Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1756 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.110 and 1993 c 412 s 7 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days or longer for good cause shown. The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the

guardian ad litem, and court-appointed special advocates, if any, are all in agreement. The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons may be admitted who are found by the judge to have a direct interest in the case or in the work of the court. Unless the court states on the record the reasons to disallow attendance, the court shall allow a child's relatives and, if a child resides in foster care ((or in the home of a relative pursuant to a disposition order entered under RCW 13.34.130, the court may allow)), the child's foster parent ((or relative care provider)), to attend ((dependency review)) all hearings and proceedings pertaining to the child for the sole purpose of providing oral and written information about the child and the child's welfare to the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. 2. RCW 13.34.130 and 1994 c 288 s 4 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a grandparent, brother, sister, stepbrother, stepsister, uncle, aunt, or first cousin with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in the best interests of the child and that it is not reasonable to provide further services to reunify the family

because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court

orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

(5) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "and amending RCW 13.34.110 and 13.34.130."

April 10, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1820 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.37 RCW to read as follows:

(1) "Safety chains" means flexible tension members connected from the front portion of the towed vehicle to the rear portion of the towing vehicle for the purpose of retaining connection between towed and towing vehicle in the event of failure of the connection provided by the primary connecting system, as prescribed by rule of the Washington state patrol.

(2) The term "safety chains" includes chains, cables, or wire ropes, or an equivalent flexible member meeting the strength requirements prescribed by rule of the Washington state patrol.

(3) A tow truck towing a vehicle and a vehicle towing a trailer must use safety chains. Failure to comply with this section is a class 1 civil infraction punishable under RCW 7.80.120.

NEW SECTION. Sec. 2. A new section is added to chapter 46.55 RCW to read as follows:

A vehicle engaging in the business of recovery of disabled vehicles for monetary compensation, from or on a public road or highway must either be operated by a registered tow truck operator, or someone who at a minimum has insurance in a like manner and amount as prescribed in RCW 46.55.030(3), and have had their tow trucks inspected in a like manner as prescribed by RCW 46.55.040(1). The department shall adopt rules to enforce this section. Failure to comply with this section is a class 1 civil infraction punishable under RCW 7.80.120.

Sec. 3. RCW 46.55.063 and 1989 c 111 s 7 are each amended to read as follows:

(1) An operator shall file a fee schedule with the department. All filed fees must be adequate to cover the costs of service provided. No fees may exceed those filed with the department. At least ten days before the effective date of any change in an operator's fee schedule, the registered tow truck operator shall file the revised fee schedule with the department.

(2) Towing contracts with private property owners shall be in written form and state the hours of authorization to impound, the persons empowered to authorize the impounds, and the present charge of a private impound for the classes of tow trucks to be used in the impound, and must be retained in the files of the registered tow truck operator for three years.

(3) A fee that is charged for tow truck service must be calculated on an hourly basis, and after the first hour must be charged to the nearest quarter hour.

(4) ~~((A)) Fees that ((is))~~ are charged for the storage of a vehicle, or for other items of personal property registered or titled with the department, must be calculated on a twenty-four hour basis and must be charged to the nearest half day from the time the vehicle arrived at the secure storage area. However, items of personal property registered or titled with the department that are wholly contained within an impounded vehicle are not subject to additional storage fees; they are, however, subject to satisfying the underlying lien for towing and storage of the vehicle in which they are contained.

(5) All billing invoices that are provided to the redeemer of the vehicle, or other items of personal property registered or titled with the department, must be itemized so that the individual fees are clearly discernable.

Sec. 4. RCW 46.55.090 and 1989 c 178 s 25 are each amended to read as follows:

(1) All vehicles impounded shall be taken to the nearest storage location that has been inspected and is listed on the application filed with the department.

(2) All vehicles shall be handled and returned in substantially the same condition as they existed before being towed.

(3) All personal belongings and contents in the vehicle, with the exception of those items of personal property that are registered or titled with the department, shall be kept intact, and shall be returned to the vehicle's owner or agent during normal business hours upon request and presentation of a driver's license or other sufficient identification. Personal belongings, with the exception of those items of personal property that are registered or titled with the department, shall not be sold at auction to fulfill a lien against the vehicle.

(4) All personal belongings, with the exception of those items of personal property that are registered or titled with the department, not claimed before the auction shall be turned over to the local law enforcement agency to which the initial notification of impoundment was given. Such personal belongings shall be disposed of pursuant to chapter 63.32 or 63.40 RCW.

(5) Tow truck drivers shall have a Washington state driver's license endorsed for the appropriate classification under chapter 46.25 RCW or the equivalent issued by another state.

(6) Any person who shows proof of ownership or written authorization from the impounded vehicle's registered or legal owner or the vehicle's insurer may view the vehicle without charge during normal business hours.

Sec. 5. RCW 46.55.100 and 1991 c 20 s 1 are each amended to read as follows:

(1) At the time of impoundment the registered tow truck operator providing the towing service shall give immediate notification, by telephone or radio, to a law enforcement agency having jurisdiction who shall maintain a log of such reports. A law enforcement agency, or a private communication center acting on behalf of a law enforcement agency, shall within six to twelve hours of the impoundment, provide to a requesting operator the name and address of the legal and registered owners of the vehicle, and the registered owner of any personal property registered or titled with the department that is attached to or contained in or on the impounded vehicle, the vehicle identification number, and any other necessary, pertinent information. The initial notice of impoundment shall be followed by a written or electronic facsimile notice within twenty-four hours. In the case of a vehicle from another state, time requirements of this subsection do not apply until the requesting law enforcement agency in this state receives the information.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle, and for any items of personal property registered or titled with the department, that are in the operator's possession after the ninety-six hour abandonment period. Such report need not be sent when the impoundment is pursuant to a writ, court order, or police hold. The owner notification and abandonment process shall be initiated by the registered tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.

(4) Within fifteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned

vehicle and any other items of personal property registered or titled with the department to the crime information center of the Washington state patrol.

(5) If the operator sends an abandoned vehicle report to the department and the department finds no owner information, an operator may proceed with an inspection of the vehicle and any other items of personal property registered or titled with the department to determine whether owner identification is within the vehicle.

(6) If the operator finds no owner identification, the operator shall immediately notify the appropriate law enforcement agency, which shall search the vehicle and any other items of personal property registered or titled with the department for the vehicle identification number or other appropriate identification numbers and check the necessary records to determine the vehicle's or other property's owners.

Sec. 6. RCW 46.55.110 and 1989 c 111 s 10 are each amended to read as follows:

(1) When an unauthorized vehicle is impounded, the impounding towing operator shall notify the legal and registered owners of the impoundment of the unauthorized vehicle and the owners of any other items of personal property registered or titled with the department. The notification shall be sent by first-class mail within twenty-four hours after the impoundment to the last known registered and legal owners of the vehicle, and the owners of any other items of personal property registered or titled with the department, as provided by the law enforcement agency, and shall inform the owners of the identity of the person or agency authorizing the impound. The notification shall include the name of the impounding tow firm, its address, and telephone number. The notice shall also include the location, time of the impound, and by whose authority the vehicle was impounded. The notice shall also include the written notice of the right of redemption and opportunity for a hearing to contest the validity of the impoundment pursuant to RCW 46.55.120.

(2) In the case of an abandoned vehicle, or other item of personal property registered or titled with the department, within twenty-four hours after receiving information on the ((vehicle)) owners from the department through the abandoned vehicle report, the tow truck operator shall send by certified mail, with return receipt requested, a notice of custody and sale to the legal and registered owners.

(3) No notices need be sent to the legal or registered owners of an impounded vehicle or other item of personal property registered or titled with the department, if the vehicle or personal property has been redeemed.

Sec. 7. RCW 46.55.120 and 1993 c 121 s 3 are each amended to read as follows:

(1) Vehicles or other items of personal property registered or titled with the department that are impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, or 46.55.113 may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized in writing by the registered owner or the vehicle's insurer, a person who is determined and verified by the operator to have the permission of the registered owner of the vehicle or other item of personal property registered or titled with the department, or one who has purchased a vehicle or item of personal property registered or titled with the department from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor, may redeem an impounded vehicle or items of personal property registered or titled with the department.

(b) The vehicle or other item of personal property registered or titled with the department shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. If the towing firm can determine through the customer's bank or a check verification service that the presented check would not be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this

section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2)(a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle, or item of personal property registered or titled with the department, written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and legal owners of the vehicle or other item of personal property registered or titled with the department, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with the posted or contracted rates.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be in violation of this chapter, then the registered and legal owners of the vehicle or other item of personal property registered or titled with the department shall bear no impoundment, towing, or storage fees, and any security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the registered tow truck operator against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for reasonable damages for loss of the use of the vehicle during the time the same was impounded, for not less than fifty dollars per day, against the person or agency authorizing the impound. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment shall read essentially as follows:

(4) Any impounded abandoned vehicle or item of personal property registered or titled with the department that is not redeemed within fifteen days of mailing of the notice of custody and sale as required by RCW 46.55.110(2) shall be sold at public auction in accordance with all the provisions and subject to all the conditions of RCW 46.55.130. A vehicle or item of personal property registered or titled with the department may be redeemed at any time before the start of the auction upon payment of the applicable towing and storage fees.

Sec. 8. RCW 46.55.140 and 1992 c 200 s 1 are each amended to read as follows:

(1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the impounded vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. The lien does not apply to personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle except for items of personal property registered or titled with the department. The registered tow truck operator also has a deficiency claim against the registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of ~~((three))~~ five hundred dollars ~~((less))~~ after deduction of the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars ~~((less))~~ after deduction of the amount bid at auction, unless the impound is determined to be invalid. The limitation on towing and storage deficiency claims does not apply to an impound directed by a law enforcement officer. In no case may the cost of the auction or a buyer's fee be added to the amount charged for the vehicle at the auction, the vehicle's lien, or the overage due. A registered owner who has completed and filed with the department the seller's report as provided for by RCW 46.12.101 and has timely and properly filed the seller's report is relieved of liability under this section. The person named as the new owner of the vehicle on the timely and properly filed seller's report shall assume liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any vehicle parked, stalled, or otherwise left on privately owned or controlled property, and any person owning or controlling the private property, or either of them, are liable to the owner or operator of a vehicle, or each of them, for consequential and incidental damages arising from any interference with the ownership or use of the vehicle which does not comply with the requirements of this chapter.

Sec. 9. RCW 46.20.435 and 1985 c 391 s 1 are each amended to read as follows:

(1) Upon determining that a person is operating a motor vehicle without a valid driver's license in violation of RCW 46.20.021 or with a license that has been expired for ninety days or more, or with a suspended or revoked license in violation of RCW 46.20.342 or 46.20.420, a law enforcement officer may immediately impound the vehicle that the person is operating.

(2) ~~((If the driver of the vehicle is the owner of the vehicle,))~~ The officer shall not release the vehicle impounded under subsection (1) of this section until the owner of the vehicle:

(a) Establishes that any penalties, fines, or forfeitures owed by the ~~((person driving))~~ registered owner of the vehicle ~~((when it))~~ that was impounded have been satisfied; and

(b) Pays the reasonable costs of such impoundment and storage.

(3) ~~((If the driver of the vehicle is not the owner of the vehicle, the driver shall be responsible for any penalties, fines, or forfeitures owed or due and for the costs of impoundment and storage. The vehicle shall be released to the owner immediately upon proof of such ownership.~~

~~((4))~~ Whenever a vehicle has been impounded by a law enforcement officer, the officer shall immediately serve upon the driver of the impounded vehicle a notice informing the recipient of his or her right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing or the amount of towing and storage charges. A request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date of the impound. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the driver is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

~~((5))~~ (4)(a) The district court, within five days after the request for a hearing, shall notify the driver in writing of the hearing date and time.

(b) At the hearing, the person requesting the hearing may produce any relevant evidence to show that the impoundment was not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the driver was responsible for any penalties, fines, or forfeitures owed or due at the time of the impoundment, and whether they have been satisfied.

(d) A certified transcript or abstract of the driving record of the driver, as maintained by the department, is admissible in evidence in any hearing and is prima facie evidence of the status of the driving privilege of the person named in it at the time of the impoundment and whether there were penalties, fines, or forfeitures due and owing by the person named in it at the time the impoundment occurred.

Sec. 10. RCW 46.61.625 and 1965 ex.s. c 155 s 73 are each amended to read as follows:

(1) No person or persons shall occupy any trailer while it is being moved upon a public highway, except a person occupying a proper position for steering a trailer designed to be steered from a rear-end position.

(2) No person or persons may occupy a vehicle while it is being towed by a tow truck as defined in RCW 46.55.010(8)."

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1995

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1879 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.40.220 and 1994 sp.s. c 7 s 529 are each amended to read as follows:

(1) Whenever legal custody of a child is vested in someone other than his or her parents, under this chapter, and not vested in the department of social and health services, after due notice to the parents or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum representing in whole or in part the costs of support, treatment, and confinement of the child after the decree is entered.

(2) If the parent or other legally obligated person willfully fails or refuses to pay such sum, the court may proceed against such person for contempt.

(3) Whenever legal custody of a child is vested in the department under this chapter, the parents or other persons legally obligated to care for and support the child shall be liable for the costs of support, treatment, and confinement of the child, in accordance with the department's reimbursement of cost schedule. The department shall adopt a reimbursement of cost schedule based on the costs of providing such services, and shall determine an obligation based on the responsible parents' or other legally obligated person's ability to pay. The department is authorized to adopt additional rules as appropriate to enforce this section.

(4) To enforce subsection (3) of this section, the department shall serve on the parents or other person legally obligated to care for and support the child a notice and finding of financial responsibility requiring the parents or other legally obligated person to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect and should not be ordered. This notice and finding shall relate to the costs of support, treatment, and confinement of the child in accordance with the department's reimbursement of cost schedule adopted under this section, including periodic payments to be made in the future. The hearing shall be held pursuant to chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(5) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the parent or legally obligated person by certified mail, return receipt requested. The receipt shall be prima facie evidence of service.

(6) If the parents or other legally obligated person objects to the notice and finding of financial responsibility, then an application for an adjudicative hearing may be filed within twenty days of the date of service of the notice. If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the parents or other legally obligated person and shall also determine the amount of periodic payments to be made in the future. If the parents or other legally responsible person fails to file an application within twenty days, the notice and finding of financial responsibility shall become a final administrative order.

(7) Debts determined pursuant to this section are subject to collection action without further necessity of action by a presiding or reviewing officer. The department may collect the debt in accordance with RCW 43.20B.635, 43.20B.640, 74.20A.060, and 74.20A.070. The department shall

exempt from payment parents receiving adoption support under RCW 74.13.100 through 74.13.145, ~~((and))~~ parents eligible to receive adoption support under RCW 74.13.150, and a parent or other legally obligated person when the parent or other legally obligated person, or such person's child, spouse, or spouse's child, was the victim of the offense for which the child was committed.

(8) An administrative order entered pursuant to this section shall supersede any court order entered prior to June 13, 1994.

(9) The department shall be subrogated to the right of the child and his or her parents or other legally responsible person to receive support payments for the benefit of the child from any parent or legally obligated person pursuant to a support order established by a superior court or pursuant to RCW 74.20A.055. The department's right of subrogation under this section is limited to the liability established in accordance with its cost schedule for support, treatment, and confinement, except as addressed in subsection (10) of this section.

(10) Nothing in this section precludes the department from recouping such additional support payments from the child's parents or other legally obligated person as required to qualify for receipt of federal funds. The department may adopt such rules dealing with liability for recoupment of support, treatment, or confinement costs as may become necessary to entitle the state to participate in federal funds unless such rules would be expressly prohibited by law. If any law dealing with liability for recoupment of support, treatment, or confinement costs is ruled to be in conflict with federal requirements which are a prescribed condition of the allocation of federal funds, such conflicting law is declared to be inoperative solely to the extent of the conflict.

NEW SECTION. **Sec. 2.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "offenders;" strike the remainder of the title and insert "amending RCW 13.40.220; and declaring an emergency."

and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1906 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature declares that the state of Washington has a compelling interest in protecting and promoting the health, welfare, and safety of children, including those who receive care away from their own homes. The legislature further declares that no person or agency has a right to be licensed under this chapter to provide care for children. The health, safety, and well-being of children must be the paramount concern in determining whether to issue a license to an applicant, whether to suspend or revoke a license, and whether to take other licensing action. The legislature intends, through the provisions of this act, to provide the department of social and health services with additional enforcement authority to carry out the purpose and provisions of this act. Furthermore, administrative law judges should receive specialized training so that they have the specialized expertise required to appropriately review licensing decisions of the department.

Children placed in foster care are particularly vulnerable and have a special need for placement in an environment that is stable, safe, and nurturing. For this reason, foster homes should be held to a high standard of care, and department decisions regarding denial, suspension, or revocation of foster care licenses should be upheld on review if there are reasonable grounds for such action.

Sec. 2. RCW 74.15.010 and 1983 c 3 s 192 are each amended to read as follows:

The purpose of chapter 74.15 RCW and RCW 74.13.031 is:

(1) To safeguard the health, safety, and well-being of children, expectant mothers and developmentally disabled persons receiving care away from their own homes, which is paramount over the right of any person to provide care;

(2) To strengthen and encourage family unity and to sustain parental rights and responsibilities to the end that foster care is provided only when a child's family, through the use of all available resources, is unable to provide necessary care;

(3) To promote the development of a sufficient number and variety of adequate child-care and maternity-care facilities, both public and private, through the cooperative efforts of public and voluntary agencies and related groups((-);

(4) To provide consultation to agencies caring for children, expectant mothers or developmentally disabled persons in order to help them to improve their methods of and facilities for care;

(5) To license agencies as defined in RCW 74.15.020 and to assure the users of such agencies, their parents, the community at large and the agencies themselves that adequate minimum standards are maintained by all agencies caring for children, expectant mothers and developmentally disabled persons.

Sec. 3. RCW 74.15.020 and 1994 c 273 s 21 are each amended to read as follows:

Sec. 4. RCW 74.15.030 and 1988 c 189 s 3 are each amended to read as follows:

The secretary shall have the power and it shall be the secretary's duty:

(1) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to designate categories of facilities for which separate or different requirements shall be developed as may be appropriate whether because of variations in the ages, sex and other characteristics of persons served, variations in the purposes and services offered or size or structure of the agencies to be licensed hereunder, or because of any other factor relevant thereto;

(2) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements for licensing applicable to each of the various categories of agencies to be licensed.

The minimum requirements shall be limited to:

(a) The size and suitability of a facility and the plan of operation for carrying out the purpose for which an applicant seeks a license;

(b) The character, suitability and competence of an agency and other persons associated with an agency directly responsible for the care and treatment of children, expectant mothers or developmentally disabled persons. In consultation with law enforcement personnel, the secretary shall investigate the conviction record or pending charges and dependency record information under chapter 43.43 RCW of each agency and its staff seeking licensure or relicensure. In order to determine the suitability of applicants for an agency license, licensees, their employees, and other persons who have

unsupervised access to children in care, and who have not resided in the state of Washington during the three-year period before being authorized to care for children shall be fingerprinted. The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history records check. The fingerprint criminal history records checks will be at the expense of the licensee except that in the case of a foster family home, if this expense would work a hardship on the licensee, the department shall pay the expense. The licensee may not pass this cost on to the employee or prospective employee, unless the employee is determined to be unsuitable due to his or her criminal history record. The secretary shall use the information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children, expectant mothers, and developmentally disabled persons. Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose;

(c) The number of qualified persons required to render the type of care and treatment for which an agency seeks a license;

(d) The safety, cleanliness, and general adequacy of the premises to provide for the comfort, care and well-being of children, expectant mothers or developmentally disabled persons;

(e) The provision of necessary care, including food, clothing, supervision and discipline; physical, mental and social well-being; and educational, recreational and spiritual opportunities for those served;

(f) The financial ability of an agency to comply with minimum requirements established pursuant to chapter 74.15 RCW and RCW 74.13.031; and

(g) The maintenance of records pertaining to the admission, progress, health and discharge of persons served;

(3) To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children, expectant mothers, and developmentally disabled persons prior to authorizing that person to care for children, expectant mothers, and developmentally disabled persons. However, if a child is placed with a relative under RCW 13.34.060 or 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement;

(4) On reports of child abuse and neglect, to investigate agencies in accordance with chapter 26.44 RCW, including child day-care centers and family day-care homes, to determine whether the abuse or neglect has occurred, and whether child protective services or referral to a law enforcement agency is appropriate;

(5) To issue, revoke, or deny licenses to agencies pursuant to chapter 74.15 RCW and RCW 74.13.031. Licenses shall specify the category of care which an agency is authorized to render and the ages, sex and number of persons to be served;

(6) To prescribe the procedures and the form and contents of reports necessary for the administration of chapter 74.15 RCW and RCW 74.13.031 and to require regular reports from each licensee;

(7) To inspect agencies periodically to determine whether or not there is compliance with chapter 74.15 RCW and RCW 74.13.031 and the requirements adopted hereunder;

(8) To review requirements adopted hereunder at least every two years and to adopt appropriate changes after consultation with the child care coordinating committee and other affected groups for child day-care requirements and with the children's services advisory committee for requirements for other agencies; and

(9) To consult with public and private agencies in order to help them improve their methods and facilities for the care of children, expectant mothers and developmentally disabled persons.

Sec. 5. RCW 74.15.130 and 1989 c 175 s 149 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses. RCW 43.20A.205

governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care;

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or

(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses.

(3) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed seventy-five dollars per violation for a family day-care home and two hundred fifty dollars per violation for group homes, child day-care centers, and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

NEW SECTION. Sec. 6. A new section is added to chapter 74.15 RCW to read as follows:

(1) The office of administrative hearings shall not assign nor allow an administrative law judge to preside over an adjudicative hearing regarding denial, modification, suspension, or revocation of any license to provide child care, including foster care, under this chapter, unless such judge has received training related to state and federal laws and department policies and procedures regarding:

- (a) Child abuse, neglect, and maltreatment;
- (b) Child protective services investigations and standards;
- (c) Licensing activities and standards;
- (d) Child development; and
- (e) Parenting skills.

(2) The office of administrative hearings shall develop and implement a training program that carries out the requirements of this section. The office of administrative hearings shall consult and coordinate with the department in developing the training program. The department may assist the office of administrative hearings in developing and providing training to administrative law judges.

NEW SECTION. Sec. 7. A new section is added to chapter 74.15 RCW to read as follows:

(1) The department may issue a probationary license to a licensee who has had a license but is temporarily unable to comply with a rule or has been the subject of multiple complaints or concerns about noncompliance if:

- (a) The noncompliance does not present an immediate threat to the health and well-being of the children but would be likely to do so if allowed to continue; and
- (b) The licensee has a plan approved by the department to correct the area of noncompliance within the probationary period.

(2) A probationary license may be issued for up to six months, and at the discretion of the department it may be extended for an additional six months. The department shall immediately terminate the probationary license, if at any time the noncompliance for which the probationary license was issued presents an immediate threat to the health or well-being of the children.

(3) The department may, at any time, issue a probationary license for due cause that states the conditions of probation.

(4) An existing license is invalidated when a probationary license is issued.

(5) At the expiration of the probationary license, the department shall reinstate the original license for the remainder of its term, issue a new license, or revoke the original license.

(6) A right to an adjudicative proceeding shall not accrue to the licensee whose license has been placed on probationary status unless the licensee does not agree with the placement on probationary status and the department then suspends, revokes, or modifies the license.

Each agency shall make application for a license or renewal of license to the department of social and health services on forms prescribed by the department. A licensed agency having foster-family homes under its supervision may make application for a license on behalf of any such foster-family home. Such a foster home license shall cease to be valid when the home is no longer under the supervision of that agency. Upon receipt of such application, the department shall either grant or deny a license within ninety days unless the application is for licensure as a foster-family home, in which case RCW 74.15.040 shall govern. A license shall be granted if the agency meets the minimum requirements set forth in chapter 74.15 RCW and RCW 74.13.031 and the departmental requirements consistent herewith, except that ~~((a-provisional))~~ an initial license may be issued as provided in RCW 74.15.120. Licenses provided for in chapter 74.15 RCW and RCW 74.13.031 shall be issued for a period of three years. The licensee, however, shall advise the secretary of any material change in circumstances which might constitute grounds for reclassification of license as to category. The license issued under this chapter is not transferable and applies only to the licensee and the location stated in the application. For licensed foster-family and family day-care homes having an acceptable history of child care, the license may remain in effect for two weeks after a move, except that for the foster-family home this will apply only if the family remains intact.

Sec. 9. RCW 74.15.120 and 1979 c 141 s 361 are each amended to read as follows:

The secretary of social and health services may, at his or her discretion, issue ~~((a-provisional))~~ an initial license instead of a full license to an agency or facility for a period not to exceed six months, renewable for a period not to exceed two years, to allow such agency or facility reasonable time to become eligible for full license ~~(, except that a provisional)~~. An initial license shall not be granted to any foster-family home except as provided in rules adopted by the department."

NEW SECTION. Sec. 805. The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts.

NEW SECTION. Sec. 806. "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 1995, in the 1993-95 biennial appropriations for each project.

NEW SECTION. Sec. 807. To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 808. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate committee on ways and means and the house of representatives committee on capital budget.

NEW SECTION. Sec. 809. (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

NEW SECTION. Sec. 810. Notwithstanding any other provisions of law, for the 1995-97 biennium, transfers of reimbursement by the state treasurer to the general fund from the community college capital projects account for debt service payments made under Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available to the account. The state board for community and technical colleges need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

NEW SECTION. Sec. 811. Any capital improvements or capital projects involving construction or major expansion of a state office facility, including, but not limited to, district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the office of financial management and the department of general administration for possible consolidation, collocation, and compliance with state office standards before allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

NEW SECTION. Sec. 812. The governor, through the office of financial management, may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes which govern the grants.

For purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if: (1) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (2) bids have been let on a project

and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

For the purposes of this section, the legislature intends that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

A report of any transfer effected under this section except emergency projects or any transfer under \$250,000 shall be filed with the legislative fiscal committees of the senate and house of representatives by the director of financial management at least thirty days before the date the transfer is effected. The director shall report all emergency or smaller transfers within thirty days from the date of transfer.

NEW SECTION. Sec. 813. To ensure that major construction projects are carried out in accordance with legislative and executive intent, appropriations in this act referencing this section or in excess of \$5,000,000 shall not be expended until the office of financial management has reviewed the agency's predesign and other documents and approved an allotment for the project. The predesign document shall include but not be limited to program, site, and cost analysis in accordance with the predesign manual adopted by the office of financial management.

NEW SECTION. Sec. 814. Allotments for appropriations shall be provided in accordance with the capital project review requirements adopted by the office of financial management. The office of financial management shall notify the house of representatives capital budget committee and the senate ways and means committee of allotment releases based on review by the office of financial management.

The office of financial management shall report to the appropriate committees of the legislature, by December 1, 1996, the standards, policies and enrollment levels used as the basis for allotting funds for branch campus design and construction.

NEW SECTION. Sec. 816. The department of information services shall act as lead agency in coordinating video telecommunications services for state agencies. As lead agency, the department shall develop standards and common specifications for leased and purchased telecommunications equipment and assist state agencies in developing a video telecommunications expenditure plan. No agency may spend any portion of any appropriation in this act for new video telecommunications equipment, new video telecommunications transmission, or new video telecommunications systems without first complying with chapter 43.105 RCW, including but not limited to RCW 43.105.041(2), and without first submitting a video telecommunications equipment expenditure plan, in accordance with the policies of the department of information services, for review and assessment by the department of information services under RCW 43.105.052. Before any such expenditure by a public school, a video telecommunications expenditure plan shall be approved by the superintendent of public instruction. The office of the superintendent of public instruction shall submit the plans to the department of information services in a form prescribed by the department. The office of the superintendent of public instruction shall coordinate the use of the video telecommunications in public schools by providing educational information to local school districts and shall assist local school districts and educational service districts in telecommunications planning and curriculum development. Before any such expenditure by a public institution of postsecondary education, a telecommunications expenditure plan shall be approved by the higher education coordinating board. The higher education

coordinating board shall coordinate the use of video telecommunications for instruction and instructional support in postsecondary education, including the review and approval of instructional telecommunications course offerings.

NEW SECTION. **Sec. 817.** The department of natural resources shall submit economic assumptions and forecast methodology for trust revenues to the economic and revenue forecast work group. The supervisor of the economic and revenue forecast council shall include the forecast of trust revenues in the economic and revenue forecasts described in RCW 82.33.020.

NEW SECTION. **Sec. 818.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 819.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

The intent of the program is to improve mobility of people and goods in Washington state by supporting economic development and environmentally responsive solutions to our state-wide transportation system needs.

To be eligible to receive these funds, a project must be consistent with the Growth Management Act, the Clean Air Act including conformity, and the Commute Trip Reduction Law and consideration must have been given to the project's relationship, both actual and potential, with the state-wide rail passenger program and rapid mass transit. Projects must be consistent with any adopted high capacity transportation plan, must consider existing or reasonably foreseeable congestion levels attributable to economic development or growth and all modes of transportation and safety, and must be partially funded by local government or private contributions, or a combination of such contributions. Priority consideration shall be given to those projects with the greatest percentage of local or private contribution, or both.

Within one year after board approval of an application for funding, the lead agency shall provide written certification to the board of the pledged local and private funding for the phase of the project approved. SPEAKER'S RULING

Representative Sheahan, the Speaker is prepared to Rule on your Point of Order which challenges the Senate Amendment to Substitute House Bill No. 1140 as being beyond the Scope and Object of the bill.

The title of Substitute House Bill No. 1140 is "AN ACT Relating to the use of criminal history in sentencing of offenders.

The title is narrow. The bill amends RCW 9.94A.390, reenacts and amends RCW 9.94A.360, and prescribes penalties.

The title clearly limits the scope of the bill to the use of past criminal history when making certain determinations pertaining to the sentencing of criminal offenders.

Senate Amendments 328 and 332 would allow judges to impose exceptional sentences longer than the standard range for certain current offenders without regard to the prior criminal history of the defendant.

The Amendment clearly goes beyond the scope of the title to Substitute House Bill No. 1140.

The Speaker finds that the Senate Amendments is beyond the scope and object of the bill.

Representative Sheahan, Your Point of Order is well taken.

The motion to not concur in the Senate amendments to Substitute House Bill No. 1140 was carried.

There being no objection, the House deferred consideration of Engrossed Substitute House Bill No. 1165.

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1995

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1173 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.13.118 and 1985 c 7 s 138 are each amended to read as follows:

At least ~~((annually))~~ once every five years, the secretary shall review the need of any adoptive parent or parents receiving continuing support pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145, or the need of any parent who is to receive more than one lump sum payment where such payments are to be spaced more than one year apart. ~~((Such review shall be made not later than the anniversary date of the adoption support agreement.))~~

At the time of such ~~((annual))~~ review and at other times ~~((during the year))~~ when changed conditions, including variations in medical opinions, prognosis and costs, are deemed by the secretary to warrant such action, appropriate adjustments in payments shall be made based upon changes in the needs of the child, in the adoptive parents' income, resources, and expenses for the care of such child or other members of the family, including medical and/or hospitalization expense not otherwise covered by or subject to reimbursement from insurance or other sources of financial assistance.

Any parent who is a party to such an agreement may at any time in writing request, for reasons set forth in such request, a review of the amount of any payment or the level of continuing payments. Such review shall be begun not later than thirty days from the receipt of such request. Any adjustment may be made retroactive to the date such request was received by the secretary. If such request is not acted on within thirty days after it has been received by the secretary, such parent may invoke his rights under the hearing provisions set forth in RCW 74.13.127.

Sec. 2. RCW 74.13.121 and 1985 c 7 s 139 are each amended to read as follows:

So long as any adoptive parent is receiving support pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 he or she shall, ~~((not later than two weeks after it is filed with the United States government))~~ upon request, file with the secretary a copy of his or her federal income tax return. Such return and any information thereon shall be marked by the secretary "confidential", shall be used by the secretary solely for the purposes of RCW 26.33.320 and 74.13.100 through 74.13.145, and shall not be revealed to any other person, institution or agency, public or private, including agencies of the United States government, other than a superior court, judge or commissioner before whom a petition for adoption of a child being supported or to be supported pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 is then pending.

In carrying on the review process authorized by RCW 26.33.320 and 74.13.100 through 74.13.145 the secretary may require the adoptive parent or parents to disclose such additional financial information, not privileged, as may enable him or her to make determinations and adjustments in support to the end that the purposes and policies of this state expressed in RCW 74.13.100 may be carried out, provided that no adoptive parent or parents shall be obliged, by virtue of this section, to sign any agreement or other writing waiving any constitutional right or privilege nor to admit to his or her home any agent, employee, or official of any department of this state, or of the United States government.

Such information shall be marked "confidential" by the secretary, shall be used by him or her solely for the purposes of RCW 26.33.320 and 74.13.100 through 74.13.145, and shall not be revealed to any other person, institution, or agency, public or private, including agencies of the United States

government other than a superior court judge or commission before whom a petition for adoption of a child being supported or to be supported pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 is then pending.

NEW SECTION. Sec. 3. The legislature recognizes that some prospective adoptive parents may not have finalized the adoption of a foster child in their care because the adoption support program as it is presently structured may offer special children with complex needs fewer necessary services than the foster care program provides them through exceptional cost plans. Enhancement of the adoption support program could increase the likelihood that such special needs children could be adopted.

The department of social and health services is directed to conduct a study to determine the costs, program impact, and appropriateness of extending exceptional cost rate foster care plans for special needs children to the adoption support program. The department of social and health services shall complete the study and report its findings to the legislature no later than September 1, 1995."

On page 1, line 1 of the title, after "support;" strike the remainder of the title and insert "amending RCW 74.13.118 and 74.13.121; and creating a new section."

and the same are herewith transmitted.

On page 5, after line 8, insert the following:

"**Sec. 8.** RCW 84.34.230 and 1994 c 301 s 33 are each amended to read as follows:

For the purpose of acquiring conservation futures as well as other rights and interests in real property pursuant to RCW 84.34.210 and 84.34.220, a county may levy an amount not to exceed six and one-quarter cents per thousand dollars of assessed valuation against the assessed valuation of all taxable property within the county(~~(, which levy shall be in addition to that authorized by RCW 84.52.043))~~). The limitations in RCW 84.52.043 shall not apply to the tax levy authorized in this section.

Sec. 9. RCW 84.52.069 and 1994 c 79 s 2 are each amended to read as follows:

(1) As used in this section, "taxing district" means a county, emergency medical service district, city or town, public hospital district, urban emergency medical service district, or fire protection district.

(2) A taxing district may impose additional regular property tax levies in an amount equal to fifty cents or less per thousand dollars of the assessed value of property in the taxing district in each year for six consecutive years when specifically authorized so to do by a majority of at least three-fifths of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting "yes" on the proposition shall constitute three-fifths of a number equal to forty percent of the total number of voters voting in such taxing district at the last preceding general election when the number of registered voters voting on the proposition does not exceed forty percent of the total number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the registered voters thereof voting on the proposition when the number of registered voters voting on the proposition exceeds forty percent of the total number of voters voting in such taxing district in the last preceding general election. Ballot propositions shall conform with RCW 29.30.111.

(3) Any tax imposed under this section shall be used only for the provision of emergency medical care or emergency medical services, including related personnel costs, training for such personnel, and related equipment, supplies, vehicles and structures needed for the provision of emergency medical care or emergency medical services.

(4) If a county levies a tax under this section, no taxing district within the county may levy a tax under this section. No other taxing district may levy a tax under this section if another taxing district has levied a tax under this section within its boundaries: PROVIDED, That if a county levies less than fifty cents per thousand dollars of the assessed value of property, then any other taxing district

may levy a tax under this section equal to the difference between the rate of the levy by the county and fifty cents: PROVIDED FURTHER, That if a taxing district within a county levies this tax, and the voters of the county subsequently approve a levying of this tax, then the amount of the taxing district levy within the county shall be reduced, when the combined levies exceed fifty cents. Whenever a tax is levied county-wide, the service shall, insofar as is feasible, be provided throughout the county: PROVIDED FURTHER, That no county-wide levy proposal may be placed on the ballot without the approval of the legislative authority of each city exceeding fifty thousand population within the county: AND PROVIDED FURTHER, That this section and RCW 36.32.480 shall not prohibit any city or town from levying an annual excess levy to fund emergency medical services: AND PROVIDED, FURTHER, That if a county proposes to impose tax levies under this section, no other ballot proposition authorizing tax levies under this section by another taxing district in the county may be placed before the voters at the same election at which the county ballot proposition is placed: AND PROVIDED FURTHER, That any taxing district emergency medical service levy that is authorized subsequent to a county emergency medical service levy, shall expire concurrently with the county emergency medical service levy.

(5) The ~~((tax levy authorized in this section is in addition to the tax levy authorized))~~ limitations in RCW 84.52.043 shall not apply to the tax levy authorized in this section.

(6) The limitation in RCW 84.55.010 shall not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section.

Sec. 10. RCW 84.52.105 and 1993 c 337 s 2 are each amended to read as follows:

(1) A county, city, or town may impose additional regular property tax levies of up to fifty cents per thousand dollars of assessed value of property in each year for up to ten consecutive years to finance affordable housing for very low-income households when specifically authorized to do so by a majority of the voters of the taxing district voting on a ballot proposition authorizing the levies. If both a county, and a city or town within the county, impose levies authorized under this section, the levies of the last jurisdiction to receive voter approval for the levies shall be reduced or eliminated so that the combined rates of these levies may not exceed fifty cents per thousand dollars of assessed valuation in any area within the county. A ballot proposition authorizing a levy under this section must conform with RCW 84.52.054.

(2) The additional property tax levies may not be imposed until:

(a) The governing body of the county, city, or town declares the existence of an emergency with respect to the availability of housing that is affordable to very low-income households in the taxing district; and

(b) The governing body of the county, city, or town adopts an affordable housing financing plan to serve as the plan for expenditure of funds raised by a levy authorized under this section, and the governing body determines that the affordable housing financing plan is consistent with either the locally adopted or state-adopted comprehensive housing affordability strategy, required under the Cranston-Gonzalez national affordable housing act (42 U.S.C. Sec. 12701, et seq.), as amended.

(3) For purposes of this section, the term "very low-income household" means a single person, family, or unrelated persons living together whose income is at or below fifty percent of the median income, as determined by the United States department of housing and urban development, with adjustments for household size, for the county where the taxing district is located.

(4) The limitations in RCW 84.52.043 shall not apply to the tax levy authorized in this section."

Renumber the remaining sections consecutively and correct any internal references accordingly.

(~~A renewal license fee paid prior to the actual expiration date of the license being renewed shall be deemed to be erroneously paid if the vehicle for which the renewal license was purchased is destroyed or permanently removed from the state prior to the beginning date of the registration period for which the renewal fee was paid.~~) A license fee is refundable in one or more of the following circumstances: (1) If the vehicle for which the renewal license was purchased was destroyed before the beginning date of the registration period for which the renewal fee was paid; (2) if the vehicle for which the renewal license was purchased was permanently removed from the state before the beginning date of the

SENATE AMENDMENTS TO HOUSE BILL

April 11, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1724 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes by this act that the growth management act is a fundamental building block of regulatory reform. The state and local governments have invested considerable resources in an act that should serve as the integrating framework for all other land-use related laws. The growth management act provides the means to effectively combine certainty for development decisions, reasonable environmental protection, long-range planning for cost-effective infrastructure, and orderly growth and development.

PART I - GROWTH MANAGEMENT ACT

NEW SECTION. Sec. 101. The legislature finds that during project review, a county or city planning under RCW 36.70A.040 is likely to discover the need to make various improvements in comprehensive plans and development regulations. There is no current requirement or process for applicants, citizens, or agency staff to ensure that these improvements are considered in the plan review process. The legislature also finds that in the past environmental review and permitting of proposed projects have been used to reopen and make land use planning decisions that should have been made through the comprehensive planning process, in part because agency staff and hearing examiners have not been able to ensure consideration of all issues in the local planning process. The legislature further finds that, while plans and regulations should be improved and refined over time, it is unfair to penalize applicants that have submitted permit applications that meet current requirements. It is the intent of the legislature in enacting section 102 of this act to establish a means by which cities and counties will docket suggested plan or development regulation amendments and ensure their consideration during the planning process.

NEW SECTION. Sec. 102. A new section is added to chapter 36.70A RCW to read as follows:

(1) Project review, which shall be conducted pursuant to the provisions of chapter 36.-- RCW (the new chapter created in section 431 of this act), shall be used to make individual project decisions, not land use planning decisions. If, during project review, a county or city planning under RCW 36.70A.040 identifies deficiencies in plans or regulations:

- (a) The permitting process shall not be used as a comprehensive planning process;
- (b) Project review shall continue; and
- (c) The identified deficiencies shall be docketed for possible future plan or development regulation amendments.

(2) Each county and city planning under RCW 36.70A.040 shall include in its development regulations a procedure for any interested person, including applicants, citizens, hearing examiners, and staff of other agencies, to suggest plan or development regulation amendments. The suggested amendments shall be docketed and considered on at least an annual basis, consistent with the provisions of RCW 36.70A.130.

(3) For purposes of this section, a deficiency in a comprehensive plan or development regulation refers to the absence of required or potentially desirable contents of a comprehensive plan or development regulation. It does not refer to whether a development regulation addresses a project's probable specific adverse environmental impacts which the permitting agency could mitigate in the normal project review process.

(4) For purposes of this section, docketing refers to compiling and maintaining a list of suggested changes to the comprehensive plan or development regulations in a manner that will ensure such suggested changes will be considered by the county or city and will be available for review by the public.

Sec. 103. RCW 36.70A.030 and 1994 c 307 s 2 and 1994 c 257 s 5 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(3) "City" means any city or town, including a code city.

(4) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(5) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas.

(6) "Department" means the department of community, trade, and economic development.

(7) ~~((For purposes of RCW 36.70A.065 and 36.70A.440, "development permit application" means any application for a development proposal for a use that could be permitted under a plan adopted pursuant to this chapter and is consistent with the underlying land use and zoning, including but not limited to building permits, subdivisions, binding site plans, planned unit developments, conditional uses or other applications pertaining to land uses, but shall not include rezones, proposed amendments to comprehensive plans or the adoption or amendment of development regulations.~~

~~(8))~~ (8) "Development regulations" means ~~((any))~~ the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in section 402 of this act, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

~~((9))~~ (8) "Forest land" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forest land is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forest land to other uses.

~~((10))~~ (9) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

~~((11))~~ (10) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

~~((12))~~ (11) "Minerals" include gravel, sand, and valuable metallic substances.

~~((13))~~ (12) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

~~((14))~~ (13) "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

~~((15))~~ (14) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of such land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

~~((16))~~ (15) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

~~((17))~~ (16) "Urban governmental services" include those governmental services historically and typically delivered by cities, and include storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with nonurban areas.

~~((18))~~ (17) "Wetland" or "wetlands" means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities. ~~((However,))~~ Wetlands may include those artificial

wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands(~~(, if permitted by the county or city)~~).

NEW SECTION. Sec. 104. A new section is added to chapter 36.70A RCW to read as follows:

(1) For shorelines of the state, the goals and policies of the shoreline management act as set forth in RCW 90.58.020 are added as one of the goals of this chapter as set forth in RCW 36.70A.020. The goals and policies of a shoreline master program for a county or city approved under chapter 90.58 RCW shall be considered an element of the county or city's comprehensive plan. All other portions of the shoreline master program for a county or city adopted under chapter 90.58 RCW, including use regulations, shall be considered a part of the county or city's development regulations.

(2) The shoreline master program shall be adopted pursuant to the procedures of chapter 90.58 RCW rather than the procedures set forth in this chapter for the adoption of a comprehensive plan or development regulations.

NEW SECTION. Sec. 105. A new section is added to chapter 36.70A RCW to read as follows:

(1) In designating and protecting critical areas under this chapter, counties and cities shall include the best available science in developing policies and development regulations to protect the functions and values of critical areas. In addition, counties and cities shall give special consideration to conservation or protection measures necessary to preserve or enhance anadromous fisheries.

(2) If it determines that advice from scientific or other experts is necessary or will be of substantial assistance in reaching its decision, a growth management hearings board may retain scientific or other expert advice to assist in reviewing a petition under RCW 36.70A.290 that involves critical areas.

Sec. 106. RCW 36.70A.130 and 1990 1st ex.s. c 17 s 13 are each amended to read as follows:

(1) Each comprehensive land use plan and development regulations shall be subject to continuing evaluation and review by the county or city that adopted them.

Any amendment or revision to a comprehensive land use plan shall conform to this chapter, and any change to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program identifying procedures whereby proposed amendments or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year except that amendments may be considered more frequently under the following circumstances:

(i) The initial adoption of a subarea plan; and

(ii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW.

(b) All proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with a growth management hearings board or with the court.

(3) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas. The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period.

Sec. 107. RCW 36.70A.140 and 1990 1st ex.s. c 17 s 14 are each amended to read as follows:

Each county and city that is required or chooses to plan under RCW 36.70A.040 shall establish and broadly disseminate to the public a public participation program identifying procedures providing for early and continuous public participation in the development and amendment of comprehensive land use plans and development regulations implementing such plans. The procedures shall provide for broad dissemination of proposals and alternatives, opportunity for written comments, public meetings after effective notice, provision for open discussion, communication programs, information services, and consideration of and response to public comments. In enacting legislation in response to the board's decision pursuant to RCW 36.70A.300 declaring part or all of a comprehensive plan or development regulation invalid, the county or city shall provide for public participation that is appropriate and effective under the circumstances presented by the board's order. Errors in exact compliance with the established program and procedures shall not render the comprehensive land use plan or development regulations invalid if the spirit of the program and procedures is observed.

Sec. 108. RCW 36.70A.280 and 1994 c 249 s 31 are each amended to read as follows:

(1) A growth management hearings board shall hear and determine only those petitions alleging either:

(a) That a state agency, county, or city planning under this chapter is not in compliance with the requirements of this chapter, chapter 90.58 RCW as it relates to the adoption of shoreline master programs or amendments thereto, or chapter 43.21C RCW as it relates to plans, development regulations, or amendments, adopted under RCW 36.70A.040 or chapter 90.58 RCW; or

(b) That the twenty-year growth management planning population projections adopted by the office of financial management pursuant to RCW 43.62.035 should be adjusted.

(2) A petition may be filed only by the state, a county or city that plans under this chapter, a person who has either appeared before the county or city regarding the matter on which a review is being requested or is certified by the governor within sixty days of filing the request with the board, or a person qualified pursuant to RCW 34.05.530.

(3) For purposes of this section "person" means any individual, partnership, corporation, association, governmental subdivision or unit thereof, or public or private organization or entity of any character.

(4) When considering a possible adjustment to a growth management planning population projection prepared by the office of financial management, a board shall consider the implications of any such adjustment to the population forecast for the entire state.

The rationale for any adjustment that is adopted by a board must be documented and filed with the office of financial management within ten working days after adoption.

If adjusted by a board, a county growth management planning population projection shall only be used for the planning purposes set forth in this chapter and shall be known as a "board adjusted population projection". None of these changes shall affect the official state and county population forecasts prepared by the office of financial management, which shall continue to be used for state budget and planning purposes.

Sec. 109. RCW 36.70A.290 and 1994 c 257 s 2 and 1994 c 249 s 26 are each reenacted and amended to read as follows:

(1) All requests for review to a growth management hearings board shall be initiated by filing a petition that includes a detailed statement of issues presented for resolution by the board.

(2) All petitions relating to whether or not an adopted comprehensive plan, development regulation, or permanent amendment thereto, is in compliance with the goals and requirements of this chapter or chapter 90.58 or 43.21C RCW must be filed within sixty days after publication by the legislative bodies of the county or city.

(a) Except as provided in (c) of this subsection, the date of publication for a city shall be the date the city publishes the ordinance, or summary of the ordinance, adopting the comprehensive plan or development regulations, or amendment thereto, as is required to be published.

(b) Promptly after adoption, a county shall publish a notice that it has adopted the comprehensive plan or development regulations, or amendment thereto.

Except as provided in (c) of this subsection, for purposes of this section the date of publication for a county shall be the date the county publishes the notice that it has adopted the comprehensive plan or development regulations, or amendment thereto.

(c) For local governments planning under RCW 36.70A.040, promptly after approval or disapproval of a local government's shoreline master program or amendment thereto by the department of ecology as provided in RCW 90.58.090, the local government shall publish a notice that the shoreline master program or amendment thereto has been approved or disapproved by the department of ecology. For purposes of this section, the date of publication for the adoption or amendment of a shoreline master program is the date the local government publishes notice that the shoreline master program or amendment thereto has been approved or disapproved by the department of ecology.

(3) Unless the board dismisses the petition as frivolous or finds that the person filing the petition lacks standing, the board shall, within ten days of receipt of the petition, set a time for hearing the matter.

(4) The board shall base its decision on the record developed by the city, county, or the state and supplemented with additional evidence if the board determines that such additional evidence would be necessary or of substantial assistance to the board in reaching its decision.

(5) The board, shall consolidate, when appropriate, all petitions involving the review of the same comprehensive plan or the same development regulation or regulations.

Sec. 110. RCW 36.70A.300 and 1991 sp.s. c 32 s 11 are each amended to read as follows:

(1) The board shall issue a final order within one hundred eighty days of receipt of the petition for review, or, when multiple petitions are filed, within one hundred eighty days of receipt of the last petition that is consolidated. Such a final order shall be based exclusively on whether or not a state agency, county, or city is in compliance with the requirements of this chapter, chapter 90.58 RCW as it relates to adoption or amendment of shoreline master programs, or chapter 43.21C RCW as it relates to plans, development regulations, and amendments thereto, adopted under RCW 36.70A.040 or chapter 90.58 RCW. In the final order, the board shall either: (a) Find that the state agency, county, or city is in compliance with the requirements of this chapter or chapter 90.58 RCW as it relates to the adoption or amendment of shoreline master programs; or (b) find that the state agency, county, or city is not in compliance with the requirements of this chapter or chapter 90.58 RCW as it relates to the adoption or amendment of shoreline master programs, in which case the board shall remand the matter to the affected state agency, county, or city and specify a reasonable time not in excess of one hundred eighty days within which the state agency, county, or city shall comply with the requirements of this chapter.

(2) A finding of noncompliance and an order of remand shall not affect the validity of comprehensive plans and development regulations during the period of remand, unless the board's final order also:

(a) Includes a determination, supported by findings of fact and conclusions of law, that the continued validity of the plan or regulation would substantially interfere with the fulfillment of the goals of this chapter; and

(b) Specifies the particular part or parts of the plan or regulation that are determined to be invalid, and the reasons for their invalidity.

(3) A determination of invalidity shall:

(a) Be prospective in effect and shall not extinguish rights that vested under state or local law before the date of the board's order; and

(b) Subject any development application that would otherwise vest after the date of the board's order to the local ordinance or resolution that both is enacted in response to the order of remand and determined by the board pursuant to RCW 36.70A.330 to comply with the requirements of this chapter.

(4) If the ordinance that adopts a plan or development regulation under this chapter includes a savings clause intended to revive prior policies or regulations in the event the new plan or regulations are determined to be invalid, the board shall determine under subsection (2) of this section whether the prior policies or regulations are valid during the period of remand.

(5) Any party aggrieved by a final decision of the hearings board may appeal the decision to ~~((Thurston county))~~ superior court as provided in RCW 34.05.514 or 36.01.050 within thirty days of the final order of the board.

Sec. 111. RCW 36.70A.320 and 1991 sp.s. c 32 s 13 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, comprehensive plans and development regulations, and amendments thereto, adopted under this chapter are presumed valid upon adoption. In

any petition under this chapter, the board, after full consideration of the petition, shall determine whether there is compliance with the requirements of this chapter. In making its determination, the board shall consider the criteria adopted by the department under RCW 36.70A.190(4). The board shall find compliance unless it finds by a preponderance of the evidence that the state agency, county, or city erroneously interpreted or applied this chapter.

(2) The shoreline element of a comprehensive plan and the applicable development regulations adopted by a county or city shall take effect as provided in chapter 90.58 RCW.

Sec. 112. RCW 36.70A.330 and 1991 sp.s. c 32 s 14 are each amended to read as follows:

(1) After the time set for complying with the requirements of this chapter under RCW 36.70A.300(1)(b) has expired, or at an earlier time upon the motion of a county or city subject to a determination of invalidity under RCW 36.70A.300, the board(~~(, on its own motion or motion of the petitioner,)~~) shall set a hearing for the purpose of determining whether the state agency, county, or city is in compliance with the requirements of this chapter.

(2) The board shall conduct a hearing and issue a finding of compliance or noncompliance with the requirements of this chapter. A person with standing to challenge the legislation enacted in response to the board's final order may participate in the hearing along with the petitioner and the state agency, city, or county. A hearing under this subsection shall be given the highest priority of business to be conducted by the board, and a finding shall be issued within forty-five days of the filing of the motion under subsection (1) of this section with the board.

(3) If the board finds that the state agency, county, or city is not in compliance, the board shall transmit its finding to the governor. The board may recommend to the governor that the sanctions authorized by this chapter be imposed.

(4) The board shall also reconsider its final order and decide:

(a) If a determination of invalidity has been made, whether such a determination should be rescinded or modified under the standards in RCW 36.70A.300(2); or

(b) If no determination of invalidity has been made, whether one now should be made under the standards in RCW 36.70A.300(2).

The board shall schedule additional hearings as appropriate pursuant to subsections (1) and (2) of this section.

Sec. 113. RCW 34.05.514 and 1994 c 257 s 23 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section (~~(and RCW 36.70A.300(3))~~), proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed either in the county in which the principal office of the institution involved is located or in the county of a branch campus if the action involves such branch.

NEW SECTION. Sec. 114. (1) The legislature finds that:

(a) As of the effective date of this section, twenty-nine counties and two hundred eight cities are conducting comprehensive planning under the growth management act, chapter 36.70A RCW, which together comprise over ninety percent of the state's population;

(b) Comprehensive plans for many of the jurisdictions were due by July 1, 1994, and the remaining jurisdictions must complete plans under due dates ranging from October 1994 to September 1997;

(c) Concurrently with these comprehensive planning activities, local governments must conduct several other planning requirements under the growth management act, such as the adoption of capital facilities plans, urban growth areas, and development regulations;

(d) Local governments must also comply with the state environmental policy act, chapter 43.21C RCW, in the development of comprehensive plans and development regulations;

(e) The combined activities of comprehensive planning and the state environmental policy act present a serious fiscal burden upon local governments; and

(f) Detailed environmental analysis integrated with comprehensive plans, subarea plans, and development regulations will facilitate planning for and managing growth, allow greater protection of the environment, and benefit both the general public and private property owners.

(2) In order to provide financial assistance to cities and counties planning under chapter 36.70A RCW and to improve the usefulness of plans and integrated environmental analyses, the legislature has created the fund described in section 115 of this act.

NEW SECTION. **Sec. 115.** A new section is added to chapter 36.70A RCW to read as follows:

The growth management planning and environmental review fund is hereby established in the state treasury. Moneys may be placed in the fund from the proceeds of bond sales, tax revenues, budget transfers, federal appropriations, gifts, or any other lawful source. Moneys in the fund may be spent only after appropriation. Moneys in the fund shall be used to make grants to local governments for the purposes set forth in section 202 of this act, RCW 43.21C.031, or section 116 of this act.

NEW SECTION. **Sec. 116.** A new section is added to chapter 36.70A RCW to read as follows:

(1) The department of community, trade, and economic development shall provide management services for the fund created by section 115 of this act. The department by rule shall establish procedures for fund management.

(2) A grant may be awarded to a county or city that is required to or has chosen to plan under RCW 36.70A.040 and that is qualified pursuant to this section. The grant shall be provided to assist a county or city in paying for the cost of preparing a detailed environmental impact statement that is integrated with a comprehensive plan or subarea plan and development regulations.

(3) In order to qualify for a grant, a county or city shall:

(a) Demonstrate that it will prepare an environmental analysis pursuant to chapter 43.21C RCW that is integrated with a comprehensive plan or subarea plan and development regulations;

(b) Address environmental impacts and consequences, alternatives, and mitigation measures in sufficient detail to allow the analysis to be adopted in whole or in part by subsequent applicants for development permits within the geographic area analyzed in the plan;

(c) Include mechanisms in the plan to monitor the consequences of growth as it occurs in the plan area and provide ongoing data to update the plan and environmental analysis;

(d) Be making substantial progress towards compliance with the requirements of this chapter. A county or city that is more than six months out of compliance with a requirement of this chapter is deemed not to be making substantial progress towards compliance; and

(e) Provide local funding, which may include financial participation by the private sector.

(4) In awarding grants, the department shall give preference to proposals that include one or more of the following elements:

(a) Financial participation by the private sector, or a public/private partnering approach;

(b) Comprehensive and subarea plan proposals that are designed to identify and monitor system capacities for elements of the built environment, and to the extent appropriate, of the natural environment;

(c) Programs to improve the efficiency and effectiveness of the permitting process by greater reliance on integrated plans;

(d) Programs for effective citizen and neighborhood involvement that contribute to greater certainty that planning decisions will be implemented; and

(e) Plans that identify environmental impacts and establish mitigation measures that provide effective means to satisfy concurrency requirements and establish project consistency with the plans.

(5) If the local funding includes funding provided by other state functional planning programs, including open space planning and watershed or basin planning, the functional plan shall be integrated into and be consistent with the comprehensive plan.

PART II - STATE ENVIRONMENTAL POLICY ACT

NEW SECTION. **Sec. 201.** (1) The legislature finds in adopting section 202 of this act that:

(a) Comprehensive plans and development regulations adopted by counties, cities, and towns under chapter 36.70A RCW and environmental laws and rules adopted by the state and federal

government have addressed a wide range of environmental subjects and impacts. These plans, regulations, rules, and laws often provide environmental analysis and mitigation measures for project actions without the need for an environmental impact statement or further project mitigation.

(b) Existing plans, regulations, rules, or laws provide environmental analysis and measures that avoid or otherwise mitigate the probable specific adverse environmental impacts of proposed projects should be integrated with, and should not be duplicated by, environmental review under chapter 43.21C RCW.

(c) Proposed projects should continue to receive environmental review, which should be conducted in a manner that is integrated with and does not duplicate other requirements. Project-level environmental review should be used to: (i) Review and document consistency with comprehensive plans and development regulations; (ii) provide prompt and coordinated review by government agencies and the public on compliance with applicable environmental laws and plans, including mitigation for specific project impacts that have not been considered and addressed at the plan or development regulation level; and (iii) ensure accountability by local government to applicants and the public for requiring and implementing mitigation measures.

(d) When a project permit application is filed, an agency should analyze the proposal's environmental impacts, as required by applicable regulations and the environmental review process required by this chapter, in one project review process. The project review process should include land use, environmental, public, and governmental review, as provided by the applicable regulations and the rules adopted under this chapter, so that documents prepared under different requirements can be reviewed together by the public and other agencies. This project review will provide an agency with the information necessary to make a decision on the proposed project.

(e) Through this project review process: (i) If the applicable regulations require studies that adequately analyze all of the project's specific probable adverse environmental impacts, additional studies under this chapter will not be necessary on those impacts; (ii) if the applicable regulations require measures that adequately address such environmental impacts, additional measures would likewise not be required under this chapter; and (iii) if the applicable regulations do not adequately analyze or address a proposal's specific probable adverse environmental impacts, this chapter provides the authority and procedures for additional review.

(2) The legislature intends that a primary role of environmental review under chapter 43.21C RCW is to focus on the gaps and overlaps that may exist in applicable laws and requirements related to a proposed action. The review of project actions conducted by counties, cities, and towns planning under RCW 36.70A.040 should integrate environmental review with project review. Chapter 43.21C RCW should not be used as a substitute for other land use planning and environmental requirements.

NEW SECTION. Sec. 202. A new section is added to chapter 43.21C RCW to read as follows:

(1) If the requirements of subsection (2) of this section are satisfied, a county, city, or town reviewing a project action may determine that the requirements for environmental analysis, protection, and mitigation measures in the county, city, or town's development regulations and comprehensive plans adopted under chapter 36.70A RCW, and in other applicable local, state, or federal laws and rules provide adequate analysis of and mitigation for the specific adverse environmental impacts of the project action to which the requirements apply.

(2) A county, city, or town may make the determination provided for in subsection (1) of this section if:

(a) In the course of project review, including any required environmental analysis, the local government considers the specific probable adverse environmental impacts of the proposed action and determines that these specific impacts are adequately addressed by the development regulations or other applicable requirements of the comprehensive plan, subarea plan element of the comprehensive plan, or other local, state, or federal rules or laws; and

(b) The local government bases or conditions its approval on compliance with these requirements or mitigation measures.

(3) If a county, city, or town's comprehensive plans, subarea plans, and development regulations adequately address a project's probable specific adverse environmental impacts, as determined under subsections (1) and (2) of this section, the county, city, or town shall not impose additional mitigation under this chapter during project review. Project review shall be integrated with environmental analysis under this chapter.

(4) A comprehensive plan, subarea plan, or development regulation shall be considered to adequately address an impact if the county, city, or town, through the planning and environmental review process under chapter 36.70A RCW and this chapter, has identified the specific adverse environmental impacts and:

(a) The impacts have been avoided or otherwise mitigated; or

(b) The legislative body of the county, city, or town has designated as acceptable certain levels of service, land use designations, development standards, or other land use planning required or allowed by chapter 36.70A RCW.

(5) In deciding whether a specific adverse environmental impact has been addressed by an existing rule or law of another agency with jurisdiction with environmental expertise with regard to a specific environmental impact, the county, city, or town shall consult orally or in writing with that agency and may expressly defer to that agency. In making this deferral, the county, city, or town shall base or condition its project approval on compliance with these other existing rules or laws.

(6) Nothing in this section limits the authority of an agency in its review or mitigation of a project to adopt or otherwise rely on environmental analyses and requirements under other laws, as provided by this chapter.

(7) This section shall apply only to a county, city, or town planning under RCW 36.70A.040.

Sec. 203. RCW 43.21C.031 and 1983 c 117 s 1 are each amended to read as follows:

(1) An environmental impact statement (the detailed statement required by RCW 43.21C.030(2)(c)) shall be prepared on proposals for legislation and other major actions having a probable significant, adverse environmental impact. The environmental impact statement may be combined with the recommendation or report on the proposal or issued as a separate document. The substantive decisions or recommendations shall be clearly identifiable in the combined document. Actions categorically exempt under RCW 43.21C.110(1)(a) do not require environmental review or the preparation of an environmental impact statement under this chapter. In a county, city, or town planning under RCW 36.70A.040, a planned action, as provided for in subsection (2) of this section, does not require a threshold determination or the preparation of an environmental impact statement under this chapter, but is subject to environmental review and mitigation as provided in this chapter.

An environmental impact statement is required to analyze only those probable adverse environmental impacts which are significant. Beneficial environmental impacts may be discussed. The responsible official shall consult with agencies and the public to identify such impacts and limit the scope of an environmental impact statement. The subjects listed in RCW 43.21C.030(2)(c) need not be treated as separate sections of an environmental impact statement. Discussions of significant short-term and long-term environmental impacts, significant irrevocable commitments of natural resources, significant alternatives including mitigation measures, and significant environmental impacts which cannot be mitigated should be consolidated or included, as applicable, in those sections of an environmental impact statement where the responsible official decides they logically belong.

(2)(a) For purposes of this section, a planned action means one or more types of project action that:

(i) Are designated planned actions by an ordinance or resolution adopted by a county, city, or town planning under RCW 36.70A.040;

(ii) Have had the significant impacts adequately addressed in an environmental impact statement prepared in conjunction with (A) a comprehensive plan or subarea plan adopted under chapter 36.70A RCW, or (B) a fully contained community, a master planned resort, a master planned development, or a phased project;

(iii) Are subsequent or implementing projects for the proposals listed in (a)(ii) of this subsection;

(iv) Are located within an urban growth area, as defined in RCW 36.70A.030;

(v) Are not essential public facilities, as defined in RCW 36.70A.200; and

(vi) Are consistent with a comprehensive plan adopted under chapter 36.70A RCW.

(b) A county, city, or town shall limit planned actions to certain types of development or to specific geographical areas that are less extensive than the jurisdictional boundaries of the county, city, or town and may limit a planned action to a time period identified in the environmental impact statement or the ordinance or resolution adopted under this subsection.

Sec. 204. RCW 43.21C.075 and 1994 c 253 s 4 are each amended to read as follows:

(1) Because a major purpose of this chapter is to combine environmental considerations with public decisions, any appeal brought under this chapter shall be linked to a specific governmental action. The State Environmental Policy Act provides a basis for challenging whether governmental action is in compliance with the substantive and procedural provisions of this chapter. The State Environmental Policy Act is not intended to create a cause of action unrelated to a specific governmental action.

(2) Unless otherwise provided by this section:

(a) Appeals under this chapter shall be of the governmental action together with its accompanying environmental determinations.

(b) Appeals of environmental determinations made (or lacking) under this chapter shall be commenced within the time required to appeal the governmental action which is subject to environmental review.

(3) If an agency has a procedure for appeals of agency environmental determinations made under this chapter, such procedure:

(a) Shall not allow more than one agency appeal proceeding on a procedural determination (the adequacy of a determination of significance/nonsignificance or of a final environmental impact statement) ~~((consistent with any state statutory requirements for appeals to local legislative bodies))~~. The appeal proceeding on a determination of significance ~~((/nonsignificance))~~ may occur before the agency's final decision on a proposed action. The appeal proceeding on a determination of nonsignificance may occur before the agency's final decision on a proposed action only if the appeal is heard at a proceeding where the hearing body or officer will render a final recommendation or decision on the proposed underlying governmental action. Such ~~((an))~~ appeals shall also be allowed for a determination of significance/nonsignificance which may be issued by the agency after supplemental review;

(b) Shall consolidate an appeal of procedural issues and of substantive determinations made under this chapter (such as a decision to require particular mitigation measures or to deny a proposal) with a hearing or appeal on the underlying governmental action by providing for a single simultaneous ~~((appeal of an))~~ hearing before one hearing officer or body to consider the agency decision on a proposal and any environmental determinations made under this chapter, with the exception of the ~~((threshold determination))~~ appeal, if any, of a determination of significance as provided in (a) of this subsection or an appeal to the local legislative authority under RCW 43.21C.060 or other applicable state statutes;

(c) Shall provide for the preparation of a record for use in any subsequent appeal proceedings, and shall provide for any subsequent appeal proceedings to be conducted on the record, consistent with other applicable law. An adequate record consists of findings and conclusions, testimony under oath, and taped or written transcript. An electronically recorded transcript will suffice for purposes of review under this subsection; and

(d) Shall provide that procedural determinations made by the responsible official shall be entitled to substantial weight.

(4) If a person aggrieved by an agency action has the right to judicial appeal and if an agency has an appeal procedure, such person shall, prior to seeking any judicial review, use such agency procedure if any such procedure is available, unless expressly provided otherwise by state statute.

(5) ~~((RCW 43.21C.080 establishes an optional "notice of action" procedure which, if used, imposes a time period for appealing decisions under this chapter.))~~ Some statutes and ordinances contain time periods for challenging governmental actions which are subject to review under this chapter, such as various local land use approvals (the "underlying governmental action"). RCW 43.21C.080 establishes an optional "notice of action" procedure which, if used, imposes a time period for appealing decisions under this chapter. This ~~((section))~~ subsection does not modify any such time periods. ~~((This section governs when a judicial appeal must be brought under this chapter where a "notice of action" is used, and/or where there is another time period which is required by statute or ordinance for challenging the underlying governmental action.))~~ In this subsection, the term "appeal" refers to a judicial appeal only.

(a) If there is a time period for appealing the underlying governmental action, appeals under this chapter shall be commenced within ~~((thirty days))~~ such time period. The agency shall give official notice stating the date and place for commencing an appeal. ~~((If there is an agency proceeding under subsection (3) of this section, the appellant shall, prior to commencing a judicial appeal, submit to the~~

~~responsible official a notice of intent to commence a judicial appeal. This notice of intent shall be given within the time period for commencing a judicial appeal on the underlying governmental action.))~~

~~(b) If there is no time period for appealing the underlying governmental action, and a notice of action under RCW 43.21C.080 ((may be used. If a notice of action)) is used, ((judicial)) appeals shall be commenced within the time period specified by RCW 43.21C.080((, unless there is a time period for appealing the underlying governmental action in which case (a) of this subsection shall apply.~~

~~(c) Notwithstanding RCW 43.21C.080(1), if there is a time period for appealing the underlying governmental action, a notice of action may be published within such time period)).~~

(6)(a) Judicial review under subsection (5) of this section of an appeal decision made by an agency under ~~((RCW 43.21C.075(5)))~~ subsection (3) of this section shall be on the record, consistent with other applicable law.

(b) A taped or written transcript may be used. If a taped transcript is to be reviewed, a record shall identify the location on the taped transcript of testimony and evidence to be reviewed. Parties are encouraged to designate only those portions of the testimony necessary to present the issues raised on review, but if a party alleges that a finding of fact is not supported by evidence, the party should include in the record all evidence relevant to the disputed finding. Any other party may designate additional portions of the taped transcript relating to issues raised on review. A party may provide a written transcript of portions of the testimony at the party's own expense or apply to that court for an order requiring the party seeking review to pay for additional portions of the written transcript.

(c) Judicial review under this chapter shall without exception be of the governmental action together with its accompanying environmental determinations.

(7) Jurisdiction over the review of determinations under this chapter in an appeal before an agency or superior court shall upon consent of the parties be transferred in whole or part to the shorelines hearings board. The shorelines hearings board shall hear the matter and sign the final order expeditiously. The superior court shall certify the final order of the shorelines hearings board and said certified final order may only be appealed to an appellate court. In the case of an appeal under this chapter regarding a project or other matter that is also the subject of an appeal to the shorelines hearings board under chapter 90.58 RCW, the shorelines hearings board shall have sole jurisdiction over both the appeal under this section and the appeal under chapter 90.58 RCW, shall consider them together, and shall issue a final order within one hundred eighty days as provided in RCW 90.58.180.

(8) For purposes of this section and RCW 43.21C.080, the words "action", "decision", and "determination" mean substantive agency action including any accompanying procedural determinations under this chapter (except where the word "action" means "appeal" in RCW 43.21C.080(2) ~~((and (3)))~~). The word "action" in this section and RCW 43.21C.080 does not mean a procedural determination by itself made under this chapter. The word "determination" includes any environmental document required by this chapter and state or local implementing rules. The word "agency" refers to any state or local unit of government. Except as provided in subsection (5) of this section, the word "appeal" refers to administrative, legislative, or judicial appeals.

(9) The court in its discretion may award reasonable attorney's fees of up to one thousand dollars in the aggregate to the prevailing party, including a governmental agency, on issues arising out of this chapter if the court makes specific findings that the legal position of a party is frivolous and without reasonable basis.

Sec. 205. RCW 43.21C.080 and 1977 ex.s. c 278 s 1 are each amended to read as follows:

(a) By publishing notice on the same day of each week for two consecutive weeks in a legal newspaper of general circulation in the area where the property which is the subject of the action is located;

(b) By filing notice of such action with the department of ecology at its main office in Olympia prior to the date of the last newspaper publication; and

(c) Except for those actions which are of a nonproject nature, by one of the following methods which shall be accomplished prior to the date of ~~((last))~~ first newspaper publication;

~~((b) Any action to challenge a subsequent governmental action based upon any provisions of this chapter shall be commenced within thirty days from the date of last newspaper publication of the subsequent governmental action except (i) for projects to be performed by a governmental agency or to be performed under governmental contract, or (ii) for thermal power plant projects which shall be challenged within ninety days from the date of last newspaper publication of the subsequent governmental action, or be barred.~~

~~(3) The form for such notice of action shall be issued by the department of ecology and shall be made available by the governmental agency taking an action subject to being publicized pursuant to this section, by the county auditor, and/or the city clerk to the project applicant or proposer. Sec. 206. RCW 43.21C.110 and 1983 c 117 s 7 are each amended to read as follows:

It shall be the duty and function of the department of ecology(~~(, which may utilize proposed rules developed by the environmental policy commission))~~):

(1) To adopt and amend thereafter rules of interpretation and implementation of this chapter (~~((the state environmental policy act of 1971)))~~), subject to the requirements of chapter 34.05 RCW, for the purpose of providing uniform rules and guidelines to all branches of government including state agencies, political subdivisions, public and municipal corporations, and counties. The proposed rules shall be subject to full public hearings requirements associated with rule promulgation. Suggestions for modifications of the proposed rules shall be considered on their merits, and the department shall have the authority and responsibility for full and appropriate independent promulgation and adoption of rules, assuring consistency with this chapter as amended and with the preservation of protections afforded by this chapter. The rule making powers authorized in this section shall include, but shall not be limited to, the following phases of interpretation and implementation of this chapter (~~((the state environmental policy act of 1971)))~~):

(a) Categories of governmental actions which are not to be considered as potential major actions significantly affecting the quality of the environment, including categories pertaining to applications for water right permits pursuant to chapters 90.03 and 90.44 RCW. The types of actions included as categorical exemptions in the rules shall be limited to those types which are not major actions significantly affecting the quality of the environment. The rules shall provide for certain circumstances where actions which potentially are categorically exempt require environmental review. An action that is categorically exempt under the rules adopted by the department may not be conditioned or denied under this chapter.

(b) Rules for criteria and procedures applicable to the determination of when an act of a branch of government is a major action significantly affecting the quality of the environment for which a detailed statement is required to be prepared pursuant to RCW 43.21C.030.

(c) Rules and procedures applicable to the preparation of detailed statements and other environmental documents, including but not limited to rules for timing of environmental review, obtaining comments, data and other information, and providing for and determining areas of public participation which shall include the scope and review of draft environmental impact statements.

(d) Scope of coverage and contents of detailed statements assuring that such statements are simple, uniform, and as short as practicable; statements are required to analyze only reasonable alternatives and probable adverse environmental impacts which are significant, and may analyze beneficial impacts.

(e) Rules and procedures for public notification of actions taken and documents prepared.

(f) Definition of terms relevant to the implementation of this chapter including the establishment of a list of elements of the environment. Analysis of environmental considerations under RCW 43.21C.030(2) may be required only for those subjects listed as elements of the environment (or portions thereof). The list of elements of the environment shall consist of the "natural" and "built" environment. The elements of the built environment shall consist of public services and utilities (such as water, sewer, schools, fire and police protection), transportation, environmental health (such as explosive materials and toxic waste), and land and shoreline use (including housing, and a description of the relationships with land use and shoreline plans and designations, including population).

(g) Rules for determining the obligations and powers under this chapter of two or more branches of government involved in the same project significantly affecting the quality of the environment.

(h) Methods to assure adequate public awareness of the preparation and issuance of detailed statements required by RCW 43.21C.030(2)(c).

(i) To prepare rules for projects setting forth the time limits within which the governmental entity responsible for the action shall comply with the provisions of this chapter.

(j) Rules for utilization of a detailed statement for more than one action and rules improving environmental analysis of nonproject proposals and encouraging better interagency coordination and integration between this chapter and other environmental laws.

(k) Rules relating to actions which shall be exempt from the provisions of this chapter in situations of emergency.

(l) Rules relating to the use of environmental documents in planning and decision making and the implementation of the substantive policies and requirements of this chapter, including procedures for appeals under this chapter.

(m) Rules and procedures that provide for the integration of environmental review with project review as provided in section 202 of this act. The rules and procedures shall be jointly developed with the department of community, trade, and economic development and shall be applicable to the preparation of environmental documents for actions in counties, cities, and towns planning under RCW 36.70A.040. The rules and procedures shall also include criteria to analyze the consistency of project actions, including planned actions under RCW 43.21C.031(2), with development regulations adopted under chapter 36.70A RCW, or in the absence of applicable development regulations, the appropriate elements of a comprehensive plan or subarea plan adopted under chapter 36.70A RCW. Ordinances or procedures adopted by a county, city, or town to implement the provisions of section 202 of this act prior to the effective date of rules adopted under this subsection (1)(m) shall continue to be effective until the adoption of any new or revised ordinances or procedures that may be required. If any revisions are required as a result of rules adopted under this subsection (1)(m), those revisions shall be made within the time limits specified in RCW 43.21C.120.

(2) In exercising its powers, functions, and duties under this section, the department may:

(a) Consult with the state agencies and with representatives of science, industry, agriculture, labor, conservation organizations, state and local governments and other groups, as it deems advisable; and

(b) Utilize, to the fullest extent possible, the services, facilities, and information (including statistical information) of public and private agencies, organizations, and individuals, in order to avoid duplication of effort and expense, overlap, or conflict with similar activities authorized by law and performed by established agencies.

(3) Rules adopted pursuant to this section shall be subject to the review procedures of chapter 34.05 RCW ((34.05.538 and 34.05.240)).

Sec. 207. RCW 43.21C.900 and 1971 ex.s. c 109 s 7 are each amended to read as follows:

This chapter shall be known and may be cited as the "State Environmental Policy Act ((~~of 1974~~))" or "SEPA".

PART III - SHORELINE MANAGEMENT ACT

Sec. 301. RCW 90.58.020 and 1992 c 105 s 1 are each amended to read as follows:

The legislature finds that the shorelines of the state are among the most valuable and fragile of its natural resources and that there is great concern throughout the state relating to their utilization, protection, restoration, and preservation. In addition it finds that ever increasing pressures of additional uses are being placed on the shorelines necessitating increased coordination in the management and development of the shorelines of the state. The legislature further finds that much of the shorelines of the state and the uplands adjacent thereto are in private ownership; that unrestricted construction on the privately owned or publicly owned shorelines of the state is not in the best public interest; and therefore, coordinated planning is necessary in order to protect the public interest associated with the shorelines of the state while, at the same time, recognizing and protecting private property rights consistent with the public interest. There is, therefor, a clear and urgent demand for a planned, rational, and concerted effort, jointly performed by federal, state, and local governments, to prevent the inherent harm in an uncoordinated and piecemeal development of the state's shorelines.

It is the policy of the state to provide for the management of the shorelines of the state by planning for and fostering all reasonable and appropriate uses. This policy is designed to insure the development of these shorelines in a manner which, while allowing for limited reduction of rights of the public in the navigable waters, will promote and enhance the public interest. This policy contemplates protecting against adverse effects to the public health, the land and its vegetation and wildlife, and the waters of the state and their aquatic life, while protecting generally public rights of navigation and corollary rights incidental thereto.

The legislature declares that the interest of all of the people shall be paramount in the management of shorelines of state-wide significance. The department, in adopting guidelines for

shorelines of state-wide significance, and local government, in developing master programs for shorelines of state-wide significance, shall give preference to uses in the following order of preference which:

- (1) Recognize and protect the state-wide interest over local interest;
- (2) Preserve the natural character of the shoreline;
- (3) Result in long term over short term benefit;
- (4) Protect the resources and ecology of the shoreline;
- (5) Increase public access to publicly owned areas of the shorelines;
- (6) Increase recreational opportunities for the public in the shoreline;
- (7) Provide for any other element as defined in RCW 90.58.100 deemed appropriate or

necessary.

In the implementation of this policy the public's opportunity to enjoy the physical and aesthetic qualities of natural shorelines of the state shall be preserved to the greatest extent feasible consistent with the overall best interest of the state and the people generally. To this end uses shall be preferred which are consistent with control of pollution and prevention of damage to the natural environment, or are unique to or dependent upon use of the state's shoreline. Alterations of the natural condition of the shorelines of the state, in those limited instances when authorized, shall be given priority for single family residences and their appurtenant structures, ports, shoreline recreational uses including but not limited to parks, marinas, piers, and other improvements facilitating public access to shorelines of the state, industrial and commercial developments which are particularly dependent on their location on or use of the shorelines of the state and other development that will provide an opportunity for substantial numbers of the people to enjoy the shorelines of the state. Alterations of the natural condition of the shorelines and ~~((wetlands))~~ shorelands of the state shall be recognized by the department. Shorelines and ~~((wetlands))~~ shorelands of the state shall be appropriately classified and these classifications shall be revised when circumstances warrant regardless of whether the change in circumstances occurs through man-made causes or natural causes. Any areas resulting from alterations of the natural condition of the shorelines and ~~((wetlands))~~ shorelands of the state no longer meeting the definition of "shorelines of the state" shall not be subject to the provisions of chapter 90.58 RCW.

Permitted uses in the shorelines of the state shall be designed and conducted in a manner to minimize, insofar as practical, any resultant damage to the ecology and environment of the shoreline area and any interference with the public's use of the water.

Sec. 302. RCW 90.58.030 and 1987 c 474 s 1 are each amended to read as follows:

As used in this chapter, unless the context otherwise requires, the following definitions and concepts apply:

 - (a) "Department" means the department of ecology;
 - (b) "Director" means the director of the department of ecology;
 - (c) "Local government" means any county, incorporated city, or town which contains within its boundaries any lands or waters subject to this chapter;
 - (d) "Person" means an individual, partnership, corporation, association, organization, cooperative, public or municipal corporation, or agency of the state or local governmental unit however designated;
 - (e) "Hearing board" means the shoreline hearings board established by this chapter.
- (2) Geographical:
 - (a) "Extreme low tide" means the lowest line on the land reached by a receding tide;
 - (b) "Ordinary high water mark" on all lakes, streams, and tidal water is that mark that will be found by examining the bed and banks and ascertaining where the presence and action of waters are so common and usual, and so long continued in all ordinary years, as to mark upon the soil a character distinct from that of the abutting upland, in respect to vegetation as that condition exists on June 1, 1971, as it may naturally change thereafter, or as it may change thereafter in accordance with permits issued by a local government or the department: PROVIDED, That in any area where the ordinary high water mark cannot be found, the ordinary high water mark adjoining salt water shall be the line of mean higher high tide and the ordinary high water mark adjoining fresh water shall be the line of mean high water;
 - (c) "Shorelines of the state" are the total of all "shorelines" and "shorelines of state-wide significance" within the state;

(d) "Shorelines" means all of the water areas of the state, including reservoirs, and their associated ~~((wetlands))~~ shorelands, together with the lands underlying them; except (i) shorelines of state-wide significance; (ii) shorelines on segments of streams upstream of a point where the mean annual flow is twenty cubic feet per second or less and the wetlands associated with such upstream segments; and (iii) shorelines on lakes less than twenty acres in size and wetlands associated with such small lakes;

(e) "Shorelines of state-wide significance" means the following shorelines of the state:

(i) The area between the ordinary high water mark and the western boundary of the state from Cape Disappointment on the south to Cape Flattery on the north, including harbors, bays, estuaries, and inlets;

(ii) Those areas of Puget Sound and adjacent salt waters and the Strait of Juan de Fuca between the ordinary high water mark and the line of extreme low tide as follows:

(A) Nisqually Delta--from DeWolf Bight to Tatsolo Point,

(B) Birch Bay--from Point Whitehorn to Birch Point,

(C) Hood Canal--from Tala Point to Foulweather Bluff,

(D) Skagit Bay and adjacent area--from Brown Point to Yokeko Point, and

(E) Padilla Bay--from March Point to William Point;

(iii) Those areas of Puget Sound and the Strait of Juan de Fuca and adjacent salt waters north to the Canadian line and lying seaward from the line of extreme low tide;

(iv) Those lakes, whether natural, artificial, or a combination thereof, with a surface acreage of one thousand acres or more measured at the ordinary high water mark;

(v) Those natural rivers or segments thereof as follows:

(A) Any west of the crest of the Cascade range downstream of a point where the mean annual flow is measured at one thousand cubic feet per second or more,

(B) Any east of the crest of the Cascade range downstream of a point where the annual flow is measured at two hundred cubic feet per second or more, or those portions of rivers east of the crest of the Cascade range downstream from the first three hundred square miles of drainage area, whichever is longer;

(vi) Those ~~((wetlands))~~ shorelands associated with (i), (ii), (iv), and (v) of this subsection (2)(e);

(f) "~~((Wetlands))~~ Shorelands" or "~~((wetland))~~ shoreland areas" means those lands extending landward for two hundred feet in all directions as measured on a horizontal plane from the ordinary high water mark; floodways and contiguous floodplain areas landward two hundred feet from such floodways; and all ~~((marshes, bogs, swamps,))~~ wetlands and river deltas associated with the streams, lakes, and tidal waters which are subject to the provisions of this chapter; the same to be designated as to location by the department of ecology(~~(- PROVIDED, That))~~. Any county or city may determine that portion of a one-hundred-year-flood plain to be included in its master program as long as such portion includes, as a minimum, the floodway and the adjacent land extending landward two hundred feet therefrom;

(g) "Floodway" means those portions of the area of a river valley lying streamward from the outer limits of a watercourse upon which flood waters are carried during periods of flooding that occur with reasonable regularity, although not necessarily annually, said floodway being identified, under normal condition, by changes in surface soil conditions or changes in types or quality of vegetative ground cover condition. The floodway shall not include those lands that can reasonably be expected to be protected from flood waters by flood control devices maintained by or maintained under license from the federal government, the state, or a political subdivision of the state;

(h) "Wetlands" means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities. Wetlands may include those artificial wetlands intentionally created from nonwetland areas to mitigate the conversion of wetlands.

(3) Procedural terms:

(e) "Substantial development" shall mean any development of which the total cost or fair market value exceeds two thousand five hundred dollars, or any development which materially interferes with the normal public use of the water or shorelines of the state; except that the following shall not be considered substantial developments for the purpose of this chapter:

(i) Normal maintenance or repair of existing structures or developments, including damage by accident, fire, or elements;

(ii) Construction of the normal protective bulkhead common to single family residences;

(iii) Emergency construction necessary to protect property from damage by the elements;

(iv) Construction and practices normal or necessary for farming, irrigation, and ranching activities, including agricultural service roads and utilities on ~~((wetlands))~~ shorelands, and the construction and maintenance of irrigation structures including but not limited to head gates, pumping facilities, and irrigation channels(~~(- PROVIDED, That)~~). A feedlot of any size, all processing plants, other activities of a commercial nature, alteration of the contour of the ~~((wetlands))~~ shorelands by leveling or filling other than that which results from normal cultivation, shall not be considered normal or necessary farming or ranching activities. A feedlot shall be an enclosure or facility used or capable of being used for feeding livestock hay, grain, silage, or other livestock feed, but shall not include land for growing crops or vegetation for livestock feeding and/or grazing, nor shall it include normal livestock wintering operations;

Sec. 303. RCW 90.58.050 and 1971 ex.s. c 286 s 5 are each amended to read as follows:

This chapter establishes a cooperative program of shoreline management between local government and the state. Local government shall have the primary responsibility for initiating the planning required by this chapter and administering the regulatory program consistent with the policy and provisions of this chapter. The department shall act primarily in a supportive and review capacity with ~~((primary))~~ an emphasis on providing assistance to local government and on insuring compliance with the policy and provisions of this chapter.

Sec. 304. RCW 90.58.060 and 1971 ex.s. c 286 s 6 are each amended to read as follows:

(1) ~~((Within one hundred twenty days from June 1, 1971,))~~ The department shall ((submit to local governments proposed)) periodically review and adopt guidelines consistent with RCW 90.58.020, containing the elements specified in RCW 90.58.100 for:

(a) Development of master programs for regulation of the uses of shorelines; and

(b) Development of master programs for regulation of the uses of shorelines of state-wide significance.

(2) Before adopting or amending guidelines under this section, the department shall provide an opportunity for public review and comment as follows:

(a) The department shall mail copies of the proposal to all cities, counties, and federally recognized Indian tribes, and to any other person who has requested a copy, and shall publish the proposed guidelines in the Washington state register. Comments shall be submitted in writing to the department within sixty days from ((receipt of such proposed guidelines, local governments shall submit to the department in writing proposed changes, if any, and comments upon the proposed guidelines.

Notice of ((such)) the hearings shall be published at least once in each of the three weeks immediately preceding the hearing in one or more newspapers of general circulation in each county of the state. If an amendment to the guidelines addresses an issue limited to one geographic area, the number and location of hearings may be adjusted consistent with the intent of this subsection to assure all parties a reasonable opportunity to comment on the proposed amendment. The department shall accept written comments on the proposal during the sixty-day public comment period and for seven days after the final public hearing.

(c) At the conclusion of the public comment period, the department shall review the comments received and modify the proposal consistent with the provisions of this chapter. The proposal shall then be published for adoption pursuant to the provisions of chapter 34.05 RCW.

~~((5) Within ninety days following such public hearings, the department at a public hearing to be held in Olympia shall adopt guidelines.))~~ (3) The department may propose amendments to the guidelines not more than once each year. Such inventory shall include but not be limited to the general ownership patterns of the lands located therein in terms of public and private ownership, a survey of the general natural characteristics thereof, present uses conducted therein and initial projected uses thereof;~~

~~(2) To))~~ shall develop or amend, within twenty-four months after the adoption of guidelines as provided in RCW 90.58.060, a master program for regulation of uses of the shorelines of the state consistent with the required elements of the guidelines adopted by the department.

Sec. 306. RCW 90.58.090 and 1971 ex.s. c 286 s 9 are each amended to read as follows:

(1) A master program((s or segments thereof)), segment of a master program, or an amendment to a master program shall become effective when ((adopted or)) approved by the department ((as appropriate)). Within the time period provided in RCW 90.58.080, each local government shall have submitted a master program, either totally or by segments, for all shorelines of the state within its jurisdiction to the department for review and approval.

(2) Upon receipt of a proposed master program or amendment, the department shall:

(a) Provide notice to and opportunity for written comment by all interested parties of record as a part of the local government review process for the proposal and to all persons, groups, and agencies that have requested in writing notice of proposed master programs or amendments generally or for a specific area, subject matter, or issue. The comment period shall be at least thirty days, unless the department determines that the level of complexity or controversy involved supports a shorter period;

(b) In the department's discretion, conduct a public hearing during the thirty-day comment period in the jurisdiction proposing the master program or amendment;

(c) Within fifteen days after the close of public comment, request the local government to review the issues identified by the public, interested parties, groups, and agencies and provide a written response as to how the proposal addresses the identified issues;

(d) Within thirty days after receipt of the local government response pursuant to (c) of this subsection, make written findings and conclusions regarding the consistency of the proposal with the policy of RCW 90.58.020 and the applicable guidelines, provide a response to the issues identified in (c) of this subsection, and either approve the proposal as submitted, recommend specific changes necessary to make the proposal approvable, or deny approval of the proposal in those instances where no alteration of the proposal appears likely to be consistent with the policy of RCW 90.58.020 and the applicable guidelines. The written findings and conclusions shall be provided to the local government, all interested persons, parties, groups, and agencies of record on the proposal;

(e) If the department recommends changes to the proposed master program or amendment, within thirty days after the department mails the written findings and conclusions to the local government, the local government may:

(i) Agree to the proposed changes. The receipt by the department of the written notice of agreement constitutes final action by the department approving the amendment; or

(ii) Submit an alternative proposal. If, in the opinion of the department, the alternative is consistent with the purpose and intent of the changes originally submitted by the department and with this chapter it shall approve the changes and provide written notice to all recipients of the written findings and conclusions. If the department determines the proposal is not consistent with the purpose and intent of the changes proposed by the department, the department may resubmit the proposal for public and agency review pursuant to this section or reject the proposal.

~~((1) As to those segments of the master program relating to shorelines, they shall be approved by))~~

~~(3) The department shall approve the segment of a master program relating to shorelines unless it determines that the submitted segments are not consistent with the policy of RCW 90.58.020 and the applicable guidelines. ((If approval is denied, the department shall state within ninety days from the date of submission in detail the precise facts upon which that decision is based, and shall submit to the local government suggested modifications to the program to make it consistent with said policy and guidelines. The local government shall have ninety days after it receives recommendations from the department to make modifications designed to eliminate the inconsistencies and to resubmit the program to the department for approval. Any resubmitted program shall take effect when and in such form and content as is approved by the department.~~

~~(2) As to)) (4) The department shall approve those segments of the master program relating to shorelines of state-wide significance ((the department shall have full authority following review and evaluation of the submission by local government to develop and adopt an alternative to the local government's proposal if in the department's opinion the program submitted does not)) only after determining the program provides the optimum implementation of the policy of this chapter to satisfy the state-wide interest. ((If the submission by local government is not approved, the department shall suggest modifications to the local government within ninety days from receipt of the submission. The local government shall have ninety days after it receives said modifications to consider the same and resubmit a master program to the department. Thereafter, the department shall adopt the resubmitted program or, if the department determines that said program does not provide for optimum~~

~~implementation, it may develop and adopt an alternative as hereinbefore provided.)~~ If the department does not approve a segment of a local government master program relating to a shoreline of state-wide significance, the department may develop and by rule adopt an alternative to the local government's proposal.

~~((3))~~ (5) In the event a local government has not complied with the requirements of RCW 90.58.070 it may thereafter upon written notice to the department elect to adopt a master program for the shorelines within its jurisdiction, in which event it shall comply with the provisions established by this chapter for the adoption of a master program for such shorelines.

Upon approval of such master program by the department it shall supersede such master program as may have been adopted by the department for such shorelines.

(6) A master program or amendment to a master program takes effect when and in such form as approved or adopted by the department. The department shall maintain a record of each master program, the action taken on any proposal for adoption or amendment of the master program, and any appeal of the department's action. The department's approved document of record constitutes the official master program.

Sec. 307. RCW 90.58.100 and 1992 c 105 s 2 are each amended to read as follows:

(1) The master programs provided for in this chapter, when adopted ~~((and))~~ or approved by the department ~~((, as appropriate,))~~ shall constitute use regulations for the various shorelines of the state. In preparing the master programs, and any amendments thereto, the department and local governments shall to the extent feasible:

(a) Utilize a systematic interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts;

(b) Consult with and obtain the comments of any federal, state, regional, or local agency having any special expertise with respect to any environmental impact;

(c) Consider all plans, studies, surveys, inventories, and systems of classification made or being made by federal, state, regional, or local agencies, by private individuals, or by organizations dealing with pertinent shorelines of the state;

(e) Utilize all available information regarding hydrology, geography, topography, ecology, economics, and other pertinent data;

(f) Employ, when feasible, all appropriate, modern scientific data processing and computer techniques to store, index, analyze, and manage the information gathered.

(2) The master programs shall include, when appropriate, the following:

(a) An economic development element for the location and design of industries, transportation facilities, port facilities, tourist facilities, commerce and other developments that are particularly dependent on their location on or use of the shorelines of the state;

(b) A public access element making provision for public access to publicly owned areas;

(c) A recreational element for the preservation and enlargement of recreational opportunities, including but not limited to parks, tidelands, beaches, and recreational areas;

(d) A circulation element consisting of the general location and extent of existing and proposed major thoroughfares, transportation routes, terminals, and other public utilities and facilities, all correlated with the shoreline use element;

(e) A use element which considers the proposed general distribution and general location and extent of the use on shorelines and adjacent land areas for housing, business, industry, transportation, agriculture, natural resources, recreation, education, public buildings and grounds, and other categories of public and private uses of the land;

(f) A conservation element for the preservation of natural resources, including but not limited to scenic vistas, aesthetics, and vital estuarine areas for fisheries and wildlife protection;

(3) The master programs shall include such map or maps, descriptive text, diagrams and charts, or other descriptive material as are necessary to provide for ease of understanding.

(4) Master programs will reflect that state-owned shorelines of the state are particularly adapted to providing wilderness beaches, ecological study areas, and other recreational activities for the public and will give appropriate special consideration to same.

(5) Each master program shall contain provisions to allow for the varying of the application of use regulations of the program, including provisions for permits for conditional uses and variances, to insure that strict implementation of a program will not create unnecessary hardships or thwart the policy enumerated in RCW 90.58.020. Any such varying shall be allowed only if extraordinary circumstances are shown and the public interest suffers no substantial detrimental effect. The concept of this subsection shall be incorporated in the rules adopted by the department relating to the establishment of a permit system as provided in RCW 90.58.140(3).

(6) Each master program shall contain standards governing the protection of single family residences and appurtenant structures against damage or loss due to shoreline erosion. The standards shall govern the issuance of substantial development permits for shoreline protection, including structural methods such as construction of bulkheads, and nonstructural methods of protection. The standards shall provide for methods which achieve effective and timely protection against loss or damage to single family residences and appurtenant structures due to shoreline erosion. The standards shall provide a preference for permit issuance for measures to protect single family residences occupied prior to January 1, 1992, where the proposed measure is designed to minimize harm to the shoreline natural environment.

Sec. 308. RCW 90.58.120 and 1989 c 175 s 182 are each amended to read as follows:

All rules, regulations, ~~((master programs,))~~ designations, and guidelines, issued by the department, and master programs and amendments adopted by the department pursuant to RCW 90.58.070(2) or 90.58.090(4) shall be adopted or approved in accordance with the provisions of RCW 34.05.310 through 34.05.395 insofar as such provisions are not inconsistent with the provisions of this chapter. In addition:

(1) Prior to the ~~((approval or))~~ adoption by the department of a master program, or portion thereof pursuant to RCW 90.58.070(2) or 90.58.090(4), at least one public hearing shall be held in each county affected by a program or portion thereof for the purpose of obtaining the views and comments of the public. Notice of each such hearing shall be published at least once in each of the three weeks immediately preceding the hearing in one or more newspapers of general circulation in the county in which the hearing is to be held.

(2) All guidelines, regulations, designations, or master programs adopted or approved under this chapter shall be available for public inspection at the office of the department or the appropriate county ~~((auditor))~~ and city ~~((clerk))~~. The terms "adopt" and "approve" for purposes of this section, shall include modifications and rescission of guidelines.

Sec. 309. RCW 90.58.140 and 1992 c 105 s 3 are each amended to read as follows:

(1) A development shall not be undertaken on the shorelines of the state unless it is consistent with the policy of this chapter and, after adoption or approval, as appropriate, the applicable guidelines, rules, or master program.

(2) A substantial development shall not be undertaken on shorelines of the state without first obtaining a permit from the government entity having administrative jurisdiction under this chapter.

A permit shall be granted:

(a) From June 1, 1971, until such time as an applicable master program has become effective, only when the development proposed is consistent with: (i) The policy of RCW 90.58.020; and (ii) after their adoption, the guidelines and rules of the department; and (iii) so far as can be ascertained, the master program being developed for the area;

(b) After adoption or approval, as appropriate, by the department of an applicable master program, only when the development proposed is consistent with the applicable master program and ~~((the provisions of))~~ this chapter ~~((90.58 RCW))~~.

(3) The local government shall establish a program, consistent with rules adopted by the department, for the administration and enforcement of the permit system provided in this section. The administration of the system so established shall be performed exclusively by the local government.

(4) Except as otherwise specifically provided in subsection ~~((43))~~ (11) of this section, the local government shall require notification of the public of all applications for permits governed by any permit system established pursuant to subsection (3) of this section by ensuring that~~((=~~

~~(a) A notice of such an application is published at least once a week on the same day of the week for two consecutive weeks in a legal newspaper of general circulation within the area in which the development is proposed; and~~

~~(b) Additional)~~ notice of ~~((such an))~~ the application is given by at least one of the following methods:

~~((i))~~ (a) Mailing of the notice to the latest recorded real property owners as shown by the records of the county assessor within at least three hundred feet of the boundary of the property upon which the substantial development is proposed;

~~((ii))~~ (b) Posting of the notice in a conspicuous manner on the property upon which the project is to be constructed; or

~~((iii))~~ (c) Any other manner deemed appropriate by local authorities to accomplish the objectives of reasonable notice to adjacent landowners and the public.

The notices shall include a statement that any person desiring to submit written comments concerning an application, or desiring to receive ~~((a copy))~~ notification of the final ~~((order))~~ decision concerning an application as expeditiously as possible after the issuance of the ~~((order))~~ decision, may submit the comments or requests for ~~((orders))~~ decisions to the local government within thirty days of the last date the notice is to be published pursuant to ~~((subsection (a) of))~~ this subsection. The local government shall forward, in a timely manner following the issuance of ~~((an order))~~ a decision, a copy of the ~~((order))~~ decision to each person who submits a request for the ~~((order))~~ decision.

If a hearing is to be held on an application, notices of such a hearing shall include a statement that any person may submit oral or written comments on an application at the hearing.

(5) The system shall include provisions to assure that construction pursuant to a permit will not begin or be authorized until ~~((thirty))~~ twenty-one days from the date the ~~((final order))~~ permit decision was filed as provided in subsection (6) of this section; or until all review proceedings are terminated if the proceedings were initiated within ~~((thirty))~~ twenty-one days from the date of filing as defined in subsection (6) of this section except as follows:

(a) In the case of any permit issued to the state of Washington, department of transportation, for the construction and modification of SR 90 (I-90) on or adjacent to Lake Washington, the construction may begin after thirty days from the date of filing, and the permits are valid until December 31, 1995;

(b) Construction may be commenced no sooner than thirty days after the date of the appeal of the board's decision is filed if a permit is granted by the local government and (i) the granting of the permit is appealed to the shorelines hearings board within ~~((thirty))~~ twenty-one days of the date of filing, (ii) the hearings board approves the granting of the permit by the local government or approves a portion of the substantial development for which the local government issued the permit, and (iii) an appeal for judicial review of the hearings board decision is filed pursuant to chapter 34.05 RCW~~((, the permittee)).~~ The appellant may request, within ten days of the filing of the appeal with the court, a hearing before the court to determine whether construction ~~((may begin))~~ pursuant to the permit approved by the hearings board or to a revised permit issued pursuant to the order of the hearings board should not commence. If, at the conclusion of the hearing, the court finds that construction pursuant to such a permit would ~~((not))~~ involve a significant, irreversible damaging of the environment, the court ~~((may allow))~~ shall prohibit the permittee ~~((to begin))~~ from commencing the construction pursuant to the approved or revised permit ~~((as the court deems appropriate. The court may require the permittee to post bonds, in the name of the local government that issued the permit, sufficient to remove the substantial development or to restore the environment if the permit is ultimately disapproved by the courts, or to alter the substantial development if the alteration is ultimately ordered by the courts))~~ until all review proceedings are final. Construction pursuant to a permit revised at the direction of the hearings board may begin only on that portion of the substantial development for which the local government had originally issued the permit, and construction pursuant to such a revised permit on other portions of the substantial development may not begin until after all review proceedings are terminated. In such a hearing before the court, the burden of proving whether the construction may involve significant irreversible damage to the environment and demonstrating whether such construction would or would not be appropriate is on the appellant;

(c) ~~((If a permit is granted by the local government and the granting of the permit is appealed directly to the superior court for judicial review pursuant to the proviso in RCW 90.58.180(1), the permittee may request the court to remand the appeal to the shorelines hearings board, in which case the appeal shall be so remanded and construction pursuant to such a permit shall be governed by the~~

provisions of subsection (b) of this subsection or may otherwise begin after review proceedings before the hearings board are terminated if judicial review is not thereafter requested pursuant to chapter 34.05 RCW;

~~(d))~~ If the permit is for a substantial development meeting the requirements of subsection ~~((13))~~ (11) of this section, construction pursuant to that permit may not begin or be authorized until ~~((thirty))~~ twenty-one days from the date the ~~((final order))~~ permit decision was filed as provided in subsection (6) of this section.

If a permittee begins construction pursuant to subsections (a), (b), or (c) ~~((or (d)))~~ of this subsection, the construction is begun at the permittee's own risk. If, as a result of judicial review, the courts order the removal of any portion of the construction or the restoration of any portion of the environment involved or require the alteration of any portion of a substantial development constructed pursuant to a permit, the permittee is barred from recovering damages or costs involved in adhering to such requirements from the local government that granted the permit, the hearings board, or any appellant or intervener.

(6) Any ~~((ruling))~~ decision on an application for a permit under the authority of this section, whether it is an approval or a denial, shall, concurrently with the transmittal of the ruling to the applicant, be filed with the department and the attorney general. In any review of the granting or denial of an application for a permit as provided in RCW 90.58.180 (1) and (2), the person requesting the review has the burden of proof.

(8) Any permit may, after a hearing with adequate notice to the permittee and the public, be rescinded by the issuing authority upon the finding that a permittee has not complied with conditions of a permit. If the department is of the opinion that noncompliance exists, the department shall provide written notice to the local government and the permittee. If the department is of the opinion that the noncompliance continues to exist thirty days after the date of the notice, and the local government has taken no action to rescind the permit, the department may petition the hearings board for a rescission of the permit upon written notice of the petition to the local government and the permittee if the request by the department is made to the hearings board within fifteen days of the termination of the thirty-day notice to the local government.

(9) The holder of a certification from the governor pursuant to chapter 80.50 RCW shall not be required to obtain a permit under this section.

~~(10) ((A permit shall not be required for any development on shorelines of the state included within a preliminary or final plat approved by the applicable state agency or local government before April 1, 1971, if:~~

(i) The public comment period under subsection (4) of this section shall be twenty days. The notice provided under subsection (4) of this section shall state the manner in which the public may

obtain a copy of the local government decision on the application no later than two days following its issuance;

(ii) The local government shall issue its decision to grant or deny the permit within twenty-one days of the last day of the comment period specified in (i) of this subsection; and

(iii) If there is an appeal of the decision to grant or deny the permit to the local government legislative authority, the appeal shall be finally determined by the legislative authority within thirty days.

(b) For purposes of this section, a limited utility extension means the extension of a utility service that:

(i) Is categorically exempt under chapter 43.21C RCW for one or more of the following: Natural gas, electricity, telephone, water, or sewer;

(ii) Will serve an existing use in compliance with this chapter; and

The failure to obtain such certification shall not preclude the requestor from obtaining a review in the superior court under any right to review otherwise available to the requestor.)) (1) Except as provided in subsection (2) of this section:

(a) If the presiding officer is the agency head or one or more members of the agency head, the presiding officer may enter an initial order if further review is available within the agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision and enter the final order, the presiding officer shall enter a final order; and

(c) If the presiding officer is one or more administrative law judges, the presiding officer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher education, the presiding officer shall transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

(4) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

(5) Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(6) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in RCW 34.05.425. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(7) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(8)(a) Except as otherwise provided in (b) of this subsection, initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

(b) This subsection does not apply to the final order of the shorelines hearings board on appeal under RCW 90.58.180(3).

(9) The presiding officer shall cause copies of the order to be served on each party and the agency.

NEW SECTION. Sec. 313. RCW 90.58.145 and 1979 ex.s. c 84 s 4 are each repealed.

PART IV - LOCAL PERMIT PROCESS

NEW SECTION. Sec. 401. The legislature finds and declares the following:

(1) As the number of environmental laws and development regulations has increased for land uses and development, so has the number of required local land use permits, each with its own separate approval process.

(2) The increasing number of local and state land use permits and separate environmental review processes required by agencies has generated continuing potential for conflict, overlap, and duplication between the various permit and review processes.

(3) This regulatory burden has significantly added to the cost and time needed to obtain local and state land use permits and has made it difficult for the public to know how and when to provide timely comments on land use proposals that require multiple permits and have separate environmental review processes.

NEW SECTION. Sec. 402. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Closed record appeal" means an administrative appeal on the record to a local government body or officer, including the legislative body, following an open record hearing on a project permit application when the appeal is on the record with no or limited new evidence or information allowed to be submitted and only appeal argument allowed.

(2) "Local government" means a county, city, or town.

(3) "Open record hearing" means a hearing, conducted by a single hearing body or officer authorized by the local government to conduct such hearings, that creates the local government's record through testimony and submission of evidence and information, under procedures prescribed by the local government by ordinance or resolution. An open record hearing may be held prior to a local government's decision on a project permit to be known as an "open record predecision hearing." An open record hearing may be held on an appeal, to be known as an "open record appeal hearing," if no open record predecision hearing has been held on the project permit.

(4) "Project permit" or "project permit application" means any land use or environmental permit or license required from a local government for a project action, including but not limited to building permits, subdivisions, binding site plans, planned unit developments, conditional uses, shoreline substantial development permits, site plan review, permits or approvals required by critical area ordinances, site-specific rezones authorized by a comprehensive plan or subarea plan, but excluding the adoption or amendment of a comprehensive plan, subarea plan, or development regulations except as otherwise specifically included in this subsection.

(5) "Public meeting" means an informal meeting, hearing, workshop, or other public gathering of people to obtain comments from the public or other agencies on a proposed project permit prior to the local government's decision. A public meeting may include, but is not limited to, a design review or architectural control board meeting, a special review district or community council meeting, or a scoping meeting on a draft environmental impact statement. A public meeting does not include an open record hearing. The proceedings at a public meeting may be recorded and a report or recommendation may be included in the local government's project permit application file.

NEW SECTION. Sec. 403. In enacting sections 404 and 405 of this act, the legislature intends to establish a mechanism for implementing the provisions of chapter 36.70A RCW regarding compliance, conformity, and consistency of proposed projects with adopted comprehensive plans and development regulations. In order to achieve this purpose the legislature finds that:

(1) Given the extensive investment that public agencies and a broad spectrum of the public are making and will continue to make in comprehensive plans and development regulations for their communities, it is essential that project review start from the fundamental land use planning choices made in these plans and regulations. If the applicable regulations or plans identify the type of land use, specify residential density in urban growth areas, and identify and provide for funding of public facilities needed to serve the proposed development and site, these decisions at a minimum provide the foundation for further project review unless there is a question of code interpretation. The project review process, including the environmental review process under chapter 43.21C RCW and the consideration of consistency, should start from this point and should not reanalyze these land use planning decisions in making a permit decision.

(2) Comprehensive plans and development regulations adopted by local governments under chapter 36.70A RCW and environmental laws and rules adopted by the state and federal government have addressed a wide range of environmental subjects and impacts. These provisions typically require environmental studies and contain specific standards to address various impacts associated with a proposed development, such as building size and location, drainage, transportation requirements, and protection of critical areas. When a permitting agency applies these existing requirements to a proposed project, some or all of a project's potential environmental impacts will be avoided or otherwise mitigated. Through the integrated project review process described in subsection (1) of this section, the local government will determine whether existing requirements, including the applicable regulations or plans, adequately analyze and address a project's environmental impacts. Section 202 of this act provides that project review should not require additional studies or mitigation under chapter 43.21C RCW where existing regulations have adequately addressed a proposed project's probable specific adverse environmental impacts.

(3) Given the hundreds of jurisdictions and agencies in the state and the numerous communities and applicants affected by development regulations and comprehensive plans adopted under chapter 36.70A RCW, it is essential to establish a uniform framework for considering the consistency of a proposed project with the applicable regulations or plan. Consistency should be determined in the project review process by considering four factors found in applicable regulations or plans: The type of land use allowed; the level of development allowed, such as units per acre or other measures of density; infrastructure, such as the adequacy of public facilities and services to serve the proposed project; and the character of the proposed development, such as compliance with specific development standards. This uniform approach corresponds to existing project review practices and will not place a burden on applicants or local government. The legislature intends that this approach should be largely a matter of checking compliance with existing requirements for most projects, which are simple or routine, while more complex projects may require more analysis. Sections 202 and 404 of this act establish this uniform framework and also direct state agencies to consult with local government and the public to develop a better format than the current environmental checklist to meet this objective.

(4) When an applicant applies for a project permit, consistency between the proposed project and applicable regulations or plan should be determined through a project review process that integrates land use and environmental impact analysis, so that governmental and public review of the proposed project as required by this chapter, by development regulations under chapter 36.70A RCW, and by the environmental process under chapter 43.21C RCW run concurrently and not separately.

(5) Sections 404 and 405 of this act address three related needs with respect to how the project review process should address consistency between a proposed project and the applicable regulations or plan:

- (a) A uniform framework for the meaning of consistency;
- (b) An emphasis on relying on existing requirements and adopted standards, with the use of supplemental authority as specified by chapter 43.21C RCW to the extent that existing requirements do not adequately address a project's specific probable adverse environmental impacts; and
- (c) The identification of three basic land use planning choices made in applicable regulations or plans that, at a minimum, serve as a foundation for project review and that should not be reanalyzed during project permitting.

NEW SECTION. Sec. 404. (1) Fundamental land use planning choices made in adopted comprehensive plans and development regulations shall serve as the foundation for project review. The review of a proposed project's consistency with applicable development regulations, or in the absence of applicable regulations the adopted comprehensive plan, under section 405 of this act shall incorporate the determinations under this section.

(2) During project review, a local government or any subsequent reviewing body shall determine whether the items listed in this subsection are defined in the development regulations applicable to the proposed project or, in the absence of applicable regulations the adopted comprehensive plan. At a minimum, such applicable regulations or plans shall be determinative of the:

(a) Type of land use permitted at the site, including uses that may be allowed under certain circumstances, such as planned unit developments and conditional and special uses, if the criteria for their approval have been satisfied;

(b) Density of residential development in urban growth areas; and

(c) Availability and adequacy of public facilities identified in the comprehensive plan, if the plan or development regulations provide for funding of these facilities as required by chapter 36.70A RCW.

(3) During project review, the local government or any subsequent reviewing body shall not reexamine alternatives to or hear appeals on the items identified in subsection (2) of this section, except for issues of code interpretation. As part of its project review process, a local government shall provide a procedure for obtaining a code interpretation as provided in section 415 of this act.

(4) Pursuant to section 202 of this act, a local government may determine that the requirements for environmental analysis and mitigation measures in development regulations and other applicable laws provide adequate mitigation for some or all of the project's specific adverse environmental impacts to which the requirements apply.

(5) Nothing in this section limits the authority of a permitting agency to approve, condition, or deny a project as provided in its development regulations adopted under chapter 36.70A RCW and in its policies adopted under RCW 43.21C.060. Project review shall be used to identify specific project design and conditions relating to the character of development, such as the details of site plans, curb cuts, drainage swales, transportation demand management, the payment of impact fees, or other measures to mitigate a proposal's probable adverse environmental impacts, if applicable.

(6) Subsections (1) through (4) of this section apply only to local governments planning under RCW 36.70A.040.

NEW SECTION. Sec. 405. (1) A proposed project's consistency with a local government's development regulations adopted under chapter 36.70A RCW, or, in the absence of applicable development regulations, the appropriate elements of the comprehensive plan or subarea plan adopted under chapter 36.70A RCW shall be determined by consideration of:

(a) The type of land use;

(b) The level of development, such as units per acre or other measures of density;

(c) Infrastructure, including public facilities and services needed to serve the development; and

(d) The character of the development, such as development standards.

(2) In determining consistency, the determinations made pursuant to section 404(2) of this act shall be controlling.

(3) For purposes of this section, the term "consistency" shall include all terms used in this chapter and chapter 36.70A RCW to refer to performance in accordance with this chapter and chapter 36.70A RCW, including but not limited to compliance, conformity, and consistency.

(4) Nothing in this section requires documentation, dictates an agency's procedures for considering consistency, or limits a unit of government from asking more specific or related questions with respect to any of the four main categories listed in subsection (1) (a) through (d) of this section.

NEW SECTION. Sec. 406. Not later than March 31, 1996, each local government shall provide by ordinance or resolution for review of project permit applications to achieve the following objectives:

(1) Combine the environmental review process, both procedural and substantive, with the procedure for review of project permits; and

(2) Except for the appeal of a determination of significance as provided in RCW 43.21C.075, provide for no more than one open record hearing and one closed record appeal.

NEW SECTION. Sec. 407. Not later than March 31, 1996, each local government planning under RCW 36.70A.040 shall establish by ordinance or resolution an integrated and consolidated project permit process that may be included in its development regulations. In addition to the elements required by section 406 of this act, the process shall include the following elements:

(1) A determination of completeness to the applicant as required by RCW 36.70A.440 (as recodified by this act);

(2) A notice of application to the public and agencies with jurisdiction as required by section 415 of this act;

(3) Except as provided in section 418 of this act, an optional consolidated project permit review process as provided in section 416 of this act. The review process shall provide for no more than one consolidated open record hearing and one closed record appeal. If an open record predecision hearing is provided prior to the decision on a project permit, the process shall not allow a subsequent open record appeal hearing;

(4) Provision allowing for any public meeting or required open record hearing to be combined with any public meeting or open record hearing that may be held on the project by another local, state, regional, federal, or other agency, in accordance with provisions of sections 413 and 415 of this act;

(5) A single report stating all the decisions made as of the date of the report on all project permits included in the consolidated permit process that do not require an open record predecision hearing and any recommendations on project permits that do not require an open record predecision hearing. The report shall state any mitigation required or proposed under the development regulations or the agency's authority under RCW 43.21C.060. The report may be the local permit. If a threshold determination other than a determination of significance has not been issued previously by the local government, the report shall include or append this determination.

(6) Except for the appeal of a determination of significance as provided in RCW 43.21C.075, if a local government elects to provide an appeal of its threshold determinations or project permit decisions, the local government shall provide for no more than one consolidated open record hearing on such appeal. The local government need not provide for any further appeal and may provide an appeal for some but not all project permit decisions. If an appeal is provided after the open record hearing, it shall be a closed record appeal before a single decision-making body or officer;

(7) A notice of decision as required by section 417 of this act and issued within the time period provided in RCW 36.70A.065 (as recodified by this act) and section 413 of this act;

(8) Completion of project review by the local government, including environmental review and public review and any appeals to the local government, within any applicable time periods under section 413 of this act; and

(9) Any other provisions not inconsistent with the requirements of this chapter or chapter 43.21C RCW.

Sec. 408. RCW 36.70A.440 and 1994 c 257 s 4 are each amended to read as follows:

~~((Each city and county))~~ (1) Within twenty-eight days after receiving a project permit application, a local government planning pursuant to RCW 36.70A.040 shall~~((, within twenty working days of receiving a development permit application as defined in RCW 36.70A.030(7),))~~ mail or provide in person a written ~~((notice))~~ determination to the applicant, stating either:

(a) That the application is complete; or

(b) That the application is incomplete and what is necessary to make the application complete.

To the extent known by the~~((city or county))~~ local government, the~~((notice))~~ local government shall identify other agencies of local, state, or federal governments that may have jurisdiction over some aspect of the application.

(2) A project permit application is complete for purposes of this section when it meets the procedural submission requirements of the local government and is sufficient for continued processing even though additional information may be required or project modifications may be undertaken subsequently. The determination of completeness shall not preclude the local government from requesting additional information or studies either at the time of the notice of completeness or subsequently if new information is required or substantial changes in the proposed action occur.

(3) The determination of completeness may include the following as optional information:

(a) A preliminary determination of those development regulations that will be used for project mitigation;

(b) A preliminary determination of consistency, as provided under section 405 of this act; or

(c) Other information the local government chooses to include.

(4)(a) An application shall be deemed complete under this section if the local government does not provide a written determination to the applicant that the application is incomplete as provided in subsection (1)(b) of this section.

(b) Within fourteen days after an applicant has submitted to a local government additional information identified by the local government as being necessary for a complete application, the local government shall notify the applicant whether the application is complete or what additional information is necessary.

Sec. 409. RCW 36.70A.065 and 1994 c 257 s 3 are each amended to read as follows:

Development regulations adopted pursuant to RCW 36.70A.040 shall establish time periods consistent with section 413 of this act for local government actions on specific ~~((development))~~ project permit applications and provide timely and predictable procedures to determine whether a completed ~~((development))~~ project permit application meets the requirements of those development regulations. Such development regulations shall specify the contents of a completed ~~((development))~~ project permit application necessary for the application of such time periods and procedures.

Sec. 410. RCW 36.70A.065 and 1994 c 257 s 3 are each amended to read as follows:

Development regulations adopted pursuant to RCW 36.70A.040 shall establish time periods for local government actions on specific ~~((development))~~ project permit applications and provide timely and predictable procedures to determine whether a completed ~~((development))~~ project permit application meets the requirements of those development regulations. Such development regulations shall specify the contents of a completed ~~((development))~~ project permit application necessary for the application of such time periods and procedures.

NEW SECTION. Sec. 411. The amendments to RCW 36.70A.065 contained in section 409 of this act shall expire July 1, 1998.

NEW SECTION. Sec. 412. Section 410 of this act shall take effect July 1, 1998.

NEW SECTION. Sec. 413. (1) Except as otherwise provided in subsection (2) of this section, a local government planning under RCW 36.70A.040 shall issue its notice of final decision on a project permit application within one hundred twenty days after the local government notifies the applicant that the application is complete, as provided in RCW 36.70A.440 (as recodified by this act). In determining the number of days that have elapsed after the local government has notified the applicant that the application is complete, the following periods shall be excluded:

(a)(i) Any period during which the applicant has been requested by the local government to correct plans, perform required studies, or provide additional required information. The period shall be calculated from the date the local government notifies the applicant of the need for additional information until the earlier of the date the local government determines whether the additional information satisfies the request for information or fourteen days after the date the information has been provided to the local government.

(ii) If the local government determines that the information submitted by the applicant under (a)(i) of this subsection is insufficient, it shall notify the applicant of the deficiencies and the procedures under (a)(i) of this subsection shall apply as if a new request for studies had been made;

(b) Any period during which an environmental impact statement is being prepared following a determination of significance pursuant to chapter 43.21C RCW, if the local government by ordinance or resolution has established time periods for completion of environmental impact statements, or if the local government and the applicant in writing agree to a time period for completion of an environmental impact statement;

(c) Any period for administrative appeals of project permits, if an open record appeal hearing or a closed record appeal, or both, are allowed. The local government by ordinance or resolution shall establish a time period to consider and decide such appeals. The time period shall not exceed: (i) Ninety days for an open record appeal hearing; and (ii) sixty days for a closed record appeal. The parties to an appeal may agree to extend these time periods; and

(d) Any extension of time mutually agreed upon by the applicant and the local government.

(2) The time limits established by subsection (1) of this section do not apply if a project permit application:

(a) Requires an amendment to the comprehensive plan or a development regulation;

(b) Requires approval of a new fully contained community as provided in RCW 36.70A.350, a master planned resort as provided in RCW 36.70A.360, or the siting of an essential public facility as provided in RCW 36.70A.200; or

(c) Is substantially revised by the applicant, in which case the time period shall start from the date at which the revised project application is determined to be complete under RCW 36.70A.440 (as recodified by this act).

(3) If the local government is unable to issue its final decision within the time limits provided for in this section, it shall provide written notice of this fact to the project applicant. The notice shall include a statement of reasons why the time limits have not been met and an estimated date for issuance of the notice of final decision.

(4) This section shall apply to project permit applications filed on or after April 1, 1996.

NEW SECTION. Sec. 414. A local government may require the applicant for a project permit to designate a single person or entity to receive determinations and notices required by this chapter.

NEW SECTION. Sec. 415. (1) Not later than April 1, 1996, a local government planning under RCW 36.70A.040 shall provide a notice of application to the public and the departments and agencies with jurisdiction as provided in this section. If a local government has made a determination of significance under chapter 43.21C RCW concurrently with the notice of application, the notice of application shall be combined with the determination of significance and scoping notice. Nothing in this section prevents a determination of significance and scoping notice from being issued prior to the notice of application.

(2) The notice of application shall be provided within fourteen days after the determination of completeness as provided in RCW 36.70A.440 (as recodified by this act) and include the following in whatever sequence or format the local government deems appropriate:

(a) The date of application, the date of the notice of completion for the application, and the date of the notice of application;

(b) A description of the proposed project action and a list of the project permits included in the application and, if applicable, a list of any studies requested under RCW 36.70A.440 (as recodified by this act) or section 413 of this act;

(c) The identification of other permits not included in the application to the extent known by the local government;

(d) The identification of existing environmental documents that evaluate the proposed project, and, if not otherwise stated on the document providing the notice of application, such as a city land use bulletin, the location where the application and any studies can be reviewed;

(e) A statement of the public comment period, which shall be not less than fourteen nor more than thirty days following the date of notice of application, and statements of the right of any person to comment on the application, receive notice of and participate in any hearings, request a copy of the decision once made, and any appeal rights. A local government may accept public comments at any time prior to the closing of the record of an open record predecision hearing, if any, or, if no open record predecision hearing is provided, prior to the decision on the project permit;

(f) The date, time, place, and type of hearing, if applicable and scheduled at the date of notice of the application;

(g) A statement of the preliminary determination, if one has been made at the time of notice, of those development regulations that will be used for project mitigation and of consistency as provided in section 405 of this act; and

(h) Any other information determined appropriate by the local government.

(3) If an open record predecision hearing is required for the requested project permits, the notice of application shall be provided at least fifteen days prior to the open record hearing.

(4) A local government shall use reasonable methods to give the notice of application to the public and agencies with jurisdiction and may use its existing notice procedures. A local government may use different types of notice for different categories of project permits or types of project actions. If a local government by resolution or ordinance does not specify its method of public notice, the local

government shall use the methods provided for in (a) and (b) of this subsection. Examples of reasonable methods to inform the public are:

- (a) Posting the property for site-specific proposals;
- (b) Publishing notice, including at least the project location, description, type of permit(s) required, comment period dates, and location where the complete application may be reviewed, in the newspaper of general circulation in the general area where the proposal is located or in a local land use newsletter published by the local government;
- (c) Notifying public or private groups with known interest in a certain proposal or in the type of proposal being considered;
- (d) Notifying the news media;
- (e) Placing notices in appropriate regional or neighborhood newspapers or trade journals;
- (f) Publishing notice in agency newsletters or sending notice to agency mailing lists, either general lists or lists for specific proposals or subject areas; and
- (g) Mailing to neighboring property owners.

(5) A notice of application shall not be required for project permits that are categorically exempt under chapter 43.21C RCW, unless a public comment period or an open record predecision hearing is required.

(6) A local government shall integrate the permit procedures in this section with environmental review under chapter 43.21C RCW as follows:

(a) Except for a determination of significance, the local government may not issue its threshold determination, or issue a decision or a recommendation on a project permit until the expiration of the public comment period on the notice of application.

(b) If an open record predecision hearing is required and the local government's threshold determination requires public notice under chapter 43.21C RCW, the local government shall issue its threshold determination at least fifteen days prior to the open record predecision hearing.

(c) Comments shall be as specific as possible.

(7) A local government may combine any hearing on a project permit with any hearing that may be held by another local, state, regional, federal, or other agency provided that the hearing is held within the geographic boundary of the local government. Hearings shall be combined if requested by an applicant, as long as the joint hearing can be held within the time periods specified in section 413 of this act or the applicant agrees to the schedule in the event that additional time is needed in order to combine the hearings. All agencies of the state of Washington, including municipal corporations and counties participating in a combined hearing, are hereby authorized to issue joint hearing notices and develop a joint format, select a mutually acceptable hearing body or officer, and take such other actions as may be necessary to hold joint hearings consistent with each of their respective statutory obligations.

(8) All state and local agencies shall cooperate to the fullest extent possible with the local government in holding a joint hearing if requested to do so, as long as:

(a) The agency is not expressly prohibited by statute from doing so;

(b) Sufficient notice of the hearing is given to meet each of the agencies' adopted notice requirements as set forth in statute, ordinance, or rule; and

(c) The agency has received the necessary information about the proposed project from the applicant to hold its hearing at the same time as the local government hearing.

(9) A local government is not required to provide for administrative appeals. If provided, an administrative appeal of the project decision, combined with any environmental determinations, shall be filed within fourteen days after the notice of the decision or after other notice that the decision has been made and is appealable. The local government shall extend the appeal period for an additional seven days, if state or local rules adopted pursuant to chapter 43.21C RCW allow public comment on a determination of nonsignificance issued as part of the appealable project permit decision.

(10) The applicant for a project permit is deemed to be a participant in any comment period, open record hearing, or closed record appeal.

(11) Each local government planning under RCW 36.70A.040 shall adopt procedures for administrative interpretation of its development regulations.

NEW SECTION. Sec. 416. (1) Each local government planning under RCW 36.70A.040 shall establish a permit review process that provides for the integrated and consolidated review and decision on two or more project permits relating to a proposed project action, including a single application review and approval process covering all project permits requested by an applicant for all

or part of a project action and a designated permit coordinator. If an applicant elects the consolidated permit review process, the determination of completeness, notice of application, and notice of final decision must include all project permits being reviewed through the consolidated permit review process.

(2) Consolidated permit review may provide different procedures for different categories of project permits, but if a project action requires project permits from more than one category, the local government shall provide for consolidated permit review with a single open record hearing and no more than one closed record appeal as provided in section 407 of this act. Each local government shall determine which project permits are subject to an open record hearing and a closed record appeal. Examples of categories of project permits include but are not limited to:

- (a) Proposals that are categorically exempt from chapter 43.21C RCW, such as construction permits, that do not require environmental review or public notice;
- (b) Permits that require environmental review, but no open record predecision hearing; and
- (c) Permits that require a threshold determination and an open record predecision hearing and may provide for a closed record appeal to a hearing body or officer or to the local government legislative body.

(3) A local government may provide by ordinance or resolution for the same or a different decision maker or hearing body or officer for different categories of project permits. In the case of consolidated project permit review, the local government shall specify which decision makers shall make the decision or recommendation, conduct the hearing, or decide the appeal to ensure that consolidated permit review occurs as provided in this section. The consolidated permit review may combine an open record predecision hearing on one or more permits with an open record appeal hearing on other permits. In such cases, the local government by ordinance or resolution shall specify which project permits, if any, shall be subject to a closed record appeal.

NEW SECTION. Sec. 417. A local government planning under RCW 36.70A.040 shall provide a notice of decision that also includes a statement of any threshold determination made under chapter 43.21C RCW and the procedures for administrative appeal, if any. The notice of decision may be a copy of the report or decision on the project permit application. The notice shall be provided to the applicant and to any person who, prior to the rendering of the decision, requested notice of the decision or submitted substantive comments on the application. The local government shall provide for notice of its decision as provided in section 415(4) of this act.

NEW SECTION. Sec. 418. (1) A local government by ordinance or resolution may exclude the following project permits from the provisions of RCW 36.70A.440 (as recodified by this act), 36.70A.065 (as recodified by this act), and sections 407, 413, and 415 through 417 of this act: Landmark designations, street vacations, or other approvals relating to the use of public areas or facilities, or other project permits, whether administrative or quasi-judicial, that the local government by ordinance or resolution has determined present special circumstances that warrant a review process different from that provided in RCW 36.70A.440 (as recodified by this act), 36.70A.065 (as recodified by this act), and sections 407, 413, and 415 through 417 of this act.

(2) A local government by ordinance or resolution also may exclude the following project permits from the provisions of sections 407 and 415 through 417 of this act: Lot line or boundary adjustments and building and other construction permits, or similar administrative approvals, categorically exempt from environmental review under chapter 43.21C RCW, or for which environmental review has been completed in connection with other project permits.

NEW SECTION. Sec. 419. A local government not planning under RCW 36.70A.040 may incorporate some or all of the provisions of sections 407, 413, and 415 through 417 of this act and RCW 36.70A.065 and 36.70A.440 (as recodified by this act) into its procedures for review of project permits or other project actions.

NEW SECTION. Sec. 420. (1) Each local government is encouraged to adopt further project review provisions to provide prompt, coordinated review and ensure accountability to applicants and the public, including expedited review for project permit applications for projects that are consistent with adopted development regulations and within the capacity of system-wide infrastructure improvements.

(2) Nothing in this chapter is intended or shall be construed to prevent a local government from requiring a preapplication conference or a public meeting by rule, ordinance, or resolution.

(3) Each local government shall adopt procedures to monitor and enforce permit decisions and conditions.

(4) Nothing in this chapter modifies any independent statutory authority for a government agency to appeal a project permit issued by a local government.

NEW SECTION. Sec. 421. A new section is added to chapter 64.40 RCW to read as follows:

A local government is not liable for damages under this chapter due to the local government's failure to make a final decision within the time limits established in section 413 of this act.

The applicant may request an additional thirty days for the threshold determination. The governmental entity responsible for making the threshold determination shall by rule, resolution, or ordinance adopt standards, consistent with rules adopted by the department to implement this chapter, for determining when an application and supporting documentation are complete.

(2) This section shall not apply to a city, town, or county that:

(a) By ordinance adopted prior to April 1, 1992, has adopted procedures to integrate permit and land use decisions with the requirements of this chapter; or

(b) Is planning under RCW 36.70A.040 and is subject to the requirements of section 413 of this act.

Sec. 423. RCW 35.63.130 and 1994 c 257 s 8 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city or county may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:

(a) Applications for conditional uses, variances, subdivisions, shoreline permits, or any other class of applications for or pertaining to development of land or land use((s which the legislative body believes should be reviewed and decided by a hearing examiner));

(c) Except in the case of a rezone, the decision may be given the effect of a final decision of the legislative body.

(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city's or county's comprehensive plan and the city's or county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the

hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

Sec. 424. RCW 35A.63.170 and 1994 c 257 s 7 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

Sec. 425. RCW 36.70.970 and 1994 c 257 s 9 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

Sec. 426. RCW 58.17.090 and 1981 c 293 s 5 are each amended to read as follows:

(1) Upon receipt of an application for preliminary plat approval the administrative officer charged by ordinance with responsibility for administration of regulations pertaining to platting and subdivisions shall provide public notice and set a date for a public hearing. (2) All hearings shall be public. All hearing notices shall include a description of the location of the proposed subdivision. The description may be in the form of either a vicinity location sketch or a written description other than a legal description.

Sec. 427. RCW 58.17.092 and 1988 c 168 s 12 are each amended to read as follows:

Any notice made under chapter 58.17 or 36.-- (the new chapter created in section 431 of this act) RCW that identifies affected property may identify this affected property without using a legal description of the property including, but not limited to, identification by an address, written description, vicinity sketch, or other reasonable means.

Sec. 428. RCW 58.17.100 and 1981 c 293 s 6 are each amended to read as follows:

If a city, town or county has established a planning commission or planning agency in accordance with state law or local charter, such commission or agency shall review all preliminary plats and make recommendations thereon to the city, town or county legislative body to assure conformance of the proposed subdivision to the general purposes of the comprehensive plan and to planning standards and specifications as adopted by the city, town or county. Reports of the planning commission or agency shall be advisory only: PROVIDED, That the legislative body of the city, town or county may, by ordinance, assign to such commission or agency, or any department official or group of officials, such administrative functions, powers and duties as may be appropriate, including the holding of hearings, and recommendations for approval or disapproval of preliminary plats of proposed subdivisions.

Such recommendation shall be submitted to the legislative body not later than fourteen days following action by the hearing body. Upon receipt of the recommendation on any preliminary plat the legislative body shall at its next public meeting set the date for the public meeting where it shall

consider the recommendations of the hearing body and may adopt or reject the recommendations of such hearing body based on the record established at the public hearing. If, after considering the matter at a public meeting, the legislative body deems a change in the planning commission's or planning agency's recommendation approving or disapproving any preliminary plat is necessary, ~~((the change of the recommendation shall not be made until))~~ the legislative body shall ~~((conduct a public hearing and thereupon))~~ adopt its own recommendations and approve or disapprove the preliminary plat. ~~((Such public hearing may be held before a committee constituting a majority of the legislative body. If the hearing is before a committee, the committee shall report its recommendations on the matter to the legislative body for final action.))~~

Every decision or recommendation made under this section shall be in writing and shall include findings of fact and conclusions to support the decision or recommendation.

A record of all public meetings and public hearings shall be kept by the appropriate city, town or county authority and shall be open to public inspection.

Sole authority to approve final plats, and to adopt or amend platting ordinances shall reside in the legislative bodies.

Sec. 429. RCW 58.17.330 and 1994 c 257 s 6 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter requiring a planning commission to hear and issue recommendations for plat approval, the county or city legislative body may adopt a hearing examiner system and shall specify by ordinance the legal effect of the decisions made by the examiner. ~~((Except as provided in subsection (2) of this section,))~~ The legal effect of such decisions shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative body;

(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body; or

(c) The decision may be given the effect of a final decision of the legislative body.

The legislative authority shall prescribe procedures to be followed by a hearing examiner.

~~(2) ((The legislative body shall specify the legal effect of a hearing examiner's procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or may be given the effect of a final decision of the legislative body.~~

~~(3))~~ Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Each final decision of a hearing examiner, unless a longer period is mutually agreed to by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

NEW SECTION. Sec. 430. The department of community, trade, and economic development shall provide training and technical assistance to counties and cities to assist them in fulfilling the requirements of chapter 36.-- RCW (the new chapter created in section 431 of this act).

NEW SECTION. Sec. 431. Sections 401, 402, 404 through 407, 413 through 420, and 502 through 506 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION. Sec. 432. RCW 36.70A.065 and 36.70A.440 are recodified as sections within the new chapter created in section 431 of this act.

NEW SECTION. Sec. 433. Sections 413 and 421 of this act shall expire June 30, 1998. The provisions of sections 413 and 421 of this act shall apply to project permit applications determined to be complete pursuant to RCW 36.70A.440 (as recodified by this act) on or before June 30, 1998.

PART V - DEVELOPMENT AGREEMENTS

NEW SECTION. Sec. 501. The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies

and regulations, and subject to conditions of approval, all as set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by sections 502 through 506 of this act to allow local governments and owners and developers of real property to enter into development agreements.

NEW SECTION. Sec. 502. (1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW.

(2) Sections 501 through 504 of this act do not affect the validity of a contract rezone, concomitant agreement, annexation agreement, or other agreement in existence on the effective date of sections 501 through 504 of this act, or adopted under separate authority, that includes some or all of the development standards provided in subsection (3) of this section.

(3) For the purposes of this section, "development standards" includes, but is not limited to:

(a) Project elements such as permitted uses, residential densities, and nonresidential densities and intensities or building sizes;

(b) The amount and payment of impact fees imposed or agreed to in accordance with any applicable provisions of state law, any reimbursement provisions, other financial contributions by the property owner, inspection fees, or dedications;

(c) Mitigation measures, development conditions, and other requirements under chapter 43.21C RCW;

(d) Design standards such as maximum heights, setbacks, drainage and water quality requirements, landscaping, and other development features;

(e) Affordable housing;

(f) Parks and open space preservation;

(g) Phasing;

(h) Review procedures and standards for implementing decisions;

(i) A build-out or vesting period for applicable standards; and

(j) Any other appropriate development requirement or procedure.

(4) The execution of a development agreement is a proper exercise of county and city police power and contract authority. A development agreement may obligate a party to fund or provide services, infrastructure, or other facilities. A development agreement shall reserve authority to impose new or different regulations to the extent required by a serious threat to public health and safety.

NEW SECTION. Sec. 503. Unless amended or terminated, a development agreement is enforceable during its term by a party to the agreement. A development agreement and the development standards in the agreement govern during the term of the agreement, or for all or that part of the build-out period specified in the agreement, and may not be subject to an amendment to a zoning ordinance or development standard or regulation or a new zoning ordinance or development standard or regulation adopted after the effective date of the agreement. A permit or approval issued by the county or city after the execution of the development agreement must be consistent with the development agreement.

NEW SECTION. Sec. 504. A development agreement shall be recorded with the real property records of the county in which the property is located. During the term of the development agreement, the agreement is binding on the parties and their successors, including a city that assumes jurisdiction through incorporation or annexation of the area covering the property covered by the development agreement.

NEW SECTION. Sec. 505. A county or city shall only approve a development agreement by ordinance or resolution after a public hearing. The county or city legislative body or a planning commission, hearing examiner, or other body designated by the legislative body to conduct the public hearing may conduct the hearing. If the development agreement relates to a project permit application, the provisions of chapter 36.-- RCW (sections 701 through 715 of this act) shall apply to the appeal of the decision on the development agreement.

NEW SECTION. Sec. 506. Nothing in sections 501 through 505 of this act is intended to authorize local governments to impose impact fees, inspection fees, or dedications or to require any other financial contributions or mitigation measures except as expressly authorized by other applicable provisions of state law.

PART VI - STATE PERMIT COORDINATION

NEW SECTION. Sec. 601. The legislature hereby finds and declares:

(1) Washington's environmental protection programs have established strict standards to reduce pollution and protect the public health and safety and the environment. The single-purpose programs instituted to achieve these standards have been successful in many respects, and have produced significant gains in protecting Washington's environment in the face of substantial population growth.

(2) Continued progress to achieve the environmental standards in the face of continued population growth will require greater coordination between the single-purpose environmental programs and more efficient operation of these programs overall. Pollution must be prevented and controlled and not simply transferred to another media or another place. This goal can only be achieved by maintaining the current environmental protection standards and by greater integration of the existing programs.

(3) As the number of environmental laws and regulations have grown in Washington, so have the number of permits required of business and government. This regulatory burden has significantly added to the cost and time needed to obtain essential permits in Washington. The increasing number of individual permits and permit authorities has generated the continuing potential for conflict, overlap, and duplication between the various state, local, and federal permits.

(4) The purpose of this chapter is to institute new, efficient procedures that will assist businesses and public agencies in complying with the environmental quality laws in an expedited fashion, without reducing protection of public health and safety and the environment.

(5) Those procedures need to provide a permit process that promotes effective dialogue and ensures ease in the transfer and clarification of technical information, while preventing duplication. It is necessary that the procedures establish a process for preliminary and ongoing meetings between the applicant, the coordinating permit agency, and the participating permit agencies, but do not preclude the applicant or participating permit agencies from individually coordinating with each other.

(6) It is necessary, to the maximum extent practicable, that the procedures established in this chapter ensure that the coordinated permit agency process and applicable permit requirements and criteria are integrated and run concurrently, rather than consecutively.

(7) It is necessary to provide a reliable and consolidated source of information concerning federal, state, and local environmental and land use laws and procedures that apply to any given proposal.

(8) It is the intent of this chapter to provide an optional process by which a project proponent may obtain active coordination of all applicable regulatory and land-use permitting procedures. This process is not to replace individual laws, or diminish the substantive decision-making role of individual jurisdictions. Rather it is to provide predictability, administrative consolidation, and, where possible, consolidation of appeal processes.

(9) It is also the intent of this chapter to provide consolidated, effective, and easier opportunities for members of the public to receive information and present their views about proposed projects.

NEW SECTION. Sec. 602. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Center" means the permit assistance center established in the commission by section 603 of this act.

(2) "Coordinating permit agency" means the permit agency that has the greatest overall jurisdiction over a project.

(3) "Department" means the department of ecology.

(4) "Participating permit agency" means a permit agency, other than the coordinating permit agency, that is responsible for the issuance of a permit for a project.

(5) "Permit" means any license, certificate, registration, permit, or other form of authorization required by a permit agency to engage in a particular activity.

(6) "Permit agency" means:

(a) The department of ecology, an air pollution control authority, the department of natural resources, the department of fish and wildlife, and the department of health; and

(b) Any other state or federal agency or county, city, or town that participates at the request of the permit applicant and upon the agency's agreement to be subject to this chapter.

(7) "Project" means an activity, the conduct of which requires permits from one or more permit agencies.

NEW SECTION. Sec. 603. The permit assistance center is established within the department. The center shall:

(1) Publish and keep current one or more handbooks containing lists and explanations of all permit laws. The center shall coordinate with the business assistance center in providing and maintaining this information to applicants and others. To the extent possible, the handbook shall include relevant federal and tribal laws. A state agency or local government shall provide a reasonable number of copies of application forms, statutes, ordinances, rules, handbooks, and other informational material requested by the center and shall otherwise fully cooperate with the center. The center shall seek the cooperation of relevant federal agencies and tribal governments;

(2) Establish, and make known, a point of contact for distribution of the handbook and advice to the public as to its interpretation in any given case;

(3) Work closely and cooperatively with the business license center and the business assistance center in providing efficient and nonduplicative service to the public;

(4) Seek the assignment of employees from the permit agencies listed under section 602(6)(a) of this act to serve on a rotating basis in staffing the center; and

(5) Provide an annual report to the legislature on potential conflicts and perceived inconsistencies among existing statutes. The first report shall be submitted to the appropriate standing committees of the house of representatives and senate by December 1, 1996.

NEW SECTION. Sec. 604. (1) Not later than January 1, 1996, the center shall establish by rule an administrative process for the designation of a coordinating permit agency for a project.

(2) The administrative process shall consist of the establishment of guidelines for designating the coordinating permit agency for a project. If a permit agency is the lead agency for purposes of chapter 43.21C RCW, that permit agency shall be the coordinating permit agency. In other cases, the guidelines shall require that at least the following factors be considered in determining which permit agency has the greatest overall jurisdiction over the project:

(a) The types of facilities or activities that make up the project;

(b) The types of public health and safety and environmental concerns that should be considered in issuing permits for the project;

(c) The environmental medium that may be affected by the project, the extent of those potential effects, and the environmental protection measures that may be taken to prevent the occurrence of, or to mitigate, those potential effects;

(d) The regulatory activity that is of greatest importance in preventing or mitigating the effects that the project may have on public health and safety or the environment; and

(e) The statutory and regulatory requirements that apply to the project and the complexity of those requirements.

NEW SECTION. Sec. 605. Upon the request of a project applicant, the center shall appoint a project facilitator to assist the applicant in determining which regulatory requirements, processes, and permits may be required for development and operation of the proposed project. The project facilitator shall provide the information to the applicant and explain the options available to the applicant in

obtaining the required permits. If the applicant requests, the center shall designate a coordinating permit agency as provided in section 606 of this act.

NEW SECTION. Sec. 606. (1) A permit applicant who requests the designation of a coordinating permit agency shall provide the center with a description of the project, a preliminary list of the permits that the project may require, the identity of any public agency that has been designated the lead agency for the project pursuant to chapter 43.21C RCW, and the identity of the participating permit agencies. The center may request any information from the permit applicant that is necessary to make the designation under this section, and may convene a scoping meeting of the likely coordinating permit agency and participating permit agencies in order to make that designation.

(2) The coordinating permit agency shall serve as the main point of contact for the permit applicant with regard to the coordinated permit process for the project and shall manage the procedural aspects of that processing consistent with existing laws governing the coordinating permit agency and participating permit agencies, and with the procedures agreed to by those agencies in accordance with section 607 of this act. In carrying out these responsibilities, the coordinating permit agency shall ensure that the permit applicant has all the information needed to apply for all the component permits that are incorporated in the coordinated permit process for the project, coordinate the review of those permits by the respective participating permit agencies, ensure that timely permit decisions are made by the participating permit agencies, and assist in resolving any conflict or inconsistency among the permit requirements and conditions that are to be imposed by the participating permit agencies with regard to the project. The coordinating permit agency shall keep in contact with the applicant as well as other permit agencies in order to assure that the process is progressing as scheduled. The coordinating permit agency shall also make contact, at least once, with any local jurisdiction that is responsible for issuing a permit for the project if the local jurisdiction has not agreed to be a participating permit agency as provided in section 602(6) of this act.

(3) This chapter shall not be construed to limit or abridge the powers and duties granted to a participating permit agency under the law that authorizes or requires the agency to issue a permit for a project. Each participating permit agency shall retain its authority to make all decisions on all nonprocedural matters with regard to the respective component permit that is within its scope of its responsibility, including, but not limited to, the determination of permit application completeness, permit approval or approval with conditions, or permit denial. The coordinating permit agency may not substitute its judgment for that of a participating permit agency on any such nonprocedural matters.

NEW SECTION. Sec. 607. (1) Within twenty-one days of the date that the coordinating permit agency is designated, it shall convene a meeting with the permit applicant for the project and the participating permit agencies. The meeting agenda shall include at least all of the following matters:

(a) A determination of the permits that are required for the project;

(b) A review of the permit application forms and other application requirements of the agencies that are participating in the coordinated permit process;

(c)(i) A determination of the timelines that will be used by the coordinating permit agency and each participating permit agency to make permit decisions, including the time periods required to determine if the permit applications are complete, to review the application or applications, and to process the component permits. In the development of this timeline, full attention shall be given to achieving the maximum efficiencies possible through concurrent studies, consolidated applications, hearings, and comment periods. Except as provided in (c)(ii) of this subsection, the timelines established under this subsection, with the assent of the coordinating permit agency and each participating permit agency, shall commit the coordinating permit agency and each participating permit agency to act on the component permit within time periods that are different than those required by other applicable provisions of law.

(ii) An accelerated time period for the consideration of a permit application may not be set if that accelerated time period would be inconsistent with, or in conflict with, any time period or series of time periods set by statute for that consideration, or with any statute, rule, or regulation, or adopted state policy, standard, or guideline that requires any of the following:

(A) Other agencies, interested persons, federally recognized Indian tribes, or the public to be given adequate notice of the application;

(B) Other agencies to be given a role in, or be allowed to participate in, the decision to approve or disapprove the application; or

(C) Interested persons or the public to be provided the opportunity to challenge, comment on, or otherwise voice their concerns regarding the application;

(d) The scheduling of any public hearings that are required to issue permits for the project and a determination of the feasibility of coordinating or consolidating any of those required public hearings; and

(e) A discussion of fee arrangements for the coordinated permit process, including an estimate of the costs allowed under section 610 of this act and the billing schedule.

(2) Each agency shall send at least one representative qualified to make decisions concerning the applicability and timelines associated with all permits administered by that jurisdiction. At the request of the applicant, the coordinating permit agency shall notify any relevant federal agency or federally recognized tribe of the date of the meeting and invite that agency's participation in the process.

(3) If a permit agency or the applicant foresees, at any time, that it will be unable to meet its obligations under the agreement, it shall notify the coordinating permit agency of the problem. The coordinating permit agency shall notify the participating permit agencies and the applicant and, upon agreement of all parties, adjust the schedule, or, if necessary, schedule another work plan meeting.

(4) The coordinating permit agency may request any information from the applicant that is necessary to comply with its obligations under this section, consistent with the timelines set pursuant to this section.

(5) A summary of the decisions made under this section shall be made available for public review upon the filing of the coordinated permit process application or permit applications.

NEW SECTION. Sec. 608. (1) The permit applicant may withdraw from the coordinated permit process by submitting to the coordinating permit agency a written request that the process be terminated. Upon receipt of the request, the coordinating permit agency shall notify the center and each participating permit agency that a coordinated permit process is no longer applicable to the project.

(2) The permit applicant may submit a written request to the coordinating permit agency that the permit applicant wishes a participating permit agency to withdraw from participation on the basis of a reasonable belief that the issuance of the coordinated permit process would be accelerated if the participating permit agency withdraws. In that event, the participating permit agency shall withdraw from participation if the coordinating permit agency approves the request.

NEW SECTION. Sec. 609. The coordinating permit agency shall ensure that the participating permit agencies make all the permit decisions that are necessary for the incorporation of the permits into the coordinated permit process and act on the component permits within the time periods established pursuant to section 607 of this act.

NEW SECTION. Sec. 610. (1) The coordinating permit agency may enter into a written agreement with the applicant to recover from the applicant the reasonable costs incurred by the coordinating permit agency in carrying out the requirements of this chapter.

(2) The coordinating permit agency may recover only the costs of performing those coordinated permit services and shall be negotiated with the permit applicant in the meeting required pursuant to section 607 of this act. The billing process shall provide for accurate time and cost accounting and may include a billing cycle that provides for progress payments.

NEW SECTION. Sec. 611. A petition by the permit applicant for review of an agency action in issuing, denying, or amending a permit, or any portion of a coordinating permit agency permit, shall be submitted by the permit applicant to the coordinating permit agency or the participating permit agency having jurisdiction over that permit and shall be processed in accordance with the procedures of that permit agency. Within thirty days of receiving the petition, the coordinating permit agency shall notify the other environmental agencies participating in the original coordinated permit process.

NEW SECTION. Sec. 612. If an applicant petitions for a significant amendment or modification to a coordinated permit process application or any of its component permit applications, the coordinating permit agency shall reconvene a meeting of the participating permit agencies, conducted in accordance with section 607 of this act.

NEW SECTION. Sec. 613. If an applicant fails to provide information required for the processing of the component permit applications for a coordinated permit process or for the designation of a coordinating permit agency, the time requirements of this chapter shall be held in abeyance until such time as the information is provided.

NEW SECTION. Sec. 614. (1) The center, by rule, shall establish an expedited appeals process by which a petitioner or applicant may appeal any failure by a permit agency to take timely action on the issuance or denial of a permit in accordance with the time limits established under this chapter.

(2) If the center finds that the time limits under appeal have been violated without good cause, it shall establish a date certain by which the permit agency shall act on the permit application with adequate provision for the requirements of section 607(1)(c)(ii) (A) through (C) of this act, and provide for the full reimbursement of any filing or permit processing fees paid by the applicant to the permit agency for the permit application under appeal.

NEW SECTION. Sec. 615. Nothing in this chapter affects the jurisdiction of the energy facility site evaluation council as provided in chapter 80.50 RCW.

NEW SECTION. Sec. 616. By December 1, 1997, the center shall submit a report to the appropriate committees of both houses of the legislature detailing the following information:

(1) The number of instances in which a coordinating permit agency has been requested and used, and the disposition of those cases;

(2) The amount of time elapsed between an initial request by a permit applicant for a coordinated permit process and the ultimate approval or disapproval of the permits included in the process; and

(3) The number of instances in which the expedited appeals process was requested, and the disposition of those cases.

NEW SECTION. Sec. 617. A new section is added to chapter 43.131 RCW to read as follows:

The permit assistance center and its powers and duties shall be terminated June 30, 1999, as provided in section 618 of this act.

NEW SECTION. Sec. 618. A new section is added to chapter 43.131 RCW to read as follows:

NEW SECTION. **Sec. 620.** Sections 601 through 616 of this act shall constitute a new chapter in Title 90 RCW.

PART VII - APPEALS

NEW SECTION. **Sec. 701.** This chapter may be known and cited as the land use petition act.

NEW SECTION. **Sec. 702.** The purpose of this chapter is to reform the process for judicial review of land use decisions made by local jurisdictions, by establishing uniform, expedited appeal procedures and uniform criteria for reviewing such decisions, in order to provide consistent, predictable, and timely judicial review.

NEW SECTION. **Sec. 703.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Land use decision" means a final determination by a local jurisdiction's body or officer with the highest level of authority to make the determination, including those with authority to hear appeals, on:

(a) An application for a project permit or other governmental approval required by law before real property may be improved, developed, modified, sold, transferred, or used, but excluding applications for permits or approvals to use, vacate, or transfer streets, parks, and similar types of public property; excluding applications for legislative approvals such as area-wide rezones and annexations; and excluding applications for business licenses;

(b) An interpretative or declaratory decision regarding the application to a specific property of zoning or other ordinances or rules regulating the improvement, development, modification, maintenance, or use of real property; and

(c) The enforcement by a local jurisdiction of ordinances regulating the improvement, development, modification, maintenance, or use of real property. However, when a local jurisdiction is required by law to enforce the ordinances in a court of limited jurisdiction, a petition may not be brought under this chapter.

(2) "Local jurisdiction" means a county, city, or incorporated town.

(3) "Person" means an individual, partnership, corporation, association, public or private organization, or governmental entity or agency.

NEW SECTION. **Sec. 704.** (1) This chapter replaces the writ of certiorari for appeal of land use decisions and shall be the exclusive means of judicial review of land use decisions, except that this chapter does not apply to:

- (a) Judicial review of:
 - (i) Land use decisions made by bodies that are not part of a local jurisdiction;
 - (ii) Land use decisions of a local jurisdiction that are subject to review by a quasi-judicial body created by state law, such as the shorelines hearings board or the growth management hearings board;
 - (b) Judicial review of applications for a writ of mandamus or prohibition; or
 - (c) Claims provided by any law for monetary damages or compensation. If one or more claims for damages or compensation are set forth in the same complaint with a land use petition brought under this chapter, the claims are not subject to the procedures and standards, including deadlines, provided in this chapter for review of the petition. The judge who hears the land use petition may, if appropriate, preside at a trial for damages or compensation.
- (2) The superior court civil rules govern procedural matters under this chapter to the extent that the rules are consistent with this chapter.

NEW SECTION. Sec. 705. (1) Proceedings for review under this chapter shall be commenced by filing a land use petition in superior court.

(2) A land use petition is barred, and the court may not grant review, unless the petition is timely filed with the court and timely served on the following persons who shall be parties to the review of the land use petition:

(a) The local jurisdiction, which for purposes of the petition shall be the jurisdiction's corporate entity and not an individual decision maker or department;

(b) Each of the following persons if the person is not the petitioner:

(i) Each person identified by name and address in the local jurisdiction's written decision as an applicant for the permit or approval at issue; and

(ii) Each person identified by name and address in the local jurisdiction's written decision as an owner of the property at issue;

(c) If no person is identified in a written decision as provided in (b) of this subsection, each person identified by name and address as a taxpayer for the property at issue in the records of the county assessor, based upon the description of the property in the application; and

(d) Each person named in the written decision who filed an appeal to a local jurisdiction quasi-judicial decision maker regarding the land use decision at issue, unless the person has abandoned the appeal or the person's claims were dismissed before the quasi-judicial decision was rendered. Persons who later intervened or joined in the appeal are not required to be made parties under this subsection.

(3) The petition is timely if it is filed and served on all parties listed in subsection (2) of this section within twenty-one days of the issuance of the land use decision.

(4) For the purposes of this section, the date on which a land use decision is issued is:

(a) Three days after a written decision is mailed by the local jurisdiction or, if not mailed, the date on which the local jurisdiction provides notice that a written decision is publicly available;

(b) If the land use decision is made by ordinance or resolution by a legislative body sitting in a quasi-judicial capacity, the date the body passes the ordinance or resolution; or

(c) If neither (a) nor (b) of this subsection applies, the date the decision is entered into the public record.

(5) Service on the local jurisdiction must be by delivery of a copy of the petition to the persons identified by or pursuant to RCW 4.28.080 to receive service of process. Service on other parties must be in accordance with the superior court civil rules or by first class mail to:

(a) The address stated in the written decision of the local jurisdiction for each person made a party under subsection (2)(b) of this section;

(b) The address stated in the records of the county assessor for each person made a party under subsection (2)(c) of this section; and

(c) The address stated in the appeal to the quasi-judicial decision maker for each person made a party under subsection (2)(d) of this section.

(6) Service by mail is effective on the date of mailing and proof of service shall be by affidavit or declaration under penalty of perjury.

NEW SECTION. Sec. 706. If the applicant for the land use approval is not the owner of the real property at issue, and if the owner is not accurately identified in the records referred to in section 705(2) (b) and (c) of this act, the applicant shall be responsible for promptly securing the joinder of the owners. In addition, within fourteen days after service each party initially named by the petitioner

shall disclose to the other parties the name and address of any person whom such party knows may be needed for just adjudication of the petition, and the petitioner shall promptly name and serve any such person whom the petitioner agrees may be needed for just adjudication. If such a person is named and served before the initial hearing, leave of court for the joinder is not required, and the petitioner shall provide the newly joined party with copies of the pleadings filed before the party's joinder. Failure by the petitioner to name or serve, within the time required by section 705(3) of this act, persons who are needed for just adjudication but who are not identified in the records referred to in section 705(2)(b) of this act, or in section 705(2)(c) of this act if applicable, shall not deprive the court of jurisdiction to hear the land use petition.

NEW SECTION. Sec. 707. Standing to bring a land use petition under this chapter is limited to the following persons:

- (1) The applicant and the owner of property to which the land use decision is directed;
- (2) Another person aggrieved or adversely affected by the land use decision, or who would be aggrieved or adversely affected by a reversal or modification of the land use decision. A person is aggrieved or adversely affected within the meaning of this section only when all of the following conditions are present:
 - (a) The land use decision has prejudiced or is likely to prejudice that person;
 - (b) That person's asserted interests are among those that the local jurisdiction was required to consider when it made the land use decision;
 - (c) A judgment in favor of that person would substantially eliminate or redress the prejudice to that person caused or likely to be caused by the land use decision; and
 - (d) The petitioner has exhausted his or her administrative remedies to the extent required by law.

NEW SECTION. Sec. 708. A land use petition must set forth:

- (1) The name and mailing address of the petitioner;
- (2) The name and mailing address of the petitioner's attorney, if any;
- (3) The name and mailing address of the local jurisdiction whose land use decision is at issue;
- (4) Identification of the decision-making body or officer, together with a duplicate copy of the decision, or, if not a written decision, a summary or brief description of it;
- (5) Identification of each person to be made a party under section 705(2) (b) through (d) of this act;
- (6) Facts demonstrating that the petitioner has standing to seek judicial review under section 707 of this act;
- (7) A separate and concise statement of each error alleged to have been committed;
- (8) A concise statement of facts upon which the petitioner relies to sustain the statement of error; and
- (9) A request for relief, specifying the type and extent of relief requested.

NEW SECTION. Sec. 709. (1) Within seven days after the petition is served on the parties identified in section 705(2) of this act, the petitioner shall note, according to the local rules of superior court, an initial hearing on jurisdictional and preliminary matters. This initial hearing shall be set no sooner than thirty-five days and no later than fifty days after the petition is served on the parties identified in section 705(2) of this act.

(2) The parties shall note all motions on jurisdictional and procedural issues for resolution at the initial hearing, except that a motion to allow discovery may be brought sooner. Where confirmation of motions is required, each party shall be responsible for confirming its own motions.

(3) The defenses of lack of standing, untimely filing or service of the petition, and failure to join persons needed for just adjudication are waived if not raised by timely motion noted to be heard at the initial hearing, unless the court allows discovery on such issues.

(4) The petitioner shall move the court for an order at the initial hearing that sets the date on which the record must be submitted, sets a briefing schedule, sets a discovery schedule if discovery is to be allowed, and sets a date for the hearing or trial on the merits.

(5) The parties may waive the initial hearing by scheduling with the court a date for the hearing or trial on the merits and filing a stipulated order that resolves the jurisdictional and procedural issues raised by the petition, including the issues identified in subsections (3) and (4) of this section.

(6) A party need not file an answer to the petition.

NEW SECTION. Sec. 710. The court shall provide expedited review of petitions filed under this chapter. The matter must be set for hearing within sixty days of the date set for submitting the local jurisdiction's record, absent a showing of good cause for a different date or a stipulation of the parties.

NEW SECTION. Sec. 711. (1) A petitioner or other party may request the court to stay or suspend an action by the local jurisdiction or another party to implement the decision under review. The request must set forth a statement of grounds for the stay and the factual basis for the request.

(2) A court may grant a stay only if the court finds that:

(a) The party requesting the stay is likely to prevail on the merits;

(b) Without the stay the party requesting it will suffer irreparable harm;

(c) The grant of a stay will not substantially harm other parties to the proceedings; and

(d) The request for the stay is timely in light of the circumstances of the case.

(3) The court may grant the request for a stay upon such terms and conditions, including the filing of security, as are necessary to prevent harm to other parties by the stay.

NEW SECTION. Sec. 712. (1) Within forty-five days after entry of an order to submit the record, or within such a further time as the court allows or as the parties agree, the local jurisdiction shall submit to the court a certified copy of the record for judicial review of the land use decision, except that the petitioner shall prepare at the petitioner's expense and submit a verbatim transcript of any hearings held on the matter.

(2) If the parties agree, or upon order of the court, the record shall be shortened or summarized to avoid reproduction and transcription of portions of the record that are duplicative or not relevant to the issues to be reviewed by the court.

(3) The petitioner shall pay the local jurisdiction the cost of preparing the record before the local jurisdiction submits the record to the court. Failure by the petitioner to timely pay the local jurisdiction relieves the local jurisdiction of responsibility to submit the record and is grounds for dismissal of the petition.

(4) If the relief sought by the petitioner is granted in whole or in part the court shall equitably assess the cost of preparing the record among the parties. In assessing costs the court shall take into account the extent to which each party prevailed and the reasonableness of the parties' conduct in agreeing or not agreeing to shorten or summarize the record under subsection (2) of this section.

NEW SECTION. Sec. 713. (1) When the land use decision being reviewed was made by a quasi-judicial body or officer who made factual determinations in support of the decision and the parties to the quasi-judicial proceeding had an opportunity consistent with due process to make a record on the factual issues, judicial review of factual issues and the conclusions drawn from the factual issues shall be confined to the record created by the quasi-judicial body or officer, except as provided in subsections (2) through (4) of this section.

(2) For decisions described in subsection (1) of this section, the record may be supplemented by additional evidence only if the additional evidence relates to:

(a) Grounds for disqualification of a member of the body or of the officer that made the land use decision, when such grounds were unknown by the petitioner at the time the record was created;

(b) Matters that were improperly excluded from the record after being offered by a party to the quasi-judicial proceeding; or

(c) Matters that were outside the jurisdiction of the body or officer that made the land use decision.

(3) For land use decisions other than those described in subsection (1) of this section, the record for judicial review may be supplemented by evidence of material facts that were not made part of the local jurisdiction's record.

(4) The court may require or permit corrections of ministerial errors or inadvertent omissions in the preparation of the record.

(5) The parties may not conduct pretrial discovery except with the prior permission of the court, which may be sought by motion at any time after service of the petition. The court shall not grant permission unless the party requesting it makes a prima facie showing of need. The court shall

strictly limit discovery to what is necessary for equitable and timely review of the issues that are raised under subsections (2) and (3) of this section. If the court allows the record to be supplemented, the court shall require the parties to disclose before the hearing or trial on the merits the specific evidence they intend to offer. If any party, or anyone acting on behalf of any party, requests records under chapter 42.17 RCW relating to the matters at issue, a copy of the request shall simultaneously be given to all other parties and the court shall take such request into account in fashioning an equitable discovery order under this section.

NEW SECTION. Sec. 714. (1) The superior court, acting without a jury, shall review the record and such supplemental evidence as is permitted under section 713 of this act. The court may grant relief only if the party seeking relief has carried the burden of establishing that one of the standards set forth in (a) through (f) of this subsection has been met. The standards are:

(a) The body or officer that made the land use decision engaged in unlawful procedure or failed to follow a prescribed process, unless the error was harmless;

(b) The land use decision is an erroneous interpretation of the law, after allowing for such deference as is due the construction of a law by a local jurisdiction with expertise;

(c) The land use decision is not supported by evidence that is substantial when viewed in light of the whole record before the court;

(d) The land use decision is a clearly erroneous application of the law to the facts;

(e) The land use decision is outside the authority or jurisdiction of the body or officer making the decision; or

(f) The land use decision violates the constitutional rights of the party seeking relief.

(2) In order to grant relief under this chapter, it is not necessary for the court to find that the local jurisdiction engaged in arbitrary and capricious conduct. A grant of relief by itself may not be deemed to establish liability for monetary damages or compensation.

NEW SECTION. Sec. 715. The court may affirm or reverse the land use decision under review or remand it for modification or further proceedings. If the decision is remanded for modification or further proceedings, the court may make such an order as it finds necessary to preserve the interests of the parties and the public, pending further proceedings or action by the local jurisdiction.

Sec. 716. RCW 7.16.360 and 1989 c 175 s 38 are each amended to read as follows:

This chapter does not apply to state agency action reviewable under chapter 34.05 RCW or to land use decisions of local jurisdictions reviewable under chapter 36.-- RCW (sections 701 through 715 of this act).

Sec. 717. RCW 58.17.180 and 1983 c 121 s 5 are each amended to read as follows:

Any decision approving or disapproving any plat shall be reviewable ~~((for unlawful, arbitrary, capricious or corrupt action or nonaction by writ of review before the superior court of the county in which such matter is pending. Standing to bring the action is limited to the following parties:~~

~~(1) The applicant or owner of the property on which the subdivision is proposed;~~

~~(2) Any property owner entitled to special notice under RCW 58.17.090;~~

~~(3) Any property owner who deems himself aggrieved thereby and who will suffer direct and substantial impacts from the proposed subdivision.~~

~~Application for a writ of review shall be made to the court within thirty days from any decision so to be reviewed. The cost of transcription of all records ordered certified by the court for such review shall be borne by the appellant)) under chapter 36.-- RCW (sections 701 through 715 of this act).~~

NEW SECTION. Sec. 718. A new section is added to chapter 4.84 RCW to read as follows:

(1) Notwithstanding any other provisions of this chapter, reasonable attorneys' fees and costs shall be awarded to the prevailing party or substantially prevailing party on appeal before the court of appeals or the supreme court of a decision by a county, city, or town to issue, condition, or deny a development permit involving a site-specific rezone, zoning, plat, conditional use, variance, shoreline permit, building permit, site plan, or similar land use approval or decision. The court shall award and determine the amount of reasonable attorneys' fees and costs under this section if:

(a) The prevailing party on appeal was the prevailing or substantially prevailing party before the county, city, or town, or in a decision involving a substantial development permit under chapter 90.58 RCW, the prevailing party on appeal was the prevailing party or the substantially prevailing party before the shoreline hearings board; and

(b) The prevailing party on appeal was the prevailing party or substantially prevailing party in all prior judicial proceedings.

(2) In addition to the prevailing party under subsection (1) of this section, the county, city, or town whose decision is on appeal is considered a prevailing party if its decision is upheld at superior court and on appeal.

NEW SECTION. **Sec. 719.** Sections 701 through 715 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION. **Sec. 804.** The commission shall:

(1) Consider the effectiveness of state and local government efforts to consolidate and integrate the growth management act, the state environmental policy act, the shoreline management act, and other land use, planning, environmental, and permitting laws.

(2) Identify the revisions and modifications needed in state land use, planning, and environmental law and practice to adequately plan for growth and achieve economically and environmentally sustainable development, to adequately assess environmental impacts of comprehensive plans, development regulations, and growth, and to reduce the time and cost of obtaining project permits.

(3) Draft a consolidated land use procedure, following these guidelines:

(a) Conduct land use planning through the comprehensive planning process under chapter 36.70A RCW rather than through review of individual projects;

(b) Involve diverse sectors of the public in the planning process. Early and informal environmental analysis should be incorporated into planning and decision making;

(c) Recognize that different questions need to be answered and different levels of detail applied at each planning phase, from the initial development of plan concepts or plan elements to implementation programs;

(d) Integrate and combine to the fullest extent possible the processes, analysis, and documents currently required under chapters 36.70A and 43.21C RCW, so that subsequent plan decisions and subsequent implementation will incorporate measures to promote the environmental, economic, and other goals and to mitigate undesirable or unintended adverse impacts on a community's quality of life;

(e) Focus environmental review and the level of detail needed for different stages of plan and project decisions on the environmental considerations most relevant to that stage of the process;

(f) Avoid duplicating review that has occurred for plan decisions when specific projects are proposed;

(g) Use environmental review on projects to: (i) Review and document consistency with comprehensive plans and development regulations; (ii) provide prompt and coordinated review by agencies, tribes, and the public on compliance with applicable environmental laws and plans, including mitigation for site specific project impacts that have not been considered and addressed at the plan or development regulation level; and (iii) ensure accountability by local government to applicants and the public for requiring and implementing mitigation measures;

(h) Maintain or improve the quality of environmental analysis both for plan and for project decisions, while integrating these analyses with improved state and local planning and permitting processes;

(i) Examine existing land use and environmental permits for necessity and utility. To the extent possible, existing permits should be combined into fewer permits, assuring that the values and principles intended to be protected by those permits remain protected; and

(j) Consolidate local government appeal processes to allow a single appeal of permits at local government levels, a single state level administrative appeal, and a final judicial appeal.

(4) Monitor instances state-wide of the vesting of project permit applications during the period that an appeal is pending before a growth management hearings board, as authorized under RCW 36.70A.300. The commission shall also review the extent to which such vesting results in the approval of projects that are inconsistent with a comprehensive plan or development regulation provision ultimately found to be in compliance with a board's order or remand. The commission shall analyze the impact of such approvals on ensuring the attainment of the goals and policies of chapter 36.70A RCW, and make recommendations to the governor and the legislature on statutory changes to address any adverse impacts from the provisions of RCW 36.70A.300. The commission shall provide an initial report on its findings and recommendations by November 1, 1995, and submit its further findings and recommendations subsequently in the reports required under section 803 of this act.

(5) Monitor local government consolidated permit procedures and the effectiveness of the timelines established by section 413 of this act. The commission shall include in its report submitted to the governor and the legislature on November 1, 1997, its recommendation about what timelines, if any, should be imposed on the local government consolidated permit process required by chapter 36.-- RCW (the new chapter created in section 431 of this act).

(6) Evaluate funding mechanisms that will enable local governments to pay for and recover the costs of conducting integrated planning and environmental analysis. The commission shall include its conclusions in its first report to the legislature on November 1, 1995, and include any recommended statutory changes.

(7) Study, in cooperation with the state board for registration of professional engineers and the state building code council, ways in which state agencies and local governments could authorize professionals with appropriate qualifications to certify a project's compliance with certain state and local land use and environmental requirements. The commission shall report to the legislature on measures necessary to implement such a system of professional certification.

These guidelines are intended to guide the work of the commission, without limiting its charge to integrate and consolidate Washington's land use and environmental laws into a single, manageable statutory framework.

NEW SECTION. Sec. 805. Members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 806. Sections 801 through 805 of this act shall expire June 30, 1998.

PART IX - MISCELLANEOUS

NEW SECTION. **Sec. 901.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 902.** Part headings and the table of contents as used in this act do not constitute any part of the law.

The provisions of this section shall not operate to more than double the fine or imprisonment otherwise authorized by this chapter for an offense.

(e) In a prosecution under this section, a map produced or reproduced by any ((~~municipal~~) municipality, school district, county, ((~~or~~) transit authority engineer, or public housing authority for the purpose of depicting the location and boundaries of the area on or within one thousand feet of any property used for a school, school bus route stop, public park, ((~~or~~) public transit vehicle stop shelter, or public housing project designated by a local governing authority as a drug-free zone, or a true copy of such a map, shall under proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas if the governing body of the municipality, school district, county, or transit authority has adopted a resolution or ordinance approving the map as the official location and record of the location and boundaries of the area on or within one thousand feet of the school, school bus route stop, public park, ((~~or~~) public transit vehicle stop shelter, or public housing project designated by a local governing authority as a drug-free zone. Any map approved under this section or a true copy of the map shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. This section shall not be construed as precluding the use or admissibility of any map or diagram other than the one which has been approved by the governing body of a municipality, school district, county, ((~~or~~) transit authority, or public housing authority if the map or diagram is otherwise admissible under court rule.

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2010 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the increasing number of inmates incarcerated in state correctional institutions, and the expenses associated with their incarceration, require expanded efforts to contain corrections costs. Cost containment requires improved planning and oversight, and increased accountability and responsibility on the part of both inmates and the department.

The legislature further finds that motivating inmates to participate in meaningful education and work programs in order to learn transferable skills and earn basic privileges is an effective and efficient way to meet the penological objectives of the corrections system.

The purpose of this act is to assist the department in fulfilling its mission, specifically to reduce offender recidivism, to mirror the values of the community by clearly linking inmate behavior to the receipt of privileges, and to prudently manage the resources it receives through the tax dollars of law-abiding citizens. This purpose is accomplished through the implementation of specific cost-control measures and the creation of a planning and oversight process that will improve the department's effectiveness and efficiency.

Sec. 2. RCW 72.09.010 and 1981 c 136 s 2 are each amended to read as follows:

It is the intent of the legislature to establish a comprehensive system of corrections for convicted law violators within the state of Washington to accomplish the following objectives.

(1) The system should ensure the public safety. The system should be designed and managed to provide the maximum feasible safety for the persons and property of the general public, the staff, and the inmates.

(2) The system should punish the offender for violating the laws of the state of Washington. This punishment should generally be limited to the denial of liberty of the offender.

(3) The system should positively impact offenders by stressing personal responsibility and accountability and by discouraging recidivism.

(4) The system should treat all offenders fairly and equitably without regard to race, religion, sex, national origin, residence, or social condition.

~~((4))~~ (5) The system, as much as possible, should reflect the values of the community including:

(a) Avoiding idleness. Idleness is not only wasteful but destructive to the individual and to the community.

(b) Adoption of the work ethic. It is the community expectation that all citizens should work and through their efforts benefit both themselves and the community.

(c) Providing opportunities for self improvement. All individuals should have opportunities to grow and expand their skills and abilities so as to fulfill their role in the community.

(d) ~~((Providing tangible rewards for accomplishment.))~~ Linking the receipt or denial of privileges to responsible behavior and accomplishments. The individual who works to improve himself or herself and the community should be rewarded for these efforts. As a corollary, there should be no rewards for no effort.

(e) Sharing in the obligations of the community. All citizens, the public and inmates alike, have a personal and fiscal obligation in the corrections system. All communities must share in the responsibility of the corrections system.

~~((5))~~ (6) The system should provide for prudent management of resources. The avoidance of unnecessary or inefficient public expenditures on the part of offenders and the department is essential. Offenders must be accountable to the department, and the department must be accountable to the public and the legislature. The human and fiscal resources of the community are limited. The management and use of these resources can be enhanced by wise investment, productive programs, the reduction of duplication and waste, and the joining together of all involved parties in a common endeavor. Since virtually all offenders return to the community, it is wise for the state and the communities to make an investment in effective rehabilitation programs for offenders and the wise use of resources.

~~((6))~~ (7) The system should provide for restitution. Those who have damaged others, persons or property, have a responsibility to make restitution for these damages.

~~((7))~~ (8) The system should be accountable to the citizens of the state. In return, the individual citizens and local units of government must meet their responsibilities to make the corrections system effective.

~~((8))~~ (9) The system should meet those national standards which the state determines to be appropriate.

Sec. 3. RCW 72.09.015 and 1987 c 312 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter.

(1) ~~("Department" means the department of corrections.~~

~~(2) "Secretary" means the secretary of corrections.~~

~~(3) "County" refers to a county or combination of counties.~~

~~(4))~~ "Base level of correctional services" means the minimum level of field services the department of corrections is required by statute to provide for the supervision and monitoring of offenders.

(2) "Contraband" means any object or communication that the secretary determines shall not be allowed to be (a) brought into; (b) possessed while on the grounds of; or (c) sent from any institution under the control of the secretary.

(3) "County" refers to a county or combination of counties.

(4) "Department" means the department of corrections.

(5) "Earned early release" means earned early release as authorized by RCW 9.94A.150.

(6) "Extended family visit" means an authorized visit between an inmate and a member or members of his or her immediate family that occurs in a private visiting unit located at the correctional facility where the inmate is confined.

(7) "Good conduct" means compliance with department rules and standards.

(8) "Good performance" means successful completion of any program required by the department, including an education, work, or other program.

(9) "Immediate family" means the inmate's children, stepchildren, grandchildren, great grandchildren, parents, stepparents, grandparents, great grandparents, siblings, and a person legally married to an inmate. "Immediate family" does not include an inmate adopted by another inmate or the immediate family of the adopted or adopting inmate.

(10) "Privilege" means any goods or services, education or work programs, or earned early release days, the receipt of which is directly linked to the good conduct or good performance of an inmate confined in an institution under the jurisdiction of the department. Privileges do not include any goods or services that the department is required to provide under the state or federal Constitution or under state or federal law.

(11) "Secretary" means the secretary of corrections.

(12) "Work programs" means all classes of correctional industries jobs authorized by RCW 72.09.100.

Sec. 4. RCW 72.09.020 and 1988 c 153 s 7 are each amended to read as follows:

For purposes of this chapter, "inmate" means any person committed to the custody of the department, including but not limited to persons residing in a correctional institution or facility ~~((and)),~~ persons released on furlough, work release, or community custody, and persons received from another state, state agency, county, or federal jurisdiction.

NEW SECTION. Sec. 5. A new section is added to chapter 72.09 RCW to read as follows:

(1) The legislature intends that all inmates be required to participate in department-approved education programs, work programs, or both, unless exempted from participation under subsection (2) of this section. Eligible inmates who refuse to participate in available education or work programs shall lose inmate privileges according to the system established under RCW 72.09.130. The legislature recognizes that more inmates may agree to participate in education and work programs than are currently available. Accordingly, the department must give priority to placing inmates in available education and work programs who will be most likely to achieve significant personal and public benefit from the programs, and the department must prioritize available resources to work toward the goal of full participation as soon as possible.

(2) The department shall establish, in rule, objective medical standards to determine when an inmate is physically or mentally unable to participate in available education or work programs. When the department determines that an inmate is permanently unable to participate in any available education or work program due to a medical condition, the inmate is exempt from the requirement of subsection (1) of this section. When the department determines that an inmate is temporarily unable to participate in an education or work program due to a medical condition, the inmate is exempt from the requirement of subsection (1) of this section for the period of time he or she is temporarily disabled. The department shall periodically review the medical conditions of all temporarily disabled inmates to ensure the earliest possible entry or reentry by inmates into available programming.

(3) The department shall establish, in rule, the standards for participation in department-approved education and work programs. The standards shall address the following areas:

(a) Assessment. The department shall assess all inmates for their educational history, basic skills and literacy level, work history, and vocational or work skills. The initial assessment shall be conducted, whenever possible, within the first thirty days of an inmate's entry into the correctional system, except that initial assessments are not required for inmates who are sentenced to life without the possibility of release, assigned to an intensive management unit within the first thirty days after entry into the corrections system, are returning to the corrections system within one year of a prior release, or whose physical or mental condition renders them unable to complete the assessment process. The department shall periodically reassess the basic skills, literacy level, and vocational or work skills of inmates to ensure that they are participating in programming appropriate to their level of academic and technical competency.

(b) Placement. The department shall place inmates in appropriate education and work programs utilizing criteria to evaluate an inmate's likelihood of achieving significant benefit from the programming. The placement criteria shall include at least the following factors:

- (i) An inmate's release date and custody level;
- (ii) An inmate's educational history, basic skills, and literacy level;
- (iii) An inmate's work history, and vocational or work skills;
- (iv) An inmate's economic circumstances, including but not limited to an inmate's family support obligations; and
- (v) Where applicable, an inmate's prior performance in department-approved education or work programs.

(c) Performance and goals. The department shall establish inmate behavior standards and program goals for all education or work programs. Inmates shall be notified of applicable behavior standards and program goals prior to placement in an education or work program and shall be removed from the education or work program if they consistently fail to meet the standards or goals.

(d) Financial responsibility. The department shall establish a formula by which inmates will pay all or a portion of the costs of participating in community college associate of arts degree programs, baccalaureate degree programs, and postbaccalaureate degree programs, including tuition, books, and fees. The formula will consider the inmates' ability to pay and the department's efforts to maintain a cost-efficient level of enrollment in programs for which it contracts with community colleges. When an inmate voluntarily chooses to participate in a postsecondary education program into which he or she has not been placed by the department under (b) of this subsection, the inmate must pay the full tuition costs of the postsecondary education program charged by the community colleges under contract with the department.

(e) An inmate sentenced to life without the possibility of release may participate in education programs, including English as a second language, adult basic education, general equivalency degree, high school diploma, or any associate, baccalaureate, or post-baccalaureate degree, only if he or she

pays all tuition costs and fees of the program and only if space is available in the program after all other eligible inmates have been offered the opportunity to participate, except that inmates sentenced to life without the possibility of release who require vocational training to participate in a correctional industries job may participate in the vocational training under the same placement, performance, and financial responsibility standards as other inmates.

(4) The department shall coordinate educational and work programming opportunities among its several institutions, to the greatest extent possible, to facilitate continuity of programming for inmates who are transferred between institutions. Prior to transferring inmates enrolled in programs, the department shall consider the effect the transfer will have on an inmate's ability to continue or complete a program. This subsection shall not be used to delay or prohibit any transfer that is necessary for legitimate safety or security reasons.

(5) Before the construction of any new correctional institution or the expansion of any existing correctional institution, the department shall adopt a plan demonstrating how cable, closed-circuit, and satellite television will be used for educational and training purposes in the institution. The plan shall specify how the use of television in the educational and training programs will improve inmates' preparedness for available correctional industries jobs and job opportunities for which inmates may qualify upon release.

Sec. 6. RCW 72.09.130 and 1981 c 136 s 17 are each amended to read as follows:

(1) The department shall adopt, in rule, a system ~~((providing incentives for good conduct and disincentives for poor conduct))~~ that clearly links an inmate's behavior and participation in available education and work programs with the receipt or denial of earned early release days and other privileges. The system ~~((may))~~ shall include increases or decreases in the degree of liberty granted the inmate within the programs operated by the department, access to or withholding of privileges available within correctional institutions, and recommended increases or decreases in the number of earned early release days that an inmate can earn for good conduct and good performance.

(2) Earned early release days shall be recommended by the department as a form of tangible reward for accomplishment. The system shall be fair, measurable, and understandable to offenders, staff, and the public. At least once in each twelve-month period, the department shall inform the offender in writing as to his or her conduct and performance. This written evaluation shall include reasons for awarding or not awarding recommended earned early release days for good conduct and good performance. ~~((The term "good performance" as used in this section means successfully performing a work, work training, or educational task to levels of expectation as specified in writing by the department. The term "good conduct" as used in this section refers to compliance with department rules.~~

~~Within one year after July 1, 1981, the department shall adopt, and provide a written description of, the system.)~~ An inmate is not eligible to receive earned early release days during any time in which he or she refuses to participate in an available education or work program into which he or she has been placed by the department pursuant to section 5 of this act.

(3) The department shall provide a ~~((copy of this))~~ written description of the system to each offender in its custody.

NEW SECTION. Sec. 7. A new section is added to chapter 72.09 RCW to read as follows:

To the greatest extent practical, all inmates shall contribute to the cost of inmate privileges provided by the department. The department shall establish standards by which inmates will pay a significant portion of the department's capital and operating costs of providing all inmate privileges, including but not limited to television cable access, extended family visitation, weight lifting and other recreational sports equipment and supplies, and associated staff supervision costs. Inmate contributions may be in the form of individual user fees assessed against an inmate's institution account, deductions from an inmate's gross wages or gratuities, or inmates' collective contributions to the institutional welfare/betterment fund. The contribution standards shall consider the assets available to inmates, the costs of administrating compliance with the contribution requirements, and shall not be unduly destructive of the work ethic.

NEW SECTION. Sec. 8. A new section is added to chapter 72.09 RCW to read as follows:

The secretary shall adopt in rule a uniform policy that prohibits receipt or possession of anything that is determined to be contraband. The rule shall provide maximum protection of legitimate

penological interests, including prison security and order. The rule shall protect the legitimate interests of the public and inmates in the exchange of ideas. The secretary shall establish a method of reviewing all incoming and outgoing material, consistent with constitutional constraints, for the purpose of confiscating anything determined to be contraband.

NEW SECTION. Sec. 9. A new section is added to chapter 72.09 RCW to read as follows:

(1) The extended family visitation program is a privilege that the department may allow an inmate to participate in only after the superintendent determines an inmate is eligible. All extended family visits must be approved in advance by the superintendent or the superintendent's designee, who may cancel, interrupt, suspend, or terminate any visit for good cause.

(2) The department shall adopt, in rule, standards for participation in the extended family visitation program. The standards shall provide eligible inmates the opportunity, subject to the approval of the superintendent or the superintendent's designee, to maintain relationships with authorized family members, to maintain marriages and relationships that existed prior to incarceration, and to provide an incentive for inmates to maintain positive attitudes and behaviors while incarcerated. The standards shall address at least the following areas:

(a) Eligibility. The eligibility standards for inmates and their proposed visitors shall include at least the following factors for consideration:

(i) An inmate's release date and custody level. An inmate confined in maximum or close custody, in an intensive management unit, or in disciplinary or administrative segregation is not eligible to participate in an extended family visit;

(ii) An inmate's infraction history while incarcerated;

(iii) An inmate's prior criminal offense history;

(iv) The nature of the offense for which the inmate is incarcerated and whether the proposed visitor was a victim of the inmate's offense;

(v) When available, the opinion of a licensed medical practitioner or mental health professional as to the appropriateness of an extended family visit between an inmate and the proposed visitor or visitors;

(vi) The criminal history of the proposed visitor or visitors;

(vii) Where applicable, the conduct of the inmate and the proposed visitor or visitors during prior extended family visits.

(b) Conduct during visits. The department shall establish standards for the conduct of inmates and visitors participating in the extended family visitation program that protect the safety of visitors and preserve the orderly operation of the correctional institution.

Sec. 10. RCW 4.24.130 and 1992 c 30 s 1 are each amended to read as follows:

(1) Any person desiring a change of his or her name or that of his or her child or ward, may apply therefor to the district court of the judicial district in which he or she resides, by petition setting forth the reasons for such change; thereupon such court in its discretion may order a change of the name and thenceforth the new name shall be in place of the former.

(2) An offender under the jurisdiction of the department of corrections who applies to change his or her name under subsection (1) of this section shall submit a copy of the application to the department of corrections no less than five days prior to the entry of an order granting the name change. No offender under the jurisdiction of the department of corrections at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate penological goals, except that no order shall be denied when the name change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. An offender under the jurisdiction of the department of corrections who receives an order changing his or her name shall submit a copy of the order to the department of corrections within five days of the entry of the order. Violation of this subsection is a misdemeanor.

(3) The district court shall collect the fees authorized by RCW 36.18.010 for filing and recording a name change order, and transmit the fee and the order to the county auditor. The court may collect a reasonable fee to cover the cost of transmitting the order to the county auditor.

NEW SECTION. Sec. 11. A new section is added to chapter 72.09 RCW to read as follows:

The department may require an offender who obtains an order under RCW 4.24.130 changing his or her name to use the name under which he or she was committed to the department during all

official communications with department personnel and in all matters relating to the offender's incarceration or community supervision. Violation of this section is a misdemeanor.

NEW SECTION. Sec. 12. A new section is added to chapter 72.09 RCW to read as follows:

(1) Milk and milk products produced by correctional industries shall be consumed or used, to the greatest extent possible, within the correctional system. Milk and milk products surplus to such consumption or use may be sold to local correctional facilities. Raw, bulk milk may be disposed of as prescribed in RCW 72.09.100.

(2) In order for correctional industries to dispose of milk or milk products in a manner other than provided for in subsection (1) of this section, correctional industries shall: (a) Market milk in accordance with the provisions applicable to producers under the federal milk marketing order of the United States department of agriculture, or its successor marketing arrangement; and, (b) dispose of milk and milk products processed by correctional industries as a fully regulated handler under the federal order, or its successor marketing arrangement.

Sec. 13. RCW 72.10.020 and 1989 c 157 s 3 are each amended to read as follows:

(1) The department may develop and implement a health services plan for the delivery of health care services to ~~((inmates))~~ offenders in the department's ~~((custody))~~ correctional facilities, at the discretion of the secretary, and in conformity with state and federal law.

(2) In order to discourage the unwarranted use of health care services caused by unnecessary visits to health care providers, offenders shall participate in the costs of their health care services by paying a nominal amount of no less than three dollars per visit, determined by the secretary. Pursuant to the authority granted in RCW 72.01.050(2), the secretary may authorize the superintendent to collect this amount for health care services directly from an offender's institution account. All copayments collected from offenders' institution accounts shall be deposited into the general fund.

(3) Offenders are required to make copayments for health care visits that are offender initiated. Offenders are not required to pay for emergency treatment or for visits initiated by health care staff or treatment of those conditions that constitute a serious health care need.

(4) No offender may be refused any health care service because of indigence.

(5) At no time shall the withdrawal of funds for the payment of a medical service copayment result in reducing an offender's institution account to an amount less than the defined level of indigence as determined by the department. When an offender's institution account contains less money than the defined level of indigence at the time a copayment is assessed, the assessment shall be recorded as an outstanding debt and may be collected from an offender's institution account at any time sufficient funds become available.

Sec. 14. RCW 72.10.010 and 1989 c 157 s 2 are each amended to read as follows:

As used in this chapter:

(1) "Department" means the department of corrections.

(2) "Health care practitioner" means an individual or firm licensed or certified to actively engage in a regulated health profession.

(3) "Health profession" means ~~((and includes))~~ those licensed or regulated professions set forth in RCW 18.120.020(4).

(4) "Health care facility" means any hospital, hospice care center, licensed or certified health care facility, health maintenance organization regulated under chapter 48.46 RCW, federally qualified health maintenance organization, federally approved renal dialysis center or facility ~~((federally approved under 42 CFR 405.2100))~~, or federally licensed blood bank ~~((federally licensed under 21 CFR 607))~~.

(5) "Health care services" means ~~((and includes))~~ medical, dental, and mental health care services.

(6) "Secretary" means the secretary of the department of corrections.

(7) "Superintendent" means the superintendent of a correctional facility under the jurisdiction of the Washington state department of corrections.

NEW SECTION. Sec. 15. A new section is added to chapter 72.10 RCW to read as follows:

No later than October 1, 1996, and every year thereafter, the department shall report to the legislature the following information for the preceding fiscal year: (1) The total number of health care

visits made by offenders; (2) the total number of copayments assessed; (3) the total dollar amount of copayments collected; (4) the total number of copayments that were not assessed or collected due to an offender's indigence; and (5) the total number of copayments that were not assessed due to the serious or emergent nature of the health care treatment, or because the health care visit was not offender initiated. The first report prepared by the department shall include, at a minimum, all available information collected during the second half of fiscal year 1996.

NEW SECTION. Sec. 16. A new section is added to chapter 72.10 RCW to read as follows:
Upon entry into the adult correctional system, offenders shall receive an initial medical examination. The department shall prepare a health profile for each offender that includes at least the following information: (1) An identification of the offender's serious medical and dental needs; (2) an evaluation of the offender's capacity for work and recreation; and (3) a financial assessment of the offender's ability to pay for all or a portion of his or her health care services from personal resources or private insurance.

NEW SECTION. Sec. 17. The department shall adopt rules to implement sections 13 through 16 of this act.

Sec. 18. RCW 72.10.030 and 1989 c 157 s 4 are each amended to read as follows:

(1) Notwithstanding any other provisions of law, the secretary may enter into contracts with health care practitioners, health care facilities, and other entities or agents as may be necessary to provide basic medical care to inmates. The contracts shall not cause the termination of classified employees of the department rendering the services at the time the contract is executed.

(2) In contracting for services, the secretary is authorized to provide for indemnification of health care practitioners who cannot obtain professional liability insurance through reasonable effort, from liability on any action, claim, or proceeding instituted against them arising out of the good faith performance or failure of performance of services on behalf of the department. The contracts may provide that for the purposes of chapter 4.92 RCW only, those health care practitioners with whom the department has contracted shall be considered state employees. The Washington state health care authority shall contract with a private research company to conduct a review of corrections health services to determine if certain components of the health services system such as dental care, eye care, or laboratory work, could be provided more efficiently by contracting out for the services. The review shall be submitted to the legislature by December 1, 1996. The decision to implement any recommendations made in the report regarding contracting out any or all components of the health services system shall be made by the legislature and not by the secretary.

Sec. 19. RCW 9.94A.137 and 1993 c 338 s 4 are each amended to read as follows:

(1)(a) An offender is eligible to be sentenced to a work ethic camp if the offender:
~~((a))~~ (i) Is sentenced to a term of total confinement of not less than ~~((twenty-two))~~ sixteen months or more than thirty-six months;
~~((b))~~ (ii) Is ~~((between the ages of))~~ eighteen ~~((and twenty-eight))~~ years of age or older; and
~~((c))~~ (iii) Has no current or prior convictions for any sex offenses or for violent offenses other than drug offenses for manufacturing, possession, delivery, or intent to deliver a controlled substance.

(b) An offender is not eligible to participate in the work ethic camp if the offender is found, at any time, to be an illegal alien or the subject of a hard detainer or deportation order. Any offender who is found to be an illegal alien or becomes the subject of a hard detainer or deportation order after being sentenced to or beginning the work ethic camp shall be immediately removed from the work ethic camp program.

(c) The length of the work ethic camp program shall be at least one hundred twenty days and not more than one hundred eighty days. Because of the conversion ratio, earned early release time shall not accrue to offenders who successfully complete the program.

(2) If the sentencing judge determines that the offender is eligible for the work ethic camp and is likely to qualify under subsection (3) of this section, the judge shall impose a sentence within the standard range and may recommend that the offender serve the sentence at a work ethic camp. The sentence shall provide that if the offender successfully completes the program, the department shall convert the period of work ethic camp confinement at the rate of one day of work ethic camp confinement to three days of total standard confinement. ~~((The court shall also provide that upon~~

~~completion of the work ethic camp program, the offender shall be released on community custody for any remaining time of total confinement.))~~ In sentencing an offender to the work ethic camp, the court shall specify: (i) That upon completion of the work ethic camp program, the offender shall be released on community custody for any remaining time of total confinement; (ii) the applicable conditions of supervision on community custody status as authorized by RCW 9.94A.120(8)(b) and (c); and (iii) which conditions, if violated, may result in a return to total confinement for the balance of the offender's remaining time of confinement. The department may identify offenders who are eligible for the work ethic camp and, with concurrence from the sentencing judge, may refer the offender to the work ethic camp and adjust time served and community custody requirements as prescribed in this section.

(3) The department shall place the offender in the work ethic camp program, subject to capacity, unless (a) the department determines that the offender has physical or mental impairments that would prevent participation and completion of the program, (b) the department determines that the offender's custody level prevents placement in the program, or (c) the offender refuses to agree to the terms and conditions of the program.

~~((4))~~ (5) An ~~((inmate))~~ offender who fails to complete the work ethic camp program, who is administratively terminated from the program, or who otherwise violates any conditions of supervision, as defined by the department, shall be reclassified to serve the unexpired term of his or her sentence as ordered by the sentencing judge and shall be subject to all rules relating to earned early release time.

~~((5) The length of the work ethic camp program shall be at least one hundred twenty days and not more than one hundred eighty days. Because of the conversion ratio, earned early release time shall not accrue to offenders who successfully complete the program.))~~

(6) During the last two weeks prior to release from the work ethic camp program the department shall provide the offender with comprehensive transition training.

Sec. 20. RCW 9.94A.120 and 1994 c 1 s 2 (Initiative Measure No. 593) and 1993 c 31 s 3 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (4), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) A persistent offender shall be sentenced to a term of total confinement for life without the possibility of parole or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, notwithstanding the maximum sentence under any other law. An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree or assault of a child in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section. In addition, all offenders subject to the provisions of this subsection shall not be eligible for community custody, earned early release time, furlough, home detention, partial confinement, work crew, work release, or any other form of early release as defined under RCW 9.94A.150 (1), (2), (3), (5), (7), or (8), or any other form of authorized leave of absence from the correctional facility while not in the direct custody of a corrections officer or officers during such minimum terms of total confinement except in the case of an offender in need of emergency medical treatment or for the purpose of commitment to an inpatient treatment facility in the case of an offender convicted of the crime of rape in the first degree.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a

facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

- (a) Devote time to a specific employment or occupation;
- (b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;
- (c) Pursue a prescribed, secular course of study or vocational training;
- (d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (e) Report as directed to the court and a community corrections officer; or
- (f) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or perform community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the defendant's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (A) Frequency and type of contact between offender and therapist;
- (B) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (C) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;
- (D) Anticipated length of treatment; and
- (E) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sexual offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eight years of confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

- (A) The court shall place the defendant on community supervision for the length of the suspended sentence or three years, whichever is greater; and
- (B) The court shall order treatment for any period up to three years in duration. The court in its discretion shall order outpatient sex offender treatment or inpatient sex offender treatment, if available. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The offender shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the community

corrections officer, and the court, and shall not change providers without court approval after a hearing if the prosecutor or community corrections officer object to the change. In addition, as conditions of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (I) Devote time to a specific employment or occupation;
- (II) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (III) Report as directed to the court and a community corrections officer;
- (IV) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or
- (V) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

(iii) The sex offender therapist shall submit quarterly reports on the defendant's progress in treatment to the court and the parties. The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community supervision, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community supervision.

(v) The court may revoke the suspended sentence at any time during the period of community supervision and order execution of the sentence if: (A) The defendant violates the conditions of the suspended sentence, or (B) the court finds that the defendant is failing to make satisfactory progress in treatment. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(vi) Except as provided in (a)(vii) of this subsection, after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

(vii) A sex offender therapist who examines or treats a sex offender pursuant to this subsection (7) does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (7) and the rules adopted by the department of health.

For purposes of this subsection, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(b) When an offender is convicted of any felony sex offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the

location determined by the secretary of social and health services or the secretary's designee, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his or her term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his or her community supervision, the court may order the offender to serve out the balance of his or her community supervision term in confinement in the custody of the department of corrections.

Nothing in (c) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (c) does not apply to any crime committed after July 1, 1990.

(d) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

(8)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990, assault in the second degree, assault of a child in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall

consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or serious violent offense committed on or after July 1, 1990, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

(i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(ii) The offender shall work at department of corrections-approved education, employment, and/or community service;

(iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;

(iv) An offender in community custody shall not unlawfully possess controlled substances;

(v) The offender shall pay supervision fees as determined by the department of corrections; and

(vi) The residence location and living arrangements are subject to the prior approval of the department of corrections during the period of community placement.

(c) The court may also order any of the following special conditions:

(i) The offender shall remain within, or outside of, a specified geographical boundary;

(ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(iii) The offender shall participate in crime-related treatment or counseling services;

(iv) The offender shall not consume alcohol; or

(v) The offender shall comply with any crime-related prohibitions.

(d) As a part of any sentence providing for conversion from total confinement to community custody pursuant to RCW 9.94A.137(2) after successful completion of a work ethic camp program, the court shall impose and enforce the conditions enumerated in (b) of this subsection and may order any of the special conditions enumerated in (c) of this subsection, including a prohibition against new felony convictions. The court shall specify which of the conditions, if violated, may result in a return to total confinement for the balance of the offender's remaining term of confinement.

(e) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(9) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(10) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees,

agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

(11) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(12) All offenders sentenced to terms involving community supervision, community service, community placement, or legal financial obligation shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow explicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment. The department may require offenders to pay for special services rendered on or after July 25, 1993, including electronic monitoring, day reporting, and telephone reporting, dependent upon the offender's ability to pay. The department may pay for these services for offenders who are not able to pay.

(13) All offenders sentenced to terms involving community supervision, community service, or community placement under the supervision of the department of corrections shall not own, use, or possess firearms or ammunition. Offenders who own, use, or are found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions. "Constructive possession" as used in this subsection means the power and intent to control the firearm or ammunition. "Firearm" as used in this subsection means a weapon or device from which a projectile may be fired by an explosive such as gunpowder.

(14) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(15) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

(16) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(17) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

(18) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(19) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

NEW SECTION. Sec. 21. A new section is added to chapter 72.09 RCW to read as follows:

(1) The department shall establish an illegal alien offender transition camp and be ready to assign inmates to the camp no later than July 1, 1996. The secretary shall locate the illegal alien offender transition camp within an already existing department compound or facility.

(2) The department shall develop all aspects of the illegal alien offender transition camp program including, but not limited to, residential arrangements, program standards, conduct standards, individual and team work goals, and measures to hold the offender accountable for his or her behavior. The secretary shall define successful completion of the program, based on successful attendance, participation, and performance. The illegal alien offender transition camp shall be designed and implemented so that offenders are engaged in work activities and unstructured time is

kept to a minimum. The standards for work performance, physical work activities, and offenders' rights and responsibilities shall be equivalent to those of the work ethic camp for general inmates.

NEW SECTION. Sec. 22. A new section is added to chapter 9.94A RCW to read as follows:

(1) An offender is eligible to be sentenced to an illegal alien offender transition camp if the offender:

(a) Is an illegal alien who can be released to the United States immigration and naturalization service for deportation at the time of the offender's release from the camp;

(b) Is sentenced to a term of total confinement of not less than sixteen or more than thirty-six months;

(c) Is eighteen years of age or older;

(d) Has no current or prior convictions for any sex offenses or violent offenses other than drug offenses for manufacturing, possession, delivery, or intent to deliver a controlled substance; and

(e) Agrees in writing as required by subsection (5) of this section to the terms and conditions for participation.

(2) The length of the illegal alien offender transition camp program shall be at least one hundred twenty days and not more than one hundred eighty days.

(3) If the sentencing judge determines that an offender is potentially eligible for the illegal alien offender transition camp and is likely to meet the requirements of subsection (6) of this section, the judge shall impose a sentence of total standard confinement within the standard range and shall recommend that the offender serve the sentence at an illegal alien offender transition camp. The sentence shall provide that the offender shall serve one day in the transition camp for every three days of total standard confinement. In sentencing an offender to the illegal alien offender transition camp, the court shall specify that: (a) Upon completion of the illegal alien offender transition camp program, the offender shall be released within ten days to the custody of the immigration and naturalization service to be deported to his or her native country; and (b) in the event an offender cannot be released to the custody of the immigration and naturalization service within ten days, the department may detain the offender in the illegal alien offender transition camp for up to sixty days.

(4) The department may identify offenders under its jurisdiction who are or become eligible for the illegal alien offender transition camp and, with concurrence from the sentencing judge and the prosecuting attorney, may refer the offenders to the illegal alien offender transition camp and adjust time served as prescribed in subsection (2) of this section.

(5) The department shall notify the immigration and naturalization service of all suspected illegal alien offenders under its jurisdiction and request that the immigration and naturalization service begin deportation proceedings as expeditiously as possible. The department, in cooperation with the immigration and naturalization service, shall seek accelerated hearings for all suspected illegal aliens under its jurisdiction to facilitate their removal from the country upon their release by the department as soon as possible.

(6) An illegal alien offender who meets the eligibility requirements of subsection (1)(a) through (d) of this section shall be informed by the sentencing court or the department of his or her potential for participating in the illegal alien offender transition camp. The terms and conditions of the illegal alien offender transition camp shall be provided to the illegal alien offender, both verbally and in writing, in his or her native language. An illegal alien offender must agree in writing to the terms and conditions of the illegal alien offender transition camp at the time of sentencing or at the time of transfer to the camp.

The team shall consist of two representatives from management personnel, two representatives from personnel represented by an exclusive bargaining unit selected by those personnel, and not more than three persons from among the education or work programs operating within the institution. The secretary shall invite other groups to select a representative to serve on the team, including but not limited to the following:

- (4) The joint committee on corrections oversight shall terminate on July 1, 1997.

NEW SECTION. Sec. 25. The legislature finds that the responsibility for criminal activity should fall squarely on the criminal. To the greatest extent possible society should not be expected to have to pay the price for crimes twice, once for the criminal activity and again by feeding, clothing, and housing the criminal. The corrections system should be the first place criminals are given the opportunity to be responsible for paying for their criminal act, not just through the loss of their personal freedom, but by making financial contributions to alleviate the pain and suffering of victims of crime.

NEW SECTION. Sec. 26. A new section is added to chapter 72.09 RCW to read as follows:
Each year the department shall transfer twenty-five percent of the total annual revenues and receipts received in each institutional betterment fund subaccount to the department of labor and industries for the purpose of providing direct benefits to crime victims through the crime victims' compensation program as outlined in chapter 7.68 RCW. This transfer takes priority over any expenditure of betterment funds and shall be reflected on the monthly financial statements of each institution's betterment fund subaccount.

Any funds so transferred to the department of labor and industries shall be in addition to the crime victims' compensation amount provided in an omnibus appropriation bill. It is the intent of the legislature that the funds forecasted or transferred pursuant to this section shall not reduce the funding levels provided by appropriation.

The director shall establish such fund or funds, separate from existing funds, necessary to administer this chapter, and payment to these funds shall be from legislative appropriation, statutory provision, reimbursement and subrogation as provided in this chapter, and from any contributions or grants specifically so directed.

Sec. 28. RCW 43.17.200 and 1983 c 204 s 4 are each amended to read as follows:

All state agencies including all state departments, boards, councils, commissions, and quasi public corporations shall allocate, as a nondeductible item, out of any moneys appropriated for the original construction of any public building, an amount of one-half of one percent of the appropriation to be expended by the Washington state arts commission for the acquisition of works of art created by Washington state artists. The works of art may be placed on public lands, integral to or attached to a public building or structure, detached within or outside a public building or structure, part of a portable exhibition or collection, part of a temporary exhibition, or loaned or exhibited in other public facilities. In addition to the cost of the works of art the one-half of one percent of the appropriation as provided herein shall be used to provide for the administration of the visual arts program by the Washington state arts commission and all costs for installation of the works of art. For the purpose of this section building shall not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. **Sec. 29.** The department of corrections shall conduct the following reviews and prepare the following reports:

(1) The secretary shall review the feasibility and desirability of reducing the use of paid educational and vocational instructors by increasing the use of volunteer instructors and implementing technological efficiencies. Upon completion of the review, the secretary shall submit a report of the secretary's findings and recommendations to the legislature and the joint committee on corrections cost-efficiencies oversight by December 1, 1995.

(2) The secretary shall seek federal funding for the incarceration of undocumented felons. The secretary shall also pursue amendments to the federal transfer treaty program to facilitate deportation of undocumented alien offenders, specifically current treaties that require voluntary participation by the offender and loss of jurisdiction by the sending agency. The secretary shall seek enforcement of and pursue amendments to current federal sanctions for alien reentry, specifically amendments to the allowance of at least two prior felony convictions and at least two prior deportations before indictment for reentry is considered. The secretary shall submit a report on the secretary's progress to the legislature and the joint committee on corrections cost-efficiencies oversight by December 1, 1995.

(3) The secretary shall review current perimeter security technologies and designs that could minimize or eliminate the need for staffed perimeter guard towers at medium and maximum custody correctional institutions. Upon completion of the review, the secretary shall submit a report to the legislature and the joint committee on corrections cost-efficiencies oversight on the secretary's findings and recommendations by December 1, 1995.

(4) The secretary shall review the feasibility and desirability of implementing a "hot bunking" or "stacking" system that would allow prison beds to be used on a rotational basis. The review shall include at least the following: (a) A fiscal analysis of the capital and operating costs of implementing a twelve-hour scheduled rotation where each prison cell and bed could be used by multiple inmates; and (b) an analysis of how the department would address safety issues that might arise from a rotation system that increases the amount of time inmates would spend out of their cells. Upon completion of the review, the secretary shall submit a report to the legislature and the joint committee on corrections cost-efficiencies oversight on the secretary's findings and recommendations by December 1, 1995.

NEW SECTION. **Sec. 30.** The department shall cooperate in the preparation of the following reviews and reports:

If specific funding for the purpose of this subsection is not provided by June 30, 1995, in the omnibus appropriations act, this section is null and void.

(3) The correctional industries board of directors and the secretary shall jointly review all current and proposed education and vocational training programs provided by the department. The review shall identify whether the curriculum corresponds to current and proposed correctional industries jobs and whether the curriculum teaches skills relevant to employment opportunities inmates may qualify for after they are released. Upon completion of the review, the board and the secretary shall submit a joint report of their findings and recommendations to the legislature and the secretary by December 1, 1995.

(4) The correctional industries board of directors shall review the feasibility and desirability of establishing a recreational, health, and fitness program that employs inmates to support department recreational, health, and fitness activities. The review shall include a comparison of department employee salaries with equivalent private marine positions salaries. Upon completion of the review, the department of transportation shall submit a report of its findings and recommendations to the legislature and the advisory team by December 1, 1995.

(6) The office of financial management and the department of general administration shall jointly review the food planning model developed by the department of corrections for possible extrapolation to a uniform, state-wide planning, purchasing, and distribution of food and food products for state institutions, including but not limited to prisons, juvenile correctional institutions, and state hospitals. Upon completion of the review, the office of financial management and the department of general administration shall submit a joint report of their findings and recommendations to the legislature and the advisory team by December 1, 1995.

Upon completion of the review, the center shall submit a report of its findings and recommendations to the legislature and the secretary by December 1, 1995.

NEW SECTION. Sec. 31. This act shall be known as the department of corrections cost-efficiency and inmate responsibility and accountability omnibus act.

NEW SECTION. Sec. 32. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 33. If specific funding for the purpose of this act, referencing this act by bill number, is not provided by June 30, 1995, in the omnibus appropriations act, this act shall be null and void."

"**Sec. 1.** RCW 28B.15.620 and 1994 c 208 s 1 are each amended to read as follows:

(1) The legislature finds that military and naval veterans who have served their country in wars on foreign soil have risked their own lives to defend both the lives of all Americans and the freedoms that define and distinguish our nation. The legislature also finds that veterans of the Vietnam conflict suffered during and after the war as the country anguished over its involvement in the conflict. It is the intent of the legislature to honor Vietnam veterans for the public service they have provided to their country. It is the further intent of the legislature that, for eligible Vietnam veterans, colleges and universities waive tuition and fee increases that have occurred since October 1, 1977.

(2) Subject to the limitations of RCW 28B.15.910, the governing boards of the state universities, the regional universities, The Evergreen State College, and the community colleges may exempt veterans of the Vietnam conflict who have served in the southeast Asia theater of operations from the payment of all or a portion of any increase in tuition and fees that occur after October 1, 1977, if the veteran qualifies as a resident student under RCW 28B.15.012(~~(, was enrolled in state institutions of higher education on or before May 7, 1990, and meets the requirements of subsection (2) of this section).~~)

~~((2) Beginning with the fall academic term of 1994, veterans receiving the exemption under subsection (1) of this section must meet these additional requirements:~~

~~(a) Remain continuously enrolled for seven or more quarter credits per academic term or their equivalent, except summer term and not including community service courses;~~

~~(b) Have an adjusted gross family income as most recently reported to the internal revenue service that does not exceed Washington state's median family income as established by the federal bureau of the census; and~~

~~(c) Have exhausted all entitlement to federal vocational or educational benefits conferred by virtue of their military service.)~~

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1589 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.70 RCW to read as follows:
QUALITY ASSURANCE--INTERAGENCY COOPERATION--ELIMINATION AND COORDINATION OF DUPLICATE STATE PROGRAMS. No later than July 1, 1995, the department of health together with the health care authority, the department of social and health services, the office of the insurance commissioner, and the department of labor and industries shall form an interagency group for coordination and consultation on quality assurance activities. By December 31, 1996, the group shall review all state agency programs governing health service quality assurance and shall recommend to the legislature, the consolidation, coordination, or elimination of rules and programs that would be made unnecessary pursuant to the development of a uniform quality assurance and improvement program.

NEW SECTION. Sec. 2. A new section is added to chapter 48.43 RCW to read as follows:
No public or private health care payer subject to the jurisdiction of the state of Washington shall propose, issue, sign, or renew a provider agreement or enrollee service agreement that contains a clause whose effect, in any way, is to disclaim liability for the care delivered or not delivered to an enrollee because of a decision of the payer as to whether the care was a covered service, medically necessary, economically provided, medically appropriate, or similar consideration. Similarly, no clause shall attempt to shift liability for harm caused by such payer decision as to whether care should be delivered, as opposed to paid for, is between the provider and patient alone as if the fact of whether or not care is paid for played little or no role in a patient's decision to obtain care. Nothing in this section shall be inferred to result in liability to anyone for the payer's payment decisions that are consistent with the language of the applicable service agreement or consistent with the cost-effective delivery of health care. The intent of this section is only to prevent payers from shifting their liability for payment decisions to either providers, or enrollees, or both.

NEW SECTION. Sec. 3. MANAGED COMPETITION--FINDINGS AND INTENT. (1)
The legislature recognizes that competition among health care providers, facilities, payers, and purchasers will yield the best allocation of health care resources, the lowest prices for health care, and the highest quality of health care when there exists a large number of buyers and sellers, easily comparable health care plans and services, minimal barriers to entry and exit into the health care market, and adequate information for buyers and sellers to base purchasing and production decisions. However, the legislature finds that purchasers of health care services and health care coverage do not have adequate information upon which to base purchasing decisions; that health care facilities and providers of health care services face legal and market disincentives to develop economies of scale or to provide the most cost-efficient and efficacious service; that health carriers face market disincentives in providing health care coverage to those Washington residents with the most need for health care coverage; and that potential competitors in the provision of health care coverage bear unequal burdens in entering the market for health care coverage.

(2) The legislature therefore intends to exempt from state anti-trust laws, and to provide immunity from federal anti-trust laws through the state action doctrine for activities approved under this chapter that might otherwise be constrained by such laws and intends to displace competition in the health care market: To contain the aggregate cost of health care services; to promote the development

of comprehensive, integrated, and cost-effective health care delivery systems through cooperative activities among health care providers and facilities; to promote comparability of health care coverage; to improve the cost-effectiveness in providing health care coverage relative to health promotion, disease prevention, and the amelioration or cure of illness; to assure universal access to a publicly determined, standard package of health care benefits; and to create reasonable equity in the distribution of funds, treatment, and medical risk among purchasers of health care coverage, payers of health care services, providers of health care services, health care facilities, and Washington residents. To these ends, any lawful action taken pursuant to chapter 492, Laws of 1993, by any person or entity created or regulated by chapter 492, Laws of 1993, are declared to be taken pursuant to state statute and in furtherance of the public purposes of the state of Washington.

(3) The legislature does not intend and unless explicitly permitted in accordance with section 4 of this act or under rules adopted pursuant to chapter 492, Laws of 1993, does not authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of state and federal anti-trust laws including but not limited to conspiracies or agreements:

(a) Among competing health care providers not to grant discounts, not to provide services, or to fix the price of their services;

(b) Among health carriers as to the price or level of reimbursement for health care services;

(c) Among health carriers to boycott a group or class of health care service providers;

(d) Among purchasers of health plans to boycott a particular carrier or class of carriers;

(e) Among health carriers to divide the market for health care coverage; or

(f) Among health carriers and purchasers to attract or discourage enrollment of any Washington resident or groups of residents in a health carrier based upon the perceived or actual risk of loss in including such resident or group of residents in a health carrier or subscriber purchasing group.

NEW SECTION. Sec. 4. MANAGED COMPETITION--COMPETITIVE OVERSIGHT--ATTORNEY GENERAL DUTIES--ANTI-TRUST IMMUNITY. (1) A health carrier, health care facility, health care provider, or other person involved in the development, delivery, or marketing of health care or health plans may request, in writing, that the insurance commissioner obtain an informal opinion from the attorney general as to whether particular conduct is lawful under federal and state anti-trust and similar statutes. Trade secret or proprietary information contained in a request for informal opinion shall be identified as such and shall not be disclosed other than to an authorized employee of the insurance commissioner or attorney general without the consent of the party making the request, except that information in summary or aggregate form and market share data may be contained in the informal opinion issued by the attorney general. The attorney general shall issue such opinion within thirty days of receipt of a written request for an opinion or within thirty days of receipt of any additional information requested by the attorney general necessary for rendering an opinion unless extended by the attorney general for good cause shown. If the attorney general concludes that such conduct is not lawful, the person or organization making the request may petition the commissioner for review and approval of such conduct in accordance with subsection (3) of this section.

(2) After obtaining the written opinion of the attorney general and subject to the approval of the attorney general, the insurance commissioner:

(a) May authorize conduct by a health carrier, health care facility, health care provider, or any other person that could tend to lessen competition in the relevant market upon a strong showing that the conduct is likely to achieve the policy goals of health care reform and a more competitive alternative is impractical;

(b) Shall adopt rules governing conduct among providers, health care facilities, and health carriers including rules governing provider and facility contracts with health carriers, rules governing the use of "most favored nation" clauses and exclusive dealing clauses in such contracts, and rules providing that health carriers offering managed care health plans in rural areas contract with a sufficient number and type of health care providers and facilities to ensure consumer access to local health care services;

(c) Shall adopt rules permitting health care providers within the service area of a plan to collectively negotiate the terms and conditions of contracts with the carrier including the ability of providers to meet and communicate for the purposes of these negotiations; and

(d) Shall adopt rules governing cooperative activities among health care facilities and providers.

(3) A health carrier, health care facility, health care provider, or any other person involved in the development, delivery, and marketing of health services or health plans may file a written petition with the insurance commissioner requesting approval of conduct that could tend to lessen competition in the relevant market. Such petition shall be filed in a form and manner prescribed by rule of the insurance commissioner. Trade secret or proprietary information contained in a written petition shall be identified as such and shall not be disclosed other than to an authorized employee of the commissioner or the attorney general without the consent of the party filing the written petition, except that information in summary or aggregate form and market share data may be contained in the written decision issued by the commissioner.

Subject to the approval of the attorney general, the insurance commissioner shall issue a written decision approving or denying a petition filed under this section within ninety days of receipt of a properly completed written petition unless extended by the commissioner for good cause shown. The decision shall set forth findings as to benefits and disadvantages and conclusions as to whether the benefits outweigh the disadvantages.

(4)(a) In authorizing conduct and adopting rules of conduct under this section, the insurance commissioner with the advice of the attorney general, shall consider the benefits of such conduct in furthering the goals of health care reform including but not limited to:

(i) Enhancement of the quality of health services to consumers;
(ii) Gains in cost-efficiency of health services;
(iii) Improvements in utilization of health services and equipment;
(iv) Avoidance of duplication of health services resources; or
(v) And as to (a) (ii) and (iii) of this subsection: (A) Facilitates the exchange of information relating to performance expectations; (B) simplifies the negotiation of delivery arrangements and relationships; and (C) reduces the transactions costs on the part of health carriers and providers in negotiating more cost-effective delivery arrangements.

(b) These benefits must outweigh disadvantages including and not limited to:
(i) Reduced competition among health carriers, health care providers, or health care facilities;
(ii) Adverse impact on quality, availability, or price of health care services to consumers; or
(iii) The availability of arrangements less restrictive to competition that achieve the same benefits.

(5) Conduct authorized by the insurance commissioner shall be deemed taken pursuant to state statute and in the furtherance of the public purposes of the state of Washington.

(6) With the assistance of the attorney general's office, the insurance commissioner shall actively supervise any conduct authorized under this section to determine whether such conduct or rules permitting certain conduct should be continued and whether a more competitive alternative is practical. The commissioner shall periodically review petitioned conduct through, at least, annual progress reports from petitioners, annual or more frequent reviews by the commissioner that evaluate whether the conduct is consistent with the petition, and whether the benefits continue to outweigh any disadvantages. Subject to the advice and approval of the attorney general, the commissioner may determine that the likely benefits of any conduct approved through rule, petition, or otherwise by the commissioner no longer outweigh the disadvantages attributable to potential reduction in competition and the commissioner shall order a modification or discontinuance of such conduct. Conduct ordered discontinued by the commissioner shall no longer be deemed to be taken pursuant to state statute and in the furtherance of the public purposes of the state of Washington.

(7) Nothing contained in this act is intended to in any way limit the ability of rural hospital districts to enter into cooperative agreements and contracts pursuant to RCW 70.44.450 and chapter 39.34 RCW.

NEW SECTION. **Sec. 5.** RCW 70.170.080 and 1993 sp.s. c 24 s 925, 1991 sp.s. c 13 s 71, & 1989 1st ex.s. c 9 s 508 are each repealed.

NEW SECTION. **Sec. 6.** If specific funding through the health services account to continue the comprehensive hospital abstract reporting system is not provided by June 30, 1995, in the omnibus appropriations act, section 5 of this act is null and void.

NEW SECTION. **Sec. 7.** CAPTIONS. Captions as used in this act constitute no part of the law.

NEW SECTION. Sec. 8. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. EMERGENCY CLAUSE--EFFECTIVE DATE. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1995."

On page 1, line 1 of the title, after "assurance;" strike the remainder of the title and insert "adding a new section to chapter 43.70 RCW; adding a new section to chapter 48.43 RCW; creating new sections; repealing RCW 70.170.080; providing an effective date; and declaring an emergency."

and the same are herewith transmitted.

Any person who holds a license to practice as a massage practitioner in this state may use the title "licensed massage practitioner" and the abbreviation "L.M.P.". No other persons may assume such title or use such abbreviation or any other word, letters, signs, or figures to indicate that the person using the title is a licensed massage practitioner.

Sec. 2. RCW 18.108.085 and 1991 c 3 s 259 are each amended to read as follows:

No further hearing or procedure is required, and the secretary has no discretion with regard to the revocation of the license. The revocation shall be effective even though such conviction may be under appeal, or the time period for such appeal has not elapsed. However, upon presentation of a final appellate decision overturning such conviction or upon completion of a prostitution prevention and intervention program under sections 7 through 15 of this act, the license shall be reinstated, unless grounds for disciplinary action have been found pursuant to chapter 18.130 RCW. (9) Grant easements, leases, licenses, and concessions through or over the common areas and petition for or consent to the vacation of streets and alleys;

(10) Impose and collect any payments, fees, or charges for the use, rental, or operation of the common areas;

(11) Impose and collect charges for late payments of assessments and, after notice and an opportunity to be heard by the board of directors or by the representative designated by the board of directors and in accordance with the procedures as provided in the bylaws or rules and regulations adopted by the board of directors, levy reasonable fines in accordance with a previously established schedule adopted by the board of directors and furnished to the owners for violation of the bylaws, rules, and regulations of the association;

(12) Exercise any other powers conferred by the bylaws;

(13) Exercise all other powers that may be exercised in this state by the same type of corporation as the association; and

(14) Exercise any other powers necessary and proper for the governance and operation of the association.

NEW SECTION. Sec. 5. (1) Except as provided in the association's governing documents or this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors shall exercise the degree of care and loyalty required of an officer or director of a corporation organized under chapter 24.03 RCW.

(2) The board of directors shall not act on behalf of the association to amend the articles of incorporation, to take any action that requires the vote or approval of the owners, to terminate the association, to elect members of the board of directors, or to determine the qualifications, powers, and duties, or terms of office of members of the board of directors; but the board of directors may fill vacancies in its membership of the unexpired portion of any term.

(3) Within thirty days after adoption by the board of directors of any proposed regular or special budget of the association, the board shall set a date for a meeting of the owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of a majority of the votes in the association are allocated or any larger percentage specified in the governing documents reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the owners shall be continued until such time as the owners ratify a subsequent budget proposed by the board of directors.

(4) The owners by a majority vote of the voting power in the association present, in person or by proxy, and entitled to vote at any meeting of the owners at which a quorum is present, may remove any member of the board of directors with or without cause.

NEW SECTION. Sec. 6. Unless provided for in the governing documents, the bylaws of the association shall provide for:

(1) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(2) Election by the board of directors of the officers of the association as the bylaws specify;

(3) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(4) Which of its officers may prepare, execute, certify, and record amendments to the governing documents on behalf of the association;

(5) The method of amending the bylaws; and

(6) Subject to the provisions of the governing documents, any other matters the association deems necessary and appropriate.

NEW SECTION. Sec. 7. (1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by owners having ten percent of the votes in the association. Not less than fourteen nor more than sixty days in advance of any meeting, the secretary or other officers specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by first class United States mail to the mailing address of each owner or to any other mailing address designated in writing by the owner. The notice of any meeting shall state the time and place of the meeting and the business to be placed on the agenda by the board of directors for a vote by the owners, including the general nature of any proposed amendment to the articles of incorporation, bylaws, any budget or changes in the previously approved budget that result in a change in assessment obligation, and any proposal to remove a director.

(2) Except as provided in this subsection, all meetings of the board of directors shall be open for observation by all owners of record and their authorized agents. The board of directors shall keep minutes of all actions taken by the board, which shall be available to all owners. Upon the affirmative vote in open meeting to assemble in closed session, the board of directors may convene in closed executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the association, and matters involving the possible liability of an owner to the association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, or other action adopted, passed, or agreed to in closed session may become effective unless the board of directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the disclosure of information in violation of law or which is otherwise exempt from disclosure.

NEW SECTION. Sec. 8. Unless the governing documents specify a different percentage, a quorum is present throughout any meeting of the association if the owners to which thirty-four percent of the votes of the association are allocated are present in person or by proxy at the beginning of the meeting.

NEW SECTION. Sec. 9. (1) The association or its managing agent shall keep financial and other records sufficiently detailed to enable the association to fully declare to each owner the true statement of its financial status. All financial and other records of the association, including but not limited to checks, bank records, and invoices, in whatever form they are kept, are the property of the association. Each association managing agent shall turn over all original books and records to the association immediately upon termination of the management relationship with the association, or upon such other demand as is made by the board of directors. An association managing agent is entitled to keep copies of association records. All records which the managing agent has turned over to the association shall be made reasonably available for the examination and copying by the managing agent.

(2) All records of the association, including the names and addresses of owners and other occupants of the lots, shall be available for examination by all owners, holders of mortgages on the lots, and their respective authorized agents on reasonable advance notice during normal working hours at the offices of the association or its managing agent. The association shall not release the unlisted telephone number of any owner. The association may impose and collect a reasonable charge for copies and any reasonable costs incurred by the association in providing access to records.

(3) At least annually, the association shall prepare, or cause to be prepared, a financial statement of the association. The financial statements of associations with annual assessments of fifty thousand dollars or more shall be audited at least annually by an independent certified public accountant, but the audit may be waived if sixty-seven percent of the votes cast by owners, in person or by proxy, at a meeting of the association at which a quorum is present, vote each year to waive the audit.

(4) The funds of the association shall be kept in accounts in the name of the association and shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such funds.

NEW SECTION. Sec. 10. (1) Except as otherwise provided under subsection (2) of this section, any violation of the provisions of this chapter entitles an aggrieved party to any remedy provided by law or in equity. The court, in an appropriate case, may award reasonable attorneys' fees to the prevailing party.

(2) Claims based on any violation of this chapter shall be brought within six months from the occurrence of the violation.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act constitute a new chapter in Title 64 RCW."

and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1700 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.33.120 and 1992 c 69 s 1 are each amended to read as follows:

(1) In preparing the assessment rolls as of January 1, 1982, for taxes payable in 1983 and each January 1st thereafter, the assessor shall list each parcel of forest land at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (2) of this section and shall compute the assessed value of the land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. Values for the several grades of bare forest land shall be as follows.

LAND GRADE	OPERABILITY CLASS	VALUES PER ACRE
1	2 136	1 \$141 3 131 4 95
2	2 114	1 118 3 110 4 80
3	2 90	1 93 3 87 4 66
4	2 68	1 70 3 66 4 52
5	2 48	1 51 3 46 4 31
6	2 25	1 26 3 25 4 23
7	2 12	1 12 3 11 4 11
8	1	

(2) On or before December 31, 1981, the department shall adjust, by rule under chapter 34.05 RCW, the forest land values contained in subsection (1) of this section in accordance with this

subsection, and shall certify these adjusted values to the county assessor for his or her use in preparing the assessment rolls as of January 1, 1982. For the adjustment to be made on or before December 31, 1981, for use in the 1982 assessment year, the department shall:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1976, and June 30, 1981, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1975, and June 30, 1980, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and

(c) Adjust the forest land values contained in subsection (1) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

For the adjustments to be made on or before December 31, 1982, and each succeeding year thereafter, the same procedure shall be followed as described in this subsection utilizing harvester excise tax returns filed under RCW 82.04.291 and this chapter except that this adjustment shall be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values shall be successively one year more recent.

(3) In preparing the assessment roll for 1972 and each year thereafter, the assessor shall enter as the true and fair value of each parcel of forest land the appropriate grade value certified to him or her by the department of revenue, and he or she shall compute the assessed value of such land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. In preparing the assessment roll for 1975 and each year thereafter, the assessor shall assess and value as classified forest land all forest land that is not then designated pursuant to RCW 84.33.120(4) or 84.33.130 and shall make a notation of such classification upon the assessment and tax rolls. On or before January 15 of the first year in which such notation is made, the assessor shall mail notice by certified mail to the owner that such land has been classified as forest land and is subject to the compensating tax imposed by this section. If the owner desires not to have such land assessed and valued as classified forest land, he or she shall give the assessor written notice thereof on or before March 31 of such year and the assessor shall remove from the assessment and tax rolls the classification notation entered pursuant to this subsection, and shall thereafter assess and value such land in the manner provided by law other than this chapter 84.33 RCW.

(4) In any year commencing with 1972, an owner of land which is assessed and valued by the assessor other than pursuant to the procedures set forth in RCW 84.33.110 and this section, and which has, in the immediately preceding year, been assessed and valued by the assessor as forest land, may appeal to the county board of equalization by filing an application with the board in the manner prescribed in subsection (2) of RCW 84.33.130. The county board shall afford the applicant an opportunity to be heard if the application so requests and shall act upon the application in the manner prescribed in subsection (3) of RCW 84.33.130.

(5) Land that has been assessed and valued as classified forest land as of any year commencing with 1975 assessment year or earlier shall continue to be so assessed and valued until removal of classification by the assessor only upon the occurrence of one of the following events:

(a) Receipt of notice from the owner to remove such land from classification as forest land;

(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that, because of actions taken by the owner, such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from classification if a governmental agency, organization, or other recipient identified in subsection (9) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in classified forest land by means of a transaction that qualifies for an exemption under subsection (9) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the classified land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(d) Determination that a higher and better use exists for such land than growing and harvesting timber after giving the owner written notice and an opportunity to be heard;

(e) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land classification continuance~~((f,))~~, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW ~~((82.45.120, as now or hereafter amended))~~ 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (7) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (7) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals.

The assessor shall remove classification pursuant to ~~((subsections))~~ (c) or (d) ~~((above))~~ of this subsection prior to September 30 of the year prior to the assessment year for which termination of classification is to be effective. Removal of classification as forest land upon occurrence of ~~((subsection))~~ (a), (b), (d), or (e) ~~((above))~~ of this subsection shall apply only to the land affected, and upon occurrence of ~~((subsection))~~ (c) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber: PROVIDED, That any remaining classified forest land meets necessary definitions of forest land pursuant to RCW 84.33.100 as now or hereafter amended.

(6) Within thirty days after such removal of classification as forest land, the assessor shall notify the owner in writing setting forth the reasons for such removal. The owner of such land shall thereupon have the right to apply for designation of such land as forest land pursuant to subsection (4) of this section or RCW 84.33.130. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(7) Unless the owner successfully applies for designation of such land or unless the removal is reversed on appeal, notation of removal from classification shall immediately be made upon the assessment and tax rolls, and commencing on January 1 of the year following the year in which the assessor made such notation, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsections (5)(e) and (9) of this section and unless the assessor shall not have mailed notice of classification pursuant to subsection (3) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to~~((+))~~ the difference, if any, between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by ~~((+))~~ a number, in no event greater than ten, equal to the number of years, commencing with assessment year 1975, for which such land was assessed and valued as forest land.

(8) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from classification as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(9) The compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (7) of this section shall be imposed upon the current owner;

(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes.

(10) With respect to any land that has been designated prior to May 6, 1974, pursuant to RCW 84.33.120(4) or 84.33.130, the assessor may, prior to January 1, 1975, on his or her own motion or pursuant to petition by the owner, change, without imposition of the compensating tax provided under RCW 84.33.140, the status of such designated land to classified forest land.

Sec. 2. RCW 84.33.140 and 1992 c 69 s 2 are each amended to read as follows:

(1) When land has been designated as forest land pursuant to RCW 84.33.120(4) or 84.33.130, a notation of such designation shall be made each year upon the assessment and tax rolls, a copy of the notice of approval together with the legal description or assessor's tax lot numbers for such land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and such land shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120 until removal of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove such designation;

(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land designation continuance(~~((+))~~), except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW ~~((82.45.120, as now or hereafter amended))~~ 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that: (i) Such land is no longer primarily devoted to and used for growing and harvesting timber(~~(-)~~). However, land shall not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (5) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in designated forest land by means of a transaction that qualifies for an exemption under subsection (5) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) ~~((such))~~ The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder(~~(-)~~); or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.

Removal of designation upon occurrence of any of ~~((subsections))~~ (a) through (c) ~~((above))~~ of this subsection shall apply only to the land affected, and upon occurrence of ~~((subsection))~~ (d) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber, without regard to other land that may have been included in the same

application and approval for designation: PROVIDED, That any remaining designated forest land meets necessary definitions of forest land pursuant to RCW 84.33.100 as now or hereafter amended.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal a copy of the notice of removal with notation of the action, if any, upon appeal, together with the legal description or assessor's tax lot numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (5) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to ~~((a))~~ the difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by ~~((b))~~ a number, in no event greater than ten, equal to the number of years for which such land was designated as forest land.

(4) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

The rates for such reimbursements may be computed on a mileage, hourly, per diem, monthly, or other basis as the respective legislative bodies shall determine to be proper in each instance: PROVIDED, That in lieu of such reimbursements, payments for the use of personal automobiles for official travel may be established if the legislative body determines that these payments would be less costly to the municipal corporation or political subdivision of the state than providing automobiles for official travel.

(iii) No person convicted of a serious offense as defined in RCW 9.41.010 may have his or her right to possess firearms restored, unless the person has been granted relief from disabilities by the secretary of the treasury under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2) The issuing authority shall check with the national crime information center, the Washington state patrol electronic data base, the department of social and health services electronic data base, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a ~~((pistol))~~ firearm and therefore ineligible for a concealed pistol license. This subsection applies whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

The license ~~((application))~~ shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant's eligibility under RCW 9.41.040 to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen~~((, and whether he or she has been required to register with the state or federal government and has an identification or registration number))~~. SENATE AMENDMENTS TO HOUSE BILL

April 14, 1995

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1305 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.040 and 1993 sp.s. c 6 s 1 are each amended to read as follows:

(1) Each county that has both a population of fifty thousand or more and, until the effective date of this section, has had its population increase by more than ten percent in the previous ten years or, on or after the effective date of this section, has had its population increase by more than seventeen percent in the previous ten years, and the cities located within such county, and any other county regardless of its population that has had its population increase by more than twenty percent in the previous ten years, and the cities located within such county, shall conform with all of the requirements of this chapter. However, the county legislative authority of such a county with a population of less than fifty thousand population may adopt a resolution removing the county, and the cities located within the county, from the requirements of adopting comprehensive land use plans and development

regulations under this chapter if this resolution is adopted and filed with the department by December 31, 1990, for counties initially meeting this set of criteria, or within sixty days of the date the office of financial management certifies that a county meets this set of criteria under subsection (5) of this section.

Once a county meets either of these sets of criteria, the requirement to conform with all of the requirements of this chapter remains in effect, even if the county no longer meets one of these sets of criteria.

(2) The county legislative authority of any county that does not meet either of the sets of criteria established under subsection (1) of this section may adopt a resolution indicating its intention to have subsection (1) of this section apply to the county. Each city, located in a county that chooses to plan under this subsection, shall conform with all of the requirements of this chapter. Once such a resolution has been adopted, the county and the cities located within the county remain subject to all of the requirements of this chapter.

(3) Any county or city that is initially required to conform with all of the requirements of this chapter under subsection (1) of this section shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall designate critical areas, agricultural lands, forest lands, and mineral resource lands, and adopt development regulations conserving these designated agricultural lands, forest lands, and mineral resource lands and protecting these designated critical areas, under RCW 36.70A.170 and 36.70A.060; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; (d) if the county has a population of fifty thousand or more, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan on or before July 1, 1994, and if the county has a population of less than fifty thousand, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan by January 1, 1995, but if the governor makes written findings that a county with a population of less than fifty thousand or a city located within such a county is not making reasonable progress toward adopting a comprehensive plan and development regulations the governor may reduce this deadline for such actions to be taken by no more than one hundred eighty days. Any county or city subject to this subsection may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(4) Any county or city that is required to conform with all the requirements of this chapter, as a result of the county legislative authority adopting its resolution of intention under subsection (2) of this section, shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city that is located within the county shall adopt development regulations conserving agricultural lands, forest lands, and mineral resource lands it designated under RCW 36.70A.060 within one year of the date the county legislative authority adopts its resolution of intention; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city that is located within the county shall adopt a comprehensive plan and development regulations that are consistent with and implement the comprehensive plan not later than four years from the date the county legislative authority adopts its resolution of intention, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(5) If the office of financial management certifies that the population of a county that previously had not been required to plan under subsection (1) or (2) of this section has changed sufficiently to meet either of the sets of criteria specified under subsection (1) of this section, and where applicable, the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (1) of this section, the county and each city within such county shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall adopt development regulations under RCW 36.70A.060 conserving agricultural lands, forest lands, and mineral resource lands it designated within one year of the certification by the office

of financial management; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city located within the county shall adopt a comprehensive land use plan and development regulations that are consistent with and implement the comprehensive plan within four years of the certification by the office of financial management, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(6) A copy of each document that is required under this section shall be submitted to the department at the time of its adoption.

Sec. 2. RCW 36.70A.110 and 1994 c 249 s 27 are each amended to read as follows:

(1) Each county that is required or chooses to plan under RCW 36.70A.040 shall designate an urban growth area or areas within which urban growth shall be encouraged and outside of which growth can occur only if it is not urban in nature. Each city that is located in such a county shall be included within an urban growth area. An urban growth area may include more than a single city. An urban growth area may include territory that is located outside of a city only if such territory already is characterized by urban growth whether or not the urban growth area includes a city, or is adjacent to territory already characterized by urban growth, or is a designated new fully contained community as defined by RCW 36.70A.350.

(2) Based upon the ~~((population))~~ growth management ~~((planning))~~ population projection made for the county by the office of financial management, the urban growth areas in the county shall include areas and densities sufficient to permit the urban growth that is projected to occur in the county for the succeeding twenty-year period. Each urban growth area shall permit urban densities and shall include greenbelt and open space areas. An urban growth area determination may include a reasonable land market supply factor and shall permit a range of urban densities and uses. In determining this market factor, cities and counties may consider local circumstances. Cities and counties have discretion in their comprehensive plans to make many choices about accommodating growth.

Within one year of July 1, 1990, each county that as of June 1, 1991, was required or chose to plan under RCW 36.70A.040, shall begin consulting with each city located within its boundaries and each city shall propose the location of an urban growth area. Within sixty days of the date the county legislative authority of a county adopts its resolution of intention or of certification by the office of financial management, all other counties that are required or choose to plan under RCW 36.70A.040 shall begin this consultation with each city located within its boundaries. The county shall attempt to reach agreement with each city on the location of an urban growth area within which the city is located. If such an agreement is not reached with each city located within the urban growth area, the county shall justify in writing why it so designated the area an urban growth area. A city may object formally with the department over the designation of the urban growth area within which it is located. Where appropriate, the department shall attempt to resolve the conflicts, including the use of mediation services.

(3) Urban growth should be located first in areas already characterized by urban growth that have adequate existing public facility and service capacities to serve such development, ~~((and))~~ second in areas already characterized by urban growth that will be served adequately by a combination of both existing public facilities and services and any additional needed public facilities and services that are provided by either public or private sources, and third in the remaining portions of the urban growth areas. Urban growth may also be located in designated new fully contained communities as defined by RCW 36.70A.350. ~~((Further, it is))~~

(4) In general, cities are the units of local government most appropriate ~~((that))~~ to provide urban ~~((government))~~ governmental services ~~((be provided by cities, and))~~. In general, it is not appropriate that urban ~~((government))~~ governmental services ~~((should not))~~ be ~~((provided))~~ extended to or expanded in rural areas except in those limited circumstances shown to be necessary to protect basic public health and safety and the environment and when such services are financially supportable at rural densities and do not permit urban development.

~~((4))~~ (5) On or before October 1, 1993, each county that was initially required to plan under RCW 36.70A.040(1) shall adopt development regulations designating interim urban growth areas under this chapter. Within three years and three months of the date the county legislative authority of a county adopts its resolution of intention or of certification by the office of financial management, all

other counties that are required or choose to plan under RCW 36.70A.040 shall adopt development regulations designating interim urban growth areas under this chapter. Adoption of the interim urban growth areas may only occur after public notice; public hearing; and compliance with the state environmental policy act, chapter 43.21C RCW, and RCW 36.70A.110. Such action may be appealed to the appropriate growth management hearings board under RCW 36.70A.280. Final urban growth areas shall be adopted at the time of comprehensive plan adoption under this chapter.

~~((5))~~ (6) Each county shall include designations of urban growth areas in its comprehensive plan.

Sec. 3. RCW 36.70A.070 and 1990 1st ex.s. c 17 s 7 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of ground water used for public water supplies. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element recognizing the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs; (b) includes a statement of goals, policies, and objectives for the preservation, improvement, and development of housing; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The rural element shall permit appropriate land uses that are compatible with the rural character of such lands and provide for a variety of rural densities and uses and may also provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural uses not characterized by urban growth.

(6) A transportation element that implements, and is consistent with, the land use element. The transportation element shall include the following subelements:

(a) Land use assumptions used in estimating travel;

(b) Facilities and services needs, including:

(i) An inventory of air, water, and land transportation facilities and services, including transit alignments, to define existing capital facilities and travel levels as a basis for future planning;

(ii) Level of service standards for all arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

- (iii) Specific actions and requirements for bringing into compliance any facilities or services that are below an established level of service standard;
- (iv) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;
- (v) Identification of system expansion needs and transportation system management needs to meet current and future demands;
- (c) Finance, including:
 - (i) An analysis of funding capability to judge needs against probable funding resources;
 - (ii) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems;
 - (iii) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;
- (d) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;
- (e) Demand-management strategies.

After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6) "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

The transportation element described in this subsection, and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, must be consistent.

NEW SECTION. Sec. 4. A comprehensive plan adopted or amended before the effective date of this act shall be considered to be in compliance with RCW 36.70A.070 or 36.70A.110, as in effect before their amendment by this act, if the comprehensive plan is in compliance with RCW 36.70A.070 and 36.70A.110 as amended by this act. This section shall not be construed to alter the relationship between a county-wide planning policy and comprehensive plans as specified under RCW 36.70A.210.

As to any appeal relating to compliance with RCW 36.70A.070 or 36.70A.110 pending before a growth management hearings board on the effective date of this act, the board may take up to an additional ninety days to resolve such appeal. By mutual agreement of all parties to the appeal, this additional ninety-day period may be extended.

NEW SECTION. Sec. 5. A new section is added to chapter 36.70A RCW to read as follows: Where the county has classified mineral lands pursuant to RCW 36.70A.050 and mineral resource lands of long-term commercial significance exist, a county, city, or town shall designate sufficient mineral resource lands in the comprehensive plans to meet the projected twenty-year, county-wide need. Once designated, mineral resource uses, including operations as defined in RCW 78.44.031, shall be established as an allowed use in local development regulations.

The county, city, or town shall designate mineral resource deposits, both active and inactive, in economically viable proximity to locations where the deposits are likely to be used.

Through its comprehensive plan and development regulations, as defined in RCW 36.70A.030, the county, city, or town shall discourage the siting of incompatible uses adjacent to mineral resource industries, deposits, and holdings.

The county-wide need and proximity provisions of this section do not apply to metals mining and milling operations as defined in RCW 78.56.020.

For the purposes of this section, "long-term commercial significance" includes the mineral composition of the land for long-term economically viable commercial production, in consideration

with the mineral resource land's proximity to population areas, product markets, and the possibility of more intense uses of the land.

NEW SECTION. **Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "management;" strike the remainder of the title and insert "amending RCW 36.70A.040, 36.70A.110, and 36.70A.070; adding a new section to chapter 36.70A RCW; creating a new section; and declaring an emergency."

and the same are herewith transmitted.

(ii) The report must quantify cigarette tax losses attributable to each of the categories enumerated in (c)(i) of this subsection by year and the total loss of revenue experienced by the state in each year. In a year during which the cigarette tax was increased, the losses must be broken down to reveal revenue losses during the year before the increase and revenue losses during the year after the increase.

If assumptions are required to be made in developing these estimates, the assumptions must be clearly stated and justified in the report. If a determination is made not to utilize certain available information that might be probative of revenue losses, the omission must be noted and the rationale for its omission clearly stated.

(iv) In addition to establishing from the best information available the amount of cigarette revenue lost in each year, the report must include an enumeration and analysis of the underlying reasons for such losses, and a narrative summary accurately and objectively setting forth the findings embodied in the report.

(d) The advisory committee may utilize the staff of the department, the Washington state liquor control board, the senate committee on ways and means, and the house of representatives committee on finance for the purpose of carrying out this subsection."

~~(e))~~ The establishment of exemptions from the sealing or marking inspection and testing requirements of RCW 19.94.250 with respect to weighing or measuring instruments or devices of such character or size that such sealing or marking would be inappropriate, impracticable, or damaging to the apparatus in question;

~~((f))~~ (e) The establishment of exemptions from the inspection and testing requirements of RCW 19.94.165 with respect to classes of weighing or measuring instruments or devices found to be of such character that periodic inspection and testing is unnecessary to ensure continued accuracy; and

~~((g))~~ (f) The establishment of inspection and approval techniques, if any, to be used with respect to classes of weighing or measuring instruments or devices that are designed specifically to be used commercially only once and then discarded, or are uniformly mass-produced by means of a mold or die and are not individually adjustable.

(2) These rules shall also include specifications and tolerances for the acceptable range of accuracy required of weighing or measuring instruments or devices and shall be designed to eliminate

from use, without prejudice to weighing or measuring instruments or devices that conform as closely as practicable to official specifications and tolerances, those (a) that are of such construction that they are faulty, that is, that are not reasonably permanent in their adjustment or will not repeat their indications correctly, or (b) that facilitate the perpetration of fraud.

The department shall collect a reasonable fee, to be set by rule, for testing any such weighing or measuring instrument or device.

(3) Inspect, test, and, if found to be correct, issue a seal of approval for classes of weighing or measuring instruments or devices found to be few in number, highly complex, and of such character that differential inspection and testing frequency is necessary including, but not limited to, railroad track scales and grain elevator scales. The department shall develop rules regarding the inspection and testing procedures to be used for such weighing or measuring instruments or devices which shall include requirements for the provision, maintenance, and transport of any weight or measure standard necessary for inspection and testing at no expense to the state. ~~((The department may collect a reasonable fee, to be set by rule, for inspecting and testing any such weighing and measuring instruments or devices. This fee shall not be unduly burdensome and shall cover, to the extent possible, the direct costs of performing such service.))~~

(3) Weighing and measuring instruments or devices that have been rejected shall not again be used commercially until they have been ~~((officially))~~ reexamined and ~~((, if))~~ found to be correct ~~((, had an official seal of approval placed upon or issued for such weighing or measuring instrument or device by the rejecting authority))~~ by the department, city sealer, or a service agent registered with the department.

(4) If a weighing or measuring instrument or device marked or tagged as rejected is found to be correct by a service agent registered with the department, the agent shall provide a signed certification to the owner or operator of the instrument or device so indicating and shall report to the rejecting authority as provided by rule under RCW 19.94.190(1)(c).

NEW SECTION. **Sec. 10.** A new section is added to chapter 19.94 RCW to read as follows:

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1810 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The department of ecology shall establish a policy advisory committee to provide advice to the legislature and the department on administrative and legislative actions to more effectively implement the model toxics control act, chapter 70.105D RCW. The committee shall consist of the following members:

- (a) Four legislative members selected as provided in subsection (2) of this section;
- (b) Four representatives of citizen and environmental organizations;
- (c) Four representatives of business, including two representatives of small business and two representatives of large business;
- (d) One representative of counties;
- (e) One representative of cities;
- (f) One representative of ports;
- (g) One member of the scientific advisory board created under RCW 70.105D.030(4);
- (h) One representative of an environmental consulting firm engaged in the remediation of contaminated sites;
- (i) Not more than three additional members selected by the department from recommendations provided by the committee; and
- (j) The directors of the departments of ecology and health or their designees.

(2) The president of the senate and the speaker of the house of representatives may each appoint one member from each major caucus in the senate and the house of representatives, respectively, to serve as members of the committee.

(3) In making appointments under subsection (1) (b), (c), (d), (e), (f), (g), and (h) of this section, the department shall select from the lists of recommendations submitted by recognized regional or state-wide organizations representing the interests of that category.

(4) The initial meeting of the committee shall be scheduled no later than August 1, 1995. At the initial meeting the members shall select a presiding officer and adopt procedures for carrying out their duties under sections 2 and 3 of this act. In conducting its review the committee shall, wherever possible, operate on a consensus basis and, when consensus is not possible to achieve, the committee

should encourage the development of recommendations that are broadly supported within the committee. Where consensus is not achieved, other views within the committee shall be included in any reports required by sections 2 and 3 this act.

(5) The committee may divide itself into subcommittees. The committee should seek input from people who are interested in its work and who will, in the committee's view, bring experience or technical or interdisciplinary insight to a thoughtful consideration of the issues before the committee.

(6) The department shall provide staffing and other assistance to the committee, including facilitators from within or outside of state government if requested. Such assistance shall include information in response to reasonable requests from the committee, provided that the information is not protected by attorney-client privilege.

(7) Legislative members of the committee shall be reimbursed for travel expenses as provided in RCW 44.04.120. If other members would not be able to participate in the committee's activities because of travel expenses or other financial limitations on the ability to participate fully, the department shall certify the members as entitled to reimbursement for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(8) At the initial meeting attended by a committee member, the member shall identify the nature of his or her interest in the outcome of matters before the committee. This information shall include the type of organization to which the member belongs and the general nature of the membership and/or business interest of that organization. Thereafter, a committee member shall disclose any potential conflicts of interest or bias that subsequently arise or of which the committee member subsequently becomes aware. A member shall refrain from participating in any matter that the member for any reason cannot act fairly, objectively, and in the public interest with regard to that matter.

NEW SECTION. Sec. 2. (1) The policy advisory committee shall review, provide advice, and develop recommendations on the following subjects, at a minimum:

(a) Clean-up standards and clean-up levels, including the use of site-specific risk assessment;

(b) Policies, rules, and procedures, including the use of cost, current and future land use, and other criteria in the selection of clean-up remedies;

(c) How the department carries out the clean-up program in practice, including training, and accountability for clean-up decisions and their implementation;

(d) Improving the clean-up process to provide additional incentives to potentially liable parties to fully and expeditiously fund cleanups;

(e) The need for adoption of and recommended levels for ecologically based clean-up standards; and

(f) A review of the effectiveness of independent cleanups.

(2) The committee shall begin meeting no later than August 1, 1995, to review the model toxics control act and its implementation to date. The committee is encouraged to submit recommendations on policies of state-wide or regional significance to the department at any point during its review. The committee shall submit a preliminary report not later than December 15, 1995, to the appropriate legislative committees, that identifies priority questions and issues that the committee intends to address. The preliminary report shall identify the schedule and approach planned for analyzing these priority issues. The committee shall develop a procedure to allow other interested parties to propose additional questions and issues for review. Any questions and issues the committee chooses to address shall be of regional or state-wide significance. It is not the intent that this committee become engaged in site-specific clean-up decisions at pilot projects or any other sites.

(3) The committee shall submit a final report to the department and the appropriate legislative committees not later than December 15, 1996, on the priority issues it has identified for review. In addition to action recommendations, the final report may identify issues and priorities for further study, including a recommendation as to whether the committee should continue in existence.

(4) The department shall assist the committee's review under this section by preparing case studies of a variety of site cleanups involving differing contaminants, quantities of contaminants, media affected, populations exposed, present and future land and resource uses, and other factors. The committee shall seek input from the affected community, potentially liable persons involved in the cleanup and other participants in the clean-up process at the site and include this input in the information included on the case study. The case studies, along with the other information gathered in

the review, shall be used by the committee to provide advice and develop recommendations on the questions and issues addressed by the committee.

NEW SECTION. Sec. 3. (1) Not later than October 1, 1995, the policy advisory committee shall select two pilot projects from a list of proposed pilot project sites provided by the department. The purpose of the pilot projects is to evaluate alternative methods for accomplishing faster, less-expensive, and an equally protective degree of cleanup at complex sites, within the framework provided by the model toxics control act and the rules adopted under the model toxics control act. Pilot projects shall comply with the model toxics control act and the rules adopted under the model toxics control act. Public participation in the clean-up process for these sites shall be as provided in such rules. In order to be eligible for a pilot project, a site shall be conducting remedial actions under an order, agreed order, or consent decree under the model toxics control act and there shall not be significant opposition from the public potentially affected by the site. In addition, the following criteria shall be used by the department and the committee when recommending and selecting a site as a pilot project site:

(a) The presence of multiple parties at the site and the willingness of these persons to participate in a pilot project;

(b) The source of contamination at the site. Sites contaminated as a result of current or past industrial activities shall be given a preference over other sites;

(c) The stage of cleanup at the site. Sites that are in the process of preparing or for which there is recently completed a remedial investigation/feasibility study shall be given preference over other sites; and

(d) The degree of community support for selecting a site as a pilot project site. To determine the degree of community support, the department shall first consult with interested community and environmental groups. Thereafter, before proposing a site as a pilot project the department shall issue a public notice identifying the site and seeking public comment on the potential for the site to be a pilot project site.

(2) In the pilot projects the department shall include with the remedial investigation/feasibility study required under the model toxics control act any additional or alternative risk assessments or other analyses that potentially liable persons may wish to prepare at their expense for the purpose of exploration of improved methods to accomplish cleanup under the model toxics control act. The department shall provide technical assistance to identify an appropriate scope for such supplemental analyses, so that the analyses may prove useful in considering improvements to existing practices, policies, rules, and procedures. The department may establish a reasonable schedule for the preparation of any supplemental analyses. The preparation and evaluation of any supplemental analyses shall not result in a delay in remedial actions at the pilot sites. The analyses shall be included in the remedial investigation/feasibility study regardless of whether the department fully concurred in their scope. The department may simultaneously prepare or commission its own supplemental analyses at its own expense, as distinct from department-conducted or department-commissioned or contracted technical review of supplemental analyses prepared by potentially liable persons, which shall remain subject to cost recovery under the model toxics control act.

(3) In consultation with the potentially liable persons and affected public for each site, the department's site managers shall to the fullest extent possible use the administrative principles set forth, for both the clean-up process and for clean-up standards, as well as other flexible tools available in the rules adopted under the model toxics control act.

(4) In order to avoid misunderstanding and promote constructive dialogue, the public participation plan for each site shall be designed or revised to educate and involve the public on the nature of the pilot project, the specific issues being explored at the site, and the purpose and scope of any alternative or supplemental analyses.

(5) The department shall prepare a report on each pilot project highlighting any policy issues raised as a result of the pilot project and providing a copy of the remedial investigation/feasibility study and any supplemental analyses and public comments received for each pilot project to the policy advisory committee. The report shall be submitted to the committee within ninety days after the comment period ends on the remedial investigation/feasibility study for that site. The department shall also keep the committee informed about decisions made regarding the pilot project sites and progress made in implementation of cleanup at these sites. The intent is for the committee to use the information acquired from the pilot projects to supplement other information used in developing policy

recommendations under section 2 of this act. The department shall submit a status report to the policy advisory committee no later than March 31, 1996, including an estimated schedule for reporting on each pilot project.

(6) Nothing in this act shall be construed to prevent or limit the department from fully employing all procedures and standards available under the model toxics control act or the rules adopted to implement the model toxics control act with respect to any site, whether or not it is being considered as a possible pilot project under this section.

NEW SECTION. **Sec. 4.** If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1995, in the omnibus appropriations act, this act is null and void.

NEW SECTION. **Sec. 5.** This act shall expire January 15, 1997."

On page 1, line 2 of the title, after "act;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1865 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 11.88.030 and 1991 c 289 s 2 are each amended to read as follows:

(1) Any person or entity may petition for the appointment of a qualified person, trust company, national bank, or nonprofit corporation authorized in RCW 11.88.020 as now or hereafter amended as the guardian or limited guardian of an incapacitated person. No liability for filing a petition for guardianship or limited guardianship shall attach to a petitioner acting in good faith and upon reasonable basis. A petition for guardianship or limited guardianship shall state:

- (a) The name, age, residence, and post office address of the alleged incapacitated person;
- (b) The nature of the alleged incapacity in accordance with RCW 11.88.010;
- (c) The approximate value and description of property, including any compensation, pension, insurance, or allowance, to which the alleged incapacitated person may be entitled;
- (d) Whether there is, in any state, a guardian or limited guardian, or pending guardianship action for the person or estate of the alleged incapacitated person;

- (j) The requested term of the limited guardianship to be included in the court's order of appointment;

(2)(a) The attorney general may petition for the appointment of a guardian or limited guardian in any case in which there is cause to believe that a guardianship is necessary and no private party is able and willing to petition.

(b) Prepayment of a filing fee shall not be required in any guardianship or limited guardianship brought by the attorney general. Payment of the filing fee shall be ordered from the estate of the incapacitated person at the hearing on the merits of the petition, unless in the judgment of the court, such payment would impose a hardship upon the incapacitated person, in which case the filing shall be waived.

(3) No filing fee shall be charged by the court for filing either a petition for guardianship or a petition for limited guardianship if the petition alleges that the alleged incapacitated person has total assets of a value of less than three thousand dollars.

(4)(a) Notice that a guardianship proceeding has been commenced shall be personally served upon the alleged incapacitated person and the guardian ad litem along with a copy of the petition for appointment of a guardian. Such notice shall be served not more than five court days after the petition has been filed.

YOU HAVE THE RIGHT TO BE PRESENT IN COURT WHEN THE HEARING IS HELD TO DECIDE WHETHER OR NOT YOU NEED A GUARDIAN.

(5) All petitions filed under the provisions of this section shall be heard within sixty days unless an extension of time is requested by a party within such sixty day period and granted for good cause shown. If an extension is granted, the court shall set a new hearing date.

Sec. 2. RCW 11.88.040 and 1991 c 289 s 3 are each amended to read as follows:

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be served personally (~~(to)~~) upon the alleged incapacitated person, if over fourteen years of age, and served upon the guardian ad litem.

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be given by registered or certified mail to the last known address requesting a return receipt signed by the addressee or an agent appointed by the addressee, or by personal service in the manner provided for services of summons, to the following:

- (1) The alleged incapacitated person, or minor, if under fourteen years of age;
- (2) A parent, if the alleged incapacitated person is a minor, all known children not residing with a notified person, and the spouse of the alleged incapacitated person if any;

(3) Any other person who has been appointed as guardian or limited guardian, or the person with whom the alleged incapacitated person resides. No notice need be given to those persons named in subsections (2) and (3) of this section if they have signed the petition for the appointment of the guardian or limited guardian or have waived notice of the hearing.

(4) If the petition is by a parent asking for appointment as guardian or limited guardian of a minor child under the age of fourteen years, or if the petition is accompanied by the written consent of a minor of the age of fourteen years or upward, who consents to the appointment of the guardian or limited guardian asked for, or if the petition is by a nonresident guardian of any minor or incapacitated person, then the court may appoint the guardian without notice of the hearing. The court for good cause may reduce the number of days of notice, but in every case, at least three days notice shall be given.

The alleged incapacitated person shall be present in court at the final hearing on the petition: PROVIDED, That this requirement may be waived at the discretion of the court for good cause other than mere inconvenience shown in the report to be provided by the guardian ad litem pursuant to RCW 11.88.090 as now or hereafter amended, or if no guardian ad litem is required to be appointed pursuant to RCW 11.88.090, as now or hereafter amended, at the discretion of the court for good cause shown by a party. Alternatively, the court may remove itself to the place of residence of the alleged incapacitated person and conduct the final hearing in the presence of the alleged incapacitated person. Final hearings on the petition may be held in closed court without admittance of any person other than those necessary to the action or proceeding.

If presence of the alleged incapacitated person is waived and the court does not remove itself to the place of residence of such person, the guardian ad litem shall appear in person at the final hearing on the petition.

Sec. 3. RCW 11.88.045 and 1991 c 289 s 4 are each amended to read as follows:

(1)(a) Alleged incapacitated individuals shall have the right to be represented by counsel at any stage in guardianship proceedings. The court shall provide counsel to represent any alleged incapacitated person at public expense when either: (i) The individual is unable to afford counsel, or (ii) the expense of counsel would result in substantial hardship to the individual, or (iii) the individual does not have practical access to funds with which to pay counsel. If the individual can afford counsel but lacks practical access to funds, the court shall provide counsel and may impose a reimbursement requirement as part of a final order. When, in the opinion of the court, the rights and interests of an alleged or adjudicated incapacitated person cannot otherwise be adequately protected and represented, the court on its own motion shall appoint an attorney at any time to represent such person. Counsel shall be provided as soon as practicable after a petition is filed and long enough before any final hearing to allow adequate time for consultation and preparation. Absent a convincing showing in the record to the contrary, a period of less than three weeks shall be presumed by a reviewing court to be inadequate time for consultation and preparation.

(b) Counsel for an alleged incapacitated individual shall act as an advocate for the client and shall not substitute counsel's own judgment for that of the client on the subject of what may be in the client's best interests. Counsel's role shall be distinct from that of the guardian ad litem, who is expected to promote the best interest of the alleged incapacitated individual, rather than the alleged incapacitated individual's expressed preferences.

(c) If an alleged incapacitated person is represented by counsel and does not communicate with counsel, counsel may ask the court for leave to withdraw for that reason. If satisfied, after affording the alleged incapacitated person an opportunity for a hearing, that the request is justified, the court may grant the request and allow the case to proceed with the alleged incapacitated person unrepresented.

(2) During the pendency of any guardianship, any attorney purporting to represent a person alleged or adjudicated to be incapacitated shall petition to be appointed to represent the incapacitated or alleged incapacitated person. Fees for representation described in this section shall be subject to approval by the court pursuant to the provisions of RCW 11.92.180.

(3) The alleged incapacitated person is further entitled upon request to a jury trial on the issues of his or her alleged incapacity. The standard of proof to be applied in a contested case, whether before a jury or the court, shall be that of clear, cogent, and convincing evidence.

(4) In all proceedings for appointment of a guardian or limited guardian, the court must be presented with a written report from a physician licensed to practice under chapter 18.71 or 18.57 RCW or licensed or certified psychologist selected by the guardian ad litem. The physician or

The court shall not enter an order appointing a guardian or limited guardian until a medical or psychological report meeting the above requirements is filed.

(d) The superior court of each county may approve a guardian ad litem training program on or before June 1, 1991. The department of social and health services, aging and adult services administration, shall convene an advisory group to develop a model guardian ad litem training program. The advisory group shall consist of representatives from consumer, advocacy, and professional groups knowledgeable in developmental disabilities, neurological impairment, physical disabilities, mental illness, aging, legal, court administration, and other interested parties.

(e) Any superior court that has not adopted a guardian ad litem training program by September 1, 1991, shall require utilization of a model program developed by the advisory group as described in (d) of this subsection, to assure that candidates applying for registration as a qualified guardian ad litem shall have satisfactorily completed training to attain these essential minimum qualifications to act as guardian ad litem.

(4) The guardian ad litem's written statement of qualifications required by RCW 11.88.090(3)(b)(i) shall be made part of the record in each matter in which the person is appointed guardian ad litem.

(5) The guardian ad litem appointed pursuant to this section shall have the following duties:

(a) To meet and consult with the alleged incapacitated person as soon as practicable following appointment and explain, in language which such person can reasonably be expected to understand, the substance of the petition, the nature of the resultant proceedings, the person's right to contest the petition, the identification of the proposed guardian or limited guardian, the right to a jury trial on the issue of his or her alleged incapacity, the right to independent legal counsel as provided by RCW 11.88.045, and the right to be present in court at the hearing on the petition;

(c) To meet with the person whose appointment is sought as guardian or limited guardian and ascertain:

(i) The proposed guardian's knowledge of the duties, requirements, and limitations of a guardian; and

(ii) The steps the proposed guardian intends to take or has taken to identify and meet the needs of the alleged incapacitated person;

(d) To consult as necessary to complete the investigation and report required by this section with those known relatives, friends, or other persons the guardian ad litem determines have had a significant, continuing interest in the welfare of the alleged incapacitated person;

(e) To provide the court with a written report which shall include the following:

(i) A description of the nature, cause, and degree of incapacity, and the basis upon which this judgment was made;

(ii) A description of the needs of the incapacitated person for care and treatment, the probable residential requirements of the alleged incapacitated person and the basis upon which these findings were made;

(iii) An evaluation of the appropriateness of the guardian or limited guardian whose appointment is sought and a description of the steps the proposed guardian has taken or intends to take to identify and meet current and emerging needs of the incapacitated person;

(iv) A description of the abilities of the alleged incapacitated person and a recommendation as to whether a guardian or limited guardian should be appointed. If appointment of a limited guardian is recommended, the guardian ad litem shall recommend the specific areas of authority the limited guardian should have and the limitations and disabilities to be placed on the incapacitated person;

(v) An evaluation of the person's mental ability to rationally exercise the right to vote and the basis upon which the evaluation is made;

(vi) Any expression of approval or disapproval made by the alleged incapacitated person concerning the proposed guardian or limited guardian or guardianship or limited guardianship;

(viii) Unless independent counsel has appeared for the alleged incapacitated person, an explanation of how the alleged incapacitated person responded to the advice of the right to jury trial, to independent counsel and to be present at the hearing on the petition.

Within forty-five days after notice of commencement of the guardianship proceeding has been served upon the guardian ad litem, and at least ten days before the hearing on the petition, unless an extension or reduction of time has been granted by the court for good cause, the guardian ad litem shall file its report and send a copy to the alleged incapacitated person and his or her spouse, all children not residing with a notified person, those persons described in ~~((d))~~ (e)(vii) of this subsection, and persons who have filed a request for special notice pursuant to RCW 11.92.150;

(f) To advise the court of the need for appointment of counsel for the alleged incapacitated person within five court days after the meeting described in (a) of this subsection unless (i) counsel has appeared, (ii) the alleged incapacitated person affirmatively communicated a wish not to be represented by counsel after being advised of the right to representation and of the conditions under which court-provided counsel may be available, or (iii) the alleged incapacitated person was unable to communicate at all on the subject, and the guardian ad litem is satisfied that the alleged incapacitated person does not affirmatively desire to be represented by counsel.

(6) If the petition is brought by an interested person or entity requesting the appointment of some other qualified person or entity and a prospective guardian or limited guardian cannot be found, the court shall order the guardian ad litem to investigate the availability of a possible guardian or limited guardian and to include the findings in a report to the court pursuant to RCW 11.88.090(5)(e) as now or hereafter amended.

(7) The court appointed guardian ad litem shall have the authority, in the event that the alleged incapacitated person is in need of emergency life-saving medical services, and is unable to consent to such medical services due to incapacity pending the hearing on the petition to give consent for such emergency life-saving medical services on behalf of the alleged incapacitated person.

(8) The guardian ad litem shall receive a fee determined by the court. The fee shall be charged to the alleged incapacitated person unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That if no guardian or limited guardian is appointed the court may charge such fee to the petitioner or the alleged incapacitated person, or divide the fee, as it deems just; and if the petition is found to be frivolous or not brought in good faith, the guardian ad litem fee shall be charged to the petitioner. The court shall not be required to provide for the payment of a fee to any salaried employee of a public agency.

(9) Upon the presentation of the guardian ad litem report and the entry of an order either dismissing the petition for appointment of guardian or limited guardian or appointing a guardian or limited guardian, the guardian ad litem shall be dismissed and shall have no further duties or obligations unless otherwise ordered by the court. If the court orders the guardian ad litem to perform further duties or obligations, they shall not be performed at county expense.

Sec. 5. RCW 11.88.095 and 1991 c 289 s 6 are each amended to read as follows:

(1) In determining the disposition of a petition for guardianship, the court's order shall be based upon findings as to the capacities, condition, and needs of the alleged incapacitated person, and shall not be based solely upon agreements made by the parties.

(2) Every order appointing a full or limited guardian of the person or estate shall include:

- (a) Findings as to the capacities, condition, and needs of the alleged incapacitated person;
- (b) The amount of the bond, if any, or a bond review period;
- (c) When the next report of the guardian is due;
- (d) Whether the guardian ad litem shall continue acting as guardian ad litem;
- (e) Whether a review hearing shall be required upon the filing of the inventory;
- (f) The authority of the guardian, if any, for investment and expenditure of the ward's estate;

and

(g) Names and addresses of those persons described in RCW 11.88.090(5)(d), if any, whom the court believes should receive copies of further pleadings filed by the guardian with respect to the guardianship.

(3) If the court determines that a limited guardian should be appointed, the order shall specifically set forth the limits by either stating exceptions to the otherwise full authority of the guardian or by stating the specific authority of the guardian.

(4) In determining the disposition of a petition for appointment of a guardian or limited guardian of the estate only, the court shall consider whether the alleged incapacitated person is capable of giving informed medical consent or of making other personal decisions and, if not, whether a guardian or limited guardian of the person of the alleged incapacitated person should be appointed for that purpose.

(5) Unless otherwise ordered, any powers of attorney or durable powers of attorney shall be revoked upon appointment of a guardian or limited guardian of the estate.

If there is an existing medical power of attorney, the court must make a specific finding of fact regarding the continued validity of that medical power of attorney before appointing a guardian or limited guardian for the person.

Sec. 6. RCW 11.92.050 and 1990 c 122 s 23 are each amended to read as follows:

(1) Upon the filing of any intermediate guardianship or limited guardianship account required by statute, or of any intermediate account required by court rule or order, the guardian or limited guardian may petition the court for an order settling his or her account with regard to any ~~((and all))~~ receipts, expenditures, and investments made and acts done by the guardian or limited guardian to the date of ~~((said))~~ the interim report. Upon such petition being filed, the court may in its discretion, where the size or condition of the estate warrants it, set a date for the hearing of ~~((such))~~ the petition and require the service of the petition and a notice of ~~((such))~~ the hearing as provided in RCW 11.88.040 as now or hereafter amended; and, in the event ~~((such))~~ a hearing ~~((be))~~ is ordered, the court ~~((shall))~~ may also appoint a guardian ad litem, whose duty it shall be to investigate the report of the guardian or limited guardian of the estate and to advise the court thereon at ~~((said))~~ the hearing, in writing. At ~~((such))~~ the hearing on ~~((said))~~ the report of the guardian or limited guardian, if the court ~~((be))~~ is satisfied that the actions of the guardian or limited guardian have been proper, and that the guardian or limited guardian has in all respects discharged his or her trust with relation to ~~((such))~~ the receipts, expenditures, investments, and acts, then, in such event, the court shall enter an order approving such account~~(, and such)~~. If the court has appointed a guardian ad litem, the order shall be final and binding upon the incapacitated person, subject only to the right of appeal as upon a final order; provided that at the time of final account of said guardian or limited guardian or within one year after ~~((said))~~ the incapacitated person attains his or her majority any such interim account may be challenged by ~~((said))~~ the incapacitated person on the ground of fraud.

(2) The procedure established in subsection (1) of this section for financial accounts by guardians or limited guardians of the estate shall apply to personal care reports filed by guardians or limited guardians of the person under RCW 11.92.043.

Sec. 7. RCW 11.92.053 and 1990 c 122 s 24 are each amended to read as follows:

~~Within ninety days after the termination of a guardianship for any reason ((other than the death of the incapacitated person intestate)), the guardian or limited guardian of the estate shall petition the court for an order settling his or her account as filed in accordance with RCW 11.92.040(2) with regard to any ((and all)) receipts, expenditures, and investments made and acts done by the guardian to the date of ((said)) the termination. Upon ((such)) the filing of the petition ((being filed)), the court shall set a date for the hearing of ((such)) the petition after notice has been given in accordance with RCW 11.88.040. Any person interested may file objections to ((such)) the petition or may appear at the time and place fixed for the hearing thereof and present his or her objections thereto. The court may take such testimony as it deems proper or necessary to determine whether an order settling the account should be issued and the transactions of the guardian be approved, and the court may appoint a guardian ad litem to review the report.~~

At ((such)) the hearing on ((said)) the petition of the guardian or limited guardian, if the court ((be)) is satisfied that the actions of the guardian or limited guardian have been proper, and that the guardian has in all respects discharged his or her trust with relation to ((such)) the receipts, expenditures, investments, and acts, then, in such event, the court shall enter an order approving ((such)) the account, and ((such)) the order shall be final and binding upon the incapacitated person, subject only to the right of appeal as upon a final order~~(: PROVIDED, That))~~. However, within one year after ~~((said))~~ the incompetent attains his or her majority any such account may be challenged by the incapacitated person on the ground of fraud.

Sec. 8. RCW 11.92.180 and 1994 c 68 s 1 are each amended to read as follows:

A guardian or limited guardian shall be allowed such compensation for his or her services as guardian or limited guardian as the court shall deem just and reasonable. Guardians and limited guardians shall not be compensated at county or state expense. Additional compensation may be allowed for other administrative costs, including services of an attorney and for other services not provided by the guardian or limited guardian. Where a guardian or limited guardian is an attorney, the guardian or limited guardian shall separately account for time for which compensation is requested for services as a guardian or limited guardian as contrasted to time for which compensation for legal services provided to the guardianship is requested. In all cases, compensation of the guardian or limited guardian and his or her expenses including attorney's fees shall be fixed by the court and may be allowed at any annual or final accounting; but at any time during the administration of the estate, the guardian or limited guardian or his or her attorney may apply to the court for an allowance upon the compensation or necessary expenses of the guardian or limited guardian and for attorney's fees for services already performed. If the court finds that the guardian or limited guardian has failed to discharge his or her duties as such in any respect, it may deny the guardian any compensation whatsoever or may reduce the compensation which would otherwise be allowed. Where the incapacitated person is a department of social and health services client residing in a nursing facility or in a residential or home setting and is required by the department of social and health services to contribute a portion of their income towards the cost of residential or supportive services then the department shall be entitled to notice of proceedings as described in RCW 11.92.150. The amount of guardianship fees and additional compensation for administrative costs shall not exceed the amount allowed by the department of social and health services by rule (~~(, and shall not include compensation for services provided or funded by the department or a department contractor that the incapacitated person is eligible to receive)~~).

Sec. 9. RCW 11.94.010 and 1989 c 211 s 1 are each amended to read as follows:

(1) Whenever a principal designates another as his or her attorney in fact or agent, by a power of attorney in writing, and the writing contains the words "This power of attorney shall not be affected by disability of the principal," or "This power of attorney shall become effective upon the disability of the principal," or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding the principal's disability, the authority of the attorney in fact or agent is exercisable on behalf of the principal as provided notwithstanding later disability or incapacity of the principal at law or later uncertainty as to whether the principal is dead or alive. All acts done by the attorney in fact or agent pursuant to the power during any period of disability or incompetence or uncertainty as to whether the principal is dead or alive have the same effect and inure to the benefit of and bind the principal or the principal's guardian or heirs, devisees, and personal representative as if the principal were alive, competent, and not disabled. A principal may nominate, by a durable power of attorney, the guardian or limited guardian of his or her estate or person for consideration by the court if protective proceedings for the principal's person or estate are thereafter commenced. The court shall make its appointment in accordance with the principal's most recent nomination in a durable power of attorney except for good cause or disqualification. If a guardian thereafter is appointed for the principal, the attorney in fact or agent, during the continuance of the appointment, shall account to the guardian rather than the principal. The guardian has the same power the principal would have had if the principal were not disabled or incompetent, to revoke, suspend or terminate all or any part of the power of attorney or agency.

(2) Persons shall place reasonable reliance on any determination of disability or incompetence as provided in the instrument that specifies the time and the circumstances under which the power of attorney document becomes effective.

(3) A principal may authorize his or her attorney-in-fact to provide informed consent for health care decisions on the principal's behalf. Unless he or she is the spouse, or adult child or brother or sister of the principal, none of the following persons may act as the attorney-in-fact for the principal: Any of the principal's physicians, the physicians' employees, or the owners, administrators, or employees of the health care facility where the principal resides or receives care. This authorization is subject to the same limitations as those that apply to a guardian under RCW (~~(11.92.040(3) (a) through (d))~~) 11.92.043(5) (a) through (c)."

On page 1, line 1 of the title, after "guardianship;" strike the remainder of the title and insert "and amending RCW 11.88.030, 11.88.040, 11.88.045, 11.88.090, 11.88.095, 11.92.050, 11.92.053, 11.92.180, and 11.94.010."

MOTION

Representative Sheahan moved that the House insists on its position regarding the Senate amendments to Engrossed House Bill No. 2057 and ask the Senate to recede therefrom.

Representatives Sheahan and Sommers spoke in favor of the motion and it was carried.

There being no objection, the House resumed consideration of Substitute House Bill No. 2058.

SPEAKER'S RULING

Representative Sheldon, the Speaker is prepared to Rule on your Point of Order which challenges the Senate amendment to Substitute House Bill No. 2058 as being beyond the Scope and Object of the bill.

The title of Substitute House Bill No. 2058 is "AN ACT Relating to independent contractors or outside agents who sell or arrange for travel services.

The title is narrow. The bill adds a new section to 50.04 RCW, and creates a new section.

The bill provides that for purposes of unemployment insurance coverage the term "employment" does not include services performed by an outside agent who sells or arranges for travel services that are provided to a travel agent to the extent the outside agent is paid by commission.

Senate amendment 333 would prohibit state and local government officials and employees from using first class and business class airline accommodations at public expense when using commercial airlines in the performance of their duties unless otherwise required as a reasonable accommodation for persons with disabilities or in an emergency.

The object of the bill is to clarify under what circumstances certain persons are not considered employees for purposes of coverage under unemployment insurance and to exempt such persons by statute.

Senate amendment 333 prevents certain public employees from flying a certain class at public expense.

The amendment goes beyond the object of Substitute House Bill No. 2058.

The Speaker finds that the Senate amendment is beyond the scope and object of the bill.

Representative Sheldon, Your Point of Order is well taken.

MOTION

Representative Lisk moved that the House not concur in the Senate amendments to Substitute House Bill No. 2058 and ask the Senate to recede therefrom.

Representative Lisk spoke in favor of the motion and it was carried.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

There being no objection, the House resumed consideration of House Bill No. 1225.

SPEAKER'S RULING

Representative K. Schmidt, the Speaker is prepared to Rule on your Point of Order which challenges the Senate amendment to House Bill No. 1225 as being beyond the Scope and Object of the bill.

The title of House Bill No. 1225 is "AN ACT Relating to licenses.

The title is very broad. The bill amends numerous RCW's and repeals numerous RCW's.

The bill provides that applications for certificates of ownership of motor vehicles may be made on forms approved by the department of licensing, exempts certain ride-sharing vehicles from the retail sales tax, and repeals the motor vehicle fuel importer tax in lieu of certain other taxes collected.

The Senate amendment would provide refunds of the MVET to certain persons who qualify.

The amendment goes beyond the object of House Bill No. 1225.

The Speaker finds that the Senate amendment is beyond the scope and object of the bill.

Representative K. Schmidt, your Point of Order is well taken.

The motion to not concur in the Senate amendments to House Bill No. 1225 was carried.

SENATE AMENDMENTS TO HOUSE BILL

ENGROSSED SUBSTITUTE SENATE BILL NO. 5121, by Senate Committee on Agriculture & Agricultural Trade & Development (originally sponsored by Senators Rasmussen, Morton, Snyder, Newhouse, Loveland, A. Anderson, Hochstatter, Haugen and Deccio)

Providing for agricultural safety standards.

The bill was read the second time.

With the consent of the House, amendment number 888 to Engrossed Substitute Senate Bill No. 5121 was withdrawn.

Representative Chandler moved adoption of the following amendment by Representative Chandler:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

- (1) The state's highly productive and efficient agricultural sector is composed predominately of family-owned and managed farms and an industrious and efficient work force;
- (2) A reasonable level of safety regulations is needed to protect workers;
- (3) The smaller but highly efficient farming operations would benefit from safety rules that are easily referenced and agriculture-specific to the extent possible; and
- (4) There should be lead time between the adoption of agriculture safety rules and their effective date in order to allow the department of labor and industries to provide training, education, and enhanced consultation services to family-owned and managed farms.

NEW SECTION. Sec. 2. A new section is added to chapter 49.17 RCW to read as follows:

(1)(a) Except as provided in (b) of this subsection, no rules adopted under this chapter amending or establishing agricultural safety standards shall take effect during the period beginning January 1, 1995, and ending January 15, 1996. This subsection applies, but is not limited to applying, to a rule adopted before January 1, 1995, but with an effective date which is during the period beginning January 1, 1995, and ending January 15, 1996, and to provisions of rules adopted prior to January 1, 1995, which provisions are to become effective during the period beginning January 1, 1995, and ending January 15, 1996.

(b) Subsection (1)(a) of this section does not apply to: Provisions of rules that were in effect before January 1, 1995; emergency rules adopted under RCW 34.05.350; or revisions to chapter 296-306 WAC regarding rollover protective structures that were adopted in 1994 and effective March 1, 1995, and that are additionally revised to refer to the variance process available under this chapter.

(2) The rules for agricultural safety adopted under this chapter must:

(a) Establish, for agricultural employers, an agriculture safety standard that includes agriculture-specific rules and specific references to the general industry safety standard adopted under chapter 49.17 RCW; and

(b) Exempt agricultural employers from the general industry safety standard adopted under chapter 49.17 RCW for all rules not specifically referenced in the agriculture safety standard.

(3) The department shall publish in one volume all of the occupational safety rules that apply to agricultural employers and shall make this volume available to all agricultural employers before January 15, 1996. This volume must be available in both English and Spanish.

(4) The department shall provide training, education, and enhanced consultation services concerning its agricultural safety rules to agricultural employers before the rules' effective dates. The training, education, and consultation must continue throughout the winter of 1995-1996. Training and education programs must be provided throughout the state and must be coordinated with agricultural associations in order to meet their members' needs.

(5) The department shall provide, for informational purposes, a list of commercially available rollover protective structures for tractors used in agricultural operations manufactured before October 25, 1976. The list must include the name and address of the manufacturer and the approximate price of the structure. Included with the list shall be a statement indicating that an employer may apply for a variance from the rules requiring rollover protective structures under this chapter and that variances may be granted in appropriate circumstances on a case-by-case basis. The statement shall also provide examples of circumstances under which a variance may be granted. The list and statement shall be generally available to the agricultural community before the department may take any action to enforce rules requiring rollover protective structures for tractors used in agricultural operations manufactured before October 25, 1976.

NEW SECTION. Sec. 3. A new section is added to chapter 49.17 RCW to read as follows: Other than rules published under section 2(3) of this act, the director may adopt, in accordance with chapter 34.05 RCW, rules concerning agriculture safety, other than emergency rules, only:

- (1) As specifically required by federal law, and only to the extent specifically required; or
- (2) As specifically authorized by statute enacted after the effective date of this section.

NEW SECTION. Sec. 4. Section 2(1) of this act is remedial in nature and applies to rules and provisions of rules regarding agricultural safety that would take effect after December 31, 1994."

On page 1, line 1 of the title, after "standards;" strike the remainder of the title and insert "adding new sections to chapter 49.17 RCW; and creating new sections."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This subchapter applies to limited liability partnerships. All other provisions of this chapter, not in conflict with this subchapter, also apply.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this subchapter.

(1) "Limited liability partnership" or "partnership" means a partnership formed pursuant to an agreement governed by the laws of this state, registered under section 6 of this act.

(2) "Foreign limited liability partnership" means a limited liability partnership formed pursuant to an agreement governed by the laws of another jurisdiction.

NEW SECTION. Sec. 3. (1) To become and to continue as a limited liability partnership, a partnership shall file with the secretary of state an application stating the name of the partnership; the address of its principal office; if the partnership's principal office is not located in this state, the address of a registered office and the name and address of a registered agent for service of process in this state which the partnership will be required to maintain; the number of partners; a brief statement of the business in which the partnership engages; any other matters that the partnership determines to include; and that the partnership thereby applies for status as a limited liability partnership.

(2) The application shall be executed by a majority in interest of the partners or by one or more partners authorized to execute an application.

(3) The application shall be accompanied by a fee of one hundred seventy-five dollars for each partnership.

(4) The secretary of state shall register as a limited liability partnership any partnership that submits a completed application with the required fee.

(5) A partnership registered under this section shall pay an annual fee, in each year following the year in which its application is filed, on a date and in an amount specified by the secretary of state. The fee must be accompanied by a notice, on a form provided by the secretary of state, of the number of partners currently in the partnership and of any material changes in the information contained in the partnership's application for registration.

(6) Registration is effective immediately after the date an application is filed, and remains effective until: (a) It is voluntarily withdrawn by filing with the secretary of state a written withdrawal notice executed by a majority in interest of the partners or by one or more partners authorized to execute a withdrawal notice; or (b) thirty days after receipt by the partnership of a notice from the secretary of state, which notice shall be sent by certified mail, return receipt requested, that the partnership has failed to make timely payment of the annual fee specified in subsection (5) of this section, unless the fee is paid within such a thirty-day period.

(7) The status of a partnership as a limited liability partnership, and the liability of the partners thereof, shall not be affected by: (a) Errors in the information stated in an application under subsection (1) of this section or a notice under subsection (5) of this section; or (b) changes after the filing of such an application or notice in the information stated in the application or notice.

(8) The secretary of state may provide forms for the application under subsection (1) of this section or a notice under subsection (5) of this section.

NEW SECTION. Sec. 4. The name of a limited liability partnership shall contain the words "limited liability partnership" or the abbreviation "L.L.P." or "LLP" as the last words or letters of its name.

NEW SECTION. Sec. 5. A person or group of persons licensed or otherwise legally authorized to render professional services, as defined in RCW 18.100.030, within this state may organize and become a member or members of a limited liability partnership under the provisions of this chapter for the purposes of rendering professional service. Nothing in this section prohibits a person duly licensed or otherwise legally authorized to render professional services in any jurisdiction other than this state from becoming a member of a limited liability partnership organized for the purpose of rendering the same professional services. Nothing in this section prohibits a limited liability partnership from rendering professional services outside this state through individuals who are not duly licensed or otherwise legally authorized to render such professional services within this state.

NEW SECTION. Sec. 6. (1) A limited liability partnership formed and existing under this chapter, may conduct its business, carry on its operations, and have and exercise the powers granted by this chapter in any state, territory, district, or possession of the United States or in any foreign country.

(2) It is the intent of the legislature that the legal existence of a limited liability partnership formed and existing under this chapter be recognized outside the boundaries of this state and that the laws of this state governing a limited liability partnership transacting business outside this state be granted the protection of full faith and credit under the Constitution of the United States.

(3) The internal affairs of a partnership, including a limited liability partnership formed and existing under this chapter, including the liability of partners for debts, obligations, and liabilities of or chargeable to the partnership, shall be subject to and governed by the laws of this state.

(4) Subject to any statutes for the regulation and control of specific types of business, a foreign limited liability partnership, formed and existing under the laws of another jurisdiction, may do business in this state provided it registers with the secretary of state under this chapter in the same manner as a limited liability partnership.

(5) It is the policy of this state that the internal affairs of a foreign limited liability partnership, including the liability of partners for debts, obligations, and liabilities of or chargeable to partnerships, shall be subject to and governed by the laws of such other jurisdiction. However, a foreign limited

liability partnership formed and existing under the laws of another jurisdiction is subject to section 7 of this act if it renders professional services, as defined in RCW 18.100.030, in this state.

NEW SECTION. Sec. 7. (1) Except as provided in subsection (2) of this section, all partners are liable:

(a) Jointly and severally for everything chargeable to the partnership under RCW 25.04.130 and 25.04.140; and

(b) Jointly for all other debts and obligations of the partnership; but any partner may enter into a separate obligation to perform a partnership contract;

(c) Except that:

(2) Subject to subsections (3) and (5) of this section, a partner in a limited liability partnership is not liable directly or indirectly, including by way of indemnification, contribution, assessment, or otherwise for debts, obligations, and liabilities of or chargeable to the partnership, whether in tort, contract or otherwise, arising from omissions, negligence, wrongful acts, misconduct, or malpractice committed in the course of the partnership business by another partner or an employee, agent, or representative of the partnership.

(3) Subsection (2) of this section shall not affect the liability of a partner in a limited liability partnership for his or her own omissions, negligence, wrongful acts, misconduct, or malpractice or that of any person under his or her direct supervision and control.

(4) A partner in a limited liability partnership is not a proper party to a proceeding by or against a limited liability partnership, the object of which is to recover damages or enforce the obligations arising from omissions, negligence, wrongful acts, misconduct, or malpractice described in subsection (2) of this section, unless such partner is personally liable under subsection (3) or (5) of this section.

(5) If the partners of a limited liability partnership or foreign limited liability partnership are required to be licensed to provide professional services, as defined in RCW 18.100.030, and the partnership fails to maintain for itself and for its members practicing in this state a policy of professional liability insurance, bond, deposit in trust, bank escrow of cash, bank certificates of deposit, United States Treasury obligations, bank letter of credit, insurance company bond, or other evidence of financial responsibility of a kind designated by rule by the state insurance commissioner and in the amount of at least one million dollars or such greater amount, not to exceed three million dollars, as the state insurance commissioner may establish by rule for a licensed profession or for any specialty within a profession, taking into account the nature and size of the businesses within the profession or specialty, then the partners shall be personally liable to the extent that, had such insurance, bond, deposit in trust, bank escrow of cash, bank certificates of deposit, United States Treasury obligations, bank letter of credit, insurance company bond, or other evidence of responsibility been maintained, it would have covered the liability in question.

NEW SECTION. Sec. 8. The rights and duties of the partners in relation to the partnership shall be determined, subject to any agreement between them, by the following rules:

(1) Each partner shall be repaid his or her contributions, whether by way of capital or advances to the partnership property and share equally in the profits and surplus remaining after all liabilities, including those to partners, are satisfied; and except as provided in section 7(2) of this act, each partner must contribute toward the losses, whether of capital or otherwise, sustained by the partnership according to his or her share in the profits.

(2) The partnership must indemnify every partner in respect of payments made and personal liabilities reasonably incurred by him or her in the ordinary and proper conduct of its business, or for the preservation of its business or property.

(3) A partner, who in aid of the partnership makes any payment or advance beyond the amount of capital which he or she agreed to contribute, shall be paid interest from the date of the payment or advance.

(4) A partner shall receive interest on the capital contributed by him or her only from the date when repayment should be made.

(5) All partners have equal rights in the management and conduct of the partnership business.

(6) No partner is entitled to remuneration for acting in the partnership business, except that a surviving partner is entitled to reasonable compensation for his or her services in winding up the partnership affairs.

(7) No person can become a member of a partnership without the consent of all the partners.

(8) Any difference arising as to ordinary matters connected with the partnership business may be decided by a majority of the partners; but no act in contravention of any agreement between the partners may be done rightfully without the consent of all the partners.

NEW SECTION. Sec. 9. Where a dissolution is caused by the act, death, or bankruptcy of a partner, each partner is liable to his or her copartners for his or her share of any liability created by any partner acting for the partnership as if the partnership had not been dissolved unless:

(1) The dissolution being by act of any partner, the partner acting for the partnership had knowledge of the dissolution; or

(2) The dissolution being by the death or bankruptcy of a partner, the partner acting for the partnership had knowledge or notice of the death or bankruptcy; or

(3) The liability is for a debt, obligation, or liability for which the partner is not liable as provided in section 7(2) of this act.

NEW SECTION. Sec. 10. (1) The dissolution of the partnership does not of itself discharge the existing liability of any partner.

(2) A partner is discharged from any existing liability upon dissolution of the partnership by an agreement to that effect between himself or herself, the partnership creditor and the person or partnership continuing the business; and such agreement may be inferred from the course of dealing between the creditor having knowledge of the dissolution and the person or partnership continuing the business.

(3) Where a person agrees to assume the existing obligations of a dissolved partnership, the partners whose obligations have been assumed shall be discharged from any liability to any creditor of the partnership who, knowing of the agreement, consents to a material alteration in the nature or time of payment of such obligations.

(4) The individual property of a deceased partner shall be liable for those obligations of the partnership incurred while he or she was a partner and for which he or she was liable under section 7 of this act, but subject to the prior payment of his or her separate debts.

NEW SECTION. Sec. 11. In settling accounts between the partners after dissolution, the following rules shall be observed, subject to any agreement to the contrary:

(c) Those owing to partners in respect of capital;

(3) The assets shall be applied in the order of their declaration in subsection (1) of this section to the satisfaction of the liabilities.

(4) Except as provided in section 7(2) of this act: (a) The partners shall contribute, as provided by section 8(1) of this act the amount necessary to satisfy the liabilities; and (b) if any, but not all, of the partners are insolvent, or, not being subject to process, refuse to contribute, the other partners shall contribute their share of the liabilities, and, in the relative proportions in which they share the profits, the additional amount necessary to pay the liabilities.

(5) An assignee for the benefit of creditors or any person appointed by the court shall have the right to enforce the contribution specified in subsection (4) of this section.

(6) Any partner or his or her legal representative shall have the right to enforce the contributions specified in subsection (4) of this section, to the extent of the amount which he or she has paid in excess of his or her share of the liability.

(7) The individual property of a deceased partner shall be liable for the contributions specified in subsection (4) of this section.

(8) When partnership property and the individual properties of the partners are in possession of a court for distribution, partnership creditors shall have priority on partnership property and separate creditors on individual property, saving the rights of lien or secured creditors as heretofore.

(9) Where a partner has become bankrupt or his or her estate is insolvent the claims against his or her separate property shall rank in the following order:

- (a) Those owing to separate creditors;
- (b) Those owing to partnership creditors;
- (c) Those owing to partners by way of contribution.

(1) A person or group of persons licensed or otherwise legally authorized to render professional services within this state may organize and become a member or members of a professional limited liability company under the provisions of this chapter for the purposes of rendering professional service. A "professional limited liability company" is subject to all the provisions of chapter 18.100 RCW that apply to a professional corporation, and its managers, members, agents, and employees shall be subject to all the provisions of chapter 18.100 RCW that apply to the directors, officers, shareholders, agents, or employees of a professional corporation, except as provided otherwise in this section. Nothing in this section prohibits a person duly licensed or otherwise legally authorized to render professional services in any jurisdiction other than this state from becoming a member of a professional limited liability company organized for the purpose of rendering the same professional services. Nothing in this section prohibits a professional limited liability company from rendering professional services outside this state through individuals who are not duly licensed or otherwise legally authorized to render such professional services within this state. Notwithstanding RCW 18.100.065, persons engaged in a profession and otherwise meeting the requirements of this chapter may operate under this chapter as a professional limited liability company so long as each member personally engaged in the practice of the profession in this state is duly licensed or otherwise legally authorized to practice the profession in this state and:

(5) Subject to the provisions in article VII of this chapter, the following may be a member of a professional limited liability company and may be the transferee of the interest of an ineligible person or deceased member of the professional limited liability company:

Members of a limited liability company shall be personally liable for any act, debt, obligation, or liability of the limited liability company to the extent that shareholders of a Washington business corporation would be liable in analogous circumstances. In this regard, the court may consider the factors and policies set forth in established case law with regard to piercing the corporate veil, except that the failure to hold meetings of members or managers or the failure to observe formalities pertaining to the calling or conduct of meetings shall not be considered a factor tending to establish that the members have personal liability for any act, debt, obligation, or liability of the limited liability company if the certificate of formation and limited liability company agreement do not expressly require the holding of meetings of members or managers.

Sec. 16. RCW 25.15.085 and 1994 c 211 s 204 are each amended to read as follows:

(1) Each document required by this chapter to be filed in the office of the secretary of state shall be executed in the following manner:

(h) A foreign limited liability company's application for registration as a foreign limited liability company doing business within the state must be signed by any member or manager of the foreign limited liability company.

(2) Any person may sign a certificate, articles of merger, ~~((or))~~ limited liability company agreement, or other document by an attorney-in-fact or other person acting in a valid representative capacity, so long as each document signed in such manner identifies the capacity in which the signator signed.

(3) The person executing the document shall sign it and state beneath or opposite the signature the name of the person and capacity in which the person signs. The document must be typewritten or printed, and must meet such legibility or other standards as may be prescribed by the secretary of state.

(4) The execution of a certificate or articles of merger by any person constitutes an affirmation under the penalties of perjury that the facts stated therein are true.

(2) The limited liability company agreement may provide for other events the occurrence of which result in a person ceasing to be a member of the limited liability company.

(3) (~~Unless otherwise provided in the limited liability company agreement,~~) A member may withdraw from a limited liability company at ((any time by giving thirty days' written notice to the other members)) the time or upon the happening of events specified in and in accordance with the limited liability company agreement. If the limited liability company agreement does not specify the time or the events upon the happening of which a member may withdraw, a member may not withdraw prior to the time for the dissolution and commencement of winding up of the limited liability company, without the written consent of all other members at the time.

MESSAGE FROM THE SENATE

April 21, 1995

Mr. Speaker:

The President has signed:

SENATE INITIATIVE 159,
and the same is herewith transmitted.

Marty Brown, Secretary

There being no objection, the House resumed consideration of House Bill No. 1725.

SPEAKER'S RULING

Representative Brumsickle, the Speaker (Representative Horn presiding) is prepared to Rule on your Point of Order which challenges the Senate amendment to House Bill No. 1725 as being beyond the Scope and Object of the bill.

The title of House Bill No. 1725 is "AN ACT Relating to housing authorities.

The title is very broad. The bill amends RCW 35.82.040 and 35.82.130.

The bill provides that housing authority commissioners may also be public employees under certain circumstances in counties where total government employment exceeds a percentage of total employment, and repeals a requirement that pledges to secure housing authority bonds be filed or recorded.

Senate amendment 304 would allow local governing authorities to designate public housing projects as drug-free zones, and provide that certain drug offenses committed in such zones may be punished up to twice the otherwise applicable maximum penalty.

The object of the bill is to change the requirements for persons to serve as housing commissioners, and to remove a filing requirement for certain pledges.

Senate amendment 304 would authorize creation of certain drug-free zones and allow enhanced penalties to be imposed on persons who commit certain offenses within those zones.

The amendment goes beyond the object of House Bill No. 1725.

The Speaker (Representative Horn presiding) finds that the Senate amendment is beyond the scope and object of the bill.

Representative Brumsickle, Your Point of Order is well taken.

MOTION

Representative Brumsickle moved that the House not concur in the Senate amendments to House Bill No. 1725 and ask the Senate to recede therefrom.

Representative Brumsickle spoke in favor of the motion. The motion was carried.

MOTION

On motion of Representative Talcott, Representative Dyer was excused.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1317 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 47.46.010 and 1993 c 370 s 1 are each amended to read as follows:

The legislature finds and declares:

It is essential for the economic, social, and environmental well-being of the state and the maintenance of a high quality of life that the people of the state have an efficient transportation system.

The ability of the state to provide an efficient transportation system will be enhanced by a public-private sector program providing for private entities to undertake all or a portion of the study, planning, design, development, financing, acquisition, installation, construction or improvement, operation, and maintenance of transportation systems and facility projects.

A public-private initiatives program will provide benefits to both the public and private sectors. Public-private initiatives provide a sound economic investment opportunity for the private sector. Such initiatives will provide the state with increased access to property development and project opportunities, financial and development expertise, and will supplement state transportation revenues, allowing the state to use its limited resources for other needed projects.

The public-private initiatives program, to the fullest extent possible, should encourage and promote business and employment opportunities for Washington state citizens.

The public-private initiatives program should be implemented in cooperation and consultation with affected local jurisdictions.

The secretary of transportation should be permitted and encouraged to test the feasibility of building privately funded transportation systems and facilities or segments thereof through the use of innovative agreements with the private sector. The secretary of transportation should be vested with the authority to solicit, evaluate, negotiate, and administer public-private agreements with the private sector relating to the planning, construction, upgrading, or reconstruction of transportation systems and facilities.

Agreements negotiated under a public-private initiatives program will not bestow on private entities an immediate right to construct and operate the proposed transportation facilities. Rather, agreements will grant to private entities the opportunity to design the proposed facilities, demonstrate public support for proposed facilities, and complete the planning processes required in order to obtain a future decision by the department of transportation and other state and local lead agencies on whether the facilities should be permitted and built.

The legislature finds that in the case of Highway 522, selected under this chapter, public support has not been demonstrated and therefore the secretary shall not proceed. Among the demonstrations of nonsupport for inclusion of Highway 522 are:

(1) Over sixteen thousand citizens have signed petitions in opposition to the toll project;

(2) The majority of city council members in Monroe, Duvall, and Index have made public statements opposing the toll project, and that the Woodinville chamber of commerce has officially opposed the toll project;

(3) No city council or chamber of commerce in the area has favored the toll project;

(4) Of the five hundred individuals who attended the public information hearings on the toll proposal, four hundred fifty-eight signed a petition requesting that the proposal be rejected;

(5) Businesses in Monroe, Woodinville, Duvall, Snohomish, Sultan, Startup, Gold Bar, Index, Skykomish, and Stevens Pass are extremely dependent on Highway 522 for commerce, that due to the rural nature of these areas no alternative for commerce exists, and that a toll on Highway 522 would severely inhibit their ability to stay in business; and

(6) In an informal poll of residents who currently use Highway 522 to shop, eighty-one and one-half percent of the respondents claimed they would be unlikely to continue shopping at these stores if a toll were imposed.

Agreements negotiated under the public-private initiative's program should establish the conditions under which the private developer may secure the approval necessary to develop and operate

the proposed transportation facilities; create a framework to attract the private capital necessary to finance their development; and ensure that the transportation facilities will be designed, constructed, and operated in accordance with applicable local, regional, state, and federal laws and the applicable standards and policies of the department of transportation.

The department of transportation should be encouraged to take advantage of new opportunities provided by federal legislation under section 1012 of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA). That section establishes a new program authorizing federal participation in construction or improvement or improvement of publicly or privately owned toll roads, bridges, and tunnels, and allows states to leverage available federal funds as a means for attracting private sector capital.

Sec. 2. RCW 47.46.030 and 1993 c 370 s 3 are each amended to read as follows:

(1) The secretary or a designee shall solicit proposals from, and negotiate and enter into agreements with, private entities to undertake as appropriate, together with the department and other public entities, all or a portion of the study, planning, design, construction, operation, and maintenance of transportation systems and facilities, using in whole or in part private sources of financing.

The public-private initiative program may develop up to six demonstration projects. Each proposal shall be weighed on its own merits, and each of the six agreements shall be negotiated individually, and as a stand-alone project. The commission shall approve each of the selected projects.

~~((Proposals and demonstration projects may be selected by the public and private sectors at their discretion.))~~

(2) A state transportation system or facility selected as a demonstration project under this chapter, that is designated by the commission as a prioritized improvement project under the comprehensive six-year investment program set forth in RCW 47.05.051, shall not be reprioritized as a result of its selection as a demonstration project. As state funds become available, the funds must be used toward the capital costs of the demonstration project, or in the case of a project developed in phases, for the phase or segment. If no state funding is required to finance the demonstration project, state funds that become available for such project under RCW 47.05.051 instead must be used (a) to reduce the rate of tolls or user fees imposed on the demonstration project, or (b) for improvements on alternative state or local nontoll routes that provide a reasonable, free, and convenient access alternative to the demonstration project.

(3) Projects selected prior to and after September 1, 1994, must comply with the requirements of subsections (4) through (9) of this section.

(4) No projects selected or agreements entered into under this chapter take effect until the department conducts a comprehensive analysis of traffic patterns and economic impact to determine and define the geographical boundary of the area of the project that is most affected by the imposition of tolls or user fees authorized under this chapter. The area so defined is referred to in this section as the affected project area. In defining the affected project area, the department in consultation with the legislative transportation committee shall, at a minimum, undertake: (a) A comparison of the estimated percentage of residents of communities in the vicinity of and impacted by the project who could be subject to tolls or user fees and the estimated percentage of other users and transient traffic that could be subject to tolls or user fees; (b) anticipated traffic diversion patterns; and (c) potential economic impact resulting from proposed toll rates or user fee rates imposed on residents of and commercial traffic and commercial entities in communities in the vicinity of and impacted by the project. The department shall provide the legislative transportation committee with progress reports on the status of the definition of the affected project.

(5) After a determination and definition by the department of the affected project area, the department shall conduct a minimum thirty-day public comment period. Within fifteen days following the public comment period, the legislative transportation committee may conduct a hearing on the defined affected project area. The department may make adjustments to the definition of the geographical boundary of the affected project area, based on comments received from the public and a hearing by the legislative transportation committee. Within thirty days after the public comment period, the department shall establish the boundaries of the affected project area in units no smaller than a precinct as defined by RCW 29.01.120.

(6) The department shall establish a process that provides for public involvement in decision making with respect to the affected project area. In carrying out the public involvement process the department shall proactively seek public participation through a process appropriate to the

characteristics of the affected project area that assesses overall public support among users and residents of the affected project area. Such public involvement process shall provide opportunities for users and residents of the affected project area to comment upon key issues regarding the project including, but not limited to: (a) Alternative sizes and scopes; (b) design; (c) environmental assessment; (d) right of way and access plans; (e) traffic impacts; (f) tolling or user fee strategies and tolling or user fee ranges; (g) project cost; (h) construction impacts; (i) facility operation; and (j) any other salient characteristics.

(7) The results of the public involvement process shall be made available for public review and comment.

The department shall provide the legislative transportation committee with progress reports on the status of the public involvement process. The results of such public involvement process, including public comment, shall be forwarded to the legislative transportation committee for its review. Within forty-five calendar days of submission of such information, the legislative transportation committee shall conduct a public hearing regarding the results of the public involvement process. Taking into account the information submitted, the legislative transportation committee shall adopt a resolution making a recommendation to the secretary of the department of transportation regarding the appropriateness of the definition of the affected project area and the project description and characteristics.

(8) In response to the recommendation of the legislative transportation committee, the secretary, within two weeks after receipt of legislative transportation committee recommendation, shall transmit a copy of the map depicting the affected project area and the project description and characteristics to the county auditor of the county in which any portion of the affected project area is located.

(9) Upon receipt of the map and the project description and characteristics, the county auditor shall, within sixty days, verify the precincts that are located within the affected project area. The county auditor shall prepare the text identifying and describing the affected project area and the project and shall set a special election date for the submission of a ballot proposition authorizing the imposition of tolls or user fees within the affected project area. The text of the project must appear in a voter's pamphlet for the affected project area. The department shall pay for the costs of publication and distribution. The special election date must be the next date for a special election provided under RCW 29.13.020 that is at least sixty days but, if authorized under RCW 29.13.020, no more than ninety days after receipt of the final map and project description and characteristics by the auditor. The department shall pay the costs of an election held under this section. A simple majority of those voting within the affected project area to authorize tolls or user fees within the project area is required for approval. If the vote is affirmative, the department is authorized to solicit proposals for replacement projects. If the vote is affirmative for a project selected prior to September 1, 1994, the department may enter into an agreement authorized under RCW 47.46.040 with a private entity.

(10) All projects designed, constructed, and operated under this authority must comply with all applicable rules and statutes in existence at the time the agreement is executed, including but not limited to the following provisions: Chapter 39.12 RCW, this title, RCW 41.06.380, chapter 47.64 RCW, RCW 49.60.180, and 49 C.F.R. Part 21.

(11) The secretary or a designee shall consult with legal, financial, and other experts within and outside state government in the negotiation and development of the agreements.

Sec. 3. RCW 47.46.040 and 1993 c 370 s 4 are each amended to read as follows:

Agreements shall provide for private ownership of the projects during the construction period. After completion and final acceptance of each project or discrete segment thereof, the agreement shall provide for state ownership of the transportation systems and facilities and lease to the private entity unless the state elects to provide for ownership of the facility by the private entity during the term of the agreement.

The state shall lease each of the demonstration projects, or applicable project segments, to the private entities for operating purposes for up to fifty years.

The department may exercise any power possessed by it to facilitate the development, construction, financing, operation, and maintenance of transportation projects under this chapter. Agreements for maintenance services entered into under this section shall provide for full reimbursement for services rendered by the department or other state agencies. Agreements for police services for projects developed under ((the)) agreements ((may)) shall be entered into with ((any

~~qualified law enforcement agency, and shall provide for full reimbursement for services rendered by that agency))~~ the Washington state patrol. The agreement for police services shall provide that the state patrol will be reimbursed for costs on a comparable basis with the costs incurred on other state highway facilities. The department may provide services for which it is reimbursed, including but not limited to preliminary planning, environmental certification, and preliminary design of the demonstration projects.

The plans and specifications for each project constructed under this section shall comply with the department's standards for state projects. A facility constructed by and leased to a private entity is deemed to be a part of the state highway system for purposes of identification, maintenance, and enforcement of traffic laws and for the purposes of applicable sections of this title. Upon reversion of the facility to the state, the project must meet all applicable state standards. Agreements shall address responsibility for reconstruction or renovations that are required in order for a facility to meet all applicable state standards upon reversion of the facility to the state.

For the purpose of facilitating these projects and to assist the private entity in the financing, development, construction, and operation of the transportation systems and facilities, the agreements may include provisions for the department to exercise its authority, including the lease of facilities, rights of way, and airspace, exercise of the power of eminent domain, granting of development rights and opportunities, granting of necessary easements and rights of access, issuance of permits and other authorizations, protection from competition, remedies in the event of default of either of the parties, granting of contractual and real property rights, liability during construction and the term of the lease, authority to negotiate acquisition of rights of way in excess of appraised value, and any other provision deemed necessary by the secretary.

The agreements entered into under this section may include provisions authorizing the state to grant necessary easements and lease to a private entity existing rights of way or rights of way subsequently acquired with public or private financing. The agreements may also include provisions to lease to the entity airspace above or below the right of way associated or to be associated with the private entity's transportation facility. In consideration for the reversion rights in these privately constructed facilities, the department may negotiate a charge for the lease of airspace rights during the term of the agreement for a period not to exceed fifty years. If, after the expiration of this period, the department continues to lease these airspace rights to the private entity, it shall do so only at fair market value. The agreement may also provide the private entity the right of first refusal to undertake projects utilizing airspace owned by the state in the vicinity of the public-private project.

Agreements under this section may include any contractual provision that is necessary to protect the project revenues required to repay the costs incurred to study, plan, design, finance, acquire, build, install, operate, enforce laws, and maintain toll highways, bridges, and tunnels and which will not unreasonably inhibit or prohibit the development of additional public transportation systems and facilities. Agreements under this section must secure and maintain liability insurance coverage in amounts appropriate to protect the project's viability and may address state indemnification of the private entity for design and construction liability where the state has approved relevant design and construction plans.

Nothing in this chapter limits the right of the secretary and his or her agents to render such advice and to make such recommendations as they deem to be in the best interests of the state and the public.

Sec. 4. RCW 47.46.050 and 1993 c 370 s 5 are each amended to read as follows:

(1) The department may enter into agreements using federal, state, and local financing in connection with the projects, including without limitation, grants, loans, and other measures authorized by section 1012 of ISTEPA, and to do such things as necessary and desirable to maximize the funding and financing, including the formation of a revolving loan fund to implement this section.

(2) Agreements entered into under this section shall authorize the private entity to lease the facilities within a designated area or areas from the state and to impose user fees or tolls within the designated area to allow a reasonable rate of return on investment, as established through a negotiated agreement between the state and the private entity. The negotiated agreement shall determine a maximum rate of return on investment, based on project characteristics. If the negotiated rate of return on investment is not affected, the private entity may establish and modify toll rates and user fees.

(3) Agreements may establish "incentive" rates of return beyond the negotiated maximum rate of return on investment. The incentive rates of return shall be designed to provide financial benefits to

the affected public jurisdictions and the private entity, given the attainment of various safety, performance, or transportation demand management goals. The incentive rates of return shall be negotiated in the agreement.

(4) Agreements shall require that over the term of the ownership or lease the user fees or toll revenues be applied only to payment of the private entity's capital outlay costs for the project, including interest expense, the costs associated with construction, operations, toll collection, maintenance and administration of the ~~((facility))~~ project, reimbursement to the state for all costs associated with an election as required under RCW 47.46.030, the costs of project review and oversight, technical and law enforcement services, establishment of a fund to assure the adequacy of maintenance expenditures, and a reasonable return on investment to the private entity. ~~((The use of any excess toll revenues or user fees may be negotiated between the parties.~~

~~After expiration of the lease of a facility to a private entity, the secretary may continue to charge user fees or tolls for the use of the facility, with these revenues to be used for operations and maintenance of the facility, or to be paid to the local transportation planning agency, or any combination of such uses.))~~ A negotiated agreement shall not extend the term of the ownership or lease beyond the period of time required for payment of the private entity's capital outlay costs for the project under subsection (4) of this section.

NEW SECTION. Sec. 5. A new section is added to chapter 47.05 RCW to read as follows:
RCW 47.46.030(2) applies to this chapter."

On page 1, line 1 of the title, after "facilities;" strike the remainder of the title and insert "amending RCW 47.46.010, 47.46.030, 47.46.040, and 47.46.050; and adding a new section to chapter 47.05 RCW."

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1967 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.16.010 and 1993 c 238 s 1 are each amended to read as follows:

(1) It is unlawful for a person to operate any vehicle over and along a public highway of this state without first having obtained and having in full force and effect a current and proper vehicle license and display vehicle license number plates therefor as by this chapter provided. Failure to make initial registration before operation on the highways of this state is a misdemeanor, and any person convicted thereof shall be punished by a fine of no less than three hundred thirty dollars, no part of which may be suspended or deferred. Failure to renew an expired registration before operation on the highways of this state is a traffic infraction.

(2) The licensing of a vehicle in another state by a resident of this state, as defined in RCW 46.16.028, evading the payment of any tax or license fee imposed in connection with registration, is a gross misdemeanor punishable as follows:

(a) For a first offense, up to one year in the county jail and a fine equal to twice the amount of delinquent taxes and fees, no part of which may be suspended or deferred;

(b) For a second or subsequent offense, up to one year in the county jail and a fine equal to ~~((three))~~ four times the amount of delinquent taxes and fees, no part of which may be suspended or deferred. For fines levied under this subsection (b), an amount equal to the delinquent taxes and fees owed shall be deposited in the vehicle licensing fraud account created in the state treasury;

(c) The delinquent taxes and fees shall be deposited and distributed in the same manner as if the taxes and fees were properly paid in a timely fashion.

(3) These provisions shall not apply to farm ~~((vehicle[s]))~~ vehicles as defined in RCW 46.04.181 if operated within a radius of fifteen miles of the farm where principally used or garaged, farm tractors and farm implements including trailers designed as cook or bunk houses used exclusively for animal herding temporarily operating or drawn upon the public highways, and trailers used exclusively to transport farm implements from one farm to another during the daylight hours or at night when such equipment has lights that comply with the law: PROVIDED FURTHER, That these provisions shall not apply to spray or fertilizer applicator rigs designed and used exclusively for spraying or fertilization in the conduct of agricultural operations and not primarily for the purpose of transportation, and nurse rigs or equipment auxiliary to the use of and designed or modified for the fueling, repairing or loading of spray and fertilizer applicator rigs and not used, designed or modified primarily for the purpose of transportation: PROVIDED FURTHER, That these provisions shall not apply to fork lifts operated during daylight hours on public highways adjacent to and within five hundred feet of the warehouses which they serve: PROVIDED FURTHER, That these provisions shall not apply to equipment defined as follows:

"Special highway construction equipment" is any vehicle which is designed and used primarily for grading of highways, paving of highways, earth moving, and other construction work on highways and which is not designed or used primarily for the transportation of persons or property on a public highway and which is only incidentally operated or moved over the highway. It includes, but is not limited to, road construction and maintenance machinery so designed and used such as portable air compressors, air drills, asphalt spreaders, bituminous mixers, bucket loaders, track laying tractors, ditchers, leveling graders, finishing machines, motor graders, paving mixers, road rollers, scarifiers, earth moving scrapers and carryalls, lighting plants, welders, pumps, power shovels and draglines, self-propelled and tractor-drawn earth moving equipment and machinery, including dump trucks and tractor-dump trailer combinations which either (1) are in excess of the legal width or (2) which, because of their length, height or unladen weight, may not be moved on a public highway without the permit specified in RCW 46.44.090 and which are not operated laden except within the boundaries of the project limits as defined by the contract, and other similar types of construction equipment, or (3) which are driven or moved upon a public highway only for the purpose of crossing such highway from one property to another, provided such movement does not exceed five hundred feet and the vehicle is equipped with wheels or pads which will not damage the roadway surface.

Exclusions:

"Special highway construction equipment" does not include any of the following:

Dump trucks originally designed to comply with the legal size and weight provisions of this code notwithstanding any subsequent modification which would require a permit, as specified in RCW 46.44.090, to operate such vehicles on a public highway, including trailers, truck-mounted transit mixers, cranes and shovels, or other vehicles designed for the transportation of persons or property to which machinery has been attached.

(4) The following vehicles, whether operated solo or in combination, are exempt from license registration and displaying license plates as required by this chapter:

(a) A converter gear used to convert a semitrailer into a trailer or a two-axle truck or tractor into a three or more axle truck or tractor or used in any other manner to increase the number of axles of a vehicle. Converter gear includes an auxiliary axle, booster axle, dolly, and jeep axle.

(b) A tow dolly that is used for towing a motor vehicle behind another motor vehicle. The front or rear wheels of the towed vehicle are secured to and rest on the tow dolly that is attached to the towing vehicle by a tow bar.

Sec. 2. RCW 46.16.160 and 1993 c 102 s 2 are each amended to read as follows:

(1) The owner of a vehicle which under reciprocal relations with another jurisdiction would be required to obtain a license registration in this state or an unlicensed vehicle which would be required to obtain a license registration for operation on public highways of this state may, as an alternative to such license registration, secure and operate such vehicle under authority of a trip permit issued by this state in lieu of a Washington certificate of license registration, and licensed gross weight if applicable. The licensed gross weight may not exceed eighty thousand pounds for a combination of vehicles nor forty thousand pounds for a single unit vehicle with three or more axles. Trip permits may also be issued for movement of mobile homes pursuant to RCW 46.44.170. For the purpose of this section, a vehicle is considered unlicensed if the licensed gross weight currently in effect for the vehicle or combination of vehicles is not adequate for the load being carried. Vehicles registered under RCW 46.16.135 shall not be operated under authority of trip permits in lieu of further registration within the same registration year.

(2) Each trip permit shall authorize the operation of a single vehicle at the maximum legal weight limit for such vehicle for a period of three consecutive days commencing with the day of first use. No more than three such permits may be used for any one vehicle in any period of thirty consecutive days. Every permit shall identify, as the department may require, the vehicle for which it is issued and shall be completed in its entirety and signed by the operator before operation of the vehicle on the public highways of this state. Correction of data on the permit such as dates, license number, or vehicle identification number invalidates the permit. The trip permit shall be displayed on the vehicle to which it is issued as prescribed by the department.

(3) Vehicles operating under authority of trip permits are subject to all laws, rules, and regulations affecting the operation of like vehicles in this state.

(4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of such permit for four years.

(5) ~~((Blank))~~ Trip permits may be obtained from field offices of the department of transportation, Washington state patrol, department of licensing, or other agents appointed by the department. For each permit issued, there shall be collected a filing fee as provided by RCW 46.01.140, an administrative fee of eight dollars, and an excise tax of one dollar. If the filing fee amount of one dollar prescribed by RCW 46.01.140 is increased or decreased after January 1, 1981, the administrative fee shall be adjusted to compensate for such change to insure that the total amount collected for the filing fee, administrative fee, and excise tax remain at ten dollars. These fees and taxes are in lieu of all other vehicle license fees and taxes. No exchange, credits, or refunds may be given for trip permits after they have been purchased.

(6) The department may appoint county auditors or businesses as agents for the purpose of selling trip permits to the public. County auditors or businesses so appointed may retain the filing fee collected for each trip permit to defray expenses incurred in handling and selling the permits.

(7) A violation of or a failure to comply with any provision of this section is a gross misdemeanor.

(8) The department of licensing may adopt rules as it deems necessary to administer this section.

(9) All administrative fees and excise taxes collected under the provisions of this ~~((chapter))~~ section shall be forwarded by the department with proper identifying detailed report to the state treasurer who shall deposit the administrative fees to the credit of the motor vehicle fund and the excise taxes to the credit of the general fund. Filing fees will be forwarded and reported to the state treasurer by the department as prescribed in RCW 46.01.140.

Sec. 3. RCW 47.68.255 and 1993 c 238 s 2 are each amended to read as follows:

A person who is required to register an aircraft under this chapter and who registers an aircraft in another state or foreign country evading the Washington aircraft excise tax is guilty of a gross misdemeanor. For a second or subsequent offense, the person convicted is also subject to a fine equal to four times the amount of delinquent taxes and fees, no part of which may be suspended or deferred. Excise taxes owed and fines assessed shall be deposited and distributed in the manner provided under RCW 46.16.010(2).

Sec. 4. RCW 88.02.118 and 1993 c 238 s 4 are each amended to read as follows:

It is a gross misdemeanor punishable as provided under chapter 9A.20 RCW for any person owning a vessel subject to taxation under chapter 82.49 RCW to register a vessel in another state to avoid Washington state vessel excise tax required under chapter 82.49 RCW or to obtain a vessel dealer's registration for the purpose of evading excise tax on vessels under chapter 82.49 RCW. For a second or subsequent offense, the person convicted is also subject to a fine equal to four times the amount of delinquent taxes and fees, no part of which may be suspended or deferred. Excise taxes owed and fines assessed shall be deposited in the manner provided under RCW 46.16.010(2).

Sec. 5. RCW 82.32.330 and 1991 c 330 s 1 are each amended to read as follows:

(1) For purposes of this section:

(a) "Disclose" means to make known to any person in any manner whatever a return or tax information;

(b) "Return" means a tax or information return or claim for refund required by, or provided for or permitted under, the laws of this state which is filed with the department of revenue by, on behalf of, or with respect to a person, and any amendment or supplement thereto, including supporting schedules, attachments, or lists that are supplemental to, or part of, the return so filed;

(c) "Tax information" means (i) a taxpayer's identity, (ii) the nature, source, or amount of the taxpayer's income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability deficiencies, overassessments, or tax payments, whether taken from the taxpayer's books and records or any other source, (iii) whether the taxpayer's return was, is being, or will be examined or subject to other investigation or processing, (iv) a part of a written determination that is not designated as a precedent and disclosed pursuant to RCW 82.32.410, or a background file document relating to a written determination, and (v) other data received by, recorded by, prepared by, furnished to, or collected by the department of revenue with respect to the determination of the existence, or possible existence, of liability, or the amount thereof, of a person under the laws of this state for a tax, penalty, interest, fine, forfeiture, or other imposition, or offense: PROVIDED, That data, material, or documents that do not disclose information related to a specific or identifiable taxpayer do not constitute tax information under this section. Except as provided by RCW 82.32.410, nothing in this chapter shall require any person possessing data, material, or documents made confidential and privileged by this section to delete information from such data, material, or documents so as to permit its disclosure;

(d) "State agency" means every Washington state office, department, division, bureau, board, commission, or other state agency; and

(e) "Taxpayer identity" means the taxpayer's name, address, telephone number, registration number, or any combination thereof, or any other information disclosing the identity of the taxpayer.

(2) Returns and tax information shall be confidential and privileged, and except as authorized by this section, neither the department of revenue nor any officer, employee, agent, or representative thereof nor any other person may disclose any return or tax information.

(3) The foregoing, however, shall not prohibit the department of revenue or an officer, employee, agent, or representative thereof from:

(a) Disclosing such return or tax information in a civil or criminal judicial proceeding or an administrative proceeding:

(i) In respect of any tax imposed under the laws of this state if the taxpayer or its officer or other person liable under Title 82 RCW is a party in the proceeding; or

confidentiality with respect to such information unless such information is required to be disclosed to the taxpayer by the order of any court;

(c) Disclosing the name of a taxpayer with a deficiency greater than five thousand dollars and against whom a warrant under RCW 82.32.210 has been either issued or (~~failed to be~~) filed and remains outstanding for a period of at least ten working days. The department shall not be required to disclose any information under this subsection if a taxpayer: (i) Has been issued a tax assessment; (ii) has been issued a warrant that has not been filed; and (iii) has entered a deferred payment arrangement with the department of revenue and is making payments upon such deficiency that will fully satisfy the indebtedness within twelve months;

(d) Disclosing the name of a taxpayer with a deficiency greater than five thousand dollars and against whom a warrant under RCW 82.32.210 has been filed with a court of record and remains outstanding;

(e) Publishing statistics so classified as to prevent the identification of particular returns or reports or items thereof;

A peace officer or county prosecuting attorney who receives such return or tax information may disclose that return or tax information only for use in the investigation and any related court proceeding, or in the court proceeding for which the return or tax information originally was sought;

(i) Disclosing any such return or tax information to the proper officer of the internal revenue service of the United States, the Canadian government or provincial governments of Canada, or to the proper officer of the tax department of any state or city or town or county, for official purposes, but only if the statutes of the United States, Canada or its provincial governments, or of such other state or city or town or county, as the case may be, grants substantially similar privileges to the proper officers of this state; or

Representative Chappell: Representative McMahan, is Engrossed Substitute Senate Bill No. 5466 intended to apply to video programming distributed by franchised cable television operators who are precluded from exercising editorial control over programming content or delivery by federal law or as a result of binding court decision?

Representative McMahan: No it is not. In 1993 Congress enacted legislation authorizing franchised cable television operators to restrict indecent, obscene, or unlawful programming on public access channels. The federal court of appeals for the District of Columbia has subsequently stayed implementation of that legislation.

It is not intended that Engrossed Substitute Senate Bill No. 5466 be enforced against franchised cable television operators as a result of their compliance with either federal law or binding court decisions.

However,))~~

During the twelve-month period preceding the last day for certification of the election results for a state legislator's election to office, the legislator may not mail to a constituent at public expense a letter, newsletter, brochure, or other piece of literature except as provided in this section.

The legislator may mail one mailing ~~((mailed within))~~ no later than thirty days after the start of a regular legislative session and one mailing ~~((mailed within))~~ no later than sixty days after the end of a regular legislative session of identical newsletters to constituents ~~((are permitted)).~~

The legislator may mail an individual letter to an individual constituent who (1) has contacted the legislator regarding the subject matter of the letter during the legislator's current term of office; or (2) holds a governmental office with jurisdiction over the subject matter of the letter.

The house of representatives and senate shall specifically limit expenditures per member for the total cost of mailings, including but not limited to production costs, printing costs, and postage.

The reports shall be made in the form and the manner prescribed by the commission and shall be filed between the first and tenth days of each calendar quarter: PROVIDED, That the information required by this subsection may be supplied, insofar as it is available, by the chief clerk of the house of representatives or by the secretary of the senate on a form prepared by the commission.))~~ The house of representatives and the senate shall report annually: The total budget; the portion of the total attributed to staff; and the number of full-time and part-time staff positions by assignment, with dollar figures as well as number of positions.

(2) Unless authorized by subsection (3) of this section or otherwise expressly authorized by law, no public funds may be used directly or indirectly for lobbying: PROVIDED, This does not prevent officers or employees of an agency from communicating with a member of the legislature on the request of that member; or communicating to the legislature, through the proper official channels, requests for legislative action or appropriations which are deemed necessary for the efficient conduct of the public business or actually made in the proper performance of their official duties: PROVIDED FURTHER, That this subsection does not apply to the legislative branch.

This section does not permit the printing of a state publication which has been otherwise prohibited by law.

(4) No elective official or any employee of his or her office or any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, in any effort to support or oppose an initiative to the legislature. "Facilities of a public office or agency" has the same meaning as in RCW 42.17.130 and 42.52.180. The provisions of this subsection shall not apply to the following activities:

(a) Action taken at an open public meeting by members of an elected legislative body to express a collective decision, or to actually vote upon a motion, proposal, resolution, order, or ordinance, or to support or oppose an initiative to the legislature so long as (i) any required notice of the meeting includes the title and number of the initiative to the legislature, and (ii) members of the legislative body or members of the public are afforded an approximately equal opportunity for the expression of an opposing view;

(d) For purposes of this subsection the term "lobbying" does not include:

(ii) Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation, or report by an agency on a particular subject;

(iii) Official reports including recommendations submitted to the legislature on an annual or biennial basis by a state agency as required by law;

(6) In lieu of reporting under subsection (5) of this section any county, city, town, municipal corporation, quasi municipal corporation, or special purpose district may determine and so notify the public disclosure commission, that elected officials, officers, or employees who on behalf of any such local agency engage in lobbying reportable under subsection (5) of this section shall register and report such reportable lobbying in the same manner as a lobbyist who is required to register and report under RCW 42.17.150 and 42.17.170. Each such local agency shall report as a lobbyist employer pursuant to RCW 42.17.180.

(7) The provisions of this section do not relieve any elected official or officer or employee of an agency from complying with other provisions of this chapter, if such elected official, officer, or employee is not otherwise exempted.

(8) The purpose of this section is to require each state agency and certain local agencies to report the identities of those persons who lobby on behalf of the agency for compensation, together with certain separately identifiable and measurable expenditures of an agency's funds for that purpose. This section shall be reasonably construed to accomplish that purpose and not to require any agency to report any of its general overhead cost or any other costs which relate only indirectly or incidentally to lobbying or which are equally attributable to or inseparable from nonlobbying activities of the agency.

The public disclosure commission may adopt rules clarifying and implementing this legislative interpretation and policy.

(6) Each statement of financial affairs filed under this section shall be sworn as to its truth and accuracy.

(7) Every elected official and every executive state officer shall file with their statement of financial affairs a statement certifying that they have read and are familiar with RCW 42.17.130 or 42.52.180, whichever is applicable.

(b) Make available for public inspection and copying all indexes maintained for agency use.

Agencies shall adopt and enforce reasonable rules and regulations, and the office of the secretary of the senate and the office of the chief clerk of the house of representatives shall adopt reasonable procedures allowing for the time, resource, and personnel constraints associated with legislative sessions, consonant with the intent of this chapter to provide full public access to public records, to protect public records from damage or disorganization, and to prevent excessive interference with other essential functions of the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives. If a public record request is made at a time when such record exists but is scheduled for destruction in the near future, the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives shall retain possession of the record, and may not destroy or erase the record until the request is resolved.

Sec. 14. RCW 42.17.300 and 1973 c 1 s 30 are each amended to read as follows:

No fee shall be charged for the inspection of public records. ~~((Agencies may impose))~~ A reasonable charge may be imposed for providing copies of public records and for the use by any person of agency equipment or equipment of the office of the secretary of the senate or the office of the chief clerk of the house of representatives to copy public records, which charges shall not exceed the amount necessary to reimburse the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives for its actual costs incident to such copying.

Sec. 15. RCW 42.17.320 and 1992 c 139 s 6 are each amended to read as follows:

Requests to requests for public records shall be made promptly by agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives. Within five business days of receiving a public record request, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives must respond by either (1) providing the record; (2) acknowledging that the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives has received the request and providing a reasonable estimate of the time the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives will require to respond to the request; or (3) denying the public record request. Additional time required to respond to a request may be based upon the need to clarify the intent of the request, to locate and assemble the information requested, to notify third persons or agencies affected by the request, or to determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request. In acknowledging receipt of a public record request that is unclear, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives may ask the requestor to clarify what information the requestor is seeking. If the requestor fails to clarify the request, the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives need not respond to it. Denials of requests must be accompanied by a written statement of the specific reasons therefor. Agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall establish mechanisms for the most prompt possible review of decisions denying inspection, and such review shall be deemed completed at the end of the second business day following the denial of inspection and shall constitute final agency action or final action by the office of the secretary of the senate or the office of the chief clerk of the house of representatives for the purposes of judicial review.

NEW SECTION. Sec. 16. A new section is added to chapter 42.17 RCW, to be codified after RCW 42.17.340, to read as follows:

The procedures in RCW 42.17.340 govern denials of an opportunity to inspect or copy a public record by the office of the secretary of the senate or the office of the chief clerk of the house of representatives.

Sec. 17. RCW 42.17.370 and 1994 c 40 s 3 are each amended to read as follows:

The commission is empowered to:

(1) Adopt, promulgate, amend, and rescind suitable administrative rules to carry out the policies and purposes of this chapter, which rules shall be adopted under chapter 34.05 RCW. Any rule relating to campaign finance, political advertising, or related forms that would otherwise take effect after June 30th of a general election year shall take effect no earlier than the day following the general election in that year;

(2) Appoint and set, within the limits established by the committee on agency officials' salaries under RCW 43.03.028, the compensation of an executive director who shall perform such duties and have such powers as the commission may prescribe and delegate to implement and enforce this chapter efficiently and effectively. The commission shall not delegate its authority to adopt, amend, or rescind rules nor shall it delegate authority to determine whether an actual violation of this chapter has occurred or to assess penalties for such violations;

(3) Prepare and publish such reports and technical studies as in its judgment will tend to promote the purposes of this chapter, including reports and statistics concerning campaign financing, lobbying, financial interests of elected officials, and enforcement of this chapter;

(4) Make from time to time, on its own motion, audits and field investigations;

(5) Make public the time and date of any formal hearing set to determine whether a violation has occurred, the question or questions to be considered, and the results thereof;

(6) Administer oaths and affirmations, issue subpoenas, and compel attendance, take evidence and require the production of any books, papers, correspondence, memorandums, or other records relevant or material for the purpose of any investigation authorized under this chapter, or any other proceeding under this chapter;

(7) Adopt and promulgate a code of fair campaign practices;

(8) Relieve, by rule, candidates or political committees of obligations to comply with the provisions of this chapter relating to election campaigns, if they have not received contributions nor made expenditures in connection with any election campaign of more than one thousand dollars;

(9) Adopt rules prescribing reasonable requirements for keeping accounts of and reporting on a quarterly basis costs incurred by state agencies, counties, cities, and other municipalities and political subdivisions in preparing, publishing, and distributing legislative information. The term "legislative information," for the purposes of this subsection, means books, pamphlets, reports, and other materials prepared, published, or distributed at substantial cost, a substantial purpose of which is to influence the passage or defeat of any legislation. The state auditor in his or her regular examination of each agency under chapter 43.09 RCW shall review the rules, accounts, and reports and make appropriate findings, comments, and recommendations in his or her examination reports concerning those agencies;

(10) After hearing, by order approved and ratified by a majority of the membership of the commission, suspend or modify any of the reporting requirements of this chapter in a particular case if it finds that literal application of this chapter works a manifestly unreasonable hardship and if it also finds that the suspension or modification will not frustrate the purposes of the chapter. The commission shall find that a manifestly unreasonable hardship exists if reporting the name of an entity required to be reported under RCW 42.17.241(1)(g)(ii) would be likely to adversely affect the competitive position of any entity in which the person filing the report or any member of his or her immediate family holds any office, directorship, general partnership interest, or an ownership interest of ten percent or more. Any suspension or modification shall be only to the extent necessary to substantially relieve the hardship. The commission shall act to suspend or modify any reporting requirements only if it determines that facts exist that are clear and convincing proof of the findings required under this section. Requests for renewals of reporting modifications may be heard in a brief adjudicative proceeding as set forth in RCW 34.05.482 through 34.05.494 and in accordance with the standards established in this section. No initial request may be heard in a brief adjudicative proceeding and no request for renewal may be heard in a brief adjudicative proceeding if the initial request was granted more than three years previously or if the applicant is holding an office or position of employment different from the office or position held when the initial request was granted. The commission shall adopt administrative rules governing the proceedings. Any citizen has standing to bring an action in Thurston county superior court to contest the propriety of any order entered under this section within one year from the date of the entry of the order; and

(11) Revise, at least once every five years but no more often than every two years, the monetary reporting thresholds and reporting code values of this chapter. The revisions shall be only for the purpose of recognizing economic changes as reflected by an inflationary index recommended by

the office of financial management. The revisions shall be guided by the change in the index for the period commencing with the month of December preceding the last revision and concluding with the month of December preceding the month the revision is adopted. As to each of the three general categories of this chapter (reports of campaign finance, reports of lobbyist activity, and reports of the financial affairs of elected and appointed officials), the revisions shall equally affect all thresholds within each category. Revisions shall be adopted as rules under chapter 34.05 RCW. The first revision authorized by this subsection shall reflect economic changes from the time of the last legislative enactment affecting the respective code or threshold through December 1985;

(12) Develop and provide to filers a system for certification of reports required under this chapter which are transmitted by facsimile or electronically to the commission. Implementation of the program is contingent on the availability of funds.

Sec. 18. RCW 42.17.420 and 1983 c 176 s 2 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, when any application, report, statement, notice, or payment required to be made under the provisions of this chapter has been deposited postpaid in the United States mail properly addressed, it shall be deemed to have been received on the date of mailing. It shall be presumed that the date shown by the post office cancellation mark on the envelope is the date of mailing. The provisions of this section do not apply to reports required to be delivered under RCW 42.17.105 and 42.17.175.

(2) When a report is filed electronically with the commission, it is deemed to have been received on the file transfer date. Electronic filing may be used for purposes of filing the special reports required to be delivered under RCW 42.17.105 and 42.17.175.

Sec. 19. RCW 42.17.510 and 1993 c 2 s 22 are each amended to read as follows:

(1) All written political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name and address. All radio and television political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name. The use of an assumed name shall be unlawful. The party with which a candidate files shall be clearly identified in political advertising for partisan office.

(2) In addition to the materials required by subsection (1) of this section, all political advertising undertaken as an independent expenditure by a person or entity other than a party organization must include the following statement on the communication "NOTICE TO VOTERS (Required by law): This advertisement is not authorized or approved by any candidate. It is paid for by (name, address, city, state)." If the advertisement undertaken as an independent expenditure is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors," followed by a listing of the names of the five persons or entities making the largest contributions reportable under this chapter during the twelve-month period before the date of the advertisement.

(3) The statements and listings of contributors required by subsections (1) and (2) of this section shall:

(a) Appear on ~~((each))~~ the first page or fold of the written communication in at least ten-point type, or in type at least ten percent of the largest size type used in a written communication directed at more than one voter, such as a billboard or poster, whichever is larger;

(b) Not be subject to the half-tone or screening process;

(c) Be ~~((in a printed or drawn box))~~ set apart from any other printed matter; and

(d) Be clearly spoken on any broadcast advertisement.

(4) Political yard signs are exempt from the requirement of subsections (1) and (2) of this section that the name and address of the sponsor of political advertising be listed on the advertising. In addition, the public disclosure commission shall, by rule, exempt from the identification requirements of subsections (1) and (2) of this section forms of political advertising such as campaign buttons, balloons, pens, pencils, sky-writing, inscriptions, and other forms of advertising where identification is impractical.

(5) For the purposes of this section, "yard sign" means any outdoor sign with dimensions no greater than eight feet by four feet.

Sec. 20. RCW 42.17.640 and 1993 c 2 s 4 are each amended to read as follows:

(1) No person, other than a bona fide political party or a caucus (~~(of the state legislature)~~) political committee, may make contributions to a candidate for a state legislative office that in the aggregate exceed five hundred dollars or to a candidate for a state office other than a state legislative office that in the aggregate exceed one thousand dollars for each election in which the candidate is on the ballot or appears as a write-in candidate. Contributions made with respect to a primary may not be made after the date of the primary. Contributions made with respect to a general election may not be made after the final day of the applicable election cycle.

(2) No person, other than a bona fide political party or a caucus (~~(of the state legislature)~~) political committee, may make contributions to a state official against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the recall of the state official, during a recall campaign that in the aggregate exceed five hundred dollars if for a state legislative office or one thousand dollars if for a state office other than a state legislative office.

(3)(a) Notwithstanding subsection (1) of this section, no bona fide political party or caucus (~~(of the state legislature)~~) political committee may make contributions to a candidate during an election cycle that in the aggregate exceed (i) fifty cents multiplied by the number of eligible registered voters in the jurisdiction from which the candidate is elected if the contributor is a caucus (~~(of the state legislature)~~) political committee or the governing body of a state organization, or (ii) twenty-five cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected if the contributor is a county central committee or a legislative district committee.

(b) No candidate may accept contributions from a county central committee or a legislative district committee during an election cycle that when combined with contributions from other county central committees or legislative district committees would in the aggregate exceed twenty-five cents times the number of registered voters in the jurisdiction from which the candidate is elected.

(4)(a) Notwithstanding subsection (2) of this section, no bona fide political party or caucus (~~(of the state legislature)~~) political committee may make contributions to a state official against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the state official, during a recall campaign that in the aggregate exceed (i) fifty cents multiplied by the number of eligible registered voters in the jurisdiction entitled to recall the state official if the contributor is a caucus (~~(of the state legislature of for)~~) political committee or the governing body of a state organization, or (ii) twenty-five cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected if the contributor is a county central committee or a legislative district committee.

(b) No state official against whom recall charges have been filed, no authorized committee of the official, and no political committee having the expectation of making expenditures in support of the recall of a state official may accept contributions from a county central committee or a legislative district committee during an election cycle that when combined with contributions from other county central committees or legislative district committees would in the aggregate exceed twenty-five cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected.

(5) For purposes of determining contribution limits under subsections (3) and (4) of this section, the number of eligible registered voters in a jurisdiction is the number at the time of the most recent general election in the jurisdiction.

(6) Notwithstanding subsections (1) through (4) of this section, no person other than an individual, bona fide political party, or caucus (~~(of the state legislature)~~) political committee may make contributions reportable under this chapter to a caucus (~~(of the state legislature)~~) political committee that in the aggregate exceed five hundred dollars in a calendar year or to a bona fide political party that in the aggregate exceed two thousand five hundred dollars in a calendar year. This subsection does not apply to loans made in the ordinary course of business.

~~((6))~~ (7) For the purposes of RCW 42.17.640 through 42.17.790, a contribution to the authorized political committee of a candidate, or of a state official against whom recall charges have been filed, is considered to be a contribution to the candidate or state official.

~~((7))~~ (8) A contribution received within the twelve-month period after a recall election concerning a state office is considered to be a contribution during that recall campaign if the contribution is used to pay a debt or obligation incurred to influence the outcome of that recall campaign.

~~((8))~~ (9) The contributions allowed by subsection (2) of this section are in addition to those allowed by subsection (1) of this section, and the contributions allowed by subsection (4) of this section are in addition to those allowed by subsection (3) of this section.

~~((9))~~ (10) RCW 42.17.640 through 42.17.790 apply to a special election conducted to fill a vacancy in a state office. However, the contributions made to a candidate or received by a candidate for a primary or special election conducted to fill such a vacancy shall not be counted toward any of the limitations that apply to the candidate or to contributions made to the candidate for any other primary or election.

~~((10))~~ (11) Notwithstanding the other subsections of this section, no corporation or business entity not doing business in Washington state, no labor union with fewer than ten members who reside in Washington state, and no political committee that has not received contributions of ten dollars or more from at least ten persons registered to vote in Washington state during the preceding one hundred eighty days may make contributions reportable under this chapter to a candidate, to a state official against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the recall of the official. This subsection does not apply to loans made in the ordinary course of business.

~~((11))~~ (12) Notwithstanding the other subsections of this section, no county central committee or legislative district committee may make contributions reportable under this chapter to a candidate, state official against whom recall charges have been filed, or political committee having the expectation of making expenditures in support of the recall of a state official if the county central committee or legislative district committee is outside of the jurisdiction entitled to elect the candidate or recall the state official.

~~((12))~~ (13) No person may accept contributions that exceed the contribution limitations provided in this section.

(14) The following contributions are exempt from the contribution limits of this section:

(a) An expenditure or contribution earmarked for voter registration, for absentee ballot information, for precinct caucuses, for get-out-the-vote campaigns, for precinct judges or inspectors, for sample ballots, or for ballot counting, all without promotion of or political advertising for individual candidates; or

(b) An expenditure by a political committee for its own internal organization or fund raising without direct association with individual candidates.

Sec. 21. RCW 42.17.680 and 1993 c 2 s 8 are each amended to read as follows:

(1) No employer or labor organization may increase the salary of an officer or employee, or give an emolument to an officer, employee, or other person or entity, with the intention that the increase in salary, or the emolument, or a part of it, be contributed or spent to support or oppose a candidate, state official against whom recall charges have been filed, political party, or political committee.

(2) No employer or labor organization may discriminate against an officer or employee in the terms or conditions of employment for ~~((a))~~ the failure to contribute to ~~((, (b)))~~ or the failure in any way to support or oppose ~~((, or (c) in any way supporting or opposing))~~ a candidate, ballot proposition, political party, or political committee.

(3) No employer or other person or entity responsible for the disbursement of funds in payment of wages or salaries may withhold or divert a portion of an employee's wages or salaries for contributions to political committees or for use as political contributions except upon the written request of the employee. The request must be made on a form prescribed by the commission informing the employee of the prohibition against employer and labor organization discrimination described in subsection (2) of this section. The request is valid for no more than twelve months from the date it is made by the employee.

(4) Each person or entity who withholds contributions under subsection (3) of this section shall maintain open for public inspection for a period of no less than three years, during normal business hours, documents and books of accounts that shall include a copy of each employee's request, the amounts and dates funds were actually withheld, and the amounts and dates funds were transferred to a political committee. Copies of such information shall be delivered to the commission upon request.

Sec. 22. RCW 42.17.720 and 1993 c 2 s 12 are each amended to read as follows:

(1) A loan is considered to be a contribution from the ~~((maker))~~ lender and ~~((the))~~ any guarantor of the loan and is subject to the contribution limitations of this chapter. The full amount of the loan shall be attributed to the lender and to each guarantor.

(2) A loan to a candidate for public office or the candidate's political committee must be by written agreement.

(3) The proceeds of a loan made to a candidate for public office:

(a) By a commercial lending institution;

(b) Made in the regular course of business; and

(c) On the same terms ordinarily available to members of the public(~~;~~ ~~and~~

Sec. 23. RCW 42.17.740 and 1993 c 2 s 14 are each amended to read as follows:

TECHNICAL CORRECTIONS. (1) (~~An individual~~) A person may not make a contribution of more than fifty dollars, other than an in-kind contribution, except by a written instrument containing the name of the donor and the name of the payee.

(2) A political committee may not make a contribution, other than in-kind, except by a written instrument containing the name of the donor and the name of the payee.

Sec. 24. RCW 42.17.750 and 1993 c 2 s 15 are each amended to read as follows:

(1) No state or local official or state or local official's agent may knowingly solicit, directly or indirectly, a contribution to a candidate for public office, political party, or political committee from an employee in the state or local official's agency.

(a) Employment;

(b) Conditions of employment; or

(c) Application for employment,

based on the employee's or applicant's contribution or promise to contribute or failure to make a contribution or contribute to a political party or political committee.

Sec. 25. RCW 42.17.770 and 1993 c 2 s 17 are each amended to read as follows:

A person (~~or entity~~) may not solicit from a candidate for public office, political committee, political party, or other person (~~or entity~~) money or other property as a condition or consideration for an endorsement, article, or other communication in the news media promoting or opposing a candidate for public office, political committee, or political party.

Sec. 26. RCW 42.17.780 and 1993 c 2 s 18 are each amended to read as follows:

A person (~~or entity~~) may not, directly or indirectly, reimburse another person (~~or entity~~) for a contribution to a candidate for public office, political committee, or political party.

Sec. 27. RCW 42.17.790 and 1993 c 2 s 19 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, a candidate for public office or the candidate's political committee may not use or permit the use of contributions, whether or not surplus, solicited for or received by the candidate for public office or the candidate's political committee to further the candidacy of the individual for an office other than the office designated on the statement of organization. A contribution solicited for or received on behalf of the candidate for public office is considered solicited or received for the candidacy for which the individual is then a candidate if the contribution is solicited or received before the general elections for which the candidate for public office is a nominee or is unopposed.

(2) With the written approval of the contributor, a candidate for public office or the candidate's political committee may use or permit the use of contributions, whether or not surplus, solicited for or received by the candidate for public office or the candidate's political committee from that contributor to further the candidacy of the individual for an office other than the office designated on the statement of organization. If the contributor does not approve the use of his or her contribution to further the candidacy of the individual for an office other than the office designated on the statement of organization at the time of the contribution, the contribution must be considered surplus funds and disposed of in accordance with RCW 42.17.095.

Sec. 28. RCW 42.17.100 and 1989 c 280 s 10 are each amended to read as follows:

INTERNAL POLITICAL COMMUNICATIONS--INDEPENDENT EXPENDITURE. (1) For the purposes of this section and RCW 42.17.550 the term "independent ((campaign)) expenditure" means any expenditure that is made in support of or in opposition to any candidate or ballot proposition and is not otherwise required to be reported pursuant to RCW 42.17.060, 42.17.080, or 42.17.090. "Independent expenditure" does not include: An internal political communication primarily limited to the contributors to a political party organization or political action committee, or the officers, management staff, and stockholders of a corporation or similar enterprise, or the members of a labor organization or other membership organization; or the rendering of personal services of the sort commonly performed by volunteer campaign workers, or incidental expenses personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid for by the worker. "Volunteer services," for the purposes of this section, means services or labor for which the individual is not compensated by any person.

(2) Within five days after the date of making an independent ((campaign)) expenditure that by itself or when added to all other such independent ((campaign)) expenditures made during the same election campaign by the same person equals one hundred dollars or more, or within five days after the date of making an independent ((campaign)) expenditure for which no reasonable estimate of monetary value is practicable, whichever occurs first, the person who made the independent ((campaign)) expenditure shall file with the commission and the county elections officer of the county of residence for the candidate supported or opposed by the independent ((campaign)) expenditure (or in the case of an expenditure made in support of or in opposition to a local ballot proposition, the county of residence for the person making the expenditure) an initial report of all independent ((campaign)) expenditures made during the campaign prior to and including such date.

(3) At the following intervals each person who is required to file an initial report pursuant to subsection (2) of this section shall file with the commission and the county elections officer of the county of residence for the candidate supported or opposed by the independent ((campaign)) expenditure (or in the case of an expenditure made in support of or in opposition to a ballot proposition, the county of residence for the person making the expenditure) a further report of the independent ((campaign)) expenditures made since the date of the last report:

(a) On the twenty-first day and the seventh day preceding the date on which the election is held; and

(b) On the tenth day of the first month after the election; and

(c) On the tenth day of each month in which no other reports are required to be filed pursuant to this section. However, the further reports required by this subsection (3) shall only be filed if the reporting person has made an independent ((campaign)) expenditure since the date of the last previous report filed.

The report filed pursuant to paragraph (a) of this subsection (3) shall be the final report, and upon submitting such final report the duties of the reporting person shall cease, and there shall be no obligation to make any further reports.

(4) All reports filed pursuant to this section shall be certified as correct by the reporting person.

(5) Each report required by subsections (2) and (3) of this section shall disclose for the period beginning at the end of the period for the last previous report filed or, in the case of an initial report, beginning at the time of the first independent ((campaign)) expenditure, and ending not more than one business day before the date the report is due:

(a) The name and address of the person filing the report;

(b) The name and address of each person to whom an independent ((campaign)) expenditure was made in the aggregate amount of more than fifty dollars, and the amount, date, and purpose of each such expenditure. If no reasonable estimate of the monetary value of a particular independent ((campaign)) expenditure is practicable, it is sufficient to report instead a precise description of services, property, or rights furnished through the expenditure and where appropriate to attach a copy of the item produced or distributed by the expenditure;

(c) The total sum of all independent ((campaign)) expenditures made during the campaign to date; and

(d) Such other information as shall be required by the commission by rule in conformance with the policies and purposes of this chapter.

Sec. 29. RCW 42.17.125 and 1993 c 2 s 21 are each amended to read as follows:

TECHNICAL CORRECTIONS. Contributions received and reported in accordance with RCW 42.17.060 through 42.17.090 may only be transferred to the personal account of a candidate, or of a treasurer or other individual or expended for such individual's personal use under the following circumstances:

(1) Reimbursement for or loans to cover lost earnings incurred as a result of campaigning or services performed for the political committee. Such lost earnings shall be verifiable as unpaid salary, or when the individual is not salaried, as an amount not to exceed income received by the individual for services rendered during an appropriate, corresponding time period. All lost earnings incurred shall be documented and a record thereof shall be maintained by the individual or the individual's political committee. The political committee shall include a copy of such record when its expenditure for such reimbursement is reported pursuant to RCW 42.17.090.

(2) Reimbursement for direct out-of-pocket election campaign and postelection campaign related expenses made by the individual. To receive reimbursement from the political committee, the individual shall provide the political committee with written documentation as to the amount, date, and description of each expense, and the political committee shall include a copy of such information when its expenditure for such reimbursement is reported pursuant to RCW 42.17.090.

(3) Repayment of loans made by the individual to political committees, which repayment shall be reported pursuant to RCW 42.17.090. However, contributions may not be used to reimburse a candidate for loans totaling more than three thousand dollars made by the candidate to the candidate's own ~~((authorized))~~ political committee or campaign.

Sec. 30. RCW 42.52.180 and 1994 c 154 s 118 are each amended to read as follows:

(1) No state officer or state employee may use or authorize the use of facilities of an agency, directly or indirectly, for the purpose of assisting a campaign for election of a person to an office or for the promotion of or opposition to a ballot proposition. Knowing acquiescence by a person with authority to direct, control, or influence the actions of the state officer or state employee using public resources in violation of this section constitutes a violation of this section. Facilities of an agency include, but are not limited to, use of stationery, postage, machines, and equipment, use of state employees of the agency during working hours, vehicles, office space, publications of the agency, and clientele lists of persons served by the agency.

(2) This section shall not apply to the following activities:

(a) Action taken at an open public meeting by members of an elected legislative body to express a collective decision, or to actually vote upon a motion, proposal, resolution, order, or ordinance, or to support or oppose a ballot proposition as long as (i) required notice of the meeting includes the title and number of the ballot proposition, and (ii) members of the legislative body or members of the public are afforded an approximately equal opportunity for the expression of an opposing view;

(b) A statement by an elected official in support of or in opposition to any ballot proposition at an open press conference or in response to a specific inquiry. For the purposes of this subsection, it is not a violation of this section for an elected official to respond to an inquiry regarding a ballot proposition, to make incidental remarks concerning a ballot proposition in an official communication, or otherwise comment on a ballot proposition without an actual, measurable expenditure of public funds. The ~~((public disclosure commission shall, after consultation with the))~~ ethics boards~~((s))~~ shall adopt by rule a definition of measurable expenditure;

(c) Activities that are part of the normal and regular conduct of the office or agency; and

(d) De minimis use of public facilities by state-wide elected officials and legislators incidental to the preparation or delivery of permissible communications, including written and verbal communications initiated by them of their views on ballot propositions that foreseeably may affect a matter that falls within their constitutional or statutory responsibilities.

(3) As to state officers and employees, this section operates to the exclusion of RCW 42.17.130.

Sec. 31. RCW 42.17.095 and 1993 c 2 s 20 are each amended to read as follows:

The surplus funds of a candidate, or of a political committee supporting or opposing a candidate, may only be disposed of in any one or more of the following ways:

(1) Return the surplus to a contributor in an amount not to exceed that contributor's original contribution;

(2) Transfer the surplus to the candidate's personal account as reimbursement for lost earnings incurred as a result of that candidate's election campaign. Such lost earnings shall be verifiable as unpaid salary or, when the candidate is not salaried, as an amount not to exceed income received by the candidate for services rendered during an appropriate, corresponding time period. All lost earnings incurred shall be documented and a record thereof shall be maintained by the candidate or the candidate's political committee. The committee shall include a copy of such record when its expenditure for such reimbursement is reported pursuant to RCW 42.17.090;

(3) Transfer the surplus without limit to a political party or to a caucus ~~((of the state legislature))~~ political committee;

REPORT OF CONFERENCE COMMITTEE

ESHB 1821 ENGROSSED SUBSTITUTE HOUSE BILL NO. 1821

Includes "NEW ITEM": YES

Modifying unemployment compensation for persons employed under public employment contracts.

Mr. President:

Mr. Speaker:

We of your CONFERENCE COMMITTEE, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1821, Unemployment comp disqualify, have had the same under consideration and we recommend that:

The Senate Committee on Labor, Commerce and Trade amendments adopted on April 5, 1995, not be adopted; and

That the Conference Committee striking amendments (H-3145.1) be adopted,

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 50.04.320 and 1986 c 21 s 1 are each amended to read as follows:

(1) For the purpose of payment of contributions, "wages" means the remuneration paid by one employer during any calendar year to an individual in its employment under this title or the unemployment compensation law of any other state in the amount specified in RCW 50.24.010. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the operating assets of another employer (hereinafter referred to as a predecessor employer) or assets used in a separate unit of a trade or business of a predecessor employer, and immediately after the acquisition employs in the individual's trade or business an individual who immediately before the acquisition was employed in the trade or business of the predecessor employer, then, for the purposes of determining the amount of remuneration paid by the successor employer to the individual during the calendar year which is subject to contributions, any remuneration paid to the individual by the predecessor employer during that calendar year and before the acquisition shall be considered as having been paid by the successor employer.

(2) For the purpose of payment of benefits, "wages" means the remuneration paid by one or more employers to an individual for employment under this title during his base year: PROVIDED, That at the request of a claimant, wages may be calculated on the basis of remuneration payable. The

department shall notify each claimant that wages are calculated on the basis of remuneration paid, but at the claimant's request a redetermination may be performed and based on remuneration payable.

(3) For the purpose of payment of benefits and payment of contributions, the term "wages" includes tips which are received after January 1, 1987, while performing services which constitute employment, and which are reported to the employer for federal income tax purposes.

(4)(a) "Remuneration" means all compensation paid for personal services including commissions and bonuses and the cash value of all compensation paid in any medium other than cash. The reasonable cash value of compensation paid in any medium other than cash and the reasonable value of gratuities shall be estimated and determined in accordance with rules prescribed by the commissioner. Remuneration does not include payments to members of a reserve component of the armed forces of the United States, including the organized militia of the state of Washington, for the performance of duty for periods not exceeding seventy-two hours at a time.

(b) Previously accrued compensation, other than severance pay or payments received pursuant to plant closure agreements, when assigned to a specific period of time by virtue of a collective bargaining agreement, individual employment contract, customary trade practice, or request of the individual compensated, shall be considered remuneration for the period to which it is assigned. Assignment clearly occurs when the compensation serves to make the individual eligible for all regular fringe benefits for the period to which the compensation is assigned.

(c) Settlements or other proceeds received by an individual as a result of a negotiated settlement for termination of an employment contract with a public agency prior to its expiration date shall be considered remuneration. The proceeds shall be deemed assigned in the same intervals and in the same amount for each interval as compensation was allocated under the contract.

(d) Except as provided in (c) of this subsection, the provisions of this ((section)) subsection (4) pertaining to the assignment of previously accrued compensation shall not apply to individuals subject to RCW 50.44.050.

Sec. 2. RCW 50.44.050 and 1990 c 33 s 587 are each amended to read as follows:

Except as otherwise provided in subsections (1) through (4) of this section, benefits based on services in employment covered by or pursuant to this chapter shall be payable on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this title.

(1) Benefits based on service in an instructional, research or principal administrative capacity for an educational institution shall not be paid to an individual for any week of unemployment which commences during the period between two successive academic years or between two successive academic terms within an academic year (or, when an agreement provides instead for a similar period between two regular but not successive terms within an academic year, during such period) if such individual performs such services in the first of such academic years or terms and if there is a contract or reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms. Any employee of a common school district who is presumed to be reemployed pursuant to RCW 28A.405.210 shall be deemed to have a contract for the ensuing term.

(2) Benefits shall not be paid based on services in any other capacity for an educational institution for any week of unemployment which commences during the period between two successive academic years or between two successive academic terms within an academic year, if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms: PROVIDED, That if benefits are denied to any individual under this subsection and that individual was not offered an opportunity to perform such services for the educational institution for the second of such academic years or terms, the individual is entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this subsection.

(3) Benefits shall not be paid based on any services described in subsections (1) and (2) of this section for any week of unemployment which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

(4) Benefits shall not be paid (as specified in subsections (1), (2), or (3) of this section) based on any services described in subsections (1) or (2) of this section to any individual who performed such

services in an educational institution while in the employ of an educational service district which is established pursuant to chapter 28A.310 RCW and exists to provide services to local school districts.

(5) As used in subsection (1) of this section, "academic year" means, with respect to services described in subsection (1) of this section performed by part-time faculty at community colleges and technical colleges: Fall, winter, spring, and summer quarters or comparable semesters unless, based upon objective criteria including enrollment and staffing, the quarter or comparable semester is not in fact a part of the academic year for the particular institution.

Sec. 3. RCW 50.44.053 and 1985 ex.s. c 5 s 9 are each amended to read as follows:

The term "reasonable assurance," as used in RCW 50.44.050, means a written, verbal, or implied agreement that the employee will perform services in the same capacity during the ensuing academic year or term as in the first academic year or term. However, with respect to services described in RCW 50.44.050(1) performed by part-time faculty for community colleges and technical colleges, the term "reasonable assurance" does not include an agreement that is contingent on enrollment, funding, or program changes. A person shall not be deemed to be performing services "in the same capacity" unless those services are rendered under the same terms or conditions of employment in the ensuing year as in the first academic year or term.

NEW SECTION. **Sec. 4.** The legislature finds that, as a general rule with limited exceptions, employees of educational institutions expect to be employed for no more than a nine or ten-month school year with a break between school years for the traditional summer vacation.

Because of the decision in *Evans v. Employment Security Department*, 72 Wn. App. 862 (1994), the legislature finds it necessary to clarify legislative intent with regard to unemployment compensation for employees of educational institutions. The 1995 c . . . s 2 (section 2 of this act) amendment to RCW 50.44.050 is intended to clarify that for the part-time faculty at two-year institutions of higher education, summer quarter may be expected to be a time of employment, unless otherwise shown. However, the 1995 c . . . s 2 (section 2 of this act) amendment to RCW 50.44.050 is not intended to change the general rules used by the employment security department prior to the *Evans* decision regarding unemployment compensation for other employees of educational institutions.

NEW SECTION. **Sec. 5.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 6.** If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. **Sec. 7.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 2 of the title, after "contracts;" strike the remainder of the title and insert "amending RCW 50.04.320, 50.44.050, and 50.44.053; creating new sections; and declaring an emergency."

(i) Sixty days after the compensation order has become final and is not subject to review or appeal; or

(ii) If the order has become final and is not subject to review or appeal and the department has, within the period specified in (a)(i) of this subsection, requested the filing by the worker or beneficiary of documents necessary to make payment of compensation, sixty days after all requested documents are filed with the department.

The department may extend the sixty-day time period for an additional thirty days for good cause.

SENATE AMENDMENTS TO HOUSE BILL

April 22, 1995

Mr. Speaker:

Under suspension of rules, the Senate recessed from the Senate Committee on Ways and Means striking amendments adopted on April 10, 1995 to HOUSE BILL NO. 1296, returned the bill to

second reading for purpose of amendment, and passed the bill with the attached striking amendments (Floor No. 425):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

(1) Since enactment of chapter 227, Laws of 1984 most employers that participate in state retirement systems have been responsible for ensuring that member retirement contributions are transferred to the retirement trust funds, even in situations where service credit is being established on a retroactive basis for a member who is no longer employed by the employer.

(2) It is the responsibility of employers to accurately report their employees' compensation and service, and to ensure that all required member and employer contributions are transferred to the department of retirement systems. However, in situations where an employer determines that a former employee should have had contributions transferred, it is more reasonable and efficient to bill the employee for the past due member contributions than to make the employer responsible for them.

NEW SECTION. **Sec. 2.** A new section is added to chapter 41.50 RCW to read as follows:

(1) If an employer, pursuant to RCW 41.50.140(2), does not transfer member contributions for a former employee's prior period of service, the member shall not receive service credit for the period of service unless the member pays the required member contributions as provided in this section. In such cases the member shall have the option, but shall not be obligated, to pay the member contributions necessary to receive credit for the period of service. As provided by RCW 41.50.140(1), the department shall collect from the employer all employer contributions due for periods of service, regardless of whether the member elects to pay the member contributions necessary to receive credit for the period of service.

(2) The department shall adopt, by rule, a process by which separated and active members may pay member contributions needed to establish service credit for prior periods of service for which their employers did not transmit member contributions.

Sec. 3. RCW 41.50.140 and 1982 1st ex.s. c 52 s 33 are each amended to read as follows:

(1) Every employer participating in one or more of the retirement systems listed in RCW 41.50.030 shall fully cooperate in the administration of the systems in which its employees participate, including the distribution of information to employees, and shall accept and carry out all other duties as required by law, regulation, or administrative instruction. Every employer shall transmit to the department all member and employer contributions due for periods of service rendered in the retirement systems, except as provided in subsection (2) of this section.

(2) When the department bills an employer for member and employer contributions owed for a prior period of service, the employer shall transmit the required contributions if the member is still an employee of the employer at the time of the billing. The employer shall have no duty to transfer member contributions for persons who are not employees on the date the department bills the employer but shall transfer the required employer contributions for the prior service.

(3) Members for whom member contributions for a prior period of service are not transferred by the employer pursuant to subsection (2) of this section shall have the option of paying the required member contributions pursuant to section 2 of this act.

~~((2) If an employee is entitled to retroactive service credit which was not previously established through no fault of the employee, or through an employer error which has caused a member's compensation or contributions to be understated or overstated so as to cause a loss to the retirement funds, the director may bill the employer for the loss, to include interest, if applicable. The employer contributions, with interest thereon, will be treated as if in fact the interest was part of the normal employer contribution and no distribution of interest received shall be required.~~

~~(3) Employer paid employee contributions will not be credited to a member's account until the employer notifies the director in writing that the employer has been reimbursed by the employee or beneficiary for the payment. The employer shall have the right to collect from the employee the amount of the employee's obligation. Failure on the part of the employer to collect all or any part of the sums which may be due from the employee or beneficiary shall in no way cause the employer obligation for the total liability to be lessened.))~~

(4) If an employer transfers member contributions which were not paid by the member, the employer shall have the right to collect the amount of the employee's obligation from the employee.

Sec. 4. RCW 41.54.020 and 1994 c 197 s 32 are each amended to read as follows:

(1) Those persons who are dual members on or after July 1, 1988, shall not receive a retirement benefit from any prior system while dual members without the loss of all benefits under this chapter. Retroactive retirement in any prior system will cancel membership in any subsequent systems except as allowed under RCW 41.04.270 and will result in the refund of all employee and employer contributions made to such systems.

(2) If a member has withdrawn contributions from a prior system, the member may restore the contributions, together with interest since the date of withdrawal as determined by the system, and recover the service represented by the contributions. Such restoration must be completed within two years of establishing dual membership or prior to retirement, whichever occurs first.

(3) If a member does not meet the time limitation under subsection (2) of this section, the member, prior to retirement, may restore the service credit destroyed by the withdrawn contributions by paying the amount required under RCW 41.50.165(2). However, if a member failed to meet the applicable statutory deadline and filed a petition with the director of the department of retirement systems prior to January 1, 1995, requesting an extension of the applicable period; and if the director's findings in denying the petition affirmatively show that the failure was due to the fact that the department's customary bulletins and other notifications that were furnished to the member's employer for distribution were not furnished to the member by the employer, and that the member did not otherwise receive notice through other channels of communication and was not at fault, the member may elect to restore the required contributions and interest and regain service credit under subsection (2) of this section under the same terms and conditions and without further liability as if the election had been made on a timely basis. The election must be made not later than July 1, 1995, or prior to retirement, whichever comes first. The department shall provide written notice and an application directly to the affected members, and any further assistance as may be necessary to implement this section.

(4) Any service accrued in one system by the member shall not accrue in any other system.

NEW SECTION. **Sec. 5.** Section 4 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately and the remainder of this act shall take effect July 1, 1996."

On page 1, line 2 of the title, after "contributions;" strike the remainder of the title and insert "amending RCW 41.50.140 and 41.54.020; adding a new section to chapter 41.50 RCW; creating a new section; providing an effective date; and declaring an emergency."

and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 22, 1995

Mr. Speaker:

Under suspension of rules, ENGROSSED SUBSTITUTE HOUSE BILL NO. 1471 was returned to second reading. The Senate further amended the Senate Committee on Law and Justice

striking amendments adopted April 12, 1995 by adopting floor amendment #418, and passed the bill with the attached Law and Justice Committee amendments as amended:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The intent of this chapter is to provide consistent laws regarding the formation and legal administration of homeowners' associations.

NEW SECTION. Sec. 2. For purposes of this chapter:

(1) "Homeowners' association" or "association" means a corporation, unincorporated association, or other legal entity, each member of which is an owner of residential real property located within the association's jurisdiction, as described in the governing documents, and by virtue of membership or ownership of property is obligated to pay real property taxes, insurance premiums, maintenance costs, or for improvement of real property other than that which is owned by the member. "Homeowners' association" does not mean an association created under chapter 64.32 or 64.34 RCW.

(2) "Governing documents" means the articles of incorporation, bylaws, plat, declaration of covenants, conditions, and restrictions, rules and regulations of the association, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(3) "Board of directors" or "board" means the body, regardless of name, with primary authority to manage the affairs of the association.

(4) "Common areas" means property owned, or otherwise maintained, repaired or administered by the association.

(5) "Common expense" means the costs incurred by the association to exercise any of the powers provided for in this chapter.

(6) "Residential real property" means any real property, the use of which is limited by law, covenant or otherwise to primarily residential or recreational purposes.

NEW SECTION. Sec. 3. The membership of an association at all times shall consist exclusively of the owners of all real property over which the association has jurisdiction, both developed and undeveloped.

NEW SECTION. Sec. 4. Unless otherwise provided in the governing documents, an association may:

(1) Adopt and amend bylaws, rules, and regulations;

(2) Adopt and amend budgets for revenues, expenditures, and reserves, and impose and collect assessments for common expenses from owners;

(3) Hire and discharge or contract with managing agents and other employees, agents, and independent contractors;

(4) Institute, defend, or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more owners on matters affecting the homeowners' association, but not on behalf of owners involved in disputes that are not the responsibility of the association;

(5) Make contracts and incur liabilities;

(6) Regulate the use, maintenance, repair, replacement, and modification of common areas;

(7) Cause additional improvements to be made as a part of the common areas;

(8) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property;

(9) Grant easements, leases, licenses, and concessions through or over the common areas and petition for or consent to the vacation of streets and alleys;

(10) Impose and collect any payments, fees, or charges for the use, rental, or operation of the common areas;

(11) Impose and collect charges for late payments of assessments and, after notice and an opportunity to be heard by the board of directors or by the representative designated by the board of directors and in accordance with the procedures as provided in the bylaws or rules and regulations adopted by the board of directors, levy reasonable fines in accordance with a previously established

schedule adopted by the board of directors and furnished to the owners for violation of the bylaws, rules, and regulations of the association;

(12) Exercise any other powers conferred by the bylaws;

(13) Exercise all other powers that may be exercised in this state by the same type of corporation as the association; and

(14) Exercise any other powers necessary and proper for the governance and operation of the association.

NEW SECTION. Sec. 5. (1) Except as provided in the association's governing documents or this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors shall exercise the degree of care and loyalty required of an officer or director of a corporation organized under chapter 24.03 RCW.

(2) The board of directors shall not act on behalf of the association to amend the articles of incorporation, to take any action that requires the vote or approval of the owners, to terminate the association, to elect members of the board of directors, or to determine the qualifications, powers, and duties, or terms of office of members of the board of directors; but the board of directors may fill vacancies in its membership of the unexpired portion of any term.

(3) Within thirty days after adoption by the board of directors of any proposed regular or special budget of the association, the board shall set a date for a meeting of the owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of a majority of the votes in the association are allocated or any larger percentage specified in the governing documents reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the owners shall be continued until such time as the owners ratify a subsequent budget proposed by the board of directors.

(4) The owners by a majority vote of the voting power in the association present, in person or by proxy, and entitled to vote at any meeting of the owners at which a quorum is present, may remove any member of the board of directors with or without cause.

NEW SECTION. Sec. 6. Unless provided for in the governing documents, the bylaws of the association shall provide for:

(1) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(2) Election by the board of directors of the officers of the association as the bylaws specify;

(3) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(4) Which of its officers may prepare, execute, certify, and record amendments to the governing documents on behalf of the association;

(5) The method of amending the bylaws; and

(6) Subject to the provisions of the governing documents, any other matters the association deems necessary and appropriate.

NEW SECTION. Sec. 7. (1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by owners having ten percent of the votes in the association. Not less than fourteen nor more than sixty days in advance of any meeting, the secretary or other officers specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by first class United States mail to the mailing address of each owner or to any other mailing address designated in writing by the owner. The notice of any meeting shall state the time and place of the meeting and the business to be placed on the agenda by the board of directors for a vote by the owners, including the general nature of any proposed amendment to the articles of incorporation, bylaws, any budget or changes in the previously approved budget that result in a change in assessment obligation, and any proposal to remove a director.

(2) Except as provided in this subsection, all meetings of the board of directors shall be open for observation by all owners of record and their authorized agents. The board of directors shall keep minutes of all actions taken by the board, which shall be available to all owners. Upon the affirmative vote in open meeting to assemble in closed session, the board of directors may convene in closed

executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the association, and matters involving the possible liability of an owner to the association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, or other action adopted, passed, or agreed to in closed session may become effective unless the board of directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the disclosure of information in violation of law or which is otherwise exempt from disclosure.

NEW SECTION. Sec. 8. Unless the governing documents specify a different percentage, a quorum is present throughout any meeting of the association if the owners to which thirty-four percent of the votes of the association are allocated are present in person or by proxy at the beginning of the meeting.

NEW SECTION. Sec. 9. (1) The association or its managing agent shall keep financial and other records sufficiently detailed to enable the association to fully declare to each owner the true statement of its financial status. All financial and other records of the association, including but not limited to checks, bank records, and invoices, in whatever form they are kept, are the property of the association. Each association managing agent shall turn over all original books and records to the association immediately upon termination of the management relationship with the association, or upon such other demand as is made by the board of directors. An association managing agent is entitled to keep copies of association records. All records which the managing agent has turned over to the association shall be made reasonably available for the examination and copying by the managing agent.

(2) All records of the association, including the names and addresses of owners and other occupants of the lots, shall be available for examination by all owners, holders of mortgages on the lots, and their respective authorized agents on reasonable advance notice during normal working hours at the offices of the association or its managing agent. The association shall not release the unlisted telephone number of any owner. The association may impose and collect a reasonable charge for copies and any reasonable costs incurred by the association in providing access to records.

(3) At least annually, the association shall prepare, or cause to be prepared, a financial statement of the association. The financial statements of associations with annual assessments of fifty thousand dollars or more shall be audited at least annually by an independent certified public accountant, but the audit may be waived if sixty-seven percent of the votes cast by owners, in person or by proxy, at a meeting of the association at which a quorum is present, vote each year to waive the audit.

(4) The funds of the association shall be kept in accounts in the name of the association and shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such funds.

NEW SECTION. Sec. 10. Any violation of the provisions of this chapter entitles an aggrieved party to any remedy provided by law or in equity. The court, in an appropriate case, may award reasonable attorneys' fees to the prevailing party.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act constitute a new chapter in Title 64 RCW."

and the same are herewith transmitted.

CONFERENCE COMMITTEE REPORT

E2SSB 5439 Date: April 22, 1995

Includes "new item": YES

Mr. Speaker:
Mr. President:

We of your Conference Committee, to whom was referred ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5439, revising procedures for nonoffender at-risk youth and their families, have had the same under consideration and we recommend that all previous amendments not be adopted; that the Committee's striking amendment (attached CONF S3377.5) and the Committee's amendment (CONF S3418.1) to the striking amendment be adopted;

On page 70, beginning on line 13 of the conference report, strike all of section 75 and insert the following:

"Sec. 75. RCW 28A.225.110 and 1990 c 33 s 228 are each amended to read as follows:

Notwithstanding the provisions of RCW 10.82.070, fifty percent of all fines except as otherwise provided in RCW 28A.225.010 through 28A.225.140 shall ~~((insure and))~~ be applied to the support of the public schools in the school district where such offense was committed: PROVIDED, That all fees, fines, forfeitures, and penalties collected or assessed by a district court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW ~~((as now exists or is later amended))~~ and fifty percent shall be paid to the county treasurer who shall deposit such amount to the credit of the courts in the county for the exclusive purpose of enforcing the provisions of RCW 28A.225.010 through 28A.225.140."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.32A.010 and 1979 c 155 s 15 are each amended to read as follows:

The legislature finds that within any group of people there exists a need for guidelines for acceptable behavior and that, presumptively, the experience and maturity ~~((are))~~ of parents make them better ~~((qualifications for establishing))~~ qualified to establish guidelines beneficial to and protective of ~~((individual members and the group as a whole than are youth and inexperience))~~ their children. The legislature further finds that it is the right and responsibility of adults to establish laws for the benefit and protection of the society; and that, in the same manner, the right and responsibility for establishing reasonable guidelines for the family unit belongs to the adults within that unit. Further, absent abuse or neglect, parents should have the right to exercise control over their children. The legislature reaffirms its position stated in RCW 13.34.020 that the family unit is the fundamental resource of American life which should be nurtured and that it should remain intact in the absence of compelling evidence to the contrary.

The legislature recognizes there is a need for services and assistance for parents and children who are in conflict. These conflicts are manifested by children who exhibit various behaviors including: Running away, substance abuse, serious acting out problems, mental health needs, and other behaviors that endanger themselves or others.

The legislature finds many parents do not know their rights regarding their adolescent children and law enforcement. Parents and courts feel they have insufficient legal recourse for the chronic runaway child who is endangering himself or herself through his or her behavior. The legislature further recognizes that for chronic runaways whose behavior puts them in serious danger of harming themselves or others, secure facilities must be provided to allow opportunities for assessment, treatment, and to assist parents and protect their children. The legislature intends to give tools to parents, courts, and law enforcement to keep families together and reunite them whenever possible.

The legislature recognizes that some children run away to protect themselves from abuse or neglect in their homes. Abused and neglected children should be dealt with pursuant to chapter 13.34 RCW and it is not the intent of the legislature to handle dependency matters under this chapter.

The legislature intends services offered under this chapter be on a voluntary basis whenever possible to children and their families and that the courts be used as a last resort.

The legislature intends to increase the safety of children through the preservation of families and the provision of assessment, treatment, and placement services for children in need of services and at-risk youth including services and assessments conducted under chapter 13.32A RCW and RCW 74.13.033. Within available funds, the legislature intends to provide these services through crisis residential centers in which children and youth may safely reside for a limited period of time. The time in residence shall be used to conduct an assessment of the needs of the children, youth, and their families. The assessments are necessary to identify appropriate services and placement options that will reduce the likelihood that children will place themselves in dangerous or life-threatening situations.

The legislature recognizes that crisis residential centers provide an opportunity for children to receive short-term necessary support and nurturing in cases where there may be abuse or neglect. The legislature intends that center staff provide an atmosphere of concern, care, and respect for children in the center and their parents.

The legislature intends to provide for the protection of children who, through their behavior, are endangering themselves. The legislature intends to provide appropriate residential services, including secure facilities, to protect, stabilize, and treat children with serious problems. The legislature further intends to empower parents by providing them with the assistance they require to raise their children.

NEW SECTION. Sec. 2. This act may be known and cited as the "Becca bill."

Sec. 3. RCW 13.32A.030 and 1990 c 276 s 3 are each amended to read as follows:

The determination shall be based on: (A) The need for continued assessment, protection, and treatment of the child in a secure facility; and (B) the likelihood the child would remain at a semi-secure facility until his or her parents can take the child home or a petition can be filed under this title.

(ii) In making the determination the administrator shall include consideration of the following information if known: (A) A child's age and maturity; (B) the child's condition upon arrival at the center; (C) the circumstances that led to the child's being taken to the center; (D) whether the child's behavior endangers the health, safety, or welfare of the child or any other person; (E) the child's history of running away which has endangered the health, safety, and welfare of the child; and (F) the child's willingness to cooperate in conducting the assessment.

(c) A parent may disband a team twenty-four hours, excluding weekends and holidays, after receiving notice of formation of the team under (b) of this subsection unless a petition has been filed under RCW 13.32A.140. ~~((3) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioning parent resides. - ~~(c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and~~
- ~~(d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.~~

~~The petition shall set forth facts that support the allegations in this subsection and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child. An at risk youth petition may not be filed if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. A petition may be accepted for filing only if alternatives to court intervention have been attempted. Juvenile court personnel may screen all at risk youth petitions and may refuse to allow the filing of any petition that lacks merit, fails to comply with the requirements of this section, or fails to allege sufficient facts in support of allegations in the petition.)~~

Sec. 17. RCW 13.32A.160 and 1990 c 276 s 11 are each amended to read as follows:

(1) When a proper child in need of services petition to approve an ~~((alternative residential))~~ out-of-home placement is filed under RCW 13.32A.120, 13.32A.140, or 13.32A.150 the juvenile court shall: (a) Schedule a ~~((date for a))~~ fact-finding hearing to be held within three judicial days; notify the parent, child, and the department of such date; (b) notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court; (c) appoint legal counsel for the child; (d) inform the child and his or her parent of the legal consequences of the court approving or disapproving an ~~((alternative residential))~~ out-of-home placement petition; (e) notify the parents of their rights under this chapter and chapters 11.88, 13.34, 70.96A, and 71.34 RCW, including the right to file an at-risk youth petition, the right to submit on application for admission of their child to a treatment facility for alcohol, chemical dependency, or mental health treatment, and the right to file a guardianship petition; and ~~((e))~~ (f) notify all parties, including the department, of their right to present evidence at the fact-finding hearing.

(2) Upon filing of ~~((an alternative residential placement))~~ a child in need of services petition, the child may be placed, if not already placed, by the department in a crisis residential center, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence to be determined by the department.

(3) If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the ~~((alternative residential placement))~~ petition by the court. Any

placement may be reviewed by the court within three (~~court~~) judicial days upon the request of the juvenile or the juvenile's parent.

Sec. 18. RCW 13.32A.170 and 1989 c 269 s 3 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing to consider a proper child in need of services petition (~~(and may approve or deny alternative residential placement)~~), giving due weight to the intent of the legislature that families have the right to place reasonable restrictions and rules upon their children, appropriate to the individual child's developmental level. The court may appoint legal counsel and/or a guardian ad litem to represent the child and advise parents of their right to be represented by legal counsel. The court may approve an order stating that the child shall be placed in a residence other than the home of his or her parent only if it is established by a preponderance of the evidence, including a departmental recommendation for approval or dismissal of the petition, that:

(a) The petition is not capricious;

(b) The petitioner, if a (~~parent or the~~) child, has made a reasonable effort to resolve the conflict;

(c) The conflict (~~(which exists)~~) cannot be resolved by delivery of services to the family during continued placement of the child in the parental home;

(d) Reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(e) A suitable out-of-home placement resource is available.

The court may not grant a petition filed by the child or the department if it is established that the petition is based only upon a dislike of reasonable rules or reasonable discipline established by the parent.

~~(2) (The order approving out of home placement shall direct the department to submit a disposition plan for a three month placement of the child that is designed to reunite the family and resolve the family conflict. Such plan shall delineate any conditions or limitations on parental involvement. In making the order, the court shall further direct the department to make recommendations, as to which agency or person should have physical custody of the child, as to which parental powers should be awarded to such agency or person, and as to parental visitation rights. The court may direct the department to consider the cultural heritage of the child in making its recommendations.)~~

~~(3) The hearing to consider the recommendations of the department for a three month disposition plan shall be set no later than fourteen days after the approval of the court of a petition to approve alternative residential placement. Each party shall be notified of the time and place of such disposition hearing.~~

~~(4) If the court approves or denies a petition for an alternative residential placement, a written statement of the reasons shall be filed. If the court denies a petition requesting that a child be placed in a residence other than the home of his or her parent, the court shall enter an order requiring the child to remain at or return to the home of his or her parent.~~

~~(5) If the court denies the petition, the court shall impress upon the party filing the petition of the legislative intent to restrict the proceedings to situations where a family conflict is so great that it cannot be resolved by the provision of in home services.~~

~~(6) A child who fails to comply with a court order directing that the child remain at or return to the home of his or her parent shall be subject to contempt proceedings, as provided in this chapter, but only if the noncompliance occurs within ninety calendar days after the day of the order.~~

~~(7) The department may request, and the juvenile court may grant, dismissal of an alternative residential placement order when it is not feasible for the department to provide services due to one or more of the following circumstances:~~

~~(a) The child has been absent from court approved placement for thirty consecutive days or more;~~

~~(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or~~

~~(c) The department has exhausted all available and appropriate resources that would result in reunification.)~~

Following the fact-finding hearing the court shall: (a) Enter a temporary out-of-home placement for a period not to exceed fourteen days pending approval of a disposition decision to be made under section 20(2) of this act; (b) approve an at-risk youth petition filed by the parents; (c)

dismiss the petition; or (d) order the department to review the case to determine whether the case is appropriate for a dependency petition under chapter 13.34 RCW.

Sec. 19. RCW 13.32A.175 and 1987 c 435 s 13 are each amended to read as follows:

In any proceeding in which the court approves an (~~alternative residential~~) out-of-home placement, the court shall inquire into the ability of parents to contribute to the child's support. If the court finds that the parents are able to contribute to the support of the child, the court shall order them to make such support payments as the court deems equitable. The court may enforce such an order by execution or in any way in which a court of equity may enforce its orders. However, payments shall not be required of a parent who has both opposed the placement and continuously sought reconciliation with, and the return of, the child. All orders entered in a proceeding approving (~~alternative residential~~) out-of-home placement shall be in compliance with the provisions of RCW 26.23.050.

NEW SECTION. **Sec. 20.** A new section is added to chapter 13.32A RCW to read as follows:

(1) A hearing shall be held no later than fourteen days after the approval of the temporary out-of-home placement. The parents, child, and department shall be notified of the time and place of the hearing.

(2) At the commencement of the hearing the court shall advise the parents of their rights as set forth in RCW 13.32A.160(1)(e). If the court approves or denies a child in need of services petition, a written statement of the reasons shall be filed. At the conclusion of the hearing the court may: (a) Reunite the family and dismiss the petition; (b) approve an at-risk youth petition filed by the parents; (c) approve a voluntary out-of-home placement requested by the parents; (d) order any conditions set forth in RCW 13.32A.196(2); or (e) order the department to file a petition for dependency under chapter 13.34 RCW.

(3) At the conclusion of the hearing, if the court has not taken action under subsection (2) of this section it may, at the request of the child or department, enter an order for out-of-home placement for not more than ninety days. The court may only enter an order under this subsection if it finds by clear, cogent, and convincing evidence that: (a)(i) The order is in the best interest of the family; (ii) the parents have not requested an out-of-home placement; (iii) the parents have not exercised any other right listed in RCW 13.32A.160(1)(e); (iv) the child has made reasonable efforts to resolve the conflict; (v) the conflict cannot be resolved by delivery of services to the family during continued placement of the child in the parental home; (vi) reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and (vii) a suitable out-of-home placement resource is available; (b)(i) the order is in the best interest of the child; and (ii) the parents are unavailable; or (c) the parent's actions cause an imminent threat to the child's health or safety. If the court has entered an order under this section, it may order any conditions set forth in RCW 13.32A.196(2).

(4) A child who fails to comply with a court order issued under this section shall be subject to contempt proceedings, as provided in this chapter, but only if the noncompliance occurs within one year after the entry of the order.

(5) The parents or the department may request, and the court may grant, dismissal of a placement order when it is not feasible for the department to provide services due to one or more of the following circumstances:

(a) The child has been absent from court approved placement for thirty consecutive days or more;

(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or

(c) The department has exhausted all available and appropriate resources that would result in reunification.

(6) The court shall dismiss a placement made under subsection (2)(c) of this section upon the request of the parents.

NEW SECTION. **Sec. 21.** A new section is added to chapter 13.32A RCW to read as follows:

The crisis residential center administrator shall notify parents and the appropriate law enforcement agency immediately as to any unauthorized leave from the center by a child placed at the center.

Sec. 22. RCW 13.32A.177 and 1988 c 275 s 14 are each amended to read as follows:

A determination of ~~((child))~~ support payments ordered under RCW 13.32A.175 shall be based upon ~~((the child support schedule and standards adopted under))~~ chapter 26.19 RCW ((26.19.040)).

Sec. 23. RCW 13.32A.180 and 1979 c 155 s 32 are each amended to read as follows:

(1) ~~((At a dispositional hearing held to consider the three month dispositional plan presented by the department the court shall consider all such recommendations included therein. The court, consistent with the stated goal of resolving the family conflict and reuniting the family, may modify such plan and shall make its dispositional order for))~~ If the court orders a three-month out-of-home placement for the child((-)), the court ((dispositional order)) shall specify the person or agency with whom the child shall be placed, those parental powers which will be temporarily awarded to such agency or person including but not limited to the right to authorize medical, dental, and optical treatment, and parental visitation rights. Any agency or residence at which the child is placed must, at a minimum, comply with minimum standards for licensed family foster homes.

(2) No placement made pursuant to this section may be in a secure residence as defined by the federal Juvenile Justice and Delinquency Prevention Act of 1974 ~~((and clarifying interpretations and regulations promulgated thereunder))~~.

Sec. 24. RCW 13.32A.190 and 1989 c 269 s 5 are each amended to read as follows:

(1) Upon making a dispositional order under ~~((RCW 13.32A.180))~~ section 20 of this act, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel and/or a guardian ad litem to represent the child at the review hearing, advise parents of their right to be represented by legal counsel at the review hearing, and notify the parties of their rights to present evidence at the hearing. Where resources are available, the court shall encourage the parent and child to participate in ~~((mediation))~~ programs for reconciliation of their conflict.

(2) At the review hearing, the court shall approve or disapprove the continuation of the dispositional plan in accordance with ~~((the goal of resolving the conflict and reuniting the family which governed the initial approval))~~ this chapter. The court shall determine whether reasonable efforts have been made to reunify the family and make it possible for the child to return home. The court ~~((is authorized to))~~ shall discontinue the placement and order that the child return home if the court has reasonable grounds to believe that the parents have ~~((displayed concerted))~~ made reasonable efforts to ((utilize services and)) resolve the conflict and the court has reason to believe that the child's refusal to return home is capricious. If out-of-home placement is continued, the court may modify the dispositional plan.

(3) Out-of-home placement may not be continued past one hundred eighty days from the day the review hearing commenced. The court shall order ~~((that))~~ the child to return to the home of the parent at the expiration of the placement. If ~~((continued))~~ an out-of-home placement is disapproved prior to one hundred eighty days, the court shall enter an order requiring ~~((that))~~ the child to return to the home of the child's parent.

(4) The ~~parents and the~~ department may request, and the juvenile court may grant, dismissal of an ~~((alternative residential))~~ out-of-home placement order when it is not feasible for the department to provide services due to one or more of the following circumstances:

(a) The child has been absent from court approved placement for thirty consecutive days or more;

(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or

(c) The department has exhausted all available and appropriate resources that would result in reunification.

(5) The court shall terminate a placement made under this section upon the request of a parent unless the placement is made pursuant to section 20(3) of this act.

NEW SECTION. Sec. 25. A new section is added to chapter 13.32A RCW to read as follows:

(1) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioner resides. The petition shall set forth the name, age, and residence of the child and the names and residence of the child's parents and shall allege that:

- (a) The child is an at-risk youth as defined in this chapter;
- (b) The petitioner has the right to legal custody of the child;
- (c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and
- (d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.

(2) The petition shall set forth facts that support the allegations in this section and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at-risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child.

(3) A petition may not be filed if a dependency petition is pending under chapter 13.34 RCW.

Sec. 26. RCW 13.32A.192 and 1990 c 276 s 12 are each amended to read as follows:

(1) When a proper at-risk youth petition is filed by a child's parent under ~~((RCW 13.32A.120 or 13.32A.150))~~ this chapter, the juvenile court shall:

- (a) Schedule a fact-finding hearing to be held within three judicial days and notify the parent and the child of such date;
- (b) Notify the parent of the right to be represented by counsel at the parent's own expense;
- (c) Appoint legal counsel for the child;
- (d) Inform the child and his or her parent of the legal consequences of the court finding the child to be an at-risk youth; and
- (e) Notify the parent and the child of their rights to present evidence at the fact-finding hearing.

(2) Unless out-of-home placement of the child is otherwise authorized or required by law, the child shall reside in the home of his or her parent or in an ~~((alternative residential))~~ out-of-home placement requested by the parent or child and approved by the parent. ~~((Upon request by the parent, the court may enter a court order requiring the child to reside in the home of his or her parent or an alternative residential placement approved by the parent.))~~

(3) If upon sworn written or oral declaration of the petitioning parent, the court has reason to believe that a child has willfully and knowingly violated a court order issued pursuant to subsection (2) of this section, the court may issue an order directing law enforcement to take the child into custody and place the child in a juvenile detention facility or in a secure facility within a crisis residential center ~~((licensed by the department and established pursuant to chapter 74.13 RCW)).~~ If the child is placed in detention, a review shall be held as provided in RCW 13.32A.065.

(4) If both ~~((an alternative residential placement))~~ a child in need of services petition and an at-risk youth petition have been filed with regard to the same child, the petitions and proceedings shall be consolidated ~~((for purposes of fact finding))~~ as an at-risk youth petition. Pending a fact-finding hearing regarding the petition, the child may be placed~~((;-))~~ in the parent's home or in an out-of-home placement if not already placed~~((;-))~~ in ~~((an alternative residential))~~ a temporary out-of-home placement ~~((as provided in RCW 13.32A.160 unless the court has previously entered an order requiring the child to reside in the home of his or her parent)).~~ The child or the parent may request a review of the child's placement including a review of any court order requiring the child to reside in the parent's home. ~~((At the review the court, in its discretion, may order the child placed in the parent's home or in an alternative residential placement pending the hearing.))~~

Sec. 27. RCW 13.32A.194 and 1990 c 276 s 13 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing to consider a proper at-risk youth petition. The court ~~((may))~~ shall grant the petition and enter an order finding the child to be an at-risk youth if the allegations in the petition are established by a preponderance of the evidence~~((The court shall not~~

~~enter such an order if the court has approved an alternative residential placement petition regarding the child or if), unless the child is the subject of a proceeding under chapter 13.34 RCW. If the petition is granted, the court shall enter an order requiring the child to reside in the home of his or her parent or ((in an alternative residential placement approved by the parent)) in an out-of-home placement as provided in RCW 13.32A.192(2).~~

(2) The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings.

(3) A dispositional hearing shall be held no later than fourteen days after the court has granted an at-risk youth petition. Each party shall be notified of the time and date of the hearing.

(4) If the court grants or denies an at-risk youth petition, a statement of the written reasons shall be entered into the records. If the court denies an at-risk youth petition, the court shall verbally advise the parties that the child is required to remain within the care, custody, and control of his or her parent.

Sec. 28. RCW 13.32A.196 and 1991 c 364 s 14 are each amended to read as follows:

(1) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

(2) The court may set conditions of supervision for the child that include:

- (a) Regular school attendance;
- (b) Counseling;
- (c) Participation in a substance abuse or mental health outpatient treatment program;
- (d) Reporting on a regular basis to the department or any other designated person or agency;

and

(e) Any other condition the court deems an appropriate condition of supervision including but not limited to: Employment, participation in an anger management program, and refraining from using alcohol or drugs.

(3) No dispositional order or condition of supervision ordered by a court pursuant to this section shall include involuntary commitment of a child for substance abuse or mental health treatment.

(4) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled.

(5) The parent may request dismissal of an at-risk youth proceeding or out-of-home placement at any time and upon such a request, the court shall dismiss the matter and cease court supervision of the child unless: (a) A contempt action is pending in the case; (b) a petition has been filed under RCW 13.32A.150 and a hearing has not yet been held under section 20 of this act; or (c) an order has been entered under section 20(3) of this act and the court retains jurisdiction under that subsection. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

~~((5))~~ (6) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case.

Sec. 29. RCW 13.32A.250 and 1990 c 276 s 16 are each amended to read as follows:

(1) In all ~~((alternative residential placement))~~ child in need of services proceedings and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of a court order entered pursuant to this chapter. The court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties under this section.

(2) Failure by a party to comply with an order entered under this chapter is a contempt of court as provided in chapter 7.21 RCW, subject to the limitations of subsection ~~((2))~~ (3) of this section.

(3) The court may impose a fine of up to one hundred dollars and ~~((imprisonment))~~ confinement for up to seven days, or both for contempt of court under this section.

(4) A child ~~((imprisoned))~~ placed in confinement for contempt under this section shall be ~~((imprisoned))~~ placed in confinement only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(5) A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

NEW SECTION. Sec. 30. A new section is added to chapter 13.32A RCW to read as follows:

(1) This section contains special provisions to deal with the extraordinary dangers to children who are habitual runaways and to assist families to cope with the acute problems presented by such children.

(2) In disposition proceedings involving a child in need of services or an at-risk youth, the court may adopt the additional orders authorized under this section if it finds that the child involved in those proceedings is an habitual runaway. The court may include in its dispositional orders a requirement that the child be placed, for up to one hundred eighty consecutive days, in a facility that the court finds operates with a level of security adequate to prevent the child from leaving the facility without authorization and that will provide for the child's participation in a program designed to remedy his or her behavior difficulties. The court may not include this requirement unless, at the disposition hearing, it finds that the placement is clearly necessary in order to protect the child and that less-restrictive orders not requiring such placement would be inadequate to protect the child, given the child's age, maturity, propensity to run away from home, past exposure to serious risk when the child ran away from home, and possible future exposure to serious risk should the child run away from home again. The orders shall also contain provisions providing for periodic court review of the placement, with the first review hearing conducted not more than thirty days after the date of the placement. Prior to each review hearing, the court shall advise the parents of their right to counsel and shall have appointed counsel to represent the child. At each review hearing the court shall review the orders to determine the progress of the child and whether the orders are still necessary for the protection of the child and whether a less-restrictive order of placement would be adequate. The court shall make such modifications in its orders as it finds necessary to protect the child. Unless the court provides to the contrary, review hearings of orders adopted under this section shall be held exclusively under this section and shall not be subject to the review provisions applicable under this chapter to disposition orders pertaining to a child in need of services or to at-risk youth.

(3) In disposition proceedings involving a child in need of services or an at-risk youth, the court may impose the following additional sanction on an habitual runaway for violation of any court order: The court may order the department of licensing to suspend the child's driver's license for ninety days.

(4) For purposes of this section, a child is an "habitual runaway" if the child, on three or more separate occasions within the twelve-month period before the commencement of the disposition proceedings, has been absent from the parent's home, or other residence lawfully prescribed for the child, for more than seventy-two consecutive hours without consent of the parent; or if the child during such twelve-month period has been absent from such home or residence without consent of the parent for more than thirty consecutive days.

(5) State funds may only be used to pay for placements under this section if, and to the extent that, such funds are appropriated to expressly pay for them.

NEW SECTION. Sec. 31. A new section is added to chapter 46.20 RCW to read as follows:

When the department of licensing is provided with a court order under section 30 of this act, the department shall suspend for ninety days all driving privileges of the juvenile identified in the order.

NEW SECTION. Sec. 32. A new section is added to chapter 13.32A RCW to read as follows:

No superior court may refuse to accept for filing a properly completed and presented child in need of services petition or an at-risk youth petition. To be properly presented, the petitioner shall verify that the family assessment required under RCW 13.32A.150 has been completed. In the event of an improper refusal that is appealed and reversed, the petitioner shall be awarded actual damages, costs, and attorneys' fees.

NEW SECTION. Sec. 33. A new section is added to chapter 13.32A RCW to read as follows:

(1) If any child under the age of ten has remained in out-of-home placement for a period exceeding nine months pursuant to a court order entered under this chapter, the court shall schedule a hearing to take place no later than one year after the initial placement. For a child over ten who has remained in out-of-home placement for a period exceeding fifteen months, the court shall schedule a hearing to take place no later than eighteen months after the initial placement.

(2) At the hearing the court shall determine whether the case should be referred to the department for the purpose of considering the filing of a dependency petition under chapter 13.34 RCW. In determining whether to refer the case to the department, the court shall determine whether it is in the child's or family's best interest to begin permanency planning as required under chapter 13.34 RCW.

(3) If the court refers the case to the department, it may identify one of the following outcomes as the primary goal for the referral and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; or, where age-appropriate, independent living or emancipation.

(4) If the court does not refer the case to the department under subsection (2) of this section, the court shall continue to review the case every six months, for as long as the child remains out-of-home under a court order.

NEW SECTION. Sec. 34. A new section is added to chapter 13.32A RCW to read as follows:

(1) Any person who, without legal authorization, provides shelter to a minor and who knows at the time of providing the shelter that the minor is away from the parent's home, or other lawfully prescribed residence, without the permission of the parent, shall promptly report the location of the child to the parent, the law enforcement agency of the jurisdiction in which the person lives, or the department. The report may be made by telephone or any other reasonable means.

(2) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Shelter" means the person's home or any structure over which the person has any control.

(b) "Promptly report" means to report within eight hours after the person has knowledge that the minor is away from home without parental permission.

(c) "Parent" means any parent having legal custody of the child, whether individually or jointly.

NEW SECTION. Sec. 35. A new section is added to chapter 13.32A RCW to read as follows:

Violation of section 34 of this act is a misdemeanor.

NEW SECTION. Sec. 36. A new section is added to chapter 13.32A RCW to read as follows:

If a person provides the notice required in section 34 of this act, he or she is immune from liability for any cause of action arising from providing shelter to the child. The immunity shall not extend to acts of intentional misconduct or gross negligence by the person providing the shelter.

NEW SECTION. Sec. 37. A new section is added to chapter 13.32A RCW to read as follows:

Whenever a law enforcement agency receives a report from a parent that his or her child, or child over whom the parent has custody, has without permission of the parent left the home or

residence lawfully prescribed for the child under circumstances where the parent believes that the child has run away from the home or the residence, the agency shall provide for placing information identifying the child in files under RCW 43.43.510.

NEW SECTION. Sec. 38. A new section is added to chapter 13.32A RCW to read as follows:

Upon the admissions of a child to a crisis residential center the administrator of the facility shall request the department to provide: (1) The name of any sibling of the child who has been: (a) Placed under the jurisdiction of the juvenile rehabilitation administration; or (b) subject to a proceeding under chapter 13.34 RCW; and (2) information regarding whether the child has run away multiple times.

The department shall provide the information as soon as feasible. The administrator may utilize the information in assessing the needs of the child but a petition filed under this chapter may not be based solely on this information.

Sec. 39. RCW 13.04.030 and 1994 sp.s. c 7 s 519 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the juvenile courts in the several counties of this state, shall have exclusive original jurisdiction over all proceedings:

(a) Under the interstate compact on placement of children as provided in chapter 26.34 RCW;

(b) Relating to children alleged or found to be dependent as provided in chapter 26.44 RCW and in RCW 13.34.030 through 13.34.170;

(c) Relating to the termination of a parent and child relationship as provided in RCW 13.34.180 through 13.34.210;

(d) To approve or disapprove (~~alternative residential~~) out-of-home placement as provided in RCW 13.32A.170;

(e) Relating to juveniles alleged or found to have committed offenses, traffic infractions, or violations as provided in RCW 13.40.020 through 13.40.230, unless:

(i) The juvenile court transfers jurisdiction of a particular juvenile to adult criminal court pursuant to RCW 13.40.110; or

(ii) The statute of limitations applicable to adult prosecution for the offense, traffic infraction, or violation has expired; or

(iii) The alleged offense or infraction is a traffic, fish, boating, or game offense or traffic infraction committed by a juvenile sixteen years of age or older and would, if committed by an adult, be tried or heard in a court of limited jurisdiction, in which instance the appropriate court of limited jurisdiction shall have jurisdiction over the alleged offense or infraction: PROVIDED, That if such an alleged offense or infraction and an alleged offense or infraction subject to juvenile court jurisdiction arise out of the same event or incident, the juvenile court may have jurisdiction of both matters: PROVIDED FURTHER, That the jurisdiction under this subsection does not constitute "transfer" or a "decline" for purposes of RCW 13.40.110(1) or (e)(i) of this subsection: PROVIDED FURTHER, That courts of limited jurisdiction which confine juveniles for an alleged offense or infraction may place juveniles in juvenile detention facilities under an agreement with the officials responsible for the administration of the juvenile detention facility in RCW 13.04.035 and 13.20.060; or

(iv) The juvenile is sixteen or seventeen years old and the alleged offense is: (A) A serious violent offense as defined in RCW 9.94A.030 committed on or after June 13, 1994; or (B) a violent offense as defined in RCW 9.94A.030 committed on or after June 13, 1994, and the juvenile has a criminal history consisting of: (I) One or more prior serious violent offenses; (II) two or more prior violent offenses; or (III) three or more of any combination of the following offenses: Any class A felony, any class B felony, vehicular assault, or manslaughter in the second degree, all of which must have been committed after the juvenile's thirteenth birthday and prosecuted separately. In such a case the adult criminal court shall have exclusive original jurisdiction.

If the juvenile challenges the state's determination of the juvenile's criminal history, the state may establish the offender's criminal history by a preponderance of the evidence. If the criminal history consists of adjudications entered upon a plea of guilty, the state shall not bear a burden of establishing the knowing and voluntariness of the plea;

(f) Under the interstate compact on juveniles as provided in chapter 13.24 RCW;

(g) Relating to termination of a diversion agreement under RCW 13.40.080, including a proceeding in which the divertee has attained eighteen years of age; and

(h) Relating to court validation of a voluntary consent to foster care placement under chapter 13.34 RCW, by the parent or Indian custodian of an Indian child, except if the parent or Indian custodian and child are residents of or domiciled within the boundaries of a federally recognized Indian reservation over which the tribe exercises exclusive jurisdiction.

(2) The family court shall have concurrent original jurisdiction with the juvenile court over all proceedings under this section if the superior court judges of a county authorize concurrent jurisdiction as provided in RCW 26.12.010.

(3) A juvenile subject to adult superior court jurisdiction under subsection (1)(e) (i) through (iv) of this section, who is detained pending trial, may be detained in a county detention facility as defined in RCW 13.40.020 pending sentencing or a dismissal.

Sec. 40. RCW 13.04.040 and 1983 c 191 s 14 are each amended to read as follows:

The administrator shall, in any county or judicial district in the state, appoint or designate one or more persons of good character to serve as probation counselors during the pleasure of the administrator. The probation counselor shall:

(1) Receive and examine referrals to the juvenile court for the purpose of considering the filing of a petition or information pursuant to chapter 13.32A or 13.34 RCW (~~13.34.040, 13.34.180, and~~) or RCW 13.40.070 (~~as now or hereafter amended, and RCW 13.32A.150~~);

(2) Make recommendations to the court regarding the need for continued detention or shelter care of a child unless otherwise provided in this title;

(3) Arrange and supervise diversion agreements as provided in RCW 13.40.080, (~~as now or hereafter amended,~~) and ensure that the requirements of such agreements are met except as otherwise provided in this title;

(4) Prepare predisposition studies as required in RCW 13.34.120 and 13.40.130, (~~as now or hereafter amended,~~) and be present at the disposition hearing to respond to questions regarding the predisposition study: PROVIDED, That such duties shall be performed by the department (~~of social and health services~~) for cases relating to dependency or to the termination of a parent and child relationship which is filed by the department (~~of social and health services~~) unless otherwise ordered by the court; and

(5) Supervise court orders of disposition to ensure that all requirements of the order are met.

All probation counselors shall possess all the powers conferred upon sheriffs and police officers to serve process and make arrests of juveniles under their supervision for the violation of any state law or county or city ordinance.

The administrator may, in any county or judicial district in the state, appoint one or more persons who shall have charge of detention rooms or houses of detention.

The probation counselors and persons appointed to have charge of detention facilities shall each receive compensation which shall be fixed by the legislative authority of the county, or in cases of joint counties, judicial districts of more than one county, or joint judicial districts such sums as shall be agreed upon by the legislative authorities of the counties affected, and such persons shall be paid as other county officers are paid.

The administrator is hereby authorized, and to the extent possible is encouraged to, contract with private agencies existing within the community for the provision of services to youthful offenders and youth who have entered into diversion agreements pursuant to RCW 13.40.080(~~, as now or hereafter amended~~).

The administrator shall establish procedures for the collection of fines assessed under RCW 13.40.080 (2)(d) and (13) and for the payment of the fines into the county general fund.

Sec. 41. RCW 13.04.093 and 1991 c 363 s 11 are each amended to read as follows:

It shall be the duty of the prosecuting attorney to act in proceedings relating to the commission of a juvenile offense as provided in RCW 13.40.070 and 13.40.090 and in proceedings as provided in chapter 71.34 RCW. It shall be the duty of the prosecuting attorney to handle delinquency cases under chapter 13.24 RCW and it shall be the duty of the attorney general to handle dependency cases under chapter 13.24 RCW. It shall be the duty of the attorney general in contested cases brought by the department to present the evidence supporting any petition alleging dependency or seeking the termination of a parent and child relationship or any contested case filed under RCW 26.33.100 or approving or disapproving (~~alternative residential~~) out-of-home placement: PROVIDED, That in each county with a population of less than two hundred ten thousand, the attorney general may contract

with the prosecuting attorney of the county to perform (~~said~~) the duties of the attorney general under this section.

NEW SECTION. Sec. 42. The department of social and health services shall develop a plan for the development of an intensive treatment system for children whose behavior puts them at serious risk of harm to themselves or others. In developing this plan, the department shall work with service providers, community leaders, representatives of different cultural communities, businesses, educational institutions, community networks, and others to propose a continuum of services, including placement alternatives, for children who might otherwise be on the street.

In developing this plan, the department shall identify existing local and state services and barriers to those services for children. The plan for intensive treatment services, to the extent possible, shall build upon those existing resources.

The plan shall be presented to the legislature and the governor no later than December 1, 1995.

NEW SECTION. Sec. 43. A new section is added to chapter 13.32A RCW to read as follows:

Nothing in this chapter shall be construed to create an entitlement to services nor to create judicial authority to order the provision at public expense of services to any person or family where the department has determined that such services are unavailable or unsuitable or that the child or family are not eligible for such services.

NEW SECTION. Sec. 44. A new section is added to chapter 13.32A RCW to read as follows:

In approving a petition under this chapter, a child may be placed in a semi-secure crisis residential center as a temporary out-of-home placement under the following conditions: (1) No other suitable out-of-home placement is available; (2) space is available in the semi-secure crisis residential center; and (3) no child will be denied access for a five-day placement due to this placement.

Any child referred to a semi-secure crisis residential center by a law enforcement officer, the department, or himself or herself shall have priority over a temporary out-of-home placement in the facility. Any out-of-home placement order shall be subject to this priority, and the administrator of the semi-secure crisis residential center shall transfer the temporary out-of-home placement youth to a new out-of-home placement as necessary to ensure access for youth needing the semi-secure crisis residential center.

Sec. 45. RCW 43.43.510 and 1967 ex.s. c 27 s 2 are each amended to read as follows:

As soon as is practical and feasible there shall be established, by means of data processing, files listing stolen and wanted vehicles, outstanding warrants, identifying children whose parents, custodians, or legal guardians have reported as having run away from home or the custodial residence, identifiable stolen property, and such other files as may be of general assistance to law enforcement agencies.

Sec. 46. RCW 70.96A.090 and 1990 c 151 s 5 are each amended to read as follows:

(1) The department shall adopt rules establishing standards for approved treatment programs, the process for the review and inspection program applying to the department for certification as an approved treatment program, and fixing the fees to be charged by the department for the required inspections. The standards may concern the health standards to be met and standards of services and treatment to be afforded patients.

(2) The department may suspend, revoke, limit, restrict, or modify an approval, or refuse to grant approval, for failure to meet the provisions of this chapter, or the standards adopted under this chapter. RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(3) No treatment program may advertise or represent itself as an approved treatment program if approval has not been granted, has been denied, suspended, revoked, or canceled.

(4) Certification as an approved treatment program is effective for one calendar year from the date of issuance of the certificate. The certification shall specify the types of services provided by the approved treatment program that meet the standards adopted under this chapter. Renewal of

certification shall be made in accordance with this section for initial approval and in accordance with the standards set forth in rules adopted by the secretary.

(5) Approved treatment programs shall not provide alcoholism or other drug addiction treatment services for which the approved treatment program has not been certified. Approved treatment programs may provide services for which approval has been sought and is pending, if approval for the services has not been previously revoked or denied.

(6) The department periodically shall inspect approved public and private treatment programs at reasonable times and in a reasonable manner.

(7) The department shall maintain and periodically publish a current list of approved treatment programs.

(8) Each approved treatment program shall file with the department on request, data, statistics, schedules, and information the department reasonably requires. An approved treatment program that without good cause fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent returns thereof, may be removed from the list of approved treatment programs, and its certification revoked or suspended.

(9) The department shall use the data provided in subsection (8) of this section to evaluate each program that admits children to inpatient treatment upon application of their parents. The evaluation shall be done at least once every twelve months. In addition, the department shall randomly select and review the information on individual children who are admitted on application of the child's parent for the purpose of determining whether the child was appropriately placed into treatment based on an objective evaluation of the child's condition and the outcome of the child's treatment.

(10) Upon petition of the department and after a hearing held upon reasonable notice to the facility, the superior court may issue a warrant to an officer or employee of the department authorizing him or her to enter and inspect at reasonable times, and examine the books and accounts of, any approved public or private treatment program refusing to consent to inspection or examination by the department or which the department has reasonable cause to believe is operating in violation of this chapter.

Sec. 47. RCW 70.96A.095 and 1991 c 364 s 9 are each amended to read as follows:

(1) Any person (~~fourteen~~) thirteen years of age or older may give consent for himself or herself to the furnishing of counseling, care, treatment, or rehabilitation by a treatment program or by any person. Consent of the parent, parents, or legal guardian of a person less than eighteen years of age is not necessary to authorize the care, except that the person shall not become a resident of the treatment program without such permission except as provided in RCW 70.96A.120 or 70.96A.140. The parent, parents, or legal guardian of a person less than eighteen years of age are not liable for payment of care for such persons pursuant to this chapter, unless they have joined in the consent to the counseling, care, treatment, or rehabilitation.

(2) The parent of any minor child may apply to an approved treatment program for the admission of his or her minor child for purposes authorized in this chapter. The consent of the minor child shall not be required for the application or admission. The approved treatment program shall accept the application and evaluate the child for admission. The ability of a parent to apply to an approved treatment program for the involuntary admission of his or her minor child does not create a right to obtain or benefit from any funds or resources of the state. However, the state may provide services for indigent minors to the extent that funds are available therefor.

NEW SECTION. **Sec. 48.** A new section is added to chapter 70.96A RCW to read as follows:

(1) The admission of any child under RCW 70.96A.095 may be reviewed by the county-designated chemical dependency specialist between fifteen and thirty days following admission. The county-designated chemical dependency specialist may undertake the review on his or her own initiative and may seek reimbursement from the parents, their insurance, or medicaid for the expense of the review.

(2) The department shall ensure a review is conducted no later than sixty days following admission to determine whether it is medically appropriate to continue the child's treatment on an inpatient basis. The department may, subject to available funds, contract with a county for the conduct of the review conducted under this subsection and may seek reimbursement from the parents, their insurance, or medicaid for the expense of any review conducted by an agency under contract.

If the county-designated chemical dependency specialist determines that continued inpatient treatment of the child is no longer medically appropriate, the specialist shall notify the facility, the child, the child's parents, and the department of the finding within twenty-four hours of the determination.

(3) For purposes of eligibility for medical assistance under chapter 74.09 RCW, children in inpatient mental health or chemical dependency treatment shall be considered to be part of their parent's or legal guardian's household, unless the child has been assessed by the department of social and health services or its designee as likely to require such treatment for at least ninety consecutive days, or is in out-of-home care in accordance with chapter 13.34 RCW, or the child's parents are found to not be exercising responsibility for care and control of the child. Payment for such care by the department of social and health services shall be made only in accordance with rules, guidelines, and clinical criteria applicable to inpatient treatment of minors established by the department.

Sec. 49. RCW 70.96A.140 and 1993 c 362 s 1 are each amended to read as follows:

(1) When a designated chemical dependency specialist receives information alleging that a person is incapacitated as a result of chemical dependency, the designated chemical dependency specialist, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court.

If a petition for commitment is not filed in the case of a minor, the parent, guardian, or custodian who has custody of the minor may seek review of that decision made by the designated chemical dependency specialist in superior or district court. The parent, guardian, or custodian shall file notice with the court and provide a copy of the designated chemical dependency specialist's report.

If the designated chemical dependency specialist finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020 or 71.34.020. If placement in a chemical dependency program is available and deemed appropriate, the petition shall allege that: The person is chemically dependent and is incapacitated by alcohol or drug addiction, or that the person has twice before in the preceding twelve months been admitted for detoxification or chemical dependency treatment pursuant to RCW 70.96A.110, and is in need of a more sustained treatment program, or that the person is chemically dependent and has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning program or the department is eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained in a program, pursuant to RCW 70.96A.120, 71.05.210, or 71.34.050, ~~((as now or hereafter amended,))~~ in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the designated chemical dependency specialist on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the

public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is chemically dependent shall be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment program. It shall not order commitment of a person unless it determines that an approved treatment program is available and able to provide adequate and appropriate treatment for him or her.

(5) A person committed under this section shall remain in the program for treatment for a period of sixty days unless sooner discharged. At the end of the sixty-day period, he or she shall be discharged automatically unless the program, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged.

If a petition for recommitment is not filed in the case of a minor, the parent, guardian, or custodian who has custody of the minor may seek review of that decision made by the designated chemical dependency specialist in superior or district court. The parent, guardian, or custodian shall file notice with the court and provide a copy of the treatment progress report.

If a person has been committed because he or she is chemically dependent and likely to inflict physical harm on another, the program shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) Upon the filing of a petition for recommitment under subsection (5) of this section, the court shall fix a date for hearing no less than two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment program on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

(7) The approved treatment program shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment program to another if transfer is medically advisable.

(8) A person committed to the custody of a program for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of a chemically dependent person committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of a chemically dependent person committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

(9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating

to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the program providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the program designated to provide the less restrictive treatment is other than the program providing the initial involuntary treatment, the program so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated chemical dependency specialist of original commitment, and the court of original commitment. The program designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the program providing less restrictive care and the designated chemical dependency specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient's functioning has occurred, then the designated chemical dependency specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated chemical dependency specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient's functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive program. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

NEW SECTION. Sec. 50. A new section is added to chapter 70.96A RCW to read as follows:

Any provider of treatment in an approved treatment program who provides treatment to a minor under RCW 70.96A.095(1) must provide notice of the request for treatment to the minor's parents. The notice must be made within forty-eight hours of the request for treatment, excluding Saturdays, Sundays, and holidays, and must contain the same information as required under RCW 71.34.030(2)(b).

NEW SECTION. Sec. 51. A new section is added to chapter 70.96A RCW to read as follows:

Nothing in this chapter authorizes school district personnel to refer minors to any treatment program or treatment provider without providing notice of the referral to the parent, parents, or guardians.

Sec. 52. RCW 71.34.030 and 1985 c 354 s 3 are each amended to read as follows:

(1) Any minor thirteen years or older may request and receive outpatient treatment without the consent of the minor's parent. Parental authorization is required for outpatient treatment of a minor under the age of thirteen.

(2) When in the judgment of the professional person in charge of an evaluation and treatment facility there is reason to believe that a minor is in need of inpatient treatment because of a mental disorder, and the facility provides the type of evaluation and treatment needed by the minor, and it is not feasible to treat the minor in any less restrictive setting or the minor's home, the minor may be admitted to an evaluation and treatment facility in accordance with the following requirements:

~~(a) ((A minor under thirteen years of age may only be admitted on the application of the minor's parent.~~

~~(b)) A minor ((thirteen years or older)) may be voluntarily admitted by application of the parent. ((Such application must be accompanied by the written consent, knowingly and voluntarily given, of the minor.)) The consent of the minor is not required for the minor to be evaluated and admitted as appropriate.~~

~~((e)) (b) A minor thirteen years or older may, with the concurrence of the professional person in charge of an evaluation and treatment facility, admit himself or herself without parental consent to the evaluation and treatment facility, provided that notice is given by the facility to the minor's parent in accordance with the following requirements:~~

~~(i) Notice of the minor's admission shall be in the form most likely to reach the parent within twenty-four hours of the minor's voluntary admission and shall advise the parent that the minor has been admitted to inpatient treatment; the location and telephone number of the facility providing such treatment; and the name of a professional person on the staff of the facility providing treatment who is designated to discuss the minor's need for inpatient treatment with the parent.~~

~~(ii) The minor shall be released to the parent at the parent's request for release unless the facility files a petition with the superior court of the county in which treatment is being provided setting forth the basis for the facility's belief that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety.~~

~~(iii) The petition shall be signed by the professional person in charge of the facility or that person's designee.~~

~~(iv) The parent may apply to the court for separate counsel to represent the parent if the parent cannot afford counsel.~~

~~(v) There shall be a hearing on the petition, which shall be held within three judicial days from the filing of the petition.~~

~~(vi) The hearing shall be conducted by a judge, court commissioner, or licensed attorney designated by the superior court as a hearing officer for such hearing. The hearing may be held at the treatment facility.~~

~~(vii) At such hearing, the facility must demonstrate by a preponderance of the evidence presented at the hearing that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety. The hearing shall not be conducted using the rules of evidence, and the admission or exclusion of evidence sought to be presented shall be within the exercise of sound discretion by the judicial officer conducting the hearing.~~

~~((d)) (c) Written renewal of voluntary consent must be obtained from the applicant ((and the minor thirteen years or older)) no less than once every twelve months.~~

~~((e)) (d) The minor's need for continued inpatient treatments shall be reviewed and documented no less than every one hundred eighty days.~~

(3) A notice of intent to leave shall result in the following:

(a) Any minor under the age of thirteen must be discharged immediately upon written request of the parent.

(b) Any minor thirteen years or older voluntarily admitted may give notice of intent to leave at any time. The notice need not follow any specific form so long as it is written and the intent of the minor can be discerned.

(c) The staff member receiving the notice shall date it immediately, record its existence in the minor's clinical record, and send copies of it to the minor's attorney, if any, the county-designated mental health professional, and the parent.

(d) The professional person in charge of the evaluation and treatment facility shall discharge the minor, thirteen years or older, from the facility within twenty-four hours after receipt of the minor's

notice of intent to leave, unless the county-designated mental health professional or a parent or legal guardian files a petition or an application for initial detention within the time prescribed by this chapter.

(4) The ability of a parent to apply to a certified evaluation and treatment program for the involuntary admission of his or her minor child does not create a right to obtain or benefit from any funds or resources of the state. However, the state may provide services for indigent minors to the extent that funds are available therefor.

Sec. 53. RCW 71.34.050 and 1985 c 354 s 5 are each amended to read as follows:

(1) When a county-designated mental health professional receives information that a minor, thirteen years or older, as a result of a mental disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the county-designated mental health professional may take the minor, or cause the minor to be taken, into custody and transported to an evaluation and treatment facility providing inpatient treatment.

If the minor is not taken into custody for evaluation and treatment, the parent who has custody of the minor may seek review of that decision made by the county designated mental health professional in court. The parent shall file notice with the court and provide a copy of the county designated mental health professional's report or notes.

(2) Within twelve hours of the minor's arrival at the evaluation and treatment facility, the county-designated mental health professional shall serve on the minor a copy of the petition for initial detention, notice of initial detention, and statement of rights. The county-designated mental health professional shall file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service. The county-designated mental health professional shall commence service of the petition for initial detention and notice of the initial detention on the minor's parent and the minor's attorney as soon as possible following the initial detention.

(3) At the time of initial detention, the county-designated mental health professional shall advise the minor both orally and in writing that if admitted to the evaluation and treatment facility for inpatient treatment, a commitment hearing shall be held within seventy-two hours of the minor's provisional acceptance to determine whether probable cause exists to commit the minor for further mental health treatment.

The minor shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the minor is indigent.

(4) Whenever the county designated mental health professional petitions for detention of a minor under this chapter, an evaluation and treatment facility providing seventy-two hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within twenty-four hours of the minor's arrival, the facility must evaluate the minor's condition and either admit or release the minor in accordance with this chapter.

(5) If a minor is not approved for admission by the inpatient evaluation and treatment facility, the facility shall make such recommendations and referrals for further care and treatment of the minor as necessary.

Sec. 54. RCW 71.34.070 and 1985 c 354 s 7 are each amended to read as follows:

(1) The professional person in charge of an evaluation and treatment facility where a minor has been admitted involuntarily for the initial seventy-two hour treatment period under this chapter may petition to have a minor committed to an evaluation and treatment facility for fourteen-day diagnosis, evaluation, and treatment.

If the professional person in charge of the treatment and evaluation facility does not petition to have the minor committed, the parent who has custody of the minor may seek review of that decision in court. The parent shall file notice with the court and provide a copy of the treatment and evaluation facility's report.

(2) A petition for commitment of a minor under this section shall be filed with the superior court in the county where the minor is residing or being detained.

(a) A petition for a fourteen-day commitment shall be signed either by two physicians or by one physician and a mental health professional who have examined the minor and shall contain the following:

- (iv) A statement that the petitioner has examined the minor and finds that the minor's condition meets required criteria for fourteen-day commitment and the supporting facts therefor;
- (v) A statement that the minor has been advised of the need for voluntary treatment but has been unwilling or unable to consent to necessary treatment;
- (vi) A statement recommending the appropriate facility or facilities to provide the necessary treatment; and
- (vii) A statement concerning whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(b) A copy of the petition shall be personally delivered to the minor by the petitioner or petitioner's designee. A copy of the petition shall be sent to the minor's attorney and the minor's parent.

(2) The department shall ensure a review is conducted no later than sixty days following admission to determine whether it is medically appropriate to continue the child's treatment on an inpatient basis. The department may, subject to available funds, contract with a county for the conduct of the review conducted under this subsection and may seek reimbursement from the parents, their insurance, or medicaid for the expense of any review conducted by an agency under contract.

If the county-designated mental health professional determines that continued inpatient treatment of the child is no longer medically appropriate, the professional shall notify the facility, the child, the child's parents, and the department of the finding within twenty-four hours of the determination.

(3) For purposes of eligibility for medical assistance under chapter 74.09 RCW, children in inpatient mental health or chemical dependency treatment shall be considered to be part of their parent's or legal guardian's household, unless the child has been assessed by the department of social and health services or its designee as likely to require such treatment for at least ninety consecutive days, or is in out-of-home care in accordance with chapter 13.34 RCW, or the child's parents are found to not be exercising responsibility for care and control of the child. For a person under the age of eighteen years to obtain a

motorcycle endorsement, he or she must successfully complete a motorcycle safety education course that meets the standards established by the department of licensing.

Sec. 83. RCW 82.14.300 and 1990 2nd ex.s. c 1 s 1 are each amended to read as follows:

The legislature finds and declares that local government criminal justice systems are in need of assistance. Many counties and cities are unable to provide sufficient funding for additional police protection, mitigation of congested court systems, public safety education, and relief of overcrowded jails.

In order to ensure public safety, it is necessary to provide fiscal assistance to help local governments to respond immediately to these criminal justice problems, while initiating a review of the criminal justice needs of cities and counties and the resources available to address those needs.

To provide for a more efficient and effective response to these problems, the legislature encourages cities and counties to coordinate strategies against crime and use multijurisdictional and innovative approaches in addressing criminal justice problems.

~~((The legislature intends to provide fiscal assistance to counties and cities in the manner provided in this act until the report of the task force created under RCW 82.14.301 is available for consideration by the legislature.))~~

(a) Unless reduced by this subsection, thirty percent of the moneys shall be distributed ratably based on population as last determined by the office of financial management to those cities eligible under subsection (2) of this section that have a crime rate determined under subsection (2)(a) of this section which is greater than one hundred seventy-five percent of the state-wide average crime rate. No city may receive more than fifty percent of any moneys distributed under this subsection (a) but, if a city distribution is reduced as a result of exceeding the fifty percent limitation, the amount not distributed shall be distributed under (b) of this subsection.

Criminal justice purposes are defined as activities that substantially assist the criminal justice system, which may include circumstances where ancillary benefit to the civil justice system occurs, and which includes domestic violence services such as those provided by domestic violence programs, community advocates, and legal advocates, as defined in RCW 70.123.020, and publications and public educational efforts designed to provide information and assistance to parents in dealing with runaway or at-risk youth. Existing funding for purposes of this subsection is defined as calendar year 1989 actual operating expenditures for criminal justice purposes. CONFERENCE COMMITTEE REPORT

ESSB 5244 Date: April 23, 1995

Includes "new item": YES

Mr. Speaker:
Mr. President:

We of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 5244, Revising the definition of "dependent child" for purposes of aid to families with dependent children, have had the same under consideration and we recommend that all previous amendments not be adopted; that the striking amendment (attached 5244-S.E AMC CONF S3408.4) by the Conference Committee be adopted; and

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.12.010 and 1992 c 136 s 2 are each amended to read as follows:

For the purposes of the administration of aid to families with dependent children assistance, the term "dependent child" means any child in need under the age of eighteen years who has been deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of the parent, and who is living with a relative as specified under federal aid to families with dependent children program requirements, in a place of residence maintained by one or more of such relatives as his or their homes.

Neither the definition of "dependent child" under this section nor any other provision under this chapter shall limit the requirements of the department to provide notification to parents under section 2 of this act or limit the right of a responsible parent to be excused from providing support for a dependent child under sections 4 and 5 of this act.

The term a "dependent child" shall, notwithstanding the foregoing, also include a child who would meet such requirements except for his removal from the home of a relative specified above as a result of a judicial determination that continuation therein would be contrary to the welfare of such child, for whose placement and care the state department of social and health services or the county office is responsible, and who has been placed in a licensed or approved child care institution or foster home as a result of such determination and who: (1) Was receiving an aid to families with dependent children grant for the month in which court proceedings leading to such determination were initiated; or (2) would have received aid to families with dependent children for such month if application had been made therefor; or (3) in the case of a child who had been living with a specified relative within six months prior to the month in which such proceedings were initiated, would have received aid to families with dependent children for such month if in such month he had been living with such a relative and application had been made therefor, as authorized by the Social Security Act: PROVIDED, That to the extent authorized by the legislature in the biennial appropriations act and to the extent that matching funds are available from the federal government, aid to families with dependent children assistance shall be available to any child in need who has been deprived of parental support or care by reason of the unemployment of a parent or stepparent liable under this chapter for support of the child.

"Aid to families with dependent children" means money payments, services, and remedial care with respect to a dependent child or dependent children and the needy parent or relative with whom the

child lives and may include another parent or stepparent of the dependent child if living with the parent and if the child is a dependent child by reason of the physical or mental incapacity or unemployment of a parent or stepparent liable under this chapter for the support of such child.

NEW SECTION. Sec. 2. A new section is added to chapter 74.12 RCW to read as follows:

(1) Whenever the department receives an application for assistance on behalf of a child under this chapter and an employee of the department has reason to believe that the child has suffered abuse or neglect, the employee shall cause a report to be made as provided under chapter 26.44 RCW.

(2) Whenever the department approves an application for assistance on behalf of a child under this chapter, the department shall make a reasonable effort to determine whether the child is living with a parent of the child. Whenever the child is living in the home of a relative other than a parent of the child, the department shall make reasonable efforts to notify the parent with whom the child has most recently resided that an application for assistance on behalf of the child has been approved by the department and shall advise the parent of his or her rights under sections 2 through 5 of this act, unless good cause exists not to do so based on a substantiated claim that the parent has abused or neglected the child.

(3) Upon written request of the parent, the department shall notify the parent of the address and location of the child, unless there is a current investigation or pending case involving abuse or neglect by the parent under chapter 13.34 RCW.

(4) The department shall notify and advise the parent of the provisions of the family reconciliation act under chapter 13.32A RCW.

NEW SECTION. Sec. 3. A new section is added to chapter 74.12 RCW to read as follows:

The department shall make reasonable efforts to notify the parent under section 2(2) of this act as soon as reasonably possible, but no later than seven days after approval of the application by the department.

NEW SECTION. Sec. 4. A new section is added to chapter 74.12 RCW to read as follows:

A parent may be excused from providing support for a dependent child receiving assistance as provided under section 5 of this act.

NEW SECTION. Sec. 5. A new section is added to chapter 74.20A RCW to read as follows:

(1) For the purpose of this title or Title 26 RCW, a responsible parent shall be excused from providing support for a dependent child receiving public assistance, if the responsible parent is the legal custodian of the child and the parent meets the requirements under this section. The responsible parent shall only be excused for any period during which the parent meets the requirements. In order to be excused, the responsible parent must establish:

(a) He or she is the legal custodian of the child;

(b) When there is a question or dispute regarding the parent having legal custody of the child, a court or administrative tribunal of competent jurisdiction has entered an order providing legal and physical custody of the child to the responsible parent;

(c) When a custody order is required under (b) of this subsection, the custody order has not been modified, superseded, or dismissed;

(d) The child receiving public assistance left the home of the responsible parent without that parent's consent and there is no current investigation, pending case, or court order involving abuse or neglect by the parent under chapter 13.34 RCW; and

(e) Within a reasonable time after the child's absence from the home, he or she has exerted reasonable efforts to regain physical custody of the child.

(2) The department shall adopt rules to implement the requirements of this section.

NEW SECTION. Sec. 6. By October 1, 1995, the department shall request the governor to seek congressional action on any federal legislation that may be necessary to implement any sections of this act. By October 1, 1995, the department shall request the governor to seek federal agency action on any federal regulation that may require a federal waiver. By January 1 of each year, the department shall report to the legislature on the status of its efforts to obtain any federal statutory or regulatory waivers provided in this section. If all federal statutory or regulatory waivers necessary to fully implement this act have not been obtained, the department shall report the extent to which this act can

be implemented without receipt of such waivers. The reporting requirement under this section shall terminate upon a report from the department that all waivers necessary to implement this act have been obtained.

NEW SECTION. **Sec. 7.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Includes "new item": YES

Mr. Speaker:
Mr. President:

We of your Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 5770, providing for unemployment insurance claimant profiling, have had the same under consideration and we recommend that:

All previous amendments not be adopted, and the striking amendment by the Conference Committee (see attached H-3151.2/95) be adopted, and

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 50.20.010 and 1981 c 35 s 3 are each amended to read as follows:

An unemployed individual shall be eligible to receive waiting period credits or benefits with respect to any week in his or her eligibility period only if the commissioner finds that:

(1) He or she has registered for work at, and thereafter has continued to report at, an employment office in accordance with such regulation as the commissioner may prescribe, except that the commissioner may by regulation waive or alter either or both of the requirements of this subdivision as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which (~~he or she~~) the commissioner finds that the compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title;

(2) He or she has filed an application for an initial determination and made a claim for waiting period credit or for benefits in accordance with the provisions of this title;

(3) He or she is able to work, and is available for work in any trade, occupation, profession, or business for which he or she is reasonably fitted. To be available for work an individual must be ready, able, and willing, immediately to accept any suitable work which may be offered to him or her and must be actively seeking work pursuant to customary trade practices and through other methods when so directed by the commissioner or (~~his~~) the commissioner's agents;

(4) He or she has been unemployed for a waiting period of one week; (~~and~~)

(5) He or she participates in reemployment services if the individual has been referred to reemployment services pursuant to the profiling system established by the commissioner under section 2 of this act, unless the commissioner determines that:

(a) The individual has completed such services; or

(b) There is justifiable cause for the claimant's failure to participate in such services; and

(6) As to weeks beginning after March 31, 1981, which fall within an extended benefit period as defined in RCW 50.22.010(~~(1), as now or hereafter amended~~), the individual meets the terms and conditions of RCW 50.22.020(~~(, as now or hereafter amended,)~~) with respect to benefits claimed in excess of twenty-six times the individual's weekly benefit amount.

An individual's eligibility period for regular benefits shall be coincident to his or her established benefit year. An individual's eligibility period for additional or extended benefits shall be the periods prescribed elsewhere in this title for such benefits.

NEW SECTION. Sec. 2. A new section is added to chapter 50.20 RCW to read as follows:

(1) The commissioner shall establish and use a profiling system for new claimants for regular compensation under this title that identifies permanently separated workers who are likely to exhaust regular compensation and will need job search assistance services to make a successful transition to new employment. The profiling system shall use a combination of individual characteristics and labor market information to assign each individual a unique probability of benefit exhaustion. Individuals identified as likely to exhaust benefits shall be referred to reemployment services, such as job search assistance services, to the extent such services are available at public expense.

(2) The profiling system shall include collection and review of follow-up information relating to the services received by individuals under this section and the employment outcomes for the individuals following receipt of the services. The information shall be used in making profiling identifications.

(3) In carrying out reviews of individuals receiving services, the department may contract with public or private entities and may disclose information or records necessary to permit contracting entities to assist in the operation and management of department functions. Any information or records disclosed to public or private entities shall be used solely for the purposes for which the information was disclosed and the entity shall be bound by the same rules of privacy and confidentiality as department employees. The misuse or unauthorized disclosure of information or records deemed private and confidential under chapter 50.13 RCW by any person or organization to which access is permitted by this section shall subject the person or organization to a civil penalty of five thousand dollars and other applicable sanctions under state and federal law. Suit to enforce this section shall be brought by the attorney general and the amount of any penalties collected shall be paid into the employment security department administrative contingency fund. The attorney general may recover reasonable attorneys' fees for any action brought to enforce this section.

Sec. 3. RCW 50.20.043 and 1985 c 40 s 1 are each amended to read as follows:

(1) No otherwise eligible individual shall be denied benefits for any week because the individual is in training with the approval of the commissioner, nor shall such individual be denied benefits with respect to any week in which the individual is satisfactorily progressing in a training program with the approval of the commissioner by reason of the application of RCW 50.20.010(3), 50.20.015, 50.20.080, or 50.22.020(1) relating to availability for work and active search for work, or failure to apply for or refusal to accept suitable work.

(2) An individual shall be considered to be in training with the approval of the commissioner if the individual is one who:

(a)(i) The commissioner determines to be a dislocated worker as defined by RCW 50.04.075;
or

(ii) Fits the department's profile of unemployed workers who are likely to exhaust their benefits; and ((who))

(b) Is satisfactorily progressing in a training program approved by the commissioner ((shall be considered to be in training with the approval of the commissioner)).

(3) At the time of filing for an initial determination, individuals determined to be dislocated workers as defined in RCW 50.04.075 or who fit the department's profile of unemployed workers who are likely to exhaust their benefits shall be provided with information concerning the opportunity, if the individual is otherwise eligible, to receive benefits while satisfactorily progressing in training approved by the commissioner.

NEW SECTION. Sec. 4. The commissioner may adopt rules as necessary to implement the 1995 c ... ss 1 and 3 (sections 1 and 3 of this act) amendments to RCW 50.20.010 and 50.20.043 and section 2 of this act, including but not limited to definitions, eligibility standards, program review criteria and procedures, and provisions necessary to comply with applicable federal laws and regulations that are a condition to receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. **Sec. 5.** If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. **Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

CONFERENCE COMMITTEE REPORT

Mr. Speaker:
Mr. President:

We of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 5885, Modifying services to families, have had the same under consideration and we recommend that all previous amendments not be adopted; that the striking amendment (attached 5885-S.E AMC CONF S3413.1) by the Conference Committee be adopted;

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 74.14C.005 and 1992 c 214 s 1 are each amended to read as follows:

(1) ~~((It is the intent of the legislature to make available, within available funds, intensive services to children and families that are designed to prevent the unnecessary imminent placement of children in foster care, and designed to facilitate the reunification of the children with their families.))~~ The legislature believes that protecting the health and safety of children is paramount. The legislature recognizes that the number of children entering out-of-home care is increasing and that a number of children receive long-term foster care protection. Reasonable efforts by the department to shorten out-of-home placement or avoid it altogether should be a major focus of the child welfare system. It is intended that providing up-front services decrease the number of children entering out-of-home care and have the effect of eventually lowering foster care expenditures and strengthening the family unit.

Within available funds, the legislature directs the department to focus child welfare services on protecting the child, strengthening families and, to the extent possible, providing necessary services in the family setting, while drawing upon the strengths of the family. The legislature intends services be locally based and offered as early as possible to avoid disruption to the family, out-of-home placement of the child, and entry into the dependency system. The legislature also intends that these services be used for those families whose children are returning to the home from out-of-home care. These services are known as family preservation services and intensive family preservation services and are characterized by the following values, beliefs, and goals:

(a) Safety of the child is always the first concern;
(b) Children need their families and should be raised by their own families whenever possible;
(c) Interventions should focus on family strengths and be responsive to the individual ~~((family))~~ family's cultural values and needs; ~~((and))~~

(d) Participation should be voluntary; and
(e) Improvement of family functioning is essential in order to promote the child's health, safety, and welfare and thereby allow the family to remain intact and allow children to remain at home.

(2) Subject to the availability of funds for such purposes, the legislature intends for ~~((family preservation))~~ these services to be made available to all eligible families on a state-wide basis through a phased-in process. Except as otherwise specified by statute, the department of social and health services shall have the authority and discretion to implement and expand ~~((family preservation))~~ these services ~~((according to a plan and time frame determined by the department))~~ as provided in this chapter. The department shall consult with the community public health and safety networks when assessing a community's resources and need for services.

(3) It is the legislature's intent that, within available funds, the department develop services in accordance with this chapter.

(4) Nothing in this chapter shall be construed to create an entitlement to services nor to create judicial authority to order the provision of ~~((family))~~ preservation services to any person or family ~~((where))~~ if the ~~((department has determined that such))~~ services are unavailable or unsuitable or that the child or family are not eligible for such services.

Sec. 2. RCW 74.14C.010 and 1992 c 214 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of social and health services.

~~(2) ("Family preservation services" means services that are delivered primarily in the home, that follow intensive service models with demonstrated effectiveness in reducing or avoiding the need for unnecessary imminent foster care placement, and that have all of the characteristics delineated in RCW 74.14C.020.~~

~~(3) "Foster care" means placement of a child by the department or a licensed child placing agency in a home or facility licensed pursuant to chapter 74.15 RCW, or in a home or facility that is not required to be licensed pursuant to chapter 74.15 RCW.~~

~~(a) Respite care of children to provide temporary relief for parents and other caregivers;~~

~~(b) Services designed to improve parenting skills with respect to such matters as child development, family budgeting, coping with stress, health, safety, and nutrition; and~~

~~(c) Services designed to promote the well-being of children and families, increase the strength and stability of families, increase parents' confidence and competence in their parenting abilities, promote a safe, stable, and supportive family environment for children, and otherwise enhance children's development.~~

~~Family preservation services shall have the characteristics delineated in RCW 74.14C.020 (2) and (3).~~

~~(3) "Imminent" means a decision has been made by the department that, without intensive family preservation services, a petition requesting the removal of a child from the family home will be immediately filed under chapter 13.32A or 13.34 RCW, or that a voluntary placement agreement will be immediately initiated.~~

~~(4) "Intensive family preservation services" means community-based services that are delivered primarily in the home, that follow intensive service models with demonstrated effectiveness in reducing or avoiding the need for unnecessary imminent out-of-home placement, and that have all of the characteristics delineated in RCW 74.14C.020 (1) and (3).~~

~~(5) "Out-of-home placement" means a placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.~~

~~((2)) (b) Caseload size averages two families per ((caseworker)) service provider;~~

~~((3)) (c) The services to the family are provided by a single ((caseworker)) service provider, with backup ((caseworkers)) providers identified to provide assistance as necessary;~~

~~((4) Caseworkers have the authority and discretion to spend funds, up to a maximum amount specified by the department, to help families obtain necessary food, shelter, or clothing, or to purchase other goods or services that will enhance the effectiveness of intervention;~~

~~(5)) (d) Services are available to the family within twenty-four hours following receipt of a referral to the program;~~

~~((6) Services are available to the family twenty four hours a day and seven days a week;~~

~~(7)) (e) Duration of service is limited to a maximum of forty days, unless the department authorizes an additional provision of service through an exception to policy((;~~

~~(8) Services assist the family to improve parental and household management competence and to solve practical problems that contribute to family stress so as to effect improved parental performance and enhanced functioning of the family unit; and~~

~~(9) Services help families locate and utilize additional assistance, including, but not limited to, counseling and treatment services, housing, child care, education, job training, emergency cash grants, state and federally funded public assistance, and other basic support services)).~~

- (2) Family preservation services shall have all of the following characteristics:

For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(c) The report shall be made at the first opportunity, but ~~((; and))~~ in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. The report shall include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children, dependent adults, or developmentally disabled persons are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section shall apply.

(3) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services or department case services for the developmentally disabled. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred

and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report of child abuse and neglect, the department or investigating law enforcement agency shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(12) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(13) The department shall use a risk assessment process when investigating child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall provide annual reports to the ~~((appropriate committees of the senate and house of representatives))~~ legislature on the effectiveness of the risk assessment process.

(14) Upon receipt of a report of abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

Sec. 19. RCW 13.34.130 and 1994 c 288 s 4 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with ~~((a grandparent, brother, sister, stepbrother, stepsister, uncle, aunt, or first cousin))~~ a person who is related to the child as defined in RCW 74.15.020(4)(a) and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in the best interests of the child and that it is not reasonable to provide further services to reunify the family because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

(5) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision

should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 20. RCW 13.34.145 and 1994 c 288 s 5 are each amended to read as follows:

(1) A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(a) Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider.

(b) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2)(a) For children ten and under, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) For children over ten, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least fifteen months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than eighteen months following commencement of the current placement episode.

(3) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or

legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve or eighteen months, as provided in subsection (2) of this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree or guardianship order is entered, or the dependency is dismissed.

(4) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(5) At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130(5) and shall review the permanency plan prepared by the agency. If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280. If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. In cases where the primary permanency planning goal has not yet been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. In all cases, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(6) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.130(5), and the court shall determine the need for continued intervention.

(7) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(8) Except as otherwise provided in RCW 13.34.235, the status of all dependent children shall continue to be reviewed by the court at least once every six months, in accordance with RCW 13.34.130(5), until the dependency is dismissed. Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(9) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(10) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights.

(11) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 21. RCW 74.13.280 and 1991 c 340 s 4 are each amended to read as follows:

(1) Except as provided in RCW 70.24.105, whenever a child is placed in out-of-home care by the department or a child-placing agency, the department or agency may share information about the child and the child's family with the care provider and may consult with the care provider regarding the child's case plan. If the child is dependent pursuant to a proceeding under chapter 13.34 RCW, the department or agency shall keep the care provider informed regarding the dates and location of dependency review and permanency planning hearings pertaining to the child.

(2) Any person who receives information about a child or a child's family pursuant to this section shall keep the information confidential and shall not further disclose or disseminate the information except as authorized by law.

(3) Nothing in this section shall be construed to limit the authority of the department or child-placing agencies to disclose client information or to maintain client confidentiality as provided by law.

Sec. 22. RCW 74.15.120 and 1979 c 141 s 361 are each amended to read as follows:

The secretary of social and health services may, at his or her discretion, issue ~~((a-provisional))~~ an initial license instead of a full license, to an agency or facility for a period not to exceed six months, renewable for a period not to exceed two years, to allow such agency or facility reasonable time to become eligible for full license ~~((-except that a provisional))~~. An initial license shall not be granted to any foster-family home except as specified in this section. An initial license may be granted to a foster-family home only if the following three conditions are met: (1) The license is limited so that the licensee is authorized to provide care only to a specific child or specific children; (2) the department has determined that the licensee has a relationship with the child, and the child is comfortable with the licensee, or that it would otherwise be in the child's best interest to remain or be placed in the licensee's home; and (3) the initial license is issued for a period not to exceed ninety days.

Sec. 23. RCW 13.34.030 and 1994 c 288 s 1 are each amended to read as follows:

For purposes of this chapter:

(1) "Child" and "juvenile" means any individual under the age of eighteen years.

(2) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until the child returns home, an adoption decree or guardianship order is entered, or the dependency is dismissed, whichever occurs soonest. If the most recent date of removal occurred prior to the filing of a dependency petition under this chapter or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of a child's current placement episode.

(3) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to RCW 13.34.232 for the limited purpose of assisting the court in the supervision of the dependency.

(4) "Dependent child" means any child:

(a) Who has been abandoned; that is, where the child's parent, guardian, or other custodian has ~~((evidenced))~~ expressed either by statement or conduct, ~~((a-settled))~~ an intent to forego, for an extended period, ((all)) parental rights or ((all)) parental responsibilities despite an ability to do so. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon;

(b) Who is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;

(c) Who has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or

(d) Who has a developmental disability, as defined in RCW 71A.10.020 and whose parent, guardian, or legal custodian together with the department determines that services appropriate to the child's needs can not be provided in the home. However, (a), (b), and (c) of this subsection may still be applied if other reasons for removal of the child from the home exist.

(5) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(6) "Guardian ad litem" means a person, appointed by the court to represent the best interest of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(7) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(8) "Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

(9) "Preventive services" means ~~((family))~~ preservation services, as defined in ~~((RCW 74.14C.010))~~ chapter 74.14C RCW, and other reasonably available services capable of preventing the need for out-of-home placement while protecting the child.

Sec. 24. RCW 13.34.233 and 1994 c 288 s 8 are each amended to read as follows:

(1) Any party may request the court to modify or terminate a dependency guardianship order under RCW 13.34.150. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice shall in all cases be served upon the department of social and health services. If the department was not previously a party to the guardianship proceeding, the department shall nevertheless have the right to initiate a proceeding to modify or terminate a guardianship and the right to intervene at any stage of such a proceeding.

(2) The guardianship may be modified or terminated upon the motion of any party or the department if the court finds by a preponderance of the evidence that there has been a substantial change of circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. ~~((Unless all parties agree to entry of an order modifying or terminating the guardianship,))~~ The court shall hold a hearing on the motion before modifying or terminating a guardianship.

(3) Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

(4) Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department of social and health services or a licensed child-placing agency for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.130(5) and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.145.

Sec. 25. RCW 28A.225.330 and 1994 c 304 s 2 are each amended to read as follows:

(1) When enrolling a student who has attended school in another school district, the school enrolling the student may request the parent and the student to briefly indicate in writing whether or not the student has:

- (a) Any history of placement in special educational programs;
- (b) Any past, current, or pending disciplinary action;
- (c) Any history of violent behavior;
- (d) Any unpaid fines or fees imposed by other schools; and
- (e) Any health conditions affecting the student's educational needs.

(2) The school enrolling the student shall request the school the student previously attended to send the student's permanent record including records of disciplinary action. If the student has not paid a fine or fee under RCW 28A.635.060, the school may withhold the student's official transcript, but shall transmit information about the student's academic performance, special placement, and records of disciplinary action. If the official transcript is not sent due to unpaid fees or fines, the enrolling school shall notify both the student and parent or guardian that the official transcript will not be sent until the

obligation is met, and failure to have an official transcript may result in exclusion from extracurricular activities or failure to graduate.

(3) If information is requested under subsection (2) of this section, the information shall be transmitted within two school days after receiving the request and the records shall be sent as soon as possible. Any school district or district employee who releases the information in compliance with this section is immune from civil liability for damages unless it is shown that the school district employee acted with gross negligence or in bad faith. The state board of education shall provide by rule for the discipline under chapter 28A.410 RCW of a school principal or other chief administrator of a public school building who fails to make a good faith effort to assure compliance with this subsection.

NEW SECTION. Sec. 26. A new section is added to chapter 74.13 RCW to read as follows:

(1) The department, or agency responsible for supervising a child in out-of-home care, shall conduct a social study whenever a child is placed in out-of-home care under the supervision of the department or other agency. The study shall be conducted prior to placement, or, if it is not feasible to conduct the study prior to placement due to the circumstances of the case, the study shall be conducted as soon as possible following placement.

(2) The social study shall include, but not be limited to, an assessment of the following factors:

- (a) The physical and emotional strengths and needs of the child;
- (b) The proximity of the child's placement to the child's family to aid reunification;
- (c) The possibility of placement with the child's relatives or extended family;
- (d) The racial, ethnic, cultural, and religious background of the child;
- (e) The least-restrictive, most family-like placement reasonably available and capable of meeting the child's needs; and
- (f) Compliance with RCW 13.34.260 regarding parental preferences for placement of their children.

Sec. 27. RCW 13.34.110 and 1993 c 412 s 7 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days or longer for good cause shown. Unless there is reasonable cause to believe the safety or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: (1) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; (2) are known to the department as having been in contact with the family or child within the past twelve months; and (3) would be an appropriate placement for the child. The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement. The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons may be admitted who are found by the judge to have a direct interest in the case or in the work of the court. If a child resides in foster care or in the home of a relative pursuant to a disposition order entered under RCW 13.34.130, the court may allow the child's foster parent or relative care provider to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.
