(8) Any school district board of directors may petition the superintendent of public instruction by submission of a resolution adopted in a public meeting to reduce or delay any portion of its basic education allocation for any school year. The superintendent of public instruction shall approve such reduction or delay if it does not impair the district’s financial condition. Any delay shall not be for more than two school years. Any reduction or delay shall have no impact on levy authority pursuant to RCW 84.52.0531 and local effort assistance pursuant to chapter 28A.500 RCW.

(9) The superintendent may distribute a maximum of (5,820,000) 5,820,000 outside the basic education formula during fiscal years 1996 and 1997 as follows:

Sec. 506. 1995 2nd sp.s. c 18 s 508 (uncodified) is amended to read as follows:

SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR SPECIAL EDUCATION PROGRAMS

General Fund--State Appropriation (FY 1996) $ ((380,179,000)) 379,771,000

General Fund--State Appropriation (FY 1997) $ ((372,280,000)) 371,142,000

General Fund--Federal Appropriation $ 98,684,000

TOTAL APPROPRIATION $ ((852,152,000)) 849,597,000

The appropriations in this section are subject to the following conditions and limitations:

(1) The general fund--state appropriation includes such funds as are necessary for the remaining months of the 1994-95 school year.

(2) In recognition of the need for increased flexibility at the local district level to facilitate the provision of appropriate education to children (with disabilities) in need of special education, and the need for substantive educational reform for a significant portion of the school population, the funding formula for special education is modified. These changes result from a 1994 study and recommendations by the institute for public policy and the legislative budget committee, aided by the office of the superintendent of public instruction and the statewide task force for the development of special education funding alternatives. The new formula is for allocation purposes only and is not intended to prescribe or imply any particular pattern of special education service delivery other than that contained in a properly formulated, locally determined, individualized education program.

(3) The superintendent of public instruction shall distribute state funds to school districts based on two categories, the mandatory special education program for special education students ages three to twenty-one and the optional birth through age two program for developmentally delayed infants and toddlers. The superintendent shall review current state eligibility criteria for the fourteen special education categories and consider changes which would reduce assessment time and administrative costs associated with the special education program.

(4) For the 1995-96 and 1996-97 school years, the superintendent shall distribute state funds to each district based on the sum of:

(a) A district’s annual average headcount enrollment of developmentally delayed infants and toddlers ages birth through two, times the district’s average basic education allocation per full-time equivalent student, times 1.15; and
(b) A district’s annual average full-time equivalent basic education enrollment times the enrollment percent, times the district’s average basic education allocation per full-time equivalent student times 0.9309.

(5) The definitions in this subsection apply throughout this section.
(a) "Average basic education allocation per full-time equivalent student" for a district shall be based on the staffing ratios required by RCW 28A.150.260 (i.e., 49/1000 certificated instructional staff in grades K-3, and 46/1000 in grades 4-12), and shall not include enhancements for K-3, secondary vocational education, or small schools.

(b) "Annual average full-time equivalent basic education enrollment" means the resident enrollment including students enrolled through choice (RCW 28A.225.225) and students from nonhigh districts (RCW 28A.225.210) and excluding students residing in another district enrolled as part of an interdistrict cooperative program (RCW 28A.225.250).

(c) "Enrollment percent" shall mean the district’s resident special education annual average enrollment including those students counted under the special education demonstration projects, excluding the birth through age two enrollment, as a percent of the district’s annual average full-time equivalent basic education enrollment. For the 1995-96 and the 1996-97 school years, each district’s enrollment percent shall be:

(i) For districts whose enrollment percent for 1994-95 was at or below 12.7 percent, the lesser of the district’s actual enrollment percent for the school year for which the allocation is being determined or 12.7 percent.

(ii) For districts whose enrollment percent for 1994-95 was above 12.7 percent, the lesser of:

(A) The district’s actual enrollment percent for the school year for which the special education allocation is being determined; or

(B) The district’s actual enrollment percent for the school year immediately prior to the school year for which the special education allocation is being determined; or

The following conditions and limitations shall be applicable to school districts requesting safety net funds:

(a) For a school district requesting state safety net funds due to special characteristics of the district and costs of providing services which differ significantly from the assumptions contained in the funding formula, the procedures and standards shall permit relief only if a district can demonstrate at a minimum that:

(ii) The district is making a reasonable effort to provide appropriate program services for special education students utilizing state funds generated by the apportionment and special education funding formulas;

(iii) The district’s programs are operated in a reasonably efficient manner and that the district has adopted a plan of action to contain or eliminate any unnecessary, duplicative, or inefficient practices;

(ii) The district is making a reasonable effort to provide appropriate program services for special education students utilizing state funds generated by the apportionment and special education funding formulas.

(iii) Calculations made in accordance with subsection (8) of this section with respect to state fund allocations justify a need for additional funds for compliance with federal maintenance of effort requirements.

(c) For districts requesting safety net funds due to federal maintenance of effort requirements as a result of changes in the state special education funding formula, amounts provided for this purpose shall be calculated by the superintendent of public instruction and adjusted periodically based on the most current information available to the superintendent. (ii) The district’s 1994-95 state excess cost allocation per resident special education student multiplied by the number of formula funded special education students for the relevant school year minus the relevant school year’s special education formula allocation;

(iii) The amount requested by the district; or

((a) For purposes of making safety net determinations pursuant to subsection (((2))) (8) of this section, the superintendent shall make available to each school district, from available data, prior to June 1st of each year:

(i) The district’s 1994-95 enrollment percent;

This process may utilize the allocations generated pursuant to subsection (4) of this section, each district’s 1994-95 estimated basic education backout percent for the 1994-95 school year, and state compensation increases for 1995-96.

(b) The superintendent, in consultation with the state auditor, shall take all necessary steps to successfully transition to the new formula and minimize paperwork at the district level associated with federal maintenance of effort calculations. The superintendent shall develop such rules and procedures as are necessary to implement this process ((for the 1995-96 school year, and may use the same process for the 1996-97 school year if found necessary for federal maintenance of effort calculations)).

The appropriations in sections 603 through 609 of this act are subject to the following conditions and limitations:
(1) "Institutions" means the institutions of higher education receiving appropriations under sections 603 through 609 of this act.
(2) Operating resources that are not used to meet authorized salary increases and other mandated expenses shall be invested in
measures that (a) reduce the time-to-degree, (b) provide additional access to postsecondary education, (c) improve the quality of
undergraduate education, (d) provide improved access to courses and programs that meet core program requirements and are consistent with
needs of the state labor market, (e) provide up-to-date equipment and facilities for training in current technologies, (f) expand the integration
between the K-12 and postsecondary systems and among the higher education institutions, (g) provide additional access to postsecondary
education for place-bound and remote students, and (h) improve teaching and research capability through the funding of distinguished

contact hours by type of faculty, and shall report to the appropriate policy and fiscal committees of the legislature each December 1st as to
performance on such goals.) The faculties and administrations at the public higher education institutions of the state must take action and
share with the legislature the responsibility in meeting the increased demands on higher education. The legislature finds that a focus on
educational outcomes provides the most effective means of addressing those demands. Therefore, the institutions shall use a portion of the
funds provided in sections 603 through 609 of this act for learning productivity improvements to implement the institutional recommendations
to shorten the time-to-degree and improve graduation rates as submitted to the higher education coordinating board in accordance with RCW
28B.10.692. By February 28, 1997, the institutions shall provide the legislature with two-year goals for improvements in graduation rates
and the time-to-degree or time-to-certification.

To reduce the time it takes students to graduate, the institutions shall establish policies and reallocate resources as necessary to
increase the number of undergraduate degrees granted per full-time equivalent instructional faculty.

(3) The salary increases provided or referenced in this subsection shall be the maximum allowable salary increases provided at
institutions of higher education, excluding increases associated with normally occurring promotions and increases related to faculty and
professional staff retention, and excluding increases associated with employees under the jurisdiction of chapter 41.56 RCW pursuant to the
provisions of RCW 28B.16.015.

(a) No more than $300,000 of the appropriations provided in sections 602 through 608 of this act may be expended for purposes
designated in section 911 of this act.

(b) Each institution of higher education shall provide to each classified staff employee as defined by the office of financial
management a salary increase of 4.0 percent on July 1, 1995. Each institution of higher education shall provide to instructional and research
faculty, exempt professional staff, academic administrators, academic librarians, counselors, teaching and research assistants as classified by
the office of financial management and all other nonclassified staff, including those employees under RCW 28B.16.015, an average salary
increase of 4.0 percent on July 1, 1995. For employees under the jurisdiction of chapter 41.56 RCW pursuant to the provisions of RCW
28B.16.015, distribution of the salary increases will be in accordance with the applicable collective bargaining agreement. However, an
increase shall not be provided to any classified employee whose salary is above the approved salary range maximum for the class to which the
employee's position is allocated.

(c) Funds under section 717 of this act are in addition to any increases provided in (a) and (b) of this subsection. Specific salary
increases authorized in sections 603 and 604 of this act are in addition to any salary increase provided in this subsection.

Sec. 602. 1995 2nd sp.s. c 18 s 602 (uncodified) is amended to read as follows:
The appropriations in sections 603 through 609 of this act provide state general fund support or employment and training trust

General Fund--State Appropriation (FY 1996) $ ((2,300,000)) $ 2,305,000
General Fund--State Appropriation (FY 1997) $ ((2,561,000)) $ 2,475,000

   Appropriation $ ((4,105,000)) $ 3,905,000
   TOTAL APPROPRIATION $ ((41,027,000)) $ 10,583,000

The appropriations in this section are subject to the following conditions and limitations:

(a) The monthly contribution for insurance benefit premiums shall not exceed $308.14 per eligible employee for fiscal year 1996, and $308.96 for fiscal year 1997.
   (b) The monthly contributions for the margin in the self-insured medical and dental plans and for the operating costs of the health care authority shall not exceed $5.81 per eligible employee for fiscal year 1996, and $5.55 for fiscal year 1997.
   (c) Surplus moneys accruing to the public employees' and retirees' insurance account due to lower-than-projected insurance costs or due to employee waivers of coverage may not be reallocated by the health care authority to increase the actuarial value of public employee insurance plans, except as provided in (d) of this subsection. Such funds shall be held in reserve in the public employees' and retirees' insurance account and may not be expended without subsequent legislative authorization.
   (d) In order to achieve the level of funding provided for health benefits, the public employees' benefits board may require employee premium co-payments, increase point-of-service cost sharing, and/or implement managed competition. Beginning July 1, 1996:
      (i) The nine plans that, on a state-wide basis, are the lowest-cost shall be offered by the public employees' benefits board at no cost to eligible employees, their children, and their spouses.
      (ii) In those areas of the state without access to any of the nine lowest-cost plans, the public employees' benefits board shall offer at least one plan at no cost to eligible employees, their children, and their spouses. The plans offered at no cost shall be plans for which the charge during fiscal year 1996 did not exceed $20 for an employee, spouse, and children.
It is the intention of the legislature to require in the 1997-99 omnibus appropriations act the public employees' benefits board to make available a free plan to every eligible employee, child, and spouse.

(2) To facilitate the transfer of moneys from dedicated funds and accounts, the state treasurer is directed to transfer sufficient moneys from each dedicated fund or account to the special fund salary and insurance contribution increase revolving fund in accordance with schedules provided by the office of financial management.

(3) The health care authority, subject to the approval of the public employees' benefits board, shall provide subsidies for health benefit premiums to eligible retired or disabled public employees and school district employees who are eligible for parts A and B of medicare, pursuant to RCW 41.05.085. From July 1, 1995, through December 31, 1995, the subsidy shall be $34.20 per month. From January 1, 1996, through December 31, 1996, the subsidy shall be $36.77 per month. Starting January 1, 1997, the subsidy shall be $39.52 per month.

(4) Technical colleges, school districts, and educational service districts shall remit to the health care authority for deposit in the public employees' and retirees' insurance account established in RCW 41.05.120:

(a) For each full-time employee, $14.79 per month beginning October 1, 1995, and $14.80 per month beginning September 1, 1996;

(b) For each part-time employee who, at the time of the remittance, is employed in an eligible position as defined in RCW 41.32.010 or 41.40.010 and is eligible for employer fringe benefit contributions for basic benefits, $14.79 each month beginning October 1, 1995, and $14.80 each month beginning September 1, 1996, prorated by the proportion of employer fringe benefit contributions for a full-time employee that the part-time employee receives.

The remittance requirements specified in this subsection shall not apply to employees of a technical college, school district, or educational service district who purchase insurance benefits through contracts with the health care authority.

(5) The salary and insurance increase revolving account appropriation includes funds sufficient to fund health benefits for ferry workers at the premium levels specified in subsection (1) of this section, consistent with the 1995-97 transportation appropriations act.

(6) Rates charged to school districts voluntarily purchasing employee benefits through the health care authority shall be equivalent to the actual insurance costs of benefits and administration costs for state and higher education employees except:

(a) The health care authority is authorized to reduce rates charged to school districts for up to 10,000 new subscribers by applying surplus funds accumulated in the public employees' and retirees' insurance account. Rates may be reduced up to a maximum of $10.93 per subscriber per month in fiscal year 1996 and a maximum of $7.36 per subscriber per month in fiscal year 1997; and

(b) For employees who first begin receiving benefits through the health care authority after September 1, 1995, districts shall remit the additional costs of health care authority administration resulting from their enrollment. The ballot propositions shall be submitted to voters at a general or special election. If the proposed election date is not a general election, the county legislative authority is encouraged to request an election when another unit of local government with territory located in the proposed library capital facility area is already holding a special election under RCW 29.13.020. Approval of the ballot proposition to create a library capital (facilities) facility area shall be by a simple majority vote.

A completed request submitted under this section shall include: (1) A description of the boundaries of the library capital facility area; and (2) a copy of the resolution of the legislative authority of each city or town, and board of trustees of each library district, with territory included within the proposed library capital (facilities) facility area indicating both: (a) Its approval of the creation of the proposed library capital (facilities) facility area; and (b) agreement on how election costs will be paid for submitting ballot propositions to voters that authorize the library capital (facilities) facility area to incur general indebtedness and impose excess levies to retire the general indebtedness.

Sec. 2. RCW 27.15.050 and 1995 c 368 s 6 are each amended to read as follows:
(1) A library capital facility area may contract indebtedness or borrow money to finance library capital facilities and may issue general obligation bonds for such purpose not exceeding an amount, together with any existing indebtedness of the library capital facility area, equal to one and one-quarter percent of the value of the taxable property in the district and impose excess property tax levies to retire the general indebtedness as provided in RCW 39.36.050 if a ballot proposition authorizing both the indebtedness and excess levies is approved by at least three-fifths of the voters of the library capital facility area voting on the proposition, and the total number of voters voting on the proposition constitutes not less than forty percent of the total number of voters in the library capital facility area voting at the last preceding general election. The term ‘value of the taxable property’ has the meaning set forth in RCW 39.36.015. Such a proposition ([(6)]shall be submitted to voters at a general or special election and the ballot propositions submitted to voters at the same election as the election when the ballot proposition authorizing the establishment of the library capital (facilities district) facility area is submitted. If the proposed election date is not a general election, the county legislative authority is encouraged to request an election when another unit of local government with territory located in the proposed library capital facility area is already holding a special election under RCW 29.13.020.

(e) Notwithstanding any other provision of law, any and all firearm enhancements under this section are mandatory, shall be served in total confinement, and shall not run concurrently with any other sentencing provisions.

(f) The firearm enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, reckless endangerment in the first degree, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony.

On motion of Senator Hargrove, the following Committee on Human Services and Corrections amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 9.95 RCW to read as follows:

(1) When a superior court places a defendant convicted of a misdemeanor or gross misdemeanor on probation and orders supervision under RCW 9.92.060 or 9.95.210, the department of corrections has initial responsibility for supervision of that defendant.

(2) A county legislative authority may assume responsibility for the supervision of all defendants within its jurisdiction who have been convicted of a misdemeanor or gross misdemeanor and sentenced to probation by a superior court. The assumption of responsibility shall be made by contract with the department of corrections on a biennial basis.

(3) If a county assumes supervision responsibility, the county shall supervise all superior court misdemeanor probationers within that county for the duration of the biennium, as set forth in the contract with the department of corrections.

(4) A contract between a county legislative authority and the department of corrections for the transfer of supervision responsibility must include, at a minimum, the following provisions:

(a) The county’s agreement to supervise all misdemeanor probationers who are sentenced by a superior court within that county and who reside within that county;

(b) A reciprocal agreement regarding the supervision of superior court misdemeanor probationers sentenced in one county but who reside in another county;

(c) The county’s agreement to comply with the minimum standards for classification and supervision of offenders as required under section 2 of this act;

(d) The amount of funds available from the department of corrections to the county for supervision of superior court misdemeanor probationers, calculated according to a formula established by the department of corrections;

(e) A method for the payment of funds by the department of corrections to the county;

(f) The county’s agreement that any funds received by the county under the contract will be expended only to cover costs of supervision of superior court misdemeanor probationers;

(g) The county’s agreement to account to the department of corrections for the expenditure of all funds received under the contract and to submit to audits for compliance with the supervision standards and financial requirements of this section;

(h) Provisions regarding rights and remedies in the event of a possible breach of contract or default by either party; and

(i) Provisions allowing for voluntary termination of the contract by either party, with good cause, after sixty days' written notice.

(5) If the contract between the county and the department of corrections is terminated for any reason, the department of corrections shall reassume responsibility for supervision of superior court misdemeanor probationers within that county. In such an event, the department of corrections retains any and all rights and remedies available by law and under the contract.

(6) The department of corrections is immune from civil liability for any harm caused by the actions of a superior court misdemeanor probationer who is under the supervision of a county. A county is immune from civil liability for any harm caused by the actions of a superior court misdemeanor probationer who is under the supervision of the department of corrections. The immunity granted under this section applies regardless of whether the supervising agency is in compliance with the standards of supervision at the time of the misdemeanor probationer’s actions.

(7) The department and its officials and employees, or in cases where a county assumes supervision responsibility, the county and its officials and employees, are immune from civil liability for any harm arising out of the good faith performance of their duties and for any harm caused by the actions of superior court misdemeanor probationers under their supervision.

(8) If sufficient resources are not available for the department of corrections, or the county assuming supervision responsibility, to comply with the minimum standards of supervision required by section 2 of this act, the department of corrections, or the county, is immune from civil liability for any harm caused by an inability to comply with the standards of supervision.

NEW SECTION. Sec. 2. A new section is added to chapter 9.95 RCW to read as follows:
(1) Probation supervision of misdemeanant offenders sentenced in a superior court must be based upon an offender classification system and supervision standards.

(2) Any entity under contract with the department of corrections pursuant to section 1 of this act shall establish and maintain a classification system that:

   (b) Differentiates between higher and lower risk offenders based on criminal history and current offense;
   (c) Assigns cases to a level of supervision based on assessed risk;
   (d) Provides, at a minimum, three levels of supervision;
   (e) Provides for periodic review of an offender's classification level during the term of supervision; and
   (f) Structures the discretion and decision making of supervising officers.

(3) Any entity under contract with the department of corrections pursuant to section 1 of this act may establish and maintain supervision standards that:
   (a) Identify the frequency and nature of offender contact within each of at least three classification levels;
   (b) Provide for a minimum of one face-to-face contact each month with offenders classified at the highest level of risk;
   (c) Provide for a minimum of one personal contact per quarter for lower-risk offenders;
   (d) Provide for specific reporting requirements for offenders within each level of the classification system;
   (e) Assign high-risk offenders to staff trained to deal with higher-risk offenders;
   (f) Verify compliance with sentence conditions imposed by the court; and
   (g) Report to the court violations of sentence conditions as appropriate.

(4) Under no circumstances may an entity under contract with the department of corrections pursuant to section 1 of this act establish or maintain supervision that is less stringent than that offered by the department.

(5) The minimum supervision standards established and maintained by the department of corrections shall provide for no less than one contact per quarter for misdemeanor probationers under its jurisdiction. The contact shall be a personal interaction accomplished either face-to-face or by telephone, unless the department finds that the individual circumstances of the offender do not require personal interaction to meet the objectives of the supervision. The circumstances under which the department may find that an offender does not require personal interaction are limited to the following: (a) The offender has no special conditions or crime-related prohibitions imposed by the court other than legal financial obligations; and (b) the offender poses minimal risk to public safety.

(6) The classification system and supervision standards must be established and met within the resources available as provided for by the legislature and the cost of supervision assessments collected, and may be enhanced by funds otherwise generated by the supervising entity.

Sec. 3. RCW 9.95.210 and 1995 1st sp.s. c 19 s 29 are each amended to read as follows:

(1) In granting probation, the superior court may suspend the imposition or the execution of the sentence and may direct that the suspension may continue upon such conditions and for such time as it shall designate, not exceeding the maximum term of sentence or two years, whichever is longer.

(2) In the order granting probation and as a condition thereof, the superior court may in its discretion imprison the defendant in the county jail for a period not exceeding one year and may fine the defendant any sum not exceeding the statutory limit for the offense committed, and court costs. As a condition of probation, the superior court shall require the payment of the penalty assessment required by RCW 7.68.035. The superior court may also require the defendant to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary: (a) To comply with any order of the court for the payment of family support; (b) to make restitution to any person or persons who may have suffered loss or damage by reason of the commission of the crime in question or when the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor’s recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement; (c) to pay such fine as may be imposed and court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required; (d) following consideration of the financial condition of the person subject to possible electronic monitoring, to pay for the costs of electronic monitoring if that monitoring was required by the court as a condition of release from custody or as a condition of probation; (e) to contribute to a county or interlocal drug fund; and (f) to make restitution to a public agency for the costs of an emergency response under RCW 38.52.430, and may require bonds for the faithful observance of any and all conditions imposed in the probation.

(3) In the act establish or maintain supervision that is less stringent than that offered by the department.

Sec. 4. As a condition of probation, the superior court may in its discretion imprison the defendant in the county jail for a period not exceeding one year and may fine the defendant any sum not exceeding the statutory limit for the offense committed, and court costs. As a condition of probation, the superior court shall require the payment of the penalty assessment required by RCW 7.68.035. The superior court may also require the defendant to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary: (a) To comply with any order of the court for the payment of family support; (b) to make restitution to any person or persons who may have suffered loss or damage by reason of the commission of the crime in question or when the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor’s recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement; (c) to pay such fine as may be imposed and court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required; (d) following consideration of the financial condition of the person subject to possible electronic monitoring, to pay for the costs of electronic monitoring if that monitoring was required by the court as a condition of release from custody or as a condition of probation; (e) to contribute to a county or interlocal drug fund; and (f) to make restitution to a public agency for the costs of an emergency response under RCW 38.52.430, and may require bonds for the faithful observance of any and all conditions imposed in the probation.

(3) The superior court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the superior court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries,
as administrator of the crime victims’ compensation program, may petition the superior court within one year of imposition of the sentence for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the superior court shall hold a restitution hearing and shall enter a restitution order.

(4) In granting probation, the superior court may order the probationer to report to the secretary of corrections or such officer as the secretary may designate and as a condition of the probation to follow the instructions of the secretary. If the county legislative authority has elected to assume responsibility for the supervision of superior court misdemeanant probationers within its jurisdiction, the superior court misdemeanant probationer shall report to a probation officer employed or contracted for by the county. In cases where a superior court misdemeanant probationer is sentenced in one county, but resides within another county, there must be provisions for the probationer to report to the agency having supervision responsibility for the probationer’s county of residence.

(5) If the probationer has been ordered to make restitution and the superior court has ordered supervision, the officer supervising the probationer shall make a reasonable effort to ascertain whether restitution has been made. If the superior court has ordered supervision and restitution has not been made as ordered, the officer shall inform the prosecutor of that violation of the terms of probation not less than three months prior to the termination of the probation period. The secretary of corrections will promulgate rules and regulations for the conduct of the person during the term of probation. For defendants found guilty in district court, like functions as the secretary performs in regard to probation may be performed by probation officers employed for that purpose by the county legislative authority of the county wherein the court is located.

Sec. 4. RCW 9.95.214 and 1995 1st sp.s. c 19 s 32 are each amended to read as follows:

Whenever a defendant convicted of a misdemeanor or gross misdemeanor is placed on probation under RCW 9.92.060 or 9.95.210, and the defendant is supervised by the department of corrections or a county probation department, the department or county probation department may assess and collect from the defendant for the duration of the term of supervision a monthly assessment not to exceed one hundred dollars per month. In cases where a superior court misdemeanant probationer is sentenced in one county, but resides within another county, there must be provisions for the probationer to report to the agency having supervision responsibility for the probationer’s county of residence.

(4) If restitution to the victim has been ordered under subsection (2)(b) of this section and the superior court has ordered supervision, the officer supervising the probationer shall make a reasonable effort to ascertain whether restitution has been made as ordered. If the superior court has ordered supervision and restitution has not been made, the officer shall inform the prosecutor of that violation of the terms of the suspended sentence not less than three months prior to the termination of the suspended sentence.

Sec. 6. RCW 10.64.120 and 1991 c 247 s 3 are each amended to read as follows:
(1) Every judge of a court of limited jurisdiction shall have the authority to levy upon a person a monthly assessment not to exceed (50) one hundred dollars for services provided whenever (a) the person is referred by the court to the misdemeanor probation department for evaluation or supervision services. The assessment may also be made by a sentencing judge in superior court when such misdemeanor or gross misdemeanor cases are heard in the superior court.

(2) For the purposes of this section the office of the administrator for the courts shall define a probation department and adopt rules for the qualifications of probation officers based on occupational and educational requirements developed by an oversight committee. This oversight committee shall include a representative from the district and municipal court judges association, the misdemeanor corrections association, the office of the administrator for the courts, and associations of cities and counties. The oversight committee shall consider qualifications that provide the training and education necessary to (a) conduct presentencing and postsentencing background investigations, including sentencing recommendations to the court regarding jail terms, alternatives to incarceration, and conditions of release; and (b) provide ongoing supervision and assessment of offenders' needs and the risk they pose to the community.

(3) It shall be the responsibility of the probation services office to implement local procedures approved by the court of limited jurisdiction to ensure collection and payment of such fees into the general fund of the city or county treasury.

(4) Revenues raised under this section shall be used to fund programs for probation services and shall be in addition to those funds provided in RCW 3.62.050.

MOTIONS

Senator Winsley moved that the following Committee on Government Operations amendment be adopted: Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 35.01.020 and 1994 c 81 s 4 are each amended to read as follows:

A second class city is a city with a population of ((more than)) fifteen hundred or more at the time of its organization or reorganization that does not have a charter adopted under Article XI, section 10, of the state Constitution, and does not operate under Title 35A RCW.

Sec. 2. RCW 35.01.040 and 1994 c 81 s 5 are each amended to read as follows:

A town has a population of less than fifteen hundred ((or less)) at the time of its organization and does not operate under Title 35A RCW.

Sec. 3. RCW 35.22.010 and 1965 c 7 s 35.22.010 are each amended to read as follows:

Cities of the first class shall be organized and governed according to the law providing for the government of cities having a population of ((twenty)) ten thousand or more inhabitants that have adopted a charter in accordance with Article (((XI))) section 10 of the state Constitution.

Sec. 4. RCW 35.23.051 and 1994 c 223 s 17 and 1994 c 81 s 36 are each reenacted and amended to read as follows:

General municipal elections in second class cities ((not operating under the commission form of government)) shall be held biennially in the odd-numbered years and shall be subject to general election law.

The terms of office of the mayor, city attorney, clerk, and treasurer shall be four years and until their successors are elected and qualified and assume office in accordance with RCW 29.04.170: PROVIDED, That if the offices of city attorney, clerk, and treasurer are made appointive, the city attorney, clerk, and treasurer shall not be appointed for a definite term: PROVIDED FURTHER, That the term of the elected treasurer shall not commence in the same biennium in which the term of the mayor commences, nor in which the terms of the city attorney and clerk commence if they are elected."
Council positions shall be numbered in each second class city so that council position seven has a two-year term of office and council positions one through six shall each have four-year terms of office. Each councilmember shall remain in office until a successor is elected and qualified and assumes office in accordance with RCW 29.04.170.

In its discretion the council of a second class city may divide the city by ordinance into a convenient number of wards, not exceeding six, fix the boundaries of the wards, and change the ward boundaries from time to time and as provided in RCW 29.70.100. No change in the boundaries of any ward shall be made within one hundred twenty days next before the date of a general municipal election, nor within twenty months after the wards have been established or altered. However, if a boundary change results in one ward being represented by more councilmembers than the number to which it is entitled, those having the shortest unexpired terms shall be assigned by the council to wards where there is a vacancy, and the councilmembers so assigned shall be deemed to be residents of the wards to which they are assigned for purposes of determining whether those positions are vacant.

Whenever such city is so divided into wards, the city council shall designate by ordinance the number of councilmembers to be elected from each ward, apportioning the same in proportion to the population of the wards. Thereafter the councilmembers so designated shall be elected by the voters resident in such ward, or by general vote of the whole city as may be designated in such ordinance. Council position seven shall not be associated with a ward and the person elected to that position may reside anywhere in the city and voters throughout the city may vote at a primary to nominate candidates for position seven, when a primary is necessary, and at a general election to elect the person to council position seven. (When) Additional territory that is added to the city (may) shall, by act of the council, be annexed to contiguous wards without affecting the right to redistrict at the expiration of twenty months after last previous division. The removal of a councilmember from the ward for which he or she was elected shall create a vacancy in such office.

Wards shall be redrawn as provided in chapter 29.70 RCW. Wards shall be used as follows: (1) Only a resident of the ward may be a candidate for, or hold office as, a councilmember of the ward; and (2) only voters of the ward may vote at a primary to nominate candidates for a councilmember of the ward. Voters of the entire city may vote at the general election to elect a councilmember of a ward, unless the city had prior to January 1, 1994, limited the voting in the general election for any or all council positions to only voters residing within the ward associated with the council positions. If a city had so limited the voting in the general election to only voters residing within the ward, then the city shall be authorized to continue to do so. The elections for the remaining council position or council positions that are not associated with a ward shall be conducted as if the wards did not exist.

Sec. 5. RCW 35.23.101 and 1994 c 223 s 19 and 1994 c 81 s 38 are each reenacted and amended to read as follows:

The council of a second class city may declare a council position vacant if the councilmember is absent for three consecutive regular meetings without permission of the council. In addition, a vacancy in an elective office shall occur and shall be filled as provided in chapter 42.12 RCW.

Vacancies in offices other than that of mayor or city councilmember shall be filled by appointment of the mayor. If there is a temporary vacancy in an appointive office due to illness, absence from the city, or other temporary inability to act, the mayor may appoint a temporary appointee to exercise the duties of the office until the temporary disability of the incumbent is removed.

Sec. 6. RCW 35.33.020 and 1985 c 175 s 4 are each amended to read as follows:

The provisions of this chapter apply to all cities of the first class (which) that have a population of less than three hundred thousand, to all cities of the second (and third classes) class, and to all towns, except those cities and towns (which) that have adopted an ordinance under RCW 35.34.040 providing for a biennial budget.

Sec. 7. RCW 35.34.020 and 1985 c 175 s 5 are each amended to read as follows:

This chapter applies to all cities of the first(,) and second(,) and third(,) classes and to all towns (which), that have by ordinance adopted this chapter authorizing the adoption of a fiscal biennial budget.

Sec. 8. RCW 35.86.010 and 1975 1st ex.s. c 221 s 1 are each amended to read as follows:

Cities of the first(,) and second(,) and third(,) classes are authorized to provide off-street parking space and facilities located on land dedicated for park or civic center purposes, or on other municipally-owned land where the primary purpose of such off-street parking facility is to provide parking for persons who use such park or civic center facilities. In addition a city may own other off-street parking facilities and operate them in accordance with RCW 35.86A.120.

Sec. 9. RCW 35A.06.020 and 1995 c 134 s 11 are each amended to read as follows:

The classifications of municipalities (which existed prior to the time this title goes into effect) as first class cities, second class cities, unclassified cities, and towns(,) and the restrictions, limitations, duties, and obligations specifically imposed by law upon such classes of cities and towns, shall have no application to noncharter code cities, but every noncharter code city, by adopting such classification, has elected to be governed by the provisions of this title, with the
powers granted hereby. However, any code city that retains its old plan of government is subject to the laws applicable to that old plan of government until the city abandons its old plan of government and reorganizes and adopts a plan of government under chapter 35A.12 or 35A.13 RCW.

**Sec. 10.** RCW 35A.12.010 and 1994 c 223 s 30 are each amended to read as follows:

The government of any noncharter code city or charter code city electing to adopt the mayor-council plan of government authorized by this chapter shall be vested in an elected mayor and an elected council. The council of a noncharter code city having less than twenty-five hundred inhabitants shall consist of five members; when there are twenty-five hundred or more inhabitants, the council shall consist of seven members. A city with a population of over two thousand but less than twenty-five hundred at the time of reclassification as an optional municipal code city may choose to maintain a seven-member council. The decision concerning the number of councilmembers shall be made by the council and be incorporated as a section of the ordinance adopting for the city the classification of noncharter code city. If the population of a city after having become a code city decreases from twenty-five hundred or more to less than twenty-five hundred, it shall continue to have a seven member council. If, after a city has become a mayor-council code city, its population increases to twenty-five hundred or more inhabitants, the number of councilmanic offices in such city may increase from five to seven members upon the affirmative vote of a majority of the existing council to increase the number of councilmanic offices in the city. When the population of a mayor-council code city having five councilmanic offices increases to five thousand or more inhabitants, the number of councilmanic offices in the city shall increase from five to seven members. In the event of an increase in the number of councilmanic offices, the city council shall, by majority vote, pursuant to RCW 35A.12.050, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term. The number of inhabitants shall be determined by the most recent official state or federal census or determination by the state office of financial management. A charter adopted under the provisions of this title, incorporating the mayor-council plan of government set forth in this chapter, may provide for an uneven number of councilmembers not exceeding eleven.

A noncharter code city of less than five thousand inhabitants which has elected the mayor-council plan of government and which has seven councilmanic offices may establish a five-member council in accordance with the following procedure. At least six months prior to a municipal general election, the city council shall adopt an ordinance providing for reduction in the number of councilmanic offices to five. The ordinance shall specify which two councilmanic offices, the terms of which expire at the next general election, are to be terminated. The ordinance shall provide for the renumbering of council positions and shall also provide for a two-year extension of the term of office of a retained councilmanic office, if necessary, in order to comply with RCW 35A.12.040.

However, a noncharter code city that has retained its old mayor-council plan of government, as provided in RCW 35A.02.130, is subject to the laws applicable to that old plan of government.

**NEW SECTION.** Sec. 11. RCW 35.21.620 shall be recodified as a section in chapter 35.22 RCW.

**NEW SECTION.** Sec. 12. The following acts or parts of acts are each repealed:

1. RCW 35.21.600 and 1979 c 151 s 27, 1965 ex.s. c 47 s 6, & 1965 c 7 s 35.21.600;
2. RCW 35.21.610 and 1965 ex.s. c 47 s 1; and
3. RCW 35A.61.010 and 1967 ex.s. c 119 s 35A.61.010.”

Funds also may be borrowed from federal, state, and other governmental agencies in the same manner as if the city or town were officially incorporated.

RCW 84.52.020 and 84.52.070 shall apply to the extent that they may be applicable, and the governing body of such city or town may take appropriate action by ordinance during the interim period to adopt the property tax levy for its first full calendar year following the interim period.

The boundaries of a newly incorporated city or town shall be deemed to be established for purposes of RCW 84.09.030 on the date that the results of the initial election on the question of incorporation are certified or the first day of January following the date of the election if the newly incorporated city or town does not impose property taxes in the same year that the voters approve the incorporation.

The newly elected officials shall take office immediately upon their election and qualification with limited powers during this interim period as provided in this section. They shall acquire their full powers as of the official date of incorporation and shall continue in office until their successors are elected and qualified at the next general municipal election after the official date of incorporation: PROVIDED, That if the date of the next general municipal election is less than twelve months after the date of the first election of councilmembers, those initially elected councilmembers shall serve until their successors are elected and qualified at the next following general municipal election as provided in RCW 29.04.170. For purposes of this section, the general municipal election shall be the date on which city and town general elections are held throughout the state of Washington, pursuant to RCW 29.13.020.

A copy of the resolution shall be filed with the county legislative authority of the county in which all or the major portion of the newly incorporated city or town is located. If the governing body fails to adopt such a resolution, the official date of incorporation shall be three hundred sixty days after the date of the election on the question of incorporation. (2) No license or certificate may be issued under this chapter to a corporation, partnership, firm, limited liability company, or group. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license or certificate holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;
(6) Failure or refusal without good cause to exercise reasonable diligence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;
(7) Negligence or incompetence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;
(8) Continuing to act as a state-licensed or state-certified real estate appraiser when his or her license or certificate is on an expired status;
(9) Failing, upon demand, to disclose any information within his or her knowledge to, or to produce any document, book, or record in his or her possession for inspection of the director or the director’s authorized representatives acting by authority of law;
(10) Violating any provision of this chapter or any lawful rule or regulation made by the director pursuant thereto;
(11) Advertising in a false, fraudulent, or misleading manner;
(12) Suspension, revocation, or restriction of the individual’s license or certification to practice the profession by competent authority in any state, federal, or foreign jurisdiction, with a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;
(13) Failing to comply with an order issued by the director;
(14) Committing any act of fraudulent or dishonest dealing or a crime involving moral turpitude, with a certified copy of the final holding of any court of competent jurisdiction in such matter being conclusive evidence in any hearing under this chapter; and
(15) Issuing an appraisal report on any real property in which the appraiser has an interest unless his or her interest is clearly stated in the appraisal report.

Sec. 10. RCW 18.140.170 and 1993 c 30 s 18 are each amended to read as follows:
The director may investigate the actions of a state-licensed or state-certified real estate appraiser or an applicant for licensure or certification or relicensure or recertification. Upon receipt of information indicating that a state-licensed or state-certified real estate appraiser under this chapter may have violated this chapter, the director shall cause one or more of the staff investigators to make an investigation of the facts to determine whether or not there is admissible evidence of any such violation. If technical assistance is required, a staff investigator may consult with one or more of the members of the committee.

In any investigation made by the director’s investigative staff, the director shall have the power to compel the attendance of witnesses and the production of books, documents, records, and other papers, to administer oaths, and to take testimony and receive evidence concerning all matters within the director’s jurisdiction.

If the director determines, upon investigation, that a state-licensed or state-certified real estate appraiser under this chapter has violated this chapter, a statement of charges shall be prepared and served upon the state-licensed or state-certified real estate appraiser. The statement of charges shall be served as follows: The statement of charges shall be sent by certified or registered mail, and if no receipt of service is received, two attempts to personally serve the statement of charges shall be made. This statement of charges shall require the accused party to file an answer to the statement of charges within twenty days of the date of service.

In responding to a statement of charges, the accused party may admit to the allegations, deny the allegations, or otherwise plead. Failure to make a timely response shall be deemed an admission of the allegations contained in the statement of charges and will result in a default whereupon the director may enter an order under RCW 34.05.440. If a hearing is requested, the time of the hearing shall be scheduled but the hearing shall not be held earlier than thirty days after service of the charges upon the accused. A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of hearing.

NEW SECTION. Sec. 11. The director may refer a complaint for violation of any section of this chapter before any court of competent jurisdiction.

Any violation of the provisions of this chapter shall be prosecuted by the prosecuting attorney of each county in which the violation occurs, and if the prosecuting attorney fails to act, the director may request the attorney general to take action in lieu of the prosecuting attorney.

Whenever evidence satisfactory to the director suggests that any person has violated any of the provisions of this chapter, or any part or provision thereof, the director may bring an action, in the superior court in the county where the person resides, against the person to enjoin any person from continuing a violation or engaging or doing any act or acts in furtherance thereof. In this action an order or judgment may be entered awarding a preliminary or final injunction as may be proper.

The director may petition the superior court in any county in this state for the appointment of a receiver to take over, operate, or close any real estate appraisal activity or practice in this state which is found upon inspection of its books and records to be operating in violation of the provisions of this chapter, pending a hearing.

On motion of Senator Pelz, the following Committee on Labor, Commerce and Trade amendment was adopted:

"Sec. 1. RCW 19.138.021 and 1994 c 237 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of licensing.
(2) "Director" means the director of licensing or the director’s designee.
(3) "Seller of travel" means a person, firm, or corporation both inside and outside the state of Washington, who transacts business with Washington consumers, including, but not limited to, travel agencies, who sell, provide, furnish contracts for, arrange, or advertise, either directly or indirectly, by any means or method, to arrange or book any travel services including travel reservations or accommodations, tickets for domestic or foreign travel by air, rail, ship, bus, or other medium of transportation or hotel or other lodging accommodation and vouchers or coupons to be redeemed for future travel or accommodations for a fee, commission, or other valuable consideration for travel services.

(a) "Seller of travel" includes a travel agent and any person who is an independent contractor or outside agent for a travel agency or other seller of travel whose principal duties include consulting with and advising persons concerning travel arrangements or accommodations in the conduct or administration of its business. If a seller of travel is employed by a seller of travel who is registered under this chapter, the employee need not also be registered.
(b) "Seller of travel" does not include:

(i) A carrier;
(ii) An owner or operator of a vessel, including an ocean common carrier as defined in 46 U.S.C. App. 1702(18), an owner or charterer of a vessel that is required to establish its financial responsibility in accordance with the requirements of the federal maritime commission, 46 U.S.C. App. 817(e), and a steamboat company as defined in RCW 84.12.200 whether or not operating over and upon the waters of this state;
(iii) A motor carrier;
(iv) A rail carrier;
(v) An auto transportation company as defined in RCW 81.68.010;
(vi) A hotel or other lodging accommodation;
(vii) An affiliate of any person or entity described in (i) through (vi) of this subsection (3)(b) that is primarily engaged in the sale of travel services provided by the person or entity. For purposes of this subsection (3)(b)(vii), an "affiliate" means a person or entity owning, owned by, or under common ownership, with "owning," "owned," and "ownership" referring to equity holdings of at least eighty percent;
(viii) Direct providers of transportation by air, sea, or ground, or hotel or other lodging accommodations who do not book or arrange any other travel services.

"Transacts business with Washington consumers" means to directly offer or sell travel services to Washington consumers, including the placement of advertising in media based in the state of Washington or that is primarily directed to Washington residents. Advertising placed in national print or electronic media alone does not constitute "transacting business with Washington consumers." Those entities that only wholesale travel services are not "transacting business with Washington consumers" for the purposes of this chapter.

Sec. 2. RCW 19.138.030 and 1994 c 237 s 10 are each amended to read as follows:

A seller of travel shall not advertise that ((air, sea, or land transportation either separately or in conjunction with (other)) any travel services) are or may be available unless he or she has, prior to the advertisement, determined that the product advertised was available at the time the advertising was placed. This determination can be made by the seller of travel either by use of an airline computer reservation system, or by written confirmation from the vendor whose program is being advertised. It is the responsibility of the seller of travel to keep written or printed documentation of the steps taken to verify that the advertised offer was available at the time the advertising was placed. Those records are to be maintained for at least two years after the placement of the advertisement.

Sec. 3. RCW 19.138.040 and 1994 c 237 s 11 are each amended to read as follows:

At or prior to the time of full or partial payment for ((air, sea, or land transportation either separately or in conjunction with (other))) any (other) travel services, the seller of travel shall furnish to the person making the payment a written statement conspicuously setting forth the (following) information contained in subsections (1) through (6) of this section. If the sale of travel services is made over the telephone or by other electronic media and payment is made by credit or debit card, the seller of travel shall transmit to the person making the payment the written statement required by this section within three business days of the consumer’s credit or debit card authorization. The written statement shall contain the following information:

(1) The name and business address and telephone number of the seller of travel.
(2) The amount paid, the date of such payment, the purpose of the payment made, and an itemized statement of the balance due, if any.
(3) The registration number of the seller of travel required by this chapter.
(4) The name of the vendor with whom the seller of travel has contracted to provide travel arrangements for a consumer and all pertinent information relating to the travel as known by the seller of travel at the time of booking. The seller of travel will make known further details as soon as received from the vendor. All information will be provided with final documentation.
(5) The conditions, if any, upon which the contract between the seller of travel and the passenger may be canceled, and the rights and obligations of all parties in the event of cancellation.
(6) A statement in eight-point boldface type in substantially the following form:

"If transportation or other services are canceled by the seller of travel, all sums paid to the seller of travel for services not performed in accordance with the contract between the seller of travel and the purchaser will be refunded within thirty days of receiving the funds from the vendor with whom the services were arranged, or if the funds were not sent to the vendor, the funds shall be returned within fourteen days after cancellation by the seller of travel to the purchaser unless the purchaser requests the seller of travel to apply the money to another travel product and/or date."

Sec. 4. RCW 19.138.100 and 1994 c 237 s 3 are each amended to read as follows:
No person, firm, or corporation may act or hold itself out as a seller of travel unless, prior to engaging in the business of selling or advertising to sell travel services, the person, firm, or corporation registers with the director under this chapter and rules adopted under this chapter.

(1) The registration number must be conspicuously posted in the place of business and must be included in all advertisements. Any corporation which issues a class of equity securities registered under section 12 of the securities exchange act of 1934, and any subsidiary, the majority of voting stock of which is owned by such corporation including any wholly owned subsidiary of such corporation are not required to include company registration numbers in advertisements.

(2) The director shall issue duplicate registrations upon payment of a nominal duplicate registration fee to valid registration holders operating more than one office.

(3) No registration is assignable or transferable.

(4) If a registered seller of travel sells his or her business, when the new owner becomes responsible for the business, the new owner must comply with all provisions of this chapter, including registration.

(5) If a seller of travel is employed by or under contract as an independent contractor or an outside agent of a seller of travel who is registered under this chapter, the employer, independent contractor, or outside agent need not also be registered if:

a) The employee, independent contractor, or outside agent is conducting business as a seller of travel in the name of and under the registration of the registered seller of travel; and

b) All money received for travel services by the employee, independent contractor, or outside agent is collected in the name of and under the registration of the registered seller of travel and deposited directly into the registered seller of travel's trust account as required under this chapter.

Sec. 5. RCW 19.138.110 and 1994 c 237 § 4 are each amended to read as follows:

An application for registration as a seller of travel shall be submitted in the form prescribed by rule by the director, and shall contain but not be limited to the following:

1. The name, address, and telephone number of the seller of travel;
2. Proof that the seller of travel holds a valid business license in the state of its principal state of business;
3. A registration fee in an amount determined under RCW 43.24.086;
4. The name, (address) business addresses, and (social security) business phone numbers of all employees, independent contractors, or outside agents who sell travel and are covered by the seller of travel's registration. This subsection shall not apply to the out-of-state employees of a corporation that issues a class of equity securities registered under section 12 of the securities exchange act of 1934, and any subsidiary, the majority of voting stock of which is owned by the corporation;
5. A report prepared and signed by a bank officer, licensed public accountant, or certified public accountant or other report, approved by the director, that verifies that the seller of travel maintains a trust account at a federally insured financial institution located in Washington state, or other approved account (a federal insured financial institution account exists as required by RCW 19.138.140). The director, by rule, may permit alternatives to the report that provides for at least the same level of verification.

Sec. 6. RCW 19.138.130 and 1994 c 237 § 6 are each amended to read as follows:

1. The director may deny, suspend, or revoke the registration of a seller of travel if the director finds that the applicant:
   a) Was previously the holder of a registration issued under this chapter, and the registration was revoked for cause and never reissued by the director, or the registration was suspended for cause and the terms of the suspension have not been fulfilled;
   b) Has been found guilty of a felony within the past five years involving moral turpitude, or of a misdemeanor concerning fraud or conversion, a judgment involving willful fraud, misrepresentation, or conversion;

   d) Has violated this chapter or failed to comply with a rule adopted by the director under this chapter;
   e) Has failed to display the registration as provided in this chapter;
   f) Has published or circulated a statement with the intent to deceive, misrepresent, or mislead the public;
   g) Has committed a fraud or fraudulent practice in the operation and conduct of a travel agency business, including, but not limited to, intentionally misleading advertising; or
   h) Has aided or abetted a person, firm, or corporation that the know has not registered in this state in the business of conducting a travel agency, or other sale of travel.

2. If the seller of travel is found in violation of this chapter or in violation of the consumer protection act, chapter 19.86 RCW, by the entry of a judgment or by settlement of a claim, the director may revoke the registration of the seller of travel, and the director may reinstate the registration at the director's discretion.

Sec. 7. RCW 19.138.140 and 1994 c 237 § 8 are each amended to read as follows:

A seller of travel shall deposit in a trust account maintained in a federally insured financial institution located in Washington state, or other account approved by the director, all sums held for more than five business days that are received from a person or entity, for retail travel services offered by the seller of travel in a trust account or other approved account maintained in a federally insured financial institution located in Washington state. Exempted are airline sales made. This subsection does not apply to travel services sold by a seller of travel, when payments for the travel services are made through the airline reporting corporation either by cash or credit or debit card sale.

(2) The trust account or other approved account required by this section shall be established and maintained for the benefit of any person or entity paying money to the seller of travel. The seller of travel shall not in any manner encumber the amounts in trust and shall not withdraw money from the account except the following amounts may be withdrawn at any time:

   b) Partial or full payment for travel services to the entity directly providing the travel service;
   c) The amount of the sales commission;

   f) Reimbursement to the seller of travel for agency operating funds that are advanced for a customer's travel services.

(3) At the time of registration, the seller of travel shall file with the department the account number and the name of the financial institution at which the trust account or other approved account is held as set forth in RCW 19.138.110. The seller of travel shall notify the department of any change in the account number or location within one business day of the change.

(4) The director, by rule, may allow for the use of other types of funds or accounts only if the protection for consumers is no less than that provided by this section.

(5) The seller of travel need not comply with the requirements of this section if all of the following apply, except as exempted in subsection (1) of this section:

a) The payment is made by credit card;

(b) The seller of travel does not deposit, negotiate, or factor the credit card charge or otherwise seek to obtain payment of the credit card charge to any account over which the seller of travel has any control; and

(c) If the charge includes transportation, the carrier that is to provide the transportation processes the credit card charge, or if the charge is only for services, the provider of services processes the credit card charges.
If the seller of travel maintains its principal place of business in another state and maintains a trust account or other approved account in that state consistent with the requirements of this section, and if that seller of travel has transacted business within the state of Washington in an amount exceeding five million dollars for the preceding year, the out-of-state trust account or other approved account may be substituted for the in-state account required under this section.

Strike everything after the enacting clause and insert the following:  

Sec. 1. RCW 43.70.250 and 1989 1st ex.s. c 9 s 319 are each amended to read as follows:  

(()) It shall be the policy of the state of Washington that the cost of each professional, occupational, or business licensing program be fully borne by the members of that profession, occupation, or business. The secretary shall from time to time establish the amount of all application fees, license fees, registration fees, examination fees, permit fees, renewal fees, and any other fee associated with licensing or regulation of professions, occupations, or businesses administered by the department. In fixing said fees, the secretary shall set the fees for each program at a sufficient level to defray the costs of administering that program. All such fees shall be fixed by rule adopted by the secretary in accordance with the provisions of the administrative procedure act, chapter 34.05 RCW.

(2) Notwithstanding subsection (1) of this section, no fee for midwives, as licensed in chapter 18.50 RCW may be increased by more than one hundred dollars or fifty percent, whichever is greater during any biennium.

Sec. 2. RCW 43.70.280 and 1989 1st ex.s. c 9 s 322 are each amended to read as follows:  

(1) The secretary, in consultation with health profession boards and commissions, shall establish by rule the administrative procedures, administrative requirements, and fees for initial issue, renewal, and reissue of a credential for professions under RCW 18.130.040, including procedures and requirements for late renewals and uniform application of late renewal penalties. Failure to renew invalidates the credential and all privileges granted by the credential. Administrative procedures and administrative requirements do not include establishing, monitoring, and enforcing qualifications for licensure, scope or standards of practice, continuing competency mechanisms, and discipline when such authority is authorized in statute to a health profession board or commission. For the purposes of this section, “in consultation with” means providing an opportunity for meaningful participation in development of rules consistent with processes set forth in RCW 34.05.310.

(2) Notwithstanding any provision of law to the contrary which provides for a licensing period for any type of license subject to this chapter including those under RCW 18.130.040, the secretary of health may, from time to time, extend or otherwise modify the duration of any licensing, certification, or registration period, whether an initial or renewal period, if the secretary determines that it would result in a more economical or efficient operation of state government and that the public health, safety, or welfare would not be substantially adversely affected thereby. However, no license, certification, or registration may be issued or approved for a period in excess of four years, without renewal. Such extension, reduction, or other modification of a licensing, certification, or registration period shall be by rule or regulation of the department of health adopted in accordance with the provisions of chapter 34.05 RCW. Such rules and regulations may provide a method for imposing and collecting such additional proportional fee as may be required for the extended or modified period.

(3) Unless extended by the legislature, effective July 1, 1998, the authority of the secretary to establish administrative procedures and administrative requirements for initial issue, renewal, and reissue of a credential, including procedures and requirements for late renewals

The secretary may appoint the initial members of the council to staggered terms of from one to four years. Thereafter, all members shall be appointed to full four-year terms. Members of the council hold office until their successors are appointed.

The secretary may remove any member of the council for cause as specified by rule. In the case of a vacancy, the secretary shall appoint a person to serve for the remainder of the unexpired term.

The council shall meet at the times and places designated by the secretary and shall hold meetings during the year as necessary to provide advice to the secretary.

Each member of the council shall be reimbursed for travel expenses as authorized in RCW 43.03.050 and 43.03.060. Whenever the certificate of license registration is suspended, the court shall secure such certificate and immediately forward the same to the director with information concerning the suspension.

4. Any person found to have violated any posted limitations of a highway or section of highway shall be assessed a monetary penalty of not less than one hundred and fifty dollars, and the court shall in addition thereto upon second violation within a twelve-month period involving the same power unit, suspend the certificate of license registration for not less than thirty days.

Sec. 8. RCW 46.44.095 and 1993 c 403 s 4 are each amended to read as follows:
(5) It is unlawful for the driver of a vehicle to fail or refuse to stop and submit the vehicle and load to a weighing, or to fail or refuse, when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section. It is unlawful for a driver of a commercial motor vehicle as defined in RCW 46.32.005, other than the driver of a bus as defined in RCW 46.32.005(2), to fail or refuse to stop at a weighing when proper traffic control signs indicate scales are open.

Any police officer is authorized to require the driver of any vehicle or combination of vehicles to stop and submit to a weighing either by means of a portable or stationary scale and may require that the vehicle be driven to the nearest public scale. Whenever a police officer, upon weighing a vehicle and load, determines that the weight is unlawful, the officer may require the driver to stop the vehicle in a suitable location and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of the vehicle to the limit permitted by law. If the vehicle is loaded with grain or other perishable commodities, the driver shall be permitted to proceed without removing any of the load, unless the gross weight of the vehicle and load exceeds by more than ten percent the limit permitted by this chapter. The owner or operator of the vehicle shall care for all materials unloaded at the risk of the owner or operator.

Any vehicle whose driver or owner represents that the vehicle is disabled or otherwise unable to proceed to a weighing location shall have its load sealed or otherwise marked by any police officer. The owner or driver shall be directed that upon completion of repairs, the vehicle shall submit to weighing with the load and markings and/or seal intact and undisturbed. Failure to report for weighing, appearing for weighing with the seal broken or the markings disturbed, or removal of any cargo prior to weighing is unlawful. Any person so convicted shall be fined ($five hundred) one thousand dollars, and in addition the certificate of license registration shall be suspended for not less than thirty days. Half of the monetary penalties provided in this subsection shall be remitted as provided in RCW 3.62.020 or 10.82.070. Half of the penalties shall be remitted to the state treasurer and deposited in the motor vehicle fund.

(6) Any other provision of law to the contrary notwithstanding, district courts having venue have concurrent jurisdiction with the superior courts for the imposition of any penalties authorized under this section.

(7) For the purpose of determining additional penalties as provided by subsection (2) of this section, "excess weight" means the poundage in excess of the maximum allowable gross weight or axle/axle grouping weight prescribed by RCW 46.44.041 (and), 46.44.042 (plus the weights allowed by RCW), 46.44.047, 46.44.091, and 46.44.095.

(8) The penalties provided in subsection ((s)) (1) (and (2)) of this section shall be remitted as provided in chapter 3.62 RCW or RCW 10.82.070. The penalties provided in subsection (2) of this section shall be remitted to the state treasurer and deposited in the motor vehicle fund. For the purpose of computing the basic penalties and additional penalties to be imposed under the provisions of subsections (1) and (2) of this section the convictions shall be on the same vehicle or combination of vehicles within a twelve-month period under the same ownership.

(9) Any state patrol officer or any weight control officer who finds any person operating a vehicle or a combination of vehicles in violation of the conditions of a permit issued under RCW 46.44.047, 46.44.090, and 46.44.095 may confiscate the permit and forward it to the state department of transportation which may return it to the permittee or revoke, cancel, or suspend it without refund. The department of transportation shall keep a record of all action taken upon permits so confiscated, and if a permit is returned to the permittee the action taken by the department of transportation shall be endorsed thereon. Any permittee whose permit is suspended or revoked may upon request receive a hearing before the department of transportation or person designated by that department. After the hearing the department of transportation may reinstate any permit or revise its previous action.

Every permit issued as provided for in this chapter shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any law enforcement officer or authorized agent of any authority granting such a permit.

Upon the third finding within a calendar year of a violation of the requirements and conditions of a permit issued under RCW 46.44.095 as now or hereafter amended, the permit shall be canceled, and the canceled permit shall be immediately transmitted by the court or the arresting officer to the department of transportation. The vehicle covered by the canceled permit is not eligible for a new permit for a period of thirty days.

(10) For the purposes of determining gross weights the actual scale weight taken by the arresting officer is prima facie evidence of the total gross weight.

(11) It is a traffic infraction to direct the loading of a vehicle with knowledge that it violates the requirements in RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 and that it is to be operated on the public highways of this state.

(12) The chief of the state patrol, with the advice of the department, may adopt reasonable rules to aid in the enforcement of this section.

NEW SECTION. Sec. 8. The department of transportation, in cooperation with the department of licensing and the department of revenue shall conduct a vehicle cost allocation study examining the feasibility of recovering pavement damage costs through the establishment of a weight-distance tax based on the weight of the vehicle and the distance traveled each year in this state. Periodic reports shall be submitted to the legislative transportation committee and the house and senate standing committees on transportation. A final report and recommendations are due July 1, 1997.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.390 and 1995 c 316 s 2 are each amended to read as follows:
If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).
The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.
(1) Mitigating Circumstances
   (a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident."
(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.
(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.
(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.
(e) The defendant’s capacity to appreciate the wrongfulness of his or her conduct or to conform his or her conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).
(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.
(g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.
(h) The defendant or the defendant’s children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

2) Aggravating Circumstances
(a) The defendant’s conduct during the commission of the current offense manifested deliberate cruelty to the victim.
(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.
(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.
(d) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:
(i) The current offense involved multiple victims or multiple incidents per victim;
(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;
(iii) The current offense involved a high degree of sophistication or planning or occurring over a lengthy period of time;
(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(1)(i) (e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition:

(b) The presence of ANY of the following may identify a current offense as a major VUCSA:
(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;
(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;
(iii) The current offense involved the manufacture of controlled substances for use by other parties;
(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;
(v) The current offense involved a high degree of sophistication or planning or occurring over a lengthy period of time or involved a broad geographic area of disbursement; or
(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(1)(ii) (f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

(1)(iii) (g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(1)(iv) (h) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

(1) Each county that is required or chooses to plan under RCW 36.70A.040, and each city within such county, shall adopt development regulations on or before September 1, 1991, to assure the conservation of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption and shall remain in effect until the county or city adopts development regulations pursuant to RCW 36.70A.120. Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner and in accordance with best management practices, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals. Counties and cities shall require that all plats, short plats, development permits, and building permits issued for development activities on, or within three hundred feet of, lands designated as agricultural lands, forest lands, or mineral resource lands, contain a notice that the subject property is within or near designated agricultural lands, forest lands, or mineral resource lands on which a variety of commercial activities may occur that are not compatible with residential development for certain periods of limited duration.

(2) Each county and city shall adopt development regulations that protect critical areas that are required to be designated under RCW 36.70A.170. For counties and cities that are required or choose to plan under RCW 36.70A.040, such development regulations shall be adopted on or before September 1, 1991. For the remainder of the counties and cities, such development regulations shall be adopted on or before March 1, 1992.

(3) Such counties and cities shall review these designations and development regulations when adopting their comprehensive plans under RCW 36.70A.040 and implementing development regulations under RCW 36.70A.120 and may alter such designations and development regulations to insure consistency.

(4) Forest land and agricultural land located within urban growth areas shall not be designated by a county or city as forest land or agricultural land of long-term commercial significance under RCW 36.70A.170 unless the city or county has enacted a program authorizing transfer or purchase of development rights.

(5) A jurisdiction planning under this chapter has the discretion to exempt certain utility activities from the regulations required under this section. Examples of such utility activities include, but are not limited to, routine maintenance, repair, or replacement of existing utilities and relocation or extension of utility service in the improved portions of the public or private rights of way, and may include qualifying restrictions that address methods of minimizing harm to the critical area being impacted. The proposed exemptions must be considered at a public hearing during the course of adoption or readoption of the regulations.

For the purposes of this subsection, "utilities" does not include any facility for the transmission or distribution of oil or refined oil products."

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and the point of order is well taken."

The amendment by Senator Sutherland on page 3, beginning on line 3, to House Bill No. 2687 was ruled out of order.

MOTION

On motion of Senator Owen, the rules were suspended, House Bill No. 2687 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1648, by House Committee on Commerce and Labor (originally sponsored by Representatives Lisk, Romero, Goldsmith and Thompson) (by request of Employment Security Department)
Revising provision relating to charges against industrial insurance awards.

The bill was read the second time.

MOTION

Senator Heavey moved that the following Committee on Labor, Commerce and Trade amendment be adopted:
On page 3, line 13, after "payable," insert "However, the amount to be repaid to the employment security department shall bear its proportionate share of reasonable attorneys' fees and costs, if any, incurred by the injured worker."

POINT OF ORDER

Senator Anderson: "Thank you, Mr. President, I rise to a point of order. I would like to challenge the scope and object of the committee amendment. The committee amendment by Labor, Commerce and Trade is, I believe, to be beyond the scope and object of the underlying bill. Engrossed Substitute House Bill No. 1648 authorizes the Department of Labor and Industries to deduct from an individual's worker compensation benefits for any over-payments he or she received from the unemployment insurance program for duplicative benefits. The amendment expands the scope and the object of the underlying bill by adding into the bill the attorneys for the workers who may be entitled to a percentage of the dollar amounts the worker will receive from only one of the agencies—Labor and Industries. It is unrelated to the Department of Labor and Industries' duty to reimburse the Employment Security Department for over-payments and, therefore, I would challenge the scope and object of this committee amendment.

Further debate ensued.

There being no objection, the President deferred further consideration of Engrossed Substitute House Bill No. 1648.

SECOND READING

ENGROSSED HOUSE BILL NO. 1647, by Representatives Goldsmith, Romero and Lisk (by request of Employment Security Department)

"Sec. 1. RCW 50.13.060 and 1993 c 281 s 59 are each amended to read as follows:
(1) Governmental agencies, including law enforcement agencies, prosecuting agencies, and the executive branch, whether state, local, or federal shall have access to information or records deemed private and confidential under this chapter if the information or records are needed by the agency for official purposes and:
(a) The agency submits an application in writing to the employment security department for the records or information containing a statement of the official purposes for which the information or records are needed and specific identification of the records or information sought from the department; and
(b) The director, commissioner, chief executive, or other official of the agency has verified the need for the specific information in writing either on the application or on a separate document; and
(c) The agency requesting access has served a copy of the application for records or information on the individual or employing unit whose records or information are sought and has provided the department with proof of service. Service shall be made in a manner which conforms to the civil rules for superior court. The requesting agency shall include with the copy of the application a statement to the effect that the individual or employing unit may contact the public records officer of the employment security department to state any objections to the release of the records or information. The employment security department shall not act upon the application of the requesting agency until at least five days after service on the concerned individual or employing unit. The employment security department shall consider any objections raised by the concerned individual or employing unit in deciding whether the requesting agency needs the information or records for official purposes.
(2) The requirements of subsection (1) and ((2a)) (8) of this section shall not apply to the state legislative branch. The state legislature shall have access to information or records deemed private and confidential under this chapter, if the legislature or a legislative committee finds that the information or records are necessary and for official purposes. If the employment security department does not make information or records available as provided in this subsection, the legislature may exercise its authority granted by chapter 44.16 RCW.
(3) In cases of emergency the governmental agency requesting access shall not be required to formally comply with the provisions of subsection (1) of this section at the time of the request if the procedures required by subsection (1) of this section are complied with by the requesting agency following the receipt of any records or information deemed private and confidential under this chapter. An emergency is defined as a situation in which irreparable harm or damage could occur if records or information are not released immediately."
(4) The requirements of subsection (1)(c) of this section shall not apply to governmental agencies where the procedures would frustrate the investigation of possible violations of criminal laws.

(5) Governmental agencies shall have access to certain records or information, limited to such items as names, addresses, social security numbers, and general information about benefit entitlement or employer information possessed by the department, for comparison purposes with records or information possessed by the requesting agency to detect improper or fraudulent claims, or to determine potential tax liability or employer compliance with registration and licensing requirements. In those cases the governmental agency shall not be required to comply with subsection (1)(c) of this section, but the requirements of the remainder of subsection (1) must be satisfied.

(6) Governmental agencies may have access to certain records and information, limited to employer information possessed by the department for purposes authorized in chapter 50.38 RCW. Access to these records and information is limited to only those individuals conducting authorized statistical analysis, research, and evaluation studies. Only in cases consistent with the purposes of chapter 50.38 RCW are government agencies not required to comply with subsection (1)(c) of this section, but the requirements of the remainder of subsection (1) of this section must be satisfied. Information provided by the department and held to be private and confidential under state or federal laws shall not be misused or released to unauthorized parties subject to the sanctions in RCW 50.13.080.

(7) Disclosure to governmental agencies of information or records obtained by the employment security department from the federal government shall be governed by any applicable federal law or any agreement between the federal government and the employment security department where so required by federal law. When federal law does not apply to the records or information state law shall control.

(8) The disclosure of any records or information by a governmental agency which has obtained the records or information under this section is prohibited unless the disclosure is directly connected to the official purpose for which the records or information were obtained.

In conducting periodic salary or fringe benefit studies pursuant to law, the department of personnel shall have access to records of the employment security department as may be required for such studies. For such purposes, the requirements of subsection (1)(c) of this section need not apply.

Sec. 2. RCW 50.13.080 and 1977 ex.s. c 153 s 8 are each amended to read as follows:

(1) The employment security department shall have the right to disclose information or records deemed private and confidential under this chapter to any private person or organization when such disclosure is necessary to permit private contracting parties to assist in the operation and management of the department in instances where certain departmental functions may be delegated to private parties to increase the department’s efficiency or quality of service to the public. The private persons or organizations shall use the information or records solely for the purpose for which the information was disclosed and shall be bound by the same rules of privacy and confidentiality as employment security department employees.

(2) Nothing in this section shall be construed as limiting or restricting the effect of RCW 42.17.260((2a))((9)).

(3) The misuse or unauthorized release of records or information deemed private and confidential under this chapter by any private person or organization to which access is permitted by this section shall subject the person or organization to a civil penalty of five hundred thousand dollars and other applicable sanctions under state and federal law. Suit to enforce this section shall be brought by the attorney general and the amount of any penalties collected shall be paid into the employment security department administrative contingency fund.

NEW SECTION. Sec. 3. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

"Sec. 1. RCW 28A.405.210 and 1990 c 33 s 390 are each amended to read as follows:

No teacher, principal, supervisor, superintendent, or other certificated employee, holding a position as such with a school district, hereinafter referred to as "employee", shall be employed except by written order of a majority of the directors of the district at a regular or special meeting thereof, nor unless he or she is the holder of an effective teacher's certificate or other certificate required by law or the state board of education for the position for which the employee is employed.

The board shall make with each employee employed by it a written contract, which shall be in conformity with the laws of this state, and except as otherwise provided by law, limited to a term of not more than one year. Every such contract shall be made in duplicate, one copy to be retained by the school district superintendent or secretary and one copy to be delivered to the employee. No contract shall be offered by any board for the employment of any employee who has previously signed an employment contract for that same term in another school district of the state of Washington unless such employee shall have been released from his or her obligations under such previous contract by the board of directors of the school district to which he or she was obligated. Any contract signed in violation of this provision shall be void.

In the event it is determined that there is probable cause or causes that the employment contract of an employee should not be renewed by the district for the next ensuing term such employee shall be notified in writing on or before May 15th preceding the commencement of such term of that determination, or if the omnibus appropriations act has not passed the legislature by May 15th, then notification shall be no later than June 1st, which notification shall specify the cause or causes for nonrenewal of contract. Such determination of probable cause for certificated employees, other than the superintendent, shall be made by the superintendent. Such notice shall be served upon the employee personally, or by certified or registered mail, or by leaving a copy of the notice at the house of his or her usual abode with some person of suitable age and discretion then resident therein. Every such employee so notified, at his or her request made in writing and filed with the president, chair or secretary of the board of directors of the district within ten days after receiving such notice, shall be granted opportunity for hearing pursuant to RCW 28A.405.310 to determine whether there is sufficient cause or causes for nonrenewal of contract: PROVIDED, That any employee receiving notice of nonrenewal of contract due to an enrollment decline or loss of revenue may, in his or her request for a hearing, stipulate that initiation of the arrangements for a hearing officer as provided for by RCW 28A.405.310(4) shall occur within ten days following July 15 rather than the day that the employee submits the request for a hearing. If any such notification or opportunity for hearing is not timely given, the employee entitled thereto shall be conclusively presumed to have been reemployed by the district for the next ensuing term upon contractual terms identical with those which would have prevailed if his or her employment had actually been renewed by the board of directors for such ensuing term."
This section shall not be applicable to "provisional employees" as so designated in RCW 28A.405.220; transfer to a subordinate certificated position as that procedure is set forth in RCW 28A.405.230 shall not be construed as a nonrenewal of contract for the purposes of this section.

Sec. 2. RCW 28A.405.220 and 1992 c 141 s 103 are each amended to read as follows:
Notwithstanding the provisions of RCW 28A.405.210, every person employed by a school district in a teaching or other nonsupervisory certificated position shall be subject to nonrenewal of employment contract as provided in this section during the first two years of employment by such district, unless the employee has previously completed at least two years of certificated employment in another school district in the state of Washington, in which case the employee shall be subject to nonrenewal of employment contract pursuant to this section during the first year of employment with the new district. Employees as defined in this section shall hereinafter be referred to as "provisional employees".

In the event the superintendent of the school district determines that the employment contract of any provisional employee should not be renewed by the district for the next ensuing term such provisional employee shall be notified thereof in writing on or before May 15th preceding the commencement of such school term, or if the omnibus appropriations act has not passed the legislature by May 15th, then notification shall be no later than June 1st, which notification shall state the reason or reasons for such determination. Such notice shall be served upon the provisional employee personally, or by certified or registered mail, or by leaving a copy of the notice at the place of his or her usual abode with some person of suitable age and discretion then resident therein. The determination of the superintendent shall be subject to the evaluation requirements of RCW 28A.405.100.

Every such provisional employee so notified, at his or her request made in writing and filed with the superintendent of the district within ten days after receiving such notice, shall be given the opportunity to meet informally with the superintendent for the purpose of requesting the superintendent to reconsider his or her decision. Such meeting shall be held no later than ten days following the receipt of such request, and the provisional employee shall be given written notice of the date and place of meeting at least three days prior thereto. At such meeting the provisional employee shall be given the opportunity to refute any facts upon which the superintendent’s determination was based and to make any argument in support of his or her request for reconsideration.

Within ten days following the meeting with the provisional employee, the superintendent shall either reinstate the provisional employee or shall submit to the school district board of directors for consideration at its next regular meeting a written report recommending that the employment contract of the provisional employee be nonrenewed and stating the reason or reasons therefor. A copy of such report shall be delivered to the provisional employee at least three days prior to the scheduled meeting of the board of directors. In taking action upon the recommendation of the superintendent, the board of directors shall consider any written communication which the provisional employee may file with the secretary of the board at any time prior to that meeting.

The board of directors shall notify the provisional employee in writing of its final decision within ten days following the meeting at which the superintendent’s recommendation was considered. The decision of the board of directors to nonrenew the contract of a provisional employee shall be final and not subject to appeal.

A copy of such report shall be delivered to the provisional employee at least three days prior to the scheduled meeting of the board of directors. In taking action upon the recommendation of the superintendent, the board of directors shall consider any written communication which the provisional employee may file with the secretary of the board at any time prior to that meeting.

POINT OF INQUIRY

Senator Owen: "Senator Heavey, as co-chairman of the Interim Task Force on Luxury Cars and Limousines, I have a few questions on the intent of this legislation. Section 5 states that a limousine carrier or company must have an office and a vehicle cannot solely be used as an office. It is my understanding that the intent is to prevent a limousine carrier from using the limo, luxury car or van as his/her only office. Does this mean that the limousine operator must have a commercial office and be staffed?"

Senator Heavey: "No, a limousine carrier is not required to have an office at a commercial location or any additional staff. The carrier's home can serve as an office equipped with an answering machine, call forwarding or other cellular technology."

Senator Owen: "Thank you. Section 5 also states that arrangements for service are prearranged through the carrier's office and dispatched to the limo or luxury car. It is my understanding that the intent is to prevent customers from flagging down a luxury sedan off the street, at the airport, or in a hotel lobby. Does the term 'dispatched' mean that the carrier must have a radio dispatcher?"

Senator Heavey: "Thank you, Senator Owen. No, 'dispatcher' is not intended to mean the hiring of a professional employee to act as a radio dispatcher. The term 'dispatched' simply means to send, to transmit."

Senator Owen: "I have to admit that I was concerned about flagging down a luxury sedan in a hotel lobby. What is the intent of the provision in Section 5 that states that customers cannot make arrangements with the driver for immediate rental of a limousine or luxury car, even if the driver is the owner?"

Senator Heavey: "Senator Owen, this is intended to prevent curbside hails and ensure that limousines may not acquire customers in the same manner as taxicabs. However, the prearrangement requirements do not prevent a concierge from contacting the owner to place an order, even if the owner happens to be in his/her car at the time the arrangement is made."

Further debate ensued.

Senator McAuliffe moved that the following Committee on Education amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.225.010 and 1990 c 33 s 219 are each amended to read as follows:
1. All parents in this state of any child eight years of age and under eighteen years of age shall cause such child to attend the public school of the school district in which the child resides and such child shall have the responsibility to and therefore shall attend for the full time when such school may be in session unless:

(a) The child is attending an approved private school for the same time or is enrolled in an extension program as provided in RCW 28A.195.010(4);

(b) The child is receiving home-based instruction as provided in subsection (4) of this section; or

(c) The child is attending an education center as provided in chapter 28A.205 RCW;

(d) The school district superintendent of the district in which the child resides shall have excused such child from attendance because the child is physically or mentally unable to attend school, is attending a residential school operated by the department of social and health services, or has been temporarily excused upon the request of his or her parents for purposes agreed upon by the school authorities and the parent: PROVIDED, That such excused absences shall not be permitted if deemed to cause a serious adverse effect upon the student's educational progress: PROVIDED FURTHER, That students excused for such temporary absences may be claimed as full time equivalent students to the extent they would otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260 and shall not affect school district compliance with the provisions of RCW 28A.150.220; or

(e) The child is (fifteen) sixteen years of age or older and:

(i) The school district superintendent determines that such child has already attained a reasonable proficiency in the branches required by law to be taught in the first nine grades of the public schools of this state;

(ii) The child is regularly and lawfully employed and either the parent agrees that the child should not be required to attend school or the child is emancipated in accordance with chapter 13.64 RCW;

(iii) The child has already met graduation requirements in accordance with state board of education rules and regulations; or

(iv) The child has received a certificate of educational competence under rules and regulations established by the state board of education under RCW 28A.305.190.

2. A parent for the purpose of this chapter means a parent, guardian, or person having legal custody of a child.

3. An approved private school for the purposes of this chapter and chapter 28A.200 RCW shall be one approved under regulations established by the state board of education pursuant to RCW 28A.305.130.

4. For purposes of this chapter and chapter 28A.200 RCW, instruction shall be home-based if it consists of planned and supervised instructional and related educational activities, including a curriculum and instruction in the basic skills of occupational education, science, mathematics, language, social studies, history, health, reading, writing, spelling, and the development of an appreciation of art and music, provided for a number of hours equivalent to the total annual program hours per grade level established for approved private schools under RCW 28A.195.010 and 28A.195.040 and if such activities are:

(a) Provided by a parent who is instructing his or her child only and are supervised by a certificated person. A certificated person for purposes of this chapter and chapter 28A.200 RCW shall be a person certified under chapter 28A.410 RCW. For purposes of this section, "supervised by a certificated person" means: The planning by the certificated person and the parent of objectives consistent with this subsection; a minimum each month of an average of one contact hour per week with the child being supervised by the certificated person; and evaluation of such child's progress by the certificated person.

(b) Provided by a parent who is instructing his or her child only and who has either earned forty-five college level quarter credit hours or its equivalent in semester hours or has completed a course in home-based instruction at a postsecondary institution or a vocational-technical institute; or

(c) Provided by a parent who is deemed sufficiently qualified to provide home-based instruction by the superintendent of the local school district in which the child resides.

(d) The legislature recognizes that home-based instruction is less structured and more experiential than the instruction normally provided in a classroom setting. Therefore, the provisions of subsection (4) of this section relating to the nature and quantity of instructional and related educational activities shall be liberally construed.

Sec. 2. RCW 28A.225.020 and 1995 c 312 s 67 are each amended to read as follows:

(1) If a regularly scheduled conference day is to be held within thirty days of the second unexcused absence, then the child shall:

(a) Inform the child's custodial parent, parents, or guardian by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the potential consequences of additional unexcused absences;

(b) Schedule a conference or conferences with the custodial parent, parents, or guardian and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after two unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to be held within thirty days of the second unexcused absence, then the child shall:

(c) Take steps to eliminate or reduce the child's absences. These steps shall include, where appropriate, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school. If the child's parent does not attend the scheduled conference, the conference may be held with the student and school official. However, the parent shall be notified of the steps to be taken to eliminate or reduce the child's absences.

(2) For purposes of this chapter, an "unexcused absence" means:

(a) Has failed to attend the majority of hours or periods in an average school day or has failed to comply with a more restrictive school district policy; and

(b) Has failed to meet the school district's policy for excused absences.
Sec. 3. RCW 28A.225.030 and 1995 c 312 s 68 are each amended to read as follows:

(1) If a child has five or more unexcused absences in the current school year, the school district shall file a petition with the juvenile court alleging violation of RCW 28A.225.030.

(2) A hearing shall be held without a guardian ad litem for the child under RCW 4.08.050.

(3) The court shall grant the petition and enter an order assuming jurisdiction to intervene for the remainder of the school year, if the allegations in the petition are established by a preponderance of the evidence.

(4) Community truancy boards and the courts shall coordinate, to the extent possible, proceedings and actions pertaining to children who are subject to truancy petitions and at-risk youth petitions in RCW 13.32A.191 or child in need of services petitions in RCW 13.32A.140.

Sec. 4. RCW 28A.225.035 and 1995 c 312 s 69 are each amended to read as follows:

(1) A petition shall set forth the name, age, school, and residence of the child and the names and residence of the child’s parents.

(2) The petition shall set forth facts that support the allegations in this section and shall generally request relief available under this chapter.

(3) When a petition is filed under RCW 28A.225.030, the juvenile court shall schedule a hearing at which the court shall consider the petition. However, a hearing shall not be required if other actions by the court would substantially reduce the child’s unexcused absences.

(4) If the court assumes jurisdiction, the court shall:

(a) Notify the parent and the child of their rights to present evidence at the finding;

(b) Notify the parent and the child of the options and rights available under chapter 13.32A RCW;

(c) The court may require the attendance of both the child and the parents at any hearing on a petition filed under RCW 28A.225.030.

(5) The court may permit the first hearing to be held without requiring that either party be represented by legal counsel, and to be held without a guardian ad litem for the child under RCW 4.08.050. At the request of the school district, the court may permit a school district representative who is not an attorney to represent the school district at any future hearings.

(6) The court may order the school district to submit the report at the end of the following school year.

Sec. 5. RCW 28A.225.151 and 1995 c 312 s 72 are each amended to read as follows:

(1) As required under subsection (2) of this section, each school shall document the actions taken under RCW 28A.225.020 and report this information to the school district superintendent who shall compile the data for all the schools in the district and prepare an annual school district report for each school year and submit the report to the superintendent of public instruction. The reports shall be made upon forms furnished by the superintendent of public instruction and shall be transmitted as determined by the superintendent of public instruction.

(2) The reports under subsection (1) of this section shall include:

(a) The number of enrolled students and the number of unexcused absences;

(b) Documentation of the steps taken by the school district under each subsection of RCW 28A.225.020 at the request of the superintendent of public instruction. Each year, by May 1st, the superintendent of public instruction shall select ten school districts to submit the report at the end of the following school year. The ten districts shall represent different areas of the state and be of varied sizes. In addition, the superintendent of public instruction shall require any district that fails to keep appropriate records to submit a full report to the superintendent of public instruction under this subsection. All school districts shall document steps taken under RCW 28A.225.020 in each student’s record, and make those records available upon request consistent with the laws governing student records;

(c) The number of enrolled students with ten or more unexcused absences in a school year or five or more unexcused absences in a month during a school year.
(d) Documentation of success by the school district in substantially reducing enrolled student absences for students with five or more absences in any month or ten or more unexcused absences in any school year, including information about the number of students in the program or school and the number of unexcused absences of students during and after participation in the program. The school district shall also describe any placements in an approved private nonsectarian school or program certified under RCW 28A.225.090; and

(e) The number of petitions filed by a school district (or a parent) with the juvenile court;

(f) The disposition of cases filed with the juvenile court, including the frequency of contempt orders issued to enforce a court's order under RCW 28A.225.030).

(3) A report required under this section shall not disclose the name or other identification of a child or parent.

(4) The superintendent of public instruction shall collect these reports from all school districts and prepare an annual report for each school year to be submitted to the legislature no later than December 15th of each year.

**Sec. 7.** RCW 28A.225.090 and 1995 c 312 s 74 are each amended to read as follows:

(Any person violating any of the provisions of either RCW 28A.225.010 or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school.

However, a child found to be in violation of RCW 28A.225.010 shall be required to attend school and shall not be fined. If the child fails to comply with the court order to attend school, the:

(A) court may(d) instead of imposing a fine.

(1) Order the child be punished by detention;

(2) impose alternatives to detention such as community service hours or participation in ((a)) a dropout prevention program or ((b)) another public educational program; or

(3) A report required under this section shall not disclose the name or other identification of a child or parent.

(2) Failure by a child to comply with an order issued under this subsection shall not be punishable by detention for a period greater than that permitted pursuant to a contempt proceeding against a child under chapter 13.32A RCW.

(3) Any parent violating any of the provisions of either RCW 28A.225.010 or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child's school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community service ((at the child's school)) instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child's attendance at school or upon condition that the court appoint one to act. Said guardian shall be appointed as follows:

(1) When the infant is plaintiff, upon the application of the infant, if he or she be of the age of fourteen years, or if under that age, upon the application of a relative or friend of the infant.

(2) When the infant is defendant, upon the application of the infant, if he or she be of the age of fourteen years, and applies within thirty days after the service of the summons; if he or she be under the age of fourteen, or neglects to apply, then upon the application of any other party to the action, or of a relative or friend of the infant.

**NEW SECTION.** Sec. 8. A new section is added to chapter 2.56 RCW to read as follows:

The administrator for the courts shall prepare a report for each school year to be submitted to the legislature no later than December 15th of each year that summarizes the disposition of petitions filed with the juvenile court under RCW 28A.225.030. RCW 4.08.050 and 1992 c 111 s 9 are each amended to read as follows:

Excerpt as provided under RCW 26.50.020 and 28A.225.035, when an infant is a party he or she shall appear by guardian, or if he or she has no guardian, or in the opinion of the court the guardian is an improper person, the court shall appoint one to act. Said guardian shall be appointed as follows:

(1) When the infant is plaintiff, upon the application of the infant, if he or she be of the age of fourteen years, or if under that age, upon the application of a relative or friend of the infant.

(2) When the infant is defendant, upon the application of the infant, if he or she be of the age of fourteen years, and applies within thirty days after the service of the summons; if he or she be under the age of fourteen, or neglects to apply, then upon the application of any other party to the action, or of a relative or friend of the infant.

**NEW SECTION.** Sec. 9. RCW 28A.225.025 and 1995 c 312 6 66 are each amended to read as follows:

For purposes of this chapter, "community truancy board" means a board composed of members of the local community in which the child attends school. The local school district boards of directors may create a community truancy board or may use other boards that exist or are created, such as diversion boards. However, a diversion or other existing board must agree before it is used as a truancy board. Members of the board shall be selected from representatives of the community. Duties of a community truancy board shall include, but not be limited to, recommending methods for improving school attendance such as assisting the parent or the child to obtain supplementary services that might eliminate or ameliorate the causes for the absences or suggesting to the school district that the child enroll in another school, an alternative education program, an education center, a skill center, a dropout prevention program, or another public or private educational program.

**NEW SECTION.** Sec. 10. (1) The superintendent of public instruction, subject to available funding, shall establish an incentive program to encourage the creation of alternative learning schools and programs for students who have been
truant, suspended, expelled, or who are subject to other disciplinary actions. Grants may be awarded to individual school districts, school district consortiums, and educational service districts. Funds for the grants may be used for planning and initial program development. Grants shall be awarded no later than November 1, 1996.

(2) This section expires June 30, 1997.

NEW SECTION. Sec. 11. A new section is added to chapter 28A.225 RCW to read as follows:

The superintendent of public instruction, subject to available funding, shall allocate funds to provide educational services for children who have been referred to a community truancy board or to the courts under RCW 28A.225.030. The funds shall be used on behalf of such children for enrollment in skill centers, education centers, alternative programs, and in other public or private educational programs. Decisions regarding the expenditure of the funds shall be made by the community truancy board or the courts, whichever is applicable. The amount of the assistance for each child shall be determined in accordance with the omnibus appropriations act. These funds shall be in excess of any other funds provided through RCW 28A.150.260 as basic education and other state, federal, or local sources."

There being no objection, the Senate resumed consideration of Engrossed Substitute House Bill No. 1648 and the pending Committee on Labor, Commerce and Trade amendment on page 3, line 13, deferred February 28, 1996.

**RULING BY THE PRESIDENT**

President Pritchard: "In ruling upon the point of order raised by Senator Anderson, the President finds that Engrossed Substitute House Bill No. 1648 is a measure which defines certain overpayments of workers' compensation and unemployment insurance benefits and creates a mechanism for those amounts to be deducted from workers' compensation benefits. The Committee on Labor, Commerce and Trade amendment on page 3, line 13, would reduce the amount of the overpayment obligation by a proportion related to the attorney fees, if any, involved in obtaining the industrial insurance award. The President, therefore, finds that the proposed committee amendment does not change the scope and object of the bill and the point of order is not well taken."

The Committee on Labor, Commerce and Trade amendment on page 3, line 13, to Engrossed Substitute House Bill No. 1648 was ruled in order.

The President declared the question before the Senate to be the adoption of the Committee on Labor, Commerce and Trade amendment on page 5, line 13, to Engrossed Substitute House Bill No. 1648.

ENGROSSED FOURTH SUBSTITUTE HOUSE BILL NO. 1481, by House Committee on Appropriations (originally sponsored by Representatives Cooke, Lambert, Mielke, Van Luven, Elliot, Schoesler, D. Schmidt, Sherstad, Huff, Buck, Clements, McMorris, Johnson, Blanton, Hickel, Boldt, Backlund, Mulliken, Robertson, Goldsmith, L. Thomas, McMahan, Talcott, Cairnes, Thompson, Beeksma, Benton, Foreman, Schelin, Sheahan and Mitchell)

Requiring AFDC contracts and making additional changes in public assistance laws.

The bill was read the second time.

MOTIONS

Senator Quigley moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"MAKING WELFARE WORK

NEW SECTION. Sec. 1. INTENT. The legislature finds that it is important for the well-being of society, and for the families receiving aid to families with dependent children, that the provision of welfare from the public treasury reflect the values of mainstream American culture, specifically the importance of work, responsibility, and accountability for individual actions, and the value of the marriage commitment to each member of the family, including the children.

Therefore, it is the public policy of the state of Washington, through its aid to families with dependent children or applicant for assistance programs, to require every able-bodied citizen on aid to families with dependent children or applicant for assistance to engage in paid or unpaid employment or engage in short-term training directed towards employment, to require accountability of all parents, and to discourage teen pregnancy by unwed parents as an action that is destructive to society.

PART I. TARGET GROUPS

NEW SECTION. Sec. 101. A new section is added to chapter 74.12 RCW to read as follows:

TARGET GROUP CONTRACTS. The department shall assess each applicant approved for assistance, and, within twelve months of the effective date of this section, all recipients based upon age, employment history, and condition of disability, and shall target assistance based upon factors set forth in chapter . . . Laws of 1996 (this act). The department shall include, as part of the information required of the individual assessed, the number of hours of paid employment performed in the twelve months before applying for assistance and the hourly rate of pay. The department shall use this information in order to select the appropriate target group for the individual assessed.

A. JOB-READY TARGET GROUP

NEW SECTION. Sec. 102. A new section is added to chapter 74.12 RCW to read as follows:

JOB-READY TARGET GROUP. All applicants approved for assistance who are age eighteen or older and whose recent work experience was at the hourly rate of six dollars and fifty cents or more shall be entitled to grant assistance if they engage in an intensive self-determined job search, and shall be given referrals to appropriate state and local job search resources. All applicants for aid to families with dependent children-employable, and within twelve months all recipients of aid to families with the dependent children-employable, shall be included in the job-ready target group. Recipients in this target group shall inform the department when they become employed, and shall be eligible for a period of child care and medical benefits. They shall not be eligible for participation in welfare-to-work pilot projects. It is the intent of the legislature to refrain from excess expenditures on this group of aid to families with dependent children recipients, as studies have demonstrated that job-ready individuals leave aid to families with dependent children programs quickly with minimal public help. Assessment and administrative costs shall be kept to a minimal level for this target group. Any recipients in this group who do not have paid employment within six months of beginning to receive benefits shall contract for participation in the job preparation target group as a condition of continued benefit receipt.

B. JOB PREPARATION TARGET GROUP

NEW SECTION. Sec. 103. A new section is added to chapter 74.12 RCW to read as follows:

JOB PREPARATION TARGET GROUP. All applicants approved for assistance and, within twelve months of the effective date of this section, all recipients, who are age eighteen or older and do not meet the qualifications for participation in the job-ready target group or who have been in the job-ready target group for six months without obtaining employment, shall contract with the department for participation in at least one of the alternate welfare-to-work programs provided for the job preparation target group. This group shall be required, as a condition of benefit receipt, to enroll in at least one of the following:

(1) The tax incentive partnership program under chapters 74. -- and 82. -- RCW (sections 206 through 208 and 203 through 205 of this act, respectively);
(2) Any available public or approved private welfare-to-work program, under contract with the department; or
(3) The job opportunities and basic skills training program.

C. TEEN PARENT TARGET GROUP

NEW SECTION. Sec. 104. A new section is added to chapter 74.12 RCW to read as follows:

TEEN PARENT TARGET GROUP. All applicants under the age of eighteen years who are approved for assistance and, within twelve months of the effective date of this section, all recipients who are under the age of eighteen and are unmarried shall, as a condition of
receiving benefits, actively progress toward the completion of a high school diploma or a GED, and live in a supervised setting, as provided in RCW 74.12.255 or section 301 of this act. Applicants under the age of eighteen years are not subject to the sixty-month limitation in section 401 of this act.

Sec. 105. RCW 74.12.255 and 1994 c 299 s 33 are each amended to read as follows:

The department of social and health services has sole authority and responsibility to carry out the job opportunities and basic skills training program. No contracting entity shall have the authority to review, change, or disapprove any administrative decision, or otherwise substitute its judgment for that of the department of social and health services as to the application of policies and rules adopted by the department of social and health services.

(b) If child care, or day care for an incapacitated individual living in the same home as a dependent child, is necessary for an individual to participate or continue participation in the program or accept employment, and such care is not available, and the department determines the employment would result in the individual experiencing a net loss of cash income;

(c) Circumstances that are beyond the control of the individual’s household, either on a short-term or on an ongoing basis.

(4) The department of social and health services shall adopt rules under chapter 34.05 RCW as necessary to effectuate the intent and purpose of this chapter.

In making adjustments for inflation, the department shall rely on the Consumer Price Index—Seattle, Washington for urban wage earners and clerical workers, compiled by the Bureau of Labor Statistics, United States Department of Labor. The department shall publish the new payment maximums which shall become effective January 1st of the year following.

(4) The credit in respect to any qualified employee may not be taken:

(6) If the business, firm, or entity having a right to the tax credit is sold, assigned, conveyed, or otherwise transferred, the successor employer shall be allowed the credit. Unless the training plan provides to the contrary, the successor employer shall be allowed tax credits to the same extent as the previous employer.

(2) The department of social and health services may contract with a public or private entity to carry out the department’s duties under this chapter. The department of social and health services reserves the right to withdraw designation of authority to this entity without showing cause.

(3) The department of social and health services shall manage the program so that the total amount of credits by all employers claiming tax credits under sections 203 through 205 of this act does not exceed fifteen million dollars in any biennium. The department shall enter into contracts with employers on a first-come, first-serve basis. The department shall maintain an up-to-date tabulation of the potential total amount of all credits that may be claimed during each biennium under all training plans and shall not enter into any additional training plan agreement if to do so would result in such amount exceeding fifteen million dollars during a biennium.

(4) Employers who agree to accept a one hundred percent tax credit instead of the one hundred twenty percent available under section 203(1) of this act shall be given priority in selection and placement of qualified employees.

NEW SECTION. Sec. 207. The department of social and health services, the employment security department, the department of community, trade, and economic development, and the community and technical colleges shall cooperate and coordinate among the existing state and federal assistance and training programs to focus the efforts of enrollees and programs to most effectively achieve results from the various programs.

NEW SECTION. Sec. 401. A new section is added to chapter 74.12 RCW to read as follows:

(1) At the end of a recipient’s welfare-to-work program under a contract entered into under section 103 of this act, which shall not exceed two years, the recipient shall engage in a job search of up to six months. At the end of this job search period, grant assistance shall be reduced by twenty percent every six months.除 as provided in this subsection, a recipient’s months on grant assistance may not exceed a lifetime limit of sixty months.

(a) Time limits shall be tolled in the event of:
(i) A medically certified temporary illness or disability of the recipient, including temporary mental or physical disability occurring as a result of domestic violence against the recipient;
(ii) The unavailability of appropriate care for a chronically ill or disabled family member living in the home of the recipient; or

(b) A recipient may extend full benefits including child care and medical assistance and delay reduction of benefits for a period of an additional two years by participating at least one hundred hours per month in the community volunteer program under section 209 of this act.
(c) For purposes of calculating the months on grant assistance under this subsection (1), only months on grant assistance after the recipient has reached his or her eighteenth birthday shall be included in the calculation.
(2) Except where otherwise specified, persons receiving aid to families with dependent children shall be exempt from participation in a job-ready or job preparation target group or a welfare-to-work program:

(c) If the recipient is a caretaker of a dependent child and is disabled, including a learning disability as defined in section 601(1)(f)
(3) The department, working with the department of revenue, shall encourage employers of recipients to use a month-to-month pass-through of the federal earned income tax credit. The department shall facilitate application for such tax credit in all cases where recipients report earned income.
(4) To the extent that resources are available, the department shall provide transitional child care for up to twenty-four months, in accordance with federal requirements, to individuals who have completed their welfare-to-work program or obtained employment.
(5) The department has the responsibility of supplying child care to participants who have contracted for welfare-to-work or other programs under chapter ... Laws of 1996 (this act).

(8) The department shall provide, upon request of a low-income worker, and within available funds, employment child care subsidies for low-income workers who do not receive public assistance payments.
(9) When the participant is no longer eligible for a cash grant due to increased earnings through employment and has exhausted the participant’s twelve-month transitional benefit period for medical assistance benefits, the department shall enroll the participant in the basic health plan under chapter 70.47 RCW, pay any unsubsidized portion of the participant’s premium, and enroll the participant’s eligible children in medical assistance. (10) The department shall seek any waivers needed from the federal government to implement this section.
(11) The department shall report to appropriate committees in both houses of the legislature if it discovers that participation in welfare-to-work programs is about to cause clients to be placed on waiting lists for programs or services required under this chapter.

NEW SECTION. Sec. 402. The time limits on public assistance in section 401 of this act and the general requirements to participate in job search and training in section 201 of this act do not apply in situations where there is no parent residing in the child’s home and the child is residing with a relative of specified degree.

PART V. CHILD SUPPORT ENHANCEMENT

A. LICENSE SUSPENSION FOR FAILURE TO PAY CHILD SUPPORT

NEW SECTION. Sec. 501. The legislature recognizes that the current statutory procedures for the collection of child support do not apply to all persons owing child support. In order to further insure that child support obligations are met, this act establishes a program by which certain licenses may be suspended if a person is one hundred eighty days or more in arrears on child support payments. With this program, it is the intent of the legislature to provide a strong incentive for persons owing support to make timely payments, and to cooperate with the department of social and health services to establish an appropriate schedule for the payment of any arrears. In addition, the legislature finds that disputes over child visitation comprises an oft-cited reason why child support is unpaid. It is the intent of the legislature to include custodial parents who deny visitation as persons subject to license suspension.

In the implementation and management of this program, it is the legislature’s intent that the department of social and health services be to obtain payment in full of arrears, or where that is not possible, to enter into agreements with delinquent obligors to make timely support payments and make reasonable payments towards the arrears. The legislature intends that if the obligor refuses to cooperate in establishing a fair and reasonable payment schedule for arrears, or refuses to make timely support payments, the department shall proceed with certification to a licensing entity or the department of licensing that the person is not in compliance with a child support order.

NEW SECTION. Sec. 502. A new section is added to chapter 74.20A RCW to read as follows:
(1) As used in this section, unless the context indicates otherwise, the following terms have the following meanings.
(a) "Licensing entity" includes any department, board, commission, or other organization of the state authorized by Title 18 RCW to issue, renew, suspend, or revoke a license authorizing an individual to engage in a business, occupation, profession, or industry, and the Washington state bar association.
(b) "Noncompliance with a child support order" means a responsible parent has:
(i) Accumulated arrears totaling more than six months of child support payments;
(ii) Failed to make payments pursuant to a written agreement with the department towards a support arrearage in an amount that exceeds six months of payments; or
(iii) Failed to make payments required by a superior court order or administrative order towards a support arrearage in an amount that exceeds six months of payments.
(c) "License" means a license, certificate, registration, permit, approval, or other similar document issued by a licensing entity evidencing admission to or granting authority to engage in a profession, occupation, business, or industry.
(d) "Licensee" means any individual holding a license, certificate, registration, permit, approval, or other similar document issued by a licensing entity evidencing admission to or granting authority to engage in a profession, occupation, business, or industry.
(e) "Noncomplying custodial parent" means a parent who has custody of the children in a family where the court has ordered visitation rights for the noncustodial parent, and the custodial parent has not complied with the visitation order.
(f) "Noncompliance with a visitation order" means the documented failure of a custodial parent to follow the terms of a court-ordered visitation plan.
(2) Upon notice and motion, a noncustodial parent who has a court-ordered child visitation plan may seek judicial suspension of the driver’s business, occupational, or professional licenses cited in sections 509 through 537 of this act, where the licensee is a noncomplying custodial parent.

(3) The department may serve upon a responsible parent a notice informing the responsible parent of the department’s intent to submit the parent’s name to the department of licensing and any appropriate licensing entity as a licensee who is not in compliance with a child support order. The department shall attach a copy of the responsible parent’s child support order to the notice. Service of the notice must be made by personal service. If, after reasonable diligence, personal service has not been possible, service shall be by certified mail, return receipt requested.

(4) The notice of noncompliance must include the address and telephone number of the department’s division of child support office that issues the notice and must inform the responsible parent that:
   (a) The parent may request an adjudicative proceeding to contest the issue of compliance. The only issues that may be considered at the adjudicative proceeding are whether the parent is required to pay child support under a child support order and whether the parent is in compliance with that order;
   (b) A request for an adjudicative proceeding shall be in writing and must be received by the department within twenty days of the date of service of the notice;
   (c) If the parent requests an adjudicative proceeding within twenty days of service, the department will stay action to certify the parent to the department of licensing and any licensing entity for noncompliance with a child support order pending entry of a written decision after the adjudicative proceeding;
   (d) If the parent does not request an adjudicative proceeding within twenty days of service and remains in noncompliance with a child support order, the department will certify the parent’s name to the department of licensing and any appropriate licensing entity for noncompliance with a child support order;
   (e) The department will stay action to certify the parent to the department of licensing and any licensing entity for noncompliance if the parent agrees to make timely payments of current support and agrees to a reasonable payment schedule for payment of the arrears. It is the parent’s responsibility to contact in person or by mail the department’s division of child support office indicated on the notice within twenty days of service of the notice to arrange for a payment schedule. The department may stay certification for up to thirty days after contact from a parent to arrange for a payment schedule;
   (f) If the department certifies the responsible parent to the department of licensing and a licensing entity for noncompliance with a child support order, the licensing entity will suspend the parent’s license and the department of licensing will suspend any driver’s license that the parent holds until the parent provides the department of licensing and the licensing entity with a written release from the department stating that the responsible parent is in compliance with the child support order;
   (g) Suspension of a license will affect insurability if the responsible parent’s insurance policy excludes coverage for acts occurring after the suspension of a license;
   (h) If after receiving the notice of noncompliance with a child support order, the responsible parent files a motion to modify support with the court or requests the department to amend a support obligation established by an administrative decision, the department or the court may, for up to one hundred eighty days, stay action to certify the parent to the department of licensing and any licensing entity for noncompliance with a child support order. If a motion for modification of a court or administrative order for child support is pending prior to service of the notice, any action to certify the parent to a licensing entity for noncompliance with a child support order shall be automatically stayed until entry of a final order or decision in the modification proceedings. The responsible parent has the obligation to notify the department that a modification proceeding is pending and provide a copy of the motion or request for modification; and
   (i) If the responsible parent subsequently becomes in compliance with the child support order, the department will promptly provide the parent with a written release stating that the parent is in compliance with the order, and the parent may request that the licensing entity or the department of licensing reinstate the suspended license.

(5) A responsible parent may request an adjudicative proceeding upon service of the notice described in subsection (3) of this section. The request for an adjudicative proceeding must be received by the department within twenty days of service. The request must be in writing and indicate the current mailing address and daytime phone number, if available, of the responsible parent. The proceedings under this subsection shall be conducted in accordance with the requirements of chapter 34.05 RCW. The issues that may be considered at the adjudicative proceeding are limited to whether the responsible parent is required to pay child support under a child support order and whether the responsible parent is in compliance with the order.

(6) The decision resulting from the adjudicative proceeding must be in writing and inform the responsible parent of all rights to review. The parent’s copy of the decision may be sent by regular mail to the parent’s most recent address of record.

(7) If a responsible parent contacts the department’s division of child support office indicated on the notice of noncompliance within twenty days of service of the notice of noncompliance, the department shall stay the certification of noncompliance during negotiation of the schedule for payment of arrears. In no event shall the stay continue for more than thirty days from the date of contact by the parent. The department shall make good faith efforts to establish a schedule for payment of arrears that is fair and reasonable, and that considers the financial situation of the responsible parent and the needs of all children who rely on the responsible parent for support. At the end of the thirty days, if no payment schedule has been agreed to in writing, the department shall proceed with certification of noncompliance.

(8) If a responsible parent timely requests an adjudicative proceeding to contest the issue of compliance, the department may not certify the name of the parent to the department of licensing or a licensing entity for noncompliance with a child support order unless the adjudicative proceeding results in a finding that the responsible parent is not in compliance with the order.

(9) The department may certify in writing to the department of licensing and any appropriate licensing entity the name of a responsible parent who is not in compliance with a child support order if:
   (a) The responsible parent does not timely request an adjudicative proceeding upon service of a notice issued under subsection (3) of this section and is not in compliance with a child support order twenty-one days after service of the notice;
   (b) An adjudicative proceeding results in a decision that the responsible parent is not in compliance with a child support order;
   (c) The department and the responsible parent have been unable to agree on a fair and reasonable schedule for payment of the arrears; or
   (d) The court enters a judgment on a petition for judicial review that finds the responsible parent is not in compliance with a child support order.

The department shall send by certified mail, return receipt requested a copy of any certification of noncompliance filed with the department of licensing or a licensing entity to the responsible parent at the responsible parent’s most recent address of record.

(10) The department of licensing and a licensing entity shall notify a responsible parent certified by the department under subsection (9) of this section, without undue delay, that the parent’s driver’s license or other license has been suspended because the parent’s name has been certified by the department as a responsible parent who is not in compliance with a child support order.

(11) When a responsible parent who is served notice under subsection (3) of this section subsequently complies with the child support order, the department shall promptly provide the parent with a written release stating that the responsible parent is in compliance with the order.

(12) The department may adopt rules to implement and enforce the requirements of this section.
Nothing in this section prohibits a responsible parent from filing a motion to modify support with the court or from requesting the department to amend a support obligation established by an administrative decision. If there is a reasonable likelihood that the motion or request will significantly change the amount of the arrears, the department or the court may, for up to one hundred eighty days, stay action to certify the responsible parent to the department of licensing and any licensing entity for noncompliance with a child support order. If a motion for modification of a court or administrative order for child support is pending prior to service of the notice, any action to certify the parent to a licensing entity for noncompliance with a child support order shall be automatically stayed until entry of a final order or decision in the modification proceedings. The responsible parent has the obligation to notify the department that a modification proceeding is pending and provide a copy of the motion or request for modification.

The department of licensing and a licensing entity may issue, renew, reinstate, or otherwise extend a license in accordance with the following rules:

The department of licensing’s rules after the licensing entity or the department of licensing receives a copy of the written release specified in subsection (11) of this section. The department of licensing and a licensing entity may waive any applicable requirement for reissuance, renewal, or other extension if it determines that the imposition of that requirement places an undue burden on the person and that waiver of the requirement is consistent with the public interest.

NEW SECTION. Sec. 502. A new section is added to chapter 74.20A RCW to read as follows:

(1) The department of social and health services and all of the various licensing entities subject to section 502 of this act shall enter into such agreements as are necessary to carry out the requirements of the license suspension program established in section 502 of this act, but only to the extent the departments and the licensing entities determine it is cost-effective.

Except for a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. No county may enact, enforce, or maintain an ordinance, development regulation, zoning regulation, or official control, policy, or administrative practice which prohibits the use of a residential dwelling, located in an area zoned for residential or commercial use, as a family day-care provider’s home facility.

A county may require that the facility: (1) Comply with all building, fire, safety, health code, and business licensing requirements; (2) conform to lot size, building size, setbacks, and lot coverage standards applicable to the zoning district except if the structure is a legal nonconforming structure; (3) is certified by the state office of child care policy licensor as providing a safe passenger loading area; (4) include signage, if any, that conforms to applicable regulations; and (5) limit hours of operations to facilitate neighborhood compatibility, while also providing appropriate opportunity for persons who use family day-care and who work a nonstandard work shift.

If a dispute arises between neighbors and the family day-care provider over licensing requirements, the licensor may provide a forum to resolve the dispute.

Nothing in this section shall be construed to prohibit a county from imposing zoning conditions on the establishment and maintenance of a family day-care provider’s home in an area zoned for residential or commercial use, so long as such conditions are no more restrictive than conditions imposed on other residential dwellings in the same zone and the establishment of such facilities is not precluded. A city or county may also require that the family day-care provider, before state licensing, require proof of written notification by the provider that the immediately adjoining property owners have been informed of the intent to locate and maintain such a facility. If a dispute arises between neighbors and the family day-care provider over licensing requirements, the licensor may provide a forum to resolve the dispute.

Nothing in this section shall be construed to prohibit a city or county that plans or elects to plan under this chapter from imposing zoning conditions on the establishment and maintenance of a family day-care provider’s home in an area zoned for residential or commercial use, so long as such conditions are no more restrictive than conditions imposed on other residential dwellings in the same zone and the establishment of such facilities is not precluded. As used in this section, “family day-care provider” is defined in RCW 74.15.020.

This summary shall include publicly available governmental and scholarly reports and evaluations regarding the effects of time limits, from government agencies, universities, and public policy institutes.

MOTION

Senator Fraser moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. INTENT. The legislature finds that since its creation in 1985, the Puget Sound water quality authority has been largely successful in adopting a comprehensive management plan for the restoration and long-term protection of Puget Sound, which is the principal guiding document for the coordination and strengthening of programs by local governments, the private sector, and federal and state agencies. The authority has continually revised the plan to reflect new information regarding the water quality and other environmental conditions of Puget Sound, and to respond to changing state and federal funding and programmatic requirements. The legislature finds that increased emphasis should now be placed upon implementing the plan, upon assisting those primarily responsible for implementing the plan, upon the long-term monitoring of Puget Sound’s environmental conditions, and upon measuring progress in the overall implementation of the management plan.

Sec. 2. RCW 90.70.001 and 1985 c 451 s 1 are each amended to read as follows:

FINDINGS--POLICY. The legislature finds that Puget Sound and related inland marine waterways of Washington state represent a unique and unparalleled resource. A rich and varied range of marine organisms, composing an interdependent, sensitive communal ecosystem reside in these sheltered waters. The legislature finds that Puget Sound is a gift of nature, central to the quality of life of all Washington citizens.

Residents of this region enjoy a way of life centered around the waters of Puget Sound, featuring accessible recreational opportunities, world-class port facilities and water transportation systems, harvest of marine food resources, shoreline-oriented life styles, water-dependent industries, tourism, irreplaceable aesthetics and other activities, all of which to some degree depend upon a clean and healthy marine resource.

The legislature further finds that the consequences of careless husbanding of this resource have been dramatically illustrated in inland waterways associated with older and more extensively developed areas of the nation. Recent reports concerning degradation of water quality within this nation’s urban embayments raise alarming possibilities of similar depollution of Puget Sound and other state waterways. These examples emphasize that the costs of restoration of aquatic resources, where such restoration is possible, greatly exceed the costs of responsible protection and preservation.

The legislature declares that utilization of the Puget Sound resource carries a custodial obligation for preserving it. The people of the state have the unique opportunity to preserve this gift of nature, an understanding of the results of inattentive stewardship, the technical knowledge needed for control of degradation, and the obligation to undertake such control.

The legislature further finds that the large number of governmental entities that now affect the (water quality) health of Puget Sound have diverse interests and limited jurisdictions which cannot adequately address the cumulative, wide-ranging impacts which contribute to the degradation of Puget Sound. (It is therefore the policy of the state of Washington to create a single entity with adequate resources to develop a comprehensive plan for water quality protection in Puget Sound to be implemented by existing state and local government agencies).

These entities can benefit by better coordination among themselves with state agencies and citizen organizations, and efficiencies of effort can be obtained from such coordination. Further, the legislature finds that positive incentives and technical assistance can foster a cooperative spirit that will lead to better protection of Puget Sound.

It is therefore in the policy of the state of Washington that protection of Puget Sound, including continued economic and recreational uses, can be best achieved by establishing an entity to periodically revise the Puget Sound water quality management plan, and to focus its efforts on helping other state and federal agencies, local and tribal governments, businesses, and citizen organizations to implement the plan.

The legislature declares that this entity, in its planning activity, shall foster coordinated research and education efforts, identify efficiencies and possible initiatives that promote implementation of the plan, and provide technical assistance to state and federal agencies, local and tribal governments, and citizen organizations in their activities to implement the plan.

It is further the policy of the state of Washington to coordinate the activities of state and local agencies by establishing a biennial work plan that clearly delineates state and local actions necessary to protect and restore the biological health and diversity of Puget Sound.

Sec. 3. RCW 90.70.005 and 1985 c 451 s 2 are each amended to read as follows:

The director shall provide agencies that are required under RCW 44.40.070 to develop comprehensive six-year program and financial plans with a complete set of instructions for submitting these program and financial plans at the same time that instructions for submitting other budget requests are provided. The budget document or documents shall consist of the governor’s budget message which shall be explanatory of the budget and shall contain an outline of the proposed financial policies of the state for the ensuing fiscal period, as well as an outline of the proposed six-year financial policies where applicable, and shall describe in connection therewith the important features of the budget. Attached to the budget message shall be such supporting schedules, exhibits and other explanatory material in respect to both current operations and capital improvements as the governor shall deem to be useful to the legislature. The budget document or documents shall set forth a proposal for expenditures in the ensuing fiscal period, or six-year period where applicable, based upon the estimated revenues as approved by the economic and revenue forecast council or upon the estimated revenues of the office of financial management for those funds, accounts, and sources for which the office of the economic and revenue forecast council does not prepare an official forecast, including those revenues anticipated to support the six-year programs and financial plans under RCW 44.40.070.

Revenues shall be estimated for such fiscal period from the source and at the rates existing by law at the time of submission of the budget document, including the supplemental budgets submitted in the even-numbered years of a biennium. However, the estimated revenues for use in the governor’s budget document may be adjusted to reflect budgetary revenue transfers and revenue estimates dependent upon budgetary assumptions of enrollments, workloads, and caseloads. All adjustments to the approved estimated revenues must be set forth in the budget document. The governor may additionally submit, as an appendix to each supplemental, biennial, or six-year agency budget or to the budget document or documents, a proposal for expenditures in the ensuing fiscal period from revenue sources derived from proposed changes in existing statutes.

Supplemental and biennial documents shall reflect a six-year expenditure plan consistent with estimated revenues from existing sources and at existing rates for those agencies required to submit six-year program and financial plans under RCW 44.40.070. Any additional revenue resulting from proposed changes to existing statutes shall be separately identified within the document as well as related expenditures for the six-year period.

(2) The budget document or documents shall also contain:

(a) Revenues classified by fund and source for the immediately past fiscal period, those received or anticipated for the current fiscal period, those anticipated for the ensuing biennium, and those anticipated for the ensuing six-year period to support the six-year programs and financial plans required under RCW 44.40.070;

MOTION

Senator Bauer moved that the following Committee on Ways and Means amendment be adopted:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.15 RCW to read as follows:
(1) The governing board of each of the state universities, the regional universities, and The Evergreen State College, upon the written agreement of its respective student government association or its equivalent, may establish and charge each enrolled student a technology fee, separate from tuition fees. During the 1996-97 academic year, any technology fee shall not exceed one hundred twenty dollars for a full-time student. Any technology fee charged to a part-time student shall be calculated as a pro rata share of the fee charged to a full-time student.
(2) Revenue from this fee shall be used exclusively for technology resources for general student use.
(3) Only changes in the amount of the student technology fee agreed upon by both the governing board and its respective student government association or its equivalent shall be used to adjust the amount charged to students. Changes in the amount charged to students, once implemented, become the basis for future changes."
(4) Annually, the student government association or its equivalent may abolish the fee by a majority vote. In the event of such a vote, the student government association or its equivalent shall notify the governing board of the institution. The fee shall cease being collected the term after the student government association or its equivalent voted to eliminate the fee.

(5) The student government association or its equivalent shall approve the annual expenditure plan for the fee revenue.

(6) The universities and The Evergreen State College shall deposit three and one-half percent of revenues from the technology fee into the institutional financial aid fund under RCW 28B.15.820.

(8) Prior to the establishment of a technology fee, a governing board shall provide to the student governing body a list of existing fees of a similar nature or for a similar purpose. The board and the student governing body shall ensure that student fees for technology are not duplicative.

The term "operating fees" as used in this chapter shall include the fees, other than building fees, charged all students registering at the state’s colleges and universities but shall not include fees for short courses, self-supporting degree credit programs and courses, marine station work, experimental station work, correspondence or extension courses, and individual instruction and student deposits or rentals, disciplinary and library fines, which colleges and universities shall have the right to impose, laboratory, gymnium, health, technology and student activity fees, or fees, charges, rentals, and other income derived from any or all revenue producing lands, buildings and facilities of the colleges or universities heretofore or hereafter acquired, constructed or installed, including but not limited to income from rooms, dormitories, dining rooms, hospitals, infirmaries, housing or student activity buildings, vehicular parking facilities, land, or the appurtenances thereon, or such other special fees as may be established by any college or university board of trustees or regents from time to time. Debate ensued.

POINT OF INQUIRY

Senator Anderson: "Senator Bauer, I have a question on a statement that you made in your opening remarks. You remarked that we can’t have this, evidently the fee, without the approval of the students. I wrote that down--those were your remarks. I’m looking at the bill and I don’t see where we can’t have this without the approval of the students. I see in Section 3 where we can change the fee and have to work with the students and I see in Section 4 that once the fee is there, the students can vote to remove the fee, but I don’t see where we can put this in place without the approval of the students. Could you please point me to some language in the bill that says we can’t have this without the approval of the students?"

Senator Bauer: "I don’t have the bill before me, but I have the digest here and it says that a fee may be established by the governing boards for the public higher education institutions with a written agreement of their respective student government association or equivalent.”

POINT OF INQUIRY

Senator Roach: "Senator Bauer, along the same lines, one of the concerns that I have is the answer to the question of whether or not the student council or body that will be approving the fee, will be the ones that will actually pay the fee. Is this going to be prospective or going from the incoming students after this body has already left the university?"

Senator Bauer: "I think Senator Rinehart was concerned about that and felt that if we imposed a fee and then could not trigger it out for a couple of years, we would have people paying it that did not have a say-so. That is why she added the requirement that the fee would be determined--the student body could vote it out for the next term. So, it is a kind of a term, or quarter or semester by semester deal and anytime those students can trigger it off by having a say-so by saying that they don’t want it for the next quarter and it is gone. It is student-driven.”

REMARKS BY SENATOR WOOD

Senator Wood: "May I respond to the question? On the first page, in Section 1, under Number (1), it says, 'The governing board of each of the state universities, the regional universities, and The Evergreen State College, upon written agreement of its respective student government association or its equivalent, may establish and charge each enrolled student a technology fee, separate from tuition fees.' Thank you."

POINT OF INQUIRY

Senator Morton: "Senator Bauer, where does the gift of Bill Gates fit into all of this? As I understand, that was ten million dollars or thereabouts. Does that not technology for our institutions of higher learning?"

Senator Bauer: "I believe you are speaking to a House provision where in the K-12 program, a number of school districts would be allowed to take donations of a five million dollar appropriation and that could be matched by Bill Gates or someone else. That was for
improving reading literacy.

The bill was read the second time.

MOTION

Senator McAuliffe moved that the following Committee on Education amendment not be adopted: Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.300 RCW to read as follows:

"Sec. 1. RCW 48.66.020 and 1995 c 85 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Medicare supplemental insurance" or "medicare supplement insurance policy" refers to a group or individual policy of disability insurance or a subscriber contract of a health care service contractor, a health maintenance organization, or a fraternal benefit society, which relates its benefits to medicare, or which is advertised, marketed, or designed primarily as a supplement to reimbursements under medicare for the hospital, medical, or surgical expenses of persons eligible for medicare. Such term does not include:

(a) A policy or contract of one or more employers or labor organizations, or of the trustees of a fund established by one or more employers or labor organizations, for employees or former employees, or combination thereof, the labor organizations; or

(b) A policy issued pursuant to a contract under Section 1876 ((or Section 1823)) of the federal social security act (42 U.S.C. Sec. 1395 et seq.), or an issued policy under a demonstration ("project authorized pursuant to amendments to the federal social security act") specified in 42 U.S.C. Sec. 1395ss(g)(1); or

(c) Insurance policies or health care benefit plans, including group conversion policies, provided to medicare eligible persons, that are not marketed or held to be medicare supplement policies or benefit plans.

(2) "Medicare" means the "Health Insurance for the Aged Act," Title XVIII of the Social Security Amendments of 1965, as then constituted or later amended.

(3) "Medicare eligible expenses" means health care expenses of the kinds covered by medicare, to the extent recognized as reasonable and medically necessary by medicare.

(4) "Applicant" means:

(b) In the case of a group medicare supplement insurance policy or subscriber contract, the proposed certificate holder.

(5) "Certificate" means any certificate delivered or issued for delivery in this state under a group medicare supplement insurance policy.

(6) "Loss ratio" means the incurred claims as a percentage of the earned premium computed under rules adopted by the insurance commissioner.

NEW SECTION.

(5) The superintendent shall report annually to the commission on student learning on the activities of the center.
(7) "Preexisting condition" means a covered person’s medical condition that caused that person to have received medical advice or treatment during a specified time period immediately prior to the effective date of coverage.
(8) "Disclosure form" means the form designated by the insurance commissioner which discloses medicare benefits, the supplemental benefits offered by the insurer, and the remaining amount for which the insured will be responsible.
(9) "Issuer" includes insurance companies, health care service contractors, health maintenance organizations, fraternal benefit societies, and any other entity delivering or issuing for delivery medicare supplement policies or certificates to a resident of this state.

Sec. 2. RCW 41.05.197 and 1993 c 492 s 223 are each amended to read as follows:
(1) If a waiver of the medicare statute, Title XVIII of the federal social security act, sufficient to meet the requirements of chapter 492, Laws of 1993 is not granted on or before January 1, 1995, the medicare supplemental insurance policies authorized under RCW 41.05.195 shall be made available to any resident of the state eligible for medicare benefits. Except for those retired state or school district employees eligible to purchase medicare supplemental benefits through the authority and as provided for under subsection (2) of this section, persons purchasing a medicare supplemental insurance policy under this section shall be required to pay the full cost of any such policy.
(2) Subject to the availability of appropriated funds, the funds shall be used to offset the premiums of persons purchasing a medicare supplemental insurance policy under this section for those persons whose family income is less than two hundred percent of the federal poverty level and who are not otherwise eligible as qualified medicare beneficiaries under the medicare program eligibility rules in effect January 1996. The administrator shall design and implement a structure of premiums due from persons receiving the offset that is based upon gross family income, giving appropriate consideration to family size. The premium structure shall be similar in concept to the basic health plan subsidy structure under chapter 70.47 RCW, but may recognize differences in: (a) The health care provided under the medicare supplemental insurance policies; (b) the population served under this section; and (c) other factors. The offset shall be available to eligible persons purchasing a medicare supplemental insurance policy beginning October 1, 1997.

NEW SECTION. Sec. 3. The legislature finds that rapid changes occurring in the provision of health insurance to our state’s senior citizens through the federal medicare program may begin making prescription drugs more difficult to afford, especially for those living on fixed incomes near the poverty level. For this reason, the legislature determines there is need to move quickly and decisively to provide assistance to this vulnerable population so that new programs are in place as federal changes are implemented.

NEW SECTION. Sec. 4. A new section is added to chapter 41.05 RCW to read as follows:
(1) The administrator shall determine the activities required to establish a reasonable and cost-effective prescription drug insurance plan that would be made available to any state resident enrolled in medicare.
(2) Unless there is a specific federal statutory prohibition, or except as provided in section 6 of this act, the administrator shall implement a comprehensive prescription drug insurance plan that, by January 1, 1998, must be made available to any state resident enrolled in medicare.
(3) By December 1, 1996, the administrator shall report to the appropriate committees of the legislature and the health care policy board if, with the written advice of the attorney general, federal statutory prohibitions exist to implementation of this provision. The report shall include estimated premium costs, administrative costs to the state, and specific recommendations for removing any state or federal legislative or regulatory barriers to implementation of the insurance.
(4) The administrator shall use any funds appropriated for this section to implement this section, including to offset premiums of the persons purchasing prescription drug insurance under this section for those persons whose family income is at or below two hundred percent of the federal poverty level and who are not receiving prescription drug benefits as qualified medicare beneficiaries. The administrator shall design and implement a structure of premiums due from persons receiving the offset that is based upon gross family income, giving appropriate consideration to family size. The premium structure must be similar to the basic health plan subsidy structure under chapter 70.47 RCW, but may reflect differences in: (a) The limited benefits provided under this act; (b) the population served; and (c) other factors.
The offset shall be available to eligible persons beginning January 1, 1998.

NEW SECTION. Sec. 5. A new section is added to chapter 41.05 RCW to read as follows:
The insurance commissioner shall adopt any rules needed to accommodate implementation of section 4 of this act. If timelines required under section 4 of this act require the adoption of rules on an emergency basis, the insurance commissioner shall so order.

NEW SECTION. Sec. 6. In the event funds are not appropriated to implement section 4 of this act, including funds for a premium offset, the prescription drug insurance plan under section 4 of this act shall not be implemented until such time as funding is appropriated to fund the plan.

NEW SECTION. Sec. 7. Sections 1 and 3 through 6 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF ORDER

Senator Johnson: "I rise to a point of order, Mr. President, and that is to object to the committee amendment being beyond the scope and object of Engrossed House Bill No. 2837. That bill is a very narrow bill; it is the amendment to state law in order to comply with federal— a change in federal law— regarding the definition of medicare and that is it. The committee amendment, however, adds to that two very substantial pieces. One is a subsidy program for medicare supplemental insurance, which has a price tag of around a hundred million dollars— according to the fiscal note— and another subsidy program for prescription drugs for qualified individuals. Furthermore, it grants to the Insurance Commissioner rule-making authority. Therefore, I urge that the President rule that this amendment is beyond the scope and object of Engrossed House Bill No. 2837."

Further debate ensued.
There being no objection, the President deferred further consideration of Engrossed House Bill No. 2837.

"Reasonable cause" shall be defined by the board but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing aid instrument; and

(b) The purchaser sends notice of the cancellation by certified mail, return receipt requested, to the establishment employing the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder at the time the hearing aid instrument was originally purchased, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing aid instrument is in the possession of the licensee or the licensee's representative, the instrument is considered a problem which permits the rescission of the warranty or the purchase contract on which the hearing aid instrument was based, and the purchaser notifies the establishment employing the licensed hearing instrument fitter/dispenser, certified audiologist or permit holder of the problem during the thirty days following the date of delivery and documents such notification, the deadline for posting the notice of rescission shall be extended by an equal number of days.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing aid instrument is returned to the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder, the hearing aid instrument fitter/dispenser, certified audiologist, or permit holder shall refund to the purchaser any payments or deposits for that hearing aid instrument. This chapter shall not apply to military or federal government employees, or to any political subdivision of the state of Washington within whose jurisdiction a hearing aid instrument fitter/dispenser, certified audiologist, or permit holder is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing aid instrument or instructing the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder to forward it to the purchaser, then the deadline for giving notice of the rescission shall (hereinafter) extend no more than seven working days after this notice of availability.

(2) In the event the transaction is rescinded under this section, or by otherwise provided by law, and the hearing aid instrument is returned to the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder, the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder may retain, for each hearing aid instrument, fifteen percent of the total purchase price or one hundred twenty-five dollars, whichever is less, as the security deposit. If the transaction is rescinded under this section or by otherwise provided by law and the hearing aid instrument is returned to the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder, the licensed hearing instrument fitter/dispenser, certified audiologist, or permit holder shall be entitled to retain, as the security deposit, fifteen percent of the total purchase price or one hundred twenty-five dollars, whichever is less. After December 31, 1996, the security deposit shall be returned within thirty days of receiving the returned hearing aid instrument.

(2) The registered agent may be released at the expiration of one year after the license, certificate, or permit issued under this chapter has expired or been revoked.

(3) Failure to name a registered agent for service of process for violations of this chapter or rules adopted under this chapter may be grounds for disciplinary action.

Sec. 30. RCW 18.35.240 and 1993 c 313 s 11 are each amended to read as follows:

(1) Every establishment engaged in the fitting and dispensing of hearing aid instruments shall file with the department a surety bond in the sum of ten thousand dollars, running to the state of Washington, for the benefit of any person injured or damaged as a result of any violation by the establishment's employees or agents of any of the provisions of this chapter or rules adopted by the secretary.

(2) In lieu of the surety bond required by this section, the establishment may file with the department a cash deposit or other negotiable security acceptable to the department. All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

(3) If a cash deposit is filed, the department shall deposit the funds in the state treasurer. The cash or other negotiable security deposited with the department shall be returned to the depositor one year after the establishment has discontinued the fitting and dispensing of hearing aid instruments if no legal action has been instituted against the establishment, its agents or employees, or the cash deposit or other security. The establishment owners shall notify the department if the establishment is sold, changes names, or has discontinued the fitting and dispensing of hearing aid instruments in order that the cash deposit or other security may be released at the end of one year from that date.
(4) A surety may file with the department notice of withdrawal of the bond of the establishment. Upon filing a new bond, or upon the expiration of sixty days after the filing of notice of withdrawal by the surety, the liability of the former surety for all future acts of the establishment terminates.

(5) Upon the filing with the department notice by a surety of withdrawal of the surety on the bond of an establishment or upon the cancellation by the department of the bond of a surety under this section, the department shall immediately give notice to the establishment by certified mail. The department shall immediately cancel the bond given by the surety company upon being advised that the surety company’s license to transact business in this state has been revoked.

(6) Each invoice for the purchase of the hearing instrument provided to a customer must clearly display on the first page the number of the establishment or the licensee (fitting/dispensing the hearing instrument).

**Sec. 31.** RCW 18.35.250 and 1991 c 3 s 86 are each amended to read as follows:

(1) In addition to any other legal remedies, an action may be brought in any court of competent jurisdiction upon the bond, cash deposit, or security in lieu of a surety bond required by this chapter, by any person having a claim against a licensee or certificate or permit holder, agent, or establishment for any violation of this chapter or any rule adopted under this chapter. The aggregate liability of the surety to all claimants shall in no event exceed the sum of the bond. Claims shall be satisfied in the order of judgment rendered.

(2) An action upon the bond shall be commenced by serving and filing the complaint within one year from the date of the cancellation of the bond. An action upon a cash deposit or other security shall be commenced by serving and filing the complaint within one year from the date of notification to the department of the change in ownership of the establishment or the discontinuation of the fitting and dispensing of hearing instruments by that establishment. Two copies of the complaint shall be served by registered or certified mail, return receipt requested, upon the department at the time the suit is started. The service constitutes service on the surety. The secretary shall transmit any copy of the complaint to the surety within five business days after the copy has been received.

(3) The secretary shall maintain a record, available for public inspection, of all suits commenced under this chapter under surety bonds, or the cash or other security deposited in lieu of the surety bond. In the event that any final judgment impairs the liability of the surety upon a bond so furnished or the amount of the deposit so that there is not in effect a bond undertaking or deposit in the full amount prescribed in this chapter, the department shall suspend the license or certificate until the bond undertaking or deposit in the required amount, unimpaired by unsatisfied judgment claims, has been furnished.

(4) If a judgment is entered against the deposit or security required under this chapter, the department shall, upon receipt of a certified copy of a final judgment, pay the judgment from the amount of the deposit or security.

SECOND READING

HOUSE BILL NO. 2467, by Representatives Pennington, Morris, Carlson, Boldt and Benton

Revising the definition of "major industrial development" for the purpose of growth management planning.

The bill was read the second time.

MOTIONS

On motion of Senator Haugen, the following Committee on Government Operations amendment was adopted:

"NEW SECTION. Sec. 1. In 1995 the legislature addressed the demand for siting of major industrial facilities by passage of Engrossed Senate Bill No. 3019, implementing a process for siting such activities outside urban growth areas. The legislature recognizes that the 1995 act requires consideration of numerous factors necessary to ensure that the community can reasonably accommodate a major industrial development outside an urban growth area.

The legislature finds that the existing case-by-case procedure for evaluating and approving such a site under the 1995 act may operate to a community's economic disadvantage when a firm, for business reasons, must make a business location decision expeditiously. The legislature therefore finds that it would be useful to authorize, on a limited basis, and evaluate a process for identifying locations for major industrial activity in advance of specific proposals by an applicant.

It is the purpose of this act (1) to authorize a pilot project under which a bank of major industrial development locations outside urban growth areas is created for use in expeditiously siting such a development; (2) to evaluate the impact of this process on the county's compliance with chapter 36.70A RCW; and (3) to encourage consolidation and planning, and environmental review procedures under chapter 36.70B RCW.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70A RCW to read as follows:

(1) In addition to the major industrial development allowed under RCW 36.70A.365, a county required or choosing to plan under RCW 36.70A.040 that has a population greater than two hundred fifty thousand and that is part of a metropolitan area that includes a city in another state with a population greater than two hundred fifty thousand may establish, in consultation with cities consistent with provisions of
RCW 36.70A.210, a process for designating a bank of no more than two master planned locations for major industrial activity outside urban growth areas. (2) A master planned location for major industrial developments outside an urban growth area may be included in the urban industrial land bank for the county if criteria including, but not limited to, the following are met:
(a) New infrastructure is provided for and/or applicable impact fees are paid;
(b) Transit-oriented development and traffic demand management programs are implemented;
(c) Buffers are provided between the major industrial development and adjacent nonurban areas;
(d) Environmental protection including air and water quality has been addressed and provided for;
(e) Development regulations are established to ensure that urban growth will not occur in adjacent nonurban areas;
(f) Provision is made to mitigate adverse impacts on designated agricultural lands, forest lands, and mineral resource lands;
(g) The plan for the major industrial development is consistent with the county's development regulations established for protection of critical areas; and
(h) An inventory of developable land has been conducted as provided in RCW 36.70A.365.
(3) In selecting master planned locations for inclusion in the urban industrial land bank, priority shall be given to locations that are adjacent to, or in close proximity to, an urban growth area.
(4) Final approval of inclusion of a master planned location in the urban industrial land bank shall be considered an adopted amendment to the comprehensive plan adopted pursuant to RCW 36.70A.070, except that RCW 36.70A.130(2) does not apply so that inclusion or exclusion of master planned locations may be considered at any time.
(5) Once a master planned location has been included in the urban industrial land bank, manufacturing and industrial businesses that qualify as major industrial development under RCW 36.70A.365 may be located there.
(6) Nothing in this section may be construed to alter the requirements for a county to comply with chapter 43.21C RCW.
(7) The authority of a county to engage in the process of including or excluding master planned locations from the urban industrial land bank shall terminate on December 31, 1998. However, any location included in the urban industrial land bank on December 31, 1998, shall remain available for major industrial development as long as the criteria of subsection (2) of this section continue to be met.
(8) For the purposes of this section, "major industrial development" means a master planned location suitable for manufacturing or industrial businesses that:
(a) Requires a parcel of land so large that no suitable parcels are available within an urban growth area; or (b) is a natural resource-based industry requiring a location near agricultural lands, forest lands, or mineral resource land upon which it is dependent. The major industrial development may not be for the purpose of retail commercial development or multitenant office parks.
NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

SUBSTITUTE HOUSE BILL NO. 2358, by House Committee on Law and Justice (originally sponsored by Representatives Costa, Ballasiotes, Chopp, Conway, Scott, Linville, Radcliff, Chappell, Dickerson, Hatfield, Quall, Murray, Cooke, Patterson, Cody, Keiser, Veloria and Kessler)

Increasing penalty assessments to support crime victim and witness programs.

The bill was read the second time.

MOTIONS

On motion of Senator Smith, the following Committee on Law and Justice amendments were considered simultaneously and were adopted:

On page 1, line 5, insert the following:

"NEW SECTION. Sec. 1. The legislature finds that current funding for county victim-witness advocacy programs is inadequate. Also, the state crime victims compensation program should be enhanced to provide for increased benefits to families of victims who are killed as a result of a criminal act. It is the intent of the legislature to provide increased financial support for the county and state crime victim and witness programs by requiring offenders to pay increased penalty assessments upon conviction of a gross misdemeanor or felony crime. The increased financial support is intended to allow county victim/witness programs to more fully assist victims and witnesses through the criminal justice processes. On the state level, the increased funds will allow the remedial intent of the crime victims compensation program to be more fully served. Specifically, the increased funds from offender penalty assessments will allow more appropriate compensation for families of victims who are killed as a result of a criminal act, including reasonable burial benefits."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 4, after line 14, insert the following:

"Sec. 4. RCW 7.68.060 and 1990 c 3 s 501 are each amended to read as follows:

(1) For the purposes of applying for benefits under this chapter, the rights, privileges, responsibilities, duties, limitations and procedures contained in RCW 51.28.020, 51.28.030, 51.28.040 and 51.28.060 (as now or hereafter amended) shall apply: PROVIDED, That no compensation of any kind shall be available under this chapter if:

(a) An application for benefits is not received by the department within two years after the date the criminal act was reported to a local police department or sheriff's office or the date the rights of dependents or beneficiaries accrued, unless the director has determined that "good cause" exists to expand the time permitted to receive the application. "Good cause" shall be determined by the department on a case-by-case basis and may extend the period of time in which an application can be received for up to five years after the date the criminal act was reported to a local police department or sheriff's office or the date the rights of dependents or beneficiaries accrued; or

(b) The criminal act is not reported by the victim or someone on his or her behalf to a local police department or sheriff's office within twelve months of its occurrence or, if it could not reasonably have been reported within that period, within twelve months of the time when a report could reasonably have been made. In making determinations as to reasonable time limits, the department shall give greatest weight to the needs of the victims.

(2) This section shall apply only to criminal acts reported after December 31, 1985.

(3) Because victims of childhood criminal acts may repress conscious memory of such criminal acts far beyond the age of eighteen, the rights of adult victims of childhood criminal acts shall accrue at the time the victim discovers or reasonably should have discovered the elements of the crime. In making determinations as to reasonable time limits, the department shall give greatest weight to the needs of the victim.

MOTIONS

Senator Smith moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 5.60.060 and 1995 c 240 § 1 are each amended to read as follows:

(1) A husband shall not be examined for or against his wife, without the consent of the wife, nor a wife for or against her husband without the consent of the husband; nor can either during marriage or afterward, be without the consent of the other, examined as to any communication made by one to the other during marriage. But this exception shall not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding against a spouse if the marriage occurred subsequent to the filing of formal charges against the defendant, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 70.96A or 71.05 RCW; PROVIDED, That the spouse of a person sought to be detained under chapter 70.96A or 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(2)(a) An attorney or counselor shall not, without the consent of his or her client, be examined as to any communication made by the client to him or her, or his or her advice given thereon in the course of professional employment.

(b) A parent shall not be examined as to a communication made by that parent’s minor child to the child’s attorney after the filing of juvenile offender criminal charges, if the parent was present at the time of the communication. This privilege does not extend to communications made prior to filing of charges.

(3) A member of the clergy or a priest shall not, without the consent of a person making the confession, be examined as to any confession made to him or her in his or her professional character, in the course of discipline enjoined by the church to which he or she belongs.

(a) In any judicial proceedings regarding a child’s injury, neglect, or sexual abuse or the cause thereof; and

(b) Ninety days after filing an action for personal injuries or wrongful death, the claimant shall be deemed to waive the physician-patient privilege. Waiver of the physician-patient privilege for any one physician or condition constitutes a waiver of the privilege as to all physicians or conditions, subject to such limitations as a court may impose pursuant to court rules.

(5) A public officer shall not be examined as a witness as to communications made to him or her in official confidence, when the public interest would suffer by the disclosure.

The counselor must be designated as such by the sheriff, police chief, or chief of the Washington state patrol, prior to the incident that results in counseling. The privilege only applies when the communication was made to the counselor while acting in his or her capacity as a peer support group
counselor. The privilege does not apply if the counselor was an initial responding officer, a witness, or a party to the incident which prompted the delivery of peer support group counseling services to the law enforcement officer.

(b) For purposes of this section, "peer support group counselor" means:
   (i) Law enforcement officer, or civilian employee of a law enforcement agency, who has received training to provide emotional and moral support and counseling to an officer who needs those services as a result of an incident in which the officer was involved while acting in his or her official capacity; or

Sec. 6. RCW 9.94A.360 and 1995 c 316 s 1 and 1995 c 101 s 1 are each reenacted and amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

- The offender score is the sum of points accrued under this section rounded down to the nearest whole number.
- A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.
(2) Except as provided in subsection (4) of this section, class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score. If, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Always include juvenile convictions for sex offenses and serious violent offenses. Include other class A juvenile felonies only if the offender was 15 or older at the time the juvenile offense was committed. Include other class B and C juvenile felony convictions only if the offender was 15 or older at the time the juvenile offense was committed and the offender was less than 23 at the time the offense for which he or she was being sentenced was committed.

(5) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(6) (a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior adult offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently whether those offenses shall be counted as one offense or as separate offenses using the "served concurrently" analysis. If the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior adult offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) Juvenile prior convictions entered or sentenced on the same date shall count as one offense, the offense that yields the highest offender score, except for juvenile prior convictions for violent offenses with separate victims, which shall count as separate offenses; and

(iii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. The conviction for the offense that yields the highest offender score.

(b) As used in this subsection (6), "served concurrently" means that:

(i) The latter sentence was imposed with specific reference to the former;

(ii) The concurrent relationship of the sentences was judicially imposed; and

(iii) The concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(7) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense.

(8) If the present conviction is for a nonviolent offense and not covered by subsection (12) or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(9) If the present conviction is for a violent offense and not covered in subsection (10), (11), (12), or (13) of this section, count two points for each prior adult violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Murder 1 or 2, Assault 1, Assault of a Child 1, Kidnapping 1, Homicide by Abuse, or Rape 1, count three points for prior adult and juvenile convictions for crimes in these categories, two points for each prior adult and juvenile violent felony conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(11) If the present conviction is for Burglary 1, count prior convictions as in subsection (9) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(12) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense or serious traffic offense, count one point for each adult and 1/2 point for each juvenile prior conviction. (13) If the present conviction is for a drug offense count three points for each adult prior drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (9) of this section if the current drug offense is violent, or as in subsection (8) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Willful Failure to Return from Furlough, RCW 72.66.060, Willful Failure to Return from Work Release, RCW 72.65.070, or Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(16) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (8) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(17) If the present conviction is for a sex offense, count priors as in subsections (8) through (16) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(18) If the present conviction is for an offense committed while the offender was under community placement or juvenile parole pursuant to RCW 13.40.215, add one point.

RCW 9.94A.390 and 1995 c 316 s 2 are each amended to read as follows:

* If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4). The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provocateur of the incident.
(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant s capriciousness or refusal to appreciate the wrongfulness of his or her conduct or to conform his or her conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant schildren suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The aggravating Circumstances are:

(a) The defendant s conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.

(c) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;

(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(d) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(2) Aggravating Circumstances:

(i) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(ii) The presumptive sentence is clearly too lenient in light of the purposes of this chapter as expressed in RCW 9.94A.010 considering the defendant's prior unscored juvenile misdemeanor or felony adjudications.

(1) This chapter shall be known and cited as the Juvenile Justice Act of 1977.

(2) It is the intent of the legislature that a system capable of having primary responsibility for, being accountable for, and responding to the needs of youthful offenders, as defined by this chapter, be established. It is the further intent of the legislature that youth, in turn, be held accountable for their offenses and that (federal) communities, families, and the juvenile courts carry out their functions consistent with this intent. To effectuate these policies, the legislature declares the following to be equally important purposes of this chapter:

(a) Protect the citizenry from criminal behavior;
(b) Provide for determining whether accused juveniles have committed offenses as defined by this chapter;

(d) Provide for punishment commensurate with the age, crime, and criminal history of the juvenile offender;
(e) Provide due process for juveniles alleged to have committed an offense;

(i) Develop effective standards and goals for the operation, funding, and evaluation of all components of the juvenile justice system and related services at the state and local levels;

(k) Provide for a clear policy to determine what types of offenders shall receive punishment, treatment, or both, and to determine the jurisdictional limitations of the courts, institutions, and community services; and
(l) Encourage the parents, guardian, or custodian of the juvenile to actively participate in the juvenile justice process.

(1) (a) The juvenile disposition standards sentencing guidelines commission shall recommend to the legislature no later than July 1, 1997, disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards recommended for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days but which may not exceed the maximum term in the range; and (ii) review the application of current and proposed juvenile sentencing standards and guidelines for potential adverse impacts on the sentencing outcomes of racial and ethnic minority youth; (b) solicit the comments and suggestions of the juvenile justice community concerning disposition standards; and (c) make recommendations to the legislature regarding revisions or modifications of the disposition standards in accordance with RCW 13.40.030. The evaluations shall be submitted to the legislature on December 1 of each even-numbered year.

(2) It is the responsibility of the department to: (a) Provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities related to juvenile offenders; and (b) (1) (i) In lieu of the request of the commission, provide technical and administrative assistance to the commission in the performance of its responsibilities; and (ii) provide the commission and legislature with recommendations for modification of the disposition standards. The office of the administrator for the courts shall provide the commission with available data on diversion and dispositions of juvenile offenders under chapter 13.40 RCW.

Sec. 15. RCW 13.40.030 and 1993 c 415, § 9 are each amended to read as follows:

(1) It is the responsibility of the sentencing guidelines commission to: (a) Evaluate the effectiveness of existing disposition standards and related statutes in implementing policies set forth in RCW 13.40.010 generally, (b) specifically review the guidelines relating to the confinement of minor and first offenders as well as the use of diversion, and (iii) review the application of current and proposed juvenile sentencing standards and guidelines for potential adverse impacts on the sentencing outcomes of racial and ethnic minority youth; (b) solicit the comments and suggestions of the juvenile justice community concerning disposition standards; and (c) make recommendations to the legislature regarding revisions or modifications of the disposition standards in accordance with RCW 13.40.030. The evaluations shall be submitted to the legislature on December 1 of each even-numbered year.

(2) It is the responsibility of the department to: (a) Provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities related to juvenile offenders; and (b) (1) (i) In lieu of the request of the commission, provide technical and administrative assistance to the commission in the performance of its responsibilities; and (ii) provide the commission and legislature with recommendations for modification of the disposition standards. The office of the administrator for the courts shall provide the commission with available data on diversion and dispositions of juvenile offenders under chapter 13.40 RCW.

(3) The department shall include security status definitions in the security guidelines it submits to the legislature pursuant to this section. (4) In developing recommendations for the permissible range of confinement under this section, the commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;
(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no more than seven-tenths of the maximum term in the range; and
(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range.) The commission's recommendations for new disposition standards shall result in a simplified disposition system. In setting the new standards, the commission shall focus on the need to protect public safety by emphasizing punishment, deterrence, and confinement for violent and repeat offenders. The seriousness of the offense shall be the most important factor in determining the length of confinement while the offender's age and criminal history shall count as contributing factors. The commission shall consider whether juveniles prosecuted under the juvenile justice system for committing violent, sex, or repeated property offenses should be automatically prosecuted as adults when their term of confinement under the adult sentencing system is longer than their term of confinement
under the juvenile system. The commission shall consider the option of allowing the prosecutor to determine in which system the juvenile should be prosecuted based on the anticipated length of confinement in both systems if the court imposes an exceptional sentence for manifest injustice above the standard range as requested by the prosecutor. The commission shall increase judicial flexibility and discretion by broadening standard ranges of confinement. The commission shall provide for the use of basic training camp programs. Alternatives to total confinement shall be considered for nonviolent offenders. The commission shall also study the feasibility of creating a disposition option allowing a court to order minor/first or middle offenders into inpatient substance abuse treatment. To determine the feasibility of that option, the commission must review the number of existing beds and funding available through private, county, state, or federal resources, criteria for eligibility for funding, competing avenues of access to those beds, the current system’s method of prioritizing the needs for limited bed space, the average length of stay in inpatient treatment, the costs of that treatment, and the cost effectiveness of inpatient treatment compared to outpatient treatment.

In setting new standards, the commission must also recommend disposition and institutional options for serious or chronic offenders between the ages of fifteen and twenty-five who currently must either be released from juvenile court jurisdiction at age twenty-one or who are prosecuted as adults because the juvenile system is inadequate to address the seriousness of their crimes, their rehabilitation needs, or public safety. One option must include development of a youthful offender disposition option that combines adult criminal sentencing guidelines and juvenile disposition standards and addresses: (a) Whether youthful offenders would be under jurisdiction of the department of corrections or the department of social and health services; (b) whether current age restrictions on juvenile court jurisdiction would be modified; and (c) whether the department of social and health services or the department of corrections would provide institutional and community correctional services. The option must also recommend an implementation timeline and plan, identify funding and capital construction or improvement options to provide separate facilities for youthful offenders, and identify short and long-term fiscal impacts.

In developing the new standards, the commission must review disposition options in other states and consult with interested parties including superior court judges, prosecutors, defense attorneys, juvenile court administrators, victims advocates, the department of corrections and the department of social and health services, and members of the legislature.

OPTION B
MANIFEST INJUSTICE

A disposition outside the standard range shall be determined and shall be comprised of confinement or community supervision including posting a probation bond or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding 30 days, the court shall sentence the juvenile to a maximum term, and the provisions of (RCW 13.40.030(2)) section 31 of this act shall be used to determine the range.

Sec. 17. RCW 13.40.045 and 1994 sp. s c 7 s 518 are each amended to read as follows:
Sec. 18. RCW 13.40.050 and 1995 c 395 s 5 are each amended to read as follows:

(1) When a juvenile taken into custody is held in detention:
(a) An information, a community supervision modification or termination of diversion petition, or a parole modification petition shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the juvenile shall be released; and
(b) A detention hearing, a community supervision modification or termination of diversion petition, or a parole modification petition shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information or petition, to determine whether continued detention is necessary under RCW 13.40.040.

(2) Notice of the detention hearing, stating the time, place, and purpose of the hearing, (and (and)) stating the right to counsel, and requiring attendance, shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the juvenile if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under RCW 13.40.080. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a juvenile shall at the detention hearing be ordered released on the juvenile’s personal recognizance pending further hearing unless the court finds detention is necessary under RCW 13.40.040 ((as now or hereafter amended)).

(6) If detention is not necessary under RCW 13.40.040, ((as now or hereafter amended)) the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:
(a) Place the juvenile in the custody of a designated person agreeing to supervise such juvenile;
(b) Place restrictions on the travel of the juvenile during the period of release;
(c) Require the juvenile to report regularly to and remain under the supervision of the juvenile court;
(d) Impose any condition other than detention deemed reasonably necessary to assure appearance as required;
(e) Require that the juvenile return to detention during specified hours; or
(f) Require the juvenile to post a probation bond set by the court under terms and conditions as provided in RCW 13.40.040(4).

(7) If the parent, guardian, or custodian of the juvenile in detention is available, the court shall consult with them prior to a determination to further detain or release the juvenile or treat the case as a diversion case under RCW 13.40.080.

(8) If the parent, guardian, or custodian notified as provided in this section fails without reasonable cause to appear, that person may be proceeded against as for contempt of court for failing to appear.

Sec. 19. RCW 13.40.060 and 1989 c 71 s 1 are each amended to read as follows:

(1) All actions under this chapter shall be commenced and tried in the county where any element of the offense was committed except as otherwise specially provided by statute. In cases in which diversion is provided by statute, venue is in the county in which the juvenile resides or in the county in which any element of the offense was committed.

(2) For juveniles whose standard range disposition would include confinement in excess of thirty days, the case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county where the juvenile resides for a disposition hearing. All costs and arrangements for care and transportation of the juvenile in custody shall be the responsibility of the receiving county as of the date of the transfer of the juvenile to such county, unless the counties otherwise agree.

(3) The case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county in which the juvenile resides for supervision and enforcement of the disposition order. The court of the receiving county has jurisdiction to modify and enforce the disposition order.

(4) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when there is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun.

Sec. 20. RCW 13.40.080 and 1994 sp.s. c 7 s 544 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:
(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by the victim, and to an amount the juvenile has the means or potential means to pay. The diversion contract must specify the full amount of restitution due even if the juvenile does not have the means or potential to pay the full amount;

(c) Attendance at ((up to ten hours of)) counseling and/or ((up to twenty hours of)) educational or informational sessions at a community agency for a specified period of time as determined by the diversion unit. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; and life skills. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversionary unit exercising the option to permit diversion agreements to mandate attendance at ((up to ten hours of)) counseling and/or ((up to twenty hours of)) educational or informational sessions;

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile’s financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile’s parents, guardian, or custodian in determining the fine to be imposed; and

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas.

(3) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile’s custodial parent or parents or guardian and victims who have contacted the diversionary unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee. Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(5) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(6) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;
(b) Violation of the terms of the agreement shall be the only grounds for termination;
(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and
(ii) Disclosure of all evidence to be offered against the divertee;
(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;
(ii) The right to confront and cross-examine all adverse witnesses;
(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and
(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement.
(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or
(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(7) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(8) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

(9) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

(10) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.
The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile’s criminal history as defined by RCW 13.40.020(9). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(11) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;
(b) The fact that a diversion agreement was entered into;
(c) The juvenile’s obligations under such agreement;
(d) Whether the alleged offender performed his or her obligations under such agreement; and
(e) The facts of the alleged offense.

(12) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. When a diversionary unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(13) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit’s authority to counsel and release a juvenile under this subsection shall include the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile’s criminal history as defined by RCW 13.40.020(9). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversionary unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(14) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile’s eighteenth birthday and which includes a period extending beyond the divertee’s eighteenth birthday.

(15) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(16) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

Sec. 21. RCW 13.40.110 and 1990 c 3 s 303 are each amended to read as follows:

(1) The prosecutor, respondent, or the court on its own motion may, before a hearing on the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the matter shall be set for a hearing on the question of declining jurisdiction. Unless waived by the court, the parties, and their counsel, a decline hearing shall be held where:

(a) The respondent is fifteen, sixteen, or seventeen years of age and the information alleges a class A felony or an attempt, solicitation, or conspiracy to commit a class A felony; (sec)
(b) The respondent is seventeen years of age and the information alleges assault in the second degree, extortion in the first degree, indecent liberties, child molestation in the second degree, kidnapping in the second degree, or robbery in the second degree; or
(c) The information alleges an escape by the respondent and the respondent is serving a minimum juvenile sentence to age twenty-one.

(2) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions, and arguments presented by the parties and their counsel.

(3) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing.
If the court finds that declination of jurisdiction is appropriate it may, in lieu of transferring the respondent for adult criminal prosecution, classify the offender as a youthful offender and retain the offender in juvenile court. The court may classify an offender as a youthful offender only if he or she is under fifteen years of age and the standard range that the offender could receive if remanded for adult criminal prosecution exceeds incarceration past the age of twenty-one.

NEW SECTION. Sec. 22. A new section is added to chapter 13.40 RCW to read as follows:

At a disjunctive court hearing, a person classified as a youthful offender under RCW 13.40.110(4) is entitled to all the rights that by court rule, statute, and the state and federal constitutions are guaranteed to an offender who is similarly charged in adult court.

NEW SECTION. Sec. 23. A new section is added to chapter 13.40 RCW to read as follows:

(1) At a disjunctive court hearing, the court shall impose both an adult and a juvenile sentence on a person classified as a youthful offender under RCW 13.40.110(4). The adult sentence shall be determined according to the sentencing reform act, chapter 9.94A RCW. The adult sentence shall be suspended conditioned upon the youthful offender's compliance with the conditions and terms of the juvenile sentence. The juvenile sentence shall be confinement with the department until age twenty-one.

(2) The court may, on application by the department, remand the youthful offender to the department of corrections to begin serving the offender's adult sentence if, at any time while the offender is serving the offender's juvenile sentence, the offender: Refuses to meaningfully participate in rehabilitative programs made available to the offender by the department; reoffends; or constitutes a serious threat to the physical safety of others. The offender may also be remanded to the department of corrections to begin serving the offender's adult sentence if the department petitions and the court finds that the offender is not likely to benefit from the services the department has to offer.

(3) Unless previously remanded to the department of corrections to begin serving the offender's adult sentence, the youthful offender shall, no sooner than three months before the offender's twenty-first birthday, appear before the sentencing court to determine compliance with the juvenile sentence.

(4) After the hearing the court shall remand the youthful offender to the department of corrections to begin serving the offender's adult sentence unless the sentencing court finds by a preponderance of evidence that the offender:

(a) Has meaningfully participated in the rehabilitative programs made available by the department;
(b) Is not likely to reoffend upon release; and
(c) Does not pose a serious threat to the physical safety of others.

If the court makes these findings by a preponderance of evidence, then it shall release the youthful offender from the suspended adult sentence.

(5) When the juvenile is released from the suspended adult sentence the court shall, as a condition of that release, order the offender to serve twenty-four months of community placement to be supervised by the department of corrections. The court shall order conditions of community placement as provided for in RCW 9.94A.120(8). All provisions of chapter 9.94A RCW dealing with community placement shall be applicable to these offenders.

(6) Only the youthful offender's adult sentence shall be considered when determining under chapter 9.94A RCW an appropriate sentence for future adult offenses.

NEW SECTION. Sec. 24. A new section is added to chapter 13.40 RCW to read as follows:

If at any time a person classified as a youthful offender under RCW 13.40.110(4) is remanded to begin serving an adult sentence, the youthful offender shall be given credit for all incarceration time served on the juvenile sentence.

Sec. 25. RCW 13.40.120 and 1981 c 299 s 9 are each amended to read as follows:

All hearings may be conducted at any time or place within the limits of the judicial district, and such cases may not be heard in conjunction with other business of any other division of the superior court. The court, if possible, shall hold hearings during nonstandard hours and take such other actions as are necessary to facilitate parental participation.

Sec. 26. RCW 13.40.125 and 1995 c 395 s 6 are each amended to read as follows:

(1) Upon motion at least fourteen days before commencement of trial, the juvenile court has the power, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, to continue the case for ((adjudication)) disposition for a period not to exceed one year from the date ((the motion is granted)) of entry of a plea of guilty or a finding of guilt following a hearing under subsection (5) of this section. The court may continue the case for an additional one-year period for good cause.

(2) Any juvenile granted a deferral of ((adjudication)) disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution, as provided in RCW 13.40.190 shall also be a condition of community supervision under this section.

(3) Upon full compliance with conditions of supervision, the respondent's adjudication shall be vacated and the court shall dismiss the case with prejudice.

(4) If the juvenile fails to comply with the terms of supervision, the court shall enter an order of ((adjudication and proceed to)) disposition. The juvenile's lack of compliance shall be determined by the judge upon written motion by the prosecutor or the juvenile's juvenile court community supervision counselor. A parent who signed for a probation bond or deposited cash may notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety. A surety shall notify the
court of the juvenile’s failure to comply with the probation bond. The state shall bear the burden to prove by a preponderance of the evidence that the juvenile has failed to comply with the terms of community supervision.

(5) If the juvenile agrees to a deferral of ((adjudication)) disposition, the juvenile shall waive all rights:
   (a) To a speedy trial and disposition;
   (b) To call and confront witnesses; and
   (c) To a hearing on the record. The adjudicatory hearing shall be limited to a reading of the court’s record.

(6) A juvenile is not eligible for a deferred ((adjudication)) disposition if:
   (a) The juvenile’s current offense is a sex or violent offense;
   (b) The juvenile’s criminal history includes any felony;
   (c) The juvenile has a prior deferred ((adjudication)) disposition; or
   (d) The juvenile has had more than two diversions.

Sec. 27. RCW 13.40.130 and 1981 c 299 s 10 are each amended to read as follows:

(1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.

(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, an adjudicatory hearing date shall be set. The court shall notify the parent, guardian, or custodian who has custody of any juvenile described in the charging document of the date, time, and place of the dispositional or adjudicatory hearing, and require attendance.

(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its decision upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its decision.

(5) If the respondent is found not guilty he or she shall be released from detention.

(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, the party and the parent, guardian, or custodian who has custody of the juvenile shall be notified by mail of the time and place of the continued hearing.

(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.

(8) The disposition hearing shall be held within fourteen days after the adjudicatory hearing or plea of guilty unless good cause is shown for further delay, or within twenty-one days if the juvenile is not held in a detention facility, unless good cause is shown for further delay.

(9) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

(10) If the parent, guardian, or custodian notified as provided in this section fails without reasonable cause to appear, that person may be proceeded against as for contempt of court for failing to appear.

NEW SECTION. Sec. 28. A new section is added to chapter 13.40 RCW to read as follows:

RECOMMENDED PROSECUTING STANDARDS
FOR CHARGING AND PLEA DISPOSITIONS

INTRODUCTION: These standards are intended solely for the guidance of prosecutors in the state of Washington. They are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party in litigation with the state.

Evidentiary sufficiency. (1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question, or would result in decreased respect for the law. The decision not to prosecute or divert shall not be influenced by the race, gender, religion, or creed of the suspect.

GUIDELINES/COMMENTARY:

Examples

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:
(i) It has not been enforced for many years; and
(ii) Most members of society act as if it were no longer in existence; and
(iii) It serves no deterrent or protective purpose in today’s society; and
(iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimis Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and
   (i) Conviction of the new offense would not merit any additional direct or collateral punishment;
   (ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
   (iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and
   (i) Conviction of the new offense would not merit any additional direct or collateral punishment;
   (ii) Conviction in the pending prosecution is imminent;
   (iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
   (iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. The reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question, or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:
   (i) Assault cases where the victim has suffered little or no injury;
   (ii) Crimes against property, not involving violence, where no major loss was suffered;
   (iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim’s request is freely made and is not the product of threats or pressure by the accused. The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification
The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact-finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid prefiling agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be proved pursuant to RCW 13.40.160(5).

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact-finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

The categorization of crimes for these charging standards shall be the same as found in RCW 9.94A.440(2).

The decision to prosecute or use diversion shall not be influenced by the race, gender, religion, or creed of the respondent.

Selection of Charges/Degree of Charge
(1) The prosecutor should file charges which adequately describe the nature of the respondent’s conduct. Other offenses may be charged only if they are necessary to ensure that the charges:
   (a) Will significantly enhance the strength of the state’s case at trial; or
(b) Will result in restitution to all victims.

(2) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:

(a) Charging a higher degree;
(b) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a respondent’s criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

The selection of charges and/or the degree of the charge shall not be influenced by the race, gender, religion, or creed of the respondent.

GUIDELINES/COMMENTARY:

Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

1. The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
2. The completion of necessary laboratory tests; and
3. The obtaining, in accordance with constitutional requirements, of the suspect’s version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

1. Probable cause exists to believe the suspect is guilty; and
2. The suspect presents a danger to the community or is likely to flee if not apprehended; or
3. The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception that the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

1. Polygraph testing;
2. Hypnosis;
3. Electronic surveillance;
4. Use of informants.

Prefiling Discussions with Defendant

Discussions with the defendant or his or her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

PLEA DISPOSITIONS:

Standard

1. Except as provided in subsection (2) of this section, a respondent will normally be expected to plead guilty to the charge or charges which adequately describe the nature of his or her criminal conduct or go to trial.

2. In certain circumstances, a plea agreement with a respondent in exchange for a plea of guilty to a charge or charges that may not fully describe the nature of his or her criminal conduct may be necessary and in the public interest. Such situations may include the following:

(a) Evidentiary problems which make conviction of the original charges doubtful;
(b) The respondent’s willingness to cooperate in the investigation or prosecution of others whose criminal conduct is more serious or represents a greater public threat;
(c) A request by the victim when it is not the result of pressure from the respondent;
(d) The discovery of facts which mitigate the seriousness of the respondent’s conduct;
(e) The correction of errors in the initial charging decision;
(f) The respondent’s history with respect to criminal activity;
(g) The nature and seriousness of the offense or offenses charged;
(h) The probable effect of witnesses.
(3) No plea agreement shall be influenced by the race, gender, religion, or creed of the respondent. This includes but is not limited to the prosecutor’s decision to utilize such disposition alternatives as “Option B,” the Special Sex Offender Disposition Alternative, and manifest injustice.

**DISPOSITION RECOMMENDATIONS:**

**Standard**

The prosecutor may reach an agreement regarding disposition recommendations.

The prosecutor shall not agree to withhold relevant information from the court concerning the plea agreement.

**Sec. 29.** RCW 13.40.150 and 1995 c 268 s 5 are each amended to read as follows:

(1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth’s counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) For purposes of disposition:

(a) Violations which are current offenses count as misdemeanors;
(b) Violations may not count as part of the offender’s criminal history;
(c) In no event may a disposition for a violation include confinement.

(3) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

(a) Consider the facts supporting the allegations of criminal conduct by the respondent;
(b) Consider information and arguments offered by parties and their counsel;
(c) Consider any predisposition reports;
(d) Consult with the respondent’s parent, guardian, or custodian on the appropriateness of dispositional options under consideration and afford the respondent and the respondent’s parent, guardian, or custodian an opportunity to speak in the respondent’s behalf;
(e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;
(f) Determine the amount of restitution owing to the victim, if any;
(g) Determine whether the respondent is a serious offender, a middle offender, or a minor or first offender;
(h) Consider whether or not any of the following mitigating factors exist:
   (i) The respondent’s conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;
   (ii) The respondent acted under strong and immediate provocation;
   (iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;
   (iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and
   (v) There has been at least one year between the respondent’s current offense and any prior criminal offense;
   (i) Consider whether or not any of the following aggravating factors exist:
   (i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;
   (ii) The offense was committed in an especially heinous, cruel, or depraved manner;
   (iii) The victim or victims were particularly vulnerable;
   (iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement;
   (v) The current offense included a finding of sexual motivation pursuant to RCW 13.40.135;
   (vi) The respondent was the leader of a criminal enterprise involving several persons; (and)
   (vii) There are other complaints which have resulted in diversion or a finding or plea of guilty but which are not included as criminal history; and
   (viii) The respondent is a sex offender eligible for the special sex offender disposition alternative under RCW 13.40.160(5) and the court finds that a longer disposition is necessary to provide an incentive to comply with the terms of the disposition.

(4) The following factors may not be considered in determining the punishment to be imposed:

(a) The sex of the respondent;
(b) The race or color of the respondent or the respondent’s family;
(c) The creed or religion of the respondent or the respondent’s family;
(d) The economic or social class of the respondent or the respondent’s family; and
(c) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter.

(5) A court may not commit a juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

Sec. 30. RCW 13.40.160 and 1995 c 395 s 7 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, RCW 13.40.0357. The court’s finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of ((RCW 13.40.030(2))) section 31 of this act shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A ((or option B)) of schedule D-1, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option ((C)) (B) of schedule D-1, RCW 13.40.0357. Except as provided in subsection (5) of this section, a disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of ((RCW 13.40.030(2))) section 31 of this act shall be used to determine the range. The court’s finding of manifest injustice shall be supported by clear and convincing evidence.

Except for disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section, a disposition may be appealed as provided in RCW 13.40.230 by the state or the respondent. A disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section may not be appealed under RCW 13.40.230.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2).

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range((i)) for such offense, as indicated in option A of schedule D-2, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section. If the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) (If the middle offender has less than 110 points, the court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, RCW 13.40.0357 in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150.) (i) If the middle offender has 110 points or more, the court may impose a disposition under option A and may suspend the disposition and impose a determinate disposition of community supervision for a period of up to one year or the maximum term allowed by the standard range whichever is longer, on the condition that the offender serve up to thirty days of confinement and follow all conditions of community supervision. If confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150. If the offender violates any condition of the disposition including conditions of a probation bond, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspension and order execution of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked; or

(ii) If the respondent is a middle offender with 110 points or more the court may impose the special disposition option under section 32 of this act.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4)(a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of ((RCW 13.40.030(2))) section 31 of this act shall be used to determine the range. The court’s finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230 by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230.
(5) When a serious, middle, or minor first offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent’s version of the facts and the official version of the facts, the respondent’s offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent’s social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator’s information.

The examiner shall assess and report regarding the respondent’s amenability to treatment and relative risk to the community.

(a) A proposed treatment plan shall be provided and shall include, at a minimum:
(i) Frequency and type of contact between the offender and therapist;
(ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;
(iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
(iv) Anticipated length of treatment; and
(v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender’s amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim’s opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusion, that such disposition would effectuate a manifest injustice, the court shall impose a disposition pursuant to option B of schedule D-1, option C of schedule D-2, or option B of schedule D-3 as appropriate.

For either a standard range disposition or a manifest injustice disposition the court may suspend the execution of the disposition and place the offender on community supervision for up to two years.

(b) As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:
(i) Devote time to a specific education, employment, or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;
(iii) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender’s address, educational program, or employment;
(iv) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;
(v) Report as directed to the court and a probation counselor;
(vi) Pay all court-ordered legal financial obligations, perform community service, or any combination thereof;
(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense; or
(viii) Comply with the conditions of any court-ordered probation bond.

The sex offender treatment provider shall submit quarterly reports on the respondent’s progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent’s version of the facts, the official version of the facts, the respondent’s offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent’s social, educational, and employment situation, and other evaluation measures used.

The sex offender treatment plan and include at a minimum the following: Dates of attendance, respondent’s version of the facts, the official version of the facts, the respondent’s offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent’s social, educational, and employment situation, and other evaluation measures used.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (5), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender’s home; and (C) the evaluation and treatment plan comply with this subsection (5) and the rules adopted by the department of health.
If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court shall revoke the disposition and order execution of the disposition under this section.

When a middle offender with one hundred ten points or more is found to have committed an offense that is not a violent or sex offense, the court on its own motion may order, or on a motion by the party making the motion. The defendant shall pay the cost of any proposed treatment plan and shall include, a minimum of two visits by the defender's attorney and an indigent and no third

The evaluator shall be selected by the party making the motion. The evaluator shall be experienced in chemical dependency counseling or treatment.

The report shall set forth the sources of the respondent's social, educational, and employment history, and other evaluation measures used. The report shall set forth the sources of the examination.

The report shall also include the following:

(a) The report of the examination shall include at a minimum the following:

(2) The report shall include the following:

(a) The report of the examination shall include at a minimum:

(i) Whether the respondent is amenable to treatment.

(ii) Whether inpatient and/or outpatient treatment is recommended.

(viii) Whether inpatient and/or outpatient treatment is recommended.

(ix) Availability of appropriate treatment.

(x) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and continuing by family members, legal guardians, or others.

(b) If the court determines that this chemical dependent disposition alternative is appropriate and consider the victim's opinion whether the offender should receive a chemical dependency disposition alternative.

(6) The drug/alcohol treatment provider shall submit monthly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the sentence. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(7) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged.

(8) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(9) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

Section 33. RCW 13.40.190 and 1995 c 33 s 5 are each amended to read as follows:

(1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor’s recommendation that the offender be required to pay restitution to a victim of an offense or offenses (which, pursuant to) that, under a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment (which) that is imposed (pursuant to) under the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all ((such)) the participants ((shall be)) are jointly and severally responsible for the payment of restitution. For the purposes of this section, the respondent shall remain under the court’s jurisdiction for a maximum term of ten years after the respondent’s eighteenth birthday. The court may not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay ((such)) the restitution over a ten-year period. In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived. In all cases, the court must indicate the full amount of restitution due, and the amount, if any, the respondent is required to pay.

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims’ compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims’ compensation act, the department of labor and industries, as administrator of the crime victims’ compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

Section 34. RCW 13.40.210 and 1994 sp.s. c 77 s 527 are each amended to read as follows:

(1) ((The secretary shall, except in the case of a juvenile committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the juvenile was found to be guilty established pursuant to RCW 13.40.030, set a release or discharge date for each juvenile committed to its custody. The release or discharge date shall be within the prescribed range to which a juvenile has been committed except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile’s minimum term of confinement included within the prescribed range to which the juvenile has been committed.)) (a) When a juvenile is committed to a term of confinement in a state institution, the secretary shall review the sentencing court’s finding of the rehabilitative goals to be achieved by the juvenile during the term of confinement. The department shall provide rehabilitative resources, including but not limited to education, vocational training, substance abuse treatment, and counseling, to permit the juvenile to achieve these rehabilitative goals.

(b) After expiration of no more than sixty percent of the juvenile's commitment range, the department shall provide a report containing an evaluation of the juvenile’s behavior and performance during commitment. This report shall specifically describe the juvenile's progress toward achieving the designated rehabilitative goals.
(c) The department shall provide this report to the committing court. The court, after considering the department’s report, shall determine a release or discharge date for the juvenile, which date shall fall on or before expiration of the original term of commitment. If a substantial change in the juvenile’s behavior occurs after the setting of the release or discharge date, the department may submit an updated report to the committing court. The committing court may change the release or discharge date based upon the updated report. Nothing in this subsection requires the court to hold a hearing in setting the release or discharge date.

(d) Nothing in this section entitles a juvenile to release prior to the expiration of the term of confinement imposed by the court.

(e) The department shall establish by rule standards of good behavior, good performance, and progress toward rehabilitative goals.

(f) After the court determines a release date, the court shall notify the secretary by mail, and the secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile’s release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absent himself or herself from the department’s supervision without the prior approval of the secretary or the secretary’s designee.

(2) The secretary shall monitor the average daily population of the state’s juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3) Following the juvenile’s release under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary believes that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section. The secretary shall, for the period of parole, facilitate the juvenile’s reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (a) Undergo available medical (including psychiatric), drug and alcohol, mental health, and other offense-related treatment services; (b) report as directed to a parole officer and/or designee; (c) pursue a course of study (if applicable), vocational training, or employment; (d) notify the parole officer of the current address where he or she resides; (e) be present at a particular address during specified hours; (f) remain within prescribed geographical boundaries (and notify the department of any change in his or her address); (g) submit to electronic monitoring; (h) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; and (i) refrain from contact with specific individuals or a specified class of individuals. After termination of the parole period, the juvenile shall be discharged from the department’s supervision.

(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; and (v) the secretary may order any of the conditions or may return the offender to confinement in an institution for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030.

(b) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confine shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.
Sec. 35. RCW 13.50.010 and 1994 sp.s. c 7 s 541 are each amended to read as follows:

(1) For purposes of this chapter:

(a) "Juvenile justice or care agency" means any of the following: Police, diversion units, court, prosecuting attorney, defense attorney, detention center, attorney general, the department of social and health services and its contracting agencies, schools; and, in addition, persons or public or private agencies having children committed to their custody;

(2) Each petition or information filed with the court may include only one juvenile and each petition or information shall be filed under a separate docket number. The social file shall be filed separately from the official juvenile court file.

(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this end:

(a) The agency may never knowingly record inaccurate information. Any information in records maintained by the department of social and health services relating to a petition filed pursuant to chapter 13.34 RCW that is found by the court, upon proof presented, to be false or inaccurate shall be corrected or expunged from such records by the agency;

(b) An agency shall take reasonable steps to assure the security of its records and prevent tampering with them; and

(c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. The court may also permit inspection of, or release of information from, records which have been sealed pursuant to RCW 13.50.050(11). The court shall release to the sentencing guidelines commission records needed for its research and data-gathering functions under RCW 9.94A.040, 13.40.027, 13.40.030, and other statutes. Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) Juvenile detention facilities shall release records to the juvenile disposition standards commission under RCW 13.40.025 upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual’s written permission.

Sec. 36. RCW 13.50.050 and 1992 c 188 s 7 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (11) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.
(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile’s family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile’s family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys’ records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(8) Upon request of the victim of a crime or the victim’s immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender’s parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim’s immediate family.

(9) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (24) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(a) Two years have elapsed from the later of: (i) Final discharge of the person from the supervision of any agency charged with supervising juvenile offenders; or (ii) from the entry of a court order relating to the commission of a juvenile offense or a criminal offense;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense; and

(c) No proceeding is pending seeking the formation of a diversion agreement with that person.

(11) The person making a motion pursuant to subsection (10) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(12) If the court grants the motion to seal made pursuant to subsection (10) of this section, it shall, subject to subsection (24) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(13) If the court grants the motion to seal made pursuant to subsection (10) of this section, said, subject to subsection (24) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order.

(14) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (24) of this section.

(15) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any conviction for any adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW for any juvenile adjudication of guilt for a class A offense, a violent offense, or a sex offense as defined in RCW 9.94A.030.

(16) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (24) of this section, order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(a) The person making the motion is at least twenty-three years of age;

(b) The person has not subsequently been convicted of a felony;

(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and

(d) The person has never been found guilty of a serious offense.

(17) The court may grant the motion to destroy records made pursuant to subsection (16) of this section if it finds:

(a) The person making the motion is at least twenty-three years of age;

(b) The person has not subsequently been convicted of a felony;

(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and

(d) The person has never been found guilty of a serious offense.

(18) A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted, subject to subsection (24) of this section, if the court finds that two years have elapsed since completion of the diversion agreement.
(19) If the court grants the motion to destroy records made pursuant to subsection (16) or (18) of this section, it shall, subject to subsection (24) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(20) The person making the motion pursuant to subsection (16) or (18) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim’s family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subsection (24) of this section and subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(24) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person’s treatment by the criminal justice system or about the person’s behavior.

‘NEW SECTION. Sec. 1. The legislature finds responsibilities of state government need to be limited to core services in support of public safety and welfare. Services provided by the Washington state energy office are primarily advisory and can be eliminated. The legislature further finds a need to redefine the state’s role in energy-related regulatory functions. The state may be better served by allowing regulatory functions to be performed by other appropriate entities, simplifying state government while maintaining core services. Further, it is the intent of the legislature that the state continue to receive oil overcharge restitution funds for our citizens while every effort is being made to maximize federal funds available for energy conservation purposes.

PART I

The interagency agreement shall also outline the working relationship between the department of community, trade, and economic development and Washington State University as it pertains to the relationship between energy policy development and public outreach. The ((office)) department, in consultation with affected public agencies, shall develop and issue guidelines for administering this chapter. The purpose of the guidelines is to define a procedure and method for performance of life-cycle cost analysis to promote the selection of low-life-cycle cost alternatives. At a minimum, the guidelines must contain provisions that:

(1) Address energy considerations during the planning phase of the project;
(2) Identify energy components and system alternatives including renewable energy systems and cogeneration applications prior to commencing the energy consumption analysis;
(3) Identify simplified methods to assure the lowest life-cycle cost alternatives for selected buildings with between twenty-five thousand and one hundred thousand square feet of usable floor area;
(4) Establish times during the design process for preparation, review, and approval or disapproval of the life-cycle cost analysis;
(5) Specify the assumptions to be used for escalation and inflation rates, equipment service lives, economic building lives, and maintenance costs;
(6) Determine life-cycle cost analysis format and submittal requirements to meet the provisions of chapter 201, Laws of 1991;
(7) Provide for review and approval of life-cycle cost analysis.
Sec. 404. RCW 39.35.060 and 1991 c 201 s 16 are each amended to read as follows:
The ((energy office)) department may impose fees upon affected public agencies for the review of life-cycle cost analyses. The fees shall be deposited in the energy efficiency services account established in RCW 39.35C.110. The purpose of the fees is to recover the costs by the ((office)) department for review of the analyses. The ((office)) department shall set fees at a level necessary to recover all of its costs related to increasing the energy efficiency of state-supported new construction. The fees shall not exceed one-tenth of one percent of the total cost of any project or exceed two thousand dollars for any project unless mutually agreed to. The ((office)) department shall provide detailed calculation ensuring that the energy savings resulting from its review of life-cycle cost analysis justify the costs of performing that review.

Sec. 405. RCW 39.35C.010 and 1991 c 201 s 2 are each amended to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Cogeneration" means the sequential generation of two or more forms of energy from a common fuel or energy source. If these forms are electricity and thermal energy, then the operating and efficiency standards established by 18 C.F.R. Sec. 292.205 and the definitions established by 18 C.F.R. Sec. 292.202 (c) through (m) apply.
(2) "Conservation" means reduced energy consumption or energy cost, or increased efficiency in the use of energy, and activities, measures, or equipment designed to achieve such results, but does not include thermal or electric energy production from cogeneration.
(3) "Cost-effective" means that the present value to a state agency or school district of the energy reasonably expected to be saved or produced by a facility, activity, measure, or piece of equipment over its useful life, including any compensation received from a utility or the Bonneville power administration, is greater than the net present value of the costs of implementing, maintaining, and operating such facility, activity, measure, or piece of equipment over its useful life, when discounted at the cost of public borrowing.
(4) "Energy" means energy as defined in RCW 43.21F.025(1).
(5) "Energy efficiency project" means a conservation or cogeneration project.
(6) "Energy efficiency services" means assistance furnished by the ((energy office)) department to state agencies and school districts in identifying, evaluating, and implementing energy efficiency projects.

Sec. 406. RCW 39.35C.020 and 1991 c 201 s 3 are each amended to read as follows:
(1) Each state agency and school district shall implement cost-effective conservation improvements and maintain efficient operation of its facilities in order to minimize energy consumption and related environmental impacts and reduce operating costs.
(2) The ((energy office)) department shall assist state agencies and school districts in identifying, evaluating, and implementing cost-effective conservation projects at their facilities. The assistance shall include the following:
(a) Notifying state agencies and school districts of their responsibilities under this chapter;
(b) Apprising state agencies and school districts of opportunities to develop and finance such projects;
(c) Providing technical and analytical support, including procurement of performance-based contracting services;
(d) Reviewing verification procedures for energy savings; and
(e) Assisting in the structuring and arranging of financing for cost-effective conservation projects.
(3) Conservation projects implemented under this chapter shall have appropriate levels of monitoring to verify the performance and measure the energy savings over the life of the project. The ((energy office)) department shall solicit involvement in program planning and implementation from utilities and other energy conservation suppliers, especially those that have demonstrated experience in performance-based energy programs.
(4) The ((energy office)) department shall comply with the requirements of chapter 39.80 RCW when contracting for architectural or engineering services.
(5) The department shall recover any costs and expenses it incurs in providing assistance pursuant to this section, including reimbursement from third parties participating in conservation projects. The department shall enter into a written agreement with the public agency for the recovery of costs.

Sec. 407. RCW 39.35C.030 and 1991 c 201 s 4 are each amended to read as follows:

(1) The department shall consult with the local utilities to develop priorities for energy conservation projects pursuant to this chapter, cooperate where possible with existing utility programs, and consult with the local utilities prior to implementing projects in their service territory.

(2) A local utility shall be offered the initial opportunity to participate in the development of conservation projects in the following manner:

(a) Before initiating projects in a local utility service territory, the department shall notify the local utility in writing, on an annual basis, of public facilities in the local utility’s service territory at which the department anticipates cost-effective conservation projects will be developed.

(b) Within sixty days of receipt of this notification, the local utility may express interest in these projects by submitting to the department a written description of the role the local utility is willing to perform in developing and acquiring the conservation at these facilities. This role may include any local utility conservation programs which would be available to the public facility, any competitive bidding or solicitation process which the local utility will be undertaking in accordance with the rules of the utilities and transportation commission or the public utility district, municipal utility, cooperative, or mutual governing body for which the public facility would be eligible, or any other role the local utility may be willing to perform.

(c) Upon receipt of the written description from the local utility, the department shall, through discussions with the local utility, and with involvement from state agencies and school districts responsible for the public facilities, develop a plan for coordinated delivery of conservation services and financing or make a determination of whether to participate in the local utility’s competitive bidding or solicitation process. The plan shall identify the local utility in roles that the local utility is willing to perform and that are consistent with the provisions of RCW 39.35C.040(2) (d) and (e).

Sec. 408. RCW 39.35C.040 and 1991 c 201 s 5 are each amended to read as follows:

(1) It is the intent of this chapter that the state, state agencies, and school districts are compensated fairly for the energy savings provided to utilities and be allowed to participate on an equal basis in any utility conservation program, bidding, or solicitation process. State agencies and school districts shall not receive preferential treatment. For the purposes of this section, any type of compensation from a utility or the Bonneville power administration intended to achieve reductions or efficiencies in energy use which are cost-effective to the utility or the Bonneville power administration shall be regarded as a sale of energy savings. Such compensation may include credits to the energy bill, low or no interest loans, rebates, or payment per unit of energy saved. The department shall, in coordination with utilities, the Bonneville power administration, state agencies, and school districts, facilitate the sale of energy savings at public facilities including participation in any competitive bidding or solicitation which has been agreed to by the state agency or school district. Energy savings may only be sold to local utilities or, under conditions specified in this section, to the Bonneville power administration. The department shall not attempt to sell energy savings occurring in one utility service territory to a different utility. Nothing in this chapter mandates that utilities purchase the energy savings.

(2) To ensure an equitable allocation of benefits to the state, state agencies, and school districts, the following conditions shall apply to transactions between utilities or the Bonneville power administration and state agencies or school districts for sales of energy savings:

(a) A transaction shall be approved by both the state agency or school district and the department.

(b) The state agency or school district and the department shall work together throughout the planning and negotiation process for such transactions unless the department determines that its participation will not further the purposes of this section.

(c) Before making a decision under (d) of this subsection, the department shall review the proposed transaction for its technical and economic feasibility, the adequacy and reasonableness of procedures proposed for verification of project or program performance, the degree of certainty of benefits to the state, state agency, or school district, the degree of risk assumed by the state or school district, the benefits offered to the state, state agency, or school district and such other factors as the department determines to be prudent.

(d) The department shall approve a transaction unless it finds, pursuant to the review in (c) of this subsection, that the transaction would not result in an equitable allocation of costs and benefits to the state, state agency, or school district, in which case the transaction shall be disapproved.

(e) In addition to the requirements of (c) and (d) of this subsection, in areas in which the Bonneville power administration has a program for the purchase of energy savings at public facilities, the department shall approve the transaction unless the local utility cannot offer a benefit substantially equivalent to that offered by the Bonneville power administration, in which case the transaction shall be disapproved. In determining whether the local utility can offer a substantially equivalent benefit, the department shall
consider the net present value of the payment for energy savings; any goods, services, or financial assistance provided by the local utility; and any risks borne by the local utility. Any direct negative financial impact on a nongrowing, local utility shall be considered.

(3) Any party to a potential transaction may, within thirty days of any decision to disapprove a transaction made pursuant to subsection (2) (c), (d), or (e) of this section, request an independent reviewer who is mutually agreeable to all parties to the transaction to review the decision. The parties shall within thirty days of selection submit to the independent reviewer documentation supporting their positions. The independent reviewer shall render advice regarding the validity of the disapproval within an additional thirty days.

Sec. 409. RCW 39.35C.050 and 1991 c 201 s 6 are each amended to read as follows:

In addition to any other authorities conferred by law:

(1) The ((energy office)) department, with the consent of the state agency or school district responsible for a facility, a state or regional university acting independently, and any other state agency acting through the department of general administration or as otherwise authorized by law, may:

(a) Develop and finance conservation at public facilities in accordance with express provisions of this chapter;
(b) Contract for energy services, including performance-based contracts;
(c) Contract to sell energy savings from a conservation project at public facilities to local utilities or the Bonneville power administration.

(2) A state or regional university acting independently, and any other state agency acting through the department of general administration or as otherwise authorized by law, may undertake procurements for third-party development of conservation at its facilities.

(3) A school district may:
(a) Develop and finance conservation at school district facilities;
(b) Contract for energy services, including performance-based contracts at school district facilities; and
(c) Contract to sell energy savings from energy conservation projects at school district facilities to local utilities or the Bonneville power administration directly or to local utilities or the Bonneville power administration through third parties.

(4) In exercising the authority granted by subsections (1), (2), and (3) of this section, a school district or state agency must comply with the provisions of RCW 39.35C.040.

Sec. 410. RCW 39.35C.060 and 1991 c 201 s 7 are each amended to read as follows:

(1) The (energy office, in accordance with RCW 43.21F.060(2)) may use appropriated moneys to make loans to school districts to provide all or part of the financing for conservation projects. The energy office shall determine the eligibility of such projects for conservation loans and the terms of such loans. If loans are from moneys appropriated from bond proceeds, the repayments of the loans shall be sufficient to pay, when due, the principal and interest on the bonds and shall be paid to the energy efficiency construction account established in RCW 39.35C.100. To the extent that a school district applies the proceeds of such loans to a modernization or new construction project, such proceeds shall be considered a portion of the school district’s share of the costs of such project.

(2) State agencies may use financing contracts under chapter 39.94 RCW to provide all or part of the funding for conservation projects. The (energy office) department shall determine the eligibility of such projects for financing contracts. The repayments of the financing contracts shall be sufficient to pay, when due, the principal and interest on the contracts.

Sec. 411. RCW 39.35C.070 and 1991 c 201 s 8 are each amended to read as follows:

(1) Consistent with the region’s need to develop cost-effective, high efficiency electric energy resources, the state shall investigate and, if appropriate, pursue development of cost-effective opportunities for cogeneration in existing or new state facilities.

(2) To assist state agencies in identifying, evaluating, and developing potential cogeneration projects at their facilities, the (energy office) department shall notify state agencies of their responsibilities under this chapter; apprise them of opportunities to develop and finance such projects; and provide technical and analytical support. The (energy office) department shall recover costs for such assistance through written agreements, including reimbursement from third parties participating in such projects, for any costs and expenses incurred in providing such assistance.

(3)(a) The (energy office) department shall identify priorities for cogeneration projects at state facilities, and, where such projects are initially deemed desirable by the (energy office) department and the appropriate state agency, the (energy office) department shall notify the local utility serving the state facility of its intent to conduct a feasibility study at such facility. The (energy office) department shall consult with the local utility and provide the local utility an opportunity to participate in the development of the feasibility study for the state facility it serves.

(b) If the local utility has an interest in participating in the feasibility study, it shall notify the (energy office) department and the state agency whose facility or facilities it serves within sixty days of receipt of notification pursuant to (a) of this subsection as to the nature and scope of its desired participation. The (energy office) department, state agency, and local utility shall negotiate the responsibilities, if any, of each in conducting the feasibility study, and these responsibilities shall be specified in a written agreement.

(c) If a local utility identifies a potential cogeneration project at a state facility for which it intends to conduct a feasibility study, it shall notify the (energy office) department and the appropriate state agency. The (energy office) department, state agency, and local utility shall negotiate the responsibilities, if any, of each in conducting the feasibility study, and these responsibilities shall be specified in a written...
agreement. Nothing in this section shall preclude a local utility from conducting an independent assessment of a potential cogeneration project at a state facility.

(d) Agreements written pursuant to (a) and (b) of this subsection shall include a provision for the recovery of costs incurred by a local utility in performing a feasibility study in the event such utility does not participate in the development of the cogeneration project. If the local utility does participate in the cogeneration project through energy purchase, project development or ownership, recovery of the utility’s costs may be deferred or provided for through negotiation on agreements for energy purchase, project development or ownership.

(e) If the local utility declines participation in the feasibility study, the (energy office) department and the state agency may receive and solicit proposals to conduct the feasibility study from other parties. Participation of these other parties shall also be secured and defined by a written agreement which may include the provision for reimbursement of costs incurred in the formulation of the feasibility study.

(4) The feasibility study shall include consideration of regional and local utility needs for power, the consistency of the proposed cogeneration project with the state energy strategy, the cost and certainty of fuel supplies, the value of electricity produced, the capability of the state agency to own and/or operate such facilities, the capability of utilities or third parties to own and/or operate such facilities, requirements for and costs of standby sources of power, costs associated with interconnection with the local electric utility’s transmission system, the capability of the local electric utility to wheel electricity generated by the facility, costs associated with obtaining wheeling services, potential financial risks and losses to the state and/or state agency, measures to mitigate the financial risk to the state and/or state agency, and benefits to the state and to the state agency from a range of design configurations, ownership, and operation options.

(5) Based upon the findings of the feasibility study, the (energy office) department and the state agency shall determine whether a cogeneration project will be cost-effective and whether development of a cogeneration project should be pursued. This determination shall be made in consultation with the local utility or, if the local utility had not participated in the development of the feasibility study, with any third party that may have participated in the development of the feasibility study.

(a) Recognizing the local utility’s expertise, knowledge, and ownership and operation of the local utility systems, the (energy office) department and the state agency shall have the authority to negotiate directly with the local utility for the purpose of entering into a sole source contract to develop, own, and/or operate the cogeneration facility. The contract may also include provisions for the purchase of electricity or thermal energy from the cogeneration facility, the acquisition of a fuel source, and any financial considerations which may accrue to the state from ownership and/or operation of the cogeneration facility by the local utility.

(b) The (energy office) department may enter into contracts through competitive negotiation under this subsection for the development, ownership, and/or operation of a cogeneration facility. In determining an acceptable bid, the (energy office) department and the state agency may consider such factors as technical knowledge, experience, management, staff, or schedule, as may be necessary to achieve economical construction or operation of the project. The selection of a developer or operator of a cogeneration facility shall be made in accordance with procedures for competitive bidding under chapter 43.19 RCW.

(c) The (energy office) department shall comply with the requirements of chapter 39.80 RCW when contracting for architectural or engineering services.

(6)(a) The state may own and/or operate a cogeneration project at a state facility. However, unless the cogeneration project is determined to be cost-effective, based on the findings of the feasibility study, the (energy office) department and state agency shall not pursue development of the project as a state-owned facility. If the project is found to be cost-effective, and the (energy office) department and the state agency agree development of the cogeneration project should be pursued as a state-owned and/or operated facility, the (energy office) department shall assist the state agency in the preparation of a finance and development plan for the cogeneration project. Any such plan shall fully account for and specify all costs to the state for developing and/or operating the cogeneration facility.

(b) It is the general intent of this chapter that cogeneration projects developed and owned by the state will be sized to the projected thermal energy load of the state facility over the useful life of the project. The principal purpose and use of such projects is to supply thermal energy to a state facility and not primarily to develop generating capacity for the sale of electricity. For state-owned projects with electricity production in excess of projected thermal requirements, the (energy office) department shall seek and obtain legislative appropriation and approval for development. Nothing in chapter 201, Laws of 1991 shall be construed to authorize any state agency to sell electricity or thermal energy on a retail basis.

(7) When a cogeneration facility will be developed, owned, and/or operated by a state agency or third party other than the local serving utility, the (energy office) department and the state agency shall negotiate a written agreement with the local utility. Elements of such an agreement shall include provisions to ensure system safety, provisions to ensure reliability of any interconnected operations equipment necessary for parallel operation and switching equipment capable of isolating the generation facility, the provision of and reimbursement for standby services, if required, and the provision of and reimbursement for wheeling electricity, if the provision of such has been agreed to by the local utility.

(8) The state may develop and own a thermal energy distribution system associated with a cogeneration project for the principal purpose of distributing thermal energy at the state facility. If thermal energy is to be sold outside the state facility, the state may only sell the thermal energy to a utility.
Sec. 412. RCW 39.35C.080 and 1991 c 201 s 9 are each amended to read as follows:

It is the intention of chapter 201, Laws of 1991 that the state and its agencies are compensated fairly for the energy provided to utilities from cogeneration at state facilities. Such compensation may include revenues from sales of electricity or thermal energy to utilities, lease of state properties, and value of thermal energy provided to the facility. It is also the intent of chapter 201, Laws of 1991 that the state and its agencies be accorded the opportunity to compete on a fair and reasonable basis to fulfill a utility’s new resource acquisition needs when selling the energy produced from cogeneration projects at state facilities through energy purchase agreements.

1(a) The ((energy office)) department and state agencies may participate in any utility request for resource proposal process, as either established under the rules and regulations of the utilities and transportation commission, or by the governing board of a public utility district, municipal utility, cooperative, or mutual.

(b) If a local utility does not have a request for resource proposal pending, the energy office or a state agency may negotiate an equitable and mutually beneficial energy purchase agreement with that utility.

2 To ensure an equitable allocation of benefits to the state and its agencies, the following conditions shall apply to energy purchase agreements negotiated between utilities and state agencies:

(a) An energy purchase agreement shall be approved by both the ((energy office)) department and the affected state agency.

(b) The ((energy office)) department and the state agency shall work together throughout the planning and negotiation process for energy purchase agreements, unless the ((energy office)) department determines that its participation will not further the purposes of this section.

(c) Before approving an energy purchase agreement, the ((energy office)) department shall review the proposed agreement for its technical and economic feasibility, the degree of certainty of benefits, the degree of financial risk assumed by the state and/or the state agency, the benefits offered to the state and/or state agency, and other such factors as the ((energy office)) department deems prudent. The ((energy office)) department shall approve an energy purchase agreement unless it finds that such an agreement would not result in an equitable allocation of costs and benefits, in which case the transaction shall be disapproved.

3(a) The state or state agency shall comply with and shall be bound by applicable avoided cost schedules, electric power wheeling charges, interconnection requirements, utility tariffs, and regulatory provisions to the same extent it would be required to comply and would be bound if it were a private citizen. The state shall neither seek regulatory advantage, nor change regulations, regulatory policy, process, or decisions to its advantage as a seller of cogenerated energy. Nothing contained in chapter 201, Laws of 1991 shall be construed to mandate or require public or private utilities to wheel electric energy resources within or beyond their service territories. Nothing in chapter 201, Laws of 1991 authorizes any state agency or school district to make any sale of energy or waste heat as defined by RCW 80.62.020(9) beyond the explicit provisions of chapter 201, Laws of 1991. Nothing contained in chapter 201, Laws of 1991 requires a utility to purchase energy from the state or a state agency or enter into any agreement in connection with a cogeneration facility.

(b) The state shall neither construct, nor be party to an agreement for developing a cogeneration project at a state facility for the purpose of supplying its own electrical needs, unless it can show that such an arrangement would be in the economic interest of the state taking into account the cost of (i) interconnection requirements, as specified by the local electric utility, (ii) standby charges, as may be required by the local electric utility, and (iii) the current price of electricity offered by the local electric utility. If the local electric utility can demonstrate that the cogeneration project may place an undue burden on the electric utility, the ((energy office)) department or the state agency shall attempt to negotiate a mutually beneficial agreement that would minimize the burden upon the ratepayers of the local electric utility.

4 Any party to an energy purchase agreement may, within thirty days of any decision made pursuant to subsection (2)(c) of this section to disapprove the agreement made pursuant to this section, request an independent reviewer who is mutually agreeable to all parties to review the decision. The parties shall within thirty days of selection submit to the independent reviewer documentation supporting their positions. The independent reviewer shall render advice regarding the validity of the disapproval within an additional thirty days.

Sec. 413. RCW 39.35C.090 and 1991 c 201 s 10 are each amended to read as follows:

PART V
TECHNICAL CORRECTIONS

Sec. 501. RCW 19.27.190 and 1990 c 2 s 7 are each amended to read as follows:

(1)(a) Not later than January 1, 1991, the state building code council, in consultation with the ((state energy office)) department of community, trade, and economic development, shall establish interim requirements for the maintenance of indoor air quality in newly constructed residential buildings. In establishing the interim requirements, the council shall take into consideration differences in heating fuels and heating system types. These requirements shall be in effect July 1, 1991, through June 30, 1993.

(b) The interim requirements for new electrically space heated residential buildings shall include ventilation standards which provide for mechanical ventilation in areas of the residence where water vapor or cooking odors are produced. The ventilation shall be exhausted to the outside of the structure. The ventilation standards shall further provide for the capacity to supply outside air to each bedroom
and the main living area through dedicated supply air inlet locations in walls, or in an equivalent manner. At least one exhaust fan in the home shall be controlled by a dehumidistat or clock timer to ensure that sufficient whole house ventilation is regularly provided as needed.

(c)(i) For new single family residences with electric space heating systems, zero lot line homes, each unit in a duplex, and each attached housing unit in a planned unit development, the ventilation standards shall include fifty cubic feet per minute of effective installed ventilation capacity in each bathroom and one hundred cubic feet per minute of effective installed ventilation capacity in each kitchen.

(ii) For other new residential units with electric space heating systems the ventilation standards may be satisfied by the installation of two exhaust fans with a combined effective installed ventilation capacity of two hundred cubic feet per minute.

(iii) Effective installed ventilation capacity means the capability to deliver the specified ventilation rates for the actual design of the ventilation system. Natural ventilation and infiltration shall not be considered acceptable substitutes for mechanical ventilation.

(d) For new residential buildings that are space heated with other than electric space heating systems, the interim standards shall be designed to result in indoor air quality equivalent to that achieved with the interim ventilation standards for electric space heated homes.

(e) The interim requirements for all newly constructed residential buildings shall include standards for indoor air quality pollutant source control, including the following requirements: All structural panel components of the residence shall comply with appropriate standards for the emission of formaldehyde; the back-drafting of combustion by-products from combustion appliances shall be minimized through the use of dampers, vents, outside combustion air sources, or other appropriate technologies; and, in areas of the state where monitored data indicate action is necessary to inhibit indoor radon gas concentrations from exceeding appropriate health standards, entry of radon gas into homes shall be minimized through appropriate foundation construction measures.

(2) No later than January 1, 1993, the state building code council, in consultation with the ((state energy office)) department of community, trade, and economic development, shall establish final requirements for the maintenance of indoor air quality in newly constructed residences to be in effect beginning July 1, 1993. For new electrically space heated residential buildings, these requirements shall maintain indoor air quality equivalent to that provided by the mechanical ventilation and indoor air pollutant source control requirements included in the February 7, 1989, Bonneville power administration record of decision for the environmental impact statement on new energy efficient homes programs (DOE/EIS-0127F) built with electric space heating. In residential units other than single family, zero lot line, duplexes, and attached housing units in planned unit developments, ventilation requirements may be satisfied by the installation of two exhaust fans with a combined effective installed ventilation capacity of two hundred cubic feet per minute. For new residential buildings that are space heated with other than electric space heating systems, the standards shall be designed to result in indoor air quality equivalent to that achieved with the ventilation and source control standards for electric space heated homes. In establishing the final requirements, the council shall take into consideration differences in heating fuels and heating system types.

Sec. 502. RCW 19.27A.020 and 1994 c 226 s 1 are each amended to read as follows:

(1) No later than January 1, 1991, the state building code council shall promulgate rules to be known as the Washington state energy code as part of the state building code.

(2) The council shall follow the legislature’s standards set forth in this section to promulgate rules to be known as the Washington state energy code. The Washington state energy code shall be designed to require new buildings to meet a certain level of energy efficiency, but allow flexibility in building design, construction, and heating equipment efficiencies within that framework. The Washington state energy code shall be designed to allow space heating equipment efficiency to offset or substitute for building envelope thermal performance.

(3) The Washington state energy code shall take into account regional climatic conditions. Climate zone 1 shall include all counties not included in climate zone 2. Climate zone 2 includes: Adams, Chelan, Douglas, Ferry, Grant, Kittitas, Lincoln, Okanogan, Pend Oreille, Spokane, Stevens, and Whitman counties.

(4) The Washington state energy code for residential buildings shall require:

(a) New residential buildings that are space heated with electric resistance heating systems to achieve energy use equivalent to that used in typical buildings constructed with:

(i) Ceilings insulated to a level of R-38. The code shall contain an exception which permits single rafter or joist vaulted ceilings insulated to a level of R-30 (R value includes insulation only);

(ii) In zone 1, walls insulated to a level of R-19 (R value includes insulation only), or constructed with two by four members, R-13 insulation batts, R-3.2 insulated sheathing, and other normal assembly components; in zone 2 walls insulated to a level of R-24 (R value includes insulation only), or constructed with two by six members, R-22 insulation batts, R-3.2 insulated sheathing, and other normal construction assembly components; for the purpose of determining equivalent thermal performance, the wall U-value shall be 0.058 in zone 1 and 0.044 in zone 2;

(vii) In zone 1 the glazing area may be up to twenty-one percent of floor area and in zone 2 the glazing area may be up to seventeen percent of floor area where consideration of the thermal resistance values for other building components and solar heat gains through the glazing result in thermal performance equivalent to that achieved with thermal resistance values for other components determined in accordance with the equivalent thermal performance criteria of (a) of this subsection and glazing area equal to fifteen percent of the floor area. Throughout the state for the purposes of determining equivalent thermal performance, the maximum glazing area shall be fifteen percent of the floor area; and

(viii) Exterior doors insulated to a level of R-5; or an exterior wood door with a thermal resistance value of less than R-5 and values for other components determined in accordance with the equivalent thermal performance criteria of (a) of this subsection.

The amendment shall not take effect until July 1, 1994; and

(viii) In zone 1, the maximum glazing area shall be twenty-one percent of the floor area. In zone 2 the maximum glazing area shall be seventeen percent of the floor area. U-values for vertical glazing shall be determined, certified, and labeled in accordance with the appropriate national fenestration rating council (NFRC) standard, as determined and adopted by the state building code council. Certification of U-values shall be conducted by a certified, independent agency licensed by the NFRC. The state building code council may develop and adopt alternative methods of determining, certifying, and labeling U-values for vertical glazing that may be used by fenestration manufacturers if determined to be appropriately by the council. The state building code council shall review and consider the adoption of the NFRC standards for determining, certifying, and labeling U-values for doors and skylights when developed and published by the NFRC. The state building code council may develop and adopt appropriate alternative methods for determining, certifying, and labeling U-values for doors and skylights. U-values for doors and skylights determined, certified, and labeled in accordance with the appropriate NFRC standard shall be acceptable for compliance with the state energy code. (b) The state energy code for residential structures does not preempt a city, town, or county’s energy code for residential structures which exceeds the requirements of the state energy code and which was adopted by the city, town, or county prior to March 1, 1990. Such cities, towns, or counties may not subsequently amend their energy code for residential structures to exceed the requirements adopted prior to March 1, 1990.

(8) The state building code council shall consult with the (state energy office) department of community, trade, and economic development as provided in RCW 34.05.310 prior to publication of proposed rules. (9) The state building code council shall conduct a study of county and city enforcement of energy codes in the state. In conducting the study, the council shall conduct public hearings at designated council meetings to seek input from interested individuals and organizations, and to the extent possible, hold these meetings in conjunction with adopting rules under this section. The study shall include recommendations as to how code enforcement may be improved. The findings of the study shall be submitted in a report to the legislature no later than January 1, 1991.

(10) If any electric utility providing electric service to customers in the state of Washington purchases at least one percent of its firm energy load from a federal agency, pursuant to section 5.(b)(1) of the Pacific Northwest electric power planning and conservation act (P.L. 96-901), and such utility is unable to obtain from that agency at least fifty percent of the funds for payments required by RCW 19.27A.035, the amendments to this section by chapter 2, Laws of 1990 shall be null and void, and the 1986 state energy code shall be in effect, except that a city, town, or county may enforce a local energy code with more stringent energy requirements adopted prior to March 1, 1990. This subsection shall expire June 30, 1995.

Sec. 503. RCW 28A.515.320 and 1991 sp.s. c 13 s 58 are each amended to read as follows:

The common school construction fund is to be used exclusively for the purpose of financing the construction of facilities for the common schools. The sources of said fund shall be: (1) Those proceeds derived from sale or appropriation of timber and other crops from school and state land other than those granted for specific purposes; (2) the interest accruing on the permanent common school fund less the allocations to the state treasurer’s service account [fund] pursuant to RCW 43.08.190 and the state investment board expense account pursuant to RCW 43.33A.160 together with all rentals and other revenue derived therefrom and from land and other property devoted to the permanent common school fund; (3) all moneys received by the state from the United States under the provisions of section 191, Title 30, United States Code, Annotated, and under section 810, chapter 12, Title 16, (Conservation), United States Code, Annotated, except moneys received before June 30, 2001, and when thirty megawatts of geothermal power is certified as commercially available by the receiving utilities and the (state energy office) department of community, trade, and economic development, eighty percent of such moneys, under the Geothermal Steam Act of 1970 pursuant to RCW 43.140.030; and (4) such other sources as the legislature may direct. That portion of the common school construction fund derived from interest on the permanent common school fund may be used to retire such bonds as may be authorized by law for the purpose of financing the construction of facilities for the common schools.

The interest accruing on the permanent common school fund less the allocations to the state treasurer’s service (fund) pursuant to RCW 43.08.190 and the state investment board expense account pursuant to RCW 43.33A.160 together with all rentals and other revenues accruing thereto pursuant to subsection (2) of this section prior to July 1, 1967, shall be exclusively applied to the current use of the common schools.

To the extent that the moneys in the common school construction fund are in excess of the amount necessary to allow fulfillment of the purpose of said fund, the excess shall be available for deposit to the credit of the permanent common school fund or available for the current use of the common schools, as the legislature may direct. Any money from the common school construction fund which is made available for the current use of the common schools shall be restored to the fund by appropriation, including interest income foregone, before the end of the next fiscal biennium following such use.

MOTION

Senator Smith moved that the following Committee on Law and Justice amendment not be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.370 and 1989 c 124 s 2 are each amended to read as follows:

(1) The intersection of the column defined by the offender score and the row defined by the offense seriousness score determines the presumptive sentencing range (see RCW 9.94A.310, (Table 1)). The additional time for deadly weapon findings or for those offenses enumerated in RCW 9.94A.310(4) that were committed in a state correctional facility or county jail shall be added to the entire presumptive sentence range. The court may impose any sentence within the range that it deems appropriate. All presumptive sentence ranges are expressed in terms of total confinement.

(2) In determining any sentence, the trial court may rely on no more information than is admitted by the plea agreement, or admitted, acknowledged, or proved in a trial or at the time of sentencing. Acknowledgement includes not objecting to information stated in the presentence reports. Where the defendant disputes material facts, the court must either not consider the fact or grant an evidentiary hearing on the point. The facts shall be deemed proved at the hearing by a preponderance of the evidence. Facts that establish the elements of a more serious crime or additional crimes may not be used to go outside the presumptive sentence range except upon stipulation or when specifically provided for in RCW 9.94A.390(2) (c), (d), (f) and (g).

Sec. 2. RCW 9.94A.390 and 1995 c 316 s 2 are each amended to read as follows:

If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant’s capacity to appreciate the wrongfulness of his or her conduct or to conform his or her conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant’s children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(2) Aggravating Circumstances

(a) The defendant’s conduct during the commission of the current offense manifested deliberate cruelty to the victim.
(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.

(c) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;
(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;
(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or
(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(d) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;
(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;
(iii) The current offense involved the manufacture of controlled substances for use by other parties;
(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;
(v) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or
(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(e) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

(f) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(g) The current offense involved domestic violence, as defined in RCW 10.99.020 and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;
(ii) The offender’s conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(h) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

NEW SECTION. Sec. 3. A new section is added to chapter 9A.36 RCW to read as follows:

(1) A person commits the crime of interference with the reporting of domestic violence if the person prevents or attempts to prevent a victim of or a witness to domestic violence, as defined in RCW 26.50.010, from calling a 911 emergency communication system, obtaining medical assistance, or making a report to any law enforcement official.

(2) Interference with the reporting of domestic violence is a gross misdemeanor.

Sec. 4. RCW 10.31.100 and 1995 c 246 s 20, 1995 c 184 s 1, and 1995 c 93 s 1 are each reenacted and amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (10) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270, or involving criminal trespass under RCW 9A.52.070 or 9A.52.080, shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:
(a) An order has been issued of which the person has knowledge under RCW 10.99.040(2), 10.99.050, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.44.063, chapter 26.26 RCW, or chapter 26.50 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence or (excluding) restraining the person from ((excluding)) going onto the grounds of or entering a residence, workplace, school, or day care or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(b) The person is sixteen years or older and within the preceding four hours has assaulted a family or household member as defined in RCW 10.99.020 and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that ((spouses, former spouses, or other persons who reside together or formerly resided together)) family or household members have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence between the persons involved.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:
   (a) RCW 46.52.010, relating to duty on striking an unattended car or other property;
   (b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;
   (c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

   (e) RCW 46.20.342, relating to driving a motor vehicle while operator’s license is suspended or revoked;
   (f) RCW 46.61.525, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement investigator at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 88.12.025 shall have the authority to arrest the person.

(6) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give the officer the authority to take appropriate action under the laws of the state of Washington.

(7) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(8) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.14 RCW and the person has violated the terms of that order.

(9) Any police officer having probable cause to believe that a person has, within twenty-four hours of the alleged violation, committed a violation of RCW 9A.50.020 may arrest such person.

(10) A police officer having probable cause to believe that a person illegally possesses or illegally has possessed a firearm or other dangerous weapon on private or public elementary or secondary school premises shall have the authority to arrest the person.

For purposes of this subsection, the term “firearm” has the meaning defined in RCW 9.41.010 and the term “dangerous weapon” has the meaning defined in RCW 9.41.250 and 9.41.280(1) (c) through (e).

(11) Except as specifically provided in subsections (2), (3), (4), and (6) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(12) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100 (2) or (8) if the police officer acts in good faith and without malice.

(1) All training relating to the handling of domestic violence complaints by law enforcement officers shall stress enforcement of criminal laws in domestic situations, availability of community resources, and protection of the victim. Law enforcement agencies and community organizations with expertise in the issue of domestic violence shall cooperate in all aspects of such training.

(2) The criminal justice training commission shall implement by January 1, 1997, a course of instruction for the training of law enforcement officers in Washington in the handling of domestic violence complaints. The course of instruction, the learning and performance objectives, and the standards for the training shall be developed by the commission and focus on enforcing the criminal laws, safety of the victim, and holding the perpetrator accountable for the violence. The curriculum shall include training on the extent and prevalence of domestic violence, the importance of criminal justice intervention, techniques for responding to incidents that minimize the likelihood of officer injury and that promote victim safety, investigation and interviewing skills, evidence gathering and report writing, assistance to and services for victims and children, verification and enforcement of court orders, liability, and any additional provisions that are necessary to carry out the intention of this subsection.

(3) The criminal justice training commission shall develop and update annually an in-service training program to familiarize law enforcement officers with the domestic violence laws. The commission shall make the training program available to all law enforcement agencies in the state.

(4) Development of the training in subsections (2) and (3) of this section shall be conducted in conjunction with agencies having a primary responsibility for serving victims of domestic violence with emergency shelter and other services, and representatives to the state-wide organization providing training and education to these organizations and to the general public.

(8) The peace officer may offer, arrange, or facilitate transportation for the victim to a hospital for treatment of injuries or to a place of safety or shelter.

(9) The law enforcement agency shall forward the offense report to the appropriate prosecutor within ten days of making such report if there is probable cause to believe that an offense has been committed, unless the case is under active investigation.

The Washington criminal justice training commission shall amend its contract for collection of state-wide crime data with the Washington association of sheriffs and police chiefs:

(c) To require that, in consultation with interested persons, the Washington association of sheriffs and police chiefs prepare and disseminate procedures to all law enforcement agencies in the state as to how the agencies shall code and report domestic violence incidents to the Washington association of sheriffs and police chiefs.

Sec. 7. RCW 10.99.040 and 1995 c 246 s 23 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

(a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;

(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;
(c) Shall waive any requirement that the victim’s location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his or her client the victim’s location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim. In issuing the order, the court shall consider the provisions of RCW 9.41.800. The no-contact order shall also be issued in writing as soon as possible.

(3) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under subsection (2) or (3) of this section is a gross misdemeanor. A third or subsequent conviction for willful violation of a court order issued under subsection (2) or (3) of this section is a class C felony punishable under chapter 9A.20 RCW. Upon conviction and in addition to other penalties provided by law, the court may require that the defendant submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The court also may include a requirement that the defendant pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(b) Any assault that is a violation of an order issued under this section and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony punishable under chapter 9A.20 RCW, and any conduct in violation of a protective order issued under this section that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony punishable under chapter 9A.20 RCW.

(c) The written order releasing the person charged or arrested shall contain the court’s directives and shall bear the legend: “Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest; any assault or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites or allows you to violate the order’s prohibitions. You have the sole responsibility to avoid or refrain from violating the order’s provisions. Only the court can change the order.” A certified copy of the order shall be provided to the victim. If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed. Such orders need not be entered into the computer-based criminal intelligence information system in this state which is used by law enforcement agencies to list outstanding warrants.

(5) Whenever an order prohibiting contact is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

Sec. 8. RCW 10.99.050 and 1991 c 301 s 5 are each amended to read as follows:

(1) When a defendant is found guilty of a crime and a condition of the sentence restricts the defendant’s ability to have contact with the victim, such condition shall be recorded and a written certified copy of that order shall be provided to the victim.

(2) Willful violation of a court order issued under this section is a gross misdemeanor. A third or subsequent conviction for willful violation of a court order issued under this section is a class C felony punishable under chapter 9A.20 RCW. Any assault that is a violation of an order issued under this section and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of a protective order issued under this section that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony. The written order shall contain the court’s directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest; any assault or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites or allows you to violate the order’s prohibitions. You have the sole responsibility to avoid or refrain from violating the order’s provisions. Only the court can change the order.

(3) Whenever an order prohibiting contact is issued pursuant to this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system...
available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

2) A person is deemed to have notice of a restraining order if:

**Sec. 12.** RCW 26.50.030 and 1995 c 246 s 3 are each amended to read as follows:

There shall exist an action known as a petition for an order for protection in cases of domestic violence.

(1) A petition for relief shall allege the existence of domestic violence, and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought. Petitioner and respondent shall disclose the existence of any other litigation concerning the custody or residential placement of a child of the parties as set forth in RCW 26.27.090 and the existence of any other restraining, protection, or no contact orders between the parties;

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties except in cases where the court realigns petitioner and respondent in accordance with RCW 26.50.060(4).

(3) Within ninety days of receipt of the master copy from the administrator for the courts, all court clerk’s offices shall make available the standardized forms, instructions, and informational brochures required by RCW 26.50.035 and shall fill in and keep current specific program names and telephone numbers for community resources. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) No filing fee may be charged for proceedings under this section. Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

**Sec. 13.** RCW 26.50.060 and 1995 c 246 s 7 are each amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:
(a) Restrain the respondent from committing acts of domestic violence;
(b) Exclude the respondent from the dwelling which the parties share, from the residence, workplace, or school of the petitioner, or from the day care or school of a child;
(c) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;
(d) Order the respondent to participate in batterers’ treatment;
(e) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;
(f) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney’s fee;
(g) Restrain the respondent from having any contact with the victim of domestic violence or the victim’s children or members of the victim’s household;
(h) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring;
(i) Consider the provisions of RCW 9.41.800;
(j) Order possession and use of essential personal effects. The court shall list the essential personal effects with sufficient specificity to make it clear which property is included; and
(k) Order use of a vehicle.
With regard to other relief, if the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioner’s family or household members or minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner’s family or household members or minor children when the order expires, the court may either grant relief for a fixed period or enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent’s minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09 or 26.26 RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123. If the court permits service by publication or mail, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner’s children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys’ fees as provided in subsection (1)(f) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service or service by publication or service by mail and whether the court has approved service by publication or mail of an order issued under this section.

(7) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court’s denial.

Sec. 14. RCW 26.50.070 and 1995 c 246 s 8 are each amended to read as follows:

(1) Where an application under this section alleges that irreparable injury could result from domestic violence if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary order for protection, pending a full hearing, and grant relief as the court deems proper, including an order:

(a) Restraining any party from committing acts of domestic violence;

(b) (Excluding) Restraining any party from going onto the grounds of or entering the dwelling (shared or from the residence of the other) that the parties share, from the residence, workplace, or school of the other, or from the day care or school of a child until further order of the court;

(c) Restraining any party from interfering with the other’s custody of the minor children or from removing the children from the jurisdiction of the court;

(d) Restraining any party from having any contact with the victim of domestic violence or the victim’s children or members of the victim’s household; and

(e) Considering the provisions of RCW 9.41.800.

(2) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

(3) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(4) An ex parte temporary order for protection shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 26.50.085 or by mail under RCW 26.50.123. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication or by mail is permitted. Except as provided in RCW 26.50.050, 26.50.085, and
26.50.123, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(5) Any order issued under this section shall contain the date and time of issuance and the expiration date and shall be entered into a state-wide judicial information system by the clerk of the court within one judicial day after issuance.

(6) If the court declines to issue an ex parte temporary order for protection the court shall state the particular reasons for the court’s denial. The court’s denial of a motion for an ex parte order of protection shall be filed with the court.

Sec. 15. RCW 26.50.100 and 1995 c 246 s 13 are each amended to read as follows:

(1) A copy of an order for protection granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order.

Upon receipt of the order, the law enforcement agency shall forthwith enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for the period stated in the order. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was personally served, served by publication, or served by mail.

Sec. 16. RCW 26.50.110 and 1995 c 246 s 14 are each amended to read as follows:

(1) Whenever an order for protection is granted under this chapter and the respondent or person to be restrained knows of the order, a violation of the restraint provisions or of a provision excluding the person from a residence, workplace, school, or day care is a gross misdemeanor. A third or subsequent conviction for violating an order for protection granted under this chapter is a class C felony punishable under chapter 9A.20 RCW. Upon conviction, and in addition to any other penalties provided by law, the court may require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter that restrains the person or excludes the person from a residence, workplace, school, or day care, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order for protection shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of a protective order issued under this chapter that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order for protection granted under this chapter, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

Sec. 17. RCW 26.50.115 and 1995 c 246 s 15 are each amended to read as follows:

(1) When the court issues an ex parte order pursuant to RCW 26.50.070 or an order of protection ((ordered issued)) pursuant to RCW 26.50.060, the court shall advise the petitioner that the respondent may not be subjected to the penalties set forth in RCW 26.50.110 for a violation of the order unless the respondent knows of the order.

(2) When a peace officer investigates a report of an alleged violation of an order for protection issued under this chapter the officer shall attempt to determine whether the respondent knew of the existence of the protection order. If the law enforcement officer determines that the respondent did not or probably did not know about the protection order and the officer is provided a current copy of the order, the officer shall serve the order on the respondent if the respondent is present. If the respondent is not present, the officer shall make reasonable efforts to serve a copy of the order on the respondent. If the officer serves the respondent with the petitioner’s copy of the order, the officer shall give petitioner a receipt indicating that petitioner’s copy has been served on the respondent. After the officer has served the order on the respondent, the officer shall enforce prospective compliance with the order.

(3) Presentation of an unexpired, certified copy of a protection order with proof of service is sufficient for a law enforcement officer to enforce ((the terms of)) the order regardless of the presence of the order in the law enforcement computer-based criminal intelligence information system."

The President declared the question before the Senate to be the motion by Senator Smith to not adopt the Committee on Law and Justice striking amendment to Engrossed House Bill No. 2472.

The motion by Senator Smith carried and the committee striking amendment was not adopted.
On motion of Senator Smith, the following amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.370 and 1989 c 124 s 2 are each amended to read as follows:

(1) The intersection of the column defined by the offender score and the row defined by the offense seriousness score determines the presumptive sentencing range (see RCW 9.94A.310, (Table 1)). The additional time for deadly weapon findings or for those offenses enumerated in RCW 9.94A.310(4) that were committed in a state correctional facility or county jail shall be added to the entire presumptive sentence range. The court may impose any sentence within the range that it deems appropriate. All presumptive sentence ranges are expressed in terms of total confinement.

(2) In determining any sentence, the trial court may rely on no more information than is admitted by the plea agreement, or admitted, acknowledged, or proved in a trial or at the time of sentencing. Acknowledgement includes not objecting to information stated in the presentence reports. Where the defendant disputes material facts, the court must either not consider the fact or grant an evidentiary hearing on the point. The facts shall be deemed proved at the hearing by a preponderance of the evidence. Facts that establish the elements of a more serious crime or additional crimes may not be used to go outside the presumptive sentence range except upon stipulation or when specifically provided for in RCW 9.94A.390(2) (c), (d), (f), and ((g)).

Sec. 2. RCW 9.94A.390 and 1995 c 316 s 2 are each amended to read as follows:

If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances
   (a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.
   (b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.
   (c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.
   (d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.
   (e) The defendant’s capacity to appreciate the wrongfulness of his or her conduct or to conform his or her conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).
   (f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.
   (g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.
   (h) The defendant or the defendant’s children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(2) Aggravating Circumstances
   (a) The defendant’s conduct during the commission of the current offense manifested deliberate cruelty to the victim.
   (b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.
   (c) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:
      (i) The current offense involved multiple victims or multiple incidents per victim;
      (ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;
      (iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time;
      (iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.
   (d) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:
      (i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;
      (ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;
cumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional);

(e) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

(f) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(g) The current offense involved domestic violence, as defined in RCW 10.99.020 and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim's or the offender's minor children under the age of eighteen years; or

(iii) The offender's conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(h) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(1) A person commits the crime of interfering with the reporting of domestic violence if the person:

(a) Commits a crime of domestic violence, as defined in RCW 10.99.020; and

(b) Prevents or attempts to prevent the victim of or a witness to that domestic violence crime from calling a 911 emergency communication system, obtaining medical assistance, or making a report to any law enforcement official.

The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim. If there is no contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which
the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under subsection (2) or (3) of this section is a gross misdemeanor except as provided in (b) and (c) of this subsection (4). Upon conviction and in addition to other penalties provided by law, the court may require that the defendant submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The court also may include a requirement that the defendant pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

The previous convictions may involve the same victim or other victims specifically protected by the no-contact orders or protection orders the offender violated.

(d) The written order releasing the person charged or arrested shall contain the court’s directives and shall bear the legend: “Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest; any assault or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites or allows you to violate the order’s prohibitions. You have the sole responsibility to avoid or refrain from violating the order’s provisions. Only the court can change the order.” A certified copy of the order shall be provided to the victim. If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed. Such orders need not be entered into the computer-based criminal intelligence information system in this state which is used by law enforcement agencies to list outstanding warrants.

(5) Whenever an order prohibiting contact is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

Sec. 8. RCW 10.99.050 and 1991 c 301 s 5 are each amended to read as follows:

(1) When a defendant is found guilty of a crime and a condition of the sentence restricts the defendant’s ability to have contact with the victim, such condition shall be recorded and a written certified copy of that order shall be provided to the victim.

(2) Willful violation of a court order issued under this section is a gross misdemeanor. Any assault that is a violation of an order issued under this section and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of a protective order issued under this section that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony. The previous convictions may involve the same victim or other victims specifically protected by the no-contact orders or protection orders the offender violated.

The written order shall contain the court’s directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest; any assault or reckless endangerment that is a violation of this order is a felony.

(3) Whenever an order prohibiting contact is issued pursuant to this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

  (a) Restrain the respondent from committing acts of domestic violence;
  (b) Exclude the respondent from the dwelling in which the parties share, from the residence, workplace, or school of the petitioner, or from the day care or school of a child;
  (c) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;
  (d) Order the respondent to participate in batterers' treatment;
  (e) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;

  (g) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household;
  (h) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring;
    (i) Consider the provisions of RCW 9.41.800;
    (j) Order possession and use of essential personal effects. The court shall list the essential personal effects with sufficient specificity to make it clear which property is included; and
    (k) Order use of a vehicle.

(2) If a restraining order restrains the respondent from contacting the respondent's minor children the restraint shall be for a fixed period not to exceed one year. This limitation is not applicable to orders for protection issued under chapter 26.09, 26.10, or 26.26 RCW. With regard to other relief, if the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioner's family or household members or minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner's family or household members or minor children when the order expires, the court may either grant relief for a fixed period or enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09 or 26.26 RCW.
(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123. If the court permits service by publication or mail, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner’s children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys’ fees as provided in subsection (1)(f) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service or service by publication, or service by mail and whether the court has approved service by publication or mail of an order issued under this section.

(7) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court’s denial.

Sec. 14. RCW 26.50.070 and 1995 c 246 s 8 are each amended to read as follows:

(1) Where an application under this section alleges that irreparable injury could result from domestic violence if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary order for protection, pending a full hearing, and grant relief as the court deems proper, including an order:

(a) Restraining any party from committing acts of domestic violence;

(b) Restraining any party from going onto the grounds of or entering the dwelling ((shared or from the residence of the other)) that the parties share, from the residence, workplace, or school of the other, or from the day care or school of a child until further order of the court;

(c) Restraining any party from interfering with the other’s custody of the minor children or from removing the children from the jurisdiction of the court;

(d) Restraining any party from having any contact with the victim of domestic violence or the victim’s children or members of the victim’s household; and

(e) Considering the provisions of RCW 9.41.800.

(2) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

(3) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(4) An ex parte temporary order for protection shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 26.50.085 or by mail under RCW 26.50.123. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication or by mail is permitted. Except as provided in RCW 26.50.050, 26.50.085, and 26.50.123, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(5) Any order issued under this section shall contain the date and time of issuance and the expiration date and shall be entered into a state-wide judicial information system by the clerk of the court within one judicial day after issuance.

(6) If the court declines to issue an ex parte temporary order for protection the court shall state the particular reasons for the court’s denial. The court’s denial of a motion for an ex parte order of protection shall be filed with the court.

Sec. 15. RCW 26.50.100 and 1995 c 246 s 13 are each amended to read as follows:

(1) A copy of an order for protection granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order.
Upon receipt of the order, the law enforcement agency shall forthwith enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for the period stated in the order. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

2. The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was personally served, served by publication, or served by mail.

Sec. 16. RCW 26.50.110 and 1995 c 246 s 14 are each amended to read as follows:

(1) Whenever an order for protection is granted under this chapter and the respondent or person to be restrained knows of the order, a violation of the restraint provisions or of a provision excluding the person from a residence, workplace, school, or day care is a gross misdemeanor except as provided in subsections (4) and (5) of this section. Upon conviction, and in addition to any other penalties provided by law, the court may require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter that restrains the person or excludes the person from a residence, workplace, school, or day care, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order for protection shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of a protective order issued under this chapter that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of an order issued under this chapter is a class C felony if the offender has at least two previous convictions for violating the provisions of a no-contact order issued under chapter 10.99 RCW, a domestic violence protection order issued under chapter 26.90, 26.10, or 26.26 RCW or this chapter, or any federal or out-of-state order that is comparable to a no-contact or protection order issued under Washington law. The previous convictions may involve the same victim or other victims specifically protected by the no-contact orders or protection orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order for protection granted under this chapter, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

Sec. 17. RCW 26.50.115 and 1995 c 246 s 15 are each amended to read as follows:

(1) When the court issues an ex parte order pursuant to RCW 26.50.070 or an order of protection (under RCW 26.50.060, the court shall advise the petitioner that the respondent may not be subjected to the penalties set forth in RCW 26.50.110 for a violation of the order unless the respondent knew of the order.

(2) When a peace officer investigates a report of an alleged violation of an order for protection issued under this chapter the officer shall attempt to determine whether the respondent knew of the existence of the protection order. If the law enforcement officer determines that the respondent did not or probably did not know about the protection order and the officer is provided a current copy of the order, the officer shall serve the order on the respondent if the respondent is present. If the respondent is not present, the officer shall make reasonable efforts to serve a copy of the order on the respondent. If the officer serves the respondent with the petitioner’s copy of the order, the officer shall give petitioner a receipt indicating that petitioner’s copy has been served on the respondent. After the officer has served the order on the respondent, the officer shall enforce prospective compliance with the order.

(3) Presentation of an unexpired, certified copy of a protection order with proof of service is sufficient for a law enforcement officer to enforce the terms of the order regardless of the presence of the order in the law enforcement computer-based criminal intelligence information system."

Upon two or more convictions of a person in a five-year period for violating salmon fishing rules of the [(director)] department which restrict fishing times or areas, the director shall deny all salmon fishing privileges and suspend all salmon fishing licenses of that person for one year. A person may not avoid this penalty by transferring a commercial salmon [(fishing)] fishery license.

For the purposes of this section, the term “conviction” means a final conviction in a state or municipal court. An unvacated forfeiture of bail or collateral deposited to secure the defendant’s appearance in court, the payment of a fine, a plea of guilty, or a finding of guilt on a violation of this title is equivalent to a conviction regardless of whether the imposition of sentence is deferred or the penalty is suspended.

Sec. 13. RCW 75.10.140 and 1990 c 163 s 7 are each amended to read as follows:

(1) In addition to the penalties prescribed in RCW 75.10.110 and 75.10.120, the director may revoke geoduck diver licenses held by a person if within a five-year period that person is convicted or has an unvacated bail forfeiture for two or more violations of this title or rules of the [(director)] department relating to geoduck licensing or harvesting.

(2) Except as provided in subsection (3) of this section, the director shall not issue a geoduck diver license to a person who has had a license revoked. This prohibition is effective for one year after the revocation.

(3) Appeals of revocations under this section may be taken under the judicial review provisions of chapter 34.05 RCW. If the license revocation is determined to be invalid, the director shall reissue the license to that person.

Sec. 14. RCW 75.10.150 and 1985 c 248 s 5 are each amended to read as follows:
Since violation of the rules of the department relating to the accounting of the commercial harvest of food fish and shellfish result in damage to the resources of the state, liability for damage to food fish and shellfish resources is imposed on a wholesale fish dealer for violation of a provision in chapter 75.28 RCW or a rule of the department related to the accounting of the commercial harvest of food fish and shellfish and shall be for the actual damages or for damages imposed as follows:

1. For violation of rules requiring the timely presentation to the department of documents relating to the accounting of commercial harvest, fifty dollars for each of the first fifteen documents in a series and ten dollars for each subsequent document in the same series. If documents relating to the accounting of commercial harvest of food fish and shellfish are lost or destroyed and the wholesale dealer notifies the department in writing within seven days of the loss or destruction, the director shall waive the requirement for timely presentation of the documents.

2. For violation of rules requiring accurate and legible information relating to species, value, harvest area, or amount of harvest, twenty-five dollars for each of the first five violations of this subsection following July 28, 1985, and fifty dollars for each violation after the first five violations.

3. For violations of rules requiring certain signatures, fifty dollars for each of the first two violations and one hundred dollars for each subsequent violation. For the purposes of this section, each signature is a separate requirement.

4. For other violations of rules relating to the accounting of the commercial harvest, fifty dollars for each separate violation.

**Sec. 15.** RCW 75.10.170 and 1990 c 63 s 5 are each amended to read as follows:

That suspension or revocation shall become effective on the date the director gives the notice prescribed in RCW 34.05.422(1)(c).

For the purposes of this section, the term "conviction" means a final conviction in a state or municipal court. An unvacated forfeiture of bail or collateral of more than two hundred fifty dollars deposited to secure the defendant's appearance in court, the payment of a fine, a plea of guilty, or a finding of guilt on a violation of this title is equivalent to a conviction regardless of whether the imposition of sentence is deferred or the penalty is suspended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 48.12.160 and 1994 c 86 s 1 are each amended to read as follows:

(1) Any insurance company organized under the laws of this state may take credit as an asset or as a deduction from loss or claim, unearned premium, or life policy or contract reserves on risks ceded to a reinsurer to the extent reinsured by an insurer or insurers holding a certificate of authority to transact that kind of business in this state. The credit on ceded risks reinsured by any insurer which is not authorized to transact business in this state may be taken:

(a) Where the reinsurer is a group including incorporated and unincorporated underwriters, and the group maintains a trust fund in a United States bank that is determined by the national association of insurance commissioners to meet credit standards for issuing letters of credit in connection with reinsurance, which trust fund must be in an amount equal to the group’s liabilities attributable to business written in the United States, and in addition, the group shall maintain a trusteed surplus of which one hundred million dollars shall be held jointly and exclusively for the benefit of United States ceding insurers of any member of the group; the incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group’s domiciliary regulator as are the unincorporated members; and the group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary regulator and its independent public accountants; ((48)(b))

(b) Where the reinsurer does not meet the definition of (a) of this subsection, the reinsurer maintains a trust fund in a United States bank that is determined by the national association of insurance commissioners to meet credit standards for issuing letters of credit in connection with reinsurance, which trust fund must be in an amount equal to the reinsurer’s liabilities attributable to reinsurance ceded by United States domiciled insurers, and in addition, the assuming insurer shall maintain a trusteed surplus of not less than twenty million dollars; or

(c) In an amount not exceeding:

(i) The amount of deposits by and funds withheld from the assuming insurer pursuant to express provision therefor in the reinsurance contract, as security for the payment of the obligations thereunder, if the deposits or funds are assets of the types and amounts that are authorized under chapter 48.13 RCW and are held subject to withdrawal by and under the control of the ceding insurer or if the deposits or funds are placed in trust for these purposes in a bank which is a member of the federal reserve system and withdrawals from the trust cannot be made without the consent of the ceding company; or

(ii) The amount of a clean, irrevocable, and unconditional letter of credit issued by a United States bank that is determined by the national association of insurance commissioners to meet credit standards for issuing letters of credit in connection with reinsurance, and issued for a term of at least one year with provisions that it must be renewed unless the bank gives notice of nonrenewal at least thirty days before the expiration issued under arrangements satisfactory to the commissioner of insurance as constituting security to the ceding insurer substantially equal to that of a deposit under ((48)(b)) (c)(i) of this subsection.

(2) Any reinsurance ceded by a company organized under the laws of this state or ceded by any company not organized under the laws of this state and transacting business in this state must be payable by the assuming insurer on the basis of liability of the ceding company under the contract or contracts reinsured without diminution because of the insolvency of the ceding company, and any such reinsurance agreement which may be canceled on less than ninety days notice must provide for a run-off of the reinsurance in force at the date of cancellation.
A reinsurance agreement may provide that the liquidator or receiver or statutory successor of an insolvent ceding insurer shall give written notice of the pendency of a claim against the insolvent ceding insurer on the policy or bond reinsured within a reasonable time after such claim is filed in the insolvency proceeding and that during the pendency of such claim any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses which it may deem available to the ceding insurer or its liquidator or receiver or statutory successor.

The expense thus incurred by the assuming insurer shall be chargeable subject to court approval against the insolvent ceding insurer as a part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer.

Where two or more assuming insurers are involved in the same claim and a majority in interest elect to interpose to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer.

NEW SECTION. Sec. 2. The provisions of section 1 of this act shall have no application until the adoption of implementing rules by the insurance commissioner. Prior to the adoption of implementing rules, the insurance commissioner shall conduct a study to determine the safety, soundness, and administrative feasibility of the practice set forth in section 1 of this act and report the findings of the study to the appropriate standing committees of the legislature by January 1, 1997. NEW SECTION. Sec. 1. The legislature recognizes that there has been considerable growth in the number of options available for on-site treatment and disposal of sewage in recent years, increasing the potential for development of sites in which conventional sewage systems will not work. The legislature finds that, despite these technological advances, barriers to wide-scale application of alternative systems exist. Therefore, it is the purpose of this act to streamline the permitting of on-site systems of sewerage, and to promote efficiency in the delivery of water quality and pollution prevention programs through service-oriented utilities.

NEW SECTION. Sec. 2. A new section is added to chapter 70.05 RCW to read as follows:

1. The local health officer must respond to the applicant for an on-site sewage system permit within thirty days after receiving a fully completed application, or within another time period as established by the jurisdictional board of health. The local health officer must respond by replying that the application is either approved, denied, or pending.

2. If the local health officer denies an application to install an on-site sewage system, the denial must be for cause and based upon public health and environmental protection concerns, including concerns regarding the ability to operate and maintain the system, or conflicts with other existing laws, rules, or ordinances. The local health officer must provide the applicant with a written justification for the denial, along with an explanation of the procedure for appeal.

3. If the local health officer identifies the application as pending and subject to review beyond the time established in subsection (1) of this section, the local health officer must provide the applicant with a written justification that the site-specific conditions or other circumstances necessitate a longer time period for a decision on the application. The local health officer must include any specific information necessary to make a decision. The local health officer must also include an estimate of the time that will be required for a decision on the application once the applicant has provided all necessary information.

4. A local health officer may not limit the number of alternative sewage systems within his or her jurisdiction without cause. Any such limitation must be based upon public health and environmental protection concerns, including concerns regarding the ability to operate and maintain the system, or conflicts with other existing laws, regulations, or ordinances. If such a limitation is established, the local health officer must justify the limitation in writing, with specific reasons, and must provide an explanation of the procedure for appealing the limitation.

NEW SECTION. Sec. 3. A new section is added to chapter 70.118 RCW to read as follows:

The department of health must include a person who is familiar with the operation and maintenance of certified proprietary devices on the technical review committee responsible for evaluating and making recommendations to the department of health regarding the general use of alternative on-site sewage systems in the state.

NEW SECTION. Sec. 4. A new section is added to chapter 56.04 RCW to read as follows:
NEW SECTION. Sec. 5. A new section is added to chapter 70.118 RCW to read as follows:

In order to assure that technical guidelines and standards keep pace with advancing technologies, the department of health, in collaboration with the technical review committee, local health departments, the certified proprietary device association, and other interested parties, must review and update as appropriate, the state guidelines and standards for alternative on-site sewage disposal every three years. The first review and update shall be completed by January 1, 1997.

The rates charged must be uniform for the same class of customers or service.

In classifying customers served or service, facilities, and programs furnished by such system of sewerage, the city or town legislative body may in its discretion consider any or all of the following factors: (1) The difference in cost of service, facilities, and programs to the various customers; (2) the location of the various customers within and without the city or town; (3) the difference in cost of maintenance, operation, implementation, repair, and replacement of the various parts of the system; (4) the different character of the service, facilities, and programs furnished various customers; (5) the quantity and quality of the sewage delivered and the time of its delivery; (6) the achievement of water conservation goals and the discouragement of wasteful water use practices; (7) capital contributions made to the system, including but not limited to,

A city or town may adjust or delay rates and charges and may provide other assistance to aid low-income persons in participating in programs and in complying with regulations imposed in connection with this chapter.

Under this chapter, after January 1, 1997, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained operator, trained owner’s agent, or trained owner. Training shall occur in a program approved by the state board of health or by a local health officer.

Before adopting an on-site inspection and maintenance utility program, or incorporating residences into an on-site inspection and maintenance or sewer utility under this chapter, notification shall be provided, prior to the applicable public hearing, to all residences within the proposed service area that have on-site systems permitted by the local health officer. The notice shall clearly state that the residence is within the proposed service area and shall provide information on estimated rates or charges that may be imposed for the service.

Sec. 8. RCW 35.92.020 and 1995 c 124 s 5 are each amended to read as follows:

Sec. 10. RCW 36.94.020 and 1981 c 313 s 1 are each amended to read as follows:

The construction, implementation, operation, and maintenance of a system of sewerage and/or water is a county purpose. Subject to the provisions of this chapter, every county has the power, individually or in conjunction with another county or counties to adopt, provide for, accept, establish, implement, condemn, purchase, construct, add to, operate, and maintain a system or systems of sanitary and storm sewers, including outfalls, interceptors, plans, and facilities and programs necessary for sewerage treatment and disposal, and/or system or systems of water supply within all or a portion of the county: PROVIDED, That counties shall not have power to condemn sewerage and/or water systems of any municipal corporation or private utility.

Such county or counties shall have the authority to control, regulate, implement, operate, and manage such system or systems and to provide funds therefor by general obligation bonds, revenue bonds, local improvement district bonds, utility local improvement district or local improvement district assessments, and in any other lawful fiscal manner. Rates or charges imposed under this chapter for on-site inspection and maintenance services shall reflect the allocable share of the cost of providing the program or service to the person or entity paying the charge, and may not be imposed on the development, construction, or reconstruction of property.

Under this chapter, after January 1, 1997, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained operator.
trained owner’s agent, or trained owner. Training shall occur in a program approved by the state board of health or by a local health officer.

Before adopting an on-site inspection and maintenance utility program, or incorporating residences into an on-site inspection and maintenance or sewer utility under this chapter, notification shall be provided, prior to the applicable public hearing, to all residences within the proposed service area that have on-site systems permitted by the local health officer. The notice shall clearly state that the residence is within the proposed service area and shall provide information on estimated rates or charges that may be imposed for the service.

A county may, as part of a system of sewerage established under this chapter, provide for, finance, and operate any of the facilities and programs and may exercise the powers expressly authorized for county storm water, flood control, pollution prevention, and drainage programs and activities under chapters 36.89, 86.12, 86.13, and 86.15 RCW. A county also may provide for, finance, and operate the facilities and programs and may exercise any of the powers authorized for aquifer protection areas under chapter 36.36 RCW; for lake management districts under chapter 36.61 RCW; for diking districts, and diking, drainage, and sewerage improvement districts under chapters 85.05, 85.08, 85.15, 85.16, and 85.18 RCW; and for shellfish protection districts under chapter 90.72 RCW. However, if a county by reference to any of those statutes assumes as part of its system of sewerage any powers granted to such areas or districts and not otherwise available to a county under this chapter, then (1) the procedures and restrictions applicable to those areas or districts shall apply to the county’s exercise of those powers, and (2) the county may not simultaneously impose rates and charges under this chapter and under the statutes authorizing such areas or districts for substantially the same programs and services, but must instead impose uniform rates and charges consistent with RCW 36.94.140. By agreement with such an area or district that is not part of a county’s system of sewerage, a county may operate that area’s or district’s programs or facilities, but a county may not dissolve any existing area or district except in accordance with any applicable provisions of the statute under which that area or district was created.

**Sec. 11.** RCW 36.94.140 and 1995 1st ex.s. c 57 s 2 are each amended to read as follows:

Every county, in the implementation and operation of a system of sewerage and/or water, shall have full jurisdiction and authority to manage, regulate, and control it and to fix, alter, regulate, and control the rates and charges for the service, facilities, and programs to those to whom such ((county)) service ((is)), facilities, and programs are available, and to levy charges for connection to the system. The rates for availability of service, facilities, programs, and connection charges so charged must be uniform for the same class of customers or service, facility, or program.

In classifying customers served, service furnished or made available by such system of sewerage and/or water, or the connection charges, the county legislative authority may consider any or all of the following factors:

1. The difference in cost of service to the various customers within or without the area;
2. The difference in cost of maintenance, operation, repair and replacement of the various parts of the systems;
3. The different character of the service, facilities, and programs furnished various customers;
4. The quantity and quality of the sewage and/or water delivered and the time of its delivery;
5. Capital contributions made to the system or systems, including, but not limited to, assessments;
6. The cost of acquiring the system or portions of the system in making system improvements necessary for the public health and safety;
7. The nonprofit public benefit status, as defined in RCW 24.03.490, of the land user; and
8. Any other matters which present a reasonable difference as a ground for distinction.

A county may adjust or delay rates and charges and may provide other assistance to aid low-income persons participating in programs and in complying with regulations imposed in connection with this chapter.

The service charges and rates shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for the efficient and proper operation of the system.

**NEW SECTION. Sec. 12.** A new section is added to chapter 35.58 RCW to read as follows:

A metropolitan municipal corporation authorized to perform water pollution abatement may exercise all the powers relating to systems of sewerage authorized by RCW 36.94.010, 36.94.020, and 36.94.140 for counties.

**NEW SECTION. Sec. 13.** A new section is added to chapter 35.21 RCW to read as follows:

The legislative authority of any city or town may exercise all the powers relating to systems of sewerage authorized by RCW 35.67.010 and 35.67.020.

**Sec. 14.** A new section is added to chapter 53.08 RCW to read as follows:

A port district may exercise all the powers relating to systems of sewerage authorized by RCW 54.16.230 for public utility districts.

**Sec. 15.** RCW 54.16.230 and 1975 1st ex.s. c 57 s 1 are each amended to read as follows:
A public utility district may acquire, construct, operate, maintain, and add to sewage systems, subject to and in compliance with the county comprehensive plan, under the general powers of Title 54 RCW or through the formation of local utility districts as provided in RCW 54.16.120 through 54.16.170: PROVIDED, That prior to engaging in any sewage system works as authorized by this section, the voters of the public utility district shall first approve by majority vote a referendum proposition authorizing such district to exercise the powers set forth in this section, which proposition shall be presented at a general election. A sewage system may include any or all of the following:

1. Sanitary sewage collection, treatment, and/or disposal facilities and programs, including without limitation on-site or off-site sewerage facilities such as approved on-site sewage systems, on-site sanitary sewerage systems, inspection programs and maintenance programs for public or private on-site systems, or any other means of sewage treatment and disposal;

2. Water quality education and public involvement programs for the protection of waters of the state, as defined under RCW 90.48.020, from pollution. Such education programs are limited to those that are directly related to the sewerage facilities and programs operated by a public utility district;

3. Point and nonpoint water pollution monitoring programs; and

4. Public restroom and sanitary facilities.

Rates or charges imposed under this chapter for on-site inspection and maintenance services shall reflect the allocable share of the cost of providing the program or service to the person or entity paying the charge, and may not be imposed on the development, construction, or reconstruction of property.

A public utility district may adjust or delay rates and charges and may provide other assistance to aid low-income persons in complying with rules imposed in connection with this section.

Under this chapter, after January 1, 1997, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained operator, trained owner’s agent, or trained owner. Training shall occur in a program approved by the state board of health or by a local health officer.

A sewer district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of sewer commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities and towns, insofar as consistent with the provisions of this title, except that all assessments or reassessment rolls required to be filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the district, and the duties devolving upon the city treasurer shall be imposed upon the county treasurer for the purposes hereof. A sewer district may construct, condemn and purchase, add to, maintain, and operate systems of sewers for the purpose of furnishing the district and inhabitants thereof with an adequate system of sewers for all uses and purposes, public and private, including but not limited to on-site sewage disposal facilities, approved septic tanks or approved septic tank systems, on-site sanitary sewerage systems, inspection programs and maintenance programs for private and public on-site systems, other facilities, programs, and systems for the collection, interception, treatment, and disposal of wastewater, and for the control of pollution from wastewater and for the protection, preservation, and rehabilitation of surface and underground waters, facilities for the drainage of storm or surface waters, public highways, streets, and roads with full authority to regulate the use, implementation, and operation thereof and the service rates to be charged and may construct, acquire, or own buildings and other necessary district facilities. A sewer district may provide water quality education and public involvement programs for protection of waters of the state, as defined under RCW 90.48.020, from pollution. Such education programs are limited to those that are directly related to the sewerage facilities and programs operated by a sewer district. Under this chapter, after January 1, 1997, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained operator, trained owner’s agent, or trained owner. Training shall occur in a program approved by the state board of health or by a local health officer. Such sewage facilities may include facilities which result in combined sewage disposal, treatment, or drainage
and electric generation, provided that the electricity generated thereby is a byproduct of the system of sewers. Such electricity may be used by the sewer district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of sewage disposal, treatment, or drainage. For such purposes a district may conduct sewage throughout the district and throughout other political subdivisions within the district, and construct and lay sewer pipe along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such sewer pipe. A district may erect sewage treatment plants, within or without the district, and may acquire by purchase or condemnation, properties or privileges necessary to be had to protect any lakes, rivers, or watercourses and also other areas of land from pollution, from its sewers or its sewage treatment plant. For the purposes of sewage facilities which include facilities which result in combined sewage disposal, treatment, or drainage and electric generation where the electric generation is a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner. A district may charge property owners seeking to connect to the district system of sewers, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system. For purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants.

The connection charge may include interest charges applied from the date of construction of the sewer system until the connection, or for a period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the sewer system, or at the time of installation of the sewer lines to which the property owner is seeking to connect.

A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars per parcel for each year for the treasurer’s services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer. A district may compel all property owners within the sewer district located within an area served by the district system of sewers to connect their private drain and sewer systems with the district system under such penalty as the sewer commissioners shall prescribe by resolution. The district may for such purpose enter upon private property and connect the private drains or sewers with the district system and the cost thereof shall be charged against the property owner and shall be a lien upon property served.

Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule. Rates or charges imposed under this chapter for on-site inspection and maintenance services shall reflect the allocable share of the cost of providing the program or service to the person or entity paying the charge, and may not be imposed on the development, construction, or reconstruction of property.

Before adopting an on-site inspection and maintenance utility program, or incorporating residences into an on-site inspection and maintenance or sewer utility under this chapter, notification shall be provided prior to the applicable public hearing, to all residences within the proposed service area that have on-site systems permitted by the local health officer. The notice shall clearly state that the residence is within the proposed service area and shall provide information on estimated rates or charges that may be imposed for the service.

**Sec. 17.** RCW 56.08.020 and 1990 1st ex.s. c 17 s 34 are each amended to read as follows:

The sewer commissioners before ordering any improvements hereunder or submitting to vote any proposition for incurring indebtedness shall adopt a general comprehensive plan for a system of sewers for the district. They shall investigate all portions and sections of the district and select a general comprehensive plan for a system of sewers for the district suitable and adequate for present and reasonably foreseeable future needs thereof. The general comprehensive plan shall provide for treatment plants and other methods and programs, if any, for the prevention, control, and reduction of water pollution and for the treatment and disposal of sewage and industrial and other liquid wastes now produced or which may reasonably be expected to be produced within the district and shall, for such portions of the district as may then reasonably be served, provide for the acquisition or construction and installation of laterals, trunk sewers, intercepting sewers, syphons, pumping stations, or other sewage collection facilities. The general comprehensive plan shall provide the method of distributing the cost and expense of the sewer system and programs provided therein against the district and against utility local improvement districts within the district, including any utility local improvement district lying wholly or partially within any other political subdivision included in the district; and provide whether the whole or some part of the cost and expenses shall be paid from
sewer revenue bonds. The commissioners may employ such engineering and legal services as they deem necessary in carrying out the purposes hereof.

The general comprehensive plan shall be adopted by resolution and submitted to an engineer designated by the legislative authority of the county in which fifty-one percent or more of the area of the district is located, and to the director of health of the county in which the district or any portion thereof is located, and must be approved in writing by the engineer and director of health. The general comprehensive plan shall be approved, conditionally approved, or rejected by the director of health within sixty days of the plan’s receipt and by the designated engineer within sixty days of the plan’s receipt. However, this sixty-day time limitation may be extended by the director of health or engineer for up to an additional sixty days if sufficient time is not available to review adequately the general comprehensive plans.

Before becoming effective, the general comprehensive plan shall also be submitted to, and approved by resolution of, the legislative authority of every county within whose boundaries all or a portion of the sewer district lies. The general comprehensive plan shall be approved, conditionally approved, or rejected by each of these county legislative authorities pursuant to the criteria in RCW 56.02.060 for approving the formation, reorganization, annexation, consolidation, or merger of sewer districts, and the resolution, ordinance, or motion of the legislative body which rejects the comprehensive plan or a part thereof shall specifically state in what particular the comprehensive plan or part thereof rejected fails to meet these criteria. The general comprehensive plan shall not provide for the extension or location of facilities that are inconsistent with the requirements of RCW 36.70A.110. Nothing in this chapter shall preclude a county from rejecting a proposed plan because it is in conflict with the criteria in RCW 56.02.060. Each general comprehensive plan shall be deemed approved if the county legislative authority fails to reject or conditionally approve the plan within ninety days of submission to the county legislative authority or within thirty days of a hearing on the plan when the hearing is held within ninety days of the plan’s submission to the county legislative authority. However, a county legislative authority may extend this ninety-day time limitation by up to an additional ninety days where a finding is made that ninety days is insufficient to review adequately the general comprehensive plan. In addition, the sewer commissioners and the county legislative authority may mutually agree to an extension of the deadlines in this section.

If the district includes portions or all of one or more cities or towns, the general comprehensive plan shall be submitted also to, and approved by resolution of, the governing body of such cities and towns before becoming effective. The general comprehensive plan shall be deemed approved by the city or town governing body if the city or town governing body fails to reject or conditionally approve the plan within ninety days of the plan’s submission to the city or town or within thirty days of a hearing on the plan when the hearing is held within ninety days of submission to the county legislative authority. However, a city or town governing body may extend this time limitation by up to an additional ninety days where a finding is made that insufficient time exists to adequately review the general comprehensive plan within these time limitations. In addition, the sewer commissioners and the city or town governing body may mutually agree to an extension of the deadlines in this section.

Before becoming effective, any amendment to, alteration of, or addition to, a general comprehensive plan shall also be subject to such approval as if it were a new general comprehensive plan: PROVIDED, That only if the amendment, alteration, or addition, affects a particular city or town, shall the amendment, alteration, or addition be subject to approval by such particular city or town governing body.

Sec. 18. RCW 56.16.090 and 1991 c 347 s 19 are each amended to read as follows:

The sewer commissioners of any sewer district, in the event that such sewer revenue bonds are issued, shall provide for revenues by fixing rates and charges for the furnishing of sewerage disposal service, facilities, and programs to those to whom such service is available. Such rates and charges may be combined for the furnishing of more than one type of sewer service, facility, and program such as but not limited to storm or surface water and sanitary. Such rates and charges are to be fixed as deemed necessary by such sewer commissioners, so that uniform charges will be made for the same class of customer or service, facility, and program.

In classifying customers served or service, facility, or program furnished by such system of sewerage, the board of commissioners may in its discretion consider any or all of the following factors: The difference in cost (of service) to the various customers; the location of the various customers within and without the district; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service, facility, or program furnished various customers; the quantity and quality of the sewage delivered and the time of its delivery; the achievement of water conservation goals and the discouragement of wasteful water use practices; capital contributions made to the system including but not limited to assessments; and any other matters which present a reasonable difference as a ground for distinction. Such rates are to be made on a monthly basis and shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for efficient and proper operation of the system.
Sec. 19. RCW 57.08.065 and 1981 c 45 s 11 are each amended to read as follows:

In addition to the powers now given water districts by law, they shall also have power to establish, maintain and operate a mutual water and (sanitary sewerage) system or a separate (sanitary sewerage) system of sewerage within their water district area in the same manner as provided by law for the doing thereof in connection with water supply systems.

In addition thereto, a water district constructing, maintaining (and), operating, and implementing a (sanitary sewerage) system of sewerage may exercise all the powers permitted to a sewer district under Title 56 RCW, including, but not limited to, the right to compel connections to the district’s system, lien for delinquent sewer connection charges or sewer service charges, and all other powers presently exercised by or which may be hereafter granted to such sewer districts: PROVIDED, That a water district may not exercise sewer district powers in any area within its boundaries which is part of an existing district which previously shall have been duly authorized to exercise sewer district powers in such area without the consent by resolution of the board of commissioners of such other district: PROVIDED FURTHER, That no water district shall proceed to exercise the powers herein granted to establish, maintain, construct and operate any (sanitary sewerage) system of sewerage without first obtaining written approval and certification of necessity so to do from the department of ecology and department of (social and) health ((services)). Any comprehensive plan for a system of sewers or addition thereto or betterment thereof shall be approved by the same county and state officials as are required to approve such plans adopted by a sewer district.

A water district shall have the power to issue general obligation bonds for sewer system purposes: PROVIDED, That a proposition to authorize general obligation bonds payable from excess tax levies for sewer system purposes pursuant to chapter 56.16 RCW shall be submitted to all of the qualified voters within that part of the water district which is not contained within another existing district duly authorized to exercise sewer district powers, and the taxes to pay the principal of and interest on the bonds approved by such voters shall be levied only upon all of the taxable property within such part of the water district.

Sec. 20. RCW 90.72.040 and 1992 c 100 s 3 are each amended to read as follows:

(1) The county legislative authority may create a shellfish protection district on its own motion or by submitting the question to the voters of the proposed district and obtaining the approval of a majority of those voting. The boundaries of the district shall be determined by the legislative authority. The legislative authority may create more than one district. A district may include any area or areas within the county, whether incorporated or unincorporated. Counties shall coordinate and cooperate with cities, towns, and water-related special districts within their boundaries in establishing shellfish protection districts and carrying out shellfish protection programs. Where a portion of the proposed district lies within an incorporated area, the county shall develop procedures for the participation of the city or town in the determination of the boundaries of the district and the administration of the district, including funding of the district’s programs. The legislative authority of more than one county may by agreement provide for the creation of a district including areas within each of those counties. County legislative authorities are encouraged to coordinate their plans and programs to protect shellfish growing areas, especially where shellfish growing areas are located within the boundaries of more than one county. The legislative authority or authorities creating a district may abolish a shellfish protection district on its or their own motion or by submitting the question to the voters of the district and obtaining the approval of a majority of those voting.

(2) If the county legislative authority creates a shellfish protection district by its own motion, any registered voter residing within the boundaries of the shellfish protection district may file a referendum petition to repeal the ordinance that created the district. Any referendum petition to repeal the ordinance creating the shellfish protection district shall be filed with the county auditor within seven days of passage of the ordinance. Within ten days of the filing of a petition, the county auditor shall confer with the petitioner concerning form and style of the petition, issue an identification number for the petition, and write a ballot title for the measure. The ballot title shall be posed as a question so that an affirmative answer to the question and an affirmative vote on the measure results in creation of the shellfish protection district and a negative answer to the question and a negative vote on the measure results in the shellfish protection district not being created. The petitioner shall be notified of the identification number and ballot title within this ten-day period.

After this notification, the petitioner shall have thirty days in which to secure on petition forms the signatures of not less than twenty-five percent of the registered voters residing within the boundaries of the shellfish protection district and file the signed petitions with the county auditor. Each petition form shall contain the ballot title and full text of the measure to be referred. The county auditor shall verify the sufficiency of the signatures on the petitions. If sufficient valid signatures are properly submitted, the county auditor shall submit the referendum measure to the registered voters residing in the shellfish protection district in a special election no later than one hundred twenty days after the signed petition has been filed with the county auditor. The special election may be conducted by mail ballot as provided for in chapter 29.36 RCW.
(3) The county legislative authority shall not impose fees, rates, or charges for shellfish protection district programs upon properties on which fees, rates, or charges are imposed ((to pay for another program to eliminate or decrease contamination in storm water runoff)) under chapter 36.89 or 36.94 RCW for substantially the same programs and services.

NEW SECTION. Sec. 21. Nothing in this act may be deemed to eliminate any requirements for approval from public health agencies under applicable law in connection with the siting, design, construction, and repair of on-site septic systems.”

Senator Sheldon moved that the following amendments by Senators Sheldon and Fraser to the Committee on Ecology and Parks striking amendment be considered simultaneously and be adopted:

On page 12, line 17, after "works" delete "as authorized by this section" and insert "((as authorized by this section) as defined under subsection (1) of this section.)"

On page 12, line 20, after "in" insert "subsection (1) of".

On page 13, after line 21, insert the following:

"Sec. 13. RCW 54.16.240 and 1975 1st ex.s. c 57 s 2 are each amended to read as follows:

The commission of a public utility district, by resolution may, or on petition in the same manner as provided for the creation of a district under RCW 54.08.010 shall, submit to the voters for their approval or rejection the proposal that (said) the public utility district be authorized to exercise the powers set forth in RCW 54.16.230 for which an election is required."

Renumber the sections consecutively and correct any internal references accordingly.

POINT OF ORDER

Senator McDonald: "Mr. President, I rise to a point of order. I want to raise the question of scope and object of the committee striking amendment. Is it timely at this point or should we allow Senator Sheldon to offer her amendments?"

REPLY BY THE PRESIDENT

President Pritchard: "It is timely."

Senator McDonald: "Mr. President, I wish to rise to a point of order to raise the scope and object on the committee amendment. It has been offered by the Committee on Ecology and Parks. Substitute House Bill No. 2248 is a measure which addresses on-site septic systems and the acceptance of local health departments of new and alternative technology.

"The purpose of the bill is simple and straight forward. It is designed to get new and superior technology on the ground now. The amendment expands the scope and object of the underlying bill by expanding the authority granted to operators of sewer systems. This adds authority including allowing cities, counties, sewer districts and public utility districts to conduct on-site systems inspection and maintenance programs. Additionally, counties are authorized to coordinate existing water quality-related programs, such as shell fish protection districts, as part of the sewer utility services. Further, sewer utility services may also include water pollution monitoring programs, water quality education programs and public restrooms.

"One more point to note, Mr. President, is the bill went from a simple four page bill to a rather complex twenty-two page bill with this amendment. Therefore, the amendment clearly violates Article II, Section 38 of the Washington Constitution by expanding the scope and object of the underlying bill."

Further debate ensued.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator McDonald, the President does believe that the committee amendment goes far beyond the original bill and that Senator McDonald's point of order is well taken."

The Committee on Ecology and Parks striking amendment, as well as the two amendments on page 12, and the amendment on page 13 to the committee striking amendment to Substitute House Bill No. 2248 were ruled out of order.

MOTION

On motion of Senator Spanel, further consideration of Substitute House Bill No. 2248 was deferred.
There being no objection, the Senate resumed consideration of Engrossed House Bill No. 2837 and the pending Committee on Health and Long-Term Care striking amendment, deferred earlier today.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Johnson, the President finds that Engrossed House Bill No. 2837 is a measure which excludes labor organization policies or contracts from the definition of supplemental medicare insurance and conforms the reference to federal statutes to match recent federal changes.

"The Committee on Health and Long-Term Care amendment would restore the labor organizations, conform the definition and also provides subsidies to offset supplemental insurance premiums for certain individuals, and directs the State Health Care Authority to design a prescription drug insurance plan for state residents enrolled in medicare.

"The President, therefore, finds that the proposed committee amendment does change the scope and object of the bill and the point of order is well taken."

The Committee on Health and Long-Term Care striking amendment to Engrossed House Bill No. 2837 was ruled out of order.

MOTION

Senator Wojahn moved that the following amendment by Senators Wojahn, Winsley, Quigley, Fairley, Moyer, Franklin and Thibaudou be adopted:

On page 3, after line 3, insert the following:

"Sec. 2. RCW 48.14.0201 and 1993 sp.s. c 25 s 601 are each amended to read as follows:

(1) As used in this section, "taxpayer" means a health maintenance organization, as defined in RCW 48.46.020, or a health care service contractor, as defined in RCW 48.44.010, or a certified health plan certified under RCW 48.43.030.

(2) Each taxpayer shall pay a tax on or before the first day of March of each year to the state treasurer through the insurance commissioner’s office. The tax shall be equal to the total amount of all premiums and prepayments for health care services received by the taxpayer during the preceding calendar year multiplied by the rate of two percent.

(3) Taxpayers shall prepay their tax obligations under this section. The minimum amount of the prepayments shall be percentages of the taxpayer’s tax obligation for the preceding calendar year recomputed using the rate in effect for the current year. For the prepayment of taxes due during the first calendar year, the minimum amount of the prepayments shall be percentages of the taxpayer’s tax obligation that would have been due had the tax been in effect during the previous calendar year. The tax prepayments shall be paid to the state treasurer through the commissioner’s office by the due dates and in the following amounts:

(a) On or before June 15, forty-five percent;
(b) On or before September 15, twenty-five percent;
(c) On or before December 15, twenty-five percent.

(4) For good cause demonstrated in writing, the commissioner may approve an amount smaller than the preceding calendar year’s tax obligation as recomputed for calculating the health maintenance organization’s, health care service contractor’s, or certified health plan’s prepayment obligations for the current tax year.

(5) Moneys collected under this section shall be deposited in the general fund through March 31, 1996, and in the health services account under RCW 43.72.900 after March 31, 1996.

(6) The taxes imposed in this section do not apply to:

(a) Amounts received by any taxpayer from the United States or any instrumentality thereof as prepayments for health care services provided under Title XVIII (medicare) of the federal social security act. This exemption shall expire July 1, 1998.

(b) Amounts received by any health care service contractor, as defined in RCW 48.44.010, as prepayments for health care services included within the definition of practice of dentistry under RCW 18.32.020. This exemption does not apply to amounts received under a certified health plan certified under RCW 48.43.030."

Renumber the remaining section consecutively.

POINT OF ORDER
Senator West: "Thank you, Mr. President. I rise to a point of order. I challenge the scope and object of the amendment by Senators Wojahn, Winsley, Quigley, Fairley, Moyer, Franklin and Thibaudeau. The underlying bill, Engrossed House Bill No. 2837, is a bill that takes labor organizations funds out of the definition section and redefines this to comply with 42 USC Code. This amendment is a tax exemption that doesn’t relate at all to this definitional section and is way far beyond the scope and object of the bill."

Further debate ensued.

SUBSTITUTE HOUSE BILL NO. 2580, by House Committee on Corrections (originally sponsored by Representatives Costa, Ballasiotes, Sheahan, Murray, Hickel, Cooke, Conway and Boldt)

Extending the period of time that a victim of crime may collect restitution from a juvenile.

The bill was read the second time.

MOTIONS

Senator Hargrove moved that the following Committee on Human Services and Corrections amendment be adopted: Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.40.080 and 1994 sp.s. c 7 s 544 are each amended to read as follows:
A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

A diversion agreement shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;
(b) Restitution limited to the amount of actual loss incurred by the victim, and ((to an amount the juvenile has the means or potential means to pay)) not to exceed seven hundred fifty dollars to be eligible for diversion;
(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; and life skills. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversionary unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions;
(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed; and
(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas.

In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian and victims who have contacted the diversionary unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee. Any restitution assessed during its term may not exceed ((an amount which the juvenile could be reasonably expected to pay during this period)) seven hundred fifty dollars. The diversion unit shall refer the case for prosecution if restitution for the offense will exceed seven hundred fifty dollars. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;
(b) Violation of the terms of the agreement shall be the only grounds for termination;
(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and
(ii) Disclosure of all evidence to be offered against the divertee;
(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;
(ii) The right to confront and cross-examine all adverse witnesses;
(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and
(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement.
(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or
(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(7) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(8) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

(9) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

(10) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile’s criminal history as defined by RCW 13.40.020(9). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(11) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;
(b) The fact that a diversion agreement was entered into;
(c) The juvenile’s obligations under such agreement;
(d) Whether the alleged offender performed his or her obligations under such agreement; and
(e) The facts of the alleged offense.

(12) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. When a diversionary unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(13) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit’s authority to counsel and release a juvenile under this subsection shall include the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile’s criminal history as defined by RCW 13.40.020(9). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversionary unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(14) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile’s eighteenth birthday and which includes a period extending beyond the divertee’s eighteenth birthday.

(15) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(16) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section."

On motion of Senator Hargrove, the following amendments by Senators Hargrove and Long to the Committee on Human Services and Corrections striking amendment were considered simultaneously and were adopted:
On page 1, beginning on line 22 of the amendment, after "victim" strike all material through "diversion" on line 24, and insert "((and to an amount the juvenile has the means or potential means to pay))"

On page 2, beginning on line 19 of the amendment, after "(4)" strike all material through "months." on line 28, and insert "(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee. ((Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period))

(b) If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. If the court determines that the juvenile does not have the means to make full restitution over a shorter period, the court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (4)(c), the juvenile shall not be subject to the court’s jurisdiction for a maximum term of ten years after the juvenile’s eighteenth birthday. The court may not require the juvenile to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order."

On page 5, after line 27 of the amendment, insert the following:

"Sec. 2. RCW 13.40.190 and 1995 c 33 s 5 are each amended to read as follows:

(1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor’s recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. If the court finds that the respondent has reasonable means to pay the restitution, the court may order the respondent to pay restitution over a shorter period. ((In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived.))

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims’ compensation act, chapter 7.68 RCW. If the court does not order restitution, the court shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(4) A respondent under obligation to pay restitution may petition the court for modification of the restitution order."
