211, Laws of 1982 and RCW 82.14.020 are each amended to read as follows:

Senator Shinpoch: "Senator Gaspard, in the example that you used, does the Bon Marche make retail sales out of the warehouse in Tukwila?"

Senator Gaspard: "No, as I understand it, it doesn't. If they do, they would not qualify for that exemption and the sale made out of Tukwila—from this example—the local sales tax—would then go to the Tukwila area."

Senator Shinpoch: "In your example, they do make sales out of the warehouse in—"

For purposes of this section, "precious metal bullion" means any elementary precious metal which has been put through a process of smelting or refining, including, but not limited to gold, silver, platinum, rhodium, and chromium, and which is in such state or condition that its value depends upon its contents and not upon its form. For purposes of this section, "monetized bullion" means coins or other forms of money manufactured from gold, silver, or other metals and heretofore, now or hereafter used as a medium of exchange under the laws of this state, the United States, or any foreign nation, but does not include coins or money sold to be manufactured into jewelry or works of art.

NEW SECTION. Sec. 9. There is added to chapter 82.12 RCW a new section to read as follows:

For purposes of this section, "precious metal bullion" means any elementary precious metal which has been put through a process of smelting or refining, including, but not limited to, gold, silver, platinum, rhodium, and chromium, and which is in such state or condition that its value depends upon its contents and not upon its form. POINT OF ORDER

Senator Shinpoch: "A point of order, Mr. President. I would raise the question of scope and object on the amendment. House Bill No. 72, before us, is a fairly simple bill that cleans up some language of actually making a legislative determination of when taxes should be imposed and shouldn't be imposed, as it applies both to the collection of sales tax and relative to the application of the reduced B & O tax. Then, if the taxes aren't paid—how they go about issuing warrants and those kinds of things. It seems to me like it is a fairly narrow bill and it seems to me that removing sales tax on precious metals is outside the scope and object of the bill."

Debate ensued.

MOTION

At 10:33 a.m., on motion of Senator Shinpoch, the Senate was declared to be at ease.

The President called the Senate to order at 11:53 a.m.

understand what that means. I would like to have some real clarification on how that does what you want it to do.”

Senator Hansen: “Well, at wholesale, where the livestock is slaughtered, would be at the reduced rate, but it wouldn’t be at the reduced rate at the retail.”

Senator Kiskaddon: “How does that change what is happening now?”

Senator Hansen: “All it would do is lower the ordinary .44 to .33.”

Providing for children and family services.

MOTION

Senator Granlund moved adoption of the following Committee on Institutions amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature reaffirms its declarations under RCW 13.34.020 that the family unit is the fundamental resource of American life which should be nurtured and that the family unit should remain intact in the absence of compelling evidence to the contrary. The legislature declares that the goal of serving emotionally disturbed and mentally ill children, potentially dependent children, and families-in-conflict in their own homes to avoid out-of-home placement of the child, when that form of care is premature, unnecessary, or inappropriate, is a high priority of this state.

NEW SECTION. Sec. 2. The department of social and health services shall address the needs of emotionally disturbed and mentally ill children, potentially dependent children, and families-in-conflict by:

1. Serving children and families as a unit in the least restrictive setting available and in close proximity to the family home, consistent with the best interests and special needs of the child;

2. Ensuring that appropriate social and health services are provided to the family unit both prior to the removal of a child from the home and after family reunification;

3. Developing and implementing comprehensive, preventive, and early intervention social and health services which have demonstrated the ability to delay or reduce the need for out-of-home placements and ameliorate problems before they become chronic or severe;

4. Developing coordinated social and health services which:

a. Identify problems experienced by children and their families early and provide services which are adequate in availability, appropriate to the situation, and effective;

b. Seek to bring about meaningful change before family situations become irreversibly destructive and before disturbed psychological behavioral patterns and health problems become severe or permanent;

(c) Serve children and families in their own homes thus preventing unnecessary out-of-home placement or institutionalization;

(d) Focus resources on social and health problems as they begin to manifest themselves rather than waiting for chronic and severe patterns of illness, criminality, and dependency to develop which require long-term treatment, maintenance, or custody;

(e) Reduce duplication of and gaps in service delivery;

(f) Improve planning, budgeting, and communication among all units of the department serving children and families; and

(g) Develop outcome standards for measuring the effectiveness of social and health services for children and families.
NEW SECTION. Sec. 3. The department shall address the needs of juvenile offenders whose standard range sentences do not include commitment by developing nonresidential community-based programs designed to reduce the incidence of manifest injustice commitments when consistent with public safety.

NEW SECTION. Sec. 4. The department shall involve a juvenile offender’s family as a unit in the treatment process. The department need not involve the family as a unit in cases when family ties have by necessity been irrevocably broken. When the natural parents have been or will be replaced by a foster family or guardian, the new family will be involved in the treatment process.

NEW SECTION. Sec. 5. The department shall develop a plan in cooperation with an advisory committee of community representatives appointed by the secretary for the implementation of sections 2 through 4 of this act for submission to the appropriate committees of the house of representatives and the senate by November 15, 1983. The plan shall include:

(1) Policies and procedures for the coordinated and cooperative functioning of all units of the department serving children and families which eliminate duplications, inconsistencies, and conflicting rules;

(2) Policies and procedures for the coordinated and cooperative functioning of the department with agencies of local government, schools, courts, and the private sector;

(3) An evaluation of the desirability and feasibility of locating out-of-home placements, treatment programs, and institutions in close geographical proximity to the area or residence of the child and the family;

(4) Priorities for all departmental units serving children and families;

(5) Training initiatives directed toward all departmental units and contractors serving children and families;

(6) Policies and procedures which address the appropriate role of the department of social and health services in fostering services which address the special needs of parents and their young children. The policies and procedures shall pay attention to the unique needs of culturally diverse groups;

(7) Policies and procedures designed to ensure coordination between all departmental units serving children and families and the public schools;

(8) Policies for the evaluation, treatment, and referral of children and families by all departmental units serving children and families;

(9) Procedures for all departmental units serving children and families to use in identifying and meeting the needs of children and families at the local level;

(10) Changes which may be necessary in statutes to permit the full implementation of sections 2 through 4 of this act;

(11) An evaluation of whether the existing organizational structure of the department will permit the full implementation of sections 2 through 4 of this act or whether an alternative organizational structure is more appropriate;

(12) Outcome standards which can be used to measure the effectiveness of social and health service programs; and

(13) Procedures for the establishment of local volunteer oversight groups within each department service area. The oversight group shall be comprised of parents, professionals in the field of children and family services not employed by the department, local government employees in law enforcement or children and family services, and members of other nonprofit organizations participating in children and family services activities.

NEW SECTION. Sec. 6. This act may be known and cited as the “children and family services act.”

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. Sections 2 through 4 of this act shall take effect January 1, 1984.

NEW SECTION. Sec. 9. Sections 1 through 4 of this act shall constitute a new chapter in Title 74 RCW.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: “Senator Kiskaddon, I notice ‘potentially dependent’ in the amendment which I am looking at now, which is in the bill—‘potentially dependent children in families in conflict in their own home.’ Are you proposing that they ask Mary Jane or Joe, in school, did your mother and father have a fight last night and what were they fighting about? How would the Department go about solving that conflict in the home?”

Senator Kiskaddon: “The Department cannot actually solve the problem in the home. For the most part, you don’t have to ask the child if there was a conflict in
the home. The whole movement of a child in school will begin to show that something is really going wrong in terms of the child in their behavior and response toward life. What we see is more of working, and in essence saying, 'I sense your child is very discouraged and is having troubles here. Is there any way that we could help?' It is that kind of an offer of support that might make it possible for many families that were fighting to do something about it."

Senator Rasmussen: "A further question—if the family refuses that help from the Department, then they will file charges of child abuse or something?"

Senator Kiskaddon: "I don't see that happening, unless someone had actually reported an incident of child abuse."

The President declared the question before the Senate to be adoption of the Committee on Institutions amendment.

The legislature recognizes that license fees obtained from sports fishermen support the majority of the production of these game fish. The legislature finds that commercial operations which benefit from the commercial harvest of these fish should pay a tax to assist in the funding of these facilities. However, the intent of the legislature is not to support the commercial harvest of steelhead and other game fish.*

POINT OF INQUIRY

Senator Owen: “No, I couldn’t.”

POINT OF INQUIRY

Senator Rasmussen: “Senator Owen, is it the intent of this bill—it speaks of game fish, which could well be any fish. What my question would be, does this bill relate to a fish farmer that would either be selling or buying? I am thinking of—we do have fish farms at the present time raising bass, and they could be from the Columbia or something like that where they receive them. I want the intent made clear that it is not to license the fish farmer when he sells.”

Senator Owen: “No. that is correct. This is for the person who buys it and sells it for retail. The fish buyer who is going to turn around and sell it at retail would have to have the buyer’s license and, also, pay the excise tax on it.”

Senator Rasmussen: “It would not relate in any way to the fish farmer?”

Senator Owen: “It would not deal with bass, anyway—just anadromous game fish. It does not deal with the fish farmer that you are talking about.”

POINT OF ORDER

Senator Bottiger: "Mr. President and Senator Pullen, I am going to do my best to be out of here by 10 o'clock. That rule can be amended or set aside or suspended by a majority vote. I haven't done it one time this session. I don't intend to do it the first time."

POINT OF INQUIRY

Senator Barr: "Senator McDermott, I believe we were talking of ninety-four million dollars difference—just the difference between one body's increase and the other—that is about right. Is that true?"

Senator McDermott: "It is my understanding from a casual analysis of this first set of amendments that it was ninety-four million dollars."

Senator Barr: "My question really is then, would you consider this the highest priority and the biggest item of increase in the budget?"

Senator McDermott: "It is awfully late at night to know where you are going with that question, so I am not sure how I ought to answer it. It is the biggest amendment which has been offered here tonight."

Senator Barr: "I assume that the salary increases would be the biggest item of the whole increase then—in the budget? A while ago when I was offering an amendment, I was talking about priorities and I just wanted to know where the priorities lie?"

Senator McDermott: "Senator Barr, in putting this budget together, we tried to take care of human needs first. We wanted people to eat and have a place to live and a hospital to go to when they are sick. That was the highest priority."

Senator Hemstad demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on adoption of the amendments by Senator Hemstad and Fuller to the committee amendment.

MESSAGE FROM THE HOUSE

April 20, 1983

Mr. President:

The House has passed SENATE BILL NO. 3182 with the following amendments:

Strike everything after the enacting clause, and insert the following:

NEW SECTION. Sec. 1. There is added to chapter 30.04 RCW a new section to read as follows:

A bank or trust company may purchase for its own account shares of stock of a bank or a holding company that owns or controls a bank if the stock of the bank or company is owned exclusively, except to the extent directly qualifying shares are required by law, by depository institutions and the bank or company and all subsidiaries thereof are engaged exclusively in providing services for other depository institutions and their officers, directors, and employees. In no event may the total amount of such stock held by a bank or trust company in any bank or bank holding company exceed at any time ten percent of its capital stock and paid-in and unimpaired surplus, and in no event may the purchase of such stock result in a bank or trust company acquiring more than twenty-five percent of any class of voting securities of such bank or company. Such a bank or bank holding company shall be called a “banker’s bank.”

NEW SECTION. Sec. 2. There is added to chapter 30.04 RCW a new section to read as follows:

Sales of federal reserve funds with a maturity of one business day or under a continuing contract are not “loans or obligations” or “liabilities” for the purposes of the loan limits established by RCW 30.04.110. However, sales of federal reserve funds with a maturity of more than one business day are subject to those limits.

For the purposes of this section, “sale of federal reserve funds” means any transaction among depository institutions involving the disposal of immediately available funds resulting from credits to deposit balances at federal reserve banks or from credits to new or existing deposit balances due from a correspondent depository institution.

Sec. 3. Section 30.04.060, chapter 33, Laws of 1955 as amended by section 6, chapter 196, Laws of 1982 and RCW 30.04.060 are each amended to read as follows:

The supervisor, the deputy supervisor, or a bank examiner, without previous notice, shall visit each bank and each trust company at least once in each year, and oftener if necessary, for the purpose of making a full investigation into the condition of such corporation, and for that purpose they are hereby empowered to administer oaths and to examine under oath any director, officer, employee, or agent of such corporation. ((Said)) The supervisor may make such other full or partial examinations as deemed necessary and may examine any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington and obtain reports of condition for any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington. The supervisor may visit and examine into the affairs of any nonpublicly held corporation in which the bank, trust company, or bank holding company has an investment or any publicly held corporation the capital stock of which is controlled by the bank, trust company, or bank holding company; may appraise and revalue such corporations’ investments and securities; and shall have full access to all the books, records, papers, securities, correspondence, bank accounts, and other papers of such corporations for such purposes. The supervisor may, in his or her discretion, accept in lieu of the examinations required in this section the examinations required under the terms of the federal reserve act for banks which are, or may become, members of a federal reserve bank or the deposits of which are insured by the Federal Deposit Insurance Corporation. Any willful false swearing in any examination (shall-be) is perjury.

The total liability to any bank or trust company of any person for money borrowed, including in the liabilities of a firm or association the liabilities of the several members thereof, shall not at any time exceed (fifteen) twenty percent of the capital and surplus of such bank or trust company; but the discount of bills of exchange drawn in good faith against actually existing values and the discount of commercial or business paper of solvent parties, actually owned by the person negotiating the same, shall not be considered as money borrowed by him: PROVIDED. That loans secured by collateral security having an ascertained market value of at least fifteen percent more than the amount of the loans secured, shall not be limited by this section.

Loans or obligations shall not be subject under this section to any limitation based upon such capital and surplus to the extent that they are secured or covered by guarantees, or by commitments or agreements to take over or to purchase the same, made by any federal reserve bank or by the United States or any department, bureau, board, commission or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States.

For the purposes of this section, "capital" includes capital notes or debentures issued under chapter 30.36 RCW.

Any state bank or trust company, stock savings bank, or mutual savings bank may invest in the capital stock of banking service corporations (organized for the purpose of performing or providing mechanical, clerical, or record keeping services for two or more banks). The total amount which any such bank may invest in the shares of such corporations may not exceed in the case of a bank or trust company or stock savings bank, ten percent of its paid-in or unimpaired capital and unimpaired surplus, or in the case of a mutual savings bank, ten percent of its guaranty fund. Such a bank service corporation may not engage in any activity other than (the performance of services for banks) those permitted by the bank service corporation act, 12 U.S.C. Sec. 1861, et seq., as amended by P.L. 97-330, and in effect on the effective date of this 1983 act. The performance of any service, and any records maintained by any such corporation for a bank, shall be subject to regulation and examination by the supervisor and appropriate federal agencies to the same extent as if such services or records were being performed or maintained by the bank on its own premises.

Sec. 7. Section 30.04.160, chapter 33, Laws of 1955 and RCW 30.04.160 are each amended to read as follows:

((When it shall appear to the supervisor that any bank or trust company is habitually borrowing for the purpose of reloaning, he may require such corporation to pay off such borrowed money. Nothing herein shall prevent any bank or trust company from rediscourting in good faith and indorsing any of its negotiable notes, but all such moneys borrowed and all such rediscouts shall at all times show on its books and in its reports. No certificates of deposit shall be issued for the purpose of borrowing money)))) No officer of any bank or trust company shall issue the note of such corporation for money borrowed or rediscout any of its notes except when authorized by resolution of its board of directors or by an authorized committee thereof. If the supervisor determines that such activity is not ((an appropriate adjunct)) closely related to the business of banking or the bank is not otherwise qualified, he shall forthwith inform the applicant. The applicant shall have the right to appeal from an unfavorable determination in accordance with the procedures of the Administrative Procedure Act, chapter 34.04 RCW ((as now or hereafter amended)). MOTION

Senator Bottiger moved that the Senate concur with the House amendments to Senate Bill No. 3182.

POINT OF ORDER

Senator Sellar: "A point of order. Mr. President. I would respectfully request that the amendment to Senate Bill No. 3182 broadens the scope and object of the bill. The bill as it left the Senate merely repealed two sections of the code that dealt with revolving funds for the Supervisor of Banking. The amendment that came back broadens to the point of really setting up an entirely new system for interstate acquisition of banks and I, respectfully, report to you that the day-to-day operation of the banking and supervisor has nothing to do with interstate banking."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Sellar, the President finds that Senate Bill No. 3182 is a measure which repeals the statutes creating the banking, savings and loan associations and credit unions examination funds.

The amendment proposed by the House of Representatives, while incorporating the language of the original bill in the House amendment, deals primarily with the subject of interstate acquisition of banks."
"The President, therefore, finds that the proposed amendment does expand the scope and object of the bill and that the point of order is well taken.

"Pursuant to Senate Rule 66, Senate Bill No. 3182 is referred to the Senate Committee on Financial Institutions."

Debate ensued.

POINT OF INQUIRY
Senator Sellar: "Senator Bottiger, this matter has been brought over to us by the House of Representatives. we all know. There are some members on the floor, including myself, that would like an opportunity, at some point in time, to at least offer some amendments to that bill. We were not given that opportunity in committee. I understand, because of the time press. If we follow through with this particular motion and it goes to conference, etc., I assume that there will be no opportunity for amendments to this bill by a member of the Senate. Is that correct?"

Senator Bottiger: "Senator Sellar, I hadn't thought that all the way through. but I guess I would have to say that there would not be—in the general floor action. The only place that there would be would be in a free-conference report where there could be amendments offered. That is the only place that I can think of."

Debate ensued.

PARLIAMENTARY INQUIRY
Senator Pullen: "Mr. President, if we vote not to concur with the House amendments and send the bill back to the House, and they vote that they do not wish to recede and send the bill back to us, would it then be in order for someone to raise the question of scope and object, if a motion is then made to concur with the House amendments?"

REPLY BY THE PRESIDENT
President Cherberg: "Senator Pullen, if such a situation, as you describe, develops, the President will make the determination at that time."

Further debate ensued.

PARLIAMENTARY INQUIRY
Senator Rasmussen: "Mr. President, which motion is before the body at the present time?"
REPLY BY THE PRESIDENT

President Cherberg: "The motion before the Senate, Senator Rasmussen, is the motion by Senator Moore that the Senate Committee on Financial Institutions be relieved of further consideration of Senate Bill No. 3182, as amended by the House."

MOTION

Senator Rasmussen moved that further consideration of Senate Bill No. 3182, as amended by the House, be deferred until the afternoon session.

The Secretary called the roll and the motion by Senator Moore carried and the Committee on Financial Institutions was relieved of further consideration of Senate Bill No. 3182, as amended by the House, by the following vote: Yeas, 38; nays, 10; absent, 01; excused, 00.

MOTION

Senator Bottiger moved that the Senate not concur in the the House amendments to Senate Bill No. 3182 and asked the House to recede therefrom.

REMARKS BY THE PRESIDENT

President Cherberg: "Senator Bottiger, Senate Rule 66 is quite specific on that particular point—in the event a scope and object ruling results in a measure being referred to committee, a motion to ask the House to recede, to insist or to adhere shall be in order on the same day upon which the scope and object ruling resulted in the measure being referred to committee." The President suggests that you move to request the House to recede from the House amendments to Senate Bill No. 3182."

Senator Bottiger: "Mr. President, I must have misstated it. I move that pursuant to Rule 66, the Senate ask the House to recede from the House amendments to Senate Bill No. 3182."

Further debate ensued.
POINT OF INQUIRY

Senator Clarke: "Mr. President, I am assuming that the purpose of this motion and a vote on it, does not necessarily indicate the position of those voting on the merits of the House amendments, but that the motion that has been made by Senator Bottiger, is simply to afford an opportunity of consideration of the substance of that amendment by conference between the Houses—since it has been ruled beyond the scope and object and not properly before us for consideration at this time. Am I correct, Senator Bottiger?"

Senator Bottiger: "That is correct, Senator Clarke. That is the precedent that we found in 1975. It comes out exactly the opposite of the way you would think."

POINT OF ORDER

Senator Fleming: "A point of order, Mr. President. Recognizing that there is probably a two-thirds vote for this issue, does this motion demand a suspension of rules and two-thirds vote?"

REPLY BY THE PRESIDENT

President Cherberg: "Senator, the motion would require a suspension of the rules and a suspension of the rules, in this particular instance, would require a two-thirds vote of the members present."

tions introduced into evidence or used for purposes of impeachment."

Renumber the remaining section.

POINT OF INQUIRY

Senator Pullen: "Senator Talmadge, your explanation sounded quite good, but
I just wanted to clarify exactly who gets the attorneys' fees for the prevailing
party—against what kind of suits are involved?"

Senator Talmadge: "Senator, specifically, this is in civil litigation and where an
individual prevails in a lawsuit, whether a plaintiff or a defendant, they get their
statutory costs. They would not get reasonable attorneys' fees. That is something
that is different under our system of justice, but they would get something called a
statutory attorneys' fee, which is presently $100. That would be awarded either to
the plaintiff or the defendant who prevailed in the lawsuit."

Senator Pullen: "And that is in any civil case?"

Senator Talmadge: "In any civil case—correct."

amendment by Senator Talmadge.

Permitting the state employees' insurance fund to self-fund its insurance programs.
The bill was read the second time.
MOTION

On motion of Senator Moore, the rules were suspended. Engrossed Substitute House Bill No. 620 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Clarke: "Senator Moore, I note on page 3, line 14 of the bill, it says 'any self-insurance program created pursuant to this section shall be subject to the examination requirements of Chapter 48.803 RCW as if the self-insurance program were a domestic insurer.' Is it the intent, in passing this bill, to require such a fund to have the same qualifications as required of other insurance under the certificates of authority, which would be 48.05 or 48.040 (2), which states 'have capital funds as required by this code based upon the type and domicile of the insurer and the kinds of insurance proposed be transacted.'

"Now, my concern, in asking this question and request clarification is the qualifications or requirements for capital and surplus similar to that of private insurers--in the event there should be an unfortunate experience, which would deplete the funds. I fear that inevitably there would be a demand on the general fund of the state to make this good, or if not, the injured employee, in effect, would be left holding the bag. That is the reason I am asking--whether it is the intent of this bill to require this fund to have the same safeguards as to capital and surplus as would be required of a private insurer?"

Senator Moore: "Senator Clarke, not being an expert on insurance, I can only assume that what is stated in the bill pertaining to filing reports and being treated--you referred to page 3--"" Senator Clarke: "On page 3, in effect, starting with line 14 and then continuing down through line 29--our requirements as to what the department should do with respect to reports and examinations. Now, to me, it is not clear from that language whether or not that is intended to include the requirements and safeguards as to capital and surplus, which would be required of private insurers to enter that field."

Senator Moore: "In response, I can only suggest that where it mentions 'the commissioner shall determine the adequacy of the reserves established for the self-insurance program'--I would assume that they were established at the beginning of the program. That is my only response."

MOTION

Senator Guess moved that further consideration of Engrossed Substitute House Bill No. 620 be deferred indefinitely.

Senator Clarke demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Goltz: "If the motion fails, then is the other motion for reconsideration out of order?"

REPLY BY THE PRESIDENT

President Cherberg: "The President will ask Senator Bottiger to clarify his motion. The President believes that it means to immediately reconsider."

Senator Bottiger: "I believe once the notice is given, then any body can move that you do it right now and that is what my motion is to 'now consider.'"

PARLIAMENTARY INQUIRY

Senator Clarke: "A vote 'no,' then, would, in effect, be a vote not to reconsider, so the reconsideration issue would then be completely decided by this vote?"

REPLY BY THE PRESIDENT

President Cherberg: "Yes, Senator. A vote 'aye' will mean that you have voted to reconsider the vote, a vote 'no' will mean that you have voted not to reconsider."

Senator Clarke: "I still think there is some misunderstanding upon our side as to the effect. In the event the motion by Senator Bottiger should carry affirmatively and be adopted, is that simply a determination that the vote to or not to reconsider would be taken immediately or is that a vote on the reconsideration?"

President Cherberg: "The President considers this a vote to determine whether the bill is alive or you will reconsider it."

Senator Clarke: "Further consideration—so, if the—"

President Cherberg: "This is a vote on reconsideration—not necessarily on the vote immediately."

On page 3, beginning on line 2, strike all of the material down to and including the period on line 3

Senator Pullen moved adoption of the following amendment:

On page 2, line 20 after "compliance" insert ": PROVIDED, That notwithstanding any other provision of law, a respondent shall be entitled to a trial by jury in any action under this chapter in which monetary damages may be awarded"

POINT OF INQUIRY

Senator Guess: "Senator Talmadge, do I understand what you say is that in accordance with the administrative procedures, the case is handled by the administrative law judge? He fines the person a thousand dollars—the person can then go to the superior court and file an action there seeking regress?"

Senator Talmadge: "No. Senator Guess. When a person has that fine imposed against him by an administrative law judge, the Administrative Procedures Act provides that they can appeal to superior court, but they appeal on the record. It is not de novo and it is not before a jury, as I understand. Rather, it is on the record and there are standards for whether or not the factual findings of the administrative law judge are correct and whether the conclusions of law drawn by that administrative law judge are correct.

"I would point out that it is parallel to what we do in a wide variety of cases. Take an example—the Board of Industrial Insurance Appeals and workers' compensation cases—our court has ruled there that the very same kind of mechanism does not violate that worker who was injured the right to a trial jury. If a person files in court and there is a parallel right to file a civil action in court if they want to—they choose not to go through the administrative mechanism—there the right to a trial by jury applies."

Debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senator Pullen.

The motion by Senator Pullen failed on a rising vote and the amendment was not adopted.

MOTION

Senator Talmadge moved adoption of the following amendment by Senators Talmadge and Hemstad:

"Sec. 3. Section 5, chapter 100, Laws of 1961 and RCW 49.44.090 are each amended to read as follows:

It shall be an unfair practice:
(1) For an employer or licensing agency, because an individual is between the ages of forty and (sixty-five) seventy, to refuse to hire or employ or license or to bar or to terminate from employment such individual, or to discriminate against such individual in promotion, compensation or in terms, conditions or privileges of employment: PROVIDED, That employers or licensing agencies may establish reasonable minimum and/or maximum age limits with respect to candidates for positions of employment, which positions are of such a nature as to require extraordinary physical effort, endurance, condition or training, subject to the approval of the director of labor and industries through the division of industrial relations.

(2) For any employer, licensing agency or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement, or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses any limitation, specification or discrimination respecting individuals between the ages of forty and (sixty-five) seventy: PROVIDED, That nothing herein shall forbid a requirement of disclosure of birth date upon any form of application for employment or by the production of a birth certificate or other sufficient evidence of the applicant's true age.

Nothing contained in this section or in RCW 49.60.180 as to age shall be construed to prevent the termination of the employment of any person who is physically unable to perform his duties or to affect the retirement policy or system of any employer where such policy or system is not merely a subterfuge to evade the purposes of this section: nor shall anything in this section or in RCW 49.60.180 be deemed to preclude the varying of insurance coverages according to an employee's age; nor shall this section be construed as applying to any state, county, or city law enforcement agencies, or as superseding any law fixing or authorizing the establishment of reasonable minimum or maximum age limits with respect to candidates for certain positions in public employment which are of such a nature as to require extraordinary physical effort, or which for other reasons warrant consideration of age factors.

POINT OF ORDER

Senator Haley: "A point of order, Mr. President. I ask for a ruling on scope and object on this amendment. The bill is about the duties and punishments under an administrative law judge. It would change the name of the commission and the present amendment is an entirely separate subject which would change the ages of people who would have a discrimination case."

Debate ensued.

MOTIONS

On motion of Senator Shinpoch, further consideration of House Bill No. 555 was deferred.

On motion of Senator Shinpoch, the Senate returned to the fourth order of business.

Annually, numerous persons suffer severe scald burns, some resulting in death, from tap or bath water which is inordinately hot. Excessive tap and bath water temperatures in residential usage is unnecessary for sanitary purposes. Regulation of the setting of water temperatures upon installation can virtually eliminate incidences of dangerous scalding. Further, the legislature finds that projected future shortages of energy in our state could be reduced or prevented by the efficient utilization of existing energy resources. Reducing the temperature
settings on thermostats to one hundred twenty degrees Fahrenheit (or forty-nine degrees Celsius) would save energy that is now unnecessarily consumed, reduce homeowners' average utility costs, and promote home safety without any loss of comfort or health.

NEW SECTION. Sec. 2. There is added to chapter 19.27 RCW a new section to read as follows:

(1) "Hot water heater" means the primary source of hot water for a residence.

(2) The thermostat of a new water heater offered for sale or lease in this state for use in a residential unit, shall be preset by the manufacturer no higher than one hundred twenty degrees Fahrenheit (or forty-nine degrees Celsius) or the minimum setting on any water heater which cannot be set as low as that temperature. Water heating systems may utilize higher reservoir temperature if mixing valves are set or systems are designed to restrict the temperature of water to one hundred twenty degrees Fahrenheit.

(3) Upon occupancy of a new tenant in a residential unit leased or rented in this state, if hot water is supplied from an accessible, individual water heater, the water heater shall be set by the owner or agent at a temperature not higher than one hundred twenty degrees Fahrenheit (forty-nine degrees Celsius) or the minimum setting on any water heater which cannot be set as low as that temperature. Water heating systems may utilize higher reservoir temperature if mixing valves are set or systems are designed to restrict the temperature of water to one hundred twenty degrees Fahrenheit.

(4) Nothing in this section shall prohibit an owner of an owner-occupied residential unit or resident of a leased or rented residential unit from readjusting the temperature setting after occupancy. Any readjustment of the temperature setting by the resident relieves the owner or agent of an individual residential unit and the manufacturer of water heaters from liability for damages attributed to the readjustment by the resident.

(5) The utility providing energy for any water heater under this section shall at least annually, include in its billing a statement:

(a) Recommending that water heaters be set no higher than one hundred twenty degrees Fahrenheit or the minimum setting on a water heater which cannot be set as low as that temperature to prevent severe burns and reduce excessive energy consumption; and

(b) That the thermostat of an individual water heater furnished in a residential unit leased or rented in this state to new tenants shall be set no higher than one hundred twenty degrees Fahrenheit or the minimum setting on a water heater which cannot be set as low as that temperature pursuant to chapter 19.27 RCW.

(6) The manufacturer of a water heater under this section which is offered for sale or installed after the effective date of this act shall have a tag attached to the thermostat access plate or immediately adjacent to exposed thermostats. The tag shall state that the thermostat settings above the preset temperature may cause severe burns and consume excessive energy.

(7) Nothing in this section requires or permits any inspections other than those otherwise required or permitted by law.

MOTION

On motion of Senator Williams, the rules were suspended. Substitute House Bill No. 177, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage. Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Williams, is there anything in the bill which prevents an owner or a person who lives in an apartment from turning down the level of the hot water heater once he or she begins to live in the house or apartment?"

Senator Williams: "As I recall, the language we have in this measure, now, is very similar to the Senate Bill that passed earlier, and as I recall, the answer is 'no.' The resident or owner may change the setting once it has been set."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 177, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 177, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 42; nays, 04; absent, 03; excused, 00.

Voting yea: Senators Bauer, Bender, Benitz, Bluechel, Bottiger, Clarke, Conner, Deccio, Fuller, Gaspard, Goltz, Granlund, Guess, Haley, Hansen, Hayner, Hemstad, Hughes, Hurley, Jones, Kiskaddon, Lee, McMamus, Metcalf, Moore, Owen, Patterson, Peterson, Pullen, Quigge, Rasmussen, Rinehart, Sellar, Shimpoch, Talmadge, Thompson, Vognild, von Reichbauer, Williams, Wojahn, Woody, Zimmerman - 42.

SUBSTITUTE HOUSE BILL NO. 177, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

ENGROSSED HOUSE BILL NO. 511, by Representatives Garrett, Isaacson, Patrick, Fisher and Hine

Adding certain aquatic programs to the local improvement powers of cities and towns.

The bill was read the second time.

MOTIONS

On motion of Senator Zimmerman, the following Committee on Local Government amendment was adopted:

On page 2, line 33 of the engrossed bill, being page 2, line 35 of the printed bill, after “property” and before the period insert “including any waterfront property owned by the department of natural resources or any other state agency.”

Senator Rinehart moved adoption of the following amendment by Senators Rinehart, Owen, Moore and Craswell:

On page 3, alter line 2 of the printed bill, being page 2, alter line 36 of the engrossed bill, insert the following new sections:

NEW SECTION. Sec. 2. From April 3, 1982, until September 30, 1984, the annual rent for an existing lease, renewed lease, or release of public tidelands, shorelands, beds of navigable waters, and harbor areas shall be the rent paid on such lease on January 1, 1981, which may be increased up to six percent per year, not compounded, from April 3, 1982 until September 30, 1984. From April 3, 1982 until September 30, 1984, the annual rent for a new lease entered into after January 1, 1981, shall be the rent paid January 1, 1981, for comparable public tidelands, shorelands, beds of navigable waters, and harbor areas leased for similar purposes. From April 3, 1982, until September 30, 1984, such rent on new leases may be increased up to six percent per year, not compounded, from the January 1, 1981 rent paid. The annual rent paid on January 1, 1981, means the actual rent paid on that date including any stair-stepped or other incremental rent payments of the full rental value. Any lessee of public tidelands, shorelands, beds of navigable waters, and harbor areas paying more than the rent permitted under this section shall receive a credit, in the appropriate amount, on future rent owing for such lease or any other leases entered into by the lessee on public tidelands, shorelands, beds of navigable waters, and harbor areas: PROVIDED, That if any such leases terminate prior to the lessee being granted full credit for the overpaid rent, the lessee shall be reimbursed for the remaining overpayment in money. This section does not apply to geoduck harvesting, clam harvesting, or oyster bed leases which are established by a competitive bid process. No rent or fee may be charged for tidelands, shorelands, beds of navigable waters, and harbor areas used or leased for a dock and are used only for personal recreational use by the upland owner. The department of natural resources shall adopt and implement rules to implement this section, including methods and procedures for establishing rent.

NEW SECTION. Sec. 3. Section 2, chapter 97, Laws of 1979 ex. sess. section 2, chapter 117, Laws of 1982, section 176, chapter 21, Laws of 1982 1st ex. sess. and RCW 79.01.525 are each repealed.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

POINT OF ORDER

Senator Pullen: "A point of order, Mr. President. It would appear to me that this amendment expands the scope and object of this bill."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Pullen, the President finds that Engrossed House Bill No. 511 is a measure which authorizes cities and towns to create local improvement districts and impose special assessments to fund programs of aquatic plant control, lake or river restoration, and water quality enhancement."
The amendment proposed by Senator Rinehart and others limits the rent that the Department of Natural Resources may charge for the lease of public tidelands, shorelands, beds of navigable waters, waterways and harbor areas. The amendment, also, prohibits the Department from charging any rent or fee for such public property if it is used only for personal recreational use by the upland owner.

"The President, therefore, finds that the proposed amendment does expand the scope and object of the bill and that the point of order is well taken."

The amendment proposed by Senators Rinehart, Owen, Moore and Craswell was ruled out of order.

**MOTION**

On motion of Senator Thompson, the rules were suspended. Engrossed House Bill No. 511, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 511, as amended by the Senate.

**ROLL CALL**

The Secretary called the roll on final passage of Engrossed House Bill No. 511, as amended by the Senate, and the bill passed the Senate by the following vote:

**Yeas. 35; nays. 11; absent. 0; excused. 0.**

Absent: Senators Bender, Jones, Warnke - 3.

ENGROSSED HOUSE BILL NO. 511, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

**SECOND READING**

SENATE BILL NO. 3226, by Senators McDermott, Jones and Thompson (by Department of Retirement Systems request)

Modifying provisions on retirement from public services.

**MOTIONS**

On motion of Senator Shinpoch, Substitute Senate Bill No. 3226 was substituted for Senate Bill No. 3226 and the substitute bill was placed on second reading and read the second time.

Senator Shinpoch moved the following amendments be considered and adopted simultaneously:

On page 12, after line 34, insert:

> NEW SECTION. Sec. 13. There is added to chapter 41.40 RCW a new section to read as follows:

> (1) A person who established service credit under chapter 41.44 RCW and who became a member of the retirement system governed by this chapter prior to the effective date of this act is:

> (a) Entitled to transfer any service currently credited under chapter 41.44 RCW to service credit under this chapter as though it had been earned under this chapter; and

> (b) Entitled to reestablish any service originally earned under chapter 41.44 RCW but which was destroyed by withdrawal under chapter 41.44 RCW upon payment of the amount withdrawn plus interest from the date of withdrawal until the date of restoration at a rate to be set by the director. The restoration shall be completed within one year of the effective date of this act or within one year of reemployment if not employed by an employer on the effective date of this act. Credit for reestablished service shall be given as though earned in the system governed by this chapter.

> (2) The department is authorized to recompute the benefit of any retiree in accordance with this section if the recomputation results in a larger benefit and shall pay the additional amount retroactively to the date of retirement.

> (3) Persons affected by this section shall have the benefit provided by this section or the benefit provided by chapters 41.44 and 41.40 RCW as they existed prior to the effective date of this act, whichever is larger."
On page 26, after line 9, insert:

"NEW SECTION. Sec. 25. There is hereby appropriated from the general fund to the public employees’ retirement fund $210,000 for the costs resulting from Sec. 13 of this act.

NEW SECTION. Sec. 26. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Shinpoch, I talked to a constituent not long ago. It was after the time of dropping bills in the hopper. He said that he had been into the system, been out of it, then came back and went to work a year ago. He was told that he could buy back in. He wrote to the Department and I believe the closing deadline was about August 1—I think—was when his time would have run out. He wrote to the Department in June and asked them how much he had to put up. He wrote them three other times and never did get an answer from them until after the first of August and they said ‘so sorry—the deadline has passed.’ Now, would this enable that man to, now, pick that up?"

Senator Shinpoch: "Senator Guess, my judgment is that this amendment would not. As I was reading 32.26, there is an open spot in that. After this amendment, I plan to ask to have the bill set down, because the chairman has another amendment coming and we will get the answer to that question in the meantime."

Further debate ensued.

POINT OF INQUIRY

Senator Goltz: "It is my impression, Senator Shinpoch, that the circumstance which Senator Clarke described is not the complete story—that in this particular case, these employees were actuarially calculated into the system and other conditions. Maybe, you could elaborate to sort of chill the impression that this was the state backing up one person’s erroneous interpretation."

Senator Shinpoch: "Thank you, Senator Goltz. It certainly was more than one person. It was the retirement board. The first thing is that they were considered to be portions of the system. We have, you know, formal reports going out to employees that tell you how much you get when you retire and they have always been calculated in the actuarially funding of the system. They have been a part of the system and we have an actuary’s statement to that effect. The actuary had always considered them there, because the retirement system had always said they were there.

"This is a case of a state agency, with the Retirement Board making the judgment of putting people in the system, telling the people that they were covered, telling them how much their retirement would be and then taking that formal document from the state, and then those people retiring would have the rug pulled out from under them. I can understand your concern about a precedent and probably there are a few people on the floor that worry more about a precedent in the pension system than I do. I think this is only fair that we do this. I can imagine the depth of my anger and fury of the impotence of not being able to do anything about something that I had relied on all those years, because the Retirement Board did something erroneous. I think that it is right that we do this."

The President declared the question before the Senate to be adoption of the amendments by Senator Shinpoch.

The motion by Senator Shinpoch carried and the amendments were adopted.

MOTION

On motion of Senator Shinpoch, further consideration of Substitute Senate Bill No. 3226 was deferred.

SECOND READING

HOUSE BILL NO. 765, by Representatives R. King and Clayton

Adjusting amount of workers’ compensation payable to certain injured workers.

The bill was read the second time.
MOTION

On motion of Senator Vognild, the rules were suspended, House Bill No. 765 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Haley: "Senator Vognild, we were talking about the cost of living. Are we conforming to the consumer price index or the newer implicit price deflator in this bill?"

Senator Vognild: "Senator Haley, this bill avoids that problem. It does not address either one. This bill uses an average monthly wage for the state of Washington as of July 1 of each year."

POINT OF INQUIRY

Senator Benitz: "Senator Newhouse, could you tell me which funds will be paying the bill here?"

Senator Newhouse: "Senator Benitz, that makes a rather interesting question. There are really three funds involved in industrial insurance. The first is the accident fund and that is totally paid by the employer. The second is the medical aid fund and that is shared and it has been relatively small compared to the accident fund over the years. The third fund was started some years ago to increase benefits to those previously injured. You understand that the accident fund and the medical fund are prospective and this increase, with its over a quarter of a billion dollars, is almost entirely to the supplemental pension fund—the third fund.

"Now, at the time this was started, it was relatively small. As I recall, it was felt that nobody would object to a couple of cents per hour, but this is going to be far more than that with a bill like this. There will be a substantial deduction, not just from the employer, but also from the employee—prospective employer and employee—to be paid toward those who have been injured in the past.

"I see some real constitutional problems, if this is challenged sometime in the future. This quarter of million dollars—billion—pardon me—we talk about millions and billions and we get out of step sometimes. A quarter of a billion dollars will be assessed—half against the employees of the future, which doesn't seem quite fair under our industrial insurance system. I think that I would really ask that the Senate take a good look at this. I know that it went through the House. That really doesn't mean much. We had better look at it on our own, because this is a bicameral system. We had better know that what we do is right. I can tell you that this bill, maybe more than any other, shakes up the business community of the state—what are we doing in this area."

The President declared the question before the Senate to be the roll call on final passage of House Bill No. 765.

ROLL CALL

The Secretary called the roll on final passage of House Bill No. 765, and the bill passed the Senate by the following vote: Yeas, 26; nays, 23; absent, 00; excused, 00.

Voting nay: Senators Barr, Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Guess, Haley, Hayner, Hemstad, Hurley, Jones, Kiskaddon, Lee, McCaslin, Metcalf, Newhouse, Patterson, Quigg, Sellar, von Reichbauer, Zimmerman - 23.

POINT OF ORDER

Senator Newhouse: "A point of order, Mr. President. There is a rule of the Senate that says that no member can stand at the bar of the Senate when the roll call is being taken and that was violated in this call and the point is that the Secretary of the Senate seems to have difficulty counting when the majority is suddenly behind."
REMARKS BY THE PRESIDENT

HOUSE BILL NO. 765, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "Do you rule on my point of order, sir?"

REPLY BY THE PRESIDENT

President Cherberg: "The point of order is that the gentleman was here to check as to whether he was recorded properly."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, with a great deal of reluctance, I would call to task Senator Newhouse for his conduct on the floor. There are provisions in both the Senate rules and in Reeds for the President to discipline a member who becomes disorderly on the floor."

POINT OF ORDER

Senator von Reichbauer: "A point of order. For further reference, Mr. President, could you explain to us if there is a rule against one standing at the bar of the Senate?"

REPLY BY THE PRESIDENT

President Cherberg: "Would you repeat your remarks, please?"

Senator von Reichbauer: "Is there a rule, Mr. President, that specifically speaks to one being at the bar of the Senate during the course of a roll call vote?"

President Cherberg: "Yes, there is a rule that prohibits any Senator from being near the bar of the Senate during a roll call."

SECOND READING

ENGROSSED HOUSE BILL NO. 107, by Representatives R. King, Betrozott, Clayton, Heck, O'Brien, Patrick, Galloway, Hine, Sanders and Mitchell

Allowing specified hospitals and school districts to form self-insurance groups.

The bill was read the second time.

MOTIONS

On motion of Senator Vognild, the following Committee on Commerce and Labor amendment was adopted:

On page 1, line 22, after "state" and before the comma insert "or subject to RCW 70.39.150(3)"

On motion of Senator Vognild, the rules were suspended, Engrossed House Bill No. 107, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Sellar: "I am sorry, Senator Vognild, but that amendment went by me pretty quick. Could you explain to me why a patient in a public or private nonprofit hospital should have this saving, but if the same patient is in a profit hospital that he should not have this saving. I don't understand why the nonprofit should have a saving and the profit should not."

Senator Vognild: "Senator, the testimony that indicated that the saving would be passed on to the patient was the push that put this bill through committee. The nonprofit or the private nonprofit would put that on. There is no assurance that the private or profit hospital would have to push that on to their patients."

Senator Sellar: "Is there any basis that says that profit hospitals charge a higher fee than nonprofit?"

Senator Vognild: "Senator, as a matter of fact, in committee I asked the hospitals to supply me with information and data showing that there was a savings to
this and that there was a savings passed on. One hospital responded and their response was basically in terms of words and not in data."

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 107, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Engrossed House Bill No. 107, as amended by the Senate, and the bill passed the Senate by the following vote:

Yeas. 44; nays, 04; absent. 01; excused, 00.

Voting yea: Senators Barr, Bauer, Benitz, Bluechel, Bottiger, Clarke, Conner, Craswell, Deccio, Fleming, Fuller, Gaspard, Goltz, Granlund, Guess, Haley, Hansen, Hayner, Hemstad, Hughes, Hurley, Jones, Kiskaddon, Lee, McCaslin, McDermott, McManus, Metcalf, Newhouse, Owen, Patterson, Peterson, Pullen, Quigg, Rasmussen, Rinehart, Sellar, Shinpoch, Thompson, Vognild, von Reichbauer, Williams, Woody, Zimmerman - 44.

Voting nay: Senators Bender, Moore, Talmadge, Wojahn - 4.

Absent: Senator Warnke - 1.

ENGROSSED HOUSE BILL NO. 107, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

REMARKS BY SENATOR BOTJGER

Senator Bottiger: "Mr. President, I move that Engrossed Substitute House Bill No. 240 be made a special order of business at 11:58. As we are inundated with amendments to this bill, it is obvious that it would delay the consideration of other important legislation and so by making it as a special order of business, perhaps the proposers of the amendments can condense their number substantially."

POINT OF ORDER

Senator Pullen: "A point of order, Mr. President. Senator Bottiger's motion is out of order, because the time he indicated is beyond the limits specified in the rules. The limit specified in the rules is 10 o'clock and he specified 11:58. That is beyond the limit in the rules and, therefore, his motion is out of order."

REMARKS BY SENATOR BOTJGER

Senator Bottiger: "Mr. President, the 10 o'clock rule says that if there is an objection at that time and a majority wishes to continue, a majority can continue. We will be here at 11:58, Senator. I can assure you."

Senator Pullen: He has not made such a motion. If Senator Bottiger will, now, make a motion that we go beyond the 10 o'clock limit, that motion would be in order, but it is not in order to specify that we will take up a bill beyond the time limit, Mr. President, that is exceeded as provided in the rules. His motion would be in order if he would, now, move that we go beyond the limit—and suspend the rules—and go beyond the limit of 10 o'clock, but his motion, as of now, is not in order. I would hope that you would rule it out of order, so that he could make the proper motion."

Debate ensued.

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Mr. President, I would think that on Senator Pullen's point of order that Senator Bottiger could set the time for 11:58 and if we are not here, which I am sure we won't be—being the 10 o'clock rule—it will come up in the regular order of business the next time we have a session."

REPLY BY THE PRESIDENT

President Cherberg: "The President admires your intelligence and agrees with you, Senator Rasmussen, and so rules. Engrossed House Bill No. 240 will be a special order of business at 11:58."

SECOND READING

SUBSTITUTE HOUSE BILL NO. 888, by Committee on Judiciary (originally sponsored by Representatives Ebersole, Jacobsen, Wang and Dellwo)

Revising provisions relating to criminal sentencing.
The bill was read the second time.

MOTION

On motion of Senator Granlund, the rules were suspended. Substitute House Bill No. 888 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 888.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 888, and the bill passed the Senate by the following vote: Yeas, 34; nays, 14; absent, 01; excused, 00.

Voting yea: Senators Barr, Bauer, Bender, Benitz, Bottiger, Clarke, Conner, Craswell, Decio, Gaspard, Granlund, Guess, Hansen, Hayner, Hughes, Hurley, Jones, Lee, McCaslin, McDermott, Moore, Owen, Patterson, Pullen, Rasmussen, Rinehart, Sellar, Shinpoch, Talmadge, Thompson, Vognild, Warnke, Williams, Wojahn - 34.

Absent: Senator Woody - 1.

SUBSTITUTE HOUSE BILL NO. 888, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

HOUSE JOINT MEMORIAL NO. 31, by Representatives Fuhrman, Sanders and Tanner

Petitioning Congress and President Reagan to make efforts to have MIAs returned.

The memorial was read the second time.

MOTION

On motion of Senator Warnke, the rules were suspended. House Joint Memorial No. 31 was advanced to third reading, the second reading considered the third, and the memorial was placed on final passage.

The President declared the question before the Senate to be the roll call on final passage of House Joint Memorial No. 31.

ROLL CALL

The Secretary called the roll on final passage of House Joint Memorial No. 31, and the memorial passed the Senate by the following vote: Yeas, 49; nays, 00; absent, 00; excused, 00.

Voting yea: Senators Barr, Bauer, Bender, Benitz, Bluechel, Bottiger, Clarke, Conner, Craswell, Decio, Fleming, Fuller, Gaspard, Goltz, Granlund, Guess, Haley, Hansen, Hayner, Hemstad, Hughes, Hurley, Jones, Kiskaddon, Lee, McCaslin, McDermott, McManus, Metcalf, Moore, Newhouse, Owen, Patterson, Peterson, Pullen, Quigg, Rasmussen, Rinehart, Sellar, Shinpoch, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn, Woody, Zimmerman - 49.

HOUSE JOINT MEMORIAL NO. 31, having received the constitutional majority, was declared passed.

SECOND READING

Requiring special reports of campaign contributions over five hundred dollars.

The bill was read the second time.
On motion of Senator Talmadge, the rules were suspended. Engrossed House Bill No. 150 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Newhouse: "I think it is no secret, Senator Talmadge, that I think this is rather a silly bill. In looking at the language on sub (3), on page 1, it says that 'this notice shall be delivered to the Public Disclosure Commission within twenty-four hours of the time that the contribution is received and it can be delivered by mail.' Now, having had experience with the mails in this state in which mail from my side of the mountains to the Public Disclosure can take two, three, four, five days, how can you possibly comply with that and how can you require it in a reasonable manner?"

Senator Talmadge: "Senator, you have made clear your feeling that you don't like this bill. If you follow down to subsection (4), however, you will note that the special report may be transmitted orally by telephone to the Commission to satisfy delivery requirements. I suggest that in the case of people in eastern Washington, to be safe, they might like to make that oral transmission to the Public Disclosure Commission and at the same time put the thing in the mail, so that Uncle Sam's postal people can try and get it there as soon as they possibly can. I think you can probably have more assurance that Ma Bell will transmit your message to the PDC."

Senator Newhouse: "Would you, then, say that this law would require that a candidate's committee, in some part of this state where it might require more than twenty-four hours for mail delivery, would be required to make a report by phone or could the Public Disclosure Commission require a telephone report?"

Senator Talmadge: "I think to be safe you would probably want to make that telephone report."

Senator Newhouse: "Safe from what?"

Senator Talmadge: "Safe from any concern that you have violated any of the Public Disclosure Act, Senator."

Debate ensued.

Senators Bolliger, Talmadge and Woody demanded the previous question.

Senator Quigg demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on shall the main question be now put.
ROLL CALL

The Secretary called the roll and the demand for the previous question carried by the following vote: Yeas, 25; nays, 24; absent, 00; excused, 00.

Voting nay: Senators Barr, Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Guess, Haley, Hayner, Hemstad, Jones, Kiskaddon, Lee, McCaslin, Metcalf, Newhouse, Patterson, Pullen, Quigg, Rasmussen, Sellar, von Reichbauer, Zimmerman - 24.

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 150.

ROLL CALL

The Secretary called the roll on final passage of Engrossed House Bill No. 150, and the bill passed the Senate by the following vote: Yeas, 28; nays, 20; absent, 01; excused, 00.

Voting nay: Senators Barr, Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Guess, Haley, Hayner, Hemstad, Jones, Lee, McCaslin, Metcalf, Pullen, Quigg, Rasmussen, Williams, Zimmerman - 20.

Absent: Senator Newhouse - 1.

ENGROSSED HOUSE BILL NO. 150, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 906, by Committee on Social and Health Services (originally sponsored by Representative Kreidler)

Modifying provisions regarding developmentally disabled juveniles living in out-of-home placements.

The bill was read the second time.

MOTION

Senator Craswell moved that the following Committee on Social and Health Services amendments not be adopted:

On page 1, line 17, after "their" strike "parents have determined that the children's"

On page 2, line 15, after "to" strike the remainder of the sentence and insert "care for the child."

The President declared the question before the Senate to be the motion by Senator Craswell to not adopt the two Committee on Social and Health Services amendments.

The motion by Senator Craswell carried and the two committee amendments were not adopted.

MOTION

Senator McManus moved the following Committee on Social and Health Services amendments be considered and adopted simultaneously:

On page 2, line 14, after "RCW" strike "71.20.015" and and insert "71.20.016"

On page 6, line 3, after "to" strike the remainder of the sentence and insert "care for the child."

In the event that any person or government agency desires to construct any form of hydraulic project or other work that will use, divert, obstruct, or change the natural flow or bed of any river or stream or that will utilize any of the salt or fresh waters of the state or materials from the stream beds, such person or government agency shall ((submit to the department of fisheries and the department of game full plans and specifications of the proposed construction or work; complete plans and specifications for the proper protection of fish life in connection therewith; the approximate date when such construction or work is to commence, and shall)), before commencing construction or work thereon and to ensure the proper protection of fish life, secure the written approval of the ((director of fisheries and the director of game)) department having jurisdiction of the site as to the adequacy of the means ((outlined)) proposed for the protection of fish life ((in connection therewith and as to the propriety of the proposed construction or work and time thereof in relation to fish life, before commencing construction or work thereon. The director of fisheries and the director of game shall designate and authorize certain employees of their respective departments to act in place of themselves by signing written approvals for such designations and authorizations)). If any person or government agency commences construction on any (each) hydraulic works or projects subject to this section without ((first providing plans and specifications subject to the approval of the director of fisheries and the director of game for the proper protection of fish life in connection therewith and without)), first having obtained written approval of the ((director of fisheries and the director of game)) appropriate department as to the adequacy of (such plans and specifications submitted) the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, ((the)) the person or director of the agency is guilty of a gross misdemeanor. For each application, the departments shall mutually agree on which one department shall administer the provisions of this section, in order to avoid duplication of effort. If a department receives an application concerning a site not in its jurisdiction, it shall transmit the application to the appropriate department within three days and notify the applicant.

(PROVIDED That) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department of fisheries or department of game, through their authorized representatives, shall issue immediately upon request oral permits to a riparian owner or lessee for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream without the necessity of submitting prepared plans and specifications or obtaining a written permit prior to commencing work. 3. Hood Canal shrimp licenses shall be issued only under authority of the director. The director may authorize license dealers to issue the licenses and collect the license fees. In addition to the license fee, license dealers may charge a dealer's fee of fifty cents. The dealer's fee may be retained by the license dealer.
4. The director shall adopt rules for the issuance of Hood Canal shrimp licenses and for the collection, payment, and handling of license fees and dealer's fees.
5. Notwithstanding RCW 75.04.010, for the purposes of this section, "resident" means a person who for at least ninety days immediately preceding application for a license has maintained a permanent place of abode within this state and has established by formal evidence an intent to continue residence within this state. Absent: Senator Patterson - 1.
PARLIAMENTARY INQUIRY

Senator Pullen: "Mr. President, according to Rule 15, it says 'the Senate shall adjourn not later than 10:00 p.m. of each working day.' It is now past 10 o'clock and pursuant to Rule 15, we must adjourn unless, perhaps, the rule is suspended with the appropriate required number of votes or unless we have been working on a bill, that at 10 o'clock tradition says we shall continue with that bill past 10 o'clock. Since it is now past 10 o'clock and we are not working on any such bill, I would suggest that we are automatically adjourned until 10 o'clock tomorrow."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, obviously, the motion to adjourn which just failed would conversely be a motion to continue to work past 10 o'clock."

Senator Pullen: "No. because he moved to adjourn until 9:30. According to Rule 15, we shall adjourn at 10 o'clock, so unless there is a positive motion to keep us going past 10 o'clock, I would suggest that Rule 15 requires us to adjourn now."

MOTION

Senator Shinpoch moved that Rule 15 be suspended.

Senator von Reichbauer demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Pullen: "Mr. President, it would appear to me that it takes a two-thirds vote to suspend this rule, because Rule 15 is divided into two portions—the first portion, which is an entity unto itself. It is even separated as a separate paragraph. Also, the second paragraph, which is the second portion of Rule 15—I will draw the President's attention to the fact that it says that 'this rule may be suspended by a majority.' The antecedent of that is 'when convening the same day, the Senate shall recess ninety minutes for dinner each working evening.' I would suggest that that being the antecedent to this rule that this rule would apply to that and the other portion of the rule, which is clearly a separate paragraph and a sub-section, would take a two-thirds vote."

REPLY BY THE PRESIDENT

President Cherberg: "Senator, in reply to your inquiry, it will take a simple majority to suspend Rule 15."

The President declared the question before the Senate to be the roll call on the motion to suspend Rule 15.

ROLL CALL

The Secretary called the roll and the motion by Senator Shinpoch carried and Rule 15 was suspended by the following vote: Yeas, 25; nays, 24; absent, 00; excused, 00.

Voting nay: Senators Barr, Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Guess, Haley, Hayner, Hemstad, Jones, Kiskaddon, Lee, McCaslin, Metcalf, Newhouse, Patterson, Pullen, Quigg, Rasmussen, Sellar, von Reichbauer, Zimmerman - 24.

MOTIONS

On motion of Senator Fleming, the Senate resumed consideration of Engrossed Substitute House Bill No. 278 and the pending two motions, the first by Senator Guess to reconsider the vote by which the Committee on Natural Resources amendment to page 55, line 15, was adopted by the Senate, and the second by Senator Rasmussen for adoption of the amendment to page 29, beginning on line 12.

On motion of Senator Guess, and there being no objection, the motion to reconsider was withdrawn.

The President declared the question before the Senate to be adoption of the amendment by Senator Rasmussen to page 29, beginning on line 12.

The motion by Senator Rasmussen failed and the amendment was not adopted.
MOTION

Senator Metcalf moved adoption of the following amendment:

On page 20, line 24, after "possessed" add ", provided that the department shall not prohibit the use of barbed hooks in the taking of or fishing for salmon"

Debate ensued.

POINT OF INQUIRY

Senator von Reichbauer: "Senator Rasmussen, in light of the comments by Senators Sellar and Peterson, would it be your interpretation then—regarding the Boldt decision—that a vote for this amendment would be against the Boldt decision and a vote against the amendment would be in support of the Boldt decision?

Senator Rasmussen: "No. As I recall Judge Boldt didn't mention anything about barbless hooks. That was dreamed up in the Fisheries Department. I don't know whether Boldt knew one end of the hook from the other, but I read the case and I didn't see any mention of that in there. Maybe, you read a different case, Senator Peterson. I don't know."

The President declared the question before the Senate to be adoption of the amendment by Senator Metcalf.

The motion by Senator Metcalf failed and the amendment was not adopted.

MOTION

Senator Rasmussen moved adoption of the following amendment:

On page 40, after line 35, insert the following:

"NEW SECTION. Sec. 56. There is added to chapter 75.12 RCW a new section to read as follows:

It shall be lawful to take, fish for, land, or possess Dungeness crabs for commercial purposes in coastal, Pacific Ocean, Grays Harbor, Willapa Harbor, and Columbia River waters throughout the year:

Renumber the sections consecutively and correct any internal references accordingly.

POINT OF ORDER

Senator Shinpoch: "A point of order, Mr. President. I would challenge the scope and object of Senator Rasmussen's amendment on page 40, line 35. It really does two things. Number one, it prohibits the Department from enforcing the conservation of a resource which is contrary to those things which we have charged the Department with. It seems to me that it expands the scope and object of the bill."

Debate ensued.

On motion of Senator Shinpoch, further consideration of Engrossed Substitute House Bill No. 278 was deferred.

President Pro Tempore Goltz assumed the chair.

SECOND READING

HOUSE BILL NO. 89, by Representatives D. Nelson, Niemi, Lux, Isaacson, Rust, Haugen, Hankins, Johnson, Tanner and Brekke

Relieving counties and cities from an obligation to include nuclear attack evacuation plans in their emergency services plans.

The bill was read the second time.

MOTION

On motion of Senator Warnke, House Bill No. 89 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Quigg: "Senator Rinehart, a few weeks ago—maybe a month ago, there was a television simulation of, I guess you call it a terrorist event, in Charleston, South Carolina. Somebody had a tug boat with a nuclear bomb in it. As I recall, one of the scariest things that I thought of all of that was the confusion of people trying to get out of town. There were shootings and all kinds of grief as
people tried to evacuate. Now, with this bill passing, would Seattle be required to plan for such an event or would that not be the case?"

Senator Rinehart: "Two responses—first of all I don’t have a television, so I didn’t see the program. Second of all, my assumption is that no plan would reduce confusion in response to the event of a nuclear attack."

Further debate ensued.

Senators Bottiger, Fleming and Shinpoch demanded the previous question and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of House Bill No. 89.

ROLL CALL

The Secretary called the roll on final passage of House Bill No. 89, and the bill passed the Senate by the following vote: Yeas, 31; nays, 17; absent, 0; excused, 0.

Voting nay: Senators Barr, Benitz, BluecheL Craswell, Deccio, Fuller, Guess, Hayner, Jones, McCasin, Metcal, Patterson, Pullen, Quigg, Rasmussen, von Reichbauer, Zimmerman - 17.

Absent: Senator Lee - 1.

HOUSE BILL NO. 89, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

President Cherberg assumed the chair.

MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Engrossed Substitute House Bill No. 278, deferred earlier today.

RULING BY THE PRESIDENT

President Cherberg: “In ruling upon the point of order raised by Senator Shinpoch, the President finds that Engrossed Substitute House Bill No. 278 is an omnibus measure which reorganizes and makes many substantive revisions to the Fisheries Code.

“The amendment proposed by Senator Rasmussen authorizes persons to take Dungeness crabs for commercial purposes throughout the year.

“The President, therefore, finds that the proposed amendment does not expand the scope and object of the bill and that the point of order is not well taken.”

The amendment by Senator Rasmussen was ruled in order.

Debate ensued.

Senators Bottiger, Peterson and Fleming demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be adoption of the amendment by Senator Rasmussen to page 40, line 35.

The motion by Senator Rasmussen failed and the amendment was not adopted.

MOTIONS

On motion of Senator Hansen, the following amendment was adopted:

On page 52, line 21, strike "((that is no way)) do not" and insert "shall in no way"

Senator Rasmussen moved adoption of the following amendment:

On page 117, after line 23, insert the following:

NEW SECTION. Sec. 182. It is the intent of this chapter to authorize the private ownership of salmon hatcheries by qualified nonprofit corporations for the purpose of contributing, by artificial means, to the rehabilitation of the state’s depleted and depressed salmon fishery. The program shall be operated without adversely affecting natural stocks of fish in the state and under a policy of management which allows reasonable segregation of returning hatchery-reared salmon from naturally occurring stocks.

NEW SECTION. Sec. 183. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

(1) “Department” means the department of fisheries.

(2) “Director” means the director of the department of fisheries.
NEW SECTION. Sec. 184. The director shall designate regions of the state for the purpose of salmon production and develop and amend as necessary a comprehensive salmon plan for each region, including provisions for both public and private nonprofit hatchery systems. Subject to plan approval by the director, the comprehensive salmon plans shall be developed by regional planning teams consisting of department personnel and representatives of the appropriate region. These planning teams shall be formed under section 185 of this act.

NEW SECTION. Sec. 185. The director shall assist in and encourage the formation of regional planning teams for the purpose of enhancing salmon production. There shall be a planning team for each of the distinct geographic fisheries in the state: The Columbia river fishery; the Puget Sound fishery; and the coastal waters fishery. Each planning team shall include representation from the department of fisheries, the department of game, treaty Indians, commercial fishermen, sport fishermen, and members of the public concerned with the salmon resource. Each regional planning team shall produce for the review and approval of the director a regional fishery salmon enhancement plan that is acceptable to all interests in the region. The regional salmon enhancement plan shall include the total number of salmon of each species to be produced in the region, the method or methods of enhancement to be employed, the size and location of any hatcheries, and the appropriate distribution of the harvest.

NEW SECTION. Sec. 186. The director or the director's designee may issue a permit, subject to the restrictions imposed by this chapter and the rules adopted under this chapter, to a nonprofit corporation after the permit application has been reviewed by the regional planning team, for the construction and operation of a salmon hatchery.

(1) The application for a permit under this section shall be on a form prescribed by the department and shall be accompanied by an application fee of twenty-five dollars.

(2) A hatchery permit under this chapter is nontransferable. If a permit holder sells or leases a hatchery for which a permit has been issued, the new operator shall apply for a new permit under this section.

(3) A qualified nonprofit corporation has a preference right to a permit under this section if its proposed hatchery is provided for in the comprehensive plan for that region developed under section 185 of this act and the fresh water source exceeds a minimum flow of one cubic foot per second. Any other local nonprofit hatchery corporation approved by the regional planning team has an identical preference right.

(4) No permit under this chapter may be issued for construction or operation of a hatchery on an anadromous fish stream unless the stream has been classified as suitable for enhancement purposes by the director. The director shall undertake to make such classifications in conjunction with the development of the comprehensive plan under section 185 of this act.

(5) Volunteer enhancement programs which are in existence prior to the effective date of this act, if the sponsors of the programs choose to reorganize into nonprofit corporations, shall have preference in the permit process.

(6) During the development of a comprehensive plan for a region, no permit may be issued for a hatchery unless the director determines that such an action would result in substantial public benefits and would not jeopardize natural stocks.

NEW SECTION. Sec. 187. (1) At least thirty days before the issuance of a permit under section 186 of this act, a public hearing shall be held in a central location in the vicinity of the proposed hatchery.

(2) Notice of the hearing shall be published in a newspaper of general circulation once a week for three consecutive weeks, with completion of the notice at least ten days prior to the hearing.

(3) The hearing shall be conducted by the department and shall include a presentation by the permit applicant of a plan for the proposed hatchery, describing its capacity and any other relevant facts which may be of interest to the department or the public. Interested members of the public shall be afforded an opportunity to be heard.

(4) The department shall record and consider objections and recommendations offered by the public at the hearing conducted under this section. The department shall respond in writing, within ten days after the conclusion of the hearing, to any specific objections offered by a member of the public at the hearing.

NEW SECTION. Sec. 188. The department shall require, in a permit issued to a hatchery operator under this chapter, that:

(1) Salmon eggs procured by the hatchery must be from the department or a source approved by the department;

(2) No salmon eggs or resulting fry may be placed in waters of the state other than those specifically designated in the permit;

(3) No salmon eggs or resulting fry, sold or transferred to a permit holder by the state or by another party approved by the department, may be resold or otherwise transferred to another person; (4) No salmon eggs or resulting fry, sold or transferred to a permit holder by the state or by another party approved by the department, may be resold or otherwise transferred to another person;
(4) No salmon may be released by the hatchery before approval by the department, and, for purposes of pathological examination and approval, the department shall be notified of the proposed release of salmon at least fifteen days before the date of the proposed release by the hatchery;

(5) Diseased salmon shall be destroyed in a specific manner and place designated by the department;

(6) Adult salmon shall be harvested by hatchery operators only at specific locations designated by the department;

(7) Surplus eggs from salmon returning to the hatchery shall be made available for sale or transfer first to the department and then, after inspection and approval by the department, to operators of other hatcheries authorized by permit to operate under this chapter;

(8) If surplus salmon eggs are sold by a permit holder under this chapter to another permit holder, a copy of the sales transaction shall be provided to the department;

(9) The cost of inspections or examinations conducted by the department under this section before the release of salmon, or when eggs are procured from sources other than the department, or to determine the existence of disease, shall be borne by the hatchery owner for which the inspection or examination is conducted; and

(10) A hatchery shall be located in an area where a reasonable segregation from natural stocks occurs, but, if feasible, in an area where returning hatchery fish will pass through traditional salmon fisheries.

NEW SECTION. Sec. 190. (1) If a permit holder fails to comply with the conditions and terms of the permit issued under this chapter within a reasonable period after notification of the non-compliance by the department, the permit may be suspended or revoked, at the discretion of the director, after the regional planning team for the area in which the hatchery is located is notified and granted an opportunity to comment upon the proposed suspension or revocation.

(2) If the director finds that the operation of the hatchery is not in the best interests of the public, the director may alter the conditions of the permit to mitigate the adverse effects of the operation, or, if the adverse effects are irreversible and cannot be mitigated sufficiently, initiate a termination of the operation under the permit over a reasonable period of time under the circumstances, not to exceed four years. During the period of time that the operation is being terminated, the permit holder may harvest salmon under the terms of the permit but may not release additional fish.

NEW SECTION. Sec. 191. (1) Before and after permit issuance under this chapter, the department shall make every effort, within the limits of time and resources, to advise and assist applicants or permit holders, as appropriate, in the planning, construction, or operation of salmon hatcheries.

(2) Nothing in this section exempts an applicant or permit holder from compliance with this chapter from compliance with the rules adopted under this chapter.

NEW SECTION. Sec. 192. (1) The department shall approve the source and number of salmon eggs taken under this chapter.

(2) If feasible, salmon eggs utilized by a hatchery operator under this chapter shall first be taken from stocks native to the area in which the hatchery is located, and then, upon approval of the department, from other areas, as needed.

(3) The department shall submit to the hatchery owner, in writing, a statement detailing the genetic background, species integrity, migration timing and routing, probable catch contribution, catch competition, stock competition, total pounds available by genetic strain state-wide, landing history per proposed release site, and amount of in-transfer and out-transfer per proposed site, for brood stock.

(4) The department shall not charge for eggs provided by the department to a nonprofit facility under this chapter.

NEW SECTION. Sec. 193. A hatchery operator under this chapter who sells salmon returning from the natural waters of the state, or sells salmon eggs to another hatchery operating under this chapter, after utilizing the funds required for reasonable operating costs, including debt retirement, expanding the hatchery's facilities, salmon rehabilitation projects, fisheries research, or for costs of operating the regional planning teams for the area in which the hatchery is located, shall expend the remaining funds on other fisheries activities of the regional planning team. Fish returning to hatcheries and sold for human consumption shall be of comparable quality to fish harvested by commercial fisheries in the area and shall be sold at prices commensurate with the current market.

NEW SECTION. Sec. 194. As a condition of and in consideration for a permit to operate a hatchery under this chapter, an inspection of the hatchery facility by department inspectors
shall be permitted by the permit holder at any time the hatchery is operating. The inspection shall be conducted in a reasonable manner.

NEW SECTION. Sec. 195. No later than December 15 of each year, a salmon hatchery operator holding a permit under this chapter shall submit an annual report, on a form provided by the department, to the department and to the regional planning team for the area in which the hatchery is located, which includes information pertaining to species, brood stock source; number, age, weight, and length of spawners; number of eggs taken and fry fingerling produced; and the number, age, weight, and length of adult returns attributable to hatchery releases.

NEW SECTION. Sec. 196. Sections 182 through 195 of this act shall constitute a new chapter in Title 75 RCW.

NEW SECTION. Sec. 197. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Renumber the remaining sections consecutively and correct any internal references accordingly.

Debate ensued.

POINT OF INQUIRY

Senator Quigg: "Senator Rasmussen, how will the nonprofit corporation be compensated for its efforts in the hatchery operation?"

Senator Rasmussen: "As they work it in Alaska—they are assigned. The Fisheries Committee took a trip up there to examine this concept and were very impressed with it. They took the fish on a terminal basis, as they do now."

Senator Quigg: "So, they would catch the fish with traditional gear or do they catch them at the hatchery?"

Senator Rasmussen: "The fish are available out in the open for trolling, of course. In Alaska, most of it is done with drift nets or purse seine."

Senator Quigg: "Would there be a landing tax on the fish that returned to the hatchery—these private nonprofit hatcheries?"

Senator Rasmussen: "You would collect the same tax as you would on any other fish that is brought in—yes—and you would have to file the same information."

Further debate ensued.

Senator Bottiger demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the adoption of the amendment by Senator Rasmussen.

NEW SECTION. Sec. 2. There is added to chapter 75.28 RCW a new section to read as follows:

NEW SECTION. Sec. 3. This act shall take effect on January 1, 1984."

POINT OF INQUIRY

Senator Rasmussen: "Senator Owen, what is the present license? I know in the bill that it says 'the annual endorsement fee is $200 for residents and $400 for nonresidents.' Can you tell us what the present license is?"

Senator Owen: "Somewhat less than what is in the amendment."

Senator Rasmussen: "Well, Mr. President--"

Senator Owen: "I am sorry, Senator Rasmussen, I didn't have the information immediately before me. It is $35, presently."

POINT OF INQUIRY

Senator Quigg: "Senator Rasmussen, what is the season on Columbia River sturgeon? I thought it was year round. Is it a limited season--time wise?"

Senator Rasmussen: "Well, it is limited by the time when the fish are available and are the proper size. You can't, as I understand it—and I would yield to Senator Owen who is much more familiar with this bill than I—but you can't take them over eight feet and you can't take them less than three feet, as I understand."

Senator Quigg: "That's a pretty old sturgeon, isn't it—when it gets up to eight feet—or in the three to eight foot range? They must be growing all the time to get to be that big."

Senator Rasmussen: "That size sturgeon is protected and if you catch one that size and keep it, you are going to be severely fined, because that is the fish that propagates the little sturgeons."

On motion of Senator Shinpoch, the Senate reverted to the fifth order of business.

INTRODUCTION AND FIRST READING

SCR 126 by Senators Shinpoch, Talmadge, Vognild, McDermott, Moore, Owen, Warnke, Bauer, Bender, Bottiger, Conner, Fleming, Gaspard, Goltz, Granlund, Hansen, Hughes, Hurley, McManus, Peterson, Rinehart, Thompson, Williams, Wojahn and Woody

Relating to reasonable home mortgage financing through state investments.

Hold.

MOTIONS

On motion of Senator Shinpoch, the rules were suspended, Senate Concurrent Resolution No. 126 was advanced to second reading and read the second time.

On motion of Senator Shinpoch, the rules were suspended, Senate Concurrent Resolution No. 126 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

POINT OF INQUIRY

Senator Hayner: "Senator Shinpoch, I guess one of the phrases in this resolution that bothers me is on line 18, which says that 'they shall attempt to provide this increased mortgage capital at reasonable rates.' Are you suggesting that it should be lower than the going rate of interest?"

Senator Shinpoch: "I am suggesting that the State Investment Board has constitutional and statutory authority to— I don’t think we use the word maximize earnings, but it means the same thing in the State Investment Board. Consistent with that judiciary duty of the State Investment Board, then, the best interest rates that they could provide would if they could package them in such a way—if they sent to the mortgage bankers and said, 'we have this much money at 12% and if you will package these and do all the work on them, we will buy those.' When the going mortgage rates were 13%, well then, the answer would be 'yes.' If they found some way to get the one percent of the responsibility of the costs of that off on someone else, but it has to be consistent with their judiciary responsibility."

POINT OF INQUIRY

Senator Guess: "Senator Shinpoch, sitting as a trustee on numerous plans that I have been on over the years, we were always cautioned and, especially, under ERISA—and I got off the last one because of ERISA, when it passed. The prudent-man rule always had to prevail. That was in the back of our minds at all times. Now, by this resolution, are you saying that reasonable rates—would that be at less than what the prudent-man rule would tell you that it had to go at?"

Senator Shinpoch: "Absolutely not, but under the prudent-man rule, it might very well be that locking up a long-term 12% might be better than taking a short-term and the prudent-man rule might be more prudent than taking a short-term 13%, as you are well aware. Let me go one step further, because we seem to be worrying about something that the state executive director of the State Investment Board is not worrying about. It is my understanding, with my discussion with him, that this concurrent resolution—this type of thing—is acceptable. You people,
including my help, passed this essential resolution last time. We have a report on what they have done. The only thing that this does is change the focus of it from real estate to single family residence."

Debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Senate Concurrent Resolution No. 126.

Absent: Senators Deccio, Hughes, Lee, McDermott, Quigg – 5.
ENGROSSED HOUSE BILL NO. 269, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

POINT OF INQUIRY

Senator Zimmerman: "Senator McDermott, just for clarification, there is an orphanage in Senator Patterson's district which needs to lease out some of its property to a farmer to provide some needed cash for its operations. They have been classified as an orphanage under RCW 84.36.040 for more than 10 years. They are leasing out more than 51% of the exempt property. If I read the bill correctly, under subsection (1) of section 1, since they have been granted an exemption for more than 10 years, are they not exempt from the penalty provisions of section 1, subsection (1) of Engrossed House Bill No. 269?"

Senator McDermott: "This bill provides that subsection (1) applies if 51% or more of the property has lost its exempt status or if the ownership of the property is transferred. Thus, if less than 51% of the area of the property has lost its exempt status, subsection (1) does not apply. But, if subsection (1) applies, and if the property has been granted an exemption for more than ten years, then taxes and interest shall not be assessed under this bill. As such, an orphanage in the situation that you mentioned would not have the tax and interest imposed against them under this bill."

SECOND READING

SENATE BILL NO. 3290, by Senators Moore, Barr, Goltz and Williams

Modifying provisions relating to the lease of aquatic lands.

MOTIONS

On motion of Senator Owen, Substitute Senate Bill No. 3290 was substituted for Senate Bill No. 3290 and the substitute bill was placed on second reading and read the second time.

On motion of Senator Owen, the following amendment by Senators Owen, Moore and Rinehart was adopted:

On page 1, after line 8, strike everything after the enacting clause and insert:

NEW SECTION. Sec. 1. From April 3, 1982, until September 30, 1984, the annual rent for an existing lease, renewed lease, or release of public tidelands, shorelands, beds of navigable waters, and harbor areas shall be the rent paid on such lease on January 1, 1981, which may be increased up to six percent per year, not compounded, from April 3, 1982, until September 30, 1984. From April 3, 1982 until September 30, 1984, the annual rent for a new lease entered into after January 1, 1981, shall be the rent paid January 1, 1981, for comparable public tidelands, shorelands, beds of navigable waters, and harbor areas leased for similar purposes. From April 3, 1982, until September 30, 1984, such rent on new leases may be increased up to six percent per year, not compounded, from the January 1, 1981 rent paid. The annual rent paid on January 1, 1981, means the actual rent paid on that date including any stair-stepped or other incremental rent payments of the full rental value. Any lessee of public tidelands, shorelands, beds of navigable waters, and harbor areas paying more than the rent permitted under this section shall receive a credit, in the appropriate amount, on future rent owing for such lease or any other leases entered into by the lessee on public tidelands, shorelands, beds of navigable waters, and harbor areas: PROVIDED, that if any such leases terminate prior to the lessee being granted full credit for the overpaid rent, the lessee shall be reimbursed for the remaining overpayment in money. This section does not apply to geoduck harvesting, clam harvesting, or oyster bed leases which are established by a competitive bid process. The department of natural resources shall adopt and implement rules to implement this section, including methods and procedures for establishing rent, within ninety days of the effective date of this act. This section shall have both retrospective and prospective effect. This section shall expire and have no further legal effect after September 30, 1984.

NEW SECTION. Sec. 2. No rent or fee may be charged if tidelands, shorelands, beds of navigable waters, and harbor areas are used or leased for a dock and are used only for personal recreational use by the upland owner.

NEW SECTION. Sec. 3. Section 2, chapter 97, Laws of 1979 ex. sess., section 2, chapter 117, Laws of 1982, section 176, chapter 21, Laws of 1982 1st ex. sess. and RCW 79.01.525 are each repealed.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."
On motion of Senator Owen, the following title amendment was adopted:
On page L line L after "land:" strike everything through "section:" on line 3 and insert "creating new sections;"

On motion of Senator Owen, the rules were suspended. Engrossed Substitute Senate Bill No. 3290 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1093, by Committee on Local Government (originally sponsored by Representative Moon)

Funding flood control improvements.

The bill was read the second time.

MOTIONS

On motion of Senator Thompson, the following Committee on Local Government amendment was adopted:
On page 4, line 11 of the engrossed bill, being line 9 of the House amendment to page 4, line 4 of the printed bill, after “shall” strike “take into consideration” and insert “provide a credit for”

Senator Metcalf moved adoption of the following amendment:
On page 4, after line 4, add “No person shall collect, channel, direct and/or divert diffuse surface waters from, upon and within his own land in an artificial manner such as by bulwark, ditch, underground tile, pipe, culvert or otherwise, onto the land of another without making just compensation to persons injured thereby. For purpose of this subsection, “person” may be construed to include the State of Washington or any of its political subdivisions, in addition to such other definitions as are hereinafter set forth.”

Debate ensued.

POINT OF INQUIRY

Senator Benitz: “Senator Metcalf, could this amendment, in any way whatsoever, effect irrigation water rights at all?”

Senator Metcalf: “I am not an attorney, but it would be my opinion that it would not. I can’t see how it would in reading it. It certainly isn’t the intent.”

POINT OF INQUIRY

Senator Jones: "Senator Thompson, section 8 of Engrossed Substitute House Bill No. 1093 adds a new section to Chapter 90.03 RCW. That section talks about the flow of water over real property causing excessive damages resulting in a tort, nuisance or taking, when the point or nonpoint flow of surface water is increased, or where the natural drainage is altered or interrupted. Does this, in any way, create some sort of a property right, or interest, or cause of action which would not have existed prior to the passage of this bill?"

Senator Thompson: "Section 8 of Engrossed Substitute House Bill No. 1093 is merely a declaration by the legislature that it is in the public interest to impose special assessments, rates and charges on real property to fund public improvements to alleviate the water damages to real property that you mentioned. The part of the section you are concerned with only is a legislative finding, and does not, in any way, create a new property right, or property interest, or cause of action."

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 1093, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute House Bill No. 1093, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 46; nays, 02; absent, 01; excused, 00.

MESSAGE FROM THE HOUSE

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 3022 with the following amendments:

On page 2, beginning on line 5, after "committed a" strike "criminal act," and insert "((criminal act)) crime"

On page 2, line 11, after "the" strike "criminal act" and insert "((criminal act)) crime"

On page 3, after line 10 insert the following:

"Before a county program is submitted to the department for approval, it shall be submitted to each city with a population of more than one hundred fifty thousand in the county for review and comment. The department will determine if the county's proposed comprehensive plan uniformly meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county west of the Cascade mountains."

and the same are herewith transmitted.

DEAN R. FOSTER, Chief Clerk
MOTIONS

On motion of Senator Talmadge, the Senate concurred in the House amendments to page 2, beginning on line 5, and to page 2, line 11, to Engrossed Substitute Senate Bill No. 3022.

Senator Talmadge moved that the Senate do not concur in the House amendment to page 3, after line 10, to Engrossed Substitute Senate Bill No. 3022 and asked the House for a conference thereon.

POINT OF INQUIRY

Senator Clarke: "Senator Bottiger, it has just been suggested that we request a conference. Now, customarily these conferences have been pursuant to joint rules. We have, on several occasions, suggested the adoption of joint rules, which very specifically deal with the methods of handling measures between the House and Senate and appointments of conference and free conference committees. Now, I am assuming that in the absence of rules, we have to go by Reed's Rules which are extremely vague, have nothing to do or no specifications as to the number of conferees, what constitutes a free conference committee and things of that nature. I am simply, again, requesting that we do adopt joint rules if we are getting into a situation where we need conferences, because otherwise, I think, we are in a complete situation of uncertainty."

Senator Bottiger: "Senator Clarke, Reed's, I don't think, is really not that vague or that uncertain. It is true that we have not adopted joint rules. We have some peculiar and unusual problems that have caused that. In this particular situation, these conferees are dealing with nonpartisan matters and I am sure they can operate fairly adequately under Reed's Rules."

The President declared the question before the Senate to be the motion by Senator Talmadge "to not concur in the House amendment to page 3, line 10, to Engrossed Substitute Senate Bill No. 3022 and to ask the House for a conference thereon."

The motion by Senator Talmadge carried and the Senate did not concur in the amendment and asked the House for a conference thereon.

APPOINTMENT OF CONFERENCE COMMITTEE

The President appointed as members of the Conference Committee to Engrossed Substitute Senate Bill No. 3022, and the House amendment thereto: Senators Talmadge, Hemstad and Hughes.

MOTION

On motion of Senator Bottiger, the Conference Committee appointments were confirmed.

MESSAGE FROM THE HOUSE

April 18, 1983

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3034 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Every manufacturer of motor vehicles sold in this state and for which the manufacturer has made an express warranty shall maintain in this state sufficient service and repair facilities reasonably close to all areas in which its motor vehicles are sold to carry out the terms of the warranties or designate and authorize in this state as service and repair facilities independent repair or service facilities reasonably close to all areas in which its motor vehicles are sold to carry out the terms of the warranties. As a means of complying with this section, a manufacturer may enter into warranty service contracts with independent service and repair facilities.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Motor vehicle" means an automobile, truck, motorcycle, moped, or motor home, if the motor vehicle is used primarily for personal, noncommercial use.

(2) "Nonconformity" means a failure to conform with an express warranty in a manner which substantially impairs the use, value, or safety of the item.
"Buyer" means the purchaser of a motor vehicle, any person to whom the motor vehicle is transferred during an express warranty applicable to the motor vehicle and any other person entitled to enforcement of the obligations of an express warranty by its terms.

(4) (a) "Express warranty" means:

(i) A written statement arising out of a sale to the consumer of a motor vehicle pursuant to which the manufacturer, dealer, or retailer undertakes to preserve or maintain the utility or performance of the motor vehicle as provided in the warranty or provide compensation if there is a failure in utility or performance; or

(ii) In the event of any sample or model, that the whole of the goods conforms to such sample or model.

(b) It is not necessary to the creation of an express warranty that formal words such as "warrant" or "guarantee" be used, but if such words are used then an express warranty is created. An affirmation merely of the value of the vehicle or a statement purporting to be merely an opinion or commendation of the vehicle does not create a warranty.

(c) Statements or representations such as expressions of general policy concerning customer satisfaction which are not subject to any limitation do not create an express warranty.

NEW SECTION. Sec. 3. If a motor vehicle does not conform to all applicable express warranties and the nonconformity is not the result of misuse or abuse of the motor vehicle by the buyer, and the buyer reports in writing the nonconformity to the manufacturer, and its agent or authorized dealer during the term of the express warranties, the manufacturer, its agent, or its authorized dealer shall, within a reasonable period of time, begin to make such repairs as are necessary to conform the vehicle to such express warranties, notwithstanding the fact that such repairs are made after the expiration of such term or such one-year period. Unless the buyer agrees in writing to the contrary, the motor vehicle must be serviced or repaired so as to conform to the applicable express warranties within thirty days of the written notice of nonconformity. Delays caused by conditions beyond the control of the manufacturer, its agent, or its authorized representative shall serve to extend the thirty-day requirement. When such delay arises, the conforming services or repairs shall be rendered as soon as possible after termination of the conditions which gave rise to the delay.

NEW SECTION. Sec. 4. If the manufacturer or its representative or its authorized dealer is unable to service or repair the motor vehicle to conform to the applicable express warranties after a reasonable number of attempts, the manufacturer shall reimburse the buyer in an amount equal to the purchase price paid by the buyer, less that amount directly attributable to use by the buyer.

NEW SECTION. Sec. 5. It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties if during the term of such express warranties or during the period of one year following the date of original delivery of the motor vehicle to a buyer: (1) The same nonconformity has been subject to repair four or more times by the manufacturer or its agents; or (2) the vehicle is out of service by reason of repair for a cumulative total of more than thirty days since the delivery of the vehicle to the buyer. The thirty-day period includes each calendar day or portion thereof during which the service shop is open for business, but does not include periods during which repairs cannot be made due to conditions beyond the control of the service facility and does not include periods during which the buyer has been provided with a comparable replacement vehicle by the dealer or manufacturer.

NEW SECTION. Sec. 6. If a manufacturer has established an informal dispute resolution settlement procedure which substantially complies with the applicable provision of Title 16, Code of Federal Regulations, Part 703, as from time to time amended, the provisions of section 4 of this act concerning reimbursements do not apply unless the buyer has resorted to such procedure.

NEW SECTION. Sec. 7. The remedies provided under this chapter are cumulative and are in addition to any other remedies provided by law.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 19 RCW."

and the same are herewith transmitted.

MOTION

Senator Hansen moved that the Senate do concur in the House amendments to Engrossed Senate Bill No. 3297.

POINT OF INQUIRY

Senator Barr: "Senator Hansen, could you make it just a little clearer on how the Department felt they could work with the Criminal Justice Training Commission on this, because I had felt that we should not concur on this amendment. If I could understand just a little bit more, it seems unnecessary for them to have to go through this training. Did they say it would be on a very limited basis?"

Senator Hansen: "Yes, they are already using the criminal investigation on certain portions. You see these law enforcement officers don't pack a gun, they are not out after cops and robbers. They are working with civilized people and if there is a wrong done in insecticides—in pesticides—in livestock, they want the expertise to be able to track it—if there is a ring set up that is stealing cattle—that they have the expertise to do a full investigation."

The President declared the question before the Senate to be the motion by Senator Hansen that the Senate do concur in the House amendments to Engrossed Senate Bill No. 3297.
The motion by Senator Hansen carried and the Senate concurred in the House amendments to Engrossed Senate Bill No. 3297.

PARLIAMENTARY INQUIRY

REPLY BY THE PRESIDENT

President Cherberg: "It is not. It is still possible to have a conference. If the House does not recede, you can request a conference."

Senator Hemstad: "Would it be appropriate or is it in order for us at this time to ask for a conference?"

POINT OF INQUIRY

Senator Benitz: "Senator Vognild, I note in the summary—it says 'make loans, provide loan guarantees and establish and regulate loan guarantees.' How can we do that without getting the state involved?"

Senator Vognild: "I think every effort was made in the bill to make sure that the state was not involved. This can be a clearing house for federal funds. It can also be a clearing house for money that is dedicated to it by numerous large financial institutions—primarily insurance companies. This procedure has worked well in many other areas."

POINT OF INQUIRY

Senator Rasmussen: "Senator Vognild, you said this was to provide assistance for small business—one hundred twenty-five million, with a hundred million dollars worth of sales. I didn't quite get that. Is that what you said?"

Senator Vognild: "Yes, Senator, presently, the Department of Commerce and Economic Development—the one that Senator Hayner was talking about— is prohibited from making loans or guaranteeing loans to businesses that do less than one hundred million dollars in annual sales."

Senator Rasmussen: "How about the federal small business loans? I thought that was supposed to be able to help these companies when they had no other place to go."
Senator Vognild: "Senator, I am unable to answer that question. I can merely refer to the testimony we had in committee which indicated that there was no facility--private or public--in the state that could handle assistance to these small businesses."

Senator Rasmussen: "One further question. Then, is it the intention of this new committee to issue bonds and make loans?"

Senator Vognild: "They can receive the money from federal grants. They can receive the money from money committed by major lending institutions. These are primarily insurance companies—and other states have done this."

MOTION

On motion of Senator Shinpoch, the Senate was declared to be at ease.

The President called the Senate to order at 8:36 p.m.

There being no objection, the President returned the Senate to the fourth order of business.

MESSAGE FROM THE HOUSE

April 18, 1983

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3034 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Every manufacturer of motor vehicles sold in this state and for which the manufacturer has made an express warranty shall maintain in this state sufficient service and repair facilities reasonably close to all areas in which its motor vehicles are sold to carry out the terms of the warranties or designate and authorize in this state service and repair facilities reasonably close to all areas in which its motor vehicles are sold to carry out the terms of the warranties. As a means of complying with this section, a manufacturer may enter into warranty service contracts with independent service and repair facilities.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Motor vehicle" means an automobile, truck, motorcycle, moped, or motor home, if the motor vehicle is used primarily for personal, noncommercial use.

2. "Nonconformity" means a failure to conform with an express warranty in a manner which substantially impairs the use, value, or safety of the item.

3. "Buyer" means the purchaser of a motor vehicle, any person to whom the motor vehicle is transferred during an express warranty applicable to the motor vehicle and any other person entitled to enforcement of the obligations of an express warranty by its terms.

4. (a) "Express warranty" means:

(i) A written statement arising out of a sale to the consumer of a motor vehicle pursuant to which the manufacturer, dealer, or retailer undertakes to preserve or maintain the utility or performance of the motor vehicle as provided in the warranty or provide compensation if there is a failure in utility or performance;

(ii) An affirmation merely of the value of the vehicle or a statement purporting to be merely an opinion or commendation of the vehicle does not create a warranty.

(c) Statements or representations such as expressions of general policy concerning customer satisfaction which are not subject to any limitation do not create an express warranty.

NEW SECTION. Sec. 3. If a motor vehicle does not conform to all applicable express warranties and the nonconformity is not the result of misuse or abuse of the motor vehicle by the buyer, and the buyer reports in writing the nonconformity to the manufacturer, and its agent or authorized dealer during the term of the express warranties, the manufacturer, its agent, or its authorized dealer shall, within a reasonable period of time, begin to make such repairs as are necessary to conform the vehicle to such express warranties, notwithstanding the fact that such repairs are made after the expiration of such term or such one-year period. Unless the buyer agrees in writing to the contrary, the motor vehicle must be serviced or repaired so as to conform to the applicable express warranties within thirty days of the written notice of nonconformity. Delays caused by conditions beyond the control of the manufacturer, its agent, or its authorized representative shall serve to extend the thirty-day requirement. When such delay arises, the conforming services or repairs shall be rendered as soon as possible after termination of the conditions which gave rise to the delay.
NEW SECTION. Sec. 4. If the manufacturer or its representative or its authorized dealer is unable to service or repair the motor vehicle to conform to the applicable express warranties after a reasonable number of attempts, the manufacturer shall reimburse the buyer in an amount equal to the purchase price paid by the buyer, less that amount directly attributable to use by the buyer.

NEW SECTION. Sec. 5. It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties during the term of such express warranties or during the period of one year following the date of original delivery of the motor vehicle to a buyer: (1) The same nonconformity has been subject to repair four or more times by the manufacturer or its agents; or (2) the vehicle is out of service by reason of repair for a cumulative total of more than thirty days since the delivery of the vehicle to the buyer. The thirty-day period includes each calendar day or portion thereof during which the service shop is open for business, but does not include periods during which repairs cannot be made due to conditions beyond the control of the service facility and does not include periods during which the buyer has been provided with a comparable replacement vehicle by the dealer or manufacturer.

NEW SECTION. Sec. 6. If a manufacturer has established an informal dispute resolution settlement procedure which substantially complies with the applicable provision of Title 16, Code of Federal Regulations, Part 703, as from time to time amended, the provisions of section 4 of this act concerning reimbursements do not apply unless the buyer has resorted to such procedure.

NEW SECTION. Sec. 7. The remedies provided under this chapter are cumulative and are in addition to any other remedies provided by law.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 19 RCW.

and the same are herewith transmitted.

DEAN R. FOSTER, Chief Clerk

MOTION

Senator McDermott moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 3035.

POINT OF INQUIRY

Senator Lee: "Senator McDermott, I was looking over some of the amendments that they had made. I know one of the ones that was of particular interest to members of the committee was to include 'school' and that has been removed. They added 'state and local projects and the parks and recreational facilities.' What I really wanted to know was, I was wondering if adding the word 'local,' which we did not have in our bill, would still cover those school projects?"

Senator McDermott: "I think it is reasonable, Senator Lee, to assume that it could be included. I think the House's feeling was that schools need not be included, since the State Board of Education already has that kind of information in the form of proposals from various school districts. I don't think they felt the need to do that, but it could be done under the use of the word 'local.'"

MOTION

On motion of Senator Talmadge, Senator Bender was excused.
The President declared the question before the Senate to be the motion by Senator McDermott that the Senate do concur in the House amendments to Substitute Senate Bill No. 3035.
The motion by Senator McDermott carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 3035.

MOTION

Senator Vognild moved that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 3088.

POINT OF INQUIRY

Senator Rasmussen: "Senator Vognild, with this provision that the House has put in, suppose we had a hairdresser from Vietnam or Korea or China or someplace come in and they didn't have a GED, but they were really good at their work--but they didn't have the grade points. Now, what would that do in this case?"

Senator Vognild: "Senator Rasmussen, existing law says that they cannot attend the school unless they have a high school graduation certificate. I believe that this is a real good amendment, because it now says that they may attend school without graduating from high school. Additionally, they may be licensed, now, with a high school certificate or a GED, so from the existing law to the language in this, it extremely broadens it out."

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. With respect to the House amendment on page 3, line 23, I raise the question of scope and object. Speaking to the point of order, basically, the bill relates to the Budget and Accounting Act and the technical nature of the budget and the authority of the Governor to make variable cuts. Section 2 relates to itemization of expenditures relating to decisions of the federal court and I believe the amendment expands the scope and object of the bill."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Talmadge, the President finds that Senate Bill No. 3090 is a measure of limited scope which removes obsolete statutory language from the Budget and Accounting Act.

"The amendment proposed by the House of Representatives requires state agencies to itemize expenditures required to be made pursuant to a federal court order for review by the Legislature.

"The President, therefore, finds that the proposed amendment does expand the scope and object of the bill and that the point of order is well taken."

MOTION

Senator Talmadge moved, that pursuant to Senate Rule 66, the Senate do not concur in the House amendments to page 3, after line 23; to page 3, line 29; to page 3, line 29; to page 1, line 3; to page 1, line 4; and to page 1, following line 4; to Senate Bill No. 3090 and asked the House to recede therefrom.

PARLIAMENTARY INQUIRY

Senator Bluechel: "Mr. President, under Rule 66, is that not when ruled out of order, the bill is sent back to the committee of origin?"

REPLY BY THE PRESIDENT

President Cherberg: "Senator Bluechel, the Senate has added a proviso. The President will read the entire rule—'A Senate bill passed by the House with an amendment or amendments which shall change the scope and object of the bill, upon being received in the Senate, shall be referred to appropriate committee and shall take the same course as for original bills. In the event a scope and object ruling results in a measure being referred to committee, a motion to ask the House to recede, to insist or to adhere shall be in order on the same day upon which the scope and object ruling resulted in the measure being referred to committee.'

"The President believes that inasmuch as this is the first time in his experience that this has occurred since this rule has been in effect, that Senator Talmadge should make a motion requesting the House to recede from the amendment ruled
out of order. Otherwise, the President would have to refer this measure to committee.\textit{\textquotedblright}

Debate ensued.\textit{\textquotedblright}

The President declared the question before the Senate to be the motion by Senator Talmadge to not concur in the House amendments to page 3, after line 23; to page 3, line 29; to page 3, line 29; page 1, line 3; page 1, line 4; and to page 1, following line 4 to Senate Bill No. 3090 and asks the House to recede therefrom.\textit{\textquotedblright}

The motion by Senator Talmadge carried and the Senate did not concur in the House amendments to page 3, line 23; to page 3, line 29; to page 3, line 29; to page 1, line 3; to page 1, line 4; and to page 1, following line 4; to Senate Bill No. 3090 and asked the House to recede therefrom.\textit{\textquotedblright}

\textbf{MOTION}\textit{\textquotedblright}

On motion of Senator Talmadge, the Senate concurred in the House amendment to page 3, following line 25, to Senate Bill No. 3090.\textit{\textquotedblright}

On page 3, after line 6, insert the following:

"Sec. 3. Section 16, chapter 175, Laws of 1971 ex. sess. as last amended by section 11, chapter 40, Laws of 1979 and RCW 82.38.150 are each amended to read as follows:

The department shall establish the reporting frequency for each applicant at the time the special fuel license is issued. If it becomes apparent that any special fuel licensee is not reporting in accordance with the above schedule, the department shall change the licensee's reporting frequency by giving thirty days' notice to the licensee by mail to his address of record. A report shall be filed with the department even though no special fuel was used, or tax is due, for the reporting period. Each tax report shall contain a declaration by the person making the same, to the effect that the statements contained therein are true and are made under penalties of perjury, which declaration shall have the same force and effect as a verification of the report and shall be in lieu of such verification. The report shall show such information as the department may reasonably require for the proper administration and enforcement of this chapter: PROVIDED, That if a special fuel dealer or special fuel user is also a special fuel supplier at a location where special fuel is delivered into the supply tank of a motor vehicle, and if separate storage is provided thereat from which special fuel is delivered or placed into fuel supply tanks of motor vehicles, the tax report to the department need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made. The special fuel dealer or special fuel user shall file the report on or before the twenty-fifth day of the next succeeding calendar month following the period to which it relates.

Subject to the written approval of the department, tax reports may cover a period ending on a day other than the last day of the calendar month. Taxpayers granted approval to file reports in this manner will file such reports on or before the twenty-fifth day following the end of the reporting period. No change to this reporting period will be made without the written authorization of the department.

If the final filing date falls on a Saturday, Sunday or legal holiday the next secular or business day shall be the final filing date. Such reports shall be considered filed or received on the date shown by the post office cancellation mark stamped upon an envelope containing such report properly addressed to the department, or on the date it was mailed if proof satisfactory to the department is available to establish the date it was mailed.

The department, if it deems it necessary in order to insure payment of the tax imposed by this chapter, or to facilitate the administration of this chapter, shall have the authority to require the filing of reports and tax remittances at shorter intervals than one month if, in its opinion, an existing bond has become insufficient.

The department may permit any special fuel user whose sole use of special fuel is in motor vehicles or equipment exempt from tax as provided in RCW 82.38.075 and RCW 82.38.080(1), (2), (3), and (((4)-(6))))(8), in lieu of the reports required in this section, to submit reports annually or as requested by the department, in such form as the department may require.

The special fuel user whose sole use of special fuel is for purposes other than the propulsion of motor vehicles upon the public highways of this state shall not be required to submit the reports required in this section.

Renumber the sections following consecutively, and correct internal references accordingly.

In line 4 of the title, after "82.38.110," insert "amending section 16, chapter 175, Laws of 1971 ex. sess. as last amended by section 11, chapter 40, Laws of 1979 and RCW 82.38.150;".

MESSAGE FROM THE HOUSE

April 18, 1983

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE BILL NO. 3245 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. DECLARATION OF PUBLIC POLICIES—PURPOSE. It is declared to be the public policy of the state and a recognized governmental function to assist in making affordable and decent housing available throughout the state and by so doing to contribute to
the general welfare. Decent housing for the people of our state is a most important public con­cern. Interest rates and construction costs have made it impossible for many Washington citi­zens to purchase their own homes. Older people, disabled persons, and low and moderate income families often cannot afford to rent decent housing. There exists throughout the state a serious shortage of safe, sanitary and energy efficient housing available at prices within the financial means of our citizens. General economic development within the state is also impeded by a lack of affordable housing. The state’s economy, which is dependent on the timber, wood products, and construction industries, has been damaged by inadequate invest­ment in housing construction and rehabilitation. The result has been high unemployment and economic hardship affecting the prosperity of all the people of the state, particularly those in the wood products industry.

It is the purpose of this chapter to establish a state housing finance commission to act as a financial conduit which, without using public funds or lending the credit of the state or local government, can issue nonrecourse revenue bonds and participate in federal, state, and local housing programs and thereby make additional funds available at affordable rates to help provide housing throughout the state. It is also a primary purpose of this chapter to encourage the use of Washington state forest products in residential construction. This chapter is enacted to accomplish these and related purposes and shall be liberally construed to carry out its pur­poses and objectives.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the defini­tions in this section apply throughout this chapter.

(1) "Bonds" means the bonds, notes, or other evidences of indebtedness of the commission, the interest paid on which may or may not qualify for tax exemption.

(2) "Code" means the federal internal revenue code of 1954, as now or hereafter amended, and the regulations and rulings promulgated thereunder.

(3) "Commission" means the Washington state housing finance commission or any board, body, commission, department, or officer succeeding to the principal functions thereof or to whom the powers conferred upon the commission shall be given by law.

(4) "Costs of housing" means all costs related to the development, design, construction, reconstruction, rehabilitation, and other improvements of housing, as deter­mined by the commission.

(5) "Eligible person" means a person or family eligible in accordance with standards pro­mulgated by the commission. Such persons shall include those persons whose income is insuffi­cient to obtain at a reasonable cost, without financial assistance, decent, safe, and sanitary housing in the area in which the person or family resides, and may include such other persons whom the commission determines to be eligible.

(6) "Housing" means specific new, existing, or improved residential dwellings within this state or dwellings to be constructed within this state. The term includes land, buildings, manufactured dwellings, and improvements, furnishings, and equipment, and such other nonhousing facilities, furnishings, equipment, and costs as may be incidental or appurtenant thereto if in the judgment of the commission the facilities, furnishings, equipment and costs are an integral part of the project. Housing may consist of single-family or multifamily dwellings in one or more structures located on contiguous or noncontiguous parcels or any combination thereof. Improvements may include such equipment and materials as are appropriate to accomplish energy efficiency within a dwelling. The term also includes a dwelling constructed by a person who occupies and owns the dwelling.

(7) "Mortgage" means a mortgage, mortgage deed, deed of trust, security agreement, or other instrument securing a mortgage loan and constituting a lien on or security interest in housing. The property may be held in fee simple or on a leasehold under a lease having a remaining term, at the time the mortgage is acquired, of not less than the term of repayment of the mortgage loan secured by the mortgage. The property may also be housing which is evi­denced by an interest in a cooperative association or corporation if ownership of the interest entitles the owner of the interest to occupancy of a dwelling owned by the association or corporation.

(8) "Mortgage lender" means any of the following entities which customarily provide serv­ice or otherwise aid in the financing of housing and which are approved as a mortgage lender by the commission: A bank, trust company, savings bank, national banking association, savings and loan association, building and loan association, mortgage banker, mortgage company, credit union, life insurance company, or any other financial institution, governmental agency, municipal corporation, or any holding company for any of the entities specified in this subsection.

(9) "Mortgage loan" means an interest-bearing loan or a participation therein, made to a borrower for the purpose of financing the costs of housing, evidenced by a promissory note, and which may or may not be secured (a) under a mortgage agreement, (b) under any other security agreement, regardless of whether the collateral is personal or real property, or (c) by insurance or a loan guarantee of a third party. However, an unsecured loan shall not be con­sidered a mortgage loan under this definition unless the amount of the loan is under two thou­sand five hundred dollars.
NEW SECTION. Sec. 3. BONDS NOT DEBT OF STATE. Bonds issued under this chapter shall be issued in the name of the commission. The bonds shall not be obligations of the state of Washington and shall be obligations only of the commission payable from the special fund or funds created by the commission for their payment. Such funds shall not be or constitute public moneys or funds of the state of Washington but at all times shall be kept segregated and set apart from other funds.

Bonds issued under this chapter shall contain a recital on their face to the effect that payment of the principal of, interest on, and prepayment premium, if any, on the bonds, shall be a valid claim only as against the special fund or funds relating thereto, that neither the faith and credit nor the taxing power of the state or any municipal corporation, subdivision, or agency of the state, other than the commission as set forth in this chapter, is pledged to the payment of the principal of, interest on, and prepayment premium, if any, on the bonds.

Contracts entered into by the commission shall be entered into in the name of the commission and not in the name of the state of Washington. The obligations of the commission under the contracts shall be obligations only of the commission and are not in any way obligations of the state of Washington.

NEW SECTION. Sec. 4. COMMISSION CREATED. (1) There is hereby established a public body corporate and politic, with perpetual corporate succession, to be known as the Washington state housing finance commission. The commission is an instrumentality of the state exercising essential government functions and, for purposes of the code, acts as a constituted body corporate and politic, with perpetual corporate succession, to be known as the Washington state housing finance commission. The term of the persons appointed by the governor, other than the chair, shall be four years from the date of their appointment, except that the terms of three of the initial appointees shall be for two years from the date of their appointment. The governor shall designate the appointees who will serve the two-year terms. An appointee may be removed by the governor for cause pursuant to RCW 43.06.070 and 43.06.080. The governor shall fill any vacancy in an appointed position by appointment for the remainder of the unexpired term. If the planning and community affairs agency is abolished, the resulting vacancy shall be filled by a state official who shall be appointed to the commission by the governor. If this official occupies an office or position for which senate confirmation is not required, then his appointment to the commission shall be subject to the consent of the senate. The members of the commission shall serve without compensation, but may be reimbursed, solely from the funds of the commission, for expenses incurred in the discharge of their duties under this chapter, subject to the provisions of RCW 43.03.050 and 43.03.060. (d) Participate fully in federal and other governmental programs and to take such actions as are necessary and consistent with this chapter to secure to itself and the people of the state the benefits of those programs and to meet their requirements, including such actions as the commission considers appropriate in order to have the interest payments on its bonds and other obligations treated as tax exempt under the code.

(2) The commission shall establish eligibility standards for eligible persons, considering at least the following factors:

(a) Income;
(b) Family size;
(c) Cost, condition and energy efficiency of available residential housing;
(d) Availability of decent, safe, and sanitary housing;
(e) Age or infirmity; and

NEW SECTION. Sec. 7. HOUSING FINANCE PLAN. The commission shall adopt a general plan of housing finance objectives to be implemented by the commission during the period of the plan. The commission shall adopt a plan no later than December 15, 1983. The commission may exercise the powers authorized under this chapter prior to the adoption of the initial plan. In developing the plan, the commission shall consider and set objectives for:

(1) The use of funds for single-family and multifamily housing;
(2) The use of funds for new construction, rehabilitation, including refinancing of existing debt, and home purchases;
(3) The housing needs of low-income and moderate-income persons and families, and of elderly or mentally or physically handicapped persons;

(8) The geographical distribution of bond proceeds so that the benefits of the housing programs provided under this chapter will be available to address demand on a fair basis throughout the state;
(9) The use of financing assistance for implementation of cost-effective energy efficiency measures in dwellings.

The plan shall include an estimate of the amount of bonds the commission will issue during the term of the plan and how bond proceeds will be expended.

The plan shall be adopted by resolution of the commission following at least one public hearing thereon, notice of which shall be made by mailing to the clerk of the governing body of each county and by publication in the Washington State Register no more than forty and no less than twenty days prior to the hearing. A draft of the plan shall be made available not less than thirty days prior to any such public hearing. At least every two years, the commission shall report to the legislature regarding implementation of the plan.

Prior to December 31, 1983, the commission shall submit the plan to the chief clerk of the house and secretary of the senate for transmittal to and review by the appropriate standing committees. The commission may periodically update the plan. Proposed changes of the plan shall be submitted to the chief clerk of the house and secretary of the senate for transmittal to and review by the appropriate standing committees. This submittal of proposed changes shall occur at least fourteen days before final adoption of the changes by the commission.

The commission shall adopt rules designed to result in the use of bond proceeds in a manner consistent with the plan. These rules shall be adopted and in full force and effect by February 1, 1984. The commission may periodically update its rules.

The commission is not required to adopt a plan or rules for the use of the proceeds of bonds issued prior to February, 1984. This section is designed to deal only with the use of bond proceeds and nothing in this section shall be construed as a limitation on the commission’s authority to issue bonds.

NEW SECTION. Sec. 8. GENERAL POWERS. In addition to other powers and duties specified in this chapter, the commission may:

(1) Establish in resolutions relating to any issuance of bonds, or in any financing documents relating to such issuance, such standards and requirements applicable to the purchase of mortgages and mortgage loans or the making of loans to mortgage lenders as the commission deems necessary or desirable, including but not limited to: (a) The time within which mortgage lenders must make commitments and disbursements for mortgages or mortgage loans; (b) the location and other characteristics of single-family housing or multifamily housing to be financed by mortgages and mortgage loans; (c) the terms and conditions of mortgages and

These expenditures may be made only from funds consisting of the commission’s receipts from fees and charges, grants and contributions, the proceeds of bonds issued by the commission, and other revenues; these expenditures shall not be made from funds of the state of Washington;

(8) Establish such special funds, and controls on deposits to and disbursements from them, as it finds convenient for the implementation of this chapter;

(9) Conduct such investigations and feasibility studies as it deems appropriate;

Any properties acquired by the commission through such actions shall be sold as soon as practicable through persons licensed under chapter 18.85 RCW or at public auction, or by transfer to a public agency. In preparation for the disposition of the properties, the commission may own, lease, clear, construct, reconstruct, rehabilitate, repair, maintain, manage, operate, assign, or encumber the properties;

(11) Take assignments of leases and rentals;

(12) Subject to any provisions of the commission’s contracts with the holders of obligations of the commission, consent to any modification with respect to rate of interest, time, and payment of any installment of principal or interest or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, contract, or agreement of any kind;

(13) Subject to provisions of the commission’s contracts with the holders of bonds, permit the reduction of rental or carrying charges to persons unable to pay the regular rent or schedule of charges if, by reason of other income of the commission or by reason of payment by any department, agency, or instrumentality of the United States or of this state, the reduction can be made without jeopardizing the economic stability of the housing being financed;

(14) Sell, at public or private sale, with or without public bidding, any mortgage, mortgage loan, or other instrument or asset held by the commission;

(15) Employ, contract with, or engage engineers, architects, attorneys, financial advisors, bond underwriters, mortgage lenders, mortgage administrators, housing construction or financing experts, other technical or professional assistants, and such other personnel as are necessary. (16) Receive contributions or grants from any source unless otherwise prohibited;

(17) Delegate any of its powers and duties if consistent with the purposes of this chapter;

(18) Exercise any other power reasonably required to implement the purposes of this chapter.

NEW SECTION. Sec. 9. (1) The commission shall adopt written policies to provide for the selection of bond counsel. The policies shall provide for the creation and maintenance of a roster of attorneys whom the commission believes possess the requisite special expertise and professional standing to provide bond counsel opinions which would be accepted by the underwriters, bondholders, and other members of the financial community, and which would be in furtherance of the public interest in obtaining the lowest possible interest rates on the bonds issued by the commission. Any attorney may apply to have his or her name placed on the roster, but may not be placed on the roster unless the attorney demonstrates to the commission’s satisfaction that the attorney would issue the kind of opinions required by this section.
(2) Prior to selecting an attorney or attorneys to provide bond counsel services, the commission shall provide all attorneys on the roster with a notice of its intentions to select bond counsel and shall invite each of them to submit to the commission his or her fee schedule for providing bond counsel services. The commission shall have wide discretion in selecting the attorney or attorneys it considers to be most appropriate to provide the services, but in the exercise of this discretion the commission shall consider all submitted fee schedules and the public interest in achieving both savings in bond counsel fees and issuance of bonds on terms most favorable to the commission. At least once every two calendar years, the commission shall select anew an attorney or attorneys to serve as bond counsel. However, the commission may retain an attorney for longer than two years when necessary to complete work on a particular bond issue. An attorney previously retained may be selected again but only after the commission has provided other attorneys on the roster with an opportunity to be selected and has made the fee schedule review required under this subsection. In addition to or as an alternative to retaining counsel for a period of time, the commission may appoint an attorney to serve as counsel in respect to only a particular bond issue.

NEW SECTION. Sec. 10. (1) The commission shall adopt written policies to provide for the selection of underwriters. The policies shall provide for the creation of a roster of underwriters whom the commission believes possess the requisite special expertise and professional standing to provide bond marketing services which would be accepted by bondholders and other members of the financial community, and which would be in furtherance of the public interest in marketing the commission's bonds at the lowest possible costs. Any underwriter may apply to have its name placed on the roster, but may not be placed on the roster unless it demonstrates to the commission's satisfaction that it meets the requirements of this section.

(2) Whenever the commission decides that it needs the services of an underwriter, it shall provide all underwriters on the roster with a notice of its intentions and shall invite each of them to submit to the commission an itemization of its fees and other charges for providing underwriting services on the issue. The itemization shall be by categories designed by the commission. The commission shall have wide discretion in selecting the underwriter it considers to be most appropriate to provide the services, but in the exercise of this discretion the commission shall consider the underwriter's fees and other charges and the public interest in achieving both savings in the total costs of underwriting services and issuance of bonds on terms most favorable to the commission.

NEW SECTION. Sec. 11. The commission shall submit the initial policies adopted under section 9 and section 10 of this act to the chief clerk of the house and the secretary of the senate for transmittal to and review by the appropriate standing committees and the joint administrative rules review committee. By January 1, 1984 the commission shall have adopted policies in the form of rules and regulations under chapter 34.04 RCW. Such rules and regulations may only be changed or revised in accordance with chapter 34.04 RCW.

NEW SECTION. Sec. 12. The legislature recognizes that the demand for mortgage loans for nonrental single family housing will probably greatly exceed the supply of bond proceeds available to satisfy the demand. Therefore, the commission shall adopt rules providing procedures to assure that the bond proceeds available for that kind of housing shall be made available to qualified mortgagees in a fair and equitable manner.

NEW SECTION. Sec. 13. The commission is encouraged to adopt policies which will assure that bondholders will be protected against the failure to make mortgage payments financed under this chapter. Such policies may require, among other things, mortgage insurance.

NEW SECTION. Sec. 14. RULES FOR ENERGY EFFICIENCY. The commission shall adopt rules providing for financing assistance to implement cost-effective energy efficiency improvements.

NEW SECTION. Sec. 15. BOND ISSUES—TERMS—ISSUANCE—PURCHASE, ETC. (1) The commission's bonds shall bear such date or dates, mature at such time or times, be in such denominations, be in such form, be registered or registerable in such manner, be made transferable, exchangeable, and interchangeable, be payable in such medium of payment, at such place or places, be subject to such terms of redemption, bear such fixed or variable rate or rates of interest, be payable at such time or times, and be sold in such manner and at such price or prices, as the commission determines. The bonds shall be executed by the chair, by either its duly elected secretary or its treasurer, and by the trustee or paying agent if the commission determines to use a trustee or paying agent for the bonds. Execution of the bonds may be by manual or facsimile signature.

(2) The bonds of the commission shall be subject to such terms, conditions, covenants, and protective provisions as are found necessary or desirable by the commission, including, but not limited to, pledges of the commission's assets, setting aside of reserves, limitations on additional forms of indebtedness, and the mortgaging of all or any part of the commission's real or personal property, then owned or thereafter acquired, and other provisions the commission finds are necessary or desirable for the security of bond holders.

(3) Any security interest created in the unexpended bond proceeds and in the special funds created by the commission shall be immediately valid and binding against such moneys and any securities in which such moneys may be invested without commission or trustee possession thereof, and the security interest shall be prior to any party having any competing interest.
claim in such moneys or securities, without filing or recording pursuant to chapter 62A.9 RCW and regardless of whether the party has notice of the security interest.

(4) When issuing bonds, the commission may provide for the future issuance of additional bonds or parity debt on a parity with outstanding bonds, and the terms and conditions of their issuance. The commission may refund or advance refund any bond of the commission in accordance with chapter 39.53 RCW or issue bonds with a subordinate lien against the fund or funds securing outstanding bonds.

(5) The chair of the state finance committee or the chair's designee shall be notified in advance of the issuance of bonds by the commission in order to promote the orderly offering of obligations in the financial markets.

(6) The members of the commission and any person executing the bonds are not liable personally on the indebtedness or subject to any personal liability or accountability by reason of the issuance thereof.

(7) The commission may, out of any fund available therefor, purchase its bonds in the open market.

NEW SECTION. Sec. 16. DEBT LIMITATION. The total amount of outstanding indebtedness of the commission may not exceed one billion dollars at any time.

NEW SECTION. Sec. 17. BOND ISSUES—DISPOSITION OF PROCEEDS—SPECIAL FUND. In a special fund or funds established for the particular purposes for which the bonds were issued and sold, which money shall not be funds of the state of Washington. Such fund or funds shall at all times be segregated and set apart from all other funds and held in trust for the purposes for which such bonds were issued as determined by the commission. Money other than bond sale proceeds received by the commission for these same purposes, such as private contributions or grants received from the federal government, may be deposited in such fund or funds. Proceeds received from the sale of the bonds may also be used to defray the expenses of the commission in connection with and incidental to the issuance and sale of bonds, as well as expenses for studies, surveys, estimates, plans, inspections, and examinations of or incidental to the purposes for which the bonds were issued, and other costs advanced theretofor by third parties or by the commission. In lieu of the commission receiving and handling these moneys in the manner outlined in this section, the commission may appoint trustees, depositaries, paying agents, and other financial institutions within or without the state to perform the functions outlined and to receive, hold, disburse, invest, and reinvest such funds on its behalf and for the protection of the bondholders.

NEW SECTION. Sec. 18. BOND ISSUES—SPECIAL TRUST FUND—PAYMENTS—STATUS—ADMINISTRATION OF FUND. All revenues received by the commission including funds received from contributions or grants or in any other form to pay principal of and interest on bonds or for other bond requirements such as reserves shall be deposited by the commission in any trust company, savings bank, savings and loan association, or bank having the powers of a trust company within or without the state, to the credit of a special trust fund or funds. The commission may establish a bond fund or funds, and a reserve, sinking fund and other accounts therein, for payment of principal and interest and for other special requirements of the bonds as determined by the commission. In lieu of the commission receiving and handling these moneys as outlined in this section, the commission may appoint trustees, depositaries, paying agents, and other financial institutions within or without the state to perform the functions outlined and to receive, hold, disburse, invest, and reinvest such funds on its behalf and for the protection of the bondholders. Such revenues and funds, whether received and held by the commission or by others on its behalf, shall not be or constitute public funds of the state of Washington but at all times shall be kept segregated and apart from all other funds.

NEW SECTION. Sec. 19. LEGAL INVESTMENTS. Bonds issued under this chapter are hereby made securities in which all public officers and public bodies of the state and its political subdivisions, all insurance companies, trust companies in their commercial departments, savings banks, cooperative banks, banking associations, investment companies, executors, trustees and other fiduciaries, and all other persons whatsoever who are now or may hereafter be authorized to invest in obligations of the state may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivisions of the state for any purpose for which the deposit of bonds and other obligations of the state are now or may hereafter be authorized by law.

NEW SECTION. Sec. 20. INTERNAL REVENUE CODE. For purposes of the code:

(1) The legislature reserves the right at any time to alter or change the structure, organization, programs, or activities of the commission and to terminate the commission, so long as the action does not impair any outstanding contracts entered into by the commission;

(a) Eighty percent of the state ceiling shall be allocated to the commission and twenty percent shall be allocated to the other issuing authorities in the state.

(b) The allocation to the issuing authorities other than the commission shall be distributed to such issuing authorities in amounts as determined following public notice by the planning and community affairs agency, or its successor, pursuant to rules promulgated by it. The distribution shall be in response to applications received from such issuing authorities and shall be based on the following factors: (i) The amount of housing to be made available by such applicant; (ii) the population within the jurisdiction of the applicant; (iii) coordination with other applicable federal and state housing programs; (iv) the likelihood of implementing the proposed financing during that year; and (v) consistency with the plan of the commission. On or before February 1 of each year, the planning and community affairs agency shall distribute the state ceiling allocation among such issuing authorities and any unused portion shall be added to the allocation of the commission. However, for calendar year 1983, the distribution shall be made on or before September 1, 1983. After 1983 each issuing authority other than the commission shall confirm its allocation distribution by providing to the planning and community affairs agency no later than June 1 a copy of an executed bond purchase contract or alternative documentation deemed sufficient by the commission to evidence the reasonable likelihood of the allocation distribution being fully used. Any portion of such allocation not so confirmed shall be added to the allocation of the commission on July 1. Prior to July 1, the commission shall provide written notice of the allocation decrease to the affected issuing authority. The reallocation shall not limit the authority of the commission to assign a portion of its allocation pursuant to subsection (5)(c) of this section.

(c) The commission may assign a portion of its allocation to another issuing agency.

(d) For calendar year 1983, the allocations to issuing authorities, other than the commission, shall include bonds issued by the authorities during the first six months of 1983. NEW SECTION. Sec. 21. If any part of this chapter is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is hereby declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and such finding or determination shall not affect the operation of the remainder of this chapter in its application to the agencies concerned. The rules under this chapter shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 22. ANNUAL FISCAL AUDIT. The commission shall select an accounting firm to perform an annual fiscal audit. The audit shall be performed by an independent certified public accountant in accordance with generally accepted auditing standards. The results of the audit shall be made available to the governor and the legislature.

(i) A list, including legal or other sufficient descriptions as prescribed by the commission, of all real property in the state of Washington, the assessed valuation of which exceeds two thousand five hundred dollars in which any direct financial interest was divested during the preceding calendar year, and a statement of the amount and nature of the consideration received in exchange for such interest, and the name and address of the person furnishing such consideration;

(j) A list, including legal or other sufficient descriptions as prescribed by the commission, of all real property in the state of Washington, the assessed valuation of which exceeds two thousand five hundred dollars in which a direct financial interest was held: PROVIDED. That if a description of such property has been included in a report previously filed, such property may be listed, for purposes of this provision, by reference to such previously filed report; and

(k) A list, including legal or other sufficient descriptions as prescribed by the commission, of all real property in the state of Washington, the assessed valuation of which exceeds five thousand dollars, in which a corporation, partnership, firm, enterprise, or other entity had a direct financial interest, in which corporation, partnership, firm or enterprise a ten percent or greater ownership interest was held; and

(l) Such other information as the commission may deem necessary in order to properly carry out the purposes and policies of this chapter, as the commission shall by rule prescribe.

(2) Where an amount is required to be reported under subsection (1), paragraphs (a) through (k) of this section, it shall be sufficient to comply with such requirement to report whether the amount is less than one thousand dollars, at least one thousand dollars but less than five thousand dollars, at least five thousand dollars but less than ten thousand dollars, at least ten thousand dollars but less than twenty-five thousand dollars, or twenty-five thousand dollars or more. An amount of stock may be reported by number of shares instead of by market value. No provision of this subsection shall be interpreted to prevent any person from filing more information or more detailed information than required.

Sec. 28. Section 4, chapter 95, Laws of 1895 as last amended by section 1, chapter 167, Laws of 1979 ex. sess. and RCW 4.92.040 are each amended to read as follows:

(1) No execution shall issue against the state on any judgment.

(2) Whenever a final judgment against the state shall have been obtained in an action on a claim arising out of tortious conduct, the clerk shall make and furnish to the director of financial management a duly certified copy of said judgment and the same shall be paid out of the tort claims revolving fund.

(3) Whenever a final judgment against the state shall have been obtained in any other action, the clerk of the court shall make and furnish to the director of financial management a duly certified copy of such judgment; the director of financial management shall thereupon audit the amount of damages and costs therein awarded, and the same shall be paid from appropriations specifically provided for such purposes by law.

(4) On and after September 21, 1977, all claims made to the legislature against the state of Washington for money or property, shall be accompanied by a statement of the facts on which such claim is based and such evidence as the claimant intends to offer in support of the claim and shall be filed with the director of financial management who shall retain the same as a record. All claims of five hundred dollars or less shall be approved or rejected by the director of financial management and if approved shall be paid from appropriations specifically provided for such purpose by law. Such decision, if adverse to the claimant in whole or part, shall not preclude claimant from seeking relief from the legislature: PROVIDED, That if the claimant accepts any part of his or her claim which is approved for payment by the director, such
acceptance shall constitute a waiver and release of the state from any further claims relating to the damage or injury asserted in the claim so accepted. The director shall submit to the senate committee on ways and means and to the house committee on appropriations, at the beginning of each regular session, a comprehensive list of all claims paid pursuant to this subsection during the preceding two years. For all claims over five hundred dollars, the director of financial management shall recommend to the legislature whether such claim should be approved or rejected. The legislative committees to whom such claims are referred shall make a transcript or statement of the substance of the evidence given in support of such a claim. If the legislature approves a claim the same shall be paid from appropriations specifically provided for such purpose by law.

(5) Subsections (3) and (4) of this section do not apply to judgments or claims against the state housing finance commission created under chapter 43--RCW (sections 1 through 23 of this 1983 act).

NEW SECTION. Sec. 29. There is added to chapter 43.21C RCW a new section to read as follows:

(2) Section 10 of this act shall take effect on January 1, 1984."

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3266 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 43.52.290, chapter 8, Laws of 1965 as last amended by section 5, chapter 43. Laws of 1982 1st ex. sess. and RCW 43.52.290 are each amended to read as follows:

Members of the board of directors of an operating agency shall have the authority to make all subsequent decisions regarding the plant and any of its components; and shall be paid by the operating agency such amount as will, together with the compensation for such other public position equal the sum of fifty dollars per day. The common law doctrine of incompatibility of offices is hereby voided as it applies to persons sitting on the board of directors or the executive board of an operating agency and holding an elective or appointive position on a public utility district commission or municipal legislative authority or being an employee of a public utility district or municipality.

Sec. 2. Section 43.52.370, chapter 8, Laws of 1965 as last amended by section 2, chapter 43. Laws of 1982 1st ex. sess. and RCW 43.52.370 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the management and control of an operating agency shall be vested in a board of directors, herein sometimes referred to as the board. The legislative body of each member of an operating agency shall appoint a representative who may, at the discretion of the member and regardless of any charter or other provision to the contrary, be an officer or employee of the member, to serve on the board of the operating agency. Each representative shall have one vote and shall have, in addition thereto, one vote for each block of electric energy equal to ten percent of the total energy generated by the agency during the preceding year purchased by the member represented by such representative. Each member may appoint an alternative representative to serve in the absence or disability of its representative. Each representative shall serve at the pleasure of the member. The board of an operating agency shall elect from its members a president, vice president and secretary, who shall serve at the pleasure of the board. The president and secretary shall perform the same duties with respect to the operating agency as are provided by law for the president and secretary, respectively, of public utility districts, and such other duties as may be provided by motion, rule or resolution of the board. The board of an operating agency shall adopt rules for the conduct of its meetings and the carrying out of its business, and adopt an official seal. All proceedings of an operating agency shall be by motion or resolution and shall be recorded in the minute book which shall be a public record. A majority of the members present are entitled to cast a majority of the votes which the members present are entitled to cast shall be necessary and sufficient to pass any motion or resolution: PROVIDED, That such board members are entitled to cast a majority of the votes of all members of the board. The members of the board of an operating agency may be compensated by such agency as is provided in RCW 43.52.290: PROVIDED, That the (per diem) compensation to any member shall not exceed five thousand dollars in any year except for board members who are elected to serve on an executive board established under RCW 43.52.374(1) in which case per diem compensation to any member shall not exceed ten thousand dollars in any year).

(2) If an operating agency is constructing, operating, terminating, or decommissioning a nuclear power plant under a site certification agreement under chapter 80.50 RCW, the powers and duties of the board of directors shall include and are limited to the following:

(a) Final authority on any decision of the operating agency to purchase, acquire, construct, terminate, or decommission any power plants, works, and facilities except that once the board of directors has made a final decision regarding a nuclear power plant, the executive board established under RCW 43.52.374 shall have the authority to make all subsequent decisions regarding the plant and any of its components;

(b) Election of members to (and), removal from, and establishment of salaries for the elected members of the executive board under RCW 43.52.374(1)(c); and

(c) Selection and appointment of three outside directors as provided in RCW 43.52.374(1)(b).

All other powers and duties of the operating agency, including without limitation authority for all actions subsequent to final decisions by the board of directors, including but not limited to the authority to sell any power plant, works, and facilities are vested in the executive board established under RCW 43.52.374.

Sec. 3. Section 2, chapter 3, Laws of 1981 1st ex. sess. as amended by section 3, chapter 43. Laws of 1982 1st ex. sess. and RCW 43.52.374 are each amended to read as follows:
(1) With the exception of the powers and duties of the board of directors described in RCW 43.52.370(2), the management and control of an operating agency constructing, operating, terminating, or decommissioning a nuclear power plant under a site certification agreement under chapter 80.50 RCW is vested in an executive board established under this subsection and consisting of eleven members.

(a) Five members of the executive board shall be elected to four-year terms by the board of directors from among the members of the board of directors. The board of directors may provide by rule for the composition of the five members of the executive board elected from among the members of the board of directors so as to reflect the member public utility districts' and cities' participation in the joint operating agency's projects. Members elected to the executive board from the board of directors are ineligible for continued membership on the executive board if they cease to be members of the board of directors. The board of directors may also provide by rule for the removal of a member of the executive board, except for the outside directors. Members of the board of directors may be elected to serve successive terms on the executive board. Members elected to the executive board from the board of directors shall receive a salary from the operating agency at a rate set by the board of directors.

(b) Six members of the executive board shall be outside directors. Three shall be selected and appointed by the board of directors, and three shall be selected and appointed by the governor and confirmed by the senate. All outside directors shall:

(i) Serve four-year terms on the executive board. However, of the initial members of the executive board, the board of directors and the governor shall each appoint one outside director to serve a two-year term, one outside director to serve a three-year term, and one outside director to serve a four-year term. Thereafter, all outside directors shall be appointed for four-year terms. All outside directors are eligible for reappointment:

(ii) Receive (per diem, compensation and) travel expenses on the same basis as the five members elected from the board of directors. The outside directors shall also receive a salary from the operating agency as fixed by the governor;

(iii) Not be an officer or employee of, or in any way affiliated with, the Bonneville power administration or any electric utility conducting business in the states of Washington, Oregon, Idaho, or Montana:

(iv) Not be involved in the financial affairs of the operating agency as an underwriter or financial adviser of the operating agency or any of its members or any of the participants in any of the operating agency's plants; and

(v) Be representative of policy makers in business, finance, or science, or have expertise in the construction or management of such facilities as the operating agency is constructing or operating, or have expertise in the termination, disposition, or liquidation of corporate assets.

(c) The governor may remove outside directors from the executive board for incompetency, misconduct, or malfeasance in office in the same manner as state appointive officers under chapter 43.06 RCW. For purposes of this subsection, misconduct shall include, but not be limited to, nonfeasance and misfeasance.

(2) Nothing in this chapter shall be construed to mean that an operating agency is in any manner an agency of the state. Nothing in this chapter alters or destroys the status of an operating agency as a separate municipal corporation or makes the state liable in any way or to any extent for any preexisting or future debt of the operating agency or any present or future claim against the agency.

(3) The eleven members of the executive board shall be selected with the objective of establishing an executive board which has the resources to effectively carry out its responsibilities. All members of the executive board shall conduct their business in a manner which in their judgment is in the interest of all ratepayers affected by the joint operating agency and its projects.

(4) The executive board shall elect from its members a chairman, vice chairman, and secretary, who shall serve at the pleasure of the executive board. The executive board shall adopt rules for the conduct of its meetings and the carrying out of its business which, for the executive board and any subgroup thereof, shall comply with the Open Public Meetings Act, Chapter 42.30 RCW, including reasonable opportunity for public input.

All proceedings shall be by motion or resolution and shall be recorded in the minute book, which shall be a public record. A majority of the executive board shall constitute a quorum for the transaction of business.

(5) With respect to any operating agency existing on April 20, 1982, to which the provisions of this section are applicable:

(a) The board of directors shall elect five members to the executive board no later than sixty days after April 20, 1982; and

(b) The board of directors and the governor shall select and appoint the initial outside directors and the executive board shall hold its organizational meeting no later than sixty days after April 20, 1982, and the powers and duties prescribed in this chapter shall devolve upon the executive board at that time.

(6) The executive board shall select and employ a managing director of the operating agency and may delegate to the managing director such authority for the management and
control of the operating agency as the executive board deems appropriate. The managing
director's employment is terminable at the will of the executive board.

(7) Members of the executive board shall be immune from civil liability for mistakes and
errors of judgment in the good faith performance of acts within the scope of their official duties
involving the exercise of judgment and discretion. This grant of immunity shall not be construed
as modifying the liability of the operating agency.

The operating agency shall undertake the defense of and indemnify each executive
board member made a party to any civil proceeding including any threatened, pending, or
completed action, suit, or proceeding, whether civil, administrative, or investigative, by reason
of the fact he or she is or was a member of the executive board, against judgments, penalties,
tines, settlements, and reasonable expenses, actually incurred by him or her in connection with
such proceeding if he or she had conducted himself or herself in good faith and reasonably
believed his or her conduct to be in the best interest of the operating agency.

In addition members of the executive board who are utility employees shall not be tired,
forced to resign, or demoted from their utility jobs for decisions they make while carrying out
their duties as members of the executive board involving the exercise of judgment and
discretion.

On page 1, line 1 of the title after "agencies;" strike the remainder of the title and insert
"amending section 43.52.290, chapter 8, Laws of 1965 as last amended by section 5, chapter 43,

and amending section 2, chapter 3, Laws of 1981 1st ex. sess. as amended by section 3, chapter
43, Laws of 1982 1st ex. sess. and RCW 43.52.374."

MOTION

Senator Williams moved that the Senate do concur in the House amendments
to Substitute Senate Bill No. 3266.

PARLIAMENTARY INQUIRY

Senator Benitz: "Mr. President, recognizing that this is a striking amendment,
the question is, then, can any part of it be divided into a separate question on a
separate vote?"

REPLY BY THE PRESIDENT

President Cherberg: "Senator Benitz, in reply to your parliamentary inquiry, the
President believes if the division is constituted between sections, it would be possi­
ble--the division would be permitted if it dealt with sections."

Senator Benitz: "Yes, it deals with section 3--the last amendment."

MOTIONS

On motion of Senator Benitz, the question was divided and the Senate consid­
ered section 3, subsection (4), page 8, of the House amendment to Substitute Senate
Bill No. 3266 separately.

Senator Williams moved that the Senate do concur in the House amendments
to substitute Senate Bill No. 3266, with the exception of section 3, subsection (4) on
page 8.

POINT OF INQUIRY

Senator Metcalf: "Senator Williams, the question--it says 'the annual ten thou­
sand dollars limit on the per diem compensation.' Is that ten thousand dollars for
each person?"

Senator Williams: "The ten thousand dollars per diem that is referred to in the
language is for each board member. However, that has been stricken and they
can no longer receive per diem. Per diem no longer exists in terms of anything that
the board members can receive anymore. All they can receive is a maximum of
five thousand dollars per year compensation, which is classified as income. They
must declare it as income. In addition, if they have other travel or any expenses
that they can verify, they can claim those kinds of expenses. There is no longer per
diem and the ten thousand dollar limit language is stricken from the bill."

Debate ensued.
POINT OF INQUIRY

Senator Rasmussen: "Senator Benitz, the negotiations that have been going on in the past few weeks with a very secret group of people—and dealing in billions of dollars—and with what will be the residents of this state having to pay the cost of the end result—don't you think that they should be public? Or should they continue to be secret?"

Senator Benitz: "It is my belief that once the temporary decisions have been reached, they should be public, but all of it—no. There is a tremendous amount of negotiating going on and if it is on the front page of the paper every day, we are going to be in worse shape instead of better. I believe very firmly that once the negotiations have been made, the public should have the right to know. I think you all recognize that there are many things that have to be talked about behind the scenes. Further, if we don't have the opportunity—or the WPPSS people—then one person simply has to go off on the side and that is not the way I would like to have it."

POINT OF INQUIRY

Senator Metcalf: "Senator Benitz, when you said public disclosure—maybe that isn't the right wording—do you mean public open meetings or something to do with the public disclosure act?"

Senator Benitz: "The amendment speaks to the open public meeting act—the RCW 42.30. They would be included in that."

The President declared the question before the Senate to be the motion by Senator Williams that the Senate do concur in the House amendments to Substitute Senate Bill No. 3266, with the exception of section 3, subsection (4) on page 8.

The motion by Senator Williams carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 3266, with the exception of section 3, subsection (4) on page 8.

MOTIONS.

On motion of Senator Vognild, Senator Peterson was excused.

Senator Williams moved that the Senate do concur with the portion of the House amendment to section 3, subsection (4), page 8, to Substitute Senate Bill No. 3266.

POINT OF INQUIRY

Senator Kiskaddon: "Senator Williams, does this board decide financial contracts and financial negotiations, so that every time they get requests for proposals—or those kinds of negotiations—every meeting would have to be done with the press and everybody standing around, reading all the proposals coming in? Is there any place where there could be any confidentiality if someone's proposal of a contract—if it was a competitive bid—or is my competition able to go to the meeting and read my bid in the open with everyone else's?"

Senator Williams: "I'm not an authority on the Open Public Meetings Act, but to the extent that a city council, board of county commissioners or a port district board makes decisions relating to contracts and to the extent that some portions of it may be closed when it relates to confidential material. As I understand it, the WPPSS Board would be acting and have the same powers of exceptions that any other body in the state of Washington would have. Perhaps some other member of the Senate may wish to answer that—Senator Talmadge, perhaps."

REMARKS BY SENATOR TALMADGE

Senator Talmadge: "There are exceptions. Senator Kiskaddon, in the open meetings act. Those exceptions include personnel matters—a contractual matter that may have an impact on the amount of the contract, such as requests for a sale of a piece of real estate, where you would clearly have an impact on the sale value of the property, if it were disclosed publicly that the local government or unit of government was interested in selling it. I think those exceptions are applicable here to the WPPSS board."

Debate ensued.

Senator Williams demanded a roll call and the demand was sustained.
The President declared the question before the Senate to be the roll call on the motion by Senator Williams that the Senate concur in the portion of the House amendment to section 3, subsection (4), page 8, to Substitute Senate Bill No. 3266.

ROLL CALL

The Secretary called the roll and the motion by Senator Williams carried and the Senate concurred in the portion of the House amendment to section 3, subsection (4) to Substitute Senate Bill No. 3266 by the following vote: Yeas. 23; nays. 21; absent. 02; excused. 03.

Voting nay: Senators Barr, Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Goltz, Guess, Haley, Hansen, Hayner, Jones, Kiskaddon, McCaslin, Metcalf, Newhouse, Patterson, Quigg, Sellar, Zimmerman - 21.

Absent: Senators Lee, Moore - 2.

Excused: Senators Hemstad, Peterson, Pullen - 3.

ROLL CALL

The Secretary called the roll on final passage of Senate Bill No. 3266, as amended by the House, and the bill failed to pass the Senate by the following vote: Yeas. 22; nays. 22; absent. 02; excused. 03.

Voting nay: Senators Barr, Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Guess, Haley, Hansen, Hayner, Jones, Kiskaddon, Lee, McCaslin, Metcalf, Newhouse, Patterson, Quigg, Sellar, von Reichbauer, Zimmerman - 22.

Absent: Senators Conner, Moore - 2.

Excused: Senators Hemstad, Peterson, Pullen - 3.

SUBSTITUTE SENATE BILL NO. 3266, as amended by the House, having failed to receive the constitutional majority, was declared lost.

PARLIAMENTARY INQUIRY

Senator Bluechel: "What side is prevailing where someone votes 'aye' to pass a bill and the bill fails?"

REPLY BY THE PRESIDENT

President Cherberg: "Quite obvious, Senator, the prevailing side is the losing side."

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Hansen moved that the Senate reconsider the vote by which Substitute Senate Bill No. 3266, as amended by the House, failed to pass the Senate.

The President declared the question before the Senate to be the motion by Senator Hansen that the Senate reconsider the vote by which Substitute Senate Bill No. 3266, as amended by the House, failed to pass the Senate.

The motion by Senator Hansen carried and the Senate resumed consideration of Substitute Senate Bill No. 3266, as amended by the House.

MOTION FOR RECONSIDERATION

Senator Williams moved that the Senate reconsider the vote by which the Senate concurred in the the House amendment to section 3, subsection (4) to Substitute Senate Bill No. 3266.

The President declared the question before the Senate to be the motion by Senator Williams to reconsider the vote by which the Senate concurred in the House amendment to section 3, subsection (4) to Substitute Senate Bill No. 3266.

The motion by Senator Williams for reconsideration carried.

MOTION

Senator Williams moved that the Senate concur in the House amendment to section 3, subsection (4) to Substitute Senate Bill No. 3266.
Senator Clarke: "Mr. President, if Senator Williams' motive, now, is or seems to be, in effect, not to concur, should he not withdraw his motion to concur and substitute a motion not to concur, which, if passed, then automatically would, in effect, send it back and ask the House to recede?"

**REPLY BY THE PRESIDENT**

President Cherberg: "Senator Clarke, in reply to your inquiry, that result would be the same either way."

Senator Clarke: "In other words, a negative vote to concur would obviously result in not concur. Then it would go back to the House?"

President Cherberg: "It would result in automatically asking the House to recede. A vote 'no' on concurrence is, in effect, not to concur."

The motion by Senator Williams failed and the Senate did not concur in the House amendment to section 3, subsection (4) to Substitute Senate Bill No. 3266 and asked the House to recede therefrom.

**MESSAGE FROM THE HOUSE**

April 13, 1983

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 3392 with the following amendment:

On page 1, line 12 after "may" strike all the language through "utility" on line 19 and insert ". with the written approval of the city-owned electric utility, contract with a qualified electrical contractor licensed under Chapter 19.28 RCW to install any material or equipment in lieu of having city utility personnel perform the installation. In the event the city-owned electric utility denies the customer's request to utilize a private electrical contractor for such installation work, it shall provide the customer with written reasons for such denial."

On motion of Senator Fleming, the Senate resumed consideration of Engrossed Second Substitute Senate Bill No. 3245 and the pending House amendments, deferred earlier today.

Senator Fleming moved that the Senate do concur in the House amendments to Engrossed Second Substitute Senate Bill No. 3245.
POINT OF INQUIRY

Senator Quigg: "Senator Fleming, I understand there is a provision in the House amendment that requires the use of Washington building materials for construction of projects financed with this."

Senator Fleming: "I know not of an amendment there. The only amendment that I know dealing with the labor was that they included the amendment where if the dwelling was constructed by a person who occupies his own dwelling, they included that under the definition of housing. Other than that, I don't know of any amendment."

Debate ensued.

Senator Fleming demanded a roll call and the demand was sustained.

MESSAGE FROM THE HOUSE

April 20, 1983

Mr. President:
The House has passed ENGROSSED SENATE BILL NO. 3442 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 50, Laws of 1949 and RCW 26.12.010 are each amended to read as follows:

Each superior court shall exercise the jurisdiction conferred by this chapter and while sitting in the exercise of such jurisdiction shall be known and referred to as the "family court." A family law proceeding under this chapter is any proceeding under this title or any proceeding in which the family court is requested to adjudicate or enforce the rights of the parties or their children regarding the determination or modification of child custody, visitation, or support, or the distribution of property or obligations.

Sec. 2. Section 9, chapter 50, Laws of 1949 and RCW 26.12.090 are each amended to read as follows:

Whenever any controversy exists between ((spouses)) parties which may result in the dissolution ((or annulment)) of the marriage, declaration of invalidity, or the disruption of the household, and there is any minor child of the ((spouses)) parties or of either of them whose welfare might be affected thereby, the family court shall have jurisdiction over the controversy and over the parties thereto and all persons having any relation to the controversy as provided in this chapter.

Sec. 3. Section 10, chapter 50, Laws of 1949 and RCW 26.12.100 are each amended to read as follows:

Prior to the filing of ((any action for divorce, annulment or separate maintenance)) a family law proceeding, either ((spouse or both spouses)) party may file in the family court a petition invoking the jurisdiction of the court for the purpose of preserving the marriage by
effecting a reconciliation between the parties or for amicable settlement of the controversy between the (spouse(s)) parties so as to avoid further litigation over the issue involved. In any case where ((an action for divorce, annulment or separate maintenance)) a family law proceeding shall have been filed, either party to the eto may by petition filed therein have the cause transferred to the family court for proceedings in the same manner as though action had been instituted in the family court in the first instance.

Sec. 4. Section 12, chapter 50, Laws of 1949 and RCW 26.12.120 are each amended to read as follows:

The petition shall:

(1) Briefly allege that a controversy exists between the (spouse(s)) parties and request the aid of the family court to effect a reconciliation or an amicable settlement of the controversy;

(2) State the name and age of each minor child whose welfare may be affected by the controversy;

(3) State the name and address of the petitioner or petitioners;

(4) If the petition is presented by one (spouse) party only, name the other (spouse) party as respondent and state the address of that (spouse) party;

(5) Name any other person who has any relation to the controversy and state the address of the person if known to the petitioner; and

(6) State such other information as the court may by rule require.

Sec. 5. Section 17, chapter 50, Laws of 1949 as amended by section 2, chapter 151, Laws of 1971, ex. sess. and RCW 26.12.170 are each amended to read as follows:

The hearing shall be conducted informally as a conference or series of conferences to effect the reconciliation of the (spouse(s)) parties or an amicable adjustment or settlement of the issues of the controversy. To facilitate and promote the purposes of this chapter, the court may order or recommend the aid of physicians, psychiatrists, or other specialists or may recommend the aid of the pastor or director of any religious denomination to which the parties may belong. Such aid, however, shall be at the expense of the parties involved and shall not be at the expense of the court or of the county unless the board of county commissioners shall specifically authorize such aid.

If the court has reasonable cause to believe that a child of the parties has suffered abuse or neglect it may file a report with the proper law enforcement agency or the department of social and health services as provided in RCW 26.44.040. Upon receipt of such a report the law enforcement agency or the department of social and health services will conduct an investigation into the cause and extent of the abuse or neglect. The findings of the investigation may be made available to the court if ordered by the court as provided in RCW 42.17.310(3). The findings shall be restricted to the issue of abuse and neglect and shall not be considered custody investigations.

Sec. 6. Section 18, chapter 50, Laws of 1949 and RCW 26.12.180 are each amended to read as follows:

At or after hearing, the court may make such orders in respect to the conduct of the (spouse(s)) parties and the subject matter of the controversy as the court deems necessary to preserve the marriage or to implement (the reconciliation of the spouses, but in no event shall such orders be effective for more than thirty days from the filing of the petition, unless the parties mutually consent to an extension of such time) an amicable settlement of the issues in controversy.

Sec. 7. Section 19, chapter 50, Laws of 1949 and RCW 26.12.190 are each amended to read as follows:

(1) During the period of thirty days after filing a petition for conciliation no (action for divorce, annulment or separate maintenance) family law proceeding shall be filed by either (spouse) party and further proceedings in (an action) a family law proceeding then pending in the superior court shall be stayed and the case transferred to the family court ((provided)). The family court shall have full power in all pending cases to make, alter, modify and enforce all temporary orders, orders for custody of children, possession of property, attorneys' fees, suit money or costs as may appear just and equitable((c)).

(2) If, after the expiration of such thirty day period or the formal conclusion of the proceedings for conciliation, the controversy between the (spouses, in the meantime not having) parties has not been terminated, either (spouse) party may apply for (divorce, annulment of marriage, or separate maintenance) further relief by filing in the clerk's office additional pleadings (complying with the requirements relating to divorce, annulment of marriage, or separate maintenance, respectively) or by asking that the pending case be set for trial( and)). The family court ((shall have)) has full jurisdiction to hear, try, and determine (each action for divorce, annulment of marriage, or separate maintenance) family law proceedings under the laws relating thereto, and to retain jurisdiction of the case for further hearings on decrees or orders to be made therein.

(3) The conciliation provisions of this chapter may be used ((in regard to post-divorce problems)) concerning support, visitation, contempt, or for modification based on changed conditions((in the discretion of the family court)) or for other problems between the parties related to the family law proceeding.
(The family court may retain jurisdiction in any proceeding for a longer period than thirty days upon good cause appearing therefor on its own motion for further conciliation or upon application of either of the spouses, but in no event shall retain jurisdiction more than ninety days without the written consent of both spouses filed with the court.)

(4) Except as specifically so provided nothing in this chapter shall be construed to repeal, nullify or change the law and procedure relating to (divorce, annulment or separate maintenance; and) family law proceedings. The family court shall, when application for relief is made under this chapter, apply (such laws) provisions governing family law proceedings in the same manner as if the action had been brought thereunder in the superior court, save that the conciliation procedures of the family court shall be applied so far as appropriate to arrive at an amicable settlement of all issues in controversy.

Sec. 8. Section 20, chapter 50, Laws of 1949 and RCW 26.12.200 are each amended to read as follows:

Whenever (any action for divorce, annulment of marriage or separate maintenance) a family law proceeding is filed in the superior court and it appears to the court at any time during the pendency of the action that there is any minor child of ((the spouses or of)) either ((of them)) party whose welfare may be affected by the dissolution (or annulment) of the marriage, declaration of invalidity, or the disruption of the household, the case may be transferred to the family court for proceedings for reconciliation of the (spouses) parties or amicable settlement of issues in controversy in accordance with the provisions of this chapter.

Sec. 9. Section 21, chapter 50, Laws of 1949 and RCW 26.12.210 are each amended to read as follows:

Whenever application is made to the family court (for conciliation proceedings in respect to a controversy between spouses or a contested action for divorce, annulment or separate maintenance), but there is no minor child whose welfare might be affected by the results of the controversy, ((and it appears to the court upon recommendation of counsel or otherwise that reconciliation of the spouses or amicable adjustment of the controversy can probably be achieved; and that the work of the court in cases involving children will not be seriously impeded by acceptance of the case, the court may accept and dispose of the case in the same manner as similar cases involving the welfare of children are disposed of; in the event of such application and acceptance)) the court shall have the same jurisdiction over the controversy and the parties thereto or having any relation thereto that it has under this chapter in similar cases involving the welfare of children. The court shall accept jurisdiction under this section only upon a finding by the court that the acceptance of the case will not seriously impede the work of the court in cases involving children.

and the same are herewith transmitted.

MOTION

Senator Moore moved that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 3308.

POINT OF INQUIRY

Senator Goltz: "Senator Moore, is there any sort of home health agency excluded from eligibility under this bill?"

Senator Moore: "No. A major factor in introducing this kind of legislation is that home health care and hospice care are usually less expensive than institutionalization. Every effort must be made to maintain this cost effectiveness. Therefore, we are trying to achieve the widest possible participation of providers, so that there is vigorous competition in this field. This will insure high quality service at a reasonable cost. That's why certification under various other state or federal programs is not required by this bill. The only requirement for home health agencies is that the state's quality standards are at least as tough as the home health certification rules established for such agencies by the federal government."

The President declared the question before the Senate to be the motion by Senator Moore that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 3308.

The motion by Senate Moore carried and the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 3308.

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3497 with the following amendments:

Strike everything after the enacting clause, and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that vehicles using alternative fuel sources such as propane, compressed natural gas, liquid petroleum gas, or other hydrocarbon gas fuels require fire fighters to use a different technique if the vehicles catch fire. A reflective placard on such vehicles would warn fire fighters of the danger so they could react properly.

NEW SECTION. Sec. 2. There is added to chapter 46.37 RCW a new section to read as follows:

1) Every automobile, truck, motorcycle, motor home, or off-road vehicle that is fueled by propane gas shall bear a reflective placard indicating that the vehicle is so fueled. Violation of this subsection is a traffic infraction.

2) As used in this section "propane gas" includes propane, compressed natural gas, liquid petroleum gas, or any chemically similar gas but does not include gasoline or diesel fuel.

3) The vehicle identification decal required by the national fire protection association and designed by the national LP gas association shall be required to be displayed on all propane fueled vehicles.

Sec. 3. Section 11, chapter 163, Laws of 1979 ex. sess. as amended by section 1, chapter 176, Laws of 1980 and RCW 46.16.015 are each amended to read as follows:

(1) Neither the department of licensing nor its agents may issue or renew a motor vehicle license for any vehicle registered in an emission contributing area, as that area is established under RCW 70.120.040, unless the application for issuance or renewal is: (a) Accompanied by a valid certificate of compliance issued pursuant to RCW 70.120.060, 70.120.080, or 70.120.090 or a valid certificate of acceptance issued pursuant to RCW 70.120.070; or (b) exempted from this requirement pursuant to subsection (2) of this section. The certificates must have a date of validation which is within ninety days of the date of application for the vehicle license or license renewal. Certificates for fleet vehicles may have a date of validation which is within twelve months of the assigned license renewal date.

(2) Subsection (1) of this section does not apply to the following vehicles:

(a) New motor vehicles whose equitable or legal title has never been transferred to a person who in good faith purchases the vehicle for purposes other than resale;

(b) Motor vehicles fifteen years old or older;

(c) Motor vehicles that use propulsion units powered exclusively by electricity;

(d) Motor vehicles fueled exclusively by propane, compressed natural gas, or liquid petroleum gas, unless it is determined that federal sanctions will be imposed as a result of this exemption;

(e) Motorcycles as defined in RCW 46.04.330 and motor-driven cycles as defined in RCW 46.04.332.

)(((e))) (f) Motor vehicles powered by diesel engines;

)(((f))) (g) Farm vehicles as defined in RCW 46.04.181; or

)(((f))) (h) Motor vehicles exempted by the director of the department of ecology."
The provisions of subparagraph (a) of this subsection may not be construed as exempting from the provisions of subsection (1) of this section applications for the renewal of licenses for motor vehicles that are or have been leased.

(3) The department of licensing shall mail to each owner of a vehicle registered within an emission contributing area a notice regarding the boundaries of the area and restrictions established under this section that apply to vehicles registered in such areas. The information for the notice shall be supplied to the department of licensing by the department of ecology. Such a notice shall be mailed to the owner ninety days prior to the expiration date of the owner's motor vehicle license.

In line 2 of the title, after "gas." insert "amending section 11, chapter 163, Laws of 1979 ex. sess., as amended by section 1, chapter 176, Laws of 1980 and RCW 46.16.015;".

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 16, 1983

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 3523 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 17, chapter 138, Laws of 1981 and RCW 10.95.170 are each amended to read as follows:

The defendant shall be imprisoned in the state penitentiary within ten days after the trial court enters a judgment and sentence imposing the death penalty and shall be imprisoned both prior to and subsequent to the issuance of the death warrant as provided in RCW 10.95-.160. During such period of imprisonment, the defendant shall be confined in the segregation unit, where the defendant may be confined with other prisoners not under sentence of death, but prisoners under sentence of death shall be assigned to single-person cells.

NEW SECTTON. Sec. 2. There is added to chapter 72.01 RCW a new section to read as follows:

As used in RCW 72.01.370 and section 4 of this act:

"Escorted leave" means a leave of absence from a correctional facility under the continuous supervision of an escort.

"Escort" means a correctional officer or other person approved by the superintendent or the superintendent's designee to accompany an inmate on a leave of absence and be in visual or auditory contact with the inmate at all times.

"Nonviolent offender" means an inmate under confinement for an offense other than a violent offense defined by RCW 9.94A.030.

Sec. 3. Section 1, chapter 40, Laws of 1959 as last amended by section 72, chapter 136. Laws of 1981 and RCW 72.01.370 are each amended to read as follows:

The superintendents of the state penitentiary, the state reformatory, the state honor camps and such other penal institutions as may hereafter be established, may, subject to the approval of the secretary and under section 4 of this 1983 act, grant escorted leaves of absence to inmates confined in such institutions to:

(1) Go to the bedside of the inmate's wife, husband, child, mother or father, or other member of the inmate's immediate family who is seriously ill;

(2) Attend the funeral of a member of the inmate's immediate family listed in subsection (1) of this section;

(3) Participate in athletic contests;

(4) Perform work in connection with the industrial, educational, or agricultural programs of the department;

(5) Receive necessary medical or dental care which is not available in the institution; and

(6) Participate as a volunteer in community service work projects which are approved by the superintendent, but only inmates who are nonviolent offenders may participate in these projects. Such community service work projects shall only be instigated at the request of a local community.

NEW SECTTON. Sec. 4. There is added to chapter 72.01 RCW a new section to read as follows:

An inmate shall not be allowed to start a leave of absence under RCW 72.01.370 until the secretary, or the secretary's designee, has notified any county and city law enforcement agency having jurisdiction in the area of the inmate's destination.

Sec. 5. Section 11, chapter 136. Laws of 1981 and RCW 72.09.100 are each amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have...
limited work programs in the past. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES. The industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

The department of corrections shall supply appropriate security and custody services without charge to the participating firms.

Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage not less than sixty percent of the approximate prevailing wage within the state for the occupation, as determined by the director of the institutional industries division. If the director finds that he cannot reasonably determine the wage, then the pay shall not be less than the federal minimum wage.

(2) CLASS II: TAX REDUCTION INDUSTRIES. Industries in this class shall be state-owned and operated enterprises designed to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations which assist persons who are poor or infirm. The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit. The products and services of this industry may be sold to public agencies and to nonprofit organizations which assist persons who are poor or infirm; PROVIDED, That to avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, byproducts and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations which assist the poor and infirm. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

Security and custody services shall be provided without charge by the department of corrections.

Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the federal minimum wage and which is approved by the director of institutional industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES. Industries in this class shall be operated by the department of corrections. They shall be designed and managed to accomplish the following objectives:

(a) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within institutional industries and the free community. It is not intended that an inmate’s work within this class of industries should be his or her final and total work experience as an inmate.

(b) Whenever possible, to provide forty hours of work or work training per week.

(c) Whenever possible, to offset tax and other public support costs.

Supervising, management, and custody staff shall be employees of the department.

All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES. Industries in this class shall be operated by the department of corrections. They shall be designed and managed to provide services in the inmate’s resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations which assist persons who are poor or infirm.

Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department of corrections. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate’s wage.

The department of corrections shall reimburse participating units of local government for liability and workers compensation insurance costs.

Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the minimum wage for their work.

(5) CLASS V: COMMUNITY SERVICE PROGRAMS. Programs in this class shall be subject to supervision by the department of corrections. The purpose of this class of industries is to enable an offender, placed on probation, to work off all or part of a community service order as ordered by the sentencing court.

Employment shall be in a community service program operated by the state, local units of government, or a nonprofit agency which assists persons who are poor or infirm.
Sec. 6. Section 3. chapter 7. Laws of 1972 ex. sess. and RCW 72.62.030 are each amended to read as follows:

Products goods, wares, articles, or merchandise manufactured or produced by residents of state correctional institutions or facilities within or in conjunction with vocational education programs for the training, habilitation, and rehabilitation of inmates may be sold on the open market (at public auction). When services are performed by residents within or in conjunction with such vocational education programs, the cost of materials used and the value of depreciation of equipment used may be recovered.

Sec. 7. Section 13, chapter 20. Laws of 1973 and RCW 72.66.036 are each amended to read as follows:

(1) The turlough or turloughs granted to any one resident, excluding turloughs for medical care, may not exceed thirty consecutive days or a total of sixty days during (any twelve-month period) a calendar year.

(2) Absent unusual circumstances, each first turlough and each second turlough granted to a resident shall not exceed a period of five days and each emergency turlough shall not exceed forty-eight hours plus travel time.

(3) A turlough may be extended within the maximum time periods prescribed under this section.

Sec. 8. Section 5, chapter 20. Laws of 1973 and RCW 72.66.016 are each amended to read as follows:

Whenever a turlough shall not be granted to a resident if the turlough would commence prior to the time the resident has served the minimum amounts of time provided under this section:

((a)) (a) If his minimum term of imprisonment is longer than twelve months, he shall have served at least six months of the term.

((b)) (b) If his minimum term of imprisonment is less than twelve months, he shall have served at least ninety days and shall have no longer than six months left to serve on his minimum term.

((c)) (c) If he is serving a mandatory minimum term of confinement, he shall have served all but the last six months of such term.

(2) A person convicted and sentenced for a violent offense as defined in RCW 9.94A.030 is not eligible for turlough until the person has served at least one-half of the minimum term as established by the board of prison terms and paroles or the sentencing guidelines commission.

NEW SECTION. Sec. 9. There is added to chapter 43.06 RCW a new section to read as follows:

Whenever any convicted offender, who is a citizen or national of a foreign country and is under the jurisdiction of the department of corrections, requests transfer to the foreign country of which he or she is a citizen or national, the governor or the governor's designee:

(1) May grant the approval of the state to such transfer as provided in the treaty; and

(2) Shall have, notwithstanding any provision of chapter 9.95 or 72.68 RCW, the plenary authority to fix the duration of the offender's sentence, if not otherwise fixed, whenever a fixed sentence is a condition precedent to transfer.

Sec. 10. Section 72.68.010, chapter 28. Laws of 1959 as amended by section 282, chapter 141. Laws of 1979 and RCW 72.68.010 are each amended to read as follows:

(1) Whenever in its judgment the best interests of the state or the welfare of any prisoner confined in any penal institution will be better served by his or her transfer to another institution or to a foreign country of which the prisoner is a citizen or national, the secretary may effect such transfer consistent with applicable federal laws and treaties.

(2) If directed by the governor, the secretary shall, in carrying out this section and section 9 of this 1983 act, adopt rules under chapter 34.04 RCW to effect the transfer of prisoners requesting transfer to foreign countries.

NEW SECTION. Sec. 11. This chapter shall be known and may be cited as the Interstate Corrections Compact.

NEW SECTION. Sec. 12. The secretary of the department of corrections is hereby authorized and requested to execute, on behalf of the state of Washington, with any other state or states legally joining therein a compact which shall be in form substantially as follows:

The contracting states solemnly agree that:
(1) The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment, and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of cooperation with one another, and with the federal government, thereby serving the best interest of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment, and rehabilitation of offenders with the most economical use of human and material resources.

(2) As used in this compact, unless the context clearly requires otherwise:
(a) "State" means a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; and the Commonwealth of Puerto Rico.
(b) "Sending state" means a state party to this compact in which conviction or court commitment was had.
(c) "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.
(d) "Inmate" means a male or female offender who is committed, under sentence to, or confined in a penal or correctional institution.
(e) "Institution" means any penal or correctional facility, including but not limited to a facility for the mentally ill or mentally defective, in which inmates as defined in subsection (2)(a) of this section may lawfully be confined.
(f) "Each party state may make one or more contracts with any one or more of the other party states, or with the federal government, for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:
(i) Its duration;
(ii) Payments to be made to the receiving state or to the federal government, by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance;
(iii) Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom;
(iv) Delivery and retaking of inmates;
(v) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.
(b) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto and nothing in any such contract shall be inconsistent therewith.

(4) (a) Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to subsection (3)(a) of this section, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(b) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(c) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state, provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of subsection (3)(a) of this section.

(d) Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact, including a conduct record of each inmate, and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(e) All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights.
(f) Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record, together with any recommendations of the hearing officials, shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

(g) Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

(h) Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

(i) The parents, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

(5) (a) Any decision of the sending state in respect to any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharge from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

(b) An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

(6) Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto; and any inmate in a receiving state pursuant to this compact may participate in any such federally-aided program or activity for which the sending and receiving states have made contractual provision, provided that if such program or activity is not part of the customary correctional regimen, the express consent of the appropriate official of the sending state shall be required therefor.

(7) This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

(8) This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate official of all other party states. An actual withdrawal shall not take effect until one year after the notice provided in said statute has been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

(9) Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.

(10) The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any rights which said inmate would have had if confined in an appropriate institution of the sending state.
government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

NEW SECTION. Sec. 14. The secretary of corrections is authorized to receive or transfer an inmate as defined in the Interstate Corrections Compact to any institution as defined in the Interstate Corrections Compact within this state or without this state, if this state has entered into a contract or contracts for the confinement of inmates in such institutions pursuant to subsection (3) of the Interstate Corrections Compact.

NEW SECTION. Sec. 15. The courts, departments, agencies, and officers of this state and its subdivisions shall enforce this compact and shall do all things appropriate to the effectuation of its purposes and intent which may be within their respective jurisdictions including but not limited to the making and submission of such reports as are required by the compact.

NEW SECTION. Sec. 16. The secretary is authorized and directed to hold such hearings as may be requested by any other party state pursuant to subsection (4)(f) of the Interstate Corrections Compact. Additionally, the secretary may hold out-of-state hearings in connection with the case of any inmate of this state confined in an institution of another state party to the Interstate Corrections Compact.

NEW SECTION. Sec. 17. The secretary of corrections is empowered to enter into such contracts on behalf of this state as may be appropriate to implement the participation of this state in the Interstate Corrections Compact pursuant to subsection (3) of the compact. No such contract shall be of any force or effect until approved by the attorney general.

NEW SECTION. Sec. 18. If any agreement between this state and any other state party to the Interstate Corrections Compact enables an inmate of this state confined in an institution of another state to be released in such other state in accordance with subsection (4)(g) of this compact, then the secretary is authorized to provide clothing, transportation, and funds to such inmate in accordance with RCW 72.02.100.

NEW SECTION. Sec. 19. Sections 12 through 18 of this act shall constitute a new chapter in Title 72 RCW.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

from acts of domestic violence.
(2) Because of the likelihood of repeated violence directed at those who have been vic­tims
of domestic violence in the past, when any defendant charged with a crime involving
domestic violence is released from custody before trial on bail or personal recognizance, the
court authorizing the release may prohibit the defendant from having any contact with the
victim. If the court has probable cause to believe that the defendant is likely to use or display
or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of vio­lence,
the court may also require the defendant to surrender any deadly weapon in the
defendant's immediate possession or control, or subject to the defendant's immediate posses­sion
or control, to the sheriff of the county or chief of police of the municipality in which the
defendant resides or to the defendant's counsel for safekeeping. Willful violation of a court
order issued under this section is a misdemeanor. The written order releasing the defendant
shall contain the court's directives and shall bear the legend: Violation of this order is a crimi­nal

court for arraignment in person as soon as practicable, but in no event later than fourteen days
after the next day on which court is in session following the issuance of the citation or the filing
of the complaint or information.
At the time of the appearances provided in subsection (1) or (2) of this section, the court
shall determine the necessity of imposing a no contact order or other conditions of pretrial
release according to the procedures established by court rule for a preliminary appearance
or an arraignment. If the court has probable cause to believe that the defendant is likely to use
or display or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of
violence, as one of the conditions of pretrial release, the court may require the defendant to
surrender any deadly weapon in the defendant's immediate possession or control, or subject to
the defendant's immediate possession or control, to the sheriff of the county or chief of police
of the municipality in which the defendant resides or to the defendant's counsel for safekeeping.
The decision of the judge and findings of fact in support thereof shall be in writing.

as follows:

may move for temporary maintenance or for temporary support of children entitled to support.
The motion shall be accompanied by an affidavit setting forth the factual basis for the motion
and the amounts requested.
(2) As a part of a motion for temporary maintenance or support or by independent motion
accompanied by affidavit, either party may request the court to issue a temporary restraining
order or preliminary injunction, providing relief proper in the circumstances, and restraining or
enjoining any person from:

(a) Transferring, removing, encumbering, concealing, or in any way disposing of any
property except in the usual course of business or for the necessities of life, and, if so restrained
or enjoined, requiring him to notify the moving party of any proposed extraordinary expendi­
tures made after the order is issued;

(b) Molesting or disturbing the peace of the other party or of any child and, upon a showing
by clear and convincing evidence that the party so restrained or enjoined has used or dis­
played or threatened to use a deadly weapon as defined in RCW 9A.04.110 in an act of
violence or has previously committed acts of domestic violence and is likely to use or display
or threaten to use a deadly weapon in an act of domestic violence, requiring the party to sur­
render any deadly weapon in his immediate possession or control or subject to his immediate
possession or control to the sheriff of the county having jurisdiction of the proceeding or to the
restrained or enjoined party's counsel or to any person designated by the court. The court may
order temporary surrender of deadly weapons without notice to the other party only if it finds

injury could result if an order is not issued until the time for responding has elapsed.

(4) The court may issue a temporary restraining order or preliminary injunction and an
order for temporary maintenance or support in such amounts and on such terms as are just and
proper in the circumstances.

(5) A temporary order, temporary restraining order, or preliminary injunction:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at
subsequent hearings in the proceeding;

(b) May be revoked or modified;

(c) Terminates when the final decree is entered or when the petition for dissolution, legal
separation, or declaration of invalidity is dismissed.

MOTIONS

On motion of Senator Talmadge, the Senate concurred in the House amendments to Substitute Senate Bill No. 3782.

POINT OF INQUIRY

Senator Craswell: "Senator Talmadge, subsection (4) of section 4 of the House amendment on page 11 lists the information required on the application for the purchase of a pistol. That listing includes driver's license number or state identification card number. Is that necessary for all applications?"

Senator Talmadge: "No, those numbers have to be recorded only if the applicant uses his or her driver's license or state identification card to establish his or her
residency or identity. However, the agency performing the eligibility check is permitted to use the individual's name and other proffered identification to screen for outstanding warrants or other factors indicating ineligibility.

Senator Craswell: "I notice that the House amended section 6 of the bill, allowing forfeiture of firearms under certain circumstances. The Senate bill allowed forfeiture by owners only. The House amendment allows forfeiture by any person. How can the gun owner assert his or her rights to the firearm?"

Senator Talmadge: "The rights of the owner are protected in the three ways set out in the striking amendment on page 15, lines 21 through 30. The firearm will be returned to the owner if it is shown that (1) the owner neither had knowledge of nor consented to the act or omission involving the firearm, or (2) the firearm was stolen, or (3) there was no probable cause to believe an act or omission which could result in forfeiture occurred."

The President declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 3782, as amended by the House.

ROLL CALL

The Secretary called the roll on final passage of Substitute Senate Bill No. 3782, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 44; nays, 0; absent, 0; excused, 0.

Voting nay: Senator Pullen – 1.

SUBSTITUTE SENATE BILL NO. 3782, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 20, 1983

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 3846 with the following amendments:

Strike everything after the enacting clause, and insert the following:

"Sec. 1. Section 7, chapter 42, Laws of 1969 ex. sess. as last amended by section 12, chapter 178, Laws of 1979 ex. sess. and RCW 46.52.111 are each amended to read as follows:

(1) A registered disposer shall take custody of any vehicle or hulk placed in his custody by a law enforcement officer pursuant to RCW 46.61.565 or 46.52.180 and shall remove the vehicle or hulk to the established place of business of the registered disposer where the vehicle or hulk shall be stored, and the registered disposer shall have a lien upon the vehicle or hulk for services provided in the towing and storage of the vehicle or hulk, unless the impoundment is determined to have been invalid. However the lien does not apply to personal property in or upon the vehicle which personal property is not permanently attached to or is not an integral part of the vehicle. The registered disposer shall also have a claim against the last registered owner of the vehicle or hulk for services provided in the towing and storage of the vehicle or hulk, not to exceed the sum of two hundred dollars, unless the removal is determined to be invalid. A registered owner who has complied with RCW 46.52.104 in the transfer of ownership of the vehicle or hulk shall be relieved of liability under this section.

(2) Within twenty-four hours after receiving custody of the vehicle or hulk from the law enforcement officer, the registered disposer shall give notice of his custody to the department of licensing and the Washington state patrol. If a vehicle impounded from private property pursuant to this chapter is in the custody of a registered disposer and remains unclaimed after seventy-two hours, the registered disposer shall without undue delay give notice of his custody to the department. The department shall supply the last known names and addresses of registered and legal owners of the vehicle(s) as the names and addresses appear on the records of the department to the registered disposer on request without charge in those cases where the information was not given to the registered disposer by the law enforcement officer.

(3) Within three days after receiving the names and addresses of the owners from the department or the law enforcement officer, the registered disposer shall send a notice to the registered and legal owners of the vehicle to the last known addresses of the owners as the addresses appear on the records of the department by certified or registered mail, return receipt requested. The notice shall contain a description of the vehicle or hulk including its license number and vehicle identification number and shall state the amount due the registered disposer for services in the towing and storage of the vehicle or hulk and the time and place of public sale if the amount remains unpaid or if possession of the vehicle is not otherwise regained pursuant to RCW 46.52.200. The notice shall not be sent if the registered owner has regained possession of the vehicle pursuant to RCW 46.52.200. If the vehicle is sold pursuant to this chapter, a copy of the notice with proof of mailing shall be retained in the registered disposer's files and available for inspection for a period of three years from the date of sale.
(4) The failure of the registered disposer to comply with the time limits provided in this chapter shall limit the accumulation of storage charges to five days except where delay is unavoidable. The providing of incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

(5) Impounded vehicles shall be redeemed only by the legal or registered owner, a person authorized by the registered owner, or one who has purchased a vehicle from the registered owner, who produces proof of ownership or authorization and signs a receipt therefor.

(6) Any person redeeming an impounded vehicle shall pay to the towing contractor the costs of impoundment before redeeming the vehicle. However, the county, city, or town with jurisdiction over the impoundment may authorize release before payment of the towing or impoundment fees if the owner requests a hearing as to the propriety of the impoundment. The towing contractor shall accept cash, major bank credit cards, certified bank drafts, money orders, and personal checks drawn on in-state banks in payment for these costs. If such a personal check is offered in payment, the person offering the check may be required to show evidence of his or her identity by two pieces of identification which may include a driver's license, Washington state identification card issued by the department of licensing, other credit cards, or similar forms of identification. If the contractor has reasonable cause to believe the tendered check is uncollectible under standards adopted by the county, city, or town with jurisdiction over the impoundment, acceptance of the check may be refused. If the vehicle was impounded at the direction of a law enforcement officer and any personal check or promissory note is subsequently not paid or is dishonored, the drawer of the check or maker of the note shall be liable to the towing firm that has provided service for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

Sec. 2. Section 1. Chapter 281. Laws of 1975 1st ex. sess. and RCW 46.52.118 are each amended to read as follows:

Any person having possession or control of real property who finds an abandoned vehicle or abandoned vehicle hulk as defined in RCW 46.52.102 standing upon that property is authorized to have (reclaim) the vehicle or hulk removed by a person properly registered pursuant to RCW 46.52.108. ([See]) The vehicle shall be disposed of in accordance with the procedure prescribed in RCW 46.52.111 and 46.52.1194 and section 4 of this act.

The reporting required in this subsection shall include an immediate radio or telephone call to, and a written notification, within twenty-four hours, to such local law enforcement agency;

All unincorporated areas that as of January 1, 1984, lie wholly within the boundaries of any city or town shall be incorporated into, and become part of, the city or town within whose boundaries the unincorporated area lies. Land which is owned by a county and used for the purposes of an agricultural fair under chapter 15.76 or 36.37 RCW or a county park, however, shall not be annexed without the consent of a majority of the members of the legislative authority of the county which owns the land. For purposes of this section, an unincorporated area which is completely bounded by both a state boundary or a body or bodies of navigable water and the particular city or town is considered to lie wholly within the boundaries of a city or town.

NEW SECTION. Sec. 3. There is added to chapter 35.13 RCW a new section to read as follows:
A city or town shall not annex territory under RCW 35.10.211, 35.10.217, 35.13.015, 35.13.020, or 35.13.130 if, after the proposed annexation has occurred, any closed plane figure of unincorporated area could be drawn that includes a portion of the boundary of the newly-annexed area so that eighty percent or more of the figure’s perimeter is coterminous with any of the annexing city’s or town’s boundaries. A city or town may, however, annex territory that lies within a corridor of unincorporated territory which existed before the effective date of this act despite the fact that it creates a closed plane figure prohibited by this section if, after the proposed annexation has occurred, another closed plane figure cannot be drawn within the corridor so that a greater percentage of the perimeter is coterminous with the boundaries of the city or town than the perimeter of the original figure. In addition, a city or town shall not annex unincorporated territory if the annexation would result in an area of unincorporated territory being entirely surrounded by a body or bodies of water and the annexing city or town.

NEW SECTION. Sec. 4. There is added to chapter 35A.14 RCW a new section to read as follows:

All unincorporated areas that as of January 1, 1984, lie wholly within the boundaries of any code city shall be incorporated into, and become part of, the code city within whose boundaries the unincorporated area lies. Land which is owned by a county and used for the purposes of an agricultural fair under chapter 15.76 or 36.37 RCW or a county park, however, shall not be annexed without the consent of a majority of the members of the legislative authority of the county which owns the land. For purposes of this section, an unincorporated area which is completely bounded by both a state boundary or a body or bodies of navigable water and the particular code city is considered to lie wholly within the boundaries of a code city.

NEW SECTION. Sec. 5. There is added to chapter 35A.14 RCW a new section to read as follows:

A code city shall not annex territory under RCW 35A.14.015, 35A.14.020, or 35A.14.120 if, after the proposed annexation has occurred, any closed plane figure of unincorporated area could be drawn that includes a portion of the boundary of the newly-annexed area so that eighty percent or more of the figure’s perimeter is coterminous with any of the annexing code city’s boundaries. A code city may, however, annex territory that lies within a corridor of unincorporated territory which existed before the effective date of this act despite the fact that it creates a closed plane figure prohibited by this section if, after the proposed annexation has occurred, another closed plane figure cannot be drawn within the corridor so that a greater percentage of the perimeter is coterminous with the boundaries of the code city than the perimeter of the original figure. In addition, a code city shall not annex unincorporated territory if the annexation would result in an area of unincorporated territory being entirely surrounded by a body or bodies of water and the annexing code city.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

April 21, 1983

Mr. President:

On page 1, beginning on line 6, strike all material down to and including "2005" on line 22 and insert ". section 10, of the Constitution of the state of Washington to read as follows:

Article VIII, section 10. Notwithstanding the provisions of sections 5 and 7 of this Article, until January 1, (1999) 2005 any county, city, town, quasi municipal corporation, municipal corporation, or political subdivision of the state which is engaged in the sale or distribution of energy may, as authorized by the legislature, use public moneys or credit derived from operating revenues from the sale of energy ((to assist the owners of residential structures in financing the acquisition and installation of materials and equipment for the conservation of more efficient use of energy in such structures), or lend its credit financed by the issuance of debt instruments secured solely by revenues, to provide financing to individuals, associations, companies, or corporations to be used for the purposes of conserving energy. Except as provided in section 7 of this Article, an appropriate charge back to the recipient shall be made for such extension of public moneys or credit and the same (shall) may be a lien against the (residential) structure or equipment benefited, or against such other adequate security as specified by implementing legislation that the legislature is hereby authorized to enact.

and the same are herewith transmitted.

DEAN R. FOSTER, Chief Clerk

MOTION

Senator Williams moved that the Senate do concur in the House amendment to Engrossed Substitute Senate Joint Resolution No. 112.
POINT OF INQUIRY

Senator Metcall: "Could someone answer this very specifically? I would like to know just exactly what the House amendment does. It says here, in the digest, that the original bill—the constitutional amendment—allows the state to provide financing for energy conservation and then, the House amendment says the state is excluded from lending its credit to the private sector for conservation purposes. Just exactly who is the one to whom we are lending the credit of the state?"

Senator Benitz: "Mr. President and members of the Senate. The House amendment deleted the 'state' from the constitutional amendment. Thus, the state may not lend its credit to the private sector for conservation purposes. Any county, town, city, quasi municipal corporation or municipal corporation may use public monies or credit to finance energy conservation projects. The word 'state' was taken out of it."

Senator Metcall: "Continuing then, why do we need a constitutional amendment, if the state is not going to lend its credit? The constitutional amendment says, specifically, that the 'state' may not lend its credit, does it not? Why do we need a constitutional amendment if the state is excluded from lending its credit? That's what the Constitution presently does."

Senator Benitz: "The others are subdivisions of the state and, therefore, we do have to have a change in the Constitution, if they are allowed to do so—the various ones I read to you."

FURTHER POINT OF INQUIRY

Senator Metcall: "I would like to ask another question. Have we ever had a case before where the political subdivisions are lending the credit—lending their credit—separate than the credit of the state? Have we made that distinction before or is this a whole new area where we are opening the door where we can later drive a truck through? What are we doing here?"

Senator Williams: "Senator Metcall, approximately three years ago—I believe it was—we passed a constitutional amendment just like this for those subdivisions of state government to make conservation loans to the owners of residences—private owners of residences. This, now, simply expands that to allow for the making of those kinds of loans to commercial and industrial owners. The prior constitutional amendment limited that to just the subdivision of state government, but did include state, so we did do it several years ago, when the citizens of this state adopted that constitutional amendment."

Debate ensued.

The President Pro Tempore declared the question before the Senate to be the motion by Senator Williams that the Senate do concur in the House amendment to Engrossed Substitute Senate Joint Resolution No. 112.

The motion by Senator Williams carried and the Senate concurred in the House amendment to Engrossed Substitute Senate Joint Resolution No. 112.

Debate ensued.

POINT OF INQUIRY

Senator Metcall: "Mr. President, perhaps Senator Quigg would like to answer. He mentioned, in his arguments in favor of this, that the state had loaned its credit to build thermal power plants. Now, we had better be specific with all the talk about WPPSS. What thermal power plants have we loaned state credit to build? Is that the coal-powered plant down there in Centralia?"

Senator Quigg: "Senator Metcall, the joint operating agency, of course, is the pass-through for the participants and a lot of those participants are public utility districts and they have put the credit of those utility districts up as revenue—not only as revenue—but to a certain extent some property taxing authority as well. It has been a tremendous burden for the ratepayers and, potentially to a much lesser extent, even taxpayers."

"That is something that has come about as we have tried to build our way out of the energy dilemma in which we found ourselves. I think we have seen that is not necessarily the most effective way to handle the problem. This constitutional limit simply puts into policy the realization that maybe conserving energy might be
the better way to go at this stage of the game and allows the lending of the credit of these junior taxing districts for that purpose."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Joint Resolution No. 112.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute Senate Joint Resolution No. 112, as amended by the House, and the resolution passed the Senate by the following vote: Yeas, 34; nays, 14; absent, 00; excused, 01.

MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Engrossed Senate Bill No. 3858 and the pending motion by Senator Thompson to concur in the House amendments, deferred earlier today.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Rasmussen, the President finds that Engrossed Senate Bill No. 3858 is a measure of limited scope which allows certain cities to annex property outside their boundaries for municipal purposes if all of the owners of the property give their written consent to the annexation.

The amendments proposed by the House of Representatives provide that unincorporated areas in cities which are within the boundaries of the city are incorporated as of January 1, 1984, without the consent of the property owners. Also, the amendments provide that cities may not annex property in the future if it would result in an unincorporated area being surrounded by the city.

The President, therefore, finds that the proposed amendments do expand the scope and object of the bill and that the point of order is well taken."

The House amendments were ruled out of order.

If a license is issued despite the proximity of a private school, the board shall state in a letter addressed to the private school the board’s reasons for issuing the license.”

Senator Vognild moved that the Senate concur in the first House amendment to page 7, line 18, to Engrossed Substitute Senate Bill No. 3101.

POINT OF ORDER

Senator Rasmussen: “A point of order. Mr. President, I would raise the question of scope and object on the amendment. The original bill was the Liquor Board’s omnibus bill and this certainly enlarges the intent of the original bill. I think it should be ruled out on basis of scope.”

Further debate ensued.

REMARKS BY THE PRESIDENT

President Cherberg: “Senator Rasmussen, with your permission, we will proceed and then come back to the point of order.”

MOTION

On motion of Senator Vognild, the Senate concurred in the second House amendment to page 7, line 18, to Engrossed Substitute Senate Bill No. 3101.

There being no objection, further consideration of Engrossed Substitute Senate Bill No. 3101 was deferred.

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 3433 with the following amendments:

On page 10, after line 22, insert the following:
"(9) At no time shall the total outstanding bonded indebtedness of the authority exceed five hundred million dollars."

On page 13, after line 3, insert the following:
"NEW SECTION. Sec. 12. The authority shall adopt rules to assure that the "prevailing rate of wage," as defined in RCW 39.12.010, is paid on any construction financed under this chapter."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 13, after line 3, insert the following:
"NEW SECTION. Sec. 12. (1) The authority shall adopt written policies to provide for the selection of bond counsel. The policies shall provide for the creation and maintenance of a roster of attorneys whom the authority believes possess the requisite special expertise and professional standing to provide bond counsel opinions which would be accepted by the underwriters, bondholders and other members of the financial community, and which would be in furtherance of the public interest in obtaining the lowest possible interest rates on the bonds issued by the authority. Any attorney may apply to have his or her name placed on the roster, but may not be placed on the roster unless the attorney demonstrates to the authority's satisfaction that the attorney would issue the kind of opinions required by this section.

(2) Prior to selecting an attorney or attorneys to provide bond counsel services, the authority shall provide all attorneys on the roster with a notice of its intentions to select bond counsel and shall invite each of them to submit to the authority his or her fee schedule for providing bond counsel services. The authority shall have wide discretion in selecting the attorney or attorneys it considers to be most appropriate to provide the services, but in the exercise of this discretion the authority shall consider all submitted fee schedules and the public interest in achieving issuance of bonds on terms most favorable to the authority. At least once every two calendar years, the authority shall select anew an attorney or attorneys to serve as bond counsel. However, the authority may retain an attorney for longer than two years when necessary to complete work on a particular bond issue. An attorney previously retained may be selected again but only after the authority has provided other attorneys on the roster with an opportunity to be selected and has made the fee schedule review required under this subsection. As an alternative to retaining counsel for a period of time, the authority may appoint an attorney to serve as counsel in respect to only a particular bond issue or issues."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 13, after line 3, insert the following:
"NEW SECTION. Sec. 12. (1) The authority shall adopt written policies to provide for the selection of underwriters. The policies shall provide for the creation of a roster of underwriters who the authority believes possess the requisite special expertise and professional standing to provide bond marketing services which would be accepted by bondholders and other members of the financial community, and which would be in furtherance of the public interest in marketing the authority's bonds at the lowest possible costs. Any underwriter may apply to have its name placed on the roster, but may not be placed on the roster unless it demonstrates to the authority's satisfaction that it meets the requirements of this section.

(2) Whenever the authority decides that it needs the services of an underwriter, it shall provide all underwriters on the roster with a notice of its intentions and shall invite each of them to submit to the authority an itemization of its fees and other charges for providing underwriting services on the issue. The itemization shall be by categories designed by the authority. The authority shall have wide discretion in selecting the underwriter it considers to be most appropriate to provide the services, but in the exercise of this discretion the authority shall consider the underwriter's fees and other charges and the public interest in achieving issuance of bonds on terms most favorable to the authority. The authority may adopt rules setting forth conditions under which an institution of higher education may be permitted to exercise the notice and selection procedures set forth in this subsection. These rules shall require the
institution to comply with the provisions of this subsection as if it were the authority and to
obtain the authority's prior approval of the selection of an underwriter."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 12, line 25 following "organization" strike "; and" and insert "((and)) (d) such event shall not be held on the premises of a licensee, as defined in RCW 66.20.160, more than four calendar days per calendar month; and (e)"

and the same are herewith transmitted.

DEAN R. FOSTER. Chief Clerk

MOTIONS

On motion of Senator Vognild, the Senate concurred in the House amendments to page 12, line 15; to page 12, line 25; and to page 17, line 25; to Substitute Senate Bill No. 3434.

Senator Vognild moved that the Senate do concur in the House amendments to page 18, line 32, to Substitute Senate Bill No. 3434.

POINT OF INQUIRY

Senator Pullen: "Senator Vognild, would this mean organizations like the Elks, which as I understand it, is a male-only organization, from holding some of these gambling activities?"

Senator Vognild: "Senator Pullen, I can only answer that in my opinion. That is something the courts haven't really decided upon. In discussing this amendment with the proponents of the bill—that is the club representatives—they indicated they would just as soon have it accepted and go with the bill, although they do believe it will probably affect clubs like the Elks. It will very possibly affect some religious clubs that are formed and are part of a church, but the impact will be relatively small and if it proves to be a problem, I presume they will come back and tell us later. I guess it is difficult to argue against anti-discrimination."

POINT OF ORDER

Senator Pullen: Mr. President, a point of order. I challenge the amendment on scope and object."

Debate ensued.

There being no objection, further consideration of Substitute Senate Bill No. 3434 was deferred.

MESSAGE FROM THE HOUSE

The board of arbitrators shall consist of a representative of the jurisdiction operating the health department, a representative from the city or town involved, and a third representative appointed by the other two representatives. Any sums paid in this manner shall be reimbursed by the county auditor out of the money due the city or town at the next monthly settlement or settlements of the collection of taxes and until the certified amount is satisfied and shall be transferred to the county's current expense fund or to the fiscal agent of the combined city-county health department.

On page 1, line 6 of the title, after "70.05.053;" strike "and"
On page 1, line 8 of the title, after "70.05.080" insert ": and adding new sections to chapter 70.05 RCW;"

and the same are herewith transmitted.

MOTIONS

Senator Fleming moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 3490.

POINT OF ORDER

Senator Zimmerman: "A point of order, Mr. President. I challenge this amendment on the scope and object. I think it goes beyond the intent of the bill and, secondly, I see it as a local problem in King County—and between King County and Seattle. I think, perhaps, it is something we shouldn't be dealing with down here at this point."

There being no objection, further consideration of Substitute Senate Bill No. 3490 was deferred.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Talmadge moved that the rules be suspended and the Senate reconsider the vote by which Engrossed Substitute House Bill No. 289, as amended by the Senate, passed the Senate.

POINT OF INQUIRY

Senator Guess: "Senator Talmadge, did that bill pass the Senate today?"
Senator Talmadge: "No, Senator."
Senator Guess: "I thought you had to have consideration on the same day."
Senator Talmadge: "Mr. President, if I might explain my motion. This is the bill that relates to DWI. The House has not concurred in the Senate amendments to the bill, but they would like to have us add two small sections to the bill. The striking amendment that is on your desk is exactly the same measure as passed the Senate with two small changes that will make the bill acceptable to the House, and so we are going through this procedure to get a new striking amendment to the bill and send it back over to the House in order to get the DWI issue taken care of."

Debate ensued.
There being no objection, Senator Guess withdrew his objection.
Further debate ensued.
The President Pro Tempore declared the question before the Senate to be the motion by Senator Talmadge that the rules be suspended and that the Senate reconsider the vote by which Engrossed Substitute House Bill No. 289, as amended by the Senate, passed the Senate.

The motion by Senator Talmadge carried, having received the necessary two-thirds vote, and the Senate resumed consideration of Engrossed Substitute House Bill No. 289, as amended by the Senate.

MOTIONS

On motion of Senator Talmadge, the rules were suspended and Engrossed Substitute House Bill No. 289, as amended by the Senate, was returned to second reading for purpose of an amendment.

On motion of Senator Talmadge, the rules were suspended and the Senate reconsidered the vote by which the Senate Judiciary Committee amendment to Engrossed Substitute House Bill No. 289 was adopted.

The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor. (Secch)) The officer shall inform the person of his or her right to refuse the test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test. The officer shall warn the driver that his refusal to take the test may be used against him in any subsequent criminal trial.

PROVIDED, That)) If an individual is unconscious or is under arrest for the crime of ((negligent)) vehicular homicide ((by motor vehicle)) as provided in RCW 46.61.520 or vehicular assault as provided in section 2, chapter 3106, Laws of 1983, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. In such circumstances, the provisions of subsections (2) through (6) of this section shall not apply.

(2) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506.

(3) If, following his or her arrest, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his or her breath, after being informed that his refusal will result in the revocation or denial of his privilege to drive, no test shall be given. The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that such refusal would result in the revocation or denial of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of ((six months)) one year after the date of the alleged violation.

(4) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, or upon determining that the issuance of a license or permit shall be denied to the person, as (hereinbefore) directed in this section (directed), the department shall immediately notify the person involved in writing by personal service or by registered or certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. The person upon receiving (each) the notice may, in writing and within ten days therefrom request a formal hearing. Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The scope of (each) the hearing for the purpose of this section shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his privilege to drive. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as (herein) provided in this section or during the pendency of a subsequent appeal to superior court (PROVIDED, That this stay shall be effective only) so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction (which) that is a moving violation during pendency of the hearing and appeal.

(5) If the revocation or determination that there should be a denial of issuance is sustained after such a hearing, the person whose license, privilege, or permit is so affected (shall have) has the right to file a petition in the superior court of the county (wherein) in which he or she resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation or denial by the department in the manner provided in RCW 46.20.334.

(6) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

(Unless the person to be tested is unconscious) (3) Except as provided in this subsection and subsection (4) of this section, the chemical test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in section 2, chapter ... (SB 3106), Laws of 1983, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of one year after the date of the alleged violation or for two years if it is the second such refusal in a five-year period, subject to review as hereinafter provided.))

(4) Upon revoking the license or permit to drive or the nonresident operating privilege of any person or upon determining that the issuance of a license or permit shall be denied to the person as directed in this section, the department shall immediately notify the person involved in writing by personal service or by registered or certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. The person upon receiving the notice may, in writing and within ten days therefrom request a formal hearing. Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The scope of the hearing for the purposes of this section shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his privilege to drive. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(5) If the revocation or determination that there should be a denial of issuance is sustained after such a hearing, the person whose license, privilege, or permit is so affected has the right to file a petition in the superior court of the county in which he or she resides, or if a nonresident of this state, where the charge arose, to review the final order of revocation or denial by the department in the manner provided in RCW 46.20.334.

(6) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.))
section 46.20.031
(3) The department shall provide law enforcement agencies with temporary license forms and written notice statements for use under subsection (1) of this section. Any temporary license issued under subsection (1) of this section shall indicate that it is effective for forty-five days from the arrest or, until the suspension, revocation, or denial of the person’s license, permit, or privilege to drive is sustained at a hearing pursuant to section 6 of this act, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces.

NEW SECTION. Sec. 4. (1) The department shall suspend, revoke, or deny the arrested person’s driving privileges as follows:
(a) In the case of a person who has refused a test:
(i) For a first refusal within five years, revocation or denial for one year;

(i) For a first incident within five years, suspension or denial for ninety days;
(ii) For a second incident within five years, revocation or denial for one year;
(iii) For a third incident within five years, revocation or denial for two years.
(c) A suspension, revocation, or denial shall take effect when sustained at a hearing under section 6 of this act, or forty-five days after the person’s arrest if no hearing was requested, whichever occurs first.

(2) The department shall not grant or reinstate a person’s privilege to drive that has been suspended, revoked, or denied under subsection (1) of this section until it has determined the person is eligible for reinstatement under RCW 46.20.031 and 46.61.515 and is otherwise qualified.

(3) For purposes of this section and section 5 of this act, driving privileges include:
(a) A Washington state driver’s license or permit;
(b) A nonresident privilege to drive; and
(c) The privilege of a person to apply for a new or duplicate license or permit or to renew a license, permit, or nonresident privilege.

NEW SECTION. Sec. 5. No suspension, revocation, or denial of a driving privilege under section 4 of this act is effective until the department of licensing or a law enforcement officer acting on its behalf notifies the person in writing by personal service, by certified mail, or by first class mail addressed to that person’s last known address of record with the department of the department’s intention to suspend, revoke, or deny together with the grounds therefor and allows the person a seven-day period to request in writing that the department provide a hearing as provided in section 6 of this act. The notice shall specify the steps the person must take to obtain a hearing. If no written request for a hearing is postmarked or delivered to the department within seven days from the date of notification, the department shall issue an order effective as provided in section 4 of this act. If a request for a hearing is filed in time, the department shall give the person an opportunity for a hearing as provided in section 6 of this act.

NEW SECTION. Sec. 6. (1) Administrative hearings held to determine the propriety of any suspension, revocation, or denial imposed under section 4 of this act shall be in accordance with rules adopted by the director.

(2) The department shall fix a time, no more than forty-five days after arrest, and a place for a hearing to be held in the county in which the arrest was made that resulted in a report being transmitted under section 3 of this act. The hearing may be held for some other county by agreement between the department and the person. If the hearing is not held and an order issued under section 8 of this act within forty-five days after arrest, the suspension, revocation, or denial under section 4 of this act shall not be imposed.

(3) The department shall give the person at least fourteen days advance notice of the time and place of hearing, but the period of notice may be waived by the person. RCW 46.20.332 and 46.20.333 apply to the hearings. The department shall issue a subpoena upon the request of any party and, to the extent required by department rule, upon a statement showing the general relevance and reasonable scope of the evidence sought. The subpoena may be issued with like effect by the person’s attorney of record or the office of the attorney general, and the form of the subpoena in each case may be the same as when issued by the agency, except that it shall only be subscribed by the signature of the person's attorney or an assistant attorney general. Every party has the right of cross-examination of any witness who testifies and has the right to submit rebuttal evidence. Subpoenas issued under this section may be enforced in the manner provided by RCW 34.04.105(5).

(4) With respect to arrested drivers who have submitted to or been administered chemical tests, the department by rule may permit the admission into evidence at the hearing of (a) copies of official reports of persons who possess a valid permit or certificate from the state toxicologist to perform tests or chemical analyses of the blood or breath, as to results of particular tests or analyses performed by that person when the copies have been certified as true copies of the report by the writer of the report, under oath, and (b) certificates of Breathalyzer maintenance operators who possess a valid permit or certificate from the state toxicologist, as to the
testing and calibration of Breathalyzers or similar machines by that person. The reports or certificates may be admitted without further proof or foundation as prima facie evidence of the facts stated in them unless the arrested driver has given written notice received by the department not less than seven days before the date set for the hearing that he or she requests that the person administering the test, or the Breathalyzer maintenance operator, be produced by the department at the hearing.

NEW SECTION. Sec. 7. The scope of the administrative hearing under section 6 of this act shall include:

(1) With respect to a person who has refused a chemical test, the issues of:
(a) Whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor;
(b) Whether the person was placed under arrest; and
(c) Whether the person refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his or her privilege to drive and that the person had the right to additional tests.
(2) With respect to a person upon whom a chemical test was administered, the issues of:
(a) Whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor;
(b) Whether the person was placed under arrest;
(c) Whether the applicable requirements of RCW 46.20.308 were satisfied before the administration of the chemical test;
(d) Whether the person either submitted to the test or a test was administered without express consent as permitted under RCW 46.20.308; and
(e) Whether the test indicated a concentration of alcohol in the person's blood of 0.10 percent, or more. The person may challenge whether the testing methods used were in accordance with RCW 46.61.506 and were valid and reliable.

NEW SECTION. Sec. 8. After a hearing held under section 6 of this act, the department shall order that the appropriate suspension, revocation, or denial of privileges be imposed effective ten days after receipt of the order. In the alternative, the department may order that the administrative action be dismissed.

NEW SECTION. Sec. 9. (1) If the suspension, revocation, or denial imposed by the department under section 4 of this act is sustained after a hearing, the person whose license, permit, or privilege is affected has the right to file a petition in the superior court of the county of arrest or the county in which the person resides or, if a nonresident of this state, the superior court of Thurston county, for review of the final order of suspension, revocation, or denial by the department. The petition shall be filed within ten days following receipt by the person of the department's final order, or the right to appeal is deemed to have been waived. The review shall be conducted by the court without a jury, and shall be confined to the record, except that testimony on that issue may be taken in court. The scope of the review is limited to that prescribed by RCW 7.16.120, governing writs of certiorari.
(2) The filing of the appeal does not stay the effective date of the suspension, revocation, or denial unless it is stayed by the court after motion and argument. Such a stay may be granted only if the court finds upon the arguments and affidavits presented that there is a reasonable probability that the petitioner will prevail upon the merits of the petition, that the public interest will not be substantially harmed by the stay, and that the petitioner will suffer irreparable harm if the order is not stayed. If such a stay is granted it shall provide that it is effective only so long as there is no conviction of the petitioner for a moving violation or no finding that the petitioner has committed a traffic infraction which is a moving violation during the pendency of the appeal.
(3) The court may affirm the department's decision, remand the matter for further administrative proceedings, or reverse the department's order of suspension, revocation, or denial.
(4) The actual costs of preparing and transmitting the record to superior court shall be borne by the petitioner and awarded by the court to the department if the department's decision is affirmed. The costs shall be borne by the department if the department's decision is remanded or reversed.

NEW SECTION. Sec. 10. When it has been finally determined under the procedures of sections 4 through 8 of this act that a nonresident's privilege to operate a motor vehicle in this state has been suspended or revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which the person has a driver's license.

NEW SECTION. Sec. 11. When the department is required to suspend, revoke, or deny a person's license, permit, or nonresident privilege to drive under either section 4 of this act or under RCW 46.61.515(5), and (1) the department has earlier imposed a suspension, revocation, or denial under the other of those two provisions or is preparing to do so, and (2) each of those
two sanctions has been required as the result of civil or criminal proceedings arising from the same arrest, the department shall proceed as follows:

(a) If the civil and criminal sanctions imposed or to be imposed are for the same minimum length of time, the suspension, revocation, or denial imposed by the department is limited to that first imposed and fully effective under one of those provisions:

(b) If the civil and criminal sanctions are of different minimum lengths of time, the department shall impose the sanction of longer duration. If the sanction with the shorter minimum duration has earlier been imposed by the department, the department shall reduce the minimum duration of the longer revocation by the number of days the license, permit, or privilege to drive was actually under suspension, revocation, or denial pursuant to the earlier action by the department.

If a suspension, revocation, or denial of a person's license, permit, or nonresident privilege to drive would have been imposed by the department under section 4 of this act but for the operation of this section, the suspension, revocation, or denial shall be treated as if it had been imposed for the purposes of determining the minimum duration of subsequent suspensions or revocations required under that section.

NEW SECTION. Sec. 12. (1) The director, or his or her designee, shall administer and enforce the provisions of sections 3 through 11 of this act. The director may adopt such rules as he or she deems necessary to carry out the purposes of sections 3 through 11 of this act.

(2) The department shall prescribe and provide such forms as it deems necessary or desirable to carry out the purposes of sections 3 through 11 of this act.

If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504 or was imposed under section 4 (1) (a) or (b) of this act, the reinstatement fee shall be fifty dollars.
(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (a) After the expiration of one year from the date on which the revoked license was surrendered to and received by the department; (b) after the expiration of the applicable revocation period provided by RCW 46.61.515(5) (b) or (c); (c) after the expiration of two years for persons convicted of vehicular homicide; (d) after the expiration of one year in cases of revocation for the first refusal within five years to submit to a chemical test under RCW 46.20.308; or (e) after the expiration of two years in cases of revocation for the second refusal within five years to submit to a chemical test under RCW 46.20.308. After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reinstatement fee in the amount of twenty dollars, but if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reinstatement fee shall be fifty dollars. The department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. A resident without a license or permit whose license or permit was denied under ((RCW 46.20.306(3))) section 4 of this act shall give and thereafter maintain proof of financial responsibility for the future as provided in chapter 46.29 RCW.

If the suspension is the result of a violation of the laws of another state, province, or other jurisdiction involving (a) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (b) the refusal to submit to a chemical test of the driver's blood alcohol content, the reinstatement fee shall be fifty dollars.

To receive a grant from the DWI impact account, a county shall establish, to the satisfaction of the office of financial management, its need for the funds, that a satisfactory effort by the county is being maintained to the extent possible with available funds, and that local resources have been exhausted.

(3) In making grants from the DWI impact account, the office of financial management shall consider the following:

year, and by a fine of not more than \((\text{five})\) seven hundred fifty dollars. Twenty-four consecutive hours of the jail sentence shall not be suspended or deferred unless the judge finds that the imposition of the jail sentence will pose a risk to the defendant's physical or mental well-being. Whenever the mandatory jail sentence is suspended or deferred, the judge must state, in writing, the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. The court may impose conditions of probation that may include nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The convicted person shall, in addition, be required to complete a course in an alcohol information school approved by the department of social and health services or more intensive treatment in a program approved by the department of social and health services, as determined by the court. A diagnostic evaluation and treatment recommendation shall be prepared under the direction of the court by an alcoholism agency approved by the department of social and health services or a qualified probation department approved by the department of social and health services. A copy of the report shall be forwarded to the department of licensing. Based on the diagnostic evaluation, the court shall determine whether the convicted person shall be required to complete a course in an alcohol information school approved by the department of social and health services or more intensive treatment in a program approved by the department of social and health services. Standards for approval for alcohol treatment programs shall be prescribed by rule under the administrative procedure act, chapter 34.04 RCW. The courts shall periodically review the costs of alcohol information schools and treatment programs within their jurisdictions.

(2) On a second or subsequent conviction for driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs within a five-year period a person shall be punished by imprisonment for not less than seven days nor more than one year and by a fine of not more than one thousand five hundred dollars. District courts and courts organized under chapter 35.20 RCW are authorized to impose such fine. The jail sentence shall not be suspended or deferred unless the judge finds that the imposition of the jail sentence will pose a risk to the defendant's physical or mental well-being. Whenever the mandatory jail sentence is suspended or deferred, the judge must state, in writing, the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. If, at the time of a second or subsequent conviction, the driver is without a license or permit because of a previous suspension or revocation, the minimum mandatory sentence shall be ninety days in jail and a two hundred dollar fine. The penalty so imposed shall not be suspended or deferred. The person shall, in addition, be required to complete a diagnostic evaluation by an alcoholism agency approved by the department of social and health services or a qualified probation department approved by the department of social and health services. The report shall be forwarded to the department of licensing. If the person is found to have an alcohol or drug problem requiring treatment, the person shall complete treatment at an approved alcoholism treatment facility or approved drug treatment center.

In addition to any nonsuspendable and nondeterrable jail sentence required by this subsection, the court shall sentence a person to a term of imprisonment not exceeding one hundred eighty days and shall suspend but shall not defer the sentence for a period not exceeding two years. The suspension of the sentence may be conditioned upon nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of suspension during the suspension period.

(3) There shall be levied and paid into the highway safety fund of the state treasury a penalty assessment in the minimum amount of twenty-five percent of, and which shall be in addition to, any fine, bail forfeiture, or costs on all offenses involving a violation of any state statute or city or county ordinance relating to driving a motor vehicle while under the influence of intoxicating liquor or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor. All funds derived from the penalty assessment are in addition to and exclusive of assessments made under RCW 46.81.030 and are for the exclusive use of the department for driver services programs and for a state-wide alcohol safety action program, or other similar programs designed primarily for the rehabilitation or control of traffic offenders. The penalty assessment shall be included in any bail schedule and shall be included by the court in any pronouncement of sentence.

(4) Notwithstanding the provisions contained in chapters 3.16. 3.46. 3.50. 3.62. or 35.20 RCW, or any other section of law, the penalty assessment provided for in subsection (3) of this section shall not be suspended, waived, modified, or deferred in any respect, and all moneys derived from the penalty assessments shall be forwarded to the highway safety fund to be used exclusively for the purposes set forth in subsection (3) of this section.

(5) The license or permit to drive or any nonresident privilege of any person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs shall:

(c) On a third or subsequent conviction ((under either such offense) of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs, vehicular homicide, or vehicular assault, or any combination thereof within a five-year period, be revoked by the department for two years.

(6) In any case provided for in this section, where a driver's license is to be revoked or suspended, the revocation or suspension shall be stayed and shall not take effect until after the determination of any appeal from the conviction which may lawfully be taken, but in case the conviction is sustained on appeal the revocation or suspension takes effect as of the date that the conviction becomes effective for other purposes.

The facilities shall comply with chapter 70.48 RCW and the rules adopted thereunder.

Sec. 38. Section 35.21.330, chapter 7, Laws of 1965 as amended by section 19, chapter 316, Laws of 1977 ex. sess. and RCW 70.48.190 are each amended to read as follows:

Cities and towns may acquire, build, operate, and maintain holding, detention, special detention, and correctional facilities as defined in RCW 70.48.020 at any place within the territorial limits of the county in which the city or town is situated, as may be selected by the legislative authority of the municipality((Provided, that such)). The facilities comply with the provisions of chapter 70.48 RCW and rules adopted (((thereof))) thereunder.

Sec. 39. Section 17, chapter 232. Laws of 1979 ex. sess. and RCW 70.48.210 are each amended to read as follows:

1. All cities and counties are authorized to establish and maintain farms, camps, and work release programs and facilities, as well as special detention facilities. The facilities shall meet the requirements of chapter 70.48 RCW and any rules adopted thereunder.

2. Farms and camps may be established either inside or outside the territorial limits of a city or county. A sentence of confinement in a city or county jail may include placement in a farm or camp. Unless directed otherwise by court order, the chief law enforcement officer or department of corrections, may transfer the prisoner to a farm or camp. The sentencing court, chief law enforcement officer, or department of corrections may not transfer to a farm or camp a greater number of prisoners than can be furnished with constructive employment and can be reasonably accommodated.

3. The city or county may establish a city or county work release program and housing facilities for the prisoners in the program. In such regard, factors such as employment conditions and the condition of jail facilities should be considered. When a work release program is established the following provisions apply:

(a) A person convicted of a felony and placed in a city or county jail is eligible for the work release program. A person sentenced to a city or county jail is eligible for the work release program. The program may be used as a condition of probation for a criminal offense. Good conduct is a condition of participation in the program.

(b) The court may permit a person who is currently, regularly employed to continue his or her employment. The chief law enforcement officer or department of corrections shall make all necessary arrangements if possible. The court may authorize the person to seek suitable employment and may authorize the chief law enforcement officer or department of corrections to make reasonable efforts to find suitable employment for the person. A person participating in the work release program may not work in an establishment where there is a labor dispute.

(c) The work release prisoner shall be confined in a work release facility or jail whenever the prisoner is not employed and between the hours or periods of employment unless the court directs otherwise.

(d) The chief law enforcement officer or ((his))) a designee shall collect the work release prisoner’s earnings and from the earnings make payments for the prisoner’s board, personal expenses inside and outside the jail, and share of the administrative expenses of this section. Support payments for the prisoner’s dependents, if any, shall be made as directed by the court. With the prisoner’s consent, the remaining funds may be used to pay the prisoner’s preexisting debts. Any balance shall be retained and paid to the prisoner when the prisoner is discharged.

(e) With court approval the prisoner’s sentence may be reduced by one-fourth if the prisoner’s conduct, diligence, and general attitude merit the reduction.

(f) If the work release prisoner violates the conditions of custody or employment, the prisoner shall be returned to the sentencing court. The sentencing court may require the prisoner to spend the remainder of the sentence in actual confinement and may cancel any earned reduction of the sentence.

4. A special detention facility may be operated by a noncorrectional agency or by noncorrectional personnel by contract with the governing unit. The employees shall meet the standards of training and education established by the criminal justice training commission as authorized by RCW 43.101.080. The special detention facility may use combinations of features including, but not limited to, low-security or honor prisoner status, work farm, work release, community review, prisoner facility maintenance and food preparation, training programs, or alcohol or drug rehabilitation programs, with or without cost to the prisoners.

NEW SECTION. Sec. 40. There is added to chapter 35.21 RCW a new section to read as follows:
Except as limited by the maximum penalties authorized by law, no city or town may establish a penalty for an act that constitutes the crime of driving while under the influence of intoxicating liquor or any drug, as provided in RCW 46.61.502, or the crime of being in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, as provided in RCW 46.61.504, that is less than the penalties prescribed for those crimes in RCW 46.61.515.

NEW SECTION. Sec. 41. There is added to chapter 36.32 RCW a new section to read as follows:

"No county may establish a penalty for an act that constitutes the crime of driving while under the influence of intoxicating liquor or any drug, as provided for in RCW 46.61.502, or the crime of being in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, as provided in RCW 46.61.504, that is less than the penalties prescribed for those crimes in RCW 46.61.515."

NEW SECTION. Sec. 42. There is added to chapter 43.59 RCW a new section to read as follows:

"The Washington traffic safety commission shall produce and disseminate through all possible media, informational and educational materials explaining the extent of the problems caused by drinking drivers, the need for public involvement in their solution, and the penalties of existing and new laws against driving while intoxicated."

NEW SECTION. Sec. 43. The standing committees on transportation and judiciary of the state senate and house of representatives, with the assistance of the department of licensing, shall conduct a joint study to analyze and evaluate the issues involved in authorizing administrative revocation of the driver's license of a person who operates a motor vehicle while under the influence of alcohol. The study shall include an analysis and evaluation of other states that have enacted statutes that provide for administrative revocation of driver's licenses, the effects on reducing drunken driving, the cost of implementing and administering such a program, and any impacts on the criminal justice system.

The committees shall submit a report that includes their findings and recommendations, together with proposed legislation, to the legislature before January 1, 1984.

NEW SECTION. Sec. 44. The legislature finds that previous attempts to curtail the incidence of driving while intoxicated have been inadequate. The legislature further finds that property loss, injury, and death caused by drinking drivers have reached unacceptable levels. This act is intended to convey the seriousness with which the legislature views this problem. To that end the legislature seeks to insure swift and certain punishment for those who drink and drive. The legislature does not intend to discourage or deter courts and other agencies from directing or providing treatment for problem drinkers. However, it is the intent that such treatment, where appropriate, be in addition to and not in lieu of the sanctions to be applied to all those convicted of driving while intoxicated.

Sec. 45. Section 12, chapter 244, Laws of 1975 1st ex. sess. and RCW 10.05.120 are each amended to read as follows:

"(Two) Five years from the date of the court's approval of deferred prosecution for an individual defendant, those dockets that remain in the special court deferred prosecution file relating to such defendant shall be dismissed and the records removed."

NEW SECTION. Sec. 46. Sections 3 through 12 of this act are added to chapter 46.20 RCW.

NEW SECTION. Sec. 47. Sections 2, 3 through 12, 14, 16, 18, 22, 24, and 26 of this act shall take effect on January 1, 1985. The remainder of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1983. The director of licensing may immediately take such steps as are necessary to insure that all sections of this act are implemented on their respective effective dates.

NEW SECTION. Sec. 48. If any provision of this act or its application to any person or circumstances is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MOTION

On motion of Senator Bender, the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 4092.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute Senate Bill No. 4092, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 45; nays, 01; absent, 01; excused, 02.
may charge and collect a determent charge. Such determent charge shall not exceed the portion of the precomputed charge applicable under the original contract of loan to the first which no payment

Installment period of one month shall be made for each day from the date of such prepayment been collected required for prepayment In full as of the date judgment

tment period

month of the deferment period multiplied by the number of months in said period. The defer­

tlement made under paragraph

ment made under the provisions of this chapter shall not be paid, deducted, discounted, or

received in advance, or compounded, but the rate of charge authorized by this section may

be precomputed as provided in subsection (3) of this section. Charges on loans made under

this chapter, except as permitted by subsection (3) hereof, (a) shall be computed and paid only as a percentage per month of the unpaid principal balance or portions thereof, and (b) shall be so expressed in every obligation signed by the borrower. For the purpose of this section a month shall be that period of time from any date in a month to the corresponding date in the next month and if there is no such corresponding date then to the last day of the next month; and a day shall be considered one-thirtieth of a month when computation is made for a frac­tion of a month.

When the loan contract requires repayment in substantially equal and consecutive monthly installments of principal and charges combined, the charges may be precomputed at the monthly rate on scheduled unpaid principal balances according to the terms of the contract and added to the principal of the loan. Every payment may be applied to the combined total of principal and precomputed charge until the contract is fully paid. The acceptance or payment of charges on loans made under the provisions of this subsection shall not be deemed to constitute payment, deduction, or receipt thereof In advance nor compounding under subsection (3) above. Such precomputed charge shall be subject to the following adjustments:

(a) The portion of the precomputed charge applicable to any particular monthly install­ment period shall bear the same ratio to the total precomputed charge, excluding any adjust­ment made under paragraph (f) of this subsection, as the balance scheduled to be outstanding during that monthly period bears to the sum of all monthly balances scheduled originally by the contract of loan.

(b) If the loan contract is prepaid in full by cash, a new loan, refinancing, or otherwise before the final installment date, the portion of the precomputed charge applicable to the full installment periods following the installment date nearest the date of such prepayment shall be rebated. In computing any required rebate, any prepayment made on or before the fifteenth day following an installment date shall be deemed to have been made on the installment date preceding such prepayment. If prepayment in full occurs before the first installment date an additional rebate of one-thirtieth of the portion of the precomputed charge applicable to a first installment period of one month shall be made for each day from the date of such prepayment to the first scheduled installment date. If judgment is obtained before the final installment date, the contract balance shall be reduced by the rebate of precomputed charge which would be required for prepayment in full as of the date judgment is obtained.

(c) If the payment date of all wholly unpaid installments on which no default charge has been collected is deferred one or more full months and the contract so provides, the licensee may charge and collect a determent charge. Such determent charge shall not exceed the portion of the precomputed charge applicable under the original contract of loan to the first month of the deferment period multiplied by the number of months in said period. The defer­ment period is the month or months in which no scheduled payment has been made or in which no payment is to be required by reason of the deferment. In computing any default
charge, or required rebate, the portion of the precomputed charge applicable to each deferred balance and installment period following the deferment period and prior to the deferred maturity shall remain the same as that applicable to such balances and periods under the original contract of loan. Such charge may be collected at the time of deferment or at any time thereafter. If a loan is prepaid in full during a deferment period, the borrower shall receive, in addition to the rebate required under paragraph (b) of this subsection, a rebate of that portion of the deferment charge applicable to any unexpired months of the deferment period.

(d) If the payment in full of any scheduled installment is in default more than seven days and the contract so provides, the licensee may charge and collect a default charge not exceeding five percent of the unpaid amount of the installment or five dollars, whichever is less. Said charge may not be collected more than once for the same default and may be collected when such default occurs or at any time thereafter. If such default charge is deducted from any payment received after default occurs and such deduction results in the default of a subsequent installment, no charge may be made for the resulting default.

(e) If two or more full installments are in default for one full month or more at any installment date and if the contract so provides, the licensee may reduce the contract balance by the rebate which would be required for prepayment in full on such installment date. Thereafter, charges may be received at the agreed rate computed on actual unpaid balances of the contract for the time outstanding until the contract is fully paid. Charges so collected shall be in lieu of any deferment or default charges which otherwise would accrue on the contract after such installment date.

(f) A licensee and borrower may agree that the first installment due date may be not more than fifteen days more than one month and the amount of such installments may be increased by one-thirtieth of the portion of the precomputed charge applicable to a first installment of one month for each extra day.

(4) No licensee shall induce or permit any borrower to split up or divide any loan, nor induce or permit any person, nor any husband or wife jointly or severally, to become obligated, directly or contingently or both, under more than one contract of loan at the same time, for the purpose or with the result of obtaining a higher rate of charge than would otherwise be permitted by this section. If part or all of the consideration for a loan contract is the unpaid principal balance of a prior loan with the same licensee, then the principal amount payable under such loan contract shall not include any unpaid charges on the prior loan, except charges which have accrued within sixty days before the making of such loan contract and may include the balance of a precomputed contract which remains after giving the rebate required by subsection (3) hereof.

(5) No licensee shall directly or indirectly charge, contract for, or receive any charges or fees except charges authorized by this chapter, the reasonable actual costs paid by the licensee to foreclose, repossess or otherwise realize on the security, reasonable attorney fees and court costs incurred by the licensee and the lawful fees. If any, actually and necessarily paid out by the licensee to any public officer for the transferring of title or for filing, recording, or releasing in any public office, any instrument securing the loan, which fees may be collected when the loan is made, or at any time thereafter. If any payment on a loan is made by check and payment of that check is refused because there was no account or due to insufficient funds, the licensee may contract for and receive a charge in an amount authorized under rule by the supervisor of banking. A bona fide error in the calculation of charges or in the recording of such charges in any statement or receipt delivered to the borrower or in the licensee’s records shall not be deemed to be a violation of this chapter if the licensee corrects the error.

Sec. 2. Section 14, chapter 208, Laws of 1941 as amended by section 6, chapter 212, Laws of 1959 and RCW 31.08.170 are each amended to read as follows:

It shall be the duty of every licensee to:

(1) Deliver to the borrower or anyone thereof, if several, at the time any loan is made under this chapter, a statement (upon which there shall be printed in the English language a copy of subsection (4) and (5) of RCW 31.08.160) showing in clear and distinct terms the principal amount (of the loan excluding charges), financed, the date of the loan, the agreed schedule of payments, the nature of the security, if any, for the loan, the name and address of the licensee, and the agreed rate of finance charges. (When charges are precomputed, the statement shall show the amount of the precomputed charge and shall contain a copy of paragraphs (a) and (b) of subsection (3) of RCW 31.08.160.) The licensee shall provide to the borrower at the time the loan is made a copy of RCW 31.08.160.

(2) Give to the party making any payment a plain and complete receipt for each payment made on account of any such loan at the time such payment is made, or a periodic statement at least once each forty-five days showing such payment, specifying the amount applied to charges and the amount, if any, applied to principal, and stating the unpaid principal balance. If any, of such loan; a receipt shall be given at the time any cash payment is made: PROVIDED, That if the charges were precomputed the receipt or statement need not be itemized, and no receipt or statement shall be required where payment is made by check or
money order and the full amount of such check or money order is applied to the loan: PROVIDED FURTHER, That when a default or deferment charge is collected, a receipt or statement shall be given showing the amount applied to the loan and the amount applied to the default or deferment charge:

(3) Permit payment to be made in advance in any amount on any such loan at any time during regular business hours, but the licensee may apply such payment first to all charges at the agreed rate up to the date of such payment: PROVIDED, That when charges are precomputed such payment shall be equal to one or more full scheduled installments:

(4) Upon payment of the loan in full, mark indelibly every obligation signed by the borrower with the word "paid" or "canceled" and release any mortgage and restore all notes and collateral which no longer secures a loan and to which the borrower may be lawfully entitled: PROVIDED, HOWEVER, That in case any such document or obligation is in custodia legis these requirements shall not be applicable; and

(5) Obtain from the borrower prior to making the loan a statement signed by the borrower setting forth the borrower's then current financial condition (containing a statement that the borrower recognizes) and describing the penalties and defenses resulting from giving false financial information, all on a form approved by the supervisor. A copy of the statement (required to be delivered to the borrower when the loan is made (shall be acknowledged in writing by the licensee and the borrower, and a copy thereof shall be retained by the licensee)).

and the same are herewith transmitted.

Senator Warnke: "That's true.

Senator Warnke: "That's true.

Senator Warnke: "The life of the State Board of Health is extended for two years and the committees will be looking at it. That question will be answered during the 83-85 biennium—on how long they are going to exist."

Senator Hemstad: "Then, the question is open for discussion, rather than the decision already made?"

Senator Warnke: "That's true."

Debate ensued.
POINT OF INQUIRY

Senator Bottiger: "Senator Haley, how much does a CAT scanner—or body scanner to most of us—cost?"

Senator Haley: "They are getting cheaper—somewhere around fifty to seventy-five thousand."

Senator Bottiger: "A body scanner? Isn't a body scanner about a million and a half?"

Senator Haley: "I'm not sure how much it is. We've got a brand new one in Lakewood Hospital, which I looked over carefully. The utilization of this type of scanner is extremely heavy and saves a lot of money in many other ways, so who are you and I to say that it doesn't pay for itself quickly. It shortens the patient's stay, prevents the need for the patient being sent from one hospital to another. I think there are two sides to this question, but many people claim that to go ahead and get a CAT scanner or body scanner in there, in the long run, will save money."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Warnke that the Senate do concur in the House amendments to Senate Bill No. 4204.

The motion by Senator Warnke carried and the Senate concurred in the House amendments to Senate Bill No. 4204.

MESSAGE FROM THE HOUSE

April 23, 1983

Mr. President:

The House has concurred in the Senate amendment(s) to the following listed bills and has passed said bills as amended by the Senate:

SUBSTITUTE HOUSE BILL NO. 233.
ENGROSSED HOUSE BILL NO. 511.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 579.
ENGROSSED SUBSTITUTE HOUSE BILL NO. 667,
ENGROSSED HOUSE BILL NO. 674.

DEAN R. FOSTER, Chief Clerk

MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Engrossed Substitute Senate Bill No. 3101 and the pending House amendment, deferred April 23, 1983.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Rasmussen, the President finds that Engrossed Substitute Senate Bill No. 3101 is a measure which deals with the Liquor Control Board by clarifying that liquor stores may sell lottery tickets, conforming licensing statutes to a recent United States Supreme Court decision regarding the veto power of churches and church schools over the issuance of licenses, and removing the requirement that a staggered license program be created.

"The amendment proposed by the House of Representatives, also, deals with the subject of the Liquor Control Board by prohibiting the issuance or reissuance of a liquor license to a motor sports facility unless the facility enforces a program to prevent alcoholic beverages not purchased within the facility from entering the facility.

"The President, therefore, finds that the proposed amendment does not expand the scope and object of the bill and that the point of order is not well taken."

The House amendment was ruled in order.

The President declared the question before the Senate to be the motion by Senator Vognild that the Senate do concur in the first House amendment to page 7, line 18, to Engrossed Substitute Senate Bill No. 3101.

The motion by Senator Vognild carried and the Senate concurred in the first House amendment to page 7, line 18, to Engrossed Substitute Senate Bill No. 3101.

POINT OF INQUIRY

Senator Zimmerman: "Senator Vognild, on page 2, where it adds in the lines 'and lottery tickets'—and those places where it adds in this language—is the cost of the administration of the lottery—I assume the costs will be transferred from the Lottery Commission to the Liquor Board—is that in keeping with the percentages that were set up in the original lottery administration, as to how they would be properly divided up?"

Senator Vognild: "Yes, Senator Zimmerman. The changes in the law were actually a technical requirement that the AG requested, so that the Liquor Control Board could legally sell lottery tickets. They receive the same five percent discount as any other retailer of lottery tickets and that defrays the expenses to the Liquor Board."

Having concurred in the House amendment to page 5, line 30, and to the second House amendment to page 7, line 18, on April 23, 1983, the President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Bill No. 3101.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute Senate Bill No. 3101, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 40; nays, 0; absent, 0; excused, 03.

Voting nay: Senators Croswell, Granlund, McCaslin, Metcalf, Zimmerman - 5.

Absent: Senator Woody - 1.

Excused: Senators Bottiger, Hayner, Pullen - 3.

ENGROSSED SUBSTITUTE SENATE BILL NO. 3101, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.
MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Engrossed Senate Bill No. 3224 and the pending House amendments, deferred April 23, 1983.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Newhouse, the President finds that Engrossed Senate Bill No. 3224 is a measure which facilitates the use of waste heat and cogeneration by authorizing local governments and special districts to finance the development of heating systems.

"The amendments proposed by the House of Representatives simply add water and sewer districts to the list of special districts which are authorized to develop these heating systems.

"The President, therefore, finds that the proposed amendments do not expand the scope and object of the bill and that the point of order is not well taken."

The House amendments were ruled in order.

The President declared the question before the Senate to be the motion by Senator Williams that the Senate do concur in the House amendments to Engrossed Senate Bill No. 3224.

The motion by Senator Williams carried and the Senate concurred in the House amendments to Engrossed Senate Bill No. 3224.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Senate Bill No. 3224, as amended by the House, and the bill passed the Senate by the following vote:

Excused: Senator Pullen - 1.

ENGROSSED SENATE BILL NO. 3224, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

PERSONAL PRIVILEGE

Senator Haley: "Thank you, Mr. President. I request to speak on a point of personal privilege. We were discussing what the cost of a total body CAT scanner was last evening and I just checked with Dr. Whitney at the Lakewood Hospital about the cost of those things. I thought the members may be interested to know. He says you can buy a used scanner that will get you by, but doesn't produce the best quality of work for one hundred to two hundred thousand dollars. The kind that Lakewood Hospital is currently leasing costs about six hundred thousand and it is first-class and first-rate and will get a small hospital by. He says that a large hospital that has all the attachments comes to about 1.4 million dollars. I thought the members may be interested to know about these costs."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, for the interest of the members, the one that Allenmore Hospital is currently negotiating to buy is 1.5 million dollars."

MOTION

At 2:39 p.m., on motion of Senator Shinpoch, the Senate was declared to be at ease.

The President called the Senate to order at 3:36 p.m.

MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Substitute Senate Bill No. 3434 and the pending House amendment to page 18, line 32, deferred April 23, 1983.
RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Pullen, the President finds that Substitute Senate Bill No. 3434 is a measure which increases the amount of money that nonprofit organizations may collect from fund raising activities and allows members of an organization to participate in gambling activities at any chapter.

"The amendment proposed by the House of Representatives limits the tax exemption provided for bingo, raffles and amusement game activities of nonprofit organizations to those organizations which do not discriminate in full membership on the basis of sex or race.

"The President, therefore, finds that the proposed amendment does expand the scope and object of the bill and that the point of order is well taken."

The House amendment was ruled out of order.

MOTIONS

On motion of Senator Vognild, and there being no objection, the motion to concur in the House amendment to page 18, line 32, to Substitute Senate Bill No. 3434 was withdrawn.

Senator Vognild moved that the Senate do not concur in the House amendment to page 18, line 32, to Substitute Senate Bill No. 3434 and asked the House to recede therefrom.

POINT OF INQUIRY

Senator Rasmussen: "Senator Vognild, that amendment on page 17, line 20--that a voluntary contribution to defray club expenses averaging no more than one dollar per player per hour may be made by the players in a social dice game with a record of such contributions to be maintained by the organization for a period of three years"---I would presume that dollar---say we had ten players in the game rolling dice and we put in a dollar a piece, that would be ten dollars for the house?"

Senator Vognild: "I would agree, Senator."

Senator Rasmussen: "Then, my further question would be, what is the limit on the dice game? There is no record kept of the dice game. It could be—you could roll the dice for ten bucks, or thirty bucks or forty bucks a throw or whatever."

Senator Vognild: "Senator, I am unable to answer that question. The limits are set by the Gambling Commission when they authorize the event."

Senator Rasmussen: "I didn’t know that the Gambling Commission was limiting dice. They limit poker games."

Senator Vognild: "They also limit the stakes that can be played at any social fund-raising event."

The President declared the question before the Senate to be the motion by Senator Vognild that the Senate do not concur in the amendment to page 18, line 32, to Substitute Senate Bill No. 3434 and asked the House to recede therefrom.

The motion by Senator Vognild carried and the Senate did not concur in the amendment to page 18, line 32, to Substitute Senate Bill No. 3434 and asked the House to recede therefrom.

MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Substitute Senate Bill No. 3520 and the pending House amendments, deferred April 23, 1983.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Pullen, the President finds that Substitute Senate Bill No. 3520 is a measure which revises the procedures for challenging voter registration.

"The amendments proposed by the House of Representatives, while including the language of the original bill, authorize the use of absentee ballots by hospitalized persons and prohibits the publication of campaign material that is similar to the voters’ pamphlet published by the Secretary of State.

"The President, therefore, finds that the proposed amendments do expand the scope and object of the bill and that the point of order is well taken."
The House amendments were ruled out of order.

MOTIONS

On motion of Senator Thompson, and there being no objection, the motion to concur in the House amendments to Substitute Senate Bill No. 3520 was withdrawn.

On motion of Senator Thompson, the Senate did not concur in the House amendments to Substitute Senate Bill No. 3520 and asked the House to recede therefrom.

REPORT OF CONFERENCE COMMITTEE

April 23, 1983

MR. SPEAKER:
MR. PRESIDENT:

We, of your Conference Committee, to whom was referred Substitute House Bill No. 139, modifying provisions on insurance, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference.

Signed by: Senators Moore, Deccio and Bender; Representatives Lux, Wang and Sanders.

MOTION

Senator Moore moved that the report of the Conference Committee be adopted and the powers of Free Conference be granted on Substitute House Bill No. 139.

POINT OF ORDER

Senator Rasmussen: "Can the President clarify what rules we are operating under that have the powers of Free Conference? I find it hard, Mr. President, to determine how we would handle the powers of Free Conference and whether the bill would have to lie on the table for a certain number of hours until we have had a chance to examine it, if it did go to Free Conference. Mostly, I see no powers of Free Conference anywhere in our rules. If the President has any ideas that would clarify it, it would certainly help."

At 4:15 p.m., there being no objection, the President declared the Senate to be at ease.

The President called the Senate to order at 4:42 p.m.

REPLY BY THE PRESIDENT

President Cherberg: "In reply to Senator Rasmussen's inquiry, the President finds that Senate Rule 40 states: 'The rules of parliamentary practice as contained in Reed's Parliamentary Rules shall govern the Senate in all cases to which they are applicable, and in which they are not inconsistent with the Rules and orders of this Senate and the Joint Rules of this Senate and the House of Representatives.'

Therefore, in the absence of Joint Rules, the President is required to consult Reed's Rules. The President finds that Reed's Rule 242 is applicable to the situation to empower the Senate to grant the Powers of Free Conference.

The President should like to exercise the privilege of stating that the absence of Joint Rules creates many difficulties and is unfair to the legislators and the people of this state."

The President declared the question before the Senate to be the motion by Senator Moore that the Report of the Conference Committee be adopted and that the powers of Free Conference be granted on Substitute House Bill No. 139.

The motion by Senator Moore carried and the Report of the Conference Committee was adopted and the powers of Free Conference were granted on Substitute House Bill No. 139.
MOTION
On motion of Senator Bottiger, the rules were suspended for Senate Rule 22, subsection (7), as it would apply to Substitute Senate Bill No. 3022, Substitute Senate Bill No. 3253, Substitute Senate Bill No. 3640 and Senate Bill No. 3182.

MOTION
On motion of Senator Shinpoch, the Senate returned to the sixth order of business.

SECOND READING
ENGROSSED HOUSE BILL NO. 392, by Representatives Ebersole, Smitherman and Fisher

Modifying the hearing procedures for the formation of local improvement districts.

The bill was read the second time.

POINT OF ORDER
Senator Rasmussen: "A point of order. Mr. President, Is Engrossed House Bill No. 392 properly before us, with the cutoff resolution that we have?"

Debate ensued.

There being no objection, further consideration of Engrossed House Bill No. 392 was deferred.

President Pro Tempore Goltz assumed the chair.

MOTION
On motion of Senator Shinpoch, the Senate returned to the fourth order of business.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1093, as amended by the Senate, but without the amendment on page 4, line 13, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator Shinpoch, the Senate advanced to the sixth order of business.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 325, by Committee on Ways and Means (originally sponsored by Representatives Sayan, Silver and R. King) (by Office of Financial Management request)

Abolishing certain obsolete funds and accounts.
The bill was read the second time.

MOTION

On motion of Senator Shinpoch, the rules were suspended, Substitute House Bill No. 325 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Shinpoch, other than cleaning up obsolete references and so forth, it would indicate, in reading the summary here, that this would be necessary in order that they may borrow another four hundred million for tax loans. What is the difference with the last four hundred million that they borrowed, and which they made money on, and this four hundred million they are proposing to borrow—that we need a change in the law?"

Senator Shinpoch: "Senator Rasmussen, I don't know what you are reading, but I don't know that this bill has anything at all to do with borrowing four hundred million dollars. It sets up a fund, so that you can track and pay interest, plus principal costs, on short-term loans. It certainly doesn't authorize the borrowing of any
four hundred million dollars, as far as I know. I can't find that in here. What section are you reading that in?"

Senator Rasmussen: "Well--'a loan principal and interest fund is established to track and pay interest, plus principal costs for short-term certificates of indebtedness as was the case when four hundred million in one year certificates were sold.' You mean to tell me that the Treasurer's Office has been without a method of tracking. The statements I received on it indicated they made about a million and a half on it--I think it was. That is what I am wondering, why we need to make the change in the law now?"

Senator Shinpoch: "Senator Rasmussen, I don't know what--number one, I guess I don't know what your question is--and the second thing, it I understand the gist of your question, you are saying 'didn't the Treasurer already have some way of tracking and why do you need a better way?' I think you always need a better way and I suspect that what he had was some kind of a manual tracking system and doesn't have that."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 325.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 325, and the bill passed the Senate by the following vote: Yeas, 47; nays, 00; absent, 01; excused, 01.

Absent: Senator Quigg - 1.

Excused: Senator Pullen - 1.

SUBSTITUTE HOUSE BILL NO. 325, having received the constitutional majority was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

President Cherberg assumed the chair.

MOTION

On motion of Senator Shinpoch, the Senate resumed consideration of Engrossed House Bill No. 392, deferred earlier today.

RULING BY THE PRESIDENT

President Cherberg: "In ruling on the point of order raised by Senator Rasmussen, the President finds that Engrossed House Bill No. 392 is a measure which allows certain cities and towns to use hearing officers to hold public hearings on the proposed establishment of local improvement districts.

"Pursuant to Senate Concurrent Resolution No. 103, the President finds that Engrossed House Bill No. 392, in its present form, does not fall within the provisions of Senate Concurrent Resolution No. 103 and, therefore, is not properly before the Senate."

Engrossed House Bill No. 392 was ruled out of order.

Only months of service shall be counted in the computation of any retirement allowance or

such prior act: PROVIDED, That if such member's prior service is not creditable due to the with-
drawal of his contributions plus accrued interest thereon from a prior pension system, such
member shall be credited with such prior service, as a law enforcement officer or fire fighter,
by paying to the Washington law enforcement officers' and fire fighters' retirement system, on
or before March 1, 1975, an amount which is equal to that which was withdrawn from the prior

system governed by such act, such member shall be credited with such prior service as a law
enforcement officer or fire fighter, by paying to the Washington law enforcement officers' and
fire fighters' retirement system, on or before March 1, 1975, an amount which is equal to the
employer's contributions which would have been required under the prior act when such

October 1, 1977, means periods of employment by a member for one or more employers for
which basic salary is earned for ninety or more hours per calendar month.

Members of the retirement system who are elected or appointed to a state elective position

twelve. Any fraction of a year of service as so determined shall be taken into account in the
computation of such retirement allowance or benefits.

month, the individual shall receive one month's service credit during any calendar month in

(1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the director shall be eligible to receive an allowance under the provisions of RCW 41.26.410 through 41.26.550. (2) Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such
medical examinations reveal that such a member has recovered from the incapacitating dis-
ability ((and the member is no longer entitled to benefits under Title 51 RCW)), the retirement
allowance shall be canceled and the member shall be restored to duty in the same civil serv-

section apply throughout this chapter.

(1) "Consolidated employer" means the new organizational element formed to perform
some governmental function or service for two or more political subdivisions at least one of
which is a first class city having its own retirement system. The new organization may be an
element of county government or city government of some other existing political subdivi-
sion, or it may be, or be a part of, a newly formed political subdivision.

(2) "New hiree" means someone hired by the consolidated employer who:

(a) Was not employed by any of the combining elements or their political subdivisions at
the time of consolidation; or

(b) Was employed by one of the combining elements or their political subdivisions but did
not become an employee of the consolidated employer within one year of the date on which
the consolidated employer became a legal entity.

NEW SECTION. Sec. 20. This chapter governs the retirement program for individuals whose
employment status is altered when two or more political subdivisions enter into an agreement
to provide for consolidation of a function of government. The function is to be performed either
by one of the participating subdivisions or by a newly created subdivision, and the employees
of the participating subdivisions are enrolled as members of more than one Washington public
retirement system.

NEW SECTION. Sec. 21. All new hirees by the consolidated entity shall become members of
the retirement system to which the consolidated employer belonged prior to the consolidation
if the employer is a member of a retirement system. If the employer is not a member of a
retirement system, the new hirees shall not have a retirement program until the employer joins
a retirement system.

NEW SECTION. Sec. 22. If the consolidated employer was an employer-member of one of
the state retirement systems prior to consolidation:

(1) The employees of the consolidated employer who were active members of a state
retirement system prior to the consolidation shall continue to be members of that system.

dation may exercise one of the following options:

(a) Remain an active member of the city public retirement system while employed by the
consolidated employer; or

(b) Establish membership in the retirement system provided by chapter 41.40 RCW and
either separate and withdraw from the city public system or, if eligible, separate and vest with
the city system.

Only prospective periods of qualifying service with a Washington public retirement system
may be established under this section.

NEW SECTION. Sec. 23. If the consolidated employer was an employer-member of a city
public retirement system prior to the consolidation:

(1) The employees of the consolidated employer who were members of a city public
retirement system prior to the consolidation shall continue to be members of that system.

(2) Employees of the consolidated employer who were members of the retirement system
provided by chapter 41.40 RCW may exercise one of the following options:

(a) Remain an active member of the system provided by chapter 41.40 RCW; or

(b) Establish membership in the retirement system provided by the city public retirement
system and either separate and withdraw from the system provided by chapter 41.40 RCW or,
if eligible, separate and vest with that system.

Only prospective periods of qualifying service with a Washington public retirement system
may be established under this section.

NEW SECTION. Sec. 24. The following general rules apply in consolidated situations under
this chapter.

(1) If the consolidated employer is a member of a retirement system, all employees, other-
wise eligible, shall be members of a retirement system.
(2) No employee may be an active member of more than one Washington public retirement system as a consequence of employment by the consolidated employer.

(3) Any person employed by the consolidated employer within one year of the date of activation of the consolidated entity shall be entitled to the options provided in sections 22 and 23 of this act if he or she was an active member of a Washington public retirement system at the time of employment by the consolidated employer.

(4) An employee who is not retired at the time of employment by the consolidated employer may not elect to retire from any Washington public retirement system until he or she has separated from service with the consolidated employer.

(5) No member of any retirement system may become entitled to any benefits or rights under any Washington public retirement system as a result of this chapter except such rights of membership as are covered in this chapter.

(6) This chapter shall be effective retroactive to December 31, 1981, and all time periods specified in this chapter shall run from the dates indicated or December 31, 1981, whichever is the later.

(7) Consolidated employers are required to comply with the laws and rules of any Washington public retirement system whose active members they employ.

(8) Entry into membership granted under this chapter does not constitute a waiver of any other law or rule of any Washington public retirement system including and not limited to eligibility standards for service credit or benefits.

NEW SECTION. Sec. 25. An employee electing under section 22(2)(a) or 23(2)(a) of this act shall have the right to change positions within the structure of the consolidated employer without affecting the employee retirement membership.

NEW SECTION. Sec. 26. It is not the purpose of this chapter to provide relief to any Washington public retirement system or its sponsors when consolidations result in financial injury to any such system. These issues are properly addressed in the negotiations between the interested parties when the consolidation is being planned and executed.

NEW SECTION. Sec. 27. This chapter does not apply to any consolidation which includes any members of retirement systems established by chapter 41.18, 41.20, or 41.26 RCW.

NEW SECTION. Sec. 28. Sections 19 through 27 of this act shall constitute a new chapter in Title 41 RCW.

NEW SECTION. Sec. 29. There is appropriated from the general fund to the public employees' retirement fund for the biennium ending June 30, 1985, the sum of two hundred thousand dollars, or so much thereof as may be necessary, for costs resulting from section 14 of this act.

NEW SECTION. Sec. 30. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Debate ensued.

POINT OF INQUIRY

Senator Lee: "Senator McDermott, this is a question that relates to page 23—the new section, subsection (b)—where we are talking about a person reestablishing their service credit and saying the restoration shall be completed within one year of the effective date of this act, since this is a new section, or within one year of reemployment if not employed—the usual words we have to say. Is this new one year open period for all employees who may not have had or not taken advantage of the buy-back period in the past?"

Senator McDermott: "Yes, Senator Lee. When we discussed this bill—this bill was on the calendar and 95 percent of this amendment has been on before. When we discussed this before, I said there is a one year open period. We are opening the window for the last time. You may have remembered that. A couple of people on the floor laughed. What happened is that people are in state service, they go out and draw out their money and they come back and they are young and they don't pay attention or whatever, and finally twenty years later, they decide they would like to buy back their earlier years. We have opened the window, at least as long as I have been here, we have opened the window. I think, three times to let people in.

"This section lets them rebuy that back for a one year period. But it, also, requires and sets up procedures for which everyone who returns to state service will get a certified letter telling them that they have 90 days to buy back in. A copy will be put in their record and from this point forward, there will be no open windows. Everybody will have had an opportunity to buy back. If they didn't, they will have no excuse. This is the last open window—period."
Senator Lee: "One further question. Even though the persons, of course, are putting in their own credit, plus interest—this is the same way the bill was before—there has to be an additional burden upon them—the pension funds themselves, or at least a calculated one. If all of them bought back. It is the only way you could do. Do you recall what the Actuary had to say as far as what the increased demand on the pension funds would be?"

Senator McDermott: "I don't remember the percentage figure, Senator Lee, but he figured everybody who had ever returned to service, and gave us a figure that I remember was something like ten million dollars. I don't think it is going to be that high, but that is what he estimated as a very outside figure."

POINT OF INQUIRY

Senator Haley: "Senator McDermott, is it customary for psychologists to be covered under health insurance? I am not aware of that being an extensive practice. Are you aware of other health insurance coverages including psychologists around in this area or anywhere in the country? I would like to know what the experience is and if you know anything about what the fiscal impact of that is?"

Senator McDermott: "Actually, when I first came to the legislature in 1971, I sponsored a bill to license psychologists in this state. Once somebody is licensed, they can be paid under insurance programs. I remember coming before Big Daddy Day's committee and he said to me 'I've never seen a doctor come and ever testify for anybody except himself.' Actually, I think the costs are a little bit less paying psychologists and psychiatrists, so it is actually a cost saving to allow the LEFF system to use psychologists."

POINT OF INQUIRY

Senator Bluechel: "Senator McDermott, in regard to the open window for a one year period, if I remember correctly in the Ways and Means Committee, the Actuary stated that if everybody participated—we are looking at his best judgment—at a 59.6 million dollar impact, not a ten million dollar impact. Do you have any recollection of that particular bill we were talking about. I believe they said 59.6—that is the figure I have here."

Senator McDermott: "As I said in answer to Senator Lee's question, he figured everybody. The figure was—I don't remember a figure quite that high, but I, also, think he over-estimated the figure. He is more conservative that most actuaries."

MOTION

Senator Metcalf moved the following amendment to the amendment:
On page 1, line 6, strike section 1.

Debate ensued.

POINT OF INQUIRY

Senator Metcalf: "Does anybody around here know the judge that we are going to grant a retirement in ten years, instead of twelve? Anyone know the name? I would like to know, specifically, who we are helping. Does anyone know the answer? I can't believe that nobody in the Senate knows the answer to this."

Further debate ensued.

Senator Metcalf demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on adoption of the amendment by Senator Metcalf to the McDermott amendment.

ROLL CALL

The Secretary called the roll and the motion by Senator Metcalf failed and the amendment to the amendment was not adopted by the following vote: Yeas, 22; nays, 24; absent, 0; excused, 0.

Excused: Senator Pullen - 1.

**REPORT OF CONFERENCE COMMITTEE**

April 24, 1983

MR. SPEAKER:

MR. PRESIDENT:

We, of your Conference Committee, to whom was referred SENATE BILL NO. 3182, modifying provisions relating to financial institutions, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending Senate Bill No. 3182 and the amendment attached hereto:

Strike everything after the enacting clause, and insert the following:

"NEW SECTION. Sec. 1. There is added to chapter 30.04 RCW a new section to read as follows:

A bank or trust company may purchase for its own account shares of stock of a bank or a holding company that owns or controls a bank if the stock of the bank or company is owned exclusively, except to the extent directly qualifying shares are required by law, by depository institutions and the bank or company and all subsidiaries thereof are engaged exclusively in providing services for other depository institutions and their officers, directors, and employees. In no event may the total amount of such stock held by a bank or trust company in any bank or bank holding company exceed at any time ten percent of its capital stock and paid-in and unimpaired surplus, and in no event may the purchase of such stock result in a bank or trust company acquiring more than twenty-five percent of any class of voting securities of such bank or company. Such a bank or bank holding company shall be called a "banker's bank."

NEW SECTION. Sec. 2. There is added to chapter 30.04 RCW a new section to read as follows:

Sales of federal reserve funds with a maturity of one business day or under a continuing contract are not "loans or obligations" or "liabilities" for the purposes of the loan limits established by RCW 30.04.110. However, sales of federal reserve funds with a maturity of more than one business day are subject to those limits.

For the purposes of this section, "sale of federal reserve funds" means any transaction among depository institutions involving the disposal of immediately available funds resulting from credits to deposit balances at federal reserve banks or from credits to new or existing deposit balances due from a correspondent depository institution.

Sec. 3. Section 30.04.060, chapter 33, Laws of 1955 as amended by section 6, chapter 196, Laws of 1982 and RCW 30.04.060 are each amended to read as follows:
The supervisor, the deputy supervisor, or a bank examiner, without previous notice, shall visit each bank and each trust company at least once in each year, and oftener if necessary, for the purpose of making a full investigation into the condition of such corporation, and for that purpose they are hereby empowered to administer oaths and to examine under oath any director, officer, employee, or agent of such corporation. (Said) The supervisor may make such other full or partial examinations as deemed necessary and may examine any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington and obtain reports of condition for any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington. The supervisor may visit and examine into the affairs of any nonpublicly held corporation in which the bank, trust company, or bank holding company has an investment or any publicly held corporation the capital stock of which is controlled by the bank, trust company, or bank holding company, may appraise and revalue such corporations' investments and securities; and shall have full access to all the books, records, papers, securities, correspondence, bank accounts, and other papers of such corporations for such purposes. The supervisor may, in his or her discretion, accept in lieu of the examinations required in this section the examinations required under the terms of the federal reserve act for banks which are, or may become, members of a federal reserve bank or the deposits of which are insured by the Federal Deposit Insurance Corporation. Any wilful false swearing in any examination (shall be) is perjury in the second degree.

Sec. 4. Section 30.04.110, chapter 33, Laws of 1955 as amended by section 1, chapter 136, Laws of 1969 and RCW 30.04.110 are each amended to read as follows:

The total liability to any bank or trust company of any person for money borrowed, including in the liabilities of a firm or association the liabilities of the several members thereof, shall not at any time exceed [(fifteen)] twenty percent of the capital and surplus of such bank or trust company; but the discount of bills of exchange drawn in good faith against actually existing values and the discount of commercial or business paper of solvent parties, actually owned by the person negotiating the same, shall not be considered as money borrowed by him: PROVIDED, That loans secured by collateral security having an ascertained market value of at least fifteen percent more than the amount of the loans secured, shall not be limited by this section.

Loans or obligations shall not be subject under this section to any limitation based upon such capital and surplus to the extent that they are secured or covered by guaranties, or by commitments or agreements to take over or to purchase the same, made by any federal reserve bank or by the United States or any department, bureau, board, commission or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States.

For the purposes of this section, "capital" includes capital notes or debentures issued under chapter 30.36 RCW.

Sec. 5. Section 2, chapter 194, Laws of 1963 and RCW 30.04.128 are each amended to read as follows:

Any state bank or trust company, stock savings bank, or mutual savings bank may invest in the capital stock of banking service corporations (organized for the purpose of performing or providing mechanical, clerical, or record keeping services for two or more banks). The total amount which any such bank may invest in the shares of such corporations may not exceed in the case of a bank or trust company or stock savings bank, ten percent of its paid in or unimpaired capital and unimpaired surplus, or in the case of a mutual savings bank, ten percent of its guaranty fund. Such a bank service corporation may not engage in any activity other than (the performance of services for banks) those permitted by the bank service corporation act, 12 U.S.C. Sec. 1861, et seq., as amended by P.L. 97-320, and in effect on the effective date of this 1983 act. The performance of any service, and any records maintained by any such corporation for a bank, shall be subject to regulation and examination by the supervisor and appropriate federal agencies to the same extent as if such services or records were being performed or maintained by the bank on its own premises.

Sec. 6. Section 30.04.140, chapter 33, Laws of 1955 as amended by section 2, chapter 133, Laws of 1967 and RCW 30.04.140 are each amended to read as follows:

No bank or trust company shall pledge or hypothecate any of its securities or assets to any depositor, (or creditor)) except that it may quality as depositary for United States deposits, postal savings funds or other public funds, or funds held in trust and deposited by any public officer by virtue of his office, or funds held by the United States or the state of Washington, or any officer thereof in trust, or for funds of corporations owned or controlled by the United States, and may give such security for such deposits as are required by law or by the officer making the same; and it may give security to its trust department for deposits with itself which represent trust funds invested in savings accounts or which represent fiduciary funds awaiting investment or distribution; (PROVIDED, That any bank or trust company may borrow, for temporary purposes, not to exceed in the aggregate amount the paid in capital and surplus thereof, and may pledge as security therefor assets of such corporation, not exceeding one and one-half times the amount borrowed)).
Sec. 7. Section 30.04.160, chapter 33, Laws of 1955 and RCW 30.04.160 are each amended to read as follows:

"(When it shall appear to the supervisor that any bank or trust company is habitually borrowing for the purpose of loaning, he may require such corporation to pay off such borrowed money. Nothing herein shall prevent any bank or trust company from rediscounting in good faith and incurring any of its negotiable notes, but all such moneys borrowed and all such rediscounts shall at all times show on its books and in its reports. No certificates of deposit shall be issued for the purpose of borrowing money.)" No officer of any bank or trust company shall issue the note of such corporation for money borrowed or rediscount any of its notes except when authorized by resolution of its board of directors or by an authorized committee thereof. Violation of any provision of RCW 30.04.140 or 30.04.150 or of this section shall constitute a felony.

Sec. 8. Section 7, chapter 136, Laws of 1969 and RCW 30.04.215 are each amended to read as follows:

In addition to all powers (previously) enumerated by this title, and those necessarily implied therefrom, a bank may engage in other business (activity; PROVIDED: That) activities that have been determined by the board of governors of the federal reserve system or by the United States Congress to be closely related to the business of banking, as of the effective date of this 1963 act. At least thirty days before investment in corporations or other entities under this chapter, notification by letter shall be made to the supervisor in accordance with such terms and conditions as the supervisor might establish by rule. A bank (which) that desires to perform an activity (which) that is not expressly authorized by (the powers enumerated in) this section shall first apply to the supervisor for authorization to conduct such activity. Within thirty days of the receipt of this application, the supervisor shall determine whether the activity is (an appropriate adjacent) closely related to the business of banking, whether the public convenience and advantage will be promoted, whether the activity is apt to create an unsafe or unsound practice by the bank and whether the applicant is capable of performing such an activity. If the supervisor finds the activity to be (an appropriate adjacent) closely related to the business of banking and the bank is otherwise qualified, he shall forthwith inform the applicant that the activity is authorized. If the supervisor determines that such activity is not (an appropriate adjacent) closely related to the business of banking or the bank is not otherwise qualified, he shall forthwith inform the applicant in writing. The applicant shall have the right to appeal from an unfavorable determination in accordance with the procedures of the Administrative Procedure Act, chapter 34.04 RCW (as now or hereafter amended). In determining whether a particular activity is (an appropriate adjacent) closely related to the business of banking, the supervisor shall be guided by (whether national banks under federal laws and administrative regulations and rulings have the authority to perform such activity) the rulings of the board of governors of the federal reserve system in making determinations in connection with the powers exercisable by bank holding companies, and the activities performed by other commercial banks or their holding companies. Any activity which may be performed by a bank, except the taking of deposits, may be performed by a corporation, all of the outstanding stock of which is owned by the bank. A bank shall not invest a sum greater than twenty-five percent of its capital and surplus in the capital stock of corporations organized to perform activities authorized by this section.

Sec. 9. Section 30.04.230, chapter 33, Laws of 1955 as last amended by section 7, chapter 196. Laws of 1982 and RCW 30.04.230 are each amended to read as follows:

Sec. 1828(c).

(ii) There is no state bank, trust company, or national banking association doing business in the state of Washington or domestic bank holding company with sufficient resources willing to acquire the entire bank, trust company, or national banking association on at least as favorable terms as the out-of-state bank holding company is willing to acquire it;

MESSAGE FROM THE HOUSE
April 24, 1983

Mr. President:
The House has adopted the report of the Free Conference Committee on SENATE BILL NO. 3182, and has passed the bill as amended by the Free Conference Committee, and said report together with the bill are herewith transmitted.

DEAN R. FOSTER, Chief Clerk
Mr. Speaker:
Mr. President:

We, of your Free Conference Committee, to whom was referred Senate Bill No. 3182, modifying provisions relating to financial institutions, have had the same under consideration, and we recommend that Senate Bill No. 3182 be amended as follows, and that the amended bill do pass.

Strike everything after the enacting clause, and insert the following:

NEW SECTION. Sec. 1. There is added to chapter 30.04 RCW a new section to read as follows:

A bank or trust company may purchase for its own account shares of stock of a bank or a holding company that owns or controls a bank if the stock of the bank or company is owned exclusively, except to the extent directly qualifying shares are required by law, by depository institutions and the bank or company and all subsidiaries thereof are engaged exclusively in providing services for other depository institutions and their officers, directors, and employees. In no event may the total amount of such stock held by a bank or trust company in any bank or bank holding company exceed at any time ten percent of its capital stock and paid-in and unimpaired surplus, and in no event may the purchase of such stock result in a bank or trust company acquiring more than twenty-five percent of any class of voting securities of such bank or company. Such a bank or bank holding company shall be called a "banker's bank."

NEW SECTION. Sec. 2. There is added to chapter 30.04 RCW a new section to read as follows:

Sales of federal reserve funds with a maturity of one business day or under a continuing contract are not "loans or obligations" or "liabilities" for the purposes of the loan limits established by RCW 30.04.110. However, sales of federal reserve funds with a maturity of more than one business day are subject to those limits.

For the purposes of this section, "sale of federal reserve funds" means any transaction among depository institutions involving the disposal of immediately available funds resulting from credits to deposit balances at federal reserve banks or from credits to new or existing deposit balances due from a correspondent depository institution.

Sec. 3. Section 30.04.060, chapter 33, Laws of 1955 as amended by section 6, chapter 136, Laws of 1982 and RCW 30.04.060 are each amended to read as follows:

The supervisor, the deputy supervisor, or a bank examiner, without previous notice, shall visit each bank and each trust company at least once in each year, and oftener if necessary, for the purpose of making a full investigation into the condition of such corporation, and for that purpose they are hereby empowered to administer oaths and to examine under oath any director, officer, employee, or agent of such corporation. (Said) The supervisor may make such other full or partial examinations as deemed necessary and may examine any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington and obtain reports of condition for any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington. The supervisor may visit and examine into the affairs of any nonpublicly held corporation in which the bank, trust company, or bank holding company has an investment or any publicly held corporation the capital stock of which is controlled by the bank, trust company, or bank holding company; may appraise and revalue such corporations' investments and securities; and shall have full access to all the books, records, papers, securities, correspondence, bank accounts, and other papers of such corporations for such purposes. The supervisor may, in his or her discretion, accept in lieu of the examinations required in this section the examinations required under the terms of the federal reserve act for banks which are, or may become, members of a federal reserve bank or the deposits of which are insured by the Federal Deposit Insurance Corporation. Any willful false swearing in any examination (said) is perjury in the second degree.

Sec. 4. Section 30.04.110, chapter 33, Laws of 1955 as amended by section 1, chapter 136, Laws of 1989 and RCW 30.04.110 are each amended to read as follows:

The total liability to any bank or trust company of any person for money borrowed, including in the liabilities of a firm or association the liabilities of the several members thereof, shall not at any time exceed ((fifteen)) twenty percent of the capital and surplus of such bank or trust company; but the discount of bills of exchange drawn in good faith against actually existing values and the discount of commercial or business paper of solvent parties, actually owned by the person negotiating the same, shall not be considered as money borrowed by him: PROVIDED, That loans secured by collateral security having an ascertained market value of at least fifteen percent more than the amount of the loans secured, shall not be limited by this section.

Loans or obligations shall not be subject under this section to any limitation based upon such capital and surplus to the extent that they are secured or covered by guaranties, or by commitments or agreements to take over or to purchase the same, made by any federal
reserve bank or by the United States or any department, bureau, board, commission or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States.

For the purposes of this section, "capital" includes capital notes or debentures issued under chapter 30.36 RCW.

Sec. 5. Section 2, chapter 194, Laws of 1963 and RCW 30.04.128 are each amended to read as follows:

Any state bank or trust company, stock savings bank, or mutual savings bank may invest in the capital stock of banking service corporations (organized for the purpose of performing or providing mechanical, clerical, or record keeping services for two or more banks). The total amount which any such bank may invest in the shares of such corporations may not exceed in the case of a bank or trust company or stock savings bank, ten percent of its paid in or unimpaired capital and unimpaired surplus, or in the case of a mutual savings bank, ten percent of its guaranty fund. Such a bank service corporation may not engage in any activity other than ((the performance of services for banks)) those permitted by the bank service corporation act, 12 U.S.C. Sec. 1861, et seq., as amended by P.L. 97-320, and in effect on the effective date of this 1983 act. The performance of any service, and any records maintained by any such corporation for a bank, shall be subject to regulation and examination by the supervisor and appropriate federal agencies to the same extent as if such services or records were being performed or maintained by the bank on its own premises.

Sec. 6. Section 30.04.140, chapter 33, Laws of 1955 as amended by section 2, chapter 133, Laws of 1967 and RCW 30.04.140 are each amended to read as follows:

No bank or trust company shall pledge or hypothecate any of its securities or assets to any depositor, ((or creditor:)) except that it may qualify as depositary for United States deposits, postal savings funds or other public funds, or funds held in trust and deposited by any public officer by virtue of his office, or funds held by the United States or the state of Washington, or any officer thereof in trust, or for funds of corporations owned or controlled by the United States, and may give such security for such deposits as are required by law or by the officer making the same; and it may give security to its trust department for deposits with itself which represent trust funds invested in savings accounts or which represent fiduciary funds awaiting investment or distribution((: PROVIDED: That any bank or trust company may borrow, for temporary purposes, not to exceed the aggregate amount the paid-in capital and surplus thereof, and may pledge as security therefor assets of such corporation, not exceeding one and one-half times the amount borrowed)).

Sec. 7. Section 30.04.160, chapter 33, Laws of 1955 and RCW 30.04.160 are each amended to read as follows:

((When it shall appear to the supervisor that any bank or trust company is habitually bor­rowing for the purpose of reloaning, he may require such corporation to pay off such bor­rowed money. Nothing herein shall prevent any bank or trust company from rediscounting in good faith and indorsing any of its negotiable notes, but all such moneys borrowed and all such rediscounts shall at all times show on its books and in its reports. No certificates of deposit shall be issued for the purpose of borrowing money.)) No officer of any bank or trust company shall issue the note of such corporation for money borrowed or rediscount any of its notes except when authorized by resolution of its board of directors or by an authorized committee thereof. Violation of any provision of RCW 30.04.140 or 30.04.150 of this section shall constitute a felony.

Sec. 8. Section 7, chapter 136, Laws of 1969 and RCW 30.04.215 are each amended to read as follows:

In addition to all powers (previously) enumerated by this title, and those necessarily implied therefrom, a bank may engage in other business ((activity: PROVIDED: That)) activities that have been determined by the board of governors of the federal reserve system or by the United States Congress to be closely related to the business of banking, as of the effective date of this 1983 act. At least thirty days before investment in corporations or other entities under this chapter, notification by letter shall be made to the supervisor in accordance with such terms and conditions as the supervisor might establish by rule. A bank((:which:)) that desires to perform an activity (which) that is not expressly authorized by ((the powers enumerated in)) this section((:(which:)) shall first apply to the supervisor for authorization to conduct such activity. Within thirty days of the receipt of this application, the supervisor shall determine whether the activity is ((an appropriate adjunct)) closely related to the business of banking, whether the public convenience and advantage will be promoted, whether the activity is apt to create an unsafe or unsound practice by the bank and whether the applicant is capable of performing such an activity. If the supervisor finds the activity to be ((an appropriate adjunct)) closely related to the business of banking and the bank is otherwise qualified, he shall forthwith inform the applicant that the activity is authorized. If the supervisor determines that such activity is not (an appropriate adjunct) closely related to the business of banking or the bank is not otherwise qualified, he shall forthwith inform the applicant in writing. The applicant shall have the right to appeal from an unfavorable determination in accordance with the procedures of the Administrative Procedure Act, chapter 34.04 RCW((:as now or hereafter amended)).
whether a particular activity is (an appropriate adjacent) closely related to the business of banking, the supervisor shall be guided by (whether national banks under federal laws and administrative regulations and rules have the authority to perform such activity) the rulings of the board of governors of the federal reserve system in making determinations in connection with the powers exercisable by bank holding companies, and the activities performed by other commercial banks or their holding companies. Any activity which may be performed by a bank, except the taking of deposits, may be performed by a corporation, all of the outstanding stock of which is owned by the bank. A bank shall not invest a sum greater than twenty-five percent of its capital and surplus in the capital stock of corporations organized to perform activities authorized by this section.

Sec. 9. Section 30.04.230, chapter 33. Laws of 1955 as last amended by section 7, chapter 196, Laws of 1982 and RCW 30.04.230 are each amended to read as follows:

(1) A corporation or association organized under the laws of this state or licensed to transact business in the state, other than a bank or trust company, may acquire any or all shares of stock of any bank, trust company, or national banking association. Nothing in this section shall be construed to prohibit the merger, consolidation, or reorganization of a bank or trust company in accordance with this title (or to permit)(c).

(2) Unless the terms of this section are complied with, an out-of-state bank holding company (the operations of which are principally conducted outside this state to) shall not acquire more than five percent of the shares of the voting stock or all or substantially all of the assets of a bank, trust company, or national banking association the principal operations of which are conducted within this state.

(3) As used in this section a "bank holding company" means a company that is a bank holding company as defined by the Bank Holding Company Act of 1956, as amended (12 U.S.C. Sec. 1941 et seq.). An "out-of-state bank holding company" is a bank holding company that principally conducts its operations outside this state, as measured by total deposits held or controlled by its bank subsidiaries on the date on which it became a holding company. A "domestic bank holding company" is a bank holding company that principally conducts its operations within this state, as measured by total deposits held or controlled by its bank subsidiaries on the date on which it became a bank holding company.

(4) Any such acquisition referred to under subsection (2) of this section by an out-of-state bank holding company requires the express written approval of the supervisor of banking. Approval shall not be granted unless and until the following conditions are met:

(a) An out-of-state bank holding company desiring to make an acquisition referred to under subsection (2) of this section and the bank, trust company, national banking association, or domestic bank holding company parent thereof, if any, proposed to be acquired shall file an application in writing with the supervisor of banking and pay an investigation fee of five thousand dollars to the supervisor of banking. The application shall contain such information as the supervisor of banking may prescribe by rule as necessary or appropriate for the purpose of making a determination under this section. The application and supporting information and all examination reports and information obtained by the supervisor and the supervisor's staff in conducting its investigation shall be confidential and privileged and not subject to public disclosure under chapter 42.17 RCW. The application and information may be disclosed to federal bank regulatory agencies and to officials empowered to investigate criminal charges, subject to legal process, valid search warrant, or subpoena. In any civil action in which such application or information is sought to be discovered or used as evidence, any party may, upon notice to the supervisor and other parties, petition for an in camera review. The court may permit discovery and introduction of only those portions that are relevant and otherwise unobtainable by the requesting party. The application and information shall be discoverable in any judicial action challenging the approval of an acquisition by the supervisor as arbitrary and capricious or unlawful.

(b) The supervisor of banking shall find that:

(i) The bank, trust company, or national banking association that is proposed to be acquired or the domestic bank holding company controlling such bank, trust company, or national banking association is in such a liquidity or financial condition as to be in danger of closing, failing, or insolvency. In making any such determination the supervisor shall be guided by the criteria developed by the federal regulatory agencies with respect to emergency acquisitions under the provisions of 12 U.S.C. Sec. 1828(c);

(ii) There is no state bank, trust company, or national banking association doing business in the state of Washington or domestic bank holding company with sufficient resources willing to acquire the entire bank, trust company, or national banking association at least as favorable terms as the out-of-state bank holding company is willing to acquire it;

(iii) The applicant out-of-state bank holding company has provided all information and documents required by the supervisor in relation to the application, and

(iv) The applicant out-of-state bank holding company has demonstrated an acceptable record of meeting the credit needs of its entire community, including low and moderate income neighborhoods, consistent with the safe and sound operation of such institution.

(c) The supervisor shall consider:
(1) The financial institution structure of this state; and
(ii) The convenience and needs of the public of this state.
(5) Nothing in this section may be construed to prohibit, limit, restrict, or subject to further regulation the ownership by a bank of the stock of a bank service corporation or a banker's bank.

NEW SECTION. Sec. 10. Section 30.04.150, chapter 33, Laws of 1955 and RCW 30.04.150 are each repealed.

NEW SECTION. Sec. 11. The following acts or parts of acts are each repealed:
(1) Section 1, chapter 241, Laws of 1981 and RCW 43.19.095; and
(2) Section 2, chapter 241, Laws of 1981 and RCW 43.19.112.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. Sections 1 through 10 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Signed by: Senators Moore, Jones and Warnke; Representatives Wang and Sanders.

MOTION

Senator Moore moved that the report of the Free Conference Committee on Senate Bill No. 3182 be adopted.

POINT OF INQUIRY

Senator Rasmussen: "Senator Moore, I would like to get a little of this banking business on the record. There is a statement in this bill--this conference bill--there is no state bank, trust company, or national banking association doing business in the state of Washington or domestic bank holding company with sufficient resources willing to acquire the entire bank, trust company, or national banking association on at least as favorable terms as the out-of-state bank holding company is willing to acquire it." Do you know what those terms are?

Senator Moore: "That would depend on each individual situation. The potential buyer of one of our institutions--the buyer happening to be out of state. You know, no two deals are the same, so it would be up to the controller of the currency or our state banking supervisor to determine that."

Senator Rasmussen: "You have no knowledge, yourself, of the terms?"

Senator Moore: "No."

Senator Rasmussen: "This, then, is not a true statement that is in the bill?"

Senator Moore: "I think it is broad and I think it covers it. I do not think that you can define down to each individual deal what may or may not happen."

Senator Rasmussen: "O.K., thank you. Well, if we vote for this, we are accepting this as the gospel—that we know that there is no other way to handle it. The second question would be the newspapers and this is where we get most of our information—some on the radio—that SeaFirst has a one and half billion dollar drawing account from other banks. Do you know if they have attempted to draw on this reserve?"

Senator Moore: "Senator, I do not even know if it exists. You said that you got the information from the newspapers and, frankly, everything that I have ever known about that was published, you know, I took a second look at."

Senator Rasmussen: "Well, this is a statement by SeaFirst, itself. The other thing, Senator Moore, in this bill—the application and supporting information and all examination reports and information obtained by the supervisor of banking and
the supervisor's staff in conducting an investigation shall be confidential and privileged—the application and information may be disclosed. under Chapter 42, the application and information may be disclosed to the federal bank regulatory agencies. How would the average citizen get any information to take a bank on—let us say—with that type of secrecy?"

Senator Moore: "Senator, it is not all that secret. If the supervisor of banking, in his discretion, feels that public knowledge is important, he is obligated to divulge that."

Senator Rasmussen: "Well, my last question for you, Senator Moore, the Penn Square Bank failure happened six months ago. The federal supervisor of banking—the controller—knew about that and knew about the banks that were involved. Why was not the public made aware of the precarious condition of this bank and other banks?"

Senator Moore: "Senator Rasmussen, I have always favored complete public disclosure. I cannot answer for what the federal government does. I just don't know."

Senator Rasmussen: "Then, let us go to the state banking supervisor. They have no powers to examine banks?"

Senator Moore: "Yes, they do."

Senator Rasmussen: "Then, why were we not told then?"

Senator Moore: "Senator, I do not know."

Senator Rasmussen: "I think that those are questions that we need to have answered. Thank you, Senator Moore."

Senator Moore: "These things are available and can be queried."

PARLIAMENTARY INQUIRY

Senator Jones: "Mr. President, is our three-minute rule in effect?"

REPLY BY THE PRESIDENT

President Cherberg: "No, Senator. it is not in effect."

Senator Jones: "I had that feeling."

Debate ensued.

POINT OF INQUIRY

Senator Sellar: "Senator Moore, under the language of the bill, must the appropriate federal agency be involved?"

Senator Moore: "Yes, Senator Sellar, the Federal Bank Holding Company Act of 1956 requires that the Federal Reserve Board approve the transaction. The existing language of Senate Bill No. 3182 further requires that the state supervisor of banking make his findings in accordance with the criteria established by the federal regulatory agencies. In practice, this means that the state supervisor of banking must work very closely in consultation with the appropriate federal regulators."

Senator Sellar: "Senator Moore, will in-state institutions be given information allowing them to make an informed decision as to whether or not they desire to compete for acquisition of the troubled institution?"

Senator Moore: "Yes. Senator Sellar, under section 9, (4) (b) (ii), the supervisor must provide such information to potential in-state bidders to make a knowledgeable finding as required by this sub-section to the effect that there are no bank or bank holding companies within the state willing to acquire the troubled institutions on at least as favorable terms as the offer made by an out-of-state entity.

"Thus, at the appropriate time, information must be shared, while avoiding premature disclosure that could endanger further the troubled financial institution. The supervisor is thereby enabled to properly resolve the emergent situation."

Senator Sellar: "Does the language of the bill ensure that Washington State financial institutions will have an opportunity to match out-of-state offers?"

Senator Moore: "Yes, that is the explicit requirement of section 9 (4) (b) (ii) on page 13. Under the terms of this in-state preference clause, in-state financial institutions which have submitted bids will be given the opportunity to match the terms of the most favorable out-of-state bid, if the out-of-state bid is superior to all in-state bids. If this has not been done, then the supervisor would not be in a position to make a determination under the provisions of section 9 (4) (b) (ii)."
Further debate ensued.

POINT OF INQUIRY

Senator McDermott: "Senator Moore, I have read this bill some and particular section nine, which sets up the conditions under which an out-of-state bank may do certain things. There is nothing that refers to an in-state bank making a bid. My question is, why did the conference committee not consider doing what they did in Alaska, which is to make a door that swung both ways? The bill swings only inward. People can come into the state. I would like to know why did you not allow the door to swing the other way, so that a state bank could go out into another state?"

Senator Moore: "I cannot speak for the rest of the committee. From my standpoint, I wanted to move cautiously. I want to move in the most sensible way possible and it is very possible that we will take this up during the next session. I have no idea, but I don't like violent change."

PARLIAMENTARY INQUIRY

Senator McDermott: "Mr. President, the first eight sections of this bill have to do with state banking. It has to do with the various rules and regulations which apply to the supervisor of banking in this state, and section 9, which is the whole reason we are told we are here for, which is the SeaFirst section—that section applies to a national bank—not a state bank. It seems to me that the parliamentary question is, does this bill contain two subjects within a single bill and, therefore, is it unconstitutional under Article II, Section 19 of the State Constitution?"

REPLY BY THE PRESIDENT

President Cherberg: "Senator McDermott, the President has never offered any such opinion, but does believe that, in the final analysis, such a question would have to be answered in court."

REMARKS BY SENATOR MCDERMOTT

Senator McDermott: "Mr. President, will that be entered in the record?"

REPLY BY THE PRESIDENT

President Cherberg: "Yes, the Secretary advises so."

Further debate ensued.

POINT OF ORDER

Senator Gaspard: "Mr. President, a point of order. I believe Senator Quigg is violating the Senate Rules when he is impugning the motives of the Senator."

REPLY BY THE PRESIDENT

President Cherberg: "Senator Quigg, would you please confine your remarks to the motion?"

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Moore, you indicated, when questioned by Senator Sellar, that there were provisions in this conference report where other banks—in-state—would have the opportunity to bid. I point out to you on line 9 through line 14 on page 8. that once this body votes on that particular phase—'there is no state bank, trust company or national banking association doing business in the state of Washington or domestic bank holding company with sufficient resources.' That is a positive statement that we will be voting on and it will be part of the law. This is the law that we are passing?"

Senator Moore: "Well, not exactly, Senator."

Senator Rasmussen: "Well, it states that in this law."

Senator Moore: "I beg to differ. If you will look at the remarks, starting on line 11 on page 7 and read through to the bottom, you will see 'the supervisor of banking shall find that: the bank' and so on, and then we come to one, two, three and, I think, if you attach two in the context of (b), you will find that the supervisor of banking shall find that there is no bank in the state that can do the job."
Senator Rasmussen: "The line that you refer to--line 11--refers only to 'an out-of-state bank holding company desiring to make an acquisition' does not refer, at all, to an in-state bank."

Senator Moore: "It is line 7 (4)."

Senator Rasmussen: "Line 7--you are absolutely right--any such acquisition referred to under subsection (2) of this section by an out-of-state bank, 'It refers only to out-of-state banks and I don't know if you are all reading the same line that I am, but you could look at line 7 and line 11 and it only references out-of-state banks, Is that correct?"

Senator Moore: "I think you would need to read the entire section. I don't want to labor it, but I think that it all makes sense when put together and, I think, this is being lifted out of context."

Senator McDermott demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Moore to adopt the Report of the Free Conference Committee.

ROLL CALL

The Secretary called the roll and the motion by Senator Moore carried and the report of the Free Conference Committee was adopted by the following vote: Yeas, 34; nays, 14; absent, 00; excused, 01.

Voting yea: Senators Barr, Benitz, Bluechel, Bottiger, Clarke, Conner, Craswell, Deccio, Fuller, Gaspard, Goltz, Guess, Haley, Hansen, Hayner, Hemstad, Hughes, Hurley, Jones, Kiskaddon, Lee, McCaslin, McManus, Moore, Newhouse, Patterson, Peterson, Quigg, Shinpoch, Talmadge, Thompson, von Reichbauer, Warnke, Woody - 34.

Excused: Senator Pullen - 1.

Debate ensued.

Senators Zimmerman, Peterson and Rasmussen demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be the roll call on final passage of Senate Bill No. 3182, as amended by the Free Conference Committee.

ROLL CALL

The Secretary called the roll on final passage of Senate Bill No. 3182, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 34; nays, 14; absent, 00; excused, 01.

Voting yea: Senators Barr, Benitz, Bluechel, Bottiger, Clarke, Conner, Craswell, Deccio, Fuller, Gaspard, Goltz, Guess, Haley, Hansen, Hayner, Hemstad, Hughes, Hurley, Jones, Kiskaddon, Lee, McCaslin, McManus, Moore, Newhouse, Patterson, Peterson, Quigg, Shinpoch, Talmadge, Thompson, von Reichbauer, Warnke, Woody - 34.

Excused: Senator Pullen - 1.

SENATE BILL NO. 3182, as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

REMARKS BY SENATOR McDERMOTT

Senator McDermott: "Mr. President, I invoke Senate Rule 28 on Senate Bill No. 3182."

REMARKS BY THE PRESIDENT

President Cherberg: "Senator McDermott has invoked Rule 28 on Senate Bill No. 3182, which states that any Senator shall have the right to compare an enrolled bill with the engrossed bill before the President signs the same. Senator Rasmussen has joined in invoking the rule."

PARLIAMENTARY INQUIRY

Senator Bolliger: "Mr. President, I guess what I am asking—could those Senators delay the process of the bill that has been voted on by both houses, if they can't find any error?"

REPLY BY THE PRESIDENT

President Cherberg: "The Senators have the right to compare an enrolled bill with an engrossed bill. How long that takes, I don't know."

Senator Bottiger: "I guess at 4 o'clock in the morning if they haven't found any errors, can the President sign it then?"

President Cherberg: "Yes, the President has signed bills even later than that, Senator."

Debate ensued.

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Mr. President, I would presume that the President doesn't have any authority to sign after midnight tonight. That is the end of the day, even though our clocks are one hour behind. The session ends, as the Constitution provides on the 105th day—that is today—ends at midnight. I would suspect that the President's authority for signing bills for this session no longer exists."

REMARKS BY SENATOR CLARKE

Senator Clarke: "I would respectfully suggest to the President that that would be a matter for the courts to decide and if the President elects to sign at that time, that is the President's decision to make."

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that your remarks are correct. The President, as already indicated, has signed bills even later than that."
Senator Rasmussen: "Mr. President, you have signed bills at 4 o'clock in the morning, but not particularly on the last day of a constitutionally set session of 105 days."

REPLY BY THE PRESIDENT

President Cherberg: "Yes, Senator."
Senator Rasmussen: "With people raising a point of order on it?"
President Cherberg: "The President doesn't recall anyone ever raising that point of order at 3 o'clock in the morning, Senator."
Senator Rasmussen: "It could be if somebody raised the point at 12 o'clock midnight. It would be entered in the Journal."
President Cherberg: "Yes, it would, Senator. All points of order are in the Journal."

MOTION

Senator Bottiger moved that Senate Rule 28 be suspended, if the Senators objecting have not examined the document by 2 o'clock in the morning.

POINT OF ORDER

Senator Rasmussen: "A point of order, Mr. President. I suggest that Senator Bottiger's motion to suspend the rules would be out of order, because I think his motion is untimely."

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that the process has already started."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Speaking to the point of order, Senator Bottiger, being only one Senator on this floor and not the Holy Ghost, has no right to suspend the rules at any time after the constitutional session ends. Furthermore, he does not have the right to suspend the rule, after it has been invoked."

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that Senator Rasmussen's remarks concerning the invocation of the rule are correct—that it is untimely now to try and suspend the rule."

POINT OF INQUIRY

Senator Clarke: "Would Senator McDermott yield to a question?"
President Cherberg: "Senator McDermott does not yield."

REMARKS BY SENATOR HAYNER

Senator Hayner: "Mr. President, it appears to me that a member could certainly be entitled to look at the enrolled bill and compare it, but within a reasonable length of time as set by you. Otherwise, the process could be held up indefinitely on many bills."

REPLY BY THE PRESIDENT

President Cherberg: "The President can't find where he has the authority to set the time."

PARLIAMENTARY INQUIRY

Senator Woody: "I guess I simply need to know if a statement that I heard a short while ago is correct. The statement referenced the necessity for a bill passing both houses and being presented to the Governor's Office by midnight. The inference was that if this body had not passed the bill and approved it by midnight, that we would lose the opportunity to address it in this legislative session."
REPLY BY THE PRESIDENT

President Cherberg: "The President suggests that you direct your inquiry to the Secretary of the Senate. It seems an impossibility to be able to deliver all bills to the Governor before midnight."

POINT OF INQUIRY

Senator Bottiger: "Senator Rasmussen, the rule is there for obvious reason to cure and correct mistakes, but would not it be possible for any one member to hold this legislature in indefinite session by simply refusing to consider that and preventing the entire body from adjourning?"

Senator Rasmussen: "No way—in answer to Senator Bottiger’s question. There is no way that any one member can hold this body in session. The Constitution is all-powerful in that. The Constitution, as you well know, specifies 105 days and the 105th day ends at midnight tonight—at least that is my understanding."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Bolliger: "By way of parliamentary inquiry, could we require the Senators to make a report by a specific time by a majority vote?"

REPLY BY THE PRESIDENT

President Cherberg: "If the Senate has that authority, the President is unaware of it."

Senator Bottiger: "There is a rule that permits the Senate to require a committee to report a bill by a specific time."

President Cherberg: "The President believes that fits in the same category as the invocation rule. It is untimely. The Senate, in its wisdom, removed the question of consideration from the rule book and the President can’t think of any particular parliamentary move that could have prevented the invocation. If the point had been raised immediately, perhaps the President could have permitted a motion to require them to report to a time certain, but that did not occur."

PARLIAMENTARY INQUIRY

Senator Guess: "Mr. President, in reading Senate Rule 28, I see no provision in there where it says that any deviation from that must be timely and so I would then go to Rule 48 and ask if the corollary to that rule isn’t within the power of the body. The power of the body, as you have said many, many times is that it is up to the body to do anything that it wishes—and it has that power.

"Now, the rule says ‘any standing committee of the Senate may be relieved of further consideration of any bill, regardless of prior action of the committee.’ Could not that same power apply to a bill that is no more that five pages long being compared? Senator Rasmussen has been one of those who has chastised the speaker, upon occasion, for dilly dallying—or dilly dallying—and now we are being subject, Senator Rasmussen, to a little dilly dallying. The question is, can the will of the majority be thwarted?"

REPLY BY THE PRESIDENT

President Cherberg: "The President is unaware of any will of the majority at the present time, Senator. The rule does say that ‘any standing committee of the Senate may be relieved of further consideration of the bill, regardless of prior action of the committee by a majority vote of the Senators elected’—‘the committee’—this is not a committee."

Debate ensued.

MOTION

Senator Bottiger moved that section 1 of Senate Rule 35, requiring a 24-hour notice to amend be suspended.

POINT OF ORDER

Senator Fleming: "Mr. President, a point of order. The point of order is that I question a quorum of the Senate on suspension of the rules."
President Cherberg: "The motion to suspend is non-debatable. The President will recognize Senator Bottiger for explanatory remarks and then anyone else for rebuttal."

The President declared the question before the Senate to be the motion by Senator Bottiger to suspend section 1 of Senate Rule 35.

The motion by Senator Bottiger carried and section 1 of Senate Rule 35 was suspended.

MOTION

Senator Bottiger moved that Senate Rule 28 be repealed for a twenty-four hour period.

REMARKS BY THE PRESIDENT

President Cherberg: "Senator Bottiger, from what point—from what time period?"

Senator Bottiger: "Until the end of the session, Mr. President."

MOTIONS

On motion of Senator Bottiger, and there being no objection, the motion to repeal Rule 28 for a twenty-four hour period was withdrawn.

Senator Bottiger moved that Senate Rule 28 be repealed from now until the end of the session.

POINT OF INFORMATION

Senator Rasmussen: "He can suspend the rule after we have complied with the rule, which has already been invoked. There is no basis for suspending the rule when the Senators are already engaged in reading the bill. They are using the rule and they need that. I have to read it myself."

Debate ensued.

PARLIAMENTARY INQUIRY

Senator Rasmussen: "As I understand, we are not on a suspension of the rules."

REPLY BY THE PRESIDENT

President Cherberg: "In a sense it is. Senator—repeal—suspend—the President doesn't believe there is much difference between repeal or suspend."

Senator Rasmussen: "Yes, there is a lot of difference."

President Cherberg: "Well, I know—"

Senator Rasmussen: "Let me speak to that. Mr. President. The motion to suspend says that you temporarily are suspending the rules. A motion to repeal requires a two-thirds vote or is the same as it is to change the rule, as Senator Bottiger well knows. I can't conceive of anybody that believes in the operation of the rules of the Senate that after you have invoked the rule—any one of you—that then they come and say 'well we are going to repeal it now today, because we don't like what is happening.' You could cut off everything. I can't agree with that at all. I think the only way that you can have an orderly business of the Senate is to observe the rules, work with the rules and try and give—and all rules are adopted so that each Senator has a fair opportunity on this floor to express himself and themselves and to talk about the issues that are important."

"Now, right at this stage of the game, not all of you, because I am sure that most of you do not agree with this. You are very fair about it. You want the rules observed. If you would take a good look at that rule—it was put in there for one purpose—Rule 28. I will just quote from it. I won't read it—'Any Senator shall have the right to compare an enrolled bill with the engrossed bill before the President signs the same.' Now, what would that mean to you? It would mean the same, I think, as I read it, which says 'comparing an enrolled and engrossed bill that comes through here and is amended and changes made'—you want the same thing in there that you have adopted."

"You want that for the enrolled bill, which may get to the Governor tomorrow, the next day or the day after, and it is filed, also, with the Secretary of State. You
have to recognize that if you operate without rules or because if somebody steps on your toes—I am going to change the rules. You, obviously, don't want that. You don't want anybody stepping on your rights to represent the people of this state. Your voters sent you down here—not to be sheep or not to fluster—but to state the facts as the rules are laid out and as the Constitution provides. There isn't any question in my mind—*

**REMARKS BY THE PRESIDENT**

President Cherberg: "The motion is non-debatable. Rebuttal remarks are permitted, but the President believes you have extended your time."

Senator Rasmussen: "Mr. President, it was my understanding that it wasn't a motion to suspend, but a motion to change."

President Cherberg: "You are correct. It was a motion to repeal Rule 28."

Senator Rasmussen: "That is debatable. There is no rule that prohibits you from debating a change in the rules. The only rule that says there is no opportunity to debate is when it is a motion to suspend. Am I correct?"

President Cherberg: "Your point is well taken—yes."

Senator Rasmussen: "I am just trying to go by the rules. There has never been a time that I have tried to evade the rules. I have always worked with them. Those of you who have worked with me in the last thirty-five years in the House and Senate know that—that I am going by the rules."

President Cherberg: "For what purpose does Senator Hayner rise?"

**POINT OF ORDER**

Senator Hayner: "A point of order, Mr. President. I have the distinct feeling that Senator Rasmussen is trying to run the time out on this and I would like to make a point. Mr. President, this Rule 28 was not designed to thwart the will of the majority, even though the time is not in there. Usually, under law, if there is no specific time given, it is a reasonable length of time to inspect the engrossed bill."

**REPLY BY THE PRESIDENT**

President Cherberg: "The President agrees with that statement—a reasonable length of time."

Senator Hayner: "A reasonable length of time. They have had fifteen to twenty minutes already. It is not a very long bill, Mr. President."

President Cherberg: "No. Senator Rasmussen, you have not yielded the floor."

**PARLIAMENTARY INQUIRY**

Senator Bottiger: "Mr. President, did the President rule that Senator Rasmussen has a reasonable length of time to present the other side of the motion to repeal the rule?"

**REPLY BY THE PRESIDENT**

President Cherberg: "Would you repeat the question?"

Senator Bottiger: "Does he have a reasonable length of time or can he filibuster beyond 12 o'clock?"

President Cherberg: "According to the rules, Senator Rasmussen has the floor."

Senator Rasmussen: "I was merely explaining what I was trying to do and let me assure you that I would like to go home. I would have liked to have gone home permanently at the end of the session at 12 o'clock, but it doesn't look like it because Senator McDermott is reading the bill and I have to read it after that—before the President can sign it. That is what the rule says. I don't know why you would think—"

President Cherberg: "Under those circumstances, Senator Rasmussen, the President believes that you should yield the floor."

Senator Rasmussen: "I will when I get through telling them what I think."

President Cherberg: "The President believes that you may be practicing dilatory tactics. Senator."

Senator Rasmussen: "No. Have I made any motion or anything that may have delayed the action, Mr. President? There is no three-minute rule and a Senator is allowed to explain his position. I would try and concentrate on the issue at hand."
President Cherberg: "Senator Rasmussen, the President will permit up to five minutes to twelve."

Senator Rasmussen: "That is a long time, Mr. President. It is only five minutes to eleven, now, by our clocks. Thank you, Mr. President. I will try and comply with your wishes."

President Cherberg: "Daylight saving time, Senator."

Senator Rasmussen: Daylight saving time? Thank you, Mr. President."

President Cherberg: "It is now 11:52. You have less than three minutes, Senator."

Senator Rasmussen: "How could I read that bill in that time?"

President Cherberg: "To complete your comments, Senator."

Senator Rasmussen: "I can complete my comments, but I don't know if I can read the bill in that time. I am a slow reader. I am trying to determine what the body thought they had put in this rule—and that was to make it very clear to all of you, that we don't want dilatory or dilly dallying tactics on this floor. What we do want is the right of the minority preserved, which is the right to use the rules for your benefit and to protect the rights of the people that represent you. That is what we are all here for. If we were to go home and say—'I give up'—that we don't even want to argue the point, that we are not going to obey the rules, there really isn't much use of you coming down for the session."

"I fully believe and I have always believed—and that is why I have worked so hard with those of you that believe in the rules of the Senate. We don't have Joint Rules, unfortunately, Senator Hayner complained about that. She complained that there were no Joint Rules and there aren't any and that is unfortunate. I don't know how to explain that. We didn't have any last session. I couldn't explain that either, but this session, we have a very clear rule that has never been challenged. It is said that you have that right to read that bill. I hope, Mr. President, that nobody on this floor will take advantage of the fact that I can't talk all night."

"I am trying to present those points that, I think, are important to you. I would hope that you recognize that so that I can leave the floor safely, with the knowledge that you are not going to destroy the rules and that I can then go and read the enrolled bill. It is very difficult to read an enrolled bill. I can read the rules and that is all. I would urge all of you to take a good look at the rule, believe what it means, support the Constitution, support the people that voted for you and support general good government, instead of chaos. Some countries operate without rules. We don't want that in this country. It is very important. It is very important that each person have a chance to speak."

MOTIONS

On motion of Senator Bottiger, and there being no objection, the motion to repeal Rule 28 was withdrawn.

Senator Bottiger moved that Senate Bill No. 3182 be brought before the Senate immediately to compare the enrolled bill with the engrossed bill. Senators Vognild, Bottiger and Peterson demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator Bottiger that Senate Bill No. 3182 be brought before the Senate immediately to compare the enrolled bill with the engrossed bill.

The motion by Senator Bottiger carried.

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, I have been informed that the House has compared the enrolled bill with the engrossed bill and found it to be identical and that the Speaker of the House has signed the bill. May I ask if the Secretary of the Senate has compared the enrolled bill with the engrossed bill?"

POINT OF ORDER

Senator Rasmussen: "My point of order, Mr. President, is that there is no provision for the Senate to accept the House scrutiny of a bill."
REPLY BY THE PRESIDENT

President Cherberg: "Your point is well taken, Senator. The President would like to propose a question. What is the hangup?"

Senator Bottiger: "The motion to direct the President to sign the bill."

President Cherberg: "The President would like to have his questions answered. What is the hangup on the time—12 o'clock? The President has signed hundreds of bills after 12 o'clock."

Senator Bottiger: "I have no hangups whatsoever, Mr. President. Senator Rasmussen apparently has some."

Senator Rasmussen: "I think it is the height of something or other to seek to demand that the constitutionally elected presiding officer of the Senate—elected in his own right statewide—that he has to accept directions from anybody—that he has to sign anything at any time and I see no reason to accept such a frivolous motion as that and I am shocked. I am absolutely shocked that you could even suggest such a thing as that. I would never do that myself."

REMARKS BY SENATOR CLARKE

Senator Clarke: "Mr. President, with all due respect, you asked the 'hangup,' and I understand that you have signed many bills after the deadline and after sine die. I am trying to avoid a constitutional question, in the courts later which can be obviated if you would sign this bill prior to 12 o'clock. I am concerned about the constitutional section, which I read, that requires a bill to be signed in open session. I am afraid that an argument would be made in court that this open session as an open session terminates at midnight."

REPLY BY THE PRESIDENT

President Cherberg: "The Senate is still in open session and probably will be for several hours."

POINT OF ORDER

Senator Rasmussen: "Didn't you rule that we were running on daylight saving time? I would call your attention to the clocks at both ends of the chamber, which now indicate that we are now one minute after midnight. One minute after midnight—and this is the President's ruling—he didn't want me to talk for another hour and I didn't blame him. I do call your attention right now, Mr. President, to the time, which is after midnight. The bill has not been signed. There is that question and I didn't raise it, but Senator Clarke raised—the constitutional question here—and that is a very valid question, I am sure. Senator McDermott is here and I have not had a chance to read the bill."

REPLY BY THE PRESIDENT

President Cherberg: "Further discussion is moot at this point, Senator."

REMARKS BY SENATOR McDERMOTT

Senator McDermott: "Mr. President, I would like to have it entered in the Journal that I was only able to read three-quarters of the bill."

PARLIAMENTARY INQUIRY

Senator Rasmussen: "Under Rule 28, can I now read the bill?"

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that you have the right to read it. Senator Rasmussen, but you will have to return in time, so that the President can sign it in an open meeting. What would you consider a reasonable time, Senator?"

Senator Rasmussen: "Being a slow reader, probably fifteen minutes."

President Cherberg: "Is that agreeable—fifteen minutes?"

PARLIAMENTARY INQUIRY

Senator Deccio: "Mr. President, the session by law is 105 days. Does it mean 105 days of twenty-four hours each? I assume that is what it would mean."
President Cherberg: "That is something for the judiciary to decide, Senator."

POINT OF ORDER

Senator Zimmerman: "A point of order, Mr. President. Under the circumstances of Senator Rasmussen, then, each one of us would have the opportunity to read the bill and we will be here as long as it takes to read and, therefore, we shall figure that we shall be here until late into the night?"

REPLY BY THE PRESIDENT

President Cherberg: "Not unless you invoke Rule 28."

Senator Zimmerman: "Under the circumstances, we are allowed to do that?"

President Cherberg: "Senator Rasmussen will have fifteen minutes to read the bill."

Debate ensued.

POINT OF ORDER

Senator McDermott: "Mr. President, my point of order is—could you tell me what time it is?"

President Cherberg: "Starting time?"

Senator McDermott: "Yes, right now."

President Cherberg: "12:05."

Senator McDermott: "A.M.—on the 106th day?"

President Cherberg: "It is later than that now."

Senator McDermott: "Right now?"

President Cherberg: "It is 12:05 a.m."

Senator McDermott: "On the 106th day, then?"

President Cherberg: "It is 12:05 a.m."

PARLIAMENTARY INQUIRY

Senator McCaslin: "As a freshman, I am inquisitive as to why Senator McDermott had thirty minutes to read the bill and only read three-quarters of it and we have allowed Senator Rasmussen fifteen minutes to read the bill?"

REPLY BY THE PRESIDENT

President Cherberg: "Slim is married to a school teacher."

At 12:09 a.m., there being no objection, the President declared the Senate to be at ease.

The President called the Senate to order at 12:15 a.m.

POINT OF ORDER

Senator Rasmussen: "Mr. President, I have read the enrolled bill. The enrolled bill said it has passed the Senate April 24, 1983. The President of the Senate is expected to sign the bill April 24, 1983; Mr. President, as a point of order, I raise the point of order that it is now a quarter after twelve. We are beyond the twenty-fourth day and although the President may sign the bill, saying it is the twenty-fourth day, for all purposes in the world—that the Supreme Court looks at—it is the twenty-fifth day and the session has ended as of midnight on the twenty-fourth. So, I will return the enrolled bill to you, Mr. President, with those observations."

SIGNED BY THE PRESIDENT

The President signed:
SENATE BILL NO. 3182.

POINT OF ORDER

Senator McDermott: A point of order, Mr. President. Could you tell us the time, please?"
Reply by the President

President Cherberg: "The time is 12:16:58, the 105th working day."

Remarks by Senator Clarke

Senator Clarke: "Just for the record, that is daylight saving time?"

Reply by the President

President Cherberg: "Yes, that is daylight saving time."
