the Board. What the employee restrictions include is an emphasis rather upon specific areas of behavior that their conduct shall not be impaired or their conduct shall not impair their independence of judgment. It emphasizes there shall be no privileges and it also emphasizes that there should be no loss of their civil rights so that, particularly in the last section of the Joint Rule 2, section 6, it really restricts the time when a legislative employee may participate in political campaigns but does not deny that right absolutely.

"With respect to Joint Rule 28 this is a committee procedure which is designed to assure fairness with regard to the handling of witnesses. If a witness is handled in such a way before a legislature committee that they feel that they have been unfairly treated, this rule will provide them with an opportunity to have access to that committee to rebut whatever testimony was given against them.

"Finally, new Rule 29 has to do with legislative polling, which grew out of the incident of this legislature which was well reported in the press and which is now covered by an interim rule of the Operations Committee, but it was felt by the Joint Board of Legislative Ethics that it would be proper to put this rule into the Joint Rules of the Legislature and it will prevent the use of public property for political purposes, and we think that these rules are worthy of adoption and I urge that you do so."
SEVENTY-THIRD DAY, JUNE 1, 1979 2791

POINT OF INQUIRY

Senator Guess: "Senator Goltz, in Rule 28, each committee chairperson shall conduct a hearing so as to afford reasonable protection of that right, that is the right for an opportunity to rebut the testimony. Do you think that this might not set up an advocacy position within the committee where one person testifies, another testifies to the opposite, for instance; then the witness who testified prior to the counter testimony would have the opportunity to rebut the testimony of the first person?"

Senator Goltz: "I think, Senator Guess, the key words here are 'unfairly injured' and we are not talking about the normal procedures of the committees where there are differences of opinion expressed, where we always have the opportunity, I believe, for witnesses to express themselves. We are talking here about the possibility that an individual, a person may be referred to in a legislative committee and may be unfairly injured by testimony, and that person does not have to be present at that hearing. This says that if such a person feels unfairly injured that there is a procedure by which that person will have the opportunity to come before that committee and rebut.

"This grew out of a specific situation, I believe in the city of Monroe, Washington, where a legislative committee was conducting business and a person was referred to in terms which that person felt unfairly injured him, and there was no procedure by which that committee could unravel the healing of an unjust injury and that is all this attempts to do is deal with those cases of unjust injury and not the kind of situation which is normal for disagreement."

The motion by Senator Walgren carried and Senate Concurrent Resolution No. 116 was adopted.

MOTION

On motion of Senator Walgren, the Senate advanced to the seventh order of business.

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 740, as amended by the Senate.

MOTION

On motion of Senator Jones, Senator Benitz was excused.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 740, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 25; nays, 9; excused, 15.

SUBSTITUTE HOUSE BILL NO. 740, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.
PERSONAL PRIVILEGE

Senator Vognild: "As a freshman, not only in the Senate but also in the Legislature, I have had many marvelous things happen to me and it has been a wonderful experience, but I have had probably one experience that I am going to take home with me. I realize this is a little dangerous to recognize one group of employees out of a large group, but we have four ladies sitting in the balcony that to me have done wonders for me in spite of the fact that I will have to go on a diet when I get home, and I would like to thank them and ask the rest of the Senators here to join me in recognizing and thanking the wonderful crew we have."

MOTION

On motion of Senator Walgren, the Senate returned to the first order of business.

REPORTS OF STANDING COMMITTEES

ENGROSSED SUBSTITUTE HOUSE BILL NO. 312, revising the laws regulating engineers and land surveyors (reported by Committee on Commerce):
MAJORITY recommendation: Do pass as amended.
Signed by: Senators Wojahn, Vice Chairman; Morrison, Quigg, Williams.
Passed to Committee on Rules for second reading.

June 1, 1979.
SUBSTITUTE HOUSE BILL NO. 1138, pertaining to taxation of coin-operated gaming devices (reported by Committee on Ways and Means):
MAJORITY recommendation: Do pass.
Signed by: Senators Donohue, Chairman; McDermott, Vice Chairman; Clarke, Fleming, Goltz, Jones, Matson, Odegaard, Rasmussen, Scott, Sellar, Walgren.

MOTIONS

On motion of Senator Walgren, the rules were suspended, Substitute House Bill No. 1138 was advanced to second reading and read the second time in full.
On motion of Senator Van Hollebeke, the rules were suspended, Substitute House Bill No. 1138 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Bluechel: "Senator Van Hollebeke, I notice on page 3, line 33, 'for purposes of this section the term 'coin operated gambling device' means any machine which is', and then on line 35, 'a so-called slot machine which operates by means of the insertion of a coin, token or similar object and which by application in whole or in part of the element of chance may deliver or entitle a person playing or operating the machine to receive cash' and so forth, what slot machines are presently legal in this state and does this by implication make slot machines in this state become legal?"
Senator Van Hollebeke: "I do not believe it changes the law in that respect. I am going to take another look here. That alone would not change the law. I do not know exactly why that is in there. That would not legalize anything that is not presently legalized."
Senator Bluechel: "I believe that is the first time we have mentioned slot machines, isn't it, in the gambling laws of the state? That is new section 2, starting on line 29 and goes all the way through pages 3 and 4."
POINT OF INQUIRY

Senator Guess: "Senator, I notice in section 2, 'in addition to any other fee or tax imposed under the authority of this chapter, there is hereby imposed a special tax to be paid by the person who maintains for use or permits the use of coin-operated gambling device on any premise occupied by him. The tax shall be two hundred and fifty dollars.' Does this mean now that we are bringing slot machines back into the state of Washington for a fee of two hundred and fifty dollars?"

Senator Van Hollebeke: "No, Senator. The machines that are now employed do have this tax on them presently, and that is the machines that are just played for enjoyment and do not give any return."

Senator Guess: "Then you go into section 2 and on page 3, 'a so-called slot machine which operates by insertion of a coin, token or similar object'."

MOTION

On motion of Senator Walgren, Substitute House Bill No. 1138 on third reading will be considered at a later time today.

SIGNED BY THE PRESIDENT

The President signed:
SUBSTITUTE SENATE BILL NO. 2505.

MOTIONS

On motion of Senator Walgren, the Senate advanced to the eighth order of business.

On motion of Senator Bottiger, the rules were suspended, all members of the Senate were permitted as additional sponsors to Senate Resolution 1979–124.

Senator Bottiger moved adoption of the following resolution:

SENATE RESOLUTION 1979–124

By Senators Bausch, Benitz, Bluechel, Bottiger, Clarke, Conner, Day, Donohue, Fleming, Gallagher, Gaspard, Goltz, Gould, Guess, Hansen, Hayner, Henry, Jones, Keefe, Lee, Lewis, Lysen, Marsh, Matson, McDermott, Moore, Morrison, Newschander, North, Odegaard, Peterson, Pullen, Quigg, Rasmussen, Ridder, Scott, Sellar, Shinpoch, Talley, Talmadge, Van Hollebeke, Vognild, von Reichbauer, Walgren, Wanamaker, Williams, Wilson, Wojahn and Woody:

WHEREAS, The State of Washington promotes fair, just and equitable treatment of all of its residents; and

WHEREAS, Stephen and Janice Dean, citizens of Scotland, but residents of the State of Washington for almost a decade, desire to remain in the United States and specifically in Washington State; and

WHEREAS, Stephen and Janice Dean have contributed to the economic community of the City of Olympia with special energy and enthusiasm; and

WHEREAS, The permanent visas have not yet been ordered because certain immigration quotas have already been filled, which will mean the deportation of the Deans and their two children on June 6, 1979;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington, That the U. S. Congress is requested to pass a special bill permitting the Dean family to be issued permanent visas which would allow them to remain in the State of Washington; and

BE IT FURTHER RESOLVED, That the Secretary of the Senate immediately transmit copies of this resolution to the members of the congressional delegation of the State of Washington.
POINT OF INQUIRY

Senator Morrison: "Senator Bottiger, is this the family that in fact the immigration quotas are different for investors than they are for people who actually work as employees?"

Senator Bottiger: "That is right. Had these people been employed on an hourly basis they would be qualified, but because they own their own grocery store and are therefore independent businessmen, they fall under another quota and we think it is unfair. I am sure you think it is unfair, and we are asking for an extension."

Senator Morrison: "I certainly do agree, Mr. President and members of the Senate, that this is a case in which the Senate should say, let these folks stay. They are good citizens."

The motion by Senator Bottiger carried and the resolution was adopted.

MOTION

On motion of Senator Walgren, the Senate returned to the fifth order of business.

DEAN R. FOSTER, Chief Clerk.
VITO T. CHIECHI, Chief Clerk.

MOTION
On motion of Senator Donohue the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 3008.

ROLL CALL
The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 3008, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 27; nays, 7; absent or not voting, 1; excused, 14.

Absent or not voting: Senator Hayner—1.

ENGROSSED SUBSTITUTE SENATE BILL NO. 3008, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS
On motion of Senator Bottiger, the Senate advanced to the sixth order of business.

On motion of Senator Bottiger, the Senate resumed consideration of Substitute House Bill No. 1138, pertaining to taxation of coin-operated gaming devices, on third reading.

On motion of Senator Van Hollebeke, the rules were suspended, Substitute House Bill No. 1138 was returned to second reading.

Senator Van Hollebeke moved adoption of the following amendment by Senators Morrison and Van Hollebeke:
On page 5, following line 3, insert a new paragraph to read as follows:
"The definitions contained in this section shall not be construed to authorize the use in this state of any coin-operated gaming device not otherwise permitted under this chapter."

POINT OF INQUIRY

Senator Rasmussen: "Senator Van Hollebeke, why do you need section 2 in there at all? It is a new section which does not relate to the federal tax in any way whatsoever. Why would you need that in there in this particular bill, which is the one that the gambling commission wants in order to achieve that extra tax money?"

Senator Van Hollebeke: "Senator Morrison says he has not had a chance to yield to a question from you for quite a while. He would like to yield."

Senator Rasmussen: "I did not ask Senator Morrison. I asked the author and the sponsor."

Senator Van Hollebeke: "I am not the sponsor. It is not a commerce bill, by the way. It is a ways and means bill."

Senator Morrison: "If you want an answer, Senator Rasmussen, ask me."

Senator Rasmussen: "Yes, Senator Morrison."

Senator Morrison: "I heard your question, Senator Rasmussen. Perhaps to explain the entire bill would help a little bit. The first section is existing law and by reference, you will notice down on line 18, it refers to the U.S. Code. The definitions then of these coin-operated devices that are taxable under this present law are included in federal law and they are precisely the same definitions that are listed now in new section 2.

"The reason they are needed is that right now the federal government allows an offset, that is out of that two hundred and fifty dollar license fee the federal government allows us currently to keep eighty percent. For 1979 they are going to allow us to keep ninety-five percent. That takes care of section 1, and in that year the federal law expires completely, and is no longer on the books. We can no longer refer to it, so new section 2 then includes the federal definitions exactly as they are now, and the concerns expressed by Senators Bluechel and Guess and others over this language, the amendment before us now just definitely says that these definitions in no way authorize these particular machines. It is just picking up language that is now included in a reference to a federal law."

"Now this does set the stage that if in future years this legislature in its wisdom or lack thereof decides to authorize the operation of other types of machines by a sixty percent majority, then the tax section is complete and would allow the taxation of those devices without further statutory change. Just for your information, there are only two types of coin-operated devices now legal in the state, pull tabs which you are mostly familiar with, and a machine called penny fall, of which there are only six in the state. That is the reason why section 2 with all this definitional language is necessary, and again with the amendment it just should assure everyone that we are not authorizing anything at all except the collection of about six hundred thousand dollars in money we would otherwise lose."

Senator Rasmussen: "What you said, Senator Morrison, as I understand it, is that this section 2 is not needed at all except it puts the statutory language in there that we may use some time at a future date. That is the way I heard that now. You are much better informed on this than I am, but as I read this, section 1 authorizes the collection of the tax on any coin-operated machine of any type that the gambling commission authorizes. Now that is Section 1 which goes into effect June 1. That is the one that we need. Section 2, as I understand your explanation, and which does not go into effect until June of 1980, just puts statutory language in there that we do not need to collect the tax that Mr. Bjork and the gambling commission want to collect now."
Senator Morrison: "Senator Rasmussen, you are correct except that somewhere we have to define what machines are going to be taxable. In section 1 it refers to a U.S. Code. That code goes out of effect at the end of 1979 and it is exactly the same as new section 2. All we are doing is repeating the federal language. Admittedly, there is some language in there that describes devices that we probably will never consider legalizing in this state, but it is a repeat of exactly the same language that is referred to in federal law in section 1 on line 18, so we are really just mirroring what we have now. We are making sure that the tax laws are in place if in fact there ever is authorization by this legislature for some of these other devices."

Senator Rasmussen: "Thank you, Senator Morrison. You really made it clear exactly what Senator Guess was referring to, that we have copied the federal law but we do not need it in this state."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Morrison, this, on line 28 on page 3, is talking about a world's fair or similar exposition approved by the Bureau of International Exposition in Paris, France. Now I understand that Tacoma is going to apply for a world's fair or a similar exposition, and would this allow the handling or the use of any particular type of machine for the support of that fair?"

Senator Morrison: "Senator Guess, I cannot answer that specifically except to say if it does authorize a machine for use in that facility, that then the state legislature by a sixty percent majority would also have to authorize it before it could be useful to be used at all in the state of Washington. We continue to have jurisdiction, of course, totally over gambling in this state. This is strictly a tax measure. Until these machines would be authorized, even though they were part of a world's fair, as this language would reflect as lifted from federal law, it still would not be useful in this state until we said, 'Yes, it is.'"

Senator Guess: "I have problems with that, but now in the amendment you say that the definitions contained in this section shall not be construed to authorize the use in this state of any coin-operated gaming device not otherwise permitted under this chapter, but does not this chapter permit the use of slot machines?"

Senator Morrison: "No, this is a taxation section. The definitional section, it says these are what these machines are and this is what the tax is. It does not authorize their use at all and that is what this amendment says. It just specifies that we are not by these definitions authorizing the use of these machines until they are otherwise by law authorized to be used."

POINT OF INQUIRY

Senator Wilson: "Senator Morrison, then it is accurate to say that nothing in this bill authorizes any form of gambling which is not presently legal in Washington State?"

Senator Morrison: "That is correct, Senator Wilson, and I think—I am not sure what the ruling by the Chair would be—that this measure probably does not even require the sixty percent majority since it does not relate to the authorization of gambling at all. It would require a simple majority because it is strictly a tax on those gambling devices which are currently authorized within the state."

Senators Moore, Talmadge and Conner demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be adoption of the amendment by Senators Morrison and Van Hollebeke.

The motion by Senator Van Hollebeke carried and the amendment was adopted.
On motion of Senator Van Hollebeke, the rules were suspended, Substitute House Bill No. 1138, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

PARLIAMENTARY INQUIRY

Senator Odegaard: "Does this bill require a sixty percent majority?"

REPLY BY THE PRESIDENT

President Cherberg: "The President has reviewed the bill, Senator Odegaard, and finds that the bill is, as Senator Morrison indicated, an act related to taxation of coin-operated gambling devices. Therefore, the President in his judgment believes that a constitutional majority is all that is necessary, a minimum vote of twenty-five positive votes."

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 1138, as amended by the Senate, and the bill failed to pass the Senate by the following vote: Yeas, 23; nays, 11; absent or not voting, 1; excused, 14.

Absent or not voting: Senator Hayner—1.

SUBSTITUTE HOUSE BILL NO. 1138, as amended by the Senate, having failed to receive the constitutional majority, was declared lost.

MOTION

On motion of Senator Walgren, the Senate commenced consideration of the House Message of Senate Bill No. 2901.

MESSAGE FROM THE HOUSE

June 1, 1979.

Mr. President: The House has passed SENATE BILL NO. 2901 with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. Section 27, chapter 150, Laws of 1967 and RCW 48.22.030 are each amended to read as follows:

1. "Underinsured motor vehicle" means a motor vehicle with respect to the ownership, maintenance, or use of which either no bodily injury liability bond or insurance policy applies at the time of an accident, or with respect to which the sum of the limits of liability under all bodily injury liability bonds and insurance policies applicable to a covered person after an accident is less than the applicable limits of liability afforded by the insured's own policy.

2. No new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be issued with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of underinsured motor vehicles and hit-and-run motor vehicles because of bodily injury or death, except that the named insured may be given the right to reject such coverage, and except that, unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured had rejected the coverage in connection with a policy previously issued to him by the same insurer while operating or occupying a motorcycle or motor-driven cycle, and except while operating or occupying a motor vehicle owned by the insured which is not insured under the liability coverage of the policy.

3. Coverage required under subsection (2) of this section must be in amounts at least equal to the limits for bodily injury or death set forth in RCW 46.29.490. At the purchaser's option, such coverage may be increased up to the limits of the purchaser's liability coverage provided against loss from bodily injury or death.

4. The insured may reject underinsured coverage and the requirements of subsections (2) and (3) of this section shall not apply. If the insured has rejected underinsured coverage, such coverage shall not be included in any supplemental or renewal policy unless the insured subsequently requests such coverage in writing.

5. The limit of liability under the policy coverage may be defined as the maximum limits of liability for all damages resulting from any one accident regardless of the number of covered persons, claims made, or vehicles or premiums shown on the policy, or vehicles involved in an accident, or premiums paid.

6. The policy may provide that if an injured person has other similar insurance available to him under other policies, the total limits of liability of all coverages shall not exceed the higher of the applicable limits of the respective coverages.

Sec. 2. Section 3, chapter 95, Laws of 1967 ex. sess. and RCW 48.22.040 are each amended to read as follows:
(1) The term "(underinsured)" underinsured motor vehicles" with reference to coverage offered under any insurance policy regulated under this chapter shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(2) An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's (underinsured motorist coverage) is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein contained shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to its insureds than is provided hereunder.

(3) In the event of payment to an insured under the coverage required by this chapter and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such insured against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. Whenever an insurer shall make payment under the coverage required by this section and which payment is occasioned by an insolvency, such insurer's right of recovery or reimbursement shall not include any rights against the insured of said insolvent insurer, but such paying insurer shall have the right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had, if the insured of the insolvent insurer had personally made the payment.

NEW SECTION. Sec. 3. There is added to chapter 51.12 RCW a new section to read as follows:

Juveniles performing community services pursuant to chapter 13.40 RCW may be deemed employees and/or workers for all purposes relating to medical aid benefits under chapter 51.36 RCW at the option of the county under whose authorization the services are performed. Any and all premiums or assessments due under this title on account of such community services shall be the obligation of and be paid for by the county in which the juvenile was required to perform such community services from the fund created in section 2(2) of this act or from any other source. Coverage under this section commences when a county has given notice to the director that it wishes to cover juveniles performing community service prior to the occurrence of an injury or contraction of an occupational disease.

NEW SECTION. Sec. 4. There is added to chapter 291, Laws of 1977 ex. sess. and to chapter 13.40 RCW a new section to read as follows:

(1) The legislative authority of any county may purchase liability insurance in an amount it deems reasonable to protect the county and its officers and employees against liability for the wrongful acts of any juvenile in the course of community service agreed to or ordered under chapter 13.40 RCW.

(2) The legislative authority of any county desiring to purchase insurance under subsection (1) of this section shall, by ordinance, establish a cumulative reserve fund to be used for purchasing and maintaining such insurance. The fund shall be known as the community service insurance fund and shall be administered by the county treasurer. Only moneys from fines imposed upon juveniles sentenced under chapter 13.40 RCW may be deposited in the fund: PROVIDED, That moneys may be transferred to the fund from the county's current expense fund to provide initial moneys for the community service insurance fund. Moneys which are deposited in the community service insurance fund, as a result of fines collected, which are in excess of those funds necessary to pay the required insurance premiums may be used
to replace such moneys as were transferred from the current expense fund for the purpose of initiating the community service insurance fund.

Sec. 5. Section 1, chapter 20, Laws of 1971 as last amended by section 17, chapter 350, Laws of 1977 ex. sess. and RCW 51.12.035 are each amended to read as follows:

(1) Volunteers shall be deemed employees and/or workers, as the case may be, for all purposes relating to medical aid benefits under chapter 51.36 RCW.

A "volunteer" shall mean a person who performs any assigned or authorized duties for the state or any agency thereof, except emergency services workers as described by chapter 38.52 RCW, brought about by one's own free choice, receives no wages, and is registered and accepted as a volunteer by the state or any agency thereof, prior to the occurrence of the injury or the contraction of an occupational disease, for the purpose of engaging in authorized volunteer service: PROVIDED, That such person shall be deemed to be a volunteer although he or she may be granted maintenance and reimbursement for actual expenses necessarily incurred in performing his or her assigned or authorized duties.

Any and all premiums or assessments due under this title on account of such volunteer service shall be the obligation of and be paid by the state or any agency thereof which has registered and accepted the services of volunteers.

(2) Volunteers may be deemed employees and/or workers, as the case may be, for all purposes relating to medical aid benefits under chapter 51.36 RCW at the option of any city, county, town, special district, municipal corporation, or political subdivision of any type, or any private nonprofit charitable organization, when any such unit of local government or any such nonprofit organization has given notice of covering all of its volunteers to the director prior to the occurrence of the injury or contraction of an occupational disease.

A "volunteer" shall mean a person who performs any assigned or authorized duties for any such unit of local government, or any such organization, except emergency services workers as described by chapter 38.52 RCW, or fire fighters covered by chapter 41.24 RCW, brought about by one's own free choice, receives no wages, and is registered and accepted as a volunteer by any such unit of local government, or any such organization which has given such notice, for the purpose of engaging in authorized volunteer services: PROVIDED, That such person shall be deemed to be a volunteer although he or she may be granted maintenance and reimbursement for actual expenses necessarily incurred in performing his or her assigned or authorized duties: PROVIDED FURTHER, That juveniles performing community services pursuant to chapter 13.40 RCW may not be granted coverage as volunteers under this section.

Any and all premiums or assessments due under this title on account of such volunteer service for any such unit of local government, or any such organization, shall be the obligation of and be paid by such organization which has registered and accepted the services of volunteers and exercised its option to secure the medical aid benefits under chapter 51.36 RCW for such volunteers.

NEW SECTION. Sec. 6. Sections 1 through 84 of chapter 155, Laws of 1979 shall control over any other provision of law in conflict therewith."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. For the purpose of furnishing funds for state assistance to school districts in providing for the construction of common school plant facilities, the state finance committee is hereby authorized to issue general obligation bonds of the state of Washington, the first authorization of which shall be in the sum of thirty million dollars and designated as Series I bonds, and the second authorization which shall be in the sum of one hundred eighty-seven million dollars and designated as the Series II bonds, or so much thereof of each authorization as
shall be required to provide state assistance to local school districts for the construction of common school plant facilities. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation and these bonds shall be paid and discharged in not more than thirty years of the date of issuance.

**NEW SECTION.** Sec. 2. When the state finance committee has determined to issue the general obligation bonds or a portion of such series thereof as authorized in section 1 of this act, it may, pending the issuance thereof, issue in the name of the state temporary notes in anticipation of the issuance of the bonds, which notes shall be designated as "bond anticipation notes." Such portion of the proceeds of the sale of each series of bonds as may be required for the payment of the principal of and redemption premium, if any, and interest on the notes shall be applied thereto when the bonds are issued.

The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds and/or the bond anticipation notes authorized by this chapter, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance.

The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amounts required in the next succeeding twelve months for the payment of the principal of and the interest coming due on each series of the bonds and the dates on which the payments are due. The state treasurer, not less than thirty days prior to the date on which any interest or principal and interest payment is due, shall withdraw from any general state revenues or any other funds constitutionally available and received in the state treasury and deposit in the common school building bond retirement fund of 1979 an amount equal to the amount certified by the state finance committee to be due on the payment date. NEW SECTION. Sec. 8. The Series I bonds authorized by this chapter shall be first issued and only after the superintendent of public instruction has certified, based upon estimates submitted by the state finance committee of future interest earnings of the permanent common school fund and other factors, that an adequate balance will be available in the common school construction fund to enable the superintendent of public instruction to meet the requirements of section 6 of this act during the life of the bonds to be issued.

The obligation of the superintendent of public instruction to make the transfers provided for in section 6 of this act shall be subject and subordinate to the lien and charge of the outstanding public school building revenue bonds, and any refunding general obligation bonds hereafter issued, on the interest earnings of the permanent common school fund pledged to secure the bonds.

NEW SECTION. Sec. 10. Not less than twenty-two million dollars of the proceeds received from the sale of the Series II bonds shall serve as total compensation to the common schools for the sale of timber from trust lands heretofore sold to the state parks and recreation commission pursuant to RCW 43.51.270 and 43.51.280.

I think that they have done an excellent job and I know the members, both Republicans and Democrats here, appreciate it very much."

REMARKS BY SENATOR MATSON

Senator Matson: "Mr. President, I want to echo Senator Walgren's statement and a little bit further, I want to say that from this side of the aisle our staff has been absolutely super, plus the fact that the staff on the other side of the aisle has been extremely cooperative and a real credit to the Senate of the State of Washington. REMARKS BY SENATOR WALGREN

Senator Walgren: "Mr. President, also during this lull in the activities, I would also like to extend on behalf of the Democrats and particularly on my own behalf my thanks to the Republican colleagues and particularly to Senator Matson, Senator Newschwander, Senator Clarke, who of course are the people that we usually are
debating out here on the floor for the courtesies that have been extended during this rather lengthy session, one that has been involved in many partisan disputes, I suppose, but one that has not lacked the courtesies and the friendliness that I think is so important here in the Senate, and I personally appreciate their help."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Thank you, Mr. President, and thank you, Senator Walgren. We agree you did it to us in a very nice way, and we appreciate the courtesy and would reciprocate, not only to Senator Walgren but all of the people on the other side of the aisle, as you have stated. Traditionally, we would have our differences but we are all very good friends through it all and really it is a pleasure, I think, for everyone to serve in the Senate with this group regardless of which side of the aisle we happen to be on."

REMARKS BY THE PRESIDENT

President Cherberg: "The President should like to exercise the privilege of expressing his deepest appreciation and thanks to the forty-nine members of the Senate for their great patience and forbearance and the many courtesies that they have extended to the President. I should also like to thank the members of the staff, headed up by the one and only Sidney Snyder, who is absolutely the top Secretary in the land nonpareil. I should like to make special mention of my appreciation to the other members also here at the rostrum; Verne Sawyer, Chief Leather Lungs; Dorothy Greeley, the best Minute Clerk ever; Pat Durham, the Docket Clerk over here that keeps everything straight; and Orlando Francesca Scarpelli, the master of the keyboard. And a special word of thanks to my good friend, Al Henry, who is always ready to step in and pitch and do everything exactly right. Thank you so much, Al."

REMARKS BY THE PRESIDENT

President Cherberg: "The Assistant Secretary, Mr. William Gleason, has also been of invaluable assistance to the members of the Senate, of which the President is very much aware and has been of great value, inestimable value to the President. The student services programs fund the equal opportunity categories as a formula item as in prior biennia.

The funded fringe benefit rates include the cost of supplemental TIAA-CREF payments (approximately $3,114,000).
The contract enrollment methodology employs a tolerance band of 1% for UW and WSU, 2% for CWU, EWU, and WWU and 3% for TESC and also provides review of TESC's enrollment funding level if substantial enrollment increases occur.

A new library formula is adopted implementing the September 1978 CPE recommendations. The formula is simplified and allows a uniform resource formula percentage of 60%.

UW and WSU budgets recognize indirect cost recoveries on the expenditure as well as the revenue side. UW currently expends indirect cost recovery monies, therefore only the incremental dollar increase is funded. At WSU, expenditure of indirect cost recovery monies has not been permitted. Therefore, to treat WSU in the same manner as UW a one-time phased in add of $2,482,794 in indirect cost recovery monies is included. (In the future only incremental costs will need to be recognized at the universities.)

Local general fund balances except for WSU reflect the balances assumed in the 1977-79 appropriations.

Eliminates funds for former student placement activities funded through the student services formula.

Eliminates the tuition and fee increase proposed by the Governor (approximate revenue loss $13,900,000).

Assumes funding of the Joint Washington Energy Research Center between the University of Washington and Washington State University.

TO THE HONORABLE THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to Section 6, SUBSTITUTE SENATE BILL NO. 2095 entitled: "An Act relating to superior court judges."

Substitute Senate Bill No. 2095 creates a number of additional superior court judgeships throughout the state. Section 6 of the bill was added as a House amendment to the original Senate bill and provides an elective procedure for the selection of judges in several of the newly created positions. I cannot support the provision of Section 6 for several reasons but principally for the reason that such procedure destroys the Governor's historic constitutional and statutory right to appoint judges to the newly created positions. Those appointed must then stand for election as provided by the election laws.

The provisions of Article 4, Section 5 of the constitution provide the framework within which newly created judgeships must be filled. The applicable provision provides:

If a vacancy occurs in the office of judge of the superior court, the governor shall appoint a person to hold the office until the election and qualification of a judge to fill the vacancy, which election shall be at the next succeeding general election. . .

This constitutional principle was tested just two years ago in the supreme court case of Fain v. Chapman, 89 Wn.2d 48 and I recommend that decision to the readers of this message.

RCW 2.08.069 Judges—Filling vacancies resulting from creation of additional judgeships. Unless otherwise provided, upon the taking effect of any act providing for additional judges of the superior court and thereby creating a vacancy, the governor shall appoint a person to hold the office until the election and qualification of a judge to fill the vacancy, which election shall be at the next succeeding general election, and the judge so elected shall hold office for the remainder of the unexpired term.

As far as I am able to determine, the elective procedure as set forth in Substitute Senate Bill No. 2095 on newly created judgeships is the first departure from the long-established constitutional and statutory right of the executive to fill those judgeships by appointment. If the Legislature is truly serious about relieving all Governors of this long-established right, then I suggest a change in the constitution would be required.
For these reasons, I have determined to veto Section 6 of Substitute Senate Bill No. 2095.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to two sections of SUBSTITUTE SENATE BILL NO. 2161 entitled:

"An Act relating to public works contracts for cities and towns."

This bill provides cities and towns the needed flexibility to award low valued contracts. It provides for the establishment of small public works contractor rosters, and for second and third class cities and towns it increases from five to fifteen thousand dollars the value of a contract that may be let for public works projects and maintenance without competitive bids.

Sections 4 and 5 would permit the combining of municipal work forces with those of private contractors. These two sections fail to define the "dollar value of the city's or town's share" except in amount. This may create substantial confusion in the future with regard to labor and material costs, and equipment and overhead charges. Although the dollar amount is limited and places a significant constraint on this activity, there is a potential for future problems. There may be difficulties in finding fault, with possible protracted litigation, in the event of an accident during construction or finding of error upon completion of the project. Problems in employee relations could easily develop by having both public and private sector employees working side by side on the same job, because the wages, working hours, holiday schedules and working conditions are considerably different in the two sectors. My intention is to preclude such problems.

With the exceptions of Sections 4 and 5, which I have vetoed, the remainder of Substitute Senate Bill NO. 2161 is approved.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval SENATE BILL NO. 2179 entitled:

"An Act relating to state parks and recreation commission law enforcement and training; adding a new section to chapter 43.51 RCW; prescribing penalties; and making an appropriation."
The problem this bill addresses, that of protection of our outdoor recreational resources, can be met by the regular budget process.

Further, dedicated funds do not provide sufficient public accountability for the expenditure of public money.

Another problem with this bill is that the relationship between justice and fines must be related to the crime, not to the need for public revenue. Our criminal justice system is presently overloaded with this type of assessment.

For these reasons, I have vetoed Senate Bill No. 2179.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to one section SUBSTITUTE SENATE BILL NO. 2254 entitled:

"An Act relating to agriculture;"

I am aware of the problems concerning the necessary and adequate control of brucellosis. I am also cognizant of the differences of opinion expressed by some members of the legislature trying to determine how best to assure effective control of this disease. Additionally two vital industries are involved, both the dairy and beef cattle interests. This administration recognizes their different and legitimate concerns.

Even so, I have reservations about the need to include Section 23 in this comprehensive omnibus agricultural bill, Substitute Senate Bill No. 2254. The language of this section could be construed to require the Director of Agriculture to establish a mandatory test for infections, contagious, communicable, and dangerous diseases at each change of ownership of all eligible animals in intrastate commerce. This section originated as an amendment in the House of Representatives, and I understand that it was developed in an effort to address the current problem of brucellosis.

There are two points I wish to make here. First, the amendment failed to recognize the ongoing brucellosis control program of the Department, and the importance of vaccination as the cornerstone of that program. Second, Section 23 could be construed as eliminating departmental discretion and causing the perpetuation of an expensive and difficult program of full testing for brucellosis and other diseases whether necessary or not and beyond the time when the current brucellosis outbreak is brought under control.

I believe that powers conferred upon the Director of the Department of Agriculture as set forth in RCW 16.36.040, RCW 16.40.010 and RCW 16.65.340, properly exercised and with sufficient resources of personnel and funding are adequate to assure that the state will be free of this serious disease.
With the exception of Section 23, which I have vetoed, the remainder of Substitute Senate Bill No. 2254 is approved.

Sincerely,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to two sections SUBSTITUTE SENATE BILL NO. 2308 entitled:

"An Act relating to emergency medical services;"

I have vetoed Sections 4 and 7 of Substitute Senate Bill No. 2308 which would have established regional Emergency Medical Services governing councils and delegated to them certain administrative duties. Existing state law already gives the Secretary of the Department of Social and Health Services sufficient authority to establish program advisory bodies where necessary to fulfill programmatic or federal funding requirements. Since federal funding for emergency medical services will be exhausted during the ensuing 1979/81 biennium, it is inadvisable to saddle the state with a bureaucracy of regional Emergency Medical Services governing councils with delegated responsibilities to establish patient care guidelines, disburse grant funds and submit regional budget requests. It is more appropriate for the state agency (i.e. DSHS) to be responsible for producing statewide plans for Emergency Medical Services training and equipment after consultation with appropriate advisory bodies, including locally elected public officials.

With the exception of Sections 4 and 7, which I have vetoed, the remainder of Substitute Senate Bill No. 2308 is approved.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to Section 3, SUBSTITUTE SENATE BILL NO. 2451 entitled:

"An Act relating to institutions of higher education."

Section 3 allows fee waivers for students of exceptional educational ability or potential. This is a laudable idea, and one which I support in concept, but without a limiting clause it is subject to both abuse and unequal application. Therefore I feel that the only prudent course is to veto the section.
With the exception of Section 3, which I have vetoed, the remainder of SSB 2451 is approved.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:
I am returning herewith, without my approval as to an item contained in Section 2, SUBSTITUTE SENATE BILL NO. 2504 entitled:
"An Act relating to agricultural water supply facilities; amending Section 1, Chapter 1, Laws of 1977 ex. sess., and RCW 43.8313.300; making an appropriation; creating new sections; adding a new section to Chapter 87.03 RCW; and declaring an emergency."

Section 2 of this bill delineates certain sums of money to be expended for loans and grants to various agencies. A proviso, however, added to the bill by House amendment adopted 5/12/79 and being part of line 7 and continuing through line 12 of page 3, Section 2 is a dramatic change from the legislative intent of the 1977 Act which stated "the grant portion for any single project shall not exceed fifteen percent of the total single project cost."

Changing the maximum grants amount to fifteen percent of "the total state funds" is a dramatic change in policy and appears to nullify earlier commitments arrived at between urban and agricultural interests.

Consequently, I have determined to veto the language contained in the last sentence of Section 2, page 3 of the bill.

With the exception of that portion of the bill that I have vetoed, the remainder of Substitute Senate Bill 2504 is approved.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:
I am returning herewith without my approval as to one section SUBSTITUTE SENATE BILL NO. 2709 entitled:
"An Act relating to education;"

I have vetoed Section 9 of Substitute Senate Bill No. 2709 which amends the Basic Education Act. Section 9 contains an appropriation of $10,000. Sufficient funding was included in the biennial appropriation for the administration of this bill.
APPENDIX

With the exception of Section 9, which I have vetoed, the remainder of Substitute Senate Bill No. 2709 is approved.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to Subsections 3 and 4 of Section 77 of SUBSTITUTE SENATE BILL NO. 2768 entitled:

Substitute Senate Bill 2768 represents many long hours of work aimed at improving the Juvenile Justice Act of 1977. Individuals and groups representing all aspects of the State's juvenile system participated in the development of this legislation. State agencies, prosecutors offices, public defenders, law enforcement officers, juvenile court directors, judges, and
local youth service agencies, all helped address the problems that have arisen since the implementation of the 1977 law.

Passage of Substitute Senate Bill 2768 will help the State to maintain control over the problem of runaways by allowing police to pick up runaway juveniles and transport them to semi-secure Crisis Residential Centers until the family can be successfully reunited. This law will also improve the day to day performance of the juvenile system by more clearly defining roles and responsibilities of those agencies involved with juveniles. The law will also put Washington in conformance with the Interstate Compact on Runaways.

Subsections (3) and (4) of Section 77 of the Act require the Department of Social and Health Services to contract for Crisis Intervention Services, I would prefer that the Department of Social and Health Services management be allowed the option of determining the most cost-effective way of providing these services. This would assure the best use of taxpayer funds. This is a far better policy than is the establishment of rigid rules that inhibit management efficiency. Allowing the Department of Social and Health Services the authority to provide the intake portion of Crisis Intervention Services means that the Department of Social and Health Services can be held fully accountable for the performance of the program. For these reasons I have vetoed Subsections (3) and (4) of Section 77 of Substitute Senate Bill 2768.

I will expect the Department of Social and Health Services to test the cost-effectiveness of the contracting concept by carefully evaluating the benefits and costs of the different modes of service delivery.

In making the decision to veto Subsections of Substitute Senate Bill 2768 I am fully aware that Amendment 62 of the Washington State Constitution provides that the Governor "may not object to less than an entire section." The combined subsections I am vetoing do comprise a "section" as defined in Apartment Associations vs. Evans 88 W2d 553, 564 P. 2d 788 (1977). Although Apartment Associations interpreted the meaning of "section" as it existed before Amendment 62, the definition is still applicable. Amendment 62 abrogated the Governor's power to veto an "item". The intent of the Legislature and the people was to prohibit the Governor from vetoing a word, a comma, or other integrated segment of a proposal by the Legislature. The Legislature did not address the definition of the word "section." Therefore the definition set out in Apartment Associations (supra) appears valid.

The court, in testing several vetoes, reveals that a section is determined by its severability from other parts of the bill, and its ability to stand alone as a complete concept. In the present situation, Section 77 of Substitute Senate Bill 2768 delegates duties to the Department of Social and Health Services. The subsections within section 77 set out individual duties. Subsections (3) and (4) embody one duty separate and distinct from the other duties, clearly this duty is severable from the others and is a complete "section" as defined in Apartment Associations.

It is not my intent to change the remainder of the bill. My objection is toward the single concept of mandating contracts for services.
With the exception of Subsection (3) and (4) of Section 77, which I have vetoed, the remainder of Substitute Senate Bill 2768 is approved.

Respectfully submitted,
DIXY LEE RAY
Governor.

MR. SID SNYDER, SECRETARY
WASHINGTON STATE SENATE
LEGISLATIVE BUILDING
OLYMPIA, WASHINGTON 98504

DEAR MR. SNYDER:

I had intended the attached letter to accompany the signing of Substitute Senate Bill 3008 which was signed June 21, 1979.

Please make my letter a part of the legislative record.

Sincerely,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

In reviewing Substitute Senate Bill 3008, I was distressed to learn that a House amendment concurred in by the Senate in the waning hours of the extraordinary session of the Forty-Sixth Legislature, reduced proposed salaries to District Court judges to a sum much less than a cost of living increase. This occurring even though the Legislature had added to the responsibility of this court system by increasing their jurisdictional limits and had accorded all other levels of the judiciary requested increases. Perhaps those legislators who approved such a prejudicial approach were not aware that the District Court judges' salaries are not paid by state funds or perhaps they were otherwise influenced.

In any event, I consider the treatment accorded the District Court judges by the Legislature as to salary increases to be highly questionable and the salary limits totally inadequate. I strongly suggest that this error or intentional action be rectified at the earliest possible time.

Respectfully submitted,
DIXY LEE RAY
Governor.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I have the honor to advise that on June 25, 1979, Governor Ray approved the following Senate bills entitled:

SENATE BILL NO. 2466: Relating to civil actions, proceedings.
SUBSTITUTE SENATE BILL NO. 2685: Relating to financial reporting officials.
SUBSTITUTE SENATE BILL NO. 2929: Relating to mobile home taxation.
SUBSTITUTE SENATE BILL NO. 3129: Relating to performing arts center.

Sincerely,
H.B. HANNA
Legal Counsel.

Office of the Governor, June 25, 1979,

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

Today I have signed SUBSTITUTE SENATE BILL NO. 3129 authorizing the sale of up to three million dollars in state bonds for performing arts facilities in Olympia and Tacoma.

Although the facilities are needed to provide improved cultural resource opportunities for citizens in the lower Puget Sound region and despite my continuing interest in and support of the arts, I signed this bill reluctantly. My reluctance is for the piecemeal approach to state support and financing of local capital projects. I would far prefer a comprehensive approach to statewide cultural facility planning with clear mandate from the taxpayers of the state.

I encourage your consideration of a referendum approach to any further actions on state participation in the financing of cultural resource facilities.

Respectfully submitted,
DIXY LEE RAY
Governor.
