MOTION

On motion of Senator Lee, the Senate refuses to concur in the House amendments to Substitute Senate Bill No. 5595 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 3, 1988

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6124 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds and declares that the social and economic well-being of the people of rural areas of Washington is closely related to the state's rural health care delivery system. Demographic, economic, and financial changes have greatly affected the viability of rural health care providers. These providers include, but are not limited to, hospitals, health clinics, community clinics, nursing homes, home health providers, and individual providers. The problems faced by rural health care providers include erratic fluctuations or general decline in rural economies, the aging of the rural population, older physical plants, lack of health care professionals, and inappropriate or burdensome regulations, facility standards, and licensure requirements.

(2) Rural health providers help ensure access to and the availability of preventive, primary, and emergency health care services to rural residents and tourist populations in rural
areas. A large percentage of rural health resources are used to provide services to government-sponsored patients. The availability of health care services in rural areas is essential to the integrity of the medicare and medicaid programs;

(3) Rural health providers affect the economic well-being of rural areas. Not only are these facilities a source of employment for rural residents, but also the existence of health care services in a rural community is important to its economic development and ability to attract businesses;

(4) Government regulations and standards for facility and professional licensure and certification are typically appropriate to urban facilities and are, in some cases, inordinately burdensome for rural health care facilities. Such regulations and standards can create barriers to the delivery of innovative, efficient, and cost-effective health care services to better meet the health needs of the rural communities; and

(5) The changing environment in health care delivery has changed how and where health care is provided and includes an increased emphasis on outpatient services, preventive care, home health care, and community-based care. Rural communities need to consider restructuring the delivery of health care services to insure continued availability of adequate community-based health care. Coordination among providers is essential to facilitate the planning necessary to maintain a viable health care delivery system within rural areas of the state.

NEW SECTION. Sec. 2. (1) There is created the Washington rural health care commission composed of eleven members; two members shall be the chair and ranking minority member from the senate health care and corrections committee and two members shall be the chair and ranking minority member from the house of representatives health care committee.

(2) The legislative members of the commission shall select seven public members, to serve on the commission, that are representative of rural health care professionals, rural health care providers, those directly involved in the purchase, provision, or delivery of rural health care services, industry, consumers, and those knowledgeable of the ethical issues involved with rural health care public policy. The chairs of the senate health care and corrections committee and the house of representatives health care committee shall jointly chair the commission. The ranking minority members of these committees shall jointly vice-chair the commission. The legislative members shall serve as the executive committee.

(3) The commission may hire staff or contract for professional assistance with funds made available for their activities. To the extent possible, the department of social and health services, the department of community development, the house of representatives, and the senate shall provide staff support. The commission may apply for and receive and accept grants, gifts, and other payments, including property and services, from any governmental or other public or private entity or person, and may make arrangements as to the use of these receipts, including the undertaking of special studies and other projects relating to health care costs or access to health care.

(4) The public members of the commission shall receive no compensation for their service as members, but shall be reimbursed for their expenses while attending any meetings of the commission in the same manner as legislators engaged in interim committee business as specified in RCW 44.04.120.

(5) The commission may establish ad hoc technical advisory committees to assist it with any particular matters deemed necessary and any person serving in such capacity may be reimbursed for their expenses while attending any meetings of such committee or the commission in the same manner as public members of the commission. To the extent possible, the department of social and health services, the department of community development, the department of trade and economic development, the department of employment security, the department of community development, the house of representatives health care committee, and ranking minority members of these committees shall jointly vice-chair the commission. The legislative members shall serve as the executive committee.

(6) The commission shall:

(a) Review current statutes and regulations governing the provision of rural health services, including the licensure, certification, and operation of rural health providers, including hospitals, health districts, rural health clinics, rural community health centers, and rural ambulatory surgical centers. The purpose of the review shall be to identify barriers to cost-effective and efficient health care delivery that are created by statute or regulation. The review shall include, but not be limited to:

(i) Licensure and certification survey processes conducted by both federal and state agencies;

(ii) Processes for review and approval of proposed facility construction or remodeling or establishing new services;

(iii) Mandated personnel requirements; and

(iv) Mandatory information gathering and reporting requirements;

(b) Review issues that affect the current delivery of rural health care. This review shall include, but not be limited to:

(i) Determination of basic health care services to be available to rural residents;

(ii) The need for and availability of emergency and nonemergency transportation to medical care facilities;
The need for and availability of appropriate health care providers;

Health care financing;

Coordination among private and public health care providers on a local, regional, and state-wide basis; and

Use of modern telecommunications between rural and regional and urban medical care centers to facilitate better diagnosis and treatment of patients in rural facilities and for use in training rural health care providers:

Establish operational guidelines or standards for a model alternative rural health facility. The standards shall include, but are not limited to:

1. The basic array of health services that is appropriate in rural areas;
2. Minimum staffing requirements for safe, efficient, and effective operation of these services, commensurate with community practice standards; and
3. Other such requirements for operation as the commission deems appropriate to establish minimum standards for licensure;

Develop measurements of the economic impact of rural health care facilities on the communities that they serve. The purpose of the study shall be to establish the role health facilities play in determining the economic viability and development of rural communities;

Review the impact of existing government payment policies and methods on rural health facilities. The purpose of the review shall be to identify current payment practices or standards, make recommendations for change as appropriate, and establish guidelines for payment to model rural health facilities as described in this section; and

Recommend, as deemed appropriate by the commission, that the department of social and health services convey to the federal health care financing administration interest in testing new models of institutional health care delivery in rural areas, and seek such waivers as may be necessary and appropriate to such demonstrations.

The commission shall coordinate its activities with the study of trauma care services authorized by Second Substitute House Bill No. 1713 and other health care policy studies conducted during the commission's term.

The commission shall submit a report to the appropriate committees of the legislature by December 1, 1988. The report shall include such findings of the commission as are related to the responsibilities identified in this section. The report shall make recommendations to the legislature regarding changes to licensure, certification, and payment systems that will enhance the likelihood that high quality rural health care delivery occurs in a cost-effective and efficient manner.

NEW SECTION. Sec. 3. A new section is added to chapter 70.14 RCW to read as follows:

The department of social and health services shall compile and make available to the public information regarding medicare health care facility certification options available to hospitals licensed under this title that desire to convert to nonhospital health care facilities. The information provided shall include standards and requirements for certification and procedures for acquiring certification.

NEW SECTION. Sec. 4. The department of community development, department of trade and economic development, department of employment security, and department of social and health services are expected to use their present resources and staffing to carry out the requirements of this act.

NEW SECTION. Sec. 5. Sections 1 and 2 of this act shall expire on December 31, 1988.

NEW SECTION. Sec. 6. Sections 1 and 2 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 1 of the title, after "health care;" strike the remainder of the title and insert "adding a new section to chapter 70.14 RCW; creating new sections; providing an expiration date; and declaring an emergency."

and the same are herewith transmitted.

MOTION

On motion of Senator Bailey, the Senate refuses to concur in the House amendments to Engrossed Substitute Senate Bill No. 6160 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 3, 1988

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6220 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the unavailability of capital to viable firms that do not meet current commercial bank or venture capital criteria for loans or equity investments can have a devastating impact on the state's economic development efforts. Without reasonable access to financing, talented and aggressive entrepreneurs are cut out of the economic system and the overall economy of the state suffers.

The process of job creation and economic development requires readily available capital for small and young companies that are the major source of innovations and new jobs. To ensure the availability of capital to entrepreneurs in Washington state, the legislature hereby eliminates unnecessary restrictions which have discouraged the formation of business and industrial development corporations under current law.

Sec. 2. Section 1, chapter 162, Laws of 1963 and RCW 31.24.010 are each amended to read as follows:

(As used in this chapter, the following words and phrases, unless differently defined or described, shall have the meanings and references as follows) Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(e) A person of which a person referred to in (a) through (d) of this subsection is a director or officer.
(f) A person in which a person referred to in (a) through (d) of this subsection, or any combination of those persons acting in concert, owns or controls, directly or indirectly, a twenty percent or greater equity interest.

For the purposes of this subsection (5)(f), a person who is in a relationship referred to in this subsection within six months before or after a corporation provides financing assistance shall be considered to be in that relationship as of the date that corporation provides that financing assistance.

If a corporation, in order to protect its interests, designates a person to serve as a director of, officer of, or in any capacity in the management of a business to which that corporation provides financing assistance, that person shall not, on that account, be considered to have a relationship with that business. This exception does not apply if the person has, directly or indirectly, any other financial interest in the business or if the person, at any time before the corporation provides the financing assistance, served as a director of, officer of, or in any other capacity in the management of the business for a period of thirty days or more.

(5) Associate means, if used with respect to a corporation:
(a) A controlling person, director, officer, agent, or advisor of that corporation.

If a corporation, in order to protect its interests, designates a person to serve as a director of, officer of, or in any capacity in the management of a business to which that corporation provides financing assistance, that person shall not, on that account, be considered to have a relationship with that business. This exception does not apply if the person has, directly or indirectly, any other financial interest in the business or if the person, at any time before the corporation provides the financing assistance, served as a director of, officer of, or in any other capacity in the management of the business for a period of thirty days or more.

The aggregate of the subscription shall be the minimum amount of capital with which the corporation shall commence business which shall not be less than ((fifty thousand)) one million dollars, except as otherwise provided in this chapter. The articles of incorporation may also contain any provision consistent with the laws of this state for the regulation of the affairs of the corporation.

A person transacting business in this state shall not use a name or title which indicates that the person is a business and industrial development corporation including, but not limited to, use of the term "BIDCO," and a person shall not otherwise represent that the person is a business and industrial development corporation until the person has been certified as a business and industrial development corporation.

In making the finding under this subsection, the supervisor of banking shall:

(i) Consult with the director of trade and economic development and the director of community development; and

(ii) Require a minimum net worth of one million dollars and an additional one million dollars in lendable funds or an enforceable pledge for one million dollars in lendable funds, unless the supervisor finds that special circumstances render lesser amounts of net worth or lendable funds adequate for the corporation to meet the intent of this chapter and operate according to its business plan.

Whenever the articles of incorporation shall have been filed in the office of the secretary of state and approved by ((them)) the secretary and all taxes, fees and charges, have been paid, as required by law, the subscribers, their successors and assigns shall constitute a corporation, and said corporation shall then be authorized to commence business, and stock thereof to the extent herein or hereafter duly authorized may from time to time be issued.

NEW SECTION. Sec. 8. The department shall establish by rule policies for establishing loan terms and interest rates for loans made from the fund that assure that the objectives of this chapter are met and that adequate funds are maintained in the fund to meet future needs.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act shall constitute a new chapter in Title 90 RCW.

NEW SECTION. Sec. 10. (1) In addition to and not in lieu of any other appropriation, the sum of five million dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the water quality account to the water pollution control revolving fund to provide a match at twenty percent of each federal capitalization grant received by the department of ecology in accordance with congressional appropriations. The department shall transfer money from the water quality account to the water pollution revolving fund at intervals consistent with the timing of deposits of federal capitalization grant money.
The amounts transferred are not to exceed the match required for each federal deposit. The total of such transfers during the biennium is not to exceed the amount appropriated in this section.

MOTION

On motion of Senator von Reichbauer, the Senate refuses to concur in the House amendments to Senate Bill No. 6297 and asks the House to recede theretrom.

MESSAGE FROM THE HOUSE

March 2, 1988

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6316 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that: Drug offenses and crimes resulting from illegal drug use are destructive to society; the nature of drug trafficking results in many property crimes and crimes of violence; state and local governmental agencies incur immense expenses in the investigation, prosecution, adjudication, incarceration, and treatment of drug-related offenders and the compensation of their victims; drug-related offenses are difficult to eradicate because of the profits derived from the criminal activities, which can be invested in legitimate assets and later used for further criminal activities; and the forfeiture of real assets where a substantial nexus exists between the commercial production or sale of the substances and the real property will provide a significant deterrent to crime by removing the profit incentive of drug trafficking, and will provide a revenue source that will partially defray the large costs incurred by government as a result of these crimes. The legislature recognizes that seizure of real property is a very powerful tool and should not be applied in cases in which a manifest injustice would occur as a result of forfeiture of an innocent spouse's community property interest.

Sec. 2. Section 15, chapter 2, Laws of 1983 as last amended by section 9, chapter 124, Laws of 1986 and RCW 69.50.505 are each amended to read as follows:

(a) The following are subject to seizure and forfeiture and no property right exists in them:

(1) All controlled substances which have been manufactured, distributed, dispensed, (or) acquired, or possessed in violation of this chapter or chapter 69.41 or 69.52 RCW;

(2) All raw materials, products, and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW;

(3) All property which is used, or intended for use, as a container for property described in paragraphs (1) or (2);

(4) All conveyances, including aircraft, vehicles, or vessels, which are used to transport, or are used, or intended for use, in any manner to facilitate the sale, transfer, or receipt of property described in paragraphs (1) or (2), (but) except that:

(i) No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter or chapter 69.41 or 69.52 RCW;

(ii) No conveyance is subject to forfeiture under this section by reason of any act or omission ((established by the owner thereof to have been)) committed or omitted without ((the)) the owner's knowledge or consent;

(iii) A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission; and

(iv) When the owner of a conveyance has been arrested under this chapter or chapter 69.41 or 69.52 RCW, the conveyance in which the person is arrested may not be subject to forfeiture unless it is seized or process is issued for its seizure within ten days of the owner's arrest;

(5) All books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this chapter or chapter 69.41 or 69.52 RCW;

(6) All drug paraphernalia;

(7) All moneys, negotiable instruments, securities, or other tangible or intangible property of value furnished or intended to be furnished by any person in exchange for a controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW, all tangible property, intangible property, proceeds, or assets acquired in whole or in part with proceeds traceable to (each) an exchange or series of exchanges in violation of this chapter or chapter 69.41 or
69.52 RCW, and all moneys, negotiable instruments, and securities used or intended to be used to facilitate any violation of this chapter or chapter 69.41 or 69.52 RCW; PROVIDED, That no property may be forfeited under this paragraph, to the extent of the interest of an owner, by reason of any act or omission (which the owner establishes was) committed or omitted without the owner’s knowledge or consent; and

(8) All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements which are being used with the knowledge of the owner for the manufacturing, compounding, processing, delivery, importing, or exporting of any controlled substance, or which have been acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, if such activity is not less than a class C felony and a substantial nexus exists between the commercial production or sale of the controlled substance and the real property. However:

(i) No property may be forfeited pursuant to this subsection, to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner’s knowledge or consent;

(ii) The bona fide gift of a controlled substance, legend drug, or imitation controlled substance shall not result in the forfeiture of real property;

(iii) The possession of marijuana shall not result in the forfeiture of real property unless the marijuana is possessed for commercial purposes, the amount possessed is five or more plants or one pound or more of marijuana, and a substantial nexus exists between the possession of marijuana and the real property. In such a case, the intent of the offender shall be determined by the preponderance of the evidence, including the offender’s prior criminal history, the amount of marijuana possessed by the offender, the sophistication of the activity or equipment used by the offender, and other evidence which demonstrates the offender’s intent to engage in commercial activity;

(iv) The unlawful sale of marijuana or a legend drug shall not result in the forfeiture of real property unless the sale was forty grams or more in the case of marijuana or one hundred dollars or more in the case of a legend drug, and a substantial nexus exists between the unlawful sale and the real property; and

(v) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission.

(b) Real or personal property subject to forfeiture under this chapter may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Real property seized under this section shall not be removed or otherwise conveyed until ninety days after seizure or until the hearing on the forfeiture is held, whichever is later. Seizure of personal property without process may be made if:

(1) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(2) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(3) A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(4) The board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(c) In the event of seizure pursuant to subsection (b), proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Notice of seizure of real property or of personal property of a value of ten thousand dollars or more shall be by certified mail or personal service upon the owner. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(d) If no person notifies the seizing law enforcement agency in writing of the person’s claim of ownership or right to possession of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days of the case of real property, the item seized shall be deemed forfeited. However, no real property may be forfeited pursuant to this section, to the extent of a person's community property interest in the real property, by reason of any act or omission committed or omitted without the person's knowledge or consent.

(e) If any person notifies the seizing law enforcement agency in writing of the person’s claim of ownership or right to possession of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and
ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The court to which the matter is to be removed shall be the district court when such aggregate value is ten thousand dollars or less. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. The burden of producing evidence shall be upon the (person claiming to be the lawful owner or the person claiming to have the lawful right to possession of items specified in subsection (a)(4) or (a)(7) of this section) law enforcement agency. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section.

(f) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(1) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(2) (i) Sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds and all moneys forfeited under this title shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after the payment of all expenses shall be distributed as follows:

((Fifty)) (A) Seventy-five percent of the money ((remaining after payment of such expenses)) shall be deposited in the general fund of the state, county, and/or city of the seizing law enforcement agency((;)) and shall be used exclusively for the expansion or improvement of law enforcement services. These services may include the creation of reward funds for the purpose of rewarding informants who supply information leading to the arrest, prosecution and conviction of persons who violate laws relating to controlled substances. Such moneys shall not supplant preexisting funding sources; and

((Fifty)) (B) Twenty-five percent shall be remitted to the state treasurer for deposit in the public safety and education account established in RCW 43.08.250;

(C) If an investigation involves a seizure of moneys and proceeds having an aggregate value of less than five thousand dollars, the moneys and proceeds may be deposited in total in the general fund of the governmental unit of the seizing law enforcement agency and shall be appropriated exclusively for the expansion of narcotics enforcement services. Such moneys shall not supplant preexisting funding sources.

(ii) Money deposited according to this section must be deposited within ninety days of the date of final disposition of either the administrative seizure or the judicial seizure;

(3) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) Forward it to the drug enforcement administration for disposition.

(g) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the board, the owners of which are unknown, are contraband and shall be summarily forfeited to the board.

(h) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

(i) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

(j) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be entered by the seizing agency in the county auditor's records in the county in which the real property is located.
NEW SECTION. Sec. 3. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

and the bill and the amendment are herewith transmitted.

(2) From the time the petition is filed, the court shall have jurisdiction of the proceedings and of the questions determined thereon, and shall have the power to grant such temporary relief or restraining order as it deems just and suitable.

(3) If the petition shows that there is a final order issued by the commission or administrative law judge under RCW 49.60.240 or 49.60.250 and that the order has not been complied with in whole or in part, the court shall issue an order directing the person who is alleged to have not complied with the administrative order to appear in court at a time designated in the order, not less than ten days from the date thereof, and show cause why the administrative order shall not be enforced according to the terms. The commission shall immediately serve the person with a copy of the court order and the petition.

(4) The administrative order shall be enforced by the court if the person does not appear, or if the person appears and the court finds that:

(a) The order is regular on its face;
(b) The order has not been complied with; and
(c) The person’s answer discloses no valid reason why the order should not be enforced, or that the reason given in the person’s answer could have been raised by review under RCW 34.04.130, and the person has given no valid excuse for failing to use that remedy.

(5) The jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to ((appeal taken from)) appellate review by the supreme court or the court of appeals, on appeal, by either party, irrespective of the nature of the decree or judgment. ((Such appeal)) The review shall be taken and prosecuted in the same manner and form and with the same effect as is provided in other cases ((of appeal to the supreme court or the court of appeals), and the record so certified shall contain all that was before the lower court).

days after the appeal is denied as herein provided, such worker, beneficiary, employer or other person aggrieved by the decision and order of the board may appeal to the superior court. If such worker, beneficiary, employer, or other person fails to file with the superior court its appeal as provided in this section within said thirty days, the decision of the board to deny the petition or petitions for review or the final decision and order of the board shall become final.

In cases involving injured workers, an appeal to the superior court shall be to the superior court of the county of residence of the worker or beneficiary, as shown by the department's records, or to the superior court of the county wherein the injury occurred or where neither the county of residence nor the county wherein the injury occurred are in the state of Washington then the appeal may be directed to the superior court for Thurston county. The department shall, in all cases not involving a self-insurer, within twenty days after the receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed at issue. No bond shall be required on appeals to the superior court or on review by the supreme court or the court of appeals, except that an appeal by the employer from a decision and order of the board under RCW 51.48.070, shall be ineffectual unless, within five days following the service of notice thereof, a bond, with surety satisfactory to the court, shall be filed, conditioned to perform the judgment of the court. Before approval of the roll, a notice shall be published once each week for two successive weeks in a newspaper of general circulation in the county, stating that the roll is on file and open to inspection in the office of the secretary, and fixing a time not less than ten nor more than thirty days from the date of the first publication of the notice, within which protests must be filed with the secretary against any assessments shown thereon, and fixing a time when a hearing shall be held by the commission on the protests. After the hearing the commission may alter any and all assessments shown on the roll and may, by resolution, approve or disapprove the same. An appeal shall lie to the superior court of the county within ten days after the approval, in the manner provided for appeals from assessments levied by cities of the first class. In the event such an appeal shall be taken, the judgment of the court shall confirm the assessment insofar as it affects the property of the appellant unless the court shall find from the evidence that such assessment is founded upon a fundamentally wrong basis and/or the decision of the commission thereon was arbitrary or capricious; in which event the judgment of the court shall correct, change, modify, or annul the assessment insofar as it affects the property of the appellant. In the same manner as provided with reference to cities of the first class (appeal shall lie to the superior court or the court of appeals from) appellate review of the judgment of the superior court may be sought, in other cases, (taken) within fifteen days after the date of the entry of the judgment in the superior court. Engineering, office, and other expenses necessary or incident to the improvement shall be borne by the public utility district. PROVIDED, That when a municipal corporation included in the public utility district already owns or operates a utility of a character like that for which the assessments are levied hereunder, all such engineering and other expenses shall be borne by the local assessment district.

Any person owning any part of the land involved in a special assessment and desiring to have such special assessment against the tracts of land segregated to apply to smaller parts thereof shall apply in writing to the board of commissioners of the public utility district which levied the assessment. If the commissioners determine that a segregation should be made they shall do so as nearly as possible on the same basis as the original assessment was levied and the total of the segregated parts of the assessment shall equal the assessment before segregation.

The commission shall then send notice thereof by mail to the several owners interested in the tract, as shown on the general tax rolls. If no protest is filed within twenty days from date of mailing said notice, the commission shall then by resolution approve said segregation. If a protest is filed, the commission shall have a hearing thereon, after mailing to the several owners at least ten days notice of the time and place thereof. After the hearing, the commission may by resolution approve said segregation, with or without change. Within ten days after the approval, any person aggrieved by the segregation may perfect an appeal to the superior court of the county wherein the property is situated and (from the supreme court of the court of appeals) thereafter seek appellate review, all as provided for appeals from assessments levied by cities of the first class. The resolution approving said segregation shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part, and shall order the county treasurer to make segregation on the original assessment roll as directed in the resolution. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered. The board of commissioners may require as a condition to the order of segregation that the person seeking it pay the public utility district the reasonable engineering and clerical costs incident to making the segregation. Unless otherwise provided in said resolution, the county treasurer shall apportion amounts paid on the original assessment in the same proportion as the segregated assessments bear to the original assessment. Upon segregation being made by the county treasurer, as aforesaid, the lien of the special assessment shall apply to the segregated parcels only to the extent of the segregated part of such assessment.

The notice shall state a time, not less than three days from the service thereof, when the appellant will call up the cause for hearing; and the superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury; and such cause shall have preference over all civil causes pending in the court, except proceedings under an act relating to eminent domain and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have custody of the assessment roll, who shall modify and correct such assessment roll in accordance with such decision. the court to specify a time, not exceeding twenty days after the service of the copy of the petition, within which the public service company complained of must answer the petition. In case of default in answer or after answer, the court shall immediately inquire into the facts and circumstances in such manner as the court shall direct, without other or formal pleadings, and without respect to any technical requirement. Such persons or corporations as the court may deem necessary or proper to be joined as parties, in order to make its judgment, order or writ effective, may be joined as parties. The Thurston county superior court shall assign a petition for review of a decision under RCW 80.50.100 for hearing at the earliest possible date and shall expedite such petition in every way possible. If the court finds that review cannot be limited to the administrative record as set forth in subparagraph (a) of this subsection because there are alleged irregularities in the procedure before the council not found in the record, but finds that the standards set forth in subparagraphs (b), (c), and (d) of this subsection are met, the court shall proceed to take testimony and determine such factual issues raised by the alleged irregularities and certify the petition and its determination to the supreme court. Upon certification, the supreme court shall assign the petition for hearing at the earliest possible date, and it shall expedite its review and decision in every way possible.

(2) Objections raised by any party in interest concerning procedural error by the council shall be filed with the council within sixty days of the commission of such error, or within thirty days of the first public hearing or meeting of the council at which the general subject matter to which the error is related is discussed, whichever comes later, or such objection shall be deemed waived for purposes of judicial review as provided in this section.

(3) The rules and regulations adopted by the council shall be subject to judicial review pursuant to the provisions of chapter 34.04 RCW.

In case of default in answer or after answer, the court shall immediately inquire into the facts and circumstances in such manner as the court shall direct, without other or formal pleadings, and without respect to any technical requirement. Such persons or corporations as the court may deem necessary or proper to be joined as parties, in order to make its judgment, order or writ effective, may be joined as parties. The final judgment in any such action or proceeding shall either dismiss the action or proceeding or direct that the writ of mandamus or injunction, or both, issue as prayed for in the petition, or in such other modified form as the court may determine will afford appropriate relief. (An appeal may be taken to the supreme court or the court of appeals from such) Appellate review of the final judgment may be sought in the same manner and with the same effect as (appeals from) review of judgments of the superior court in actions to review orders of the commission. All provisions of this chapter relating to the time of ((appeals to)) review, the manner of perfecting the same, the filing of briefs, hearings and supersedeas, shall apply to appeals to the supreme court or the court of appeals under the provisions of this section.

In all other cases the construction work may be apportioned by the commission between the parties who may be required to contribute to the cost thereof as the parties may agree, or as the commission may consider advisable. All work within the limits of railroad rights of way shall in every case be done by the railroad company owning or operating the same. The cost of acquiring additional lands, rights or easements to provide for the change of existing crossings shall, unless the parties otherwise agree, in the first instance be paid by the municipality or county within which the crossing is located; or in the case of a state road or parkway, shall be paid in the manner provided by law for paying the cost of acquiring lands, rights or easements for the construction of state roads or parkways. The expense accruing on account of property taken or damaged shall be divided and paid in the manner provided for dividing and paying other costs of construction. Upon the completion of the work and its approval by the commission, an accounting shall be had, and if it shall appear that any party has expended more than its proportion of the total cost, a settlement shall be forthwith made. If the parties shall be unable to agree upon a settlement, the commission shall arbitrate, adjust and settle the account after notice to the parties. In the event of failure and refusal of any party to pay its proportion of the expense, the sum with interest from the date of the settlement may be recovered in a civil action by the party entitled thereto. In the appeal the taxpayer shall set forth the amount of the tax imposed upon him which he conceives to be the correct tax and the reason why the tax should be reduced or abated. The appeal shall be perfected by serving a copy of the notice of appeal upon the department within the time herein specified and by filing the original thereof with proof of service with the clerk of the
superior court of Thurston county. Within ten days after filing notice of appeal, the taxpayer shall file with the clerk of the superior court a good and sufficient surety bond payable to the state in the sum of two hundred dollars, conditioned to diligently prosecute the appeal and pay the state all costs that may be awarded if the appeal of the taxpayer is not sustained.

The trial in the superior court on appeal shall be de novo and without the necessity of any pleadings other than the notice of appeal. The burden shall rest upon the taxpayer to prove that the tax as paid by him is incorrect, either in whole or in part, and to establish the correct amount of the tax. In such proceeding the taxpayer shall be deemed the plaintiff, and the state, the defendant; and both parties shall be entitled to subpoena the attendance of witnesses as in other civil actions and to produce evidence that is competent, relevant, and material to determine the correct amount of the tax that should be paid by the taxpayer. Either party ((shall be allowed to appeal to the supreme court or the court of appeals)) may seek appellate review in the same manner as other civil actions are appealed to those courts.

It shall not be necessary for the taxpayer to protest against the payment of any tax or to make any demand to have the same redone or to petition the director for a hearing in order to appeal to the superior court, but no court action or proceeding of any kind shall be maintained by the taxpayer to recover any tax paid, or any part thereof, except as herein provided.

The provisions of this section shall not apply to any tax payment which has been the subject of an appeal to the board of tax appeals with respect to which appeal a formal hearing has been elected.

The appeal shall be perfected in the same manner as is provided by law for appeals from decisions of the department of revenue. Upon such appeal, the superior court shall sit without a jury, shall receive evidence de novo and shall determine the correct classification of the lands involved in accordance with the requirements of this chapter. The decision of the superior court shall be subject to ((appeal and)) appellate review ((in the supreme court or the court of appeals)) in the same manner ((and by the same procedure)) as appeals are taken and perfected in civil actions at law. Upon ((appeal from)) review of any order or decisions of the department or the department of revenue and pending the dismissal or final determination of such ((appeal)) review, the lands involved shall be assessed and taxed in the same manner as they were assessed and taxed prior to the effective date of such order or decision.

Sec. 69. Section 84.28.110, chapter 15, Laws of 1961 as last amended by section 153, chapter 81, Laws of 1971 and RCW 84.28.110 are each amended to read as follows:

Whenever the whole or any part of the forest crop shall be cut upon any lands classified and assessed as reforestation lands under the provisions of this chapter, the owner of such lands shall, on or before the fifteenth day of February of each year, report under oath to the assessor of the county in which such lands are located, the amount of such timber or other forest crop cut during the preceding twelve months, in units of measure in conformity with the usage for which the cutting was made, together with a description, by government legal subdivisions, of the lands upon which the same were cut. If no such report of cutting is made, or if the assessor shall believe the report to be inaccurate, incorrect or mistaken, the assessor may by such methods as shall be deemed advisable, determine the amount of timber or other forest product cut during such period. As soon as the report is filed, if the assessor is satisfied with the accuracy of the report, or if dissatisfied, as soon as the assessor shall have determined the amount of timber or forest crop cut as herein provided, the assessor shall determine the full current stumpage rates for the timber or forest crop cut and shall thereupon compute, and there shall become due and payable from the owner, a yield tax equal to twelve and one-half percent of the market value of the timber or forest crop so cut, based upon the full current stumpage rates so fixed by the assessor: PROVIDED, Whenever within the period of twelve years following the classification of any lands as reforestation lands, any forest material shall be cut on such lands, the owner thereof shall be required to pay a yield tax of one percent for each year that has expired from the date of such classification until such cutting: PROVIDED, FURTHER, That no yield tax need be paid on any forest material cut for domestic use of the owner of such lands, or on materials necessarily used in harvesting the forest crop.

Whenever the owner is dissatisfied with the determination of the amount cut as made by the assessor, or with the full current stumpage rates as fixed by the assessor, and shall pay the tax based thereon under protest, such owner may maintain an action in the superior court of the county in which the lands are located for recovery of the amount of the tax paid in excess of what the owner alleges the tax would be if based upon a cutting or stumpage rate which
the owner alleges to be correct. In any such action, the county involved and the county assessor of the county, shall be joined as parties defendant, but in case a recovery is allowed, judgment shall be entered against the county only, to be charged against the funds to which the collected tax was paid. In such action the court shall determine, in accordance with the issues, the true and correct amount of timber and forest crop stumpage rates, and shall enter judgment accordingly, either dismissing the action, or allowing recovery based upon its determination of the amount of timber or forest crop stumpage and if in issue, the full current stumpage rate. The judgment of the superior court shall be subject to (appeal to the supreme court or the court of appeals) appellate review in the same manner and by the same procedure as appeals are taken and perfected in civil actions at law.

Sec. 70. Section 84.64.120, chapter 15, Laws of 1961 as amended by section 154, chapter 81, Laws of 1971 and RCW 84.64.120 are each amended to read as follows:

Nothing herein shall be construed as requiring an additional deposit in case of more than one appeal being prosecuted in said proceeding. If, upon a final hearing, judgment shall be refused for the sale of the land or lots for the taxes, penalties, interest and costs, or any part thereof, in said proceedings, the county treasurer shall pay over to the party who shall have made such deposit, or his legally authorized agent or representative, the amount of the deposit, or so much thereof as shall remain after the satisfaction of the judgment against the land or lots in respect to which such deposit shall have been made.

The House has passed SUBSTITUTE SENATE BILL NO. 6024 with the following amendments:

On page 5, on line 5, after “work.” insert “Approval for streambank stabilization projects shall remain in effect without need for periodic renewal if the problem causing the need for the streambank stabilization occurs on an annual or more frequent basis.”

On page 8, after line 2, insert the following:

“NEW SECTION. Sec. 4. In certain agricultural areas of the state the composition of the soil and the topography combine to create flood-prone conditions. Unless accumulated sand and gravel are removed from these rivers and streams on a regular basis a heavy rainstorm may cause a disastrous flood. The practices of the department of natural resources in establishing rates charged to commercial sand and gravel businesses cause the businesses to obtain their product from upland sources rather than from rivers and streams. As a consequence, sand and gravel accumulate in the streams and many communities are threatened with periodic, severe floods. These floods are more frequent and severe because of the accumulation of material in the rivers.

NEW SECTION. Sec. 5. The department of natural resources and the department of ecology shall study methods of diminishing flood risks by encouraging sand and gravel businesses to remove excess accumulation of materials from the beds of rivers and streams in agricultural areas. By December 1, 1989, the department of natural resources and the department of ecology shall report the results of this study to the appropriate legislative committees. In preparing the study and report, the departments shall work with the Washington association of conservation districts, the conservation commission, representation from the private sand and gravel industry, the department of fisheries, and the department of wildlife to identify alternative aquatic land management policies to diminish the risks of flooding and identify methods of adjusting sand and gravel prices annually to reflect local market conditions.”

Renumber the sections consecutively and correct any internal references accordingly.

On page 1, line 1 of the title, after “areas:” strike “and”.

On page 1, line 2 of the title, after “75.20.130.” insert “and creating new sections”, and the same are herewith transmitted.

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 6118 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It shall be the policy of the state of Washington to:

(1) Recognize the family as the most important social and economic unit of society and support the central role parents play in child rearing. All parents are encouraged to care for and nurture their children through the traditional methods of parental care at home. However, to the extent child care services are used, parents are encouraged to participate fully in the effort to improve the quality of child care services.

(2) Promote a variety of culturally and developmentally appropriate child care settings and services of the highest possible quality in accordance with the basic principle of continuity of care. These settings shall include, but not be limited to, family day care homes, mini-centers, centers and schools.

(3) Promote the growth, development and safety of children by working with community groups including providers and parents to establish standards for quality service, training of child care providers, fair and equitable monitoring, and salary levels commensurate with provider responsibilities and support services.

(4) Promote equal access to quality, affordable, socio-economically integrated child care for all children and families.

(5) Facilitate broad community and private sector involvement in the provision of quality child care services to foster economic development and assist industry.

and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk
NEW SECTION. Sec. 2. (1) There is established a child care coordinating committee to provide coordination and communication between state agencies responsible for child care and early childhood education services. The child care coordinating committee shall be composed of not less than seventeen nor more than thirty members who shall include:

(a) One representative each from the department of social and health services, the department of community development, the office of the superintendent of public instruction, and any other agency having responsibility for regulation, provision, or funding of child care services in the state;

(b) One representative from the governor’s commission on children;

(c) One representative from the department of trade and economic development;

(d) At least one representative of family home child care providers and one representative of center care providers;

(e) At least one representative of early childhood development experts;

(f) At least one representative of school districts and teachers involved in the provision of child care and preschool programs;

(g) At least one parent education specialist;

(h) At least one representative of resource and referral programs;

(i) One pediatric or other health professional;

(j) At least one representative of college or university child care providers;

(k) At least one representative of a citizen group concerned with child care;

(l) At least one representative of a labor organization;

(m) At least one representative of a head start – early childhood education assistance program agency;

(n) At least one employer who provides child care assistance to employees;

(o) Parents of children receiving, or in need of, child care, half of whom shall be parents needing or receiving subsidized child care and half of whom shall be parents who are able to pay for child care.

The named state agencies shall select their representative to the child care coordinating committee. The department of social and health services shall select the remaining members, considering recommendations from lists submitted by professional associations and other interest groups until such time as the committee adopts a member selection process. Staff support for the child care coordinating committee shall be provided within available resources by the department of social and health services on an ongoing basis.

The department shall use any federal funds which may become available to accomplish the purposes of sections 1 through 3 of this act.

The committee shall elect officers from among its membership and shall adopt policies and procedures specifying the lengths of terms, methods for filling vacancies, and other matters necessary to the ongoing functioning of the committee. The secretary of social and health services shall appoint a temporary chair until the committee has adopted policies and elected a chair accordingly. Child care coordinating committee members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(2) To the extent possible within available funds, the child care coordinating committee shall:

(a) Serve as an advisory coordinator for all state agencies responsible for early childhood or child care programs for the purpose of improving communication and interagency coordination, but not to review the substance of programs. The committee shall annually review state programs and make recommendations to the agencies and the legislature which will maximize funding and promote furtherance of the policies set forth in section 1 of this act;

(b) Review and propose changes to the child care subsidy system by December 1, 1989;

(c) Review agency administration of the child care expansion grant program described in section 3 of this act;

(d) Review alternative models for child care service systems. In the context of the policies set forth in section 1 of this act, and recommend to the legislature a new child care service structure;

(e) Review options and make recommendations on the feasibility of establishing an allocation for day care facilities when constructing state buildings; and

(f) Perform other functions to improve the quantity and quality of child care in the state, including compliance with existing and future prerequisites for federal funding.

NEW SECTION. Sec. 3. (1) The legislature recognizes that a severe shortage of child care exists to the detriment of all families and employers throughout the state. Many workers are unable to enter or remain in the work force due to a shortage of child care resources. The high costs of starting a child care business create a barrier to the creation of new slots, especially for children with special needs.

(2) A child care expansion grant fund is created in the custody of the secretary of the department of social and health services. Grants shall be awarded on a one-time only basis to persons, organizations, or schools needing assistance to start a child care center or mini-center as defined by the department by rule, or to existing licensed child care providers, including
family home providers, for the purpose of making capital improvements in order to accommodate handicapped children as defined under chapter 72.40 RCW, sick children, or infant care, or children needing night time care. No grant may exceed ten thousand dollars. Start-up costs shall not include operational costs after the first three months of business.

(3) Child care expansion grants shall be awarded on the basis of need for the proposed services in the community, within appropriated funds.

(4) The department shall adopt rules under chapter 34.04 RCW setting forth criteria, application procedures, and methods to assure compliance with the purposes described in this section.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act are each added to chapter 74.13 RCW.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 2 of the title, after "RCW," strike the remainder of the title and insert "and declaring an emergency."

MESSAGE FROM THE HOUSE

March 4, 1988

Mr. President:

The House has passed SENATE BILL NO. 6271 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the availability of home health, hospice, and home care services has improved the quality of life for Washington's citizens. However, the delivery of these services bring risks because the in-home location of services makes their actual delivery virtually invisible. Also, the complexity of products, services, and delivery systems in today's health care delivery system challenges even informed and healthy individuals. The fact that these services are delivered to the state's most vulnerable population, the ill or disabled who are frequently also elderly, adds to these risks.

It is the intent of the legislature to protect the citizens of Washington state by licensing home health, hospice, and home care agencies. This legislation is not intended to unreasonably restrict entry into the in-home service marketplace. Standards established are intended to be the minimum necessary to ensure safe and competent care, and should be demonstrably related to patient safety and welfare.

PART I

The House has passed SENATE BILL NO. 6397 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 76.04 RCW to read as follows:

Upon arriving at the scene of a forest fire, the first priority of the employees or agents of the department shall be to attempt to extinguish the fire, and attempts to conduct a survey of contiguous property to ascertain the necessity to remove individuals or property from the area of the fire shall be secondary to that responsibility. This section shall not be construed as preventing assistance to individuals in immediate danger from the fire.

NEW SECTION. Sec. 2. A new section is added to chapter 76.04 RCW to read as follows:

(1) The legislature finds and declares that forest lands within the state are increasingly being used for residential purposes; that the risk to life and property is increasing from forest fires which may destroy developed property; that the department's primary mission is to protect forest land and suppress forest fires; that a primary mission of the rural fire districts and municipal fire departments is to protect improved property and suppress structural fires; that adjustment of the geographic areas of responsibility for the respective fire control agencies has not kept pace with the increasing use of forest lands for residential purposes; and that the department should work with the state's other fire control agencies to define geographic areas of responsibility that are more consistent with their respective primary missions.

(2) To accomplish the purposes of subsection (1) of this section, the department shall establish a procedure to clarify its geographic areas of responsibility. The areas of department protection shall be called forest protection zones. The forest protection zones shall include all forest land which the department is obligated to protect but shall not include forest land within rural fire districts or municipal fire districts which affected local fire control agencies agree, by mutual consent with the department, is not appropriate for department protection. Forest land not included within a forest protection zone established by mutual agreement of the department and a rural fire district or a municipal fire district shall not be assessed under RCW 76.04.610 or 76.04.630.

(3) After the department and any affected local fire protection agencies have agreed on the boundary of a forest protection zone, the department shall establish the boundary by rule under chapter 34.04 RCW.

(4) Except by agreement of the affected parties, the establishment of forest protection zones shall not alter any mutual aid agreement.

Sec. 3. Section 35. chapter 100, Laws of 1986 and RCW 76.04.610 are each amended to read as follows:

(1) If any owner of forest land within a forest protection zone, or any owner of forest land located where fire protection responsibility has not been mutually agreed upon as provided in section 2(2) of this 1988 act, neglects or fails to provide adequate fire protection as required by RCW 76.04.600, the department shall provide such protection, notwithstanding the provisions of RCW 76.04.630, at a cost to the owner of not to exceed twenty-one cents an acre per year on lands west of the summit of the Cascade mountains and seventeen cents an acre per year on lands east of the summit of the Cascade mountains: PROVIDED, That (((ffl))) (g) there shall be no assessment on (((each))) any parcel of privately owned lands of less than two acres or on (((each))) any parcel of tax-exempt lands of less than ten acres; (((2))) (((2))) (b) for lands not exempt under (((ffl))) (g) of this proviso, the cost for any ownership parcel containing less than thirty acres shall not be less than five dollars and ten cents east of the Cascade mountains and six dollars and thirty cents west of the Cascade mountains; and (((ffl))) (c) an owner of two or more parcels per county, each containing less than thirty acres, may obtain a refund of the assessments paid on all such parcels over one by applying therefor within the year the assessment was due to the department ((of-natural resources)), in such form as the department may require((--upon showing to the satisfaction of the department)). Verification that all assessments and property taxes on the property have been paid((--but)) shall be provided to the department by the owner. If the total acreage of the parcels exceeds thirty acres, the per-acre rate shall apply and the refund shall be computed accordingly. Application for the refund may be made by mail.

(2) For the purpose of this chapter, the supervisor may divide the forest lands of the state, or any part thereof, into districts, for fire protection and assessment purposes, may classify lands according to the character of timber prevailing, and the fire hazard existing, and place
unprotected lands under the administration of the proper district. Any amounts paid or contracted to be paid by the supervisor of the department of natural resources for protection of these lands from any funds at the supervisor's disposal shall be a lien upon the property protected, and unless reimbursed by the owner within ten days after October 1st of the year in which they were incurred, on which date the supervisor of the department of natural resources shall be prepared to make statement thereof upon request to any forest owner whose own protection has not been previously approved by the supervisor as adequate, shall be reported by the supervisor of the department of natural resources to the assessor of the county in which the property is situated who shall extend the amounts upon the tax rolls covering the property, or the county assessor shall upon authorization from the supervisor of the department of natural resources levy the forest (fire) protection assessment against the amounts of unimproved land as shown in each ownership on the county assessor's records and the assessor may then segre- gate on his or her records to provide that the improved land and improvements thereon carry the millage levy designed to support the rural fire protection districts as provided for in RCW 52.16.170.

(3) The amounts assessed shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that general state and county taxes on the same property are collected, except that errors in assessments may be corrected at any time by the (supervisor of the) department (of natural resources) certifying them to the treasurer of the county in which the land involved is situated. Assessments shall be known and designated as assessments of the year in which the amounts became reimbursable. Upon the collection of such assessments the county treasurer shall transmit them to the (supervisor of the) department (of natural resources to). Collections shall be applied against expenses incurred in carrying out the provisions of this section, including necessary and reasonable administrative costs incurred by the department in the enforcement of these provisions. The department may also expend any sums collected from owners of forest lands or received from any other source for necessary administrative costs in connection with the enforcement of RCW 76.04.660.

(4) When land against which forest (fire) protection assessments are outstanding is acquired for delinquent taxes and sold at public auction, the state shall have a prior lien on the proceeds of sale over and above the amount necessary to satisfy the county's delinquent tax judgment. The county treasurer, in case the proceeds of sale exceed the amount of the delinquent tax judgment, shall forthwith remit to the (supervisor of the) department (of natural resources) the amount of the outstanding forest (fire) protection assessments.

(5) All nonfederal public bodies owning or administering forest land(s) included in a forest protection zone shall pay the forest (fire) protection assessments provided in this section and the special forest fire suppression account assessments under RCW 76.04.630. The forest (fire) protection assessments and special forest fire suppression account assessments shall be payable by nonfederal public bodies from any available funds within thirty days following receipt of the written notice from the department which is given after October 1st of the year in which the protection was provided. Unpaid assessments shall not be a lien against the nonfederal publically owned land but shall constitute a debt by the nonfederal public body to the department and shall be subject to interest charges (in the same amount as other unpaid forest fire protection assessments) at the legal rate.

(6) A public body, having failed to previously pay the forest (fire) protection assessments required of it by this section, which fails to suppress a fire on or originating from forest lands owned or administered by it, shall be liable for the costs of suppression incurred by the department or its agent and shall not be entitled to reimbursement of any costs incurred by the public body in the suppression activities.

(7) The supervisor of the department of natural resources shall furnish the surety company bond under RCW 43.30.170(6), conditioned for the faithful performance of his duties and for a faithful accounting for all sums received and expended thereunder, which bond shall be approved by the attorney general.

(8) The (supervisor of the) department (of natural resources) may adopt rules to implement this section, including, but not limited to, rules on (the) levying and collecting (of) forest (fire) protection assessments.

Sec. 4. Section 45. chapter 100. Laws of 1986 and RCW 76.04.750 are each amended to read as follows:

Any fire on or threatening any forest land burning uncontrolled and without proper action being taken to prevent its spread, notwithstanding the origin of the fire, is a public nuisance by reason of its menace to life and property. Any person engaged in any activity on such lands, having knowledge of the fire, notwithstanding the origin or subsequent spread thereof on his or her own or other forest lands, and the landowner, shall make every reasonable effort to suppress the fire. If the person has not suppressed the fire and the fire is on or threatening forest land within a forest protection zone, the department shall summarily suppress the fire. If the owner, lessee, other possessor of such land, or an agent or contractor of the owner, lessee, or possessor, having knowledge of the fire, has not made a reasonable effort to suppress the fire, the cost thereof may be recovered from the owner, lessee, or other possessor of the land and the cost of the work shall also constitute a lien upon the real property or chattels under the
person's ownership. The lien may be filed by the department in the office of the county auditor and foreclosed in the same manner provided by law for the foreclosure of mechanics' liens. The prosecuting attorney shall bring the action to recover the cost or foreclose the lien, upon the request of the department. In the absence of negligence, no costs, other than those provided in RCW 76.04.475, shall be recovered from any landowner for lands subject to the forest ((fire)) protection assessment with respect to the land on which the fire burns.

When a fire occurs in a land clearing, right of way clearing, or landowner operation it shall be fought to the full limit of the available employees and equipment, and the fire fighting shall be continued with the necessary crews and equipment in such numbers as are, in the opinion of the department, sufficient to suppress the fire. The fire shall not be left without a fire fighting crew or fire patrol until authority has been granted in writing by the department."

On page 1, line 1 of the title, after "fires;" strike the remainder of the title and insert "amending RCW 76.04.610 and 76.04.750; and adding new sections to chapter 76.04 RCW."

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 2, 1988

Mr. President:

The House has passed SENATE BILL NO. 6408 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 3, chapter 144, Laws of 1985 and RCW 19.27A.030 are each amended to read as follows:

(I) The revised state energy code shall supersede all local government residential energy codes except as provided in subsections (2) and (3) of this section: PROVIDED. That cities, towns, and counties may adopt more energy efficient codes for residential construction if the builder or owner of new residential construction is reimbursed by an authorized federal agency program or authorized local utility, or both, for those additional costs to the consumer of conservation components that are attributable to the more energy efficient codes. This subsection shall not apply after January 1, 1990. In establishing this date it is not the legislature's intent to discourage any city, town, or county from adopting a more energy efficient code so long as the consumer is adequately reimbursed.

(2) The revised state energy code shall not preempt energy codes, adopted by a city, town, or county of the state prior to (April 24, 1965) January 15, 1988, or first class cities with a population over three hundred thousand which operate electrical utilities, that are designed to achieve reduction in energy consumption relative to the revised state energy code.

(3) The revised state energy code shall not preempt a less energy efficient energy code adopted by a county, city, or town if it can be shown that the revised state energy code is not cost-effective for that county, city, or town.

Sec. 2. Section 4, chapter 144, Laws of 1985 and RCW 19.27A.040 are each amended to read as follows:

(I) The University of Washington college of architecture and department of mechanical engineering shall conduct in situ testing of the annual thermal transmittance of individual construction components and conservation measures proposed for new residential construction by the northwest power planning council.
(2) There shall be a committee to oversee the study. The committee shall include the
director of the state energy office as chair; two members recommended by the home building
industry chosen by the governor; and two members nationally renowned as experts in building
energy performance chosen by the governor.

(3) The study shall include an analysis of the economic feasibility of adopting thermal per­
formance standards for new residential construction as proposed by the northwest power
planning council. The study of economic feasibility shall include but not necessarily be limited
to factors which shall not require an amortization of the individual components exceeding a
life cycle of seven years and a discount rate (interest) computed at the current conventional
market rate of home mortgages at par.

(4) The director of the state energy office shall ((make recommendations, based on the
results of the study and the residential standards demonstration program, to the legislature and
the state building code advisory council regarding the cost-effectiveness of the revised state
energy code developed pursuant to RCW 19.27A.020 no later than January 15, 1986)) establish a
scientific peer review panel to assess the validity of the results of the study, the results of the
residential standards demonstration program and other relevant data sources, and any pro­
posed recommendations based on those results. The peer review panel shall include repre­
sentatives of the national laboratories, the national association of homebuilders research
foundation, the electric power research institute, the gas research institute and the international

(2) The victim need not establish which act in a series of continuing sexual abuse or exploitation incidents caused the injury complained of, but may compute the date of discovery from the date of discovery of the last act by the same perpetrator which is part of a common scheme or plan of sexual abuse or exploitation.
(3) The knowledge of a custodial parent or guardian shall not be imputed to a person under the age of eighteen years.
(4) For purposes of this section, "child" means a person under the age of eighteen years.
(5) As used in this section, "childhood sexual abuse" means any act committed by the defendant against a complainant who was less than eighteen years of age at the time of the
act and which act would have been a violation of chapter 9A.44 RCW or RCW 9.68A.040 or prior laws of similar effect at the time the act was committed.

Sec. 2. Section 1, chapter 80, Laws of 1971 as last amended by section 1401, chapter 212, Laws of 1987 and RCW 4.16.350 are each amended to read as follows:

That the time for commencement of an action is tolled upon proof of fraud, intentional concealment, or the presence of a foreign body not intended to have a therapeutic or diagnostic purpose or effect.

For purposes of this section, notwithstanding RCW 4.16.190, the knowledge of a custodial parent or guardian shall be imputed to a person under the age of eighteen years, and such imputed knowledge shall operate to bar the claim of such minor to the same extent that the claim of an adult would be barred under this section. NEW SECTION. Sec. 3. Sections 1 and 2 of this act apply to all causes of action commenced on or after the effective date of this act, regardless of when the cause of action may have arisen. To this extent, sections 1 and 2 of this act apply retroactively.

(1) From funds under RCW 43.83B.010 through 43.83B.110 to eligible public bodies as defined in RCW 43.83B.050 for rehabilitation or betterment of agricultural water supply facilities, and/or construction of agricultural water supply facilities required to develop new irrigated lands; or

(2) From emergency agricultural water supply funds under RCW 43.83B.300 when required (because of emergency drought conditions) to provide water (to previously irrigated lands) to alleviate emergency drought conditions to assure the survival of irrigated crops and the state's fisheries. The department of ecology may make such loans or grants or combinations thereof as matching funds in any case where federal, local, or other funds have been made available on a matching basis. A loan or combination loan and grant shall not exceed fifty percent of the approved eligible project costs for any single proposed project.

Provided, That for purposes authorized by RCW 43.83B.300, 43.83B.310, and 43.83B.385 the department of ecology may make a loan up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost and the grant portion for any single project shall not exceed (fifteen) twenty percent of the total (single) project cost except that, for activities forecast to have fifty percent or less of normal seasonal water supplies, the grant portion for any single project or entity shall not exceed forty percent of the total project cost. No single entity shall receive more than ten percent of the total funds available for drought relief. These funds shall not be used for nonagricultural drought relief purposes unless there are no other capital budget funds available for these purposes. The total expenditures for nonagricultural drought relief purposes shall not exceed ten percent of the total funds available for drought relief purposes on the effective date of this 1988 act. Any grant or grant portion of a combination loan and grant from funds under RCW 43.83B.010 through 43.83B.110 for any single proposed project shall not exceed fifteen percent of the eligible project costs: PROVIDED, That the fifteen percent limitation established herein shall not be applicable to project commitments which the director or deputy director of the state department of ecology made to the bureau of reclamation of the United States department of interior for providing state funding at thirty-five percent of project costs during the period between August 1, 1974, and June 30, 1975.

The department of social and health services is authorized to make grants of up to forty percent of the cost of construction of any eligible project necessitated by the 1977 drought conditions. Such grants may be made only to public bodies as defined in RCW 43.83B.050 for municipal and industrial water supply and distribution facilities.

Sec. 2. Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto.
in order to alleviate emergency water supply conditions arising from the drought forecast for

The legislature further finds that there is a continuing (agricultural) water supply shortage in
many areas of the state and that (in relation to the lessening of that unsatisfactory condition,
there is an urgent need to both improve water supply facilities and replace other such facilities)
there is an urgent need to assure the survival of irrigated crops and of the state's fisheries.

In order to provide needed (capital) monies for the planning, acquisition, construction,
and improvement of water supply facilities (to withdraw and distribute water) and for other
appropriate measures to assure the survival of irrigated crops and/or the state's fisheries to
alleviate (unsatisfactory) emergency water supply conditions arising from droughts occurring
from time to time in the state of Washington, the state finance committee is authorized to issue
general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so
much thereof as may be required to finance such projects, and all costs incidental thereto. No
bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for
sale without prior legislative appropriation, and these bonds shall be paid and discharged
within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state
Constitution.

Sec. 3. Section 3, chapter 1, Laws of 1977 ex. sess. as amended by section 2, chapter 343,
Laws of 1987 and RCW 43.83B.310 are each amended to read as follows:

In addition to the powers previously vested in the department of ecology to permit the
withdrawal of public surface and ground waters by chapters 90.03 and 90.44 RCW, the
department of ecology is authorized to permit withdrawals of public surface and ground
waters, including dead storage within reservoirs, on a temporary basis, for any period ending
not later than (October 31, 1987) April 30, 1989, for any beneficial use. The department may
issue such emergency permits if, after investigation and after providing appropriate federal,
state, and local governmental bodies an opportunity to comment, the following are found:

(1) The waters proposed for withdrawal are to be used in relation to beneficial use involving
a previously established activity or purpose; and

(2) The previously established activity or purpose was furnished water through rights
applicable to the use of a public water body which are not exercisable due to the lack of
water arising from natural drought conditions; and

(3) The proposed withdrawal will not reduce flows or levels below essential minimums
necessary (a) to assure the maintenance of fisheries requirements, and (b) to protect federal
and state interests including, among others, power generation, navigation, and existing water
rights.

All permits issued hereunder shall contain provisions which allow for termination of autho-
ized withdrawals, in whole or in part, whenever withdrawals will conflict with flows and lev-
eels as provided in subsection (3) of this section.

Sec. 4. Section 8, chapter 343, Laws of 1987 and RCW 43.83B.342 are each amended to
read as follows:

The department of ecology is authorized to expend funds from the emergency water sup-
ply appropriations for necessary drought-related equipment and to employ a maximum of
(two-and-one-half) four full-time equivalent staff positions until (October 31, 1987) April 30,
1989, for the purpose of planning and administering drought relief activities, including the
development of a state drought contingency plan for responding to future drought conditions.

Sec. 5. Section 9, chapter 343, Laws of 1987 and RCW 43.83B.344 are each amended to
read as follows:

For a limited period of time ending (October 31, 1987) April 30, 1989, a water right may
be temporarily changed in purpose or place of use or point of diversion consistent with existing
state policy allowing transfer or lease of waters between willing parties as provided for in RCW
90.03.380, 90.03.390, and 90.44.100 without complying with any requirements of (1) notice of
newspaper publication or (2) the state environmental policy act, chapter 43.21C RCW, when
such changes are necessary to respond to emergency water supply conditions as determined
by the department of ecology. The temporary changing of a water right as authorized under
this section shall not be admissible as evidence in either the supporting or the contesting of the
validity of water claims in State of Washington, Department of Ecology v. Acquavella, or any
similar proceeding where the existence of a water right is at issue.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public
peace, health, and safety, the support of the state government and its existing public institu-
tions, and shall take effect immediately.

and the bill and the amendment are herewith transmitted.

MOTION

On motion of Senator Barr, the Senate concurred in the House amendment to
Second Substitute Senate Bill No. 6513.
POINT OF INQUIRY

Senator Halsan: "Senator Barr, in Section 1, page 2, lines 23 through 36, of the striking amendment, there are several limitations on the total funds available for drought relief. Are the total funds available for drought relief purposes, as stated in the amendment, considered to be only those funds in the emergency water project revolving account?"

Senator Barr: "Yes, Senator Halsan. When all of Section 1 of the House striking amendment is read together, it is clear that the language limiting the total funds available for drought relief references only those funds in the emergency water project revolving account."

Senator Halsan: "Senator Barr, would you yield to one further question? Do these limitations on the use of the funds affect the appropriations from this account in the Supplemental Operating Budget for the operating costs associated with this drought legislation, the water efficiency study and the water resources study?"

Senator Barr: "The answer is 'no.' These limitations are only to be applied on those grants and loans made in RCW 43.83B.210 for emergency drought activities and do not affect or restrict in any way, manner or form the appropriations in the Supplemental Operating Budget for operating costs associated with this drought bill, the water efficiency study and the water resources study."

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Second Substitute Senate Bill No. 6513, as amended by the House.

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 6530 with the following amendments:

Strike everything after the enacting clause and insert the following:

Sec. 1. Section 5, chapter 111, Laws of 1931 as last amended by section 7, chapter 88, Laws of 1972 ex. sess. and RCW 70.74.030 are each amended to read as follows:

All explosive manufacturing buildings and magazines in which explosives or blasting agents except small arms ammunition and smokeless powder are had, kept, or stored, must be located at distances from inhabited buildings, railroads, highways, and public utility transmission systems in conformity with the following quantity and distance tables; and these tables shall be the basis on which applications for license for storage shall be made and license for storage issued, as provided in RCW 70.74.110 and 70.74.120. All distances prescribed in the following quantity and distance tables are unbarred, and, if there is an efficient artificial or natural barricade between the explosives manufacturing building or magazine and another explosives manufacturing building or magazine, building, railroad, highway, or public utility transmission system, the distance prescribed in the following quantity and distance tables may be reduced by one half. Blasting and electric blasting caps in strength through No. 0 must be rated as one and one-half pounds of explosives per one thousand caps. Blasting and electric blasting caps of strength higher than No. 0 must be computed on the combined weight of explosives.

In the case of a corporation, fingerprinting and criminal history record information checks shall be required for the management officials directly responsible for the operations where explosives are used if such persons have not previously had their fingerprints recorded with the department of labor and industries. In the case of a partnership, fingerprinting and criminal history record information checks shall be required of all general partners. Such fingerprints as are required by the department of labor and industries shall be submitted on forms provided by the department to the identification section of the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior convictions of the individuals fingerprinted. The Washington state patrol shall provide to the director of labor and industries in all aspects of the fingerprinting and criminal history record information check. The applicant may be required to pay a fee not to exceed twenty dollars to the agency that performs the fingerprinting and criminal history process.

The superintendent of each plant shall upon demand of said inspector furnish the following information:

(b) The nature and kind of work carried on in each building and whether or not said buildings are surrounded by natural or artificial barricades.

Such license shall continue in full force and effect until expired, suspended, or revoked by the department pursuant to this chapter.

Sec. 6. Section 12, chapter 111, Laws of 1931 as last amended by section 14, chapter 137, Laws of 1969 ex. sess. and RCW 70.74.120 are each amended to read as follows:

All persons engaged in keeping or storing and all persons having in their possession explosives on the date when this 1969 amendatory act takes effect shall within sixty days thereafter, and all persons engaging in keeping or storing explosives or coming into possession thereof after this act takes effect, shall before engaging in the keeping or storing of explosives or taking possession thereof, make an application in writing subscribed to by such person or his agent, to the department of labor and industries stating:

(1) The location of the magazine, if any. If then existing, or in case of a new magazine, the proposed location of such magazine;
(2) The kind of explosives that are kept or stored or possessed or intended to be kept or stored or possessed and the maximum quantity that is intended to be kept or stored or possessed thereof;

(9) And such other pertinent information as the director of the department of labor and industries shall require to effectuate the purpose of this chapter.

The department of labor and industries shall, as soon as may be after receiving such application, cause an inspection to be made of the magazine, if then constructed, and, in the case of a new magazine, as soon as may be after same is found to be constructed in accordance with the specifications provided in RCW 70.74.025, such department shall determine the amount of explosives that may be kept and stored in such magazine by reference to the quantity and distance tables (set forth in RCW 70.74.030, 70.74.050 and 70.74.061) specified in or adopted under this chapter and shall issue a license to the person applying therefor. (unless the department shall find that such applicant is not sufficiently experienced in the handling of explosives, lacks suitable facilities therefor, has been convicted of a crime involving moral turpitude, or is disloyal to the United States) if the applicant demonstrates that either the applicant or the principal officer, agents, or employees of the applicant are sufficiently experienced in the handling of explosives and possess suitable storage facilities therefor, and that the applicant meets the qualifications for a license under section 3 of this 1988 act. Said license shall set forth the maximum quantity of explosives that may be kept, kept or stored by said person. MOTION

On motion of Senator Nelson, the Senate concurred in the House amendments to Substitute Senate Bill No. 6569.
The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 6569, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 6569, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 41: excused, 8.

SUBSTITUTE SENATE BILL NO. 6569, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

March 3, 1988

Mr. President:
The House has passed SENATE BILL NO. 6638 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that significant changes occurring simultaneously in the health care delivery system and the demography of the national population are resulting in a shortage of qualified nursing personnel which has the potential of dramatically reducing the quality of health care in the state of Washington, particularly in long-term care and critical emergent care. One of the more important contributors to this shortage is the fall in enrollment of students wishing to pursue nursing as a career. In today's complex health care
environment, a more integrated approach to the delivery of nursing care may provide comprehensive answers to the problem. The legislature finds that encouraging qualified individuals to enter the nursing profession is of paramount importance to the state in reducing this shortage. The legislature urges the health professions, industry, and philanthropic community organizations to join with state government in assuring the success of this program.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Conditional scholarship" means a loan that is forgiven in whole or in part if the recipient renders nursing service as a nurse serving in a nurse shortage area, as defined by the state health coordinating council.

(2) "Institution of higher education" or "institution" means a community college, vocational-technical school, or university in the state of Washington which is accredited by an accrediting association recognized as such by rule of the higher education coordinating board.

(3) "Board" means the higher education coordinating board.

(4) "Eligible student" means a student who has been accepted into a program leading to eligibility for licensure as a licensed practical nurse, or to a program leading to an associate, baccalaureate, or higher degree in nursing or continues satisfactory progress within the program; and has declared an intention to serve in a nurse shortage area upon completion of the educational program.

(5) "Nurse shortage area" means those areas where nurses are in short supply as a result of geographic maldistribution; or specialty areas of nursing, such as geriatrics or critical care, where vacancies exist in serious numbers that jeopardize patient care and pose a threat to the public health and safety. The state health coordinating council shall determine such areas in the state guided by federal standards of "health manpower shortage areas."

(6) "Forgiven" or "to forgive" or "forgiveness" means to render nursing service in a nurse shortage area in the state of Washington in lieu of monetary repayment.

(7) "Satisfied" means paid-in-full.

(8) "Participant" means an eligible student who has received a conditional scholarship under this chapter.

NEW SECTION. Sec. 3. The nurses conditional scholarship program is established for students pursuing nursing programs in institutions of higher education. The program shall be administered by the higher education coordinating board in consultation with the state board for community college education. In administering the program, the board shall have the following powers and duties:

(1) Select students to receive conditional scholarships to attend institutions of higher education and the superintendent of public instruction for vocational education, with the assistance of a screening committee;

(2) Adopt rules and guidelines to implement this chapter;

(3) Publicize the program;

(4) Collect and manage repayments from students who do not meet their services obligations under this chapter;

(5) Solicit and accept grants and donations from public and private sources for the program; and

(6) Develop criteria for a contract for service in lieu of the five-year service in a nurse shortage area where appropriate, that may be a combination of service and payment.

NEW SECTION. Sec. 4. The higher education coordinating board shall establish a planning committee to develop criteria for the screening and selection of recipients of the conditional scholarships. These criteria may also include, for approximately half of the recipients, requirements that those recipients meet the definition of "needy student" under RCW 28B.10.802.

NEW SECTION. Sec. 5. The board may award conditional scholarships to eligible students from the funds appropriated to the board for this purpose, or from any private donations, or any other funds given to the board for this program. The amount of the conditional scholarship awarded an individual shall not exceed three thousand dollars per academic year. Students are eligible to receive conditional scholarships for a maximum of five years while continually enrolled in an approved program.

NEW SECTION. Sec. 6. (1) Participants in the conditional scholarship program incur an obligation to repay the conditional scholarship, with interest, unless they serve for five years in nurse shortage areas of the state of Washington. Nurse shortage areas may include geographical areas as a result of maldistribution, or specialty areas of nursing such as gerontology, critical care, or coronary care.

(2) The terms of the repayment, including deferral of the interest, shall be consistent with the terms of the federal guaranteed loan program.

(3) The period for repayment shall be five years, with payments accruing quarterly commencing nine months from the date the participant completes or discontinues the course of study.

(4) The entire principal and interest of each payment shall be forgiven for each payment period in which the participant serves in a nurse shortage area, as determined by the state health coordinating council, until the entire repayment obligation is satisfied or the borrower
ceases to so serve. Should the participant cease to serve in this state before the participant’s repayment obligation is completed, payments on the unsatisfied portion of the principal and interest shall begin the next payment period and continue until the remainder of the participant’s repayment obligation is satisfied.

(5) The board is responsible for collection of repayments made under this section and shall exercise due diligence in such collection, maintaining all necessary records to ensure that maximum repayments are made. Collection and servicing of repayments under this section shall be pursued using the full extent of the law, including wage garnishment if necessary, and shall be performed by entities approved for such servicing by the Washington student loan guaranty association or its successor agency. The board is responsible to forgive all or parts of such repayments under the criteria established in this section and shall maintain all necessary records of forgiven payments.

(6) Receipts from the payment of principal or interest or any other subsidies to which the board as administrator is entitled, which are paid by or on behalf of participants under this section, shall be deposited with the higher education coordinating board and shall be used to cover the costs of granting the conditional scholarships, maintaining necessary records, and making collections under subsection (5) of this section. The board shall maintain accurate records of these costs, and all receipts beyond those necessary to pay such costs shall be used to grant conditional scholarships to eligible students.

NEW SECTION. Sec. 7. After consulting with the higher education coordinating board, the governor may transfer the administration of this program to another agency with an appropriate educational mission.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 28B RCW.

NEW SECTION. Sec. 9. No conditional scholarships may be granted after June 30, 1994.

On page 1, line 1 of the title, after "nurses;" strike the remainder of the title and insert "adding a new chapter to Title 28B RCW; and creating a new section..., and the same are herewith transmitted.

(1) Every licensed real estate broker shall keep adequate records of all real estate transactions handled by or through him. The records shall include, but are not limited to, a copy of the earnest money receipt, and an itemization of the broker's receipts and disbursements with each transaction. These records and all other records hereinafter specified shall be open to inspection by the director or his authorized representatives.

(2) Every real estate broker shall also deliver or cause to be delivered to all parties signing the same, at the time of signing, conformed copies of all earnest money receipts, listing agreements and all other like or similar instruments signed by the parties, including the closing statement.

(3) Every real estate broker shall also keep separate real estate fund accounts in a recognized Washington state depository authorized to receive funds in which shall be kept separate and apart and physically segregated from licensee broker's own funds, all funds or moneys of clients which are being held by such licensee broker pending the closing of a real estate sale or transaction, or which have been collected for said client and are being held for disbursement to or to said client and such funds shall be deposited not later than the first banking day following receipt thereof.

(4) Separate accounts comprised of clients' funds required to be maintained under this section, with the exception of property management trust accounts, shall be interest-bearing accounts from which withdrawals or transfers can be made without delay, subject only to the notice period which the depository institution is required to reserve by law or regulation.
Every real estate broker shall maintain a pooled interest-bearing escrow account for deposit of client funds, with the exception of property management trust accounts, which are nominal ("short-term"). As used in this section, a "nominal ("short-term")" deposit is a deposit ([which, if placed in a separate account, would not produce positive net interest income after payment of bank fees, or other institution fees, and other administrative expenses]) of not more than five thousand dollars.

The interest accruing on this account, net of any reasonable ("transaction-costs") and appropriate financial institution service charges or fees, shall be paid to the state treasurer for deposit in the Washington housing trust fund created in RCW 43.185.030. All client funds not required to be deposited in the account specified in subsection (5) of this section shall be deposited in: (a) a separate interest-bearing trust account for the particular client or client's matter on which the interest will be paid to the client; or (b) (A pooled interest-bearing trust account with subaccounting that will provide for computation of interest earned by each client's funds and the payment thereof to the client.) The pooled interest-bearing trust account specified in subsection (5) of this section if the parties to the transaction agree.

The department of licensing shall promulgate regulations which will serve as guidelines in the choice of an account specified in subsection (5) of this section or an account specified in this subsection.

For an account created under subsection (5) of this section, an agent shall direct the depository institution to: (a) Remit interest or dividends, net of any reasonable and appropriate service charges or fees, on the average monthly balance in the account, or as otherwise computed in accordance with an institution's standard accounting practice, at least quarterly, to the state treasurer for deposit in the housing trust fund created by RCW 43.185.030 and the real estate commission account created by RCW 18.85.220 as directed by RCW 18.85.315; and

(b) Transmit to the director of community development a statement showing the name of the person or entity for whom the remittance is spent, the rate of interest applied, and the amount of service charges deducted. If any, and the account balance(s) of the period in which the report is made, with a copy of such statement to be transmitted to the depositing person or firm.

The director shall forward a copy of the reports required by subsection (7) of this section to the department of licensing to aid in the enforcement of the requirements of this section consistent with the normal enforcement and auditing practices of the department of licensing.

This section does not relieve any real estate broker from any obligation with respect to the safekeeping of clients' funds.

Any violation by a real estate broker of any of the provisions of this section, or RCW 18.85.230, shall be grounds for revocation of the licenses issued to the broker.

Sec. 3, Section 10, chapter 513, Laws of 1987 and RCW 18.85.510 are each amended to read as follows:

The broker's trust account board shall review grant and loan applications placed before it by the director for final approval pursuant to RCW 43.185. (RCW 18.85.505 as recodified by section 4 of this 1988 act)

MOTION

On motion of Senator Nelson, the Senate refuses to concur in the House amendment to Senate Bill No. 6668 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 2, 1988

Mr. President:
The House has passed SENATE BILL NO. 6675 with the following amendments:
Strike everything after the enacting clause and insert the following:
"NEW SECTION. Sec. 1. A new section is added to chapter 74.21 RCW to read as follows:
The family independence program implementation plan submitted to the legislature pursuant to RCW 74.21.140 and 74.21.200 is approved. The governor or the governor's designee is authorized to sign and complete all necessary agreements with the federal government, provided that nothing in the agreements is inconsistent with chapter 74.21 RCW.
Sec. 2. Section 2, chapter 434, Laws of 1987 and RCW 74.21.020 are each amended to read as follows:
The legislature hereby establishes as state policy the goal of economic independence for employable adults receiving public assistance, through employment, training, and education. The legislature finds that children living in families with incomes below the needs standard have reduced opportunities for physical and intellectual development. A family's economic future is frequently not improved by the current program.
Therefore, in order to break the cycle of poverty and dependence, a family independence program is established. Participating families are to receive benefits under this program at no less than they would otherwise have been entitled to receive.
The legislature finds that the state has a vital interest in ensuring that citizens who are in economic need are provided appropriate financial assistance. It is the intent of the legislature to maintain the existing partnership between state and federal government and that this program remain part of the federal welfare entitlement program. The legislature seeks federal authority for a five-year demonstration project and recognizes that waivers and congressional
action may be required to achieve our purpose. The legislature does not seek a block grant approach to welfare.

The legislature recognizes that any program intended to assist new and current public assistance recipients will be more likely to succeed when the state, private sector, and recipients work together.

The legislature also recognizes the value of building on successful programs that utilize the development of networking and mentoring strategies to assist public assistance recipients to gain self-sufficiency. The legislature further encourages public-private cooperation in the areas of job readiness training, education, job training, and work opportunities, including community-based organizations as service providers in these areas through contractual relationships.

The legislature finds that the goal of economic independence requires increased efforts to assist parents in exercising their children's right to economic support from absent parents.

The legislature recognizes the substantial participation in the workforce of women with preschool children, and the difficulty in reentering employment after long absences.

The legislature further recognizes that public assistance recipients can play a major role in setting their own goals.

The objectives of this chapter are to assure that: The maximum number of recipients of public assistance become independent and self-sufficient through employment, training, and education; caseloads be correspondingly reduced on a long-term basis; financial incentives be available to recipients participating in job readiness, education, training, and work programs; the number of children growing up in poverty be substantially reduced; and unemployed recipients be afforded a basic level of financial and medical assistance consistent with the state's financial capabilities.

Sec. 3. Section 6, chapter 434, Laws of 1987 and RCW 74.21.060 are each amended to read as follows:

(1) The executive committee shall establish a family opportunity advisory council in each of the department's regions to make recommendations on the social services, procedures, and income maintenance operations used in the family independence program. The councils shall also assist in providing mentors, mutual self-help, and information on alternatives to welfare dependency. The councils shall include: (a) Individuals currently receiving assistance; (b) individuals who have received public assistance in the past but have subsequently achieved economic independence; and (c) persons who are board members or employees of nonprofit organizations providing services of the types offered to family independence program recipients, including those with experience in developing self-esteem and individual motivation. A regional advisory council may establish panels representing specific geographic areas within the region.

(2) Each advisory council shall nominate three persons from which the executive committee shall elect one person from each region to be a member of the advisory committee authorized by RCW 74.21.050. Appointments shall be for a term of two years. Terms may be renewed for one additional two-year term. Three regional appointments shall initially be for a term of one year. The regional representatives shall constitute the consumer and enrollee representatives required by 74.21.050.

(3) Recipients and former recipients may be paid a per diem rate established by the executive committee. Members may be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060. Recipients and former recipients may also be reimbursed for dependent care expenses required to permit their participation in the family opportunity advisory councils, the executive committee, and the family independence program advisory committee.

(4) The department may, within available funds, provide grants to each family opportunity council to assist and support their activities and to assist in the recruitment and training of volunteer mentors.

Sec. 4. Section 14, chapter 434, Laws of 1987 and RCW 74.21.140 are each amended to read as follows:

(1) By January 1, 1988, the executive committee shall submit to the legislature:

(a) A child-care plan, which may include creative solutions to assist enrollees in making child-care arrangements;

(b) In consultation with the superintendent of public instruction, a plan for assisting high school students who are parents or pregnant to remain in school or complete their high school education;

(c) A plan for motivating those who are discouraged to seek self-sufficiency through work, education, or training;

(d) An employment plan for enrollees; and

(e) A plan for phased-in implementation of the family independence program.

(2) By January 1, 1988, the legislative budget committee, after consultation with the executive committee, shall submit to the legislature:

(a) An evaluation plan satisfactory to the federal government, including a plan for analysis, within available funds, of:

(i) The costs and effectiveness of the family independence program;
(ii) The extent to which education and training opportunities have led to employment and economic independence;

(iii) The extent to which support services have been provided for such education and training opportunities;

(iv) The impact of support services, training opportunities, and employment on the well-being of the children and families of enrollees;

(v) The impact of the family independence program on the labor market opportunities available to enrollees:

(vi) The impact of the family independence program on the early childhood education assistance program:

(vii) A comparison of the family independence program enrollees with a sample of aid to families with dependent children recipients entering assistance between July 1, 1987, through June 30, 1988, to determine the characteristics of the case loads of the family independence program and the aid to families with dependent children program, including demographic characteristics, employment, training, and educational histories, spells on assistance, and reasons for entry onto and exit from assistance;

(viii) Such administrative and operational factors as may be requested by the executive committee;

(ix) A longitudinal study over time of a sample of public assistance recipients or persons at risk of becoming eligible for assistance, to determine the causes of public dependency and the impact of changes in the economy or of public programs on dependency, work, or other relevant behaviors of the sample population.

(3) The legislative budget committee shall cause the evaluation plan to be implemented (subject to legislative approval) as approved by the legislative budget committee in a manner that will insure the independence of the evaluation through appropriate arrangements, which may include contracts, with objective evaluators. The evaluation plan and all evaluation products shall receive the review and comment of evaluation advisory groups to be convened by the Washington institute of public policy and which include representatives of the executive committee, appropriate legislative committee staffs, persons from the state’s higher education institutions, staff members of the department and the employment security department, recipients, and former recipients. The reviews shall consider relevance to state policy and budget concerns, methodological procedure, implementation, and results.

(4) The first report of this evaluation shall be submitted to the legislature no later than (November 16, 1988) December 1, 1989, and annually thereafter, with a final report due no later than November 15, 1993.

Sec. 5. Section 25, chapter 434, Laws of 1987 and RCW 74.21.904 are each amended to read as follows:

This chapter shall expire on June 30, 1993, unless extended by law.

Sec. 6. Section 3, chapter 435, Laws of 1987 and RCW 26.23.030 are each amended to read as follows:

There is created a Washington state support registry within the office of support enforcement as the agency designated in Washington state to administer the child support program under Title IV-D of the federal social security act. The registry shall:

(1) Account for and disburse all support payments received by the registry;

(2) Maintain the necessary records including, but not limited to, information on support orders, support debts, the date and amount of support due; the date and amount of payments; and the names, social security numbers, and addresses of the parties;

(3) Develop procedures for providing information to the parties regarding action taken by, and support payments collected and distributed by the registry;

(4) The secretary of social and health services shall adopt rules for the maintenance and retention of records of support payments and for the archiving and destruction of such records when the support obligation terminates or is satisfied. When a support obligation established under court order entered in a superior court of this state has been satisfied, a satisfaction of judgment shall be prepared by the registry and filed with the clerk of the court in which the order was entered.

The child support registry shall distribute all moneys received in compliance with 42 U.S.C. Sec. 657. Support received by the office of support enforcement shall be distributed promptly but not later than eight days from the date of receipt unless circumstances exist which make such distribution impossible. Such circumstances include when: (1) The location of the custodial parent is unknown; (2) the child support debt is in litigation; or (3) the responsible parent or custodial parent cannot be identified. When, following termination of public assistance, the office of support enforcement collects support, all moneys collected up to the maximum of the support due for the period following termination from public assistance shall, to the extent permitted by federal law, be paid to the custodial parent before any distribution to the office of support enforcement under 42 U.S.C. Sec. 657. This section shall not apply to support collected through intercepting federal tax refunds under 42 U.S.C. Sec. 644. When a responsible parent has more than one support obligation, or a support debt is owed to more than one party.
moneys received will be distributed between the parties proportionally, based upon the amount of the support obligation and/or support debt owed.

If the Washington state support registry distributes a support payment to a person in error, the registry may obtain restitution by means of a set-off against future payments received on behalf of the person receiving the erroneous payment, or may act according to RCW 74.20A-270 as deemed appropriate. Any set-off against future support payments shall be limited to amounts collected on the support debt and up to ten percent of amounts collected as current support.

Sec. 7. Section 22, chapter 171, Laws of 1979 ex. sess. as amended by section 3, chapter 276, Laws of 1985 and RCW 74.20.330 are each amended to read as follows:

(1) Whenever public assistance is paid under this title, each applicant or recipient is deemed to have made assignment to the department of any rights to a support obligation from any other person the applicant or recipient may have in his or her own behalf or in behalf of any other family member for whom the applicant or recipient is applying for or receiving public assistance, including any unpaid support obligation or support debt which has accrued at the time the assignment is made. Payment of public assistance under this title operates as an assignment by operation of law.

(2) Upon the recipient's request, the department ((may or may not)) shall((continue to establish the support obligation and to enforce and collect the support debt (for a period not to exceed three months from the month following the month in which such family ceased))) after the family ceases to receive public assistance, and thereafter if a nonassistance request for support enforcement services has been made under RCW 74.20-040 (2) and (3). The department shall distribute all amounts collected in accordance with 42 U.S.C. Sec. 657 and RCW 26.23.030.

Sec. 8. Section 3, chapter 164, Laws of 1971 ex. sess. as last amended by section 31, chapter 435, Laws of 1987 and RCW 74.20A.030 are each amended to read as follows:

The department shall be subrogated to the right of any dependent child or children or person having the care, custody, and control of said child or children, if public assistance money is paid to or for the benefit of the child, to prosecute or maintain any support action or execute any administrative remedy existing under the laws of the state of Washington to obtain reimbursement of moneys expended, based on the support obligation of the responsible parent established by a superior court order or RCW 74.20A.055. Distribution of any support moneys shall be made in accordance with 42 U.S.C. Sec. 657.

Public assistance moneys shall be exempt from collection action under this chapter except as provided in RCW 74.20A.270.

No collection action shall be taken against parents of children eligible for admission to, or children who have been released from, a state school for the developmentally disabled as defined by chapter 72.33 RCW.

The department may initiate, continue, maintain, or execute action to establish, enforce, and collect a support obligation, including establishing paternity and performing related services, under this chapter and chapter 74.20 RCW, or through the attorney general or prosecuting attorney under chapter 26.09, 26.18, 26.20, 26.21, or 26.26 RCW or other appropriate statutes or the common law of this state, for a period not to exceed three months from the month following the month in which the family or any member thereof ceases to receive public assistance and thereafter if a nonassistance request for support enforcement services has been made under RCW 74.20.040 and RCW 26.23.030.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

ALAN THOMPSON, Chief Clerk

POINT OF ORDER

Senator Vognild: "Thank you, Mr. President. I would like to raise the question of scope and object on the House amendments to Senate Bill No. 6675. Senate Bill 6675, as it left this body, approved the Family Independence Program Implementation Plan. It authorized the payment of dependent care expenses for recipients and former recipients serving on committees. It authorized the department to provide grants to each family opportunity council. It extended the expiration date and declared an emergency. As the bill came back to us from the House, it has an entirely new subject in the bill. It has a bill that was added which deals with child support payments and the method by which the department handles child support payments. I believe that the amendment from the House is clearly beyond the scope and object."
FIFTY-SEVENTH DAY, MARCH 7, 1988

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "In ruling upon the point of order raised by Senator Vognild, the President finds that Senate Bill No. 6675 is a measure modifying provisions relating to the Family Independence Program.

"The amendments proposed by the House of Representatives modify the Family Independence Program, but also amend support enforcement statutes regarding time periods for distributing child support, restrict D.S.H.S. from applying certain collected funds to amounts due the department and allow O.S.E. to collect support for certain families for a longer time.

"The President, therefore, finds that the proposed amendments do change the scope and object of the bill and that the point of order is well taken."

The amendments by the House of Representatives to Senate Bill No. 6675 were ruled out of order.

MOTION

On motion of Senator Kiskaddon, the Senate refuses to concur in the House amendments to Senate Bill No. 6675 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 6, 1988

Mr. President:

The House has passed SUBSTITUTE SENATE BILL 6219 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 17, chapter 155, Laws of 1984 and RCW 26.33.170 are each amended to read as follows:

An agency’s, the department’s, or a legal guardian’s consent to adoption may be dispensed with if the court determines by clear, cogent and convincing evidence that the proposed adoption is in the best interests of the adoptee (and that the refusal to consent to adoption is arbitrary and capricious).

Sec. 2. Section 49, chapter 291, Laws of 1977 ex. sess. as amended by section 49, chapter 155, Laws of 1979 and RCW 13.34.210 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department of social and health services or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption, or in the absence thereof in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a general guardian of the child has not been appointed by the court, the child shall be returned to the court for entry of further orders for his or her care, custody, and control, and the court shall review the case every six months thereafter until a decree of adoption is entered.

NEW SECTION. Sec. 3. A new section is added to chapter 26.33 RCW to read as follows:

The legislature declares that its intent is to allow for an open adoption process when extraordinary circumstances demonstrate that some parent-child contact will best serve the
child’s interest and will not jeopardize the parent-child relationship established between the child and adoptive parents in the adoptive placement.

Sec. 4. Section 6, chapter 155, Laws of 1984 and RCW 26.33.060 are each amended to read as follows:

All hearings under this chapter shall be heard by the court without a jury. Unless the parties and the court agree otherwise, proceedings of contested hearings shall be recorded. The general public shall be excluded and only those persons shall be admitted whose presence is requested by any person entitled to notice under this chapter or whom the judge finds to have a direct interest in the case or in the work of the court. Persons so admitted shall not disclose any information obtained at the hearing which would identify the individual adoptee or parent involved except in accordance with an adoption contract issued in open adoptions under section 6 of this act. The court may require the presence of witnesses deemed necessary to the disposition of the petition, including persons making any report, study, or examination which is before the court if those persons are reasonably available. A person who has executed a valid waiver need not appear at the hearing. If the court finds that it is in the child’s best interest, the child may be excluded from the hearing.

Sec. 5. Section 33, chapter 155, Laws of 1984 and RCW 26.33.330 are each amended to read as follows:

(1) All records of any proceeding under this chapter shall be sealed and shall not be thereafter open to inspection by any person except upon order of the court for good cause shown or in accordance with specific terms of an open adoption order under section 6 of this act.

(2) The state registrar of vital statistics may charge a reasonable fee for the review of any of its sealed records.

NEW SECTION. Sec. 6. A new section is added to chapter 26.33 RCW to read as follows:

(1) "Open adoption" means a written and mutually agreed upon plan for written or oral communication between an adoptive family and birth parents or between an adopted child and birth parents. The written plan may also specify a schedule of in-person visitation.

(2) In an original adoption proceeding, the court may order that an adoption be declared "open" if the court finds that:

(a) All parties to the proceeding, including the birth parents, agree that the adoption should be declared "open";

(b) It is in the child’s best interest to have access to information about the natural parents; and

(c) The child’s best interests will be served by allowing information about the child to be known by the natural parents.

(3) Any party to the proceeding may file a proposed adoption contract that shall be reviewed by the court and included in the adoption order in the discretion of the court. The adoption contract shall include:

(a) A method of initiating contact between the child and the natural parents, if such contact is agreed to;

(b) The nature of any visitation schedule or agreement between the parties, if visitation is agreed to;

(c) A statement of the child’s right to refuse contact with the natural parents at any time;

(d) A method for dispute resolution in the event of difficulties in implementing the adoption contract; and

(e) A statement that all parties to the proceeding agree to the terms and conditions of the adoption contract. The contract shall be signed by all parties to the proceeding.

(4) Violation of the adoption contract shall not by itself constitute grounds for setting aside an adoption.

On line 1 of the title, after "adoption: " strike the remainder of the title and insert "amending RCW 26.33.170, 13.34.210, 26.33.060, and 26.33.330; and adding new sections to chapter 26.33 RCW."

and the same are herewith transmitted.  

SHARON CASE, Assistant Chief Clerk

MOTION

Senator Kiskaddon moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 6219.

POINT OF INQUIRY

Senator Talmadge: "Senator Kiskaddon, when we talk about open adoption in these proposed House amendments, we speak in terms of open adoption in the sense of the biological parent having free access to the adoptive child and the adoptive child having free access to information about the biological parent?"
Senator Kiskaddon: "Only in places where everyone agreed that that was an appropriate procedure and in the best interests of the child."

Senator Talmadge: "But no procedure is set up in here for an intermediary or anything else as has been done in times past in legislation before the Senate?"

Senator Kiskaddon: "The concept with this would be more a place to where all the people knew each other in advance and agreed that this would be the best way for the adoption to proceed."

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. I believe that the House amendments to Substitute Senate Bill No. 6219 expand the scope and object of that bill. Specifically to the point, the original bill that was passed by the Senate dealt with some technical changes in terms of how adoptions were to occur—the burden of proof and the adoption proceeding, and some standards with respect to how the traditional adoption procedures were to take place. The House amendments basically add on to it the concept of open adoption which is a very controversial and different subject which makes possible in certain circumstances, without the benefit of intermediary or anything else, the access by the child to the biological parent and the biological parent to the child. I think that is a mistake and I think it clearly expands the scope and object of a relatively technical little bill relating to adoption procedures."

MOTION

On motion of Senator Newhouse, further consideration of Substitute Senate Bill No. 6219 was deferred.

MESSAGE FROM THE HOUSE

March 6, 1988

Mr. President:
The House has passed SUBSTITUTE SENATE BILL NO. 6298 with the following amendments:

The director, in consultation with the Washington state archaeological research center, shall develop guidelines for the issuance and processing of (such) permits. Such written (permission) permit and any agreement or lease or other conveyance required by any public property owner or agency responsible for management of such land shall be physically present while any such activity is being conducted. The provisions of this section shall not apply to the removal of artifacts found exposed on the surface of the ground (nor to the excavation and removal of artifacts from state-owned shorelands below the line of ordinary high water or within the intertidal zone) which are not historic archaeological resources.

NEW SECTION. Sec. 5. Persons, firms, corporations, institutions, or agencies which discover a previously unreported historic archaeological resource on state-owned aquatic lands and report the site or location of such resource to the department shall have a right of first refusal to future salvage permits granted for the recovery of that resource, subject to the provisions of section 6 of this act. Such right of first refusal shall exist for five years from the date of the report. Should another person, firm, corporation, institution, or agency apply for a permit to salvage that resource, the reporting entity shall have sixty days to submit its own permit application and exercise its first refusal right, or the right shall be extinguished.

NEW SECTION. Sec. 6. The director is hereby authorized to enter into contracts with other state agencies or institutions and with qualified private institutions, persons, firms, or corporations for the discovery and salvage of state-owned historic archaeological resources. Such contracts shall include but are not limited to the following terms and conditions:

(1) Historic shipwrecks:
(a) The contract shall provide for fair compensation to a salver. "Fair compensation" means an amount not less than ninety percent of the appraised value of the objects recovered following successful completion of the contract.
(b) The salver may retain objects with a value of up to ninety percent of the appraised value of the total objects recovered, or cash, or a combination of objects and cash. In no event may the total of objects and cash exceed ninety percent of the total appraised value of the objects recovered. A salver shall not be entitled to further compensation from any state sources.
(c) The contract shall provide that the state will be given first choice of which objects it may wish to retain for display purposes for the people of the state from among all the objects recovered. The state may retain objects with a value of up to ten percent of the appraised value of the total objects recovered. If the state chooses not to retain recovered objects with a value of up to ten percent of the appraised value, the state shall be entitled to receive its share...
In or a combination of recovered objects and cash so long as the state's total share does not exceed ten percent of the appraised value of the objects recovered.

The contract shall provide that both the state and the salver shall have the right to select a single appraiser or joint appraisers.

The contract shall also provide that title to the objects shall pass to the salver when the permit is issued. However, should the salver fail to fully perform under the terms of the contract, title to all objects recovered shall revert to the state.

(2) Historic aircraft:

The contract shall provide that historic aircraft belonging to the state of Washington may only be recovered if the purpose of that salvage operation is to recover the aircraft for a museum, historical society, nonprofit organization, or governmental entity.

Title to the aircraft may only be passed by the state to one of the entities listed in (a) of this subsection.

Compensation to the salver shall only be derived from the sale or exchange of the aircraft to one of the entities listed in (a) of this subsection or other compensation as one of the entities listed in (a) of this subsection and the salver may arrange. The salver shall not have a claim to compensation from state funds.

(3) Other historic archaeological resources: The director, in his or her discretion, may negotiate the terms of such contracts.

NEW SECTION. Sec. 7. The salver shall agree to mitigate any archaeological damage which occurs during the salvage operation. The department shall have access to all property recovered from historic archaeological sites for purposes of scholarly research and photographic documentation for a period to be agreed upon by the parties following completion of the salvage operation. The department shall also have the right to publish scientific papers concerning the results of all research conducted as project mitigation.

The director has the right to refuse to issue a permit for salvaging an historic archaeological resource if that resource would be destroyed beyond mitigation by the proposed salvage operation. Any agency, institution, person, firm, or corporation which has been denied a permit because the resource would be destroyed beyond mitigation by their method of salvage shall have a right of first refusal for that permit at a future date should technology be found which would make salvage possible without destroying the resource. Such right of first refusal shall be in effect for sixty days after the director has determined that salvage can be accomplished by a subsequent applicant without destroying the resource.

No person, firm, or corporation may conduct such salvage or recovery operation herein described without first obtaining such contract.

Sec. 8. Section 43.19.1919, chapter 8, Laws of 1965 as amended by section 11, chapter 21, Laws of 1975-'76 2nd ex. sess. and RCW 43.19.1919 are each amended to read as follows:

MOTION

On motion of Senator McCaslin, the Senate concurred in the House amendments to Substitute Senate Bill No. 6298.

POINT OF INQUIRY

Senator Rasmussen: "Senator McCaslin, historical archaeological resources mean those properties which are listed or eligible for listing—something down there at the bottom of Puget Sound or the ocean within three miles of Washington. How am I, if I'm a diver out there, how am I going to know how historic that is, if I go down there and remove a porthole or a steering wheel or whatever, how am I going to tell that?"

Senator McCaslin: "It probably would be very difficult. I'm not a diver, but I suppose you would notify the Department of Natural Resources of your find and discuss it with them and go from there."

Senator Rasmussen: "Well, I don't have my underwater telephone hooked up and I'm down there, I've got so much air supply and I'm going to come back up and tell them there's something down there and is it or isn't it historic?"

Senator McCaslin: "Well, I don't want to get into the PNB bill, but I think if you're an experienced diver and you know what you're going to go after and you're planning—and you are familiar with the area and if you're not familiar with it and you do pick up a memorabilia while you're down there, I'm sure you, being an honest person, you'd check with the Department of Natural Resources."

Further debate ensued.

MOTION

On motion of Senator Zimmerman, Senator Deccio was excused.

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 6298, as amended by the House.

Such changes, if not agreed to in writing, shall be null and of no effect. Such changes shall be posted conspicuously where it is clearly visible to consignors. In addition to the posting of the itemized list of charges, such list shall be distributed to each consignor along with a schedule of commissions, together with an itemized list of all charges for services to be performed by the commission merchant. Such qualifications apply throughout each member's term of office.

Sec. 13. Section 4, chapter 452, Laws of 1987 and RCW 15.88.040 are each amended to read as follows:

The appointive voting positions on the commission shall be designated as follows: The wine producers shall be designated positions one, two, three, four, and five; the growers shall be designated positions six, seven, eight, nine, and ten; and the wine wholesalers shall be position eleven. The nonvoting industry member shall be designated position number twelve. The member designated as filling position one shall be a person producing over one million gallons of wine annually. The member designated as position one shall be the sole representative, directly or indirectly, of the producer eligible to hold position one and in no event shall that producer directly or indirectly control more than fifty percent of the votes of the commission.

Except as provided in RCW 15.88.100(2), the regular terms of office shall be three years from the date of appointment and until their successors are appointed. However, the first terms of the members appointed upon July 1, 1987, shall be as follows: Positions one, six, and eleven shall terminate July 1, 1990; positions two, four, seven, and nine shall terminate July 1, 1989; and positions three, five, eight, and ten shall terminate July 1, 1988. The vote of position one shall be equal to the lesser of the following: Five and one-half votes; or eleven votes times the percentage of the wine produced in the state that is produced by the person filling position one. The percentage shall be based upon the amount of wine produced in the previous calendar year and shall be rounded to the nearest ten percent. The remaining votes of the membership of the commission shall be divided equally among the remaining members of the commission.

The percentage shall be based upon the amount of wine produced in the previous calendar year and shall be rounded to the nearest ten percent. 3. In the event that the percentage of wine produced by the producer represented by position one falls below twenty-five percent of the wine produced in this state, the weighted voting mechanism provided for in subsections (1) and (2) of this section shall cease to be effective. In that case, the voting shall be based on one vote per position.

MOTION

On motion of Senator Barr, the Senate refuses to concur in the House amendments to Engrossed Substitute Senate Bill No. 6344 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 6, 1988

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6603 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 46, chapter 238, Laws of 1967 as last amended by section 39, chapter 109, Laws of 1987 and by section 13, chapter 405, Laws of 1987 and RCW 70.94.331 are each reenacted and amended to read as follows:

1. The department shall have all the powers as provided in RCW 70.94.141.
2. The department, in addition to any other powers vested in it by law after consideration at a public hearing held in accordance with chapter 42.30 RCW and chapter 34.04 RCW shall:
   a. Adopt rules and regulations establishing air quality objectives and air quality standards;
   b. Adopt emission standards which shall constitute minimum emission standards throughout the state. An authority may enact more stringent emission standards, except for emission performance standards for new wood stoves and opacity levels for residential solid fuel burning devices which shall be state-wide, but in no event may less stringent standards be enacted by an authority without the prior approval of the department after public hearing and due notice to interested parties;"
(c) Adopt by rule and regulation air quality standards and emission standards for the control or prohibition of emissions to the outdoor atmosphere of radionuclides, dust, fumes, mist, smoke, other particulate matter, vapor, gas, odorous substances, or any combination thereof. Such requirements may be based upon a system of classification by types of emissions or types of sources of emissions, or combinations thereof, which it determines most feasible for the purposes of this chapter. However, an industry, or the air pollution control authority having jurisdiction, can choose, subject to the submittal of appropriate data that the industry has quantified, to have any limit on the opacity of emissions from a source whose emission standard is stated in terms of a weight of particulate per unit volume of air (e.g., grains per dry standard cubic foot) be based on the applicable particulate emission standard for that source, such that any violation of the opacity limit accurately indicates a violation of the applicable particulate emission standard. A reasonable fee may be assessed to the industry to which the alternate opacity standard would apply. The fee shall cover only those costs to the air pollution control authority which are directly related to the determination on the acceptability of the alternate opacity standard, including testing, oversight and review of data.

(3) The air quality standards and emission standards may be for the state as a whole or may vary from area to area, except that emission performance standards for new wood stoves and opacity levels for residential solid fuel burning devices shall be state-wide, as may be appropriate to facilitate the accomplishment of the objectives of this chapter and to take necessary or desirable account of varying local conditions of population concentration, the existence of actual or reasonable foreseeable air pollution, topographic and meteorologic conditions and other pertinent variables.

(4) The department is directed to cooperate with the appropriate agencies of the United States or other states or any interstate agencies or international agencies with respect to the control of air pollution and air contamination, or for the formulation for the submission to the legislature of interstate air pollution control compacts or agreements.

(5) The department is directed to conduct or cause to be conducted a continuous surveillance program to monitor the quality of the ambient atmosphere as to concentrations and movements of air contaminants.

(6) The department shall enforce the air quality standards and emission standards throughout the state except where a local authority is enforcing the state regulations or its own regulations which are more stringent than those of the state.

(7) The department shall encourage local units of government to handle air pollution problems within their respective jurisdictions; and, on a cooperative basis provide technical and consultative assistance therefor.

(8) The department shall have the power to require the addition to or deletion of a county from an existing authority in order to carry out the purposes of this chapter: PROVIDED, HOWEVER. That no such addition or deletion shall be made without the concurrence of any existing authority involved. Such action shall only be taken after a public hearing held pursuant to the provisions of chapter 34.04 RCW.”.

and the bill and the amendment are herewith transmitted.

MESSAGE FROM THE HOUSE

March 3, 1988

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6724 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that the fundamentals of water resource policy in this state must be reviewed by the legislature to ensure that the water resources of the state are protected and fully utilized for the greatest benefit to the people of the state of Washington. The legislature further finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto. In order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

In order to study the fundamentals of water resource policy of the state and to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. A new section is added to chapter 90.54 RCW to read as follows:

(1) The director of ecology shall contract with an independent fact-finding service for the purpose of consulting with all user groups and parties interested in Washington's water resource policy, including but not limited to:

(a) The departments of ecology, agriculture, social and health services, fisheries, wildlife, and natural resources;

(b) Municipal users of water;

(c) Agricultural interests;

(d) The governor's office;

(e) Environmental interests;

(f) Interests of industrial users of water;

(g) Indian tribes;

(h) Interests of public water utilities;

(i) Interests of recreational uses other than fishing;

(j) Public and private hydropower generating utilities;

(k) Interests of sport and commercial fishing; and

(l) Interests of the forest products industry.

(2) The fact-finding service shall consult with, obtain, and document the opinions of the interested parties, and may facilitate discussions between them on the fundamentals of water resource policy and the need, if any, to change or clarify the current policy for the state. The fact-finding service shall also identify and evaluate the clarity and consistency of state water allocation laws with the current policy based on those laws.

(3) The fact-finding service shall report its findings in a written report to the joint select committee established pursuant to section 3 of this act. The report shall be submitted to the joint select committee by June 30, 1988, unless the committee provides for an extension of the due date.

The committee shall report periodically to the legislature.

Sec. 4. Section 3, chapter 225, Laws of 1971 ex. sess. and RCW 90.54.030 are each amended to read as follows:

For the purpose of insuring that the department is fully advised in relation to the performance of the water resources program provided in RCW 90.54.040, and to provide information and support to the fact–finding service and the joint select committee established in sections 2.
and 3 of this 1988 act, the department is directed to become informed with regard to all phases of water and related resources of the state. To accomplish this objective the department shall:

(1) Collect, organize and catalog existing information and studies available to it from all sources, both public and private, pertaining to water and related resources of the state.

(2) Develop such additional data and studies pertaining to water and related resources as are necessary to accomplish the objectives of this chapter.

(3) Determine existing and foreseeable uses of, and needs for, such waters and related resources;

(4) Develop alternative courses of actions to solve existing and foreseeable problems of water and related resources and include therein, to the extent feasible, the economic and social consequences of each such course, and the impact on the natural environment.

All the foregoing shall be included in a "water resources archive" established and maintained by the department. The department shall develop a system of cataloging, storing and retrieving the information and studies of the archive so that they may be made readily available to and effectively used not only by the department but by the public generally.

Sec. 5. Section 4, chapter 225, Laws of 1971, 1st ex. sess. and RCW 90.54.040 are each amended to read as follows:

(1) The department, through the adoption of appropriate rules, is directed, as a matter of high priority to insure that the waters of the state are utilized for the best interests of the people, to develop and implement in accordance with the policies of this chapter a comprehensive state water resources program which will provide a process for making decisions on future water resource allocation and use. The department may develop the program in segments so that immediate attention may be given to waters of a given physiogeographic region of the state or to specific critical problems of water allocation and use.

The current guidelines, standards, or criteria governing the elements of the water resource program established pursuant to this subsection shall not be altered or amended after the effective date of this 1988 section, in accordance with section 2(5) of this 1988 act.

(2) In relation to the management and regulatory programs relating to water resources vested in it, the department is further directed to modify existing regulations and adopt new regulations, when needed and possible, to insure that existing regulatory programs are in accord with the water resource policy of this chapter and the program established in subsection (1) of this section. The current guidelines, standards, or criteria governing the department's implementation of this subsection shall not be altered or amended after the effective date of this 1988 section, in accordance with subsection (1) of this section.

(3) The department is directed to review all statutes relating to water resources which it is responsible for implementing. When any of the same appear to the department to be ambiguous, unclear, unworkable, unnecessary, or otherwise deficient, it shall make recommendations to the legislature including appropriate proposals for statutory modifications or additions. Whenever it appears that the policies of any such statutes are in conflict with the policies of this chapter and the department is unable to fully perform as provided in subsection (2) of this section, the department is directed to submit statutory modifications to the legislature which, if enacted, would allow the department to carry out such statutes in harmony with this chapter.

Sec. 6. Section 3, chapter 284, Laws of 1969, 1st ex. sess. as amended by section 103, chapter 109, Laws of 1987 and by section 96, chapter 506, Laws of 1987 and RCW 90.22.010 are each reenacted and amended to read as follows:

The department of ecology may establish minimum water flows or levels for streams, lakes or other public waters for the purposes of protecting fish, game, birds or other wildlife resources, or recreational or aesthetic values of said public waters whenever it appears to be in the public interest to establish the same. In addition, the department of ecology shall, whenever requested by the department of fisheries or the department of wildlife to protect fish, game or other wildlife resources under the jurisdiction of the requesting state agency, or if the department of ecology finds it necessary to preserve water quality, establish such minimum flows or levels as are required to protect the resource or preserve the water quality described in the request or determination. Any request submitted by the department of fisheries or department of wildlife shall include a statement setting forth the need for establishing a minimum flow or level. When the department acts to preserve water quality, it shall include a similar statement with the proposed rule filed with the code reviser. This section shall not apply to waters artificially stored in reservoirs, provided that in the granting of storage permits by the department of ecology in the future, full recognition shall be given to downstream minimum flows, if any there may be, which have theretofore been established hereunder.

The current guidelines, standards, or criteria governing the instream flow programs established pursuant to this chapter shall not be altered or amended after the effective date of this 1988 section, in accordance with section 2(5) of this 1988 act.

Sec. 7. Section 5, chapter 225, Laws of 1971, 1st ex. sess. and RCW 90.54.050 are each amended to read as follows:

In conjunction with the programs provided for in RCW 90.54.040(1), whenever it appears necessary to the director in carrying out the policy of this chapter, the department may by rule adopted pursuant to chapter 34.04 RCW:
(1) Reserve and set aside waters for beneficial utilization in the future, and
(2) When sufficient information and data are lacking to allow for the making of sound
decisions, withdraw various waters of the state from additional appropriations until such data
and information are available.

Prior to the adoption of a rule under this section, the department shall conduct a public
hearing in each county in which waters relating to the rule are located. The public hearing
shall be preceded by a notice placed in a newspaper of general circulation published within
each of said counties. Rules adopted hereunder shall be subject to review in accordance with
the provisions of RCW 34.04.070 or 34.04.080.

No new rules or changes to existing rules to reserve or set aside water may be adopted
pursuant to this section, as provided in section 2(5) of this 1988 act.

NEW SECTION. Sec. 8. Nothing in this act shall apply to or interfere with the processing or
issuance of water rights in connection with the Yakima River Basin Water Enhancement Project.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or cir-
cumstance is held invalid, the remainder of the act or the application of the provision to other
persons or circumstances is not affected.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public
peace, health, and safety, the support of the state government and its existing public institu-
tions, and shall take effect immediately.

MOTION

Senator Barr moved that the Senate do concur in the House amendments to
Engrossed Second Substitute Senate Bill No. 6724.

POINT OF INQUIRY

Senator Halsan: "Senator Barr, Sections 5, 6 and 7 of the House striking amend-
ment prohibit amending or altering the guidelines governing instream flow and
water allocation programs in Chapters 90.22 and 90.54 RCW, and prohibit any new
reservation of waters in RCW 90.54.050. Do these prohibitions continue indefinitely
or expire on July 1, 1989?"

Senator Barr: "Senator Halsan, these prohibitions will expire no later than July
1, 1989."

Senator Halsan: "Thank you. One further question, Senator Barr. Under Section
2, subsection (5) (c) of the House amendment, does the limitation of issuing water
permits in any manner or form affect the right to transfer water rights under RCW
90.03.380 and 90.03.390?"

Senator Barr: "Senator Halsan, the answer is no. Nothing in this amendment
affects or interferes with the ability or right to transfer water rights, to change the
point of diversion, or to change the place or the purpose of use of water as pro-
vided under RCW 90.03.380 and 90.03.390. The amendment also clearly states that
nothing in Section 2 subsection (5) (c) is to affect existing water rights."

The President declared the question before the Senate to be the motion by
Senator Barr that the Senate do concur in the House amendments to Engrossed
Second Substitute Senate Bill No. 6724.

The motion by Senator Barr carried and the Senate concurred in the House
amendments to Engrossed Second Substitute Senate Bill No. 6724.

Message from the House

March 3, 1988

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6741 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the planning and development of regulatory programs for storage tanks containing petroleum and regulated substances must begin as soon as possible in order to meet the requirements of federal and state laws and address public health and safety concerns. The legislature further finds that a state regulatory program for underground storage tanks needs to be developed that is at least as stringent as the minimum requirements under 42 U.S.C. Sec. 6991 et seq.

In addition, the legislature finds that affordable private methods of ensuring financial responsibility as required under 42 U.S.C. Sec. 6991b(d) may not be available. Thus, it is necessary to study the possibility of developing risk retention pools to aid underground storage tank owners and operators in meeting federal financial responsibility requirements. The legislature further finds that the economic well-being of small businesses in the state that own or operate underground storage tanks depends on a clear state policy and adequate state regulatory programs.

Since additional information is needed to develop specific tank construction, installation, operational, monitoring, reporting, closure, and financial responsibility requirements, the legislature establishes the joint select committee on storage tanks to make recommendations on program elements and to develop legislation to establish these programs by June 1, 1989.

NEW SECTION. Sec. 2. (1) The joint select committee on storage tanks is created. The committee shall consist of six members from the senate appointed by the president of the senate and six members from the house of representatives appointed by the speaker of the house of representatives. The committee shall include equal numbers of members from the majority and minority parties of each house. The joint select committee chair and vice-chair shall be chosen by the majority vote of committee members and shall serve for the duration of the committee.

(2) The committee shall seek input from persons and organizations representing major petroleum companies, agriculture, environmental protection, petroleum jobbing, vehicle sales firms, vehicle repair firms, insurance underwriting, gasoline retailing, cities, counties, other units of local government, fuel oil retailing, the general business community, and the public.

(3) The committee shall be staffed from the senate committees on environment and natural resources, financial institutions and insurance, and ways and means and the house of representatives committees on environment and natural affairs, financial institutions and insurance, and ways and means. The department of ecology, department of general administration, and the insurance commissioner shall provide necessary staff and resources to assist the committee in carrying out its purpose and preparing legislation to establish the recommended programs by June 1, 1989.

(4) The committee shall report its findings and recommendations to the senate committees on environment and natural resources, financial institutions and insurance, and ways and means and the house of representatives committees on environment and natural affairs, financial institutions and insurance, and ways and means by December 10, 1988.

NEW SECTION. Sec. 3. The committee shall make recommendations on topics including, but not limited to, the following:

(1) Elements of an underground storage tank regulatory program necessary to meet the requirements of 42 U.S.C. Sec. 6991 et seq. and to allow full delegation of the federal program to the state. The committee shall specify circumstances under which it may be advisable to develop standards and requirements more stringent than those provided in federal regulations.

(2) Provisions necessary to implement a state-wide underground storage tank program, including:

(a) Whether state laws should generally preempt local laws governing the regulation of underground storage tanks but also allow for local programs that address environmentally sensitive areas; and

(b) Methods by which implementation and operation of underground storage tank programs will be coordinated between state and local governments.
(3) The cost of administering a state underground storage tank program and the methods of funding program administration, including:
(a) The need for limitations on fees charged by local governments; and
(b) Revenue sharing by the department of ecology with local governments to fund local program administration.

(4) Financial responsibility requirements for the owners and operators of underground petroleum storage tanks that meet the minimum federal financial responsibility requirements under 42 U.S.C. Sec. 6991b(d) and the advisability of and methods for establishing an owner and operator funded program that assures compliance with the federal requirements and which limits the state's liability. Including the advisability of state administration of risk retention pools designed to provide financial responsibility for owners and operators who cannot obtain adequate and reasonably priced private insurance. If the determination is made that a state-administered risk retention pool is necessary, the committee shall develop methods for implementation, including information on:
(a) Estimates of the costs of administering risk retention pools;
(b) Adequate means of ensuring that the state will have the necessary resources to address the obligation of the risk retention pools in the event that regular contributions are insufficient, including but not limited to a petroleum products tax;
(c) Adequate yet reasonable contributions from the owner or operator;
(d) Ways to ensure that owners and operators of tanks eligible to obtain funds from the risk retention pools will comply with the applicable state storage tank regulations; and
(e) A timetable for implementation of the risk retention pools by June 1, 1989.

(5) A timetable for implementing a state underground storage tank regulatory program.

NEW SECTION. Sec. 4. (1) By December 10, 1988, the department of ecology shall provide a report to the legislature on the following:
(a) An inventory of above-ground tanks containing petroleum in existence in this state, including their sizes, location, types, and products stored therein;
(b) An analysis of the current practices and requirements applicable to above-ground storage tanks containing petroleum, including an examination of any causes of releases from such tanks and appropriate responses;
(c) Recommendations for a state program, if necessary for the installation, operation, and closure of above-ground storage tanks.

(2) For the purposes of this study and notwithstanding the provisions of chapter 34.04 RCW, the department, with the advice of the joint select committee established in section 2 of this act, shall develop a definition of above-ground petroleum storage tanks except that the definition shall not include farm or residential tanks of one thousand one hundred gallons or less capacity used for storing motor fuel for noncommercial purposes, tanks used for storing heating oil for consumptive use on the premises where stored, or barrels or drums commonly used for the transportation and temporary storage of petroleum products.

(3) In carrying out the study, the department may require a person, firm, corporation, or government entity other than a federal government entity, to respond to requests for information necessary to meet the requirements of this study.

NEW SECTION. Sec. 5. This act shall expire July 1, 1989.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 1 of the title, after "tanks," strike the remainder of the title and insert "creating new sections; providing an expiration date; and declaring an emergency."

and the same are herewith transmitted.

Sec. 1. Section 1, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.010 are each amended to read as follows:

PURPOSES AND SCOPE. (1) The purposes of this chapter are:

(a) To establish a uniform policy for the fair and equitable treatment of persons displaced as a direct result of public works programs of the state and local governments in order that such persons shall not suffer disproportionate injuries as a result of programs designed for the benefit of the public as a whole and to minimize the hardship of displacement on such persons;

(b) To encourage and expedite the acquisition of real property for public works programs by agreements with owners, to reduce litigation and relieve congestion in the courts, to assure consistent treatment for owners affected by state and local programs, and to promote public confidence in state and local land acquisition practices.

(2) Notwithstanding the provisions and limitations of this chapter requiring a local public agency to comply with the provisions of this chapter, the governing body of any local public agency may elect not to comply with the provisions of sections 3 through 11 of this act in connection with a program or project not receiving federal financial assistance. Any person who has the authority to acquire property by eminent domain under state law may elect not to comply with sections 12 through 14 of this act in connection with a program or project not receiving federal financial assistance.

(3) Any determination by the head of a state agency or local public agency administering a program or project as to payments under this chapter is subject to review pursuant to chapter 34.04 RCW; otherwise, no provision of this chapter may be construed to give any person a cause of action in any court.

(4) Nothing in this chapter may be construed as creating in any condemnation proceedings brought under the power of eminent domain, any element of value or of damage not in existence immediately before the effective date of this act.

Sec. 2. Section 2, chapter 240, Laws of 1971 ex. sess. as amended by section 1, chapter 34. Laws of 1972 ex. sess. and RCW 8.26.020 are each amended to read as follows:

PART II
UNIFORM RELOCATION ASSISTANCE POLICY
NEW SECTION. Sec. 3. MOVING AND RELATED EXPENSES. (1) Whenever a program or
project to be undertaken by a displacing agency will result in the displacement of any person,
the displacing agency shall provide for the payment to the displaced person of:

(a) Actual reasonable expenses in moving himself, his family, business, farm operation, or
other personal property;

(b) Actual direct losses of tangible personal property as a result of moving or discontinuing
a business or farm operation, but not to exceed an amount equal to the reasonable expenses
that would have been required to relocate the property. In accordance with criteria established by the lead agency:

(c) Actual reasonable expenses in searching for a replacement business or farm; and

(d) Actual reasonable expenses necessary to reestablish a displaced farm, nonprofit organization, or small business at its new site, in accordance with criteria established by the lead agency, but not to exceed ten thousand dollars.

(2) A displaced person eligible for payments under subsection (1) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (1) of this section may receive an expense and dislocation allowance determined according to a schedule established by the lead agency.

(3) A displaced person eligible for payments under subsection (1) of this section who is displaced from the person's place of business or farm operation and who is eligible under criteria established by the lead agency may elect to accept the payment authorized by this subsection in lieu of the payment authorized by subsection (1) of this section. The payment shall consist of a fixed payment in an amount to be determined according to criteria established by the lead agency, except that the payment shall be not less than one thousand dollars nor more than twenty thousand dollars. A person whose sole business at the displacement dwelling is the rental of that property to others does not qualify for a payment under this subsection.

NEW SECTION. Sec. 4. REPLACEMENT HOUSING FOR HOMEOWNERS. (1) In addition to payments otherwise authorized by this chapter, the displacing agency shall make an additional payment, not in excess of twenty-two thousand five hundred dollars, to any displaced person who is displaced from a dwelling actually owned and occupied by the displaced person for not less than one hundred and eighty days immediately before the initiation of negotiations for the acquisition of the property. The additional payment shall include the following elements:

(a) The amount, if any, that when added to the acquisition cost of the dwelling acquired by the displacing agency, equals the reasonable and necessary cost of a comparable replacement dwelling;

(b) The amount, if any, that will compensate the displaced person for any increased mortgage interest costs and other debt service costs that the person is required to pay for financing the acquisition of any such comparable replacement dwelling. This amount shall be paid only if the dwelling acquired by the displacing agency was encumbered by a bona fide mortgage that was a valid lien on the dwelling for not less than one hundred and eighty days immediately before the initiation of negotiations for the acquisition of the dwelling;

(c) Reasonable expenses incurred by the displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(2) The additional payment authorized by this section shall be made only to a displaced person who purchases and occupies a decent, safe, and sanitary replacement dwelling within one year after the date on which the person receives final payment from the displacing agency for the acquired dwelling or the date on which the obligation of the displacing agency under section 7 of this act is met, whichever date is later, except that the displacing agency may extend the period for good cause. If the period is extended, the payment under this section shall be based on the costs of relocating the person to a comparable replacement dwelling within one year of that date.

NEW SECTION. Sec. 5. REPLACEMENT HOUSING FOR TENANTS AND CERTAIN OTHERS. (1) In addition to amounts otherwise authorized by this chapter, a displacing agency shall make a payment to or for a displaced person displaced from a dwelling not eligible to receive a payment under section 4 of this act if the dwelling was actually and lawfully occupied by the displaced person for not less than ninety days immediately before (a) the initiation of negotiations for acquisition of the dwelling, or (b) in any case in which displacement is not a direct result of acquisition, such other event as the lead agency prescribed. The payment shall consist of the amount necessary to enable the person to lease or rent for a period not to exceed forty-two months, a comparable replacement dwelling, but not to exceed five thousand two hundred fifty dollars. At the discretion of the displacing agency, a payment under this subsection may be made in periodic installments. Computation of a payment under this subsection to a low-income displaced person for a comparable replacement dwelling shall take into account the person's income.

(2) A person eligible for a payment under subsection (1) of this section may elect to apply the payment to a down payment on, and other incidental expenses pursuant to, the purchase of a decent, safe, and sanitary replacement dwelling. The person may, at the discretion of the displacing agency, be eligible under this subsection for the maximum payment allowed under subsection (1) of this section, except that, in the case of a displaced homeowner who has owned and occupied the displacement dwelling for at least ninety days but not more than one hundred eighty days immediately before the initiation of negotiations for the acquisition of the dwelling, the payment shall not exceed the payment the person would otherwise have received under section 4(1) of this act had the person owned and occupied the displacement dwelling one hundred eighty days immediately before the initiation of the negotiations.
NEW SECTION. Sec. 6. RELOCATION ASSISTANCE ADVISORY SERVICES. (1) Programs or projects undertaken by a displacing agency shall be planned in a manner that (a) recognizes, at an early stage in the planning of the programs or projects and before the commencement of any actions that will cause displacements, the problems associated with the displacement of individuals, families, businesses, and farm operations, and (b) provides for the resolution of the problems in order to minimize adverse impacts on displaced persons and to expedite program or project advancement and completion.

(2) Displacing agencies shall ensure that the relocation assistance advisory services described in subsection (3) of this section are made available to all persons displaced by the agency. If the agency determines that any person occupying property immediately adjacent to the property where the displacing activity occurs is caused substantial economic injury as a result thereof, the agency may make available to the person the advisory services.

(3) Each relocation assistance advisory program required by subsection (2) of this section shall include such measures, facilities, or services as may be necessary or appropriate in order to:

(a) Determine, and make timely recommendations on, the needs and preferences, if any, of displaced persons for relocation assistance;

(b) Provide current and continuing information on the availability, sales prices, and rental charges of comparable replacement dwellings for displaced homeowners and tenants and suitable locations for businesses and farm operations;

(c) Assist a person displaced from a business or farm operation in obtaining and becoming established in a suitable replacement location;

(d) Supply (i) information concerning federal, state, and local programs that may be of assistance to displaced persons, and (ii) technical assistance to the persons in applying for assistance under those programs;

(e) Provide other advisory services to displaced persons in order to minimize hardships to them in adjusting to relocation; and

(f) Coordinate relocation activities performed by the agency with other federal, state, or local governmental actions in the community that could affect the efficient and effective delivery of relocation assistance and related services.

(4) Notwithstanding RCW 8.26.020(4)(b), in any case in which a displacing agency acquires property for a program or project, a person who occupies the property on a rental basis for a short term or a period subject to termination when the property is needed for the program or project is eligible for advisory services to the extent determined by the displacing agency.

NEW SECTION. Sec. 7. ASSURANCE OF AVAILABILITY OF HOUSING. (1) If a program or project undertaken by a displacing agency cannot proceed on a timely basis because comparable replacement dwellings are not available, and the head of the displacing agency determines that the dwellings cannot otherwise be made available, the head of the displacing agency may take such action as is necessary or appropriate to provide the dwellings by use of funds authorized for the project. The displacing agency may use this section to exceed the maximum amounts that may be paid under sections 4 and 5 of this act on a case-by-case basis for good cause as determined in accordance with rules adopted by the lead agency.

(2) No person may be required to move from a dwelling on account of any program or project undertaken by a displacing agency unless the displacing agency is satisfied that comparable replacement housing is available to the person.

(3) The displacing agency shall assure that a person shall not be required to move from a dwelling unless the person has had a reasonable opportunity to relocate to a comparable replacement dwelling, except in the case of the following:

(a) A major disaster as defined in section 102(2) of the Federal Disaster Relief Act of 1974;

(b) A national emergency declared by the president; or

(c) Any other emergency that requires the person to move immediately from the dwelling because continued occupancy of the dwelling by the person constitutes a substantial danger to the health or safety of the person.

NEW SECTION. Sec. 8. AUTHORITY OF THE LEAD AGENCY. (1) The lead agency, after full consultation with the department of general administration, shall adopt rules and establish such procedures as the lead agency may determine to be necessary to assure:

(a) That the payments and assistance authorized by this chapter are administered in a manner that is fair and reasonable and as uniform as practicable;

(b) That a displaced person who makes proper application for a payment authorized for that person by this chapter is paid promptly after a move or, in hardship cases, is paid in advance; and

(c) That a displaced person who is aggrieved by a program or project that is under the authority of a state agency or local public agency may have his application reviewed by the state agency or local public agency.

(2) The lead agency, after full consultation with the department of general administration, may adopt such other rules and procedures, consistent with the provisions of this chapter, as the lead agency deems necessary or appropriate to carry out this chapter.
(3) State agencies and local public agencies shall comply with the rules adopted pursuant to this section by April 2, 1989.

NEW SECTION. Sec. 9. ADMINISTRATION. In order to prevent unnecessary expenses and duplication of functions, and to promote uniform and effective administration of relocation assistance programs for displaced persons, a state agency or local public agency may enter into contracts with any individual, firm, association, or corporation for services in connection with this chapter or may carry out its functions under this chapter through any federal or state agency or local public agency having an established organization for conducting relocation assistance programs. The state agency or local public agency shall, in carrying out relocation activities described in section 7 of this act, whenever practicable, use the services of state or local housing agencies, or other agencies having experience in the administration or conduct of similar housing assistance activities.

NEW SECTION. Sec. 10. FUND AVAILABILITY. (1) Funds appropriated or otherwise available to a state agency or local public agency for the acquisition of real property or an interest therein for a particular program or project shall also be available to carry out the provisions of this chapter as applied to that program or project.

(2) No payment or assistance under this chapter may be required to be made to any person or included as a program or project cost under this section, if the person receives a payment required by federal, state, or local law that is determined by the head of the displacing agency to have substantially the same purpose and effect as that payment under this chapter.

NEW SECTION. Sec. 11. RELOCATION ASSISTANCE PAYMENTS NOT INCOME OR RESOURCES. No payment received by a displaced person under sections 3 through 10 of this act may be considered as income for the purpose of determining the eligibility or extent of eligibility of any person for assistance under any state law or for purposes of any income tax or any tax imposed under Title 82 RCW, and the payments shall not be deducted from any amount to which any recipient would otherwise be entitled under Title 74 RCW.

PART III

UNIFORM REAL PROPERTY ACQUISITION POLICY

Sec. 12. Section 18, chapter 240, Laws of 1971, ex. sess. and RCW 8.26.180 are each amended to read as follows:

ACQUISITION PROCEDURES. Every ((state)) acquiring agency ((and local public body acquiring real property in connection with any program or project)) shall, to the greatest extent practicable, be guided by the following policies:

(1) Every reasonable effort shall be made to acquire expeditiously real property by negotiation.

(2) Real property shall be appraised before the initiation of negotiations, and the owner or his designated representative shall be given an opportunity to accompany at least one appraiser of the acquiring agency during his inspection of the property, except that the lead agency may prescribe a procedure to waive the appraisal in cases involving the acquisition of property with a low fair market value.

(3) Before the initiation of negotiations for real property, the acquiring agency shall establish an amount which it believes to be just compensation therefor, and shall make a prompt offer to acquire the property for the full amount so established. In no event shall such amount be less than the agency’s approved appraisal of the fair market value of such property. Any decrease or increase in the fair market value of the real property to be acquired prior to the date of valuation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, will be disregarded in determining the compensation for the property. The acquiring agency shall provide the owner of real property to be acquired with a written statement of, and summary of the basis for, the amount it established as just compensation. Where appropriate the just compensation for the real property acquired, for damages to remaining real property, and for benefits to remaining real property shall be separately stated.

(4) No owner shall be required to surrender possession of real property before the agreed purchase price is paid or deposited with a court having jurisdiction of condemnation of such property, in accordance with applicable law, for the benefit of the owner an amount not less than the acquiring agency’s approved appraisal of the fair market value of such property, or the amount of the award of compensation in the condemnation proceeding of such property.

(5) The construction or development of a public improvement shall be so scheduled that, to the greatest extent practicable, no person lawfully occupying real property shall be required to move from a dwelling or to move his business or farm operation without at least ninety days written notice of the date by which such move is required.

(6) If an owner or tenant is permitted to occupy the real property acquired on a rental basis for a short term or for a period subject to termination on short notice, the amount of rent required shall not exceed the fair rental value of the property to a short-term occupier.

(7) In no event shall the time of condemnation be advanced, on negotiations or condemnation and the deposit of funds in court for the use of the owner be deferred, or any other coercive action be taken to compel an agreement on the price to be paid for the property.
(8) If an interest in real property is to be acquired by exercise of the power of eminent domain, formal condemnation proceedings shall be instituted. The acquiring agency shall not intentionally make it necessary for an owner to institute legal proceedings to prove the fact of the taking of his real property.

(9) If the acquisition of only (part) a portion of a property would leave (the) the owner with an uneconomic remnant, the (acquiring) head of the agency concerned shall offer to acquire (the entire property) that remnant. For the purposes of this chapter, an uneconomic remnant is a parcel of real property in which the owner is left with an interest after the partial acquisition of the owner's property and that the head of the agency concerned has determined has little or no value or utility.

(10) A person whose real property is being acquired in accordance with this chapter may, after the person has been fully informed of his right to receive just compensation for the property, donate the property, any part thereof, any interest therein, or any compensation paid for it to any agency as the person may determine.

Sec. 13. Section 19, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.190 are each amended to read as follows:

BUILDINGS, STRUCTURES, AND IMPROVEMENTS. (1) Where any interest in real property is acquired, the acquiring agency shall acquire an equal interest in all buildings, structures, or other improvements located upon the real property so acquired and which is required to be removed from such real property or which is determined to be adversely affected by the use to which such real property will be put (shall be acquired).

(2) For the purpose of determining the just compensation to be paid for any building, structure, or other improvement required to be acquired as above set forth under subsection (1) of this section, such building, structure, or other improvement shall be deemed to be a part of the real property to be acquired notwithstanding the right or obligation of a tenant of the lands, as against the owner of any other interest in the real property, to remove such building, structure, or improvement at the expiration of his term, and the fair market value which such building, structure, or improvement contributes to the fair market value of the real property to be acquired, or the fair market value of such building, structure, or improvement for removal from the real property, whichever is the greater, shall be paid to the (tenant therefor) owner of such building, structure, or improvement.

(3) Payment for such building(s), structure(s), or improvement(s) under subsection (1) of this section shall not result in duplication of any payments otherwise authorized by state law. No such payment shall be made unless the owner of the land involved disclaims all interest in the improvements of the tenant. In consideration for any such payment, the tenant shall assign, transfer, and release all his right, title, and interest in and to such improvements. Nothing with regard to the above-mentioned acquisition of buildings, structures, or other improvements shall be construed to deprive the tenant of any rights to reject payment and to obtain payment for such property interests in accordance with other laws of this state.

Sec. 14. Section 20, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.200 are each amended to read as follows:

EXPENSES INCIDENTAL TO TRANSFER OF RIGHT, TITLE, OR INTEREST TO THE ACQUIRING AGENCY. (A state agency or a local public body acquiring real property) As soon as practicable after the date of payment of the purchase price or the date ((thereof)) of deposit in court of funds to satisfy the award of compensation in a condemnation proceeding to acquire real property, whichever is the earlier, the acquiring agency shall reimburse the owner, to the extent the acquiring agency deems fair and reasonable, for expenses the owner necessarily incurred for ((—));

(1) Recording fees, transfer taxes, and similar expenses incidental to conveying such real property to the acquiring agency;

(2) Penalty costs for full or partial prepayment of any preexisting recorded mortgage entered into in good faith encumbering such real property; and

(3) The pro rata portion of real property taxes paid which are allocable to a period subsequent to the date of vesting title in the acquiring agency, or the effective date of possession of such real property by the acquiring agency, whichever is the earlier.

NEW SECTION. Sec. 15. EFFECT ON PROPERTY ACQUISITIONS. The provisions of RCW 8.26.180, 8.26.190, and 8.26.200 create no rights or liabilities and do not affect the validity of any property acquisitions by purchase or condemnation.

PART IV
SEVERABILITY, REPEALS, ETC.

NEW SECTION. Sec. 16. (1) If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(2) If any part of this chapter is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and that finding or determination shall not affect the operation of
the remainder of this chapter in its application to the agencies concerned. The rules under this chapter shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

(1) Section 3, chapter 240, Laws of 1971 ex. sess. and RCW 8.26.030;

Sec. 2. Section 4, chapter 188, Laws of 1984 and RCW 13.34.130 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Such an order may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child’s home and to make it possible for the child to return home and that:

(i) There is no parent or guardian available to care for such child;

(ii) The child is unwilling to reside in the custody of the child’s parent, guardian, or legal custodian;

(iii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iv) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(v) The extent of the child’s disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) Whenever a child is ordered removed from the child’s home, the agency charged with his or her care shall provide the court with a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent–child ties.

(a) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody and what requirements the parents must meet in order to resume custody.

(b) The agency shall be required to encourage the maximum parent–child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(c) A child shall be placed as close to the child’s home as possible, preferably in the child’s own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child’s or parents’ well-being.

(d) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(3) The status of all children found to be dependent shall be reviewed by the court at least every six months at a hearing in which it shall be determined whether court supervision should continue.
(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(1) Whether reasonable services have been provided to or offered to the parties to facilitate reunification;

(2) The extent to which the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(3) Whether the agency is satisfied with the cooperation given to it by the parents;

(4) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered; and

(5) When return of the child can be expected.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 3. Section 1, chapter 35, Laws of 1985 and RCW 26.44.063 are each amended to read as follows:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding; and

(b) May be revoked or modified.

(7) The person having physical custody of the child shall have an affirmative duty to assist in the enforcement of the restraining order including but not limited to a duty to notify the court as soon as practicable of any violation of the order, a duty to request the assistance of law enforcement officers to enforce the order, and a duty to notify the department of social and health services of any violation of the order as soon as practicable if the department is a party to the action. Failure by the custodial party to discharge these affirmative duties shall be subject to contempt proceedings.

(8) Willful violation of a court order entered under this section is a misdemeanor. A written order shall contain the court's directive and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.44 RCW and will subject a violator to arrest."

NEW SECTION. Sec. 4. A new section is added to chapter 26.44 RCW to read as follows:

When a peace officer responds to a call alleging that a child has been subjected to sexual or physical abuse and has probable cause to believe that a crime has been committed or responds to a call alleging that a temporary restraining order or preliminary injunction has been violated, the peace officer has the authority to arrest the person without a warrant pursuant to RCW 10.31.100.
On page 1, line 1 of the title, after "children:" strike the remainder of the title and insert "amending RCW 13.34.130 and 26.44.063; reenacting and amending RCW 10.31.100; adding a new section to chapter 26.44 RCW; and prescribing penalties."

and the same are herewith transmitted.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Pullen moved to reconsider the vote by which the Senate granted the request of the House for a conference on Engrossed Substitute Senate Bill No. 6316 on March 7, 1988. Debate ensued.
The President declared the question before the Senate to be the motion by Senator Pullen to reconsider the vote by which the Senate granted the request of the House for a conference on Engrossed Substitute Senate Bill No. 6316.

The motion for reconsideration by Senator Pullen carried.

**MOTION**

Senator Pullen moved that the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 6316.

**POINT OF INQUIRY**

Senator Rasmussen: "One question, is not the intent, Senator Pullen, of this legislation to take house property away from an innocent landlord, that knows nothing of what’s going on?"

Senator Pullen: "Senator Rasmussen, there’s specific language in the bill that would preclude an innocent landlord from losing his property."

Senator Rasmussen: "I don’t have the amendment in front of me here, Senator Pullen, but I did see some amendments that were put on by the House that exempted forty grams of marijuana and is that included in this amendment that we’re going to concur in?"

Senator Pullen: "The limitations you speak of Senator Rasmussen, are on page 5 of the House amendment subsection (iii) of subsection (8) of Section 2 of the bill. The language is ‘the possession of marijuana shall not result in the forfeiture of real property unless the marijuana is possessed for commercial purposes, the amount possessed is five or more plants, or one pound or more of marijuana and a substantial nexus exists between the possession of marijuana and the real property.’"

Senator Rasmussen: "That, Senator Pullen, will legalize marijuana then as far as the state is concerned, yes or no?"

Senator Pullen: "No, this does not legalize marijuana at all."

Senator Rasmussen: "Well, if marijuana is found to the extent of five plants, no more, we’re saying that that’s legal."

Senator Pullen: "No, not at all, Senator Rasmussen. What we’re saying is that the person possessing the marijuana below the thresholds indicated, would not lose his real property, but he would still be subject to the criminal penalties that accompany possession of marijuana."

Senator Rasmussen: "As I understand, personal property would be marijuana plants. That’s personal property and he would lose that?"

Senator Pullen: "He would lose the marijuana plants."

Further debate ensued.

**REMARKS BY SENATOR TALMADGE**

Senator Talmadge: "Thank you, Mr. President and members of the Senate. In response to Senator Rasmussen’s question, if you had a circumstance, Senator Rasmussen, where somebody owned say some rental property in Pierce County, and you had someone who was smoking marijuana in one of the rooms of that rental property—known or unknown to the landlord. If it’s unknown to the landlord, clearly the landlord’s property would not be forfeited. If it was known to the landlord that somebody had smoked a marijuana cigarette in that rental property, then under the terms of this law, the landlord’s property could be forfeited.

“What the provision that Senator Pullen referred to means is that there has to be some real commercial activity going on in the case of the marijuana. The criminal penalties and civil penalties for the person who’s engaging in the use of the marijuana still attach. They still are subject to the criminal penalties. The only thing is, the landlord’s real property, that rental property, will not be forfeited under this bill unless somebody is engaging in commercial sales on the property, so really that section we’re talking about is something of a protection to a landlord or somebody who owns real property and that’s the purpose of it.

“I think Senator Pullen’s general description of the bill is very accurate. It’s a very important bill for law enforcement, to have the authority to take real property clearly associated with drug transactions. This is not, within the meaning of the State Constitution, a corruption of the blood or forfeiture of an estate, but rather it is the seizure of assets clearly associated with the drug related transactions. That’s
substantial nexus language that Senator Halsan has inserted in the bill. It is very critical to make sure that this is a constitutional taking of someone's property—engaging in illegal activity and I think it's a very important tool that we need to have for law enforcement officers all across the state of Washington. They've been indicating to us that it is an important bit of authority that they need to continue the efforts against drug traffickers." The President declared the question before the Senate to be the motion by Senator Pullen that the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 6316.

The motion by Senator Pullen carried and the Senate concurred in the House amendment to Engrossed Substitute Senate Bill No. 6316.

The higher education coordinating board shall distribute grants to eligible students under this section from moneys appropriated for this purpose. The individual grants shall not exceed, on a yearly basis, the yearly full-time resident undergraduate tuition and service and activities fees in effect at the state-funded research universities. Grants shall be contingent upon the private institution matching on at least a dollar-for-dollar basis, either with actual money or by a waiver of fees, the amount of the grant received by the student from the state. The higher education coordinating board shall establish procedures, by rule, to disburse the awards as direct grants to the students.

(2) To qualify for the grant, recipients shall enter the independent college or university within three years of high school graduation and maintain a minimum grade point average at the college or university equivalent to 3.30. Students shall be eligible for grants for a maximum of twelve quarters or eight semesters of undergraduate study and may transfer among independent colleges and universities during that period and continue to receive the grant. If the student's cumulative grade point average falls below 3.30 during the first three quarters or two semesters, that student may petition the higher education coordinating board which shall have the authority to establish a probationary period until such time as the student's grade point average meets required standards.

(3) No grant shall be awarded to any student who is pursuing a degree in theology.

(4) As used in this section, "independent college or university" means a private, nonprofit educational institution, the main campus of which is permanently situated in the state, open to residents of the state, providing programs of education beyond the high school level leading at least to the baccalaureate degree, and accredited by the northwest association of schools and colleges as of the effective date of this section and other institutions as may be developed that are approved by the higher education coordinating board as meeting equivalent standards as those institutions accredited under this section.

NEW SECTION. Sec. 3. Section 1 of this act shall apply to persons holding the Washington scholars award as of the effective date of this section as well as persons holding the award after the effective date of this section.

POINT OF ORDER

Senator Saling: "Mr. President, a point of order. I raise a question of scope and object on the House amendments to Substitute Senate Bill No. 5558 and I would like to speak to that please. The bill that we sent from the Senate asked for a study of the issue of expanding the Washington Scholars Program to include private institutions. This study was to address the significant legal questions involved so that a recommendation could be received from the HEC Board on the kind of program which could be developed, so these legal questions would not interfere with the effort. These amendments by the House go far beyond the study called for by the bill which the Senate sent over.

"These amendments actually establish the program which our bill was going to study. They establish the monetary level of the award for students attending a private institution. They establish that these students will receive grants to attend these private institutions, a matter the Senate bill directed a study of. They develop criteria for eligibility and direct the HEC Board to implement the program.

"In the Senate Bill, the HEC Board was only asked to study the issues involved in actually implementing a program like this. The House amendments determine grade point averages equivalencies and define the method of accreditation for eligible private institutions. The amendments also provide retroactive eligibility for these grants where award winners are already attending public or private schools. The amendments also establish a method wherein students can transfer their grants and or tuition waivers between private schools and between private schools and public institutions. None of these items were addressed, in any way, in the original Senate bill. We need to look at the legal questions and come back with a workable program next year. Thank you."

Further debate ensued.
MOTION

On motion of Senator Nelson, further consideration of Substitute Senate Bill No. 5558 was deferred.

MESSAGE FROM THE HOUSE

March 8, 1988

Mr. President:

The House suspended the rules, receded from its amendment No. 314 to the Human Services Committee amendment and passed SENATE BILL NO. 6675 with the following Committee on Human Service amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 74.21 RCW to read as follows:

The family Independence program implementation plan submitted to the legislature pursuant to RCW 74.21.140 and 74.21.200 is approved. The governor or the governor's designee is
authorized to sign and complete all necessary agreements with the federal government, pro-
vided that nothing in the agreements is inconsistent with chapter 74.21 RCW.

Sec. 2. Section 2, chapter 434, Laws of 1987 and RCW 74.21.020 are each amended to read as follows:
The legislature hereby establishes as state policy the goal of economic independence for
employable adults receiving public assistance, through employment, training, and education.
The legislature finds that children living in families with incomes below the needs standard
have reduced opportunities for physical and intellectual development. A family's economic
future is frequently not improved by the current program.

Therefore, in order to break the cycle of poverty and dependence, a family independence
program is established. Participating families are to receive benefits under this program at no
less than they would otherwise have been entitled to receive.

The legislature finds that the state has a vital interest in ensuring that citizens who are in
economic need are provided appropriate financial assistance. It is the intent of the legislature
to maintain the existing partnership between state and federal government and that this pro-
gram remain part of the federal welfare entitlement program. The legislature seeks federal
authority for a five-year demonstration project and recognizes that waivers and congressional
action may be required to achieve our purpose. The legislature does not seek a block grant
approach to welfare.

The legislature recognizes that any program intended to assist new and current public
assistance recipients will be more likely to succeed when the state, private sector, and recipi-
ents work together.

The legislature also recognizes the value of building on successful programs that utilize
the development of networking and mentoring strategies to assist public assistance recipients to
gain self-sufficiency. The legislature further encourages public-private cooperation in the
areas of job readiness training, education, job training, and work opportunities, including
community-based organizations as service providers in these areas through contractual
relationships.

The legislature finds that the goal of economic independence requires increased efforts to
assist parents in exercising their children's right to economic support from absent parents.

The legislature recognizes the substantial participation in the workforce of women with
preschool children, and the difficulty in reentering employment after long absences.

The legislature further recognizes that public assistance recipients can play a major role in
setting their own goals.

The objectives of this chapter are to assure that: The maximum number of recipients of
public assistance become independent and self-sufficient through employment, training, and
education; caseloads be correspondingly reduced on a long-term basis; financial incentives
be available to recipients participating in job readiness, education, training, and work pro-
grams; the number of children growing up in poverty be substantially reduced; and unem-
ployable recipients be afforded a basic level of financial and medical assistance consistent
with the state's financial capabilities.

Sec. 3. Section 6, chapter 434, Laws of 1987 and RCW 74.21.060 are each amended to read as follows:

(1) The executive committee shall establish a family opportunity advisory council in each
of the department's regions to make recommendations on the social services, procedures, and
income maintenance operations used in the family independence program. The councils shall
also assist in providing mentors, mutual self-help, and information on alternatives to welfare
dependency. The councils shall include: (a) Individuals currently receiving assistance; (b) indi-
viduals who have received public assistance in the past but have subsequently achieved eco-
nomic independence; and (c) persons who are board members or employees of nonprofit
organizations providing services of the types offered to family independence program recipi-
ents, including those with experience in developing self-esteem and individual motivation. A
regional advisory council may establish panels representing specific geographic areas within
the region.

(2) Each advisory council shall nominate three persons from which the executive commit-
tee shall elect one person from each region to be a member of the advisory committee autho-
ized by RCW 74.21.050. Appointments shall be for a term of two years. Terms may be
renewed for one additional two-year term. Three regional appointments shall initially be for a
term of one year. The regional representatives shall constitute the consumer and enrollee rep-
resentatives required by 74.21.050.

(3) Recipients and former recipients may be paid a per diem rate established by the
executive committee. Members may be reimbursed for travel expenses as provided in RCW
43.03.050 and 43.03.060. Recipients and former recipients may also be reimbursed for depen-
dent care expenses required to permit their participation in the family opportunity advisory
councils, the executive committee, and the family independence program advisory committee.

(4) The department may, within available funds, provide grants to each family opportunity
council to assist and support their activities and to assist in the recruitment and training of vol-
unteer mentors.
Sec. 4. Section 14, chapter 434, Laws of 1987 and RCW 74.21.140 are each amended to read as follows:

(1) By January 1, 1988, the executive committee shall submit to the legislature:
(a) A child-care plan, which may include creative solutions to assist enrollees in making child-care arrangements;
(b) In consultation with the superintendent of public instruction, a plan for assisting high school students who are parents or pregnant to remain in school or complete their high school education;
(c) A plan for motivating those who are discouraged to seek self-sufficiency through work, education, or training;
(d) An employment plan for enrollees; and
(e) A plan for phased-in implementation of the family independence program.
(2) By January 1, 1988, the legislative budget committee, after consultation with the executive committee, shall submit to the legislature:
(a) An evaluation plan satisfactory to the federal government, including a plan for analysis, within available funds, of:
(i) The costs and effectiveness of the family independence program;
(ii) The extent to which education and training opportunities have led to employment and economic independence;
(iii) The extent to which support services have been provided for such education and training opportunities;
(iv) The impact of support services, training opportunities, and employment on the well-being of the children and families of enrollees;
(v) The impact of the family independence program on the labor market opportunities available to nonenrollees;
(vi) The impact of the family independence program on the early childhood education assistance program;
(vii) A comparison of the family independence program enrollees with a sample of aid to families with dependent children recipients entering assistance between July 1, 1987, through June 30, 1988, to determine the characteristics of the caseloads of the family independence program and the aid to families with dependent children program, including demographic characteristics, employment, training, and educational histories, spells on assistance, and reasons for entry onto and exit from assistance;
(viii) Such administrative and operational factors as may be requested by the executive committee;
(ix) A longitudinal study over time of a sample of public assistance recipients or persons at risk of becoming eligible for assistance, to determine the causes of public dependency and the impact of changes in the economy or of public programs on dependency, work, or other relevant behaviors of the sample population.
(3) The legislative budget committee shall cause the evaluation plan to be implemented as approved by the legislative budget committee in a manner that will insure the independence of the evaluation through appropriate arrangements, which may include contracts, with objective evaluators. The evaluation plan and all evaluation products shall receive the review and comment of evaluation advisory groups to be convened by the Washington Institute of public policy and which include representatives of the executive committee, appropriate legislative committee staffs, persons from the state's higher education institutions, staff members of the department and the employment security department, recipients, and former recipients. The reviews shall consider relevance to state policy and budget concerns, methodological procedure, implementation, and results.
(4) The first report of this evaluation shall be submitted to the legislature no later than December 1, 1989, and annually thereafter, with a final report due no later than November 15, 1993.

Sec. 5. Section 25, chapter 434, Laws of 1987 and RCW 74.21.904 are each amended to read as follows:

This chapter shall expire on June 30, 1993, unless extended by law.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Revising provisions relating to the department of corrections.

March 8, 1988

Mr. President:
Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Adopt the Senate Committee on Health Care and Corrections amendment to page 12, after line 9, and the corresponding title amendment:

Reject the amendment by Senator Owen to page 9, after line 14

Adopt the following amendments:

On page 9, after line 24 of the Substitute House Bill, insert the following:

"NEW SECTION. Sec. 14. The training center general population housing units at the Washington correction center at Shelton shall be subject to an inmate population limit of no more than one hundred fifteen percent of the rated capacity. However, the governor may declare an emergency and increase by fifteen percent for a twelve-month period of time the population limitation of the training center general population housing units."

Renumber the sections consecutively and correct internal references accordingly.

On page 12, after line 9 of the Substitute House Bill, insert the following:

"Sec. 20. Section 1, chapter 402, Laws of 1987 and section 2, chapter 456, Laws of 1987 and RCW 9.94A.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years. and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer (es) prior to any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine and/or accomplish some community service work.
(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44-040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer ((of)) prior to any change in the offender's address or employment;
(iv) Report as directed to the court and a community corrections officer;
(v) Pay a fine, accomplish some community service work, or any combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment. After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall then impose a sentence within the sentence range and, if the report indicates that the offender is amenable to treatment at these facilities.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits a felony sexual offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the
department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44-.050, if the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer (off) prior to any change in the offender's address or employment;
(iii) Report as directed to the court and a community corrections officer;
(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

Nothing in this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sexual offense committed prior to July 1, 1987.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days.

Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the costs of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(15) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision.

(16) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release.

Sec. 21. Section 17, chapter 137, Laws of 1981 and RCW 9.94A.170 are each amended to read as follows:

(1) A term of confinement ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented him or herself from ((supervision)) confinement without the prior approval of the entity in whose custody the offender has been placed. A term of partial confinement shall be tolled during any period of time spent in total confinement pursuant to a new conviction or pursuant to sanctions for violation of sentence conditions on a separate felony conviction.
(2) A term of supervision ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented himself or herself from supervision without prior approval of the entity under whose supervision the offender has been placed.

(3) Any period of supervision shall be tolled during any period of time the offender is in confinement for any reason. However, if an offender is detained pursuant to RCW 9.94A.195 and is later found not to have violated a condition or requirement of supervision, time spent in confinement due to such detention shall not toll the period of supervision.

(4) For confinement sentences, the date for the tolling of the sentence shall be established by the entity responsible for the confinement. For sentences involving supervision, the date for the tolling of the sentence shall be established by the court, based on reports from the entity responsible for the supervision.

Sec. 22. Section 22, chapter 209, Laws of 1984 and RCW 9.94A.383 are each amended to read as follows:

On all sentences of confinement for one year or less, the court may impose up to one year of community supervision. (For confinement sentences, unless otherwise ordered by the court, the period of community supervision begins at the date of release from confinement. For non-confinement sentences, the period of community supervision begins at the date of entry of the judgment and sentence.) An offender shall be on community supervision as of the date of sentencing. However, during the time for which the offender is in total or partial confinement pursuant to the sentence or a violation of the sentence, the period of community supervision shall toll.

Sec. 23. Section 11, chapter 115, Laws of 1983 as last amended by section 5, chapter 456, Laws of 1987 and RCW 9.94A.400 are each amended to read as follows:

(1) (a) Except as provided in (b) of this subsection, whenever a person is to be sentenced for two or more current offenses, the sentence range for each current offense shall be determined by using all other current and prior convictions as if they were prior convictions for the purpose of the offender score. PROVIDED, That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime. Sentences imposed under this subsection shall be served consecutively. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.120 and 9.94A.390(2)(e) or any other provision of RCW 9.94A.390. "Same criminal conduct," as used in this subsection, means two or more crimes that require the same criminal intent, are committed at the same time and place, and involve the same victim. This definition does not apply in cases involving vehicular assault or vehicular homicide if the victims occupied the same vehicle. However, the sentencing judge may consider multiple victims in such instances as an aggravating circumstance under RCW 9.94A.390.

(b) Whenever a person is convicted of three or more serious violent offenses, as defined in RCW 9.94A.330, arising from separate and distinct criminal conduct, the sentence range for the offense with the highest seriousness level under RCW 9.94A.330 shall be determined using the offender's criminal history in the offender score and the sentence range for other serious violent offenses shall be determined by using an offender score of zero. The sentence range for any offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under (b) of this subsection shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection.

(2) Whenever a person while under sentence of felony commits another felony and is sentenced to another term of imprisonment, the latter term shall not begin until expiration of all prior terms.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence of a felony, the sentence shall run concurrently with any felony sentence which has been imposed by any court in this or another state or by a federal court subsequent to the commission of the crime being sentenced unless the court pronouncing the current sentence expressly orders that they be served consecutively.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) However, in the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community service, community supervision, or any other requirement or conditions of any of the sentences. Except for exceptional sentences as authorized under RCW 9.94A.120(2), if two or more sentences that run consecutively include periods of community supervision, the aggregate of the community supervision period shall not exceed twenty-four months.

NEW SECTION. Sec. 24. Increased sanctions authorized by sections 20 through 23 of this act are applicable only to those persons committing offenses after the effective date of this section.

NEW SECTION. Sec. 25. Sections 20 through 23 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

RE: ESHB 1420
Revising provisions on property taxes.

March 8, 1988

Mr. President:
Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that, due to statutory and constitutional limitations, the interdependence of the regular property tax levies of the state, counties, county road districts, cities and towns, and junior taxing districts can cause significant reductions in the otherwise authorized levies of those taxing districts, resulting in serious disruptions to essential services provided by those taxing districts. The purpose of this act is to avoid unnecessary reductions in regular property tax revenue without exceeding existing statutory and constitutional tax limitations on cumulative regular property tax levy rates. The legislature declares that it is a purpose of the state, counties, county road districts, cities and towns, public hospital districts, library districts, fire protection districts, metropolitan park districts, and other taxing districts to participate in the methods provided by this act by which revenue levels supporting the services provided by all taxing districts might be maintained.

Sec. 2. Section 1, chapter 107, Laws of 1986 and RCW 39.67.010 are each amended to read as follows:

Any agreement or contract between two taxing districts other than the state which is otherwise authorized by law may be made contingent upon a particular property tax levy rate of an identified taxing district other than the state where such rate affects the regular property tax rate of one of the parties to the contract and therefore affects the party's resources with which to perform under the contract. The governing body of every taxing district that could have its tax levy adversely affected by such a contract shall be notified about the contract.

((This section shall expire December 91, 1988))

Sec. 3. Section 2, chapter 107, Laws of 1986 and RCW 39.67.020 are each amended to read as follows:

Any taxing district other than the state may transfer funds to another taxing district other than the state where the regular property tax levy rate of the second district may affect the regular property tax levy rate of the first district and where such transfer is part of an agreement whereby proration or reduction of property taxes is lessened or avoided. The governing body of every taxing district that could have its tax levy adversely affected by such an agreement shall be notified about the agreement.

((This section shall expire December 91, 1988))

Sec. 4. Section 3, chapter 107, Laws of 1986 and RCW 84.55.092 are each amended to read as follows:

The regular property tax (levies) levy for each taxing district other than the state (for taxes due in 1989 through 1991)) may be set at the amount which would (otherwise) be allowed otherwise under this chapter if the regular property tax levy for the district for taxes due in prior years beginning with 1986 (and 1987) had been set at the full amount allowed under this chapter.

((This section shall expire December 31, 1991)) The purpose of this section is to remove the incentive for a taxing district to maintain its tax levy at the maximum level permitted under this
chapter, and to protect the future levy capacity of a taxing district that reduces its tax levy below the level that it otherwise could impose under this chapter, by removing the adverse consequences to future levy capacities resulting from such levy reductions.

Sec. 5. Section 134, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.52.043 are each amended to read as follows:

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named shall be as follows:

(1) Levies of the senior taxing districts shall be as follows: (a) The levy by the state shall not exceed three dollars and sixty cents per thousand dollars of assessed value adjusted to the state equalized value in accordance with the indicated ratio fixed by the state department of revenue to be used exclusively for the support of the common schools; (b) the levy by any county shall not exceed one dollar and eighty cents per thousand dollars of assessed value; (c) the levy by any road district shall not exceed two dollars and twenty-five cents per thousand dollars of assessed value; and (d) the levy by any city or town shall not exceed three dollars and thirty-seven and one-half cents per thousand dollars of assessed value.

(2) Except as provided in RCW 84.52.100, the aggregate levies of junior taxing districts, other than the state, shall not exceed five dollars and fifty-five cents per thousand dollars of assessed value. The term "junior taxing districts" includes all taxing districts other than the state, counties, road districts, cities, towns, port districts, and public utility districts. The limitations provided in this subsection shall not apply to: (a) Levies at the rates provided by existing law by or for any port or public utility district; (b) excess property tax levies authorized in Article VII, section 2 of the state Constitution; (c) levies for acquiring conservation futures as authorized under RCW 84.34.230; (d) levies for emergency medical care or emergency medical services imposed under RCW 84.52.069.

(3) It is the intent of the legislature that the provisions of this section shall supersede all conflicting provisions of law including (section 24, chapter 299, Laws of 1971 ex. sess. and section 8, chapter 124, Laws of 1972 ex. sess) RCW 84.52.050.

Sec. 6. Section 7, chapter 138, Laws of 1987 and RCW 84.52.100 are each amended to read as follows:

(1) The governing body of any library district, public hospital district, metropolitan park district, or fire protection district may provide for the submission of a ballot proposition to the voters of the taxing district authorizing the taxing district to maintain its otherwise authorized tax levy rate, and authorizing an increase in the cumulative regular property tax limitation established in RCW 84.52.043 of ((nine)) five dollars and ((five)) fifty-five cents per thousand dollars of assessed valuation within the taxing district, as provided in this section. A fire protection district may use this authority to increase its regular property tax levy up to fifty cents per thousand dollars of assessed valuation.

(2) A resolution by a governing body, requesting that a special election be called to submit such a ballot proposition to the voters, must be transmitted to the county legislative authority of the county, or county legislative authorities of the counties, within which the taxing district is located, at least forty-five days before the special election date at which the ballot proposition is submitted. The ballot proposition shall be worded substantially as follows:

"Shall the cumulative limitation on most regular property tax rates be increased by an amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five consecutive year period allowing (insert the name of the taxing district) to maintain its otherwise statutory authorized property tax rate?"

The ballot proposition for a fire protection district shall be worded substantially as follows:

"Shall the cumulative limitation on most regular property tax rates be increased by an amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five
consecutive year period allowing (insert the name of the taxing district) to permit the fire protection district to impose its property tax at a value up to fifty cents per thousand dollars of assessed valuation?"

Approval of this ballot proposition by a simple majority vote shall authorize the following for the succeeding five consecutive year period: (a) Property tax rates of junior taxing districts are calculated first as if this proposition had not been approved; (b) subject to the one hundred six percent limitation, the regular property tax rate of the taxing district receiving such authorization is increased to a level not exceeding the lesser of: (1) Its maximum statutory authorized regular property tax rate; or (2) whatever tax rate it otherwise would have been able to impose plus an additional thirty-five cents per thousand dollars of assessed valuation; and (c) the cumulative property tax rate limitation is increased within the boundaries of the taxing district receiving this authorization to an amount equal to ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation plus the increased amount of the regular levy rate of this taxing district, but not to exceed ((nine)) five dollars and ((fifty)) ninety cents per thousand dollars of assessed valuation.

(3) If two or more taxing districts that occupy a portion of the same territory receive such approval, the additional authorized taxing capacity above ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation shall be distributed among these taxing districts by adjusting their levy rate requests in the same manner and under the same conditions as if they were the only taxing districts in the area subject to adjustment of their property tax rates and the levy rate adjustments were being made with the cumulative limitation of ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation.

(4) Levies authorized under RCW 84.52.069 are not subject to the rate adjustments and the ((nine)) five dollar and ((fifteen)) ninety cent per thousand dollar of assessed valuation cumulative limitation on regular property tax rates established by this section.

Sec. 7. Section 84.52.010, chapter 15, Laws of 1961 as last amended by section 1, chapter 255, Laws of 1987 and RCW 84.52.010 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, as now or hereafter amended, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law. PROVIDED: That in the event of a levy made pursuant to RCW 84.54.230, the rates of levy for county and county road district purposes shall be reduced in such uniform percentages as will result in a consolidated levy by such taxing districts which will be no greater on any property than a consolidated levy by such taxing districts which would be if the levy had not been made pursuant to RCW 84.54.230, subject to subsection (2)(e) of this section; however any state levy shall take precedence over all other levies and shall not be reduced for any purpose other than that required by RCW 84.55.010; and

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, and 67.38.130 shall be reduced on a pro rata basis or eliminated;

(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or eliminated;

(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, public hospital districts, metropolitan park districts, and library districts, shall be reduced on a pro rata basis or eliminated;

(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated; ((and))
NEW SECTION. Sec. 8. A new section is added to chapter 84.52 RCW to read as follows:

(1) In any county, if, after any reduction in levy rates required by RCW 84.52.010(2)(a) through (d), the consolidated tax levy rate still exceeds the limitations in RCW 84.52.043 or 84.52.050, then the department pursuant to rules shall direct the county assessor to adjust the regular property tax levy rates in the following manner:

(a) First, the assessor determines a first preliminary rate pursuant to RCW 84.52.010(2)(f).

(b) Second, the assessor determines a second preliminary rate which is the additional rate, if any, permitted by RCW 84.52.100.

(i) If the preliminary rates together are sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction, then the assessor shall extend on the tax rolls the full consolidated tax levy pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(ii) If the preliminary rates together are not sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction pursuant to both RCW 84.52.010(2)(f) and 84.52.100, the assessor shall reduce the rate of the taxing district subject to RCW 84.52.010(2)(e) with the smallest assessed valuation such that, after first allowing for any additional rate permitted by RCW 84.52.100, there is no reduction of the rates under RCW 84.52.010(2)(f). Where the reduction of the levy of a taxing district is not sufficient, the taxing district with the next smallest assessed valuation shall have its levy reduced under this subsection until there is no reduction of rates under RCW 84.52.010(2)(f). The assessor shall then extend on the tax rolls the rates derived pursuant to this subsection (5)(a).

(2) The taxing districts whose levies would have been reduced but for subsection (1) of this section shall pay to each district that had its levy so reduced pursuant to subsection (1) of this section a proportionate share of the reduced amount based on the amount by which each district would have had its total levy rate reduced if subsection (1) of this section were not in effect and the rates had been adjusted pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(a) In the case of a public hospital district, library district, fire protection district, or metropolitan park district whose levy is reduced under subsection (1) of this section, the district shall bear a proportionate share as if its rate were sufficient to collect its certified levy.

(b) In the case of a city or town that is annexed by a library district or a fire protection district, which city's or town's levy is reduced under this section, or is in a tax code area where a levy rate is reduced under this section, the city or town shall forgo receipt of, or pay to each district whose levy rate is reduced, ten percent of the amount which would otherwise be paid to the city or town from each district whose levy rate is not reduced as a result of subsection (1) of this section, collectively not to exceed one-half of the following amount: The assessed valuation of the reduced district multiplied by a rate equal to the city's or town's levy rate, calculated based on its certified levy request, plus the rate(s) of the annexing district(s) minus the rate the city or town would have been able to levy were it not annexed, not to exceed twenty-two and one-half cents.

(3) Fifty-five percent of the amount under subsection (2) of this section shall be distributed on or before May 31 of the tax collection year for which the levy is reduced and forty-five percent on or before November 30 of that year.

(4) This section shall expire on January 15, 1989.
the distributions shall be made to each eligible county on or before April 30, 1989, and one-half of the distributions shall be made to each eligible county on or before October 31, 1989. These amounts shall be proportionally reduced if the moneys in the account are insufficient to reimburse the full amount that these counties transferred or paid to such taxing districts. Distributions from this account are not subject to appropriation.

Each county that so transfers or pays moneys to taxing districts shall provide evidence of such arrangements to the director of revenue on or before January 31, 1989. The director of revenue shall certify to the state treasurer each county that is eligible for such disbursements and the amount that the county so transferred or paid.

This section expires January 1, 1990.

NEW SECTION. Sec. 11. The sum of one hundred thousand dollars is appropriated for the biennium ending June 30, 1989, from the general fund to the small county assistance account to be used exclusively for purposes specified in section 10 of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 52.04 RCW to read as follows:

Any attempted annexation in 1987 and thereafter by a fire protection district of contiguous territory, that is located in a county other than the county in which the fire protection district was located, is validated where the annexation would have occurred if the territory had been located in the same county as the fire protection district. The effective date of such annexations occurring in 1987 shall be February 1, 1988, for purposes of establishing the boundaries of taxing districts for purposes of imposing property taxes as provided in RCW 84.09.030.

Any reference to a county official of the county in which a fire protection district is located or proposed to be located shall be deemed to refer to the appropriate county official of each county in which the fire protection district is located or proposed to be located.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(5) Time limits may be waived pursuant to section 105 of this act.
(6) Any modification in the time limits set forth in this chapter shall be to new time limits that are reasonable under the specific circumstances.
(7) In any rule-making or adjudicative proceeding, any agency whose time limits vary from those set forth in this chapter shall provide reasonable and adequate notice of the pertinent time limits to persons affected. In an adjudicative proceeding, such notice may be given by the presiding or reviewing officer involved in the proceeding. In a rule-making proceeding, the notice may be given in the notice of proposed rule-making.
(8) Two years after the effective date of this section, the chief administrative law judge shall cause a survey to be made of variations by agencies from the time limits set forth in this chapter, and shall submit a written report of the results of the survey to the office of the governor.

PART X.
PUBLIC ACCESS TO AGENCY RULES

Sec. 201. PUBLICATION OF CODE AND REGISTER—REMOVAL OF UNCONSTITUTIONAL RULES—DISTRIBUTION OF REGISTERS AND CODES—COUNTY LAW LIBRARIES—JUDICIAL NOTICE OF RULES. Section 5, chapter 234, Laws of 1959 as last amended by section 7, chapter 32. Laws of 1982 1st ex. sess. and RCW 34.04.050 are each amended to read as follows:

1. The code reviser shall, as soon as practicable after March 22, 1966, compile and publish all current, permanently effective rules (adopted by each agency and remaining in effect) of each agency. All rules shall be published in the Washington Administrative Code. Compilations shall be supplemented or revised as often as necessary and at least (once every two years) annually in a form compatible with the main compilation.

2. Subject to the provisions of this chapter, the code reviser shall prescribe a uniform numbering system, form, and style for all proposed and adopted rules.

3. The code reviser shall publish a register in which he shall set forth the text of all rules filed during the appropriate register publication period.

4. The code reviser may edit and revise rules for publication, codification, and compilation, without changing the meaning of any such rule, in accordance with the provisions of RCW 34.04.052.

5. When a rule, in whole or in part, is declared invalid and unconstitutional by a court of final appeal, the adopting agency shall give notice to that effect in the register. With the consent of the attorney general, the code reviser may remove obsolete rules or parts of rules from the Washington Administrative Code when:

(a) The rules are declared unconstitutional by a court of final appeal; or
(b) The adopting agency ceases to exist and the rules are not transferred by statute to a successor agency.

6. Registers and compilations shall be made available, in written form to (a) state elected officials whose offices are created by Article II or III of the state Constitution or by RCW 48.02.010, upon request, (b) to the secretary of the senate and the chief clerk of the house for committee use, as required, but not to exceed the number of standing committees in each body, (c) to county boards of law library trustees and to the Olympia representatives of the Associated Press and the United Press International without request, free of charge, and (d) to other persons at a price fixed by the code reviser.

7. The board of law library trustees of each county shall keep and maintain a complete and current set of registers and compilations for use and inspection as provided in RCW 27.24.060.

8. Judicial notice shall be taken of rules filed and published as provided in (RCW 34.04.040) section 315 of this act and this section.

Sec. 202. RULES FOR AGENCY PROCEDURE—INDEXES OF OPINIONS AND STATEMENTS. Section 2, chapter 234, Laws of 1959 as last amended by section 13, chapter 67. Laws of 1981 and RCW 34.04.020 are each amended to read as follows:

1. In addition to other rule-making requirements imposed by law:
((f)) (a) Each agency shall adopt rules governing the formal and informal procedures prescribed or authorized by this chapter and rules of practice before the agency, together with forms and instructions. Rules for the conduct of adjudicative proceedings shall be those which are promulgated by the chief administrative law judge under section 205 of this act.

((g)) (b) To assist interested persons dealing with it, each agency shall adopt as a rule a description of its organization, stating the general course and method of its operations and the methods whereby the public may obtain information and make submissions or requests. No person may be required to comply with agency procedure not adopted as a rule herein required.

((h)) (2) To the extent not prohibited by federal law or regulation, nor prohibited for reasons of confidentiality by state law, each agency shall keep on file for public inspection all final orders, decisions, and opinions in contested cases adjudicative proceedings, interpretive statements, policy statements, and any digest or index to those orders, decisions, opinions, or statements prepared by or for the agency.

(3) No agency order, decision, or opinion is valid or effective against any person, nor may it be invoked by the agency for any purpose, unless it is available for public inspection as herein required. A written final order issued after the effective date of this section, may not be relied on as precedent by an agency to the detriment of any person until it has been indexed as required by RCW 42.17.250. This provision is not applicable in favor of any person who has actual knowledge of the order, decision, or opinion. The agency has the burden of proving that knowledge, but may meet that burden by proving that the person has been properly served with a copy of the order.

((i)) (4) Each agency that is authorized by law to exercise discretion in deciding individual cases is encouraged to formalize the general principles that may evolve from these decisions by adopting the principles as rules that the agency will follow until they are amended or repealed.

NEW SECTION. Sec. 203. INTERPRETIVE AND POLICY STATEMENTS. (1) If the adoption of rules is not feasible and practicable, an agency is encouraged to advise the public of its current opinions, approaches, and likely courses of action by means of interpretive or policy statements. Current interpretive and policy statements are advisory only. An agency is encouraged to convert long-standing interpretive and policy statements into rules.

(2) Each agency shall maintain a roster of interested persons, consisting of persons who have requested in writing to be notified of all interpretive and policy statements issued by that agency. Each agency shall update the roster once each year and eliminate persons who do not indicate a desire to continue on the roster. Whenever an agency issues an interpretive or policy statement, it shall send a copy of the statement to each person listed on the roster. The agency may charge a nominal fee to the interested person for this service.

Sec. 204. DECLARATORY ORDER BY AGENCY—PETITION—COURT REVIEW. Section 8, chapter 234, Laws of 1959 and RCW 34.04.080 are each amended to read as follows:

((On petition of any interested)) (1) Any person may petition an agency for a declaratory order with respect to the applicability to specified circumstances of a rule, order, or statute enforceable by a court. A declaratory ruling, if issued after argument and stated to be binding, is binding between the agency and the petitioner on the state of facts alleged, unless it is altered or set aside by a court. Such a ruling is subject to review in the superior court of Thurston county in the manner hereinafter provided for the review of decisions in contested cases. Each agency shall prescribe by rule the form for such petitions and the procedure for their submission, consideration, and disposition the agency. The petition shall set forth facts and reasons on which the petitioner relies to show:

(a) That uncertainty necessitating resolution exists;
(b) That there is actual controversy arising from the uncertainty such that a declaratory order will not be merely an advisory opinion;
(c) That the uncertainty adversely affects the petitioner;
(d) That the adverse effect of uncertainty on the petitioner outweighs any adverse effects on others or on the general public that may likely arise from the order requested; and
(e) That the petition complies with any additional requirements established by the agency under subsection (2) of this section.

(2) Each agency may adopt rules that provide for: (a) The form, contents, and filing of petitions for a declaratory order; (b) the procedural rights of persons in relation thereto; and (c) the disposition of those petitions. These rules may include a description of the classes of circumstances in which the agency will not enter a declaratory order and shall be consistent with the public interest and with the general policy of this chapter to facilitate and encourage agencies to provide reliable advice.

(3) Within fifteen days after receipt of a petition for a declaratory order, the agency shall give notice of the petition to all persons to whom notice is required by law, and may give notice to any other person it deems desirable.
(4) Sections 401 through 429 of this act apply to agency proceedings for declaratory orders only to the extent an agency so provides by rule or order.

(5) Within thirty days after receipt of a petition for a declaratory order an agency, in writing, shall do one of the following:

(a) Enter an order declaring the applicability of the statute, rule, or order in question to the specified circumstances;

(b) Set the matter for specified proceedings to be held no more than ninety days after receipt of the petition;

(c) Set a specified time no more than ninety days after receipt of the petition by which it will enter a declaratory order; or

(d) Decline to enter a declaratory order, stating the reasons for its action.

(6) The time limits of subsection (5)(b) and (c) of this section may be extended by the agency for good cause.

(7) An agency may not enter a declaratory order that would substantially prejudice the rights of a person who would be a necessary party and who does not consent in writing to the determination of the matter by a declaratory order proceeding.

(8) A declaratory order has the same status as any other order entered in an agency adjudicative proceeding. Each declaratory order shall contain the names of all parties to the proceeding on which it is based, the particular facts on which it is based, and the reasons for its conclusions.

NEW SECTION. Sec. 205. MODEL RULES OF PROCEDURE. The chief administrative law judge shall adopt model rules of procedure appropriate for use by as many agencies as possible. The model rules shall deal with all general functions and duties performed in common by the various agencies. Each agency shall adopt as much of the model rules as is reasonable under its circumstances. Any agency adopting a rule of procedure that differs from the model rules shall include in the order of adoption a finding stating the reasons for variance.

PART XI.

RULE-MAKING PROCEDURES

NEW SECTION. Sec. 301. SOLICITATION OF COMMENTS BEFORE NOTICE PUBLICATION—RULES COORDINATOR. (1) In addition to seeking information by other methods, an agency may, before publication of a notice of a proposed rule adoption under section 303 of this act, solicit comments from the public on a subject of possible rule making under active consideration within the agency, by causing notice to be published in the state register of the subject matter and indicating where, when, and how persons may comment.

(2) Each agency may appoint committees to comment, before publication of a notice of proposed rule adoption under section 303 of this act, on the subject of a possible rule-making action under active consideration within the agency.

(3) Each agency shall designate a rules coordinator, who shall have knowledge of the subjects of rules being proposed or prepared within the agency for proposal, maintain the records of any such action, and respond to public inquiries about possible or proposed rules and the identity of agency personnel working, reviewing, or commenting on them. The office and mailing address of the rules coordinator shall be published in the state register at the time of designation and in the first issue of each calendar year thereafter for the duration of the designation. The rules coordinator may be an employee of another agency.

NEW SECTION. Sec. 302. RULE-MAKING DOCKET. (1) Each agency shall maintain a current public rule-making docket. The rule-making docket shall contain a listing of the subject of each rule currently being prepared by the agency for proposal under section 303 of this act, the name and address of agency personnel responsible for the proposal, and an indication of the present status of the proposal.

(2) The rule-making docket shall contain a listing of each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced by publication of a notice of proposed rule adoption under section 303 of this act until it is terminated under section 306(3) of this act.

(3) For each rule-making proceeding, the docket shall indicate all of the following:

(a) The subject of the proposed rule;

(b) A citation to all notices relating to the proceeding that have been published in the state register under section 303 of this act;

(c) The place where written submissions about the proposed rule may be inspected;

(d) The time during which written submissions will be accepted;

(e) The current timetable established for the agency proceeding, including the time and place of any rule-making hearing, the date of the rule's adoption, filing, indexing, publication, and its effective date.

Sec. 303. NOTICE OF PROPOSED RULE—CONTENTS—DISTRIBUTION BY AGENCY—INSTITUTIONS OF HIGHER EDUCATION. Section 1, chapter 84, Laws of 1977 ex. sess. as last amended by section 2, chapter 221, Laws of 1982 and RCW 34.04.045 are each amended to read as follows:

(1) (For the purpose of legislative review of agency rules filed pursuant to this chapter, any proposed new or amendatory rule shall be accompanied by a statement prepared by the
adopting agency which generally describes the rule's purpose and how the rule is to be implemented. Such statement shall be on the agency's stationery or a form bearing the agency's name and shall contain, but is not limited to:)

At least twenty days before the rule-making hearing at which the agency receives public comment regarding adoption of a rule, the agency shall cause notice of the hearing to be published in the state register. The publication constitutes the proposal of a rule. The notice shall include all of the following:

(a) A title, (containing) a description of the rule's purpose, and any other information which may be of assistance in identifying the rule or its purpose;

(b) Citations of the statutory authority for adopting the rule and the specific statute the rule is intended to implement;

(c) A summary of the rule and a statement of the reasons supporting the proposed action;

(d) The agency personnel, with their office location and telephone number, who are responsible for the drafting, implementation, and enforcement of the rule;

(e) The name of the person or organization, whether private, public, or governmental, proposing the rule;

(f) Agency comments or recommendations, if any, regarding statutory language, implementation, enforcement, and fiscal matters pertaining to the rule;

(g) Whether the rule is necessary as the result of federal law or federal or state court action, and if so, a copy of such law or court decision shall be attached to the purpose statement;

(h) When, where, and how persons may present their views on the proposed rule;

(j) A short explanation of the rule, its purpose, and anticipated effects, including in the case of a proposal that would modify existing rules, a short description of the changes the proposal would make; and

(k) A copy of the small business economic impact statement. (where) if applicable.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting agency shall have copies of the statement on file and available for public inspection and shall forward three copies of the notice and the statement to the rules review committee.

(3) No later than three days after its publication in the state register, the agency shall cause a copy of the notice of proposed rule adoption to be mailed to each person who has made a timely request to the agency for a mailed copy of such notices. An agency may charge for the actual cost of providing individual mailed copies of these notices.

(4) In addition to the notice required by subsections (1) and (2) of this section, an institution of higher education shall cause the notice to be published in the campus or standard newspaper of the institution at least seven days before the rule-making hearing.

NEW SECTION. Sec. 304. PUBLIC PARTICIPATION IN RULE MAKING. (1) The agency shall make a good faith effort to ensure that the information on the proposed rule published pursuant to section 303 of this act accurately reflects the rule to be presented and considered at the oral hearing on the rule. Written comment about a proposed rule, including supporting data, shall be accepted by an agency if received no later than the time and date specified in the notice, or such later time and date established at the rule-making hearing.

(2) The agency shall provide an opportunity for oral comment to be received by the agency in a rule-making hearing.

(3) The agency head, a member of the agency head, or a presiding officer designated by the agency head shall preside at the rule-making hearing. Rule-making hearings shall be open to the public. The agency shall cause a record to be made of the hearing by stenographic, mechanical, or electronic means. Unless the agency head presides or is present at substantially all the hearings, the presiding official shall prepare a memorandum for consideration by the agency head, summarizing the contents of the presentations made at the rule-making hearing. The summarizing memorandum is a public document and shall be made available to any person in accordance with chapter 42.17 RCW.

(4) Rule-making hearings are legislative in character and shall be reasonably conducted by the presiding official to afford interested persons the opportunity to present comment. Rule-making hearings may be continued to a later time and place established on the record without publication of further notice under section 303 of this act.

Sec. 305. PETITION FOR ADOPTION, AMENDMENT, REPEAL OF RULE—AGENCY ACTION. Section 6, chapter 234, Laws of 1959 as amended by section 5, chapter 237. Laws of 1967 and RCW 34.04.060 are reenacted and amended to read as follows:

Any (petition) person may petition an agency requesting the (promulgation) adoption, amendment, or repeal of any rule. Each agency (shall) may prescribe by rule the form for such petitions and the procedure for their submission, consideration, and disposition. Within (thirty) sixty days after submission of a petition, (at the next meeting of the agency if it does not meet within thirty days,) the agency shall (formally consider the petition and shall within thirty days thereafter) (1) either deny the petition in writing (()), stating its reasons for the denial((), or (2) initiate rule-making proceedings in accordance with (RCW 34.04.025)) this chapter.
Sec. 308. WITHDRAWAL OF PROPOSAL—TIME AND MANNER OF ADOPTION. Section 11. chapter 186. Laws of 1980 and RCW 34.04.048 are each amended to read as follows:

(1) A proposed rule may be withdrawn by the proposing agency at any time before adoption. A withdrawn rule may not be adopted unless it is again proposed in accordance with (RCW 34.04.095 as now or hereafter amended) section 303 of this act.

(2) Before adopting a rule, an agency shall consider the written and oral submissions, or any memorandum summarizing oral submissions.

(3) Rules not adopted within one (green) hundred eighty days after publication of the text as last proposed in the register shall be regarded as withdrawn. An agency may not thereafter adopt the text of the rules without filing the text in accordance with (RCW 34.04.095 as now or hereafter amended) section 303 of this act. The code reviser shall give notice of the withdrawal in the register.

(4) An agency may not adopt a rule before the time established in the published notice, or such later time established on the record or by publication in the state register.

NEW SECTION. Sec. 307. VARIANCE BETWEEN PROPOSED AND FINAL RULE. (1) Unless it complies with subsection (3) of this section, an agency may not adopt a rule that is substantially different from the rule proposed in the published notice of proposed rule adoption or a supplemental notice in the proceeding. If an agency contemplates making a substantial variance from a proposed rule described in a published notice, it may file a supplemental notice with the code reviser meeting the requirements of section 303 of this act and reopen the proceedings for public comment on the proposed variance, or the agency may reject the proposed rule and commence a new rule-making proceeding to adopt a substantially different rule. If a new rule-making proceeding is commenced, relevant public comment received regarding the initial proposed rule shall be considered in the new proceeding.

(2) The following factors shall be considered in determining whether an adopted rule is substantially different from the proposed rule on which it is based:

(a) The extent to which a reasonable person affected by the adopted rule would have understood that the published proposed rule would affect his or her interests;

(b) The extent to which the subject of the adopted rule or the issues determined in it are substantially different from the subject or issues involved in the published proposed rule; and

(c) The extent to which the effects of the adopted rule differ from the effects of the published proposed rule.

(3) If the agency, without filing a supplemental notice under subsection (1) of this section, adopts a rule that varies in content from the proposed rule, the general subject matter of the adopted rule must remain the same as the proposed rule. The agency shall briefly describe any changes, other than editing changes, and the principal reasons for adopting the changes. The brief description shall be filed with the code reviser together with the order of adoption for publication in the state register. Within sixty days of publication of the adopted rule in the state register, any interested person may petition the agency to amend any portion of the adopted rule that is substantially different from the published proposed rule. The agency shall briefly describe the nature of the amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that (observation of) observing the time requirements of notice and opportunity to (present views on the proposed action) comment upon adoption of a permanent rule would be contrary to the public interest;

(b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

The agency may dispense with (such) those requirements and adopt, amend, or repeal the rule (or amendment(s)) on an emergency (rule or amendment) basis. The agency's finding and a concise statement of the reasons for its finding shall be incorporated in the order for
adoption of the emergency rule or amendment ((as)) filed with the office of the code reviser under ((RCW 34.04.840)) section 315 of this act and with the rules review committee.

(2) An emergency rule (or amendment) adopted under this section takes effect upon filing with the code reviser and may not remain in effect for longer than (ninety) one hundred twenty days after filing. Identical or substantially similar emergency rules may not be adopted in sequence unless conditions have changed or the agency has published notice of its intent to adopt the rule as a permanent rule, and is actively undertaking the appropriate procedures to adopt the rule as a permanent rule. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

NEW SECTION. Sec. 310. CONCISE EXPLANATORY STATEMENT. (1) At the time it files an adopted rule with the code reviser or within thirty days thereafter, an agency shall place into the rule-making file maintained under section 313 of this act a concise explanatory statement about the rule, identifying (a) the agency's reasons for adopting the rule, and (b) a description of any difference between the text of the proposed rule as published in the register and the text of the rule as adopted, other than editing changes, stating the reasons for change.

(2) Upon the request of any interested person within thirty days after adoption of a rule, the agency shall issue a concise statement of the principal reasons for overruling the considerations urged against its adoption.

NEW SECTION. Sec. 311. ORDER ADOPTING RULE, CONTENTS. The order of adoption by which each rule is adopted by an agency shall contain all of the following:

(1) The date the agency adopted the rule;
(2) A concise statement of the purpose of the rule;
(3) A reference to all rules repealed, amended, or suspended by the rule;
(4) A reference to the specific statutory or other authority authorizing adoption of the rule;
(5) Any findings required by any provision of law as a precondition to adoption or effectiveness of the rule; and
(6) The effective date of the rule if other than that specified in section 315(2) of this act.

NEW SECTION. Sec. 312. INCORPORATION BY REFERENCE. An agency may incorporate by reference and without publishing the incorporated matter in full, all or any part of a code, standard, rule, or regulation that has been adopted by an agency of the United States, of this state, or of another state, by a political subdivision of this state, or by a generally recognized organization or association if incorporation of the full text in the agency rules would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in agency rules shall fully identify the incorporated matter. An agency may incorporate by reference such matter in its rules only if the agency, organization, or association originally issuing that matter makes copies readily available to the public. The incorporating agency shall have, maintain, and make available for public inspection a copy of the incorporated matter. The rule must state where copies of the incorporated matter are available.

NEW SECTION. Sec. 313. RULE-MAKING FILE. (1) Each agency shall maintain an official rule-making file for each rule that it (a) proposes by publication in the state register, or (b) adopts. The file and materials incorporated by reference shall be available for public inspection.

(2) The agency rule-making file shall contain all of the following:

(a) Copies of all publications in the state register with respect to the rule or the proceeding upon which the rule is based;
(b) Copies of any portions of the agency's public rule-making docket containing entries relating to the rule or the proceeding on which the rule is based;
(c) All written petitions, requests, submissions, and comments received by the agency and all other written material regarded by the agency as important to adoption of the rule or the proceeding on which the rule is based;
(d) Any official transcript of oral presentations made in the proceeding on which the rule is based or, if not transcribed, any tape recording or stenographic record of them, and any memorandum prepared by a presiding official summarizing the contents of those presentations;
(e) The concise explanatory statement required by section 310 of this act;
(f) All petitions for exceptions to, amendment of, or repeal or suspension of, the rule; and
(g) Any other material placed in the file by the agency.

(3) Internal agency documents are exempt from inclusion in the rule-making file under subsection (2) of this section to the extent they constitute preliminary drafts, notes, recommendations, and intra-agency memoranda in which opinions are expressed or policies formulated or recommended, except that a specific document is not exempt from inclusion when it is publicly cited by an agency in connection with its decision.

(4) Upon judicial review, the file required by this section constitutes the official agency rule-making file with respect to that rule. Unless otherwise required by another provision of law, the official agency rule-making file need not be the exclusive basis for agency action on that rule.
NEW SECTION. Sec. 314. SUBSTANTIAL COMPLIANCE WITH PROCEDURES. No rule proposed after the effective date of this section is valid unless it is adopted in substantial compliance with sections 301 through 318 of this act. Inadvertent failure to mail notice of a proposed rule adoption to any person as required by section 303(3) of this act does not invalidate a rule. No action based upon this section may be maintained to contest the validity of any rule unless it is commenced within two years after the effective date of the rule.

Sec. 316. RULES FILED WITH CODE REVISER—REGISTER—EFFECTIVE DATES. Section 4, chapter 234, Laws of 1959 as last amended by section 17, chapter 506, Laws of 1987 and RCW 34.04.040 are each amended to read as follows:

(1) Each agency shall file [(forthwith)] in the office of the code reviser a certified copy of all rules [(now in effect and hereafter adopted)] it adopts, except [(the)] for rules contained in tariffs filed with or published by the Washington utilities and transportation commission. The code reviser shall place upon each rule a notation of the time and date of filing and shall keep a permanent register of [(such)] filed rules open to public inspection. In filing a rule, each agency shall use the standard form prescribed for this purpose by the code reviser.

(2) Emergency rules adopted under [(RCW 34.04.030 shall)] section 309 of this act become effective upon filing. All other rules [(hereafter adopted shall)] become effective upon the expiration of thirty days after the date of filing, unless a later date is required by statute or specified in the rule.

(3) A rule may become effective immediately upon its filing with the code reviser or on any subsequent date earlier than that established by subsection (2) of this section, if the agency establishes that effective date in the adopting order and finds that:

(a) Such action is required by the state or federal Constitution, a statute, or court order;

(b) The rule only delays the effective date of another rule that is not yet effective; or

(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefore required by this subsection shall be made part of the order adopting the rule.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

Sec. 316. RULES FOR FILING AND FORM OF RULES AND NOTICES. Section 13, chapter 237, Laws of 1967 and RCW 34.04.055 are each amended to read as follows:

The code reviser may [(prescribe regulations)] adopt rules for carrying out the provisions of this chapter relating to the filing and publication of rules and notices of intention to adopt rules, including the form and style to be employed by the various agencies in the drafting of such rules and notices.

Sec. 317. STYLE, FORMAT, AND NUMBERING OF RULES—AGENCY COMPLIANCE. Section 14, chapter 237, Laws of 1967 and RCW 34.04.057 are each amended to read as follows:

After the rules of an agency have been published by the code reviser:

(1) All agency orders amending or rescinding such rules, or creating new rules, shall be formulated in accordance with the style, format, and numbering system of the Washington Administrative Code[[(:)]];

(2) Any subsequent printing or reprinting of such rules shall be printed in the style and format [including the numbering system] of such code; and

(3) Amendments of previously adopted rules shall incorporate any editorial corrections made by the code reviser.

Sec. 318. FORMAT AND STYLE OF RULES AMENDING EXISTING SECTIONS, ADDING NEW SECTIONS—EFFECT OF FAILURE TO COMPLY. Section 1, chapter 19, Laws of 1977 as amended by section 14, chapter 186, Laws of 1980 and RCW 34.04.058 are each amended to read as follows:

(1) Rules [(promulgated)] proposed or adopted by an agency pursuant to [(RCW 34.04.025 or 34.04.030, as now or hereafter amended, which)] this chapter that amend existing sections of the administrative code shall have the words which are amendatory to such existing sections underlined. Any matter to be deleted from an existing section shall be indicated by setting such matter forth in full, enclosed by double parentheses, and such deleted matter shall be lined out with hyphens. [(in-the-case-of)] A new section[[(such)] shall be designated "NEW SECTION" in upper case type and such designation shall be underlined, but the complete text of the section shall not be underlined. No rule may be forwarded by any agency to the code reviser, nor may the code reviser accept for filing any rule unless the format of such rule is in compliance with the provisions of this section.

(2) Once the rule has been formally adopted by the agency the code reviser need not, except with regard to the register published pursuant to [(RCW 34.04.050(2))] section 201(3) of this act, include the items enumerated in subsection (1) of this section in the official code.

(3) Any addition to or deletion from an existing code section not filed by the agency in the style prescribed by subsection (1) of this section shall in all respects be ineffectual, and shall not be shown in subsequent publications or codifications of that section unless the ineffectual portion of the rule is clearly distinguished and an explanatory note is appended thereto by the
PART XII.

ADJUDICATIVE PROCEEDINGS

NEW SECTION. Sec. 401. APPLICATION OF PART IV. (1) Adjudicative proceedings are governed by sections 402 through 423 of this act, except as otherwise provided:

(a) By a rule that adopts the procedures for brief adjudicative proceedings in accordance with the standards provided in section 425 of this act for those proceedings;

(b) By section 424 of this act pertaining to emergency adjudicative proceedings; or

(c) By section 304 of this act pertaining to declaratory proceedings.

(2) Sections 401 through 429 of this act do not apply to rule-making proceedings unless another statute expressly so requires.

NEW SECTION. Sec. 402. COMMENCEMENT—WHEN REQUIRED. (1) Within the scope of its authority, an agency may commence an adjudicative proceeding at any time with respect to a matter within the agency's jurisdiction.

(2) When required by law or constitutional right, and upon the timely application of any person, an agency shall commence an adjudicative proceeding.

(3) An agency may require by rule that an application for an adjudicative proceeding be in writing and that it be filed at a specific address and in a specified manner.

(4) If an agency is required to hold an adjudicative proceeding, an application for an agency to enter an order includes an application for the agency to conduct appropriate adjudicative proceedings, whether or not the applicant expressly requests those proceedings.

(5) An adjudicative proceeding commences when the agency or a presiding officer notifies a party that a prehearing conference, hearing, or other stage of an adjudicative proceeding will be conducted.

NEW SECTION. Sec. 403. DECISION NOT TO CONDUCT AN ADJUDICATION. If an agency decides not to conduct an adjudicative proceeding in response to an application, the agency shall furnish the applicant a copy of its decision in writing, with a brief statement of the agency's reasons and of any administrative review available to the applicant.

NEW SECTION. Sec. 404. AGENCY ACTION ON APPLICATIONS FOR ADJUDICATION. After receipt of an application for an adjudicative proceeding, other than a declaratory order, an agency shall proceed as follows:

(1) Except in situations governed by subsection (2) or (3) of this section, within ninety days after receipt of the application or of the response to a timely request made by the agency under subsection (2) of this section, the agency shall do one of the following:

(a) Approve or deny the application, in whole or in part, on the basis of brief or emergency adjudicative proceedings, if those proceedings are available under this chapter for disposition of the matter;

(b) Commence an adjudicative proceeding in accordance with this chapter; or

(c) Dispose of the application in accordance with section 403 of this act:

(2) Within thirty days after receipt of the application, the agency shall examine the application, notify the applicant of any obvious errors or omissions, request any additional information the agency wishes to obtain and is permitted by law to require, and notify the applicant of the name, mailing address, and telephone number of an office that may be contacted regarding the application;

(3) If the application seeks relief that is not available when the application is filed but may be available in the future, the agency may proceed to make a determination of eligibility within the time limits provided in subsection (1) of this section. If the agency determines that the applicant is eligible, the agency shall maintain the application on the agency's list of eligible applicants as provided by law and, upon request, shall notify the applicant of the status of the application.

Sec. 405. RATE CHANGES, LICENSES. Section 8, chapter 237, Laws of 1967 as amended by section 1, chapter 33, Laws of 1980 and RCW 34.04.170 are each amended to read as follows:

(1) Unless otherwise provided by law: (a) Applications for rate changes and uncontested applications for licenses may, in the agency's discretion, be conducted as adjudicative proceedings; (b) applications for licenses that are contested and review of denials of applications for licenses or rate changes shall be conducted as adjudicative proceedings; and (c) an agency may not revoke, suspend, modify, annul, withdraw, or amend a license unless the agency gives notice of a hearing for an appropriate adjudicative proceeding in accordance with this chapter or other statute.

(2) An agency with authority to grant or deny a professional or occupational license shall notify an applicant for a new or renewal license not later than twenty days prior to the date of the examination required for that license of any grounds for denial of the license which are based on specific information disclosed in the application submitted to the agency. The agency shall notify the applicant either that the license is denied or that the decision to grant or deny the license will be made at a future date. If the agency fails to give the notification prior to the examination and the applicant is denied licensure, the examination fee shall be
refunded to the applicant. If the applicant takes the examination, the agency shall notify the applicant of the result.

3) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, an existing full, temporary, or provisional license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

NEW SECTION. Sec. 406. PRESIDING OFFICERS—DISQUALIFICATION, SUBSTITUTION. (1) Except as provided in subsection (2) of this section, in the discretion of the agency head, the presiding officer in an administrative hearing shall be:

(a) The agency head or one or more members of the agency head;

(2) An agency expressly exempted under RCW 34.12.020(4) or other statute from the provisions of chapter 34.12 RCW or an institution of higher education shall designate a presiding officer as provided by rules adopted by the agency.

(3) Any individual serving or designated to serve alone or with others as presiding officer is subject to disqualification for bias, prejudice, interest, or any other cause provided in this chapter or for which a judge is disqualified.

(4) Any party may petition for the disqualification of an individual promptly after receipt of notice indicating that the individual will preside or, if later, promptly upon discovering facts establishing grounds for disqualification.

(5) The individual whose disqualification is requested shall determine whether to grant the petition, stating facts and reasons for the determination.

(6) If a substitute is required for an individual who becomes unavailable as a result of disqualification or any other reason, the substitute must be appointed by the appropriate appointing authority.

(7) Any action taken by a duly appointed substitute for an unavailable individual is as effective as if taken by the unavailable individual.

NEW SECTION. Sec. 407. REPRESENTATION. (1) A party to an adjudicatory proceeding may participate personally or, if the party is a corporation or other artificial person, by a duly authorized representative.

(2) Whether or not participating in person, any party may be advised and represented at the party's own expense by counsel or, if permitted by provision of law, other representative.

NEW SECTION. Sec. 408. CONFERENCE—PROCEDURE AND PARTICIPATION. (1) Agencies may hold prehearing or other conferences for the settlement or simplification of issues. Every agency shall by rule describe the conditions under which and the manner in which conferences are to be held.

(2) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the conference may be conducted by telephone, television, or other electronic means. Each participant in the conference must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

Sec. 409. NOTICE OF HEARING. Section 9, chapter 234, Laws of 1959 as last amended by section 1, chapter 31, Laws of 1980 and RCW 34.04.090 are each amended to read as follows:

1) ((In any contested case all parties shall be afforded an opportunity for hearing after not less than twenty days' notice, but no hearing shall be required until the hearing is demanded unless other statutory provisions or agency rules provide otherwise.) The agency or the office of administrative hearings shall set the time and place of the hearing and give not less than seven days advance written notice to all parties and to all persons who have filed written petitions to intervene in the matter.

2) The notice shall include:

(a) Unless otherwise ordered by the presiding officer, the names and mailing addresses of all parties to whom notice is being given and, if known, the names and addresses of their representatives;

(b) If the agency intends to appear, the mailing address and telephone number of the office designated to represent the agency in the proceeding;

(c) The official file or other reference number and the name of the proceeding;

(d) The name, official title, mailing address, and telephone number of the presiding officer, if known;
NEW SECTION. Sec. 410. PLEADINGS, BRIEFS, MOTIONS. SERVICE. (I) The presiding officer, at appropriate stages of the proceedings, shall give all parties full opportunity to submit and respond to pleadings, motions, objections, and offers of settlement.

(2) At appropriate stages of the proceedings, the presiding officer may give all parties full opportunity to file briefs, proposed findings of fact and conclusions of law, and proposed initial or final orders.

(3) A party that files a pleading, brief, or other paper with the agency or presiding officer shall serve copies on all other parties, unless a different procedure is specified by agency rule.

NEW SECTION. Sec. 411. DEFAULT. (1) A party who fails to attend or participate in a hearing or other stage of an adjudicative proceeding may be held in default in accordance with this chapter. (2) The agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter upon request a more definite and detailed statement shall be furnished.

(2) Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.

(3) An agency may provide by rule for entry of summary orders in part or in whole after notice and hearing to all parties. The motion shall be granted if the pleadings, dispositions and admissions on file, together with the affidavits, if any, shall show there is no genuine issue as to any material fact and that the moving party is entitled to the order as a matter of law.

(4) Unless precluded by law, informal disposition may also be made of any contested case by stipulation, agreed settlement, consent order, or default.

(5) The record in a contested case shall include:

(a) All pleadings, motions, intermediate rulings;

(b) Evidence received or considered;

(c) A statement of matters officially noticed;

(d) Questions and offers of proof, objections, and ruling thereon;

(e) Proposed findings and exceptions;

(f) Any decision, opinion, or report by the officer presiding at the hearing;

(g) Oral proceedings shall be transcribed for the purposes of agency decision pursuant to RCW 34.04.110, as now or hereafter amended, rehearing, or court review. A copy of the record or any part thereof shall be transcribed and furnished to any party to the hearing upon request therefor and payment of the reasonable costs thereof;

(h) Findings of fact shall be based exclusively on the evidence and on matters officially noticed;

(i) Each agency shall adopt appropriate rules of procedure for notice and hearing in contested cases:

(1) Agencies, or their authorized agents, may:

(a) Administer oaths and affirmations, examine witnesses, and receive evidence, and no person shall be compelled to divulge information which he could not be compelled to divulge in a court of law;

(b) Issue subpoenas as provided in RCW 34.04.105;

(c) Rule upon offers of proof and receive relevant evidence;

(d) Take or cause depositions to be taken pursuant to rules promulgated by the agency, and no person shall be compelled to divulge information which he could not be compelled to divulge by deposition in connection with a court proceeding;

(e) Regulate the course of the hearing;

(f) Hold conferences for the settlement or simplification of the issues by consent of the parties;

(g) Dispose of procedural requests or similar matters;

(h) Issue summary orders;

(i) Make decisions or proposals for decisions pursuant to RCW 34.04.110;

(j) Take any other action authorized by agency rule consistent with this chapter;

(2) If the agency is unable to state the matters required by subsection (2)(h) of this section at the time the notice is served, the initial notice may be limited to a statement of the issues involved. If the proceeding is initiated by a person other than the agency, the initial notice may be limited to the inclusion of a copy of the initiating document. Thereafter, upon request, a more definite and detailed statement shall be furnished.

(4) The notice may include any other matters considered desirable by the agency.
minimum of twenty days from notice of an opportunity to request a hearing before a party is
deemed to have waived his or her right to a hearing under this subsection.

(2) If a party fails to attend or participate in a hearing or other stage of an adjudicative
proceeding, the presiding officer may serve upon all parties a default or other dispositive
order, which shall include a statement of the grounds for the order.

(3) Within seven days after service of a default order under subsection (2) of this section, or
such longer period as provided by agency rule, the party against whom it was entered may
file a written motion requesting that the order be vacated, and stating the grounds relied upon.

During the time within which a party may file a written motion under this subsection, the pre­
siding officer may adjourn the proceedings or conduct them without the participation of that
party, having due regard for the interests of justice and the orderly and prompt conduct of the
proceedings.

NEW SECTION. Sec. 412. INTERVENTION. (1) The presiding officer may grant a petition for
intervention at any time, upon determining that the petitioner qualifies as an intervenor under
any provision of law and that the intervention sought is in the interests of justice and will not
impair the orderly and prompt conduct of the proceedings.

(2) If a petitioner qualifies for intervention, the presiding officer may impose conditions
upon the intervenor's participation in the proceedings, either at the time that intervention is
granted or at any subsequent time. Conditions may include:

(a) Limiting the intervenor's participation to designated issues in which the intervenor has
a particular interest demonstrated by the petition; and

(b) Limiting the intervenor's use of discovery, cross-examination, and other procedures so
as to promote the orderly and prompt conduct of the proceedings; and

(c) Requiring two or more intervenors to combine their presentations of evidence and
argument, cross-examination, discovery, and other participation in the proceedings.

(3) The presiding officer shall timely grant or deny each pending petition for Intervention,
specifying any conditions, and briefly stating the reasons for the order. The presiding officer
may modify the order at any time, stating the reasons for the modification. The presiding officer
shall promptly give notice of the decision granting, denying, or modifying intervention to the
petitioner for intervention and to all parties.

Sec. 413. SUBPOENAS, DISCOVERY, AND PROTECTIVE ORDERS. Section 10, chapter 237,
Laws of 1967 and RCW 34.04.105 are each amended to read as follows:

(1) (In order to determine the necessity or desirability of adopting, amending, repealing,
or otherwise revising a rule or proposed rule, agencies may hold public hearings, subpoena
witnesses, administer oaths, take the testimony of any person under oath, and in connection
therewith, require the production for examination of any books or papers relating to the sub­
ject matter of contemplated regulation. Each agency may make rules as to the issuance of
subpoenas by the agency or its authorized agents. This subsection shall not preclude the exer­
cise of subpoena powers for investigative purposes granted agencies by other statutory
provisions:

(2) In any contested case after service of notice as required in RCW 34.04.990(1), as now or
hereafter amended, agencies, their authorized agents, and hearing examiners hearing the case:

(a) Shall issue a subpoena upon the request of any party and, to the extent required by
agency rule, upon a statement showing general relevance and reasonable scope of the evi­
dence sought. PROVIDED, HOWEVER, That such subpoena may be issued with like effect by the
attorney of record of the party to the contested case in whose behalf the witness is required to
appear, and the form of such subpoena in each case may be the same as when issued by the
agency except that it shall only be subscribed by the signature of such attorney;

(b) May issue a subpoena upon their own motion;

(3) The presiding officer may issue subpoenas and may enter protective orders. A sub­
poena may be issued with like effect by the agency or the attorney of record in whose behalf
the witness is required to appear;

(2) An agency may by rule determine whether or not discovery is to be available in adju­
dicative proceedings and, if so, which forms of discovery may be used;

(3) Except as otherwise provided by agency rules, the presiding officer may decide
whether to permit the taking of depositions, the requesting of admissions, and all other proce­
dures authorized by rules 25 through 36 of the superior court civil rules. The presiding officer
may condition use of discovery on a showing of necessity and unavailability by other means.

In exercising such discretion, the presiding officer shall consider: (a) Whether all parties are
represented by counsel; (b) whether undue expense or delay in bringing the case to hearing
will result; (c) whether the discovery will promote the orderly and prompt conduct of the pro­
ceeding; and (d) whether the interests of justice will be promoted.

(4) Subpoenas issued and discovery orders and protective orders entered under this sec­
tion may be enforced under the provisions of this chapter on civil enforcement of agency
action.

(5) The subpoena powers created by this section shall be state-wide in effect.
(4) Witnesses in an (agency hearing or contested case)) adjudicatory proceeding shall be paid the same fees and allowances, in the same manner and under the same conditions, as provided for witnesses in the courts of this state by chapter 2.40 RCW and by RCW 5.56.010. (As now or hereafter amended: PROVIDED:) except that the agency shall have the power to fix the allowance for meals and lodging in like manner as is provided in RCW 5.56-0.010((as now or hereafter amended:)) as to courts. (Such) The person initiating an adjudicative proceeding or the party requesting issuance of a subpoena shall pay the fees and allowances(;) and the cost of producing records required to be produced by ((agency)) subpoena((shall be paid by the agency or in a contested case, by the party requesting the issuance of the subpoena:

(5) If an individual fails to obey a subpoena, or obeys a subpoena but refuses to testify when requested concerning any matter under examination or investigation at the hearing, the agency or attorney issuing the subpoena may petition the superior court of the county where the hearing is being conducted for enforcement of the subpoena. The petition shall be accompanied by a copy of the subpoena and proof of service, and shall set forth in what specific manner the subpoena has not been compiled with, and shall ask an order of the court to compel the witness to appear and testify before the agency. The court upon such petition shall enter an order directing the witness to appear before the court at a time and place to be fixed in such order and then and there to show cause why he has not responded to the subpoena or has refused to testify. A copy of the order shall be served upon the witness. If it appears to the court that the subpoena was properly issued and that the particular questions which the witness refuses to answer are reasonable and relevant, and in the case of a rule-making hearing that the requested appearance and testimony are necessary to secure information the expected nature of which would reasonably tend to cause the agency to exercise its rule-making authority, the court shall enter an order that the witness appear at the time and place fixed in the order and testify or produce the required papers; and on failing to obey said order the witness shall be dealt with as for contempt of court.

NEW SECTION. Sec. 414. PROCEDURE AT HEARING: (1) The presiding officer shall regulate the course of the proceedings, in conformity with the prehearing order, if any.

(2) To the extent necessary for full disclosure of all relevant facts and issues, the presiding officer shall afford to all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by a limited grant of intervention or by the prehearing order.

(3) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the hearing may be conducted by telephone, television, or other electronic means. Each party in the hearing must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

(4) The presiding officer shall cause the hearing to be recorded by a method chosen by the agency. The agency is not required, at its expense, to prepare a transcript, unless required to do so by a provision of law. Any party, at the party's expense, may cause a reporter approved by the agency to prepare a transcript from the agency's record, or cause additional recordings to be made during the hearing if the making of the additional recording does not cause distraction or disruption.

(5) The hearing is open to public observation, except for the parts that the presiding officer states to be closed under a provision of law expressly authorizing closure or under a protective order issued by the presiding officer pursuant to rules adopted by the chief administrative law judge. A presiding officer may order the exclusion of witnesses upon a showing of good cause. To the extent that the hearing is conducted by telephone, television, or other electronic means, and is not closed, the availability of public observation is satisfied by giving members of the public an opportunity, at reasonable times, to hear or inspect the agency's record, and to inspect any transcript obtained by the agency.

Sec. 415. RULES OF EVIDENCE—CROSS-EXAMINATION. Section 10, chapter 234, Laws of 1959 and RCW 34.04.100 are each amended to read as follows:

((In contested cases)))

(1) ((Agencies, or their authorized agents, may admit and give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent men in the conduct of their affairs. They shall give effect to the rules of privilege recognized by law.
They may exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence.

(2) All evidence, including but not limited to records and documents in the possession of the agency of which it desires to avail itself, shall be offered and made a part of the record in the case, and no other factual information or evidence shall be considered in the determination of the case.) Evidence, including hearsay evidence, is admissible if in the judgment of the presiding officer it is the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. The presiding officer shall exclude evidence that is excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this state. The presiding officer may exclude evidence that is irrelevant, immaterial, or unduly repetitious.
(2) If not inconsistent with subsection (1) of this section, the presiding officer shall refer to the Washington Rules of Evidence as guidelines for evidentiary rulings.

(3) All testimony of parties and witnesses shall be made under oath or affirmation.

(4) Documentary evidence may be received in the form of copies or excerpts, or by incorporation by reference.

(((5) Every party shall have the right of cross-examination of witnesses who testify, and shall have the right to submit rebuttal evidence.

(4) Agencies, or their authorized agents, may take) (5) Official notice may be taken of (a) any judicially cognizable facts (and in addition may take notice of general), (b) technical((c)) or scientific facts within ((their)) the agency's specialized knowledge, and (c) codes or standards that have been adopted by an agency of the United States, of this state or of another state, or by a nationally recognized organization or association. Parties shall be notified either before or during hearing, or by reference in preliminary reports or otherwise, of the material so noticed and the sources thereof, including any staff memoranda and data, and they shall be afforded an opportunity to contest the facts and material so noticed. ((Agencies, or their authorized agents, may utilize their experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to them:) A party proposing that official notice be taken may be required to produce a copy of the material to be noticed.

NEW SECTION. Sec. 416. EX PARTE COMMUNICATIONS. (1) A presiding officer may not communicate, directly or indirectly, regarding any issue in the proceeding other than communications necessary to procedural aspects of maintaining an orderly process, with any person employed by the agency without notice and opportunity for all parties to participate, except as provided in this subsection:

(a) Where the ultimate legal authority of an agency is vested in a multimember body, and where that body presides at an adjudication, members of the body may communicate with one another regarding the proceeding;

(b) Any presiding officer may receive aid from legal counsel, or from staff assistants who are subject to the presiding officer's supervision; and

(c) Presiding officers may communicate with other employees or consultants of the agency who have not participated in the proceeding in any manner, and who are not engaged in any investigatory or prosecutorial functions in the same or a factually related case.

(d) This subsection does not apply to communications required for the disposition of ex parte matters specifically authorized by statute.

(2) Unless required for the disposition of ex parte matters specifically authorized by statute or unless necessary to procedural aspects of maintaining an orderly process, a presiding officer may not communicate, directly or indirectly, regarding any issue in the proceeding, with any person not employed by the agency who has a direct or indirect interest in the outcome of the proceeding, without notice and opportunity for all parties to participate.

(3) Unless necessary to procedural aspects of maintaining an orderly process, persons to whom a presiding officer may not communicate under subsections (1) and (2) of this section may not communicate with presiding officers without notice and opportunity for all parties to participate.

(4) If, before serving as presiding officer in an adjudicative proceeding, a person receives an ex parte communication of a type that could not properly be received while serving, the person, promptly after starting to serve, shall disclose the communication in the manner prescribed in subsection (5) of this section.

(5) A presiding officer who receives an ex parte communication in violation of this section shall place on the record of the pending matter all written communications received, all written responses to the communications, and a memorandum stating the substance of all oral communications received, all responses made, and the identity of each person from whom the presiding officer received an ex parte communication. The presiding officer shall advise all parties that these matters have been placed on the record. Upon request made within ten days after notice of the ex parte communication, any party desiring to rebut the communication shall be allowed to place a written rebuttal statement on the record. Portions of the record pertaining to ex parte communications or rebuttal statements do not constitute evidence of any fact at issue in the matter unless a party moves the admission of any portion of the record for purposes of establishing a fact at issue and that portion is admitted pursuant to section 415 of this act.

(6) If necessary to eliminate the effect of an ex parte communication received in violation of this section, a presiding officer who receives the communication may be disqualified, and the portions of the record pertaining to the communication may be sealed by protective order.

(7) The agency shall, and any party may, report any violation of this section to appropriate authorities for any disciplinary proceedings provided by law. In addition, each agency by rule may provide for appropriate sanctions, including default, for any violations of this section.

NEW SECTION. Sec. 417. SEPARATION OF FUNCTIONS. (1) A person who has served as investigator, prosecutor, or advocate in an adjudicative proceeding or in its prejudicative stage, or one who is subject to the authority, direction, or discretion of such a person, may not serve as a presiding officer in the same proceeding.

inadmissible evidence unless the presiding officer determines that doing so would not unduly
abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for

tindings based substantially on credibility of evidence or demeanor of
shall be so identified. Findings set forth in language that is essentially a repetition
or paraprase of the relevant provision of law shall be accompanied by a concise and explicit
statement of the underlying evidence of record to support the findings. The order shall also
include a statement of the available procedures and time llmlts tor seeking reconsideration or
other administrative relief. An Initial order shall include a statement of any circumstances
under which the Initial order, without further notice, may become a tinal order.

Findings of fact shall be based exclusively on the evidence of record in the adjudicative
proceeding and on matters officially noticed in that proceeding. Findings shall be based
on the kind of evidence on which reasonably prudent persons are accustomed to rely in the
conduct of their affairs. Findings may be based on such evidence even if it would be inadmis­
sible in a civil trial. However, the presiding officer shall not base a tinding exclusively on such
inadmissible evidence unless the presiding officer determines that doing so would not unduly
abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this
determination shall appear in the order.

Where it bears on the issues presented, the agency's experience, technical competen­
cy, and specialized knowledge may be used in the evaluation of evidence.

If a person serving or designated to serve as presiding officer becomes unavailable for
any reason before entry of the order, a substitute presiding officer shall be appointed as pro­
vided in section 406 of this act. The substitute presiding officer shall use any existing record and
may conduct any further proceedings appropriate in the interests of justice.

The presiding officer may allow the parties a designated time after conclusion of the
hearing for the submission of memos, briefs, or proposed findings.

Initial or tinal orders shall be served in writing within ninety days after conclusion of the
hearing or after submission of memos, briefs, or proposed findings in accordance with subsection
(7) of this section unless this period is waived or extended for good cause shown.

The presiding officer shall cause copies of initial and final orders to be delivered to
each party and to the agency head.

As authorized by law, an agency may by rule provide that initial orders in specified classes of cases may become final without
further agency action unless, within a specified period. (a) the agency head upon its own
motion determines that the initial order should be reviewed; or (b) a party to the proceedings
files exceptions to the initial order. Upon occurrence of either event, notice shall be given to all
diaries to the proceeding.

As provided by law, an agency head may appoint a person to review initial orders
and to prepare and enter final agency orders.

Sections 406 and 416 of this act apply to any person reviewing an initial order on behalf
of an agency as part of the decision process, and to persons communicating with them, to the
same extent that it is applicable to presiding officers.

The officer reviewing the initial order (including the agency head reviewing an initial
order) is, for the purposes of this chapter, termed the reviewing officer. The reviewing officer
shall exercise all the decision-making power that the reviewing officer would have had to
decide and enter the final order had the reviewing officer presided over the hearing, except to
the extent that the issues subject to review are limited by a provision of law or by the reviewing officer upon notice to all the parties. In reviewing findings of fact by presiding officers, the reviewing officers shall give due regard to the presiding officer's opportunity to observe the witnesses.

(5) The reviewing officer shall personally consider the whole record or such portions of it as may be cited by the parties.

(6) The reviewing officer shall afford each party an opportunity to present written argument and may afford each party an opportunity to present oral argument.

(7) The reviewing officer shall enter a final order disposing of the proceeding or remand the matter for further proceedings, with instructions to the presiding officer who entered the initial order. Upon remanding a matter, the reviewing officer shall order such temporary relief as is authorized and appropriate.

(8) A final order shall include, or incorporate by reference to the initial order, all matters required by section 418(3) of this act.

(9) The reviewing officer shall cause copies of the final order or order remanding the matter for further proceedings to be served upon each party.

NEW SECTION. Sec. 420. STAY. A party may submit to the presiding or reviewing officer, as is appropriate to the stage of the proceeding, a petition for stay of effectiveness of a final order within ten days of its service unless otherwise provided by statute or stated in the final order. Disposition of the petition for stay shall be made by the presiding officer, reviewing officer, or agency head as provided by agency rule. Disposition may be made either before or after the effective date of the final order. Disposition denying a stay is not subject to judicial review.

NEW SECTION. Sec. 421. RECONSIDERATION. (1) Within ten days of the service of a final order, any party may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The place of filing shall be specified by agency rule.

(2) The petition shall be disposed of by the same person or persons who entered the order, if reasonably available. The disposition shall be in the form of a written order denying the petition, granting the petition and dissolving or modifying the final order, or granting the petition and setting the matter for further hearing. The petition shall be deemed to have been denied if not disposed of within twenty days.

(3) No petition for reconsideration may stay the effectiveness of an order.

(4) The agency head may extend the time limits in this section for good cause, with due consideration that the rights of the parties will not be prejudiced by the extension and that extension will be in the public interest.

(5) The filing of a petition for reconsideration is not a prerequisite for seeking judicial review. An order denying reconsideration, or an extension of time limits pursuant to subsection (4) of this section is not subject to judicial review.

NEW SECTION. Sec. 422. EFFECTIVENESS OF ORDERS. (1) Unless a later date is stated in an order or a stay is granted, an order is effective when signed, but:

(a) A party may not be required to comply with a final order unless the party has been served with or has actual knowledge of the final order;

(b) A nonparty may not be required to comply with a final order unless the agency has made the final order available for public inspection and copying or the nonparty has actual knowledge of the final order;

(c) For purposes of determining time limits for further administrative procedure or for judicial review, the determinative date is the date of service of the order.

(2) Unless a later date is stated in the initial order or a stay is granted, the time when an initial order becomes a final order in accordance with section 418 of this act is determined as follows:

(a) When the initial order is entered, if administrative review is unavailable; or

(b) When the agency head, with such authority enters an order stating, after a petition for administrative review has been filed, that review will not be exercised.

(3) This section does not preclude an agency from taking immediate action to protect the public interest in accordance with section 424 of this act.

NEW SECTION. Sec. 423. AGENCY RECORD. (1) An agency shall maintain an official record of each adjudicative proceeding under this chapter.

(2) The agency record shall include:

(a) Notices of all proceedings;

(b) Any prehearing order;

(c) Any motions, pleadings, briefs, petitions, requests, and intermediate rulings;

(d) Evidence received or considered;

(e) A statement of matters officially noticed;

(f) Proffers of proof and objections and rulings thereon;

(g) Proposed findings, requested orders, and exceptions;

(h) The recording prepared for the presiding officer at the hearing, together with any transcript of all or part of the hearing considered before final disposition of the proceeding;

(i) Any final order, initial order, or order on reconsideration;
(j) Staff memoranda or data submitted to the presiding officer, unless prepared and submitted by personal assistants and not inconsistent with section 416 of this act; and

(k) Matters placed on the record after an ex parte communication.

(3) Except to the extent that this chapter or another statute provides otherwise, the agency record constitutes the exclusive basis for agency action in adjudicative proceedings under this chapter and for judicial review of adjudicative proceedings.

NEW SECTION. Sec. 424. EMERGENCY ADJUDICATIVE PROCEEDINGS. (1) Unless otherwise provided by law, an agency may use emergency adjudicative proceedings in a situation involving an immediate danger to the public health, safety, or welfare requiring immediate agency action.

(2) The agency may take only such action as is necessary to prevent or avoid the immediate danger to the public health, safety, or welfare that justifies use of emergency adjudication.

(3) The agency shall enter an order, including a brief statement of findings of fact, conclusions of law, and policy reasons for the decision if it is an exercise of the agency's discretion, to justify the determination of an immediate danger and the agency's decision to take the specific action.

(4) The agency shall give such notice as is practicable to persons who are required to comply with the order. The order is effective when entered.

(5) After entering an order under this section, the agency shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

(6) The agency record consists of any documents regarding the matter that were considered or prepared by the agency. The agency shall maintain these documents as its official record.

(7) Unless otherwise required by a provision of law, the agency record need not constitute the exclusive basis for agency action in emergency adjudicative proceedings or for judicial review thereof.

(8) This section shall not apply to agency action taken pursuant to a provision of law that expressly authorizes the agency to issue a cease and desist order. The agency may proceed, alternatively, under that independent authority.

NEW SECTION. Sec. 425. BRIEF ADJUDICATIVE PROCEEDINGS—APPLICABILITY. (1) An agency may use brief adjudicative proceedings if:

(a) The use of those proceedings in the circumstances does not violate any provision of law;

(b) The protection of the public interest does not require the agency to give notice and an opportunity to participate to persons other than the parties;

(c) The matter is entirely within one or more categories for which the agency by rule has adopted this section and sections 426 through 429 of this act; and

(d) The issue and interests involved in the controversy do not warrant use of the procedures of sections 402 through 424 of this act.

(2) Brief adjudicative proceedings are not authorized for public assistance and food stamp programs provided for in Title 74 RCW, including but not limited to public assistance as defined in RCW 74.04.005(1).

NEW SECTION. Sec. 426. BRIEF ADJUDICATIVE PROCEEDINGS—PROCEDURE. (1) If not specifically prohibited by law, the following persons may be designated as the presiding officer of a brief adjudicative proceeding:

(a) The agency head;

(b) One or more members of the agency head;

(c) One or more administrative law judges; or

(d) One or more other persons designated by the agency head.

(2) Before taking action, the presiding officer shall give each party an opportunity to be informed of the agency's view of the matter and to explain the party's view of the matter.

(3) At the time any unfavorable action is taken the presiding officer shall give each party a brief statement of the reasons for the decision. Within ten days, the presiding officer shall give the parties a brief written statement of the reasons for the decision and information about any internal administrative review available.

(4) The brief written statement is a proposed order. If no review is taken of the proposed order as authorized by sections 427 and 428 of this act, the proposed order shall be the final order.

NEW SECTION. Sec. 427. BRIEF PROCEEDINGS—ADMINISTRATIVE REVIEW—APPLICABILITY. Unless prohibited by any provision of law, an agency, on its own motion, may conduct administrative review of an order resulting from brief adjudicative proceedings. An agency shall conduct this review upon the written or oral request of a party if the agency receives the request within twenty-one days after furnishing the written statement required by section 426(3) of this act.

NEW SECTION. Sec. 428. BRIEF PROCEEDINGS—ADMINISTRATIVE REVIEW—PROCE- DURES. Unless otherwise provided by statute:
(1) If the parties have not requested review, the agency may review an order resulting from a brief adjudicative proceeding on its own motion and without notice to the parties, but it may not take any action on review less favorable to any party than the original order without giving that party notice and an opportunity to explain that party's view of the matter.

(2) The reviewing officer may be any person who could have presided at the brief proceeding, but the reviewing officer must be one who is authorized to grant appropriate relief upon review.

(3) The reviewing officer shall give each party an opportunity to explain the party's view of the matter and shall make any inquiries necessary to ascertain whether the proceeding must be converted to a formal adjudicative hearing.

(4) The order on review must be in writing, must include a brief statement of the reasons for the decision, and must be entered within twenty days after the date of the initial order or of the request for review, whichever is later. The order shall include a description of any further available administrative review or, if none is available, a notice that judicial review may be available.

(5) A request for administrative review is deemed to have been denied if the agency does not make a disposition of the matter within twenty days after the request is submitted.

NEW SECTION. Sec. 429. AGENCY RECORD IN BRIEF PROCEEDINGS. (1) The agency record consists of any documents regarding the matter that were considered or prepared by the presiding officer for the brief adjudicative proceeding or by the reviewing officer for any review. The agency shall maintain these documents as its official record.

(2) Unless otherwise required by a provision of law, the agency record need not constitute the exclusive basis for agency action in brief adjudicative proceedings or for the judicial review of brief adjudicative proceedings.

PART XIII.
JUDICIAL REVIEW AND CIVIL ENFORCEMENT

NEW SECTION. Sec. 501. RELATIONSHIP BETWEEN THIS CHAPTER AND OTHER JUDICIAL REVIEW AUTHORITY. This chapter establishes the exclusive means of judicial review of agency action, except:

(1) The provisions of this chapter for judicial review do not apply to litigation in which the sole issue is a claim for money damages or compensation and the agency whose action is at issue does not have statutory authority to determine the claim.

(2) Ancillary procedural matters before the reviewing court, including intervention, class actions, consolidation, joinder, severance, transfer, protective orders, and other relief from disclosure of privileged or confidential material, are governed, to the extent not inconsistent with this chapter, by court rule.

(3) To the extent that de novo review or jury trial review of agency action is expressly authorized by provision of law.

NEW SECTION. Sec. 502. PETITION FOR REVIEW—WHERE FILED. (1) Except as provided in subsection (2) of this section and section 508 of this act, proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed in the county in which the principal office of the institution involved is located or in the county of a branch campus if the action involves such branch.

Sec. 503. DIRECT REVIEW BY COURT OF APPEALS. Section 1, chapter 76. Laws of 1980 and RCW 34.04.133 are each amended to read as follows:

The final decision of an administrative agency in (an contested case) an adjudicative proceeding under this chapter (34.04 RCW) may be directly reviewed by the court of appeals upon certification by the superior court pursuant to this section. An application for (such) direct review must be filed with the superior court within thirty days of the filing of the petition for review in superior court. The superior court may certify a case for direct review only if the judicial review is limited to the record of the agency proceeding and the court finds that:

(1) Fundamental and urgent issues affecting the future administrative process or the public interest are involved which require a prompt determination;

(2) Delay in obtaining a final and prompt determination of such issues would be detrimental to any party or the public interest;

(3) An appeal to the court of appeals would be likely regardless of the determination in superior court; and

(4) The appellate court's determination in the proceeding would have significant precedential value.

Sec. 504. REFUSAL OF REVIEW BY COURT OF APPEALS. Section 2, chapter 76. Laws of 1980 and RCW 34.04.135 are each amended to read as follows:

The court of appeals may refuse to accept review of a case certified pursuant to (RCW 34.04.103) section 503 of this act. The refusal to accept such review is not subject to further
appellate review, notwithstanding anything in Rule 13.3 of the Rules of Appellate Procedure to the contrary.

Sec. 505. APPEAL TO SUPREME COURT OR COURT OF APPEALS. Section 14, chapter 234, Laws of 1959 as amended by section 87, chapter 81, Laws of 1971 and RCW 34.04.140 are each amended to read as follows:

An aggrieved party may secure a review of any final judgment of the superior court under this chapter by appeal to the supreme court or the court of appeals. (Sec(2)) The appeal shall be taken in the manner provided by law for appeals from the superior court in other civil cases.

NEW SECTION. Sec. 506. STANDING. A person has standing to obtain judicial review of agency action if that person is aggrieved or adversely affected by the agency action. A person is aggrieved or adversely affected within the meaning of this section only when all three of the following conditions are present:

(1) The agency action has prejudiced or is likely to prejudice that person;
(2) That person's asserted interests are among those that the agency was required to consider when it engaged in the agency action challenged; and
(3) A judgment in favor of that person would substantially eliminate or redress the prejudice to that person caused or likely to be caused by the agency action.

NEW SECTION. Sec. 507. EXHAUSTION OF ADMINISTRATIVE REMEDIES. A person may file a petition for judicial review under this chapter only after exhausting all administrative remedies available within the agency whose action is being challenged, or available within any other agency authorized to exercise administrative review, except:

(1) A petitioner for judicial review of a rule need not have participated in the rule-making proceeding upon which that rule is based, or have petitioned for its amendment or repeal;
(2) A petitioner for judicial review need not exhaust administrative remedies to the extent that this chapter or any other statute states that exhaustion is not required; or
(3) The court may relieve a petitioner of the requirement to exhaust any or all administrative remedies upon a showing that:
   (a) The remedies would be patently inadequate;
   (b) The exhaustion of remedies would be futile; or
   (c) The grave irreparable harm that would result from having to exhaust administrative remedies would clearly outweigh the public policy requiring exhaustion of administrative remedies.

Sec. 508. DECLARATORY JUDGMENT ON VALIDITY OF RULE. Section 7, chapter 234, Laws of 1959 as amended by section 8, chapter 6, Laws of 1982 and RCW 34.04.070 are each amended to read as follows:

(((H))) The validity of any rule may be determined upon petition for a declaratory judgment (thereon) addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair, the legal rights or privileges of the petitioner. The agency shall be made a party to the proceeding. The declaratory judgment order may be (rendered) entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(((2)) In a proceeding under subsection (1) of this section the court shall declare the rule invalid only if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without compliance with statutory rule-making procedures.

(3) A petition for a declaratory judgment pursuant to this section may not be solely based on the contents of the small business economic impact statement. However, in the case of a petition for a declaratory judgment as to the validity of any rule which is adopted after June 10, 1982, and which is based on grounds other than the contents of the small business economic impact statement, the compliance or noncompliance by the agency with the provisions of this chapter and where applicable the small business economic impact statement shall constitute part of the whole record of the agency's action in connection with the petition.)

NEW SECTION. Sec. 509. TIME FOR FILING PETITION FOR REVIEW. Subject to other requirements of this chapter or of another statute:

(1) A petition for judicial review of a rule may be filed at any time, except as limited by section 314 of this act.
(2) A petition for judicial review of an order shall be filed with the court and served on the agency, the office of the attorney general, and all parties of record within thirty days after service of the final order.
(3) A petition for judicial review of agency action other than the adoption of a rule or the entry of an order is not timely unless filed with the court and served on the agency, the office of the attorney general, and all other parties of record within thirty days after the agency action, but the time is extended during any period that the petitioner did not know and was under no duty to discover or could not reasonably have discovered that the agency had taken the action or that the agency action had a sufficient effect to confer standing upon the petitioner to obtain judicial review under this chapter.
(4) Service of the petition on the agency shall be by delivery of a copy of the petition to
the office of the director, or other chief administrative officer or chairperson of the agency, at
the principal office of the agency. Service of a copy by mail upon the other parties of record
and the office of the attorney general shall be deemed complete upon deposit in the United
States mail, as evidenced by the postmark.

(5) Failure to timely serve a petition on the office of the attorney general is not grounds for
dismissal of the petition.

NEW SECTION. Sec. 510. PETITION FOR REVIEW—CONTENTS. A petition for review must
set forth:
(1) The name and mailing address of the petitioner;
(2) The name and mailing address of the petitioner's attorney, if any;
(3) The name and mailing address of the agency whose action is at issue;
(4) Identification of the agency action at issue, together with a duplicate copy, summary,
or brief description of the agency action;
(5) Identification of persons who were parties in any adjudicative proceedings that led to
the agency action;
(6) Facts to demonstrate that the petitioner is entitled to obtain judicial review;
(7) The petitioner's reasons for believing that relief should be granted; and
(8) A request for relief, specifying the type and extent of relief requested.

NEW SECTION. Sec. 511. STAY AND OTHER TEMPORARY REMEDIES. (1) Unless precluded by
law, the agency may grant a stay, in whole or in part, or other temporary remedy during the
pendency of judicial review.

(2) After a petition for review has been filed, a party may file a motion in the reviewing
court seeking a stay or other temporary remedy.

(3) If judicial relief is sought for a stay or other temporary remedy from agency action
based on public health, safety, or welfare grounds the court shall not grant such relief unless
the court finds that:
(a) The applicant is likely to prevail when the court finally disposes of the matter;
(b) Without relief the applicant will suffer irreparable injury;
(c) The grant of relief to the applicant will not substantially harm other parties to the pro­
cceedings; and
(d) The threat to the public health, safety, or welfare is not sufficiently serious to justify the
agency action in the circumstances.

(4) If the court determines that relief should be granted from the agency's action granting
a stay or other temporary remedies, the court may remand the matter or may enter an order
denying a stay or granting a stay on appropriate terms.

NEW SECTION. Sec. 512. LIMITATION ON NEW ISSUES. (1) Issues not raised before the
agency may not be raised on appeal, except to the extent that:
(a) The person did not know and was under no duty to discover or could not have rea­
sonably discovered facts giving rise to the issue;
(b) The agency action subject to judicial review is a rule and the person has not been a
party in adjudicative proceedings that provided an adequate opportunity to raise the issue;
(c) The agency action subject to judicial review is an order and the person was not noti­
fied of the adjudicative proceeding in substantial compliance with this chapter; or
(d) The interests of justice would be served by resolution of an issue arising from:
(i) A change in controlling law occurring after the agency action; or
(ii) Agency action occurring after the person exhausted the last feasible opportunity for
seeking relief from the agency.

(2) The court shall remand to the agency for determination any issue that is properly
raised pursuant to subsection (1) of this section.

NEW SECTION. Sec. 513. JUDICIAL REVIEW OF FACTS CONFINED TO RECORD. Judicial
review of disputed issues of fact shall be conducted by the court without a jury and must be
confined to the agency record for judicial review as defined by this chapter, supplemented by
additional evidence taken pursuant to this chapter.

NEW SECTION. Sec. 514. NEW EVIDENCE TAKEN BY COURT OR AGENCY. (1) The court may
receive evidence in additional to that contained in the agency record for judicial review, only if
it relates to the validity of the agency action at the time it was taken and is needed to decide
disputed issues regarding:
(a) Improper constitution as a decision-making body or grounds for disqualification of
those taking the agency action;
(b) Unlawfulness of procedure or of decision-making process; or
(c) Material facts in rule making, brief adjudications, or other proceedings not required to
be determined on the agency record.

(2) The court may remand a matter to the agency, before final disposition of a petition for
review, with directions that the agency conduct fact-finding and other proceedings the court
considers necessary and that the agency take such further action on the basis thereof as the
court directs. If:
The agency was required by this chapter or any other provision of law to base its action exclusively on a record of a type reasonably suitable for judicial review, but the agency failed to prepare or preserve an adequate record; or

(b) The court finds that (i) new evidence has become available that relates to the validity of the agency action at the time it was taken, that one or more of the parties did not know and was under no duty to discover or could not have reasonably been discovered until after the agency action, and (ii) the interests of justice would be served by remand to the agency;

(c) The agency improperly excluded or omitted evidence from the record; or

(d) A relevant provision of law changed after the agency action and the court determines that the new provision may control the outcome.

NEW SECTION. Sec. 515. AGENCY RECORD FOR REVIEW—COSTS. (1) Within thirty days after service of the petition, or within further time allowed by the court or by other provision of law, the agency shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action. The record shall consist of any agency documents expressing the agency action, other documents identified by the agency as having been considered by it before its action and used as a basis for its action, and any other material described in this chapter as the agency record for the type of agency action at issue, subject to the provisions of this section.

(2) If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties stipulate to omit in accordance with subsection (4) of this section.

(3) The agency may charge a nonindigent petitioner with the reasonable costs of preparing any necessary copies and transcripts for transmittal to the court. A failure by the petitioner to pay any of this cost to the agency relieves the agency from the responsibility for preparation of the record and transmittal to the court.

(4) The record may be shortened, summarized, or organized temporarily or, by stipulation of all parties, permanently.

(5) The court may tax the cost of preparing transcripts and copies for the record:

(a) Against a party who unreasonably refuses to stipulate to shorten, summarize, or organize the record;

(b) As provided by section 516 of this act; or

(c) In accordance with any other provision of law.

(6) Additions to the record pursuant to section 514 of this act must be made as ordered by the court.

(7) The court may require or permit subsequent corrections or additions to the record.

Sec. 516. JUDICIAL REVIEW. Section 13, chapter 234, Laws of 1959 as last amended by section 1, chapter 52, Laws of 1977 ex. sess. and RCW 34.04.130 are each amended to read as follows:

(1) (a) Any person aggrieved by a final decision in a contested case, whether such decision is affirmative or negative in form, is entitled to judicial review thereof only under the provisions of this 1997 amendatory act, and such person may not use any other procedure to obtain judicial review of a final decision, even though another procedure is provided elsewhere by a special statute or a statute of general application. Where the agency's rules provide a procedure for rehearing or reconsideration, and that procedure has been invoked, the agency decision shall not be final until the agency shall have acted thereon.

(b) Proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located. The petition shall be served and filed within thirty days after the service of the final decision of the agency. Copies of the petition shall be served upon the agency and all parties of record. If a timely petition is filed, any party of record not filing or joining in the first petition who wants relief from the decision must join in the petition or serve and file a cross-petition within twenty days after service of the first petition or thirty days after service of the final decision of the agency, whichever period of time is longer. The court, in its discretion, may permit other interested persons to intervene.

(c) The filing of the petition shall not stay enforcement of the agency decision. Where other statutes provide for stay or supersedeas of an agency decision, it may be stayed by the agency or the reviewing court only as provided therein; otherwise the agency may do so, or the reviewing court may order a stay upon such terms as it deems proper.

(d) Within thirty days after service of the petition, or within such further time as the court may allow, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review; but, by stipulation of all parties to the review proceeding, the record may be shortened. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

(e) The review shall be conducted by the court without a jury and shall be confined to the record, except that in cases of alleged irregularities in procedure before the agency, not
shown in the record, testimony therein may be taken in the court. The court shall, upon request, hear oral argument and receive written briefs.

(6) The court may affirm the decision of the agency or remand the case for further proceedings, or it may reverse the decision if the substantial rights of the petitioners may have been prejudiced because the administrative findings, inferences, conclusions, or decisions are) Generally. Except to the extent that this chapter or another statute provides otherwise:

(a) The burden of demonstrating the invalidity of agency action is on the party asserting invalidity;

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken;

(c) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based; and

(d) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by the action complained of.

(2) Review of rules. (a) A rule may be reviewed by petition for declaratory judgment filed pursuant to section 508 of this act or by review of other agency action.

(b) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. The agency shall be made a party to the proceeding. The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(c) In a declaratory judgment proceeding, the court shall declare the rule invalid only if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without compliance with statutory rule-making procedures.

(3) Review of agency orders. The court shall grant relief from an agency order only if it determines that

(a) The order, or the statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied; ((or))

(b) (in excess of) The order is outside the statutory authority or jurisdiction of the agency conferred by any provision of law; ((or))

(c) (made upon) The agency has engaged in unlawful procedure or decision making process, or has failed to follow a prescribed procedure; (or)

(d) (affected by other error of) The agency has erroneously interpreted or applied the law; (or)

(e) (clearly erroneous in view of the entire record as submitted and the public policy contained in the act of the legislature authorizing the decision or order)) The order, other than a rule, is not supported by evidence that is substantial when viewed in light of the whole record before the court, which includes the agency record for judicial review, supplemented by any additional evidence received by the court under this chapter; (or)

(f) The agency has not decided all issues requiring resolution by the agency;

(g) The persons entering the order were subject to disqualification;

(h) The order is inconsistent with a rule of the agency unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for inconsistency; or

(i) The order is arbitrary or capricious.

(4) Review of other agency action.

(a) All agency action not reviewable under subsection (2) or (3) of this section shall be reviewed under this subsection.

(b) A person whose rights are violated by an agency's failure to perform a duty that is required by law to be performed may file a petition for review pursuant to section 502 of this act, seeking an order pursuant to this subsection requiring performance. Within twenty days after service of the petition for review, the agency shall file and serve an answer to the petition, made in the same manner as an answer to a complaint in a civil action. The court may hear evidence, pursuant to section 514 of this act, on material issues of fact raised by the petition.

(c) Relief for persons aggrieved by the performance of an agency action, including the exercise of discretion, or an action under (b) of this subsection can be granted only if the court determines that the action is:

(i) Unconstitutional;

(ii) Outside the statutory authority of the agency or the authority conferred by a provision of law;

(iii) Arbitrary or capricious; or

(iv) Taken by persons who were not properly constituted as agency officials lawfully entitled to take such action.

NEW SECTION. Sec. 517. TYPE OF RELIEF. (1) The court may order an agency to take action required by law, order an agency to exercise discretion required by law, affirm or set aside agency action, enjoin or stay the agency action, remand the matter for further proceedings, or enter a declaratory judgment order. In reviewing matters within agency discretion, the court shall limit its function to assuring that the agency has exercised its discretion in accordance
with law, and shall not itself undertake to exercise the discretion that the legislature has placed in the agency. The court shall remand to the agency for modification of agency action, unless remand is impracticable or would cause unnecessary delay.

(2) The sole remedy available to a person who is wrongfully denied licensure based upon a failure to pass an examination administered by a state agency, or under its auspices, is the right to retake the examination free of the defect or defects the court may have found in the examination or the examination procedure.

(3) The court may award damages, compensation, or ancillary relief only to the extent expressly authorized by another provision of law.

(4) If the court sets aside or modifies agency action or remands the matter to the agency for further proceedings, the court may make an interlocutory order it finds necessary to preserve the interests of the parties and the public, pending further proceedings or agency action.

NEW SECTION. Sec. 518. PETITION BY AGENCY FOR ENFORCEMENT. (1) An agency may seek enforcement of its rule or order by filing a petition for civil enforcement in the superior court.

(2) The petition must name as respondent each alleged person against whom the agency seeks to obtain civil enforcement.

(3) Venue is determined as in other civil cases.

(4) A petition for civil enforcement filed by an agency may request, and the court may grant, declaratory relief, temporary or permanent injunctive relief, any other civil remedy provided by law, or any combination of the foregoing.

NEW SECTION. Sec. 519. PETITION BY OTHERS FOR ENFORCEMENT. (1) Any person who would qualify under this chapter as having standing to obtain judicial review of an agency's failure to enforce an order directed to another person may file a petition for civil enforcement of that order, but the action may not be commenced:

(a) Until at least sixty days after the petitioner has given notice of the alleged violation and of the petitioner's intent to seek civil enforcement to the head of the agency concerned, to the attorney general, and to each person against whom the petitioner seeks civil enforcement;

(b) If the agency has filed and is diligently prosecuting a petition for civil enforcement of the same order against the same person; or

(c) If a petition for review of the same order has been filed and a stay is in effect.

(2) The petition shall name, as respondents, the agency whose order is sought to be enforced and each person against whom the petitioner seeks civil enforcement.

(3) The agency whose order is sought to be enforced may move to dismiss the petition on the grounds that it fails to qualify under this section or that the enforcement would be contrary to the policy of the agency. The court shall grant the motion to dismiss the petition unless the petitioner demonstrates that (a) the petition qualifies under this section and

(b) The agency's failure to enforce its order is based on an exercise of discretion that is arbitrary or capricious.

(4) Except to the extent expressly authorized by law, a petition for civil enforcement may not request, and the court may not grant, any monetary payment apart from taxable costs.

NEW SECTION. Sec. 520. DEFENSES—LIMITATION ON NEW ISSUES. (1) In a proceeding for civil enforcement a respondent may only assert as a defense:

(a) That the rule or order is invalid under section 516(3)(a) or (b) of this act. The court may only consider issues and receive evidence within the limitations provided by sections 512, 513, and 514 of this act;

(b) That the rule or order does not apply to the party or that the party has not violated the rule or order; and

(c) A defense specifically authorized by statute.

(2) The court, to the extent necessary for the determination of the matter, may consider new issues or take new evidence.

NEW SECTION. Sec. 521. INCORPORATION OF OTHER JUDICIAL REVIEW PROVISIONS. Proceedings for civil enforcement are governed by the following provisions of this chapter on judicial review, as modified where necessary to adapt them to those proceedings:

(1) Section 501(2) of this act (ancillary procedural matters); and

(2) Section 515 of this act (agency record for judicial review).

NEW SECTION. Sec. 522. REVIEW BY HIGHER COURT. Decisions on petitions for civil enforcement are reviewable as in other civil cases.

PART XIV.

LEGISLATIVE REVIEW AND MISCELLANEOUS PROVISIONS

Sec. 601. JOINT ADMINISTRATIVE RULES REVIEW COMMITTEE—MEMBERS—APPOINTMENT—TERMS—VACANCIES. Section 5, chapter 324, Laws of 1981 as amended by section 1, chapter 53, Laws of 1983 and RCW 34.04.210 are each amended to read as follows:

(1) There is hereby created a joint administrative rules review committee which shall be a bipartisan committee consisting of four senators and four representatives from the state legislature. The senate members of the committee shall be appointed by the president of the senate, and the house members of the committee shall be appointed by the speaker of the house. Not
more than two members from each house may be from the same political party. All appointments to the committee are subject to approval by the caucuses to which the appointed members belong.

(2) ((The initial members of the committee shall be appointed as soon as possible after July 26, 1981, and shall serve until the next regular session of the legislature convenes in an odd-numbered year. Thereafter)) Members shall be appointed as soon as possible after the legislature convenes in regular session in an odd-numbered year, and their terms shall extend until their successors are appointed and qualified at the next regular session of the legislature in an odd-numbered year or until such members no longer serve in the legislature, whichever occurs first. Members may be reappointed to a committee.

(3) The president of the senate shall appoint the chairperson in even-numbered years and the vice chairperson in odd-numbered years from among committee membership. The speaker of the house shall appoint the chairperson in odd-numbered years and the vice chairperson in even-numbered years from among committee membership. Such appointments shall be made in January of each year as soon as possible after a legislative session convenes.

Whenever a majority of the members of the rules review committee determines that a proposed rule is not within the intent of the legislature as expressed in the statute which the rule implements, the committee shall give the affected agency written notice of its decision. The notice shall be given at least seven days prior to any hearing scheduled for consideration of or adoption of the proposed rule pursuant to ((RCW 34.04.025(1xaxt))) section 303 of this act. The notice shall include a statement of the review committee's findings and the reasons therefor. When the agency holds a hearing on the proposed rule, the agency shall consider the review committee's decision.

Sec. 603. REVIEW OF EXISTING RULES—POLICY STATEMENTS, GUIDELINES, ISSUANCES—NOTICE—HEARING. Section 7, chapter 324, Laws of 1981 as amended by section 2, chapter 451. Laws of 1987 and RCW 34.04.230 are each amended to read as follows:

(2) The rules review committee may review an agency's use of policy statements, guidelines, and issuances that are of general applicability, or their equivalents to determine whether or not an agency has failed to adopt a rule ((as defined in RCW 34.04.010(2))).

(3) If the rules review committee finds by a majority vote of its members: (a) That an existing rule is not within the intent of the legislature as expressed by the statute which the rule implements, (b) that the rule has not been adopted in accordance with all applicable provisions of law, or (c) that an agency is using a policy statement, guideline, or issuance in place of a rule, the agency affected shall be notified of such finding and the reasons therefor. Within thirty days of the receipt of the rules review committee's notice, the agency shall file notice of a hearing on the rules review committee's finding with the code reviser and mail notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings as provided in ((RCW 34.04.025, as now or hereafter amended)) section 303 of this act. Sec. 604. COMMITTEE OBJECTIONS TO AGENCY ACTION OR FAILURE TO ADOPT RULE—STATEMENT IN REGISTER AND WAC—SUSPENSION OF RULE. Section 8, chapter 324, Laws of 1981 as amended by section 3, chapter 451. Laws of 1987 and RCW 34.04.240 are each amended to read as follows:

(1) Within seven days of an agency hearing held after notification of the agency by the rules review committee pursuant to ((RCW 34.04.220 or 34.04.230)) section 602 or 603 of this act, the affected agency shall notify the committee of its action on a proposed or existing rule to which the committee objected or on a committee finding of the agency's failure to adopt rules. If the rules review committee determines, by a majority vote of its members, that the agency has failed to provide for the required hearings or notice of its action to the committee, the committee may file notice of its objections, together with a concise statement of the reasons therefor, with the code reviser within thirty days of such determination.
If the rules review committee finds, by a majority vote of its members: (a) That the proposed or existing rule in question has not been modified, amended, withdrawn, or repealed by the agency so as to conform with the intent of the legislature, or (b) that the agency is using a policy statement, guideline, or issuance in place of a rule, the rules review committee may, within thirty days from notification by the agency of its action, file with the code reviser notice of its objections together with a concise statement of the reasons therefor. Such notice and statement shall also be provided to the agency by the rules review committee.

Within seven days of such vote the committee shall transmit to the governor, the code reviser, and the agency written notice of its objection and recommended suspension and the concise reasons therefor. Within thirty days of receipt of the notice, the governor shall transmit to the committee, the code reviser, and the agency written approval or disapproval of the recommended suspension. If the suspension is approved by the governor, it is effective from the date of that approval and continues until ninety days after the expiration of the next regular legislative session.

The code reviser shall publish transmittals from the rules review committee or the governor issued pursuant to subsection (1), (2), or (3) of this section in the Washington state register and shall publish in the next supplement and compilation of the Washington Administrative Code a reference to the committee's objection or recommended suspension and the governor's action on it and to the issue of the Washington state register in which the full text thereof appears.

The reference shall be removed from a rule published in the Washington Administrative Code if a subsequent adjudicatory proceeding determines that the rule is within the intent of the legislature or was adopted in accordance with all applicable laws, whichever was the objection of the rules review committee.

The rules review committee may recommend to the legislature that the original enabling legislation serving as authority for the recommendation or objection of the rules review committee.

The rules review committee may recommend to the legislature that establishment of procedures for review of administrative rules by the legislature was adopted in accordance with all applicable laws, whichever was the objection of the rules review committee.

MOTION

On motion of Senator Newhouse, the Senate commenced consideration of the revised Report of the Conference Committee on Engrossed Substitute House Bill No. 1420.

REVISED REPORT OF CONFERENCE COMMITTEE

RE: ESHB 1420
Revising provisions on property taxes.

Mr. President:
Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that, due to statutory and constitutional limitations, the interdependence of the regular property tax levies of the state, counties, county road districts, cities and towns, and junior taxing districts can cause significant reductions in the otherwise authorized levies of those taxing districts, resulting in serious disruptions to essential services provided by those taxing districts. The purpose of this act is to avoid unnecessary reductions in regular property tax revenue without exceeding existing statutory and constitutional tax limitations on cumulative regular property tax levy rates. The legislature declares that it is a purpose of the state, counties, county road districts, cities and towns, public hospital districts, library districts, fire protection districts, metropolitan park districts, and other taxing districts to participate in the methods provided by this act by which revenue levels supporting the services provided by all taxing districts might be maintained.

Sec. 2. Section 1, chapter 107, Laws of 1986 and RCW 39.67.010 are each amended to read as follows:

Any agreement or contract between two taxing districts other than the state which is otherwise authorized by law may be made contingent upon a particular property tax levy rate of an identified taxing district other than the state where such rate affects the regular property tax rate of one of the parties to the contract and therefore affects the party's resources with
which to perform under the contract. The governing body of every taxing district that could have its tax levy adversely affected by such a contract shall be notified about the contract.

((This section shall expire December 31, 1988;))

Sec. 3. Section 2, chapter 107, Laws of 1986 and RCW 39.67.020 are each amended to read as follows:

Any taxing district other than the state may transfer funds to another taxing district other than the state where the regular property tax levy rate of the second district may affect the regular property tax levy rate of the first district and where such transfer is part of an agreement whereby proration or reduction of property taxes is lessened or avoided. The governing body of every taxing district that could have its tax levy adversely affected by such an agreement shall be notified about the agreement.

((This section shall expire December 31, 1988;))

Sec. 4. Section 3, chapter 107, Laws of 1986 and RCW 84.55.092 are each amended to read as follows:

The regular property tax (levies) levy for each taxing district other than the state ((for taxes due in 1987 through 1991)) may be set at the amount which would ((otherwise)) be allowed otherwise under this chapter if the regular property tax levy for the district for taxes due in prior years beginning with 1986 ((and 1987)) had been set at the full amount allowed under this chapter.

((This section shall expire December 31, 1991;)) The purpose of this section is to remove the incentive for a taxing district to maintain its tax levy at the maximum level permitted under this chapter, and to protect the future levy capacity of a taxing district that reduces its tax levy below the level that it otherwise could impose under this chapter, by removing the adverse consequences to future levy capacities resulting from such levy reductions.

Sec. 5. Section 134, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.52.043 are each amended to read as follows:

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named shall be as follows:

(1) Levies of the senior taxing districts shall be as follows: (a) The levy by the state shall not exceed three dollars and sixty cents per thousand dollars of assessed value adjusted to the state equalized value in accordance with the indicated ratio fixed by the state department of revenue to be used exclusively for the support of the common schools; (b) the levy by any county shall not exceed one dollar and eighty cents per thousand dollars of assessed value; (c) the levy (for) by any road district shall not exceed two dollars and twenty-five cents per thousand dollars of assessed value; and (d) the levy by (or-for) any town or city shall not exceed three dollars and thirty-seven and one-half cents per thousand dollars of assessed value.

((PROVIDED FURTHER. That counties of the fifth class and under are)), However any county is hereby authorized to increase its levy from one dollar and eighty cents to a rate not to exceed two dollars and fifty-seven and one-half cents per thousand dollars of assessed value for general county purposes ((and from one dollar and fifty-seven and one-half cents to two dollars and twenty-five cents per thousand dollars of assessed value for county road purposes)) if the total (levies) levies for both (purposes does) the county and any road district within the county do not exceed four dollars and five cents per thousand dollars of assessed value.

((PROVIDED FURTHER. That counties of the fourth and the ninth class are hereby authorized to levy two dollars and two and one-half cents per thousand dollars of assessed value until such time as the junior taxing agencies are utilizing all the dollar rates available to them; AND PROVIDED FURTHER. That the total property tax levied by law without a vote of the people shall not exceed nine dollars and fifteen cents per thousand dollars of assessed value)), and no other taxing district has its levy reduced as a result of the increased county levy.

(2) Except as provided in RCW 84.52.100, the aggregate levies of junior taxing districts and senior taxing districts, other than the state, shall not exceed five dollars and fifty-five cents per thousand dollars of assessed value. The term "junior taxing districts" includes all taxing districts other than the state, counties, road districts, cities, towns, port districts, and public utility districts. The limitations provided in this subsection shall not apply to: (a) Levies at the rates provided by existing law by or for any port or public utility district ((shall not be included in the limitation set forth by this proviso)); (b) excess property tax levies authorized in Article VII, section 2 of the state Constitution; (c) levies for acquiring conservation futures as authorized under RCW 84.34.230; and (d) levies for emergency medical care or emergency medical services imposed under RCW 84.52.069.

(3) It is the intent of the legislature that the provisions of this section shall supersede all conflicting provisions of law including ((section 24, chapter 299, Laws of 1971 1st ex. sess. and section 6, chapter 124, Laws of 1972 1st ex. sess.)) RCW 84.52.050.

Sec. 6. Section 7, chapter 138, Laws of 1987 and RCW 84.52.100 are each amended to read as follows:

...
(1) The governing body of any library district, public hospital district, metropolitan park district, or fire protection district may provide for the submission of a ballot proposition to the voters of the taxing district authorizing the taxing district to maintain its otherwise authorized tax levy rate, and authorizing an increase in the cumulative regular property tax limitation established in RCW 84.52.043 of ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation within the taxing district, as provided in this section. A fire protection district may use this authority to increase its regular property tax levy up to fifty cents per thousand dollars of assessed valuation.

(2) A resolution by a governing body, requesting that a special election be called to submit such a ballot proposition to the voters, must be transmitted to the county legislative authority of the county, or county legislative authorities of the counties, within which the taxing district is located, at least forty-five days before the special election date at which the ballot proposition is submitted. The ballot proposition shall be worded substantially as follows:

"Shall the cumulative limitation on most regular property tax rates be increased by an amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five consecutive year period allowing (insert the name of the taxing district) to maintain its otherwise statutory authorized property tax rate?"

The ballot proposition for a fire protection district shall be worded substantially as follows:

"Shall the cumulative limitation on most regular property tax rates be increased by an amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five consecutive year period allowing (insert the name of the taxing district) to permit the fire protection district to impose its property tax at a value up to fifty cents per thousand dollars of assessed valuation?"

Approval of this ballot proposition by a simple majority vote shall authorize the following for the succeeding five consecutive year period: (a) Property tax rates of junior taxing districts are calculated first as if this proposition had not been approved; (b) subject to the one hundred six percent limitation, the regular property tax rate of the taxing district receiving such authorization is increased to a level not exceeding the lesser of: (i) its maximum statutory authorized regular property tax rate; or (ii) whatever tax rate it otherwise would have been able to impose plus an additional thirty-five cents per thousand dollars of assessed valuation; and (c) the cumulative property tax rate limitation is increased within the boundaries of the taxing district receiving this authorization to an amount equal to ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation plus the increased amount of the regular levy rate of this taxing district, but not to exceed ((nine)) five dollars and ((fifty)) ninety cents per thousand dollars of assessed valuation.

(3) If two or more taxing districts that occupy a portion of the same territory receive such approval, the additional authorized taxing capacity above ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation shall be distributed among these taxing districts by adjusting their levy rate requests in the same manner and under the same conditions as if they were the only taxing districts in the area subject to adjustment of their property tax rates and the levy rate adjustments were being made with the cumulative limitation of ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation.

(4) Levies authorized under RCW 84.52.069 are not subject to the rate adjustments and the ((nine)) five dollar and ((fifty)) ninety cent per thousand dollar of assessed valuation cumulative limitation on regular property tax rates established by this section.

Sec. 7. Section 84.52.010, chapter 15, Laws of 1961 as last amended by section 1, chapter 255, Laws of 1987 and RCW 84.52.010 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, as now or hereafter amended, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law ("PROVIDED, That in the event of a levy made pursuant to RCW 84.54.230, the rates of levy for county and county road district purposes shall be reduced in such uniform percentages as will result in a consolidated levy by such taxing districts which will be no greater on any property than a consolidated levy by such taxing districts would be if the levy
had not been made pursuant to RCW 84.34.230), subject to subsection (2)(a) of this section, however any state levy shall take precedence over all other levies and shall not be reduced for any purpose other than that required by RCW 84.55.010; and

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, and 67.38.130 shall be reduced on a pro rata basis or eliminated:

(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or eliminated:

(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, public hospital districts, metropolitan park districts, and library districts, shall be reduced on a pro rata basis or eliminated:

(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated: (amended)

(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for cities and towns, fire protection districts under RCW 52.16.130, public hospital districts, metropolitan park districts, and library districts shall be adjusted as provided in section 8 of this 1988 act; and

(f) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.130, and the certified property tax levy rates of public hospital districts, metropolitan park districts, and library districts, shall be reduced on a pro rata basis or eliminated.

NEW SECTION. Sec. 8. A new section is added to chapter 84.52 RCW to read as follows:

(1) In any county, if, after any reduction in levy rates required by RCW 84.52.010(2)(a) through (d), the consolidated tax levy rate still exceeds the limitations in RCW 84.52.043 or 84.52.050, then the department pursuant to rules shall direct the county assessor to adjust the regular property tax levy rates in the following manner:

(a) First, the assessor determines a first preliminary rate pursuant to RCW 84.52.010(2)(f).

(b) Second, the assessor determines a second preliminary rate which is the additional rate, if any, permitted by RCW 84.52.100.

(i) If the preliminary rates together are sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction, then the assessor shall extend on the tax rolls the full certified rates pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(ii) If the preliminary rates together are not sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction pursuant to both RCW 84.52.010(2)(f) and 84.52.100, the assessor shall reduce the rate of the taxing district subject to RCW 84.52.010(2)(a) with the smallest assessed valuation such that, after first allowing for any additional rate permitted by RCW 84.52.100, there is no reduction of the rates under RCW 84.52.010(2)(f). Where the reduction of the levy of a taxing district is not sufficient, the taxing district with the next smallest assessed valuation shall have its levy reduced under this subsection until there is no reduction of rates under RCW 84.52.010(2)(f). The assessor shall then extend on the tax rolls the rates derived pursuant to this subsection (d)(ii).

(2) The taxing districts whose levies would have been reduced but for subsection (1) of this section shall pay to each district that had its levy so reduced pursuant to subsection (1) of this section a proportionate share of the reduced amount based on the amount by which each district would have had its total levy rate reduced if subsection (1) of this section were not in effect and the rates had been adjusted pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(a) In the case of a public hospital district, library district, fire protection district, or metropolitan park district whose levy is reduced under subsection (1) of this section, the district shall bear a proportionate share as if its rate were sufficient to collect its certified levy.

(b) In the case of a city or town that is annexed by a library district or a fire protection district, which city's or town's levy is reduced under this section, or is in a tax code area where a levy rate is reduced under this section, the city or town shall forgo receipt of, or pay to each district whose levy rate is reduced, ten percent of the amount which would otherwise be paid to the city or town from each district whose levy rate is not reduced as a result of subsection (1) of this section, collectively not to exceed one-half of the following amount: The assessed valuation of the reduced district multiplied by a rate equal to the city's or town's levy rate, calculated based on its certified levy request, plus the rate(s) of the annexing district(s) minus the rate the city or town would have been able to levy were it not annexed, not to exceed twenty-two and one-half cents.

(3) Fifty-five percent of the amount under subsection (2) of this section shall be distributed on or before May 31 of the tax collection year for which the levy is reduced and forty-five percent on or before November 30 of that year.
NEW SECTION. Sec. 9. The department of revenue shall adopt such rules consistent with this act as shall be necessary or desirable to permit its effective administration. The rules shall provide how section 8 of this act shall apply to a taxing district that has received authorization to increase its levy according to RCW 84.52.100 and use the method that will be the least costly to all taxing districts involved.

NEW SECTION. Sec. 10. There is created in the custody of the state treasurer an account to be known as the "small county assistance account." Effective July 1, 1988, and notwithstanding RCW 43.84.092, one-half of the investment income earned on moneys in the local sales and use tax account created by RCW 82.14.050 and which has not been distributed according to RCW 82.14.060 shall be placed into this account. Any moneys in the account on December 31, 1989, shall be transferred to the general fund.

The state treasurer shall disburse moneys from this account, upon certification by the director of revenue, to each fifth class and smaller county that contracts with, or transfers funds to, a taxing district or districts under RCW 39.67.010 or 39.67.020 if, as a result of the contracts or transfers, the county is able to increase its county-wide general tax levy above one dollar and eighty cents per thousand dollars of assessed valuation, in accordance with RCW 84.52.043.

Each eligible county shall receive an amount of money from this account that is equal to the amount that the county transfers or pays to the other taxing district or districts. One-half of the distributions shall be made to each eligible county on or before April 30, 1989, and one-half of the distributions shall be made to each eligible county on or before October 31, 1989. These amounts shall be proportionally reduced if the moneys in the account are insufficient to reimburse the full amount that these counties transferred or paid to such taxing districts. Distributions from this account are not subject to appropriation.

Each county that so transfers or pays moneys to taxing districts shall provide evidence of such arrangements to the director of revenue on or before January 1, 1989. The director of revenue shall certify to the state treasurer each county that is eligible for such disbursements and the amount that the county so transferred or paid.

This section expires January 1, 1990.

NEW SECTION. Sec. 11. The sum of one hundred thousand dollars is appropriated for the biennium ending June 30, 1989, from the general fund to the small county assistance account to be used exclusively for purposes specified in section 10 of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 52.04 RCW to read as follows:

Any attempted annexation in 1987 and thereafter by a fire protection district of contiguous territory, that is located in a county other than the county in which the fire protection district was located, is validated where the annexation would have occurred if the territory had been located in the same county as the fire protection district. The effective date of such annexations occurring in 1987 shall be February 1, 1988, for purposes of establishing the boundaries of taxing districts for purposes of imposing property taxes as provided in RCW 84.09.030.

Any reference to a county official of the county in which a fire protection district is located or proposed to be located shall be deemed to refer to the appropriate county official of each county in which the fire protection district is located or proposed to be located.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Signed by Senators Cantu, Garrett, Lee: Representatives Appelwick, Haugen, Ferguson.

REPORT OF CONFERENCE COMMITTEE

RE: ESHB 1594

Providing for a water use efficiency study.

March 8, 1988

Mr. President:
Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Strike everything after the enacting clause and insert the following:

"Sec. 1, Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

The legislature further finds that in addition to water storage facilities or other augmentation programs, improved efficiency of water use could provide an important new supply of water in many parts of the state with which to meet future water needs and that improved efficiency of water use should receive greater emphasis in the management of the state's water resources.

In order to provide needed capital for the planning, acquisition, construction, and improvement of water storage facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, and to carry out a comprehensive water use efficiency study for the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. A committee shall be charged with the task of carrying out a comprehensive study of water use efficiency in this state. The study, however, shall neither be considered a water conservation study, nor a comprehensive study encompassing the exclusive means of creating a new supply of water which limits or restricts the use of water storage facilities as an option in creating a new supply of water. The committee, in consultation with other interested agencies, organizations, and the public, shall investigate and evaluate opportunities and means for achieving water use efficiency improvements. The evaluation shall include but not be limited to the following:

1. Review and analysis of water use efficiency initiatives in other states;
2. Review of the water use efficiency recommendations of the western governors association;
3. Identification of existing institutional and economic disincentives to efficient water use;
4. Identification of existing and potential incentives that could bring about improved efficiency of use;
5. Identification of alternatives for improving efficiency of use;
6. Estimation of potential water savings and public and private costs from implementing alternatives;
7. Identification of a recommended approach for improving water use efficiency in municipal and industrial water supply uses, irrigated agriculture and other major out-of-stream uses, and in-stream uses;
8. Evaluation of the terminology and development of definitions and methods relating to the efficient utilization of water in chapters 90.03, 90.14, 90.22, 90.44, and 90.54 RCW, and such other provisions of existing law as it finds appropriate;
9. Recommendations for a public education program for efficient use of water; and
10. Development of recommendations for any needed changes in laws, rules, policies, procedures, and programs to facilitate improved water use efficiency.

NEW SECTION. Sec. 3. (1) The committee created in section 2 of this act shall consist of the following voting members:
(a) Four members of the house of representatives, appointed by the speaker, two from each major political party;
(b) Four members of the senate, appointed by the president of the senate, two from each major political party;
(c) One individual representing the interests of local government;
(d) One individual representing producers of irrigated agricultural products;
(e) One individual representing environmental interests;
(f) One individual representing the interests of the timber industry;

(j) One individual representing owners and operators of cattle farms;
(k) One individual representing the state-wide water resources association created under chapter 87.76 RCW;
(l) One individual representing hydro power utilities;
(m) One individual representing the recreational or commercial fishing interest; and
FIFTY-NINTH DAY, MARCH 9, 1988

(1) One individual representing the interests of water-oriented recreationists.

(2) An individual from each of the following departments shall be appointed by the director of the department as a nonvoting member of the committee: Ecology, agriculture, social and health services, fisheries, wildlife, and natural resources.

(3) An individual representing the office of the governor shall also be a nonvoting member of the committee. This individual shall convene the initial meeting of the committee and act as the presiding officer of the committee until the committee elects a chair as provided in subsection (6) of this section.

(4) The governor shall appoint the members of the committee listed in subsections (1) through (6) of this section. Wherever possible, the various interest groups listed in each of subsections (1) through (6) of this section shall attempt to identify one nominee in common to represent the interest groups listed in that subsection. Any nominations for appointments to fill positions on the committee listed in subsections (1) through (6) of this section shall be submitted to the director of ecology not later than ten business days after the effective date of this section. The director shall forward such nominations to the governor immediately thereafter for the governor's consideration in appointing the members of the committee.

(5) Members of the committee shall serve without compensation. A member representing a state agency or the office of the governor shall be reimbursed, by his or her employing agency or office, for travel expenses in accordance with RCW 43.03.050 and 43.03.060. Members of the committee who are members of the legislature shall be reimbursed as provided in chapter 44.04 RCW. All other members of the committee shall be reimbursed by the department of ecology for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(6) At the initial meeting of the committee, the voting members of the committee shall elect a chair from among themselves. The chair shall preside over the meetings of the committee. The committee shall expire December 31, 1988.

(7) The committee shall consult on a regular and frequent basis with interested organizations and individuals. The committee shall hold public meetings to inform the public about the study, and to receive public comments on a draft report of its study findings and its recommendations.

(8) The committee shall document public comments and the committee's recommendations in a final water use efficiency report. The final report shall also include an estimate of staffing and funding needed to carry out the recommended approach.

NEW SECTION. Sec. 4. It shall be the responsibility of the department of ecology to provide staff support to the committee and to identify water use efficiency options for the tasks identified in section 2 of this act. For the purposes of this section, the department of ecology shall consult with the water research center at Washington State University.

NEW SECTION. Sec. 5. The committee shall report its findings and recommendations to the legislature no later than December 31, 1988. The department shall not implement such recommendations by rule or regulation except upon the enactment of enabling legislation based upon the committee's recommendations.

NEW SECTION. Sec. 6. No aspect of the study authorized by sections 1 through 3 of this act may authorize any interference whatsoever with existing water rights. NEW SECTION. Sec. 7. Sections 2 through 6 of this act shall expire June 30, 1989.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

REPORT OF CONFERENCE COMMITTEE

RE: 2SHB 1640

Establishing the G. Robert Ross public service award program for outstanding public service by faculty.

March 8, 1988

Mr. President:

Mr. Speaker:
We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

On page 1, at the beginning of line 19, strike "washington" and insert "Washington".

On page 2, beginning on line 1, strike the remainder of the bill and insert the following:

Sec. 3. Section 5, chapter 8, Laws of 1987 and RCW 28B.10.870 are each amended to read as follows:

All state four-year institutions of higher education shall be eligible for matching trust funds. An institution may apply to the higher education coordinating board for two hundred fifty thousand dollars from the fund when the institution can match the state funds with an equal amount of pledged or contributed private donations or with funds received through legislative appropriation specifically for the G. Robert Ross distinguished faculty award and designated as being qualified to be matched from trust fund monies. These donations shall be made specifically to the professorship program, and shall be donated after July 1, 1985.

Upon an application by an institution, the board may designate two hundred fifty thousand dollars from the trust fund for that institution's pledged professorship. If the pledged two hundred fifty thousand dollars is not received within three years, the board shall make the designated funds available for another pledged professorship.

Once the private donation is received by the institution, the higher education coordinating board shall ask the state treasurer to release the state matching funds to a local endowment fund established by the institution for the professorship.

Sec. 4. Section 12, chapter 8, Laws of 1987 (uncodified) is amended to read as follows:

(1) For the biennium ending June 30, 1989, all appropriations to the Washington distinguished professorship trust fund shall be allocated as provided in this section. The state treasurer shall reserve the following amounts in the trust fund for distribution to four-year higher education institutions at such time as qualifying gifts as defined in section 1 of this act for distinguished professorships have been deposited:

(a) ((Forty-five percent)) Two million two hundred fifty thousand dollars of the appropriation for the University of Washington;
(b) ((Thirty percent)) One million five hundred thousand dollars of the appropriation for Washington State University;
(c) ((Twenty-five percent)) One million dollars of the appropriation divided among Eastern Washington University, Central Washington University, Western Washington University, and The Evergreen State College.

(2) Distribution of funds allocated in subsection (1)(c) of this section shall be made in the following manner: Eastern Washington University, Central Washington University, Western Washington University, and The Evergreen State College are guaranteed one professorship. ((The remaining professorship shall be allocated on a first come first served basis to a regional university or The Evergreen State College which has used the professorship and qualified for an additional professorship under section 5 of this act.))

As of January 1, 1989, if any funds reserved in subsection (1) (a) or (b) of this section have not been designated as matching funds for qualifying gifts, any four-year institution of higher education, which has already fully utilized the professorships allocated to it by this section, and, in the case of the regional universities and The Evergreen State College, has exhausted the allocation in subsection (1)(c) of this section, may be eligible for such funds under rules promulgated by the higher education coordinating board.

NEW SECTION. Sec. 5. The sum of two hundred fifty thousand dollars is appropriated for the biennium ending June 30, 1989, from the state general fund to the Western Washington University for deposit in the G. Robert Ross distinguished faculty endowment fund. The appropriation in this section shall fulfill the matching requirements in RCW 28B.10.870 for an additional two hundred fifty thousand dollars from the distinguished professorship trust fund. This appropriation along with the matching money from the distinguished professorship trust fund will result in a total amount of five hundred thousand dollars to be deposited into the G. Robert Ross distinguished faculty endowment fund.

NEW SECTION. Sec. 6. Section 2 of this act is added to Title 28B RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 28B.102 RCW to read as follows:

The board may waive grade point requirements for an otherwise eligible individual student under special circumstances.

NEW SECTION. Sec. 8. The legislature finds it essential that this and future generations of children be allowed the fullest opportunity to learn and to develop their intellectual and mental capacities and skills at the postsecondary level. The legislature is greatly concerned about the ever-increasing costs of obtaining higher education. The purpose of this chapter is to assist
WASHINGTON residents in their quest for higher education and to encourage financial planning to meet higher education costs by creating a college savings bond program.

NEW SECTION. Sec. 9. The following definitions shall apply throughout this chapter, unless the context clearly indicates otherwise:

(1) "College savings bonds" or "bonds" are Washington state general obligation bonds, issued under the authority of and in accordance with this chapter.

(2) "Board" means the higher education coordinating board, or any successor thereto.

NEW SECTION. Sec. 10. REPORT OF CONFERENCE COMMITTEE

RE: E2SHB 1835
Providing for economic diversification in the Tri-Cities.

March 8, 1988

Mr. President:
Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:
(1) Cutbacks in federal funds and programs to the Tri-Cities pose a substantial threat to the region and the state with massive lay-offs, loss of personal income, and declines in state revenues;
(2) The Tri-Cities is of critical significance to the state because of its leading role in the nuclear industry and its concentration of excellent scientists and engineers. Because of the presence of this highly trained workforce, this region requires a special state effort to diversity the local economy;
(3) There are key opportunities to broaden the economic base in the Tri-Cities including agriculture, high-technology, tourism, and regional exports;
(4) A coordinated state, local, and private sector effort offers the greatest potential to promote economic diversification and to provide support for new projects within the region; and
(5) Economic diversification efforts in the Tri-Cities area may bring to the area new industries which use hazardous and toxic chemicals. Concerns about the accidental release of such
chemicals can inhibit economic development efforts. The legislature finds that local emergency response planning may mitigate environmental impacts of economic development efforts. Congress enacted legislation to coordinate emergency response planning efforts and directed preparation of local emergency response plans. The legislature further finds that nongovernmental persons are reluctant to serve on local emergency planning committees due to fear of civil liability.

It is the intent of the legislature to develop comprehensive programs to provide diversified economic development and promote job creation and employment opportunities for the citizens of the Tri-Cities area.

NEW SECTION. Sec. 2. The department of trade and economic development shall begin implementation of the priority goals established by the Tri-Cities diversification study conducted under chapter 501. Laws of 1987, as follows:

(1) To retain and expand existing businesses and industries within the region;
(2) To attract businesses and industries to the region that will provide new jobs;
(3) To encourage the formation of new businesses and industries in the region; and
(4) To assist in the development of a regional infrastructure favorable to economic diversification.

In evaluating these goals, the department, in consultation with the Tri-Cities diversification board, shall determine which objectives of these priority goals are most likely to lead to economic diversification. Consideration shall be given to potential jobs and income benefits, generation of additional fiscal support, increased private sector participation, and market forces supporting the proposed objectives. The department shall consider such additional studies and governmental agencies which could support the priority goals determined under this section.

For the purposes of sections 1 through 12 of this act, "department" means the department of trade and economic development.

NEW SECTION. Sec. 3. (1) The sum of one million two hundred forty thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the administrative contingency fund to the employment security department for the purposes of sections 1 through 12 of this act. This appropriation shall be transferred to the department of trade and economic development for the purposes of sections 1 through 12 of this act.

(2) The sum of two hundred twenty-eight thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the general fund to the department of trade and economic development for the purposes of sections 1 through 12 of this act.

NEW SECTION. Sec. 4. (1) The department of trade and economic development shall designate a project manager within the department to facilitate the department's activities within the Tri-Cities region. This position shall be located in the Tri-Cities region. The manager's responsibilities shall include but not be limited to:

(a) Seeking to increase the use of existing state economic development programs in the Tri-Cities region;
(b) Helping to locate additional funds to be used for diversification activities;
(c) Forming committees to oversee activities within the priority areas;
(d) Coordinating evaluation of state diversification in the region;
(e) Seeking to increase the effectiveness of existing efforts to incubate new enterprises in the Tri-Cities region and to increase the resources devoted to the incubation of new enterprises;
(f) Facilitating technology transfer from the research base in the region to local businesses, including efforts to increase: The availability and accessibility of venture capital in the Tri-Cities region, especially for the early stages of enterprise development and for the expansion of existing enterprises, the accessibility of legal expertise, especially in regard to licenses and patents, and the identification of and assistance to entrepreneurs with expertise in managing new product development; and
(g) Increasing the availability and coordination of resources devoted to the expansion, development, and modernization of enterprises in existing promising growth areas of the Tri-Cities regional economy such as the industrial applications of advanced technology and recreational development.

(2) A maximum of seventy-five thousand dollars shall be made available for the purposes of this section.

NEW SECTION. Sec. 5. There is established the Tri-Cities diversification board. The board shall consist of fifteen members appointed by the governor, including but not limited to representatives of local businesses, labor organizations, local governments, visitor and convention bureaus, local educational institutions, local associate development organizations, the agribusiness community, and local ports. In making the appointments, the governor shall endeavor to ensure that the appointees have experience in local diversification efforts. Vacancies shall be filled in the same manner as the original appointment.

The board shall review proposals for the diversification of the Tri-Cities area presented to it by the department.
Members of the board shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 6. (1) In carrying out the purposes of (a) through (i) of this subsection, the department shall consult with the Tri-Cities diversification board. The department shall contract with local organizations, institutions, or agencies to perform one or more of the following:

If the initial assessment indicates the need for a more thorough study of the feasibility of various options for retaining a firm, the subcontractor may contract or subcontract for such a study under the following conditions:

(i) The small business is engaged in light or heavy manufacturing, the processing of agricultural products, or transportation services;

(ii) Only one study may be funded per business; and

(iii) A maximum of twenty-five thousand dollars in funds received from the state shall be made available per study.

The program may have a variety of training formats to meet the diverse needs of the targeted firms and should include, but need not be limited to: A presentation on the value and the potential of marketing cooperatives, training programs for sales personnel, and training in the development of marketing plans as part of the overall business plan. The subcontractor may work with public and private schools of business administration in developing the curriculum and may use other subcontractors in implementing the program.

(h) Provide for targeted business recruiting and business development. Business development should include specialized technical or managerial assistance in fields that promote the existing strengths of the region in such areas as agricultural services and processing, the industrial applications of advanced technology, and recreation and tourism.

Specific assistance should be given to small businesses in securing federal contracts from agencies participating in the small business innovation research program.

(i) Develop or conduct such other projects or programs as are approved by the department in consultation with the Tri-Cities diversification board.

(2) The department shall establish such criteria as it deems appropriate for delivery of the services supplied under contract as provided in this section. The department shall provide training and technical assistance to the personnel of any program, team, office, or other effort

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. I know it's that time of session in which blind faith should be given, but we've not seen any paper work on either Engrossed Substitute Senate Bill No. 6344, on which we just voted a moment ago, or Substitute House Bill No. 1745, that was just the subject of a roll call vote. If at all possible, I think we would like to know exactly where these measures are and what the paper work on them might be—what their status is and how they happened to arrive before the Senate. We didn't have that on either one of the two previous roll calls."

Debate ensued.

POINT OF INQUIRY

Senator Talmadge: "Senator Nelson, this is again a bill upon which we have no paper work or no description on what the conflict is between the houses. Could you perhaps give us just a brief idea of what the problem is with respect to 1752?"

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "Mr. President, I can try. Substitute House Bill No. 1752 is in your brown notebooks. It is a bill relating to smelt fishing derbies and has an amendment that I suspect is the one that takes smelt out of the definition of food fish in the licensing measure which we passed last year. That's the amendment."

WHEREAS, The potential threat of unilateral implementation may act as a deterrent to good-faith negotiations, because there are no adequate or practical remedies available to employees; and

WHEREAS, The only apparent remedy for public employees in case of unilateral implementation by the employer is a strike, which is contrary to the public interest and of dubious legality; and

MOTION

On motion of Senator DeJamatt, the following resolution was adopted:

SENATE RESOLUTION 1988–8749

by Senators DeJamatt, Metcalf, Bauer, Zimmerman, Owen and Smith

WHEREAS, The Mitchell Act, passed by Congress in 1938, recognized that the fishery resource on the Columbia River was greatly impacted by the construction of Grand Coulee and Bonneville Dams; and

WHEREAS, The funding under the Mitchell Act supports the operation and maintenance of fish hatcheries in Southwest Washington that produce over fifteen million salmon and steelhead annually; and
WHEREAS, Since 1981, the Reagan Administration has not supported the operation and maintenance of these hatcheries and has not proposed funding for them; and

WHEREAS, The state Congressional delegation has successfully lobbied their colleagues to continue the same level of funding for the hatcheries’ operations each year for the last five years; and

WHEREAS, The 1988 federal budget does not include sufficient funds to operate seven Washington hatcheries at a cost-effective level, and that further mid-year federal budget reductions have caused the Departments of Fisheries and Wildlife to close or curtail operations at these hatcheries; and

WHEREAS, With one exception, the Coho and Chinook Salmon runs in the lower Columbia River are hatchery runs and not natural salmon runs; and

WHEREAS, The closure of hatcheries in Southwest Washington may seriously reduce the state’s production of Coho and Chinook Salmon which may then place increased pressure on the state’s recreational and commercial salmon fishing; and

WHEREAS, Under the United States-Canada Treaty, fewer fish produced by Washington means fewer fish to be caught by United States fishermen; and

WHEREAS, Recreational and commercial salmon fishing on the Washington coast creates over $16 million in direct expenditures and more than nine hundred and fifty jobs, and the fish produced from these hatcheries have an impact on fisheries in all of the state’s marine waters:

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the state of Washington, That the Office of the Attorney General be requested to investigate a lawsuit against the Department of Commerce demanding that the federal government provide the resources to continue operation of hatcheries funded through the Mitchell Act, and that the Office of the Attorney General work closely with the Departments of Fisheries and Wildlife and the appropriate committees of the Senate and House of Representatives in this effort; and

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted by the Secretary of the Senate to the Office of the Attorney General, the United States Department of Commerce, and the Washington Congressional delegation.

WHEREAS, Many students and their parents are not taking the steps necessary to give the students a realistic opportunity to enter and succeed in college; and

POINT OF INQUIRY

Senator Rasmussen: Senator Zimmerman, on the fourth 'Whereas' where it reads 'A larger cross-section of Washington's youth might choose to attend an institution of higher education if they had a better idea of the financial aid opportunities,' would you mind if those two words were stricken and then insert 'financial assistance'?

Senator Zimmerman: I don't know—that certainly wouldn't damage the resolution to my mind. You're saying 'financial assistance' rather than 'financial aid opportunities'?

Senator Rasmussen: Yes, that's—

Senator Zimmerman: They're attempting to give them ideas about financial aid opportunities.

Senator Rasmussen: Financial assistance would read better, I think.

Senator Zimmerman: I would certainly not have any objections to that change.

MOTION

On motion of Senator Rasmussen, 'financial assistance' was inserted for the words 'financial aid opportunities' and 'financial aid options' in Senate Resolution 1988-8735.

Establishing liens for owners of self-storage facilities.

March 9, 1988

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This chapter shall be known as the "Washington self-service storage facility act."

NEW SECTION. Sec. 2. For the purposes of this chapter, the following terms shall have the following meanings:

(1) "Self-service storage facility" means any real property designed and used for the purpose of renting or leasing individual storage space to occupants who are to have access to the space for the purpose of storing and removing personal property on a self-service basis, but does not include a garage or other storage area in a private residence. No occupant may use a self-service storage facility for residential purposes.

(2) "Owner" means the owner, operator, lessor, or sublessor of a self-service storage facility, his or her agent, or any other person authorized by him or her to manage the facility, or to receive rent from an occupant under a rental agreement.

(3) "Occupant" means a person, or his or her sublessee, successor, or assign, who is entitled to the use of the storage space at a self-service storage facility under a rental agreement, to the exclusion of others.

(4) "Rental agreement" means any written agreement or lease which establishes or modifies the terms, conditions, rules or any other provision concerning the use and occupancy of a self-service storage facility.

(5) "Personal property" means movable property not affixed to land, and includes, but is not limited to, goods, merchandise, furniture, and household items.

(6) "Last known address" means that address provided by the occupant in the latest rental agreement, or the address provided by the occupant in a subsequent written notice of a change of address.

NEW SECTION. Sec. 3. The owner of a self-service storage facility and his or her heirs, executors, administrators, successors, and assigns have a lien upon all personal property located at a self-service storage facility for rent, labor, or other charges, present or future, incurred pursuant to the rental agreement, and for expenses necessary for the preservation, sale, or disposition of personal property subject to this chapter. The lien may be enforced consistent with this chapter. However, any lien on a motor vehicle or boat which has attached and is set forth in the documents of title to the motor vehicle or boat shall have priority over any lien created pursuant to this chapter.

NEW SECTION. Sec. 4. When any part of the rent or other charges due from an occupant remains unpaid for six consecutive days, and the rental agreement so provides, an owner may deny the occupant access to the storage space at a self-service storage facility.

NEW SECTION. Sec. 5. When any part of the rent or other charges due from an occupant remains unpaid for fourteen consecutive days, an owner may terminate the right of the occupant to the use of the storage space at a self-service storage facility by sending a notice to the occupant's last known address, and to the alternative address specified in section 13(2) of this act, by first class mail, postage prepaid, containing all of the following:

(1) An itemized statement of the owner's claim showing the sums due at the time of the notice and the date when the sums become due.

(2) A statement that the occupant's right to use the storage space will terminate on a specified date (not less than fourteen days after the mailing of the notice) unless all sums due and to become due by that date are paid by the occupant prior to the specified date.
(3) A notice that the occupant may be denied or continue to be denied, as the case may be, access to the storage space after the termination date if the sums are not paid, and that an owner’s lien, as provided for in section 3 of this act may be imposed thereafter.

(4) The name, street address, and telephone number of the owner, or his or her designated agent, whom the occupant may contact to respond to the notice.

NEW SECTION. Sec. 6. A notice in substantially the following form shall satisfy the requirements of section 5 of this act:

PRELIMINARY LIEN NOTICE
to ______________________________ (occupant)
________________________________________________________ (address)
________________________________________________________ (state)

You owe and have not paid rent and/or other charges for the use of storage space number _____ at _____________________________.

Charges that have been due for more than fourteen days and accruing on or before ________ are itemized as follows:

<table>
<thead>
<tr>
<th>DUE DATE</th>
<th>DESCRIPTION</th>
<th>AMOUNT</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

IF this sum is not paid in full before ________, your right to use the storage space will terminate, you may be denied, or continue to be denied, access and an owner’s lien on any stored property will be imposed. You may pay the sum due and contact the owner at:

(Name)

(Address)

(State)

(Telephone)

(Owner’s Signature)

NEW SECTION. Sec. 7. If a notice has been sent, as required by section 5 of this act, and the total sum due has not been paid as of the date specified in the preliminary lien notice, the lien proposed by this notice attaches as of that date and the owner may deny an occupant access to the space, enter the space, inventory the goods therein, and remove any property found therein to a place of safe keeping. The owner shall then serve by personal service or send to the occupant, addressed to the occupant’s last known address and to the alternative address specified in section 13(2) of this act by certified mail, postage prepaid, a notice of lien sale or notice of disposal which shall state all of the following:

(1) That the occupant’s right to use the storage space has terminated and that the occupant no longer has access to the stored property.

(2) That the stored property is subject to a lien, and the amount of the lien accrued and to accrue prior to the date required to be specified in subsection (3) of this section.

(3) That the property, other than personal papers and personal effects, may be sold to satisfy the lien after a specified date which is not less than fourteen days from the date of mailing the lien sale notice, or a minimum of forty-two days after the date when any part of the rent or other charges due from the occupants remain unpaid, whichever is later, unless the amount of the lien is paid. If the total value of property in the storage space is less than one hundred dollars, the owner may, instead of sale, dispose of the property in any reasonable manner, subject to the restrictions of section 9(3) of this act.

(4) That any excess proceeds of the sale or other disposition under section 9(2) of this act over the lien amount and costs of sale and any personal papers and personal effects will be retained by the owner and may be reclaimed by the occupant, or claimed by another person, at any time for a period of six months from the sale and that thereafter the proceeds and personal papers and effects will be turned over to the state as abandoned property as provided in section 21 of this act.

(5) That if the occupant was served with notice of the lien sale by mail, the occupant within six months after the date of the sale may repurchase from any purchaser or subsequent purchaser any of the occupant’s property sold pursuant to section 9 of this act at the price paid by the original purchaser.

(6) That if notice of the lien sale was by personal service, the occupant has no right to repurchase any property sold at the lien sale.

NEW SECTION. Sec. 8. The owner, subject to sections 10 and 11 of this act, may sell the property, other than personal papers and personal effects, upon complying with the requirements set forth in section 9 of this act.

NEW SECTION. Sec. 9. (1) After the expiration of the time given in the notice of lien sale pursuant to section 7 of this act, the property, other than personal papers and personal effects, may be sold or disposed of in a reasonable manner.

(2)(a) If the property has a value of one hundred dollars or more, the sale shall be conducted in a commercially reasonable manner, and, after deducting the amount of the lien and costs of sale, the owner shall retain any excess proceeds of the sale on the occupant’s behalf.
The occupant, or any other person having a court order or other judicial process against the property, may claim the excess proceeds, or a portion thereof sufficient to satisfy the particular claim, at any time within six months of the date of sale.

(b) If the property has a value of less than one hundred dollars, the property may be disposed of in a reasonable manner.

(3) No employee or owner, or family member of an employee or owner, may acquire, directly or indirectly, the property sold pursuant to subsection (2)(a) of this section or disposed of pursuant to subsection (2)(b) of this section.

(4) The owner is entitled to retain any interest earned on the excess proceeds until the excess proceeds are claimed by another person or are turned over to the state as abandoned property pursuant to section 21 of this act.

(5) After the sale or other disposition pursuant to this section has been completed, the owner shall provide an accounting of the disposition of the proceeds of the sale or other disposition to the occupant at the occupant’s last known address and at the alternative address.

NEW SECTION. Sec. 10. Any person who has a perfected security interest under Article 62A.9 RCW of the uniform commercial code may claim any personal property subject to the security interest and subject to a lien pursuant to this chapter by paying the total amount due, as specified in the lien notices, for the storage of the property. Upon payment of the total amount due, the owner shall deliver possession of the particular property subject to the security interest to the person who paid the total amount due. The owner shall not be liable to any person for any action taken pursuant to this section if the owner has fully complied with sections 6 and 7 of this act.

NEW SECTION. Sec. 11. Prior to any sale pursuant to section 9 of this act, any person claiming a right to the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred for particular actions taken pursuant to this chapter. In that event, the goods shall not be sold, but shall be retained by the owner subject to the terms of this chapter pending a court order directing a particular disposition of the property.

NEW SECTION. Sec. 12. (1) Except as provided in subsection (2) of this section, a purchaser in good faith of goods disposed of pursuant to section 9(2) of this act takes the goods free of any rights of persons against whom the lien was claimed, despite noncompliance by the owner of the storage facility with this chapter.

(2) A purchaser or subsequent purchaser shall return the goods to the occupant if the occupant tenders the original purchase price plus any costs incurred by the original purchaser within six months of the date of the purchase, unless the occupant was personally served with notice of the lien sale. If the occupant was personally served, the occupant has no right to repurchase the property.

(3) If the occupant exercises his or her right to repurchase property pursuant to subsection (2) of this section, a subsequent purchaser is entitled to rescind a transaction with a previous purchaser.

NEW SECTION. Sec. 13. (1) Each contract for the rental or lease of individual storage space in a self-service storage facility shall be in writing and shall contain, in addition to the provisions otherwise required or permitted by law to be included, a statement requiring the occupant to disclose any lienholders or secured parties who have an interest in the property that is or will be stored in the self-service storage facility. A statement that the occupant’s property will be subject to a claim of lien and may even be sold to satisfy the lien if the rent or other charges due remain unpaid for fourteen consecutive days, and that such actions are authorized by this chapter.

(2) The lien authorized by this chapter shall not attach, unless the rental agreement requests, and provides space for, the occupant to give the name and address of another person to whom the preliminary lien notice and subsequent notices required to be given under this chapter may be sent. Notices sent pursuant to section 5 or 7 of this act shall be sent to the occupant’s address and the alternative address, if both addresses are provided by the occupant. Failure of an occupant to provide an alternative address shall not affect an owner’s remedies under this chapter or under any other provision of law.

NEW SECTION. Sec. 14. Any insurance protecting the personal property stored within the storage space against fire, theft, or damage is the responsibility of the occupant. The owner is under no obligation to provide insurance.

NEW SECTION. Sec. 15. Nothing in this chapter may be construed to impair or affect the right of the parties to create additional rights, duties, and obligations which do not conflict with the provisions of this chapter. The rights provided by this chapter shall be in addition to all other rights provided by law to a creditor against his or her debtor.

NEW SECTION. Sec. 16. This chapter shall only apply to rental agreements entered into, extended, or renewed after the effective date of this section. Rental agreements entered into before the effective date of this section which provide for monthly rental payments but providing no specific termination date shall be subject to this chapter on the first monthly rental payment date next succeeding the effective date of this section.

pursuant to section 16 of this act. and the rights. duties, and interests flowing from them. shall remain valid. and may be enforced or terminated in accordance with their terms or as permitted by any other statute or law of this state.

Sec. 19. Section 6. chapter 205. Laws of 1982 as amended by section 4. chapter 324. Laws of 1986 and RCW 18.11.070 are each amended to read as follows:

MESSAGE FROM THE HOUSE

March 9, 1988

Mr. President:
The House refuses to concur in the Senate amendments to ENGROSSED SUBSTITUTE HOUSE BILL NO. 2038 and asks the Senate to recede therefrom, and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk

MOTION

Senator Newhouse moved that the rules be suspended and Engrossed Substitute House Bill No. 2038 be returned to second reading and read the second time.

PARLIAMENTARY INQUIRY

Senator Vognild: "Mr. President, a parliamentary inquiry. This bill is in dispute. It is not sitting on a regular calendar and on that basis, I would ask the President's ruling on how many votes it takes to return it to second reading from a dispute calendar?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Vognild, the President believes that precedent has been to allow the Senate to return to second reading for the purpose of amendment in the last ten days of the session. Therefore, the President believes the motion by Senator Newhouse is properly before the Senate."
Senator Talmadge: "Mr. President, a further parliamentary inquiry. I believe the rules provide, under Rule 35, as to suspension of rules in the Permanent Rules of the Senate, that that requires a two-thirds vote to accomplish it. Rule 61 provides that in the final days of the session, with respect to the reading of bills on three separate days, that the body can suspend that rule by a majority vote. The bills that are in disagreement under Rule 66 are not in a status of being in separate readings. I think the real question is whether or not in order to accomplish the movement of the bill as Senator Newhouse has sought, from the concurrence calendar to second reading, would be something that would require a suspension of the Permanent Rules of the Senate under Rule 35."

REMARKS BY SENATOR VOGNILD

Senator Vognild: "Thank you, Mr. President. In your deliberations, I would like to also point out that the precedent that you refer to, is a precedent that has been established on this floor when both sides agree to turn it back as a matter of expediting the business of the Senate. Therefore, when it is returned under the precedent that you are talking about, there have been no objections to it and therefore any time that the body does not object, then they can, in fact, do the things you're talking about, but in this case with an objection I believe that the Senate Rules should take over."

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Vognild, the President has ruled on the precedent that happened even earlier this evening."

FURTHER REMARKS BY SENATOR VOGNILD

Senator Vognild: "Thank you, Mr. President, that is precisely what I was referring to. Earlier this evening we agreed, in order to expedite the business of the Senate, that we would not object to the motion. This time we have objected to the motion and with the objection, I believe the Senate Rules will then take precedence. What I’m asking for is a ruling based upon the rules, not upon what has happened in the past."

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "The President stands on the ruling. I believe it's applied equally to both sides in the past sessions."

CHALLENGE OF THE CHAIR

Senator Rasmussen: "Mr. President, I challenge the Chair's Ruling. Mr. President, Rule 35 is clear—'A permanent rule or order may be temporarily suspended by a vote of two-thirds of the members present unless otherwise specified herein.' It does not anywhere otherwise specify herein and we have, Mr. President, no precedent. Senator Newhouse, previously by agreement, had suspended the rules on another bill which was by agreement and no objection was raised. This time there’s been objections raised and the President is wrong in making this ruling. Any well-meaning person could read the rule. It's very clear and the Senate operates by the rules, not by precedence. I urge the President to reconsider and reread the rules."

FURTHER REMARKS BY SENATOR TALMADGE

Senator Talmadge: "In addition to the remarks of Senator Rasmussen, under Rule 61, it provides, 'Every bill shall be read on three separate days unless the Senate deems it expedient to suspend the rules. On and after the tenth day preceding adjournment Sine Die of any session, or three days prior to any cut-off date for consideration of bills as determined pursuant to Article 2, Section 12 of the Constitution or concurrent resolution, this rule may be suspended by a majority vote.' That is the only place in the rules wherein the two-thirds requirement of Rule 35 may be suspended by a majority vote instead of the usual two-thirds that is required."
"Bills in dispute are governed by Rule 66. They are not subject to the three days of reading requirement of the rules. We would, respectfully, suggest that this is a circumstance that requires a two-thirds vote to suspend the rules under Rule 35 rather than the majority vote required under Rule 61 which is a different circumstance."

MOTION

On motion of Senator Newhouse, further consideration of Engrossed Substitute House Bill No. 2038 was deferred.

PARLIAMENTARY INQUIRY

Senator Vognild: "Mr. President, a parliamentary inquiry. This is a House bill. Doesn't the House, under the rules, have to request a conference?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "The House, in refusing to recede, has given us the---"

Senator Vognild: "Mr. President, I don't even believe the bill is here, because when we refused to recede, we automatically insisted on our position and sent the bill back to the House."
REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Vognild, the bill is before us."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Newhouse that the Senate do not recede from the Senate amendments to Engrossed Substitute House Bill No. 2038 and asks the House for a conference thereon.

PART IV
AIDS EDUCATION IN THE COMMON SCHOOLS

NEW SECTION. Sec. 401. The legislature finds that the public schools provide a unique and appropriate setting for educating young people about the pathology and prevention of acquired immunodeficiency syndrome (AIDS). The legislature recognizes that schools and communities vary throughout the state and that locally elected school directors should have a significant role in establishing a program of AIDS education in their districts.

NEW SECTION. Sec. 402. A new section is added to chapter 28A.05 RCW to read as follows:

(1) The life-threatening dangers of acquired immunodeficiency syndrome (AIDS) and its prevention shall be taught in the public schools of this state. AIDS prevention education shall be limited to the discussion of the life-threatening dangers of the disease, its spread, and prevention. Students shall receive such education at least once each school year beginning no later than the fifth grade.

(2) Each district board of directors shall adopt an AIDS prevention education program which is developed in consultation with teachers, administrators, parents, and other community members, including, but not limited to, persons from medical, public health, and mental health organizations and agencies so long as the curricula and materials developed for use in the AIDS education program either (a) are the model curricula and resources under subsection (3) of this section, or (b) are developed by the school district and approved for medical accuracy by the office on AIDS established in section 602 of this act. If a district elects to use curricula developed by the school district, the district shall submit to the office on AIDS a copy of its curricula and an affidavit of medical accuracy stating that the material in the district-developed curricula has been compared to the model curricula for medical accuracy and that in the
opinion of the district the district-developed materials are medically accurate. Upon submission of the affidavit and curricula, the district may use these materials until the approval procedure to be conducted by the office of AIDS has been completed.

(3) Model curricula and other resources available from the superintendent of public instruction through the state clearinghouse for educational information may be reviewed by the school district board of directors, in addition to materials designed locally, in developing the district's AIDS education program. The model curricula shall be reviewed for medical accuracy by the office on AIDS established in section 602 of this act within the department of social and health services.

(4) Each school district shall, at least one month before teaching AIDS prevention education in any classroom, conduct at least one presentation during weekend and evening hours for the parents and guardians of students concerning the curricula and materials that will be used for such education. The parents and guardians shall be notified by the school district of the presentation and that the curricula and materials are available for inspection. No student may be required to participate in AIDS prevention education if the student's parent or guardian, having attended one of the district presentations, objects in writing to the participation.

(5) The office of the superintendent of public instruction with the assistance of the office on AIDS shall update AIDS education curriculum material as newly discovered medical facts make it necessary.

(6) The curriculum for AIDS prevention education shall be designed to teach students which behaviors place a person dangerously at risk of infection with the human Immunodeficiency virus (HIV) and methods to avoid such risk including, at least:

(a) The dangers of drug abuse, especially that involving the use of hypodermic needles; and

(b) The dangers of sexual intercourse, with or without condoms.

(7) The program of AIDS prevention education shall stress the life-threatening dangers of contracting AIDS and shall stress that abstinence from sexual activity is the only certain means for the prevention of the spread or contraction of the AIDS virus through sexual contact. It shall also teach that condoms and other artificial means of birth control are not a certain means of preventing the spread of the AIDS virus and reliance on condoms puts a person at risk for exposure to the disease.

Sec. 403. Section 28A.05.010, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 232, Laws of 1987 and RCW 28A.05.010 are each amended to read as follows:

All common schools shall give instruction in reading, penmanship, orthography, written and mental arithmetic, geography, the history of the United States, English grammar, physiology and hygiene with special reference to the effects of alcoholic stimulants and narcotics on the human system, science with special reference to the environment, and such other studies as may be prescribed by rule or regulation of the state board of education. All teachers shall stress the importance of the cultivation of manners, the fundamental principles of honesty, honor, industry and economy, the minimum requisites for good health including the beneficial effect of physical exercise and methods to prevent exposure to and transmission of sexually transmitted diseases, and the worth of kindness to all living creatures and the land. The prevention of child abuse may be offered as part of the curriculum in the common schools.

NEW SECTION. Sec. 404. Sections 402 and 403 of this act shall take effect July 1, 1988.

PART V

The curricula and materials shall be reviewed for medical accuracy by the office on AIDS in coordination with the appropriate regional AIDS service network.

PART VI

AIDS TRAINING FOR EMPLOYEES

NEW SECTION. Sec. 601. The number of acquired immunodeficiency syndrome (AIDS) cases in the state may reach five thousand by 1991. This makes it necessary to provide our
state’s workforce with the resources and knowledge to deal with the epidemic. To ensure that accurate information is available to the state’s workforce, a clearinghouse for all technically correct educational materials related to AIDS should be created.

NEW SECTION. Sec. 602. There is established in the department an office on AIDS. If a department of health is created, the office on AIDS shall be transferred to the department of health, and its chief shall report directly to the secretary of health. The office on AIDS shall have as its chief a physician licensed under chapter 18.57 or 18.71 RCW or a person experienced in public health who shall report directly to the assistant secretary for health. This office shall be the repository and clearinghouse for all education and training material related to the treatment, transmission, and prevention of AIDS. The office on AIDS shall have the responsibility for coordinating all publicly funded education and service activities related to AIDS. The University of Washington shall provide the office on AIDS with appropriate training and educational materials necessary to carry out its duties. The office on AIDS shall assist state agencies with information necessary to carry out the purposes of this chapter. The department shall work with state and county agencies and specific employee and professional groups to provide information appropriate to their needs, and shall make educational materials available to private employers and encourage them to distribute this information to their employees.

NEW SECTION. Sec. 603. The department shall adopt rules that recommend appropriate education and training for licensed and certified emergency medical personnel under chapter 18.73 RCW on the prevention, transmission, and treatment of AIDS. The department shall require appropriate education or training as a condition of certification or license issuance or renewal.

NEW SECTION. Sec. 604. Each disciplining authority under chapter 18.130 RCW shall adopt rules that require appropriate education and training for licensees on the prevention, transmission, and treatment of AIDS. The disciplining authorities shall work with the office on AIDS under section 602 of this act to develop the training and educational material necessary for health professionals.

NEW SECTION. Sec. 605. The state board of pharmacy shall adopt rules that require appropriate education and training for licensees on the prevention, transmission, and treatment of AIDS. The board shall work with the office on AIDS under section 602 of this act to develop the training and educational material necessary for health professionals.

NEW SECTION. Sec. 606. The superintendent of public instruction shall adopt rules that require appropriate education and training, to be included as part of their present continuing education requirements, for public school employees on the prevention, transmission, and treatment of AIDS. The superintendent of public instruction shall work with the office on AIDS under section 602 of this act to develop the educational and training material necessary for school employees.

NEW SECTION. Sec. 607. The state personnel board, the higher education personnel board, and each unit of local government shall determine whether any employees under their jurisdiction have a substantial likelihood of exposure in the course of their employment to the human immunodeficiency virus. If so, the agency or unit of government shall adopt rules requiring appropriate training and education for the employees on the prevention, transmission, and treatment of AIDS. The rules shall specifically provide for such training and education for law enforcement, correctional, and health care workers. The state personnel board, the higher education personnel board, and each unit of local government shall work with the office on AIDS under section 602 of this act to develop the educational and training material necessary for employees.

NEW SECTION. Sec. 608. The department shall adopt rules requiring appropriate education and training of employees of state licensed or certified health care facilities. The education and training shall be on the prevention, transmission, and treatment of AIDS and shall not be required for employees who are covered by comparable rules adopted under other sections of this chapter. In adopting rules under this section, the department shall consider infection control standards and educational materials available from appropriate professional associations and professionally prepared publications.

NEW SECTION. Sec. 609. Sections 602 through 608 of this act are each added to chapter 70.24 RCW.

PART VII
COUNSELING AND TESTING

NEW SECTION. Sec. 701. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) “Pretest counseling” means counseling aimed at helping the individual understand ways to reduce the risk of HIV infection, the nature and purpose of the tests, the significance of the results, and the potential dangers of the disease, and to assess the individual’s ability to cope with the results.

(2) “Posttest counseling” means further counseling following testing usually directed toward increasing the individual’s understanding of the human immunodeficiency virus infection, changing the individual’s behavior, and, if necessary, encouraging the individual to notify persons with whom there has been contact capable of spreading HIV.
(3) "AIDS counseling" means counseling directed toward increasing the individual’s understanding of acquired immunodeficiency syndrome and changing the individual's behavior.

(4) "HIV testing" means a test indicative of infection with the human immunodeficiency virus as specified by the board of health by rule.

NEW SECTION. Sec. 702. No person may undergo HIV testing without the person’s consent except:

(1) Pursuant to RCW 7.70.065 for incompetent persons;
(2) In seroprevalence studies where neither the persons whose blood is being tested know the test results nor the persons conducting the tests know who is undergoing testing;
(3) If the department of labor and industries determines that it is relevant, in which case payments made under Title 51 RCW may be conditioned on the taking of an HIV antibody test; or
(4) As otherwise expressly authorized by this chapter.

NEW SECTION. Sec. 703. (1) Local health departments authorized under this chapter shall conduct or cause to be conducted pretest counseling, HIV testing, and posttest counseling of all persons:

(a) Convicted of a sexual offense under chapter 9A.44 RCW;
(b) Convicted of prostitution or offenses relating to prostitution under chapter 9A.88 RCW; or
(c) Convicted of drug offenses under chapter 69.50 RCW if the court determines at the time of conviction that the related drug offense is one associated with the use of hypodermic needles.

(2) Such testing shall be conducted as soon as possible after sentencing and shall be so ordered by the sentencing judge.

(3) This section applies only to offenses committed after the effective date of this section.

(4) A law enforcement officer, fire fighter, health care provider, or health care facility staff person who has experienced a substantial exposure to another person’s bodily fluids in the course of his or her employment, may request a state or local public health officer to order pretest counseling, HIV testing, and posttest counseling for the person whose bodily fluids he or she has been exposed to. The person who is subject to the order shall be given written notice of the order promptly, personally, and confidentially, stating the grounds and provisions of the order, including the factual basis therefor. If the person who is subject to the order refuses to comply, the state or local public health officer may petition the superior court for a hearing. The standard of review for the order is whether substantial exposure occurred and whether that exposure presents a possible risk of transmission of the HIV virus as defined by the board by rule. Upon conclusion of the hearing, the court shall issue the appropriate order. The state or local public health officer shall perform counseling and testing under this subsection if he or she finds that the exposure was substantial and presents a possible risk as defined by the board of health by rule.

NEW SECTION. Sec. 704. Local health departments, in cooperation with the regional AIDS services networks, shall make available voluntary testing and counseling services to all persons arrested for prostitution offenses under chapter 9A.88 RCW and drug offenses under chapter 69.50 RCW. Services shall include educational materials that outline the seriousness of AIDS and encourage voluntary participation.

NEW SECTION. Sec. 705. (1) Every health care practitioner attending a pregnant woman or a person seeking treatment of a sexually transmitted disease shall assure that AIDS counseling of the patient is conducted.

(2) AIDS counseling shall be provided to each person in a drug treatment program under chapter 69.54 RCW.

NEW SECTION. Sec. 706. Jail administrators, with the approval of the local public health officer, may order pretest counseling, HIV testing, and posttest counseling for persons detained in the jail if the local public health officer determines that actual or threatened behavior presents a possible risk to the staff, general public, or other persons. Approval of the local public health officer shall be based on section 909(3) of this act and may be contested through section 909(4) of this act. The administrator shall establish, pursuant to RCW 70.48.071, a procedure to document the possible risk which is the basis for the HIV testing. "Possible risk," as used in this section, shall be defined by the board in rule. Documentation of the behavior, or threat thereof, shall be reviewed with the person to try to assure that the person understands the basis for testing.

NEW SECTION. Sec. 707. (1) Department of corrections facility administrators may order pretest counseling, HIV testing, and posttest counseling for inmates if the secretary of corrections or the secretary’s designee determines that actual or threatened behavior presents a possible risk to the staff, general public, or other inmates. The department of corrections shall establish a procedure to document the possible risk which is the basis for the HIV testing. "Possible risk," as used in this section, shall be defined by the department of corrections after consultation with the board. Possible risk, as used in the documentation of the behavior, or threat thereof, shall be reviewed with the inmate.
(2) Department of corrections administrators and superintendents who are authorized to make decisions about testing and dissemination of test information shall, at least annually, participate in training seminars on public health considerations conducted by the assistant secretary for public health or her or his designee.

(3) Administrative hearing requirements set forth in chapter 34.04 RCW do not apply to the procedure developed by the department of corrections pursuant to this section. This section shall not be construed as requiring any hearing process except as may be required under existing federal constitutional law.

(4) Section 703 of this act does not apply to the department of corrections or to inmates in its custody or subject to its jurisdiction.

NEW SECTION. Sec. 708. By January 1, 1989, the secretary of corrections shall report to the legislature on the necessity of an AIDS-related segregation policy for all facilities under the director of the secretary.

NEW SECTION. Sec. 709. The board of health shall adopt rules establishing minimum standards for pretest counseling, HIV testing, posttest counseling, and AIDS counseling.

NEW SECTION. Sec. 710. Sections 701 through 707 and 709 of this act are each added to chapter 70.24 RCW.

PART VIII
REGIONAL AIDS SERVICE NETWORKS

NEW SECTION. Sec. 801. A new section is added to chapter 70.24 RCW to read as follows:

The department shall establish a state-wide system of regional acquired immunodeficiency syndrome (AIDS) service networks as follows:

(1) The secretary of social and health services shall direct that all state or federal funds, excluding those from federal Title XIX for services or other activities authorized in this chapter, shall be allocated to the office on AIDS established in section 602 of this act. The secretary shall further direct that all funds for services and activities specified in subsection (3) of this section shall be provided to lead counties through contractual agreements based on plans developed as provided in subsection (2) of this section, unless direction of such funds is explicitly prohibited by federal law, federal regulation, or federal policy. The department shall deny funding allocations to lead counties only if the denial is based upon documented incidents of nonfeasance, misfeasance, or malfeasance. However, the department shall give written notice and thirty days for corrective action in incidents of misfeasance or nonfeasance before funding may be denied. The department shall designate six AIDS service network regions encompassing the state. In doing so, the department shall use the boundaries of the regional structures in place for the community services administration on January 1, 1988.

(2) The department shall request that a lead county within each region, which shall be the county with the largest population, prepare, through a cooperative effort of local health departments within the region, a regional organizational and service plan, which meets the requirements set forth in subsection (3) of this section. Efforts should be made to use existing plans, where appropriate. The plan should place emphasis on contracting with existing hospitals, major voluntary organizations, or health care organizations within a region that have in the past provided quality services similar to those mentioned in subsection (3) of this section and that have demonstrated an interest in providing any of the components listed in subsection (3) of this section. If any of the counties within a region do not participate, it shall be the lead county's responsibility to develop the part of the plan for the nonparticipating county or counties. If all of the counties within a region do not participate, the department shall assume the responsibility.

(3) The regional AIDS service network plan shall include the following components:

(a) A designated single administrative or coordinating agency;
(b) A complement of services to include:
   (i) Voluntary and anonymous counseling and testing;
   (ii) Mandatory testing and/or counseling services for certain individuals, as required by law;
   (iii) Notification of sexual partners of infected persons, as required by law;
   (iv) Education for the general public, health professionals, and high-risk groups;
   (v) Intervention strategies to reduce the incidence of HIV infection among high-risk groups, possibly including needle sterilization and methadone maintenance;
   (vi) Related community outreach services for runaway youth;
   (vii) Case management;
   (viii) Strategies for the development of volunteer networks;
   (ix) Strategies for the coordination of related agencies within the network; and
   (x) Other necessary information, including needs particular to the region;
(c) A service delivery model that includes:
   (i) Case management services; and
   (ii) A community-based continuum-of-care model encompassing both medical, mental health, and social services with the goal of maintaining persons with AIDS in a home-like setting, to the extent possible, in the least-expensive manner; and
   (d) Budget, caseload, and staffing projections.
(4) Efforts shall be made by both the counties and the department to use existing service delivery systems, where possible, in developing the networks.

(5) The University of Washington health science program, in cooperation with the office on AIDS may, within available resources, establish a center for AIDS education, which shall be linked to the networks. The center for AIDS education is not intended to engage in state-funded research related to HIV infection, AIDS, or HIV-related conditions. Its duties shall include providing the office on AIDS with the appropriate educational materials necessary to carry out that office’s duties.

(6) The department shall implement this section, consistent with available funds, by October 1, 1988, by establishing six regional AIDS service networks whose combined jurisdictions shall include the entire state.

(a) Until June 30, 1991, available funding for each regional AIDS service network shall be allocated as follows:

(i) Seventy-five percent of the amount provided for each regional AIDS service networks shall be allocated per capita based on the number of persons residing within each region, but in no case less than one hundred fifty thousand dollars for each regional AIDS service network per fiscal year. This amount shall be expended for testing, counseling, education, case management, notification of sexual partners of infected persons, planning, coordination, and other services required by law, except for those enumerated in (ii) of this subsection.

(ii) Twenty-five percent of the amount provided for regional AIDS service networks shall be allocated for intervention strategies specifically addressing groups that are at a high risk of being infected with the human immunodeficiency virus. The allocation shall be made by the office on AIDS based on documented need as specified in regional AIDS network plans.

(b) After June 30, 1991, the funding shall be allocated as provided by law. By December 15, 1990, the department shall report to the appropriate committees of the legislature on proposed methods of funding regional AIDS service networks.

(7) The regional AIDS service networks shall be the official state regional agencies for AIDS information education and coordination of services. The state public health officer, as designated by the secretary of social and health services, shall make adequate efforts to publicize the existence and functions of the networks.

(8) If the department is not able to establish a network by an agreement solely with counties, it may contract with nonprofit agencies for any or all of the designated network responsibilities.

(9) The department, in establishing the networks, shall study mechanisms that could lead to reduced costs and/or increased access to services. The methods shall include capitation.

(10) The department shall reflect in its departmental biennial budget request the funds necessary to implement this section.

(11) The department shall submit an implementation plan to the appropriate committees of the legislature by July 1, 1988.

(12) The use of appropriate materials as authorized by regional AIDS service networks in the prevention or control of HIV infection shall not be deemed a violation of RCW 69.50.412.

NEW SECTION. Sec. 802. The department shall study the need for community residential care for persons with AIDS, including facility size, staffing, and related community health and social services, and report its finding to the appropriate committees of the legislature by December 15, 1988.

NEW SECTION. Sec. 803. To assist the secretary of social and health services in the development and implementation of AIDS programs, the governor shall appoint an AIDS advisory committee. Among its duties shall be a review of insurance problems as related to persons with AIDS. The committee shall terminate on June 30, 1991.

PART IX

CONTROL OF SEXUALLY TRANSMITTED DISEASES

NEW SECTION. Sec. 901. A new section is added to chapter 70.24 RCW to read as follows:

The legislature declares that sexually transmitted diseases constitute a serious and sometimes fatal threat to the public and individual health and welfare of the people of the state. The legislature finds that the incidence of sexually transmitted diseases is rising at an alarming rate and that these diseases result in significant social, health, and economic costs, including infant and maternal mortality, temporary and lifelong disability, and premature death. The legislature further finds that sexually transmitted diseases, by their nature, involve sensitive issues of privacy, and it is the intent of the legislature that all programs designed to deal with these diseases afford patients privacy, confidentiality, and dignity. The legislature also finds that medical knowledge and information about sexually transmitted diseases are rapidly changing. It is therefore the intent of the legislature to provide a program that is sufficiently flexible to meet emerging needs, deals efficiently and effectively with reducing the incidence of sexually transmitted diseases, and provides patients with a secure knowledge that information they provide will remain private and confidential.

NEW SECTION. Sec. 902. A new section is added to chapter 49.60 RCW to read as follows:

(1) Sensory, mental, or physical handicap shall include actual or perceived HIV infection status of an individual.
been placed at risk for acquisition of a sexually transmitted infection of the infected person was unaware that a risk of infection

In subsection (5) of this section, for the purpose of artificial insemination; or (iii) blood specimens;

A human body part, tissue, or blood from a deceased person with respect to medical information regarding that person; (ii) semen, including that provided prior to the effective date of this section, for the purpose of artificial insemination; or (iii) blood specimens;

Laboratorie testing for HIV shall report anonymous HIV prevalence results to the department, for health statistics purposes, in a manner established by the board.

Sec. 908. Section 8, chapter 114, Laws of 1919 and RCW 70.24.070 are each amended to read as follows:

For the purpose of carrying out (the provisions of this (act) chapter, the (state) board (of health)) shall have the power and authority (from time to time, to divide the state into such number of quarantine districts consisting of one or more counties or parts of counties or municipalities as it shall deem expedient, and to establish at such places or places as it shall deem necessary quarantine stations and clinics)) to designate facilities for the detention and treatment of persons found to be infected with a sexually transmitted disease and to (designate any such (quarantine station and clinic in connection with any county or city jail or) facility in any hospital or other public or private institution, other than a jail or correctional facility, having, or which may be provided with, such necessary detention, segregation, isolation, clinic and hospital facilities as may be required and prescribed by the board, and to enter into arrangements for the conduct of such ((quarantine stations and clinics)) facilities with the public officials or persons, associations, or corporations in charge of or maintaining and operating such institutions.

NEW SECTION. Sec. 909. A new section is added to chapter 70.24 RCW to read as follows:

(1) Subject to the provisions of this chapter, the state and local public health officers or their authorized representatives may examine and counsel or cause to be examined and counseled persons reasonably believed to be infected with or to have been exposed to a sexually transmitted disease.

(2) Orders or restrictive measures directed to persons with a sexually transmitted disease shall be used as the last resort when other measures to protect the public health have failed, including reasonable efforts, which shall be documented, to obtain the voluntary cooperation of the person, who may be subject to such an order. The orders and measures shall be applied serially with the least intrusive measures used first. The burden of proof shall be on the state or local public health officer to show that specified grounds exist for the issuance of the orders or restrictive measures and that the terms and conditions imposed are no more restrictive than necessary to protect the public health.

(3) When the state or local public health officer within his or her respective jurisdiction knows or has reason to believe, because of direct medical knowledge or reliable testimony of others in a position to have direct knowledge of a person’s behavior, that a person has a sexually transmitted disease and is engaging in specified conduct, as determined by the board by rule based upon generally accepted standards of medical and public health science, that endangers the public health, he or she shall conduct an investigation in accordance with procedures prescribed by the board to evaluate the specific facts alleged, if any, and the reliability and credibility of the person or persons providing such information and, if satisfied that the allegations are true, he or she may issue an order according to the following priority to:

(a) Order a person to submit to a medical examination or testing, seek counseling, or obtain medical treatment for curable diseases, or any combination of these, within a period of time determined by the public health officer, not to exceed fourteen days.

(b) Order a person to immediately cease and desist from specified conduct which endangers the health of others by imposing such restrictions upon the person as are necessary to prevent the specified conduct that endangers the health of others only if the public health officer has determined that clear and convincing evidence exists to believe that such person has been ordered to report for counseling as provided in (a) of this subsection and continues to demonstrate behavior which endangers the health of others. Any restriction shall be in writing, setting forth the name of the person to be restricted and the initial period of time, not to exceed three months, during which the order shall remain effective, the terms of the restrictions, and such other conditions as may be necessary to protect the public health. Restrictions shall be imposed in the least-restrictive manner necessary to protect the public health.

(4) (a) Upon the issuance of any order by the state or local public health officer or an authorized representative pursuant to subsection (3) of this section or section 703(4) of this act, such public health officer shall give written notice promptly, personally, and confidentially to the person who is the subject of the order stating the grounds and provisions of the order, including the factual bases therefor, the evidence relied upon for proof of infection and dangerous behavior, and the likelihood of repetition of such behaviors in the absence of such an order, and notifying the person who is the subject of the order that, if he or she contests the order, he or she may appear at a judicial hearing on the enforceability of the order, to be held in superior court. He or she may have an attorney appear on his or her behalf in the hearing at public expense, if necessary. The hearing shall be held within seventy-two hours of receipt of the notice, unless the person subject to the order agrees to comply. If the person contests the order, no invasive medical procedures shall be carried out prior to a hearing being held pursuant to this subsection. If the person does not contest the order within seventy-two hours of receiving it, and the person does not comply with the order within the time period specified for
compliance with the order, the state or local public health officer may request a warrant be issued by the superior court to insure appearance at the hearing. The hearing shall be within seventy-two hours of the expiration date of the time specified for compliance with the original order. The burden of proof shall be on the public health officer to show by clear and convincing evidence that the specified grounds exist for the issuance of the order and for the need for compliance and that the terms and conditions imposed therein are no more restrictive than necessary to protect the public health. Upon conclusion of the hearing, the court shall issue appropriate orders affirming, modifying, or dismissing the order.

(b) If the superior court dismisses the order of the public health officer, the fact that the order was issued shall be expunged from the records of the department or local department of health.

(5) Any hearing conducted pursuant to this section shall be closed and confidential unless a public hearing is requested by the person who is the subject of the order, in which case the hearing will be conducted in open court. Unless in open hearing, any transcripts or records relating thereto shall also be confidential and may be sealed by the order of the court.

NEW SECTION. Sec. 910. A new section is added to chapter 70.24 RCW to read as follows:

(1) When the procedures of section 909 of this act have been exhausted and the state or local public health officer, within his or her respective jurisdiction, knows or has reason to believe, because of medical information, that a person has a sexually transmitted disease and that the person continues to engage in behaviors that present an imminent danger to the public health as defined by the board by rule based upon generally accepted standards of medical and public health science, the public health officer may bring an action in superior court to detain the person in a facility designated by the board for a period of time necessary to accomplish a program of counseling and education, excluding any coercive techniques or procedures, designed to get the person to adopt nondangerous behavior. In no case may the period exceed ninety days under each order. The board shall establish, by rule, standards for counseling and education under this subsection. The public health officer shall request the prosecuting attorney to file such action in superior court. During that period, reasonable efforts will be made in a noncoercive manner to get the person to adopt nondangerous behavior.

(2) If an action is filed as outlined in subsection (1) of this section, the superior court, upon the petition of the prosecuting attorney, shall issue other appropriate court orders including, but not limited to, an order to take the person into custody immediately, for a period not to exceed seventy-two hours, and place him or her in a facility designated or approved by the board.

(3) The hearing shall be conducted no later than forty-eight hours after the receipt of the order. The person who is subject to the order has a right to be present at the hearing and may have an attorney appear on his or her behalf in the hearing, at public expense if necessary. If the order being contested includes detention for a period of fourteen days or longer, the person shall also have the right to a trial by jury upon request. Upon conclusion of the hearing or trial by jury, the court shall issue appropriate orders.

The court may continue the hearing upon the request of the person who is subject to the order for good cause shown for no more than five additional judicial days. If a trial by jury is requested, the court, upon motion, may continue the hearing for no more than ten additional judicial days. During the pendency of the continuance, the court may order that the person contesting the order remain in detention or may place terms and conditions upon the person which the court deems appropriate to protect public health.

(4) The burden of proof shall be on the state or local public health officer to show by clear and convincing evidence that grounds exist for the issuance of any court order pursuant to subsection (2) or (3) of this section. If the superior court dismisses the order, the fact that the order was issued shall be expunged from the records of the state or local department of health.

(5) Any hearing conducted by the superior court pursuant to subsection (2) or (3) of this section shall be closed and confidential unless a public hearing is requested by the person who is the subject of the order, in which case the hearing will be conducted in open court. Unless in open hearing, any transcripts or records relating thereto shall also be confidential and may be sealed by order of the court.

(6) Any order entered by the superior court pursuant to subsection (1) or (2) of this section shall impose terms and conditions no more restrictive than necessary to protect the public health.

A minor fourteen years of age or older who may have come in contact with any ((venereal)) sexually transmitted disease or suspected ((venereal)) sexually transmitted disease may give consent to the furnishing of hospital, medical and surgical care related to the diagnosis or treatment of such disease. Such consent shall not be subject to disaffirmance because of minority. The consent of the parent, parents, or legal guardian of such minor shall not be necessary to authorize hospital, medical and surgical care related to such disease and such parent, parent, or legal guardian shall not be liable for payment for any care rendered pursuant to this section.

Sec. 913. Section 1, chapter 59, Laws of 1977 and RCW 70.24.120 are each amended to read as follows:

MOTION

Senator Halsan moved that the following amendment be adopted:

On page 2, line 4, after "are" strike "not"

Debate ensued.
POINT OF INQUIRY

Senator Lee: "Senator Halsan, I agree with your amendment. I think your analysis is exactly right, but I wanted to ask you, further on in that same section it seems to be restated another way, and I just wondered if you needed to remove two 'nots.' where it says, 'rates negotiated or established are not subject to any review or approval by the commission under this chapter?"

Senator Halsan: "Senator Lee. I don't believe that we need to remove that second 'not.' because the two things that are required—the amendment provides that. in fact, the rates established subsequent to negotiations must not relate to a cost shift. The language on page 1 says that, in fact, that they should not result in any shifting of costs to other payers or purchasers in the current or any subsequent year. Now we're allowing negotiations and contrary to what Senator McDonald said, this bill, as my amendment is hung on it. will allow negotiated rates. It just will not allow cost shifting. I don't think it's necessary, if we have that prohibition in there to require that the Hospital Commission can be subject to review or otherwise on that. I think it's just fine. This amendment in this bill, will allow negotiations, but just prohibit the shifting of costs to private pay people."

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Kreidler, as I understand the amendment as offered by Senator Halsan that removes the 'not' and says they are subject to A and B. does this have the effect of breaking small hospitals? I've heard that we're not doing very much for the people if we break all the small hospitals in the state. Is that true?"

Senator Kreidler: "Small hospitals are not going to make or break on the Medicaid contract, on whether they have a Medicaid contract or not. Small hospitals are usually also located in areas where they're in a non-competitive situation with other hospitals. As a consequence, the state has no other choice except to contract with them. It's the larger hospitals where you have more than one, two or more hospitals in a particular defined geographic area, that are going to be in a position where they might decide on their own whether they want to bid for a Medicaid contract with the state."

Further debate ensued.

Senator Halsan demanded a roll call and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the roll call on the adoption of the amendment by Senator Halsan to Engrossed House Bill No. 2046.

Senator Patterson: "Senator Hansen, the Department of Licensing wants to be sure that there is no misunderstanding of the intent of this legislation. Both the House and the Senate Transportation Committees have been given a Letter of Intent by the department confirming that the purpose of Senate Bill No. 6668 is twofold; (1) To bring Washington into compliance with the National Governors Association consensus agenda for states and; (2) To eliminate mandatory bonding for special fuel users both within the state and for the interstate carriers.

"Special fuel users will no longer be required to obtain a costly surety bond from a bonding company, but if a fuel user fails to file the reports and pay the special fuel taxes that are due to the state, the department may require that particular fuel user to file a bond for a period of time."

MOTION

Senator Nelson moved that the Report of the Conference Committee on Substitute Senate Bill No. 6439 be adopted and the committee be granted the powers of Free Conference.

PARLIAMENTARY INQUIRY

Senator Rasmussen: "A parliamentary inquiry, does the rule that requires twenty-four hours run from the time that we grant the powers of Free Conference? Senator Nelson has just made a motion granting the powers of Free Conference. According to our rules, it should be laid on our desks with a twenty-four hour period from the time we grant the powers of Free Conference. How would the President rule on that?"

REPLY BY THE VICE PRESIDENT PRO TEMPORE

Vice President Pro Tempore Craswell: "Would Senator Rasmussen point out what rule he's referring to?"

Senator Rasmussen: "The rule on Free Conference Reports. Senator Snyder has the number right in his head. If you want me to look it up—I'll look it up. Senator Nelson has the rule in his head, also. And while I'm on my feet in parliamentary inquiry, we have another rule sponsored by Senator Vognild, that said we will adjourn at ten o'clock. I might assure you, I'm getting ready to invoke that rule very shortly. I understand that Senator Newhouse is thinking of the same rule."

RULING BY THE VICE PRESIDENT PRO TEMPORE

Vice President Pro Tempore Craswell: "Senator Rasmussen, we can grant the powers of Free Conference prior to the twenty-four hours. We can't take the vote on the Free Conference Report until the twenty-four hours."

Further debate ensued.

The Vice President Pro Tempore declared the question before the Senate to be the motion by Senator Nelson to adopt the Report of the Conference Committee on Substitute Senate Bill No. 6439 and to grant the powers of Free Conference.

The motion by Senator Nelson carried and the Senate adopted the Report of the Conference Committee on Substitute Senate Bill No. 6439 and granted the powers of Free Conference.

On motion of Senator Nelson, the Report of the Free Conference Committee on Engrossed Substitute House Bill No. 1817 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1817, as amended by the Free Conference Committee.

POINT OF INQUIRY

Senator Metcalf: "Thank you, Mr. President. Maybe someone can answer this question. This bill appears to me to be sort of a backdoor way of achieving sort of a tax increment financing. I've always opposed the concept of tax increment financing. This may not be it, but it is my opinion that it is, and if it isn't I would like to have somebody stand up and tell me that it isn't. I'm just going to vote 'no' on the bill unless I can feel comfortable on that point."

Senator Nelson: "Mr. President and members of the Senate, I want to assure everybody that this is not tax increment financing. This particular measure ends up allowing private property owners to finally get recognition for their donating property that up till now, cities, counties, and the state government just simply go in and use their right of eminent domain and takes the property. What we are allowing now to have happen is a private public partnership, where the property owner gets credit for donating the property and can also participate by helping construct improvements in a right location such as a shopping center or a housing development. There is no other activity involved as far as taxing is concerned. There is in the bill, of course, the same existing language relative to having LIDS and the rest, but I can assure you that this is not tax increment financing."

Further debate ensued.

MOTION

Senator Nelson moved that the Report of the Free Conference Committee on Engrossed Substitute House Bill No. 1420 be adopted.

Debate ensued.

POINT OF INQUIRY

Senator Metcalf: "Senator Lee, basically, if this bill doesn’t pass, the potential is that the state would lose about thirty million dollars? Who would gain that? Would local government gain it or would it be a tax decrease for the people?"
Senator Lee: "Senator Metcalf, it would not be any kind of a tax decrease for the governmental—those persons living in governmental jurisdictions that would cause that to happen. It is possible that for a one-year period of time, because of a smaller—because of the uniformity provisions the state being forced to reduce its request for school money—that it might be a one-year decrease for certain property tax owners, but I would guarantee you that before that year was over, every local government would be in there sucking up that share once again. That's why we're making it for a one-year situation, so that we can sit down and try to work out the differences so that indeed does not happen."

NEW SECTION. Sec. 401. The legislature finds that the public schools provide a unique and appropriate setting for educating young people about the pathology and prevention of acquired immunodeficiency syndrome (AIDS). The legislature recognizes that schools and communities vary throughout the state and that locally elected school directors should have a significant role in establishing a program of AIDS education in their districts.

NEW SECTION. Sec. 402. A new section is added to chapter 28A.05 RCW to read as follows:

(1) The life-threatening dangers of acquired immunodeficiency syndrome (AIDS) and its prevention shall be taught in the public schools of this state. AIDS prevention education shall be limited to the discussion of the life-threatening dangers of the disease, its spread, and prevention. Students shall receive such education at least once each school year beginning no later than the fifth grade.

(2) Each district board of directors shall adopt an AIDS prevention education program which is developed in consultation with teachers, administrators, parents, and other community members including, but not limited to, persons from medical, public health, and mental health organizations and agencies so long as the curricula and materials developed for use in the AIDS education program either (a) are the model curricula and resources under subsection (3) of this section, or (b) are developed by the school district and approved for medical accuracy by the office on AIDS established in section 602 of this act. If a district elects to use curricula developed by the school district, the district shall submit to the office on AIDS a copy of its curricula and an affidavit of medical accuracy stating that the material in the district-developed curricula has been compared to the model curricula for medical accuracy and that in the
opinion of the district the district-developed materials are medically accurate. Upon submission of the affidavit and curricula, the district may use these materials until the approval procedure to be conducted by the office of AIDS has been completed.

The parents and guardians shall be notified by the school district of the presentation and that the curricula and materials are available for inspection. No student may be required to participate in AIDS prevention education if the student's parent or guardian, having attended one of the district presentations, objects in writing to the participation.

(5) The office of the superintendent of public instruction with the assistance of the office on AIDS shall update AIDS education curriculum material as newly discovered medical facts make it necessary.

(6) The curriculum for AIDS prevention education shall be designed to teach students which behaviors place a person dangerously at risk of infection with the human immunodeficiency virus (HIV) and methods to avoid such risk including, at least:

(a) The dangers of drug abuse, especially involving the use of hypodermic needles; and

NEW SECTION. Sec. 607. The state personnel board, the higher education personnel board, and each unit of local government shall determine whether any employees under their jurisdiction have a substantial likelihood of exposure in the course of their employment to the human immunodeficiency virus. If so, the agency or unit of government shall adopt rules requiring appropriate training and education for the employees on the prevention, transmission, and treatment of AIDS. NEW SECTION. Sec. 701. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Pretest counseling" means counseling aimed at helping the individual understand ways to reduce the risk of HIV infection, the nature and purpose of the tests, the significance of the results, and the potential dangers of the disease, and to assess the individual's ability to cope with the results.

(2) "Posttest counseling" means further counseling following testing usually directed toward increasing the individual's understanding of the human Immunodeficiency virus infection, changing the individual's behavior, and, if necessary, encouraging the individual to notify persons with whom there has been contact capable of spreading HIV.
(3) "AIDS counseling" means counseling directed toward increasing the individual's understanding of acquired immunodeficiency syndrome and changing the individual's behavior.

(4) "HIV testing" means a test indicative of infection with the human immunodeficiency virus as specified by the board of health by rule.

NEW SECTION. Sec. 702. No person may undergo HIV testing without the person's consent except:

(1) Pursuant to RCW 7.70.065 for incompetent persons;
(2) In seroprevalence studies where neither the person whose blood is being tested know the test results nor the persons conducting the tests know who is undergoing testing;
(3) If the department of labor and industries determines that it is relevant, in which case payments made under Title 51 RCW may be conditioned on the taking of an HIV antibody test; or
(4) As otherwise expressly authorized by this chapter.

NEW SECTION. Sec. 703. (1) Local health departments authorized under this chapter shall conduct or cause to be conducted pretest counseling, HIV testing, and posttest counseling of all persons:
(a) Convicted of a sexual offense under chapter 9A.44 RCW;
(b) Convicted of prostitution or offenses relating to prostitution under chapter 9A.88 RCW; or
(c) Convicted of drug offenses under chapter 69.50 RCW if the court determines at the time of conviction that the related drug offense is one associated with the use of hypodermic needles.

(2) Such testing shall be conducted as soon as possible after sentencing and shall be so ordered by the sentencing judge.

(3) This section applies only to offenses committed after the effective date of this section.

(4) A law enforcement officer, firefighter, health care provider, health care facility staff person, or other categories of employment determined by the board in rule to be at risk of substantial exposure to HIV, who has experienced a substantial exposure to another person's bodily fluids in the course of his or her employment, may request a state or local public health officer to order pretest counseling, HIV testing, and posttest counseling for the person whose bodily fluids he or she has been exposed to. The person who is subject to the order shall be given written notice of the order promptly, personally, and confidentially, stating the grounds and provisions of the order, including the factual basis therefor. If the person who is subject to the order refuses to comply, the state or local public health officer may petition the superior court for a hearing. The standard of review for the order is whether substantial exposure occurred and whether that exposure presents a possible risk of transmission of the HIV virus as defined by the board by rule. Upon conclusion of the hearing, the court shall issue the appropriate order. The state or local public health officer shall perform counseling and testing under this subsection if he or she finds that the exposure was substantial and presents a possible risk as defined by the board of health by rule.

NEW SECTION. Sec. 704. Local health departments, in cooperation with the regional AIDS services networks, shall make available voluntary testing and counseling services to all persons arrested for prostitution offenses under chapter 9A.88 RCW and drug offenses under chapter 69.50 RCW. Services shall include educational materials that outline the seriousness of AIDS and encourage voluntary participation.

NEW SECTION. Sec. 705. (1) Every health care practitioner attending a pregnant woman or a person seeking treatment of a sexually transmitted disease shall insure that AIDS counseling of the patient is conducted.
(2) AIDS counseling shall be provided to each person in a drug treatment program under chapter 69.54 RCW.

NEW SECTION. Sec. 706. Jail administrators, with the approval of the local public health officer, may order pretest counseling, HIV testing, and posttest counseling for persons detained in the jail if the local public health officer determines that actual or threatened behavior presents a possible risk to the staff, general public, or other persons. Approval of the local public health officer shall be based on section 909(3) of this act and may be contested through section 909(4) of this act. The administrator shall establish, pursuant to RCW 70.48.071, a procedure to document the possible risk which is the basis for the HIV testing. "Possible risk," as used in this section, shall be defined by the board in rule. Documentation of the behavior, or threat thereof, shall be reviewed with the person to try to assure that the person understands the basis for testing.

NEW SECTION. Sec. 707. (1) Department of corrections facility administrators may order pretest counseling, HIV testing, and posttest counseling for inmates if the secretary of corrections or the secretary's designee determines that actual or threatened behavior presents a possible risk to the staff, general public, or other inmates. The department of corrections shall establish a procedure to document the possible risk which is the basis for the HIV testing. "Possible risk," as used in this section, shall be defined by the department of corrections after consultation with the board. Possible risk, as used in the documentation of the behavior, or threat thereof, shall be reviewed with the inmate.
(2) Department of corrections administrators and superintendents who are authorized to make decisions about testing and dissemination of test information shall, at least annually, participate in training seminars on public health considerations conducted by the assistant secretary for public health or her or his designee.

(3) Administrative hearing requirements set forth in chapter 34.04 RCW do not apply to the procedure developed by the department of corrections pursuant to this section. This section shall not be construed as requiring any hearing process except as may be required under existing federal constitutional law.

(4) Section 703 of this act does not apply to the department of corrections or to inmates in its custody or subject to its jurisdiction.

NEW SECTION. Sec. 708. By January 1, 1989, the secretary of corrections shall report to the legislature on the necessity of an AIDS-related segregation policy for all facilities under the director of the secretary.

NEW SECTION. Sec. 709. The board of health shall adopt rules establishing minimum standards for pretest counseling, HIV testing, posttest counseling, and AIDS counseling.

NEW SECTION. Sec. 710. Sections 701 through 707 and 709 of this act are each added to chapter 70.24 RCW.

PART VIII
REGIONAL AIDS SERVICE NETWORKS

NEW SECTION. Sec. 801. A new section is added to chapter 70.24 RCW to read as follows:

The department shall establish a state-wide system of regional acquired immunodeficiency syndrome (AIDS) service networks as follows:

(1) The secretary of social and health services shall direct that all state or federal funds, excluding those from federal Title XIX for services or other activities authorized in this chapter, shall be allocated to the office on AIDS established in section 602 of this act. The secretary shall further direct that all funds for services and activities specified in subsection (3) of this section shall be provided to lead counties through contractual agreements based on plans developed as provided in subsection (2) of this section, unless direction of such funds is explicitly prohibited by federal law, federal regulation, or federal policy. The department shall deny funding allocations to lead counties only if the denial is based upon documented incidents of nonfeasance, misfeasance, or malfeasance. However, the department shall give written notice and thirty days for corrective action in incidents of misfeasance or nonfeasance before funding may be denied. The department shall designate six AIDS service network regions encompassing the state. In doing so, the department shall use the boundaries of the regional structures in place for the community services administration on January 1, 1988.

(2) The department shall request that a lead county within each region, which shall be the county with the largest population, prepare, through a cooperative effort of local health departments within the region, a regional organizational and service plan, which meets the requirements set forth in subsection (3) of this section. Efforts should be made to use existing plans, where appropriate. The plan should place emphasis on contracting with existing hospitals, major voluntary organizations, or health care organizations within a region that have in the past provided quality services similar to those mentioned in subsection (3) of this section and that have demonstrated an interest in providing any of the components listed in subsection (3) of this section. If any of the counties within a region do not participate, it shall be the lead county's responsibility to develop the part of the plan for the nonparticipating county or counties. If all of the counties within a region do not participate, the department shall assume the responsibility.

(3) The regional AIDS service network plan shall include the following components:

(a) A designated single administrative or coordinating agency;

(b) A complement of services to include:

(i) Voluntary and anonymous counseling and testing;

(ii) Mandatory testing and/or counseling services for certain individuals, as required by law;

(iii) Notification of sexual partners of infected persons, as required by law;

(iv) Education for the general public, health professionals, and high-risk groups;

(v) Intervention strategies to reduce the incidence of HIV infection among high-risk groups, possibly including needle sterilization and methadone maintenance;

(vi) Related community outreach services for runaway youth;

(vii) Case management;

(viii) Strategies for the development of volunteer networks;

(ix) Strategies for the coordination of related agencies within the network; and

(x) Other necessary information, including needs particular to the region:

(c) A service delivery model that includes:

(i) Case management services; and

(ii) A community-based continuum-of-care model encompassing both medical, mental health, and social services with the goal of maintaining persons with AIDS in a home-like setting, to the extent possible, in the least-expensive manner; and

(d) Budget, caseload, and staffing projections.
(4) Efforts shall be made by both the counties and the department to use existing service delivery systems, where possible, in developing the networks.

(5) The University of Washington health science program, in cooperation with the office on AIDS may, within available resources, establish a center for AIDS education, which shall be linked to the networks. The center for AIDS education is not intended to engage in state-funded research related to HIV infection, AIDS, or HIV-related conditions. Its duties shall include providing the office on AIDS with the appropriate educational materials necessary to carry out that office's duties.

(6) The department shall implement this section, consistent with available funds, by October 1, 1988, by establishing six regional AIDS service networks whose combined jurisdictions shall include the entire state.

(a) Until June 30, 1991, available funding for each regional AIDS service network shall be allocated as follows:

(i) Seventy-five percent of the amount provided for regional AIDS service networks shall be allocated per capita based on the number of persons residing within each region, but in no case less than one hundred fifty thousand dollars for each regional AIDS service network per fiscal year. This amount shall be expended for testing, counseling, education, case management, notification of sexual partners of infected persons, planning, coordination, and other services required by law, except for those enumerated in (ii) of this subsection.

(ii) Twenty-five percent of the amount provided for regional AIDS service networks shall be allocated for intervention strategies specifically addressing groups that are at a high risk of being infected with the human immunodeficiency virus. The allocation shall be made by the office on AIDS based on documented need as specified in regional AIDS network plans.

(b) After June 30, 1991, the funding shall be allocated as provided by law. By December 15, 1990, the department shall report to the appropriate committees of the legislature on proposed methods of funding regional AIDS service networks.

(7) The regional AIDS service networks shall be the official state regional agencies for AIDS information education and coordination of services. The state public health officer, as designated by the secretary of social and health services, shall make adequate efforts to publicize the existence and functions of the networks.

(8) If the department is not able to establish a network by an agreement solely with counties, it may contract with nonprofit agencies for any or all of the designated network responsibilities.

(9) The department, in establishing the networks, shall study mechanisms that could lead to reduced costs and/or increased access to services. The methods shall include capitation.

(10) The department shall reflect in its departmental biennial budget request the funds necessary to implement this section.

(11) The department shall submit an implementation plan to the appropriate committees of the legislature by July 1, 1988.

(12) The use of appropriate materials may be authorized by regional AIDS service networks in the prevention or control of HIV infection.

NEW SECTION. Sec. 802. The department shall study the need for community residential care for persons with AIDS, including facility size, staffing, and related community health and social services, and report its finding to the appropriate committees of the legislature by December 15, 1988.

NEW SECTION. Sec. 803. To assist the secretary of social and health services in the development and implementation of AIDS programs, the governor shall appoint an AIDS advisory committee. Among its duties shall be a review of insurance problems as related to persons with AIDS. The committee shall terminate on June 30, 1991.

PART IX
CONTROL OF SEXUALLY TRANSMITTED DISEASES

NEW SECTION. Sec. 901. A new section is added to chapter 70.24 RCW to read as follows:

The legislature declares that sexually transmitted diseases constitute a serious and sometimes fatal threat to the public and individual health and welfare of the people of the state. The legislature finds that the incidence of sexually transmitted diseases is rising at an alarming rate and that these diseases result in significant social, health, and economic costs, including infant and maternal mortality, temporary and lifelong disability, and premature death. The legislature further finds that sexually transmitted diseases, by their nature, involve sensitive issues of privacy, and it is the intent of the legislature that all programs designed to deal with these diseases afford patients privacy, confidentiality, and dignity. The legislature also finds that medical knowledge and information about sexually transmitted diseases are rapidly changing. It is therefore the intent of the legislature to provide a program that is sufficiently flexible to meet emerging needs, deals efficiently and effectively with reducing the incidence of sexually transmitted diseases, and provides patients with a secure knowledge that information they provide will remain private and confidential.

NEW SECTION. Sec. 902. A new section is added to chapter 49.60 RCW to read as follows:
(1) For the purposes of determining whether an unfair practice under this chapter has occurred, claims of discrimination based on actual or perceived HIV infection shall be evaluated in the same manner as other claims of discrimination based on sensory, mental, or physical handicap.

(2) Subsection (1) of this section shall not apply to transactions with insurance entities, health service contractors, or health maintenance organizations subject to RCW 49.60.030 (1)(e) or 49.60.178 to prohibit fair discrimination on the basis of actual HIV infection status when bona fide statistical differences in risk or exposure have been substantiated.

(3) For the purposes of this chapter, "HIV" means the human immunodeficiency virus, and includes all HIV and HIV-related viruses which damage the cellular branch of the human immune system and leave the infected person immunodeficient.

NEW SECTION. Sec. 903. A new section is added to chapter 49.60 RCW to read as follows:

(1) No person may require an individual to take an HIV test, as defined in chapter 70.24 RCW, as a condition of hiring, promotion, or continued employment unless the absence of HIV infection is a bona fide occupational qualification for the job in question.

(2) No person may discharge or fail or refuse to hire any individual, or segregate or classify any individual in any way which would deprive or tend to deprive that individual of employment opportunities or adversely affect his or her status as an employee, or otherwise discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment on the basis of the results of an HIV test unless the absence of HIV infection is a bona fide occupational qualification of the job in question.

(3) The absence of HIV infection as a bona fide occupational qualification exists when performance of a particular job can be shown to present a significant risk, as defined by the board of health by rule, of transmitting HIV infection to other persons, and there exists no means of eliminating the risk by restructuring the job.

(4) For the purpose of this chapter, any person who is actually infected with HIV, but is not disabled as a result of the infection, shall not be eligible for any benefits under the affirmative action provisions of chapter 49.74 RCW solely on the basis of such infection.

(5) Employers are immune from civil action for damages arising out of transmission of HIV to employees or to members of the public unless such transmission occurs as a result of the employer's gross negligence.

NEW SECTION. Sec. 904. A new section is added to chapter 70.24 RCW to read as follows:

(1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this chapter.

(2) No person may disclose or be compelled to disclose the identity of any person upon whom a test for a sexually transmitted disease is performed, or the results of such a test or any information relating to diagnosis of or treatment for a sexually transmitted disease in a manner which permits identification of the subject of the test, diagnosis, or treatment except to the following persons:

(a) The subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor child over fourteen years of age and otherwise competent.

(b) Any person who secures a specific release of test results executed by the subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor child over fourteen years of age and otherwise competent.

(c) The state public health officer, a local public health officer, or the centers for disease control of the United States public health service in accordance with reporting requirements for a diagnosed case of a sexually transmitted disease.

(d) A health facility or health care provider that procures, processes, distributes, or uses: (1) A human body part, tissue, or blood from a deceased person with respect to medical information regarding that person; (ii) semen, including that provided prior to the effective date of this section, for the purpose of artificial insemination; or (iii) blood specimens.

(e) Any state or local public health officer conducting an investigation pursuant to section 909 of this act, provided that such record was obtained by means of court ordered HIV testing pursuant to section 703 or 909 of this act.

(f) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure shall: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other appropriate measures...
to keep disclosure to a minimum for the protection of the patient, the physician–patient relationship, and the treatment services, including but not limited to the written statement set forth in subsection (5) of this section;

(g) Persons who, because of their behavioral interaction with the infected individual, have been placed at risk for acquisition of a sexually transmitted disease, as provided in section 906 of this act, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary;

(h) A law enforcement officer, fire fighter, health care provider, health care facility staff person, or other persons as defined by the board in rule pursuant to section 703(4) of this act, who has requested a test of a person whose bodily fluids he or she has been substantially exposed to, pursuant to section 703(4) of this act, if a state or local public health officer performs the test; and

(3) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state–administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection shall be confidential and shall not be released or available to persons who are not involved in handling or determining medical claims payment.

(3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection.

(4) The release of sexually transmitted disease information regarding an offender, except as provided in subsection (2)(e) of this section, shall be governed as follows:

(a) The sexually transmitted disease status of a department of corrections offender shall be made available by department of corrections health care providers to a department of corrections superintendent or administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities, including facilities that are not under the department of correction’s jurisdiction.

(b) The sexually transmitted disease status of a person detained in a jail shall be made available by the local public health officer to a jail administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities.

(c) Information regarding a department of corrections offender’s sexually transmitted disease status is confidential and may be disclosed by a correctional superintendent or administrator or local jail administrator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to any other penalties as may be prescribed by law.

(5) Whenever disclosure is made pursuant to this section, it shall be accompanied by a statement in writing which includes the following or substantially similar language: “This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose.” An oral disclosure shall be accompanied or followed by such a notice within ten days.

NEW SECTION. Sec. 905. A new section is added to chapter 70.24 RCW to read as follows:

The board shall establish reporting requirements for sexually transmitted diseases by rule. Reporting under this section may be required for such sexually transmitted diseases included under this chapter as the board finds appropriate.

NEW SECTION. Sec. 906. A new section is added to chapter 70.24 RCW to read as follows:

(1) The board shall adopt rules authorizing interviews and the state and local public health officers and their authorized representatives may interview, or cause to be interviewed, all persons infected with a sexually transmitted disease and all persons who, in accordance with standards adopted by the board by rule, are reasonably believed to be infected with such diseases for the purpose of investigating the source and spread of the diseases and for the purpose of ordering a person to submit to examination, counseling, or treatment as necessary for the protection of the public health and safety, subject to section 909 of this act.

(2) State and local public health officers or their authorized representatives shall investigate identified partners of persons infected with sexually transmitted diseases in accordance with procedures prescribed by the board.

(3) All information gathered in the course of contact investigation pursuant to this section shall be considered confidential.

(4) No person contacted under this section or reasonably believed to be infected with a sexually transmitted disease who reveals the name or names of sexual contacts during the
course of an investigation shall be held liable in a civil action for such revelation, unless the revelation is made with a knowing or reckless disregard for the truth.

(5) Any person who knowingly or maliciously disseminates any false information or report concerning the existence of any sexually transmitted disease under this section is guilty of a gross misdemeanor punishable as provided under RCW 9A.20.021.

Sec. 907. Section 6, chapter 114, Laws of 1919 and RCW 70.24.050 are each amended to read as follows:

"Diagnosis of a sexually transmitted disease in every instance must be confirmed by laboratory tests or examinations in a laboratory approved or conducted in accordance with procedures and such other requirements as may be established by the ["state"] board ["of health", before any person shall be isolated or committed to quarantine and before any person committed to quarantine shall be discharged therefrom]. Laboratories testing for HIV shall report anonymous HIV prevalence results to the department, for health statistics purposes, in a manner established by the board."
including the factual bases therefor, the evidence relied upon for proof of infection and dangerous behavior, and the likelihood of repetition of such behaviors in the absence of such an order, and notifying the person who is the subject of the order that, if he or she contests the order, he or she may appear at a judicial hearing on the enforceability of the order, to be held in superior court. He or she may have an attorney appear on his or her behalf in the hearing at public expense, if necessary. The hearing shall be held within seventy-two hours of receipt of the notice, unless the person subject to the order agrees to comply. If the person contests the order, no invasive medical procedures shall be carried out prior to a hearing being held pursuant to this subsection. If the person does not contest the order within seventy-two hours of receiving it, and the person does not comply with the order within the time period specified for compliance with the order, the state or local public health officer may request a warrant be issued by the superior court to secure appearance at the hearing. The hearing shall be within seventy-two hours of the expiration date of the time specified for compliance with the original order. The burden of proof shall be on the public health officer to show by clear and convincing evidence that the specified grounds exist for the issuance of the order and for the need for compliance and that the terms and conditions imposed therein are no more restrictive than necessary to protect the public health. Upon conclusion of the hearing, the court shall issue appropriate orders affirming, modifying, or dismissing the order.

(b) If the superior court dismisses the order of the public health officer, the fact that the order was issued shall be expunged from the records of the department or local department of health.

(5) Any hearing conducted pursuant to this section shall be closed and confidential unless a public hearing is requested by the person who is the subject of the order, in which case the hearing will be conducted in open court. Unless in open hearing, any transcripts or records relating thereto shall also be confidential and may be sealed by the order of the court.

NEW SECTION. Sec. 910. A new section is added to chapter 70.24 RCW to read as follows:

(1) When the procedures of section 909 of this act have been exhausted and the state or local public health officer, within his or her respective jurisdiction, knows or has reason to believe, because of medical information, that a person has a sexually transmitted disease and that the person continues to engage in behaviors that present an imminent danger to the public health as defined by the board by rule based upon generally accepted standards of medical and public health science, the public health officer may bring an action in superior court to detain the person in a facility designated by the board for a period of time necessary to accomplish a program of counseling and education, excluding any coercive techniques or procedures, designed to get the person to adopt nondangerous behavior. In no case may the period exceed ninety days under each order. The board shall establish, by rule, standards for counseling and education under this subsection. The public health officer shall request the prosecuting attorney to file such action in superior court. During that period, reasonable efforts will be made in a noncoercive manner to get the person to adopt nondangerous behavior.

(2) If an action is filed as outlined in subsection (1) of this section, the superior court, upon the petition of the prosecuting attorney, shall issue other appropriate court orders including, but not limited to, an order to take the person into custody immediately, for a period not to exceed seventy-two hours, and place him or her in a facility designated or approved by the board. The person who is the subject of the order shall be given written notice of the order promptly, personally, and confidentially, stating the grounds and provisions of the order, including the factual bases therefor, the evidence relied upon for proof of infection and dangerous behavior, and the likelihood of repetition of such behaviors in the absence of such an order, and notifying the person that if he or she refuses to comply with the order he or she may appear at a hearing to review the order and that he or she may have an attorney appear on his or her behalf in the hearing at public expense, if necessary. If the person contests testing or treatment, no invasive medical procedures shall be carried out prior to a hearing being held pursuant to subsection (3) of this section.

(3) The hearing shall be conducted no later than forty-eight hours after the receipt of the order. The person who is subject to the order has a right to be present at the hearing and may have an attorney appear on his or her behalf in the hearing, at public expense if necessary. If the order being contested includes detention for a period of fourteen days or longer, the person shall also have the right to a trial by jury upon request. Upon conclusion of the hearing or trial by jury, the court shall issue appropriate orders.

The court may continue the hearing upon the request of the person who is subject to the order for good cause shown for no more than five additional judicial days. If a trial by jury is requested, the court, upon motion, may continue the hearing for no more than ten additional judicial days. During the pendency of the continuance, the court may order that the person contesting the order remain in detention or may place terms and conditions upon the person which the court deems appropriate to protect public health.

(4) The burden of proof shall be on the state or local public health officer to show by clear and convincing evidence that grounds exist for the issuance of any court order pursuant to subsection (2) or (3) of this section. If the superior court dismisses the order, the fact that the order was issued shall be expunged from the records of the state or local department of health.
(5) Any hearing conducted by the superior court pursuant to subsection (2) or (3) of this section shall be closed and confidential unless a public hearing is requested by the person who is the subject of the order, in which case the hearing will be conducted in open court. Unless in open hearing, any transcripts or records relating thereto shall also be confidential and may be sealed by order of the court.

(6) Any order entered by the superior court pursuant to subsection (1) or (2) of this section shall impose terms and conditions no more restrictive than necessary to protect the public health.

Sec. 911. Section 5, chapter 114, Laws of 1919 and RCW 70.24.080 are each amended to read as follows:

Any person who shall violate any of the provisions of this ((act)) chapter or any lawful rule ((or regulation made)) adopted by the ((state)) board ((of health)) pursuant to the authority herein granted, or who shall fail or refuse to obey any lawful order issued by any state, county or municipal public health officer, pursuant to the authority granted in this ((act)) chapter, shall be deemed guilty of a gross misdemeanor punishable as provided under RCW 9A.20.021.

Sec. 912. Section 1, chapter 164, Laws of 1969 ex. sess. and RCW 70.24.110 are each amended to read as follows:

A minor fourteen years of age or older who may have come in contact with any ((venereal)) sexually transmitted disease or suspected ((venereal)) sexually transmitted disease may give consent to the furnishing of hospital, medical and surgical care related to the diagnosis or treatment of such disease. Such consent shall not be subject to disaffirmance because of minority. The consent of the parent, parents, or legal guardian of such minor shall not be necessary to authorize hospital, medical and surgical care related to such disease and such parent, parents, or legal guardian shall not be liable for payment for any care rendered pursuant to this section.

Sec. 913. Section 1, chapter 59, Laws of 1977 and RCW 70.24.120 are each amended to read as follows:

((Venereal)) Sexually transmitted disease case investigators, upon specific authorization from a ((doctor)) physician, are hereby authorized to perform venipuncture or skin puncture on a person for the sole purpose of withdrawing blood for use in ((venereal)) sexually transmitted disease tests.

The term "((venereal)) sexually transmitted disease case investigator" shall mean only those persons who:

1. Are employed by public health authorities; and
2. Have been trained by a ((doctor)) physician in proper procedures to be employed when withdrawing blood in accordance with training requirements established by the department of social and health services; and
3. Possess a statement signed by the instructing ((doctor)) physician that the training required by subsection (2) of this section has been successfully completed.

The term "((doctor)) physician" means any person licensed under the provisions of chapters 18.57 or 18.71 RCW.

NEW SECTION. Sec. 914. A new section is added to chapter 70.24 RCW to read as follows:

1. Any person aggrieved by a violation of this chapter shall have a right of action in superior court and may recover for each violation:
   a. Against any person who negligently violates a provision of this chapter, one thousand dollars, or actual damages, whichever is greater, for each violation.
   b. Against any person who intentionally or recklessly violates a provision of this chapter, two thousand dollars, or actual damages, whichever is greater, for each violation.
   c. Reasonable attorneys' fees and costs.
   d. Such other relief, including an injunction, as the court may deem appropriate.
2. Any action under this chapter is barred unless the action is commenced within three years after the cause of action accrues.

3. Nothing in this chapter limits the rights of the subject of a test for a sexually transmitted disease to recover damages or other relief under any other applicable law.

4. PARLIAMENTARY INQUIRY

Senator Vognild: "A parliamentary inquiry, Mr. President. Do I understand correctly that the motion presently before the body is to concur with the House amendment to subsection (1) of Section 902 on page 18, lines 17 through 21?"

REPLY BY THE PRESIDENT

President Cherberg: "The motion is to concur with everything except that, Senator."

The President declared the question before the Senate to be the motion by Senator Deccio to concur in the House amendments to Engrossed Second Substitute Senate Bill No. 6221, with the exception of subsection (1) of Section 902 on page 18, lines 17 through 21.

REPLY BY THE PRESIDENT

Senator Rasmussen: "Senator Deccio made the motion to concur and Senator Newhouse moved to divide the question. Now which one are we on?"

President Cherberg: "Senator Deccio's motion."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Vognild: "Thank you, Mr. President. I believe there is still some confusion on the floor. I believe, if I understand correctly, the motion before us is to concur with all of the amendments except the amendment on page 18, lines 15 through 31. Is that correct?"
REPLY BY THE PRESIDENT

President Cherberg: "Lines 17 through 21, Senator."

REMARKS BY SENATOR PULLEN

Senator Pullen: "I sense there is a lot of confusion, too. To clarify it, the motion before us is to concur in the relatively noncontroversial amendments. After we concur in those, then the fur will fly on the controversial one."

The President declared the question before the Senate to be the motion by Senator Deccio to concur in the House amendments to Engrossed Second Substitute Senate Bill No. 6221, with the exception of subsection (1) of Section 902 on page 18, lines 17 through 21.

Senator Rasmussen demanded a roll call and the demand was sustained. Further debate ensued.

POINT OF INQUIRY

Senator Rinehart: "Senator Deccio, by voting 'yes' to concur in this amendment, will we, by adopting this provision, in any way alter the defenses available to employers or to others should they be accused of handicap discrimination on the basis of an HIV infection?"

Senator Deccio: "No Senator, all the defenses available in a handicap case, would be available to an employer or anyone else accused of discrimination against persons with an HIV infection."

Senator Rinehart: "Senator Deccio, by adopting this provision, are we giving people with an HIV infection a higher degree of protection against discrimination than any other person?"

Senator Deccio: "No, it is simply the intent to make certain that people with an HIV infection are treated the same as other people with conditions which may constitute a handicap under the state's discrimination laws. We've merely taken an existing law in WAC. We've not added anything new in order to deal with this section."

HOUSE BILL NO. 1418,
HOUSE BILL NO. 1558,
HOUSE BILL NO. 1695,
HOUSE CONCURRENT RESOLUTION NO. 4402.

PERSONAL PRIVILEGE

Senator Smitherman: "A point of personal privilege, Mr. President. Over the past two years, one of the functions that I have held here in Olympia is the Bill Smitherman Eight Ball Tournament. The proceeds from those tournaments are always given to the Thurston County Food Bank. It's my way of saying and those who participate of saying that we believe that we owe this city something, that it's been good to us and we want to return something to it. With the permission of the body, I would like to give to Senator Mike Kreidler and Senator Stu Halsan checks and dollars in the amount of about three hundred thirty-five dollars that were the proceeds from that event and that's what we have this year, Mike. Last year we had approximately the same amount. Thank you."

There being no objection, the President returned the Senate to the fourth order of business.

REPORT OF FREE CONFERENCE COMMITTEE

RE: E2SHB 1835
Providing for economic diversification in the Tri-Cities.

Signed by Senators Benitz, Williams, Lee: Representatives Ebersole, Grant, Hankins.

MOTION

Senator Lee moved that the Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1835 be adopted.

POINT OF INQUIRY

Senator Smitherman: "Senator Lee, on page 18, at the beginning of Section 16 and in passages after that throughout, there's language that is very similar to what you find in the current bill that provides for distressed area funding. I was wondering, is there anything in this language that would set up a priority for the Tri-City area receiving money or is it just intended to clarify that they are also eligible for those types of considerations—the distressed area considerations?"
Senator Lee: "This language does not give them any priority over any other area that would qualify for distressed area consideration. The reason we needed special language here is because we got two counties involved and one of them by itself might not qualify for the distressed area designation, so this language was carefully worked out. It is somewhat different than what we passed, but we did pass the same concept in our original form of the bill."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the Report of the Free Conference Committee Report on Engrossed Second Substitute House Bill No. 1835.

POINT OF INQUIRY

Senator Lee: "Senator Williams, you have one piece of this amendment that I think is an excellent one and I hope that if this amendment is defeated that you will—and I would be glad to join you—in retaining the portion about the Capital Campus Design Advisory Committee. I think it's an essential thing that we have put off too long and have not done. I think, in fact, you were overly polite when you described the planning as haphazard. Could I ask you, if this measure is defeated, if you would be willing to submit that as an amendment, so that we can have a little more confidence in the kinds of things that are brought before us for funding?"

Senator Williams: "Yes, Senator Lee. In fact, it just got delivered to your desk. There's a separate amendment, which if this amendment fails, I would like to offer it, which sets up just the design committee."

Further debate ensued.

Senator Nelson demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the adoption of the amendment on page 3, line 18, by Senator Williams to the amendment by Senator McDonald.

MESSAGE FROM THE HOUSE

March 10, 1988

Mr. President:
The House concurred in the Senate amendments to SUBSTITUTE HOUSE BILL NO. 608 and passed the bill as amended by the Senate.

ALAN THOMPSON, Chief Clerk

MESSAGE FROM THE HOUSE

March 10, 1988

Mr. President:
The House adheres to its position regarding its amendments to ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6221 and again asks the Senate to concur in the remaining amendment, and the same are herewith transmitted.

SHARON CASE, Assistant Chief Clerk

MOTION

Senator Deccio moved that the Senate do concur in the remaining amendment to subsection (I) of Section 902 on page 18, lines 17 through 21, to Engrossed Second Substitute Senate Bill No. 6221.

Debate ensued.

Senator Deccio demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Deccio to concur in the remaining House amendment to subsection (I) of Section 902 to Engrossed Second Substitute Senate Bill No. 6221.

ROLL CALL

The Secretary called the roll and the motion by Senator Deccio to concur in the remaining House amendment failed by the following vote: Yeas, 23; nays, 26.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Deccio moved that the Senate reconsider the vote by which the Senate did not concur in the remaining House amendment and that this be made a special order of business at 11:59 p.m.

Debate ensued.

POINT OF ORDER

Senator Pullen: "A point of order, Mr. President. Senator Deccio made two motions. The move to reconsider and he also moved to make it a special order of business. I would submit that he could not make two motions simultaneously. The two motions are completely independent and not related."

REPLY BY THE PRESIDENT

President Cherberg: "Your point is well taken, Senator Pullen:

Senator Deccio moved to immediately reconsider the vote by which the Senate immediately reconsider the vote by which the motion to concur in the remaining House amendment failed.

POINT OF ORDER

Senator Rasmussen: "Mr. President, a point of order. Senator Deccio moved to immediately reconsider the vote. That was his motion and that question should be put at this time then. Rules provide that he has to immediately reconsider; he can't put it off to another time."

The President declared the question before the Senate to be the motion by Senator Deccio to immediately reconsider the vote by which the motion to concur...
in the remaining House amendment to Engrossed Second Substitute Senate Bill No. 6221 failed to pass the Senate.

MOTION

Senator Talmadge moved that the motion to immediately reconsider the vote by which the motion to concur failed be deferred and it be made a special order of business at 11:59 p.m.

PARLIAMENTARY INQUIRY

Senator Newhouse: "Was that a proper motion, Mr. President?"

REPLY BY THE PRESIDENT

President Cherberg: "That depends on the body, Senator."

Senator Newhouse: "We have a motion before us to immediately reconsider."

President Cherberg: "And Senator Talmadge made his motion and the President put it."

Senator Newhouse: "What happens to Senator Deccio's motion?"

President Cherberg: "Senator Talmadge has moved that it be made a special order of business."

Senator Rasmussen demanded a roll call.

POINT OF ORDER

Senator Newhouse: "A point of order, Mr. President. The motion by Senator Deccio is of equal rank and should be placed first."

At 11:43 p.m., the President declared the Senate to be at ease.

The Senate was called to order at 11:57 p.m. by President Cherberg.

There being no objection, the Senate resumed consideration of Engrossed Second Substitute Senate Bill No. 6221 and the motion by Senator Deccio to immediately reconsider the vote by which the Senate failed to concur in the remaining House amendment, and the motion by Senator Talmadge to make the reconsideration motion a special order of business at 11:59 p.m.

RULING BY THE PRESIDENT

President Cherberg: "In ruling on Senator Newhouse's point of order, the President believes that Senator Deccio made the motion to immediately reconsider the vote by which the Senate did not concur in the House amendment to Engrossed Second Substitute Senate Bill No. 6221. Senator Talmadge then moved to make the reconsideration a special order of business at 11:59 p.m. The motion to reconsider by Senator Deccio is a privileged motion.

"Therefore, the President believes that the point of order raised by Senator Newhouse is well taken. The question before the body is the motion to reconsider by Senator Deccio."

The President then declared the question before the Senate to be sustaining the demand for a roll call which was made by Senator Rasmussen on the motion by Senator Deccio for reconsideration.

The demand for the roll call was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Deccio to reconsider the vote by which the motion to concur in the remaining House amendment to subsection (1) of Section 902 on page 18, lines 17 through 20, to Engrossed Second Substitute Senate Bill No. 6221 failed to pass the Senate.

ROLL CALL

The Secretary called the roll and the motion by Senator Deccio to reconsider the vote by which the motion to concur failed carried by the following vote: Yeas, 25; nays, 24.

The President declared the question before the Senate to be the roll call on the motion by Senator Deccio to concur in the remaining House amendment to subsection (1) of Section 902 to Engrossed Second Substitute Senate Bill No. 6221, on reconsideration.

PARLIAMENTARY INQUIRY

Senator Pullen: "Mr. President, a parliamentary inquiry. I don't recall anyone requesting a roll call. Someone may request a roll call, but if I remember correctly, I don't think anyone did."

REPLY BY THE PRESIDENT

President Cherberg: "Your point is well taken."

Senator Deccio demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Pullen: "Mr. President, a point of parliamentary inquiry. Mr. President, it appears to be past midnight and under the constitutional sixty–day session, I would contend that any actions that were passed after midnight are not valid under the Constitution. I realize the President has quite correctly, in the past, allowed the Legislature—the Senate—to go past a self–imposed deadline. "For example, our most recent deadline was the five o'clock cutoff on Friday and you have, I believe, quite correctly allowed us to go past that deadline if we were acting on a bill at that time, but it would appear to me, there's quite a difference between a self–imposed deadline and a constitutional deadline and I would submit that approximately twenty years ago the Legislature used to stop the clocks at a minute before midnight and run hours or days past that point. The courts ruled that that was not a valid procedure when a bill was passed subsequent to that deadline and my point of parliamentary inquiry is whether the session is now over, since it does appear that the time is past midnight?"

REPLY BY THE PRESIDENT

President Cherberg: "The President is aware that we're past midnight, Senator Pullen, but precedent has indicated that we have always finished if a bill was in progress. We've always worked until a solution was arrived."

Senator Pullen: "Thank you, Mr. President. I appreciate the ruling. I would remind the President that an esteemed Senator by the name of George Clark refused to vote past midnight in a prior situation. I believe it was in 1982, because he contended that the session was over at midnight, so he ceased voting. I would like that particular incident to be subjected as a reminder for members of the Senate."

Further debated ensued.

POINT OF ORDER

Senator Rasmussen: "A point of order, Mr. President. I think that Senator Hansen is wrong. You have to vote. You're under a Call of the Senate and if you don't vote, they'll wring it out of you. They'll put the Sergeants on your back."

REPLY BY THE PRESIDENT

President Cherberg: "Your point is well taken, Senator Rasmussen."

DISPENSE WITH CALL OF THE SENATE

On motion of Senator Vognild, the Senate dispensed with the Call of the Senate.

The President declared the question before the Senate to be the roll call on the motion by Senator Deccio to concur in the remaining House amendment to subsection (1) of Section 902 to Engrossed Second Substitute Senate Bill No. 6221, on reconsideration.

ROLL CALL

The Secretary called the roll and the motion by Senator Deccio to concur in the remaining House amendment, on reconsideration, carried by the following vote: Yeas, 25; nays, 23; absent, 1.
SIXTIETH DAY, MARCH 10, 1988

Voting nay: Senators Anderson, Barr, Benitz, Bluechel, Cantu, Croswell, Halsan, Hayner, Johnson, McCaslin, McDonald, Nelson, Newhouse, Owen, Patterson, Pullen, Rasmussen, Saling, Sellar, Smith, von Relchbauer, West, Zimmerman - 23.

Absent: Senator Metcalf - 1.

PARLIAMENTARY INQUIRY

Senator Pullen: "A point of parliamentary inquiry. For the record, could you tell me what time it is and what day it is?"

REPLY BY THE PRESIDENT

President Cherberg: "Seven and a half minutes, by my watch, after twelve."

Senator Pullen: "And so it is Friday, March 11?"

President Cherberg: "All day, if it doesn't rain."

Senator Pullen: "Thank you, Mr. President. I would simply like the record to indicate, that in my own personal opinion, the session has ended, so I'm going to cease to vote on any further action tonight or this morning."

Further debate ensued.

POINT OF INQUIRY

Senator McCaslin: "Would Senator Newhouse yield to a question?"

Senator Newhouse did not yield.

Senator McCaslin: "Would Senator Nelson yield to a question?"

Senator Nelson did not yield.

Senator McCaslin: "Would anybody yield to a question? Mr. President, are we under the three minute rule?"

REPLY BY THE PRESIDENT

President Cherberg: "Yes."

Senator McCaslin: "Even though we are in an unconstitutional meeting, we still have rules?"

President Cherberg: "Yes sir."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Second Substitute Senate Bill No. 6221, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Second Substitute Senate Bill No. 6221, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 34; nays, 1; absent, 4.

PERSONAL PRIVILEGE

Senator Deccio: "Mr. President, a point of personal privilege. It's been a long day and this has been a tough session and this has been a very difficult bill. There's been some real conscientious feelings on both sides and in the middle—I think that's where I was. I think that this is a piece of legislation we're going to be very happy that we passed today. It's going to be revisited. We're going to do some things to it that probably need to be done, maybe address some of the problems that Senator Smith talked about and others. But we do have a bill, a statewide policy, on how to battle the AIDS disease. This is the first one in the state and I want to
thank everybody in the audience and those who voted for and against and particularly the people in the gallery who worked so hard to get this bill passed. I wish to express my appreciation. Thank you.

FIRST DAY, MARCH 11, 1988

PERSONAL PRIVILEGE

Senator Stratton: "A point of personal privilege, Mr. President. I have had a lot of conversation directed toward the bouquet on my desk today. When you’re sixty-one years old and you receive a balloon which says, ‘You were great last night.’ It creates, I am sure, some problems in people’s minds. I thought at first I might run a contest to see who could come up with the best person who might have sent me this, but I want to clarify that in the minds of anyone who is concerned, before I have it taken from my desk. It was from the Democrat Caucus staff and that will relieve anyone’s mind. Thank you."

MOTION

Senator Gaspard moved that the following amendment be adopted:
On page 1, after the enacting clause, insert:
"Sec. 201. Section 236, chapter 6, Laws of 1987 1st ex. sess. (uncodified) is amended to read as follows:
FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES
Referendum 27 and Referendum 38
The appropriations in this section are subject to the following conditions and limitations:
(1) Up to sixteen full time equivalent staff per year (in this act) may be funded (through)
from the reappropriation of Referendum 38 for the purpose of reviewing local water improvement accounts.
(2) The appropriation is provided solely for drought related municipal and industrial water supply projects.

POINT OF ORDER

Senator McDonald: "Mr. President, a point of order. I would raise the question of scope and object on this amendment. Substitute Senate Bill No. 6763 is an act relating to public school building construction, capital renovation, and additional projects at Washington State University. There was an amendment adopted to it, that is a no cost— I mean a no general fund cost—amendment by Senator Owen that has to do with the Wynoochee Fish Hatchery. The amendment by Senator Gaspard is an appropriation provided solely for drought related municipal and industrial water supply projects which is certainly outside of the scope of this bill, which is a very narrowly drawn bill."

Further debate ensued.

MOTION

On motion of Senator Nelson, further consideration of the amendment by Senator Gaspard was deferred.

POINT OF ORDER

Senator McDonald: "Mr. President, I would indeed raise the question of scope and object on this amendment. Once again, this is an amendment dealing with the Irwin Educational Building at the State School for the Blind. It has to do with roof repair, whereas this is an addition of state money and it does not fit. I believe, within the scope and object of the present bill for the same reasons I cited in the previous argument."

Debate ensued.

POINT OF ORDER

Senator McDonald: "Mr. President and fellow members of the Senate, I would raise the question of scope and object on this amendment. The bill is called 'An Act Relating to Public School Building Construction and Capital Renovation and Additional Projects at Washington State University.' That's exactly what it deals with. This is a project dealing with the University of Washington. Meritorious as that may be, Senator Gaspard, I guess I would just say that had it not been for higher timber prices and a higher volume of timber sold, we would not be even dealing with these at this point. That has nothing to do with the scope and object ruling, Mr. President. I guess I would just say that this is outside of the scope and object of the bill, as I read it."

Further debate ensued.

MOTION

Senator Talmadge moved that further consideration of Substitute Senate Bill No. 6763 be deferred.

MOTION

Senator Vognild moved that the sponsor of each of the amendments be permitted to speak to the amendments.
Debate ensued.
POINT OF ORDER

Senator Pullen: "A point of order, Mr. President. I would raise the point of order that all of the indicated amendments violate Rule 25. Rule 25, Mr. President, states, 'No bill shall embrace more than one subject and that shall be expressed in the title.' Both Senator Talmadge and Senator Halsan have virtually admitted in the comments that they made, that these amendments do violate Rule 25 and, therefore, in addition to the scope and object ruling, I would request a ruling on Rule 25."

Further debate ensued.

MOTION TO LIMIT DEBATE

On motion of Senator Newhouse, the following motion to limit debate was adopted:

Senator Newhouse: "Mr. President, I move that the members of the Senate be allowed to speak only once and be limited to three minutes on each motion or amendment, except that the mover of the motion shall be allowed to open and close debate, and also that members be prohibited from yielding their time.

"This motion shall remain in effect through the First Special Session."

There being no objection, Senators Gaspard, Bauer and McMullen spoke to the amendments remaining on the desk, in response to the request of scope and object by Senator Nelson on those amendments.

The President declared the question before the Senate to be the motion by Senator Talmadge that further consideration of Substitute Senate Bill No. 6763 be deferred.

The motion by Senator Talmadge carried and further consideration of Substitute Senate Bill No. 6763 was deferred.

At 8:57 p.m., the President declared the Senate to be at ease.

The Senate was called to order at 10:19 p.m. by President Cherberg.

There being no objection, the Senate resumed consideration of Substitute Senate Bill No. 6763, and the amendments to the bill, deferred earlier today.

MOTION

On motion of Senator Gaspard, and there being no objection, the amendments proposed earlier and those on the desk were withdrawn.

MOTION

Senator Gaspard moved that the following amendment be adopted:

": PROVIDED, That no such legislative body shall impose such a special excise tax without submitting a proposition authorizing such a tax to the voters and obtaining the approval of a majority of persons voting thereon."

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Deccio, as I read this, it would indicate July 1, 1988, through December 31, 1992, inclusive, the rate shall be six percent. I don’t think we leave anything to the local control. We’re saying in this bill that a tax will be imposed and then we’ll drop—and then it goes up to seven percent in the city of Seattle and two and eight-tenths in King County. We’re imposing, on the local people, a tax from the state level and it’s true it’s going to go on the tourists. You were talking about local control, I don’t think they have any option, they’ve got this tax that is going to be imposed by the state—collected by the state—as I read it. Maybe I’m reading it wrong."

Senator Deccio: "Senator Rasmussen, I’m only concerned in the bill that Senator Newhouse and I sponsored in order to take care of a situation in Yakima, which is New Section 21. I guess maybe the moving of all these amendments at one time is out of order, if they do deal with what you’re saying is true. I’ve only looked at the section I’m interested in, which is a local special excise tax of two percent upon the furnishing of lodging by a hotel, rooming house, tourist court, etc., so maybe the motion made by Senator Smith is out of order and these should be taken one by one, if what you’re saying is correct."

Further debate ensued.
The President declared the question before the Senate to be the adoption of the amendments by Senators Smith and von Reichbauer to Engrossed House Bill No. 2057.

The motion by Senator Smith failed and the amendments were not adopted.

MOTION

Senator von Reichbauer moved that the following amendment by Senators von Reichbauer and Gaspard be adopted:

On page 20, after line 10 insert:

"(5) Taxes levied and collected under this act shall not be used for a zero grade beach or other components of a wave pool or water slide constructed or acquired as a part of an indoor aquatic swimming facility in Pierce County."

Debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senators von Reichbauer and Gaspard to Engrossed House Bill No. 2057.

The motion by Senator von Reichbauer carried and the amendment was adopted on a rising vote.

MOTION

Senator Nelson moved that the rules be suspended. Engrossed House Bill No. 2057, as amended by the Senate, be advanced to third reading, the second reading considered the third and the bill be placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator McDonald, before the bill is advanced, there's a rather peculiar section in here. It's a New Section—'a public facilities district may be created in any county with three hundred thousand or more population'—and it provides that 'a public facilities district is a municipal corporation, an independent taxing authority within the meaning of Article VII.'"

Senator McDonald: "Senator Rasmussen, what page are you on?"

Senator Rasmussen: "on page 13 now. page 12 is where the start of 11 is. line 28, New Section 11. It goes on and would indicate a public facilities district, and this is that independent taxing district that's created with this New Section, will have a board of directors consisting of five members as follows: '(1) Two members appointed by the county legislative authority to serve for four-year staggered terms; (2) two members appointed by the city council to serve four-year staggered terms; and (3) one person to serve a four-year term who is selected by the other directors.' There's a little bit of inbreeding there.

"My concern, Senator McDonald, this would appear that we're creating in this bill, something that has never been in there before, this is a New Section. An independent taxing district, which is true, will go to the vote of the people. After that, after the people vote, there is no limit to what they can tax and I'm wondering what the reason is for having that in this bill? It's a little bit like that tax increment financing that the people turned down—a constitutional amendment—several times."

Senator McDonald: "Senator Rasmussen, my understanding is that they are limited in their taxation to the two percent hotel/motel tax and fifty cent—"

Senator Rasmussen: "No, this does not relate to that. The hotel/motel tax is set by state law that's in this bill and the rate goes from the present three percent up to six and then up to seven percent. This is an entirely new taxing body that's being created with this New Section and I find it hard to understand what the reason for it is. Starting on page 11, and I may want to amend that out unless there's a satisfactory explanation."

Senator McDonald: "Senator Rasmussen, if you turn to page 14, New Section 14, it says— "(Time expires - three minute debate)"

Senator Rasmussen: "Are his three minutes up or are mine? I'll sit down, Mr. President, and wait for the explanation. Thank you, that was a fast three minutes. I didn't know if you were combining it or not."

Senator McDonald: "Senator Rasmussen, I believe that if you look at New Section 14, you're going to see the taxing authority of that public facilities district is
limited and I would not have voted for this if it were not limited to the two percent hotel/motel tax and the fifty cent tax for entertainment. I'll wander over there and we'll talk about this a little bit more in detail."

The President declared the question before the Senate to be the motion by Senator Nelson to suspend the rules and advance Engrossed House Bill No. 2057, as amended by the Senate, to third reading and final passage.

The motion by Senator Nelson carried and Engrossed House Bill No. 2057, as amended by the Senate, was advanced to third reading and final passage.

Debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed House Bill No. 2057, as amended by the Senate.

ENGROSSED HOUSE BILL NO. 2057, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

REMARKS BY SENATOR VOGNILD

Senator Vognild: "Thank you, Mr. President. Before we Sine Die, I wanted to once again thank the President for the way you conduct this Senate, the way you hold the dignity of the Senate together and for your absolutely fair and impartial operations as Lieutenant Governor. Once again, thank you."
REMARKS BY SENATOR BLUECHEL

I've seen you struggle with what you consider to be the proper ruling and the fair ruling and my admiration for you has gone up tremendously since I've come to know you a little bit better. We all thank you for the wonderful job you've done for thirty-two years as Lieutenant Governor."

I want to say that your friendship is something I will never forget, but I think there is one beautiful lady that has brought you along for the thirty-three years you have been here, Betty. To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 57 and 85, Senate
Bill No. 5016, entitled:

"AN ACT Relating to modifications of terminology resulting from the
Rules of Appellate Procedure."

Sections 57 and 85 make technical corrections to existing laws which are
repealed by other legislation which I have signed. I am vetoing section 57 because
it would amend a section of existing law (RCW 72.33.240) that is repealed by
Engrossed Substitute House Bill No. 1618, section 1007(24). I am vetoing section 85
because it would amend a section of existing law (RCW 87.03.410) that is
repealed by Substitute House Bill No. 1297, section 15(20).

With the exception of sections 57 and 85, the remainder of Senate Bill No. 5016
is approved.

Respectfully submitted,
Booth Gardner, Governor

March 24, 1988
To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 4, Substitute Senate
Bill No. 6024 entitled:

"AN ACT Relating to rivers and streams in agricultural areas."

At this time, counties throughout the state are developing flood control man­
agement plans that will provide a comprehensive review of flood control issues.
Section 4, however, includes a finding that the accumulation of sand and gravel in
the state's river and stream beds substantially increases the risks of disastrous
floods. Although sand and gravel removal are expected to be elements of these
plans, other more environmentally sensitive methods should be encouraged and
studied before the state begins implementing a response.

With the exception of section 4, Substitute Senate Bill No. 6024 is approved.

Respectfully submitted,
Booth Gardner, Governor

March 24, 1988
To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 9 and 10,
Engrossed Second Substitute Senate Bill No. 6235, entitled:

"AN ACT Relating to allowing the State of Washington to receive cap­
tilization grants from the federal government for the state revolving loan
fund for financing water pollution control facilities and activities."

This bill would establish the water pollution control revolving fund to receive
federal capitalization grants, state matching funds and other revenues. This fund
would protect the state's surface and underground waters by providing loans to
design, construct and improve water pollution control facilities and related
activities.

Section 9 would create the water pollution control loan review committee to
approve all loans prior to issuance. Technical and administrative criteria for evalu­
ating loan applications are clearly spelled out in federal regulation. Creation of
this committee places the Legislature in an administrative role and creates the
possibility that loans will be evaluated on criteria other than technical merit.
Finally, review of loan applications by the committee could result in slowing down
the process. This will reduce local governments' certainty that multi-year construction projects will continue to receive funds.

Section 10 requires the Department of Ecology to follow the water quality account fund distribution schedule as established in RCW 70.146.060 when making loans through the revolving fund. Again, since this fund is utilizing federal moneys, federal law takes precedence in determining eligible projects. This section causes confusion by implying that the state's distribution schedule will be followed.

The water pollution control revolving fund is an important revenue source for financing continued protection of the state's waters for the health, safety, use, enjoyment, and economic benefit of its people.

With the exception of sections 9 and 10, Engrossed Second Substitute Senate Bill No. 6235 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 24, 1988

To the Honorable, the Senate of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to the last paragraph of section 1, Substitute Senate Bill No. 6238, entitled:

"AN ACT Relating to the authority to administer selected federal safe drinking water act programs."

The first part of this Department of Ecology request bill authorizes the Departments of Ecology, Natural Resources, and Social and Health Services and the Gas Conservation Committee to carry out programs of the Federal Safe Drinking Water Act as amended in 1986.

The amendment added to the bill allows the State Board of Health to adopt drinking water regulations for systems not covered under federal law "if necessary" to protect the public health. Narrowly interpreted, this language could result in the state's inability to regulate certain drinking water supply practices. The difficulty in establishing a direct cause-and-effect relationship between each specific practice and larger public health concerns will make it difficult for the State Board of Health to prove that regulations are necessary to protect the public health. With over 5,000 small public water systems in our state not covered by the federal act, I am reluctant to significantly reduce the health regulatory authority and subject the department to legal challenges to prove the public health nexus for each system in court. I would hope motivation for this amendment could be resolved administratively or through legislative language which addresses the specific issue.

I believe the agency has the discretion to adopt appropriate regulations for systems not under federal jurisdiction and is not required to implement the federal regulations unless it independently determines the standards are appropriate for the small systems.

With the exception of the last paragraph of section 1, Substitute Senate Bill No. 6238 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 24, 1988

To the Honorable, the Senate of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections L 2(a) through (e) and (g) through (j), Engrossed Substitute Senate Bill No. 6316 entitled:

"AN ACT Relating to the forfeiture of real property from the commercial sale or production of controlled substances and imitation controlled substances where a substantial nexus exists between the commercial production or sale of the substance and the real property and providing for the redistribution of proceeds from the sale of forfeited property."

The concept and consensus behind this bill was to provide law enforcement officials with an additional tool for seizing some of the financial booty invested in "real property" (land and buildings) which was acquired by illegal drug dealers
as a result of, or to further, their activities. Examples might be houses used to grow marijuana products in substantial amounts or amphetamine manufacturing operations. Currently, the immense profits which can be realized from these illegal drug activities are so substantial that they overshadow the risk of apprehension and a prison term. The intention was to attach and forfeit some of the "real property" fruits of this illegal activity in the hope of removing some of the financial benefit.

Law enforcement officials currently have the statutory authority to seize "personal property" which is connected and used in illegal drug trafficking. The goal was to extend this same concept to "real property".

The language which is presented to me in this bill has, after its passage and upon thorough review, received rejection from the law enforcement community. Their analysis is that the bill, because of shifting the burden of proof and a number of other changes which were incorporated both for the existing "personal property" provisions and for the new "real property" provisions, would provide a net loss, rather than a gain, in their efforts to seize property related to illegal drug transactions. Specifically, the law enforcement community has indicated that the new law would effectively hinder their ability to seize personal property under existing statutes as well as making it impossible to seize "real property" except in rare cases.

I would encourage the Legislature and the law enforcement community to work together in the next session to again review this issue and attempt to pass a law which allows law enforcement to continue under existing law for the "personal property" forfeitures while adding new separate provisions for "real property" forfeitures.

It is appropriate to consider different safeguards and procedures for "real property" interests than for "personal property" interests. I believe law enforcement should have the burden of showing that the individuals were engaged in illegal drug transactions and that the property was related to the transactions. However, the individuals involved should have the burden of showing that they are the lawful owners of the property used in any manner to facilitate the illegal drug transaction. Given the large amounts of cash money involved and criminal necessity of hiding the fruits of their illegal activity, it is an unrealistic burden on law enforcement to prove more than the fact that individuals were criminally involved and that the property was used or acquired by those illegal means.

I have not vetoed the sections related to changing the distribution of funds received for personal property which is forfeited. This part of the bill is contained in section 2(f).

With the exception of sections 1, 2(a) through (e) and (g) through (j), Engrossed Substitute Senate Bill No. 6316 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 21, 1988

To the Honorable, the Senate of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval, Senate Bill No. 6354, entitled: "AN ACT Relating to the definition of wages for industrial insurance purposes."

This bill requires that tips be included in the definition of wages for industrial insurance purposes. Similar language achieving the same result is included in section 12 of Engrossed House Bill No. 1396, which I am signing into law today. To avoid conflict between these two provisions and to minimize confusion in state statute, I have vetoed Senate Bill No. 6354.

Respectfully submitted,
Booth Gardner, Governor
March 18, 1988

To the Honorable, the Senate of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval as to section 80, Senate Bill 6370, entitled:

"AN ACT Relating to obsolete references involving state agencies."

Section 80 reenacts RCW 90.22.010, which was amended by both Chapter 109 and Chapter 506, Laws of 1987, without reference to each other. This same statute is amended and re-enacted by Section 6 of Engrossed Second Substitute Senate Bill 6724, which I have signed into law. In order to avoid further confusion, I am vetoing section 80.

With the exception of section 80, Senate Bill 6370 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 24, 1988

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 1, Senate Bill No. 6397 entitled:

"AN ACT Relating to forest fires."

Section 1 of this bill establishes a priority for the Department of Natural Resources to extinguish forest fires before determining if individuals or structures are at risk in neighboring properties. This is similar to language vetoed by me after the 1987 regular legislative session.

At that time, I stated that the direction this language gives to the department is confusing and inconsistent with the normal value we place on human life. I continue to believe this.

The remainder of this measure allows the department to clarify its duties with respect to fighting fires in conjunction with the services provided by rural fire districts. Section 2 states, in part, that "the department's primary mission is to protect forest land and to suppress forest fires." This policy statement offers the department greater flexibility when fighting a fire while providing a general direction for action.

With the exception of section 1, Senate Bill No. 6397 is approved.

Respectfully submitted,
Booth Gardner, Governor

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute Senate Bill No. 6438 entitled:

"AN ACT Relating to authorization for the utilities and transportation commission to approve tariffs for gas and electrical companies that include banded rates."

Substitute Senate Bill No. 6438, if signed, would result in an identical double amendment. This bill is identical to Engrossed House Bill No. 1581, which I am signing into law today. I have therefore vetoed Substitute Senate Bill No. 6438 to avoid duplication and confusion in statute.

Respectfully submitted,
Booth Gardner, Governor
March 25, 1988

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Substitute Senate Bill No. 6447, entitled:

"AN ACT Relating to custodial interference."

This legislation would amend criminal provisions relating to custodial interference to include interference with visitation rights. I believe non-custodial parents
deserve fair treatment when their visitation rights are abused or denied. I am sen-
sitive, however, to those who believe that involving the police in settling non-vio-
 lent visitation disputes is not the best approach. Police experience has shown that 
disputes over dates, times and conditions of child visitation are so common that any 
effort on behalf of the police to respond to calls of assistance in such disputes would 
very seriously reduce the ability of police and sheriff departments to respond to 
other calls. Police should intervene only when there are threats to the physical 
well-being of persons.

The four-hour grace period, allowed before police may intervene, is thought 
to account for the routine problems and delays that are common in family life. On 
the other hand, this grace period is likely to become a tool for harassment. Since 
non-custodial parents have less time with the children, the misuse of the four-hour 
period is likely to have a greater impact on them. More importantly, children are 
the ones who will be caught in the middle.

In January 1988, the Parenting Act was implemented (RCW 26.09.181 – 26.09-
.280). This Act provides an alternative dispute resolution process to settle disagree-
ments over visitation. The dispute resolution process has not had enough time to 
prove it can have a positive effect on reducing parental conflicts. In addition, the 
new Act does not use the terms “custodial parent” or parent with “visitation rights,” 
rather it speaks in terms of parenting plans and residential parents. The use of the 
new terms and their concepts are at odds with this bill.

Nonetheless, a problem does exist. It results from human emotions and behav-
ior, we all wish were easily dealt with. The courts do have the ability to deal with 
custodial/visitation conflicts through their civil contempt authority. A bill was intro-
duced in the 1988 Legislative session which would have clarified and improved 
the ability of judges to cite people for contempt; unfortunately, it did not pass. It 
should be considered in next year’s session as a step in addressing this issue.

This bill has other technical application problems in that many dissolution 
decrees do not specify exact hours and dates of visitation rights. The decree may 
say “reasonable visitation” or “every other weekend and every other holiday,” but 
most do not specify when you start counting the holidays or weekends nor account 
for people who agree to skip days or readjust the schedule for conflicts. Even the 
few decrees which specify detailed terms, i.e. times of the day, week, place for 
exchange of the children, have difficulty in responding to the need for flexibility. 
The actual practice of the parties may be different from the written language. The 
Parenting Act attempts to set up means for resolving and adjusting to the changing 
circumstances of people’s lives, along with specificity of time, date and places of 
the children’s residence. These are all civil laws.

This bill is a criminal statute. We require different standards before the police 
and courts will arrest and charge crimes. The criminal law will be difficult to apply 
here. Law enforcement and the courts/juries will be unable to determine if an 
offense has occurred under the standards required of the criminal law, unless the 
decree is extremely inflexible. This approach is at odds with the philosophy of the 
Parenting Act which works to encourage cooperation and resolution, but with flex-
ibility for changes, plus recourse to mediate when the parents are unable to agree. 
This bill, if signed, becomes criminal law. It commits the wrong resources and may 
hurt children more than help them.

For these reasons, I have vetoed Engrossed Substitute Senate Bill No. 6447.

Booth Gardner, Governor

Ladies and Gentlemen:

I am returning herewith, without my approval as to section 4, Senate Bill No. 
6480 entitled:

“AN ACT Relating to obstructing the taking of fish or wildlife.”

This measure creates the crime of obstructing the taking of wildlife and pro-
vides penalties. In addition, section 4 includes this new crime under the current 
provisions of chapter 9A.46 RCW.
Chapter 9A.46 RCW is aimed at making unlawful the invasion of a person's privacy through repeated acts and threats intended to harass that individual. The statute also allows for enjoining such activities. Because section 2 of Senate Bill No. 6480 also allows for enjoining violations, reference to chapter 9A.46 RCW is redundant and clouds the purposes of that act.

With the exception of section 4, Senate Bill No. 6480 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 26, 1988

To the Honorable, the Senate
of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to section 406, Engrossed Substitute Senate Bill No. 6763, entitled:

"AN ACT Relating to capital projects."

Section 406, Page 15. Superintendent of Public Instruction

This section provides funds for capital planning and transition purposes for Nine Mile Falls School District. The citizens of the school district have already provided levy money to be used in combination with state matching funds to cover the capital costs for constructing a new school. I have previously indicated my position on this issue, see my partial veto of section 412, page 43 of ReEngrossed Substitute House Bill No. 327, Chapter 6 Laws of Washington, 1987, 1st Special Session. However, in light of this new legislation, I have had the issue reviewed again. The issue has been discussed with the local Education Services District, the Office of the Superintendent of Public Instruction, Nine Mile Falls School District and others. I cannot find sufficient additional justification to cause me to view this policy issue differently and provide this enhanced state funding.

With the exception of section 406, Engrossed Substitute Senate Bill No. 6763 is approved.

Respectfully submitted,
Booth Gardner, Governor
