(3) Data regarding the different characteristics of schools, such as poverty levels, percent of English as a second language students, drop-out rates, attendance, percent of students in special education, and student mobility shall also be reported so that districts and schools can learn from the improvement efforts of other schools and districts with similar characteristics.

(4) To protect the privacy of students, the results of schools and districts that test fewer than ten students in a grade level shall not be reported. In addition, in order to ensure that results are reported accurately, the superintendent of public instruction shall maintain the confidentiality of state-wide data files until the superintendent determines that the data are complete and accurate.

(5) The superintendent of public instruction shall monitor the percentage and number of special education and limited English-proficient students exempted from taking the assessments by schools and school districts to ensure the exemptions are in compliance with exemption guidelines.

\[\text{NEW SECTION, Sec. 302. DISTRICT REPORTS.} \]

(1) Each school district board of directors shall:

(a) Annually report to parents and to the community in a public meeting and twice annually report in writing the following information:

(i) District-wide and school-level three-year goals;
(ii) Student performance relative to the goals; and
(iii) District-wide and school-level plans to achieve the reading goal in kindergarten through fourth grade, including curriculum and instruction, parental or guardian involvement, and resources available to parents and guardians to help students meet the reading standard;

(b) Report annually in a news release to the local media the district's progress toward meeting the district-wide and school-level goals; and

(c) Include the school-level goals, student performance relative to the goals, and a summary of school-level plans to achieve the goals in each school's annual school performance report under RCW 28A.320.205. This shall be considered one of the twice-annual written reports required in (a) of this subsection.

(2) Schools and school districts in which ten or fewer students are eligible to be assessed in a grade level are not required to establish or report numerical improvement goals and performance relative to the goals, but are required to report to parents and the community their plans to improve reading achievement in kindergarten through fourth grade as required in subsection (1)(a)(iii) of this section.

\[\text{Sec. 303. RCW 28A.320.205 and 1993 c 336 s 1006 are each amended to read as follows:} \]

(1) Beginning with the 1994-95 school year, to provide the local community and electorate with access to information on the educational programs in the schools in the district, each school shall publish annually a school performance report and deliver the report to each parent with children enrolled in the school and make the report available to the community served by the school. The annual performance report shall be in a form that can be easily understood and be used by parents, guardians, and other members of the community who are not professional educators to make informed educational decisions. As data from the assessments in RCW 28A.630.885 (as recodified by this act) becomes available, the annual performance report should enable parents, educators, and school board members to determine whether students in the district's schools are attaining mastery of the student learning goals under RCW 28A.150.210, and other important facts about the schools' performance in assisting students to learn. The annual report shall make comparisons to a school's performance in preceding years and shall ((project goals in performance categories)) include school level goals under RCW 28A.630.887 (as recodified by this act), student performance relative to the goals, and information regarding school-level plans to achieve the goals.

(2) The annual performance report shall include, but not be limited to: A brief statement of the mission of the school and the school district; enrollment statistics including student demographics; expenditures per pupil for the school year; a summary of student scores on all mandated tests; a concise annual budget report; student attendance, graduation, and dropout rates; information regarding the use and condition of the school building or buildings; a brief description of ((the restructuring)) learning improvement plans for the school; and an invitation to all parents and citizens to participate in school activities.

(3) The superintendent of public instruction shall develop by June 30, 1994, a model report form, which shall also be adapted for computers, that schools may use to meet the requirements of subsections (1) and (2) of this section.

"INTENT

NEW SECTION. Sec. 1. INTENT. The legislature finds that the purpose of Washington's accountability system is to improve student learning and student achievement of the essential academic learning requirement standards so that each individual student will be given the opportunity to become a responsible citizen and successfully live, learn, and work in the twenty-first century. To achieve this purpose, the accountability system should be based on continuous improvement at all levels of Washington's education system and on a fundamental principle that all students have access to curriculum and instruction that is aligned to the standards.

The legislature further finds that the accountability system should rely on local responsibility and leadership. Districts and schools should be expected to improve and be evaluated based on their improvement over time. Districts should recognize exceptional progress and work closely with struggling schools. The state should provide technical assistance and expertise where needed.

The legislature further finds that the accountability system must be simple to use and understand. Consequences must be predictable and fair. Differences among students, schools, and districts should be recognized and respected as the system is implemented. There should be a balance of each student's right to privacy and the public's right to know the overall levels of learning and achievement at the school, district, and state levels. In addition, the accountability system should be continuously reviewed and improved as more is learned about how schools operate to meet the learning needs of Washington's students.

PART 1

OVERSIGHT OF THE ACCOUNTABILITY SYSTEM

NEW SECTION. Sec. 101. COMPOSITION OF THE COMMISSION. (1) The Washington commission on academic achievement is hereby established. The primary purpose of the commission is to provide oversight of the accountability system.

(2) The commission shall include one member of the state board of education, the superintendent of public instruction, and seven members appointed by the governor. All appointments shall be made by July 1, 1999. The governor shall appoint a chair from the commission members, and fill any vacancies in gubernatorial appointments that may occur. Gubernatorial and state board appointees shall serve for a term of four years. However, four of the initial seven gubernatorial appointments and the state board appointee shall serve two-year terms. Appointees may be reappointed to serve more than one term. The state board of education shall fill any vacancies of the state board of education appointment that may occur. Of the appointments made by the governor, one shall be from a list of names submitted by the superintendent of public instruction. In making the appointments, educators, business leaders, and parents shall be represented, and nominations from state-wide education, business, and parent organizations shall be requested. Efforts shall be made to ensure that the commission reflects the racial and ethnic diversity of the state's K-12 student population and that the major geographic regions in the state are represented. Appointees shall be
qualified individuals who are supportive of educational improvement and accountability, who have a positive record of service, and who will devote sufficient time to the responsibilities of the commission to ensure that the objectives of the commission are achieved.

NEW SECTION. Sec. 102. DUTIES OF THE COMMISSION. (1) For purposes of state-wide accountability, the commission shall:
   (a) Establish goals for reading, writing, communications, and mathematics at the appropriate grade level as the commission deems appropriate to improve student learning when assessments in reading, writing, communications, and mathematics are required to be administered state-wide. In setting high school goals, the commission shall consider the percent of students achieving a certificate of mastery and a reduction in dropout rates. The commission may revise the state-wide accountability goals as necessary. The commission shall adopt the goals by rule. Before adopting or revising the rules, the commission shall present the goals to the education committees of the senate and the house of representatives for review and comment;
   (b) Develop criteria for deciding when it is appropriate for the commission to make recommendations to the superintendent about assistance and recognition;
   (c) Review data and make recommendations to the superintendent of public instruction about school districts requiring school assistance and recognition;
   (d) Submit recommendations to the superintendent of public instruction about appropriate assistance and recognition;
   (e) Develop recommendations to the legislature about criteria for deciding when it is appropriate for the commission to make recommendations for interventions and recommendations for appropriate types of interventions.
   (f) Annually review the reporting system to ensure fairness, accuracy, timeliness, and equity of opportunity, especially with regard to schools with special circumstances and unique populations of students, and recommend to the superintendent of public instruction needed improvements;
   (g) Recommend changes to the superintendent and the legislature regarding accountability policy and legislation, as necessary;
   (h) Report annually by December 1st to the legislature, the governor, the superintendent of public instruction, and the state board of education on the progress, findings, and recommendations of the commission;
   (i) By December 1, 2000, and by December 31st annually thereafter, report to the education committees of the house of representatives and the senate on the progress that has been made in achieving the goals, and on the setting of goals and progress in achieving goals; and
   (j) Make recommendations to the legislature and take other actions necessary or desirable to help students meet the student learning goals.
(2) The commission shall coordinate its activities with the state board of education and the office of the superintendent of public instruction.
(3) The commission shall seek advice broadly from the public and all interested educational organizations in the conduct of its work, including holding periodic regional public hearings.
(4) The commission may hire an executive director and staff to perform the duties in support of the activities of the commission. The office of the superintendent of public instruction shall provide administrative oversight and be the fiscal agent for the commission. The commission may direct the office of the superintendent of public instruction to enter into subcontracts, within the commission's resources, with school districts, teachers, higher education faculty, state agencies, business organizations, and other individuals and organizations to assist the commission in its deliberations.
(5) Members of the commission shall be reimbursed for per diem and travel expenses as provided in RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 103. RECOGNITION. (1) The commission on academic achievement annually shall make recommendations to the superintendent of public instruction on school districts and schools that should be recognized based on the results of the Washington assessment of student learning. The commission shall develop the criteria for selecting districts and schools for recognition. Recognition shall be given to schools and school districts that have achieved exceptional growth:
   (a) As measured by an increase in the percent of students meeting standards. The level of achievement required for recognition shall be based on the achievement goals established by the legislature and the commission on academic achievement under RCW 28A.630.887 (as recodified by this act);
   (b) As measured by an improvement index that measures improvement in all levels of the assessment; and
   (c) Despite challenges such as high levels of mobility, poverty, English as a second language learners, and large numbers of students in special populations as measured by either the percent of students meeting the standard, or the improvement index.
When determining the baseline year or years for recognizing individual schools, the commission may use the assessment results from the initial years the assessments were administered, if doing so with individual schools would be appropriate.

NEW SECTION. Sec. 104. INTERVENTION. (1) Improved student learning depends on the initiative of educators, parents, and students in each school, the school's local community, and state support. Schools should take responsibility for their own improvement while also having access to assistance from school districts, educational service districts, and the state.

(2) School districts have primary responsibility for intervening in schools with large numbers of students who are not achieving the essential academic learning requirements. In some cases, school district intervention may not prove successful. Beginning in the 2001-02 school year, continuing levels of low achievement in elementary schools in which there is little or no improvement shall trigger an evaluation by the commission on academic achievement. The purpose of the evaluation is to decide whether to initiate additional state-level assistance. For middle and high schools, the evaluation shall occur three years after assessments are required state-wide. When making recommendations to the superintendent of public instruction regarding additional state-level assistance, the commission on academic achievement shall use multiple sources of information including:

(a) The results of the Washington assessment of student learning;
(b) Student achievement evidence from district or other state assessments;
(c) The level of improvement in student achievement over time;
(d) Student mobility and poverty;
(e) Attendance and dropout rates;
(f) Graduation rates and posthigh school indicators;
(g) Percent of students in special programs; and
(h) Other factors presented by individual districts or schools.

PART 2
ACCOUNTABILITY GOALS

Sec. 201. RCW 28A.630.887 and 1998 c 319 s 101 are each amended to read as follows:

(1) By December 15, 1998, each school district board of directors shall:
   (a) Select the reading standard results on either the 1997 or 1998 fourth grade Washington assessment of student learning as the school district's initial baseline reading standard. Districts may select the 1997 results only if all of the elementary schools with fourth grade students administered the assessment.
   (b) Establish a three-year, district-wide goal to increase, by the end of the 2000-01 school year, the percentage of students who meet or exceed the reading standard on the fourth grade Washington assessment of student learning. The percentage increase goal may not be less than the district's total percentage of students who did not meet the baseline reading standard multiplied by twenty-five percent;
   (c) Specify the annual district-wide percentage improvement increments to meet the 2000-01 goal; and
   (d) Direct each elementary school to establish a three-year goal for its fourth grade students, subject to approval by the board. The aggregate of the elementary school goals must meet or exceed the district-wide goals established by the board.

(2) Each school district board of directors shall:
   (a) Report biannually to parents in writing and to the community in a public meeting the following information:
      i. District-wide and school-level three-year goals;
      ii. Student performance relative to the goals; and
      iii. District-wide and school-level plans to achieve the reading goal in kindergarten through fourth grade, including grade level expectations, curriculum and instruction, parental or guardian involvement, and resources available to parents and guardians to help students meet the reading standard;
   (b) Report annually to the superintendent of public instruction and in a news release to the local media the district's progress toward meeting the district-wide and school-level goals; and
   (c) Include the reported information in each school's annual school performance report under RCW 28A.320.205.

(3) By December 1, 2000, the superintendent of public instruction shall report to the education committees of the house of representatives and the senate on the progress that has been made in achieving the three-year reading goal, and provide recommendations to the legislature on setting reading goals for the next three years.

(4) This section expires July 1, 2006.)

PART 3
REPORTING RESULTS

Sec. 301. RCW 28A.630.889 and 1998 c 319 s 301 are each amended to read as follows:

(1) By September 10, 1998, and by September 10th each year thereafter, the superintendent of public instruction shall:
   (a) Report to the public, schools, school districts, and the legislature on the results of the ((fourth grade)) Washington assessment of student learning; and
   (b) Post individual school results of the ((fourth grade)) Washington assessment of student learning on the superintendent of public instruction's internet world-wide web site.

(2) The reports shall include the assessment results by school and school district, and include changes over time.

Results shall be reported in two ways:

(a) The percent of students meeting the standards; and
(b) A learning improvement index that shows changes in student performance within the different levels of student learning reported on the Washington assessment of student learning.

(3) Data regarding the different characteristics of schools, such as poverty levels, percent of English as a second language students, drop-out rates, attendance, percent of students in special education, and student mobility shall also be reported so that districts and schools can learn from the improvement efforts of other schools and districts with similar characteristics.

(4) To protect the privacy of students, the results of schools and districts that test fewer than ten students in a grade level shall not be reported. In addition, in order to ensure that results are reported accurately, the superintendent of public instruction shall maintain the confidentiality of state-wide data files until the superintendent determines that the data are complete and accurate.

(5) The superintendent of public instruction shall monitor the percentage and number of special education and limited English-proficient students exempted from taking the assessments by schools and school districts to ensure the exemptions are in compliance with exemption guidelines.

Sec. 302. DISTRICT REPORTS. (1) Each school district board of directors shall:

(a) Annually report to parents and to the community in a public meeting and twice annually report in writing the following information:
   (i) District-wide and school-level three-year goals;
   (ii) Student performance relative to the goals; and
   (iii) District-wide and school-level plans to achieve the reading goal in kindergarten through fourth grade, including curriculum and instruction, parental or guardian involvement, and resources available to parents and guardians to help students meet the reading standard;

(b) Report annually in a news release to the local media the district's progress toward meeting the district-wide and school-level goals; and

(c) Include the school-level goals, student performance relative to the goals, and a summary of school-level plans to achieve the goals in each school's annual school performance report under RCW 28A.320.205. This shall be considered one of the twice-annual written reports required in (a) of this subsection.

(2) Schools and school districts in which ten or fewer students are eligible to be assessed in a grade level are not required to establish or report numerical improvement goals and performance relative to the goals, but are required to report to parents and the community their plans to improve reading achievement in kindergarten through fourth grade as required in subsection (1)(a)(iii) of this section.

Sec. 303. RCW 28A.320.205 and 1993 c 336 s 1006 are each amended to read as follows:

(1) Beginning with the 1994-95 school year, to provide the local community and electorate with access to information on the educational programs in the schools in the district, each school shall publish annually a school performance report and deliver the report to each parent with children enrolled in the school and make the report available to the community served by the school. The annual performance report shall be in a form that can be easily understood and be used by parents, guardians, and other members of the community who are not professional educators to make informed educational decisions. As data from the assessments in RCW 28A.630.885 (as recodified by this act) becomes available, the annual performance report should enable parents, educators, and school board members to determine whether students in the district's schools are attaining mastery of the student learning goals under RCW 28A.150.210, and other important facts about the schools' performance in assisting students to learn. Changing provisions relating to modification of a parenting plan or custody order.

The bill was read the second time.

MOTION

On motion of Senator Heavey, the following Committee on Judiciary striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.09.260 and 1991 c 367 s 9 are each amended to read as follows:

(1) Except as otherwise provided in subsections (4), (5), (7), and (9) of this section, the court shall not modify a prior custody decree or a parenting plan unless it finds, upon the basis of facts that have arisen since the prior decree or plan or that were unknown to the court at the time of the prior decree or plan, that a substantial change has occurred in the circumstances of the child or the nonmoving party and that the modification is in the best interest of the child and is necessary to serve the best interests of the child.

(2) In applying these standards, the court shall retain the residential schedule established by the decree or parenting plan unless:

(a) The parents agree to the modification;

(b) The child has been integrated into the family of the petitioner with the consent of the other parent in substantial deviation from the parenting plan;

(c) The child's present environment is detrimental to the child's physical, mental, or emotional health and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child; or

(d) The court has found the nonmoving parent in contempt of court at least twice within three years because the parent failed to comply with the residential time provisions in the court-ordered parenting plan, or the parent has been convicted of custodial interference in the first or second degree under RCW 9A.40.060 or 9A.40.070.

(3) A conviction of custodial interference in the first or second degree under RCW 9A.40.060 or 9A.40.070 shall constitute a substantial change of circumstances for the purposes of this section.

(4) The court may reduce or restrict contact between the nonprimary residential parent and a child if it finds that the reduction or restriction would serve and protect the best interests of the child using the criteria in RCW 26.09.191.

(5) The court may order adjustments to the residential aspects of a parenting plan upon a showing of a substantial change in circumstances of either parent or of the child, and without consideration of the factors set forth in subsection (2) of this section, if the proposed modification is only a((

(a) Modification in the dispute resolution process; or
(b) Minor modification in the residential schedule that"
(i) Does not change the residence the child is scheduled to reside in the majority of the time; and
(ii) Does not exceed twenty-four full days in a calendar year or five full days in a calendar month; or
(iii) Is based on a change of residence or an involuntary change in work schedule by a parent which makes the residential schedule in the parenting plan impractical to follow).

Minor modification in the residential schedule that does not change the residence the child is scheduled to reside in the majority of the time and:
(a) Does not exceed twenty-four full days in a calendar year; or
(b) Is based on a change of residence or an involuntary change in work schedule by a parent which makes the residential schedule in the parenting plan impractical to follow; or
(c) Does not result in a schedule that exceeds ninety overnights per year in total, if the court finds that the decree of dissolution or parenting plan does not provide reasonable time with the nonprimary residential parent at the time the petition for modification is filed, and further, the court finds that it is in the best interests of the child to increase residential time with the nonprimary residential parent in excess of the residential time period in (a) of this subsection. However, any motion under this subsection (5)(c) is subject to the factors established in subsection (2) of this section if the party bringing the motion has previously been granted a modification under this same subsection within twenty-four months of the current motion. Relief granted under this section shall not be the sole basis for adjusting or modifying child support.

(6) A nonprimary residential parent whose residential time with the child is subject to limitations pursuant to RCW 26.09.191 (2) or (3) may not seek expansion of residential time under subsection (5)(c) of this section unless that parent demonstrates a substantial change in circumstances specifically related to the basis for the limitation.
(7) If a nonprimary residential parent voluntarily fails to exercise residential time for an extended period, that is, one year or longer, the court upon proper motion may make adjustments to the parenting plan in keeping with the best interests of the minor child.

(8) A nonprimary parent who is required by the existing parenting plan to complete evaluations, treatment, parenting, or other classes may not seek expansion of residential time under subsection (5)(c) of this section unless that parent has fully complied with such requirements.

(9) The court may order adjustments to any of the nonresidential aspects of a parenting plan upon a showing of a substantial change of circumstances of either parent or of a child, and the adjustment is in the best interest of the child. Adjustments ordered under this section may be made without consideration of the factors set forth in subsection (2) of this section.

"NEW SECTION. Sec. 1. A new section is added to chapter 43.63A RCW to read as follows:

(1) A competitive grant program to assist nonprofit organizations in acquiring, constructing, or rehabilitating performing arts, art museums, and cultural facilities is created.

(2)(a) The department shall submit a list of recommended performing arts, art museum projects, and cultural organization projects eligible for funding to the governor and the legislature in the department's biennial capital budget request beginning with the 2001-2003 biennium and thereafter. The list, in priority order, shall include a description of each project, the amount of recommended state funding, and documentation of nonstate funds to be used for the project. The total amount of recommended state funding for projects on a biennial project list shall not exceed four million dollars. The department may provide an additional alternate project list which shall not exceed five hundred thousand dollars.

(b) The department shall establish a competitive process to prioritize applications for state assistance as follows:

(i) The department shall conduct a state-wide solicitation of project applications from nonprofit organizations, local governments, and other entities, as determined by the department. The department shall evaluate and rank applications in consultation with a citizen advisory committee, including a representative from the state arts commission, using objective criteria. The evaluation and ranking process shall also consider local community support for projects and an examination of existing assets that applicants may apply to projects.

(ii) The department may establish the amount of state grant assistance for individual project applications but the amount shall not exceed twenty percent of the estimated total capital cost or actual cost of a project, whichever is less. The remaining portions of the project capital cost shall be a match from nonstate sources. The nonstate match may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions. The department is authorized to set matching requirements for individual projects. State
assistance may be used to fund separate definable phases of a project if the project demonstrates adequate progress and has secured the necessary match funding.

(iii) The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects. In contracts for grants authorized under this section, the department shall include provisions requiring that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

Sec. 2. RCW 27.34.330 and 1995 c 182 s 2 are each amended to read as follows:

The Washington state historical society shall establish a competitive process to solicit proposals for and prioritize heritage capital projects for potential funding in the state capital budget. The society shall adopt rules governing project eligibility and evaluation criteria. Application for funding of specific projects may be made to the society by local governments, public development authorities, nonprofit corporations, tribal governments, and other entities, as determined by the society. The society, with the advice of leaders in the heritage field, including but not limited to representatives from the office of the secretary of state, the eastern Washington state historical society, and the state office of archaeology and historic preservation, shall establish and submit a prioritized list of heritage capital projects to the governor and the legislature by September 1st of each even-numbered year, beginning in 1996. The prioritized list shall be developed through open and public meetings. The governor and the legislature shall consider the prioritized list of heritage projects as a guide for appropriating funds to heritage capital projects beginning with the 1997-98 biennium and thereafter the governor and the legislature in the society's biennial capital budget request. The list shall include a description of each project, the amount of recommended state funding, and documentation of nonstate funds to be used for the project. The total amount of recommended state funding for projects on a biennial project list shall not exceed four million dollars. The department may provide an additional alternate project list which shall not exceed five hundred thousand dollars. The prioritized list shall be developed through open and public meetings and the amount of state funding shall not exceed thirty-three percent of the total cost of the project. The nonstate portion of the total project cost may include, cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions. The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects. In contracts for grants authorized under this section, the society shall include provisions requiring that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(2) The department shall conduct a state-wide solicitation of project applications from local governments, nonprofit organizations, and other entities, as determined by the department. The department shall evaluate and rank applications in consultation with a citizen advisory committee using objective criteria. At a minimum, applicants must demonstrate that the requested assistance will increase the efficiency or quality of the social services it provides to citizens. The evaluation and ranking process shall also include an examination of existing assets that applicants may apply to projects. Grant assistance under this section shall not exceed twenty-five percent of the total cost of the project. The nonstate portion of the total project cost may include, cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions.

(3) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements shall be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities shall be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.
MOTION

On motion of Senator Brown, the following amendment to the Committee on Ways and Means striking amendment was adopted on a rising vote:

On page 5, after line 7 of the committee amendment, insert the following:

"Sec. 5. RCW 80.36.005 and 1993 c 249 s 1 are each amended to read as follows:

As used in this chapter) The definitions in this section apply throughout RCW 80.36.410 through 80.36.475, unless the context ((indicates)) clearly requires otherwise(s).

1) "Community action agency" means local community action agencies or local community service agencies designated by the department of community, trade, and economic development under chapter 43.63A RCW.

2) "Community service voice mail" means a computerized telephone answering service with the capabilities described in RCW 80.36.420(4).

3) "Department" means the department of social and health services.

Sec. 6. RCW 80.36.410 and 1987 c 229 s 3 are each amended to read as follows:

1) The legislature finds that universal telephone service is an important policy goal of the state. The legislature further finds that:

(a) Recent changes in the telecommunications industry, such as federal access charges, raise concerns about the ability of low-income persons to continue to afford access to local exchange telephone service; and (b) many low-income persons do not have a permanent residence in which to receive local exchange telephone service.

Therefore, the legislature finds that: (a) It is in the public interest to take steps to mitigate the effects of these changes on low-income persons; and (b) advances in telecommunications technologies, such as community service voice mail, provide new and economically efficient ways to secure many of the benefits of universal service to low-income persons who are not customers of local exchange telephone service.

Sec. 7. RCW 80.36.420 and 1990 c 170 s 2 are each amended to read as follows:

The Washington telephone assistance program shall be available to (participants) eligible clients of department programs (set forth in RCW 80.36.420) and community action agency services, except that clients of community action agency services shall be eligible only for the community service voice mail described in subsection (4) of this section. Assistance shall consist of the following components:

1) A discount on service connection fees of fifty percent or more as set forth in RCW 80.36.460.

2) A waiver of deposit requirements on local exchange service, as set forth in RCW 80.36.460.

3) A discounted flat rate service for local exchange service, which shall be subject to the following conditions:

(a) The commission shall establish a single telephone assistance rate for all local exchange companies operating in the state of Washington. The telephone assistance rate shall include any federal end user access charges and any other charges necessary to obtain local exchange service.

(b) The commission shall, in establishing the telephone assistance rate, consider all charges for local exchange service, including federal end user access charges, mileage charges, extended area service, and any other charges necessary to obtain local exchange service.

(c) The telephone assistance rate shall only be available to eligible customers subscribing to the lowest available local exchange flat rate service, where the lowest local exchange flat rate, including any federal end user access charges and any other charges necessary to obtain local exchange service, is greater than the telephone assistance rate. Low-income senior citizens sixty years of age and older and other low-income persons identified by the department as medically needy shall, where single-party service is available, be provided with single-party service as the lowest available local exchange flat rate service.

(d) The cost of providing the service shall be paid, to the maximum extent possible, by a waiver of all or part of the federal end user access charge and, to the extent necessary, from the telephone assistance fund created by RCW 80.36.430.

4) A community service voice mailbox that provides recipients with: (a) An individually assigned telephone number; (b) the ability to record a personal greeting; and (c) a secure private security code to retrieve messages. The community service voice mailbox may also include a toll-free line through which recipients can access their community service voice mailboxes at no charge.

Sec. 8. RCW 80.36.430 and 1990 c 170 s 3 are each amended to read as follows:

1) The Washington telephone assistance program shall be funded by a telephone assistance excise tax on all switched access lines and by funds from any federal government or other programs for this purpose. Switched access lines are defined in RCW 82.14B.020. The telephone assistance excise tax shall be applied equally to all residential and business access lines not to exceed fourteen cents per month. The
telephone assistance excise tax shall be separately identified on each ratepayer's bill as the "Washington telephone assistance program." All money collected from the telephone assistance excise tax shall be transferred to a telephone assistance fund administered by the department.

2. The department shall be the fund administrator for local exchange companies, and the department of community, trade, and economic development shall be the fund administrator for community action agencies. Local exchange companies and community action agencies shall bill [((the)) their] fund administrator for their expenses incurred in offering the telephone assistance program, including administrative and program expenses.

3. The department shall disburse the money to the local exchange companies and to the department of community, trade, and economic development, except that the total amount of funds that may be paid annually to the department of community, trade, and economic development shall not exceed ten percent of the total annual telephone assistance fund revenues collected. The department is exempted from having to conclude a contract with local exchange companies in order to effect this reimbursement. The department of community, trade, and economic development shall disburse the money to the community action agencies.

4. The fund administrators shall recover [(their)] administrative costs from the fund. The (department) may specify by rule the range and extent of administrative and program expenses that will be reimbursed to local exchange companies or community action agencies.

Sec. 9. RCW 80.36.440 and 1990 c 170 s 4 are each amended to read as follows:

1. The commission, the department, and the department of community, trade, and economic development may adopt any rules necessary to implement RCW 80.36.410 through 80.36.470.

2. The rules relating to community service voice mail shall identify funding priorities that extend the benefits of community service voice mail to the greatest number of eligible clients. Within available resources, funding shall be made available for: (a) Deployment of new community service voice mail systems, including costs for start-up and installation, staff to train participating agencies, and maintaining program data; (b) installation of toll-free lines through which recipients of existing community service voice mail can access their community service voice mailboxes at no charge; (c) expansion of the capacity of existing community service voice mail; and (d) payment for continuing and expanding telephone services of existing community service voice mail, including maintenance expenses, operating expenses, and administrative expenses. The rules may require community action agencies to match up to fifty percent of the funds received from the telephone assistance program or to demonstrate the acquisition of in-kind contributions from local exchange companies or vendors of community service voice mail hardware or software.

Sec. 10. RCW 80.36.450 and 1993 c 249 s 2 are each amended to read as follows:

The Washington telephone assistance program shall be limited to one residential access line per eligible household for services provided by local exchange companies or to one community service voice mailbox per eligible person for services provided by community action agencies.

Sec. 11. RCW 80.36.460 and 1990 c 170 s 5 are each amended to read as follows:

1. Local exchange companies shall file tariffs with the commission which waive deposits on local exchange service for eligible subscribers and which establish a fifty percent discount on service connection fees for eligible subscribers. Part or all of the remaining fifty percent of service connection fees may be paid by funds from federal government or other programs for this purpose. The commission or other appropriate agency shall make timely application for any available federal funds. The remaining portion of the connection fee to be paid by the subscriber shall be expressly payable by installment fees spread over a period of months. A subscriber may, however, choose to pay the connection fee in a lump sum. Costs associated with the waiver and discount shall be accounted for separately and recovered from the telephone assistance fund. Eligible subscribers shall be allowed one waiver of a deposit and one discount on service connection fees per year.

2. Community action agencies may not charge recipients for community service voice mail.

Sec. 12. RCW 80.36.470 and 1990 c 170 s 6 are each amended to read as follows:

1. Adult recipients of department-administered programs for the financially needy which provide continuing financial or medical assistance, food stamps, or supportive services to persons in their own homes are eligible for participation in the telephone assistance program. The department shall notify the participants of their eligibility.

2. Adult clients of community action agency services are eligible for participation in the community service voice mail of the telephone assistance program if they do not reside in a residence with local exchange telephone service or do not have a reliable means of directly receiving telephone calls or messages.

Sec. 13. RCW 80.36.475 and 1990 c 170 s 7 are each amended to read as follows:

The department shall report to the (energy and utilities) committees of the house of representatives and the senate with jurisdiction over telecommunications services by December 1 of each year on the status of the Washington telephone assistance program. The report shall include the number of participants by qualifying department or community action agency programs receiving benefits from the telephone assistance program and the type of benefits participants receive. The report shall also include a description of the geographical distribution of participants, the program's annual revenue and expenditures, and any recommendations for legislative action.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator McAuliffe to the scope and object of the amendment by Senator Tim Sheldon on page 13, after line 25 to the striking amendment by Senators McAuliffe, Eide and Finkbeiner, the President finds that Second Substitute House Bill No. 1462 is a measure which adopts several provisions relating to accountability for student performance in the K-12 education system, including (1) creating an accountability commission; (2) requiring reporting of assessment results; (3) providing technical assistance to schools to implement accountability and to improve student learning; and (4) setting accountability goals.

"The amendment by Senator Tim Sheldon would permit school boards to adopt policies to: (1) require that school employees provide a statement from a licensed health care provider in order to take sick leave; and (2) prohibit school employees who take sick leave to engage in a strike from receiving sick leave benefits during the time of the strike. The amendment does not concern accountability for student performance.

"The President, therefore, finds that the amendment does change the scope and object of the bill and the point of order is well taken."

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by the victim;
(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. For purposes of this section, “community agency” may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversionary unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed; and

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to section 9 of this act.

(4) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian and victims who have contacted the diversionary unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

(b) If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (4) (3) (c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may not require the juvenile to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(7) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(9) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.
The diversion unit may refer a juvenile to community-based counseling or treatment programs.

The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(13). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

When a juvenile enters into a diversion agreement, the juvenile court may receive any information for dispositional purposes:
(a) The fact that a charge or charges were made;
(b) The fact that a diversion agreement was entered into;
(c) The juvenile's obligations under such agreement;
(d) Whether the alleged offender performed his or her obligations under such agreement; and
(e) The facts of the alleged offense.

A diversionary unit may refuse to enter into a diversion agreement with a juvenile. When a diversionary unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection shall include the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(13). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversionary unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

POINT OF INQUIRY

Senator Patterson: "Thank you, Senator Benton. I just wondered if you could--to help me get a little perspective here--name one other state program that we audit at a price tag of somewhere between five hundred thousand to a million dollars a year that we audit on a yearly basis. If you could just give me the names of, maybe, two or three other programs that we audit in this way, then I would be much more comfortable with your amendment."

Senator Benton: "Thank you, Senator Patterson. I am happy to respond to that. This body passed a bill just two sessions ago that spent nearly seven hundred thousand dollars auditing the Department of Transportation. So, we do audits all the time. As you know, the State Auditor's office budget is extensive. They run audits all the time. Unfortunately, they do not audit these programs. If you read the language, it doesn't ask for an audit. It says, 'An annual program review.' The amendment offered in committee, for further clarification Senator Patterson, called for a formal program review. Senator Patterson, I am responding to your question."

Senator Patterson: "I'm listening."

Senator Benton: "Okay. So, based on input from members of the committee, I removed the word, 'formal,' because I thought that was too much. So, this amendment specifically asks for an annual program review, not a formal review. There is a difference, a very extensive difference, in terms of a formal review. It simply goes down saying, 'Do these guidelines mean that?' I don't know who came up with this figure, but it sounds like bloated numbers to me to review guidelines to see if they are being met."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the adoption of the amendment by Senators Benton, Deccio and Finkbeiner on page 1, line 33, to the Committee on Education striking amendment to Substitute House Bill No. 1935.

"NEW SECTION. Sec. 2. It is the intent of the legislature to allow the department of revenue to increase its ability to provide timely and cost-effective service to taxpayers.

Sec. 3. RCW 82.32.080 and 1997 c 156 s 3 are each amended to read as follows:

Payment of the tax may be made by uncertified check under such regulations as the department shall prescribe, but, if a check so received is not paid by the bank on which it is drawn, the taxpayer, by whom such check is tendered, shall remain liable for payment of the tax and for all legal penalties, the same as if such check had not been tendered.

Payment of the tax shall be made by electronic funds transfer, as defined in RCW 82.32.085, if the amount of the tax due in a calendar year is one million eight hundred thousand dollars or more. The department may by rule provide for tax thresholds between two hundred forty thousand dollars and one million eight hundred thousand dollars for mandatory use of electronic funds transfer. All taxes administered by this chapter are subject to this requirement except the taxes authorized by chapters 82.14A, 82.14B, 82.24, 82.27, 82.29A, and 84.33 RCW. It is the intent of this section to require electronic funds transfer for those taxes reported on the department's combined excise tax return or any successor return.

A return or remittance which is transmitted to the department by United States mail shall be deemed filed or received on the date shown by the post office cancellation mark stamped upon the envelope containing it, except as otherwise provided in this chapter. The department is authorized to allow electronic filing of returns or remittances from any taxpayer. A return or remittance which is transmitted to the department electronically shall be deemed filed or received according to procedures set forth by the department.

The department, for good cause shown, may extend the time for making and filing any return, and may grant such reasonable additional time within which to make and file returns as it may deem proper, but any permanent extension granting the taxpayer a reporting date without penalty more than ten days beyond the due date, and any extension in excess of thirty days shall be conditional on deposit with the department of an amount to be determined by the department which shall be approximately equal to the estimated tax liability for the reporting period or periods for which the extension is granted. In the case of a permanent extension or a temporary extension of more than thirty days the deposit shall be deposited within the state treasury with other tax funds and a credit recorded to the taxpayer's account which may be applied to the taxpayer's liability upon cancellation of the permanent extension or upon reporting of the tax liability where an extension of more than thirty days has been granted.

The department shall review the requirement for deposit at least annually and may require a change in the amount of the deposit required when it believes that such amount does not approximate the tax liability for the reporting period or periods for which the extension is granted.

The department shall keep full and accurate records of all funds received and disbursed by it. Subject to the provisions of RCW 82.32.105 and 82.32.350, the department shall apply the payment of the taxpayer first against penalties and interest, and then upon the tax, without regard to any direction of the taxpayer.

The department may refuse to accept any return which is not accompanied by a remittance of the tax shown to be due thereon. When such return is not accepted, the taxpayer shall be deemed to have failed or refused to file a return and shall be subject to the procedures
provided in RCW 82.32.100 and to the penalties provided in RCW 82.32.090. The above authority to refuse to accept a return shall not apply when a return is timely filed and a timely payment has been made by electronic funds transfer.

"Sec. 1. RCW 72.09.480 and 1998 c 261 s 2 are each amended to read as follows:

(1) Unless the context clearly requires otherwise, the definitions in this section apply to this section.

(a) "Cost of incarceration" means the cost of providing an inmate with shelter, food, clothing, transportation, supervision, and other services and supplies as may be necessary for the maintenance and support of the inmate while in the custody of the department, based on the average per inmate costs established by the department and the office of financial management.

(b) "Minimum term of confinement" means the minimum amount of time an inmate will be confined in the custody of the department, considering the sentence imposed and adjusted for the total potential earned early release time available to the inmate.

(2) When an inmate, except as provided in subsection (6) of this section, receives any funds in addition to his or her wages or gratuities, the additional funds shall be subject to the deductions in RCW 72.09.111(1)(a) and the priorities established in chapter 72.11 RCW.

(3) The amount deducted from an inmate's funds under subsection (2) of this section shall not exceed the department's total cost of incarceration for the inmate incurred during the inmate's minimum or actual term of confinement, whichever is longer.

(4) The deductions required under subsection (2) of this section shall not apply to funds received by the department on behalf of an offender for payment of one fee-based education or vocational program that is associated with an inmate's work program or a placement decision made by the department under RCW 72.09.460 to prepare an inmate for work upon release.

(5) The deductions required under subsection (2) of this section shall not apply to any money received by the department, on behalf of an inmate, from family or other outside sources for the payment of postage expenses. (6) When an inmate sentenced to life imprisonment without possibility of release or parole, or to death under chapter 10.95 RCW, receives any funds in addition to his or her gratuities, the additional funds shall be subject to: Deductions of five percent to the public safety and education account for the purpose of crime victims' compensation and twenty percent to the department to contribute to the cost of incarceration."
Sec. 2. RCW 72.09.111 and 1994 sp.s. c 7 s 534 are each amended to read as follows:

(1) The secretary shall deduct from the gross wages or gratuities of each inmate working in correctional industries work programs, taxes and legal financial obligations. The secretary shall develop a formula for the distribution of offender wages and gratuities.

The department personal inmate savings account, together with any accrued interest, shall only be available to an inmate at the time of his or her release from confinement, unless the secretary determines that an emergency exists for the inmate, at which time the funds can be made available to the inmate in an amount determined by the secretary. The management of classes I, II, and IV correctional industries may establish an incentive payment for offender workers based on productivity criteria. This incentive shall be paid separately from the hourly wage/gratuity rate and shall not be subject to the specified deduction for cost of incarceration.

In the event that the offender worker's wages or gratuity is subject to garnishment for support enforcement, the crime victims' compensation, savings, and cost of incarceration deductions shall be calculated on the net wages after taxes, legal financial obligations, and garnishment.

(2) The department shall explore other methods of recovering a portion of the cost of the inmate's incarceration and for encouraging participation in work programs, including development of incentive programs that offer inmates benefits and amenities paid for only from wages earned while working in a correctional industries work program.

(1) As used in this section, "taxing district" means a county, emergency medical service district, city or town, public hospital district, urban emergency medical service district, or fire protection district.

(2) A taxing district may impose additional regular property tax levies in an amount equal to fifty cents or less per thousand dollars of the assessed value of property in the taxing district (for each year for six consecutive years when specifically authorized so to do). The tax shall be imposed (a) each year for six consecutive years, (b) each year for ten consecutive years, or (c) permanently. A tax levy under this section must be specifically authorized by a majority of at least three-fifths of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting "yes" on the proposition shall constitute three-fifths of a number equal to forty percent of the total number of voters voting in such taxing district at the last preceding general election when the number of registered voters voting on the proposition does not exceed forty percent of the total number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the registered voters thereof voting on the proposition when the number of registered voters voting on the proposition exceeds forty percent of the total number of voters voting in such taxing district in the last preceding general election. Within ten days, the filing officer shall confer with the petitioner concerning form and style of the petition, issue the petition an identification number, and secure an accurate, concise, and positive ballot title from the designated local official. The petitioner shall have thirty days in which to secure the signatures of not less than fifteen percent of the registered voters of the taxing district, as of the last general election, upon petition forms which contain the ballot title and the full text of the measure to be referred. The filing officer shall verify the sufficiency of the signatures on the petition and, if sufficient valid signatures are properly submitted, shall certify the referendum measure to the next election within the taxing district if one is to be held within one hundred eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose in accordance with RCW 29.13.020.

Whenever a tax is levied county-wide, the service shall, so far as is feasible, be provided throughout the county: PROVIDED FURTHER, That no county-wide levy proposal may be placed on the ballot without the approval of the legislative authority of each city exceeding fifty thousand population within the county: AND PROVIDED FURTHER, That this section and RCW 36.32.480 shall not prohibit any city or town from levying an annual excess levy to fund emergency medical services: AND PROVIDED, FURTHER, That if a county proposes to impose tax levies under this section, no other ballot proposition authorizing tax levies under this section by another taxing district in the county may be placed before the voters at the same election at which the county ballot proposition is placed: AND PROVIDED FURTHER, That any taxing district emergency medical service levy that is limited in duration and that is authorized subsequent to a county emergency medical service levy that is limited in duration, shall expire concurrently with the county emergency medical service levy.

(7) The limitations in RCW 84.52.043 shall not apply to the tax levy authorized in this section.

(8) If a ballot proposition approved under subsection (2) of this section did not impose the maximum allowable levy amount authorized for the taxing district under this section, any future increase up to the maximum allowable levy amount must be specifically authorized by the voters in accordance with subsection (2) of this section at a general or special election.

(9) The limitation in RCW 84.55.010 shall not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1880, by House Committee on Health Care (originally sponsored by Representatives Cody, Schual-Berke, Kenney and Edmonds)

Providing for self-directed care for persons with disabilities.

The bill was read the second time.

MOTION

On motion of Senator Thibaudeau, the following Committee on Health and Long-Term Care amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that certain aspects of health licensure laws have the unintended consequence of limiting the right of persons with functional disabilities to care for themselves in their own home, and of securing assistance from other persons in performing routine health-related tasks that persons without these disabilities customarily perform.

(2) It is the intent of the legislature to clarify the right of adults with functional disabilities to choose to self-direct their own health-related tasks through personal aides, and to describe the circumstances under which self-directed care may take place in the home setting. The legislature declares that it is in the public interest to preserve the autonomy and dignity of persons with functional disabilities to care for themselves in their own homes, among the continuum of options for health care services where the judgment and control over the care rests with the individual.

NEW SECTION. Sec. 2. The definitions in this section apply throughout sections 1 through 4 and 8 of this act and RCW 43.190.060 unless the context clearly requires otherwise.

(1) "Self-directed care" means the process in which an adult person, who is prevented by a functional disability from performing a manual function related to health care that an individual would otherwise perform for himself or herself, chooses to direct and supervise a paid personal aide to perform those tasks.

(2) "Personal aide" means an individual, working privately or as an individual provider under contract or agreement with the department of social and health services, who acts at the direction of an adult person with a functional disability living in his or her own home and provides that person with health care services that a person without a functional disability can perform.

NEW SECTION. Sec. 3. (1) An adult person with a functional disability living in his or her own home may direct and supervise a paid personal aide in the performance of a health care task.

(2) The following requirements shall guide the provision of self-directed care under this act:

(a) Health care tasks are those medical, nursing, or home health services that enable the person to maintain independence, personal hygiene, and safety in his or her own home, and that are services that a person without a functional disability would customarily and personally perform without the assistance of a licensed health care provider.

(b) The individual who chooses to self-direct a health care task is responsible for initiating self-direction by informing the health care professional who has ordered the treatment which involves that task of the individual's intent to perform that task through self-direction.

(c) When state funds are used to pay for self-directed tasks, a description of those tasks will be included in the client's comprehensive assessment, and subject to review with each annual reassessment.

(d) When a licensed health care provider orders treatment involving a health care task to be performed through self-directed care, the responsibility to ascertain that the patient understands the treatment and will be able to follow through on the self-directed care task is the same as it would be for a patient who performs the health care task for himself or herself, and the licensed health care provider incurs no additional liability when ordering a health care task which is to be performed through self-directed care.

(e) The role of the personal aide in self-directed care is limited to performing the physical aspect of health care tasks under the direction of the person for whom the tasks are being done. This shall not affect the ability of a personal aide to provide other home care services, such as personal care or homemaker services, which enable the client to remain at home.

(f) The responsibility to initiate self-directed health care tasks, to possess the necessary knowledge and training for those tasks, and to exercise judgment regarding the manner of their performance rests and remains with the person who has chosen to self-direct those tasks, including the decision to employ and dismiss a personal aide.

NEW SECTION. Sec. 4. Any individual who, for compensation, serves as a personal aide provider under contract or agreement with the department of social and health services, to a person who self-directs his or her own care in his or her own home, shall register with the department of social and health services.

Sec. 5. RCW 74.39A.050 and 1998 c 85 s 1 are each amended to read as follows:
The department's system of quality improvement for long-term care services shall use the following principles, consistent with applicable federal laws and regulations:

1. The system shall be client-centered and promote privacy, independence, dignity, choice, and a home or home-like environment for consumers consistent with chapter 392, Laws of 1997.

2. The goal of the system is continuous quality improvement with the focus on consumer satisfaction and outcomes for consumers. This includes that when conducting licensing inspections, the department shall interview an appropriate percentage of residents, family members, resident managers, and advocates in addition to interviewing providers and staff.

3. Providers should be supported in their efforts to improve quality and address identified problems initially through training, consultation, technical assistance, and case management.

4. The emphasis should be on problem prevention both in monitoring and in screening potential providers of service.

5. Monitoring should be outcome based and responsive to consumer complaints and a clear set of health, quality of care, and safety standards that are easily understandable and have been made available to providers.

6. Prompt and specific enforcement remedies shall also be implemented without delay, pursuant to RCW 74.39A.080, RCW 70.128.160, chapter 18.51 RCW, or chapter 74.42 RCW, for providers found to have delivered care or failed to deliver care resulting in problems that are serious, recurring, or uncorrected, or that create a hazard that is causing or likely to cause death or serious harm to one or more residents. These enforcement remedies may also include, when appropriate, reasonable conditions on a contract or license. In the selection of remedies, the safety, health, and well-being of residents shall be of paramount importance.

7. To the extent funding is available, all long-term care staff directly responsible for the care, supervision, or treatment of vulnerable persons should be screened through background checks in a uniform and timely manner to ensure that they do not have a criminal history that would disqualify them from working with vulnerable persons. Whenever a state conviction record check is required by state law, persons may be employed or engaged as volunteers or independent contractors on a conditional basis according to law and rules adopted by the department.

8. No provider or staff, or prospective provider or staff, with a stipulated finding of fact, conclusion of law, an agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority, a court of law, or entered into a state registry finding him or her guilty of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults.

9. The department shall establish, by rule, a state registry which contains identifying information about personal care aides identified under this chapter who have substantiated findings of abuse, neglect, financial exploitation, or abandonment of a vulnerable adult as defined in RCW 74.34.020. The rule must include disclosure, disposition of findings, notification, findings of fact, appeal rights, and fair hearing requirements. The department shall disclose, upon request, substantiated findings of abuse, neglect, financial exploitation, or abandonment to any person so requesting this information.

10. The department shall by rule develop training requirements for individual providers and home care agency providers. The department shall deny payment to an individual provider or a home care provider who does not complete the training requirement within the time limit specified by the department by rule.

11. The department shall establish, by rule, training, background checks, and other quality assurance requirements for personal aides who provide in-home services funded by medicaid personal care as described in RCW 74.09.520, community options program entry system waiver services as described in RCW 74.39A.030, or chore services as described in RCW 74.39A.110 that are equivalent to requirements for individual providers.

12. Under existing funds the department shall establish internally a quality improvement standards committee to monitor the development of standards and to suggest modifications.

13. Within existing funds, the department shall design, develop, and implement a long-term care training program that is flexible, relevant, and qualifies towards the requirements for a nursing assistant certificate as established under chapter 18.88A RCW. This subsection does not require completion of the nursing assistant certificate training program by providers or their staff. The long-term care teaching curriculum must consist of a fundamental module, or modules, and a range of other available relevant training modules that provide the caregiver with appropriate options that assist in meeting the resident's care needs. Some of the training modules may include, but are not limited to, specific training on the special care needs of persons with developmental disabilities, dementia, mental illness, and the care needs of the elderly. No less than one training module must be dedicated to workplace violence prevention. The nursing care quality assurance commission shall work together with the department to develop the curriculum modules. The nursing care quality assurance commission shall direct the nursing assistant training programs to accept some or all of the skills and competencies from the curriculum modules towards meeting the requirements for a nursing assistant certificate as defined in chapter 18.88A RCW. A process may be developed to test persons completing modules from a caregiver's class to verify that they have the transferable skills and competencies for entry into a nursing assistant training program. The department may review whether facilities can develop their own related long-term care training programs. The department may develop a review process for determining what previous experience and training may be used to waive some or all of the mandatory training. The department of social and health services and the nursing care quality assurance commission shall work together to develop an implementation plan by December 12, 1998.
NEW SECTION. Sec. 6. A new section is added to chapter 74.34 RCW to read as follows:

For the purposes of this chapter, the term "vulnerable adult" includes persons receiving services from any individual who for compensation serves as a personal aide to a person who self-directs his or her own care in his or her home under this act.

Sec. 7. RCW 43.20A.710 and 1997 c 392 s 525 are each amended to read as follows:

(1) The secretary shall investigate the conviction records, pending charges or disciplinary board final decisions of:

(a) Persons being considered for state employment in positions directly responsible for the supervision, care, or treatment of children or individuals with mental illness or developmental disabilities; and

(b) Individual providers who are paid by the state for in-home services and hired by individuals with physical disabilities, developmental disabilities, mental illness, or mental impairment, including but not limited to services provided under chapter 74.39A RCW.

(2) The investigation may include an examination of state and national criminal identification data. The secretary shall use the information solely for the purpose of determining the character, suitability, and competence of these applicants.

(3) The secretary shall provide the results of the state background check on individual providers to the individuals with physical disabilities, developmental disabilities, mental illness, or mental impairment or to their legal guardians, if any, for their determination of the character, suitability, and competence of the applicants. If an individual elects to hire or retain an individual provider after receiving notice from the department that the applicant has a conviction for an offense that would disqualify the applicant from employment with the department, then the secretary (must) shall deny payment for any subsequent services rendered by the disqualified individual provider.

(4) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

NEW SECTION. Sec. 8. A personal aide, in the performance of a health care task, who is directed and supervised by a person with a functional disability in his or her own home, is exempt from any legal requirement to qualify and be credentialed by the department of health as a health care provider under Title 18 RCW to the extent of the responsibilities provided and health care tasks performed under this act.

NEW SECTION. Sec. 9. (1) To the extent that funds are appropriated for this purpose, the University of Washington school of nursing shall study the implementation of this act as it relates to self-directed care performed for persons receiving services through department of social and health services' programs, and submit a report to the legislature by November 1, 2001, to include findings as well as any recommendations for improvements to this act. If there are not sufficient numbers of consumers who have elected self-directed care in order for the study to be completed by November 1, 2001, the study deadline shall be extended as necessary, but not to exceed one year.

(2) The study shall be performed in consultation with the governor's committee on disability issues and employment, and the departments of health and social and health services. The report shall include data, to the extent reasonably available, on the following:

(a) Consumer satisfaction with self-directed care, including consumer perception of the degree of autonomy, self-determination, and choice afforded;

(b) Service quality and consumer safety, as determined by consumers and quantifiable outcomes such as rate of hospitalization or other facility placement;

(c) Number of personal aides who have been found to have abused or neglected consumers;

(d) Consumer outcomes in emergency situations such as abandonment, abuse, neglect, or exploitation by personal aide; and

(e) Whether coercion is a factor in consumers requesting self-directed care, or with personal aides performing self-directed care tasks.

MOTION

On motion of Senator Thibaudeau, the following Committee on Health and Long-Term Care amendment was adopted: Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.03 RCW to read as follows:

(1) Any part-time commission that has rule-making authority, performs quasi-judicial functions, has responsibility for the policy direction of a health profession credentialing program, and performs regulatory and licensing functions with respect to a health care profession licensed under Title 18 RCW shall be identified as a class five group for purposes of compensation.

(2) Except as otherwise provided in this section, each member of a class five group is eligible to receive compensation in an amount not to exceed two hundred fifty dollars for each day during which the member attends an official meeting of the group or performs statutorily prescribed duties approved by the chairperson of the group. A person shall not receive compensation for a day of service under this section if the person (a) occupies a position, normally regarded as full-time in nature, in any agency of the federal government, Washington state government, or Washington state local government; and (b) receives any compensation from such government for working that day.

(3) Compensation may be paid a member under this section only if it is necessarily incurred in the course of authorized business consistent with the responsibilities of the commission established by law.

Sec. 2. RCW 18.25.0171 and 1994 sp.s. c 9 s 107 are each amended to read as follows:

The commission shall elect officers each year. Meetings of the commission are open to the public, except that the commission may hold executive sessions to the extent permitted by chapter 42.30 RCW. The secretary of health shall furnish such secretarial, clerical, and other assistance as the commission may require.

Each member of the commission shall be compensated in accordance with ((RCW 43.03.240)) section 1 of this act. Members shall be reimbursed for travel expenses incurred in the actual performance of their duties, as provided in RCW 43.03.050 and 43.03.060.

A majority of the commission members appointed and serving constitutes a quorum for the transaction of commission business. The affirmative vote of a majority of a quorum of the commission is required to carry a motion or resolution, to adopt a rule, or to pass a measure.

The commission may appoint members of panels of at least three members. A quorum for transaction of any business by a panel is a minimum of three members. A majority vote of a quorum of the panel is required to transact business delegated to it by the commission.

The members of the commission are immune from suit in an action, civil or criminal, based upon its disciplinary proceedings or other official acts performed in good faith as members of the commission.

The commission may, whenever the workload of the commission requires, request that the secretary appoint pro tempore members. While serving as members pro tempore persons have all the powers, duties, and immunities, and are entitled to the emoluments, including travel expenses, of the commission.

The commission shall prepare or determine the nature of the examinations for applicants to practice chiropractic.

The commission may adopt such rules as are consistent with this chapter as may be deemed necessary and proper to carry out the purposes of this chapter.

The members of the commission shall be appointed by the governor. Members of the initial commission may be appointed to staggered terms of one to four years, and thereafter all terms of appointment shall be for four years. The governor shall consider such physician and physician assistant members who are recommended for appointment by the appropriate professional associations in the state. In appointing the initial members of the commission, it is the intent of the legislature that, to the extent possible, the existing members of the board of medical examiners and medical disciplinary board repealed under section 336, chapter 9, Laws of 1994 sp. sess. be appointed to the commission. The commission may appoint panels consisting of at least three members. A quorum for the transaction of any business by a panel is a minimum of three members. A majority vote of a quorum of the panel is required to transact business delegated to it by the commission.

Each member of the commission shall be compensated in accordance with ((RCW 43.03.240)) section 1 of this act and in addition thereto shall be reimbursed for travel expenses incurred in carrying out the duties of the commission in accordance with RCW 43.03.050 and 43.03.060. Any such expenses shall be paid from funds appropriated to the department of health.

Whenever the governor is satisfied that a member of a commission has been guilty of neglect of duty, misconduct, or malfeasance or misfeasance in office, the governor shall file with the secretary of state a statement of the causes for and the order of removal from office, and the secretary shall forthwith send a certified copy of the statement of causes and order of removal to the last known post office address of the member.

Vacancies in the membership of the commission shall be filled for the unexpired term by appointment by the governor.

The members of the commission are immune from suit in an action, civil or criminal, based on its disciplinary proceedings or other official acts performed in good faith as members of the commission.

Whenever the workload of the commission requires, the commission may request that the secretary appoint pro tempore members of the commission. When serving, pro tempore members of the commission have all of the powers, duties, and immunities, and are entitled to all of the emoluments, including travel expenses, of regularly appointed members of the commission.

Sec. 5. RCW 18.79.090 and 1994 sp.s. c 9 s 409 are each amended to read as follows:

Each commission member shall be compensated in accordance with ((RCW 43.03.240)) section 1 of this act and shall be paid travel expenses when away from home in accordance with RCW 43.03.050 and 43.03.060."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 46.20.391 and 1998 c 209 s 4 and 1998 c 207 s 9 are each reenacted and amended to read as follows:

(1) Any person licensed under this chapter who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide or vehicular assault, or who has had his or her license suspended under RCW 46.20.3101 (2)(a) or (3)(a), may submit to the department an application for an occupational driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is engaged in an occupation or trade that makes it essential that the petitioner operate a motor vehicle, may issue an occupational driver's license and may set definite restrictions as provided in RCW 46.20.394. No person may petition for, and the department shall not issue, an occupational driver's license that is effective during the first thirty days of any suspension or revocation imposed for a violation of RCW 46.61.502 or 46.61.504 or pursuant to RCW 46.20.3101 (2)(a) or (3)(a). A person aggrieved by the decision of the department on the application for an occupational driver's license may request a hearing as provided by rule of the department.

(2)(a) A person licensed under this chapter whose driver's license is suspended administratively due to failure to appear or pay a traffic ticket under RCW 46.20.289; a violation of the financial responsibility laws under chapter 46.29 RCW; or for multiple violations within a specified period of time under RCW 46.20.291, may apply to the department for an occupational driver's license if the applicant demonstrates to the satisfaction of the department that one of the following additional conditions are met:

(i) The applicant is in an apprenticeship program or an on-the-job training program for which a driver's license is required;
(ii) The applicant presents evidence that he or she has applied for a position in an apprenticeship or on-the-job training program and the program has certified that a driver's license is required to begin the program, provided that a license granted under this provision shall be in effect no longer than fourteen days;
(iii) The applicant is in a program that assists persons who are enrolled in a WorkFirst program pursuant to chapter 74.08A RCW to become gainfully employed and the program requires a driver's license; or
(iv) The applicant is undergoing substance abuse treatment or is participating in meetings of a twelve-step group such as alcoholics anonymous.

(b) An occupational driver's license issued to an applicant described in (a) of this subsection shall be valid for the period of the suspension or revocation but not more than two years.

(c) Upon receipt of evidence that a holder of an occupational driver's license granted under this subsection is no longer enrolled in an apprenticeship or on-the-job training program, the director shall give written notice by first class mail to the driver that the occupational driver's license shall be canceled. The effective date of cancellation shall be fifteen days from the date of mailing the notice. If at any time before the cancellation goes into effect the driver submits evidence of continued enrollment in the program, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new occupational driver's license upon submittal of evidence of enrollment in another program that meets the criteria set forth in this subsection."
An applicant for an occupational driver's license is eligible to receive such license only if:

(a) Within one year immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not committed any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory; and

(b) Within seven years immediately preceding the date of the offense that gave rise to the present conviction or incident, the applicant has not committed any of the following offenses: (i) Driving or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor; (ii) vehicular homicide under RCW 46.61.520; or (iii) vehicular assault under RCW 46.61.522; and

(c) The applicant is engaged in an occupation or trade that makes it essential that he or she operate a motor vehicle, except as allowed under subsection (2)(a) of this section; and

(d) The applicant files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of an offense that pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction, and continues with the same force and effect as any suspension or revocation under this title.

Sec. 2. RCW 46.20.394 and 1983 c 165 s 26 are each amended to read as follows:

In issuing an occupational driver's license under RCW 46.20.391, the department shall describe the type of occupation permitted and shall set forth in detail the specific hours of the day during which the person may drive to and from his place of work, which may not exceed twelve hours in any one day; the days of the week during which the license may be used; and the general routes over which the person may travel. In issuing an occupational driver's license under RCW 46.20.391(2)(a)(iii), the department shall set forth in detail the specific hours during which the person may drive to and from substance abuse treatment or meetings of a twelve-step group such as alcoholics anonymous, the days of the week during which the license may be used, and the general routes over which the person may travel. These restrictions shall be prepared in written form by the department, which document shall be carried in the vehicle at all times and presented to a law enforcement officer under the same terms as the occupational driver's license. Any violation of the restrictions constitutes a violation of RCW 46.20.342 and subjects the person to all procedures and penalties therefor.

SUBSTITUTE HOUSE BILL NO. 1558, by House Committee on Transportation (originally sponsored by Representatives Mitchell, Hatfield, McDonald, Poulsen, Bush, Constantine and Radcliff) (by request of Washington State Patrol)

Tightening requirements for release of impounded vehicles.
On motion of Senator Goings, the following Committee on Transportation striking amendment was adopted: Strike everything after the enacting clause and insert the following:

*Sec. 1.* RCW 46.55.120 and 1998 c 203 s 5 are each amended to read as follows:

(1) Vehicles or other items of personal property registered or titled with the department that are impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, or 46.55.113 may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized in writing by the registered owner or the vehicle's insurer, a person who is determined and verified by the operator to have the permission of the registered owner of the vehicle or other item of personal property registered or titled with the department, or one who has purchased a vehicle or item of personal property registered or titled with the department from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor, may redeem an impounded vehicle or items of personal property registered or titled with the department. In addition, a vehicle impounded because the operator is in violation of RCW 46.20.342(1)(c) shall not be released until a person eligible to redeem it under this subsection (1)(a) satisfies the requirements of (b) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency. If the department's records show that the operator has been convicted of a violation of RCW 46.20.342 or a similar local ordinance within the past five years, the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. A vehicle impounded because the operator is arrested for a violation of RCW 46.20.342 may be released only pursuant to a written order from the agency that ordered the vehicle impounded. An agency may issue a written order to release pursuant to a provision of an applicable state agency rule or local ordinance authorizing release on the basis of economic or personal hardship to the spouse of the operator, taking into consideration public safety factors, including the operator's criminal history and driving record.

If a vehicle is impounded because the operator is in violation of RCW 46.20.342(1)(a) or (b), the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. However, if the department's records show that the operator has been convicted of a violation of RCW 46.20.342(1)(a) or (b) or a similar local ordinance within the past five years, the vehicle may be held at the written direction of the agency ordering the vehicle impounded for up to sixty days, and for up to ninety days if the operator has two or more such prior offenses. If a vehicle is impounded because the operator is arrested for a violation of RCW 46.20.342, the vehicle may not be released until a person eligible to redeem it under this subsection (1)(a) satisfies the requirements of (b) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency.

(b) The vehicle or other item of personal property registered or titled with the department shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle. In addition, if a vehicle is impounded because the operator was arrested for a violation of RCW 46.20.342 or 46.20.420 and was being operated by the registered owner when it was impounded, it must not be released to any person until the registered owner establishes with the agency that ordered the vehicle impounded or a court having jurisdiction that any penalties, fines, or forfeitures owed by him or her have been satisfied. Registered tow truck operators are not liable for damages if they rely in good faith on an order from the impounding agency or a court in releasing a vehicle held under a suspended license impound. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. If the towing firm can determine through the customer's bank or a check verification service that the presented check would not be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2)(a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle, or item of personal property registered or titled with the department, written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district or municipal court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of...
towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. The municipal court has jurisdiction to determine the issues involving impoundments authorized by agents of the municipality. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the appropriate court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. At the time of the filing of the hearing request, the petitioner shall pay to the court clerk a filing fee in the same amount required for the filing of a suit in district court. If the hearing request is not received by the court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and legal owners of the vehicle or other item of personal property registered or titled with the department, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper. The court may consider a written report made under oath by the officer who authorized the impoundment in lieu of the officer’s personal appearance at the hearing.

(c) At the conclusion of the hearing, the court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with the posted or contracted rates.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be in violation of this chapter, then the registered and legal owners of the vehicle or other item of personal property registered or titled with the department shall bear no impoundment, towing, or storage fees, and any security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the registered tow truck operator against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for the amount of the filing fee required by law for the impound hearing petition as well as reasonable damages for loss of the use of the vehicle during the time the same was impounded, for not less than fifty dollars per day, against the person or agency authorizing the impound. However, if an impoundment arising from an alleged violation of RCW 46.20.342 or 46.20.420 is determined to be in violation of this chapter, then the law enforcement officer directing the impoundment and the government employing the officer are not liable for damages if the officer relied in good faith and without gross negligence on the records of the department in ascertaining that the operator of the vehicle had a suspended or revoked driver’s license. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys’ fees and costs against the defendant in any action to enforce the judgment. MOTION

On motion of Senator Betti Sheldon, further consideration of House Bill No. 1761 was deferred.

MOTION

On motion of Senator Betti Sheldon, the Senate advanced to the eighth order of business.

PARLIAMENTARY INQUIRY

Senator West: "Mr. President, a parliamentary inquiry. I would request that the President remind the members of Reed's Rule 212 which states specifically that a member must not allude to any other member by name, but by some descriptive expression like, 'The gentleman from the Fourth District who last addressed the assembly,' etc. My earlier session comment, I think, could be relevant again."

REPLY BY THE PRESIDENT

President Owen: "Senator West, your point is well taken. As a matter of fact, I have noticed in the last couple of days that not only is there referencing of names, but first names. Heaven forbid! Please, if the members would be careful in referencing other members and how they go about doing that."

PERSONAL PRIVILEGE

Senator McCaslin: "A point of personal privilege, Mr. President. I have talked to the majority leader about this rule. There is a rule-- I haven't looked it up yet--which is debatable. The gentlemen from the Sixth District and I don't want to get into a big debate about it, but there is a rule that would allow us to address our Senators by name, which is much easier. Those folks in the gallery--how many of you up there know who the Sixth District's Senator is?"

RULING BY THE PRESIDENT

President Owen: "Senator McCaslin, you are violating the rules by referencing people in the gallery."
Senator McCaslin: "I know I can't talk to the gallery. I was talking to the security man up there."
President Owen: "Senator McCaslin, you are out of order."
Senator McCaslin: "I agree with you, I am out of order, but I am most of the time. I really think this is more of a personal body than the other body and I think it is only right that we address each other by name as long as we are polite and we are not impugning any motives. It is the easiest thing to say, 'Senator McDonald,' rather than the 'Senator from the Twenty-eighth District.' I just think it is a matter of getting the thing in motion and getting things done, rather than trying to remember what district anyone is from. I don't even know--I'm from the fourth--I just remembered."
"Let's be civil and let's be fair and let's run this body like a friendship body which it is. I don't think calling people by numbers--we might go to Social Security numbers--which would even be worse. Hopefully, the majority leader and the Republican leader would get together and change the rule, because they have that right in Reed's Rules and in the Senate Rules. We hear this all time about names and you are right, I shouldn't call anybody by their first name. That is because I know them and I like them. The Senator from--I don't know what district he is from--but he runs that caucus over there and this one here get together and get that rule changed."

Further debate ensued.

PERSONAL PRIVILEGE

Senator Roach: "A point of personal privilege, Mr. President. I think until we get this resolved that we should have a little list here of the names of the Senators and their districts. While most of us know the districts around our area--I can turn to the Senator that sits right here, whose name I can't use, but I don't know what district he is from. He is from the Clark County area and I just don't know the district number. I was hoping that we could have something that is readable--that those of us who are still working without the cheater glasses--can read and that we could be able to carry on the work of the day. I will point out, Mr. President, that on many occasions for the last years that I have been here, it has been fair game to turn to someone and say, 'Senator--giving the name--will you yield to a question,' and no one has ever said, 'Senator Roach--or the rest of us--you cannot ask the Senator directly to yield to a question, you have to use their district number.' So, we have not even been consistent in the way we are applying the rule."

Further debate ensued.

PERSONAL PRIVILEGE

Senator McCaslin: "A point of personal privilege. We do not obey every rule in the book. Let me point out something that we do incorrectly. It says, 'When a Senator is called to task for impugning the motives of another Senator'--and he is according to your ruling--impugning the motives--the book says he is to sit down until the body approves that he can speak further and you allow him to speak further. That rule is never enforced, because someone has been taken to task and they remain standing and continue. So, we don't go down those rules, rule by rule, and obey them. I think we waste so much time on this. A simple agreement between the two people here and the majority and minority leaders will solve this problem and the Senator from the Sixth won't continue to get up and remind us that we are not allowed to use names. Thank you."

Further debate ensued.

REPLY BY THE PRESIDENT

President Owen: "The President would just like to inform members that he has exercised discretion in this matter over the years as have the two previous Presidents of the Senate--Lieutenant Governors--as my recollection serves me--and had intended to do so. But, when a member brings a rule to the attention of the President and it is the will of the body to have it enforced, then I am forced to do that until you change the rule. So, I would encourage you to carry this debate on outside the floor, so that we can complete the business of the Senate."

NOTE: Numbers in the first horizontal row of each seriousness category represent sentencing midpoints in years(y) and months(m). Numbers in the second and third rows represent presumptive sentencing ranges in months, or in days if so designated. 12+ equals one year and one day.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by 75 percent.

(3) The following additional times shall be added to the presumptive sentence for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any firearm enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the firearm enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a firearm enhancement. If the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible...
for any firearm enhancements, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Five years for any felony defined under any law as a class A felony or with a maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection.

(b) Three years for any felony defined under any law as a class B felony or with a maximum sentence of ten years, or both, and not covered under (f) of this subsection.

(c) Eighteen months for any felony defined under any law as a class C felony or with a maximum sentence of five years, or both, and not covered under (f) of this subsection.

(d) If the offender is being sentenced for any firearm enhancements under (a), (b), and/or (c) of this subsection and the offender has previously been sentenced for any deadly weapon enhancements after July 23, 1995, under (a), (b), and/or (c) of this subsection or subsection (4)(a), (b), and/or (c) of this section, or both, any and all firearm enhancements under this subsection shall be twice the amount of the enhancement listed.

(e) Notwithstanding any other provision of law, any and all firearm enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter.

(f) The firearm enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony.

(g) If the presumptive sentence under this section exceeds the statutory maximum for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender as defined in RCW 9.94A.030. If the addition of a firearm enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(4) The following additional times shall be added to the presumptive sentence for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a deadly weapon as defined in this chapter other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any deadly weapon enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the deadly weapon enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a deadly weapon enhancement. If the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any deadly weapon enhancements, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Two years for any felony defined under any law as a class A felony or with a maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection.

(b) One year for any felony defined under any law as a class B felony or with a maximum sentence of ten years, or both, and not covered under (f) of this subsection.

(c) Six months for any felony defined under any law as a class C felony or with a maximum sentence of five years, or both, and not covered under (f) of this subsection.

(d) The offender is being sentenced under (a), (b), and/or (c) of this subsection for any deadly weapon enhancements and the offender has previously been sentenced for any deadly weapon enhancements after July 23, 1995, under (a), (b), and/or (c) of this subsection or subsection (3)(a), (b), and/or (c) of this section, or both, any and all deadly weapon enhancements under this subsection shall be twice the amount of the enhancement listed.

(e) Notwithstanding any other provision of law, any and all deadly weapon enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter.

(f) The deadly weapon enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony.

(g) If the presumptive sentence under this section exceeds the statutory maximum for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender as defined in RCW 9.94A.030. If the addition of a deadly weapon enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(5) The following additional times shall be added to the presumptive sentence if the offender or an accomplice committed the offense while in a county jail or state correctional facility as that term is defined in this chapter and the offender is
being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility as that term is defined in this chapter, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section:

(a) Eighteen months for offenses committed under RCW 69.50.401(a)(1)(i) or (ii) or 69.50.410;
(b) Fifteen months for offenses committed under RCW 69.50.401(a)(1)(iii), (iv), and (v);
(c) Twelve months for offenses committed under RCW 69.50.401(d).

For the purposes of this subsection, all of the real property of a state correctional facility or county jail shall be deemed to be part of that facility or county jail.

(6) An additional twenty-four months shall be added to the presumptive sentence for any ranked offense involving a violation of chapter 69.50 RCW if the offense was also a violation of RCW 69.50.435.

(7) An additional two years shall be added to the presumptive sentence for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.502 for each prior offense as defined in RCW 46.61.5055.

Sec. 3. RCW 9.94A.320 and 1998 c 290 s 4, 1998 c 219 s 4, 1998 c 82 s 1, and 1998 c 78 s 1 are each reenacted and amended to read as follows:

Sec. 4. RCW 9.94A.030 and 1998 c 290 s 3 are each amended to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with
regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) “Commission” means the sentencing guidelines commission.

(3) “Community corrections officer” means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(4) “Community custody” means that portion of an inmate’s sentence of confinement in lieu of earned early release time or imposed pursuant to RCW 9.94A.120 (6), (8), or (10) served in the community subject to controls placed on the inmate’s movement and activities by the department of corrections.

(5) “Community placement” means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(6) “Community service” means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) “Community supervision” means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) “Confinement” means total or partial confinement as defined in this section.

(9) “Conviction” means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) “Court-ordered legal financial obligation” means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims’ compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys’ fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction. Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to the provisions in RCW 38.52.430.

(11) “Crime-related prohibition” means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(12) “Criminal history” means the list of a defendant’s prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (a) whether the defendant has been placed on probation and the length and terms thereof; and (b) whether the defendant has been incarcerated and the length of incarceration.

(13) “Day fine” means a fine imposed by the sentencing judge that equals the difference between the offender’s net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(14) “Day reporting” means a program of enhanced supervision designed to monitor the defendant’s daily activities and compliance with sentence conditions, and in which the defendant is required to report daily to a specific location designated by the department or the sentencing judge.

(15) “Department” means the department of corrections.

(16) “Determinate sentence” means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through “earned early release” can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(17) “Disposable earnings” means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, “earnings” means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or
insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(18) "Drug offense" means:
(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.401(d)) or forged prescription for a controlled substance (RCW 69.50.403);
(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or
(c) Any out-of-state conviction for an offense that under the laws of this state would be a felony classified as a drug offense under (a) of this subsection.

(19) "Escape" means:
(a) Escape in the first degree (RCW 9A.76.110), escape in the second degree (RCW 9A.76.120), willful failure to return from furlough (RCW 72.66.060), willful failure to return from work release (RCW 72.65.070), or willful failure to be available for supervision by the department while in community custody (RCW 72.09.310); or
(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as an escape under (a) of this subsection.

(20) "Felony traffic offense" means:
(a) Vehicular homicide (RCW 46.61.520), vehicular assault (RCW 46.61.522), eluding a police officer (RCW 46.61.024), or felony hit-and-run injury-accident (RCW 46.52.020(4)); or
(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a felony traffic offense under (a) of this subsection.

(21) "Fines" means the requirement that the offender pay a specific sum of money over a specific period of time to the court.

In addition, any such adult or juvenile who is admitted to a public or private institution of higher education shall, within ten days of enrolling or by the first business day after arriving at the institution, whichever is earlier, notify the sheriff for the county of the person's residence of the person's intent to attend the institution. Persons required to register under this section who are enrolled in a public or private institution of higher education on June 11, 1998, must notify the county sheriff immediately. The sheriff shall notify the institution's department of public safety and shall provide that department with the same information provided to a county sheriff under subsection (3) of this section.

(2) This section may not be construed to confer any powers pursuant to RCW 4.24.500 upon the public safety department of any public or private institution of higher education.

(3) The person shall provide the following information when registering: (a) Name; (b) address; (c) date and place of birth; (d) place of employment; (e) crime for which convicted; (f) date and place of conviction; (g) aliases used; (h) social security number; (i) photograph; and (j) fingerprints.

(4)(a) Offenders shall register with the county sheriff within the following deadlines. For purposes of this section the term "conviction" refers to adult convictions and juvenile adjudications for sex offenses or kidnapping offenses:

(i) OFFENDERS IN CUSTODY. (A) Sex offenders who committed a sex offense on, before, or after February 28, 1990, and who, on or after July 28, 1991, are in custody, as a result of that offense, of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, and (B) kidnapping offenders who on or after July 27, 1997, are in custody of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, must register at the time of release from custody with an official designated by the agency that has jurisdiction over the offender. The agency shall within three days forward the registration information to the county sheriff for the county of the offender's anticipated residence. The offender must also register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. The agency that has jurisdiction over the offender shall provide notice to the offender of the duty to register. Failure to register at the time of release and within twenty-four hours of release constitutes a violation of this section and is punishable as provided in subsection (9) of this section.

When the agency with jurisdiction intends to release an offender with a duty to register under this section, and the agency has knowledge that the offender is eligible for developmental disability services from the department of social and health services, the agency shall notify the division of developmental disabilities of the release. Notice shall occur not more than thirty days before the offender is to be released. The agency and the division shall assist the offender in meeting the initial registration requirement under this section. Failure to provide such assistance shall not constitute a defense for any violation of this section.

(ii) OFFENDERS NOT IN CUSTODY BUT UNDER STATE OR LOCAL JURISDICTION. Sex offenders who, on July 28, 1991, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of corrections's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 28, 1991. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of correction's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to register under this subsection (4)(a)(ii) as of July 28, 1991, or a kidnapping offender required to register as of July 27, 1997, shall not relieve the offender of the duty to register or to reregister following a change in residence. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iii) OFFENDERS UNDER FEDERAL JURISDICTION. Sex offenders who, on or after July 23, 1995, and kidnapping offenders who, on or after July 27, 1997, as a result of that offense are in the custody of the United States bureau of prisons or other federal or military correctional agency for sex offenses committed before, on, or after February 28, 1990, or kidnapping offenses committed on, before, or after July 27, 1997, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. Sex offenders who, on July 23, 1995, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 23, 1995. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to
register under this subsection (4)(a)(iii) as of July 23, 1995, or a kidnapping offender required to register as of July 27, 1997 shall not relieve the offender of the duty to register or to reregister following a change in residence, or if the person is not a resident of Washington, the county of the person’s school, or place of employment or vocation. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iv) OFFENDERS WHO ARE CONVICTED BUT NOT CONFINED. Sex offenders who are convicted of a sex offense on or after July 28, 1991, for a sex offense that was committed on or after February 28, 1990, and kidnapping offenders who are convicted on or after July 27, 1997, for a kidnapping offense that was committed on or after July 27, 1997, but who are not sentenced to serve a term of confinement immediately upon sentencing, shall report to the county sheriff to register immediately upon completion of being sentenced.

(v) OFFENDERS WHO ARE NEW RESIDENTS OR RETURNING WASHINGTON RESIDENTS. Sex offenders and kidnapping offenders who move to Washington state from another state or a foreign country that are not under the jurisdiction of the state department of corrections, the indeterminate sentence review board, or the state department of social and health services at the time of moving to Washington, must register within thirty days of establishing residence or reestablishing residence if the person is a former Washington resident. The duty to register under this subsection applies to sex offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after February 28, 1990, and to kidnapping offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after July 27, 1997. Sex offenders and kidnapping offenders from other states or a foreign country who, when they move to Washington, are under the jurisdiction of the department of corrections, the indeterminate sentence review board, or the department of social and health services must register within twenty-four hours of moving to Washington. The agency that has jurisdiction over the offender shall notify the offender of the registration requirements before the offender moves to Washington.

(vi) OFFENDERS FOUND NOT GUILTY BY REASON OF INSANITY. Any adult or juvenile who has been found not guilty by reason of insanity under chapter 10.77 RCW of (A) committing a sex offense on, before, or after February 28, 1990, and who, on or after July 23, 1995, is in custody, as a result of that finding, of the state department of social and health services, or (B) committing a kidnapping offense on, before, or after July 27, 1997, and who on or after July 27, 1997, is in custody, as a result of that finding, of the state department of social and health services, must register within twenty-four hours from the time of release with the county sheriff for the county of the person’s residence. The state department of social and health services shall provide notice to the adult or juvenile in its custody of the duty to register. Any adult or juvenile who has been found not guilty by reason of insanity of committing a sex offense on, before, or after February 28, 1990, but who was released before July 23, 1995, or any adult or juvenile who has been found not guilty by reason of insanity of committing a kidnapping offense but who was released before July 27, 1997, shall be required to register within twenty-four hours of receiving notice of this registration requirement. The state department of social and health services shall make reasonable attempts within available resources to notify sex offenders who were released before July 23, 1995, and kidnapping offenders who were released before July 27, 1997. Failure to register within twenty-four hours of release, or of receiving notice, constitutes a violation of this section and is punishable as provided in subsection (9) of this section.

(b) Failure to register within the time required under this section constitutes a per se violation of this section and is punishable as provided in subsection (9) of this section. The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of this section, or arraignment on charges for a violation of this section, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under this section who asserts as a defense the lack of notice of the duty to register shall register immediately following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (4)(c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.

(d) The deadlines for the duty to register under this section do not relieve any sex offender of the duty to register under this section as it existed prior to July 28, 1991.

(5)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must send written notice of the change of address to the county sheriff within seventy-two hours of moving. If any person required to register pursuant to this section moves to a new county, the person must send written notice of the change of address at least fourteen days before moving to the county sheriff in the new county of residence and must register with that county sheriff within twenty-four hours of moving. The person must also send written notice within ten days of the change of address in the new county to the county sheriff with whom the person last registered. The county sheriff with whom the person last registered shall promptly forward the information concerning the change of address to the county sheriff for the county of the
person's new residence. If any person required to register pursuant to this section moves out of Washington state, the person must also send written notice within ten days of moving to the new state or a foreign country to the county sheriff with whom the person last registered in Washington state. Upon receipt of notice of change of address to a new state, the county sheriff shall promptly forward the information regarding the change of address to the agency designated by the new state as the state's offender registration agency.

(b) It is an affirmative defense to a charge that the person failed to send a notice at least fourteen days in advance of moving as required under (a) of this subsection that the person did not know the location of his or her new residence at least fourteen days before moving. The defendant must establish the defense by a preponderance of the evidence and, to prevail on the defense, must also prove by a preponderance that the defendant sent the required notice within twenty-four hours of determining the new address.

(6) A sex offender subject to registration requirements under this section who applies to change his or her name under RCW 4.24.130 or any other law shall submit a copy of the application to the county sheriff of the county of the person's residence and to the state patrol not fewer than five days before the entry of an order granting the name change. No sex offender under the requirement to register under this section at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate law enforcement interests, except that no order shall be denied when the name change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. A sex offender under the requirement to register under this section who receives an order changing his or her name shall submit a copy of the order to the county sheriff of the county of the person's residence and to the state patrol within five days of the entry of the order.

(7) The county sheriff shall obtain a photograph of the individual and shall obtain a copy of the individual's fingerprints.

If the crime was other than a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be other than a felony, violation of this section is a gross misdemeanor.

Sec. 6. RCW 9.94A.360 and 1998 c 211 s 4 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.
(2) Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.400(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) The concurrent relationship of the sentences was judicially imposed; and (iii) The concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and ½ point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for ((Murder 1 or 2, Assault 1, Assault of a Child 1, Kidnapping 1, Homicide by Abuse, or Rape 1)) a serious violent offense, count three points for prior adult and juvenile convictions for crimes in ((these categories)) this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense ((or serious traffic offense,)) count one point for each adult and ½ point for each juvenile prior conviction(((This subsection shall not apply when additional time is added to a sentence pursuant to RCW 46.61.520(2))); for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and ½ point for each juvenile prior conviction.
(12) If the present conviction is for a drug offense count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(13) If the present conviction is for Willful Failure to Return from Furlough, RCW 72.66.060, Willful Failure to Return from Work Release, RCW 72.65.070, or Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as ½ point.

(14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as ½ point.

(15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(16) If the present conviction is for a sex offense, count priors as in subsections (7) through (15) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(17) If the present conviction is for an offense committed while the offender was under community placement, add one point.

Sec. 7. RCW 9.94A.400 and 1998 c 235 s 2 are each amended to read as follows:

(1)(a) Except as provided in (b) or (c) of this subsection, whenever a person is to be sentenced for two or more current offenses, the sentence range for each current offense shall be determined by using all other current and prior convictions as if they were prior convictions for the purpose of the offender score: PROVIDED, That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime. Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.120 and 9.94A.390(2)(g) or any other provision of RCW 9.94A.390. “Same criminal conduct,” as used in this subsection, means two or more crimes that require the same criminal intent, are committed at the same time and place, and involve the same victim. This definition applies in cases involving vehicular assault or vehicular homicide even if the victims occupied the same vehicle.

(b) Whenever a person is convicted of two or more serious violent offenses, as defined in RCW 9.94A.030, arising from separate and distinct criminal conduct, the sentence range for the offense with the highest seriousness level under RCW 9.94A.320 shall be determined using the offender’s prior convictions and other current convictions that are not serious violent offenses in the offender score and the sentence range for other serious violent offenses shall be determined by using an offender score of zero. The sentence range for any offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under (b) of this subsection shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection.

(c) If an offender is convicted under RCW 9.41.040 for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, (with each offense committed during the same criminal conduct) the sentence range for each of these current offenses shall be determined by using all other current and prior convictions, except other current convictions for the felony crimes listed in this subsection (1)(c), as if they were prior convictions. The offender shall serve consecutive sentences for each conviction of the felony crimes listed in this subsection (1)(c), and for each firearm unlawfully possessed.

(2)(a) Except as provided in (b) of this subsection, whenever a person while under sentence of felony commits another felony and is sentenced to another term of confinement, the latter term shall not begin until expiration of all prior terms.

(b) Whenever a second or later felony conviction results in community supervision with conditions not currently in effect, under the prior sentence or sentences of community supervision the court may require that the conditions of community supervision contained in the second or later sentence begin during the immediate term of community supervision and continue throughout the duration of the consecutive term of community supervision.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence of a felony, the sentence shall run concurrently with any felony sentence which has been imposed by any court in this or another state or by a federal court subsequent to the commission of the crime being sentenced unless the court pronouncing the current sentence expressly orders that they be served consecutively.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) However, in the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community service, community supervision, or any other requirement or conditions of any of the sentences. Except for exceptional sentences as authorized under RCW 9.94A.120(2), if two or more sentences that run consecutively include periods of community supervision, the aggregate of the community supervision period shall not exceed twenty-four months.*

Debate ensued.

POINT OF INQUIRY

Senator Franklin: "Senator Finkbeiner, my question is that person would be used as an alternative not a substitute. Further, that person, then with a name in a pool would be withdrawn and they would be able to be called now as a substitute teacher in order to teach a class?"

Senator Finkbeiner: "The way the underlying bill works, and I'll explain that real quick, because it pertains to the amendment. It says that retired principals and retired teachers can come back and fill in when there is a need of a substitute for a principal or a teacher, and that is a good bill and I think we are all supporting that. All we are saying with this amendment is that if a school wanted to, they could bring in--for instance if they couldn't find a substitute that day, which happens--a teacher just told me about this occurrence just five minutes ago, where they cannot find a substitute to come in and teach a class, they could if they felt that somebody was qualified to bring in a retired public employee. They don't have to; they don't get drawn out of a hat. It is not a random chance thing. It would only be in the instance where a school felt that it would be worth while to bring in this retired public employee instead of either an unqualified substitute teacher or no substitute teacher at all. Does that answer your question, Senator Franklin?"

Senator Franklin: "Yes. Thank you, Senator, for your explanation."

Further debate ensued.

Senator Finkbeiner demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the adoption of the amendment by Senators Hochstatter, Stevens and Zarelli on page 2, line 27 and page 3, lines 2, 5, 15 and 19, to the Committee on Education striking amendment to House Bill No. 1761.

The community residential facility shall provide written notice of the offender's criminal history to any school that the offender attends while

(d) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical furloughs.

(e) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2)(a) If a juvenile found to have committed a violent offense, a sex offense, or stalking escapes from a facility of the department, the secretary shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the juvenile resided immediately before the juvenile’s arrest. (5) Upon discharge, parole, transfer to a community residential facility, or other authorized leave or release, a convicted juvenile sex offender shall not attend a public or approved private elementary, middle, or high school that is attended by a victim or a sibling of a victim of the sex offender. The parents or legal guardians of the convicted juvenile sex offender shall be responsible for transportation or other costs associated with or required by the sex offender's change in school that otherwise would be paid by a school district. Upon discharge, parole, transfer to a community residential facility, or other authorized leave or release of a convicted juvenile sex offender, the secretary shall send written notice of the discharge, parole, or other authorized leave or release and the requirements of this subsection to the common school district board of directors of the district in which the sex offender intends to reside or the district in which the sex offender last attended school, whichever is appropriate. POINT OF ORDER

Senator Finkbeiner: "I rise to a point of order. I challenge the scope and object of this amendment. House Bill No. 1599 creates extraordinary criminal justice accounts in order to reimburse counties for certain costs relating to the adjudication of aggravated murder cases. The appropriations may be made from the general fund or from public safety and education accounts. The bill's purpose is to address this one specific problem which is that local governments and particularly local governments in rural areas do not have the resources in their budgets to deal with an aggravated murder case. The bill gives the county some financial relief when an aggravated murder case threatens to break the county budget, as has happened recently.

"The striking amendment adds two completely separate and independent issues--funding for regional law libraries through increased filing fees and increasing fees for parties making a demand for a jury trial as well as authorizing fees for a party requesting a trial to a no vote or an arbitration award. These additions do not, in any way, address county funding of aggravated murder cases, which is the focus of the underlying bill. Instead, the amendment brings in new issues which are not addressed in the contents of the underlying bill and for that reason, I ask that you find the amendment outside the scope and object of the underlying bill. I would like to say that I am rising to challenge Sections two and three of the amendment by Senators Costa, Sheahan, Kline, McCaslin and Heavey. Thank you."

Further debate ensued.

MOTION

On motion of Senator Betti Sheldon, further consideration of House Bill No. 1599 was deferred.

POINT OF ORDER

Senator Snyder: "A point of order, Mr. President. It is now 3:30 p.m. and time to consider the Special Order of Business on Substitute House Bill No. 1189."

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1189, by House Committee on Local Government (originally sponsored by Representatitives Van Luven, Scott, Radcliff, Kenney, Mitchell, Tokuda, D. Schmidt, Dickerson, McIntire, Esser, Lambert, Cairnes, Ballasiotes, Constantine, Cody, H. Sommers, Murray, Santos and Parlette)

The bill was read the second time.

The election of metropolitan park commissioners shall be null and void if the metropolitan park district is not created. Candidates shall run for specific commission positions. (1) A primary shall not be held to nominate candidates. The person receiving the greatest number of votes for each position shall be elected as a metropolitan park commissioner. An election shall not be held to elect the initial metropolitan park district commissioners if such an option is taken.

The board shall annually elect one of their number as president and another of their number as clerk of the board. The composition of a board under this subsection that was created before January 1, 1999, may not be altered once the metropolitan park district has been created.

(2) The composition of a board of metropolitan park district commissioners established as permitted under RCW 35.61.050(2) may be altered to a separately elected board of park commissioners once the metropolitan park district has been created only by a majority vote of the voters in the district, and then only if the potential for such an alteration was stated in the resolution or petition to create the district.

When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy shall take precedence over all other levies and shall not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 84.52.069, 84.34.230, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, and 84.52.105, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies shall be reduced as follows: (a) The portion of the levy by a metropolitan park district that is protected under RCW 84.52.120 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; (b) if the combined rate of regular property tax levies
subject to the one percent limitation in a county containing a metropolitan park district governed under RCW 35.61.050(2) still
exceeds one percent of the true and fair value of any property, then the remaining levy for that metropolitan park district shall be
reduced until the combined rate no longer exceeds one percent or shall be eliminated; (c) if the combined rate of regular property
tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the
levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of
thirty cents per thousand dollars of assessed value, shall be reduced on a pro rata basis until the combined rate no longer exceeds
one percent of the true and fair value of any property or shall be eliminated; and (d) if the combined rate of regular property
tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the
thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 shall be reduced until the
combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property
shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these
limitations:

(a) First, the certified property tax rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145,
and 67.38.130 shall be reduced on a pro rata basis or eliminated;
(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax rates of flood
control zone districts shall be reduced on a pro rata basis or eliminated;
(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax rates of all other
junior taxing districts, other than fire protection districts, library districts, the first fifty cent per thousand dollars of assessed
valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public
hospital districts, shall be reduced on a pro rata basis or eliminated;
(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax rates authorized
to fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated; and
(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax rates authorized
for fire protection districts under RCW 52.16.130, library districts, metropolitan park districts under their first fifty cent per thousand
dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation
levy, shall be reduced on a pro rata basis or eliminated.

In determining whether the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW
84.52.050, exceeds the limitations provided in that section, the assessor shall use the hypothetical state levy, as apportioned to
the county under RCW 84.48.080, that was computed under RCW 84.48.080 without regard to the reduction under RCW
84.55.012.

NEW SECTION. Sec. 16. A new section is added to chapter 35.61 RCW to read as follows:

Notwithstanding any other provision of this chapter, but without eliminating or overriding the requirements for unanimous
board action and consent under RCW 35.61.132, the voters of a metropolitan park district governed under RCW 35.61.050(2)
have the power to initiate and refer to themselves legislation to prevent or authorize the disposition of specified real property of the
district. The powers of initiative and referendum within this subject area shall be exercised in the same manner and with the same
effect as permitted for the voters of the city with which the metropolitan park district shares its boundaries.

NEW SECTION. Sec. 17. A new section is added to chapter 35.61 RCW to read as follows:

Notwithstanding any other provision of this chapter, but without eliminating or overriding the requirements for unanimous
board action and consent contained in RCW 35.61.132 for the disposition of property, the voters of a metropolitan park district
governed under RCW 35.61.050(2) shall have the power, within the scope of the functions of such a metropolitan park district, to
initiate and refer to themselves legislation to the same extent and on the same matters as do the voters of the city with which the
metropolitan park district shares its boundaries. These powers of initiative and referendum shall be exercised in the same manner
and with the same effect as permitted for the voters of that city."

The President declared the question before the Senate to be the motion by Senator Patterson to not adopt
the Committee on State and Local Government striking amendment to Substitute House Bill No. 1189.

The motion by Senator Patterson carried and the committee striking amendment was not adopted.

MOTION

Senator Kohl-Welles moved that the following striking amendment by Senators Kohl-Welles, Kline, Hale,

(1) A ballot proposition authorizing the creation of a metropolitan park district shall be submitted by ordinance to the voters of a city with a population of at least five thousand at any general election, or at any special election which may be called for that purpose, if the election is held in an odd numbered year; and (b) if a petition if a petition proposing creation of a metropolitan park district is submitted to the county auditor that has been signed by at least fifteen percent of the registered voters residing in the city, the metropolitan park district shall be created that is coextensive with the limits of the city as now or hereafter established, inclusive of territory annexed to and forming a part of the city.

(3) Territory by virtue of its annexation to any city having heretofore created a park district shall be deemed to be annexed to the metropolitan park district.

Sec. 3. RCW 35.61.030 and 1985 c 469 s 32 are each amended to read as follows:

(1) The ballot proposition authorizing the creation of a metropolitan park district that is submitted to voters for their approval or rejection shall appear on the ballot of the next general election; or, at the option of the legislative authority, at the next special election date specified under RCW 29.13.020 occurring sixty or more days after the adoption of the last resolution proposing the creation of the park district, or the date the county auditor certifies that the petition proposing the creation of the park district contains sufficient valid signatures.

Sec. 4. RCW 35.61.050 and 1994 c 223 s 23 are each amended to read as follows:

(1) Except as provided under subsection (2) of this section, five park commissioners shall be elected at large as the initial members of the board of park commissioners for the metropolitan park district at the same election at which the ballot proposition is submitted to the voters as to whether a metropolitan park district is to be formed. The election of metropolitan park commissioners shall be null and void if the metropolitan park district is not created. Candidates shall run for specific commission positions. A primary shall not be held to nominate candidates. The person receiving the greatest number of votes for each position shall be elected as a metropolitan park commissioner. The staggering of the terms of office shall occur as follows: (a) The two persons who are elected receiving the two greatest numbers of votes shall be elected to six-year terms of office if the election is held in an odd-numbered year or five-year terms of office if the election is held in an even-numbered year; (b) the two persons who are elected receiving the next two greatest numbers of votes shall be elected to four-year terms of office if the election is held in an odd-numbered year or three-year terms of office if the election is held in an even-numbered year; and (c) the other person who is elected shall be elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year.

Thereafter, all commissioners shall be elected to six-year terms of office at general elections held in odd-numbered years.

All commissioners shall serve until their respective successors are elected and qualified and assume office in accordance with RCW 29.04.170. Vacancies shall occur and shall be filled as provided in chapter 42.12 RCW.

2. The ballot proposition creating a new metropolitan park district that only consists of a city with a population of five hundred thousand or more may provide for the city's legislative authority (including the elected mayor, if any, acting in the mayor's ordinary legislative capacity) to act in an ex officio and independent capacity as the board of commissioners for the metropolitan park district. An election shall not be held to elect the initial metropolitan park district commissioners if such an option is taken.

Sec. 5. RCW 35.61.120 and 1965 c 7 s 35.61.120 are each amended to read as follows:

The board shall annually elect one of their number as president and another of their number as clerk of the board. The composition of a board under this subsection that was created before January 1, 1999, may not be altered once the metropolitan park district has been created.

2. The composition of a board of metropolitan park district commissioners established as permitted under RCW 35.61.050(2) may be altered to a separately elected board of park commissioners once the metropolitan park district has been created only by a majority vote of the voters in the district, and then only if the potential for such an alteration was stated in the resolution or petition to create the district.

Sec. 6. RCW 35.61.130 and 1969 c 54 s 1 are each amended to read as follows:

1. Except as provided in subsection (2) of this section, a metropolitan park district has the right of eminent domain, and may purchase, acquire, and condemn lands lying within or without the boundaries of the park district, for public parks, parkways, boulevards, (aviation landings) and playgrounds, and may condemn such lands for any of the following purposes: (a) To widen, alter, and extend streets, avenues, boulevards, parkways, (aviation landings) and playgrounds; (b) to alter, enlarge, and extend existing parks; and (c) to acquire lands for the establishment of new parks, boulevards, parkways, (aviation landings) and playgrounds.

2. A metropolitan park district formed after January 1, 1999, has no power to condemn lands outside its boundaries.

3. The right of eminent domain shall be exercised and instituted pursuant to resolution of the board of metropolitan park commissioners and conducted in the same manner and under the same procedure as is or may be provided by law for the exercise of the power of eminent domain by (incorporated) cities (and towns) of the state of Washington in the acquisition of property rights. However, funds to pay for condemnation allowed by this section shall be raised only as specified in this chapter.

4. The board of metropolitan park commissioners may employ counsel and fix their salaries and duties. In a metropolitan park district governed under RCW 35.61.050(2), the city's mayor shall serve ex officio as the chief executive officer of the metropolitan park district unless otherwise provided by the board of metropolitan park district commissioners.

5. The board of metropolitan park commissioners may provide for park police, for a secretary of the board of metropolitan park commissioners, and for all necessary employees, (and) fix their salaries and duties. In a metropolitan park district governed under RCW 35.61.050(2), the city's mayor shall serve ex officio as the chief executive officer of the metropolitan park district unless otherwise provided by the board of metropolitan park district commissioners.

6. The board of metropolitan park commissioners may improve, acquire, extend and maintain, open, and lay out(ing) parks, parkways, boulevards, avenues, (aviation landings) and playgrounds, within or without the metropolitan park district.

7. 8. The board of metropolitan park commissioners may provide generally for the management and conduct of such forms of recreation or business as it shall judge desirable or beneficial for the public, or for the production of revenue for expenditure for parks and recreation purposes.
(9) The board of metropolitan park commissioners may pay out moneys for: (a) The maintenance and improvement of any such public parks, parkways, boulevards, avenues, (aviation landings) and playgrounds as now exist, or the right to which may hereafter be acquired, within or without the limits of (said city and for) the metropolitan park district; (b) the purchase of lands within or without the limits of (said city) the metropolitan park district, whenever it deems the purchase to be for the benefit of the public and for the interest of the metropolitan park district, and for the maintenance and improvement thereof; and (c) all expenses incidental to its duties (provided, that). However, all parks, boulevards, parkways, (aviation landings) and playgrounds shall be subject to the police regulations of the city or county within whose limits they lie.

Sec. 7. RCW 35.61.132 and 1989 c 319 s 4 are each amended to read as follows:

(1) An ex officio board of metropolitan park district commissioners is authorized, by unanimous board decision and with the approval of the legislative authority of the city within which it is located, to convey any or all of its real or personal property to that city.

(2) Except as set forth in subsection (3) of this section, every metropolitan park district may, by unanimous decision of its board of park commissioners, sell, exchange, or otherwise dispose of any real or personal property acquired for park or recreational purposes when such property is declared surplus for park or other recreational purposes: PROVIDED, That where the property is acquired by donation or dedication for park or recreational purposes, the consent of the donor or dedicatee, his or her heirs, successors, or assigns is first obtained if the consent of the donor is required in the instrument conveying the property to the metropolitan park district. In the event the donor or dedicatee, his or her heirs, successors, or assigns cannot be located after a reasonable search, the metropolitan park district may petition the superior court in the county where the property is located for approval of the sale. If sold, all sales shall be by public bids and sale made only to the highest and best bidder.

(3) In addition to the conditions contained in subsection (2) of this section, a metropolitan park district with an ex officio board of park commissioners shall not declare surplus its real property acquired for park or recreational purposes without first having offered to donate that property to the city within which it is located.

Sec. 8. RCW 35.61.150 and 1998 c 121 s 1 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, metropolitan park commissioners shall perform their duties and may provide, by resolution passed by the commissioners, for the payment of compensation to each of its commissioners at a rate of up to seventy dollars for each day or portion of a day devoted to the business of the district. However, the compensation for each commissioner must not exceed six thousand seven hundred twenty dollars per year. Any commissioner may waive all or any portion of his or her compensation payable under this subsection as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

(2) Metropolitan park commissioners who serve in an ex officio capacity shall perform their duties as park commissioners without additional compensation.

Sec. 9. RCW 35.61.180 and 1987 c 203 s 1 are each amended to read as follows:

(The county treasurer of the county within which all, or the major portion, of the district lies shall be the ex officio treasurer of a metropolitan park district, but shall receive no compensation other than his or her regular salary for receiving and disbursing the funds of a metropolitan park district.) (1) The treasurer of a metropolitan park district shall be the city treasurer of the most populous city included in the district's boundaries. The city treasurer, when acting as the treasurer of a metropolitan park district, shall receive no compensation other than his or her regular salary for acting as the treasurer of a metropolitan park district. The city treasurer may not charge a greater amount for treasury services than permitted for the county treasurer for similar services under RCW 36.29.020.

(2) The treasurer of a metropolitan park district with an ex officio board of park commissioners established under RCW 35.61.050(2) shall be the city treasurer. The city treasurer shall possess and may exercise all powers with respect to the metropolitan park district that are possessed by a county treasurer with respect to a county, other than the authority to collect property taxes. The city treasurer, when acting as the treasurer of a metropolitan park district, shall receive no compensation other than his or her regular salary for acting as the treasurer of the metropolitan park district. The city treasurer may not charge a greater amount for treasury services than permitted for the county treasurer for similar services under RCW 36.29.020.

(3) Notwithstanding the provisions of subsection (1) of this section, a metropolitan park district with a separately elected board of park commissioners may designate someone other than the (city) city treasurer who has experience in financial or fiscal affairs to act as the district treasurer if the board has received the approval of the (city) city treasurer to designate this person. If the board of metropolitan park commissioners designates someone other than the (city) city treasurer to act as the district treasurer, the board shall purchase a bond from a surety company operating in the state that is sufficient to protect the district from loss. A district treasurer so designated shall possess all powers relating to the metropolitan park district that are possessed by the city treasurer.
Sec. 10. RCW 35.61.200 and 1983 c 167 s 56 are each amended to read as follows:

Any coupons for the payment of interest on metropolitan park district bonds shall be considered for all purposes as warrants drawn upon the metropolitan park district fund against which the bonds were issued, and when presented after maturity to the treasurer of the (county having custody of the fund) metropolitan park district, if there are no funds in the treasury to pay the coupons, the (county) metropolitan park district treasurer shall endorse (said) the coupons as presented for payment, in the same manner as county warrants are endorsed, and thereafter the coupon shall bear interest at the same rate as the bond to which it was attached. If there are no funds in the treasury to make payment on a bond not having coupons, the interest payment shall continue bearing interest at the bond rate until it is paid, unless otherwise provided in the proceedings authorizing the sale of the bonds.

Sec. 11. RCW 35.61.250 and 1985 c 416 s 4 are each amended to read as follows:

1) The territory adjoining a metropolitan park district with a separately elected board of park commissioners may be annexed to and become a part (hereof upon) of the metropolitan park district under a petition and (an) election (held pursuant thereto) method of annexation. The petition shall define the territory proposed to be annexed and must be signed by twenty-five registered voters, resident within the territory proposed to be annexed, unless the territory is within the limits of another city when it must be signed by twenty percent of the registered voters residing within the territory proposed to be annexed. The petition must be addressed to the board of park commissioners requesting that the question be submitted to the legal voters of the territory proposed to be annexed, whether they will be annexed and become a part of the metropolitan park district.

2) A metropolitan park district with an ex officio board of park commissioners as provided under RCW 35.61.050(2) may not annex territory under the provisions of RCW 35.61.250 through 35.61.280 and shall maintain boundaries identical with those of the city in which it is located, including any territory annexed by the city.

Sec. 12. RCW 35.61.290 and 1985 c 416 s 5 are each amended to read as follows:

1) (a) Except as set forth in (b) of this subsection, any city within or comprising any metropolitan park district may turn over to the park district any lands, facilities, equipment, or interests in any lands, facilities, or equipment which it may own, or any street, avenue, or public place within the city for playground, park or parkway purposes, and thereafter its control and management shall vest in the board of metropolitan park commissioners((PROVIDED, That)). However, the police regulations of the city, or the county should the premises be outside the city limits, shall apply to all such premises.

(b) A metropolitan park district created with an ex officio board of park commissioners shall never become the owner of a park that, at the time of creation of the district, was owned by the city in which the metropolitan park district was created. Additionally, the legislative authority of a city in which a metropolitan park district with an ex officio board of park commissioners is created may not contract with that district for overall management and operation of any city parks and recreation facilities or lease any city parks and recreation facilities to that district except for a zoo and an aquarium including related administrative and support facilities. For such contracts the city legislative authority must first hold a public hearing on the proposed lease or proposed management and operation by the metropolitan park district. At least ten days prior to the hearing, there shall be published a public notice setting forth the date, time, and place of the hearing, at least once in a local newspaper of general circulation. Notice of the hearing shall also be mailed or otherwise delivered to all who would be entitled to notice of a special meeting of the city legislative authority under RCW 42.30.080. The notice shall identify the parks and recreation facilities involved. The terms and conditions under which the city proposes to lease to the metropolitan park district or contract with the metropolitan park district for management and operation shall be available upon request from and after the date of publication of the hearing notice and at the hearing, and after the public hearing the city legislative authority may amend the proposed terms and conditions at open public meetings.

2) At any time that any such metropolitan park district is unable, through lack of sufficient funds, to provide for the continuous operation, maintenance, and improvement of the parks and playgrounds and other properties or facilities owned by it or under its control, and the legislative body of any city within or comprising such metropolitan park district shall determine that an emergency exists requiring the financial aid of such city to be extended in order to provide for such continuous operation, maintenance, and/or improvement of parks, playgrounds facilities, other properties, and programs of such park district within its limits, (such) the city may grant or loan to (such) the metropolitan park district such of its available funds, or such funds which it may lawfully procure and make available, as it shall find necessary to provide for such continuous operation and maintenance and, pursuant thereto, any (such) city and the board of park commissioners of (such) the metropolitan park district are authorized and empowered to enter into an agreement embodying such terms and conditions of any such grant or loan as may be mutually agreed upon.

3) The board of metropolitan park commissioners may accept public streets of the city and grounds for public purposes when donated for park, playground, boulevard and park purposes.
((42)) (4) Counties may turn over to a metropolitan park district any park and recreation lands and parks and recreation facilities and equipment or interests in any lands, facilities, or equipment that they own, and the board of metropolitan park commissioners may accept such lands and equipment or interests in any lands, facilities, or equipment.

NEW SECTION. Sec. 13. A new section is added to chapter 35.61 RCW to read as follows:

(1)(a) A metropolitan park district governed under RCW 35.61.050(2) may contract with a nonprofit corporation or other public organization, including the city whose voters created the district, for the overall management and operation of any parks and recreation facilities, including a zoo and an aquarium for which the district has a management and operations contract under RCW 35.61.290(1)(b). No such contract for the overall management and operation of any parks and recreation facilities by a nonprofit corporation or other public organization shall have an initial term or any renewal term longer than thirty years but may be renewed by the ex officio board of park commissioners upon the expiration of an initial or any renewal term.

(b) A metropolitan park district governed under RCW 35.61.050(2) may, however, grant and may authorize the managing and operating entity to grant to any nonprofit corporation or other public or private organization franchises or concessions that further the public use and enjoyment of parks and recreation facilities, and may contract and may authorize the managing and operating entity to contract with any public or private organization for such specific services as are routinely so procured by the city whose voters created the district.

(2) Before approving each initial and any renewal contract with a nonprofit corporation for the overall management and operation of any parks and recreation facilities, the ex officio board of metropolitan park commissioners shall hold a public hearing on the proposed management and operation by such a nonprofit corporation. At least ten days prior to the hearing, there shall be published a public notice setting forth the date, time, and place of the hearing, at least once in a local newspaper of general circulation. Notice of the hearing shall also be mailed or otherwise delivered to all who would be entitled to notice of a special meeting of the board under RCW 42.30.080. The notice shall identify the parks and recreation facilities involved and the nonprofit corporation proposed for management and operation under contract with the metropolitan park district. The terms and conditions under which the metropolitan park district proposes to contract with the nonprofit corporation for management and operation shall be available upon request from and after the date of publication of the hearing notice and at the hearing, but after the public hearing the board of metropolitan park commissioners may amend the proposed terms and conditions at open public meetings.

(3) A metropolitan park district governed under RCW 35.61.050(2) shall contract with the city whose voters created the district to carry out all of the metropolitan park district's management and operations except for the management and operation of parks and recreation facilities for which the metropolitan park district has a contract with another public agency or a nonprofit corporation under subsection (1) or (2) of this section. The contract with the city may provide for its termination if the metropolitan park district commissioners approve a contract with another entity under subsection (1) or (2) of this section.

(4) The nonprofit corporation or other public organization with responsibility for overall management or operation of any parks and recreation facilities may in carrying out that responsibility manage and supervise employees of the metropolitan park district governed under RCW 35.61.050(2) and may hire, fire, and otherwise discipline those employees. A civil service established under RCW 35.61.140 may include such management and supervision by persons not employed by the metropolitan park district.

NEW SECTION. Sec. 14. A new section is added to chapter 35.61 RCW to read as follows:

(1) Notwithstanding any provisions to the contrary contained in a city charter, and to the extent provided by the city under an appropriate legislative enactment, some or all employees of a metropolitan park district with an ex officio board of park commissioners may be included in the retirement plan of a city that shares territory with the metropolitan park district if they were previously employed by the city and were members of its retirement plan. The city and metropolitan park district are each authorized to pay the parts of the expense of operating and maintaining the retirement system and to contribute to the retirement fund on behalf of employees those sums as may be agreed upon between the legislative authorities of the city and the metropolitan park district, but a proportionate share of system expenses must be borne by or on behalf of the metropolitan park district employees.

(2) In a metropolitan park district with an ex officio board of park commissioners, neither the chief executive officer nor officers chiefly responsible for operating a facility or program, as designated by the board of metropolitan park commissioners, shall be members of the civil service that may be established under RCW 35.61.140.

Sec. 15. RCW 84.52.010 and 1995 2nd sp.s. c 13 s 4 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county...
When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy shall take precedence over all other levies and shall not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 84.52.069, 84.34.230, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, and 84.52.105, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies shall be reduced as follows: (a) The portion of the levy by a metropolitan park district that is protected under RCW 84.52.120 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; (b) if the combined rate of regular property tax levies subject to the one percent limitation in a county containing a metropolitan park district governed under RCW 35.61.050(2) still exceeds one percent of the true and fair value of any property, then the remaining levy for that metropolitan park district shall be reduced until the combined rate no longer exceeds one percent or shall be eliminated; (c) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, shall be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; and (d) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, and 67.38.130 shall be reduced on a pro rata basis or eliminated;

(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or eliminated;

(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts created before January 1, 1999, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, shall be reduced on a pro rata basis or eliminated;

(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated; and

(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, library districts, metropolitan park districts created before January 1, 1999, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, shall be reduced on a pro rata basis or eliminated.

In determining whether the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.050, exceeds the limitations provided in that section, the assessor shall use the hypothetical state levy, as apportioned to the county under RCW 84.48.080, that was computed under RCW 84.48.080 without regard to the reduction under RCW 84.55.012.

NEW SECTION. Sec. 16. A new section is added to chapter 35.61 RCW to read as follows:

Notwithstanding any other provision of this chapter, but without eliminating or overriding the requirements for unanimous board action and consent contained in RCW 35.61.132 for the disposition of property, the voters of a metropolitan park district governed under RCW 35.61.050(2) shall have the power, within the scope of the functions of such a metropolitan park district, to initiate and refer to themselves legislation to the same extent and on the same matters as do the voters of the city with which the metropolitan park district shares its boundaries. These powers of initiative and referendum shall be exercised in the same manner and with the same effect as permitted for the voters of that city.
Senator Horn: "Senator Kohl-Welles, this is a new striking amendment. We have not had much chance to see very much of it. I wonder if you would explain to us whether this contains the option to have the metropolitan park district to have their own security forces?"

Senator Kohl-Welles: "The authority for the metropolitan park district, and remember it is only in the city of Seattle that is affected here, would be able to hire park police. This is an existing law and when we passed the Senate version of this bill, we did include an amendment to take that part out at the request of the city of Tacoma Police Department. We found out later that, in fact, there was a lot of opposition to doing that and the King County Labor Council is opposed to that. This restores the language that is in existing statutes now. If the Tacoma Police Department wants to make a change in the exiting statutes, then it is perfectly able to introduce a bill to do that during the next legislative session."

MOTION

Senator Horn moved that the following amendments by Senators Horn, McCaslin and Heavey to the striking amendment by Senators Kohl-Welles, Kline, Hale, Long, Gardner and Patterson be considered simultaneously and be adopted:

Senator McCaslin: “Thank you, Mr. President. On page 5, Sub (2) of Section six, it says, ‘A metropolitan park district formed after January 1, 1999, has no power to condemn lands outside its boundaries.’ It doesn't say anything about buying them.”

Sec. 3. RCW 89.08.110 and 1973 1st ex.s. c 184 s 12 are each amended to read as follows:

The commission shall give due notice of the election, which shall state generally the purpose of the election, the date thereof, the place and hours of voting, and set forth the boundaries of the proposed district.

Only qualified district electors within the proposed district as determined by the commission may vote at the election. Each voter shall vote in the polling place nearest ((this)) the voter's residence. ((If he resides outside the district, he shall vote at the nearest polling place of the district.))

Sec. 5. RCW 89.08.150 and 1973 1st ex.s. c 184 s 16 are each amended to read as follows:
If a majority of the votes cast at the election are against the creation of the district, the commission shall deny the petition. If a majority favor the district, the commission shall determine the practicability of the project.

In making such determination, the commission shall consider the attitude of the ((land occupants)) voters of the district; the number of eligible voters who voted at the election; the size of the majority vote; the wealth and income of the land occupiers; the probable expense of carrying out the project; and any other economic factors relevant thereto.

If the commission finds that the project is impracticable it shall enter an order to that effect and deny the petition. When the petition has been denied, no new petition covering the same or substantially the same area may be filed within six months therefrom.

Sec. 6. RCW 89.08.180 and 1973 1st ex.s. c 184 s 19 are each amended to read as follows:
Territory may be added to an existing district upon filing a petition as in the case of formation with the commission by ((occupiers of the lands)) twenty percent of the voters of the affected area to be included. The same procedure shall be followed as for the creation of the district.

As an alternate procedure, the commission may upon the petition of a majority of the ((land occupants)) voters in any one or more districts or in unorganized territory adjoining a conservation district change the boundaries of a district, or districts, if such action will promote the practical and feasible administration of such district or districts.

Upon petition of the boards of supervisors of two or more districts, the commission may approve the combining of all or parts of such districts and name the district, or districts, with the approval of the name by the secretary of state. A public hearing and/or a referendum may be held if deemed necessary or desirable by the commission in order to determine the wishes of ((land occupants)) the voters,
When districts are combined, the joint boards of supervisors will first select a chairman, secretary and other necessary officers and select a regular date for meetings. All elected supervisors will continue to serve as members of the board until the expiration of their current term of office, and/or until the election date nearest their expiration date. All appointed supervisors will continue to serve until the expiration of their current term of office, at which time the commission will make the necessary appointments. In the event that more than two districts are combined, a similar procedure will be set up and administered by the commission.

When districts are combined or territory is moved from one district to another, the property, records and accounts of the districts involved shall be distributed to the remaining district or districts as approved by the commission. A new certificate of organization, naming and describing the new district or districts, shall be issued by the secretary of state.

**NEW SECTION. Sec. 7.** A new section is added to chapter 89.08 RCW to read as follows:

The local governing body of any city or incorporated town within an existing district may approve by majority vote a petition to withdraw from the district. The petition shall be submitted to the district for its approval. If approved by the district, the petition shall be sent to the commission. The commission shall approve the petition and forward it to the secretary of state and the boundary of the district shall be adjusted accordingly. If the petition is not approved by the district, the district shall adopt a resolution specifying the reasons why the petition is not approved. The petition and the district's resolution shall be sent to the commission for its review. The commission shall approve or reject the petition based upon criteria it has adopted for the evaluation of petitions in dispute. If the commission approves the petition, it shall forward the petition to the secretary of state and the boundaries of the district shall be adjusted accordingly. The criteria used by the commission to evaluate petitions which are in dispute shall be adopted as rules by the commission under chapter 34.05 RCW, the administrative procedure act.

Sec. 8. RCW 89.08.350 and 1973 1st ex.s. c 184 s 25 are each amended to read as follows:

At any time after five years from the organization of a district, ((one hundred and occupants)) twenty percent of the voters in the district may file with the commission a petition, praying that the district be dissolved. The commission may hold public hearings thereon, and within sixty days from receipt of the petition, shall give due notice of an election on the question of dissolution. It shall provide appropriate ballots, conduct the election, canvass the returns, and declare the results in the same manner as for elections to create a district.

All district electors may vote at the election. No informality relating to the election shall invalidate it if notice is substantially given and the election is fairly conducted.

Sec. 9. RCW 89.08.360 and 1973 1st ex.s. c 184 s 26 are each amended to read as follows:

If a majority of the votes cast at the election are for dissolution, the district shall be dissolved. ((If two-thirds of the votes are against dissolution, the commission shall determine whether the continuance of the district is practicable. In making the determination it shall consider all the factors considered by it in determining that the district was practicable originally. If it finds that further operation of the district is impracticable it shall order it dissolved and certify its determination to the supervisors.))

Sec. 10. RCW 89.08.370 and 1973 1st ex.s. c 184 s 27 are each amended to read as follows:

If the district is ordered dissolved, the supervisors shall forthwith terminate the affairs of the district and dispose of all district property at public auction, and pay the proceeds therefrom to pay any debts of the district and any remaining balance to the state treasurer.

They shall then file a verified application with the secretary of state for the dissolution of the district, accompanied by a certificate of the commission reciting the determination that further operation of the district is impracticable. The application shall recite that the property of the district has been disposed of, that the proceeds therefrom have been used to pay any debts of the district and any remaining balance paid to the treasurer, and contain a full accounting of the property and proceeds. Thereupon the secretary shall issue to the supervisors a certificate of dissolution and file a copy thereof in his or her records.

**NEW SECTION. Sec. 11.** RCW 89.08.380 (Effect of dissolution--Commission substituted) and 1973 1st ex.s. c 184 s 28 & 1955 c 304 s 28 are each repealed.*

NEW SECTION. Sec. 1. INTENT. The legislature finds that financial information is personal and sensitive information that if unlawfully obtained by others may do significant harm to a person's privacy, financial security, and other interests. The legislature finds that unscrupulous persons find ever more clever ways, including identity theft, to improperly obtain and use financial information. The legislature intends to penalize unscrupulous people for improperly obtaining financial information.

NEW SECTION. Sec. 2. PROHIBITING ATTEMPTS TO IMPROPERLY OBTAIN FINANCIAL INFORMATION. (1) No person may obtain or attempt to obtain, or cause to be disclosed or attempt to cause to be disclosed to any person, financial information from a financial information repository:

(2) No person may request another person to obtain financial information from a financial information repository and knows or should have known that the person will obtain or attempt to obtain the information from the financial institution repository in any manner described in subsection (1) of this section.

(3) As used in this section, unless the context clearly requires otherwise:

(5) This section does not apply to:

(a) Efforts by the financial information repository to test security procedures or systems of the financial institution repository for maintaining the confidentiality of customer information;

MOTIONS

On motion of Senator Shin, the following title amendment was adopted:

On page 1, line 1 of the title, after "information;" strike the remainder of the title and insert "reenacting and amending RCW 9A.82.010; adding a new chapter to Title 9 RCW; prescribing penalties; and providing an effective date."

On motion of Senator Shin, the rules were suspended, Substitute House Bill No. 1250, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

The President declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1250, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 1250, as amended by the Senate, and the bill passed the Senate by the following vote:  Yeas, 49; Nays, 0; Absent, 0; Excused, 0.

SUBSTITUTE HOUSE BILL NO. 1250, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.
There being no objection, the Senate resumed consideration of House Bill No. 1599 and the pending striking amendment by Senators Costa, Sheahan, Kline, McCaslin and Heavey, deferred earlier today.

**RULING BY THE PRESIDENT**

President Owen: "In ruling upon the point of order raised by Senator Finkbeiner to the scope and object of the striking amendment by Senators Costa, Sheahan, Kline, McCaslin and Heavey, the President finds that House Bill No 1599 is a measure which creates an extraordinary criminal justice account to reimburse counties for costs related to aggravated murder cases.

"The striking amendment would also create an extraordinary criminal justice account in section one. However, section two would provide funds to regional county law libraries through increased court filing fees; and section three would generally increase fees for jury demands and for trial de novo requests.

"The President, therefore, finds that because sections two and three of the amendment do change the scope and object of the bill, the point of order is well taken.

"The President would once again remind the members that it is not the title of the bill, but the body of the bill that determines the scope and object."

The striking amendment by Senators Costa, Sheahan, Kline, McCaslin and Heavey to House Bill No. 1599 was ruled out of order.

**MOTION**

Senator Morton moved that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION.** Sec. 1. A new section is added to chapter 43.330 RCW to read as follows:

Counties may submit a petition for relief to the office of public defense for reimbursement of extraordinary criminal justice costs. Extraordinary criminal justice costs are defined as those associated with investigation, prosecution, indigent defense, jury impanelment, expert witnesses, interpreters, incarceration, and other adjudication costs of aggravated murder cases.

(1) The office of public defense, in consultation with the Washington association of prosecuting attorneys and the Washington association of sheriffs and police chiefs, shall develop procedures for processing the petitions, for auditing the veracity of the petitions, and for prioritizing the petitions. Prioritization of the petitions shall be based on, but not limited to, such factors as disproportionate fiscal impact relative to the county budget, efficient use of resources, and whether the costs are extraordinary and could not be reasonably accommodated and anticipated in the normal budget process.

(2) Before January 1st of each year, the office of public defense, in consultation with the Washington association of prosecuting attorneys and the Washington association of sheriffs and police chiefs, shall develop and submit to the appropriate fiscal committees of the senate and house of representatives a prioritized list of submitted petitions that are recommended for funding by the legislature."

The state building construction account appropriation in this section is subject to the following conditions and limitations:

1. The total appropriation is provided to the department solely to transfer from trust status or enter into thirty-year timber harvest restrictive easements for certain trust lands of state-wide significance deemed appropriate for state park, fish and wildlife habitat, natural area preserve, natural resources conservation area, open space, or recreation purposes.

2. Property transferred under this section shall be appraised and transferred at fair market value. The value of the timber transferred shall be deposited by the department to the common school construction account in the same manner as timber revenues from other common school trust lands. No deduction shall be made for the resource management cost account under RCW 79.64.040. The value of the land transferred shall be deposited in the natural resources real property replacement account. These funds shall be expended by the department for the exclusive purpose of acquiring real property of equal value to be managed as common school trust land.

3. Property subject to easement agreements under this section shall be appraised at fair market value both with and without the imposition of the easement. The entire difference in appraised value shall be deposited by the department to the common school construction fund in the same manner as lease revenues from other common school trust lands. No deduction shall be made for the resource management cost account under RCW 79.64.040.

4. All reasonable costs incurred by the department to implement this section are authorized to be paid out of this appropriation. Authorized costs include the actual cost of appraisals, staff time, environmental reviews, surveys, and other similar costs.

5. Intergrant exchanges between common school and other trust lands of equal value may occur if the exchange is in the interest of each trust, as determined by the board of natural resources.

6. Prior to or concurrent with conveyance of these properties, the department, with full cooperation of the receiving agencies, shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section for a minimum period of thirty years. The department of natural resources, in consultation with the receiving state agencies, shall develop policy to address requests to replace transferred properties subject to the recorded property instrument that are no longer deemed appropriate for the purposes identified in subsection (1) of this section.

7. The department and receiving agencies shall work in good faith to carry out the intent of this section. However, the department or receiving agencies may remove a property from the transfer list in subsection (8) of this section if, based on new, substantive information, it is determined that transfer of the property is not in the state-wide interest of either the common school trust or the receiving agency.

8. The appropriation in this section is provided to execute transfers or easements for the list of properties identified in LEAP capital document No. 99-3, as developed on April 8, 1999, as follows: Projects in category A shall be transferred; to the extent that local funding is provided for the land value of the property, projects in category B shall be transferred; and projects in category C and remaining projects in category B may be transferred or leased as funding allows.

9. The department shall execute trust land transfers and easements such that 90 percent of the appropriation in this section is deposited in the common school construction fund. To achieve the 90:10 ratio, the department may offset transfers of property with low timber-to-land ratios with easements on other properties.
(10) On June 30, 2001, the state treasurer shall transfer all remaining uncommitted funds from this appropriation to the common school construction fund and the appropriation in this section shall be reduced by an equivalent amount.

The Washington state arts commission may combine the proceeds from individual projects in order to fund larger works of art or mobile art displays in consultation with the state agency.

(4) At least eighty-five percent of the moneys spent by the Washington state arts commission during the 1999-01 biennium for the purposes of RCW 28A.335.210, 28B.10.027, and 43.17.200 shall be spent solely for direct acquisition of works of art.

**NEW SECTION. Sec. 907. The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts.

**NEW SECTION. Sec. 908. "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 1999, from the 1997-99 biennial appropriations for each project.

**NEW SECTION. Sec. 909. To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

**NEW SECTION. Sec. 910. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate committee on ways and means and the house of representatives capital budget committee.

**NEW SECTION. Sec. 911. (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

**NEW SECTION. Sec. 912. Any capital improvements or capital projects involving construction or major expansion of a state office facility, including, but not limited to, district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation, colocation, and compliance with state office standards before allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

**NEW SECTION. Sec. 913. The governor, through the office of financial management, may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes which govern the grants.

For purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if: (1) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (2) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

For the purposes of this section, the legislature intends that each project be defined as proposed to the legislature in the governor’s budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

A report of any transfer effected under this section except emergency projects or any transfer under $250,000 shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before
the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

NEW SECTION. Sec. 914. The department of information services shall act as lead agency in coordinating video telecommunications services for state agencies. As lead agency, the department shall develop standards and common specifications for leased and purchased telecommunications equipment and assist state agencies in developing a video telecommunications expenditure plan. No agency may spend any portion of any appropriation in this act for new video telecommunications equipment, new video telecommunications transmission, or new video telecommunications systems without first complying with chapter 43.105 RCW, including but not limited to RCW 43.105.041(2), and without first submitting a video telecommunications equipment expenditure plan, in accordance with the policies of the department of information services, for review and assessment by the department of information services under RCW 43.105.052. Before any such expenditure by a public school, a video telecommunications expenditure plan shall be approved by the superintendent of public instruction. The office of the superintendent of public instruction shall submit the plans to the department of information services in a form prescribed by the department. The office of the superintendent of public instruction shall coordinate the use of the video telecommunications in public schools by providing educational information to local school districts and shall assist local school districts and educational service districts in telecommunications planning and curriculum development. Before any such expenditure by a public institution of postsecondary education, a telecommunications expenditure plan shall be approved by the higher education coordinating board. The higher education coordinating board shall coordinate the use of video telecommunications for instruction and instructional support in postsecondary education, including the review and approval of instructional telecommunications course offerings.

NEW SECTION. Sec. 915. Electronic copies of all completed predesigns, BEST studies, value engineering studies, and constructability reviews performed pursuant to appropriations contained in this act will be forwarded to the department of general administration in a format prescribed by the department. These documents will serve as a means to share information and lessons that may be useful in other projects. Best practices, changes in technology and materials, new approaches to resolving facility and construction problems, and any other useful information will be shared among all agencies and the public through use of the Internet.

NEW SECTION. Sec. 916. The legislature finds that opportunities for additional student enrollment capacity at higher education facilities can be created by increased course scheduling, more intensive space utilization practices, and the delivery of distance learning programs. By May 1, 2000, the institutions of higher education and the state board for community and technical colleges shall review course scheduling and weekly room use standards and determine if additional student capacity can be reasonably obtained by changes in practices. Further, this review shall include an assessment of options to increase distance learning programs as a means to further increase student full-time equivalent capacity. The findings of this review and the delineation of the course scheduling and weekly room use assumptions shall be submitted to the higher education coordinating board and the office of financial management for review and approval.

Institutions of higher education receiving appropriations for predesign, design, or construction of branch campus facilities in this act shall work with the higher education coordinating board and the office of financial management to identify options and prepare plans to increase the full-time equivalent capacity of these projects and all future construction phases for these campuses. The goal of these plans is to substantially increase full-time equivalent delivery capacity above the level identified in the appropriation section. The plans shall identify alternative program delivery strategies, options to increase use of distance learning and technology, plans to improve space utilization, and other recommendations to meet this goal. Branch campuses to be analyzed in these plans include Vancouver, Tacoma, Bothell, Tri-Cities, and Spokane. The development of these plans shall include consultation with every institution that is planned to offer services at each site. Proposals for changes in the facilities to be constructed in future phases shall clearly identify costs and schedule alternatives, and currently designed construction projects shall proceed on schedule.

Sec. 917. RCW 43.98A.040 and 1997 c 235 s 718 are each amended to read as follows:

(1) Moneys appropriated for this chapter to the habitat conservation account shall be distributed in the following way:

(a) Not less than thirty-five percent for the acquisition and development of critical habitat;

(b) Not less than twenty percent for the acquisition and development of natural areas;

(c) Not less than fifteen percent for the acquisition and development of urban wildlife habitat; and

(d) The remaining amount shall be considered unallocated and shall be used by the committee to fund high priority acquisition and development needs for critical habitat, natural areas, and urban wildlife habitat. During the fiscal biennium ending June 30, 2001, the remaining amount reappropriated from the fiscal biennium ending June 30, 1999, may be allocated for matching grants for riparian zone habitat protection projects that implement watershed plans under the program established in section 329(6), chapter 235, Laws of 1997.

(2) In distributing these funds, the committee retains discretion to meet the most pressing needs for critical habitat, natural areas, and urban wildlife habitat, and is not required to meet the percentages described in subsection (1) of this section in any one biennium.

(3) Only state agencies may apply for acquisition and development funds for critical habitat and natural areas projects under subsection (1)(a), (b), and (d) of this section.
State and local agencies may apply for acquisition and development funds for urban wildlife habitat projects under subsection (1)(c) and (d) of this section.

Sec. 918. RCW 43.98A.060 and 1997 c 235 s 719 are each amended to read as follows:

(1) The committee may adopt rules establishing acquisition policies and priorities for distributions from the habitat conservation account.

(2) Moneys appropriated for this chapter may not be used by the committee to fund additional staff positions or other overhead expenses, or by a state, regional, or local agency to fund operation and maintenance of areas acquired under this chapter, except that the committee may use moneys appropriated for this chapter for the fiscal biennium ending June 30, (2001), for the administrative costs of implementing the pilot watershed plan implementation program established in section 329(6), chapter 235, Laws of 1997, and developing an inventory of publicly owned lands established in section 329(7), chapter 235, Laws of 1997.

(3) Moneys appropriated for this chapter may be used for costs incidental to acquisition, including, but not limited to, surveying, expenses, fencing, and signing.

(4) Except as provided in subsection (5) of this section, the committee may not approve a local project where the local agency share is less than the amount to be awarded from the habitat conservation account.

(5) During the fiscal biennium ending June 30, (2001), the committee may approve a riparian zone habitat protection project established in section 329(6), chapter 235, Laws of 1997, where the local agency share is less than the amount to be awarded from the habitat conservation account.

(6) In determining acquisition priorities with respect to the habitat conservation account, the committee shall consider, at a minimum, the following criteria:

(a) For critical habitat and natural areas proposals:
   (i) Community support;
   (ii) Immediacy of threat to the site;
   (iii) Uniqueness of the site;
   (iv) Diversity of species using the site;
   (v) Quality of the habitat;
   (vi) Long-term viability of the site;
   (vii) Presence of endangered, threatened, or sensitive species;
   (viii) Enhancement of existing public property;
   (ix) Consistency with a local land use plan, or a regional or state-wide recreational or resource plan; and
   (x) Educational and scientific value of the site.

(b) For urban wildlife habitat proposals, in addition to the criteria of (a) of this subsection:
   (i) Population of, and distance from, the nearest urban area;
   (ii) Proximity to other wildlife habitat;
   (iii) Potential for public use; and
   (iv) Potential for use by special needs populations.

(7) Before October 1st of each even-numbered year, the committee shall recommend to the governor a prioritized list of state agency projects to be funded under RCW 43.98A.040(1) (a), (b), and (c). The governor may remove projects from the list recommended by the committee and shall submit this amended list in the capital budget request to the legislature. The list shall include, but not be limited to, a description of each project; and shall describe for each project any anticipated restrictions upon recreational activities allowed prior to the project.

(8) Before October 1st of each year, the committee shall recommend to the governor a prioritized list of all local projects to be funded under RCW 43.98A.040(1)(c). The governor may remove projects from the list recommended by the committee and shall submit this amended list in the capital budget request to the legislature. The list shall include, but not be limited to, a description of each project and any particular match requirement, and describe for each project any anticipated restrictions upon recreational activities allowed prior to the project.

Sec. 919. RCW 43.98A.070 and 1997 c 235 s 720 are each amended to read as follows:

(1) In determining which state parks proposals and local parks proposals to fund, the committee shall use existing policies and priorities.

(2) Moneys appropriated for this chapter may not be used by the committee to fund additional staff or other overhead expenses, or by a state, regional, or local agency to fund operation and maintenance of areas acquired under this chapter, except that the committee may use moneys appropriated for this chapter for the fiscal biennium ending June 30, (2001), for the administrative costs of implementing the pilot watershed plan implementation program established in section 329(6), chapter 235, Laws of 1997, and developing an inventory of publicly owned lands established in section 329(7), chapter 235, Laws of 1997.
(3) Moneys appropriated for this chapter may be used for costs incidental to acquisition, including, but not limited to, surveying expenses, fencing, and signing.

(4) The committee may not approve a project of a local agency where the share contributed by the local agency is less than the amount to be awarded from the outdoor recreation account.

(5) The committee may adopt rules establishing acquisition policies and priorities for the acquisition and development of trails and water access sites to be financed from moneys in the outdoor recreation account.

(6) In determining the acquisition and development priorities, the committee shall consider, at a minimum, the following criteria:
   (a) For trails proposals:
      (i) Community support;
      (ii) Immediacy of threat to the site;
      (iii) Linkage between communities;
      (iv) Linkage between trails;
      (v) Existing or potential usage;
      (vi) Consistency with an existing local land use plan or a regional or state-wide recreational or resource plan;
      (vii) Availability of water access or views;
      (viii) Enhancement of wildlife habitat; and
      (ix) Scenic values of the site.
   (b) For water access proposals:
      (i) Community support;
      (ii) Distance from similar water access opportunities;
      (iii) Immediacy of threat to the site;
      (iv) Diversity of possible recreational uses; and
      (v) Public demand in the area.

The governor may remove projects from the list recommended by the committee and shall submit this amended list in the capital budget request to the legislature. The list shall include, but not be limited to, a description of each project; and shall describe for each project any anticipated restrictions upon recreational activities allowed prior to the project.

(8) Before October 1st of each year, the committee shall recommend to the governor a prioritized list of all local projects to be funded under RCW 43.98A.050(1) (b), (c), and (d) of this act. The governor may remove projects from the list recommended by the committee and shall submit this amended list in the capital budget request to the legislature. The list shall include, but not be limited to, a description of each project and any particular match requirement, and describe for each project any anticipated restrictions upon recreational activities allowed prior to the project.

Sec. 920. RCW 43.98A.050 and 1990 1st ex.s. c 14 s 6 are each amended to read as follows:

(1) Moneys appropriated for this chapter to the outdoor recreation account shall be distributed in the following way:
   (a) Not less than twenty-five percent to the state parks and recreation commission for the acquisition and development of state parks, with at least seventy-five percent of this money for acquisition costs. However, during the 1999-2001 biennium, distributions for acquisition and development of state parks shall not exceed four million two hundred fifty thousand dollars, and the proportion for acquisition costs shall be determined by the commission;
   (b) Not less than twenty-five percent for the acquisition, development, and renovation of local parks, with at least fifty percent of this money for acquisition costs;
   (c) Not less than fifteen percent for the acquisition and development of trails;
   (d) Not less than ten percent for the acquisition and development of water access sites, with at least seventy-five percent of this money for acquisition costs; and
   (e) The remaining amount shall be considered unallocated and shall be distributed by the committee to state and local agencies to fund high priority acquisition and development needs for parks, trails, and water access sites, except that for the 1999-2001 biennium, unallocated funds may not be distributed to projects in the state parks category.

(2) In distributing these funds, the committee retains discretion to meet the most pressing needs for state and local parks, trails, and water access sites, and is not required to meet the percentages described in subsection (1) of this section in any one biennium.

(3) Only local agencies may apply for acquisition, development, or renovation funds for local parks under subsection (1)(b) of this section.

(4) State and local agencies may apply for funds for trails under subsection (1)(c) of this section.

(5) State and local agencies may apply for funds for water access sites under subsection (1)(d) of this section.

NEW SECTION. Sec. 921. A new section is added to chapter 43.83B RCW to read as follows:
The state drought preparedness account is created in the state treasury. All receipts from appropriated funds designated for the account and funds transferred from the state emergency water projects revolving account must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for drought preparedness.

NEW SECTION. Sec. 922. The state treasurer shall transfer $6,800,000 from the state emergency water projects revolving account to the state drought preparedness account created in section 921 of this act. $500,000 will remain in the state emergency water projects revolving account for its original purpose or purposes.

NEW SECTION. Sec. 923. The state treasurer shall transfer $2,500,000 from the state convention and trade center account to the Washington housing trust account.

NEW SECTION. Sec. 924. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

MOTION

Senator Hargrove moved that the following amendments to the Committee on Ways and Means striking amendment be considered simultaneously and be adopted:

On page 83, strike lines 7 through 11 and adjust the total appropriations accordingly.

On page 83, after line 15, insert the following:

"NEW SECTION. Sec. 332. FOR TEACHER SALARY ENHANCEMENTS

Twenty-three million dollars from the outdoor recreation account and twenty-five million dollars from the habitat conservation account are appropriated to the teacher salary enhancement account, which is hereby created in the state treasury. Moneys in the account may be expended exclusively for the purpose of providing salary enhancements to certificated instructional staff in the common school system."

Renumber the sections consecutively and correct any internal references accordingly.

POINT OF ORDER

Senator Bauer: "A point of order, Mr. President. I believe that the amendments are out of the scope and object of the bill. The capital budget is an act relating to making appropriations and authorizing expenditure for capital improvements, amending RCW 43.98A.40 and so forth. The amendments would use capital bond monies to--one-time capital bond money--to pay for teacher's salaries that are taken care of in the operating budget. So, I believe it is not only out of scope, but it is out of object as well."

Debate ensued.

MOTION

On motion of Senator Betti Sheldon, further consideration of Substitute House Bill No. 1165 was deferred.

SECOND READING

ENGROSGED SECOND SUBSTITUTE HOUSE BILL NO. 1493, by House Committee on Appropriations (originally sponsored by Representatives Tokuda, Boldt, Edwards, Lovick, Veloria, O'Brien, Barlean, Ogden, Conway, Schual-Berke, Murray, Dickerson, Kenney, Regala, Cooper, Stensen, Cody, Anderson, Santos, Rockefeller, Kagi, Edmonds, Lantz and Wood)

Establishing a collaborative effort to address the housing needs of homeless children and their families.

The bill was read the second time.

MOTION

Senator Hargrove moved that the following striking amendment by Senators Hargrove, Long, Costa, Patterson, Kohl-Welles, Thibaudeau, Stevens, Sheahan and Zarelli be adopted:

Strike everything after the enacting clause and insert the following:
The legislature finds that homelessness for families with children is a serious, widespread problem that has a devastating effect on children, including significant adverse effects upon their growth and development. Planning for and serving the shelter and housing needs of homeless families with children has been and continues to be a responsibility of the department of community, trade, and economic development. The legislature further finds that the department of social and health services also plays an important role in addressing the service needs of homeless families with children. In order to adequately and effectively address the complex issues confronting homeless families with children, planning for, implementing, and evaluating such services must be a collaborative effort between the department of community, trade, and economic development and the department of social and health services, other local, state, and federal agencies, and community organizations. It is the intent of the legislature that the department of community, trade, and economic development and the department of social and health services jointly present the plan to the appropriate committees of the legislature as required in section 3 of this act. It is the intent of the legislature that children should not be placed or retained in the foster care system if family homelessness is the primary reason for placement or the continuation of their placement. It is the further intent of the legislature that services to homeless families with children shall be provided within funds appropriated for that specific purpose by the legislature in the operating and capital budgets. Nothing in this act is intended to prevent the court’s review of the plan developed by the department of social and health services and the department of community, trade, and economic development under Washington State Coalition for the Homeless v. Department of Social and Health Services, King County Superior Court No. 91-2-15889-4. However, it is the intent of the legislature that the court’s review in that proceeding be confined solely to review of the plan submitted under the order of February 4, 1998. Nothing in sections 1 through 10 of this act is intended to grant the court in this proceeding continuing review over the department of social and health services after the effective date of this act.

NEW SECTION. Sec. 1. A new section is added to chapter 43.20A RCW to read as follows:

(1) The department shall collaborate with the department of community, trade, and economic development in the development of the coordinated and comprehensive plan for homeless families with children required under RCW 43.63A.650, which designates the department of community, trade, and economic development as the state agency with primary responsibility for providing shelter and housing services to homeless families with children. In fulfilling its responsibilities to collaborate with the department of community, trade, and economic development pursuant to RCW 43.63A.650, the department shall develop, administer, supervise, and monitor its portion of the plan. The department’s portion of the plan shall contain at least the following elements:

(a) Coordination or linkage of services with shelter and housing;
(b) Accommodation and addressing the needs of homeless families in the design and administration of department programs;
(c) Participation of the department’s local offices in the identification, assistance, and referral of homeless families; and
(d) Ongoing monitoring of the efficiency and effectiveness of the plan’s design and implementation.

(2) The department shall include community organizations involved in the delivery of services to homeless families with children, and experts in the development and ongoing evaluation of the plan.

(3) The duties under this section shall be implemented within amounts appropriated for that specific purpose by the legislature in the operating and capital budgets.

Sec. 2. A new section is added to chapter 43.63A RCW to read as follows:

(1) The department shall be the principal state department responsible for coordinating federal and state resources and activities in housing, except for programs administered by the Washington state housing finance commission under chapter 43.180 RCW, and for evaluating the operations and accomplishments of other state departments and agencies as they affect housing.

(2) The department shall work with local governments, tribal organizations, local housing authorities, nonprofit community or neighborhood-based organizations, and regional or state-wide nonprofit housing assistance organizations, for the purpose of coordinating federal and state resources with local resources for housing.

(3) The department shall be the principal state department responsible for providing shelter and housing services to homeless families with children. The department shall have the principal responsibility to coordinate, plan, and oversee the state’s activities for developing a coordinated and comprehensive plan to serve homeless families with children. The plan shall be developed collaboratively with the department of social and health services. The department shall include community organizations involved in the delivery of services to homeless families with children, and experts in the development and ongoing evaluation of the plan. The department shall follow professionally recognized standards and procedures. The plan shall be implemented within amounts appropriated by the legislature for that specific purpose in the operating and capital budgets. The department shall submit the plan to the appropriate committees of the senate and house of representatives no later than September 1, 1999, and shall update the plan and submit it to the appropriate committees of the legislature by January 1st of every odd-numbered year through 2007. The plan shall address at least the following: (a) The need for prevention assistance; (b) the need for emergency shelter; (c) the need for transitional assistance to aid families into permanent housing; (d) the need for linking services with shelter or housing; and (e) the need for ongoing monitoring of the efficiency and effectiveness of the plan’s design and implementation.

NEW SECTION. Sec. 3. A new section is added to chapter 43.63A RCW to read as follows:
(1) In order to improve services for the homeless, the department, within amounts appropriated by the legislature for this specific purpose, shall implement a system for the ongoing collection and analysis of data about the extent and nature of homelessness in Washington state, giving emphasis to information about extent and nature of homelessness in Washington state families with children. The system may be merged with other data gathering and reporting systems and shall:
   (a) Protect the right of privacy of individuals;
   (b) Provide for consultation and collaboration with state agencies including the department of social and health services, experts, and community organizations involved in the delivery of services to homeless persons; and
   (c) Include related information held or gathered by other state agencies.

NEW SECTION, Sec. 5. A new section is added to chapter 43.63A RCW to read as follows:
The department shall, by rule, establish program standards, eligibility standards, eligibility criteria, and administrative rules for emergency housing programs and specify other benefits that may arise in consultation with providers.

Sec. 6. RCW 13.34.030 and 1998 c 130 s 1 are each amended to read as follows:
For purposes of this chapter:
(1) "Child" and "juvenile" means any individual under the age of eighteen years.
(2) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until the child returns home, an adoption decree, a permanent custody order, or guardianship order is entered, or the dependency is dismissed, whichever occurs soonest. If the most recent date of removal occurred prior to the filing of a dependency petition under this chapter or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of a child's current placement episode.
(3) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to RCW 13.34.232 for the limited purpose of assisting the court in the supervision of the dependency.
(4) "Dependent child" means any child:
   (a) Who has been abandoned; that is, where the child’s parent, guardian, or other custodian has expressed either by statement or conduct, an intent to forego, for an extended period, parental rights or parental responsibilities despite an ability to do so. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child’s parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon;
   (b) Who is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child; or
   (c) Who has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development.
(5) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.
(6) "Guardian ad litem" means a person, appointed by the court to represent the best interest of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.
(7) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.
(8) "Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child’s parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.
(9) "Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services, including housing services, capable of preventing the need for out-of-home placement while protecting the child. Housing services may include, but are not limited to, referrals to federal, state, local, or private agencies or organizations, assistance with forms and applications, or financial subsidies for housing.

Sec. 7. RCW 74.13.020 and 1979 c 155 s 76 are each amended to read as follows:
As used in Title 74 RCW, child welfare services shall be defined as public social services including adoption services which strengthen, supplement, or substitute for, parental care and supervision for the purpose of:
(1) Preventing or remedying, or assisting in the solution of problems which may result in families in conflict, or the neglect, abuse, exploitation, or criminal behavior of children;
(2) Protecting and caring for (homeless) dependent or neglected children;
(3) Assisting children who are in conflict with their parents, and assisting parents who are in conflict with their children with services designed to resolve such conflicts;
(4) Protecting and promoting the welfare of children, including the strengthening of their own homes where possible, or, where needed;
(5) Providing adequate care of children away from their homes in foster family homes or day care or other child care agencies or facilities.

As used in this chapter, child means a person less than eighteen years of age.

The department’s duty to provide services to homeless families with children is set forth in section 2 of this act and in appropriations provided by the legislature for implementation of the plan.

Sec. 8. RCW 74.13.031 and 1998 c 314 s 10 are each amended to read as follows:
The department shall have the duty to provide child welfare services and shall:
(1) Develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of (homeless) runaway, dependent, or neglected children.
(2) Within available resources, recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and annually report to the governor and the legislature concerning the department’s success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."
(3) Investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency: PROVIDED, That an investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child’s parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.
(4) Offer, on a voluntary basis, family reconciliation services to families who are in conflict.
(5) Monitor out-of-home placements, on a timely and routine basis, to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010, and annually submit a report measuring the extent to which the department achieved the specified goals to the governor and the legislature.
(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.
(7) Have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.
(8) Have authority to purchase care for children; and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.
(9) Establish a children’s services advisory committee which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.
(10) Have authority to provide continued foster care or group care for individuals from eighteen through twenty years of age to enable them to complete their high school or vocational school program.
(11) Have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department of social and health services under subsections (4), (6), and (7) of this section, subject
to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(12) Within amounts appropriated for this specific purpose, provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

Sec. 9. RCW 13.34.130 and 1998 c 314 s 2 and 1998 c 130 s 2 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services, including housing assistance, that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is related to the child as defined in RCW 74.15.020(4)(a) and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child’s home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child’s parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child’s disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds: (a) Termination is recommended by the supervising agency; (b) termination is in the best interests of the child; and (c) that because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interest of the child. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(i) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(ii) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(iii) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(iv) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child’s other parent, sibling, or another child;

(v) Conviction of the parent of attempting, soliciting, or conspiracy to commit a crime listed in (c)(i), (ii), (iii), or (iv) of this subsection;

(vi) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(vii) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in the Indian Child Welfare Act, P.L. 95-608 (25 U.S.C. (Sec. 1903), the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home;
(viii) An infant under three years of age has been abandoned as defined in RCW 13.34.030(4)(a);
(ix) The mother has given birth to three or more drug-affected infants, resulting in the department filing a petition under section 23 of this act.

(3) If reasonable efforts are not ordered under subsection (2) of this section a permanency ('plan [planning]') planning hearing shall be held within thirty days. Reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child.

(4) Whenever a child is ordered removed from the child’s home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child’s parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; ((a)) long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; and independent living, if appropriate and if the child is age sixteen or older; or a responsible living skills program. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child’s health, safety, or welfare.

(iii) A child shall be placed as close to the child’s home as possible, preferably in the child’s own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child’s well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(5) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(6) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative’s home, subject to review by the court.

(7) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right
to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child’s needs, including whether consideration and preference has been given to placement with the child’s relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child’s parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child’s placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child’s parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(8) The court’s ability to order housing assistance under this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

NEW SECTION, Sec. 10. Sections 10 through 29 of this act may be referred to as the homeless youth prevention, protection, and education act, or the HOPE act. Every day many youth in this state seek shelter out on the street. A nurturing nuclear family does not exist for them, and state-sponsored alternatives such as foster homes do not meet the demand and isolate youth, who feel like outsiders in families not their own. The legislature recognizes the need to develop placement alternatives for dependent youth ages sixteen to eighteen, who are living on the street. The HOPE act is an effort to engage youth and provide them access to services through development of life skills in a setting that supports them. Nothing in sections 10 through 29 of this act shall constitute an entitlement.

Sec. 11. RCW 74.15.020 and 1998 c 269 s 3 are each amended to read as follows:

For the purpose of chapter 74.15 RCW and RCW 74.13.031, and unless otherwise clearly indicated by the context thereof, the following terms shall mean:

(1) "Agency" means any person, firm, partnership, association, corporation, or facility which receives children, expectant mothers, or persons with developmental disabilities for control, care, or maintenance outside their own homes, or which places, arranges the placement of, or assists in the placement of children, expectant mothers, or persons with developmental disabilities for foster care or placement of children for adoption, and shall include the following irrespective of whether there is compensation to the agency or to the children, expectant mothers or persons with developmental disabilities for services rendered:

(a) "Child day-care center” means an agency which regularly provides care for a group of children for periods of less than twenty-four hours;

(b) "Child-placing agency” means an agency which places a child or children for temporary care, continued care, or for adoption;

(c) "Community facility” means a group care facility operated for the care of juveniles committed to the department under RCW 13.40.185. A county detention facility that houses juveniles committed to the department under RCW 13.40.185 pursuant to a contract with the department is not a community facility;

(d) "Crisis residential center” means an agency which is a temporary protective residential facility operated to perform the duties specified in chapter 13.32A RCW, in the manner provided in RCW 74.13.032 through 74.13.036;

(f) "Foster-family home” means an agency which regularly provides care on a twenty-four hour basis to one or more children, expectant mothers, or persons with developmental disabilities in the family abode of the person or persons under whose direct care and supervision the child, expectant mother, or person with a developmental disability is placed;

(h) "HOPE center" means an agency licensed by the secretary to provide temporary residential placement and other services to street youth. A street youth may remain in a HOPE center for thirty days while services are arranged and permanent placement is coordinated. No street youth may stay longer than thirty days unless approved by the department and any additional days approved by the department must be based on the unavailability of a long-term placement option. A street youth whose parent wants him or her returned to home may remain in a HOPE center until his or her parent arranges return of the youth, not longer. All other street youth must have court approval under chapter 13.34 or 13.32A RCW to remain in a HOPE center up to thirty days:

(ii) "Responsible living skills program" means an agency licensed by the secretary that provides residential and transitional living services to persons ages sixteen to eighteen who are dependent under chapter 13.34 RCW and who have been unable to live in his or her legally authorized residence and, as a result, the minor lived outdoors or in another unsafe location not intended for occupancy by the minor. Dependent minors ages fourteen and fifteen may be eligible if no other placement alternative is available and the department approves the placement;

(k) "Service provider" means the entity that operates a community facility.

(2) "Agency" shall not include the following:

(a) Persons related to the child, expectant mother, or person with developmental disability in the following ways:

Sec. 1903(4);

(b) Persons who are legal guardians of the child, expectant mother, or persons with developmental disabilities;

(c) Persons who care for a neighbor’s or friend’s child or children, with or without compensation, where:

(i) The person providing care for periods of less than twenty-four hours does not conduct such activity on an ongoing, regularly scheduled basis for the purpose of engaging in business, which includes, but is not limited to, advertising such care; or

(ii) the parent and person providing care on a twenty-four-hour basis have agreed to the placement in writing and the state is not providing any payment for the care;

(d) Parents on a mutually cooperative basis exchange care of one another’s children;

(e) A person, partnership, corporation, or other entity that provides placement or similar services to exchange students or international student exchange visitors or persons who have the care of an exchange student in their home;

(f) Nursery schools or kindergartens which are engaged primarily in educational work with preschool children and in which no child is enrolled on a regular basis for more than four hours per day;

(g) Schools, including boarding schools, which are engaged primarily in education, operate on a definite school year schedule, follow a stated academic curriculum, accept only school-age children and do not accept custody of children;

(h) Seasonal camps of three months’ or less duration engaged primarily in recreational or educational activities;

(i) Hospitals licensed pursuant to chapter 70.41 RCW when performing functions defined in chapter 70.41 RCW, nursing homes licensed under chapter 18.51 RCW and boarding homes licensed under chapter 18.20 RCW;

(j) Licensed physicians or lawyers;

(k) Facilities providing care to children for periods of less than twenty-four hours whose parents remain on the premises to participate in activities other than employment;

(l) Facilities approved and certified under chapter 71A.22 RCW;

(m) Any agency having been in operation in this state ten years prior to June 8, 1967, and not seeking or accepting moneys or assistance from any state or federal agency, and is supported in part by an endowment or trust fund;

(n) Persons who have a child in their home for purposes of adoption, if the child was placed in such home by a licensed child-placing agency, an authorized public or tribal agency or court or if a replacement report has been filed under chapter 26.33 RCW and the placement has been approved by the court;

(o) An agency operated by any unit of local, state, or federal government or an agency, located within the boundaries of a federally recognized Indian reservation, licensed by the Indian tribe;

(p) An agency located on a federal military reservation, except where the military authorities request that such agency be subject to the licensing requirements of this chapter.
(3) "Department" means the state department of social and health services.

(4) "Juvenile" means a person under the age of twenty-one who has been sentenced to a term of confinement under the supervision of the department under RCW 13.40.185.

(5) "Probationary license" means a license issued as a disciplinary measure to an agency that has previously been issued a full license but is out of compliance with licensing standards.

(6) "Requirement" means any rule, regulation, or standard of care to be maintained by an agency.

(7) "Secretary" means the secretary of social and health services.

(8) "Street youth" means a person under the age of eighteen who lives outdoors or in another unsafe location not intended for occupancy by the minor and who is not residing with his or her parent or at his or her legally authorized residence.

(9) "Transitional living services" means at a minimum, to the extent funds are available, the following:

   (a) Educational services, including basic literacy and computational skills training, either in local alternative or public high schools or in a high school equivalency program that leads to obtaining a high school equivalency degree;

   (b) Assistance and counseling related to obtaining vocational training or higher education, job readiness, job search assistance, and placement programs;

   (c) Counseling and instruction in life skills such as money management, home management, consumer skills, parenting, health care, access to community resources, and transportation and housing options;

   (f) Establishing networks with federal agencies and state and local organizations such as the United States department of labor, employment and training administration programs including the job training partnership act which administers private industry councils and the job corps; vocational rehabilitation; and volunteer programs.

Transitional living services shall be tailored to meet the needs of the individual youth. If a youth demonstrates a consistent unwillingness to participate in the acquisition of transitional living skills and services, a reassessment shall be done of the youth’s appropriateness for the program.

NEW SECTION. Sec. 12. A new section is added to chapter 74.15 RCW to read as follows:

The secretary shall establish HOPE centers that provide no more than seventy-five beds across the state and may establish HOPE centers by contract, within funds appropriated by the legislature specifically for this purpose. HOPE centers shall be operated in a manner to reasonably assure that street youth placed there will not run away. Street youth may leave a HOPE center during the course of the day to attend school or other necessary appointments, but the street youth must be accompanied by an administrator or an administrator’s designee. The street youth must provide the administration with specific information regarding his or her destination and expected time of return to the HOPE center. Any street youth who runs away from a HOPE center shall not be readmitted unless specifically authorized by the street youth’s placement and liaison specialist, and the placement and liaison specialist shall document with specific factual findings an appropriate basis for readmitting any street youth to a HOPE center. HOPE centers are required to have the following:

   (1) A license issued by the secretary;

   (2) A professional with a master’s degree in counseling, social work, or related field and at least one year of experience working with street youth or a bachelor of arts degree in social work or a related field and five years of experience working with street youth. This professional staff person may be contractual or a part-time employee, but must be available to work with street youth in a HOPE center at a ratio of one to every fifteen youth staying in a HOPE center. This professional shall be known as a placement and liaison specialist. Preference shall be given to those professionals cross-credentialed in mental health and chemical dependency. The placement and liaison specialist shall:

      (a) Conduct an assessment of the street youth that includes a determination of the street youth’s legal status regarding residential placement;

      (b) Facilitate the street youth’s return to his or her legally authorized residence at the earliest possible date or initiate processes to arrange legally authorized appropriate placement. Any street youth who may meet the definition of dependent child under RCW 13.34.030 must be referred to the department. The department shall determine whether a dependency petition should be filed under chapter 13.34 RCW. A shelter care hearing must be held within seventy-two hours to authorize out-of-home placement for any youth the department determines is appropriate for out-of-home placement under chapter 13.34 RCW. All of the provisions of chapter 13.32A RCW must be followed for children in need of services or at-risk youth;

      (c) Interface with other relevant resources and system representatives to secure long-term residential placement and other needed services for the street youth;

      (d) Be assigned immediately to each youth and meet with the youth within eight hours of the youth receiving HOPE center services;

      (e) Develop a therapeutic relationship with the youth that enables the specialist to help the street youth navigate the social service and child welfare systems;
(f) Facilitate a physical examination of any street youth who has not seen a physician within one year prior to residence at a HOPE center and facilitate evaluation by a county-designated mental health professional, a chemical dependency specialist, or both if appropriate; and

(g) Arrange an educational assessment to measure the street youth’s competency level in reading, writing, and basic mathematics, and that will measure learning disabilities or special needs;

(3) Staff trained in development needs of street youth as determined by the secretary, including an administrator who is a professional with a master’s degree in counseling, social work, or a related field and at least one year of experience working with street youth, or a bachelor of arts degree in social work or a related field and five years of experience working with street youth, who must work with the placement and liaison specialist to provide appropriate services on site;

(4) A data collection system that measures outcomes for the population served, and enables research and evaluation that can be used for future program development and service delivery. Data collection systems must have confidentiality rules and protocols developed by the secretary;

(5) Notification requirements that meet the notification requirements of chapter 13.32A RCW. The youth’s arrival date and time must be logged at intake by HOPE center staff. The staff must immediately notify law enforcement and dependency caseworkers if a street youth runs away from a HOPE center. A child may be transferred to a secure facility as defined in RCW 13.32A.030 whenever the staff reasonably believes that a street youth is likely to leave the HOPE center and not return after full consideration of the factors set forth in RCW 13.32A.130(2)(a) (i) and (ii). The street youth’s temporary placement in the HOPE center must be authorized by the court or the secretary if the youth is a dependent of the state under chapter 13.34 RCW or the department is responsible for the youth under chapter 13.32A RCW, or by the youth’s parent or legal custodian, until such time as the parent can retrieve the youth who is returning to home;

(6) HOPE centers must identify to the department any street youth it serves who is not returning promptly to home. The department then must contact the missing children’s clearinghouse identified in chapter 13.60 RCW and either report the youth’s location or report that the youth is the subject of a dependency action and the parent should receive notice from the department; and

(7) Services that provide counseling and education to the street youth.

**NEW SECTION, Sec. 13.** A new section is added to chapter 74.15 RCW to read as follows:

The secretary shall establish responsible living skills programs that provide no more than seventy-five beds across the state and may establish responsible living skills programs by contract, within funds appropriated by the legislature specifically for this purpose. Responsible living skills programs shall have the following:

(1) A license issued by the secretary;

(2) A professional with a master’s degree in counseling, social work, or related field and at least one year of experience working with street youth available to serve residents or a bachelor of arts degree in social work or a related field and five years of experience working with street youth. The professional shall provide counseling services and interface with other relevant resources and systems to prepare the minor for adult living. Preference shall be given to those professionals cross-credentialed in mental health and chemical dependency;

(3) Staff trained in development needs of older adolescents eligible to participate in responsible living skills programs as determined by the secretary;

(4) Transitional living services and a therapeutic model of service delivery that provides necessary program supervision of residents and at the same time includes a philosophy, program structure, and treatment planning that emphasizes achievement of competency in independent living skills. Independent living skills include achieving basic educational requirements such as a GED, enrollment in vocational and technical training programs offered at the community and vocational colleges, obtaining and maintaining employment; accomplishing basic life skills such as money management, nutrition, preparing meals, and cleaning house. A baseline skill level in ability to function productively and independently shall be determined at entry. Performance shall be measured and must demonstrate improvement from involvement in the program. Each resident shall have a plan for achieving independent living skills by the time the resident leaves the placement. The plan shall be written within the first thirty days of placement and reviewed every ninety days; and

(5) A data collection system that measures outcomes for the population served, and enables research and evaluation that can be used for future program development and service delivery. Data collection systems must have confidentiality rules and protocols developed by the secretary.

**NEW SECTION, Sec. 14.** A new section is added to chapter 74.15 RCW to read as follows:

To be eligible for placement in a responsible living skills program, the minor must be dependent under chapter 13.34 RCW and must have lived outdoors or in another unsafe location not intended for occupancy by the minor, or a HOPE center. Responsible living skills centers are intended as a placement alternative for dependent youth that the department chooses for the youth because no other services or alternative placements have been successful. Responsible living skills centers are not for dependent youth whose permanency plan includes return to home or family reunification.

**NEW SECTION, Sec. 15.** A new section is added to chapter 74.15 RCW to read as follows:
The secretary is authorized to license HOPE centers and responsible living skills programs that meet statutory and rule requirements created by the secretary. The secretary is authorized to develop rules necessary to carry out the provisions of sections 10 through 29 of this act. The secretary may rely upon existing licensing provisions in development of licensing requirements for HOPE centers and responsible living skills programs, as are appropriate to carry out the intent of sections 10 through 29 of this act. HOPE centers and responsible living skills programs shall be required to adhere to departmental regulations prohibiting the use of alcohol, tobacco, controlled substances, violence, and sexual activity between residents.

**Sec. 16. RCW 13.34.145 and 1998 c 314 s 3 and 1998 c 130 s 3 are each reenacted and amended to read as follows:**

1. A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent’s home.

   a. Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child’s parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; a responsible living skills program; and independent living, if appropriate and if the child is age sixteen or older and the provisions of subsection (2) of this section are met.

   b. The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

   c. Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

   d. For purposes related to permanency planning:

      i. "Guardianship" means a dependency guardianship pursuant to this chapter, a legal guardianship pursuant to chapter 11.88 RCW, or equivalent laws of another state or a federally recognized Indian tribe.

      ii. "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

      iii. "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or of a federally recognized Indian tribe.

2. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

3. A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

4. Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in subsection (3) of this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or permanent custody order is entered, or the dependency is dismissed.

5. No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

6. At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130(7) and shall review the permanency plan prepared by the agency. If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280 and 13.34.130(7). If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child’s status to determine whether the placement and the plan for the child’s care remain appropriate. In cases where the primary permanency planning goal has not yet been achieved, the court shall inquire regarding the
reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. In all cases, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or
(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or
(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.130(7), and the court shall determine the need for continued intervention.

(8) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when, (a) the court has ordered implementation of a permanency plan that includes legal guardianship or permanent legal custody, and (b) the party pursuing the legal guardianship or permanent legal custody is the party identified in the permanency plan as the prospective legal guardian or custodian. During the pendency of such proceeding, juvenile court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(10) Except as otherwise provided in RCW 13.34.235, the status of all dependent children shall continue to be reviewed by the court at least once every six months, in accordance with RCW 13.34.130(7), until the dependency is dismissed. Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(12) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights.

(13) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

NEW SECTION. Sec. 17. A new section is added to chapter 13.60 RCW to read as follows:

The department of social and health services shall develop a procedure for reporting missing children information to the missing children clearinghouse on children who are receiving departmental services in each of its administrative regions. The purpose of this procedure is to link parents to missing children. When the department has obtained information that a minor child has been located at a facility funded by the department, the department shall notify the clearinghouse and the child’s legal custodian, advising the custodian of the child’s whereabouts or that the child is subject to a dependency action. The department shall inform the clearinghouse when reunification occurs.

NEW SECTION. Sec. 18. The Washington institute for public policy shall review the effectiveness of the procedures established in section 17 of this act. The study shall include: (1) The number of legal custodians who utilize the clearinghouse; (2) the number of children who are located after the department’s procedures are operational; (3) the impediments to effective utilization of the procedures and what steps may be taken to reduce or eliminate the impediments; (4) the methods of public education regarding the availability of the program and how to increase public awareness of the program.

The review shall be submitted to the legislature and the governor not later than December 1, 2001.

NEW SECTION. Sec. 19. A new section is added to chapter 82.04 RCW to read as follows:

(1) In computing tax under this chapter, a credit is authorized for each person equal to fifty percent of approved amounts donated to a HOPE educational financial assistance program under section 21 of this act during the calendar year. The amount of the credit shall not exceed five thousand dollars for any person for any calendar year.

(2) No credit may be taken under this section unless the credit is first approved by the department. Application for the credit shall be made in the form and manner prescribed by rules adopted by the department. Total credits approved by the department for any calendar year under this section and section 20 of this act shall not exceed two hundred fifty thousand dollars.
(3) The credit shall be taken against taxes due for the same calendar year in which the amounts for which credit is claimed were paid. A credit must be claimed by the due date of the last tax return for the calendar year in which the payment is made. No credit may be carried back or forward to a different calendar year.

(4) No credit may be taken under this section for amounts for which a credit is taken under section 20 of this act.

NEW SECTION  Sec. 20. A new section is added to chapter 82.16 RCW to read as follows:

(1) In computing tax under this chapter, a credit is authorized for each person equal to fifty percent of approved amounts donated to a HOPE educational financial assistance program under section 21 of this act during the calendar year. The amount of the credit shall not exceed five thousand dollars for any person for any calendar year.

(2) No credit may be taken under this section unless the credit is first approved by the department. Application for the credit shall be made in the form and manner prescribed by rules adopted by the department. Total credits approved by the department for any calendar year under this section and section 19 of this act shall not exceed two hundred fifty thousand dollars.

(3) The credit shall be taken against taxes due for the same calendar year in which the amounts for which credit is claimed were paid. A credit must be claimed by the due date of the last tax return for the calendar year in which the payment is made. No credit may be carried back or forward to a different calendar year.

NEW SECTION  Sec. 21. A new section is added to chapter 28B.80 RCW to read as follows:

(1) HOPE educational financial assistance programs may be established by private nonprofit organizations and may qualify for the purposes of receiving contributions under sections 19 and 20 of this act upon approval of the board. Educational financial assistance from these programs may be used only for assistance for former street youth who qualify under subsection (2) of this section.

(2) Only former street youth who have been residents of a HOPE center as defined in RCW 74.15.020 and who have received transitional living services as defined in RCW 74.15.020 may apply for and receive educational financial assistance under this section. The educational financial assistance may be used for expenses incurred in conjunction with enrollment in any institution of higher education in the state. Yearly educational financial assistance under this section is limited to an amount equal to the highest yearly undergraduate resident tuition charged by a public institution of higher education within the state, and may only be provided to an individual twice in any four-year period. The assistance shall take into account family and other financial resources available to the individual.

Sec. 22. RCW 9.94A.390 and 1997 c 52 s 4 are each amended to read as follows:

If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

1. Mitigating Circumstances
   (a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.
   (b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.
   (c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.
   (d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.
   (e) The defendant’s capacity to appreciate the wrongfulness of his or her conduct or to conform his or her conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).
   (f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.
   (g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.
   (h) The defendant or the defendant’s children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

2. Aggravating Circumstances
   (a) The defendant’s conduct during the commission of the current offense manifested deliberate cruelty to the victim.
   (b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.
   (c) The defendant knew that the victim of the current offense was a youth who was not residing with any legal custodian and was particularly vulnerable to a relationship with the defendant and the defendant established or promoted the relationship for the primary purpose of victimization.
   (d) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.
The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;
(ii) The current offense involved attempted or actual monetary loss substantially greater than for personal use;
(iii) The current offense involved the manufacture of controlled substances for use by other parties;
(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;
(v) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or
(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

The current offense involved domestic violence, as defined in RCW 10.99.020 and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;
(ii) The offense occurred within sight or sound of the victim’s or the offender’s minor children under the age of eighteen years; or
(iii) The offender’s conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

The defendant’s prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter as expressed in RCW 9.94A.010.

The offense resulted in the pregnancy of a child victim of rape.

Sec. 23. RCW 26.44.030 and 1998 c 328 s 5 are each amended to read as follows:

(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children’s ombudsman or any volunteer in the ombudsman’s office has reasonable cause to believe that a child or adult dependent or developmentally disabled person, has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) The reporting requirement shall also apply to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(c) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child or adult dependent or developmentally disabled person, who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, “severe abuse” means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant
external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(d) The report shall be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. The report shall include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children, dependent adults, or developmentally disabled persons are at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section shall apply.

(3) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or developmentally disabled person’s welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency’s investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency’s disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person’s welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services or department case services for the developmentally disabled. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child’s safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents’ choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child’s health or safety, and the department agrees with the physician’s assessment, the child may be left in the parents’ home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving reports of alleged abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child’s home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child’s wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report of alleged child abuse and neglect, the department or investigating law enforcement agency shall have access to all relevant records of the child in the possession of mandated reporters and their employees.
(12) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(13) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall provide annual reports to the legislature on the effectiveness of the risk assessment process.

(14) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(15) The department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which: (a) The department believes there is a serious threat of substantial harm to the child; (b) the report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or (c) the department has, after investigation, a report of abuse or neglect that has been founded with regard to a member of the household within three years of receipt of the referral.

NEW SECTION. Sec. 24. A new section is added to chapter 74.15 RCW to read as follows:

The department shall provide technical assistance in preparation of grant proposals for HOPE centers and responsible living skills programs to nonprofit organizations unfamiliar with and inexperienced in submission of requests for proposals to the department.

NEW SECTION. Sec. 25. A new section is added to chapter 74.15 RCW to read as follows:

The department shall consider prioritizing, on an ongoing basis, the awarding of contracts for HOPE centers and responsible living skills programs to providers who have not traditionally been awarded contracts with the department.

NEW SECTION. Sec. 26. The department of social and health services shall seek any necessary federal waivers for federal funding of the programs created under sections 10 through 29 of this act. The department shall pursue federal funding sources for the programs created under sections 10 through 29 of this act, and report to the legislature any statutory barriers to federal funding.

NEW SECTION. Sec. 27. The Washington state institute for public policy shall review the effectiveness of the HOPE centers and the responsible living skills programs. The study shall include the characteristics of the youth being served, the services offered to participating youth, the success of permanent placement of youth, the number of youth participating in each program, the number of youth who successfully complete the responsible living skills program, educational achievement of participants, employment history of participants, the outcomes for youth who have progressed through the programs, and other measures that the institute deems helpful in determining the measurable outcomes of sections 10 through 29 of this act.

The review shall be submitted to the legislature and the governor not later than December 1, 2001.

NEW SECTION. Sec. 28. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 29. Within funds specifically appropriated by the legislature, HOPE center beds referenced in section 12 of this act and responsible living skills program beds referenced in section 13 of this act shall be phased in at the rate of twenty-five percent each year beginning January 1, 2000, until the maximum is attained.

"Sec. 1. RCW 40.14.060 and 1982 c 36 s 5 are each amended to read as follows:

(1) Any destruction of official public records shall be pursuant to a schedule approved under RCW 40.14.050. Official public records shall not be destroyed unless:

(a) Except as provided under RCW 40.14.070(2)(b), the records are six or more years old;

(b) The department of origin of the records has made a satisfactory showing to the state records committee that the retention of the records for a minimum of six years is both unnecessary and uneconomical, particularly if lesser federal retention periods for records generated by the state under federal programs have been established; or

(c) The originals of official public records less than six years old have been copied or reproduced by any photographic or other process approved by the state archivist which accurately reproduces or forms a durable medium for so reproducing the original.

(2) Any lesser term of retention than six years must have the additional approval of the director of financial management, the state auditor and the attorney general, except when records have federal retention guidelines the state records committee may adjust the retention period accordingly. An automatic reduction of retention periods from seven to six years for official public records on record retention schedules existing on June 10, 1982, shall not be made, but the same shall be reviewed individually by the state records committee for approval or disapproval of the change to a retention period of six years.

Recommendations for the destruction or disposition of office files and memoranda shall be submitted to the records committee upon approved forms prepared by the records officer of the agency concerned and the archivist. The committee shall determine the period of time that any office file or memorandum shall be preserved and may authorize the division of archives and records management to arrange for its destruction or disposition.

Sec. 2. RCW 40.14.070 and 1995 c 301 s 71 are each amended to read as follows:
(1)(a) County, municipal, and other local government agencies may request authority to destroy noncurrent public records having no further administrative or legal value by submitting to the division of archives and records management lists of such records on forms prepared by the division. The archivist, a representative appointed by the state auditor, and a representative appointed by the attorney general shall constitute a committee, known as the local records committee, which shall review such lists and which may veto the destruction of any or all items contained therein.

(b) A local government agency, as an alternative to submitting lists, may elect to establish a records control program based on recurring disposition schedules recommended by the agency to the local records committee. The schedules are to be submitted on forms provided by the division of archives and records management to the local records committee, which may either veto, approve, or amend the schedule. Approval of such schedule or amended schedule shall be by unanimous vote of the local records committee. Upon such approval, the schedule shall constitute authority for the local government agency to destroy the records listed thereon, after the required retention period, on a recurring basis until the schedule is either amended or revised by the committee.

(2)(a) Except as otherwise provided by law, no public records shall be destroyed until approved for destruction by the local records committee. Official public records shall not be destroyed unless:

(i) The records are six or more years old;

(ii) The department of origin of the records has made a satisfactory showing to the state records committee that the retention of the records for a minimum of six years is both unnecessary and uneconomical, particularly where lesser federal retention periods for records generated by the state under federal programs have been established; or

(iii) The originals of official public records less than six years old have been copied or reproduced by any photographic, photostatic, microfilm, miniature photographic, or other process approved by the state archivist which accurately reproduces or forms a durable medium for so reproducing the original.

An automatic reduction of retention periods from seven to six years for official public records on record retention schedules existing on June 10, 1982, shall not be made, but the same shall be reviewed individually by the local records committee for approval or disapproval of the change to a retention period of six years.

The state archivist may furnish appropriate information, suggestions, and guidelines to local government agencies for their assistance in the preparation of lists and schedules or any other matter relating to the retention, preservation, or destruction of records under this chapter. The local records committee may adopt appropriate regulations establishing procedures to be followed in such matters.

Records of county, municipal, or other local government agencies, designated by the archivist as of primarily historical interest, may be transferred to a recognized depository agency.

(b) Records of investigative reports prepared by any state, county, municipal, or other law enforcement agency pertaining to sex offenders contained in chapter 9A.44 RCW or sexually violent offenses as defined in RCW 71.09.020 that are not required in the current operation of the law enforcement agency or for pending judicial proceedings shall, following the expiration of the applicable schedule of the law enforcement agency’s retention of the records, be transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval. Upon electronic retention of any document, the association shall be permitted to destroy the paper copy of the document.

(c) Any record transferred to the Washington association of sheriffs and police chiefs pursuant to (b) of this subsection shall be deemed to no longer constitute a public record pursuant to RCW 42.17.020 and shall be exempt from public disclosure. Such records shall be disseminated only to criminal justice agencies as defined in RCW 10.97.030 for the purpose of determining if a sex offender met the criteria of a sexually violent predator as defined in chapter 71.09 RCW.

If at the time a complaint is filed the complainant, victim or witness indicates a desire for
disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(h) Valuable formulae, designs, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(t) All applications for public employment, including the names of applicants, resumes, and other related materials submitted with respect to an applicant.

(u) The residential addresses and residential telephone numbers of employees or volunteers of a public agency which are held by the agency in personnel records, employment or volunteer rosters, or mailing lists of employees or volunteers.

(v) The residential addresses and residential telephone numbers of the customers of a public utility contained in the records or lists held by the public utility of which they are customers, except that this information may be released to the division of child support or the agency or firm providing child support enforcement for another state under Title IV-D of the federal social security act, for the establishment, enforcement, or modification of a support order.

(w)(i) The federal social security number of individuals governed under chapter 18.130 RCW maintained in the files of the department of health, except this exemption does not apply to requests made directly to the department from federal, state, and local agencies of government, and national and state licensing, credentialing, investigatory, disciplinary, and examination organizations; (ii) the current residential address and current residential telephone number of a health care provider governed under chapter 18.130 RCW maintained in the files of the department, if the provider requests that this information be withheld from public inspection and copying, and provides to the department an accurate alternate or business address and business telephone number. POINT OF INQUIRY

Senator Zarelli: "Senator Patterson, I am concerned in reading--and myself just getting familiar with the bill--it states in there that where they count these votes by optical scanner and if one fails to put a check in an appropriate box, a write-in vote may not count. I wanted to clarify that isn’t the case that a vote would not be counted simply because somebody didn’t put a check in a box for the purpose of an optical scanner."

Senator Patterson: "Give me a moment. Senator Zarelli, it was never the intent to invalidate anyone’s vote in this legislation. During the public hearings, there was no concern raised over whether one’s vote would be invalidated. If you see language that leads you to believe that that is the case, then it would surprise me."

Further debate ensued.

On motion of Senator Goings, further consideration of Substitute House Bill No. 1592 was deferred.

REMARKS BY SENATOR PATTERSON

Senator Patterson: "Thank you, Mr. President, and members of the Senate. This is the bill that relates to write-in voting procedures and the good Senator from the Eighteenth District asked if your ballot would be invalidated when using an optical scan ballot system. He asked, ‘Would your ballot be invalidated if you did not check the box next to where it asks if you were a write-in—putting in your name.’ The answer to his question, is ‘yes,’ your vote would not count, because in the optical scan ballot system, the entire system is dependent upon you marking the ballot accurately. So, he is correct. If you want to write a name in under this system you have to check the little box that says, ‘I am going to write a name in.’

‘If you fail to check that box, then your vote would not be counted. But, neither would your vote be counted for anything else on the ballot, if you failed to check the box. So, the system does require that you make that check mark.’

Further debate ensued.

Simplifying disabled parking certification for leg amputees.

The bill was read the second time.

MOTION

On motion of Senator Goings, the following Committee on Transportation striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 46.16.381 and 1998 c 294 s 1 are each amended to read as follows:

(1) The director shall grant special parking privileges to any person who has a disability that limits or impairs the ability to walk and meets one of the following criteria, as determined by a licensed physician:

(a) Cannot walk two hundred feet without stopping to rest;
(b) Is severely limited in ability to walk due to arthritic, neurological, or orthopedic condition;
(c) Is so severely disabled, that the person cannot walk without the use of or assistance from a brace, cane, another person, prosthetic device, wheelchair, or other assistive device;
(d) Uses portable oxygen;
(e) Is restricted by lung disease to such an extent that forced expiratory respiratory volume, when measured by spirometry is less than one liter per second or the arterial oxygen tension is less than sixty mm/hg on room air at rest;
(f) Impairment by cardiovascular disease or cardiac condition to the extent that the person’s functional limitations are classified as class III or IV under standards accepted by the American Heart Association; or
(g) Has a disability resulting from an acute sensitivity to automobile emissions which limits or impairs the ability to walk. The personal physician of the applicant shall document that the disability is comparable in severity to the others listed in this subsection.

(2) The applications for disabled parking permits and temporary disabled parking permits are official state documents. Knowingly providing false information in conjunction with the application is a gross misdemeanor punishable under chapter 9A.20 RCW. The following statement must appear on each application form immediately below the physician’s signature and immediately below the
application is a gross misdemeanor. The penalty is up to one year in jail and a fine of up to $5,000 or both.

(3) Those individuals who have lost a lower extremity, partially or completely, are exempt from the physician certification requirement necessary to receive special parking privileges. In order to qualify for special parking privileges, these individuals must apply at a licensing office, and authorized department staff must visually confirm the loss of the lower extremity. The applicant must sign a form certifying that he or she meets the criteria of subsection (1)(a) of this section. Based on this confirmation and certification, the certification of the person’s disability is satisfied. The department shall note the criteria for the issuance of the disabled parking permit on the identification card issued under subsection (4) of this section. In addition to other penalties for providing false information on the application, the penalty for providing false information under this subsection is immediate cancellation of the disabled parking permit.

(4) Persons who qualify for special parking privileges are entitled to receive from the department of licensing a removable windshield placard bearing the international symbol of access and an individual serial number, along with a special identification card bearing the photograph, name, and date of birth of the person to whom the placard is issued, and the placard’s serial number. The department shall design the placard to be displayed when the vehicle is parked by suspending it from the rearview mirror, or in the absence of a rearview mirror the card may be displayed on the dashboard of any vehicle used to transport the disabled person. Instead of regular motor vehicle license plates, disabled persons are entitled to receive special license plates bearing the international symbol of access for one vehicle registered in the disabled person’s name. Disabled persons who are not issued the special license plates are entitled to receive a second special placard upon submitting a written request to the department. Persons who have been issued the parking privileges and who are using a vehicle or are riding in a vehicle displaying the special license plates or placard may park in places reserved for mobility disabled persons. The director shall adopt rules providing for the issuance of special placards and license plates to public transportation authorities, nursing homes licensed under chapter 18.51 RCW, boarding homes licensed under chapter 18.20 RCW, senior citizen centers, private nonprofit agencies as defined in chapter 24.03 RCW, and vehicles registered with the department as cabulances that regularly transport disabled persons who have been determined eligible for special parking privileges provided under this section. The director may issue special license plates for a vehicle registered in the name of the public transportation authority, nursing home, boarding homes, senior citizen center, private nonprofit agency, or cabulance service if the vehicle is primarily used to transport persons with disabilities described in this section. Public transportation authorities, nursing homes, boarding homes, senior citizen centers, private nonprofit agencies, and cabulance services are responsible for insuring that the special placards and license plates are not used improperly and are responsible for all fines and penalties for improper use.

(5) Whenever the disabled person transfers or assigns his or her interest in the vehicle, the special license plates shall be removed from the motor vehicle. If another vehicle is acquired by the disabled person and the vehicle owner qualifies for a special plate, the plate shall be attached to the vehicle, and the director shall be immediately notified of the transfer of the plate. If another vehicle is not acquired by the disabled person, the removed plate shall be immediately surrendered to the director.

(6) The special license plate shall be renewed in the same manner and at the time required for the renewal of regular motor vehicle license plates under this chapter. No special license plate may be issued to a person who is temporarily disabled. A person who has a condition expected to improve within six months may be issued a temporary placard for a period not to exceed six months. If the condition exists after six months a new temporary placard shall be issued upon receipt of a new certification from the disabled person’s physician. The permanent parking placard and photo identification card of a disabled person shall be renewed at least every five years, as required by the director, by satisfactory proof of the right to continued use of the privileges. In the event of the permit holder’s death, the parking placard and photo identification card must be immediately surrendered to the department. The department shall match and purge its disabled permit data base with available death record information at least every twelve months.

(7) Each person who has been issued a permanent disabled parking permit on or before July 1, 1998, must renew the permit no later than July 1, 2003, subject to a schedule to be set by the department, or the permit will expire.

(8) The department may not require existing permit holders to obtain a physician’s recertification of their disability in order to renew their disabled parking permits.

(9) Additional fees shall not be charged for the issuance of the special placards or the photo identification cards. No additional fee may be charged for the issuance of the special license plates except the regular motor vehicle registration fee and any other fees and taxes required to be paid upon registration of a motor vehicle.

(10) Any unauthorized use of the special placard, special license plate, or photo identification card is a traffic infraction with a monetary penalty of two hundred fifty dollars.

(11) It is a parking infraction, with a monetary penalty of two hundred fifty dollars for a person to make inaccessible the access aisle located next to a space reserved for physically disabled persons. The clerk of the court shall report all violations related to this subsection to the department.

(12) It is a parking infraction, with a monetary penalty of two hundred fifty dollars for any person to park a vehicle in a parking place provided on private property without charge or on public property reserved for physically disabled persons without a special
license plate or placard. If a person is charged with a violation, the person shall not be determined to have committed an infraction if the person produces in court or before the court appearance the special license plate or placard required under this section. A local jurisdiction providing nonmetered, on-street parking places reserved for physically disabled persons may impose by ordinance time restrictions of no less than four hours on the use of these parking places. A local jurisdiction may impose by ordinance time restrictions of no less than four hours on the use of nonreserved, on-street parking spaces by vehicles displaying the special parking placards. All time restrictions must be clearly posted.

((11)) (13) The penalties imposed under subsections ((10) and (11)) (11) and (12) of this section shall be used by that local jurisdiction exclusively for law enforcement. The court may also impose an additional penalty sufficient to reimburse the local jurisdiction for any costs it may have incurred in removal and storage of the improperly parked vehicle.

((14)) (14) Except as provided by subsection (2) of this section, it is a traffic infraction with a monetary penalty of two hundred fifty dollars for any person willfully to obtain a special license plate, placard, or photo identification card in a manner other than that established under this section.

((15) (a) A law enforcement agency authorized to enforce parking laws may appoint volunteers, with a limited commission, to issue notices of infractions for violations of this section or RCW 46.61.581. Volunteers must be at least twenty-one years of age. The law enforcement agency appointing volunteers may establish any other qualifications the agency deems desirable.

(b) An agency appointing volunteers under this section must provide training to the volunteers before authorizing them to issue notices of infractions.

(c) A notice of infraction issued by a volunteer appointed under this subsection has the same force and effect as a notice of infraction issued by a police officer for the same offense.

(d) A police officer or a volunteer may request a person to show the person’s photo identification card or special parking placard when investigating the possibility of a violation of this section. If the request is refused, the person in charge of the vehicle may be issued a notice of infraction for a violation of this section.

((16)) (16) For second or subsequent violations of this section, in addition to a monetary fine, the violator must complete a minimum of forty hours of:

(a) Community service for a nonprofit organization that serves the disabled community or persons having disabling diseases; or

(b) Any other community service that may sensitize the violator to the needs and obstacles faced by persons who have disabilities.

((17)) (17) The court may not suspend more than one-half of any fine imposed under subsection ((9), (10), (11), (12), or (14) of this section.”

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2239, by House Committee on Transportation (originally sponsored by Representatives Buck and Wood)

Enhancing storm water control grant programs.

The bill was read the second time.

MOTION

On motion of Senator Goings, the following Committee on Transportation striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 90.78.005 and 1996 c 285 s 2 are each amended to read as follows:

The legislature finds that the increasing population and continued development throughout the state have increased the need for storm water control. Storm water impacts have resulted in increased public health risks related to drinking water and agricultural and seafood products; increased disruption of economic activity, transportation facilities, and other public and private land and facilities due to the lack of adequate flood control measures; adverse affects on state fish populations and watershed hydrology; and contamination of sediments.

In addition, current storm water control and management efforts related to transportation projects lack necessary coordination on a watershed, regional, and state-wide basis; have inadequate funding; and fail to maximize use of available resources.

More stringent regulatory requirements have increased the costs that state and local governments must incur to deal with significant sources of pollution such as storm water. The costs estimated to properly maintain and construct storm water facilities far exceed available revenues.

Therefore, it is the intent of the legislature to establish a program to develop a state-wide coordination mechanism for the funding of state, county, and city highway and roadway-related storm water management and control projects that will facilitate the completion of the state’s most urgently needed storm water projects in the most cost-effective manner. Unexpended annual utility fee payments that are not collected by virtue of defaulting in preparing a plan must be used in the storm water grant program as defined in RCW 90.78.010 and 90.78.020.

Sec. 2. RCW 90.78.010 and 1996 c 285 s 3 are each amended to read as follows:"
The department of transportation, in cooperation with the transportation improvement board, the department of ecology, cities, towns, counties, environmental organizations, business organizations, Indian tribes, and port districts, shall develop a storm water management funding and implementation program to address state, county, and city highway and roadway-related storm water control problems. As part of the program, the department may provide grants and may rate and rank local transportation improvement projects to facilitate the construction of the highest priority stand-alone state and local storm water management retrofit projects based on cost-effectiveness and contribution toward improved water quality, mitigating the impacts of altered stream hydrology, improved salmonid habitat, and reduced flooding in a watershed.

The program shall address, but is not limited to, the following objectives: (1) Greater state-wide coordination of the construction of storm water treatment facilities; (2) encouraging multijurisdictional projects; (3) developing priorities and approaches for implementing activities within watersheds; (4) methods to enhance, preserve, and restore salmonid habitat; (5) identification and prioritization of storm water retrofit programs; ((52a)) (6) evaluating methods to determine cost benefits of proposed projects; ((52a)) (7) identifying ways to facilitate the sharing of technical resources; ((52a)) (8) developing methods for monitoring and evaluating activities carried out under the program; and ((52a)) (9) identifying potential funding sources for continuation of the program.

Sec. 3. RCW 90.78.020 and 1996 c 285 s 4 are each amended to read as follows:

The department of transportation may provide grants and may rate and rank local transportation improvement projects to implement state, county, and city highway and roadway-related storm water control measures. Cities, towns, counties, port districts, Indian tribes, and the department of transportation are eligible to receive grants, on a matching basis. The transportation improvement board may administer all grant programs specifically designed to assist cities, counties, and local governments with storm water mitigation associated with transportation projects. A committee consisting of two representatives each from the department of transportation, with one as chair, the department of ecology, cities, and counties, and one representative each from the transportation improvement board, the department of fish and wildlife, an environmental organization, and a business organization, shall oversee the grant program. The committee may add representatives of other agencies, organizations, or interest groups to serve as members of the committee or in an advisory capacity. In developing project criteria, the committee shall identify the most urgent state, county, and city highway and roadway-related storm water management and control problems; develop methods for applying priorities across watersheds; give added weight to projects based on local contribution, multijurisdictional involvement, and whether the project is a priority for a local storm water utility; and determine the benefits of, and, if appropriate, provide incentives for off-site placement of storm water facilities and out-of-kind mitigation for storm water impacts.

Sec. 4. RCW 75.50.165 and 1998 c 249 s 16 are each amended to read as follows:

(1) The department of transportation (is authorized to) and the department of fish and wildlife may administer ((a)) and coordinate all state grant programs specifically designed to assist state agencies, local governments, private landowners, tribes, organizations, and volunteer groups in identifying and removing impediments to (anadromous) salmonid fish passage. (The) The transportation improvement board may administer all grant programs specifically designed to assist cities, counties, and local governments with fish passage barrier corrections associated with transportation projects. All grant programs (shall) must be administered and be consistent with the following:

(a) (Eligible projects include) Salmonid-related corrective projects, inventory, assessment, and prioritization efforts;
(b) Salmonid projects (shall be) subject to a competitive application process; and
(c) A minimum dollar match rate that is consistent with the funding authority’s criteria. If no funding match is specified, a match amount of at least twenty-five percent per project is required. For local, private, and volunteer projects, in-kind contributions may be counted toward the match requirement.

(2) Priority shall be given to projects that immediately increase access to available and improved spawning and rearing habitat for depressed, threatened, and endangered stocks. Priority shall also be given to project applications that are coordinated with other efforts within a watershed((2)).

(4a) (3) Except for projects administered by the transportation improvement board, all projects shall be reviewed and approved by the fish passage barrier removal task force((4a)).
(c) A match of at least twenty-five percent per project shall be required. For local, private, and volunteer projects, in-kind contributions may be counted toward the match requirement.

(2) The department of transportation shall proceed expeditiously in implementing the grant program during the 1998 summer construction season, or an alternative oversight committee designated by the state legislature.

MOTION

On motion of Senator Hargrove, the following Committee on Human Services and Corrections striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.13.500 and 1997 c 305 s 2 are each amended to read as follows:

(1) Consistent with the provisions of chapter 42.17 RCW and applicable federal law, the secretary, or the secretary’s designee, shall disclose information regarding the abuse or neglect of a child, the investigation of the abuse (or neglect, or near fatality of a child), and any services related to the abuse or neglect of a child if any one of the following factors is present:

(a) The subject of the report has been charged in an accusatory instrument with committing a crime related to a report maintained by the department in its case and management information system;

(b) The investigation of the abuse or neglect of the child by the department or the provision of services by the department has been publicly disclosed in a report required to be disclosed in the course of their official duties, by a law enforcement agency or official, a prosecuting attorney, any other state or local investigative agency or official, or by a judge of the superior court;

(c) There has been a prior knowing, voluntary public disclosure by an individual concerning a report of child abuse or neglect in which such individual is named as the subject of the report; or

(d) The child named in the report has died and the child’s death resulted from abuse or neglect or the child was in the care of, or receiving services from the department at the time of death or within twelve months before death.

(2) The secretary is not required to disclose information if the factors in subsection (1) of this section are present if he or she specifically determines the disclosure is contrary to the best interests of the child, the child’s siblings, or other children in the household.

(3) Except for cases in subsection (1)(d) of this section, requests for information under this section shall specifically identify the case about which information is sought and the facts that support a determination that one of the factors specified in subsection (1) of this section is present.

(4) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition. The secretary is under no obligation to have an act certified by a physician in order to comply with this section.

Sec. 2. RCW 13.34.030 and 1998 c 130 s 1 are each amended to read as follows:

For purposes of this chapter:

(1) "Child" and "juvenile" means any individual under the age of eighteen years.

(2) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until the child returns home, an adoption decree, a permanent custody order, or guardianship order is entered, or the dependency is dismissed, whichever occurs soonest. If the most recent date of removal occurred prior to the filing of a dependency petition under this chapter or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of a child’s current placement episode.

(3) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to RCW 13.34.232 for the limited purpose of assisting the court in the supervision of the dependency.

(4) "Dependent child" means any child:

(a) Who has been abandoned; that is, where the child’s parent, guardian, or other custodian has expressed either by statement or conduct, an intent to forego, for an extended period, parental rights or parental responsibilities despite an ability to do so. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child’s parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon;

(b) Who is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child; or

(c) Who has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child’s psychological or physical development.
"Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

"Guardian ad litem" means a person, appointed by the court to represent the best interest of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

"Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

"Judicial proceeding" means an action in which a party challenges a finding of the court.

"Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child’s parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

"Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services capable of preventing the need for out-of-home placement while protecting the child.

Sec. 3. RCW 13.34.100 and 1996 c 249 s 13 are each amended to read as follows:

(1) The court shall appoint a guardian ad litem for a child who is the subject of an action under this chapter((unless a court for good cause finds the appointment unnecessary)) that results in a judicial proceeding. The requirement of a guardian ad litem may be deemed satisfied if the child is represented by independent counsel in the proceedings.

(2) If the court does not have available to it a guardian ad litem program with a sufficient number of volunteers, the court may appoint a suitable person to act as guardian ad litem for the child under this chapter. Another party to the proceeding or the party’s employee or representative shall not be so appointed.

(3) Each guardian ad litem program shall maintain a background information record for each guardian ad litem in the program. The background file shall include, but is not limited to, the following information:

(a) Level of formal education;
(b) Training related to the guardian’s duties;
(c) Number of years’ experience as a guardian ad litem;
(d) Number of appointments as a guardian ad litem and the county or counties of appointment; and
(e) Criminal history, as defined in RCW 9.94A.030.

The background information report shall be updated annually. As a condition of appointment, the guardian ad litem’s background information record shall be made available to the court. If the appointed guardian ad litem is not a member of a guardian ad litem program the person shall provide the background information to the court.

Upon appointment, the guardian ad litem, or guardian ad litem program, shall provide the parties or their attorneys with a statement containing his or her training relating to the duties as a guardian ad litem and criminal history as defined in RCW 9.94A.030 for the period covering ten years prior to the appointment. The background statement shall not include identifying information that may be used to harm a guardian ad litem, such as home addresses and home telephone numbers, and for volunteer guardians ad litem the court may allow the use of maiden names or pseudonyms as necessary for their safety.

(4) The appointment of the guardian ad litem shall remain in effect until the court discharges the appointment or no longer has jurisdiction, whichever comes first. The guardian ad litem may also be discharged upon entry of an order of guardianship.

(5) A guardian ad litem through counsel, or as otherwise authorized by the court, shall have the right to present evidence, examine and cross-examine witnesses, and to be present at all hearings. A guardian ad litem shall receive copies of all pleadings and other documents filed or submitted to the court, and notice of all hearings according to court rules. The guardian ad litem shall receive all notice contemplated for a parent or other party in all proceedings under this chapter.

(6) If the child requests legal counsel and is age twelve or older, or if the guardian ad litem or the court determines that the child needs to be independently represented by counsel, the court may appoint an attorney to represent the child’s position.

(7) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to RCW 13.34.100 shall be deemed a guardian ad litem to represent the best interests of the minor in proceedings before the court.

(8) When a court-appointed special advocate or volunteer guardian ad litem is requested on a case, the program shall give the court the name of the person it recommends and the appointment shall be effective immediately. The court shall appoint the person recommended by the program. If a party in a case reasonably believes the court-appointed special advocate or volunteer is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial
days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate on the grounds the advocate or volunteer is inappropriate or unqualified.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.”

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 1810, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 49; Nays, 0; Absent, 0; Excused, 0.

There being no objection, the Senate resumed consideration Substitute House Bill No. 1165 and the pending amendments by Senator Hargrove on page 81, lines 7 and 15, to the Committee on Ways and Means striking amendment, deferred earlier today.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Bauer to the scope and object of the amendments on page 81, lines 7 and 15, by Senator Hargrove to the Committee on Ways and Means striking amendment, the President finds that Substitute House Bill No. 1165 is a measure which in the main, funds capital projects. However, the measure also appropriates funds in various sections for general operating purposes. For example, the measure provides funds to the Governor’s office for activities related to salmon recovery, including, but not limited to salmon recovery planning and critical area ordinance updates.

"The amendments to the committee amendment would do two things. First, the amendments would reduce funding for the outdoor recreation and habitat conservation accounts. These are reductions that appropriately occur in the capital budget. Second, the amendments would appropriate funds for teacher salary enhancements. The President finds that the appropriation for teacher salaries is not different in kind from an appropriation for salmon recovery planning or other operating purposes funded in Substitute House Bill No. 1165.

"The President, therefore, finds that the amendments to the committee amendment do not change the scope and object of the bill, and the point of order is not well taken.

"The President would again remind the members that he looks to the substance of the bill and not the title in ruling on questions of scope and object."

The amendments by Senator Hargrove on page 81, lines 7 and 15, to the Committee on Ways and Means striking amendment to Substitute House Bill No. 1165 were ruled in order.
The President declared the question before the Senate to be the adoption of the amendments by Senator Hargrove on page 81, lines 7 and 15, to the Committee on Ways and Means striking amendment to Substitute House Bill No. 1165. Debate ensued.

Senator Hargrove demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Goings: "A point of parliamentary inquiry, Mr. President. How many votes will be required to pass the amendments by Senator Hargrove?"

REPLY BY THE PRESIDENT

President Owen: "Sixty percent, which would be thirty votes."

Senator Goings: "Thirty votes? Thank you Mr. President."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the adoption of the amendments by Senator Hargrove on page 81, lines 7 and 15, to the Committee on Ways and Means striking amendment to Substitute House Bill No. 1165.

ENGROSGSED SUBSTITUTE HOUSE BILL NO. 1991, by House Committee on Capital Budget (originally sponsored by Representatives Murray and Mitchell)

Consolidating statutes that authorize the board of regents of the University of Washington to control university property.

The bill was read the second time.

MOTION

On motion of Senator Bauer, the following Committee on Ways and Means striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to consolidate the statutes authorizing the board of regents of the University of Washington to control the property of the university. Nothing in this act may be construed to diminish in any way the powers of the board of regents to control its property including, but not limited to, the powers now or previously set forth in RCW 28B.20.392 through 28B.20.398.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.20 RCW to read as follows:

For the purposes of this chapter, "university tract" means the tract of land in the city of Seattle, consisting of approximately ten acres, originally known as the "old university grounds," and more recently referred to as the "metropolitan tract," together with all buildings, improvements, facilities, and appurtenances thereon.

Sec. 3. RCW 28B.20.382 and 1998 c 245 s 17 are each amended to read as follows:

(1) Until authorized (and empowered to do so) by statute of the legislature, the board of regents of the university, with respect to (that certain tract of land in the city of Seattle originally known as the "old university grounds," and more recently known as the "metropolitan tract" and any land contiguous thereto) the university tract, shall not sell the land or any part thereof or any improvement thereon, or lease the land or any part thereof or any improvement thereon or renew or extend any lease thereof for a term (ending more than sixty years beyond midnight, December 31, 1980) of more than eighty years. Any sale of the land or any part thereof or any improvement thereon, or any lease or renewal or extension of any lease of the land or any part thereof or any improvement thereon for a term (ending more than sixty years after midnight, December 31, 1980) of more than eighty years made or attempted to be made by the board of regents shall be null and void (unless and) until the same has been approved or ratified and confirmed by legislative act.

(2) The board of regents shall have power from time to time to lease the land, or any part thereof or any improvement thereon for a term (ending not more than sixty years beyond midnight, December 31, 1980; PROVIDED, That) of not more than eighty years. Any and all records, books, accounts, and agreements of any lessee or sublessee under this section, pertaining to compliance with the terms and conditions of such lease or sublease, shall be open to inspection by the board of regents, the ways and means committee of the senate, the appropriations committee of the house of representatives, and the joint legislative audit and review committee or any successor committees. It is not intended (by this provision) that unrelated records, books, accounts, and agreements of lessees, sublessees, or related companies be open to such inspection. The board of regents shall make a full, detailed report of all leases and transactions pertaining to the land or any part thereof or any improvement thereon to the joint legislative audit and review committee, including one copy to the staff of the committee, during odd-numbered years.

(3) The net proceeds from the sale or lease of land in the university tract, or any part thereof or any improvement thereof, shall be deposited into the University of Washington facilities bond retirement account hereby established outside the state treasury as a nonappropriated local fund to be used exclusively for the purpose of erecting, altering, maintaining, equipping, or furnishing buildings at the University of Washington. (Substitute House Bill No. 1166), Laws of 1999.

Sec. 4. RCW 28B.20.394 and 1973 1st ex.s. c 195 s 10 are each amended to read as follows:

In addition to the powers conferred upon the board of regents of the University of Washington by (RCW 28B.20.392 and 28B.20.394) section 5 of this act, the board of regents is authorized and shall have the power to enter into an agreement or agreements with the city of Seattle and the county of King, Washington, to pay to (the city and (the county) the county such sums as shall
be mutually agreed upon for governmental services rendered to ((the university tract, (as defined in RCW 28B.20.390)) which sums shall not exceed the amounts that would be received pursuant to limitations imposed by RCW 84.52.043 by the (city of Seattle and county of King respectively from real and personal property taxes paid on the university tract or any leaseholds thereon if such taxes could lawfully be levied)) and any such sums so agreed upon shall be paid from the proceeds and other income from said tract as an item of expense of operation and upkeep thereof. PROVIDED, That in the event that it is determined by a court of final jurisdiction that the provisions of chapter 43, Laws of 1971 first ex. sess., insofar as they affect taxes due and payable in 1972 and 1973 by any lessee of the university tract, are held unconstitutional, the sums paid pursuant to this section in such years shall be refunded in accordance with the provisions of chapter 84.69 RCW; and any provision of RCW 28B.20.302 in conflict herewith is superseded).

NEW SECTION. Sec. 5. A new section is added to chapter 28B.20 RCW to read as follows:

SUBSTITUTE HOUSE BILL NO. 1183, by House Committee on State Government (originally sponsored by Representatives H. Sommers, Huff, Romero, McMorris, McIntire and Esser) (by request of State Treasurer Murphy)

Negotiating state-wide custody contracts.
The bill was read the second time.

MOTION

Senator Gardner moved that the following Committee on Commerce, Trade, Housing and Financial Institutions striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Local governments enter into separate, individual contracts with banks for custody services. The rate and terms which each local government obtains from a given bank sometimes varies widely depending upon the size of the local government’s portfolio, and thus fails to provide all of the state’s taxpayers with the most advantageous rates and terms for such custody services. The purpose of this act is to enable local governments, through a state-wide custody contract, to collectively obtain the most advantageous rate and terms from a single financial institution for custodial banking services. Under such a state-wide custody contract, smaller local governments may receive a higher level of service, while paying lower fees than they might have individually obtained.

NEW SECTION. Sec. 2. A new section is added to chapter 43.08 RCW to read as follows:

(1) The state treasurer is authorized to negotiate a state-wide custody contract for local government custody services. The term of the contract shall be for a minimum of four years.

(2) The state treasurer shall, as soon as is practical after negotiations have been successfully completed, notify local governments that a state-wide custody contract has been negotiated.

(3) Following such notification, each local government may, at its option, become a signatory to the state-wide contract. Each local government may only become a signatory to the contract by having its authorized local government official or financial officer and the state-wide custodian execute the state-wide contract. The contract is between the state-wide custodian and the respective local government. It is the responsibility of the local government official or financial officer to fully understand the terms and conditions of the state-wide custody contract prior to its execution, and to ensure those terms and conditions are observed by the state-wide custodian during the term of the contract.

(4) The state treasurer may adopt rules to implement this section, including, but not limited to, those rules deemed necessary to provide for an orderly transition in the event of a different state-wide custodian in a new state-wide custody contract.

(5) Any state-wide custodian who becomes a signatory to the state-wide custody contract may be exempted from the requirements of chapter 39.58 RCW for the purposes of this section, based on rules adopted by the public deposit protection commission.

(6) For the purposes of this section:

(a) "Financial institution" means a bank or trust company chartered and supervised under state or federal law;

(b) "Local government" means any county, city, town, special purpose district, political subdivision, municipal corporation, or quasi-municipal corporation, including any public corporation created by such an entity, which legally possesses and exercises investment authority;

(c) "State-wide custody contract" means a contract negotiated between the state treasurer and a financial institution that establishes terms and fees for custody services which are optional to any local government for the term of the contract;

(d) "State-wide custodian" means the financial institution with whom the state treasurer has negotiated a state-wide custody contract;

(e) "Custody services" means services performed by a financial institution such as the settlement, safekeeping, valuation, and market-value reporting of negotiable instruments owned by the local government;

(f) "Local government official" means any officer or employee of a local government who has been designated by statute or local charter, ordinance, or resolution as the officer having the authority to invest the funds of the local government. However, the county treasurer is the only local government official for all political subdivisions for which the county treasurer has statutory or contractual authority to invest the funds thereof;

(g) "Financial officer" means the board-appointed treasurer of a college, university, community or technical college district, or the state board for community and technical colleges.

NEW SECTION. Sec. 3. A new section is added to chapter 39.58 RCW to read as follows:

A state-wide custodian under section 2 of this act may be exempted from the requirements of this chapter, based on rules adopted by the public deposit protection commission.

NEW SECTION. Sec. 4. This act takes effect September 1, 1999."

(1) Every offender who has been discharged under RCW 9.94A.220 may apply to the sentencing court for a vacation of the offender’s record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may in its discretion clear the record of conviction by: (a)(i) Permitting the offender to withdraw the offender’s plea of guilty and to enter a plea of not guilty; or (ii) if the offender has been convicted after a plea of not guilty, (iii) the court setting aside the verdict of guilty; and (iv) the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if any one of the following is present: (a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court; (b) the offense was a violent offense as defined in RCW 9.94A.030; (c) the offense was a domestic violence offense as defined in RCW 10.99.020; (d) the offense was a crime against persons as defined in RCW 43.43.830; (e) the offender has been convicted of a new crime in this state, another state, or federal court since the date of the offender’s discharge under RCW 9.94A.220; (f) the offense is a class B felony and less than ten years have passed since the date the applicant was discharged under RCW 9.94A.220; (g) the offense was a class C felony and less than five years have passed since the date the applicant was discharged under RCW 9.94A.220.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender’s criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender’s prior conviction in a later criminal prosecution.
(4) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

(5) Any conviction that is vacated under this section shall be treated as nonconviction data as defined in chapter 10.97 RCW for the purposes of the defendant’s criminal history. The clerk of the court in which the motion is brought shall transmit the order vacating the conviction to the Washington state patrol. The Washington state patrol shall transmit the order vacating the conviction to the federal bureau of investigation.

(6) No person may seek or be granted a vacation of record of conviction for an offense committed after the date upon which the person received a vacation of record of conviction for any other offense.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender’s criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender’s prior conviction in a later criminal case.

(4) No person may seek or be granted a vacation of record of conviction for an offense committed after the date upon which the person received a vacation of record of conviction for any other offense.

(5) Any conviction that is vacated under this section shall be treated as nonconviction data as defined in chapter 10.97 RCW for the purposes of the defendant’s criminal history. The clerk of the court in which the motion is brought shall transmit the order vacating the conviction to the Washington state patrol. (6) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

Sec. 4. RCW 13.50.050 and 1997 c 338 s 40 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection ((9)(h)) (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the
juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile’s family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile’s family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys’ records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(8) Upon request of the victim of a crime or the victim’s immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender’s parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim’s immediate family.

(9) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (((22))) (((23))) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(11) The court has the discretion to grant the motion to seal records made pursuant to subsection (10) of this section if it finds that for class B offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition:

(a) The person has spent five consecutive years in the community without committing another offense or crime that results in conviction in this state, another state, or federal court;

(b) There are no criminal charges against the person pending in any court of this state, another state, or federal court;

(c) Through credible evidence presented to the court that the person has a present career path that is impeded by the record of the courts order and findings;

(d) That the person is twenty-one years of age or older; and

(e) The person has lived an exemplary life since the court’s order and findings.

(12) The court shall grant the motion to seal records made pursuant to subsection (10) of this section if it finds that:

(a) For class B offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent ten consecutive years in the community without committing any offense or crime that subsequently results in conviction. For class C offenses, gross misdemeanors, and misdemeanors, other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in conviction;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(c) No proceeding is pending seeking the formation of a diversion agreement with that person;

(d) The person has not been convicted of a class A or sex offense; and

(e) Full restitution has been paid.

(13) The person making a motion pursuant to subsection (10) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14) If the court grants the motion to seal made pursuant to subsection (10) of this section, it shall, subject to subsection (((22))) (((23))) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual. Any record that is sealed under this section shall be treated as nonconviction data as defined in chapter 10.97 RCW for the
purposes of the defendant’s criminal history. The clerk of the court in which the motion is brought shall transmit the order sealing the record to the Washington state patrol. The Washington state patrol shall transmit the order sealing the record to the federal bureau of investigation.

\[\text{(15)}\] Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection ((22)) (23) of this section.

\[\text{(16)}\] Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW.

\[\text{(17)}\] A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted, subject to subsection ((22)) (23) of this section, if the court finds that two years have elapsed since completion of the diversion agreement.

\[\text{(18)}\] If the court grants the motion to destroy records made pursuant to subsection ((16)) (17) of this section, it shall, subject to subsection ((22)) (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

\[\text{(19)}\] The person making the motion pursuant to subsection ((16)) (17) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

\[\text{(20)}\] Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

\[\text{(21)}\] Nothing in this section may be construed to prevent a crime victim or a member of the victim’s family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

\[\text{(22)}\] Any juvenile justice or care agency may, subject to the limitations in subsection ((22)) (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

\[\text{(23)}\] No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person’s treatment by the criminal justice system or about the person’s behavior.

\[\text{(24)}\] Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child’s legal guardian. Identifying information includes the child victim’s name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

\[\text{(25)}\] All costs incurred by the court and probation services shall be paid by the person making the motion to seal the record under subsection (10) of this section unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought."

MOTION

Senator Benton moved that the following amendment by Senators Benton, Zarelli and Hargrove to the Committee on Judiciary striking amendment be adopted:

On page 10, after line 28, insert the following:

"Sec. 5. RCW 9.41.070 and 1996 c 295 s 6 are each amended to read as follows:

(1) The chief of police of a municipality or the sheriff of a county shall within thirty days after the filing of an application of any person, issue a license to such person to carry a pistol concealed on his or her person within this state either permanently or for five years from date of issue, as the person may elect upon application for the license, for the purposes of protection or while engaged in business, sport, or while traveling. However, if the applicant does not have a valid permanent Washington driver’s license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The issuing authority shall not refuse to accept completed applications for concealed pistol licenses during regular business hours. A permanent license issued under this section is valid until suspended or revoked or until the person to whom the license was issued becomes otherwise ineligible to possess a firearm or to obtain a concealed pistol license. Any person whose eligibility is restored under this section, RCW 9.41.040, or other law, may apply for a permanent license under this section. A permanent license issued under this section entitles a person to carry a pistol concealed on his or her person in accordance with this section regardless of the date of issuance of the license, and the license need not be renewed for that purpose. However, such a license does not entitle a person to take delivery of a pistol under RCW 9.41.090(1)(a) if more than five years have passed since the date of the issuance or latest renewal of the license, and such a license may be renewed as authorized by this section for the purpose of taking the delivery.

The applicant’s constitutional right to bear arms shall not be denied, unless:

(a) He or she is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045;

(b) The applicant’s concealed pistol license is in a revoked status;

(c) He or she is under twenty-one years of age;

(d) He or she is subject to a court order or injunction regarding firearms pursuant to RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.26.137, 26.50.060, or 26.50.070;

(e) He or she is free on bond or personal recognizance pending trial, appeal, or sentencing for a felony offense;

(f) He or she has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or

(g) He or she has been ordered to forfeit a firearm under RCW 9.41.098(1)(e) within one year before filing an application to carry a pistol concealed on his or her person.

No person convicted of a felony may have his or her right to possess firearms restored or his or her privilege to carry a concealed pistol restored, unless the person has been granted relief from disabilities by the secretary of the treasury under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2) The issuing authority shall check with the national crime information center, the Washington state patrol electronic data base, the department of social and health services electronic data base, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm and therefore ineligible for a concealed pistol license. This subsection applies whether the applicant is applying for a ( momentarily) permanent concealed pistol license or to renew a concealed pistol license.

(3) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the secretary of the treasury under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec. 921(a)(20)(A) shall have his or her right to acquire, receive, transfer, ship, transport, carry, and possess firearms in accordance with Washington state law restored except as otherwise prohibited by this chapter.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, date and place of birth, race, gender, description, not more than two complete sets of fingerprints, and signature of the licensee, and the licensee’s
driver’s license number or state identification card number if used for identification in applying for the license. A signed application for a concealed pistol license shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release information relevant to the applicant’s eligibility for a concealed pistol license to an inquiring court or law enforcement agency.

The application for (either a permanent or five-year) license shall include two complete sets of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant’s eligibility under RCW 9.41.040 to possess a pistol, the applicant’s place of birth, and whether the applicant is a United States citizen. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. A person who is not a citizen of the United States shall meet the additional requirements of RCW 9.41.170 and produce proof of compliance with RCW 9.41.170 upon application. The license shall be in triplicate and in a form to be prescribed by the department of licensing.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an on-line format, all information received under this subsection.

(5)(a) The nonrefundable fee, paid upon application, for the (original five-year) license (((shall be))) is thirty-six dollars for the five-year license and one hundred dollars for the permanent license plus additional charges imposed by the Federal Bureau of Investigation that are passed on to the applicant for either license. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of (((the))) either license.

(b) The fee for the five-year license shall be distributed as follows:

(((((a)(i) Fifteen dollars (((shall be paid))) to the state general fund;

(((((b)(ii) Four dollars (((shall be paid))) to the agency taking the fingerprints of the person licensed;

(((c)(iii) Fourteen dollars (((shall be paid))) to the issuing authority for the purpose of enforcing this chapter; and

((d)(iv) Three dollars to the firearms range account in the general fund.

(c) The fee for the permanent license shall be distributed as follows:

(i) Forty-seven dollars to the state general fund;

(ii) Four dollars to the agency taking the fingerprints of the person licensed;

(iii) Fourteen dollars to the issuing authority for the purpose of enforcing this chapter; and

(iv) Thirty-five dollars to the firearms range account in the general fund.

(6) A person with a five-year license may renew the license for the purpose of being eligible to take delivery of a pistol under RCW 9.41.090(1)(a). A renewal is valid for that purpose for five years from the date of its issuance. The nonrefundable fee for the renewal of (((such))) a five-year license (((shall be))) is thirty-two dollars. No other branch or unit of government may impose any additional charges on the applicant for the renewal of the license.

The renewal fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;

(b) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter; and

(c) Three dollars to the firearms range account in the general fund.

(7) The nonrefundable fee for replacement of lost or damaged licenses is ten dollars to be paid to the issuing authority.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9) A licensee may renew a five-year license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section. The fee shall be distributed as follows:

(a) Three dollars shall be deposited in the state wildlife fund and used exclusively for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law. The pamphlet shall be given to each applicant for a license; and
Sec. 6. R.C.W. 9.41.090 and 1996 c 295 s 8 are each amended to read as follows:

(1) In addition to the other requirements of this chapter, no dealer may deliver a pistol to the purchaser thereof until:

(a) The purchaser produces a valid concealed pistol license and the dealer has recorded the purchaser’s name, license number, and issuing agency, such record to be made in triplicate and processed as provided in subsection (5) of this section. For purposes of this subsection (1)(a), a “valid concealed pistol license” does not include a temporary emergency license, and does not include any license more than five years after the date of its issuance, and does not include any license more than five years after the date of its issuance or latest renewal;

(b) The dealer is notified in writing by the chief of police or the sheriff of the jurisdiction in which the purchaser resides that the purchaser is eligible to possess a pistol under R.C.W. 9.41.040 and that the application to purchase is approved by the chief of police or sheriff;

(c) Five business days, meaning days on which state offices are open, have elapsed from the time of receipt of the application for the purchase thereof as provided herein by the chief of police or sheriff designated in subsection (5) of this section, and, when delivered, the pistol shall be securely wrapped and shall be unloaded. However, if the purchaser does not have a valid permanent Washington driver’s license or state identification card or has not been a resident of the state for the previous consecutive ninety days, the waiting period under this subsection (1)(c) shall be up to sixty days.

(2) (a) Except as provided in (b) of this subsection, in determining whether the purchaser meets the requirements of R.C.W. 9.41.040, the chief of police or sheriff, or the designee of either, shall check with the national crime information center, the Washington state patrol electronic data base, the department of social and health services electronic data base, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under R.C.W. 9.41.040 to possess a firearm.

(b) Once the system is established, a dealer shall use the state system and national instant criminal background check system, provided for by the Brady Handgun Violence Prevention Act (18 U.S.C. Sec. 921 et seq.), to make criminal background checks of applicants to purchase firearms. However, a chief of police or sheriff, or a designee of either, shall continue to check the department of social and health services’ electronic data base and with other agencies or resources as appropriate, to determine whether applicants are ineligible under R.C.W. 9.41.040 to possess a firearm.

(3) In any case under subsection (1)(c) of this section where the applicant has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor, the dealer shall hold the delivery of the pistol until the warrant for arrest is served and satisfied by appropriate court appearance. The local jurisdiction for purposes of the sale shall confirm the existence of outstanding warrants within seventy-two hours after notification of the application to purchase a pistol is received. The local jurisdiction shall also immediately confirm the satisfaction of the warrant on request of the dealer so that the hold may be released if the warrant was for an offense other than an offense making a person ineligible under R.C.W. 9.41.040 to possess a firearm.

(4) In any case where the chief or sheriff of the local jurisdiction has reasonable grounds based on the following circumstances:

(a) Open criminal charges, (b) pending criminal proceedings, (c) pending commitment proceedings, (d) an outstanding warrant for an offense making a person ineligible under R.C.W. 9.41.040 to possess a pistol, or (e) an arrest for an offense making a person ineligible under R.C.W. 9.41.040 to possess a pistol, if the records of disposition have not yet been reported or entered sufficiently to determine eligibility to purchase a pistol, the local jurisdiction may hold the sale and delivery of the pistol beyond five days up to thirty days in order to confirm existing records in this state or elsewhere. After thirty days, the hold will be lifted unless an extension of the thirty days is approved by a local district court or municipal court for good cause shown. A dealer shall be notified of each hold placed on the sale by local law enforcement and of any application to the court for additional hold period to confirm records or confirm the identity of the applicant.

(b) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant’s residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.

(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under R.C.W. 9.A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.

(13) A person may apply for a concealed pistol license:

(a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;

(b) To the county in which the applicant resides if the applicant resides in an unincorporated area; or

(c) Anywhere in the state if the applicant is a nonresident.
(5) At the time of applying for the purchase of a pistol, the purchaser shall sign in triplicate and deliver to the dealer an application containing his or her full name, residential address, date and place of birth, race, and gender; the date and hour of the application; the applicant’s driver’s license number or state identification card number; a description of the pistol including the make, model, caliber and manufacturer’s number if available at the time of applying for the purchase of a pistol. If the manufacturer’s number is not available, the application may be processed, but delivery of the pistol to the purchaser may not occur unless the manufacturer’s number is recorded on the application by the dealer and transmitted to the chief of police of the municipality or the sheriff of the county in which the purchaser resides; and a statement that the purchaser is eligible to possess a pistol under RCW 9.41.040.

The application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. State permission to purchase a firearm is not a defense to a federal prosecution.

The purchaser shall be given a copy of the department of fish and wildlife pamphlet on the legal limits of the use of firearms, firearms safety, and the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The dealer shall, by the end of the business day, sign and attach his or her address and deliver a copy of the application and such other documentation as required under subsection (1) of this section to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident. The triplicate shall be retained by the dealer for six years. The dealer shall deliver the pistol to the purchaser following the period of time specified in this section unless the dealer is notified of an investigative hold under subsection (4) of this section in writing by the chief of police of the municipality or the sheriff of the county, whichever is applicable, denying the purchaser’s application to purchase and the grounds thereof. The application shall not be denied unless the purchaser is not eligible to possess a pistol under RCW 9.41.040 or 9.41.045, or federal law.

The chief of police of the municipality or the sheriff of the county shall retain or destroy applications to purchase a pistol in accordance with the requirements of 18 U.S.C. Sec. 922.

(6) A person who knowingly makes a false statement regarding identity or eligibility requirements on the application to purchase a pistol is guilty of false swearing under RCW 9A.72.040.

(7) This section does not apply to sales to licensed dealers for resale or to the sale of antique firearms.”

POINT OF ORDER

Senator Heavey: "A point of order, Mr. President. I submit that this amendment is outside the scope and object of the bill and request your opinion thereon. The underlying bill develops a process for vacating misdemeanor convictions. This deals with concealed pistol licenses and other weapon’s issues, which are--I don’t know what they have to do with misdemeanor convictions."

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Heavey to the scope and object of amendment by Senators Benton, Zarelli and Hargrove on page 10, after line 28, to the Committee on Judiciary striking amendment, the President finds that Substitute House Bill No. 1392 is a measure which relates solely to the vacation of records of conviction.

“The amendment by Senators Benton, Zarelli and Hargrove to the committee striking amendment concerns concealed weapons licenses. “The President, therefore, finds that the amendment to the committee striking amendment does change the scope and object of the bill, and the point of order is well taken.”

The amendment on page 10, after line 28, by Senators Benton, Zarelli and Hargrove to the Committee on Judiciary striking amendment to Substitute House Bill No. 1392 was ruled out of order.

The President declared the question before the Senate to be the adoption of the Committee on Judiciary striking amendment, as amended, to Substitute House Bill No. 1392.

The motion by Senator Heavey carried and the committee striking amendment, as amended, was adopted.

MOTIONS

On motion of Senator Heavey, the following title amendment was adopted:
On page 1, line 1 of the title, after "conviction;" strike the remainder of the title and insert "amending RCW 9.94A.230, 9.95.240, and 13.50.050; and adding a new section to chapter 9.96 RCW."

On motion of Senator Heavey, the rules were suspended, Substitute House Bill No. 1392, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

The President declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1392, as amended by the Senate.

(3) Except as provided in this subsection, changes to the boundaries of any precinct shall follow visible, physical features delineated on the most current maps provided by the United States census bureau. A change need not follow such visible, physical features if (a) it is necessitated by an annexation or incorporation and the proposed precinct boundary is identical to an exterior boundary of the annexed or incorporated area which does not follow a visible, physical feature; or (b) doing so would substantially impair election administration in the involved area.

(4) After a change to precinct boundaries is adopted by the county legislative authority, the county auditor shall send to the secretary of state a copy of the legal description and a map or maps of the changes and, if all or part of the changes do not follow visible, physical features, a statement of the applicable exception under subsection (3) of this section. For boundary changes made pursuant to subsection (3)(b) of this section, the auditor shall include a statement of the reasons why following visible, physical features would have substantially impaired election administration.

(5) Every voting precinct within each county shall be designated [[(consecutively)]] by number for the purpose of preparation of maps and the tabulation of population for apportionment purposes. These precincts may be identified with names or other numbers for other election purposes.

(6) After a change to precinct boundaries in a city or town, the county auditor shall send one copy of the map or maps delineating the new precinct boundaries within that city or town to the city or town clerk.

(2) In a state primary or state general election in an even-numbered year, the cost of those modifications to buildings or other facilities, including signs designating handicapped accessible parking and entrances, that are necessary to permit the use of those facilities for polling places under this chapter (and Public Law 98-435) or any procedures established under RCW 29.57.090 shall be treated as election costs and prorated under RCW 29.13.045.

Sec. 21. RCW 29.62.090 and 1990 c 262 s 1 are each amended to read as follows:
(1) Immediately after the official results of a state primary or general election in a county are ascertained, the county auditor or other election officer shall make an abstract of the number of registered voters in each precinct and of all the votes cast in the county at such state primary or general election for and against state measures and for each candidate for federal, state, and legislative office or for any other office which the secretary of state is required by law to canvass. The abstract shall be entered on blanks furnished by the secretary of state or on compatible computer printouts approved by the secretary of state, and transmitted to the secretary of state no later than the next business day following the certification by the county canvassing board.
(2) After each general election, the county auditor or other election officer shall provide to the secretary of state a report of the number of absentee ballots cast in each precinct for and against state measures and for each candidate for federal, state, and legislative office or for any other office which the secretary of state is required by law to canvass. The report may be included in the abstract required by this section or may be transmitted to the secretary of state separately, but in no event later than March 31 of the year following the election. Absentee ballot results may be incorporated into votes cast at the polls for each precinct or may be reported separately on a precinct-by-precinct basis.
(3) If absentee ballot results are not incorporated into votes cast at the polls, the county auditor or other election official may aggregate results from more than one precinct if the auditor, pursuant to rules adopted by the secretary of state, finds that reporting a single precinct's absentee ballot results would jeopardize the secrecy of a person's ballot. To the extent practicable, precincts for which absentee results are aggregated shall be contiguous.

NEW SECTION. Sec. 22. The following acts or parts of acts are each repealed:
(1) RCW 29.57.030 and 1985 c 205 s 2 & 1979 ex.s. c 64 s 3;
(2) RCW 29.57.080 and 1985 c 205 s 4;
(3) RCW 29.57.110 and 1985 c 205 s 7; and

(The candidates' photographs and statements shall appear in the pamphlet in the same sequence as the positions sought appear on the state general election ballot.) The secretary of state shall determine by lot the single order in which the names of nominees or candidates will appear for federal and state offices in the state candidates' pamphlet."

MOTION

On motion of Senator Hargrove, the following Committee on Human Services and Corrections striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.030 and 1998 c 130 s 1 are each amended to read as follows:

For purposes of this chapter:

(1) "Chemical dependency treatment" means a service certified by the department as qualified in helping individuals successfully recover from the nonprescription use of controlled substances.

(2) "Child" and "juvenile" means any individual under the age of eighteen years.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until the child returns home, an adoption decree, a permanent custody order, or guardianship order is entered, or the dependency is dismissed, whichever occurs soonest. If the most recent date of removal occurred prior to the filing of a dependency petition under this chapter or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of a child's current placement episode.

(4) "Department" means the department of social and health services.

(5) "Dependency finding" means a determination by the court that a child is a dependent child.

(6) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to RCW 13.34.232 for the limited purpose of assisting the court in the supervision of the dependency.

(7) "Dependency petition" means a petition filed under this chapter.

(8) "Dependent child" means any child:

(a) Who has been abandoned; that is, where the child's parent, guardian, or other custodian has expressed either by statement or conduct, an intent to forego, for an extended period, parental rights or parental responsibilities despite an ability to do so. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon;

(b) Who is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child; or

(c) Who has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development.

(9) "Drug-affected infant" has the definition created by the department of health in conjunction with the department of social and health services under RCW 13.34.801 and the infant requires treatment for withdrawal from controlled substances the infant was exposed to from the mother's use of nonprescription controlled substances or the infant requires treatment and services related to conditions that extend beyond the point of withdrawal.

(10) "Family planning" means the process of limiting or spacing the birth of children, education, counseling, information, and services. "Family planning" does not include pregnancy termination.

(11) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.
Guardian ad litem program means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

“Newborn infant” means an infant within seven days after birth.

“Out-of-home care” means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

“Preventive services” means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services capable of preventing the need for out-of-home placement while protecting the child.

“Test” means use of a medically accepted standard of care for determining whether a newborn infant is a drug-affected infant.

NEW SECTION, Sec. 2. A new section is added to chapter 13.34 RCW to read as follows:

In an effort to reduce the harmful effects of drug-affected infants:

(1)(a) A woman's primary health care provider shall:

(i) Screen pregnant and lactating women for nonprescription use of controlled substances while pregnant. Screening criteria may include, but is not limited to, the criteria developed by the department of health pursuant to chapter 70.83E RCW;

(ii) Convey to the infant's primary health care provider screening findings that would suggest the need for testing of the infant, or conduct the testing; and

(iii) Inform each woman identified by screening for testing of her infant that if her infant is born drug-affected she can have a tubal ligation at no cost to her within six months following the birth if she is eligible for support under RCW 74.09.310, and how to access appropriate chemical dependency treatment.

(b) The provider shall not be liable for a decision regarding testing or reporting unless the decision amounts to gross negligence or intentional misconduct.

(2)(a) The health care provider of a newborn infant shall:

(i) Test any infant the provider reasonably believes is drug-affected; and

(ii) Notify the department of the name and address of the parent or parents of a drug-affected infant.

(b) The provider shall not be liable for a decision regarding testing or reporting unless the decision amounts to gross negligence or intentional misconduct.

(3) The department shall investigate all reports received under this section.

NEW SECTION, Sec. 3. A new section is added to chapter 13.34 RCW to read as follows:

When an infant is determined to be a first drug-affected infant, the department shall file a dependency petition in appropriate cases. The drug-affected status of an infant is not by itself sufficient to establish a finding that the drug-affected infant is dependent.

(1) The department and the mother may enter an agreement in which the mother agrees to chemical dependency treatment on an inpatient or outpatient basis. The mother must be offered education regarding family planning and medically appropriate pharmaceutical pregnancy prevention during the course of chemical dependency treatment with a preference for those methods administered not less than once every thirty days. In addition, the agreement shall:

(a) Specify completion dates for each of the conditions of treatment;

(b) Expire within twelve months of the date of execution; and

(c) Not be renegotiated or extended beyond twelve months of the date of execution unless the conditions, which were negotiated, cannot be fulfilled in twelve months and the reason the conditions cannot be fulfilled are completely beyond the control of the mother.

(2) If the department has filed a dependency petition and the department and the mother enter an agreement under subsection (1) of this section, the department shall request the court defer entry of a dependency finding for as long as the mother abides by the terms of the agreement subject to the department's monitoring compliance.

(3) As a condition of deferral of the dependency finding, the parties shall stipulate to facts sufficient to constitute a dependency. In the event a party unreasonably refuses to stipulate to facts sufficient to constitute a dependency, the court may proceed with hearings on the petition.
(4) If the court orders deferral of the dependency finding, the court shall order performance of the agreement and shall prohibit nonprescription use of controlled substances.

(5) The department or any party to the petition may request the court dismiss a deferred finding at any time if the mother demonstrates by clear and convincing evidence that she has not used controlled substances for at least twelve consecutive months unless the court finds compelling reasons to shorten the time after consulting with the substance abuse provider, but under no circumstances less than six months, and she can safely provide for the child's welfare without continuing supervision by the department or court.

(6) In the event the department does not file a petition or enter an agreement, the department shall refer the mother to available chemical dependency treatment.

**NEW SECTION, Sec. 4.** A new section is added to chapter 13.34 RCW to read as follows:

When an infant is determined to be a second drug-affected infant, the department shall file a dependency petition for the second drug-affected infant unless compelling reasons exist to the contrary. The department may proceed immediately with a dependency petition on the first drug-affected infant. The drug-affected status of an infant is not by itself sufficient to establish a finding that the drug-affected infant is dependent.

(1) The department and the mother may enter an agreement in which the mother agrees to inpatient chemical dependency treatment unless the department determines outpatient treatment is in the best interest of the child and participation in a model project developed under RCW 13.34.800 for aftercare services if the model project is available. The mother must be offered education regarding family planning and medically appropriate pharmaceutical pregnancy prevention during the course of chemical dependency treatment with a preference for those methods administered not less than once every thirty days. In addition, the agreement shall:

   (a) Specify completion dates for each of the conditions of treatment;

   (b) Expire within twelve months of the date of execution; and

   (c) Not be renegotiated or extended beyond twelve months of the date of execution unless the conditions, which were negotiated, cannot be fulfilled in twelve months and the reason the conditions cannot be fulfilled are completely outside the control of the mother.

(2) If the department has filed a dependency petition and the department and the mother enter an agreement under subsection (1) of this section, the department shall request the court defer entry of a dependency finding for as long as the mother abides by the terms of the agreement subject to the department's monitoring compliance.

(3) As a condition of deferral of the dependency finding, the parties shall stipulate to facts sufficient to constitute a dependency. In the event a party unreasonably refuses to stipulate to facts sufficient to constitute a dependency, the court may proceed with hearings on the petition.

(4) If the court orders deferral of the dependency finding, the court shall order performance of the agreement and shall prohibit nonprescription use of controlled substances.

(5) The department or the mother may request the court dismiss a deferred finding at any time if the mother demonstrates by clear and convincing evidence that she has not used controlled substances for at least twelve consecutive months unless the court finds compelling reasons to shorten the time after consulting with the substance abuse provider, but under no circumstances less than six months, and she can safely provide for the child's welfare without continuing supervision by the department or court.

(6) In the event the department does not file a petition or enter an agreement, the department shall refer the mother to available chemical dependency treatment programs.

**NEW SECTION, Sec. 5.** A new section is added to chapter 13.34 RCW to read as follows:

Unless compelling reasons exist to the contrary, the department shall file a dependency petition when an infant is determined to be a third or subsequent drug-affected infant. Unless compelling reasons exist to the contrary, the department shall proceed with dependency petitions on all drug-affected children born before the third or subsequent birth. The drug-affected status of an infant is not by itself sufficient to establish a finding that the drug-affected infant is dependent.

(1) The court shall order evaluation by a designated chemical dependency specialist, as defined in RCW 70.96A.020, who shall undertake the processes described in RCW 70.96A.140. If the mother enters chemical dependency treatment, the mother must be offered education regarding family planning and medically appropriate pharmaceutical pregnancy prevention during the course of chemical dependency treatment with a preference for those methods administered not less than once every thirty days.

(2) If the court has ordered removal of a child or children, the out-of-home placement order shall remain in effect until the petition is dismissed or the mother has successfully completed inpatient chemical dependency treatment and an aftercare chemical dependency treatment program unless compelling reasons exist to the contrary. The mother must establish to the court that she can safely provide for the welfare of her child or children.

**NEW SECTION, Sec. 6.** A new section is added to chapter 13.34 RCW to read as follows:
Nothing in sections 2 through 5 of this act may be interpreted to prohibit or compel action in the best interests of the child by the department independent from the drug-affected status of an infant.

NEW SECTION. Sec. 7. A new section is added to chapter 13.34 RCW to read as follows:

Notwithstanding sections 2 through 5 of this act, no provider of chemical dependency treatment services may be required by law or contract in any circumstance to participate in the provision of family planning services if the provider objects to so doing for reasons of conscience or religion. Each provider of chemical dependency treatment that invokes the exemption provided under this section shall promptly provide written notice to persons admitted to treatment listing the family planning services the provider refuses to provide for the reason of conscience or religion and how a person admitted to treatment may access family planning in an expeditious manner. When negotiating contracts for chemical dependency treatment services, the department shall prioritize contracted services under sections 3 through 5 of this act for the purpose of maximizing the number of providers who can show effective measurable outcomes in reducing chemical dependency and the birth of drug-affected infants through effective treatment regardless of whether or not they provide family planning services.

Sec. 8. RCW 13.34.070 and 1993 c 358 s 1 are each amended to read as follows:

(1) Upon the filing of the petition, the clerk of the court shall issue a summons, one directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. If the child is developmentally disabled and not living at home, the notice shall be given to the child's custodian as well as to the child's parent. The developmentally disabled child shall not be required to appear unless requested by the court. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons. The fact-finding hearing on the petition shall be held no later than seventy-five days after the filing of the petition, unless exceptional reasons for a continuance are found. In cases of a drug-affected infant, exceptional reasons for a continuance exist if the mother and the department have executed an agreement that will take more than seventy-five days to fulfill. The party requesting the continuance shall have the burden of proving by a preponderance of the evidence that exceptional circumstances do exist. To ensure that the hearing on the petition occurs within the seventy-five day time limit, the court shall schedule and hear the matter on an expedited basis.

(2) A copy of the petition shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel. The summons shall also inform the child's parent, guardian, or legal custodian of his or ([(he)]) her right to appointed counsel, if indigent, and of the procedure to use to secure appointed counsel.

(4) The summons shall advise the parents that they may be held responsible for the support of the child if the child is placed in out-of-home care.

(5) The judge may endorse upon the summons an order directing any parent, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(6) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to RCW 13.34.050, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take him to the place of shelter designated by the court.

(7) If the person summoned as provided in this section is subject to an order of the court pursuant to subsection (5) or (6) of this section, and if the person fails to abide by the order, he may be proceeded against as for contempt of court. The order endorsed upon the summons shall conspicuously display the following legend:

NOTICE:
VIOLATION OF THIS ORDER
IS SUBJECT TO PROCEEDING
FOR CONTEMPT OF COURT
PURSUANT TO RCW 13.34.070.

(8) If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally as soon as possible following the filing of the petition, but in no case later than fifteen court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party's address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail as soon as possible following the filing of the petition, but in no case later than fifteen court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party
personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.

(9) Service of summons may be made under the direction of the court by any person eighteen years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or department of social and health services social worker.

(10) In any proceeding brought under this chapter where the court knows or has reason to know that the child involved is a member of an Indian tribe, notice of the pendency of the proceeding shall also be sent by registered mail, return receipt requested, to the child's tribe. If the identity or location of the tribe cannot be determined, such notice shall be transmitted to the secretary of the interior of the United States.

Sec. 9. RCW 13.34.130 and 1998 c 314 s 2 and 1998 c 130 s 2 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is related to the child as defined in RCW 74.15.020(4)) and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child.

Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds: (a) Termination is recommended by the supervising agency; (b) termination is in the best interests of the child; and (c) that because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interest of the child. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(i) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(ii) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(iii) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(iv) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;
(v) Conviction of the parent of attempting, soliciting, or conspiracy to commit a crime listed in (c)(i), (ii), (iii), or (iv) of this subsection;

(vi) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(vii) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in the Indian Child Welfare Act, P.L. 95-608 (25 U.S.C. (Sec. 1903)), the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home;

(viii) An infant under three years of age has been abandoned as defined in RCW 13.34.030((44)(b)(ii)) (44)(a);

(ix) The mother has given birth to three or more drug-affected infants, resulting in the department filing a petition under (((section 23 of this act)) section 5 of this act).

(3) If reasonable efforts are not ordered under subsection (2) of this section a permanency ((plan [planning])) planning hearing shall be held within thirty days. Reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child.

(4) Whenever a child is ordered removed from the child’s home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child’s parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; and independent living, if appropriate and if the child is age sixteen or older. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child’s health, safety, or welfare.

(iii) A child shall be placed as close to the child’s home as possible, preferably in the child’s own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child’s or parents’ well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(5) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(6) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after
placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative’s home, subject to review by the court.

(7) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child’s needs, including whether consideration and preference has been given to placement with the child’s relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child’s parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child’s placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child’s parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

((4)) (5) The guardian ad litem appointed pursuant to this section shall have the following duties:

(e) To investigate alternate arrangements made, or which might be created, by or on behalf of the alleged incapacitated person, such as revocable or irrevocable trusts, or durable powers of attorney; whether good cause exists for any such arrangements to be discontinued; and why such arrangements should not be continued or created in lieu of a guardianship;

(f) To provide the court with a written report which shall include the following:
   (i) A description of the nature, cause, and degree of incapacity, and the basis upon which this judgment was made;
   (ii) A description of the needs of the incapacitated person for care and treatment, the probable residential requirements of the alleged incapacitated person and the basis upon which these findings were made;

   (iii) An evaluation of the appropriateness of the guardian or limited guardian whose appointment is sought and a description of the steps the proposed guardian has taken or intends to take to identify and meet current and emerging needs of the incapacitated person;

   (iv) A description of any alternative arrangements previously made by the alleged incapacitated person or which could be made, and whether and to what extent such alternatives should be used in lieu of a guardianship, and if the guardian ad litem is recommending discontinuation of any such arrangements, specific findings as to why such arrangements are contrary to the best interest of the alleged incapacitated person;

   (v) A description of the abilities of the alleged incapacitated person and a recommendation as to whether a guardian or limited guardian should be appointed. If appointment of a limited guardian is recommended, the guardian ad litem shall recommend the specific areas of authority the limited guardian should have and the limitations and disabilities to be placed on the incapacitated person;

   (ix) Unless independent counsel has appeared for the alleged incapacitated person, an explanation of how the alleged incapacitated person responded to the advice of the right to jury trial, to independent counsel and to be present at the hearing on the petition.

Within forty-five days after notice of commencement of the guardianship proceeding has been served upon the guardian ad litem, and at least fifteen days before the hearing on the petition, unless an extension or reduction of time has been granted by the court for good cause, the guardian ad litem shall file its report and send a copy to the alleged incapacitated person and his or her counsel, spouse, all children not residing with a notified person, those persons described in (f)(viii) of this subsection, and persons who have filed a request for special notice pursuant to RCW 11.92.150. If the guardian ad litem needs additional time to finalize his or her report, then the guardian ad litem shall petition the court for a postponement of the hearing or, with the consent of all other parties, an extension or reduction of time for filing the report. If the hearing does not occur within sixty days of filing the petition, then upon the two-month anniversary of filing the petition and on or before the same day of each following month until the hearing, the guardian ad litem shall file interim reports summarizing his or her activities on the proceeding during that time period as well as fees and costs incurred;

(g) To advise the court of the need for appointment of counsel for the alleged incapacitated person within five court days after the meeting described in (a) of this subsection unless (i) counsel has appeared, (ii) the alleged incapacitated person affirmatively communicated a wish not to be represented by counsel after being advised of the right to representation and of the
conditions under which court-provided counsel may be available, or (iii) the alleged incapacitated person was unable to communicate at all on the subject, and the guardian ad litem is satisfied that the alleged incapacitated person does not affirmatively desire to be represented by counsel.

((44))  (6) If the petition is brought by an interested person or entity requesting the appointment of some other qualified person or entity and a prospective guardian or limited guardian cannot be found, the court shall order the guardian ad litem to investigate the availability of a possible guardian or limited guardian and to include the findings in a report to the court pursuant to subsection ((44)) (5)(f) of this section.

((46))  (7) The parties to the proceeding may file responses to the guardian ad litem report with the court and deliver such responses to the other parties and the guardian ad litem at any time up to the second day prior to the hearing. If a guardian ad litem fails to file his or her report in a timely manner, the hearing shall be continued to give the court and the parties at least fifteen days before the hearing to review the report. At any time during the proceeding upon motion of any party or on the court's own motion, the court may remove the guardian ad litem for failure to perform his or her duties as specified in this chapter, provided that the guardian ad litem shall have five days' notice of any motion to remove before the court enters such order. In addition, the court in its discretion may reduce a guardian ad litem's fee for failure to carry out his or her duties.

((48))  (8) The court appointed guardian ad litem shall have the authority, in the event that the alleged incapacitated person is in need of emergency life-saving medical services, and is unable to consent to such medical services due to incapacity pending the hearing on the petition to give consent for such emergency life-saving medical services on behalf of the alleged incapacitated person.

((49))  (9) The court-appointed guardian ad litem shall have the authority to move for temporary relief under chapter 7.40 RCW to protect the alleged incapacitated person from abuse, neglect, abandonment, or exploitation, as those terms are defined in RCW 74.34.020, or to address any other emergency needs of the alleged incapacitated person. Any alternative arrangement executed before filing the petition for guardianship shall remain effective unless the court grants the relief requested under chapter 7.40 RCW, or unless, following notice and a hearing at which all parties directly affected by the arrangement are present, the court finds that the alternative arrangement should not remain effective.

((50))  (10) The guardian ad litem shall receive a fee determined by the court. The fee shall be charged to the alleged incapacitated person unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That if no guardian or limited guardian is appointed the court may charge such fee to the petitioner or the alleged incapacitated person, or divide the fee, as it deems just; and if the petition is found to be frivolous or not brought in good faith, the guardian ad litem fee shall be charged to the petitioner. The court shall not be required to provide for the payment of a fee to any salaried employee of a public agency.

((51))  (11) Upon the presentation of the guardian ad litem report and the entry of an order either dismissing the petition for appointment of guardian or limited guardian or appointing a guardian or limited guardian, the guardian ad litem shall be dismissed and shall have no further duties or obligations unless otherwise ordered by the court. If the court orders the guardian ad litem to perform further duties or obligations, they shall not be performed at county expense.

((52))  (12) The guardian ad litem shall appear in person at all hearings on the petition unless all parties provide a written waiver of the requirement to appear.

((53))  (13) At any hearing the court may consider whether any person who makes decisions regarding the alleged incapacitated person or estate has breached a statutory or fiduciary duty.

Sec. 3. RCW 11.88.090 and 1996 c 249 s 10 are each amended to read as follows:

(1) Nothing contained in RCW 11.88.080 through 11.88.120, 11.92.010 through 11.92.040, 11.92.060 through 11.92.120, 11.92.170, and 11.92.180 shall affect or impair the power of any court to appoint a guardian ad litem to defend the interests of any incapacitated person interested in any suit or matter pending therein, or to commence and prosecute any suit in his or her behalf.

(2) Upon receipt of a petition for appointment of guardian or limited guardian, except as provided herein, the court shall appoint a guardian ad litem to represent the best interests of the alleged incapacitated person, who shall be a person found or known by the court to:

(a) Be free of influence from anyone interested in the result of the proceeding; and

(b) Have the requisite knowledge, training, or expertise to perform the duties required by this section.

The guardian ad litem shall within five days of receipt of notice of appointment file with the court and serve, either personally or by certified mail with return receipt, each party with a statement including: His or her training relating to the duties as a guardian ad litem; his or her criminal history as defined in RCW 9.94A.030 for the period covering ten years prior to the appointment; his or her hourly rate, if compensated; whether the guardian ad litem has had any contact with a party to the proceeding prior to his or her appointment; and whether he or she has an apparent conflict of interest. Within three days of the later of the actual service or filing of the guardian ad litem's statement, any party may set a hearing and file and serve a motion for an order to show cause why the guardian ad litem should not be removed for one of the following three reasons: (i) Lack of expertise
necessary for the proceeding; (ii) an hourly rate higher than what is reasonable for the particular proceeding; or (iii) a conflict of interest. Notice of the hearing shall be provided to the guardian ad litem and all parties. If, after a hearing, the court enters an order replacing the guardian ad litem, findings shall be included, expressly stating the reasons for the removal. If the guardian ad litem is not removed, the court has the authority to assess to the moving party, attorneys’ fees and costs related to the motion. The court shall assess attorneys’ fees and costs for frivolous motions.

The order appointing the guardian ad litem shall recite the duties set forth in subsection (4) of this section. The appointment of a guardian ad litem shall have no effect on the legal competency of the alleged incapacitated person and shall not overcome the presumption of competency or full legal and civil rights of the alleged incapacitated person.

(3)(a) The supreme court of each county shall develop and maintain a registry of persons who are willing and qualified to serve as guardians ad litem in guardianship matters. The court shall choose as guardian ad litem a person whose name appears on the registry in a system of consistent rotation, except in extraordinary circumstances such as the need for particular expertise. A person appointed under exceptional circumstances because of a particular expertise may be exempt from the training and continuing education requirements by the court if the court limits the scope of the person’s appointment and finds the training and continuing education requirements are unrelated to the tasks the court has assigned to the person. The court shall develop procedures for periodic review of the persons on the registry and for probation, suspension, or removal of persons on the registry for failure to perform properly their duties as guardian ad litem. In the event the court does not select the person next on the list, it shall include in the order of appointment a written reason for its decision.

(b) To be eligible for the registry a person shall:

(E) Criminal history, as defined in RCW 9.94A.030; and
(F) Evidence of the person’s knowledge, training, and experience in each of the following: Needs of impaired elderly people, physical disabilities, mental illness, developmental disabilities, and other areas relevant to the needs of incapacitated persons, legal procedure, and the requirements of chapters 11.88 and 11.92 RCW.

The written statement of qualifications shall include (i) a statement of the number of times the guardian ad litem has been removed for failure to perform his or her duties as guardian ad litem) the names of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action that orders removal from the registry, and the cause number of any case in which the court orders removal of the person because the person fails to perform his or her duties as guardian ad litem; and

(ii) Complete the (model) training (program) and continuing educational requirements as described in (subsections (e) of this subsection. The training and continuing education requirements are not applicable to guardians ad litem appointed pursuant to court rule solely for the limited purpose of assessing a personal injury settlement.

(c) Superior court shall remove any person from the guardian ad litem registry who misrepresents his or her qualifications.

(d) The background and qualification information shall be updated annually.

(e) The department of social and health services shall convene an advisory group to develop a model guardian ad litem training program and establish training and continuing educational requirements. The department, in consultation with the advisory group, shall update the model training program biennially. The advisory group shall consist of representatives from consumer, advocacy, and professional groups knowledgeable in developmental disabilities, neurological impairment, physical disabilities, mental illness, aging, legal, court administration, the Washington state bar association, and other interested parties.

(f) The superior court shall require (utilization of the model program developed by the advisory group as) that any guardian ad litem appointed pursuant to this chapter comply with the training and continuing education requirements described in (subsections (e) of this subsection) to assure that candidates applying for registration as a qualified guardian ad litem shall have satisfactorily completed training to attain these essential minimum qualifications to act as guardian ad litem, unless the guardian ad litem is appointed solely for the limited purposes of assessing a personal injury settlement.

(4) The guardian ad litem appointed pursuant to this section shall have the following duties:

(a) To meet and consult with the alleged incapacitated person as soon as practicable following appointment and explain, in language which such person can reasonably be expected to understand, the substance of the petition, the nature of the resultant proceedings, the person’s right to contest the petition, the identification of the proposed guardian or limited guardian, the right to a

   (ii) The steps the proposed guardian intends to take or has taken to identify and meet the needs of the alleged incapacitated person;

(d) To consult as necessary to complete the investigation and report required by this section with those known relatives, friends, or other persons the guardian ad litem determines have had a significant, continuing interest in the welfare of the alleged incapacitated person;

(e) To investigate alternate arrangements made, or which might be created, by or on behalf of the alleged incapacitated person, such as revocable or irrevocable trusts, or durable powers of attorney, or blocked accounts in cases of personal injury settlements; whether good cause exists for any such arrangements to be discontinued; and why such arrangements should not be continued or created in lieu of a guardianship;

(f) To provide the court with a written report which shall include the following:
   (i) A description of the nature, cause, and degree of incapacity, and the basis upon which this judgment was made;
   (ii) A description of the needs of the incapacitated person for care and treatment, the probable residential requirements of the alleged incapacitated person and the basis upon which these findings were made;
   (iii) An evaluation of the appropriateness of the guardian or limited guardian whose appointment is sought and a description of the steps the proposed guardian has taken or intends to take to identify and meet current and emerging needs of the incapacitated person;

(g) A description of any alternative arrangements previously made by the alleged incapacitated person or which could be made, and whether and to what extent such alternatives should be used in lieu of a guardianship, and if the guardian ad litem is recommending discontinuation of any such arrangements, specific findings as to why such arrangements are contrary to the best interest of the alleged incapacitated person;

(h) A description of the abilities of the alleged incapacitated person and a recommendation as to whether a guardian or limited guardian should be appointed. If appointment of a limited guardian is recommended, the guardian ad litem shall recommend the specific areas of authority the limited guardian should have and the limitations and disabilities to be placed on the incapacitated person;

The information relevant to the court's analysis may be specified by local court rule, and need not include information specified in subsection (4)(f)(i) through (ix) of this section.

Within forty-five days after notice of commencement of the guardianship proceeding has been served upon the guardian ad litem, and at least fifteen days before the hearing on the petition, unless an extension or reduction of time has been granted by the court for good cause, the guardian ad litem shall file its report and send a copy to the alleged incapacitated person and his or her counsel, spouse, all children not residing with a notified person, those persons described in (f)(viii) of this subsection, and persons who have filed a request for special notice pursuant to RCW 11.92.150. If the guardian ad litem needs additional time to finalize his or her report, then the guardian ad litem shall petition the court for a postponement of the hearing or, with the consent of all other parties, an extension or reduction of time for filing the report. If the hearing does not occur within sixty days of filing the petition, then upon the two-month anniversary of filing the petition and on or before the same day of each following month until the hearing, the guardian ad litem shall file interim reports summarizing his or her activities on the proceeding during that time period as well as fees and costs incurred;

(g) To advise the court of the need for appointment of counsel for the alleged incapacitated person within five court days after the meeting described in (a) of this subsection unless (i) counsel has appeared, (ii) the alleged incapacitated person
affirmatively communicated a wish not to be represented by counsel after being advised of the right to representation and of the conditions under which court-provided counsel may be available, or (iii) the alleged incapacitated person was unable to communicate at all on the subject, and the guardian ad litem is satisfied that the alleged incapacitated person does not affirmatively desire to be represented by counsel.

(5) If the petition is brought by an interested person or entity requesting the appointment of some other qualified person or entity and a prospective guardian or limited guardian cannot be found, the court shall order the guardian ad litem to investigate the availability of a possible guardian or limited guardian and to include the findings in a report to the court pursuant to subsection (4)(f) of this section.

(6) The parties to the proceeding may file responses to the guardian ad litem report with the court and deliver such responses to the other parties and the guardian ad litem at any time up to the second day prior to the hearing. If a guardian ad litem fails to file his or her report in a timely manner, the hearing shall be continued to give the court and the parties at least fifteen days before the hearing to review the report. At any time during the proceeding upon motion of any party or on the court's own motion, the court may remove the guardian ad litem for failure to perform his or her duties as specified in this chapter, provided that the guardian ad litem shall have five days' notice of any motion to remove before the court enters such order. In addition, the court in its discretion may reduce a guardian ad litem's fee for failure to carry out his or her duties.

(7) The court appointed guardian ad litem shall have the authority, in the event that the alleged incapacitated person is in need of emergency life-saving medical services, and is unable to consent to such medical services due to incapacity pending the hearing on the petition to give consent for such emergency life-saving medical services on behalf of the alleged incapacitated person.

(8) The court-appointed guardian ad litem shall have the authority to move for temporary relief under chapter 7.40 RCW to protect the alleged incapacitated person from abuse, neglect, abandonment, or exploitation, as those terms are defined in RCW 74.34.020, or to address any other emergency needs of the alleged incapacitated person. Any alternative arrangement executed before filing the petition for guardianship shall remain effective unless the court grants the relief requested under chapter 7.40 RCW, or unless, following notice and a hearing at which all parties directly affected by the arrangement are present, the court finds that the alternative arrangement should not remain effective.

(9) The guardian ad litem shall receive a fee determined by the court. The fee shall be charged to the alleged incapacitated person unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That if no guardian or limited guardian is appointed the court may charge such fee to the petitioner or the alleged incapacitated person, or divide the fee, as it deems just; and if the petition is found to be frivolous or not brought in good faith, the guardian ad litem fee shall be charged to the petitioner. The court shall not be required to provide for the payment of a fee to any salaried employee of a public agency. In cases of personal injury settlements, guardian ad litem fees shall be negotiated among the parties, and approved by the court.

(10) Upon the presentation of the guardian ad litem report and the entry of an order either dismissing the petition for appointment of guardian or limited guardian or appointing a guardian or limited guardian, the guardian ad litem shall be dismissed and shall have no further duties or obligations unless otherwise ordered by the court. (11) The guardian ad litem shall appear in person at all hearings on the petition unless all parties provide a written waiver of the requirement to appear.

(12) At any hearing the court may consider whether any person who makes decisions regarding the alleged incapacitated person or estate has breached a statutory or fiduciary duty.

NEW SECTION. Sec. 4. A new section is added to chapter 11.88 RCW to read as follows:

The court shall, in each order of appointment, specify the hourly rate the guardian ad litem may charge for his or her services, and shall specify the maximum amount the guardian ad litem may charge without additional court review and approval.

NEW SECTION. Sec. 5. A new section is added to chapter 11.88 RCW to read as follows:

Unauthorized communication shall be immediately reported to all parties and their attorneys. The court, upon its own motion, or upon the motion of a party, may consider the removal of any guardian ad litem who violates this section from any pending case or the guardian ad litem rotational registry, and if so removed may require forfeiture of any fees for professional services on any pending cases.

Sec. 6. RCW 13.34.100 and 1996 c 249 s 13 are each amended to read as follows:

(1) The court shall appoint a guardian ad litem for a child who is the subject of an action under this chapter, unless a court for good cause finds the appointment unnecessary. The requirement of a guardian ad litem may be deemed satisfied if the child is represented by independent counsel in the proceedings.
(2) If the court does not have available to it a guardian ad litem program with a sufficient number of volunteers, the court may appoint a suitable person to act as guardian ad litem for the child under this chapter. Another party to the proceeding or the party’s employee or representative shall not be so appointed.

(3) Each guardian ad litem program shall maintain a background information record for each guardian ad litem in the program. The background file shall include, but is not limited to, the following information:

(a) Level of formal education;
(b) Training related to the guardian’s duties;
(c) Number of years’ experience as a guardian ad litem;
(d) Number of appointments as a guardian ad litem and the county or counties of appointment; and
(e) The name of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action that orders removal from the registry, and the cause number of any case in which the court orders removal of the person because the person fails to perform his or her duties as guardian ad litem; and

(f) Criminal history, as defined in RCW 9.94A.030.

The background information report shall be updated annually. As a condition of appointment, the guardian ad litem’s background information record shall be made available to the court. If the appointed guardian ad litem is not a member of a guardian ad litem program the person shall provide the background information to the court.

Upon appointment, the guardian ad litem, or guardian ad litem program, shall provide the parties or their attorneys with a statement containing: His or her training relating to the duties as a guardian ad litem; the name of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action that orders removal from the registry, and the cause number of any case in which the court orders removal of the person because the person fails to perform his or her duties as guardian ad litem; and his or her criminal history as defined in RCW 9.94A.030 for the period covering ten years prior to the appointment. The background statement shall not include identifying information that may be used to harm a guardian ad litem, such as home addresses and home telephone numbers, and for volunteer guardians ad litem the court may allow the use of maiden names or pseudonyms as necessary for their safety.

(4) The appointment of the guardian ad litem shall remain in effect until the court discharges the appointment or no longer has jurisdiction, whichever comes first. The guardian ad litem may also be discharged upon entry of an order of guardianship.

(5) A guardian ad litem through counsel, or as otherwise authorized by the court, shall have the right to present evidence, examine and cross-examine witnesses, and to be present at all hearings. A guardian ad litem shall receive copies of all pleadings and other documents filed or submitted to the court, and notice of all hearings according to court rules. The guardian ad litem shall receive all notice contemplated for a parent or other party in all proceedings under this chapter.

(6) If the child requests legal counsel and is age twelve or older, or if the guardian ad litem or the court determines that the child needs to be independently represented by counsel, the court may appoint an attorney to represent the child’s position.

(7) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to RCW 13.34.100 shall be deemed a guardian ad litem to represent the best interests of the minor in proceedings before the court.

(8) When a court-appointed special advocate or volunteer guardian ad litem is requested on a case, the program shall give the court the name of the person it recommends and the appointment shall be effective immediately. The court shall appoint the person recommended by the program. If a party in a case reasonably believes the court-appointed special advocate or volunteer is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate on the grounds the advocate or volunteer is inappropriate or unqualified.

Sec. 7. RCW 13.34.102 and 1997 c 41 s 6 are each amended to read as follows:

(1) (a) All guardians ad litem ((who have not previously served or been trained as a guardian ad litem in this state, who are appointed after January 1, 1998)) must (((complete the curriculum developed by the office of the administrator for the courts))) comply with the training requirements established under RCW 2.56.030(15), prior to their appointment in cases under Title 13 RCW, except that volunteer guardians ad litem or court-appointed special advocates (((accepted into a volunteer program after January 1, 1998,)) may (((complete an alternative curriculum))) comply with alternative training requirements approved by the office of the administrator for the courts that meet((the))) or exceed((the state-wide ((curriculum))) requirements).

(b) All persons appointed as guardians ad litem or court-appointed special advocates must comply with the continuing education requirements established under RCW 2.56.030(15).

system. Guardians ad litem shall be selected from the registry except in exceptional circumstances as determined and documented by the court. The parties may make a joint recommendation for the appointment of a guardian ad litem from the registry.

(b) In judicial districts with a population over one hundred thousand, a list of three names shall be selected from the registry and given to the parties along with the background information as specified in RCW 13.34.100(3), including their hourly rate for services. Each party may, within three judicial days, strike one name from the list. If more than one name remains on the list, the court shall make the appointment from the names on the list. In the event all three names are stricken the person whose name appears next on the registry shall be appointed.

(c) If a party reasonably believes that the appointed guardian ad litem lacks the necessary expertise for the proceeding, charges an hourly rate higher than what is reasonable for the particular proceeding, or has a conflict of interest, the party may, within three judicial days from the appointment, move for substitution of the appointed guardian ad litem by filing a motion with the court.

(d) Upon the motion of any party the court shall, if located in a judicial district with a population over one hundred thousand, remove a compensated guardian ad litem who was not selected from a rotational registry system. This subsection (2)(d) does not apply when the guardian ad litem was appointed: (i) Under exceptional circumstances authorized under (a) of this subsection; or (ii) as a result of a joint recommendation of the parties.

(3) The rotational registry system shall not apply to court-appointed special advocate programs.

(d) To report to the court information on: (i) The legal status of a child's membership in any Indian tribe or band; and (ii) the facts relating to the child's best interests; and

(e) Court-appointed special advocates may make recommendations based upon an independent investigation in the best interests of the child, which the court may consider and weigh in conjunction with the recommendations of all of the parties.

(2) (In) A guardian ad litem shall be deemed an officer of the court for the purpose of immunity from civil liability.

(3) Except for information or records specified in RCW 13.50.100(4), the guardian ad litem shall have access to all information available to the state or agency on the case. Upon presentation of the order of appointment by the guardian ad litem, any agency, hospital, school organization, division or department of the state, doctor, nurse, or other health care provider, psychologist, psychiatrist, police department, or mental health clinic shall permit the guardian ad litem to inspect and copy any records relating to the child or children involved in the case, without the consent of the parent or guardian of the child, or of the child if the child is under the age of thirteen years, unless such access is otherwise specifically prohibited by law.

(4) A guardian ad litem may release confidential information, records, and reports to the office of the family and children's ombudsman for the purposes of carrying out its duties under chapter 43.06A RCW.

(5) The guardian ad litem shall release case information in accordance with the provisions of RCW 13.50.100.

NEW SECTION. Sec. 9. A new section is added to chapter 13.34 RCW to read as follows:

The court shall, in each order of appointment, specify the hourly rate the guardian ad litem may charge for his or her services, and shall specify the maximum amount the guardian ad litem may charge without additional court review and approval.

NEW SECTION. Sec. 10. A new section is added to chapter 13.34 RCW to read as follows:

All guardians ad litem and court-appointed special advocates are prohibited from engaging in ex parte communications with any judicial officer regarding the matter for which he or she is appointed, except as approved pursuant to a hearing conducted with appropriate notice to all parties. All guardians ad litem may petition the court to shorten time to hear any emergency motions pursuant to court rules. Unauthorized communication shall be immediately reported to all parties and their attorneys. The court, upon its own motion, or upon the motion of a party, may consider the removal of any guardian ad litem or court-appointed special advocate who violates this section from any pending case or from any court-authorized registry, and if so removed may require forfeiture of any fees for professional services on any pending cases.

Sec. 11. RCW 26.12.175 and 1996 c 249 s 15 are each amended to read as follows:

(a) The court may appoint a guardian ad litem to represent the interests of a minor or dependent child when the court believes the appointment of a guardian ad litem is necessary to protect the best interests of the child in any proceeding under this chapter. The family court services professionals may also make a recommendation to the court regarding whether a guardian ad litem should be appointed for the child. The court may appoint a guardian ad litem from the court-appointed special advocate program, if that program exists in the county.
(b) Unless otherwise ordered, the guardian ad litem's role is to investigate and report to the court concerning parenting arrangements for the child((and to represent the child's best interests)). This should include factual information regarding the best interests of the child. Additionally, if a minor expresses his or her custody wishes, the guardian ad litem must report the wishes to the court. The child's wishes do not determine placement. The court may require the guardian ad litem to provide periodic reports to the parties regarding the status of his or her investigation. The guardian ad litem shall file his or her report at least sixty days prior to trial.

(c) The court shall enter an order for costs, fees, and disbursements to cover the costs of the guardian ad litem. The court may order either or both parents to pay for the costs of the guardian ad litem, according to their ability to pay. Guardians ad litem who are not volunteers shall provide the parties with an itemized accounting of their time and billing for services each month.

(2)(a) If the guardian ad litem appointed is from the county court-appointed special advocate program, the program shall supervise any guardian ad litem assigned to the case. The court-appointed special advocate program shall be entitled to notice of all proceedings in the case.

(b) The legislative authority of each county may authorize creation of a court-appointed special advocate program. The county legislative authority may adopt rules of eligibility for court-appointed special advocate program services.

(3) Each guardian ad litem program shall maintain a background information record for each guardian ad litem in the program. The background file shall include, but is not limited to, the following information:

(i) Criminal history, as defined in RCW 9.94A.030.

The background information report shall be updated annually. As a condition of appointment, the guardian ad litem's background information record shall be made available to the court. The court shall appoint the person recommended by the program. If a party in a case reasonably believes the court-appointed special advocate or volunteer is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate on the grounds the advocate or volunteer is inappropriate or unqualified.

The parties may make a joint recommendation for the appointment of a guardian ad litem from the registry.

Each party may, within three judicial days, strike one name from the list. If more than one name remains on the list, the court shall make the appointment from the names on the list. In the event all three names are stricken the person whose name appears next on the registry shall be appointed.

(c) If a party reasonably believes that the appointed guardian ad litem lacks the necessary expertise for the proceeding, charges an hourly rate higher than what is reasonable for the particular proceeding, or has a conflict of interest, the party may, within three judicial days from the appointment, move for substitution of the appointed guardian ad litem by filing a motion with the court.

(d) Upon the motion of any party the court shall, if located in a judicial district with a population over one hundred thousand, remove a compensated guardian ad litem who was not selected from a rotational registry system. This subsection (2)(d) does not apply when the guardian ad litem was appointed: (i) Under exceptional circumstances authorized under (a) of this subsection; or (ii) as a result of a joint recommendation of the parties.

(e) Under this section, within either registry referred to in (a) of this subsection, a subregistry may be created that consists of guardians ad litem under contract with the department of social and health services' division of child support. All guardians ad litem or investigators under RCW 26.09.220 may petition the court to shorten time to hear any emergency motions pursuant to court rules. Unauthorized communication shall be immediately reported to all parties and their attorneys. accounting of the commercial harvest of food fish and shellfish and shall be for the actual damages or for damages imposed as follows:

(1) For violation of rules requiring the timely presentation to the department of documents relating to the accounting of commercial harvest, fifty dollars for each of the first fifteen documents in a series and ten dollars for each subsequent document in the same series. If documents relating to the accounting of commercial harvest of food fish and shellfish are lost or destroyed and the wholesale dealer notifies the department in writing within seven days of the loss or destruction, the director shall waive the requirement for timely presentation of the documents.

(2) For violation of rules requiring accurate and legible information relating to species, value, harvest area, or amount of harvest, twenty-five dollars for each of the first five violations of this subsection following July 28, 1985, and fifty dollars for each violation after the first five violations.

Within the waters described in RCW 75.12.210 (as recodified by this act), a person shall not transport or possess salmon on board a vessel carrying fishing gear of a type other than troll lines or angling gear, unless accompanied by a certificate issued by a state or country showing that the salmon have been lawfully taken within the territorial waters of the state or country.

If the director determines that a fishway or fish guard described in RCW 75.20.040 and 75.20.060 (as recodified by this act) and in existence on September 1, 1963, is inadequate, in addition to other authority granted in this chapter, the director may remove, relocate, reconstruct, or modify the device, without cost to the owner. The director shall not materially modify the amount of flow of water through the device. After the department has completed the improvements, the fishways and fish guards shall be operated and maintained at the expense of the owner in accordance with RCW 75.20.040 and 75.20.060 (as recodified by this act).

Sec. 13. RCW 75.20.098 and 1997 c 424 s 6 are each amended to read as follows:

When reviewing a mitigation plan under RCW 75.20.100 or 75.20.103 (as recodified by this act), the department shall, at the request of the project proponent, follow the guidance contained in RCW 90.74.005 through 90.74.030.

Sec. 14. RCW 75.20.100 and 1998 c 190 s 87 are each amended to read as follows:

(1) In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the approval of the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld.

(2)(a) Except as provided in RCW 75.20.1001 (as recodified by this act), the department shall grant or deny approval of a standard permit within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section.

(b) The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life.

(c) The forty-five day requirement shall be suspended if:

(i) After ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project;

(ii) The site is physically inaccessible for inspection; or

(iii) The applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

(d) For purposes of this section, "standard permit" means a written permit issued by the department when the conditions under subsections (3) and (5)(b) of this section are not met.

(3)(a) The department may issue an expedited written permit in those instances where normal permit processing would result in significant hardship for the applicant or unacceptable damage to the environment. In cases of imminent danger, the department shall issue an expedited written permit, upon request, for work to repair existing structures, move obstructions, restore banks, protect property, or protect fish resources. Expedited permit requests require a complete written application as provided in subsection (2)(b) of this section and shall be issued within fifteen calendar days of the receipt of a complete written application. Approval of an expedited permit is valid for up to sixty days from the date of issuance.
(b) For the purposes of this subsection, "imminent danger" means a threat by weather, water flow, or other natural conditions that is likely to occur within sixty days of a request for a permit application.

(c) The department may not require the provisions of the state environmental policy act, chapter 43.21C RCW, to be met as a condition of issuing a permit under this subsection.

(d) The department or the county legislative authority may determine if an imminent danger exists. The county legislative authority shall notify the department, in writing, if it determines that an imminent danger exists.

(4) Approval of a standard permit is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent.

(5)(a) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately, upon request, oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval to protect fish life shall be established by the department and reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately, upon request, for a stream crossing during an emergency situation.

(b) For purposes of this section and RCW 75.20.103 (as recodified by this act), "emergency" means an immediate threat to life, the public, property, or of environmental degradation.

(c) The department or the county legislative authority may declare and continue an emergency when one or more of the criteria under (b) of this subsection are met. The county legislative authority shall immediately notify the department if it declares an emergency under this subsection.

(6) The department shall, at the request of a county, develop five-year maintenance approval agreements, consistent with comprehensive flood control management plans adopted under the authority of RCW 86.12.200, or other watershed plan approved by a county legislative authority, to allow for work on public and private property for bank stabilization, bridge repair, removal of sand bars and debris, channel maintenance, and other flood damage repair and reduction activity under agreed-upon conditions and times without obtaining permits for specific projects.

(7) This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103 (as recodified by this act).

A landscape management plan approved by the department and the department of natural resources under RCW 76.09.350(2), shall serve as a hydraulic project approval for the life of the plan if fish are selected as one of the public resources for coverage under such a plan.

(8) For the purposes of this section and RCW 75.20.103 (as recodified by this act), "bed" means the land below the ordinary high water lines of state waters. This definition does not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

(9) The phrase "to construct any form of hydraulic project or perform other work" does not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

Sec. 15. RCW 75.20.1001 and 1993 sp.s. c 2 s 31 are each amended to read as follows:

The department shall process hydraulic project applications submitted under RCW 75.20.100 or 75.20.103 (as recodified by this act) within thirty days of receipt of the application. This requirement is only applicable for the repair and reconstruction of legally constructed dikes, seawalls, and other flood control structures damaged as a result of flooding or windstorms that occurred in November and December 1990.

Sec. 21. RCW 75.24.060 and 1998 c 245 s 152 are each amended to read as follows:

It is the policy of the state to improve state oyster reserves so that they are productive and yield a revenue sufficient for their maintenance. In fixing the price of oysters and other shellfish sold from the reserves, the director shall take into consideration this policy. It is also the policy of the state to maintain the oyster reserves to furnish shellfish to growers and processors and to stock public beaches.

Shellfish may be harvested from state oyster reserves for personal use as prescribed by rule of the director. The (direct) director shall periodically inventory the state oyster reserves and assign the reserve lands into management categories:

(1) Native Olympia oyster broodstock reserves;
(2) Commercial shellfish harvesting zones;
(3) Commercial shellfish propagation zones designated for long-term leasing to private aquaculturists;
(4) Public recreational shellfish harvesting zones;
(5) Unproductive land.

The (direct) director shall manage each category of oyster reserve land to maximize the sustained yield production of shellfish consistent with the purpose for establishment of each management category.
The (commission) shall develop an oyster reserve management plan, to include recommendations for leasing reserve lands, in coordination with the shellfish industry, by January 1, 1986. The director shall protect, reseed, improve the habitat of, and replant state oyster reserves (and) The director shall also issue culch permits and oyster reserve fishery licenses.

Sec. 22. RCW 75.24.065 and 1993 s.p.s. c 2 s 40 are each amended to read as follows:

The legislature finds that current environmental and economic conditions warrant a renewal of the state's historical practice of actively cultivating and managing its oyster reserves in Puget Sound to produce the state's native oyster, the Olympia oyster. The (directors) shall reestablish dike cultivated production of Olympia oysters on such reserves on a trial basis as a tool for planning more comprehensive cultivation by the state.

Sec. 23. RCW 75.24.070 and 1983 1st ex.s. c 46 s 82 are each amended to read as follows:

Any person engaged in the commercial cultch of oysters on state oyster reserves must possess an oyster cultch permit issued by the director pursuant to RCW 75.28.295 (as recodified by this act).

To maintain local communities and industries and to restrain the formation of monopolies in the industry, the director shall determine the number of bushels which shall be sold to a person. When the shellfish are sold at public auction, the director may reject any and all bids.

Sec. 24. RCW 75.24.100 and 1998 c 190 s 91 are each amended to read as follows:

(1) The (department) may not authorize a person to take geoduck clams for commercial purposes outside the harvest area designated in a current department of natural resources geoduck harvesting agreement issued under RCW 79.96.080. The (department) may not authorize commercial harvest of geoduck clams from bottoms that are shallower than eighteen feet below mean lower low water (0.0 ft.), or that lie in an area bounded by the line of ordinary high tide (mean high tide) and a line two hundred yards seaward from and parallel to the line of ordinary high tide. This section does not apply to the harvest of private sector cultured aquatic products as defined in RCW 15.85.020.

Periodically, the (commission) shall determine the effect of each type or unit of gear upon the geoduck population or the substrate they inhabit. The (commission) may require modification of the gear or stop its use if it is being operated in a wasteful or destructive manner or if its operation may cause permanent damage to the bottom or adjacent shellfish populations.

Sec. 25. RCW 75.24.130 and 1995 1st s.p.s. c 2 s 30 are each amended to read as follows:

The commission may examine the clam, mussel, and oyster beds located on aquatic lands belonging to the state and request the commissioner of public lands to withdraw these lands from sale and lease for the purpose of establishing reserves or public beaches. (iv) Five hundred dollars if the license is a Dungeness crab-coastal fishery license; or

(v) If a license is transferred from a resident to a nonresident, an additional fee is assessed that is equal to the difference between the resident and nonresident license fees at the time of transfer, to be paid by the transferee.

(3) A commercial license that is transferable under this title survives the death of the holder. Though such licenses are not personal property, they shall be treated as analogous to personal property for purposes of inheritance and intestacy. Such licenses are subject to state laws governing wills, trusts, estates, intestate succession, and community property, except that such licenses are exempt from claims of creditors of the estate and tax liens. The surviving spouse, estate, or beneficiary of the estate may apply for a renewal of the license. There is no fee for transfer of a license from a license holder to the license holder’s surviving spouse or estate, or to a beneficiary of the estate.

Sec. 28. RCW 75.28.020 and 1994 c 244 s 1 are each amended to read as follows:

(1) Except as otherwise provided in this title, a person (as defined in RCW 75.08.011) may hold a commercial license established by this chapter.

If, for any reason, the department does not allow any opportunity for a commercial fishery during a calendar year, the director shall either: (1) Waive the requirement to obtain a license for that commercial fishery for that year; or (2) refund applicable license fees upon return of the license.

Sec. 30. RCW 75.28.042 and 1997 c 58 s 882 are each amended to read as follows:

(1) The department shall immediately suspend the license of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a residential or visitation order.

(2) A listing on the department of licensing’s data base that an individual’s license is currently suspended pursuant to RCW 46.20.251(1)(j) shall be prima facie evidence that the individual is in noncompliance with a support order or residential or visitation order. Presentation of a written release issued by the department of social and health services or a court stating that the person is in compliance with an order shall serve as proof of compliance.

Sec. 31. RCW 75.28.046 and 1998 c 267 s 2 are each amended to read as follows:

This section applies to all commercial fishery licenses and delivery licenses, except for whiting--Puget Sound fishery licenses and emergency salmon delivery licenses.

(1) The license holder may engage in the activity authorized by a license subject to this section. With the exception of Dungeness crab--coastal fishery class B licensees licensed under RCW 75.30.350(4) (as recodified by this act), the holder of a license subject to this section may also designate up to two alternate operators for the license. Dungeness crab--coastal fishery class B licensees may not designate alternate operators. A person designated as an alternate operator must possess an alternate operator license issued under RCW 75.28.048 (as recodified by this act).

(2) The fee to change the alternate operator designation is twenty-two dollars.

Sec. 32. RCW 75.28.047 and 1998 c 267 s 3 are each amended to read as follows:

(1) Only the license holder and any alternate operators designated on the license may sell or deliver food fish or shellfish under a commercial fishery license or delivery license. A commercial fishery license or delivery license authorizes no taking or delivery of food fish or shellfish unless the license holder or an alternate operator designated on the license is present or aboard the vessel.

(2) Notwithstanding RCW 75.28.010(1)(c) (as recodified by this act), an alternate operator license is not required for an individual to operate a vessel as a charter boat.

Sec. 33. RCW 75.28.048 and 1998 c 267 s 4 are each amended to read as follows:

(1) A person who holds a commercial fishery license or a delivery license may operate the vessel designated on the license. A person who is not the license holder may operate the vessel designated on the license only if:

(a) The person holds an alternate operator license issued by the director; and
(b) The person is designated as an alternate operator on the underlying commercial fishery license or delivery license under RCW 75.28.046 (as recodified by this act).

(2) Only an individual at least sixteen years of age may hold an alternate operator license.

(3) No individual may hold more than one alternate operator license. An individual who holds an alternate operator license may be designated as an alternate operator on an unlimited number of commercial fishery licenses or delivery licenses under RCW 75.28.046 (as recodified by this act).

(4) An individual who holds two Dungeness crab—Puget Sound fishery licenses may operate the licenses on one vessel if the vessel owner or alternate operator is on the vessel. The department shall allow a license holder to operate up to one hundred crab pots for each license.

(5) As used in this section, to "operate" means to control the deployment or removal of fishing gear from state waters while aboard a vessel or to operate a vessel delivering food fish or shellfish taken in offshore waters to a port within the state.

Sec. 34. RCW 75.28.055 and 1997 c 421 s 1 are each amended to read as follows:

The (fish and wildlife commission) director may, by rule, increase the number of alternate operators beyond the level authorized by RCW 75.28.030 and 75.28.046 (as recodified by this act) for a commercial fishery license, delivery license, or charter license.

Sec. 35. RCW 75.28.095 and 1998 c 190 s 95 are each amended to read as follows:

(1) The director shall issue the charter licenses and angler permits listed in this section according to the requirements of this title. The licenses and permits and their annual fees and surcharges are:

(2) A salmon charter license designating a vessel is required to operate a charter boat to take salmon, other food fish, and shellfish. The director may issue a salmon charter license only to a person who meets the qualifications of RCW 75.30.065 (as recodified by this act).

(3) A nonsalmon charter license designating a vessel is required to operate a charter boat to take food fish other than salmon and shellfish. As used in this subsection, "food fish" does not include salmon.

(4) "Charter boat" means a vessel from which persons may, for a fee, fish for food fish or shellfish for personal use, and that brings food fish or shellfish into state ports or brings food fish or shellfish taken from state waters into United States ports. The director may specify by rule when a vessel is a "charter boat" within this definition. "Charter boat" does not mean a vessel used by a guide for clients fishing for food fish for personal use in freshwater rivers, streams, and lakes, other than Lake Washington or that part of the Columbia River below the bridge at Longview.

(5) A charter boat licensed in Oregon may fish without a Washington charter license under the same rules as Washington charter boat operators in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

(6) A salmon charter license under subsection (1)(b) of this section may be renewed if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. The license holder
must pay the one hundred-dollar enhancement surcharge, plus a fifteen-dollar handling charge, in order to be considered a valid renewal and eligible to renew the license the following year.

**Sec. 36.** RCW 75.28.110 and 1997 c 76 s 1 are each amended to read as follows:

1. The following commercial salmon fishery licenses are required for the license holder to use the specified gear to fish for salmon in state waters. Only a person who meets the qualifications of RCW 75.30.120 (as recodified by this act) may hold a license listed in this subsection. The licenses and their annual fees and surcharges under RCW 75.50.100 (as recodified by this act) are:

2. A license issued under this section authorizes no taking or delivery of salmon or other food fish unless a vessel is designated under RCW 75.28.045 (as recodified by this act).

3. Holders of commercial salmon fishery licenses may retain incidentally caught food fish other than salmon, subject to rules of the department.

4. A salmon troll license includes a salmon delivery license.

5. A salmon gill net license authorizes the taking of salmon only in the geographical area for which the license is issued.

The geographical designations in subsection (1) of this section have the following meanings:

(a) "Puget Sound" includes waters of the Strait of Juan de Fuca, Georgia Strait, Puget Sound and all bays, inlets, canals, coves, sounds, and estuaries lying easterly and southerly of the international boundary line and a line at the entrance to the Strait of Juan de Fuca projected northerly from Cape Flattery to the lighthouse on Tatoosh Island and then to Bonilla Point on Vancouver Island.

(b) "Grays Harbor-Columbia river" includes waters of Grays Harbor and tributary estuaries lying easterly of a line projected northerly from Point Chehalis Light to Point Brown and those waters of the Columbia river and tributary sloughs and estuaries easterly of a line at the entrance to the Columbia river projected southerly from the most westerly point of the North jetty to the most westerly point of the South jetty.

(c) "Willapa Bay-Columbia river" includes waters of Willapa Bay and tributary estuaries and easterly of a line projected northerly from Leadbetter Point to the Cape Shoalwater tower and those waters of the Columbia river and tributary sloughs described in (b) of this subsection.

6. A commercial salmon troll fishery license may be renewed under this section if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. A commercial salmon gill net, reef net, or seine fishery license may be renewed under this section if the license holder notifies the department by August 1st of that year that he or she will not participate in the fishery during that calendar year. The license holder must pay the one hundred-dollar enhancement surcharge, plus a fifteen-dollar handling charge, in order to be considered a valid renewal and eligible to renew the license the following year.

**Sec. 37.** RCW 75.28.113 and 1998 c 190 s 96 are each amended to read as follows:

1. A salmon delivery license is required to deliver salmon taken in offshore waters to a place or port in the state. The annual fee for a salmon delivery license is three hundred eighty dollars for residents and six hundred eighty-five dollars for nonresidents. The annual surcharge under RCW 75.50.100 (as recodified by this act) is one hundred dollars for each license. Holders of nonlimited entry delivery licenses issued under RCW 75.28.125 (as recodified by this act) may apply the nonlimited entry delivery license fee against the salmon delivery license fee.

2. Only a person who meets the qualifications established in RCW 75.30.120 (as recodified by this act) may hold a salmon delivery license issued under this section.

3. A salmon delivery license authorizes no taking of salmon or other food fish or shellfish from the waters of the state.
If the director determines that the operation of a vessel under a salmon delivery license results in the depletion or destruction of the state's salmon resource or the delivery into this state of salmon products prohibited by law, the director may revoke the license under the procedures of chapter 34.05 RCW.

Sec. 38. RCW 75.28.116 and 1993 sp.s. c 17 s 37 are each amended to read as follows:

A person who does not qualify for a license under RCW 75.30.120 (as recodified by this act) shall obtain a nontransferable emergency salmon delivery license to make one delivery of salmon taken in offshore waters. The director shall not issue an emergency salmon delivery license unless, as determined by the director, a bona fide emergency exists. The license fee is two hundred twenty-five dollars for residents and four hundred seventy-five dollars for nonresidents. An applicant for an emergency salmon delivery license shall designate no more than one vessel that will be used with the license. Alternate operator licenses are not required of persons delivering salmon under an emergency salmon delivery license. Emergency salmon delivery licenses are not renewable.

Sec. 39. RCW 75.28.120 and 1993 sp.s. c 17 s 38 are each amended to read as follows:

(1) This section establishes commercial fishery licenses required for food fish fisheries and the annual fees for those licenses. As used in this section, “food fish” does not include salmon. The director may issue a limited-entry commercial fishery license only to a person who meets the qualifications established in applicable governing sections of this title.

(2) The director may by rule determine the species of food fish that may be taken with the commercial fishery licenses established in this section, the gear that may be used with the licenses, and the areas or waters in which the licenses may be used. Where a fishery license has been established for a particular species, gear, geographical area, or combination thereof, a more general fishery license may not be used to take food fish in that fishery.

Sec. 42. RCW 75.28.132 and 1994 c 260 s 15 are each amended to read as follows:
A surcharge of fifty dollars shall be collected with each Dungeness crab-coastal fishery license issued under RCW 75.28.130 (as recodified by this act) until June 30, 2000, and with each Dungeness crab-coastal class B fishery license issued under RCW 75.28.130 (as recodified by this act) until December 31, 1997. Moneys collected under this section shall be placed in the Dungeness crab appeals account hereby created in the state treasury. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures. Expenditures from the account shall only be used for processing appeals related to the issuance of Dungeness crab-coastal fishery licenses.

Sec. 43. RCW 75.28.133 and 1997 c 418 s 5 are each amended to read as follows:
A surcharge of one hundred twenty dollars shall be collected with each Dungeness crab-coastal fishery license and with each Dungeness crab-coastal class B fishery license issued under RCW 75.28.130 (as recodified by this act). Moneys collected under this section shall be placed in the coastal crab account created under RCW 75.30.390 (as recodified by this act).

Sec. 44. RCW 75.28.280 and 1993 c 340 s 19 are each amended to read as follows:
A hardshell clam mechanical harvester fishery license is required to operate a mechanical or hydraulic device for commercially harvesting clams, other than geoduck clams, unless the requirements of RCW 75.20.100 (as recodified by this act) are fulfilled for the proposed activity.

Sec. 45. RCW 75.28.290 and 1993 c 340 s 20 are each amended to read as follows:
A person who commercially takes shellfish from state oyster reserves under RCW 75.24.070 (as recodified by this act) must have an oyster reserve fishery license.

Sec. 46. RCW 75.28.300 and 1993 sp.s. c 17 s 43 are each amended to read as follows:
A wholesale fish dealer's license is required for:
(1) A business in the state to engage in the commercial processing of food fish or shellfish, including custom canning or processing of personal use food fish or shellfish.
(2) A business in the state to engage in the wholesale selling, buying, or brokering of food fish or shellfish. A wholesale fish dealer's license is not required of those businesses which buy exclusively from Washington licensed wholesale dealers and sell solely at retail.
(3) Fishermen who land and sell their catch or harvest in the state to anyone other than a licensed wholesale dealer within or outside the state.
(4) A business to engage in the commercial manufacture or preparation of fertilizer, oil, meal, caviar, fish bait, or other byproducts from food fish or shellfish.

(5) A business employing a fish buyer as defined under RCW 75.28.340 (as recodified by this act). The annual license fee for a wholesale dealer is two hundred fifty dollars. A wholesale fish dealer's license is not required for persons engaged in the processing, wholesale selling, buying, or brokering of private sector cultured aquatic products as defined in RCW 15.85.020. However, if a means of identifying such products is required by rules adopted under RCW 15.85.060, the exemption from licensing requirements established by this subsection applies only if the aquatic products are identified in conformance with those rules.

Sec. 47. RCW 75.28.323 and 1996 c 267 s 30 are each amended to read as follows:
(1) A wholesale fish dealer shall not take possession of food fish or shellfish until the dealer has deposited with the department an acceptable performance bond on forms prescribed and furnished by the department. This performance bond shall be a corporate surety bond executed in favor of the department by a corporation authorized to do business in the state of Washington under chapter 48.28 RCW and approved by the department. The bond shall be filed and maintained in an amount equal to one thousand dollars for each buyer engaged by the wholesale dealer. In no case shall the bond be less than two thousand dollars nor more than fifty thousand dollars.
(2) A wholesale dealer shall, within seven days of engaging additional fish buyers, notify the department and increase the amount of the bonding required in subsection (1) of this section.
(3) The director may suspend and refuse to reissue a wholesale fish dealer's license of a dealer who has taken possession of food fish or shellfish without an acceptable performance bond on deposit with the department.
(4) The bond shall be conditioned upon the compliance with the requirements of this chapter and rules of the department relating to the payment of fines for violations of rules for the accounting of the commercial harvest of food fish or shellfish. In lieu of the surety bond required by this section the wholesale fish dealer may file with the department a cash deposit, negotiable securities acceptable to the department, or an assignment of a savings account or of a savings certificate in a Washington bank on an assignment form prescribed by the department.
(5) Liability under the bond shall be maintained as long as the wholesale fish dealer engages in activities under RCW 75.28.300 (as recodified by this act) unless released. Liability under the bond may be released only upon written notification from the department. Notification shall be given upon acceptance by the department of a substitute bond or forty-five days after the expiration of the wholesale fish dealer's annual license. In no event shall the liability of the surety exceed the amount of the surety bond required under this chapter.

Sec. 48. RCW 75.28.340 and 1993 sp.s. c 17 s 46 are each amended to read as follows:

Sec. 50. RCW 75.28.740 and 1998 c 190 s 99 are each amended to read as follows:
(1) The director may by rule designate a fishery as an emerging commercial fishery. The director shall include in the designation whether the fishery is one that requires a vessel.
(2) "Emerging commercial fishery" means the commercial taking of a newly classified species of food fish or shellfish, the commercial taking of a classified species with gear not previously used for that species, or the commercial taking of a classified species in an area from which that species has not previously been commercially taken. Any species of food fish or shellfish commercially harvested in Washington state as of June 7, 1990, may be designated as a species in an emerging commercial fishery, except that no fishery subject to a license limitation program in chapter 75.30 RCW (as recodified by this act) may be designated as an emerging commercial fishery.
(3) A person shall not take food fish or shellfish in a fishery designated as an emerging commercial fishery without an emerging commercial fishery license and a permit from the director. The director shall issue two types of permits to accompany emerging commercial fishery licenses: Trial fishery permits and experimental fishery permits. Trial fishery permits are governed by subsection (4) of this section. Experimental fishery permits are governed by RCW 75.30.220 (as recodified by this act).
(4) The director shall issue trial fishery permits for a fishery designated as an emerging commercial fishery unless the director determines there is a need to limit the number of participants under RCW 75.30.220 (as recodified by this act). A person
who meets the qualifications of RCW 75.28.020 (as recodified by this act) may hold a trial fishery permit. The holder of a trial fishery permit shall comply with the terms of the permit. Trial fishery permits are not transferable from the permit holder to any other person.

By July 1, 1994, the (departments of fisheries and wildlife) commission jointly with the appropriate Indian tribes, shall each establish a wild salmonid policy. The policy shall ensure that department actions and programs are consistent with the goals of rebuilding wild stock populations to levels that permit commercial and recreational fishing opportunities.

Sec. 52. RCW 75.28.770 and 1998 c 245 s 153 are each amended to read as follows:

The director shall evaluate and recommend, in consultation with the Indian tribes, salmon fishery management strategies and gear types, as well as a schedule for implementation, that will minimize the impact of commercial and recreational fishing in the mixed stock fishery on critical and depressed wild stocks of salmonids. As part of this evaluation, the director, in conjunction with the commercial and recreational fishing industries, shall evaluate commercial and recreational salmon fishing gear types developed by these industries.

Sec. 53. RCW 75.28.780 and 1993 sp.s. c 17 s 42 are each amended to read as follows:

(1) The (department) director shall waive license requirements, including landing or poundage requirements, if, during the calendar year that a license issued pursuant to chapter 75.28 RCW (as recodified by this act) is valid, no harvest opportunity occurs in the fishery corresponding to the license.

(2) For each license limitation program, where the person failed to hold the license and failed to make landing or poundage requirements because of a license waiver by the (department) during the previous year, the person shall qualify for a license by establishing that the person held the license during the last year in which the license was not waived.

Sec. 55. RCW 75.30.050 and 1995 c 269 s 3101 are each amended to read as follows:

(1) The director shall appoint three-member advisory review boards to hear cases as provided in RCW 75.30.060 (as recodified by this act). Members shall be from:

(a) The commercial crab fishing industry in cases involving Dungeness crab-Puget Sound fishery licenses;
(b) The commercial herring fishery in cases involving herring fishery licenses;
(c) The commercial sea urchin and sea cucumber fishery in cases involving sea urchin and sea cucumber dive fishery licenses;
(d) The commercial ocean pink shrimp industry (Pandalus jordani) in cases involving ocean pink shrimp delivery licenses; and
(e) The commercial coastal crab fishery in cases involving Dungeness crab-coastal fishery licenses and Dungeness crab-coastal class B fishery licenses. The members shall include one person from the commercial crab processors, one Dungeness crab-coastal fishery license holder, and one citizen representative of a coastal community.

A person aggrieved by a decision of the department under this chapter may request administrative review under the informal procedure established by this section.

In an informal hearing before a review board, the rules of evidence do not apply. A record of the proceeding shall be kept as provided by chapter 34.05 RCW. After hearing the case the review board shall notify in writing the [(commission)] director and the initiating party whether the review board agrees or disagrees with the department’s decision and the reasons for the review board’s findings. Upon receipt of the review board’s findings the [(commission)] director may order such relief as the [(commission)] director deems appropriate under the circumstances.

Nothing in this section: (1) Impairs an aggrieved person’s right to proceed under chapter 34.05 RCW; or (2) imposes a liability on members of a review board for their actions under this section.

Sec. 57. RCW 75.30.065 and 1993 c 340 s 28 are each amended to read as follows:

(1) Except as provided by chapter 34.05 RCW, a person may renew an existing salmon charter license only if the person held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.

(2) Salmon charter licenses may be renewed each year. A salmon charter license which is not renewed each year shall not be renewed further.

(3) Subject to the restrictions in [(section 11 of this act)] RCW 75.28.011 (as recodified by this act), salmon charter licenses are transferrable from one license holder to another.

Sec. 58. RCW 75.30.070 and 1998 c 190 s 100 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, a person shall not operate a vessel as a charter boat from which salmon are taken in salt water without an angler permit. The angler permit shall specify the maximum number of persons that may fish from the charter boat per trip. The angler permit expires if the salmon charter license is not renewed.

(2) Only a person who holds a salmon charter license issued under RCW 75.28.095 and 75.30.065 (as recodified by this act) may hold an angler permit.

(3) An angler permit shall not be required for charter boats licensed in Oregon and fishing in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point under the same regulations as Washington charter boat operators, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

Sec. 59. RCW 75.30.090 and 1993 c 340 s 30 are each amended to read as follows:

A salmon charter boat may not carry more anglers than the number specified in the angler permit issued under RCW 75.30.070 (as recodified by this act). Members of the crew may fish from the boat only to the extent that the number of anglers specified in the angler permit exceeds the number of noncrew passengers on the boat at that time.

Sec. 60. RCW 75.30.100 and 1993 c 340 s 31 are each amended to read as follows:

(1) The total number of anglers authorized by the [(department)] director shall not exceed the total number authorized for 1980.

(2) Angler permits issued under RCW 75.30.070 (as recodified by this act) are transferrable. All or a portion of the permit may be transferred to another salmon charter license holder.

(3) The angler permit holder and proposed transferee shall notify the department when transferring an angler permit, and the [(department)] director shall issue a new angler permit certificate. If the original permit holder retains a portion of the permit, the [(department)] director shall issue a new angler permit certificate reflecting the decrease in angler capacity.

(4) The department shall collect a fee of ten dollars for each certificate issued under subsection (3) of this section.

Sec. 61. RCW 75.30.120 and 1995 c 135 s 7 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, after May 6, 1974, the director shall issue no new commercial salmon fishery licenses or salmon delivery licenses. A person may renew an existing license only if the person held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.

(2) Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.
(3) Subject to the restrictions in RCW 75.28.011 (as recodified by this act), commercial salmon fishery licenses and salmon delivery licenses are transferable from one license holder to another.

**Sec. 62.** RCW 75.30.125 and 1993 c 340 s 33 are each amended to read as follows:

Any commercial salmon fishery license issued under RCW 75.28.110 (as recodified by this act) or salmon delivery license issued under RCW 75.28.113 (as recodified by this act) shall revert to the department when any government confiscates and sells the vessel designated on the license. Upon application of the person named on the license as license holder and the approval of the director, the department shall transfer the license to the applicant. Application for transfer of the license must be made within the calendar year for which the license was issued.

**Sec. 63.** RCW 75.30.130 and 1998 c 190 s 101 are each amended to read as follows:

(1) A person shall not commercially take Dungeness crab (Cancer magister) in Puget Sound without first obtaining a Dungeness crab--Puget Sound fishery license. As used in this section, "Puget Sound" has the meaning given in RCW 75.28.110(5)(a) (as recodified by this act). A Dungeness crab--Puget Sound fishery license is not required to take other species of crab, including red rock crab (Cancer productus).

(2) Except as provided in subsections (3) and (6) of this section, after January 1, 1982, the director shall issue no new Dungeness crab--Puget Sound fishery licenses. Only a person who meets the following qualification may renew an existing license: The person shall have held the Dungeness crab--Puget Sound fishery license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and shall not have subsequently transferred the license to another person.

(3) Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.

(4) This section does not restrict the issuance of commercial crab licenses for areas other than Puget Sound or for species other than Dungeness crab.

(5) Dungeness crab--Puget Sound fishery licenses are transferable from one license holder to another.

(6) If fewer than one hundred twenty-five persons are eligible for Dungeness crab--Puget Sound fishery licenses, the director may accept applications for new licenses. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain one hundred twenty-five licenses in the Puget Sound Dungeness crab fishery. The director shall adopt rules governing the application, selection, and issuance procedures for new Dungeness crab--Puget Sound fishery licenses, based upon recommendations of an advisory review board established under RCW 75.30.050 (as recodified by this act).

**Sec. 64.** RCW 75.30.140 and 1998 c 190 s 102 are each amended to read as follows:

(1) A person shall not fish commercially for herring in state waters without a herring fishery license. As used in this section, "herring fishery license" means any of the following commercial fishery licenses issued under RCW 75.28.120 (as recodified by this act): Herring dip bag net; herring drag seine; herring gill net; herring lampara; herring purse seine.

(2) Except as provided in this section, a herring fishery license may be issued only to a person who held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.

(3) Herring fishery licenses may be renewed each year. A herring fishery license that is not renewed each year shall not be renewed further.

(4) The director may issue additional herring fishery licenses if the stocks of herring will not be jeopardized by granting additional licenses.

(5) Subject to the restrictions in RCW 75.28.011 (as recodified by this act), herring fishery licenses are transferable from one license holder to another.

**Sec. 65.** RCW 75.30.170 and 1993 c 340 s 39 are each amended to read as follows:

(1) A person shall not commercially take whiting from areas that the department designates within the waters described in RCW 75.28.110(5)(a) (as recodified by this act) without a whiting-Puget Sound fishery license.

(2) A whiting-Puget Sound fishery license may be issued only to an individual who:

(a) Delivered at least fifty thousand pounds of whiting during the period from January 1, 1981, through February 22, 1985, as verified by fish delivery tickets;

(b) Possessed, on January 1, 1986, all equipment necessary to fish for whiting; and

(c) Held a whiting-Puget Sound fishery license during the previous year or acquired such a license by transfer from someone who held it during the previous year.

(3) After January 1, 1995, the director shall issue no new whiting-Puget Sound fishery licenses. After January 1, 1995, only an individual who meets the following qualifications may renew an existing license: The individual shall have held the
license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and shall not have subsequently transferred the license to another person.

((3)) (4) Whiting-Puget Sound fishery licenses may be renewed each year. A whiting-Puget Sound fishery license that is not renewed each year shall not be renewed further.

Sec. 66. RCW 75.30.180 and 1993 c 340 s 40 are each amended to read as follows:

A whiting-Puget Sound fishery license may be transferred through gift, devise, bequest, or descent to members of the license holder's immediate family which shall be limited to spouse, children, or stepchildren. The holder of a whiting-Puget Sound fishery license shall be present on any vessel taking whiting under the license. In no instance may temporary permits be issued.

The director may adopt rules necessary to implement RCW ((75.30.160 through)) 75.30.170 and 75.30.180 (as recodified by this act).

Sec. 67. RCW 75.30.210 and 1998 c 190 s 104 are each amended to read as follows:

(1) A person shall not commercially take any species of sea urchin using shellfish diver gear without first obtaining a sea urchin dive fishery license.

(2) Except as provided in subsections (3) and (6) of this section, after December 31, 1991, the director shall issue no new sea urchin dive fishery licenses. Only a person who meets the following qualifications may renew an existing license:

(a) The person shall have held the sea urchin dive fishery license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year; and

(b) The person shall document, by valid shellfish receiving tickets issued by the department, that twenty thousand pounds of sea urchins were caught and sold under the license sought to be renewed during the two-year period ending March 31 of the most recent odd-numbered year.

(3) Where the person failed to obtain the license during the previous year because of a license suspension or revocation by the ((department)) director or the court, the person may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) The director may reduce or waive the poundage requirement of subsection (2)(b) of this section upon the recommendation of ((a board)) an advisory review board established under RCW 75.30.050 (as recodified by this act). The review board ((of review)) may recommend a reduction or waiver of the poundage requirement in individual cases if, in the review board's judgment, extenuating circumstances prevent achievement of the poundage requirement. The director shall adopt rules governing the operation of the ((board)) review board and defining "extenuating circumstances."

(5) Sea urchin dive fishery licenses are not transferable from one license holder to another, except from parent to child, or from spouse to spouse during marriage or as a result of marriage dissolution, or upon the death of the license holder.

(6) If fewer than forty-five persons are eligible for sea urchin dive fishery licenses, the director may accept applications for new licenses. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain up to forty-five licenses in the sea urchin dive fishery. The director shall adopt rules governing the application, selection, issuance procedure for new sea urchin dive fishery licenses, based upon recommendations of ((a board)) an advisory review board established under RCW 75.30.050 (as recodified by this act).

Sec. 68. RCW 75.30.220 and 1993 c 340 s 42 are each amended to read as follows:

(1) The director may issue experimental fishery permits for commercial harvest in an emerging commercial fishery for which the director has determined there is a need to limit the number of participants. The director shall determine by rule the number and qualifications of participants for such experimental fishery permits. Only a person who holds an emerging commercial fishery license issued under RCW 75.28.740 (as recodified by this act) and who meets the qualifications established in those rules may hold an experimental fishery permit. The director shall limit the number of these permits to prevent habitat damage, ensure conservation of the resource, and prevent overharvesting. In developing rules for limiting participation in an emerging or expanding commercial fishery, the director shall appoint a five-person advisory board representative of the affected fishery industry. The advisory board shall review and make recommendations to the director on rules relating to the number and qualifications of the participants for such experimental fishery permits.

(2) RCW 34.05.422(3) does not apply to applications for new experimental fishery permits.

(3) Experimental fishery permits are not transferable from the permit holder to any other person.

Sec. 69. RCW 75.30.250 and 1998 c 190 s 105 are each amended to read as follows:

(1) A person shall not commercially take while using shellfish diver gear any species of sea cucumber without first obtaining a sea cucumber dive fishery license.

(2) Except as provided in subsection (6) of this section, after December 31, 1991, the director shall issue no sea cucumber dive fishery licenses. Only a person who meets the following qualifications may renew an existing license:

(a) The person shall have held the sea cucumber dive fishery license sought to be renewed during the previous two years or acquired the license by transfer from someone who held it during the previous year; and
(b) The person shall establish, by means of dated shellfish receiving documents issued by the department, that thirty landings of sea cucumbers totaling at least ten thousand pounds were made under the license during the previous two-year period ending December 31 of the odd-numbered year.

(3) Where the person failed to obtain the license during either of the previous two years because of a license suspension by the director or the court, the person may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) The director may reduce or waive any landing or poundage requirement established under this section upon the recommendation of an advisory review board established under RCW 75.30.050 (as recodified by this act). The review board may recommend a reduction or waiver of any landing or poundage requirement in individual cases if, in the board's judgment, extenuating circumstances prevent achievement of the landing or poundage requirement. The director shall adopt rules governing the operation of the review board and defining "extenuating circumstances."

(5) Sea cucumber dive fishery licenses are not transferable from one license holder to another except from parent to child, from spouse to spouse during marriage or as a result of marriage dissolution, or upon death of the license holder.

(6) If fewer than fifty persons are eligible for sea cucumber dive fishery licenses, the director may accept applications for new licenses from those persons who can demonstrate two years' experience in the Washington state sea cucumber dive fishery. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain up to fifty licenses in the sea cucumber dive fishery. The director shall adopt rules governing the application, selection, and issuance procedure for new sea cucumber dive fishery licenses, based upon recommendations of an advisory review board established under RCW 75.30.050 (as recodified by this act).

Sec. 70. RCW 75.30.270 and 1993 c 340 s 37 are each amended to read as follows:

(1) A herring spawn on kelp fishery license is required to commercially take herring eggs which have been deposited on vegetation of any type.

(2) A herring spawn on kelp fishery license may be issued only to a person who:
   (a) Holds a herring fishery license issued under RCW 75.28.120 and 75.30.140 (as recodified by this act); and
   (b) Is the highest bidder in an auction conducted under subsection (3) of this section.

(3) The department shall sell herring spawn on kelp commercial fishery licenses at auction to the highest bidder. Bidders shall identify their sources of kelp. Kelp harvested from state-owned aquatic lands as defined in RCW 79.90.465 requires the written consent of the department of natural resources. The department shall give all holders of herring fishery licenses thirty days' notice of the auction.

Sec. 71. RCW 75.30.280 and 1998 c 190 s 106 are each amended to read as follows:

(1) A person shall not harvest geoduck clams commercially without a geoduck fishery license. This section does not apply to the harvest of private sector cultured aquatic products as defined in RCW 15.85.020.

(2) Only a person who has entered into a geoduck harvesting agreement with the department of natural resources under RCW 79.96.080 may hold a geoduck fishery license.

(3) A geoduck fishery license authorizes no taking of geoducks outside the boundaries of the public lands designated in the underlying harvesting agreement, or beyond the harvest ceiling set in the underlying harvesting agreement.

(4) A geoduck fishery license expires when the underlying geoduck harvesting agreement terminates.

(5) The director shall determine the number of geoduck fishery licenses that may be issued for each geoduck harvesting agreement, the number of units of gear whose use the license authorizes, and the type of gear that may be used, subject to RCW 75.24.100 (as recodified by this act). In making those determinations, the director shall seek to conserve the geoduck resource and prevent damage to its habitat.

(6) The holder of a geoduck fishery license and the holder's agents and representatives shall comply with all applicable commercial diving safety regulations adopted by the federal occupational safety and health administration established under the federal occupational safety and health act of 1970 as such law exists on May 8, 1979, 84 Stat. 1590 et seq.; 29 U.S.C. Sec. 651 et seq. A violation of those regulations is a violation of this subsection. For the purposes of this section, persons who dive for geoducks are "employees" as defined by the federal occupational safety and health act. A violation of this subsection is grounds for suspension or revocation of a geoduck fishery license following a hearing under the procedures of chapter 34.05 RCW. The director shall not suspend or revoke a geoduck fishery license if the violation has been corrected within ten days of the date the license holder receives written notice of the violation. If there is a substantial probability that a violation of the commercial diving standards could result in death or serious physical harm to a person engaged in harvesting geoduck clams, the director shall suspend the license immediately until the violation has been corrected. If the license holder is not the operator of the harvest vessel and has contracted with another person for the harvesting of geoducks, the director shall not suspend or revoke the license if the license holder terminates its business relationship with that person until compliance with this subsection is secured.
Sec. 72. RCW 75.30.290 and 1998 c 190 s 107 are each amended to read as follows:
A person shall not commercially deliver into any Washington state port ocean pink shrimp caught in offshore waters without an ocean pink shrimp delivery license issued under RCW 75.28.730 (as recodified by this act), or an ocean pink shrimp single delivery license issued under RCW 75.30.320 (as recodified by this act). An ocean pink shrimp delivery license shall be issued to a vessel that:

(1) Landed a total of at least five thousand pounds of ocean pink shrimp in Washington in any single calendar year between January 1, 1983, and December 31, 1992, as documented by a valid shellfish receiving ticket; and

(2) Can show continuous participation in the Washington, Oregon, or California ocean pink shrimp fishery by being eligible to land ocean pink shrimp in either Washington, Oregon, or California each year since the landing made under subsection (1) of this section. Evidence of such eligibility shall be a certified statement from the relevant state licensing agency that the applicant for a Washington ocean pink shrimp delivery license held at least one of the following permits:

(a) For Washington: Possession of a delivery permit or delivery license issued under RCW 75.28.125 (or a trawl license (other than Puget Sound) issued under RCW 75.28.140) (as recodified by this act);

(b) For Oregon: Possession of a vessel permit issued under Oregon Revised Statute 508.880; or

(c) For California: A trawl permit issued under California Fish and Game Code sec. 8842.

Sec. 73. RCW 75.30.300 and 1993 c 376 s 6 are each amended to read as follows:
An applicant who can show historical participation under RCW 75.30.290(1) (as recodified by this act) but does not satisfy the continuous participation requirement of RCW 75.30.290(2) (as recodified by this act) shall be issued an ocean pink shrimp delivery license if:

(1) The owner can prove that the owner was in the process on December 31, 1992, of constructing a vessel for the purpose of ocean pink shrimp harvest. For purposes of this section, "construction" means having the keel laid, and "for the purpose of ocean pink shrimp harvest" means the vessel is designed as a trawl vessel. An ocean pink shrimp delivery license issued to a vessel under construction is not renewable after December 31, 1994, unless the vessel lands a total of at least five thousand pounds of ocean pink shrimp into a Washington state port before December 31, 1994; or

(2) The applicant's vessel is a replacement for a vessel that is otherwise eligible for an ocean pink shrimp delivery license.

Sec. 74. RCW 75.30.320 and 1993 c 376 s 8 are each amended to read as follows:
The owner of an ocean pink shrimp fishing vessel that does not qualify for an ocean pink shrimp delivery license issued under RCW 75.28.730 (as recodified by this act) shall obtain an ocean pink shrimp single delivery license in order to make a landing into a state port of ocean pink shrimp taken in offshore waters. The director shall not issue an ocean pink shrimp single delivery license unless, as determined by the director, a bona fide emergency exists. A maximum of six ocean pink shrimp single delivery licenses may be issued annually to any vessel. (Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065.) The fee for an ocean pink shrimp single delivery license is one hundred dollars.

Sec. 75. RCW 75.30.330 and 1993 c 376 s 10 are each amended to read as follows:
The director may reduce the landing requirements established under RCW 75.30.290 (as recodified by this act) upon the recommendation of an advisory review board established under RCW 75.30.050 (as recodified by this act), but the director may not entirely waive the landing requirement. The advisory review board may recommend a reduction of the landing requirement in individual cases if in the advisory review board's judgment, extenuating circumstances prevented achievement of the landing requirement. The director shall adopt rules governing the operation of the advisory review board and defining "extenuating circumstances."

Sec. 76. RCW 75.30.350 and 1998 c 190 s 108 are each amended to read as follows:
(1) A person shall not commercially fish for coastal crab in Washington state waters without a Dungeness crab–coastal or a Dungeness crab–coastal class B fishery license. Gear used must consist of one buoy attached to each crab pot. Each crab pot must be fished individually.

(2) A Dungeness crab–coastal fishery license is transferable. Except as provided in subsection (3) of this section, such a license shall only be issued to a person who proved active historical participation in the coastal crab fishery by having designated, after December 31, 1993, a vessel or a replacement vessel on the qualifying license that singly or in combination meets the following criteria:

(a) Made a minimum of eight coastal crab landings totaling a minimum of five thousand pounds per season in at least two of the four qualifying seasons identified in subsection (5) of this section, as documented by valid Washington state shellfish receiving tickets; and showed historical and continuous participation in the coastal crab fishery by having held one of the following licenses or their equivalents each calendar year beginning 1990 through 1993, and was designated on the qualifying license of the person who held one of the following licenses in 1994:

(i) Crab pot–Non-Puget Sound license, issued under RCW 75.28.130(1)(b) (as recodified by this act);

(ii) Non-salmon delivery license, issued under RCW 75.28.125 (as recodified by this act):
(iii) Salmon troll license, issued under RCW 75.28.110 (as recodified by this act);
(iv) Salmon delivery license, issued under RCW 75.28.113 (as recodified by this act);
(v) Food fish trawl license, issued under RCW 75.28.120 (as recodified by this act); or
(vi) Shrimp trawl license, issued under RCW 75.28.130 (as recodified by this act); or
(b) Made a minimum of four Washington landings of coastal crab totaling two thousand pounds during the period from December 1, 1991, to March 20, 1992, and made a minimum of eight crab landings totaling a minimum of five thousand pounds of coastal crab during each of the following periods: December 1, 1991, to September 15, 1992; December 1, 1992, to September 15, 1993; and December 1, 1993, to September 15, 1994. For landings made after December 31, 1993, the vessel shall have been designated on the qualifying license of the person making the landings; or
(c) Made any number of coastal crab landings totaling a minimum of twenty thousand pounds per season in at least two of the four qualifying seasons identified in subsection (5) of this section, as documented by valid Washington state shellfish receiving tickets, showed historical and continuous participation in the coastal crab fishery by having held one of the qualifying licenses each calendar year beginning 1990 through 1993, and the vessel was designated on the qualifying license of the person who held that license in 1994.

(3) A Dungeness crab-coastal fishery license shall be issued to a person who had a new vessel under construction between December 1, 1988, and September 15, 1992, if the vessel made coastal crab landings totaling a minimum of five thousand pounds by September 15, 1993, and the new vessel was designated on the qualifying license of the person who held that license in 1994. All landings shall be documented by valid Washington state shellfish receiving tickets. License applications under this subsection may be subject to review by the advisory review board in accordance with RCW 75.30.050 (as recodified by this act).
For purposes of this subsection, "under construction" means either:
(a)(i) A contract for any part of the work was signed before September 15, 1992; and
(ii) The contract for the vessel under construction was not transferred or otherwise alienated from the contract holder between the date of the contract and the issuance of the Dungeness crab-coastal fishery license; and
(iii) Construction had not been completed before December 1, 1988; or
(b)(i) The keel was laid before September 15, 1992; and
(ii) Vessel ownership was not transferred or otherwise alienated from the owner between the time the keel was laid and the issuance of the Dungeness crab-coastal fishery license; and
(iii) Construction had not been completed before December 1, 1988.

(4) A Dungeness crab--coastal class B fishery license is not transferable. Such a license shall be issued to persons who do not meet the qualification criteria for a Dungeness crab--coastal fishery license, if the person has designated on a qualifying license after December 31, 1993, a vessel or replacement vessel that, singly or in combination, made a minimum of four landings totaling a minimum of two thousand pounds of coastal crab, documented by valid Washington state shellfish receiving tickets, during at least one of the four qualifying seasons, and if the person has participated continuously in the coastal crab fishery by having held or by having owned a vessel that held one or more of the licenses listed in subsection (2) of this section in each calendar year subsequent to the qualifying season in which qualifying landings were made through 1994. Dungeness crab--coastal class B fishery licenses cease to exist after December 31, 1999, and the continuing license provisions of RCW 34.05.422(3) are not applicable.

(5) The four qualifying seasons for purposes of this section are:
(a) December 1, 1988, through September 15, 1989;
(b) December 1, 1989, through September 15, 1990;
(c) December 1, 1990, through September 15, 1991; and

(6) For purposes of this section and RCW 75.30.420 (as recodified by this act), "coastal crab" means Dungeness crab (cancer magister) taken in all Washington territorial and offshore waters south of the United States-Canada boundary and west of the Bonilla-Tatoosh line (a line from the western end of Cape Flattery to Tatoosh Island lighthouse, then to the buoy adjacent to Duntz Rock, then in a straight line to Bonilla Point of Vancouver island), Grays Harbor, Willapa Bay, and the Columbia river.

(7) For purposes of this section, "replacement vessel" means a vessel used in the coastal crab fishery in 1994, and that replaces a vessel used in the coastal crab fishery during any period from 1988 through 1993, and which vessel's licensing and catch history, together with the licensing and catch history of the vessel it replaces, qualifies a single applicant for a Dungeness crab--coastal or Dungeness crab--coastal class B fishery license. A Dungeness crab--coastal or Dungeness crab--coastal class B fishery license may only be issued to a person who designated a vessel in the 1994 coastal crab fishery and who designated the same vessel in 1995.

Sec. 77. RCW 75.30.370 and 1994 c 260 s 4 are each amended to read as follows:
A person commercially fishing for Dungeness crab in offshore waters outside of Washington state jurisdiction shall obtain a Dungeness crab offshore delivery license from the director if the person does not possess a valid Dungeness crab-coastal fishery
license or a valid Dungeness crab-coastal class B fishery license and the person wishes to land Dungeness crab into a place or a port in the state. The annual fee for a Dungeness crab offshore delivery license is two hundred fifty dollars. The director may specify restrictions on landings of offshore Dungeness crab in Washington state as authorized in RCW 75.30.360 (as recodified by this act).

Fees from the offshore Dungeness crab delivery license shall be placed in the coastal crab account created in RCW 75.30.390 (as recodified by this act).

**Sec. 78.** RCW 75.30.380 and 1997 c 418 s 3 are each amended to read as follows:

Dungeness crab-coastal fishery licenses are freely transferable on a willing seller-willing buyer basis after paying the transfer fee in RCW 75.28.011 (as recodified by this act).

**Sec. 79.** RCW 75.30.390 and 1997 c 418 s 4 are each amended to read as follows:

- The coastal crab account is created in the custody of the state treasurer. The account shall consist of revenues from fees from the transfer of each Dungeness crab-coastal fishery license assessed under RCW 75.28.011 (as recodified by this act), delivery fees assessed under RCW 75.30.370 (as recodified by this act), and the license surcharge under RCW 75.28.133 (as recodified by this act). Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW but no appropriation is required for expenditures. Funds may be used for coastal crab management activities as provided in RCW 75.30.410 (as recodified by this act).

**Sec. 80.** RCW 75.30.420 and 1994 c 260 s 9 are each amended to read as follows:

- (1) An Oregon resident who can show historical and continuous participation in the Washington state coastal crab fishery by having held a nonresident non-Puget Sound crab pot license issued under RCW 75.28.130 (as recodified by this act) each year from 1990 through 1994, and who has delivered a minimum of eight landings totaling five thousand pounds of crab into Oregon during any two of the four qualifying seasons as provided in RCW 75.30.350((4)) (5) (as recodified by this act) as evidenced by valid Oregon fish receiving tickets, shall be issued a nonresident Dungeness crab-coastal fishery license valid for fishing in Washington state waters north from the Oregon-Washington boundary to United States latitude forty-six degrees thirty minutes north. Such license shall be issued upon application and submission of proof of delivery.

- (2) This section shall become effective contingent upon reciprocal statutory authority in the state of Oregon providing for equal access for Washington state coastal crab fishers to Oregon territorial coastal waters north of United States latitude forty-five degrees fifty minutes north, and Oregon waters of the Columbia river.

**Sec. 81.** RCW 75.30.440 and 1994 c 260 s 13 are each amended to read as follows:

- Except as provided under RCW 75.30.460 (as recodified by this act), the director shall issue no new Dungeness crab-coastal fishery licenses after December 31, 1995. A person may renew an existing license only if the person held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person. Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.

**Sec. 82.** RCW 75.30.460 and 1994 c 260 s 17 are each amended to read as follows:

- If fewer than one hundred seventy-five persons are eligible for Dungeness crab-coastal fishery licenses, the director may accept applications for new licenses. Additional licenses issued may maintain a maximum of one hundred seventy-five licenses in the Washington coastal crab fishery. If additional licenses are to be issued, the director shall adopt rules governing the notification, application, selection, and issuance procedures for new Dungeness crab-coastal fishery licenses, based on recommendations of the advisory review board established under RCW 75.30.050 (as recodified by this act).

**Sec. 83.** RCW 75.30.470 and 1994 c 260 s 19 are each amended to read as follows:

- The director may reduce the landing requirements established under RCW 75.30.350 (as recodified by this act) upon the recommendation of an advisory review board established under RCW 75.30.050 (as recodified by this act), but the director may not entirely waive the landing requirement. The advisory review board may recommend a reduction of the landing requirement in individual cases if in the advisory review board's judgment, extenuating circumstances prevented achievement of the landing requirement. The director shall adopt rules governing the operation of the advisory review board and defining "extenuating circumstances." Extenuating circumstances may include situations in which a person had a vessel under construction such that qualifying landings could not be made. In defining extenuating circumstances, special consideration shall be given to individuals who can provide evidence of lack of access to capital based on past discrimination due to race, creed, color, sex, national origin, or disability.

**Sec. 84.** RCW 75.40.020 and 1995 1st sp.s c 2 s 19 are each amended to read as follows:

- The commission may give to the state of Oregon such consent and approbation of the state of Washington as is necessary under the compact set out in RCW 75.40.010 (as recodified by this act). For the purposes of RCW 75.40.010 (as

The director may specify a maximum price to be paid for a vessel, gear, license, or delivery permit purchased under RCW 75.44.110 (as recodified by this act). A license or delivery permit purchased under RCW 75.44.110 (as recodified by this act) shall be permanently retired by the department.

Sec. 88. RCW 75.44.130 and 1983 1st ex.s. c 46 s 158 are each amended to read as follows:

The department may arrange for the insurance, storage, and resale or other disposition of vessels and gear purchased under RCW 75.44.110 (as recodified by this act). Vessels shall not be resold by the department to the seller or the seller's immediate family. The vessels shall not be used by any owner or operator: (1) As a commercial fishing or charter vessel in state waters; or (2) to deliver fish to a place or port in the state. The department shall require that the purchasers and other users of vessels sold by the department execute suitable instruments to insure compliance with the requirements of this section. The director may commence suit or be sued on such an instrument in a state court of record or United States district court having jurisdiction.

Sec. 89. RCW 75.44.150 and 1983 1st ex.s. c 46 s 160 are each amended to read as follows:

1. The salmon recovery office is created within the office of the governor to coordinate state strategy to allow for salmon recovery to healthy sustainable population levels with productive commercial and recreational fisheries. The primary purpose of the office is to coordinate and assist in the development of salmon recovery plans for evolutionarily significant units, and submit those plans to the appropriate tribal governments and federal agencies in response to the federal endangered species act. The governor's salmon recovery office may also:
   a. Act as liaison to local governments, the state congressional delegation, the United States congress, federally recognized tribes, and the federal executive branch agencies for issues related to the state's endangered species act salmon recovery plans; and
   b. Provide the biennial state of the salmon report to the legislature pursuant to RCW 75.46.030 [as recodified by this act].

2. This section expires June 30, 2006.

**Sec. 92.** RCW 75.46.050 and 1998 c 246 s 6 are each amended to read as follows:

1. The governor shall request the national academy of sciences, the American fisheries society, or a comparable institution to screen candidates to serve as members on the independent science panel. The institution that conducts the screening of the candidates shall submit a list of the nine most qualified candidates to the governor, the speaker of the house of representatives, and the majority leader of the senate. 4. The independent science panel shall be governed by generally accepted guidelines and practices governing the activities of independent science boards such as the national academy of sciences. The purpose of the independent science panel is to help ensure that sound science is used in salmon recovery efforts. The governor's salmon recovery office shall request review of salmon recovery plans by the science review panel. The science review panel does not have the authority to review individual projects or project lists developed under RCW 75.46.060, 75.46.070, and 75.46.080 [as recodified by this act] or to make policy decisions.

5. The independent science panel shall submit its findings to the legislature and the governor.

**Sec. 93.** RCW 75.46.070 and 1998 c 246 s 8 are each amended to read as follows:

1. Critical pathways methodology shall be used to develop a habitat project list and a habitat work schedule that ensures salmon restoration activities will be prioritized and implemented in a logical sequential manner that produces habitat capable of sustaining healthy populations of salmon.

2. The critical pathways methodology shall:
   a. Include a limiting factors analysis for salmon in streams, rivers, tributaries, estuaries, and subbasins in the region. The technical advisory group shall have responsibility for the limiting factors analysis;
   b. Identify local habitat projects that sponsors are willing to undertake. The projects identified must have a written agreement from the landowner on which the project is to be implemented. Project sponsors shall have the lead responsibility for this task;
   c. Identify how projects will be monitored and evaluated. The project sponsor, in consultation with the technical advisory group and the appropriate landowner, shall have responsibility for this task; and
(d) Describe the adaptive management strategy that will be used. The committee established under RCW 75.46.060 (as recodified by this act) shall have responsibility for this task. If a committee has not been formed, the technical advisory group shall have the responsibility for this task.

(3) The habitat work list shall include all projects developed pursuant to subsection (2) of this section as well as any other salmon habitat restoration project implemented in the region. The work list shall also include the start date, duration, estimated date of completion, estimated cost, and, if appropriate, the affected salmonid species of each project. Each schedule shall be updated on an annual basis to depict new activities.

If the commission determines that real or personal property held by the department cannot be used advantageously by the department, the director may dispose of that property if it is in the public interest.

If the state acquired real property with use limited to specific purposes, the director may negotiate terms for the return of the property to the donor or grantor. Other real property shall be sold to the highest bidder at public auction. After appraisal, notice of the auction shall be published at least once a week for two successive weeks in a newspaper of general circulation within the county where the property is located at least twenty days prior to sale.

For purposes of this title, the commission may make agreements to obtain real or personal property or to transfer or convey property held by the state to the United States or its agencies or instrumentalities, (political subdivisions) units of local government of this state, public service companies, or other persons, if in the judgment of the commission and the attorney general the transfer and conveyance is consistent with public interest. For purposes of this section, "local government" means any city, town, county, special district, municipal corporation, or quasi-municipal corporation.

If the commission agrees to a transfer or conveyance under this section or to a sale or return of real property under RCW 77.12.210, the director shall certify, with the attorney general, to the governor that the agreement has been made. The certification shall describe the real property. The governor then may execute and the secretary of state attest and deliver to the appropriate entity or person the instrument necessary to fulfill the agreement.

**Sec. 220.** RCW 77.12.250 and 1980 c 78 s 42 are each amended to read as follows:

If the director determines that a severe problem exists in an area of the state because deer and elk are being pursued, harassed, attacked or killed by dogs, the director may declare by emergency rule that an emergency exists and specify the area where it is lawful for fish and wildlife (agents) officers to take into custody or destroy the dogs if necessary. Fish and wildlife (agents) officers who take into custody or destroy a dog pursuant to this section are immune from civil or criminal liability arising from their actions.

**Sec. 222.** RCW 77.12.470 and 1980 c 78 s 63 are each amended to read as follows:

This jurisdiction is concurrent with the courts and law enforcement officers of Idaho.
Sec. 223. RCW 77.12.480 and 1980 c 78 s 64 are each amended to read as follows:
The taking of wildlife from the boundary waters or islands of the Snake river shall be in accordance with the wildlife laws of the respective states. Fish and wildlife (agents) officers and ex officio fish and wildlife (agents) officers shall honor the license of either state and the right of the holder to take wildlife from the boundary waters and islands in accordance with the laws of the state issuing the license.

Sec. 224. RCW 77.12.490 and 1980 c 78 s 65 are each amended to read as follows:
The purpose of RCW 77.12.450 through 77.12.490 (as recodified by this act) is to avoid the conflict, confusion, and difficulty of locating the state boundary in or on the boundary waters and islands of the Snake river. These sections do not allow the holder of a Washington license to fish or hunt on the shoreline, sloughs, or tributaries on the Idaho side, nor allow the holder of an Idaho license to fish or hunt on the shoreline, sloughs, or tributaries on the Washington side.

Sec. 225. RCW 77.12.610 and 1982 c 155 s 1 are each amended to read as follows:
The purposes of RCW 77.12.610 through 77.12.630 ((and 77.16.610)) are to facilitate the department's gathering of biological data for managing wildlife resources of this state and to protect wildlife resources by assuring compliance with Title 77 RCW, and rules adopted thereunder, in a manner designed to minimize inconvenience to the public.

Sec. 226. RCW 77.12.620 and 1982 c 155 s 2 are each amended to read as follows:
The department is authorized to require hunters and fishermen occupying a motor vehicle approaching or entering a check station to stop and produce for inspection: (1) Any wildlife in their possession; (2) licenses, permits, tags, stamps, or ((punchcards)) catch record cards, required under Title 77 RCW, or rules adopted thereunder. For these purposes, the department is authorized to operate check stations which shall be plainly marked by signs, operated by at least one uniformed fish and wildlife (agent) officer, and operated in a safe manner.

Sec. 227. RCW 77.12.630 and 1982 c 155 s 4 are each amended to read as follows:
The powers conferred by RCW 77.12.610 through 77.12.630 ((and 77.16.610)) are in addition to all other powers conferred by law upon the department. Nothing in RCW 77.12.610 through 77.12.630 ((and 77.16.610)) shall be construed to prohibit the department from operating wildlife information stations at which persons shall not be required to stop and report, or from executing arrests, searches, or seizures otherwise authorized by law.

Sec. 228. RCW 77.12.830 and 1997 c 425 s 3 are each amended to read as follows:
(1) Beginning in January 1998, the department of fish and wildlife and the department of natural resources shall implement a habitat incentives program based on the recommendations of federally recognized Indian tribes, landowners, the regional fisheries enhancement groups, the timber, fish, and wildlife cooperators, and other interested parties. The program shall allow a private landowner to enter into an agreement with the departments to enhance habitat on the landowner's property for food fish, game fish, or other wildlife species. In exchange, the landowner shall receive state regulatory certainty with regard to future applications for hydraulic project approval or a forest practices permit on the property covered by the agreement. The overall goal of the program is to provide a mechanism that facilitates habitat development on private property while avoiding an adverse state regulatory impact to the landowner at some future date. A single agreement between the departments and a landowner may encompass up to one thousand acres. A landowner may enter into multiple agreements with the departments, provided that the total acreage covered by such agreements with a single landowner does not exceed ten thousand acres. The departments are not obligated to enter into an agreement unless the departments find that the agreement is in the best interest of protecting fish or wildlife species or their habitat.

(2) A habitat incentives agreement shall be in writing and shall contain at least the following: A description of the property covered by the agreement, an expiration date, a description of the condition of the property prior to the implementation of the agreement, and other information needed by the landowner and the departments for future reference and decisions.

(3) As part of the agreement, the department of fish and wildlife may stipulate the factors that will be considered when the department evaluates a landowner's application for hydraulic project approval under RCW 75.20.100 or 75.20.103 (as recodified by this act) on property covered by the agreement. The department's identification of these evaluation factors shall be in concurrence with the department of natural resources and affected federally recognized Indian tribes. In general, future decisions related to the issuance, conditioning, or denial of hydraulic project approval shall be based on the conditions present on the landowner's property at the time of the agreement, unless all parties agree otherwise.

(4) As part of the agreement, the department of natural resources may stipulate the factors that will be considered when the department evaluates a landowner's application for a forest practices permit under chapter 76.09 RCW on property covered by the agreement. The department's identification of these evaluation factors shall be in concurrence with the department of fish and wildlife and affected federally recognized Indian tribes. In general, future decisions related to the issuance, conditioning, or denial of forest practices permits shall be based on the conditions present on the landowner's property at the time of the agreement, unless all parties agree otherwise.
Sec. 229. RCW 77.15.070 and 1998 c 190 s 69 are each amended to read as follows:

(1) Fish and wildlife officers and ex officio fish and wildlife officers may seize without warrant boats, airplanes, vehicles, gear, appliances, or other articles they have probable cause to believe have been used in violation of this chapter. However, fish and wildlife officers or ex officio fish and wildlife officers may not seize any item or article, other than for evidence, if under the circumstances, it is reasonable to conclude that the violation was inadvertent. The property seized is subject to forfeiture to the state under this section regardless of ownership. Property seized may be recovered by its owner by depositing into court a cash bond equal to the value of the seized property but not more than twenty-five thousand dollars. Such cash bond is subject to forfeiture in lieu of the property. Forfeiture of property seized under this section is a civil forfeiture against property and is intended to be a remedial civil sanction.

(2) In the event of a seizure of property under this section, jurisdiction to begin the forfeiture proceedings shall commence upon seizure. Within fifteen days following the seizure, the seizing authority shall serve a written notice of intent to forfeit property on the owner of the property seized and on any person having any known right or interest in the property seized. Notice may be served by any method authorized by law or court rule, including service by certified mail with return receipt requested. Service by mail is deemed complete upon mailing within the fifteen-day period following the seizure.

(3) Persons claiming a right of ownership or right to possession of property are entitled to a hearing to contest forfeiture. Such a claim shall specify the claim of ownership or possession and shall be made in writing and served on the director within forty-five days of the seizure. If the seizing authority has complied with notice requirements and there is no claim made within forty-five days, then the property shall be forfeited to the state.

(4) If any person timely serves the director with a claim to property, the person shall be afforded an opportunity to be heard as to the person's claim or right. The hearing shall be before the director or director's designee, or before an administrative law judge appointed under chapter 34.12 RCW, except that a person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the property seized is more than five thousand dollars.

(5) The hearing to contest forfeiture and any subsequent appeal shall be as provided for in Title 34 RCW. The seizing authority has the burden to demonstrate that it had reason to believe the property was held with intent to violate or was used in violation of this title or rule of the commission or director. The person contesting forfeiture has the burden of production and proof by a preponderance of evidence that the person owns or has a right to possess the property and:

(a) That the property was not held with intent to violate or used in violation of this title (or Title 75 RCW); or

(b) If the property is a boat, airplane, or vehicle, that the illegal use or planned illegal use of the boat, airplane, or vehicle occurred without the owner's knowledge or consent, and that the owner acted reasonably to prevent illegal uses of such boat, airplane, or vehicle.

(6) A forfeiture of a conveyance encumbered by a perfected security interest is subject to the interest of the secured party if the secured party neither had knowledge (or didn't) of nor consented to the act or omission. No security interest in seized property may be perfected after seizure.

(7) If seized property is forfeited under this section the department may retain it for official use unless the property is required to be destroyed, or upon application by any law enforcement agency of the state, release such property to the agency for the use of enforcing this title, or sell such property, and deposit the proceeds to the wildlife fund, as provided for in RCW 77.12.170.

Sec. 230. RCW 77.15.080 and 1998 c 190 s 113 are each amended to read as follows:

Based upon articulable facts that a person is engaged in fishing or hunting activities, fish and wildlife officers have the authority to temporarily stop the person and check for valid licenses, tags, permits, stamps, or catch record cards, and to inspect all fish and wildlife in possession as well as the equipment being used to ensure compliance with the requirements of this title (and Title 75 RCW).

Sec. 231. RCW 77.15.090 and 1998 c 190 s 117 are each amended to read as follows:

On a showing of probable cause that there has been a violation of any fish or wildlife law of the state of Washington, or upon a showing of probable cause to believe that evidence of such violation may be found at a place, a court shall issue a search warrant or arrest warrant. Fish and wildlife officers may execute any such arrest or search warrant reasonably necessary to their duties under this title (or Title 75 RCW) and may seize fish and wildlife or any evidence of a crime and the fruits or instrumentalities
of a crime as provided by warrant. The court may have a building, enclosure, vehicle, vessel, container, or receptacle opened or entered and the contents examined.

**Sec. 232.** RCW 77.15.100 and 1998 c 190 s 63 are each amended to read as follows:

1. Unless otherwise provided in this title ((or Title 75 RCW)), fish, shellfish, or wildlife unlawfully taken or possessed, or involved in a violation shall be forfeited to the state upon conviction. Unless already held by, sold, destroyed, or disposed of by the department, the court shall order such fish or wildlife to be delivered to the department. Where delay will cause loss to the value of the property and a ready wholesale buying market exists, the department may sell property to a wholesale buyer at a fair market value.

2. (The department may use, sell, or destroy any other) When seized property is forfeited ((by the court or)) to the department, the department may retain it for official use unless the property is required to be destroyed, or upon application by any law enforcement agency of the state, release the property to the agency for the use of enforcing this title, or sell such property and deposit the proceeds into the state wildlife fund established under RCW 77.12.170. Any sale of other property shall be at public auction or after public advertisement reasonably designed to obtain the highest price. The time, place, and manner of holding the sale shall be determined by the director. The director may contract for the sale to be through the department of general administration as state surplus property, or, except where not justifiable by the value of the property, the director shall publish notice of the sale once a week for at least two consecutive weeks before the sale in at least one newspaper of general circulation in the county in which the sale is to be held. ((Proceeds of the sale shall be deposited in the state treasury to be credited to the state wildlife fund.))

On page 85, line 19, strike all of Sec. 214 and insert the following:

"Fish and wildlife officers and ex officio fish and wildlife officers may make a reasonable search without warrant of a vessel, container, or conveyances, vehicles, packages, (game baskets, game coats, or other receptacles for fish and wildlife, tents, camps, or similar places) which they have reason to believe contain evidence of a violation of law or rules adopted pursuant to this title (or Title 75 RCW) and seize evidence as needed for law enforcement. This authority does not extend to quarters in a boat, building, or other property used exclusively as a private domicile, does not extend to transitory residences in which a person has a reasonable expectation of privacy, and does not allow search and seizure without a warrant if the thing or place is protected from search without warrant within the meaning of Article I, section 7 of the state Constitution. (4) A person who has established an affirmative defense as set forth in subsection (1) of this section may dispute directly with a credit reporting agency operating in this state any item of information in the person's consumer file relating to the subject of the affirmative defense. POINT OF INQUIRY

Senator Sellar: "Senator Heavey, could you clarify in the amendment--I think we talked about utilities not being covered. Now, you are talking with support of the bill that utilities are covered. Could you clear that up for me? Did the amendment limit that just to state agencies and take out the protection for utilities?"

Senator Heavey: "Thank you, Senator Sellar. What was being taken out with the amendment, was the aspect of the first--under the bill the first one hundred dollars in damages--you are totally exempt from it if you are a government agency--and the utilities. What the amendment does; it says that the utilities are still responsible for the first one hundred dollars. Utilities still enjoy the overall several immunity or several liability provisions of the underlying bill and utilities, all utilities, are in the several liability portion of the bill."

Senator Sellar: "Thank you."

Strike everything after the enacting clause and insert the following:
Sec. 1. 1998 c 92 s 1 (uncodified) is amended to read as follows:

(1) The legislature recognizes the need to involve the boarding home industry, the consumers of assisted living and retirement services, the long-term care ombudsman, and state regulatory agencies in the collaborative process of developing standards and procedures for accreditation of licensed boarding homes. As participants, consumers can help develop standards that more closely address their needs and make the accreditation of boarding home providers more meaningful to them when choosing among competitors. Regulatory agencies can save money and remain assured that performance standards are high. For these reasons, the legislature finds that it is in the best interests of the boarding home industry, boarding home consumers, and state regulatory agencies to support an industry-funded pilot program ((prior to changing or developing new standards for boarding home regulation)).

(2) A coalition of assisted living providers represented by state-wide assisted living professional trade associations, the long-term care ombudsman, state regulatory agencies, and consumer groups representing, but not limited to, the assisted living clientele such as the senior lobby, the American association of retired persons, and the alzheimer's association shall develop a plan for implementing a pilot program for the third-party accreditation of boarding homes licensed under RCW 18.20.020. The assisted living third-party accreditation pilot project coalition shall remain active until December 12, 2001. The pilot plan must be funded by the northwest assisted living ((federation of America)) facilities association. Funds for conducting this plan may also be received from other individuals and organizations in accordance with state law and upon the approval of the northwest assisted living facilities association. The plan shall review the overall feasibility of implementation, cost or savings to the regulating agency, impact on client health, safety, quality of care, quality of life, and financial and other impacts to the boarding home industry. Exempting real property that will be developed by nonprofit organizations to provide homes for the aging.

The bill was read the second time

MOTIONS

On motion of Senator Thibaudeau, the following Committee on Ways and Means striking amendment was adopted:
Strike everything after the enacting clause and insert the following:
"Sec. 1. RCW 84.36.041 and 1998 c 311 s 20 are each amended to read as follows:
(1) All real and personal property used by a nonprofit home for the aging that is reasonably necessary for the purposes of the home is exempt from taxation if the benefit of the exemption inures to the home and:
(a) At least fifty percent of the occupied dwelling units in the home are occupied by eligible residents; or
(b) The home is subsidized under a federal department of housing and urban development program. The department of revenue shall provide by rule a definition of homes eligible for exemption under this subsection (1)(b), consistent with the purposes of this section.

(2) All real and personal property used by a nonprofit home for the aging that is reasonably necessary for the purposes of the home is exempt from taxation if the benefit of the exemption inures to the home and the construction, rehabilitation, acquisition, or refinancing of the home is financed under a program using bonds exempt from federal income tax if at least seventy-five percent of the total amount financed uses the tax exempt bonds and the financing program requires the home to reserve a percentage of all dwelling units so financed for low-income residents. The initial term of the exemption under this subsection shall equal the term of the tax exempt bond used in connection with the financing program, or the term of the requirement to reserve dwelling units for low-income residents, whichever is shorter. If the financing program involves less than the entire home, only those dwelling units included in the financing program are eligible for total exemption. The department of revenue shall provide by rule the requirements for monitoring compliance with the provisions of this subsection and the requirements for exemption including:

(a) The number or percentage of dwelling units required to be occupied by low-income residents, and a definition of low income;
(b) The type and character of the dwelling units, whether independent units or otherwise; and
(c) Any particular requirements for continuing care retirement communities.

(3) A home for the aging is eligible for a partial exemption on the real property and a total exemption for the home's personal property if the home does not meet the requirements of subsection (1) of this section because fewer than fifty percent of the occupied dwelling units are occupied by eligible residents, as follows:

(a) A partial exemption shall be allowed for each dwelling unit in a home occupied by a resident requiring assistance with activities of daily living.
(b) A partial exemption shall be allowed for each dwelling unit in a home occupied by an eligible resident.
(c) A partial exemption shall be allowed for an area jointly used by a home for the aging and by a nonprofit organization, association, or corporation currently exempt from property taxation under one of the other provisions of this chapter. The shared area must be reasonably necessary for the purposes of the nonprofit organization, association, or corporation exempt from property taxation under one of the other provisions of this chapter, such as kitchen, dining, and laundry areas.
(d) The amount of exemption shall be calculated by multiplying the assessed value of the property reasonably necessary for the purposes of the home, less the assessed value of any area exempt under (c) of this subsection, by a fraction. The numerator of the fraction is the number of dwelling units occupied by eligible residents and by residents requiring assistance with activities of daily living. The denominator of the fraction is the total number of occupied dwelling units as of December 31st of the first assessment year the home becomes operational for which exemption is claimed and January 1st of each subsequent assessment year for which exemption is claimed.

(4) To be exempt under this section, the property must be used exclusively for the purposes for which the exemption is granted, except as provided in RCW 84.36.805.

(5) A home for the aging is exempt from taxation only if the organization operating the home is exempt from income tax under section 501(c) of the federal internal revenue code as existing on January 1, 1989, or such subsequent date as the director may provide by rule consistent with the purposes of this section.

(6) In order for the home to be eligible for exemption under subsections (1)(a) and (1)(b) of this section, each eligible resident of a home for the aging shall submit an income verification form to the county assessor by July 1st of the assessment year (in which the application for exemption is made) for which exemption is claimed. However, during the first year a home becomes operational, the county assessor shall accept income verification forms from eligible residents up to December 31st of the assessment year. The income verification form shall be prescribed and furnished by the department of revenue. An eligible resident who has filed a form for a previous year need not file a new form until there is a change in status affecting the person’s eligibility.

(7) In determining the (assessed) true and fair value of a home for the aging for purposes of the partial exemption provided by subsection (3) of this section, the assessor shall apply the computation method provided by RCW 84.34.060 and shall consider only the use to which such property is applied during the years for which such partial exemptions are available and shall not consider potential uses of such property.

(8) As used in this section:
(a) “Eligible resident” means a person who:
(i) Occupied the dwelling unit as a principal place of residence as of December 31st of the first assessment year the home becomes operational. In each subsequent year, the eligible resident must occupy the dwelling unit as a principal place of residence as of January 1st of the assessment year for which the exemption is claimed. Confinement of the person to a
hospital or nursing home does not disqualify the claim of exemption if the dwelling unit is temporarily unoccupied or if the dwelling unit is occupied by a spouse, a person financially dependent on the claimant for support, or both; and

(ii) Is sixty-one years of age or older on December 31st of the year in which the exemption claim is filed, or is, at the time of filing, retired from regular gainful employment by reason of physical disability. Any surviving spouse of a person who was receiving an exemption at the time of the person's death shall qualify if the surviving spouse is fifty-seven years of age or older and otherwise meets the requirements of this subsection; and

(iii) Has a combined disposable income of no more than the greater of twenty-two thousand dollars or eighty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the person resides. For the purposes of determining eligibility under this section, a "cotenant" means a person who resides with an eligible resident and who shares personal financial resources with the eligible resident.

(b) "Combined disposable income" means the disposable income of the person submitting the income verification form, plus the disposable income of his or her spouse, and the disposable income of each cotenant occupying the dwelling unit for the preceding calendar year, less amounts paid by the person submitting the income verification form or his or her spouse or cotenant during the previous year for the treatment or care of either person received in the dwelling unit or in a nursing home. If the person submitting the income verification form was retired for two months or more of the preceding year, the combined disposable income of such person shall be calculated by multiplying the average monthly combined disposable income of such person during the months such person was retired by twelve. If the income of the person submitting the income verification form is reduced for two or more months of the preceding year by reason of the death of the person's spouse, the combined disposable income of such person shall be calculated by multiplying the average monthly combined disposable income of such person after the death of the spouse by twelve.

(c) "Disposable income" means adjusted gross income as defined in the federal internal revenue code, as amended prior to January 1, 1989, or such subsequent date as the director may provide by rule consistent with the purpose of this section, plus all of the following items to the extent they are not included in or have been deducted from adjusted gross income:

(i) Capital gains, other than (nonrecognized gain on the sale of a principal residence under section 1034 of the federal internal revenue code, or) gain excluded from income under section 121 of the federal internal revenue code to the extent it is reinvested in a new principal residence;
(ii) Amounts deducted for loss;
(iii) Amounts deducted for depreciation;
(iv) Pension and annuity receipts;
(v) Military pay and benefits other than attendant-care and medical-aid payments;
(vi) Veterans benefits other than attendant-care and medical-aid payments;
(vii) Federal social security act and railroad retirement benefits;
(viii) Dividend receipts; and
(ix) Interest received on state and municipal bonds.

(d) "Resident requiring assistance with activities of daily living" means a person who requires significant assistance with the activities of daily living and who would be at risk of nursing home placement without this assistance.

(e) "Home for the aging" means a residential housing facility that (i) provides a housing arrangement chosen voluntarily by the resident, the resident's guardian or conservator, or another responsible person; (ii) has only residents who are at least sixty-one years of age or who have needs for care generally compatible with persons who are at least sixty-one years of age; and (iii) provides varying levels of care and supervision, as agreed to at the time of admission or as determined necessary at subsequent times of reappraisal.

(9) A for-profit home for the aging that converts to nonprofit status after June 11, 1992, and would otherwise be eligible for tax exemption under this section may not receive the tax exemption until five years have elapsed since the conversion. The exemption shall then be ratably granted over the next five years.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

Regulating commercial fertilizer.

The bill was read the second time.

MOTION

On motion of Senator Rasmussen, the rules were suspended, Engrossed Substitute House Bill No. 2095 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

POINT OF INQUIRY

Senator Honeyford: "Senator Rasmussen, the bill adds new authority to the section of law that currently authorizes the Department of Agriculture to take enforcement action against a 'lot' of fertilizer that is in violation of the fertilizer law. What is meant by the term 'lot' as used in this context?"

Senator Rasmussen: "According to Webster's Dictionary, a lot is either a number of things that are regarded as a group or a quantity of material processed or manufactured at the same time. As applied to the state's fertilizer law, a lot is generally an amount of commercial fertilizer at a specific location at a specific time. If there is reason to believe a problem identified with a lot at a specific location is common to the fertilizer manufactured at the same time, then lot applies to the commercial fertilizer manufactured at the same time."

Further debate ensued.

Revising rural development law.

The bill was read the second time

MOTION

On motion of Senator Tim Sheldon, the following Committee on Agriculture and Rural Economic Development striking amendment was not adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that while Washington's economy is currently prospering, economic growth continues to be uneven, particularly as between metropolitan and rural areas. This has created in effect two Washingtons. One afflicted by inadequate infrastructure to support and attract investment, another suffering from congestion and soaring housing prices. In order to address these problems, the legislature intends to use resources strategically to build on our state's strengths while addressing threats to our prosperity.

PART I

RURAL ECONOMIC DEVELOPMENT Enhanced Flexibility for Use of Community Economic Revitalization Board Funds

Sec. 101. RCW 43.160.010 and 1996 c 51 s 1 are each amended to read as follows:

(1) The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities and the retention of sustainable existing employment for the general welfare of the inhabitants of the state. Reducing unemployment and reducing the time citizens remain jobless is important for the economic welfare of the state. A valuable means of fostering economic development is the construction of public facilities which contribute to the stability and growth of the state's economic base. Strengthening the economic base through issuance of industrial development bonds, whether single or umbrella, further serves to reduce unemployment. Consolidating issues of industrial development bonds when feasible to reduce costs additionally advances the state's purpose to improve economic vitality. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include:
(a) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies;
(b) Encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment;
(c) Encouraging wider access to financial resources for both large and small industrial development projects;
(d) Encouraging new economic development or expansions to maximize employment;
(e) Encouraging the retention of viable existing firms and employment; and
(f) Providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment.

(2) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to improve state highways (in the vicinity of new), county roads, or city streets for industries considering locating or expanding in this state (or existing industries that are considering significant expansion).

(a) The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

(b) It is the intent of the legislature to create an economic development account within the motor vehicle fund from which expenditures can be made by the department of transportation for state highway improvements necessitated by planned economic development. All transportation improvements on state highways must first be approved by the state transportation commission and the community economic revitalization board in accordance with the procedures established by RCW 43.160.074 and 47.01.280. It is further the intent of the legislature that such improvements not jeopardize any other planned highway construction projects. The improvements are intended to be of limited size and cost, and to include such items as additional turn lanes, signalization, illumination, and safety improvements.

(3) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to assist development of telecommunications infrastructure that supports business development, retention, and expansion in rural natural resources impact areas and rural counties of the state.

(4) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to improve markets for those recyclable materials representing a large fraction of the waste stream. The legislature finds that public facilities which result in private construction of processing or remanufacturing facilities for recyclable materials are eligible for consideration from the board.

(5) The legislature finds that sharing economic growth state-wide is important to the welfare of the state. Rural counties and rural natural resources impact areas do not share in the economic vitality of the Puget Sound region. The ability of these communities to pursue business and job retention, expansion, and development opportunities depends on their capacity to ready necessary economic development project plans, sites, permits, and infrastructure for private investments. Project-specific planning, predevelopment, and infrastructure (is one of several) are critical ingredients (that are critical) for economic development. Rural counties and rural natural resources impact areas generally lack (the infrastructure) these necessary tools and resources to diversify and revitalize their economies. It is, therefore, the intent of the legislature to increase the (availability of funds to help provide infrastructure to rural natural resources impact areas) amount of funding available through the community economic revitalization board for rural counties and rural natural resources impact areas, and to authorize flexibility for available resources in these areas to help fund planning, predevelopment, and construction costs of infrastructure and facilities and sites that foster economic vitality and diversification.

Sec. 102. RCW 43.160.020 and 1997 c 367 s 8 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(12) “Rural county” means a county with a population density of less than one hundred persons per square mile as determined by the office of financial management.

(13) “Rural natural resources impact area” means:
(a) A nonmetropolitan county, as defined by the 1990 decennial census, that meets three of the five criteria set forth in subsection ((43)) (14) of this section;

((43)) (14) For the purposes of designating rural natural resources impact areas, the following criteria shall be considered:
(a) A lumber and wood products employment location quotient at or above the state average;
(b) A commercial salmon fishing employment location quotient at or above the state average;
(c) Projected or actual direct lumber and wood products job losses of one hundred positions or more;
(d) Projected or actual direct commercial salmon fishing job losses of one hundred positions or more; and
(e) An unemployment rate twenty percent or more above the state average. The counties that meet these criteria shall be determined by the employment security department for the most recent year for which data is available. For the purposes of administration of programs under this chapter, the United States post office five-digit zip code delivery areas will be used to determine residence status for eligibility purposes. For the purpose of this definition, a zip code delivery area of which any part is ten miles or more from an urbanized area is considered nonurbanized. A zip code totally surrounded by zip codes qualifying as nonurbanized under this definition is also considered nonurbanized. The office of financial management shall make available a zip code listing of the areas to all agencies and organizations providing services under this chapter.

Sec. 103. RCW 43.160.060 and 1996 c 51 s 5 are each amended to read as follows:

The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including development of land and improvements for public facilities, project-specific environmental, capital facilities, land use, permitting, feasibility and marketing studies and plans; project design, site planning, and analysis; project debt and revenue impact analysis; as well as the construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision and the finding by the board that ((unique)) financial circumstances ((exist. The board shall not obligate more than twenty percent of its biennial appropriation as grants)) require grant assistance to enable the project to move forward.

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:
(1) The board shall not provide financial assistance:
(a) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.
(b) For any project that evidence exists would result in a development or expansion that would displace existing jobs in any other community in the state, except a project that would relocate a business from a nondistressed urban area to a rural county or rural natural resources impact area.
(c) For the acquisition of real property, including buildings and other fixtures which are a part of real property.
(d) For a construction project to any local government applicant that is not, at the time of application for financial assistance, in compliance with the provisions of chapter 36.70A RCW.

(2) The board shall only provide financial assistance:
(a) For those projects which would result in specific private developments or expansions (i) in manufacturing, production, food processing, assembly, warehousing, advanced technology, research and development, and industrial distribution; (ii) for processing recyclable materials or for facilities that support recycling, including processes not currently provided in the state, including but not limited to, de-inking facilities, mixed waste paper, plastics, yard waste, and problem-waste processing; (iii) for manufacturing facilities that rely significantly on recyclable materials, including but not limited to waste tires and mixed waste paper; (iv) which support the relocation of businesses from nondistressed urban areas to (distressed) rural counties or rural natural resources impact areas; or (v) which substantially support the trading of goods or services outside of the state's borders.

(b) For projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities.

(c) When the application includes convincing evidence that a specific private development or expansion is ready to occur and will occur only if the public facility improvement is made.

(3) The board shall prioritize each proposed project according to:

(a) The relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located.(As long as there is more demand for financial assistance than there are funds available, the board is instructed to fund projects in order of their priority); and

(b) The rate of return of the state's investment, that includes the expected increase in state and local tax revenues associated with the project.

(4) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

Before any financial assistance application is approved, the political subdivision seeking the assistance must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

Sec. 104. RCW 43.160.070 and 1998 c 321 s 27 (Referendum Bill No. 49) are each amended to read as follows:

Public facilities financial assistance, when authorized by the board, is subject to the following conditions:

(1) The moneys in the public facilities construction loan revolving account and the distressed county public facilities construction loan account shall be used solely to fulfill commitments arising from financial assistance authorized in this chapter or, during the 1989-91 fiscal biennium, for economic development purposes as appropriated by the legislature. The total outstanding amount which the board shall disperse at any time pursuant to this section shall not exceed the moneys available from the accounts. The total amount of outstanding financial assistance in Pierce, King, and Snohomish counties shall never exceed sixty percent of the total amount of outstanding financial assistance disbursed by the board under this chapter without reference to financial assistance provided under RCW 43.160.220.

(2) On contracts made for public facilities loans the board shall determine the interest rate which loans shall bear. The interest rate shall not exceed ten percent per annum. The board may provide reasonable terms and conditions for repayment for loans, including partial forgiveness of loan principal and interest payments on projects located in rural counties or rural natural resources impact areas, as the board determines. The loans shall not exceed twenty years in duration.

(3) Repayments of loans made from the public facilities construction loan revolving account under the contracts for public facilities construction loans shall be paid into the public facilities construction loan revolving account. Repayments of loans made from the distressed county public facilities construction loan account under the contracts for public facilities construction loans shall be paid into the distressed county public facilities construction loan account. Repayments of loans from moneys from the new appropriation from the public works assistance account for the fiscal biennium ending June 30, 1999, shall be paid into the public works assistance account.

(4) When every feasible effort has been made to provide loans and loans are not possible, the board may provide grants upon finding that unique circumstances exist.

Sec. 105. RCW 43.160.076 and 1998 c 321 s 28 (Referendum Bill No. 49) and 1998 c 55 s 4 are each reenacted and amended to read as follows:

(1) Except as authorized to the contrary under subsection (2) of this section, from all funds available to the board for financial assistance in a biennium under this chapter without reference to financial assistance provided under RCW 43.160.220, the board shall spend at least seventy-five percent for financial assistance for projects in (distressed) rural counties or rural natural resources impact areas. (For purposes of this section, the term "distressed counties" includes any county, in which the average level of unemployment for the three years before the year in which an application for financial assistance is filed, exceeds the average state unemployment for those years by twenty percent.)

(2) If at any time during the last six months of a biennium the board finds that the actual and anticipated applications for qualified projects in (distressed) rural counties or rural natural resources impact areas are clearly insufficient to use the seventy-
five percent allocation under subsection (1) of this section, then the board shall estimate the amount of the insufficiency and during the remainder of the biennium may use that amount of the allocation for financial assistance to projects not located in distressed rural counties or rural natural resources impact areas.

((3) This section expires June 30, 2000.))

Sec. 106. RCW 43.160.900 and 1993 c 320 s 8 are each amended to read as follows:

(1) The community economic revitalization board shall report to the appropriate standing committees of the legislature biennially on the implementation of this chapter. The report shall include information on the number of applications for community economic revitalization board assistance, the number and types of projects approved, the grant or loan amount awarded each project, the projected number of jobs created or retained by each project, the actual number of jobs created or retained by each project, the amount of state and local tax revenue generated by projects funded under this chapter, the number of delinquent loans, and the number of project terminations. The report may also include additional performance measures and recommendations for programmatic changes. The first report shall be submitted by December 1, 1994.

(2) The joint legislative audit and review committee shall conduct performance reviews on the effectiveness of the program administered by the board under this chapter. The committee may contract for services to conduct the performance reviews. The costs for the performance reviews shall be paid from repayments of principal and interest on loans made under this chapter. The performance reviews shall be submitted to the appropriate committees of the legislature by December 1, 2000, December 1, 2004, and December 1, 2008.

Sec. 107. RCW 43.160.200 and 1996 c 51 s 9 are each amended to read as follows:

(1) The economic development account is created within the public facilities construction loan revolving fund under RCW 43.160.080. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of RCW 43.160.010(((((3))); (5)) and this section. The account is subject to allotment procedures under chapter 43.88 RCW.

(2) Applications under this section for assistance from the economic development account are subject to all of the applicable criteria set forth under this chapter, as well as procedures and criteria established by the board, except as otherwise provided.

(3) Eligible applicants under this section are limited to political subdivisions of the state in rural natural resources impact areas (that demonstrate, to the satisfaction of the board, the local economy's dependence on the forest products and salmon fishing industries) and rural counties.

(4) Applicants must demonstrate that their request is part of an economic development plan consistent with applicable state planning requirements. Applicants must demonstrate that tourism projects have been approved by the local government. Industrial projects must be approved by the local government and the associate development organization.

(5) Publicly owned projects may be financed under this section upon proof by the applicant that the public project is a necessary component of, or constitutes in whole, a tourism project.

(6) Applications must demonstrate local match and participation. Such match may include: Land donation, other public or private funds or both, or other means of local commitment to the project.

(7) Board financing for project-specific environmental, capital facilities, land use, permitting, feasibility and marketing studies and plans; project engineering, design, and site planning and analysis; and project debt and revenue impact analysis shall not exceed (twenty-five) fifty thousand dollars per study. Board funds for (feasibility studies) these purposes may be provided as a grant and require a (dollar for dollar) match (with up to one-half in kind match allowed).

(8) Board financing for tourism projects shall not exceed two hundred fifty thousand dollars. Other public facility construction projects under this section shall not exceed (five hundred thousand) one million dollars. Loans with flexible terms and conditions to meet the needs of the applicants shall be provided. Grants may also be authorized, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision.

(9) The board shall develop guidelines for allowable local match and (feasibility studies) planning and predevelopment activities.

(10) The board may allow de minimis general system improvements to be funded if they are critically linked to the viability of the economic development project assisted under this section.

(11) Applications under this section need not demonstrate evidence that specific private development or expansion is ready to occur or will occur if funds are provided.

(12) The board shall establish guidelines for providing financial assistance under this section to ensure that the requirements of this chapter are complied with. The guidelines shall include:

(a) A process to equitably compare and evaluate applications from competing communities.

The criteria shall include: (i) A minimum amount of local participation, determined by the board per application, to verify community support for the project; (ii) an analysis that establishes the project is feasible using...
standard economic principles; and (iii) an explanation from the applicant regarding how the project is consistent with the communities’ economic strategy and goals.

(c) A method of evaluating the impact of the financial assistance on the economy of the community and whether the financial assistance achieved its purpose.

The department one-stop clearinghouse shall also provide educational materials and services to local government authorities on Washington state law concerning farmworker housing.

PART III
RURAL DEVELOPMENT COUNCIL

NEW SECTION, Sec. 301. A new section is added to chapter 43.31 RCW to read as follows:
(1) The rural development council executive committee and the department are authorized to establish a successor organization to the rural development council executive committee created under RCW 43.31.855. The purpose of the successor organization is, at least in part, to improve the delivery and accessibility of public and private resources for meeting the needs of rural communities in Washington.

(2) For purposes of this section, “successor organization” means a private nonprofit corporation created specifically to assume responsibility for administering funds provided by the federal government and other sources to carry out the purpose state in subsection (1) of this section. A successor organization must qualify as a tax-exempt nonprofit corporation under section 501(c) of the federal internal revenue code.

(3) This section expires June 30, 2002.

NEW SECTION, Sec. 302. A new section is added to chapter 43.31 RCW to read as follows:
(1) The executive committee and the department are authorized to take all steps reasonably necessary and proper to effect the orderly transition of the rural development council executive committee to the successor organization. This authorization includes, but is not necessarily limited to, the authority to:
(a) Transfer any equipment, records, other assets, or contracts for services to the successor organization under appropriate terms and conditions, including reasonable compensation for assets acquired with state funds;
(b) Assist in the establishment of a successor organization, including entering into contracts preparatory to the establishment of the organization; and
(c) Unless otherwise provided by agreement, assign to the successor organization any membership agreements, contracts, license, and other duties and obligations related to the rural development council.

(2) This section expires June 30, 2002.

Sec. 303. RCW 42.52.080 and 1994 c 154 s 108 are each amended to read as follows:
(1) No former state officer or state employee may, within a period of one year from the date of termination of state employment, accept employment or receive compensation from an employer if:
(a) The officer or employee, during the two years immediately preceding termination of state employment, was engaged in the negotiation or administration on behalf of the state or agency of one or more contracts with that employer and was in a position to make discretionary decisions affecting the outcome of such negotiation or the nature of such administration;
(b) Such a contract or contracts have a total value of more than ten thousand dollars; and
(c) The duties of the employment with the employer or the activities for which the compensation would be received include fulfilling or implementing, in whole or in part, the provisions of such a contract or contracts or include the supervision or control of actions taken to fulfill or implement, in whole or in part, the provisions of such a contract or contracts. This subsection shall not be construed to prohibit a state officer or state employee from accepting employment with a state employee organization.

(2) No person who has served as a state officer or state employee may, within a period of two years following the termination of state employment, have a direct or indirect beneficial interest in a contract or grant that was expressly authorized or funded by specific legislative or executive action in which the former state officer or state employee participated.

(3) No former state officer or state employee may accept an offer of employment or receive compensation from an employer if the officer or employee knows or has reason to believe that the offer of employment or compensation was intended, in whole or in part, directly or indirectly, to influence the officer or employee or as compensation or reward for the performance or nonperformance of a duty by the officer or employee during the course of state employment.

(4) No former state officer or state employee may accept an offer of employment or receive compensation from an employer if the circumstances would lead a reasonable person to believe the offer has been made, or compensation given, for the purpose of influencing the performance or nonperformance of duties by the officer or employee during the course of state employment.

(5) No former state officer or state employee may at any time subsequent to his or her state employment assist another person, whether or not for compensation, in any transaction involving the state in which the former state officer or state employee at any time participated during state employment. This subsection shall not be construed to prohibit any employee or officer of a state employee organization from rendering assistance to state officers or state employees in the course of employee organization business.

(6) As used in this section, "employer" means a person as defined in RCW 42.52.010 or any other entity or business that the person owns or in which the person has a controlling interest. For purposes of subsection (1) of this section, the term "employer" does not include a successor organization to the rural development council under chapter 43.31 RCW.

NEW SECTION. Sec. 304. A new section is added to chapter 43.31 RCW to read as follows:
Notwithstanding anything to the contrary in chapter 41.06 RCW or any other provision of law, the department may contract to provide funding to a successor organization under section 301 of this act to carry out activities of the organization that are consistent with the department’s powers and duties. All moneys for contracts entered into under this section are subject to appropriation.

NEW SECTION. Sec. 305. The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective June 30, 2000:
(1) RCW 43.31.855 (Rural development council) and 1997 c 377 s 1;
(2) RCW 43.31.857 (Rural development council--Financial contributions encouraged) and 1997 c 377 s 2; and
(3) 1997 c 377 s 3 (uncodified).

PART IV
ECONOMIC VITALITY COMMITTEE

NEW SECTION. Sec. 401. (1) The legislature shall establish an ad hoc economic development group to analyze potential economic development projects of state-wide significance and recommend appropriate administrative or legislative actions.
(2) The group shall include one representative each from the department of community, trade, and economic development, the department of agriculture, and the department of revenue as well as two representatives from rural economic development councils appointed by the legislature.
(3) The group shall promote economic development and business diversification throughout the state with special attention given to the economic difficulties of rural counties.
(4) In order to expedite coordinated responses, the governor may direct the group to meet on an emergency basis when projects of state-wide significance arise.
(5) The department of community, trade, and economic development shall establish criteria to determine whether a project meets the standards of a “project of state-wide significance.” These criteria may include such economic indicators as local unemployment and personal income levels and project scope indicators such as the assessed value of the project in relation to the assessed value of the county.

PART V
RURAL WASHINGTON LOAN FUND

NEW SECTION. Sec. 501. The legislature finds that:
(1) The economic health and well-being of the state is of substantial public concern, particularly in geographic areas of high unemployment, economic stagnation, and poverty.

(2) The consequences of minimal economic activity and persistent unemployment and underemployment are serious threats to the safety, health, and welfare of residents of these geographic areas, decreasing the value of private investments and jeopardizing the sources of public revenue.

(3) The economic and social interdependence of communities and the vitality of industrial and economic activity necessitates and partially depends upon preventing substantial dislocation of residents and rebuilding the diversification of the areas’ economy.

(4) The ability to remedy problems in stagnant areas of the state is beyond the power and control of the regulatory process and influence of the state; and the ordinary operations of private enterprise, without additional governmental assistance, are insufficient to adequately remedy the problems of poverty and unemployment.

(5) Revitalization of depressed communities requires stimulation of private investment, development of new business ventures, provision of capital to ventures sponsored by local organizations and capable of growth in the business markets, and assistance to viable, but underfinanced, small businesses in order to create and preserve jobs that are sustainable in the local economy.

Therefore, the legislature declares there to be a substantial public purpose in providing capital to promote economic development and job creation in areas of economic stagnation, unemployment, and poverty. To accomplish this purpose, the legislature hereby creates the rural Washington loan fund and vests in the department of community, trade, and economic development the authority to spend federal funds to stimulate the economy of distressed areas.

NEW SECTION. Sec. 502. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of community, trade, and economic development.

(2) "Director" means the director of community, trade, and economic development.

(3) "Disabled person" means a person with a physical or mental impairment that substantially limits a major life activity. The impairment must be material and medically cognizable or diagnosable. The impairment must also be permanent in that it is seldom significantly corrected by medical replacement, therapy, or surgical means. Impairment does not include drug or alcohol addiction or any negative effects brought on by the use of drugs or alcohol.

(4) "Distressed area" means: (a) A rural county; (b) a metropolitan statistical area, as defined by the office of federal statistical policy and standards, United States department of commerce, in which the average level of unemployment for the calendar year immediately preceding the year in which an application is filed under this chapter exceeds the average state unemployment for such calendar year by twenty percent; (c) an area within a county, which area: (i) Is composed of contiguous census tracts; (ii) has a minimum population of five thousand persons; (iii) has at least seventy percent of its families and unrelated individuals with incomes below eighty percent of the county’s median income for families and unrelated individuals; and (iv) has an unemployment rate which is at least forty percent higher than the county’s unemployment rate; or (d) a county designated as a rural natural resources impact area under RCW 43.31.601. For purposes of this subsection, "families and unrelated individuals" has the same meaning that is ascribed to that term by the federal department of housing and urban development in its regulations authorizing action grants for economic development and neighborhood revitalization projects.

(5) "Fund" means the rural Washington loan fund.

(6) "Local development organization" means a nonprofit organization which is organized to operate within an area, demonstrates a commitment to a long-standing effort for an economic development program, and makes a demonstrable effort to assist in the employment of unemployed or underemployed residents in an area.

(7) "Project" means the establishment of a new or expanded business in an area, which business, when completed, will provide employment opportunities. "Project" also means the retention of an existing business in an area, which business, when completed, will provide employment opportunities.

(8) "Rural county" means a county with a population density of fewer than one hundred persons per square mile, as determined by the office of financial management.

NEW SECTION. Sec. 503. Subject to the restrictions contained in this chapter, the department is authorized to approve applications of local governments for federal community development block grant funds or other federal funds which the local governments would use to make loans to finance business projects within their jurisdictions. Applications approved by the department under this chapter must conform to applicable federal requirements.

NEW SECTION. Sec. 504. (1) The department may approve an application providing a loan for a project only if the department finds that the project:

(a) Will result in creation of employment opportunities, maintenance of threatened employment, or development or expansion of business ownership by disabled persons, minorities, and women;
(b) Has been approved by the director as conforming to federal rules and regulations governing the spending of federal community development block grant funds or other applicable federal funds;

(c) Will be of public benefit and for a public purpose, and that the benefits, including increased or maintained employment, improved standard of living, employment of disadvantaged workers, and development or expansion of business ownership by disabled persons, minorities, and women, will primarily accrue to residents of the area;

(d) Will probably be successful;

(e) Would probably not be completed without the loan because other capital or financing at feasible terms is unavailable, or because the return on investment is inadequate.

(2)(a) The department shall, subject to applicable federal funding criteria, give priority to applications that capitalize or recapitalize an existing or new local revolving loan fund based on criteria established by the department.

(b) The department shall, subject to applicable federal funding criteria, give higher priority to economic development projects that contain provisions for child care.

(3) The department may not approve an application that fails to provide for adequate reporting or disclosure of financial data to the department. The department may require an annual or other periodic audit of the project books.

(4) The department may require that the project be managed in whole or in part by a local development organization and may prescribe a management fee to be paid to that organization by the recipient of the loan or grant.

(5) The department shall fix the terms and rates pertaining to its loans.

(6) If there is more demand for loans than funds available for lending, the department shall provide loans for those projects which will lead to the greatest amount of employment or benefit to a community. In determining the "greatest amount of employment or benefit," the department shall also consider the employment which would be saved by its loan and the benefit relative to the community, not just the total number of new jobs or jobs saved.

(7) To the extent permitted under federal law, the department shall require applicants to provide for the transfer of all payments of principal and interest on loans to the rural Washington loan fund created under this chapter. Under circumstances where federal law does not permit the department to require the transfer, the department shall give priority to applicants who on their own volition make commitments to provide for the transfer.

(8) The department shall not approve any application to finance or help finance a shopping mall.

(9) For loans not made to minority and women-owned businesses and businesses owned by disabled persons, the department shall make at least eighty percent of the appropriated funds available to projects located in distressed areas, and may make up to twenty percent available to projects located in areas not designated as distressed.

(10) If an objection is raised to a project on the basis of unfair business competition, the department shall evaluate the potential impact of a project on similar businesses located in the local market area. The department may deny a grant if the department determines the proposed project is not likely to result in a net increase in employment within a local market area.

(11) For loans to minority and women-owned businesses and businesses owned by disabled persons that do not meet the credit criteria, the department may consider nontraditional credit standards to offset past discrimination that has precluded full participation of minority or women-owned businesses or businesses owned by disabled persons in the economy. For applicants with high potential who do not meet the credit criteria, the department shall consider developing alternative borrowing methods. For applicants denied loans due to credit problems, the department shall provide financial counseling within available resources and provide referrals to credit rehabilitation services. In circumstances of competing applications, the department shall give priority to members of eligible groups which previously have been least served by this fund.

NEW SECTION. Sec. 505. The department is encouraged to work with local development organizations to promote applications for loans by the fund. The department shall also provide assistance to local development organizations and local governments to identify viable projects for consideration by the department. The department shall provide technical assistance to organizations that administer local revolving loan funds regarding practices to establish sustainable operations. The department shall adopt such rules and regulations as are appropriate to carry out its authority under this chapter.

NEW SECTION. Sec. 506. The department may receive and approve applications on a monthly basis but shall receive and approve applications on at least a quarterly basis for each fiscal year. The department shall make every effort to simplify the loan process for applicants. Department staff shall process and assist in the preparation of applications. Each application shall show in detail the nature of the project, the types and numbers of jobs to be created, wages to be paid to new employees, and methods of hiring unemployed persons from the local market area. Each application must contain a credit analysis of the business to receive the loan.

NEW SECTION. Sec. 507. The department shall make available an amount of federal community development block grant funds equal to the amount of state funds transferred or appropriated to the department for purposes of supplementing the department's block grant funds.
NEW SECTION, Sec. 508. The department may make grants of state funds to local governments that qualify as "entitlement communities" under the federal law authorizing community development block grants. These grants may be made only on condition that the entitlement community provide the department with assurances that the entitlement community will: (1) Spend the grant moneys for purposes and in a manner satisfying state constitutional requirements; (2) Spend the grant moneys for purposes and in a manner satisfying federal requirements; and (3) spend at least the same amount of the grant for loans to businesses from the federal funds received by the entitlement community.

NEW SECTION, Sec. 509. There is established the rural Washington loan fund, which shall be an account in the state treasury. The rural Washington loan fund shall include revenue from the sources established by this chapter, appropriations by the legislature, federal funds, private contributions, all loan payments of principal and interest that are transferred under section 504 of this act, and all other sources. Moneys in the account may be spent only after legislative appropriation for loans or grants under this chapter. Any expenditures of federal moneys must conform to applicable federal law.

NEW SECTION, Sec. 510. (1) The department shall develop guidelines for rural Washington loan funds to be used to fund local economic development revolving loan funds. The department shall consider the selection process for grantees, loan quality criteria, legal and regulatory issues, and ways to minimize duplication between development loan funds and local economic development revolving loan funds.

(2) The department may make loans or grants from the rural Washington loan fund to local governments to capitalize new, or to recapitalize existing, economic development revolving loan funds in distressed areas.

NEW SECTION, Sec. 511. The department shall develop performance standards for judging the effectiveness of the program including, to the extent possible, examining the effectiveness of loans or grants with regard to:

(1) Creation of jobs for individuals of low and moderate income;
(2) Retention of existing employment;
(3) Creation of new employment opportunities;
(4) Diversification of the economic base of local communities;
(5) Establishment of employee cooperatives;
(6) Providing assistance in cases of employee buyouts of firms to prevent the loss of existing employment;
(7) The degree of risk assumed by the rural Washington loan fund, with emphasis on loans which did not receive financing from commercial lenders, but which are considered financially sound.

NEW SECTION, Sec. 512. Any funds appropriated by the legislature to the rural Washington loan fund for purposes of the timber recovery act shall be used for development loans in rural natural resources impact areas as defined in RCW 43.31.601.

NEW SECTION, Sec. 513. Subject to the restrictions contained in this chapter, the department is authorized to approve applications of minority and women-owned businesses for loans or loan guarantees from the fund. Applications approved by the department under this chapter must conform to applicable federal requirements. The department shall prioritize available funds for loan guarantees rather than loans when possible. The department may enter into agreements with other public or private lending institutions to develop a joint loan guarantee program for minority and women-owned businesses. If such a program is developed, the department may provide funds, in conjunction with the other organizations, to operate the program. This section does not preclude the department from making individual loan guarantees.

To the maximum extent practicable, the department shall make available to minority and women-owned businesses, on an equal basis, funds available under this section. The department shall submit to the appropriate committees of the senate and house of representatives quarterly reports that detail the number of loans approved and the characteristics of the recipients by ethnic and gender groups.

NEW SECTION, Sec. 514. The department may receive gifts, grants, or endowments from public or private sources that are made from time to time, in trust or otherwise, for the use and benefit of the purposes of this chapter, and the department may spend gifts, grants, or endowments or income from the public or private sources according to their terms, unless the receipt of the gifts, grants, or endowments violates RCW 42.17.710.

MOTION

On motion of Senator Rasmussen, the following Committee on Ways and Means striking amendment was not adopted:

“NEW SECTION. Sec. 1. The legislature finds that while Washington's economy is currently prospering, economic growth continues to be uneven, particularly as between metropolitan and rural areas. This has created in effect two Washingtons: One afflicted by inadequate infrastructure to support and attract investment, another suffering from congestion and soaring housing prices. In order to address these problems, the legislature intends to use resources strategically to build on our state's strengths while addressing threats to our prosperity.

PART I

LOCAL OPTION SALES AND USE TAX

Sec. 101. RCW 82.14.370 and 1998 c 55 s 6 are each amended to read as follows:

For those counties that do not have an adopted overall economic development plan and do not plan under the growth management act, the public facility must be listed in the county's capital facilities plan or the capital facilities plan of a city or town located within the county. For the purposes of this section, “public facilities” means bridges, roads, domestic and industrial water facilities, sanitary sewer facilities, storm sewer facilities, railroad, electricity, natural gas, buildings, structures, telecommunications infrastructure, transportation infrastructure, or commercial infrastructure, and port facilities in the state of Washington.

(2) If, on the basis of a report under this section or other information, the department finds that an investment project is not eligible for tax deferral under this chapter ((for reasons other than failure to create the required number of qualified employment positions)), the amount of deferred taxes outstanding for the project shall be immediately due.

(3) (If, on the basis of a report under this section or other information, the department finds that an investment project for which a deferral has been granted under this chapter prior to July 1, 1994, has been operationally complete for three years and has failed to create the required number of qualified employment positions, the department shall assess interest, but not penalties, on the deferred taxes for the project. The interest shall be assessed at the rate provided for delinquent excise taxes, shall be assessed retroactively to the date of deferral, and shall accrue until the deferred taxes are repaid.

The department shall assess interest at the rate provided for delinquent excise taxes, but not penalties, retroactively to the date of deferral.)

PART V
TECHNOLOGY-BASED BUSINESSES
Software

NEW SECTION, Sec. 501. It is the intent of the legislature to attract and retain technology-based businesses in distressed counties. Section 502 of this act provides a tax incentive to those businesses that develop or manufacture software in distressed counties. Section 503 of this act provides a tax incentive to those businesses that are engaged in the business of providing technical support services from distressed counties. Encouragement of these types of business will stimulate the information technology industry and be of benefit to the state economy in general. To further the impact and benefit of this program, this incentive is limited to those counties of the state that are characterized by unemployment or low income. The legislature finds that providing this targeted incentive will both increase its effectiveness and create a high technology work force in distressed counties.

NEW SECTION, Sec. 502. A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a distressed county in the business of manufacturing software or programming computers, as those terms are defined in this section.

(2) A person who partially or totally relocates a business from one distressed county to another distressed county is eligible for any qualifying new jobs created as a result of the relocation but is not eligible to receive credit for the jobs moved from one county to the other.

(3)(a) To qualify for the credit, the qualifying activity of the person must be conducted in a distressed county and the qualified employment position must be located in the distressed county. (b) If an activity is conducted both from a distressed county and outside of a distressed county, the credit is available if at least ninety percent of the qualifying activity takes place within a distressed county. If the qualifying activity is a service taxable activity, the place where the work is performed is the place at which the activity is conducted.

(4)(a) The credit under this section shall equal one thousand dollars for each qualified employment position created after July 1, 1999, in an eligible area. A credit is earned for the calendar year the person is hired to fill the position. Additionally a credit is earned for each year the position is maintained over the subsequent consecutive years, up to six years. The county must meet the definition of a distressed county at the time the position is filled. If the county does not have a distressed county status the following year or years, the position is still eligible for the remaining years if all other conditions are met.

(b) Credit may not be taken for hiring of persons into positions that exist before July 1, 1999. Credit is authorized for new employees hired for new positions created on or after July 1, 1999. New positions filled by existing employees are eligible for the credit under this section only if the position vacated by the existing employee is filled by a new hire. A business that is a sole proprietorship without any employees is equivalent to one employee position and this type of business is eligible to receive credit for one position.

(c) If a position is filled before July 1st, this position is eligible for the full yearly credit. If it is filled after June 30th, this position is eligible for half of the credit.

(d) A person that has engaged in qualifying activities in the distressed county before the effective date of this section qualifies for the credit under this section for positions created and filled after the effective date of this section.
(5) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. This information includes information relating to description of qualifying activity engaged in the distressed county and outside the distressed county by the person as well as detailed records on positions and employees. The department shall, in consultation with a representative group of affected taxpayers, develop a method of segregating activity and related income so that those persons who engage in multiple activities can determine eligibility for credit under this section.

(6) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been claimed shall be immediately due. The department shall assess interest, but not penalties, on the taxes for which the person is not eligible. The interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW. shall be assessed retroactively to the date the tax credit was taken, and shall accrue until the taxes for which a credit has been used are repaid.

(7) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. A person is not eligible to receive a credit under this section if the person is receiving credit for the same position under chapter 82.62 RCW or RCW 82.04.44525 or is taking the credit under section 503 of this act. No refunds may be granted for credits under this section.

(8) County eligibility under this section shall be based on the same list as published by the department under chapter 82.60 RCW. The eligibility period is from July 1st of each year to June 30th of the next year.

(9) A person taking tax credits under this section shall make an annual report to the department. The report shall be in a letter form and shall include the following information: Number of positions for which credit is being claimed, type of position for which credit is being claimed, type of activity in which the person is engaged in the county, and how long the person has been located in the county. The report must be filed by January 30th of each year for which credit was claimed during the previous year.

(10) Transfer of ownership does not affect credit eligibility; however, the credit is available to the successor for remaining periods in the seven years only if the eligibility conditions of this section are met.

(11) As used in this section:

(a) "Distressed county" means an eligible area as defined in RCW 82.60.020.

(b) "Manufacturing" means the same as "to manufacture" under RCW 82.04.120. Manufacturing includes the activities of both manufacturers and processors for hire.

(c) "Programming" means the activities that involve the creation or modification of software, as that term is defined in this chapter, and that are taxable as a service under RCW 82.04.290(2) or as a retail sale under RCW 82.04.050.

(d) "Qualifying activity" means manufacturing of software or programming computers.

(e) "Qualified employment position" means a permanent full-time position doing programming of software or manufacturing of software. This excludes administrative, professional, service, executive, and other similar positions. If an employee is either voluntarily or involuntarily separated from employment, the employment position is considered filled on a full-time basis if the employer is either training or actively recruiting a replacement employee. Full-time means a position for at least thirty-five hours a week.

(f) "Software" has the same meaning as defined in RCW 82.04.215.

(12) This section expires June 30, 2003.

**Help Desk Services**

NEW SECTION. Sec. 503. A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a distressed county in the business of providing information technology help desk services to third parties.

(2) To qualify for the credit, the help desk services must be conducted from a distressed county.

(3)(a) For the first eighty-four months in which the person is engaged in the activity of providing information technology help desk services in the distressed county, the amount of the credit shall be equal to one hundred percent of the amount of tax due under this chapter that is attributable to providing the services from the distressed county. In order to qualify for the credit under this subsection (3)(a), the county must meet the definition of "distressed county" at the time the person begins to conduct qualifying business in the county. If the county subsequently does not qualify for distressed county status, the person may continue to take the credit for the remaining time in the eighty-four months if all other conditions are met. A person who locates in a county during a period of time for which the county does not meet the distressed county status is not eligible to receive the credit under this subsection (3)(a).

(b) A person who is not eligible for the credit under (a) of this subsection is potentially eligible for credit under this subsection (3)(b). If the person is engaged in the activity of providing information technology help desk services in a distressed county, the amount of the credit shall equal sixty-eight percent of the amount of tax due under this chapter that is attributable to
providing the service from the distressed county. In order to qualify for the credit under this subsection, the county must meet the definition of "distressed county" during the period of time for which the credit is being claimed. A person is not eligible for a credit under this subsection (3)(b) for activity conducted during any period of time the county does not have a distressed county status.

(c) A person who has engaged in providing information technology help desk services in the distressed county before the effective date of this section qualifies for the credit under (a) of this subsection for any remaining time in the eighty-four months, after which time the person is potentially eligible for the credit under (b) of this subsection. A person who has engaged in providing information technology help desk services in the distressed county before the effective date of this section for more than eighty-four months is potentially eligible for the credit under (b) of this subsection.

(4) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. These records include information relating to description of activity engaged in a distressed county by the person.

(5) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been used is immediately due. The department shall assess interest, but not penalties, on the credited taxes for which the person is not eligible. The interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, shall be assessed retroactively to the date the tax credit was taken, and shall accrue until the taxes for which a credit has been used are repaid.

(6) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be credited against taxes incurred in a subsequent calendar year. A person is not eligible to receive a credit under this section if the person is receiving credit under section 502 of this act or RCW 82.04.44525 or chapter 82.62 RCW. No refunds may be granted for credits under this section.

(7) County eligibility under this section shall be based on the same list as published by the department under chapter 82.60 RCW. The eligibility period is from July 1st of each year to June 30th of the next year.

(8) A person taking tax credits under this section shall make an annual report to the department. The report shall be in a letter form and shall include the following information: Type of activity in which the person is engaged in the county, number of employees in the distressed county, and how long the person has been located in the county. The report must be filed by January 30th of each year for which credit was claimed during the previous year.

(9) Transfer of ownership does not affect credit eligibility; however, the credit is available to the successor only if the eligibility conditions of this section are met.

(10) As used in this section:

(a) "Distressed county" means an eligible area as defined in RCW 82.60.020.

(b) "First eighty-four months" means the eighty-four months of operation in a county following commencement of business activity. Business activity is deemed to commence upon the act of engaging in the business of providing the help desk services from the county.

(c) "Information technology help desk services" means the following inbound technical or customer support services performed using electronic and telephonic communication:

(i) Hardware and software maintenance;

(ii) Hardware and software diagnostics and troubleshooting;

(iii) Hardware and software installation;

(iv) Hardware and software repair;

(v) Hardware and software information and training; and

(vi) Hardware and software upgrade.

(11) This section expires June 30, 2003.

NEW SECTION. Sec. 504. A new section is added to chapter 82.62 RCW to read as follows:

(1) A person is not eligible to receive a credit under this chapter if the person is receiving credit for the same position under section 502 of this act or RCW 82.04.44525 or is receiving a credit under section 503 of this act.

(2) This section expires June 30, 2003.

NEW SECTION. Sec. 505. The following acts or parts of acts are each repealed:

PART VI
ELECTRIC UTILITIES
NEW SECTION. Sec. 601. The legislature finds that it is necessary to employ multiple approaches to revitalize the economy of Washington state’s rural areas. The legislature also finds that where possible, Washington state should develop programs which can complement other private, state, and federal programs. It is the intent of section 602 of this act to complement such rural economic development efforts by creating a public utility tax offset program to help establish locally based electric utility revolving fund programs to be used for economic development and job creation.

NEW SECTION. Sec. 602. A new section is added to chapter 82.16 RCW to read as follows:

(1) The following definitions apply to this section:
(a) “Qualifying project” means a project designed to achieve job creation or business retention, to add or upgrade nonelectrical infrastructure, to add or upgrade health and safety facilities, to accomplish energy and water use efficiency improvements, including renewable energy development, or to add or upgrade emergency services in any designated qualifying rural area.
(b) “Qualifying rural area” means:
(i) An eligible area as defined in RCW 82.60.020; or
(ii) Any geographic area in the state that receives electricity from a light and power business with fewer than twenty-six meters per mile of distribution line as determined and published by the department of revenue effective July 1st of each year. The department shall use current data provided by the electricity industry.
(c) “Electric utility rural economic development revolving fund” means a fund devoted exclusively to funding qualifying projects in qualifying rural areas.

(2) A light and power business with fewer than twenty-six active meters per mile of distribution line in any geographic area in the state shall be allowed a credit against taxes due under this chapter in an amount equal to fifty percent of contributions made in any calendar year directly to an electric utility rural economic development revolving fund. The credit shall be taken in a form and manner as required by the department. The credit under this section shall not exceed one hundred thousand dollars per calendar year per light and power business. The credit may not exceed the tax that would otherwise be due under this chapter. Refunds shall not be granted in the place of credits. Expenditures not used to earn a credit in one calendar year may not be used to earn a credit in subsequent years.
(3) The right to earn tax credits under this section expires December 31, 2005.
(4) To qualify for the credit in subsection (2) of this section, the light and power business shall establish an electric utility rural economic development revolving fund which is governed by a local board whose members shall reside in the qualifying rural area served by the light and power business. The local board shall have authority to determine all criteria and conditions for the expenditure of funds from the electric utility rural economic development fund, and for the terms and conditions of repayment.
(5) Any funds repaid to the electric utility rural economic development fund by recipients shall be made available for additional qualifying projects.
(6) If at any time the electric utility rural economic development fund is dissolved, any moneys claimed as a tax credit under this section shall either be granted to a qualifying project or refunded to the state within two years of termination.
(7) The total amount of credits that may be used in any fiscal year shall not exceed seven hundred fifty thousand dollars in any fiscal year. The department shall allow the use of earned credits on a first-come, first-served basis. Unused earned credits may be carried over to subsequent years.

PART VII
COMMUNITY EMPOWERMENT ZONES

(b) “Eligible investment project” also means an investment project in an eligible area as defined in this section.
(c) “Qualified employment position” means a permanent full-time employee employed in the eligible investment project during the entire tax year.
In addition to the provisions of RCW 82.60.040, the department shall issue a sales and use tax deferral certificate for state and local sales and use taxes due under chapters 82.08, 82.12, and 82.14 RCW, on each eligible investment project that is located in an eligible area, if the applicant establishes that at the time the project is operationally complete:

(a) The applicant will hire at least one qualified employment position for each seven hundred fifty thousand dollars of investment on which a deferral is requested; and

(b) The qualified employment positions will be filled by persons who at the time of hire are residents of the community empowerment zone in which the project is located. As used in this subsection, "resident" means the person makes his or her home in the community empowerment zone. A mailing address alone is insufficient to establish that a person at the time of hire is a resident for the purposes of this section. The persons must be hired after the date the application is filed with the department.

(3) Except as provided in this section, all other provisions and eligibility requirements of this chapter apply to applicants eligible under this section.

(4) If a person does not meet the requirements of subsection (2)(a) and (b) of this section by the end of the calendar year following the year in which the project is certified as operationally complete, all deferred taxes are immediately due. For the remaining years for which the person must report under RCW 82.60.070, a recipient under this section is subject to the eligibility standards applicable to other recipients under this chapter.

NEW SECTION. Sec. 702. A new section is added to chapter 82.62 RCW to read as follows:

(1) For the purposes of this section "eligible area" also means a designated community empowerment zone approved under RCW 43.63A.700.

(2) An eligible business project located within an eligible area as defined in this section qualifies for a credit under this chapter for those employees who at the time of hire are residents of the community empowerment zone in which the project is located, if the requirements under this chapter are met. As used in this subsection, "resident" means the person makes his or her home in the community empowerment zone. A mailing address alone is insufficient to establish that a person at the time of hire is a resident for the purposes of this section.

(3) Except as provided in this section, all other provisions and eligibility requirements of this chapter apply to applicants eligible under this section.

PART VIII

NEW SECTION. Sec. 801. Part headings and subheadings used in this act are not any part of the law.

NEW SECTION. Sec. 802. This act takes effect August 1, 1999.

NEW SECTION. Sec. 803. MOTION

Senator Tim Sheldon moved that the following amendment by Senators Tim Sheldon, Rasmussen and Morton be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that while Washington's economy is currently prospering, economic growth continues to be uneven, particularly as between metropolitan and rural areas. This has created in effect two Washingtons: One afflicted by inadequate infrastructure to support and attract investment, another suffering from congestion and soaring housing prices. In order to address these problems, the legislature intends to use resources strategically to build on our state's strengths while addressing threats to our prosperity.

PART I
LOCAL OPTION SALES AND USE TAX

Sec. 101. RCW 82.14.370 and 1998 c 55 s 6 are each amended to read as follows:

(1) The legislative authority of a ((distressed)) rural county may impose a sales and use tax in accordance with the terms of this chapter. The tax is in addition to other taxes authorized by law and shall be collected from those persons who are taxable by
the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county. The rate of tax shall not exceed (0.04) 0.08 percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax.

(2) The tax imposed under subsection (1) of this section shall be deducted from the amount of tax otherwise required to be collected or paid over to the department of revenue under chapter 82.08 or 82.12 RCW. The department of revenue shall perform the collection of such taxes on behalf of the county at no cost to the county.

(3) Moneys collected under this section shall only be used for the purpose of financing public facilities in rural counties. The public facility must be listed as an item in the officially adopted county overall economic development plan, or the economic development section of the county’s comprehensive plan, or the comprehensive plan of a city or town located within the county for those counties planning under RCW 36.70A.040. For those counties that do not have an adopted overall economic development plan and do not plan under the growth management act, the public facility must be listed in the county’s capital facilities plan or the capital facilities plan of a city or town located within the county. In implementing this section, the county shall consult with cities, towns, and port districts located within the county. For the purposes of this section, “public facilities” means bridges, roads, domestic and industrial water facilities, sanitary sewer facilities, storm sewer facilities, railroad, electricity, natural gas, buildings, structures, telecommunications infrastructure, transportation infrastructure, or commercial infrastructure, and port facilities in the state of Washington.

(4) No tax may be collected under this section before July 1, 1998. No tax may be collected under this section by a county more than twenty-five years after the date that a tax is first imposed under this section.

(5) For purposes of this section, “(distressed) rural county” means (a county in which the average level of unemployment for the three years before the year in which a tax is first imposed under this section exceeds the average state unemployment for those years by twenty percent) an eligible area as defined in RCW 82.60.020.

PART II
DISTRESSED COUNTY ASSISTANCE ACCOUNT

Sec. 201. RCW 82.14.380 and 1998 c 321 s 10 (Referendum Bill No. 49) are each amended to read as follows:

(1) The distressed county assistance account is created in the state treasury. Into this account shall be placed a portion of all motor vehicle excise tax receipts as provided in RCW 82.44.110. At such times as distributions are made under RCW 82.44.150, the state treasurer shall distribute the funds in the distressed county assistance account to each county imposing the sales and use tax authorized under RCW 82.14.370 as of January 1, 1999, in the same proportions as distributions of the tax imposed under RCW 82.14.370 for these counties for the previous quarter.

(2) Funds distributed from the distressed county assistance account shall be expended by the counties for criminal justice and other purposes.

PART III
TECHNOLOGY-BASED BUSINESSES

Software

NEW SECTION. Sec. 301. It is the intent of the legislature to attract and retain technology-based businesses in distressed counties. Section 302 of this act provides a tax incentive to those businesses that develop or manufacture software in distressed counties. Section 303 of this act provides a tax incentive to those businesses that are engaged in the business of providing technical support services from distressed counties. Encouragement of these types of business will stimulate the information technology industry and be of benefit to the state economy in general. To further the impact and benefit of this program, this incentive is limited to those counties of the state that are characterized by unemployment or low income. The legislature finds that providing this targeted incentive will both increase its effectiveness and create a high technology work force in distressed counties.

NEW SECTION. Sec. 302. A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a distressed county in the business of manufacturing software or programming computers, as those terms are defined in this section.

(2) A person who partially or totally relocates a business from one distressed county to another distressed county is eligible for any qualifying new jobs created as a result of the relocation but is not eligible to receive credit for the jobs moved from one county to the other.

(3)(a) To qualify for the credit, the qualifying activity of the person must be conducted in a distressed county and the qualified employment position must be located in the distressed county.
(b) If an activity is conducted both from a distressed county and outside of a distressed county, the credit is available if at least ninety percent of the qualifying activity takes place within a distressed county. If the qualifying activity is a service taxable activity, the place where the work is performed is the place at which the activity is conducted.

(4)(a) The credit under this section shall equal one thousand dollars for each qualified employment position created after July 1, 1999, in an eligible area. A credit is earned for the calendar year the person is hired to fill the position. Additionally a credit is earned for each year the position is maintained over the subsequent consecutive years, up to six years. The county must meet the definition of a distressed county at the time the position is filled. If the county does not have a distressed county status the following year or years, the position is still eligible for the remaining years if all other conditions are met.

(b) Credit may not be taken for hiring of persons into positions that exist before July 1, 1999. Credit is authorized for new employees hired for new positions created on or after July 1, 1999. New positions filled by existing employees are eligible for the credit under this section only if the position vacated by the existing employee is filled by a new hire. A business that is a sole proprietorship without any employees is equivalent to one employee position and this type of business is eligible to receive credit for one position.

(c) If a position is filled before July 1st, this position is eligible for the full yearly credit. If it is filled after June 30th, this position is eligible for half of the credit.

(d) A person that has engaged in qualifying activities in the distressed county before the effective date of this section qualifies for the credit under this section for positions created and filled after the effective date of this section.

(e) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. This information includes information relating to description of qualifying activity engaged in the distressed county and outside the distressed county by the person as well as detailed records on positions and employees. The department shall, in consultation with a representative group of affected taxpayers, develop a method of segregating activity and related income so that those persons who engage in multiple activities can determine eligibility for credit under this section.

(f) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been claimed shall be immediately due. The department shall assess interest, but not penalties, on the taxes for which the person is not eligible. The interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, shall be assessed retroactively to the date the tax credit was taken, and shall accrue until the taxes for which a credit has been used are repaid.

(g) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. A person is not eligible to receive a credit under this section if the person is receiving credit for the same position under chapter 82.62 RCW or RCW 82.04.44525 or is taking the credit under section 303 of this act. No refunds may be granted for credits under this section.

(h) County eligibility under this section shall be based on the same list as published by the department under chapter 82.60 RCW. The eligibility period is from July 1st of each year to June 30th of the next year.

(i) A person taking tax credits under this section shall make an annual report to the department. The report shall be in a letter form and shall include the following information: Number of positions for which credit is being claimed, type of position for which credit is being claimed, type of activity in which the person is engaged in the county, and how long the person has been located in the county. The report must be filed by January 30th of each year for which credit was claimed during the previous year.

(j) Transfer of ownership does not affect credit eligibility; however, the credit is available to the successor for remaining periods in the seven years only if the eligibility conditions of this section are met.

(k) As used in this section:

(a) “Distressed county” means an eligible area as defined in RCW 82.60.020.

(b) "Manufacturing" means the same as "to manufacture" under RCW 82.04.120. Manufacturing includes the activities of both manufacturers and processors for hire.

(c) "Programming" means the activities that involve the creation or modification of software, as that term is defined in this chapter, and that are taxable as a service under RCW 82.04.290(2) or as a retail sale under RCW 82.04.050.

(d) "Qualifying activity" means manufacturing of software or programming computers.

(e) "Qualified employment position" means a permanent full-time position doing programming of software or manufacturing of software. This excludes administrative, professional, service, executive, and other similar positions. If an employee is either voluntarily or involuntarily separated from employment, the employment position is considered filled on a full-time basis if the employer is either training or actively recruiting a replacement employee. Full-time means a position for at least thirty-five hours a week.

(f) "Software" has the same meaning as defined in RCW 82.04.215.

(12) No credit may be taken or accrued under this section on or after July 1, 2003.

(13) This section expires June 30, 2003.
Help Desk Services

NEW SECTION, Sec. 303. A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a distressed county in the business of providing information technology help desk services to third parties.

(2) To qualify for the credit, the help desk services must be conducted from a distressed county.

(3)(a) For the first eighty-four months in which the person is engaged in the activity of providing information technology help desk services in the distressed county, the amount of the credit shall be equal to one hundred percent of the amount of tax due under this chapter that is attributable to providing the services from the distressed county. In order to qualify for the credit under this subsection (3)(a), the county must meet the definition of "distressed county" at the time the person begins to conduct qualifying business in the county. If the county subsequently does not qualify for distressed county status, the person may continue to take the credit for the remaining time in the eighty-four months if all other conditions are met. A person who locates in a county during a period of time for which the county does not meet the distressed county status is not eligible to receive the credit under this subsection (3)(a).

(b) A person who is not eligible for the credit under (a) of this subsection is potentially eligible for credit under this subsection (3)(b). If the person is engaged in the activity of providing information technology help desk services in a distressed county, the amount of the credit shall equal sixty-eight percent of the amount of tax due under this chapter that is attributable to providing the service from the distressed county. In order to qualify for the credit under this subsection, the county must meet the definition of "distressed county" during the period of time for which the credit is being claimed. A person is not eligible for a credit under this subsection (3)(b) for activity conducted during any period of time the county does not have a distressed county status.

(c) A person who has engaged in providing information technology help desk services in the distressed county before the effective date of this section qualifies for the credit under (a) of this subsection for any remaining time in the eighty-four months, after which time the person is potentially eligible for the credit under (b) of this subsection. A person who has engaged in providing information technology help desk services in the distressed county before the effective date of this section for more than eighty-four months is potentially eligible for the credit under (b) of this subsection.

(4) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. These records include information relating to description of activity engaged in a distressed county by the person.

(5) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been used is immediately due. The department shall assess interest, but not penalties, on the credited taxes for which the person is not eligible. The interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, shall be assessed retroactively to the date the tax credit was taken, and shall accrue until the taxes for which a credit has been used are repaid.

(6) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. A person is not eligible to receive a credit under this section if the person is receiving credit under section 302 of this act or RCW 82.04.44525 or chapter 82.62 RCW. No refunds may be granted for credits under this section.

(7) County eligibility under this section shall be based on the same list as published by the department under chapter 82.60 RCW. The eligibility period is from July 1st of each year to June 30th of the next year.

(8) A person taking tax credits under this section shall make an annual report to the department. The report shall be in a letter form and shall include the following information: Type of activity in which the person is engaged in the county, number of employees in the distressed county, and how long the person has been located in the county. The report must be filed by January 30th of each year for which credit was claimed during the previous year.

(9) Transfer of ownership does not affect credit eligibility; however, the credit is available to the successor only if the eligibility conditions of this section are met.

(10) As used in this section:

(a) "Distressed county" means an eligible area as defined in RCW 82.60.020.

(b) "First eighty-four months" means the eighty-four months of operation in a county following commencement of business activity. Business activity is deemed to commence upon the act of engaging in the business of providing the help desk services from the county.

(c) "Information technology help desk services" means the following inbound technical or customer support services performed using electronic and telephonic communication:

(i) Hardware and software maintenance;
(ii) Hardware and software diagnostics and troubleshooting;
(iii) Hardware and software installation;
(iv) Hardware and software repair;
(v) Hardware and software information and training; and
(vi) Hardware and software upgrade.
(11) No credit may be taken or accrued under this section on or after July 1, 2003.
(12) This section expires June 30, 2003.

NEW SECTION. Sec. 304. A new section is added to chapter 82.62 RCW to read as follows:
(1) A person is not eligible to receive a credit under this chapter if the person is receiving credit for the same position under section 302 of this act or RCW 82.04.44525 or is receiving a credit under section 303 of this act.
(2) This section expires June 30, 2003.

The credit under this section shall not exceed twenty-five thousand dollars per calendar year per light and power business. (3) The right to earn tax credits under this section expires December 31, 2005.
(4) To qualify for the credit in subsection (2) of this section, the light and power business shall establish an electric utility rural economic development revolving fund which is governed by a local board whose members shall reside in the qualifying rural area served by the light and power business. The local board shall have authority to determine all criteria and conditions for the expenditure of funds from the electric utility rural economic development fund, and for the terms and conditions of repayment.
(5) Any funds repaid to the electric utility rural economic development fund by recipients shall be made available for additional qualifying projects.

"AN ACT Relating to appointment of a county legislative authority member of the forest practices board;"

Senate Bill No. 5525 limits a governor's appointment authority to the Forest Practices Board. Under the current statute, a governor must appoint an elected member of a county legislative authority to serve as one of the members of the Forest Practices Board. Senate Bill No. 5525 would limit a governor's selection to an exclusive list of three provided by the Washington State Association of Counties. A governor would not have the ability to ask for more names if none of the first three were acceptable.
The current statutory arrangement for the appointment of the county member to the Forest Practices Board has worked well. A governor should, and most governors have, as a matter of practice consulted with the Washington State Association of Counties when selecting the county member.

I will continue to consult with the Washington State Association of Counties on this important appointment. Senate Bill No. 5525 is too restrictive and sets an unnecessary precedent in limiting a governor's discretion in making appointments. A limitation of such extent is not warranted.

For these reasons, I have vetoed Senate Bill No. 5525 in its entirety.

Respectfully submitted,

GARY LOCKE, Governor

MOTION

On motion of Senator Betti Sheldon, the veto message on Senate Bill No. 5525 was held at the desk.

MOTION

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 19.190.010 and 1998 c 149 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Assist the transmission" means actions taken by a person to provide substantial assistance or support which enables any person to formulate, compose, send, originate, initiate, or transmit a commercial electronic mail message when the person providing the assistance knows or consciously avoids knowing that the initiator of the commercial electronic mail message is engaged, or intends to engage, in any practice that violates the consumer protection act.

(2) For purposes of this section, a person((corporation, partnership, or association)) knows that the intended recipient of a commercial electronic mail message is a Washington resident if that information is available, upon request, from the registrant of the internet domain name contained in the recipient's electronic mail address.

Sec. 3. RCW 19.190.030 and 1998 c 149 s 4 are each amended to read as follows:

MOTION

Senator Brown moved that the following striking amendment be adopted:
Strike everything after the enacting clause and insert the following:
"Sec. 1. RCW 19.190.010 and 1998 c 149 s 2 are each amended to read as follows:

(7) "Person" means a person, corporation, partnership, or association.

Sec. 2. RCW 19.190.020 and 1998 c 149 s 3 are each amended to read as follows:

(1) No person, corporation, partnership, or association may initiate the transmission, conspire with another to initiate the transmission, or assist the transmission, of a commercial electronic mail message from a computer located in Washington or to an electronic mail address that the sender knows, or has reason to know, is held by a Washington resident that:

(a) Uses a third party's internet domain name without permission of the third party, or otherwise misrepresents or obscures any information in identifying the point of origin or the transmission path of a commercial electronic mail message; or

(b) Contains false or misleading information in the subject line.

(2) For purposes of this section, a person knows that the intended recipient of a commercial electronic mail message is a Washington resident if that information is available, upon request, from the registrant of the internet domain name contained in the recipient's electronic mail address.

Sec. 3. RCW 19.190.030 and 1998 c 149 s 4 are each amended to read as follows:

(1) It is a violation of the consumer protection act, chapter 19.86 RCW, to conspire with another person to initiate the transmission or to initiate the transmission of a commercial electronic mail message that:

(3) The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 4. RCW 19.190.005 (Findings) and 1998 c 149 s 1 are each repealed.

Debate ensued.

MOTION

On motion of Senator Finkbeiner, the following amendment to the striking amendment by Senator Brown was adopted:

On page 3, after line 18, insert the following:

"NEW SECTION. Sec. 5. (1) The legislature finds that:
(a) The internet presents a new medium of communication through which speakers can publish false or defamatory statements about businesses or individuals to vast audiences at little or no cost to the speaker;

(b) The publication of false or defamatory statements via the internet has the potential to cause serious injury to the victims of such statements, particularly financial injury to businesses that are the victims of false or defamatory on-line rumors about their stock, products or services, or executives or personnel;

(c) False or defamatory statements on the internet are often published anonymously, making it difficult for victims to determine the identity and physical location of the speakers; and

(d) Current legal procedures do not adequately address the challenges and opportunities the internet presents as a new medium of communication, both as a tool for publishing false or defamatory statements and for pursuing legal recourse against the speakers of such statements.

(2) The legislature therefore intends that:

(a) When the internet is used to publish false or defamatory statements about individuals residing in Washington or businesses doing business in Washington, a rebuttable presumption is created that the statements are published in Washington; and

(b) When the identity or physical location of a speaker who has published false or defamatory statements via the internet about an individual residing in Washington or a business doing business in Washington is not known, a plaintiff in an action for libel or slander may serve a summons by publication via the internet.

Sec. 6. RCW 4.36.120 and Code 1881 s 99 are each amended to read as follows:

In an action for libel or slander, it shall not be necessary to state in the complaint any extrinsic facts, for the purpose of showing the application to the plaintiff, of the defamatory matter out of which the cause arose, but it shall be sufficient to state generally, that the same was published or spoken concerning the plaintiff; and if such allegation be controverted, the plaintiff shall be bound to establish on trial that it was so published or spoken. Where false or defamatory statements concerning a person residing in Washington or a business doing business in Washington are posted or electronically transmitted via the internet, a rebuttable presumption is created that the statements have been published in Washington.

Sec. 7. RCW 4.28.110 and 1981 c 331 s 13 are each amended to read as follows:

When the defendant cannot be found within the state, and upon the filing of an affidavit of the plaintiff, his agent, or attorney, with the clerk of the court, stating that he believes that the defendant is not a resident of the state, or cannot be found therein, and that he has deposited a copy of the summons (substantially in the form prescribed in RCW 4.28.110) and complaint in the post office, directed to the defendant at his place of residence, unless it is stated in the affidavit that such residence is not known to the affiant, and stating the existence of one of the cases hereinafter specified, the service may be made by publication of the summons, by the plaintiff or his attorney in any of the following cases:

1. When the defendant is a foreign corporation, and has property within the state;

2. When the defendant, being a resident of this state, has departed therefrom with intent to defraud his creditors, or to avoid the service of a summons, or keeps himself concealed therein with like intent;

3. When the defendant is not a resident of the state, but has property therein and the court has jurisdiction of the subject of the action;

4. When the action is for divorce in the cases prescribed by law;

5. When the subject of the action is real or personal property in this state, and the defendant has or claims a lien or interest, actual or contingent, therein, or the relief demanded consists wholly, or partly, in excluding the defendant from any interest or lien therein;

6. When the action is to foreclose, satisfy, or redeem from a mortgage, or to enforce a lien of any kind on real estate in the county where the action is brought, or satisfy or redeem from the same;

7. When the action is against any corporation, whether private or municipal, organized under the laws of the state, and the proper officers on whom to make service do not exist or cannot be found;

8. When the action is brought under RCW 4.08.160 and 4.08.170 to determine conflicting claims to property in this state; and

9. When the action is for defamation concerning a person residing in Washington or a business doing business in Washington, where the false or defamatory statements were posted or electronically transmitted via the internet and the identity of the defendant is not known or readily ascertainable.

Sec. 8. RCW 4.28.110 and 1985 c 469 s 2 are each amended to read as follows:

The publication shall be made in a newspaper of general circulation in the county where the action is brought once a week for six consecutive weeks: PROVIDED, That publication of summons shall not be made until after the filing of the complaint, and the service of the summons shall be deemed complete at the expiration of the time prescribed for publication. The summons must be subscribed by the plaintiff or his attorney or attorneys. The summons shall contain the date of the first publication, and
shall require the defendant or defendants upon whom service by publication is desired, to appear and answer the complaint within sixty days from the date of the first publication of the summons; and the summons for publication shall also contain a brief statement of the object of the action. The summons for publication shall be substantially as follows:

(Insert here a brief statement of the object of the action.)

When service of summons by publication is authorized under RCW 4.28.100(9), the publication specified in this section may be made via the internet, provided that the summons shall be posted to the same on-line location where the false or defamatory statements were posted or electronically transmitted to the electronic address of the sender of the false or defamatory statements, once a week for six consecutive weeks.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Renumber the remaining section consecutively and correct any internal references accordingly.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 84.36 RCW to read as follows:
(1) The real and personal property owned or used in providing rental housing for very low-income households is exempt from taxation if:
   (a) At least seventy-five percent of the occupied dwelling units in the rental housing are occupied by very low-income households; and
   (b) The rental housing was insured, financed, or assisted in whole or in part through:
       (i) A federal or state housing program administered by the department of community, trade, and economic development;
       or
       (ii) An affordable housing levy authorized under RCW 84.52.105."
(2) If less than seventy-five percent of the dwelling units are occupied by very low-income households, the rental housing used to provide housing for very low-income households is eligible for a partial exemption on the real property and a total exemption of the housing's personal property as follows:

(a) The partial exemption shall be allowed for each dwelling unit in the rental housing occupied by very low-income households.

(b) The amount of exemption shall be calculated by multiplying the assessed value of the property reasonably necessary to provide the rental housing by a fraction. The numerator of the fraction is the number of dwelling units occupied by very low-income households as of January 1st of the year for which the exemption is claimed. The denominator of the fraction is the total number of occupied dwelling units as of January 1st of the year for which exemption is claimed.

(3) To be exempt under this section, the property must be used exclusively for the purposes for which exemption is granted, except as provided in RCW 84.36.805.

(4) The entity qualifying for the exemption under this section by providing rental housing for very low-income households may agree to make payments to the city, county, or other political subdivision for improvements, services, and facilities furnished by the city, county, or political subdivision for the benefit of the rental housing. However, these payments shall not exceed the amount last levied as the annual tax of the city, county, or political subdivision upon the property prior to exemption.

(5) As used in this section:

(a) "Occupied dwelling unit" means a living unit that is occupied on January 1st of the year in which the claim for exemption is submitted;

(b) "Rental housing" means residential housing that is occupied but not owned by very low-income households;

(c) "Very low-income households" means a single person, family, or unrelated persons living together whose income is at or below fifty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the rental housing is located and in effect as of January 1st of the year the application for exemption is submitted; and

Sec. 2. RCW 84.36.810 and 1998 c 311 s 26 and 1998 c 202 s 4 are each amended to read as follows:

(1) Upon cessation of a use under which an exemption has been granted pursuant to RCW 84.36.030, 84.36.037, 84.36.040, 84.36.041, 84.36.043, 84.36.046, 84.36.050, 84.36.060, 84.36.550, and section 1 of this act, the county treasurer shall collect all taxes which would have been paid had the property not been exempt during the three years preceding, or the life of such exemption, if such be less, together with the interest at the same rate and computed in the same way as that upon delinquent property taxes. Where the property has been granted an exemption for more than ten years, taxes and interest shall not be assessed under this section.

(2) Subsection (1) of this section applies only when ownership of the property is transferred or when fifty-one percent or more of the area of the property has lost its exempt status. The additional tax under subsection (1) of this section shall not be imposed if the cessation of use resulted solely from:

(a) Transfer to a nonprofit organization, association, or corporation for a use which also qualifies and is granted exemption under the provisions of chapter 84.36 RCW;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Official action by an agency of the state of Washington or by the county or city within which the property is located which disallows the present use of such property;

(d) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the organization, association, or corporation changing the use of such property;

(e) Relocation of the activity and use of another location or site except for undeveloped properties of camp facilities exempted under RCW 84.36.030;

(f) Cancellation of a lease on property that had been exempt under RCW 84.36.040, 84.36.041, 84.36.043, 84.36.046, 84.36.060, or 84.36.042, or section 1 of this act;

(g) A change in the exempt portion of a home for the aging under RCW 84.36.041(3), as long as some portion of the home remains exempt((h))(i);

(h) The conversion of a full exemption of a home for the aging to a partial exemption or taxable status or the conversion of a partial exemption to taxable status under RCW 84.36.041(8)).

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2079 by House Committee on Natural Resources (originally sponsored by Representatives Regala, Buck, Eickmeyer, Anderson, Rockefeller, Romero, Veloria and Keiser)

Promoting salmon recovery.

The bill was read the second time.

MOTION

On motion of Senator Jacobsen, the following Committee on Ways and Means striking amendment was not adopted:

Strike everything after the enacting clause and insert the following:

*Sec. 1. RCW 75.46.005 and 1998 c 246 s 1 are each amended to read as follows:

The legislature finds that repeated attempts to improve salmonid fish runs throughout the state of Washington have failed to avert listings of salmon and steelhead runs as threatened or endangered under the federal endangered species act (16 U.S.C. Sec. 1531 et seq.). These listings threaten the sport, commercial, and tribal fishing industries as well as the economic well-being and vitality of vast areas of the state. It is the intent of the legislature to begin activities required for the recovery of salmon stocks as soon as possible, although the legislature understands that successful recovery efforts may not be realized for many years because of the life cycle of salmon and the complex array of natural and human-caused problems they face.

The legislature finds that it is in the interest of the citizens of the state of Washington for the state to retain primary responsibility for managing the natural resources of the state, rather than abdicate those responsibilities to the federal government. The legislature also finds that there is a substantial link between the provisions of the federal endangered species act and the federal clean water act (33 U.S.C. Sec. 1251 et seq.). The legislature further finds that habitat restoration is a vital component of salmon recovery efforts. Therefore, it is the intent of the legislature to specifically address salmon habitat restoration in a coordinated manner and to develop a structure that allows for the coordinated delivery of federal, state, and local assistance to communities for habitat projects that will assist in the recovery and enhancement of salmon stocks.
The legislature also finds that credible scientific review and oversight is essential for any salmon recovery effort to be successful.

The legislature therefore finds that a coordinated framework for responding to the salmon crisis is needed immediately. To that end, the salmon recovery office should be created within the governor's office to provide overall coordination of the state's response; an independent science team is needed to provide scientific review and oversight; an interagency review team should be established through a salmon recovery funding board; the appropriate local or tribal government should provide local leadership in identifying and sequencing habitat restoration projects to be funded by state agencies; and a strong locally based effort to restore salmon habitat should be established by providing a framework to allow citizen volunteers to work effectively.

**Sec. 2.** RCW 75.46.010 and 1998 c 246 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

1. "Adaptive management" means reliance on scientific methods to test the results of actions taken so that the management and related policy can be changed promptly and appropriately.

2. "Board" means the salmon recovery funding board created in section 3 of this act.

3. "Critical pathways methodology" means a project scheduling and management process for examining interactions between habitat projects and salmonid species, prioritizing habitat projects, and assuring positive benefits from habitat projects.

4. "Habitat project list" is the list of projects resulting from the critical pathways methodology under RCW 75.46.070(2). Each project on the list must have a written agreement from the landowner on whose land the project will be implemented. Projects include habitat restoration projects, habitat protection projects, habitat projects that improve water quality, habitat projects that protect water quality, habitat-related mitigation projects, and habitat project maintenance and monitoring activities.

5. "Habitat work schedule" means those projects from the habitat project list that will be implemented during the current funding cycle. The schedule shall also include a list of the entities and individuals implementing projects, the start date, duration, estimated date of completion, estimated cost, and funding sources for the projects.

6. "Limiting factors" means conditions that limit the ability of habitat to fully sustain populations of salmon. (These factors are primarily fish passage barriers and degraded estuarine areas, riparian corridors, stream channels, and wetlands.

7. "Listed stocks" means salmon and trout stocks that are listed or proposed for listing as threatened or endangered under the federal endangered species act, 16 U.S.C. Sec. 1531 et seq.

8. "Project sponsor" is a county, city, special district, tribal government, state agency, federal agency, a combination of such governments through interlocal or interagency agreement((provided under chapter 39.34 RCW)), a nonprofit organization, or one or more private citizens.

9. "Salmon" includes all species of the family Salmonidae which are capable of self-sustaining, natural production.

10. "Salmon recovery plan" means a state plan developed in response to a proposed or actual listing under the federal endangered species act that addresses limiting factors including, but not limited to harvest, hatchery, hydropower, habitat, and other factors of decline.

11. "Interagency team" or "team" means the interagency review team created in RCW 75.46.080.

12. "Tribe" or "tribes" means federally recognized Indian tribes.

14. "Owner" means the person holding title to the land or the person under contract with the owner to lease or manage the legal owner's property.

NEW SECTION. **Sec. 3.** A new section is added to chapter 75.46 RCW to read as follows:

1. The salmon recovery funding board is created.

2. The board shall consist of three members appointed by the governor, subject to confirmation by the senate. In making the appointments, the governor shall seek a board membership with the expertise necessary to provide strong fiscal oversight of salmon recovery expenditures. Board members shall not have a financial or regulatory interest in salmon recovery. The governor shall make the appointments not later than ninety days after the effective date of this section. The initial terms shall commence October 1st. Members shall serve staggered four-year terms and, of the initial appointments, one member shall serve a term of two years and one member shall serve a term of three years. The governor shall appoint the chair of the board.

3. Staff support to the board shall be provided by the salmon recovery office and by the interagency review team for those functions assigned to the team by this chapter.

4. Members of the board shall be compensated as provided by RCW 43.03.250 and shall be reimbursed for travel expenses as provided by RCW 43.03.050 and 43.03.060.

NEW SECTION. **Sec. 4.** A new section is added to chapter 75.46 RCW to read as follows:
The board is responsible for making grants and loans for salmon recovery projects from the amounts appropriated to the board for this purpose. To accomplish this purpose the board may:

1. Provide assistance to grant applicants regarding the procedures and criteria for grant and loan awards;
2. Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms that are not in conflict with this chapter;
3. Adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of this chapter; and
4. Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 75.46 RCW to read as follows:

1. The board shall develop procedures and criteria for allocation of funds for salmon recovery projects and activities on a state-wide basis to address the highest priorities for salmon habitat protection and restoration. To the extent practicable the board shall adopt an annual allocation of funding. The allocation shall reflect the following general objectives:
   a. Allocating funding to both protection and restoration of habitat;
   b. Allocating most new funding for habitat protection and restoration to higher priority salmon recovery needs, using scientific principles and information addressing stock status, fish production potential, genetic diversity values, habitat condition including unlawful disposal of solid waste along streams, and near-term risk factors; and
   c. Encouraging the commitment of nonstate funds and other resources in projects or activities receiving a state grant or loan.

2. The board shall seek the guidance and the assistance of the interagency review team created by RCW 75.46.080 in developing the allocation procedures and standards. The board may also seek the recommendations of the independent science panel created by RCW 75.46.050 to incorporate scientific principles and information. Prior to finalizing funding decisions under the provisions of this chapter, the board shall consult with interests representing irrigated and non-irrigated agriculture, sport and commercial fishing interests, large and small scale timber interests, conservation districts, and county and city governmental interests.

3. The board may waive or modify portions of the allocation procedures and standards adopted under this section in the award of grants or loans to conform to legislative appropriations directing an alternative award procedure or when the funds to be awarded are from federal or other sources requiring other allocation procedures or standards as a condition of the board’s receipt of the funds.

4. In developing allocation criteria and in the review of project applications the board shall consider the recommendations which may be provided by the government council on natural resources, formed by the governor to promote cooperative intergovernmental relationships for salmon recovery.

5. The board shall track all funds allocated for salmon recovery projects and activities, including both funds allocated by the board and funds allocated by other state or federal agencies for salmon recovery or water quality improvement. Beginning in December 2000, the board shall provide a biennial report to the legislature on salmon recovery expenditures. This report shall be coordinated with the state of the salmon report required under RCW 75.46.030.

Sec. 6. RCW 75.46.080 and 1998 c 246 s 9 are each amended to read as follows:

1. Representatives from the conservation commission, the department of transportation, the department of ecology, and the department of fish and wildlife shall establish an interagency review team. (Except as provided in subsection (6) of this section, habitat restoration project lists shall be submitted to the interagency review team by January 1st and July 1st of each year beginning in 1999.) The purpose of the team is to assist the salmon recovery funding board in developing procedures and standards for state-wide funding allocation, and to assist the board in reviewing funding applications to identify the highest priority projects and activities for funding.

2. If no lead entity has been formed under RCW 75.46.060, the interagency review team shall rank, prioritize, and dispense funds for habitat restoration projects by giving preference to the projects that:
   a. Provide a greater benefit to salmon recovery;
   b. Will be implemented in a more critical area;
   c. Are the most cost-effective;
   d. Have the greatest matched, or in-kind funding; and
   e. Will be implemented by a sponsor with a successful record of project implementation.

3. If a lead entity established under RCW 75.46.060 has been formed, the interagency review team shall evaluate project lists ((and may remove, but not add projects from a habitat project list) submitted by the lead entity and advise the board on whether the list for the area complies with the list development procedures and critical path methodology provided by RCW 75.46.060 and 75.46.070. When the board determines the list to comply with those requirements it shall accord substantial weight to the list’s project priorities when making determinations among applications for funding of projects and activities within the area covered by the list.
The interagency review team shall provide a summary of funding for salmon recovery projects to the governor and to the legislature by December 1st of each year.

The interagency review team may annually establish a maximum amount of funding available for any individual project, subject to available funding. The interagency review team shall attempt to assure a geographical balance in assigning priorities to projects.

(6) For fiscal year 1998, the department of fish and wildlife, the conservation commission, and the department of transportation may authorize, subject to appropriations, expenditures for projects that have been developed to restore salmon habitat before completion of the project lists required in RCW 75.46.060(2).

(2) Where a lead entity has been established pursuant to RCW 75.46.060, the board may provide grants to the lead entity to assist in carrying out lead entity functions under this chapter, subject to available funding.

NEW SECTION. Sec. 7. A new section is added to chapter 75.46 RCW to read as follows:

The salmon recovery account is created in the state treasury. To the account shall be deposited such funds as the legislature directs or appropriates to the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used for salmon recovery financial assistance provided through the salmon recovery funding board created in section 3 of this act.

Sec. 8. RCW 76.12.110 and 1998 c 347 s 55 are each amended to read as follows:

There is created a forest development account in the state treasury. The state treasurer shall keep an account of all sums deposited therein and expended or withdrawn therefrom. Any sums placed in the account shall be pledged for the purpose of paying interest and principal on the bonds issued by the department, and for the purchase of land for growing timber. Any bonds issued shall constitute a first and prior claim and lien against the account for the payment of principal and interest. No sums for the above purposes shall be withdrawn or paid out of the account except upon approval of the department.

Appropriations may be made by the legislature from the forest development account to the department for the purpose of carrying on the activities of the department on state forest lands, lands managed on a sustained yield basis as provided for in RCW 79.68.040, and for reimbursement of expenditures that have been made or may be made from the resource management cost account in the management of state forest lands. (For the 1997-99 fiscal biennium, moneys from the account shall be distributed as directed in the omnibus appropriations act to the beneficiaries of the revenues derived from state forest lands. Funds that accrue to the state from such a distribution shall be deposited into the salmon recovery account, hereby created in the state treasury. Funds appropriated from the salmon recovery account shall be used for efforts to restore endangered anadromous fish stocks.)

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 1999.

MOTION

On motion of Senator Jacobsen, the following striking amendment by Senators Jacobsen, Swecker and Spanel was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 75.46.005 and 1998 c 246 s 1 are each amended to read as follows:

The legislature finds that repeated attempts to improve salmonid fish runs throughout the state of Washington have failed to avert listings of salmon and steelhead runs as threatened or endangered under the federal endangered species act (16 U.S.C. Sec. 1531 et seq.). These listings threaten the sport, commercial, and tribal fishing industries as well as the economic well-being and vitality of vast areas of the state. It is the intent of the legislature to begin activities required for the recovery of salmon stocks as soon as possible, although the legislature understands that successful recovery efforts may not be realized for many years because of the life cycle of salmon and the complex array of natural and human-caused problems they face.

The legislature finds that it is in the interest of the citizens of the state of Washington for the state to retain primary responsibility for managing the natural resources of the state, rather than abdicate those responsibilities to the federal government. The legislature also finds that there is a substantial link between the provisions of the federal endangered species act and the federal clean water act (33 U.S.C. Sec. 1251 et seq.). The legislature further finds that habitat restoration is a vital component of salmon recovery efforts. Therefore, it is the intent of the legislature to specifically address salmon habitat restoration in a coordinated manner and to develop a structure that allows for the coordinated delivery of federal, state, and local assistance to communities for habitat projects that will assist in the recovery and enhancement of salmon stocks.

The legislature also finds that credible scientific review and oversight is essential for any salmon recovery effort to be successful."
The legislature further finds that it is important to monitor the overall health of the salmon resource to determine if recovery efforts are providing expected returns. It is also important to monitor the effectiveness of the state's overall salmon recovery efforts to secure federal acceptance of the state's approach to salmon recovery. In addition, it is important to monitor salmon restoration projects to determine their effectiveness. Adaptive management cannot exist without monitoring. For these reasons, the legislature believes that a coordinated and integrated monitoring process should be developed in the salmon recovery office for use by local recovery efforts. The role of the salmon recovery office should be to develop and provide to entities involved in salmon recovery data quality objectives, a range of acceptable parameters to monitor, acceptable data formats, data calibration and coordination, a method of storing and retrieving data, and analysis and interpretation of data. The role of local recovery efforts should be to collect monitoring data in compliance with the recommended data quality objectives, parameters, and formats, and to provide such data to the state salmon recovery office for storage.

The legislature therefore finds that a coordinated framework for responding to the salmon crisis is needed immediately. To that end, the salmon recovery office should be created within the governor's office to provide overall coordination of the state's response; an independent science (team) panel is needed to provide scientific review and oversight; a consolidated state funding process should be established through a salmon recovery funding board; the appropriate local or tribal government should provide local leadership in identifying and sequencing habitat restoration projects to be funded by state agencies; habitat restoration projects should be implemented without delay; and a strong locally based effort to restore salmon habitat should be established by providing a framework to allow citizen volunteers to work effectively.

NEW SECTION. Sec. 3. A new section is added to chapter 75.46 RCW to read as follows:

(1) The salmon recovery funding board is created.

(2) The board shall consist of five members appointed by the governor, subject to confirmation by the senate. One of the members shall be a representative of local governments. One of the members shall be a representative of federally recognized tribes. In making the appointments, the governor shall seek a board membership that collectively provide the expertise necessary to provide strong fiscal oversight of salmon recovery expenditures, and that provide extensive experience and expertise in salmon recovery projects and activities that address the range of limiting factors for salmon recovery in Washington state. Board members shall not have a financial or regulatory interest in salmon recovery. The governor shall make the appointments not later than ninety days after the effective date of this section. The initial terms shall commence October 1st. Members shall serve staggered four-year terms and, of the initial appointments, two members shall serve a term of two years and three members shall serve a term of three years. The governor shall appoint the chair of the board.

(3) Staff support to the board shall be provided by the salmon recovery office and by the interagency review team for those functions assigned to the team by this chapter or the board acting under the authority of this chapter.

(4) Members of the board shall be compensated as provided by RCW 43.03.250 and shall be reimbursed for travel expenses as provided by RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 4. A new section is added to chapter 75.46 RCW to read as follows:

The board is responsible for making grants and loans for salmon recovery projects and activities from the amounts appropriated to the board for this purpose. To accomplish this purpose the board may:

(1) Provide assistance to grant applicants regarding the procedures and criteria for grant and loan awards;

(2) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms that are not in conflict with this chapter;

(3) Adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of this chapter; and

(4) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 75.46 RCW to read as follows:

(1) The board shall develop procedures and criteria for allocation of funds for salmon recovery projects and activities on a state-wide basis to address the highest priorities for salmon habitat protection and restoration. To the extent practicable the board shall adopt an annual allocation of funding. The allocation should address both protection and restoration of habitat, and attempt to provide a geographic balance across the state.

(2) In evaluating, ranking, and awarding funds for projects and activities the board shall give preference to projects that:

(a) Are based upon the limiting factors analysis identified under RCW 75.46.070;

(b) Provide a greater benefit to salmon recovery based upon the information contained in the department of fish and wildlife salmonid stock inventory and any comparable science-based assessment;

(c) Will be implemented in a more critical area based upon the stock status information contained in the department of fish and wildlife salmonid stock inventory and any comparable science-based assessment;

(d) Are the most cost-effective;

(e) Have the greatest matched or in-kind funding; and

(f) Will be implemented by a sponsor with a successful record of project implementation.

(3) The board shall seek the guidance and the assistance of the interagency review team created by RCW 75.46.080 in developing the allocation procedures and standards. The board may also seek the recommendations of the independent science panel created by RCW 75.46.050 to incorporate scientific principles and information into the allocation standards.

(4) The board may authorize the interagency review team to evaluate, rank, and make funding decisions for categories of projects or activities or from funding sources provided for categories of projects or activities. In delegating such authority the board shall consider the review team’s staff resources, procedures, and technical capacity to meet the purposes and objectives of this chapter. The board shall maintain general oversight of the team’s exercise of such authority.

(5) The board shall establish criteria for determining when block grants may be made to a lead entity or other recognized regional recovery entity consistent with one or more habitat project lists developed for that region.

(6) The board may waive or modify portions of the allocation procedures and standards adopted under this section in the award of grants or loans to conform to legislative appropriations directing an alternative award procedure or when the funds to be awarded are from federal or other sources requiring other allocation procedures or standards as a condition of the board’s receipt of the funds. The board shall develop an integrated process to manage the allocation of funding from federal and state sources to minimize delays in the award of funding while recognizing the differences in state and legislative appropriation timing.
(7) In developing allocation criteria and in the review of project applications the board shall consider the recommendations which may be provided by the government council on natural resources, formed by the governor to promote cooperative intergovernmental relationships for salmon recovery, and consider the recommendations of stakeholder interests in salmon recovery.

(8) The board shall use information developed by the departments of transportation, ecology, fish and wildlife, and community, trade, and economic development, and other state agencies to assess state funding sources and programs available for salmon recovery efforts that should be coordinated with funding allocations made by the board. The capital budget advisory committee created by chapter . . . (Substitute House Bill No. 1204), Laws of 1999 shall make recommendations to the board on opportunities for coordination in sharing of project data and with reporting requirements of the committee and the board.

NEW SECTION. Sec. 6. A new section is added to chapter 75.46 RCW to read as follows:

(1) Before October 1st of each even-numbered year, the board shall recommend to the governor a prioritized list of projects and activities to be funded by the board under this chapter. The governor may remove projects and activities from the list recommended by the board and shall submit this amended list in the capital budget request to the legislature. The list shall identify the project sponsor, its geographic location, and a description of the project or activity.

(2) The board shall not sign contracts or otherwise financially obligate funds as provided under this chapter before the legislature has appropriated funds for a specific list of projects.

(3) The board shall track all funds allocated for salmon recovery projects and activities, including both funds allocated by the board and funds allocated by other state or federal agencies for salmon recovery or water quality improvement. The tracking system shall be geographically based and may include projects from other sources that address the same salmon recovery limiting factors in the same geographic area. The tracking system may be developed and maintained by another state agency through an interagency agreement with the board.

(4) Beginning in December 2000, the board shall provide a biennial report to the governor and the legislature on salmon recovery expenditures. This report shall be coordinated with the state of the salmon report required under RCW 75.46.030.

Sec. 7. RCW 75.46.050 and 1998 c 246 s 6 are each amended to read as follows:

(1) The governor shall request the national academy of sciences, the American fisheries society, or a comparable institution to screen candidates to serve as members on the independent science panel. The institution that conducts the screening of the candidates shall submit a list of the nine most qualified candidates to the governor, the speaker of the house of representatives, and the majority leader of the senate. The candidates shall reflect expertise in habitat requirements of salmon, protection and restoration of salmon populations, artificial propagation of salmon, hydrology, or geomorphology.

(2) The speaker of the house of representatives and the majority leader in the senate shall each remove one name from the nomination list. The governor shall consult with tribal representatives and the governor shall appoint five scientists from the remaining names on the nomination list.

(3) The members of the independent science panel shall serve four-year terms. Vacant positions on the panel shall be filled in the same manner as the original appointments. Members shall serve no more than two full terms. The independent science panel members shall elect the chair of the panel among themselves every two years. (The members of the independent science panel shall be compensated as provided in RCW 43.03.250 and reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.) Based upon available funding, the governor’s salmon recovery office may contract for services with members of the independent science panel for compensation under chapter 39.29 RCW.

(4) The independent science panel shall be governed by generally accepted guidelines and practices governing the activities of independent science boards such as the national academy of sciences. The purpose of the independent science panel is to help ensure that sound science is used in salmon recovery efforts. The governor's salmon recovery office shall request review of salmon recovery plans by the science review panel. The science review panel does not have the authority to review individual projects or project lists developed under RCW 75.46.060, 75.46.070, and 75.46.080 or to make policy decisions. The panel shall periodically submit its findings and recommendations under this subsection to the legislature and the governor.

(5) The independent science panel, in conjunction with the salmon recovery office, shall recommend standardized monitoring indicators and data quality guidelines for use by entities involved in salmon recovery activities across the state. The panel shall also recommend electronic formats that will allow data to be provided to the state salmon recovery office for storage and to be shared across the state in a salmon monitoring network.

(6) State salmon monitoring data provided by lead entities, regional fisheries enhancement groups, and others shall be included in the salmon and steelhead inventory and assessment project.

(7) The independent science panel, in conjunction with the salmon recovery office, shall also recommend criteria for the systematic and periodic evaluation of monitoring data in order for the state to be able to answer critical questions about the effectiveness of the state's salmon recovery efforts.
Sec. 8. RCW 75.46.060 and 1998 c 246 s 7 are each amended to read as follows:

(1)(a) Counties, cities, and tribal governments must jointly designate, by ((official)) resolution or by letters of support, the area for which a habitat ((restoration)) project list is to be developed and the lead entity that is to be responsible for submitting the habitat ((restoration)) project list. No project included on a habitat ((restoration)) project list shall be considered mandatory in nature and no private landowner may be forced or coerced into participation in any respect. The lead entity may be a county, city, conservation district, special district, tribal government, or other entity.

(b) The lead entity shall establish a committee that consists of representative interests of counties, cities, conservation districts, tribes, environmental groups, business interests, landowners, citizens, volunteer groups, regional fish enhancement groups, and other ((restoration)) habitat interests. The purpose of the committee is to provide a citizen-based evaluation of the projects proposed to promote salmon habitat ((restoration)). The interagency review team may provide the lead entity with organizational models that may be used in establishing the committees.

(c) The committee shall compile a list of habitat ((restoration)) projects, establish priorities for individual projects, define the sequence for project implementation, and submit these activities as the habitat ((restoration)) project list. The committee shall also identify potential federal, state, local, and private funding sources.

(d) Projects that include use of side channels, off-stream rearing enhancement, improvement in overwintering habitat, or use of acclimation ponds shall receive consideration for funding.

(2) The area covered by the habitat project list must be based, at a minimum, on a WRIA, combination of WRIs, ((an evolutionarily significant unit)) or any other area as agreed to by the counties, cities, and tribes in resolutions or in letters of support meeting the requirements of this subsection. Preference will be given to projects in an area that contain a salmon species that is listed or proposed for listing under the federal endangered species act.

Sec. 9. RCW 75.46.070 and 1998 c 246 s 8 are each amended to read as follows:

(1) Critical pathways methodology shall be used to develop a habitat project list and a habitat work schedule that ensures salmon ((restoration)) recovery activities will be prioritized and implemented in a logical sequential manner that produces habitat capable of sustaining healthy populations of salmon.

(2) The critical pathways methodology shall:

(a) Include a limiting factors analysis for salmon in streams, rivers, tributaries, estuaries, and subbasins in the region. The technical advisory group shall have responsibility for the limiting factors analysis;

(b) Identify local habitat projects that sponsors are willing to undertake. The projects identified must have a written agreement from the landowner on which the project is to be implemented. Project sponsors shall have the lead responsibility for this task;

(c) Identify how projects will be monitored and evaluated. The project sponsor, in consultation with the technical advisory group and the appropriate landowner, shall have responsibility for this task; ((and))

(d) Include a review of monitoring data, evaluate project performance, and make recommendations to the committee established under RCW 75.46.060 and to the interagency review team. The technical advisory group has responsibility for this task; and

(e) Describe the adaptive management strategy that will be used. The committee established under RCW 75.46.060 shall have responsibility for this task. If a committee has not been formed, the technical advisory group shall have the responsibility for this task.

(3) The habitat work ((list)) schedule shall include all projects developed pursuant to subsection (2) of this section as well as any other salmon habitat ((restoration)) project implemented in the region, including habitat preservation projects funded through the Washington wildlife and recreation program, the conservation reserve enhancement program, and other conservancy programs. The habitat work ((list)) schedule shall also include the start date, duration, estimated date of completion, estimated cost, and, if appropriate, the affected salmonid species of each project. Each schedule shall be updated on an annual basis to depict new activities.

Sec. 10. RCW 75.46.100 and 1998 c 246 s 11 are each amended to read as follows:

The sea grant program at the University of Washington is authorized to provide technical assistance to volunteer groups and other project sponsors in designing and ((performing)) implementing habitat ((restoration)) projects that address the limiting factors analysis ((of regional habitat work plans)) required under RCW 75.46.070. The cost for such assistance may be covered on a fee-for-service basis.
Sec. 11. RCW 75.46.080 and 1998 c 246 s 9 are each amended to read as follows:

(1) Representatives from the conservation commission, the department of transportation, the interagency committee for outdoor recreation, the department of natural resources, the department of ecology, and the department of fish and wildlife shall establish an interagency review team. (Except as provided in subsection (6) of this section, habitat restoration project lists shall be submitted to the interagency review team by January 1st and July 1st of each year beginning in 1999.) The purpose of the team is to assist the salmon recovery funding board in developing procedures and standards for state-wide funding allocation, and to assist the board in reviewing funding applications to identify the highest priority projects and activities for funding.

(2) If no lead entity has been formed under RCW 75.46.060, the interagency review team shall rank, prioritize, and dispense funds for habitat restoration projects by giving preference to the projects that:
(a) Provide a greater benefit to salmon recovery;
(b) Will be implemented in a more critical area;
(c) Are the most cost-effective;
(d) Have the greatest matched or in-kind funding; and
(e) Will be implemented by a sponsor with a successful record of project implementation.

(3) If a lead entity established under RCW 75.46.060 has been formed, the interagency review team shall evaluate habitat project lists ((and may remove, but not add, projects from a habitat project list))

(4) The interagency review team shall provide a summary of funding for habitat restoration project lists to the governor and to the legislature by December 1st of each year! developed pursuant to RCW 75.46.060 and submitted to the board for consideration for funding. The team shall advise the board on whether the list for the area complies with the list development procedures and critical path methodology provided by RCW 75.46.060 and 75.46.070. When the board determines the list to comply with those requirements it shall accord substantial weight to the list's project priorities when making determinations among applications for funding of projects and activities within the area covered by the list. Projects that include use of side channels, off-stream rearing enhancement, improvement in overwintering habitat, or use of acclimation ponds shall receive consideration for funding.

NEW SECTION. Sec. 12. A new section is added to chapter 75.46 RCW to read as follows:

The salmon recovery account is created in the state treasury. To the account shall be deposited such funds as the legislature directs or appropriates to the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used for salmon recovery financial assistance provided through the salmon recovery funding board created in section 3 of this act.

Sec. 13. RCW 76.12.110 and 1998 c 347 s 55 are each amended to read as follows:

There is created a forest development account in the state treasury. The state treasurer shall keep an account of all sums deposited therein and expended or withdrawn therefrom. Any sums placed in the account shall be pledged for the purpose of paying interest and principal on the bonds issued by the department, and for the purchase of land for growing timber. Any bonds issued shall constitute a first and prior claim and lien against the account for the payment of principal and interest. No sums for the above purposes shall be withdrawn or paid out of the account except upon approval of the department.

Appropriations may be made by the legislature from the forest development account to the department for the purpose of carrying on the activities of the department on state forest lands, lands managed on a sustained yield basis as provided for in RCW 79.68.040, and for reimbursement of expenditures that have been made or may be made from the resource management cost account in the management of state forest lands. (For the 1997-99 fiscal biennium, moneys from the account shall be distributed as directed in the omnibus appropriations act to the beneficiaries of the revenues derived from state forest lands. Funds that accrue to the state from such a distribution shall be deposited into the salmon recovery account, hereby created in the state treasury. Funds appropriated from the salmon recovery account shall be used for efforts to restore endangered anadromous fish stocks.)

NEW SECTION. Sec. 14. RCW 75.46.130 (Appropriated funds) and 1998 c 246 s 17 are each repealed.

NEW SECTION. Sec. 15. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 1999.
On motion of Senator Jacobsen, the following title amendment was adopted:

On page 1, line 1 of the title, after "recovery;" strike the remainder of the title and insert "amending RCW 75.46.005, 75.46.010, 75.46.060, 75.46.070, 75.46.100, 75.46.080, and 76.12.110; adding new sections to chapter 75.46 RCW; repealing RCW 75.46.130; providing an effective date; and declaring an emergency."

On motion of Senator Jacobsen, the rules were suspended, Engrossed Substitute House Bill No. 2079, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

On motion of Senator Honeyford, Senator McCaslin was excused.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 2079, as amended by the Senate.

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 2079, as amended by the Senate, and the bill passed the Senate by the following vote:

Yeas, 42; Nays, 3; Absent, 3; Excused, 1.

Voting nay: Senators Hochstatter, Honeyford and Johnson - 3.

Absent: Senators Deccio, Hale and McDonald - 3.

Excused: Senator McCaslin - 1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2079, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.

There being no objection, the President advanced the Senate to the seventh order of business.

There being no objection, the Senate resumed consideration of Substitute House Bill No. 1345, deferred on third reading earlier today.

The President declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 1345.

PARLIAMENTARY INQUIRY

Senator Johnson: "A point of inquiry, Mr. President. Would the President say how many votes are required to pass Substitute House Bill No. 1345?"

RULING BY THE PRESIDENT

President Owen: "In ruling on the parliamentary inquiry by Senator Johnson concerning the number of votes necessary to pass Substitute House Bill No. 1345, the President finds that RCW 43.135.035 provides that "any action . . . by the Legislature that raises state revenue or requires revenue neutral tax shifts may be taken only if approved by a two-thirds vote of each house . . .""

"Substitute House Bill No. 1345 provides a property tax exemption for certain low income rental housing owned by nonprofit organizations. The result of this exemption would shift a tax burden to nonexempt property owners."
"The President, therefore, rules that final passage of Substitute House Bill No. 1345 requires a two-thirds vote or thirty-three members of the Senate."

REMARKS BY SENATOR SNYDER

Senator Snyder: "Mr. President, it is probably unusual, but I would like to make a remark or two. I couldn't get on my feet before you made your decision, even though I am sure it wouldn't have changed it. I think that you are probably referring to the statute that was created by 601. I think it talks about tax increases, but I don't know about tax shifts. Also, we passed--the Legislature--a few years ago Referendum 47. That passed the Legislature with thirty votes in the Senate and sixty votes in the House of Representatives. I don't know if you could make your ruling retroactive or not, but it would seem that maybe Referendum 47 would be in some jeopardy. Also, we passed--we increased the amount of property tax exemptions for senior citizens from time to time.

"It seems to me that in the future those would all come under a two-thirds vote. Other times, we have eliminated sales tax from certain businesses and replaced them with a higher B & O tax. That would be an increase in their B & O tax. It seems like there would be a lot of different bills that come through here that are probably--some agreed to and some of them that are not--but I am not saying that your ruling isn't proper and the right one, but it certainly is going to be a big change on how we look at a lot of legislation that goes through here. Particularly, that Referendum 47 bill that was passed."

REPLY BY THE PRESIDENT

President Owen: "Senator Snyder, the President would make just merely a brief comment. First, the language requires revenue neutral tax shifts that is taken from the statute. Secondly, this ruling is consistent with the previous rulings this session by the President, and third, he would take any other issue that you brought up as that issue is brought up, too, and the President will rule upon it at that particular time, and fourth, things are going to change because of the fact that Initiative 601 was passed by the people of the state of Washington that requires this new interpretation or interpretations of what, in fact, does require a fifty percent and what, in fact, does require two-thirds. It is the responsibility of the President to enforce the law as he is sworn to do."

FURTHER REMARKS BY SENATOR SNYDER

Senator Snyder: "I might be taking a little liberty here, too, but also one of these times, I would hope that maybe one of these measures won't require a two-thirds vote and that it would give us a reason to get 601 over and test it in the court. I would think that the court in being consistent would rule that you cannot amend the State Constitution by an initiative like they ruled when they made their decision on Term Limits about a year and a half ago."

REMARKS BY SENATOR JOHNSON

Senator Johnson: "While we are making observations, I think it is also valid to say that 601 can be repealed by a majority vote of the Legislature." Further debate ensued.

POINT OF ORDER

Senator Brown: "A point of order, Mr. President. Would you ask the Senator to speak to the issue before us and not to other bills?"

REPLY BY THE PRESIDENT

President Owen: "Senator Benton, would you keep your remarks directed to the issue before us?" Further debate ensued.

ROLL CALL
The Secretary called the roll on the final passage of Substitute House Bill No. 1345 and the bill passed the Senate by the following vote: Yeas, 36; Nays, 12; Absent, 1; Excused, 0.

Absent: Senator Deccio - 1.

SUBSTITUTE HOUSE BILL NO. 1345, having received the constitutional two-thirds majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.

POINT OF ORDER

Senator Heavey: "Mr. President, a point of order. With all due respect to the President, I would submit that the President making his own motion, in effect, is out of order. We have all sorts of constitutional provisions which were also passed by the Legislature and the citizens of the state, including the Constitution. For example, 'no amendment may be adopted that is outside the scope and object--' I certainly hope of the original bill. Another one might be that 'each bill shall have one title--one subject--and that shall be contained in the title.' That is another constitutional amendment. I hope we don't start down a line of the President making his own motions, with all due respect, Mr. President."

REMARKS BY SENATOR KLINE

Senator Kline: "Again, with all due respect, Mr. President, I hope that in the event, in future years, that the President does take it upon himself to move spontaneously and that it be done with equal bipartisan, without regard as to which is the majority party. Thank you."

REPLY BY THE PRESIDENT

President Owen: "The President feels a responsibility to respond. If there was a constitutional amendment on this floor, the President wouldn't have to wait for a person to raise a point of order on how many votes it takes to pass. I did not pass Initiative 601, nor did I support it. It is now the law and I swore to uphold the law. The law says that it take two-thirds vote to pass a bill that shifts taxes within the state of Washington. Therefore, the President should not wait for someone to raise the point of order, but shall declare what the vote is when the vote is taken and what that vote should be. That is the law and the President and each member of the Senate is sworn to uphold the law."

There being no objection, the President returned the Senate to the sixth order of business.

MOTION

On motion of Senator Honeyford, Senators Hale and McDonald were excused.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 2005, by House Committee on State Government (originally sponsored by Representatives Wolfe, D. Sommers, D. (5) "Gross waste of funds" means to spend or use funds or to allow funds to be used without valuable result in a manner grossly deviating from the standard of care or competence that a reasonable person would observe in the same situation.

(6)(a) "Improper governmental action" means any action by an employee((i Which is undertaken in the performance of the employee's official duties (whether or not the action is within the scope of the employee's employment) and (i) Which is in violation of federal or state law or rule, if the violation is not merely technical or of a minimum nature; or (ii) Which is of substantial and specific danger to the public health or safety (or is a gross waste of public funds));

(b) "Improper governmental action" does not include personnel actions, for which other remedies exist, including but not limited to employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, reemployments, performance evaluations, reductions in pay, dismissals, suspensions, demotions, violations of the state civil service law, alleged labor agreement violations, reprimands, claims of discriminatory treatment, or any action which may be taken under chapter 41.06 RCW, or other disciplinary action except as provided in RCW 42.40.030.

(7) "Mismanagement" means the exercise of an executive function in a manner grossly deviating from the standard of care or competence that a reasonable person would observe in the same situation.

(8) "Substantial and specific danger" means a risk of serious injury, illness, peril, or loss, to which the exposure of the public is a gross deviation from the standard of care or competence which a reasonable person would observe in the same situation.

(9) "Use of official authority or influence" includes taking, directing others to take, recommending, processing, or approving any personnel action such as an appointment, promotion, transfer, assignment, reassignment, reinstatement, reemployment, performance evaluation, or any adverse action under chapter 41.06 RCW, or other disciplinary action.

(10) "Whistleblower" means an employee who in good faith reports alleged improper governmental action to the auditor, initiating an investigation under RCW 42.40.040. For purposes of the provisions of this chapter and chapter 49.60 RCW relating to reprisals and retaliatory action, the term "whistleblower" also means: (a) An employee who in good faith provides information to the auditor in connection with an investigation under RCW 42.40.040 and an employee who is believed to have reported (alleged) asserted improper governmental action to the auditor or to have provided information to the auditor in connection with an investigation under RCW 42.40.040 but who, in fact, has not reported such action or provided such information; or (b) an employee who in good faith identifies rules warranting review or provides information to the rules review committee, and an employee who is believed to have identified rules warranting review or provided information to the rules review committee but who, in fact, has not done so.

NEW SECTION. Sec. 2. An employee must make a reasonable attempt to ascertain the correctness of the information furnished and may be subject to disciplinary actions, including, but not limited to, suspension or termination, for knowingly furnishing false information as determined by the employee's appointing authority.

Sec. 3. RCW 42.40.040 and 1992 c 118 s 2 are each amended to read as follows:

(1)(a) In order to be investigated, an assertion of improper governmental action must be provided to the auditor within one year after the occurrence of the asserted improper governmental action.

(b) The auditor has the authority to determine whether to investigate any assertions received. In determining whether to conduct either a preliminary or further investigation, the auditor shall consider factors including, but not limited to: The nature and quality of evidence and the existence of relevant laws and rules; whether the action was isolated or systematic; the history of
previous assertions regarding the same subject or subjects or subject matter; whether other avenues are available for addressing the matter; whether the matter has already been investigated or is in litigation; the degree or significance of the asserted improper governmental action; and the cost and benefit of the investigation. The auditor has the sole discretion to determine the priority and weight given to these and other relevant factors and to decide whether a matter is to be investigated. The auditor shall document the factors considered and the analysis applied.

(c) The auditor also has the authority to investigate assertions as part of an audit conducted under chapter 43.09 RCW. The auditor shall document the reasons for handling the matter as part of such an audit.

(2) Subject to subsection (5)(c) of this section, the identity of a whistleblower is confidential at all times unless the whistleblower consents to disclosure by written waiver or by acknowledging his or her identity in a claim against the state for retaliation.

(3) Upon receiving specific information that an employee has engaged in improper governmental action, the auditor shall, within five working days of receipt of the information, mail written acknowledgement to the whistleblower at the address provided stating whether a preliminary investigation will be conducted. For a period not to exceed thirty working days from receipt of the assertion, the auditor shall conduct such preliminary investigation of the matter as the auditor deems appropriate. (In conducting the investigation, the identity of the whistleblower shall be kept confidential.)

(4) In addition to the authority under subsection (3) of this section, the auditor may, on its own initiative, investigate incidents of improper state governmental action.

(5)(a) If it appears to the auditor, upon completion of the preliminary investigation, that the matter is so unsubstantiated that no further investigation, prosecution, or administrative action is warranted, the auditor shall so notify the whistleblower.

(b) The written notification shall (be by memorandum containing) contain a summary of the information received and of the results of the preliminary investigation with regard to each assertion of improper governmental action (and any determination made by the auditor under (c) of this subsection).

(c) In any case to which this section applies, the identity of the whistleblower shall be kept confidential unless the auditor determines that the information has been provided other than in good faith.

(d) If it appears to the auditor that the matter does not meet the definition of an “improper governmental action” under RCW 42.40.020(3), or is other than a gross waste of public funds, the auditor may forward a summary of the allegations to the appropriate agency for investigation and require a response by memorandum no later than thirty days after the allegations are received from the auditor. The response shall contain a summary of the investigation with regard to each allegation and any determination of corrective action taken. The auditor will keep the identity of the whistleblower confidential. Upon receipt of the results of the investigation from the appropriate agency, the auditor will notify the whistleblower as prescribed under (a), (b), and (c) of this subsection. With the agency’s consent, the auditor may forward the assertions to an appropriate agency to investigate and report back to the auditor no later than sixty working days after the assertions are received from the auditor. The auditor is entitled to all investigative records resulting from such a referral. All procedural and confidentiality provisions of this chapter apply to investigations conducted under this subsection. The auditor shall document the reasons the assertions were referred.

(6) During the preliminary investigation, the auditor shall provide written notification of the nature of the assertions to the subject or subjects of the investigation and the agency head. The notification shall include the relevant facts and laws known at the time and the procedure for the subject or subjects of the investigation and the agency head to respond to the assertions and information obtained during the investigation. This notification does not limit the auditor from considering additional facts or laws which become known during further investigation.

(a) If it appears to the auditor after completion of the preliminary investigation that further investigation, prosecution, or administrative action is warranted, the auditor shall so notify the whistleblower, the subject or subjects of the investigation, and the agency head and either conduct a further investigation((e)) or issue a report under subsection ((4))) (10) of this section.

(b) If the preliminary investigation resulted from an anonymous assertion, a decision to conduct further investigation shall be subject to review by a three-person panel convened as necessary by the auditor prior to the commencement of any additional investigation. The panel shall include a state auditor representative knowledgeable of the subject agency operations, a citizen volunteer, and a representative of the attorney general’s office. This group shall be briefed on the preliminary investigation and shall recommend whether the auditor should proceed with further investigation.

(c) If further investigation is to occur, the auditor shall provide written notification of the nature of the assertions to the subject or subjects of the investigation and the agency head. The notification shall include the relevant facts known at the time and the procedure to be used by the subject or subjects of the investigation and the agency head to respond to the assertions and information obtained during the investigation.

(7) Within sixty working days after the ((thirty day)) preliminary investigation period in subsection ((4))) (3) of this section, the auditor shall complete the investigation and report its findings to the whistleblower unless written justification for the delay is
furnished to the whistleblower, agency head, and subject or subjects of the investigation. In all such cases, the report of the auditor's investigation and findings shall be sent to the whistleblower within one year after the information was filed under subsection (11) of this section.

(12) (a) At any stage of an investigation under this section the auditor may require by subpoena the attendance and testimony of witnesses and the production of documentary or other evidence relating to the investigation at any designated place in the state. The auditor may issue subpoenas, administer oaths, examine witnesses, and receive evidence. In the case of contumacy or failure to obey a subpoena, the superior court for the county in which the person to whom the subpoena is addressed resides or is served may issue an order requiring the person to appear at any designated place to testify or to produce documentary or other evidence. Any failure to obey the order of the court may be punished by the court as a contempt thereof.

(b) The auditor may order the taking of depositions at any stage of a proceeding or investigation under this chapter. Depositions shall be taken before an individual designated by the auditor and having the power to administer oaths. Testimony shall be reduced to writing by or under the direction of the individual taking the deposition and shall be subscribed by the deponent.

(c) Agencies shall cooperate fully in the investigation and shall take appropriate action to preclude the destruction of any evidence during the course of the investigation.

(d) During the investigation the auditor shall interview each subject of the investigation. If it is determined there is reasonable cause to believe improper governmental action has occurred, the subject or subjects and the agency head shall be given fifteen working days to respond to the assertions prior to the issuance of the final report.

(10) (a) If the auditor determines that an employee has engaged in improper governmental action, the auditor shall report the nature and details of the activity to:

(i) The subject or subjects of the investigation and the head of the employing agency; and

(ii) If appropriate, the attorney general or such other authority as the auditor determines appropriate.

(b) The auditor has no enforcement power except that in any case in which the auditor submits an investigative report containing reasonable cause determinations to the head of an agency, the attorney general, or any other individual to which a report has been made under this section, the individual shall report to the auditor with respect to any action taken by the individual regarding the activity, the first report being transmitted no later than thirty days after the date of the auditor's report and monthly thereafter until final action is taken. The auditor shall send its plan for resolution to the auditor within fifteen working days of having received the report. The agency is encouraged to consult with the subject or subjects of the investigation in establishing the resolution plan. The auditor may require periodic reports of agency action until all resolution has occurred. If the auditor determines that appropriate action has not been taken, the auditor shall report the determination to the governor and to the legislature and may include this determination in the agency audit under chapter 43.09 RCW.

(11) Once the auditor concludes that appropriate action has been taken to resolve the matter, the auditor shall so notify the whistleblower, the agency head, and the subject or subjects of the investigation. If the resolution takes more than one year, the auditor shall provide annual notification of its status to the whistleblower, agency head, and subject or subjects of the investigation.

(12) This section does not limit any authority conferred upon the attorney general or any other agency of government to investigate any matter.

Sec. 4. RCW 42.40.050 and 1992 c 118 s 3 are each amended to read as follows:

1. Any person who is a whistleblower, as defined in RCW 42.40.020, and who as a result of being a whistleblower has been subjected to workplace reprisal or retaliatory action has the remedies provided under chapter 49.60 RCW. For the purpose of this section "reprisal or retaliatory action" means but is not limited to:

(a) Denial of adequate staff to perform duties;

(b) Frequent staff changes;

(c) Frequent and undesirable office changes;

(d) Refusal to assign meaningful work;

(e) Unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations;

(f) Demotion;

(g) Reduction in pay;

(h) Denial of promotion;

(i) Suspension;

(j) Dismissal;

(k) Denial of employment; and

(l) A supervisor or superior encouraging coworkers to behave in a hostile manner toward the whistleblower; or

(m) Actions which violate RCW 42.40.030; and
(n) Disclosure of a whistleblower's name unless the whistleblower has consented to disclosure as provided in RCW 42.40.040(2).

(2) Nothing in this section prohibits an agency from making any decision exercising its authority to terminate, suspend, or discipline an employee who engages in workplace reprisal or retaliatory action against a whistleblower. However, the agency also shall implement any order under chapter 49.60 RCW (other than an order of suspension if the agency has terminated the retaliator).

NEW SECTION. Sec. 5. The auditor has the authority to contract for any assistance necessary to carry out the provisions of this chapter.

NEW SECTION. Sec. 6. The cost of administering this chapter is funded through the auditing services revolving account created in RCW 43.09.410.

NEW SECTION. Sec. 9. The office of financial management shall contract for a performance audit of the state employee whistleblower program on a cycle to be determined by the office of financial management. The audit shall be done in accordance with generally accepted government auditing standards beginning with the fiscal year ending June 30, 2001. The audit shall determine at a minimum: Whether the program is acquiring, protecting, and using its resources such as personnel, property, and space economically and efficiently; the causes of inefficiencies or uneconomical practices; and whether the program has complied with laws and rules on matters of economy and efficiency. The audit shall also at a minimum determine the extent to which the desired results or benefits established by the legislature are being achieved, the effectiveness of the program, and whether the auditor has complied with significant laws and rules applicable to the program.

The cost of the audit is a cost of operating the program and shall be funded by the auditing services revolving account created by RCW 43.09.410.

Sec. 10. RCW 43.09.410 and 1995 c 301 s 25 are each amended to read as follows:

An auditing services revolving account is hereby created in the state treasury for the purpose of a centralized funding, accounting, and distribution of the actual costs of the audits provided to state agencies by the state auditor and audits of the state employee whistleblower program under section 9 of this act.

MOTION

Senator Brown moved that the following striking amendment by Senators Brown, Hargrove and Zarelli be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.09.240 and 1996 c 177 s 1 are each amended to read as follows:
(1) A person other than a parent may petition the court for visitation with a child at any time or may intervene in a pending dissolution, legal separation, or modification of parenting plan proceeding. A person other than a parent may not petition for visitation under this section unless the child's parent or parents have commenced an action under this chapter. A grandparent of a child may petition the court for visitation with the child at any time after an action has been commenced under this chapter or a final order has been entered. A grandparent of a child may intervene in a pending dissolution, legal separation, or modification of parenting plan proceeding to seek visitation with the child.
(2) The petition for visitation (with a child by a person other than a parent) must be filed in the county in which the child resides.
(3) The petition for visitation or a motion to intervene pursuant to this section shall be dismissed unless the petitioner or intervenor can demonstrate by clear and convincing evidence that a significant relationship exists with the child with whom visitation is sought. If the petition or motion is dismissed for failure to establish the existence of a significant relationship, the petitioner or intervenor shall be ordered to pay reasonable attorney's fees and costs to the parent, parents, other custodian, or representative of the child who responds to this petition or motion.

(4)) The court may order visitation between the petitioner or intervenor and the child (between whom a significant relationship exists) upon a finding supported by the evidence that the visitation is in the child's best interests.
(5)(a) Visitation with a grandparent shall be presumed to be in the child's best interests when a significant relationship has been shown to exist. This presumption may be rebutted by a preponderance of evidence showing that visitation would endanger the child's physical, mental, or emotional health.
(b) If the court finds that reasonable visitation by a grandparent would be in the child's best interest except for hostilities that exist between the grandparent and one or both of the parents or person with whom the child lives, the court may set the matter for mediation under RCW 26.09.015.

(6) If the petitioner or intervenor has demonstrated by clear, cogent, and convincing evidence that:
(a) A significant relationship exists with the child with whom visitation is sought;
(b) Denial of visitation would result in a substantial likelihood of harm to the child's physical, mental, or emotional well-being; and
(c) Visitation is in the child's best interests.

If the petition or motion is dismissed, the petitioner or intervenor shall be ordered to pay reasonable attorneys' fees and costs to the parent, parents, other custodian, or representative of the child who responds to the petition or motion.

(4) The court may consider the following factors when making a determination of the child's best interests:
(a) The strength of the relationship between the child and the petitioner or intervenor;
(b) The relationship between each of the child's parents or the person with whom the child is residing and the petitioner or intervenor;
(c) The nature and reason for either parent's objection to granting the petitioner or intervenor visitation;
(d) The effect that granting visitation will have on the relationship between the child and the child's parents or the person with whom the child is residing;
(e) The residential time-sharing arrangements between the parents;
(f) The good faith of the petitioner or intervenor;
(g) Any criminal history or history of physical, emotional, or sexual abuse or neglect by the petitioner or intervenor; and
(h) Any other factor relevant to the child's best interest.

(5) The restrictions of RCW 26.09.191 that apply to parents shall be applied to a petitioner or intervenor who is not a parent, but who is a grandparent of the child. The nature and extent of visitation, subject to these restrictions, is in the discretion of the court.

(6) The court may order an investigation and report concerning the proposed visitation or may appoint a guardian ad litem as provided in RCW 26.09.220.

(7) Visitation granted under this section shall be incorporated into the parenting plan for the child.

(8) The court may modify or terminate an order granting visitation under this section in any subsequent modification action upon a showing that the visitation is no longer in the best interest of the child.

Sec. 2. RCW 26.10.160 and 1996 c 303 s 2 are each amended to read as follows:

(1) A parent not granted custody of the child is entitled to reasonable visitation rights except as provided in subsection (2) of this section.

(2)(a) Visitation with the child shall be limited if it is found that the parent seeking visitation has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; (iii) a history of acts of domestic violence as defined in RCW 26.50.010(1) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm; or (iv) the parent has been convicted as an adult of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (a)(iv)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (a)(iv)(A) through (H) of this subsection.

This subsection (2)(a) shall not apply when (c) or (d) of this subsection applies.

(b) The parent's visitation with the child shall be limited if it is found that the parent resides with a person who has engaged in any of the following conduct: (i) Physical, sexual, or a pattern of emotional abuse of a child; (ii) a history of acts of domestic violence as defined in RCW 26.50.010(1) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm; or (iii) the person has been convicted as an adult or as a juvenile has been adjudicated of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (b)(iii)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.
(c) If a parent has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter. If a parent resides with an adult or a juvenile who has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with the parent's child except contact that occurs outside that person's presence.

(d) There is a rebuttable presumption that a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts this presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;
(ii) RCW 9A.44.073;
(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;
(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;
(v) RCW 9A.44.083;
(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;
(vii) RCW 9A.44.100;
(viii) Any predecessor or antecedent statute for the offenses listed in (d)(i) through (vii) of this subsection;
(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection.

(e) There is a rebuttable presumption that a parent who resides with a person who, as an adult, has been convicted, or as a juvenile has been adjudicated, of the sex offenses listed in (e)(i) through (ix) of this subsection places a child at risk of abuse or harm when that parent exercises visitation in the presence of the convicted or adjudicated person. Unless the parent rebuts the presumption, the court shall restrain the parent from contact with the parent's child except for contact that occurs outside of the convicted or adjudicated person's presence:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;
(ii) RCW 9A.44.073;
(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;
(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;
(v) RCW 9A.44.083;
(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;
(vii) RCW 9A.44.100;
(viii) Any predecessor or antecedent statute for the offenses listed in (e)(i) through (vii) of this subsection;
(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (e)(i) through (vii) of this subsection.

(f) The presumption established in (d) of this subsection may be rebutted only after a written finding that:

(i) If the child was not the victim of the sex offense committed by the parent requesting visitation, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or
(ii) If the child was the victim of the sex offense committed by the parent requesting visitation, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest, and (C) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child.

(g) The presumption established in (e) of this subsection may be rebutted only after a written finding that:

(i) If the child was not the victim of the sex offense committed by the person who is residing with the parent requesting visitation, (A) contact between the child and the parent residing with the convicted or adjudicated person is appropriate and that parent is able to protect the child in the presence of the convicted or adjudicated person, and (B) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or
(ii) If the child was the victim of the sex offense committed by the person who is residing with the parent requesting visitation, (A) contact between the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the parent residing with the convicted or adjudicated person in the presence of the
convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

(h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection to have visitation with the child supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(i) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who has been adjudicated as a juvenile of a sex offense listed in (e)(i) through (ix) of this subsection to have visitation with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(j) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent residing with a person who, as an adult, has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have visitation with the child in the presence of the convicted person supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(k) A court shall not order unsupervised contact between the offending parent and a child of the offending parent who was sexually abused by that parent. A court may order unsupervised contact between the offending parent and a child who was not sexually abused by the parent after the presumption under (d) of this subsection has been rebutted and supervised visitation has occurred for at least two years with no further arrests or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW and (i) the sex offense of the offending parent was not committed against a child of the offending parent, and (ii) the court finds that unsupervised contact between the child and the offending parent is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treating child sexual abuse victims who has supervised at least one period of visitation between the parent and the child, and after consideration of evidence of the offending parent's compliance with community supervision requirements, if any. If the offending parent was not ordered by a court to participate in treatment for sex offenders, then the parent shall obtain a psychosexual evaluation conducted by a state-certified sex offender treatment provider indicating that the offender has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child.

(l) A court may order unsupervised contact between the parent and a child which may occur in the presence of a juvenile adjudicated of a sex offense listed in (e)(i) through (ix) of this subsection who resides with the parent after the presumption under (e) of this subsection has been rebutted and supervised visitation has occurred for at least two years during which time the adjudicated juvenile has had no further arrests, adjudications, or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW, and (i) the court finds that unsupervised contact between the child and the parent that may occur in the presence of the adjudicated juvenile is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treatment of child sexual abuse victims who has supervised at least one period of visitation between the parent and the child in the presence of the adjudicated juvenile, and after consideration of evidence of the adjudicated juvenile's compliance with community supervision or parole requirements, if any. If the adjudicated juvenile was not ordered by a court to participate in treatment for sex offenders, then the adjudicated juvenile shall obtain a psychosexual evaluation conducted by a state-certified sex offender treatment provider indicating that the adjudicated juvenile has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child which may occur in the presence of the adjudicated juvenile who is residing with the parent.

(m)(i) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting visitation. If the court expressly finds based on the evidence that limitations on visitation with the child will not adequately protect
the child from the harm or abuse that could result if the child has contact with the parent requesting visitation, the court shall

restrain the person seeking visitation from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent
has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency
action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is
ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to
have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and
convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a
child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and
capable of protecting the child from harm from the person.

(iii) If the court limits visitation under (a) or (b) of this subsection to require supervised contact between the child and the
parent, the court shall not approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual,
or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the
harmful conduct occurred and is willing to and capable of protecting the child from harm. The court shall revoke court approval of
the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing to or
capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause
physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or
abusive conduct will recur is so remote that it w

ould not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (iii) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the
court need not apply the limitations of (a), (b), and (m)(i) and (iii) of this subsection. The weight given to the existence of a
protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection
shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) ((Any person may petition the court for visitation rights at any time including, but not limited to, custody proceedings.)) (a) A grandparent of a child may petition the court for visitation with the child at any time after an action has been commenced under this chapter or a final order has been entered. The court may order visitation ((rights for any person when visitation may serve the best interest of the child)) between the petitioner and the child whether or not there has been any change of circumstances if the petitioner has demonstrated by clear, cogent, and convincing evidence that:

(i) A significant relationship exists with the child with whom visitation is sought;

(ii) Denial of visitation would result in a substantial likelihood of harm to the child's physical, mental, or emotional well-being; and

(iii) Visitation is in the child's best interests.

If the petition is dismissed, the petitioner shall be ordered to pay reasonable attorneys' fees and costs to the parent, parents, other custodian, or representative of the child who responds to the petition.

(b) The court may consider the following factors when making a determination of the child's best interests:

(i) The strength of the relationship between the child and the petitioner;

(ii) The relationship between each of the child's parents or the person with whom the child is residing and the petitioner;

(iii) The nature and reason for either parent's objection to granting the petitioner visitation;

(iv) The effect that granting visitation will have on the relationship between the child and the child's parents or the
person with whom the child is residing;

(v) The residential time-sharing arrangements between the parents;

(vi) The good faith of the petitioner;

(vii) Any criminal history or history of physical, emotional, or sexual abuse or neglect by the petitioner; and

(viii) Any other factor relevant to the child's best interest.

(c) The restrictions of RCW 26.09.191 that apply to parents shall be applied to a petitioner or intervener who is not a
parent, but who is a grandparent of the child. The nature and extent of visitation, subject to these restrictions, is in the discretion
of the court.

4. Visitation granted under this section shall be incorporated into the parenting plan for the child.

5. The court may modify or terminate an order granting ((or denying)) visitation rights whenever modification or
termination would serve the best interests of the child. Modification of a parent's visitation rights shall be subject to the
requirements of subsection (2) of this section.

NEW SECTION  Sec. 3. A new section is added to chapter 26.26 RCW to read as follows:
(1) A grandparent of a child who is the subject of an action brought under this chapter may petition the court for visitation with the child at any time after an action has been commenced under this chapter or a final order has been entered. A grandparent of a child may intervene in a pending action under this chapter to seek visitation with the child.

(2) The petition for visitation must be filed in the county in which the child resides.

(3) The court may order visitation between the petitioner or intervenor and the child if the petitioner or intervenor has demonstrated by clear, cogent, and convincing evidence that:

   (a) A significant relationship exists with the child with whom visitation is sought;

   (b) Denial of visitation would result in a substantial likelihood of harm to the child's physical, mental, or emotional well-being; and

   (c) Visitation is in the child's best interests.

If the petition or motion is dismissed, the petitioner or intervenor shall be ordered to pay reasonable attorneys' fees and costs to the parent, parents, other custodian, or representative of the child who responds to the petition or motion.

(4) The court may consider the following factors when making a determination of the child's best interests:

   (a) The strength of the relationship between the child and the petitioner or intervenor;

   (b) The relationship between each of the child's parents or the person with whom the child is residing and the petitioner or intervenor;

   (c) The nature and reason for either parent's objection to granting the petitioner or intervenor visitation;

   (d) The effect that granting visitation will have on the relationship between the child and the child's parents or the person with whom the child is residing;

   (e) The residential time-sharing arrangements between the parents;

   (f) The good faith of the petitioner or intervenor;

   (g) Any criminal history or history of physical, emotional, or sexual abuse or neglect by the petitioner or intervenor; and

   (h) Any other factor relevant to the child's best interest.

(5) The restrictions of RCW 26.09.191 that apply to parents shall be applied to a petitioner or intervenor who is not a parent, but who is a grandparent of the child. The nature and extent of visitation, subject to these restrictions, is in the discretion of the court.

(6) The court may order an investigation and report concerning the proposed visitation or may appoint a guardian ad litem as provided in RCW 26.09.220.

(7) Visitation granted under this section shall be incorporated into the parenting plan for the child.

(8) The court may modify or terminate an order granting visitation under this section in any subsequent modification action upon a showing that the visitation is no longer in the best interest of the child.*

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1887, by House Committee on Finance (originally sponsored by Representatives Kessler, Lisk, Grant, Wensman, Wolfe and Pennington) (by request of Department of Revenue)

Revising the machinery and equipment tax exemption for manufacturers and processors for hire.

The bill was read the second time.

MOTION

Senator Snyder moved that the following Committee on Ways and Means amendment not be adopted

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the application of the manufacturer's machinery and equipment sales and use tax exemption has, in some cases, been difficult and confusing for taxpayers. In this act, the legislature clarifies the original intent of the exemption and its application by explicitly and clearly defining those items of machinery and equipment that are exempt from tax. This act clarifies the definition of "manufacturing" by defining those logging, rock crushing, and testing activities that are exempt and clarifies the definition of "used directly" by clearly stating that, in order to qualify for the exemption, the machinery and equipment must be used so that the major benefit is for exempt purposes.

Sec. 2. RCW 82.04.120 and 1998 c 168 s 1 are each amended to read as follows:

"To manufacture" embraces all activities of a commercial or industrial nature wherein labor or skill is applied, by hand or machinery, to materials so that as a result thereof a new, different or useful substance or article of tangible personal property is produced for sale or commercial or industrial use, and shall include: (1) The production or fabrication of special made or custom made articles; (2) the production or fabrication of dental appliances, devices, restorations, substitutes, or other dental laboratory products by a dental laboratory or dental technician; (3) cutting, delimbing, and measuring of felled, cut, or taken trees; and (4) crushing and/or blending of rock, sand, stone, gravel, or ore.

"To manufacture" shall not include: Conditioning of seed for use in planting; cubing hay or alfalfa; activities which consist of cutting, grading, or ice glazing seafood which has been cooked, frozen, or canned outside this state; or the growing, harvesting, or producing of agricultural products.

Sec. 3. RCW 82.08.02565 and 1998 c 330 s 1 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 shall not apply to sales to a manufacturer or processor for hire of machinery and equipment used directly in a manufacturing operation or research and development operation, or to sales of or charges made for labor and services rendered in respect to installing, repairing, cleaning, altering, or improving the machinery and equipment, but only when the purchaser provides the seller with an exemption certificate in a form and manner prescribed by the department by rule. The seller shall retain a copy of the certificate for the seller's files.

(2) For purposes of this section and RCW 82.12.02565:

(a) "Machinery and equipment" means industrial fixtures, devices, and support facilities, and tangible personal property that becomes an ingredient or component thereof, including repair parts and replacement parts. "Machinery and equipment" includes pollution control equipment installed and used in a manufacturing operation or research and development operation to prevent air pollution, water pollution, or contamination that might otherwise result from the manufacturing operation or research and development operation.

(b) "Machinery and equipment" does not include:

(i) Hand-powered tools;

(ii) Property with a useful life of less than one year;

(iii) Buildings, other than machinery and equipment that is permanently affixed to or becomes a physical part of a building; and

(iv) Building fixtures that are not integral to the manufacturing operation or research and development operation that are permanently affixed to and become a physical part of a building, such as utility systems for heating, ventilation, air conditioning, communications, plumbing, or electrical.
(c) Machinery and equipment is "used directly" in a manufacturing operation or research and development operation if for at least fifty percent of its use, as measured by time, value, volume, or other measurement for comparison, the machinery and equipment:

(i) Acts upon or interacts with an item of tangible personal property;
(ii) Conveys, transports, handles, or temporarily stores an item of tangible personal property at the manufacturing site;
(iii) Controls, guides, measures, verifies, aligns, regulates, or tests tangible personal property either at the site or away from the site, such as the road testing, air testing, or water testing of products, or other testing that cannot be done at the manufacturing site because of the nature of the testing involved;
(iv) Provides physical support for or access to tangible personal property;
(v) Produces power for, or lubricates machinery and equipment;
(vi) Produces another item of tangible personal property for use in the manufacturing operation or research and development operation;
(vii) Places tangible personal property in the container, package, or wrapping in which the tangible personal property is normally sold or transported; or
(viii) Is integral to research and development as defined in RCW 82.63.010.

(d) "Manufacturing operation" means the manufacturing of articles, substances, or commodities for sale as tangible personal property. (1) A manufacturing operation begins at the point where the raw materials enter the manufacturing site and ends at the point where the processed material leaves the manufacturing site. The term also includes that portion of a cogeneration project that is used to generate power for consumption within the manufacturing site of which the cogeneration project is an integral part. The term does not include the production of electricity by a light and power business as defined in RCW 82.16.010 or the preparation of food products on the premises of a person selling food products at retail.

(e) "Cogeneration" means the simultaneous generation of electrical energy and low-grade heat from the same fuel.

(f) "Research and development operation" means engaging in research and development as defined in RCW 82.63.010 by a manufacturer or processor for hire.

NEW SECTION. Sec. 4. The legislature intends that sections 2 and 3 of this act be clarifying in nature and are retroactive in response to the administrative difficulties encountered in implementing the original legislation. Sec. 5. RCW 82.08.02565 and 1999 c. . . s 3 (section 3 of this act) are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 shall not apply to sales to a manufacturer or processor for hire of machinery and equipment used directly in a manufacturing operation or research and development operation, to sales to a person engaged in testing for a manufacturer or processor for hire of machinery and equipment used directly in a testing operation, or to sales of or charges made for labor and services rendered in respect to installing, repairing, cleaning, altering, or improving the machinery and equipment, but only when the purchaser provides the seller with an exemption certificate in a form and manner prescribed by the department by rule. The seller shall retain a copy of the certificate for the seller's files.

(2) For purposes of this section and RCW 82.12.02565:

(a) "Machinery and equipment" means industrial fixtures, devices, and support facilities, and tangible personal property that becomes an ingredient or component thereof, including repair parts and replacement parts. "Machinery and equipment" includes pollution control equipment installed and used in a manufacturing operation, testing operation, or research and development operation to prevent air pollution, water pollution, or contamination that might otherwise result from the manufacturing operation, testing operation, or research and development operation.

(b) "Machinery and equipment" does not include:

(i) Hand-powered tools;
(ii) Property with a useful life of less than one year;
(iii) Buildings, other than machinery and equipment that is permanently affixed to or becomes a physical part of a building; and
(iv) Building fixtures that are not integral to the manufacturing operation, testing operation, or research and development operation that are permanently affixed to and become a physical part of a building, such as utility systems for heating, ventilation, air conditioning, communications, plumbing, or electrical.

(c) Machinery and equipment is "used directly" in a manufacturing operation or research and development operation if for at least fifty percent of its use, as measured by time, value, volume, or other measurement for comparison, the machinery and equipment:

(i) Acts upon or interacts with an item of tangible personal property;
(ii) Conveys, transports, handles, or temporarily stores an item of tangible personal property at the manufacturing site or testing site:
(iii) Controls, guides, measures, verifies, aligns, regulates, or tests tangible personal property either at the site or away from the site, such as the road testing, air testing, or water testing of products, or other testing that cannot be done at the manufacturing site because of the nature of the testing involved;

(iv) Provides physical support for or access to tangible personal property;

(v) Produces power for, or lubricates machinery and equipment;

(vi) Produces another item of tangible personal property for use in the manufacturing operation, testing operation, or research and development operation;

(vii) Places tangible personal property in the container, package, or wrapping in which the tangible personal property is normally sold or transported; or

(viii) Is integral to research and development as defined in RCW 82.63.010.

(d) “Manufacturing operation” means the manufacturing of articles, substances, or commodities for sale as tangible personal property. A manufacturing operation begins at the point where the raw materials enter the manufacturing site and ends at the point where the processed material leaves the manufacturing site. The term also includes that portion of a cogeneration project that is used to generate power for consumption within the manufacturing site of which the cogeneration project is an integral part. The term does not include the production of electricity by a light and power business as defined in RCW 82.16.010 or the preparation of food products on the premises of a person selling food products at retail.

(e) “Cogeneration” means the simultaneous generation of electrical energy and low-grade heat from the same fuel.

(f) “Research and development operation” means engaging in research and development as defined in RCW 82.63.010 by a manufacturer or processor for hire.

(g) “Testing” means activities performed to establish or determine the properties, qualities, and limitations of tangible personal property.

(h) “Testing operation” means the testing of tangible personal property for a manufacturer or processor for hire. A testing operation begins at the point where the tangible personal property enters the testing site and ends at the point where the tangible personal property leaves the testing site. The term also includes that portion of a cogeneration project that is used to generate power for consumption within the site of which the cogeneration project is an integral part. The term does not include the production of electricity by a light and power business as defined in RCW 82.16.010 or the preparation of food products on the premises of a person selling food products at retail.

Sec. 6. RCW 82.12.02565 and 1998 c 330 s 2 are each amended to read as follows:

The provisions of this chapter shall not apply in respect to the use by a manufacturer or processor for hire of machinery and equipment used directly in a manufacturing operation or research and development operation or to the use by a person engaged in testing for a manufacturer or processor for hire of machinery and equipment used directly in a testing operation.

NEW SECTION. Sec. 7. Sections 1 through 4 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately.

NEW SECTION. Sec. 8. Sections 5 and 6 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect July 1, 1999.”

Debate ensued.

The President declared the question before the Senate to be the motion by Senator Snyder to not adopt the Committee on Ways and Means striking amendment to Engrossed Substitute House Bill No. 1887.

The motion by Senator Snyder carried and the committee striking amendment was not adopted.

MOTION

On motion of Senator Snyder, the rules were suspended, Engrossed Substitute House Bill No. 1887 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

POINT OF INQUIRY

Senator Loveland: “Why is the dual use standard regarding qualifying and nonqualifying use absent in this bill?”

Senator Snyder: “It is not necessary. The current administrative practice of DOR is ‘majority use,’ which means over fifty percent based on time, value, volume, or other measurement for comparison, is reasonable. It is within the administrative authority of the department to use this standard, both for the past and in the future. It is, therefore, appropriate for the department to put this standard in rule.”
The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1887.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1887 and the bill passed the Senate by the following vote:

Absent: Senator Thibaudeau - 1.

Excused: Senator McCaslin - 1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1887, having received the constitutional majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.

SECOND READING

HOUSE BILL NO. 1757, by Representatives Miloscia, O'Brien, Koster, Lovick, Haigh, Hurst and Radcliff

Expanding the number of inmates subject to mandatory DNA testing.

The bill was read the second time.

MOTION

Senator Hargrove moved that the following Committee on Human Services and Corrections striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"PART I

THE DNA IDENTIFICATION SYSTEM

NEW SECTION, Sec. 101. The legislature finds it necessary to expand the current pool of convicted offenders who must have a blood sample drawn for purposes of DNA identification analysis. The legislature further finds that there is a high rate of recidivism among certain types of violent and sex offenders and that drawing blood is minimally intrusive. Creating an expanded DNA data bank bears a rational relationship to the public's interest in enabling law enforcement to better identify convicted violent and sex offenders who are involved in unsolved crimes, who escape to reoffend, and who reoffend after release.

Sec. 102. RCW 43.43.754 and 1994 c 271 s 402 are each amended to read as follows:

Every adult or juvenile individual convicted of a felony or adjudicated guilty of an equivalent juvenile offense defined as a sex offense under RCW 9.94A.030((33)(a) or a violent offense as defined in RCW 9.94A.030 shall have a blood sample drawn for purposes of DNA identification analysis. For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense who are serving or who are to serve a term of confinement in a county jail or detention facility, the county shall be responsible for obtaining blood samples ((prior to release from)) either as part of the intake process into the county jail or detention facility for those persons convicted on or after the effective date of this act, or within a reasonable time after the effective date of this act for those persons incarcerated prior to the effective date of this act who have not yet had a blood sample drawn, beginning with those persons who will be released the sooner. For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense, who are serving or who are to serve a term of confinement in a department of corrections facility or a division of juvenile rehabilitation facility, the facility holding the person shall be responsible for obtaining blood samples ((prior to release from)) either as part of the intake process into such facility for those persons convicted on or after the effective date of this act, or within a reasonable time after the effective date of this act for those persons incarcerated prior to the effective date of this act who have not yet had a blood sample drawn, beginning with those persons who will be released the sooner. Any blood sample taken pursuant to RCW 43.43.752 through 43.43.758 shall be used solely for the purpose of providing DNA or other blood grouping tests for identification analysis and prosecution of a sex offense or a violent offense.

This section applies to all adults who are convicted after July 1, 1990; and to all adults who were convicted on or prior to July 1, 1990, and who are still incarcerated on or after the effective date of this act. This section applies to all juveniles who are
adjudicated guilty after July 1, 1994; and to all juveniles who were adjudicated guilty on or prior to July 1, 1994, and who are still incarcerated on or after the effective date of this act.

PART II

NEW SECTION. Sec. 201. No health care provider, including hospitals, birthing centers, or physicians, may create or maintain any record or copy of any blood sample taken for the purposes of DNA identification.

NEW SECTION. Sec. 202. (1) Any person shall have a cause of action against any health care provider who violates section 201 of this act with regard to that person's blood sample, or to that of his or her child's blood sample.

(2) Any person shall have a cause of action under the consumer protection act, chapter 19.86 RCW, against any health care provider if the health care provider engages in activity that results in a disclosure of a copy or record of that person's blood sample or his or her child's blood sample for commercial purposes or in a commercial transaction.

(3) This section shall only apply to blood samples taken for DNA identification purposes and not to blood samples taken for diagnostic, treatment, or any other legally authorized purposes.

NEW SECTION. Sec. 203. A violation of section 201 of this act that results in a disclosure for commercial purposes or in a commercial transaction shall also constitute a violation under RCW 19.86.020.

NEW SECTION. Sec. 204. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 205. Part headings used in this act are not any part of the law.

NEW SECTION. Sec. 206. Sections 201 through 203 of this act constitute a new chapter in Title 70 RCW.

Renumber the sections consecutively and correct any internal references accordingly.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1448, by House Committee on Agriculture and Ecology (originally sponsored by Representatives Linville, G. Chandler, Cooper, Ericksen, Anderson and Morris)

Allowing the department of ecology to assume primary responsibility for the cleanup of state aquatic lands.

The bill was read the second time.

MOTION

On motion of Senator Jacobsen, the striking amendment by Senators Spanel and Gardner will be considered before the Committee on Natural Resources, Parks and Recreation striking amendment.

MOTION

Senator Spanel moved that the following striking amendment by Senators Spanel and Gardner be adopted:

Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. In order to encourage the cleanup of contaminated areas of aquatic lands, the legislature finds that there have been efforts in Washington to pursue cooperative processes among public agencies and private parties to achieve comprehensive cleanup of toxic contamination on aquatic lands and to avoid the delays and costs of litigation that often characterize the cleanup of complex toxic waste sites. The legislature recognizes that state and local policies and practices in the past have contributed to contamination of state-owned aquatic lands. In meeting its responsibility to contribute to the remediation of contaminated sediments, the state may use state-owned aquatic lands for the disposal and remediation of contaminated sediments.

The legislature further recognizes that local governments, through the shoreline management act, chapter 90.58 RCW, and the growth management act, chapter 36.70A RCW, have planned comprehensively in conjunction with the state and with port districts for the land uses that will occur on and around aquatic lands, and that cleanup decisions should be consistent with these local plans.

Therefore the legislature declares the purpose of this act is to reaffirm the need for all state agencies, local communities, local and special purpose governments, federal agencies, tribes, and other interests to seek timely and environmentally protective cleanup solutions for state-owned aquatic lands. It is further the purpose of this act to provide criteria to guide the parties in making cleanup decisions.

NEW SECTION. Sec. 2. A new section is added to chapter 79.90 RCW to read as follows:

(1) For purposes of this section, "cooperating agencies" means the department of ecology, department of natural resources, department of fish and wildlife, general purpose and special purpose local governments, federal agencies and tribal governments that have entered a memorandum of agreement or comparable statement of intent to work cooperatively toward a comprehensive cleanup of one or more sites of contaminated aquatic lands.

(2) When evaluating alternatives for remedial action for contaminated sediments from state or federally required cleanups of aquatic areas, it is appropriate to consider the full range of cleanup and disposal alternatives, including the use of state-owned aquatic lands as part of the remedial action or as mitigation for the habitat impacts of such cleanup or disposal actions. In examining alternatives for remedial action, the cooperating agencies shall consult with other affected governments and private parties. In selecting disposal sites under this section, the cooperating agencies shall strive to limit the number of separate disposal locations.

(3) In examining a proposal to use state-owned aquatic lands for disposal or habitat mitigation, the cooperating agencies shall evaluate a range of alternatives that consider habitat impacts, impacts to navigation and water-borne commerce, cost, and the benefits of expeditiously reducing the availability of hazardous substances to the environment. The disposal or containment of contaminated sediments on state-owned aquatic lands may be made only in an approved multi-user confined aquatic disposal site, or when the following conditions are met:

(a) Such use presents the most environmentally protective option among a reasonable range of upland, nearshore, and in-water disposal options;

(b) There are no unacceptable adverse environmental impacts from the loss of nearshore vegetated aquatic habitat;

(c) The action is consistent with applicable comprehensive land use plans adopted under chapter 36.70A RCW and shoreline master programs adopted under chapter 90.58 RCW; and

(d) The normal use of harbor areas for commerce and navigation is not impaired.

(4) If the department of ecology determines in the exercise of its regulatory authority under chapter 70.105D that the preferred alternative for remedial action involves the use of state-owned aquatic lands, and the department of natural resources disagrees with the determination, the department shall seek to resolve their differences in a timely manner. If the departments are unable to resolve the dispute, the departments may use mediation or other methods of alternative dispute resolution to seek a resolution.

(5) In the event that the departments of ecology and natural resources are unable to resolve the dispute in following the procedures of subsection (4), the mediator or other third party facilitator used by the departments shall immediately notify the governor and the commissioner of public lands, who shall seek to resolve the dispute. If the governor and commissioner of public lands are unable within sixty days of such notification to agree upon actions to resolve the dispute, they shall immediately report the impasse, including alternatives considered and not adopted, to the standing environmental and natural resources committees of the senate and the house of representatives.

NEW SECTION. Sec. 3. The Puget Sound action team shall monitor the progress of analysis and selection of remedial action alternatives by cooperating agencies under section 2 of this act. No later than January 1 of each year beginning in 2000, the team shall provide a report on such progress to the standing environmental and natural resources committees of the senate and house of representatives.
NEW SECTION. Sec. 4. This act and the authorities granted under this act shall terminate on July 1, 2004. However, such termination shall not affect any action taken prior to such date under the authority of this act."

Renumber the sections consecutively and correct any internal references accordingly.

MOTION

Senator Patterson moved that the following amendments to the striking amendment by Senators Spanel and Gardner be considered simultaneously and be adopted:

On page 3, line 22, delete "this" and insert "Sections 1 through 4 of this"

On page 3, after line 26, insert the following:

"NEW SECTION. Sec. 5. A new section is added to chapter 79.90 RCW to read as follows:
