WHEREAS, A levy which makes a prohibitive increase in the cost of purchasing beer and wine in Washington State by citizens of British Columbia can be viewed as an unfriendly barrier to trade which has the potential for giving rise to retaliatory actions which would be counterproductive to a desirable broadening of economic and cultural interchange between the state of Washington and British Columbia;

NOW, THEREFORE, BE IT RESOLVED, That the Senate of the state of Washington protests the action of the British Columbia Liquor Distribution Branch under which an exorbitant increase is to be made in the casual beer and wine importation levy and requests reconsideration of that action; and

BE IT FURTHER RESOLVED, That copies of this resolution shall be immediately transmitted to the Honorable William Richard Bennett, Premier of the Province of British Columbia, the Provincial Parliament of the Province of British Columbia, and Mr. Robert A. Wallace, General Manager of the British Columbia Liquor Distribution Branch.

POINT OF INQUIRY

Senator Rasmussen: "Senator Goltz, at the bottom, next to the last paragraph, 'an exorbitant increase is to be made in casual beer and wine importation'--does that mean if you're going up to the Expo and you want to take a little extra booze along with you to keep you going that a levy will be made there at the border patrol station or does this relate to truckloads in commerce? One more question, if I should be coming from California with a gallon of California wine and go through Oregon and Washington without tax and then when I get to British Columbia, would they put a ten dollar a gallon tax on it?"
Senator Goltz: "They would put the levy on the wine regardless of its origin as I understand it. If you bring wine from California all the way through to the border, when it gets to the border you have to comply with their requirements at the border.

"With respect to your first question. The intent here is the casual bringing. That means a few bottles. It does not apply to truckloads. Their government is a completely different part of the law. This is for casual beer and wine importation and the Canadians come down, because they like our products and they bring them back as--I think the word 'casual' is to refer really to private use or personal use of these products."

Senator Rasmussen: "Well, another question. I haven't seen the regulation, but they do not allow you to one bottle or the two bottle limit as the other states do?"

Senator Goltz: "As I understand it, they apply a duty to every part of what is brought in under this arrangement."

Senator Rasmussen: "Thank you."

Further debate ensued.

The President declared the question before the Senate to be adoption of Senate Resolution 1986-157.

The motion by Senator Goltz carried and the resolution was adopted.

WHEREAS, The Puget Sound region has long been recognized for its strategic importance to the security of the United States; and

WHEREAS, The members of the Washington State Senate are aware of the United States Navy's decision to select the city of Everett as the site for development of a home port facility for a carrier battle group; and

WHEREAS, The development and operation of the home port facility will stimulate economic activity throughout the entire Puget Sound region by generating thousands of new jobs with a payroll that will result in increased consumer purchasing and tax revenues for state and local governments; and

WHEREAS, The citizens of the city of Everett demonstrated their overwhelming support for the Navy's decision to locate a home port facility in Everett through a special advisory vote taken in the 1984 general election; and

WHEREAS, The Navy has already demonstrated a good faith commitment to following through on its decision to develop the Everett home port facility by allocating almost eighteen million dollars for land acquisition as the first phase of facility development; and
WHEREAS, The Washington State Senate has historically taken responsibility for helping to mitigate and manage the impacts of major economic development projects through enhancement of such public sector responsibilities as schools, roads, and the provision of health and human services:

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate extends a warm welcome to the United States Navy in its move to establish a home port facility in the city of Everett; and

Do you know what the arrangement is in each of these school districts for after-hour payment of drivers and what-have-you, when they use buses after the school hours?”

Senator Gaspard: “The allocation system that we have now for transportation does not allow for extra curricular activity transportation, so it has to come out of your local funds—other funds in basic education—if that’s what you’re concerned about.”

Senator Patterson: “Basically, my concern is that transportation now is under the basic education act—the transportation of students.”

Senator Gaspard: “To and from school.”
Senator Patterson: "Paid for by—I just want to make sure that the school districts understand that this is not going to be picked up in the state appropriation and I wanted to make sure that that does not happen—that it comes out of their local levy money."

Senator Gaspard: "Senator Patterson, to agree with you, we pay basically to and from the school. There may be exceptions for handicapped students, but for extra curricular activities—basic education—through the allocation of transportation funds does not allow for extra curricular activity."

**MOTION**

Senator McDermott moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.88 RCW to read as follows:

The omnibus biennial operating appropriations act shall include an appropriation for the full amount that will be paid out during the biennium under any postretirement cost-of-living adjustment adopted after the effective date of this act.

Sec. 2. Section 2, chapter 96, Laws of 1979 ex. sess. and RCW 41.32.485 are each amended to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, 1979, as a cost-of-living adjustment, no beneficiary receiving a retirement allowance pursuant to this chapter shall receive, as the pension portion of that retirement allowance, less than ((ten)) thirteen dollars per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ((ten)) thirteen dollars. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the retirement allowance of each beneficiary who either is receiving benefits pursuant to RCW 41.32.520 or 41.32.550 as of December 31, 1978, or commenced receiving a monthly retirement allowance under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. This adjustment shall be in lieu of any adjustments provided under RCW 41.32.499(6) as of July 1, 1979, or July 1, 1980, for the affected beneficiaries. Such adjustment shall be calculated as follows:

(a) Retirement allowances to which this subsection and subsection (1) of this section are both applicable shall be determined by first applying subsection (1) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those beneficiaries to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each beneficiary to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

(3) The provisions of subsections (1) and (2) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.32.540 or 41.32.760 through 41.32.825.

Sec. 3. Section 1, chapter 96, Laws of 1979 ex. sess. and RCW 41.40.198 are each amended to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, 1979, as a cost-of-living adjustment, no beneficiary receiving a retirement allowance pursuant to this chapter shall receive, as the pension portion of that retirement allowance, less than ((ten)) thirteen dollars per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ((ten)) thirteen dollars. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) The provisions of subsection (1) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.40.220(1), 41.44.170(5), or 41.40.610 through 41.40.740.

NEW SECTION. Sec. 4. There is appropriated five million three hundred thousand dollars, or so much thereof as may be necessary, from the general fund for the purposes of paying the cost-of-living adjustments provided in sections 2 and 3 of this 1986 act. Of this amount, two million dollars shall be deposited in the teachers' retirement fund and three million three hundred thousand dollars shall be deposited in the public employees' retirement fund.

NEW SECTION. Sec. 5. This act shall take effect on July 1, 1986."

MOTION

On motion of Senator Zimmerman, the following resolution was adopted:

SENATE RESOLUTION 1986-158

by Senators Zimmerman, Bluechel, Kiskaddon and Bender

WHEREAS. Learning disabilities, including dyslexia, are defined as disorders in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations; and

WHEREAS. The number of children suffering from learning disabilities is increasing with estimates of reading failure including ten to twenty percent of the school population. Ten percent of children in middle class homes risk school failure in the first three grades. One child in thirty is affected; and

WHEREAS. During the later school years about ninety percent of a student's studies depend directly upon reading ability. Students who fail to develop highly skilled reading abilities face serious handicaps in their future as productive citizens. They often face lower lifetime earnings, lower social status, and they experience greater difficulty achieving goals commonly associated with happiness and success in our culture; and

WHEREAS. The unrecognized or untreated learning disabilities lead to the tragic failure of children who never reach their full potential; and

WHEREAS. Shari Lyn Rusch has suffered severe learning disabilities including dyslexia, limiting physical conditions, and personal trauma; and

WHEREAS. Due to early identification, strong parental support, and her sheer determination and strong desire to succeed, she has overcome those disabilities, graduating fourth in her high school class, winning the Miss Northshore beauty pageant, and successfully embarking upon a degree program at the University of Washington with a goal of master's degree in clinical psychology; and
WHEREAS, She has successfully completed and published a book, detailing her experiences and philosophies; and

WHEREAS, Despite the predictions of failure by educators and test results indicating low achievement potential, she continues to overcome these predictions and achieve much greater success than expected;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate recognizes and honors the courage and determination displayed by Shari Lyn Rusch and acknowledges that her spirit and dedication serve as a fine example to all young persons, especially the learning disabled; and

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted by the Secretary of the Senate to Shari Lyn Rusch and her family.

There being no objection, the President returned the Senate to the first order of business.

Debate ensued.

PERSONAL PRIVILEGE

Senator Kiskaddon: "Mr. President, a point of personal privilege. I guess my main concern is that when you do have amendments in the book and they are to be considered and you stop a meeting at one part of the day and you pick it up at another part of the day and then say, 'I will not consider the amendments you still have in the book that dealt with other sections to the bill.' I do not like the practice. I believe in the process of an open committee meeting. It means take the time for the amendments that are there and to say too that we would just not consider any amendments in committee when they were on the desk and in the books in the afternoon and to stop a meeting at one point and say you cannot offer amendments at another point, I don't like it and as a chairman, I will guarantee you—if I'm in that roll—I would not ever do that. That's a real violation for a good committee process."

PERSONAL PRIVILEGE

Senator Wojahn: "Mr. President, a point of personal privilege. One point of clarification on stopping a meeting—and it wasn't stopping a meeting—the time was over. The Transportation Committee was already moving into the committee room. The people who wished to testify before Transportation were coming in. There was no time to consider a ream of amendments that were laid before us and the committee was adjourned.

"As far as what occurred in the evening of the committee meeting, after the Kiskaddon amendment was stripped from the bill, the other amendments that were on the desk related to the amendment that was out of the bill and there were at
least two hundred people there to testify on an important bill that we had set special time away to consider. To delay and go into a ream of amendments that didn’t fit after the amendment was stripped, would have been taking time away when there were problems before us. We all know that bills are killed through the amendatory process. If you can delay a committee long enough, you can kill any bill before this body and that’s exactly what appeared to be happening and I’m not impugning anyone’s motives. It’s simply that there is a time; everyone knew the cutoff was here. The cutoff is here now and we did the best that we could under very, very distressing situations.

"I have before me a note here—a communication from Senator Stratton, whose husband is gravely ill. She could not come; I called and asked her—offered to pay for a nurse to be with her husband so she could be here, so you could see her. She said, ‘I can’t. He’s too ill. I have to learn to use this equipment and it’s dreadfully difficult and I simply cannot handle any more.’ So, I did fly to Spokane. Senator Stratton this session—during this session in 1986—received a state award for her work in the area of drug abuse and substance abuse.

"This bill has great public interest. It is a bill that needs to be heard. Amendments can be offered on the floor. The bill will be heard. This is your chance. Amendments can be offered on the floor. The bill will be heard. This is your chance. She wanted on that bill. She wanted to be here. She could not be. She has made one statement that I have before me—‘In the last decade, we have begun to fight the battle. That is a tremendous first step. However, we need to continue to combine awareness with action, if we are to successfully overcome the problem of drug abuse in our society.’ Now this is the statement from Senator Stratton. I wanted you to hear it. I wanted you to know of her keen interest. and had she been able to be here for one bill in her entire term of office, this would have been the bill she would have wanted to be here for. Thank you."

Further debate ensued.

President Cherberg: "On your point, Senator, it will be necessary for the President to review the situation to determine a proper ruling."

Senator McDonald: "Mr. President, I understand that. The agreement between myself and Senator Vognild is that we would allow it to go into the Rules Committee, but if and when it comes before us that we would ask for that ruling."

President Cherberg: "It would be in order."

POINT OF INQUIRY

Senator Rasmussen: "Senator Goltz, do they collect the use tax in Canada and if we go up there to visit Expo, we can come back with everything we can get by the border without paying the use tax?"

Senator Goltz: "My understanding is that we do pay use taxes when we buy goods in Canada. I'm not aware of being excused from paying taxes in Canadian stores."

Senator Rasmussen: "I wasn't aware of it and I was going to ask Senator Bauer."

POINT OF INQUIRY

Senator Rasmussen: "Senator Bauer, you go across to Meier and Frank or some place over there—just cross the bridge and buy your new shoes, do they stop you when you come back across the state line and ask you to pay the use tax that you've never paid in Oregon?"

Senator Bauer: "Well, Senator Rasmussen, I just did buy a new pair of shoes a few weeks ago and I hid them in the back of my truck when I came back and they didn't get any tax on it. I should have paid tax."

Senator Rasmussen: "Usually you leave the old ones there and bring the new ones back. You're changing your methods then?"

Senator Bauer: "That's right."

Senator Rasmussen: "Well, thank you. It would appear to me that we're giving too big of an advantage to the border. Those people who live close, of course, and there's no toll on the bridge anymore, which could be a use tax. The people in all the border counties can do their shopping and pay no use tax, even with this law. Is that correct?"

Senator Bauer: "If it's mail order catalog, that's different from going over and buying right off of the counter, certainly. The people are supposed to pay the sales tax now when they go across the border and when they come back that is a reasonable requirement, but Senator Rasmussen, as Senator Vognild said, you know we are playing a new expression around here in unlevel fields for our businesses in Southwestern Washington that pay all of the taxes in the state of Washington, pay the B & O, pay all the property taxes and are good citizens and yet their businesses go down the drain, because we allow a big loophole in the law and so they are at a disadvantage to everybody else. You know, if you are for our Washington State businesses and want them to thrive and exist and pay state taxes and pay for schools, then we ought to give them as much protection as we can—just a good old Republican concept. Right?"

Senator Rasmussen: "Thank you."

Further debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Goltz, I'm worried about the border crossing. When we came back last summer, it took us about an hour to get across. We almost missed our plane. Now, when the State Department of Revenue sets up a use-tax collection station at the border, can you give an estimate of how long it is going to take us to cross the border next summer?"

Senator Goltz: "About three hours."

POINT OF INQUIRY

Senator Guess: "Senator Rasmussen, are you going to go to Expo '86?"

Senator Rasmussen: "No."

Senator Guess: "You're going to save that three hours?"
Senator Rasmussen: "I am and I'm going to save my money. They tell me that prices are very high in Canada. It might be fine—the Expo. I know that Senator Goltz has worked very hard on it, but I'm not going."

The President declared the question before the Senate to be the roll call on final passage of Engrossed House Bill No. 1743.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Williams, I'm always concerned when we allow interception of private communication, such as telephone calls, and I understand the intent behind this bill, but I want to understand the breadth of what we're covering here. For example, we're adding the words, 'emergency medical service' and 'emergency communication center' in the bill and yet I don't see those terms defined anywhere in the bill. Can you give me an example of emergency medical services and emergency communication centers? What kind of emergencies are we talking about here and, for example, would your family doctor be an example of an emergency medical service? Are we taking out flood control, for example, under emergency communications? I just want to understand all the groups or agencies that will now be able to intercept and record the private telephone conversations."

Senator Williams: "I'm not certain that I can, at this particular moment, give you a definition of all of those. I know in the case of emergency medical service, we're basically talking about the emergency section of a hospital, if you call the hospital, or an ambulance service perhaps—I'm not sure about that.

"The people who testified at the committee in support of the bill were basically the Washington Poison Network and the Washington State Medical Association. I don't believe that I can give you a technically correct answer to those terms at this moment."

SECOND READING

ENGROSSED HOUSE BILL NO. 134, by Representatives Jacobsen, Long, Unsoeld, Allen, Todd, Niemi, Appelwick, Tilly, Winsley, Tanner, Lux, May and Belcher

Regulating the use of automatic dialing and announcing devices.

The bill was read the second time.

MOTIONS

Senator Williams moved that the following amendment by Senators Williams, Saling and Bailey be adopted:

"NEW SECTION. Sec. 1. The legislature finds that the use of automatic dialing and announcing devices for purposes of commercial solicitation: (1) Deprives consumers of the opportunity to immediately question a seller about the veracity of their claims; (2) subjects consumers to unwarranted invasions of their privacy; and (3) encourages inefficient and potentially harmful use of the telephone network. The legislature further finds that it is in the public interest to prohibit the use of automatic dialing and announcing devices for purposes of commercial solicitation.

The legislature finds that information delivery services, which are also known as information-access telephone services and more commonly known as "976" services, are in widespread use in the state. These services operate on a charge-per-call basis and provide revenue for both the service provider and the telecommunications companies. The marketing practices for these toll telephone services have at times been misleading to consumers and at other times specifically directed toward children. The result has been the placement of calls by individuals, particularly by children, uninformed about the charges that might apply. Therefore, the legislature finds that residential telephone users in the state are entitled to reasonable protection from telephone services they have no desire to use due to confusion or misinformation about these services.

NEW SECTION. Sec. 2. (1) As used in sections 1 through 7 of this act:
(a) An automatic dialing device is a device which automatically dials telephone numbers. An automatic announcing device is a device that plays a recorded message once a connection is made. An automatic announcing device includes recorded messages known as information delivery services.
(b) Commercial solicitation means the unsolicited initiation of a telephone conversation for the purpose of encouraging a person to purchase property, goods, or services.
(c) "Information delivery services" means telephone recorded messages, interactive programs, or other information services which are provided for a charge to a caller. These services are usually provided through a "976" telephone number.
(d) "Information providers" means the persons or corporations that provide the information, prerecorded message, or interactive program to the telecommunications company for the information delivery service. The information provider generally receives a portion of the revenue from the calls.
(e) "Interactive program" means a program which allows an information delivery service caller, once connected to the information provider's announcement machine, to use the caller's telephone device to access more specific information.
(f) "Currently equipped" means an existing switch and software that has the current capability of blocking access to information delivery services on an individual customer basis.
(2) No person may use both an automatic dialing and announcing device for purposes of commercial solicitation. This section applies to all commercial solicitation intended to be received by telephone customers within the state.
(3) A violation of this section is a violation of chapter 19.86 RCW. It shall be presumed that damages to the recipient of commercial solicitations made using an automatic dialing and announcing device are five hundred dollars.
(4) Nothing in this section shall be construed to prevent the Washington utilities and transportation commission from adopting additional rules regulating automatic dialing and announcing devices.

NEW SECTION. Sec. 3. The utilities and transportation commission shall by rule require telecommunications companies to offer each residential telephone subscriber the opportunity to have the subscriber's telephone blocked or deleted from access to all information delivery services. This means that the residential telephone subscriber's telephone would not complete a call to any 976 or information delivery service number. Under this rule, any telecommunications company that makes available information delivery services must also make available to its subscribers the blocking service described in this section.

NEW SECTION. Sec. 4. The utilities and transportation commission shall by rule mandate that information providers who make information available that constitutes lewd matter under RCW 7.48A.010 also provide at their expense for access to their services only through a personal identification number in conjunction with 976.
NEW SECTION. Sec. 5. The telecommunications company shall inform subscribers of the rules adopted under sections 3 and 4 of this act, including the availability of the blocking service, through a bill insert or by publication in the telephone directory.

NEW SECTION. Sec. 6. The costs of complying with the rules adopted under sections 3 and 4 of this act shall be borne by the information providers.

NEW SECTION. Sec. 7. The rules under sections 3 through 6 of this act shall take effect on or before December 1, 1986. The commission may also order a phase-in period for the rules if a telecommunications company is not currently equipped to block the services. If a telecommunications company is not so equipped, then the commission shall examine the economic feasibility of installing the blocking system if the newly installed system would be only for the purpose of blocking access to information delivery services.

NEW SECTION. Sec. 8. Sections 2 through 7 of this act are each added to chapter 80.36 RCW.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

POINT OF INQUIRY

Senator Lee: "Senator Thompson, a specific example that I have in mind—the Federal Way School District has voted itself a bond issue for its share of state building funds, however, included in that school district’s boundaries are many of the homes that are impacted by the Midway Landfill, with people not going to be able to sell their homes and so on, where the assessed valuations indeed may be plummeting. Would this bill, if passed, take care of that situation, so that they could still float the full amount of the bond issue that had previously been issued?"
Senator Thompson: "Yes, it will and your example provides an excellent reason why this measure should be supported, Senator Lee."

Further debate ensued.

**POINT OF INQUIRY**

Senator Rasmussen: "Senator Thompson, you are speaking of an inside levy or council-managed bonds. Is there anything to prevent the elected officials from those areas from putting it to a vote of the people? It is my understanding that by going to the people they can go to any bond issue that they want to authorize, but this is allowing inside levies without the vote of the people, if I read it correctly."

HOUSE BILL NO. 1490, by Representatives Baugher, R. King, Chandler, Wang, Ballard, Lux, Patrick and Rayburn (by request of Joint Select Committee on Industrial Insurance)

Modifying reimbursements for certain industrial insurance payments.

The bill was read the second time.

MOTION

On motion of Senator Warnke, the rules were suspended, House Bill No. 1490 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Lee: "Senator Warnke, I notice in our summaries that it mentions that we are granting to the director that he could waive recoupment of this kind of recovery, if that recovery would be against equity and good conscience. Now I know all of us have had problems with some of those kinds of recoveries when there had been no fault on the part of the recipient—and then the subsequent recovery really created a hardship that the worker had no part in creating. I just wondered if you feel that this language will take care of those kinds of situations?"

Senator Warnke: "Senator Lee, thank you. The situation that you bring forward is exactly what the committee had in mind and what the people had in mind when they were putting the bill together to give that discretion in those cases where there would be undue hardship and it was no fault of the injured workman."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of House Bill No. 1490.

MOTION

On motion of Senator Warnke, the rules were suspended, Substitute House Bill No. 1581 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Moore: "Senator Warnke, I notice on page 2, in subsection 7(a), which is new material, we speak to self-insurers being allowed to close claims when an
injured worker returns to work and medical treatment is concluded. I guess I’m wondering, will the self-insurer decide when medical treatment is concluded or does the injured worker who may require additional help or a few more treatments to stay on the job, does he have anything to say in this matter?”

Senator Warnke: “Thank you, Senator Moore. It is certainly not our intent that the self-insurer be allowed to close such a case as that. I would expect the department, when adopting rules required in this section, to make it clear that the worker and the attending provider of medical treatment agree that treatment is completed before a claim is closed. There is also further protection for the injured worker. On page 3, beginning on line 2, there is a protest procedure that would bring the department back into the case.”

Senator Moore: “Very good. I hope that settles the matter.”

All judicial positions created by the legislature after ((the effective date of this act)) July 28, 1985, including the additional judicial positions created by (sections 1 through 3, chapter 357, Laws of 1985) RCW 2.08.061, 2.08.062, and 2.08.064, shall be authorized only for counties that have implemented a mandatory arbitration program for civil claims to the maximum extent permitted by law. This section does not apply to counties of the third class or smaller, or to two- and three-county judicial districts with a population of less than seventy thousand. (1) The county uses a show cause or motion by affidavit calendar, or other procedure by which maintenance or support issues are decided on a summary basis, or

(2) Upon the request of the chief administrative judge of a judicial district, the office of the administrator for the courts determines that a mandatory arbitration program would be more costly and time consuming to the county than the procedure then in use in the county for determining support or maintenance issues.

(d) For other matters as are necessary to carry out the purposes of this chapter.

(4) The provisions of this chapter relating to family court services provided by a single county are equally applicable to counties which contract, under this section, to provide joint family court services.

NEW SECTION. Sec. 4. A new section is added to chapter 26.09 RCW to read as follows:

(1) In any proceeding under this chapter, the matter may be set for mediation of the contested issues before or concurrent with the selling of the matter for hearing. The purpose of the mediation proceeding shall be to reduce acritmony which may exist between the parties and to develop an agreement assuring the child's close and continuing contact with both parents after the marriage is dissolved. Debate ensued.

POINT OF INQUIRY

Senator Hayner: "Senator Talmadge, what did you do about the allocation with respect to the counties and cities? In that first bill we passed, as I remember it, there was a change in the percentage going to the cities and counties and to the state for one year. Is that included in this?"

Senator Talmadge: "Yes. That's essentially dealt with, I believe in Section 4 of the amendment, Senator Hayner. There is the surcharge and the moneys go to the Public Safety and Education Account. This was the approach that was taken in the Ways and Means Committee as the alternative to playing around with the split between the various entities. The split of 68-32 that our local clerks are concerned about and everything else remains untouched. This is simply the surcharge to make up for the deficit in the Public Safety and Education Account and I tell the members of the Senate quite candidly, I am going to urge the body to take a look at this account in the interim, so that we don't see this kind of shortfall problem again. We need to look at the mechanism for collecting fees and fines and forfeitures in the court system and we also need to see what programs are funded out of the PSEA to determine if those are appropriate."

Senator Hayner: "I'm sorry, Senator Talmadge, but is this just for one year?"

Senator Talmadge: "No, my understanding is that it is permanent. That's what was decided by the Ways and Means Committee, but I would urge us to take a look at that issue in the interim. This may not be the way we want to do it, but it's the only device available to us in the short term."

The President Pro Tempore declared the question before the Senate to be adoption of the amendment by Senators Talmadge and Newhouse.

The motion by Senator Talmadge carried and the amendment was adopted.

MOTIONS

On motion of Senator Talmadge, the following title amendment was adopted:

POINT OF INQUIRY

Senator McDermott: "Senator Thompson, in reading this bill, I couldn't tell whether it's going to be one system of information controlled by this committee for the entire Legislature—everything that is entered into the IBM PCs will be in one system?"

Senator Thompson: "That's essentially correct. Yes."

Senator McDermott: "And so whatever our personal staff puts into a computer will be tied into a central data system?"

Senator Thompson: "Your questions seem to appear to be leaning toward concerns over security, Senator McDermott, and this bill does provide for the maintenance of security and would prevent the disclosure of information which a member might desire not have disclosed."

Senator McDermott: "So, what's put in by the budget chairman in one house will not be available to the budget chairman in the other house?"

Senator Thompson: "Ah, yes, you need have no concern about that, Mr. Chairman."

The legislature recognizes the value of park districts and encourages such park districts to make use of public utility and transportation corridors in such a way as to maximize recreational opportunities for all citizens pursuant to the provisions and limitations of RCW 64.04.190 and section 10 of this act.

Sec. 9. Section 23, chapter 143, Laws of 1984 and RCW 64.04.190 are each amended to read as follows:
(1) Public utility and transportation corridors are railroad properties (a) on which railroad operations have ceased; (b) that have been found suitable for public use by an order of the Interstate Commerce Commission of the United States; and (c) that have been acquired by purchase, lease, donation, exchange, or other agreement by the state, one of its political subdivisions, or a public utility.

(2) A public utility and transportation corridor retains its public use character as long as it is owned by a public agency or utility((A public utility and transportation corridor)) and is acquired by the public agency or utility after June 6, 1984, and before the effective date of this act, and therefore is not subject to reversion, taking by adverse possession, or any similar property interests ripening on the cessation of railroad operations.

NEW SECTION, Sec. 10. The amendment of RCW 64.04.190 by section 9 of this act does not extinguish, alter, or otherwise affect any properly interest in or right to use a public utility and transportation corridor (as that term was defined in section 23, chapter 143, Laws of 1984) that was vested in a public utility as of the effective date of this act, nor does the amendment of RCW 64.04.190 by section 9 of this act affect in any manner the common law relating to such corridors.”

MESSAGE FROM THE HOUSE

March 1, 1986

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 4627 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. I. It is the policy of the legislature to encourage competition by reducing the government's role in price setting. It is the legislature's intent to leave price setting mainly to the forces of the marketplace. In the field of cigarette sales, the legislature finds that the goal of open competition should be balanced against the public policy disallowing use of cigarette sales as loss leaders. To balance these public policies, it is the intent of the legislature to repeal the unfair cigarette sales below cost act and to declare the use of cigarettes as loss leaders as an unfair practice under the consumer protection act.

Sec. 2. Section 3. chapter 2. Laws of 1983 as amended by section 1. chapter 173. Laws of 1984 and RCW 19.91.010 are each amended to read as follows:

When used in this chapter, the following words and phrases shall have the meaning ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) "Person" means and includes any individual, firm, association, company, partnership, corporation, joint stock company, club, agency, syndicate, municipal corporation, or other political subdivision of this state, trust, receiver, trustee, fiduciary and conservator.

(2) "Wholesaler" includes any person who:

(a) Purchases cigarettes directly from the manufacturer, or
(b) Purchases cigarettes from any other person who purchases from or through the manufacturer, for the purpose of bona fide resale to retail dealers or to other persons for the purpose of resale only, or
(c) Services retail outlets by the maintenance of an established place of business for the purchase of cigarettes, including, but not limited to, the maintenance of warehousing facilities for the storage and distribution of cigarettes.

Nothing contained herein shall prevent a person from qualifying in different capacities as both a "wholesaler" and "retailer" under the applicable provisions of this chapter.

(3) "Retailer" means and includes any person who operates a store, stand, booth, concession, or vending machine for the purpose of making sales of cigarettes at retail.

(4) "Cigarettes" means any roll for smoking made wholly or in part of tobacco, irrespective of size or shape and whether or not such tobacco is flavored, adulterated, or mixed with any other ingredient, the wrapper or cover of which is made of paper or any other substance or material except tobacco.

(5) "Sale" means any transfer for a consideration, exchange, barter, gift, offer for sale and distribution, in any manner, or by any means whatsoever.

(6) "Sell at wholesale", "sale at wholesale" and "wholesale" sales mean and include any bona fide transfer of title to cigarettes for a valuable consideration, made in the ordinary
course of trade or in the usual conduct of the wholesaler's business, to a retailer for the purpose of resale.

(7) "Sell at retail", "sale at retail" and "retail sales" mean and include any transfer of title to cigarettes for a valuable consideration, made in the ordinary course of trade or usual conduct of the seller's business, to the purchaser for consumption or use.

(8) "Basic cost of cigarettes" means the invoice cost of cigarettes to the retailer or wholesaler, as the case may be, or the replacement cost of cigarettes to the retailer or wholesaler, as the case may be, in the quantity last purchased, whichever is lower, to which shall be added the full face value of any stamps which may be required by any cigarette tax act of this state and by ordinance of any municipality thereof, now in effect or hereafter enacted, if not already included by the manufacturer in his list price. (The disposition of the manufacturers' cash discounts is at the discretion of the wholesaler. Any retailer or wholesaler who actually receives and sells cigarettes with trade or cash discounts shall execute a sworn affidavit and obtain a sworn affidavit from the person granting the discount, whether a manufacturer or wholesaler, which shows: (a) amount or rate of the discount; (b) date the discount was granted; (c) names of the persons granting and receiving the discount; and (d) whether the discount is for cash or trade purposes. Sworn affidavits under this section are maintained for five years and available for inspection by the department of revenue's request. The department of revenue may impose a civil penalty not to exceed two hundred fifty dollars for each failure to maintain affidavits under this section:

Nothing in this section may be construed to require any retailer to obtain affidavits from retail purchasers of cigarettes.)

(9) (a) The term "cost to the wholesaler" means the "basic cost of cigarettes" to the wholesaler plus the "cost of doing business by the wholesaler" which said cost of doing business amount shall be expressed percentage-wise in the ratio that said wholesalers "cost of doing business" bears to said wholesalers dollar volume for all products sold by the wholesaler per annum, and said "cost of doing business by the wholesaler" shall be evidenced and determined by the standards and methods of accounting regularly employed by him for the purpose of federal income tax reporting for the total operation of his establishment in his allocation of overhead costs and expenses, paid or incurred, and must include, without limitation, labor costs (including reasonable salaries for partners, executives, and officers), rent, depreciation, selling cost, maintenance of equipment, delivery costs, all types of licenses, taxes, insurance and advertising, expressed as a percentage and applied to the "basic cost of cigarettes". (b) For the purposes of this chapter the "cost of doing business" may not be computed using a percentage less than the overall percentage shown in subsection (9)(a) of this section or in the absence of the filing with the department of revenue of satisfactory proof of a lesser or higher cost of doing business by the wholesaler making the sale, the "cost of doing business by the wholesaler" shall be presumed to be (four percent) the percentage of the "basic cost of cigarettes" to the wholesaler specified in (c) of this subsection, plus cartage to the retail outlet, if performed or paid for by the wholesaler, which shall be carried in the absence of the filing with the department of revenue of satisfactory proof of a lesser or higher cost, shall be deemed to be one-half of one percent of the "basic cost of cigarettes" to the wholesaler.

PROVIDED. That any retailer who, in connection with the retailer's purchase, receives not only the discounts ordinarily allowed upon purchases by a retailer but also, in whole or in part, discounts ordinarily allowed upon purchases by a wholesaler shall, in determining "cost to the retailer", pursuant to this subdivision, add the "cost of doing business by the wholesaler", as defined in subdivision (9) of this section, to the "basic cost of cigarettes" to said retailer, as well as the "cost of doing business by the retailer". Any fractional part of a
cent amounting to one-tenth of one cent or more in cost to the retailer per carton of ten pack-
ages of cigarettes shall be rounded off to the next higher cent.

(b) In the absence of the filing with the department of revenue of satisfactory proof of a
lesser or higher cost of doing business by the retailer making the sale, the "cost of doing busi-

lesser or higher cost of doing business, the "cost of doing business by the retailer", who, in con-

purchases by a retailer but also, in whole or in part, the discounts ordinarily allowed upon

chapter if the department has reasonable cause to believe that the applicant has willfully
withheld information requested for the purpose of determining the eligibility of the applicant to
receive a license, or if the department has reasonable cause to believe that information sub-
mitted in the application is false or misleading or is not made in good faith. Each such license
shall expire on the master license expiration date, and each such license shall be continued

chapter and the rules of the department of revenue made pursuant thereto.

not operate in any other capacity unless the additional appropriate license or licenses are first
secured. A violation of this section is a misdemeanor.

chapter. The department of revenue may adopt, amend, and repeal rules necessary to enforce
and administer the provisions of this chapter. The department of revenue has full power and
authority to revoke or suspend the license or permit of any wholesale or retail cigarette dealer
in the state upon sufficient cause appearing of the violation of this chapter or upon the failure of
such licensee to comply with any of the provisions of this chapter.
(2) A license shall not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the department of revenue. The department of revenue, upon a finding by same, that the licensee has failed to comply with any provision of this chapter or any rule promulgated thereunder, shall, in the case of the first offender, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and, in the case of a second or plural offender, shall suspend the license or licenses for a period of not less than ninety consecutive business days nor more than twelve months, and, in the event the department of revenue finds the offender has been guilty of willful and persistent violations, it may revoke the license or licenses.

(3) Any person whose license or licenses have been so revoked may apply to the department of revenue at the expiration of one year for a reinstatement of the license or licenses. The license or licenses may be reinstated by the department of revenue if it appears to the satisfaction of the department of revenue that the licensee will comply with the provisions of this chapter and the rules promulgated thereunder.

(4) A person whose license has been suspended or revoked shall not sell cigarettes or permit cigarettes to be sold during the period of such suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form whatever.

(5) Any determination and order by the department of revenue, and any order of suspension or revocation by the department of revenue of the license or licenses, or refusal to reinstate a license or licenses after revocation shall be reviewable by an appeal to the superior court of Thurston county. The superior court shall review the order or ruling of the department of revenue and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the department of revenue.

The actual cash value of the operating property assessed to a company, as fixed and determined by the state board of equalization, shall be apportioned by the department of revenue to the respective counties and to the taxing districts thereof wherein such property is located in the following manner:

1. Property of steam, suburban, and interurban railroad companies, telegraph companies and pipe line companies—upon the basis of that proportion of the value of the total operating property within the state which the mileage of track, as classified by the department of revenue (in case of railroads), mileage of wire (in the case of telegraph companies) and mileage of pipe line (in the case of pipe line companies) within each county or taxing district bears
to the total mileage thereof within the state, at the end of the calendar year last past. For the purpose of such apportionment the department may classify railroad track.

(2) Property of street railroad companies, motor vehicle transportation companies, telephone companies, electric light and power companies, gas companies, water companies, heating companies and toll bridge companies—upon the basis of relative value of the operating property within each county and taxing district to the value of the total operating property within the state to be determined by such factors as the department of revenue shall deem proper. PROVIDED, That the value of any contracts that are entered into as a result of failure to complete construction or begin operations of a nuclear electricity generating plant, until such time that its operations begin, shall be apportioned to the location of that plant.

(3) Planes or other aircraft of airplane companies and watercraft of steamboat companies—upon the basis of such factor or factors of allocation, to be determined by the department of revenue, as will secure a substantially fair and equitable division between counties and other taxing districts.

All other property of airplane companies and steamboat companies—upon the basis set forth in subdivision (2) hereof.

The basis of apportionment with reference to all public utility companies above prescribed shall not be deemed exclusive and the department of revenue in apportioning values of such companies may also take into consideration such other information, facts, circumstances, or allocation factors as will enable it to make a substantially just and correct valuation of the operating property of such companies within the state and within each county thereof.

Renumber the sections consecutively.

POINT OF ORDER

Senator Deccio: "Mr. President, I would like to challenge the scope and object on the amendment by Senators Owen and DeJamatt. As I understand it, Engrossed Substitute House Bill 1270 is an act relating to local government and is designed to address difficulties facing junior taxing districts. The bill recognizes the taxing capacities for some of the junior districts that have been reduced and allows transfer of funds, agreements between districts and deals with a 106 percent levy.

"The proposed amendment deals with nuclear electricity generating plant construction contracts and apportionment of the value of such contracts when construction is not completed. Mr. President, as such, it has nothing to do with the object of this bill and since it does deal with difficulties in junior taxing districts, I thereby make this challenge."

There being no objection, further consideration of Engrossed Substitute House Bill No. 1270 was deferred.

POINT OF INQUIRY

Senator Kreidler: "Senator Wojahn, if the committee amendment is adopted, as it has been or will be with the passage of this bill, will this in any way interfere with a clinical laboratory's ability to certify health care assistants who withdraw blood and perform other health services in a laboratory?"
Senator Wojahn: "No, Senator Kreidler. RCW 18.135.050 very clearly authorizes the health care facility itself—the facility itself—to certify assistants. This authorization is now provided to federally certified clinical laboratories and this simply places the state law in conformity with federal law."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1495, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 1495, as amended by the Senate. and the bill passed the Senate by the following vote:

On page 1, line 20, following "process" insert ". The actor's entry into a building in which the person upon whom service is sought is employed shall not be considered reasonable unless the actor, prior to service, receives the authorization for such service from the employer of the person upon whom service is sought."

On motion of Senator Talmadge, the following title amendment was adopted:

On page 1, line 2 of the title, after "amending" strike the remainder of the title and insert "RCW 9A.52.090, 9A.52.010, and 2.28.100."

MOTION

On motion of Senator Talmadge, the rules were suspended, Substitute House Bill No. 1586, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Talmadge, Article 1, Section 7 says, 'Invasion of private affairs in home prohibited. No person shall be disturbed in his private affairs or his home invaded without the authority of the law.' Is this the opening wedge?"
Senator Talmadge: "Senator, absolutely not. What you have present here is a situation where someone is attempting to serve valid legal papers on a party and the problem has been that that individual, in some instances, has been held to be criminally trespassing in serving the papers. This bill makes it clear that the process server can go up to the door of the residence, knock on the door and serve the papers, but can’t go into the residence and can’t invade any building that is not open to the general public. In fact, with Senator Bluechel’s amendment, if it’s a business that the employer has to have his or her permission given to the process server to reach the employee. The person that is serving—a legal, valid process—is something that has been, I think, a tradition for a long period of time in Anglo-American law and there is some desire, I think, from a public policy standpoint to make sure that the people who are subject to legal process get notice, because if we don’t do something like this, you’re going to have circumstances where the process server will not be getting that information to the individual who will be subject to a lawsuit or subject to some criminal subpoena or something of that sort. I don’t see it as a violation of any constitutional standard whatsoever."

Senator Guess: "Senator, I have in my mind a home work-place where the house sits back about three hundred feet from the street. There is a fence and there is a gate. When the man goes to work in the morning, he goes through a turn stile, sort of, and then he proceeds over to the old barn, which is a manufacturing place. Now, at what point is he going to stop? The barn’s wide open."

Senator Talmadge: "Senator, if that building is not open to the general public, I don’t believe, under the terms of this bill, that process server can go there. But I remind you, as Senator Bottiger pointed out, this is a free enterprise bill because the sheriff can certainly serve the papers—and they do all the time. It’s the private process server that is doing the serving who would have now the opportunity to serve the papers without being fearful of a charge of criminal trespassing.

"In answer to your question, specifically, the out building, unless it is open to the general public in some sense, would not be susceptible to the provisions of this bill."

Senator Guess: "Thank you, Senator."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1586, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 1586, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 41; nays, 5; absent, 1; excused, 2.

The term shall include every sale of tangible personal property which is used or consumed or to be used or consumed in the performance of any activity classified as a "sale at retail" or "retail sale" even though such property is resold or utilized as provided in (a), (b), (c), or (d) above following such use. On motion of Senator Warnke, the following Committee on Commerce and
Labor amendment was adopted: Strike everything after the enacting clause and insert the following:

The legislature finds and declares that advertising, sales, and business practices of certain travel charter or tour operators have worked financial hardship upon the people of this state; that the travel business has a significant impact upon the economy and well-being of this state and its people; that problems have arisen regarding certain segments of the travel charter or tour operator business; and that the public welfare requires regulation of travel charter or tour operators in order to eliminate unfair advertising, sales and business practices. The legislature further finds it necessary to establish standards that will safeguard the people against financial hardship and to encourage fair dealing and prosperity in the travel business.

NEW SECTION. Sec. 2. NEW SECTION. Sec. 3. "If transportation or other services are canceled by the travel charter or tour operator, all sums paid to the travel charter or tour operator for services not performed in accordance with the contract between the travel charter or tour operator and the passenger will be refunded within fourteen days after the cancellation by the travel charter or tour operator to the passenger or the party who contracted for the passenger unless mutually acceptable alternative travel arrangements are provided."

NEW SECTION. Sec. 5. (1) If the transportation or other services contracted for are canceled by the travel charter or tour operator, the passenger shall return to the passenger within fourteen days after the cancellation all moneys paid for services not performed in accordance with the contract unless mutually acceptable alternative travel arrangements are provided.

(2) Any material misrepresentation with regard to the transportation and other services offered shall be deemed to be a cancellation necessitating the refund required by this section.

NEW SECTION. Sec. 6. (1) Except as otherwise provided in subsection (3) of this section, a travel charter or tour operator shall deposit ninety percent of all sums received for transportation or any other services offered by the travel charter or tour operator in conjunction with such transportation in a trust account in a federally insured financial institution.

(2) Any material misrepresentation with regard to the transportation and other services offered shall be deemed to be a cancellation necessitating the refund required by this section.

"The amendment proposed by Senators Hansen, Pullen and Rasmussen deals with character and property interests in public utility and transportation corridors. The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment was ruled out of order.

MOTION

Senator Kreidler moved that the following amendment be adopted:

On page 4, line 14, beginning with "As" strike all the matter down to and including "office." on line 17, and insert a new paragraph as follows:

"As of January 1, 1988, the terms of all commissioners of park and recreation districts, in existence as of the effective date of this act, shall be reduced by two years to reflect the reduction from six-year terms of office to four-year terms of office. If three terms of office will end as of January 1, 1988, three commissioners shall be elected at the November, 1987 general election for four-year terms of office. If four terms of office will end as of January 1, 1988, all four positions shall be filled at the November, 1987 general election with three commissioner positions having four-year terms, and the fourth commissioner position initially having a two-year term."

Debate ensued.

POINT OF INQUIRY

Senator Lee: "Senator Kreidler, your amendment has piqued my curiosity, because nearly all of the special district commissioners--water districts, sewer districts, fire districts have three members of six-year terms and it works out just right, because one of them is up every two years. Could you tell me what the impetus is, why this particular kind of a district suddenly felt that they should have a different kind of procedure?"

Senator Kreidler: "First off, Senator Lee, this is language that came over to us from the House. That is, it was explained before the committee. The impetus is primarily one director--the public service commitment of six years. There are a number of people who would like to serve in that capacity, but feel that four years is long enough--that six years, and that kind of commitment, is too long and if having it at four years you could have more people willing to participate in that process of being willing to be a volunteer to serve on a park board."

POINT OF INQUIRY

Senator Lee: "Senator Thompson, as chairman of the Governmental Operations Committee that handles the local government issues, is this, and I recall, when serving on that committee, we used to have requests that they wanted a little bit more pay for the meetings in order to get people to serve. Is this the next step--that we're having so few people willing to serve on these local boards that we're now reducing the terms?"

Senator Thompson: "Senator Lee, I'm not as familiar as I should be to answer this question authoritatively, but it would appear to me that there's a higher value to be served in uniformity in resolving such questions as this, and I guess I would defer to the judgment of others who dealt with it more directly."

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Kreidler, have you had this checked for constitutionality? It was always my understanding that we could not reduce the term of elected officials during their term of office. This would indicate that you're going to shorten up an elected official's term by two years."

Senator Kreidler: "First off, Senator, it does not apply for two years from now and, therefore, the constitutional question has been answered, at least from the standpoint of the attorneys that we ran the language past.

"First of all, and I should point out, the amendment before us just deals with the process by which the shortening of terms as specified in the bill would be handled.
The amendment before us just tries to make an adjustment for what is already—to get around that specific question that you’re raising as to constitutionality is to develop a process by which that change from six to four would take place. We’re just trying to clarify it here in such a way that it’s workable, as the language came over from the House.”

Further debate ensued.

POINT OF INQUIRY

Senator Wojahn: “Senator Kreidler, I think the only metropolitan park district remaining in the state, at this time, is the one in Tacoma/Pierce County and there have been some moves to abolish that. I think there were two Yakima ones at one time, but some years ago they abolished that. We always have a rather lively election for the park district commissioners and it has been six years, of course.

“I’m wondering, did anyone appear from Tacoma, from the Metropolitan Park District there? On this bill, did they express their feelings on a four-year term? It seems like we just had an election last year on this. I need to know because no one has contacted me.”

Senator Kreidler: “There were park people present at the hearing when we held it and they’ve certainly been apprised of this as it is considered a major bill for the park districts working through the Legislature and there were no objections raised at the committee. It was one of those things where they weren’t testifying for or against, they were speaking to the rest of the bill and really didn’t feel that this was of any major consequence.”

Senator Wojahn: “Mr. President, one more question. One of the problems that we have found in Tacoma and I am wondering if the parties wishing this bill won’t run into this stumbling block. We have never been able to generate enough funds through the local level ability and, therefore, the city council has had to back up just about everything that the parks have wanted and it has always become a difficult situation. We were able to get a special levy the last election, which was incredibly good and we didn’t expect it, but there has never been enough money for maintenance and operation through the amount that they are given under our tax system in the state. Did this come up?”

Senator Kreidler: “No, it did not. This would only allow smaller communities to form park districts and wouldn’t affect the funding of any of those districts or communities that currently have park districts.”

POINT OF INQUIRY

Senator Bluechel: “Senator Kreidler, the bill pertains to metropolitan park districts. There are other types of park districts, if my memory serves me right, and I cannot remember the committee meeting in which this came up, but I have a suspicion that not everybody knows about this. How wide did you disseminate the information as to this change?”

Senator Kreidler: “The standard process is to use our mailing lists for people who have shown an interest in park issues and they are notified of the public hearings and that certainly includes many local park districts individually, but then certainly as they kind of work in concert with people that kind of take state legislature responsibility as a group and they were certainly well apprised of the hearing and certainly of the progress of this bill. At least from the Senate standpoint, I’m looking only at a second guess as to what might have taken place in the House.”

Senator Bluechel: “Senator Kreidler, I can’t remember. Did this bill pass out of the Senate and die in the House, or has it passed out of the Senate—the amendment in bill form?”

Senator Kreidler: “The amendment was part of the House bill and our amendment here that we’re offering is only to clarify how the language that they had in their bill, for reducing from six to four, would work. It appeared to the committee—Senator Cantu raised the question in committee as to its workability of making that reduction from six to four years and this language is addressed to the concern that he raised at that time to clarify how that process of transition from six to four would take place and that’s what the amendment seeks to do.”

Senator Bluechel: “The bill has passed both bodies—the House bill?”
Senator Kreidler: "The House bill has passed—this is not a concurrence. This is a House bill that has passed the House and passed the Senate committee and is now before us for our consideration."

Senator Bluecher: "Thank you, Senator Kreidler."

**MOTION**

Senator Rasmussen moved that further consideration of Engrossed Substitute House Bill No. 1484 be deferred.

Debate ensued.

The President declared the question before the Senate to be the motion by Senator Rasmussen that further consideration of Engrossed Substitute House Bill No. 1484 be deferred.

The motion by Senator Rasmussen carried and further consideration of Engrossed Substitute House Bill No. 1484 was deferred.

There being no objection, the President returned the Senate to the fourth order of business.

**MESSAGE FROM THE HOUSE**

March 1, 1986

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 4990 with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. The purpose of this chapter is to further the public interest, welfare, and safety by providing for the protection and promotion of safety in the operation of watercraft on the rivers of this state.

(1) "Watercraft" means every type of watercraft used as a means of transportation on a river, including but not limited to power boats, drift boats, open canoes, rafts, decked canoes, and kayaks.

(2) "Carrying passengers for hire" means carrying passengers by watercraft for valuable consideration, whether given directly or indirectly or received by the owner, agent, operator, or other person having an interest in the watercraft. This shall not affect trips where expenses for food, transportation, or incidentals are shared by participants on an even basis. Anyone receiving compensation for skills or money for amortization of equipment shall be considered to be carrying passengers for hire. Individuals licensed under chapter 77.32 RCW and acting as a fishing guide are exempt from this chapter.

(2) Every operator of a watercraft shall at all times operate the watercraft in a careful and prudent manner and at such a speed as to not endanger the life, limb, or property of any person.

(3) No watercraft may be loaded with passengers or cargo beyond its safe carrying capacity taking into consideration the type and construction of the watercraft and other existing operating conditions. In the case of inflatable rafts, safe carrying capacity in whitewater shall be considered as less than the United States Coast Guard capacity rating for each watercraft. This subsection shall not apply in cases of an unexpected emergency on the river.

**NEW SECTION.** Sec. 5. (1) Watercraft proceeding downstream have the right of way over watercraft proceeding upstream.

(2) In all cases, watercraft not under power have the right of way over motorized craft underway.

(6) Ensure that each watercraft has a spare propelling device;

(7) Ensure that a repair kit and air pump are accessible to inflatable watercraft; and

(8) Ensure that equipment to prevent and treat hypothermia is accessible to all watercraft on a trip.

"Sec. 1. Section 19, chapter 1, Laws of 1973 as last amended by section 1, chapter 265. Laws of 1979 ex. sess. and RCW 42.17.190 are each amended to read as follows:

(I) Every legislator and every committee of the legislature shall file with the commission quarterly reports listing the names, addresses, and salaries of all persons employed by the person or committee making the filing for the purpose of aiding in the preparation or enactment of legislation or the performance of legislative duties of such legislator or committee during the preceding quarter. The reports shall be made in the form and the manner prescribed by the commission and shall be filed between the first and tenth days of each calendar quarter: PROVIDED, That the information required by this subsection may be supplied, insofar as it is available, by the chief clerk of the house of representatives or by the secretary of the senate on a form prepared by the commission.

(2) Unless authorized by subsection (3) of this section or otherwise expressly authorized by law, no public funds may be used directly or indirectly for lobbying: PROVIDED, This does not prevent officers or employees of an agency from communicating with a member of the legislature on the request of that member; or communicating to the legislature, through the proper official channels, requests for legislative action or appropriations which are deemed necessary for the efficient conduct of the public business or actually made in the proper performance of their official duties: PROVIDED FURTHER. That this subsection does not apply to the legislative branch.

(3) Any agency, not otherwise expressly authorized by law, may expend public funds for lobbying, but such lobbying activity shall be limited to (a) providing information or communicating on matters pertaining to official agency business to any elected official or officer or employee of any agency or (b) advocating the official position or interests of the agency to any elected official or officer or employee of any agency: PROVIDED, That public funds may not be expended as a direct or indirect gift or campaign contribution to any elected official or officer or employee of any agency. For the purposes of this subsection, the term "gift" means a voluntary transfer of any thing of value without consideration of equal or greater value, but does not include informational material transferred for the sole purpose of informing the recipient about matters pertaining to official agency business: PROVIDED FURTHER. That this subsection does not apply to the legislative branch.

(4) No elective official or any employee of his or her office or any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, in any effort to support or oppose an initiative to the legislature. "Facilities of a public office or agency" has the same meaning as in RCW 42.17.130. The provisions of this subsection shall not apply to the following activities:

(a) Action taken at an open public meeting by members of an elected legislative body to express a collective decision, or to actually vote upon a motion, proposal, resolution, order, or ordinance, or to support or oppose an initiative to the legislature so long as (i) any required notice of the meeting includes the title and number of the initiative to the legislature, and (ii) members of the legislative body or members of the public are afforded an approximately equal opportunity for the expression of an opposing view:

(b) A statement by an elected official in support of or in opposition to any initiative to the legislature at an open press conference or in response to a specific inquiry:

(c) Activities which are part of the normal and regular conduct of the office or agency:

(d) Each state agency, county, city, town, municipal corporation, or quasi-municipal corporation, or special purpose district which expends public funds for lobbying shall file with the commission, except as exempted by (subsection (4)) (d) of this (section) subsection, quarterly statements providing the following information for the quarter just completed:

(a) The name of the agency filing the statement:

(b) The name, title, and job description and salary of each elected official, officer, or employee who lobbied, a general description of the nature of the lobbying, and the proportionate amount of time spent on the lobbying:

(c) A listing of expenditures incurred by the agency for lobbying including but not limited to travel, consultant or other special contractual services, and brochures and other publications, the principal purpose of which is to influence legislation;
(d) For purposes of this subsection (((of this section))) the term "lobbying" does not include:

(i) Requests for appropriations by a state agency to the office of financial management pursuant to chapter 43.88 RCW nor requests by the office of financial management to the legislature for appropriations other than its own agency budget requests;

(ii) Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation, or report by an agency on a particular subject;

(iii) Official reports including recommendations submitted to the legislature on an annual or biennial basis by a state agency as required by law;

(iv) Requests, recommendations, or other communication between or within state agencies or between or within local agencies;

(v) Any other lobbying to the extent that it includes:

(A) Telephone conversations or preparation of written correspondence;

(B) In-person lobbying on behalf of an agency of no more than four days or parts thereof during any three-month period by officers or employees of that agency and in-person lobbying by any elected official of such agency on behalf of such agency or in connection with the powers, duties, or compensation of such official: PROVIDED, That the total expenditures of nonpublic funds made in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington do not exceed fifteen dollars for any three-month period: PROVIDED FURTHER, That the exemption under this subsection is in addition to the exemption provided in (A) of this subsection;

(C) Preparation or adoption of policy positions. The statements shall be in the form and the manner prescribed by the commission and shall be filed within one month after the end of the quarter covered by the report.

(((5))) In lieu of reporting under subsection (((of this section))) (5) of this section any county, city, town, municipal corporation, quasi municipal corporation, or special purpose district may determine and so notify the public disclosure commission, that elected officials, officers, or employees who on behalf of any such local agency engage in lobbying reportable under subsection (((of this section))) (5) of this section shall register and report such reportable lobbying in the same manner as a lobbyist who is required to register and report under RCW 42.17.150 and 42.17.170. Each such local agency shall report as a lobbyist employer pursuant to RCW 42.17.180.

(({6})) The provisions of this section do not relieve any elected official or officer or employee of an agency from complying with other provisions of this chapter. Such elected official, officer, or employee is not otherwise exempted.

(5) The purpose of this section is to require each state agency and certain local agencies to report the identities of those persons who lobby on behalf of the agency for compensation, together with certain separately identifiable and measurable expenditures of an agency's funds for that purpose. This section shall be reasonably construed to accomplish that purpose and not to require any agency to report any of its general overhead cost or any other costs which relate only indirectly or incidentally to lobbying or which are equally attributable to or inseparable from nonlobbying activities of the agency.

The public disclosure commission may adopt ((regulations)) rules clarifying and implementing this legislative interpretation and policy.

and the same are herewith transmitted.

Providing collective bargaining for institutions of higher education.

The bill was read the second time.

MOTION

Senator McDermott moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. It is the purpose of this chapter to promote cooperative efforts between employees and the boards of regents or boards of trustees of the institutions of higher education in the state of Washington by prescribing certain rights and obligations of the employees and by establishing orderly procedures governing the relationship between the employees and their employers which procedures are designed to meet the special requirements and needs of public employment in higher education.

NEW SECTION. Sec. 2. The boards of regents and boards of trustees of the state institutions of higher education are authorized to engage in collective bargaining with the exclusive bargaining representatives of their employees, as provided in this chapter: PROVIDED, That nothing in this chapter authorizes collective bargaining over class size. The boards of regents and boards of trustees shall not employ additional staff to engage in or administer collective bargaining agreements unless an employee organization has been properly designated as the exclusive representative under section 7 of this act.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Employee" means any employee of an employer, but shall not include the chief executive or administrative officers of the institution of higher education, confidential employees, casual employees, supervisors, or employees subject to chapter 28B.16 RCW.

(2) "Casual employee" means any individual working in assignments of a limited scope or of a short-term or transitory nature so as to indicate that the individual does not share a community of interest with other employees of the institution or lacks an expectancy of continued employment. Medical residents and graduate students serving in graduate student service appointments are casual employees within the meaning of this section. An individual shall not be considered a casual employee within the meaning of this section solely by virtue of their status as a part-time employee.

(3) "Confidential employee" includes:

(a) Any person who participates directly on behalf of an employer in the formulation of labor relations policy, the preparation for or conduct of collective bargaining, or the administration of collective bargaining agreements, if the role of the person is not merely routine or clerical in nature but calls for the consistent exercise of independent judgment; and

(b) Any person who assists and acts in a confidential capacity to such person.

(4) "Supervisor" includes any individual having authority in the interest of an employer to hire, assign, promote, transfer, lay off, recall, suspend, discipline, or discharge other employees, to adjust employees' grievances, or to recommend effectively such action, if the exercise of the authority is not merely routine or clerical in nature but calls for the consistent exercise of independent judgment. A person is not included solely by reason of his or her membership on a faculty tenure or other governance committee or body. The term "supervisor" includes only those persons who perform a preponderance of the acts of authority specified in this subsection.

(5) "Collective bargaining" and "bargaining" mean the performance of the mutual obligation of the representatives of the employer and the exclusive bargaining representative to meet at reasonable times early in the college or university budget-making process to bargain in good faith in an effort to reach agreement with respect to wages, hours, and other terms and conditions of employment. Service and activity fees as defined in RCW 28B.15.041, that portion of funds specifically designated for research grants, and endowments, fellowships, scholarships, or bequests whether from public or private agencies or donors shall not be a subject for bargaining. Prior law, practice, or interpretation shall be neither restrictive, expansive, nor determinative with respect to the scope of bargaining. A written contract incorporating any agreements reached shall be executed if requested by either party. The obligation to bargain does not compel either party to agree to a proposal or to make a concession.

In the event of a dispute between an employer and an exclusive bargaining representative over the matters that are terms and conditions of employment, the commission shall decide which items are mandatory subjects for bargaining.
Unnecessary fragmentation shall be avoided. All employees who are tenured or eligible to structure of the employer including the interrelationships of divisions within the institution. The hearing shall determine the dispute, taking into consideration the duties, skills, and working conditions of the employees. The charity shall be agreed upon by the employee and the employee organization.

New Section. Sec. 4. Employees have the right to self-organization, to form, join, or assist employee organizations, to bargain collectively through representatives of their own choosing, and also have the right to refrain from any or all of these activities except to the extent that employees may be required to make payments to an exclusive bargaining representative or charitable organization under a union security provision authorized in this chapter: PROVIDED, That nothing contained in this chapter shall permit or grant any public employee the right to bargain or the allocation of employees or positions to bargaining units. The commission shall designate the exclusive bargaining representative or pay an agency fee equal to the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the exclusive bargaining representative.

New Section. Sec. 5. (1) Upon filing with the employer the voluntary written authorization of a bargaining unit employee under this chapter, the employee organization which is the exclusive bargaining representative of the bargaining unit shall have the right to have deducted from the salary of the bargaining unit employees the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the exclusive bargaining representative. Such employee authorization shall not be irrevocable for a period of more than one year. Such dues and fees shall be deducted monthly from the pay of all employees who have given authorization for such deduction, and shall be transmitted by the employer to the employee organization or to the depository designated by the employee organization.

(2) A collective bargaining agreement may include union security provisions, but not a closed shop. The employer shall enforce any union security provision by monthly deductions from the salary of bargaining unit employees affected thereby and shall transmit such funds to the employee organization or to the depository designated by the employee organization.

(3) An employee who is covered by a union security provision and who asserts a right of nonassociation based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member shall pay to a nonreligious charity or other charitable organization an amount of money equivalent to the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the exclusive bargaining representative. The charity shall be agreed upon by the employee and the employee organization to which such employee would otherwise pay the dues and fees. The employee shall furnish written proof that such payments have been made. If the employee and the employee organization do not reach agreement on such matter, the commission shall designate the charitable organization.

New Section. Sec. 6. In any dispute concerning the unit appropriate for collective bargaining or the allocation of employees or positions to bargaining units, the commission, after hearing, shall determine the dispute, taking into consideration the duties, skills, and working conditions of the employees, the extent of organization among the employees, the community of interest among the employees, the desire of the employees, and the overall management structure of the employer including the interrelationships of divisions within the institution. Unnecessary fragmentation shall be avoided. All employees who are tenured or eligible to
seek or be awarded tenure shall be included in the same bargaining unit at each institution of higher education.

NEW SECTION. Sec. 7. (1) The employee organization which has been designated by the majority of the employees in an appropriate bargaining unit as their representative for the purposes of collective bargaining shall be the exclusive bargaining representative of, and shall be required to represent, all the employees within the bargaining unit without regard to membership in that employee organization: PROVIDED, That any employee may at any time present his or her complaints or concerns to the employer and have such complaints or concerns adjusted without intervention of the exclusive bargaining representative, and may request that the exclusive bargaining representative be given an opportunity to be present at that adjustment and to make its views known, and as long as the adjustment is made known to the bargaining representative and is not inconsistent with the terms of a collective bargaining agreement then in effect.

(2) The commission shall resolve any dispute concerning selection of a bargaining representative in accordance with the procedures specified in this section.

(a) No question concerning representation may be raised within one year following a certification or attempted certification.

(b) Where there is a valid collective bargaining agreement in effect, no question concerning representation may be raised except during the period not more than ninety nor less than sixty days prior to the expiration date of the agreement: PROVIDED, That in the event a valid collective bargaining agreement, together with any renewals or extensions thereof, has been or will be in existence for more than three years, then a question concerning representation may be raised not more than ninety nor less than sixty days prior to the third anniversary date or any subsequent anniversary date of the agreement; and if the exclusive bargaining representative is removed as the result of such procedure, the collective bargaining agreement shall be deemed to be terminated as of the date of the certification or the anniversary date following the filing of the petition, whichever is later.

(c) An employee organization seeking certification as exclusive bargaining representative of a bargaining unit of employees, or bargaining unit employees seeking decertification of an exclusive bargaining representative, shall make a confidential showing to the commission of credible evidence demonstrating that at least thirty percent of the employees in the bargaining unit are in support of the petition. The petition shall indicate the name, address, and telephone number of any employee organization known to claim an interest in the bargaining unit.

(d) A petition filed by an employer shall be supported by credible evidence demonstrating the basis on which the employer claims the existence of a question concerning the representation of its employees.

(e) Any employee organization which makes a confidential showing to the commission of credible evidence demonstrating that it has the support of at least ten percent of the employees in the bargaining unit involved shall be entitled to intervene in proceedings under this section and to have its name listed as a choice on the ballot in an election conducted by the commission.

(f) The commission shall determine any question concerning representation by conducting a secret ballot election among the employees in the bargaining unit, except where the commission determines that a serious unfair labor practice has been committed which interfered with the election process and precludes the holding of a fair election, the commission may determine the question concerning representation by conducting a cross-check comparing the employee organization's membership records or bargaining authorization cards against the employment records of the employer.

(g) The representation election ballot shall contain a choice for each employee organization qualifying under (c) or (e) of this subsection, together with a choice for no representation. The representation election shall be determined by the majority of the valid ballots cast. Where there are three or more choices on the ballot and none of the choices receives a majority of the valid ballots cast, a run-off election shall be conducted between the two choices receiving the highest and second highest numbers of votes.

NEW SECTION. Sec. 8. (1) The commission shall adopt rules under the administrative procedure act, chapter 34.04 RCW, as it deems necessary and appropriate to administer this chapter, in conformity with the intent and purpose of this chapter, and consistent with the best standards of labor-management relations.

(2) The rules, precedents, and practices of the national labor relations board, if consistent with this chapter, shall be considered by the commission in its interpretation of this chapter, and before the adoption of any commission rules.

NEW SECTION. Sec. 9. (1) It is an unfair labor practice for an employer:

(a) To interfere with, restrain, or coerce employees in the exercise of the rights guaranteed by this chapter;

(b) To dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. An employer may permit employees to confer with it or its representatives or agents during working hours without loss of time or pay:
(c) To encourage or discourage membership in any employee organization by discrimi-
nation in regard to hire, tenure of employment, or any term or condition of employment, but
nothing in this subsection prevents an employer from requiring, as a condition of continued
employment, payment of the periodic dues and initiation fees uniformly required to an exclu-
sive bargaining representative under section 5 of this act;

(d) To discharge or otherwise discriminate against an employee because the employee
has filed charges or given testimony under this chapter;

(e) To refuse to bargain collectively with the exclusive bargaining representative of its
employees.

(2) It is an unfair labor practice for an employee organization or its agents:

(a) To restrain or coerce: (i) Employees in the exercise of the rights guaranteed in section 4
of this act, but this does not impair the right of an employee organization to prescribe its own
rules for the acquisition or retention of membership in the organization; or (ii) an employer in
the selection of its representatives for the purposes of collective bargaining or the adjustment of
grievances:

(b) To cause or attempt to cause an employer to discriminate against an employee in viola-
tion of subsection (1)(c) of this section or to discriminate against an employee with respect to
whom membership in such organization has been denied or terminated on some ground other
than the failure of the employee to tender the periodic dues and initiation fees uniformly
required as a condition of acquiring or retaining membership;

(c) To refuse to bargain collectively with the employer of employees for whom it is the
exclusive bargaining representative.

(3) The expression of any views, argument, or opinion, or the dissemination thereof to the
public, whether in written, printed, graphic, or visual form, shall not constitute or be evidence
of an unfair labor practice under this chapter. If the expression contains no threat of reprisal or
force or promise of benefit.

NEW SECTION Sec. 10. (1) The commission may prevent any person from engaging in any
unfair labor practice. This power shall not be affected by any other means of adjustment or
prevention that has been or may be established by agreement, law, equity, or otherwise.

(2) A complaint charging unfair labor practices shall be filed within six months following
the act or event complained of or discovery of such act or event complained of, whichever is
later.

(3) The person or persons named as respondent in a complaint charging unfair labor
practices shall have the right to file an answer to the complaint and to appear in person or
otherwise to give testimony at the place and time set by the commission for hearing.

(4) If the commission determines that any person has engaged in or is engaging in any
unfair labor practice, then the commission shall issue and cause to be served upon the person
an order requiring the person to cease and desist from the unfair labor practice and to take
such affirmative action as will effectuate the purposes and policy of this chapter, including the
reinstatement of employees with back pay.

(5) The commission may petition the superior court of the county in which the main office
of the employer is located or where the person who has engaged or is engaging in the unfair
labor practice resides or transacts business, for the enforcement of its order and for appropriate
temporary relief.

NEW SECTION Sec. 11. Actions by or on behalf of the commission shall be under chapter
34.04 RCW, or rules adopted under chapter 34.04 RCW. The right of judicial review under
chapter 34.04 RCW is applicable to all these actions and rules.

NEW SECTION Sec. 12. Collective bargaining agreements, or any provision of collective
bargaining agreements, entered into between an employer institution of higher education and
an exclusive bargaining representative under this chapter are not subject to chapter 28B.19
RCW.

NEW SECTION Sec. 13. (1) Whenever a collective bargaining agreement between an
employer and an exclusive bargaining representative is concluded after the termination date
of the previous collective bargaining agreement between the employer and an employee
organization representing the same or a substantially similar bargaining unit, the effective date
of the collective bargaining agreement may be the day after the termination date of the pre-
vious collective bargaining agreement, and all benefits included in the new collective bar-
gaining agreement, including wage or salary increases, may accrue beginning with the
effective date as established by this subsection.

(2) Any collective bargaining agreement may provide for all benefits, including wage
and salary increases, to accrue beginning with the effective dates of any individual employee
contracts covering employees in the bargaining unit for the same or related period.

(3) Any collective bargaining agreement may provide for the increase of any wages, sal-
aries, and other benefits during the term of such agreement or the term of any individual
employee contracts covering employees in the bargaining unit, if the employer receives, by
increased appropriation, additional moneys for such purposes.

NEW SECTION Sec. 14. (1) The commission, through the executive director, may offer its
mediation services in any labor dispute involving an employer and an exclusive bargaining
right to lock out its employees in connection with a labor dispute.

(2) A person designated as a mediator in a labor dispute under this section shall meet with the representatives of the parties, either jointly or separately, and shall take other steps as he or she deems appropriate to persuade the parties to resolve their differences. A mediator shall not have power of compulsion.

The services of the mediator, including any per diem expenses, shall be provided by the commission without cost to the parties. Nothing in this section shall be construed to prohibit an employer and an exclusive bargaining representative from agreeing to substitute at their own expense some other mediator or mediation procedure.

(3) If an employer and an exclusive bargaining representative are unable to reach an agreement in mediation, either party, by written notice to the other party and to the commission, may request that the matters in dispute be submitted to a fact-finder for recommendations. If the executive director, upon the recommendation of the mediator, finds that the parties remain at an impasse after a reasonable period of negotiations, the executive director shall initiate fact-finding proceedings.

(a) The executive director shall provide the parties with a list of five persons qualified to serve as the neutral fact-finder. The parties shall without delay attempt to agree upon a fact-finder from the list provided by the commission or to agree upon some other person as a fact-finder. Upon the failure of the parties to agree upon a fact-finder within seven days after the issuance of the list, the commission shall, upon the request of either party, appoint a fact-finder. The commission shall not appoint as fact-finder the same person who acted as mediator in the dispute.

(b) The fact-finder shall promptly establish a date, time, and place to meet with the representatives of the parties and shall provide reasonable notice of the meeting to the parties to the dispute. The requirements of chapter 34.04 RCW shall not apply to fact-finding proceedings. The fact-finder shall make inquiries and investigations, hold hearings, and take such other steps as he or she deems appropriate. The fact-finder may issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence.

(c) The fact-finder shall, within thirty days following the conclusion of the hearing, make written findings of fact and written recommendations to the parties as to how their dispute should be resolved. A copy shall be delivered or mailed to each of the parties to the dispute. A copy shall be filed with the commission. The findings and recommendations of the fact-finder are advisory only.

(d) The findings and recommendations of the fact-finder shall be held in confidence among the fact-finder, the employer, the exclusive bargaining representative, and the commission for seven calendar days following their issuance, to permit the employer and the exclusive bargaining representative to study the recommendations. No later than seven calendar days following the issuance of the recommendations of the fact-finder, each party shall notify the commission and the other party whether it accepts or rejects, in whole or in part, the recommendations of the fact-finder. If the parties remain in disagreement following the expiration of the seven-day period, the findings and recommendations of the fact-finder may be made public.

(e) The fees and expenses of the fact-finder shall be paid by the parties to the dispute, in equal amounts. All other costs of the proceeding shall be paid by the party incurring those costs. Nothing in this section prohibits an employer and an exclusive bargaining representative from agreeing to substitute, at their own expense, some other impasse procedure or from agreeing to some other allocation of the costs of fact-finding between them.

NEW SECTION. Sec. 15. An employer and an exclusive bargaining representative who enter into a collective bargaining agreement may include in the agreement procedures for binding arbitration of the disputes arising about the interpretation or application of the agreement.

NEW SECTION. Sec. 16. Except as otherwise expressly provided in this chapter, nothing in this chapter shall be construed to annul, modify, or preclude the renewal or continuation of any lawful agreement entered into before the effective date of this act between an employer and an employee organization covering wages, hours, and terms and conditions of employment. Where there is a conflict between any collective bargaining agreement and any resolution, rule, policy, or regulation of the employer or its agents, the terms of the collective bargaining agreement shall prevail.

NEW SECTION. Sec. 17. Except as otherwise expressly provided in this chapter, nothing contained in this chapter shall be construed to deny or otherwise abridge any rights, privileges, or benefits granted by law to employees.

NEW SECTION. Sec. 18. Nothing in this chapter shall be construed to interfere with the responsibilities and rights of the employer as specified by federal and state law, including the employer's responsibilities to students, the public, and other constituent elements of the institution: PROVIDED, That nothing contained in this chapter shall permit or grant any employer the right to lock out its employees in connection with a labor dispute.
NEW SECTION. Sec. 19. All agreements reached pursuant to this chapter shall contain the following clause: Implementation of any compensation adjustments, including salaries and fringe benefits provided for in this agreement which is funded by general funds of the state of Washington shall be consistent with legislative appropriation and with any subsequent modification thereto.

Sec. 20. Section 4, chapter 296, Laws of 1975 1st ex. sess. and RCW 41.58.020 are each amended to read as follows:

(1) It shall be the duty of the commission, in order to prevent or minimize interruptions growing out of labor disputes, to assist employers and employees to settle such disputes through mediation and fact-finding.

(2) The commission, through the director, may proffer its services in any labor dispute involving a political subdivision, municipal corporation, or institutions of higher education of the state, either upon its own motion or upon the request of one or more of the parties to the dispute, whenever in its judgment such dispute threatens to cause a substantial disruption to the public welfare.

(3) If the director is not able to bring the parties to agreement by mediation within a reasonable time, he shall seek to induce the parties to voluntarily seek other means of settling the dispute without resort to strike or other coercion, including submission to the employees in the bargaining unit of the employer’s last offer of settlement for approval or rejection in a secret ballot. The failure or refusal of either party to agree to any procedure suggested by the director shall not be deemed a violation of any duty or obligation imposed by this chapter.

(4) Final adjustment by a method agreed upon by the parties is declared to be the desirable method for settlement of grievance disputes arising over the application or interpretation of an existing collective bargaining agreement. The commission is directed to make its mediation and fact-finding services available in the settlement of such grievance disputes only as a last resort.

NEW SECTION. Sec. 21. The following acts or parts of acts are each repealed:

(1) Section 1, chapter 196, Laws of 1971 ex. sess. and RCW 28B.52.010;

(2) Section 2, chapter 196, Laws of 1971 ex. sess., section 1, chapter 205, Laws of 1973 1st ex. sess., section 12, chapter 296, Laws of 1975 1st ex. sess. and RCW 28B.52.020;

NEW SECTION. Sec. 23. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

“NEW SECTION. Sec. 23. PREAMBLE. The legislature finds that higher education is of the utmost importance to the continued social, cultural, and economic well-being of the people of Washington state.

The legislature also finds that salaries for full-time state-funded teaching and research faculty are below faculty salary levels at their peer institutions and that this situation is detrimental to attaining excellence in the education and training of our people.

The legislature recognizes that continued deterioration in faculty salaries will result from the inability to adequately address faculty salary disparities particularly in the retention and recruitment of the most able and meritorious faculty.

The legislature recognizes that efforts to address the problem of competitive faculty salaries will require the commitment of significant state resources for which other important programs will compete.

It is therefore the legislature’s intent to reduce faculty salary disparities and achieve more competitive salaries for full-time state-funded teaching and research faculty at Washington state institutions of higher education as funds are available.

The legislature further intends that the salary increases which are provided by this chapter shall be based upon documented disparities in faculty salaries relative to those at peer institutions and be distributed within each institution on the basis of evidence of each faculty member’s contribution to the profession, the institution, and the community.

The legislature intends that the salary increases which are provided by this chapter shall not be distributed on an across-the-board basis.

In as much as there is a lack of information concerning the salary disparity between community college faculty and their counterparts in other states, the legislature also intends to
establish an objective measure of competitive salaries for community college faculty. The legislature finds it necessary to conduct a national survey of community college faculty salaries which will be the basis for determining competitive salary levels for community colleges in Washington state.

The legislature further finds that in addition to the critical issue of faculty salaries, there is substantial need for additional funding in the areas of student scholarships, student loans, and enhancement of undergraduate education.

NEW SECTION. Sec. 24. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Washington state institutions of higher education" means the University of Washington, Washington State University, Central Washington University, Eastern Washington University, Western Washington University, The Evergreen State College, and all community college districts within the jurisdiction of the state board for community college education.

2. "Research institutions" means the University of Washington and Washington State University.

3. "Regional institutions" means Central Washington University, Eastern Washington University, Western Washington University, and The Evergreen State College.

4. "Peer institutions" means those institutions most comparable to Washington's public institutions of higher education, including Washington's community college system, as determined by the office of financial management on the basis of similarity in role and mission, undergraduate or graduate education emphasis, research emphasis, program offerings at the doctorate, masters, professional, bachelors, and associate degree levels, and institutional size.

5. "Peer institution groups" means (a) for the University of Washington: The University of Arizona, the University of California at Berkeley, the University of California at Los Angeles, the University of Illinois, the University of Iowa, the University of Michigan, the University of North Carolina, and the University of Oregon; (b) for Washington State University: The University of California at Davis, the University of California at Santa Barbara, the University of Illinois, Purdue University, Iowa State University, Michigan State University, North Carolina State University, and Oregon State University; and (c) for the regional universities and The Evergreen State College: Northern Arizona University, California State University at Chico, California State University at Hayward, Western Illinois University, Northern Michigan University, Western Carolina University, and Portland State University.

6. "Faculty salary disparity" means, for each Washington institution of higher education, the extent to which average salaries for its eligible faculty are below the average salaries received by full-time state-funded teaching and research faculty at its designated peer institutions.

7. "Eligible faculty" means full-time state-funded teaching and research faculty including primary support personnel who are appointed with a faculty title and paid a full-time equivalent salary.

8. "Merit" means excellence in performance, consistent with the role and mission of each respective institution and its individual colleges, schools, and departments as evidenced by (a) evaluations of teaching effectiveness, (b) contribution to the institution and its students, the profession, and the community, and (c) where applicable, the professional recognition of research and publications.

NEW SECTION. Sec. 25. APPLICATION OF CHAPTER. This chapter applies only to eligible faculty at Washington state institutions of higher education.

This chapter shall not prevent the granting of salary increases, on terms consistent with this chapter, to research faculty supported by moneys other than state funds at Washington institutions of higher education if sufficient moneys exist to support the increases.

This chapter shall not preclude eligible faculty from receiving general salary increases granted by the legislature to state employees through the normal appropriations process, but these general salary increases shall be fully recognized by the office of financial management or the higher education coordinating board, or both, in updating reports of faculty salary disparities at each Washington institution of higher education.

NEW SECTION. Sec. 26. PEER GROUP COMPARISONS. The office of financial management shall annually identify the faculty salary disparities between Washington state's research and regional institutions of higher education and their respective peer institutions. The office of financial management shall report these disparities no later than January 15, 1987, and no later than January 15 of each subsequent year. The office of financial management shall concurrently identify and report the level of appropriation from the higher education improvement account necessary to eliminate the faculty salary disparities.

NEW SECTION. Sec. 27. COMMUNITY COLLEGE SURVEY. The office of financial management in conjunction with the higher education coordinating board, shall conduct, or designate a recognized consulting firm to conduct, a national survey to determine average salaries for full-time instructional faculty at a representative sample of two-year institutions of higher education in other states. The sample shall be constructed to reflect, to the greatest extent possible, the nature and composition of Washington state's community college system, with particular emphasis given to similarity in (1) degree and program offerings; (2) enrollment levels; (3)
types of communities served; and (4) degree of reliance on state funding. Based on the findings of this survey, the office of financial management shall prepare a report no later than January 15, 1987, and no later than January 15 of each subsequent year, that identifies the faculty salary disparity for Washington state's community college system. The report shall also identify the level of appropriation necessary to eliminate the community college faculty salary disparity.

NEW SECTION. Sec. 28. DISTRIBUTION PLAN REQUIREMENTS FOR FOUR-YEAR INSTITUTIONS. Each research and regional institution shall submit to the higher education coordinating board by March 15, 1987, and by March 15 of each subsequent year, a plan to distribute, solely on the basis of merit, the moneys provided under this chapter to their eligible faculty. Each plan shall be consistent with the role and mission of the institution and its colleges and schools, provide for the involvement of faculty in assessing merit, and be specific to each college and school within the institution. Evidence which documents faculty salary disparities by college and school and professorial rank shall be prepared to support and accompany each plan.

NEW SECTION. Sec. 29. DISTRIBUTION PLAN REQUIREMENTS FOR COMMUNITY COLLEGES. The state board for community college education shall submit to the higher education coordinating board by March 15, 1987, and by March 15 of each subsequent year, a plan to distribute, solely on the basis of merit, the moneys provided by this chapter to their eligible faculty. The plan shall be consistent with the role and mission of the community college system and each individual community college, provide for faculty involvement in assessing merit, and be specific to each community college. Evidence which documents faculty salary disparities by college and major instructional department shall be prepared to support and accompany each plan.

NEW SECTION. Sec. 30. REVIEW AND APPROVAL OF PLANS. The higher education coordinating board shall review the plans submitted by the state board for community college education and each research and regional institution to certify whether each plan meets the requirements and intent of this chapter. By April 15, 1987, and by April 15 of each subsequent year, the higher education coordinating board shall approve only those plans which meet the requirements of this chapter.

If any institution's distribution plan is not submitted to the higher education coordinating board by March 15 of any year, or if the institution's plan has not been approved by the higher education coordinating board by April 15 of that year, the office of financial management shall retain in the higher education improvement account that portion of the appropriated moneys the institution would have otherwise received from the account. By September 15, 1987, and by September 15 of each subsequent year, each institution and the state board for community college education shall report to the higher education coordinating board on how their respective plan was implemented. The report shall specify the salary adjustments received by the eligible faculty of each school and college and be detailed by department and professorial rank within each school and college.

NEW SECTION. Sec. 31. REPORTS ON IMPLEMENTATION. By November 15, 1987, and by November 15 of each subsequent year, the higher education coordinating board shall submit to the ways and means committees of the senate and the house of representatives a report that documents the extent to which the faculty salary adjustments at each Washington state institution of higher education are being implemented in conformance with the plans approved by the higher education coordinating board. The report shall specify the salary adjustments received at each institution and shall provide detail on the distribution of these adjustments by the schools and colleges at each institution, including the distributions to major instructional departments by professorial rank.

NEW SECTION. Sec. 32. HIGHER EDUCATION IMPROVEMENT ACCOUNT. (1) The higher education improvement account is hereby created in the state treasury. The account shall only be used as provided in this chapter.

(2) Moneys in the account shall be subject to legislative appropriation according to the following priorities:

(a) Not less than twenty percent of the moneys in the account shall be used for student scholarships, student loans, and the enhancement of undergraduate education according to the annual plan submitted to the legislature by the board under this chapter.

(b) As much of the moneys in the account as needed that remain after distribution under (a) of this subsection shall be used to fund faculty salaries to bring them as close as funds in the account permit to the average salary of each institution's peer group.

Funding levels attained for the purposes of subsection (2) of this section shall be maintained in succeeding years from the account and not from the general fund.

NEW SECTION. Sec. 33. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise:

(1) “Consideration” means all proceeds received, whether in cash, credits, or property, of any kind or nature, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or services, or other costs, interest, or discount allowed, or any other expense whatsoever, except that deductions are allowed for returned merchandise.

(2) “Department” means the department of revenue.

(3) “Motor vehicle” means all vehicles, engines, machines, or mechanical contrivances which are propelled by internal combustion engines or motors.

(4) “Oil company” means every corporation, association, joint-stock association, partnership, limited partnership, copartnership, natural individual or individuals, and any business conducted by a trustee or trustees wherein evidence of ownership is evidenced by certificate or written instrument, formed for or engaged in the sale or the importation of petroleum products within this state.

(5) “Person” means any oil company subject to tax under this chapter.

(6) “Petroleum products” means any product of the industrial processing of crude oil and its fractionation products manufactured or refined or used for the generation of power used in an internal combustion engine for the generation of power to propel motor vehicles of any kind or character on the public highways. Petroleum products include but are not limited to gasoline, diesel fuel, kerosene, propane, and any other product of crude oil used for such purpose. Petroleum products do not include any product used for residential heating purposes or in the generation of electricity by a public utility or municipality.

(7) “Petroleum revenue” means all consideration derived from the first sale of petroleum products otherwise subject to liquid fuel taxes to wholesale or retail dealers in this state for marketing and distribution or to a direct user. If the consideration derived from the sale to a wholesale dealer includes federal gasoline taxes, the taxes shall not be considered a part of the petroleum revenue. If no consideration is received or if the transaction involves a person owned or controlled by the selling entity or a division within the selling entity and the consideration does not reflect the consideration which would have been received in an arm’s length transaction with an unrelated person, then the selling entity shall be deemed to have received from such sale revenue equal to the consideration it would have received in an arm’s length transaction with an unrelated person. Receipts from the sale of petroleum products are allocable to this state if the property is delivered or shipped to a purchaser located within this state regardless of the F.O.B. point or other conditions of the sale. The importation of petroleum products into this state upon which this tax has not been imposed or collected shall constitute a sale within this state and the importing purchaser shall be deemed an oil company for the purposes of this chapter. Subsequent exportation of these imported products from the state shall constitute a deduction from taxable revenue.

NEW SECTION. Sec. 34. (1) Every oil company incorporated or organized now or hereafter by or under any law of this state or of any other state or territory or by the United States or any foreign government or dependency, and doing business in this state, shall pay an excise tax of one percent of its petroleum revenues for the privilege of exercising its corporate franchise or of doing business, or of employing capital, or of owning or leasing property in this state in a corporate or organized capacity, or of maintaining an office in this state, or of having employees in this state, for all or any part of any calendar year.

(2) The tax imposed by this chapter is in addition to all other taxes imposed by this chapter or any other statute and shall not be permitted as a deduction in calculating any other tax imposed by the state.

(3) The tax imposed by this chapter automatically preempts any like tax or any tax on the privilege of processing or refining any petroleum product taxable under this chapter or any other refined product of crude oil imposed by any political subdivision of this state. This pre­emption does not extend to any local or personal or real property tax of general application or to any tax imposed by the state.

(4) The department may require purchasers of petroleum products to provide the selling oil company with documentation in such form and under such terms and conditions as the department may prescribe to substantiate any portion of its purchases which are or will be used for a nontaxable purpose.

(5) If at the time of a sale or importation of petroleum products by an oil company it cannot be reasonably determined whether the products will be used for a taxable purpose, it is presumed that the products are being used for a taxable purpose. The department may provide, in such form and under such terms as it may prescribe, a credit against any tax due and payable for any subsequent month upon submission to the department of such proof as it may require that any products presumed taxable were ultimately used for a nontaxable purpose.
(6) Any purchaser of petroleum products for a nontaxable purpose who provides documentation to an oil company pursuant to subsections (4) and (5) of this section and who subsequently sells or uses those products for a taxable purpose shall be deemed an oil company for the purposes of this chapter.

(7) The department may provide, in any case in which the purchaser is unable to provide documentation that petroleum products are used for a nontaxable purpose, for the payment of a credit based on the average wholesale price of petroleum products determined pursuant to rules adopted by the department.

(8) Any purchaser from an oil company subject to tax under this chapter who intentionally provides an oil company with false or fraudulent proof of the ultimate use of petroleum products, which enables that oil company to obtain a credit or exemption to which it is not entitled, or who directly receives a credit for taxes paid, is liable to pay to the department two hundred percent of the credit so obtained, plus interest at the rate of eighteen percent per annum.

(9) Any purchaser or user of petroleum products may, upon application to and approval by the department, elect to be deemed an oil company for the purposes of this chapter and to pay the taxes imposed by this chapter. Any purchaser or user electing to be taxed as an oil company may acquire petroleum products without the imposition of tax upon the supplier of the petroleum products.

(10) The tax imposed by this chapter shall be collected once on any petroleum products sold or used in this state.

NEW SECTION. Sec. 35. Chapter 82.32 RCW applies to the taxes imposed in this chapter, including RCW 82.32.045 on reports and returns.

NEW SECTION. Sec. 36. (1) The governor, or the governor's authorized representative, is hereby vested with authority to confer with the governor and the authorized representatives of other states with respect to reciprocal collection between this state and such other states of the tax imposed by this chapter.

(2) The governor, or the governor's representative, is authorized to join with such authorities of other states to conduct joint investigations, exchange information, hold joint hearings, and enter into compacts or interstate agreements with such other states to accomplish uniform reciprocal collection between those states who are parties to any compact or interstate agreement and this state of the tax imposed by this chapter.

NEW SECTION. Sec. 40. CAPTIONS. Section captions as used in this chapter do not constitute any part of the law.

NEW SECTION. Sec. 41. LEGISLATIVE DIRECTIVE. (1) Sections 23 through 32 of this act shall constitute a new chapter in Title 28B RCW.

(2) Sections 33 through 38 of this act shall constitute a new chapter in Title 82 RCW. Rename the remaining sections consecutively.

PARLIAMENTARY INQUIRY

Senator Deccio: "Mr. President, does Senator Bolliger's motion allow the makers of the amendments to speak in favor of all the amendments? I think Senator Bolliger has a good motion and I wanted to know if the makers of all the amendments would be able to speak on their amendments in favor of Senator Bolliger's motion?"

REPLY BY THE PRESIDENT

President Cherberg: "You would be entitled to speak under the three minute rule until someone raises the previous question and the previous question carries."

REMARKS BY SENATOR FLEMING

Senator Fleming: "Mr. President, I suggest to Senator Deccio that they have an old rule around here that if you've got the votes you vote and if you don't have the votes you talk. Senator Bolliger says you have the votes, so unless you have some other reason than wanting the amendment adopted, then why would you want to talk on it? Let's just vote on it."

Further debate ensued.

POINT OF ORDER

Senator Rasmussen: "Mr. President, I think we have a vote pending, but my point of order is it's rather out of order to make a motion such as this and I don't think Senator Bolliger would have done it, except he's on candid camera and he wants to show that he's speeding up. We have always allowed people to present their arguments for the amendments and I would hate to start this procedure at this time, Mr. President. I don't know where you are in the middle of the roll call there, the ayes were aying and the nays were naying, but I don't know that anybody counted them."

PARLIAMENTARY INQUIRY

Senator McDonald: "Mr. President, Senator Bolliger's motion does not include the Patterson amendment, does it?"

REMARKS BY SENATOR BOTTIGER

There are two additional amendments that have been brought up, one by Senator Barr and one by Senator Patterson that were not there when I made the motion, so we will have to vote on those. Now if more amendments keep coming up, then I would suggest Rule 61 might be of interest."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1355, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

Preventing escape of debris from vehicles.

The bill was read the second time.

MOTIONS

On motion of Senator Bottiger, the following amendment by Senators Bottiger and Hayner was adopted:

On page 1, line 19, after "thereon" insert "by subsection (3) of the 1986 act"

On motion of Senator Peterson, the rules were suspended. Substitute House Bill No. 1363, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.
Senator Bluechel: "Senator Bottiger, when you are defining free board does this mean that the free board is only at the edges of the truck or what about the center? Can the load be piled higher in the center so it's above the level of the sides even though they still have six inches clear on the edges?"

Senator Bottiger: "I'd have to yield to Senator Peterson. I don't sit on that committee. I understand what free board is, but I can't answer your question."

REMARKS BY SENATOR PETERSON

Senator Peterson: "The answer to your question is a load could be higher. The six inches of a free board is maintained so as that load settles it's indicated, at least in the statistics that we received from the State Patrol and the trucking industry, that six inches of free board--if a truck left a gravel pit--even though the gravel is piled higher than the truck--the six inches of free board would be ample to allow for settling and spillage."

Senator Bluechel: "Senator Peterson, that's one of the problems and the key with the issue is, it bounces off the middle of the truck, especially where some of the trucks are piled say six or eight inches above the sides even at the middle point. How is it determined that it will level out, so that it wouldn't come over? That's the real question that I think this whole debate and the whole problem that has been around for a long time."

Senator Peterson: "I don't know what scientific means that's been developed to establish that six inch free board, but it was at least alleged in committee, for the most part, that it would take care of the problem as long as they maintain that much free board."

POINT OF INQUIRY

Senator Newhouse: "Senator Bottiger, is it your intent by your amendment that subsection (2) only applies to loads as defined in subsection (3)?"

Senator Bottiger: "That's correct. I think the issue came up of what would this do to say a farm crop. If you would put a canvas over a load of carrots, they would tend to cook and since carrots don't bounce and watermelons don't bounce, the committee kept its consideration to sand, gravel and rock."

POINT OF INQUIRY

Senator Bauer: "Senator Bottiger, I understand also in the bill that it requires that all under carriages--wheels, tires and body frames be free of any mud or debris before they enter a paved road. What happens to the farmer who was bringing his semi-truck out of the field away from the farm and there is no water hoses or no ability to wash that under carriage and he's pushing it out of the field with a bulldozer because of the muddy weather? Now, is he going to be fined when he moves that semi out onto the paved road?"

Senator Bottiger: "Senator, could you refer your question to someone that was even on the committee?"

REMARKS BY SENATOR PETERSON

Senator Peterson: "The bill is not construed to be that tight, Senator Bauer. The same question came up--where the reason that language was--the sand and gravel operations where the trucks are leaving with an excessive amount, but it is not intended to penalize the farmer for leaving the field with mud in between the tires and this type of thing, so it's not to be construed by testimony before the committee, and it's not to be construed by the Senate, to be that type. We had the State Patrol and the sheriffs and they would work with the committee in determining and the ultimate effect was 'no.'"

Senator Bauer: "So you're saying the intent of the legislation is that they are not going to penalize the farm vehicle for putting mud on the road in coming out of a field?"

Senator Peterson: "They don't intend to issue citations for that type of a violation. That wouldn't be construed--they don't--in other words--we're not asking someone to be there with a fire truck with every load that leaves the operation."
The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1363, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 1363, as amended by the Senate, and the bill passed the Senate by the following vote:

Yeas. 41; nays. 6; absent. 1; excused, 1.

Voting yea: Senators Bailey, Bender, Bluechel, Bottiger, Cantu, Conner, Deccio, DeJamatt, Garrett, Gaspard, Goltz, Granlund, Guess, Halsan, Hansen, Hayner, Johnson, Kiskaddon, Kreidler, Lee, McCaslin, McDermott, McDonald, McManus, Moore, Owen, Patterson, Peterson, Pullen, Rasmussen, Rinehart, Saling, Sellar, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn, Zimmerman - 41.

SECOND READING

HOUSE JOINT RESOLUTION NO. 55, by Representatives Peery, Taylor, Ebersole, Cole, Schoon and May

Specifying the time period for levies for renovation and construction of school facilities.

The resolution was read the second time.

MOTIONS

On motion of Senator Gaspard, the following Committee on Education amendment was adopted:

On page 2, line 13, after "support the" strike "renovation or construction" and insert "construction, modernization or remodelling"

On motion of Senator Gaspard, the rules were suspended. House Joint Resolution No. 55, as amended by the Senate, was advanced to third reading, the second reading considered the third and the resolution was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Gaspard, if a school district approves one of these six-year levies for capital purposes and the money begins to come in, is the school district obligated to immediately begin spending the money or may the school district allow the money to accrue for a time prior to spending it on the capital project?"

Senator Gaspard: "Senator Pullen, I don’t know how to answer that question, because I don’t think its addressed in either the constitutional amendment before us or in the implementing statute but common sense, I think, will prevail when they go to the voters and ask for a levy proposal and the voters see that that money is not being spent for the purpose it was purported to be spent for. Obviously, they are not going to have the support of the community."

Senator Pullen: "Well, what would happen to the interest on the money if the school district were to allow the funds to accrue? In other words, who gets the interest and is the interest dedicated to the capital project or could the interest be used for other expenditures?"

Senator Gaspard: "I believe, Senator Pullen, that that doesn’t address that either, but that will be up to the local school district to make that determination whether they wish to apply it to the capital project or use it for any other purpose the local school district desires it to go to."

EDITOR’S NOTE: (See clarification remarks by Senator Gaspard before House Joint Resolution No. 55 on final passage)

POINT OF INQUIRY

Senator Rasmussen: "Senator Gaspard, let's assume that this has passed and the local school district wants to put a six-year levy on and they’ll identify it for the
specific project. Is it possible for them in the next year to put another six-year levy on? I scanned the bill and I can't see any prohibition against it. The reason I asked that question—the people at the local level frequently will vote as they did this last time—27 million for parks, next year they forget they voted on that and another issue comes up and the following year another one and the bond issues are running for thirty years while the levies are running for six years."

Senator Gaspard: "Senator Rasmussen, in looking at the constitutional amendment and the implementing legislation which is the next bill before us, it doesn't specify or prohibit a school district from doing that, but again using common sense that a school board would ask the public to have a levy before them and to ask the public to have a supportive levy passed, which takes over sixty percent of the voters in that district, it wouldn't be wise or prudent policy for them to come back in a year again and ask for a six-year levy. Those local decisions are best, I think, left to the local people who are elected school board directors in each district."

Further debate ensued.

**CLARIFICATION OF REMARKS BY SENATOR GASPARD**

Senator Gaspard: "Mr. President, just to clarify the question offered by Senator Pullen on the interest from the capital project. In going beyond what the statute is before us here, but looking at what the statute is currently, that those funds that are raised locally for capital construction projects, that interest has to stay for that capital construction."

**PARLIAMENTARY INQUIRY**

Senator Pullen: "Mr. President, could Senator Gaspard’s comments that he just made be entered in the record, because that contradicts the answer to the question I asked previously?"

**REPLY BY THE PRESIDENT**

President Cherberg: "Yes, Senator Pullen."

The President declared the question before the Senate to be the roll call on final passage of House Joint Resolution No. 55, as amended by the Senate.

**ROLL CALL**

Voting nay: Senators Benitz, Guess, Pullen, Rasmussen — 4.

Excused: Senator Stratton — 1.

The President declared the question before the Senate to be adoption of the Committee on Judiciary amendment.
The motion by Senator Talmadge carried and the Committee on Judiciary amendment was adopted.

MOTION

On motion of Senator Talmadge, the rules were suspended, Substitute House Bill No. 1726, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator Talmadge, again, going back to page 4, the definition of entity, would the Washington State Legislature soliciting private sector contributions for the NCSL convention last summer have to comply with this law?"

Senator Talmadge: "Senator, I think I would suggest to you that an organization that is presently subject to public disclosure or the federal election commission disclosure process, would be immune from the provisions of the bill. If it were a purpose that is not subject to the disclosure provisions of RCW 42.17 or the disclosure provisions in federal law for a political purpose, then I would have to say 'yes' it probably would be."

Senator Goltz: "Would the Washington State Expo '86 Commission, which is also soliciting money from the private sector to complete our effort up in Vancouver, British Columbia, have to register under this law?"

Senator Talmadge: "My answer is for the same reason, probably 'yes,' unless it is covered by RCW 42.17 or the federal election commission process."

Further debate ensued.
The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1726, as amended by the Senate.

MOTIONS

On motion of Senator Hansen, the following title amendment was adopted:
On page 1, line 1 of the title, after "bank;" strike the remainder of the title and insert "amending RCW 30.04.020; adding a new chapter to Title 31 RCW; and creating a new section."

On motion of Senator Hansen, the rules were suspended. House Bill No. 1899, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage. Debate ensued.
Senator Rasmussen: "Senator Hansen, my question is, I have a clipping here out of the newspaper—'Farm Credit System turns in a whopping $269,000,000,085 loss.' Then they go on to say that thirty-seven banks and there are several banks in the state of Washington, but the farm credit system can borrow on the federal treasury, which they are doing. How do you foresee a local state land bank being able to do business when many farmers already owe up to their tractor hubs on the present farm credit? I just don't understand how you can borrow money when you already owe more than you can pay."

Senator Hansen: "You just answered your own question, Senator Rasmussen. You said they borrowed more than they can pay, but they haven't used the equity of their land. Now if they own that land free title, they can borrow up to sixty-five percent of that land's true evaluation to help this cash flow that they're in right now. The thing that has put us in this position is a lot of federal government regulations of chastising other countries when they wanted to get at them for human rights and things like this. We cut the export of our products off. We lost that market through that maneuver. At the present time, we have a strong dollar. At the present time, Canada's dollar is a third less than ours, so we're catching thirty loads of cattle a week coming into the state of Washington to slaughter and they're being paid at our American higher dollar which gives them a third more than the dollar they would have gotten in Canada, so the price of cattle dropped immediately four cents a pound, which caused this catastrophe that was related to here—a cattleman in my area who lost his shirt—and he did lose his shirt. But the farmer that has an equity in his ground—there are a lot of those farms that are a hundred years old that have been in the family—they have a big equity in the farm and their cash flow is miserable right now, because of elements beyond their control. Now this set up will give people who have an equity in their place the ability to borrow on their equity and hold that cash flow so they can operate."

Senator Rasmussen: "Thank you. Just one brief question. When you take a crop loan, don't they put a lien on the land?"

Senator Hansen: "No. When they take a crop loan, they take a crop loan."

Senator Rasmussen: "Only a lien on the crop?"

Senator Hansen: "On the crop and the equipment."

Senator Rasmussen: "I hope you are successful. I don't know if it will work."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of House Bill No. 1899, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of House Bill No. 1899, as amended by the Senate, and the bill passed the Senate by the following vote:

POINT OF INQUIRY

Senator Benitz: “Senator Halsan, I believe I heard you say that a five-year old’s breath probably would not do it. At what age would a juvenile or other person’s breath—if it’s that technical I’m scared to death of it—but at what age would they be able to do it?”

Senator Halsan: “Well, as I mentioned, the device requires what is called alveolar air, which is a deep lung air on a very strong breath. It basically requires an adult to do it.”

POINT OF INQUIRY

Senator Goltz: “Senator Halsan, if a person could buy a can of fresh breath, which had sort of a lip attachment to it, and you pressed an aerosol trigger could you get that thing to work?”

Senator Halsan: “I believe I’ve been asked to yield to a question which I would accept—the people that manufacture these devices—there are two companies that do it at the present time with five more coming on line, they would not do it. A balloon wouldn’t do it. Compressed air in a can wouldn’t do it. It takes a deep lung air breath just like a breathalyzer if you’ve ever blown into one.”

The President declared the question before the Senate to be adoption of the amendment by Senators Halsan and Talmadge.

The motion by Senator Halsan carried and the amendment was adopted.

MOTIONS

On motion of Senator Talmadge the following title amendments were considered simultaneously and adopted:

On motion of Senator Talmadge, the rules were suspended. House Bill No. 1499, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

The bill was read the second time.

MOTION

On motion of Senator Kreidler, the rules were suspended. Substitute House Bill No. 1540 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Talmadge: "Senator Kreidler, do the updated minimal functional standards for solid waste referred to in this bill violate any provision of Initiative 62?"

Senator Kreidler: "No, Senator Talmadge, the updated standards were not directly imposed by the Legislature, but by administrative rule by the Department of Ecology. The authority for the rules comes from the Solid Waste Management Act of 1969. It was enacted more than ten years before Initiative 62."

POINT OF INQUIRY

Senator Barr: "Senator Kreidler, is this only a study bill?"

Senator Kreidler: "Yes, Senator, it is solely a study bill of the minimal functional standards--current practices that are taking place in counties with landfills and then coming back with some recommendations for the Legislature."

Senator Barr: "In describing the bill, you used some pretty big figures and it sounded pretty positive of what it was going to cost local government--in the hundreds of millions of dollars--and I didn't want that to be interpreted as being anything in the record--that this is strictly a study bill."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1540.

(3) Study the ultimate disposal of the used absorbent material and container.

The department of ecology shall consult with the solid waste advisory committee and report to the appropriate standing committees of the legislature by January 1, 1987. The report shall include recommendations for legislation."

POINT OF ORDER

Senator Kiskaddon: "Mr. President, I think we adopted the striking amendment by Senator Kreidler and this is an amendment to the striking amendment as I understand it, so I don't see how we would be able to handle that at this point."

REPLY BY THE PRESIDENT

President Cherberg: "Your point is well taken, Senator Kiskaddon. It will be possible by reconsidering the vote by which the striking amendment was adopted."

Debate ensued.

POINT OF INQUIRY

Senator Bolliger: "Senator Rinehart, out where Tub Hansen and I live, a used oil collection container is an oil drum. Do you have some definition of what you're going to study that is a little bit more clearer than this?"

Senator Rinehart: "The intention is not to limit it and certainly not to interfere with any individual business person's consideration. Senator Bottiger, does this have anything to do with your rototiller?"

MOTION

Senator Moore moved that the following amendment be adopted:

On page 2, after line 7, strike all material down to and including “commissioner,” on line 13 and insert the following:

“Sec. 2. Section 01.05, chapter 79, Laws of 1947 as last amended by section 9, chapter 277.
Laws of 1985 and RCW 48.01.050 are each amended to read as follows:

“Insurer” as used in this code includes every person engaged in the business of making contracts of insurance, other than a fraternal benefit society. A reciprocal or interinsurance exchange is an “insurer” as used in this code. Two or more hospitals, as defined in RCW 70.39.020(3), which join and organize as a mutual corporation pursuant to chapter 24.06 RCW for the purpose of insuring or self-insuring against liability claims, including medical liability, through a contributing trust fund shall not be deemed an “insurer” under this code. Two or more local governmental entities, as defined in RCW 48.62.020, which pursuant to RCW 48.62-.040, 48.62.035, or any other provision of law join together and organize to form an organization for the purpose of jointly self-insuring or self-funding shall not be deemed an “insurer” under this code. Two or more fraternal benefit societies subject to chapter 24.20 RCW which join together and organize to form an organization for the purposes of self-insuring for damage to property and against liability claims shall not be deemed an “insurer” under this code. Two or more cooperatives operated as cooperatives under chapters 23.86, 24.06, and 24.32 RCW, or Title 23A RCW, which join and organize as a mutual corporation pursuant to chapter 24.06 RCW for the purpose of insuring or self-insuring their directors and officers against liability claims through a contributing trust fund shall not be deemed an “insurer” under this code.”

Debate ensued.

POINT OF INQUIRY

Senator Newhouse: “I have a couple questions, Senator Moore, about this fraternal language. Would this allow, for instance, the Elks, the Moose and the Odd Fellows all to get in the same pooling agreement as far as insurance is concerned?”

Senator Moore: “If, on line 10, where it speaks to two or more cooperatives operated as cooperatives under chapter so and so, I think that probably covers it.”

Senator Newhouse: “No. I’m looking on line 3 and 4 when you talk about fraternal benefit societies. Would that include college fraternities and sororities? Could they do this under this chapter?”

Senator Moore: “Anything that is listed as a fraternal organization would be included.”

The President declared the question before the Senate to be adoption of the amendment by Senator Moore.

The motion by Senator Moore carried and the amendment was adopted.

MOTIONS

On motion of Senator Moore, the following title amendment was adopted:

On page 1, line 1 of the title, after “48.62.040” strike the remainder of the title and insert “and 48.01.050.”

On motion of Senator Moore, the rules were suspended. Substitute House Bill No. 1972, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator McDonald: “Senator Moore, will they have to have the same funds—I search for the words—the funds in order to make sure that they are not going to default on a loss?”

Senator Moore: “They will be under the Insurance Commissioner, subject to all the regulations.”

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1972, as amended by the Senate.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 2080, by Committee on Financial Institutions and Insurance (originally sponsored by Representative Lux)

Authorizing a joint underwriting association to provide insurance for day care providers.

The bill was read the second time.

MOTIONS

On motion of Senator Bottiger, the following amendments were considered simultaneously and adopted:

On page 1, line 15, after "services" insert "by requiring the commissioner to assist in the establishment of a market assistance plan for providing liability insurance for day care services or"

On page 1, line 22, after "means" strike all material through "chapter" on line 23 and insert "an involuntary mechanism requiring property casualty insurers doing business in Washington to provide day care insurance to licensees on either an assigned risk basis or through a joint underwriting pool providing limits of at least one hundred thousand dollars underwritten to standards promulgated under chapter 74.15 RCW"

On page 2, after line 2, insert the following:

"(4) Market assistance plan means a voluntary mechanism by insurers writing liability insurance in Washington in either the admitted or nonadmitted market to provide day care insurance to a licensee in a minimum amount of one hundred thousand dollars underwritten to standards promulgated under chapter 74.15 RCW."

On page 2, line 3, after "sec. 3," strike all material through "chapter," on line 6 and insert "(1) The commissioner shall direct all insurers writing property casualty insurance in Washington in either the admitted market or the nonadmitted market to provide day care insurance for licensees underwritten to standards promulgated under chapter 74.15 RCW."

(2) The commissioner may, after hearing and upon finding that day care insurance is not available to a substantial number of licensees, establish an association for day care insurance for licensees in a minimum amount of one hundred thousand dollars."
On page 2, line 17, after "occurrence," strike all material through "losses." on line 22 and insert "The commissioner shall approve rates filed by the association that are not excessive, inadequate, and unfairly discriminatory."

On motion of Senator Moore, the rules were suspended, Substitute House Bill No. 2080, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage. Debate ensued.

POINT OF INQUIRY

Senator Bluechel: "Senator Moore, does this bill put a cap on the price for insurance that could be offered to day care operators?"

Senator Moore: "I think that probably was addressed, at least partially, through Senator Bottiger's amendment. It has to be offered roughly on the same basis as the State Insurance Commission requires under normal circumstances."

Senator Bluechel: "One more question. Will this provide affordable insurance for day care operators or is the price still going to be so high that it can't be purchased by a very small day care operator?"

Senator Moore: "That will be determined. I can tell you and I think we all know, it will be determined by the market place to a very large extent. My guess is that it will raise the cost of insurance and per child it could be several dollars per month—the exact amount I cannot guess."

POINT OF INQUIRY

Senator Deccio: "Senator Bottiger, I really haven't had a chance to look at this amendment that's already passed and we are on final passage—line 22, 'The commissioner may, after hearing upon finding that day care insurance is not available to a substantial number of licensees establish an association for day care insurance.' Are you talking about a JUA, a joint underwriting authority? Is that what you're referring to here?"

Senator Bottiger: "Senator, I have to ask you to tell me which line 22?"

Senator Deccio: "On the amendment—2080, your amendment."

Senator Bottiger: "O.K. If you look just above that in the section right above it where this is a MAPS. First, there's a MAPS and if the MAPS doesn't work, there's a JUA. This is the plan that we talked about in committee. The question was raised under the MAPS. They offer a policy that is extremely expensive not in premium but in compliance—the one on one and so that's where we asked it to be rewritten. You will notice on line 19, its got to be underwritten—the standards promulgated under Chapter 74.15—which is the requirement for day care centers."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 2080, as amended by the Senate.

The bill was read the second time.

MOTIONS

On motion of Senator Warnke, the following Committee on Commerce and Labor amendment was adopted:

On page 1, line 21, after "membership" insert "or professional privileges"

Senator Warnke moved that the following amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Within one hundred eighty days of the effective date of this section, the governing body of every hospital licensed under chapter 70.41 RCW shall set standards and procedures to be applied by the hospital and its medical staff in considering and acting upon applications for staff membership or professional privileges.

NEW SECTION. Sec. 2. The governing body of any hospital, except any hospital which employs its medical staff, in considering and acting upon applications for staff membership or professional privileges within the scope of the applicants' respective licenses, shall not discriminate against a qualified person solely on the basis of whether such person is licensed under chapters 18.71, 18.57, or 18.22 RCW.

NEW SECTION. Sec. 3. Any person may apply to superior court for a preliminary or permanent injunction restraining a violation of section 1 or 2 of this act. This action is an additional remedy not dependent on the adequacy of the remedy at law. Nothing in this chapter shall require a hospital to grant staff membership or professional privileges until a final determination is made upon the merits by the hospital governing body.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act shall constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 5. The legislature recognizes that there is an increasing interest by the citizens of this state in physical fitness and that in response to such interest a wide variety of health and conditioning services are available. Therefore, the legislature declares that it is a matter of public interest that the citizens of this state be assured of reasonable protection when contracting for health and conditioning services.

NEW SECTION. Sec. 6. (1) As used in this chapter, unless the context clearly requires otherwise:

(a) "Contract for health and conditioning services" means: A contract which provides as one of its primary purposes services or facilities which assist the purchaser to improve physical condition or appearance through physical fitness programs, body building, exercising, reducing, weight loss, figure development, or any other similar activity;

(b) "Initiation or membership fee" means a fee paid either in a lump sum or installments on a one-time basis when a person first joins a health and conditioning facility for the privilege of belonging to such facility;

(c) "Use fees" means fees paid on a regular periodic basis for use of a health club. This does not preclude prepayment of use fees at the buyer's option;

(d) "Health club" or "club" means any individual, partnership, corporation, or other legal entity offering contracts for health and conditioning services to the public.

(2) A "contract for health and conditioning services" does not include:

(a) Professional services within the scope of the person's license rendered or furnished by a person licensed under Title 18 RCW;

(b) Instruction at public common schools, public institutions of higher education, private schools approved under RCW 28A.02.201, and private institutions of higher education;

(c) Instruction, training, or assistance relating to diet or control of eating habits not involving physical fitness programs, body building, exercising, figure development, or any other similar activity, or

(d) Recreational or social programs offered by organizations listed in subsection (3) of this section, which either involve no physical exercise or exercise only incidental to the program.

(3) Except for the purposes of sections 7, 12, and 13 of this act, a "contract for health and conditioning services" does not include: (a) Services rendered by bona fide nonprofit organizations which have been granted tax exempt status by the internal revenue service, including, but not limited to, the Young Men's Christian Association, the Young Women's Christian Association, or other similar organizations, whose functions as health studios are only incidental to their overall functions and purposes; or (b) services rendered by bona fide nonprofit corporations organized under chapter 24.03 RCW which have members and whose members have
meaningful voting rights to elect and remove a board of directors which is responsible for the operation of the health club and corporation.

NEW SECTION. Sec. 7. Contracts for health and conditioning services shall be in writing and are subject to this chapter. A copy of the written contract shall be given to the customer when the customer signs the contract.

NEW SECTION. Sec. 8. Contracts for health and conditioning services between the same buyer and the same seller which have overlapping terms are deemed to be one contract for the purpose of this chapter.

NEW SECTION. Sec. 9. If a contract exceeds three years, the buyer shall sign or initial the provision which establishes the duration of the contract.

Contracts may not be sold, advertised, or renewed by the lifetime of the buyer.

NEW SECTION. Sec. 10. A contract for health and conditioning services may be sold prior to the opening of the facility. Such contract shall provide that:

1. A five-day period for cancellation of the contract shall begin to run from the day the facility opens for use of the buyer and the seller begins to provide the agreed upon services.

2. A person agreeing to receive services is entitled to a refund of all moneys paid and relieves the buyer from any future obligations under the contract without penalty.

NEW SECTION. Sec. 11. (1) Except as provided in subsection (2) of this section, all moneys paid to the seller by the buyer prior to the opening of the facility shall promptly be deposited by the seller in a trust account, maintained by the seller for the purpose of holding such monies for the buyer, in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington. The seller shall within seven days of the first deposit notify the office of the attorney general, in writing, of the name, address, and location of the depository and any subsequent change thereof. Unless otherwise agreed in writing, the seller is entitled to receipt of interest paid on such trust account moneys. The seller shall provide the buyer with a written receipt for the moneys and shall provide written notice of the name and address and location of the depository and any subsequent change thereof if prior to the opening of the facility the status of the seller is transferred to another, any sums in the trust account affected by such transfer shall simultaneously be transferred to an equivalent trust account of the successor, and the successor shall promptly notify the buyer and the office of the attorney general of the transfer and of the name, address, and location of the new depository. The buyer’s claim to any moneys paid under this section is prior to that of any creditor of the seller, including a trustee in bankruptcy or receiver, even if such moneys are commingled. After receipt of the notice of cancellation of the agreement or if the seller fails to open the facility and provide the agreed upon services within twelve months of the signing of the contract, the seller shall within ten days give a full refund to the buyer. The moneys on deposit shall revert to the seller on the day the facility opens.

(2) Subsection (1) of this section does not apply to any sellers who, prior to any preopening sales, have provided a bond guaranteeing performance of all contracts for health and conditioning services sold prior to the opening of the facility. The bond shall be drawn upon a surety in an amount acceptable to the office of the attorney general, running to the state of Washington. An action on the bond may be brought by the office of the attorney general or by any buyer of a contract for health and conditioning services sold prior to the opening of the facility.

NEW SECTION. Sec. 12. (1) The contract for health and conditioning services shall contain:

(a) The name and address of the health and conditioning facilities operator;

(b) The date the buyer signed the contract;

(c) The current fees to be paid by the buyer and, if such fees are subject to periodic adjustment, such fact shall be disclosed;

(d) The services to be provided under the contract; and

(e) The duration of the contract.

(2) Unless the health and conditioning facilities operator has complied with subsection (1) of this section, the buyer may cancel the contract for health and conditioning services at any time.

NEW SECTION. Sec. 13. Contracts for health and conditioning services shall contain clauses which notify buyers of the following rights:

1. The buyer has the right to cancel the contract at any time prior to midnight of the third calendar day after the date the contract is signed by the buyer. Cancellation under this subsection entitles the buyer to a refund of all moneys paid and relieves the buyer from any future obligations under the contract without penalty.

2. If by reason of death or total disability the person agreeing to receive services is unable to receive services that have been contracted for, the person or person’s estate may cancel the contract.

(a) For total disability, a written confirmation of total disability shall be submitted by the person’s treating physician. The health and conditioning facility may require the person to be examined by a physician of their choice if requested within sixty days after a written confirmation is submitted by the treating physician. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician’s
opinion shall be binding on all parties. Total disability is a condition incurred after the person signs the contract which precludes the person from physically using the facilities for the remaining term of the contract.

(b) For death, a certified copy of the death certificate shall be sufficient evidence to cancel the contract.

(3) If the health and conditioning facilities are permanently closed and comparable facilities owned and operated by the seller are not made available within a ten-mile radius of the closed facility, the person agreeing to receive health and conditioning services may cancel the contract.

(4) If a contract for health and conditioning services extends for more than one year or requires payment of an initiation or membership fee, the buyer has the right to cancel the contract for any reason upon thirty days' written notice to the seller.

(5) Upon cancellation under subsection (2), (3), or (4) of this section, the buyer is entitled to a refund and relief from future obligations for payments of one-time only initiation and membership fees and monthly use fees as follows:

(a) The buyer is entitled to a refund of the unused portion of any prepaid monthly use fees and relief from future obligations to pay use fees concerning use after the date of cancellation.

(b) If a contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (2) of this section, the buyer is entitled to a pro rata refund of such fee less a predetermined fee not to exceed one-half of the initial initiation or membership fee:

(c) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (3) of this section, the buyer is entitled to a pro rata refund of such fee:

(d) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (4) of this section, the buyer is entitled to a pro rata refund of such fee and relief from future obligations for payment under the contract unless the contract clearly states that the initiation or membership fee is nonrefundable, or states what percentage of the fee is refundable, and the clause is separately signed by the buyer;

(e) To calculate the amount of the refund and relief from future obligations for payment under the contract, the fee shall be apportioned into an equal installment amount by dividing the total fee by the number of months of use contracted for by the buyer. The buyer is entitled to relief from the obligation for payment and a refund of any moneys paid in excess of the number of months of use prior to the date of cancellation multiplied by the equal installment amount, and

(f) All refunds shall be made within thirty days of receipt of the notice of cancellation by the health and conditioning facilities operator. Notice of cancellation shall be provided to the seller by mailing or delivering a signed and dated notice, or sending a telegram which states that the buyer is canceling the contract, or words of similar effect. The seller may require the buyer to return the original copy of the contract, or any membership card, or any other materials which evidence membership in the club.

(6) For any period in which a person is precluded from physically using the facilities due to a temporary total disability, the obligation of that person to pay any monthly use fees will be suspended. For a temporary total disability, a written confirmation shall be submitted by the person's treating physician. The health and conditioning facility may require, if requested within sixty days after a written confirmation is submitted by the treating physician, the person to be examined by a physician of their choice. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician's opinion shall be binding on all parties.

NEW SECTION. Sec. 14. The provisions of this chapter are not exclusive and do not relieve the parties from compliance with all other applicable federal, state, and local laws and rules.

NEW SECTION. Sec. 15. Any contract for health and conditioning services which does not comply with the applicable provisions of this chapter or in which the buyer waives any provision of this chapter is void and unenforceable as contrary to public policy.

NEW SECTION. Sec. 16. It shall be unlawful to sell or offer for sale any contract for health and conditioning services entered into in reliance upon any false, fraudulent, or misleading information or representations.

NEW SECTION. Sec. 17. A seller who has not furnished a bond under section 11 of this act, and who receives money from a buyer under a contract for services from health and conditioning facilities sold prior to the opening of the facility and the provision of the agreed upon services and who fails to deposit such moneys in a trust account maintained by the seller for the purpose of holding such funds for the buyer in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington within three business days of receipt excluding Saturday, Sunday and holidays shall be guilty of a class C felony as defined in chapter 9A.20 RCW.

NEW SECTION. Sec. 18. A violation of this chapter, for purposes of the consumer protection act, chapter 19.86 RCW, constitutes an unfair or deceptive act or practice.

NEW SECTION. Sec. 19. The provisions of this chapter shall not apply to any contracts for health and conditioning services entered into before the effective date of this act.
NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. Sections 5 through 19 of this act shall constitute a new chapter in Title 19 RCW.

Debate ensued.

Senator Vognild moved that the following amendment to the amendment by Senator Warnke be adopted:

On page 2 of the amendment, after line 8, insert the following:

"NEW SECTION. Sec. 4. The department of social and health services shall not require a certificate of need for the commencement of obstetrical services by an existing hospital as defined in RCW 70.41.020."

PARLIAMENTARY INQUIRY

Senator McDonald: "Mr. President, when is the question of the scope and object of the Warnke amendment in order?"

REPLY BY THE PRESIDENT

President Cherberg: "The amendment hasn't been discussed, Senator."

Debate ensued.

PARLIAMENTARY INQUIRY

Senator McDonald: "Mr. President, if we adopt the Vognild amendment to the Warnke amendment, there may be a question as to the scope and object of this. Would it be out of order at that time?"

REPLY BY THE PRESIDENT

President Cherberg: "The point can be raised at that point."

PARLIAMENTARY INQUIRY

Senator Kiskaddon: "If we have Senator Vognild's amendment and we only put it on the striking amendment and then do something with the striking amendment that was defeated, then my impression of the rules would say that Senator Vognild's amendment would not be in front of us to add to the original bill. So, I would like to suggest that the process that is appropriate might be to do this amendment to the original bill and then take up the striking amendment at which time it could be added."

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 1593 was deferred.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1349, by Committee on Constitution, Elections and Ethics (originally sponsored by Representatives Fisher and P. King)

Altering procedures regarding the administration of elections.

The bill was read the second time.

MOTION

Senator Thompson moved that the following Committee on Governmental Operations amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 29.01 RCW to read as follows:

"Election board" means a group of election officers serving one precinct or groups of precincts in a polling place.

Sec. 2. Section 3, chapter 107, Laws of 1980 and RCW 29.04.040 are each amended to read as follows:

(1) No paper ballot precinct (shall) may contain more than three hundred voters. The county legislative authority may divide, alter, or combine precincts so that, whenever practicable, over-populated precincts shall contain no more than two hundred fifty registered voters in anticipation of future growth.

(2) Precinct boundaries may be altered at any time as long as sufficient time exists prior to a given election for the necessary procedural steps to be honored.

PROVIDED, HOWEVER,
interfere with any vital governmental function. If a person is denied public inspection and release of such information would result in an unreasonable invasion of personal privacy or copying of the automated file, the justification for the denial shall be explained fully in writing.

Information on any individual voter is exempt from public inspection and copying whenever, in the opinion of the county auditor, the record is so used, the registration officer shall enter the applicant's social security number (including military I.D. cards), and which contain the signature and/or the photograph of the applicant. The county auditor shall have custody of the voter registration records for each county territory to the city. The adjustment shall be made as soon as possible after the approval of the annexation. The temporary adjustment shall be limited to the minimum changes necessary to accommodate the addition of the territory to the city and shall remain in effect only until precinct boundary modifications reflecting the annexation are adopted by the county legislative authority.

The county legislative authority may establish by ordinance a limitation on the maximum number of registered voters in each precinct within its jurisdiction. The limitation may be different for precincts based upon the method of voting used for such precincts and the number may be less than the number established by law, but in no case may the number exceed that authorized by law.

The county legislative authority of each county in the state hereafter formed shall, at their first session, divide their respective counties into election precincts with two hundred fifty voters or less and establish the boundaries of the (same) precincts. The county auditor shall thereafter designate the voting place for each such precinct.

Section 3, chapter 21, Laws of 1973 ex. sess. and RCW 29.04.055 are each amended to read as follows:

At any election, general or special, or at any primary, the (election authority) county auditor may combine, unite, or divide precincts and may combine or unite election boards for the purpose of holding such election (provided, that in the event such election shall be held upon the day of any state primary or state general election held in an even-numbered year this section shall not apply).

(5) The county auditor shall temporarily adjust precinct boundaries when a county annexes county territory to the city. The adjustment shall be made as soon as possible after the approval of the annexation. The temporary adjustment shall be limited to the minimum changes necessary to accommodate the addition of the territory to the city and shall remain in effect only until precinct boundary modifications reflecting the annexation are adopted by the county legislative authority.

The county legislative authority may establish by ordinance a limitation on the maximum number of registered voters in each precinct within its jurisdiction. The limitation may be different for precincts based upon the method of voting used for such precincts and the number may be less than the number established by law, but in no case may the number exceed that authorized by law.

NEW SECTION. Sec. 26. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

POINT OF ORDER

Senator Pullen: "Mr. President, I would like to raise the point of order that the committee amendment expands the scope and object of the bill. Using the honorable chairman of the Governmental Operations Committee's own words, he said that we extracted all these provisions from another bill. That in itself is saying he is expanding the scope and object of this measure. Another item that I would draw your attention to is that the original bill is a relatively small bill consisting of only a limited number of sections. It consists of only eighteen sections. The new bill is a humongous bill in length that adds almost double that. I would also draw the President's attention to title amendments on page 28 and 29 of the bill that extends for many, many lines. Clearly new subjects have been added to this, and therefore, I would contend that it does expand the scope and object of the original bill."
MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 1349 was deferred.

There being no objection, the Senate resumed consideration of Substitute House Bill No. 1593 and the pending striking amendment by Senator Warnke and the amendment by Senator Vognild to the Warnke amendment on page 2, line 8, deferred earlier today.

MOTIONS

On motion of Senator Vognild, and there being no objection, the amendment to the Warnke amendment was withdrawn.

(d) Recreational or social programs offered by organizations listed in subsection (3) of this section, which either involve no physical exercise or exercise only incidental to the program.
NEW SECTION. Sec. 7. Contracts for health and conditioning services shall be in writing and subject to this chapter. A copy of the written contract shall be given to the customer when the customer signs the contract.

NEW SECTION. Sec. 8. Contracts for health and conditioning services between the same buyer and the same seller which have overlapping terms are deemed to be one contract for the purpose of this chapter.

NEW SECTION. Sec. 9. If a contract exceeds three years, the buyer shall sign or initial the provision which establishes the duration of the contract.

Contracts may not be sold, advertised, or measured by the lifetime of the buyer.

NEW SECTION. Sec. 10. A contract for health and conditioning services may be sold prior to opening of the facility. Such contract shall provide that:

(1) Agreed upon services will begin within twelve months from the date the contract is signed unless the buyer signs an extension; and

(2) A five-day period for cancellation of the contract shall begin to run from the day the facility opens for use of the buyer and the seller begins to provide the agreed upon services.

NEW SECTION. Sec. 11. (1) Except as provided in subsection (2) of this section, all moneys paid to the seller by the buyer prior to the opening of the facility shall promptly be deposited by the seller in a trust account, maintained by the seller for the purpose of holding such moneys for the buyer, in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington. The seller shall within seven days of the first deposit notify the office of the attorney general, in writing, of the name, address, and location of the depository and any subsequent change thereof. Unless otherwise agreed in writing, the seller is entitled to receipt of interest paid on such trust account moneys. The seller shall provide the buyer with a written receipt for the moneys and shall provide written notice of the name and address and location of the depository and any subsequent change thereof. If prior to the opening of the facility the status of the seller is transferred to another, any sums in the trust account affected by such transfer shall simultaneously be transferred to an equivalent trust account of the successor, and the successor shall promptly notify the buyer and the office of the attorney general of the transfer and of the name, address, and location of the new depository. The buyer's claim to any moneys paid under this section is prior to that of any creditor of the seller, including a trustee in bankruptcy or receiver, even if such moneys are commingled. After receipt of the notice of cancellation of the agreement or if the seller fails to open the facility and provide the agreed upon services within twelve months of the signing of the contract, the seller shall within ten days give a full refund to the buyer. The moneys on deposit shall revert to the seller on the day the facility opens.

(2) Subsection (1) of this section does not apply to any sellers who, prior to any preopening sales, have provided a bond guaranteeing performance of all contracts for health and conditioning services sold prior to the opening of the facility. The bond shall be drawn upon a surety bond in an amount acceptable to the office of the attorney general, running to the state of Washington. An action on the bond may be brought by the office of the attorney general or by any buyer of a contract for health and conditioning services sold prior to the opening of the facility.

NEW SECTION. Sec. 12. (1) The contract for health and conditioning services shall contain:

(a) The name and address of the health and conditioning facilities operator;

(b) the date the buyer signed the contract;

(c) The current fees to be paid by the buyer and, if such fees are subject to periodic adjustment, such fact shall be disclosed;

(d) The services to be provided under the contract; and

(e) The duration of the contract.

(2) Unless the health and conditioning facilities operator has complied with subsection (1) of this section, the buyer may cancel the contract for health and conditioning services at any time.

NEW SECTION. Sec. 13. Contracts for health and conditioning services shall contain clauses which notify buyers of the following rights:

(1) The buyer has the right to cancel the contract at any time prior to midnight of the third calendar day after the date the contract is signed by the buyer. Cancellation under this subsection entitles the buyer to a refund of all moneys paid and relieves the buyer from any future obligations under the contract without penalty.
(2) If by reason of death or total disability the person agreeing to receive services is unable to receive services that have been contracted for, the person or person's estate may cancel the contract.

(a) For total disability, a written confirmation of total disability shall be submitted by the person's treating physician. The health and conditioning facility may require the person to be examined by a physician of their choice if requested within sixty days after a written confirmation is submitted by the treating physician. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician's opinion shall be binding on all parties. Total disability is a condition incurred after the person signs the contract which precludes the person from physically using the facilities for the remaining term of the contract.

(b) For death, a certified copy of the death certificate shall be sufficient evidence to cancel the contract.

(3) If the health and conditioning facilities are permanently closed and comparable facilities owned and operated by the seller are not made available within a ten-mile radius of the closed facility, the person agreeing to receive health and conditioning services may cancel the contract.

(4) If a contract for health and conditioning services extends for more than one year or requires payment of an initiation or membership fee, the buyer has the right to cancel the contract for any reason upon thirty days' written notice to the seller.

(5) Upon cancellation under subsection (2), (3), or (4) of this section, the buyer is entitled to a refund and relief from future obligations for payments of one-time only initiation and membership fees and monthly use fees as follows:

(a) The buyer is entitled to a refund of the unused portion of any prepaid monthly use fees and relief from future obligations to pay use fees concerning use after the date of cancellation.

(b) If a contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (2) of this section, the buyer is entitled to a pro rata refund of such fee less a predetermined fee not to exceed one-half of the initial initiation or membership fee.

(c) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (3) of this section, the buyer is entitled to a pro rata refund of such fee.

(d) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (4) of this section, the buyer is entitled to a pro rata refund of such fee and relief from future obligations for payment under the contract unless the contract clearly states that the initiation or membership fee is nonrefundable, or states what percentage of the fee is refundable, and the clause is separately signed by the buyer.

(e) To calculate the amount of the refund and relief from future obligations for payment under the contract, the fee shall be apportioned into an equal installment amount by dividing the total fee by the number of months of use contracted for by the buyer. The buyer is entitled to relief from the obligation for payment and a refund of any moneys paid in excess of the number of months of use prior to the date of cancellation multiplied by the equal installment amount; and

(f) All refunds shall be made within thirty days of receipt of the notice of cancellation by the health and conditioning facilities operator. Notice of cancellation shall be provided to the seller by mailing or delivering a signed and dated notice, or sending a telegram which states that the buyer is canceling the contract, or words of similar effect. The seller may require the buyer to return the original copy of the contract, or any membership card, or any other materials which evidence membership in the club.

(6) For any period in which a person is precluded from physically using the facilities due to a temporary total disability, the obligation of that person to pay any monthly use fees will be suspended. For a temporary total disability, a written confirmation shall be submitted by the person's treating physician. The health and conditioning facility may require, if requested within sixty days after a written confirmation is submitted by the treating physician, the person to be examined by a physician of their choice. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician's opinion shall be binding on all parties.

NEW SECTION. Sec. 14. The provisions of this chapter are not exclusive and do not relieve the parties from compliance with all other applicable federal, state, and local laws and rules.

NEW SECTION. Sec. 15. Any contract for health and conditioning services which does not comply with the applicable provisions of this chapter or in which the buyer waives any provision of this chapter is void and unenforceable as contrary to public policy.

NEW SECTION. Sec. 16. It shall be unlawful to sell or offer for sale any contract for health and conditioning services entered into in reliance upon any false, fraudulent, or misleading information or representations.

NEW SECTION. Sec. 17. A seller who has not furnished a bond under section 11 of this act and who receives money from a buyer under a contract for services from health and conditioning facilities sold prior to the opening of the facility and the provision of the agreed upon services and who fails to deposit such moneys in a trust account maintained by the seller for the purpose of holding such funds for the buyer in a bank, savings and loan association,
mutual savings bank, or licensed escrow agent located in Washington within three business
days of receipt excluding Saturday, Sunday and holidays shall be guilty of a class C felony as
defined in chapter 9A.20 RCW.

NEW SECTION. Sec. 18. A violation of this chapter, for purposes of the consumer protection
act, chapter 19.86 RCW, constitutes an unfair or deceptive act or practice.

NEW SECTION. Sec. 19. The provisions of this chapter shall not apply to any contracts for
health and conditioning services entered into before the effective date of this act.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circum-
cumstance is held invalid, the remainder of the act or the application of the provision to other
persons or circumstances is not affected.

NEW SECTION. Sec. 21. Sections 5 through 19 of this act shall constitute a new chapter in
Title 19 RCW.

Senator Vognild moved that the following amendment to the Warnke amend-
ment be adopted:
On page 2 of the amendment, after line 8, insert the following:

"NEW SECTION. Sec. 4. The department of social and health services shall not require a
certificate of need for the commencement of obstetrical services by an existing hospital as
defined in RCW 70.41.020."

POINT OF ORDER

Senator Bluechel: "Mr. President, is it permissible in procedure to raise the issue
of scope and object on the original Warnke amendment before the Vognild
amendment is adopted? If it is so, I will do so."

REPLY BY THE PRESIDENT

President Cherberg: "You could raise the point after we consider the Vognild
amendment."

Senator Bluechel: "It is out of order before, is that correct? In other words, I'm
asking is it proper at this point to raise the point? Then, may I explain in asking you
that question? The amendment may or may not have a bearing upon whether the
final result is within scope or without a scope."

PARLIAMENTARY INQUIRY

Senator Newhouse: "I'd like to submit that we should be able to raise the point
of order on the Warnke amendment at this point, otherwise additional amendments
being submitted may expand the scope and object of the bill and should be raised
presently."

REPLY BY THE PRESIDENT

President Cherberg: "If you want to raise it, go ahead."

POINT OF ORDER

Senator Bluechel: "Mr. President, I would raise the point of order of the Warnke
amendment. The basic bill deals with hospitals and hospital care. The Warnke
amendment primarily deals with fitness clubs and regulates fitness clubs and I
would say that this is not within the original scope of the bill."

Further debate ensued.

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No.
1593 was deferred.

SECOND READING

(2) This act shall take effect January 1, 1987. The additional judicial position created by section 1 of this act in Mason county shall be effective only if, before January 1, 1987, Thurston and Mason counties, through their duly constituted legislative authorities, document their approval of the additional position and their agreement that they will pay out of county funds, without reimbursement from the state, the expenses resulting from section 1 of this act."

On motion of Senator Talmadge, the rules were suspended, House Bill No. 1393, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

On page 2, after line 7, insert the following:

"Sec. 3. Section 3, chapter 89, Laws of 1980 and RCW 43.51.380 are each amended to read as follows:

Recognizing the fact that the demand for park services is greatest in our urban areas, that parks should be accessible to all Washington citizens, that the urban poor cannot afford to travel to remotely located parks, that few state parks are located in or near urban areas, that a need exists to conserve energy, and that local governments having jurisdiction in urban areas cannot afford the costs of maintaining and operating the extensive park systems needed to service their large populations, the legislature hereby directs the interagency committee for outdoor recreation to place a high priority on the acquisition, development, redevelopment, and renovation of parks (to-be) located in or near urban areas (and-to) that will be particularly accessible to and used by the populations of those areas. For purposes of RCW 43.51.380 and 43.51.385, "urban areas" mean any incorporated city with a population of five thousand persons or greater or any county (with a population density of two hundred fifty persons per square mile) of the second class or greater. (This section shall be implemented by January 1, 1981.)"
Sec. 4. Section 6, chapter 5, Laws of 1965 as last amended by section 54, chapter 57, Laws of 1985 and RCW 43.99.060 are each amended to read as follows:

There is created the outdoor recreation account in the state treasury, in which shall be deposited all moneys received from the marine fuel tax refund account pursuant to RCW 43.99.070, the proceeds of the bond issue authorized by chapter 12, Laws of 1963, extraordinary session, all proceeds transferred from the state lottery account pursuant to section 7 of this 1986 act, and any moneys made available to the state of Washington by the federal government for outdoor recreation not specifically designated for another fund or agency. All earnings of investments of balances in the outdoor recreation account shall be credited to the general fund.

Grants, gifts, or other financial assistance awarded or designated for a particular purpose, or proceeds received from public bodies as administrative cost contributions, may be received and, when appropriated by the legislature, may be expended in accordance with the general budget and accounting act.

NEW SECTION. Sec. 5. A new section is added to chapter 43.99 RCW to read as follows:

Moneys transferred to the outdoor recreation account from the state lottery account shall be used solely for the acquisition, development, redevelopment, and renovation of urban area parks as defined in RCW 43.51.380.

Sec. 6. Section 24, chapter 7, Laws of 1982 2nd ex. sess. as amended by section 5, chapter 375, Laws of 1985 and RCW 67.70.240 are each amended to read as follows:

The moneys in the state lottery account shall be used only: (1) For the payment of prizes to the holders of winning lottery tickets or shares; (2) for purposes of making deposits into the reserve account created by RCW 67.70.250 and into the lottery administrative account created by RCW 67.70.260; (3) for purposes of making deposits into the state's general fund; (4) for the purpose of making deposits into the outdoor recreation account pursuant to section 7 of this 1986 act; (5) for the purchase and promotion of lottery games and game-related services; and (6) for the payment of agent compensation.

The office of financial management shall require the allotment of all expenses paid from the account and shall report to the ways and means committees of the senate and house of representatives any changes in the allotments.

NEW SECTION. Sec. 7. A new section is added to chapter 67.70 RCW to read as follows:

The commission may conduct one lottery game each year for the benefit of urban area parks. The commission shall transfer the net proceeds received from the sale of lottery tickets or shares under this game to the outdoor recreation account under RCW 43.99.060.

POINT OF ORDER

Senator McDonald: "Mr. President, I would raise the point of order on the scope and object of this amendment. In looking at the bill, it talks about the awarding of the prizes for state lottery; it talks about debt—if you have a personal debt, then they can go after the lottery winnings to pay off that debt. Senator Warnke's amendment, as he explained quite eloquently, deals with a new lottery authorizing a new game for a park and I think that goes far beyond the scope and object of the original bill."

Debate ensued.

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 1433 was deferred.

There being no objection, the Senate resumed consideration of Substitute House Bill No. 1593 and the pending striking amendment by Senator Warnke and the amendment by Senator Vognild on page 2, line 8, to the amendment by Senator Warnke, deferred earlier today.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Bluechel, the President finds that Substitute House Bill No. 1593 is a measure requiring health care facilities to establish rules for granting staff membership and professional privileges.

"The amendment proposed by Senator Warnke regulates health studio contracts.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

On page 1, after line 23, insert the following:

"The amendment proposed by the Committee on Governmental Operations also pertains to election administration.

PERSONAL PRIVILEGE

Senator Rasmussen: "A point of personal privilege, Mr. President. I would point out to the Senators present that we're always quick to criticize cruel and inhumane treatment in some of the foreign countries where they have dictators. I'd like to point out that our staff up here have been glued to their seats for many, many hours. Old leather lungs died from over extending to the capacity. I wouldn't want that to happen to the rest of the staff. I would just point out that whoever is the leader here that a five-minute recess would not hurt any of the staff and would make us look like not slave masters, but humane slave masters."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1598, by Committee on Judiciary (originally sponsored by Representatives Valle, Crane, Kremen, Smitherman, P. King, Hargrove, Zellinsky, Bristow, Scott, Todd, Wang, Ebersole, Winsley, Basich, Brough and May)

Revising the sexual offender treatment program.

The bill was read the second time.

MOTIONS

Senator Talmadge moved that the following Committee on Judiciary amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the sexual offender treatment programs at western and eastern state hospitals, while not proven to be totally effective, may be of some benefit in positively affecting the behavior of certain sexual offenders. Given the significance of the problems of sexual assault and sexual abuse of children, it is therefore appropriate to review and revise these treatment efforts.

At the same time, concerns regarding the lack of adequate security at the existing programs must be satisfactorily addressed. In an effort to promote public safety, it is the intent of the legislature to transfer the responsibility for felony sexual offenders from the department of social and health services to the department of corrections.

Therefore, on and after July 1, 1987, no person convicted of a felony sexual offense may be committed under RCW 9.94A.120(7)(b) to the department of social and health services at eastern state hospital or western state hospital. Any person committed before July 1, 1987, to the department of social and health services under RCW 9.94A.120(7)(b) and still in the custody of the department of social and health services on June 30, 1993, shall be transferred to the custody of the department of corrections. On and after July 1, 1987, any person eligible for evaluation or treatment under RCW 9.94A.120(7)(b) shall be committed to the department of corrections.

NEW SECTION. Sec. 2. (1) In cooperation and consultation with the mental health division of the department of social and health services, the department of corrections shall develop a plan for the administration of a sexual offender treatment program. The plan shall include:

(a) Criteria to determine amenability to treatment;

(b) A description of the structure and organization of the program and program options, including staffing requirements;

(c) The treatment methods and the number and characteristics of offenders proposed to be served;

(d) The selection of the location or locations of the program within the existing institutions operated by the department of corrections, including identification of alternative sites within the existing institutions operated by the department of corrections;

(e) An analysis of a proposal to permit selected offenders to participate in the program only during the last two or three years of their term of confinement;

(f) Program security;

(g) Program costs;
(h) A description of the mechanisms and procedures to be used to collect valid and reliable data on program completion rates, recidivism rates, and escape rates;

(i) A method for tracking offenders who have been released which method can be used to determine the efficacy of the treatment program;

(j) An analysis and description of other treatment models; and

(k) Negotiations with the exclusive bargaining representative of the employees affected to provide preferential consideration for job retention, including but not limited to interagency transfer or promotion during the period of transition.

(2) Any consultation, information, or other services necessary for the development of the plan, shall upon request by the department of corrections be provided to the department of corrections by the department of social and health services, the legislative budget committee, the office of financial management, the administrator for the courts, and the data processing authority and shall be provided without charge to the department of corrections.

(3) The plan shall be submitted to the legislature by January 1, 1987, and shall take effect on July 1, 1987, unless otherwise directed by law.

Sec. 3. Section 12, chapter 137, Laws of 1981 as last amended by section 6, chapter 209, Laws of 1984 and RCW 9.94A.120 are each amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) and (5) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years.

(5) In sentencing a first-time offender, other than a person convicted of a violation of chapter 9A.44 RCW or RCW 9A.64.020, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision. which, in addition to crime-related prohibitions, may include work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(6) If a sentence range has not been established for the defendant's crime, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence range for the offense.

(7) (a) When an offender is convicted of any violation of chapter 9A.44 RCW or RCW 9A.64.020 except RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions of chapter 9A.44 RCW, RCW 9A.64.020, or any other felony sexual offenses in this or any other state, the sentencing court on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and
place the offender on community supervision for up to two years. As a condition of the sus-
pended sentence, the court may impose other sentence conditions including up to six months
of confinement, not to exceed the sentence range of confinement for that offense, crime-related
prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient
sex offender treatment not to exceed the standard range of confinement for that offense. A
community mental health center may not be used for such treatment unless it has an appropri-

combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of
the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and
order execution of the sentence. All confinement time served during the period of community
supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense and is sentenced before
July 1, 1987, to a term of confinement of more than one year but less than six years, the sen-
tencing court may, on its own motion or on the motion of the offender or the state, order the
offender committed for up to thirty days to the custody of the secretary of the department of
social and health services at the Eastern State Hospital or the Western State Hospital for evalu-
ation and report to the court on the offender's amenability to treatment at these facilities. If the
secretary of the department of social and health services cannot begin the evaluation within
thirty days of the court's order of commitment, the offender shall be transferred to the state for
confinement pending an opportunity to be evaluated at the appropriate facility. The court shall
review the reports and may order that the term of confinement imposed be served in the sex-
ual offender treatment programs at Western State Hospital or Eastern State Hospital, as deter-
mined by the secretary of the department of social and health services, only if the report
indicates that the offender is amenable to the treatment program provided at these facilities.
The offender shall be transferred to the state pending placement in the treatment program.
Any offender who has escaped from the treatment program shall be referred back to the sen-
tencing court.

If the offender does not comply with the conditions of the treatment program, the secretary
of the department of social and health services may refer the matter to the sentencing court
((for determination as to whether)). The sentencing court shall commit the offender ((shall be
transferred)) to the department of corrections to serve the balance of his term of confinement.

If the offender successfully completes the treatment program before the expiration of his
term of confinement, the court may convert the balance of confinement to community supervi-
sion and may place conditions on the offender including crime-related prohibitions and
requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient
sex offender treatment not to exceed the standard range of confinement for that offense. A

community mental health center may not be used for such treatment unless it has an appropri-
ate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the com-
munity corrections officer of any change in the offender's address or employment;
(iv) Report as directed to the court and a community corrections officer;
(v) Pay a fine. (make restitution;) accomplish some community service work, or any
combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of
the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and
order execution of the sentence. All confinement time served during the period of community
supervision shall be credited to the offender if the suspended sentence is revoked.

After June 30, 1993. (b) of this subsection shall cease to have effect.

If the offender successfully completes the treatment program before the expiration of his
term of confinement, the court may convert the balance of confinement to community supervi-
sion and may place conditions on the offender including crime-related prohibitions and
requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient
sex offender treatment not to exceed the standard range of confinement for that offense. A

community mental health center may not be used for such treatment unless it has an appropri-
ate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the com-
munity corrections officer of any change in the offender's address or employment;
(iv) Report as directed to the court and a community corrections officer;
(v) Pay a fine. (make restitution;) accomplish some community service work, or any
combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of
the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and
order execution of the sentence. All confinement time served during the period of community
supervision shall be credited to the offender if the suspended sentence is revoked.

A sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

If a sentence imposed includes a fine or restitution, the sentence shall specify a reason-
able manner and time in which the fine or restitution shall be paid. In any sentence under this
chapter the court may also require the offender to make such monetary payments, on such
terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs,
including reimbursement of the state for costs of extradition if return to this state by extradition
was required. (b) to make recoupment of the cost of defense attorney's fees if counsel is pro-
vided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make
such other payments as provided by law. All monetary payments shall be ordered paid by no
later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence pro-
viding for a term of confinement or community supervision which exceeds the statutory maxi-
mum for the crime as provided in RCW 9A.20.020.
(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender’s address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, unless extraordinary circumstances exist that make restitution inappropriate in the court’s judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

Sec. 4. Section 12, chapter 137, Laws of 1981 as last amended by section 3, chapter ... (SSB 4736). Laws of 1986 and RCW 9.94A.120 are each amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) and (5) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender, other than a person convicted of a violation of chapter 9A.44 RCW or RCW 9A.64.020, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender’s address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant’s crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of any violation of chapter 9A.44 RCW or RCW 9A.64.020 except RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions of chapter 9A.44 RCW, RCW 9A.64.020, or any other felony sexual offenses in this or any other state, the sentencing court on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the
court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense. Crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender’s address or employment;
(iv) Report as directed to the court and a community corrections officer;
(v) Pay a fine, accomplish some community service work, or any combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender’s crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense and is sentenced (before) on or after July 1, 1987, to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, (order the offender committed for up to thirty days to the custody of the secretary of the department of social and health services at the Western State Hospital or the Western State Hospital for evaluation and report to the court on the offender’s amenability to treatment at these facilities. If the secretary of the department of social and health services cannot begin the evaluation within thirty days of the court’s order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sex offender treatment programs of Western State Hospital or Eastern State Hospital, as determined by the secretary of the department of social and health services, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of the department of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of his term of confinement. (order the offender committed for up to thirty days to the custody of the department of social and health services at the Eastern State Hospital or Eastern State Hospital for evaluation and report to the court on the offender’s amenability to treatment at these facilities. If the secretary of the department of social and health services cannot begin the evaluation within thirty days of the court’s order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sex offender treatment programs of Western State Hospital or Eastern State Hospital, as determined by the secretary of the department of social and health services, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender violates any of the terms

(i) Devote time to a specific employment or occupation;

After June 30, 1993, (b) of this subsection shall cease to have effect.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. (f) Pay a fine and/or accomplish some community service work.

6. If a sentence range has not been established for the defendant’s crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

7. (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the
state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
(iv) Pay a fine, accomplish some community service work, or any combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender.

After June 30, 1993, (b) of this subsection shall cease to have effect.

(c) Whenever a court sentences a person convicted of a sex offense committed after July 1, 1986, to a term of confinement of more than one year but less than six years, the sentencing court may impose other sentence conditions including up to six months of confinement. As a condition of the suspended sentence, the court may order an examination to determine whether the defendant is amenable to treatment. If the court determines that both the offender and the community will benefit from use of this provision, the court shall impose a sentence within the sentence range and, if the sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
(iv) Pay a fine, accomplish some community service work, or any combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve the balance of his term of confinement. If the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
(iii) Report as directed to the court and a community corrections officer;
(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his term of confinement in the custody of the department of corrections. Nothing in (b) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced prior to July 1, 1987.
(i) Crime-related provisions:

(ii) A requirement that the offender report to a community corrections officer at regular intervals; and

(iii) A requirement to remain within or without stated geographical boundaries.

The length and conditions of supervision shall be set by the court at the time of sentencing. However, within thirty days prior to release from confinement and throughout the period of supervision, the length and conditions of supervision may be modified by the sentencing court, upon motion of the department of corrections, the offender, or the prosecuting attorney. The period of supervision shall be tolled during any time the offender is in confinement for any reason. In no case may the period of supervision, in combination with the other terms of the offender's sentence, exceed the statutory maximum term for the offender's crime, as set forth in RCW 9A.20.021.

If the offender violates any condition of supervision, the sentencing court, after a hearing conducted in the same manner as provided for in RCW 9.94A.200, may order the offender to be confined for up to sixty days in the county jail at state expense from funds provided for this purpose to the department of corrections. Reimbursement rates for such purposes shall be established based on a formula determined by the office of financial management and reestablished each even-numbered year. An offender may be held in jail at state expense pending the hearing, and any time served while awaiting the hearing shall be credited against confinement imposed for a violation. Even after the period of supervision has expired, an offender may be confined for a violation occurring during the period of supervision. The court shall retain jurisdiction for the purpose of holding the violation hearing and imposing a sanction.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.*

On motion of Senator Wojahn, the following amendment by Senators Wojahn, Talmadge, Johnson, Granlund and Pullen to the Committee on Judiciary amendment was adopted:

On page 24 of the Committee Amendment, line 13, after "immediately," insert the following:

"NEW SECTION. Sec. 10. A new section is added to chapter 72.01 RCW to read as follows:

(1) For purposes of this section only, "assault" means an unauthorized touching of an employee by a resident, patient, or juvenile offender resulting in physical injury to the employee.

(2) In recognition of the hazardous nature of employment in state institutions, the legislature hereby provides a supplementary program to reimburse institutional care employees of the
departments of social and health services and of veterans affairs for some of their costs attributable to their being the victims of assault by residents, patients, or juvenile offenders. This program shall be limited to the reimbursement provided in this section.

(3) An employee is only entitled to receive the reimbursement provided in this section if the secretary of social and health services or director of veterans affairs, or the secretary’s or director’s designee, finds that each of the following has occurred:

(a) A resident or patient has assaulted the employee and as a result thereof the employee has sustained demonstrated physical injuries which have required the employee to miss days of work;

(b) The assault cannot be attributable to any extent to the employee's negligence, misconduct, or failure to comply with any rules or conditions of employment; and

(c) The department of labor and industries has approved the employee’s workers’ compensation application pursuant to chapter 51.32 RCW.

(4) The reimbursement authorized under this section shall be as follows:

(a) The employee’s accumulated sick leave days shall not be reduced for the workdays missed;

(b) For each workday missed for which the employee is not eligible to receive compensation under chapter 51.32 RCW, the employee shall receive full pay; and

(c) In respect to workdays missed for which the employee will receive or has received compensation under chapter 51.32 RCW, the employee shall be reimbursed in an amount which, when added to that compensation, will result in the employee receiving full pay for the workdays missed.

(5) Reimbursement under this section may not last longer than three hundred sixty-five consecutive days after the date of the injury.

(6) The employee shall not be entitled to the reimbursement provided in subsection (4) of this section for any workday for which the director, secretary, or applicable designee, finds that the employee has not diligently pursued his or her compensation remedies under chapter 51.32 RCW.

(7) The reimbursement shall only be made for absences which the director, secretary or applicable designee, believes are justified.

(8) While the employee is receiving reimbursement under this section, he or she shall continue to be classified as a state employee and the reimbursement amount shall be considered as salary or wages.

(9) While the employee is receiving reimbursement under this section, the employee shall continue to receive service credit under chapter 41.32 or 41.40 RCW, whichever is appropriate, and the respective employee and employer contributions to the retirement system shall also continue to be made, under the appropriate chapter, on the regular compensation the employee would have received had not the disability occurred.

(10) All reimbursement payments required to be made to employees under this section shall be made by the employing department. The payments shall be considered as a salary or wage expense and shall be paid by the department in the same manner and from the same appropriations as other salary and wage expenses of the department.

(11) Should the legislature revoke the reimbursement authorized under this section or repeal this section, no affected employee is entitled thereafter to receive the reimbursement as a matter of contractual right.

Senator Kiskaddon: "Senator Talmadge, are the sex offenders in the prisons segregated from the other prisoners or are they all intermixed?"

Senator Talmadge: "My understanding, Senator, is they are presently in the general population of these institutions, although there is nothing in the law that
would prevent the Department of Corrections from segregating those individuals in a certain one or more of the institutions that the Department operates."

Further debate ensued.

PERSONAL PRIVILEGE

Senator Kiskaddon: "Mr. President and Senators, a point of personal privilege. I have the sense that Senator Rasmussen was misinterpreting what I was saying and to the point where he was putting me in with a group of people that he was saying was not really doing something that worked, but what I want you to be really clear about is that the firmness—locking up and all of that—is part of what is appropriate and has to happen, but the difference when you keep someone locked up, you can still talk with them in a respectful way rather than putting them down—and there were several things that I was talking about. I want everyone to be clear that you don't have to be soft on crime to be able to accomplish what I was saying. You can be real tough and at the same time tough, firm and polite."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 1598, as amended by the Senate.

SUBSTITUTE HOUSE BILL NO. 1827, by Committee on Ways and Means (originally sponsored by Representatives Valle, Appelwick, Hastings and Lundquist)

Apportioning the value of vessels for property tax purposes.

The bill was read the second time.

MOTION

Senator Moore moved that the following amendment be adopted:

On page 2, after line 31, strike all material down through line 33 and insert the following:

"Sec. 4. Section 9, chapter 7, Laws of 1983 as amended by section 42, chapter 3, Laws of 1983 2nd ex. sess. and RCW 82.49.010 are each amended to read as follows:

(1) An excise tax is imposed for the privilege of using a vessel upon the waters of this state, except vessels exempt under RCW 82.49.020. The annual amount of the excise tax ((is one-half of one percent of fair market value, as determined under this chapter, or five dollars, whichever is greater)) shall be as follows:

(a) For vessels sixteen feet or more in length but less than twenty feet, one dollar and thirty-five cents per foot, or fraction thereof;
(b) For vessels twenty feet or more in length but less than twenty-six feet, two dollars and forty cents per foot, or fraction thereof;
(c) For vessels twenty-six feet or more in length but less than thirty-two feet, three dollars and ten cents per foot, or fraction thereof;
(d) For vessels thirty-two feet or more in length but less than thirty-eight feet, three dollars and thirty-five cents per foot, or fraction thereof; and
(e) For vessels thirty-eight feet or more in length, three dollars and seventy cents per foot, or fraction thereof.

Length is determined by means of a straight line measurement of the overall length from the foremost point of the vessel to the aftermost part of the vessel, measured parallel to the centerline. Bow sprits, bumpkins or boomkins, rudders, outboard motor brackets, and similar fittings or attachments are not included in the measurement.

(2) The excise tax upon a vessel registered for the first time in this state shall be imposed for a twelve-month period, including the month in which the vessel is registered, unless the director of licensing extends or diminishes vessel registration periods for the purpose of staggered renewal periods under RCW 88.02.050. A vessel is registered for the first time in this state when the vessel was not registered in this state for the immediately preceding registration year, or when the vessel was registered in another jurisdiction for the immediately preceding year. ((The excise tax on vessels required to be registered in this state on June 30, 1983, shall be paid by June 30, 1983.))

Sec. 5. Section 10, chapter 7, Laws of 1983 and RCW 82.49.030 are each amended to read as follows:

The excise taxes imposed under (this chapter) RCW 82.49.010 and 82.49.070 are due and payable to the department of licensing or its agents at the time of registration of a vessel. The department of licensing shall not issue or renew a registration for a vessel until these taxes are paid in full.

The excise taxes collected under (this chapter) RCW 82.49.010 shall be deposited in the general fund. The excise taxes collected under RCW 82.49.070 shall be deposited in the vessel local excise tax account hereby created in the state treasury. Moneys in the vessel local excise tax account may be spent only for distribution to counties imposing the local tax. Distribution to the counties shall occur on a monthly basis, not later than the fifteenth day of the succeeding month after collection.

NEW SECTION. Sec. 6. A new section is added to chapter 82.49 RCW to read as follows:

(1) Any vessel which is not less than forty years old and whose hull is substantially unmodified shall be considered to be a classic vessel for the purposes of this chapter.
(2) Owners of classic vessels as described in subsection (1) of this section may, as an alternative to paying the vessel excise tax imposed in RCW 82.49.010, have the vessel appraised by the county assessor of the county in which the vessel is moored or stored. The appraised value of the vessel shall be reported to the department on a form prescribed by the department and the excise tax due and payable each year shall be paid at the rate of one-half of one percent of the appraised value of the vessel as certified by the county assessor.
(3) The fee for such appraisal shall be twenty-five dollars, payable to the county treasurer for deposit in the county current expense fund.
(4) This section shall apply to vessel registration periods beginning in 1987 and thereafter.

NEW SECTION. Sec. 7. The following acts or parts of acts are each repealed:

(1) Section 11, chapter 7, Laws of 1983 and RCW 82.49.040;
(2) Section 12, chapter 7, Laws of 1983 and RCW 82.49.050; and
(3) Section 13, chapter 7, Laws of 1983 and RCW 82.49.060.
NEW SECTION. Sec. 8. This act shall not be construed as affecting any existing right acquired or liability or obligation incurred under the sections amended or repealed in this act or under any rule, regulation, or order adopted under those sections, nor as affecting any proceeding instituted under those sections.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 10. Sections 4 through 7 of this act shall take effect July 1, 1986.

NEW SECTION. Sec. 11. Sections 1 through 3 of this act shall be effective for taxes levied for collection in 1987, and thereafter.

Renumber the sections consecutively.

Debate ensued.

POINT OF INQUIRY

Senator Granlund: "Senator Moore, on the amendment, those who complied with the law that was passed in 1983—what's the procedure for those now who did not comply with that law and will that now come under a different regulation relative to now going to cost per foot as opposed to cost of value? What is the process going to be?"

Senator Moore: "The process will be established by the Department of Licensing. They will administer it the same as the other one and those people that complied before will come under the heading of good citizens and those that didn't may have been exempted by the Coast Guard regulation or they may not have."

Further debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senator Moore.

The motion by Senator Moore carried and the amendment was adopted.

MOTIONS

On motion of Senator McDermott, the following title amendment was adopted:

On page 1, line 1 of the title, after "vessels;" strike the remainder of the title and insert "amending RCW 84.36.080, 84.08.200, 82.49.010, and 82.49.050; adding a new section to chapter 82.49 RCW; adding a new section to chapter 84.40 RCW; creating new sections; recodifying RCW 84.08.200; repealing RCW 82.49.040, 82.49.050, and 82.49.060; and providing an effective date."

On motion of Senator McDermott, the rules were suspended, Substitute House Bill No. 1827, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator McDermott, what is the purpose of the exclusion in Section 2, subsection (1) for vessels operated by a steamboat company as defined by RCW 84.12.200?"

Senator McDermott: "Senator Goltz, that language is intended to exclude vessels which have always had their taxes apportioned under the public utility statute. It is not intended to exclude vessels operating in interstate commerce, such as those operating between ports in Puget Sound and Alaska or Hawaii."

Senator Goltz: "One further question, Senator McDermott. Could you tell me what is meant by 'undergoing repair and alteration' as listed in Section 2, subsection (3)(b)?"

Senator McDermott: "Senator Goltz, that language is intended to include both scheduled and emergency repairs, alterations, and related activities. For example, a vessel may come into port for inspection and repairs on an annual basis, when the vessel might undergo sandblasting and repainting, inspection and repair of shafts, valves, and pipes, electronic equipment and any other repairs that might be necessary. These activities could take place at a commercial facility or at a private one. A vessel might come into port for a special survey or for emergency repairs. A vessel may be altered to enlarge it or to serve another purpose. A vessel will be considered under repair if it is waiting for a needed part or inspection and not at that time undergoing repair. However, a vessel will not be considered
undergoing repair if the vessel is not actually undergoing repair in a reasonable manner and time period."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1827, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 1827, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 44; nays, 3; excused, 2.

(26) "Violent offense" means:
(a) Any of the following felonies, as now existing or hereafter amended: Any felony defined under any law as a class A felony or an attempt to commit a class A felony, criminal solicitation of or criminal conspiracy to commit a class A felony, manslaughter in the first degree, manslaughter in the second degree, indecent liberties if committed by forcible compulsion, rape in the second degree, kidnapping in the second degree, arson in the second degree, assault in the second degree, extortion in the first degree, robbery in the second degree, vehicular homicide, and vehicular assault;

(b) Any conviction for a felony offense in effect at any time prior to July 1, 1976, that is comparable to a felony classified as a violent offense in subsection (((9))) (26)(a) of this section; and

(c) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a violent offense under subsection (((9))) (26) (a) or (b) of this section.

Sec. 18. Section 4, chapter 137, Laws of 1981 as amended by section 2, chapter 192, Laws of 1982 and RCW 9.94A.040 are each amended to read as follows:

(1) A sentencing guidelines commission is established as an agency of state government.

(2) The commission shall, following a public hearing or hearings:

(a) Devise a series of recommended standard sentence ranges for all felony offenses and a system for determining which range of punishment applies to each offender based on the extent and nature of the offender's criminal history, if any:

(b) Devise recommended prosecuting standards in respect to charging of offenses and plea agreements; and

(c) Devise recommended standards to govern whether sentences are to be served consecutively or concurrently.

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.

(4) In devising the standard sentence ranges of total and partial confinement under this section, the commission is subject to the following limitations:

(a) If the maximum term in the range is one year or less, the minimum term in the range shall be no less than one-third of the maximum term in the range, except that if the maximum term in the range is ninety days or less, the minimum term may be less than one-third of the maximum;

(b) If the maximum term in the range is greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) The maximum term of confinement in a range may not exceed the statutory maximum for the crime as provided in RCW 9A.20.020.

(5) In carrying out its duties under subsection (2) of this section, the commission shall give consideration to the existing guidelines adopted by the association of superior court judges and the Washington association of prosecuting attorneys and the experience gained through use of those guidelines. The commission shall emphasize confinement for the violent offender and alternatives to total confinement for the nonviolent offender.

(6) This commission shall conduct a study to determine the capacity of correctional facilities and programs which are or will be available. While the commission need not consider such capacity in arriving at its recommendations, the commission shall project whether the implementation of its recommendations would result in exceeding such capacity. If the commission finds that this result would probably occur, then the commission shall prepare an additional list of standard sentences which shall be consistent with such capacity.

(7) By January 10, 1983, the commission shall recommend its standard sentence ranges and standards to the legislature by providing the recommendations to the chief clerk of the house of representatives and secretary of the senate. If the commission has prepared an additional list of standard sentence ranges, as provided under subsection (6) of this section, then the commission shall include such list along with its recommendations.

(8) Every two years: The commission may recommend to the legislature revisions or modifications to the standard sentence ranges and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity.

((9))) (8) The commission shall study the existing criminal code and from time to time make recommendations to the legislature for modification.

((9))) (2) The commission shall exercise its duties under this section in conformity with chapter 34.04 RCW, as now existing or hereafter amended.

Sec. 19. Section 7, chapter 137, Laws of 1981 and RCW 9.94A.070 are each amended to read as follows:

((1)) At its regular session convening in 1983, the legislature shall enact laws approving or modifying either the standards recommended by the commission, or the additional list of standard sentence ranges consistent with prison capacity in the event an additional list has
been submitted pursuant to RCW 9.94A.040(6). The standards so adopted shall take effect on July 1, 1984.

(2)) Revisions or modifications of standard sentence ranges or other standards, together with any additional list of standard sentence ranges, shall be submitted to the legislature at least every two years ((and shall become effective as provided under subsection (1) of this section on July first of the year in which they are submitted)).

Sec. 20. Section 12, chapter 137, Laws of 1981 as last amended by section 6, chapter 209. Laws of 1984 and RCW 9.94A.120 are each amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) ((and)), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years. and shall not be eligible for turlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender((other than a person convicted of a violation of chapter 9A.44 RCW or RCW 9A.64.020)) the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision. which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;
(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;
(c) Pursue a prescribed, secular course of study or vocational training;
(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
(e) Report as directed to the court and a community corrections officer;
(f) Pay a fine. ((make restitution);) and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, ((restitution);) a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of ((any)) a sex offense other than a violation of ((chapter 9A.44 RCW or RCW 9A.64.020 except)) RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions ((of chapter 9A.44 RCW. RCW 9A.64.020;)) for a sex offense or any other felony sexual offenses in this or any other state. the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and. if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A
community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment; (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment; (iv) Report as directed to the court and a community corrections officer; (v) Pay a fine, (make restitution) accomplish some community service work, or any combination thereof; or (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of the department of social and health services at the Eastern State Hospital or the Western State Hospital for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of the department of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment programs at Western State Hospital or Eastern State Hospital, as determined by the secretary of the department of social and health services. The offender shall be transferred to the state pending placement in the treatment program.

If the offender does not comply with the provisions of the conditions of the treatment program, the secretary of the department of social and health services may refer the matter to the sentencing court for determination as to whether the offender shall be transferred to the department of corrections to serve the balance of his term of confinement.

If the offender successfully completes the treatment program before the expiration of his term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following: (i) Devote time to a specific employment or occupation; (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment; (iii) Report as directed to the court and a community corrections officer; (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW ((9A.20.020)).

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the
limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

Sec. 21. Section 19. chapter 137. Laws of 1981 as amended by section 10. chapter 209. Laws of 1984 and RCW 9.94A.190 are each amended to read as follows:

(1) A sentence that includes a term or terms of confinement totaling more than one year shall be served in a facility or institution operated, or utilized under contract, by the state. Except as provided for in subsection (3) of this section, a sentence of not more than one year of confinement shall be served in a facility operated, licensed, or utilized under contract, by the county.

(2) If a county uses a state partial confinement facility for the partial confinement of a person sentenced to confinement for not more than one year, the county shall reimburse the state for the use of the facility as provided for in this subsection. The office of financial management shall determine if, and when, reimbursement shall be reduced or eliminated because of funds provided by the legislature to the department for the purpose of covering the cost of county use of state partial confinement facilities. The office of financial management shall reestablish reimbursement rates each even-numbered year.

(3) A person who is sentenced for a felony to a term of not more than one year, and who is committed or returned to incarceration in a state facility on another felony conviction, either under the indeterminate sentencing laws, chapter 9.95 RCW, or under this chapter shall serve all terms of confinement, including a sentence of not more than one year, in a facility or institution operated, or utilized under contract, by the state, consistent with the provisions of RCW 9.94A.400.

Sec. 22. Section 2. chapter 15. Laws of 1983 as amended by section 16. chapter 209. Laws of 1984 and RCW 9.94A.310 are each amended to read as follows:

NOTE: Numbers in the first horizontal row of each seriousness category represent sentencing midpoints in years (y) and months (m). Numbers in the second and third rows represent presumptive sentencing ranges in months, or in days if so designated. 12+ equals one year and one day.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by 75 percent.

(3) The following additional times shall be added to the presumptive sentence if the offender or an accomplice was armed with a deadly weapon as defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice was armed with a deadly weapon and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following times shall be added to the presumptive range determined under subsection (2) of this section:

Definitions: Serious Violent: Murder 1, Murder 2, Assault 1, Kidnapping 1, Rape 1, Escape: Escape 1, Escape 2, Willful Failure to Return From Work Release or Purlough, Serious Traffic: Driving While Intoxicated, Actual Physical Control, Reckless Driving, Hit-and-Run, Felony Traffic: Felony Hit-and-Run, Vehicular Assault, Attempting to Elude a Police Officer, Drug: All felony violations of chapter 69.50 RCW except possession of a controlled substance)

Sec. 25. Section 7, chapter 115, Laws of 1983 as amended by section 19, chapter 209, Laws of 1984 and RCW 9.94A.360 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules (here), partially summarized in Table 3, RCW 9.94A.330, are as follows:

The offender score is (computed in the following way:) the sum of points accrued under subsections (1) through (14) of this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.
(2) Except as provided in subsections (3) and (13) of this section, class A prior felony convictions shall always be included in the offender score. Class B prior felony convictions shall not be included in the offender score if the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without being convicted of any felonies. Serious traffic convictions shall not be included in the offender score if the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without being convicted of any serious traffic or felony traffic offenses. This subsection applies to both adult and juvenile prior convictions. Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law.

(3) Include class A juvenile felonies only if the offender was 15 or older at the time the juvenile offense was committed. Include class B and C juvenile felony convictions only if the offender was 15 or older at the time the juvenile offense was committed and the offender was less than 23 at the time the offense for which he or she is being sentenced was committed.

((4))) (4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(a) Prior adult offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently whether those offenses shall be counted as one offense or as separate offenses, and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used.

(b) Juvenile prior convictions entered or sentenced on the same date shall count as one offense, the offense that yields the highest offender score; and

(c) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11), (12), or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(2) If the present conviction is for Murder 1 or 2, Assault 1, Kidnapping 1, or Rape 1, count three points for prior adult and juvenile convictions for crimes in these categories, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(((9))) (10) If the present conviction is for Burglary 1, count prior((s)) convictions as in subsection (((5))) (8) of this section: however count two points for each prior adult Burglary 2 conviction, and one point for each prior juvenile Burglary 2 conviction.

(((4))) (11) If the present conviction is for ((Vehicular Homicide. only)) a felony traffic offense count (the following crimes as part of the offender score)) two points for each adult or juvenile prior conviction for Vehicular Homicide((Vehicular Assault. Felony Hit and Run (RCW 46.52.020(4)), Hit and Run (RCW 46.52.020(5)), Driving While Intoxicated (RCW 46.61.502). Actual Physical Control (RCW 46.61.504). Reckless Driving (RCW 46.61.500). Attempting to Eulude a Police Officer (RCW 46.61.500). Count two points for each adult or juvenile Vehicular Homicide conviction, one point for each prior adult traffic or serious traffic conviction, and 1/2 point for each prior juvenile traffic or serious traffic conviction;

(5) If the present conviction is for a violent offense and not covered in subsections (2), (3), (4), or (6) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction): count one point for each adult, and 1/2 point for each juvenile, prior conviction for each other felony offense or serious traffic offense.
If the present conviction is for a drug offense, count two points for each adult prior felony drug offense conviction and one point for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

If the present conviction is for escape (Escape 1, RCW 9A.76.110; Escape 2, RCW 9A.76.120; Willful Failure to Return from Furlough, RCW 72.66.060; and Willful Failure to Return from Work Release, RCW 72.65.070), count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

If the present conviction is for Burglary 2, count prior convictions as in subsection (12) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 conviction, and one point for each juvenile prior Burglary 2 conviction.

If the present conviction is for a violation of chapter 69.50 RCW, except for possession of a controlled substance (RCW 69.50.461(d)), count two points for each adult prior felony drug conviction (chapter 69.50 RCW, except RCW 69.50.461(d)); and one point for each juvenile drug conviction. All other adult and juvenile felonies are scored as in subsection (5) of this section if the current drug conviction is violent, or as in subsection (9) of this section if the current drug conviction is nonviolent.

If the present conviction is for a nonviolent offense and not covered by subsection (6), (7), or (8) of this section, count one point for each prior adult felony conviction and one point for each prior juvenile violent felony conviction and 1/2 point for each prior juvenile nonviolent felony.

For all offender scores, the fractional totals shall be rounded down to the nearest whole number.

In the case of multiple prior convictions for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. The conviction for the offense that yields the highest offender score is used:

Class A prior felony convictions are always included in the offender score. Class B prior felony convictions are not included if the offender has spent ten years in the community and has not been convicted of any felonies since the last date of release from confinement pursuant to a felony conviction (including full-time residential treatment). If any, or entry of judgment and sentence. Class C prior felony convictions and serious traffic convictions as defined in RCW 9.94A.390 are not included if the offender has spent five years in the community and has not been convicted of any felonies since the last date of release from confinement pursuant to a felony conviction (including full-time residential treatment); if any, or entry of judgment and sentence. This subsection applies to both adult and juvenile prior convictions.

The designation of out-of-state convictions shall be covered by the offense definitions and sentences provided by Washington law:

The offender score is the sum of points accrued under subsections (1) through (12) of this section):

Sec. 26. Section 8. chapter 115, Laws of 1983 as amended by section 20, chapter 209, Laws of 1984 and RCW 9.94A.370 are each amended to read as follows:

(1) The intersection of the column defined by the offender score and the row defined by the offense seriousness score determines the presumptive sentencing range (see RCW 9.94A.310, (Table 1)). The additional time for deadly weapon findings shall be added to the entire presumptive sentence range. The court may impose any sentence within the range that it deems appropriate. All presumptive sentence ranges are expressed in terms of total confinement.

(2) In determining any sentence, the trial court may (use) rely on no more information than is admitted by the plea agreement, (and) or admitted, (to or), acknowledged, or proved in a trial or at the time of sentencing. Acknowledgement includes not objecting to information stated in the presentence reports. Where the defendant disputes material facts, the court must either not consider the fact or grant an evidentiary hearing on the point. The ((real)) facts shall be deemed (proven) proved at the (evidentiary) hearing by a preponderance of the evidence. ((Real)) Facts that establish the elements of ((a higher crime)) a more serious crime((c)) or additional crimes ((cannot)) may not be used to go outside the presumptive sentence range except upon stipulation or when specifically provided for in RCW 9.94A.390(2) (c) and (d).

Sec. 27. Section 10, chapter 115, Laws of 1983 as amended by section 24, chapter 209. Laws of 1984 and RCW 9.94A.390 are each amended to read as follows:

If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence((c)). The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

JOURNAL OF THE SENATE
To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

The defendant’s capacity to appreciate the wrongfulness of his conduct or to conform his conduct to the requirements of the law was significantly impaired (voluntary use of drugs or alcohol is excluded).

The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

- The current offense involved multiple victims or multiple incidents per victim;
- The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;
- The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time;
- The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense;
- The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify (em) a current offense as a major VUCSA:
  - The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so; or
  - The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use; or
  - The current offense involved the manufacture of controlled substances for use by other parties; or
  - The offender possessed a firearm during the commission of the offense; or
  - The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy; or
  - The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or
  - The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional); or
  - The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(The above considerations are illustrative only and are not intended to be exclusive reasons for exceptional sentences.)

Sec. 28, Section 11, chapter 115, Laws of 1983 as amended by section 25, chapter 209, Laws of 1984 and RCW 9.94A.400 are each amended to read as follows:

(1) (a) Except as provided in (b) of this subsection, whenever a person is convicted or to be sentenced for two or more current offenses, the sentence range for each current offense shall be determined by using all other current and prior convictions as (criminal history. All sentences so determined shall be served concurrently. Separate crimes encompassing the same criminal conduct) if they were prior convictions for the purpose of the offender score: PROVIDED, That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime (in determining criminal history). Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.120 and 9.94A.390(2)(e) or any other provision of RCW 9.94A.390.
(b) Whenever a person is convicted of three or more serious violent offenses, as defined in RCW 9.94A.330, arising from separate and distinct criminal conduct, the sentence range for the offense with the highest seriousness level under RCW 9.94A.320 shall be determined using the offender's ((prior convictions as)) criminal history in the offender score and the sentence range for other serious violent offenses shall be determined by using ((a criminal history)) an offender score of zero. The sentence range for any ((remaining)) offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under (b) of this subsection shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection.

(2) Whenever a person while under sentence of felony commits another felony and is sentenced to another term of imprisonment, the latter term shall not begin until expiration of all prior terms.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence of a felony, the sentence shall run ((consecutively)) concurrently with any felony ((sentences previously)) sentence which has been imposed by any court in this or another state or by a federal court((,) subsequent to the commission of the crime being sentenced unless the court pronouncing the (((subsequent)) current sentence expressly orders that they be served ((concurrently)) consecutively.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) However, in the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community service, community supervision, or any other requirement or conditions of any of the sentences.

Sec. 29. Section 12, chapter 115, Laws of 1983 as amended by section 26, chapter 209, Laws of 1984 and RCW 9.94A.410 are each amended to read as follows:

For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the crime, and multiplying the range by 75 percent.

In calculating an offender score, count each prior conviction as if the present conviction were for the completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

Sec. 30. Section 15, chapter 115, Laws of 1983 and RCW 9.94A.440 are each amended to read as follows:

(1) Decision not to prosecute. STANDARD: A Prosecuting Attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:

Examples The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

(i) It has not been enforced for many years; and
(ii) Most members of society act as if it were no longer in existence; and
(iii) It serves no deterrent or protective purpose in today's society; and
(iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimus Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;
(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and
(i) Conviction of the new offense would not merit any additional direct or collateral punishment;
(ii) Conviction in the pending prosecution is imminent;
(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:
(i) Assault cases where the victim has suffered little or no injury;
(ii) Crimes against property, not involving violence, where no major loss was suffered;
(iii) Where doing so would not jeopardize the safety of society.
Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification
The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:
Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact-finder.

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact-finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

See table ((t3)) below for the crimes within these categories.

Selection of Charges/Degree of Charge
(1) The prosecutor should file charges which adequately describe the nature of defendant's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:
(a) Will significantly enhance the strength of the state's case at trial; or
(b) Will result in restitution to all victims.
(2) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:
(a) Charging a higher degree;
(b) Charging additional counts.
This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.
GUIDELINES/COMMENTARY:
Police Investigation
A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:
(1) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
(2) The completion of necessary laboratory tests; and
(3) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.
If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

Exceptions
In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

(1) Probable cause exists to believe the suspect is guilty; and
(2) The suspect presents a danger to the community or is likely to flee if not apprehended; or
(3) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

Investigation Techniques
The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

(1) Polygraph testing;
(2) Hypnosis;
(3) Electronic surveillance;
(4) Use of informants.

Pre-Filing Discussions with Defendant
Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

Sec. 31. Section 9A.56.080. Chapter 260, Laws 1975 First Ex. Sess. as Amended by Section 4, Chapter 244. Laws of 1979 Ex. Sess. and RCW 9A.44.070 are Each Amended to Read as Follows:

(1) A person over thirteen years of age is guilty of statutory rape in the first degree when the person engages in sexual intercourse with another person who is less than eleven years old.

Sec. 32. Section 9A.56.080. Chapter 260, Laws of 1975 First Ex. Sess. as Amended by Section 2, Chapter 174. Laws of 1977 Ex. Sess. and RCW 9A.56.080 are Each Amended to Read as follows:

(1) Every person who, without lawful authority and with intent to sell or exchange and to deprive or defraud the lawful owner thereof, willfully takes, leads, or transports away, conceals, withholds, slaughters, or otherwise appropriates (to his own use) any horse, mule, cow, heifer, bull, steer, swine, or sheep (shall be) guilty of theft of livestock in the first degree.

(2) A person who commits what would otherwise be theft of livestock in the first degree but without intent to sell or exchange, and for the person's own use only, is guilty of theft of livestock in the second degree.

(3) Theft of livestock in the first degree is a class B felony.
(4) Theft of livestock in the second degree is a class C felony.

Sec. 33. Section 9A.44.070. Chapter 260, Laws of 1979 as Last Amended by Section 1, Chapter 43. Laws of 1984 and RCW 13.50.050 are Each Amended to Read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.
(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (11) of this section.
(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section and RCW 13.50.010.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom
a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(8) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(9) Subject to the rules of discovery applicable in adult criminal proceedings, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(11) The court shall grant the motion to seal records made pursuant to subsection (10) of this section if it finds that:
(a) Two years have elapsed from the later of: (i) Final discharge of the person from the supervision of any agency charged with supervising juvenile offenders; or (ii) from the entry of a court order relating to the commission of a juvenile offense or a criminal offense;
(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense; and
(c) No proceeding is pending seeking the formation of a diversion agreement with that person.

(12) The person making a motion pursuant to subsection (10) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(13) If the court grants the motion to seal made pursuant to subsection (10) of this section, it shall order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(14) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8).

(15) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any conviction for any adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW for any juvenile adjudication of guilt for a class A offense.

(16) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(17) The court may grant the motion to destroy records made pursuant to subsection (16) of this section if it finds:
(a) The person making the motion is at least twenty-three years of age;
(b) The person has not subsequently been convicted of a felony;
(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and
(d) The person has never been found guilty of a serious offense.

(18) A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted if the court finds that two years have elapsed since completion of the diversion agreement.

(19) If the court grants the motion to destroy records made pursuant to subsection (16) or (18) of this section, it shall order the official juvenile court file, the social file, and any other records named in the order to be destroyed.
(20) The person making the motion pursuant to subsection (16) or (18) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

Sec. 34. Section 11, chapter 137, Laws of 1981 as last amended by section 6, chapter 443, Laws of 1985 and RCW 9.94A.110 are each amended to read as follows:

Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing. The court shall consider the presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim, the survivor of the victim, or a representative of the victim or survivor, and an investigative law enforcement officer as to the sentence to be imposed. If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. Copies of all presentence reports presented to the sentencing court and all written findings of facts and conclusions of law as to sentencing entered by the court at the conclusion of the sentencing and shall accompany the offender if the offender is committed to the custody of the department. Court clerks shall provide, without charge, certified copies of documents relating to criminal convictions requested by prosecuting attorneys.

(1) Section 1, chapter 115, Laws of 1983 and RCW 9.94A.300; and

NEW SECTION. Sec. 36. The sentencing guidelines commission shall consider methods of increasing sentence ranges for offenders who commit a series of physical or sexual abuse offenses. The consideration shall include, but not be limited to, the addition of an aggravating factor under RCW 9.94A.390, changes to the offender scoring rules under RCW 9.94A.390, and amendments to the criminal code. The commission shall consult with organizations concerned with child and sexual abuse as well as the Washington defender association, Washington association of prosecuting attorneys, and the superior court judges association. The commission shall present its recommendations to the 1987 legislature.

NEW SECTION. Sec. 37. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 38. Sections 17 through 35 of this act shall take effect July 1, 1986.

Debate ensued.

POINT OF INQUIRY

Senator Bailey: "Senator Talmadge, I like what I see, but I have one question on page 25, starting on line 21, and that is the reciprocity—if we can say between county and state on jail facility costs. I would like an understanding of that section or clarification if I might."

Senator Talmadge: "Senator, this is the section that came over to us from the House of Representatives. It was something, as I understand it, that was worked between the local governments and the Department of Corrections. That has been an ongoing sticking point between those two and I believe that this particular subsection (2) on page 25, will answer the problem and hopefully provide for a peace treaty between the local governments and the Department of Corrections as to the reimbursement for local government facilities."

Senator Bailey: "I wonder, and it has been my experience with local government, that our biggest problem is that the state does not meet their commitment—
just the opposite of this language—does not meet their commitment when there is incarceration of state prisoners in county jails and I don't see any reference to that in this Section 2 and I wonder why it is not in there?"

Senator Talmadge: "I believe that that issue, Senator, is in the process of being addressed by the Department of Corrections and the local governments. I would see no reason why this wouldn't form the basis for the same kind of agreement as to the use of local government facilities by the state for state felons, and we can certainly work on that in the next few months. I think that's appropriate and I've had a similar concern just as you've had about the state not living up to its commitment in this area."

Senator Bailey: "Is there any way, Senator Talmadge, that we could have a friendly amendment to incorporate that type of language in that Section 2 and I don't mean to change the direction that you want to take in this, but if there is some reason for a friendly amendment I'd certainly appreciate it."

Senator Talmadge: "I think my preference would be to deal with it at another time rather than in this particular bill with this many faceted issue already."

The President declared the question before the Senate to be adoption of the amendment by Senators Talmadge, Halsan and Newhouse.

The motion by Senator Talmadge carried and the amendment was adopted.

The committee may make grants of state funds to local governments which qualify as "entitlement communities" under the federal law authorizing community development block grants. These grants may only be made on the condition that the entitlement community provide the committee with assurances that it will: (1) Spend the grant moneys for purposes and in a manner which satisfies state constitutional requirements; (2) spend the grant moneys for purposes and in a manner which would satisfy federal requirements; and (3) spend double the amount of the grant for loans to businesses from the federal funds received by the entitlement community.

On motion of Senator Warnke, the following amendment was adopted:

On page I, after the enacting clause, insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.168 RCW to read as follows:

The Washington state development loan fund committee is specifically authorized to operate as a licensed state business investment corporation under the provisions of the Small Business Investment Act of 1958, Public Law 85-699, as amended, if it can qualify thereunder, and if the committee shall determine that such operation would reasonably serve to carry out the purposes of the operation of the fund.

Sec. 2. Section 5, chapter 164, Laws of 1985 and RCW 43.168.050 are each amended to read as follows:

(1) The committee may only approve an application providing a loan for a project which the committee finds:

(a) Is located within a distressed area and may reasonably be expected to increase employment or maintain threatened employment;

(b) Has been approved by the director as conforming to federal rules and regulations governing the spending of federal community development block grant funds;

(c) Will be of public benefit and for a public purpose, and that the benefits, including increased or maintained employment, improved standard of living, and the employment of disadvantaged workers, will primarily accrue to residents of the distressed area;

(d) Will probably be successful;

(e) Would probably not be completed without the loan because other capital or financing at feasible terms is unavailable or the return on investment is inadequate.

(2) The committee may not approve an application if it fails to provide for adequate reporting or disclosure of financial data to the committee. The committee may require an annual or other periodic audit of the project books.

(3) The committee may require that the project be managed in whole or in part by a local development organization and may prescribe a management fee to be paid to such organization by the recipient of the loan or grant.

(4) (a) Except as provided in (b) of this subsection, the committee shall not approve any application which would result in a loan or grant in excess of three hundred fifty thousand dollars.

(b) The committee may approve an application which results in a loan or grant of up to seven hundred thousand dollars if the application has been approved by the director.

(5) The committee shall fix the terms and rates pertaining to its loans.

(6) Should there be more demand for loans than funds available for lending, the committee shall provide loans for those projects which will lead to the greatest amount of employment or benefit to a community. In determining the "greatest amount of employment or benefit" the committee shall also consider the employment which would be saved by its loan.

(7) To the extent permitted under federal law the committee shall require applicants to provide for the transfer of all payments of principal and interest on loans to the Washington state development loan fund created under this chapter. Under circumstances where the federal law does not permit the committee to require such transfer, the committee shall give priority to applications where the applicants on their own volition make commitments to provide for the transfer.

(8) The committee shall not approve any application to finance or help finance a shopping mall."

On page 2, line 10, after "permitted," insert "On any such roadway, a motor truck shall be driven only in the right-hand lane except under the conditions enumerated in (a) through (d) of this subsection."

Debate ensued.

POINT OF INQUIRY

Senator Peterson: "Senator Vognild, we discussed this bill quite extensively in committee and the question was raised as to what if I was driving in the left hand lane and I was going 55 miles an hour, would I be subject to a traffic violation and the answer from the State Patrol was, 'no you would not be subject to a violation as long as you weren't exceeding the speed limit.' The question that I have here on limiting trucks to the right hand lane whether we're going to impede or further hamper the flow of traffic?"

Senator Vognild: "Senator Peterson, my answer to that would be 'no, I do not believe that that will happen.' What we're doing here is limiting them to running in the right hand lane. They most certainly may pass a car or each other using the left hand lane under the way this is structured. They can pass. The fact is that they cannot get out in a left hand lane and run there whether they are running at 55 or 65, they can't run there. We're trying to get some safety on the highway."

The President declared the question before the Senate to be adoption of the amendment by Senators Vognild and Gaspard.

The motion by Senator Vognild carried and the amendment was adopted.
MOTION

On motion of Senator Peterson, the rules were suspended, House Bill No. 507, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

ROLL CALL

The Secretary called the roll on final passage of House Bill No. 507, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 48; excused, 1.

Excused: Senator Stratton - 1.

HOUSE BILL NO. 507, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

There being no objection, the Senate resumed consideration of Engrossed Substitute House Bill No. 1382 and the pending amendment by Senators Pullen, Halsan, Rasmussen, Craswell, Benitz, Zimmerman, Guess, Owen, Lee, Barr and Metcalf on page 8, line 10, deferred March 5, 1986.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Bottiger, the President finds that Engrossed Substitute House Bill No. 1382 is a measure which revises the distribution formula for off-road vehicle funds. In addition, the bill proposes to amend the non-highway violation section relating to endangering human life and wildlife.

"The amendment proposed by Senator Pullen and others also amends the same non-highway violation section by stating that there is no violation if the person complies with the terms and conditions of the firearms and dangerous weapons chapter.

"The President, therefore, finds that the proposed amendment does not change the scope and object of the bill and that the point of order is not well taken."

The amendment by Senators Pullen, Halsan, Rasmussen, Craswell, Benitz, Zimmerman, Guess, Owen, Lee, Barr and Metcalf was ruled in order.

The President declared the question before the Senate to be adoption of the amendment by Senators Pullen, Halsan, Rasmussen, Craswell, Benitz, Zimmerman, Guess, Owen, Lee, Barr and Metcalf.

Debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator Guess, the thing that has always bothered me about this—whenever this thing surfaced before. What happens when you've got young children in the car or teenagers who borrow the car on a Friday night to go to the game and whatever else they do after the game?"

Senator Guess: "Senator, you put it in the glove compartment and lock the door."

Senator Deccio: "You didn't answer my question. Under this bill you can carry it, so that it doesn't have to be in a locked glove compartment?"

Senator Guess: "No, Senator, you are not reading the English language."

Senator Deccio: "I'm Italian. I'm sorry. Well, maybe Senator Pullen can take a crack at it."

REMARKS BY SENATOR PULLEN

Senator Pullen: "Senator Deccio, in answer to your question, the amendment would provide that the person transporting the loaded pistol must comply with the
terms and conditions of Chapter 9.41 RCW. Those conditions are very, very strict, in accordance with a bill that passed through here a couple of years ago.

"The strict conditions in RCW 9.41 specify that only a person with a concealed pistol license may possess a loaded pistol in an automobile and if the person with a concealed pistol license leaves the automobile and does not take the pistol with him, then he must conceal it from view and lock it up. Those were the rather strict terms that were put in Chapter 9.41 RCW a few years ago in a bill that got strong support of the Legislature and of Governor Spellman."

Senator Deccio: "Then you can't just put the gun under the seat, you either have to have it on your person or locked in the trunk or in the gin box?"

Senator Pullen: "That's absolutely correct and as I recall you supported the bill that put into law those protections and those same protections would apply to the non-highway vehicle. That's what we're trying to do to make the two laws consistent."

Senator Deccio: "O.K. Thank you."

The President declared the question before the Senate to be adoption of the amendment by Senators Pullen, Halsan, Rasmussen, Craswell, Benitz, Zimmerman, Guess, Owen, Lee, Barr and Metcalf.

The motion by Senator Pullen carried and the amendment was adopted.

MOTIONS

On motion of Senator Peterson, the following amendment was adopted:
On page 12, line 24, after "legislative" strike "transportation" and insert "budget"

"NEW SECTION. Sec. 15. The legislature recognizes the value of ORV recreation facilities as needed public uses and encourages the use of public transportation and utility rights of way as ORV recreational facilities in such a way so as to maximize recreational opportunities for all citizens pursuant to the provisions and limitations of RCW 64.04.190."

Renumber the remaining sections consecutively.

Debate ensued.

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. I raise the point of order on scope and object on this amendment and the one to follow by Senator Rasmussen. Both deal with the issue of essentially reversionary rights with respect to public utility right-of-ways. This is a bill relating to off the road vehicles and I believe both amendments would expand the scope and the object of the legislation before us."

To facilitate meeting the intent of this section, the cooperation of agencies of the federal government is requested by reporting any conviction, determination, or finding that a federal employee or contractor regulated by the disciplinary authorities enumerated in this chapter has committed an act which constituted unprofessional conduct and reporting any information which indicates that a federal employee or contractor regulated by
the disciplinary authorities enumerated in this chapter may not be able to practice his or her profession with reasonable skill and safety as a result of a mental or physical condition.

(2) If a person fails to furnish a required report, the disciplining authority may petition the superior court of the county in which the person resides or is found, and the court shall issue to the person an order to furnish the required report. A failure to obey the order shall be punished by the court as civil contempt.

(3) A person is immune from civil liability, whether direct or derivative, for providing information to the disciplining authority pursuant to the rules adopted under subsection (1) of this section.

(4) The holder of a license subject to the jurisdiction of this chapter shall report to the disciplining authority any conviction, determination, or finding that the licensee has committed unprofessional conduct or is unable to practice with reasonable skill or safety. Failure to report within thirty days of notice of the conviction, determination, or finding constitutes grounds for disciplinary action.

Sec. 5. Section 8, chapter 279, Laws of 1984 and RCW 18.130.080 are each amended to read as follows:

A person, including but not limited to consumers, licensees, corporations, organizations, health care facilities, and state and local governmental agencies, may submit a written complaint to the disciplining authority charging a license holder or applicant with unprofessional conduct and specifying the grounds therefor. A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint.

The statement of charge or charges shall be accompanied by a notice that the license holder or applicant may request a hearing to contest the charge or charges. The license holder or applicant must file a request for hearing with the disciplining authority within twenty days after being served the statement of charges. The failure to request a hearing constitutes a default, whereupon the disciplining authority may enter a decision on the basis of the facts available to it.

(2) If a hearing is requested, the time of the hearing shall be fixed by the disciplining authority as soon as convenient, but the hearing shall not be held earlier than thirty days after service of the charges upon the license holder or applicant. A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of the hearing. The notice shall also notify the license holder or applicant that a record of the proceeding will be kept, that he or she will have the opportunity to appear personally and to have counsel present, with the right to produce witnesses, who will be subject to cross-examination, and evidence in his or her own behalf, to cross-examine witnesses testifying against him or her, to examine such documentary evidence as may be produced against him or her, to conduct depositions, and to have subpoenas issued by the disciplining authority.

An order pursuant to proceedings authorized by this chapter, after due notice and findings in accordance with this chapter and chapter 34.04 RCW, or an order of summary suspension entered under this chapter, shall take effect immediately upon its being served. The order, if appealed to the court, shall not be stayed pending the appeal unless the disciplining authority or court to which the appeal is taken enters an order staying the order of the disciplining authority, which stay shall provide for terms necessary to protect the public.

Sec. 8. Section 16, chapter 279, Laws of 1984 and RCW 18.130.160 are each amended to read as follows:

Upon a finding that a license holder or applicant has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the disciplining authority may issue an order providing for one or any combination of the following:

(1) Revocation of the license;
(2) Suspension of the license for a fixed or indefinite term;
(3) Restriction or limitation of the practice;
(4) Requiring the license holder satisfactorily to complete a specific program of remedial education or treatment;
(5) The monitoring of the practice by a supervisor approved by the disciplining authority.
(6) Censure or reprimand;
(7) Compliance with conditions of probation for a designated period of time;
(8) Payment of a fine for each violation of this chapter, not to exceed one thousand dollars per violation. Funds received shall be placed in the health professions account;
(9) Denial of the license request;
(10) Corrective action (by the license holder);
(11) Refund of fees charged billed to and collected from the consumer (by the license holder);

Any of the actions under this section may be totally or partly stayed by the disciplining authority. In determining what action is appropriate, the disciplining authority must first consider what sanctions are necessary to protect or compensate the public. Only after such provisions have been made may the disciplining authority consider and include in the order requirements designed to rehabilitate the license holder or applicant. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

Sec. 9. Section 17, chapter 279, Laws of 1984 and RCW 18.130.170 are each amended to read as follows:

(1) If the disciplining authority believes a license holder or applicant may be unable to practice with reasonable skill and safety to consumers by reason of any mental or physical condition, a statement of charges in the name of the disciplining authority shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill and safety. If the disciplining authority determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the disciplining authority shall impose such sanctions under RCW 18.130.160 as is deemed necessary to protect the public.

(2) In enforcing this section, the disciplining authority may require a license holder or applicant to submit to a mental or physical examination by one or more licensed professionals designated by the disciplining authority. The cost of the examinations ordered by the disciplining authority shall be paid out of the health professions account. In addition to any examinations ordered by the disciplining authority, the license holder or applicant may submit physical or psychological examination reports from licensed professionals of the license holder’s or applicant’s choosing and expense. Failure of a license holder or applicant to submit to examination when directed constitutes grounds for immediate suspension or denial of the license. In the event of a default and final order may be entered without the taking of testimony or presentation of evidence, unless the failure was due to circumstances beyond the person’s control. A determination by a court of competent jurisdiction that a license holder or applicant is mentally incompetent or mentally ill is presumptive evidence of the license holder’s or applicant’s inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate that the individual can resume competent practice with reasonable skill and safety to the consumer.

(3) For the purpose of subsection (2) of this section, an applicant or license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining licensed or certified health professional’s testimony or examination reports by the disciplining authority on the ground that the testimony or reports constitute privileged communications.

Sec. 10. Section 18, chapter 279, Laws of 1984 and RCW 18.130.180 are each amended to read as follows:

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person’s profession, whether the act constitutes a crime or not. If the disciplining authority shall define by rule acts involving moral turpitude, dishonesty, or corruption relating to the practice of the person’s profession.) If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is entered. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is entered.

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) Refusal, failure, or delay of a license holder or applicant to submit to examination when designated by the disciplining authority on the ground that the testimony or examination reports constitute privileged communications.

(4) Violation of any of the rules adopted by the disciplining authority in the exercise of the authority vested in it by this chapter.

(5) Conviction of any criminal or licensing violation, or any act constituting a violation of the statutes relating to the practice of the person’s profession, or any act constituting a violation of the rules of the disciplining authority on the ground that the testimony or examination reports constitute privileged communications.

(6) Failure, refusal, or delay of a license holder or applicant to submit to a mental examination by a licensed or certified health professional, or psychological examination by one or more licensed psychologists, unless the failure was due to circumstances beyond the person’s control. A determination by a court of competent jurisdiction that a license holder or applicant is unable to practice with reasonable skill and safety to consumers by reason of any mental or physical condition, a statement of charges in the name of the disciplining authority shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill and safety. If the disciplining authority determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the disciplining authority shall impose such sanctions under RCW 18.130.160 as is deemed necessary to protect the public.

(7) Compliance with conditions of probation for a designated period of time;

(8) Payment of a fine for each violation of this chapter, not to exceed one thousand dollars per violation. Funds received shall be placed in the health professions account;

(9) Denial of the license request;

(10) Corrective action (by the license holder);

(11) Refund of fees charged billed to and collected from the consumer (by the license holder);

Any of the actions under this section may be totally or partly stayed by the disciplining authority. In determining what action is appropriate, the disciplining authority must first consider what sanctions are necessary to protect or compensate the public. Only after such provisions have been made may the disciplining authority consider and include in the order requirements designed to rehabilitate the license holder or applicant. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

Sec. 9. Section 17, chapter 279, Laws of 1984 and RCW 18.130.170 are each amended to read as follows:

(1) If the disciplining authority believes a license holder or applicant may be unable to practice with reasonable skill and safety to consumers by reason of any mental or physical condition, a statement of charges in the name of the disciplining authority shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill and safety. If the disciplining authority determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the disciplining authority shall impose such sanctions under RCW 18.130.160 as is deemed necessary to protect the public.

(2) In enforcing this section, the disciplining authority may require a license holder or applicant to submit to a mental or physical examination by one or more licensed professionals designated by the disciplining authority. The cost of the examinations ordered by the disciplining authority shall be paid out of the health professions account. In addition to any examinations ordered by the disciplining authority, the license holder or applicant may submit physical or psychological examination reports from licensed or certified health professionals of the license holder’s or applicant’s choosing and expense. Failure of a license holder or applicant to submit to examination when directed constitutes grounds for immediate suspension or denial of the license. In the event of a default and final order may be entered without the taking of testimony or presentation of evidence, unless the failure was due to circumstances beyond the person’s control. A determination by a court of competent jurisdiction that a license holder or applicant is mentally incompetent or mentally ill is presumptive evidence of the license holder’s or applicant’s inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate that the individual can resume competent practice with reasonable skill and safety to the consumer.

(3) For the purpose of subsection (2) of this section, an applicant or license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining licensed or certified health professional’s testimony or examination reports by the disciplining authority on the ground that the testimony or reports constitute privileged communications.

If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is entered. NEW SECTION. Sec. 47. The repeal of RCW 18.34.090 and 18.34.140 by this act shall not be construed as affecting any rights and duties which matured, penalties which were incurred, and proceedings which were begun before the effective date of this act.

PART VII
HEARING AIDS

NEW SECTION. Sec. 48. A new section is added to chapter 18.35 RCW to read as follows:

The uniform disciplinary act, chapter 18.130 RCW, governs the issuance and denial of licenses and the discipline of licensees under this chapter.

Sec. 11, chapter 106, Laws of 1973 1st ex. sess. as amended by section 9, chapter 39, Laws of 1983 and RCW 18.35.110 are each amended to read as follows:

In addition to causes specified under RCW 18.130.170 and 18.130.180, any person licensed under this chapter may be subject to disciplinary action by the council for any of the following causes:

1. (The licensee, in the application for the license, or in any written or oral communication to the department concerning the issuance or retention of the license, has made any material misstatement of fact, or has omitted to disclose any material fact which makes that which is stated misleading;

2. For unethical conduct((—or for gross incompetence)) in dealing in hearing aids. Unethical conduct shall include, but not be limited to:

a. Using or causing or promoting the use of, in any advertising matter, promotional literature, testimonial, guarantee, warranty, label, brand, insignia, or any other representation, however disseminated or published, which is false, misleading or deceptive;

b. Employing directly or indirectly any suspended or unlicensed person to perform any work covered by this chapter;

c. Failing or refusing to honor or to perform as represented any representation, promise, agreement, or warranty in connection with the promotion, sale, dispensing, or fitting of the hearing aid;

3. Advertising a particular model, type, or kind of hearing aid for sale which purchasers or prospective purchasers responding to the advertisement cannot purchase or are dissuaded from purchasing and where it is established that the purpose of the advertisement is to obtain prospects for the sale of a different model, type, or kind than that advertised;

4. Falsifying hearing test or evaluation results:

5. Whenever any of the following conditions are found or should have been found to exist either from observations by the licensee or on the basis of information furnished by the prospective hearing aid user prior to fitting and dispensing a hearing aid to any such prospective hearing aid user, failing to advise that prospective hearing aid user in writing that the user should first consult a licensed physician specializing in diseases of the ear or if no such licensed physician is available in the community then to any duly licensed physician:

A. Visible congenital or traumatic deformity of the ear, including perforation of the eardrum;

B. History of, or active drainage from the ear within the previous ninety days;

C. History of sudden or rapidly progressive hearing loss within the previous ninety days;

D. Acute or chronic dizziness;

E. Any unilateral hearing loss;

F. Significant air-bone gap when generally acceptable standards have been established as defined by the food and drug administration;

G. Visible evidence of significant cerumen accumulation or a foreign body in the ear canal;

H. Pain or discomfort in the ear; or

I. Any other conditions that the department may by rule establish. It is a violation of this subsection for any licensee or that licensee's employees and putative agents upon making such required referral to medical opinion to in any manner whatsoever disparage or discourage a prospective hearing aid user from seeking such medical opinion prior to the fitting and dispensing of a hearing aid. No such referral for medical opinion need be made by any licensee in the instance of replacement only of a hearing aid which has been lost or damaged beyond repair within six months of the date of purchase. The licensee or the licensee's employees or putative agents shall obtain a signed statement from the hearing aid user documenting the waiver of medical clearance and the waiver shall inform the prospective user that signing the waiver is not in the user's best health interest: PROVIDED, That the licensee shall maintain a copy of either the physician's statement showing that the prospective hearing aid user has had a medical evaluation or the statement waiving medical evaluation, for a period of three years after the purchaser's receipt of a hearing aid. Nothing in this section required to be performed by a licensee shall mean that the licensee is engaged in the diagnosis of illness or the practice of medicine or any other activity prohibited under the laws of this state:

ii. Fitting and dispensing a hearing aid to any person under eighteen years of age who has not been examined and cleared for hearing aid use within the previous six months by a physician specializing in otolaryngology except in the case of replacement instruments or...
except in the case of the parents or guardian of such person refusing, for good cause, to seek medical opinion: PROVIDED, That should the parents or guardian of such person refuse, for good cause, to seek medical opinion, the licensee shall obtain from such parents or guardian a certificate to that effect in a form as prescribed by the department:

(iii) Fitting and dispensing a hearing aid to any person under eighteen years of age who has not been examined by an audiologist who holds at least a master's degree in audiology for recommendations during the previous six months, without first advising such person or his or her parents or guardian in writing that he or she should first consult an audiologist who holds at least a master's degree in audiology, except in cases of hearing aids replaced within six months of their purchase:

((1)) (f) Representing that the services or advice of a person licensed to practice medicine and surgery under chapter 18.71 RCW or osteopathy and surgery under chapter 18.57 RCW or of a clinical audiologist will be used or made available in the selection, fitting, adjustment, maintenance, or repair of hearing aids when that is not true, or using the word "doctor," "clinic," or other like words, abbreviations, or symbols which tend to connote a medical or osteopathic profession when such use is not accurate;

((2)) (g) Permitting another to use his or her license:

((3)) (h) Stating or implying that the use of any hearing aid will restore normal hearing, preserve hearing, prevent or retard progression of a hearing impairment, or any other false, misleading, or medically or audiologically unsupportable claim regarding the efficiency of a hearing aid:

((4)) (i) Representing or implying that a hearing aid is or will be "custom-made," "made to order," "prescription made," or in any other sense specially fabricated for an individual when that is not the case; or

((5)) (j) Directly or indirectly offering, giving, permitting, or causing to be given, money or anything of value to any person who advised another in a professional capacity as an inducement to influence that person, or to have that person influence others to purchase or contract to purchase any product sold or offered for sale by the licensee, or to influence any person to refrain from dealing in the products of competitors.

((5)) (k) Engaging in the fitting or dispensing of hearing aids while suffering from a contagious or infectious disease involving risk to the public:

((6)) (l) Violating any of the provisions of this chapter or the rules adopted by this chapter.

((7)) (m) Failing to properly and reasonably accept responsibility for the actions of his or her employees.

(7)) (2) Engaging in any unfair or deceptive practice or unfair method of competition in trade within the meaning of RCW 19.86.020 as now or hereafter amended.

((8)) (3) Aiding or abetting any violation of the rebating laws as stated in chapter 19.68 RCW.

Sec. 50. Section 13, chapter 39, Laws of 1983 and RCW 18.35.161 are each amended to read as follows:

The council shall have the following powers and duties:

(1) To establish by rule such minimum standards and procedures in the fitting and dispensing of hearing aids as deemed appropriate and in the public interest;

(2) To develop guidelines on the training and supervision of trainees;

(3) To adopt any other rules or regulations necessary to implement this chapter and which are not inconsistent with it;

(4) To develop, approve, and administer all licensing examinations required by this chapter; and

(5) To conduct all disciplinary proceedings pursuant to this chapter. All hearings conducted and all rules adopted shall be in accordance with chapter 54.04 RCW. If, following a hearing, the council finds that an applicant or licensee has violated any section of this chapter or any of the rules promulgated under this chapter, the council may enter an order imposing one or more of the following penalties:

(a) Denial of an initial license or renewal;

(b) Revocation or suspension of license;

(c) A fine not to exceed one thousand dollars for each separate offense;

(d) Issuance of a reprimand or letter of censure;

(e) Placement of the licensee on probation for a period of time;

(f) Restriction of the licensee's authorized scope of practice; or

(g) Requiring the licensee to make restitution to any individual injured by a violation of this chapter or chapter 18.130 RCW, the uniform disciplinary act. The authority to require restitution does not limit the council's authority to take other action deemed appropriate and provided for in this chapter or chapter 18.130 RCW.

Sec. 51. Section 19, chapter 106, Laws of 1973 1st ex. sess. as amended by section 14, chapter 39, Laws of 1983 and RCW 18.35.190 are each amended to read as follows:

(1) In addition to remedies otherwise provided by law, in any action brought by or on behalf of a person required to be licensed hereunder, or by any assignee or transferee thereof,
arising out of the business of fitting and dispensing of hearing aids, it shall be necessary to allege and prove that the licensee at the time of the transaction held a valid license as required by this chapter, and that such license has not been suspended or revoked pursuant to RCW 18.35.110 or 18.35.120.

(2) (Any person who shall engage in the fitting and dispensing of hearing aids without having obtained a license or who shall wilfully and intentionally violate any of the provisions of this chapter shall be guilty of a gross misdemeanor punishable by a fine not to exceed five thousand dollars per violation or by imprisonment in the county jail for a period not to exceed six months; or both.

(3)) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing aid shall have the right to rescind the transaction for other than the seller's breach if:

(a) The purchaser, for reasonable cause, returns the hearing aid or holds it at the seller's disposal: PROVIDED, That the hearing aid is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the council but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser in wearing a hearing aid; and

(b) By sending notice of such cancellation to the licensee at the licensee's place of business by certified mail, return receipt requested, which shall be posted not later than thirty days following the date of delivery: PROVIDED, That in the event of cancellation pursuant to this subsection or as otherwise provided by law, the licensee shall, without request, refund to the purchaser postmarked within ten days after such cancellation all deposits, including any down payment less fifteen percent of the total purchase price or one hundred dollars per hearing aid, whichever is less, and shall return all goods traded in to the licensee on account or in contemplation of the sale less any reasonable costs actually incurred in making ready for sale, goods so traded in: AND PROVIDED FURTHER, That the buyer shall incur no additional liability for such cancellation.

(c) Where a purchaser has taken the steps described in subsections (a) and (b) above to cancel the purchase, and the purchaser subsequently agrees with the seller to extend the trial or rescission period, the purchaser remains entitled to receive the refund described in (RCW 18.35.199(2)(b)) subsection (2)(b) of this section upon demand made within sixty days of the original date of delivery or such other time as agreed to in writing by both parties. Written notice of the last date for demanding a refund shall be provided to the purchaser at the time the trial or rescission period is extended.

Sec. 52. Section 17, chapter 39, Laws of 1983 and RCW 18.35.220 are each amended to read as follows:

(1) If the council determines following notice and hearing, or following notice if no hearing was timely requested, that a person has:

(a) Violated any provisions of this chapter or chapter 18.130 RCW; or

(b) Violated any lawful order, or rule of the council

an order may be issued by the council requiring the person to cease and desist from the unlawful practice. The council shall then take affirmative action as is necessary to carry out the purposes of this chapter.

(2) If the council makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, a temporary cease and desist order may be issued. Prior to issuing a temporary cease and desist order, the council, whenever possible, shall give notice by telephone or otherwise of the proposal to issue a temporary cease and desist order to the person to whom the order would be directed. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held to determine whether the order becomes permanent.

(3) The department, with or without prior administrative proceedings, may bring an action in the superior court to enjoin the acts or practices and to enforce compliance with this chapter, or rule or order under this chapter. Upon proper showing, injunctive relief or temporary restraining orders shall be granted and a receiver or conservator may be appointed. The department shall not be required to post a bond in any court proceedings.

Whenever there is filed in a matter under the jurisdiction of the director of licensing any complaint charging that the holder of a license has been guilty of any fact or omission which by the provisions of the law under which the license was issued would warrant the revocation thereof, verified in the manner provided by law, the director of licensing shall request the governor to appoint, and the governor shall appoint within thirty days of the request, two qualified practitioners of the profession or calling of the person charged, who, with the director or his duly appointed representative, shall constitute a committee to hear and determine the charges and, in case the charges are sustained, impose the penalty provided by law. In addition, the governor shall appoint a consumer member of the committee.

The decision of any three members of such committee shall be the decision of the committee.

The appointed members of the committee shall be compensated in accordance with RCW 43.03.240 and shall be reimbursed for their travel expenses, in accordance with RCW 43.03.050 and 43.03.060.

Sec. 165. Section 3, chapter 122, Laws of 1977 ex. sess. and RCW 70.54.150 are each amended to read as follows:

No physician may be subject to disciplinary action by any entity of either the state of Washington or a professional association for prescribing or administering amygdalin (Laetrile) to a patient under his/her care who has requested the substance after having been given sufficient information in writing to make an informed decision.

It is not the intent of this section to shield a physician from acts or omissions which otherwise would constitute unprofessional conduct (as defined in RCW 18.57.170 and 18.72.030).

Sec. 166. Section 2, chapter 50, Laws of 1981 and RCW 70.54.190 are each amended to read as follows:

No hospital or health facility may interfere with the physician/patient relationship by restricting or forbidding the use of DMSO (dimethyl sulfoxide) when prescribed or administered by a physician licensed pursuant to chapter 18.57 or 18.71 RCW and requested by a patient under his/her care who has requested the substance after having been given sufficient information in writing to make an informed decision.
No physician may be subject to disciplinary action by any entity of either the state of Washington or a professional association for prescribing or administering DMSO (dimethyl sulfoxide) to a patient under his/her care who has requested the substance after having been given sufficient information in writing to make an Informed decision.

It is not the intent of this section to shield a physician from acts or omissions which otherwise would constitute unprofessional conduct (as defined in RCW 18.57.170 and 18.72.030).

NEW SECTION. Sec. 167. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

MOTION

Senator McDermott moved that the following amendment to the Committee on Human Services and Corrections amendment be adopted:

On page 94 of the amendment, after line 20, insert the following:

"NEW SECTION. Sec. 167. The legislature recognizes that there is an increasing interest by the citizens of this state in physical fitness and that in response to such interest a wide variety of health and conditioning services are available. Therefore, the legislature declares that it is a matter of public interest that the citizens of this state be assured of reasonable protection when contracting for health and conditioning services.

NEW SECTION. Sec. 168. (1) As used in this chapter, unless the context clearly requires otherwise:

(a) "Contract for health and conditioning services" means: A contract which provides as one of its primary purposes services or facilities which assist the purchaser to improve physical condition or appearance through physical fitness programs, body building, exercising, reducing, weight loss, figure development, or any other similar activity;

(b) "Initiation or membership fee" means a fee paid either in a lump sum or installments on a one-time basis when a person first joins a health and conditioning facility for the privilege of belonging to such facility;

(c) "Use fees" means fees paid on a regular periodic basis for use of a health club. This does not preclude prepayment of use fees at the buyer's option;

(d) "Health club" or "club" means any individual, partnership, corporation, or other legal entity offering contracts for health and conditioning services to the public.

(2) A "contract for health and conditioning services" does not include:

(a) Professional services within the scope of the person's license rendered or furnished by a person licensed under Title 18 RCW;

(b) Instruction at public common schools, public institutions of higher education, private schools approved under RCW 28A.02.201, and private institutions of higher education;

(c) Instruction, training, or assistance relating to diet or control of eating habits not involving physical fitness programs. body building, exercising, figure development, or any other similar activity; or

(d) Recreational or social programs offered by organizations listed in section 168(3) of this act, which either involve no physical exercise or exercise only incidental to the program.

(3) Except for the purposes of sections 3, 8, and 9 of this act, a "contract for health and conditioning services" does not include: (a) Services rendered by bona fide nonprofit organizations which have been granted tax exempt status by the internal revenue service, including, but not limited to, the Young Men’s Christian Association, the Young Women’s Christian Association, or other similar organizations, whose functions as health studios are only incidental to their overall functions and purposes; or (b) services rendered by bona fide nonprofit corporations organized under chapter 24.03 RCW which have members and whose members have meaningful voting rights to elect and remove a board of directors which is responsible for the operation of the health club and corporation.

NEW SECTION. Sec. 169. Contracts for health and conditioning services shall be in writing and are subject to this chapter. A copy of the written contract shall be given to the customer when the customer signs the contract.

NEW SECTION. Sec. 170. Contracts for health and conditioning services between the same buyer and the same seller which have overlapping terms are deemed to be one contract for the purpose of this chapter.

NEW SECTION. Sec. 171. If a contract exceeds three years, the buyer shall sign or initial the provision which establishes the duration of the contract.

Contracts may not be sold, advertised, or measured by the lifetime of the buyer.

NEW SECTION. Sec. 172. A contract for health and conditioning services may be sold prior to opening of the facility. Such contract shall provide that:

(1) Agreed upon services will begin within twelve months from the date the contract is signed unless the buyer signs an extension; and

(2) A five-day period for cancellation of the contract shall begin to run from the day the facility opens for use of the buyer and the seller begins to provide the agreed upon services.

NEW SECTION. Sec. 173. (1) Except as provided in subsection (2) of this section, all moneys paid to the seller by the buyer prior to the opening of the facility shall promptly be deposited
by the seller in a trust account, maintained by the seller for the purpose of holding such monies for the buyer, in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington. The seller shall within seven days of the first deposit notify the office of the attorney general, in writing, of the name, address, and location of the depository and any subsequent change thereof. Unless otherwise agreed in writing, the seller is entitled to receipt of interest paid on such trust account monies. The seller shall provide the buyer with a written receipt for the monies and shall provide written notice of the name and address and location of the depository and any subsequent change thereof. If prior to the opening of the facility, the transfer of the seller is transferred to another, any sums in the trust account affected by such transfer shall simultaneously be transferred to an equivalent trust account of the successor, and the successor shall promptly notify the buyer and the office of the attorney general of the transfer and of the name, address, and location of the new depository. The buyer's claim to any moneys paid under this section is prior to that of any creditor of the seller, including a trustee in bankruptcy or receiver, even if such moneys are commingled. After receipt of the notice of cancellation of the agreement or if the seller fails to open the facility and provide the agreed upon services within twelve months of the signing of the contract, the seller shall within ten days give a full refund to the buyer. The moneys on deposit shall revert to the seller on the day the facility opens.

(2) Subsection (1) of this section does not apply to any sellers who, prior to any preopening sales, have provided a bond guaranteeing performance of all contracts for health and conditioning services sold prior to the opening of the facility. The bond shall be drawn upon a surety in an amount acceptable to the office of the attorney general, running to the state of Washington. An action on the bond may be brought by the office of the attorney general or by any buyer of a contract for health and conditioning services sold prior to the opening of the facility.

NEW SECTION. Sec. 174. (1) The contract for health and conditioning services shall contain:
(a) The name and address of the health and conditioning facilities operator;
(b) The date the buyer signed the contract;
(c) The current fees to be paid by the buyer and, if such fees are subject to periodic adjustment, such fact shall be disclosed;
(d) The services to be provided under the contract; and
(e) The duration of the contract.
(2) Unless the health and conditioning facilities operator has complied with subsection (1) of this section, the buyer may cancel the contract for health and conditioning services at any time.

NEW SECTION. Sec. 175. Contracts for health and conditioning services shall contain clauses which notify buyers of the following rights:
(1) The buyer has the right to cancel the contract at any time prior to midnight of the third calendar day after the date the contract is signed by the buyer. Cancellation under this subsection entitles the buyer to a refund of all monies paid and relieves the buyer from any future obligations under the contract without penalty.
(2) If by reason of death or total disability the person agreeing to receive services is unable to receive services that have been contracted for, the person or person's estate may cancel the contract.
(a) For total disability, a written confirmation of total disability shall be submitted by the person's treating physician. The health and conditioning facility may require the person to be examined by a physician of their choice if requested within sixty days after a written confirmation is submitted by the treating physician. If the two physicians disagree, they shall choose a third physician to examine the person, each party bearing half the fee. The third physician's opinion shall be binding on all parties. Total disability is a condition incurred after the person signs the contract which precludes the person from physically using the facilities for the remaining term of the contract.
(b) For death, a certified copy of the death certificate shall be sufficient evidence to cancel the contract.
(3) If the health and conditioning facilities are permanently closed and comparable facilities owned and operated by the seller are not made available within a ten-mile radius of the closed facility, the person agreeing to receive health and conditioning services may cancel the contract.
(4) If a contract for health and conditioning services extends for more than one year or requires payment of an initiation or membership fee, the buyer has the right to cancel the contract for any reason upon thirty days' written notice to the seller.
(5) Upon cancellation under subsection (2), (3), or (4) of this section, the buyer is entitled to a refund and relief from future obligations for payments of one-time only initiation and membership fees and monthly use fees as follows:
(a) The buyer is entitled to a refund of the unused portion of any prepaid monthly use fees and relief from future obligations to pay use fees concerning use after the date of cancellation:
(b) If a contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (2) of this section, the buyer is entitled to a pro rata refund of such fee less a predetermined fee not to exceed one-half of the initial initiation or membership fee.

(1) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (3) of this section, the buyer is entitled to a pro rata refund of such fee.

(2) If the contract includes a one-time only initiation or membership fee and the buyer cancels under subsection (4) of this section, the buyer is entitled to a pro rata refund of such fee and relief from future obligations for payment under the contract unless the contract clearly states that the initial initiation or membership fee is nonrefundable, or states what percentage of the fee is refundable, and the clause is separately signed by the buyer.

(e) To calculate the amount of the refund and relief from future obligations for payment under the contract, the fee shall be apportioned into an equal installment amount by dividing the total fee by the number of months of use contracted for by the buyer. The buyer is entitled to relief from the obligation for payment and a refund of any moneys paid in excess of the number of months of use prior to the date of cancellation multiplied by the equal installment amount; and

(f) All refunds shall be made within thirty days of receipt of the notice of cancellation by the health and conditioning facilities operator. Notice of cancellation shall be provided to the seller by mailing or delivering a signed and dated notice, or sending a telegram which states that the buyer is canceling the contract, or words of similar effect. The seller may require the buyer to return the original copy of the contract, any membership card, or any other materials which evidence membership in the club.

NEW SECTION. Sec. 176. The provisions of this chapter are not exclusive and do not relieve the parties from compliance with all other applicable federal, state, and local laws and rules.

NEW SECTION. Sec. 177. Any contract for health and conditioning services which does not comply with the applicable provisions of this chapter or in which the buyer waives any provision of this chapter is void and unenforceable as contrary to public policy.

NEW SECTION. Sec. 178. It shall be unlawful to sell or offer for sale any contract for health and conditioning services entered into in reliance upon any false, fraudulent, or misleading information or representations.

NEW SECTION. Sec. 179. A seller who has not furnished a bond under section 173 of this act and who receives money from a buyer under a contract for services from health and conditioning facilities sold prior to the opening of the facility and the provision of the agreed upon services and who fails to deposit such moneys in a trust account maintained by the seller for the purpose of holding such funds for the buyer in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in Washington within three business days of receipt excluding Saturday, Sunday and holidays shall be guilty of a class C felony as defined in chapter 9A.20 RCW.

NEW SECTION. Sec. 180. A violation of this chapter, for purposes of the consumer protection act, chapter 19.86 RCW, constitutes an unfair or deceptive act or practice.

NEW SECTION. Sec. 181. The provisions of this chapter shall not apply to any contracts for health and conditioning services entered into before the effective date of this act.

NEW SECTION. Sec. 182. Sections 167 through 181 of this act shall constitute a new chapter in Title 19 RCW.

Renumber the remaining section consecutively.

Debate ensued.

POINT OF INQUIRY

Senator Cantu: "Senator Warnke, it's hard to remember all of the bill numbers that we deal with around here, but we spent quite a bit of time trying to perfect the bill that was brought about because of the fitness centers and other problems reported to the Attorney General. The bill that we heard in Commerce and Labor had been very carefully drafted to protect the private clubs, the legitimate clubs—the YMCAs had one minor concern. Is this bill essentially that bill with the minor correction to take care of the YMCA and the YWCA concerns?" Senator Warnke: "Senator Cantu, thank you. Yes, it is identically the same bill including the provisions we worked out for the YMCAs." Further debate ensued.

NEW SECTION. Sec. 2. (1) The legislature finds that businesses and organizations providing services to children or developmentally disabled persons need adequate information to determine which employees or licensees to hire or engage. Therefore, the Washington state patrol
criminal identification system may disclose, upon the request of a business or organization as
defined in section 1 of this act, a prospective employee's record for convictions of offenses
against persons, adjudications of child abuse in a civil action, and disciplinary board final
decisions.

(2) The legislature also finds that law enforcement agencies, the office of the attorney gen­
eral, prosecuting authorities, and the department of social and health services may request this
same information to aid in the investigation and prosecution of child and adult abuse cases
and to protect children and adults from further incidents of abuse.

(3) The legislature further finds that the department of social and health services, when
considering persons for state positions directly responsible for the care, supervision, or treat­
ment of children or the developmentally disabled or when licensing or authorizing such per­
sons or agencies pursuant to its authority under chapter 74.15 RCW, must consider the
information listed in subsection (1) of this section. However, when necessary, persons may be
employed on a conditional basis pending completion of the background investigation. The
state personnel board shall adopt rules to accomplish the purposes of this subsection as it
applies to state employees.

NEW SECTION. Sec. 3. (1) A business or organization shall not make an inquiry to the
Washington state patrol under section 2 of this act or an equivalent inquiry to a federal law

any minor or to have physically abused any minor.

The disclosure shall be made in writing and signed by the applicant and sworn under
penalty of perjury. The disclosure sheet shall specify all crimes against persons as defined in
section 1 of this act.

(3) Unless otherwise agreed to in a collective bargaining agreement or by the business or
organization, the applicant shall bear any costs of the applicant's fingerprinting. The business
or organization shall pay such reasonable fee for the records check as the state patrol may
require under section 5 of this act.

(4) The business or organization shall notify the applicant of the state patrol's response
within ten days after receipt by the business or organization. The employer shall provide the
fingerprint card and a copy of the response to the applicant and shall notify the applicant of
such availability.

or engagement decision. Further dissemination or use of the record is prohibited. A business or
organization violating this subsection is subject to a civil action for damages.

NEW SECTION. Sec. 4. An individual may contact the state patrol to ascertain whether that
individual has a civil adjudication, disciplinary board final decision, or conviction
record. The state patrol shall disclose such information, subject to the fee established under
section 5 of this act.

NEW SECTION. Sec. 5. (1) After July 1, 1987, and notwithstanding any provision of RCW
43.43.700 through 43.43.810 to the contrary, the state patrol shall furnish a transcript of the con­

person for whom the state patrol or the federal bureau of investigation has a record upon the
written request of:
(a) The subject of the inquiry;
(b) Any business or organization for the purpose of conducting evaluations under section 2
of this act;
(c) The department of social and health services;
(d) Any law enforcement agency, prosecuting authority, or the office of the attorney gen­
eral; or
(e) The department of social and health services for the purpose of meeting responsibilities
set forth in chapter 74.15 RCW. However, access to conviction records pursuant to this subsec­
tion (1)(e) does not limit or restrict the ability of the department to obtain additional information
regarding conviction records and pending charges as set forth in RCW 74.15.030(2)(b).

After processing the request, the state patrol shall return the fingerprint card to the person
or agency making the request.

(2) The state patrol shall by rule establish fees for disseminating records under this section
to recipients identified in subsection (1)(a) and (b) of this section. The state patrol shall also by
rule establish fees for disseminating records in the custody of the national crime information
center. The fees shall cover, as nearly as practicable, the direct and indirect costs to the state
patrol of disseminating the records: PROVIDED, That no fee shall be charged to a nonprofit organization for the records check.

(3) Neither the state patrol records section, its employees, nor other agency or employee of the state, nor any employee of the business or organization is liable for defamation, invasion of privacy, negligence, or any other claim in connection with any lawful dissemination of information under sections 1 through 6 of this act or RCW 43.43.760.

(4) Before January 1, 1987, the state patrol shall adopt rules and forms to implement this section and to provide for security and privacy of information disseminated under this section, giving first priority to the criminal justice requirements of this chapter. The rules may include requirements for users, audits of users, and other procedures to prevent use of civil adjudication record information or criminal history record information inconsistent with this chapter.

(5) Nothing in sections 1 through 6 of this act shall authorize an employer to make an inquiry not specifically authorized by this chapter, or be construed to affect the policy of the state declared in chapter 9.96A RCW.

NEW SECTION. Sec. 6. (1) The supreme court shall by rule require the courts of the state to notify the state patrol of any dependency action under RCW 13.34.030(2)(b) or domestic relations action under Title 26 RCW in which the court makes specific findings of physical abuse or sexual abuse or exploitation of a child.

(2) The department of licensing shall notify the state patrol of any disciplinary board final decision that includes specific findings of physical abuse or sexual abuse or exploitation of a child.

Sec. 7. Section 23, chapter 137, Laws of 1981 and RCW 9.94A.230 are each amended to read as follows:

(1) Every offender who has been discharged under RCW 9.94A.220 may apply to the sentencing court for a vacation of the offender’s record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may clear the record of conviction by: (a) Permitting the offender to withdraw the offender’s plea of guilty and to enter a plea of not guilty; or (b) if the offender has been convicted after a plea of not guilty, by the court setting aside the verdict of guilty; and (c) by the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if: (a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court; (b) the offense was a violent offense as defined in RCW 9.94A.030; (c) the offense was a crime against persons as defined in section 1 of this 1986 act; (d) the offender has been convicted of a new crime in this state, another state, or federal court since the date of the offender’s discharge under RCW 9.94A.220; (e) the offense is a class B felony and less than ten years have passed since the date the applicant was discharged under RCW 9.94A.220; and (f) the offense was a class C felony and less than five years have passed since the date the applicant was discharged under RCW 9.94A.220.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender’s criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender’s prior conviction in a later criminal prosecution.

Sec. 8. Section 1, chapter 152, Laws of 1972 ex. sess. as last amended by section 7, chapter 201, Laws of 1985 and RCW 43.43.700 are each amended to read as follows:

"NEW SECTION. Sec. 5. For purposes of this chapter:

(1) "Refuse collection business" means every person who receives waste for transfer, storage, or disposal including but not limited to all collection services, public or private dumps, transfer stations, and similar operations.

(2) "Person" shall have the meaning given in RCW 82.04.030 or any later, superseding section.

(3) "Waste" means garbage, trash, rubbish, or other material discarded as worthless or not economically viable for further use. The term does not include hazardous or toxic waste nor does it include material collected primarily for recycling or salvage.

(4) "Taxpayer" means that person upon whom the refuse collection tax is imposed.

NEW SECTION. Sec. 6. There is imposed on each person using the services of a refuse collection business a refuse collection tax equal to three and six-tenths percent of the consideration charged for the services.

NEW SECTION. Sec. 7. The person collecting the charges made for using the refuse collection business shall collect the tax imposed in section 6 of this act. If any person charged with collecting the tax fails to bill the taxpayer for the tax or having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of the person’s own acts or the result of acts or conditions beyond the person’s control, he or she shall, nevertheless, be personally liable to the state for the amount of the tax.
NEW SECTION. Sec. 8. Taxes collected under this chapter shall be held in trust until paid to the state. Taxes so received by the state shall be deposited in the public works assistance account created in RCW 43.155.050. Any person collecting the tax who appropriates or converts the tax collected shall be guilty of a gross misdemeanor if the money required to be collected is not available for payment on the date payment is due. If a taxpayer fails to pay the tax imposed by this chapter to the person charged with collection of the tax and the person charged with collection fails to pay the tax to the department, the department may, in its discretion, proceed directly against the taxpayer for collection of the tax.

The tax shall be due from the person collecting the tax at the end of the tax period in which the tax is received from the taxpayer. If the taxpayer remits only a portion of the total amount billed for taxes, consideration, and related charges, the amount remitted shall be applied first to payment of the refuse collection tax and this tax shall have priority over all other claims to the amount remitted.

NEW SECTION. Sec. 9. The refuse collection tax shall not apply to any agency, division, or branch of the federal government or to services rendered under a contract therewith.

NEW SECTION. Sec. 10. To prevent pyramiding and multiple taxation of a single transaction, this tax shall not apply to any refuse collection business using the services of another refuse collection business for the transfer, storage, or disposal of the waste collected during the transaction.

On page 2 of the amendment, line 9, after "tax" insert ". or in the alternative has not notified the taxpayer in writing of the imposition of the tax."

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Senator Rinehart, can you expand a little bit on what you just said about the number of times? Senator Thompson, perhaps you can."
REMARKS BY SENATOR THOMPSON

Senator Thompson: "Senator Bottiger, as I understand the amendment, it merely provides for a different handling of this matter. In King County, it essentially solves a bookkeeping problem having to do with computer capacities."

The President declared the question before the Senate to be adoption of the amendment by Senator Rinehart to the Committee on Governmental Operations amendment.

The motion by Senator Rinehart carried and the amendment to the committee amendment was adopted.

MOTION

Senator McDermott moved that the following amendment to the Committee on Governmental Operations amendment be adopted:

On page 3, after line 35, insert the following:

"NEW SECTION. Sec. 5. No common or contract carrier (as defined in 81.77 RCW) engaged in the collection of residential and commercial solid waste may own more than ten percent of an energy recovery or incineration facility (as defined in RCW 70.95.030 (13)) that utilizes solid waste collected by that common or contract carrier."

Debate ensued.

POINT OF INQUIRY

Senator Peterson: "Senator McDermott, Seattle is a far cry from the area I represent--San Juan Islands and Skagit County and rural Whatcom. I have some reservations what that might do or not do to the sanitation problems that we have in the rural areas as opposed to what you have in Seattle and I'm a little bit reluctant to accept this amendment for that reason unless you can enlighten me."

Senator McDermott: "I think, Senator, the whole question of what's going to happen in rural areas is not quite as pressing as it is in the urban areas--Seattle, Spokane, Everett, Pierce County—all are looking at this whole question. Right now, they are still getting by in some of the smaller counties like Whatcom and Skagit and some others with landfills. That's not to say that at some point they may not want to sell their garbage to a facility. Let's say they put one in South Snohomish County, it may soon be better for Skagit County to sell theirs to an incinerator in South Snohomish County than it is to look for a place for a landfill. I don't think this affects most of the small counties. It really is directed at the big counties who will have the resources to build an incinerator. They are very costly."

Further debate ensued.

POINT OF INQUIRY

Senator Bluechel: "Senator McDermott, do you have two amendments here, because this doesn't seem to fit? This says page 2 after line 35 and you must have another amendment."

MOTION

On motion of Senator McDermott, further consideration of Engrossed Substitute House Bill No. 1447 was deferred.

SECOND READING

Requiring a study analyzing the feasibility of providing space for day care for children of state employees.

Debate ensued.
FOURTY-THIRD DAY, MARCH 6, 1986

POINT OF INQUIRY

Senator Patterson: “Senator Thompson, does state government include all agencies of state government by the definition in this bill? In other words, what I’m trying to determine is whether or not each of our institutions of higher learning, for example, would be required or be included in this study?”

Senator Thompson: “I believe the answer is affirmative to that question. The bill, I want to stress again, provides for a survey and no further action.”

Senator Patterson: “I understand that. I just wanted to make sure that it does include all of the state agencies which are a part of state government in the sur­vey. Is that your interpretation that it would?”

Senator Thompson: “Yes, Senator.”

POINT OF INQUIRY

Senator Deccio: “Senator Thompson, I haven’t read the bill, but could you tell me what the cost in tax dollars will result in the study and at the end of the study?”

Senator Thompson: “No fiscal note was requested on this, Senator Deccio. I sus­pect that is because it was anticipated that this would not be a major undertaking in terms of man days of effort.”

The President declared the question before the Senate to be the roll call on final passage of House Bill No. 1635.

POINT OF ORDER

Senator McDermott: "Mr. President and members of the Senate, a point of order. While there may be some superficial similarities between sewage and garbage, it clearly expands the scope and object of this bill which was as the title says 'Relating to public works contracts.' This is a taxation section and, in fact, is in a totally different section of the code. I would urge the chair to find this out of scope and object."

Within the limits of the page provided, the text appears to be a section of a legislative document discussing various statutes and amendments. It includes references to different sections of laws, with a focus on campaign finance disclosure. The document includes several motions, amendments, and references to other statutes and regulations, such as RCW 42.17.080 and 42.17.090. The text is structured in a way that suggests it is part of a legislative session, possibly involving discussions on the implementation and enforcement of campaign finance regulations.
(8) It is a violation of this chapter for any person to make, or for any candidate or political committee to accept from any one person, contributions reportable under RCW 42.17.090 in the aggregate exceeding fifty thousand dollars for any campaign for state-wide office or exceeding five thousand dollars for any other campaign subject to the provisions of this chapter within twenty-one days of a general election. This subsection does not apply to contributions made by, or accepted from, a major political party as defined in RCW 29.01.090.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Thompson, doesn’t this actually increase the amount that can be contributed to a statewide campaign during the last twenty-one days? As I read the existing language in law, the limit was a five thousand dollars contribution and it appears this amendment increases it to fifty thousand dollars in the last twenty-one days if it is a statewide campaign."

Senator Thompson: "You are right, Senator Pullen."

Senator Pullen: "Would this also apply to an initiative campaign? For example, on the second line of the underlined language on page 3, the underlined language says ‘fifty thousand dollars per any campaign for statewide office.’ It would appear to me we may be excluding initiative campaigns which can be very, very expensive and our statewide campaigns in themselves by using the word ‘office.’ I wonder if that was really your intent?"

Senator Thompson: "It is, Senator Pullen, but fifty thousand dollars is a very substantial contribution from any one individual and a reasonable limitation I represent."

The President Pro Tempore declared the question before the Senate to be adoption of the Committee on Governmental Operations amendment.

The motion by Senator Thompson carried and the committee amendment was adopted.

MOTIONS

On motion of Senator Thompson, the following title amendment was adopted:

In line 2 of the title, after “42.17.090” and before the semicolon, insert “and 42.17.105”

On motion of Senator Thompson, the rules were suspended, Substitute House Bill No. 1838, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1838, as amended by the Senate.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2021, by Committee on Social and Health Services (originally sponsored by Representatives J. King and Brooks)

Creating Washington health care project commission.

The bill was read the second time.

MOTION

Senator McDermott moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Good health care for indigent persons is of importance to the state;

(b) To ensure the availability of a good level of health care, efforts must be made to encourage cost consciousness on the part of providers and consumers, while maintaining medical assistance recipients within the mainstream of health care delivery;

(c) Managed health care systems have been found to be effective in controlling costs while providing good health care services;

(d) By enrolling medical assistance recipients within managed health care systems, the state's goal is to ensure that medical assistance recipients receive at least the same quality of care they currently receive.

(2) It is the intent of the legislature to develop and implement new strategies that promote the use of managed health care systems for medical assistance recipients by establishing prepaid capitated programs for both in-patient and out-patient services.

NEW SECTION. Sec. 2. A new section is added to chapter 74.09 RCW to read as follows:

(1) For the purposes of this section, "managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under RCW 74.09.520 and rendered by licensed providers, on a prepaid capitated case management basis.

(2) No later than July 1, 1991, the department of social and health services shall enter into agreements with managed health care systems to provide health care services to recipients of aid to families with dependent children under the following conditions:

(a) Agreements shall be made within one class A county in the eastern part of the state for at least ten thousand recipients; and one class AA county for at least fifteen thousand recipients in the western part of the state; and one first class county of at least five thousand recipients in the western part of the state;

(b) At least one of the agreements shall include enrollment of all recipients of aid to families with dependent children residing in a defined geographical area;

(c) The department shall, to the extent possible, ensure that recipients have a choice of systems in which to enroll and, if necessary and medically appropriate treatment for a recipient is not available from or through a participating managed health care system, the department shall exempt the recipient from any requirement to receive some or all of their medical services from such a system;

(d) To the extent possible, the department shall ensure that participating managed health care systems do not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems;

(e) Prior to negotiating with any managed health care system, the department shall estimate, on an actuarially sound basis, the expected cost of providing the health care services expressed in terms of upper and lower limits, and recognizing variations in the cost of providing the services through the various systems and in different project areas. In negotiating with managed health care systems the department shall adopt a uniform procedure that includes at least request for proposals, including standards regarding the quality of services to be provided; and financial integrity of the responding system. The department may negotiate with respondents to the extent necessary to refine any proposals;

(f) The department shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The department shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the department may enter into prepaid capitation contracts that do not include inpatient care;

(h) The department shall define those circumstances under which a managed health care system is responsible for out-of-system services and assure that recipients shall not be charged for such services; and
Nothing in this section prevents the department from entering into similar agreements in additional counties or for other groups of people eligible to receive services under chapter 74.09 RCW.

The department shall seek to obtain a large number of contracts with providers of health services to medicaid recipients. The department shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate in the project as managed health care systems are seriously considered as providers in the project.

The department shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

NEW SECTION. Sec. 3. The department shall report to the legislature not later than January 1, 1987, on progress toward implementation of the requirements of this chapter, but shall not delay implementation on account of this reporting requirement. The report shall also include an analysis of the possible expansion of the use of managed health care within other medical assistance programs, including making it available to certain recipients of general assistance and supplemental security income.

NEW SECTION. Sec. 4. The sum of one hundred fifty thousand dollars, of which ninety thousand is from the general fund—state and sixty thousand is from the general fund—federal, or so much thereof as may be necessary, is appropriated to the department of social and health services for the biennium ending June 30, 1987, for the purposes identified in sections 2 and 3 of this act.

On motion of Senator Vognild, the following amendment to the Committee on Ways and Means amendment was adopted:

On page 6, after line 5, insert the following:

"NEW SECTION. Sec. 5. The department of social and health services shall not require a certificate of need for the commencement of obstetrical services by an existing hospital as defined in RCW 70.41.020."

MOTION

Senator McDermott moved that the following amendment by Senators McDermott and Sellar to the Committee on Ways and Means amendment be adopted:

On page 5, after line 30, insert the following:

"NEW SECTION. Sec. 4. As used in this chapter:

(1) "Washington basic health project" or "project" means the system of enrollment and payment on a prepaid capitated basis for basic health care services, administered by the board through participating managed health care systems, created by this chapter.

(2) "Board" means the Washington basic health project board created under section 6 of this act.

(3) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, or any combination thereof, that provides directly or by contract basic health care services, as defined by the board and rendered by duly licensed providers, on a prepaid capitated basis to a defined patient population by enrollment in the project and in the managed health care system.

(4) "Enrollee" means an individual, or an individual plus the individual's spouse and/or dependent children, all under the age of sixty-five, who resides in a project area, whose gross family income at the time of enrollment does not exceed twice the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services, who chooses to obtain basic health care coverage from a particular managed health care system in return for periodic payments to the board, and who, at the time of enrollment, does not have access to employer-sponsored health care coverage.

(5) "Subsidy" means the difference between the amount of periodic payment the board makes, from funds appropriated from the basic health project trust account, to a managed health care system on behalf of an enrollee and the amount the board determines to be the enrollee's responsibility under section 10(2) of this act.

(6) "Project area" means one of not more than twelve distinct geographical areas within the state selected by the board as a demonstration site for the Washington basic health project. To the extent possible, the board shall select at least one project area in each congressional district of the state, define project areas coterminously with individual or adjacent cities, counties, or hospital districts, and take into special consideration any formal requests received from local governments or health care providers for selection of particular project areas.

NEW SECTION. Sec. 5. The basic health project trust account is hereby established in the state treasury. All revenue received under RCW 82.08.020(2) shall be deposited in the basic
health project trust account. Disbursements from the account shall be made pursuant to appro-
pration and upon warrants drawn by the Washington basic health project board. Moneys in
the account shall be used exclusively for the purposes of this chapter, including payments to
participating managed health care systems on behalf of enrollees in the project and payment
of costs of administering the project. The earnings on any surplus balances in the basic health
project trust account shall be credited to the account, notwithstanding RCW 43.84.090. After
January 1, 1987, the legislature shall not appropriate for an ensuing fiscal period amounts
exceeding ninety percent of the revenues anticipated to accrue to the account during the fiscal
period.

NEW SECTION. Sec. 6. There is created the Washington basic health project board, which
shall be a separate and independent board of the state. For efficiencies in operation and con-
sultation, the offices of the board may be colocated with those of the hospital commission. The
board shall be composed of five members appointed by the governor. The governor shall
select one member to serve as chairman. Not more than one member may have any fiduciary
obligation to any health care provider or facility or any material financial interest in the pro-
vision of health care services.

Members of the board shall serve for four-year terms. However, of the members initially
appointed after the effective date of this act, two shall be appointed to four-year terms, one to
a three-year term, one to a two-year term, and one to a one-year term. Appointments shall
require senate confirmation. No member of the board may serve for more than two consecu-
tive terms. A vacancy shall be filled by appointment for the remainder of the unexpired term
and the initial appointments and vacancies shall not require senate confirmation until the leg-
islature next convenes.

NEW SECTION. Sec. 7. Meetings of the board shall be held as frequently as its duties
require. The board shall keep minutes of its meetings and adopt procedures for the governing
of its meetings, minutes, and transactions. Three members of the board constitute a quorum, but
a vacancy on the board shall not impair its power to act. No action of the board shall be
effective unless three members concur therein. The board may, consistent with the procedural
requirements of chapter 42.30 RCW, meet in executive session with representatives of prospect-
ive or participating managed health care systems to discuss matters of a proprietary or sensi-
tive nature.

The members of the board shall be compensated in accordance with RCW 43.03.250 and
shall be reimbursed for their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 8. The board shall employ a full-time executive director, who shall be
the chief administrative officer of the board and shall be subject to its direction. The executive
director, medical director, and up to three other employees shall be exempt from the civil
service law, chapter 41.06 RCW.

The board shall employ such other staff as are necessary to fulfill the responsibilities and
duties of the board, such staff to be subject to the civil service law, chapter 41.06 RCW. In
addition, the board may contract with third parties for services necessary to carry out its activ-
ities where this will promote economy, avoid duplication of effort, and make best use of avail-
able expertise. Any such contractor or consultant shall be prohibited from releasing,
publishing, or otherwise using any information made available to it under its contractual
responsibility without specific permission of the board. The board may call upon other agen-
cies of the state to provide available information as necessary to assist the board in meeting its
responsibilities under this chapter, which information shall be supplied as promptly as circums-
stances permit.

The board may create committees from its membership, and may appoint such technical
or other advisory committees as it deems necessary. The board shall appoint a standing tech-
nical advisory committee that is representative of health care professionals, health care pro-
viders, and those directly involved in the purchase, provision, or delivery of health care
services, including consumers and those knowledgeable of the ethical issues involved with
health care public policy. Individuals appointed to any technical or advisory committee shall
serve without compensation for their services as members, but may be reimbursed for their
expenses in the same manner as members of the board.

The board may apply for and receive and accept grants, gifts, and other payments,
including property and service, from any governmental or other public or private entity or
person, and may make arrangements as to the use of these receipts, including the undertaking
of special studies and other projects relating to health care costs and access to health care.

NEW SECTION. Sec. 9. The board may promulgate and adopt, under chapter 34.04 RCW,
rules consistent with this chapter to carry out the purposes of this chapter.

NEW SECTION. Sec. 10. The board has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care ser-
VICES, including physician services, inpatient and outpatient hospital services, and other ser-
VICES that may be necessary for basic health care, which enrollees in any participating
managed health care system under the Washington basic health project shall be entitled to
receive in return for periodic payments to the board. The schedule of services shall emphasize
preventive and primary health care, shall include all services necessary for prenatal, postnatal, and well-child care, and shall include a separate schedule of basic health care services for children, eighteen years of age and younger, for those enrollees who choose to secure basic coverage through the project only for their dependent children. In designing and revising the schedule of services, the board shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080.

(2) To design and implement a structure of periodic payments due from enrollees. The payment structure shall be based upon enrollee family size and shall include a sliding scale whereby payments vary according to enrollee family income. The structure shall be designed so as to include payment amounts for enrollment of children without requiring enrollment of their parents. In each project area, the board shall not enroll such numbers of enrollees who qualify for subsidies as might reasonably be expected to result in an overexpenditure of appropriations for such purposes in the area. Whenever the board finds that there is danger of such an overexpenditure, the board shall close project enrollment in the area until the board finds the danger no longer exists. Payments to the board by the department of social and health services on behalf of any person eligible for medical coverage under chapter 74.09 RCW, subject to section 17 of this act, shall not be less than the payments the board makes to managed health care systems for coverage of those persons.

(3) To select not more than twelve project areas in the state as sites for the project. In selecting the areas, the board shall take into account the need for geographic, demographic, and economic diversity among project sites, the actual and potential availability of managed health care systems in different parts of the state, levels and rates of unemployment in possible project areas, and the need to assess the financial ability of the project to provide basic health care coverage to a population reasonably representative of the portion of the state's population that lacks basic health care coverage.

(4) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the project. The board shall endeavor to assure that covered basic health care services are available through the project from among a selection of participating managed health care systems in at least some project areas. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the board shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the project areas.

(5) To receive periodic payments from enrollees. deposit the payments in the basic health project operating account, keep records of enrollee payments and status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(6) To accept applications from individuals residing in project areas, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health project, to establish appropriate minimum—enrollment periods for enrollees as may be necessary, and to determine, upon application and at least annually thereafter, or at the request of any enrollee, eligibility due to current gross family income for sliding scale payments that will be the responsibility of the enrollee. An enrollee who remains current in making periodic sliding-scale payments, as determined by the board under subsection (2) of this section, and whose gross family income has risen above twice the federal poverty level, may continue enrollment unless and until the enrollee’s gross family income has remained above two and one-half times the poverty level for twelve consecutive months, by making payment at the maximum rate established in the sliding fee schedule. No subsidy shall be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to section 17 of this act, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW.

(7) To require that prospective enrollees who may be eligible for medical coverage under chapter 74.09 RCW apply for such coverage.

(8) To determine, on a community rating basis, the amount of each periodic per capita or per family payment to a participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the periodic per capita or per family payments to participating managed health care systems may vary among the systems. In negotiating payment levels with participating systems, the board shall consider the characteristics of the populations served by the respective systems, economic circumstances of the project area, and other factors the board finds relevant.

(9) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic reports on health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the board shall endeavor to minimize costs, both to the managed health
care systems and to the board. The board shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the hospital commission, to minimize duplication of effort.

(10) To initiate, at the option of the board, a matching grant program, in up to three project areas, to demonstrate the potential that better coordination of all local primary health care resources in the provision of necessary care to low-income residents who are unlikely or unable to enroll in the project can be more cost-effective. The board may award grants to local governments that sponsor consortia of health care providers, including at least one hospital in each area. Any grant proposal must meet minimum standards set by the board, including requirements for coordination of care by local providers and for coordination of local funding sources, which may include in-kind charity care provided by hospitals and physicians as well as public or private funds and sliding-scale payments from individuals served. Any grants awarded under this subsection shall be made from funds appropriated for such purpose from the Washington basic health care project trust account, may be extended for up to three years, and shall be on the basis of one dollar from the board for every four dollars of local or private funds expended in the demonstration program.

(11) To monitor the access that state residents have to adequate and necessary health care services, determine the extent of any unmet needs for such services or lack of access that may exist from time to time, and make such reports and recommendations to the legislature as it deems appropriate.

NEW SECTION. Sec. 11. The benefits available under the project shall be subject to RCW 48.21.200 and shall be excess to the benefits payable under the terms of any insurance policy issued to or on the behalf of an enrollee that provides payments toward medical expenses without a determination of liability for the injury.

NEW SECTION. Sec. 12. In each project area, on and after a date set by the board for the area, but in no case before March 31, 1987, enrollees whose payments to the board are current are entitled to receive covered basic health care services as defined by the board from the respective managed health care systems in which they are enrolled. The board shall not at any time maintain enrollment of more than thirty thousand enrollees who are eligible for subsidies. The board shall closely monitor growth patterns so as not to exceed that consistent with the orderly development of the project as a whole and in each project area.

NEW SECTION. Sec. 13. Any enrollee whose payments to the board are delinquent or who moves his or her residence out of a project area may be dropped from enrollment status. The board shall make reasonable efforts to notify delinquent enrollees of their removal from the project and shall provide for a hearing under chapters 34.04 and 34.12 RCW for any enrollee who contests the board’s decision to drop the enrollee from the project. Upon removal of an enrollee from the project, the board shall promptly notify the managed health care system in which the enrollee has been enrolled, and shall not be responsible for payment for health care services provided to the enrollee (including, if applicable, members of the enrollee’s family) after the date of notification. A managed health care system may contest the denial of payment for coverage of an enrollee through a hearing under chapters 34.04 and 34.12 RCW.

NEW SECTION. Sec. 14. Managed health care systems participating in the project shall do so by contract with the board and shall provide, directly or by contract with other health care providers, covered basic health care services to each enrollee as long as payments from the board on behalf of the enrollee are current. Subject to board approval and with full disclosure to enrollees and prospective enrollees, a managed health care system may impose nominal copayments upon enrollees as an incentive for proper utilization of services. A participating managed health care system may offer, but not require acceptance of, additional health care benefits or services not included in the schedule of covered services under the project, that will be the sole responsibility of the enrollee. Any action by or on behalf of any enrollee based on a claim of professional negligence shall, at the option of the enrollee, be submitted for arbitration under chapter 7.04 RCW. The board may receive and act upon complaints from enrollees regarding failure to provide covered services or efforts to obtain payment, other than copayments authorized under this section, for covered services directly from enrollees, but nothing in this chapter empowers the board to impose any sanctions under Title 18 RCW or any other professional or facility licensing statute.

The project shall allow, at least annually, an opportunity for enrollees to transfer their enrollments among participating managed health care systems serving their respective project areas. The board shall establish a period of at least twenty days in a given year when this opportunity is afforded enrollees, and in those areas served by more than one participating managed health care systems the board shall endeavor to establish a uniform period for such opportunity.

Prior to negotiating with any managed health care system, the board shall determine, on an actuarially sound basis, the reasonable cost of providing the schedule of basic health care services, expressed in terms of upper and lower limits, and recognizing variations in the cost of providing the services through the various systems and in different project areas. In negotiating with managed health care systems for participation in the project, the board shall adopt a uniform procedure that includes at least the following:
(1) The board shall issue a request for proposals, including standards regarding the quality of services to be provided; financial integrity of the responding systems; and responsiveness to the unmet health care needs of the local communities or populations that may be served;

(2) The board shall then review responsive proposals and may negotiate with respondents to the extent necessary to refine any proposals;

(3) The board may then select one or more systems to provide the covered services within a project area; and

(4) The board may then select one or more systems to provide the covered services within a project area; and

NEW SECTION. Sec. 15. Enrollees of any participating managed health care system may, if offered, execute an agreement on behalf of themselves and/or any dependents enrolled in the project to arbitrate any dispute, controversy, or issue arising out of health care or treatment rendered by or through the managed health care system. The agreement to arbitrate shall provide that its execution is not a prerequisite to enrollment in the project or the provision of any services and shall provide that the enrollee may revoke the agreement within sixty days after execution by notifying the managed health care system in writing.

The agreement shall contain the following provision in at least nine-point boldface type immediately above the space for signature of the parties:

"This agreement to arbitrate is not a prerequisite to enrollment or the provision of any services and may be revoked by the enrollee within sixty days after execution by notification in writing."

Participating managed health care systems that use arbitration agreements shall furnish to the enrollee at the time of enrollment a copy of an information brochure, prepared and approved by the board, which clearly outlines the arbitration process as an alternative dispute resolution process to that of a court and/or jury trial.

NEW SECTION. Sec. 16. The board shall submit to the 1987 session of the legislature the design plan for a schedule of basic health care services as outlined in section 10 of this act, including appropriate co-payments and/or deductibles, and the schedule of periodic payments that will be the responsibility of any enrollee. For this project to remain in effect it must be approved by the legislature by June 30, 1987, and the level of benefits and periodic payments cannot be changed without legislative approval.

NEW SECTION. Sec. 17. The department of social and health services shall make periodic payments to the project on behalf of any enrollee who is a recipient of medical assistance or medical care services under chapter 74.09 RCW, at the maximum rate established in the sliding fee scale, for the services covered by the project, and no premium may be charged to such an enrollee. With respect to enrollees eligible for medical assistance under RCW 74.09.510, the periodic amount payable to the project shall not be greater than the amount with respect to which full federal financial participation is available under Title XIX of the federal social security act. Any enrollee on whose behalf the department of social and health services makes payments to the project under this section and chapter 74.09 RCW may continue as an enrollee, making periodic payments based on the enrollee's own income as determined under the sliding scale, after eligibility for coverage under chapter 74.09 RCW has ended. Nothing in this section affects the right of any person eligible for coverage under chapter 74.09 RCW to receive the services offered to other persons under that chapter but not included in the schedule of basic health care services covered by the project. The board and the department of social and health services shall cooperatively adopt procedures to facilitate the transition of project enrollees and payments on their behalf between the project and the programs established under chapter 74.09 RCW.

NEW SECTION. Sec. 18. In addition to the powers and duties specified in sections 8 and 10 of this act, the board has the power to enter into contracts for the following functions and services:

(1) With public or private agencies, to assist the board in its duties to design or revise the schedule of covered basic health care services, and/or to monitor or evaluate the performance of participating managed health care systems.

(2) With public or private agencies, to provide technical or professional assistance to health care providers, particularly public or private nonprofit organizations and providers serving rural areas, who show serious intent and apparent capability to participate in the project as managed health care systems.

(3) With health care service contractors registered under RCW 48.44.015 and doing business in the state, for marketing and administrative services in connection with participation of managed health care systems, enrollment of enrollees, billing and collection services to the board, and other administrative functions ordinarily performed by health care service contractors, other than insurance. Any activities of a health care service contractor pursuant to a contract with the board under this section shall be exempt from the provisions and requirements of Title 48 RCW.

(4) With any public hospital district established under chapter 70.44 RCW or with any county or city, to administer the project as the board's agent with respect to enrollees residing and managed health care systems serving a project area within the boundaries of the district.
county, or city: PROVIDED, That the district, county, or city shares with the board, on a dollar for dollar matching basis, the cost of payments to participating managed health care systems for coverage of enrollees residing within the boundaries of the district, county, or city less the amounts payable by enrollees to the district, county, or city as agent for the board. However, if the unemployment rate of a participating county exceeds by twenty percent or more the state average as determined by the employment security department, the board may increase the level of its contribution to not more than two dollars for each local dollar.

(5) With any community health center or other public or private nonprofit health care provider participating in a managed health care system under the project and demonstrating financial need, to furnish direct financial assistance in meeting the start-up costs of providing covered basic health care services under the project, for a period not exceeding one year after the managed health care system commences coverage of enrollees.

NEW SECTION. Sec. 19. The activities and operations of the Washington basic health project under this chapter, including those of managed health care systems to the extent of their participation in the project, are exempt from the provisions and requirements of Title 48 RCW.

NEW SECTION. Sec. 20. The legislature reserves the right to amend or repeal all or any part of this chapter at any time and there shall be no vested private right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by this chapter or any acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this chapter at any time.

NEW SECTION. Sec. 21. A new section is added to chapter 50.20 RCW to read as follows:

The commissioner shall notify in writing any person filing a claim under this chapter who resides in a project area of the availability of basic health care coverage to qualified enrollees in the Washington basic health project under chapter 70- RCW (sections 4 through 20 of this act), unless the Washington basic health project board has notified the commissioner of a closure of enrollment in the area. The commissioner shall maintain a supply of Washington basic health project enrollment application forms, which shall be provided in reasonably necessary quantities by the board, in each appropriate community service office for the use of persons wishing to apply for enrollment in the Washington basic health project.

NEW SECTION. Sec. 22. A new section is added to chapter 74.08 RCW to read as follows:

The department shall notify in writing any applicant for public assistance who resides in a project area and is under sixty-five years of age to qualified enrollees in the Washington basic health project under chapter 70- RCW (sections 4 through 20 of this act), unless the Washington basic health project board has notified the department of a closure of enrollment in the area. The department shall maintain a supply of Washington basic health project enrollment application forms, which shall be provided in reasonably necessary quantities by the board, in each appropriate community service office for the use of persons wishing to apply for enrollment in the Washington basic health project.

Sec. 23. Section 1, chapter 32, Laws of 1985, and RCW 82.08.020 are each amended to read as follows:

(2) An additional tax is imposed, effective January 1, 1987, through June 30, 1992, equal to one-twentieth of one percent. The moneys collected under this subsection shall be deposited in the basic health project trust account of the state treasury.

(3) The tax imposed under this chapter shall apply to successive retail sales of the same property.

NEW SECTION. Sec. 24. The Washington basic health project board shall be appointed and commence operations as promptly as practicable after the effective date of this act. Not later than December 1, 1986, the board shall submit to the legislature a progress report including:

(1) The schedule of covered basic health care services adopted under section 10 of this act:

(2) A descriptive listing of managed health care systems expected to participate in the Washington basic health project, along with an identification of prospective project areas:

(3) The approximate amount of funds estimated to be on deposit in the basic health project trust account as of March 31 and June 30, 1987:

(4) An estimate of the number of enrollees whose basic health care coverage under this chapter can be expected to be financed during the 1987-88 and 1988-1989 state fiscal years by combining revenue received under RCW 82.08.020(2) with payments from the enrollees:

(5) A description of the sliding fee schedule for periodic enrollment payments adopted by the board under section 10 of this act:

(6) Any proposals for statutory changes which the board deems necessary to implement the purposes of this chapter:

(7) A draft of the brochure on arbitration that may be used under section 15 of this act by participating managed health care systems; and

(8) Any other information which the board deems appropriate.
Not later than January 1, 1988, the board shall submit to the legislature a further progress report, updating its 1986 report, and covering the same items provided for therein, with projections upon implementation of the project to date. Further, the report shall include a description of the performance of the first managed health care systems included as eligible providers as provided in section 12 of this act. The board shall submit an annual report to the legislature by January 1 of each year thereafter.

NEW SECTION. Sec. 25. Sections 4 through 20 of this act shall constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 26. There is appropriated from the general fund to the basic health project trust account, for the biennium ending June 30, 1987, the sum of one million dollars, to carry out the purposes of sections 4 through 30 of this act. Such appropriation shall be repaid to the general fund as soon as practicable, but not later than June 30, 1987, from the revenue accruing to the basic health project trust account under RCW 82.08.020(2). There is appropriated from the basic health project trust account of the state treasury to the Washington basic health project board, for the biennium ending June 30, 1987, the sum of five million dollars, or as much thereof as shall be necessary, not exceeding funds deposited in the account, to carry out the purposes of chapter 70 RCW (sections 4 through 20 of this act).

NEW SECTION. Sec. 27. A new section is added to chapter 43.131 RCW to read as follows:

The Washington basic health project board and its powers and duties shall be terminated on June 30, 1991, as provided in section 28 of this act.

Two or more parties may agree in writing to submit to arbitration, in conformity with the provisions of this chapter, any controversy which may be the subject of an action existing between them at the time of the agreement to submit, or they may include in a written agreement a provision to settle by arbitration any controversy thereafter arising between them out of or in relation to such agreement. Any contract providing prepaid health care services may include an agreement to settle by arbitration any controversy thereafter arising between the consumer and a health care provider with respect to personal injury or wrongful death.

Such agreement shall be valid, enforceable and irrevocable save upon such grounds as exist in law or equity for the revocation of any agreement.

NEW SECTION. Sec. 30. An impartial and thorough review of past and current practices in dealing with the costs of charity care rendered by health care providers, both institutional and individual, is necessary in view of the increasing use of prospective payment systems by major purchasers of health care. shall initiate such a review that includes recommendations of possible solutions for legislative consideration. The review and report will include, as a priority item, recommendations on how to address the incidence of charity care that may be provided by hospitals, including those amounts that patients and/or their families are unable to pay, but not those amounts that anyone able to pay shall refuse to pay. Up to fifty thousand dollars of the funds appropriated to the basic health project by section 26 of this act may be expended, upon certification by the director of financial management, in connection with the review, including consultant services that might be required. Debate ensued.

There being no objection, further consideration of Engrossed Substitute House Bill No. 2021 was deferred.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1815, by Committee on Transportation (originally sponsored by Representatives Ebersole, Crane, Walk, Patrick, Lundquist, Prince, Brough, Wang, Hankins, Isaacson, S. Wilson, Taylor, Tilly and Sanders)

Permitting vehicles operated by nursing homes to get disabled parking privileges.

The bill was read the second time.

MOTION

On motion of Senator Bender, the rules were suspended, Substitute House Bill No. 1815 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 1815.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 1815 and the bill passed the Senate by the following vote: Yeas, 47; excused, 2.

Excused: Senators Guess, Stratton - 2.

SUBSTITUTE HOUSE BILL NO. 1815, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

There being no objection, the Senate resumed consideration of Engrossed Substitute House Bill No. 2021 and the pending amendment by Senators McDermott and Sellar on page 5, line 30, to the Committee on Ways and Means amendment, deferred earlier today.

POINT OF ORDER

Senator McDonald: "Mr. President and members of the Senate, a point of order. One of my most unpleasant tasks, I guess, is that to be kind of a hit man for over here. I guess one of those tasks is to ask if the amendment is within the scope and object of House Bill 2021. In reviewing House Bill 2021, it is looking at management health care systems within the existing programs of health care delivery in the state. It does not have a tax. It does have a commission that would be set up to look into that, although the committee amendment does not have that commission. The bill before us does have a tax. It does have a considerable increase in powers and
duties of the commission and it appears to me to be far beyond the scope and object of the original bill."
Debate ensued.
There being no objection, further consideration of Engrossed Substitute House Bill No. 2021 was deferred.

President Cherberg assumed the chair.

SECOND READING

HOUSE BILL NO. 1954, by Representatives J. King, Appelwick and Holland (by request of Governor Gardner)

Authorizing the use of the local tax on lodging for capital improvements the debt for which has already been incurred.
The bill was read the second time.

MOTION

Senator McDermott moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 11, chapter 236, Laws of 1967 as last amended by section 1, chapter 272. Laws of 1985 and RCW 67.28.180 are each amended to read as follows:

(1) Subject to the conditions set forth in subsections (2) and (3) of this section, the legislative body of any county or any city, is authorized to levy and collect a special excise tax of not to exceed two percent on the sale of or charge made for the furnishing of lodging by a hotel, rooming house, tourist court, motel, trailer camp, and the granting of any similar license to use real property, as distinguished from the renting or leasing of real property; PROVIDED. That it shall be presumed that the occupancy of real property for a continuous period of one month or more constitutes a rental or lease of real property and not a mere license to use or to enjoy the same.

(2) Any levy authorized by this section shall be subject to the following:
(a) Any county ordinance or resolution adopted pursuant to this chapter shall contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax for the full amount of any city tax imposed pursuant to this chapter upon the same taxable event.
(b) In the event that any county has levied the tax authorized by this section and has, prior to June 26, 1975, either pledged the tax revenues for payment of principal and interest on city revenue or general obligation bonds authorized and issued pursuant to RCW 67.28.150 through 67.28.160 or has authorized and issued revenue or general obligation bonds pursuant to the provisions of RCW 67.28.150 through 67.28.160, such county shall be exempt from the provisions of subsection (a), so long as, and to the extent that the tax revenues are pledged for payment of principal and interest on bonds issued pursuant to the provisions of RCW 67.28.150 through 67.28.160: PROVIDED. That so much of such pledged tax revenues, together with any investment earnings thereon, not immediately necessary for actual payment of principal and interest on such bonds may be used for repayment of limited tax levy general obligation bonds or of any county fund or account from which a loan was made, the proceeds from the bonds or loan being used to pay for constructing, installing, improving, maintaining, financial, legal and professional services incident to the development of such stadium capital improvement projects, regardless of the date the debt for such capital improvement projects was or may be incurred.

As used in this subsection (2)(b), "capital improvement projects" may include, but not be limited to a stadium restaurant facility, restroom facilities, artificial turf system, seating facilities, parking facilities and scoreboard and information system adjacent to or within a county owned stadium, together with equipment, utilities, accessories and appurtenances necessary thereto; and to pay for any engineering, planning, financial, legal and professional services incident to the development and operation of such stadium capital improvement projects. The stadium restaurant authorized by this subsection (2)(b) shall be operated by a private concessionaire under a contract with the county.
(c) No city within a county exempt under subsection (2)(b) of this section may levy the tax authorized by this section so long as said county is so exempt: PROVIDED, That in the event that any city in such county has levied the tax authorized by this section and has, prior to June 26, 1975, authorized and issued revenue or general obligation bonds pursuant to the provisions of RCW 67.28.150 through 67.28.160, such city may levy the tax so long as and to the extent that the tax revenues are pledged for payment of principal and interest on bonds issued pursuant to the provisions of RCW 67.28.150 through 67.28.160."
Any levy authorized by this section by a county that has levied the tax authorized by this section and has, prior to June 26, 1975, either pledged the tax revenues for payment of principal and interest on city revenue or general obligation bonds authorized and issued pursuant to RCW 67.28.150 through 67.28.160 or has authorized and issued revenue or general obligation bonds pursuant to the provisions of RCW 67.28.150 through 67.28.160 shall be subject to the following:

(a) Taxes collected under this section in any calendar year in excess of five million three hundred thousand dollars shall only be used for art and cultural museums.

(b) No taxes collected under this section may be used for the operation or maintenance of a public stadium that is financed directly or indirectly by bonds to which the tax is pledged. Expenditures for operation or maintenance include all expenditures other than expenditures that directly result in new fixed assets or that directly increase the capacity, life span, or operating economy of existing fixed assets.

(c) No ad valorem property taxes may be used for debt service on bonds issued for a public stadium that is financed by bonds to which the tax is pledged, unless the taxes collected under this section are or are projected to be insufficient to meet debt service requirements on such bonds.

(d) If a substantial part of the operation and management of a public stadium that is financed directly or indirectly by bonds to which the tax is pledged is performed by a non-public entity or if a public stadium is sold that is financed directly or indirectly by bonds to which the tax is pledged, any bonds to which the tax is pledged shall be retired.

(e) The county shall not lease a public stadium that is financed directly or indirectly by bonds to which the tax is pledged to, or authorize the use of the public stadium by, a professional major league sports franchise unless the sports franchise gives the right of first refusal to purchase the sports franchise, upon its sale, to local government. This subsection (3)(e) does not apply to contracts in existence on the effective date of this 1986 section.

If a court of competent jurisdiction declares any provision of this subsection (3) invalid, then that invalid provision shall be null and void and the remainder of this section is not affected.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect April 1, 1986.

Debate ensued.

POINT OF INQUIRY

Senator DeJarnatt: "Senator McDermott, in all the money you were listing there for various things, is there any money for a good right handed starting pitcher or a good designated hitter?"

Senator McDermott: "We specifically excluded the use of this money for operation and maintenance."

POINT OF INQUIRY

Senator Talmadge: "Senator McDermott, the first question I have is on this million dollars worth of future capital projects. Do we have any language in the bill that ties down the authority that is given to King County with respect to those future capital projects to things like the astro turf or things like that or could it be anything that just kind of happened into the head of the administration of King County, should they engage in future negotiations with some other sports franchise owner?"

Senator McDermott: "Senator Talmadge, I worked long and hard trying to find some language to differentiate operating and maintenance from capital expenditure. It says on page 4, line 36, 'Expenditures for maintenance include all expenditures other than expenditures that directly result in new fixed assets or that directly increase the capacity, life span or operating economy of existing fixed assets.' We tried to tie it down as tightly as possible to those things that are truly capital."

Senator Talmadge: "The second question is, should this bill come back from the House of Representatives on the concurrence calendar and they should not agree with the striking amendment from the Senate on this issue, what would your disposition be with respect to this bill? I remember one time King County did this to us before. We just kind of want to make certain that we don't see this happen again--where we don't get the full story told to us by the people proposing the legislation."

Senator McDermott: "Well, Senator, I was trained in my profession never to say 'never.' Say, 'hardly, seldom, if ever,' but I can't think of any reason why if the House won't accept these amendments, we ought to pass this bill."
Senator Talmadge: "But if they do come back to the Senate without the amendments on, would it be your disposition as Chairman of the Ways and Means Committee to oppose such a bill without these kinds of restrictions on the ability of King County to dip into the state sales tax revenues?"

Senator McDermott: "I would think it would be something that would make a good interim study. Senator Talmadge."

Further debate ensued.

POINT OF INQUIRY

Senator Metcalf: "Perhaps I wasn't paying attention as I should have. It seems to me that Senator McDermott said that this was removing money from the General Fund or would be declining money in the General Fund and Senator Lee said it wasn't. I would like to have this straightened up. I suppose at this time I should ask Senator McDermott to clarify the statement. Is Senator Lee right or not? I'll ask Senator Lee. Senator Lee, would you comment further on Senator McDermott's statement? I would like to know."

Senator Lee: "Senator Metcalf, when we imposed the hotel/motel tax on the various hotels and motels, we said you may take that as a credit against the sales tax and that's what Senator McDermott was talking about, but this does not change that at all."

POINT OF INQUIRY

Senator Metcalf: "I'm still a little confused. Senator McDermott would you have a comment?"

Senator McDermott: "Senator Metcalf, it's no wonder you're confused, because I think the people who wrote this--there weren't very many of us here when it was written. It was originally written to give money for debt service to pay off the Kingdome. They set the rate at two percent and said that will do it. It was supposed to raise to 2.6 million dollars that it takes to pay off this facility over the course of the next thirty years or twenty-five years or whatever. Unfortunately or fortunately--depending on how you look at it, the two percent rate has increased the amount of money beyond the 2.6 million dollars for debt service, so its gradually been accumulating more and more money in that fund. By the year 2000 or 2006, there will be almost 268 million dollars in that fund and it would have only taken about 60 million dollars to pay off the Kingdome. There is gradually accumulating in that fund more than 200 million dollars.

"What is happening here, is that the Kingdome is saying, give us access to a little bit more of that 200 million dollars beyond the 2.6 that is necessary to pay off the facility. Now, we could have put an amendment on here and said anything more than debt service comes back into the General Fund. That might be what we will do some of these days when we need a little money, but we are giving money from the sales tax to the county to do this. Not only King County--there are a lot of other counties who are getting the same amount of money, so it is a direct deduct off your sales tax and from that standpoint, it is sales tax money that is going back to the county."

Senator McDermott demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on adoption of the Committee on Ways and Means amendment.

Senator Hayner: "Senator McDermott, I am told that since we passed that bill in the Senate that there is a great deal of concern by the grocers as to how this is going to be implemented and that they simply do not have the equipment right now to do it and that they would like a few months and, possibly, if you could put a delayed effective date on it, they would not object to it, but I understand that there is a big problem there.

Senator McDermott: "Senator Hayner, we have a consultant that we have consulted at some length on this matter and while it does create some problems, we’ve been assured by the Clerk of the Senate that it is possible to do it even in a very small mom and pop grocery store. NEW SECTION. Sec. 54. A new section is added to chapter 43.63A RCW to read as follows:

The legislature finds that fire protection services at the state level are provided by different, independent state agencies. This has resulted in a lack of a comprehensive state–level focus for state fire protection services, funding, and policy. It is the intent of the legislature to consolidate fire protection services into a single state agency and to create a state board with the responsibility of (1) establishing a comprehensive state policy regarding fire protection services and (2) advising the director of community development and the director of fire protection on matters relating to their duties under state law. It is also the intent of the legislature that the fire protection services program created herein will assist local fire protection agencies in program development without encroaching upon their historic autonomy.

NEW SECTION. Sec. 55. A new section is added to chapter 43.63A RCW to read as follows:

There is created the state fire protection policy board consisting of ten members appointed by the governor:

The governor, the commissioner of public lands, the insurance commissioner, the chairperson of the commission for vocational education or its successor organization, and the director of fire protection or their designees, shall be nonvoting ex officio members of the board. If an ex officio member of the board elects to send a designee to any or all meetings of the board, then that designee shall be selected from the immediate staff of that ex officio member and may not be a person who otherwise serves as a member of the board.

In making the appointments required under subsections (1) through (7) of this section, the governor shall (a) seek the advice of and consult with organizations involved in fire protection; and (b) ensure that racial minorities, women, and persons with disabilities are represented.

The terms of the appointed members of the board shall be three years and until a successor is appointed and qualified. However, initial board members shall be appointed as follows: Three members to terms of one year, three members to terms of two years, and four members to terms of three years. In the case of a vacancy of a member appointed under subsections (1) through (7) of this section, the governor shall appoint a new representative to fill the unexpired term of the member whose office has become vacant. A vacancy shall occur whenever an appointed member ceases to be employed in the occupation the member was appointed to represent.

The appointed members of the board shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

The board shall select its own chairperson and shall meet at the request of the governor or the chairperson and at least four times per year.

HOUSE BILL NO. 1825, by Representatives Vekich, Basich, McMullen, Peery and May (by request of Department of Community Development)

Authorizing the use of the local hotel/motel tax to develop strategies to expand tourism.

The bill was read the second time.

MOTION

Senator McDermott moved that the following amendment be adopted:

On page 1, line 23 after "43.165.010" insert "PROVIDED. That any county, and any city within a county, bordering upon Grays Harbor shall use the proceeds of such taxes solely for construction and maintenance of a movable tall ships tourist attraction in cooperation with a tall ships restoration society. except to the extent that such proceeds are used for payment of principal and interest on debt incurred prior to the effective date of this act."

Debate ensued.

POINT OF INQUIRY

Senator Owen: "Senator McDermott, there seems to be a difference of opinion back here in the hinterlands of where that money starts from. The way I read the amendment if, in fact, we in Mason County or Jefferson County or Pacific County collect this tax, that it shall be used for that project in Grays Harbor County. Is that correct?"

Senator McDermott: "Your question was if it's collected in Grays Harbor County?"

Senator Owen: "The way I read the amendment that the proceeds that are collected from this tax shall go to the project in Grays Harbor County, if you are a county or city that borders Grays Harbor."

Senator McDermott: "Senator Owen, if you read the language, it is only the county that borders Grays Harbor not Grays Harbor County—Grays Harbor the geographical. We were trying to write a general description rather than say specifically legislation for one area, so we said any county and city within a county bordering upon Grays Harbor, which is essentially Grays Harbor County if you read through all the—I had an attorney draw this up—that's why it looks like this."

Senator Owen: "So it's that tax that is collected in that county?"

Senator McDermott: "That's correct."

Senator Owen: "What I've been told back here and what I'm trying to get a clarification from is that somehow, by this amendment, we would get revenue back from somebody else and I don't see that happening."

Senator McDermott: "It's Grays Harbor County money being used on a Grays Harbor County project."

Senator Owen: "Thank you."

Further debate ensued.

POINT OF INQUIRY

Senator Halsan: "Senator McDermott, I would assume that this hotel/motel tax currently exists in Grays Harbor County. Is the revenue therefrom being used for any particular purpose to your knowledge?"

Senator McDermott: "The bill, when it was originally passed in 1967, was supposed to be for debt service. Now, what we've done since 1967, since a lot of people weren't building anything, was gradually open this up and it is used in the county general operating fund for parks and a variety of other things and that is not what it was intended for in the first place, so this amendment is to say, 'if you want this project, here's the place you ought to put the money' rather than using it for whatever other purposes they decide they want to do."

Senator Halsan: "So in effect what this would do would be to grab all the money that is being used presently for other noble services in Grays Harbor County and put it into this project?"

Senator McDermott: "Except, Senator, for the debt service, because we excluded that. If you look at the amendment, it says on the last line, 'except to the extent that such proceeds are used for payment of principal and interest on debts
incurred prior to the effective date of this act. The city of Ocean Shores is using about six million dollars for—the amount that they get in that area is being used for the debt service. The other places are just using it in the county general fund. Further debate ensued.

Moneys from this account shall be distributed pursuant to grant by the department of community development to projects in distressed areas promoting tourism through historic preservation or reconstruction of historic structures or vessels.”

Debate ensued.

POINT OF INQUIRY

Senator Bluechel: “Senator DeJarnatt, would you define what RCW 67.28.180 is?”

Senator DeJarnatt: “I believe that’s the hotel/motel tax.”

Senator Bluechel: “In King County?”

(3) May investigate any entity the agency reasonably believes to be subject to the jurisdiction of this chapter. In connection with the investigation, the agency may administer oaths and affirmations, issue subpoenas and compel attendance, take evidence, and require the production of any books, papers, correspondence, memorandums, or other records which the agency deems relevant or material to the investigation. The agency, including its staff and any other authorized persons, may conduct site inspections and examine records of all schools subject to this chapter;

(4) Shall develop an interagency agreement with the higher education coordinating board to regulate degree-granting private vocational schools with respect to nondegree programs.

NEW SECTION. Sec. 5. (1) The agency shall adopt by rule minimum standards for private vocational schools. The minimum standards shall include, but not be limited to, requirements for each school to:

(a) Disclose to the agency information about its ownership and financial position and to demonstrate that it has sufficient financial resources to fulfill its commitments to students. Financial disclosures provided to the agency shall not be subject to public disclosure under chapter 42.17 RCW.

(b) Follow a uniform state-wide cancellation and refund policy as specified by the agency.
(c) Disclose through use of a school catalog, brochure, or other written material, necessary information to students so that students may make informed enrollment decisions. The agency shall specify what information is required.

(d) Use an enrollment contract or agreement that includes: (i) The cancellation and refund policy, (ii) a brief statement that the school is licensed under this chapter and that inquiries may be made to the agency, and (iii) other necessary information as determined by the agency.

(2) The agency shall deny, revoke, or suspend the license of any school that does not meet or maintain the minimum standards.

NEW SECTION. Sec. 6. Any entity desiring to operate a private vocational school shall apply for a license to the agency on a form provided by the agency. The agency shall issue a license if the school:

(1) Files a completed application with information satisfactory to the agency. Misrepresentation by an applicant shall be grounds for the agency, at its discretion, to deny or revoke a license.

(2) Files the surety bond or other security required under this chapter.

(3) Pays the required fees.

(4) Meets the minimum standards adopted by the agency under section 5 of this act.

Licenses shall be valid for one year from the date of issue unless revoked or suspended. If a school fails to file a completed renewal application at least thirty days before the expiration date of its current license the school shall be subject to payment of a late filing fee fixed by the agency.

NEW SECTION. Sec. 7. The agency shall establish fees by rule at a level necessary to approximately recover the staffing costs incurred in administering this chapter. All fees collected under this section shall be deposited in the state general fund.

NEW SECTION. Sec. 8. (1) Each private vocational school shall have on file with the agency an approved surety bond or other security in lieu of a bond. The bond or other security shall be in an amount not less than five thousand dollars but no more than two hundred thousand dollars. Security shall be determined on an incremental scale based on the average amount of unearned prepaid tuition in possession of the school, as determined by the agency.

(2) In lieu of a surety bond, a private vocational school may deposit with the agency a cash deposit or other negotiable security acceptable to the agency. The security deposited with the agency in lieu of the surety bond shall be returned to the school one year after the school's license has expired or been revoked if legal action has not been instituted against the school or the security deposit at the expiration of the year. The obligations and remedies relating to surety bonds authorized by this section, including but not limited to the settlement of claims procedure in subsection (5) of this section, shall apply to deposits filed with the agency, as applicable.

(3) Each bond shall:

(a) Be executed by the private vocational school as principal and by a corporate surety licensed to do business in the state;

(b) Be payable to the state for the benefit and protection of any student or enrollee of a private vocational school, or, in the case of a minor, his or her parents or guardian;

(c) Be conditioned on compliance with all provisions of this chapter and the agency rules adopted under this chapter;

(d) Require the surety to give written notice to the agency at least thirty-five days before cancellation of the bond; and

(e) Remain in effect for one year following the effective date of its cancellation or termination as to any obligation occurring on or before the effective date of cancellation or termination.

(4) Upon receiving notice of a bond cancellation, the agency shall notify the school that the license will be suspended on the effective date of the bond cancellation unless the school files with the agency another approved surety bond or other security.

(5) If a complaint is filed under section 12(1) of this act against a private vocational school, the agency may file a claim against the surety and settle claims against the surety by following the procedure in this subsection.

(a) The agency shall attempt to notify all potential claimants. If the absence of records or other circumstances makes it impossible or unreasonable for the agency to ascertain the names and addresses of all the claimants, the agency after exercising due diligence and making reasonable inquiry to secure that information from all reasonable and available sources, may make a demand on a bond on the basis of information in the agency’s possession. The agency is not liable or responsible for claims or the handling of claims that may subsequently appear or be discovered.

(b) Thirty days after notification, if a claimant fails, refuses, or neglects to file with the agency a verified claim, the agency shall be relieved of further duty or action under this chapter on behalf of the claimant.
(c) After reviewing the claims, the agency may make demands upon the bond on behalf of those claimants whose claims have been filed. The agency may settle or compromise the claims with the surety and may execute and deliver a release and discharge of the bond.

(d) If the surety refuses to pay the demand, the agency may bring an action on the bond in behalf of the claimants. If an action is commenced on the bond, the agency may require a new bond to be filed.

(e) Within ten days after a recovery on a bond or other posted security has occurred, the private vocational school shall file a new bond or otherwise restore its security on file to the required amount.

(5) The liability of the surety shall not exceed the amount of the bond.

NEW SECTION. Sec. 9. A private vocational school, whether located in this state or outside of this state, shall not conduct business of any kind, make any offers, advertise or solicit, or enter into any contracts unless the private vocational school is licensed under this chapter.

NEW SECTION. Sec. 10. The executive director of the agency may suspend or modify any of the requirements under this chapter in a particular case if the agency finds that:

(1) The suspension or modification is consistent with the purposes of this chapter; and

(2) The education to be offered addresses a substantial, demonstrated need among residents of the state or that literal application of this chapter would cause a manifestly unreasonable hardship.

NEW SECTION. Sec. 11. It is an unfair business practice for a private vocational school or agent to:

(1) Fail to comply with the terms of a student enrollment contract or agreement;

(2) Use an enrollment contract form, catalog, brochure, or similar written material affecting the terms and conditions of student enrollment other than that previously submitted to the agency and authorized for use;

(3) Represent falsely, directly or by implication, that the school is an employment agency, is making an offer of employment or otherwise is attempting to conceal the fact that what is being represented are course offerings of a school;

(4) Represent falsely, directly or by implication, that an educational program is approved by a particular industry or that successful completion of the program qualifies a student for admission to a labor union or similar organization or for the receipt of a state license in any business, occupation, or profession;

(5) Enroll a student without reasonably determining that the student is likely to complete successfully a program of study and is likely to qualify for employment in the field for which the education is designed, unless any limiting conditions determined to exist are affirmatively disclosed in writing to the student;

(6) Represent falsely, directly or by implication, that a student who successfully completes a course or program of instruction may transfer credit for the course or program to any institution of higher education;

(7) Represent falsely, directly or by implication, in advertising or in any other manner, the school's size, location, facilities, equipment, faculty qualifications, or the extent or nature of any approval received from an accrediting association;

(8) Represent that the school is approved, recommended, or endorsed by the state of Washington or by the agency, except the fact that the school is authorized to operate under this chapter may be stated;

(9) Provide prospective students with any testimonial, endorsement, or other information which has the tendency to mislead or deceive prospective students or the public regarding current practices of the school, current conditions for employment opportunities, or probable earnings in the occupation for which the education was designed;

(10) Designate or refer to sales representatives as "counselors," "advisors," or similar terms which have the tendency to mislead or deceive prospective students or the public regarding the authority or qualifications of the sales representatives;

(11) Make, or cause to be made, any statement or representation in connection with the offering of education if the school or agent knows or reasonably should have known the statement or representation to be false, substantially inaccurate, or misleading; or

(12) Engage in methods of advertising, sales, collection, credit, or other business practices which are false, deceptive, misleading, or unfair, as determined by the agency by rule.

It is a violation of this chapter for a private vocational school to engage in an unfair business practice.

NEW SECTION. Sec. 12. (1) A person claiming loss of tuition or fees as a result of an unfair business practice may file a complaint with the agency. The complaint shall set forth the alleged violation and shall contain information required by the agency. A complaint may also be filed with the agency by an authorized staff member of the agency or by the attorney general.

(2) The agency shall investigate any complaint under this section and may attempt to bring about a settlement. The agency may hold a contested case hearing pursuant to the administrative procedure act, chapter 34.04 RCW, in order to determine whether a violation
has occurred. If the agency prevails, the private vocational school shall pay the costs of the administrative hearing.

(3) If, after the hearing, the agency finds that the private vocational school or its agent engaged in or is engaging in any unfair business practice, the agency shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties under section 13 of this act. If the agency finds that the complainant has suffered loss as a result of the act or practice, the agency may order full or partial restitution for the loss. The complainant is not bound by the agency's determination of restitution and may pursue any other legal remedy.

NEW SECTION. Sec. 13. Any private vocational school or agent violating section 6, 9, or 11 of this act or the applicable agency rules is subject to a civil penalty of not more than one hundred dollars for each separate violation. Each day on which a violation occurs constitutes a separate violation. Multiple violations on a single day may be considered separate violations. The fine may be imposed by the agency under section 12 of this act, or in any court of competent jurisdiction.

NEW SECTION. Sec. 14. Any entity or any owner, officer, agent, or employee of such entity who willfully violates section 6 or 9 of this act is guilty of a gross misdemeanor and, upon conviction, shall be punished by a fine of not to exceed one thousand dollars or by imprisonment in the county jail for not to exceed one year, or by both such fine and imprisonment.

Each day on which a violation occurs constitutes a separate violation. The criminal sanctions may be imposed by a court of competent jurisdiction in an action brought by the attorney general of this state.

NEW SECTION. Sec. 15. A private vocational school, whether located in this state or offers, advertises, solicits, or enters into any contracts in this state or with a resident of this state is subject to the jurisdiction of the courts of this state for any cause of action arising from the acts.

NEW SECTION. Sec. 16. If any private vocational school discontinues its operation, the chief administrative officer of the school shall file with the agency the original or legible true copies of all educational records required by the agency. If the agency determines that any educational records are in danger of being made unavailable to the agency, the agency may seek a court order to protect and if necessary take possession of the records. The agency shall cause to be maintained a permanent file of educational records coming into its possession.

NEW SECTION. Sec. 17. If a student or prospective student is a resident of this state at the time any contract relating to payment for education or any note, instrument, or other evidence of indebtedness relating thereto is entered into, section 18 of this act shall govern the rights of the parties to the contract or evidence of indebtedness. If a contract or evidence of indebtedness contains any of the following agreements, the contract is voidable at the option of the student or prospective student:

(1) That the law of another state shall apply;
(2) That the maker or any person liable on the contract or evidence of indebtedness consents to the jurisdiction of another state;
(3) That another person is authorized to confess judgment on the contract or evidence of indebtedness;
(4) That venue.

NEW SECTION. Sec. 18. A note, instrument, or other evidence of indebtedness or contract relating to payment for education is not enforceable in the courts of this state by a private vocational school or holder of the instrument unless the private vocational school was licensed under this chapter at the time the note, instrument, or other evidence of indebtedness or contract was entered into.

NEW SECTION. Sec. 19. The attorney general or the prosecuting attorney of any county in which a private vocational school or agent of the school is found may bring an action in any court of competent jurisdiction for the enforcement of this chapter. The court may issue an injunction or grant any other appropriate form of relief.

NEW SECTION. Sec. 20. The agency may seek injunctive relief, after giving notice to the affected party, in a court of competent jurisdiction for a violation of this chapter or the rules adopted under this chapter. The agency need not allege or prove that the agency has no adequate remedy at law. The right of injunction provided in this section is in addition to any other legal remedy which the agency has and is in addition to any right of criminal prosecution provided by law. The existence of agency action with respect to alleged violations of this chapter and rules adopted under this chapter does not operate as a bar to an action for injunctive relief under this section.

NEW SECTION. Sec. 21. A violation of this chapter or the rules adopted under this chapter affects the public interest and is an unfair or deceptive act or practice in violation of RCW 19.86.020 of the consumer protection act. The remedies and sanctions provided by this section shall not preclude application of other remedies and sanctions.

NEW SECTION. Sec. 22. The remedies and penalties provided for in this chapter are non-exclusive and cumulative and do not affect any other actions or proceedings.

NEW SECTION. Sec. 23. The agency shall, within sixty days after the effective date of this act and annually thereafter, empanel a private vocational school advisory committee. Said
committee shall serve as advisors in the implementation of this chapter and for such other liaison purposes as the agency may determine. It shall consist of no less than seven and no more than eleven persons who are practitioners in proprietary education but one of whom is a recent graduate of a proprietary school. Consideration in making appointments shall be given to maintaining a geographic balance among areas of the state and achieving a balanced representation of occupational specialties offered among private vocational schools statewide. The committee shall meet at least quarterly. Members shall serve without pay but be reimbursed for travel expenses as provided under RCW 43.03.050 and 43.03.060 as now or hereafter amended. The permit permits the student midwife to practice under the supervision of a midwife licensed under this chapter, a physician licensed under chapter 18.57 or 18.71 RCW, or a certified nurse–midwife licensed under the authority of chapter 18.88 RCW. The permit shall expire within one year of issuance and may be extended as provided by rule.

MOTIONS

On motion of Senator Peterson, the following amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 8, chapter 18, Laws of 1935 as last amended by section 1, chapter 303, Laws of 1981 and RCW 88.16.090 are each amended to read as follows:

(1) No person may pilot any vessel subject to the provisions of this chapter on waters covered by this chapter unless such a person is appointed and licensed to pilot such vessels on said waters under and pursuant to the provisions of this chapter.

(2) No person is eligible to be appointed a pilot unless such a person is a citizen of the United States, over the age of twenty-five years and under the age of seventy years and a resident of the state of Washington at the time of appointment, nor unless the pilot applicant holds as a minimum, a United States government license as a master of freight and towing vessels not more than one thousand gross tons (inspected vessel), such license to have been held by the applicant for a period of at least two years prior to taking the Washington state pilotage examination and a first class United States endorsement without restrictions on that license to pilot in the pilotage districts for which the pilot applicant desires to be licensed, nor unless the pilot applicant meets such other qualifications as may be required by the board.

(3) Pilots shall be licensed hereunder for a term of five years from and after the date of the issuance of their respective state licenses. Such licenses shall thereafter be renewed as of course, unless the board shall withhold same for good cause. Each pilot shall pay to the state treasurer an annual license fee established by the board of pilotage commissioners pursuant to chapter 34.04 RCW, but not to exceed one thousand five hundred dollars, to be placed in the state treasury to the credit of the pilotage account. The board may assess partially active or inactive pilots a reduced fee.

(4) Pilot applicants shall be required to pass a written and oral examination administered and graded by the board which shall test such applicants on this chapter, the rules of the board, local harbor ordinances, and such other matters as may be required to compliment the United States examinations and qualifications.

(5) On and after September 21, 1977, the board shall have developed five examinations and grading sheets for the Puget Sound pilotage district, and two for each other pilotage district, for the testing and grading of pilot applicants. The examinations shall be administered to pilot applicants on a random basis and shall be updated as required to reflect changes in law, rules, policies, or procedures. The board may appoint a special independent examination committee or may contract with a firm knowledgeable and experienced in the development of professional tests for development of said examinations. Active licensed state pilots may be consulted for the general development of examinations but shall have no knowledge of the specific questions. The pilot members of the board may participate in the grading of examinations. If the board does appoint a special examination development committee it is authorized to pay the members of said committee the same compensation and travel expenses as received by members of the board. When grading examinations the board shall carefully follow the grading sheet prepared for that examination. The board shall develop a "sample examination" which would tend to indicate to an applicant the general types of questions on pilot examinations, but such sample questions shall not appear on any actual examinations. Any person who willfully gives advance knowledge of information contained on a pilot examination is guilty of a gross misdemeanor.

(6) All pilots and applicants are subject to an annual physical examination by a physician chosen by the board. The physician shall examine the applicant's heart, blood pressure, circulatory system, lungs and respiratory system, eyesight, hearing, and such other items as may be prescribed by the board. After consultation with a physician and the United States coast guard, the board shall establish minimum health standards to ensure that pilots licensed by the state are able to perform their duties.

(7) The board shall prescribe, pursuant to chapter 34.04 RCW, a number of familiarization trips, between a minimum number of twenty-five and a maximum of one hundred, which pilot
applicants must make in the pilotage district for which they desire to be licensed. Familiarization trips any particular applicant must make are to be based upon the applicant's vessel handling experience.

(8) The board shall prescribe, pursuant to chapter 34.04 RCW, such reporting requirements and review procedures as may be necessary to assure the accuracy and validity of license and service claims, and records of familiarization trips of pilot candidates. Willful misrepresentation of such required information by a pilot candidate shall result in disqualification of the candidate.

Sec. 2. Section 9, chapter 337, Laws of 1977 ex. sess. and RCW 88.16.103 are each amended to read as follows:

(1) Pilots, after completion of an assignment or assignments which are seven hours or longer in duration, shall receive a mandatory rest period of seven hours.

(2) A pilot shall refuse a pilotage assignment if the pilot is physically or mentally fatigued or if the pilot has a reasonable belief that the assignment cannot be carried out in a competent and safe manner. Upon refusing an assignment as herein provided a pilot shall submit a written explanation to the board within forty-eight hours. If the board finds that the pilot's written explanation is without merit, or reasonable cause did not exist for the assignment refusal, such pilot may be subject to the provisions of RCW 88.16.100.

(3) The board shall quarterly review the dispatch records of pilot organizations or pilot's quarterly reports to ensure the provisions of this section are enforced. The board may prescribe rules for rest periods pursuant to chapter 34.04 RCW.

NEW SECTION. Sec. 3. There is appropriated to the board of pilotage commissioners from the pilotage account of the general fund, for the biennium ending June 30, 1987, the sum of twenty thousand dollars, or so much thereof as may be necessary. This money may be used by the board only to pay costs of investigating vessel incidents or accidents where a state-licensed pilot was involved and legal fees of the board.

On page 3, after line 10, insert the following:
"NEW SECTION. Sec. 3. The legislature finds that the sale of timber from lands administered by the board of natural resources provides revenue to the common school construction account. If the board of natural resources sold the existing 1.6 billion board foot deficit in its timber sales program brought about by (1) defaulted timber sales, and (2) the board's not offering for sale the entire sustainable harvest sales program since July 1, 1980, the common school trust account would receive over sixty million dollars.

NEW SECTION. Sec. 4. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the board of natural resources.

(2) "Sustainable harvest level" means the volume of timber offered for harvest from public lands for any period as calculated by the department of natural resources and adopted by the board of natural resources.

(3) "Defaulted" means the volume remaining when a contractor fails to meet the terms of the sales contract at the completion date of the contract or any extension thereof, and timber returned to the state under RCW 79.01.1331 through 79.01.1339.

(4) "Deficit" means all timber defaulted or otherwise terminated and returned to the department of natural resources from July 1, 1979, until June 30, 1986, plus any difference between the sustainable harvest level and the actual board sales level during the period from July 1, 1980, through June 30, 1984.

NEW SECTION. Sec. 5. By June 30, 1993, the board shall offer for sale the entire deficit timber sales volume in addition to the annual sustainable harvest level as adopted by the board of natural resources. After deductions for management costs as provided in RCW 79.64.040, one-half of all moneys received from the sale of the deficit timber volume on lands held in trust for the common schools is declared to be in excess of the amount necessary for the purpose of the common school construction fund and shall be deposited in the permanent common school fund.

NEW SECTION. Sec. 6. Sections 3 through 6 of this act shall constitute a new chapter in Title 79 RCW.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. Sections 3 through 6 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF ORDER

Senator McDermott: "Mr. President a point of order. I raise scope and object on this amendment. This is a bill with a title providing a county representative on the Board of Natural Resources. It is now being expanded to instruct the board to cut timber beyond what they have already determined. It is clearly expanding the simple purpose of this bill, which was to add somebody from county government to the Board of Natural Resources. For that reason, I hope the chair will recognize that it expands the scope and object."

Further debate ensued.

MOTION

On motion of Senator Bottiger, further consideration of Substitute House Bill No. 1839 was deferred.

President Pro Tempore Goltz assumed the chair.

Senator Bluechel: "Senator Bottiger, when—let’s say there is a twenty-year lease and you have the lease-hold tax on there—at the end of twenty years, does not the building revert to the county, the city or the port district?"

Senator Bottiger: "Senator, that would depend on the contract you entered with them. Some of them are metal buildings, as you well know, and you sign a lease saying, ‘I’ll take it with me. If I don’t renegotiate and come up with a new lease, I reserve the right to remove the improvements.’ It’s an arm’s length transaction done every day."

Further debate ensued.

President Cherberg assumed the chair.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator McDonald, the President finds that Substitute House Bill No. 1433 is a measure allowing state agencies to assert claims against state lottery prize winners.

"The amendment proposed by Senator Warnke provides for the dedication of proceeds from one lottery game for the benefit of urban parks.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment by Senator Warnke was ruled out of order.

SECOND READING

Regulating telephone solicitation.

The bill was read the second time.

MOTION

Senator Saling moved that the following amendment be adopted:

On page L line 19, after "organization" insert ". from a list created by or purchased by such a company or organization."

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Senator Saling, you used AAA and I am a member of AAA and it's a very good service, especially if your wife or kids are out on the road. We've never been called by AAA. I've had the AAA representative in my office for other bills and he has never mentioned any objection to this bill. Is that just an example or have they actually complained about this and where do they do telephone solicitation?"

Senator Saling: "Thank you, Senator Bottiger. Yes, I got a letter and many, many phone calls from the Spokane AAA. All of our committee got a letter from the Seattle AAA—which we discussed in committee and we tried to come to some common agreement in committee, but we simply could not figure out a decent amendment that would help. After the bill passed out of committee, the AAA in Spokane talked with our caucus attorney; they talked with the gal—Deborah Senn from the Telecommunications Committee—who is working with Senator Williams on his committee and we tried to do some negotiating over the phone with the Spokane attorney for AAA and they do use that telephone solicitation bit in Spokane. In fact, the letter from Spokane indicated that they would have to lay off twenty employees if this bill passed."

Further debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator Williams, let's say you're up for election and you've got several people working for you and it is certainly common to make phone calls during a campaign and let's say you make a phone call or one of your helpers makes a phone call and that person says they want to be taken off the list—don't call any more. Yet another one of your workers unbeknownst to you makes a call, are they then subject to the thousand dollar violation if they are reported?"

Senator Williams: "No, Senator Deccio, on page 2, line 8, there's a specific section in there that deletes political organizations from being under the jurisdiction of this law."
Senator Deccio: "So what you're saying is we're going to be exempt even though people are very irritated by political calls during a campaign, but we are going to make an exception to ourselves and subject everyone else that's under the bill?"

Senator Williams: "I suspect that that will be reflected at the polls."

Further debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senator Saling.

The motion by Senator Saling failed and the amendment was not adopted.

MOTION

On motion of Senator Williams, the rules were suspended. Engrossed Substitute House Bill No. 1678 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator McManus: "Senator Williams, what would be the effect of Section 2(5) and Section 2(6) where a company or organization has made a good faith attempt to remove the name and telephone number of the called party, but due to the use of multiple lists it unintentionally makes another call to the party after his or her request to be removed from the company's lists?"

Senator Williams: "Senator McManus, I would expect that the Attorney General should refrain from instituting action against a company which acts in good faith to remove the called party who requests removal from its lists. The company's good faith should be taken into account by the court in any civil action brought under Section 2(6)."

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 1678.

On page I, after line 5, insert the following:

"Sec. 1. Section 36, chapter I, Laws of 1973 and RCW 42.17.360 are each amended to read as follows:

(1) Develop and provide forms for the reports and statements required to be made under this chapter;

(2) Prepare and publish a manual setting forth recommended uniform methods of bookkeeping and reporting for use by persons required to make reports and statements under this chapter;

(3) Compile and maintain a current list of all filed reports and statements;

(4) Investigate whether properly completed statements and reports have been filed within the times required by this chapter;

(5) Audit each year a randomly selected sample of filings by the persons required to comply with this chapter;

(6) Upon complaint or upon its own motion, investigate and report apparent violations of this chapter to the appropriate law enforcement authorities;

(7) Prepare and publish an annual report to the governor as to the effectiveness of this chapter and its enforcement by appropriate law enforcement authorities; and

(8) Enforce this chapter according to the powers granted it by law."

Renumber the remaining section consecutively.

POINT OF ORDER

Senator Hayner: "Mr. President, I would like to challenge the scope and object of this amendment. I would like to draw your attention to the title amendment. The title of this bill is repealing sunset termination of the Public Disclosure Commission. That is precisely what the bill does. It's a recommendation of the Legislative Budget Committee and the Office of Financial Management and that is all it does. It does not deal with anything that is within the Public Disclosure Act. The amendment which is being proposed by Senators Rinehart, Saling and Talmadge deals with
auditing by the Public Disclosure Commission and I think it is clearly out of the scope and object of the bill."

Further debate ensued.

MOTION

On motion of Senator Vognild, further consideration of House Bill No. 1647 was deferred.

MOTIONS

Having served prior notice, Senator Talmadge moved that the Senate now reconsider the vote by which House Bill No. 1462, as amended by the Senate, passed the Senate earlier today.

The motion by Senator Talmadge failed and the Senate did not reconsider the vote by which House Bill No. 1462 passed the Senate.

MOTION FOR DIVISION OF QUESTION BY SENATOR MCDONALD

Senator McDonald: "Mr. President, I move to divide the question. I would like to speak to that motion. Mr. President, we have done this now once on one bill and this will be the second time. I think the process of adopting amendments in bulk is one that is absolutely counter to the deliberative process that is supposed to be a part of this body. To simply take every amendment—whether it be good or bad or whether you be for it or against it—and vote for it as a group is like an omnibus budget package. That is not what we have done in the past. It is not consistent with the deliberative body that the Senate is supposed to be and whether I am for or against these amendments, I think is a process that we should not get started and we should stop it right now. I hope that we would divide the question as we have in the past by a ruling of the chair that these would come one at a time and hope that you will do so."

REPLY BY THE PRESIDENT

President Cherberg: "There is no doubt that there will be a division. Senator McDonald, do you wish to vote on each amendment individually?"

Senator McDonald: "That is correct, Mr. President."

Debate ensued.

MOTION

Senator Bottiger moved that the rules be suspended and all of the amendments be considered as one and adopted.

Debate ensued.

POINT OF ORDER

REPLY BY THE PRESIDENT

President Cherberg: "The President will ask the body to consider your motion first. Would you please restate it?"

Senator McDonald: "Mr. President, this is an unusual motion that Senator Fleming has made, so it's an unusual motion to make."

President Cherberg: "Kindly restate your motion."

Senator McDonald: "My motion is to divide each amendment such that we will vote on each amendment one at a time."

Debate ensued.

Senator McDonald demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator McDonald to divide the question and consider the amendments one at a time.

POINT OF INQUIRY

Senator Bailey: "Senator Fleming, I'm going to vote for this bill and I'm going to vote for it on good faith that the good amendments that have been placed on this bill will stay there. I guess I can't ask for your assurance, but I can ask for your good faith that these amendments will stay and that I can feel good to myself and my caucus that the improvements that have been made in this bill will stay that way and I hope you can support me in that issue."

Senator Fleming: "Senator, you know and I know it is pretty difficult for me to dictate what the other side of the rotunda will do, but I am sure the good amendments will stay."

"The amendment proposed by Senators Rinehart, Saling and Talmadge requires random audits of filings made with the Public Disclosure Commission.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment by Senators Rinehart, Saling and Talmadge was ruled out of order.

MOTION

Senator Vognild moved that the following amendment by Senators Vognild and McDonald be adopted:

On page 1, after line 9, insert the following:

(1) Every elected official and every executive state officer shall after January 1st and before April 15th of each year file with the commission a statement of financial affairs for the preceding calendar year. However, any local elected official whose term of office expires immediately after December 31st shall file the statement required to be filed by this section for the year that ended on that December 31st.

(2) Every candidate shall within two weeks of becoming a candidate file with the commission a statement of financial affairs for the preceding twelve months.

(3) Every person appointed to a vacancy in an elective office or executive state officer position shall within two weeks of being so appointed file with the commission a statement of financial affairs for the preceding twelve months.

(4) A statement of a candidate or appointee filed during the period from January 1st to April 15th shall cover the period from January 1st of the preceding calendar year to the time of candidacy or appointment if the filing of the statement would relieve the individual of a prior obligation to file a statement covering the entire preceding calendar year.

(5) No individual may be required to file more than once in any calendar year.

(6) Each statement of financial affairs filed under this section shall be sworn as to its truth and accuracy.

(7) For the purposes of this section, the term "executive state officer" includes those listed in RCW 43.17.020 and those listed in RCW 42.17.240.

(8) This section does not apply to incumbents or candidates for a federal office or the office of precinct committeeman.

(9) Executive state officers as defined in RCW 42.17.240 are prohibited from filing as a registered lobbyist for any entity other than to fulfill their responsibilities as an executive state officer."

POINT OF INQUIRY

Senator Saling: "Senator Rinehart, just to clarify the language in this bill, under current law, is a lobbyist's employer required to report all costs associated with the employer's lobbying effort?"
Senator Rinehart: "Senator Saling, the employer must only make a good faith effort to report costs it makes in connection with an attempt to influence legislation or agency rules."

Senator Saling: "Under current law, is a lobbyist's employer required to report non-lobbying related expenses?"

Senator Rinehart: "No."

Senator Saling: "Under current law, is a lobbyist's employer obligated to report personal living and travel expenses which are not related to lobbying and which are unreimbursed?"

Senator Rinehart: "No. The employer reporting statute--RCW 42.117.180--clearly says that only expenditures made for lobbying purposes are reportable."

Senator Saling: "Under current law, is a lobbyist's employer obligated to report expenses incurred by its officers or employees who serve on legislative advisory committees?"

Senator Rinehart: "No."

Senator Saling: "Is a lobbyist's employer required to report all contacts between its employees and the legislature?"

Senator Rinehart: "No. Senator Saling, if a legislator wants technical information to better understand a matter before the Legislature and knows that a particular company which has employed a lobbyist has that expertise, the legislator could solicit that specific information and the employer could provide it without that being considered a lobbying expense. It would be a reportable lobbying expense, however, if the employer and/or the lobbyist initiated the providing of technical information."

Wilson, McMullen, Hankins, Betrozoff, Schoon, Jacobsen, Miller, Isaacson and Tilly) (by request of Washington Traffic Safety Commission)

Requiring the use of safety belts and child safety seats in motor vehicles.

The bill was read the second time.
POINT OF ORDER

Senator McDonald: "Mr. President, we raised, as this was read in on the final day, the question of the bill as to whether it was properly before us. We had two sign-up sheets, one which had eight signatures on it and one which had two signatures on it. The concern was that this was a process that now had one single sign-out sheet that did not have sufficient signatures to have this properly before us. That issue was raised before, as we read in finally, and we asked for a ruling and I wonder if you could rule on that?"

REMARKS BY SENATOR GUESS

Senator Guess: "Mr. President, I would like to offer some more information on the sign-up situation. I sit next to Senator von Reichbauer in Rules and Senator von Reichbauer had the bill in his possession. As I remember, Rules met that day between one and 2:15 p.m. Now a statement was made in Rules the other day that this was a pocket veto. I do not believe that under the conditions of a pocket veto that this was a pocket veto, because I will take an oath on this floor to you that Senator von Reichbauer had the bill in his possession and it had only eight signatures on it. I attest that to you, my good Lieutenant Governor, the Secretary of the Senate notwithstanding.

"Senator von Reichbauer had the opportunity at 2:15 before he turned the bill over to someone else—the sign-up sheet. He had the opportunity to sign that; he did not do it. Now, I don't know where the extra sign-up sheet came. It was said that the clerk or the attorney for the committee prepared it. I don't know the other signature on the sign-up sheet, but I do know that there was no pocket veto and because of the fact that that statement was made impugns the integrity of the chairman of that committee, I want it on the record that there was no pocket veto whatsoever."

REMARKS BY SENATOR PULLEN

Senator Pullen: "Mr. President and members of the Senate. I don't know anything about the facts of the situation, but I do know that there is a tremendous potential for mischief and abuse if we do set a precedent for allowing two sign-up sheets to be circulated with partial signatures on each sign-up sheet. Sometimes members will affix their signatures to a sign-up sheet partly based on who has signed or how many signatures are left to obtain the majority or required number of signatures and if that cannot be determined by a single sign-up sheet and by inspecting who has signed, there's a tremendous potential for abuse and mischief, so I would urge the Senate to be very, very cautious about setting a precedent that could allow two sign-up sheets with partial signatures on each to be circulated."

REMARKS BY SENATOR PETERSON

Senator Peterson: "Mr. President, whether the bill is properly before us or not, I might be able to clarify some of what happened. When the bill passed out of committee, we had more than a quorum. In fact, most of the members of the committee were there last Thursday night when we heard this bill. The voice passed out clearly—with not an unanimous vote—but with a majority vote—a voice vote. At the end of the committee meeting, six members of the committee had signed the bill, one of which later removed his signature which left five. The bill remained in committee then until, as Senator Guess indicated, or until the afternoon on Friday. By this time, everyone should have had an opportunity—the committee members—to sign the bill and when I left Friday afternoon, as Senator Guess indicated, there were eight signatures on the bill and then subsequent sign-up sheets appeared with the two additional signatures, so that is where it came from—from the committee standpoint."

REMARKS BY THE PRESIDENT

President Cherberg: "Senator Guess and others, the President is in possession of two documents. One signed by Senator von Reichbauer and one signed by Senator Brad Owen. The document signed by Senator von Reichbauer says 'I, Senator Peter von Reichbauer, having used all my best efforts to locate and sign the majority committee report for Engrossed Substitute House Bill No. 1182 do now authorize the
Secretary of the Senate's office to affix my signature to the committee report for Engrossed Substitute House Bill No. 1182. A similar document is signed by Senator Owen.

REMARKS BY SENATOR GUESS

Senator Guess: "Mr. President, the fact remains that I sit next to Senator P. von Reichbauer and I have already told you—I swear and attest that he had that sign-up sheet in his hands sitting next to me on my left during the entire Rules Committee meeting.

"Now, it is a matter of record that his signature was not on that and it makes no difference, in my opinion—I don't know exactly how to phrase that—it does make a tremendous amount of difference. We have here the integrity of the Senate at stake and I leave it in your good hands."

RULING BY THE PRESIDENT

President Cherberg: "The President doesn't pretend to be Dick Tracy or anyone else, but will give you the decision. In ruling upon the point of order raised by Senator McDonald, regarding Engrossed Substitute House Bill No. 1182, the President believes that Rules 45 and 62 apply. The President recognizes that two members were unable to sign the original committee report and after exercising their best efforts to sign that report resorted to signing a supplemental report.

"The President believes this may be a technical violation of Rule 45. However, Rule 62 is clear, concise and cogent with regard to the circumstances surrounding Engrossed Substitute House Bill No. 1182. Rule 62 provides an impertinent part—'No committee chairman shall exercise a pocket veto of any bill.'

"The President believes this may have been the case with Engrossed Substitute House Bill 1182, therefore, the actions by the two imminent members to sign the committee report should be allowed in order to effectuate Rule 62. The President believes that Engrossed Substitute House Bill 1182 is properly before the Senate."

REMARKS BY SENATOR GUESS

Senator Guess: "It is with the utmost of gravity. I've never seen it so successfully done in the twenty-four years I've been here. My integrity is in question. That of Senator Peterson is in question. That of Senator von Reichbauer is in question. Thank you, Mr. President."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Mr. President, I don't have any integrity, so it hasn't been challenged, but I would point out, Mr. President, and you had a little reservation in your voice when you were making your ruling that maybe—but I think it's a very dangerous precedent that we start when we allow people to sign the bill by affidavit. I have never in my life ever heard of that and I think, Mr. President, what we do when we do that is we completely destroy the committee chairmanship of a committee and we've always talked about strengthening the committee and we want the committees, so they can tighten up and we take all the bills that come out of them and put them on the calendar. At this stage where, and I don't care who they are, when you say, 'Well they can come and sign an affidavit' and it's not a form affidavit and they say, 'If I had been there, I would have signed the bill.' In all the committees I've been on. I have never seen when a bill or report was circulated that anyone would refuse them the opportunity to sign up and if they aren't there—it's the same way as when they aren't here on the floor—their vote doesn't count.

"So, I—and I respect the President—and I know he has been torn with his decision, but I don't like to see it tear apart the rules that we've been operating by that everybody understood. I would hope that the President at some time would reconsider this, so this doesn't become a precedent that we follow in the future. There's no use having a committee chairman if I can go up and sign an affidavit and say, 'Well, I'd have voted for it if I'd been there.' Thank you, Mr. President."
REPLY BY THE PRESIDENT

President Cherberg: "Senator Rasmussen, the President is in possession of a copy of the second sign-up sheet signed by Senator Owen and Senator von Reichbauer."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Thank you, Mr. President. I have never heard of a second sign-up sheet. There is only one sign-up sheet and that's the one that controls when it gets enough signatures on it. I know that you're as torn as I am and nobody likes to challenge the very fair President, but it's destroying the committee system."

POINT OF ORDER

Senator Bottiger: "Mr. President, the chair has ruled. You have given a great deal of discretion and lee-way, but I would urge the Senate to return to the business of the state. We have wasted fifteen minutes already."

MOTION

Senator Peterson moved that the following Committee on Transportation amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.61 RCW to read as follows:

(1) For the purposes of this section, the term "motor vehicle" includes:

(a) "Buses," meaning motor vehicles with motive power, except trailers, designed to carry more than ten passengers;

(b) "Multipurpose passenger vehicles," meaning motor vehicles with motive power, except trailers, designed to carry ten persons or less that are constructed either on a truck chassis or with special features for occasional off-road operation;

(c) "Passenger cars," meaning motor vehicles with motive power, except multipurpose passenger vehicles, motorcycles, or trailers, designed for carrying ten passengers or less; and

(d) "Trucks," meaning motor vehicles with motive power, except trailers, designed primarily for the transportation of property.

(2) This section only applies to motor vehicles that meet the manual seat belt safety standards as set forth in federal motor vehicle safety standard 208. This section does not apply to a vehicle occupant for whom no safety belt is available when all designated seating positions as required by federal motor vehicle safety standard 208 are occupied.

(3) Every person sixteen years of age or older operating or riding in a motor vehicle shall wear the safety belt assembly in a properly adjusted and securely fastened manner.

(4) No person may operate a motor vehicle unless all passengers under the age of sixteen years are either wearing a safety belt assembly or are securely fastened into an approved child restraint device.

(5) During the period from the effective date of this act, to January 1, 1987, a person violating this section may be issued a written warning of the violation. After January 1, 1987, a person violating this section shall be issued a notice of traffic infraction under chapter 46.63 RCW. A finding that a person has committed a traffic infraction under this section shall be contained in the driver's abstract but shall not be available to insurance companies or employers.

(6) Failure to comply with the requirements of this section does not constitute negligence, nor may failure to wear a safety belt assembly be admissible as evidence of negligence in any civil action.

**POINT OF INQUIRY**

Senator Moore: "Senator Granlund, Senator Patterson suggested that there had been one fatality in the last ten years on school buses with no seat belts. Now you spoke to the fact that that was an excellent record. My question is, is that ratio to which you speak comparable to the ratio of the population at large?"

Senator Granlund: "I would say that if we had for the miles traveled and the number of vehicles out there and had a record, the number of passengers hauled were equitable or equivalent to one another, I would say that's a good record—yes—over a ten-year period."

Senator Moore: "That was not precisely my question. I'm asking for a comparison of the overall population—the rest of us who also are not wearing mandatory seat belts—is it comparable? Is it greater or is it less in the school sector than to the public sector?"

Senator Granlund: "I don't have the figure for the public sector, but I would have to assume with just reading the daily paper, it would tell me it's much less."
Senator Moore: "Which is much less?"
Senator Granlund: "The school traffic--"
Senator Moore: "But there is no evidence really--this is a feeling you have?"
Senator Granlund: "It's a study currently by the National Highway Traffic Safety
Association, it would tell us that, yes."

(3) A person who requests continued participation in their employer's health plan may be required to pay for such participation. However, such payment shall not exceed the rate, cost, or premium that is calculated for an active employee under the same plan. If the utilization of health plan benefits by those continuing participation in the health plan causes a greater than ten percent increase in the active employee rate or cost for the plan, then the rate or cost for those continuing participation in the health plan shall be adjusted to cover the costs in excess of the ten percent increase. However, no provision of this subsection shall be deemed to require any employer who is currently paying for all or part of a health plan for their retired and disabled employees and their eligible dependents from discontinuing those payments.

(4) When a person or his or her spouse continuing participation under a health plan becomes eligible for federal medicare, then health plan participation shall be terminated and the person or his or her spouse shall have the option of participating in a supplemental plan provided by the employer. Any payment required of the person or his or her spouse shall be modified to reflect cost differences between the health plan and the supplemental plan.

(5) Payments for continued participation in a former employer's health plan may be assigned to the underwriter of the health plan from public pension benefits or may be paid to the former employer, as determined by the former employer, so that an underwriter of the health plan that is an insurance company, health care service contractor, or health maintenance organization shall not be required to accept individual payments from persons continuing participation in the employer's health plan.

(6) There shall be a one time initial open enrollment period from May 1, 1986, to June 30, 1986. An employer shall not be required to permit a person to participate in the health plan if the person is responsible for a lapse in coverage under the plan. In addition, an employer shall not be required to permit a person to participate in the employer's health plan if the employer offered continued participation in a health plan with substantially similar benefits and at substantially the same price as that plan provided for active employees and the person failed to enroll in that plan at the time the person was retired or disabled.

(7) If a person continuing participation in the former employer's health plan has other medical coverage as a result of that person's employment or that person's spouse's employment, the other medical coverage shall be the primary coverage for purposes of coordination of benefits as provided for in the former employer's health plan.

(8) If an eligible dependent's continued participation in a health plan was permitted because of the person's relationship to a retired or disabled employee of the employer providing the health plan and the retired or disabled employee dies, then that eligible dependent shall be permitted to continue participation in the health plan for a period of not less than six months after the death of the retired or disabled employee.

(9) An employer may offer one or more health plans different from that provided for active employees and designed to meet the needs of persons requesting continued participation in the employer's health plan. These health plans for continued participation shall be provided at a rate, cost, or premium which does not exceed that provided for active employee health plans. An employer, in designing or offering continued participation in a health plan, may utilize terms or conditions necessary to administer such plans to the extent such terms and conditions do not conflict with this section.

(10) If an employer changes the underwriter of a health plan, the replaced underwriter has no further responsibility or obligation to persons who continued participation in a health plan of the replaced underwriter. However, the employer shall permit such persons to participate in any new health plan.

(11) The benefits granted pursuant to this section shall not be considered a matter of contractual right. Should the legislature revoke or change or a county, municipality, or other political subdivision of the state change any benefits granted under this section, an affected person shall not be entitled thereafter to receive the benefits as a matter of contractual right.

(12) Nothing contained in this section shall be deemed to affect any health plan contained in a collective bargaining agreement in existence as of the effective date of this act. However, any plan contained in future collective bargaining agreements shall conform to the provisions of this section. In addition, nothing contained in this section shall be deemed to affect any
health plan contract or policy in existence as of the effective date of this act, except any renewal of the contract or policy shall conform to the provisions of this section.

NEW SECTION. Sec. 2. Participation in the health plans provided under section 1 of this act shall take effect January 1, 1987, for all self-insured plans and for all plans renewed on or after September 1, 1986. Participation in health plans provided under section 1 of this act which are renewed after the effective date of this act but prior to September 1, 1986, shall take effect on the date the plan is next renewed, but in no case later than January 1, 1988.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

POINT OF ORDER

Senator McDonald: "Mr. President, a point of order. When this was read in on the last day, there was some problem with the notification given for the final hearing of the bill. We raised the point of order that this was in violation of Rule 45. I wonder if you would rule on that?"

RULING BY THE PRESIDENT

President Cherberg: "Yes, Senator McDonald. In ruling upon the point of order raised by Senator McDonald regarding Substitute House Bill No. 1457, the President believes that the Financial Institutions Committee had previously heard Substitute House Bill No. 1457 on February 20, 1986, and followed the proper committee procedures regarding public notice. The President believes that it is a common practice in the Senate to have executive sessions on bills previously heard in committee, therefore, the President believes that Substitute House Bill No. 1457 is properly before the Senate."

MOTION

Senator McDermott moved that the following amendment to the Committee on Financial Institutions amendment be adopted:

On page 2, of the amendment, line 31, after "RCW" strike all the material down to and including "RCW" on line 34

Debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senator McDermott to the Committee on Financial Institutions amendment.

The motion by Senator McDermott failed and the amendment to the committee amendment was not adopted.

POINT OF ORDER

Senator McDonald: "Mr. President, a point of order. In 1984, we passed a law dealing with the mandated health care coverage that's contained in RCWs 48.42-060 through 080. It says that you will have an impact statement--we're talking about both the social and financial impact of a piece of legislation like this. My understanding is that neither one of these were prepared for this bill and consequently we are in violation of 48.42.060 through 080.

"I wonder if you would rule on that and see if this bill is properly before us?"

REPLY AND RULING BY THE PRESIDENT

President Cherberg: "That's for the members to make, not the Lieutenant Governor."

Senator McDonald: "Mr. President, I guess I am saying that we do have RCWs—laws that do cover that—that we have not gone through the proper procedure. Are you saying then, that if we are in violation of that, this is properly before us?"

President Cherberg: "The President only deals in scopes and objects, Senator."

Senator McDonald: "Mr. President. I'm not scoping the amendment. I'm talking about the condition of the bill."

President Cherberg: "If you're looking for advice, I advise you to use it as an argument on the floor."

Senator McDonald: "Then you are saying that it isn't properly before us?"

President Cherberg: "I'll have to consult with the Secretary of the Senate."
"The Secretary advises that the proper procedure has been followed in presenting the amendment and that is as far as the Secretary of the Senate and the President can go."
Further debate ensued.

MOTION
On motion of Senator Vognild, further consideration of Substitute House Bill No. 1457 was deferred.

SECOND READING

HOUSE BILL NO. 1631, by Representatives Braddock, Tilly, B. Williams and Brekke (by request of Department of Social and Health Services)

The legislative budget committee shall conduct a study of the changes in the state reimbursement system for nursing homes, RCW 74.46.840, resulting from requirements of the Federal Deficit Reduction Act of 1984, (DEFRA) (P.L. 98-369). The study shall also review adjustments other states may be making as a result of DEFRA. The legislative budget committee shall report the results of this study, including recommendations for any needed legislation, to the ways and means committees of the senate and house of representatives by December 1, 1986."

Senator Goltz moved that the following amendment by Senators Goltz and Bluechel to the Committee on Ways and Means amendment be adopted:

On page 4, after line 27 of the Ways and Means striking amendment, insert the following:

"NEW SECTION. Sec. 3. If ownership of a nursing home is conveyed on or before October 1, 1984, pursuant to an agreement entered into after July 1, 1984, the agreement shall be deemed legally enforceable under state law for the purposes of property reimbursement under federal law notwithstanding the absence of a legal description of the property in the agreement.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Debate ensued.
The President declared the question before the Senate to be adoption of the amendment by Senators Goltz and Bluechel to the Committee on Ways and Means amendment.
The motion by Senator Goltz carried and the amendment to the committee amendment was adopted.

MOTION

On motion of Senator Vognild, further consideration of House Bill No. 1631 was deferred.

There being no objection, the Senate resumed consideration of Substitute House Bill No. 1839 and the pending amendment on page 3, line 10, by Senators Bauer, McManus, Conner, DeJarnatt, Owen, Halsan, Barr, von Reichbauer, Hansen, Metcalfe, Garrett, Peterson, Newhouse, Rasmussen, Vognild, Sellar, McCaslin, Cantu, Guess, Bailey, Benitz, Goltz, Granlund, Warnke, Moore and Bottiger, deferred March 6, 1986.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator McDermott, the President finds that Substitute House Bill No. 1839 is a measure expanding from five to six members by adding an elected county official to the Board of Natural Resources.

"The amendment proposed by Senators Bauer, McManus, Conner, DeJarnatt, Owen, Halsan, Barr, von Reichbauer, Hansen, Metcalfe, Garrett, Peterson, Newhouse, Rasmussen, Vognild, Sellar, McCaslin, Cantu, Guess, Bailey, Benitz, Goltz, Granlund, Warnke, Moore and Bottiger requires timber from public lands to be sold on a sustainable yield basis.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment by Senator Bauer and others was ruled out of order.

MOTION

Senator McDermott moved that the following amendment by Senators McDermott, Bauer and Barr be adopted:

On page 3, after line 10, insert the following:

"NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of natural resources.

(2) "Sustainable harvest level" means the volume of timber offered for harvest from public lands for any period as calculated by the department of natural resources and adopted by the board of natural resources.

(3) "Defaulted" means the volume remaining when a contractor fails to meet the terms of the sales contract at the completion date of the contract or any extension thereof and timber returned to the state under RCW 79.01.1331 through 79.01.1339."
(4) "Deficit" means all timber defaulted or otherwise terminated and returned to the department from July 1, 1979, until June 30, 1986, plus any difference between the sustainable harvest level and the actual board sales level during the period from July 1, 1980, through June 30, 1984.

NEW SECTION. Sec. 4. In order to take advantage of favorable interest rates enhancing the housing market, the department shall offer for sale, within proper forest management principles, the deficit timber sales volume in addition to the annual sustainable harvest level as adopted by the board of natural resources. After deductions for management costs as provided in RCW 79.64.040, all moneys received from the sale of the deficit timber volume on lands held in trust for the common schools shall be deposited in the common school construction fund.

NEW SECTION. Sec. 5. Sections ... and ... of this act shall constitute a new chapter in Title 79 RCW.

NEW SECTION. Sec. 6. Sections ... and ... of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, my understanding that there are several of those timber contracts—large ones—Weyerhaeuser—and I don't know how many others that have not settled yet on the timber that they bought. A lot of that money will go into the common school fund. Can you tell us what's happening in that? The price of lumber is going up. The stumpage price is going up; business is starting to boom out there. We should be able to recover that money for the common school fund right now. What's doing?"

Senator McDermott: "Senator Rasmussen, I don't have the exact figures, but I do know that they have made settlement with most of the large companies. I think there is only one very, very large company that has not yet settled with the state of Washington. It may turn out that with prices rising, they may decide to take and cut the timber and get the money we need."

Senator Rasmussen: "What company is that?"

Senator McDermott: "It's a very, very, very large timber company."

Senator Rasmussen: "You have no knowledge of the name of it?"

Senator McDermott: "Well. I think it begins with a 'W.'"

Senator Rasmussen: "Oh, thank you."

POINT OF ORDER

Senator Lee: "Mr. President. I raise the point of order that the amendment substantially is beyond the scope and object. It is very similar except for a line or two to the amendment that you have just ruled out of scope and object on this same bill."

MOTION

On motion of Senator Bottiger, further consideration of Substitute House Bill No. 1839 was deferred.

MOTION

On motion of Senator Vognild, and there being no objection, the Senate continued consideration of Substitute House Bill 1839 and the pending amendment by Senators McDermott, Bauer and Barr on page 3, line 10, deferred earlier today.

MOTION

On motion of Senator McDermott, and there being no objection, the amendment was withdrawn.

MOTION

Senator Gaspard moved that the following amendment by Senators Gaspard, Lee, von Reichbauer and Bender be adopted:

On page 1, after line 23, insert the following:
NEW SECTION. Sec. 2. The Legislature finds that the practices of the Board of Natural Resources have a major impact on the timber industry of the state of Washington and consequently effect the common school construction fund. Providing for common school plant facilities and modernization of existing common school plant facilities is beneficial to the students of the state of Washington and the economy of our state, in particular the timber industry. The Board of Natural Resources is directed to be cognizant of these benefits in its deliberations.

NEW SECTION. Sec. 3. For the purpose of furnishing funds for state assistance to school districts in providing common school plant facilities and modernization of existing common school plant facilities and to provide for the state administrative costs of such projects, including costs of bond issuance and retirement, salaries, and related costs of officials and employees of the state, costs of credit enhancement agreements, and other expenses incidental to the administration of capital projects, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of thirty million dollars, or so much thereof as may be required to finance these projects and all costs incidental thereto. Bonds authorized in this section may be sold at such price as the state finance committee shall determine. The state finance committee may obtain insurance or letters of credit and may authorize the execution and delivery of agreements, promissory notes, and other obligations for the purpose of insuring the payment or enhancing the marketability of bonds authorized in this section.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds authorized in section 2 of this act shall be deposited in the common school construction fund and shall be used exclusively for the purposes specified in this section and section 2 of this act and for the payment of expenses incurred in the issuance and sale of the bonds. These proceeds shall be administered by the state board of education in any fiscal year to provide state assistance for primary and secondary school construction and modernization projects: (1) Which would not receive state assistance under state board allocation rules in effect January 1, 1986, from funds other than the proceeds of these bonds, and (2) for which state assistance is limited to the state matching percentage calculated pursuant to RCW 28A.47.803(2): PROVIDED. That districts which had, prior to September 30, 1985, received preliminary state board approval for state assistance for a project involving new construction in lieu of modernization shall not suffer any change in the priority status of the project or the amount of assistance for which the district is eligible, in the case that the district modernizes rather than replaces the facility and the following conditions are met:

(a) The school district has calculated the life-cycle cost of modernization; and
(b) The life-cycle cost of modernization is less than or equal to the cost of meeting the same need through new construction.

NEW SECTION. Sec. 5. The state general obligation bond retirement fund shall be used for the payment of the principal of and interest on the bonds authorized in section 2 of this act. The state finance committee may provide that a special account be created in such fund to facilitate payment of principal and interest.

The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount needed in the ensuing twelve months to meet the bond retirement and interest requirements. Not less than thirty days before the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the general obligation bond retirement fund, or a special account in that fund, an amount equal to the amount certified by the state finance committee to be due on the payment date.

Bonds issued under section 2 of this act shall state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay the principal and interest as the same shall become due.

The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 6. The legislature may provide additional means for raising moneys for the payment of the principal of and interest on the bonds authorized in section 2 of this act, and section 4 of this act shall not be deemed to provide an exclusive method for the payment. To this end a joint select committee on school construction is created to study financing of common school capital projects.

(1) The committee shall be composed of the following members:

(a) Three members from each caucus of the house of representatives appointed by the speaker of the house of representatives. At least one member shall be from the education committee, at least one member shall be from the natural resources committee and at least one member shall be from the ways and means committee;
(b) Three members from each caucus of the senate appointed by the president of the senate. At least one member shall be from the education committee, at least one member shall be from the natural resources committee and at least one member shall be from the ways and means committee;
(c) The committee shall select a chairman from among its members.
(2) The joint select committee shall study and make recommendations to the legislature on the following topics:
(a) The long-term funding capacity of the common school construction fund;
(b) Alternative revenue or financing options for support of common school construction projects;
(c) State priorities for the equitable allocation of available construction funds, including methods for determining eligibility for state assistance and calculating state support; and
(d) Methods for encouraging efficient application of resources made available by the legislature for school construction.

(3) The joint select committee shall submit a report of its findings and final recommendations to the legislature no later than December 15, 1986, and shall expire April 1, 1987.

NEW SECTION. Sec. 7. The bonds authorized in section 3 of this act shall be a legal investment for all state funds or funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 8. Sections 3 through 7 of this act are each added to chapter 43.99G RCW.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

POINT OF ORDER

Senator McDermott: "Mr. President, I raise the point that the amendment expands the scope and object of the bill. This bill started out as a little bill to add a county official to the Board of Natural Resources. The amendment we have before us puts on thirty million dollars worth of school bonds and requires a sixty percent vote to pass. I can't imagine a bill that could expand it much more than that."

On motion of Senator Gaspard, and there being no objection, the amendment on page 1, line 23, by Senators Gaspard, Lee, von Reichbauer and Bender was withdrawn.

MOTION

On motion of Senator McDermott, the rules were suspended. Substitute House Bill No. 1839 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

SUBSTITUTE HOUSE BILL NO. 686, by Committee on Commerce and Labor (originally sponsored by Representatives Sayan and Lux)

Reducing compensation for disability by the amount of unemployment benefits.

The bill was read the second time.

MOTION

On motion of Senator Warnke, the rules were suspended. Substitute House Bill No. 686 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Warnke, this bill—apparently if you were getting compensation from unemployment and you are getting compensation from industrial insurance, it prevents you from getting both?"

Senator Warnke: "Getting both at the same time."

Senator Rasmussen: "This doesn't have a limit on what the man was earning before he became disabled and because of his disability? It may have been partial disability. He couldn't handle the same job—like he was a steel worker and I am wondering—and I presume you worked it out—on either industrial insurance or disability benefits, you don't get the full wages that you need to support your family—you only get partial. Is this going to reduce it further?"

Senator Warnke: "Senator Rasmussen, this will affect about one percent. When the study was done, they went through the records and found that people were drawing unemployment compensation at the same time they were drawing workman's compensation. It wasn't intended to be that way and the bill takes care of the problem."

Senator Rasmussen: "I'm not sure that it does. Thank you."

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "To directly answer Senator Rasmussen's question, this applies only to total disability, either permanent or temporary, but total and not for partial."

REMARKS BY SENATOR TALMADGE

Senator Talmadge: "To add upon that. For one to be totally disabled, one must be disabled from all gainful employment. To get unemployment compensation benefits, you have to be actively seeking employment. If a person were receiving worker's compensation benefits and unemployment compensation, they would possibly be guilty of a crime under the Industrial Insurance Act."
The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 686.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 686 and the bill passed the Senate by the following vote: Yeas, 48; excused, 1.

On page 3, line 15, strike "should" and insert "shall"

The director shall have the authority to issue a notice of civil infraction if an infraction is committed in his or her presence or, if after investigation, the director has reasonable cause to believe an infraction has been committed. It shall be a misdemeanor for any person to refuse to properly identify himself or herself for the purpose of issuance of a notice of infraction or to refuse to sign the written promise to appear or respond to a notice of infraction. Any person willfully violating a written and signed promise to respond to a notice of infraction shall be guilty of a misdemeanor regardless of the disposition of the notice of infraction.

NEW SECTION, Sec. 2. A new section is added to chapter 20.01 RCW to read as follows:

(1) Any person who receives a notice of infraction shall respond to such notice as provided in this section within fifteen days of the date of the notice.

(2) Any employee or agent of a licensee under this chapter is fully authorized to accept a notice of infraction on behalf of the licensee. The director shall also furnish a copy of the notice of infraction to the licensee by certified mail within five days of issuance.

(3) If the person determined to have committed the infraction does not contest the determination, that person shall respond by completing the appropriate portion of the notice of infraction and submitting it, either by mail or in person, to the court specified on the notice. A check or money order in the amount of the penalty prescribed for the infraction must be submitted with the response. When a response, which does not contest the determination, is received, an appropriate order shall be entered into the court's record and a record of the response shall be furnished to the director.

NEW SECTION, Sec. 3. A new section is added to chapter 20.01 RCW to read as follows:

A hearing held for the purpose of contesting the determination that an infraction has been committed shall be held without jury. The burden of proof is upon the state to establish the commission of the infraction by preponderance of evidence.

After consideration of the evidence and argument, the court shall determine whether the infraction was committed. Where it is not established that the infraction was committed, an order dismissing the notice shall be entered in the court's record. When it is established that the infraction was committed, an appropriate order shall be entered in the court's record, a copy of which shall be furnished to the director. Appeal from the court's determination or order shall be to the superior court and must be appealed within ten days. The decision of the superior court is subject only to discretionary review pursuant to Rule 2.3 of the rules of appellate procedure.

NEW SECTION, Sec. 4. A new section is added to chapter 20.01 RCW to read as follows:

A hearing held for the purpose of allowing a person to explain mitigating circumstances surrounding the commission of an infraction shall be an informal proceeding. The person named in the notice may not subpoena witnesses. The determination that the infraction has
been committed may not be contested at a hearing held for the purpose of explaining circumstances. After the court has heard the explanation of the circumstances surrounding the commission of the infraction, an appropriate order shall be entered in the court's record. A copy of the order shall be furnished to the director. There may be no appeal from the court's determination or order.

NEW SECTION. Sec. 5. A new section is added to chapter 20.01 RCW to read as follows:

Any person found to have committed a civil infraction under this chapter shall be assessed a monetary penalty. No monetary penalty so assessed may exceed one thousand dollars. The director shall adopt a schedule of monetary penalties for each violation of this chapter classified as a civil infraction and shall submit the schedule to the proper courts. Whenever a monetary penalty is imposed by the court, the penalty is immediately due and payable. The court may, at its discretion, grant an extension of time, not to exceed thirty days, in which the penalty must be paid. Failure to pay any monetary penalties imposed under this chapter shall be punishable as a misdemeanor.

In previous times, once we started on a piece of legislation and we go past the hour of five o’clock, it has been ruled that we can continue on that. However, you have not ruled on if a bill was picked up and put down on the calendar and then at some later time after five o’clock if that bill is still legitimately before us. I know last year you ruled on one, but you did not rule on the latter case. I wonder if you would do that?”

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: “Mr. President, speaking to the point of order, I would concur with Senator McDonald and defer to your wisdom but if we were to take all the bills that we deferred as we went along because they were controversial, we’d be here until this time tomorrow or the next day, or maybe even next month and I wouldn’t want to see us start picking up deferred bills.”

Further debate ensued.
POINT OF ORDER

Senator McDonald: "Mr. President, in making your ruling on 495, I wonder if you would also consider House Bill No. 1484? It was a bill that we started at the beginning of today and was set down this morning. I wonder if in your ruling you would tell us if that bill as well is before us?"

RULING BY THE PRESIDENT

President Cherberg: "As long as the President can remember, the custom has been that the Senate will consider one bill that it has been working on after the deadline. Customarily, the Senate has worked one bill that was being considered by the body. My reply to your last question, the answer would be, 'No, only one bill.'"

Senator McDonald: "Mr. President, how do we pick that bill?"

President Cherberg: "The bill that is being considered by the body."

Senator McDonald: "But House Bill No. 1484 also----"

President Cherberg: "The President does not pick the bills. The Senators pick the bills."

Senator McDonald: "Then we could pick any bill that we so chose?"

President Cherberg: "Yes, one, but not two. Senator Vognild moved that the bill be considered and you can vote it down if you choose."

POINT OF INQUIRY

Senator Guess: "Senator Vognild, I don't have the cutoff resolution in my hand. Evidently you know it better than I, but if memory serves, sir, there was no exception in there. Cutoff was to be at five o'clock today and it is now 5:12."

Senator Vognild: "Senator Guess, if you're asking me why I made this motion, you do not want the answer in the record."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, I'll put it in the record. When the bill was called up, a whole sheet—three pages plus another amendment were put up on a bill, as Senator Talmadge indicated, had been worked here for two solid years. It is obviously a delaying technique when we tried to schedule the bill for close to five o'clock. It's the wisdom of the rule to prevent that kind of delaying technique from being used."

REMARKS BY SENATOR GUESS

Senator Guess: "Senator Bottiger, if you will ask the Secretary of the Senate, he will tell you that my amendment was laid there at approximately a quarter of twelve. As we came out of caucus—it was probably earlier than that—I don't remember whether it was time stamped or not, but my amendment was there."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Senator, your reputation is beyond reproach. I'm not suggesting that you didn't put your amendment up early, but in this last day of scheduling in trying to get the business of the Senate completed, it is obvious when someone puts up three pages of amendments—these aren't yours, sir—that's the technique that should not be permitted to delay us."

PARLIAMENTARY INQUIRY

Senator Talmadge: "Mr. President, what issue is presently before the body at the present time?"

REPLY BY THE PRESIDENT

President Cherberg: "The motion by Senator Vognild that the Senate consider Engrossed Substitute House Bill No. 495 that was previously being considered."

Senator Talmadge: "Mr. President, I believe the remarks of the members should be directed to that issue, if at all possible, so the orderly business of the Senate can proceed."

Further debate ensued.

Senator Rasmussen demanded a roll call and the demand was sustained.
The President declared the question before the Senate to be the roll call on the motion by Senator Vognild that the Senate resume consideration of Engrossed Substitute House Bill No. 495.

ROLL CALL

The Secretary called the roll and the motion by Senator Vognild carried by the following vote: Yeas, 26; nays, 21; absent, 1; excused, 1.

Absent: Senator Pullen - 1.

Excused: Senator Stratton - 1.

The Senate resumed consideration of Engrossed Substitute House Bill No. 495 and the pending amendment by Senator Guess on page 1, line 23, deferred earlier today.

MOTION

On motion of Senator Guess, and there being no objection, the amendment was withdrawn.

PARLIAMENTARY INQUIRY

Senator McDonald: "Mr. President, if I can find the amendment in all of this, there's one on the bottom of the amendment sheet that is marked No. 8—it's an amendment to the committee amendment. We adopted the committee amendment without considering this amendment. Maybe I'm mistaken, but I don't think we considered this amendment and would like to find out."

REPLY BY THE PRESIDENT

President Cherberg: "The Secretary advises that your remarks are correct and that the committee amendment will have to be reconsidered in order to accommodate the situation."

Senator McDonald: "Mr. President, this amendment was properly before us and I would request that we could indeed do that."

MOTION

Having voted on the prevailing side, Senator Vognild moved to reconsider the vote by which the Committee on Judiciary amendment on page 1, line 27, was adopted earlier today.

The President declared the question before the Senate to be the motion by Senator Vognild to reconsider the vote by which the Committee on Judiciary amendment on page 1, line 27, was adopted.

The motion by Senator Vognild carried and the Senate resumed consideration of the Committee on Judiciary amendment on page 1, line 27, on reconsideration.

MOTION

On motion of Senator Barr, the following amendment to the Committee on Judiciary amendment was adopted:

On page 1 of the Judiciary Committee amendment to page 1, line 27, after "imposed by the United States" insert "but shall not include those lands which lie north of the present reservation which were included in original reservation boundaries created in 1872 and which are referred to as the "Diminished Reservation."

The President declared the question before the Senate to be adoption of the Committee on Judiciary amendment on page 1, line 27, as amended.

The committee amendment, as amended, was adopted.

MOTION

Senator Barr moved that further consideration of Engrossed Substitute House Bill No. 495 be deferred.

Debate ensued.
The President declared the question before the Senate to be the motion by Senator Barr that further consideration of Engrossed Substitute House Bill No. 495 be deferred.

The motion by Senator Barr failed and the Senate continued consideration of Engrossed Substitute House Bill No. 495.

MOTION

Senator Vognild moved that the following amendments, the first group by Senator Barr, and the second group by Senators Barr and Rasmussen be considered simultaneously and adopted:

- On page 1, line 10, after "over" insert "Colville tribal"
- On page 1, line 16, after "over" insert "non-Colville tribal Indians."
- On page 2, line 9, after "governor" strike "shall" and insert "may"
- On page 2, line 18, after "jurisdiction" insert "and is approved by a majority vote of those elected to the legislature in the next regular session following acceptance by the United States government as described in this section"
- On page 2, line 20, after "proceeding" strike "pending before" and insert "which has been filed with"
- On page 2, line 21, after "state" insert "or local government"
- On page 2, line 24, beginning with "For" strike all language through "proceeding."
- On page 2, line 21, after "state" strike "immediately"
- On page 2, line 24, beginning on line 4, strike all material through "non-Indians:"
- On page 1, line 9, after "authorize" insert "a procedure for"

On page 2, beginning on line 4, strike all material through "non-Indians:" and insert the following:

"NEW SECTION. Sec. 4. Whenever the governor receives resolutions from the business council of the confederated tribes of the Colville Reservation and a resolution of the county legislative authorities for both Okanogan and Ferry counties requesting the retrocession by the state of all or any measure of the criminal jurisdiction acquired by the state pursuant to section 5, chapter 36, Laws of 1963 over lands of the Colville Indian Reservation, and each county resolution has been approved by the voters of the respective counties after submission at the next succeeding general election following the passage of such resolutions, then and only then, the governor shall, within ninety days of such election, issue a proclamation retroceding to the United States the criminal jurisdiction previously acquired by the state over such reservation. However, the state of Washington shall retain jurisdiction as provided in RCW 37.12.010. The proclamation of retrocession shall not become effective until it is accepted by an officer of the United States government in accordance with 25 U.S.C. Sec. 1323 (82 Stat. 78, 79) and in accordance with procedures established by the United States for acceptance of such retrocession of jurisdiction. The Colville tribes shall not exercise criminal or civil jurisdiction over non-Indians."

PARLIAMENTARY INQUIRY

Senator McDonald: "Mr. President, we have revisited this new pioneering effort in parliamentary double-think. We have now for the third time adopted an omnibus amendment package. We do not have the choice now whether we want some amendments or don't want some amendments and you and I—-all of us on this floor—-Democrat or Republican—are going to be tagged with the amendments—one and all—whether you like them or not. If you can't pick and choose between them, it creates a very difficult problem that we're going to have to deal with, not only parliamentary-wise and process-wise, but politically. For instance, in House Bill No. 32 the other day, the folks out here had adopted an amendment that took out tenure as a bargaining position. Now, I don't know if you all wanted that, but you voted for it and you voted for it in an omnibus package.

"I would like to put the body on notice that we will prepare a written statement to be entered in the record concerning this procedure. It's a very dangerous procedure and I hope all of you who have the twenty-five votes now understand what you're doing in adopting these procedures."

MOTION

On motion of Senator Vognild, the motion to adopt the amendments by Senators Barr and Rasmussen was withdrawn.

Debate ensued.
POINT OF INQUIRY

Senator Talmadge: "Senator Barr, was it not your intention to take all of these amendments simultaneously? I believe we are fulfilling our end of the agreement. I assume that that's still your understanding?"

Senator Barr: "Yes, Senator Talmadge. I had agreed to take them simultaneously before five o'clock and I thought we did that and we held up our part of the deal and I thought that's what we did and like I stated awhile ago that's fine with me now, so nothing will interrupt our agreement for the rest of this session until next Thursday night."

Senator Talmadge: "Why don't you go ahead and make that motion, Senator?"

MOTION

On motion of Senator Barr, the amendments, the first group by Senator Barr, and the second group by Senators Barr and Rasmussen were considered simultaneously and adopted:

On page 1, line 10, after "over" insert "Colville tribal"
On page 1, line 16, after "over" insert "non-Colville tribal Indians."
On page 2, line 9, after "governor" strike "shall" and insert "may"
On page 2, line 18, after "jurisdiction" insert "and is approved by a majority vote of those elected to the legislature in the next regular session following acceptance by the United States government as described in this section"
On page 2, line 20, after "proceeding" strike "pending before" and insert "which has been filed with"
On page 2, line 21, after "state" insert "or local government"
On page 2, line 21, after "state" strike "immediately"
On page 2, line 24, beginning with "For" strike all language through "proceeding." on line 26
On page 2, line 18, strike all language after "jurisdiction," through "non-Indians" on line 19 and insert "The Colville tribes shall not exercise criminal or civil jurisdiction over non-Indians"
On page 1, line 9, after "authorize" insert "a procedure for"
On page 2, beginning on line 4, strike all material through "non-Indians." on line 19 and insert the following:

"NEW SECTION. Sec. 4. Whenever the governor receives resolutions from the business council of the confederated tribes of the Colville reservation and a resolution of the county legislative authorities for both Okanogan and Ferry counties requesting the retrocession by the state of all or any measure of the criminal jurisdiction acquired by the state pursuant to section 5, chapter 36, Laws of 1963 over lands of the Colville Indian reservation, and each county resolution has been approved by the voters of the respective counties after submission at the next succeeding general election following the passage of such resolutions, then and only then, the governor shall, within ninety days of such election, issue a proclamation retroceding to the United States the criminal jurisdiction previously acquired by the state over such reservation. However, the state of Washington shall retain jurisdiction as provided in RCW 37.12.010. The proclamation of retrocession shall not become effective until it is accepted by an officer of the United States government in accordance with 25 U.S.C. Sec. 1323 (82 Stat. 78, 79) and in accordance with procedures established by the United States for acceptance of such retrocession of jurisdiction. The Colville tribes shall not exercise criminal or civil jurisdiction over non-Indians."

MOTION

On motion of Senator Talmadge, the rules were suspended, Engrossed Substitute House Bill No. 495, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage. Debate ensued.

POINT OF INQUIRY

Senator Moore: "Senator Barr, is this bill—are all three of you from the district in accord—Representatives Fuhrman and Bristow?"

Senator Barr: "Senator Moore, throughout the last couple of years, there has been considerable changing on the support and attitude towards this measure, as the information developed in those two counties. The county commissioners a year ago were all opposed and the sheriffs were all opposed and during this last year the county commissioners—the majority of the county commissioners—not all of them do support it—and during this process an evolution of developing the bill, then both Representatives voted for the bill in the House. When some of the people
were down here last week lobbying the bill from Okanogan County, they asked one of them why he voted for it and he said, 'He wasn't really supporting it, but he did vote for it,' but officially they are both supporting it, as I do when it gets the way it should."

Senator Moore: "Excuse me, Mr. President, so you are saying that they favor these amendments?"

Senator Barr: "To further answer that question. When I was off the floor just before this came up, I went over and asked them and they both agreed to the amendments—both House members agreed to the amendments."

Senator Moore: "Thank you."

**MOTION**

On motion of Senator Bender, Senator McManus was excused.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 495, as amended by the Senate.

**ROLL CALL**

The Secretary called the roll on final passage of Engrossed Substitute House Bill No. 495, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 38; nays, 8; absent, 1; excused, 2.

Voting yea: Senators Bailey, Barr, Bauer, Bender, Bluechel, Cantu, Conner, Craswell, Deccio, DeJarnatt, Fleming, Garrett, Gaspard, Goltz, Granlund, Halsan, Hansen, Johnson, Kiskaddon, Kreidler, Lee, McCaslin, McDermott, McDonald, Moore, Owen, Patterson, Peterson, Pullen, Rinehart, Saling, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn - 38.

Absent: Senator Bottiger - 1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 495, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

March 7, 1986

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 3453 with the following amendments:

On page 2, after line 13, insert the following:

"Sec. 6. Section 14, chapter 260, Laws of 1981 as last amended by section 1, chapter 146, Laws of 1984 and RCW 60.28.010 are each amended to read as follows:

(1) Contracts for public improvements or work, other than for professional services, by the state, or any county, city, town, district, board, or other public body, herein referred to as "public body", shall provide, and there shall be reserved by the public body from the moneys earned by the contractor on estimates during the progress of the improvement or work, a sum not to exceed five percent, said sum to be retained by the state, county, city, town, district, board, or other public body, as a trust fund for the protection and payment of any person or persons, mechanic, subcontractor or materialman who shall perform any labor upon such contract or the doing of said work, and all persons who shall supply such person or persons or
subcontractors with provisions and supplies for the carrying on of such work, and the state with respect to taxes imposed pursuant to Title 82 RCW which may be due from such contractor. Every person performing labor or furnishing supplies toward the completion of said improvement or work shall have a lien upon said moneys so reserved: PROVIDED, That such notice of the lien of such claim shall be given in the manner and within the time provided in RCW 39.08.030 as now existing and in accordance with any amendments that may hereafter be made thereto: PROVIDED FURTHER, That the board, council, commission, trustees, officer or body acting for the state, county or municipality or other public body: (a) at any time after fifty percent of the original contract work has been completed, if it finds that satisfactory progress is being made, may make any of the partial payments which would otherwise be subsequently made in full; but in no event shall the amount to be retained be reduced to less than five percent of the amount of the moneys earned by the contractor: PROVIDED, That the contractor may request that retainerage be reduced to one hundred percent of the value of the work remaining on the project: and (b) thirty days after completion and acceptance of all contract work other than landscaping, may release and pay in full the amounts retained during the performance of the contract (other than continuing retention of five percent of the moneys earned for landscaping) subject to the provisions of RCW 60.28.020.

(2) The moneys reserved under the provisions of subsection (1) of this section, at the option of the contractor, shall be:
   (a) Retained in a fund by the public body until thirty days following the final acceptance of said improvement or work as completed;
   (b) Deposited by the public body in an interest bearing account in a bank, mutual savings bank, or savings and loan association, not subject to withdrawal until after the final acceptance of said improvement or work as completed, or until agreed to by both parties: PROVIDED, That interest on such account shall be paid to the contractor;
   (c) Placed in escrow with a bank or trust company by the public body until thirty days following the final acceptance of said improvement or work as completed. When the moneys reserved are to be placed in escrow, the public body shall issue a check representing the sum of the moneys reserved payable to the bank or trust company and the contractor jointly. Such check shall be converted into bonds and securities chosen by the contractor and approved by the public body and such bonds and securities shall be held in escrow. Interest on such bonds and securities shall be paid to the contractor as the said interest accrues.
   (3) The contractor or subcontractor may withhold payment of not more than five percent from the moneys earned by any subcontractor or sub-subcontractor or supplier contracted with by the contractor to provide labor, materials, or equipment to the public project. Whenever the contractor or subcontractor reserves funds earned by a subcontractor or sub-subcontractor or supplier, the contractor or subcontractor shall pay interest to the subcontractor or sub-subcontractor or supplier at a rate equal to that received by the contractor from or to the public body. Such bond and any proceeds thereto shall be held in escrow. Interest on such bonds and securities and claims and liens thereon shall be paid to the contractor as the said interest accrues.

(4) With the consent of the public body the contractor may submit a bond for all or any portion of the amount of funds retained by the public body in a form acceptable to the public body. Such bond and any proceeds therefrom shall be made subject to all claims and liens and in the same manner and priority as set forth for retained percentages in this chapter. The public body shall release the bonded portion of the retained funds to the contractor within thirty days of accepting the bond from the contractor. Whenever a public body accepts a bond in lieu of retained funds from a contractor, the contractor shall accept like bonds from any subcontractors or suppliers from which the contractor has retained funds. The contractor shall then release the funds retained from the subcontractor or supplier to the subcontractor or supplier within thirty days of accepting the bond from the subcontractor or supplier.

(5) If the public body administering a contract, after a substantial portion of the work has been completed, finds that an unreasonable delay will occur in the completion of the remaining portion of the contract for any reason not the result of a breach thereof, it may, if the contractor agrees, delete from the contract the remaining work and accept as final the improvement at the stage of completion then attained and make payment in proportion to the amount of the work accomplished and in such case any amounts retained and accumulated under this section shall be held for a period of thirty days following such acceptance. In the event that the work shall have been terminated before final completion as provided in this section, the public body may thereafter enter into a new contract with the same contractor to perform the remaining work or improvement for an amount equal to or less than the cost of the remaining work as was provided for in the original contract without advertisement or bid. The provisions of this subsection shall be deemed exclusive and shall supersede all provisions and regulations in conflict herewith.

(6) Whenever the department of transportation has contracted for the construction of two or more ferry vessels, thirty days after completion and final acceptance of each ferry vessel, the department may release and pay in full the amounts retained in connection with the construction of such vessel subject to the provisions of RCW 60.28.020: PROVIDED, That the department of transportation may at its discretion condition the release of funds retained in connection with the completed ferry upon the contractor delivering a good and sufficient bond with two or
more sureties, or with a surety company, in the amount of the retained funds to be released to the contractor, conditioned that no taxes shall be certified or claims filed for work on such ferry after a period of thirty days following final acceptance of such ferry; and if such taxes are certified or claims filed, recovery may be had on such bond by the department of revenue and the materialmen and laborers filing claims.

(7) (On projects commenced after June 7, 1984, the trust fund established pursuant to subsection (1) of this section may be reserved for the protection of the owner or owners of such public improvements when specifically required by regulations of the farmers home administration for the provision of grant or loan funds administered by that agency.) Contracts on projects funded in whole or in part by Farmers Home Administration and subject to Farmers Home Administration regulations shall not be subject to subsections (1) through (6) of this section.”

Renumber the remaining section consecutively.

On page 1, line 1 of the title, after “liens;” insert “amending RCW 60.28.010;”.

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 5, 1986

Mr. President:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 3487 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Capital investments in energy conservation in buildings can produce significant reductions in energy use, reducing the need to import or extract fossil fuels and lowering the cost of operating buildings.

(2) The state of Washington has an obligation to operate state buildings efficiently and to implement all cost-effective energy conservation measures so that citizens are assured that
public funds are spent wisely and so that citizens have an example of the savings possible from energy conservation.

(3) The state has completed energy consumption and walk-through surveys of its buildings and other facilities and has established a schedule for technical assistance studies which is the basis for implementing energy conservation measure installations to meet the milestones in RCW 43.19.680. However, there is uncertainty that the milestones will be met.

(4) The potential savings from energy conservation can be more readily realized by explicitly considering conservation measures and procedures in the state's budgeting and long-range planning process.

Sec. 2. Section 5, chapter 172, Laws of 1980 as last amended by section 1, chapter 313, Laws of 1983 and RCW 43.19.680 are each amended to read as follows:

(1) Upon completion of each walk-through survey required by RCW 43.19.675, the director of general administration or the agency responsible for the facility if other than the department of general administration shall implement energy conservation maintenance and operation procedures that may be identified for any state-owned facility. These procedures shall be implemented as soon as possible but not later than twelve months after the walk-through survey.

(2) By December 31, 1981, for the capitol campus the director of general administration, in cooperation with the director of the state energy office, shall prepare and transmit to the governor and the legislature an implementation plan.

(3) By December 31, 1983, for all other state-owned facilities, the director of general administration in cooperation with the director of the state energy office shall prepare and transmit to the governor and the legislature the results of the energy consumption and walk-through surveys and a schedule for the conduct of technical assistance studies. This submission shall contain the energy conservation measures planned for installation during the ensuing biennium. Priority considerations for scheduling technical assistance studies shall include but not be limited to a facility's energy efficiency, responsible agency participation, comparative cost and type of fuels, possibility of outside funding, logistical considerations such as possible need to vacate the facility for installation of energy conservation measures, coordination with other planned facility modifications, and the total cost of a facility modification, including other work which would have to be done as a result of installing energy conservation measures. Energy conservation measure acquisitions and installations shall be scheduled to be twenty-five percent complete by June 30, 1985, or at the end of the capital budget biennium which includes that date, whichever is later, fifty-five percent complete by June 30, 1989, or at the end of the capital budget biennium which includes that date, whichever is later, eighty-five percent complete by June 30, 1993, or at the end of the capital budget biennium which includes that date, whichever is later, and fully complete by June 30, 1995, or at the end of the capital budget biennium which includes that date, whichever is later. Each state agency shall implement energy conservation measures with a payback period of twenty-four months or less that have a positive cash flow in the same biennium.

For each biennium until all measures are installed, the director of general administration shall report to the governor and legislature installation progress, measures planned for installation during the ensuing biennium, and changes, if any, to the technical assistance study schedule. This report shall be submitted by December 31, 1984, or at the end of the following year which is immediately preceded by a capital budget adoption, and every two years thereafter until all measures are installed. The office of financial management shall indicate which of the measures in the foregoing report are included in the biennial budget request and the total cost to accomplish those measures which are not included.

(4) The director of general administration shall adopt rules to facilitate private investment in energy conservation measures for state-owned buildings consistent with state law.

NEW SECTION. Sec. 3. (1) The office of financial management shall develop policy guidelines for state agencies to use in budgeting for and implementing energy conservation maintenance and operation procedures and energy conservation measures, including those mandated under RCW 43.19.680:

(2) The guidelines shall require that agencies budget for the timely implementation of cost-effective measures and procedures explain why any measures or procedures should not be funded;

(3) In developing the guidelines the office of financial management shall ensure that to the extent possible the budget process shall allow state agencies implementing energy conservation to retain the resulting cost savings for other purposes, including further energy conservation; and

(4) The office of financial management shall consult with the state energy office and the department of general administration, as necessary, to administer this section properly. The office of financial management shall establish the guidelines by December 31, 1986.

NEW SECTION. Sec. 4. The state energy office shall provide the office of financial management with energy consumption data necessary to implement section 3 of this act. Facilities or the agencies responsible for them shall report accurate monthly energy consumption and cost
figures for all fuels to the state energy office quarterly, including any changes in total space
served or facility operations.

NEW SECTION. Sec. 5. Sections 3 and 4 of this act are each added to chapter 43.41 RCW.

On page 1, line 1 of the title. after "agencies:" strike the remainder of the title and insert
"amending RCW 43.19.680; adding new sections to chapter 43.41 RCW; and creating a new
section."

and the same are herewith transmitted.

NEW SECTION. Sec. 3. The legislature finds that growth of the state's population and econ­
omy places increasingly greater demands on available water resources. including this state's
ground water supplies. The legislature also finds that chapter 90.44 RCW. popularly known as
the Ground Water Code of 1945. protects the public wellare by providing an orderly system of
right to the beneficial use of water based upon the "first in time is first in right" principle of the
prior appropriation doctrine. The purpose of sections 4 and 5 of this act is to provide remedies
to protect the right of a holder of a senior right to ground water to a safe sustaining yield of
water.

NEW SECTION. Sec. 4. A new section is added to chapter 90.44 RCW to read as follows:

1. The remedies to protect the right of the holder of a senior water right to a safe sustain­
ing yield of water include protection of the availability of water in the well or wells used to
exercise that senior water right. without the wells or withdrawal works being significantly
modified. That availability is protected against interruption or other interference caused by
either: (a) The water works of. or the water withdrawal activities of. a person or persons exer­
cising junior rights to ground water; or (b) any other activities of a person or persons that do not
directly involve the exercise of a more senior right to water. Junior rights to ground water are
those established subsequently to a senior right under the prior appropriation doctrine upon
which this chapter is based.

2. The holder of a senior water right is entitled to adequate compensation whenever the
water works or water withdrawal activities of a person or persons exercising junior rights to
ground water cause such an interruption or interference in that availability of water. Adequate
compensation for the loss of that availability will be made if the holder of the senior right is
provided with:

(a) An amount equivalent to the increased costs reasonably incurred by or reasonably to
be incurred by the holder of the senior water right in securing and using water. to the full
extent of the senior right, as a result of losing the availability protected by subsection (1) of this section. The full extent of the senior right includes any conditions that applied to the right such as the quantity and quality of the water, the location of use, and time of use:

(b) The delivery of water to the holder of the senior right. To qualify as compensation, the water delivered must be of a quantity equal to and a quality equivalent to that of the senior right and the delivery must also be under such conditions, including but not limited to timing and location, as applied to the senior right without increased costs being incurred by the senior rightholder; or

(c) The payment of just compensation pursuant to the exercise of eminent domain if the holder of the junior rights has been granted the power of eminent domain.

(3) In lieu of the forms of compensation provided by this section, the holder of the senior right to ground water may freely enter contractual agreements establishing other compensation.

(4) In any civil action brought under this section, if the court believes the legal remedies are inadequate or excessively harsh, it may provide such equitable relief as it believes appropriate. The court shall also provide such emergency relief as is appropriate for the protection of ground water rights.

(5) The department of ecology shall not enforce the remedies provided under this section. It is intended that such remedies will be privately enforced by the holders of senior water rights. In considering an application filed after the effective date of this section for a permit under this chapter, the department shall decide the application as if this section were never enacted. However, the department shall place on each permit granted after the effective date of this section a notation conditioning the permit on the holder's compliance with the remedy provisions of this section. Whenever the court finds that a permit holder is unable or unwilling to cure the holder's noncompliance with such provisions, the court shall issue an order revoking the permit and serve a copy of its order on the department. The order shall become effective on the day it is served on the department.

(6) The statutory remedies provided under this section apply only against interruption or interference caused by the exercise of junior water rights for which permits have been issued after the effective date of this section or which have been otherwise perfected after the effective date of this section. These statutory remedies may not be applied against interruption or interference caused by the exercise of water rights existing prior to the effective date of this section. Nothing in this section expands, prohibits, or restricts in any manner whatsoever any powers of the judiciary to devise, provide for, and enforce remedies designed to protect senior water rights existing prior to the effective date of this section from interruption or interference caused by the exercise of junior water rights also existing prior to the effective date of this section.

Sec. 5. Section 7, chapter 263, Laws of 1945 and RCW 90.44.070 are each amended to read as follows:

No permit shall be granted for the development or withdrawal of public ground waters beyond the capacity of the underground bed or formation in the given basin, district, or locality to yield such water within a reasonable or feasible pumping lift in case of pumping developments, or within a reasonable or feasible reduction of pressure in the case of artesian developments. [(The supervisor of water resources)] Except as provided otherwise in section 4 of this 1986 act, the director of ecology shall have the power to determine whether the granting of any [(such)] permit will injure or damage any vested or existing right or rights under prior permits and may in addition to the records of his office, require further evidence, proof, and testimony before granting or denying any such permits.

The granting of a permit by the director does not relieve the recipient of the permit of any liability for injuring or damaging vested or existing rights to water.

In multi-aquifer systems, the director may require, as permit conditions, the casing and sealing of wells or other construction techniques to: (1) Protect the use of the uppermost aquifer or aquifers of the system by persons with senior rights to ground water, or (2) protect the use of waters from the uppermost aquifer or aquifers for future domestic or similar uses, traditionally involving shallower wells, that the director finds to be vital for the support of future development of the overlying land.

NEW SECTION. Sec. 6. A new section is added to chapter 90.44 RCW to read as follows:

(1) This section contains remedies designed to protect the holder of a ground water right against activities that cause damage or injury by adversely affecting the quality of the water for the use or uses to which the ground water right pertains. Any holder of a ground water right who sustains any damage or injury, whether to property or person, which is caused by activities that decrease the quality of the water for the use or uses to which the ground water right pertains, shall be entitled to recover full compensation for such damage or injury from the person or persons responsible for or conducting the activities. This subsection shall not affect or impair any other rights or remedies, whether prescribed by statute or case law, to recover compensation or obtain other relief for damage or injury caused by the impairment of water quality.
(2) In the case of saltwater intrusion caused by the overuse of a freshwater aquifer, the department shall preserve the rights of senior appropriators to fresh water by reducing the withdrawals authorized for the holders of junior water rights in a manner consistent with the prior appropriation system of rights.

NEW SECTION. Sec. 7. A new section is added to chapter 90.44 RCW to read as follows:
In any civil action brought under section 4 or 6 of this act, the court may award attorney's fees to the prevailing party. The amount of fees awarded shall be reasonable and shall be fixed by the court.

NEW SECTION. Sec. 8. A new section is added to chapter 90.44 RCW to read as follows:
Any person who provides compensation under section 4 or 6 of this act shall provide notice thereof to the department of ecology. The notice shall be on a form prescribed by the department and shall be sufficient to show the amount and nature of the compensation and any change in the water rights involved.

Sec. 9, Section 14, chapter 233, Laws of 1967 and RCW 90.14.140 are each amended to read as follows:
(1) For the purposes of this chapter "sufficient cause" shall be defined as the nonuse of all or a portion of the water by the owner of a water right for a period of five or more consecutive years where such nonuse occurs as a result of:

(((((a))) (a) Drought, or other unavailability of water;
(((((b))) (b) Active service in the armed forces of the United States during military crisis;
(((((c))) (c) Nonvoluntary service in the armed forces of the United States;
(((((d))) (d) The operation of legal proceedings;
(((((e))) (e) Federal laws imposing land or water use restrictions, or acreage limitations, or production quotas;

(1) The use of water delivered as compensation under section 4(2) of this 1986 act so long as the nonused water right is not transferred separately from the land to which it is attached.

(2) Notwithstanding any other provisions of this chapter, there shall be no relinquishment of any water right:

MOTION

Senator Gaspard moved that the Senate do concur in the House amendments to Senate Bill No. 4268.
POINT OF ORDER

Senator Rinehart: "Mr. President, I challenge the amendment on the basis of scope and object. The single and sole object of Senate Bill No. 4628 was to change the quorum for community college boards. The House amendment deals with the hiring of the Director for the State Board of Community Colleges and would indeed expand the scope and the object of the bill."

"The House amendments transfer authority for hiring the Director of the State Board of Community College Education to the Governor.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The House amendments to Senate Bill No. 4628 were ruled out of order.

MOTIONS

On motion of Senator Gaspard, and there being no objection, the motion to concur in the House amendments to Senate Bill No. 4628 was withdrawn.

MESSAGE FROM THE HOUSE

March 4, 1986

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 4525 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.10 RCW to read as follows:

The legislature may employ or retain counsel of its own choosing. However, the legislature shall notify the attorney general whenever it makes a decision to use the services of such counsel to represent it or any of its members in a particular judicial or administrative proceeding. With respect to any such proceeding where the legislature has not so notified the attorney general, the attorney general shall represent the legislature until so notified. For purposes of this section, "legislature" means the senate and house of representatives together, either the senate or the house of representatives by itself, or any committee or entity of the legislative branch having the authority to select its own employees. The major purposes of this section are to confirm and implement in statute law the constitutional power of the legislative branch to select its own counsel."

and the same are herewith transmitted.

DENNIS L. HECK, Chief Clerk

MOTION

Senator Thompson moved that the Senate do concur in the House amendment to Substitute Senate Bill No. 4525.

Debate ensued.

POINT OF INQUIRY

Senator Zimmerman: "Senator Thompson, I wanted to be sure that we fully understand precisely what this amendment is doing. Under the lines 23 through 30, where it states that the Legislature means the Senate and House of Representatives together, either the Senate or the House of Representatives by itself, and/or any committee or entity of the legislative branch having the authority to select its own employees. Now, would we be precise in saying that includes the Legislative Transportation Committee, the Legislative Budget Committee and the LEAP Committee only? They were talking about no other legislative committee?"

Senator Thompson: "It is certainly my understanding that only those entities would fit this language at this point in time and I wouldn't anticipate any change nor does anyone else in the Legislature. It precludes the opportunity of any standing committee, special interim committee, ad hoc committee, select committee or other such creation of the Legislature from retaining counsel, because they do not have the authority to hire their own employees."

Senator Zimmerman: "But do you see the possibility that if a strong chairman in the House or strong chairman in the Senate said he wanted to pick his own employees and consequently could be in that position—that he could possibly
decide that he wanted to pick his own attorney for his committee and, therefore, get around—"

Senator Thompson: "Senator Zimmerman. all of our chairmen are strong, but they're not strong enough to fit this definition and do not possess the authority to hire their own employees."

Senator Zimmerman: "We wanted to establish that fact and I appreciate your explanation. Fine. Thank you. This is a big step in terms of change of policy and I think we wanted to be sure what we’re doing."

Senator Thompson: "Thank you. Senator Zimmerman, and a beneficial one to the Legislature."

The President declared the question before the Senate to be the motion by Senator Thompson that the Senate do concur in the House amendment to Substitute Senate Bill No. 4525.

The motion by Senator Thompson carried and the Senate concurred in the House amendment to Substitute Senate Bill No. 4525.

The President declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 4525, as amended by the House.

ROLL CALL

The Secretary called the roll on final passage of Substitute Senate Bill No. 4525, as amended by the House, and the bill passed the Senate by the following vote:

Yeas, 30; nays, 18; excused, 1.

Voting nay: Senators Barr, Benitz, Bluechel, Cantu, Craswell, Deccio, Hayner, Johnson, Kiskaddon, Lee, McCaslin, McDonald, Moore, Newhouse, Patterson, Sellar, von Reichbauer, Zimmerman - 18.

Excused: Senator Stratton - 1.

SUBSTITUTE SENATE BILL NO. 4525, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOWEVER, That any contract of insurance with a policy period or term of six months or less whether or not made continuous for successive terms upon the payment of additional premiums shall for the purpose of RCW 48.18.290 and 48.18.293 through 48.18.295 be considered as if written for a policy period or term of six months: PROVIDED. Sec. 3. Section 23, chapter 241, Laws of 1969 ex. sess. as last amended by section 22, chapter 264, Laws of 1985 and RCW 48.18.296 are each amended to read as follows:

(2) Any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards: and

(3) Contracts of insurance procured under the provisions of chapter 48.15 RCW.

NEW SECTION. Sec. 4. A new section is added to chapter 41.04 RCW to read as follows:

(1) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Disabled employee" means an individual receiving a disability retirement allowance from the public employees' retirement system.

(b) "Health plan" means any contract, policy, fund, trust, or other program established by a county, municipality, or other political subdivision of the state that provides for all or a part of hospitalization or medical aid for its employees and their eligible dependents pursuant to RCW 41.04.180.

(c) "Retired employee" means an individual who is a public employee covered under the public employees' retirement system with not less than five years of service at the date of retirement.
(d) "Supplemental plan" means an individual or group health plan designed primarily as a supplement to reimbursements under federal medicare for the hospital, medical, or surgical expenses of persons eligible for medicare by reason of age.

(1) "Person" means a retired or disabled employee.

(2) Any county, municipality, or other political subdivision that provides a health plan for its employees shall permit retired and disabled employees and their eligible dependents to continue participation in such plan subject to the exceptions, limitations, and conditions set forth in this section. However, this section does not apply to:

(a) A county, municipality, or other political subdivision participating in an insurance program administered under chapter 41.05 RCW if retired and disabled employees and their eligible dependents of such participating county, municipality, or other political subdivision are covered under an insurance program administered under chapter 41.05 RCW;

(b) Members of the law enforcement officers' and fire fighters' retirement system under chapter 41.26 RCW; or

(c) Members of the first class cities' retirement system under chapter 41.28 RCW.

(3) A person who requests continued participation in their employer's health plan may be required to pay for such participation. However, such payment shall not exceed the rate, cost, or premium that is calculated for an active employee under the same plan. If the utilization of health plan benefits by those continuing participation in the health plan causes a greater than ten percent increase in the active employee rate or cost for the plan, then the rate or cost for those continuing participation in the health plan shall be adjusted to cover the costs in excess of the ten percent increase. However, no provision of this subsection shall be deemed to require any employer who is currently paying for all or part of a health plan for their retired and disabled employees and their eligible dependents from discontinuing those payments.

(4) When a person or his or her spouse continuing participation under a health plan becomes eligible for federal medicare, then health plan participation shall be terminated and the person or his or her spouse shall have the option of participating in a supplemental plan provided by the employer. Any payment required of the person or his or her spouse shall be modified to reflect cost differences between the health plan and the supplemental plan.

(5) Payments for continued participation in a former employer's health plan may be assigned to the underwriter of the health plan from public pension benefits or may be paid to the former employer, as determined by the former employer. A county, municipality, or other political subdivision shall not be required to accept individual payments from persons continuing participation in the employer's health plan.

(6) There shall be a one time initial open enrollment period from May 1, 1986, to June 30, 1986. An employer shall not be required to permit a person to participate in the health plan if the person is responsible for a lapse in coverage under the plan. In addition, an employer shall not be required to permit a person to participate in the employer's health plan if the employer offered continued participation in a health plan with substantially similar benefits and at substantially the same price as that plan provided for active employees and the person failed to enroll in that plan at the time the person was retired or disabled.

(7) If a person continuing participation in the former employer's health plan has other medical coverage as a result of that person's employment or that person's spouse's employment, the other medical coverage shall be the primary coverage for purposes of coordination of benefits as provided for in the former employer's health plan.

(8) If an eligible dependent's continued participation in a health plan was permitted because of the person's relationship to a retired or disabled employee of the employer providing the health plan and the retired or disabled employee dies, then that eligible dependent shall be permitted to continue participation in the health plan for a period of not less than six months after the death of the retired or disabled employee.

(9) An employer may offer one or more health plans different from that provided for active employees and designed to meet the needs of persons requesting continued participation in the employer's health plan. These health plans for continued participation shall be provided at a rate, cost, or premium which does not exceed that provided for active employee health plans. An employer, in designing or offering continued participation in a health plan, may utilize terms or conditions necessary to administer such plans to the extent such terms and conditions do not conflict with this section.

(10) If an employer changes the underwriter of a health plan, the replaced underwriter has no further responsibility or obligation to persons who continued participation in a health plan of the replaced underwriter. However, the employer shall permit such persons to participate in any new health plan.

(11) The benefits granted pursuant to this section shall not be considered a matter of contractual right. Should the legislature revoke or change a county, municipality, or other political subdivision of the state change any benefits granted under this section, an affected person shall not be entitled thereafter to receive the benefits as a matter of contractual right.

(12) Nothing contained in this section shall be deemed to affect any health plan contained in a collective bargaining agreement in existence as of the effective date of this act. However,
any plan contained in future collective bargaining agreements shall conform to the provisions of this section. In addition, nothing contained in this section shall be deemed to affect any health plan contract or policy in existence as of the effective date of this act, except any renewal of the contract or policy shall conform to the provisions of this section.

NEW SECTION. Sec. 5. Participation in the health plans provided under section 4 of this act shall take effect January 1, 1987, for all self-insured plans and for all plans renewed on or after September 1, 1986. Participation in health plans provided under section 4 of this act which are renewed after the effective date of this act but prior to September 1, 1986, shall take effect on the date the plan is next renewed, but in no case later than January 1, 1988.

Sec. 6. Section 3, chapter 12, Laws of 1967 ex. sess. as amended by section 6, chapter 1, Laws of 1983 2nd ex. sess. and RCW 48.30.270 are each amended to read as follows:

(2) No such officer or employee or any person, acting or purporting to act on behalf of such officer or employee shall negotiate, make application for, obtain or procure any of such surety bonds or contracts of insurance, except contracts of insurance for builder’s risk or owner’s protective liability, which can be obtained or procured by the bidder, contractor or subcontractor.

(3) This section shall not be construed to prevent the exercise by such officer or employee on behalf of the state or such public agency, public authority, or public corporation of its right to approve the form, sufficiency or manner or execution of the surety bonds or contracts of insurance furnished by the insurer selected by the bidder to underwrite such bonds, or contracts of insurance.

(4) Any provisions in any invitation for bids, or in any of the contract documents, in conflict with this section are declared to be contrary to the public policy of this state.

(5) A violation of this section shall be subject to the penalties provided by RCW 48.01.080.

(6) This section shall not apply to the public nonprofit corporation authorized under RCW 67.40.020 nor shall it apply to metropolitan corporations authorized under RCW 35.58.030; PROVIDED. That no self-insurance program established pursuant to chapter 51.14 RCW shall be deemed to affect the employer-employee relationship of the individual participating employee in such program for the purpose of establishing whether an injury to a worker is due to the negligence or wrong of a third person not in the same employ, within the meaning of RCW 51.24.030.

NEW SECTION. Sec. 7. Sections 4 and 5 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

MOTION

Senator Hansen moved that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 4418. Debate ensued.

POINT OF INQUIRY

Senator Bauer: "Senator Hansen, Section 2 of the House amendment directs the Department of Agriculture to conduct a study on water supply availability for potential expansion of irrigated land in future years. On page 2, line 22, the amendment states, 'The study shall include the following,' and lists nine specific areas of studies. Is the department limited in looking at only the nine items listed in the bill?"

Senator Hansen: "No. The language you cited does not restrict the Department of Agriculture from looking at additional items. I have checked with the Code Reviser's Office and they cited the reference of Sutherlands Statutory Construction and they tell me that the Department of Agriculture does have the authority and the flexibility to do so."

Senator Bauer: "Thank you, Senator Hansen."

The President declared the question before the Senate to be the motion by Senator Hansen that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 4418.

MESSAGE FROM THE HOUSE

March 5, 1986

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 4465 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 9A.16.010, chapter 260, Laws of 1975 1st ex. sess. and RCW 9A.16.010 are each amended to read as follows:

(1) "Necessary" means that no reasonably effective alternative to the use of force appeared to exist and that the amount of force used was reasonable to effect the lawful purpose intended.

(2) "Deadly force" means the intentional application of force through the use of firearms or any other means reasonably likely to cause death or serious physical injury.

Sec. 2. Section 9A.16.040, chapter 260, Laws of 1975 1st ex. sess. and RCW 9A.16.040 are each amended to read as follows:

(1) Homicide or the use of deadly force is justifiable ((when committed by a public officer, or person acting under his command and in his aid)); in the following cases:

((H)) (a) When a public officer is acting in obedience to the judgment of a competent court((c))

((#)) (b) When (necessary) necessarily used by a peace officer to overcome actual resistance to the execution of the legal process, mandate, or order of a court or officer, or in the discharge of a legal duty.

((3)) When necessary in retaking an escaped or rescued prisoner who has been committed, arrested for, or convicted of a felony; or in arresting a person who has committed a felony and is fleeing from justice; or in attempting, by lawful ways or means, to apprehend a person for a felony actually committed; or in lawfully suppressing a riot or preserving the peace.

(c) When necessarily used by a peace officer or person acting under the officer's command and in the officer's aid:

(i) To arrest or apprehend a person who the officer reasonably believes has committed, has attempted to commit, is committing, or is attempting to commit a felony;

(ii) To prevent the escape of a person from a federal or state correctional facility or in retaking a person who escapes from such a facility;

(iii) To prevent the escape of a person from a county or city jail or holding facility if the person has been arrested for, charged with, or convicted of a felony;

(iv) To lawfully suppress a riot if the actor or another participant is armed with a deadly weapon.

(2) In considering whether to use deadly force under subsection (1)(c) of this section, to arrest or apprehend any person for the commission of any crime, the peace officer must have probable cause to believe that the suspect, if not apprehended, poses a threat of serious physical harm to the officer or a threat of serious physical harm to others. Among the circumstances which may be considered by peace officers as a "threat of serious physical harm" are the following:

(a) The suspect threatens a peace officer with a weapon or displays a weapon in a manner that could reasonably be construed as threatening;

(b) There is probable cause to believe that the suspect has committed any crime involving the infliction or threatened infliction of serious physical harm.

Under these circumstances deadly force may also be used if necessary to prevent escape from the officer, where, if feasible, some warning is given.

(3) A public officer or peace officer shall not be held criminally liable for using deadly force without malice and with a good faith belief that such act is justifiable pursuant to this section.

(a) Affecting the permissible use of force by a person acting under the authority of RCW 9A.16.020 or 9A.16.050;

(b) Preventing a law enforcement agency from adopting standards pertaining to its use of deadly force that are more restrictive than this section.

NEW SECTION. Sec. 3. The legislature recognizes that RCW 9A.16.040 establishes a dual standard with respect to the use of deadly force by peace officers and private citizens, and further recognizes that private citizens' permissible use of deadly force under the authority of RCW 9A.16.020, 9A.16.020, or 9A.16.050 is not restricted and remains broader than the limitations imposed on peace officers."
On motion of Senator Talmadge, the Senate concurred in the House amendment to Engrossed Substitute Senate Bill No. 4465.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Bill No. 4465, as amended by the House.

The several counties in this state shall have capacity as bodies corporate, to sue and be sued in the manner prescribed by law; to purchase and hold lands (within their own limits), to make such contracts, and to purchase and hold such personal property, as may be necessary to their corporate or administrative powers, and to do all other necessary acts in relation to all the property of the county.

Sec. 3. Section 35.22.280, chapter 7, Laws of 1965 as last amended by section 802, chapter 258, Laws of 1984 and RCW 35.22.280 are each amended to read as follows:

Any city of the first class shall have power:

(2) To provide for levying and collecting taxes on real and personal property for its corporate uses and purposes, and to provide for the payment of the debts and expenses of the corporation;

(3) To control the finances and property of the corporation, and to acquire, by purchase or otherwise, such lands and other property as may be necessary for any part of the corporate uses provided for by its charter, and to dispose of any such property as the interests of the corporation may, from time to time, require;

(4) To borrow money for corporate purposes on the credit of the corporation, and to issue negotiable bonds therefor, on such conditions and in such manner as shall be prescribed in its charter; but no city shall, in any manner or for any purpose, become indebted to an amount in the aggregate to exceed the limitation of indebtedness prescribed by chapter 39.36 RCW as now or hereafter amended;

(5) To issue bonds in place of or to supply means to meet maturing bonds or other indebtedness, or for the consolidation or funding of the same;

(6) To purchase or appropriate private property within or without its corporate limits, for its corporate uses, upon making just compensation to the owners thereof, and to institute and
maintain such proceedings as may be authorized by the general laws of the state for the appropriation of private property for public use;

(7) To lay out, establish, open, alter, widen, extend, grade, pave, plank, establish grades, or otherwise improve streets, avenues, sidewalks, wharves, parks, and other public grounds, and to regulate and control the use thereof, and to vacate the same, and to authorize or prohibit the use of electricity at, in, or upon any of said streets, or for other purposes, and to prescribe the terms and conditions upon which the same may be so used, and to regulate the use thereof;

In any case where, owing to death or lapse of time, there is neither donor, heir, successor, or assignee to give consent, this consent may be executed by the city and filed for record with an affidavit setting forth all efforts made to locate people entitled to give such consent together with the facts which establish that no consent by such persons is attainable. Title to property so conveyed by the city shall vest in the grantee free and clear of any trust in favor of the public arising out of any prior dedication for park purposes, but the right of the public shall be transferred and preserved with like force and effect to the property received by the city in such exchange;

MOTION

On motion of Senator Moore, the Senate concurred in the House amendments to Engrossed Senate Bill No. 4582.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Senate Bill No. 4582, as amended by the House.

POINT OF INQUIRY

Senator Pullen: "Senator Moore, as prime sponsor of Engrossed Senate Bill No. 4582 and Chairman of the Financial Institutions Committee through which the bill passed, I was hoping you would answer a couple of questions to determine legislative intent. My questions revolve around Section 3 which provides criminal penalties for any person who submits a claim that falsely represents that the goods or
services were medically necessary, in accordance with professionally accepted standards.

"My first question is this, would a health-care provider or a patient be guilty of a violation of this section if in good faith, without intent to defraud either, submitted a claim for goods or services and the claim was subsequently rejected on the basis that the goods or services were not usual and customary?"

Senator Moore: "Senator Pullen, that is absolutely and positively not the intent of this bill."

Senator Pullen: "Suppose a physician were an authority on holistic medicine and in good faith prescribed nutritional therapy for a patient and the claim was subsequently rejected on the basis that nutritional therapy was not covered by the insurance contract. Would that physician be subject to a class B felony?"

Senator Moore: "No, most vehemently. That would not be the intent of the bill. This bill would, however, allow criminal action against any provider who knowingly submits a false claim."

Senator Pullen: "Thank you."

ROLL CALL

The Secretary called the roll on final passage of Engrossed Senate Bill No. 4582, as amended by the House, and the bill passed the Senate by the following vote:

Yeas, 47; nays, 1; excused, 1.

MESSAGE FROM THE HOUSE

March 5, 1986

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 4590 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this chapter is to enable political subdivisions to participate with the state in providing maximum opportunities for the investment of surplus public funds consistent with the safety and protection of such funds. The legislature finds and declares that the public interest is found in providing maximum prudent investment of surplus funds, thereby reducing the need for additional taxation. The legislature also recognizes that not all political subdivisions are able to maximize the return on their temporary surplus funds. The legislature therefore provides in this chapter a mechanism whereby political subdivisions may, at their option, utilize the resources of the state treasurer's office to maximize the potential of surplus funds while ensuring the safety of public funds.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) "Public funds investment account" or "investment pool" means the aggregate of all funds from political subdivisions that are placed in the custody of the state treasurer for investment and reinvestment.

(2) "Political subdivision" means any county, city, town, municipal corporation, political subdivision, or special purpose taxing district in the state.

(3) "Local government official" means any officer or employee of a political subdivision who has been designated by statute or by local charter, ordinance, or resolution as the officer having the authority to invest the funds of the political subdivision. However, the county treasurer shall be deemed the only local government official for all political subdivisions for which the county treasurer has exclusive statutory authority to invest the funds thereof.

(4) "Funds" means public funds under the control of or in the custody of any local government official by virtue of the official's authority that are not immediately required to meet current demands.

NEW SECTION. Sec. 3. There is created a trust fund in the state treasury to be known as the public funds investment account. All moneys remitted by local government officials under this chapter shall be deposited in this account. The earnings on any balances in the public funds investment account shall be credited to the public funds investment account, notwithstanding RCW 43.84.090.

NEW SECTION. Sec. 4. It authorized by local ordinance or resolution, a local government official may place funds into the public funds investment account for investment and reinvestment by the state treasurer in those securities and investments set forth in RCW 43.84.080 and chapter 39.58 RCW. The state treasurer shall invest the funds in such manner as to effectively maximize the yield to the investment pool. In investing and reinvesting moneys in the public funds investment account and in acquiring, retaining, managing, and disposing of investments of the investment pool, there shall be exercised the judgment and care under the circumstances then prevailing which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of the funds considering the probable income as well as the probable safety of the capital.

NEW SECTION. Sec. 5. The state treasurer's office is authorized to employ such personnel as are necessary to administer the public funds investment account. The bond of the state treasurer as required by law shall be made to include the faithful performance of all functions relating to the investment pool.

NEW SECTION. Sec. 6. The state treasurer shall by rule prescribe the time periods for investments in the investment pool and the procedure for withdrawal of funds from the investment pool. The state treasurer shall promulgate such other rules as are deemed necessary for the efficient operation of the investment pool. The rules shall also provide for the administrative expenses of the investment pool, including repayment of the initial administrative costs financed out of the appropriation included in this act, to be paid from the pool's earnings and for the interest earnings in excess of the expenses to be credited or paid to the political subdivisions participating in the pool. The state treasurer may deduct the amounts necessary to reimburse the treasurer's office for the actual expenses the office incurs and to repay any funds appropriated and expended for the initial administrative costs of the pool. Any credits or payments to political subdivisions shall be calculated and made in a manner which equitably reflects the differing amounts of the political subdivisions' respective deposits in the investment pool fund and the differing periods of time for which the amounts were placed in the investment pool: PROVIDED, That the appropriated start-up costs of the pool must be repaid by June 30,1989.

NEW SECTION. Sec. 7. The state treasurer shall keep a separate account for each political subdivision having funds in the investment pool. Each separate account shall record the individual amounts deposited in the investment pool, the date of withdrawals, and the earnings credited or paid to the political subdivision. The state treasurer shall report monthly the status of the respective account to each local government official having funds in the pool during the previous month.
NEW SECTION. Sec. 8. At the end of each fiscal year, the state treasurer shall submit to the governor, the state auditor, and the legislative budget committee a summary of the activity of the investment pool. The summary shall indicate the quantity of funds deposited; the earnings of the pool; the investments purchased, sold, or exchanged; the administrative expenses of the investment pool; and such other information as the state treasurer deems relevant.

NEW SECTION. Sec. 9. The state finance committee shall administer this chapter and adopt appropriate rules.

NEW SECTION. Sec. 10. Local governments may not invest in repurchase agreements, nor have their money invested in repurchase agreements, unless the local government or its agent takes possession of the securities to be repurchased, or a third party holds the securities in trust for the local government.

NEW SECTION. Sec. 11. A new section is added to chapter 36.29 RCW to read as follows:

Upon the request of one or several units of local government that invest their money with the county under the provisions of RCW 36.29.020, the treasurer of that county may combine those units’ moneys for the purposes of investment.

Sec. 12. Section 15, chapter 103, Laws of 1959 as last amended by section 21, chapter 66, Laws of 1983 and RCW 56.16.160 are each amended to read as follows:

Whenever there shall have accumulated in any general or special fund of a sewer district moneys, the disbursement of which is not yet due, the board of commissioners may, by resolution, authorize the county treasurer to deposit or invest such moneys in qualified public depositories, or to invest such moneys in (direct obligations of the United States government) any investment permitted at any time by RCW 36.29.020: PROVIDED, That the county treasurer may refuse to invest any district moneys the disbursement of which will be required during the period of investment to meet outstanding obligations of the district.

NEW SECTION. Sec. 14. There is hereby appropriated for the biennium ending June 30, 1987, to the state treasurer from the state treasurer’s service fund the sum of one hundred thousand dollars, or so much thereof as may be necessary, to defray the initial administrative costs of the public funds investment account. On or before June 30, 1991, the state treasurer’s service fund shall be reimbursed for the amount of such money expended by the state treasurer to defray these initial administrative costs by transferring such money from the public funds investment account to the state treasurer’s service fund.

NEW SECTION. Sec. 15. Sections 1 through 10 of this act shall constitute a new chapter in Title 43 RCW.

On page 1, line 1 of the title, after “government,” insert “amending RCW 56.16.160 and 57.20.160;”, and the same are herewith transmitted.
