SECOND READING

SUBSTITUTE HOUSE BILL NO. 2070, by Committee on Housing (originally sponsored by Representatives Todd and Hargrove)

Applying the state building code to buildings or structures moved into a county or city.

The bill was read the second time.

MOTIONS

On motion of Senator McCaslin, the following Committee on Governmental Operations amendment was adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that moved buildings or structures can provide affordable housing for many persons of lower income; that many of the moved structures or buildings were legally built to the construction standards of their day; and that requiring the moved building or structure to meet all new construction codes may limit their use as an affordable housing option for persons of lower income.

The legislature further finds that application of the new construction code standards to moved structures and buildings present unique difficulties and that it is the intent of the legislature that any moved structure or building that meets the codes at the time it was constructed does not need to comply with any updated state building code unless the structure is substantially remodeled or rebuilt.

NEW SECTION, Sec. 2. A new section is added to chapter 19.27 RCW to read as follows:

(1) Residential buildings or structures moved into or within a county or city are not required to comply with all of the requirements of the codes enumerated in chapters 19.27 and 19.27A RCW, as amended and maintained by the state building code council, if the original occupancy classification of the building or structure is not changed as a result of the move.

(2) This section shall not apply to residential structures or buildings that are substantially remodeled or rehabilitated, nor to any work performed on a new or existing foundation.

(3) For the purposes of determining whether a moved building or structure has been substantially remodeled or rebuilt, any cost relating to preparation, construction, or renovation of the foundation shall not be considered.

Sec. 3. Section 2, chapter 360, Laws of 1985 and RCW 19.27.074 are each amended to read as follows:

(1) The state building code council shall:

(a) Maintain the codes to which reference is made in RCW 19.27.031 in a status which is consistent with the state's interest as set forth in RCW 19.27.020. In maintaining these codes, the council shall regularly review updated versions of the codes referred to in RCW 19.27.031 and other pertinent information and shall amend the codes as deemed appropriate by the council;

(b) Approve or deny all county or city amendments to any code referred to in RCW 19.27.031 to the degree the amendments apply to single family or multifamily residential buildings;

(c) As required by the legislature, develop and adopt any codes relating to buildings;

~~((and))~~ (d) Propose a budget for the operation of the state building code council to be submitted to the office of financial management pursuant to RCW 43.88.090; and

(e) Adopt rules pursuant to chapter 34.05 RCW for the purpose of this subsection.

(2) The state building code council may:

(a) Appoint technical advisory committees which may include members of the council;

(b) Employ permanent and temporary staff and contract for services; and

(c) Conduct research into matters relating to any code or codes referred to in RCW 19.27.031 or any related matter.

All meetings of the state building code council shall be open to the public under the open public meetings act, chapter 42.30 RCW. All actions of the state building code council which adopt or amend any code of state-wide applicability shall be pursuant to the administrative procedure act, chapter ~~((34.04))~~ 34.05 RCW.

All council decisions relating to the codes enumerated in RCW 19.27.031 shall require approval by at least a majority of the members of the council.

All decisions to adopt or amend codes of state-wide application shall be made prior to December 1 of any year and shall not take effect before the end of the regular legislative session in the next year."

On motion of Senator McCaslin, the following title amendment was adopted:

MESSAGE FROM THE HOUSE

April 5, 1989

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 5127 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 10, chapter 234, Laws of 1986 and RCW 35.02.078 are each amended to read as follows:

An election shall be held in the area proposed to be incorporated to determine whether the proposed city or town shall be incorporated ~~((the boundary review board approves or modifies and approves the proposal, or))~~ if the county legislative authority does not disapprove the proposal as provided in RCW 35.02.070. Voters at this election shall determine if the area is to be incorporated.

The initial election on the question of incorporation shall be held at the next special election date specified in RCW 29.13.020 that occurs sixty or more days after the final public hearing by the county legislative authority or authorities, or ~~((the approval or modification and approval))~~ by the boundary review board or boards. The county legislative authority or authorities shall call for this election and, if the incorporation is approved, shall call for other elections to elect the elected officials as provided in this section. If the vote in favor of the incorporation receives forty percent or less of the total vote on the question of incorporation, no new election on the question of incorporation for the area or any portion of the area proposed to be incorporated may be held for a period of three years from the date of the election in which the incorporation failed.

If the incorporation is authorized as provided by RCW 35.02.120, separate elections shall be held to nominate and elect persons to fill the various elective offices prescribed by law for the population and type of city or town, and to which it will belong. The primary election to nominate candidates for these elective positions shall be held at the next special election date, as specified in RCW 29.13.020, that occurs sixty or more days after the election on the question of incorporation. The election to fill these elective positions shall be held at the next special election date, as specified in RCW 29.13.020, that occurs thirty or more days after certification of the results of the primary election.

Sec. 2. Section 15, chapter 189, Laws of 1967 as last amended by section 7, chapter 477, Laws of 1987 and RCW 36.93.150 are each amended to read as follows:

The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

(1) Approval of the proposal as submitted;

(2) Subject to RCW 35.02.170, modification of the proposal by adjusting boundaries to add or delete territory: PROVIDED, That any proposal for annexation by the board shall be subject to RCW 35.21.010 and shall not add additional territory, the amount of which is greater than that included in the original proposal: PROVIDED FURTHER, That such modifications shall not interfere with the authority of a city, town, or special purpose district to require or not require preannexation agreements, covenants, or petitions: AND PROVIDED FURTHER, That a board shall not modify a proposed incorporation of a city by removing territory from the proposal, or adding territory to the proposal, that constitutes ten percent or more of the total area included within the proposal before the board;

(3) Determination of a division of assets and liabilities between two or more governmental units where relevant;

(4) Determination whether, or the extent to which, functions of a special purpose district are to be assumed by an incorporated city or town, metropolitan municipal corporation, or another existing special purpose district; or

(5) Disapproval of the proposal except that the board shall not have jurisdiction: (a) To disapprove the dissolution or disincorporation of a special purpose district which is not providing services but shall have jurisdiction over the determination of a division of the assets and liabilities of a dissolved or disincorporated special purpose district((PROVIDED, That a board shall not have jurisdiction)); (b) over the division of assets and liabilities of a special purpose district that is dissolved or disincorporated pursuant to chapter 36.96 RCW; nor (c) disapprove the incorporation of a city or disincorporation of a city or town.

Unless the board shall disapprove a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal, other than that for a city, town, or special purpose district annexation, after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

The addition or deletion of property by the board shall not invalidate a petition which had previously satisfied the sufficiency of signature provisions of RCW 35.13.130 or 35A.14.120. When the board, after due proceedings held, disapproves a proposed action other than an incorporation or disincorporation of a city or town, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be reinitiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration.

The board shall not modify or deny a proposed action unless there is evidence on the record to support a conclusion that the action is inconsistent with one or more of the objectives under RCW 36.93.180. Every such determination to modify or deny a proposed action shall be made in writing pursuant to a motion, and shall be supported by appropriate written findings and conclusions, based on the record. A document describing an action, finding, or conclusion made by a boundary review board may be signed by the chairman or vice-chairman at or out of a public meeting.

(4) The majority of the members of boundary review boards concur with a request for review when a petition requesting the review is filed by five percent of the registered voters who deem themselves affected by the action and reside within one-quarter mile of the proposed action but not within the jurisdiction proposing the action.

If a period of forty-five days shall elapse without the board's jurisdiction having been invoked as set forth in this section, the proposed action shall be deemed approved.

If a review of a proposal is requested, the board shall make a finding as prescribed in RCW 36.93.150 within one hundred twenty days after the filing of such a request for review. If this period of one hundred twenty days shall elapse without the board making a finding as prescribed in RCW 36.93.150, the proposal shall be deemed approved unless the board and the person who submitted the proposal agree to an extension of the one hundred twenty day period.

NEW SECTION, Sec. 12. A new section is added to chapter 35.13 RCW to read as follows:

The purpose of sections 12 through 15 of this act is to establish a process for the adjustment of existing or proposed city boundary lines to avoid a situation where a common boundary line is or would be located within a right of way of a public street, road, or highway, or a situation where two cities are separated or would be separated by only the right of way of a public street, road, or highway, other than situations where a boundary line runs from one edge of the right of way to the other edge of the right of way.

As used in sections 12 through 15 of this act, "city" includes every city or town in the state, including a code city operating under Title 35A RCW.

NEW SECTION, Sec. 13. A new section is added to chapter 35.13 RCW to read as follows:

However, this section does not apply to situations where a boundary line runs from one edge of the right of way to the other edge of the right of way.

(2) The councils of any two cities in a situation described in subsection (1) of this section may enter into an agreement to alter those portions of their boundaries that are necessary to eliminate this situation and create a partial common boundary on either edge of the right of way of the public street, road, or highway. An agreement made under this section shall include only boundary line adjustments between the two cities that are necessary to eliminate the situation described in subsection (1) of this section.

A boundary line adjustment under this section is not subject to potential review by a boundary review board.

The councils of any two cities that will be in a situation described in section 13(1) of this act as the result of a proposed annexation by one of the cities may enter into an agreement to adjust those portions of the annexation proposal and the boundaries of the city that is not proposing the annexation. Such an agreement shall not be effective unless the annexation is made.

The annexation proposal shall proceed if such an agreement were not made, but any resulting boundaries between the two cities that meet the descriptions of section 13(1) of this act shall be adjusted by agreement between the two cities within one hundred eighty days of the effective date of the annexation, or the county legislative authority of the county within which the right of way is located shall adjust the boundaries within a sixty-day period immediately following the one hundred eightieth day.

An agreement or adjustment made by a county under this section shall include only boundary line adjustments between the two cities that are necessary to eliminate the situation described in section 13(1) of this act.

A boundary line adjustment under this section is not subject to potential review by a boundary review board.

NEW SECTION, Sec. 15. A new section is added to chapter 35.13 RCW to read as follows:

(1) The purpose of this section is to avoid situations arising where the boundaries of an existing city and a newly incorporated city would create a situation described in section 13(1) of this act.

(2) A boundary review board that reviews the boundaries of a proposed incorporation may enter into an agreement with the council of a city, that would be in a situation described in subsection (1) of this section as the result of a proposed incorporation of a city, to adjust the boundary line of the city and those of the city proposed to be incorporated to avoid this situation described in subsection (1) of this section if the incorporation were to be approved by the voters. Such an agreement shall not be effective unless the incorporation occurs.

The incorporation proposal shall proceed if such an agreement were not made, but any resulting boundaries between the two cities that meet create a situation described in section 13(1) of this act shall be adjusted by agreement between the two cities within one hundred eighty days of the official date of the incorporation, or the county legislative authority of the

county within which the right of way is located shall adjust the boundaries within a sixty-day period immediately following the one hundred eightieth day.

An agreement or adjustment made by a county under this section shall include only boundary line adjustments between the two cities that are necessary to eliminate the situation described in section 13(1) of this act.

A boundary line adjustment under this section is not subject to potential review by a boundary review board.

NEW SECTION. Sec. 16. A new section is added to chapter 36.93 RCW to read as follows:

Boundary review board approval, or modification and approval, of a proposed annexation by a city, town, or special purpose district shall authorize annexation as approved and shall not authorize any other annexation action.

MESSAGE FROM THE HOUSE

April 6, 1989

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5933 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. A new section is added to chapter 41.04 RCW to read as follows:

The legislature finds that: (1) State employees historically have joined together to help their fellow employees who suffer from, or have relatives or household members suffering from, an extraordinary or severe illness, injury, impairment, or physical or mental condition which prevents the individual from working and causes great economic and emotional distress to the employee and his or her family; and (2) these circumstances may be exacerbated because the affected employees use all their accrued sick leave and annual leave and are forced to take leave without pay or terminate their employment. Therefore, the legislature intends to provide for the establishment of a leave sharing program.

NEW SECTION. Sec. 2. A new section is added to chapter 41.04 RCW to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 1 through 7 of this act.

(1) "Employee" means any employee of the state, including employees of school districts and educational service districts, who are entitled to accrue sick leave or annual leave and for whom accurate leave records are maintained.

(2) "State agency" or "agency" means departments, offices, agencies, or institutions of state government, the legislature, institutions of higher education, school districts, and educational service districts.

(3) "Program" means the leave sharing program established in section 3 of this act.

NEW SECTION, Sec. 3. A new section is added to chapter 41.04 RCW to read as follows:

The Washington state leave sharing program is hereby created. The purpose of the program is to permit state employees, at no significantly increased cost to the state of providing annual leave, to come to the aid of a fellow state employee who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused or is likely to cause the employee to take leave without pay or terminate his or her employment.

NEW SECTION, Sec. 4. A new section is added to chapter 41.04 RCW to read as follows:

(1) An agency head may permit an employee to receive leave under this section if:

(a) The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature and which has caused, or is likely to cause, the employee to:

(i) Go on leave without pay status; or

(ii) Terminate state employment;

(b) The employee's absence and the use of shared leave are justified;

(c) The employee has depleted or will shortly deplete his or her annual leave and sick leave reserves;

(d) The employee has abided by agency rules regarding sick leave use; and

(e) The employee has diligently pursued and been found to be ineligible for benefits under chapter 51.32 RCW.

(2) The agency head shall determine the amount of leave, if any, which an employee may receive under this section. However, an employee shall not receive a total of more than two hundred sixty-one days of leave.

(3) An employee who has an accrued annual leave balance of more than ten days may request that the head of the agency for which the employee works transfer a specified amount of annual leave to another employee authorized to receive leave under subsection (1) of this section. In no event may the employee request a transfer of an amount of leave that would result in his or her annual leave account going below ten days.

(4) Transfers of leave made by an agency head under subsection (3) of this section shall not exceed the requested amount.

(5) Leave transferred under this section may be transferred from employees of one agency to an employee of the same agency or, with the approval of the heads of both agencies, to an employee of another state agency. However, leave transferred to or from employees of school districts or educational service districts is limited to transfers to or from employees within the same employing district.

(6) While an employee is on leave transferred under this section, he or she shall continue to be classified as a state employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued annual leave or sick leave.

(a) All salary and wage payments made to employees while on leave transferred under this section shall be made by the agency employing the person receiving the leave. The value of leave transferred shall be based upon the annual leave value of the person receiving the leave.

(b) In the case of leave transferred by an employee of one agency to an employee of another agency, the agencies involved shall arrange for the transfer of funds and credit for the appropriate value of leave.

(i) Pursuant to rules adopted by the office of financial management, funds shall not be transferred under this section if the transfer would violate any constitutional or statutory restrictions on the funds being transferred.

(ii) The office of financial management may adjust the appropriation authority of an agency receiving funds under this section only if and to the extent that the agency's existing appropriation authority would prevent it from expending the funds received.

(iii) Where any questions arise in the transfer of funds or the adjustment of appropriation authority, the director of financial management shall determine the appropriate transfer or adjustment.

(7) Leave transferred under this section shall not be used in any calculation to determine an agency's allocation of full time equivalent staff positions.

(8) The value of any leave transferred under this section which remains unused shall be returned at its original value to the employee or employees who transferred the leave when the agency head finds that the leave is no longer needed or will not be needed at a future time in connection with the illness or injury for which the leave was transferred. To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

NEW SECTION, Sec. 5. A new section is added to chapter 41.04 RCW to read as follows:

The state personnel board, the higher education personnel board, and other personnel authorities shall each adopt rules applicable to employees under their respective jurisdictions: (1) Establishing appropriate parameters for the program which are consistent with the provisions of sections 1 through 4 of this act; (2) providing for equivalent treatment of employees between their respective jurisdictions and allowing transfers of leave in accordance with section 4(5) of this act; (3) establishing procedures to ensure that the program does not significantly increase the cost of providing annual leave; and (4) providing for the administration of the program and providing for maintenance and collection of sufficient information on the program to allow a thorough legislative review.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.58 RCW to read as follows:

Every school district board of directors and educational service district superintendent may, in accordance with sections 1 through 4 of this act, establish and administer an annual leave sharing program for their certificated and noncertificated employees. NEW SECTION. Sec. 7. School districts, the department of personnel, the higher education personnel board, and other personnel authorities may adopt temporary emergency policies and procedures to implement the program on the effective date of this act so that donated leave may be used in lieu of leave without pay taken after the effective date of this act.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

MOTIONS

On motion of Senator West, the following Committee on Ways and Means amendment was adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. A new section is added to chapter 10.77 RCW to read as follows:

With respect to this act, the legislature finds that among those persons who endanger the safety of others by committing felony crimes are a small number of persons with developmental disabilities. While their conduct is not typical of the vast majority of persons with developmental disabilities who are responsible citizens, for their own welfare and for the safety of others the state may need to exercise control over those few dangerous individuals who are developmentally disabled, have been charged with felony crimes, and have been found either incompetent to stand trial or not guilty by reason of insanity. The legislature finds, however, that the use of civil commitment procedures under chapter 71.05 RCW to effect state control over dangerous developmentally disabled persons has resulted in their commitment to institutions for the mentally ill. The legislature finds that existing programs in mental institutions may be inappropriate for persons who are developmentally disabled because the services provided in mental institutions are oriented to persons with mental illness, a condition not necessarily associated with developmental disabilities. Therefore, the legislature believes that, where appropriate, and subject to available funds, persons with developmental disabilities who have been charged with felony crimes and have been found incompetent to stand trial or not guilty by reason of insanity should receive state services addressing their needs, that such services must be provided in conformance with an individual habilitation plan, and that their

initial treatment should be separate and discrete from treatment for persons involved in any other treatment or habilitation program in a manner consistent with the needs of public safety.

NEW SECTION. Sec. 2. A new section is added to chapter 71.05 RCW to read as follows:

With respect to this act, the legislature finds that among those persons who endanger the safety of others by committing felony crimes are a small number of persons with developmental disabilities. While their conduct is not typical of the vast majority of persons with developmental disabilities who are responsible citizens, for their own welfare and for the safety of others the state may need to exercise control over those few dangerous individuals who are developmentally disabled, have been charged with felony crimes, and have been found either incompetent to stand trial or not guilty by reason of insanity. (e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual discharge from involuntary confinement, and a projected possible date for discharge from involuntary confinement; and

Sec. 4, Section 6, chapter 117, Laws of 1973 1st ex. sess. as amended by section 6, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.060 are each amended to read as follows:

(1) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate at least two qualified experts or professional persons, one of whom shall be approved by the prosecuting attorney, to examine and report upon the mental condition of the defendant. At least one of the experts or professional persons appointed shall be a developmental disabilities professional if the court is advised by any party that the defendant may be developmentally disabled. For purposes of the examination, the court may order the defendant committed to a hospital or other suitable facility for a period of time necessary to complete the examination, but not to exceed fifteen days.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the examination authorized by subsection (1) of this section, and that ~~(he)~~ the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the examination shall include the following:

(a) A description of the nature of the examination;

(b) A diagnosis of the mental condition of the defendant;

(c) If the defendant suffers from a mental disease or defect, or is developmentally disabled, an opinion as to ~~(his)~~ competency;

(d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, an opinion as to the defendant's sanity at the time of the act;

(e) When directed by the court, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

Sec. 5, Section 9, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 3, chapter 215, Laws of 1979 ex. sess. and RCW 10.77.090 are each amended to read as follows:

(1) If at any time during the pendency of an action and prior to judgment, the court finds following a report as provided in RCW 10.77.060, as now or hereafter amended, that the defendant is incompetent, the court shall order the proceedings against ~~(him)~~ the defendant be stayed, except as provided in subsection (5) of this section, and, if the defendant is charged with a felony, may commit the defendant to the custody of the secretary, who shall place such defendant in an appropriate facility of the department for evaluation and treatment, or the court may alternatively order the defendant to undergo evaluation and treatment at some other facility, or under the guidance and control of some other person, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, but in any event, for no longer than a period of ninety days. A defendant found incompetent shall be evaluated at the direction of the secretary and a determination made whether the defendant is developmentally disabled. Such evaluation and determination shall be accomplished as soon as possible following the court's placement of the defendant in the custody of the secretary. When appropriate, and subject to available funds, if the defendant is determined to be developmentally disabled, he or she may be placed in a program specifically reserved for the treatment and training of persons with developmental disabilities where the defendant shall have the right to habilitation according to an individualized service plan specifically developed for the particular needs of the defendant. The program shall be separate from programs serving persons involved in any other treatment or

habilitation program. The program shall be appropriately secure under the circumstances and shall be administered by developmental disabilities professionals who shall direct the habilitation efforts. The program shall provide an environment affording security appropriate with the charged criminal behavior and necessary to protect the public safety. The department may limit admissions of such persons to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department. A copy of the report shall be sent to the facility. On or before expiration of the initial ninety day period of commitment the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent. If the defendant is charged with a crime which is not a felony, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the county mental health professional to evaluate the defendant and commence proceedings under chapter 71.05 RCW if appropriate; and subsections (2) and (3) of this section shall not be applicable: PROVIDED, That, upon order of the court, the prosecutor may directly petition for fourteen days of involuntary treatment under chapter 71.05 RCW.

(2) If the court finds by a preponderance of the evidence that the defendant is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ninety day period, but it must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ninety day period. The defendant, ~~(his)~~ the defendant's attorney, the prosecutor, or the judge shall have the right to demand that the hearing on or before the expiration of the second ninety day period be before a jury. No extension shall be ordered for a second ninety-day period, nor for any subsequent period as provided in subsection (3) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension. If no demand is made, the hearing shall be before the court. The court or jury shall determine whether or not the defendant has become competent.

(3) At the hearing upon the expiration of the second ninety day period or at the end of the first ninety day period, in the case of a developmentally disabled defendant, if the jury or court, as the case may be, finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order the release of the defendant: PROVIDED, That the criminal charges shall not be dismissed if at the end of the second ninety day period, or at the end of the first ninety day period, in the case of a developmentally disabled defendant, the court or jury finds that the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, and that there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for an additional six months. At the end of said six month period, if the defendant remains incompetent, the charges shall be dismissed without prejudice and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order release of the defendant.

(4) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(5) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables ~~(him)~~ the defendant to understand the proceedings against him or her and to assist in his or her own defense, or does not disable him or her from so understanding and assisting in his or her own defense.

(6) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of examination which meets the requirements of RCW 10.77.060(3).

Sec. 6. Section 11, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 1, chapter 25, Laws of 1983 and RCW 10.77.110 are each amended to read as follows:

(1) If a defendant is acquitted of a felony by reason of insanity, and it is found that he or she is not a substantial danger to other persons, and does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct ~~(his)~~ the defendant's final discharge. If it is found that such defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall order his or her hospitalization, or any appropriate alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter.

(2) If the defendant has been found not guilty by reason of insanity and a substantial danger, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, so as to require treatment then the secretary shall immediately cause the defendant to be evaluated to ascertain if the defendant is developmentally disabled. When appropriate, and subject to available funds, the defendant may be committed to a program specifically

reserved for the treatment and training of developmentally disabled persons. A person so committed shall receive habilitation services according to an individualized service plan specifically developed to treat the behavior which was the subject of the criminal proceedings. The treatment program shall be administered by developmental disabilities professionals and others trained specifically in the needs of developmentally disabled persons. The treatment program shall provide physical security to a degree consistent with the finding that the defendant is dangerous and may incorporate varying conditions of security and alternative sites when the dangerousness of any particular defendant makes this necessary. The department may limit admissions to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department.

(3) If it is found that such defendant is not a substantial danger to other persons, and does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, but that he or she is in need of control by the court or other persons or institutions, the court shall direct ((his)) the defendant's conditional release. If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant's release or order the defendant's continued custody only for a reasonable time to allow the county-designated mental-health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate.

The examinations of all developmentally disabled persons committed under this chapter shall be performed by developmental disabilities professionals. Any person so committed shall not be discharged from the control of the secretary save upon the order of a court of competent jurisdiction made after a hearing and judgment of discharge.

Whenever there is a hearing which the committed person is entitled to attend, the secretary shall send him or her in the custody of one or more department employees to the county where the hearing is to be held at the time the case is called for trial. During the time ((he)) the person is absent from the facility, he or she shall be confined in a facility designated by and arranged for by the department, and shall at all times be deemed to be in the custody of the department employee and provided necessary treatment. If the decision of the hearing remits the person to custody, the department employee shall forthwith return ((him)) the person to such institution or facility designated by the secretary. If the state appeals an order of discharge, such appeal shall operate as a stay, and the person in custody shall so remain and be forthwith returned to the institution or facility designated by the secretary until a final decision has been rendered in the cause.

Sec. 8. Section 14, chapter 117, Laws of 1973 1st ex. sess. as amended by section 12, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.140 are each amended to read as follows:

In the case of a committed or conditionally released person who is developmentally disabled, the expert shall be a developmental disabilities professional. The secretary, upon receipt of the periodic report, shall provide written notice to the court of commitment of compliance with the requirements of this section.

Sec. 9. Section 2, chapter 122, Laws of 1983 and RCW 10.77.163 are each amended to read as follows:

The

notice shall be provided at least thirty days before the anticipated release and shall describe the conditions under which the release is to occur.

(2) In addition to the notice required by subsection (1) of this section, the superintendent of each state institution designated for the custody, care, and treatment of ~~((the criminally insane))~~ persons committed under this chapter shall notify appropriate law enforcement agencies through the state patrol communications network of the furloughs of persons committed under RCW 10.77.090 or 10.77.110. Notification shall be made at least forty-eight hours before the furlough, and shall include the name of the person, the place to which the person has permission to go, and the dates and times during which the person will be on furlough. ~~((For emergency furloughs, forty-eight hours notice is not required, but notice shall be made before the departure.))~~

(3) Upon receiving notice that a person committed under this chapter is being temporarily released under subsection (1) of this section, the prosecuting attorney may seek a temporary restraining order to prevent the release of the person on the grounds that the person is dangerous to self or others.

Sec. 10. Section 3, chapter 122, Laws of 1983 and RCW 10.77.165 are each amended to read as follows:

In the event of an escape by a ~~((criminally insane))~~ person committed under this chapter from a state institution or the disappearance of such a person on conditional release, the superintendent shall notify as appropriate, local law enforcement officers, other governmental agencies, the person's relatives, and any other appropriate persons about information necessary for the public safety or to assist in the apprehension of the person.

(1) Upon application by the ~~((criminally insane))~~ committed or conditionally released person, the secretary shall determine whether or not reasonable grounds exist for final discharge. If the secretary approves the final discharge he or she then shall authorize said person to petition the court.

(2) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for final discharge, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the petitioner examined by an expert or professional person of his choice. If the petitioner is indigent, and ~~((he))~~ the person so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the petitioner is developmentally disabled, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the petitioner may be finally discharged without substantial danger to other persons, and without presenting a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(3) Nothing contained in this chapter shall prohibit the patient from petitioning the court for final discharge or conditional release from the institution in which he or she is committed. The issue to be determined on such proceeding is whether the petitioner is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

Sec. 12. Section 21, chapter 117, Laws of 1973 1st ex. sess. as amended by section 3, chapter 196, Laws of 1983 and RCW 10.77.210 are each amended to read as follows:

The person who has custody of the patient or is in charge of treatment shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations of the patient that have been filed with the secretary pursuant to this chapter. All records and reports made pursuant to this chapter, shall be made available only upon request, to the committed person, to his or her attorney, to his or her personal physician, to the prosecuting attorney, to the court, to the protection and advocacy agency, or other expert or professional persons who, upon proper showing, demonstrates a need for access to such records. All records and reports made pursuant to this chapter shall also be made available, upon request, to the department of corrections or the ~~((board of prison terms and paroles))~~ indefinite sentence review board if the person was on parole or probation at the time of detention, hospitalization, or commitment or the person is subsequently convicted for the crime for which ~~((they were))~~ he or she was detained, hospitalized, or committed pursuant to this chapter.

Sec. 14. Section 35, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 8, chapter 439, Laws of 1987 and RCW 71.05.300 are each amended to read as follows:

The petition for ninety day treatment shall be filed with the clerk of the superior court at least three days before expiration of the fourteen-day period of intensive treatment. At the time of filing such petition, the clerk shall set a time for the person to come before the court on the next judicial day after the day of filing unless such appearance is waived by the person's attorney, and the clerk shall notify the designated county mental health professional. The designated county mental health professional shall immediately notify the person detained, his or her attorney, if any, and his or her guardian or conservator, if any, and the prosecuting attorney, and provide a copy of the petition to such persons as soon as possible.

At the time set for appearance the detained person shall be brought before the court, unless such appearance has been waived and the court shall advise him or her of his or her right to be represented by an attorney and of his or her right to a jury trial. If the detained person is not represented by an attorney, or is indigent or is unwilling to retain an attorney, the court shall immediately appoint an attorney to represent him or her. In the case of a developmentally disabled person who has been determined to be incompetent pursuant to RCW 10.77.090(3), then the appointed professional person under this section shall be a developmental disabilities professional.

The court shall also set a date for a full hearing on the petition as provided in RCW 71.05.310.

Sec. 15. Section 37, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 5, chapter 67, Laws of 1986 and RCW 71.05.320 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services for a further period of intensive treatment not to exceed ninety days from the date of judgment: PROVIDED, That if the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department. If the committed person is developmentally disabled and has been determined incompetent pursuant to RCW 10.77.090(3), and the best interests of the person or others will not be served by a less-restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department. When appropriate and subject to available funds, treatment and training of such persons must be provided in a program specifically reserved for the treatment and training of developmentally disabled persons. A person so committed shall receive habilitation services pursuant to an individualized service plan specifically developed to treat the behavior which

was the subject of the criminal proceedings. Said treatment program shall be administered by developmental disabilities professionals and others trained specifically in the needs of developmentally disabled persons. The department may limit admissions to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department. An order for treatment less restrictive than involuntary detention may include conditions, and if such conditions are not adhered to, the designated mental health professional or developmental disabilities professional may order the person apprehended under the terms and conditions of RCW 71.05.340 as now or hereafter amended.

If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment: PROVIDED, That if the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment.

(2) Said person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) of this section unless the superintendent or professional person in charge of the facility in which he is confined, or in the event of a less restrictive alternative, the designated mental health professional or developmental disabilities professional, files a new petition for involuntary treatment on the grounds that the committed person;

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm to others; or

(b) Was taken into custody as a result of conduct in which he attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm to others; or

(c) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability presents a substantial likelihood of repeating similar acts considering the charged criminal behavior, life history, progress in treatment, and the public safety; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in subsections (b) and (c) of this section was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to reprove that element. Such new petition for involuntary treatment shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this subsection are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided herein above. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. No person committed as herein provided may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 16. Section 2, chapter 67, Laws of 1986 and RCW 71.05.325 are each amended to read as follows:

(1) Before a person committed under grounds set forth in RCW 71.05.280(3) is released from involuntary treatment because a new petition for involuntary treatment has not been filed under RCW 71.05.320(2), the superintendent, professional person, or designated mental health professional responsible for the decision whether to file a new petition shall in writing notify the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed, of the decision not to file a new petition for involuntary treatment. Notice shall be provided at least thirty days before the period of commitment expires.

(2)(a) Before a person committed under grounds set forth in RCW 71.05.280(3) is permitted temporarily to leave a treatment facility pursuant to RCW 71.05.270 for any period of time without constant accompaniment by facility staff, the superintendent, professional person in charge of a treatment facility, or his or her professional designee shall in writing notify the prosecuting attorney of any county to which the person is to be released and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed, of the decision conditionally to release the person. The notice shall be provided at least thirty days before the anticipated release and shall describe the conditions under which the release is to occur.

(b) The provisions of RCW 71.05.330(2) apply to proposed temporary releases, and either or both prosecuting attorneys receiving notice under this subsection may petition the court under RCW 71.05.330(2).

(3) Nothing in this section shall be construed to authorize detention of a person unless a valid order of commitment is in effect.

NEW SECTION. Sec. 17. A new section is added to chapter 10.77 RCW to read as follows:

The provisions of this act shall apply equally to persons presently in the custody of the department who were found by a court to be not guilty by reason of insanity or incompetent to stand trial, or who have been found to have committed acts constituting a felony pursuant to RCW 71.05.280(3) and present a substantial likelihood of repeating similar acts, and the secretary shall cause such persons to be evaluated to ascertain if such persons are developmentally disabled for placement in a program specifically reserved for the treatment and training of persons with developmental disabilities.

NEW SECTION. Sec. 18. A new section is added to chapter 71.05 RCW to read as follows:

The provisions of this act shall apply equally to persons presently in the custody of the department who were found by a court to be not guilty by reason of insanity or incompetent to stand trial, or who have been found to have committed acts constituting a felony pursuant to RCW 71.05.280(3) and present a substantial likelihood of repeating similar acts, and the secretary shall cause such persons to be evaluated to ascertain if such persons are developmentally disabled for placement in a program specifically reserved for the treatment and training of persons with developmental disabilities.

NEW SECTION. Sec. 19. (1) The legislature finds that since the later 1970s, there has been an increase in the reinstitutionalization of the mentally ill in prisons, jails, and mentally ill offender programs within state hospitals in Washington. The mentally ill offender is frequently released from jail or prison without any supervision or case management in the community. The mentally ill offender is also released from the state hospital to the community where the mental health system is resource-deficient to accommodate the needs of the mentally ill, criminally stigmatized person. Many of these individuals become reinvolvement with the criminal justice system, the jails, courts, and corrections with additional convictions and/or state hospital commitments. Neither the treatment needs of this population nor public safety is being met by the existing systems.

There is public concern about the lack of adequate security in mentally ill offender programs at state hospitals. It is the intent of the legislature to promote public safety and provide a secure treatment facility to serve the forensic patients who are under the supervision of the department of corrections or the department of social and health services.

(2)(a) The department of corrections and the department of social and health services shall conduct a study for the development of a forensic hospital which would serve the needs of mentally ill offenders currently in state health institutions and prisons. In preparing the study, the departments shall consult with other states, counties, cities, jails, private and public agencies, and community groups for recommendations in housing and treating the mentally ill offender.

(b) The scope of the study shall be sufficiently broad to encompass the inpatient and community service needs of the mentally ill offenders, from their first contact with the criminal justice system to reintegration in the community.

(c) The departments shall report back to the senate law and justice committee and the house of representatives judiciary committee before March 1, 1990.

NEW SECTION. Sec. 20. Section 19 of this act shall expire March 1, 1990.

NEW SECTION. Sec. 21. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF INQUIRY

Senator Rasmussen: "Senator Bailey, how does this or how would this provision affect the pensions?"

Senator Bailey: "I'm not sure I can give you a positive answer on that, but I assume if people shared a job and their pensions would be accordance to the dollars that they earned, and--"

Senator Rasmussen: "Well, not necessarily. They have to get a certain number of hours in a month in order to qualify for it and I wonder if you would check that?"

Senator Bailey: "I will check that for you and get back to you."

Senator Rasmussen: "You know, each employee must get a certain number of hours. We did pass a bill here just recently which allowed employees to combine hours on separate jobs. That is, they could be a custodian and a bus driver and combine the hours for pension purposes, but I'm not so sure that this will take into consideration on this job sharing--how that will affect the pensions. Maybe Senator Warnke would know. This doesn't relate to the previous bill we passed, but it's on a job sharing requirement which is probably a good provision, but I don't know how it will affect their pensions."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2137, by Committee on Trade and Economic Development (originally sponsored by Representatives Cantwell, Moyer, Rasmussen and Walk)

Establishing targeted sectors for economic development.

The bill was read the second time.

MOTION

Senator Lee moved that the following Committee on Economic Development and Labor amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. (1) The legislature finds that the future health of certain sectors of Washington state's economy is at risk in the face of increasing global competition. The service and aerospace industries have responded well to this increasing global competition. However, certain traditional industries, such as forest products and agriculture which are primarily located in rural areas, have experienced some decline. However, significant public and private resources are being directed toward restoring the vitality of these industries. In the area of forest products the level of industry investment since 1985 is estimated at six billion dollars nationally resulting in increased productivity in excess of forty percent within Washington state since 1982.

(2) The legislature finds that, in addition to these industries, there are a number of emerging sectors in the state economy which offer real promise. These include biotechnology, manufactured forest products, and food processing. In the next decade, these emerging sectors can be among the state's strongest, most stable sectors able to successfully compete in the global market and assist economic development in Washington's rural and urban communities. It is the purpose of sections 1 through 7 of this act to help these emerging sectors by encouraging a broader base and support for their development. It is also the purpose of sections 1 through 7 of this act to ensure that more specific direction is given to the department in developing its programs and that the impact of resources the department directs toward targeted sectors is better measured.

(3) The legislature also finds that the state must work in partnership with the private sector to enhance economic development, whether restoring the vitality of declining industries or developing new industries with good economic potential. In order for the public and private efforts to be most successful, the state, particularly the department, must clearly articulate: (a) its goals and objectives; (b) its appraisal of the sector that led to the goals and objectives; (c) its choice of strategy for achieving the goals and objectives; (d) its implementation plans and timetables; and (e) its evaluation criteria and process. The department must work with the private sector, research institutions, other state agencies, and the legislature in the analysis, the setting of goals, the choice of strategy, and the evaluation process so that all parties have input into and understand how the problem is being defined and how the problem is being solved.

NEW SECTION, Sec. 2. (1) The department shall establish targeted sector programs in the areas of biotechnology, manufactured forest products, and food processing. The purpose of these programs shall be to analyze the current state of the targeted sector, develop an action plan, and implement a program for each targeted sector to increase the sales of products from these sectors nationally and internationally.

(2) A targeted sector program within the department shall:

(a) Administer the targeted sector programs established in subsection (1) of this section;

(b) Contract with the international marketing program for agricultural commodities and trade at Washington State University to analyze the current state of the food processing industry and develop an industry action plan;

(c) Contract with the center for international trade in forest products at the University of Washington to analyze the current state of the wood products manufacturing industry and develop an industry action plan;

(d) Contract with the northwest policy center at the University of Washington to analyze the current state of the biotechnology industry and develop an industry action plan.

(3) The department in conjunction with the centers shall also develop an evaluation process to measure the effectiveness of the targeted sector programs. The targeted sector programs are intended to significantly increase the jobs and capital investment in these sectors through a well-conceived and implemented action plan.

NEW SECTION. Sec. 3. (1) The centers shall appraise their respective targeted sectors to determine the current state of the sector. In making this appraisal, the centers shall consider, but shall not be limited to, the following: (a) The strengths and weaknesses of the sector; (b) the opportunities and risks in the sector; (c) any emerging products, processes and market niches in the sector; (d) the commercialization of technology related to the sector; (e) the availability of capital in the sector; (f) the education and training needs in the sector; (g) the infrastructure development in the sector; (h) the number of employees and businesses in the sector; and (i) the role the state should play in the long-term development of the sector.

(2) The centers shall base their action plan for each targeted sector on the appraisal of the sector under subsection (1) of this section. Where needs are identified in the appraisal of the sector or a component of the industry action plan, but are beyond the scope of the department's program or ability to accomplish without additional resources, the department shall provide clear recommendations to the legislature regarding an action plan the state should implement to address these identified needs.

NEW SECTION. Sec. 4. (1) In the forest products manufacturing targeted sector program the evergreen partnership shall act as the advisory committee to the department.

(2) In the food products processing targeted sector program the department of agriculture food products processing advisory committee shall act as the advisory committee to the department of trade and economic development.

(3) In the biotechnology targeted sector program the Washington state biotechnology association shall act as the advisory committee to the department.

NEW SECTION. Sec. 5. The advisory committees shall:

(1) Provide policy direction regarding:

(a) The appraisal process;

(b) Program development;

(c) Program implementation; and

(d) Evaluate criteria and process for the targeted sector program; and

(2) Review the role of other state agencies and the private sector in advising the department.

NEW SECTION. Sec. 6. By January 10th of each year the department in conjunction with the centers as provided under section 2 of this act shall report in writing on its targeted sector programs to the trade and economic development committee in the house of representatives and the economic development and labor committee in the senate. The department shall report on each element of the targeted sector program, including: (1) Appraisal of the sector; (2) alternatives for assisting in the growth and development of the sector; (3) the choice of the strategy and the rationale behind that choice; (4) the implementation of the strategy; and (5) the evaluation of the targeted sector program. The department in conjunction with the centers as provided under section 2 of this act shall also make current information available on a regular basis to the legislature and the private sector regarding its targeted sector programs.

NEW SECTION. Sec. 7. The department shall work with the centers, industry trade groups, local governments and local economic development organizations in implementing the target sector programs. The department shall seek and utilize nonstate funds to help carry out these programs.

NEW SECTION. Sec. 8. The business assistance center of the department of trade and economic development, in consultation with the Washington state institute for public policy and the northwest policy center shall review the establishment of an industrial extension grant program in conjunction with the targeted sector program projects.

NEW SECTION. Sec. 9. The department, in reviewing the establishment of the industrial extension program, shall identify:

(1) The manner in which the program should be structured and funded;

(2) The scope of services that should be provided; and

(3) The availability of possible grant recipients that could provide services under the program; such grant recipients should have the following characteristics:

(a) Demonstrate the participation of local education institutions, trade or industry associations, and local economic development groups;

(b) Provide the services of industrial engineers, efficiency experts, and other technicians familiar with the modernization needs of local industries;

(c) Offer firm-specific assistance for a limited period of time, after which firms may negotiate assistance on a fee basis;

(d) Work primarily with small firms which could not otherwise afford the expertise;

(e) Develop mechanisms to provide information on new manufacturing technologies to existing small and medium-sized firms; and

(f) Provide whatever information the business assistance center deems necessary to evaluate the potential effectiveness of the program.

NEW SECTION. Sec. 10. The business assistance center shall examine mechanisms for the establishment of flexible manufacturing networks or consortia through which small firms cooperatively access modernization, marketing, training and other services.

NEW SECTION. Sec. 11. The business assistance center shall report by January 1, 1989, to the senate economic development and labor committee and house of representatives trade and economic development committee on its findings and recommendations on the establishment of an industrial extension program and flexible manufacturing networks or consortia program.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act are each added to chapter 43.31 RCW.

NEW SECTION. Sec. 13. A new section is added to chapter 43.131 RCW to read as follows:

The targeted sector programs shall be terminated on June 30, 1994, as provided in section 14 of this act.

NEW SECTION. Sec. 14. A new section is added to chapter 43.131 RCW to read as follows:

The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective June 30, 1995:

(1) Section 1 of this act and RCW 43.31.____;

(2) Section 2 of this act and RCW 43.31.____;

(3) Section 3 of this act and RCW 43.31.____;

(4) Section 4 of this act and RCW 43.31.____;

(5) Section 5 of this act and RCW 43.31.____;

(6) Section 6 of this act and RCW 43.31.____; and

(7) Section 7 of this act and RCW 43.31.____."

Debate ensued.

The President declared the question before the Senate to be the adoption of the Committee on Economic Development and Labor striking amendment to Engrossed Substitute House Bill No. 2137.

The motion by Senator Lee carried and the committee amendment was adopted.

MOTION

On motion of Senator Lee, the following title amendment was adopted:

On page 1, line 1 of the title, after "development," strike the remainder of the title and insert "adding new sections to chapter 43.31 RCW; and adding new sections to chapter 43.131 RCW."

MOTION

On motion of Senator Lee, the rules were suspended, Engrossed Substitute House Bill No. 2137, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Smitherman: "Senator Lee, in adopting the striking amendment which I think was a good move, I just became curious. The underlying bill calls for an appropriation of about, I guess it was two hundred and seventy-two thousand dollars for a biennium. Is the cost of the program now incorporated in the budget or is it somehow referenced in the striking amendment?"

Senator Lee: "The striking amendment is silent as to the particular cost because we made changes, but if there is any additional cost, it would be considerably less than the original bill which would have created whole new groups. We have appropriations in the budget for CINTRAFOR, an impact which would have this kind of responsibility in any case. I do not have a fiscal note from them to know whether or not the existing budget for those two agencies--whether they feel it's adequate for these studies or not. Conversations have indicated that this is something they feel they probably can do, whether they can do it before the deadline

will be another question. If they cannot, I'm sure that would be part of their report when they come back to us in 1990.

"As far as the Northwest Policy Center at the University of Washington, they're a group that is primarily supported by the University of Washington through their budget and the Northwest Policy Foundation which is private funding. I'm convinced that the striking amendment is a far more economical way of getting this particular project done, but I cannot assure you unequivocally that it will not mean additional funding if it's to be done completely and well."

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 2137, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 2137, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 44; absent, 1; excused, 4.

Senator Metcalf: "Thank you, Senator Pullen. We don't know exactly how dangerous it is, but in the old days--the house where I was brought up was not well insulated--there was a draft blowing through almost all the time and you didn't have this problem. It is only now when we have the super insulated homes and the lack of exchange of air, that this is a problem. We don't know the extent of the problem, but we'd better find out."

Mr. President:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 5375 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that recent developments in molecular biology and genetics have important applications for forensic science. It has been scientifically established that there is a unique pattern to the chemical structure of the deoxyribonucleic acid (DNA) contained in each cell of the human body. The process for identifying this pattern is called "DNA identification."

The legislature further finds that the accuracy of identification provided by this method is superior to that of any presently existing technique and recognizes the importance of this scientific breakthrough in providing a reliable and accurate tool for the investigation and prosecution of sex offenses as defined in RCW 9.94A.030(26) and violent offenses as defined in RCW 9.94A.030(29).

NEW SECTION. Sec. 2. (1) To support criminal justice services in the local communities throughout this state, the state patrol in consultation with the University of Washington school of medicine shall develop a plan and safeguards for a DNA identification system and, after July 1, 1990, and legislative approval of the plan and safeguards, shall establish a DNA identification system. In implementing the plan, the state patrol shall purchase the appropriate equipment and supplies. The state patrol shall procure the most efficient equipment available.

(2) The DNA identification system as established shall be compatible with that utilized by the federal bureau of investigation.

(3) The state patrol and the University of Washington school of medicine shall report on the proposed DNA identification system to the legislature no later than November 1, 1989. The report shall include a time line for implementing each stage, a local agency financial participation analysis, a system analysis, a full cost/purchase analysis, a vendor bid evaluation, and a space location analysis that includes a site determination. The state patrol shall coordinate the preparation of this report with the office of financial management.

The Washington state patrol in cooperation with the University of Washington school of medicine shall also develop a program for the proper administration and collection of blood samples. This program shall include requirements that the blood samples be taken under sanitary conditions in a medically approved manner by a physician, registered nurse, or licensed phlebotomist.

NEW SECTION. Sec. 3. After July 1, 1990, and legislative adoption of appropriate safeguards, every individual convicted in a Washington superior court of a felony defined as a sex offense under RCW 9.94A.030(26)(a) or a violent offense as defined in RCW 9.94A.030(29) shall have a blood sample drawn for purposes of DNA identification analysis before release from or transfer to a state correctional institution or county jail or detention facility. Any blood sample

taken pursuant to section 2 of this act, this section, and sections 4 and 5 of this act shall be used solely for the purpose of providing DNA or other blood grouping tests for identification analysis and prosecution of a sex offense or a violent offense.

NEW SECTION. Sec. 4. The state patrol in consultation with the University of Washington school of medicine may:

(1) Provide assistance to law enforcement officials and prosecutors in the preparation and utilization of DNA evidence for presentation in court; and

(2) Provide expert testimony in court on DNA evidentiary issues.

NEW SECTION. Sec. 5. (1) No local law enforcement agency may establish or operate a DNA identification system before July 1, 1990.

(2) No local law enforcement agency may establish or operate a DNA identification system after June 30, 1990 unless:

(a) The equipment of the local system is compatible with that of the state system under section 2 of this act;

(b) The local system is equipped to receive and answer inquiries from the Washington state patrol DNA identification system and transmit data to the Washington state patrol DNA identification system; and

(c) The procedure and rules for the collection, analysis, storage, expungement, and use of DNA identification data do not conflict with procedures and rules applicable to the state patrol DNA identification system.

(3) The Washington state patrol shall adopt rules to implement this section.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act are each added to chapter 43.43 RCW.

NEW SECTION. Sec. 7. Any moneys received by the state from the federal bureau of justice assistance shall be used to conserve state funds if not inconsistent with the terms of the grant. To the extent that federal funds are available for the purposes of this act, state funds appropriated in this section shall lapse and revert to the general fund.

NEW SECTION. Sec. 8. The sum of six hundred ten thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the state patrol for the purposes of this act. The state patrol may not use any state, federal, or private funds to implement or establish a DNA identification system data bank prior to July 1, 1990 and prior to the legislature's adoption of safeguards for the collection, analysis, storage, expungement, and use of DNA identification data."

The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards (~~proposed~~) recommended for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards (~~proposed~~) recommended by the commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed. In developing (~~proposed~~) recommended disposition standards, the commission shall consider the capacity of the state juvenile facilities and the projected impact of the proposed standards on that capacity.

(b) The secretary shall submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the legislature for its review no later than November 1st of each (~~even-numbered~~) year. At the same time the secretary shall submit a report on security at juvenile facilities during the preceding (~~two-year period~~) year. The report shall include the number of escapes from each juvenile facility, the most serious offense for which each escapee had been confined, the number and nature of offenses found to have been committed by juveniles while on escape status, the number of authorized leaves granted, the number of failures to comply with leave requirements, the number and nature of offenses committed while on leave, and the number and nature of offenses committed by juveniles while in the community on minimum security status; to the extent this information is

available to the secretary. The department shall include security status definitions in the security guidelines it submits to the legislature pursuant to this section.

(2) ~~((If the commission fails to propose disposition standards as provided in this section, the existing standards shall remain in effect and may be adopted by the legislature or referred to the commission for modification as provided in subsection (3) of this section. If the standards are referred for modification, the provisions of subsection (4) shall be applicable.~~

~~(3) The legislature may adopt the proposed standards or refer the proposed standards to the commission for modification. If the legislature fails to adopt or refer the proposed standards to the commission by February 15th of the following year, the proposed standards shall take effect without legislative approval on July 1st of that year.~~

~~(4) If the legislature refers the proposed standards to the commission for modification on or before February 15th, the commission shall resubmit the proposed modifications to the legislature no later than March 1st. The legislature may adopt or modify the resubmitted proposed standards. If the legislature fails to adopt or modify the resubmitted proposed standards by April 1st, the resubmitted proposed standards shall take effect without legislative approval on July 1st of that year.~~

(5)) In developing ~~((and promulgating))~~ recommendations for the permissible ranges of confinement under this section the commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range.

Sec. 4. Section 70, chapter 291, Laws of 1977 ex. sess. as last amended by section 8, chapter 191, Laws of 1983 and RCW 13.40.160 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, section 7 of this act.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, section 7 of this act. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, section 7 of this act. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, section 7 of this act. A disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Any disposition other than community supervision may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision may not be appealed under RCW 13.40.230 as now or hereafter amended.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, section 7 of this act; PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, section 7 of this act in

which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 as now or hereafter amended.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4) (a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 as now or hereafter amended.

(5) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(6) In its dispositional order, the court shall not suspend or defer the imposition or the execution of the disposition.

(7) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

NEW SECTION. Sec. 5. A new section is added to chapter 13.40 RCW to read as follows:

The sentencing guidelines and prosecuting standards apply equally to juvenile offenders in all parts of the state, without discrimination as to any element that does not relate to the crime or the previous record of the offender.

NEW SECTION. Sec. 6. A new section is added to chapter 13.40 RCW to read as follows:

The total current offense points for use in the standards range matrix of schedules D-1, D-2, and D-3 are computed as follows:

(1) The disposition offense category is determined by the offense of conviction. Offenses are divided into ten levels of seriousness, ranging from low (seriousness level E) to high (seriousness level A+), see schedule A, section 7 of this act.

(2) The prior offense increase factor is summarized in schedule B, section 7 of this act. The increase factor is determined for each prior offense by using the time span and the offense category in the prior offense increase factor grid. Time span is computed from the date of the prior offense to the date of the current offense. The total increase factor is determined by totaling the increase factors for each prior offense and adding a constant factor of 1.0.

(3) The current offense points are summarized in schedule C, section 7 of this act. The current offense points are determined for each current offense by locating the juvenile's age on the horizontal axis and using the offense category on the vertical axis. The juvenile's age is determined as of the time of the current offense and is rounded down to the nearest whole number.

(4) The total current offense points are determined for each current offense by multiplying the total increase factor by the current offense points. The total current offense points are rounded down to the nearest whole number.

When necessary, applicants may be employed on a conditional basis pending completion of such a background investigation.

(2) The legislature also finds that the state board of education may request of the Washington state patrol criminal identification system information regarding a certificate applicant's record for convictions under subsection (1) of this section.

(3) The legislature also finds that law enforcement agencies, the office of the attorney general, prosecuting authorities, and the department of social and health services may request this same information to aid in the investigation and prosecution of child and adult abuse cases and to protect children and adults from further incidents of abuse.

(4) The legislature further finds that the department of social and health services, when considering persons for state positions directly responsible for the care, supervision, or treatment of children or the developmentally disabled or when licensing or authorizing such persons or agencies pursuant to its authority under chapter 74.15 RCW, must consider the information listed in subsection (1) of this section. However, when necessary, persons may be employed on a conditional basis pending completion of the background investigation. (6) An insurance company shall not require a business or organization to request background information on any employee before issuing a policy of insurance.

(7) The business and organization shall be immune from civil liability for failure to request background information on a prospective employee or volunteer unless the failure to do so constitutes gross negligence.

Sec. 4. Section 5, chapter 486, Laws of 1987 and RCW 43.43.838 are each amended to read as follows:

(1) After January 1, 1988, and notwithstanding any provision of RCW 43.43.700 through 43.43.810 to the contrary, the state patrol shall furnish a transcript of the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or civil adjudication record pertaining to any person for whom the state patrol or the federal bureau of investigation has a record upon the written request of:

After processing the request, if the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or adjudication record shows no evidence of a crime against children or other persons, an identification declaring the showing of no evidence shall be issued to the applicant by the state patrol and shall be issued within fourteen working days of the request. Possession of such identification shall satisfy future background check requirements for the applicant for a two-year period.

(2) The state patrol shall by rule establish fees for disseminating records under this section to recipients identified in subsection (1)(a) and (b) of this section. The state patrol shall also by rule establish fees for disseminating records in the custody of the national crime information center. The fees shall cover, as nearly as practicable, the direct and indirect costs to the state patrol of disseminating the records: PROVIDED, That no fee shall be charged to a nonprofit organization, including school districts and educational service districts, for the records check.

is necessary and effective, and that medically acceptable alternative forms of treatment are not available, have not been successful, or are not likely to be effective.

(b) The court shall make specific findings of fact concerning: (i) The existence of one or more compelling state interests; (ii) the necessity and effectiveness of the treatment; and (iii) the person's desires regarding the proposed treatment. If a succeeding involuntary treatment order is entered pursuant to RCW 71.05.320(2), a person who refuses to consent to the administration of antipsychotic medications shall be entitled to an evidentiary hearing in accordance with this section.

(ii) Medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective; and

(iii) In the opinion of the physician with responsibility for treatment of the person, or his or her designee, the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized pursuant to this section can be held.

If antipsychotic medications are administered over a person's lack of consent pursuant to this subsection, a petition for an order authorizing the administration of antipsychotic medications shall be filed on the next judicial day. The hearing shall be held within two judicial days. MESSAGE FROM THE HOUSE

April 6, 1989

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 5108 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 10, chapter 460, Laws of 1987 and RCW 26.09.191 are each amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an

extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or a pattern of emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010(1) ~~((or an act of domestic violence which rises to the level of a felony))~~ or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

(2)(a) The parent's residential time with the child shall be limited if it is found that the parent has engaged in any of the following conduct: ~~((a))~~ (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; ~~((b))~~ (ii) physical, sexual, or a pattern of emotional abuse of a child; or ~~((c))~~ (iii) a history of acts of domestic violence as defined in RCW 26.50.010(1) ~~((or an act of domestic violence which rises to the level of a felony, unless))~~ or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

(b) The limitations imposed by the court shall be reasonably calculated to protect the child from physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting residential time. If the court expressly finds limitation on the residential time with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting residential time, the court shall restrain the parent requesting residential time from all contact with the child.

(c) If the court expressly finds that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations ~~((or unless it is shown not to have had an impact on the child))~~ of (a) and (b) of this subsection, or if the court expressly finds the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a) and (b) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

(a) A parent's neglect or substantial nonperformance of parenting functions;

(b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;

(c) A long-term impairment resulting from drug, alcohol, or other substance abuse that interferes with the performance of parenting functions;

(d) The absence or substantial impairment of emotional ties between the parent and the child;

(e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development;

(f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or

(g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(5) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

Sec. 2. Section 44, chapter 460, Laws of 1987 and RCW 26.10.160 are each amended to read as follows:

(1) A parent not granted custody of the child is entitled to reasonable visitation rights ~~((unless the court finds, after a hearing, that visitation would endanger the child's physical, mental, or emotional health. The court may order visitation rights for any person when visitation may serve the best interest of the child whether or not there has been any change of circumstances))~~ except as provided in subsection (2) of this section.

(2)(a) Visitation with the child shall be limited if it is found that the parent seeking visitation has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; or (iii) a history of acts of domestic violence as defined in RCW 26.50.010(1) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

(b) The limitations imposed by the court shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting visitation. If the court expressly finds limitations on visitation with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting visitation, the court shall restrain the person seeking visitation from all contact with the child.

(c) If the court expressly finds that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's harmful or abusive conduct will recur is so remote that it would not be in the child's

best interests to apply the limitations of (a) and (b) of this subsection, or if the court expressly finds the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a) and (b) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court.

(3) Any person may petition the court for visitation rights at any time including, but not limited to, custody proceedings. The court may order visitation rights for any person when visitation may serve the best interest of the child whether or not there has been any change of circumstances.

(4) The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child ((but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger the child's physical, mental, or emotional health)). Modification of a parent's visitation rights shall be subject to the requirements of subsection (2) of this section."

On page 1, line 2 of the title, after "abuser;" strike the remainder of the title and insert "and amending RCW 26.09.191 and 26.10.160."

and the same are herewith transmitted.

MOTION

On motion of Senator Smith, the Senate did not concur in the House amendments to Engrossed Senate Bill No. 5185 and asks the House to recede therefrom.

There being no objection, the President advanced the Senate to the sixth order of business.

SECOND READING

ENGROSSED HOUSE BILL NO. 1423, by Representatives Day, Cantwell, Wineberry, Schoon, Rasmussen, Doty, Kremen, McLean, Rayburn, Jesernig, Ferguson, Jacobsen, Rector and P. King

Authorizing the creation of local seed capital pools.

The bill was read the second time.

MOTION

Senator Lee moved that the following Committee on Economic Development and Labor amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This chapter may be known and cited as the city and county seed capital pool act.

NEW SECTION. Sec. 2. The legislature finds that the diversification of the state's economy and the creation of new employment opportunities will be enhanced by the development of locally responsive and accountable sources of capital for new enterprises and for new product development. The difference between state economies which provide adequate high-quality employment opportunities for citizens and those which do not is in part a function of the rate of creation of new enterprises and of their ability to sustain themselves. The availability of capital to finance new business enterprises and new product development is a critical factor in increasing the number of successful new enterprises created in the state and thus the ability of the state economy to create employment opportunities. The state has a history of promoting economic health and growth through the creation of development entities which are created locally and which are accountable to local citizens. The state finds it a public purpose to authorize the creation of local seed capital pools by city and county governments, financed by citizen contributions, which may provide capital to new enterprises and which may finance new product development in counties in the state.

NEW SECTION. Sec. 3. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Eligible enterprise" means a small business that is primarily located and operated in the city or county and that is or proposes to be engaged in the city or county in research and development, in commercial product development, or in manufacturing, technology, or the production of goods and services with high potential for expansion and trade outside the state's borders.

(2) "Qualified security" means any note, stock, treasury stock bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, preorganization certificate or subscription, transferable share, investment contract, certificate of deposit for a security, certificate of interest or participation in a patent or application therefor, or in royalty or other payments under such a patent or application, or, in general, any interest or instrument commonly known as a "security" or any certificate for, receipt for, guarantee of, or option, warrant, or right to subscribe to or purchase any of the foregoing.

(3) "Seed capital" means financing that is provided for the initial development, refinement, testing, marketing, and commercialization of a product, service, or process to an enterprise with a high potential for long-term commercial sales and that is provided before any substantial commercial sales have been made by the enterprise of the product or service being developed.

(4) "Small business" means any business that has fewer than fifty full-time employees or its equivalent.

NEW SECTION. Sec. 4. A city or county may create a local seed capital pool to operate in the city or county and to provide funds in the form of loans or equity participation to finance new enterprises or to assist in the development of new products in the marketplace. The local

seed capital pool shall be governed by a board of directors consisting of seven members appointed by the legislative authority of the city or county. The legislative authority may designate, as the board of directors of the local seed capital pool, the board of directors of an industrial development corporation located in the city or county. Unless the board of directors of an industrial development corporation is designated, members of the board of directors shall be citizens of the city or county with expertise in small business, new business development, and business finance and shall include members of the general public. The legislative authorities of two or more contiguous counties may, pursuant to chapter 39.34 RCW, combine to form a multicounty seed capital pool. If a local seed capital pool is created by both a county and a city within the county, only one pool shall operate and it shall be by interlocal agreement pursuant to chapter 39.34 RCW.

NEW SECTION. Sec. 5. A local seed capital pool shall provide funds by purchasing qualified securities of eligible enterprises. A local seed capital pool may not acquire more than forty-five percent of the stated capital of any eligible enterprise, and no seed capital funds may be used for real estate investments.

The legislative authority of the city or county shall provide, by ordinance or resolution, procedures for the determination of which enterprises qualify as eligible and may grant any powers to the board of directors as may be necessary for it to carry out its duties.

NEW SECTION. Sec. 6. Upon request of the legislative authority of a city or county in which a seed capital pool has been created and the board of directors of the local seed capital pool, each utility providing water distribution services and each utility providing sewerage collection services in the city or county may include in its billings to a utility consumer printed materials which provide the consumer the opportunity to indicate his or her assent to donate a monthly sum of no less than one dollar to finance the local seed capital pool. The materials shall allow the local utility consumer the opportunity to denote the amount of funds to be donated each month to the local seed capital pool. If a consumer indicates that donations should be made on a monthly basis to a local seed capital pool, the utility shall add such sums to its periodic billings for services and shall pass such funds as are collected as a result to the local seed capital pool. A utility may charge the local seed capital pool a fee of no more than seven percent of the funds collected to defray the utility's costs in collecting and processing donations to local seed capital pools.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION. Sec. 8. The legislature finds that the unavailability of capital to viable firms that do not meet current commercial bank or venture capital criteria for loans or equity investments can have a devastating impact on the state's economic development efforts. Without reasonable access to financing, talented and aggressive entrepreneurs are cut out of the economic system and the overall economy of the state suffers.

The process of job creation and economic development requires readily available capital for small and young companies that are the major source of innovations and new jobs. To ensure the availability of capital to entrepreneurs in Washington state, the legislature hereby eliminates unnecessary restrictions which have discouraged the formation of industrial development corporations under current law and adds incentives to encourage the formation of business and industrial development corporations.

MOTIONS

On motion of Senator Saling, the following Committee on Higher Education amendment was adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. It is the intent of the legislature that nothing in this act shall prevent or discourage an individual from making an effort to repay any state financial aid awarded during his or her collegiate career.

Sec. 2. Section 8, chapter 222, Laws of 1969 ex. sess. as last amended by section 56, chapter 370, Laws of 1985 and RCW 28B.10.802 are each amended to read as follows:

As used in RCW 28B.10.800 through 28B.10.824:

(1) "Institutions of higher education" shall mean (1) any public university, college, community college, or vocational-technical institute operated by the state of Washington or any political subdivision thereof or (2) any other university, college, school, or institute in the state of Washington offering instruction beyond the high school level which is a member institution of an accrediting association recognized by rule of the board for the purposes of this section: PROVIDED, That any institution, branch, extension or facility operating within the state of Washington which is affiliated with an institution operating in another state must be a separately accredited member institution of any such accrediting association: PROVIDED FURTHER, That no institution of higher education shall be eligible to participate in a student financial aid program unless it agrees to and complies with program rules and regulations adopted pursuant to RCW 28B.10.822.

(2) The term "financial aid" shall mean loans and/or grants to needy students enrolled or accepted for enrollment as a ((full-time)) student at institutions of higher education.

(3) The term "needy student" shall mean a post high school student of an institution of higher learning as defined in subsection (1) of this section who demonstrates to the board the financial inability, either through the student's parents, family and/or personally, to meet the total cost of board, room, books, and tuition and incidental fees for any semester or quarter.

(4) The term "disadvantaged student" shall mean a post high school student who by reason of adverse cultural, educational, environmental, experiential, familial or other circumstances is unable to qualify for enrollment as a full time student in an institution of higher learning, who would otherwise qualify as a needy student, and who is attending an institution of higher learning under an established program designed to qualify the student for enrollment as a full time student.

(5) "Commission" or "board" shall mean the higher education coordinating board.

Sec. 3. Section 11, chapter 222, Laws of 1969 ex. sess. and RCW 28B.10.806 are each amended to read as follows:

The commission shall have the following powers and duties:

(1) Conduct a full analysis of student financial aid as a means of:

- (a) Fulfilling educational aspirations of students of the state of Washington, and
- (b) Improving the general, social, cultural, and economic character of the state.

Such an analysis will be a continuous one and will yield current information relevant to needed improvements in the state program of student financial aid. The commission will disseminate the information yielded by their analyses to all appropriate individuals and agents.

(c) This study should include information on the following:

- (i) all programs and sources of available student financial aid,
- (ii) distribution of Washington citizens by socio-economic class,
- (iii) data from federal and state studies useful in identifying:
 - (A) demands of students for specific educational goals in colleges, and
 - (B) the discrepancy between high school students' preferences and the colleges they actually selected.

(2) Design a state program of student financial aid based on the data of the study referred to in this section. The state program will supplement available federal and local aid programs. The state program of student financial aid will not exceed the difference between the budgetary costs of attending an institution of higher learning and the student's total resources, including family support, personal savings, employment, and federal and local aid programs.

(3) Determine and establish criteria for financial need of the individual applicant based upon the consideration of that particular applicant. In making this determination the commission shall consider the following:

- (a) Assets and income of the student.
- (b) Assets and income of the parents, or the individuals legally responsible for the care and maintenance of the student.
- (c) The cost of attending the institution the student is attending or planning to attend.
- (d) Any other criteria deemed relevant to the commission.

(4) Set the amount of financial aid to be awarded to any individual needy or disadvantaged student in any school year.

(5) Award financial aid to ~~((full-time))~~ needy or disadvantaged students for a school year based upon only that amount necessary to fill the financial gap between the budgetary cost of attending an institution of higher education and the family and student contribution.

(6) Review the need and eligibility of all applications on an annual basis and adjust financial aid to reflect changes in the financial need of the recipients and the cost of attending the institution of higher education.

Sec. 4. Section 12, chapter 222, Laws of 1969 ex. sess. and RCW 28B.10.808 are each amended to read as follows:

In awarding grants, the commission shall proceed substantially as follows: PROVIDED, That nothing contained herein shall be construed to prevent the commission, in the exercise of its sound discretion, from following another procedure when the best interest of the program so dictates:

(1) The commission shall annually select the financial aid award winners from among Washington residents applying for student financial aid who have been ranked according to financial need as determined by the amount of the family contribution and other considerations brought to the commission's attention.

(2) The financial need of the highest ranked students shall be met by grants depending upon the evaluation of financial need until the total allocation has been disbursed. Funds from grants which are declined, forfeited or otherwise unused shall be reawarded until dispersed.

(3) A grant may be renewed until the course of study is completed, but not for more than an additional ~~((three))~~ four academic years beyond the first year of the award. These shall not be required to be consecutive years. Qualifications for renewal will include maintaining satisfactory academic standing toward completion of the course of study, and continued eligibility as determined by the commission. Should the recipient terminate his enrollment for any reason during the academic year, the unused portion of the grant shall be returned to the state educational grant fund by the institution according to the institution's own policy for issuing refunds.

(4) In computing financial need the commission shall determine a maximum student expense budget allowance, not to exceed an amount equal to the total maximum student expense budget at the public institutions plus the current average state appropriation per student for operating expense in the public institutions.

Sec. 5. Section 13, chapter 222, Laws of 1969 ex. sess. and RCW 28B.10.810 are each amended to read as follows:

For a student to be eligible for financial aid ~~((he))~~ the student must:

The President of the Senate introduced Governor Booth Gardner.

INTRODUCTION OF SPECIAL GUEST

Governor Gardner: "It is my honor and opportunity to introduce to all of you today the Premier of British Columbia, William Vander Zalm. About a year ago we met on an informal basis and agreed, despite the fact that there is a national border between us, that, in fact, the Province of British Columbia and the state of Washington have a great deal in common, and we should begin to take advantage of the commonality and work, both on a formal and informal basis, to strengthen the relationship between the two of us.

"We began with a visit that I took to Victoria last April. We started an arrangement on economic cooperation, which dealt with the issues of tourism, trade and investment and began, at that time, to work closely together on those issues. We have since worked further and have signed, this morning, an arrangement on energy, with which we will track energy trends, talk about energy trade and figure out how we can work more closely on issues of that nature. We also have working, between the Province of British Columbia and the state of Washington, a group of people who are dealing with environmental issues, so that we can respond in coordination with one another to any circumstances or disasters which may occur that affect the people of our two communities. We will, in June on a visit that I will take to British Columbia, sign an arrangement on environmental cooperation.

"The Premier is here to discuss this and other issues with us, and I would like to brief you on his background. Bill Vander Zalm is a native of Europe and immigrated to Canada at the age of twelve. His family was in the nursery business, and he and his sons developed a facility called Fantasy Garden World in Richmond, British Columbia, which is one of the premier tourist attractions in that province. It is a major tourist attraction through which many of you have passed, because it is just off the main highway as we travel north. He got involved in local government with the Surrey Municipal Council and became an alderman and, subsequently, mayor. In 1975, he was elected to the Provincial Legislature, and in 1986, he became Premier of British Columbia. It is my pleasure and honor to introduce to you the Premier of British Columbia, William Vander Zalm."

REMARKS BY PREMIER WILLIAM VANDER ZALM

Premier Vander Zalm: "Governor Gardner, Mr. President, Mr. Speaker, members of the House and Senate of Washington: I am delighted to be here in, this, the year that marks the one-hundredth anniversary of Washington statehood. I should begin by saying, as well, that I didn't ask the Governor to give the little commercial at the beginning with the introduction. I think I should state that for the British Columbia media. I was not aware that it was coming, but I thank you, Mr. Governor.

"All British Columbians, I know, join me in saluting the achievements and progress that have made this proud state of Washington one of the greatest favored regions, both in terms of economic growth and livability, in the United States. I would be remiss, if I neglected to note the other historic event of 1989--the beginning of a great, new era of trade between Canada and the United States--as a result of the passage of the Free Trade Act. The result for both our nations will be increased trade, increased development, and increased security for our people. This historic agreement offers challenges and opportunities in many areas where cooperation is possible. Working together, taking advantage of the new avenues offered to us by the agreement, we can raise the level of prosperity on both sides of our borders to new heights.

"We have made a good beginning. On January 4, Washington and British Columbia signed an economic cooperation agreement, inaugurating the Pacific Northwest Economic Partnership. This agreement is designed to identify, communicate and implement trade opportunities between British Columbia and Washington State. In two meetings, to date, the joint committee, established under the agreement, has identified aerospace, aquaculture, apparel, biotechnology, general manufacturing, the computer industry, and ocean industry as priority areas for possible joint activity. In addition, a Pacific Northwest Economic Partnership newsletter has been created to communicate trade and business opportunities to companies and businesses in both Washington State and British Columbia. To access and to share data bases, companies on both sides of the border will be able to conduct accurate market research. It will spell out such valuable demographic information as populations, plants, distributors and agents, and prospects for new customers.

"Such progress is extremely encouraging, and I am pleased to announce that earlier today, as the Governor has already stated, the Governor and I signed yet another agreement, this one involving energy. It is aimed at improving our information exchange, cooperation and encouraging mutual, beneficial trade. Implicit in this agreement is that, while we welcome such trade, it must perfect and enhance the quality of the environment in the Pacific Northwest. As Premier of British Columbia, I am also enthusiastic about expanding our joint and cooperative efforts to improve and broaden environmental management. We have much to learn from each other in terms of waste removal and the movements of dangerous goods, to name only two areas of mutual concern. Two recent environmental events, the Grays Harbor and Exxon Valdez oil spills, have demonstrated clearly that, in such instances, national boundaries are meaningless. Ecological disasters, such as major oil spills, do not respect the lines on maps, but define our jurisdictions here in the Pacific Northwest. Without real cooperation, without meaningful, joint strategies to deal with disasters, we, like the helpless wildlife victimized by oil spills, will sink together, rather than swim. In recognition of this fact, I am pleased that Washington and British Columbia have taken the first steps to deal with this kind of threat to our shared environment. Following the Grays Harbor spill, we established an Oil Spill Task Force to seek ways to improve our cooperation and means of handling such spills. Our goal must be not only to ensure that the risk of repetition is reduced, but also, should a disaster strike again, that our joint capacity to act is swift and sure. We have encouraged our northern and southern neighbors, Alaska, Oregon and California, to join us in this project, for, as is clear today, we are all vulnerable.

"Both Washington and British Columbia are rich in natural resources; our forestry, fishing, agricultural and mining industries are the backbones of our economies. Both of us, though, are also very much at the forefront of the rapidly changing world economy. Riding the new waves of knowledge-based industries, your strengths in aerospace and computers are well known. British Columbia and Washington have a mutual interest in economic diversification and in training our workforce to meet the future needs of society and moving to more knowledge-based industries. In British Columbia, we are proud of our virgining subsea engineering and information technology industries. In basic science, too, we are enthusiastic about initiatives for advanced experimentation in subatomic physics. These projects are some of the world's most exciting and promising scientific initiatives. On any given day, four hundred scientists from as many as twenty-six nations,

including imminent scientists from here in Washington, are working to unlock the secrets of particle physics and to throw open the door to a whole new frontier of scientific discovery. The potential benefits are immense, like painless picture-taking inside the living brain and new technologies in cancer treatment. The projects will put us at the forefront of research into brain disorders, like Parkinson's disease and Alzheimer's. In the field of high temperature superconductors, the project offers the promise of developments like super-fast computers and three hundred miles per hour trains. We can visualize enormous savings in electricity bills, because electricity will move without line loss due to resistance. Other medical and economic benefits are likely in a range that scientists themselves have yet still to fully assess.

"Progress, such as this, offers opportunities for even closer cooperation between us. Ladies and gentlemen, British Columbians look on the people of Washington State as great neighbors in the best sense of the word. Our relationship has stood the test of time, because we have so much in common. Bound together by geography and a shared love and respect for the natural beauty and economic potential of the Pacific Northwest, we can accomplish much together. I know many of my compatriots will take the opportunity to visit Washington to share in your centennial year celebrations. In turn, I hope many Washingtonians will reciprocate by visiting British Columbia, and in particular, the Air Show Canada set for August 9-13. Let me assure you in advance of a very warm welcome. We always appreciate visiting Washington State, and I thank you for the opportunity today. Let us from here continue to go forward as good neighbors, willing to work together to reach our common goals. Thank you."

The President of the Senate instructed the special committee to escort Governor Gardner and Premier Vander Zalm from the House Chamber.

In lieu of filing an action, the department may file a lien on the facility or on the proceeds of the sale of the facility. Priority shall be given to debts and expenditures directly related to providing care and meeting the needs of patients. Any payment made to the receiver shall discharge the obligation of the payor to the owner of the facility.

(c) Insuring that the licensed practical nurses comply with chapter 18.78 RCW, the registered nurses comply with chapter 18.88 RCW, and persons certified under chapter 18.135 RCW comply with the provisions of that chapter and rules promulgated pursuant thereto.

(2) A contractor subject to civil penalty under subsection (1)(a) of this section shall have a reasonable opportunity, not to exceed sixty days from notification of the violation, to correct the violation before being assessed a civil monetary penalty under this section. However, if the department determines that the violation resulted in serious harm to or death of a patient, constitutes a serious threat to patient life, health, or safety, or substantially limits the nursing home's capacity to render adequate care, the violator shall be so notified and a penalty may be assessed without prior opportunity to correct. Each day the violation continues may constitute a separate violation subject to assessment of a separate penalty.

The correction of a standard or condition level deficiency, as defined by the authority of Title XVIII of the social security act and 42 C.F.R. 465-110 subpart K, shall be maintained for a period of at least one year. Failure to maintain such correction shall constitute a separate violation for each day the deficiency is not corrected and may be subject to the assessment of a separate penalty not to exceed three thousand dollars without a prior opportunity to correct the violation.

(3) A person subject to civil penalty under subsection (1)(b) through (h) of this section shall not have a prior opportunity to correct the violation before being assessed a civil monetary penalty under this section.

(b) Permitting installment payments; or

(c) Requiring that the full amount or a portion of the assessed civil penalty be expended to ameliorate the violation or to improve nonadministrative services within the facility; or

(d) Defer the penalty or a portion thereof until one year after corrective action has been completed to assure maintenance of such action: PROVIDED, That the penalty may be reduced all or in part at the end of such year: PROVIDED FURTHER, That the penalty may be trebled if such corrective action is not maintained for one year)).

((5)) (3) The department shall deny payment to a nursing home having a Medicaid contract with respect to any Medicaid-eligible individual admitted to the nursing home when:

(a) The department finds the nursing home not in compliance with the requirements of Title XIX of the social security act, as amended, and regulations promulgated thereunder, and the facility has not complied with such requirements within three months; in such case, the department shall deny payment until correction has been achieved; or

(b) The department finds on three consecutive standard surveys that the nursing home provided substandard quality of care; in such case, the department shall deny payment for new admissions until the facility has demonstrated to the satisfaction of the department that it is in compliance with Medicaid requirements and that it will remain in compliance with such requirements.

(4) (a) Civil penalties collected under this section or under chapter 74.42 RCW shall be deposited into a special fund administered by the department to be applied to the protection of the health or property of residents of nursing homes found to be deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(b) Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day a nursing home is or was out of compliance. Civil monetary penalties shall not exceed three thousand dollars per violation. Each day upon which the same or a substantially similar action occurs is a separate violation subject to the assessment of a separate penalty.

(c) Any civil penalty assessed under this section or chapter 74.46 RCW shall be a nonreimbursable item under chapter 74.46 RCW.

(5)(a) The department shall order stop placement on a nursing home, effective upon oral or written notice, when the department determines:

(i) The nursing home no longer substantially meets the requirements of chapter 18.51 RCW, chapter 74.42 RCW, or in the case of Medicaid contractors, the requirements of Title XIX of the social security act, as amended, and any regulations promulgated under such statutes; and

(ii) The deficiency or deficiencies in the nursing home:

(A) Jeopardize the health and safety of the residents; or

(B) Seriously limit the nursing home's capacity to provide adequate care.

(b) When the department has ordered a stop placement, the department may approve a readmission to the nursing home from a hospital when the department determines the readmission would be in the best interest of the individual seeking readmission.

(c) The department shall terminate the stop placement when:

(i) The provider states in writing that the deficiencies necessitating the stop placement action have been corrected; and

(ii) The department staff confirms in a timely fashion not to exceed fifteen working days that:

(A) The deficiencies necessitating stop placement action have been corrected, and

(B) The provider exhibits the capacity to maintain adequate care and service.

(d) A nursing home provider shall have the right to an informal review to present written evidence to refute the deficiencies cited as the basis for the stop placement. A request for an informal review must be made in writing within ten days of the effective date of the stop placement.

(e) A stop placement shall not be delayed or suspended because the nursing home requests a hearing pursuant to chapter 34.05 RCW or an informal review. The stop placement shall remain in effect until:

(i) The department terminates the stop placement; or

(ii) The stop placement is terminated by a final agency order, after a hearing, pursuant to chapter 34.05 RCW.

(6) If the department determines that an emergency exists as a result of a nursing home's failure or refusal to comply with requirements of this chapter or, in the case of a Medicaid contractor, its failure or refusal to comply with Medicaid requirements of Title XIX of the social

security act, as amended, and rules adopted thereunder, the department may suspend the nursing home's license and order the immediate closure of the nursing home, the immediate transfer of residents, or both.

(7) If the department determines that the health or safety of residents is immediately jeopardized as a result of a nursing home's failure or refusal to comply with requirements of this chapter or, in the case of a medicare contractor, its failure or refusal to comply with medicare requirements of Title XIX of the social security act, as amended, and rules adopted thereunder, the department may appoint temporary management to:

(a) Oversee the operation of the facility; and

(b) Ensure the health and safety of the facilities residents while:

(i) Orderly closure of the facility occurs; or

(ii) The deficiencies necessitating temporary management are corrected.

(8) The department shall by rule specify criteria as to when and how the sanctions specified in this section shall be applied. Such criteria shall provide for the imposition of incrementally more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of the residents.

Sec. 9. Section 16, chapter 99, Laws of 1975 1st ex. sess. as amended by section 19, chapter 2, Laws of 1981 1st ex. sess. and RCW 18.51.065 are each amended to read as follows:

All orders of the department imposing stop placement, temporary management, emergency closure, emergency transfer, or license suspension, shall be effective immediately upon notice. Orders of the department imposing denial of payment shall become final twenty days after the same has been served, unless a hearing is requested, except that such orders shall be effective immediately upon notice and pending any hearing when the department determines the deficiencies jeopardize the health and safety of the residents or seriously limit the nursing home's capacity to provide adequate care. All hearings hereunder and judicial review of such determinations shall be in accordance with the administrative procedure act, chapter ((34-04)) 34.05 RCW, except that all orders of the department imposing stop placement, temporary management, emergency closure, emergency transfer, or license suspension shall be effective pending any hearing, and except that chapter 34.05 RCW shall have no application to receivership, which is instituted by direct petition to superior court as provided for in RCW 18.51.410 through 18.51.520.

Sec. 10. Section 10, chapter 476, Laws of 1987 and RCW 18.51.410 are each amended to read as follows:

A petition to establish a receivership shall allege that one or more of the following conditions exist and that the current operator has demonstrated an inability or unwillingness to take actions necessary to immediately correct the conditions alleged:

(1) The facility is operating without a license;

(2) The facility has not given the department prior written notice of its intent to close and has not made arrangements within thirty days before closure for the orderly transfer of its residents: PROVIDED, That if the facility has given the department prior written notice but the department has not acted with all deliberate speed to transfer the facility's residents, this shall bar the filing of a petition under this ((section)) subsection;

(3) ((An emergency exists that specifically demonstrates an immediate and serious threat of harm to)) The health, ((security)) safety, or welfare of the facility's residents((,-including, but not limited to, abandonment of the facility by the owner)) is immediately jeopardized;

((6)) (5) The facility demonstrates a pattern and practice of violating a condition level as defined by the federal government under the authority of Title XIX of the social security act.

The department may file a petition in the superior court in the county in which the nursing home is located or in the superior court of Thurston county. The current or former operator or licensee and the owner of the nursing home, if different than the operator or licensee, shall be made a party to the action. The court shall grant the petition if it finds, by a preponderance of the evidence, that one or more of the conditions listed in subsections (1) through (6) of this section exists and, subject to RCW 18.51.420, that the current operator is unable or unwilling to take actions necessary to immediately correct the conditions.

Sec. 11. Section 13, chapter 476, Laws of 1987 and RCW 18.51.440 are each amended to read as follows:

~~((1) At the end of the appointed term;~~

~~(2)) (a) When all deficiencies have been eliminated and the court determines that the facility has the management capability to ensure continued compliance with all requirements; or~~

~~(b) When all residents have been transferred and the facility closed.((~~

~~(3) When all deficiencies have been eliminated and the facility has been sold or returned to its former owner. PROVIDED, That when a rehabilitated facility is returned to its former owner, the court may impose conditions to assure the continued compliance with chapters 18.51 and 74.42 RCW, and other applicable laws and regulations; or~~

~~(4) Upon possession and control of the nursing home by a licensed replacement operator.))~~

~~(2) Upon the termination of a receivership, the court may impose conditions to assure the continued compliance with chapter 18.51 RCW, chapter 74.42 RCW, and, in the case of medicaid contractors, continued compliance with Title XIX of the social security act, as amended, and regulations promulgated thereunder.~~

Sec. 13. Section 58, chapter 211, Laws of 1979 ex. sess. as last amended by section 27, chapter 476, Laws of 1987 and RCW 74.42.580 are each amended to read as follows:

Sec. 14. Section 36, chapter 177, Laws of 1980 as last amended by section 1, chapter 208, Laws of 1988 and by section 1, chapter 221, Laws of 1988 and RCW 74.46.360 are each reenacted and amended to read as follows:

(1) The depreciation base shall be the historical cost of the contractor or lessor, when the assets are leased by the contractor, in acquiring the asset in an arm's-length transaction and preparing it for use, less goodwill, and less accumulated depreciation which has been incurred during periods that the assets have been used in or as a facility by any contractor, such accumulated depreciation to be measured in accordance with subsections (2), (3), and (4) of this section and RCW 74.46.350 and 74.46.370. If the department challenges the historical cost of an asset, or if the contractor cannot or will not provide the historical costs, the department will have the department of general administration, through an appraisal procedure, determine the fair market value of the assets at the time of purchase. The depreciation base of the assets will not exceed such fair market value.

(2) The historical cost of donated assets, or of assets received through testate or intestate distribution, shall be the lesser of:

(a) Fair market value at the date of donation or death; or

(b) The historical cost base of the owner last contracting with the department, if any.

(3) Estimated salvage value of acquired, donated, or inherited assets shall be deducted from historical cost where the straight-line or sum-of-the-years' digits method of depreciation is used.

(4) (a) Where depreciable assets are acquired that were used in the medical care program subsequent to January 1, 1980, the depreciation base of the assets will not exceed the net book value which did exist or would have existed had the assets continued in use under the previous contract with the department; except that depreciation shall not be assumed to accumulate during periods when the assets were not in use in or as a facility.

(b) The provisions of (a) of this subsection shall not apply to the most recent arm's-length acquisition if it occurs at least ten years after the ownership of the assets has been previously transferred in an arm's-length transaction nor to the first arm's-length acquisition that occurs after January 1, 1980, for facilities participating in the medical care program prior to January 1, 1980. The new depreciation base for such acquisitions shall not exceed the fair market value

of the assets as determined by the department of general administration through an appraisal procedure. A determination by the department of general administration of fair market value shall be final unless the procedure used to make such determination is shown to be arbitrary and capricious. This subsection is inoperative for any transfer of ownership of any asset occurring on or after July 18, 1984, leaving (a) of this subsection to apply alone to such transfers: PROVIDED, HOWEVER, That this subsection shall apply to transfers of ownership of assets occurring prior to January 1, 1985, if the costs of such assets have never been reimbursed under medicaid cost reimbursement on an owner-operated basis or as a related-party lease: PROVIDED FURTHER, That for any contractor that can document in writing an enforceable agreement for the purchase of a nursing home dated prior to ~~(August 1)~~ July 18, 1984, and submitted to the department prior to January 1, 1988, the depreciation base of the nursing home, for rates established after July 18, 1984, shall not exceed the fair market value of the assets at the date of purchase as determined by the department of general administration through an appraisal procedure.

(c) In the case of assets leased by the same contractor since January 1, 1980, in an arm's-length lease, and purchased by the lessee/contractor, the lessee/contractor shall have the option:

(i) To have the provisions of subsection (b) of this section apply to the purchase; or

(ii) To have the reimbursement for property and return on investment continue to be calculated pursuant to the provisions contained in RCW 74.46.530(1) (e) and (f) based upon the provisions of the lease in existence on the date of the purchase, but only if the purchase date meets one of the following criteria:

(A) The purchase date is after the lessor has declared bankruptcy or has defaulted in any loan or mortgage held against the leased property;

(B) The purchase date is within one year of the lease expiration or renewal date contained in the lease;

(C) The purchase date is after a rate setting for the facility in which the reimbursement rate set pursuant to this chapter no longer is equal to or greater than the actual cost of the lease; or

(D) The purchase date is within one year of any purchase option in existence on January 1, 1988.

(d) Where depreciable assets are acquired from a related organization, the contractor's depreciation base shall not exceed the base the related organization had or would have had under a contract with the department.

(e) Where the depreciable asset is a donation or distribution between related organizations, the base shall be the lesser of (i) fair market value, less salvage value, or (ii) the depreciation base the related organization had or would have had for the asset under a contract with the department.

MOTIONS

On motion of Senator Bailey, the following Committee on Ways and Means amendment was adopted:

Strike everything after the enacting clause and insert the following:

*NEW SECTION, Sec. 1. A new section is added to chapter 28A.04 RCW to read as follows:

(1) The state board of education and the state board for community college education, in consultation with the superintendent of public instruction, the higher education coordinating board, the state apprenticeship training council, and community colleges, shall work cooperatively to develop by September 1, 1992, a ninety unit educational paraprofessional associate of arts degree.

(2) As used in this section, an "educational paraprofessional" is an individual who has completed an associate of arts degree for an educational paraprofessional. The educational paraprofessional may be hired by a school district to assist certificated instructional staff in the direct instruction of children in small and large groups, individualized instruction, testing of children, recordkeeping, and preparation of materials. The educational paraprofessional shall work under the direction of instructional certificated staff.

(3) The training program for an educational paraprofessional associate of arts degree shall include, but is not limited to, the general requirements for receipt of an associate of arts degree and training in the areas of introduction to childhood education, orientation to handicapped children, fundamentals of childhood education, creative activities for children, instructional materials for children, fine art experiences for children, the psychology of learning, introduction to education, child health and safety, child development and guidance, first aid, and a practicum in a school setting.

(4) In developing the program, consideration shall be given to transferability of credit earned in this program to teacher preparation programs at colleges and universities.

(5) The agencies identified under subsection (1) of this section shall adopt rules as necessary under chapter 34.05 RCW to implement this section."

MOTION

On motion of Senator Bailey, the rules were suspended, Substitute House Bill No. 1759, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Vognild: "Senator Bailey, is there anything in this measure or any intent within this measure, that a classroom assistant might be used in lieu of a certificated teacher in any classroom?"

Senator Bailey: "Senator Vognild, there's nothing in Substitute House Bill No. 1759 that would allow a classroom assistant to take over for a certified teacher. It is not the intent of this bill to do that either."

Senator Vognild: "Thank you, Senator Bailey."

POINT OF INQUIRY

Senator Talmadge: "Senator Bailey, my concern is somewhat similar to Senator Vognild's. The language of the bill provides for a definition of educational paraprofessional as one who would be hired by a school district to assist certificated instructional staff in the direct instruction of children in small and large groups, individualized instruction, testing of children, recordkeeping, and preparation of materials. It also says that the educational paraprofessional shall work under the direction of instructional certificated staff. By that definition of educational paraprofessional, is it intended that this person be under the direct and constant supervision of a certificated teacher at all times and would not supplant the teacher for purposes of instruction of children."

Senator Bailey: "That is correct."

Senator Talmadge: "Thank you, Senator Bailey."

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1759, as amended by the Senate.

MOTION

On motion of Senator Anderson, Senators Pullen and Smith were excused.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 1759, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 44; excused, 5.

Voting yea: Senators Amondson, Anderson, Bailey, Bauer, Bender, Benitz, Bluechel, Cantu, Conner, Craswell, Fleming, Gaspard, Hayner, Johnson, Kreidler, Lee, Madsen, Matson, McCaslin, McDonald, McMullen, Metcalf, Moore, Murray, Nelson, Newhouse, Niemi, Owen, Patterson, Rasmussen, Rinehart, Saling, Sellar, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Vognild, von Reichbauer, Warnke, West, Williams, Wojahn - 44.

Excused: Senators Barr, DeJarnatt, Hansen, Pullen, Smith - 5.

MOTIONS

Senator West moved that the following Committee on Health Care and Corrections amendment be adopted:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 111, chapter 7, Laws of 1985 and RCW 46.16.015 are each amended to read as follows:

(1) Neither the department of licensing nor its agents may issue or renew a motor vehicle license for any vehicle registered in an emission contributing area, as that area is established under chapter 70.120 RCW ((70.120.040)), for any year in which the vehicle is required to be tested under chapter 70.120 RCW, unless the application for issuance or renewal is: (a) Accompanied by a valid certificate of compliance ((issued pursuant to RCW 70.120.060 or 70.120.080)) or a valid certificate of acceptance issued pursuant to chapter 70.120 RCW ((70.120.070)); or (b) exempted from this requirement pursuant to subsection (2) of this section. The certificates must have a date of validation which is within ninety days of the date of application for the vehicle license or license renewal. Certificates for fleet vehicles may have a date of validation which is within twelve months of the assigned license renewal date.

(2) Subsection (1) of this section does not apply to the following vehicles:

(a) New motor vehicles whose equitable or legal title has never been transferred to a person who in good faith purchases the vehicle for purposes other than resale;

(b) Motor vehicles ((fifteen years old or older)) with a model year of 1967 or earlier;

(c) Motor vehicles that use propulsion units powered exclusively by electricity;

(d) Motor vehicles fueled exclusively by propane, compressed natural gas, or liquid petroleum gas, unless it is determined that federal sanctions will be imposed as a result of this exemption;

(e) Motorcycles as defined in RCW 46.04.330 and motor-driven cycles as defined in RCW 46.04.332;

(f) Motor vehicles powered by diesel engines;

(g) Farm vehicles as defined in RCW 46.04.181;

(h) Used vehicles which are offered for sale by a motor vehicle dealer licensed under chapter 46.70 RCW; or

(i) Motor vehicles exempted by the director of the department of ecology.

The provisions of subparagraph (a) of this subsection may not be construed as exempting from the provisions of subsection (1) of this section applications for the renewal of licenses for motor vehicles that are or have been leased.

(3) The department of licensing shall mail to each owner of a vehicle registered within an emission contributing area a notice regarding the boundaries of the area and restrictions established under this section that apply to vehicles registered in such areas. The information for the notice shall be supplied to the department of licensing by the department of ecology. Such a notice shall be mailed to the owner ninety days prior to the expiration date of the owner's motor vehicle license.

NEW SECTION. Sec. 2. VEHICLE EMISSION STANDARDS--DESIGNATION OF NONCOMPLIANCE AREAS AND EMISSION CONTRIBUTING AREAS. The director:

(1) Shall adopt motor vehicle emission standards to ensure that no less than seventy percent of the vehicles tested comply with the standards.

(2) Shall designate a geographic area as being a "noncompliance area" for motor vehicle emissions if (a) the department's analysis of the data, recorded for a period of no less than one year, at the monitoring sites indicates that the standard has or will probably be exceeded, and (b) the department determines that the primary source of the contaminant being monitored at the sites is motor vehicle emissions.

(3) Shall reevaluate noncompliance areas if the United States environmental protection agency modifies the relevant air quality standards, and shall discontinue the program if compliance is indicated and if the department determines that the area would continue to be in compliance after the program is discontinued. The director shall notify persons residing in noncompliance areas of the reevaluation.

(4) Shall analyze information regarding the motor vehicle traffic in a noncompliance area to determine the smallest land area within whose boundaries are present registered motor vehicles that contribute significantly to the violation of motor vehicle-related air quality standards in the noncompliance area. The director shall declare the area to be an "emission contributing area." An emission contributing area established for a carbon monoxide or oxides of nitrogen noncompliance area must contain the noncompliance area within its boundaries. An emission contributing area established for an ozone noncompliance area located in this state need not contain the ozone noncompliance area within its boundaries if it can be proven that vehicles registered in the area contribute significantly to violations of the ozone air quality standard in the noncompliance area. An emission contributing area may be established in this state for violations of federal air quality standards for ozone in an adjacent state if (a) the United States environmental protection agency designates an area to be a "nonattainment area for ozone" under the provisions of the federal Clean Air Act (42 U.S.C. 7401 et. seq.), (b) the nonattainment area encompasses portions of both Washington and the adjacent state, and (c) it can be proven that vehicles registered in this state contribute significantly to the violation of the federal air quality standards for ozone in the adjacent state's portion of the nonattainment area.

(5) Shall designate areas as being noncompliance areas or emission contributing areas, and shall establish the boundaries of such areas by rule. The director may also modify boundaries. In establishing the external boundaries of an emission contributing area, the director shall use the boundaries established for ZIP code service areas by the United States postal service.

(6) May make grants to units of government in support of planning efforts to reduce motor vehicle emissions in areas where emission control inspections are not required.

NEW SECTION. Sec. 3. NONCOMPLIANCE AREAS--ANNUAL REVIEW. (1) The director shall review annually the air quality and forecasted air quality of each area in the state designated as a noncompliance area for motor vehicle emissions.

(2) An area shall no longer be designated as a noncompliance area if the director determines that:

(a) Air quality standards for contaminants derived from motor vehicle emissions are no longer being violated in the noncompliance area; and

(b) The standards would not be violated if the emission inspection system in the emission contributing area was discontinued and the requirements of RCW 46.16.015 no longer applied.

NEW SECTION. Sec. 4. MOTOR VEHICLE INSPECTIONS REQUIRED--FEES--RESULTS--CERTIFICATE OF COMPLIANCE. (1) The department shall administer a system for biennial inspection of emissions of all motor vehicles registered within the boundaries of each emission contributing area. Persons residing within the boundaries of an emission contributing area shall register their motor vehicle within that area, unless business reasons require registration outside the area. Requests for exemption from inspection for business reasons shall be reviewed and approved by the director.

(2) The director shall:

(a) Adopt procedures for conducting emission tests for motor vehicles. The tests shall include idle and high revolution per minute tests.

(b) Adopt criteria for calibrating emission testing equipment. Electronic equipment used to test for emissions standards provided for in this chapter shall be properly calibrated. The department shall examine frequently the calibration of the emission testing equipment used at the stations.

(c) Authorize, through contracts, the establishment and operation of inspection stations for conducting the vehicle emission tests authorized in this chapter. No person contracted to inspect motor vehicles may perform for compensation repairs on any vehicles. No public body may establish or operate contracted inspection stations. Any contracts must be let in accordance with the procedures established for competitive bids in chapter 43.19 RCW.

(3) Subsection (2)(c) of this section does not apply to volunteer motor vehicle inspections under RCW 70.120.020(1)(a) if the inspections are conducted for the following purposes:

- (a) Auditing;
- (b) Contractor evaluation;
- (c) Collection of data for establishing calibration and performance standards; or
- (d) Public information and education.

(4)(a) The director shall establish by rule the fee to be charged for emission inspections. The inspection fee shall be a standard fee applicable state-wide or throughout an emission contributing area and shall be no greater than eighteen dollars. Surplus moneys collected from fees over the amount due the contractor shall be paid to the state and deposited in the general fund. Fees shall be set at the minimum whole dollar amount required to (i) compensate the contractor, and (ii) offset the general fund appropriation to the department to cover the administrative costs of the motor vehicle emission inspection program.

(b) Before each inspection, a person whose motor vehicle is to be inspected shall pay to the inspection station the fee established under this section. The person whose motor vehicle is inspected shall receive the results of the inspection test. If the inspected vehicle's emissions comply with the standards established by the director, the person shall receive a dated certificate of compliance. If the inspected vehicle's emissions do not comply with those standards, one retest of the vehicle's emission shall be afforded without charge.

(5) All units of local government and agencies of the state with motor vehicles garaged or regularly operated in an emissions contributing area shall test the emissions of those vehicles biennially to ensure that the vehicle's emissions comply with the emission standards established by the director. A report of the results of the tests shall be submitted to the department.

Sec. 5. Section 2, chapter 163, Laws of 1979 ex. sess. and RCW 70.120.020 are each amended to read as follows:

(1) The department shall conduct the following programs in a manner that will enhance the successful implementation of the air pollution control system established for motor vehicles by this chapter:

(a) A voluntary motor vehicle emissions inspection program;

Senator McCaslin moved that the following amendment to the Committee on Health Care and Corrections amendment be adopted:

On page 2, line 11, strike ~~((fifteen years old or older))~~ with a model year of 1967 or earlier" and insert "fifteen years old or older"

POINT OF INQUIRY

Senator Bender: "My concern, Senator West, and having dealt with this issue a long time ago in the Transportation Committee, whether or not that amendment to the committee amendment might jeopardize any federal funding?"

Senator West: "It could, possibly. The federal programs don't say the specific years that we would have to test, but what they say is that we have to reach a certain target for emission controls and those targets can be arrived at in many fashions. For instance, we have proposed going to a bi-annual inspection versus the annual inspection. To loosen up the standards like that, we need to get tougher in another area and so this is a balanced approach and that could endanger the approach."

Further debate ensued.

POINT OF INQUIRY

Senator Thorsness asked Senator West or Senator Nelson to yield to a question, but the President Pro Tempore replied that the three minute rule was in effect. Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Fleming: "A parliamentary inquiry, Mr. President. I'd like to inquire on the ruling that was given, so that I can understand. I knew when Senator Thorsness wanted to yield his time for a question or whatever, that that would have been out of order, but you are saying now that if someone has spoken once, that I cannot ask that individual a question? It seems to me, Mr. President, that I'd like to ask someone on the floor that's not trying to circumvent the three minute ruling, who has knowledge of the issue. I don't want to ask somebody who doesn't know what they're talking about."

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Fleming, on past precedents, someone may respond very briefly to a question, but not go through the procedure of yielding and asking a question for the benefit of that person to get extra time on the floor."

Further debate on the amendment to the committee amendment ensued.

Senator Kreidler demanded a roll call and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the roll call on the adoption of the amendment by Senator McCaslin on page 2, line 11, to the Committee on Health Care and Corrections striking amendment to Engrossed Substitute House Bill No. 1104.

ROLL CALL

The Secretary called the roll and the amendment to the committee amendment was adopted by the following vote: Yeas, 28; nays, 19; excused, 2.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Benitz, Cantu, Craswell, Hayner, Johnson, Madsen, Matson, McCaslin, McDonald, Nelson, Newhouse, Owen, Patterson, Pullen, Rasmussen, Saling, Sellar, Smith, Stratton, von Reichbauer, Warnke, West, Williams - 28.

Voting nay: Senators Bender, Bluechel, Conner, Fleming, Gaspard, Kreidler, Lee, McMullen, Metcalf, Moore, Murray, Niemi, Rinehart, Smitherman, Sutherland, Talmadge, Thorsness, Vognild, Wojahn - 19.

Excused: Senators DeJarnatt, Hansen - 2.

NOTICE FOR RECONSIDERATION

Having voted on the prevailing side, Senator West served notice that he would moved to reconsider the vote by which the amendment by Senator McCaslin on page 2, line 11, to the Committee on Health Care and Correction amendment, was adopted.

POINT OF ORDER

Senator West: "Mr. President, a point of order. Rule 64 requires amendments to be written on the bar and delivered to members' desks. The amendment that we just heard and voted on was not written."

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator West, your objection is not timely. If you had raised that at the time the motion was placed, but the body has already acted on the motion."

Further debate ensued.

MOTION

On motion of Senator Newhouse, further consideration of Engrossed Substitute House Bill No. 1104 was deferred.

Sec. 2. Section 46.44.092, chapter 12, Laws of 1961 as last amended by section 1, chapter 63, Laws of 1981 and RCW 46.44.092 are each amended to read as follows:

Special permits may not be issued for movements on any state highway outside the limits of any city or town in excess of the following widths:

On two-lane highways, fourteen feet;

On multiple-lane highways where a physical barrier serving as a median divider separates opposing traffic lanes, twenty feet;

On multiple-lane highways without a physical barrier serving as a median divider, thirty-two feet.

These limits apply except under the following conditions:

(1) In the case of buildings, the limitations referred to in this section for movement on any two lane state highway other than the national system of interstate and defense highways may be exceeded under the following conditions: (a) Controlled vehicular traffic shall be maintained in one direction at all times; (b) the maximum distance of movement shall not exceed five miles; additional contiguous permits shall not be issued to exceed the five-mile limit: PROVIDED, That when the department of transportation, pursuant to general rules adopted by the transportation commission, determines a hardship would result, this limitation may be exceeded upon approval of the department of transportation; (c) prior to issuing a permit a qualified transportation department employee shall make a visual inspection of the building and route involved determining that the conditions listed herein shall be complied with and that structures or overhead obstructions may be cleared or moved in order to maintain a constant and uninterrupted movement of the building; (d) special escort or other precautions may be imposed to assure movement is made under the safest possible conditions, and the Washington state patrol shall be advised when and where the movement is to be made;

(2) Permits may be issued for widths of vehicles in excess of the preceding limitations on highways or sections of highways which have been designed and constructed for width in excess of such limitations;

(3) Permits may be issued for vehicles with a total outside width, including the load, of nine feet or less when the vehicle is equipped with a mechanism designed to cover the load pursuant to RCW 46.61.655.

(4) These limitations may be rescinded when certification is made by military officials, or by officials of public or private power facilities, or when in the opinion of the department of transportation the movement or action is a necessary movement or action: PROVIDED FURTHER, That in the judgment of the department of transportation the structures and highway surfaces on the routes involved are capable of sustaining widths in excess of such limitation;

((4)) (5) These limitations shall not apply to movement during daylight hours on any two lane state highway where the gross weight, including load, does not exceed eighty thousand pounds and the overall width of load does not exceed sixteen feet: PROVIDED, That the minimum and maximum speed of such movements, prescribed routes of such movements, the times of such movements, limitation upon frequency of trips (which limitation shall be not less than one per week), and conditions to assure safety of traffic may be prescribed by the department of transportation or local authority issuing such special permit.

The applicant for any special permit shall specifically describe the vehicle or vehicles and load to be operated or moved and the particular state highways for which permit to operate is requested and whether such permit is requested for a single trip or for continuous operation.

Sec. 3. Section 46.44.095, chapter 12, Laws of 1961 as last amended by section 1, chapter 55, Laws of 1988 and RCW 46.44.095 are each amended to read as follows:

When a combination of vehicles has been lawfully licensed to a total gross weight of eighty thousand pounds and when a three or more axle single unit vehicle has been lawfully licensed to a total gross weight of forty thousand pounds pursuant to provisions of RCW 46.44.041, a permit for additional gross weight may be issued by the department of transportation upon the payment of thirty-seven dollars and fifty cents per year for each one thousand pounds or fraction thereof of such additional gross weight: PROVIDED, That the tire limits specified in RCW 46.44.042 shall apply, and the gross weight on any single axle shall not exceed twenty thousand pounds, and the gross load on any group of axles shall not exceed the limits set forth in RCW 46.44.041: PROVIDED FURTHER, That within the tire limits of RCW 46.44.042, and notwithstanding RCW 46.44.041 and 46.44.091, a permit for an additional six thousand pounds may be purchased for the rear axles of a two-axle garbage truck or eight thousand pounds for the tandem axle of a three axle garbage truck at a rate not to exceed thirty dollars per

thousand. Such additional weight in the case of garbage trucks shall not be valid or permitted on any part of the federal interstate highway system.

The annual additional tonnage permits provided for in this section shall be issued upon such terms and conditions as may be prescribed by the department pursuant to general rules adopted by the transportation commission. Such permits shall entitle the permittee to carry such additional load in an amount and upon highways or sections of highways as may be determined by the department of transportation to be capable of withstanding increased gross load without undue injury to the highway: PROVIDED, That the permits shall not be valid on any highway where the use of such permits would deprive this state of federal funds for highway purposes.

For those vehicles registered under chapter 46.87 RCW, the annual additional tonnage permits provided for in this section may be issued to coincide with the registration year of the base jurisdiction. For those vehicles registered under chapter 46.16 RCW and whose registration has staggered renewal dates, the annual additional tonnage permits may be issued to coincide with the expiration date of the registration. The permits may be purchased at any time, and if they are purchased for less than a full year, the fee shall be one-twelfth of the full fee multiplied by the number of months, including any fraction thereof, covered by the permit. When the department issues a duplicate permit to replace a lost or destroyed permit and where the department transfers a permit from one vehicle to another a fee of ~~(five)~~ ten dollars shall be charged for each duplicate issued or each transfer. The department of transportation shall issue permits on a temporary basis for periods not less than five days at ~~(one)~~ two dollars per day for each two thousands pounds or fraction thereof.

The fees levied in RCW 46.44.0941 and this section shall not apply to any vehicles owned and operated by the state of Washington, any county within the state, or any city or town or metropolitan municipal corporation within the state, or by the federal government.

In the case of fleets prorating license fees under the provisions of chapter 46.87 RCW, the fees provided for in this section shall be computed by the department of transportation by applying the proportion of the Washington mileage of the fleet in question to the total mileage of the fleet as reported pursuant to chapter 46.87 RCW to the fees that would be required to purchase the additional weight allowance for all eligible vehicles or combinations of vehicles for which the extra weight allowance is requested.

When computing fees that result in an amount other than full dollars, the fee shall be increased to the next full dollar if fifty cents or over and shall be reduced to the next full dollar if forty-nine cents or under. The minimum fee for any prorated tonnage permit issued under this section shall be twenty-five dollars.

Sec. 4. Section 46.44.096, chapter 12, Laws of 1961 as last amended by section 56, chapter 7, Laws of 1984 and RCW 46.44.096 are each amended to read as follows:

In determining fees according to RCW 46.44.0941, mileage on state primary and secondary highways shall be determined from the planning survey records of the department of transportation, and the gross weight of the vehicle or vehicles, including load, shall be declared by the applicant. Overweight on which fees shall be paid will be gross loadings in excess of loadings authorized by law or axle loadings in excess of loadings authorized by law, whichever is the greater. Loads which are overweight and oversize shall be charged the fee for the overweight permit without additional fees being assessed for the oversize features.

Special permits issued under RCW 46.44.047, 46.44.0941, or 46.44.095, may be obtained from offices of the department of transportation, ports of entry, or other agents appointed by the department.

The department may appoint agents for the purposes of selling special motor vehicle permits, additional tonnage permits, and log tolerance permits. Agents so appointed may retain three dollars and fifty cents for each permit sold to defray expenses incurred in handling and selling the permits. If the fee is collected by the department of transportation, the department shall certify the fee so collected to the state treasurer for deposit to the credit of the motor vehicle fund.

Fees established in RCW 46.44.0941 shall be paid to the political body issuing the permit if the entire movement is to be confined to roads, streets, or highways for which that political body is responsible. When a movement involves a combination of state highways, county roads, and/or city streets the fee shall be paid to the state department of transportation. When a movement is confined within the city limits of a city or town upon city streets, including routes of state highways on city streets, all fees shall be paid to the city or town involved. A permit will not be required from city or town authorities for a move involving a combination of city or town streets and state highways when the move through a city or town is being confined to the route of the state highway. When a move involves a combination of county roads and city streets the fee shall be paid to the county authorities, but the fee shall not be collected nor the county permit issued until valid permits are presented showing the city or town authorities approve of the move in question. When the movement involves only county roads the fees collected shall be paid to the county involved. Fees established shall be paid to the political body issuing the permit if the entire use of the vehicle during the period covered by the permit shall be confined to the roads, streets, or highways for which that political body is responsible.

If, pursuant to RCW 46.44.090, cities or counties issue additional tonnage permits similar to those provided for issuance by the state department of transportation in RCW 46.44.095, the state department of transportation shall authorize the use of the additional tonnage permits on state highways subject to the following conditions:

(1) The owner of the vehicle covered by such permit shall establish to the satisfaction of the state department of transportation that the primary use of the vehicle is on the streets or roads of the city or county issuing the additional tonnage permit;

(2) That the fees paid for the additional tonnage are not less than those established in RCW 46.44.095;

(3) That the city or county issuing the permit shall allow the use of permits issued by the state pursuant to RCW 46.44.095 on the streets or roads under its jurisdiction;

(4) That all of the provisions of RCW 46.44.042 and 46.44.041 shall be observed.

When the department of transportation is satisfied that the above conditions have been met, the department of transportation, by suitable endorsement on the permit, shall authorize its use on such highways as the department has authorized for such permits pursuant to RCW 46.44.095, and all such use of such highways is subject to whatever rules and regulations the state department of transportation has adopted for the permits."

On motion of Senator von Reichbauer, the following amendment by Senators von Reichbauer and Bender to the striking amendment by Senators von Reichbauer and Bender was adopted:

On page 1, line 11, after "collected" insert "except the amount retained by authorized agents of the department as provided in RCW 46.44.096."

Regarding employer involvement in child care.

The bill was read the second time.

MOTION

Senator Lee moved that the following Committee on Economic Development and Labor amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that the increasing difficulty of balancing work life and family needs for parents in the workforce has made the availability of quality, affordable child care a critical concern for the state and its citizens. The prospect for labor shortages resulting from the aging of the population and the importance of the quality of the workforce to the competitiveness of Washington businesses make the availability of quality child care an important concern for the state and its businesses.

The legislature further finds that making information on child care options available to businesses can help the market for child care adjust to the needs of businesses and working families. The legislature further finds that investments are necessary to promote partnerships between the public and private sectors, educational institutions, and local governments to increase the supply, affordability, and quality of child care in the state.

Sec. 2. Section 1, chapter 213, Laws of 1988 and RCW 74.13.085 are each amended to read as follows:

It shall be the policy of the state of Washington to:

(1) Recognize the family as the most important social and economic unit of society and support the central role parents play in child rearing. All parents are encouraged to care for and nurture their children through the traditional methods of parental care at home. However, ((to the extent child care services are used;)) there has been a dramatic increase in participation of women in the workforce which has made the availability of quality, affordable child care a critical concern for the state and its citizens. There are not enough child care services and facilities to meet the needs of working parents, the costs of care are often beyond the resources of working parents, and child care facilities are not located conveniently to work places and neighborhoods. Parents are encouraged to participate fully in the effort to improve the quality of child care services.

(2) Promote a variety of culturally and developmentally appropriate child care settings and services of the highest possible quality in accordance with the basic principle of continuity of care. These settings shall include, but not be limited to, family day care homes, mini-centers, centers and schools.

(3) Promote the growth, development and safety of children by working with community groups including providers and parents to establish standards for quality service, training of child care providers, fair and equitable monitoring, and salary levels commensurate with provider responsibilities and support services.

(4) Promote equal access to quality, affordable, socio-economically integrated child care for all children and families.

(5) Facilitate broad community and private sector involvement in the provision of quality child care services to foster economic development and assist industry.

Sec. 3. Section 2, chapter 213, Laws of 1988 and RCW 74.13.090 are each amended to read as follows:

(1) There is established a child care coordinating committee to provide coordination and communication between state agencies responsible for child care and early childhood education services. The child care coordinating committee shall be composed of not less than seventeen nor more than thirty members who shall include:

(c) General assistance shall be provided only to persons who are not members of assistance units receiving federal aid assistance, except as provided in subsection (6)(a)(ii)(A) and (b) of this section, and will accept available services which can reasonably be expected to enable the person to work or reduce the need for assistance unless there is good cause to refuse. (f) Recipients of general assistance who remain otherwise eligible shall not have their benefits terminated absent a clear showing of material improvement in their medical or mental condition or specific error in the prior determination that found the recipient eligible by reason of incapacitation.

(7) "Applicant"—Any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

(a) A home, which is defined as real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, which is used by, and useful to the applicant. Whenever a recipient shall cease to use such property for residential purposes, either for himself or his dependents, the property shall be considered as a resource which can be made available to meet need, and if the recipient or his dependents absent themselves from the home for a period of ninety consecutive days such absence, unless due to hospitalization or health reasons or a natural disaster, shall raise a rebuttable presumption of abandonment: PROVIDED, That if in the opinion of three physicians the recipient will be unable to return to the home during his lifetime, and the home is not occupied by a spouse or dependent children or disabled sons or daughters, such property shall be considered as a resource which can be made available to meet need.

The one thousand dollar limit in subsection (10)(d) of this section does not apply to recipients of or applicants for general assistance.

(f) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property, but the recipient must sign an agreement to dispose of the property and repay assistance payments made to the date of disposition of the property which would not have been made had the disposal occurred at the beginning of the period for which the payments of such assistance were made. In no event shall such amount due the state exceed the net proceeds otherwise available to the recipient from the disposition, unless after nine months from the date of the agreement the property has not been sold, or if the recipient's eligibility for financial assistance ceases for any other reason. In these two instances the entire amount of assistance paid during this period will be treated as an overpayment and a debt due the state, and may be recovered pursuant to RCW 43.20B.630.

(11) "Income"—(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance; PROVIDED, That the department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him to decrease his need for public assistance or to aid in rehabilitating him or his dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance; PROVIDED FURTHER, That in determining the amount of assistance to which an applicant or recipient of aid to families with dependent children is entitled, the department is hereby authorized to disregard as a resource or income the earned income exemptions consistent with federal requirements; PROVIDED FURTHER, The department may permit the above exemption of earnings of a child to be retained by such child to cover the cost of special future identifiable needs even though the total exceeds the exemptions or resources granted to applicants and recipients of public assistance, but consistent with federal requirements. In formulating rules and regulations pursuant to this chapter, the department shall define income and resources and the availability thereof, consistent with federal requirements. All resources and income not specifically exempted, and any income or other economic benefit derived from the use of, or appreciation in value of, exempt resources, shall be considered in determining the need of an applicant or recipient of public assistance.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.

(12) "Need"—The difference between the applicant's or recipient's standards of assistance for himself and the dependent members of his family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his family.

(13) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

Sec. 2, Section 12, chapter 122, Laws of 1972 ex. sess. as last amended by section 13, chapter 439, Laws of 1987 and RCW 70.96A.120 are each amended to read as follows:

(1) An intoxicated person may come voluntarily to an approved treatment facility for treatment. A person who appears to be intoxicated in a public place and to be in need of help, if he or she consents to the proffered help, may be assisted to his or her home, an approved treatment facility or other health facility.

(2) Except for a person who may be apprehended for possible violation of laws not relating to alcoholism or intoxication and except for a person who may be apprehended for possible violation of laws relating to driving or being in physical control of a vehicle while intoxicated and except for a person who may wish to avail himself or herself of the provisions of RCW 46.20.308, a person who appears to be incapacitated by alcohol and who is in a public place or who has threatened, attempted, or inflicted physical harm on another, shall be taken into protective custody by the police or the emergency service patrol and as soon as practicable, but in no event beyond eight hours brought to an approved treatment facility for treatment. If no approved treatment facility is readily available he or she shall be taken to an emergency medical service customarily used for incapacitated persons. The police or the emergency service patrol, in detaining the person and in taking him or her to an approved treatment facility, is taking him or her into protective custody and shall make every reasonable effort to protect his or her health and safety. In taking the person into protective custody, the

detaining officer or member of an emergency patrol may take reasonable steps including reasonable force if necessary to protect himself or herself or effect the custody. A taking into protective custody under this section is not an arrest. No entry or other record shall be made to indicate that the person has been arrested or charged with a crime.

(3) A person who comes voluntarily or is brought to an approved treatment facility shall be examined by a qualified person. He or she may then be admitted as a patient or referred to another health facility, which provides emergency medical treatment, where it appears that such treatment may be necessary. The referring approved treatment facility shall arrange for his or her transportation.

(4) A person who is found to be incapacitated by alcohol at the time of his or her admission or to have become incapacitated at any time after his or her admission, may not be detained at the facility for more than seventy-two hours after admission as a patient, unless a petition is filed under RCW 70.96A.140, as now or hereafter amended: PROVIDED, That the treatment personnel at the facility are authorized to use such reasonable physical restraint as may be necessary to retain a person incapacitated by alcohol at such facility for up to seventy-two hours from the time of admission. The seventy-two hour periods specified in this section shall be computed by excluding Saturdays, Sundays, and holidays. A person may consent to remain in the facility as long as the physician in charge believes appropriate.

(5) A person who is not admitted to an approved treatment facility, is not referred to another health facility, and has no funds, may be taken to his or her home, if any. If he or she has no home, the approved treatment facility shall ~~((assist))~~ provide him or her ~~((in-obtaining shelter))~~ with information and assistance to access available community shelter resources.

(6) If a patient is admitted to an approved treatment facility, his or her family or next of kin shall be notified as promptly as possible. If an adult patient who is not incapacitated requests that there be no notification, his or her request shall be respected.

(7) The police, members of the emergency service, or treatment facility personnel, who in good faith act in compliance with this chapter are performing in the course of their official duty and are not criminally or civilly liable therefor.

(8) If the person in charge of the approved treatment facility determines it is for the patient's benefit, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

NEW SECTION. Sec. 3. The legislature recognizes that alcoholism and drug addiction is a treatable, primary disease and most persons with this illness can recover. The legislature further recognizes that distinguishing alcoholics and drug addicts from persons incapacitated due to physical disability or mental illness is necessary in order to direct them into a program where treatment and rehabilitation is focused on alcoholism and/or drug addiction. Finally, the legislature recognizes that if this disease has progressed to the stage where there is a poor prognosis for recovery, generally, other disabilities have developed which would make these persons eligible for general assistance.

NEW SECTION. Sec. 4. A new section is added to chapter 69.54 RCW to read as follows:

(1) The department shall provide client assessment and treatment services within available funds. Where such treatment includes either residential care or a living stipend, the assessment service shall include a diagnostic evaluation for the purpose of determining who is eligible and what treatment is appropriate. The department shall establish rules of eligibility for the financially limited number of slots in both the residential care program and the outpatient treatment program accompanied by a living stipend. These rules shall set forth income and resource limits to assure that treatment priority is given to persons who are indigent or low income. The department may require an applicant to complete a residential evaluation for the purpose of clarifying individualized treatment needs when the department is not capable of making an accurate assessment of that individual's needs within the ordinary assessment process.

(2) If the department determines that a woman who is pregnant or parenting an infant is eligible for treatment, that woman will be given immediate priority for available treatment. In addition, the department shall coordinate to provide case management and support to these women to the extent that these services are available.

(3) The department shall assist clients in making application for supplemental security benefits and in obtaining the necessary documentation required by the federal social security administration for such benefits.

NEW SECTION. Sec. 5. A new section is added to chapter 69.54 RCW to read as follows:

(1) The department shall provide drug treatment services within available funding for persons suffering problems related to narcotic and other dangerous drugs. The treatment services may include, but are not limited to:

(a) Intensive inpatient treatment services;

(b) Recovery house treatment;

(c) Outpatient treatment and counseling, including assistance in obtaining employment, and including a living allowance while undergoing outpatient treatment. The living allowance may be used to provide shelter to clients in a dormitory setting where sobriety is required as a condition of residence. The living allowance shall be administered on the clients' behalf by the

outpatient treatment facility or other social service agency designated by the department. The department is authorized to pay the facility a fee for administering this allowance.

(2) With the exception of those treatment services funded through alcohol and drug grants to counties, and congregate care facility residential moneys, no individual may receive a combination of inpatient or outpatient treatment services for a total of more than six months in any two-year period. The department may approve an additional treatment or living allowance in an exceptional case.

(3) The department may require an applicant or recipient selecting treatment to complete inpatient and recovery house treatment when, in the judgment of a designated assessment center, such treatment is necessary prior to providing the outpatient program.

Sec. 6. Section 8, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.080 are each amended to read as follows:

(1) The department shall establish by all appropriate means, including contracting for services, a comprehensive and coordinated program for the treatment of alcoholics, persons incapacitated by alcohol, and intoxicated persons.

(b) Intensive inpatient treatment services;

(c) ~~((intermediate))~~ Recovery house treatment; and

(d) Outpatient ~~((and follow-up))~~ treatment and counseling, including assistance in obtaining employment, and including a living allowance while undergoing outpatient treatment. The living allowance may be used to provide shelter to clients in a dormitory setting where sobriety is required as a condition of residence. The living allowance shall be administered on the clients' behalf by the outpatient treatment facility or other social service agency designated by the department. The department is authorized to pay the facility a fee for administering this allowance.

(3) With the exception of those treatment services funded through alcohol and drug grants to counties, and congregate care facility residential moneys, no individual may receive a combination of inpatient or outpatient treatment services for a total of more than six months in any two-year period. The department may approve additional treatment or living allowance in an exceptional case.

(4) The department may require an applicant or recipient selecting treatment to complete inpatient and recovery house treatment when, in the judgment of a designated assessment center, such treatment is necessary prior to providing the outpatient program.

NEW SECTION. Sec. 7. The legislature recognizes that alcoholism and drug addiction is a treatable, primary disease and most persons with this illness can recover. The legislature further recognizes that distinguishing alcoholics and drug addicts from persons incapacitated due to physical disability or mental illness is necessary in order to direct them into a program where treatment and rehabilitation is focused on alcoholism and/or drug addiction. Finally, the legislature recognizes that if this disease has progressed to the stage where there is a poor prognosis for recovery, generally, other disabilities have developed which would make these persons eligible for general assistance.

NEW SECTION. Sec. 8. A new section is added to chapter 70.96A RCW to read as follows:

Where such treatment includes either residential care or a living stipend, the assessment service shall include a diagnostic evaluation for the purpose of determining who is eligible and what treatment is appropriate. The department shall establish rules of eligibility for the financially limited number of slots in both the residential care program and the outpatient treatment program accompanied by a living stipend. The rules shall set forth income and resource limits to assure that treatment priority is given to persons who are indigent or low income. The department may require an applicant to complete a residential evaluation for the purposes of clarifying individualized treatment needs when the department is not capable of making an accurate assessment of that individual's needs within the ordinary assessment process.

(2) If the department determines that a woman who is pregnant or parenting an infant is eligible for treatment, that woman will be given immediate priority for available treatment. In

addition, the department shall coordinate to provide case management and support to these women to the extent that these services are available.

(3) The department shall assist clients in making application for supplemental security benefits and in obtaining the necessary documentation required by the federal social security administration for such benefits.

POINT OF INQUIRY

Senator Talmadge: "Senator West, I'm still trying to puzzle my way through this amendment. The original bill, as I understood it, had some specific time periods for the duration of treatment for people under the ADATSA Program and I take it those are deleted in this amendment in favor of the language which states, 'within the appropriation allotted.'"

Senator West: "The treatment provisions are within the appropriation allotted. As far as the specific time period for each client, I don't believe that's there."

Senator Talmadge: "OK, thank you. The second question I guess, relates to the question of eligibility. You had indicated that the same criteria for eligibility for GAU would govern the eligibility for ADATSA."

Senator West: "That's not exactly true. The eligibility preferences given for the types of people--the unemployable types of people--that might because of economic status, qualify for GAU. There's a preference given to those folks."

Senator Talmadge: "I just wanted to make sure we weren't getting into the situation where we were debating that sixty to ninety days and unemployment criteria and so forth. Thank you, Senator West."

Further debate ensued.

The board of directors shall consist of such number, not less than (~~eleven~~) seven nor more than twenty-one, as shall be determined in the first instance by the incorporators and thereafter annually by (~~the members and~~) the stockholders of the corporation. The board of directors may exercise all the powers of the corporation except such as are conferred by law or by the bylaws of the corporation upon the stockholders (~~or members~~) and shall choose and appoint all the agents and officers of the corporation and fill all vacancies except vacancies in the office of director which shall be filled as hereinafter provided. The board of directors shall be elected in the first instance by the incorporators and thereafter at the annual meeting, the day and month of which shall be established by the bylaws of the corporations, or, if no annual meeting shall be held in the year of incorporation, then within ninety days after the approval of the articles of incorporation at a special meeting as hereinafter provided. (~~At each annual meeting, or at each special meeting held as provided in this section, the members of the corporation shall elect two-thirds of the board of directors and the stockholders shall elect the remaining directors~~.) The directors shall hold office until the next annual meeting of the corporation or special meeting held in lieu of the annual meeting after the election and until their successors are elected and qualified unless sooner removed in accordance with the provisions of the bylaws. Any vacancy in the office of a director (~~electd by the members shall be filled by the directors elected by the members, and any vacancy in the office of a director elected by the stockholders~~) shall be filled by the directors (~~electd by the stockholders~~).

NEW SECTION. Sec. 33. A new section is added to chapter 31.24 RCW to read as follows:

(1) A corporation shall transact its business in a safe and sound manner and shall maintain itself in a safe and sound condition. The supervisor of banking shall revoke the certification of a corporation if the supervisor finds that the corporation has failed to operate or maintain itself in a safe and sound manner or has failed to comply with the intent of this chapter, and the corporation may not transact business as a business and industrial development corporation until

such time as the supervisor recertifies the corporation consistent with RCW 31.24.020(8). The secretary of state shall remove from the active files the incorporation records of a corporation with its certification revoked until such time as the supervisor of banking has recertified the corporation.

(2) In determining whether a corporation is transacting business in a safe and sound manner or has committed an unsafe or unsound act, the supervisor shall consider the risk of a provision of financing assistance to a business firm, within the context of the anticipated higher risks associated with the purposes of corporations organized under this chapter.

(3) Subsection (2) of this section does not limit the authority of the supervisor to:

(a) Determine that a corporation's financing assistance to a single business or group of affiliated firms is in violation of subsection (1) of this section if the amount of that financing assistance is unduly large in relation to the total assets or the total shareholder's equity of the corporation;

(b) Require that a corporation maintain a reserve in the amount of anticipated losses; and

(c) Require that a corporation have a written financing assistance policy, approved by its board of directors, including credit evaluation and other matters. The supervisor shall not require that a corporation adopt a financing assistance policy that contains standards which prevent the corporation from exercising flexibility in meeting the capital needs of the individual firms.

Sec. 34. Section 12, chapter 162, Laws of 1963 and RCW 31.24.120 are each amended to read as follows:

The corporation shall be examined at least ~~((once annually))~~ every eighteen months by the state supervisor of banking and shall make quarterly reports of its condition ~~((not less than annually))~~ to said state supervisor of banking and more frequently upon call of the state supervisor of banking, who in turn shall make copies of such reports available to the state insurance commissioner and the governor; and the corporation shall also furnish such other information as may from time to time be required by the state supervisor of banking and secretary of state. The corporation shall pay the actual cost of said examinations. The state supervisor of banking shall exercise the same power and authority over corporations organized under this chapter as is now exercised over banks and trust companies by the provisions of the Title 30 RCW, where the provisions of Title 30 RCW are not in conflict with this chapter.

The state supervisor of banking shall publish annually and provide to the senate and house commerce and labor committees and ways and means committees information on the impact of this chapter in promoting economic development in Washington. At the minimum, the information shall include aggregate statistics on each of the following:

(1) The number and locations of corporations operating under this chapter;

(2) The number of instances and dollar amount of financing and management assistance given by corporations operating under this chapter to:

(a) All individual businesses assisted;

(b) Types of businesses classified using the standard industrial classification manual;

(c) Minority and women-owned businesses; and

(d) Businesses located in distressed areas;

(3) The number of jobs created or retained by:

(a) All individual businesses assisted;

(b) Types of businesses classified using the standard industrial classification manual;

(c) Minority and women-owned businesses;

(d) Businesses located in distressed areas; and

(e) The wage rates paid to the employees hired or retained; and

(4) The percentage of each business's total contributions or payments for unemployment insurance made to the state of Washington.

Sec. 35. Section 13, chapter 162, Laws of 1963 and RCW 31.24.130 are each amended to read as follows:

The first meeting of the corporation shall be called by a notice signed by three or more of the incorporators, stating the time, place and purpose of the meeting, a copy of which notice shall be mailed, or delivered, to each incorporator at least five days before the day appointed for the meeting. Said first meeting may be held without such notice upon agreement in writing to that effect signed by all the incorporators. There shall be recorded in the minutes of the meeting a copy of said notice or of such unanimous agreement of the incorporators.

At such first meeting, the incorporators shall organize by the choice, by ballot, of a temporary clerk; by the adoption of bylaws, by the election by ballot of directors; and by action upon such other matters within the powers of the corporation as the incorporators may see fit. The temporary clerk shall be sworn and shall make and attest a record of the proceedings. ~~((Ten))~~ Five of the incorporators shall be a quorum for the transaction of business.

Sec. 36. Section 14, chapter 162, Laws of 1963 and RCW 31.24.140 are each amended to read as follows:

Unless otherwise provided in the articles of incorporation, the period of duration of the corporation shall be perpetual, subject, however, to the right of the stockholders ~~((and the~~

members)) to dissolve the corporation prior to the expiration of said period as provided in RCW 31.24.150.

Sec. 37. Section 15, chapter 162, Laws of 1963 as amended by section 52, chapter 3, Laws of 1983 and RCW 31.24.150 are each amended to read as follows:

The corporation may upon the affirmative vote of two-thirds of the votes to which the stockholders shall be entitled (~~(and two-thirds of the votes to which the member shall be entitled)~~) dissolve said corporation as provided by Title 23A RCW, insofar as Title 23A RCW is not in conflict with the provisions of this chapter. Upon any dissolution of the corporation, none of the corporation's assets shall be distributed to the stockholders until all sums due the ~~((members))~~ creditors of the corporation ((as creditors thereof)) have been paid in full.

NEW SECTION. Sec. 38. A new section is added to chapter 31.24 RCW to read as follows:

(1) A corporation shall not provide, directly or indirectly, financing assistance to:

(a) An associate of the corporation;

(b) Discharge, or to free other money for use in discharging, in whole or in part, an obligation to an associate of that corporation. This section does not apply to a transaction effected by an associate of a corporation in the normal course of that associate's business involving a line of credit or short-term financing assistance.

(c) A business to which an associate of that corporation provides financing assistance, either contemporaneously with, or within one year before or after, the providing of financing assistance by the corporation, if the terms on which the corporation provides financing assistance are less favorable to the corporation than the terms on which the associate provides financing assistance to the business. If the financing assistance provided by the associate of the corporation is of a different kind from the financing assistance provided by the corporation, the burden shall be on the corporation to prove that the terms on which the corporation provided financing assistance were at least as favorable to the corporation as the terms on which the associate provided financing assistance to the business.

This subsection (1)(c) does not apply to any of the following:

(i) If the associate is a controlling person of the corporation and is also the only shareholder of the corporation;

(ii) If the associate is a subsidiary of the corporation; or

(iii) A transaction effected by an associate of a corporation in the normal course of that associate's business involving a line of credit or short-term financing assistance.

(2) For the purposes of this section and section 21 of this act:

(a) "Person" means an individual, proprietorship, joint venture, partnership, trust, business trust, syndicate, association, joint stock company, corporation, cooperative, government, agency of a government, or any other organization. If used with respect to acquiring control of or controlling a specified person, person includes a combination of two or more persons acting in concert;

(b) "Control" means, if used with respect to a specified person, the power to direct or cause the direction of, directly or indirectly through one or more intermediaries, the management and policies of that specified person, whether through the ownership of voting securities; by contract, other than a commercial contract for goods or nonmanagement services; or otherwise. A natural person shall not be considered to control a person solely on account of being a director, officer, or employee of that person. A person who, directly or indirectly, owns of record or beneficially holds with power to vote, or holds proxies with discretionary authority to vote, twenty percent or more of the then outstanding voting securities issued by a corporation shall be rebuttably presumed to control that corporation; and

(c) "Controlling person" means, if used with respect to a specified person, a person who controls that specified person, directly or indirectly through one or more intermediaries.

NEW SECTION. Sec. 39. A new section is added to chapter 31.24 RCW to read as follows:

An associate of a corporation shall not receive, directly or indirectly, from a person to whom that corporation provides financing assistance, compensation in connection with the providing of that financing assistance or anything of value for procuring, influencing, or attempting to procure or influence the corporation's action with respect to the providing of the financing assistance. This section does not apply to the receipt of fees by an associate of a corporation for bona fide closing services performed by that associate if all of the following are true:

(1) The associate, with the consent and knowledge of the person to whom the financing assistance is provided, is designated by the corporation to perform the services;

(2) The services are appropriate and necessary in the circumstances;

(3) The fees for the services are approved as reasonable by the corporation; and

(4) The fees for the services are collected by the corporation on behalf of the associate.

Sec. 40. Section 16, chapter 162, Laws of 1963 and RCW 31.24.160 are each amended to read as follows:

Under no circumstances shall the credit of the state of Washington be pledged to any corporation organized under the provisions of this chapter. The state of Washington shall not be subject to or responsible for any claim, debt, obligation, liability, or undertaking arising from the formation, operation, activities, or dissolution of a corporation organized under this chapter.

and shall be immune from suit thereon. All debt and equity instruments, including but not limited to bonds, debentures, securities, notes, and shares, issued by corporations organized under this chapter shall indicate on the face of each such document as issued that it does not constitute an obligation of the state of Washington.

NEW SECTION, Sec. 41. A new section is added to chapter 31.24 RCW to read as follows:

The insurance commissioner, the state supervisor of banking, the state supervisor of savings and loan associations, and the utilities and transportation commission shall each adopt such rules as may be necessary to allow those insurers, banks, savings and loan associations, and public service companies subject to regulation by state law to participate as investors in corporations organized under this chapter in a manner consistent with state regulatory requirements and the requirements imposed under this chapter.

NEW SECTION, Sec. 42. The following acts or parts of acts are each repealed:

(1) Section 5, chapter 162, Laws of 1963, section 1, chapter 90, Laws of 1973 1st ex. sess., section 2, chapter 16, Laws of 1974 ex. sess. and RCW 31.24.050;

(3) Section 10, chapter 162, Laws of 1963 and RCW 31.24.100."

Renumber remaining sections consecutively and correct internal references accordingly.

POINT OF ORDER

Senator Niemi: "Thank you, Mr. President. I rise to a point of order. I would like to challenge the scope and object of the amendment. This amendment adds the Washington Business and Development Corporation, which is BIDCO, to a bill—a very good bill—which creates the Washington Economic Development Finance Authority and I believe it is beyond the scope and object of the underlying bill. Moreover, with your permission, it might save some time if Senator Anderson is going to offer the next amendment on page 21, after line 17, which allows a tax credit, as well as the title amendment, to say that I would also challenge the scope and object of those amendments if they are offered."

Further debate ensued.

There being no objection, the President deferred further consideration of the amendment by Senators Anderson, Lee, Saling, Stratton and McCaslin on page 21, after line 17, to Engrossed Substitute House Bill No. 1553.

MOTION

Senator Anderson moved that the following amendment by Senators Anderson and Lee be adopted:

(2) Any corporation which loses its certification shall be obligated to pay to the state treasurer an amount equal to any tax credits taken by investors in such corporation within three years preceding the loss of certification. Such payment shall be made within eighteen months of the loss of certification unless the corporation is recertified within that time. The obligation to pay the state treasurer created by this section shall be a lien on the assets and capital of a corporation losing its certification and shall have priority over any other liens or security interests.

NEW SECTION, Sec. 30. A new section is added to chapter 31.24 RCW to read as follows:

SECOND READING

HOUSE BILL NO. 1682, by Representatives Brough, Vekich, Patrick, Jacobsen, Cole, Leonard, Todd, O'Brien and Schoon

Revising provisions for fund raising events by bona fide charitable or nonprofit organizations.

The bill was read the second time.

MOTION

Senator Lee moved that the following Committee on Economic Development and Labor amendments not be adopted:

On page 1, after line 3, insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 9.46 RCW to read as follows:

The legislature recognizes that the raising of funds for the promotion of bona fide charitable or nonprofit organizations is in the public interest and that the participation by individuals in such fund-raising activities and social pastimes for amusement rather than profit should be provided for.

Sec. 2. Section 3, chapter 4, Laws of 1987 and RCW 9.46.0205 are each amended to read as follows:

"Bingo," as used in this chapter, means a game conducted only in the county within which the organization is principally located in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, except that a bona fide charitable or nonprofit organization may conduct or allow its premises to be used for conducting bingo on a fourth occasion each week for special bingo activities under the provisions of section 3 of this act, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game. For the purposes of this section, the organization shall be deemed to be principally located in the county within which it has its primary business office. If the organization has no business office, the organization shall be deemed to be located in the county of principal residence of its chief executive officer: PROVIDED, That any organization which is conducting any licensed and established bingo game in any locale as of January 1, 1981, shall be exempt from the requirement that such game be conducted in the county in which the organization is principally located.

NEW SECTION. Sec. 3. A new section is added to chapter 9.46 RCW to read as follows:

The legislature hereby intends under this section to provide opportunities for additional bona fide charitable or nonprofit organizations to engage in lawful fund-raising activities. A licensed operator may utilize its facility for conducting special bingo activities on a fourth occasion each week. A licensee shall not be required to make its facility available a fourth occasion for any organization. The licensee shall maintain full and complete control of its games and facility and shall utilize its own employees in operating a fourth occasion.

The commission shall ensure that the opportunities created and the additional net revenues generated under this section are dedicated only to bona fide charitable or nonprofit organizations other than the licensed operator which are not regularly or currently conducting bingo activities. The commission shall adopt rules implementing the provisions of this section."

Renumber the remaining section consecutively.

On page 1, line 8, after "more than" strike "once" and insert "~~((once))~~ two times"

Debate ensued.

MOTION

Senator Warnke moved that the Committee on Economic Development and Labor amendments to House Bill No. 1682 be considered simultaneously and be adopted.

Debate ensued.

PARLIAMENTARY INQUIRY

Senator Warnke: "Mr. President, a parliamentary inquiry. The bill, as it originally came over from the House, expanded the lid by ten thousand dollars. Would you consider that an expansion of gambling requiring two-thirds or not an expansion—or sixty percent?"

REPLY BY THE PRESIDENT

President Pritchard: "Sixty percent. Are you asking me whether the proposal before us calls for a sixty percent vote?"

Senator Warnke: "I'm asking you if the original bill that is before us requires sixty percent?"

President Pritchard: "I'll have to examine it. That takes some time. If you want to ask me whether this amendment takes sixty percent, I'll respond to you."

Senator Warnke: "Mr. President, I already know the answer to that question. I would ask that you examine the bill and give us a ruling."

President Pritchard: "I would have to have some time and I will examine it on that question."

PARLIAMENTARY INQUIRY

Senator Vognild: "Thank you, Mr. President, a further parliamentary inquiry. I think in view of the request from Senator Warnke, that I would expand that request and I would ask the Chair to examine the bill as it is from the House and determine whether or not that will require a sixty percent vote. Then, I would further ask the Chair to give us a ruling now, that if the amendments are carried, will that change the status of the original bill in terms of the sixty percent?"

REPLY BY THE PRESIDENT

President Pritchard: "Yes, the Chair, would rule that to put the amendment on would take a sixty percent vote, and then the bill will then require a sixty percent vote, in the Chair's opinion. There is no question, it expands the area of gambling."

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "It would be my request that we rule, that no amendment takes more than a majority vote—a simple majority vote. It is final passage only that takes sixty percent if gambling is expanded."

REPLY BY THE PRESIDENT

President Pritchard: "Well, let me check with my learned counsel who gave me that advice in the first place. Just a moment."

FURTHER REPLY BY THE PRESIDENT

President Pritchard: "Senator Newhouse is correct now that we've reflected on it. The amendment only takes fifty percent, but it would appear that the final bill will take sixty percent if that amendment is on. I can rule on the amendment itself. You want me to rule on the other? Well, I'll have to do some looking."

The President declared the question before the Senate to be the positive motion by Senator Warnke that the Committee on Economic Development and Labor amendments to House Bill No. 1682 be considered simultaneously and be adopted.

The Committee on Economic Development and Labor amendments were adopted on a rising vote.

MOTIONS

On motion of Senator Nelson, the following title amendment was adopted:

On motion of Senator Nelson, the rules were suspended, House Bill No. 1682, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Nelson, and there being no objection, further consideration of House Bill No. 1682, as amended by the Senate, was deferred.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Vognild moved to reconsider the vote by which the Committee on Economic Development and Labor amendments to House Bill No. 1682 were adopted.

WITHDRAWAL OF MOTION

There being no objection, Senator Vognild withdrew his motion to reconsider the vote by which the Committee on Economic Development and Labor amendments were adopted.

Revising provisions on issuing state and local government bonds.

The bill was read the second time.

On motion of Senator McCaslin, the rules were suspended, House Bill No. 1060, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The President declared the question before the Senate to be the roll call on the final passage of House Bill No. 1060, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 1060, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 47; excused, 2.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Bender, Benitz, Bluechel, Cantu, Conner, Craswell, Fleming, Gaspard, Hayner, Johnson, Kreidler, Lee, Madsen, Matson, McCaslin, McDonald, McMullen, Metcalif, Moore, Murray, Nelson, Newhouse, Niemi, Owen, Patterson, Pullen, Rasmussen, Rinehart, Saling, Sellar, Smith, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Vognild, von Reichbauer, Warnke, West, Williams, Wojahn - 47.

Excused: Senators DeJarnatt, Hansen - 2.

HOUSE BILL NO. 1060, as amended by the Senate, having received the constitutional majority was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

There being no objection, the Senate resumed consideration of Substitute Senate Bill No. 5897 and the pending striking amendment by Senator West, deferred earlier today.

POINT OF INQUIRY

Senator Gaspard: "Senator West, I am looking on page 11 of the striking amendment and looking at line 2, and the term, 'dormitory setting.' I would just like to have a clarification of what your understanding of that definition may mean. I'm concerned that if that definition is to mean something like a military setting where you have dormitory-like barracks. I hope that is not that case, or a case similar to maybe what we would consider at a college campus--dormitories--but that this language could include a single family residence or an apartment complex where you may have a sharing of common facilities, but it is used for drug and alcohol treatment."

Senator West: "Under the ADATSA Program that we had when we thought we had the authority for the dormitory settings, we had several types. Some which were individual rooms, with a resident manager on the site to insure that they were sober houses. Some had like bays with two or three beds, maybe sharing several people to a room, but not a military-style barracks. This issue is still in the Supreme Court, specifically, and I think they'll dictate to us somewhat, the kind of dormitory setting we can have."

Senator Gaspard: "But, Senator West, it would be your understanding that it could include normally, a single family residence that was set up to be an alcohol and drug treatment center or even apartment complex that was also for that type of treatment?"

Senator West: "Senator Gaspard, it is my understanding that it can include those kinds of residences, yes."

Further debate ensued.

POINT OF INQUIRY

Senator Wojahn: "Senator West, if a person were developmentally disabled because of alcohol, but had other disabilities also, and was living with his family where he was getting general assistance, would he, in your opinion, be cut off from this?"

Senator West: "No, if he had other disabilities that would qualify him for general assistance, those disabilities would continue to qualify him for general assistance, and on page 9 of the amendment, New Section 3, the last sentence talks about where people who have alcoholism to the extent that they're non-recovering, they more than likely have other disabilities that qualify them for GAU and would come under the GAU statutes."

Senator Wojahn: "If they were able to qualify and be under GAU?"

Senator West: "Because of other disabilities."

The President declared the question before the Senate to be the adoption of the striking amendment by Senator West to Substitute Senate Bill No. 5897.

The motion by Senator West carried and the amendment was adopted.

MOTIONS

On motion of Senator West, the following title amendment was adopted:

Regulating underground storage tanks.

The bill was read the second time.

MOTIONS

Senator Metcalf moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. LEGISLATIVE FINDING AND INTENT. The legislature finds that leaking underground storage tanks containing petroleum and other regulated substances pose a serious threat to human health and the environment. To address this threat, the legislature intends for the department of ecology to establish an underground storage tank program designed, operated, and enforced in a manner that, at a minimum, meets the requirements for delegation of the federal underground storage tank program of the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Sec. 6901, et seq.). The legislature intends that state-wide requirements for underground storage tanks adopted by the department be consistent with and no less stringent than the objectives outlined in the federal regulations.

The legislature further finds that certain areas of the state possess physical characteristics that make them especially vulnerable to threats from leaking underground storage tanks and that in these environmentally sensitive areas, local requirements more stringent than the state-wide requirements may apply.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of ecology.

(2) "Director" means the director of the department.

(3) "Federal act" means the federal Resource Conservation and Recovery Act, as amended (42 U.S.C. Sec. 6901, et seq.).

(4) "Federal regulations" means the underground storage tanks regulations (40 C.F.R. Secs. 280 and 281) adopted by the United States environmental protection agency under the federal act.

Except as provided in this section and any rules adopted by the department under this chapter, the definitions contained in the federal regulations apply to the terms in this chapter.

NEW SECTION. Sec. 3. DEPARTMENT'S POWERS AND DUTIES. (1) By July 1, 1990, the department shall adopt rules establishing requirements for all underground storage tanks that are regulated under the federal act, taking into account the various classes or categories of tanks to be regulated. The rules must be consistent with and no less stringent than the federal regulations and consist of requirements for the following:

(a) New underground storage tank system design, construction, installation, and notification;

(b) Upgrading existing underground storage tank systems;

(c) General operating requirements;

(d) Release detection;

(e) Release reporting;

(f) Out-of-service underground storage tank systems and closure; and

(g) Financial responsibility for underground storage tanks containing regulated substances.

(2) By July 1, 1990, the department shall adopt rules:

(a) Establishing physical site criteria to be used in designating local environmentally sensitive areas;

(b) Establishing procedures for local government application for this designation; and

(c) Establishing procedures for local government adoption and department approval of rules more stringent than the state-wide standards in these designated areas.

(3) By July 1, 1990, the department shall establish by rule an administrative and enforcement program that is consistent with and no less stringent than the program required under the federal regulations in the areas of:

(a) Compliance monitoring, including procedures for recordkeeping and a program for systematic inspections;

(b) Enforcement;

(c) Public participation; and

(d) Information sharing.

(4) By July 1, 1990, the department shall establish a program that provides for the tagging of underground storage tanks. Tanks are not eligible for tagging unless the owner or operator is in compliance with the requirements of this chapter and annual state and local tank fees have been remitted. The tank tagging program shall be designed to ensure that tags will be clearly identifiable to persons delivering regulated substances to underground storage tanks.

(5) The department may establish programs to certify persons who conduct inspections, testing, closure, cathodic protection, interior tank lining, corrective action, or other activities required under this chapter. Certification programs shall be designed to ensure that each certification will be effective in all jurisdictions of the state.

(6) When adopting rules under this chapter, the department shall consult with the state building code council to ensure coordination with the building and fire codes adopted under chapter 19.27 RCW.

NEW SECTION, Sec. 4. ADMINISTRATION AND ENFORCEMENT PROGRAM. (1) The department shall establish a state-wide underground storage tank administration and enforcement program that encourages the delegation of program responsibilities to a qualified city, town, or county. The department shall adopt rules establishing requirements for the delegation of program elements. The department shall provide for an appropriate distribution of resources collected under section 10 of this act between the department and the city, town, or county to cover the cost of delegated responsibilities and shall ensure that these moneys be distributed to the city, town, or county upon delegation of program responsibilities.

(2) A city, town, or county may apply to the department for delegation of program responsibilities of part or all of the underground storage tank program within its jurisdictional boundaries. A fire protection district or political subdivision may enter into an agreement under chapter 39.34 RCW with a city, town, or county to assume all or a portion of delegated program responsibilities.

(3) In jurisdictions where partial delegation of program responsibilities occurs, the department shall administer and enforce those program elements not delegated. The department shall administer and enforce the entire underground storage tank program in jurisdictions where no delegation of program responsibilities has occurred.

NEW SECTION, Sec. 5. ENVIRONMENTALLY SENSITIVE AREAS. (1) A city, town, or county may apply to the department to have an area within its jurisdictional boundaries designated an environmentally sensitive area. A city, town, or county may submit a joint application with any other city, town, or county for joint administration under chapter 39.34 RCW of a single environmentally sensitive area located in both jurisdictions.

(2) A city, town, or county may adopt proposed ordinances or resolutions establishing requirements for underground storage tanks located within an environmentally sensitive area that are more stringent than the state-wide standards established under section 3 of this act. If application for the designation of an environmentally sensitive area is made later than five years after the date of final adoption of the rules required under this chapter, proposed local ordinances and resolutions shall only apply to new underground storage tank installations. The local government adopting the ordinances and resolutions shall submit them to the department for approval. Disapproved ordinances and resolutions may be modified and resubmitted to the department for approval. Proposed local ordinances and resolutions become effective when approved by the department.

(3) The department shall approve or disapprove each proposed local ordinance or resolution based on the following criteria:

(a) The area to be regulated is found to be an environmentally sensitive area based on rules adopted by the department; and

(b) The proposed local regulations are reasonably consistent with previously approved local regulations for similar environmentally sensitive areas.

(4) A city, town, or county for which a proposed local ordinance or resolution establishing more stringent requirements is approved by the department may establish local tank fees that meet the requirements of section 10 of this act, if such fees are necessary for enhanced program administration or enforcement.

NEW SECTION, Sec. 6. DELIVERY OF REGULATED SUBSTANCES. Regulated substances shall not be delivered to any underground storage tank in the state required to be tagged under section 3 of this act unless proof of valid tagging is displayed on such tank itself or the dispensing or measuring device connected thereto or, where appropriate, in the office or kiosk of the facility where the tank is located. A supplier shall not refuse to deliver regulated substances to an underground storage tank regulated under this chapter on the basis of its potential to

leak contents where the tank is either tagged as required in section 3 of this act or is in compliance with federal underground storage tank regulations and any state or local regulations then in effect. This section does not apply to a supplier who does not directly transfer a regulated substance into an underground storage tank.

NEW SECTION, Sec. 7. INVESTIGATION AND ACCESS. (1) If necessary to determine compliance with the requirements of this chapter, an authorized representative of the state engaged in compliance inspections, monitoring, and testing may, by request, require an owner or operator to submit relevant information or documents. The department may subpoena witnesses, documents, and other relevant information that the department deems necessary. In the case of any refusal to obey the subpoena, the superior court for any county in which the person is found, resides, or transacts business has jurisdiction to issue an order requiring the person to appear before the department and give testimony or produce documents. Any failure to obey the order of the court may be punished by the court as contempt.

(2) Any authorized representative of the state may require an owner or operator to conduct monitoring or testing.

(3) Upon reasonable notice, an authorized representative of the state may enter a premises or site subject to regulation under this chapter or in which records relevant to the operation of an underground storage tank system are kept. In the event of an emergency or in circumstances where notice would undermine the effectiveness of an inspection, notice is not required. The authorized representative may copy these records, obtain samples of regulated substances, and inspect or conduct monitoring or testing of an underground storage tank system.

(4) For purposes of this section, the term "authorized representative" or "authorized representative of the state" means an enforcement officer, employee, or representative of the department or a local government unit that has obtained enforcement authority under section 4 of this act.

NEW SECTION, Sec. 8. ENFORCEMENT. The director may seek appropriate injunctive or other judicial relief by filing an action in Thurston county superior court or issue such order as the director deems appropriate to:

(1) Enjoin any threatened or continuing violation of this chapter;

(2) Restrain immediately and effectively a person from engaging in unauthorized activity that results in a violation of any requirement of this chapter and is endangering or causing damage to public health or the environment;

(3) Require compliance with requests for information, access, testing, or monitoring under section 7 of this act; or

(4) Assess and recover civil penalties authorized under section 9 of this act.

NEW SECTION, Sec. 9. PENALTIES. (1) A person who fails to notify the department pursuant to tank notification requirements or who submits false information is subject to a civil penalty not to exceed five thousand dollars per violation.

(2) A person who violates this chapter is subject to a civil penalty not to exceed five thousand dollars for each tank per day of violation.

NEW SECTION, Sec. 10. ANNUAL TANK FEE. (1) An annual state tank fee not exceeding fifty dollars per tank shall be paid according to a schedule adopted by the department, but no later than December 31st of each year by every person who:

(a) Owns an underground storage tank located in this state; and

(b) Was required to provide notification to the department under the federal act.

This fee is not required of persons who have (i) permanently closed their tanks, and (ii) if required, have completed corrective action in accordance with the rules adopted under this chapter.

(2) By July 1, 1989, and April 1st of each year thereafter, the department shall establish by rule the amount of the annual state tank fees. The annual state tank fee shall be assessed per tank. The amount shall be based on the size of the tank and shall be set at a level sufficient to pay the reasonable and necessary costs incurred in administering and enforcing this chapter.

(3) The department may authorize the imposition of additional annual local tank fees in environmentally sensitive areas designated under section 5 of this act. Annual local tank fees may not exceed fifty percent of the annual state tank fee.

(4) State and local tank fees collected under this section shall be deposited in the account established under section 11 of this act.

(5) Other than the annual local tank fee authorized for environmentally sensitive areas, no local government may levy an annual tank fee on the ownership or operation of an underground storage tank.

NEW SECTION, Sec. 11. UNDERGROUND STORAGE TANK ACCOUNT. The underground storage tank account is created in the state treasury. Money in the account may only be spent, subject to legislative appropriation, for the administration and enforcement of the underground storage tank program established under this chapter. The account shall contain:

(1) All fees collected under section 10 of this act;

(2) All fines or penalties collected under section 9 of this act;

(3) Any interest earned on the account, subject to RCW 43.84.090; and

(4) Fees collected which exceed funds necessary for the administration of this chapter shall be transferred to the pollution liability reinsurance fund to be created under the proposed legislation referenced under section 19(2) of this act.

NEW SECTION. Sec. 12. PREEMPTION. (1) Except as provided in section 5 of this act and subsections (2), (3), and (4) of this section, the rules adopted under this chapter supersede and preempt any state or local underground storage tank law, ordinance, or resolution governing any aspect of regulation covered by the rules adopted under this chapter.

(2) Local laws, ordinances, and resolutions pertaining to local authority to take immediate action in response to a release of a regulated substance are not superseded or preempted.

(3) City, town, or county underground storage tank ordinances that are more stringent than the federal regulations and the uniform codes adopted under chapter 19.27 RCW and that are in effect on November 1, 1988, are not superseded or preempted. A city, town, or county with an ordinance that meets these criteria shall notify the department of the existence of that ordinance by July 1, 1989.

(4) Local laws, ordinances, and resolutions pertaining to permits and fees for the use of underground storage tanks in street right of ways that were in existence prior to the effective date of this section are not superseded or preempted.

NEW SECTION. Sec. 13. The department shall submit an annual report to the appropriate standing committees of the legislature for five years beginning January 1, 1990, on the implementation of the underground storage tank regulatory program, including a report on state and local tank fees. This report shall detail the number of corrective actions taken with regard to leaking underground storage tanks and their associated costs, including anticipated future cleanup costs.

NEW SECTION. Sec. 14. SEVERABILITY CLAUSE. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 15. Section headings used in this act do not constitute any part of the law.

NEW SECTION. Sec. 16. Sections 2 through 14 of this act constitute a new chapter in Title 90 RCW.

NEW SECTION. Sec. 17. (1) Except as provided in subsection (2) of this section, sections 6, 12, and 18 of this act take effect on July 1, 1990.

(2) This section shall apply only if this act becomes effective as provided under section 19(2) of this act.

Sec. 18. Section 8, chapter 96, Laws of 1974 ex. sess., as amended by section 1, chapter 282, Laws of 1975 1st ex. sess. and RCW 19.27.080 are each amended to read as follows:

Nothing in this (~~1974 act shall~~) chapter affects the provisions of chapters 19.28, 43.22, 70.77, 70.79, 70.87, 48.48, 18.20, 18.46, 18.51, 28A.02, 28A.04, 70.41, 70.62, 70.75, 70.108, 71.12, 74.15, 70.94, (~~or~~) 76.04, or 90.-- (sections 2 through 14 of this act) RCW or grant rights to duplicate the authorities provided under chapters 70.94 or 76.04 RCW.

NEW SECTION. Sec. 19. (1) Except as provided in subsection (2) of this section, sections 1 through 5, 7 through 11, 13, and 14 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

(2) This act shall take effect only if House Bill 1180 or Senate Bill 5280, as amended or substituted, or any other bill establishing a state reinsurance program for the owners and operators of underground storage tanks, is enacted before July 1, 1989. If the enactment of such reinsurance bill is subsequent to the date of enactment of this act, this act shall take effect on the date of the enactment of the reinsurance bill."

Senator Vognild moved that the following amendment by Senators Vognild, Talmadge, Rinehart, Conner, Bauer, Bender, Williams, Gaspard, Warnke, Moore, Murray, Niemi and McMullen to the Committee on Ways and Means amendment be adopted:

On page 7, line 36 of the amendment, after "enforcement," insert the following:

"(5) Washington's tidal or submerged lands extending from mean high tide seaward three miles along the Washington coast from Cape Flattery south to Cape Disappointment, and in Grays Harbor, Willapa Bay and the Columbia River Downstream from the Longview bridge are hereby declared environmentally sensitive areas and there shall be no leasing of such lands for purposes of oil or gas exploration, production or underground storage until at least July 1, 1995."

POINT OF ORDER

Senator Newhouse: "I rise to a point of order, Mr. President. My point of order is that the amendment to the committee amendment expands the scope and object of the bill. The bill has to do with underground storage tanks by its title--and only underground storage tanks. It has nothing to do with off shore drilling or anything related."

Debate ensued.

POINT OF ORDER

Senator Newhouse: "Mr. President, a point of order. We are discussing a point of order. One is permitted to speak on each side; it is not a full fledged debate on a point of order."

REPLY BY THE PRESIDENT

President Pritchard: "We are going to set this down and have a ruling by the President when I have a chance. Can you make your arguments short, Senator Talmadge?"

Further debate ensued.

MOTION

On motion of Senator Newhouse, further consideration of Engrossed Substitute House Bill No. 1086 was deferred.

SECOND READING

SECOND SUBSTITUTE HOUSE BILL NO. 1180, by Committee on Revenue (originally sponsored by Representatives Ferguson, Dellwo, Beck, Rust, Wang, Winsley, Van Luven, Nelson, Betrozoff, Chandler, Crane, Bowman, Moyer, Sayan, Spanel, Zellinsky, Dorn, R. King, Pruitt, G. Fisher, Valle, Hine, May, Jones, Walk, K. Wilson, O'Brien, Locke, Brekke, Phillips, Rasmussen, Inslee, Rector, Cooper, Miller, Brumsickle and Ebersole)

Insuring liability for leaks from underground oil storage tanks.

The bill was read the second time.

MOTION

Senator von Reichbauer moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. (1) The legislature finds that:

(a) Final regulations adopted by the United States environmental protection agency (EPA) require owners and operators of underground petroleum storage tanks to demonstrate financial responsibility for accidental releases of petroleum as a precondition to continued ownership and operation of such tanks;

(b) Financial responsibility is demonstrated through the purchase of pollution liability insurance or an acceptable alternative such as coverage under a state financial responsibility program, in the amount of at least five hundred thousand dollars per occurrence and one million dollars annual aggregate depending upon the nature, use, and number of tanks owned or operated;

(c) Many owners and operators of underground petroleum storage tanks cannot purchase pollution liability insurance either because private insurance is unavailable at any price or because owners and operators cannot meet the rigid underwriting standards of existing insurers, nor can many owners and operators meet the strict regulatory standards imposed for alternatives to the purchase of insurance; and

(d) Without a state financial responsibility program for owners and operators of underground petroleum storage tanks, many tank owners and operators will be forced to discontinue the ownership and operation of these tanks.

(2) The purpose of this chapter is to create a state financial responsibility program meeting EPA standards for owners and operators of underground petroleum storage tanks in a manner that:

(a) Minimizes state involvement in pollution liability claims management and insurance administration;

(b) Protects the state of Washington from unwanted and unanticipated liability for accidental release claims;

(c) Creates incentives for private insurers to provide needed liability insurance; and

(d) Parallels generally accepted principles of insurance and risk management.

To that end, this chapter establishes a program to provide pollution liability reinsurance at a price that will encourage a private insurance company or risk retention group to sell pollution liability insurance in accordance with the requirements of this chapter to owners and operators of underground petroleum storage tanks, thereby allowing the owners and operators to comply with the financial responsibility regulations of the EPA.

(3) It is not the intent of this chapter to permit owners and operators of underground petroleum storage tanks to obtain pollution liability insurance without regard to the quality or condition of their storage tanks or without regard to the risk management practices of tank owners and operators, nor is it the intent of this chapter to provide coverage or funding for past or existing petroleum releases. Further, it is the intent of the legislature that the program follow generally accepted insurance underwriting and actuarial principles and to deviate from those principles only to the extent necessary to make pollution liability insurance reasonably affordable and available to owners and operators who meet the requirements of this chapter.

NEW SECTION. Sec. 2. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Accidental release" means any sudden or nonsudden release of petroleum arising from operating an underground storage tank that results in a need for corrective action, bodily injury, or property damage neither expected nor intended by the owner or operator.

(2) "Administrator" means the Washington pollution liability reinsurance program administrator.

(3) "Bodily injury" means bodily injury, sickness, or disease sustained by any person, including death at any time resulting from the injury, sickness, or disease.

(4) "Corrective action" means those actions reasonably required to be undertaken by the insured to remove, treat, neutralize, contain, or clean up an accidental release in order to comply with any statute, ordinance, rule, regulation, directive, order, or similar legal requirement of the United States, the state of Washington, or any political subdivision of the United States or the state of Washington in effect at the time of an accidental release. "Corrective action" includes, when agreed to in writing, in advance by the insurer, action to remove, treat, neutralize, contain, or clean up an accidental release to avert, reduce, or eliminate the liability of the insured for corrective action, bodily injury, or property damage. "Corrective action" also includes actions reasonably necessary to monitor, assess, and evaluate an accidental release. "Corrective action" does not include:

(a) Replacement or repair of storage tanks or other receptacles;

(b) Replacement or repair of piping, connections, and valves of storage tanks or other receptacles;

(c) Excavation or backfilling done in conjunction with (a) or (b) of this subsection; or

(d) Testing for a suspected accidental release if the results of the testing indicate that there has been no accidental release.

(5) "Defense costs" include the costs of legal representation, expert fees, and related costs and expenses incurred in defending against claims or actions brought by or on behalf of:

(a) The United States, the state of Washington, or any political subdivision of the United States or state of Washington to require corrective action or to recover costs of corrective action; or

(b) A third party for bodily injury or property damage caused by an accidental release.

(6) "Washington pollution liability reinsurance program" or "program" means the excess of loss reinsurance program created by this chapter.

(7) "Insured" means the owner or operator who is provided insurance coverage in accordance with this chapter.

(8) "Insurer" means the insurance company or risk retention group licensed or qualified to do business in Washington and authorized by the administrator to provide insurance coverage in accordance with this chapter.

(9) "Occurrence" means an accident, including continuous or repeated exposure to conditions, that results in a release from an underground storage tank.

(10) "Operator" means a person in control of, or having responsibility for, the daily operation of an underground storage tank.

(11) "Owner" means a person who owns an underground storage tank.

(12) "Person" means an individual, trust, firm, joint stock company, corporation (including government corporation), partnership, association, consortium, joint venture, commercial entity, state, municipality, commission, political subdivision of a state, interstate body, the federal government, or any department or agency of the federal government.

(13) "Petroleum" means crude oil or any fraction of crude oil that is liquid at standard conditions of temperature and pressure, which means at sixty degrees Fahrenheit and 14.7 pounds per square inch absolute and includes gasoline, kerosene, heating oils, and diesel fuels.

(14) "Property damage" means:

(a) Physical injury to, destruction of, or contamination of tangible property, including the loss of use of the property resulting from the injury, destruction, or contamination; or

(b) Loss of use of tangible property that has not been physically injured, destroyed, or contaminated but has been evacuated, withdrawn from use, or rendered inaccessible because of an accidental release.

(15) "Release" means the emission, discharge, disposal, dispersal, seepage, or escape of petroleum from an underground storage tank into or upon land, ground water, surface water, subsurface soils, or the atmosphere.

(16) "Tank" means a stationary device, designed to contain an accumulation of petroleum, that is constructed primarily of nonearthen materials such as wood, concrete, steel, or plastic that provides structural support.

(17) "Underground storage tank" means any one or a combination of tanks including underground pipes connected to the tank, that is used to contain an accumulation of petroleum and the volume of which (including the volume of the underground pipes connected to the tank) is ten percent or more beneath the surface of the ground.

NEW SECTION. Sec. 3. The pollution liability reinsurance program trust account is established in the custody of the state treasurer. All funds appropriated for this chapter and all premiums collected for reinsurance shall be deposited in the account. Expenditures from the account shall be used exclusively for the purposes of this chapter including payment of costs of administering the program. The account is subject to allotment procedures under chapter 43.88 RCW. Expenditures for payment of the costs of administering the program may be made only after appropriation by statute. No appropriation is required for other expenditures from the account. The earnings on any surplus balances in the pollution liability reinsurance program trust account shall be credited to the account notwithstanding RCW 43.84.090.

NEW SECTION. Sec. 4. (1) The Washington pollution liability reinsurance program is created as an independent agency of the state. The administrative head and appointing authority of the program shall be the administrator who shall be appointed by the governor, with the consent of the senate, and shall serve at the pleasure of the governor. The salary for this office shall be set by the governor pursuant to RCW 43.03.040. The administrator shall appoint an assistant administrator. The administrator, assistant administrator, and up to three other employees are exempt from the civil service law, chapter 41.06 RCW.

(2) The administrator shall employ such other staff as are necessary to fulfill the responsibilities and duties of the administrator. The staff is subject to the civil service law, chapter 41.06 RCW. In addition, the administrator may contract with third parties for services necessary to carry out its activities where this will promote economy, avoid duplication of effort, and make best use of available expertise. Any such contractor or consultant is prohibited from releasing, publishing, or otherwise using any information made available to it under its contractual responsibility without specific permission of the program administrator. The administrator may call upon other agencies of the state to provide technical support and available information as necessary to assist the administrator in meeting the administrator's responsibilities under this chapter. Agencies shall supply this support and information as promptly as circumstances permit.

(3) The governor shall appoint a standing technical advisory committee that is representative of the public, the petroleum marketing industry, business and local government owners of underground storage tanks, and insurance professionals. Individuals appointed to the technical advisory committee shall serve at the pleasure of the governor and without compensation for their services as members, but may be reimbursed for their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(4) A member of the technical advisory committee of the program is not civilly liable for any act or omission in the course and scope of his or her official capacity unless the act or omission constitutes gross negligence.

NEW SECTION. Sec. 5. The administrator may adopt rules consistent with this chapter to carry out the purposes of this chapter. All rules shall be adopted in accordance with chapter 34.05 RCW.

NEW SECTION. Sec. 6. The administrator has the following powers and duties:

(1) To design and from time to time revise an excess of loss reinsurance contract providing coverage to an insurer meeting the requirements of this chapter. In designing the reinsurance contract the administrator shall consider common insurance industry excess of loss reinsurance contract provisions and shall design the contract in accordance with the following guidelines:

(a) The contract shall provide coverage to the insurer for the liability risks of owners and operators of underground storage tanks for third party bodily injury and property damage and corrective action that are underwritten by the insurer.

(b) In the event of an insolvency of the insurer, the reinsurance contract shall provide reinsurance payable directly to the insurer or to its liquidator, receiver, or successor on the basis of the liability of the insurer in accordance with the reinsurance contract. In no event may the program be liable for or provide coverage for that portion of any covered loss that is the responsibility of the insurer whether or not the insurer is able to fulfill the responsibility.

(c) The total limit of liability for reinsurance coverage shall not exceed one million dollars per occurrence and two million dollars annual aggregate for each policy underwritten by the insurer less the ultimate net loss retained by the insurer as defined and provided for in the reinsurance contract.

(d) Disputes between the insurer and the reinsurance program shall be settled through arbitration.

(2) To design and implement a structure of periodic premiums due the administrator from the insurer that takes full advantage of revenue collections and projected revenue collections to ensure affordable premiums to the insured consistent with sound actuarial principles.

(3) To periodically review premium rates for reinsurance to determine whether revenue appropriations supporting the program can be reduced without substantially increasing the insured's premium costs.

(4) To solicit bids from insurers and select an insurer to provide pollution liability insurance to owners and operators of underground storage tanks for third party bodily injury and property damage and corrective action.

(5) To monitor the activities of the insurer to ensure compliance with this chapter and protect the program from excessive loss exposure resulting from claims mismanagement by the insurer.

(6) To monitor the success of the program and periodically make such reports and recommendations to the legislature as the administrator deems appropriate.

(7) To annually report the financial and loss experience of the insurer as to policies issued under the program and the financial and loss experience of the program to the legislature.

(8) To evaluate the effects of the program upon the private market for liability insurance for owners and operators of underground storage tanks and make recommendations to the legislature on the necessity for continuing the program to ensure availability of such coverage.

(9) To enter into contracts with public and private agencies to assist the administrator in his or her duties to design, revise, monitor, and evaluate the program and to provide technical or professional assistance to the administrator.

(10) To examine the affairs, transactions, accounts, records, documents, and assets of insurers as the administrator deems advisable.

NEW SECTION. Sec. 7. (1) All examination and proprietary reports and information obtained by the administrator and the administrator's staff in soliciting bids from insurers and in monitoring the insurer selected by the administrator shall not be made public or otherwise disclosed to any person, firm, corporation, agency, association, governmental body, or other entity.

(2) Subsection (1) of this section notwithstanding, the administrator may furnish all or part of examination reports prepared by the administrator or by any person, firm, corporation, association, or other entity preparing the reports on behalf of the administrator to:

(a) The Washington state insurance commissioner;

(b) A person or organization officially connected with the insurer as officer, director, attorney, auditor, or independent attorney or independent auditor; and

(c) The attorney general in his or her role as legal advisor to the administrator.

(3) Subsection (1) of this section notwithstanding, the administrator may furnish all or part of the examination or proprietary reports or information obtained by the administrator to:

(a) The Washington state insurance commissioner; and

(b) A person, firm, corporation, association, governmental body, or other entity with whom the administrator has contracted for services necessary to perform his or her official duties.

(4) Examination reports and proprietary information obtained by the administrator and the administrator's staff are not subject to public disclosure under chapter 42.17 RCW.

(5) A person who violates any provision of this section is guilty of a gross misdemeanor.

NEW SECTION. Sec. 8. (1) In selecting an insurer to provide pollution liability insurance coverage to owners and operators of underground storage tanks, the administrator shall evaluate bids based upon criteria established by the administrator that shall include:

(a) The insurer's ability to underwrite pollution liability insurance;

(b) The insurer's ability to settle pollution liability claims quickly and efficiently;

(c) The insurer's estimate of underwriting and claims adjustment expenses;

(d) The insurer's estimate of premium rates for providing coverage;

(e) The insurer's ability to manage and invest premiums; and

(f) The insurer's ability to provide risk management guidance to insureds.

The administrator shall select the bidder most qualified to provide insurance consistent with this chapter and need not select the bidder submitting the least expensive bid. The administrator may consider bids by groups of insurers and management companies who propose to act in concert in providing coverage and who otherwise meet the requirements of this chapter.

(2) The successful bidder shall agree to provide liability insurance coverage to owners and operators of underground storage tanks for third party bodily injury and property damage and corrective action consistent with the following minimum standards:

(a) The insurer shall provide coverage for defense costs.

(b) The insurer shall collect a deductible from the insured for corrective action in an amount approved by the administrator.

(c) The insurer shall provide coverage for accidental releases in the amount of five hundred thousand dollars per occurrence and one million dollars annual aggregate but no more than one million dollars per occurrence and two million dollars annual aggregate exclusive of defense costs.

(d) The insurer shall require insurance applicants to meet at least the following underwriting standards before issuing coverage to the applicant:

(l) The applicant must be in compliance with statutes, ordinances, rules, regulations, and orders governing the ownership and operation of underground storage tanks as identified by the administrator by rule; and

(li) The applicant must exercise adequate underground storage tank risk management as specified by the administrator by rule.

(e) The insurer may exclude coverage for losses arising before the effective date of coverage, and the administrator may adopt rules establishing standards for determining whether a loss was incurred before the effective date of coverage.

(f) The insurer may exclude coverage for bodily injury, property damage, and corrective action as permitted by the administrator by rule.

(g) The insurer shall use a variable rate schedule approved by the administrator taking into account tank type, tank age, and other factors specified by the administrator.

(3) The administrator shall adopt all rules necessary to implement this section. In developing and adopting rules governing rates, deductibles, underwriting standards, and coverage conditions, limitations, and exclusions, the administrator shall balance the owner and operator's need for coverage with the need to maintain the actuarial integrity of the program and shall consult with the standing technical advisory committee established under section 4(3) of this act. In developing and adopting rules governing coverage exclusions affecting corrective action, the administrator shall consult with the Washington state department of ecology.

(4) Notwithstanding the definitions contained in section 2 of this act, the administrator may permit an insurer to use different words or phrases describing the coverage provided under the program. In permitting such deviations from the definitions contained in section 2 of this act, the administrator shall consider the regulations adopted by the United States environmental protection agency requiring financial responsibility by owners and operators of underground petroleum storage tanks.

(5) Owners and operators of underground storage tanks or sites containing underground storage tanks where a preexisting release has been identified or where the owner or operator knows of a preexisting release are eligible for coverage under the program subject to the following conditions:

(a) The owner or operator must have a plan for proceeding with corrective action; and

(b) If the owner or operator files a claim with the insurer, the owner or operator has the burden of proving that the claim is not related to a preexisting release until the owner or operator demonstrates to the satisfaction of the administrator that corrective action has been completed.

NEW SECTION, Sec. 9. If the insurer cancels or refuses to issue or renew a policy, the affected owner or operator may appeal the insurer's decision to the administrator. The administrator shall conduct a brief adjudicative proceeding under chapter 34.05 RCW.

NEW SECTION, Sec. 10. (1) The activities and operations of the program are exempt from the provisions and requirements of Title 48 RCW and to the extent of their participation in the program, the activities and operations of the insurer selected by the administrator to provide liability insurance coverage to owners and operators of underground storage tanks are exempt from the requirements of Title 48 RCW except for:

(a) Chapter 48.03 RCW pertaining to examinations;

(b) RCW 48.05.250 pertaining to annual reports;

(c) Chapter 48.12 RCW pertaining to assets and liabilities;

(d) Chapter 48.13 RCW pertaining to investments;

(e) Chapter 48.30 RCW pertaining to deceptive, false, or fraudulent acts or practices; and

(f) Chapter 48.92 RCW pertaining to liability risk retention.

(2) To the extent of their participation in the program, the insurer selected by the administrator to provide liability insurance coverage to owners and operators of underground storage tanks shall not participate in the Washington insurance guaranty association nor shall the association be liable for coverage provided to owners and operators of underground storage tanks issued in connection with the program.

NEW SECTION, Sec. 11. (1) The administrator shall report to the legislature by January 1, 1990, on the estimated costs to the insured and the state of implementing the program including proposed coverage, rates, and underwriting the insurer recommended by the administrator. The administrator shall seek advice from the department of revenue on the tax rate imposed under section 16 of this act and include a recommendation in the report on any necessary tax rate adjustments.

(2) Until and unless the legislature enacts legislation authorizing the administrator to fully implement the program, the administrator shall take no action nor enter into any contract that binds the state to providing pollution liability insurance or reinsurance as provided in this chapter.

(3) Nothing contained in this section shall prohibit the administrator from entering into contracts to assist in the development or analysis of information necessary to complete the report to the legislature nor shall this section prohibit the administrator from entering into contracts to analyze and design insurance and reinsurance policies to the extent necessary to develop the probable costs of full program implementation.

NEW SECTION. Sec. 12. The legislature reserves the right to amend or repeal all or any part of this chapter at any time, and there is no vested right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by this chapter or any acts done under it exist subject to the power of the legislature to amend or repeal this chapter at any time.

NEW SECTION. Sec. 13. This chapter shall expire June 1, 1995.

NEW SECTION. Sec. 14. It is the intent of this chapter to impose a tax only once for each petroleum product possessed in this state and to tax the first possession of all petroleum products. This chapter is not intended to exempt any person from tax liability under any other law.

NEW SECTION. Sec. 15. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Petroleum product" means plant condensate, lubricating oil, gasoline, aviation fuel, kerosene, diesel motor fuel, benzol, fuel oil, residual oil, liquefied or liquefiable gases such as butane, ethane, and propane, and every other product derived from the refining of crude oil, but the term does not include crude oil.

(2) "Possession" means the control of a petroleum product located within this state and includes both actual and constructive possession. "Actual possession" occurs when the person with control has physical possession. "Constructive possession" occurs when the person with control does not have physical possession. "Control" means the power to sell or use a petroleum product or to authorize the sale or use by another.

(3) "Previously taxed petroleum product" means a petroleum product in respect to which a tax has been paid under this chapter and that has not been remanufactured or reprocessed in any manner (other than mere repackaging or recycling for beneficial reuse) since the tax was paid.

(4) "Wholesale value" means fair market wholesale value, determined as nearly as possible according to the wholesale selling price at the place of use of similar products of like quality and character, in accordance with rules of the department.

(5) Except for terms defined in this section, the definitions in chapters 82.04, 82.08, and 82.12 RCW apply to this chapter.

NEW SECTION. Sec. 16. (1) A tax is imposed on the privilege of possession of petroleum products in this state. The rate of the tax shall be fifty one-hundredths of one percent multiplied by the wholesale value of the petroleum product.

(2) Moneys collected under this chapter shall be deposited in the pollution liability reinsurance program trust account under section 3 of this act.

(3) Chapter 82.32 RCW applies to the tax imposed in this chapter. The tax due dates, reporting periods, and return requirements applicable to chapter 82.04 RCW apply equally to the tax imposed in this chapter.

(4) If the balance of the pollution liability reinsurance program trust account at the end of any fiscal year is estimated at fifteen million dollars or more, the department of revenue shall not collect during the ensuing fiscal year the tax imposed by this section. If at the end of any fiscal year the balance of the account is estimated at seven and one-half million dollars or less, the department shall collect the tax during the ensuing fiscal year and so continue the collection until the account has reached the amount of fifteen million dollars.

NEW SECTION. Sec. 17. The following are exempt from the tax imposed in this chapter:

(1) Any successive possession of a previously taxed petroleum product. If tax due under this chapter has not been paid with respect to a petroleum product, the department may collect the tax from any person who has had possession of the petroleum product. If the tax is paid by any person other than the first person having taxable possession of a petroleum product, the amount of tax paid shall constitute a debt owed by the first person having taxable possession to the person who paid the tax.

(2) Any possession of a petroleum product by a natural person under circumstances where the substance is used, or is to be used, for a personal or domestic purpose (and not for any business purpose) by that person or a relative of, or person residing in the same dwelling as, that person.

(3) Persons or activities which the state is prohibited from taxing under the United States Constitution.

(4) Any persons possessing a petroleum product where such possession first occurred before the effective date of this section.

(5) Any possession of (a) natural gas, (b) petroleum coke, or (c) liquid fuel or fuel gas used in petroleum processing.

(6) Any possession of petroleum products that are exported for use or sale outside this state as fuel.

(7) Any possession of petroleum products packaged for sale to ultimate consumers.

NEW SECTION. Sec. 18. (1) Credit shall be allowed in accordance with rules of the department of revenue for taxes paid under this chapter with respect to fuel carried from this state in the fuel tank of any airplane, ship, truck, or other vehicle.

(2) Credit shall be allowed, in accordance with rules of the department, against the taxes imposed in this chapter for any petroleum product tax paid to another state with respect to the

same petroleum product. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to that petroleum product. For the purpose of this subsection:

(a) "Petroleum product tax" means a tax:

(i) That is imposed on the act or privilege of possessing petroleum products, and that is not generally imposed on other activities or privileges; and

(ii) That is measured by the value of the petroleum product, in terms of wholesale value or other terms, and in the determination of which the deductions allowed would not constitute the tax an income tax or value added tax.

(b) "State" means (i) a state of the United States other than Washington, or any political subdivision of such other state, (ii) the District of Columbia, and (iii) any foreign country or political subdivision thereof.

NEW SECTION. Sec. 19. (1) The sum of three million dollars, or so much thereof as may be necessary, is appropriated from the toxics control reserve account to the pollution liability reinsurance program trust account, for the biennium ending June 30, 1991, subject to transfer to the toxics control reserve account from the state toxics control and local toxics control accounts pursuant to RCW 70.105B.230(2) including accrued interest from July 1, 1988, as determined by the state treasurer. If these funds plus accrued interest are otherwise dedicated or not available, an equal sum is appropriated to the pollution liability reinsurance program trust account from the general fund—state appropriation to the department of ecology.

(2) The sum of four hundred thousand dollars, or as much thereof as may be necessary, is appropriated from the pollution liability reinsurance program trust account to the Washington pollution liability reinsurance program for the biennium ending June 30, 1991, to carry out the purposes of this act.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. Sections 1 through 13 of this act constitute a new chapter in Title 70 RCW. Sections 14 through 18 of this act shall constitute a new chapter in Title 82 RCW.

NEW SECTION. Sec. 22. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately, except sections 14 through 19 of this act shall take effect July 1, 1989."

A person ~~((who engages))~~ shall not engage in or offer~~((s))~~ to engage in the activities of a registered tow truck operator ~~((shall not do so))~~ without ~~((first obtaining))~~ a current registration certificate from the department of licensing authorizing him to engage in such activities. A registered operator who engages in a business practice that is prohibited under this chapter may be issued a notice of traffic infraction under chapter 46.63 RCW and is also subject to the civil penalties that may be imposed by the department under this chapter. A person found to have committed an offense that is a traffic infraction under this chapter is subject to a monetary penalty of at least two hundred fifty dollars. All traffic infractions issued under this chapter shall be under the jurisdiction of the district court in whose jurisdiction they were issued.

Sec. 3. Section 3, chapter 377, Laws of 1985 as amended by section 2, chapter 311, Laws of 1987 and RCW 46.55.030 are each amended to read as follows:

(2) Before issuing a registration certificate to an applicant the department shall require the applicant to file with the department a surety bond in the amount of five thousand dollars running to the state and executed by a surety company authorized to do business in this state. The bond shall be approved as to form by the attorney general and conditioned that the operator shall conduct his business in conformity with the provisions of this chapter pertaining to abandoned or unauthorized vehicles, and to compensate any person, company, or the state for failure to comply with this chapter or the rules adopted hereunder, or for fraud, negligence, or misrepresentation in the handling of these vehicles. (5) The applicant must submit an inspection certificate from the state patrol before the department may issue or renew an operator's registration certificate or tow truck permits.

Sec. 8, Section 8, chapter 377, Laws of 1985 as amended by section 5, chapter 311, Laws of 1987 and RCW 46.55.080 are each amended to read as follows:

(6) If the operator finds no owner identification, the operator shall immediately notify the appropriate law enforcement agency, which shall search the vehicle for the vehicle identification number and check the necessary records to determine the vehicle's owners.

Sec. 10, Section 11, chapter 377, Laws of 1985 as amended by section 9, chapter 311, Laws of 1987 and RCW 46.55.110 are each amended to read as follows:

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be ~~((invalid))~~ in violation of this chapter, then the registered and legal owners of the vehicle shall bear no impoundment, towing, or storage fees, and any bond or other security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment for reasonable damages for loss of the use of

the vehicle during the time the same was impounded, for not less than fifty dollars per day, against the person or agency authorizing the impound. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. (c) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 5790 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The ability of individuals to obtain information relating to their residential mortgage loans is vital to the financial needs of mortgagors in Washington. The public interest is adversely affected when a residential mortgage loan's servicing is sold or transferred with insufficient notification given to the mortgagor. In addition, mortgagors may experience difficulty in obtaining various mortgage loan information including information concerning mortgage loan prepayments, reserve accounts, and adjustments to monthly payments. The legislature finds that the legitimate interests of mortgagors and mortgage loan servicers are served if the disclosure of the potential sale of loan servicing is made to the mortgagor, reasonable notification of a residential mortgage loan servicing's sale is made, and continued mortgagor access to information regarding the mortgage loan is promoted.

NEW SECTION, Sec. 2. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Lender" shall mean any person in the business of making a loan.

(2) "Loan" shall mean any loan used to finance the acquisition of a one-to-four family owner occupied residence located in this state.

(3) "Purchasing servicing agent" is any person who purchases, receives through transfer or assignment, or otherwise acquires the responsibility of the servicing for a loan.

(4) "Person" shall include an individual, firm, association, partnership, business, trust, corporation, or any other legal entity whether resident or nonresident.

NEW SECTION, Sec. 3. (1) If the servicing for the loan is subject to sale, transfer, or assignment, a lender shall so disclose in writing at the time of or prior to loan closing and shall also disclose in the same writing that when such servicing is sold, transferred, or assigned, the purchasing servicing agent is required to provide notification to the mortgagor. If a lender, which has not provided the notice required by this subsection, consolidates with, merges with or is acquired by another institution, and thereafter loan servicing becomes subject to sale, transfer, or assignment, that institution shall within thirty days of such transaction make the disclosure in writing to the obligor primarily responsible for repaying each loan according to the records of the lender.

(2) If the servicing of a loan is sold, assigned, transferred, or otherwise acquired by another person, the purchasing servicing agent shall:

(a)(i) Issue corrected coupon or payment books, if used and necessary;

(ii) Provide notification to the mortgagor at least thirty days prior to the due date of the first payment to the purchasing servicing agent, of the name, address, and telephone number of the division from whom the mortgagor can receive information regarding the servicing of the loan; and

(iii) Inform the mortgagor of changes made regarding the servicing requirements including, but not limited to, interest rate, monthly payment amount, and escrow balance; and

(b) Respond within fifteen business days upon receipt of a written request for information from a mortgagor. A written response must include the telephone number of the company division who can assist the mortgagor.

(3) Any person injured by a violation of this chapter may bring an action for actual damages and reasonable attorneys' fees and costs incurred in bringing the action.

NEW SECTION, Sec. 4. Sections 1 through 3 of this act shall constitute a new chapter in Title 19 RCW.

NEW SECTION, Sec. 5. This act shall take effect on January 1, 1990."

On page 1, line 1 of the title, after "loans;" strike the remainder of the title and insert "adding a new chapter to Title 19 RCW; and providing an effective date."

and the same are herewith transmitted.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Newhouse, the President finds that Engrossed Substitute House Bill No. 1086 is a measure regulating underground storage tanks by establishing an underground storage tank regulatory program within the Department of Ecology; establishes certification programs; allows for city and county involvement in certain instances; establishes enforcement procedures and allows the imposition of tank fees.

"The amendment proposed by Senator Vognild and others to the Committee on Ways and Means amendment, would prohibit leasing of submerged lands off certain portions of the Washington coast for purposes of oil and gas exploration, production or underground storage until at least July 1, 1995.

"The President, therefore, finds that the proposed amendment to the committee amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment by Senator Vognild and others to the striking Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1086 was ruled out of order.

"The amendments previously adopted by the Senate (1) allow the Authority to contract with industrial development corporations organized pursuant to Chapter 31.24, provided the corporations agreed to specified lending criteria and (2) exempt certain information provided by these corporations from public inspection and copying.

"The amendment proposed by Senators Anderson, Lee, Saling, Stratton and McCaslin would expand the chapter on industrial development corporations by allowing the creation of new business and industrial development corporations, known as BIDCO's, deletes requirements that financial institutions be members, reduces the number of people required to form a corporation, establishes capital requirements and institutes other major changes.

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 5886 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 904, chapter 206, Laws of 1988 and RCW 70.24.105 are each amended to read as follows:

(1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this chapter.

(2) No person may disclose or be compelled to disclose the identity of any person upon whom ~~((a test for a sexually transmitted disease is performed, or the results of such a test or any information relating to diagnosis of or treatment for a sexually transmitted disease in a manner which permits identification of the subject of the test, diagnosis, or treatment except to the following persons))~~ an HIV antibody test is performed, or the results of such a test, nor may the result of a test for any other sexually transmitted disease when it is positive be disclosed. This protection against disclosure of test subject, diagnosis, or treatment also applies to any information relating to diagnosis of or treatment for HIV infection and for any other confirmed sexually transmitted disease. The following persons, however, may receive such information:

(f) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure shall: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other appropriate measures to keep disclosure to a minimum for the protection of the patient, the physician-patient relationship, and the treatment services, including but not limited to the written statement set forth in subsection (5) of this section;

(g) Persons who, because of their behavioral interaction with the infected individual, have been placed at risk for acquisition of a sexually transmitted disease, as provided in RCW 70.24.022, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary;

(h) A law enforcement officer, fire fighter, health care provider, health care facility staff person, or other persons as defined by the board in rule pursuant to RCW 70.24.340(4), who has requested a test of a person whose bodily fluids he or she has been substantially exposed to, pursuant to RCW 70.24.340(4), if a state or local public health officer performs the test: ~~((and))~~

Information released under this subsection shall be confidential and shall not be released or available to persons who are not involved in handling or determining medical claims payment; and

(j) A department of social and health services worker, a child placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of social and health services or a licensed child placing agency; this information may also be received by a person responsible for providing residential care for such a child when the department of social and health services or a licensed child placing agency determines that it is necessary for the provision of child care services.

(3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection.

(4) The release of sexually transmitted disease information regarding an offender, except as provided in subsection (2)(e) of this section, shall be governed as follows:

Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to any other penalties as may be prescribed by law.

(5) Whenever disclosure is made pursuant to this section, except for subsections (2)(a) and (6) of this section, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records

whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied or followed by such a notice within ten days.

(6) The requirements of this section shall not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor shall they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties."

It also recognizes that some Washington residents may be unable to pursue such out-of-state enrollment owing to their limited financial resources and the higher cost of nonresident tuition. The legislature intends to facilitate expanded nonresident undergraduate upper division enrollment opportunities for residents of the state by authorizing the governing boards of the four-year institutions of higher education to enter into exchange programs with other states' comparable public four-year institutions with comparable programs wherein the participating institutions agree that visiting undergraduate upper division students will pay resident tuition rates of the host institutions.

The boards of regents of the state universities and the boards of trustees of the regional universities and The Evergreen State College may enter into undergraduate upper division student exchange agreements with comparable public four-year institutions of higher education of other states and agree to charge participating undergraduate upper division students resident tuition rates subject to the following restrictions:

(1) In any given academic year, the number of undergraduate upper division nonresident exchange students receiving nonresident tuition waivers at a state institution, shall not exceed the number of that institution's undergraduate upper division students receiving nonresident tuition waivers at participating out-of-state institutions. Waiver imbalances that may occur in one year shall be off-set in the year immediately following.

(2) Undergraduate upper division student participation in an exchange program authorized by this section is limited to one calendar year.

However for any solid waste collected by a private hauler operating ((pursuant to)) under a certificate granted by the Washington utilities and transportation commission under the provisions of chapter 81.77 RCW and which certificate is for collection in a geographic area lying in more than one county, such designation of disposal sites shall be pursuant to an interlocal agreement between the involved counties.

((Such systems may also provide for the processing and conversion of solid wastes into other valuable or useful products with full jurisdiction and authority to)) A county may construct, lease, purchase, acquire, add to, alter, or extend solid waste handling systems, plants, sites, or other facilities and shall have full jurisdiction and authority to manage, regulate, maintain, utilize, operate, ((and)) control ((such system and)), and establish the rates and charges for those solid waste handling systems, plants, ((and to)) sites, or other facilities. A county may enter into agreements with public or private parties ((providing for the construction)) to: (1) Construct, purchase, ((acquisition)) acquire, lease, ((maintenance and operation of)) add to, alter, extend, maintain, manage, utilize, or operate publicly or privately owned or operated solid waste handling systems ((and)), plants ((for the processing and conversion of)), sites, or other facilities; (2) establish rates and charges for those systems, plants, sites, or other facilities; (3) designate particular publicly or privately owned or operated systems, plants, sites, or other facilities as disposal sites; (4) process, treat, or convert solid waste(s) into other valuable or useful materials or products; and ((for the sale of said)) (5) sell the material or products of those systems, plants, or other facilities. ((Contracts shall be for facilities that are in substantial compliance with the solid waste management plans prepared pursuant to chapter 70.95 RCW:))

The legislative authority of a county may award contracts for solid waste handling((-and such contracts may)) that provide that a county ((pay)) provide for a minimum periodic fee or other method of compensation in consideration of the operational availability of ((a)) those solid waste handling systems ((or)), plants, sites, or other facilities at a specified minimum level, without regard to the ownership of the systems ((or)), plants, sites or other facilities, or the amount of solid waste actually handled during all or any part of the ((contractual period. There shall be included in the)) contract. When a minimum level of solid waste is specified in a contract entered into under this section, there shall be a specific allocation of financial responsibility ((in cases where)) in the event the amount of solid waste handled ((during the contract period)) falls below the minimum level provided in the contract. Solid waste handling systems, plants, sites, or other facilities constructed, purchased, acquired, leased, added to, altered, extended, maintained, managed, utilized, or operated pursuant to this section, whether publicly or privately owned, shall be in substantial compliance with the solid waste management plan applicable to the county adopted pursuant to chapter 70.95 RCW. Agreements relating to such solid waste handling systems, plants, sites, or other facilities may be for such term and may contain such covenants, conditions, and remedies as the legislative authority of the county may deem necessary or appropriate.

As used in this chapter, the terms "solid waste" and "solid waste handling" shall be as defined in RCW 70.95.030.

Nothing in this section shall be construed to authorize the operation of a solid waste collection system by counties or to authorize counties to affect the authority of the utilities and transportation commission under RCW 81.77.020.

The alternative selection process provided by this section may not be used in the selection of a person or entity to construct a publicly owned facility for the storage or transfer of solid waste or solid waste handling equipment unless the facility is either (a) privately operated pursuant to a contract greater than five years, or (b) an integral part of a solid waste processing facility located on the same site. Instead, the applicable provisions of RCW 36.32.250, and chapters 39.04 and 39.30 RCW shall be followed.

Sec. 10. Section 19, chapter 282, Laws of 1986 and RCW 36.58.090 are each amended to read as follows:

(1) Notwithstanding the provisions of any county charter ((of any county)) or any law to the contrary, and in addition to any other authority provided by law, the legislative authority of a

county may contract with one or more (~~(private)~~) vendors for one or more of the design, construction, or operation (~~(function)~~) of, or other service related to, the solid waste handling systems (~~(and)~~), plants (~~(for solid waste handling, as defined in RCW 70.95.030 and)~~), sites, or other facilities in accordance with the procedures set forth in (~~(subsections (2) and (3) of)~~) this section. (~~(Such systems and plants may be owned, leased, and/or operated in whole or in part by the county, or owned, leased, and/or operated in whole or in part by the private vendor.)~~) When a contract for design services is entered into separately from other services permitted under this section, procurement shall be in accord with chapter 39.80 RCW. For the purpose of this chapter, the term "legislative authority" shall mean the board of county commissioners or, in the case of a home rule charter county, the official, officials, or public body designated by the charter to perform the functions authorized therein.

(2) If the legislative authority of the county decides to proceed with the consideration of qualifications or proposals for services from vendors, the county shall publish notice of its requirements and request submission of qualifications (~~(for the design, construction, and operation of solid waste handling systems and plants)~~) statements or proposals. The notice shall be published in the official newspaper of the county at least once a week for two weeks not less than sixty days before the final date for the submission of qualifications statements or proposals. The notice shall state in summary form (a) the general scope and nature of the (~~(system and plant or work for which the services are required)~~) design, construction, operation, or other service, (b) the name and address of a representative of the county who can provide further details, (~~(and)~~) (c) the final date for the submission of qualifications statements or proposals, (d) an estimated schedule for the consideration of qualifications, the selection of vendors, and the negotiation of a contract or contracts for services, (e) the location at which a copy of any request for qualifications or request for proposals will be made available, and (f) the criteria established by the legislative authority to select a vendor or vendors, which may include but shall not be limited to the vendor's prior experience, including design, construction, or operation of other similar facilities; respondent's management capability, schedule availability and financial resources; cost of the services; nature of facility design proposed by the vendor; system reliability; performance standards required for the facilities; compatibility with existing service facilities operated by the public body or other providers of service to the public; project performance guarantees; penalty and other enforcement provisions; environmental protection measures to be used; consistency with the applicable comprehensive solid waste management plan; and allocation of project risks.

(3) If the legislative authority of the county decides to proceed with the (~~(construction of a resource recovery facility or one or more of the services to be provided for such a facility)~~) consideration of qualifications or proposals, it may designate a representative to evaluate the vendors who submitted qualifications statements or proposals and conduct discussions regarding qualifications or proposals with one or more vendors. The legislative authority or representative may request submission of qualifications statements and may later request more detailed proposals from one or more vendors who have submitted qualifications statements, or the representative may request detailed proposals without having first received and evaluated qualifications statements. The representative shall evaluate the qualifications or proposals, as applicable. If two or more vendors submit qualifications or proposals that meet the criteria established by the legislative authority of the county, discussions and interviews shall be held with at least two vendors. Any revisions to a request for qualifications or request for proposals shall be made available to all vendors then under consideration by the city or town and shall be made available to any other person who has requested receipt of that information.

(4) Based on criteria established by the legislative authority of the county, the representative (~~(of the legislative authority)~~) shall recommend to the legislative authority a vendor (~~(based upon criteria established by the county, which shall not be determined solely by price but by all terms of the contract, who is)~~) or vendors that are initially determined to be the best qualified to provide one or more of the (~~(services required for)~~) design, construction, or operation of, or other service related to, the proposed project or services. (~~(If two or more vendors submit qualifications, at least two vendors shall be interviewed.)~~) The legislative authority may select one or more qualified vendors (~~(may be interviewed and selected to provide)~~) for one or more of the design, construction, or operation of, or other service related to, the proposed project or services.

(5) The legislative authority or its representative (~~(shall)~~) may attempt to negotiate a contract with the (~~(first)~~) vendor or vendors selected for one or more of the design, construction, (~~(design)~~) or operation (~~(portions)~~) of, or other service related to, the proposed project (~~(at a price and)~~) or services on (~~(other)~~) terms that the legislative authority determines to be fair and reasonable and in the best interest of the county. (~~(Only the legislative authority may approve and sign the contract. PROVIDED: That where a contract for design is entered into separately from other services permitted under this section, procurement shall be in accord with chapter 39.80 RCW.)~~) If the legislative authority or its representative is unable to negotiate such a contract with (~~(the first vendor)~~) any one or more of the vendors first selected on terms that it determines to be fair and reasonable and in the best interest of the county, negotiations with (~~(that vendor)~~) any one or more of the vendors shall be (~~(formally)~~) terminated or suspended

and ~~((other))~~ another qualified vendor or vendors may be selected in accordance with the procedures set forth ~~((above))~~ in this section. If the legislative authority decides to continue the process of selection, negotiations shall continue with a qualified vendor or vendors in accordance with this section at the sole discretion of the legislative authority until an agreement is reached with one or more qualified vendors, or the process is terminated by the legislative authority. The process may be repeated until an agreement is reached.

~~((4))~~ (6) Prior to entering into ~~((such))~~ a contract with a vendor, the legislative authority of the county ~~((must have made))~~ shall make written findings, after holding a public hearing on the proposal, that it is in the public interest to enter into the contract ~~((and))~~, that the contract is financially sound, and that it is advantageous for the county to use this method for awarding contracts compared to other methods.

~~((5))~~ (7) Each contract shall include a project performance bond or bonds or other security by the vendor ~~((which))~~ that in the judgment of the legislative authority of the county is sufficient to secure adequate performance by the vendor.

~~((6))~~ (8) The provisions of chapters 39.12, 39.19, and 39.25 RCW shall apply to a contract entered into under this section to the same extent as if the systems and plants were owned by a public body.

(9) The vendor selection process permitted by this section shall be supplemental to and shall not be construed as a repeal of or limitation on any other authority granted by law.

Sec. 11. Section 13, chapter 244, Laws of 1986 and RCW 39.04.175 are each amended to read as follows:

This chapter does not apply to ~~((agreements entered into))~~ the selection of persons or entities to construct or develop water pollution control facilities or to provide water pollution control services under ~~((authority of chapter 70.150 RCW provided there is compliance with the procurement procedure under))~~ RCW 70.150.040 or the selection of persons or entities to construct or develop solid waste handling facilities or to provide solid waste handling services under RCW 35.92.024 as recodified by section 12 of this act or under RCW 36.58.090.

NEW SECTION. Sec. 12. RCW 35.92.024 as amended by this act is recodified as a new section in chapter 35.21 RCW.

NEW SECTION. Sec. 13. The following acts or parts of acts are each repealed:

(1) Section 35.23.353, chapter 7, Laws of 1965, section 3, chapter 120, Laws of 1987 and RCW 35.23.353; and

(2) Section 2, chapter 208, Laws of 1975 1st ex. sess., section 2, chapter 164, Laws of 1977 ex. sess., section 7, chapter 445, Laws of 1985 and RCW 35.92.022."

On motion of Senator Metcalf, the following title amendment was adopted:

On page 1, line 2 of the title, after "procurement," strike the remainder of the title and insert "amending RCW 35.21.120, 35.21.152, 35.21.154, 35.22.625, 35.23.351, 35.92.020, 35.92.024, 36.32.265, 36.58.040, 36.58.090, and 39.04.175; recodifying RCW 35.92.024; and repealing RCW 35.23.353 and 35.92.022."

MOTION

On motion of Senator Metcalf, the rules were suspended, Substitute House Bill No. 1568, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Kreidler: "Senator Amondson, could you please explain the committee amendments to Section 7, paragraph 8, and Section 10, paragraph 8, relating to prevailing wages?"

Senator Amondson: "Thank you, Senator Kreidler. You know that we covered this in committee and the general purpose of this bill is to clarify existing law and existing legislative intent and to increase consistency among statutory provisions governing city and county solid waste procurement, but we did want to make it very clear that this bill would not expand or extend prevailing wage requirements to any facilities to which they do not apply under existing law."

Senator Kreidler: "Senator Amondson, I notice that the Senate committee removed some liberal construction language from Section 7, paragraph 9, and Section 10, paragraph 9. Could you please explain this?"

Senator Amondson: "Yes, Senator Kreidler. The liberal construction language was removed to make it clear that the alternative vendor selection process provided in this statute is meant to be used only for solid waste handling facilities and not for any other types of facilities. We need to be very careful about expanding any process that is a diversion from traditional public works bidding."

Senator Kreidler: "What is the purpose of the new language placed by the committee in Sections 7 and 9 limiting the alternative selection process for certain transfer stations and equipment storage facilities?"

Senator Amondson: "The alternative competitive process is not meant to be used for those government-owned facilities unless they are privately operated for at least five years or if they are critical to the operation of a recycling, composting, resource recovery or similar facility on the same site."

Senator Kreidler: "What if a county has a resource recovery facility built for it and three years later decides to put a transfer station next door?"

Senator Amondson: "Obviously, the facility was working for three years without the transfer station, so it would be hard to argue that it was an integral part of the resource recovery facility. Construction of the new transfer station should be bid out under traditional public works procedures unless it can be shown to be necessary for the bigger facility and unless the vendor contract contemplated this work being handled by the vendor."

Senator Kreidler: "Would remodeling or retrofitting a facility have to be bid under the traditional process?"

Senator Amondson: "That would, of course, depend on the contract with the vendor and the nature of the work."

Senator Kreidler: "I notice in Section 7, paragraph 1, that the bill strikes the word, 'private,' so that a municipality is not restricted in contracting only with private vendors. Could you please explain this?"

Senator Amondson: "Yes, thank you. When this statute was passed in 1986, one of the purposes was to assist in the privatization of certain solid waste handling facilities. However, there was no intent to prevent cities and counties from contracting among themselves for solid waste services under the Interlocal Cooperation Act. Other sections of the bill, such as Sections 2 and 9, make it clear that cities and counties may contract with both public and private parties for these services."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1568, as amended by the Senate.

MOTION

On page 2, line 34, after "conviction" add "(4) No public water system shall fluoridate its water supply without a majority vote of the people."

Debate ensued.

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. I believe the amendment by Senator McCaslin expands the scope and object of Substitute House Bill No. 1857. For all of the reasons expressed by Senators Madsen and Benitz, I believe the bill is an excellent one, dealing with the issue of public water systems and really specifies the circumstances under which the local water utilities would be providing clean and safe drinking water. This amendment raises a very controversial issue relating to fluoridation which is separate and apart from the original intention of the bill. I believe for that reason, Mr. President, the amendment expands the scope and object of Substitute House Bill No. 1857."

Further debate ensued.

SECOND READING

HOUSE BILL NO. 2167, by Representatives Leonard, Winsley, Schoon, Nutley, Rector and Todd

Regarding mobile home parks.

The bill was read the second time.

MOTIONS

Senator Lee moved that the following Committee on Economic Development and Labor amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. (1) The legislature finds that mobile home parks are an important part of housing in Washington state. Mobile homes allow many citizens to own a home who otherwise would not. Mobile home parks provide a place to locate mobile homes, and therefore, can be a source of affordable housing. Mobile home parks also provide community living opportunities which can enable senior citizens to live independently for as long as possible.

(2) The legislature also finds that local siting and zoning regulations for mobile home parks and land use decisions by some local jurisdictions prohibit or hinder the establishment or expansion of mobile home parks. In areas where mobile home parks are closing, such decisions increase the problem for tenants due to a lack of available spaces on which to move a mobile home.

(3) The purpose of this act is to encourage local jurisdictions to review their land use regulations and permit procedures pertaining to mobile home parks and to encourage the establishment or expansion of mobile home parks.

NEW SECTION, Sec. 2. A new section is added to chapter 35.63 RCW to read as follows:

Any city with a population of ten thousand or more or any county with a population of one hundred fifty thousand or more shall conduct a review of the need and demand for mobile home parks. The review shall be completed by May 31, 1990. A copy of the findings, conclusions, and recommendations resulting from the review shall be sent to the department of community development by June 30, 1990.

NEW SECTION, Sec. 3. A new section is added to chapter 35A.63 RCW to read as follows:

Each municipality with a population of ten thousand or more shall conduct a review of the need and demand for mobile home parks. The review shall be completed by May 31, 1990. A copy of the findings, conclusions, and recommendations resulting from the review shall be sent to the department of community development by June 30, 1990.

NEW SECTION, Sec. 4. A new section is added to chapter 36.70 RCW to read as follows:

Each county with a population of one hundred fifty thousand or more shall conduct a review of the need and demand for mobile home parks. The review shall be completed by May 31, 1990. A copy of the findings, conclusions, and recommendations resulting from the review shall be sent to the department of community development by June 30, 1990.

NEW SECTION, Sec. 5. A new section is added to chapter 35.22 RCW to read as follows:

If a first class city zones under its inherent charter authority and not under chapter 35.63 RCW, then each first class city shall conduct a review of the need and demand for mobile home parks. The review shall be completed by May 31, 1990. A copy of the findings, conclusions, and recommendations resulting from the review shall be sent to the department of community development by June 30, 1990.

NEW SECTION, Sec. 6. A new section is added to chapter 36.32 RCW to read as follows:

If a county operating under home rule charter zones under its inherent charter authority and not under chapter 35.63 RCW, nor chapter 36.70 RCW, the county shall conduct a review of the need and demand for mobile home parks. The review shall be completed by May 31, 1990. A copy of the findings, conclusions, and recommendations resulting from the review shall be sent to the department of community development by June 30, 1990.

NEW SECTION, Sec. 7. A new section is added to chapter 43.63A RCW to read as follows:

The department of community development shall: (1) Report to the housing committee in the house of representatives and the economic development and labor committee in the senate the results of the local reviews provided for in sections 2 through 6 of this act by July 31, 1990; and (2) develop, in consultation with the Washington association of counties, the association of Washington cities, the Washington mobile park owners association, and the mobile home tenants association of Washington, a model ordinance for the siting of mobile home parks. The model ordinance shall be completed by January 31, 1990.

NEW SECTION, Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Senator Lee moved that the following amendments to the Committee on Economic Development and Labor amendment be considered simultaneously and be adopted:

On page 4, after line 5 of the amendment, insert the following:

"Sec. 7. Section 2, chapter 280, Laws of 1988 and RCW 59.22.050 are each amended to read as follows:

(1) In order to provide general assistance to mobile home resident organizations, park owners, and landlords and tenants, the department shall establish an office of mobile home

affairs which will serve as the coordinating office within state government for matters relating to mobile homes or manufactured housing.

This office will provide an ombudsman service to mobile home park owners and mobile home tenants with respect to problems and disputes between park owners and park residents and to provide technical assistance to resident organizations or persons in the process of forming a resident organization pursuant to chapter 59.22 RCW. The office will keep records of its activities in this area.

(2) In addition, the office shall develop recommendations based on the information provided by the cities and counties under sections 2 through 6 of this act to (a) increase the availability of mobile home park spaces; (b) stabilize rent levels through traditional market forces of supply and demand; and (c) allow senior citizens on fixed incomes to continue living in their mobile homes, including the possibility of direct subsidies. The recommendations shall provide a balance between the mobile home park owners' legitimate costs of doing business and need to receive a reasonable rate of return on their investments, and the limited ability of tenants to absorb rental rate increases.

(3) In developing these recommendations the office shall:

(a) Review the ordinances of local government to assess their impact on the availability of mobile home rental spaces;

(b) Consult with federal, state, and local agencies, senior citizen organizations, the real estate industry, and other groups as it considers necessary;

(c) Use, to the fullest extent possible, the services, facilities, information, and advice of public and private agencies, organizations, and individuals in order to avoid duplication of effort and expense;

(d) Hold public hearings to allow public input and involvement; and

(e) Appoint a technical advisory committee, if necessary, to advise the commission in the performance of its duties. The membership of the advisory committee shall be balanced to reflect the views of all interested parties."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 4, line 17 of the amendment, after "1990," strike "and"

On page 4, line 27 of the amendment, after "1990" insert "; and (3) make recommendations to the housing committee in the house of representatives and the economic development and labor committee in the senate for the increased availability of mobile home park spaces as provided in section 7 of this act."

POINT OF INQUIRY

Senator Smitherman: "Senator Lee, some of the members on this side have questioned whether or not we have the resources available in the Mobile Home Affairs Office to carry out the purposes which you've outlined in your amendments. Looking over the underlying striking amendment, it seems to me, and this is where I need clarification, that the counties and the cities and others that would be collecting the information would simply then forward it to the Mobile Home Affairs Office for that person to do the computations and so on and the analysis. Is that the way this is conceived?"

Senator Lee: "The underlying measure, in other words the committee amendment, in fact, all that it says is that they shall come up with a model ordinance. The interesting thing is you can come with a model ordinance even if you don't submit any information, so there needs to be something to be able to done with that information other than just simply printing it and submitting it to us. That's the reason for the amendment to the amendment that we now have before us.

"The question of whether or not there are enough resources to do that additional task, in other words, to do anything with the information that comes from the counties and cities is one that I don't think we have a complete clear answer to, because we don't know what the information is going to provide. Other than the fact that when Substitute Senate Bill No. 5369 went through this body, which was the task force, and was passed by us, is that DCD says that there was no additional cost on that particular measure. That doesn't mean that they won't come back to us in January and say, 'Gee whiz, we got all of this data and it looks like the problem is greater than we'd expected it to be and unless we have some additional resources, we can't complete the job.' There is a possibility of that happening, but at this point, we can't see far enough into the future to really know the answer to that question about resources. We know we've got enough resources to begin the job. Whether they have enough to complete it, they will have to let us know as they get further into the project."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the amendments by Senator Lee on page 4, lines 5, 17 and 27, to the Committee on Economic Development and Labor amendment to House Bill No. 2167.

The motion by Senator Lee carried and the amendments to the committee amendment were adopted.

A public offering statement is not current unless it incorporates all amendments. There shall be no liability for failure to incorporate any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel a contract or agreement for purchase of the lot, parcel, or unit had the undisclosed information been evident to the purchaser before the closing of the purchase.

(1) The developer shall deposit earnest moneys and all subsequent payments on the obligation in ((an)) a neutral escrow depository ((acceptable to the director: in cases where the blanket encumbrance does not provide for partial release, all or such portions of the money paid or advanced by the purchaser on any such lot or parcel within said development as the director shall determine to be sufficient to protect the interest of the purchaser; or in cases where the blanket encumbrance provides for partial releases thereof which are not unconditional, the developer shall deposit, at such time as the balance due to the developer from such purchasers is equal to the sum necessary to procure a release of such lots or parcels contracted for from the lien of such blanket encumbrance, all of the sums thereafter received from such purchasers until either)), or real estate trust account regulated under RCW 18.85.310, until such time as all payments on the obligation have been made and clear title is delivered, or any of the following occurs:

(b) Either the developer or the purchaser defaults under the sales contract and there is a forfeiture of the interest of the purchaser or there is a determination as to the disposition of such moneys, as the case may be; or

(c) The developer orders a return of such moneys to such purchaser.

(2) The title to the development is held in trust under an agreement of trust ~~((acceptable to the director))~~ until the proper release of such blanket encumbrance is obtained.

~~((3) A bond to the state of Washington or such other proof of financial responsibility is furnished to the director for the benefit and protection of purchasers of such lots or parcels in such an amount and subject to such terms, as may be approved by the director, which shall provide for the return of moneys paid or advanced by any purchaser on account of a sale of any such lot or parcel if a proper release from such blanket encumbrance is not obtained: PROVIDED, That if it should be determined that such purchaser, by reason of default, or otherwise,~~

is not entitled to the return of such moneys or any portion thereof, such bond or other proof of financial responsibility shall be exonerated to the extent and in the amount thereof. The amount of the bond or other proof of financial responsibility may be increased or decreased or a bond may be waived from time to time as the director shall determine.)

If a developer, or any other person subject to this chapter, fails to comply with any provision of this chapter, any person or class of persons adversely affected by the failure to comply may seek appropriate relief through an action for damages or an injunctive court order. The court, in an appropriate case, may award attorneys' fees.

POINT OF ORDER

Senator Talmadge: "Mr. President, I rise to a point of order. I believe the committee amendment to House Bill No. 1656 expands the scope and object of the bill. To the point, the bill as it came over to us from the House on the Land Development Act, I think, substantially tightened the provisions of that legislative enactment. It had in it a number of things that really clarified and strengthened the law relating to the Land Development Act. The amendment by the Senate committee, in fact, goes entirely the opposite direction and may loosen many of the provisions relating to the Land Development Act, but most pointedly it provides for a section relating to liability, so that a developer is not liable in a situation where the purchaser would be entitled to cancel the contract. The developer is only required to provide a limited amount of information and that information that would go to the developer's liability would be fairly narrow. We think that for that reason, the amendment by the Senate committee certainly expands the scope and fundamentally alters the object of House Bill No. 1656."

There being no objection, the President deferred further consideration of House Bill No. 1656.

Providing for the evaluation of indoor air quality in public buildings.

The bill was read the second time.

MOTION

Senator Kreidler moved that the following amendment by Senators Kreidler, Thorsness, Craswell, Murray, Metcalf and Williams be adopted:

On page 3, after line 3, insert the following:

NEW SECTION, Sec. 6. (1) Smoking is not allowed in individual work areas, common areas, or public access areas in any state-owned or leased building or space throughout the state except as provided in this section.

(2) An agency shall provide separately enclosed smoking accommodations ventilated to the outside in facilities under the following circumstances:

(a) Employees at the facility request smoking accommodations:

- (b) No employee at the location suffers adverse effects from provision of a smoking area;
 - (c) A smoking area is not cost-prohibitive;
 - (d) A smoking area can be provided within existing space allocations;
 - (e) No other accommodations for smokers exist within the location;
 - (f) The smoking area has been certified by the department of labor and industries as being of proper construction and ventilated to the outside;
 - (g) The decision is made based on discussion in a state-wide labor-management meeting.
- (3) No private office may be used as a smoking area, regardless of whether the occupant smokes.
- (4) Agency directors are responsible for the maintenance of this policy in their agencies.
 - (5) No person may smoke in a state-owned or leased motor vehicle that is part of a motor pool, except when that person is driving alone.
 - (6) "No smoking" signs shall be conspicuously posted on all entrances to state buildings.
 - (7) Smoking material and related supplies shall not be available or for sale within state-owned or leased space.
 - (8) A health promotion effort directed toward smoking prevention and cessation shall be implemented no later than September 1, 1989.
 - (9) Agency recruiting bulletins shall include a statement that the state does not allow smoking at individual work areas and other identified areas in the workplace.
 - (10) Job applicants shall be informed of the clean air policy during the interview. Applicants shall not be asked if they are smokers, nor will smokers be discriminated against in hiring.
 - (11) The living quarters of inmates at state-owned or leased correctional facilities, state-owned, leased or contracted for building which are residential facilities are exempt from this section.

NEW SECTION. Sec. 7. It is unlawful for an agency to discharge or in any manner discriminate against any employee who exercises his or her rights under this chapter if the dominant intent of the agency is retaliation against the employee for exercising those rights.

(2) In undertaking the enforcement of this chapter, the state is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that the breach proximately caused injury."

Renumber the remaining sections consecutively.

POINT OF ORDER

Senator Nelson: "Mr. President, a point of order. I find that I would like to challenge this amendment on scope and object. As worthwhile as the amendment may be in concept, it is, in fact, a codification of the Governor's Executive Order that is still in place and actually has the effect of law within the public buildings. This particular measure that is before us does not have statutory requirements from the standpoint of trying to now do something with respect to smoking. It, in fact, takes care of all indoor air quality problems by having a study implemented to actually come back to the Legislature and to provide the Legislature with the necessary framework in which to now address air quality in all public buildings throughout state government, local government and school districts. It seems as though this amendment now embodies the content of another bill that had been before us, but more importantly, it does stretch the object of what we were trying to do in Engrossed Substitute House Bill No. 1504."

Further debate ensued.

There being no objection, the President deferred further consideration of the amendment by Senators Kreidler, Thorsness, Craswell, Murray, Metcalf and Williams to Engrossed Substitute House Bill No. 1504.

MOTION

Senator Murray moved that the following amendment by Senators Murray, Kreidler, Craswell and Rinehart be adopted:

On page 3, after line 28, insert the following:

"(4) The superintendent shall assist each school district board of directors in adopting a written policy mandating a prohibition on the use of all tobacco products on public school property. The directors may set the schedule for the development and enforcement of this policy, except that a total ban on the use of all tobacco products must be enforced by September 1, 1991."

POINT OF ORDER

Senator Nelson: "Mr. President, I rise to a point of order. I wish to also challenge this amendment on scope and object. This was the content of another measure as well, and we have amended Engrossed Substitute House Bill No. 1444 with the same language. In that case, I believe, the language would be more appropriately fitting. I want to point out that this particular amendment directs that the Superintendent of Public Instruction shall assist every school board in adopting written policies mandating all tobacco products being on public school property. The amendment itself, I know has good intentions, but if an individual were to walk on to school property with a little can of Copenhagen in their pocket—not using them but just simply having them in possession—they would be in violation of the intent of this amendment as written. I think that there is appropriate legislation that can essentially carry the intent of this particular amendment of which I personally support, but I believe to place it on this measure would be beyond the scope and object of the bill."

Further debate ensued.

MOTION

On motion of Senator Newhouse, further consideration of Engrossed Substitute House Bill No. 1504 was deferred.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1415, by Committee on Higher Education (originally sponsored by Representatives Jacobsen, Van Luvan, Doty, Anderson and P. King) (by request of Higher Education Coordinating Board)

The bill was read the second time.

MOTIONS

Senator Saling moved that the following Committee on Higher Education amendment be adopted:

(2) The board shall conduct a full analysis and comparison of the educational costs at the University of Washington and Washington State University. The board shall also perform a comparison of the tuition fees charged at the University of Washington and Washington State University with tuition at their respective peer institutions. The board will provide recommendations on whether different levels of tuition fees should be charged at each of the state research universities.

Sec. 3. Section 7, chapter 322, Laws of 1977 ex. sess. as last amended by section 65, chapter 370, Laws of 1985 and by section 16, chapter 390, Laws of 1985 and RCW 28B.15.070 are each reenacted and amended to read as follows:

PERSONAL PRIVILEGE

Senator Talmadge: "I wish to speak on a point of personal privilege, Mr. President. I will be attending a Farm Worker's Fund Raiser for Justice, Thursday, April 13, from 6:00 to 9:00 p.m. here in Olympia at St Michael's Church, 1201 Boundary, and I would urge other members of the Senate, if they are interested in speaking to certain issues of simple justice in terms of exposure to toxic chemicals in the work place and issues of concern relating to the application of industrial laws to people working in agriculture, to join me and a number of others who will be there at that particular function."

MOTION FOR RECONSIDERATION

Having served prior notice, Senator West moved to reconsider the vote by which the amendment by Senator McCaslin on page 2, line 11, to the Committee on Health Care and Corrections amendment to Engrossed Substitute House Bill No. 1104 was adopted April 11, 1989.

Debate ensued.

The President declared the question before the Senate to be the motion by Senator West to reconsider the vote by which the amendment by Senator McCaslin

on page 2, line 11, to the Committee on Health Care and Corrections amendment to Engrossed Substitute House Bill No. 1104 was adopted.

The motion for reconsideration carried on a rising vote.

The amendment by Senator McCaslin to the Committee on Health Care and Corrections amendment was not adopted upon reconsideration.

The President declared the question before the Senate to be the adoption of the Committee on Health Care and Corrections amendment, without the amendment by Senator McCaslin on page 2, line 11, to Engrossed Substitute House Bill No. 1104.

POINT OF INQUIRY

Senator Pullen: "Senator West, is there any language in the Senate committee amendment to Engrossed Substitute House Bill No. 1104 that expands the geographical areas of testing?"

Senator West: "No, there's not. The specific language in the bill that requires that any expansion--and the expansion you'll find in Sub-Section 5--any expansion would be required to be brought back to the standing committees of both the House and the Senate for their review and approval."

Senator Pullen: "Then the standing committees alone and not the entire Legislature could provide for an increase in the geographical areas of testing?"

Senator West: "That's correct, Senator Pullen. That is current law. All we did in that area was limit it to those things required to expand the geographical area. Current law said that every rule by the department had to be brought back to the standing committees for their approval. That was every single rule. We limited that only to those rules that would expand their territory."

The Committee on Health Care and Corrections amendment, without the amendment by Senator McCaslin, to Engrossed Substitute House Bill No. 1104 was adopted.

MOTIONS

On motion of Senator West, the following title amendment was adopted:

On line 2 of the title, after "program;" strike the remainder of the title and insert "amending RCW 46.16.015, 70.120.020, 70.120.070, 70.120.110, and 70.120.120; adding new sections to chapter 70.120 RCW; creating new sections; repealing RCW 70.120.030, 70.120.040, 70.120.050, and 70.120.060; repealing section 17, chapter 163, Laws of 1979 ex. sess. (unmodified); prescribing penalties; providing an expiration date; and providing an effective date."

On motion of Senator West, the rules were suspended, Engrossed Substitute House Bill No. 1104, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Murray: "Senator West, Senator Rasmussen referred to the fees. Can you tell me what the fees are? Do you know what they are?"

Senator West: "Just to clear that up, Senator Rasmussen stated a hundred fifty dollars for the waiver fee. It's a hundred fifty dollars from 1981 to the current year. It's fifty dollars for the older cars back to 1968, and we did that in consideration of the fact that the poorer people probably own the older cars."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1104, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1104, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 26; nays, 20; absent, 1; excused, 2.

I.

LEGISLATIVE FINDINGS AND DEFINITIONS

Sec. 1. Section 1, chapter 134, Laws of 1969 ex. sess. as last amended by section 1, chapter 345, Laws of 1985 and RCW 70.95.010 are each amended to read as follows:

FINDINGS. The legislature finds:

(1) Continuing technological changes in methods of manufacture, packaging, and marketing of consumer products, together with the economic and population growth of this state, the rising affluence of its citizens, and its expanding industrial activity have created new and ever-mounting problems involving disposal of garbage, refuse, and solid waste materials resulting from domestic, agricultural, and industrial activities.

(2) Traditional methods of disposing of solid wastes in this state are no longer adequate to meet the ever-increasing problem. Improper methods and practices of handling and disposal of solid wastes pollute our land, air and water resources, blight our countryside, adversely affect land values, and damage the overall quality of our environment.

(3) Considerations of natural resource limitations, energy shortages, economics and the environment make necessary the development and implementation of solid waste recovery and/or recycling plans and programs.

(4) (The following priorities in the management of solid waste are necessary and should be followed in order of descending priority as applicable:

(a) Waste reduction;

(b) Waste recycling;

(c) Energy recovery or incineration, and

(d) Landfill;

(5) Waste reduction must become a fundamental strategy of solid waste management. It is therefore necessary to change manufacturing and purchasing practices and waste generation behaviors to reduce the amount of waste that becomes a governmental responsibility.

(5) Source separation of waste must become a fundamental strategy of solid waste management. Collection and handling strategies should have, as an ultimate goal, the source separation of all materials with resource value or environmental hazard.

(6)(a) It is the responsibility of every person to minimize his or her production of wastes and to separate recyclable or hazardous materials from mixed waste.

(b) It is the responsibility of state, county, and city governments to provide for a waste management infrastructure to fully implement waste reduction and source separation strategies and to process and dispose of remaining wastes in a manner that is environmentally safe and economically sound. It is further the responsibility of state, county, and city governments to monitor the cost-effectiveness and environmental safety of combusting separated waste, processing mixed waste, and recycling programs.

(c) It is the responsibility of county and city governments to assume primary responsibility for solid waste management and to develop and implement aggressive and effective waste reduction and source separation strategies.

(d) It is the responsibility of state government to ensure that local governments are providing adequate source reduction and separation opportunities and incentives to all, including persons in both rural and urban areas, and nonresidential waste generators such as commercial, industrial, and institutional entities, recognizing the need to provide flexibility to accommodate differing population densities, distances to and availability of recycling markets, and collection and disposal costs in each community; and to provide county and city governments with adequate technical resources to accomplish this responsibility.

(7) Environmental and economic considerations in solving the state's solid waste management problems requires strong consideration by local governments of regional solutions and intergovernmental cooperation.

(8) The following priorities for the collection, handling, and management of solid waste are necessary and should be followed in descending order as applicable:

(a) Waste reduction;

(b) Recycling, with source separation of recyclable materials as the preferred method;

(c) Energy recovery, incineration, or landfill of separated waste;

(d) Energy recovery, incineration, or landfilling of mixed wastes.

(9) It is the state's goal to achieve a fifty percent recycling rate by 1995.

(10) Steps should be taken to make recycling at least as affordable and convenient to the ratepayer as mixed waste disposal.

(11) It is necessary to compile and maintain adequate data on the types and quantities of solid waste that are being generated and to monitor how the various types of solid waste are being managed.

(12) Vehicle batteries should be recycled and the disposal of vehicle batteries into landfills or incinerators should be discontinued.

(13) Excessive and nonrecyclable packaging of products should be avoided.

(14) Comprehensive education should be conducted throughout the state so that people are informed of the need to reduce, source separate, and recycle solid waste.

(15) All governmental entities in the state should set an example by implementing aggressive waste reduction and recycling programs at their workplaces and by purchasing products that are made from recycled materials and are recyclable.

(16) To ensure the safe and efficient operations of solid waste disposal facilities, it is necessary for operators and regulators of landfills and incinerators to receive training and certification.

(17) It is necessary to provide adequate funding to all levels of government so that successful waste reduction and recycling programs can be implemented.

(18) The development of stable and expanding markets for recyclable materials is critical to the long-term success of the state's recycling goals. Market development must be encouraged on a state, regional, and national basis to maximize its effectiveness. The state shall assume primary responsibility for the development of a multifaceted market development program to carry out the purposes of this act.

(19) There is an imperative need to anticipate, plan for, and accomplish effective storage, control, recovery, and recycling of discarded ((vehicle)) tires and other problem wastes with the subsequent conservation of resources and energy.

II.

Any application for a certificate ~~((of public convenience and necessity))~~ issued under this chapter or amendment thereof, or application to sell, lease, mortgage, or transfer a certificate ~~((of public convenience and necessity))~~ issued under this chapter or any interest therein, shall be accompanied by such filing fee as the commission may prescribe by rule: PROVIDED, That such fee shall not exceed two hundred dollars.

Sec. 23. Section 7, chapter 295, Laws of 1961 and RCW 81.77.060 are each amended to read as follows:

The commission, in granting certificates to operate a ~~((garbage and refuse))~~ solid waste collection company, shall require the owner or operator to first procure liability and property damage insurance from a company licensed to make liability insurance in the state or a surety bond of a company licensed to write surety bonds in the state, on each motor propelled vehicle used or to be used in transporting ~~((garbage or refuse))~~ solid waste for compensation in the amount of not less than twenty-five thousand dollars for any recovery for personal injury by one person, and not less than ten thousand dollars and in such additional amount as the commission shall determine, for all persons receiving personal injury by reason of one act of negligence, and not less than ten thousand dollars for damage to property of any person other than the assured, and to maintain such liability and property damage insurance or surety bond in force on each motor propelled vehicle while so used. Each policy for liability or property damage insurance or surety bond required herein shall be filed with the commission and kept in full force and effect and failure so to do shall be cause for revocation of the delinquent's certificate.

Sec. 24. Section 9, chapter 295, Laws of 1961 as last amended by section 3, chapter 143, Laws of 1971 ex. sess. and RCW 81.77.080 are each amended to read as follows:

It is the intent of the legislature that the fees collected under the provisions of this chapter shall reasonably approximate the cost of supervising and regulating motor carriers subject thereto, and to that end the utilities and transportation commission is authorized to decrease the schedule of fees provided in this section by general order entered before March 1st of any year in which it determines that the moneys then in the ~~((garbage and refuse))~~ solid waste collection companies account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating such carriers.

All fees collected under this section or under any other provision of this chapter shall be paid to the commission and shall be by it transmitted to the state treasurer within thirty days to be deposited to the credit of the public service revolving fund.

Sec. 25. Section 11, chapter 295, Laws of 1961 as amended by section 2, chapter 436, Laws of 1985 and RCW 81.77.100 are each amended to read as follows:

However, in order to protect public health and safety and to ensure ~~((garbage and refuse))~~ solid waste collection services are provided to all areas of the state, the commission, in accordance with this chapter, shall regulate all ~~((garbage or refuse))~~ solid waste collection companies conducting business in the state.

Sec. 26. Section 2, chapter 105, Laws of 1965 ex. sess. and RCW 81.77.110 are each amended to read as follows:

The commission may with or without a hearing issue temporary certificates to engage in the business of operating a ~~((garbage and refuse))~~ solid waste collection company, but only after it finds that the issuance of such temporary certificate is consistent with the public interest. Such temporary certificate may be issued for a period up to one hundred eighty days where the area or territory covered thereby is not contained in the certificate of any other ~~((garbage and refuse))~~ solid waste collection company. In all other cases such temporary certificate may be issued for a period not to exceed one hundred twenty days. The commission may prescribe

such special rules and regulations and impose such special terms and conditions with reference thereto as in its judgment are reasonable and necessary in carrying out the provisions of this chapter. The commission shall collect a fee of twenty-five dollars for an application for such temporary certificate.

Sec. 27. Section 1, chapter 58, Laws of 1975-'76 2nd ex. sess. and RCW 36.58.030 are each amended to read as follows:

As used in RCW 36.58.030 through 36.58.060, the term "transfer station" means a staffed, fixed supplemental facility used by persons and route collection vehicles to deposit solid wastes into transfer trailers for transportation to a disposal site. This does not include detachable containers, except in third through eighth class counties, and in any county of the first class east of the crest of the Cascades, at any designated disposal site that shall be securely fenced, manned by an attendant during all hours open to the public, charge a tipping fee for use of the service, and is operated as a transfer station.

Sec. 28. Section 2, chapter 58, Laws of 1975-'76 2nd ex. sess. as amended by section 20, chapter 282, Laws of 1986 and RCW 36.58.040 are each amended to read as follows:

The legislative authority of each county may by ordinance provide for the establishment of a system of solid waste disposal for all the unincorporated areas of the county or for portions thereof. Each county may designate disposal sites for all solid waste collected in the unincorporated areas pursuant to the provisions of a comprehensive solid waste plan adopted pursuant to chapter 70.95 RCW: PROVIDED, That for any solid waste collected by a private hauler operating pursuant to a certificate granted by the Washington utilities and transportation commission under the provisions of chapter 81.77 RCW and which certificate is for collection in a geographic area lying in more than one county, such designation of disposal sites shall be pursuant to an interlocal agreement between the involved counties.

Such systems may also provide for the processing and conversion of solid wastes into other valuable or useful products with full jurisdiction and authority to construct, lease, purchase, acquire, manage, regulate, maintain, operate, and control such system and plants, and to enter into agreements with public or private parties providing for the construction, purchase, acquisition, lease, maintenance, and operation of systems and plants for the processing and conversion of solid wastes and for the sale of said products. Contracts shall be for facilities that are in substantial compliance with the solid waste management plans prepared pursuant to chapter 70.95 RCW.

The legislative authority of a county may award contracts for solid waste handling, and such contracts may provide that a county pay a minimum periodic fee in consideration of the operational availability of a solid waste handling system or plant, without regard to the ownership of the system or plant or the amount of solid waste actually handled during all or any part of the contractual period. There shall be included in the contract specific allocation of financial responsibility in cases where the amount of solid waste handled during the contract period falls below the minimum level provided in the contract.

The legislative authority of a county may:

(1) By ordinance award a contract to collect source separated recyclable materials from residences within unincorporated areas. The legislative authority has complete authority to manage, regulate, and fix the price of the source separated recyclable collection service. The contracts may provide that the county pay minimum periodic fees to a municipal entity or permit holder; or

(2) Notify the commission in writing to carry out and implement the provisions of the recycling element of the comprehensive solid waste management plan.

This election may be made by counties at any time after the effective date of this act. An initial election must be made no later than ninety days following approval of the local comprehensive waste management plan required by section 3 of this act.

Nothing in this section shall be construed to authorize the operation of a solid waste collection system by counties.

NEW SECTION. Sec. 29. A new section is added to chapter 81.77 RCW to read as follows:

(1) Beginning July 1, 1991, on its own motion, or upon petition by any person, the commission shall determine the competitiveness of a market for the collection of source separated recyclable materials from residences, except for markets served by cities or towns, or under contract with cities, towns, or counties. If the commission finds that the market is effectively competitive it shall award authority to collect such recyclable materials using a competitive bidding process. For purposes of this section "effective competition" means that:

(a) Sufficient competition exists to ensure that no single competitor can exercise undue market power in the bidding process; and

(b) Use of competitive bidding will result in cost-effective recycling.

(2) Authority awarded using competitive bidding shall last no longer than five years.

(3) The competitive bidding process shall be conducted according to commission rules. The selection of the winning bid shall be made by the local government with solid waste planning authority for the market area. The local government may reject all bids. After the local government has selected a winning bidder, that bidder shall be subject to commission jurisdiction for purposes of enforcing compliance with the terms of the bid. If the commission

awards authority using competitive bidding, a local government may not use its option under section 18 of this act until the expiration of the authority.

The commission shall adopt rules to implement this section no later than October 1, 1990.

If the commission approves a program to collect source separated recyclables from residences from the effective date of this act through June 30, 1991, the approval shall not be for more than three years.

This section expires June 30, 1991.

NEW SECTION, Sec. 30. A new section is added to chapter 81.77 RCW to read as follows:

PASS-THROUGH RATES. The commission, in fixing and altering collection rates charged by every solid waste collection company under this section, shall include in the base for the collection rates:

(1) All charges for the disposal of solid waste at the facility or facilities that the solid waste collection company is required to use under a local comprehensive solid waste management plan or ordinance designating disposal sites; and

(2) All known and measurable costs related to implementation of the approved county or city comprehensive solid waste management plan.

The commission shall develop rules to allow solid waste collection companies to adjust their rates no more than two times per year, to reflect the costs specified in this section. Such rules shall include notice to ratepayers of rate adjustment.

NEW SECTION, Sec. 31. A new section is added to chapter 81.77 RCW to read as follows:

INTERIM RATES. If the commission suspends a tariff change submitted by a solid waste collection company under RCW 81.04.130, the collection company may request that the tariff be put in effect on an interim basis, subject to refund, pending the commission's final order. Such requests shall be granted and the tariff will become effective, on an interim basis, on its originally filed effective date.

STATE GOVERNMENT WASTE REDUCTION AND RECYCLING

NEW SECTION, Sec. 54. A new section is added to chapter 70.95C RCW to read as follows:

WASTE REDUCTION AND RECYCLING PLAN. The legislature finds and declares that the buildings and facilities owned and leased by state government produce significant amounts of solid and hazardous wastes, and actions must be taken to reduce and recycle these wastes and thus reduce the costs associated with their disposal. In order for the operations of state government to provide the citizens of the state an example of positive waste management, the legislature further finds and declares that state government should undertake an aggressive

program designed to reduce and recycle solid and hazardous wastes produced in the operations of state buildings and facilities to the maximum extent possible.

The office of waste reduction, in cooperation with the department of general administration, shall establish an intensive waste reduction and recycling program to promote the reduction of waste produced by state agencies and to promote the source separation and recovery of recyclable and reusable materials.

All state agencies, including but not limited to, colleges, community colleges, universities, offices of elected and appointed officers, the supreme court, court of appeals, and administrative departments of state government shall fully cooperate with the office of waste reduction and recycling in all phases of implementing the provisions of this section. The office shall establish a coordinated state plan identifying each agency's participation in waste reduction and recycling. The office shall develop the plan in cooperation with a multi-agency committee on waste reduction and recycling. Appointments to the committee shall be made by the director of the department of general administration. The director shall notify each agency of the committee, which shall implement the applicable waste reduction and recycling plan elements. All state agencies are to use maximum efforts to achieve a goal of increasing the use of recycled paper by fifty percent by July 1, 1993.

NEW SECTION, Sec. 55. A new section is added to chapter 70.95C RCW to read as follows: **WASTE REDUCTION AND RECYCLING AWARDS PROGRAM.** The office of waste reduction shall develop, in consultation with the superintendent of public instruction, an awards program to achieve waste reduction and recycling in the public schools, grades kindergarten through high school. The office shall develop guidelines for program development and implementation. Each public school shall implement a waste reduction and recycling program conforming to guidelines developed by the office.

For the purpose of granting awards, the office may group schools into not more than three classes, based upon student population, distance to markets for recyclable materials, and other criteria, as deemed appropriate by the office. Awards shall be granted each year to the schools that achieve the greatest levels of waste reduction and recycling. Each award shall be of a sum not less than ten thousand dollars. The office shall also develop recommendations for an awards program for waste reduction in the public schools. The office shall submit these recommendations to the appropriate standing committees in the house of representatives and senate on or before November 30, 1989.

The superintendent of public instruction shall distribute guidelines and other materials developed by the office to implement programs to reduce and recycle waste generated in administrative offices, classrooms, laboratories, cafeterias, and maintenance operations.

NEW SECTION, Sec. 56. A new section is added to chapter 70.95 RCW to read as follows:

No solid waste incineration or energy recovery facility shall be operated prior to the completion of an environmental impact statement containing the considerations required under RCW 43.21C.030(2)(c) and prepared pursuant to the procedures of chapter 43.21C RCW. This section does not apply to a facility operated prior to January 1, 1989, as a solid waste incineration facility or energy recovery facility burning solid waste.

VIII.

PREFERENTIAL RECYCLING PRODUCT PURCHASES

Sec. 57. Section 2, chapter 120, Laws of 1987 as amended by section 3, chapter 168, Laws of 1988 and RCW 35.23.352 are each amended to read as follows:

(1) Any second or third class city or any town may construct any public works, as defined in RCW 39.04.010, by contract or day labor without calling for bids therefor whenever the estimated cost of the work or improvement, including cost of materials, supplies and equipment will not exceed the sum of thirty thousand dollars if more than one craft or trade is involved with the public works, or twenty thousand dollars if a single craft or trade is involved with the public works or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

Whenever the cost of the public work or improvement, including materials, supplies and equipment, will exceed these figures, the same shall be done by contract. All such contracts shall be let at public bidding upon posting notice calling for sealed bids upon the work. The notice thereof shall be posted in a public place in the city or town and by publication in the official newspaper, or a newspaper of general circulation most likely to bring responsive bids, once each week for two consecutive weeks before the date fixed for opening the bids. The notice shall generally state the nature of the work to be done that plans and specifications therefor shall then be on file in the city or town hall for public inspections, and require that bids be sealed and filed with the council or commission within the time specified therein. Each bid shall be accompanied by a bid proposal deposit in the form of a cashier's check, postal money order, or surety bond to the council or commission for a sum of not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. The council or commission of the city or town shall let the contract to the

lowest responsible bidder or shall have power by resolution to reject any or all bids and to make further calls for bids in the same manner as the original call.

When the contract is let then all bid proposal deposits shall be returned to the bidders except that of the successful bidder which shall be retained until a contract is entered into and a bond to perform the work furnished, with surety satisfactory to the council or commission, in the full amount of the contract price. If the bidder fails to enter into the contract in accordance with his bid and furnish a bond within ten days from the date at which he is notified that he is the successful bidder, the check or postal money order and the amount thereof shall be forfeited to the council or commission or the council or commission shall recover the amount of the surety bond.

If no bid is received on the first call the council or commission may readvertise and make a second call, or may enter into a contract without any further call or may purchase the supplies, material or equipment and perform the work or improvement by day labor.

(2) The allocation of public works projects to be performed by city or town employees shall not be subject to a collective bargaining agreement.

(3) In lieu of the procedures of subsection (1) of this section, a second or third class city or a town may use a small works roster and award contracts under this subsection for contracts of one hundred thousand dollars or less.

(a) The city or town may maintain a small works roster comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in this state.

(b) Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, and the city uses the small works roster, the city or town shall invite proposals from all appropriate contractors on the small works roster: PROVIDED, That whenever possible, the city or town shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section. The invitation shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

(c) When awarding such a contract for work, the estimated cost of which is one hundred thousand dollars or less, the city or town shall award the contract to the contractor submitting the lowest responsible bid.

(4) After September 1, 1987, each second class city, third class city, and town shall use the form required by RCW 43.09.205 to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of the materials, equipment, supplies, and labor on that construction project.

(6) Any purchase of supplies, material, equipment or services other than professional services, except for public work or improvement, where the cost thereof exceeds seven thousand five hundred dollars shall be made upon call for bids: PROVIDED, That the limitations herein shall not apply to any purchases of materials at auctions conducted by the government of the United States, any agency thereof or by the state of Washington or a political subdivision thereof.

(7) Bids shall be called annually and at a time and in the manner prescribed by ordinance for the publication in a newspaper published or of general circulation in the city or town of all notices or newspaper publications required by law. The contract shall be awarded to the lowest responsible bidder.

(8) For advertisement and competitive bidding to be dispensed with as to purchases between seven thousand five hundred and fifteen thousand dollars, the city legislative authority must authorize by resolution a procedure for securing telephone and/or written quotations from enough vendors to assure establishment of a competitive price and for awarding the contracts for purchase of materials, equipment, or services to the lowest responsible bidder. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.

(9) These requirements for purchasing may be waived by resolution of the city or town council which declared that the purchase is clearly and legitimately limited to a single source or supply within the near vicinity, or the materials, supplies, equipment, or services are subject to special market conditions, and recites why this situation exists. Such actions are subject to RCW 39.30.020.

(10) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(11) Nothing in this section shall prohibit any second or third class city or any town from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

Sec. 58. Section 36.32.250, chapter 4, Laws of 1963 as last amended by section 9, chapter 169, Laws of 1985 and by section 1, chapter 369, Laws of 1985 and RCW 36.32.250 are each reenacted and amended to read as follows:

No contract, lease, or purchase may be entered into by the county legislative authority or by any elected or appointed officer of such county until after bids have been submitted to the county upon specifications therefor. Such specifications shall be in writing and shall be filed

with the clerk of the county legislative authority for public inspection, and an advertisement thereof stating the time and place where bids will be opened, the time after which bids will not be received, the character of the work to be done, or material, equipment, or service to be purchased, and that specifications therefor may be seen at the office of the clerk of the county legislative authority, shall be published in the county official newspaper: PROVIDED, That advertisements for public works contracts for construction, alteration, repair, or improvement of public facilities shall be additionally published in a legal newspaper of general circulation in or as near as possible to that part of the county in which such work is to be done: AND PROVIDED FURTHER, That if the county official newspaper is a newspaper of general circulation covering at least forty percent of the residences in that part of the county in which such public works are to be done publication of an advertisement of the applicable specifications in the county official newspaper only shall be sufficient. Such advertisements shall be published at least once in each week for two consecutive weeks prior to the last date upon which bids will be received and as many additional publications as shall be determined by the county legislative authority. The bids shall be in writing, shall be filed with the clerk, shall be opened and read in public at the time and place named therefor in said advertisements, and after being opened, shall be filed for public inspection. No bid may be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier's check, or certified check in an amount equal to five percent of the amount of the bid proposed. The contract for the public work, lease, or purchase shall be awarded to the lowest responsible bidder, taking into consideration the quality of the articles or equipment to be purchased or leased. Any or all bids may be rejected for good cause. The county legislative authority shall require from the successful bidder for such public work a contractor's bond in the amount and with the conditions imposed by law. If the bidder to whom the contract is awarded fails to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor's bond given by the successful bidder is accepted by the county legislative authority. In the letting of any contract, lease, or purchase involving less than three thousand five hundred dollars, advertisement and competitive bidding may be dispensed with on order of the county legislative authority. Notice of intention to let contracts or to enter into lease agreements involving amounts exceeding one thousand dollars but less than three thousand five hundred dollars, shall be posted by the county legislative authority on a bulletin board in its office not less than three days prior to making such lease or contract. For advertisement and competitive bidding to be dispensed with as to purchases between one thousand and three thousand five hundred dollars, the county legislative authority must authorize by resolution a county procedure for securing telephone or written quotations, or both, from enough vendors to assure establishment of a competitive price and for awarding such contracts for purchase of materials, equipment, or services to the lowest responsible bidder. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. Wherever possible, supplies shall be purchased in quantities for a period of at least three months, and not to exceed one year. Supplies generally used throughout the various departments shall be standardized insofar as possible, and may be purchased and stored for general use by all of the various departments which shall be charged for the supplies when withdrawn from the purchasing department.

This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

Nothing in this section shall prohibit the legislative authority of any county from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

Sec. 59. Section 1, chapter 72, Laws of 1985 and RCW 39.30.040 are each amended to read as follows:

(1) Whenever a unit of local government is required to make purchases from the lowest bidder or from the supplier offering the lowest price for the items desired to be purchased, the unit of local government may, at its option when awarding a purchase contract, take into consideration tax revenue it would receive from purchasing the supplies, materials, or equipment from a supplier located within its boundaries. The unit of local government must award the purchase contract to the lowest bidder after such tax revenue has been considered. However, any local government may allow for preferential purchase of products made from recycled materials or products that may be recycled or reused. The tax revenues which units of local government may consider include sales taxes that the unit of local government imposes upon the sale of such supplies, materials, or equipment from the supplier to the unit of local government, and business and occupation taxes that the unit of local government imposes upon the supplier that are measured by the gross receipts of the supplier from such sale. Any unit of local government which considers tax revenues it would receive from the imposition of taxes

upon a supplier located within its boundaries, shall also consider tax revenues it would receive from taxes it imposes upon a supplier located outside its boundaries.

(2) As used in this section, the term "unit of local government" means any county, city, town, metropolitan municipal corporation, public transit benefit area, county transportation authority, or other municipal or quasi-municipal corporation authorized to impose sales and use taxes or business and occupation taxes.

Sec. 60. Section 1, chapter 120, Laws of 1987 and RCW 35.22.620 are each amended to read as follows:

(1) As used in this section, the term "public works" means as defined in RCW 39.04.010.

(2) A first class city may have public works performed by contract pursuant to public notice and call for competitive bids. As limited by subsection (3) of this section, a first class city may have public works performed by city employees in any annual or biennial budget period equal to a dollar value not exceeding ten percent of the public works construction budget, including any amount in a supplemental public works construction budget, over the budget period. The amount of public works that a first class city has a county perform for it under RCW 35.77.020 shall be included within this ten percent limitation.

If a first class city has public works performed by public employees in any budget period that are in excess of this ten percent limitation, the amount in excess of the permitted amount shall be reduced from the otherwise permitted amount of public works that may be performed by public employees for that city in its next budget period. Twenty percent of the motor vehicle fuel tax distributions to that city shall be withheld if two years after the year in which the excess amount of work occurred, the city has failed to so reduce the amount of public works that it has performed by public employees. The amount so withheld shall be distributed to the city when it has demonstrated in its reports to the state auditor that the amount of public works it has performed by public employees has been so reduced.

Whenever a first class city has had public works performed in any budget period up to the maximum permitted amount for that budget period, all remaining public works within that budget period shall be done by contract pursuant to public notice and call for competitive bids.

The state auditor shall report to the state treasurer any first class city that exceeds this amount and the extent to which the city has or has not reduced the amount of public works it has performed by public employees in subsequent years.

(3) In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population in excess of one hundred fifty thousand shall not have public employees perform a public works project in excess of fifty thousand dollars if more than a single craft or trade is involved with the public works project, or a public works project in excess of twenty-five thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population of one hundred fifty thousand or less shall not have public employees perform a public works project in excess of thirty-five thousand dollars if more than one craft or trade is involved with the public works project, or a public works project in excess of twenty thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

(4) In addition to the accounting and record-keeping requirements contained in RCW 39.04.070, every first class city annually shall prepare a report for the state auditor indicating the total public works construction budget and supplemental public works construction budget for that year, the total construction costs of public works performed by public employees for that year, and the amount of public works that is performed by public employees above or below ten percent of the total construction budget. However, if a city budgets on a biennial basis, this annual report shall indicate the amount of public works that is performed by public employees within the current biennial period that is above or below ten percent of the total biennial construction budget.

After September 1, 1987, each first class city with a population of one hundred fifty thousand or less shall use the form required by RCW 43.09.205 to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of materials, supplies, equipment, and labor on the construction of that project. The value of the public works budget shall be the value of all the separate public works projects within the budget.

(6) When any emergency shall require the immediate execution of such public work, upon the finding of the existence of such emergency by the authority having power to direct such public work to be done and duly entered of record, publication of description and estimate may be made within seven days after the commencement of the work. Within two weeks of the finding that such an emergency existed, the city council shall adopt a resolution certifying the existence of this emergency situation.

(7) In lieu of the procedures of subsections (2) and (6) of this section, a first class city may use a small works roster and award contracts under this subsection for contracts of one hundred thousand dollars or less.

(a) The city may maintain a small works roster comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in this state.

(b) Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, and the city uses the small works roster, the city shall invite proposals from all appropriate contractors on the small works roster: PROVIDED, That not less than five separate appropriate contractors, if available, shall be invited to submit bids on any one contract: PROVIDED FURTHER, That whenever possible, the city shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section. Once a bidder on the small works roster has been offered an opportunity to bid, that bidder shall not be offered another opportunity until all other appropriate contractors on the small works roster have been afforded an opportunity to submit a bid. Invitations shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

(c) When awarding such a contract for work, the estimated cost of which is one hundred thousand dollars or less, the city shall award the contract to the contractor submitting the lowest responsible bid.

(8) The allocation of public works projects to be performed by city employees shall not be subject to a collective bargaining agreement.

(9) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(10) Nothing in this section shall prohibit any first class city from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

Sec. 61. Section 43.19.1911, chapter 8, Laws of 1965 as last amended by section 4, chapter 183, Laws of 1983 and RCW 43.19.1911 are each amended to read as follows:

When purchases are made through competitive bidding, the contract shall be let to the lowest responsible bidder, subject to any preferences provided by law to Washington products and vendors and to RCW 43.19.704, taking into consideration the quality of the articles proposed to be supplied, their conformity with specifications, the purposes for which required, and the times of delivery: PROVIDED, That whenever there is reason to believe that the lowest acceptable bid is not the best price obtainable, all bids may be rejected and the division of purchasing may call for new bids or enter into direct negotiations to achieve the best possible price. Each bid with the name of the bidder shall be entered of record and each record, with the successful bid indicated, shall, after letting of the contract, be open to public inspection. In determining "lowest responsible bidder", in addition to price, the following elements shall be given consideration:

(1) The ability, capacity, and skill of the bidder to perform the contract or provide the service required;

(2) The character, integrity, reputation, judgment, experience, and efficiency of the bidder;

(3) Whether the bidder can perform the contract within the time specified;

(4) The quality of performance of previous contracts or services;

(5) The previous and existing compliance by the bidder with laws relating to the contract or services;

(6) Such other information as may be secured having a bearing on the decision to award the contract: PROVIDED, That in considering bids for purchase, manufacture, or lease, and in determining the "lowest responsible bidder," whenever there is reason to believe that applying the "life cycle costing" technique to bid evaluation would result in lowest total cost to the state, first consideration shall be given by state purchasing activities to the bid with the lowest life cycle cost which complies with specifications. "Life cycle cost" means the total cost of an item to the state over its estimated useful life, including costs of selection, acquisition, operation, maintenance, and where applicable, disposal, as far as these costs can reasonably be determined, minus the salvage value at the end of its estimated useful life. The "estimated useful life" of an item means the estimated time from the date of acquisition to the date of replacement or disposal, determined in any reasonable manner. Nothing in this section shall prohibit any state agency, department, board, commission, committee, or other state-level entity from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

IX.

MARKETING OF RECYCLABLE MATERIALS

Sec. 62. Section 1, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 1, chapter 422, Laws of 1987 and RCW 43.160.010 are each amended to read as follows:

FINDINGS REGARDING RECYCLING MARKETS. (1) The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities and the retention of

sustainable existing employment for the general welfare of the inhabitants of the state. Reducing unemployment and reducing the time citizens remain jobless is important for the economic welfare of the state. A valuable means of fostering economic development is the construction of public facilities which contribute to the stability and growth of the state's economic base. Strengthening the economic base through issuance of industrial development bonds, whether single or umbrella, further serves to reduce unemployment. Consolidating issues of industrial development bonds when feasible to reduce costs additionally advances the state's purpose to improve economic vitality. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include:

(a) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies;

(b) Encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment;

(c) Encouraging wider access to financial resources for both large and small industrial development projects;

(d) Encouraging new economic development or expansions to maximize employment;

(e) Encouraging the retention of viable existing firms and employment; and

(f) Providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment.

(2) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to improve state highways in the vicinity of new industries considering locating in this state or existing industries that are considering significant expansion.

(a) The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

(b) It is the intent of the legislature to create an economic development account within the motor vehicle fund from which expenditures can be made by the department of transportation for state highway improvements necessitated by planned economic development. All such improvements must first be approved by the state transportation commission and the community economic revitalization board in accordance with the procedures established by RCW 43.160.074 and 47.01.280. It is further the intent of the legislature that such improvements not jeopardize any other planned highway construction projects. The improvements are intended to be of limited size and cost, and to include such items as additional turn lanes, signalization, illumination, and safety improvements.

(3) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to improve markets for those recyclable materials representing a large fraction of the waste stream. The legislature finds that public facilities which result in private construction of processing or remanufacturing facilities for recyclable materials should receive priority consideration from the board.

Sec. 63. Section 6, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 5, chapter 422, Laws of 1987 and RCW 43.160.060 are each amended to read as follows:

COMMUNITY ECONOMIC REVITALIZATION BOARD LOANS AND GRANTS. The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including development of land and improvements for public facilities, as well as the acquisition, construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision.

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not make a grant or loan:

(a) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

(b) For any project that probably would result in a development or expansion that would displace existing jobs in any other community in the state.

(c) For the acquisition of real property, including buildings and other fixtures which are a part of real property.

(2) The board shall only make grants or loans:

(a) For those projects which would result in specific private developments or expansions (i) in manufacturing, production, food processing, assembly, warehousing, and industrial distribution(;;); (ii) for processing recyclable materials or for facilities that support recycling, including processes not currently provided in the state, including but not limited to, de-inking facilities,

mixed waste paper, plastics, yard waste, and problem-waste processing; (iii) for manufacturing facilities that rely significantly on recyclable materials, including but not limited to waste tires and mixed waste paper; or ((##)) (iv) which substantially support the trading of goods or services outside of the state's borders.

(b) For projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities.

(c) When the application includes convincing evidence that a specific private development or expansion is ready to occur and will occur only if the grant or loan is made.

(3) The board shall prioritize each proposed project according to the number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located. As long as there is more demand for loans or grants than there are funds available for loans or grants, the board is instructed to fund projects in order of their priority.

(4) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

Before any loan or grant application is approved, the political subdivision seeking the loan or grant must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

NEW SECTION. Sec. 64. A new section is added to chapter 43.160 RCW to read as follows:

ECOLOGY REVIEW. (1) Before board consideration of an application from a political subdivision that includes a request for assistance in financing the cost of public facilities to encourage the development of a private facility to process recyclable materials, the application shall be forwarded by the board to the department of ecology.

(2) The board may not make its final determination on any application before receiving approval, as submitted or amended, or disapproval from the department of ecology.

(3) Upon receiving an application for assistance in financing the cost of public facilities to encourage the development of a private facility to process recyclable materials from the board, the department of ecology shall, in a timely manner, determine whether or not the proposed assistance:

(a) Has a significant impact on the residential and commercial waste stream;

(b) Results in a product that has a ready market;

(c) Does not jeopardize any other planned market development projects; and

(d) Results in a product that would otherwise be purchased out-of-state.

(4) Upon completion of its determination of the factors contained in subsection (3) of this section and any other factors it deems pertinent, the department of ecology shall forward its approval, as submitted or amended, or disapproval of the proposed improvements to the board, along with any recommendation it may wish to make concerning the desirability and feasibility of the proposed market development. If the department of ecology disapproves any proposed project, it shall specify its reasons for disapproval.

(5) The board shall notify the department of ecology of its decision regarding any application made under this section.

NEW SECTION. Sec. 65. A new section is added to chapter 43.31 RCW to read as follows:

DEPARTMENT OF TRADE AND ECONOMIC DEVELOPMENT. (1) The department is the lead state agency to assist in establishing and improving markets for recyclable materials generated in the state. This priority on creating and expanding a recyclables market should be fully integrated into the current targeted sector marketing programs of the department. In carrying out these marketing responsibilities, the department shall work closely with the office of waste reduction in the department of ecology.

(2) The department of trade and economic development, with the assistance of the department of ecology and the committee for recycling markets created by section 100 of this act, shall develop programs to accomplish the following:

(a) Develop new markets inside and outside this state for recycled materials;

(b) Attract new businesses to this state whose purpose is to use recycled materials;

(c) Educate businesses and consumers about the high quality of Washington recycled materials;

(d) Promote business and consumer use of products made from recycled materials;

(e) Provide technical market assistance to businesses and local governments;

(f) Cooperate with and secure the cooperation of any department, agency, commission, or instrumentality in state or local government affected by or concerned with market development; and

(g) Create and maintain a list of recyclers, collectors, and other persons or entities interested in the development of markets for recycling and solicit the opinions of those persons with respect to market development.

X.

At a minimum, the individual on-site at a solid waste incineration facility who is designated by the owner as the operator in responsible charge of the operation and maintenance of the facility on a routine basis shall be certified by the department.

NEW SECTION, Sec. 68. CERTIFIED LANDFILL OPERATORS. (1) By January 1, 1992, the owner or operator of a landfill shall employ a certified landfill operator.

(2) For each of the following types of landfills defined in existing regulations: Inert, demolition waste, problem waste, and municipal solid waste, the department shall adopt rules classifying all landfills in each class. The factors to be considered in the classification shall include, but not be limited to, the type and amount of waste in place and projected to be disposed of at the site, whether the landfill currently meets state and federal operating criteria, the location of the landfill, and such other factors as may be determined to affect the skill, knowledge, and experience required of an operator to operate the landfill in a manner protective of human health and the environment.

(3) The rules shall identify the landfills in each class in which the owner or operator will be required to employ a certified landfill operator who is on-site at all times the landfill is operating. At a minimum, the rule shall require that owners and operators of landfills are required to employ a certified landfill operator who is on call at all times the landfill is operating.

NEW SECTION, Sec. 70. BOARD OF ADVISORS. (1) A board of advisors for solid waste incinerator and landfill operator certification shall be established. Collectively, the board shall be a subcommittee of the solid waste advisory committee created under RCW 70.95.040 and shall be comprised of five members appointed by the director. The members shall be knowledgeable about solid waste handling technologies including but not limited to combustion boiler and pollution control technologies and their potential environmental impacts such as air emissions and ash residues. POINT OF INQUIRY

Senator Rasmussen: "Senator Metcalf, you indicated that some amendments were agreed to, some were not agreed to and some were pure bad—including the bill. Could you tell us who agreed to what amendments and how that happened?"

Senator Metcalf: "Yes, I would like to discuss that. That was my next speech and I appreciate your asking this question. In answer to your question, this bill came over from the House and there was a great level—a high level of irritation among all of the groups that are affected—the people whose ox might be gored, so to speak.

"So, what we did, when it came to the Senate, we started a process of saying to those people, 'Look, you people sit down and you look at this bill and you see what things you believe are necessary to make this bill really work—you know what we're trying to do and try to make it work.' I have never in all my time in the Legislature seen and been a part of groups working as hard as these groups have worked and I mean a total of probably twenty-five to thirty or maybe more people working on this, working as a whole group in several different meetings and in smaller groups from time to time.

"They have come back and have now said, 'OK.' After all of the language has been worked out and I mean fine tuned, and I mean down to commas and words, I've never seen a bill, at least around here in my experience, worked as hard as this since the Shorelines Management Act in the early seventies. These groups have worked out language that they believe will solve the problems that we face in this enormous area of solid waste and how to handle our solid waste.

"Basically, the emphasis is on recycling. Now, we have those agreements and those agreed amendments and I would suggest to the Senate that we take them all as a body, because many of them are worked depending on others. It's a carefully woven agreement. If you have further questions, we could take as much time as you want on them. Then the amendments that they did not deal with--and this is an important point--there are many of the amendments that they did not deal with. They just said, 'Well, those things are outside of our area; those are policy decisions or those are other decisions.' So, all of the other amendments that are being offered are policy things that can be offered later, but these are the basic core of what is necessary, I believe, to make this bill work properly out in the community."

Further debate ensued.

The President ruled that the amendments by Senator Metcalf on page 5, lines 5 and 24, to the Committee on Ways and Means amendment should be considered separately.

POINT OF ORDER

Senator Kreidler: "Mr. President, a point of order. I would raise the point of scope and object on the Ways and Means striking amendment. The bill before us--the language that was adopted in the Ways and Means striking amendment, there's a particular section of that that was adopted in the Ways and Means Committee that broadens the bill beyond the scope and object by entering into amendatory language which would, in effect, amend the State Environmental Protection Act. I believe that that language goes beyond the scope and object, and I would ask for a ruling upon that."

Further debate ensued.

MOTION

On motion of Senator Newhouse, further consideration of Engrossed Substitute House Bill No. 1671 was deferred.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2000, by Committee on Agriculture & Rural Development (originally sponsored by Representatives Rayburn, Chandler and Baugher)

Establishing fair practice standards for produce handlers and associations.

The bill was read the second time.

MOTION

Senator Barr moved that the following Committee on Agriculture amendment be adopted:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. Agricultural products are produced by many individual farmers and ranchers located throughout the state. The efficient production and marketing of agricultural products by farmers, ranchers, and handlers is of vital concern to the welfare and general economy of the state. It is the purpose of this chapter to establish standards of fair practices required of handlers, producers, and associations of producers, with respect to certain agricultural commodities, to establish the mutual obligation of handlers and accredited associations of producers to negotiate relative to the production or marketing of these agricultural commodities.

It is the intent of the legislature that a workable process be developed through which a fair price and other contract terms can be arrived at through negotiations between processors of agricultural products and an accredited association of producers, and that in developing rules and administering this chapter the director of agriculture shall recognize this intent.

***NEW SECTION.** Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Accredited association of producers" means an association of producers which is accredited by the director to be the exclusive negotiation agent for all producer members of the association within a negotiating unit.

(2) "Advance contract" means a contract for purchase and sale of a crop entered into before the crop becomes a growing crop and providing for delivery at or after the harvest of that crop.

(3) "Agricultural products" as used in this chapter means sweet corn and potatoes produced for sale from farms in this state.

(4) "Association of producers" means any association of producers of agricultural products engaged in marketing, negotiating for its members, shipping, or processing as defined in section 15(a) of the federal agriculture marketing act of 1929 or in section 1 of 42 Stat. 388.

(5) "Director" means the director of the department of agriculture.

(6) "Handler" means a processor or a person engaged in the business or practice of:

(a) Acquiring agricultural products from producers or associations of producers for use by a processor;

(b) Processing agricultural products received from producers or associations of producers, provided that a cooperative association owned by producers shall not be a handler except when contracting for crops from producers who are not members of the cooperative association;

(c) Contracting or negotiating contracts or other arrangements, written or oral, with or on behalf of producers or associations of producers with respect to the production or marketing of any agricultural product for use by a processor; or

(d) Acting as an agent or broker for a handler in the performance of any function or act specified in (a), (b), or (c) of this subsection.

(7) "Negotiate" means meeting at reasonable times and for reasonable periods of time commencing at least sixty days before the normal planting date and concluding within thirty days of the normal planting date to make a serious, fair, and reasonable attempt to reach agreement by acknowledging or refuting with reason points brought up by either party with respect to the price, terms of sale, compensation for products produced under contract, or other terms relating to the production or sale of these products: PROVIDED, That neither party shall be required to disclose proprietary business or financial records or information.

(8) "Negotiating unit" means a negotiating unit approved by the director under section 3 of this act.

(9) "Person" means an individual, partnership, corporation, association, or any other entity.

(10) "Processor" means any person that purchases agricultural crops from a producer and cans, freezes, dries, dehydrates, cooks, presses, powders, or otherwise processes those crops in any manner for eventual resale. A person who solely cleans, sorts, grades, and packages a farm product for sale without altering the natural condition of the product is not a processor. A person processing any portion of a crop is a processor.

(11) "Producer" means a person engaged in the production of agricultural products as a farmer or planter, including a grower or farmer furnishing inputs, production management, or facilities for growing or raising agricultural products. A producer who is also a handler shall be considered a handler under this chapter.

(12) "Qualified commodity" means agricultural products as defined in subsection (3) of this section.

NEW SECTION. Sec. 3. (1) An association of producers may file an application with the director:

(a) Requesting accreditation to serve as the exclusive negotiating agent on behalf of its producer members who are within a proposed negotiating unit with respect to any qualified commodity;

(b) Describing geographical boundaries of the proposed negotiating unit;

(c) Specifying the number of producers and the quantity of products included within the proposed negotiating unit;

(d) Specifying the number and location of the producers and the quantity of products represented by the association; and

(e) Supplying any other information required by the director.

(2) Within a reasonable time after receiving an application under subsection (1) of this section, the director shall approve or disapprove the application in accordance with this section.

(a) The director shall approve the initial application or renewal if the director determines that:

(i) The association is owned and controlled by producers under the charter documents or bylaws of the association;

(ii) The association has valid and binding contracts with its members empowering the association to sell or negotiate terms of sale of its members' products or to negotiate for compensation for products produced under contract by its members;

(iii) The association represents a sufficient percentage of producers or that its members produce a sufficient percentage of agricultural products to enable it to function as an effective

agent for producers in negotiating with a given handler as defined in rules promulgated by the department. In making this finding, the director shall exclude any quantity of the agricultural products contracted by producers with producer-owned and controlled processing cooperatives with its members and any quantity of these products produced by handlers.

(iv) One of the association's functions is to act as principal or agent for its members in negotiations with handlers for prices and other terms of trade with respect to the production, sale, and marketing of the products of its members, or for compensation for products produced by its members under contract; and

(v) Accreditation would not be contrary to the policies established in section 1 of this act.

(b) If the director does not approve the application under (a) of this subsection, then the association of producers may file an amended application with the director. The director, within a reasonable time, shall approve the amended application if it meets the requirements set out in (a) of this subsection.

(3) At the discretion of the director, or upon submission of a timely filed petition by an affected handler or an affected association of producers, the association of producers accredited under this section may be required by the director to renew the application for accreditation by providing the information required under subsection (1) of this section.

NEW SECTION. Sec. 4. It shall be unlawful for any handler to engage, or permit any employee or agent to engage, in the following practices:

(1) To refuse to negotiate with an association of producers accredited under section 3 of this act with respect to any qualified commodity: PROVIDED, That the obligation to negotiate does not require either party to agree to a proposal, to make a concession, or to enter into a contract;

(2) To coerce any producer in the exercise of his or her right to contract with, join, refrain from contracting with or joining, belong to an association of producers, or refuse to deal with any producer because of the exercise of that producer's right to contract with, join, or belong to an association or because of that producer's promotion of legislation on behalf of an association of producers;

(3) To discriminate against any producer with respect to price, quantity, quality, or other terms of purchase, acquisition, or other handling of agricultural products because of that producer's membership in or contract with an association of producers or because of that producer's promotion of legislation on behalf of an association of producers;

(4) To coerce or intimidate any producer to enter into, maintain, breach, cancel, or terminate a membership agreement or marketing contract with an association of producers or a contract with a handler;

(5) To pay or loan money, give anything of value, or offer any other inducement or reward to a producer for refusing or ceasing to belong to an association of producers;

(6) To make knowingly false reports about the finances, management, or activities of associations of producers or handlers; or

(7) To conspire, agree, or arrange with any other person to do, aid, or abet any act made unlawful by this chapter.

NEW SECTION. Sec. 5. It shall be unlawful for any accredited association of producers or members of such association to engage, or permit any employee or agent to engage, in the following practices:

(1) To refuse to negotiate with a handler for any qualified commodity for which the association is accredited under section 3 of this act;

(2) To coerce or intimidate a handler to breach, cancel, or terminate a marketing contract with an individual producer, association of producers, or a member of an association;

(3) To knowingly make or circulate false reports about the finances, management, or activities of an association of producers or a handler;

(4) To coerce or intimidate a producer to enter into, breach, cancel, or terminate a membership agreement or marketing contract with an association of producers;

(5) To conspire, agree, or arrange with any other person to do, aid, or abet any practice which is in violation of this chapter; or

(6) To pay or loan money, give anything of value, or offer any other inducement or reward to a producer for refusing to contract or negotiate with a processor.

NEW SECTION. Sec. 6. (1) If any person is charged with violating any provision of this chapter, the director shall investigate the charges. If, upon investigation, the director has reasonable cause to believe that the person charged has violated the provision, the director shall issue and cause to be served upon the person, a complaint stating the charges. A hearing on the charges shall be conducted in accordance with the provisions of chapter 34.05 RCW concerning contested cases.

(2) No complaint may be issued based upon any act occurring more than six months before the filing of the charge with the director. At the discretion of the director, any other person may be allowed to intervene in the proceeding and to present testimony and other evidence.

(3) If upon the preponderance of the evidence taken, the director is of the opinion that any person named in the complaint has engaged in or is engaging in any prohibited practice, the

director shall make and enter findings of fact and shall issue and cause to be served on that person, an order requiring that person to cease and desist from the practice and to take affirmative action to further the policies of this chapter. The order may also require the person to make reports from time to time showing the extent of compliance with the order. If, upon the preponderance of the testimony and other evidence, the director determines that the person named in the complaint has not engaged in or is not engaging in any prohibited practice, the director shall make and enter findings of fact and an order dismissing the complaint.

NEW SECTION, Sec. 7. (1) If required to carry out the objectives of this chapter, including the conduct of any investigations or hearing:

(a) The director shall require any person to:

(i) Establish and maintain records;

(ii) Make reports; and

(iii) Provide other information as may be reasonably required; and

(ii) May at reasonable times have access to copy any records which any person is required to maintain or which relate to any matter under investigation or in question.

(2) Any records, reports, or information obtained under this section shall be available to the public except that upon a showing satisfactory to the director that the records, reports, or information would divulge confidential business information if made public, the director shall consider that record, report, or information or particular portion thereof confidential, except that the record, report, or information may be disclosed to other officers, employees, or authorized representatives of the state concerned with carrying out this chapter or when relevant in any proceeding under this chapter.

NEW SECTION, Sec. 8. A person injured in his or her business or property by reason of any violation of or conspiracy to violate section 4 or 5 of this act may sue in a court of competent jurisdiction of the county in which such violation occurred without respect to the amount in controversy, and shall recover damages sustained, including reasonable attorneys' fees and costs of bringing the suit. Any action to enforce any cause of action under this section shall be forever barred unless commenced not later than two years after the cause of action accrues.

NEW SECTION, Sec. 9. A person who violates section 4 or 5 of this act may be assessed a civil penalty by the director of not more than five thousand dollars for each offense. No civil penalty may be assessed unless the person charged has been given notice and opportunity for a hearing pursuant to chapter 34.05 RCW. In determining the amount of the penalty, the director shall consider the size of the business of the person charged, the penalty's affect on the person's ability to continue in business, and the gravity of the violation. If the director is unable to collect the civil penalty, the director shall refer the collection to the attorney general.

NEW SECTION, Sec. 10. The director or any aggrieved producer, accredited association, or handler may bring an action to enjoin the violation of any provision of this chapter or any regulation made pursuant to this chapter in a court of competent jurisdiction of the county in which such violation occurs or is about to occur.

NEW SECTION, Sec. 11. The director may promulgate such rules in accordance with chapter 34.05 RCW, and orders, as may be necessary to carry out this chapter.

NEW SECTION, Sec. 12. The director shall establish an advisory committee consisting of the following persons: Six producers who are producers from names submitted by an association of producers, and six handlers subject to this chapter from names submitted by handlers. The advisory committee shall study and report on all issues related to this chapter.

NEW SECTION, Sec. 13. This chapter may be known and cited as the agricultural marketing and fair practices act.

NEW SECTION, Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 15. Sections 1 through 13 of this act shall constitute a new chapter in Title 15 RCW.

NEW SECTION, Sec. 16. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

SENATE JOINT MEMORIAL NO. 8002.

There being no objection, the President advanced the Senate to the sixth order of business.

There being no objection, the Senate resumed consideration of Engrossed Substitute House Bill No. 1671 and the pending striking Committee on Ways and Means amendment, as well as the amendments by Senator Metcalf to the committee amendment, deferred earlier today.

RULING BY THE PRESIDENT

President Pritchard: "The President is aware that many constitutional issues have been raised with regard to the Senate Committee on Ways and Means striking amendment. The precedent in the Senate has been to confine rulings to scope and object questions and leave the constitutional issues to the courts. The President believes this is a sound approach to avoid confounding the legislative process and, therefore, will follow past practice.

"In ruling upon the point of order raised by Senator Kreidler, the President finds that Engrossed Substitute House Bill No. 1671 is a comprehensive measure regarding solid waste management focusing on practices such as recycling, composting, incineration and landfilling.

"The striking amendment proposed by the Senate Committee on Ways and Means is also a comprehensive solid waste management measure with similar focus. Section 56 of the amendment, which was referred to during the point of order

debate, requires Environmental Impact Statements for certain solid waste incinerators or energy recovery facilities. The President believes this provision falls within the focus of the comprehensive measure before the Senate.

"The President, therefore, finds that the proposed committee amendment does not change the scope and object of the bill and that the point of order is not well taken."

The striking Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1671 was ruled in order.

The President declared the question before the Senate to be the adoption of the amendments by Senator Metcalf to the Committee on Ways and Means amendment, deferred earlier today.

The President declared the question before the Senate to be the adoption of the amendments by Senator Metcalf on page 5, beginning on line 5, and page 5, beginning on line 24 to the Committee on Ways and Means amendment.

The amendments on page 5, lines 5 and 24, by Senator Metcalf to the Committee on Ways and Means amendment were adopted.

The President declared the question before the Senate to be the adoption of the remaining amendments by Senator Metcalf to the Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1671.

PARLIAMENTARY INQUIRY

Senator Smitherman: "Thank you, Mr. President, I have a parliamentary inquiry. Originally, I objected to all the amendments being taken as one and I guess I have a question in terms of parliamentary procedure here. If we adopt all of these amendments as one, will that preclude the other amendments from being ruled within scope and object?"

REPLY BY THE PRESIDENT

President Pritchard: "No, the Chair has looked at it and it will not preclude any of the other amendments being offered and worked on."

Further debate ensued.

The remaining amendments by Senator Metcalf to the Committee on Ways and Means amendment were adopted.

MOTION

On motion of Senator Vognild, the following amendment to the Committee on Ways and Means amendment was adopted:

On page 11, beginning on line 35 of the amendment, after "financial aid," strike "Any city preparing an independent plan shall provide for disposal sites wholly within its jurisdiction." and insert "~~((Any city preparing an independent plan shall provide for disposal sites wholly within its jurisdiction.))~~"

MOTION

Senator Sutherland moved that the following amendment by Senators Sutherland and Bender to the Committee on Ways and Means amendment be adopted:

On page 19, after line 29 of the amendment, insert the following:

NEW SECTION, Sec. 20. A new section is added to chapter 81.77 RCW to read as follows:

The commission in awarding an authority based upon competitive bidding or any city or county entering into a competitive contract pursuant to sections 14 or 28 of this act for the collection of source separated recyclable materials from residences, shall first determine the local usual and acceptable wages and benefits for employees engaged in such collection. The determined wages and benefits shall be used as a base wage by all competitors for the contract or authority to collect source separated recyclable materials from residences.

This section expires July 1, 1994."

POINT OF INQUIRY

Senator Smitherman: "Senator Bender, I've worked with you over the last couple of years on issues dealing with prevailing wage. I was approached by a group of lobbyists who were saying to me that this is a prevailing wage issue. Do you see this particular amendment as one that deals with prevailing wage?"

Senator Bender: "Senator Smitherman, the answer is, 'no.' This is not a prevailing wage rate. It doesn't deal with the right RCW. The prevailing wage rate laws in this state are established by the largest city in that particular county. The Department of Labor and Industry does the survey. That input comes from both contractors and unions and then through that survey, they determine what that prevailing wage rate is. This language here doesn't go through that process at all."

Further debate ensued.

Senator Bender demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the adoption of the amendment by Senators Sutherland and Bender on page 19, after line 29, to the Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1671.

Absent: Senator Smith - 1.

Excused: Senators DeJarnatt, Fleming, Gaspard, Hansen - 4.

MOTION

Senator Rasmussen moved that the following amendment to the Committee on Ways and Means amendment be adopted:

On page 62, beginning in line 25 of the amendment, strike "departments of ecology and revenue" and insert "joint select committee on preferred solid waste management created pursuant to section 91 of this act"

Thurston county shall contract for a third party review by a qualified environmental consultant of the environmental impact of sludge disposal in Thurston county. Such review shall be paid for by the municipality of metropolitan Seattle. A citizens' review committee shall be established by Thurston county to provide input on the ecological, economic, and social impact of sludge disposal in Thurston county."

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Metcalf, I'm sure you have studied this bill."

Senator Metcalf: "Yes, but not all the amendments in the depth I would like."

Senator Rasmussen: "That's why we should have a little delay in it. Section 11 says, 'Each county or city siting a solid waste disposal facility shall review each potential site for conformance with the standards as set forth by the department for,' and it goes on. Is sludge considered solid waste?"

Senator Metcalf: "You know, I can get to that answer if you'll give me a couple minutes. I'll come back with the answer, because, technically, I don't know. Do you know the answer to that, Mike? I think it is. I'll have to say at this point, I think it is considered solid waste. I'm pretty sure of that, but I cannot absolutely guarantee."

Senator Rasmussen: "Well, in effect, I would think that the determination would end up being solid waste, Senator Metcalf, but it also says, 'they shall examine geology, ground water, soil, flooding, surface water, slope, cover material, capacity, climatic factors, land use, toxic air emissions,' and I presume that involves heavy metals also. This in effect, would require them to have an Environmental Impact Statement if they are going to conform with this law, yes or no?"

Senator Metcalf: "Sludge is sort of in a gray area, frankly, and it is not solidly determined—to answer your first question. Now, if you'll repeat your second question, I'll try to get to that."

Senator Rasmussen: "Well, with all this material in the bill here, they would have to do an Environmental Impact Statement in order to come out with the findings, so I would think that Senator Madsen's amendment would be all right. They've got to do it anyway."

Senator Metcalf: "Well, that's what I said in my original remarks. This is duplicative. This amendment is duplicative and that's why I said I didn't think it was necessary."

Senator Rasmussen: "And sludge is gray, yes, but it is not a gray area. It is solid waste."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senator Madsen on page 72, after line 6, to the Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1671.

The motion by Senator Madsen failed and the amendment to the committee amendment was not adopted.

MOTION

Senator Kreidler moved that the following amendment by Senators Kreidler, Amundson and Sutherland to the Committee on Ways and Means amendment be adopted:

On page 73, after line 9 of the amendment, insert the following:

NEW SECTION, Sec. 107. The legislature finds that flexibility in solid waste management systems may help minimize the need for costly disposal options, maximize the limited life of landfills, and produce the most cost-effective solid waste management system. The legislature further finds that there is a need for innovation in solid waste management systems, especially to develop efficient ways of collecting and handling yard waste, recyclables, and other materials intended to be segregated from the solid waste disposal stream.

The legislature finds that local governments are given primary responsibility to plan for and manage solid waste, and that they require a grant of authority sufficient to implement their plans and manage segregated waste streams. The legislature also finds that the majority of Washington's population resides in unincorporated areas under the jurisdiction of county governments, so that county governments are responsible for managing a growing portion of the waste stream. The legislature further finds that current statutes restrict county government authority over solid waste collection. The legislature further finds that changes in existing statutes for solid waste regulatory authority may displace existing firms that are delivering solid waste and recycling services in a cost-effective manner.

Therefore, the legislature finds that there is a need to examine the structure and effectiveness of the present regulatory situation and the public policies which have led to the current structure. The legislature further finds that it is desirable to examine the regulatory structure and practice of other states, including regulatory jurisdiction, planning responsibility, and program funding authority granted to various levels and agencies of government. The legislature also finds that any changes in regulatory authority should be made in a way that minimizes adverse impacts on existing firms, governmental entities, and customers of solid waste collection and recycling services.

NEW SECTION, Sec. 108. (1) The utilities and transportation commission shall conduct a study on solid waste regulation, utilizing the expertise of an objective research institution specializing in regulatory or public policy issues, that shall:

(a) Identify and examine current statutory responsibilities of state, county, and city governments, and the role of private sector firms, for solid waste services including the provision of solid waste and recycling collection, transfer, disposal, financing, and enforcement;

(b) Examine public policies and history that led to the current regulatory structure;

(c) Gather and analyze information on the current status of collection, transfer, disposal, and recycling services on a county-by-county basis, including services provided by local governments, haulers holding certificates of public convenience and necessity issued by the utilities and transportation commission, and private sector recycling firms, which information shall include, but not be limited to, number and categories of customers served, services provided, tonnage handled, overall cost of service, and number and type of firms under common ownership. In order to minimize costs, the findings of the best management practices study shall be used to the fullest extent possible;

(d) Examine policies and practices in other states in regard to the allocation of regulatory responsibility and financial capability among different levels of government;

(e) Discuss possible alternatives to the existing statutory system of solid waste regulatory authority, that shall include, at a minimum:

(i) Optional county authority over solid waste collection, similar to the optional city authority granted in RCW 81.77.020;

(ii) Mandatory county authority over solid waste collection, replacing the utilities and transportation commission;

(iii) Changing state authority over solid waste collection and disposal, with such authority to be vested in a new state board or agency;

(f) Recommend policy, statutory, and constitutional changes that would serve to provide greater flexibility, innovation, and local control, and to minimize impacts on existing solid waste management firms, governmental entities, and customers of solid waste collection and recycling services.

(2) The commission shall appoint an advisory committee to review and comment on the study upon completion. Members of the advisory committee shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060. The committee shall include, but not be limited to:

(a) Two representatives of county governments, including one representative from large counties, defined as counties of class AA, A, 1, and 2 counties, and one representative of counties of class 3 and smaller;

(b) Two representatives of city governments, including one from a city that provides municipal collection services and one from a city that provides collection services in some manner other than municipal provision;

(c) One representative of county health officials;

(d) Two representatives of the garbage collection industry;

(e) Two representatives of the recycling industry;

(f) One representative each of business and environmental interests;

(g) One representative each from the department of ecology, the department of community development, the department of revenue, and the municipal corporation division of the state auditor's office.

(3) The commission shall submit to the governor and legislature a report containing findings, conclusions, recommendations, and comments by January 2, 1990.

NEW SECTION. Sec. 109. Sections 107 and 108 of this act shall expire June 30, 1990."

Renumber the sections consecutively and correct any internal references accordingly.

Debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senators Kreidler, Amondson and Sutherland on page 73, after line 9, to the Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1671.

The motion by Senator Kreidler failed and the amendment to the committee amendment was not adopted.

The President declared the question before the Senate to be the adoption of the Committee on Ways and Means amendment, as amended, to Engrossed Substitute House Bill No. 1671.

The Committee on Ways and Means amendment, as amended, was adopted.

MOTIONS

On motion of Senator Metcalf, the following title amendment was adopted:

On page 1, line 1 of the title, after "waste;" strike the remainder of the title and insert "amending RCW 70.95.010, 70.95.030, 70.95.090, 70.95.110, 70.95.100, 70.95.130, 70.95.160, 70.95.165, 70.95.280, 35.21.120, 81.77.010, 81.77.020, 81.77.030, 81.77.040, 81.77.050, 81.77.060, 81.77.080, 81.77.100, 81.77.110, 36.58.030, 36.58.040, 82.04.070, 43.21A.520, 35.21.130, 36.58.010, 35.23.352, 39.30.040, 35.22.620, 43.19.1911, 43.160.010, 43.160.060, 82.18.010, 82.18.020, 82.18.030, 82.18.040, 82.18.050, 82.18.060, 82.18.070, 82.18.080, 70.95.510, 70.95.520, and 70.95.560; amending section 15, chapter 528, Laws of 1987 as amended by section 6, chapter 184, Laws of 1988 (uncodified); reenacting and amending RCW 70.95.260 and 36.32.250; adding new sections to chapter 70.95 RCW; adding a new section to chapter 35.21 RCW; adding new sections to chapter 81.77 RCW; adding new sections to chapter 36.58 RCW; adding a new section to chapter 35A.21 RCW; adding a new section to chapter 82.08 RCW; adding a new section to chapter 82.12 RCW; adding new sections to chapter 70.95C RCW; adding a new section to chapter 82.02 RCW; adding a new section to chapter 43.160 RCW; adding a new section to chapter 43.31 RCW; adding a new section to chapter 82.18 RCW; adding a new chapter to Title 43 RCW; adding a new chapter to Title 70 RCW; creating new sections; prescribing penalties; providing an expiration date; providing effective dates; and declaring an emergency."

On motion of Senator Metcalf, the rules were suspended, Engrossed Substitute House Bill No. 1671, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Metcalf, I'm looking at a hand-out here that says, 'Unfortunately, one group not involved in the negotiations until the last moment, has philosophical problems.' Related to the question, the one group that has not really been involved is the people out there. Could you tell me what the end result of this bill will be in increased taxes? I understand there's a tax on batteries, a new tax on tires and a new one—I think you know what the amount is—the tax, an additional tax. Now, when I get my garbage bill and I get my light bill and my water bill, there's a utility and transportation tax and there's a B&O tax, and a whole list of them.

"You remember a couple of sessions ago, we put an additional twelve cent tax on the telephones and the public could not understand that. This seems to be a heavier tax. Could you tell me what the public is going to have in regards to new taxes on this bill?"

Senator Metcalf: "Yes, Senator Rasmussen, this bill will result in a one percent tax on garbage collections across the state. It will result in a one dollar per tire tax.

We're already paying for it, but this will require a tax of one dollar per tire on new tires sold--replacement tires, you know. It will result in a five dollar tax on every battery. If you go and turn in your car battery and buy a new battery, there will be a five dollar tax on the battery. Now these costs are already being paid, but they are not being paid in municipal garbage rates and so forth.

"Under this plan, they'll be paid for up front in these areas. The cost of recycling tires, and by the way, with this one dollar per tax on tires, we will be able to establish a recycling program and subsidize it. There will be a subsidy--there's no way to get around it--but we will then be able to get in place, the recycling of our tires and do away with these vast mounds of tires that we now have building up. So, that's the answer to your question, Senator Rasmussen."

POINT OF INQUIRY

Senator Bender: "Senator Metcalf, currently, there exists under RCW 70.79 a state agency whose mandate it is to formulate rules and regulations relating to the certification, inspection and operation of combustion boilers, pressure vessels and their related technologies in the interest of public safety. The State Board of Boiler Rules, which is a part of the Department of Labor and Industries, consists of five appointed members including a mechanical engineer. Would you agree that a member of this board would have a valid place on the Board of Advisors for Operator Certification created under Section 70 of this bill?"

Senator Metcalf: "Yes."

POINT OF INQUIRY

Senator Owen: "Senator Metcalf, regarding the language in Section 52 on page 36, of the striking amendment, would this language require a contractor doing remodeling and construction work to dispose of the debris from the construction work in a solid waste container that is provided by the city or solid waste collection company serving that area or could the contractor haul the debris in a vehicle to a disposal site?"

Senator Metcalf: "Thank you, Senator Owen. This language does not require the use of solid waste collection container or hauling service provided by the city or the city's contract solid waste hauler in this situation. A contractor doing construction and remodeling work can use a vehicle to haul the debris, provided such solid waste hauling is incidental to the vehicle's normal and regular use."

POINT OF INQUIRY

Senator Benitz: "Senator Metcalf, I have a question concerning the definition of 'source separation' in Section 2, page 6, lines 6 through 8. Is the intent here to include or exclude recycling programs like those in South Seattle and Pasco where recyclables are placed in one container for pick-up versus other programs such as the one in North Seattle whereby households place each type of recyclable material in a separate container?"

Senator Metcalf: "Senator Benitz, this definition is intended to include both types of recycling whether in one or several containers."

Senator Benitz: "Senator Metcalf, Section 4, of this bill requires local governments to designate areas as either urban or rural based on several criteria. This designation will ultimately determine what level of services are to be provided in that area. Is it intended that suburban areas generally be designated as urban?"

Senator Metcalf: "Yes, Senator Benitz. Local governments will designate an area based on population, population density, and other criteria. Population and population density are important criteria, because curb side collection may require a minimum population base in order to make it cost effective. As suburban areas resemble urban areas more closely than rural areas, local governments will be expected to designate densely populated suburban areas as urban in most instances."

POINT OF INQUIRY

Senator Johnson: "Senator Metcalf, to clarify Section 17, 32 and 36, I assume that the intent of this language is to permit competition in the collection of commercial and industrial recyclables. I also assume that this language is not intended

to permit anyone other than a solid waste collection company holding a garbage certificate to collect garbage and refuse."

Senator Metcalf: "Senator Johnson, you are correct. The language you refer to and the bill are not intended to permit anyone other than a WUTC regulated garbage company or a city authorized solid waste collection system to collect garbage and refuse which may incidentally contain recyclable material."

POINT OF INQUIRY

Senator Rasmussen: "Senator Metcalf, in reviewing the bill, I'm looking at new Section 33 and new Section 34. Section 33 says, 'Nothing in this chapter shall prevent a recycling company or a nonprofit entity from collecting and transporting recyclable materials from a buy-back center, drop-box, or from a commercial or industrial generator of recyclable materials or upon agreement with a solid waste collection company.' Section 34 has about the same wording.

"My concern is for the little individual--he's not a nonprofit corporation and he's not a company--and it says 'recycling company.' That little individual doing private enterprise and out collecting cans and newspapers and then in turn peddling them to the recycling company, is he prohibited from doing that under this new section?"

Senator Metcalf: "I cannot specifically answer that question. I'm not positive, but I could get the answer for you, but I'm not positive at this time."

Senator Rasmussen: "Well, I wish you would, because when it goes to Conference Committee you should take a look at this. I wouldn't want to see those little individuals who are out working hard to make a few dollars prohibited from doing the recycling."

Senator Metcalf: "I agree with you, I don't want to put them out of business."

POINT OF INQUIRY

Senator Kreidler: "Senator Metcalf, Section 20, subsection 6, of the bill directs the WUTC to require solid waste collection and recycling companies to use rate structures and billing systems consistent with the solid waste management priorities set forth in RCW 70.95.010. At the same time, franchised haulers regulated by the Commission are directed to comply with local Comprehensive Solid Waste Management Plans. Is it intended that Section 20, subsection 6, would allow the Commission to require rate structures which are inconsistent with a local Comprehensive Solid Waste Management Plan?"

Senator Metcalf: "No, Senator Kreidler, Section 20, subsection 6, is intended to direct the Commission to require rate structures which encourage waste reduction and recycling. This would take place within the framework of the local plan."

Senator Kreidler: "Senator Metcalf, Section 30, subsection 1, of the bill directs the Commission to include in rates charges for disposal of solid waste at facilities the solid waste collection company is required to use under the local Comprehensive Solid Waste Management Plan. Is it intended that Section 20, subsection 6, could be used in a manner inconsistent with that directive?"

Senator Metcalf: "No, Senator Kreidler, Section 20, subsection 6, deals with rate design. Section 30, subsection 1, deals with the revenues required by a company to cover its operating costs. The costs specified in Section 30, subsection 1, are intended to be passed through to ratepayers."

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1671, as amended by the Senate.

Providing mobile home relocation assistance.

The bill was read the second time.

MOTION

Senator Lee moved that the following Committee on Economic Development and Labor amendment not be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Mobile home park landlords shall provide reasonable relocation assistance or two-year notice under this chapter and RCW 59.20.080 to mobile home park tenants upon the closure or conversion to another use of a mobile home park. However, no such relocation assistance is required under this chapter if relocation assistance for the same mobile home park tenant for the same relocation has been, is, or will be required under any other law.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Director" means the director of the department of community development.

(2) "Department" means the department of community development.

(3) "Fund" means the mobile home park relocation fund established under section 6 of this act consisting of tenant and landlord contributions.

(4) "Low-income" means at or below eighty percent of median income for the county where the park is located.

(5) "Mobile home park" or "park" means real property that is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where the real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy.

(6) "Landlord" or "park-owner" means the owner of the mobile home park that is being closed at the time relocation assistance is provided.

(7) "Relocate" means to remove the mobile home from the mobile home park being closed.

(8) "Relocation assistance" means the monetary assistance provided under section 3 of this act.

NEW SECTION. Sec. 3. (1) If a mobile home park is closed or converted to another use, all affected park tenants are entitled to relocation assistance from the park owner or the fund as follows: (a) For single-wide mobile homes, four thousand five hundred dollars; and (b) for double-wide mobile homes, seven thousand five hundred dollars. When a tenant is forced to relocate before July 1, 1991, the payment of relocation assistance as provided by this section shall be paid by the park owner.

(2) When a tenant is forced to relocate after the effective date of this act, pursuant to notice given prior to the effective date of this act, only low-income tenants shall be eligible for relocation assistance and the full amount shall be paid by the fund.

(3) When a tenant is forced to relocate after June 30, 1991, the payment of relocation assistance as provided in this section shall be shared as follows: (a) The landlord or park-owner shall provide two-thirds, and (b) the fund shall provide one-third unless twenty-four months' notice has been given, in which case the full amount shall be paid by the fund.

(4) The director or his or her designee shall approve all expenditures from the fund. If at any given time after July 1, 1991, the fund is unable to meet its obligation under this section, the affected tenancies may not be terminated until sufficient revenue accrues to pay the required relocation assistance, or until the landlord pays both his or her share and the amount owed by the fund.

NEW SECTION. Sec. 4. Notice required by RCW 59.20.080 before park closure or conversion of the park or termination of any tenancy without cause, whether twelve months or longer, shall be given to the director and all tenants in writing, and posted at all park entrances. Notice must also include the tenant's right to relocation assistance, if applicable. This section shall apply to all park closures even though notice may have been given prior to the effective date of this act.

NEW SECTION. Sec. 5. A tenant is not entitled to relocation assistance under section 3 of this act if (1) the tenant has given notice to the landlord of his or her intent to vacate the park and

terminate the tenancy before any notice of termination required by the landlord under this chapter has been given, or (2) a person purchases a mobile home already situated in the park or moves a mobile home into the park after a closure or change of use notice has been given and the person has received actual prior notice of the change or closure.

NEW SECTION. Sec. 6. (1) The mobile home park relocation fund is created in the custody of the state treasurer. All legislative appropriations for mobile home relocation assistance, receipts from assessments collected under section 7 of this act, and amounts required to be paid by park-owners shall be deposited into the fund. Expenditures from the fund may be used only for administration of the fund and relocation assistance under section 3 of this act. Only the director of community development or the director's designee may authorize expenditures from the fund. All relocation payments, including those due from the park-owner shall be made from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

(2) The state treasurer shall maintain the fund and shall invest the fund moneys. Moneys earned on these investments shall be deposited in the fund and shall be used for the same purposes as other fund moneys. Unexpended and unencumbered moneys that remain in the fund at the end of the fiscal year do not revert to the state general fund but remain in the fund, separately accounted for, as a contingency reserve, or if the director determines at the end of any fiscal year beginning after December 31, 1991, that the fund contains a surplus over the amount needed for relocation during the previous year, the surplus shall be transferred to the mobile home park purchase fund created by chapter 59.22 RCW. A tenant who is entitled to relocation assistance under this chapter is entitled to payment from the fund thirty days after the tenant submits to the director a copy of the notice from the park-owner that the tenancy is terminated due to closure of the park, and a copy of the rental agreement currently in force. No payment may be made until the director has contacted the park-owner, or attempted to contact the owner by first class mail, in order to verify the validity of the rental agreement and notice of termination.

(3) The director may adopt rules for the administration of the fund.

(4) The department may use money from the fund to offset the necessary costs of administering the fund. Administrative cost reimbursement shall not exceed fifty thousand dollars or five percent of the revenue to the fund for any given fiscal year, whichever is greater, to offset expenses incurred during that year.

NEW SECTION. Sec. 7. Beginning with tax year 1990, each owner of a mobile home that is not defined as real property under state law shall pay an annual assessment to the state of ten dollars for each mobile home for the purpose of providing moneys for the fund. The county treasurer shall collect the assessment imposed by this subsection at the same time and in the same manner as personal property taxes, separately listed on the tax roll, and transfer the revenues collected to the state treasurer for credit to the fund. The assessment constitutes a lien on the mobile home.

Sec. 8. Section 6, chapter 279, Laws of 1977 ex. sess. as last amended by section 1, chapter 58, Laws of 1984 and RCW 59.20.060 are each amended to read as follows:

(1) Any mobile home space tenancy regardless of the term, shall be based upon a written rental agreement, signed by the parties, which shall contain:

(a) The terms for the payment of rent, including time and place, and any additional charges to be paid by the tenant. Additional charges that occur less frequently than monthly shall be itemized in a billing to the tenant;

(b) Reasonable rules for guest parking which shall be clearly stated;

(c) The rules and regulations of the park;

(d) The name and address of the person who is the landlord, and if such person does not reside in the state there shall also be designated by name and address a person who resides in the county where the mobile home park is located who is authorized to act as agent for the purposes of service of notices and process. If no designation is made of a person to act as agent, then the person to whom rental payments are to be made shall be considered the agent;

(e) (i) A covenant by the landlord that, except for acts or events beyond the control of the landlord, the mobile home park will not be converted to a land use that will prevent the space that is the subject of the lease from continuing to be used for its intended use for a period of three years after the beginning of the term of the lease;

(ii) A rental agreement may, in the alternative, contain a statement that the park may be sold or otherwise transferred at any time with the result that subsequent owners may close the mobile home park, or that the landlord may close the park at any time after the required notice. The covenant or statement required by this subsection must appear in print that is larger than the other text of the lease and must be set off by means of a box, blank space, or comparable visual device;

(iii) The requirements of this subsection (e) apply equally to renewals of leases in existence on the effective date of this act, and to leases granted after the effective date of this act.

(f) The terms and conditions under which any deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement if any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in a rental agreement;

((ff)) (g) A listing of the utilities, services, and facilities which will be available to the tenant during the tenancy and the nature of the fees, if any, to be charged;

((gg)) (h) A description of the boundaries of a mobile home space sufficient to inform the tenant of the exact location of his space in relation to other tenants' spaces; and

((hh)) (i) A statement of the current zoning of the land on which the mobile home park is located.

(2) Any rental agreement executed between the landlord and tenant shall not contain any provision:

(a) Which allows the landlord to charge a fee for guest parking unless a violation of the rules for guest parking occurs: PROVIDED, That a fee may be charged for guest parking which covers an extended period of time as defined in the rental agreement;

(b) Which authorizes the towing or impounding of a vehicle except upon notice to the owner thereof or the tenant whose guest is the owner of said vehicle;

(c) Which allows the landlord to alter the due date for rent payment or increase the rent: (i) During the term of the rental agreement if the term is less than one year, or (ii) more frequently than annually if the term is for one year or more: PROVIDED, That a rental agreement may include an escalation clause for a pro rata share of any increase in the mobile home park's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in rent or other charges in the event of a reduction in real property taxes or utility assessments or charges, below the base year: PROVIDED FURTHER, That a rental agreement for a term exceeding one year may provide for annual increases in rent in specified amounts or by a formula specified in such agreement;

(d) By which the tenant agrees to waive or forego rights or remedies under this chapter;

(e) Allowing the landlord to charge an "entrance fee" or an "exit fee";

(f) Which allows the landlord to charge a fee for guests: PROVIDED, That a landlord may establish rules charging for guests who remain on the premises for more than fifteen days in any sixty-day period;

(g) By which the tenant agrees to waive or forego homestead rights provided by chapter 6.13 RCW. This subsection shall not prohibit such waiver after a default in rent so long as such waiver is in writing signed by the husband and wife or by an unmarried claimant and in consideration of the landlord's agreement not to terminate the tenancy for a period of time specified in the waiver if the landlord would be otherwise entitled to terminate the tenancy under this chapter; or

(h) By which, at the time the rental agreement is entered into, the landlord and tenant agree to the selection of a particular arbitrator.

NEW SECTION, Sec. 9. If the rental agreement includes a covenant by the landlord as described in RCW 59.20.060(1)(e)(i), the covenant runs with the land and is binding upon the purchasers, successors, and assigns of the landlord.

NEW SECTION, Sec. 10. Before a mobile home park-owner may close a mobile home park or convert it to another use, the owner shall pay amounts owed for relocation assistance under section 3 of this act to the state treasurer for deposit into the fund. A park-owner may give notice as required by RCW 59.20.080 and this chapter before payment of these amounts.

Sec. 11. Section 8, chapter 279, Laws of 1977 ex. sess. as last amended by section 5, chapter 150, Laws of 1988 and RCW 59.20.080 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the landlord shall not terminate a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in termination of the tenancy, and that the tenant shall vacate the premises within fifteen days: PROVIDED, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: PROVIDED FURTHER, That in the case of a violation of a "material change" in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate;

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: PROVIDED, That the landlord shall give the tenants ~~((twelve))~~ twenty-four months' notice in advance of the ~~((proposed effective))~~ date of such ~~((change))~~ termination. A tenancy may be terminated after twelve months' notice for the reasons set forth in this subsection if the landlord pays relocation assistance to the tenants as provided in section 3 of this act;

(f) Engaging in "drug-related activity." "Drug-related activity" means that activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW.

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective ~~((twelve))~~ twenty-four months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: PROVIDED, That a landlord shall not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4) or is intended to circumvent the provisions of (1)(e) of this section. A tenancy may be terminated without cause after twelve months' notice if the landlord pays relocation assistance to the tenants as provided in section 3 of this act.

(3) Within five days of a notice of eviction as required by subsection (1)(a) or (2) of this section, the landlord and tenant shall submit any dispute, including the decision to terminate the tenancy without cause, to mediation. The parties may agree in writing to mediation by an independent third party or through industry mediation procedures. If the parties cannot agree, then mediation shall be through industry mediation procedures. A duty is imposed upon both parties to participate in the mediation process in good faith for a period of ten days for an eviction under subsection (1)(a) of this section, or for a period of thirty days for an eviction under subsection (2) of this section. It is a defense to an eviction under subsection (1)(a) or (2) of this section that a landlord did not participate in the mediation process in good faith.

NEW SECTION. Sec. 12. Any unit of local government may, with the director's approval, give or loan moneys to the fund if insufficient moneys are available to pay the fund's share of relocation assistance under section 3 of this act. When sufficient moneys exist in the fund, the director shall approve the repayment of the loaned moneys to the local government: PROVIDED, That any moneys made available under this section, or as a result of legislative appropriation, shall only be payable to tenants required to relocate their mobile homes due to park closure whose income, adjusted for family size, is equal to or less than eighty percent of the median income for the county where the park is located.

NEW SECTION. Sec. 13. A tenant may, with the written approval of his or her attorney at law, waive or compromise their right to relocation assistance under this chapter.

NEW SECTION. Sec. 14. Sections 1 through 7, 9, 10, 12, and 13 of this act constitute a new chapter in Title 59 RCW.

NEW SECTION. Sec. 15. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 16. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

MOTIONS

Senator Lee moved that the following amendment by Senators Lee, Murray, Bluechel, Nelson, Anderson, Smitherman, Bender, Thorsness, Warnke, Smith and Vognild be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Director" means the director of the department of community development.

(2) "Department" means the department of community development.

(3) "Fund" means the mobile home park relocation fund established under section 5 of this act consisting of tenant and landlord contributions.

(4) "Low-income" means at or below eighty percent of median income as defined by the United States department of housing and urban development, for the county or standard metropolitan statistical area where the park is located.

(5) "Mobile home park" or "park" means real property that is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where the real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy.

(6) "Landlord" or "park-owner" means the owner of the mobile home park that is being closed at the time relocation assistance is provided.

(7) "Relocate" means to remove the mobile home from the mobile home park being closed.

(8) "Relocation assistance" means the monetary assistance provided under section 2 of this act.

NEW SECTION. Sec. 2. (1) If a mobile home park is closed or converted to another use, all affected park tenants are entitled to relocation assistance from the park-owner or the fund at the time the tenant relocates as follows: (a) For a single-wide mobile home, four thousand five hundred dollars; and (b) for a double-wide or larger mobile home, seven thousand five hundred dollars.

(2) When a tenant is forced to relocate before July 1, 1991, the payment of relocation assistance as provided by this section shall be paid by the park-owner. However, if the tenant has been given notice to vacate prior to April 1, 1989, and the tenant has not yet relocated as of the effective date of this act, the payment of relocation assistance by the park-owner shall be required only if the tenant is low income.

(3) When a tenant is forced to relocate after June 30, 1991, the payment of relocation assistance as provided in this section shall be shared as follows: The landlord or park-owner shall provide one-third and the fund shall provide two-thirds.

(4) After July 1, 1992, (a) if twenty-four months' notice of closure is given, the landlord or park-owner shall provide five hundred dollars for a single-wide home or one thousand dollars for a double-wide or larger home and the fund shall provide the balance of the relocation assistance; (b) if the park-owner gives less than twenty-four months' notice the park-owner shall provide one-third and the fund shall provide two-thirds of the relocation assistance.

(5) The parkowner shall make any payment required by this chapter when demanded by the department; however, the department shall not demand such payment earlier than thirty days prior to the expected relocation date of the tenant. If the landlord does not pay his or her portion of the relocation assistance to the department when required by this chapter, the department shall have a lien on the real property on which the park is located. Such lien shall be collected as delinquent general property taxes and shall be forwarded to the department by the county treasurer.

(6) The director or his or her designee shall approve all expenditures from the fund.

(7) Relocation assistance contributions required from landlords or park-owners by this section shall be reduced by the amount paid or required to be paid under any other law for the same mobile home park tenant for the same relocation.

NEW SECTION. Sec. 3. Notice required by RCW 59.20.080 before park closure or conversion of the park, whether twelve months or longer, shall be given to the director and all tenants in writing, and posted at all park entrances. Notice must also include the tenant's right to relocation assistance, if applicable. This section shall apply to all park closures even though notice may have been given prior to the effective date of this act.

NEW SECTION. Sec. 4. A tenant is not entitled to relocation assistance under section 2 of this act if (1) the tenant has given notice to the landlord of his or her intent to vacate the park and terminate the tenancy before any notice of termination required by the landlord under this chapter has been given, or (2) a person purchases a mobile home already situated in the park or moves a mobile home into the park after a closure or change of use notice has been given and the person has received actual prior notice of the change or closure.

NEW SECTION. Sec. 5. (1) The mobile home park relocation fund is created in the custody of the state treasurer. All legislative appropriations for mobile home relocation assistance, receipts from assessments collected under section 6 of this act, and amounts required to be paid by park-owners shall be deposited into the fund. Expenditures from the fund may be used only for administration of the fund, relocation assistance under section 2 of this act, or transfer to the mobile home park purchase fund under subsection (2) of this section. Only the director of community development or the director's designee may authorize expenditures from the fund. All relocation payments, including those due from the park-owner shall be made from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

(2) The state treasurer shall maintain the fund and shall invest the fund moneys. Moneys earned on these investments shall be deposited in the fund and shall be used for the same purposes as other fund moneys. Unexpended and unencumbered moneys that remain in the fund at the end of the fiscal year do not revert to the state general fund but remain in the fund, separately accounted for, as a contingency reserve, or if the director determines at the end of any fiscal year beginning after December 31, 1991, that the fund contains a surplus over the projected amount needed for relocation during the upcoming year(s), any surplus may be transferred to the mobile home park purchase fund created by chapter 59.22 RCW. However,

the director may cause any uncommitted funds in the mobile home park purchase fund which were transferred from the mobile home park relocation fund to be transferred back to the mobile home park relocation fund if that fund cannot otherwise meet its current obligations.

(3) A tenant who is entitled to relocation assistance under this chapter is entitled to payment only after submitting an application which includes: (a) A copy of the notice from the parkowner that the tenancy is terminated due to closure of the park; (b) a copy of the rental agreement currently in force; and (c) a copy of the contract entered into for the purpose of relocating the mobile home, which includes the date of relocation.

(4) The director may adopt rules for the administration of the fund.

(5) The department may use money from the fund to offset the necessary costs of administering the fund. Administrative cost reimbursement shall not exceed fifty thousand dollars or five percent of the revenue to the fund for any given fiscal year, whichever is greater, to offset expenses incurred during that year.

NEW SECTION. Sec. 6. (1) There is hereby placed on all mobile homes located in mobile home parks an annual assessment of eleven dollars per mobile home beginning on January 1, 1990. The assessment shall be collected by the county treasurer or treasurers within the county or counties where the mobile home or the mobile home park is located. Notice of the assessment created under this section may be included on the notice of property taxes due, or may be sent separately from the notice of property taxes due. The assessment created under this section shall be due at the same time property taxes are due and shall constitute a lien on the mobile home upon which the assessment is imposed. Delinquent assessments created under this section shall be foreclosed in the same manner, and subject to the same time schedules, interest, and penalties as delinquent property taxes. County treasurers may impose a fee for collecting the assessment created in this section not to exceed five percent of the dollar value of the collection of assessments created under this section. The county treasurer may collect the assessment for 1990 at the same time the county treasurer collects the assessment for 1991 if the county treasurer would experience undue hardship in collecting the 1990 assessment in that year.

(2) Upon the request of the treasurer of the county or counties where the mobile home park is located, each park-owner shall provide the county treasurer with a list of all tenants residing in the park on January 1, 1989. This list shall be mailed by August 1, 1989, to the treasurer or treasurers of the county or counties where the mobile home park is located. The list shall include the name and address of each tenant, and the mobile home tax number of each tenant if available. Upon the request of the treasurer of the county or counties where the mobile home park is located, the park-owners shall update the list of tenants residing in the park.

(3) The assessments collected under subsection (1) of this section shall be forwarded to the state treasurer, less any administration fee collected by the county treasurer under this section. The state treasurer shall deposit one dollar of the assessment collected per mobile home in the mobile home affairs account created by RCW 59.22.070; the remainder of the assessment forwarded to the state treasurer under this subsection shall be deposited in the mobile home park relocation fund created under section 5 of this act.

(4) The department of revenue, the state treasurer, and the county treasurers may enact any rules necessary to carry out this section.

Sec. 7. Section 4, chapter 280, Laws of 1988 and RCW 59.22.060 are each amended to read as follows:

(1) Every landlord shall register by October 1, 1988, with the department of revenue under such rules as that department shall prescribe.

(2) Every landlord shall pay a fee of one dollar per lot per year. ~~((and in addition, shall collect from each tenant on January 1 of each year a fee of one dollar per year for each lot rented by the tenant. Both fees))~~ except for unoccupied lots. This fee shall be remitted by the landlord to the department of revenue under such rules as the department shall prescribe. ~~((The fee required by this chapter, to be collected by the landlord, shall be deemed to be held in trust by the landlord until paid to the department of revenue, and any landlord who appropriates or converts the fee collected to his or her own use other than the payment to the department shall be guilty of a gross misdemeanor. The provisions of chapter 82-32 RCW shall apply to the collection and enforcement of this fee.))~~ The department of revenue shall forward the one-dollar fee per lot paid by the landlord to the mobile home affairs account created by RCW 59.22.070.

(3) This section shall take effect on January 1, 1990.

Sec. 8. Section 5, chapter 280, Laws of 1988 and RCW 59.22.070 are each amended to read as follows:

There is created in the custody of the state treasurer a special account known as the mobile home affairs account. ~~((All fees collected pursuant to RCW 59.22.060 shall be placed in that account.))~~

Disbursements from this special account shall be as follows:

(1) For the two-year period beginning July 1, 1988, forty thousand dollars, or so much thereof as may be necessary for costs incurred in registering landlords and collecting fees, and thereafter five thousand dollars per year for that purpose.

(2) All remaining amounts shall be remitted to the department of community development for the purpose of implementing RCW 59.22.050 and 59.22.060.

Sec. 9. Section 6, chapter 279, Laws of 1977 ex. sess. as last amended by section 1, chapter 58, Laws of 1984 and RCW 59.20.060 are each amended to read as follows:

(1) Any mobile home space tenancy regardless of the term, shall be based upon a written rental agreement, signed by the parties, which shall contain:

(a) The terms for the payment of rent, including time and place, and any additional charges to be paid by the tenant. Additional charges that occur less frequently than monthly shall be itemized in a billing to the tenant;

(b) Reasonable rules for guest parking which shall be clearly stated;

(c) The rules and regulations of the park;

(d) The name and address of the person who is the landlord, and if such person does not reside in the state there shall also be designated by name and address a person who resides in the county where the mobile home park is located who is authorized to act as agent for the purposes of service of notices and process. If no designation is made of a person to act as agent, then the person to whom rental payments are to be made shall be considered the agent;

(e) (i) A covenant by the landlord that, except for acts or events beyond the control of the landlord, the mobile home park will not be converted to a land use that will prevent the space that is the subject of the lease from continuing to be used for its intended use for a period of three years after the beginning of the term of the rental agreement;

(ii) A rental agreement may, in the alternative, contain a statement that the park may be sold or otherwise transferred at any time with the result that subsequent owners may close the mobile home park, or that the landlord may close the park at any time after the required notice. The covenant or statement required by this subsection must appear in print that is larger than the other text of the lease and must be set off by means of a box, blank space, or comparable visual device;

The requirements of this subsection shall apply to tenancies initiated after the effective date of this act.

(f) The terms and conditions under which any deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement if any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in a rental agreement;

~~((f))~~ (g) A listing of the utilities, services, and facilities which will be available to the tenant during the tenancy and the nature of the fees, if any, to be charged;

~~((g))~~ (h) A description of the boundaries of a mobile home space sufficient to inform the tenant of the exact location of his space in relation to other tenants' spaces; and

~~((h))~~ (i) A statement of the current zoning of the land on which the mobile home park is located.

(2) Any rental agreement executed between the landlord and tenant shall not contain any provision:

(a) Which allows the landlord to charge a fee for guest parking unless a violation of the rules for guest parking occurs: PROVIDED, That a fee may be charged for guest parking which covers an extended period of time as defined in the rental agreement;

(b) Which authorizes the towing or impounding of a vehicle except upon notice to the owner thereof or the tenant whose guest is the owner of said vehicle;

(c) Which allows the landlord to alter the due date for rent payment or increase the rent:

(i) During the term of the rental agreement if the term is less than one year, or (ii) more frequently than annually if the term is for one year or more: PROVIDED, That a rental agreement may include an escalation clause for a pro rata share of any increase in the mobile home park's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in rent or other charges in the event of a reduction in real property taxes or utility assessments or charges, below the base year: PROVIDED FURTHER, That a rental agreement for a term exceeding one year may provide for annual increases in rent in specified amounts or by a formula specified in such agreement;

(d) By which the tenant agrees to waive or forego rights or remedies under this chapter;

(e) Allowing the landlord to charge an "entrance fee" or an "exit fee";

(f) Which allows the landlord to charge a fee for guests: PROVIDED, That a landlord may establish rules charging for guests who remain on the premises for more than fifteen days in any sixty-day period;

(g) By which the tenant agrees to waive or forego homestead rights provided by chapter 6.13 RCW. This subsection shall not prohibit such waiver after a default in rent so long as such waiver is in writing signed by the husband and wife or by an unmarried claimant and in consideration of the landlord's agreement not to terminate the tenancy for a period of time specified in the waiver if the landlord would be otherwise entitled to terminate the tenancy under this chapter; or

(h) By which, at the time the rental agreement is entered into, the landlord and tenant agree to the selection of a particular arbitrator.

NEW SECTION. Sec. 10. If the rental agreement includes a covenant by the landlord as described in RCW 59.20.060(1)(e)(i), the covenant runs with the land and is binding upon the purchasers, successors, and assigns of the landlord.

NEW SECTION. Sec. 11. Before a mobile home park-owner may close a mobile home park or convert it to another use, the owner shall pay amounts owed for relocation assistance under section 2 of this act to the state treasurer for deposit into the fund. A park-owner may give notice as required by RCW 59.20.080 and this chapter before payment of these amounts.

Sec. 12. Section 8, chapter 279, Laws of 1977 ex. sess. as last amended by section 5, chapter 150, Laws of 1988 and RCW 59.20.080 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the landlord shall not terminate a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in termination of the tenancy, and that the tenant shall vacate the premises within fifteen days: PROVIDED, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: PROVIDED FURTHER, That in the case of a violation of a "material change" in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate;

(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: PROVIDED, That the landlord shall give the tenants twelve months' notice in advance of the ((proposed)) effective date of such change, except that for the period of six months following the effective date of this act the landlord shall give the tenants eighteen months' notice in advance of the proposed effective date of such change;

(f) Engaging in "drug-related activity." "Drug-related activity" means that activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW.

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective twelve months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: PROVIDED, That a landlord shall not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4) or is intended to circumvent the provisions of (1)(e) of this section.

In no event shall such amount due the state exceed the net proceeds otherwise available to the recipient from the disposition, unless after nine months from the date of the agreement the property has not been sold, or if the recipient's eligibility for financial assistance ceases for any other reason. In this situation, the individual shall still qualify for assistance until a final determination on the dependency petition is made by the court;

(c) The physical or emotional health or safety of the individual or the dependent child would be jeopardized if the individual and the dependent child lived with the individual's parent, legal guardian, or other adult relative; however, in this situation, the department shall determine whether or not the circumstances warrant the filing of a petition under chapter 13.34 RCW. If the department determines that a dependency petition should be filed, the department shall do so immediately. In this situation, the individual shall still qualify for assistance until a final determination on the dependency petition is made by the court;

(b) The individual remains eligible for aid to families with dependent children until the department determines the provisions of subsection (2) of this section do not exempt the individual from the requirements of subsection (1) of this section. The burden of proof is on the department;

(c) Receipt of aid to families with dependent children benefits under this subsection is not an overpayment.

NEW SECTION, Sec. 11. The legislature supports the policy of encouraging the care of dependent children in their own homes or in the homes of relatives to help maintain and strengthen family life and to help parents or relatives to attain maximum self-support and personal independence consistent with the maintenance of continuing parental care and protection. In furtherance of this policy the legislature finds that minor parents, with few exceptions, must live in specified protective situations to be eligible for aid to families with dependent children.

NEW SECTION, Sec. 12. Effective January 1, 1990, the department shall exercise the option regarding required living arrangements set forth in Section 403, Title IV of the family support act of 1988, P.L. 100-485.

(b) The department shall make the payment out to the individual and send it to the address of the parent, legal guardian, other adult relative, or the alternative residential placement with whom the individual is residing.

(2) Subsection (1) of this section does not apply where:

(a) The individual has no parent or legal guardian or other adult relative who is living and whose whereabouts are known; however, in this situation, the department shall determine whether or not the circumstances warrant the filing of a petition under chapter 13.34 RCW. If the department determines that a dependency petition should be filed, the department shall do so immediately. In this situation, the individual shall still qualify for assistance until a final determination on the dependency petition is made by the court;

(b) No living parent, legal guardian, or other adult relative of the individual allows the individual to live in the parent, guardian, or adult relative's home; however, in this situation, the department shall determine whether or not the circumstances warrant the filing of a petition under chapter 13.34 RCW. If the department determines that a dependency petition should be filed, the department shall do so immediately. In this situation, the individual shall still qualify for assistance until a final determination on the dependency petition is made;

(c) The physical or emotional health or safety of the individual or the dependent child would be jeopardized if the individual and the dependent child lived with the individual's parent, legal guardian, or other adult relative; however, in this situation, the department shall determine whether or not the circumstances warrant the filing of a petition under chapter 13.34 RCW. If the department determines that a dependency petition should be filed, the department shall do so immediately. In this situation, the individual shall still qualify for assistance until a final determination on the dependency petition is made;

(d) The individual has lived apart from his or her parent, legal guardian, or other adult relative for at least one year before either the birth of the dependent child or before applying for aid to families with dependent children; or

(e) The department otherwise determines under rule there is good cause for waiving subsection (1) of this section.

(3)(a) Once the individual states the provisions of subsection (2) of this section apply to his or her case and he or she is otherwise eligible for aid to families with dependent children benefits, the individual shall be considered to be eligible for, and shall receive, aid to families with dependent children benefits even though he or she is not living with his or her parent, legal guardian, or other adult relative of the individual or living in an alternative residential placement agreed upon by the individual and the individual's parent, or approved under chapter 13.32A RCW, which placement does not receive foster care payments for providing care to the individual;

(b) The individual remains eligible for aid to families with dependent children until the department determines the provisions of subsection (2) of this section do not exempt the individual from the requirements of subsection (1) of this section. The burden of proof is on the department;

Revising provisions for water and sewer districts.

MOTIONS

Senator McCaslin moved that the following Committee on Governmental Operations amendment be adopted:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 1, chapter 449, Laws of 1987 and RCW 56.08.010 are each amended to read as follows:

A sewer district may acquire by purchase or by condemnation and purchase all lands, property rights, water, and water rights, both within and without the district, necessary for its purposes. A sewer district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of sewer commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities and towns, insofar as consistent with the provisions of this title, except that all assessments or reassessment rolls required to be filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the district, and the duties devolving upon the city treasurer shall be imposed upon the county treasurer for the purposes hereof. A sewer district may construct, condemn and purchase, add to, maintain, and operate systems of sewers for the purpose of furnishing the district and inhabitants thereof with an adequate system of sewers for all uses and purposes, public and private, including but not limited to on-site sewage disposal facilities, approved septic tanks or approved septic tank systems, other facilities and systems for the collection, interception, treatment, and disposal of wastewater, and for the control of pollution from wastewater and for the protection, preservation, and rehabilitation of surface and underground waters, facilities for the drainage of storm or surface waters, public highways, streets, and roads with full authority to regulate the use and operation thereof and the service rates to be charged and may construct, acquire, or own buildings and other necessary district facilities. Such sewage facilities may include facilities which result in combined sewage disposal, treatment, or drainage and electric generation, provided that the electricity generated thereby is a byproduct of the system of sewers. Such electricity may be used by the sewer district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of sewage disposal, treatment, or drainage. For such purposes a district may conduct sewage throughout the district and throughout other political subdivisions within the district, and construct and lay sewer pipe along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such sewer pipe. A district may erect sewage treatment plants, within or without the district, and may acquire by purchase or condemnation, properties or privileges necessary to be had to protect any lakes, rivers, or watercourses and also other areas of land from pollution, from its sewers or its sewage treatment plant. For the purposes of sewage facilities which include facilities which result in combined sewage disposal, treatment, or drainage and electric generation where the electric generation is a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner. A district may charge property owners seeking to connect to the district system of sewers, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system. A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars per parcel for each

year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer. A district may compel all property owners within the sewer district located within an area served by the district system of sewers to connect their private drain and sewer systems with the district system under such penalty as the sewer commissioners shall prescribe by resolution. The district may for such purpose enter upon private property and connect the private drains or sewers with the district system and the cost thereof shall be charged against the property owner and shall be a lien upon property served.

Sec. 2. Section 8, chapter 114, Laws of 1929 as last amended by section 1, chapter 11, Laws of 1988 and RCW 57.08.010 are each amended to read as follows:

A water district may acquire by purchase or condemnation, or both, all property and property rights and all water and water rights, both within and without the district, necessary for its purposes. A water district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of water commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities of the third class, insofar as consistent with the provisions of this title, except that all assessment rolls to be prepared and filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the water district, and the duties devolving upon the city treasurer are hereby imposed upon the county treasurer. A water district may construct, condemn and purchase, purchase, add to, maintain and supply waterworks to furnish the district and inhabitants thereof, and any city or town therein and any other persons, both within and without the district, with an ample supply of water for all uses and purposes public and private with full authority to regulate and control the use, content, distribution, and price thereof in such a manner as is not in conflict with general law and may construct, acquire, or own buildings and other necessary district facilities. A water district contiguous to Canada may contract with a Canadian corporation for the purchase of water and for the construction, purchase, maintenance and supply of waterworks to furnish the district and inhabitants thereof and residents of Canada with an ample supply of water under terms approved by the board of commissioners. Such waterworks may include facilities which result in combined water supply and electric generation, provided that the electricity generated thereby is a byproduct of the water supply system. Such electricity may be used by the water district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of water supply. For such purposes, a water district may take, condemn and purchase, purchase, acquire and retain water from any public or navigable lake, river or watercourse, or any underflowing water and, by means of aqueducts or pipe line conduct the same throughout such water district and any city or town therein and carry it along and upon public highways, roads and streets, within and without such district. For the purpose of constructing or laying aqueducts or pipe lines, dams, or waterworks or other necessary structures in storing and retaining water or for any other lawful purpose such water district may occupy the beds and shores up to the high water mark of any such lake, river, or other watercourse, and may acquire by purchase or condemnation such property or property rights or privileges as may be necessary to protect its water supply from pollution. For the purposes of waterworks which include facilities for the generation of electricity as a byproduct, nothing in this section may be construed to authorize a water district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner.

A water district may purchase and take water from any municipal corporation.

A water district may fix rates and charges for water supplied and may charge property owners seeking to connect to the district's water supply system, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system.

A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars for each year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer.

Sec. 3. Section 1, chapter 11, Laws of 1967 ex. sess. as last amended by section 13, chapter 162, Laws of 1988 and RCW 56.24.070 are each amended to read as follows:

Territory (adjoining or in close proximity to a district) within the county or counties in which a district is located, or territory adjoining or in close proximity to a district but which is located in another county, may be annexed to and become a part of the district. ((In addition, any nonadjoining territory in a county of the fifth class or smaller composed entirely of islands may be annexed to and become part of a district operating within the county.)) All annexations shall be accomplished in the following manner: Twenty percent of the number of registered voters residing in the territory proposed to be annexed who voted at the last election

may file a petition with the district commissioners and cause the question to be submitted to the electors of the territory whether the territory will be annexed and become a part of the district. If the commissioners concur in the petition, they shall file it with the county election officer, who shall, within ten days, examine the signatures thereon and certify to the sufficiency or insufficiency thereof; and for such purpose the county election officer shall have access to all registration books in the possession of the officers of any city or town in the proposed district. If the petition contains a sufficient number of signatures, the election officer shall transmit it, together with a certificate of sufficiency attached thereto to the sewer commissioners of the district. If there are no electors residing in the territory to be annexed, the petition may be signed by such a number as appear of record to own at least a majority of the acreage in the territory, and the petition shall disclose the total number of acres of land in the territory and the names of all record owners of land therein. If the commissioners are satisfied as to the sufficiency of the petition and concur therein, they shall send it, together with their certificate of concurrence attached thereto to the county legislative authority.

The county legislative authority, upon receipt of a petition certified to contain a sufficient number of signatures of electors, or upon receipt of a petition signed by such a number as own at least a majority of the acreage, together with a certificate of concurrence signed by the sewer commissioners, at a regular or special meeting shall cause to be published once a week for at least two weeks in a newspaper in general circulation throughout the territory proposed to be annexed a notice that the petition has been filed, stating the time of the meeting at which it shall be presented, and setting forth the boundaries of the territory proposed to be annexed.

Sec. 4. Section 15, chapter 18, Laws of 1959 as last amended by section 14, chapter 162, Laws of 1988 and RCW 57.24.010 are each amended to read as follows:

Territory ((adjoining or in close proximity to a district)) within the county or counties in which a district is located, or territory adjoining or in close proximity to a district but which is located in another county, may be annexed to and become a part of the district ((in addition, any nonadjoining territory in a county of the fifth class or smaller composed entirely of islands may be annexed to and become part of a district operating within the county.)) All annexations shall be accomplished in the following manner: Twenty percent of the number of registered voters residing in the territory proposed to be annexed who voted at the last election may file a petition with the district commissioners and cause the question to be submitted to the electors of the territory whether such territory will be annexed and become a part of the district. If the commissioners concur in the petition, they shall file it with the county election officer of each county in which the real property proposed to be annexed is located, who shall, within ten days, examine and validate the signatures thereon and certify to the sufficiency or insufficiency thereof; and for such purpose the county election officer shall have access to all registration books in the possession of the officers of any city or town in the proposed district. If the petition contains a sufficient number of signatures, the county election officer of the county in which the real property proposed to be annexed is located shall transmit it, together with a certificate of sufficiency attached thereto to the water commissioners of the district. If there are no electors residing in the territory to be annexed, the petition may be signed by such a number as appear of record to own at least a majority of the acreage in the territory, and the petition shall disclose the total number of acres of land in the territory and the names of all record owners of land therein. If the commissioners are satisfied as to the sufficiency of the petition and concur therein, they shall send it, together with their certificate of concurrence attached thereto to the county legislative authority of each county in which the territory proposed to be annexed is located.

The county legislative authority, upon receipt of a petition certified to contain a sufficient number of signatures of electors, or upon receipt of a petition signed by such a number as own at least a majority of the acreage, together with a certificate of concurrence signed by the water commissioners, at a regular or special meeting shall cause to be published once a week for at least two weeks in a newspaper in general circulation throughout the territory proposed to be annexed a notice that the petition has been filed, stating the time of the meeting at which it shall be presented, and setting forth the boundaries of the territory proposed to be annexed.

Sec. 5. Section 1, chapter 51, Laws of 1953 as amended by section 1, chapter 172, Laws of 1984 and RCW 56.08.080 are each amended to read as follows:

The board of commissioners of a sewer district may sell, at public or private sale, property belonging to the district if the board determines ~~((by unanimous vote of the elected members of the board))~~ that the property is not and will not be needed for district purposes and if the board gives notice of intention to sell as in this section provided: PROVIDED, That no notice of intention is required to sell personal property of less than five hundred dollars in value. ~~((If property is sold without notice, such property may not be purchased by a commissioner or an employee of the district, or relatives of commissioners or employees.))~~

The notice of intention to sell shall be published once a week for three consecutive weeks in a newspaper of general circulation in the district. The last publication shall be at least twenty days but not more than thirty days before the date of sale. The notice shall describe the property and state the time and place at which it will be sold or offered for sale, the terms of sale, whether the property is to be sold at public or private sale, and if at public sale the notice

shall call for bids, fix the conditions thereof and shall reserve the right to reject any and all bids.

Sec. 6. Section 2, chapter 51, Laws of 1953 as last amended by section 1, chapter 162, Laws of 1988 and RCW 56.08.090 are each amended to read as follows:

(1) Subject to the provisions of subsection (2) of this section, no real property valued at five hundred dollars or more of the district shall be sold for less than ninety percent of the value thereof as established by a written appraisal made not more than six months prior to the date of sale by three disinterested real estate brokers licensed under the laws of the state or professionally designated real estate appraisers as defined in RCW 74.46.020. The appraisal shall be signed by the appraisers and filed with the secretary of the board of commissioners of the district, who shall keep it at the office of the district open to public inspection. Any notice of intention to sell real property of the district shall recite the appraised value thereof: PROVIDED, That there shall be no private sale of real property where the appraised value exceeds the sum of five hundred dollars.

(2) If no purchasers can be obtained for the property at ninety percent or more of its appraised value after one hundred eighty days of offering the property for sale, the board of commissioners of the sewer district may adopt a resolution stating that the district has been unable to sell the property at the ninety percent amount. The sewer district then may sell the property at the highest price it can obtain at public auction. A notice of intention to sell at public auction shall be published once a week for three consecutive weeks in a newspaper of general circulation in the sewer district. The last publication shall be at least twenty days but not more than thirty days before the date of sale. The notice shall describe the property, state the time and place at which it will be offered for sale and the terms of sale, and shall call for bids, fix the conditions thereof, and reserve the right to reject any and all bids.

Sec. 7. Section 1, chapter 50, Laws of 1953 as amended by section 2, chapter 299, Laws of 1977 ex. sess. and RCW 57.08.015 are each amended to read as follows:

The board of commissioners of a water district may sell, at public or private sale, property belonging to the district if the board determines ~~((by unanimous vote of the elected members of the board))~~ that the property is not and will not be needed for district purposes and if the board gives notice of intention to sell as in this section provided: PROVIDED, That no such notice of intention shall be required to sell personal property of less than ~~((two hundred fifty))~~ five hundred dollars in value.

The notice of intention to sell shall be published once a week for three consecutive weeks in a newspaper of general circulation in the district. The last publication shall be at least twenty days but not more than thirty days before the date of sale. The notice shall describe the property and state the time and place at which it will be sold or offered for sale, the terms of sale, whether the property is to be sold at public or private sale, and if at public sale the notice shall call for bids, fix the conditions thereof and shall reserve the right to reject any and all bids.

Sec. 8. Section 2, chapter 50, Laws of 1953 as last amended by section 2, chapter 162, Laws of 1988 and RCW 57.08.016 are each amended to read as follows:

(1) Subject to the provisions of subsection (2) of this section, no real property valued at five hundred dollars or more of the district shall be sold for less than ninety percent of the value thereof as established by a written appraisal made not more than six months prior to the date of sale by three disinterested real estate brokers licensed under the laws of the state or professionally designated real estate appraisers as defined in RCW 74.46.020. The appraisal shall be signed by the appraisers and filed with the secretary of the board of commissioners of the district, who shall keep it at the office of the district open to public inspection. Any notice of intention to sell real property of the district shall recite the appraised value thereof: PROVIDED, That there shall be no private sale of real property where the appraised value exceeds the sum of five hundred dollars.

(2) If no purchasers can be obtained for the property at ninety percent or more of its appraised value after one hundred eighty days of offering the property for sale, the board of commissioners of the water district may adopt a resolution stating that the district has been unable to sell the property at the ninety percent amount. The water district then may sell the property at the highest price it can obtain at public auction. A notice of intention to sell at public auction shall be published once a week for three consecutive weeks in a newspaper of general circulation in the water district. The last publication shall be at least twenty days but not more than thirty days before the date of sale. The notice shall describe the property, state the time and place at which it will be offered for sale and the terms of sale, and shall call for bids, fix the conditions thereof, and reserve the right to reject any and all bids.

Sec. 9. Section 2, chapter 197, Laws of 1967 as amended by section 1, chapter 86, Laws of 1975 1st ex. sess. and RCW 56.32.010 are each amended to read as follows:

Two or more sewer districts (~~—adjoining or in close proximity to each other—~~) may be joined into one consolidated sewer district. The consolidation may be initiated in either of the following ways: Ten percent of the legal electors residing within each of the sewer districts proposed to be consolidated may petition the board of sewer commissioners of each of their respective sewer districts to cause the question to be submitted to the legal electors of the

sewer districts proposed to be consolidated; or, the boards of sewer commissioners of each of the sewer districts proposed to be consolidated may by resolution determine that the consolidation of such districts shall be conducive to the public health, welfare, and convenience and to be of special benefit to the lands of such districts.

Sec. 10. Section 9, chapter 197, Laws of 1967 as amended by section 6, chapter 86, Laws of 1975 1st ex. sess. and RCW 56.32.080 are each amended to read as follows:

Whenever ~~((there are))~~ two sewer districts ~~((the territories of which are adjoining or in close proximity to each other))~~ desire to merge, either district hereinafter referred to as the "merging district", may merge into the other districts, hereinafter referred to as the "merger district", and the merger district will survive under its original name or number.

Sec. 11. Section 1, chapter 267, Laws of 1943 as last amended by section 28, chapter 17, Laws of 1982 1st ex. sess. and RCW 57.32.010 are each amended to read as follows:

Two or more water districts ~~((adjoining or in close proximity to each other.))~~ may be joined into one consolidated water district. The consolidation may be initiated in either of the following ways: Ten percent of the legal electors residing within each of the water districts proposed to be consolidated may petition the board of water commissioners of each of their respective water districts to cause the question to be submitted to the legal electors of the water districts proposed to be consolidated; or the boards of water commissioners of each of the water districts proposed to be consolidated may by resolution determine that the consolidation of the districts shall be conducive to the public health, welfare, and convenience and to be of special benefit to the lands of the districts.

Sec. 12. Section 1, chapter 28, Laws of 1961 as last amended by section 29, chapter 17, Laws of 1982 1st ex. sess. and RCW 57.36.010 are each amended to read as follows:

Whenever ~~((there are))~~ two water districts ~~((the territories of which are adjoining or in close proximity to each other))~~ desire to merge, either district, hereinafter referred to as the "merging district", may merge into the other district, hereinafter referred to as the "merger district", and the merger district will survive under its original number. ~~((The term "in proximity to" as used hereinabove shall mean within one mile of each other, measured in a straight line between the closest points of approach of the territorial boundaries of the two districts.))~~

NEW SECTION. Sec. 13. A new section is added to chapter 36.93 RCW to read as follows:

The proposal by a water district or sewer district to annex territory that is not adjacent to the district shall not be deemed to be violative of the objectives of a boundary review board solely due to the fact that the territory is not adjacent to the water district or sewer district. The proposed consolidation or merger of two or more water districts or two or more sewer districts that are not adjacent to each other shall not be deemed to be violative of the objectives of a boundary review board solely due to the fact that the districts are not adjacent.

NEW SECTION. Sec. 14. A new section is added to chapter 57.08 RCW to read as follows:

A water district may enter into a contract with any person, corporation, or other entity, public or private, that owns a water system located in the water district to manage, operate, maintain, or repair the water system. Such a contract may be entered into only if the general comprehensive plan of the water district reflects the water system that is to be so managed, operated, maintained, or repaired.

A water district shall be liable to provide the services provided in such a contract only if the required contractual payments are made to the district, and such payments shall be secured by a lien on the property served by the water system to the same extent that rates and charges imposed by the water district constitute liens on the property served by the district. The responsibility for all costs incurred by the water system in complying with water quality laws, regulations, and standards shall be solely that of the water system and not the water district, except to the extent payments have been made to the district for the costs of such compliance.

A water district periodically may transfer to another account surplus moneys that may accumulate in an account established by the district to receive payments for the provision of services for such a water system.

Sec. 15. Section 1, chapter 449, Laws of 1987 and RCW 56.08.010 are each amended to read as follows:

A sewer district may acquire by purchase or by condemnation and purchase all lands, property rights, water, and water rights, both within and without the district, necessary for its purposes. A sewer district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of sewer commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities and towns, insofar as consistent with the provisions of this title, except that all assessments or reassessment rolls required to be filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the district, and the duties devolving upon the city treasurer shall be imposed upon the county treasurer for the purposes hereof; it may construct, condemn and purchase, add to, maintain, and operate systems of sewers for the purpose of furnishing the district and inhabitants thereof with an adequate system of sewers for all uses

and purposes, public and private, including but not limited to on-site sewage disposal facilities, approved septic tanks or approved septic tank systems, other facilities and systems for the collection, interception, treatment, and disposal of wastewater, and for the control of pollution from wastewater and for the protection, preservation, and rehabilitation of surface and underground waters, facilities for the drainage of storm or surface waters, public highways, streets, and roads with full authority to regulate the use and operation thereof and the service rates to be charged. Such sewage facilities may include facilities which result in combined sewage disposal, treatment, or drainage and electric generation, provided that the electricity generated thereby is a byproduct of the system of sewers. Such electricity may be used by the sewer district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of sewage disposal, treatment, or drainage. For such purposes a district may conduct sewage throughout the district and throughout other political subdivisions within the district, and construct and lay sewer pipe along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such sewer pipe. A district may erect sewage treatment plants, within or without the district, and may acquire by purchase or condemnation, properties or privileges necessary to be had to protect any lakes, rivers, or watercourses and also other areas of land from pollution, from its sewers or its sewage treatment plant. For the purposes of sewage facilities which include facilities which result in combined sewage disposal, treatment, or drainage and electric generation where the electric generation is a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner. A district may charge property owners seeking to connect to the district system of sewers, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system. For purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants.

The connection charge may include interest charges applied from the date of construction of the sewer system until the connection, or for a period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the sewer system, or at the time of installation of the sewer lines to which the property owner is seeking to connect.

A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars per parcel for each year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer. A district may compel all property owners within the sewer district located within an area served by the district system of sewers to connect their private drain and sewer systems with the district system under such penalty as the sewer commissioners shall prescribe by resolution. The district may for such purpose enter upon private property and connect the private drains or sewers with the district system and the cost thereof shall be charged against the property owner and shall be a lien upon property served.

Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule.

Sec. 16. Section 17, chapter 210, Laws of 1941 as last amended by section 47, chapter 186, Laws of 1984 and RCW 56.16.030 are each amended to read as follows:

(1) In the same manner as herein provided for the adoption of the general comprehensive plan, and after the adoption of the general comprehensive plan, a plan providing for additions and betterments to the general comprehensive plan, or reorganized district may be adopted. Without limiting its generality "additions and betterments" shall include any necessary change in, amendment of, or addition to the general comprehensive plan. The sewer district may incur a general indebtedness payable from annual tax levies to be made in excess of the constitutional and/or statutory tax limitations for the construction of the additions and betterments in the same way the general indebtedness may be incurred for the construction of the general comprehensive plan as provided in RCW 56.16.010. Upon ratification by the voters of the entire district, of the proposition to incur such indebtedness, the additions and betterments may be carried out by the sewer commissioners to the extent specified or referred to in the proposition to incur such general indebtedness. The sewer district may issue revenue bonds to pay for the construction of the additions and betterments by resolution of the board of sewer commissioners.

(2) After the effective date of this act, when the district adopts a general comprehensive plan or plans for an area annexed as provided for in RCW 56.08.020, the district shall include a long-term plan for financing the planned projects.

NEW SECTION, Sec. 17. If the sewer district approves an extension to the sewer system, the district shall contract with owners of real estate located within the district boundaries, at an owner's request, for the purpose of permitting extensions to the district's sewer system to be constructed by such owner at such owner's sole cost where such extensions are required as a prerequisite to further property development. The contract shall contain such conditions as the district may require pursuant to the district's adopted policies and standards. The district shall request comprehensive plan approval for such extension, if required, and connection of the extension to the district system is conditioned upon:

(1) Construction of such extension according to plans and specifications approved by the district;

(2) Inspection and approval of such extension by the district;

(3) Transfer to the district of such extension without cost to the district upon acceptance by the district of such extension;

(4) Payment of all required connection charges to the district;

(5) Full compliance with the owner's obligations under such contract and with the district's rules and regulations;

(6) Provision of sufficient security to the district to ensure completion of the extension and other performance under the contract;

(7) Payment by the owner to the district of all of the district's costs associated with such extension including, but not limited to, the district's engineering, legal, and administrative costs; and

(8) Verification and approval of all contracts and costs related to such extension.

NEW SECTION, Sec. 18. The contract shall also provide, subject to the terms and conditions in this section, for the reimbursement to the owner or the owner's assigns for a period not to exceed fifteen years of a portion of the costs of the sewer facilities constructed pursuant to such contract from connection charges received by the district from other property owners who subsequently connect to or use the sewer facilities within the fifteen-year period and who did not contribute to the original cost of such sewer facilities.

NEW SECTION, Sec. 19. The reimbursement shall be a pro rata share of construction and contract administration costs of the sewer project. Reimbursement for sewer projects shall include, but not be limited to, design, engineering, installation, and restoration.

NEW SECTION, Sec. 20. The procedures for reimbursement contracts shall be governed by the following:

(1) A reimbursement area shall be formulated by the board of commissioners within a reasonable time after the acceptance of the extension. The reimbursement shall be based upon a determination by the board of commissioners of which parcels would require similar sewer improvements upon development.

(2) The contract must be recorded in the appropriate county auditor's office after the final execution of the agreement.

NEW SECTION, Sec. 21. As an alternative to financing projects under this chapter solely by owners of real estate, sewer districts may join in the financing of improvement projects and may be reimbursed in the same manner as the owners of real estate who participate in the projects, if the board of commissioners has specified the conditions of its participation in a resolution.

Sec. 22. Section 8, chapter 114, Laws of 1929 as last amended by section 1, chapter 11, Laws of 1988 and RCW 57.08.010 are each amended to read as follows:

(1) (a) A water district may acquire by purchase or condemnation, or both, all property and property rights and all water and water rights, both within and without the district, necessary for its purposes.

(b) A water district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of water commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby.

(c) The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities of the third class, insofar as consistent with the provisions of this title, except that all assessment rolls to be prepared and filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the water district, and the duties devolving upon the city treasurer are hereby imposed upon the county treasurer.

(d) A water district may construct, condemn and purchase, purchase, add to, maintain and supply waterworks to furnish the district and inhabitants thereof, and any city or town therein and any other persons, both within and without the district, with an ample supply of water for all uses and purposes public and private with full authority to regulate and control the use, content, distribution, and price thereof in such a manner as is not in conflict with general law.

(e) A water district contiguous to Canada may contract with a Canadian corporation for the purchase of water and for the construction, purchase, maintenance and supply of waterworks to furnish the district and inhabitants thereof and residents of Canada with an ample supply of water under terms approved by the board of commissioners. Such waterworks may include facilities which result in combined water supply and electric generation, provided that the electricity generated thereby is a byproduct of the water supply system.

(f) Such electricity may be used by the water district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of water supply.

(g) For such purposes, a water district may take, condemn and purchase, purchase, acquire and retain water from any public or navigable lake, river or watercourse, or any underflowing water and, by means of aqueducts or pipe line conduct the same throughout such water district and any city or town therein and carry it along and upon public highways, roads and streets, within and without such district.

(h) For the purpose of constructing or laying aqueducts or pipe lines, dams, or waterworks or other necessary structures in storing and retaining water or for any other lawful purpose such water district may occupy the beds and shores up to the high water mark of any such lake, river, or other watercourse, and may acquire by purchase or condemnation such property or property rights or privileges as may be necessary to protect its water supply from pollution.

(i) For the purposes of waterworks which include facilities for the generation of electricity as a byproduct, nothing in this section may be construed to authorize a water district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner.

(2) A water district may purchase and take water from any municipal corporation.

(3) A water district may fix rates and charges for water supplied and may charge property owners seeking to connect to the district's water supply system, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system.

(a) For purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants.

(b) The connection charge may include interest charges applied from the date of construction of the water system until the connection, or for a period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the water system, or at the time of installation of the water lines to which the property owner is seeking to connect.

(4) (a) A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars for each year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer.

(b) Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule.

Sec. 23, Section 6, chapter 18, Laws of 1959 as last amended by section 2, chapter 213, Laws of 1982 and RCW 57.16.010 are each amended to read as follows:

The water district commissioners before ordering any improvements hereunder or submitting to vote any proposition for incurring any indebtedness shall adopt a general comprehensive plan of water supply for the district. They shall investigate the several portions and sections of the district for the purpose of determining the present and reasonably foreseeable future needs thereof; shall examine and investigate, determine and select a water supply or water supplies for such district suitable and adequate for present and reasonably foreseeable future needs thereof; and shall consider and determine a general system or plan for acquiring such water supply or water supplies; and the lands, waters and water rights and easements necessary therefor, and for retaining and storing any such waters, erecting dams, reservoirs, aqueducts and pipe lines to convey the same throughout such district. There may be included as part of the system the installation of fire hydrants at suitable places throughout the district, and the purchase and maintenance of necessary fire fighting equipment and apparatus, together with facilities for housing same. The water district commissioners shall determine a general comprehensive plan for distributing such water throughout such portion of the district as may then reasonably be served by means of subsidiary aqueducts and pipe lines, and the method of distributing the cost and expense thereof against such water district and against local improvement districts or utility local improvement districts within such water district for any

lawful purpose, and including any such local improvement district or utility local improvement district lying wholly or partially within the limits of any city or town in such district, and shall determine whether the whole or part of the cost and expenses shall be paid from water revenue bonds. After the effective date of this act, when the district adopts a general comprehensive plan or plans for an area annexed as provided for in RCW 57.16.010, the district shall include a long-term plan for the planned projects. The commissioners may employ such engineering and legal service as in their discretion is necessary in carrying out their duties.

The general comprehensive plan shall be adopted by resolution and submitted to an engineer designated by the legislative authority of the county in which fifty-one percent or more of the area of the district is located, and to the director of health of the county in which the district or any portion thereof is located, and must be approved in writing by the engineer and director of health. The general comprehensive plan shall be approved, conditionally approved, or rejected by the director of health within sixty days of the plan's receipt and by the designated engineer within sixty days of the plan's receipt.

Before becoming effective, the general comprehensive plan shall also be submitted to, and approved by resolution of, the legislative authority of every county within whose boundaries all or a portion of the water district lies. The general comprehensive plan shall be approved, conditionally approved, or rejected by each of these county legislative authorities pursuant to the criteria in RCW 57.02.040 for approving the formation, reorganization, annexation, consolidation, or merger of water districts, and the resolution, ordinance, or motion of the legislative body which rejects the comprehensive plan or a part thereof shall specifically state in what particular the comprehensive plan or part thereof rejected fails to meet these criteria. The legislative body may not impose requirements restricting the maximum size of the water supply facilities provided for in the comprehensive plan: PROVIDED, That nothing in this chapter shall preclude a county from rejecting a proposed plan because it is in conflict with the criteria in RCW 57.02.040. Each general comprehensive plan shall be deemed approved if the county legislative authority fails to reject or conditionally approve the plan within ninety days of the plan's submission to the county legislative authority or within thirty days of a hearing on the plan when the hearing is held within ninety days of submission to the county legislative authority: PROVIDED, That the water commissioners and the county legislative authority may mutually agree to an extension of the deadlines in this section. If the district includes portions or all of one or more cities or towns, the general comprehensive plan shall be submitted also to, and approved by resolution of, the legislative authority of cities and towns before becoming effective. The general comprehensive plan shall be deemed approved by the city or town legislative authority if the city or town legislative authority fails to reject or conditionally approve the plan within ninety days of the plan's submission to the city or town or within thirty days of a hearing on the plan when the hearing is held within ninety days of submission to the county legislative authority.

Before becoming effective, any amendment to, alteration of, or addition to, a general comprehensive plan shall also be subject to such approval as if it were a new general comprehensive plan: PROVIDED, That only if the amendment, alteration, or addition affects a particular city or town, shall the amendment, alteration or addition be subject to approval by such particular city or town legislative authority.

NEW SECTION. Sec. 24. If the water district approves an extension to the water system, the district shall contract with owners of real estate located within the district boundaries, at an owner's request, for the purpose of permitting extensions to the district's water system to be constructed by such owner at such owner's sole cost where such extensions are required as a prerequisite to further property development. The contract shall contain such conditions as the district may require pursuant to the district's adopted policies and standards. The district shall request comprehensive plan approval for such extension, if required, and connection of the extension to the district system is conditioned upon:

- (1) Construction of such extension according to plans and specifications approved by the district;
- (2) Inspection and approval of such extension by the district;
- (3) Transfer to the district of such extension without cost to the district upon acceptance by the district of such extension;
- (4) Payment of all required connection charges to the district;
- (5) Full compliance with the owner's obligations under such contract and with the district's rules and regulations;
- (6) Provision of sufficient security to the district to ensure completion of the extension and other performance under the contract;
- (7) Payment by the owner to the district of all of the district's costs associated with such extension including, but not limited to, the district's engineering, legal, and administrative costs; and
- (8) Verification and approval of all contracts and costs related to such extension.

NEW SECTION. Sec. 25. The contract shall also provide, subject to the terms and conditions in this section, for the reimbursement to the owner or the owner's assigns for a period not to exceed fifteen years of a portion of the costs of the water facilities constructed pursuant to such

contract from connection charges received by the district from other property owners who subsequently connect to or use the water facilities within the fifteen-year period and who did not contribute to the original cost of such water facilities.

NEW SECTION. Sec. 26. The reimbursement shall be a pro rata share of construction and reimbursement of contract administration costs of the water project. Reimbursement for water projects shall include, but not be limited to, design, engineering, installation, and restoration.

NEW SECTION. Sec. 27. The procedures for reimbursement contracts shall be governed by the following:

(1) A reimbursement area shall be formulated by the board of commissioners within a reasonable time after the acceptance of the extension. The reimbursement shall be based upon a determination by the board of commissioners of which parcels would require similar water improvements upon development.

(2) The contract must be recorded in the appropriate county auditor's office after the final execution of the agreement.

NEW SECTION. Sec. 28. As an alternative to financing projects under this chapter solely by owners of real estate, a water district may join in the financing of improvement projects and may be reimbursed in the same manner as the owners of real estate who participate in the projects, if the water district has specified the conditions of its participation in a resolution.

NEW SECTION. Sec. 29. (1) Sections 17 through 21 of this act shall constitute a new chapter in Title 56 RCW.

(2) Sections 24 through 28 of this act shall constitute a new chapter in Title 57 RCW."

On motion of Senator McCaslin, the following amendment to the Committee on Governmental Operations amendment was adopted:

On page 24, after line 32 of the amendment, insert the following:

***NEW SECTION.** Sec. 29. A new section is added to chapter 56.12 RCW to read as follows:

Whenever such a list is prepared, the district shall attempt to notify each owner of the requirements necessary to establish their authority to vote. Whenever lots or parcels in the district are sold, the district shall attempt to notify the purchasers of the requirements necessary to establish their authority to vote. Each special district shall provide a copy of this list, and any revised list, to the auditor of the county within which all or most of the special district is located.

POINT OF INQUIRY

Senator Rasmussen: "Senator McCaslin, I wanted to ask you, if it is a small sewer district, but if I'm not a resident--I may own land--can I come in and be on the board and get elected? Is that right?"

Senator McCaslin: "You get elected and then you're on the board."

Senator Rasmussen: "Yes, and it's very easy, because I have maybe two or three friends and I take over control of the district even though it's a small district and I'm not a resident of the district. That's a new approach. I'm not so sure it's good. Maybe you could explain to me why this change is needed."

Senator McCaslin: "May I yield my time to Senator Anderson, because I'm not trying to spend more time than I should here, Mr. President?"

Senator Rasmussen: "I did have property in a district and they did assess it and it was taxation without representation and I felt real bad about it, but never the less, I felt that the people there had the right to handle the sewer district. I'm just curious why this is needed. Maybe Ann has an answer."

Senator McCaslin: "Before Senator Anderson responds, let me tell you something, Senator Rasmussen, that is in statute at the present time. I ran into it in Fire District 1 in Spokane County which is the largest fully-manned fire district in the state of Washington, and it covers about eighty some thousand people. Now the oddity in our law, today, is you could own every inch of property in that fire district--every inch of property--and live outside of the boundaries and not have a vote--you would not have a vote. All the people who didn't own property and

lived there could vote whatever assessment they wanted, but you, the legal owner of all that property, could not vote, so we've got some real odd things. This is to correct one of those odd things. Speaking of odd things, I'd like to introduce Senator Anderson."

REMARKS BY SENATOR ANDERSON

Senator Anderson: "Thank you, Mr. President, and thank you, Senator McCaslin. To answer your question, Senator Rasmussen, I had actually two cases in my district where this is applicable. The first case was a very small district that has three commissioners. All three of the commissioners were very elderly. One of the commissioners went to the hospital; the second commissioner got gravely ill, so they were down to one commissioner and had nobody else in the district. They all had been commissioners before--nobody else would take that position--so they had one commissioner and they couldn't transact any business. They had some property owners there who were willing to do it, but they didn't live on the property. They were in the process of building on that property.

"The second circumstance was that I had another smaller water district with seven residents. All seven of those residents, at one time, had been a commissioner. Nobody wanted to do it any more, so nobody was running and being elected. They had nobody else to chose from. Again, there were property owners there that lived some place else and were planning on moving in, but could not be commissioners there until they actually lived there. So, in two instances already in my area, I've had cases where the districts have been so small, they simply could not get commissioners to run for the water district."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1217, as amended by the Senate.

MOTION

On motion of Senator Kreidler, Senator Rinehart was excused.

SECOND READING

ENGROSSED HOUSE BILL NO. 1844, by Representatives Doty, Rasmussen, Heavey, Cole, Ballard, Leonard, Schoon, Nealey, Walker, Ferguson, May, Moyer, Brough, Miller, Bowman, Wood and Patrick

Regulating house-to-house sales.

The bill was read the second time.

MOTION

On motion of Senator Lee, the rules were suspended, Engrossed House Bill No. 1844 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Hayner: "Senator Lee, Engrossed House Bill No. 1844 regulates the employment of youths, sixteen and seventeen years old and younger, in house-to-house sales. What type of jobs are intended to be covered?"

Senator Lee: "Senator Hayner, the only young people who are intended to be covered are those who may be exploited in travelling youth crew selling jobs that usually promise glamour and high wages. It does not cover jobs of young salespersons still living at home with jobs which are part time for extra money, because there are many legitimate income opportunities in house-to-house selling. These are not covered by the proposed law.

"What the bill does address is the real problems which occur with jobs that transport the young employees in teams to locations away from home without any easy means of contacting home. The crew leaders often require them to live in certain places and control their working and free time. The employees are given only a small part of their earnings for living expenses and are punished by having their wages withheld. The hours of work often exceed normal full-time employment and any free time is filled with obligatory meetings, so that is what this bill would cover--those exploitation procedures."

Senator Hayner: "One further question. Did the business community express any concern about the scope of Engrossed House Bill No. 1844, and if so what were those concerns?"

Senator Lee: "There were not any concerns expressed during the hearings, but after the hearings were over and the bill was here in the Rules Committee in the Senate and had passed the House, someone from the business community did call the House sponsor and contacted us here in the Senate after it had its hearing and expressed concern that the term 'advertisement' is not defined. Yet, it is a deceptive trade practice if the advertising promises what it does not deliver.

"However, the terms of Section 2 only apply to advertisements in print which specifically prescribe a minimum age for job qualification purposes. As a result, advertisements which do not specify age are not affected by the bill. I do not believe legitimate businesses need to be concerned. None of the ones who appeared before us were concerned. The organizations such as the Seventh Day Adventists and so on who do have house-to-house sales as training for their young people felt that the bill adequately protected their activities, so it should not interfere with any business if they are not engaged in abusive sales practices."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Engrossed House Bill No. 1844.

(2) The tax shall be levied and collected in an amount equal to the value of the article used by the taxpayer multiplied by the rate in effect for the public utility tax on gas distribution businesses under RCW 82.16.020(1)(b). The "value of the article used" does not include any amounts that are paid for the hire or use of a gas distribution business as defined in RCW 82.16.010(7) in transporting the gas subject to tax under this subsection if those amounts are subject to tax under that chapter.

(3) The tax levied in this section shall not apply to the use of natural or manufactured gas if the person who sold the gas to the consumer has paid a tax under RCW 82.16.020(1)(b) with respect to the gas for which exemption is sought under this subsection.

(4) There shall be a credit against the tax levied under this section in an amount equal to any tax paid by:

(b) The person consuming the gas upon which a use tax similar to the tax imposed by this section was paid to another state with respect to the gas for which a credit is sought under this subsection.

(5) The use tax hereby imposed shall be paid by the consumer to the department.

(6) There is imposed a reporting requirement on the person who delivered the gas to the consumer to make a quarterly report to the department. Such report shall contain the volume of gas delivered, name of the consumer to whom delivered, and such other information as the department shall require by rule.

MOTIONS

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that the ratio of women to men in intercollegiate athletics in Washington's higher education system is inequitable. It is the intent of the legislature, through additional tuition and fee waivers, to achieve gender equity in intercollegiate athletics.

Sec. 2. Section 1, chapter 262, Laws of 1979 ex. sess. as last amended by section 3, chapter 232, Laws of 1986 and RCW 28B.15.740 are each amended to read as follows:

(1) The boards of trustees or regents of each of the state's regional universities, The Evergreen State College, or state universities, and the various community colleges, consistent with regulations and procedures established by the state board for community college education, may waive, in whole or in part, tuition and services and activities fees subject to the limitations set forth in subsections (2) and (3).

(2) Except as provided in subsection (3) of this section, the total dollar amount of tuition and fee waivers awarded by any state university, regional university, or state college, shall not exceed four percent, and for the community colleges considered as a whole, such amount shall not exceed three percent of an amount determined by estimating the total collections from tuition and services and activities fees had no such waivers been made and deducting the portion of that total amount which is attributable to the difference between resident and nonresident fees: PROVIDED, That at least three-fourths of the dollars waived shall be for needy students who are eligible for resident tuition and fee rates pursuant to RCW 28B.15.012 through 28B.15.015: PROVIDED FURTHER, That the remainder of the dollars waived, not to exceed one-fourth of the total, may be applied to other students at the discretion of the board of trustees or regents, except on the basis of participation in intercollegiate athletic programs: PROVIDED FURTHER, That the waivers for undergraduate and graduate students of foreign nations under RCW 28B.15.556 are not subject to the limitation under this section.

(3) In addition to the tuition and fee waivers provided in subsection (2) of this section, a total dollar amount of tuition and fee waivers awarded by any state university, regional university, or state college, not to exceed one percent, as calculated in subsection (2) of this section, may be used for the purpose of achieving or maintaining gender equity in intercollegiate

athletic programs. At any institution that has an underrepresented gender class in intercollegiate athletics, any such waivers shall be awarded:

(a) First, to members of the underrepresented gender class who participate in intercollegiate athletics, where such waivers result in saved or displaced money that can be used for athletic programs for the underrepresented gender class. Such saved or displaced money shall be used for programs for the underrepresented gender class; and

(b) Second, (i) to nonmembers of the underrepresented gender class who participate in intercollegiate athletics, where such waivers result in saved or displaced money that can be used for athletic programs for members of the underrepresented gender class. Such saved or displaced money shall be used for programs for the underrepresented gender class; or (ii) to members of the underrepresented gender class who participate in intercollegiate athletics, where such waivers do not result in any saved or displaced money that can be used for athletic programs for members of the underrepresented gender class.

NEW SECTION, Sec. 3. Institutions of higher education shall strive to accomplish the following goals:

(1) Provide the following benefits and services equitably to male and female athletes participating in intercollegiate athletic programs: Equipment and supplies; medical services; services and insurance; transportation and per diem allowances; opportunities to receive coaching and instruction; scholarships and other forms of financial aid; conditioning programs; laundry services; assignment of game officials; opportunities for competition, publicity, and awards; and scheduling of games and practice times, including use of courts, gyms, and pools. Each institution which provides showers, toilets, lockers, or training room facilities for athletic purposes shall provide access to comparable facilities for both males and females.

(2) Provide equitable intercollegiate athletic opportunities for male and female students including opportunities to participate and to receive the benefits of the services listed in subsection (1) of this section.

(3) Provide participants with female and male coaches and administrators to act as role models.

NEW SECTION, Sec. 4. (1) An institution of higher education may grant waivers for the purpose of achieving gender equity in intercollegiate athletic programs as authorized in section 2 of this act, for the 1991-92 academic year only if the institution's governing board has adopted a plan for complying with the provisions of section 3 of this act and submitted the plan to the higher education coordinating board.

(2) Beginning in the 1992-93 academic year, an institution of higher education shall not grant any waiver for the purpose of achieving gender equity in intercollegiate athletic programs as authorized in section 2 of this act unless the institution's plan has been approved by the higher education coordinating board.

(3) The plan shall include, but not be limited to:

(a) For any institution with an underrepresented gender class, provisions that ensure that by July 1, 1994, the institution shall provide athletic opportunities for the underrepresented gender class at a rate that meets or exceeds the rate at which that class participates in high school interscholastic athletics in Washington state not to exceed the point at which the underrepresented gender class is no longer underrepresented;

(b) Activities to be undertaken by the institution to increase participation rates of any underrepresented gender class in interscholastic and intercollegiate athletics. These activities may include, but are not limited to: Sponsoring equity conferences, coaches clinics and sports clinics; and taking a leadership role in working with athletic conferences to reduce barriers to participation by those gender classes in interscholastic and intercollegiate athletics;

(c) An identification of barriers to achieving and maintaining equitable intercollegiate athletic opportunities for men and women; and

(d) Measures to achieve institutional compliance with the provisions of section 3 of this act.

NEW SECTION, Sec. 5. (1) The higher education coordinating board shall report biennially, beginning December 1990, to the governor and the house of representatives and senate committees on higher education, on institutional efforts to comply with the requirements of sections 2 through 4 of this act. Each report shall include recommendations on measures to assist institutions with compliance. The first report shall also include a recommendation on whether to grant this waiver authority to community college governing boards.

(2) Before the board makes its report in December 1994, the board shall assess the extent of institutional compliance with the requirements of sections 2 through 4 of this act. The 1994 report shall include a recommendation on whether to continue this waiver authority.

NEW SECTION, Sec. 6. (1) As used in and for the limited purposes of sections 1 and 3 through 5 of this act and RCW 28B.15.740, "underrepresented gender class" means female students or male students, where the ratio of participation of female or male students, respectively, in intercollegiate athletics is less than approximately the ratio of female to male students or male to female students, respectively, enrolled as undergraduates at an institution.

(2) As used in and for the limited purpose of subsection 4(b) of this act, an "underrepresented gender class" in interscholastic athletics means female students or male students, where

the ratio of participation of female or male students, respectively, in K-12 interscholastic athletics is less than approximately the ratio of female to male students or male to female students, respectively, enrolled in K-12 public schools in Washington.

NEW SECTION. Sec. 7. Nothing in this act shall be construed to excuse any institution from any more stringent requirement to achieve gender equity imposed by law, nor to permit any institution to decrease participation of any underrepresented gender class.

NEW SECTION. Sec. 8. Sections 1 and 3 through 6 of this act are each added to chapter 28B.15 RCW.

NEW SECTION. Sec. 9. This act shall expire on June 30, 1997."

POINT OF INQUIRY

Senator Smitherman: "Senator McDonald, I really haven't had a chance to read the amendments here, and to put them back to the bill and to really understand what's going on here. Would your amendment then cause WSU to receive one percent for the Gender Equity Program?"

Senator McDonald: "Yes, Senator Smitherman, as you know, presently, there's a four percent waiver, so four percent of the revenues collected through tuition can be waived in order to give a scholarship to various and sundry categories. What we are doing now is saying that there will be five percent waived and that will start for all schools—all four-year institutions—in the next biennium starting in 1991. If you adopt my amendments, then you will be starting it for those schools under court order, which is WSU, in the second year of this coming biennium, and that's the substance of the amendment."

Senator Smitherman: "Senator McDonald, would that mean the other schools would not get any percentage?"

Senator McDonald: "They will have to wait until the biennium following this one—the 91-93 biennium—then all four year institutions will receive the same."

Further debate ensued.

The mandatory settlement conference shall be presided over by a judge or a court commissioner, who shall apply the criteria in RCW 26.09.187 and 26.09.191. The parents shall in good faith review the proposed terms of the parenting plans and any other issues relevant to the cause of action with the presiding judge or court commissioner. Facts and legal issues that are not then in dispute shall be entered as stipulations for purposes of final hearing or trial in the matter.

~~((5))~~ (6) TRIAL SETTING. Trial dates for actions involving minor children brought under this chapter shall receive priority.

(7) ENTRY OF FINAL ORDER. The final order or decree shall be entered not sooner than ninety days after filing and service.

(8) This section does not apply to decrees of legal separation.

Sec. 9. Section 8, chapter 460, Laws of 1987 and RCW 26.09.184 are each amended to read as follows:

(1) OBJECTIVES. The objectives of the permanent parenting plan are to:

(a) Provide for the child's physical care;

(b) Maintain the child's emotional stability;

(c) Provide for the child's changing needs as the child grows and matures, in a way that minimizes the need for future modifications to the permanent parenting plan;

(d) Set forth the authority and responsibilities of each parent with respect to the child, consistent with the criteria in RCW 26.09.187 and 26.09.191;

(e) Minimize the child's exposure to harmful parental conflict;

(f) Encourage the parents, where appropriate under RCW 26.09.187 and 26.09.191, to meet their responsibilities to their ~~((dependent))~~ minor children through agreements in the permanent parenting plan, rather than by relying on judicial intervention; and

(g) To otherwise protect the best interests of the child consistent with RCW 26.09.002.

(2) CONTENTS OF THE PERMANENT PARENTING PLAN. The permanent parenting plan shall contain provisions for resolution of future disputes between the parents, allocation of decision-making authority, and residential provisions for the child ~~((and financial support for the child consistent with the criteria in RCW 26.09.187 and 26.09.191))~~.

(3) DISPUTE RESOLUTION. A process for resolving disputes, other than court action, shall be provided unless precluded or limited by RCW 26.09.187 or 26.09.191. A dispute resolution process may include counseling, mediation, or arbitration by a specified individual or agency, or court action. In ~~((setting forth a))~~ the dispute resolution process ~~((the permanent parenting plan shall state that))~~:

(a) Preference shall be given to carrying out the parenting plan;

(b) The parents shall use the designated process to resolve disputes relating to implementation of the plan, except those related to financial support, unless an emergency exists;

(c) A written record shall be prepared of any agreement reached in counseling or mediation and of each arbitration award and shall be provided to each party;

(d) If the court finds that a parent has used or frustrated the dispute resolution process without good reason, the court shall award attorneys' fees and financial sanctions to the prevailing parent; ~~((and~~

~~(d)))~~ (e) The parties have the right of review from the dispute resolution process to the superior court; and

(f) The provisions of (a) through (e) of this subsection shall be set forth in the decree.

(4) ALLOCATION OF DECISION-MAKING AUTHORITY.

(a) The plan shall allocate decision-making authority to one or both parties regarding the children's education, health care, and religious upbringing. The parties may incorporate an agreement related to the care and growth of the child in these specified areas, or in other areas, into their plan, consistent with the criteria in RCW 26.09.187 and 26.09.191. Regardless of the allocation of decision-making in the parenting plan, either parent may make emergency decisions affecting the health or safety of the child.

(b) ~~((The plan shall state that:~~

~~(b)))~~ Each parent may make decisions regarding the day-to-day care and control of the child while the child is residing with that parent~~((:))~~.

~~(((((c)))~~ (c) When mutual decision making is designated but cannot be achieved, the parties shall make a good-faith effort to resolve the issue through the dispute resolution process.

(5) RESIDENTIAL PROVISIONS FOR THE CHILD. The plan shall include a residential schedule which designates in which parent's home each ~~((dependent))~~ minor child shall reside on given days of the year, including provision for holidays, birthdays of family members, vacations, and other special occasions, consistent with the criteria in RCW 26.09.187 and 26.09.191.

(6) ~~((CHILD SUPPORT. Provision shall be made for the financial support of the child in accordance with RCW 26.09.100, 26.09.130, and 26.09.135. ~~(7) The plan shall state that))~~ PARENTS' OBLIGATION UNAFFECTED. If a parent fails to comply with a provision of a parenting plan, the other parent's obligations under the parenting plan are not affected.

(7) PROVISIONS TO BE SET FORTH IN PERMANENT PARENTING PLAN. The permanent parenting plan shall set forth the provisions of subsections (3) (a) through (c), (4) (b) and (c), and (6) of this section.

Sec. 10. Section 9, chapter 460, Laws of 1987 and RCW 26.09.187 are each amended to read as follows:

(1) DISPUTE RESOLUTION PROCESS. The court shall not order a dispute resolution process, except court action, ~~((#))~~ when it finds that any limiting factor under RCW 26.09.191 applies, or ~~((#))~~ when it finds that either parent is unable to afford the cost of the proposed dispute resolution process. If a dispute resolution process is not precluded or limited, then in designating such a process the court shall consider all relevant factors, including:

(a) Differences between the parents that would substantially inhibit their effective participation in any designated process;

(b) The parents' wishes or agreements and, if the parents have entered into agreements, whether the agreements were made knowingly and voluntarily; and

(c) Differences in the parents' financial circumstances that may affect their ability to participate fully in a given dispute resolution process.

(2) ALLOCATION OF DECISION-MAKING AUTHORITY.

(a) **AGREEMENTS BETWEEN THE PARTIES.** The court shall approve agreements of the parties allocating decision-making authority, or specifying rules in the areas listed in RCW 26.09.184(4)(a), ~~((where))~~ when it finds that:

(i) The agreement is consistent with any limitations on a parent's decision-making authority mandated by RCW 26.09.191; and

(ii) The agreement is knowing and voluntary.

(b) **SOLE DECISION-MAKING AUTHORITY.** The court shall order sole decision-making to one parent when it finds that:

(i) A limitation on the other parent's decision-making authority is mandated by RCW 26.09.191;

(ii) Both parents are opposed to mutual decision making;

(iii) One parent is opposed to mutual decision making, and such opposition is reasonable based on the criteria in (c) of this subsection;

(c) **MUTUAL DECISION-MAKING AUTHORITY.** Except as provided in (a) and (b) of this subsection, the court shall consider the following criteria in allocating decision-making authority:

(i) The existence of a limitation under RCW 26.09.191;

(ii) The history of participation of each parent in decision making in each of the areas in RCW 26.09.184(4)(a);

(iii) Whether the parents have a demonstrated ability and desire to cooperate with one another in decision making in each of the areas in RCW 26.09.184(4)(a); and

(iv) The parents' geographic proximity to one another, to the extent that it affects their ability to make timely mutual decisions.

(3) **RESIDENTIAL PROVISIONS.**

(a) The court shall make residential provisions for each child which encourage each parent to maintain a loving, stable, and nurturing relationship with the child, consistent with the child's developmental level and the family's social and economic circumstances. The child's residential schedule shall be consistent with RCW 26.09.191. Where the limitations of RCW 26.09.191 are not dispositive of the child's residential schedule, the court shall consider the following factors:

(i) The relative strength, nature, and stability of the child's relationship with each parent, including whether a parent has taken greater responsibility for performing parenting functions relating to the daily needs of the child;

(ii) The agreements of the parties, provided they were entered into knowingly and voluntarily;

(iii) Each parent's past and potential for future performance of parenting functions;

(iv) The emotional needs and developmental level of the child;

(v) The child's relationship with siblings and with other significant adults, as well as the child's involvement with his or her physical surroundings, school, or other significant activities; ~~((and))~~

(vi) The wishes of the parents and the wishes of a child who is sufficiently mature to express reasoned and independent preferences as to his or her residential schedule; and

(vii) Each parent's employment schedule, and shall make accommodations consistent with those schedules.

Factor (i) shall be given the greatest weight.

(b) The court may order that a child frequently alternate his or her residence between the households of the parents for brief and substantially equal intervals of time only if the court finds the following:

(i) No limitation exists under RCW 26.09.191;

(ii) (A) The parties have agreed to such provisions and the agreement was knowingly and voluntarily entered into; or

(B) The parties have a satisfactory history of cooperation and shared performance of parenting functions; the parties are available to each other, especially in geographic proximity, to the extent necessary to ensure their ability to share performance of the parenting functions; and

(iii) The provisions are in the best interests of the child.

~~((c) One household shall be designated the child's residence solely for purposes of jurisdiction, venue, and child support:))~~

Sec. 11. Section 10, chapter 460, Laws of 1987 and RCW 26.09.191 are each amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010(1) ~~((or an act of domestic violence which rises to the level of a felony))~~ or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

(2) The parent's residential time with the child shall be limited if it is found that the parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an

extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010(1) ~~((or an act of domestic violence which rises to the level of a felony))~~ or an assault or sexual assault which causes grievous bodily harm or the fear of such harm, unless the court expressly finds that the probability that the conduct will recur is so remote that it would not be in the child's best interests to apply the limitation or unless it is shown not to have had an impact on the child. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

- (a) A parent's neglect or substantial nonperformance of parenting functions;
- (b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;
- (c) A long-term impairment resulting from drug, alcohol, or other substance abuse that interferes with the performance of parenting functions;
- (d) The absence or substantial impairment of emotional ties between the parent and the child;
- (e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development;
- (f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or
- (g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(5) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

Sec. 12. Section 22, chapter 157, Laws of 1973 1st ex. sess. as amended by section 16, chapter 460, Laws of 1987 and RCW 26.09.220 are each amended to read as follows:

(1) ~~((In contested custody proceedings, and in other proceedings if a party so requests;))~~ The court may order an investigation and report concerning parenting arrangements for the child ((in an action for dissolution of marriage, legal separation, or declaration of invalidity)). The investigation and report may be made by the staff of the juvenile court or other professional social service organization experienced in counseling children and families.

(2) In preparing his report concerning a child, the investigator may consult any person who may have information about the child and the potential parenting or custodian arrangements. Upon order of the court, the investigator may refer the child to professional personnel for diagnosis. The investigator may consult with and obtain information from medical, psychiatric, or other expert persons who have served the child in the past without obtaining the consent of the parent or the child's custodian; but the child's consent must be obtained if he has reached the age of twelve, unless the court finds that the child lacks mental capacity to consent. If the requirements of subsection (3) of this section are fulfilled, the investigator's report may be received in evidence at the hearing.

(3) The court shall mail the investigator's report to counsel and to any party not represented by counsel at least ten days prior to the hearing unless a shorter time is ordered by the court for good cause shown. The investigator shall make available to counsel and to any party not represented by counsel the investigator's file of underlying data and reports, complete texts of diagnostic reports made to the investigator pursuant to the provisions of subsection (2) of this section, and the names and addresses of all persons whom the investigator has consulted. Any party to the proceeding may call the investigator and any person whom he has consulted for cross-examination. A party may not waive the right of cross-examination prior to the hearing.

Sec. 13. Section 24, chapter 157, Laws of 1973 1st ex. sess. as last amended by section 18, chapter 460, Laws of 1987 and RCW 26.09.240 are each amended to read as follows:

The court may order visitation rights for ~~((any))~~ a person other than a parent when visitation may serve the best interest of the child whether or not there has been any change of circumstances.

((Any)) A person other than a parent may petition the court for visitation rights at any time. The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child.

Sec. 14. Section 26, chapter 157, Laws of 1973 1st ex. sess. as amended by section 19, chapter 460, Laws of 1987 and RCW 26.09.260 are each amended to read as follows:

(1) The court shall not modify a prior custody decree or a parenting plan unless it finds, upon the basis of facts that have arisen since the prior decree or plan or that were unknown to the court at the time of the prior decree or plan, that a substantial change has occurred in the circumstances of the child or the ~~((parents))~~ nonmoving party and that the modification is in the best interest of the child and is necessary to serve the best interests of the child. In applying

these standards, the court shall retain the residential schedule established by the decree or parenting plan unless:

- (a) The parents agree to the modification;
- (b) The child has been integrated into the family of the petitioner with the consent of the other parent in substantial deviation from the parenting plan; or
- (c) The child's present environment is detrimental to the child's physical, mental, or emotional health and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child.

(2) If the court finds that a motion to modify a prior decree or parenting plan has been brought in bad faith, the court shall assess the attorney's fees and court costs of the nonmoving parent against the moving party.

Sec. 15. Section 27, chapter 157, Laws of 1973 1st ex. sess. and RCW 26.09.270 are each amended to read as follows:

A party seeking a temporary custody order or a temporary parenting plan or modification of a custody decree or parenting plan shall submit together with his motion, an affidavit setting forth facts supporting the requested order or modification and shall give notice, together with a copy of his affidavit, to other parties to the proceedings, who may file opposing affidavits. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the affidavits, in which case it shall set a date for hearing on an order to show cause why the requested order or modification should not be granted.

Sec. 16. Section 21, chapter 460, Laws of 1987 and RCW 26.09.285 are each amended to read as follows:

Solely for the purposes of all other state and federal statutes which require a designation or determination of custody, ~~((the court))~~ a parenting plan shall designate ~~((in a parenting plan one parent))~~ the parent with whom the child is scheduled to reside a majority of the time as the custodian of the child. However, this designation shall not affect either parent's rights and responsibilities under the parenting plan. In the absence of such a designation, the parent with whom the child ~~((resides))~~ is scheduled to reside the majority of the time shall be deemed to be the custodian of the child for the purposes of such federal and state statutes.

Sec. 17. Section 23, chapter 460, Laws of 1987 and RCW 26.09.907 are each amended to read as follows:

Notwithstanding the repeals of prior laws, actions which were properly and validly pending in the superior courts of this state as of January 1, 1988, shall not be governed ~~((and may be pursued to conclusion under the provisions of law applicable thereto at the time of commencement of such action and all decrees and orders heretofore or hereafter in all other respects regularly entered in such proceedings are declared valid))~~ by chapter 460, Laws of 1987 but shall be governed by the provisions of law in effect on December 31, 1987.

(1) Decrees under this chapter involving child custody, visitation, or child support entered in actions commenced prior to January 1, 1988, shall be deemed to be parenting plans for purposes of this chapter.

(2) The enactment of the 1987 revisions to this chapter does not constitute substantially changed circumstances for the purposes of modifying decrees entered under this chapter in actions commenced prior to January 1, 1988, involving child custody, visitation, or child support. An action to modify any decree involving child custody, visitation, child support, or a parenting plan which was commenced after December 31, 1987, shall be governed by the 1987 revisions to this chapter.

(3) Actions brought for clarification or interpretation of decrees entered under this chapter in actions commenced prior to January 1, 1988, shall be determined under the law in effect immediately prior to January 1, 1988.

Sec. 19. Section 30, chapter 460, Laws of 1987 and RCW 26.10.060 are each amended to read as follows:

- (1) Health insurance that can be extended to cover the child is available to that parent through an employer or other organization; and
- (2) The employer or other organization offering health insurance will contribute all or a part of the premium for coverage of the child.

A parent who is required to extend insurance coverage to a child under this section is liable for any covered health care costs for which the parent receives direct payment from an insurer.

This section shall not be construed to limit the authority of the court to enter or modify support orders containing provisions for payment of medical expenses, medical costs, or insurance premiums which are in addition to and not inconsistent with this section. "Health insurance" as used in this section does not include medical assistance provided under chapter 74.09 RCW.

Sec. 20. Section 31, chapter 460, Laws of 1987 and RCW 26.10.070 are each amended to read as follows:

Sec. 23. Section 14, chapter 42, Laws of 1975-'76 2nd ex. sess. as last amended by section 56, chapter 460, Laws of 1987 and RCW 26.26.130 are each amended to read as follows:

(1) The judgment and order of the court determining the existence or nonexistence of the parent and child relationship shall be determinative for all purposes.

(2) If the judgment and order of the court is at variance with the child's birth certificate, the court shall order that an amended birth certificate be issued.

(3) The judgment and order shall contain other appropriate provisions directed to the appropriate parties to the proceeding, concerning the duty of current and future support, the extent of any liability for past support furnished to the child if that issue is before the court, ~~((the custody and guardianship of the child, visitation privileges with the child;))~~ the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest of the child. The judgment and order may direct the father to pay the reasonable expenses of the mother's pregnancy and confinement.

(4) Support judgment and orders shall be for periodic payments which may vary in amount. The court may limit the father's liability for the past support to the child to the proportion of the expenses already incurred as the court deems just: PROVIDED HOWEVER, That the court shall not limit or affect in any manner the right of nonparties including the state of Washington to seek reimbursement for support and other services previously furnished to the child.

(5) In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, the court shall consider all relevant facts, including, but not limited to:

- (b) The standard of living and circumstances of the parents;
- (c) The relative financial means of the parents;
- (d) The earning ability of the parents;

(7) In any dispute between the natural parents of a child and a person or persons who have (a) commenced adoption proceedings or who have been granted an order of adoption, and (b) pursuant to a court order, or placement by the department of social and health services or by a licensed agency, have had actual custody of the child for a period of one year or more before court action is commenced by the natural parent or parents, the court shall consider the best welfare and interests of the child, including the child's need for situation stability, in determining the matter of custody, and the parent or person who is more fit shall have the superior right to custody.

Sec. 24. Section 47, chapter 460, Laws of 1987 and RCW 26.10.190 are each amended to read as follows:

child or the custodian and that the modification is necessary to serve the best interests of the child. In applying these standards, the court shall retain the custodian established by the prior ~~((order))~~ decree unless:

- (a) The custodian agrees to the modification;
- (b) The child has been integrated into the family of the petitioner with the consent of the custodian; or
- (c) The child's present environment is detrimental to his or her physical, mental, or emotional health and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child.

(2) If the court finds that a motion to modify a prior custody ~~((order))~~ decree has been brought in bad faith, the court shall assess the attorney's fees and court costs of the custodian against the petitioner.

In the absence of such a designation, the parent with whom the child is scheduled to reside the majority of the time shall be deemed to be the custodian of the child for the purposes of such federal and state statutes.

NEW SECTION. Sec. 26. A new section is added to chapter 26.50 RCW to read as follows:

Solely for the purposes of all other state and federal statutes which require a designation or determination of custody, a parenting plan shall designate the parent with whom the child is scheduled to reside a majority of the time as the custodian of the child. However, this designation shall not affect either parent's rights and responsibilities under the parenting plan. In the absence of such a designation, the parent with whom the child is scheduled to reside the majority of the time shall be deemed to be the custodian of the child for the purposes of such federal and state statutes.

When the jurisdiction of a district or municipal court is limited to the issuance and enforcement of a temporary order, the district or municipal court shall set the full hearing provided for in RCW 26.50.050 in superior court and transfer the case. If the notice and order are not served on the respondent in time for the full hearing, the issuing

court shall have concurrent jurisdiction with the superior court to extend the order for protection.

(3) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid abuse. In entering a decree of dissolution of marriage, legal separation, or declaration of invalidity, the court shall determine the marital status of the parties, make provision for a parenting plan for any minor child of the marriage, make provision for the support of any child of the marriage entitled to support, consider or approve provision for the maintenance of either spouse, make provision for the disposition of property and liabilities of the parties, make provision for the allocation of the children as federal tax exemptions, make provision for any necessary continuing restraining orders, and make provision for the change of name of any party ~~((entitled to such a change))~~.

Sec. 30. Section 15, chapter 157, Laws of 1973 1st ex. sess. and RCW 26.09.150 are each amended to read as follows:

A decree of dissolution of marriage, legal separation, or declaration of invalidity is final when entered, subject to the right of appeal. An appeal which does not challenge the finding that the marriage is irretrievably broken or was invalid, does not delay the finality of the dissolution or declaration of invalidity and either party may remarry pending such an appeal.

No earlier than six months after entry of a decree of legal separation, on motion of either party, the court shall convert the decree of legal separation to a decree of dissolution of marriage. The clerk of court shall complete the certificate as provided for in RCW 70.58.200 on the form provided by the department of social and health services. On or before the tenth day of each month, the clerk of the court shall forward to the state registrar of vital statistics the certificate of each decree of divorce, dissolution of marriage, annulment, or separate maintenance granted during the preceding month.

Sec. 31. Section 28, chapter 460, Laws of 1987 and RCW 26.10.040 are each amended to read as follows:

In entering an order under this chapter, the court shall consider, approve, or make provision for:

- (1) Child custody, visitation, and the support of any child entitled to support;
- (2) The allocation of the children as a federal tax exemption; and
- (3) Any necessary continuing restraining orders.

NEW SECTION. Sec. 32. A new section is added to chapter 26.10 RCW to read as follows:

(1) In a proceeding under this chapter either party may file a motion for temporary support of children entitled to support. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amount requested.

(2) In a proceeding under this chapter either party may file a motion for a temporary restraining order or preliminary injunction, providing relief proper in the circumstances, and restraining or enjoining any person from:

(a) Molesting or disturbing the peace of the other party or of any child and, upon a showing by clear and convincing evidence that the party so restrained or enjoined has used or displayed or threatened to use a deadly weapon as defined in RCW 9A.04.110 in an act of violence or has previously committed acts of domestic violence and is likely to use or display or threaten to use a deadly weapon in an act of domestic violence, requiring the party to surrender any deadly weapon in his immediate possession or control or subject to his immediate possession or control to the sheriff of the county having jurisdiction of the proceeding or to the restrained or enjoined party's counsel or to any person designated by the court. The court may order temporary surrender of deadly weapons without notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for response has elapsed;

(b) Entering the family home or the home of the other party upon a showing of the necessity therefor;

(c) Removing a child from the jurisdiction of the court.

(3) The court may issue a temporary restraining order without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(4) The court may issue a temporary restraining order or preliminary injunction and an order for temporary support in such amounts and on such terms as are just and proper in the circumstances.

(5) Restraining orders issued under this section restraining the person from molesting or disturbing another party or from entering a party's home shall bear the legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.10 RCW AND WILL SUBJECT A VIOLATOR TO ARREST.

(6) The court may order that any temporary restraining order granted under this section be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(7) A temporary order, temporary restraining order, or preliminary injunction:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified;

(c) Terminates when the final order is entered or when the motion is dismissed;

(d) May be entered in a proceeding for the modification of an existing order.

Notice of the proceeding shall be served upon the office of support enforcement personally, or by certified mail, and shall be given no fewer than thirty days prior to the date of the final proceeding. An original copy of the notice shall be filed with the court either before service or within a reasonable time thereafter. NEW SECTION. Sec. 34. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

MOTIONS

On motion of Senator Pullen, the following Committee on Law and Justice amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter:

(1) "Contempt of court" means intentional:
(a) Disorderly, contemptuous, or insolent behavior toward the judge while holding the court, tending to impair its authority, or to interrupt the due course of a trial or other judicial proceedings;

(b) Disobedience of any lawful judgment, decree, order, or process of the court;

(c) Refusal as a witness to appear, be sworn, or, without lawful authority, to answer a question; or

(d) Refusal, without lawful authority, to produce a record, document, or other object.

(2) "Punitive sanction" means a sanction imposed to punish a past contempt of court for the purpose of upholding the authority of the court.

(3) "Remedial sanction" means a sanction imposed for the purpose of coercing performance when the contempt consists of the omission or refusal to perform an act that is yet in the person's power to perform.

NEW SECTION. Sec. 2. A judge or commissioner of the supreme court, the court of appeals, or the superior court, and a judge of a court of limited jurisdiction may impose a sanction for contempt of court under this chapter.

NEW SECTION. Sec. 3. (1) The court may initiate a proceeding to impose a remedial sanction on its own motion or on the motion of a person aggrieved by a contempt of court in the proceeding to which the contempt is related. Except as provided in section 5 of this act, the court, after notice and hearing, may impose a remedial sanction authorized by this chapter.

(2) If the court finds that the person has failed or refused to perform an act that is yet within the person's power to perform, the court may find the person in contempt of court and impose one or more of the following remedial sanctions:

(a) Imprisonment if the contempt of court is of a type defined in section 1(1)(b) through (d) of this act. The imprisonment may extend only so long as it serves a coercive purpose.

(b) A forfeiture not to exceed two thousand dollars for each day the contempt of court continues.

(c) An order designed to ensure compliance with a prior order of the court.

(d) Any other remedial sanction other than the sanctions specified in (a) through (c) of this subsection if the court expressly finds that those sanctions would be ineffectual to terminate a continuing contempt of court.

(3) The court may, in addition to the remedial sanctions set forth in subsection (2) of this section, order a person found in contempt of court to pay a party for any losses suffered by the party as a result of the contempt and any costs incurred in connection with the contempt proceeding, including reasonable attorney's fees.

NEW SECTION. Sec. 4. (1) Except as otherwise provided in section 5 of this act, a punitive sanction for contempt of court may be imposed only pursuant to this section.

(2)(a) An action to impose a punitive sanction for contempt of court shall be commenced by a complaint or information filed by the prosecuting attorney or city attorney charging a person with contempt of court and reciting the punitive sanction sought to be imposed.

(b) If there is probable cause to believe that a contempt has been committed, the prosecuting attorney or city attorney may file the information or complaint on his or her own initiative or at the request of a person aggrieved by the contempt.

(c) A request that the prosecuting attorney or the city attorney commence an action under this section may be made by a judge presiding in an action or proceeding to which a contempt relates. If required for the administration of justice, the judge making the request may

appoint a special counsel to prosecute an action to impose a punitive sanction for contempt of court.

A judge making a request pursuant to this subsection shall be disqualified from presiding at the trial.

(d) If the alleged contempt involves disrespect to or criticism of a judge, that judge is disqualified from presiding at the trial of the contempt unless the person charged consents to the judge presiding at the trial.

(2) The court may hold a hearing on a motion for a remedial sanction jointly with a trial on an information or complaint seeking a punitive sanction.

(3) A punitive sanction may be imposed for past conduct that was a contempt of court even though similar present conduct is a continuing contempt of court.

(4) If the defendant is found guilty of contempt of court under this section, the court may impose for each separate contempt of court a fine of not more than five thousand dollars or imprisonment in the county jail for not more than one year, or both.

NEW SECTION, Sec. 5. (1) The judge presiding in an action or proceeding may summarily impose either a remedial or punitive sanction authorized by this chapter upon a person who commits a contempt of court within the courtroom if the judge certifies that he or she saw or heard the contempt. The judge shall impose the sanctions immediately after the contempt of court or at the end of the proceeding and only for the purpose of preserving order in the court and protecting the authority and dignity of the court. The person committing the contempt of court shall be given an opportunity to speak in mitigation of the contempt unless compelling circumstances demand otherwise. The order of contempt shall recite the facts, state the sanctions imposed, and be signed by the judge and entered on the record.

(2) A court, after a finding of contempt of court in a proceeding under subsection (1) of this section may impose for each separate contempt of court a punitive sanction of a fine of not more than five hundred dollars or imprisonment in the county jail for not more than thirty days, or both, or a remedial sanction set forth in section 3(3) of this act. A forfeiture imposed as a remedial sanction under this subsection may not exceed more than five hundred dollars for each day the contempt continues.

NEW SECTION, Sec. 6. A state administrative agency conducting an action or proceeding or a party to the action or proceeding may petition the superior court in the county in which the action or proceeding is being conducted for a remedial sanction specified in section 3 of this act for conduct specified in section 1 of this act in the action or proceeding.

NEW SECTION, Sec. 7. A party in a proceeding or action under this chapter may seek appellate review under applicable court rules. Appellate review does not stay the proceedings in any other action, suit, or proceeding, or any judgment, decree, or order in the action, suit, or proceeding to which the contempt relates.

Sec. 8. Section 301, page 188, Laws of 1854 as last amended by section 399, Code of 1881 and RCW 5.56.061 are each amended to read as follows:

The trial may be had upon affidavits, or either party may demand the production and oral examination of the witnesses. A person committed for nonpayment of a fine or costs shall be given credit toward payment for each day of imprisonment at the rate specified in the commitment order.

~~((5))~~ (4) If it appears to the satisfaction of the court that the default in the payment of a fine or costs is not contempt, the court may enter an order allowing the defendant additional time for payment, reducing the amount thereof or of each installment or revoking the fine or costs or the unpaid portion thereof in whole or in part.

~~((6))~~ (5) A default in the payment of a fine or costs or any installment thereof may be collected by any means authorized by law for the enforcement of a judgment. To facilitate meeting the intent of this section, the cooperation of agencies of the federal government is requested by reporting any conviction, determination, or finding that a federal employee or contractor regulated by the disciplinary authorities enumerated in this chapter has committed an act which constituted unprofessional conduct and reporting any information which indicates that a federal employee or contractor regulated by the disciplinary authorities enumerated in this chapter may not be able to practice his or her profession with reasonable skill and safety as a result of a mental or physical condition.

(2) If a person fails to furnish a required report, the disciplining authority may petition the superior court of the county in which the person resides or is found, and the court shall issue to the person an order to furnish the required report. If the director makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order. The cease and desist order shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy of a cease and desist order shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed practice and may be enforced (~~by civil contempt~~) under section 6 of this act.

(2) The attorney general, a county prosecuting attorney, the director, a board, or any person may in accordance with the laws of this state governing injunctions, maintain an action in the name of this state to enjoin any person practicing a profession or business for which a license is required by the chapters specified in RCW 18.130.040 without a license from engaging in such practice or operating such business until the required license is secured. However, the injunction shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

(3) Unlicensed practice of a profession or operating a business for which a license is required by the chapters specified in RCW 18.130.040, unless otherwise exempted by law, constitutes a gross misdemeanor. Sec. 21. Section 16, chapter 157, Laws of 1973 1st ex. sess. as amended by section 12, chapter 460, Laws of 1987 and RCW 26.09.160 are each amended to read as follows:

The performance of parental functions and the duty to provide child support are distinct responsibilities in the care of a child. If a party fails to comply with a provision of a decree or temporary order of injunction, the obligation of the other party to make payments for support or maintenance or to permit contact with children is not suspended. An attempt by a parent, in either the negotiation or the performance of a parenting plan, to condition one aspect of the parenting plan upon another may be deemed to be in bad faith. If the court finds that a parent acted in bad faith in an attempt to condition parental functions, in a refusal to perform the duties provided in the parenting plan, or in the hindrance of performance by the other parent, the court has broad discretion to punish the conduct by a punitive award or other remedies, including (~~civil or criminal~~) contempt of court, and may consider the conduct in awarding attorneys' fees.

Sec. 22. Section 5, chapter 260, Laws of 1984 and RCW 26.18.050 are each amended to read as follows:

(1) ~~If an obligor fails to comply with a support order, a petition or motion may be filed without notice under RCW 26.18.040 to initiate a contempt action (if an obligor fails to comply with a support order) as provided in chapter 7. -- RCW (sections 1 through 7 of this act).~~ If the court finds there is reasonable cause to believe the obligor has failed to comply with a support order, the court may issue an order to show cause requiring the obligor to appear at a certain time and place for a hearing, at which time the obligor may appear to show cause why the relief requested should not be granted. A copy of the petition or motion shall be served on the obligor along with the order to show cause.

(2) Service of the order to show cause shall be by personal service, or in the manner provided in the civil rules of superior court or applicable statute.

(3) If the order to show cause served upon the obligor included a warning that an arrest warrant could be issued for failure to appear, the court may issue a bench warrant for the arrest of the obligor if the obligor fails to appear on the return date provided in the order.

(4) ~~(If the court finds, after hearing, that the obligor failed to comply with the support order previously entered and that the obligor has not established that he or she was unable to comply with the order, the court shall find the obligor in contempt of court. Contempt under this section is punishable by imprisonment in the county jail for a term of up to one hundred eighty days. The court may suspend all or a part of the sentence upon terms that are reasonably likely to result in compliance with the support order.~~

(5) If the obligor contends at the hearing that he or she lacked the means to comply with the support order, the obligor shall establish that he or she exercised due diligence in seeking

employment, in conserving assets, or otherwise in rendering himself or herself able to comply with the court's order.

Sec. 23. Section 2, chapter 35, Laws of 1985 and RCW 26.44.067 are each amended to read as follows:

(1) Any person having had actual notice of the existence of a restraining order issued by a court of competent jurisdiction pursuant to RCW 26.44.063 who refuses to comply with the provisions of such order when requested by any peace officer of the state shall be guilty of a misdemeanor.

(2) The notice requirements of subsection (1) of this section may be satisfied by the peace officer giving oral or written evidence to the person subject to the order by reading from or handing to that person a copy certified by a notary public or the clerk of the court to be an accurate copy of the original court order which is on file. The copy may be supplied by the court or any party.

(3) The remedies provided in this section shall not apply unless restraining orders subject to this section shall bear this legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.44 RCW AND IS ALSO SUBJECT TO ((FVHE)) CONTEMPT PROCEEDINGS.

(4) It is a defense to prosecution under subsection (1) of this section that the court order was issued contrary to law or court rule(~~(-PROVIDED, That)~~). No right of action shall accrue against any peace officer acting upon a properly certified copy of a court order lawful on its face if such officer employs otherwise lawful means to effect the arrest.

Sec. 24. Section 8, chapter 131, Laws of 1973 and RCW 41.56.490 are each amended to read as follows:

The right of unformed employees to engage in any strike, work slowdown, or stoppage is not granted. ((Where)) An organization(;) recognized as the bargaining representative of unformed employees subject to this chapter(~~(-as amended by this 1973 amendatory act)~~) that willfully disobeys a lawful order of enforcement by a superior court pursuant to RCW 41.56.480 and 41.56.490, or willfully offers resistance to such order, whether by strike or otherwise, ((the punishment for each day that such contempt persists, may be a fine fixed in the discretion of the court in an amount not to exceed two hundred fifty dollars per day. Where)) is in contempt of court as provided in chapter 7.— RCW (sections 1 through 7 of this act). An employer that willfully disobeys a lawful order of enforcement by a superior court pursuant to RCW 41.56.480 or willfully offers resistance to such order(~~(-the punishment for each day that such contempt persists may be a fine, fixed at the discretion of the court in an amount not to exceed two hundred fifty dollars per day to be assessed against the employer)~~) is in contempt of court as provided in chapter 7.— RCW (sections 1 through 7 of this act).

Sec. 25. Section 5, chapter 15, Laws of 1983 and RCW 47.64.140 are each amended to read as follows:

(1) It is unlawful for any ferry system employee or any employee organization, directly or indirectly, to induce, instigate, encourage, authorize, ratify, or participate in a strike or work stoppage against the ferry system.

(2) It is unlawful for ferry system management to authorize, consent to, or condone a strike or work stoppage; or to conduct a lockout; or to pay or agree to pay any ferry system employee for any day in which the employee participates in a strike or work stoppage; or to pay or agree to pay any increase in compensation or benefits to any ferry system employee in response to or as a result of any strike or work stoppage or any act that violates subsection (1) of this section. It is unlawful for any official, director, or representative of the ferry system to authorize, ratify, or participate in any violation of this subsection. Nothing in this subsection prevents new or renewed bargaining and agreement within the scope of negotiations as defined by this chapter, at any time. No collective bargaining agreement provision regarding suspension or modification of any court-ordered penalty provided in this section is binding on the courts.

(3) In the event of any violation or imminently threatened violation of subsection (1) or (2) of this section, any citizen domiciled within the jurisdictional boundaries of the state may petition the superior court for Thurston county for an injunction restraining the violation or imminently threatened violation. Rules of civil procedure regarding injunctions apply to the action. However, the court shall grant a temporary injunction if it appears to the court that a violation has occurred or is imminently threatened; the plaintiff need not show that the violation or threatened violation would greatly or irreparably injure him or her; and no bond may be required of the plaintiff unless the court determines that a bond is necessary in the public interest. Failure to comply with any temporary or permanent injunction granted under this section ((constitutes)) is a ((punishable)) contempt of court as provided in chapter 7.— RCW (sections 1 through 7 of this act). The ((punishment shall not exceed)) court may impose a penalty of up to ten thousand dollars for an employee organization or the ferry system, for each day during which the failure to comply continues((-or imprisonment in a county jail for officials thereof not exceeding six months, or both such fine and imprisonment)). The ((punishment)) sanctions for a ferry employee found to be in contempt shall be as provided in chapter (~~(9-20)~~) 7.— RCW (sections 1 through 7 of this act). In individual or an employee organization which makes an

active good faith effort to comply fully with the injunction shall not be deemed to be in contempt.

(4) The right of ferry system employees to engage in strike or work slowdown or stoppage is not granted and nothing in this chapter may be construed to grant such a right.

(5) Each of the remedies and penalties provided by this section is separate and several, and is in addition to any other legal or equitable remedy or penalty.

(6) In addition to the remedies and penalties provided by this section the successful litigant is entitled to recover reasonable attorney fees and costs incurred in the litigation.

(7) Notwithstanding the provisions of chapter 88.04 RCW and chapter 88.08 RCW, the department of transportation shall promulgate rules and regulations allowing vessels, as defined in RCW 88.04.300, as well as other watercraft, to engage in emergency passenger service on the waters of Puget Sound in the event ferry employees engage in a work slowdown or stoppage. Such emergency rules and regulations shall allow emergency passenger service on the waters of Puget Sound within seventy-two hours following a work slowdown or stoppage. Such rules and regulations that are promulgated shall give due consideration to the needs and the health, safety, and welfare of the people of the state of Washington.

Sec. 26. Section 186, chapter 255, Laws of 1927 as last amended by section 54, chapter 292, Laws of 1971 ex. sess. and RCW 79.01.704 are each amended to read as follows:

Any person duly served with a subpoena ~~(-as herein provided, and)~~ who ~~((shall))~~ fails to obey the same, without legal excuse, shall be considered in contempt ~~(-and)~~. The board, or commissioner, shall certify the facts thereof to the superior court of the county in which such witness may reside ~~(-and upon legal proof thereof, such witness shall suffer the same penalties as are now provided in like cases)~~ for contempt of court ~~((and))~~ proceedings as provided in chapter 7.-- RCW (sections 1 through 7 of this act). The certificate of the board, or commissioner, shall be considered by the court as prima facie evidence of the ~~((guilt of the party charged with))~~ contempt.

The director of the department of revenue, or any duly authorized agent thereof, shall have power to administer an oath to the person required to testify; and any person giving false testimony after the administration of such oath shall be guilty of perjury in the first degree.

If any person summoned as a witness before the department, or its authorized agent, fails or refuses to obey the summons, or refuses to testify or answer any material questions, or to produce any book, record, paper, or data when required to do so, ~~((he shall be guilty of))~~ the person is subject to proceedings for contempt, and the department shall thereupon institute contempt of court proceedings in the superior court of Thurston county ~~((;))~~ or of the county in which such person resides ~~(-to punish him as for contempt of court)~~.

(4) The limitation of liability provided in subsection (1) of this section, shall apply only if the pharmacist identifies the manufacturer or manufacturers, the distributor, or the retailer from which the pharmacist obtained the product that resulted in injury to a person.

Sec. 2. Section 5, chapter 27, Laws of 1981 and RCW 7.72.040 are each amended to read as follows:

MOTIONS

On motion of Senator Metcalf, the following Committee on Environment and Natural Resources amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 75.28.100, chapter 12, Laws of 1955 as last amended by section 107, chapter 46, Laws of 1983 1st ex. sess. and RCW 75.28.035 are each amended to read as follows:

An application for issuance or renewal of a commercial fishing license ~~((or permit))~~ shall contain the name and address of the vessel owner, the name and address of the vessel operator, the name and number of the vessel, a description of the vessel and fishing gear to be carried on the vessel, and other information required by the department.

At the time of issuance of a commercial fishing license ~~((or permit))~~ the director shall furnish the licensee with a vessel registration and two license decals.

Vessel registrations and license ~~((and permit))~~ decals issued by the director shall be displayed as provided by rule of the director.

A commercial fishing license ~~((or permit))~~ is not valid if the vessel is operated by a person other than the operator listed on the license ~~((or permit))~~. The director may authorize additional operators for the license ~~((or permit))~~. Unless adjusted by the director pursuant to the director's authority granted in section 19 of this 1989 act, the fee for an additional operator is ~~((ten))~~ twenty dollars.

The vessel owner shall notify the director on forms provided by the department of changes of ownership or operator and a new license (~~or permit~~) shall be issued upon payment of a fee of ~~(ten)~~ twenty dollars.

A defaced, mutilated, or lost license or license decal shall be replaced immediately. Unless adjusted by the director pursuant to the director's authority granted in section 19 of this 1989 act, the replacement fee is ~~(two)~~ ten dollars.

Sec. 2. Section 1, chapter 90, Laws of 1969 as last amended by section 1, chapter 9, Laws of 1988 and RCW 75.28.095 are each amended to read as follows:

(1) A charter boat license is required for a vessel to be operated as a charter boat from which food fish are taken for personal use. Unless adjusted by the director pursuant to the director's authority granted in section 19 of this 1989 act, the annual license fees are:

Species	Resident Fee	Nonresident Fee
(a) Food fish other than salmon	\$(+00) <u>135</u>	\$(200) <u>270</u>
(b) Salmon and other food fish	\$(200) <u>275</u>	\$(200) <u>550</u>

(2) "Charter boat" means a vessel from which persons may, for a fee, fish for food fish, and which delivers food fish into state ports or delivers food fish taken from state waters into United States ports. "Charter boat" does not mean:

(a) Vessels not generally engaged in charter boat fishing which are under private lease or charter and operated by the lessee for the lessee's personal recreational enjoyment; or

(b) Vessels used by guides for clients fishing for food fish for personal use in freshwater rivers, streams, and lakes, other than Lake Washington or that part of the Columbia River below the bridge at Longview.

(3) A vessel shall not engage in both charter or sports fishing and commercial fishing on the same day. A vessel may be licensed for both charter boat fishing and for commercial fishing at the same time. ~~(The license or delivery permit allowing the activity not being engaged in shall be deposited with the fisheries patrol officer for that area or an agent designated by the director.)~~

(1) The following commercial salmon fishing licenses are required for the licensee to use the specified gear to fish for salmon and other food fish in state waters. Persons operating fishing vessels licensed under RCW 75.28.125 may apply the delivery (~~permit~~) license fee of ~~(ten)~~ fifty dollars against the salmon delivery (~~permit~~) license fee.

(2) If the director determines that the operation of a vessel under a salmon delivery (~~permit~~) license results in the depletion or destruction of the state's salmon resource or the delivery into this state of salmon products prohibited by law, the director may revoke the (~~permit~~) license.

Sec. 5. Section 1, chapter 80, Laws of 1984 and RCW 75.28.116 are each amended to read as follows:

SUBSTITUTE HOUSE BILL NO. 2014, by Committee on Appropriations (originally sponsored by Representatives Peery, Locke, Valle, Winsley, Crane and O'Brien)

Revising provisions for special education programs for handicapped children.

The bill was read the second time.

MOTIONS

On motion of Senator Bailey, the following Committee on Ways and Means amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is increasing demand for school districts' special education programs to include medical services necessary for handicapped children's participation and educational progress. In some cases, these services could qualify for federal funding under Title XIX of the social security act. The legislature intends to establish a process for school districts to obtain reimbursement for eligible services from medical assistance funds. In this way, state dollars for handicapped education can be leveraged to generate federal matching funds, thereby increasing the overall level of resources available for school districts' special education programs.

Sec. 2. Section 11, chapter 66, Laws of 1971 ex. sess. as amended by section 5, chapter 87, Laws of 1980 and RCW 28A.41.053 are each amended to read as follows:

The superintendent of public instruction shall submit to each regular session of the legislature during an odd-numbered year a programmed budget request for handicapped programs. Funding for programs operated by local school districts shall be ((funded)) on an excess cost basis from appropriations provided by the legislature for handicapped programs and shall take account of state funds accruing through RCW 28A.41.130, 28A.41.140, and other state and local funds, excluding special excess levies. Funding for local district programs may include payments from state and federal funds for medical assistance provided under RCW 74.09.500 through 74.09.910. However, the superintendent of public instruction shall reimburse the department of social and health services from state appropriations for handicapped education programs for the state-funded portion of any medical assistance payment made by the department for services provided under an individualized education program established pursuant to chapter 28A.13 RCW. The amount of such interagency reimbursement shall be deducted by the superintendent of public instruction in determining additional allocations to districts for handicapped education programs under this section.

Sec. 3. Section 5, chapter 30, Laws of 1967 ex. sess. as last amended by section 3, chapter 5, Laws of 1985 and RCW 74.09.520 are each amended to read as follows:

The term "medical assistance" may include the following care and services: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and x-ray services; (4) skilled nursing home services; (5) physicians' services, which shall include prescribed medication and instruction on birth control devices; (6) medical care, or any other type of remedial care as may be established by the secretary; (7) home health care services; (8) private duty nursing services; (9) dental services; (10) physical therapy and related services; (11) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in diseases of the eye or by an optometrist, whichever the individual may select; (12) other diagnostic, screening, preventive, and rehabilitative services(~~-PROVIDED, That~~); and (13) like services when furnished to a handicapped child by a school district as part of an individualized education program established pursuant to chapter 28A.13 RCW. For the purposes of this section, the department may not cut off any prescription medications, oxygen supplies, respiratory services, or other life-sustaining medical services or supplies.

"Medical assistance," notwithstanding any other provision of law, shall not include routine foot care, or dental services delivered by any health care provider, that are not mandated by Title XIX of the social security act unless there is a specific appropriation for these services. Services included in an individualized education program for a handicapped child under chapter 28A.13 RCW shall not qualify as medical assistance prior to the implementation of the funding process developed under section 4 of this act.

NEW SECTION. Sec. 4. The department of social and health services and the superintendent of public instruction shall jointly develop a process and plan to enable school districts to bill medical assistance for eligible services included in handicapped education programs, subject

to the restrictions and limitations of this act. The process shall be implemented during the 1990-91 school year, with the intent that the billing system be in operation in selected regions of the state during the first half of that school year. The billing system shall be extended state-wide prior to the beginning of the 1991-92 school year. The planning shall include:

(1) Consideration of the types of services provided by school districts that would be eligible for medical assistance, and whether the state's medical assistance plan should be expanded to cover additional services for children;

(2) Establishment of categories of eligible services and the rates of reimbursement;

(3) Development of a state-wide billing system for use by school districts and educational service districts, which may include phased expansion of the system, providing billing services to the various regions of the state in stages;

(4) Measures for accountability and auditing of billings;

(5) Information bulletins and workshops for school districts and educational service districts;

(6) Contracting with educational service districts or other organizations for billing services or for other assistance in implementing the process established under this section;

(7) Formal agreements between the department and the superintendent of public instruction for notification of payments and for interagency reimbursement under section 2 of this act; and

(8) Review and approval of the plan by the office of financial management prior to submission to the legislature of the report under section 5 of this act.

NEW SECTION. Sec. 5. Prior to January 15, 1990, the superintendent of public instruction and the department of social and health services shall submit a joint report to the appropriations committee of the house of representatives and the ways and means committee of the senate on the agencies' progress in developing the medical assistance billing system for school districts established under this act."

ENGROSSED HOUSE BILL NO. 1917, by Representatives O'Brien, May, Gallagher, Wineberry, Nelson, Locke, Sayan, Patrick, Baugher, Ferguson and McLean

Establishing a certified real estate appraiser law.

The bill was read the second time.

MOTION

Senator von Reichbauer moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. It is the intent of the legislature that only individuals who meet and maintain minimum standards of competence and conduct may provide certified appraisal services to the public.

NEW SECTION. Sec. 2. This chapter may be known and cited as the certified real estate appraiser act.

NEW SECTION. Sec. 3. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Appraisal" or "real estate appraisal" means an analysis, opinion, or conclusion relating to the nature, quality, value, or utility of specified interests in, or aspects of, identified real estate, for or in expectation of compensation. An appraisal may be classified by subject matter into either a valuation or an analysis. A "valuation" is an estimate of the value of real estate or real property. An "analysis" is a study of real estate or real property other than estimating value.

(2) "Appraisal foundation" means the organization qualified under section 501(c)(3) of the internal revenue code of 1986 that was incorporated as an Illinois not-for-profit corporation on November 30, 1987. The purposes of the appraisal foundation are to:

(a) Establish and improve uniform appraisal standards by defining, issuing, and promoting such standards;

(b) Establish appropriate criteria for the certification and recertification of qualified appraisers by defining, issuing, and disseminating such qualification criteria to states, governmental entities, and others and assisting them in establishing and maintaining an appropriate system for the certification and recertification of qualified appraisers; and

(c) Develop or assist in the development of an appropriate examination for qualified appraisers.

(3) "Appraisal report" means any communication, written or oral, of an appraisal.

(4) "Appraisal assignment" means an engagement for which an appraiser is employed or retained to act, or would be perceived by third parties or the public as acting, as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion relating to the nature, quality, value, or utility of specified interests in, or aspects of, identified real estate. The term "appraisal assignment" may apply to valuation work and analysis work.

(5) "Board" means the certified real estate appraiser certification board.

(6) "Certified appraisal" means an appraisal prepared or signed by a state-certified real estate appraiser. A certified appraisal represents to the public that it meets the appraisal standards defined in this chapter.

(7) "Department" means the department of licensing.

(8) "Director" means the director of the department of licensing.

(9) "Real estate" means an identified parcel or tract of land, including improvements, if any.

(10) "Real property" means one or more defined interests, benefits, or rights inherent in the ownership of real estate.

(11) "Specialized appraisal services" means all appraisal services which do not fall within the definition of appraisal assignment. The term "specialized appraisal service" may apply to valuation work and to analysis work. Regardless of the intention of the client or employer, if the appraiser would be perceived by third parties or the public as acting as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion, the work is classified as an appraisal assignment and not a specialized appraisal service.

(12) "State-certified real estate appraiser" means a person who develops and communicates real estate appraisals and who holds a valid certificate issued to him or her for either general or residential real estate under this chapter. A state-certificated real estate appraiser may designate or identify an appraisal rendered by him or her as a "certified appraisal" and indicate which type of certification is held.

NEW SECTION, Sec. 4. (1) No person, other than a state-certified real estate appraiser, may assume or use that title or any title, designation, or abbreviation likely to create the impression of certification as a real estate appraiser by this state. A person who is not certified under this chapter shall not describe or refer to any appraisal or real estate located in this state by the term "certified."

(2) This section does not preclude a person who is not certified as a state-certified real estate appraiser from appraising real estate in this state for compensation.

NEW SECTION, Sec. 5. There is established a real estate appraiser certification board which shall consist of seven members, two of whom are public members and five of whom are real estate appraisers.

The governor shall appoint the members of the real estate appraiser certification board.

Each of the real estate appraiser members first appointed to the board shall possess a minimum of ten years of active experience as a real estate appraiser, or shall be a designated member in good standing of a real estate appraisal organization that, as of July 1, 1989, required appraisal experience, appraisal education, and testing to become a designated member and require adherence to generally accepted standards of professional appraisal practice in order to retain such designation. The real estate appraiser members shall be appointed from a cross-section of real estate appraisal organizations.

Each real estate appraiser member of the board appointed after July 1, 1990, must be a state-certified real estate appraiser under this chapter at the time of appointment and during the entire term. At least two members of the board shall be state-certified general real estate appraisers. At least one member of the board shall be a state-certified residential real estate appraiser. The term of each member of the board shall be three years, except that, of the members first appointed, one shall serve for three years, three shall serve for two years, and three shall serve for one year. Upon the expiration of a term, a member of the board continues to hold office until the appointment of a successor. No person shall serve as a member of the board for more than two consecutive terms. The appointing authority may remove a member for cause.

The public member of the board shall not be engaged in the practice of real estate appraising.

The members of the board shall elect a chairperson during the first meeting of each year. The chairperson is a board member and presides at board meetings.

The board shall meet at least once a year or as necessary to conduct board business upon the call of the chairperson at times and places as the chairperson shall designate.

A quorum of the board shall be five members.

Members of the board shall receive compensation under RCW 43.03.240 and shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION, Sec. 6. The real estate appraiser certification board provides technical assistance to the director relating to real estate appraisal standards and real estate appraiser qualifications and has the following responsibilities, powers, and duties:

(1) To recommend to the director the experience, education, and examination requirements that are appropriate for each classification of state-certified real estate appraiser, except that in no event shall the experience, education, and examination requirements recommended by the board be less than the minimum criteria established by the appraiser qualification board of the appraisal foundation unless, after notice and public hearing, the director has found that such minimum criteria are not appropriate for state-certified appraisers in this state;

(2) To recommend to the director the continuing education requirements that are appropriate for renewal of certification;

(3) To provide upon request of the director an explanation of the standards of professional appraisal practice required by section 27 of this act, when the appraisal standards board of the appraisal foundation has not issued an interpretation or explanation;

(4) To recommend to the director the examination specifications, and the minimum scaled score required to pass the certification examinations for each classification of certification required by this chapter, except that in no event shall the recommended examination specifications be less than the minimum criteria established by the appraisal qualification board of the appraisal foundation unless, after notice and a public hearing, the director has found that such minimum criteria are not appropriate for state-certified appraisers in this state;

(5) To review the bank of questions and answers provided by the contractor hired by the director to prepare examinations; and

(6) To conduct administrative hearings, as requested by the director, in connection with disciplinary proceedings under this chapter.

NEW SECTION, Sec. 7. The director shall have the following powers and duties:

(1) To adopt rules in accordance with chapter 34.05 RCW necessary to implement this chapter;

(2) To receive and approve applications for certification as a state-certified real estate appraiser under this chapter; to establish appropriate administrative procedures for the processing of such applications; to issue certificates to qualified applicants pursuant to the provisions of this chapter; and to maintain a register of the names and addresses of individuals who are currently certified under this chapter;

(3) To provide administrative assistance to the real estate appraiser certification board to enable the board to carry out its responsibilities under this chapter;

(4) To solicit bids and enter into contracts with educational testing services or organizations for the preparation of questions and answers for certification examinations;

(5) To administer or contract for administration of certification examinations at locations and times as may be required to carry out the responsibilities under this chapter;

(6) To consider recommendations by the real estate appraiser certification board relating to the experience, education, and examination requirements for each classification of state-certified appraiser;

(7) To consider recommendations by the real estate appraiser certification board relating to the continuing education requirements for renewal of certification;

(8) To consider recommendations by the real estate appraiser certification board relating to standards of professional appraisal practice in the enforcement of this chapter;

(9) To issue an annual statement describing the receipts and expenditures in the administration of this chapter during each fiscal year;

(10) To establish appropriate administrative procedures for disciplinary proceedings conducted pursuant to the provisions of this chapter;

(11) To compel the attendance of witnesses and production of books, documents, records, and other papers; to administer oaths; and to take testimony and receive evidence concerning all matters within their jurisdiction. These powers may be exercised directly by the director or may be delegated by the director to the board or the director's authorized representatives acting by authority of law;

(12) To impose any one or more of the following sanctions; to deny applications for certification, to suspend or revoke certification, to require successful completion of remedial education courses, to require successful completion of the appropriate certification examination, to issue a formal reprimand or to impose a fine against a state-certified appraiser if, after an administrative hearing, the director finds that an applicant or state-certified real estate appraiser has violated this chapter;

(13) To employ such professional, clerical, and technical assistance as may be necessary to properly administer the work of the director;

(14) To establish forms necessary to administer this chapter; and

(15) To do all other things necessary to carry out the provisions of this chapter.

NEW SECTION, Sec. 8. The director, members of the board, or individuals acting on their behalf are immune from suit in any action, civil or criminal, based on any acts performed in the course of their duties.

NEW SECTION, Sec. 9. The director shall set fees under RCW 43.24.086 and establish collection procedures for the following fees: Examination, reexamination, original certification, duplicate certification, change of name or address, renewal, delinquency, and certification history.

NEW SECTION, Sec. 10. (1) Applications for examinations, original certification, renewal certification, and change of name and address shall be made in writing to the department on forms approved by the director.

(2) The appropriate fees shall accompany all applications for examination, reexamination, original certification, renewal certification, and change of name and address.

(3) At the time of filing an application for certification, each applicant shall sign a pledge to comply with standards set forth in this chapter and state that he or she understands the types of misconduct for which disciplinary proceedings may be initiated against a state-certified real estate appraiser, as set forth in this chapter.

NEW SECTION, Sec. 11. There shall be two classes of state-certified real estate appraisers:

(1) The state-certified residential real estate appraiser classification shall consist of those persons meeting the requirements for appraisal of residential real property of one to four units.

(2) The state-certified general real estate appraiser classification shall consist of those persons meeting the requirements for certification relating to the appraisal of all types of real property.

NEW SECTION. Sec. 12. (1) As a prerequisite to taking the examination for certification as a state-certified general real estate appraiser, an applicant shall present evidence satisfactory to the director that he or she has successfully completed the education requirements established by the board.

(2) As a prerequisite to taking the examination for certification as a state-certified residential real estate appraiser, an applicant shall present evidence satisfactory to the director that he or she has successfully completed the education requirements established by the board.

NEW SECTION. Sec. 13. As a prerequisite to taking the examination for certification as a state-certified real estate appraiser, an applicant must meet the experience requirements established by the board.

NEW SECTION. Sec. 14. An original certification as a state-certified real estate appraiser shall be issued to persons who have satisfactorily passed a written examination as adopted by the board.

NEW SECTION. Sec. 15. The director shall establish the term of certification issued under this chapter by rule pursuant to RCW 43.24.140. The expiration date of the certificate shall appear on the certificate and no other notice of its expiration need be given to the holder.

NEW SECTION. Sec. 16. (1) Every applicant for certification who is not a resident of this state shall submit, with the application for certification, an irrevocable consent that service of process upon him or her may be made by service on the director if, in an action against the applicant in a court of this state arising out of the applicant's activities as a state-certified real estate appraiser, the plaintiff cannot, in the exercise of due diligence, obtain personal service upon the applicant.

(2) A nonresident of this state who has complied with subsection (1) of this section and whose state has a reciprocal agreement with Washington may obtain a certificate as a state-certified real estate appraiser by conforming to all of the provisions of this chapter relating to state-certified real estate appraisers.

NEW SECTION. Sec. 17. If in the determination of the director another state has a written reciprocal agreement with this state and is deemed to have substantially equivalent certification requirements, an applicant who is currently certified and in good standing under the laws of such other state may obtain a certificate as a state-certified real estate appraiser in this state without being required to satisfy the examination requirements of this chapter.

NEW SECTION. Sec. 18. (1) To be renewed as a state-certified real estate appraiser, the holder of a valid certificate shall apply and pay the prescribed fee to the director no earlier than one hundred twenty days prior to the expiration date of the certificate. With the application for renewal, the state-certified real estate appraiser shall present evidence in the form prescribed by the director of having completed the continuing education requirements for renewal specified in this chapter.

(2) Each state-certified real estate appraiser shall place his or her certificate number adjacent to or immediately below the title "state-certified residential real estate appraiser" or "state-certified general real estate appraiser" when used in an appraisal report or in a contract or other instrument used by the certificate holder in conducting real property appraisal activities.

NEW SECTION. Sec. 21. (1) The term "state-certified real estate appraiser" may only be used to refer to individuals who hold the certificate and may not be used following or immediately in connection with the name or signature of a firm, partnership, corporation, or group, or in such manner that it might be interpreted as referring to a firm, partnership, corporation, group, or anyone other than an individual holder of the certificate.

(2) No certificate may be issued under this chapter to a corporation, partnership, firm, or group. This shall not be construed to prevent a state-certified appraiser from signing an appraisal report on behalf of a corporation, partnership, firm, or group practice.

NEW SECTION. Sec. 22. (1) As a prerequisite to renewal of certification, a state-certified real estate appraiser shall present evidence satisfactory to the director of having met the continuing education requirements of this section.

(2) The continuing education requirements for renewal of certification shall be the completion, within the two-year period preceding renewal, of not less than thirty classroom hours of instruction in courses or seminars approved by the director.

(4) The director shall adopt rules for the implementation of this section to assure that persons renewing their certifications as state-certified real estate appraisers have current knowledge of real property appraisal theories, practices, and techniques which will provide a high degree of service and protection to those members of the public with whom they deal in a professional relationship under authority of the certification.

NEW SECTION. Sec. 23. Certification as a state-certified real estate appraiser that has been revoked or suspended as the result of a disciplinary action taken by the director shall not be reinstated unless the applicant for reinstatement presents evidence of completing the continuing education requirements provided in this chapter. This continuing education requirement shall not be imposed upon an applicant for reinstatement who has been required by the director to successfully complete the certification examination required by this chapter.

NEW SECTION. Sec. 24. An application for certification or recertification may be denied, and the certification of any state-certified real estate appraiser may be revoked, suspended, or otherwise disciplined in accordance with the provisions of this chapter, for any of the following acts or omissions:

(1) Failing to meet the minimum qualifications for state certification established by or pursuant to this chapter;

(2) Procuring or attempting to procure state certification under this chapter by knowingly making a false statement, knowingly submitting false information, or knowingly making a material misrepresentation on any application filed with the director;

(4) Violation of section 27 of this act;

(5) Failure or refusal without good cause to exercise reasonable diligence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;

(6) Negligence or incompetence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;

(7) Continuing to act as a certified real estate appraiser when his or her certificate is on an expired status;

(9) Violating any provision of this chapter or any lawful rule or regulation made by the director pursuant thereto.

NEW SECTION. Sec. 25. The director may investigate the actions of a state-certified real estate appraiser or an applicant for certification or recertification. Upon receipt of information indicating that a state-certified real estate appraiser under this chapter may have violated this chapter, the director shall cause one or more of the staff investigators to make an investigation of the facts to determine whether or not there is admissible evidence of any such violation. If technical assistance is required, a staff investigator may consult with not more than one of the appraiser members of the board. If an appraiser member of the board is consulted and renders assistance in an investigation, the appraiser member is excused from service on the board in connection with any administrative hearing that may result from such investigation.

If the director shall decide, after such hearing, that the evidence supports the accusation by a preponderance of evidence, the director may impose sanctions authorized under section 7 of this act. In such event the director shall enter an order to that effect and shall file the same in his or her office and immediately mail a copy thereof to the affected party at the addresses of record with the department. Such order shall not be operative for a period of ten days from the date thereof. Any licensee or applicant aggrieved by a final decision by the director in an adjudicative proceeding whether such decision is affirmative or negative in form, is entitled to a judicial review in the superior court under the provisions of the administrative procedure act, chapter 34.05 RCW.

NEW SECTION, Sec. 27. A state-certified real estate appraiser shall comply with the standards of professional appraisal practice in this chapter and those promulgated by the appraisal standards board of the appraisal foundation as the standards exist on the effective date of this section. The director may adopt future changes in the standards by rule.

PARLIAMENTARY INQUIRY

Senator Williams: "Madam Chairman, a parliamentary inquiry. We have amendments to my striking amendment. My question is, can we do that or do we need to work from—"

REPLY BY THE VICE PRESIDENT PRO TEMPORE

Vice President Pro Tempore Craswell: "You cannot amend your amendment to the amendment."

Senator Williams: "Madam Chairman, if I might then suggest that we vote down the Ways and Means Committee amendment and then take up my striking amendment. I think there's concurrence here to deal with my striking amendment. My striking amendment includes the changes that were made in the Ways and Means Committee, so there's no contradiction of the work that's already been done by the Ways and Means Committee. It includes those amendments that were offered by Senator Lee in Ways and Means. Now, I don't know if perhaps Senator von Reichbauer might want to comment on this, but in order to perfect the striking amendment that I have offered, I think this is the process that we would have to take. I'd like to urge us then to not to adopt the Ways and Means Committee amendment and proceed to my striking amendment."

Vice President Pro Tempore Craswell: "Senator Williams, in the event that the Senate Ways and Means Committee striking amendment is adopted, your striking amendment then would be out of order."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Lee: "A point of parliamentary inquiry. Which amendment do we have before us at the present time?"

REPLY BY THE VICE PRESIDENT PRO TEMPORE

Vice President Pro Tempore Craswell: "The amendment before the body is the striking amendment by the Senate Committee on Ways and Means to Engrossed House Bill No. 1917."

Senator Lee: "So, the amendment proposed by Senator Williams is out of order?"

Vice President Pro Tempore Craswell: "He, in effect, withdrew his amendment at this time, in the event that the Senate Committee on Ways and Means is adopted, his amendment would then be out of order."

Senator Lee: "Therefore, if we wish to consider the Williams amendment, as the perfecting amendment, arguments should be against the Ways and Means Committee amendment at this point in time?"

President Pro Tempore Craswell: "In order to consider the Williams amendment, we would have to defeat the Senate Ways and Means Committee amendment."

Further debate ensued.

MOTION

On motion of Senator Newhouse, further consideration of Engrossed Substitute House Bill No. 1917 was deferred.

Further debate ensued.

Debate ensued.

The motion for reconsideration carried.

The President Pro Tempore declared the question before the Senate to be the adoption of the amendments by Senator Talmadge on page 3, lines 17 and 19, to Substitute House Bill No. 1071, on reconsideration.

PARLIAMENTARY INQUIRY

Senator Nelson: "A point of parliamentary inquiry. If I understand this correctly, Mr. President. If we vote 'yes' on these amendments which had been previously provided by my good friend and colleague from the 34th legislative district, we would remove Section 9, which has this clarity language on personal restraint petitions. If we vote 'no,' we retain this clearly defined section on the person's ability to get further appeals on the same grounds. So, if we vote 'no,' we retain the bill as it passed the Law and Justice Committee. Is that correct?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "That is correct, Senator Nelson."

The amendments on page 3, lines 17 and 19, on reconsideration, were not adopted.

(1) Subject to the provisions of RCW 48.08.080, relating to the mutualization of stock insurers, RCW 48.09.350, relating to the conversion or reinsurance of mutual insurers, and RCW 48.10.330, relating to the consolidation or conversion of reciprocal insurers, a domestic insurer may merge or consolidate with another insurer, subject to the following conditions:

If the commissioner fails to approve the plan, he shall state his reasons for such failure in his order made on such hearing. The insurers involved in the merger shall bear the expense of the mailing of the notice of hearing and of the order on hearing.

(c) No director, officer, member, or subscriber of any such insurer, except as is expressly provided by the plan of merger or consolidation, shall receive any fee, commission, other

compensation or valuable consideration whatsoever, for in any manner aiding, promoting or assisting in the merger or consolidation.

(d) Any merger or consolidation as to an incorporated domestic insurer shall in other respects be governed by the general laws of this state relating to business corporations. Except, that as to domestic mutual insurers, approval by two-thirds of its members who vote thereon pursuant to such notice and procedure as was approved by the commissioner shall constitute approval of the merger or consolidation as respects the insurer's members.

Correcting the public utility tax in response to a 1986 Thurston county superior court decision.

The bill was read the second time.

MOTIONS

On motion of Senator McDonald, the following Committee on Ways and Means amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that chapter 9, Laws of 1982 2nd ex. sess. was intended to extend state public utility taxation to electrical energy generated in this state for eventual distribution outside this state. The legislature further finds that chapter 9, Laws of 1982 2nd ex. sess. was held unconstitutional by the Thurston county superior court in *Washington Water Power v. State of Washington* (memorandum opinion No. 83-2-00977-1). The purpose of Part I of this act is to recognize the effect of that decision by correcting the relevant RCW sections to read as though the legislature had not enacted chapter 9, Laws of 1982 2nd ex. sess., and thereby make clear the effect of subsequent amendments in Part II of this act.

(2) The purpose of Part II of this act is to provide a constitutional means of replacing the revenue lost as a result of the Washington water power decision.

PART I

Sec. 101. Section 82.04.120, chapter 15, Laws of 1961 as last amended by section 1, chapter 493, Laws of 1987 and RCW 82.04.120 are each amended to read as follows:

"To manufacture" embraces all activities of a commercial or industrial nature wherein labor or skill is applied, by hand or machinery, to materials so that as a result thereof a new, different or useful substance or article of tangible personal property is produced for sale or commercial or industrial use, and shall include the production or fabrication of special made or custom made articles, and the generation or production of electrical energy for resale or consumption outside the state.

"To manufacture" shall not include conditioning of seed for use in planting or activities which consist of cutting, grading, or ice glazing seafood which has been cooked, frozen or canned outside this state.

Sec. 102. Section 82.16.010, chapter 15, Laws of 1961 as last amended by section 1, chapter 226, Laws of 1986 and RCW 82.16.010 are each amended to read as follows:

For the purposes of this chapter, unless otherwise required by the context:

(3) "Railroad car business" means the business of renting, leasing or operating stock cars, furniture cars, refrigerator cars, fruit cars, poultry cars, tank cars, sleeping cars, parlor cars, buffet cars, tourist cars, or any other kinds of cars used for transportation of property or persons upon the line of any railroad operated in this state when such railroad is not owned or leased by the person engaging in such business.

(4) "Water distribution business" means the business of operating a plant or system for the distribution of water for hire or sale.

(5) "Light and power business" means the business of operating a plant or system for the generation, production or distribution of electrical energy for hire or sale.

(6) "Telegraph business" means the business of affording telegraphic communication for hire.

(7) "Gas distribution business" means the business of operating a plant or system for the production or distribution for hire or sale of gas, whether manufactured or natural.

(8) "Motor transportation business" means the business (except urban transportation business) of operating any motor propelled vehicle by which persons or property of others are conveyed for hire, and includes, but is not limited to, the operation of any motor propelled vehicle as an auto transportation company (except urban transportation business), common carrier or contract carrier as defined by RCW 81.68.010 and 81.80.010: PROVIDED, That "motor transportation business" shall not mean or include the transportation of logs or other forest products exclusively upon private roads or private highways.

(9) "Urban transportation business" means the business of operating any vehicle for public use in the conveyance of persons or property for hire, insofar as (a) operating entirely within the corporate limits of any city or town, or within five miles of the corporate limits thereof, or (b) operating entirely within and between cities and towns whose corporate limits are not more than five miles apart or within five miles of the corporate limits of either thereof. Included herein, but without limiting the scope hereof, is the business of operating passenger vehicles of every type and also the business of operating cartage, pickup, or delivery services, including in such services the collection and distribution of property arriving from or destined to a point within or without the state, whether or not such collection or distribution be made by the person performing a local or interstate line-haul of such property.

(1) The legislative body of a city, town, or county shall adopt regulations and procedures, and appoint administrative personnel for the summary approval of short plats and short subdivisions or alteration or vacation thereof. Such regulations shall be adopted by ordinance and may contain wholly different requirements than those governing the approval of preliminary and final plats of subdivisions and may require surveys and monumentations and shall require filing of a short plat, or alteration or vacation thereof, for record in the office of the county auditor: PROVIDED, That such regulations must contain a requirement that land in short subdivisions may not be further divided in any manner within a period of five years without the filing of a final plat, except that when the short plat contains fewer than four parcels, nothing in this section shall prevent the owner who filed the short plat from filing an alteration within the five-year period to create up to a total of four lots within the original short plat boundaries: PROVIDED FURTHER, That such regulations are not required to contain a penalty clause as provided in RCW 36.32.120 and may provide for wholly injunctive relief.

If it finds that the proposed plat does not make such appropriate provisions or that the public use and interest will not be served, then the legislative body may disapprove the proposed plat. Dedication of land to any public body, may be required as a condition of subdivision approval and shall be clearly shown on the final plat. SECOND READING

SUBSTITUTE HOUSE BILL NO. 1963, by Committee on Health Care (originally sponsored by Representatives Vekich, Brooks, Braddock, Morris, Bristow, Day, Sprenkle, Spanel, Wolfe, Rector, K. Wilson, D. Sommers, Cantwell, Jones, Wang, Todd, Prentice, Winsley, P. King, Hearvey, Walk, Cooper, Jacobsen, R. King, Brough, Basich, Dellwo, Zellinsky, Kremen, Phillips, Pruitt, Nelson, Hine, G. Fisher, Rust, Rasmussen, Leonard, H. Myers, Fraser and Miller)

Establishing the maternity care access act.

The bill was read the second time.

MOTION

Senator McDonald moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. LEGISLATIVE INTENT. (1) The legislature finds that Washington state has a high rate of infant illness and death and this is especially true for low-income persons. Adequate prenatal care throughout pregnancy is a major factor in reducing infant illness and death. The legislature also finds that access to maternity care services for low-income and high-risk women in the state of Washington has declined significantly in recent years and has reached a crisis level.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 1 through 5, 7, and 8 of this act and RCW 74.09.510.

(1) "County authority" means the board of county commissioners, county council, or county executive having the authority to participate in the program created by this act or its designee. Two or more county authorities may enter into joint agreements to fulfill the requirements of this act.

(2) "Department" means the department of social and health services.

(3) "Eligible person" means a woman in need of maternity care or a child, who is eligible for medical assistance pursuant to this chapter.

(4) "Health care provider" means physician, nurse practitioner, registered nurse, midwife, and nursing assistants-registered.

(5) "High-risk eligible person" means an eligible person determined by the department to need special assistance in applying for and obtaining maternity care, including in the following order of priority, pregnant women who are drug or alcohol addicted or affected, pregnant and parenting adolescents, pregnant minority women who live in poverty, pregnant homeless women, and other eligible persons who need special assistance in gaining access to the maternity care system.

(6) "Maternity care services" means inpatient and outpatient medical care, case management, and support services necessary during prenatal, delivery, and postpartum periods.

(7) "Support services" should include a nursing assessment and followup, health and child-birth education, psychological assessment and counseling, outreach services, nutritional assessment and counseling, needed vitamin and nonprescriptive drugs, transportation, and child care. Support services may include alcohol and substance abuse treatment for pregnant women who are addicted or at risk of being addicted to alcohol or drugs to the extent funds are made available for that purpose by House Bill No. 1793, if enacted.

NEW SECTION. Sec. 3. HEALTH CARE PROVIDER AVAILABILITY AND LIABILITY INSURANCE.

(1) The legislature finds that a major factor contributing to the decline in the number of health care providers providing maternity care to low-income women is the below cost reimbursement to those providers for services delivered. Consequently, it is the legislature's intent that the reimbursement levels to health care providers be increased to the extent allowed by the funds appropriated for that purpose.

(2) An additional barrier to the provision of maternity care to low-income women by health care providers is the lack of affordable liability insurance for health care providers. To help remedy this problem, the department may, within available funds, develop a program that addresses maternity care health care provider's liability insurance problems.

NEW SECTION. Sec. 4. MATERNITY CARE ACCESS PROGRAM. In an effort to provide for healthy births, the department shall, within funds appropriated for this purpose and subject to limitations placed on those funds, develop a maternity care access program as follows:

(1) Provide maternity care services to low-income pregnant women and health care services to children eligible solely pursuant to RCW 74.09.510(6) to the maximum extent allowable under the medical assistance program, Title XIX of the federal social security act:

(2) Provision of services for terminations of pregnancy to women eligible solely pursuant to RCW 74.09.510(6) shall not be funded under the medical assistance program, Title XIX of the federal social security act, but such women are eligible for terminations of pregnancy services funded from other programs currently existing within the department of social and health services and the department of health, if one is created;

(3) By January 1, 1990, have the following procedures in place to improve access to maternity care services and eligibility determinations for pregnant women applying for maternity care services under the medical assistance program, Title XIX of the federal social security act:

(a) Use of a shortened and simplified application form;

(b) Outstationing department staff, at the department's discretion, to make eligibility determinations;

(c) Establishing local plans at the county and regional level, coordinated by the department;

(d) Conducting an interview for the purpose of determining medical assistance eligibility within five working days of the date of an application by a pregnant woman and making an eligibility determination within fifteen working days of the date of application by a pregnant woman;

(4) Establish a maternity care case management system that shall assist only high-risk eligible persons with obtaining medical assistance benefits and receiving maternity care services, including transportation and child care services;

(5) Implement a broad-based public education program, in cooperation with local health departments and other agencies providing maternity care, that stresses the importance of obtaining maternity care early during pregnancy. Special emphasis shall be directed toward high-risk eligible persons;

(6) Develop and maintain linkages with existing maternity care providers and assist in the recruitment of additional maternity care providers;

(7) Work with local communities to develop maternity care clinics in areas in need of access to prenatal or maternity care, or if such clinics already exist, work to enhance existing services; and

(8) Study the desirability and feasibility of implementing the presumptive eligibility provisions set forth in section 9407 of the federal omnibus budget reconciliation act of 1986 and report to the appropriate committees of the legislature by December 1, 1989.

NEW SECTION. Sec. 5. ALTERNATIVE MATERNITY CARE SERVICE DELIVERY SYSTEM. (1)

Within funds appropriated for this purpose, the department shall establish an alternative maternity care service delivery system, if it determines that a county or group of counties is a

maternity care distressed area. A maternity care distressed area shall be defined by the department, in rule, as a county or group of counties where eligible persons are unable to obtain adequate maternity care. The department shall include the following factors in its determination:

(a) Higher than average percentage of eligible persons in the distressed area who receive late or no prenatal care;

(b) Higher than average percentage of eligible persons in the distressed area who go out of the area to receive maternity care;

(c) Lower than average percentage of obstetrical care providers in the distressed area who provide care to eligible persons;

(d) Higher than average percentage of infants born to eligible persons per obstetrical care provider in the distressed area; and

(e) Higher than average percentage of infants that are of low birth weight, five and one-half pounds or two thousand five hundred grams, born to eligible persons in the distressed area.

(2) If the department determines that a maternity care distressed area exists, it shall notify the relevant county authority. The county authority shall, within one hundred twenty days, submit a brief report to the department recommending remedial action. The report shall be prepared in consultation with the department and its local community service offices, the local public health offices, community health clinics, health care providers, hospitals, the business community, labor representatives, and low-income advocates in the distressed area. A county authority may contract with a local nonprofit entity to develop the report. If the county authority is unwilling or unable to develop the report, it shall notify the department within thirty days, and the department shall develop the report for the distressed area.

(3) The department shall review the report and use it, to the extent possible, in developing strategies to improve maternity care access in the distressed area. The department may contract with or directly employ qualified maternity care health providers to provide maternity care services, if access to such providers in the distressed area is not possible by other means. In such cases, the department is authorized to pay that portion of the health care providers' malpractice liability insurance that represents the percentage of maternity care provided to eligible persons by that provider through increased medical assistance payments.

Sec. 6. Section 4, chapter 30, Laws of 1967 ex. sess. as last amended by section 2, chapter 5, Laws of 1985 and RCW 74.09.510 are each amended to read as follows:

Medical assistance may be provided in accordance with eligibility requirements established by the department of social and health services, including the prohibition under RCW 74.09.532 through 74.09.536 against the knowing and ~~((willful))~~ willful assignment of property or cash for the purpose of qualifying for such assistance, as defined in the social security Title XIX state plan for mandatory categorically needy persons and: (1) individuals who would be eligible for cash assistance except for their institutional status; (2) individuals who are under twenty-one years of age, who would be eligible for aid to families with dependent children, but do not qualify as dependent children and who are in (a) foster care, (b) subsidized adoption, (c) an intermediate care facility or an intermediate care facility for the mentally retarded, or (d) inpatient psychiatric facilities; (3) the aged, blind, and disabled who: (a) Receive only a state supplement, or (b) would not be eligible for cash assistance if they were not institutionalized; (4) individuals who would be eligible for but choose not to receive cash assistance; (5) ~~((pregnant women who would be eligible for aid to families with dependent children if the child had been born and was living with the mother during the month of the payment, and the pregnancy has been medically verified. NEW SECTION. Sec. 7. EVALUATION. The department, within funds appropriated for this purpose, shall contract with an independent nonprofit entity to evaluate the effectiveness of the maternity care access program set forth in sections 1 through 5 of this act and RCW 74.09.510 based on the principles set forth in section 2 of this act.

right of any kind against such amendment or repeal. All rights, privileges, or immunities conferred by this act or any acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this act at any time.

NEW SECTION. Sec. 9. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1989, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION. Sec. 10. Section headings as used in this act do not constitute any part of the law.

NEW SECTION. Sec. 11. Sections 1 through 5, 7, and 8 of this act are each added to chapter 74.09 RCW."

POINT OF ORDER

Senator Owen: "Mr. President, I rise to a point of order. I would challenge the committee amendment that it expands the scope and object of the bill. It institutes a tax. As the bill came over, it did not have a tax in it. Section, 13, I believe it is, institutes a new tax--or reinstates a tax--that was not in the bill as it came over, so in my opinion, it now exceeds the scope and object of the original bill."

Further debate ensued.

Senator McDonald moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.15 RCW to read as follows:

In addition to the tuition and fees imposed under RCW 28B.15.202, 28B.15.402, and 28B.15.502, the boards of regents or trustees at each of the state's regional and state universities, The Evergreen State College, and the state's community colleges may impose a building fee surcharge in the manner provided in this section.

The building fee surcharge shall be expressed as a percentage of tuition fees as defined in RCW 28B.15.020. The building fee surcharge shall not exceed ten percent of tuition fees and shall not apply to the summer term. For each state fiscal biennium, the respective board may impose the surcharge by November 10 of the year prior to the beginning of the fiscal biennium. Any subsequent modification of the surcharge shall not take effect until the end of the fiscal biennium for which the surcharge was imposed. Once imposed, the building fee surcharge shall not be reduced by the respective board if the reduction will result in the inability of the applicable bond retirement fund to pay the principal and interest on bonds for which the building fee surcharge revenue was pledged.

No surcharge under this section may be imposed or increased by the board of regents or trustees without the consultation of the student services and activities fee committee established under RCW 28B.15.045.

If a building fee surcharge is imposed under this section in a community college district with more than one campus, the surcharge shall apply uniformly to all campuses of that district.

The revenue generated from the building fee surcharge, together with a matching amount of operating fee revenue, shall be deposited in the state treasury as provided in RCW 28B.15.025 and shall be used solely for the capital purposes of the individual institution of higher education imposing the surcharge.

It is the intent of this section to provide additional resources to the state's institutions of higher education to address the institutions' unmet needs for capital improvements. The imposition of a surcharge by an institution of higher education under this section shall not be a prerequisite to the receipt by that institution of other appropriations for capital improvements.

Sec. 2. Section 12, chapter 390, Laws of 1985 and RCW 28B.15.025 are each amended to read as follows:

The term "building fees" means the building fees imposed under RCW 28B.15.202, 28B.15.402, and 28B.15.502 and the building fee surcharge and matching funds authorized under section 1 of this act charged students registering at the state's colleges and universities((-which)); The building fees are to be used as follows: At the University of Washington, solely for the purposes provided in RCW 28B.15.210; at Washington State University, solely for the purposes provided in RCW 28B.15.310; at each of the regional universities and at The Evergreen State College, solely for the purposes provided in RCW 28B.35.370; and at the community colleges, for the purposes provided in RCW 28B.50.320, 28B.50.360 and 28B.50.370. The community college building fee surcharge and matching funds shall be paid into the state treasury and deposited in the community college capital projects account pursuant to RCW 28B.50.360(2). The term "building fees" is a renaming of the "general tuition fee," and shall not be construed to affect otherwise moneys pledged to, or used for bond retirement purposes.

Sec. 3. Section 2, chapter 257, Laws of 1981 as last amended by section 1, chapter 42, Laws of 1986 and RCW 28B.15.067 are each amended to read as follows:

Except as provided in section 1 of this act, tuition fees shall be established and adjusted annually under the provisions of this chapter beginning with the 1987-88 academic year. Such fees shall be identical, subject to other provisions of this chapter, for students enrolled at either state university, for students enrolled at the regional universities and The Evergreen State College and for students enrolled at any community college. Tuition fees shall reflect the undergraduate and graduate educational costs of the state universities, the regional universities and the community colleges, respectively, in the amounts prescribed in this chapter. The change from the biennial tuition fee adjustment to an annual tuition fee adjustment shall not reduce the amount of revenue to the state general fund.

Sec. 4. Section 20, chapter 15, Laws of 1970 ex. sess. as last amended by section 16, chapter 57, Laws of 1985 and by section 56, chapter 390, Laws of 1985 and RCW 28B.50.360 are each reenacted and amended to read as follows:

There is hereby created in the state treasury a community college bond retirement fund. Except as provided in RCW 28B.15.025, within thirty-five days from the date of start of each quarter all building fees of each such community college shall be paid into the state treasury, and shall be credited as follows:

(1) On or before June 30th of each year the college board if issuing bonds payable out of building fees shall certify to the state treasurer the amounts required in the ensuing twelve-month period to pay and secure the payment of the principal of and interest on such bonds. The state treasurer shall thereupon deposit the amounts so certified in the community college bond retirement fund which fund as required, is hereby created in the state treasury. Such amounts of the funds deposited in the bond retirement fund as are necessary to pay and secure the payment of the principal of and interest on the building bonds issued by the college board as authorized by this chapter shall be exclusively devoted to that purpose. If in any twelve-month period it shall appear that the amount certified by the college board is insufficient to pay and secure the payment of the principal of and interest on the outstanding building bonds, the state treasurer shall notify the college board and such board shall adjust its certificate so that all requirements of moneys to pay and secure the payment of the principal and interest on all such bonds then outstanding shall be fully met at all times.

(2) That portion of the building fees not required for or in excess of the amounts necessary to pay and secure the payment of any of the bonds as provided in subsection (1) above shall be deposited in the community college capital projects account which account is hereby created in the state treasury. The sums deposited in the capital projects account shall be appropriated and expended exclusively for the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community college education in the name of the state of Washington, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances in relation thereto, and for the payment of principal of and interest on any bonds issued for such purposes. All earnings of investments of balances in the community college capital projects account shall be credited to the general fund.

(3) Notwithstanding the provisions of subsections (1) and (2) above, at such time as all outstanding building bonds of the college board payable from the community college bond retirement fund have been paid, redeemed, and retired, or at such time as ample provision has been made by the state for full payment, from some source other than the community college bond retirement fund, of the principal of and the interest on and call premium, if applicable, of such bonds as they mature and/or upon their call prior to their maturity, through refunding or otherwise, that portion of all building fees of the community colleges equal to the amount required to pay yearly debt service on any general obligation bonds issued by the state in accordance with Article VIII, section 1, Washington state Constitution, for community college purposes, shall be paid into the general fund of the state treasury. The state finance committee shall determine whether ample provision has been made for payment of such bonds payable from the said bond retirement fund and shall determine the amount required to pay yearly debt service on such general obligation bonds of the state. This subsection does not apply to the building fee surcharge and matching funds authorized under section 1 of this act.

Nothing in this subsection shall be construed as obligating the legislature or the state to provide for payment of such community college building bonds from some source other than the community college bond retirement fund or as pledging the general credit of the state to the payment of such bonds.

(4) The revenue from the building fee surcharge and matching funds authorized under section 1 of this act is not obligated to the payment of principal or interest on any bond issued prior to the effective date of this act or any bond for which the building fee surcharge and matching fund revenue was not specifically pledged.

Sec. 5. Section 6, chapter 257, Laws of 1981 as last amended by section 19, chapter 390, Laws of 1985 and RCW 28B.15.202 are each amended to read as follows:

The motion by Senator Talmadge failed and the amendment to the committee amendment was not adopted.

POINT OF ORDER

Senator Talmadge: "Madam President, I rise to a point of order. I believe the Senate Committee on Ways and Means amendment to Substitute House Bill No. 1405 expands the scope and object of the bill. The bill as it came over to us from the House is a bill calculated to deal with the issue of building fees and the state higher educational system. It was designed to deal with the question of capital construction in the university system. The amendment by the Senate Ways and Means Committee purports to establish local options in which to increase the authority in the hands of the decision making bodies on the various campuses. This has been the subject of separate legislation historically. I believe this new and extraordinary authority clearly expands the scope and object of the bill which was originally designed to deal with the dedication of building fees."

No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. (2) To be exempt under this section, the property must be used exclusively for the purposes for which exemption is granted, except as provided in RCW 84.36.805.

NEW SECTION. Sec. 2. A new section is added to chapter 84.36 RCW, to be codified as RCW 84.36.041, to read as follows:

(1) All real and personal property used by a nonprofit home for the aging that is reasonably necessary for the purposes of the home is exempt from taxation if the benefit of the exemption inures to the home and:

(a) At least fifty percent of the occupied dwelling units in the home are occupied by eligible residents; or

(b) The home is subsidized under a federal department of housing and urban development program. The department of revenue shall provide by rule a definition of homes eligible for exemption under this subsection (b), consistent with the purposes of this section.

(2) A home for the aging is eligible for a partial exemption if the home does not meet the requirements of subsection (1) of this section because fewer than fifty percent of the occupied dwelling units are occupied by eligible residents. The amount of exemption shall be calculated by multiplying the assessed value of the property reasonably necessary for the purposes of the home by a fraction. The numerator of the fraction is the number of dwelling units occupied by eligible persons multiplied by two. The denominator of the fraction is the total number of occupied dwelling units. The fraction shall never exceed one.

(3) To be exempt under this section, the property must be used exclusively for the purposes for which the exemption is granted, except as provided in RCW 84.36.805.

(4) A home for the aging is exempt from taxation only if the organization operating the home is exempt from income tax under section 501(c) of the federal internal revenue code as existing on January 1, 1989, or such subsequent date as the director may provide by rule consistent with the purposes of this section.

(5) Each eligible resident of a home for the aging shall submit the form required under RCW 84.36.385 to the county assessor by July 1st of the assessment year. An eligible resident who has filed a form for a previous year need not file a new form until there is a change in status affecting the person's eligibility.

(6) A home for the aging that was exempt for taxes levied for collection in 1990 and is not fully exempt under this section is entitled to partial exemptions as follows:

(a) For taxes levied for collection in 1991, two-thirds of the assessed value that would otherwise be subject to tax under this section is exempt from taxation.

(b) For taxes levied for collection in 1992, one-third of the assessed value that would otherwise be subject to tax under this section is exempt from taxation.

(7) As used in this section:

(a) "Eligible resident" means a person who would be eligible for an exemption under RCW 84.36.381 if the person owned a single-family dwelling. For the purposes of determining eligibility under this section, a "cotenant" as used in RCW 84.36.383 means a person who resides with an eligible resident and who shares personal financial resources with the eligible resident.

(b) "Home for the aging" means a residential housing facility that (i) provides a housing arrangement chosen voluntarily by the resident, the resident's guardian or conservator, or

another responsible person; (ii) has only residents who are at least sixty-two years of age or who have needs for care generally compatible with persons who are at least sixty-two years of age; and (iii) provides varying levels of care and supervision, as agreed to at the time of admission or as determined necessary at subsequent times of reappraisal.

(2) Subsection (1) of this section applies only when ownership of the property is transferred or when fifty-one percent or more of the area of the property has lost its exempt status. Renumber the remaining subsections accordingly

On page 13, after line 11, insert a new section to read as follows:

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Renumber the remaining section consecutively

POINT OF INQUIRY

Senator Hayner: "Under the bill, Senator Cantu, it says, 'The home is subsidized under a federal Department of Housing and Urban Development program. The Department of Revenue shall provide by rule a definition of homes eligible for exemption under this subsection (b), consistent with the purposes of this section.' Why is this language included in this bill?"

Senator Cantu: "The bill is not intended to tax facilities whose primary purpose is to serve low-income elderly as there are those subsidized under HUD, the Housing and Urban Development program. Therefore, a statement expressing the intent of the Legislature was desirable."

Senator Hayner: "One further question, do all elders who reside in HUD subsidized facilities have to meet HUD low income guide lines?"

Senator Cantu: "Yes, and, therefore, are to be excluded under the bill by virtue of their qualifications for residency in such a facility."

POINT OF INQUIRY

Senator Saling: "Senator Cantu, I find some problems with this bill and amendment and I wish to have you explain to me, if you will please. At what point in the year will the determination be made regarding who is eligible because of their income and how will that be handled?"

Senator Cantu: "Senator Saling, my understanding is that this will be done once a year when the assessor determines the residences that are there and determines the assessed valuation. Then, on that yearly basis those individuals who would qualify then would come under this exemption."

Senator Saling: "So, it will be determined each year by the assessor even though the assessor normally only assesses once every four years in each county?"

Senator Cantu: "That was my understanding in answer to the question. It would be done yearly."

Senator Saling: "Who provided that information to you, Senator?"

Senator Cantu: "We asked some of our staff attorneys to look into it and that is the answer that they provided to me."

Senator Saling: "So, these homes would be handled differently than all other pieces of property as far as assessment is concerned?"

Senator Cantu: "Only as far as the residency coming into it for qualifying as residents of the home."

Senator Saling: "Doesn't this measure provide for the taxation of the property itself?"

Senator Cantu: "Yes."

Senator Saling: "Well, if it's not reassessed every year, and you have people who are senior citizens who may not live very long and others replacing them in these homes, it seems to me that it's going to not be a true reflection of the people who are living in these homes, unless it's assessed every year and readjusted every year as far as the taxes that that particular home would pay. Is that correct?"

Senator Cantu: "Again, Senator Saling, I can only repeat, it is my understanding that for purposes of this bill, the residency requirement eligibility would be established yearly. That is my understanding sir, and I don't know how else to answer."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the adoption of the amendments on page 3, line 28, and page 13, after line 11, to the Committee on Ways and Means amendment to Substitute House Bill No. 1097.

The motion by Senator Cantu carried and the amendments to the committee amendment were adopted.

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "In ruling upon the point of order raised by Senator Owen, the President finds that Engrossed House Bill No. 1172 is a measure which makes several changes in laws dealing with natural resources conservation areas. The bill establishes an advisory committee to assist in evaluating potential sites; appropriates funds to the Department of Natural Resources from dedicated accounts and adds an additional conservation area.

"The proposed Senate Ways and Means amendment removes the additional conservation area and funds the program through an extension of a real estate excise tax surcharge to be used for acquisition of conservation areas.

"The President, therefore, finds that the proposed committee amendment does not change the scope and object of the bill and that the point of order is not well taken."

The Committee on Ways and Means amendment to Engrossed House Bill No. 1172 was ruled in order.

MOTIONS

Senator Owen moved that the following amendment by Senators Owen, McCaslin, Madsen, Pullen, Bauer, Patterson, Rasmussen, Conner and Sutherland to the Committee on Ways and Means amendment be adopted:

(8) "Real estate" means an identified parcel or tract of land, including improvements, if any.

(9) "Real property" means one or more defined interests, benefits, or rights inherent in the ownership of real estate.

(10) "Specialized appraisal services" means all appraisal services which do not fall within the definition of appraisal assignment. The term "specialized appraisal service" may apply to valuation work and to analysis work. Regardless of the intention of the client or employer, if the appraiser would be perceived by third parties or the public as acting as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion, the work is classified as an appraisal assignment and not a specialized appraisal service.

(11) "State-certified real estate appraiser" means a person who develops and communicates real estate appraisals and who holds a valid certificate issued to him or her for either general or residential real estate under this chapter. A state-certificated real estate appraiser may designate or identify an appraisal rendered by him or her as a "certified appraisal" and indicate which type of certification is held.

NEW SECTION, Sec. 4. (1) No person, other than a state-certified real estate appraiser, may assume or use that title or any title, designation, or abbreviation likely to create the impression of certification as a real estate appraiser by this state. A person who is not certified under this chapter shall not describe or refer to any appraisal or real estate located in this state by the term "certified."

(2) This section does not preclude a person who is not certified as a state-certified real estate appraiser from appraising real estate in this state for compensation.

NEW SECTION, Sec. 5. There is established a real estate appraiser certification board which shall consist of seven members, two of whom are public members and five of whom are real estate appraisers.

The governor shall appoint the members of the real estate appraiser certification board.

Each of the real estate appraiser members first appointed to the board shall possess a minimum of ten years of active experience as a real estate appraiser, and shall be appointed from a cross-section of real estate appraisal organizations.

Each real estate appraiser member of the board appointed after July 1, 1990, must be a state-certified real estate appraiser under this chapter at the time of appointment and during the entire term. At least two members of the board shall be state-certified general real estate appraisers. At least one member of the board shall be a state-certified residential real estate appraiser. The term of each member of the board shall be three years, except that, of the members first appointed, one shall serve for three years, three shall serve for two years, and three shall serve for one year. Upon the expiration of a term, a member of the board continues to hold office until the appointment of a successor. No person shall serve as a member of the board for more than two consecutive terms. The governor may remove a member for cause.

The public members of the board shall not be engaged in the practice of real estate appraising.

The governor shall appoint one of the members as a chairperson. The chairperson serves at the pleasure of the governor.

The board shall meet at least once a year or as necessary to conduct board business upon the call of the chairperson at times and places as the chairperson shall designate.

A quorum of the board shall be five members.

Members of the board shall receive compensation under RCW 43.03.240 and shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION, Sec. 6. The real estate appraiser certification board provides technical assistance to the director relating to real estate appraisal standards and real estate appraiser qualifications and has the following responsibilities, powers, and duties:

(1) To recommend to the director the experience, education, and examination requirements that are appropriate for each classification of state-certified real estate appraiser;

(2) To recommend to the director the examination specifications, and the minimum scaled score required to pass the certification examinations for each classification of certification required by this chapter; and

(3) To conduct administrative hearings, as requested by the director, in connection with disciplinary proceedings under this chapter.

NEW SECTION, Sec. 7. The director shall have the following powers and duties:

(1) To adopt rules in accordance with chapter 34.05 RCW necessary to implement this chapter;

(2) To receive and approve applications for certification as a state-certified real estate appraiser under this chapter; to establish appropriate administrative procedures for the processing of such applications; to issue certificates to qualified applicants pursuant to the provisions of this chapter; and to maintain a register of the names and addresses of individuals who are currently certified under this chapter;

(3) To provide administrative assistance to the real estate appraiser certification board to enable the board to carry out its responsibilities under this chapter;

(4) To solicit bids and enter into contracts with educational testing services or organizations for the preparation of questions and answers for certification examinations;

(5) To administer or contract for administration of certification examinations at locations and times as may be required to carry out the responsibilities under this chapter;

(6) To consider recommendations by the real estate appraiser certification board relating to the experience, education, and examination requirements for each classification of state-certified appraiser;

(7) To consider recommendations by the real estate appraiser certification board relating to standards of professional appraisal practice in the enforcement of this chapter;

(8) To issue an annual statement describing the receipts and expenditures in the administration of this chapter during each fiscal year;

(9) To establish appropriate administrative procedures for disciplinary proceedings conducted pursuant to the provisions of this chapter;

(10) To compel the attendance of witnesses and production of books, documents, records, and other papers; to administer oaths; and to take testimony and receive evidence concerning all matters within their jurisdiction. These powers may be exercised directly by the director or the director's authorized representatives acting by authority of law;

(11) To employ such professional, clerical, and technical assistance as may be necessary to properly administer the work of the director;

(12) To compel the attendance of witnesses and production of books, documents, records, and other papers; to administer oaths; and to take testimony and receive evidence concerning all matters within their jurisdiction. These powers may be exercised directly by the director or the director's authorized representatives acting by authority of law;

(13) To do all other things necessary to carry out the provisions of this chapter.

NEW SECTION, Sec. 8. The director, members of the board, or individuals acting on their behalf are immune from suit in any action, civil or criminal, based on any acts performed in the course of their duties except for their intentional or willful misconduct.

NEW SECTION, Sec. 9. The director shall establish fees by rule, under RCW 43.24.086 and chapter 34.05 RCW and establish collection procedures for the fees.

NEW SECTION, Sec. 10. (1) Applications for examinations, original certification, and renewal certification shall be made in writing to the department on forms approved by the director. Applications for original and renewal certification shall include a statement confirming that the applicant shall comply with applicable rules and regulations and that the applicant understands the penalties for misconduct.

(2) The appropriate fees shall accompany all applications for examination, reexamination, original certification, and renewal certification.

NEW SECTION, Sec. 11. There shall be two categories of state-certified real estate appraisers:

(1) The state-certified residential real estate appraiser classification shall consist of those persons meeting the requirements for appraisal of residential real property of one to four units.

(2) The state-certified general real estate appraiser classification shall consist of those persons meeting the requirements for certification relating to the appraisal of all types of real property.

NEW SECTION, Sec. 12. (1) As a prerequisite to taking the examination for certification as a state-certified general real estate appraiser, an applicant shall present evidence satisfactory to the director that he or she has successfully completed the education requirements established by the board.

(2) As a prerequisite to taking the examination for certification as a state-certified residential real estate appraiser, an applicant shall present evidence satisfactory to the director that he or she has successfully completed the education requirements established by the board.

NEW SECTION, Sec. 13. As a prerequisite to taking the examination for certification as a state-certified real estate appraiser, an applicant must meet the experience requirements established by the board.

NEW SECTION, Sec. 14. (1) An original certification as a state-certified real estate appraiser shall be issued to persons who have satisfactorily passed a written examination as adopted by the board.

(2) An applicant as a state-certified residential or general real estate appraiser, who presents evidence satisfactory to the director that he or she has been practicing in this state as a real estate appraiser for more than five years prior to the effective date of this section, may be issued an original certificate without taking an examination.

NEW SECTION, Sec. 15. Every applicant for certification who is not a resident of this state shall submit, with the application for certification, an irrevocable consent that service of process upon him or her may be made by service on the director if, in an action against the applicant in a court of this state arising out of the applicant's activities as a state-certified real

estate appraiser, the plaintiff cannot, in the exercise of due diligence, obtain personal service upon the applicant.

NEW SECTION. Sec. 16. An applicant for certification who is currently certified and in good standing under the laws of another state may obtain a certificate as a Washington state-certified real estate appraiser without being required to satisfy the examination requirements of this chapter if: The director determines that the certification requirements are substantially similar to those found in Washington state; and that the other state has a written reciprocal agreement to provide similar treatment to holders of Washington state certificates.

NEW SECTION. Sec. 17. (1) Each original and renewal certificate shall be for a period of one year.

(2) To be renewed as a state-certified real estate appraiser, the holder of a valid certificate shall apply and pay the prescribed fee to the director no earlier than one hundred twenty days prior to the expiration date of the certificate.

(3) If a person fails to renew a certificate prior to its expiration, the person may obtain a renewal certificate by satisfying all of the requirements for renewal and paying late renewal fees.

NEW SECTION. Sec. 18. (1) A certificate issued under this chapter shall bear the signature or facsimile signature of the director and a certificate number assigned by the director.

(2) Each state-certified real estate appraiser shall place his or her certificate number adjacent to or immediately below the title "state-certified residential real estate appraiser" or "state-certified general real estate appraiser" when used in an appraisal report or in a contract or other instrument used by the certificate holder in conducting real property appraisal activities.

NEW SECTION. Sec. 19. (1) The term "state-certified real estate appraiser" may only be used to refer to individuals who hold the certificate and may not be used following or immediately in connection with the name or signature of a firm, partnership, corporation, or group, or in such manner that it might be interpreted as referring to a firm, partnership, corporation, group, or anyone other than an individual holder of the certificate.

(2) No certificate may be issued under this chapter to a corporation, partnership, firm, or group. This shall not be construed to prevent a state-certified appraiser from signing an appraisal report on behalf of a corporation, partnership, firm, or group practice.

NEW SECTION. Sec. 20. An application for certification or recertification may be denied, and the certification of any state-certified real estate appraiser may be revoked, suspended, or otherwise disciplined in accordance with the provisions of this chapter, for any of the following acts or omissions:

(1) Failing to meet the minimum qualifications for state certification established by or pursuant to this chapter;

(2) Procuring or attempting to procure state certification under this chapter by knowingly making a false statement, knowingly submitting false information, or knowingly making a material misrepresentation on any application filed with the director;

(3) Paying money other than the fees provided for by this chapter to any employee of the director or the board to procure state certification under this chapter;

(4) Failure or refusal without good cause to exercise reasonable diligence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;

(5) Negligence or incompetence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;

(6) Continuing to act as a certified real estate appraiser when his or her certificate is on an expired status;

(7) Failing, upon demand, to disclose any information within his or her knowledge to, or to produce any document, book, or record in his or her possession for inspection of the director or the director's authorized representatives acting by authority of law; and

(8) Violating any provision of this chapter or any lawful rule or regulation made by the director pursuant thereto.

NEW SECTION. Sec. 21. The director may investigate the actions of a state-certified real estate appraiser or an applicant for certification or recertification. Upon receipt of information indicating that a state-certified real estate appraiser under this chapter may have violated this chapter, the director shall cause one or more of the staff investigators to make an investigation of the facts to determine whether or not there is admissible evidence of any such violation. If technical assistance is required, a staff investigator may consult with not more than one of the appraiser members of the board. If an appraiser member of the board is consulted and renders assistance in an investigation, the appraiser member is excused from service on the board in connection with any administrative hearing that may result from such investigation.

In any investigation made by the director's investigative staff, the director shall have the power to compel the attendance of witnesses and the production of books, documents, records, and other papers, to administer oaths, and to take testimony and receive evidence concerning all matters within the director's jurisdiction.

If the director determines, upon investigation, that a state-certified real estate appraiser under this chapter has violated this chapter, a statement of charges shall be prepared and

served upon the state-certified real estate appraiser. This statement of charges shall require the accused party to file an answer to the statement of charges within twenty days of the date of service.

In responding to a statement of charges, the accused party may admit to the allegations, deny the allegations, or otherwise plea. Failure to make a timely response shall be deemed an admission of the allegations contained in the statement of charges.

NEW SECTION, Sec. 22. The administrative hearing on the allegations in the statement of charges may be heard by the board or an administrative law judge appointed under chapter 34.12 RCW at the time and place prescribed by the director and in accordance with the provisions of the administrative procedure act, chapter 34.05 RCW. If the board or the administrative law judge determines that a state-certified real estate appraiser is guilty of a violation of any of the provisions of this chapter, a formal decision shall be prepared that contains findings of fact and recommendations to the director concerning the appropriate disciplinary action to be taken.

In such event the director shall enter an order to that effect and shall file the same in his or her office and immediately mail a copy thereof to the affected party at the addresses of record with the department. Such order shall not be operative for a period of ten days from the date thereof. Any licensee or applicant aggrieved by a final decision by the director in an adjudicative proceeding whether such decision is affirmative or negative in form, is entitled to a judicial review in the superior court under the provisions of the administrative procedure act, chapter 34.05 RCW.

NEW SECTION, Sec. 23. The attorney general shall render to the director and board opinions upon all questions of law relating to the construction or interpretation of this chapter, or arising in the administration thereof that may be submitted by the director or board, and shall act as attorney for the director and board in all actions and proceedings brought by or against the director and board under or pursuant to any provisions of this chapter.

NEW SECTION, Sec. 24. Sections 2 through 23 of this act shall constitute a new chapter in Title 18 RCW.

NEW SECTION, Sec. 25. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1989, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION, Sec. 26. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 27. (1) Sections 2, 3, 5 through 8, 24, and 26 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989.

(2) Sections 1, 4, 9 through 22, and 24 of this act shall take effect July 1, 1990."

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "In ruling upon the point of order raised by Senator Talmadge, the President finds that Substitute House Bill No. 1405 is a measure making changes in the building fee portion of tuition for the state's higher education institutions.

"The amendment proposed by the Senate Committee on Ways and Means makes similar changes in the building fee portion of tuition and authorizes a building fee surcharge.

"The President, therefore, finds that the proposed committee amendment does not change the scope and object of the bill and that the point of order is not well taken."

The Committee on Ways and Means striking amendment to Substitute House Bill No. 1405 was ruled to be in order.

The President Pro Tempore declared the question before the Senate to be the adoption of the Committee on Ways and Means striking amendment to Substitute House Bill No. 1405.

Debate ensued.

The Committee on Ways and Means striking amendment to Substitute House Bill No. 1405 was adopted.

MOTIONS

On motion of Senator McDonald, the following title amendment was adopted:

On page 1, beginning on line 1 of the title, after "fees;" strike the remainder of the title and insert "amending RCW 28B.15.025, 28B.15.067, 28B.15.202, 28B.15.402, and 28B.15.502; reenacting and amending RCW 28B.50.360; adding a new section to chapter 28B.15 RCW; and providing an effective date."

On motion of Senator McDonald, the rules were suspended, Substitute House Bill No. 1405, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator McDonald, I'm curious, was this prohibited before? The reason I'm asking and let me explain. Out at Tacoma Community College, when I made a visit out there, they proudly took me through the activities room. They increased their students fees to help pay for it and which was enough to float bonds and I didn't know that they couldn't do it. This has apparently given them authority that they didn't need?"

Senator McDonald: "Presently, I believe that the Husky Union Building, the Cougar Union Building, and the student union buildings in general can be funded through the student and activities fees and bonding based on that. This is going beyond that in going to the basic tuition and fees portion. It's freezing the amount that will go to capital at nine percent at the two research universities and the comprehensive universities and I believe at twenty percent for the community colleges:

then allowing for a ten percent surcharge above that which would be matched by a like amount from the tuition."

Senator Rasmussen: "Another question, we had Senate Bill No. 5228 which the Associated Students from the UW were down here pushing, but it didn't get passed. Their complaint was that they took their Associated Students fees and recovered the Husky Stadium with a new playing field and they were objecting and they wanted to have more say in it. This will allow the student body themselves to approve?"

Senator McDonald: "I was just informed by the chairman of the Senate Higher Education Committee that they are going to be studying that situation this summer, but I don't believe that this one relates to it in any way."

Senator Rasmussen: "Well, has Senator Saling gone out and played football on this field that the students paid for? They didn't want it; they wanted housing for the poor. Thank you, Senator McDonald."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1405, as amended by the Senate.

The President Pro Tempore declared the question before the Senate to be the motion by Senator Nelson to reconsider the vote by which the amendment by Senators Rinehart and Warnke on page 18, line 33, to the Committee on Education amendment, to Engrossed Substitute House Bill No. 1444, was adopted.

The motion for reconsideration of the amendment to the committee amendment carried.

WITHDRAWAL OF AMENDMENT

On motion of Senator Rinehart, and there being no objection, the amendment on page 18, line 33, to the Committee on Education amendment, was withdrawn.

MOTION

Senator Vognild moved that the Senate immediately consider Engrossed Substitute House Bill No. 2198.

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Vognild, we have another measure before us at the present time. If you'll wait until we finish this measure, your motion would be in order."

Senator Vognild: "Mr. President, I would ask for the motion please, to immediately consider Engrossed Substitute House Bill No. 2198."

MOTION

Senator Newhouse moved that the motion be laid upon the table.
Senator Talmadge demanded a roll call.

POINT OF ORDER

Senator Pullen: "A point of order, Mr. President. It would seem to me that the motion by Senator Vognild is out of order and, therefore, Senator Newhouse's motion is moot. The issue before the Senate is the amendment to Engrossed Substitute House Bill No. 1444 and to try to offer another motion which is not on the proper order of business and does not deal with the subject matter at hand would be out of order and, therefore, I would ask that you would rule Senator Vognild's motion out of order and then that would make Senator Newhouse's motion to lay upon the table moot."

REMARKS BY SENATOR VOGNILD

Senator Vognild: "Thank you, Mr. President. I would say that Senator Pullen's point of order is untimely. We have a motion before us which is not debatable, that being the motion to lay upon the table."

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Vognild, I had ruled that your motion was not in the proper order and asked you if you would wait until we finished the bill and then your motion would be in order. At that point, Senator Newhouse stood up and moved to lay your amendment on the table. My ruling still stands on the fact that you will be in order as soon as we finish this bill."

MOTION

Senator Williams moved that Engrossed Substitute House Bill No. 2198 be made a special order of business for 4:59:30 p.m.

POINT OF ORDER

Senator Pullen: "A point of order, Mr. President. I would raise the same point of order that was previously raised on the Vognild motion. It would seem to me, Mr. President, that both points of order are appropriate and both motions are out of order. The President already ruled that Senator Vognild's motion was out of order, that it was not timely, that the motion could be possibly in order at another time, but that Senator Vognild's motion was out of order. It was not made on the proper order of business. It was made when another subject was before the Senate.

"I would simply submit that the same logic applies to the motion by Senator Williams. They both are out of order, because they both are not timely. They were not made on the proper order of business and it would seem to me that consistency alone, would dictate that the President would rule that the William's motion is out of order. The President has long been renowned for his consistency in his rulings and we greatly admire President Pro Tempore Bluechel for the outstanding work that he's done and I think we have an outstanding ruling on the Vognild motion and I think we would hopefully get an equally consistent and outstanding ruling on the William's motion."

POINT OF ORDER

Senator Rasmussen: "Mr. President, if I may raise a point of order. The clock now reads one minute after 5 and our cut-off time for consideration of bills is 5 o'clock. The Chair previously has made rulings and I think our new Lieutenant Governor made the ruling we may continue and finish the bill that we're on after the 5 o'clock period. But, I do raise the cut-off time of 5 o'clock--and we're not two minutes past--for your consideration, Mr. President."

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "The point is well taken. The motion before the body is the motion by Senator Newhouse to lay on the table. It is a privileged motion."

Senator Talmadge demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Pullen: "A point of parliamentary inquiry, Mr. President. The issue that is before us and the roll call was sustained on what?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "On the motion by Senator Newhouse to lay the motion by Senator Vognild on the table."

Senator Pullen: "I thought the President had ruled that Senator Vognild's motion was out of order, and if Senator Vognild's motion was out of order, then Senator Newhouse's motion is moot."

President Pro Tempore Bluechel: "The President has already ruled, Senator Pullen."

The President Pro Tempore declared the question before the Senate to be the roll call on the motion by Senator Newhouse to lay the motion by Senator Vognild to immediately consider Engrossed Substitute House Bill No. 2198 on the table.

ROLL CALL

The Secretary called the roll and the motion by Senator Newhouse to lay the motion on the table carried by the following vote: Yeas, 25; nays, 21; excused, 3.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Benitz, Bluechel, Cantu, Craswell, Hayner, Johnson, Lee, Matson, McCaslin, McDonald, Metcalf, Nelson, Newhouse, Patterson, Pullen, Saling, Sellar, Smith, Thorsness, von Reichbauer, West - 25.

Voting nay: Senators Bauer, Bender, Conner, Fleming, Kreidler, Madsen, McMullen, Moore, Murray, Niemi, Owen, Rasmussen, Rinehart, Smitherman, Stratton, Sutherland, Talmadge, Vognild, Warnke, Williams, Wojahn - 21.

Excused: Senators DeJarnatt, Gaspard, Hansen - 3.

EDITOR'S NOTE: The following is an explanation of President Pro Tempore Bluechel's ruling regarding the motion by Senator Vognild that the Senate immediately consider Engrossed Substitute House Bill No. 2198.

CLARIFICATION OF THE RULING BY THE PRESIDENT PRO TEMPORE

Due to an apparent lack of clarity or understanding regarding the ruling on Senator Vognild's motion to immediately consider Engrossed Substitute House Bill No. 2198, which motion was made during debate on Engrossed Substitute House Bill No. 1444, the President clarifies the process, and reasoning and restates the ruling as follows:

1. The Senate was considering amendments to Engrossed Substitute House Bill No. 1444 on the sixth order of business. Following consideration of an amendment to Engrossed Substitute House Bill No. 1444, and before the next amendment could be called before the body, Senator Vognild rose and stated as follows: "Mr. President, I move that the Senate immediately consider Engrossed Substitute House Bill No. 2198."
2. The President ruled at that time that the motion was out of order. The basis of this ruling was that the Senate was considering amendments to Engrossed Substitute House Bill No. 1444 at that time and unless further action were to be deferred upon Engrossed Substitute House Bill No. 1444, Senator Vognild's motion could not be put.
3. Senator Pullen then rose and brought up the point of order that Senator Vognild's motion was made on the wrong order of business. The Chair determined that Senator Pullen's point of order was not well taken as Senator Vognild's motion was made on the sixth order of business, second reading of bills, which is the proper order of business to ask for consideration of a measure upon the second reading calendar.
4. Senator Newhouse then moved that Senator Vognild's motion to immediately consider Engrossed Substitute House Bill No. 2198 be laid on the table. The Chair then consulted with counsel to determine the validity of Senator Vognild's motion and the validity and/or the necessity of Senator Newhouse's motion. The Chair, in its deliberations, determined that the essence of Senator Vognild's motion was to defer further consideration of Engrossed Substitute House Bill No. 1444 and to then immediately consider

Engrossed Substitute House Bill No. 2198. The President did not state this basic premise to the body, but simply ruled that Senator Vognild's motion was, in fact, proper and, therefore, Senator Newhouse's motion to lay Senator Vognild's motion on the table was also proper and should be put before the body.

5. It is, of course, proper and necessary to allow the body to defer consideration of any measure before it to take up another measure on the same order of business. To deny this motion would, in effect, tie the hands of the will of the majority and force action on a measure on which the body is not prepared to act.

6. As Senate Rules and Reeds Rules and Parliamentary Procedure dictate, it is the duty and responsibility of the Chair to assure, to the extent possible and within the Rules, that the position of the minority be heard and the will of the body be accomplished in an orderly and expeditious manner. The Chair feels that the rulings regarding the above-mentioned motions accomplished that purpose. Further, the Chair, upon reflection, determined that the basic principle of parliamentary procedure embodied within the rulings was important enough to clarify the actions of the Chair by way of this memorandum. Conversations with the members following the ruling revealed that there was a lack of clarity regarding the fact the Chair had accepted Senator Vognild's motion as one to defer further consideration and place Engrossed Substitute House Bill No. 2198 before the body, and not simply a motion to place a measure before the body while another measure was being acted upon. As the body is well aware, many motions are made from the floor of the Senate which are not articulated in a parliamentary perfected manner. The Chair feels it is its duty and obligation to interpret the motions and place them before the body for action. That is what occurred on April 14, regarding Senator Vognild and Senator Newhouse's motions.

POINT OF ORDER

Senator Williams: "A point of order, Mr. President. I made a motion before 5 o'clock. In fact, before the time that my motion was a time certain to. Would you tell me what the status of that motion is?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "Senator Williams, there was another motion pending—a motion to lay Senator Vognild's motion on the table. That was the order of business then."

PARLIAMENTARY INQUIRY

Senator Talmadge: "A parliamentary inquiry, Mr. President. At 5 o'clock then, the Senate was working on Engrossed Substitute House Bill 2198?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "No, at 5 o'clock the Senate was working on Engrossed Substitute House Bill No. 1444. That is still before the body and the only thing before the body that is subject to cut-off."

The Senate resumed consideration of Engrossed Substitute House Bill No. 1444.

MOTION

Senator Rinehart moved that the following amendment by Senators Rinehart and Warnke to the Committee on Education amendment be adopted:

On page 18, after line 33 of the committee amendment, insert the following:

*NEW SECTION. Sec. 14. A new section is added to Title 28A RCW to read as follows:

(1) The superintendent of public instruction shall develop by September 1, 1990, a model curriculum or curriculum guidelines for an outcomes-based health and physical education learning assistance education program. The purpose of the model curriculum or curriculum guidelines is to assist school districts in coordinating the current health and physical education requirements under Title 28A RCW and to assist school districts in the appropriate offering of

those requirements to students enrolled in kindergarten through grade twelve. The model curriculum or curriculum guidelines shall be available for use at district's discretion.

(2) Every school district board of directors shall consider adopting an outcomes-based health and physical education program by September 1, 1991.

(3) School districts may adopt or modify the model curriculum or curriculum guidelines developed pursuant to subsection (1) of this section, develop a curriculum locally, or adopt or modify any other existing curriculum: PROVIDED, That no provision of this subsection or subsections (1) and (2) of this section shall be construed to authorize the development of school-based health clinics.

(4) For the purposes of this section the term "outcomes-based" means the establishment of skills and/or knowledge the district determines students should learn from the curriculum developed for their local outcomes-based health and physical education program."

Remember the remaining sections consecutively and correct any internal references accordingly.

Debate ensued.

Senator Rinehart demanded a roll call and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the roll call on the adoption of the amendment by Senators Rinehart and Warnke to the Committee on Education amendment to Engrossed Substitute House Bill No. 1444.

ROLL CALL

The Secretary called the roll and the amendment to the committee amendment was adopted by the following vote: Yeas, 24; nays, 22; excused, 3.

Voting yea: Senators Bailey, Bauer, Bender, Bluechel, Conner, Fleming, Kreidler, Madsen, McMullen, Moore, Murray, Niemi, Owen, Rasmussen, Rinehart, Saling, Smitherman, Stratton, Sutherland, Talmadge, Vognild, Warnke, Williams, Wojahn - 24.

Voting nay: Senators Amondson, Anderson, Barr, Benitz, Cantu, Craswell, Hayner, Johnson, Lee, Matson, McCaslin, McDonald, Metcalif, Nelson, Newhouse, Patterson, Pullen, Sellar, Smith, Thorsness, von Reichbauer, West - 22.

Excused: Senators DeJarnatt, Gaspard, Hansen - 3.

There being no objection, the Senate resumed consideration of the amendment by Senator Bailey on page 18, line 33, to the Committee on Education amendment, deferred after being ruled in order April 6, 1989.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Bailey, I'm a little bit curious about what some of the words in this amendment mean and what your real intention happens to be. This amendment says that the State Board of Education may prescribe rules requiring local school districts to set limits or to prescribe certain disciplinary practices that are found to hinder the development of positive discipline learning assistance education environments. You must have something in mind. Could you give me an example of some of the disciplinary action or practices that you would expect that would be prescribed or made illegal under the terms of your amendment?"

Senator Bailey: "Spanking was the one."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Rasmussen: "A point of parliamentary inquiry. Could I raise a scope and object on this amendment, Mr. President?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Bluechel: "That has been raised and ruled upon and it was found to be in order, Senator Rasmussen."

Senator Rasmussen: "How was the ruling?"

President Pro Tempore Bluechel: "It was found to be in order, Senator Rasmussen. It was some time ago."

Senator Rasmussen: "Thank you, Mr. President."

POINT OF INQUIRY

Senator Rasmussen: "I can't understand this amendment, Senator Bailey. You usually draw your amendments pretty clearly. You are very able and experienced and I'm reading the amendment and that's why I was raising the scope on it. I

didn't know it had already been raised. It says, "That are found to hinder the development of positive discipline." I don't know what hinders—could you tell me what hinders positive discipline? I know when you take a two by four to that bull of yours, it's positive discipline, but I'm not sure what this means—that you want to hinder positive discipline. Could you yield to the question, Senator Bailey?"

Senator Bailey: "And my answer to your question is that I think that we should begin to limit punishment on a corporal nature in our school system in the state of Washington and I guess I can't get much clearer than that."

Senator Rasmussen: "Thank you, Senator Bailey. When I served on the school board, I thought that we did have control of that. The local school board made the decisions and the superintendent followed the decisions of the local school board. I don't know why you need a super school board to hinder positive discipline. I would urge the body to reject this amendment as being irrelevant, unneeded and a hindrance to good education."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the adoption of the amendment by Senator Bailey on page 18, line 33, to the Committee on Education amendment.

The amendment by Senator Bailey on page 18, line 33, to the Committee on Education amendment was not adopted.

The President Pro Tempore declared the question before the Senate to be the adoption of the Committee on Education amendment, as amended, to Engrossed Substitute House Bill No. 1444.

On motion of Senator Bailey, the rules were suspended, Engrossed Substitute House Bill No. 1444, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.
